Chapter 1531

Su Chen was a little worried now.

On the 8,000th floor, his women, enemies, and even some passers-by appeared. He was now worried that a little fox would appear on the 8,999th floor.

The little fox is a cultivator who has transcended the tribulation realm.

Su Chen will definitely not be a match for the little fox now.

The phantom Suru saw that Su Chen dared to ignore her, which made her very angry, "Su Chen, you dare to ignore me before you die, you really deserve to die."

Su Chen coughed in embarrassment after regaining consciousness. , suddenly,

Su Chen thought that these illusions were the same as real people, and their thoughts seemed to be the same, but they were transformed by the ladder to defeat themselves.

Since these illusions have certain thoughts, can we follow the illusions?

Su Chen was also worried that the little fox would appear on the last level, so he decided to try it with the phantom Suru.

"Ahem, Suru, if I recognized you as my sister, wouldn't you take action against me?"

"What?"

Illusion Suru was confused when she heard Su Chen's words.

How could Su Chen agree to be her brother?

This made her not sure what to do.

Su Chen looked at the stunned Suru and continued to ask, "I said I recognize you as my sister, do you still want to kill me?"

"this....."

"Um?"

Su Chen saw the change in Suru and felt that there was a way.

The test of the Eight Thousand Layers should not only be about killing or catching, but also about using some people's ideas to deal with him.

If he followed the wishes of these people,

Maybe he can pass the test?

Even if he can't pass the test, it won't have any impact on him

"If you still want to deceive me, you are seeking death!"

Boom!

I'm going!

Isn't this possible?

Su Chen hurriedly avoided it and thought helplessly.

It seems that this is not feasible at all, but that's right.

If it could be like this, his women wouldn't kill him one by one.

Su Chen immediately took action against Suru.

The distracted Suru was no match for him.

After a while,

Su Chen tied up Suru.

He looked at Suru and shook his head.

Now Suru was tied up by Su Chen very seductively, her bulging figure was exposed, and even Suru's plump body made him very embarrassed to look at it.

Sin!

Sin!

Su Chen didn't want to tie Suru up like this. , but Suru, a beautiful woman, kept struggling, and he tied it up as it was tied.

Su Chen looked at the 8999th floor and said worriedly,

"It's the last level, who will be waiting for me? Amitabha....Bah, bah, bah, God bless you, don't be a little fox."

Boom!

After Su Chen disappeared, he stepped onto the eight thousand and ninety-ninth floor.

"Su Chen, I have been waiting for you for a long time."

Su Chen heard a familiar voice as soon as he came up.

He looked over and exclaimed,

"Damn it, Guanyin ladies."

Su Chen didn't expect that the little fox would not appear on the last floor, but the Guanyin Bodhisattva would appear.

This made Su Chen really speechless.

Is there any difference between the little fox and the Guanyin Bodhisattva?

They are both immortal cultivators in the Tribulation Realm.

Su Chen was no match for any of them.

When the Phantom Guanyin Bodhisattva heard Su Chen's words, he shouted coldly,

"Guanyin ladies? Su Chen, you really deserve to die!"

Su Chen hurriedly put forward his words and said incoherently, "Misunderstanding, Guanyin Bodhisattva, how are you recently? How was the meal? How did you sleep? Have you ever thought of me being handsome?"

"Shameless bastard, he still dares to spend his time before death." Guanyin Bodhisattva looked at Su Chen with an ugly expression and shouted,

Boom!

I'm here!"

When Su Chen saw Guanyin Bodhisattva, he hurriedly avoided it. He didn't dare to be careless about this Guanyin Bodhisattva.

"It depends on how many times you can escape the small void realm."

Su Chen looked at Guanyin Bodhisattva and threatened, "Guanyin ladies, don't let me catch you, or you will be more beautiful."

"court death!"

Boom boom boom.....

On the 8999th floor, the place was constantly bombarded by Guanyin Bodhisattva, and Su Chen had been using his spatial powers to avoid Guanyin Bodhisattva's attacks.

"Space prison!"

Bang!

Boom!

Su Chen looked at the spatial prison being instantly shattered by Guanyin Bodhisattva.

This made Su Chen twitch his mouth fiercely.

"Damn it, the space prison was shattered instantly. This old woman is so powerful."

"Space prison!"

After Su Chen used the space prison again, he got into it by himself.

He couldn't defeat Guanyin Bodhisattva.

Could it be that he couldn't hide from Guanyin Bodhisattva?

"Huh? Where's that bastard?"

The phantom Guanyin Bodhisattva saw Su Chen suddenly disappearing, which made her carefully check the surroundings.

Su Chen looked at the Guanyin Bodhisattva who was checking the surroundings in the space prison, and he lowered his head and looked at the green warbler in his arms. road,

"Su Ying, have you recovered? Now, brother, I am in trouble. If you don't wake up, brother, I will be eliminated from the ladder this time."

Boom boom boom.....

I'll do it!

That old bitch is really crazy.

Su Chen heard the roar outside the space, and he saw Guanyin Bodhisattva bombarding the surroundings randomly. Guanyin Bodhisattva was trying to force himself out! bump!

Su Chen suddenly appeared and kicked Guanyin Bodhisattva on the back.

He quickly teleported to the space prison in an instant.

Su Chen could only harass Guanyin Bodhisattva now, otherwise the space prison would definitely be occupied by Guanyin Bodhisattva again. break

"Damn it, Su Chen, I will cut you into pieces when I catch you."

Whoosh!

Uh!

When Su Chen was about to attack Guanyin Bodhisattva again,

Su Chen didn't expect that he would be pressed to the ground by Guanyin Bodhisattva's powerful momentum just after he came out of the space prison.

This made Su Chen see a livid face. Guanyin Bodhisattva hurriedly said,

"Guanyin Bodhisattva, I surrender. I came out this time to surrender."

Guanyin Bodhisattva walked to Su Chen and squatted down.

She reached out and touched Su Chen's face and said coldly,

"Su Chen, you really impressed me. I didn't expect you to know the laws of space."

"I don't even want to kill you now. You are too much of a threat to our Buddhist sect. If you grow up in the future, our Buddhist sect will probably be destroyed in your hands."

Su Chen saw Guanyin Bodhisattva touching his face and shouted, "I'm going, Guanyin Bodhisattva, you actually molested me?"

"Teasing you? Touch your face? Is this teasing?"

Guanyin Bodhisattva was stunned when she heard Su Chen's words.

She touched Su Chen's face again and asked.

Su Chen knew that he was trapped here.

He can't move at all now.

I'm afraid he won't be able to face this test. We were about to climb to the top.

Su Chen didn't care anymore.

He looked at Guanyin Bodhisattva and cursed, "Old ladies, isn't this teasing? Do you miss a man?"

"So what if it's teasing? Can't I tease you? Want a man? Hahaha, do you think I will miss men?"

Chapter 1532

Illusion Guanyin Bodhisattva smiled disdainfully at Su Chen, this damn bastard, wants a man?

Does she miss men?

She is a Buddha, and she is also the famous Guanyin Bodhisattva in Buddhism. How could she miss a man?

She slowly raised her hand and was about to kill Su Chen with one palm.

Su Chen saw that Guanyin Bodhisattva was about to kill him.

He knew that the matter was beyond control and it was over!

The 8999th floor is the most difficult level he has ever encountered.

A cultivator who has transcended the tribulation realm, he cannot defeat him no matter what. If he escapes, there is still a chance, but on the steps of the ladder to heaven Can you escape?

Choo Choo Choo! boom!

Suddenly, the black bird in Su Chen's body came out of Su Chen's body. The huge black bird grabbed Guanyin Bodhisattva with its claws and threw it out.

Choo Choo Choo!

The black bird did not stop attacking.

After Guanyin Bodhisattva was thrown away, the black bird continued to sing.

When Guanyin Bodhisattva angrily returned to kill the black bird, time suddenly froze. The black bird appeared next to Guanyin Bodhisattva again and tore the body of Guanyin Bodhisattva with its claws.

Holy shit!

The law of time?

Xuanniao actually knows the law of time.

Damn it,

Xuanniao is too outrageous.

Space is king! Time is of the essence!

The Law of Time is very powerful.

Su Chen thought about the seeds of the Law of Time that he had obtained, and decided to practice hard after returning this time.

Choo Choo Choo!

Xuanniao keeps using the law of time to stop time.

Although Guanyin Bodhisattva is powerful, there is nothing she can do against Xuanniao.

She has so much power now that she cannot use it.

