Chapter 1541

Zhao Min rolled her eyes at this bastard when she heard Su Chen's words.

However, she also knew that if Fan Yao got in touch with people from the Ming Cult in the future, she might really fall into Fan Yao's hands.

"Su Chen, what is your identity? Why do you know all these secret things?"

"Haha, Zhao Min, you will know this later"

"Can't you tell me now?"

"cannot!"

"You bastard!"

Zhao Min pinched Su Chen's waist hard, and she turned away and didn't want to talk to this bastard. This bastard still refused to say anything even at this time. She couldn't understand why.

Besides, this bastard was in very bad shape. With his weak appearance, several doctors in the palace were helpless. Zhao Min was also very worried that this bastard wouldn't live long.

Zhao Min felt better and better towards Su Chen, and even had some feelings for her. She didn't want that. This bastard died like this.

Su Chen took out a letter from his arms and handed it to Zhao Mindao,

"Zhao Min, I have written down some things you have to do here. You must complete them within ten days. I am afraid that the masters of Mingjiao will arrive soon. We don't have much time."

"I will definitely finish it within ten days." Zhao Min read the content in the letter and nodded in reply.

Su Chen reminded Zhao Min again, "Remember, Cheng Kun is cunning, so you have to be careful."

Zhao Min smiled and clenched his fists and said,

"Haha, I have everything I need to deal with Cheng Kun. This time I will let my father personally invite Cheng Kun to come. With Shixiang Ruanjin Powder, even if Cheng Kun is not poisoned, the masters in the palace will catch him."

"That's good!"

At this moment,

Fan Yao was also caught by the two elders Xuan Ming.

Su Chen looked at it but did not immediately execute Fan Yao. All this will be settled in ten days.
Ten days later

, in Wan'an Temple.

Six major Everyone in the sect was captured in the courtyard of Wan'an Temple, and tens of thousands of troops were guarding the surroundings.

On the hill next to Wan'an Temple,

Zhang Wuji took many masters of the Ming Sect to hide here. Zhang Wuji saw the six major disciples in Wan'an Temple. Pi is very worried

"Leader, the people from the six major sects are indeed being imprisoned here." The Green-winged Bat King looked at Wan'an Temple and said seriously.

Wei Yixiao was worried that Zhang Wuji would impulsively go to save the people of the six major sects. There were tens of thousands of Dayuan troops in Wan'an Temple, and all of them went there. , I'm afraid there is no return.

"Leader, let's take a look at the situation first. Yang Xiao patted Zhang Wuji's shoulder and reminded him.

Zhang Wuji said with a serious face,"I understand. Let's check the situation first.""

A Mingjiao believer quickly came to Zhang Wuji and saluted,"Leader, the murder of the Mingjiao believers outside Dadu has been found out. It was a young master who led an army to destroy a thousand of our Mingjiao people."

Zhang Wuji said angrily when he heard what the Mingjiao believers said,"Young Master? Suchen? It was the sick Su Chen who didn't expect revenge to come so quickly."

"Cultist, I will not let that bastard go this time. I will kill him with my own hands."

"Yes, there are more than a thousand Mingjiao believers, we must not let that bastard go."

"Damn it, why hasn't that bastard died of illness?"

"I'm going to kill that bastard tonight."

When the masters of Mingjiao heard that more than a thousand Mingjiao believers were killed, they were all very angry. They even shouted that they wanted to kill Su Chen immediately.

"Leader, look, we from the Ming Cult, many of us from the Ming Cult have also been caught."

At this moment, hundreds of people from the Mingjiao were also escorted over. Each of these Mingjiao members were injured, and there was even blood on their bodies. The people of the Mingjiao were much more miserable than the six major sects.

"It's Brother Chang and Brother Xu. We have to save them."When Zhang Wuji saw the captured Mingjiao believers, he stood up in a hurry and went to save the Mingjiao people.

The White-browed Eagle King hurriedly grabbed Zhang Wuji and said, "No, Wuji, there are too many Yuan troops. We are now We can't save anyone if we go up there. Let's take a look at the situation first."

"However, Brother Chang and Brother Xu....."

"Leader, they are just arrested now and their lives are not in danger. Let's take a look at the situation first."

"All right!"

In Wan'an Temple,

Su Chen and Zhao Min arrived with a group of masters, and Su Chen also brought Yang Buhui and Xiao Zhao over to a high platform.

Su Chen and Zhao Min walked up, and around them People from the six major sects all looked at Su Chen and Zhao Min. Zhao Min and the other six major sects all knew each other, but the sick Su Chen and the others looked very confused.

Zhou Zhiruo looked at Su Chen and asked Master Jue Asked, "Master, who is that young man?"

Master Mijie looked at Su Chen and said coldly and arrogantly, "I don't know, but the people who are with that demon girl are not good people."

Ding Minjun in a red dress looked at Su Chen and said, "Master, that young man seems to be seriously ill. It looks like he may not live long."

"The Dayuan dog thief is best dead."

When everyone in the Ming Cult saw Su Chen, they all stared at Su Chen with vicious eyes. The fate that everyone in the Ming Cult met today was all due to their defeat by Su Chen. They now want to kill Su Chen.

"Where is Cheng Kun? Su

Chen looked at the people around him and asked Zhao Min.

Zhao Min smiled and sat on the chair and replied, "I'll be there soon. What are you going to do today?"

"kill!"

"Then kill it!"

Su Chen shook his head when he saw the people from the Emei Sect.

Although the people from the Emei Sect and the people in the Zongwu world are not the same people, it is impossible for Su Chen to kill them. After all, they and he have Yuanyuan, and there are even Several of them have a close relationship with him

"Zhao Min, let someone release the Emei sect people and detoxify them."

Zhao Min frowned when she heard Su Chen's words.

She looked at Su Chen and asked coldly, "Emei sect? Why did you let those Emei sect women go? Are you a bastard who has fallen in love with those little goblins from the Emei sect?"

Su Chen patted Zhao Min's little head and said with a dark face, "What nonsense are you talking about? The Emei sect has friendship with me. It is impossible for me to take action against them. I will tell you these things in the future."

"Okay, if you dare to lie to me, you will stay in bed for the rest of your life."

"You are so poisonous!"

"Haha, it depends on who is right, Su Chen, if you dare to deceive me in the future, I have many ways to punish you."

"Got it, Miss Minmin, please let the Emei faction go."

Zhao Min glanced at Su Chen and ordered, "Come here, let the Emei sect go and detoxify them from the Shixiang Ruanjin Powder."

"Yes, Princess!"

"Master, you also arrested people from the Ming Cult?" Yang Buhui asked Su Chen when she saw hundreds of Ming Cult members next to her.

Su Chen looked at the Ming Cult people next to him and said indifferently, "Yes, these Ming Cult members are all going to die today. Xiao

Zhao stood next to Su Chen and begged, "Master, can't you let everyone in the Ming Cult go?"

"No, Yang Buhui, Xiao Zhao, today I am only killing the people who came to Dadu. I will not deal with the other Ming Cult members. If you don't want me to kill all the Ming Cult in the future, you better stop asking for mercy."

Chapter 1542

Yang Buhui and Xiao Zhao were very helpless when they heard Su Chen's words.

Over the past month or so, they had also figured out Su Chen's temper.

Su Chen would agree to them in general matters, and even Su Chen was not the kind of arrogant person. A kind person.

This time everyone from the Mingjiao was arrested, and they also speculated that this was Su Chen's revenge against the Mingjiao.

After all, they had witnessed with their own eyes the incident when Su Chen was caught and humiliated by the Mingjiao more than a month ago.

At this moment, the girls of the Emei Sect were detoxified by Zhao Min's men and told that they could leave at any time.

This made the people of the Emei Sect very puzzled. They did not expect that the Dayuan people would let them go.

How is this going?

"Why did you let us go?" Ding Minjun looked at these Dayuan masters and asked doubtfully.

Ada looked at the Emei faction and said with a sneer, "This is the young master's order. You Emei faction are lucky. If it weren't for the young master's order, you would all be executed."

"Master? That sickly young man?"

When Zhou Zhiruo heard A Da's words, she looked at Su Chen on the high platform.

She didn't expect that Su Chen would let their Emei sect go, but why should they just let their Emei sect go?

Master Jue looked at Su Chen and said He asked Ada, "What is your young master's name?"

"Su Chen, Master Su, please adjust your breathing and leave quickly." Ada said to Master Mijie and left.

"Suchen?"

"Master, do you know that Su Chen?"

"I don't know, I've never heard of it at all."

Zhou Zhiruo asked Master Mijie in confusion, "But why did Su Chen let our Emei sect go?"

"If you are not sure, adjust your breath quickly to avoid sudden changes." Master Jue shook his head and said hurriedly.

People from the other five sects saw that the Emei sect was detoxified and could even leave at any time.

This made them not know what happened.

They also heard Ah Da's answer just now. As for the master, why did the young master let the Emei sect go? Could it be that the sick young master fell in love with a woman from the Emei sect?

