

## Zongwu 1461

### Chapter 1461

Su Yan looked at Sun Shangxiang with disdain.

When Sun Ce was ruling Wu Commandery, he destroyed many local aristocratic families.

Otherwise, how could Sun Ce rule Wu Commandery safely? Do you even have the money to recruit so many troops? These are all the money Sun Ce confiscated from the houses of these wealthy families and nobles.

"The eldest princess, Sun Ce and some generals from Wu County were captured alive, and even some of their family members were also captured."

At this time, a black-armored soldier ran over and reported,

"Bring them all!"

"Yes, princess!"

When Sun Shangxiang heard the report of the black-armored soldiers, she hurriedly looked at the county governor's mansion. She wanted to know who was not dead? And her mother was not dead?

After a while, dozens of people were escorted by the black-armored soldiers.

After being escorted over, these people's clothes were in tatters and they were all dirty.

The black-armored soldiers pushed these people to the ground and knelt down one by one.

Su Yan looked at these and asked,

"Who is Sun Ce?"

A shabby-faced man looked at Su Yan and said loudly, "I am Sun Ce, Su Yan, if you want to kill him, kill him! Su

Yan looked at Sun Ce and mocked, "Sun Ce, aren't you going to catch me for training?" I'm here now, do you dare?"

Sun Ce glared at Su Yan and yelled,

"Su Yan, you vicious little girl, if you weren't the princess of a powerful empire, I would definitely defeat you, and even catch you and torture you to death." bump!

"Be bold!"

When Huang Zhong heard that Sun Ce was disrespectful to Su Yan, he kicked Sun Ce over.

Sun Shangxiang saw that Sun Ce dared to mock Su Yan at this time, which made her lower her head helplessly. She knew that Sun Ce was dead. Here No one can save him.

However,

Sun Shangxiang also discovered that her mother was not dead, which made her think about how to save her mother's life.

Su Yan turned blue when he heard Sun Ce's words,

"snort! How dare you act so arrogantly even when death is imminent? What's wrong with me, the princess of the empire? This is the honor my father gave me"

"Sun Ce, you could have lived a good life. Your father and I have a good relationship, but you dare to go against me and even shamelessly insult me. Even if you die, you will not regret it."

"If you want to kill, then kill. If I am afraid of death, I, Sun Ce, will not be the little overlord of Jiangdong."

Su Yan looked at the unrepentant Sun Ce and waved his hand and ordered,

"Come on, Sun Ce's car broke apart!"

"Yes, princess!"

A group of black-armored soldiers picked up Sun Ce and carried him away.

Sun Ce didn't yell. He just looked at the other people before being dragged away by the black-armored soldiers.

Su Yan looked again Many of the other people here should be Sun Ce's loyal subordinates.

These people cannot be kept.

"Huang Zhong, screen these people. It's Sun Ce's men who will all be executed."

"Yes, princess!"

Huang Zhong knows these people very well.

Zhou Yu, Huang Gai, Jiang Qin and others here are Sun Ce's die-hard loyalists. It would be a disaster for these people to stay.

When Sun Shangxiang saw that the people here were going to be taken away, she hurriedly said Su Yan begged, "Princess Changle, let my mother go, please, let my mother go. Su

Yan looked at Sun Shangxiang and sneered, "Hey, Sun Shangxiang, you just cursed me for a bad death, and now you're begging me?" Do you think I would agree?"

"Princess, I was wrong, I was wrong, please let my mother go, I will not seek revenge from you in the future"

"snort!"

Su Yan looked at Sun Shangxiang and turned around to leave.

Sun Shangxiang was confused when she saw Su Yan leaving.

She didn't know whether Su Yan agreed or refused, which made her panic and didn't know what to do.

Huang Yueying Looking at Sun Shangxiang who was stunned, she patted Sun Shangxiang on the shoulder and said, "You idiot, why don't you go find your mother? Su Yan has no intention of killing your mother at all."

"ah! is this real? Sun Shangxiang asked in surprise when he heard Huang Yueying's words.

Huang Yueying nodded and replied,

"Of course, your mother had written letters to Su Yan before, but after your father passed away, your mother never contacted Su Yan again. It was impossible for Su Yan to kill his mother."

"Thank you, thank you, I'll go pick up my mother right now."

When Sun Shangxiang heard Huang Yueying's words, she hurriedly thanked Huang Yueying and ran towards the group of people being escorted.

Wu County was completely occupied by Su Yan, and the entire south was completely in her hands.

Su Yan, Jiaozhou in the southwest She doesn't want to conquer anymore, leaving all this to Gai Nie's Tenglong Legion.

Su Yan is ready to arrange things in the south. She will rush back to the Black Bird Palace in the Southern Continent. She has not given up on the new world. She wants to do it no matter what. Go to the New World to play.

The Shenyu Continent, the Eastern Continent, and Hangzhou City.

Nearly a month later,

Su Chen also arrived in Hangzhou City.

Although he did not encounter any trouble on the road this time, there were two more women in the carriage. ,

Su Chen also did not expect that Aruo and her maid Xiaoguan would come to Hangzhou with him.

"Mr. Su, what is your identity?" Aruo saw the city guards in Hangzhou saluting Su Chen's carriage, which made her very confused.

"You'll find out in a moment." Su Chen smiled and didn't answer her. With A Ruo and Xiao Guan taking care of him along the way, he lived a very good life.

Su Chen even taught A Ruo and Xiao Guan some exercises.

A Ruo is now She is already at the peak of acquired cultivation.

Xiaoguan is far behind.

She is only at the third level of acquired life.

Aruo's Xuanyin body cultivation speed is indeed very fast.

The Hangzhou City Lord's Mansion is very lively now.

No, it should be watching. There were a lot of lively people.

In front of the City Lord's Mansion,

Xu Xian kept shouting outside the City Lord's Mansion. He also pointed at the people around him and didn't care at all.

Xu Xian shouted at the gate of the City Lord's Mansion,

"Bai Suzhen"

"I don't want your money. Didn't you promise to marry me before? Now that my medical clinic has improved and I can make money, why do you regret it again? Did Mr. Wu Xiang force you?"

In front of the City Lord's Mansion, dozens of black-armored soldiers were glaring at Xu Xian. If they hadn't been ordered to leave Xu Xian alone, they would have driven Xu Xian away long ago.

In the City Lord's Mansion,

Xiaobai and Xiaoqing were very helpless sitting together.

Xiao Qing couldn't understand why Xiao Bai allowed Xu Xian to make trouble outside the house. She couldn't bear it now.

This was already the fourth day, and there was no way Xu Xian could continue making trouble like this.

Xiao Qing stood up and said angrily, "Sister, do we really not care?"

"Xiaoqing, don't you understand yet?" Xiao Bai shook his head and said to Xiao Qing.

When Xiao Qing heard Xiao Bai's words, he asked in confusion,

"Understand what?"

Xiao Bai looked in the direction outside the house and sighed,

"well! Xiaoqing, do you think it's normal for Xu Xian to appear outside the city lord's mansion? Xu Xian used to be a humble gentleman. Would he be able to do such a thing?"

"Sister, are you saying that Xu Xian was deceived by people or demons?"

Chapter 1462

Xiaoqing was very surprised when she heard Xiaobai's words.

She thought about it and found it very strange. In his eyes, Xu Xian was a loser.

This time, he actually came to the City Lord's Mansion to cause trouble for several days.

This is totally unjustifiable.

Moreover, with Xu Xian's courage, does he dare to come to the City Lord's Mansion to cause trouble?

Someone here must be bewitching Xu Xian, and may even be using Xu Xian to slander Su Chen.

Xiaoqing looked at Xiaobai and asked worriedly, "Sister, have you found anything in the past few days?"

Xiaobai shook his head and replied,

"No"

"I have been checking the monsters in Hangzhou these days, and I have even checked the people Xu Xian has come into contact with. Xu Xian has not been in contact with strangers during this period, and even Xu Xian has not been deceived."

"This is because I didn't care about Xu Xian's troubles. I wanted to see if the people behind it would reveal their faults if we ignored Xu Xian."

Xiao Bai felt very helpless.

She felt that this time she was not here for Su Chen, but for her.

After Xiao Bai said the conspiracy mentioned by Su Chen, she directly used money to repay Xu Xian's kindness to her. , now Xu Xian comes to the city lord's palace to cause trouble, this must be for her. Is it really impossible for her to avoid what Su Chen said?

Who will it be this time?

Fa Hai from Jinshan Temple?

This is impossible,

Hangzhou City does not allow monks to come , who could it be?

Could it be Guanyin Bodhisattva who has descended into the lower world again?

Xiaoqing nodded when he heard Xiaobai's words.

Xu Xian is easy to deal with, but the person hiding behind Xu Xian may not be so easy to deal with. Without discovering the hidden person, they really couldn't alert the snake.

Outside the city lord's palace, a luxurious carriage arrived.

When the people here saw the carriage, they got out of the way.

The black bird pattern on the carriage was their symbol of Hangzhou City. The common people know it.