Every time she wants to take action, time will stop, and she will be inexplicably captured. The black bird attacks.

Su Chen saw that Guanyin Bodhisattva's dress was torn by black birds, and even the white and tender skin was scratched with blood.

Su Chen laughed and mocked

"Haha, Guanyin Bodhisattva, you are going to lose your money

"Bastard, I will definitely kill you."

When Guanyin Bodhisattva heard Su Chen's words, she tightened her dress. She looked at Su Chen and said angrily and threateningly.

Su Chen looked at Guanyin Bodhisattva's tattered dress, and he actually discovered Guanyin Bodhisattva's underwear. It was also exposed, and Guanyin Bodhisattva's underwear was actually pink.

This surprised Su Chen.

Su Chen touched his chin and teased,

"Guanyin Bodhisattva, you are an old woman who actually likes pink underwear. You are also a sultry woman."

When Guanyin Bodhisattva heard Su Chen's teasing words, she could no longer maintain her solemn and steady demeanor. She waved her palm and slapped Su Chen hard.

"Ahhhh, I'm going to kill you, I'm going to kill you."

Choo Choo Choo!

"Space moves!"

"Space cutting!"

After Su Chen launched the time stop function, he also launched a space attack. This was an opportunity to beat the Guanyin Bodhisattva. Although this Guanyin Bodhisattva was not real, it did not prevent Su Chen from beating the drowned dog. I'm afraid he would be hard-pressed in the future. Encountered such an opportunity.

Guanyin Bodhisattva was stunned for a moment.

The law of time!

The law of space!

These two powerful laws attacked her and she had no way to fight back.

After Guanyin Bodhisattva broke free from the control of stopping time, she wanted to fight against Xuanniao or When Su Chen attacks, Su Chen's bastard will move the black bird to other places, and that bastard will disappear completely.

As for Su Chen's space law attack, when the time of the black bird is stopped,

Guanyin Bodhisattva will attack Su Chen and Xuanniao had no idea at all.

Su Chen looked at Guanyin Bodhisattva's embarrassed look and teased with a smile,

"Guanyin Bodhisattva, you are in a very embarrassed state today. By the way, you even have a birthmark on your back, a rose birthmark. I am afraid that I am the only one who has discovered this on your body."

Guanyin Bodhisattva glared at Su Chen fiercely, and she gathered her magic power and shouted fiercely,

"Ah ah ah, Su Chen, I will never let you go in the future. You shameless bastard, just wait for my revenge in the future."

"I guess, no, this old bitch is going to blow herself up."

When Su Chen saw the powerful aura gathered by Guanyin Bodhisattva, he hurriedly moved over and the black bird escaped into the space prison.

Boom boom boom.....

Cough cough cough cough....

Su Chen fell out of the space prison and vomited blood and fell to the ground. He did not expect how powerful Guanyin Bodhisattva's self-destruction would be. Fortunately, he took back the black bird, otherwise the black bird would have been severely damaged.

"Damn it, how are we going to climb the ladder from now on?"

Su Chen checked his body and felt very helpless.

This was the most serious injury he had ever suffered.

He had not recovered yet after eating Zhu Guo.

Su Chen knew that the injury was too serious this time. Without Zhu Guo, he would not be able to recover now. It was impossible to even stand up.

Su Chen touched Qingying in his arms and said happily,

"Su Ying, you are so lucky. I didn't blow myself up with my back to Guanyin Bodhisattva. I'm afraid you will suffer too."

Su Chen wiped the blood from the corner of his mouth and looked around. I am afraid that the phantom Guanyin Bodhisattva has been taken back by the ladder. Not even a piece of clothing is left here.

But!

Is the rose birthmark on Guanyin Bodhisattva real? ? Guanyin Bodhisattva doesn't really have a rose birthmark on his body, right?

Su Chen shook his head and stopped thinking about it.

He didn't dare to say this when he met Guanyin Bodhisattva. If Guanyin Bodhisattva became angry from shame, the real Guanyin Bodhisattva is much scarier than the Guanyin Bodhisattva in the fantasy world.

Boom!

On the nine thousand floor,

Su Chen climbed up and looked around.

There were no reward items here, so

Su Chen sat down first.

The reward items would only come later. It's impossible, and he's not in a hurry to get the reward items.

"Trialist, you are the first human being to climb the nine thousand floors. You really impress me."

Su Chen was sitting on the ground and heard the words of the holy weapon.

He was very confused.

He was the first person to climb to the nine thousand floors, but how is this possible?

There are many people stronger than him.

Could it be that those people are all Didn't climb to the nine thousandth floor?

Su Chen thought for a while and asked the Holy Artifact, "Holy Artifact, are there many people climbing the ladder to heaven?"

"Many, thousands of people have climbed for countless years, but the highest climber also failed at the 8999th floor. For countless years, you are the first human being to climb to the 9000th floor. Su

Chen continued to ask in confusion, "No, Holy Artifact, it's impossible for those immortals to not be able to climb the nine thousand floors, right?"

Saint Qi explained when he heard Su Chen's doubts,

"You are wrong, Trialist"

"The first 10,000 floors are prepared for trialists below the fairyland, and the last 10,000 floors are prepared for trialists above the fairyland."

"For countless years, those who have not become immortals have not climbed to the nine thousand levels. After they become immortal queens, they have lost the opportunity to continue climbing the ten thousand levels."

Chapter 1533

When Su Chen heard the words of the holy weapon, he looked at the ladder above, oh my god!

Ten thousand floors?

Is this still the 10,000th level of the Immortal Realm?

There are ten thousand floors above the fairyland behind.

Su Chen was speechless about this ladder.

This ladder was definitely not a ladder in a fantasy world. There could not even be such a ladder in the prehistoric world.

What is the origin of this ladder?

Going down to the next 10,000 floors and up to the 10,000 floors, what level of strength is needed to get to the top of the 10,000 floors? saint?

Or is it a level above that of a saint?

Su Chen chatted with the Holy Artifact while recovering from his injuries, "Holy Artifact, who on the 8999th floor failed there?"

"There are many, I don't remember, but the owner of the Ghost Face Mask and the Sky-Swallowing Jar you got, she failed on the 8999th floor"

"What? The empress actually failed on the 8999th floor? How can this be?"

Su Chen heard that the ruthless empress also appeared on the ladder and failed on the 8999th level.

This made him very incredible.

The empress was the most talented and powerful woman in her life. She How could it be possible for the empress to fail on the 8999th floor?

Even if the empress encounters Wu Shi on this 8999th floor, it is impossible for her to fail. What is the reason for the failure of the empress?

The voice of the holy instrument transmits Came over and explained,

"Nothing is impossible. The 8999th level is the most powerful existence in everyone's mind."

"The Empress met a young man on the 8999th floor. The Empress did not resist and was killed by the young man."

"The empress had the best chance of climbing the nine thousand floors, but she was not as smart as you. When facing her relatives, she did not grab and tie them up like you, but was killed without resisting. This was also the reason for the empress' failure."

Su Chen understood what the holy weapon said when he heard it, boy?

That phantom boy should be the empress's brother,

【Not to become an immortal, just to wait for your return in the world of mortals! 】

The Empress's brother is probably the Empress's only weakness

"Sacred weapon, then why does the Empress' treasure appear in the ladder?"

"All the treasures here are now ownerless. The Ghostface Mask and the Sky-Swallowing Magic Jar were lost or abandoned by the Empress. As long as they are ownerless treasures, they will randomly appear here."

"Unowned treasures appearing randomly?"

"Nice, random."

Su Chen was very shocked when he looked at the ladder to heaven.

This ladder may be more powerful than he imagined. There should be Hongmeng World above the ancient world. Could it be that the ladder comes from Hongmeng World?

"Trialist, you can choose three treasures in the Nine Thousand Layers. What treasures do you need?"

"three item? What else do I have to choose from?"

"Of course, this is your reward for being the first to appear on the 9,000th floor, but you can only choose treasures below the fairyland."

"....."

Su Chen's face turned dark when he heard the words of the holy weapon.

He originally wanted to choose some innate treasures, but now everything is impossible.

"Holy weapon, are there any exercises suitable for me to practice?"

Su Chen suddenly thought that he didn't have a suitable practice method yet. Although he had the laws of space and the law of time that he would practice in the future, the exercises were still indispensable.

"Yes, you possess the aura of the Human Emperor. Here is the humanistic Bible cultivated by the Human Emperor, but you can only get the first four levels."

