

## Zongwu 1561

### Chapter 1561

Mother Wudang looked at Su Chen and smiled.

She knew what Su Chen meant,

God?

This also has another meaning in the human world, which is to curse people to death. but!

The Wudang Holy Mother said this on purpose.

This bastard was trying to refute her face last time.

Last time, Su Chen would rather follow that bitch Guanyin Bodhisattva than leave with her. He didn't even thank her for saving her life. She He was very resentful towards Su Chen.

At this moment,

Su Chen looked at Doumu Yuanjun and looked at her carefully. This was the Wudang Holy Mother's senior sister Jinling Holy Mother.

Our Lady of Jinling is wearing a white palace robe, her hair is scattered on her back, she has a cool and beautiful face, and her figure is curved forward and backward. She is as beautiful as Our Lady of Wudang and Guanyin Bodhisattva.

Are all powerful female fairies so beautiful?

Moreover, Jin Lingsheng is the head of the three holy mothers of Jiejiao, and she is also a ruthless character.

She beat to death Princess Longji, the daughter of the Emperor of Heaven, and Hong Jin. She even fought one against three with Guanyin Bodhisattva and Manzhu. Bodhisattva, Samantabhadra fights fiercely.

If it weren't for that shameless man Ran Deng using the Dinghai Divine Pearl to sneak attack, Our Lady of Jin Ling wouldn't have died and entered the list of gods. This shows how powerful Our Lady of Jin Ling was at that time.

"Are you Su Chen?"

Our Lady of Jinling saw Su Chen looking at her, which made her frown and asked coldly,

Our Lady of Jinling heard what Madam Wudang said about Su Chen.

A person who is not an immortal, he can... Another small world came to the prehistoric world. It seemed that this Su Chen was really not simple. It was just the way this bastard looked at her that made Our Lady of the Golden Spirit a little angry.

Su Chen nodded and admitted, "Yes, Our Lady of the Golden Spirit, you Why are you in the lower realm if you are not in heaven?"

"Do I need to tell you?"

Mother Jin Ling didn't expect that a little monk would dare to question herself. How dare a little monk take care of a quasi-sage? Isn't this bastard afraid of slapping him to death?

"No, but Wuzhao Lower Realm has violated the rules of heaven everywhere. Holy Mother of the Golden Spirit, aren't you worried that the Emperor of Heaven will question you?"

"Huh, you don't need to worry about this at all." The Holy Mother of the Golden Spirit gave Su Chen a blank look and said angrily.

Su Chen shook his head and ignored the Holy Mother of the Golden Spirit.

He originally wanted to kindly remind the Holy Mother of the Golden Spirit that this place would soon be noticed by the gods in heaven. , if the Emperor of Heaven sees Our Lady of the Golden Spirit appearing here, the Lady of the Golden Spirit may suffer.

"Su Chen, I heard that you became the steward of Pantaoyuan. It seems that you have found a good job.

Su Chen was speechless and said to Madonna Wudang, "What is beautiful?" I can only look at the peaches but not eat them. What kind of good job is this?"

The Holy Mother of Wudang smiled brightly when she heard Su Chen's words and said, "Haha, who told you that your strength is low? Even if you are strong, do you dare to eat the peaches in the peach garden?"

"Are you talking about these flat peaches? Do you think I dare to eat it secretly?" Su Chen took out two flat peaches and threw them to Our Lady of Wudang and said,

"you.....How dare you steal a flat peach? Aren't you afraid that the Queen Mother will blame you?"

Our Lady of Wudang looked at the flat peach in her hand with a surprised expression.

She didn't expect that Su Chen would dare to steal the flat peach.

This bastard is too courageous.

No one can eat the Queen Mother's flat peach. They intercepted and taught In the past, they could still eat some.

But since becoming a god,

Jie Jiao was defeated, and they have not eaten flat peaches in the past hundreds of thousands of years.

The Holy Mother of the Golden Spirit looked at Su Chen and shook her head.

This pervert is probably going to be finished. , this bastard dares to steal the flat peaches from the Queen Mother. This is a capital crime. Su Chen will probably be sent to the eighteenth level of hell.

Su Chen took out some more three-thousand-year-old flat peaches.

He threw them to the seven fairies and said with a smile,

"steal? Holy Mother of God, I picked this upright, oh no, I picked it upright."

"Thank you, God!"When the seven fairies saw Su Chen giving them another flat peach, they all hurriedly saluted Su Chen.

When the Virgin Mother saw Su Chen taking out some more flat peaches, she said in surprise,"How is this possible? How many peaches have you stolen, you bastard?"

Our Lady of Wudang saw Su Chen casually giving some flat peaches to some low-strength fairies.

This made her speechless towards Su Chen, a bastard.

Our Lady of Wudang ate the peaches angrily.

Our Lady of Golden Spirit looked at Xiang Wudang said,"Give me one. I haven't eaten a flat peach in hundreds of thousands of years.""

"Senior sister, if you ask this bastard for it, he must still have it"

"Wudang, do you want to rebel?"

"Here, here, senior sister, I was joking."Our Lady of Wudang's face turned cold when she saw Our Lady of Jinling, and she hurriedly handed the remaining flat peach to Our Lady of Jinling.

At this time, clouds suddenly rolled in on the Huaguo Mountain, lightning flashed, and countless heavenly soldiers quickly arrived in the sky. The heavenly generals instantly filled the sky above Huaguo Mountain.

In the air, the Heavenly King holding the pagoda looked towards Huaguo Mountain and shouted, "Sun Wukong, you defeated the Royal Horse Prisoner and escaped privately to the lower realm of the heaven. Hurry up and capture him."

On Huaguo Mountain,

Sun Wukong looked at the heavenly soldiers and generals on the clouds and shouted, "Humph, I am the Monkey King, no longer a horse breeder in the heaven. If you want to fight me, please accompany me."

"Giant Spirit God, go down and capture Sun Wukong"

"Yes, King of Heaven!"

Su Chen saw the Heavenly Soldiers and Heavenly Generals fighting against Sun Wukong, so he said to Hongyi, "The show has begun. Hongyi, set up a table in the sky, let's drink wine, eat spiritual fruits and watch the show together."

"Yes, Immortal!"

Hongyi smiled when she heard Su Chen's instructions.

She waved her hand, and some futons and desks appeared in front of Su Chen.

Su Chen took out some spiritual fruits and spiritual wine from the system space and sat down. Here is a look at The best place to play, this is more enjoyable than watching a movie for him

"Sit down and eat and drink too!"

"Yes, Immortal!"

The seven fairies sat next to Su Chen one by one and poured him wine. They were used to this.

In the Peach Garden, the seven fairies often served Su Chen like this. The Virgin of Wudang pulled the Virgin of the Golden Spirit and sat down too.

He looked at Su Chen and asked with a smile, "Su Chen, you are quite enjoying it. The best spiritual fruit and the best spiritual wine. Didn't you steal these from the Queen Mother?"

"Get it!"

"Stealing is stealing, and we won't tell the truth."

"Too lazy to talk to you"

"you....."

When Mother Wudang heard Su Chen talking about herself without any scruples, she couldn't help but want to teach this bastard a lesson.

The Holy Mother of the Golden Spirit looked at the Heavenly Soldiers and Heavenly Generals and said helplessly,

"Junior sister, I'm leaving. Heavenly soldiers and generals are here to capture Sun Wukong. I'm afraid the Emperor of Heaven and the Queen Mother will pay attention to this place soon. I can't let the Emperor of Heaven and the Queen Mother discover me."

"Tsk, aren't you afraid?" Su Chen mocked upon hearing the words of Our Lady of Jinling.

Our Lady of Jinling coldly threatened Su Chen, "Su Chen, do you want to die?"

"Ahem, I don't want to!"

"If you don't want to die, just shut up."

Chapter 1562

Su Chen smiled when he heard the threat from the Holy Mother of the Golden Spirit.

Here he did not believe that the Holy Mother of the Golden Spirit dared to kill him. Besides, it was impossible for Wudang Holy Mother to let the Holy Mother of the Golden Spirit kill him. After all, with Xiaobai's relationship, Wu The Virgin will surely protect him.

Su Chen looked at Huaguo Mountain and found that a battle had begun.

The Giant Spirit God was defeated at some point.

The Heavenly Soldiers and Heavenly Generals were fighting Sun Wukong's monkeys. The Third Prince of Nezha also fought against Sun Wukong. They were all fighting each other. The three-headed and six-armed ones fought like crazy.

Su Chen shook his head and said disdainfully, "All of these people in the Conferred Gods are trash, and every Xuanxian dares to come out. Are they here to give Sun Wukong his head?" Our

Lady of the Golden Spirit looked at King Tota and asked He mocked, "These immortals from the human race have all improved their cultivation level after being made gods. It's strange that these trash can be powerful." When

Su Chen heard the words of the Golden Spirit Mother, he realized that she hadn't left yet, "Why haven't you left yet?"

"none of your business!"

The Holy Mother of Jin Ling glared at Su Chen and cursed angrily.

The Holy Mother of Jin Ling was about to leave, but she suddenly thought that since Su Chen appeared here, this bastard must have obtained the permission of the Queen Mother.

She thought about it and Decided to be too lazy to go to Su Chen.

If the Emperor Haotian and the Queen Mother asked, she would say that Su Chen took her to the lower world.

If she was punished by the Emperor,

Su Chen, a bastard, would not be able to escape.