This is the family emblem of the city lord Wu Xiangjun, and it is also the black bird in the black bird flag of Hangzhou City.

"Bluebird, what's happening outside? Su Chen asked suspiciously when he heard the noisy noise outside.

Qingniao replied to Su Chen outside the carriage, "Master, someone is making trouble outside the city lord's palace.""

"Um? Someone is making trouble outside the city lord's mansion? How can this be?"

Su Chen felt very strange when he heard Qingniao's words.

Someone dared to make trouble in the city lord's palace?

Does this mean he doesn't want to live? Why didn't

Xiaobai, Xiaoqing, and even Ji Ruxi and He Shuirou take care of it?

Did they come to make trouble ?

Isn't it convenient for Xiaobai and the other four girls to deal with the person ?

Su Chen handed Su Yue to Aruo and got off the carriage.

He wanted to see who was causing trouble outside the city lord's palace.

Xu Xian still kept shouting in front of the city lord's palace."Bai Suzhen, come out and see me, don't you miss some old feelings?""

Xu Xian was very uneasy at first, but after these few days of trouble, he found that no one in the city lord's mansion cared about him at all, which made him bolder. In order to marry the beautiful Bai Suzhen, Xu Xian I don't care about anything anymore

"See you, Your Majesty!"

In front of the city lord's mansion, dozens of black-armored soldiers saw Su Chen appear.

They all immediately knelt down and saluted.

The people around them did not expect that the person who had just arrived turned out to be the master of Hangzhou City, Lord Wu Xiang! The people hurriedly knelt down and saluted Su Chen.

"What's going on here?"

Su Chen didn't care when he saw Xu Xian who didn't salute. He was just a clown.

Su Chen didn't expect that Xu Xian would make trouble in front of the city lord's palace. This made Su Chen confused.

"Your Majesty, this is what happened....."A captain of the black-armored team hurriedly told Su Chen what had happened in the past few days.

Xu Xian was very nervous now.

He didn't expect that Su Chen would come back. Didn't that person tell him that Su Chen wouldn't be back during this time?

Now that Su Chen has arrived,

Xu Xian is a little scared.

When Su Chen heard what the team leader said, he looked very angry.

He guessed who was bewitching Xu Xian.

People from Buddhism actually dared to come to Hangzhou City. It seemed that they would have to kill some more monks, otherwise they would not be able to control those damned people. Monk.

Su Chen looked at Xu Xian and ordered expressionlessly, "Come here, take Xu Xian into prison and execute him at noon tomorrow.""

"Yes, sir!"

After the black-armored soldiers heard Su Chen's order, they hurriedly stepped forward, kicked Xu Xian over and tied him up.

They had long disliked Xu Xian, and this time Su Chen returned, allowing these black-armored soldiers to put aside the depression they had suffered these days. He vented his anger.

Xu Xian shouted in panic when he was tied up, "No, Mr. Wu Xiang, you can't arrest me or kill me. I didn't break the law, so you can't use lynching." Su

Chen looked at Xu Xian with disdain and sneered, "In Hangzhou City, I am the master. How dare you make trouble in front of my house? Xu Xian, who gave you the courage?" Have I killed too few people?"

"Bluebird!"

"Master!"

Su Chen handed Qingniao a token and ordered,

"Taking this token, I went to the military camp and dispatched 5,000 black-armored troops to surround the Guangyuan Temple in the south of the city. I captured everyone inside and killed the resisters without mercy."

"Yes, Master!"

Su Chen looked around again when he saw Qingniao leaving.

He just saw Xu Xian daring to cause trouble, so he used his mental power to check Hangzhou City, but he didn't expect that there were people in the broken temple outside Hangzhou City. There were even thousands of common people, which made Su Chen quickly check carefully. He found that

there were many monks hidden inside. Guangyuan Temple has been destroyed. Where did these monks come from? Could Xu Xian be ? Bewitched by those monks? Su Chen had to figure this out. After the people around him heard Su Chen's order, they all knew that Xu Xian was dead this time. Wu Xiangjun killed several people when he first ruled Hangzhou City. Thousands of people, but Xu Xian dared to cause trouble in the city lord's palace without any hesitation. Isn't this asking for death? Over the past year or so, the people in Hangzhou City have probably forgotten the cruelty of Lord Wu Xiang

"It's all gone."

Su Chen waved his hands to the people around him and said.

The people around him hurriedly dispersed after hearing Su Chen's order.

The people in Hangzhou City were very afraid of Su Chen, but they also loved Su Chen very much. , for more than a year, the city of Hangzhou has become more and more prosperous, with extremely low taxes and prosperous commerce, which makes the city of Hangzhou change very big every month.

In the carriage,

Aruo and Xiaoguan jumped out of the carriage in surprise Looking at Su Chen from the window above, they did not expect that Su Chen was the lord of a city, or even a top nobleman.

Xiaoguan looked back at A Ruo and said happily,

"Miss, you will be the wife of a top nobleman in the future. Mr. Su is actually a city lord and a top nobleman. I didn't expect that Mr. Su has such a big background. A'ruo hugged Su Yue and hurriedly warned Xiaoguan,"Xiaoguan, don't talk nonsense. Mr. Su has a wife. We are living under someone else's roof now. Don't go off the rails.""

Chapter 1463

In the city lord's mansion,

Xiaobai and Xiaoqing also noticed Su Chen's arrival.

They didn't expect that Su Chen was back, which made them a little happy.

They had managed Hangzhou City very hard for more than a year, and even practiced The time is pitiful.

After Su Chen brought A Ruo and the others into the city lord's mansion,

Xiao Qing hurriedly ran out and asked Su Chen, "Su Chen, you still know how to come back. Where have you been for more than a year?"

Su Chen saw Xiao Qing. He held her in one hand and said with a smile, "Haha, Xiaoqing, do you miss me?"

"Bah, I didn't miss you."

Xiao Qing was very shy when Su Chen held her in public, but when she noticed that Su Chen was holding a child in one hand, she asked in confusion, "Su Chen, why are you holding a child? Whose child is this?"

"This is my little daughter Su Yue." Su Chen hugged Su Yue and let Xiao Qing take a look.

Xiao Qing was stunned when she heard Su Chen's words.

After she reacted,

Xiao Qing immediately grabbed Su Chen's waist and asked angrily,

"Your daughter? Or the younger daughter? You bastard, how many women have you got?"

"Hiss, let go, are you going to strangle me to death?"

Xiao Qing was very helpless when she looked at Su Chen.

She knew that this bastard had many women.

Like Ji Ruxi and a few girls in the house, as well as those peerless beauties who suddenly appeared.

Xiao Qing also didn't know what to do with Su Chen. What can I say?

Who told her to fall in love with this shameless pervert?

"You are such a shameless pervert. Who are they?"

"Aruo, I've met Mrs. Su!"

"Xiaoguan, I have met Mrs. Su!"

Aruo and Xiaoguan hurriedly saluted this beautiful woman.

They are now living under someone else's roof.

This beautiful woman obviously has an unusual relationship with Su Chen, which makes them feel very uneasy.

Xiaoqing heard them call her Su Chen. The madam was very happy, and she could tell that these two women had little to do with Su Chen.

Although she didn't know why Su Chen brought them to the house, Xiao Qing would not embarrass these two ordinary people. woman

"Get up quickly. Since you were brought back by Su Chen, you can live peacefully in the house from now on."

"Thank you Mrs. Su."

In the living room,

Xiaobai was sitting here calmly and drinking tea, but she heard the conversation between Su Chen and Xiao Qing outside.

She felt very uneasy.

That bastard Su Chen came back with his daughter. ?

And it's her little daughter?

Damn it, this bastard never said he had a child.

After Su Chen and Xiao Qing arrived in the living room, Xiao Qing asked the maid to take A Ruo and Xiao Guan to arrange accommodation, and she hugged Su Yue sat aside, she was very interested in Su Chen's child.

Su Chen sat next to Xiao Bai and teased with a smile,"Xiao Bai, I didn't expect you to be beautiful again after not seeing me for more than a year. Xiaobai glanced at Su Chen and said angrily,"A dog can't spit out ivory, but you are still so shameless.""

"Haha, where are Xiaobai, Xi and the others?"

"Xi and the others are all in seclusion and have nothing to do now. They all want to break through as soon as possible. Do you need me to ask them to come out of seclusion?"

"Well, then don't disturb them."

Su Chen waved his hand to stop it.

Ji Ruxi and their strength is still a bit low in the Shenyu Continent. It's a good thing that they can step up their practice.

Su Chen doesn't want to disturb them either.

"Giggles....."

At this time,

Su Yue laughed under Xiaoqing's teasing.

Xiaoqing looked at Su Chen and said with a smile,

"Suchen, your daughter is so funny! When Su

Chen heard Xiao Qing's words, his head was full of dark thoughts,"Let me tell you, Xiao Qing, that is my daughter, not a kitten or puppy, please don't say that, okay?"

"Haha, slip of the tongue! Slip of the tongue!"