"The Human Emperor's Bible is divided into sixteen layers, the last three layers have been lost, and now there are only thirteen layers"

"The first level can condense the energy of the Human Emperor. After practicing the second level, you can condense the totem of the Human Emperor's destiny. If you successfully practice the third level, you can reach the realm of transcending tribulation. The fourth level can be reborn and become an immortal."

"The other nine levels correspond to each realm of the fairyland, Earth Immortal, Heavenly Immortal, Xuanxuan, Golden Immortal, Taiyi Golden Immortal, Daluo Golden Immortal, Quasi-Sage, Saint, and Heavenly Dao!"

Holy crap!

How can the Bible of Humanity be so awesome that it can be cultivated to the level of Heavenly Dao?

The last three levels are still missing.

Who the hell?

Who created the Bible of Humanity?

Su Chen's heart was tumbling now. , "Holy vessel, the first treasure is the first four layers of the Humane Bible."

"Can!"

Whoosh!

A jade slip appeared in Su Chen's hand in an instant.

Su Chen checked it and received it in the system space.

Now he has to think about what other treasures he needs. Spirits cannot appear in the world of immortal cultivation. Treasure, ordinary magic weapons are useless to him.

Su Chen suddenly thought of the white lotus seeds given to him by Guanyin Bodhisattva.

He took out the lotus seeds and asked the sacred weapon,

"Holy weapon, can this lotus seed help me grow? This is like asking for a treasure"

"Yes, there is a pot of colorful liquid here. As for whether you can make the lotus seeds grow into the twelfth-grade Pure World White Lotus, it depends on your luck."

Whoosh!

A jade pot suddenly appeared in front of Su Chen. Su Chen looked at the jade pot and put the lotus seeds into it.

Su Chen laughed when he looked at the jade pot.

This time he was going to make a fortune.

The twelfth grade was pure. Shi Bailian, this is the best innate spiritual treasure.

If the lotus seeds fully grow in the future, he will have at least one of the best innate spiritual treasures in his hand.

Su Chen touched his chin and thought about what to choose for the third treasure.

He had the technique. , and his wives also have skills and magic weapons.

If they want another treasure, it can only be a magic weapon, which is useless to him and his women.

By the way, the little fox?

The tail of the little fox,

The little fox has been looking for her last tail. Su Chen thought about it and wanted to try to get the tail of the little fox.

"Holy weapon, I want a fox tail. You should know whose tail it is, right?"

"The tail of the nine-tailed sky fox Su Daji?"

"good!"

"Nine-tailed fox, alas! A fox tricked by fate, yes, I can give you the last tail of the nine-tailed sky fox Su Daji."

Su Chen was very confused when he heard the words of the holy weapon.

What a trick of fate?

How could the little fox be teased by fate?

Does the nine-tailed sky fox have any secrets?

"Is the holy weapon, the Nine-tailed Sky Fox, Su Daji? What else is being teased by fate?"

"One soul and two points, you will understand this later."

Su Chen was stunned when he heard the words of the holy weapon.

One soul and two parts?

Could it be that the little fox and Su Daji in the Conferred God period were originally the same person? Only when the little fox and Su Daji merged into one did some powerful immortals plot Su Chen thinks it is very possible.

Otherwise, the little fox was under the order of Nuwa Empress. The other immortals would not be able to take action against a little fox just for the sake of Nuwa Empress.

I am afraid there is something in this. Was Nuwa the Empress involved in the shocking plan?

These were not things he could guess now.

Whoosh!

A white fox tail appeared in front of Su Chen.

Su Chen looked ugly when he saw the severed fox tail. The fox may have suffered inhuman torture. All nine tails were cut off. The little fox may have been tricked by fate.

Chapter 1534

Su Chen was very sympathetic to the little fox's experience. Based on these speculations, he would ask the little fox when he returned home in the future, which powerful immortals had dealt with her in the first place? How did she survive from those powerful immortals?

"Trialist, do you want to continue? Su

Chen nodded and replied, "Of course, there are only one thousand floors left. This time I want to climb to the ten thousand floors first."

"Good luck to you then."

Su Chen took back the little fox's tail and smiled and said, "Little fox, I got your tail back this time. If you don't restore the original body for me to see, I won't give up."

Su Chen is very looking forward to the appearance of the little fox, the nine-tailed fox Su Daji!

This is a very beautiful vixen.

Boom!

Come on!

On the 900th floor,

Su Chen almost fell down as soon as he stepped on it. Gravity is too strong.

Here,

Su Chen may not be able to exert half of his strength.

Huh?

Why is there no danger?

Su Chen looked around and found nothing.

This made Su Chen confused.

It is impossible to go above the nine thousand level. There is no danger, but how can there be no danger here? Or is there something hiding nearby, ready to sneak attack you?

Boom boom boom.....

At this time, the 9001st floor suddenly expanded, and the scene suddenly changed. On a mountain, many Jianghu people were fighting with other Jianghu people.

"this.....Why is this so familiar?"Su Chen was very surprised when he saw the scene here. He always felt that he had seen the same scene before, but he couldn't remember it for a while.

At this time, the voice of the holy weapon suddenly came over

"Trialist, here are the scenes you have experienced before. Some are the same and some are different. Now your strength will be completely sealed. There is a scene on the 100th floor. You have to survive in this scene safely. Even if you Clearance."

Su Chen heard that his strength was still to be sealed, and there was a scene on the 100th floor. So he only had to go through ten scenes, but could he survive without the strength?

Su Chen suddenly thought of the gravity here and shouted He said,"The holy weapon also needs to seal the strength? If my strength is sealed, the gravity here will completely crush me. Do you think this is okay?"

"After sealing your strength, even if you are an ordinary person, the gravity here will only suppress you half."

Su Chen's face turned dark when he heard the words of the Holy Artifact.

He has already sealed his strength.

The Holy Artifact won't let go of an ordinary person. I'm afraid he can't even walk in this trial plot. Difficult.

Does this allow him to survive the plot like this?

"Damn it, I am already an ordinary human being, and I have to be suppressed by gravity. I am afraid that I will be out of breath even if I walk here. Holy Artifact, are you really trying to embarrass me on purpose?"

"If you don't want to, you can quit. Trialist, there is a scene on the 100th floor. You will be rewarded after completing a scene. You should consider it."

"I.....I agree!"

Su Chen had no choice.

He quitting now is the same as failure.

Su Chen decided to give it a try.

If it didn't work,

Su Chen decided to find a powerful and beautiful woman to be a pretty girl.

"Remember, you must always participate after the scene starts. You can destroy the plot or even kill the characters in the plot. After the plot is finished, or if you destroy the plot by 50%, you will be considered successful."

"Understood!"

Boom!

Damn it!

Su Chen felt that after his strength was sealed, he felt a little difficult to breathe.

Su Chen is not even as good as an ordinary person now, half?

Su Chen is an ordinary person now, and he has to be suppressed by gravity. Physical strength.

It's his fault.

I'm afraid even the patients are not as miserable as him.

"who?"

While Su Chen was walking hard on the mountain, some Jianghu people with weapons suddenly appeared under the trees in front of them. They quickly stopped Su Chen and shouted.

Su Chen saw several Jianghu people surrounding him.

This Su Chen said hurriedly, "I'll go, I'm a good person, no, I'm just a passerby, I'm just a passerby."

These Jianghu people looked at Su Chen and asked warily,

"Passerby? This is the Bright Summit of the Ming Cult. How could you, an ordinary person, appear here?"

"What? what are you saying? Is this the bright summit of Mingjiao?" Su Chen was very confused when he heard what these people said,

Mingjiao Guangmingding?

This scene is not the plot of the six major sects besieging Guangmingding, right?

"Take him to see the princess"

"good!"

"Leave us, or we will kill you." A Jianghu man pushed Su Chen and shouted,

"oh! OK!"

Su Chen looked at these people and there was nothing he could do.

If Su Chen had exposed some of his momentum before, he could have destroyed these Jianghu people, but now he is an ordinary person.

No, not even as good as an ordinary person.

But at this moment,

The elf princesses Sylph and Mo Yu both quit. In the end, none of them climbed up to the 6,000th floor. It became more and more difficult as they went up. They all quit because they couldn't stand it anymore.

On the ladder,

Su Chen is the only one left. One person, all the women here are looking forward to seeing Su Chen who has reached the nine thousand level.

Zhao Ling'er looked at Su Chen on the ladder and shook his head and said, "That bastard Su Chen is really too perverted. Climbing to the 9,000th floor is something I can't even imagine."

