

Zongwu 1551

Chapter 1551

Su Chen looked at the Dinghai Shenzhen but there was nothing he could do.

He, a small immortal cultivator, had no way to stop him.

The human race had no status at all in the prehistoric world. The human race was the pawn of the gods, immortals and demons in the prehistoric world, and was even the target of luck plunder. Even the Human Emperors in Huoyundong want to betray the interests of the human race.

What can he do?

Princess Wan Sheng and Princess Ninth saw that Su Chen's face was very ugly.

They also disliked Sun Wukong very much, but they had no role to speak here at all. Princess Ninth Princess and Princess Wan Sheng could only stare at Sun Wukong.

Su Chen looked at Sun Wukong and said disdainfully, "Sun Wukong, didn't your master teach you a lesson?"

"What's the point?"

Sun Wukong looked at Su Chen and was very curious.

A small human monk would actually preach to him. He wanted to see what this little monk had to say.

Su Chen glanced at Sun Wukong and mocked, "If you have the strength to show off, Those who are awesome are called awesome, and those who don't have the strength to show off are called idiots."

A monster with the strength of a golden immortal dares to be so rampant.

If it weren't for the Buddhist people wiping his butt, Sun Wukong would have died countless times.

An arrogant and ignorant monkey, a doomed puppet,

Su Chen is now facing He has no sympathy at all

"What is awesome? What is a fool?" Sun Wukong looked at Su Chen and asked doubtfully.

Su Chen waved his hand and drank the spirit wine and said,

"You will understand it in the future. If you don't understand it, think about it carefully in the next five hundred years. Anyway, you will have plenty of time to think about it in the future."

Sun Wukong thought for a while but didn't know what Su Chen meant.

When he saw the huge pillar next to him, his eyes gleamed and he asked, "It's inexplicable, Old Dragon King of the East China Sea, is this the Dinghai Shenzhen you mentioned?"

The Dragon King of the East China Sea nodded and replied,

"Yes, Monkey King, as long as you can hold it, the Sea-Dinging Needle is yours."

"Old Dragon King, don't regret it!"

"Lao Long never regrets what he says."

When Sun Wukong heard what the Dragon King of the East China Sea said, he walked directly in front of the Dinghai Divine Needle. He circled around the Dinghai Divine Needle for a few times and then looked upward.

"Ruyi golden cudgel weighs 123,500 kilograms." Sun Wukong read out the words on the Dinghai needle when he saw it.

Su Chen looked over after hearing Sun Wukong's words.

He didn't find the words on the Dinghai needle here for several days, but the words appeared as soon as Sun Wukong came over.

Su Chen said to Dayu The Human Emperor was really speechless.

"little little little....."

At this time,

Sun Wukong looked at the Dinghai Divine Needle and kept shouting, boom boom boom.....

At this time, the East China Sea was churning again, and the violent tremors on the bottom of the sea caused many of the palaces of the East China Sea Dragon Palace to collapse.

Su Chen also stood up from the chair.

If it weren't for the support of Princess Wan Sheng and Ninth Princess, he might have been so shaken that he couldn't stand still.

"Haha, this Ruyi Golden Cudgel is indeed destined to Lao Sun."Sun Wukong looked at the Ruyi Golden Cudgel that turned into a stick-sized one. He laughed and was about to pick it up.

"Forehead?"

Sun Wukong grabbed the Ruyi Golden Cudgel with one hand and was about to lift it up, but he couldn't lift the Golden Cudgel.

This made Sun Wukong immediately use both hands to pull it up.

Su Chen saw that Sun Wukong was struggling but did not pick up the Dinghai Divine Needle. Su Chen looked at it and didn't understand, "Eh? How is this going? Why can't Sun Wukong lift the Sea Ding Needle?"

"Immortal, can Sun Wukong take away the Dinghai Divine Needle?" The Ninth Princess of Donghai looked at Su Chen and asked doubtfully,

"I don't know, maybe things have changed." Su Chen shook his head and replied. He still couldn't figure out what was going on.

Princess Wan Sheng looked at Su Chen and asked, "Shangxian, you have been here for more than ten days. Have you tried the Sea Ding Needle?"

"I tried, but I can't pull it out."

"Sun Wukong can't pull it out now. It seems that no one can pull out the Dinghai Needle."

"rise....."

Sun Wukong used all his magic power but could not shake the Dinghai Divine Needle even a bit, which made Sun Wukong look very ugly now.

The Dragon King of the East China Sea looked confused next to him.

How could this be possible?

How could Sun Wukong not be able to pull out the Dinghai Needle?

Didn't Taishang Laojun and Human Emperor Dayu agree to let Sun Wukong take away the Dinghai Shenzen?

How could this happen now?

"Ahhhhhhh....." Sun Wukong grabbed the Dinghai Divine Needle with both hands and shouted,

"A crazy monkey." Princess Wan Sheng covered her ears when she saw Sun Wukong going crazy.

Princess Ninth also covered her ears and said displeasedly,

"That is, if you can't pull it out, you can't pull it out. Can you pull out the Dinghai Shenzen just by screaming like crazy?"

Su Chen looked at Dinghai Shenzen and was very confused.

What on earth is going on?

Dinghai Shenzen doesn't agree with Sun Wukong?

Is there someone powerful who is causing trouble here?

"Dragon King of the East China Sea, I can't pull out this Ruyi Golden Cudgel. Do you have any other weapons here?"

The Dragon King of the East China Sea was speechless when he heard that Sun Wukong could not pull out the Dinghai Needle.

This Dinghai Needle was obviously prepared for Sun Wukong, but if the monkey could not pull it out, the Dragon King of the East China Sea would not be able to provide Sun Wukong with other spiritual treasures.

"this.....Monkey King, there are no other weapons here. You should try this sea-fixing needle again.
Sun

Wukong waved his hand and refused, "No, I can't pull out this Ruyi Golden Cudgel.""

Sun Wukong looked at this little stick and felt very helpless. He liked this Ruyi Golden Cudgel very much, but he didn't have the ability to pull it out, and there was nothing he could do about it.

"this.....There is nothing the old dragon can do. Sun

Wukong shouted angrily when he saw Su Chen's mocking look, "Human monk, what are you laughing at?" Old Sun, I can't pull out the Ruyi Golden Cudgel. Can you pull it out?"

"No, besides, this is the most valuable treasure of the human race, the Sea-Dinging Needle. If you, a human-eating monkey, could pull it out, it would be an insult to the most valuable treasure of the human race."

"The supreme treasure of human race's merits? This is the Dragon Palace of the East China Sea. How can this Ruyi Golden Cudgel be the most valuable treasure of the human race?"

"laugh! It's better if you don't know. Isn't it better to live ignorantly?"

Sun Wukong was confused when he heard Su Chen's words.

He found that he couldn't understand what this human said.

Sun Wukong looked at Su Chen and shouted, "Boy, what are you talking about? Why don't I understand? Go and pull it out. You are a human. I want to see if you can pull it out."

"I can't pull it out!"

"How do you know it can't be pulled out if you haven't tried it? Pull it out quickly!"

Su Chen shook his head when he heard Sun Wukong's words.

Could it be that Sun Wukong felt that he was embarrassed here? Is he planning to embarrass himself too?

"Dinghai Shenzhen!"

Whoosh!"

Su Chen shouted casually while sitting on the chair.

He originally thought that this would make Sun Wukong laugh at him, so that he would not have to pull out the Dinghai Divine Needle anymore, but Su Chen did not expect that the Dinghai Divine Needle would fly into Su Chen's hand..Su

Chen was stunned when he looked at the Dinghai Shenzen in his hand.

Chapter 1552

When Su Chen was confused with the Sea-Dinging Needle, the Old Dragon King was also very confused. How could the weapons prepared by Taishang Laojun and Human Emperor Dayu for Sun Wukong recognize Su Chen?

This made him even more curious about Su Chen's identity.

When Princess Wan Sheng and Ninth Princess saw Su Chen, they just shouted, and the sea-fixing needle flew into Su Chen's hand, which made them very happy just looking at Su Chen.

Is this really the most valuable merit of the human race?

Why did this human monk just scream and the Ruyi Golden Cudgel flew into this human's hand?

When Sun Wukong looked at Su Chen, his face turned ugly.

He clenched his fists to destroy this human being, and then took away the Ruyi Golden Cudgel.

"You want to kill me?"

Su Chen saw Sun Wukong's murderous intention. He didn't expect that Sun Wukong would kill people and seize the treasure.

"Hand over the Ruyi Golden Cudgel, or die!"

The Dragon King of the East China Sea hurriedly grabbed Sun Wukong and said, "No, Monkey King, you cannot kill Su Chen. You must not act recklessly. Princess

Wan Sheng and Ninth Princess hurriedly pulled out their spiritual treasures to protect Su Chen. They were worried that Sun Wukong would really attack Su Chen.

Su Chen inserted the Sea Ding Needle into the ground and taunted Sun Wukong, "Tsk!" Sun Wukong, the Sea-Dinging Needle is here. If you can take it away, take it away. But do you have the ability?"

"damn it!"

Boom!

Sun Wukong was so angry that he directly grabbed Su Chen.

