Chapter 151

Su Chen didn't expect that Fu Junzhuo would say such words, which made Su Chen a little shocked.

Although this Fu Junzhuo is also a beauty, the women he knows seem to be beauties, and they are much prettier than Fu Junzhuo.

Su Chen had never had Fu Junzhuo's idea. He just thought that he might use this Korean woman in the future, so he fooled Fu Junzhuo.

Song Shidao was a little anxious, and his face turned dark when he heard Fu Junzhuo's words. Song Shidao did not expect that Fu Junzhuo would make such a decision, which made Song Shidao want to help Fu Junzhuo now. He did not want the woman he admired to be possessed by others.

As soon as Murong Qiudi came to Su Chen's side, she heard that Su Chen was fooling a Korean woman. But as she listened, she heard that the Korean woman actually wanted to be the woman of Su Chen's shameless bastard. This made Murong Qiudi Looking at this bastard Su Chen, I felt a little angry.

Murong Qiudi came to Su Chen and cursed angrily,

"You bastard, will you die if you don't cheat on women? You are a shameless bastard."

Su Chen felt a little helpless when he saw Murong Qiudi appearing. This cruel woman came to join in the fun. Just now he said that he would kill him if he agreed. It seems that Murong Qiudi is not his woman, right? Could it be that this Murong Qiudi Have you been deceived by yourself these past ten days?

Su Chen looked at the angry Murong Qiudi and said,

"Murong Qiudi, what are you talking about? How did I cheat on a woman? I'm just telling her that it's true. You just came here and don't know anything, so don't talk nonsense."

"Do you think I will believe you? you are a liar"

"How am I a liar? Murong Qiudi, if you don't explain yourself clearly, I'll beat you up."

"you dare!"

"See if I dare!"

Pa.

Su Chen suddenly appeared next to Murong Qiudi and spanked her before Murong Qiudi could react.

"Oh, you bastard, I'm going to kill you!"

Murong Qiudi did not expect that Su Chen, a shameless bastard, would spank her in front of so many people. She was so angry that she wanted to teach this bastard a lesson.

Seeing that Murong Qiudi was about to take action, Su Chen hurriedly hugged Murong Qiudi and immediately Moving to the horseback, Su Chen did not want to fight with Murong Qiudi at this time.

This sinister and vicious woman, Su Chen, had no intention of falling out with her. Now Su Chen could only comfort Murong Qiudi first.

Su Chen hugged Murong Qiudi sat on the horse and whispered in her ear,

"Don't make trouble now, I'm dealing with business, no one else will be here to deal with our affairs."

Murong Qiudi blushed when she saw Su Chen hugging her and sitting on the horse. She didn't expect that Su Chen would hug her, which made Murong Qiudi feel a little at a loss.

"you.....You put me down"

"Haha, don't let go"

"You are shameless"

"I'm shameless"

"You bastard"

"Assholes, just be assholes."

Murong Qiudi has nothing to do with this shameless guy like Su Chen. This shameless bastard is too thick-skinned. However, Murong Qiudi feels very comfortable leaning in Su Chen's arms. Is this what it feels like to like someone? See Su

Chen. Murong Qiudi leaned into his arms with a flushed face and became a little confused. Did Murong Qiudi really like her?

Isn't this impossible? Although she and Murong Qiudi have been bickering for the past ten days, but the relationship has not reached this level. Could it be that Murong Qiudi has a crush on her because he assaulted her breasts before?

Su Chen hugged Murong Qiudi and said to Fu Junzhuo, who was blushing next to him,

"Fu Junzhuo, I didn't want to take you in. I just couldn't bear to see you, a great Sui Han man, being deceived by Fu Cailin. I will help you spread the news about your fake death. I don't need you to repay anything, but I just want to do it in the future. When you help, you can help me"

"Thank you Mr. Wu Xiang. If what you say is correct, I will help you in the future."

Fu Junzhuo didn't understand why she said that just now. Now that she thought about it, she regretted her impulse. Fu Junzhuo didn't even dare to look at Wu Xiangjun now. She was afraid that Wu Xiangjun would laugh at her.

Su Chen After looking at Fu Junzhuo, he looked at the other people around him. Song Yuhua and Song Yuzhi were staring at him and didn't know what they were thinking.

Those two dirty people should be Kou Zhong and Xu Ziling. Su Chen didn't expect it either. Why are Kou Zhong and Xu Ziling together with Fu Junzhuo, Song Yuzhi and the others again?

"Come on, get those two dirty people out. I feel bad looking at them."

Su Chen doesn't want to see Kou Zhong and Xu Ziling now. They are still carrying their own fake longevity secrets. Su Chen still plans to let Kou Zhong and Xu Ziling continue to attract those Jianghu people.

"Yes, Your Majesty."

Kou Zhong and Xu Ziling were a little excited when they heard Su Chen's words. They did not expect that Lord Wu Xiang would let them go without asking.

Although what Lord Wu Xiang said was a bit unpleasant, Kou Zhong He and Xu Ziling didn't care, they were the lowest level gangsters and couldn't afford to offend a monarch at all. When

Fu Junzhuo saw that Wu Xiangjun wanted to drive Kou Zhong and Xu Ziling away, she wanted to tell Wu Xiangjun that Kou Zhong and Xu Ziling had the secret book of longevity. , but Hua Yuenu stopped her before she could say anything.

Fu Junzhuo didn't know why Hua Yuenu didn't let her speak. She looked at the people around her and decided to tell Wu Xiangjun when no one else was around.

Song Shidao When he came to Fu Junzhuo, he smiled and said,

"Junzhuo, don't worry, if Mr. Wu Xiang lets us go, I will help you."

"Thanks"

""Haha, no need, no need."

At this time, Du Fuwei was also brought over by the secret guards. Seeing Du Fuwei being brought over, Huayue Nu and Hua Xingnu stepped forward and blocked Du Fuwei and his generals. Hua Yuenu and Hua Xingnu didn't want to see Du Fuwei and the others suddenly take action against Wu Xiangjun.

When Su Chen saw Du Fuwei whose cultivation level had been sealed by Hua Yuenu and the others, he smiled and said ,

"General Manager Du, I didn't expect you to surrender. I have to say that you are still able to bend and stretch, and you can be regarded as a hero. If your Jianghuai army has better military discipline, you may have great achievements in the future."

Du Fuwei looked at Su Chen in a depressed mood and said bluntly,

"Mr. Wu Xiang, now I have surrendered. I can kill or hack you as you please."

Su Chen laughed and said when he saw Du Fuwei who was a little depressed now,

"Haha, Du Fuwei, I didn't want to kill you, I was just staying in Yangzhou City temporarily. If you don't come to attack Yangzhou City, I won't bother to care about you and ask one of your men to prepare one million taels of silver. Let you and your troops go back."

Du Fuwei looked at Wu Xiangjun in surprise. He wanted to kill Su Chen just now. Why doesn't this Wu Xiangjun seem to care about how he wanted to kill him just now? Is this bastard lying to himself?

One million Although there is a lot of money, Du Fuwei can still collect it. He is now afraid that Wu Xiangjun will not let him go after taking his money.

"Is what you said true? Wu Xiangjun, do you really want to let me go?"

Su Chen looked at the money bag and nodded and said,

"It's true. I'll let you go when the money comes in. My credit is still very good and I won't deceive you."

"You have no credibility, you are just a pervert and a shameless bastard."

Chapter 152

Murong Qiudi felt a little unkind when she saw the bastard Su Chen speaking so righteously to Du Fuwei. But she knew that this bastard was trying to do something bad. If Su Chen targeted Du Fuwei, it would definitely be very miserable in the future.

After Su Chen heard what Murong Qiudi whispered, he touched Murong Qiudi's waist and warned her in a low voice,

"Murong Qiudi, if you go against me again, be careful and I will fuck you directly. I don't mind having a beautiful wife like you."

Murong Qiudi knocked off Su Chen's hand touching her waist, then stared at Su Chen with a red face and said,

"I mind, please stop dreaming, how could I fall in love with such a shameless bastard like you?"

"Who can say for sure? Maybe you are destined to be my wife"

"Stop daydreaming"

"Haha, let's have a candlelit night talk that night"

""Go away."

Murong Qiudi has nothing to do with this shameless bastard now. What Su Chen said just now made Murong Qiudi feel a little frightened. She thought of everything she had known since she met Su Chen. Murong Qiudi had been attracted by this since she met Su Chen. The bastard always took advantage of her. Although Su Chen was a little shameless, she still fell in love with this bastard unknowingly.

Murong Qiudi felt that being with Su Chen was very free. With Su Chen, she could say whatever she wanted. What to say, there is no need to pretend to be a lady.

Su Chen looked at Murong Qiudi's shameful and angry look and hugged her tightly. Murong Qiudi's figure was also so good that Su Chen couldn't bear to let her go now. Let her go.

Murong Qiudi frowned when Su Chen hugged her tightly. She looked at Su Chen and then closed her eyes and leaned in Su Chen's arms. She didn't think about it so much now, and the things in the future were still the same. Let's talk about it later.

Seeing Du Fuwei's thoughtful look, Su Chen urged,

"Du Fuwei, what are your thoughts?"

"I agree, Mr. Wu Xiang, I hope you will do what you say"

"Don't worry, I always keep my word. Now you appoint one of your generals to go back and get money to ransom you and your army."

"I see."

