Chapter 1571

The Queen Mother of the West was so angry that she wanted to send her fairies to catch the liar. But just when she was about to send the order to the fairies, the Queen Mother of the West suddenly discovered that the Wudang Virgin who intercepted the teachings had arrived in her West Kunlun.

This made the Queen Mother of the West a little confused.

Jiejiao was over, and Our Lady of Wudang had never appeared.

How could Our Lady of Wudang come to her West Kunlun this time?

"Huh? Why are the seven fairies from heaven also here? What are they looking for in the West Kunlun Mountains?"

After the Queen Mother of the West saw Our Lady of Wudang, she discovered that the seven fairies under the Queen Mother in Heaven had also come to West Kunlun, and were even looking for something on her West Kunlun Mountain. This made the Queen Mother of the West confused for a moment. The Queen Mother of the

West also discovered that the Queen Mother of the West did not have the Virgin of Wudang. When they came to her palace, the Queen Mother of Wudang was also looking for her in the West Kunlun Mountains.

The Queen Mother of the West was completely confused.

"Why is Our Lady of Wudang also checking her West Kunlun? What are these people looking for?"

The Queen Mother of the West did not care about the Seven Fairies and the Wudang Virgin. She wanted to see what these people were looking for in her West Kunlun.

At this moment,

Su Chen sat on the enlarged blue bird body and quickly flew away from West Kunlun. What happened on the West Kunlun Mountains Su Chen didn't know about it at all.

Su Chen sat on the blue bird's body and looked at the ancient scenery.

He suddenly asked the blue bird under him, "Blue Bird, do you know how to get to the Nantian Gate of Heaven?"

"I do not know!"

I guess!

Bluebird doesn't know?

Then where is she flying?

It's his fault.

Bluebird won't fly farther and farther away from Nantianmen, right?

"Bluebird, where are you flying?"

Blue Bird's clear voice replied, "Isn't Nantianmen in the east? I can't go wrong by flying toward the sun."

Su Chen stood up with a dark face when he heard Qingniao's words and said, "I'm going, Qingniao, it's afternoon now, the sun is in the west, aren't you going to fly all the way to Xiniu Hezhou?"

"ah! I...I forgot it was afternoon, Su Chen, what should I do now?"

"Blue Bird, find a fairy mountain. We don't know where the Nantian Gate is. We can only ask other immortals."

"OK, I'll look for it."

Su Chen was also speechless about Qingniao.

Although Qingniao is a great Luo Jinxian and has even lived for an unknown number of years, how can Su Chen think that Qingniao is just a little girl with a childlike innocence?

"Su Chen, look, there is a fairy mountain ahead. Should we go to that fairy mountain?"

"go!"

"Great!"

In the Heavenly Court, in the fairyland of Yaochi,

Guanyin Bodhisattva looked at the Queen Mother with a livid face.

If it weren't for the important events of Buddhism, Guanyin Bodhisattva would have fought with the Queen Mother right now.

"Queen Mother, if something happens to Su Chen, I will not let you go."

The Queen Mother was also very angry. She did not expect that Guanyin Bodhisattva would fall out with her because of Su Chen. Is that bastard so important in Guanyin Bodhisattva's heart?

The Queen Mother also sneered at Guanyin Bodhisattva with a cold face,

"Guanyin, Su Chen is my subordinate. What I want to do to him is my business. Are you too lenient? This is heaven, not your Buddhism."

Guanyin Bodhisattva shook hands and warned, "Queen Mother, you should know the relationship between Su Chen and me. It's okay if nothing happens to Su Chen. If something happens to Su Chen, just wait for my revenge."

The Queen Mother said in a cold voice with disdain, "Hmph, do you think I will be afraid of you?" You three are no match for me, Guanyin, you'd better think clearly before saying these words."

"We'll see!"

Guanyin Bodhisattva looked at the Queen Mother coldly and left.

She knew that she couldn't fight with the Queen Mother now. Whether it was for the layout of Buddhism or because she really couldn't beat the Queen Mother, she couldn't do it now.

The Queen Mother saw Guanyin Bodhisattva. As he left, he shouted coldly and cursed,

"Su Chen, you damn bastard, I will teach you a lesson when I catch you."

All the immortals in the heaven are paying attention to what is happening in Yaochi Fairyland. The powerful immortals in the heaven have noticed the arrival of Guanyin Bodhisattva in a fierce manner.

They all guessed that Guanyin Bodhisattva came because of Su Chen's affairs. All the immortals were originally I thought that Guanyin Bodhisattva was going to fight with the Queen Mother.

There was only a powerful aura erupting in the Yaochi Fairyland, but there was no fight.

The immortals in the heaven were not sure what happened in the Yaochi Fairyland.

In the Heavenly Garden of Spiritual Fruit Garden, what Sun Wukong felt A powerful aura erupted from Yaochi Wonderland, which made his face look very ugly.

"Is this him? Who is that boy Su Chen? How could a powerful fairy stand up for that little monk?"

Sun Wukong is also helpless towards Su Chen. He really can't conflict with that bastard in the future. Those powerful auras just now made him feel very scared. The background of that bastard Su Chen is too powerful.

"call! Fortunately there was no fight."

In the Lingxiao Palace, the Emperor of Heaven breathed a sigh of relief when he saw Guanyin Bodhisattva leaving.

Buddhism and Heaven are now in a cooperative relationship. The Emperor of Heaven does not want to fall out with Buddhism at this time. Buddhism is about to flourish, and Heaven also wants to share some of Buddhism's merits and luck.

In the Hall of Stars,

Our Lady of Golden Spirit frowned when she saw Guanyin Bodhisattva leaving.

She did not expect that Guanyin Bodhisattva would really stand up for Su Chen at all costs.

What is Su Chen's background?

What is his relationship with Buddhism?

Next to Our Lady of Golden Spirit, a beautiful woman said with a serious face,"Sister, I didn't expect Guanyin to really come. I didn't believe it at first, but now I do."

The Holy Mother of the Golden Spirit nodded and reminded,

"Yunxiao, I'm afraid Su Chen's origin is very complicated. I can't understand what Guanyin is doing now, but Guanyin's concern for Su Chen doesn't seem to be fake."

The beautiful woman is Yunxiao, the eldest sister of Empress Sanxiao of Jiejiao. Yunxiao, who was originally a quasi-sage, is now just a Daluo Jinxian, and has no chance to advance to quasi-sage. Her soul is bound by the list of gods. She has the same cultivation level as the Golden Spirit Mother. It's impossible to improve

"Senior sister, is Su Chen really important to us?"

"Important, very important!"

"Can Senior Sister Wudang convince Su Chen?"

The Holy Mother of the Golden Spirit shook her head and said helplessly,

"I'm afraid, Su Chen is very wary of our Jie Jiao. He is afraid of being implicated by our Jie Jiao. Also, in the ancient world, I am afraid that no great immortal is willing to be friends with our Jie Jiao. Yun

Xiao said with a depressed expression.

"Our Jie Jiao has declined, and is no longer the Jie Jiao that Ten Thousand Immortals came to court. Buddhism, Chan Jiao, and even the Human Sect may not allow our Jie Jiao to develop again."

Yunxiao is also very helpless.

The disciples of their Jiejiao are bound by the God List, and the only one left in the Jiejiao is the Holy Mother. I am afraid that it will be difficult for Jiejiao to stand up. Su Chen? Who is this person

?

Who is he?

Does he really have a place for Jiejiao to develop again?

Yunxiao thought of what Madam Jin Ling said about Su Chen and frowned, thinking, does a little monk who is not yet an immortal really have such great ability?

Guanyin Why is the Bodhisattva so concerned about this little monk?

The Queen Mother is also very wrong. She was very optimistic about Su Chen before, and today she expelled Su Chen.

However, not long after, the seven fairies under the Queen Mother went to look for Su Chen again. She is now interested in the Queen Mother. I also don't understand the relationship with Su Chen.

Chapter 1572

Xiniu Hezhou,

Wuguanzhuang,

Su Chen and Qingniao discovered this Taoist temple when they arrived at this fairy mountain. Su Chen and Qingniao walked to the gate of this Taoist temple and were stunned.

【The Immortal Immortal's Mansion, the Taoist Mansion that has the same longevity as Heaven! 】

Su Chen was very confused when he saw the couplets in the Taoist temple.

What the hell, this is actually the Five Views Village of Zhen Yuanzi, the ancestor of the Earth Immortal?

Su Chen was hesitant.

Zhen Yuanzi was the ancestor of otakus. He was an old otaku who had spent countless years in otakus. He was not sure whether Zhen Yuanzi would pay attention to a little monk like him.

"Su Chen, why don't we go in and ask?"

Qingniao stood on Su Chen's shoulder and saw that Su Chen didn't call the door.

She asked suspiciously.

Su Chen pointed at Wuguanzhuang and asked, "Qingniao, do you know where this place is?"

"Wuguanzhuang! Isn't it written above?"

"Do you know the gods in Wuguanzhuang?"

"I have no idea!"