At this time,

Su Chen looked at the people of the Ming sect and ordered, "Chang Yuchun, Xu Da, Zhu Yuanzhang, bring them up"

"Yes, Master!"

"Dog thieves, if you want to kill them, kill them." When Chang Yuchun and the others were brought, Xu Da cursed at Su Chen and Zhao Min.

Su Chen and Xu Da yelled and ordered with a smile, "Hahaha, come here, execute all the other Mingjiao people."

"Yes, Master!"

"Damn it, if you want to kill, kill us."

"You thief, you must die a good death"

"Spare my brothers, if you want to kill them, kill us."

After Chang Yuchun, Xu Da, and Zhu Yuanzhang heard Su Chen's order, they cursed Su Chen one after another.

They didn't expect that Su Chen didn't even interrogate him. This young man was going to kill all the Mingjiao people. Man, they now want to break free and kill this young man.

"Someone came and tied each of their arms."

"Yes, Master!"

Ah ah ah.....

In the Wan'an Temple, hundreds of Mingjiao followers were beheaded, and Chang Yuchun and the other three had one of their arms cut off by soldiers.

"Zhang Wuji, I know you are nearby, if you continue.....Cough cough cough.....If you didn't show up, all these people from the Ming Cult would be executed without leaving any trace."

Su Chen started coughing violently as he spoke loudly.

With such a bad body, it was very difficult for him to speak loudly.

Su Chen was speechless for the holy weapon of the ladder.

Fortunately, he was on the list this time, Zhao Min, a little rich woman, otherwise I'm afraid he will fail at the beginning of this trial.

Zhao Min patted Su Chen on the back and said speechlessly, "Why are you bothering? Why are there so many subordinates here? Why don't you let them bark?"

Zhao Min is becoming more and more worried about Su Chen's health.

This bastard is having a hard time even talking loudly. She is worried that Su Chen will die at any time. Yang Buhui and Xiao Zhao hurriedly poured tea for Su Chen, and the other two hurriedly poured tea for Su Chen.

Quickly give Su Chen some relief.

They have seen this kind of thing a lot in the past month.

Su Chen will cough violently as long as he makes violent movements. They are also worried that Su Chen will die at any time.

"Master, will this Su Chen die soon?"

Zhou Zhiruo looked at Su Chen and was very speechless.

She saw that Su Chen just said something loudly, and Su Chen coughed violently. I'm afraid this Su Chen is really seriously ill.

"Maybe!"

Master Jue looked at Su Chen and frowned.

She didn't want Su Chen to die now.

She also wanted to know why Su Chen wanted to save their Emei sect. What does this Su Chen have to do with their Emei sect?"

"Damn it, Suchen, I'm going to kill you!"

Zhang Wuji originally saw Su Chen ordering everyone from the Ming Cult to be killed, and even cutting off one of the arms of Chang Yuchun and the other three.

He couldn't bear it anymore.

Zhang Wuji broke away from the hands of the Green Winged Bat King and Yang Xiao, and withdrew. Jumping up and shouting, he went to Qinggong Temple of Wan'an Temple.

"Leader!"

"Come on, we can't let the leader take risks alone"

"Go together!"

"Kill, grandpa is going to go on a killing spree today."

The Green-winged Bat King, Yang Xiao, and the White-browed Eagle King all rushed out with the masters of the Ming Cult. They couldn't possibly watch the leader of the Ming Cult risking his life to save the members of the Ming Cult.

"Protect the princess and young master and kill the enemies."

When the Dayuan army saw Zhang Wuji and the Mingjiao people flying over, the army immediately surrounded them.

"It finally showed up, and I didn't prepare for this in vain today."

Su Chen saw Zhang Wuji and the masters of the Mingjiao appeared, which made him smile and drink tea.

The arrangement ten days ago was not in vain. Zhang Wuji, the masters of the Mingjiao, have prepared a big gift for you this time..Boom boom boom...

"Archers, get ready to shoot!"

Swish swish swish....

In the Wan'an Temple, with the appearance of Zhang Wuji and the Mingjiao masters, chaos immediately broke out. People from the six major sects hid aside. They have no strength now. If they are accidentally killed, they may not have the chance to cry. nothing.

Su Chen looked at Zhang Wuji and threatened, "Zhang Wuji, if you don't stop, Chang Yuchun and the other three will be killed immediately."

"Despicable person, you are a despicable person." Zhang Wuji fought off the Dayuan soldiers who surrounded him. He turned around and cursed at Su Chen.

Su Chen waved his hand to ask the troops to retreat.

He smiled and looked at the Mingjiao people and asked Zhang Wuji, "Despicable villain. ? Master Zhang, may I ask how despicable I am?"

"you....."

Zhang Wuji was asked by Su Chen and couldn't answer for a while.

Their Mingjiao were rebels, and

Su Chen was a member of the imperial court.

It was understandable that Su Chen would kill members of the Mingjiao.

"Hahaha, it's hard to say. Speaking of despicableness, am I as despicable and shameless as you Mingjiao? I am a sick and disabled person, and you Mingjiao want to arrest me. Have I offended your Mingjiao before? Or have I killed you Mingjiao believers?"

Chapter 1543

Su Chen looked at Zhang Wuji with great disdain, kindness?

A kindhearted person? indecisive?

These are all comments about Zhang Wuji, but Su Chen did not notice these after meeting Zhang Wuji. If Zhang Wuji was really kind and kind-hearted, why did he catch him, a sick and dying man?

Maybe Zhang Wuji is indecisive and kind-hearted, but what does this have to do with him?

Regardless of whether Zhang Wuji offended him or not, Su Chen would always go against Zhang Wuji, not to mention the fact that everyone from the Ming Cult insulted him, and he had no reason to let go of these people from the Ming Cult.

"Boy, today we will kill you first even if we die." Green-winged Bat King Wei Yixiao looked at Su Chen and said angrily,

"Yeah? Wei Yixiao, do you think you can leave today? I'm here now, come and kill me!"

"you....."

The Green Winged Bat King looked at the archers around him and became very angry. This damn bastard, if there weren't thousands of archers around, he would have sucked all the blood out of this bastard.

"Bring Kutoutuo and Chengkun up"

"yes!"

"Zhang Wuji, let's play a game." Su Chen looked at Zhang Wuji and said with a smile.

When Zhang Wuji heard Su Chen's words, he shouted with a livid face, "What kind of conspiracy are you trying to play?"

When Su Chen heard Zhang Wuji's words, he touched Zhao Min's hair and said with a smile, "A conspiracy? Haha, this is Zhao Min's specialty, but I'm not good at it"

"Do you want to die? asshole!" Zhao Min stared at Su Chen and threatened with an unkind look.

Su Chen saw Zhao Min's unkind eyes and said hurriedly, "Ahem, metaphor, I'm just making a metaphor. Min Min is very smart. I just said It's a compliment, not meant to belittle you."

"snort!"

Zhao Min raised his little nose and turned his head.

This bastard is getting more and more duplicitous. He tells lies without blinking an eye. You must be careful about this bastard in the future.

Su Chen saw Fan Yao and Cheng Kun being brought over,

He looked at the people of the Ming Cult and said, "Fan Yao, the Right Envoy of the Ming Cult. I believe all of you Ming Cult should know that this ugly person is your Right Envoy of the Light, Fan Yao.""

"What? Is this person Fan Yao?"

"Fan Yao, the Right Envoy of Light? How could he grow like this?"

"Damn it, this kid must have done this. Fan Youshi must have been harmed by this kid."

"Yes, we Mingjiao are incompatible with this bastard."

After everyone in the Ming Cult heard what Su Chen said, they looked at Fan Yao and cursed angrily.

Fan Yao, the Right Envoy of Light, is a handsome man, but this person who is neither human nor ghost is actually Fan Yao. Yao, they all guessed that Fan Yao must have been harmed by Su Chen.

Su Chen looked at Zhang Wuji and smiled and said,

"Zhang Wuji, if you kill the Green Winged Bat King Wei Yixiao, I will let Fan Yao and Chang Yuchun go."

"Impossible, I will not take action against my brother." Zhang Wuji said angrily when he heard Su Chen's words,

"Kill Zhu Yuanzhang"

"Yes, Master!"

"No, don't kill me, Lord, save me, Lord, save me....."When Zhu Yuanzhang heard that Su Chen was going to kill him, he was so frightened that he hurriedly screamed.

Click!

While Zhu Yuanzhang was still begging for mercy, a Dayuan soldier chopped off his head with a knife.

"Damn you, damn you."Zhang Wuji clenched his fist angrily and cursed,

"Haha, it's not up to you to decide whether I should die, Zhang Wuji, I think everyone here wants to know the whereabouts of the Golden Retriever Lion King Xie Xun, do you think I should tell them?"

"No one can know the whereabouts of my adoptive father."