But at this time, the Dragon King of the East China Sea hurriedly blocked Sun Wukong's attack.

"Monkey King, I told you that you cannot touch Immortal Su Chen." The Dragon King of East China Sea looked at Sun Wukong and said expressionlessly.

The Dragon King of East China Sea is not going to pretend anymore. If something happens to Su Chen in his East China Sea, I am afraid that neither Jiejiao nor Buddhism will let him go.

Although Sun Wukong is also an important figure in Buddhism,

But can he compare with Su Chen?

Guanyin Bodhisattva is very kind to Su Chen.

If he had to choose, he guessed that Guanyin Bodhisattva would definitely give up Sun Wukong.

Sun Wukong looked at the old Dragon King and was very surprised, "You.....Old Dragon King, I didn't expect you to be stronger than me."

The Dragon King of the East China Sea looked at Sun Wukong and warned,

"Monkey King, the East China Sea Dragon Palace and your Huaguo Mountain are neighbors. You come to ask for weapons, and the old dragon will obey you. However, Su Chen is a distinguished guest of the East China Sea Dragon Palace. You cannot take action against Su Chen."

"Huh, Lao Sun said goodbye!" When Sun Wukong heard the words of the Dragon King of the East China Sea, he glared at Su Chen and disappeared.

Sun Wukong did not expect that the Dragon King of the East China Sea was stronger than him.

Besides, the Dragon King of the East China Sea did not treat him badly.

Sun Wukong did not want to fall out with the Dragon King of the East China Sea.

However, he remembered the human being Su Chen, and he would have plenty of time to deal with that human being in the future.

Chaos!

Complete chaos!

Sun Wukong no longer has the Golden Cudgel. Is this still Sun Wukong?

Su Chen looked at the Dinghai Shenzhen beside him and was very confused. , the Dinghai Divine Needle didn't react to him at all at first, but after Sun Wukong arrived, how could the Dinghai Divine Needle recognize him as its owner?

Su Chen couldn't understand this either.

However!

Su Chen knew that he was in big trouble, and

Buddhism prepared it for Sun Wukong. The Dinghai Divine Needle was cut off by him, and Buddhism might not let him go.

Guanyin Bodhisattva might get the news, and

Su Chen is about to run away. Although Guanyin Bodhisattva cannot kill him, if Guanyin Bodhisattva beats him, he will too. It would be very shameless.

"Immortal, what on earth is going on?"

"I don't know. If the Dragon King of the East China Sea, Guanyin Bodhisattva or someone from Buddhism comes to ask, just tell the truth."

"Yes, Immortal!"

"I'm leaving. Thank you Dragon King of the East China Sea for taking care of you these past ten days. Wan Sheng, Ninth Princess, please remember my words. Don't offend that monkey for a thousand years. If you encounter that monkey in the future, stay away."

After Su Chen thanked the old Dragon King, he gave instructions to the All Saints Princess and the Ninth Princess.

Su Chen was also worried that the All Saints Princess and the Ninth Princess would be plotted by Buddhism and become a disaster in the journey to the West.

"Shangxian, will you come to East China Sea Dragon Palace again in the future?"

"Shangxian, I am going back to Bibo Pool in the future. If you must go, just go to Bibo Pool to find me."

When the Ninth Princess and Princess Wan Sheng saw that Su Chen was about to leave, they were reluctant to tell Su Chen.

Although they had only been with Su Chen for more than ten days, the stories Su Chen told them were even humorous and made them laugh. They all had a very favorable impression of Su Chen.

Su Chen nodded to Princess Wan Sheng and Ninth Princess and replied, "I understand! I will come to visit you in the future."

The Dragon King of the East China Sea took out a storage bag and handed it to Su Chen and said, "Shangxian, this is a gift from the old man. I hope the Shangxian can accept it."

"Old Dragon King, thank you very much."

Su Chen smiled after accepting the storage bag from the Dragon King of the East China Sea.

He would not be polite to a free gift.

Anyway, the Dragon Clan is very rich.

He almost forgot to ask the old Dragon King for some spiritual fruits and spiritual wine just now. , I didn't expect that the old Dragon King would be so sensible and come to my door automatically. This old Dragon King was indeed an old man.

Su Chen waved his hands to Princess Wan Sheng and Ninth Princess. He put away the Sea Ding Needle, activated Bai Lian, and disappeared in an instant. East China Sea Dragon Palace.

At this moment, in the Tushita Palace in the heaven,

Taishang Laojun discovered that the Dinghai Divine Needle had disconnected from him.

This made him a little confused.

During the reign of Emperor Dayu, the Dinghai Divine Needle was not disconnected from him. , how come Sun Wukong will be disconnected from the Dinghai Divine Needle?

Huh?

The Dinghai Divine Needle is not in Sun Wukong's hand?

How is this possible?

Could it be that Human Emperor Dayu regretted it?

No!

This is?

That human race?

How did that human race get the Dinghai Divine Needle?

Taishang Laojun calculated that the Dinghai Divine Needle was actually obtained by Su Chen, which he did not expect.

He refined the Dinghai Divine Needle and gave it to Dayu. Previously, he and Dayu used their magic power to make the Dinghai Divine Needle recognize Sun Wukong, but in the end How could the Dinghai Divine Needle recognize a human being?

In the Fire Cloud Cave, the Human Emperor Dayu suddenly felt that the Dinghai Divine Needle had disconnected from him.

He didn't care.

He felt that this was either caused by Taishang Laojun or by Buddhism. Ghost, it is impossible to stop Dayu in the Fire Cloud Cave.

This place is a prison.

It is impossible for the Human Emperors to leave the Fire Cloud Cave. Besides, he has reached an agreement with Taishang Laojun, and the Dinghai Shenzhen will be the same in the future. It has nothing to do with him anymore

"Suchen, you bastard!"

After Guanyin Bodhisattva informed the Buddhist sect, her beautiful face showed an angry expression.

Guanyin Bodhisattva did not expect that bastard Su Chen to disrupt the arrangement of their Buddhist sect, and Sun Wukong did not get the Dinghai Divine Needle. This was a huge blow to their Buddhist sect. The layout is very unfavorable.

The Dinghai Shenzhen kills people without karma.

Sun Wukong will kill a lot of monsters in the future. If Sun Wukong uses other spiritual treasures to kill those monsters, Sun Wukong will also be stained with a lot of karma, which is very harmful to their Buddhist sect. disadvantage

"Huh? No, how could Su Chen get the Dinghai Needle? As a small human monk, Su Chen has no ability to obtain the Dinghai Divine Needle. Could it be that there are other powerful people here deliberately causing trouble?"

Chapter 1553

Guanyin Bodhisattva felt that there must be other powerful ghosts here, and Su Chen might have been caught in a conspiracy.

So who could it be?

Explain the teaching?

People teach?

Or intercept and teach those remnants?

Or even other powerful people trying to fish in troubled waters?

Guanyin Bodhisattva looked ugly and said to himself, "No, that bastard can't be in danger. However, we should go back to Lingshan first. Other Buddhas must know about this."

At this time,

Su Chen After flying out of the East China Sea Dragon Palace, he didn't know where he was going.

He couldn't stay away from Sun Wukong's Huaguo Mountain. The next plot was that Sun Wukong would sworn sworn sworn relatives with several other great demons.

However, without the Golden Cudgel, Sun Wukong

's strength will probably be greatly reduced. I think Buddhism will definitely take action. Does Buddhism want to snatch the Dinghai Shen Needle from him? Or find another meritorious treasure for Sun Wukong? boom!

"Little thief, you actually peeked at me taking a shower? Die!"

Come on!

Su Chen was thinking about something. He didn't expect to be attacked. He even peeked at him in the shower. Did he peek?

Damn! It's so stupid!

Su Chen looked at the woman in the river. His eyes widened.

Boom boom boom!

The woman in the river started blasting at Su Chen in the air. However, Su Chen was protected by Guanyin Bodhisattva's eighth-grade Pure World White Lotus. No matter how the woman in the river attacked Su Chen, she couldn't. Use.

The woman in the river attacked Su Chen for a while.

When she saw that she couldn't hurt the peeper, she angrily took out the top-grade Xiantian Lingbao banana fan and was about to attack this shameless pervert, "Damn it, it's actually a top-grade person. Innate spiritual treasure, look at my banana fan"

"Let me go, Banana Fan, are you the Rakshasa Iron Fan Princess?" Su Chen asked in confusion when he heard what the woman in the river said.

"You idiot, go to hell!"

Boom!

Damn it!

Su Chen was slapped by Princess Iron Fan and flew out. He would have been fine with the Eighth Grade Pure White Lotus, but after all, his magic power was low and he could not fully control the Eighth Grade Pure White Lotus. Shi Bailian

"Humph, you dare to peek at my aunt."

Princess Iron Fan saw Su Chen being slapped by her.

She was so ashamed and angry that she quickly put on her clothes and chased after him. That bastard is definitely not dead. She wants to find that bastard and kill him. Anyone who dares to spy on her He must die.

After an hour, a bull-headed monster came here.

He looked at the river and found no one. This made him touch his head and felt that he had been deceived. Is there anything beautiful here? Beauty? That old Taoist priest must be a liar.