Su Chen shook his head with a dark face.

Isn't it said that the blue bird is the messenger of the Queen Mother of the West? How can a blue bird who doesn't even know the road be a messenger?

This is simply a rumor.

Su Chen touched the blue bird's little head and explained, "Qingniao, there is a powerful person living here. He and the Queen Mother of the West are powerful people of the same generation. We'd better not disturb you."

"Haha, little friend, since you are here, please come in and talk about it."

At this time, a laugh suddenly came over, and Su Chen was even invited to Wuguanzhuang.

"God will come in."

The gate of Wuguan Village was also opened, and the two Taoist boys came out and saluted Su Chen, saying,

"Thank you, Great Immortal Zhen Yuanzi!"

Su Chen heard what Zhen Yuanzi said and saw the two Taoist boys arriving to greet him. He could only take Qingniao and prepare to enter Wuguanzhuang.

"You two boys, take these flat peaches and eat them."

Su Chen looked at the two boys in Journey to the West and smiled. He took out four three-thousand-year-old flat peaches and handed them to the two boys.

"this....."

"Take it!"

The two boys looked at the flat peach that Su Chen handed over and they didn't dare to take it. At this time, Zhen Yuanzi's voice came over again.

"Thank you, General!"

"You are welcome!"

In Wuguanzhuang,

Zhen Yuanzi sat on the futon and couldn't help but nodded.

Although this Su Chen is just a young monk,

Zhen Yuanzi will not underestimate him. The

Guanyin Bodhisattva of Buddhism, the Wudang Virgin of Interception And the Holy Mother of Jinling, the Queen Mother in Heaven.

Even the Queen Mother of West Kunlun is also related to Su Chen, which makes Zhen Yuanzi very curious about Su Chen.

"Su Chen met the great immortal Zhen Yuanzi."When Su Chen came to the main hall, he saluted an old man with a long beard.

Zhen Yuanzi smiled and said to Su Chen,"You're welcome, Lord Su Chen, please sit down!"

"Thank you!"

"Cool breeze, bright moon, go pick five ginseng fruits"

"Yes, sir!"

Zhen Yuanzi looked at Su Chen and asked doubtfully,"General Su Chen, do you have anything to do when you come to Wuguanzhuang this time? Su

Chen replied awkwardly,"Ahem, Great Immortal, I just came here to ask how to get to Heaven.""

Zhen Yuanzi was stunned when he heard Su Chen's words.

The divine general in heaven didn't know how to return to heaven.

Is this a joke?

However, when he saw Su Chen's embarrassed look, he thought of what happened today.

Su Chen also He is just a young monk, and he may really not know how to return to heaven.

Zhen Yuanzi shook his head and said speechlessly,

"Divine General Su Chen, if you are not in a hurry, I will take you to the Heavenly Court in a few days. The Queen Mother also invited me to her birthday party. I didn't want to go at first, but since the Divine General doesn't know the way, I will take the Divine General. Go to this peach banquet"

"Thank you, Great Immortal!"

Su Chen nodded and agreed. He has nothing to do anyway, and it doesn't matter if he stays here with Zhen Yuanzi for a few days.

"General, please use ginseng fruit."

Su Chen was very speechless when he saw the ginseng fruit placed in front of him by the boy.

He coughed in embarrassment and said,

"Hey, boy, I'd better take these back. My cultivation level is too low. I can't eat these."

Zhen Yuanzi shook his head and said with a smile, "I have forgotten this. General Su Chen, just accept these ginseng fruits. You can eat them again when your strength improves."

Zhen Yuanzi was also very speechless.

The immortals who came to his Wuguan Village in the past all came for the ginseng fruit.

Su Chen was surprised that he came to ask for directions and couldn't even eat the ginseng fruit. He also treated Su Chen, a god general. Don't know what to say

"Daxian, this is the Huangzhong pear I got. Please accept it."

Su Chen looked at the ginseng fruit.

He didn't want to get involved in Zhen Yuanzi's cause and effect.

If it was a woman,

Su Chen would accept it without hesitation.

And among these great immortals, Su Chen had to be on guard against Zhen Yuanzi in the future. He wants to repay this cause and effect.

"Huang Zhongli, I didn't expect that General Su Chen would have Huang Zhongli. I didn't have a chance to eat Huang Zhongli from Queen Mother Xi. This time, Pindao got the advantage of God General."

Zhen Yuanzi was very surprised when he saw the Huangzhong pear that Su Chen brought out.

Huangzhong pear is more precious than ginseng fruit.

Huangzhong pear blooms once every ten thousand years, bears fruit once every ten thousand years, and matures only after ten thousand years. Even There are only nine fruits at a time.

One smell of Huang Zhongli can add tens of thousands of lives. Eating one Huangzhongli can become a Daluo Jinxian, but the cultivation will not be able to progress again.

Zhen Yuanzi has the possession of Su Chen Huang Zhongli seemed to understand, and he guessed that the relationship between Su Chen and Queen Mother Xi was anything but ordinary.

Su Chen was stunned when he heard Zhen Yuanzi's words.

The best spiritual root Huang Zhongli actually belonged to Queen Mother Xi?

He really didn't I know, but why does Zhen Yuanzi think that his Huang Zhongli belongs to the Queen Mother of the West? Is it because of the blue bird?

"Su Chen, I want to eat ginseng fruit."

Qingniao stood on Su Chen's shoulder and said quietly,

"Eat, these are yours!" Su Chen put the blue bird next to the ginseng fruit and touched her head and said.

Then,

Su Chen started chatting with Zhen Yuanzi.

At this time, on the West Kunlun Mountains, the Seven Fairies and the Wudang Virgin also met, but they Neither of them paid attention to each other.

The Virgin Mother Wudang looked angry when she saw the seven fairies. The seven fairies left far away when they saw the ugly look on the face of the Virgin Mary Wudang. The

Virgin Mary Wudang is a quasi-saint, they are just some little Golden Immortal, the Seven Fairies don't dare to offend the Wudang Virgin.

In the West Kunlun Palace, the Queen Mother of the West held her chin and thought, it's interesting, the Wudang Virgin and the Seven Fairies all came for that bastard, and the bastard who abducted the Blue Bird turned out to be A divine general in the heaven?

A divine general who is not an immortal yet? Has the heaven fallen to the point where all the divine generals are not immortals?

Queen Mother Xi looked at Su Chen and was very surprised, "Huh?" That bastard actually took Qingniao to Wuguanzhuang. Does that bastard still know Zhen Yuanzi? Queen Mother Xi said to herself in confusion,

"This divine general named Su Chen seems to underestimate him."

"That bastard has the eighth rank of Guanyin.....The Tenth Grade Pure World White Lotus and the Wudang Holy Mother who intercepted the teachings seemed to be related to him, and

the Queen Mother didn't know what the relationship was with Su Chen, but it was definitely not simple."

"Now he went to Zhen Yuanzi's place to eat and drink. What is the origin of this Su Chen?"

Chapter 1573

March 3rd, today is the birthday of the Queen Mother, and it is also the time for the Peach Banquet.

All the gods in heaven, the great immortals on the ancient land, and the powerful people are also attending the Peach Banquet. Some of these people are here for the Peach Banquet. Some powerful people are ready to watch the fun.

In the fairyland of Yaochi, the Queen Mother was very angry when she looked at the seven fairies kneeling below.

There has been no information about Su Chen these days, and even the Jiejiao people couldn't find Su Chen. The Queen Mother was worried that Su Chen was hiding on purpose, and even I'm afraid I'll find him

"Where the hell is that bastard hiding? Damn it, he won't run away, right?"

Hong Yi knelt on the ground and said to the Queen Mother, "My Queen, it is impossible for the God General to escape. Maybe the God General has something important to do."

Hong Yi is afraid that the Queen Mother will punish Su Chen in anger again. Now she can only try to comfort the Queen Mother and hope that the Queen Mother will not punish Su Chen again. When the

Queen Mother heard what Hong Yi said, she said coldly, "Huh, today is mine. Birthday, if that bastard doesn't show up, he will never show up again."

The seven fairies all lowered their heads.

Now they can only pray that Su Chen will come back today, otherwise, the Queen Mother may be really angry. In the Hall of Stars, the Golden Spirit Virgin Mary, the Wudang Virgin Mary, Yunxiao and the other three girls Sitting together in the main hall, they all had sad faces.

Su Chen's disappearance made them not sure what to do.

There are only a little more than five hundred years left for Buddhism to spread eastward.

If they go according to their previous thoughts,

Jie Jiao is really They would fall into a situation of no return, and although that bastard Su Chen had a way to help them intercept the teachings, the bastard never agreed to them.

Now he is missing again, and they can't find the bastard.

The Holy Mother of the Golden Spirit looked at the Holy Mother of Wudang and the Yun Xiao said seriously,"We will go to the Peach Banquet later. If Su Chen comes, he will definitely go to the Peach Banquet."