"Yeah? Ice and Fire Island doesn't seem to be very difficult to find. Do you think it's Master Zhang?"

"you.....How did you know?"

Zhang Wuji looked at Su Chen in surprise.

He didn't expect that Su Chen even knew about Binghuo Island. Will his adoptive father also be arrested?

At this time,

Zhang Wuji was a little at a loss.

Su Chen pointed to Cheng Kun said to Zhang Wuji, "Zhang Wuji, have you seen this monk? Do you still recognize Cheng Kun?" Come on, take off this monk's human skin mask."

"yes!"

"Cheng Kun, are you really not dead?"

Zhang Wuji shouted when he saw the monk whose mask was torn off.

Zhang Wuji's mind is very confusing now.

The whereabouts of his adoptive father, the Golden Retriever Lion King Xie Xun, have been discovered, and he may even have been arrested. Cheng Kun, the man who should die. He came back to life again, and he was very irritable now.

Su Chen took a sip of tea and continued,

"Zhang Wuji, killed the Green Winged Bat King"

"Otherwise, I will send Cheng Kun to Binghuo Island, and I will also tell the people here about Binghuo Island. Even Chang Yuchun and the three of them will die. One person can replace three people, and he can also save your adoptive father. This is a very good deal"

"No, I won't do it, I won't do it!"

"I'm sorry, I killed all three people from Mingjiao."

The Green Winged Bat King hurriedly shouted, "Wait, Su Chen, don't you want me to die? I, the Green Winged Bat King, can commit suicide."

"Bat King, no!"

"Bat King, don't mess around!"

"We'll fight this bastard, Green Winged Bat King, don't do anything stupid."

"Calm down, Bat King, we will find a way to save Fan Youzhi and the others."

Everyone in the Ming Cult hurriedly grabbed the Green-winged Bat King to persuade them. They were worried that the Green-winged Bat King would commit suicide to save Fan Youzhi and them.

Su Chen shook his head and mocked,

"suicide? Green Wing Bat King, you are thinking too much. Even if you commit suicide, I will kill Chang Yuchun and the other three. I will make your Ming Cult kill each other. I will make everyone in your Ming Cult have their hands stained with the blood of your brothers."

"You devil, are you going to retaliate against our Ming Cult like this just because we have bullied you?"

Su Chen laughed and said indifferently,

"Ha ha ha ha....., I have never been bullied or bullied like that since I started walking in the world. I told you, Zhang Wuji, Mingjiao, you will regret it. Today I am going to make you regret it."

The people of Mingjiao glared at Su Chen angrily.

Now they are viciously eating Su Chen's flesh and drinking this bastard's blood. But they have no choice. This bastard is protected by the army, and they can't get close to this bastard at all.

The masters of the six major sects looked at all this in confusion.

They thought that the Dayuan people would deal with them today, but now they all seem to be forgotten. If they were not poisoned and could not leave, the six major sects would not be able to leave. The people from the big faction had already escaped.

Su Chen suddenly hugged Yang Buhui and threatened Yang Xiao,

"Yang Xiao, you have to kill one of the people in Wusan, otherwise, your daughter will become my concubine."

Chapter 1544

Yang Buhui was stunned when Su Chen hugged him,

"Concubine?"

Su Chen actually wanted to take her as a concubine?

How can this be?

She would not marry a sick man, and he was also an enemy of their Ming Cult.

"Bastard, do you want to die?" When Zhao Min heard Su Chen's words, he grabbed Su Chen's waist with one hand and asked angrily.

Su Chen felt pain when Zhao Min pinched his waist and hurriedly explained, "Hey, I'm close, Min Min, this is a trick. , is a ploy, can a person like me have a woman?"

Su Chen is an ordinary person now, and Zhao Min is already a master. Zhao Min just uses a little strength at will, which is not something Su Chen can enjoy.

"real?"

Zhao Min looked at Su Chen in disbelief.

This bastard didn't tell the truth now. She didn't believe that Su Chen would not be tempted by a beautiful woman.

Su Chen spread his hands and said, "I am a dying person. Do you think I will harm other women?"

"Bah, what nonsense are you talking about? From now on, I will find famous doctors all over the world to take good care of your disease."

"Let's talk about it later!"

Yang Buhui felt relieved after hearing the conversation between Su Chen and Zhao Min.

She thought about the more than a month she had been with Su Chen, and Yang Buhui had a very good feeling for Su Chen.

Su Chen was not only handsome and handsome, but also He still knows a lot of things, and nothing can even trouble Su Chen.

If it weren't for Su Chen being ill all the time,

Su Chen would have become famous all over the world.

Yang Xiao's face was livid at the moment.

He didn't expect that Su Chen would Threatening himself like this, he looked at Su Chen and wanted to kill this bastard with one palm. For a sick man to insult his daughter and even take a concubine, this bastard should be cut into pieces.

Yang Xiao looked expressionless. He said to Su Chen, "Su Chen, you are overthinking, I, Yang Xiao, will never be able to attack my brother even if I die."

Su Chen sneered when he heard Yang Xiao's words,

"Haha, you, a perverted thief, don't sound so noble. I know exactly who the people in the Ming Cult are. Yang Xiao, do you still remember when you robbed Ji Xiaofu?"

"Ji Xiaofu is the one I love!" When Yang Xiao heard Su Chen call him a thief, his face immediately darkened.

"What a joke, if you hadn't kidnapped Ji Xiaofu and made Ji Xiaofu pregnant, would Ji Xiaofu have been cornered and die? Don't tell me that all this has nothing to do with you?"

"Xiao Fu was killed by Extinction."

Su Chen looked at Yang Xiao and mocked disdainfully,

"Ridiculous, Ji Xiaofu is the most outstanding disciple of Master Miejie and the successor of the next generation of Emei Sect."

"When Master Miejie asked Ji Xiaofu to kill Yang Buhui, he wanted her to completely end the bad relationship with you and return to the Emei Sect. However, Ji Xiaofu didn't understand what Master Miejie meant, and even risked her own life to stop Master Miehui. Too bad, this leads to tragedy"

"Whose fault is it all in the end?"

"Do you know why Yang Buhui is called Yang Buhui? This is because Ji Xiaofu doesn't want Yang Buhui to seek revenge from you when he grows up and finds out about these things. Ji Xiaofu doesn't want you and your daughter to kill each other in the future."

"Will Ji Xiaofu forgive you? Will she forgive a thief? Yang Xiao, don't feel good about yourself."

Su Chen despises Yang Xiao, a member of the Ming Cult, the most.

When Yang Xiao was young, he could be said to be a complete thief. He harmed countless women.

The funny thing is that when he first watched the plot, many people Everyone thinks that Yang Xiao is a man who values love and justice.

This is really ironic.

"Su Chen, is everything you said true?" Yang Buhui asked with an expression of disbelief upon hearing Su Chen's words.

Su Chen coughed and said after hearing Yang Buhui's words,

"cough! Just ask your perverted father"

"The number of women your father harmed when he was young was probably not a hundred but dozens of them. All the old people in the Ming Cult should know this."

"A thief? Or a leftist envoy of the Ming Cult? Mingjiao is just a place where filth and evil people live."

At this moment, everyone in the Ming Cult looked at Yang Xiao and shook their heads.

The masters of the Ming Cult that Su Chen just mentioned all knew that they also couldn't stand Yang Xiao's approach at the beginning, so they left Guangmingding and the Ming Cult one after another. If the six major sects hadn't besieged Guangmingding, they wouldn't have returned to Guangmingding one after another.

"You are talking nonsense and have no regrets. Don't believe this bastard's sowing discord."

"this.....Is this true?"

At this time,

Master Miejie came over and said to Yang Buhui,

"it is true"

"I can testify that what Mr. Su Chen said just now is true. Yang Xiao is a prostitute. I tried to persuade your mother, but your mother always believed that she was no longer worthy of being a disciple of the Emei Sect."

"I am also very sad about your mother's death. It can be said that the heir of the Emei Sect was ruined by this adulterer twenty years ago. You should know why I hate the Mingjiao so much, right?"

"how could this be? how could this be?"

Yang Buhui heard Master Miejie's words and saw the expressions of everyone in the Ming Cult. She knew that all this was true. His father Yang Xiao was a thief, and it was this thief who ruined her mother's life.

"I kill you!"

"Shoot the arrow!"

Swish swish swish".....

Ahhhhh.....

Yang Xiao was angry and quickly killed Su Chen, but thousands of archers fired a volley, and Yang Xiao was instantly shot into a hornet's nest. Yang Xiao, the bright left envoy of the Ming Cult, died like this.

When everyone in the Ming Cult saw Yang Xiao's death, they all shook their heads.

Yang Xiao probably brought it upon himself. I'm afraid this is also retribution. Maybe dying can make up for the mistakes he made in the past.

"kill!"

Su Chen originally wanted the Ming Cult to kill each other, but now Su Chen is very speechless.

He is too lazy to watch the Ming Cult people kill each other. He ended the plot early and is still waiting to receive the rewards of this plot.