"Yes, there is a huge gap between us and that bastard."

Qian Xueer's expression was also very bad.

The higher the bastard climbed, it showed that the bastard was very powerful. How could she teach that bastard a lesson in the future?

Ning Zhongze suddenly asked the women here, "Yes. Now, how many days have we been here?"

"I don't know, it must have been more than ten days, right?"

"More than ten days? I think it's been a month"

"You can't tell how much time has passed here. I'm afraid we have been here for about twenty days."

"Well, I also feel like it's been about twenty days"

"Time flies really fast. I don't know if my mother will send someone to look for me after I disappear."

"Miss, the Queen probably hasn't returned to the empire yet, and she probably doesn't know you are coming to this ruined place."

The women here started talking one after another after hearing Ning Zhongze's question.

They didn't expect that it would take so long to climb a ladder.

However, their gains were very great, which was comparable to what they had achieved ten years ago. After years of hard training,

Elf Diana whispered beside Sylph, "Princess, we are about to return to the Elf Empire after leaving the ruins. You must not continue to be with Su Chen."

Sylph looked at the elf Diana and said with a smile,

"I know that when we leave the Land of Ruins, we will go back to where we came from. We entered the Land of Ruins in the Western Continent. After leaving the Land of Ruins, we will naturally still be in the Western Continent."

"Yes, I forgot that Su Chen and we are not from the same continent."

Chapter 1535

Although Elf Princess Sylph looked indifferent, she was very sad in her heart.

If the land of ruins ends this time, she will naturally be separated from Su Chen.

She also understands what Elf Diana reminded her just now. The Elf Empire still needs her, and it is impossible for her to leave the Elf Empire and her mother to the east. Mainland China is looking for Su Chen.

Sylph is the sole heir to the Elf Empire. Even if she wants to come to the Eastern Continent to find Su Chen, I'm afraid her mother won't agree.

This time her strength has improved greatly. After returning, she will naturally have to accept the test of the Elf God Tree, and even gradually begin to manage the entire Elf Empire.

Diana looked at Sylph and shook her head. I am afraid that returning to the Elf Empire this time will cause another disturbance. The Elf Princess accidentally lost her virginity, which is a big deal. Diana also does not want the Elf Queen and Su Chen to turn against each other.

Su Chen The potential is too great, and the strength is very strong.

Su Chen's power may not be as powerful as the Elf Empire, but this is probably temporary.

As long as Su Chen is given time, the Eastern Continent will respect Su Chen in the future.

Besides, the identity of this bastard is very mysterious, or maybe this bastard is the heir apparent of a powerful family.

And none of the women here are weak.

Needless to say, these women have a relationship with Su Chenfang. Even if Su Chen does not get together with these women in the future, if Su Chen needs help with something, the women here will Won't stand idly by

"Damn bastard!"

Diana was very helpless when she looked at Su Chen on the ladder.

Even if she wanted to help Su Chen now, she couldn't do anything about it. She couldn't hide the fact that the elf princess lost her virginity. Even if Diana wanted to hide it, I couldn't.

"Look, why did Su Chen disappear from the nine thousand steps? Nothing will happen to him, right?"

At this time,

Mo Yu suddenly yelled.

Mo Yu had been paying attention to Su Chen. When Su Chen climbed to the 9001st floor, Su Chen just froze for a moment and then suddenly disappeared. This made her dissatisfied with Su Chen. is very worried

"this.....Will something happen to Su Chen?"Zhao Ling'er stood up in a hurry and said worriedly.

Isabella shook her head and said speculatively,"Impossible. It is impossible for anything to happen on the ladder. What kind of test might Su Chen have experienced on the nine thousand floors?"

"But what if it disappears like this?"

Xiao Xun'er looked at the ladder with a worried look. She was really worried that something would happen to Su Chen. If something happened to Su Chen on the ladder, she didn't know how to get to the ladder to rescue that bastard.

"No, nothing will happen to the master"

"I also believe that nothing will happen to the young master."

Although Ning Zhongze and Qingniao looked worried, they thought of Su Chen's strength and powerful abilities, and they did not believe that something would happen to Su Chen on the ladder.

"It's best if that bastard is dead."

Qian Xue'er looked at the ladder and said firmly with her fists.

Although she said it nonchalantly, her nervous look made others shake their heads.

Sylph looked at the ladder and guessed,

"Su Chen should be undergoing some kind of test. We don't know about the Tianglai, but if something happens to Su Chen or fails, the Tiangi will definitely send Su Chen back, so we don't have to worry too much. Elf

Diana nodded and agreed with Sylph, "That should be the case. Let's just wait here for that bastard.""

The female ghosts next to them also stood up and looked at the ladder one by one. They were all worried that something would happen to Su Chen. If something happened to Su Chen, they, the female ghosts, would probably be helpless again.

Boom!

"I didn't expect that this is the real place of ruins, haha.....! "

At this time, a man in black suddenly appeared here. He laughed when he saw the endless ladder.

"court death!"

Boom!

Isabella saw someone disturbing them, which made her angry and directly hit the man in black.

Boom boom boom.....

The female ghosts also took action one after another, attacking the man in black who suddenly broke in.

This was their territory, and Su Chen didn't know whether he was alive or dead. This time someone came to make them vent their anger, and they would not miss it. Chance.

The man in black was stunned.

He didn't expect that there were people here, and they were all very powerful. This made it impossible for him to avoid these powerful attacks. The man in black was instantly attacked and vomited blood and fell to the ground.

Isabella is a powerful person in the Holy Earth Dharma God (Fusion Realm) realm, and the black-clothed man is in the Distraction Realm. If she strikes with all her strength, she can destroy this man in black.

"This is.....This is Xiao Huohuo's ancestor. He didn't expect that they would also enter the ruins."Xiao Xun'er said in surprise when he saw the person coming clearly,

"Xiao Huohuo? Is he the one who hated Su Chen before?"Sylph asked after hearing Xiao Xun'er's words,

"good!"

Qingniao looked at Xiao Tian and said seriously, "Xiao Huohuo hates the young master very much. We can't let this person go."

Mo Yu stood up and shouted coldly, "Then kill him. With a small distraction, we can kill him with the many people here."

Sylph said to the girls with a cold and arrogant face,

"Kill it. No one else can know here. Su Chen is alive and dead now. We have to guard the ladder here. Before Su Chen returns, no one else can climb the ladder."

Boom!

When Isabella and Nie Xiaoqian heard the words of the girls, they attacked Xiao Tian with all their strength.

Xiao Tian was very surprised when he heard the conversation of the women here.

He did not expect the women he met in the ruins forest. They are all here, and each of these women is very powerful, and some women are even stronger than him. When

Xiao Tian heard that the women wanted to kill him, he hurriedly begged for mercy, and even wanted to tell these women There are demonic cultivators in our ruined palace.

"No, I am the ancestor of the Xiao family. You cannot kill me. There are demons outside.....Ah!"

But before he finished speaking,

Isabella and Nie Xiaoqian attacked him at the same time, and Xiao Tian died here inexplicably.

"What was he going to say? What's the devil out there?" Isabella asked suspiciously when she saw Xiao Tian who was attacked and killed and looked like a human being.

Mo Yu shook his head and guessed,

"I don't know. Are there other people in the ruins palace? magic? What's this? Warcraft? Or Mo Xiu?"

"How about we send some people out to take a look? Qian Xue'er looked at the other women around and said curiously.

Xiao Xun'er shook her head and objected, "No, our top priority is to stay here. If there are outsiders, they will definitely find us here." Just wait and see under the ladder to heaven"

"Well, protecting Su Chen here is the top priority." The elf princess Sylph also nodded hurriedly.

"Nie Xiaoqian, let someone search Xiao Tian's Najie to see if Xiao Tian has found any treasures."

"Yes, ma'am."

Chapter 1536

In the ruins palace, the Demon Lord had already seized Xiao Huohuo's body.

He was very satisfied when he saw Xiao Huohuo's body. He had a very young body and his foundation was very good.

"This is.....Damn it, this kid actually practices fighting spirit?"

"damn it!"

"No wonder his strength has reached the realm of distraction, damn bastard, how could this kid be a Dou Qi practitioner?"

Zun Mo was very angry with a gloomy face.

He was an immortal cultivator in the Cave Void Realm, and now he has turned into a Dou Qi cultivator at the peak of the Fighting Saint (Dividing God Realm).