Our Lady of Wudang said speechlessly,"Sister, how is this possible? Su Chen is just a little monk, but he is not qualified to participate in the Peach Banquet"

"Yes, senior sister, this is simply unrealistic. Yun Xiao also shook his head and said in disbelief.

Yun Xiao thought that Su Chen was just a small monk. Even if he knew many powerful people, the Peach Banquet was full of great immortals and powerful people, and Su Chen was not qualified to participate at all.

The Holy Mother of the Golden Spirit waved her hands and said decisively,"We can only give it a try now, is there anything else you can do?"

Mother Wudang and Yun Xiao both shook their heads.

They had no choice now, but I'm afraid their trip this time would be in vain. Su Chen would never show up anyway.

Yun Xiao looked at Mother Jin Ling and asked, "Senior Sister, do you want to notify other classmates?"

The Holy Mother of the Golden Spirit shook her head and reminded,

"No, our Jiejiao is different from before. We still don't know about some of the disciples of the Penjiao. Only the three of us know about this matter. Yunxiao, don't tell your sisters and brothers."

"I see."

Yun Xiao nodded and agreed.

There are too many traitors in the Jie Jiao, and there are even more Jie Jiao disciples who have taken refuge in Buddhism.

Although there are many Jie Jiao disciples in Heaven, some people no longer care about the Jie Jiao, and even It could be Buddhism, Chan Sect, or even a traitor to the Human Sect.

At this moment,

Su Chen and Zhen Yuanzi were heading towards Heaven together.

They also met many gods along the way, and Su Chen was just polite to them..

Those gods also looked indifferent to Su Chen. If Zhen Yuanzi hadn't been next to Su Chen, they wouldn't have paid attention to Su Chen, a little human monk. At

Nantianmen, people like Su Chen came to Nantianmen one after another. Behind the Tianmen, the heavenly soldiers and generals here were stunned when they saw Su Chen appearing.

The gods who arrived next to them all watched the excitement when they saw this situation. They all wanted to see this little human race. How does a monk enter the heaven?

Zhen Yuanzi smiled and touched his beard and stood aside.

He knew Su Chen's identity and also knew the powerful men standing behind Su Chen.

These immortals next to him did not know Su Chen's identity. Now they are even more confused. They look like they're watching the fun, and I'm afraid they'll be slapped hard in the face after a while.

"See the God General!"

At this time, after the heavenly soldiers and generals of Nantianmen reacted, they hurriedly saluted Su Chen.

During this time, the heavenly court had been discussing Su Chen, and even speculated whether Su Chen would come back on the birthday of the Queen Mother.

The appearance of Su Chen now made the heavenly soldiers and generals here not expect it, but they did not dare to offend Su Chen. They had been looking for Su Chen in Yaochi Wonderland during this period, and even the Queen Mother was furious about it. These little fish and little people Xia didn't dare to be disrespectful to Su Chen at all.

"All free of charge"

"Thank you, General!"

Su Chen stood on the blue bird and offered his hand to Zhen Yuanzi and said, "Great Immortal Zhen Yuanzi, I'm going to go first. I have to go see the Queen Mother first."

"General Su Chen, please help me!"

Zhen Yuanzi nodded and replied.

The other immortals in Nantianmen were all confused. Divine

General Su Chen?

Is this the Divine General of Yaochi who caused a storm not long ago?

The immortals here looked at each other one by one. They all made a mistake this time. They originally thought it was a small human monk, but they didn't expect it to be a big crocodile.

In Yaochi Fairyland,

Su Chen's arrival caused a sensation, not only in Yaochi Fairyland, but also in the entire heaven. Su Chen returns

"Su Chen, come in here."

In the fairyland of Yaochi,

Su Chen heard the Queen Mother's angry message just after he came back.

Come on!

It's been so long. Hasn't this beautiful woman calmed down?

It's his fault.

Do you dare to go there again?

Su Chen looked at it tangledly. Looking at the fairies surrounding him, none of these fairies heard the Queen Mother's words and did not know what Su Chen was struggling with now.

Su Chen waved to Hong Yi and said, "Hong Yi, take the fairies back to Pantaoyuan. , and prepare flat peaches and spiritual wine. We will eat and drink in the flat peach garden later."

"Yes, God General!"

Su Chen looked at the Yaochi Palace and asked Qingniao and Ziyi to take him to Pantaoyuan. He walked towards the Yaochi Palace with a worried look on his face. In the

Yaochi Palace, the Queen Mother was sitting on a futon and saw Su Chen coming.

She was cold Face asked, "You bastard, you still know how to come back? Where have you been during this time?"

Su Chen lied without blinking,

"Queen Mother, last time I was seriously injured by your shock, I just found a random place to retreat and heal."

"That's your own fault, you bastard." The Queen Mother glanced at Su Chen and said sarcastically,

"I'm here!

This big beauty!

I will teach her a lesson if I have the opportunity in the future.

However, the Queen Mother's figure is really good. It should be convex and voluptuous." , now he is eager to hug the Queen Mother again

"Report to the Queen Mother, the Queen Mother of West Kunlun has arrived."

Chapter 1574

In the Yaochi Palace,

Su Chen and the Queen Mother heard the report from the fairy outside the palace, and they both looked at each other.

Su Chen is now very worried that the Queen Mother of the West will come to settle the score with him, after all, he abducted the blue bird.

The Queen Mother frowned.

The Queen Mother of West Kunlun never attended the peach banquet.

Why did it come this time?

"Please quickly invite the Queen Mother of the West!"The Queen Mother stood up and hurriedly ordered the fairy,

"Yes, empress!"

"Queen Mother, did you invite Queen Mother of the West?"Su Chen looked at the Queen Mother and couldn't help but ask.

The Queen Mother nodded when she heard Su Chen's words and said,

"Yes, but the invitation was only sent by Heavenly Court for the sake of the great powers. None of the great powers like the Queen Mother of the West would come, but why did they come this time? I don't know either."

Su Chen looked at the Queen Mother speechlessly and was about to run away.

Otherwise, if he met the Queen Mother of the West again later, he would have to face two powerful women to interrogate him.

Su Chen took a sip of tea and said hurriedly,"Then I won't disturb you, I'd better go and stay in the Peach Garden."

"Humph, Su Chen, don't think about letting it go like this. After today, you see how I will deal with you."

"I understand, I understand, my lord, the younger ones will leave first."

"shameless bastard!"

When the Queen Mother saw Su Chen leaving, she suddenly discovered that the tea that Su Chen drank in a hurry was actually the tea she had just drunk. This made the Queen Mother want to catch the bastard and slap him to death.

After Su Chen left, there was no How long ago, a very beautiful woman was brought into the Yaochi Palace by the fairy

"Yaochi met Queen Mother Xi's sister."The Queen Mother hurriedly said hello when she saw Queen Mother Xi arriving.

Queen Mother Xi pulled the Queen Mother and said with a smile,"You're welcome, Yaochi, where is your divine general Su Chen?"

"Um, I just left. Sister, did Su Chen offend you?"The Queen Mother was very confused now.

Did that bastard Su Chen offend the Queen Mother of the West? Otherwise, why would the Queen Mother of the West ask Su Chen as soon as she arrived?

The Queen Mother of the West said angrily,"Offended? Your general is so brave, he actually kidnapped my blue bird."

"Bluebird? Isn't the Blue Bird Daluo Jinxian? Su Chen is not an immortal yet, how could he kidnap the blue bird?"The Queen Mother's face changed after hearing Queen Mother Xi's words, and she reminded that the Queen Mother wanted to strangle that bastard to death.

No wonder she felt very familiar when she saw the blue bird on Su Chen's shoulder just now. That bastard had the audacity to kill Queen Mother Xi's body. The bird was abducted.

The Queen Mother was also very speechless towards Su Chen.

That bastard has been recovering from his injuries during this time?

Now she doesn't believe a word of Su Chen. That bastard must not know how much trouble he has caused.

When the Queen Mother of the West heard The Queen Mother said with a sweet smile, "The blue bird is in your fairyland, sister, you don't want to protect your divine general, do you?"

The Queen Mother of the West knew without guessing that the Queen Mother was protecting Su Chen.

When the bluebird came to the fairyland of Yaochi, would the Queen Mother know?

It seems that the Queen Mother was very protective of Su Chen. A little monk actually allowed the Queen Mother to act stupid to him like this. , What is so special about Su Chen?

The Queen Mother smiled awkwardly and said, "Sister, I'm joking. If Su Chen really kidnapped my sister's blue bird, I will definitely punish that bastard."

"The Empress Qi, the Guanyin Bodhisattva of the South China Sea, the Golden Spirit Mother of Doumu Yuanjun, the Virgin of Jiejiao Wudang, and the Immortal Lady Yunxiao who is accompanying the world to ask for an audience."

At this time, outside the palace, a fairy loudly reported to the Queen Mother.

The Queen Mother held her hand tightly and was very angry. I am afraid that all these powerful people who came here came because of that bastard Su Chen.

When? Her Yaochi Wonderland has become Su Chen's Yaochi Wonderland?