I guess!

Su Chen looked at The arrogant-looking Holy Mother of the Golden Spirit shook her head.

Is this woman sick?

No, is this fairy sick?

Just now, the Holy Mother of the Golden Spirit looked like she was about to leave in a hurry, but now why is she staying here as if nothing is wrong? Could it be that? Isn't she worried about being discovered by the Emperor of Heaven and the Queen Mother?

Boom boom boom.....

At this time, the thunders and lightnings in the sky were constantly attacking Sun Wukong. The third prince Nezha had been defeated, Li Jing, the king of towers, was no match for Sun Wukong, and the heavenly soldiers and generals were about to lose.

Su Chen held his chin and thought,

"Will Taibai Jinxing come to Zhaoan Sun Wukong? Or is Erlang Shen Yang Jian about to appear? According to the plot, Sun Wukong will be imprisoned by Taibai Jinxing again, but he is already doing Pantaoyuan, will Sun Wukong still be imprisoned?"

Our Lady of Wudang looked at Huaguo Mountain and said with a sweet smile,

"Heavenly Court is about to be defeated. These little shrimps can actually take down a small Xuanxian Monkey. Hundreds of thousands of heavenly soldiers and generals have been defeated. Heavenly Court is going to be embarrassed this time."

Su Chen shook his head and explained,

"The Heavenly Court did this on purpose, otherwise it would be impossible for the powerful masters in the Heavenly Court not to take action. If the Heavenly Court wants to destroy Sun Wukong, any of the Heavenly Emperor's spiritual treasures can easily destroy the Monkey King. This is acting."

The Holy Mother of the Golden Spirit looked at Su Chen and said coldly,

"We know this! Buddhism and Heaven have already discussed things well. Buddhism spreads eastward, and Buddhism must have promised some merits and luck to Heaven."

Mother Jin Ling is very confused about Su Chen now.

How could this bastard know that Heavenly Court is acting this time? Does this bastard also know about the great prosperity of Buddhism?

"Immortal, is this true?" Zi Yi looked at Su Chen and asked in confusion.

Several other seven fairies also looked at Su Chen.

They also wanted to know if this was true. Is Heaven really going to give up its face and act?

Su Chen nodded and reminded He said, "It's true. Don't talk nonsense, otherwise you will be killed."

"Yes, Immortal!"

When the Seven Fairies heard Su Chen's words, they hurriedly saluted and said,

"Su Chen, what do you know about the spread of Buddhism to the East?" Our Lady of Wudang asked Su Chen with a serious face.

Su Chen took a sip of wine and said with a smile,

"I know what I need to know, and I also know what I shouldn't know. Holy Mother Wudang, I advise you and Holy Mother Golden Spirit not to get involved in this matter."

"The great rise of Buddhism is a destiny destined by heaven. There is nothing you can do to change the fate of Jie Jiao's defeat. You are also powerless to make a comeback. Furthermore, it is impossible for those people to bring Jie Jiao back to life again."

"What else do you know?" Our Lady of Jinling looked at Su Chen and asked with a serious face.

Our Lady of Jinling and Our Lady of Wudang were very shocked.

They did not expect that Su Chen knew about the plan to intercept the teaching. This was something they had just decided not long ago. , how did this bastard know what they were discussing?

Su Chen reminded him with a smile,

"Holy Mother of the Golden Spirit, if you want to save the disciples of the Jie Sect, it may be a little easy, but if you dare to prevent the rise of Buddhism, the Jie Sect may be completely destroyed."

Su Chen thought of the monsters on the journey to the west.

They are related. The monsters with backers have nothing to do with them. The monsters without backers are all dead.

Although the monsters from Jiejiao are not dead, they have become Buddhists one by one. He Chanjiao's mount, this is really very sad and deplorable!

Our Lady of Wudang looked at Su Chen and asked expectantly, "Su Chen, can you help me rescue the disciples of Jiechanjiao?"

"cannot!"

"Why?"

Su Chen pointed at himself and asked loudly, "Come on, I'm just a little monk, not even an immortal. Do you think I can get involved in the affairs of powerful people like you?"

Our Lady of Wudang said angrily when she thought of Guanyin Bodhisattva, "You know that bitch Guanyin. If you go to save those disciples of our Jiejiao, that bitch Guanyin will definitely not make things difficult for you."

Su Chen was very speechless when he looked at Our Lady of Wudang, bitch?

Are you scolding Guanyin Bodhisattva?

If Guanyin Bodhisattva hears Our Lady of Wudang scolding her like this, I'm afraid a war will be inevitable again.

Su Chen shakes He refused and said,

"That's not OK"

"I don't want to have anything to do with you Jie Jiao. You Jie Jiao are so stupid. Anyone who has anything to do with you Jie Jiao will either fall or be suppressed like you Jie Jiao. I still want to live well."

"Su Chen, we can give you Ling Bao as a reward." Our Lady of Wudang said seductively with a dark face after hearing Su Chen's words.

Our Lady of Wudang also knew about Jie Jiao.

Now she is the only one left in Jie Jiao.

This is almost the same as exterminating the Jiao Jiao. It has something to do with Jie Jiao. The fate of all the immortals was also very bad.

In Fengshen, the great immortals who were related to Jie Jiao either fell or were suppressed. Is Jie Jiao really a trap as Su Chen said?

"Is it okay to have this spiritual treasure?" Su Chen took out the eighth-grade pure white lotus and asked with a smile.

Wudang Holy Mother saw the eighth-grade pure white lotus and said angrily, "You.....No, besides this spiritual treasure, that bitch Guanyin can't give it to you."

"How about having this spiritual treasure?"

Su Chen took out the best innate spiritual baby lotus lantern again, and he said to the Wudang Virgin with a smile.

"The best innate spiritual baby lotus lantern? How come you have this spiritual treasure? Isn't this the spiritual treasure of Yang Chan, the Third Holy Mother, Nuwa's disciple?"

Chapter 1563

Mother Wudang was very surprised when she saw the lotus lantern.

She knew the best innate lotus lantern, and the only disciple of Nuwa was given the lotus lantern.

Yang Chan, the Third Holy Mother, is the disciple of Nuwa Empress.

The lotus lantern was also given to Yang Chan, the Third Holy Mother, by Empress Nuwa, but why was this lotus lantern in Su Chen's hands? It is impossible for Su Chen to snatch the lotus lantern from the hands of the Third Holy Mother Yang Chan.

The Holy Mother of the Golden Spirit was also very uneasy.

Su Chen took out that bitch Guanyin's eighth-grade pure white lotus.

This made sense.

After all, that bitch Guanyin had a good relationship with this pervert, but the lotus lantern was also here. It's impossible in the hands of a bastard. This bastard can't snatch it from the hands of the Third Holy Mother Yang Chan, and he doesn't have the ability to snatch the best lotus lantern.

Just why is this lotus lantern in the hands of this bastard?

The Seven Fairies all looked at Su Chen with surprised faces.

Although they had some understanding of Su Chen, they were very surprised that Su Chen was able to joke with the two powerful Mother Wudang and Mother Golden Spirit today.

And now they took out two powerful spiritual treasures, one of which belonged to Guanyin Bodhisattva and the other to Yang Chan, the Three Holy Mothers, which shocked them very much.

They have also heard about the relationship between Guanyin Bodhisattva and Su Chen, but how come Yang Chan, the Third Holy Mother, is also related to Su Chen?

The Third Holy Mother is the niece of the Emperor of Heaven, and even the sister of the Erlang God Yang Jian. Why does Su Chen have the Third Holy Mother's spiritual treasure? What is his relationship with the Third Holy Mother?

Su Chen did not answer what happened between him and the Third Holy Mother Yang Chan. This was his secret. Otherwise, if the Emperor of Heaven knew about his affair with the Third Holy Mother Yang Chan, he might have to hide.

Su Chen put away the lotus lantern. He smiled and said, "How about the Holy Mother Wudang? Do you have such a spiritual treasure?"

"Yes, it is impossible to give it to you!"

"Then no need to talk"

"you....."

Mother Wudang was very angry when she stared at Su Chen. This bastard is a shameless bastard. She only has one of the best innate spiritual treasures, but can she give it to this bastard?

The Holy Mother of the Golden Spirit took out a small pagoda and handed it to Su Chen and said, "This is the Four Elephant Pagoda. It is a top-grade innate spiritual treasure. Can you help us save the disciples of the Jie Sect?"

"No, I won't get involved in your interception of teachings. You don't need to say anything else. You'd better go.....I guess, Sun Wukong was actually imprisoned again."

Su Chen was rejecting the Holy Mother of the Golden Spirit, but he suddenly saw Taibai Jinxing taking Sun Wukong up to the sky again.

This made Su Chen confused.

Is Pantaoyuan still going to be ruined by Sun Wukong?

No,

Su Chen has to go back quickly. , the flat peaches cannot take advantage of Sun Wukong, he wants to pick all the flat peaches in the peach garden.

Su Chen stood up and hurriedly shouted, "Seven fairies, let's go back to heaven quickly. Sun Wukong, the god of plague, has gone to heaven again."

"Yes, Immortal!"

The seven fairies hurriedly got up and prepared to go back to heaven with Su Chen. They didn't know why Su Chen was in such a hurry, but they couldn't ask about this. The

Holy Mother of the Golden Spirit clenched her fists and was very angry.

This bastard ran away. , is this because he doesn't like her?