Boom!

The bull-headed monster angrily slammed his palm into the river, and he turned around and left.

On a big mountain,

Su Chen fell from a tree in ragged clothes.

This is really Damn it, how could Princess Iron Fan take a bath near Huaguo Mountain?

Shouldn't she be in Flame Mountain?

Huh?

No,

Flame Mountain hasn't appeared yet.

Could it be that Princess Iron Fan is married to the Bull Demon King? They went there together
Will Huaguoshan and Sun Wukong meet? In this case, the seven sages of the demon clan may
become sworn brothers.

"Who are you? Why did it fall from the sky?"

At this time, a woman in white appeared next to Su Chen unknowingly.

"Hey, just a passerby, I'll leave." Su Chen looked at the sudden appearance of the woman in white
and said hurriedly.

Su Chen saw that this woman in white was a very powerful person. This woman in white was either
a fairy or a banshee.

Otherwise, a beautiful woman in this wilderness

Why did he appear here?

Su Chen was a little scared of the prehistoric world.

Since he came to the prehistoric world, whether it was powerful women like Guanyin Bodhisattva and Wudang Virgin, Princess Wan Sheng, the Nine Princesses of the East China Sea, or even Princess Iron Fan And this woman.

Su Chen is no match for any of them.

Even these women can kill him with one blow.

"Stop, do you know where this is?"The woman in white stopped Su Chen and said coldly,

"I don't know!"

The woman in white looked at Su Chen and laughed,

"This is Huashan, this is my territory, you came uninvited and still want to leave, have you asked me?"

"Huashan? you.....Are you Yang Chan, the Third Holy Mother?"

"Huh! You, a little monk, actually know me? It seems that I am quite famous."

Damn it!

Why did I meet these tragic women today?

After meeting Princess Iron Fan before, she would be abandoned by the Bull Demon King.

The fate of the Three Holy Mothers would be even worse.

In the future, the Three Holy Mothers would be plotted by Buddhism to marry a mortal, and the ending would even be Compared with her mother Yao Ji.

Su Chen looked at the Third Holy Mother and shook his head.

He didn't want to cause trouble anymore.

Buddhism is not plotting against the Third Holy Mother Yang Chan now, but I'm afraid it's not far away. Maybe after the journey to the west It's Yang Chan's tragedy

"Holy Mother, I have something else to do, so I will leave first."

Whoosh!"

"Holy Mother, what do you mean?"

Su Chen was suddenly tied up by the white silk satin of the Third Holy Mother. He looked at the Third Holy Mother Yang Chan and asked doubtfully. The

Third Holy Mother looked at Su Chen who was caught by her and said with a smile,

"Haha, since you appear in Huashan, you have to be under my control. Little monk, I am very bored now, so just stay with me in Huashan for a while."

Su Chen hurriedly said after hearing the words of the Third Holy Mother, "I know, the Third Holy Mother, I still have something to do, and I can't stay here."

Su Chen wants to follow the plot of Havoc in Heaven.

If he accompanies San Shengsheng in Huashan, then he may not be able to pass the plot.

San Shengsheng shook his head and refused,

"That won't work. You have to stay with me for a while. I'm very bored here. My second brother doesn't come to see me either. I've been bored to death here for thousands of years."

Third Holy Mother Yang Chan finally met a human monk, but she would not let the monk leave.

The people near Huashan were all ordinary people, and it was impossible for Three Holy Mother Yang Chan to communicate with those ordinary people.

Su Chen looked at the three saints speechlessly. The Holy Mother asked, "Then you will not walk around, and you are not imprisoned here."

"No, I was entrusted by the Emperor of Heaven to guard Huashan. I cannot leave Huashan privately."

"Isn't the Emperor of Heaven your uncle? You can tell him that it's not a big deal if you leave for a while."

"I don't have a good relationship with the Emperor of Heaven, and I don't want to talk to him."

Su Chen understood.

I am afraid that the Third Holy Mother Yang Chan has always resented the Emperor Haotian because of her mother's affairs.

However, the Emperor Haotian is really tragic. He clearly knew that Buddhism had plotted against his sister, but he was powerless because Buddhism was so powerful. Even heaven probably can't do anything about Buddhism

"Ten days, I can only stay for ten days."

Su Chen thought about it and decided to stay.

He also wanted to instill chicken soup into the Third Holy Mother, so that she would not be so ignorant and plotted by Buddhism in the future.

Su Chen could only help the Third Holy Mother, he would not be strong in the future. Get up,

Su Chen doesn't care about these calculations.

"Ten days? Okay, just ten days."

Chapter 1554

Huashan, in a temple,

Su Chen was speechless when he looked at the Three Holy Mothers Temple.

Is this a place where people live?

After all, the Third Holy Mother is a powerful deity. There is no fairy cave here in Huashan, but this place is simply not in line with the identity of the Third Holy Mother. Hasn't the Third Holy Mother thought about renovating the place where she lives?

Su Chen shook his head when he saw the lively and lovely appearance of the Third Holy Mother.

He looked around the temple and decided to build a mansion here.

His system space had everything.

As long as he builds a mansion, he will place the furniture and some luxury accessories in the system space in the mansion.

Three days later, under Su Chen's plan, the Third Holy Mother Yang Chan built this luxurious mansion according to Su Chen's instructions.

After Su Chen decorated it with his own hands, it was very luxurious. He had almost emptied the system space. Half of the treasures were used to decorate this luxurious mansion.

After the Third Holy Mother used her magic power to strengthen the mansion, she smiled at Su Chen and said, "Su Chen, this mansion is really beautiful and majestic. We will live here from now on." The

Third Holy Mother was very fond of this mansion. She was very satisfied, especially some of the treasures that Su Chen took out. Although these were treasures from the secular world, they could make this mansion look very spectacular and gorgeous. The Third Holy Mother was also very happy.

Su Chen looked at this huge mansion and shook his head and said,

"Well, it's just that there are some girls and guards missing here, which is a bit of a fly in the ointment."

The Third Holy Mother smiled and said,

"What's the matter? I'll go back and summon my maids and men. We won't be the only ones in this mansion."

"Do you have maids and minions?" Su Chen looked at the Third Holy Mother and asked doubtfully.

The Third Holy Mother said arrogantly, "Of course, I am the Third Holy Mother. How could I not have maids and subordinates? It's just that I didn't think it was needed before, so I stayed at Guanjiangkou. Brother, where are you?"

"Then gather your maids and men."

Su Chen waved his hand and entered a room.

It has been three days, and he can leave in another seven days.

I hope nothing will go wrong again.

"What did you come in for? I'm going to rest." Su Chen was speechless when he saw the Third Holy Mother also following him. Doesn't the Third Holy Mother know the difference between men and women? The

Third Holy Mother is very beautiful, with a waist that can be grasped and a cool and beautiful face. , with a bumpy figure and tall long legs, which is very attractive.

The Third Holy Mother sat down and kicked her feet and said, "Why are you resting so early? Continue the story you told me yesterday. I want to continue. Keep listening"

"Okay, I'll talk for a little more, and then you have to go and have a rest."

"clear!"

As Su Chen continued to instill chicken soup for the soul with the Third Mother, the Third Mother looked at Su Chen with her chin and listened with a smile.

Time passed slowly like this, until late at night,

Su Chen looked at Yang Chan still listened to the Three Holy Mothers with gusto, and Su Chen didn't stop. Let this little girl listen for a while longer, and there will be no such opportunity in the future.

At this moment,

Princess Iron Fan has arrived in Huashan, and she has been looking for her all the way. There are many places, and it is finally determined that the sex embryo will be here now.

However, this is the territory of Yang Chan, the Third Holy Mother of Heaven. Princess Iron Fan does not dare to check it with her soul in a big way. She can only search slowly on Huashan Mountain. That bastard.

On Huaguo Mountain,

Sun Wukong also got a handy spiritual treasure, a sky-supporting stick weighing 80,000 kilograms.

This was a gift from a little demon who came to seek refuge with him.

Sun Wukong was also very excited when he looked at this sky-supporting stick. I like it. Although this sky-raising stick is not as good as the Ruyi Golden Cudgel, it is already a very good weapon for Sun Wukong. The

Bull Demon King looked at Sun Wukong and reminded him, "Monkey King, tomorrow is the day when our seven great saints will worship. Have you decided what your name will be, the Great Sage?"

"Oh, the Great Sage?"

The Jiao Demon King said to Sun Wukong while drinking wine.

"Yes, you see, the Peng Demon King is called the Great Sage Huntian, the Bull Demon King is called the Great Sage Pingtian, and I am called the Great Sage Fuhai. There are also the Great Sage Expelling Gods, the Great Sage Yishan, and the Great Sage Ventilation. We all have a loud If you have a good name, of course you must also have a resounding name. Sun

Wukong scratched his head and said, "Oh, in this case, my old Sun should also have a resounding name, but what should I call it?"

"Your Majesty, why don't you call me the Monkey King?" A little demon walked up to Sun Wukong and said with furrowed eyebrows.