Xiao Bai shook her head speechlessly when she saw Xiao Qing's appearance.

Xiao Qing is almost a thousand years old, so why does he still look like a child?

She thought of Su Chen's order outside the house and asked doubtfully,"Su Chen, did you find something when you caught Xu Xian? Su

Chen nodded and replied,"Well, another monk appeared at Guangyuan Temple outside Hangzhou. I suspect that those monks bewitched Xu Xian."

"Then do you really want to kill Xu Xian?"

Xiao Bai looked at Su Chen and asked worriedly.

Xiao Bai also knew that Xu Xian was a pawn of Buddhism.

She was worried that if Xu Xian was killed tomorrow,

Buddhism would probably send out experts to retaliate against Su Chen.

Su Chen shook his head, Xu

Xian There is no way to kill him now.

Buddhism will definitely not let him kill Xu Xian, an important person.

Su Chen also wants to know if he kills Xu Xian tomorrow, will the masters of Buddhism come to save Xu Xian?

Or will the avatar of Guanyin Bodhisattva come to the lower world to save Xu Xian?

"Xu Xian can't be killed now. I just want to see who will come to save Xu Xian tomorrow, so that we can take precautions in the future."

Xiao Bai breathed a sigh of relief when he heard Su Chen's words.

"That's fine, we are not the opponent of Buddhism yet, and we still have to endure some patience."

Su Chen took a sip of Xiaobai's tea and asked,

"When you allow Xu Xian to cause trouble outside the house, you also want to know who is bewitching Xu Xian, right?"

Xiao Bai's face turned red when she saw Su Chen drinking the tea she had drunk.

She didn't expect Su Chen to be so shameless.

She was helpless to this bastard.

"Yes, but I haven't found anything in the past few days. It seems that someone is using a third person to guide Xu Xian"

"Have you investigated Xu Xian's sister and brother-in-law?"

Xiao Bai said to Su Chen, "After investigation, Xu Xian fell out with his sister and brother-in-law a year ago, and they have not been in contact for a while. They should not be spreading the news."

Su Chen shook his head when he heard Xiao Bai's words.

In the plot, Xu Xian's sister loved Xu Xian very much. Su Chen didn't believe that their siblings would really fall out.

Besides, Xu Xian's sister was also a Buddhist believer.

If a monk found Xu Xian Sister, Xu Xian's sister will definitely be bewitched by Buddhist monks

"Let the secret guards closely monitor Xu Xian's sister and brother-in-law. They have a very good relationship, and Xu Xian's sister is a Buddhist. We don't believe that they will really fall out."

"Well, I'll arrange secret guards to monitor them soon."

That night,

Xiao Qing took Su Yue to rest together.

She is very kind to Su Yue now, especially when Su Yue calls Xiao Qing her mother.

Xiao Qing is happy but never leaves Su Yue for a moment.

Whoosh!

Xiao Qing In Bai's room,

Xiao Bai was practicing.

She suddenly felt someone appearing in her room, which made Xiao Bai immediately alert.

"it's me!"

Su Chen said hurriedly when he appeared next to Xiao Bai.

He was worried that Xiao Bai would suddenly take action, which would make him embarrassed. After all, he was here to steal fragrance and jade this time. Su Chen didn't want others to know now. When Xiaobai saw it was Su Chen, she felt nervous and asked hurriedly, "What are you doing here so late?" I'm going to rest, please leave quickly."

Su Chen stepped forward, hugged Xiaobai and said with a smile, "It's a long night, I'm here to rest with you!"

"Get lost, I don't need your company. If you don't leave, I will....Woohoo!"

Chapter 1464

Outside the city of Hangzhou, the Guangyuan Temple at night is now in chaos, with people shouting everywhere. But these shouts have caused the black-armored troops who rushed into the ruined temple to catch them.

Qingniao led the black-armored troops to Guangyuan Temple. Finally, she did not rush in immediately to arrest people.

When night fell, she saw some people going in to destroy the temple one after another, and then Qingniao ordered the black-armored troops to rush in and arrest people.

Jade Bird did not expect that Su Chen was a city lord or a top noble. Even in the military camp in Hangzhou City, Jade Bird was even more shocked when he saw the hundreds of thousands of black-armored troops.

These are very elite troops, even more powerful than the Beiliang Iron Cavalry.

No wonder Su Chen dared to challenge Xu Nian, and even launched a war against Beiliang. However, the 100,000 black-armored army was a bit small, and Jade Bird didn't know if Su Chen still had a large black-armored army.

When Qingniao was thinking about Su Chen, a commander from the black-armored army came over and saluted Qingniao,

"Lord Qi, everyone in Guangyuan Temple was captured, hundreds of people who resisted were killed, and more than 1,500 people were brought under control."

The blue bird asked hurriedly after hearing what the captain said,

"Have you found any monks?"

The captain nodded and replied, "Yes, there are dozens of monks among these people. Some monks were killed when they tried to escape, and other monks were caught."

"Check carefully to see if there are any monks among these people. These monks are the ones the young master wants to arrest. We cannot miss any of them."

"Yes, my lord!"

Qingniao was very satisfied when he saw these black-armored troops.

These black-armored troops moved quickly and did not even violate the combat orders.

An order is an order.

When the black-armored troops receive orders, they will complete them meticulously. Qingniao is so powerful to Su Chen. The loyal army is also proud.

The next morning,

Su Chen touched Xiaobai's back when he came out of Xiaobai's room. He felt that his back was now burning. Su Chen did not expect that Xiaobai would scratch his back when he was excited..

However, he enjoyed the tenderness of the snake girl.

Xiaobai was indeed a powerful snake demon. They fought for most of the night before Su Chen defeated Xiaobai. If it were an ordinary human being, he might not be able to subdue this powerful snake demon. Snake demon.

When Qingniao saw Su Chen appearing in the yard, she hurriedly walked over and reported,

"young master"

"The common people and monks in Guangyuan Temple were all caught, but those monks were just small fish."

"And those people were also the people of Hangzhou City in the past."

"These people just couldn't live in Zhenjiang City anymore, so they were bewitched by some monks and came back to Hangzhou City. As for what conspiracy they would have in the future, those monks didn't know."

Su Chen commanded coldly after hearing Qingniao's words,

"Order the army to drive those people out of Hangzhou City's sphere of influence, and then threaten those people. If they dare to appear in Hangzhou City's sphere of influence, they will be killed without mercy."

"As for those miscellaneous fish monks, all of them will be executed."

"Yes, Master!"

After Qingniao saluted Su Chen, she left in a hurry.

In Xiaobai's room,

Xiaobai lay on the bed with a shy face and didn't want to get up. She didn't expect that bastard Su Chen to succeed last night. She thought of last night I hated it so much.

Xiaobai patted his forehead and said helplessly, "Damn shameless bastard, how can I tell Xiaoqing this?"

In the prison in Hangzhou City,

Xu Xian was also escorted out by the police. Today is the time to execute Xu Xian, and the execution ground in Hangzhou City has been prepared.

Li Gongfu was very helpless when he saw Xu Xian in chains.

He had already advised him Xu Xian, but Xu Xian just didn't listen.

Marriage is based on fate, not force.

Madam Bai is now the controller of Hangzhou City. She is the most powerful person except the city lord.

How could Xu Xian dare to offend the city lord's wife so hard? Woolen cloth?

"Brother-in-law, help me, I don't want to die, I don't want to die." After Xu Xian saw Li Gongfu, he hurriedly shouted for help.

The policemen around him all looked down upon Xu Xian.

They all knew what happened in the past few days.

If the city lord's wife hadn't been as knowledgeable as Xu Xian, , can Xu Xian be able to make trouble for so many days?

Their detectives wanted to arrest Xu Xian as soon as possible, but the orders of the city lord's palace were ignored, which prevented them from catching Xu Xian who was causing trouble at the first time.

It's just that This time Xu Xian hit the muzzle of the gun.

Wu Xiangjun's return coincided with this incident.

It was impossible for Xu Xian not to die this time.

Li Gongfu fed Xu Xian some water and said helplessly,

"Xu Xian, I'm just a catcher. What you offended this time is the city lord Wu Xiangjun. I can't save you. The things you did yourself are already unforgivable. This is why you ended up like this because you didn't listen to my persuasion. You are the one to blame for the consequences."

Xu Xian hurriedly said after hearing Li Gongfu's words,

"I don't want to die, brother-in-law, Guangyuan Temple, the monks in Guangyuan Temple will save me, please help me inform the masters of Guangyuan Temple, please, brother-in-law. Li

Gongfu shook his head and said with a bitter smile,"Xu Xian, Guangyuan Temple was wiped out by the army last night. No one will come to save you this time.""

A policeman patted Li Gongfu on the shoulder and sighed,"Oh! Li Tou, the time is coming soon. Let's quickly escort Xu Xian to the execution ground."

"Take it away!"

In the City Lord's Mansion,

Xiao Qing looked at Xiao Bai and found that something was very wrong with her today.

Xiao Bai was not only more beautiful today, but even the charm of a woman was more obvious, which made Xiao Qing very confused.