Or because he dislikes her magic weapon as being inferior to that bastard?

"Senior sister, that bastard ran away, what should we do now?"

Our Lady of Golden Spirit looked at Our Lady of Wudang and said seriously,

"Wudang, this Su Chen is very extraordinary"

"Don't look at him as a little human monk, but I can't see through this bastard. You must have a good relationship with him in the future. Maybe the revival of Jiejiao depends on that bastard."

The Holy Mother of Wudang spread her hands and said speechlessly, "But this bastard is ignorant, and he is also very wary of us. I'm afraid I won't be able to deal with that bastard."

The Holy Mother of the Golden Spirit tapped the forehead of the Holy Mother of Wudang and said with a smile,

"Then you have to find a way. It is impossible for me to leave Heaven at will. Do you still count on me?"

"this.....Okay, I'll figure it out later!" Our Lady of Wudang looked at Our Lady of Golden Spirit and nodded helplessly.

There was no other way.

She was the only disciple left by Jie Jiao. The disciples of Jie Jiao were either restricted in the heaven, or were captured by other sects, and even Some betrayed Jie Jiao.

As soon as Su Chen and the Seven Fairies returned to Heaven, he was stopped by a divine general from Heaven. The Emperor actually asked him to go to Lingxiao Palace quickly.

This made Su Chen helpless.

He originally wanted to go As for picking peaches,

I'm afraid it's impossible.

In the Lingxiao Palace, when Su Chen arrived with the seven fairies, many immortal officials had gathered here, but the faces of these low-strength immortal officials were not very good.

"Sun Wukong, what? Have you changed your mind this time? Sun

Wukong looked at Su Chen and mocked, "Huh, Su Chen, this time the Emperor of Heaven has granted me the official position of the Great Sage, the Monkey King. My current official position is higher than yours.""

"Congratulations then."

Su Chen was very speechless when he looked at Sun Wukong who was competing with him.

Monkey King, Monkey King?

This is nonsense. Who among the real immortals would care about this monkey.

At this time, the Emperor of Heaven looked at Su Chen and asked, "Su Chen, I want to make Sun Wukong the steward of Pantao Yuan, what do you think?"

"I do not mind!"

Su Chen spread his hands and replied casually.

Su Chen knew that Sun Wukong had to guard the Peach Garden. This may be because the Emperor of Heaven made a deal with Buddhism, and he was driven away now to make room for Sun Wukong. The

Seven Fairies heard that the Emperor of Heaven had Their expressions changed one after another.

They did not expect that Su Chen would be removed from the Pantao Garden by the Emperor of Heaven. What would they do in the future?

What would the three thousand female fairies of Pantao Garden do?

Will they have to obey the orders of this monkey in the future?

The Emperor of Heaven would Seeing that Su Chen was so sensible, he nodded and continued,"Su Chen, since you agree, then I will make you the Divine General of Yaochi. From now on, all the heavenly soldiers and generals in the Queen Mother's Yaochi will be your command.""

"Thank you, God!"

"Haha, Su Chen, your peach garden will belong to my grandson from now on."Sun Wukong looked at Su Chen and laughed and mocked.

This time he was very proud.

Pantaoyuan, this is the place that Su Chen has always managed, isn't it still snatched away by him? It seems that the Emperor of Heaven is still very optimistic about him. He will step on Su Chen's feet in the future.

"This palace disagrees. Su Chen will continue to serve after Pantaoyuan, and Su Chen will also serve as the general of Yaochi."

At this time, the Queen Mother appeared in the Lingxiao Palace and said coldly,

"See the Queen Mother!"

When the immortals in the Lingxiao Palace saw the Queen Mother arriving, they all hurriedly saluted the Queen Mother.

After hearing the Queen Mother's words, the Emperor Haotian sent a message and said,"Queen Mother, this is what we have agreed upon."

"I know, but I regretted it. Emperor of Heaven, if Buddhism does not agree, ask Guanyin Bodhisattva to come and tell me. I feel that Guanyin Bodhisattva will not let Su Chen leave."

Chapter 1564

The Queen Mother doesn't want this bastard Su Chen to leave.

This bastard has ruined a lot of her peaches in the peach garden. Moreover, this bastard has close relationships with many powerful people. The Queen Mother also wants to find out what secrets this bastard has.

"this....."

The Emperor of Heaven had a headache when he heard the Queen Mother's words. This matter had been discussed with Buddhism a long time ago. Now that the Queen Mother has gone back on her word, it would be bad if Buddhism blamed her in the future.

The Queen Mother looked at the Emperor of Heaven and said, "Emperor of Heaven, I have already notified Guanyin Bodhisattva. How about we wait until Guanyin Bodhisattva arrives?"

"Then let's wait until Guanyin Bodhisattva arrives."

The Emperor of Heaven nodded and agreed. He has no choice now. After all, the Pantaoyuan belongs to the Queen Mother. If the Queen Mother really disagrees, there is nothing he can do to the Queen Mother.

Su Chen was very surprised when he heard the Queen Mother's words.

What is the Queen Mother going to do? What to do?

Let him manage the Pantaoyuan?

What about Sun Wukong?

How will the Queen Mother in Buddhism explain to those bald donkeys?

When the Seven Fairies saw the Queen Mother arriving, they even asked Su Chen to continue to manage the Pantaoyuan, which made them all very happy. They were also worried that they would obey this bully in the future.

All the immortals in the Lingxiao Palace looked like they were hanging up and didn't hear anything. This was a matter between the Emperor of Heaven and the Queen Mother, and they were not qualified at all. Never mind that.

Sun Wukong is confused now.

There is something wrong with the Peach Garden he got.

Sun Wukong didn't expect that the Queen Mother is really so kind to Su Chen.

Why does the Queen Mother treat Su Chen so well? Is Su Chen the Queen Mother's illegitimate son?

The Lingxiao Palace suddenly became quiet, and the immortals didn't know what was going on. However, the Emperor of Heaven and the Queen Mother did not dare to leave without permission without orders.

"Ziyi, pour some spiritual wine." Su Chen pulled Zi Yi to the corner of Lingxiao Palace and gave instructions.

Zi Yi pulled Su Chen and said worriedly,

"Immortal, this is the Lingxiao Palace. Without the permission of the Emperor of Heaven and the Queen Mother, you'd better not do anything wrong. Su

Chen waved his hand and said casually, "Nothing, as long as the Queen Mother is here, the Emperor of Heaven will not punish us.""

Zi Yi had no choice.

She looked around and carefully took out a bottle of wine. She secretly poured a glass of wine for Su Chen. This bastard!

The Queen Mother saw Su Chen secretly drinking in the Lingxiao Palace.

She was very angry.

This bastard not only ruined her flat peaches, but also ruined a lot of the best spiritual wine and spiritual fruits she had collected. Her Yaochi Wonderland is now just like this bastard's

"Su Chen, give me a bottle of wine." Sun Wukong saw Su Chen secretly drinking. He walked over and said to Su Chen,

"No!"

Sun Wukong didn't expect that Su Chen would reject him, which made him very angry when he looked at Su Chen.

Sun Wukong glared at Su Chen and said angrily,

"you.....Su Chen, I wanted to kill you before, but that happened a long time ago. Besides, I never made a move against you. How can you be so stingy?"

"Huh? That's right. By the way, Sun Wukong, what's going on with your stick?"

"What stick? This is the sky-supporting stick, a gift from a little demon to me."

"Little demon? That's it, Zi Yi, give the monkey a pot of wine."

Su Chen also understood after hearing Sun Wukong's words.

He got the Dinghai Divine Needle.

Buddhism found another magic weapon for Sun Wukong, and even created another magic weapon for Sun Wukong. Buddhism really tried its best to treat Sun Wukong as a chess piece.

"Yes, Immortal!"

"terrific."

Sun Wukong took the wine bottle from Ziyi and nodded.

In the Lingxiao Palace, all the immortal officials looked at Su Chen and Sun Wukong drinking wine in the corner. This made them very speechless.

However,

Su Chen's With the Queen Mother as their backer, although Sun Wukong and the others didn't know why the Emperor of Heaven was so optimistic about him, they, the immortal officials, pretended not to see it. On the high seat, the Emperor of Heaven and the Queen Mother saw that Su Chen and Sun Wukong were both drinking, and they looked at each other. didn't say anything

"Guanyin Bodhisattva has arrived!"

At this time, a heavenly soldier outside the Lingxiao Palace suddenly shouted,

"Guanyin has met the Emperor of Heaven and the Queen Mother."After Guanyin Bodhisattva arrived, he said to the Emperor of Heaven and the Queen Mother as they joined their hands.

"Bodhisattva, please sit down."

The Emperor of Heaven waved his hand to Guanyin Bodhisattva and said,

Su Chen was confused when he saw Guanyin Bodhisattva arriving.

Why did Guanyin Bodhisattva appear on the stage now?

This is not even the time when this beautiful woman appeared.

Is Guanyin Bodhisattva trying to steal the show?

"Bodhisattva, Pantaoyuan Palace is going to be managed by Su Chen. What do you think?"

When Guanyin Bodhisattva heard what the Queen Mother said, she looked at Su Chen and glared hard.

This bastard actually disrupted the arrangement of Buddhism again. Fortunately, Buddhism has unified its opinions. In the future, Su Chen will be one of the people who spread Buddhism eastward. , and Su Chen is still the one that their Buddhist sect must fight for.