When Su Chen saw Du Fuwei going to explain the matter to a general he chose, he stopped paying attention to Du Fuwei. His treatment of Du Fuwei this time was just the beginning. From now on, Su Chen would prepare to blackmail Du Fuwei every once in a while. It was a powerful moment.

Su Chen was a little speechless when he found Song Yuzhi staring at him. If this little pepper didn't cause trouble for her, did she want to cause trouble for herself? Didn't the little pepper know that she was a prisoner now? Why didn't she look like a prisoner at all? No?

And why did that bastard Tong Hu wait so long to catch Li Shimin? He couldn't handle Li Shimin's remaining two or three hundred men?

Su Chen was impatient to wait. He also had a beautiful woman in his arms now. Su Chen also wanted to communicate with Murong QiudiLove, if Murong Qiudi really likes me, wouldn't the Tianzun organization established by Murong Qiudi also belong to him?

Su Chen wouldn't do anything like Xie Xiaofeng's bastard thing. If Su Chen got such a beautiful and capable beauty, he wouldn't abandon her like Xie Xiaofeng did.

"Su Ming, order Tong Hu to kill the remaining troops of Li Shimin, and ask him to bring Li Shimin to me quickly. If Song Que dares to stop him, let the Netherworld Cavalry kill him."

"It's your Majesty,"

Song Yuhua said hurriedly after hearing Su Chen's order.

"Mr. Wu Xiang, please let my father go."

Su Chen smiled when he looked at Song Yuhua who was concerned but confused. Is Song Que so easy to kill? Just now Su Chen also asked Tong Hu to threaten Song Que. If Song Que wanted to escape from the army with the Grand Master's Heavenly Sword, It should still be possible to go.

"Why should I let go? What's the benefit if I let Song Que go?"

"I.....i can give you money"

"Oh, how much money are you going to give me to let your father go?"

Song Yuhua was a little embarrassed and didn't know what to do. She had never asked about family affairs at home. She was just a lady, and she didn't know much about these things.

"I have no money, but my father has money. If you don't kill my father, my father will definitely give you money."

Song Yuzhi looked at Song Yuhua who was a little overwhelmed and hurriedly said to her,

"Sister, dad will be fine for sure. If dad wants to escape, he can definitely escape. It is impossible for Wu Xiangjun's army to catch dad. You don't need to ask this shameless person."

"Haha, Xiaojiao, you said that if your father wants to run away, and I threaten Song Que with you, do you think he will run away?"

"You are shameless"

"So what if I'm shameless? Your father Song Que is a great master. Do you want me, a person in the Xiantian realm, to deal with a great master?"

"Aren't you afraid that people in the world will laugh at you for doing this?"

"Winner takes all, loser for Kou. I don't think Miss Song doesn't know about it, right?"

"I....."

"If your father dares to escape, you will be the first to be executed, Miss Song. Now you just pray that your father will not abandon you and run away."

At this time, Tong Hu was sweating profusely as he looked at Fan Qinghui who was standing in front of him. He had already asked the army to surround Li Shimin and the others, but Fan Qinghui kept preventing him from arresting Li Shimin.

This made Tong Hu very embarrassed. , Tong Hu knew that Fan Qinghui had a close relationship with the king, but he did not dare to offend Fan Qinghui.

Tong Hu pleaded helplessly,

"Master Fan Zhai, I am also acting under orders, please get out of the way, otherwise I cannot bear the blame from your Majesty."

Fan Qinghui felt something was wrong when he looked at Tong Hu who was sweating profusely. This Tong Hu shouldn't be afraid of him. Besides, there are Xiaoguo Army and black-armored heavy cavalry here. Although this Tong Hu knows him, he shouldn't be afraid of him. Will she be afraid of her?

Fan Qinghui suddenly thought of Su Chen hugging her on the battlefield. Does this Tong Hu think he is related to that bastard Su Chen?

Fan Qinghui thought of thisThe more she felt that Tong Hu must have misunderstood. Although Tong Hu's misunderstanding made her blush, Fan Qinghui did not explain anything.

She is now letting Tong Hu continue to misunderstand, so that she can rescue Li Shimin and the others.

"General Tong, I will go and talk to Su Chen. Now you ask the troops to get out of the way."

Tong Hu said to Fan Qinghui helplessly,

"Master Fanzhai, it is impossible for us to let Li Shimin go without your Majesty's order. How about Master Fanzhai go talk to your Majesty and see if you will let Li Shimin go?"

Fan Qinghui can't go looking for Su Chen. If she goes to find Su Chen, I'm afraid she will reveal her secret.

"No, what if I leave you and kill these people? You let the army go immediately. I will bear all the consequences."

"this....."

At this time, a group of secret guards came to Tong Hu with Su Chen's Black Bird Token and said loudly,

"Your Majesty has an order, General Tong Hu, General of the Xiaoguo Army. Your Majesty orders all of Li Shimin's remaining soldiers to be executed. Take Li Shimin to see your Majesty as soon as possible."

"Xiaoguojun Tonghu takes orders"

"Master Fanzhai, I'm sorry this time. This is your Majesty's order. Don't blame me. Archers are ready."

Chapter 153

Song Que was looking at Fan Qinghui with a sullen expression. When he noticed that Fan Qinghui was blushing, he clenched his fists tightly.

Song Que also noticed that the general of the Xiaoguo Army had an unusual attitude towards Fan Qinghui, which reminded Song Que of the incident when Fan Qinghui was held by that Wu Xiangjun and rode on a horse.

Song Que is now very suspicious of what happened between this woman Fan Qinghui and Wu Xiangjun. Song Que himself has never hugged Fan Qinghui.

Even at that time, Song Que didn't even hold Fan Qinghui's hand due to etiquette. He didn't expect that Fan Qinghui would be eaten by someone who was decades younger than her. This made Song Que feel more and more uncomfortable the more he thought about it.

Li Shimin and Li Xiuning are also a little confused about Fan Qinghui. How come the owner of Cihang Jingzhai is so close to Wu Xiangjun that even the generals under Wu Xiangjun dare not offend her.

"The archers are ready, target, all the soldiers here,"swish, swish, swish, swish, ah, ah, ah, ah, ah,
ah, ah, ah, ah, ah, ah, ah, ah, ah, ah, ah

, ah, ah, ah, Xiaoguo's army just shot and killed Li Shimin's remaining black armor cavalry.

Song Que was thinking about Fan Regarding Qinghui's matter, he didn't care about the life and death of those soldiers now.

Li Shimin and Li Xiuning looked at Tong Hu with red eyes when they saw all the Xuanjia cavalry were shot. Li Shimin couldn't help but want to take action against Tong Hu.

But he couldn't, There are tens of thousands of Xiaoguo troops and tens of thousands of black armored heavy cavalry here. I am afraid that if he makes the slightest move, he will be killed by these troops.

Fan Qinghui did not stop Tong Hu this time. She knew that Su Chen's order was just to shoot those soldiers. Soldiers, as long as nothing happens to Li Shimin, Fan Qinghui doesn't care about the life or death of those soldiers.

"Li Shimin, do you want to capture him without any help, or do you want our Xiaoguo Army to take action?"

When Li Xiuning saw Li Shimin's eyes red and about to say something, he hurriedly stopped Li Shimin and said to Tong Hu,

"I'll take it easy"

"Come, tie them up. Your Majesty is still waiting. We don't have much time."

""Yes, general,"

Fan Qinghui said hurriedly when he saw soldiers trying to tie up Song Que.

"General Tong Hu, there is no need to tie him up. He is Song Que, the head of the Lingnan Song Clan, and is not your enemy."

Fan Qinghui was afraid that Song Que wouldn't be able to bear the humiliation of being tied up and would go on a killing spree. If Song Que went on a rampage and killed people, although Song Que might die in the hands of the army, the army here would probably suffer heavy losses.

After all, Song Que was a A great master, if he tried his best to massacre these armies, the result would be Song Que's death, and the army would suffer heavy casualties.

Tong Hu looked at Song Que, nodded and said,

""Okay."

When Tong Hu escorted Li Shimin and the others over, Su Chen was rubbing his own hands, and Murong Qiudi stared at Su Chen with a red face.

Murong Qiudi didn't expect that this bastard was getting bolder and bolder. Chen, a shameless person, secretly touched his thigh, which made Murong Qiudi pinch Su Chen's hand hard.

Su Chen smiled when he saw Murong Qiudi's embarrassed look.

"Murong Qiudi, I find that I like you more and more, what do you think I should do?"

Although Murong Qiudi was a little happy after hearing Su Chen's words, she still pretended to be indifferent and glared at Su Chen, then said expressionlessly,

"But I don't like you, so you'd better stop thinking about toads wanting to eat swan meat."

Su Chen smelled Murong Qiudi's hair and said with a smile,

"Haha, I am not a toad, I am a big bad wolf, and you are the little white rabbit in my hand. Murong Qiudi, you are destined to be my woman, this is a fact that cannot be changed."

Murong Qiudi couldn't do anything when she saw the rogue Su Chen, but she was still very happy in her heart. This may be the bad fate between herself and Su Chen, but Murong Qiudi would not let this bastard Su Chen get her easily.

Murong Qiudi smiled and ignored Su Chen. She planned to kill her fiancé, Mr. Mao Da, when she returned. This time, she would kill Mr. Mao Da even if she exposed her martial arts skills.