Why after one night,

Xiao Bai Has Bai changed so much?

Xiaobai felt very uneasy when Xiaoqing stared at her.

She was worried that Xiaoqing would find out about her condition.

"mother.....eat.....eat!" At this time, Su Yue screamed noisily in Xiao Qing's arms.

When Xiao Qing heard Su Yue's words, she pinched her little face and said with a smile, "Xiao Yue'er, you must be hungry. The milk will be ready in a while, Yue'er. Wait a little longer." Xiaobai breathed a sigh of relief when she saw Xiaoqing's transferred Su Yue. She looked at the cute little Yue'er and said to Xiao Qing, "Xiao Qing, pass Yue'er to me, and you can go and see it. See if the maids have heated up the milk.

"

"Okay, sister!"

Xiao Qing handed Su Yue to Xiao Bai and left in a hurry.

Xiao Qing didn't want Su Yue to be hungry all the time.

She wanted to hurry up and urge the maids.

Xiao Bai nodded Su Yan's delicate little nose and smiled. Asked, "Xiaoyue'er, what should you call me?"

"Giggles.....mother.....mother..."

Su Yue laughed when Xiaobai touched her nose, and even kept waving her little hands and shouting

"What a lovely little girl."

Xiaobai said happily when he heard Su Yue's cry.

Xiaobai now understands why Xiaoqing likes Su Yue so much. This little girl is so cute at such a young age, and even has such a sweet mouth. Xiaobai also likes it very much. This little girl.

Outside the city of Hangzhou, suddenly a white light fell from the sky.

Then, a beautiful woman in a white dress came out of the white light. The woman looked at Hangzhou coldly and disappeared in an instant.

"come yet? Who will save Xu Xian this time?"

Chapter 1465

In the city lord's palace,

Su Chen suddenly looked outside Hangzhou City.

He noticed the movement just now. The powerful aura made Su Chen feel frightened. This made Su Chen feel that the person coming this time must be a very powerful person. Or the clone of immortal

"Su Chen, did a powerful person arrive just now?"

In the courtyard,

Xiaobai hurriedly came out with Su Yue in her arms and looked towards Hangzhou City. When she saw Su Chen in the courtyard, she asked hurriedly.

Su Chen nodded to Xiaobai and said,

"Well, he should be here to save Xu Xian. It seems that Xu Xian is not just a pawn of Buddhism."

Xiao Bai said to Su Chen with a serious face,

"That's right. Xu Xian was only arrested yesterday, and today they are tentatively trying to execute him. However, Buddhism got the news so quickly, and even powerful people appeared in Hangzhou City so quickly. Xu Xian must have been noticed by Buddhism. breath"

"good!"

Su Chen thought so when he heard Xiao Bai's words, but what is the use of Xu Xian?

Why does Buddhism care so much about Xu Xian?

Su Chen felt that Buddhism couldn't be as simple as scheming against Xiao Bai. I'm afraid Buddhism has other conspiracies.

Yes. Yes, there is also Wenquxing.

Wenquxing will be reincarnated in the future, and he will also become the son of Xu Xian and Bai Suzhen. Is there a Buddhist plan in this?

Wenquxing is a person from heaven.

Could it be that the Buddhists in the fairy world are also plotting against heaven?

Xiaobai Looking at Su Chen, he worriedly warned,"You have to be careful for a moment, the aura just now was very powerful."

Su Chen doesn't dare to fight that powerful person.

Buddhists are all ruthless people.

He doesn't care about the Buddhist sects in the Shenyu Continent. He can even destroy the Buddhist sects in the Shenyu Continent, but the clones coming from the fairy world are not something he can deal with..

Unless Su Chen becomes stronger, it is impossible for him to offend the clone coming from the fairy world.

"Don't worry, we won't do anything this time. This person should be a clone coming from the fairy world. I will buy some face and let her take Xu Xian away. However, I will also make some demands."

"Well, as long as you have an idea."

Xiao Bai breathed a sigh of relief when she heard Su Chen's words.

She was worried that Su Chen would go to war with the people in the fairy world regardless of life and death.

If that happened,

Su Chen would be a threat, and even the little fox might not be able to save Su Chen.

Su Chen touched Xiaobai's face and reminded, "Don't show your face this time, you and Xiaoqing. After all, you are snake demons. I'm worried that the Buddhist monks will take action against you.""

"All right!"

Xiaobai blushed and agreed after thinking about it.

After all, her and Xiaoqing's identities were very sensitive, and she didn't want to cause trouble to Su Chen.

In an underground base outside Hangzhou, the little fox was leisurely watching the little demon. They were making magic weapons.

Suddenly, she stood up hurriedly and looked in the direction of Hangzhou City.

A powerful aura appeared near Hangzhou City just now, which made the little fox worry about that bastard Su Chen.

The little fox shook his pipe. He said to himself,

"How could a clone of an immortal come from the fairy world, a clone at the peak of the Tribulation Realm, come to Hangzhou City? Could it be that that bastard Su Chen provoked someone again?"

The little fox smiled with her sexy little mouth.

She is not worried about the coming immortal clone.

The little fox is now at the peak of the Tribulation Realm. She is even just a hair away from becoming an immortal right away.

But she is not willing to become an immortal right now. , there are still things she has to do in Shenyun Continent, and the little fox has been suppressing her cultivation realm. The little fox thought for a while and suddenly disappeared into the underground base.

The execution ground in Hangzhou City was already full of people watching. The lively people, the people in Hangzhou City all knew about Xu Xian's riot in the city lord's palace.

This time Wu Xiangjun caught Xu Xian when he came back, and even though Xu Xian was going to be executed today, no one here sympathized with Xu Xian.

After all, Xu Xian boldly caused a scene in the City Lord's Mansion for several days.

If this were any other City Lord's Mansion,

Xu Xian would have been killed long ago.

"See you, Your Majesty!"

When Su Chen arrived, the policemen here saluted Su Chen one after another.

"See Wu Xiangjun!"

The people around also saluted Su Chen.

"All free of charge!"

"Thank you, Your Majesty."

Su Chen stood on the execution platform.

He looked at the dense crowd of people around him and said loudly,

"The people of Hangzhou City"

"You all know what I'm going to do today"

"Xu Xian boldly insulted my wife. You have all heard about what happened in the past few days. Because my wife and Xu Xian are old acquaintances, she has not given Xu Xian any trouble in the past few days."

"But what about Xu Xian?"

"Did he actually think that the City Lord's Mansion was easy to bully? Or do you think I haven't killed enough people?"

"My wife has been managing the city of Hangzhou for more than a year. With extremely low taxes and prosperous commerce, the city of Hangzhou is thriving under the management of my wife."

"And now Xu Xian is slandering my wife without hesitation"

"Does my execution of him count as lynching?"

When the people under the execution platform heard Su Chen's words, they shouted one after another,

"Killing Xu Xian will not allow Xu Xian to slander Mrs. Bai"

"That is, Mrs. Bai has done many good things for the city of Hangzhou. We cannot let Xu Xian slander Mrs. Bai."

"Hangzhou is the largest and most prosperous city in the Song Dynasty. This is all the result of Mrs. Bai. We cannot let Mrs. Bai be insulted. Xu Xian deserves to die."

"Kill Xu Xian!"

"Kill Xu Xian!"

At this moment, behind the execution platform,

Xu Xian listened to the shouts and curses of the people in Hangzhou City with a pale face.

He was now extremely panicked.

Xu Xian did not expect that he was a clown from beginning to end,

Mrs. Bai?

Bai Suzhen is already Su Chen's Madam, hahaha.....

He actually still misses a married woman.

He is a scholar.

How could he do such a shameless thing?

Su Chen looked around and found an old man who had been observing him. This made Su Chen think that this old man should be the powerful person.

Although he didn't have any powerful aura about him, the look in his eyes made Su Chen very frightened.

"Bring Xu Xian!"

"Yes, Your Majesty!"

Several policemen escorted Xu Xian to the execution platform. Su

Chen looked at the old man and asked Xu Xian, "Xu Xian, what else do you have to say? You can leave your last words."

"I....I....I have nothing to say!" Xu Xian was shackles and said with a pale face and trembling,

"Prepare for execution!"

"Lord Wu Xiang, can you spare Xu Xian's life?"

At this time, an old man's voice reached Su Chenfei's ears.

Su Chen looked at the old man and used his mental power to transmit the voice,

"Who are you?"

The old man's voice came over and said, "I'm just a passerby, Mr. Wu Xiang. Although Xu Xian deserves his punishment, God has the virtue of good life. It's better to spare someone's life if he can."

"Su Chen, this is not an old man, she has used the art of transformation, she is an out-and-out woman."

Chapter 1466

On the execution square, while Su Chen was having a secret conversation with the old man,

Su Chen suddenly heard the reminder from the little fox, which made Su Chen look at the old man with wide eyes.

This old man is actually a woman?

Su Chen hurriedly used his mental strength to examine it carefully, but no matter how he looked at it, it was all hazy.