"Amitabha, the Queen Mother, and the poor nuns have no objections. Just let the Queen Mother arrange it."

"That's good!"

The Queen Mother was a little happy when she heard Guanyin Bodhisattva's words.

Guanyin Bodhisattva was indeed very close to Su Chen.

She could even disrupt the Buddhist sect's prior arrangements. It seems that Su Chen is very important in Guanyin Bodhisattva's heart, at least. He paid much more attention to the chess piece than Sun Wukong.

The Emperor of Heaven also looked at Guanyin Bodhisattva unexpectedly.

He did not expect that Su Chen would be so important in Guanyin Bodhisattva's heart. What is the origin of this Su Chen? Is it because Buddhism is very optimistic about Su Chen? Or is it Guanyin Bodhisattva? Do you have a special relationship with Su Chen?

Guanyin Bodhisattva smiled at the Queen Mother and said, "Queen Mother, I have something to explain to Su Chen."

"Bodhisattva please allow me."

The Queen Mother looked at Su Chen and agreed.

"Thank you!"

Whoosh!

Guanyin Bodhisattva looked at Su Chen and waved, and she and Su Chen disappeared into the Lingxiao Palace.

On a fairy mountain,

Guanyin Bodhisattva looked at Su Chen and said coldly, "Su Chen, you are getting more and more lawless. , how dare you use my name to cheat in heaven. Su

Chen looked at the beautiful girl and said flatteringly, "Bodhisattva, long time no see. You are getting more and more beautiful.""

"Stop talking nonsense, what are you doing in heaven?" When Guanyin Bodhisattva heard Su Chen's words, she rolled her eyes at Su Chen and asked coldly,

"Bodhisattva, you see that my strength is low. I originally wanted to eat flat peaches to increase my cultivation level. Who knew that I couldn't eat flat peaches? I'm still depressed now."

Guanyin Bodhisattva burst out laughing when he heard Su Chen's words, "Hahaha.....It turns out that you, a bastard, deserved it for having this idea. Flat peaches are the best innate spiritual roots. If you, a human who has not yet become an immortal, eat them, you will burst."

Su Chen looked at the Guanyin Bodhisattva with a smile that was spread out, and even his chest was heaving.

Su Chen looked at the beautiful Guanyin Bodhisattva and hurriedly lowered his head. He was worried that Guanyin Bodhisattva would find out and teach him a lesson.

Su Chen thought of the flat peaches he picked. He took out some and said, "Guanyin Bodhisattva, come and try it. These are nine thousand years old flat peaches.""

"Shameless bastard, you even stole the Queen Mother's peach. Don't you want to live?"

Chapter 1565

Guanyin Bodhisattva was very surprised when she saw the nine-thousand-year-old flat peach in Su Chen's hand. She didn't expect this bastard to steal the Queen Mother's flat peach. This is a serious crime!

Although Buddhism had a deal with the Queen Mother, this was limited to Sun Wukong, and

Su Chen was not included here.

If the Queen Mother's flat peach was eaten by Sun Wukong or if the flat peach was stolen, the Buddhists would have to pay compensation.

But Su Chen dared to steal the flat peach, which was not within the scope of Buddhism's compensation.

Su Chen has stolen nine thousand years of flat peaches this time. If the Queen Mother finds out, she will definitely not let this bastard off easily. This bastard will probably get into big trouble this time.

Su Chen gave a few flat peaches to Guanyin Bodhisattva and said casually, "Don't worry, I'm not stealing. I picked them from the peach tree. The Queen Mother knows that.""

"Does the Queen Mother know?" Guanyin Bodhisattva looked at Su Chen and asked doubtfully,

"Yes!"

"How can this be? Why didn't the Queen Mother punish you?"

"I am so handsome and handsome, how could the Queen Mother restrain me from sin?"

"Bastard, you are talking nonsense again. Come on, why didn't the Queen Mother punish you?"

"how could I know? I originally wanted to eat some flat peaches secretly, but I couldn't eat the flat peaches, so I picked some flat peaches. Guanyin

Bodhisattva thought for a while and said with a serious face, "Su Chen, you can no longer stay in heaven. I will find a way to get you away. You must be more honest during this period.""

Guanyin Bodhisattva feels that the Queen Mother may have some plans.

This may be against Su Chen, or herself, or even the entire Buddhist sect.

Guanyin Bodhisattva cannot let Su Chen stay in heaven any longer, and this bastard can stay in heaven. There might be danger here.

Su Chen shook his head and refused, "No, Bodhisattva, you know I want to follow Sun Wukong. My trial mission has not been completed yet, so I can't stay away from Sun Wukong.""

Guanyin Bodhisattva glared at Su Chen and reminded, "If you don't leave the heaven, you may be in danger. Su

Chen drank a bottle of wine and smiled, "Haha, nothing will happen to me. If there was any danger, I would have left long ago.""

"No, you have to leave"

"I won't leave!"

"Damn it, you gotta go."

Su Chen had a headache when he saw the stubborn Guanyin Bodhisattva.

If he could have left, he would have left long ago.

Sun Wukong would have made a big fuss in the sky.

How could he leave at this time?

This is related to the 9900th level of the ladder to heaven. Reward, Su Chen didn't want to give up halfway at the critical moment.

"Bodhisattva, we'll talk about this later. I'm going back first. Bodhisattva, it's better to leave!"

"Just stop."

When Guanyin Bodhisattva saw Su Chen turning around to leave, she hurriedly grabbed Su Chen.

Guanyin Bodhisattva still wanted to persuade Su Chen to leave first.

This bastard staying in the heaven was too threatening. She would find a way to help Su Chen regarding Sun Wukong.

Touch.!

Come on!

Su Chen was pulled hard by Guanyin Bodhisattva, and

Su Chen was pulled back by Guanyin Bodhisattva. It was just that Guanyin Bodhisattva pulled him casually, which was not something he could not bear.

Su Chen instantly hit the body of Guanyin Bodhisattva. , and even his hand involuntarily touched the place it shouldn't have touched.

Su Chen was so frightened that he was about to end this time.

He actually molested Guanyin Bodhisattva?

"Bastard, don't let go of your claws yet." Guanyin Bodhisattva, with a livid face, shouted at Su Chen,

"oh oh!"

Su Chen immediately let go and retreated hastily.

He was really scared now.

Guanyin Bodhisattva was about to explode with a cold face.

Su Chen wanted to run away immediately, but he didn't dare.

Guanyin Bodhisattva was stronger than him. If he dares to escape, Guanyin Bodhisattva will probably catch him back in an instant.

Damn you bastard!

Guanyin Bodhisattva wanted to kill this completed sex embryo with a cold face, but she couldn't, and she didn't want to, this time. So it was her responsibility to be like this.

If she hadn't hurriedly pulled this bastard, Su Chen would not have molested her.

Guanyin Bodhisattva shouted to Su Chen with a cold face, "Go away, if you are killed in the future, Don't expect me to save you"

"okay!"

Su Chen hurriedly disappeared after hearing Guanyin Bodhisattva's words.

Guanyin Bodhisattva lowered her head and looked at the handprints on the white dress on her chest.

She angrily said to herself, "Asshole, this matter is not over yet, Su Chen, I won't let you go in the future."

Guanyin Bodhisattva looked at the direction in which Su Chen disappeared and disappeared without a trace.

"Oh my god, I really escaped death this time." Su Chen quickly returned to Pantaoyuan and shouted in fear.

He didn't expect that he would molest Guanyin Bodhisattva this time. Fortunately, Guanyin Bodhisattva didn't take action, otherwise his life might have been in danger.

Huh?

Why didn't Guanyin Bodhisattva do anything right? Taking action by yourself?

There is something wrong with this!

The more Su Chen thought about it as he sat under the peach tree, the more wrong he became. Su Chen had molested Guanyin Bodhisattva, but Guanyin Bodhisattva did not kill him, and did not even teach him a lesson. He just scolded him and left. This No matter what, it doesn't make sense?

"Immortal, you are back."

At this time, the Seven Fairies came to Pantaoyuan and when they saw Su Chen, they hurriedly saluted and said,

"Hongyi, what happened in the Lingxiao Palace in the end? What errand was arranged for Sun Wukong?"

Zi Yi hurriedly said to Su Chen,

"Immortal, after you and Guanyin Bodhisattva left, the Queen Mother left, and the Emperor of Heaven made Sun Wukong the steward of the Heavenly Spiritual Orchard."

"Spiritual Fruit Garden? Is there a spiritual orchard in heaven?"

"Yes, that is just a spiritual orchard for brewing fairy wine. This is simply incomparable with the Queen Mother's peach orchard."

"That's not bad, Sun Wukong may have endless amounts of immortal wine in the future." Su Chen touched his chin and said with a smile,

"The Immortal, the Queen Mother said that when you come back, she will ask you to go to Yaochi Palace, and the Queen Mother wants to see you."

Su Chen waved his hand and leaned against the peach garden and said, "No, I'm a little tired. I'll go see the Queen Mother later."

"Yes, Immortal!"

Hong Yi and the others saw Su Chen lying down.

They looked at each other and left.

They saw if there was anything they could do if Su Chen didn't go. They hoped that the Queen Mother would not blame Su Chen for his rudeness after knowing this.

"Ding, host, one month is up, the host can receive this month's monthly gift package."

Su Chen heard the sudden reminder from the system, which made him sit up hastily.

What?