Are these powerful people all idle and have nothing to do? Why do they all come here just for a little monk like Su Chen?

"Invite them all to come in."The Queen Mother calmed down the anger in her heart and then ordered calmly,

"Yes, empress!"

"Haha, sister, all these people coming are for that Su Chen, right? I am very interested in your general now."

When the Queen Mother heard what Queen Mother Xi said, she hurriedly said,"Sister, you are joking. Su Chen is just a little monk. How could he have anything to do with these powerful people?"

That shameless bastard Su Chen, you must teach that bastard a lesson after this time.

Damn it, is Yaochi Wonderland still Yaochi Wonderland?

Just call it Su Chen Wonderland.

The Queen Mother is getting angrier and angry now. She wants to Su Chen caught her and asked him to deal with these women.

"Yeah? I don't think so."

The Queen Mother of the West looked at the Queen Mother and smiled.

At this time, the Queen Mother still wanted to hide it.

She had seen Our Lady of Jiejiao Wudang looking for Su Chen in West Kunlun. Su Chen even owned the Lingbaojing of Guanyin Bodhisattva. Shibailian, how could this not be related?

At this moment,

Su Chen returned to Pantao Garden and sat down. Pantao Garden had been decorated by many fairies in a very beautiful and quiet place.

He was not qualified to participate in the Pantao Banquet, but this place was his territory, Pantao. , the best fairy wine, and other fairy fruits and spiritual fruits are all available here.

These are all taken from the Queen Mother's treasure house. This place is more luxurious than the flat peach banquet, but Su Chen can only eat some fairy fruits, and he can only live with the flat peach. It was an eye-opener.

Su Chen took a sip of the fairy wine, hugged Zi Yi and said to Hong Yi, "Hong Yi, give everyone a three-thousand-year-old flat peach."

There are three thousand flat peach trees in the flat peach garden that are three thousand years old.

They bear so many flat peach fruits that three thousand fairies, each with one flat peach, can only eat up all the peaches on dozens of flat peach trees.

Su Chen doesn't care about this. , if he were not afraid of the Queen Mother's interference, he would even think of a fairy with three thousand-year-old flat peaches. After all, these are his loyal subordinates. The fairies have become powerful, which is also very useful to Su Chen.

"Yes, God General!"

"Thank you, General!"

The three thousand fairies all hurriedly stood up and saluted Su Chen.

The three thousand fairies are now at the level of Xuanxian. Some of them are even at the peak of Xuanxian. If they eat another three thousand years of flat peaches, they will They are all able to break through to the Golden Immortal quickly.

Su Chen waved his hand and said with a smile,

"Everyone sit down. Today is the Queen Mother's birthday. We are not qualified to attend, but the fairy wine and fairy fruits here are not inferior to the peach banquet. We are here to celebrate the Queen Mother's birthday."

"Yes, God General!"

Su Chen pinched Zi Yi's little face and ordered,

"Zi Yi, go and pick ten six thousand year old flat peaches for each of your sisters."

"Haha, thank you so much, General!"

When Ziyi heard what Su Chen said, she shyly kissed Su Chen and ran out with a sweet smile.

Hongyi poured a glass of wine for Su Chen and said worriedly, "General, the peach banquet hasn't started yet, we If you hold a banquet here now, the Queen Mother won't blame you, right? Su

Chen waved his hand and said nonchalantly, "No, the Queen Mother is probably very busy right now. Doesn't she have time to take care of me?"

"Yeah? Su Chen, you are living a very carefree life! Flat peach, the best fairy wine, fairy fruit, fairy tea, you damn bastard, have you emptied my treasure house?"

Chapter 1575

The Queen Mother is very angry now.

This shameless bastard, the flat peach banquet has not even started yet, this bastard actually holds a banquet in the flat peach garden, where flat peaches, the best fairy wine, and fairy tea are all collected in her treasure house for many years.

Damn it, this is even more extravagant than the peach banquet she is going to host.

Along with the Queen Mother, Guanyin Bodhisattva, Jinling Holy Mother, Wudang Holy Mother, Yunxiao, and even the Queen Mother of the West were all very confused looking at the bustling Pantaoyuan.

Especially the many fairies here eating flat peaches and drinking the best fairy wine and fairy tea, which made them all feel that the flat peach banquet might not be so luxurious.

"I attended the Queen Mother Empress and met many great immortals!"

"All free of charge!"

"Thank you, empress!"

Many fairies stood in front of their respective tables in a restrained manner. They were now very worried that the Queen Mother would get angry again, especially fear that the Queen Mother would punish Su Chen again.

Su Chen looked at the arrival of the Queen Mother and the Guanyin Bodhisattva in confusion.

He did not think that the Queen Mother actually brought fairies such as Guanyin Bodhisattva and the Golden Spirit Mother to Pantaoyuan, what is the Queen Mother planning to do?

"Su Chen, please explain this to me." The Queen Mother looked at Su Chen who looked surprised and continued to ask coldly,

"Ahem, empress, we are celebrating your birthday. Su Chen was embarrassed and hurriedly replied,"

What does this beautiful woman mean?

Why did she come to the Peach Garden with powerful people like Guanyin Bodhisattva? What about the Peach Banquet?

Isn't the Queen Mother planning to hold it? Or does the Queen Mother know about the Peach Banquet?" Can't get over being messed with by monkeys?

"Celebrating my birthday?"

The Queen Mother asked with a look of disbelief.

"May your empress be as blessed as the East Sea and live longer than the Southern Mountains!"

At this time, under the command of Su Chen, three thousand fairies saluted the Queen Mother together. The

Queen Mother waved her hands speechlessly.

She really has no way to deal with this bastard Su Chen now, but this place is more interesting than the Peach Banquet. some

"Your Majesty, please take your seats, as well as all the seniors."

Su Chen saw that the Queen Mother was no longer bothering about this matter, so he hurriedly pulled the Queen Mother to the front seat and said.

The Queen Mother glanced at her and asked the Guanyin Bodhisattva and the other girls to sit down.

This time when they came to Pantaoyuan, she also couldn't handle the Guanyin Bodhisattva. People like Our Lady of Jinling and Guanyin Bodhisattva were all determined to see Su Chen. The Queen Mother had no choice but to bring them here.

Who knew that Pantaoyuan would be like this?

This bastard would start messing around as soon as he came back.

Guanyin Bodhisattva was right Su Chen waved, and she took Su Chen to the side.

Now she wanted to ask Su Chen what happened last time? Why was her white lotus injured?

And the Queen Mother had changed too much before and after.

The Queen Mother had previously kicked Su Chen out of heaven, but why did she feel today that the Queen Mother was still treating this bastard well?

The Queen Mother of the West had been observing Su Chen since she arrived, and what surprised her was that she couldn't check on Su Chen at all. Su

Chen's sea of consciousness seemed to be protected by something, and she couldn't see anything at the peak of her quasi-sage state.

The Queen Mother of the West became more and more curious about Su Chen.

"Madam, why are you here?"The blue bird flew on Queen Mother Xi's shoulder and asked doubtfully.

Queen Mother Xi looked at the blue bird and said speechlessly,"Little blue bird, do you still know me? I thought you had forgotten me."

The blue bird instantly produced two ginseng fruits in front of the Queen Mother of the West, and she hurriedly said to please her,

"How could I forget your Majesty? My Majesty, I left two ginseng fruits for you. My Majesty, please try it. The ginseng fruits are still very delicious. I have already eaten three of them."

"Ginseng fruit? How come you have ginseng fruit?"The Queen Mother of the West asked in surprise when she saw the ginseng fruit in front of her.

The ginseng fruit is only available in Zhen Yuanzi. How could the blue bird have it? And the blue bird actually ate three ginseng fruits? The three daughters of the Holy Mother Jinling

and the Queen Mother also looked at the blue bird. , they also wanted to know how Qingniao got ginseng fruit. Is this related to Su Chen, a bastard?

Qingniao said to Queen Mother Xi without even thinking, "The ginseng fruit was given to Su Chen by Yuanzi of Wuguanzhuang Town. Su Chen Gave it to me again"

"Zhen Yuanzi? Does Su Chen know Zhen Yuanzi?"

"How could Su Chen know Zhen Yuanzi? Zhen Yuanzi actually gave Su Chen five ginseng fruits?"

"The Great Immortal Zhen Yuanzi also knows Su Chen?"

The Queen Mother of the West, the Queen Mother, and the Holy Mother of the Golden Spirit were very surprised when they heard what Qingniao said.

They did not expect that the ginseng fruit was given to Su Chen by Zhen Yuanzi.

Zhen Yuanzi was a quasi-sage and the ancestor of the earth immortals. Zhenyuan Why did Zhenzi and Su Chen get involved again?

Qingniao nodded and continued, "Empress, this is true. Su Chen and I have been living in Wuguanzhuang during this time. This time Zhen Yuanzi also brought us with him Su Chen came to heaven together"

"I see!"

The Queen Mother of the West patted Qingniao's little head and nodded.

She didn't expect that Zhen Yuanzi would also arrive this time.