She originally wanted Su Chen to help her. The one who broke off the engagement is no longer needed by Murong Qiudi. This Mr. Maoda will only be a stain on her if she stays in the world. She doesn't want Su Chen to know about her stain.

"Your Majesty, Li Shimin and others have been brought to"

"bring them up"

"Yes, Your Majesty."

Li Shimin and Li Xiuning were tied up and came to Su Chen. They were speechless watching the Xiaoguo Army and the Black Armored Cavalry guarding the surroundings. Now that the war here is over, they did not expect that these troops would still be like this. Watching the surroundings vigilantly.

Song Que was relieved to see that his children were not harmed. If something happened to his children here, Song Que would kill Wu Xiangjun even if he died.

Fan Qinghui saw Su Chen hugged a beautiful woman just after he left for a while, which made Fan Qinghui speechless. This bastard is a pervert, like a stallion. Will he die if he leaves the woman?

Su Chen looked at Li Shimin and the woman next to him. Su Chen didn't expect that Li Shimin had found a beautiful girl just after breaking off the engagement with Changsun Wuchu.

Moreover, this beautiful girl had a heroic face and was wearing a military uniform. She looked like a woman. Like a general, Su Chen ignored Li Shimin and the woman who were tied up.

Su Chen looked at a middle-aged handsome guy next to Fan Qinghui. This should be Song Que. He didn't expect that Song Que was still handsome even at such an old age.

"Lord Song, I didn't expect us to meet here."

"Mr. Wu Xiang, I didn't expect that we would meet on the battlefield. Why did you capture my children?"

Su Chen saw Song Que's somewhat angry expression and smiled and said to him,

"Haha, Lord Song misunderstood that I admired Miss Song Yuhua. I invited them here this time. Do you think I asked my men to tie them up?"

It's just that Su Chen didn't expect that his nonsense would make Murong Qiudi unhappy. Murong Qiudi directly grabbed Su Chen's waist and pinched him hard.

Su Chen took a breath of cold air and grabbed Murong Qiudi's waist. The hand said,

"Let me know, Murong Qiudi, if you pinch me again I will be rude to you."

Murong Qiudi smiled and whispered in Su Chen's ear.

"You are so shameless. You wanted to kill them just now. How come you admire the eldest lady of the Song family again in the blink of an eye?"

Su Chen put his chin on Murong Qiudi's shoulder and whispered in her ear,

"An expedient measure, this is an expedient measure. If you could defeat Song Que, would I still do this? Qiudi, you must practice martial arts well to protect me from now on."

Murong Qiudi blushed when she felt the heat coming from her ears. She turned her head and rolled her eyes at Chen and said,

"You are so shameless. Shouldn't men protect women? You shameless bastard actually want to eat soft rice?"

"I don't want to either. Look at my wife, Jing Salamander, a great master, a master of swordsmanship, Concubine Yan, a great master. She basically knows all the Yin Yang family's martial arts, and her eldest grandson is Wu Chu. Let's not talk about this for now. She is just practicing martial arts."

"Do you think Jing Salamander and Concubine Yan need me to protect them? You are also a master. From now on, will you protect me or will I protect you?"

Chapter 154

Murong Qiudi was speechless after hearing Su Chen's words. Except for the eldest grandson Wuchu, who had just started practicing, the other women in this bastard's wife were indeed more powerful than the last.

Even this bastard's confidantes were stronger than him. Murong Qiudi looked at Su Chen and thought, is this bastard born to be a soft-boiler?

At this time, Song Yuhua stared at Su Chen with a red face. She did not expect that this Wu Xiangjun was so shameless. Just now he said that he would execute them if his father escaped, but now he said that he admired her.

Has Wu Xiangjun seen himself? Is it possible to be so threatening to admire someone you like? This Lord Wu Xiang is so shameless.

Others looked at Su Chen speechless, but they didn't dare to talk nonsense. Even Little Pepper Song Yuzhi just stared at Su Chen.

Now she doesn't dare to talk casually. This Lord Wu Xiang is not only shameless but also moody. If he really angers Lord Wu Xiang, I'm afraid he really won't take pity on her and kill her.

Song Que looked at Su Chen strangely and asked,

"Admire my daughter Yuhua? Have you ever seen my daughter, a native of Song Dynasty? Why didn't I know you had been to Lingnan?"

Seeing that Song Que didn't believe it, Su Chen started talking nonsense again.

"I heard, I heard, I heard that the eldest daughter of the Song Dynasty was not only a beautiful girl, but also a well-educated lady, so I invited Miss Song Yuhua here this time.."

Song Que is now sure that this Lord Wu Xiang is talking nonsense. This Lord Wu Xiang is a bit shameless. How can such a shameless person be a monarch? He is also a monarch with heavy troops and real power.

Song Que smiled and said This shameless Su Chen said,

"Haha, Mr. Wu Xiang, do you think I should believe you?"

Su Chen immediately said with his head held high and his face upright,

"Of course, I am an upright person and never tell lies."

Cough cough cough. At this time, Yan Shisan couldn't stand Su Chen's shamelessness anymore. He almost laughed after hearing Su Chen's words. Yan Shisan hurriedly coughed to cover up his gaffe.

Su Chen saw Yan Shi San Zai next to him had a weird face and coughed, so he knew what was going on. This bastard obviously wanted to laugh at himself, but he didn't dare to laugh.

Su Chen looked at Yan Shisan and patted Murong Qiudi's thigh and said,

"You cough, Murong Qiudi, take care of your follower, we are talking about business, if he is sick, let him see a doctor first."

Murong Qiudi glanced at the bastard Su Chen. She almost laughed just now. This bastard was so shameless. Murong Qiudi couldn't stand it anymore. If it weren't for the worry that this bastard would get involved with women again, Murong Qiudi would have Just leave this bastard,

"Thirteen, hold it in. If you can't help it, go to the side and cough and then come back."

"I know, miss, I will hold it back."

Su Chen looked at the weird expressions of the people around him and blushed a little. This time he also felt a little shameless. However, the Internet does not say that if you are thick-skinned, you will eat as much as you can if you are thin-skinned. Don't you want to?

Su Chen thought about it and didn't care. If he was a serious and honest man, he might not have died at the hands of a woman he knew, but would have been tricked to death by those who wanted to take advantage of him.

Song Que looked at Su Chen felt that this shameless Lord Wu Xiang would definitely be the overlord of the party in the future. He was shameless and shameless. This Lord Wu Xiang made Song Que look at him with admiration.

"Mr. Wu Xiang, since you said so, what if I marry my daughter to you? Do you want to?"

Song Yuhua was a little panicked when she heard her father's words. She didn't want to marry this shameless and shameless Wu Xiangjun.

But Song Yuhua thought that even if she didn't marry Wu Xiangjun, she might marry the son of Duzunbao Xiehui in the future. Xie Wenlong, she knew what kind of person Xie Wenlong was.

If she had to choose one of these two people, Song Yuhua still felt that Wu Xiangjun was more reliable. After all, Wu Xiangjun made her look more real, unlike those hypocrites who looked upright. Awe-inspiring, secretly he actually did some things like male theft and female prostitution.

After listening to Song Que's words, Su Chen felt that the hands on his waist were about to take action again. If Su Chen dared to agree to Song Que, Murong Qiudi would definitely not let this beautiful girl go. Himself.

Su Chen wanted to watch the fun this time. He was a little regretful that he had not forced Song Que out before. Su Chen really wanted to know what the relationship between Song Que and Fan Qinghui was back then? How did Fan Qinghui take advantage of Song Que? Just escaped unscathed?

"Cough, cough, Clan Master Song, I already have a wife, and I appreciate your kindness. Clan Master Song, I heard that you and Master Fan Qinghui have an old relationship. You should have a good chat when you meet this time, so I won't do it for now. Sorry to bother Lord Song."

Su Chen said to Song Que and rode to Li Shimin with Murong Qiudi in his arms. However, Su Chen still glanced at Song Que and Fan Qinghui intentionally or unintentionally. His ears were ready to hear what they would say. What.

Song Que was a little embarrassed now. He didn't expect that Wu Xiangjun knew about his and Fan Qinghui's past. He saw Song Yuhua and the others looking at him, which made Song Que know that his children also knew about him and Fan Qinghui. What happened between Fan Qinghui.

Fan Qinghui's face turned black with anger. She didn't expect that bastard Su Chen to sell her out. That bastard obviously wanted to watch the fun. Damn it, Fan Qinghui wanted to kill that bastard now.

Su Chen was a little disappointed when he didn't see Song Que and Fan Qinghui talking after observing for a while. When old lovers meet, shouldn't they reminisce about the past? Why didn't the two of them speak? When

Li Shimin saw Su Chen coming in front of them, he didn't speak either. He shouted angrily,

"Mr. Wu Xiang, where is the eldest grandson Wu Chuan? Where is my fiancée now?"

When Su Chen heard Li Shimin's words, he ordered with a sullen face,

"Come here, give me fifty military sticks from Li Shimin."

Damn it, Li Shimin has taken the courage of a leopard now. He has already terminated his engagement with his eldest grandson Wu Chuan, and now he still dares to say that his wife is his fiancée. If the Li family hadn't killed each other in the future, Su Chen would have done it now. Want to kill Li Shimin

"Yes, Your Majesty."

The secret guards immediately came out and pushed the tied Li Shimin directly to the ground and started beating him.

Bang! Bang! Bang.