One month is here?

One month has passed in Tianxuan Continent?

"System, a month has passed in Tianxuan Continent?"

"Ding, it's been a month since Tianxuan Continent"

"Why so fast? Aren't one hundred days equivalent to one day in Tianxuan Continent? The combined total of the Shenyu Continent and the Prehistoric World has not been a year yet, so why has it only been a month in the Tianxuan Continent?"

Chapter 1566

Su Chen also couldn't understand.

Although he also wanted to receive the monthly gift package, this was too weird.

There were only three hundred and sixty-five days in a year, and less than four days had passed in Tianxuan Continent. How could a month have passed in such a short time? Woolen cloth?

"Ding, host, one day in heaven is equivalent to one year on earth, do you understand?"

I guess!

Damn it,

Su Chen's eyes widened when he heard the system's words. He had forgotten that it had been a year in the sky, on the earth, so it's enough to say that he has been in Tianxuan Continent for a month.

"System, receive the monthly gift package!"

"Ding, to receive the monthly gift package, does the host want to open the monthly gift package?"

"Open it, open it. This is the first time in the ancient world that I have opened a monthly gift pack. I don't know if I can get some spiritual treasures."

"Ding, the monthly gift package is open. Congratulations to the host for getting: a pot of Pangu Chalcedony, a pot of Three Light Divine Hands, six high-grade promotion talismans (immortal), and three thousand low-grade promotion talismans (immortal)."

"Three summoning talismans, ten yellow pear, thirty ginseng fruits, three hundred shadow assassins (immortal) (including immortal weapons), and one hundred thousand black armored army (immortal) (including immortal armored soldiers)."

Holy crap!

This guy is so explosive!

He's done it!

He's done it!

He's really done it this time! Su Chen couldn't help drooling when he looked at the treasures that were revealed in the system space..

He didn't expect that so many treasures would be found in the fairy world, such as

Pangu Chalcedony, Three Light Divine Water, and other fairy quality improvement talismans, summoning talismans, top-grade innate spiritual fruits, and even the Shadow Assassin and Black Armor Army were upgraded. Arrived at Xianpin

"Ding, host, let me remind you, if you become an immortal in the immortal world, you will not be able to return to the Shenyu Continent in the future."

"Let me guess, system, are you saying that I can't use these treasures?"

"Ding, it's not that you can't use it. If you can become an immortal in the Divine Meteor Continent, then you can come and go freely in the Divine Meteor Continent like the Tianxuan Continent. But this is the fairy world, and you can't become an immortal in the fairy world."

Su Chen was depressed when he heard the system's explanation.

What's wrong with him?

The treasures in the system space can only be viewed but not used.

This really made him speechless.

"System, explain the treasure obtained this time"

"Ding, Pangu Chalcedony: It can not only strengthen the physical body, improve qualifications, and gather wealth, it can even enhance the understanding of laws and supernatural powers."

"This ancient chalcedony is really good, but it's a pity that it can't be used now. Where is the three-light divine water?"

"Ding, the Three Light Divine Water: It is composed of the Sunlight Divine Water, the Moonlight Divine Water, and the Starlight Divine Water. When separated, the Three Light Divine Water is extremely poisonous. Even powerful immortals can be poisoned to death, and even the soul will be wiped out."

"The three rays of divine water are combined into one. This is the number one healing holy medicine in the world. It can resolve all poisons in the world, and can also treat all wounds and diseases. It can even treat flesh and bones, the living dead, and can treat all kinds of poisons. The spiritual roots of the world have a great effect."

Su Chen looked at a pot of Sanguang Divine Water and said, "This is exactly what I thought."

Su Chen nodded after hearing the systematic explanation.

The Three Lights Divine Water was the same as the one introduced in the novel he had read. His pot of Three Lights Divine Water was more than the Three Lights Divine Water in the jade bottle of Guanyin Bodhisattva. many

"What about this promotion talisman? Why are there still high-grade promotion talismans and low-grade promotion talismans?"

"Ding, high-grade promotion talisman (immortal): This can instantly enhance a person's cultivation level to the Taiyi Golden Fairyland."

"Low-grade promotion talisman (immortal): It can instantly enhance a person's cultivation level to the realm of Xuanxian"

"Host, if these promotion talismans are used, you and the person who uses them will not be able to appear in the Godfall Continent again. The host can only use them if they have mastered the luck in the Godfall Continent. The host should use them with caution."

Holy shit, that's awesome!

This is a step to the sky! It

's a pity that I can't use it now.

It's just a pity.

Su Chen felt very helpless when he looked at these promotion talismans.

In the prehistoric world, he couldn't use these promotion talismans, even It is impossible for him to use it in the Shen Yun Continent, otherwise he will be expelled from the Shen Yun Continent unless he can master the luck in the Shen Yun Continent.

"System, where is the summoning talisman?"

"Ding, summoning talisman, the host can summon his own woman to appear in the prehistoric world. The summoned human being will not be discovered by immortals and demons, and even heaven will not discover it."

"System, is this true?"

Su Chen was immediately shocked and asked loudly,

"Ding, the system never lies!"

This time he made a big fortune, three summoning talismans!

He can summon three women to come to the prehistoric fairyland. If he lets them use the high-grade promotion talisman, Su Chen will have three powerful immortal women from the Taiyi Golden Immortal. Su Chen will She was confused when she took out the summoning talisman from the space.

Damn it, this is actually a random summoning talisman?

Su Chen sat on the peach tree in depression and summoned randomly?

What if Concubine Yan and Jing Salamander were summoned? ? They still need to be in charge of Tianxuan Continent. Concubine Yan and Jing Sala cannot leave Tianxuan Continent yet.

Su Chen put away the summoning talisman depressedly.

He had to think carefully about whether to use this summoning talisman.

Huang Zhong Pears!

Ginseng fruit!

He knows all this.

He can't eat these top-quality innate spiritual roots now. Huang Zhong pears can only be eaten by Daluo Jinxian or quasi-sage, and ginseng fruit can only be eaten by Jinxian.

"System, what level of immortal is the Shadow Assassin? What level of immortals are the black-armored troops?"

"Ding, the shadow assassins are Xuanxian, and the black-armored troops are Earthly Immortals. Host, you summoned these shadow assassins and black-armored troops. These guards and troops are temporarily unable to return to the Godfall Continent."

"clear!"

Su Chen nodded.

The strength of the shadow assassins is still about the same.

Although the black-armored army is the lowest level of immortal soldiers, it is already very good. From the acquired realm to the earthly immortal realm of immortal soldiers, this is already He reached the sky in one step.

Su Chen took a sip of wine, sighed and said helplessly, "These are all good treasures, but they are of no use to me at all, alas!" It's difficult!"

Su Chen leaned against the peach tree and wondered, should I use the summoning talisman?

"Immortal, Lord Erlang asks for an audience!"

At this time, a fairy came to Su Chen and saluted,

"Erlang Zhenjun? Yang Jian?"

Su Chen didn't expect Erlang Shen Yang Jian to come to him. Could it be that the Third Holy Mother Yang Chan told Yang Jian what happened between them?

Did Erlang Shen come to kill him?

Or did he come to ask for guilt?

Su Chen thought about it and it was right The fairy ordered, "Xiaozhu, please invite Yang Jian, the Erlang God, to come in.""

"Yes, Immortal!"

After a while, an imposing young man wearing a pair of armor came into the Pantaoyuan.

When he saw Su Chen in the Pantaoyuan, he frowned. This was the little monk who had harmed his sister.

Yang Jian wanted to kill him in one go.

In front of an immortal table,

Su Chen prepared immortal wine and some three-thousand-year-old flat peaches. When he saw Yang Jian arriving, he smiled and said, "Brother, come here quickly. I have prepared the best immortal wine and flat peaches."

"Boy, Hugh's nonsense, who is your uncle? You bastard, don't talk nonsense here."

Chapter 1567

Yang Jian's face turned pale when he heard Su Chen's words.

This shameless bastard, he hadn't promised his sister to marry this bastard, and this bastard actually called him uncle?

There are many fairies in the Peach Garden.

Is this bastard going to kill his sister?

"Please take a seat!"

Su Chen didn't care about Yang Jian's attitude.

He waved his hand to Erlang Shen Yang Jian and said,

"snort!"

Yang Jian glared at Su Chen fiercely and sat down.

"Xiaozhu, pour wine for Erlang Shen!"

"Yes, Immortal! Su

Chen sat down and smiled at Yang Jian and said, "Brother, did Chan'er ask you to come?"

"you....."

When Yang Jian heard what Su Chen said, he looked around. There were hundreds of fairies in the peach garden. He was worried that the bastard Su Chen would tell the Emperor of Heaven and the Queen Mother if he said nonsense.

Su Chen waved his hand and reminded, "Don't worry, the fairies here are all mine, and they won't go around talking nonsense."

Erlang Shen Yang Jian was very surprised when he heard Su Chen's words.

The fairies here are all the Queen Mother's men, this bastard actually subdued all the Queen Mother's men? How could a little monk conquer these fairies?

Yang Jian shook his head and ignored it for now. He wanted to keep Su Chen away from his sister this time.

"Hum, Su Chen, I don't care how powerful your backstage is, you'd better stay away from my sister. Su

Chen shook his head and said with a smile, "That won't work. Your sister is already my woman, and I will not abandon her."