"Give them all to me, everyone in the Ming Cult will kill them without mercy."

When the Dayuan army heard Su Chen's order, tens of thousands of troops were dispatched one after another. With the volleys of archers and the charge of shield soldiers, Wan'an Temple immediately became a battlefield.

Master Mijie looked at Su Chen and asked doubtfully He said,"Mr. Su Chen, do you have any history with our Emei sect?"

"Something old!"

"Who are you dating?"

Su Chen smiled at Master Mijie and said,

"You, Zhou Zhiruo, Ding Minjun, Ji Xiaofu, Bei Jingyi, I am very familiar with you, you can even be said to be a family."

Master Mijie frowned when she heard Su Chen's words.

She felt that Su Chen was not lying, but how could this be possible? Not to mention that she and Zhou Zhiruo's disciples did not know Su Chen.

Ji Xiaofu has been dead for more than ten years.

How could Su Chen know Ji Xiaofu when he was young and young?

"Master Mijie, this is the last time we meet. You and the girls of the Emei Sect should take care of yourself in the future."

Chapter 1545

Su Chen shook his head when he saw the battle on the battlefield. I am afraid that the Mingjiao people will not be able to hold on for long.

Dozens of Mingjiao masters face the encirclement and killing of tens of thousands of troops. Unless they are super strong or even immortal cultivators, otherwise, the Mingjiao masters will not be able to hold on for long. It is impossible for the masters to escape.

Su Chen had to consider how the world would develop in the future after the Mingjiao was destroyed.

It was impossible for the Yuan Dynasty to continue to rule the Central Plains. But after the Mingjiao was destroyed, what other force could overthrow the Yuan Dynasty?

Su Chen looked at Zhao Min and his eyes lit up.

How about helping Zhao Min become a queen?

"Mr. Su Chen, what did you mean just now?" Master Jue looked at Su Chen and asked in confusion.

Before she could understand what Su Chen said before, Su Chen actually said that this was the last time they met?

Why was it the last time?

Could it be that Su Chen Will Chen's illness keep him alive for a long time?

Su Chen waved his hand and said, "Master, you will understand in the future."

"Su Chen....."

Zhao Min was very worried when she held Su Chen's hand. She was very worried about Su Chen's physical condition. Su Chen said just now that she was very afraid that Su Chen would die suddenly.

Su Chen hugged Zhao Min and smiled and said, "Don't worry, I won't die within a few years."

How many years?

Decades?

Su Chen cannot die even after thousands of years, but this world may be an illusory world. If he clears this world, can he still stay in this world?

Zhao Min!

The only person he cares about in this world, he probably can't take her away with him. If he leaves this illusory world in the future, will this illusory world still exist? Can Zhao Min still exist?

Half an hour later, dozens of powerful masters of the Ming Cult were either killed or injured and captured. In Wan'an Temple, only Zhang Wuji was left struggling to hold on.

However,

Zhang Wuji has been injured, and it is only a matter of time before he is killed or killed.

"Young Master, please let the leader go."

At this time,

Xiao Zhao suddenly knelt down and begged Su Chen.

Su Chen shook his head and said to Xiao Zhao, "Xiao Zhao, get up. Zhang Wuji will end up like Zhang Wuji. No one can change this."

"Young Master, can you really not let the leader go?"

Xiao Zhao turned very pale when she heard Su Chen's words. She didn't understand why Su Chen had to destroy all the masters of the Ming Cult. I'm afraid this wasn't the insult to Su Chen from the Ming Cult.

"No, Zhang Wuji is the top priority, he cannot survive"

"Young Master, I can give you the Great Cosmic Shifting Technique, and please spare Master Zhang's life."

Zhao Min looked at Xiao Zhao and smiled and memorized the Great Shifting Technique of the Universe, "Little girl, hold it firmly and meditate, consolidate and refine the Qi, circulate the magical meridians, nourish the Qi and transform it into the spirit....."

"this.....How come you know the Great Shifting Technique of the Universe?"

Xiao Zhao was confused when she heard Zhao Min dictating the Great Cosmic Shifting Technique.

She did not expect that Zhao Min could actually know the Great Cosmic Shifting Technique.

How could this be possible?

Only she and Zhang Wuji knew the Great Cosmic Shifting Technique. How did Zhao Min know it? knew?

"Little girl, there are still many things you don't know." Zhao Min looked at Su Chen and said to Xiao Zhao,

In the past month, Zhao Min has obtained many powerful skills and martial arts from Su Chen, such as the One Yang Finger, the Six Meridians Divine Sword, and the Great Universe." Move, Xiao Li's Flying Knife, Ming Yu Gong, and the most powerful sword technique, the Holy Spirit Sword Technique.

Su Chen ignored Zhao Min and Xiao Zhao. He looked at the captured Green Winged Bat King and three of the five scattered people. , White-browed Eagle King and his son, none of these people can stay.

"Kill them all!"

Su Chen pointed at Fan Yao and Chang Yuchun, and Xu Da ordered the Dayuan army,

"Yes, sir!"

"All the prisoners were beheaded."

On the high platform, the three Fan Yao and Green Winged Bat King who had their acupuncture points tapped were killed one after another. At this time, after the masters of the Ming Cult were all killed, the sound of the Holy Artifact of the Ladder came to Su Chen's ears. , "Trialist, you have passed a hundred levels of trials, do you want to quit?"

Have you cleared the level?

Is this already half the plot of destruction?

When Su Chen heard the words of the Holy Artifact, he looked around, "Holy Artifact, is this a real world? Or is it an illusory world?"

"Is there any difference between true and false? Su

Chen asked with a serious face, "Holy Artifact, this is very important to me. Is this a real world?"

"Yes, this is just one of thousands of tiny worlds"

"Tiny world?"

"An incomplete world is a small world. This is just a small plot in the martial arts world, not even a small world."

"Can I take the people here out of this world?"

"cannot!"

"cannot?"

"Trialist, your current ability is not enough to bring others to your world. Your strength is not enough, and your luck is not enough. You will understand this in the future."

Su Chen looked at Zhao Min when he heard the words of the holy weapon.

Can't he take people away? Zhao Min can only stay in this world.

Su Chen doesn't know what Zhao Min will do if she disappears suddenly. She should be very worried. Painful

"Trialist, you have three rewards this time, do you need to claim them now?"

"Holy weapon, is it okay if I use these rewards to take away one person?"

"Zhao Min?"

Su Chen said to the holy weapon with a serious face,

"Yes, I am not a ruthless person. The plot here has been disrupted. I cannot leave her to continue in this world. If everything is illusion, I can walk away, but this is a real one. world"

"This is because I didn't remind you before. Forget it, it's just this time. You can take Zhao Min away, but she can only appear in your previous world first."

"Thank you."

Su Chen didn't expect that the Holy Artifact would actually agree, which made him very happy. He didn't care about this world anymore. Whatever would happen in the future would be as it is.

"Trialist, do you want to quit now?"

Su Chen shook his head and refused, "Wait a while, I still have some things to do."

"Can! Trialist, your strength will be restored to one-tenth in the next trial."

"clear!"

Su Chen finally breathed a sigh of relief.

As long as his strength can be restored, he will quickly push forward the plot. One-tenth of the strength is also very powerful. No one is his opponent in the martial arts world.

"Master Mijie, Xiao Zhao and Yang Buhui hope you can take them in and let them join the Emei Sect in the future."

Master Jue heard Su Chen's words and agreed without hesitation, "Yes, Yang Buhui is Ji Xiaofu's daughter after all. I will take care of her in the future. This little girl is not bad. I will accept them both as disciples.."

Su Chen took out three martial arts secret books and said to Master Mijie,

"This is the Kung Fu Ming Yu Kung, the Thirteen Life-Destroying Swordsmanship, Qing Kung Ling Bo Wei Bu, Shi Tai, these are all heaven-level martial arts secrets. There is also a red fruit here. If you eat it, you will be promoted to the Grand Master. Xiao There may be some troubles in the future that may require your help."

These martial arts secrets are all secrets that have not been promoted.

No matter how much the Emei sect is said to be related to him, it is impossible for Su Chen to see the Emei sect withering in this world, and Xiao Zhao's mother is a Persian saint. He also hopes After destroying Master Tai, he destroyed the Persian barbarians who came to capture Xiao Zhao.

"This is....., Young Master, what is your relationship with our Emei Sect?"

Chapter 1546

Master Mijie was very confused when she looked at the Tianji Secret Book in her hand.

She couldn't understand why Su Chen gave her these powerful secret books.

What connection did Su Chen have with the Emei Sect?

There is also a red fruit. This red fruit can actually promote her to the Grand Master. Is this the legendary spiritual fruit?

Su Chen shook his head and continued, "Master, please stop paying attention to the Yitian Sword and the Dragon-Slaying Sword. The martial arts in the Yitian Sword and the Dragon-Slaying Sword are all Xuan-level martial arts, and they are still vicious and inferior. martial arts"

"The poor nun understands. Thank you Mr. Su for reminding me.