When Su Chen saw that Li Shimin didn't cry out after being beaten, he shook his head. A complete hypocrite.

Although Li Shimin will be good as emperor in the future, his character is just too bad. In the future, Li Shimin will kill his brother and imprison his father, and he will also take possession of his brothers' wives.

And that Wei Zheng, Li Shimin always said that Wei Zheng was his. Mirror, but after Wei Zheng died, wasn't Li Shimin ordered to dig up his grave and whip his body? Li Shimin was a bitch and set up an arch.

Su Chen looked at the tied Li Xiuning and wanted to persuade him to surrender. This Li Xiuning, Su Chen knew at a glance that she was A general who is good at conquering and fighting. Su Chen can't think of any awesome generals in The Legend of Two Dragons of the Tang Dynasty.

"This beauty, it is not a good choice for you to follow Li Shimin. Do you want to change the court? My place is much stronger than Li Shimin's, and Li Shimin is a lustful ghost. Be careful that he will eat you."

"Do you want to surrender me?"

Chapter 155

Li Xiuning looked at this very shameless Wu Xiangjun and was a little confused. Doesn't this Wu Xiangjun know him?

Li Xiuning still felt that this shameless Wu Xiangjun had some conspiracy. She saw clearly what happened just now. Wu Xiangjun was obviously talking nonsense. At least seven or eight of his ten sentences were false.

Song Que from Lingnan must have noticed it, but I don't know why Song Que didn't expose Lord Wu Xiang, and even prepared to marry his daughter to this shameless Lord Wu Xiang. This made Li Xiuning confused.

Su Chen asked when he saw that Li Xiuning was deep in thought without answering.

"Why don't you want to? Or did Li Shimin promise you something?"

Li Xiuning stared at Su Chen and said mockingly,

"Haha, Mr. Wu Xiang, you don't have to have such wishful thinking. I am Li Shimin's sister. Do you think I will seek refuge with you?"

"Are you Li Xiuning?"

I asked, this is Li Xiuning? How is this possible? Shouldn't Li Xiuning be held hostage in Chang'an? How could she appear in Yangzhou? That's right, in the Legend of Two Dragons of the Tang Dynasty, the only women who can command armies are Li Xiuning and Wa Shen Luoyan in Gangzhai, well, there is also Shang Xiuxun from Pegasus Ranch. She can also command the army in battle, but she doesn't know what Shang Xiuxun's talent is.

Li Xiuning was a little surprised by Wu Xiangjun's expression when he saw her. She is now Some believe that Mr. Wu Xiang doesn't know him. It seems that he was just suspicious.

"Mr. Wu Xiang, you don't know who I am just now, do you?"

Su Chen looked at Li Xiuning and smiled. This is a big fish. If he doesn't kill Li Clan this time, he will be sorry for himself.

Su Chen has raised an army of hundreds of thousands, and he can't do it without money. Yes, this time Su Chen will not let him go unless Li Clan pays millions of silver.

"I am indeed a little surprised. Aren't you in Chang'an as a hostage? Running away privately is a serious crime. It seems that you, the Li family, are preparing to rebel. Li Xiuning, what do you think I will hand you two siblings over to Yang Guang?"

"You are shameless"

"Li Xiuning, why am I so shameless? Don't forget that you Li clan are traitors and rebels. Now you are bringing an army to assassinate me. It's good that I didn't kill you with a single blow."

"Let my brother Li Shimin go, I will let you do whatever you want."

Pa

Su Chen slapped Li Xiuning on the face, and Li Xiuning was knocked to the ground directly. Su Chen couldn't stand this woman when he was watching martial arts dramas. If she hadn't been worth some money, Su Chen would have Kill her with one knife

"Don't feel good about yourself. I want to kill you just by nodding. You have no room for bargaining with me."

Murong Qiudi looked at Su Chen with some surprise. She didn't expect that Su Chen would hit a beautiful girl. This made Murong Qiudi very confused. Why didn't this pervert have any thoughts about this beauty this time? Could it be that this Is there anything wrong with women?

"you....."

"If you dare to talk nonsense again, I will chop off one of your arms."

Su Chen threatened Li Xiuning when he saw what he wanted to say.

Su Chen didn't want to listen to this bitch's chatter. He was not a loser like Kou Zhong. He was timid when he liked someone.

Su Chen thought that since Kou Zhong had occupied The South is also capable of competing with Li Tang for hegemony, but Kou Zhong finally listened to the woman and surrendered. Moreover,

Kou Zhong did not get Li Xiuning even after surrendering. This may be the brilliance of Li Xiuning. Maybe Li Xiuning was the one from the beginning. He was using Kou Zhong.

Su Chen looked at Song Que and Fan Qinghui and saw that they were still not talking and lost interest. Although Song Que owned Lingnan, he had no ability to dominate the world. His son was also a waste. Su Chen didn't want to be with him now. What kind of cooperation does Song Que have?

"Tong Hu, let the Jianghuai Army prisoners bury all the corpses. Fang Liang, take these prisoners and let us return to Yangzhou City."

"Yes, Your Majesty."

A vigorous war was over. The people in Yangzhou City knew that Lord Wu Xiang had destroyed the Jianghuai Army, which made the people in Yangzhou City very happy.

These people were very afraid of the Jianghuai Army coming in. Those people If the Jianghuai Army invades, I am afraid that the people in Yangzhou City will suffer, and even Yangzhou City will be devastated.

Three days later,

Du Fuwei's men sent one million silver. Su Chen didn't say anything after receiving the silver. , he immediately let Du Fuwei and his army go.

Seeing that Lord Wu Xiang let him go so easily, Du Fuwei was a little confused, but he still quickly left with his army.

Every time Du Fuwei thought about Su Chen's expression when he looked at him, he would feel a little weird, as if Lord Wu Xiang would do something to him, which made Du Fuwei feel that he should be more careful about Lord Wu Xiang in the future.

Yangzhou Palace, Su Chen has not succeeded in capturing Murong Qiudi these days, and he has not forced Murong Qiudi. If Su Chen raids Murong Qiudi's room at night.

Although Murong Qiudi will scold him, she will not reject him. Su Chen He also knew that Murong Qiudi already belonged to him, and he was not in a hurry to get Murong Qiudi.

Su Chen hugged Murong Qiudi in the study and said to her,

"Qiudi, I want to leave Yangzhou for a trip. You are in charge of everything in Yangzhou, and the Xiaoguo Army and the Netherworld Cavalry are also under your command."

Murong Qiudi smiled and said when she heard that Su Chen was about to go out,

"You want to leave? where you go? Given your innate cultivation level, it's better not to go out and wander around."

"I have something to do. The Yang Gong treasure in Luoyang can't be delayed any longer. I'm worried that Yang Gong's treasure will be discovered. I want to transport all the gold, silver, treasures and weapons in Yang Gong's treasure to Yangzhou."

"Well, it's too dangerous for you to go alone. Let Shisan go with you."

Su Chen looked at Murong Qiudi who was worried about him and shook his head and said,

"No, you are not 100% safe here. You should let Shisan stay to protect you. You must know that my teleportation is very powerful. I can't defeat you but you can escape."

Su Chen likes women like this. As long as they like someone, they will only think about that person. Unlike Li Xiuning, that stinky woman who does everything for the sake of their Li family.

"Then be careful."

Murong Qiudi also knew that Su Chen was doing serious things this time, and she did not stop Su Chen. Murong Qiudi also knew that Su Chen's teleportation ability was very powerful, and even she herself could not catch Su Chen.

"I will. You haven't become my wife yet, so nothing will happen to me. I want to come back and have a bridal chamber with you."

"You are so shameless. When I meet you, I admit defeat."

Su Chen hugged Murong Qiudi and kissed her, then told her,

"By the way, if Li Clan sends a ransom, Li Shimin and Li Xiuning will be released, and we must be careful about that old nun Fan Qinghui. She is very optimistic about Li Shimin. You can't let Fan Qinghui rescue our money bag."

Murong Qiudi couldn't help laughing when she thought of the letter Su Chen wrote to Li Yuan. If Li Yuan saw that letter, he would definitely use the ransom to redeem Li Shimin and Li Xiuning immediately.

"Haha, I will keep an eye on them with the five million silver purse. It may be very difficult for Li Clan to pay these ransoms this time."

Su Chen hugged Murong Qiudi and touched her hair and said,

"You are wrong. Li Clan will not be hurt if he pays this money. You have to know that the aristocratic families in Guanzhong all support Li Clan. Those thousand-year-old families are all rich. In the future, I will arrest Li Shimin to threaten Li Clan. Paying money to redeem people, this Li Shimin is our long-term pocketbook."

Murong Qiudi smiled and leaned into Su Chen's arms and said,

"You are really shameless, but I'm afraid it won't be that easy to catch Li Shimin in the future. Li Shimin may not leave Taiyuan easily after this incident."

"Don't worry, I know Li Shimin's future whereabouts clearly, he can't escape my grasp."

Chapter 156

On the official road leading to Luoyang, Su Chen rode a horse leisurely towards Luoyang. It had been three days since Su Chen came from Yangzhou.

In the past three days, Su Chen also saw that the people of Sui Dynasty were in dire straits. Although Su Chen was not a good person, he still helped some people as much as he could. It was just a matter of giving some money, but Su Chen could still afford it.

"Sir, would you like some tea?"

"Nonsense, what am I doing if you don't drink tea? Bring me a pot of good tea."