When Erlang Shen Yang Jian heard Su Chen's words, he yelled with a black face,

"Damn it, you are just a little human monk. If the Emperor of Heaven and the Queen Mother find out about you, don't you know how much disaster it will bring to my sister?"

Yang Jian didn't expect that his sister Yang Chan would have an affair with this bastard.

This left him with no choice.

Yang Chan had already lost his virginity to this bastard.

Do they still need to be separated?

But if Su Chen and Yang Chan are not allowed to separate, they will not be separated. When the Emperor and the Queen Mother find out, Yang Chan will probably be accused by the Emperor like their mother.

Su Chen stood up and comforted Yang Jian,

"I know, uncle, shouldn't I think of a way now? I will soon take care of the Queen Mother. Even if the Emperor of Heaven and the Queen Mother find out in the future, they will not be able to embarrass Chan'er."

Yang Jian heard Su Chen's words and asked hurriedly, "Have you taken care of the Queen Mother? How did you manage the Queen Mother?"

I guess!

Why does Erlangshen Yang Jian's words sound so awkward?

Why does Su Chen listen to Erlangshen's words as if he is having an affair with the Queen Mother?

"Ahem, Erlang Shen, the Queen Mother will definitely help me in the future. Don't worry, I will never let Chan'er be punished by the Emperor of Heaven like your mother."

Erlang Shen looked at Su Chen and nodded.

He also knew that the backers behind this bastard were somewhat powerful.

The Buddhist Guanyin Bodhisattva, the Jie Jiao's Wudang Holy Mother, and even the Golden Spirit Holy Mother were with this bastard last time. Yang Jian also felt that The Queen Mother might be convinced by this bastard

"Su Chen, I believe you this time. If something happens to my sister in the future, I will definitely cut you into pieces, and all your three souls will be wiped out by me."

Su Chen patted his chest and promised, "I, Su Chen, keep my word. No one can touch my wife."

"Hum, prepare some three-thousand-year-old and six-thousand-year-old flat peaches for me." Yang Jian looked at the flat peaches on the table and said to Su Chen.

He saw that Su Chen could pick the flat peaches in the peach garden at will, and he also wanted to eat them.

He had never participated in the previous flat peach banquets, so he wanted to bring them this time. He went back to eat some, and also let his sister Yang Chan eat these top-quality innate spiritual fruits.

Su Chen smiled when he heard Yang Jian's words.

He didn't expect that Yang Jian was also interested in Pan Tao. It seemed that Yang Jian had never participated in Pan Tao before. At the banquet, I'm afraid he has never eaten flat peaches.

"Ziyi, go and pick the 13,000-year-old flat peaches and the 16,000-year-old flat peaches."

"Yes, Immortal! Su

Chen looked at Yang Jian and said with a smile, "Brother, you are the Golden Immortal. I will give you the six thousand years of flat peaches. Please bring back the three thousand years of flat peaches to Chan'er."

"Needless to say, the Queen Mother also prepared several jars of the Queen Mother's finest fairy wine for me."

"No problem, as long as there are fairy fruits and fairy wine in the Yaochi Fairy Palace, my uncle can ask for whatever he wants. Red clothes, take some fairies to move ten jars of the best fairy wine."

"Yes, Immortal!"

Yang Jian became more and more curious about Su Chen.

How could this little monk have such great abilities? The Queen Mother's flat peach is the best innate spiritual fruit that can only be found, and the fairy wine is also brewed from the best fairy fruit.

Su Chen casually asked

Is he really not afraid of the Queen Mother's blame for giving away the best fairy fruit and the best spiritual wine from the Queen Mother?

"Su Chen, you secretly took the Queen Mother's peaches and fairy wine like this, aren't you afraid that the Queen Mother will blame you?"

"It's okay, the Queen Mother doesn't care about these fairy fruits and fairy wine at all."

Yang Jian was very speechless when he heard Su Chen's words.

Why doesn't the Queen Mother care about these fairy wines and fairy fruits?

Flat peaches can extend the lives of some immortals.

Since the destruction of the ancient world, the spiritual energy of the world has changed from innate spiritual energy to acquired spiritual energy. There is no innate spiritual energy in the fairy cave. And the immortals in the Immortal Mansion.

The lifespan of those immortals is not immortal.

If you eat a flat peach, you can live tens of thousands of years longer. Some immortals are very greedy and look forward to the flat peach.

Yang Jian did not stay in the peach garden for too long.

He and Su Chen explained that he had to pay attention to things in heaven and left.

Su Chen shook his head when he saw Yang Jian leaving.

Yang Jian was indeed a sister-in-law. If it weren't for the Guanyin Bodhisattva behind him, I'm afraid Yang Jian would have wiped out this troublemaker. After this, Yang Jian should not object to his and Yang Chan's affairs.

More than a month later, everything was calm in the heaven, and

Sun Wukong had not started to cause trouble.

However,

March 3rd was getting closer.

March 3rd was the birthday of the Queen Mother. The flat peach banquet is about to begin, and Sun Wukong's last big fight in the sky is about to begin.

In the flat peach garden,

Su Chen enjoyed the massage from Hong Yi and Qing Yi and asked with a smile, "Red Yi, three thousand fairies are not here yet." Out of customs?"

Hong Yi heard Su Chen's question and hurriedly replied, "Shangxian.....No, God General, the three thousand fairies should be out of seclusion in the next two days."

Hongyi admires Su Chen very much now.

The three thousand fairies used to be little fairies of the Earth Immortal.

But a month ago,

Su Chen suddenly promoted the three thousand fairies to the realm of Xuan Immortal. This made seven of them. The sisters were very surprised.

A little monk who was not yet an immortal could have such great abilities. The seven sisters became more and more curious about Su Chen.

Su Chen nodded when he heard Hong Yi's words.

He was a low-ranking person. The promotion talisman was used by three thousand fairies. After all,

Su Chen was also a Yaochi god general.

He couldn't do it without some subordinates. He didn't dare to use other heavenly soldiers and generals in heaven. Su Chen could only cultivate those who were loyal to him. These fairies from the peach garden

"Divine General, the Queen Mother is here to invite you!"

At this time,

Ziyi ran over and saluted Su Chen, saying,

"Um? The Queen Mother is out of seclusion, what does that beautiful lady want to do with me?"

## Chapter 1568

In the Yaochi Palace, the Queen Mother sat on the futon and kept frowning.

She did not expect that the three thousand fairies in the Peach Garden had all been promoted to Xuanxian. When she was not in retreat a month ago, the three thousand fairies were all small earth fairies. , why is it only a month?

Among the three thousand fairies, even those who jumped a few levels became Xuanxian, which made her feel very incredible.

The Queen Mother shook her head and said to herself, "How did that bastard Su Chen do it? How many secrets does he have that have not been exposed? What is the origin of this bastard?"

"Queen Mother, are you looking for me?" Su Chen came to Yaochi Palace and sat on the futon and said.

When the Queen Mother saw Su Chen sitting down unceremoniously, she asked angrily, "Su Chen, is Yaochi Wonderland yours or mine?"

"Of course it belongs to the Queen Mother." Su Chen took a sip of wine and nodded.

The Queen Mother said loudly to Su Chen with an angry look on her face,

"mine? Why do I feel that the Yaochi Fairyland belongs to you? You can do whatever you want with the peaches and fairy wine. Even the fairies and immortal soldiers here are obedient to you. Is this still my Yaochi Fairyland?"

Su Chen coughed and said awkwardly when he heard the Queen Mother's words, "Well, Queen Mother, what's mine is yours. As long as I own it, the Queen Mother can take whatever you want."

When the Queen Mother heard Su Chen's words, she yelled angrily,

"Xio's nonsense, what's yours is mine? Everything in Yaochi Wonderland belongs to me. You bastard, if you dare to talk nonsense again, I will definitely punish you."

The Queen Mother didn't expect this bastard Su Chen to say this, as if she and Su Chen have a very close relationship?

Why does what belongs to this bastard belong to her?

There is no relationship between them at all.

No, this bastard is now her direct subordinate. Su

Chen said awkwardly and hastily, "I understand, I understand, Queen Mother, are you calling me here just to scold me?"

The Queen Mother's chest was heaving with anger at Su Chen.

This bastard was her nemesis.

She can't even beat or scold Su Chen now.

This is really her fault.

The Queen Mother looked at Su Chen and said expressionlessly, "My My birthday is coming soon, Su Chen, haven't you ruined all my peaches? Su

Chen was confused and hurriedly replied,

"No, no, for the Queen Mother's birthday, I have prepared the flat peaches a long time ago, and there will be nothing wrong with it."

The Queen Mother asked with a smile as her eyes flashed,

"Have you prepared my birthday gift?"

I guess!

The Queen Mother also wants to prepare a birthday gift for her birthday?

He has never heard of it?

Besides, he is just a little monk. He is not qualified to participate in the peach banquet.

The Queen Mother asked him what he wanted a birthday gift for?

Su Chen looked at The Queen Mother is very confused.

Is the Queen Mother planning to rob him again?

The Queen Mother robbed him of his law seeds last time. Is the Queen Mother going to let herself bleed again?

"Su Chen, didn't you prepare a birthday gift for me?"The Queen Mother asked with a cold face after taking a sip of tea.

Su Chen said helplessly after hearing the Queen Mother's urging,

"Queen Mother!"

"I'm just a young monk, and I can't attend the peach banquet. I don't need to prepare a birthday gift for the Queen Mother, right? Besides, even if I prepare a mundane thing, the Queen Mother will not take a fancy to it."