Is Zhen Yuanzi going to see the joke in heaven? Or is he here just for Su Chen's sake? This peach banquet?

The Queen Mother looked at Su Chen who was talking to Guanyin Bodhisattva next to her in surprise. She didn't expect that this bastard actually knew Zhen Yuanzi.

Damn bastard, he didn't respect himself even if he had ginseng fruit.

If he didn't give him a birthday gift later, She was prepared that she would never let this bastard go.

Our Lady of Golden Spirit, Our Lady of Wudang, and Yunxiao looked at each other. They were determined to win for Su Chen this time.

No matter what the price, they wanted Su Chen to help intercept him once. ,

Su Chen is even more mysterious than they imagined, not to mention Guanyin Bodhisattva, but also the Queen Mother, the Queen Mother of the West, and even the Great Immortal Zhen Yuanzi. With these three powers, this is a powerful force. There are all the female fairies around. They are all very cautious.

They look at each other and don't dare to talk nonsense.

The identity gap between the powerful people here and them is too big, and the fairies here don't dare to make unnecessary moves.

"Hongyi, you sisters, go pick some nine-thousand-year-old flat peaches for the seniors here."

At this time,

Su Chen and Guanyin Bodhisattva returned to their seats, and he ordered the seven fairies,

"Yes, God General!"

Su Chen looked at Jin Ling Shen Shen and the others and said with a smile, "Seniors, please don't be polite. We have the best fairy wine and fairy tea here, seniors, please enjoy them slowly."

The ladies of the Holy Mother of the Golden Spirit were very speechless when they heard Su Chen's words.

This is the territory of the Queen Mother.

Why do you feel that Su Chen is like the master now? How can the Queen Mother let Su Chen do whatever he wants here?

The Queen Mother was stunned when she heard Su Chen. One look at this bastard showed that she was too lazy to care about this bastard.

She looked at the Queen Mother of the West and her daughters and said to Su Chen, "Su Chen, let me introduce to you. This is the Queen Mother of the West of West Kunlun."

"Su Chen met the Queen Mother of the West!"

"General Su Chen, you have to give me an explanation for kidnapping my blue bird, otherwise, I will ask the Queen Mother to punish you."

Chapter 1576

The Queen Mother of the West also wanted to see how Su Chen would answer her.

She didn't care at all about abducting the Blue Bird.

The Blue Bird was a Daluo Jinxian, and Su Chen was just a little monk. It was impossible for Su Chen to do anything to the Blue Bird. bad thing.

She just wanted to know how Su Chen persuaded Qingniao to leave with him. Was it because Su Chen said he was a descendant of Black Bird? And lied to Qingniao about knowing Qing's existence?

Su Chen looked at Queen Mother Xi and hurriedly explained,

"Queen Mother of the West, Qingniao just fell in love with me. When I left West Kunlun, I promised to return to West Kunlun in the future. After all, I accidentally broke into West Kunlun last time, and I had to give an explanation to Queen Mother of the West."

"I'm here now, what do you want to give me?"

"Is it okay to use ginseng fruit to make amends?"

"ha? The ginseng fruit is the blue bird's honor to me, unless you take out two more ginseng fruits to make amends."

Pa!"

Su Chen snapped his fingers, took out two ginseng fruits and said with a smile,"Queen Mother of the West, I have offended you many times before, so these ginseng fruits should be used as an apology.""

Ginseng fruit?

He has so many ginseng fruits now. He got twenty ginseng fruits in the gift bag. The old otaku Zhen Yuanzi gave him ten more ginseng fruits before he came to Heaven. Su Chen didn't expect that he could defeat the Queen Mother of the West so easily.

"Madam, I forgot to tell you that Zhen Yuanzi gave Su Chen ten more ginseng fruits when he arrived in heaven."Qingniao saw Su Chen taking out ginseng fruits again and said hurriedly.

She felt that the Queen Mother of the West asked for a little less. She needed at least five ginseng fruits so that she could eat one or two more ginseng fruits.

"this....."

Queen Mother Xi's face was stunned for a moment.

She didn't expect that Su Chen actually had ginseng fruits, or even ten of them? The little blue bird didn't say it earlier. It seemed that he couldn't embarrass Su Chen anymore this time.

Su Chen smiled and asked Queen Mother Xi, "Is your Majesty satisfied with my apology?"

"satisfy!"

The Queen Mother of the West glared at Su Chen and nodded helplessly.

Su Chen took out five ginseng fruits and placed them in front of the women's desks.

He smiled and said, "The Queen Mother, Guanyin Bodhisattva, Golden Spirit Holy Mother, Wudang Holy Mother, and Senior, I still have some ginseng fruits. Come and taste them."

"Thank you!"

The ladies of Jinling Holy Mother nodded to Su Chen,

"Su Chen, this is my junior sister Yunxiao." When Mother Wudang saw that Su Chen didn't know Yun Xiao, she pulled Yun Xiao and introduced him,

"It turns out to be the famous Fairy Yunxiao, whom I have admired for a long time!"

Su Chen didn't expect that this beautiful fairy turned out to be Yunxiao and

Sanxiao empress. They were very famous in the story of Conferring Gods.

However, the endings of the three sisters were very bad. Even after being conferred as gods, they were assigned to very disgusting positions. People.

The famous Empress Sanxiao actually manages fertility matters.

This is really a scam, oh no, a scam.

The Mother Wudang looked at Su Chen and asked doubtfully, "Do you know my junior sister?"

"Um, I don't know!" Su Chen shook his head when he heard Wudang Holy Mother's words and replied.

Even if he knew it, he couldn't tell Wudang Holy Mother.

Jie Jiao was too cheating, and he didn't want to get involved with Jie Jiao.

"So what have you admired for a long time?"

"Isn't this polite talk?"

Yun Xiao blushed when she heard Su Chen's words.

She originally thought that Su Chen knew her existence, but she didn't expect that this bastard was just being polite.

This made her feel bad about Su Chen.

Others heard that Su Chen He shook his head.

This bastard's words were too out of tune. Can these words be said in person? Couldn't this bastard say that he knows something?

Guanyin Bodhisattva rolled his eyes at Su Chen and drank tea.

She was thinking in her heart now. Su Chen was still very surprised by what she said before.

The eighth-level pure world white lotus was promoted to the tenth level, and was even in the process of being promoted. Although she didn't know how Su Chen did it, this was a good thing for her.

If Bai Lian can be promoted to the twelfth level, her strength will also increase a lot, and she will have a top-quality innate spiritual treasure in her hand.

Guanyin Bodhisattva looked at Su Chen with her beautiful eyes and was very worried.

This bastard is now being used by these powerful people. The women are all paying attention.

Will Su Chen be attracted by these women in the future?

She is not sure.

It seems that she will have to be wary of these powerful women in the future, especially the women from Jiejiao. She will never allow Su Chen to be with them. There are relationships

"Seniors, you can chat and I won't disturb you." Su Chen stood up and offered his hand and said.

Su Chen also saw that the fairies around him were very restrained. They even stood around and did not dare to move or speak.

Su Chen was also very uncomfortable among these women. These big girls None of them are simple things, and he is also worried that these women will accidentally find out some secrets.

Su Chen thinks it is better to leave this place of right and wrong.

The Queen Mother and the Golden Spirit Mother, they saw Su Chen walked to the table next to him, and the women didn't say anything.

They were all powerful fairies, and Su Chen was just a little monk. They also guessed that Su Chen might not feel comfortable here.

"We all sat down and we continued eating and drinking." Su Chen sat next to Ziyi and waved his hands around him.

Hongyi pulled Su Chen beside him and asked gently, "General God, is it okay for us to do this?"

The girls in red are very worried. There are several powerful people here. Do they still dare to eat and drink here?

Su Chen shook his head and hugged the small waist in purple and said, "It's okay, Queen Mother. They didn't mind at all and everyone continued to eat peaches and drink fairy wine."

The Peach Banquet is about to begin.

Powerful women like the Queen Mother will leave soon. Su Chen has nothing to worry about. If the Queen Mother has an attack, she would have already had an attack. It is impossible for the Queen Mother to come to settle accounts.

The fairies around them looked at each other. After seeing it, they each sat down, but they still didn't dare to make a loud noise. They ate the flat peaches in small bites.

Our Lady of Wudang checked the fairies in the flat peach garden, and she was very surprised.

Three thousand mysterious immortals, there are even a few Golden Immortals, and each of these Xuanxian fairies has very solid cultivation. I am afraid that it won't be long before each of these fairies will be promoted again.

"Queen Mother, these fairies of yours are all very powerful, and their lowest cultivation level is in the middle stage of Xuanxian. I am afraid that within a few hundred years, all three thousand fairies here will be promoted to Golden Immortal."