Dou Qi cultivators are incompatible with immortal cultivators and are powerful. The immortal cultivator turned into a fighting spirit cultivator, which made the Demon Lord want to die. This can't be done like this, this boy's soul has not been wiped out yet, as long as he finds a young immortal cultivator to take over again, his own strength may be able to Recovery.

By the way!

There is a young man here, and he must be found immediately.

Otherwise, if this soul dies in a while, he will not be able to seize it again.

In a side hall, the butterfly demon is now looking around the palace Look, that Demon Lord is stronger than her.

She is no match for the Demon Lord now, but there is nothing he can do to escape the Demon Lord.

The art of transforming into a butterfly is a magical way to escape, and the butterfly demon is also avoiding the Demon Lord now. , while wanting to see if there are any good treasures in this ruined palace.

At this moment,

Tang Hao and Tang Shan were hiding in this palace.

Tang Hao checked the surroundings and said seriously to Tang Shan,"Xiao Shan, if that demon is Zun found us, I will hold him, you must escape, and you must find your mother"

"Father?"

Tang Shan shouted in shock when he heard Tang Hao's words.

Tang Hao patted Tang Shan's shoulder with one hand and said,

"Listen, we are no match for that demon, and I am useless. From now on, I have to rely on you. Your mother is a blue grass, a shining grass. You must find your mother in the future. Tang

Shan nodded heavily with red eyes and replied, "Yes, I understand, father."

"Okay, this is a good boy"

"Father, let's look for an exit here. If there is an exit here, we can escape."

"Well, let's look for it."

At this time, on the ladder to heaven,

Su Chen was drinking wine and watching the six major sects besieging Guangmingding. The six major sects had already attacked the main hall of Guangmingding. Many masters of Mingjiao were slumped on the ground and looked at them angrily. People from the six major sects.

Su Chen knew that Zhang Wuji, the idiot, was going to stand up soon.

However, this version of Yitian's plot was thankfully different from what he had encountered in Zongwu's world, and the heroine and supporting actresses were not the same. Individual, otherwise Su Chen would be in trouble.

At this time, a woman dressed as a man holding a folding fan smiled at Su Chen and said, "Boy, you are very rude. You are eating and drinking here, so you are not afraid." Do I kill you? Su

Chen looked at the strange Zhao Min and smiled and replied, "The princess is a strange woman. I don't think the princess has the same experience as an ordinary person like me."

Zhao Min looked at Su Chen and asked coldly, "Ordinary people?" I'm afraid ordinary people wouldn't be able to earn the same amount of money as you do in your lifetime. Who do you think you are?"

Zhao Min was also very confused about Su Chen.

Su Chen looked like he had an extraordinary background and even had a very noble temperament. How could this person appear in the Bright Summit of the Ming Cult? What is his relationship with the Ming Cult?

This made Zhao Min It's puzzling

"Ahem, merchant, I'm just a businessman"

"Edit, keep editing"

"Princess, look, I look sick and depressed. Do I look like a bad person?"

"Humph, if it weren't for the fact that you have no martial arts skills and even look weak, I would have killed you long ago."

"Look, the show has begun."

Su Chen reminded him hurriedly when he saw Zhang Wuji appearing.

He didn't want this girl Zhao Min to ask any more questions. Zhao Min was very cunning. Although this was just a fantasy, to him it was a real world.

Zhao Min Looking at Su Chen, he asked in surprise,"Huh? How do you know the show is about to begin? You seem to know this place very well. Su Chen, what is your identity?"

Su Chen looked at Zhao Min's delicate little face and said nonsense,"Princess, I have a grudge against the Ming Cult. My family property was all shot away by the Ming Cult. This time I just want to see what the Ming Cult does. perishing"

"Yeah?"

"Of course, Princess, if you catch someone from the Ming Cult, I will personally kill them."

"laugh! Su Chen, are you going to kill? Do you want to go under the knife?"

What the hell!

Is this being looked down upon?

But!

I'm afraid he really can't lift a sword weighing more than ten kilograms.

Su Chen lowered his head in depression and drank.

At this moment,

Zhang Wuji was killing everyone, including the six major All the members of the sect were eliminated one by one, and Zhang Wuji's identity was also revealed. Even Qian Kun's Great Teleportation Technique was discovered by people in the Ming Cult.

"It is good to have a good background. Su Chen said silently as he watched Zhang Wuji talking to the Wudang Clan people.

Zhao Min looked at Su Chen and said unhappily, "Good background?" Am I not from a high family?"

Su Chen shook his head and explained,

"That's different. Zhang Wuji's master is Zhang Sanfeng, and he has the Wudang Sect as his backer. His grandfather is the White-browed Eagle King, and he has the Sky Eagle Sect as his backer. His adoptive father is the Golden Retriever Lion King, and he has the Ming Sect as his backer. Do you think Zhang Wuji is a Qi? The son of luck."

Zhao Min felt more and more that this person was not simple. This bastard seemed to know all the things in the world.

She decided that this bastard could not be let go, and she would also check this bastard carefully in the future.

"How do you, bastard, know this? It seems that your identity is not simple."

Su Chen lay next to Zhao Min's ear and whispered with a wicked smile,

"Hey hey hey, princess, there is a cinnabar mole on your chest, but I know it clearly."

Zhao Min slapped the table and yelled angrily, "touch! you.....How did you know? No one can possibly know this. Who are you?"

"You like to eat mutton hotpot and wear white dresses. Your left ear is very sensitive and you like to wear underwear....."

"Shut up!"

Before Su Chen finished speaking,

Zhao Min yelled at Su Chen with a face full of shame and anger.

Zhao Min didn't expect that this bastard knew her so well. He even knew some of her preferences, and some of her privacy was also known to this bastard. You know, this made Zhao Min feel incredible when he looked at Su Chen.

A man from the Jianghu area carrying a bow and arrow saluted Zhao Min and said, "Princess, do you want to kill this boy?"

"Don't even get close"

"Yes, Princess.

Zhao Min looked at Su Chen and asked with a cold face, "Who are you?" Why do you know everything about me?"

"Zhao Min, I am your husband. Ahem, I am your husband from the previous life."

"You are talking nonsense, Su Chen, if you dare to talk nonsense again, do you believe that I will cut out your tongue?"

Chapter 1537

Zhao Min glared at Su Chen angrily.

This bastard was talking nonsense.

What kind of husband in his previous life?

This bastard is simply looking for death, but how can this bastard know so much about himself? Even those shameful privacy bastards know?

"It's over, Princess, let's go to your Green Willow Villa."

Su Chen saw that Zhang Wuji had settled the grievances between the six major sects.

There is nothing good to see here. Su Chen can't disrupt the situation here. He has no strength now, and he still looks weak.

He won't go. Seeking death.

Now that Su Chen has relied on Zhao Min, it will be easy to deal with the Ming Cult in the future.

Green Willow Villa, and even the big tower where the six major sects are imprisoned in Dadu, these places are Su Chen's best opportunities to make a move

"You actually know about Green Willow Villa?"

"I also know that you will use Shixiang Ruanjin Powder to deal with the six major sects. My little wife, am I right?"

"Damn it, if you keep talking nonsense, I will really kill you." Zhao Min grabbed Su Chen's clothes and threatened him angrily.

Su Chen counted his thumbs and said with a smile, "You are awesome, you are the boss, in the world, my wife is the biggest."

Zhao Min glared at Su Chen and didn't bother to talk to this bastard. She can't fight this bastard now. She's afraid that if she teaches Su Chen a lesson, this bastard will die. It's useless to scold this bastard.

This bastard is so thick-skinned. Like a city wall.

Zhao Min turned around and prepared to leave. It was better for her to be out of sight and out of mind for this bastard. When Su Chen saw Zhao Min leading everyone to leave, he hurriedly shouted, "Hey, wait a minute I, I am not in good health, Zhao Min, find me a horse." When Zhao Min heard Su Chen's shouting, she clenched her fist angrily and ordered loudly, "Give that bastard a horse and take care of him for a while.

"

"Yes, Princess!"

In Green Willow Villa,

Su Chen was lying on the rocking chair as carefree as an old man.

He and Zhao Min had been back from Mingjiao for three days. Su Chen guessed that Zhao Min must have been extremely busy these days. I'm afraid the six major sects have also been busy.

They were all caught by this girl Zhao Min. People from the Ming Cult should be arriving soon.

Bang!

Zhao Min arrived and kicked Su Chen on the rocking chair and shouted,

"Su Chen, are you in charge here?"

Zhao Min didn't expect that in just a few days, her men would obey this bastard's words. Even the two elders Xuan Ming were very polite to Su Chen.