"Hello, sir, please wait a moment. The tea will be served soon."

Su Chen handed the horse to the waiter at the roadside tea shop and walked into the tea shop to take a rest. Su Chen stretched and sat down. He looked at the people in the tea shop and found nothing. Jianghu people, here are some businessmen who are doing business.

After the tea was served, Su Chen rested on a chair drinking tea. At this time, a woman wearing a bamboo hat walked in. She looked inside the tea shop and He moved towards the opposite side of Su Chen.

Su Chen looked at the woman wearing a bamboo hat and whispered in a low voice,

"She must be around 20 years old, with long black hair reaching her waist, indicating that she is not married yet. Her back is somewhat slim and mysterious, and she is wearing a blue printed dress,

which makes her perfect body even more perfect, but her face is unknown. So, it shouldn't be a back-shadow killer, right?"

"Shameless."

This woman was a little angry when she heard Su Chen commenting on her. She had traveled all over the country for many years, and this was the first time she met someone who commented on her like this. There was an angry expression that had never appeared on her usually cold face.

"Um, can you hear that? Are you a Jianghu person?"

When Su Chen heard this woman's sweet and soft voice, she felt that she should be an extremely beautiful beauty. Now Su Chen can find this woman to kill some boring time.

"Hi, beauty? Why don't you answer me?"

"Girl, are you mute?"

"I guess you're pretty cool."

Su Chen shook his head when he saw that the woman didn't answer and continued to drink tea. But just as Su Chen was about to lower his head to drink tea, he found a small snake appearing in the tea shop.

Su Chen looked at the non-venomous little snake and looked at the woman. There was a reminder next to me,

"Miss, there is a snake next to you."

Su Chen saw this woman still sitting there motionless drinking tea, which made Su Chen a little speechless. Su Chen didn't care about her anymore. Anyway, the snake was not poisonous, so Su Chen didn't have to worry about her being poisoned. Swish.

"Gosh, this chick is so strong."

Su Chen was drinking tea with a tea cup when he discovered that this woman shot the snake by herself with only one penny. This surprised Su Chen. Su Chen thought about the powerful women in the Legend of Double Dragons of the Tang Dynasty and seemed to know them all. Could this woman be from another country?

Su Chen looked at this woman who was a little more powerful than him and felt a little offended. He drank the tea and immediately stood up to leave.

Touch.

"Damn it."

Su Chen looked at the penny at his feet and was speechless. Was he not allowed to leave? Su Chen looked at the woman wearing a bamboo hat and felt helpless. I'm afraid I might have caused trouble this time.

I also saw this. A woman who has not yet reached the realm of cultivation must be a great master like Yao Yue. Su Chen wants to teleport away from here right now. This woman is a bit dangerous.

"Miss, I'm leaving too. I'll see you again in the future."

Su Chen said and quickly left the tea shop, got on his horse and left in a hurry.

Oh my god, this world is so dangerous. Why are there so many female masters? Are all the men in the world dead? Why are all the women I meet? Who is this woman stronger than herself? Is she definitely not from the Sui Dynasty?

""I'll join in."

Su Chen was a little confused when he saw the woman who suddenly appeared in the middle of the road. Is this woman drinking tea in the tea shop not going to let him go?

"Hey, that lady is such a coincidence. Are you going to Luoyang too?"

Li Qi looked at the bastard who just teased her and said coldly,

"How do you want to die?"

Li Qi looked at this person who dared to tease her and wanted to chop him with one palm. If she hadn't avoided that perverted woman Jellyfish Yin Ji, she wouldn't have escaped to Sui Dynasty. She didn't expect that even though she was so low-key, there were still people. If you dare to tease her, it seems that she has killed a few people.

"I don't want to die, miss. Next time we meet, I'll give you this horse."

After Su Chen finished speaking, he hurriedly disappeared with a teleport. He didn't dare to stay here any longer. If this woman suddenly attacked him, Su Chen would suffer.

Li Qi was a little surprised when he saw Su Chen disappear suddenly.

"Huh? This person's martial arts skills are a bit weird. A little person in the Xiantian realm actually slipped under my nose. Haha, I started to be somewhat interested in this person."

After Su Chen escaped, he kept teleporting towards Luoyang. From now on, Su Chen decided that he would never dare to tease women for no reason again. Women in the world are too dangerous. Su Chen would rather offend men in the world than women in the future. In the Eastern Continent, in the Zilan Pavilion of Han Country

, Han Fei and Wei Zhuang were sitting at the table drinking. They were a little helpless now. Zi Nu was captured by Wu Xiangjun. With their strength, they could not save Zi Nu. , Wu Xiangjun's woman is either a Grandmaster or a Grandmaster. Wei Zhuangcai, the most powerful Grandmaster in Quicksand, they can't do anything about.

Han Fei took a sip of wine and said helplessly,

"Alas, if things weren't urgent here in the Han Kingdom, we wouldn't have left the Sui Dynasty without saving Zi Nu. After we finish dealing with General Ji Wuye, we can think of ways to save Zi Nu."

Weizhuang stood in front of the window and looked into the distance and said coldly,

"Zi Nu can't be saved. If Wu Xiangjun doesn't let her go, there's no way we can rescue Zi Nu. No matter whether it's the army or martial arts masters, none of us can compare with Wu Xiangjun."

"Brother Wei Zhuang, do you think it would be a good thing or a bad thing if Zi Nu becomes Wu Xiangjun's wife in the future?"

"I don't know, it depends on whether Zi Nu can get Wu Xiangjun's favor. You have to know that neither the Jing Salamander nor the Yin Yang Family Dongjun can be dealt with by Zi Nu."

"Even Wu Xiangjun's confidante is stronger than Zi Nu. Those women are not inferior to Zi Nu in terms of appearance or strength."

Han Fei smiled, stood up and looked in the direction of the General's Mansion and said,

"Our top priority is to get rid of Ji Wuye, we will talk about Zi Nu later."

"It's time to get rid of the night."

Then, on the road leading to Han Country, a carriage was slowly heading towards Han Country.

In the carriage, Ying Zheng sat in it with a sad face. Now Lu Buwei was becoming more and more presumptuous, and The damn eunuch Lao Ai actually faked his death, and now he is hooking up with his biological mother. This is also the time Ying Zheng wants to go out for a walk, and goes to the Han Kingdom to see if Han Fei has real talents.

In front of the carriage, Wang Meng looked helpless as he looked at Gai Nie next to him. This time Ying Zheng secretly came out of the Qin Palace, Gai Nie actually pulled him along with him. Wang Meng is now the captain of the bodyguard of Lord Wu Xiang. Although the Qin State is now responsible for contacting the King of Qin, But I am not King Qin's bodyguard. This must have been the idea of that bastard Meng Tian.

"Brother Wang Meng, your men are really good. They are even stronger than Zhang Han's secret guards."

"Gai Nie, this time I am going to suffer a lot from you. You knew that Mrs. Jun was coming, and you brought me out of Qin State. If Mrs. Jun did not see me when she came to Qin State, I might have to escape even if I die. layer of skin."

Chapter 157

Gai Nie looked at the depressed Wang Meng and shook his head. It was Meng Tian's idea for King Qin to bring Wang Meng with him this time. King Qin did not bring any guards with him on this secret trip, not even the secret guards.

The King of Qin was afraid that someone would expose his whereabouts, but Wang Meng and his men would not betray the King of Qin. After all, the King of Qin and Lord Wu Xiang were in a cooperative relationship, and Lord Wu Xiang would definitely not let anything happen to the King of Qin.

Gai Nie said to Wang Meng with an icy face,

"Brother Wang, don't worry. King Qin will explain the situation to your wife Jun by the time. By the way, isn't your wife Jun a Jing Salamander? Why is it that you are not talking to me about Mrs. Salamander?"

Wang Meng looked at Gai Nie's face that had not changed for thousands of years and smiled and said,

"It's another Mrs. Jun. Mrs. Jing salamander doesn't care about things, and the old lady finds another Mrs. Jun for you. However, the status of Mrs. Jing salamander and this Mrs. Jun is exactly the same. There is no distinction between them. It's just that on the surface, this Jun is Madam is the king's head wife"

"So this is ah."

Wang Meng thought of the news coming from Gusu in the Great Song Dynasty, and he reminded Ge Nie,

"Gai Nie, you should be more careful when you see Mrs. Jun in the future. I heard that our Mrs. Jun is a ruthless person. As for her name, I dare not tell you. You only need to know that Mrs. Jun is a great master."

Gai Nie was a little surprised and exclaimed,

"Grandmaster? Is your wife a great master? How can this be? How did your Majesty marry a great master? Could it be that your lord is also a powerful master?"

Gai Nie didn't expect that Wu Xiangjun's wife turned out to be a great master. She was the most powerful person in the world except the realm of heaven and human beings. Even when they were unable to leave the realm of heaven and humans, those great masters were the ones who controlled the situation in the world. important person.

After hearing what Gai Nie said, Wang Meng shook his head and said,

"No, our Lord does not know martial arts. As for how your Lord and Mrs. Jun are together, I don't know. After all, I am in Qin State now, and I don't understand the things in Gusu City now."

Ying Zheng smiled when he heard the conversation between Gai Nie and Wang Meng in the carriage. He thought that the more powerful Lord Wu Xiang is, the more beneficial it will be for him.