Seeing that Su Chen refused to talk, Master

Jue had no choice but to give up, hoping that the relationship between Su Chen and the Emei Sect could be found out in the future.

Song Yuanqiao from Wudang saluted Su Chen from the side and said, "Young Master, you can let Zhang Wuji go. The Wu-Tang Clan will be grateful in the future"

"Mr. Su, please let Zhang Wuji go."

At this time,

Zhou Zhiruo also ran over and begged Su Chen,

"Zhiruo, come here, how can you intercede for the Demon Cult?" Mie Jue shouted with a livid face after hearing Zhou Zhiruo's words.

Master Mie Jue will not let Zhou Zhiruo interfere with these things.

Su Chen must have a close relationship with their Emei sect. She does not want Zhou Zhiruo to contradict Su Chen at this time.

Besides,

Su Chen It was too late for her to be happy about killing the people of the Demon Cult in the morning, and she didn't want anyone to stop her.

"master....."

Zhou Zhiruo immediately lowered her head when she heard Master Mijie's words. Although she desperately wanted to save Zhang Wuji, there was nothing she could do.

Su Chen looked at these people and didn't pay attention.

The plot had been completed.

It didn't matter much whether Zhang Wuji died or not.

However, he couldn't stand Zhang Wuji very much.

When he first watched the plot, Su Chen wanted to kill him. His parents He refused to avenge his revenge, was indecisive, and did not distinguish between right and wrong. The villain Zhu Yuanzhang got the final throne.

Su Chen doesn't like him at all

"kill!"

Su Chen waved his hand and ordered expressionlessly, as the Dayuan army swarmed towards Zhang Wuji.

Zhang Wuji also screamed at the top of his lungs and was killed.

Zhang Wuji's death was also the complete end of this plot.

"Zhao Min, I'm leaving." Su Chen touched Zhao Min's hair and said with a smile.

When Zhao Min heard Su Chen's words, he quickly grabbed Su Chen and said, "You want to leave? where to? I will go with you"

"Haha, of course you will leave with me"

"Su Chen, where are we going?"

"A place far, far away, do you want to say goodbye to your family?"

Zhao Min shook his head and said with a sweet smile, "There is no need for my father to marry me to the son of the Sixth Prince. I don't want to throw myself into a trap again."

"Then let's leave!"

After Su Chen decided to leave, the holy weapon began to send Su Chen and Zhao Min out of this world.

Boom!

After a huge thunder in the air,

Su Chen and Zhao Min quickly rose into the air.

In an instant,

Su Chen and Zhao Min disappeared over Wan'an Temple.

Whether it was Jianghu people or Dayuan's army, they all knelt down when they saw Su Chen and Zhao Min flying into the air and disappearing.

Master Miejie looked into the air and said to himself, "God, Mr. Su Chen is actually a god, and our Emei sect has a great relationship with a god."

Zhou Zhiruo, Xiao Zhao, and Yang Buhui looked at the sky in surprise. They did not expect that Su Chen would be a god. How could a god be related to the Emei Sect?

This made them confused.

Here. People in the world were very surprised when they looked at the Emei Sect.

The Emei Sect is actually related to the gods?

Has anyone of the founders of the Emei Sect become immortals? They all thought that no one in the Emei Sect would dare to offend the gods again in the future. If you go down to earth, I'm afraid it will be destroyed like the Ming Cult.

After the Jianghu people here were detoxified, their various sects made good friends with the Emei Sect and left. What happened here may not take long to spread throughout the world. Ladder to

Heaven On the

100th floor, Su Chen came back and stood on the 100th floor.

Zhao Min had been sent to Tianxuan Continent. With the token given to Zhao Min by Su Chen, it was impossible for anything to happen to the smart Zhao Min.

Just when Zhao Min and Zhao Min After Min met, she didn't know what would happen to them. Although they looked different, their names and origins were exactly the same.

Boom!

Su Chen stepped onto the 9101st floor with just one step. This time he was going to push him across the floor. In this plot world, the three rewards on the 100th floor were replaced by Zhao Min. This time he didn't want to mess around anymore.

"The plot of Swordsman? Just push it horizontally."

Su Chen appeared in the new plot world, and he saw that this was Liu Zhengfeng's Golden Basin Washing Ceremony.

Su Chen was no longer cowed. Now he has the strength of a large number of people, such as Linghu Chong, Yue Buqun, and Zuo Lengchan. He wanted to kill these people one by one quickly.

Within one day,

Su Chen ended the plot. Su Chen didn't even watch Dongfang Bubai. He was worried that Dongfang Bubai in this plot was a man. If so, he He will definitely be disgusted to death.

Su Chen was very surprised when he saw the three rewards this time, "I guess, holy weapon, why are the three rewards all blood red flowers?"

"Are you dissatisfied?"

"Ahem, satisfied, very satisfied. It will be even better if I reward you with three blood red flowers next time."

Su Chen hurriedly put away the blood-red flowers and smiled. With these blood-red flowers, he, Su Yan, and Su Yue's bloodline would be greatly improved.

Su Chen did not rest, and then he continued to climb.

Nine On the 1300th floor,

Su Chen encountered the plot of The Legend of the Condor Heroes.

On the 9400th floor,

Su Chen encountered the plot of Xiao Li's Flying Knife, the plot of the next four famous shops, the plot of Peerless Twins, and the Tang Dynasty. Su Chen experienced the plot of The Legend of Double Dragon and the plot of Storm again and again. Su Chen quickly pushed through these plots, and his strength has now returned to the eighth level. After passing one level, he can unlock the

strength of the next level. Now that we have reached the 9900th level, we don't know what plot we will encounter this time.

Su Chen smiled when he thought about the rewards for completing the plot, including spiritual fruits, exotic flowers and herbs, immortal cultivation techniques, and some low-level ones. Magical weapons, these are not very good for him, but they are very important for his women. These can enhance their strength.

"Trialist, you must be careful in the following trial."

Su Chen felt a sudden change in his heart when he heard Shengqi's words.

He hurriedly asked Shengqi, "Holy weapon, what do you mean? Is the following trial very difficult?"

"Disaster? It is very, very difficult for your strength"

"Although you have spent a long time in the story world, you have only spent a quarter of an hour on the ladder."

"Trialists, the last two trial plots are not so easy to pass. The real trials will come from now on, and they are not plot trials that you should know."

Chapter 1547

Su Chen was confused when he heard the words of the holy weapon.

A real trial?

Wasn't it a real trial before?

Did Sacred Artifact see that he was pushing the plot too quickly and was trying to make it more difficult for him?

Su Chen hurriedly questioned the sacred vessel,

"No, holy weapon, what exactly do you mean? What real trial? In my first plot, I didn't have any strength. Even an ordinary person had to be oppressed by gravity. Isn't this a real trial?"

"Trialist, don't you think these trials of yours are too easy?"

"I guess, this is my strength restored, the plot is of course simple, Holy Artifact, can you not engage in malpractice for personal gain, why not just take your time like this? There are two more plots and I will reach the top. Can you increase the difficulty at will?"

"Trialist, I did not increase the difficulty. This was originally set."

"I do not believe!"

"If you don't believe that, that's your business. Trialist, I've reminded you so you can take care of yourself in the future."

"Damn it, Holy Artifact, you are cheating, don't make it more difficult."

Su Chen shouted for a while but there was no answer from the holy weapon.

This made Su Chen very embarrassed.

The plot in the future will be very, very difficult, and it is a plot that he doesn't know. What plot is it?

It's his!

Do you want to continue climbing?

Su Chen was very hesitant when he looked at the 9901th floor.

Although he could be resurrected on the ladder if he died in the plot,

Su Chen didn't want to die.

What if he was killed by the Saint of the ladder after death? If the Heavenly Ladder Sacred Artifact took the opportunity to do something to him,

Su Chen would be in tragedy.

Under the Heavenly Ladder, the girls saw Su Chen disappearing and reappearing, which made them very confused.

What was Su Chen doing? What trials were they going through?

Why did they disappear and reappear?

However, these women were very happy to see that Su Chen had climbed to the nine thousand and ninth floor.

Although they did not know how many more were up there. level, but Su Chen is about to reach the 10,000 level, and the reward for that bastard must be very generous. Some of the women here are waiting for Su Chen to come back and rob him.

Qian Xueer's eyes are very bright, she is waiting now Su Chen came back to ask for some treasures. With the relationship between Su Chen and her mother, Qian Xueer did not believe that Su Chen would not give them to her.

"Huh? Look, why did Su Chen not disappear for so long? Is he injured?"

Isabella suddenly discovered that Su Chen had not disappeared again, which made her very curious. It had already been a quarter of an hour. Shouldn't Su Chen have disappeared long ago?

Silver shook her head and said,

"Impossible. Look, that bastard is walking up and down the steps. Is he thinking about something?"