After hearing what the little demon said, Sun Wukong thought about it and decided, "Monkey King? Live as long as the sky, be equal to the sky, yes, yes, from now on I will be called the Great Sage Qitian

"Monkey King!"

"Monkey King!"

"Monkey King!"

The surrounding monkeys all shouted, and at this moment, the little demon who had just spoken to Sun Wukong slowly retreated. He looked at Sun Wukong, smiled, and disappeared silently.

The next morning,

Su Chen woke up When he saw San Sheng Sheng sleeping next to him, his expression changed. He didn't expect that he still couldn't withstand the temptation last night, and he really pushed San Sheng Sheng Yang Chan.

What the hell! What should I do? Do I want to do this?

Run away?

If Yang Jian knew that he was pushed by the Third Holy Mother Yang Chan, the sister-in-law would definitely not let him go. Even the Emperor Haotian in Heaven would not let him go.

"Su Chen, you wake up."Third Holy Mother Yang Chan woke up and saw Su Chen with her eyes open and said shyly,

"Little beauty, you are shy now."Su Chen looked at the shy look of Yang Chan, the Third Holy Mother, and hugged her and said,

"Get up quickly, it's daylight, I still have things to do."Third Holy Mother Yang Chan pushed Su Chen with a blushing face and said shyly,

"Ha ha....."

Su Chen smiled and got up with San Sheng Sheng. However, Su Chen kept harassing this little beauty. San Sheng Sheng was really very beautiful now. He wanted to hug her all the time.The Three Holy Mothers rest here.

Five days later,

Su Chen and San Sheng Sheng Yang Chan were inseparable, living in harmony every day. San Sheng Sheng Yang Chan also didn't want to leave Su Chen, and she always hung around Su Chen.

"This bastard pervert."

On Huashan Mountain,

Princess Iron Fan was very angry when she saw the image in the magic weapon. She did not expect that the pervert was actually the man of San Sheng Sheng Yang Chan.

She has not found a chance to capture that bastard in the past few days. She has San Sheng Sheng With Yang Chan here, she didn't dare to catch that shameless pervert rashly. After all, the Third Holy Mother Yang Chan was much more powerful than her.

Princess Iron Fan was very envious when she saw the love between Su Chen and the Third Holy Mother Yang Chan. I hate that bastard Su Chen very much.

Since that bastard Su Chen already has such a beautiful wife and concubine, how dare he peek at me?

This bastard is a shameless pervert. The Third Holy Mother Yang Chan must have been deceived by this shameless pervert..

Chapter 1555

A month later,

Su Chen was very helpless sitting in the pavilion.

It was originally supposed to be ten days, but for more than a month,

Su Chen had been pestered by the Three Holy Mothers and didn't want to leave. This was really the Tomb of the Heroes of Gentle Township, and he didn't want to Leave the beautiful girl San Sheng Sheng and the quiet Huashan residence.

But I can't leave now.

I'm afraid the chaos in the Heavenly Palace is about to begin.

The heavenly soldiers and generals in the heavenly palace have already started fighting with Huaguo Mountain. The next step is that Sun Wukong may be imprisoned.

Su Chen also wanted to take the opportunity to sneak into the Heavenly Palace, but how could he enter the Heavenly Palace without anyone noticing?

"Husband, what are you thinking about?"

Yang Chan came to Su Chen and asked with a smile.

Yang Chan has been very happy this month.

It turns out that the life of husband and wife in the world is so beautiful. No wonder some people say they only envy mandarin ducks but not immortals. Now she would rather not. Even if you are a god, you must be with Su Chen.

Su Chen hugged Yang Chan's waist and said,

"Chan'er, I'm going to leave for a while. Sun Wukong is about to be imprisoned. I'm going to check on the situation."

Yang Chan asked suspiciously after hearing Su Chen's words.

"Is Sun Wukong going to be imprisoned?"

"Is it possible?"

"During this period of time, the heavenly soldiers and generals have been attacking Huaguo Mountain. Besides, Sun Wukong is called the Monkey King. This is disrespectful to Heaven and the Emperor of Heaven. How could Heaven possibly order Sun Wukong to be safe?"

Su Chen shook his head and touched Yang Chan's hair and said,

"There is nothing impossible about this. Sun Wukong is just a chess piece. This is a show played by all the gods and Buddhas in the sky."

"Do you think those monsters in Huaguoshan dare to rebel against nature? Will your uncle tolerate it? The Emperor of Heaven could casually send a Daluo Jinxian to destroy many monsters on the Flower and Fruit Mountain, but the Emperor of Heaven only sent out a low-ranking Heavenly Soldier and General. Don't you think it's strange?"

"acting?"

Yang Chan looked at Su Chen and didn't understand.

The heaven was acting?

The emperor didn't really want to destroy those monsters in Huaguoshan?

How could this be possible?

But when Yang Chan thought about the heavenly soldiers and generals dispatched in the heaven, she also felt that It's very strange.

There are so many powerful gods in heaven. Why did the Emperor of Heaven just let a low-ranking King of Pagoda lead some heavenly soldiers and generals to attack Huaguo Mountain?

Su Chen looked at the sky and explained, "It's an act. , Buddhism is about to flourish, and Heaven also wants to take the opportunity to gain some merit and luck, so it cooperates with Buddhism in acting. You will understand later."

"What is the husband going to do?"

Su Chen took a sip of tea and said with a smile,

"I just went to see the excitement. The great powers in the ancient world are paying attention to the affairs of Huaguo Mountain. I want to see what is so special about the monkey Sun Wukong."

"Well, this is my magic baby lotus lantern, you can hold it for self-defense."

Yang Chan saw that Su Chen was very interested in Huaguo Mountain, and she did not stop Su Chen. Besides, she also needed to practice in seclusion for the Su Nu Heart Sutra technique that Su Chen taught her.

"good!"

Su Chen did not reject the kindness of the Third Holy Mother Yang Chan.

Yang Chan is now his woman no matter what, and Su Chen, his woman's magic weapon, will not be polite. Su Chen explained some things to Yang Chan and then disappeared, but Heavenly Court It's hard to get in.

Su Chen has to find a way to enter the heaven openly and openly.

"Come, go to Guanjiangkou and give this jade slip to my brother."

"Yes, the Three Holy Mothers!"

Third Holy Mother Yang Chan looked at the place where Su Chen disappeared and shook her head.

She was still worried about Su Chen's comfort. After all, Su Chen was just a small human monk. Yang Chan could only send her the message just now to Yang Jian. Okay. Let her brother take care of Su Chen

"Damn bastard, it's been over a month and that bastard is finally out."

At this time, near Huashan,

Princess Iron Fan shouted angrily when she saw Su Chen in the image of the magic weapon.

Whoosh!

Princess Iron Fan put away the magic weapon and ran towards Su Chen. She must catch that bastard this time. , skinned and cramped, cut into pieces, she had to do all this to that bastard.

At Huaguo Mountain, after Sun Wukong and the other six saints defeated the attack of Heaven, they each left drunk.

At this moment, Sun Wukong He is very arrogant.

Even the heavenly soldiers and generals in heaven cannot be defeated by him. From now on, he will be the real Monkey King.

In the Water Curtain Cave,

Sun Wukong was lying on a stone chair drinking wine when a demon monkey ran in and shouted , "Great Sage, there is an old man with a white beard who wants to see you."

"oh? An old man with a white beard? let him in"

"Yes, the Great Sage!"

Boom boom boom.....!

What the hell!

How come Princess Iron Fan is near Huashan Mountain?

This female Rakshasa wouldn't have been waiting for her to come out near Mount Hua, right?

While Su Chen was controlling the flight of the Eighth Grade Pure World White Lotus, he was looking at Princess Iron Fan who was chasing after him.

Su Chen had just left Huashan Mountain when

Princess Iron Fan chased her.

He did not expect that Princess Iron Fan would appear near Huashan Mountain, and she looked like she would not give up until she killed him.

Several of Princess Iron Fan's attacks were blocked by Su Chen's White Lotus, which made her even more angry.

Her banana fan cannot be used, otherwise this bastard will be slapped away by her again, but this little monk has a high-grade innate spiritual treasure, and there is no way for her to attack this bastard.

"Shameless pervert, you can't escape."

Su Chen turned around and said loudly, "Princess Iron Fan, I didn't mean that day at all. Besides, I didn't see anything."

"Shameless!"

Princess Iron Fan was very ashamed and angry when she heard Su Chen's words.

Didn't you see?

Didn't you see what this bastard said at that time?

Shameless, she caught this bastard and cut him into pieces.

Su Chen Looking at Princess Iron Fan behind him, he was very speechless.

Princess Iron Fan has been chasing him, how can he sneak into the heaven? If Sun Wukong was ordered to enter the heaven first, he might have missed some plots.

Three days later,

Su Chen was about to arrive near Huaguo Mountain, but Princess Iron Fan was still chasing him closely. Huaguo Mountain was right in front of him, and Su Chen couldn't let Princess Iron Fan chase him. Su Chen thought about it and turned around and shouted, "Princess Iron Fan, your skin is really white. I still want to see it if I have the chance in the future."

"Bastard, I'll kill you!" Princess Iron Fan yelled angrily when she heard Su Chen's words.