This time, Lord Wu Xiang's wife came to Da Qin, which was very beneficial to him as a pro-government person. It helps. With a great master and Wu Xiangjun supporting his army, this time he is almost certain to be crowned as pro-government.

Ying Zheng doesn't know how to repay Wu Xiangjun now. Giving some money will not guarantee Wu Xiangjun's future. Will always maintain an alliance with him.

Ying Zheng must now think about how to maintain an alliance with Wu Xiangjun in the future, which will be crucial for him to unify the Eastern Continent in the future.

Da Qin, Jiuyuan County

Yan Fei and Zi Nu We have arrived near Jiuyuan County, which is already the territory of Great Qin. Concubine Yan is bringing ten thousand Nether Iron Cavalry this time. It is not easy for her to break into Jiuyuan County directly. Now Concubine Yan has asked the secret guard to notify Jiuyuan County. Meng Tian. Concubine

Yan looked at the purple-haired purple girl and said with a smile,

"Zi Nu, now that you have arrived in Great Qin, you should know what to do when you return to the Han Kingdom, right?"

Concubine Yan warned Zi Nu several times on the way. Concubine Yan knew that that bastard Su Chen might like this Zi Nu.

Although Zi Nu had never given Su Chen a good look, Concubine Yan didn't know how Su Chen would treat her in the future. This Zi Nu, but if she found out that Zi Nu had betrayed Su Chen, she wouldn't mind killing her with her own hands.

After hearing Concubine Yan's words, Zi Nu looked around. She didn't expect that she would know everything after a trip to Sui Dynasty. Changed, she will no longer be a member of Quicksand, and the Han Kingdom may even be annexed by the Qin Kingdom in the future.

That bastard Wu Xiangjun has sent 30,000 Netherworld Cavalry to support King Qin, and she has the combat power of these Netherworld Cavalry. I have seen it with my own eyes.

The Netherworld Cavalry wiped out the Hun troops they encountered on the road. The Netherworld Cavalry killed tens of thousands of Hun cavalry along the way, and the number of horses captured alone was tens of thousands. This Netherworld Cavalry The army is simply too powerful.

Zi Nu looked at the beautiful and noble Concubine Yan and said coldly,

"I know that I will not tell anyone about your cooperation with Daqin."

Seeing that Zi Nu was still pretending to be confused, Concubine Yan threatened directly and said,

"Zi Nu, do you know what I'm talking about? You will be my husband's woman from now on, and I don't want to kill you myself in the future."

After hearing Concubine Yan's words, Zi Nu said angrily,

"I am not that bastard woman, and I will never be that bastard. Su Chen, that bastard, stop having such wishful thinking. I will never give in even if I die."

Concubine Yan smiled when she thought about Zi Nu and Su Chen's constant quarrels over what was right.

"Haha, then wait until my husband comes to the Eastern Continent to attend the crowning of King Qin and you can tell him yourself. I believe you will have a very pleasant chat by then."

Zi Nu's face changed immediately. She didn't expect that bastard Su Chen to come to the Eastern Continent. She was a little uneasy now.

Although bastard Su Chen didn't do anything to her after he was caught, that bastard Su Chen did it every day. To tease herself, Zi Nu blushed every time she thought about what Su Chen said to her. She didn't understand how Su Chen, a top nobleman, could act like a scoundrel.

Although Su Chen was defeated by her every time, but That bastard seemed to be addicted, chatting and arguing with her at every turn.

During the time that Su Chen captured, Zi Nu was harassed by that bastard every day. This time, she did not expect that Su Chen would let her back.

Zi Nu thought of Su Chen That bastard Chen was a little embarrassed when she asked Concubine Yan to tell her what she said. That bastard Su Chen regarded herself as his forbidden wife. At this time, a secret guard came to Concubine Yan and saluted and said,

"Madam Qi, General Meng Tian of Qin State is here."

Concubine Yan looked at an army that appeared in the distance and nodded and said,

"Meng Tian will come over soon and his troops will stop me."

"Yes, madam."

Meng Tian rode on his horse and looked at the cavalry army in front of him, and hurried over. This time Wu Xiangjun's wife arrived, Wang Meng notified him, and Meng Tian also knew that this time Wu Xiangjun's wife came with ten thousand Nether Iron Cavalry. Come here.

This is Wu Xiangjun's additional army for the Netherworld Cavalry that they reached earlier, which makes Meng Tian a little happy.

Now the Netherworld Cavalry is stationed in his Jiuyuan County, and this Netherworld Cavalry helped Meng Tian eliminate a lot of people. The Hun cavalry, now the Hun cavalry don't even dare to come to Jiuyuan County.

After Meng Tian arrived, he asked his golden fire cavalry to stop, and he personally came to Concubine Yan who was protected by the Nether Iron Cavalry to salute and said,

"Great Qin Mengtian, met Mrs. Jun"

"General Meng Tian, there are 10,000 Nether Cavalry here. They asked General Meng Tian to hand it over to Commander Liu Haijun."

"Madam Jun, you can rest assured. I will definitely take the Nether Cavalry here to Commander Liu Haijun's residence."

"I still have some things to do. When King Qin is crowned, my husband will also come to participate. I will leave the Netherworld Iron Cavalry and the war horses we captured here to you."

Concubine Yan said to Meng Tian and gave orders to the captain of the Netherworld Cavalry. She took Zi Nu and hundreds of secret guards and left first.

Chapter 158

During the Sui Dynasty, Luoyang,

Su Chen teleported all the way to Luoyang. This time it was a bit dangerous. Su Chen felt that the mysterious woman would not let him go. Su Chen also decided to keep a low profile in Luoyang City. He planned to take Yang Gong's treasure. Get out of here now.

Su Chen came to a restaurant and sat down and ordered some food to eat. Su Chen could only wait for Sikong Zhaixing and Lu Xiaofeng to arrive. After all, the mechanism in Mr. Yang's treasure still needed Sikong Zhaixing to break.

At this time, a woman with a perfect figure appeared in front of Su Chen's table, she patted the table and said,

"You, get up, this position is mine."

The owner of the restaurant next to him also said hurriedly at this time,

"This young master, this seat has always been occupied by Miss Dugu. Today, I thought that Miss Dugu would not come, so I invited you to sit down. Today, the young master's meal will be treated as our own. I hope that the young master will give up this seat to Miss Dugu."

Su Chen was speechless after hearing this. He didn't expect that he would be in trouble even if he just had a meal.

Su Chen looked at this woman with a perfect figure and a heroic face and thought that she should be Dugu Feng from the Dugu Clan. , This Dugufeng's legs are really long. Su Chen wanted to touch them when he saw Dugufeng's long legs.

"I'll finish eating in a while, you can wait a while"

"you....."

Dugu Feng did not expect that this man would not give her face. She waved her hand and asked the restaurant owner to leave. She looked at the young master and sat directly opposite Su Chen.

Dugu Feng did not chase Su Chen away. She also saw that Su Chen was about to finish eating. Although her family was prominent, Dugu Feng was not a bully who bullied others.

"Do you know who I am?"

"How could I not know about Dugu Feng of Dugu Clan?"

"Aren't you afraid that I will catch you?"

"What are you arresting me for? Do you have a crush on me?"

Su Chen regretted it after saying this. Just now he was thinking of keeping a low profile, but he was just shy. I'm afraid he will get into trouble again this time.

Dugu Feng didn't expect that this bastard would dare to tease her, so she immediately pulled out her sword. I need to teach this bastard a lesson,

"You are looking for death."

Su Chen said hurriedly when he saw that Dugu Feng was about to take action.

"etc."

"Do you have any last words?"

When Su Chen saw the guests in the restaurant, he noticed that he and Dugu Feng were a little big-headed. Su Chen was worried that the mysterious woman would also come to Luoyang.

He said he was coming to Luoyang at that time, and he was afraid that the mysterious woman would also come to Luoyang. After arriving in Luoyang, if he had a fight with Dugu Feng, the mysterious woman would find him.

Su Chen hurriedly smiled at Dugu Feng and said,

"Miss Dugu, look at how bad the beatings and killings are. I made a mistake just now, so I can apologize to you. You, the eldest lady of the Dugu family, don't argue with a little person like me."

Dugu also saw that this person was a Jianghu person, and also a Xiantian realm Jianghu person. Dugufeng also wanted to try this person's skills.

"What if I don't accept your apology?"

Su Chen was a little helpless. It seemed that it was difficult to escape this time.

"Well, how about this? It's not good to fight here. How about we go to another place to compete?"

"Okay, you come with me, don't think about escaping, I can definitely find the person I'm looking for in Luoyang."

Dugu Feng stood up and walked outside as she spoke. She believed that with her threat, this Jianghu man would definitely not dare to escape.

When Su Chen saw Dugu Feng walking in front, he jumped down from the restaurant. Immediately teleporting away, Su Chen would not be stupid enough to fight with Dugu.

Although he is now at the peak of innate cultivation, he does not know martial arts moves. Could he just use his own killing move Divine Sword against this Dugu Feng? The True Thunder Control Technique? I'm afraid I will kill Dugu Feng directly with the Divine Sword Thunder Control True Technique.

"This damn bastard actually lied to me. I will catch you and torture you to death, you bastard."

Dugu Feng saw Su Chen jump out of the restaurant and disappear. This made Dugu Feng very angry. She didn't expect that one day she would also be deceived, but now the bastard had escaped.