Xiao Xun'er also nodded and said with a serious face, "Well, Su Chen is not injured. I'm afraid he is thinking of countermeasures for the next test."

The other women also nodded one after another.

These women thought that if Su Chen was injured, they would definitely sit down and heal. Now Su Chen is walking around lively, and this bastard doesn't look injured at all.

Mo Yu Zou said He frowned and said speculatively,

"Do you think the next climb will be very difficult? Is Su Chen considering whether to continue?"

Isabella nodded and guessed,

"Impossible, it's just that Su Chen climbed very fast before. Will the subsequent climbs be able to stump Su Chen?"

Xiao Xun'er looked at Su Chen on the ladder and said,

"I'm afraid that the next climb is really difficult, and there may be some accidents on the next climb. This may worry Su Chen."

"Look, the master has disappeared!" Ning Zhongze suddenly noticed that Su Chen disappeared and shouted.

"That bastard is probably getting tested again and hopefully he makes it through safely."

At this moment,

Su Chen appeared in the plot world and wanted to curse the Holy Artifact of the Ladder to death.

Is this very, very difficult? This is simply hell difficulty. How could he, an immortal cultivator, complete this plot? How could he destroy this

?

Plot?

Su Chen looked at the mountains full of monkeys and monsters, especially this huge mountain called Huaguo Mountain, which made him want to die.

Huaguo Mountain, isn't this the plot before Journey to the West

? Havoc in Heaven!

How can Su Chen, who is not an immortal, ruin the plot?

Even if he wants to follow the plot all the way, can he follow it with his current strength?

Sun Wukong can go to heaven and sea, can Su Chen do it?

How will he follow this rogue monkey in the future?

Whoosh!

At this time,

Su Chen was suddenly enveloped in a white light and taken away. It was as if Su Chen had never appeared on Huaguo Mountain.

"Su Chen, how did you arrive in the prehistoric world?"

Beside the East China Sea,

Guanyin Bodhisattva looked at Su Chen who was captured by her with an expression of disbelief.

She also suddenly felt Su Chen's aura and hurriedly appeared in Huaguo Mountain.

Her clone was left on Su Chen's body. Breath, she didn't realize that this bastard would actually appear in the prehistoric world

"Guanyin old.....Ahem, Guanyin Bodhisattva, why are you here?"

Su Chen saw that the person who caught him was Guanyin Bodhisattva. This surprised Su Chen and almost called out Guanyin Bodhisattva again.

However, the current Guanyin Bodhisattva is the real Guanyin Bodhisattva, wearing a pure white dress, with dotted eyebrows. A red cinnabar and a white gauze scarf on her head, which makes Guanyin Bodhisattva look very holy and beautiful.

Guanyin Bodhisattva stands on a white lotus platform.

This lotus platform should be the eighth-grade Pure World White Lotus. She There is also a jade vase with a willow in his left hand. The current Guanyin Bodhisattva is as beautiful as she wants and as noble as she is. When

Guanyin Bodhisattva heard Su Chen's words, she frowned and cursed,

"Bastard, you've already arrived in the ancient world, and you still dare to speak indiscriminately. Do you really want to die?"

Su Chen saw Guanyin Bodhisattva looking angry and said hurriedly, "Misunderstanding, misunderstanding, Guanyin Bodhisattva, you have to pay attention to your image. You are very noble and beautiful now, so don't use bad words."

"Tell me, how did you appear in the prehistoric world?"

Su Chen looked at the unkind-looking Guanyin Bodhisattva and hurriedly replied,

"Ladder, I didn't know why I ended up here when I was climbing the ladder."

Su Chen has no need to hide the matter of the Ladder to Heaven.

The Holy Artifact has said that thousands of people have climbed the Ladder to Heaven. This should not be a secret to Guanyin Bodhisattva. Even Guanyin Bodhisattva should have climbed the Ladder to Heaven.

Guanyin Bodhisattva heard Su Chen was surprised and said, "Tianti, you actually met Tianti, you are really lucky.""

"Guanyin, have you ever climbed the ladder to heaven?"

"Climbed it!"

"How many floors did you climb?"

"none of your business!"

Chapter 1548

Su Chen was speechless when he looked at Guanyin Bodhisattva.

Guanyin Bodhisattva had completely changed.

Is this still the holy, kind and beautiful Guanyin Bodhisattva? She is like a proud and powerful woman.

Su Chen looked at the Guanyin Bodhisattva in the sky and said,

"Bodhisattva, do me a favor. I have a trial mission this time. I have to follow the monkey demon in Huaguo Mountain. Is there any way for me to follow that monkey without being discovered?"

Guanyin Bodhisattva looked at Su Chen and said mockingly, "Hey, why should I help you?""

"Guanyin, you see we are all old acquaintances. You are a Bodhisattva. Doesn't the Bodhisattva want to save all sentient beings? Just pray for me!"

"I won't help you, you should figure it out on your own"

"I guess, that monkey is much stronger than me at first glance. How could I possibly do anything about it? Bodhisattva, you wouldn't be so heartless, would you?"

"Su Chen, are we familiar?"

Su Chen nodded hurriedly and said quickly, "Familiar, we are very familiar, your pink underwear.....Ahem, cough, myself Way to go, goodbye."

Whoosh!

Su Chen hurriedly teleported and disappeared from Guanyin Bodhisattva.

He was trying to die again just now.

If Guanyin Bodhisattva's pink underwear was reacted to by Guanyin Bodhisattva, he might die.

Guanyin Bodhisattva's face changed instantly.

She didn't expect that Su Chen knew the color of her underwear.

But how could this be possible?

Su Chen was not an immortal, and even an immortal could not know about her underwear.

This damn bastard!

Guanyin Bodhisattva suddenly thought of the ladder to heaven, the ladder to heaven Her phantom must have appeared on the ladder. This bastard must have discovered her privacy on the ladder.

Whoosh!

The white lotus of Guanyin Bodhisattva suddenly turned around, and

Su Chen was caught by her in an instant.

On the white lotus,

Guanyin Bodhisattva saw being Su Chen smiled after being captured.

This is a prehistoric world.

Can her quasi-sage power still allow Su Chen to escape?

Guanyin Bodhisattva can capture Su Chen with just one thought. There is no way this bastard can escape from her. The palm of your hand.

Let me get it!

This old lady is too powerful.

This time she is going to finish her game.

Su Chen was very helpless when he was fixed in the air. The cultivation level between him and Guanyin Bodhisattva was too far apart. If there was a clone of Guanyin Bodhisattva in the Shenyin Continent, I'm afraid I won't be able to catch him.

But this is the prehistoric world, and Guanyin Bodhisattva is some of the top people in the prehistoric world. I'm afraid he can't escape the capture of Guanyin Bodhisattva even if he runs for three days and three nights.

"Su Chen, what do you think I should do with you?"

Guanyin Bodhisattva waved her hand and moved Su Chen to the opposite side of her. She wanted to see what last words this shameless pervert had. This shameless pervert would never let him go easily this time.

Su Chen looked at Guanyin Bodhisattva and said Please say,

"How about letting me go?"

"ha? Do you think that's possible?"

"Maybe, Bodhisattva, you must not be impulsive, we are already skin to skin." boom!

"you wanna die!"

Guanyin Bodhisattva didn't expect that this bastard would still be stubborn. She now wants to kill this shameless pervert. This bastard is a hopeless human being.

Cough cough cough....

Su Chen was so shocked by the aura of Guanyin Bodhisattva that he kept vomiting blood.

He was a little afraid of Guanyin Bodhisattva's strength. Just a little momentum could cause him to be seriously injured. If Guanyin Bodhisattva had murderous intentions towards him, he would probably be killed in an instant. Died by being annihilated.

Whoosh!

At this time, a woman suddenly appeared, grabbed Su Chen and disappeared.

"who?"

Guanyin Bodhisattva saw that Su Chen was taken away instantly. She hurriedly urged Bai Lian to chase after him.

A woman's voice came from a distance, "Guanyin, I took Su Chen away."

"There is no need to be a holy mother, let go of Su Chen."

Guanyin Bodhisattva was very angry when she heard this woman's voice.

She knew who this woman was.

Guanyin Bodhisattva did not expect that Our Lady of Wudang would come to rob Su Chen. Although she was very angry with Su Chen, Su Chen was very angry with her. It was of great significance. She could not let Su Chen be captured by the Wudang Virgin.

Boom boom boom.....

Over the East China Sea,

Guanyin Bodhisattva and Our Lady of Wudang fought fiercely.

The entire East China Sea was shaken by their battle, and huge waves rolled one after another.

The Dragon Palace in the East China Sea was also shaken.

A Dragon King with a dragon head and body in the Dragon Palace immediately ordered,

"How is this going? What happened in the East China Sea? Yaksha, go and find out quickly"

"Yes, Dragon King."

Huaguo Mountain,

Sun Wukong also looked in the direction of the East China Sea.