She originally wanted to catch this bastard after his mana was exhausted, but it has been three days, why has this bastard's mana not been exhausted yet?

A little monk Does it have such huge magic power? Is it a problem with the high-grade innate spirit treasure?

Now Princess Iron Fan heard Su Chen's teasing voice again, which made her even more angry. She now wanted to take out the banana fan and slap this shameless person to death. Bastard.

Whoosh!

Boom!

When Princess Iron Fan was angry, Su Chen instantly used the lotus lantern of the Third Holy Mother Yang Chan, and the lotus lantern burst out instantly and enveloped Princess Iron Fan with a burst of white light.

Iron Fan Princess Shan was suddenly controlled by the Lotus Lantern, and she nervously shouted to Su Chen, "Shameless pervert, what are you going to do?"

"receive!"

Chapter 1556

Su Chen smiled when he saw Princess Iron Fan being put away by the lotus lantern.

The lotus lantern was the best innate spiritual treasure of Empress Nuwa, and it was impossible for Princess Iron Fan in the Mysterious Immortal Realm to hide away.

Su Chen was previously worried that his magic power could not activate the lotus lantern, otherwise, he would have captured Princess Iron Fan long ago.

Yang Chan, the Third Holy Mother, is still thoughtful.

He can activate the lotus lantern with a little mana. This must be Yang Chan's soul in the lotus lantern helping him.

"Princess Iron Fan, you should stay in the lotus lantern for a while. I will let you go in the future."

In the lotus lantern,

Princess Iron Fan heard Su Chen's words and shouted, "Shameless pervert, let me out quickly, or I will kill you in the future."

"As if you don't want to kill me now."

Su Chen shook his head and put away the lotus lantern.

He didn't have time to talk nonsense with Princess Iron Fan now. He wanted to go quickly to see if Sun Wukong had been ordered to be safe.

Holy shit!

Su Chen suddenly saw Sun Wukong and a white man. The bearded old man flew to the sky together.

He knew that it was too late.

Taibaijinxing had already taken Sun Wukong to heaven. It was impossible for him to go to heaven with Taibaijinxing now.

"How to do this?"

Su Chen touched his chin and thought helplessly.

Heaven is not something that can be entered casually. Especially with his strength, it is impossible for him to enter Heaven silently.

"Try your best, this time you will see the influence of Guanyin Bodhisattva in heaven, and hope that the heavenly soldiers and generals will not kill you." Su Chen thought about it and urged Bai Lian to follow Taibai Jinxing and Sun Wukong.

The Nantian Gate of Heaven, the majestic Nantian Gate looks very tall and mysterious, surrounded by clouds and mist, full of fairy spirit, hundreds of The heavenly soldiers and generals are guarding here. Each of these heavenly soldiers and generals are above Xuanxian. There are even three golden immortals.

"This is Nantianmen, and it is indeed full of fairy spirit." When Su Chen appeared in Nantian Lingbao, he saw a very tall door in the sky. From here, you can reach the heaven.

"Who dares to break into Nantianmen?" When the heavenly soldiers and generals guarding Nantian Gate saw Su Chen arriving, they surrounded him one by one and shouted,

"Stop, don't take action." A general saw the white lotus at Su Chen's feet and hurriedly stopped him,

"Get out of the way, I want to enter heaven!" Su Chen looked at these heavenly soldiers and generals and deliberately pretended to be arrogant.

One of the heavenly generals tried to please Su Chen and said, "Little brother, I wonder what your relationship is with Guanyin Bodhisattva?"

Su Chen looked at the heavenly soldiers and generals here and felt strange.

Aren't the four heavenly kings guarding Nantianmen?

There don't seem to be four heavenly kings among these heavenly soldiers and generals. It seems that some plots are different in the real world.

Su Chen Looking at the heavenly general, he said casually, "I am the younger brother of Guanyin Bodhisattva. I want to enter the heavenly court, and you want to stop me?"

The general had no doubts when he heard Su Chen's words.

After all, Guanyin Bodhisattva's eighth-grade Pure World White Lotus is in this person.

This cannot be faked.

"I don't dare, I don't dare, but little brother, we must report to the Emperor of Heaven. This is our duty."

"Then report it"

"Let him in!"

At this time, the voice of the Emperor of Heaven reached the ears of the Heavenly General at Nantianmen.

The Heavenly General saluted Su Chen and said, "Little brother, please come in. The Emperor of Heaven has already known about your arrival."

"Thank you!"

Su Chen didn't expect that the Emperor of Heaven had sensed his arrival. Is the Emperor of Heaven so powerful? Did he even check when he arrived at the Nantian Gate?

Su Chen walked through the Nantian Gate and found that the Heavenly Emperor was in the Heavenly Court. But it is very spectacular.

There are many palaces, surrounded by immortal energy, the chirping of cranes, and the shining of thousands of golden lights, making the heaven more majestic and majestic.

In the Lingxiao Palace,

Emperor Haotian and the Queen Mother are looking at the monkeys below, but The arrival of Su Chen made them no longer pay attention to this monkey. As a puppet, or even a chess piece,

Sun Wukong was not as important as Su Chen.

The Emperor Haotian looked at Sun Wukong and sealed him with the title of Bima Wen. This was originally agreed upon. Emperor Haotian didn't want to talk too much to Sun Wukong.

"Report to the Emperor of Heaven, Su Chen asks for an audience!"

"invite him in"

"Yes, Emperor of Heaven!"

Emperor Haotian looked at Sun Wukong and was about to send him away,"Sun Wukong, you go and take office. I hope you will manage the Royal Horse Supervisor well in the future.""

"Thank you to the Emperor of Heaven. I, the Royal Horse Supervisor, Lao Sun, will definitely manage it well."Sun Wukong was looking at the Lingxiao Palace. When he heard the words of Emperor Haotian, he waved his hand and replied,

"Su Chen has met the Emperor of Heaven and the Queen Mother!"

At this time, after Su Chen entered the Lingxiao Palace, he saluted the lofty Emperor Haotian and the Queen Mother and said,

"No gift!"

The Heavenly Emperor Haotian looked at Su Chen and nodded.

He felt that the human race still knew the etiquette. A monkey like Sun Wukong looked wild and untamable. If it hadn't been for the deal with Buddhism, the Heavenly Emperor Haotian would not have treated him at all. Sun Wukong saw it in his eyes.

The Queen Mother looked at Su Chen and nodded.

If this Su Chen could be favored by Guanyin Bodhisattva and Wudang Virgin, he must be outstanding.

The Queen Mother felt that she wanted to investigate Su Chen. She wanted to know about Su Chen. What ability does Chen have that can make two powerful men look at him differently?

"Thank you, God!"

"Su Chen, is it you?" Sun Wukong shouted with gritted teeth when he saw Su Chen arriving.

Su Chen looked at Sun Wukong and smiled and said, "Sun Wukong, I didn't expect that you are also in the heaven. Sun

Wukong looked at Su Chen disdainfully and said, "Humph, do you care where I want to go?"

"I don't care about you, you monster monkey."

Sun Wukong did not expect that a small human race would dare to say that he was a demon monkey, which made Sun Wukong unable to help but want to kill Su Chen, "Su Chen, do you want to die? I, Old Sun, am now the Monkey King, and also the Royal Horse Supervisor in the Heavenly Court. I am not a demon."

Su Chen said with a smile after offering his hand, "Congratulations to Lord Bi Mawen."

"That's pretty much it!"

When Sun Wukong heard Su Chen congratulating him, he took it for granted. He thought Su Chen was frightened by his famous name and official position in heaven. The other immortals in the hall

all looked at Sun Wukong and suppressed their laughter. Su Chen was obviously mocking Sun Wukong, but Sun Wukong looked stupid and didn't realize it yet. A demon is a demon.

It is extremely stupid to have well-developed limbs and no brain.

The Emperor of Heaven looked at Su Chen and asked, "Su Chen, come to heaven." what's the matter? Su

Chen hurriedly replied, "Emperor of Heaven, I want to seek an official position, just a small casual job.""

"Su Chen, do you want to join Tianting?"

The Queen Mother's eyes lit up when she heard Su Chen's words.

She didn't expect that Su Chen would come to heaven to seek an official position. It stands to reason that Su Chen should have a closer relationship with Buddhism, and even have an unusual relationship with Buddhism. But why did he come to heaven? What about seeking an official position?

"Have this idea!

The Queen Mother continued and asked Su Chen, "Su Chen, why don't you join Buddhism?""

"Ahem, there are too many strict rules and regulations in Buddhism, I can't stand it, and besides, I don't want to be a bald monk."

Chapter 1557

Su Chen had already thought about it when he came to Heaven. Since Sun Wukong wanted to cause trouble in the sky, he must stay in Heaven.

In the future, Sun Wukong will steal flat peaches and ruin the birthday banquet of the Queen Mother. He also wants flat peaches, spiritual wine and spiritual fruit.

He also plans to fish in troubled waters this time. Anyway, Sun Wukong will take the blame.

If he can get some three thousand years of flat peaches, it will be great. Gained.

If they could get six thousand or even nine thousand years of flat peaches, then all of Su Chen's women would greatly improve in strength, and they might even become immortals in one step.