Dugu Feng thought about it and left directly. If she wants to activate the power of the Dugu family, she must find this bastard.

Su Chen teleported to a place and looked around with some doubts. Just now, he also chose a direction in desperation and teleported here several times. Su Chen didn't use his mental power to check.

"Holy shit, where is this?"

At this time, Su Chen heard the sound of footsteps. He immediately flew to hide on the beam on the house. Now Su Chen didn't know the situation here. He wanted to see what the place was. At this time

, A man and a woman walked into the room. As soon as the man came in, he wanted to hug the woman next to him and kiss her.

The woman turned around and avoided the man and said with a cold face,

"Duguce, I have finished what you arranged. Can I fulfill the conditions you promised me?"

Dugu Ce looked at Yun Yuzhen's beautiful body and said with a lustful smile,

"Yun Yuzhen, I know you have done what I asked you to do. I asked you to come here this time because I need your Jukun Gang to do something more for me."

Su Chen was a little speechless when he heard what these two people said. He didn't expect that he would throw himself into the trap and come to Dugu Clan's house, and he would also see Dugu Ce having an affair with Yun Yuzhen from the Jukun Gang. Yun

Yu really saw it Looking at this disgusting Dugu Ce, he frowned and said,

"whats the matter?"

Dugu Ce looked at Yun Yuzhen's plump body and said with an evil smile,

"Haha, of course I want you to sleep with me, Yun Yuzhen, I have wanted you since I met you. You don't really think that I will waste so much effort to help you win the Jukun Gang, and it will be free of charge, right? Yun

Yuzhen stared at Dugu Ce with some caution and said,

"Dugu Ce, you are delusional. I paid you 50,000 silver. The thing you helped me with has been settled. No one of us owes anything to the other."

"Yun Yuzhen, if you are sensible, don't resist me, otherwise I will destroy your Jukun Gang, and you will still be unable to escape from my grasp."

"I won't give in to you even if I die"

"Haha, given your acquired skills, do you think you can escape from Dugu Mansion?"

As

Dugu Ce said that, he suddenly struck Yun Yuhua with a palm. Yun Yuzhen had already been prepared. She had dodged Dugu Ce's attack and was about to escape. As long as she left the room, Yun Yuzhen would I really believe that Dugu Ce doesn't dare to chase me anymore.

After all, the tutoring in Dugu Mansion is very strict. You Chuhong, the leader of the Dugu family, will definitely not watch her grandson bullying men and women.

Su Chen sat on the beam and watched I'm a little confused, aren't Dugu Ce and Yun Yu really in that kind of relationship? Isn't Yun Yu really a completely loose woman?

It seems that in the plot, she was indeed raped by Dugu Ce, and later Xiang Yushan Working together, this woman has slept with countless men. Yun Yu can really be regarded as the worst woman in The Legend of Double Dragons of the Tang Dynasty.

But at this time, Yun Yu was kicked by Dugu Ce and hit the table. The table instantly It was smashed to pieces, and Yun Yuzhen also fell to the ground.

When Yun Yu was about to get up and run away, she found a person peeking on the beam, which made Yun Yuzhen stunned for a moment. When

Su Chen saw Yun Yuzhen, he found that he was a little confused Depressed, he just wanted to watch a show, but this vicious woman Su Chen didn't want to save her

"Save me and I will repay you later."

Chapter 159

Yun Yuzhen saw that the man on the beam did not come down to save her at all, and she became a little anxious. If this man did not save her, she would be worse off than dead if she fell into the hands of Dugu Ce. Yun Yuzhen did not care about offending this man. He loudly asked him for help.

Dugu Ce wanted to catch Yun Yuzhen and enjoy it. When he saw Yun Yuzhen looking towards the room for help, he immediately looked over.

When Dugu Ce found the person on the beam, he drank loudly. ,

"Who are you? You dare to come to our Dugu Mansion. Don't you want to live?"

Bang

Su Chen suddenly disappeared from the beam and appeared behind Dugu Ce and kicked him away. This Dugu Ce just wanted to be beaten and dared to threaten him. Did he think he was the mysterious female grandmaster?

"It's cool, it turns out that beating someone up can also make you feel happy."

Su Chen felt a little happy when he saw Dugu Ce who was kicked into the wall by him. The depression caused by that mysterious woman all day was swept away.

Yun Yuzhen saw that this young master kicked Dugu away in a flash. Ce, this made her a little scared. No matter how useless Dugu Ce was, he was still at the eighth level of cultivation.

But this young master actually defeated Dugu Ce without any effort. Yun Yuzhen's eyes shone when she looked at Su Chen. She I decided to invite this young master to the Jukun Gang.

Although their Jukun Gang has a large number of people, they have too few masters. If this young master stays in the Jukun Gang, then her Jukun Gang will not have to be afraid of the Haisha Gang. ,

Yun Yuzhen said to Su Chen with a smile on her charming face,

"Thank you for saving my life. My name is Yun Yuzhen."

"Just leave, I don't need your thanks."

Su Chen looked at this bastard and waved his hands in displeasure. He didn't want to have anything to do with this woman.

Yun Yuzhen looked at Su Chen in surprise. She didn't expect that this young man would ignore her. , is it because she is ugly?

Yun Yuzhen looked at Su Chen and did not leave, and Su Chen was too lazy to pay attention to this woman. Su Chen walked to Dugu Ce and looked at the head that was hit, bleeding and unconscious. Dugu Ce stepped on his chest.

Kacha

Su Chen stepped on Dugu Ce's chest. Before Dugu Ce even had time to scream, he was evaporated.

"You've gotten into big trouble. Leave with me quickly, or we'll be discovered and we won't be able to leave."

When Yun Yuzhen saw that Su Chen had directly killed Dugu Ce, she was so frightened that she hurriedly pulled Su Chen away. This Dugu Ce is a direct descendant of the Dugu clan. Now that this man has killed Dugu Ce, if he is killed by someone from the Dugu family, It was discovered that this young master was dead.

Su Chen was a little embarrassed now. He just wanted to step on Dugu Ce to wake him up, but Su Chen forgot that he was an innate master now. He couldn't control his strength and directly stepped on Dugu Ce to death. Su Chen avoided

Yun Yuzhen's attempt to hold his hand and said expressionlessly,

"Nothing will happen to me. If you want to leave, leave quickly and don't worry about me."

It's only a matter of a moment for Su Chen to leave, but he has nowhere to go even if he goes out now. I'm afraid he will be found by either the mysterious woman or Dugu Feng after he goes out. It may be very safe to stay in Dugu Mansion.

Su Chen Seeing that Yun Yuzhen hadn't left yet and didn't care about her, Su Chen looked at Dugu Ce's body and left the room. He wanted to find a clean room to rest.

"who? There are assassins, come on, there are assassins."

At this time, as soon as Su Chen came out, he found that there were several guards outside the door. When those guards saw Su Chen, they immediately rushed towards Su Chen. Some of the guards even shouted,

Damn it, why didn't I think of this Dugu? Ce is a man who is greedy for life and afraid of death. Now he is in trouble.

Su Chen quickly got rid of these guards and left, but it was already too late. Teams of guards came here quickly and surrounded Su Chen. Among them, even some archers drew their bows against Su Chen.

Yun Yuzhen heard the shouting in the room and hurried out. When she saw that the guards of the Dugu family had discovered them and even surrounded the place, she Knowing that they couldn't escape this time,

Yun Yuzhen said to Su Chen with some shame,

"Young Master, I'm going to hurt you this time."

Su Chen was speechless when he looked at the guards around him. This time, he couldn't hide in Dugu Mansion anymore. It seems he has to find another place.

"It's useless to say it now. Why didn't you tell me that Dugu had guards outside?"

Yun Yu was really blushing and didn't dare to look at Su Chen. She was just thinking about how to keep Su Chen in the Jukun Gang in the future. Who knew that Su Chen would come out of the door openly and openly?

"I.....Before I could say anything, you came out."

Su Chen looked at this woman and shook his head. He hugged her and suddenly disappeared.

The guards of Dugu Mansion were very shocked when they saw the two people who suddenly disappeared. They quickly searched around but did not find them. , which made these guards a little overwhelmed.

"What happened?"

A middle-aged woman wearing a cane came here and asked loudly.

A guard came to the old woman and hurriedly saluted and said,

"Old madam, the young master was killed"

"Who was killed?"

"It was Young Master Duguce who was killed"

"Damn it, where's the assassin? Did you catch it?"

"Old lady, the assassin disappeared in the blink of an eye. We looked around and found no assassin."

"To draw a portrait of an assassin, I have to turn Luoyang upside down to find the assassin."

"Yes, old lady."

This old woman was You Chuhong. She didn't expect that her grandson would be killed in their Dugu Mansion, which made You Chuhong very angry.

You Chuhong knew that her grandson was an unlearned person. The bastard who has no skills to bully men and dominate women, although he deserves to die, it is not someone else's turn to kill her grandson. At this time, Su Chen, guided by Yun Yuzhen, arrived on a large ship. This was the territory of the Jukun Gang. Su Chen thought about it and decided to stay here first. When the time agreed with Sikong Zhaixing and Lu Xiaofeng came, he would go to Si Ma Bridge to meet them.

"Young Master, what is your name?"

Yun Yuzhen asked curiously when he brought Su Chen to a clean room in the cabin.