He really couldn't tell whether the old man was a boy or a girl. This should be the immortal's transformation technique.

It's impossible to check out Su Chen's strength yet.

At this moment, the old man also discovered that Su Chen was checking himself and even looking at her private parts.

This made the old man show some angry expression on his face.

Su Chen saw the angry expression on the old man's face.

He knew that the little fox had not deceived him.

However, with the little fox by his side,

Su Chen was not so worried.

In the Shenyu Continent, the most powerful clones of these immortals from the lower realms are the Duan. Although Su Chen didn't know how strong the little fox was in the Tribulation Realm, she should have no problem facing off against the previous clone who had transcended the Tribulation Realm.

Su Chen coughed and continued to use his mental power to say, "Ahem! Tell me about your identity? Your transformation technique can't fool me at all."

"This is Guanyin Bodhisattva!" The old man's voice suddenly turned into a woman's voice and he said to Su Chen.

Su Chen was shocked when he heard the words of Guanyin Bodhisattva.

He did not expect that Guanyin Bodhisattva would descend to the earth in person. Although he had guessed that Guanyin Bodhisattva would arrive before, Guanyin Bodhisattva Su Chen was still very surprised by the arrival of

Guanyin Bodhisattva. Is Guanyin Bodhisattva male or female?

In the ancient times,

Guanyin Bodhisattva was Cihang Taoist, a disciple of Yuanshi Tianzun, and one of the twelve golden immortals who explained the religion. And Cihang Taoist had Some say he is a man, and some say he is a woman. It is even said that Taoist Cihang became a woman after apostasy and was reincarnated in the wrong body.

Su Chen still couldn't figure it out.

Is this Guanyin Bodhisattva a man or a woman?

Su Chen calmed down. He asked in a shocked mood,

"Guanyin? Why did you save Xu Xian this time? Don't tell me why it's to save the common people. You'd better not use these official words to deceive me."

"Mr. Wu Xiang, Xu Xian is the future disciple of Buddhism. He cannot die."

"What if I must execute Xu Xian?"

"As long as I'm here, you can't kill Xu Xian!"

Su Chen said forcefully after hearing Guanyin Bodhisattva's words,

"Guanyin Bodhisattva, are you sure? Although the Buddhist sect is very powerful, it seems that the Taoist sect is not weak in the Shenyu Continent. Do you think you can always protect Xu Xian?  
Guanyin

Bodhisattva's eyes flashed and he asked, "Wu Xiangjun, are you threatening me?"

Su Chen waved his hands hurriedly and said,

"No, how dare I threaten Guanyin Bodhisattva? I am just an ordinary human being, but you are a powerful god. I am also afraid that if you get angry, you will slap me to death."

"Tell me the conditions?"

Guanyin Bodhisattva looked at Su Chen and said coldly.

She guessed that this cunning human wanted some benefits. Humans are very greedy, but for Xu Xian, she now had to give this human some benefits.

Su Chen He was very surprised when he heard Guanyin Bodhisattva's words.

He did not expect that Guanyin Bodhisattva could guess his purpose.

Su Chen thought that gods are gods, and they can know everything by just reaching out and pinching them. He still doesn't know whether Guanyin Bodhisattva can tell. Do you have a system?

Su Chen coughed a few times and said loudly, "Ahem, the more magic weapons and techniques, the better!

Guanyin Bodhisattva heard Su Chen's words and said angrily, "Wu Xiangjun, you are an idiot talking in your sleep. Dharma weapons cannot exist in this world. How about exercises?" Do you also want to be a Buddhist disciple?"

Su Chen shook his head and refused, "No, I have a wife and children. I don't want to be a monk. Guanyin Bodhisattva, don't say you don't have the skills to explain, but I know some gossip."

"Um? How did you know?"

Guanyin Bodhisattva was very surprised when she heard Su Chen's words.

She did not expect that Su Chen would know that she used to explain the teachings. This happened in the age of gods. How could this little human being in the out-of-body realm know about it? Are these?

Is this human being a disciple of the Taoist sect?

The Human Cult?

The Chan Cult?

Or the Jie Cult of the Destruction Cult?

When Su Chen was in a daze at Guanyin Bodhisattva, he waved his hands to the policemen next to him and ordered,

"Take Xu Xian back to the prison. Xu Xian will not be killed today."

"Yes, Your Majesty!"

The people around are also very strange.

Just now Lord Wu Xiang wanted to kill Xu Xian, but he was just in a daze for a while. Why didn't he kill him?

Although they people can't understand, this is Lord Wu Xiang's decision. They ordinary people The people didn't dare to ask.

Outside Hangzhou City,

Su Chen appeared by a small lake in an instant. Hangzhou City was his territory after all. Even Xiaobai and Xiaoqing were still in Hangzhou City. Su Chen didn't want to see Guanyin Bodhisattva for a while. Target them

"Wu Xiangjun, how did you know?"

At this time, the old man also appeared next to Su Chen in an instant.

She looked at Su Chen and asked with a serious face.

Su Chen smiled and replied, "Secret, secret, your Buddhist sect can transform into the lower world, and the Taoist sect The immortals in it can also go to the lower world, and some secrets are not secrets to some people."

When Guanyin Bodhisattva heard Su Chen's words, she had a real expression.

Her guess was probably right.

Su Chen should be a disciple of the Taoist sect, but which Taoist sect is it? Guanyin Bodhisattva can't figure it out now.

After all , Her avatar is just an immortal cultivator who has transcended the tribulation realm, and is not yet an immortal.

Guanyin Bodhisattva waved her hand and said,

"Don't think about explaining the techniques of teaching. I have sworn an oath to heaven that the techniques of explaining and teaching cannot be passed on to others. Mr. Wu Xiang, you have made me interested."

Su Chen looked at the old-looking Guanyin Bodhisattva, and he felt a little disgusted.

The appearance of an old man and the cold voice of a woman made Su Chen feel goosebumps.

He frowned and said,"Guanyin Bodhisattva, Can you return to your true self? You have an old man's face and a woman's voice, which makes me look very awkward."

"This is just a piece of shit, and humans will judge people by their appearance."The Guanyin Bodhisattva restored her original face after a while. She looked at Su Chen and said with a disdainful expression.

Su Chen was very surprised when he saw the face of the Guanyin Bodhisattva.

This Guanyin Bodhisattva is too beautiful, compassionate and compassionate. She has a beautiful and exquisite face, clear and bright eyes, a cherry mouth as delicate as a drop of a cherry, a white dress, highlighting a perfect figure, and a waist that is full of water snakes. The beauty is so flawless, and the beauty is so unearthly.

It's just a lotus platform. What about the willow and jade vase?

Doesn't Guanyin Bodhisattva stand on the lotus platform every time he appears, holding a willow and jade vase in his hand? Why is he standing here alone today? Can't those magic weapons also appear in the Shenyun Continent?

"Have you seen enough of shameless humans?"

Chapter 1467

Guanyin Bodhisattva was very angry when she saw Su Chen staring at her.

This human being deserves to die.

Although this body is just a clone of her, the clone is exactly the same as the original body and is also controlled by her thinking.

How many years?

Guanyin Bodhisattva has never encountered such a bold human being.

Su Chen was embarrassed and said hurriedly, "Bodhisattva, don't be angry. I just haven't seen a living Bodhisattva. I was confused for a moment."

Guanyin Bodhisattva, full of fairy spirit, threatened Su Chen, "Wu Xiangjun, let Xu Xian go." , don't force me to take action."

Guanyin Bodhisattva was not beating around the bush with Su Chen, and she was not in the mood to negotiate with this human being anymore. If this human being dared to bargain again, she would directly destroy this human being.

Su Chen guessed that Guanyin Bodhisattva was impatient.

I was afraid that if he dared to open his mouth again,

Guanyin Bodhisattva would kill him.

Su Chen said cautiously,

"It's not impossible to let Xu Xian go, but the Buddhist sects in the Shenyu Continent are not allowed to trouble me again in the future."

"Um?"

Guanyin Bodhisattva frowned when she heard Su Chen's words.

She was very confused when she heard Su Chen's words. The Buddhist sect in the Shenyu Continent is looking for trouble for this human being?

What is going on?

Guanyin Bodhisattva immediately used her powerful soul. , she wants to check all the temples near the entire city of Hangzhou, and she also wants to know what happened to Buddhism and this human being in the Shenyu Continent.

Boom!

"Human, you deserve to die!"

Guanyin Bodhisattva did not expect that all the temples near Hangzhou City were destroyed.

This must have been done by this human being.

The temples near Hangzhou City were destroyed and all the monks were killed. Is this human being going to start a war against Buddhism?

Or is Taoism going to fight against God ?" Destroy the Buddha in the Meteor Continent?

Damn it!

Why is this bitch so powerful?

Su Chen was immediately bent over by the powerful aura of Guanyin Bodhisattva. His body could not even move. The space He can't use his ability now.

I'm afraid this is not the full strength of Guanyin Bodhisattva.