The Queen Mother looked at Su Chen and threatened with a sneer,

"Hey, Su Chen, I don't believe what you say at all. You must prepare my birthday gift, and you must satisfy me, otherwise! Don't blame me for what happened between you and San Sheng Sheng Yang Chan."

"you....How do you know about Yang Chan and me?"

Su Chen was very shocked when he heard what the Queen Mother said.

Only three people knew about him and Yang Chan, himself!

The Third Holy Mother Yang Chan!

The Erlang God Yang Jian!

It is impossible for these people to talk randomly.

How did the Queen Mother know? Did Emperor Haotian also know about it? Su Chen was a little uneasy now.

Seeing the surprised look, the Queen Mother said disdainfully,

"Do you think I don't know about Yang Jian's arrival a month ago? Here in Yaochi, nothing can be hidden from me in Yaochi Wonderland, don't you understand?"

The Queen Mother also discovered the arrival of the Erlang God Yang Jian a month ago, so she checked why Yang Jian came to her Yaochi Wonderland.

The Erlang God Yang Jian has never come to heaven, and it is even less likely to come to her Yaochi Wonderland. The Queen Mother originally thought it was Su Chen Having offended Erlang Shen Yang Jian, Yang Jian also came to trouble Su Chen this time.

But after hearing their conversation, the Queen Mother did not expect that this bastard would actually bring disaster to the Third Holy Mother.

The commandments of heaven clearly stipulate that immortals cannot get married. Su Chen did this knowingly and even harmed the niece of the Emperor of Heaven. This bastard was too courageous.

Didn't this bastard know that Yang Chan's mother was punished by the Emperor of Heaven? Did he also want the Third Holy Mother Yang Chan and her mother to be the same? The end?

"Queen Mother, don't others know about this?"

"What do you think?"

"I will definitely not tell anyone else"

"Why won't I tell other people?"

When Su Chen heard the Queen Mother's question, he felt even more that the Queen Mother had not revealed this matter.

Su Chen smiled and said to the Queen Mother, "Queen Mother, it's been a month. If you tell the Emperor of Heaven, I and I will Yang Chan might have been arrested by the Emperor of Heaven long ago."

The Queen Mother glanced at Su Chen and said coldly,

"Even if you are self-aware, I am too lazy to care about your nonsense. Su Chen, if I am not satisfied with the birthday gift, other immortals will know about it. Do you understand?"

Su Chen nodded hurriedly and replied, "I understand, I understand, I understand very well!"

"Now take out the birthday gift and let me take a look."

"Now?"

"Right now!"

Su Chen was speechless.

Is the Queen Mother afraid that he will regret it?

The Queen Mother's birthday has not come yet and she wants a birthday gift, and she still forces herself to give a gift, and she is not satisfied with it?

This is really unconscionable!

Su Chen thought about his system The treasures in the space, ordinary treasures are definitely not as good as the Queen Mother's discernment.

Five Elements Spiritual Beads?

No, he has only obtained two Five Elements Spiritual Beads now. The Five Elements Spiritual Beads are the best innate spiritual treasures together.

Dinghai Shenzhen?

This is not possible, this is The most valuable treasure of mankind, the eighth-grade Pure World Lotus is the spiritual treasure of Guanyin Bodhisattva. It is even more impossible for him to give it to the Queen Mother.

Lotus Lamp?

Even if he gave it to the Queen Mother, she would not dare to ask for it. After all, the Lotus Lamp was given to the Three Holy Mothers by Nuwa..

Su Chen looked at the other treasures in the system space with great reluctance. The Law Seed could no longer dare the Queen Mother. Besides, the Queen Mother probably didn't need other Law Seeds.

The Queen Mother smiled when she saw Su Chen's entangled look. He said, "Su Chen, why are there so many treasures that it's hard to decide what to give me? How about you bring them all out and I'll pick out a treasure?"

"You are dreaming!"

"you wanna die!"

## Chapter 1569

The Queen Mother took immediate action and caught Su Chen.

This damn bastard was becoming more and more disrespectful to her. She was the Queen Mother who was equal to the Emperor of Heaven in the heaven, but this bastard actually regarded her as a fairy who contradicted her at will.

If the Queen Mother doesn't teach this bastard a lesson this time, this bastard still doesn't know who she is.

"It smells so good!"

Su Chen was close to the Queen Mother. He could not help but say as he smelled the fragrance of the Queen Mother's body,

"Shameless pervert!" When the Queen Mother heard what Su Chen said, she was so angry that she grabbed Su Chen and threw him out.

Come on!

Su Chen saw that the Queen Mother was about to throw him out.

This frightened him.

The Queen Mother is a quasi-sage.

She is like this With a random fall, Su Chen would definitely be thrown to death, and even if he survived, it would be impossible.

Su Chen hurriedly hugged the Queen Mother's waist and shouted, "Queen Mother, please don't fall, throw me out." Oh, I'm going to die."

The Queen Mother was stunned when Su Chen hugged her.

After a while, she looked so ugly that she wanted to kill this bastard. She didn't expect that this bastard dared to hug her.

How many years has it been?

She has never been in such close contact with a man. This Does the bastard really want to die?

"Let go!"

Su Chen hugged the Queen Mother tightly and shook her head and said,

"I won't let go"

"Shameless pervert, let me go!"

"Empress, if you don't throw me out, I will let you go immediately!"

Boom!

Damn it!

Su Chen was blown away by the Queen Mother's momentum. This was not just outside the Yaochi Palace. Su Chen was blown all the way out of the heaven, and kept flying backwards.

In the Heavenly Court, all the gods looked towards the Yaochi Fairyland.

Just now, the Yaochi Fairyland erupted with a powerful momentum, which frightened the gods in the Heavenly Court. Even after Su Chen was shocked out of the Yaochi Fairyland, no one of these gods dared to Nosy to save Su Chen.

In the Lingxiao Palace, the Emperor saw Su Chen being knocked out.

He looked at Yaochi and couldn't understand why the Queen Mother expelled Su Chen?

Su Chen was a helper. Guanyin Bodhisattva was unworthy. The Holy Mother, and even the Holy Mother of the Golden Spirit, have a close relationship with Su Chen. As long as you have a good relationship with Su Chen, you can use those powers to do something in the future.

What happened to the Queen Mother today?

In heaven, in the Hall of Stars, the Holy Mother of the Golden Spirit Looking at Yaochi Wonderland, he said to himself in confusion,

"Um? Is that Yaochi Wonderland? what happened?"

"Suchen? Why was Su Chen knocked out of the Yaochi Wonderland? Forehead! Shocked out of heaven, did Su Chen offend the Queen Mother? Did the Queen Mother expel Su Chen?"

The Holy Mother of the Golden Spirit stood up and was about to save Su Chen, but she thought about it and sighed.

She is now bound by the list of gods, and there are some things that she dare not do blatantly.

Alas!

It's better to inform the Holy Mother of Wudang.!

In the fairy orchard,

Sun Wukong saw Su Chen being knocked out of the heaven, which made him laugh happily,

"Haha, Su Chen was expelled from heaven? This is really unexpected. A little monk should have been expelled from heaven long ago.

Dongsheng Shenzhou,

Su Chen was sent flying to a big mountain in Dongsheng Shenzhou. puff!

Cough cough cough!

Su Chen looked at the somewhat shrunken Eighth Grade Pure World White Lotus.

He kept coughing and vomiting blood.

Su Chen almost died this time. If the Eighth Grade Pure World White Lotus hadn't appeared in time to protect him, he would have died. He was stunned by the Queen Mother's aura.

Su Chen touched Bai Lian and said with lingering fear,

"Jingshi White Lotus, thank you very much this time, the beautiful Guanyin Bodhisattva. From now on, I will definitely thank you very much, even if I have to pledge myself to you."

Su Chen took out the Three Light Divine Water from the system space, and dropped three drops on the white lotus.

Now the luster of the Pure White Lotus has dimmed, and even shrunk a little. The momentum of the Queen Mother just now was blocked by the white lotus.

Su Chen didn't do it either. It may cause Bai Lian to suffer heavy damage.

Boom!

After the Three Light Divine Water dripped on the White Lotus, the

Pure World White Lotus absorbed it crazily, and even the surrounding spiritual energy rushed in crazily.

Come on!

Why is there such a big movement?

Su Chen looked around, he hoped that there were no monsters or monsters here, otherwise, he would probably be doomed.

Huh?

What happened to the white lotus?

Su Chen suddenly discovered that a leaf of the eighth-grade pure world white lotus had been gently pushing his hand.

This Su Chen was confused.

He knew that Lingbao had a spirit, but he didn't understand what it meant.

"Bai Lian, do you still need the Three Light Divine Water?" Su Chen took out the Three Lights Divine Water, shook it and asked,

Whoosh!

I'm here!

Su Chen saw Bai Lian's leaves stretching towards the Three Lights Divine Water, and he hurriedly protected the Three Lights Divine Water. Su Chen was worried about Bai Lian's three lights. All the divine water was snatched away.

Su Chen gave Bai Lian another five drops of the Three Light Divine Water.

Huh?

Give Bai Lian some of the colorful liquid as well!

Su Chen wanted to know if Bai Lian could evolve into ninth grade, tenth grade, eleventh grade, or even Promoted to the twelfth-grade Pure World White Lotus.