The Queen Mother smiled when she heard the words of Our Lady of Wudang and said, "Haha, Our Lady of Wudang is joking, the fairies here are just making small fuss." The

Queen Mother was also very surprised when she saw the strength of these fairies at first. Now she is used to it. Even if these fairies are promoted to Golden Immortals tomorrow, the Queen Mother will not be surprised. That bastard Su Chen's methods are becoming more and more sophisticated. More, this is because she did not stop Su Chen from being random. Su Chen did this to increase her strength in the Yaochi Fairyland. The three thousand fairies of the Xuanxian were much more powerful than the heavenly soldiers and generals in the heaven. One Xuanxian could be a low-level divine general, but she has three thousand mysterious immortals here, and it won't be long before there will even be three thousand golden immortals. Queen Mother Xi's eyes lit up when she looked at the fairies here. She also felt that here the fairies are very good. Queen Mother Xi looked at the Queen Mother and said with a smile, "Sister Yaochi, why don't you fairies treat me differently?" I only want five hundred, how about giving me five hundred fairies?"

Chapter 1577

The Queen Mother shook her head when she heard what Queen Mother Xi said.

She would not send these fairies away.

The three thousand fairies in the Peach Garden were more powerful than the fairy soldiers in her Yaochi Fairyland. Even if she gave away those fairy soldiers, she would not be able to give them away. These fairies have great potential.

The Queen Mother smiled and refused,

"Sister, please don't embarrass me. The fairies here were trained by Su Chen. They are also the backbone of my Yaochi Fairyland. I will not give them away."

"That's a shame."

The Queen Mother of the West shook her head when she heard what the Queen Mother said.

However, she did not expect that the fairy here was trained by Su Chen. It seems that this little monk is really different.

Su Chen is still a little monk, how could he Cultivation of a fairy in the realm of Xuanxian? Queen Mother Xi looked at Su Chen and found it incredible. When the Queen Mother of Jin

Ling and the other ladies heard the Queen Mother's words, they all had expressions of surprise.

They thought the same as Queen Mother Xi, that a little monk could train three thousand Mysterious fairies and fairies, this has reversed their perceptions.

"I would like to inform you that the peach banquet is about to begin. Will the peach and fairy wine be brought to the banquet now?"

"Send me the peaches and fairy wine"

"Yes, empress."

The Queen Mother stood up and said to Queen Mother Xi and her daughters,"Everyone, the peach banquet is about to begin. I have to go back and make preparations."

"Queen Mother, please do so.

After the Queen Mother left,

Queen Mother Xi looked at Guanyin Bodhisattva and asked with a smile,"Guanyin, aren't you going to attend the peach banquet?"

"It will pass in a while. Senior Queen Mother Xi, won't you go over?"

Guanyin Bodhisattva nodded and replied.

It is impossible for Guanyin Bodhisattva not to go. Today is a stage specially prepared for monkeys. She also has to preside over everything on behalf of Buddhism. She has to attend the Peach Banquet.

However, she doesn't want to be here either. The powerful women stayed. She could guess what these women were thinking. Even if Guanyin Bodhisattva left, she would take these women away. The Queen Mother of the West looked at Guanyin Bodhisattva and said,"I will go there in a while. Since I have arrived in heaven, , it's a bit bad if I don't go there"

"Let's forget it."

Our Lady of Jinling shook her head and said to Guanyin Bodhisattva.

Queen Mother Xi sighed after hearing what Our Lady of Jinling said, "Jinling, I'm afraid it won't be good if you don't go there. Your current situation is very bad. This time Let's go there together"

"this....."

Queen Mother Xi persuaded Jin Ling and others,

"Jin Ling, you are the senior sister of Jie Jiao in Heaven. If you don't go there, do you want to see other Jie Jiao disciples being bullied by those people? Wudang, you are the only remaining Jie Jiao disciple. It makes no sense for you not to attend the Peach Banquet when you come to Heaven."

The Queen Mother of the West doesn't want to see Jie Jiao being suppressed again.

Although the Jie Jiao is at fault, it is also the fault of the leader, Saint Tongtian, and some of his disciples. Women like the Golden Spirit Virgin Mary are pretty good, and the Queen Mother of the West doesn't want Buddhism and Chan Jiao to continue to suppress them." These remaining disciples of Jiejiao

"We understand, thank you Senior Queen Mother of the West for your guidance."

Mother Jin Ling and the other girls looked at each other and agreed. They also didn't want to see Jiejiao being suppressed again, and some disciples even did something outrageous and were punished by the Emperor of Heaven.

In the Spiritual Orchard of Heaven,

Sun Wukong is now very He was so angry that he was not invited to attend the peach banquet for the Queen Mother's birthday. The words of those immortal soldiers just now clearly meant that they looked down on him, the Monkey King.

Also, that bastard Su Chen came back, and the Queen Mother in Yaochi Wonderland, this time He didn't even drive Su Chen away again?

This made Sun Wukong very helpless towards that little monk Su Chen. Is it really that good to have a strong backer?

"Since I, Old Sun, are not invited, you should not even think about holding a peach banquet."

Sun Wukong looked angrily at the surrounding heavenly soldiers who looked down on him, and he disappeared instantly.

When Sun Wukong went to Yaochi Fairyland, he met many gods. He lied and deceived these gods into another palace.

Until he hated Sun Wukong looked at the Tushita

Palace in Litian and became puzzled.

Why did this palace smell like elixir?

Sun Wukong looked at no one around, so he gently entered the Tushita Palace.

Pantaoyuan Here,

Su Chen was chatting with the fairies.

At this time, a fairy came to Su Chen and whispered something quietly.

After hearing this, Su Chen stood up in a hurry, "Red clothes, you take everyone with you." Keep eating and drinking, I'll go do some errands"

"Yes, God General!"

Whoosh!

After giving instructions to the seven fairies, Su Chen hurriedly disappeared.

"Where is that bastard going? Queen Mother Xi next to her asked suspiciously when she saw Su Chen leaving.

"Not sure what to do."

Guanyin Bodhisattva breathed a sigh of relief when she saw Su Chen leaving.

She hoped that Su Chen would not come back today to save these women from paying attention to Su Chen.

Our Lady of Jinling and the others shook their heads when they saw Su Chen leave. If the mighty man didn't leave, they wouldn't be able to tell Su Chen those things. Now that Su Chen has left again, they don't know if Su Chen will come back again. In the

Tushita Palace,

Sun Wukong came in and saw that there were many people here. Gourd, he opened a gourd at random and found some elixirs inside, which were very fragrant.

Sun Wukong's eyes brightened after eating these elixirs, "Well! It's delicious, oh, and it can also increase mana? Good baby, these all belong to my grandson."

"Sun Wukong, you are so brave, you dare to come to Tusita Palace to steal the elixir."

At this time,

Su Chen also arrived.

He saw Sun Wukong swallowing the pills here, and he cursed Sun Wukong in his heart for wasting these pills.

Sun Wukong was shocked when he heard the sound, but he saw When Su Chen arrived, he shouted angrily,"Su Chen? Why are you here, kid?"

Su Chen checked the elixirs of Taishang Laojun, and he smiled and said to Sun Wukong,

"Of course I am also here to steal the elixir, Sun Wukong, you are not allowed to reveal what happened today to me, otherwise I will scream and let all the gods in heaven know that you are stealing the elixir."

Sun Wukong was very angry when he heard what Su Chen said.

However, he thought that Su Chen also came to steal the elixir this time, so they are all thieves.

Sun Wukong looked at the elixir here and said disdainfully,"You.....Humph, I, Old Sun, won't say, Su Chen, we all have to rely on our own abilities to get the elixirs here, and whoever grabs them gets it."

"good!"

Su Chen didn't care about those low-level elixirs.

His goal this time was the Nine-Turn Golden Pill.

As long as he could steal some Nine-Turn Golden Pill this time, he would have sent the fairies to keep an eye on Taishang Laojun's Tushita Palace..

Su Chen watched Sun Wukong pour all the elixirs into his mouth, but he didn't pay attention.

After a while,

Su Chen found the location of the Nine Turns Golden elixir.

"I found it, haha, these are all mine, Sun Wukong, just eat the farts!"

Chapter 1578

Su Chen found Taishang Laojun's nine-turn golden elixir and quickly collected it.

He didn't care how many turns of the golden elixir it was, as long as it was a golden elixir, he would not let it go.

Su Chen kept the golden elixir from Taishang Laojun and thought something was wrong.

Shouldn't Sun Wukong first disrupt the Pantao Banquet and then come to Tushita Palace to steal the elixir?

Why did Sun Wukong come to Tushita Palace first this time to steal the elixir?

Is it because of the changes in the plot?

Sun Wukong collected most of the elixirs and then laughed at Su Chen, "Su Chen, you are not as quick as me. I have collected a lot of elixirs, but you lost to me this time."

Su Chen Looking at the fool, the monkey deliberately said, "Sun Wukong, that's because you are stronger than me, otherwise you wouldn't be able to collect more than me.""

"Haha, Su Chen, goodbye, no, we will never meet again."

Sun Wukong laughed when he heard Su Chen's words.

He looked at the harvest and was very satisfied.

After he returns to Huaguo Mountain, he can also let his monkey grandson eat these pills together.