This was beyond Zhao Min's imagination.

Su Chen laughed. He smiled and replied, "No, of course the princess is in charge here."

Zhao Min shouted angrily, "I make the decision?" Why do my people listen to your orders when I make the decision?"

"Ahem, Princess, don't they obey my orders the same as your orders?"

"Same shit! You bastard just needs to be dealt with."

"Princess, I originally wanted to give you a gift, but it seems you don't need it anymore."

"what gift?"

"Do you still want to teach me a lesson?"

"Give it to me quickly, or I'll kill you." Zhao Min drew out her long sword and pointed at Su Chen, threateningly.

Zhao Min also wanted to know what gifts Su Chen would give her. This bastard has given her several very exquisite hairpins in the past few days. I'm afraid this bastard will have a good one this time. A gift.

Su Chen shook his head and took out a red fruit and handed it to Zhao Mindao,

"I'm here, don't kill people easily, it's not cute at all, here you go"

"Fruit?"

Zhao Min looked at the Zhu Guo in his hand and said doubtfully.

Su Chen took a sip of tea and continued,

"You are not even an innate master now. After eating this red fruit, your strength can at least reach the master level, but your potential is too low, otherwise you can become a grand master in one step."

Zhao Min laughed at Su Chen disdainfully,

"Liar, Grandmaster? I'm afraid Zhang Sanfeng of the Wudang Sect is the only great master in this world, and you are a liar."

"Whatever you want, I didn't say you would become a great master. You can only advance to the master level after eating the red fruit."

Zhao Min looked at Su Chen and felt that this bastard was not talking nonsense. Su Chen had given some casual advice to her masters in the past few days, which made them respect him very much.

A person who does not know martial arts. How do you know so much?

Zhao Min is becoming more and more interested in Su Chen

"Su Chen, I believe you this time. If you dare to deceive me, huh, I won't let you go."

Su Chen watched Zhao Min leave with Zhu Guo and shook his head.

Is this world real?

Or is it an illusion?

Su Chen looked into the air and murmured to himself,

"reality? illusory? What is this bastard talking about?" Behind a pillar, Zhao Min whispered suspiciously when she heard Su Chen's strength.

Zhao Min originally wanted to secretly see what Su Chen was going to do, but she didn't expect to hear such words.

She looked at Su Chen and shook her head,

Zhao Min didn't understand what Su Chen said at all.

Illusion?

How could this world be illusory?

One day later, people from the Ming Cult arrived at Green Willow Villa.

In a pavilion,

Zhao Min looked at the person next to him with a proud look on his face. Su Chen, she is now a master master.

She even deceived a super sword technique from Su Chen. Zhao Min's current strength can beat her a hundred times before.

"Miss, Master, the Ming Cult people have arrived."

At this time, one of the Eight Heroes of the Divine Sword came and saluted Zhao Min and Su Chen,

"invite them over"

"Yes, miss!"

"Mingjiao Zhang Wuji led the Mingjiao people to see Miss Zhao."Zhang Wuji came with the Mingjiao masters and clasped his fists at Zhao Min and said,

"Leader Zhang is polite, please sit down."Zhao Min also clasped his fists at Zhang Wuji.

Su Chen looked at Zhang Wuji and no one paid much attention to him.

He also wanted to see if there was a chance to kill these people. If not, he could only wait until Dadu to find a way.

"Who is this?"

After Zhang Wuji took the Ming Cult people to sit down, he looked at Su Chen who was sitting next to him and asked.

Su Chen waved his hands while lying on the rocking chair and said,"I'm a nobody, don't worry about me, I'm just here to show off. sun."

Zhao Min glared at Su Chen and said to Zhang Wuji,

"Don't worry about him. A person who doesn't know when he will die is an eyesore."

Su Chen rolled his eyes when he heard Zhao Min's words.

This girl would say nice things when she was needed, but when she was not needed, she would look down upon him.

Su Chen was too lazy to pay attention to this girl.

Everyone in the Ming Cult After looking at Su Chen, he no longer paid attention to him.

They all saw that Su Chen had no martial arts skills and even seemed to have some physical problems. He looked so weak that he probably wouldn't live long.

"Dear heroes, this is Shaoxing's good wine. Zhao Min would like to toast all the heroes."

Chapter 1538

Zhao Min did not let the people of the Ming Cult pay too much attention to Su Chen. She was also worried that these masters of the Ming Cult would be unfavorable to Su Chen in the future.

Su Chen looked sick.

If this bastard was caught by these Mingjiao masters, he would probably die even if he didn't want to.

Everyone in the Ming Sect looked at the wine glasses, but no one dared to drink.

Zhang Wuji and others saw the Yitian Sword hanging in the pavilion.

The Yitian Sword is the magic weapon of the Emei Sect, how could it appear here?

They all became wary of Zhao Min

"Dear heroes, I respect you as a little girl."

"Come and drink too!"

Zhang Wuji saw that Zhao Min drank first, and he also invited Yang Xiao and the others to drink together.

Zhao Min looked at Mingjiao and stood up with a smile and said, "Drink slowly, heroes. The little girl is too drunk, so she left first."

"Miss Zhao, please!" Everyone in the Ming Cult looked at each other after Zhao Min left. The Green-winged Bat King stood up and grabbed the Yitian Sword and pulled it out.

"It was fake, I thought it was the real Yitian Sword."The Green-winged Bat King looked at the Yitian Sword in his hand and said to everyone,

"What is the taste!"

"What a delicious smell!"

"No, will this be toxic?"

"Let's leave, this Green Willow Villa is too weird."

Other people in Mingjiao have no intention of eating or drinking now. They all stood up and prepared to leave.

"Come on, let's get out of here."Zhang Wuji also felt that this place was very strange. He looked at everyone and waved his hands to give instructions.

Yang Xiao looked at Su Chen who was basking in the sun next to him and asked,"Leader, should we arrest this young man?"

"Take him away, if we are not poisoned, then let him go."

Zhang Wuji looked at Su Chen and nodded.

He just heard that the person here was called Master Su Chen. This young man must have an unusual background.

"Okay, leave it to me."The Green-winged Bat King grabbed Su Chen, Zhang Wuji and the others with just one quick move and left quickly. Su Chen felt like a jerk.

He didn't expect that these people from the Ming Cult would capture him and take him away with them. There was nothing like this in the plot. Ah, did his appearance make everyone in the Mingjiao change their minds?

A quarter of an hour later, in a forest, a large group of people from the Mingjiao were waiting for the arrival of Zhang Wuji.

At this time,

Zhang Wuji and the masters from the Mingjiao arrived quickly one by one.

"See the leader!"

"All brothers, get up and we'll leave here immediately." Zhang Wuji hurriedly waved his hand and ordered,

"not good!"

"we are poisoned"

"Damn it, my limbs are weak now"

"That girl named Zhao really has evil intentions."

At this time, masters such as the Green-winged Bat King, Yang Xiao, White-browed Eagle King, and even Wu Sanren all collapsed on the ground. The

Green-winged Bat King looked at Su Chen and shouted, "Leader, kill this kid. , this boy must be related to the one named Zhao. Yang

Xiao looked at Su Chen and said to Zhang Wuji, "No, leader, first ask for the antidote, and then kill him.""

"Yes, let's ask for the antidote first."

"Boy, hand over the antidote quickly"

"If you don't hand over the antidote, I'll kill you."

"Cut off one of his arms first, and I won't believe he dares to refuse."

The Ming Cult members all shouted at Su Chen, and some even wanted to chop off Su Chen's arms with weapons.

Su Chen was still panting while holding on to a tree.

He had just been killed by a green-winged bat. Wang pulled him away and

Su Chen felt like he was about to die.

Damn it! Suchen remembered this Qiu.

He would never let go of anyone in the Ming Cult, especially the Green Winged Bat King Wei Yixiao. This bastard would not let him go easily. died.

Su Chen coughed and said to everyone in the Ming Cult, "Ahem, I don't have an antidote. I didn't even know you were poisoned.""

"Stop talking nonsense and cut off this kid's arm first. Yang Xiao looked at Su Chen and ordered coldly,

"Yes, Yang Zuoshi.

Yang Buhui suddenly stopped in front of Su Chen and said, "Stop, how could you do this?" This young man looks like he is seriously ill at first glance. How can you deal with a weak scholar?"

"Sir, we cannot deal with a sick patient." Xiao Zhao walked to Zhang Wuji and begged,

"this....."

Zhang Wuji was helpless after hearing what Yang Buhui and Xiao Zhao said.