If Guanyin Bodhisattva uses all his strength, he will probably be killed in an instant.

The difference in strength is too big.

Su Chen may not even have a chance to escape.

"Guanyin Bodhisattva, you'd better let me go, otherwise you should understand the consequences?"

Su Chen looked at Guanyin Bodhisattva and threatened.

Guanyin Bodhisattva didn't know his identity anyway, so

Su Chen planned to pretend to be a Taoist disciple to threaten Guanyin Bodhisattva.

Guanyin Bodhisattva said with disdain, "The consequences? Do you think I'll be scared? Does Taoism dare to go against Buddhism?"

In the Shenyu Continent,

Buddhism may not be as powerful as Taoism, but in the immortal world, several Taoism sects have declined, and some have gone into seclusion, while Buddhism has prosperous luck, and Taoism knows what she has done, and Taoism dares to compete with Buddhism. Start a war?

Su Chen was a little helpless.

This Guanyin Bodhisattva is not easy to fool!

He thought of summoning a little fox to destroy Guanyin Bodhisattva, but this Guanyin Bodhisattva is just a clone, even if he kills it, it will be useless.

And if the identity of the little fox is It has been exposed that those shameless powers of Buddhism in the fairy world will not be the only one coming next time. No matter how powerful the little fox is, she cannot deal with several powerful Buddhist powers at the same time.

"Bodhisattva, please tell me if you have something to say. Buddhism only has some minor friction with me. It's not impossible for us to turn our hostility into friendship."

"Small friction? All the temples near the city of Hangzhou were destroyed and the monks were killed. Is this what you call a small friction?"

"Ahem, Bodhisattva, misunderstanding, these are all misunderstandings"

"Misunderstand?"

Guanyin Bodhisattva feels that this human being is very shameless.

Just now, she wanted to threaten her with Taoism. This human being may have seen her strength, and now she hastily surrendered. Human beings bully the weak, fear the strong, and are greedy for life and fear of death.

Su Chen After coughing, he rolled his eyes and said,

"Ahem, Guanyin Bodhisattva!"

"In fact, I am not a member of the Taoist sect. If you don't believe it, you can check my practice skills. Neither the Taoist sect nor your Buddhist sect has anything to do with me. I just had some minor misunderstandings with your Buddhist sect."

Su Chen felt that he should change his strategy.

Guanyin Bodhisattva was too strong.

His previous methods could not fool this old lady.

Guanyin Bodhisattva also nodded when she heard Su Chen's words.

She also did not see the skills that Su Chen practiced, so She couldn't guess which Taoist sect Su Chen belonged to,

Taiqing's human sect!

Yuqing's Chan sect!

Shangqing's Jie sect!

She was very familiar with the techniques of these three sects. This human being did not deceive herself this time..

Guanyin Bodhisattva looked at Su Chen and thought,

Su Chen's strength is quite good in the Shenyu Continent, and this human being is still a noble. If he can pull Su Chen into Buddhism, this may be more useful than Xu Xian's chess piece.

Guanyin Bodhisattva thought for a while and said,"Wu Xiangjun, this matter can be brushed off in one stroke, but such a thing must never happen again in the future, otherwise, you should understand the consequences."

After Su Chen found that he could move, he patted his chest and hurriedly promised,"Don't worry, Bodhisattva, as long as the Buddhists don't trouble me, I will never provoke those monks."

When Guanyin Bodhisattva looked at Su Chen, she felt that it was very unreliable. When she looked at this human being, she felt very shameless. He was talking nonsense.

Guanyin Bodhisattva also didn't completely believe what Su Chen said.

"I will inform Buddhism that I will not embarrass you in the future, but you must join Buddhism. When Su

Chen heard Guanyin Bodhisattva's words, he hurriedly shook his head and said,"I'm afraid that won't work. I have a wife and children, so just join Buddhism. I also want to find more beautiful beauties to carry on the family line." Guanyin

Bodhisattva shook his head and said, "Wu Xiangjun, we'll talk about this later. Just let Xu Xian go when you get back."

Guanyin Bodhisattva still has a lot of things to deal with in the lower world this time, and her clone cannot stay in Shenyin Continent for too long.

Guanyin Bodhisattva wants to slowly draw Su Chen into Buddhism in the future.

"Yes, but Guanyin Bodhisattva, Xu Xian, I just ordered to be executed. I want Bodhisattva to transform into a substitute, so that I can kill the substitute to maintain my dignity."

"Can!"

"Then ask Bodhisattva to use his magic power to replace Xu Xian."

Whoosh!

Guanyin Bodhisattva waved his hand after hearing Su Chen's words, and

Xu Xian immediately appeared next to them.

Su Chen also hurriedly checked the prison in Hangzhou City. He found that there was an identical Xu Xian in the prison in Hangzhou City.

Su Chen was speechless.

Guanyin Bodhisattva has such great strength. Isn't it just a wave of her hand to save Xu Xian?

Why does Guanyin Bodhisattva waste so much saliva with herself?

Su Chen can't understand all this.

"Mr. Wu Xiang?"

Xu Xian suddenly found that he appeared here instantly, and even found Su Chen and a beautiful woman. This made Xu Xian confused and didn't know what happened.

Touch!

Su Chen kicked Xu Xian down and threatened fiercely, "Xu Xian, you are free from now on, and you are not allowed to appear in Hangzhou City again, otherwise, I will really kill you."

This bastard,

Guanyin Bodhisattva was speechless when she saw Su Chen kicking Xu Xian down.

If this bastard hadn't used his magic power, she couldn't help but kick this bastard too.

Chapter 1468

In the Hangzhou City Lord's Mansion,

Su Chen took Xu Xian away with Guanyin Bodhisattva, and he returned to the City Lord's Mansion. Although Su Chen did not get any benefits this time, he was able to prevent the Buddhist sect from causing trouble to him during this period.

This is already very good.

With his current strength, coupled with the strength of Little Fox and Xiaobai, he can deal with the Buddhists in the Shenyu Continent, but it is very difficult to deal with those immortal clones in the lower world.

Today, he was instantly suppressed by Guanyin Bodhisattva. He couldn't even use the laws of space.

Su Chen knew that he couldn't start a war with Buddhism. Unless he could become invincible in the Shenyu Continent, even if he was the immortal clone in the immortal world, he would be able to do it. Come and destroy each one

"Su Chen, why did you provoke Guanyin Bodhisattva this time?"

At this time, a petite woman suddenly appeared next to Su Chen. When she appeared, she hurriedly asked Su Chen.

Su Chen smiled when he saw the little fox coming.

He sat in the pavilion and poured a cup of tea for the little fox. He helplessly said to the little fox, "This time it's because of a person named Xu Xian. Little fox, is Guanyin Bodhisattva a man or a woman?"

"Aren't you talking nonsense? Guanyin Bodhisattva is of course a woman." The little fox turned pale and stared at Su Chen, then said speechlessly,

"But how come I heard that Guanyin Bodhisattva was once a man? The little fox shook his head and explained, "This is impossible. Before Guanyin Bodhisattva apostatized, she was the only female disciple who explained the religion. How could she be a man?"

"That's it! I see."

Su Chen was also relieved.

He was afraid that the beautiful Guanyin Bodhisattva was really a man.

If Guanyin Bodhisattva was really a shemale,

Su Chen would probably vomit it out right now.

The little fox squinted at Su Chen and asked worriedly,

"Su Chen, what do you plan to do in the future? You are now being targeted by Guanyin Bodhisattva. The reason why she let you go this time is probably because she has other plans for you."

Su Chen nodded and said seriously,

"I know that Guanyin Bodhisattva wants me to convert to Buddhism. What I need now is time"

"My strength is still too low. As long as we become stronger in the Shenyu Continent, even if Guanyin Bodhisattva clones into the lower world again, we don't need to be afraid of that old woman."

Su Chen is also worried that Guanyin Bodhisattva will save him next time he comes.

Buddhism's salvation method is very powerful.

Many people have been saved and become followers of Buddhism without knowing it, even the Shura tribe in the Blood Sea and Styx River. They can all be saved.

Su Chen didn't think he was stronger than the Shura clan.

The little fox nodded when he heard Su Chen's words.

"What you said is right, but your strength is still too low. You just lack powerful immortal cultivation techniques. My techniques are all demon cultivation techniques and are useless to you."

"Little fox, how is your magic weapon going?"

"Hum, according to your previous request, I have made some. If you need it now, you can go and get it."

"No rush now!"

Su Chen touched his chin and thought about what to do next.

Buddhism cannot move for the time being, and Buddhism will not come to trouble him during this period.

The Song Dynasty has assembled fifty or sixty troops in the south. If there are weapons and food, If they are in place, I am afraid that the army of the Song Dynasty will attack Hangzhou City.

And Mu Guiying's Northern Combat Corps has not arrived yet.

It seems that Mu Guiying needs to be urged.

I guess!

There are also Butterfly Demon and Zhao Ling'er.

I'm afraid they are still

It has been almost two years since he was locked up in the Demon Locking Tower in Shu Mountain.