The Queen Mother nodded when she heard Su Chen's words.

There were many rules and regulations in Buddhism. As for whether what Su Chen said was true, she would check it out later.

The Queen Mother looked at Emperor Haotian and said,

"Emperor of Heaven, no one is managing my peach orchard yet, so let Su Chen manage my peach orchard."

"this....."

Emperor Haotian did not expect that the Queen Mother would ask Su Chen to manage Pantaoyuan, but Pantaoyuan and the others had already promised Buddhism to let Sun Wukong manage it. Wouldn't this disrupt the agreement between Heaven and Buddhism?

Su Chen was confused when he heard the Queen Mother's words.

He just wanted to stay in the heaven, so why did he want to steal Sun Wukong's job this time? Doesn't the Queen Mother know that the Peach Garden will be managed by Sun Wukong in the future?

The Queen Mother sent a message to Emperor Haotian of Heaven, "Emperor of Heaven, after all, Su Chen has a close relationship with Guanyin Bodhisattva. Even if the Buddhist sect knows it, will those Buddhists object?"

"Well said!"

Haotian, the Emperor of Heaven, thought about it and agreed very much.

Sun Wukong is just a pawn of Buddhism, while Su Chen has a close relationship with Guanyin Bodhisattva. If Su Chen can pass the customs in the future, Guanyin Bodhisattva will have a good impression of Heavenly Court, which is very important to their Heavenly Court.

Emperor Haotian looked at Su Chen and decided, "Su Chen, from now on, you will be in charge of the Queen Mother's peach garden."

Su Chen bowed to Heaven and the Queen Mother and agreed, "Thank you, Emperor of Heaven, and thank you, Queen Mother."

Su Chen was helpless.

However, he actually wanted to manage the peach garden.

Wouldn't it make it easier for him to steal the peach garden?

Sun Wukong laughed and said, "Haha, Su Chen, you just got an official to look after the garden. You and Lao Sun is far behind."

Su Chen didn't bother to pay attention to this monkey after hearing Sun Wukong's words.

Bi Mawen still laughed at him?

There will be times when Sun Wukong will be angry in the future.

In the fairyland of Yaochi,

Su Chen was brought here by some fairies.

Su Chen originally thought he was going to take him there. Pantao Yuan, but I didn't expect to come to the Queen Mother's Yaochi Wonderland.

This made Su Chen a little confused.

"Madam, Su Chen brought me"

"Let him in!"

"It's the empress!"

"Su Chen met the Queen Mother!" Su Chen entered a palace and saluted the Queen Mother and said,

"I'm here!"

After Su Chen saluted and looked at the Queen Mother, he was stunned.

He didn't expect to see the Queen Mother's true face.

Just now in the Lingxiao Palace, the Emperor of Heaven and the Queen Mother None of them showed their true appearance, and Su Chen looked hazy. Now that Su Chen saw the Queen Mother's peerless appearance, he was fascinated by it.

Graceful and luxurious! Stunning beauty!

Noble and elegant!

Su Chen didn't know what words to use now. To describe the beauty of the Queen Mother.

The Queen Mother wears a well-fitting purple gold palace robe, exquisite jewelry in her hair, a delicate face, a slim waist, a curvy figure, and a beautiful and noble temperament.

This is Su Chen She is the most beautiful woman I have ever seen, and she is also the most beautiful and moving woman.

Avalokitesvara Bodhisattva is only one point worse than Our Lady of Wudang and the Queen Mother. This may be due to the Queen Mother's graceful and luxurious temperament. No way.

When the Queen Mother saw Su Chen looking at her stupidly, she frowned angrily.

The Queen Mother didn't expect that Su Chen would be so bold and stare at her all the time.

Didn't Su Chen know that this would make her angry?

If Su Chen hadn't come from an extraordinary place, she would have wanted to kill this bold guy right now.

The Queen Mother asked Su Chen coldly, "Su Chen, what are you looking at?"

"The beauty conceals the present and the past, and the lotus shames the jade face!" Su Chen said the poem he had read before without thinking.

"The beauty conceals the present and the past, and the lotus shames the jade face? What does this bastard mean? Is this teasing yourself? Do you need a little human monk to praise your beauty?"

The Queen Mother looked at Su Chen and was so angry that she wanted to kill this bastard.

How many years has it been?

Ever since she came to the heaven to become the Queen Mother, no one has ever dared to tease her like this. Even the Emperor Haotian was dissatisfied with her. Dare to make a mistake.

Does Su Chen think that with Guanyin Bodhisattva and Our Lady of Wudang as his backers, he dares to talk lawless nonsense?

Su Chen suddenly felt an icy cold air, which made him suddenly react.

He just praised The Queen Mother is extremely beautiful. The Queen Mother is a fairy queen. Can he praise her beauty?

He knew that something bad was going to happen.

"Queen Mother, it was a misunderstanding just now, it was a misunderstanding. I am just an ordinary person. When I saw the Queen Mother's peerless face for the first time, I lost my composure. I couldn't help myself. I couldn't help myself."

The Queen Mother cooled her beautiful face and whispered,

"Gaffe? Can't help it? Su Chen, you have offended me, do you think this can end everything?"

Su Chen said hurriedly in a panic, "I can make up for it. Queen Mother, can I make up for it?"

The Queen Mother looked at Su Chen disdainfully and said,

"compensate? What can you, a little monk, compensate me for? What treasure do you think you can use to impress me?"

"I....."

Su Chen was speechless for a moment.

The Queen Mother was a powerful deity. He really had no treasure that could impress the Queen Mother.

"Why not? Then prepare to die!" The Queen Mother looked at Su Chen and pulled out a hairpin from her hair.

Su Chen hurriedly reminded the Queen Mother,

"Wait, Queen Mother, I have a relationship with Guanyin Bodhisattva, and the Wudang Holy Mother who intercepts the religion is also closely related to me. Can't you just let me go for their sakes?"

Su Chen was really helpless.

He just looked at the Queen Mother and even praised her. Why did this make him face life and death? Can't the Queen Mother's peerless appearance not be praised?

Su Chen can only hope that the Queen Mother, she Can he forgive this offense in the name of Guanyin Bodhisattva and Wudang Virgin?

"What if I say no?"

"Queen Mother, do you want to destroy everything?"

"The fish is dead and the net is broken? Just you? Or do you think Avalokitesvara Bodhisattva and Our Lady of Wudang will fall out with me because of you, a young monk?"

Chapter 1558

The Queen Mother is really angry now.

How dare this little human monk threaten her?

Guanyin Bodhisattva and Wudang Virgin are very powerful, is she weak?

If she uses the luck of heaven, the Queen Mother can even defeat Guanyin Bodhisattva and Wudang Holy Mother by herself.

Although she doesn't want to provoke two powerful people, it depends on the situation. If this little bastard doesn't tell one or two, she will be Kill this little monk who dares to molest her.

Su Chen took out a ball of light from the system space.

He delayed the Queen Mother and said, "Forget it, this treasure will be considered as compensation for my offense to you."

Su Chen had no choice but to deal with the Queen Mother.

?

There's no way he can beat him.

Threat?

Even now that Guanyin Bodhisattva and Wudang Holy Mother have moved out, the Queen Mother still looks determined to never give up.

Do we want him to move out of Daozu Hongjun?

Besides, even if he moved out of Daozu Hongjun, the Queen Mother would not be able to believe it.

After all, the Queen Mother used to be a virgin beside Daozu Hongjun.

Whoosh!

The Queen Mother waved, and the light ball in Su Chen's hand flew into her hand.

The Queen Mother looked at the light ball and stood up in surprise, "This? This is actually the seed of the Ice Law, you are a little monk How come there are seeds of the Law of Ice?"

Su Chen crossed his arms and said arrogantly, "It's none of your business. Can this be used as compensation?"

Su Chen had no choice but to take out the seeds of the Law of Ice.

Isn't this the case? The Ice Law Seed obtained on the ladder was the Ice Law Seed he had opened from the treasure box before.

He originally wanted to use it for Jellyfish Yinji and Bai Ruobing, but this ice law seed can only be used after becoming an immortal, so Su Chen kept it.

Su Chen had no choice but to take out this Ice Law Seed.

Anyway, he still had six Law Seeds, and he might be able to get Law Seeds in the future. Su Chen could only buy this Ice Law Seed to buy his life.

The Queen Mother looked at Su Chen in surprise.

This little bastard is really not simple.

A Law Seed can be used to make amends. I am afraid that this bastard has other Law Seeds in his hand.

The Queen Mother looked at Su Chen with her beautiful eyes and said, "No. Although the Ice Law is extremely precious, it is of no use to me."

Su Chen did not expect that even one law seed would not work, which made him a little angry.

"Queen Mother, please don't push yourself too far. It's impossible to have a law seed in the entire prehistoric world. This is already a very precious and incomparable compensation."

The Queen Mother said with a cold and arrogant face,

"I have said that the Law of Ice is useless to me. This Law of Ice may be a very precious treasure to other powers, but the Law of Ice and my attributes are not the same, so I cannot use it."

"you....."

"If it's the law of space, that's fine"

"Just dream!"