If he didn't force Su Chen to hand over the antidote, wouldn't it be impossible for Yang Zuozhi and these people to detoxify?

Zhang Wuji was a little overwhelmed for a moment.

"Leader?" Green-winged Bat King Wei Yixiao saw Zhang Wuji's hesitant look and shouted.

Zhang Wuji thought about it and said to everyone in the Ming Cult, "Brothers, I will go to Green Willow Villa to find the antidote. If we can't find the antidote, we will. It's not too late to deal with this person"

"Okay, let's listen to the leader"

"I'll come back as soon as I go."

Su Chen sat down when he saw Zhang Wuji leaving.

This time he was in trouble. He won't be able to watch the fun in the future if he doesn't have the strength. Su Chen now hopes that girl Zhao Min will come to save him soon.

"Sir, have a drink of water!" Yang Buhui handed a water bag to Su Chen and said,

"Thank you very much, girl."

Snapped!

"Still want to drink water? You'll be dead soon." A Mingjiao believer said arrogantly as he knocked the water bag from Su Chen's hand with one hand.

Su Chen wiped the water on his clothes expressionlessly without saying anything.

However,

Su Chen felt very uneasy in his heart. He came from time traveling. Since arriving in Zongwu World, I have never been so embarrassed.

Mingjiao?

Mingjiao has perished, and even gods and Buddhas cannot stop him.

"you...."

"No regrets, come back."

Just when Yang Buhui was about to continue giving Su Chen water,

Yang Xiao stopped Yang Buhui.

"father?"

"return!"

"yes!"

Su Chen leaned against the tree and kept wiping his sweat.

It's really difficult without strength. It would be okay if he was an ordinary person, but now he is not as good as an ordinary person. This is even more difficult.

"kill!"

At this time, a large number of Dayuan soldiers suddenly appeared outside the woods. These soldiers, led by the Eight Heroes of the Arrow, came to kill the Mingjiao believers. When

Monk Peng saw the Dayuan army appearing, he hurriedly ordered, "The five-element flag protects Yang Zuo's envoys and kills these Yuan soldiers."

"yes!"

Hundreds of people from the Five Elements Banner immediately protected Yang Xiao and the others, and at this time, the Eight Heroes of the Divine Arrow also came over with their troops.

"Kill, all the people of the Ming Cult were wiped out."

The boss of Shenjian commanded the army and went towards the Mingjiao. When he found Su Chen in the Mingjiao, he quietly said to the two people next to him, "Fifth and sixth, you guys find a chance to save the young master."

"we know!"

Chapter 1539

In the woods, thousands of troops from Dayuan and the Five Elements Flag of Mingjiao began to fight. The numerically superior army of Dayuan had an advantage from the beginning, especially the archers.

These were a huge threat to the followers of Mingjiao. A burst of volleys killed them. Ming Cult members capable of shooting dozens of people.

The masters of the Ming Cult cannot take action now. They can only watch the Ming Cult members being shot and killed.

"Gathered together, we await the return of the leader." A flag owner of the Five Elements Banner shouted and ordered to the Mingjiao believers.

A Mingjiao believer rushed towards Su Chen with a knife, "Kill that kid. These Dayuan troops must be here to save this kid."

Bang!

" Yang Buhui quickly kicked down the Ming Cult member and shouted, "You can't kill an unarmed person. We Ming Cult are not bandits, how can we kill innocent people indiscriminately?" If you want to kill him, you have to get through me first."

Xiao Zhao also stood next to Yang Buhui and threatened, "Yes, you can't kill innocent people indiscriminately, or I will tell the leader."

Su Chen looked at Yang Buhui and Xiao Zhao unexpectedly.

He did not expect that Yang Buhui and Xiao Zhao would come to save him.

This made Su Chen breathe a sigh of relief.

Otherwise, if he was killed this time, he would not be able to climb the ladder. It's over, this hundred-level plot is over.

"Many thanks to both girls." Su Chen nodded and thanked Yang Buhui and Xiao Zhao,

"No need to thank, we will not let Mingjiao kill innocent people indiscriminately"

"Yes, don't do bad things in the future, otherwise we won't save you in the future."

Yang Buhui and Xiao Zhao looked at Su Chen and said one after another. They couldn't bear it when they saw Su Chen's weak look. These Mingjiao believers wanted to kill a sick man, so they had no choice but to do so. Stop those Mingjiao believers.

Su Chen smiled and said to them, "Good people are rewarded, and you will be rewarded in the future.""

"Stop it all"

"Stop it all!"

At this time,

Zhang Wuji and Zhao Min rushed over one after another, and they both shouted orders to their respective men.

"Su Chen, are you okay?"

After the Dayuan army and Mingjiao stopped fighting, Zhao Min hurriedly walked over to ask when he saw Su Chen.

Su Chen stood up and hugged Zhao Min's shoulders and said weakly, "You can't die yet. If you come too late, I'm afraid. You can only collect the body for me."

Zhao Min slapped Su Chen's hand away and said angrily,

"Is it my fault? Who told you to stay there despite my advice? You ruined all my plans."

"Let someone prepare the carriage. I'm so tired now that I don't even want to walk."

"Why don't you prepare the carriage?" Zhao Min looked at the surrounding troops and hurriedly ordered,

"Yes, miss!"

"Two girls, meet again by fate." Su Chen looked at Yang Buhui and Xiao Zhao and waved his hands.

Zhao Min saw Su Chen talking to Yang Buhui and Xiao Zhao.

She glared at Su Chen and yelled angrily, "Asshole, why don't you go? He looked like he was about to die, but he still dared to mess around with women?"

"I'll do it! What I look like now is a beautiful woman like a flower lying on the bed. Am I lucky enough to enjoy it?"

"Shameless pervert"

"....."

Zhao Min looked at Zhang Wuji next to him and said coldly, "Zhang Wuji, you are lucky this time. If something happens to Su Chen, none of you will be left alive."

After Zhang Wuji detoxified Yang Xiao and the others, his face was expressionless. He said to Zhao Min with an expression on his face, "Miss Zhao, it was you who poisoned me first this time, and we had no choice but to arrest Master Su."

Su Chen looked at the people of the Ming Cult around him, he looked at Zhang Wuji and said with a sneer,

"Zhang Wuji, Mingjiao, I remember this. Today is my most embarrassing day and my most embarrassing day. I will definitely repay you all in the Mingjiao in the future. Yang

Xiao looked at Su Chen and shouted disdainfully, "Sick young master, our Mingjiao is waiting for your revenge.""

"There will come a day, let's go." Su Chen looked at Yang Xiao and shook his head. He pulled Zhao Min onto the prepared carriage.

The carriage left under the protection of thousands of Dayuan troops.

When everyone in the Mingjiao saw the Dayuan troops leaving, they all They all relaxed.

Monk Peng looked at the others and asked, "Who is that kid? I felt chills in my back when I heard his words just now."

The Green Winged Bat King and Yang Xiao all shook their heads.

They didn't know the sick young master Su Chen at all. They only knew the name of this sick young master just when they heard Zhao Min's cry.

Zhang Wuji looked at The carriage leaving said seriously,

"His background must be unusual. Whether it is his clothes or temperament, he is definitely not an ordinary person. When I went to ask for the antidote, Miss Zhao was very nervous about Su Chen. As long as Su Chen was fine, Miss Zhao would do it without saying a word. Give the antidote."

Everyone in the Mingjiao fell silent when they heard Zhang Wuji's words. They all had a premonition that the Mingjiao had offended someone they shouldn't have offended, and they were afraid that they would suffer revenge from that noble young master in the future.

Yang Buhui and Xiao Zhao looked at each other, and they felt that saving Wrong person.

If Su Chen and Mingjiao do the right thing in the future, they will probably be the sinners of Mingjiao.

"Dad, did I do something wrong just now? Yang

Xiao shook his head and replied, "No, if it weren't for you and Xiao Zhao, all of us would have died here.""

The White-browed Eagle King also nodded and said,

"Yes, if Mr. Su is killed here, these Dayuan troops will definitely not give up. The woman named Zhao will not be able to give us the antidote. You and Xiao Zhao are the great saviors of us people."

Other senior leaders of the Mingjiao also nodded one after another.

They all knew that if Yang Buhui and Xiao Zhao hadn't saved Su Chen, they would have really fallen here today.

"Phew, that's good, that's good!" Yang Buhui breathed a sigh of relief after hearing what these people said.