Su Chen also forgot about Butterfly Demon and Zhao Ling'er, and didn't know what happened to them now.

Die?

Butterfly Demon and Zhao Ling'er will definitely not die, but they I'm afraid it won't be easy in the Demon Locking Tower.

Su Chen rubbed his forehead and said to himself,

"Should we prepare for the war with the Song Dynasty first? Or should we rescue Butterfly Demon and Zhao Linger first?"

The little fox reminded Su Chen when he heard Su Chen talking to himself,

"You should prepare for war first. This time the Song Dynasty has prepared an army of nearly 700,000 people. Now you only have a mere 100,000 troops. Although your army is relatively powerful, the number is too small. Su

Chen suddenly looked at the little fox and said with a smile, "Little fox, how about you go and destroy the Song Dynasty's army?"

When the little fox heard Su Chen's words, he shouted, "Do you want me to die? Have you ever seen a monster dare to slaughter so many human troops?"

"Why?"

Su Chen looked at the little fox and was very confused.

Don't monsters often kill people?

Su Chen just talked casually and didn't really want the little fox to help. He didn't want the monster to massacre humans.

But why is the little fox so nervous?

When the little fox saw Su Chen's confused look, she knew that this bastard knew nothing about this. This bastard didn't even know the basic knowledge of cultivating immortals, and she didn't know how this bastard cultivated to the realm of out-of-body realm.

The little fox glared Su Chen took a look and explained,

"Karma! Killing too many creatures will lead to a lot of karma. If you have karma, you will be punished by thunder."

"Some monsters kill and eat people. Do you see a good end for them? They were either destroyed by powerful immortal cultivators, or they were destroyed by thunder punishment during the tribulation."

"War in the age of gods! That was a war between immortals and humans. Have you ever heard of immortals massacring human armies?"

"The wars of that era were also fought between immortals and immortals, and between humans and humans, but immortals did not dare to get involved in karma."

Su Chen understood what the little fox said.

No wonder the immortal war immortal didn't take action against humans.

Su Chen was also very puzzled when watching the plot.

He couldn't understand it at the time.

The immortal was obviously so powerful. If the immortal destroyed Zhou, It should be very easy for the king. Why did the immortals support the Western Zhou Dynasty to destroy King Zhou?

Now he understands

"Don't worry, I'm just talking casually." Su Chen said hurriedly when she saw the little fox looking angry.

The little fox stood up and stretched her perfect little body.

She reminded Su Chen,

"I'm leaving. I used my magic power to hide Xiaobai's demonic auras in your house. As long as they are not immortal cultivators whose cultivation realm exceeds mine, they will not be able to detect the demonic auras in your house."

Su Chen hugged the little fox and said with a smile, "Thank you very much, little fox. How about I repay you with my life?"

"Go away, you are such a shameless bastard!"

The little fox glared at Su Chen angrily and disappeared instantly.

It was a mistake for her to come to see this bastard.

This bastard was so shameless and shameless.

Su Chen smiled when he saw the little fox was scared away. , the little fox is still good, but is the little fox Su Daji?

Su Chen doesn't know yet, and he doesn't want to ask these things.

The little fox has many things hidden in his heart, and is even looking for her tail and his enemies..I'm afraid the little fox was also very tragic before.

"I would like to report to your Majesty that a woman named Lin Yueru is outside the mansion asking to see your Majesty."

Chapter 1469

Su Chen was very confused when he heard the soldier's report.

Didn't Lin Yueru go to Shushan with Li Xiaoyao? Why did you come to Hangzhou to find yourself at this time? Could it be that something happened in Shushan? Or did something happen to Butterfly Demon and Zhao Ling'er?

"Bring someone here!"

"Yes, Your Majesty!"

Su Chen took a sip of tea and felt very helpless.

His things were happening one after another. Although he didn't know what happened when Lin Yueru arrived, Su Chen felt that it was definitely not a good thing.

"Young Master, Xu Xian was rescued."

At this time,

Qingniao hurriedly ran over and reported to Su Chen,

"What? Xu Xian was rescued? What exactly is going on?"

Su Chen was very surprised when he heard Qingniao's words.

The Xu Xian in the prison was a fake.

However, how could the fake Xu Xian be rescued? Who did this? Su Chen did not sense the powerful battle.

Could it be that a powerful master came from Buddhism?

Or were there other immortal cultivators who rescued the fake Xu Xian?

Qingniao reported to Su Chen with a serious look on his face,

"Master, not long ago, all the policemen guarding the prison were killed, and they were killed quietly. The policemen did not resist at all. I suspect that it may be the work of immortal cultivators."

Su Chen said in surprise when he heard Qingniao's words,

"Were all the agents killed? Or was he killed quietly? Although the strength of the detectives was negligible, but he was able to kill them without being noticed, this person should be an immortal cultivator."

Su Chen didn't expect that the hundreds of guards guarding the prison were all killed silently, which made him angry.

This was another slap in the face.

Although Xu Xian was handed over to Guanyin Bodhisattva, Guanyin Bodhisattva at least There is still one incarnation left. Now Xu Xian's incarnation has also been rescued, and hundreds of police officers have died.

Why doesn't this make Su Chen angry?

"Let me check and see who dares to come to Hangzhou to act so arrogantly?"As he spoke, Su Chen began to use his mental power to search the entire Hangzhou city. He wanted to find that damn bastard.

At this moment,

Lin Yueru also arrived, but she saw Su Chen's face was ugly and his eyes were closed. The beautiful woman next to him said: After she made a gesture not to disturb, Lin Yueru stood aside and waited for Su Chen.

After a while,

Su Chen suddenly opened his eyes and gave the order,

"Found it, Qingniao, and immediately led three thousand black-armored cavalry to the northwest of Hangzhou City. On the official road leading to Jiaxing, there were hundreds of people guarding a carriage. Xu Xian was in the carriage. They killed them all and took Xu Xian away. Catch it back"

"Yes, Master!"

After Qingniao heard Su Chen's order, he hurriedly gathered the troops to capture Xu Xian.

Su Chen thought for a while and sent a message to Xiaoqing in the mansion,"Xiaoqing, you and Qingniao go there together. There is a golden elixir there. A monk in this realm, I'm afraid that the blue bird is no match"

"Got it, sir!"

After Su Chen finished instructing these things, when he saw Lin Yueru, he stepped forward to hug her and said with a smile, "Yueru, I didn't expect you to come."

"Let me go! I have an urgent matter with you. Lin Yueru shouted with her face flushed when Su Chen hugged her,

"Haha, I also have something to ask you. Let's go to the study room."

"good!"

Outside the city of Hangzhou, hundreds of guards were escorting a carriage away from the city.

In the carriage, a woman looked at the stunned Xu Xian and asked doubtfully, "Young Master, is this Xu Xian scared to death? ? Why does he look so stupid? What's the use of saving him?"

A man with a hooked nose sat in the carriage and laughed,

"Haha, Zi Ling, although Xu Xian is a small person, but he dares to hit Wu Xiangjun in the face and is worthy of our rescue. Since Lingyin Temple in Jiaying City asked my father, I will also come along this time. Saving Xu Xian can also be with Buddhism. Climb into relationships."

The woman from Zi Ling looked at the man and asked doubtfully.

"But isn't the young master a disciple of the Qingyun Sect? How do you want to have a relationship with Buddhism?"

The man with the hooked nose said disdainfully,

"Qingyunmen? Haha, I am just an outer disciple in Qingyun Sect. After practicing for several years, I am now at the peak of being a master. If I want to become an immortal, I don't know how many years and months I will have to wait. I can't wait any longer."

At this time, a monk suddenly appeared in the carriage and said,

"That's right, Liu Yun. If you help our Buddhist sect this time, I will definitely recommend you to Zhenjiang Jinshan Temple. Master Fahai will definitely help you improve your cultivation level."

"Master Minghui!"

Liu Yun, a man with an eagle nose, saluted hurriedly when he saw the monk.

Minghui waved her hand to Liu Yun and said, "Donor Liu, I have to thank you for the news this time so that I can rescue Donor Xu Xian."

"You're welcome, I'm just helping you a little bit"

"Well, the court of the Song Dynasty has prepared troops to attack Hangzhou City. I believe that Donor Li's father is also preparing to attack Hangzhou. If Mr. Liu takes control of Hangzhou City in the future, I hope that Donor will speak more to your father for us Buddhism."

"This is a small thing, even if the master doesn't say it, I will do it. Liu Yun smiled and assured Master Minghui.

Minghui nodded to Liu Yun and looked at Xu Xian and asked, "Isn't Xu Xian better yet?"

"No, Xu Xian looks like he may need to cultivate for a while."

"Well, it would be great if we could rescue him. We can send him to Jinshan Temple for Master Fahai to take a look."

Minghui also saw Xu Xian's stupid look.

He also checked and found that

Xu Xian's body and mind were fine. This may be caused by fear or stimulation. Minghui is only a small immortal cultivator in the Golden Elixir Realm. He has no idea about these things. There was nothing she could do.