"you wanna die!"

Boom!

The Queen Mother's aura suddenly burst out.

Come on!

The eighth-grade pure white lotus in Su Chen's body also appeared instantly to protect him.

Su Chen didn't expect to commit suicide again.

Why couldn't he control himself? Mouth,

Su Chen said hurriedly when he saw that the Queen Mother was about to have an attack,

"Ahem, wait, you give me back the Ice Law, and I will give you other compensation."

"What if I don't pay it back?"

"Queen Mother, you are the Queen of Heaven, do you want to rob me, a little monk, of my treasure?"

Boom!

The Queen Mother grabbed Su Chen with one hand and said angrily,

"Queen of Heaven, when did I become the Queen of Heaven? Do you really think I dare not kill you?"

"you.....Are you not a queen?"

Su Chen was confused again.

Isn't the Queen Mother the Queen of Heaven?

Then why is she called the Queen Mother?

Isn't the Emperor Haotian and the Queen Mother a couple?

The Queen Mother stared at Su Chen with beautiful eyes and asked

"I am called the Queen Mother, when did I become called the Queen of Heaven? Where did you little bastard hear that I am the Queen of Heaven?"

"Misunderstanding, misunderstanding, I thought the person called Empress was the Queen of Heaven."

"Damn it, what do you think? There are many people in the prehistoric world called empress, such as Empress Sanxiao and Empress Xiwangmu. Are they all the queens of heaven?"

"I was wrong, Queen Mother. I just spoke nonsense. I am just a young monk and don't know anything about heaven."

Su Chen was also really helpless.

Isn't Queen Mother the queen of Emperor Haotian?

Is this a fake Journey to the West ? The world?

It's his fault.

Why have you been making mistakes today?

The Queen Mother is not the Queen of Heaven. So what is the Queen Mother's status in Heaven?

"snort!"

The Queen Mother let go of Su Chen and gave Su Chen a fierce look.

This little bastard didn't lie this time.

He really didn't know what was going on in Tianting.

Damn it,

Tianting Haotian is just her senior brother, and this bastard actually Would you think that she is the Queen of Heaven? The sky is filled with gods and Buddhas that don't know what is going on in Heaven. Didn't this bastard ask Guanyin Bodhisattva and the others?

My God, the Queen Mother is so powerful that

Guanyin Bodhisattva's white lotus can't stop her. The Queen Mother doesn't know whether it's Bai Lian who is useless? Or he himself is useless?

Whoosh!

"Give me the seeds of space law."The Queen Mother threw the Ice Law seeds to Su Chen and said coldly,

"I don't!"

"Still want to deceive me? Want to die?"The Queen Mother looked at Su Chen with her beautiful eyes and threatened.

"have! have!"

Su Chen took out the space law seed light ball and threw it to the Queen Mother.

Is this really true?

People have to lower their heads under the eaves.

Is the Queen Mother smart? Or did the Queen Mother figure out that he has the space law seed in his body? ?

"Go away, my peach garden must be managed well from now on, otherwise you should understand the consequences."

Su Chen glanced at the Queen Mother, then gave the middle finger and left.

Peach garden?

Su Chen will definitely manage it well for the Queen Mother and will not leave a single peach to the Queen Mother.

The Queen Mother saw Su Chen giving the middle finger and left. , she thought about it but didn't know what the middle finger meant.

"What did this little bastard mean just now? Despise yourself? Or insult yourself?"

The Queen Mother shook her head and didn't care about this anymore.

The Space Law Seed!

This is really the Space Law Seed.

Who is that little bastard?

Take it out as soon as the Law Seed is said to be taken out. That little bastard must have other things in his hand. No wonder Guanyin Bodhisattva and Our Lady of Wudang are very concerned about this bastard.

The Queen Mother guessed that Su Chen must have some secrets. He looked at the Space Law Seed in his hand and kept thinking about how to find out about Su Chen in the future. morning message

"Pantaoyuan, I'm here!"

Chapter 1559

In the flat peach garden,

Su Chen drooled when he came in and looked at the flat peaches on the flat peach tree.

These are the best innate spiritual roots.

In the whole world, only Huangzhong pear, ginseng fruit and flat peach are of the same grade. Su Chen thought if he ate one After nine thousand years of flat peach, will he become an immortal immediately?

"Immortal, you can't eat it, you can't eat it!"

Su Chen picked a three-thousand-year-old flat peach and was about to eat it, but before he could eat it, a short land man appeared next to him and stopped him.

Su Chen looked at the short land and said, "Land, Queen Mother. Allow me to eat peaches, please don't meddle in other people's business"

"Immortals cannot eat them. If you eat them, your body will explode and die. Immortals have not yet become immortals, so you cannot eat flat peaches."

What the hell?

Su Chen was confused when he heard Tu Di's words.

If you eat flat peaches, your body will explode and die?

What the hell?

Don't you think you can't eat the flat peaches here if you don't become an immortal?

"Is it true that you said land?"

Tudi saluted Su Chen hurriedly,

"Really, I don't dare to deceive the immortal"

"The 3,000-year-old flat peaches in the Flat Peach Garden can only be eaten by immortals and above, the 6,000-year-old flat peaches can only be eaten by Daluo Jinxian, and the 9,000-year-old flat peaches can only be eaten by those who are quasi-saints, otherwise the powerful magic power in the peaches will not last long. Explosive to the body."

The Earth God did not dare to be disrespectful to Su Chen.

Although Su Chen was not an immortal yet, the Queen Mother had just sent a message. Su Chen did not have to worry about what the Immortal did in Pantaoyuan. Even he and the three thousand fairies had to obey unconditionally. Su Chen's order.

The Landlord didn't dare to offend Su Chen at all, and he didn't even dare to interfere with Su Chen picking flat peaches at will.

I guess!

Su Chen understood that flat peaches are really not allowed to be eaten randomly.

No wonder in the plot of Journey to the West Here, Sun Wukong only ate some 3,000-year-old flat peaches, and during the Queen Mother's birthday party, flat peaches were not something that an immortal could eat.

What the hell, can't he guard a golden mountain and not move?

No wonder the Queen Mother continues to let him manage the flat peach garden , which makes him greedy and unable to eat

"I know, by the way, land, how many guards are there in Pantaoyuan?"

"Immortal, there are no guards in Pantaoyuan. No one can come in here at all. Yaochi Wonderland is a top-quality innate spiritual treasure. Without the permission of the Queen Mother, even the Emperor of Heaven cannot enter."

"So how to take care of the Oupan peach orchard?"

"There are fairies taking care of the peach garden. There are three thousand fairies in the peach garden who are responsible for taking care of the peach garden. There is no need to worry about the fairy."

"That's it, I understand, you go down!"

"Yes, Immortal!"

After Su Chen escaped from the land, he looked at the flat peach garden and shook his head helplessly. This really made him feel very uncomfortable. He originally wanted to eat some flat peaches to anger the Queen Mother, but now it seems that it is not feasible at all.

"Princess Iron Fan, give you a common flat peach to eat." Su Chen looked at the flat peach in his hand and threw it into the lotus lantern and said,

"Flat peach? You pervert, Pantao is what you can do.....Forehead! This is really a flat peach. How could you have a flat peach? This is still the flat peach of three thousand years."

Princess Iron Fan was originally very angry with Su Chen.

She didn't expect that Su Chen actually gave her a flat peach, which surprised Princess Iron Fan.

She had only eaten a flat peach once, and she still ate half of it.

How could a pervert like Su Chen have flat peaches?

Su Chen leaned under the flat peach tree and said with a smile, "Princess Iron Fan, I used flat peaches to make amends for you, so you don't have to hit me anymore, right?"

In the lotus lantern,

Princess Iron Fan yelled in shame and anger when she heard Su Chen's words, "Don't even think about it, you have seen my innocence, I will not let you go."

Su Chen blushed a little when he heard Princess Iron Fan's words.

He did see Princess Iron Fan clearly last time, but he didn't do it unintentionally.

However,

Princess Iron Fan's skin is really very white. , no wonder the Shura women are very beautiful, while the men are ugly.

Su Chen shook his head and changed the subject and asked, "By the way, Princess Iron Fan, are you married?"

"Shameless pervert, how could I get married?"

"You're not married?"

"No!"

Su Chen shook his head when he heard Princess Iron Fan's confirmation.

Princess Iron Fan is not married yet?

Could it be that she hasn't met the Bull Demon King yet?

By the way, this is five hundred years before Journey to the West, and there is no Flame Mountain yet. Appear,

Princess Iron Fan should not have met the Bull Demon King yet, but Princess Iron Fan married the Bull Demon King. This is a flower stuck in cow dung.

"Princess Iron Fan, what do you think I should do to prevent you from killing me?"

"Hum, you are dead, I will kill you no matter what, you just wait to die from now on."

Su Chen saw that Princess Iron Fan still insisted on killing him, so he threatened Princess Iron Fan, "In this case, I may have to imprison you forever, Princess Iron Fan, as long as you swear not to kill me in the future, I will let you out"

"Are you dreaming? Even if you imprison me for a hundred or a thousand years, I will kill you when I come out."

"Then you can carry it in the lotus lantern."