Xiao Zhao also patted her chest and relaxed. She was also afraid of bringing disaster to the Mingjiao and even harming Zhang Wuji.

A month later, Dadu!

This one Over the past month,

Su Chen followed Zhao Min to Shaolin and the Wudang Sect, but he did not show up at any of them.

These places were not places to deal with the six major sects and the Mingjiao. Su Chen also watched everything that happened.

However, after passing by Lu After the incident at Liushan Villa,

Zhao Min became strangers to Zhang Wuji, and he was also very popular in the Wudang Clan. He even captured Yang Buhui and Xiao Zhao back to Dadu.

Su Chen thought that this should be regarded as spoiling some of the plot. ?

Uh!

Although these were all done by Zhao Min, these were also the things he influenced that girl Zhao Min. In a luxurious mansion in

Dadu

"Young Master, when did you let us go?" Xiao Zhao moved her wrist and asked Su Chen.

She just kept massaging Su Chen. Although she didn't want to do it, Zhao Min threatened her. If she didn't do it, she would be sent to the military camp.

Xiao Zhao was afraid She could only become a girl for Su Chen.

Yang Buhui looked at Su Chen and asked, "Yes, you promised to let us go."

Su Chen shook his head and said,

"Don't rush, the time is not up yet, nothing will happen to you. You can move around as you like in this mansion. As long as you don't leave the mansion, no one from the guards here will dare to care about you."

"Report to the young master, there is a letter from the princess."

This matter, a guard came over and saluted and said,

"bring here!"

"yes!"

Su Chen read Zhao Min's letter and laughed,

Wan'an Temple?

Six major sects?

Mingjiao?

It's time to end the plot.

Chapter 1540

Wan'an Temple, today, many masters from the six major sects who besieged Guangmingding of Mingjiao were imprisoned here one after another.

All the masters of the six major sects have been poisoned. They are now worse than ordinary people, and they don't even have the ability to escape.

On the high tower, in a cell, more than ten beautiful nuns were imprisoned here. A beautiful woman in white supported an old nun and said worriedly, "Master, most of us were actually caught." The old

nun looked at it. Looking at the people from other sects around her, she said with a serious face, "Yes, it seems that the Yuan Dynasty court took action against us during the process."

A woman next to her said, "Master, what should we do? People from the six major sects We have all been caught, and it is impossible for us to escape now."

The old nun shook her head and said, "Just adapt to your circumstances, we are all poisoned, and escape is definitely impossible. The Yuan army did not kill us immediately, I'm afraid There is another way."

These are female nuns from the Emei sect.

After the siege of Guangmingding, their Emei sect was attacked on their way back, and even poisoned and escorted to Dadu.

The faces of more than ten female nuns were very bad. They all knew that if they fell into the hands of the Yuan Dynasty, it would be impossible for them to escape.

Besides, this was Dadu, so it was even more impossible for them to escape.

Outside Dadu, in a village in a valley, some Mingjiao believers were fighting with Dayuan's army, and Su Chen also appeared here on horseback.

Su Chen looked at the thousands of people from the Ming Cult who were being surrounded and killed without expression, and he ordered expressionlessly, "Anyone from the Ming Cult who resists will be killed without mercy, and those who surrender will be arrested first."

Su Chen led Zhao When Min's army came to this valley, he wanted to destroy the Mingjiao believers here first.

People like Chang Yuchun and Zhu Yuanzhang appear here in the plot. Now that Su Chen knows the plot, he will not let these people from Mingjiao join Zhang Wuji and others.

"Yes, Master!"

The Eight Heroes of the Divine Arrow immediately saluted Su Chen.

The leader of the Eight Heroes of the Divine Arrow took a bow and arrow and killed a Mingjiao believer.

He then shouted an order to the 5,000 Dayuan army,

"Archers, shoot down these Mingjiao rebels. The young master has an order. If you kill a Mingjiao believer, you will be rewarded with one tael of silver. If you capture a Mingjiao believer alive, you will be rewarded with three taels of silver."

"kill!"

"Kill the fourth team quickly. The young master's reward is ours."

"Charge, Thousand Cavalry, charge us, kill me hard"

"Kill, the reward is ours"

"For one tael of silver, I killed a Mingjiao believer."

When the Dayuan army heard the order of the Eight Heroes of the Divine Arrow, the eyes of the Dayuan army here were all red. They shouted and rushed towards the Mingjiao army.

Su Chen looked at the war here and rode on his horse. After leaving, he will not put himself in danger now. Five thousand Dayuan troops are enough to deal with the Mingjiao believers here. It is impossible for the Mingjiao believers here to escape.

In Su Chen's temporary residence,

Zhao Min was She was very uneasy walking around here.

She didn't expect that after she came back today, that bastard Su Chen ran out again and led her army to encircle and suppress Mingjiao believers. This made Zhao Min very worried about Su Chen's safety.

"Princess, the young master is protected by the Eight Heroes of the Divine Arrow, so nothing will happen to him."

"Yes, Princess, the young master is smart and smart, and he will not risk his life to do dangerous things."

Xuan Ming and Xuan Ming saw Zhao Min walking around uneasily, and they all offered words of comfort.

Xuan Ming and Xuan Ming both respected Su Chen very much now.

Their martial arts have been taught by Su Chen for more than a month, and they have become very powerful. Come on, they are all masters in the late stage of Grandmaster now, and they are one step away from being promoted to the peak Grandmaster level.

If Su Chen can continue to guide them in training,

Xuan Ming and the others will definitely be able to advance to Grand Master in the future,

Grand Grandmaster!

This But even their master has not reached the point where the two elders Xuan Ming are now eager to surrender Su Chen.

An ugly man next to the second elder Xuan Ming is now very confused.

He looked at Zhao Min and felt very strange. He didn't Thinking that Zhao Min would have someone to worry about, and the two elders Xuan Ming also spoke of that young master with great respect.

Who is that young master?

"Princess Princess, are you back?"

At this time,

Su Chen had just returned to the house when he saw Zhao Min walking around in the yard.

When Zhao Min saw Su Chen coming back, he immediately scolded,

"You bastard, you still dare to run around. If you are caught by the Ming Cult again, I will not save you anymore."

"I've met the young master!" Brothers Xuan Ming and A Da saw Su Chen coming and saluted Su Chen one after another.

The ugly man looked at Su Chen and hurriedly followed suit.

"I am measured."

Su Chen waved his hand and sat on the stone chair in the yard.

Zhao Min also sat down and asked Su Chen doubtfully, "What did you do this time? I heard that you mobilized five thousand elite troops. Are you the one who discovered the Ming Cult?"

"good!"

Su Chen took a sip of tea and nodded and said,

"How many Mingjiao troops are there?"

"There are more than a thousand followers of Mingjiao"

"Haha, yes, I was able to kill more than a thousand Mingjiao believers this time, so I can be considered meritorious."

"Brother Xuan Ming, take down that ugly man."

Su Chen rolled his eyes at Zhao Min, and with a serious look on his face, he ordered Mr. Xuan Ming,

"Yes, Master!"

Boom boom boom.....

When the two elders Xuan Ming heard Su Chen's order, they hurriedly took action.

They didn't care why Su Chen wanted to capture Master Ku, but they didn't dare to disobey Su Chen's order.

The ugly man was still shocked that Su Chen had killed thousands of Mingjiao believers, but he hadn't reacted yet. He didn't expect that Su Chen would order Xuan Ming to attack him.

Zhao Min looked at Su Chen and asked doubtfully, "Su Chen, this is my master, Master Ku, why did you let the two elders Xuan Ming arrest him?"

Su Chen looked at the ugly man, shook his head and said,

"Master Ku? Zhao Min, this is not a bitter master, he is Fan Yao, the bright right envoy of the Ming Cult, a big undercover hiding next to your father."

"What? Master Ku is actually Fan Yao, the bright right envoy of the Ming Cult?"

Zhao Min was very surprised when she heard Su Chen's words.

She didn't expect that Master Ku, who taught her martial arts since she was a child, was actually from the Ming Cult, and was even Fan Yao, the bright right envoy of the Ming Cult.

This really didn't occur to her.

Su Chen was here When I entered the house, I saw Fan Yao.

Although Su Chen, the bright right envoy of the Ming Cult, admired him very much,

Su Chen had a grudge against the Ming Cult.

No matter whether the people of the Ming Cult were good or bad, Su Chen would not let him go. To blame I blame Fan Yao for being too stupid.

"Min girl, if it weren't for me, you would definitely fall into Fan Yao's hands in the future."