When Zi Ling saw the old monk arriving, she sat aside and did not dare to speak. This old monk was not a good person. The joyful Zen practiced by the old monk had harmed many women from good families.

Minghui suddenly saw Zi Ling next to her. His eyes lit up.

He had never thought that Liu Yun had such a beautiful maid. She was also very beautiful and even had a perfect body. This made him feel that practicing Happy Zen with this maid would get twice the result with half the effort.

"Liu Yun, you are a good maid!"

Liu Yun understood after hearing Minghui's words that this old monk fell in love with Zi Ling, but he didn't care about Zi Ling at all. Although Zi Ling is very beautiful, there are only so many beautiful women in the world.

As long as Liu Yun enters the realm of immortal cultivation in the future, his lifespan will increase by hundreds or even thousands of years. He is still willing to give away a beautiful maid to Master Minghui

"Haha, if Master likes it, let Zi Ling serve Master from now on, right?"

"Little Lord?"

Zi Ling didn't expect that Liu Yun would give her to this old monk, which made Zi Ling tremble all over and be very scared.

This old monk is a scumbag, does the young master want to push her into a pit of fire?

"Okay, thank you very much, Donor Liu, haha....." da da da da da.....

At this time, there was suddenly a chaotic sound of horse hooves.

These sounds sounded like thousands of people

"what happened?"

"There are cavalry, young master, no, they are the black armored cavalry from Hangzhou City."

Chapter 1470

In the carriage,

Liu Yun and Monk Minghui were shocked when they heard the report from the guards outside.

They did not expect that the people in Hangzhou City would find out that Xu Xian had been rescued so quickly, and even find them accurately, which made both Liu Yun and Monk Minghui nervous.

Liu Yun panicked and hurriedly ordered, "Come here, order the guards to speed up. We can't be overtaken by the army."

"Yes, young master."

After Liu Yun ordered the guards, he looked at Monk Minghui and said,

"Master Minghui"

"We'll be safe as long as we escape to Tianhe Town ahead."

"In Tianhe Town, a peak master from the Qingyun Sect is conducting trials with his disciples. As long as we make peace with the people from the Qingyun Sect, the army from Hangzhou City will not be able to threaten us."

Minghui reminded with a serious face,

"That's fine. If I'm not worried about the ordinary army, I'm just afraid of the masters of cultivating immortals in Hangzhou City. Xu Xian is very important to our Buddhist sect, and we can't let him be caught and executed."

Minghui does not want anything to happen to Xu Xian again.

Xu Xian is something that Guanyin Bodhisattva specifically asked to pay attention to. Xu Xian can be paid attention to by Guanyin Bodhisattva, which shows that Xu Xian is very important to their Buddhism. He has made a great contribution by rescuing Xu Xian this time.

Minghui looks forward to it In the future, Guanyin Bodhisattva will reward him, and he will not let Xu Xian be caught and executed again.

Liu Yun nodded when he heard Minghui's words and replied,"I understand, Tianhe Town is less than thirty miles away from us, let's speed up Will arrive soon"

"good!"

Zi Ling listened to this and shrank aside without paying attention. She was already heartbroken. Liu Yun gave her to a scumbag monk, which made her see Liu Yun's ruthless true face clearly.

However, she is just a maid,

Zi Although Ling's strength is not low, she has no chance of winning against a cultivator in the Golden Core Realm. Even if she runs away now, she can't escape at all.

When Liu Yun's guards are running away quickly, the black armor behind them The cavalry were also in hot pursuit. In

Hangzhou City, in the study room, Su Chen understood the situation of Butterfly Demon and Zhao Ling'er after listening to Lin Yueru's account. The situation of Zhao Ling'er and Butterfly Demon was indeed not good. It has been almost two years, I'm afraid they lived a very miserable life in the Demon Locking Tower. Most of the monsters imprisoned in the Demon Locking Tower were murderous. The two women were of average strength, and they were very lucky to be alive until now. Su Chen rubbed it Rubbing his forehead, he thought, does the Sword Master really want to execute Zhao Ling'er? Does the Sword Master no longer miss Zhao Ling'er's mother, or has the Sword Master practiced to the point of being ruthless and unjust? Su Chen looked at Lin Yueru. Then he asked,"Yue Ru, didn't Li Xiaoyao and Jiu Jianxian want to save Zhao Ling'er and the others? Lin Yueru shook her head and said,

"After we arrived at Shushan, Li Xiaoyao was locked up and secluded by the Sword Master. Although the Jiu Sword Immortal tried to break into the Demon Locking Tower, he was seriously injured by the Sword Master. The Jiu Sword Immortal has not recovered yet."

Su Chen's face turned ugly when he heard Lin Yueru's words, "Li Xiaoyao is in seclusion? The Jiu Jianxian was seriously injured? What on earth is the Juggernaut going to do?"

Su Chen 100% felt that the Sword Master would not release Zhao Ling'er and the others. He wanted them to die in the Demon Locking Tower.

The Sword Master was no longer the Sword Master in the plot.

Su Chen also decided to deal with the matter in Hangzhou City, so he has to go to Shushan in person.

He has to save Zhao Linger and Butterfly Demon

"Su Chen, Senior Jiu Jianxian said, if we don't rescue Zhao Ling'er and the others quickly, they really won't be able to hold on for long. We must rescue them quickly."

"I understand. Wait a few days. After I finish handling the affairs in Hangzhou, we will rush to Shushan immediately."

"good."

Lin Yueru nodded when she heard Su Chen's words.

She also knew that something big might have happened in Hangzhou City. Su Chen had just sent out troops. Lin Yueru could only wait for Su Chen to handle the affairs in Hangzhou before setting off. At this time , ,

Qingniao led the black-armored cavalry to catch up with Liu Yun, and even surrounded the hundreds of guards.

Qingniao looked at the hundreds of guards and carriages that were besieged, she raised her long sword and coldly ordered, "Kill, except Xu Xian, no one here will be left alive."

"Yes, my lord."

Swish swish swish"....

The black-armored cavalry's crossbows immediately started shooting at these guards.

"Ahhhhh....."

"Dismount quickly to avoid the archers"

"Protect the young master and guard the carriage!"

"Ah, save me, I was hit by an arrow"

"Use horses to cover, and quickly use horses to cover the crossbows."

After hundreds of guards were shot and killed by black-armored cavalry, dozens of them died in an instant, and hundreds of guards were injured.

"charge!"

"kill!"

The black-armored cavalry launched a charge one by one with their long swords. Three thousand black-armored cavalry rode on standing horses and quickly rushed towards the remaining guards.

At this time, the Minghui monk in the carriage discovered Qingniao.

Qingniao did not He didn't care that he could destroy a small celestial being with just one hand. But he sensed that a powerful demon was coming, which made Minghui very uneasy. Minghui looked at Liu Yun and said hurriedly,

"Liu Yun, there are experts on the other side, I will take Xu Xian to take the first step, and we will meet in Tianhe Town."

Minghui said, grabbing Xu Xian with one hand and Zi Ling with the other, and quickly left.

He will not stay here to wait for death.

The monster can make him feel fear.

It must be a big monster, and

Minghui doesn't care.

Xu Xian must take away Liu Yun's life and death. The beautiful woman is also the cauldron for him to practice Joy Zen. He will not keep these two people. Whether Liu Yun lives or dies depends on his fortune.

Liu Yun Seeing Minghui running away with Xu Xian and Zi Ling, he cursed angrily,

"Damn it, all the monks are his untrustworthy people. If I had known it, I wouldn't have helped this damn monk."

Pengpengpeng.....

At this time, the combat weapons outside the carriage hit the carriage and made a loud bang.

Liu Yun hurriedly got out of the carriage with a gloomy face.

Outside the carriage, hundreds of guards were almost dead.

When Qingniao saw Liu Yun appear, she quickly rushed over with her Changge.

Liu Yun was much stronger than the black armored army. She didn't want the black armored cavalry. Many were killed here.

Liu Yun saw a powerful Celestial Realm woman coming to kill him.

He hurriedly threw down his weapon and shouted, "I surrender. I am the son of the prefect of Jiaying City. You cannot kill me."

Liu Yun did not expect that there would be a murder. With the existence of a strong man in the Heavenly Realm, his original idea of escape was in vain.

Poof!

Qingniao pierced Liu Yun's chest with one strike without any expression. Su Chen said that none of these people would be spared, the prefect's son? Even if he is a prince, she will kill him without fail.

"you....."

Liu Yun did not expect that even though he had surrendered and even announced his family name, this powerful woman would still kill him.

Liu Yun slowly fell down when he saw Chang Ge penetrating his body.

"My lord, there is no one in the carriage!"

"nobody?"

Qingniao was very surprised when he heard the report of the black-armored soldiers.

This place was surrounded by people. It was impossible for the people in the carriage to escape. Could it be that there were powerful immortal cultivators in the carriage?

"Qingniao, take the army to Tianhe Town in front, where there are immortal cultivators who are taking Xu Xian to escape from the immortal."