He originally wanted to go there to have a look, but the strong fighting aura made him dare not go there easily. The two people fighting were too powerful.

Sun Wukong looked embarrassed. Confidence

"Who is this? Why is he so much more powerful than Lao Sun?"

In the Heavenly Court, in the Lingxiao Palace, the Jade Emperor and the Queen Mother passed through the Haotian Realm. They were watching the battle between Guanyin Bodhisattva and Wudang Virgin.

When they saw Guanyin Bodhisattva and Wudang Virgin robbed a cultivator, they all felt It's unbelievable.

How could a cultivator of immortality let the Buddhist Guanyin Bodhisattva and the Taoist Wudang Holy Mother compete for each other?

Is that cultivator of immortality different?

"Emperor of Heaven, did you see anything about that immortal cultivator?"

"No, that immortal cultivator is just an ordinary immortal cultivator. I didn't notice any difference."

On the high seat, the Queen Mother, dressed gracefully and luxuriously, shook her head and explained,

"No, that cultivator is probably extraordinary"

"You see, although Guanyin Bodhisattva has been attacking the Wudang Virgin, her attacks have been deliberately avoiding the immortal cultivator. This shows that Guanyin Bodhisattva cares about the immortal cultivator very much."

"And Mother Wudang is also always protecting the immortal cultivator. A human being who can be favored by the strong men of the two major sects and even fight for it. Can that immortal cultivator be an ordinary person?"

The Heavenly Emperor Haotian nodded and said seriously,

"The Queen Mother is right. It seems that we should pay attention to this immortal cultivator in the future."

In a palace in the heaven, next to a huge alchemy furnace,

Taishang Laojun looked at Donghai and murmured to himself, "A human with great luck? Why did another human being with great luck appear in the ancient times? Has Buddhism's Journey to the West changed?"

In the East China Sea,

Guanyin Bodhisattva and Wudang Holy Mother are still fighting, and they even used the innate spiritual treasures.

Su Chen is looking at all this in confusion,

Wudang Holy Mother?

This person who captured him is Mother Wudang?

Just why did Mother Wudang arrest him?

Su Chen has never interacted with Mother Wudang, or even met her. Is it because of the little white snake? Is Old Mother Lishan really the clone of Mother Wudang? ?

Guanyin Bodhisattva threatened Madam Wudang with an indifferent expression, "Madonna Wudang, hand over Su Chen, otherwise you will not be able to bear the consequences.""

"Guanyin.....No, Cihang, I must take Su Chen away. Do you think I will be afraid of you Buddhists?"

Chapter 1549

Mother Wudang's threat to Guanyin Bodhisattva is not taken to heart at all.

Buddhism is now preparing for the journey to the west, and it will definitely not dare to offend anyone at this time.

Although she was the only one left in Jiejiao, there were still many people in Jiejiao in Heaven. If Buddhism wanted to move, they would not only have to face the wrath of their teacher, Master Tongtian, but they would also be suppressed by fellow sects in Heaven. Guanyin Bodhisattva looked at Our Lady of Wudang and shouted angrily, "Damn it, Our Lady of Wudang, Su Chen is just an ordinary cultivator, why do you want to arrest him? Has Su Chen offended you?" Our Lady of Wudang looked at her. Su Chen said with a smile in his hand

"Su Chen didn't offend me. I was just saving him. Otherwise, you would have killed this innocent cultivator. Cihang, has your compassion been disguised for so many years?"

Our Lady of Wudang also discovered that Guanyin Bodhisattva cares very much about Su Chen. The attacks just now were all deliberately bypassing Su Chen. She is now going to be angry with this apostate Guanyin Bodhisattva.

"I won't kill this bastard, no saint, I can swear to heaven, I, Guanyin Bodhisattva, have no intention of killing Su Chen. Please return Su Chen to me quickly."

"laugh! Even if you don't kill Su Chen, I can't return him to you. Guanyin Bodhisattva, you seem to care about this Su Chen very much. Is it possible that this Su Chen and you don't see each other?"

"Damn it, you are seeking death!"

When Guanyin Bodhisattva heard the words of the Holy Mother Wudang, she was full of shame and anger and wanted to urge Lingbao to kill the poisonous woman.

At this time, the Dragon King of the East China Sea came over quickly and shouted, "Stop, stop, you two great immortals, the little one The Dragon King of the East China Sea, please ask the two immortals not to continue fighting, otherwise the East China Sea will be over. Su

Chen also hurriedly said at this time, "Misunderstandings are all misunderstandings. Mother Wudang, please let me go. Guanyin Bodhisattva will not kill me. We are just joking.""

Su Chen is not willing to leave with Our Lady of Wudang.

There must be some conspiracy behind the appearance of Our Lady of Wudang. Su Chen also clearly heard what Guanyin Bodhisattva just said. He also felt that Guanyin Bodhisattva would not kill him.

Su Chen felt that it was better to It is safer to be with the beautiful Guanyin Bodhisattva. After all, he and Guanyin Bodhisattva are old acquaintances. Besides, Buddhism is now very prosperous in the ancient world.

Su Chen also wants to use Guanyin Bodhisattva to complete this trial.

Guanyin Bodhisattva listens She laughed when she heard what Su Chen said.

She didn't expect that bastard to say that. It seemed that this bastard still knew how to treat him well. It was no wonder that she didn't attack this bastard just now.

The Mother of God frowned and said to Su Chen asked, "Su Chen, are you sure?"

"Sure, very sure."

Su Chen nodded hurriedly and replied,

Su Chen is not willing to be with the people who teach Jiejiao.

Jiejiao is a trap.

Whoever goes in may be trapped, and may even die without a burial place.

Su Chen can I didn't want to get involved with Jie Jiao, especially in the world of Journey to the West.

Our Lady of Wudang frowned and scolded Su Chen,

"Humph, it was in vain that I came here to save you bastard. Su Chen, my disciple is closely related to you. You should not get too close to Buddhism in the future. I will still look for you in the future."

Our Lady of Wudang said to Su Chen and disappeared instantly.

She sensed that many powerful people were paying attention here, and Our Lady of Wudang did not want to continue fighting with Guanyin Bodhisattva.

"I'll do it!"

Su Chen suddenly fell after Wudang Madonna disappeared, whoosh!

"Su Chen, you bastard, you are so capable, there is an unworthy Holy Mother who intercepts the teachings and comes to save you."

After Guanyin Bodhisattva caught Su Chen with her white lotus, she disturbed the strong men's visit here and said sarcastically.

Su Chen stood on the white lotus and replied, "Bodhisattva, I don't know the Holy Mother Wudang at all. You should know this, but I know nothing about this place now."

Guanyin Bodhisattva restored her noble and holy appearance and reminded Su Chen,

"Of course I know, but because you just protected my face, I will forgive you this time. If you dare to play tricks on me in the future, be careful I will kill you with one palm."

"Bodhisattva, can you help me follow that monkey?"

"Why are you following that monkey?"

Su Chen looked at Guanyin Bodhisattva and started talking nonsense, "I don't know, the test of the ladder to heaven is to make me follow this monkey all the time, and I can't lose it."

Guanyin Bodhisattva nodded when she heard Su Chen's words.

She also knew the ability of Tianlai.

This time Tianlai's trial for Su Chen will definitely not be easy. This bastard is now at the peak of Dongxu Realm. I'm afraid he won't need a few In the next year, Guanyin Bodhisattva will ascend to the prehistoric immortal world.

After thinking about it, Guanyin Bodhisattva decided,

"Let's do this. I will lend you my eighth-grade Pure World White Lotus first. You can use my White Lotus to follow that monkey, but that monkey has an extraordinary origin. You must not take action against the monkey."

Su Chen quickly thanked Guanyin Bodhisattva after hearing his words,

"Thank you. Bodhisattva is kind to me. Don't worry, the monkey is much stronger than me. I will not seek death to offend that monkey."

Guanyin Bodhisattva glared at Su Chen and reminded,

"Don't be glib in front of me. I'll leave as soon as I have something to do. If you are in danger, call me to the white lotus. There is a trace of my soul on the white lotus. I will hear it."

"Okay, Bodhisattva, go and get busy."

Su Chen is now eager for everyone to leave.

Now with Guanyin Bodhisattva's White Lotus,

Su Chen has no problem walking sideways in the world of Journey to the West.

Buddhism is the most powerful sect in the world of Journey to the West, and Guanyin Bodhisattva is the representative figure of Buddhism. , as long as he doesn't meet those immortal powerful men, I'm afraid no immortals or monsters would dare to pay his attention.

"Old Dragon King!"

Su Chen was very speechless when he saw the old Dragon King next to him.

The Dragon King of the East China Sea is a golden immortal no matter what, but Guanyin Bodhisattva and Our Lady of Infinity didn't even pay attention to him. With low strength, he really has no human rights in this ancient world.

When the Dragon King of the East China Sea heard Su Chen calling him, he hurriedly saluted Su Chen and said,

"What did the Immortal say?"