Half a year later,

Su Chen lived a very lively life in Pantaoyuan.

When he was bored, he could tease Princess Iron Fan and even play with the fairies in Pantaoyuan.

But in this half year, the Queen Mother didn't show up even once Summoning himself, it seems that the Queen Mother is integrating the seeds of the law of space.

Su Chen said boredly while lying on the peach tree, "Sun Wukong should soon make a big fuss and rebel against heaven. I'm afraid Sun Wukong will know about Bi Mawen.""

"Su Chen, I don't have any more flat peaches, please give me some more."

At this time,

Princess Iron Fan in the Lotus Lantern shouted to Su Chen.

Su Chen rolled his eyes and sneered, "Princess Iron Fan, are you addicted to eating flat peaches? Do you think I can have as many flat peaches as I want?"

"I don't care, I'm going to be promoted to Golden Immortal, please give me some more flat peaches"

"Just dream!"

In the lotus lantern,

Princess Iron Fan has given up on seeking revenge on Su Chen in the past few months.

In the past few months, Su Chen would give her a flat peach every once in a while, and even kept teasing her. Princess Iron Fan also changed her opinion of Su Chen without knowing it.

"Bastard, I won't seek revenge from you in the future. Give me three more flat peaches, and I really won't seek revenge from you in the future."

"real?"

"real!"

Su Chen felt that Princess Iron Fan would not deceive him. In the past six months, he had also learned a little about Princess Iron Fan's temper. The fiery-tempered Princess Iron Fan was right.

Since Princess Iron Fan said she would not seek revenge from him, then it should be I really won't take revenge on myself.

"Princess Iron Fan, I believe you. You are a very beautiful woman. You can't deceive me."

"Shameless pervert, I won't lie to you, and I really don't intend to seek revenge from you."

Chapter 1560

Princess Iron Fan nodded hurriedly in the Lotus Lantern after hearing Su Chen's words.

She is now at the peak of Xuanxian.

As long as Princess Iron Fan eats a few more flat peaches and her magic power is greatly increased, she will break through the Golden Immortal..

Golden fairy!

This is a qualitative change. With the three flowers gathering at the top and the five qi rising to the top, she will be a powerful immortal from now on. She will no longer worry about those powerful demons and ghosts when she travels around the ancient world.

"Here you go, I hope you mean what you say." Su Chen casually picked three flat peaches and threw them into the lotus lantern.

"snort!"

In the lotus lantern,

Princess Iron Fan snorted after catching three flat peaches.

Although she did not seek revenge on Su Chen, she did not want to let go of Su Chen, a pervert. After all, she was seen by this bastard..

How could she just let it go?

Princess Iron Fan will teach this shameless pervert a lesson in the future.

Su Chen looked at Pantaoyuan and saw that there was nothing going on.

He was going to see Bi Mawen.

Su Chen had been there before. Several times, but no one bothered Sun Wukong. Now the plot is almost approaching. I hope we can see interesting things this time.

"Shangxian, do you want to go out?"

At this time, the seven beautiful fairies in the Peach Garden saluted Su Chen one after another and said,

"I'm going to visit heaven, do you want to come with me?" Su Chen looked at the seven fairies and smiled and said, the seven fairies are not low in strength.

Red, soap, yellow, green, green, purple, these seven fairies are all as powerful as golden fairies. They are Pan Taoyuan. The seven most powerful women in the world are also the female officials of the Three Thousand Fairies.

Hong Yi looked at Su Chen and said expectantly,

"Can we?"

The seven fairies are very bored staying in the Peach Garden all the time.

They are either leading the fairies to take care of the Peach Garden or they are constantly practicing. If they can play around with Su Chen in the heaven, they are also looking forward to it.

Su Chen took the photo He patted Hong Yi's little head and said, "Of course, you are stronger than me, so you sisters can be my guards!"

"We would also like to thank the gods for giving us the flat peaches." Hong Yi lowered her head and blushed and said to Su Chen,

"Okay, let's go." Su Chen waved his hand and walked out of the Peach Garden with seven beautiful fairies.

When Su Chen knew that these seven fairies were the Seven Fairies, he curiously talked to them.

Even after getting familiar with each other,

Su Chen also gave some flat peaches to the seven fairies. Anyway, these were the Queen Mother, so he didn't feel bad about it.

Who told him to look at the flat peaches and not be able to eat them?

Su Chen wanted to defeat the Queen Mother's flat peaches.

"Immortal, where are we going?"

"Go to the Royal Horse Prison."

The youngest Zi Yi heard Su Chen's words and said doubtfully, "The Royal Horse Supervisor? Over there in Tianhe? There is nothing good to see in the Immortal and the Royal Horse Supervisor, and there are no immortals to ride those Pegasus horses that are not as good as Liuli."

"If we are bored, we should go to Tianhe to relax." Su Chen looked around the heaven and said to Xiao Qi with a smile.

The seven fairies nodded when they heard Su Chen's words.

It doesn't matter where they go. They are not familiar with the heaven anyway, as long as they can look around and play. Just play

"Bi Mawen? You say I'm just a lowly official?"

In the Royal Horse Prison,

Sun Wukong had just been belittled by an immortal general.

He asked the immortal soldiers of the Royal Horse Prison and became very angry.

The Royal Horse Prison turned out to be a low-ranking official.

No, he was just an official for other immortals. horse groom

"Ahhhhh....."

Sun Wukong scratched the back of his head angrily.

He wanted to kill someone now.

The Emperor in Heaven actually deceived him, a groom who raised horses? He is a majestic Monkey King, but he is actually a groom who raises horses?

Sun Wukong thought of Su Chen and asked hurriedly, "Let me ask you, does Su Chen in Pantaoyuan have my official rank?"

An immortal soldier hurriedly replied,

"Great Sage, you can't compare to Su Chen from Pantaoyuan. Su Chen is the Queen Mother's favorite. Although Su Chen has no immortal position, no one in heaven dares to offend Su Chen.
Sun

Wukong grinned and asked loudly, "You mean I'm not as good as that little monk Su Chen?"

"It's not that it's not as good, it's that it's simply incomparable." The immortal soldiers said to Sun Wukong anxiously,

Su Chen's story has been spread throughout the heaven, and even the peaches in the peach garden,

Su Chen can be rewarded to the fairies at will. The immortal soldiers here are very envious of the peaches. The fairies in the garden.

Boom boom boom...

"Ahhhh, okay! good! good! Lie to me, lie to me!" Sun Wukong shouted, smashed the Royal Horse Prison's palace with a stick, and flew away.

I'm here!

It's too late!

When Su Chen saw the Royal Horse Prison's palace collapsed, he guessed that Sun Wukong might have gone to heaven.

"Shangxian, what happened to the Royal Horse Supervisor?"

Qing Yi asked suspiciously when he saw what happened to the Royal Horse Supervisor, this is Heaven, how could a palace be overthrown?

Su Chen waved his hand and said hurriedly, "Let's go to Nantianmen, there will be a big show in a while."

Hongyi and the others hurriedly followed Su Chen when they heard what he said.

They didn't understand what he was talking about.

However,

Su Chen said there would be a good show, which made the sisters very interested.

At this moment,

In the Lingxiao Palace, many immortal officials gathered here.

They were all summoned by the Emperor of Heaven.

Sun Wukong came to Heaven and all the immortals knew it. This time the Emperor of Heaven wanted to capture Sun Wukong. Some of the low-strength generals here wanted to He recommended himself to capture Sun Wukong.

When the Emperor of Heaven saw the immortal officials arriving, he frowned.

None of the powerful immortals from Jiejiao and Chanjiao came. All those who came were immortal officials from the human race, and all of them were pitifully low in strength. The Emperor of Heaven frowned. I am becoming more and more dissatisfied with those powerful sects.

"The King of Tota sent out hundreds of thousands of heavenly soldiers and generals to capture the monster monkey."The Emperor of Heaven looked at the many immortal officials in the main hall. After thinking about it, he ordered Li Jing, the Heavenly King of the Pagoda,

"Your Majesty, I obey the order!"

The Emperor of Heaven nodded when he saw King Tota leaving.

Anyway, this time he was going to cooperate with Buddhism to punish the monster monkeys, but Heaven would lose some face this time. His Heaven would also get the benefits of Buddhism, and Emperor Haotian would also get it. It is impossible to regret. Su Chen came out of

Nantianmen with the Seven Fairies. The heavenly soldiers and generals here did not dare to stop him. Although Su Chen did not have a warrant to leave Nantianmen, Su Chen's power was not something they could offend.

Su Chen brought the Seven Fairies with him. I just arrived above Huaguo Mountain to watch a show.

"Su Chen, I didn't expect you to go to heaven."

At this time,

Our Lady of Wudang and a female fairy suddenly appeared next to Su Chen

"who? Forehead! See Doumu Yuanjun, see Wudang Holy Mother!"The seven fairies saw the Golden Spirit Virgin Mary and the Wudang Virgin Mother appear, and they saluted one after another,

"What God? I am going to heaven, to heaven!"Su Chen shouted to Our Lady of Wudang with a dark face,

"Haha, isn't going to heaven the same as going to heaven?"