Su Chen did as he was told.

He took out the colorful liquid that was soaking the White Lotus seeds, opened the lid and poured some onto the White Lotus.

Boom boom boom!

At this time, the spiritual energy of the world around him The eighth-grade Pure World White Lotus poured in even more crazily, and the entire sky here became dark.

Su Chen immediately sat on the White Lotus, and he wanted to use sufficient spiritual energy to recover from his injuries.

Half a day later,

BANG!

The Pure World White Lotus suddenly appeared. One piece appeared, and it even continued to mutate.

Ninth level?

The colorful liquid is indeed useful. Whether the white lotus can evolve to the twelfth level pure white lotus depends on its fate.

Su Chen opened his eyes when he heard the sound. Looking at the white lotus, he did not expect that in just half a day, the white lotus would become an extra product. In a barrier on the West Kunlun Mountains, in a magnificent palace with rich spiritual energy, a female

When Shi saw Su Chen appearing on her mountain, she was very confused.

"Who is this little monk? How could there be Guanyin's eighth-grade Pure World White Lotus, and be able to advance the Eighth-grade Pure World White Lotus to the ninth grade, and even the White Lotus is still being promoted." boom!

"snort!"

This woman sensed that many immortals were inquiring about her West Kunlun. When her face turned cold, she waved her hand and snorted,

"not good!"

"It's the Queen Mother of the West!"

"Junior brother, quickly withdraw your spiritual thoughts, it's the Queen Mother of the West!"

"puff! Ahem..."

"ah....."

At this time, all the immortals who were investigating Xi Kunlun were shocked by the aura of the Queen Mother of the West. If they had not quickly withdrawn their spiritual thoughts, I am afraid that his soul would have been severely damaged.

"Huh? Was there a woman's cold snort just now? Did you hear it wrong?"

Chapter 1570

On West Kunlun Mountain,

Su Chen was recovering from his injuries.

Suddenly he opened his eyes and looked around.

Su Chen was very surprised by the cold snort of a woman just now. How could there be a woman's cold snort here?

Su Chen checked around and found nothing, which made him wonder if he was nervous.

"It seems that the Queen Mother was frightened. How could there be a woman's hum here?"

Su Chen shook his head and closed his eyes to recover from his injuries.

At this moment, in the fairyland of Yaochi in heaven, the Queen Mother regretted that Su Chen was knocked out by her. If she hadn't seen Su Chen being protected by the white lotus of Guanyin Bodhisattva, , she might also take action to save that bastard

"Damn bastard."

The Queen Mother is walking around in the fairyland of Yaochi.

She wants to find that bastard now, but she can't bear to lose face.

Su Chen was shocked out of heaven by her.

It's not even a day.

If the Queen Mother goes out to find that bastard now, What would the immortals in heaven think of her?

The Queen Mother also wanted to save face.

After thinking about it, the Queen Mother said to the order, "Come here, please order the seven fairies to go down to the realm to find Su Chen."

"Yes, empress!"

Nanhai!

Nanhai, in the purple bamboo forest.

Guanyin Bodhisattva closed her eyes and was meditating.

Suddenly, she felt uneasy, and then there was a sudden throbbing in her soul.

Guanyin Bodhisattva stood up in a hurry with a nervous look on her face. Something happened to Bai Lian. ? Something happened to that bastard Su Chen?

Whoosh!

Guanyin Bodhisattva coldly hurriedly went to see what happened to Su Chen. Why was the eighth-grade Pure World White Lotus severely damaged?

At this moment, in the Lishan Mountain of Dongsheng China, the Wudang Virgin Mother She also received a message from the Holy Mother of the Golden Spirit. She did not expect that Su Chen was kicked out of the heaven and might even be seriously injured. The

Holy Mother of Wudang did not delay. Based on the information provided by the Holy Mother of the Golden Spirit, she went to Dongsheng China to find Su. Morning.

In West Kunlun Mountain, more than ten days later,

Su Chen's injuries have recovered, and the eighth-grade Pure World White Lotus has been promoted to the tenth-grade Pure World White Lotus.

Su Chen smiled when he looked at the tenth-grade Pure World White Lotus. When the great beauty Avalokitesvara sees the tenth-grade Pure World White Lotus, she doesn't know how the great beauty Avalokitesvara will thank her.

"receive!"

Su Chen has received the tenth-grade Pure World White Lotus into his body.

Although Bai Lian is still in the process of advancement, Su Chen cannot delay any longer. The birthday of the Queen Mother is getting closer and closer, and Su Chen has to find a way to return again. To heaven.

Su Chen looked at the desolate surroundings and said depressedly,

"Where is this place? That stinky Queen Mother was too cruel this time."

Whoosh!

Come on!

Su Chen was about to teleport away from here in an instant, but after Su Chen teleported, he found that the place where he appeared was still in the same place.

This surprised Su Chen.

Although he had not mastered the law of space, he A teleport can appear thousands of miles away.

How could he still appear in the same place?

Damn it!

Isn't this because he met a ghost and hit a wall?

No!

This is the ancient fairyland.

What ghost dares to play tricks on me?

Could it be that he mistakenly entered a fairy mountain with an owner?

Su Chen thought about it, looked around and shouted, "Is anyone there?" I came here unintentionally. If I have offended the Immortal by disturbing you, please forgive me. I will leave now."

"Human beings, my mother-in-law invites you!"

At this time, a blue bird flew over Su Chen and said crisply,

"Bluebird?"

Su Chen saw a blue bird and blurted out,

"Human, you know me?"

Damn it, this is really the Blue Bird.

Then this mountain is the West Kunlun Mountains.

The empress the Blue Bird is talking about should be the Queen Mother of the West.

Su Chen didn't expect that he would be shocked to the West Kunlun Mountains. There was a great king in ancient times in West Kunlun. Yes, she is still one of the three thousand red guests of Zixiao Palace, and is even the head of the female immortals canonized by Taoist Hongjun. The head of the female immortals is the Queen Mother of the West!

The Queen Mother of the West is a generation higher than Guanyin Bodhisattva and Wudang Holy Mother, and even higher than the Queen Mother. Be noble. After all, the Queen Mother was still a little virgin when the Queen Mother of the West became famous.

When Su Chen heard what the blue bird said, he said randomly, "I guessed that you are wearing blue, so I casually shouted "Try it""

"So that's it, humans, follow me to see your empress!"

The blue bird landed directly on Su Chen's shoulder.

She felt that there was a very familiar aura on Su Chen's body. She even felt very kind to Su Chen, as if Su Chen and she were of the same race.

Qingying What?

Su Chen thought of Qingying when he saw Qingniao.

Qingying was no longer in his arms.

Su Chen also forgot about Qingying. Didn't Qingying appear with him in the plot of Journey to the West? The

Sacred Artifact of the Ladder to Heaven brought Qingying to life. Yingliu is on the ladder?

"Wait, Qingniao, I just broke into West Kunlun by mistake. I still have things to deal with. I will disappear as the Queen Mother of the West. Do you think that's okay?"

The blue bird shook his little head and refused,

"No, human being, if the queen wants to see you, you must go to the audience. You are a little monk, I am a Daluo Jinxian, you can't run away from me!"

Su Chen stared at the little blue bird on his shoulder with big eyes, "Let me go, are you a Da Luo Jinxian?"

"of course!"

Qingniao nodded proudly and replied.

Su Chen touched Qingniao's little head and praised,"Awesome, Qingniao, you are so powerful, but I really have something to do, why don't I come back after I finish it? To meet the Queen Mother of the West?"

"this....."

Su Chen saw that Qingniao hesitated, and he hurriedly said casually,"Qingniao, we are a family, and I am a descendant of Black Bird. You should be able to feel it."

After Qingniao heard Su Chen's words, she suddenly understood. He looked like,"So you are a descendant of Black Bird. No wonder you make me feel very kind.""

"Qingniao, we have a companion, Qingying was also found by me, but Qingying is retreating in a secret place and cannot come out yet."

"Qingying? Have you also found Qingying?"

"Yes, Qingying will be out of seclusion in a few hundred years."

Qingniao rubbed her little head against Su Chen's face and said happily,"It doesn't matter, hundreds of years will pass in an instant. I can't wait to see Qingying now."

Su Chen touched Qingniao's little head and said with a smile,"Qingniao, I really have something important this time. Is it okay if I come to see the Queen Mother of the West again in the future?"

"What are you going to do?"

Su Chen shook his head and said with a sly smile,

"This can't be said, Qingniao, why don't you go with me? My strength is low, so you can protect me for a month. Then we will come to West Kunlun together to see the Queen Mother of the West."

Qingniao is a Daluo Jinxian.

He is in West Kunlun now. He doesn't know how long it will take to get to Heaven. If he has Qingniao's help, he will be very safe along the way and his speed will probably be much faster."

"That's it!"

"Blue Bird, you wouldn't disagree, would you?"

Qingniao looked at Su Chen and nodded and replied,

"Forget it, I will go with you. However, you have to come with me to West Kunlun in one month to see the Queen of West Kunlun, otherwise I may be punished by the Queen."

"no problem!"

In the secret palace in West Kunlun,

Queen Mother Xi was very angry when she looked at Su Chen in the Lingbao Kunlun Mirror. She didn't expect that Su Chen actually tricked her Blue Bird away.

This shameless human being, why is he a descendant of Black Bird?

Why is there a Qingying?

This is simply nonsense.