Su When Su Chen saw Sun Wukong leaving, he smiled and hurriedly disappeared into Tushita Palace.

Whoosh!

An old man with a white beard suddenly appeared here after Su Chen and Sun Wukong left. He looked at the surroundings being disrupted.

He frowned as he saw the messy items in front of him.

This was the Supreme Lord from Tushita Palace.

The Supreme Lord touched his beard and said doubtfully, "Why is Su Chen here too? And he also took away all the golden elixirs prepared for Sun Wukong. Why did something unexpected happen this time?"

Sun Wukong has no golden elixirs to eat.

Will Buddhism still agree to his conditions?

Taishang Laojun looked at this place helplessly. There are one thousand golden elixirs for the third revolution, five hundred golden elixirs for the fourth revolution, and five hundred golden elixirs for the fourth revolution. There are one hundred golden elixirs for each of the Six Transformations. Shouldn't they all be cheaper for Su Chen?

Forget it, let's talk about these with Guanyin.

Anyway, Su Chen has a good relationship with Guanyin, and

Buddhism cannot default on it.

Sun Wukong comes from the pocket As soon as he came out of the palace, he hurried to Yaochi Sendai.

Now he has a competitor.

If Su Chen thinks the same as him, the peaches and fairy wine in the peach banquet will be cheaper than that bastard Su Chen. He wants to snatch the peaches first. The flat peaches and fairy wine at the banquet.

Su Chen returned to the flat peach garden while checking the harvest.

But when he looked at the harvest, he felt very helpless.

There was no Nine-turn Golden Elixir in it?

The best. The elixir is the sixth-turn golden elixir. Su Chen thinks that it is very difficult for Taishang Laojun to refine the nine-turn golden elixir. It is good to be able to obtain these golden elixirs.

"General, you are back."

In the Pantaoyuan, after Su Chen came back, the seven fairies gathered around and said hurriedly,

"Huh? Where are those people from the Queen Mother of the West? Qing

Yi smiled and said to Su Chen, "The general, the Queen Mother of the West, and the Holy Mother of the Golden Spirit are all preparing to attend the Peach Banquet."

Su Chen smiled when he heard Qing Yi's words.

Attending the Peach Banquet?

I'm afraid the place has begun to be destroyed by monkeys. The war will begin soon, and the monkeys will soon be crushed under the Five Elements Stone.

Su Chen sat down and drank. After taking a sip of wine, he ordered Hong Yi, "Hong Yi, count some fairies who are about to be promoted to Golden Immortal.""

"Yes, God General!"

"General, do you want to improve the strength of the fairies again? Zi Yi looked at Su Chen curiously and asked.

Su Chen hugged Zi Yi and smiled and said, "Haha, yes, you sisters also need to improve their strength this time.""

He can't use the golden elixir that Su Chen got this time, and even his women and men can't use it. Anyway, there are many ways to improve his strength in the future, so he decided to train these fairies first.

"God General, there are sixty-four fairies who are about to be promoted to Golden Immortal."

At this time,

Hong Yi came back and replied to Su Chen.

Su Chen took out some five-turn golden elixirs and said to Hong Yi,

"Hongyi, there are sixty-four five-turn golden elixirs here, one for each of the sixty-four fairies. In addition, these fairies will be given three three-thousand-year-old flat peaches, so that they can all retreat to achieve breakthroughs."

"Yes, God General!"

"Qingyi, these are six ginseng fruits. You can pick six thousand years of flat peaches if you need them. Each of you has two six-turn six golden elixirs. I hope you sisters can all break through to Taiyi Golden Immortal in the future."

"Thank you, General!"

After Su Chen arranged this, he looked towards the Yaochi Immortal Platform. The Peach Banquet was held in the Immortal Platform. It was probably in chaos. At this time

, the Yaochi Immortal Platform was indeed in chaos. The fairies and the immortal soldiers were fascinated. The peaches and fairy wine were stolen, the desk was pushed down, futons were thrown everywhere, and the gauze curtains were pulled down.

"How is this going?"

"The peach banquet was actually ruined? Who is so brave?"

"Quickly report to the Emperor of Heaven and the Queen Mother that the peach banquet has been ruined."

"Damn it, the peach banquet held once every 10,000 years was ruined and the peaches were stolen. Who did this?"

"Heavenly soldiers and heavenly generals, why don't you hurry up and wake up these fairies and ask them."

When some immortals who came one after another saw the situation here, they all shouted angrily.

Not long after, the Emperor of Heaven and the Queen Mother also rushed over. Each of them looked very angry.

An immortal official looked at the Emperor of Heaven. He saluted and said, "To the Emperor of Heaven, this place was destroyed by Sun Wukong. All the peaches and fairy wine were stolen."

"King Tota, catch Sun Wukong quickly"

"Yes, Emperor of Heaven!"

At this time,

Taishang Laojun arrived and said, "Emperor of Heaven, the golden elixir of the old Taoist has also been stolen by Sun Wukong, and Sun Wukong has rebelled against the world."

The Emperor of Heaven looked at Li Jing, the King of Towers, and ordered,

"Damn the monkey, King Tota, lead your tribe and the four heavenly kings, Jiuyao Xingjun, and twenty-eight stars to lay down a dragnet and capture the monster monkey in the lower world."

"Yes, Emperor of Heaven!"

The Queen Mother looked at this without saying anything.

Although this was something she had known for a long time, she did not expect that the monkey would do it so cleanly. The Sendai was destroyed in an unsightly manner, and both the peaches and the fairy wine were stolen. That The monkey is really like a wild goose plucking its hair

"This year's Peach Banquet is cancelled."

The Queen Mother looked around at the immortals who didn't know what was going on. She said coldly and left.

She doesn't have the skills to deal with these little immortals now, and she still needs to comfort the Queen Mother of the West.

"The show is about to begin, huh? Why did Taishang Laojun go to see that beautiful lady Guanyin? Could it be that Taishang Laojun discovered that he had stolen his golden elixir?"

Su Chen suddenly saw Taishang Laojun talking to Guanyin Bodhisattva, which made Su Chen feel bad.

A fairy came to Su Chen and saluted, "God general, Zhen Yuanzi, the immortal, is looking for the god general, and there is gold. Holy Mother Holy Mother and others also want to meet the Divine General"

"Invite them all to come in"

"Yes, God General!"

Chapter 1579

In the Pantao yuan,

Su Chen saw the arrival of Zhen Yuanzi and the three sisters of Jinling Holy Mother, and he hurriedly invited these people to sit down.

Zhen Yuanzi sat down and said with a smile, "General Su Chen, please excuse me this time."

"Immortal Zhen Yuanzi is too polite."

Su Chen smiled and poured a glass of fairy wine for Zhen Yuanzi.

He turned around and told Zi Yi, "Zi Yi, go pick some nine-thousand-year-old flat peaches."

"Yes, God General!"

"Su Chen, Sun Wukong rebels against the world, aren't you going to have a look?" The Holy Mother of Wudang looked at Su Chen and asked doubtfully.

When Sun Wukong rebelled against the world for the first time, this bastard ran to watch the excitement. Why didn't this bastard go there this time?

Su Chen shook his head and replied, "It's still early, so I'll check back later and it will be the same."

Now there is just a little shrimp conquering Sun Wukong.

It is impossible for those little shrimps to catch Sun Wukong.

The Erlang God Yang Jian has not yet been dispatched. If the Erlang God Yang Jian is dispatched, he will go over to watch the fun.

"Great Immortal Zhen Yuanzi, come and try some flat peaches"

"Haha, this time the old man is in luck." Zhen Yuanzi didn't expect that Su Chen would prepare ten nine-thousand-year-old flat peaches for him at once, which made his old face smile like chrysanthemums.

Zhen Yuanzi also saw that the Queen Mother's flat peach garden is now Su Chen said You can pick flat peaches at will, and the fairies in the flat peach garden are also respectful to Su Chen.

This Su Chen is really not simple!

Su Chen looked at the three Jin Ling Virgins sitting motionless, and he said to Jin Ling The three female virgins reminded, "Mother of the Golden Spirit, don't look at it. Eat the nine-thousand-year-old flat peach quickly. If you want to eat it in the future, you won't have this chance."

Our Lady of Wudang picked up a flat peach and ate it and asked, "Su Chen, won't you invite us to eat flat peach when we come in the future?"

Su Chen smiled and shook his head and said,

"Haha, that's not the case. I will go into seclusion and practice in the future. I'm afraid I won't be able to leave seclusion for hundreds of years. Even if you come to Yaochi Wonderland, you won't be able to see me."

Su Chen also planned to ask the Golden Spirit Virgin Mary and the girls to stop pestering him. He would definitely not care about the interception of the teachings.

Moreover, the plot of the Havoc in Heaven is coming to an end.

Su Chen is also going to return to the Shenyun Continent.

He also wants to Find a reason to deceive these people

"Do you want to practice in seclusion?"

"Holy Mother of the Golden Spirit, what you ask is a bit strange. I am not an immortal yet. I will definitely go into seclusion and practice to become an immortal."