Yun Yuzhen didn't expect that Su Chen was so powerful. He suddenly disappeared with him in front of everyone. Now Yun Yu is really right Su Chen was very curious.

Su Chen frowned when he looked at Yun Yuzhen and said,

"My name is Su Chen. If you have nothing to do, don't disturb me. I want to take a rest."

"I understand, Mr. Su, just have a good rest."

Yun Yuzhen looked at Su Chen and left. Anyway, Su Chen is already in her Jukun Gang now. She will have plenty of time for Su Chen to stay in the Jukun Gang in the future.

Su Chen was relieved when he saw Yun Yuzhen leaving. In one breath, this woman was too difficult to deal with. If he hadn't known that she was a piece of shit who could do anything alone, Su Chen would have thought that she was just a lady.

Su Chen thought about it and thought that there were still two days left before he could meet Sikong Zhaixinghe. Lu Xiaofeng and the others agreed on a time to meet. Now that she had offended a great master and the Dugu Clan, it would probably be difficult for her to move forward in Luoyang in the future.

Yun Yuzhen returned to her room and hurriedly took a shower and changed her clothes. Yun Yuzhen knew that some of those guards would definitely recognize her. Although Dugu Ce did not kill herself, this matter had nothing to do with her. , people from the Dugu clan will definitely come to question her.

"Huh? That bastard actually killed someone in Dugu Valve? Haha, as long as you are in Luoyang, I, Li Qi, will definitely find you."

Chapter 160

Luoyang City is very lively today. The city guards are looking for people everywhere, and the guards of the Dugu Clan are also looking for people everywhere. The people in Luoyang City also know that someone has killed the young master of the Dugu Clan. This time Luoyang may something big is going to happen.

On the streets of Luoyang City, Lu Xiaofeng and Sikong Zhaixing were speechless looking at the portraits of Su Chen everywhere. They did not expect to find that the Dugu Clan of Luoyang was arresting Su Chen when they first arrived in Luoyang.

Lu Xiaofeng drank and said to Sikong Zhaixing with a smile,

"Haha, Sikong Zhaixing, what did I say? That bastard Su Chen will never be at peace wherever he goes. Now he must be hiding from the Dugu clan in one place."

Sikong Zhaixing shook his head speechlessly. He thought that Lord Wu Xiang was more trouble-making than him. He just stole the property of some wealthy businessmen and officials who were unkind, but Lord Wu Xiang came to Luoyang and provoked the Sui Dynasty. One of the big clans, Dugu clan, is really capable of killing people.

Sikong Zhaixing said to Lu Xiaofeng excitedly,

"This Lord Wu Xiang is too capable of causing trouble. I heard that he is only in the Xiantian realm now. How dare he provoke the Dugu Clan even though he is in the Xiantian realm? You Chuhong from the Dugu Clan is a master at the pinnacle of masters. Su Chen will be in great trouble if he is caught by the Dugu Clan."

Lu Xiaofeng thought about it and it was right. If the Dugu Clan captured Su Chen, they would not dare to do anything to Su Chen after knowing his identity. As long as the Dugu Clan did not want to be exterminated, they would definitely release Su Chen safe and sound.

Lu Xiaofeng now suspected that Su Chen, that bastard, must be with a beautiful woman. Su Chen was very capable of provoking women.

Lu Xiaofeng thought of the beauties around Su Chen, all of them were peerless beauties, and even some ruthless beauties were also with Su Chen. She looks like a kitten in front of her. Lu Xiaofeng admires Su Chen very much for this.

"Is the Su Chen you are talking about the one who was arrested by the Dugu clan?"

At this time, a woman wearing a bamboo hat suddenly appeared in front of Lu Xiaofeng and Sikong Zhaixing. Her cold voice made Lu Xiaofeng and Sikong Zhaixing feel a little cold in their bodies.

Li Qi also accidentally discovered that these two masters appeared in front of them. From Luoyang, she originally didn't want to pay attention to these two little masters, but she didn't expect that what they said turned out to be the person arrested by the Dugu clan.

Li Qi thought that these two people must be friends of that bastard, but now Li Qi can't find that person Su Chen, she won't let Su Chen's friends go now.

"No, we don't know Su Chen. We were talking nonsense just now, just chatting."

"Yes, we were just chatting casually. We didn't know Su Chen."

Lu Xiaofeng and Sikong Zhaixing now want to curse that bastard Su Chen to death. This woman is someone they can't afford to mess with.

And now it is obvious that this powerful woman is also looking for Su Chen. Lu Xiaofeng and Sikong Zhaixing I don't know if this powerful woman is a friend or an enemy. They won't talk nonsense.

"Do you think I will believe you? Tell me where is Su Chen? Otherwise I will make your life worse than death"

"That girl, were you abandoned by that bastard Suchen?"

Bang!"

When Li Qi heard Sikong Zhaixing's question, he directly knocked Sikong Zhaixing away with one palm. Sikong Zhaixing was knocked away without even a chance to react and fell to the ground unable to get up.

Upon seeing this, Lu Xiaofeng He wanted to take action against this woman, but just as he was about to take action, he was kicked away by the woman.

Lu Xiaofeng fell to the ground and was a little unbelievable. He could even survive a few moves from the Grand Master, but this time he was killed instantly.

This It's better that this woman didn't want to kill him and Sikong Zhaixing, otherwise they would have been killed just now.

Lu Xiaofeng will now kill that bastard Su Chen, and let herself and Sikong Zhaixing bear the debt of that bastard's romance. If Su That bastard Chen is here, and Lu Xiaofeng is going to blackmail Su Chen severely.

Lu Xiaofeng looked at this woman with extremely high martial arts skills and asked with some fear,

"Who are you?"

When Li Qi heard Lu Xiaofeng ask her, she thought about it and said,

"who I am? You can call me Shi Guanyin. Lu

Xiaofeng looked at Shi Guanyin in surprise and blurted out,

"Shi Guanyin? Are you the female devil in the desert?"

Lu Xiaofeng now wants to kill that bastard Su Chen. This Shi Guanyin was the devil girl decades ago. She later lived in seclusion in the desert and did not appear in the Central Plains for decades. How did that bastard Su Chen provoke this devil girl?

"Guanyin didn't expect that someone still knew her name, which made Shi Guanyin a little happy. If she hadn't been hiding from the perverted woman Jellyfish Yinji, she wouldn't have been living in seclusion in the desert.

"Haha, yes, I am that female devil, Lu Xiaofeng, I have heard of you, but I never thought that you are a master at such a young age, and will become a great master in the future. Now tell me where Su Chen is, otherwise you and your thief friend is going to die here."

Lu Xiaofeng felt a little helpless when she looked at this powerful Shi Guanyin. This Shi Guanyin should be a master of the Heavenly Realm. He and Sikong Zhaixing might not be able to escape even if they want to.

"We don't know where Su Chen is. You have to believe us. Look, Sikong Zhaixing and I have just arrived in Luoyang. If we knew where Su Chen was, we would definitely look for him."

Shi Guanyin and Li Qi looked at them and felt that they had not seen that bastard Su Chen. She also had no intention of letting Lu Xiaofeng and Sikong Zhaixing go. They had caught that bastard Su Chen's bait by themselves. This time Let's see if that bastard dares to show up.

"Yes, but you must stay with me, or you will die. After I find Su Chen, you can leave. You must not act clever in front of me. Lu Xiaofeng, since you know Wu, I should know my temper. If you want to die quickly, I will be very happy to make it happen."

"You know, you know, we won't mess around." Lu Xiaofeng helped Sikong Zhaixing up and nodded hurriedly.

Lu Xiaofeng and Sikong Zhaixing would not dare to mess around in Shi Guanyin's hands. This moody and murderous Shi Guanyin is not something they can provoke.

Lu Xiaofeng and the others don't have it now. After figuring out the relationship between Shi Guanyin and Su Chen, Lu Xiaofeng thought that if this Shi Guanyin was Su Chen's woman, it would be okay for him and Sikong Zhaixing to be slightly injured. If this Shi Guanyin was Su Chen's enemy, then they might have to give Su Chen Yun Yuzhen was buried with Su Chen.

Jukun Gang

Su Chen was now like a young master. Yun Yuzhen now arranged everything for Su Chen properly. Yun Yuzhen even served Su Chen beside him during meals.

At first, Su Chen didn't want to have more contact with this rotten woman, but he accidentally discovered that Yun Yuzhen was still in perfect condition, which surprised Su Chen. Su Chen later thought about it since this was a mixed martial arts world, and maybe Yun Yuzhen was still intact. She has not become that woman who can do anything for her. Maybe the last time he saved her also changed what will happen in the future. After Su Chen knew that Yun Yuzhen was still a perfect woman, he no longer rejected her.

"Sir, is the water temperature suitable?"

Su Chen said as he lay on the chair and looked at the maid washing his feet,

"Well, it's okay, Yunzhi, where is your lady? Why haven't I seen anyone this afternoon?"

Yunzhi looked at this somewhat unruly Su Chen with a blush. She had been molested by this Su Chen all day long. When Yunzhi thought of what Su Chen said, she blushed so much that she did not dare to look at Su Chen.

"The lady said in the afternoon that the gang had something to arrange, and she might come over later."

"Oh, forget it, I'm leaving tomorrow. I'll talk to Yun Yuzhen tonight."

"Young master wants to leave? What about the young lady?"

"What do you mean? You ladies and I are innocent. You little girl, please don't talk nonsense."