Su Chen sat on the white lotus and waved his hands and said, "I am not an immortal, I am just an ordinary cultivator."

The Dragon King of the East China Sea didn't believe what Su Chen said.

If Su Chen were an ordinary person? How could the Buddhist Guanyin Bodhisattva and the Wudang Holy Mother of Jiejiao care so much?

Besides, Guanyin Bodhisattva also gave Su Chen her top-grade innate spiritual treasure. In the morning, the two powerful quasi-sages took good care of Su Chen, but the Dragon King of the East China Sea did not dare to offend Su Chen.

Su Chen suddenly thought of Sun Wukong's golden cudgel, and he smiled and said to the Dragon King of the East China Sea, "Dragon King of the East China Sea, I haven't been to the Dragon Palace yet. Please take me to the Dragon Palace to see it!"

"Okay, Shangxian actually wants to visit the East China Sea Dragon Palace, and the old dragon is very welcoming."

Chapter 1550

In the East China Sea Dragon Palace,

Su Chen has been here for more than ten days, but the monkey has never arrived.

Su Chen also went to see the Golden Cudgel, oh no!

Now it is still the Dinghai Divine Needle.

It is obviously the Dinghai Divine Needle. Why did Sun Wukong see the Ruyi Golden Cudgel? This made Su Chen confused.

However, the Dinghai Divine Needle is really very heavy.

Su Chen also tried to see if he could pull out the Dinghai Divine Needle, but it did not shake the Dinghai Divine Needle at all.

The Dragon Palace of the East China Sea is very spectacular, and can even be said to be very rich.

No wonder the powerful immortals and demons in the ancient world would pay attention to the Dragon Palace of the Four Seas. It is weak, but it is also very rich. If not robbery, who are they to rob?

Next to the Dinghai Divine Needle,

Su Chen sat on a chair and looked at the Dinghai Divine Needle. The table next to him was filled with fine wine and spiritual fruits. He was now waiting for the arrival of Sun Wukong at the Dinghai Divine Needle.

No, just wait and see!

"Immortal, please drink!" A dragon girl next to her poured a glass of wine and handed it to Su Chen and said,

"Princess Halloween, why haven't you returned to your Bibo Pool yet?"

Su Chen was very speechless when he looked at the beautiful dragon girl next to him.

This is an important character in the plot of Journey to the West. She is the fiancée of Xiao Bailong and the wife of Nine-Headed Insect, Princess Wan Sheng. Su Chen didn't expect this dragon either. The girl was actually in the East China Sea Dragon Palace.

When the old Dragon King introduced Princess Wan Sheng, Su Chen just looked at Princess Wan Sheng in surprise. He didn't expect that the old Dragon King actually asked Princess Wan Sheng to serve him.

Su Chen had already done this a few days ago. He asked Princess Wan Sheng to stop coming when he had nothing to do, but Princess Wan Sheng still came to serve him every day.

Princess Wan Sheng was very beautiful and charming, with a curvy figure and an exquisite appearance, especially in the dress Princess Wan Sheng wore. A light gauze dress made her look extremely tempting. The Halloween Princess was even more tempting than the alien Hu Ji.

Su Chen couldn't help but take a few more glances.

But this Halloween Princess Su Chen But I don't dare to get involved. If Princess Wan Sheng gets involved with the Nine-Headed Insect again in the future, a green cuckold Su Chen will be brought along.

Princess Wan Sheng smiled sweetly and said to Su Chen, "Shangxian, I But the Dragon King of the East China Sea asked me to serve you. Without the order of the Dragon King of the East China Sea, I dare not leave. Besides, I am also willing to serve the Immortal."

"I am not an immortal, you are all immortals, I am an immortal cultivator"

"The Supreme Immortal is at the peak of the Dongxu Realm when he is only over 20 years old, and becoming an Immortal is not far away. I am tens of thousands of years old before I am a Black Immortal, but I am not as good as the Supreme Immortal."

"By the way, do you know the third prince of Xihai Dragon Palace?"

"I don't know, is the Immortal going to the West Sea Dragon Palace?"

"Don't go!"

Su Chen shook his head when he heard Princess All Saints' words.

He now wants to remind Princess All Saints, but he is also afraid of ruining the disaster of Journey to the West. If he reminds Princess All Saints, Guanyin Bodhisattva will be angry again if he knows about it.. It

's just that Princess Wan Sheng has taken good care of him in the past ten days. Su Chen is now confused about whether to remind Princess Wan Sheng.

Boom!

At this time, the East China Sea Dragon Palace suddenly shook.

"What happened? Princess Wan Sheng asked in panic as she fell into Su Chen's arms.

"It's okay, don't worry!" Su Chen hugged Princess Wan Sheng and shook his head.

Sun Wukong has finally arrived, and the drama of causing havoc in heaven is about to begin.

Su Chen has no intention of going to the Dragon Palace to have a look. The Dragon King of the East China Sea will definitely bring Sun Wukong to get the Poseidon Needle in a while.

"Oh no, Immortal, a monkey came to the Dragon Palace of the East China Sea, and that monkey was making a big fuss in the Dragon Palace." "This is it," a dragon girl ran over and shouted to Su Chen.

Su Chen comforted the little dragon girl who arrived, "Xiaojiu, don't worry, your father can deal with a golden fairy monkey, so you can rest assured." "

Su Chen was very speechless when he saw the little dragon girl running over.

The Dragon King of the East China Sea was not a golden immortal, but a Taiyi Golden Immortal.

He only found out when he came to the Dragon Palace. The fact that Sun Wukong was a golden immortal was also said by the Dragon King of the East China Sea. After all, he is relatively clear about his neighbor, the Dragon King of the East China Sea.

"you.....Why are you holding Halloween?" "The Ninth Princess of Donghai no longer panicked after hearing Su Chen's words, but when she saw Su Chen holding Princess Wan Sheng, she asked with a swollen face in displeasure.

Su Chen coughed in embarrassment and said, "Ahem, misunderstanding, wasn't the Dragon Palace shaken just now? Halloween almost fell, so I hurriedly hugged her."

"A Xuanxian would fall down in fear, are you lying to me?" Ninth Princess looked at Princess Wan Sheng and said mockingly,

"Huh? That's right."

Su Chen looked at the rosy-faced Princess Wan Sheng and reacted.

Princess Wan Sheng is not weak. How could a Xuanxian be frightened? It must have been intentional by Princess Wan Sheng, the little dragon girl. She is so charming. Really?

A dragon girl actually threw herself into her arms?

Bang bang bang!

Su Chen patted Princess Wan Sheng on the back and shook her head and said, "Get up, the Dragon King of the East China Sea will arrive soon, and you don't want to Did the Dragon King of the East China Sea see us like this?"

"Immortal, what is the origin of that monkey? do you know? Princess Wan Sheng shyly got up from Su Chen's arms and asked.

Su Chen heard Princess Wan Sheng's question, and the Nine Princesses of the East China Sea were also very curious.

Su Chen smiled and said to them,

"The monkey has a strong background. You will know this in the future. Remember, you must never offend that monkey in the future, at least for a thousand years."

"Yes, Immortal!"The Ninth Princess of the East China Sea and Princess Wan Sheng looked at each other and replied hurriedly.

They knew that Su Chen's background was very powerful.

The Wudang Virgin of Jiejiao and the Guanyin Bodhisattva of Buddhism, these two powerful powers had great influence on Su Chen. Chen took good care of her. Su Chen's background said that the monkey's background was strong, and they all believed it very much.

Su Chen looked at the human race's most valuable treasure of merit, the Sea-Dinging Needle. After a while, the Sea-Dinging Needle was about to be taken away by a monkey.

He too I am very helpless.

The Dinghai Shenzhen is a treasure of merit and virtue. Killing people is not related to cause and effect. It is just used by a puppet monkey to kill continuously. Is this ruining the destiny of the human race?

"Immortal, the old dragon is here to disturb you."

At this time, the Dragon King of the East China Sea arrived with a frizzy monkey.

When Sun Wukong saw Su Chen, he was very disdainful. He didn't even pay attention to a small human monk.

"A tiny human monk? Old Dragon King, why are you so polite to a little human, why don't you let me eat him?"

When the Dragon King of the East China Sea heard Sun Wukong's words, he hurriedly shouted, "No, no, Monkey King, this is a distinguished guest of my Dragon Palace. Please don't disturb my distinguished guest."

Su Chen looked at Sun Wukong with a gloomy expression.

It seems that Sun Wukong has not stopped eating people. Monsters are monsters. Sun Wukong is now wild and untamed. I am afraid that many of the humans around Huaguo Mountain will be eaten by Sun Wukong's monkeys.

The Dinghai Shenzhen. The human race's most valuable merits and virtues are actually handed over to a monkey that has eaten people.

Are all the human emperors in the prehistoric world blind?

Or did Buddhism give benefits to those human emperors in Huoyundong?"