"How long do you plan to stay in retreat?"

"Three to five hundred years."

The Jin Ling Virgin Mother and the other girls were very helpless when they heard Su Chen's words.

Although three to five hundred years is not a long time for them, the affairs of Buddhism will also start in five hundred years.

If this bastard has closed the door, Head,

I am afraid they have no choice but to give up this opportunity.

Zhen Yuanzi looked at the Jinling Virgin Mary and the girls and shook his head.

He also guessed the Jinling Virgin Mary and the girls' plans, but Su Chen was just a little monk. , can it be possible to revive the dead student?

"Report to the Divine General that Yang Chan, the Third Holy Mother, wants to see you!"

At this time, a fairy came to Su Chen and saluted,

"Come on!"

Why is the Third Holy Mother Yang Chan here?

Could it be that the Third Holy Mother Yang Chan also came to attend the peach banquet?

Su Chen stood up in a hurry and went to greet the Third Holy Mother Yang Chan.

Yang Chan is his woman, and

Su Chen will not neglect his wife.

Our Lady of Wudang was very confused when she saw Su Chen leaving.

"Huh? Senior sister, why is Su Chen so interested in Yang Chan, the Third Holy Mother? This bastard didn't even greet us when we arrived. Why did this bastard go there in person when Yang Chan, the Third Holy Mother, arrived?"

Mother of the Golden Spirit thought for a while and replied, "How do I know? Maybe Su Chen has a better relationship with the Third Saint, Yang Chan."

Our Lady of Wudang said with a look of disbelief,

"Guanyin also has a relatively good relationship with this bastard. This bastard has never been so enthusiastic about Guanyin."

"We'll understand after a while."

After a while,

Su Chen arrived with the blushing Third Holy Mother Yang Chan.

Su Chen asked Yang Chan to sit next to him and introduced with a smile, "This is my wife, the Third Holy Mother Yang Chan."

"Your wife?"

"You actually violated the rules of heaven?"

"Is Yang Chan, the Third Holy Mother, your wife?"

The three daughters of Jinling Holy Mother were surprised when they heard Su Chen's words.

They didn't expect that Third Holy Mother Yang Chan and Su Chen had such a relationship. No wonder this bastard would go to meet Third Holy Mother Yang Chan.

It's just that Su Chen broke the law. Tian Tiao, isn't this bastard afraid of being punished by the Emperor of Heaven?

Zhen Yuanzi looked at Su Chen and was a little surprised.

Heaven prohibited intermarriage.

Su Chen knowingly committed the crime.

He even captured the Emperor's niece. This kid Her courage is really extraordinary.

When San Sheng Sheng Yang Chan heard Su Chen's words, she blushed and lowered her head hastily. She didn't expect that Su Chen would expose their relationship, which made her happy and worried at the same time.

San Sheng Sheng Yang Chan was also afraid that the Emperor of Heaven would find out about this matter, and she and Su Chen would be in trouble.

Su Chen touched the hair of the Third Holy Mother and said with a smile,

"What do I have to be afraid of? I have a backer behind me, the Queen Mother, Guanyin Bodhisattva, and the Queen Mother of West Kunlun. With these great powers, even if the Emperor of Heaven knew about it, he would turn a blind eye or close one eye."

Our Lady of Wudang was speechless when she heard Su Chen's words, "You are so shameless. Why didn't you say that we are senior sisters?"

Su Chen looked at the Wudang Virgin and mocked,

"Saying that you are useless, the Golden Spirit Holy Mother and Yunxiao are bound by the list of gods, what can they help me? You're better off"

"you....."

Notre Dame Wudang stood up angrily when she heard Su Chen's words.

Notre Dame Jinling and Yun Xiao were bound by the list of gods, and they had no way to help Su Chen.

But she didn't expect that Su Chen would look down on her so much.

What else could she do?

Although she is not as good as the Queen Mother and the Queen Mother of the West, Guanyin Bodhisattva is even more powerful than her. This bastard is too underestimated.

Mother Wudang suddenly thought of the women of Su Chen in the Divine Fall Continent, and even her named disciple Xiaobai Snake.

She looked at Su Chen and smiled.

She had a way to get this bastard to help them intercept the teachings.

Holy Mother Jin Ling and Yun Xiao looked at Su Chen with unkind expressions.

Didn't this bastard see that they were still here?

They were very angry when they were bound by the list of gods, but this bastard was still rubbing salt into their wounds. Holy Mother of the Golden Spirit and Yun Xiao were now eager to teach this bastard a lesson.

Zhen Yuanzi nodded when he heard Su Chen's words.

There were the Queen Mother, Guanyin Bodhisattva, Queen Mother of the West, and even Jie Jiao, these women as backers. If the Emperor of Heaven really knew about it, he would really turn a blind eye as Su Chen said. , close one eye.

Zhen Yuanzi thought for a while, then took out a pair of purple jade bracelets and said with a smile,

"Haha, the general is really a quickie. The old man didn't bring any gifts this time. This is a purple jade bracelet of the highest grade innate spiritual treasure. Think of it as a congratulatory gift from the old man to your wife."

"Thank you, Great Immortal Zhen Yuanzi!"

"Thank you, Great Immortal Zhen Yuanzi!"

Chapter 1580

After Su Chen took over the purple jade bracelet from the Third Holy Mother Yang Chan, he put it on the Third Holy Mother Yang Chan.

The Third Holy Mother Yang Chan did not come in vain this time. These innate powers are so rich, and they can easily find an innate spirit. precious

"Ahem....."Su Chen looked at Our Lady of Jinling, Our Lady of Wudang, and Yunxiao and started coughing.

Why did these women look so confused?

Zhen Yuanzi had already sent gifts, but why didn't these women like Our Lady of Jinling show any expression?

Mother Wudang glared at Su Chen and said rudely,"What the hell, we don't have a spiritual treasure to give to your wife. Don't you, bastard, know about our interception?"

Mother Jin Ling and Yun Xiao said to Su Chen I'm really speechless.

When giving gifts, I have to remind them that they are all paupers now.

The spiritual treasures of Jin Ling Holy Mother and Yun Xiao have been divided up by Buddhism and Chanjiao. They don't have any extra spiritual treasures to give away.

"You are really poor people. Su Chen disdainfully taunted Our Lady of Wudang, who clenched her fists angrily and threatened,"Su Chen, I've been putting up with you for a while. If you dare to speak rudely again, I'll teach you a lesson." this bastard"

"You boss, you are awesome!"

"asshole!"

Su Chen stopped talking to the Golden Spirit Mother.

He thought that Yang Chan's strength was not very good.

Su Chen planned to let Yang Chan break through in seclusion in Pantaoyuan. He now has a lot of resources.

"Chan'er, you came at the right time this time. There are thirty six-turn golden elixirs here, five ginseng fruits, and three Huangzhong pears. You can only absorb the mana inside the Huangzhong pears for cultivation, and this The ball of light, crush it when you are in retreat." Third Holy Mother Yang Chan was very surprised when she saw that Su Chen had brought out so many top-quality fairy fruits and six-turn golden elixirs. After hearing Su Chen's words, she asked doubtfully, "Husband, do you want me? Retreating here?" Su Chen nodded and replied, "Well, I'll have someone open a cave in the Peach Garden. The spiritual energy here is much richer than that of Huashan. You can practice in seclusion behind the nine-thousand-year-old peach tree." The Third Holy Mother nodded when she heard Su Chen's words, but she looked at the ball of light in her hand and asked doubtfully, "What is this ball of light?" Su Chen smiled and explained to the Third Holy Mother Yang Chan,

"This ball of light can instantly advance you to Taiyi Golden Immortal. After you advance to Taiyi Golden Immortal, and then eat these fairy fruits, I believe you will be promoted to Daluo Golden Immortal if you leave the world again."

"Is this true?"

Su Chen smiled and nodded and said,

"Of course, how could I deceive you? By the way, there is some chalcedony here, and you will absorb it after you advance." Su Chen suddenly thought of Pangu Chalcedony. He took out a small bottle and handed it to the Third Holy Mother Yang Chan and said,

"Thank you husband!"

Third Holy Mother Yang Chan is very happy now.

She did not expect that Su Chen has prepared so many cultivation resources for her.

These are very precious treasures.

The flat peaches that Su Chen asked her brother to bring back last time are already very precious. , she didn't expect that Su Chen had prepared so many rare and rare fairy fruits and treasures for her.

"Red clothes, take the lady to the retreat cave in Pantaoyuan"

"Yes, God General!"

Hong Yi came over immediately.

She saluted the Third Holy Mother Yang Chan and said, "Madam, please come with me."

"Thank you!"

At this moment,

Zhen Yuanzi and the three sisters of Jinling Holy Mother were very shocked. They did not expect that Su Chen would have so many top-quality fairy fruits in his hands, and even six-turn golden elixirs.

What is chalcedony? They I don't know, but if it could be taken out by Su Chen, it must be a very precious treasure.

And that ball of light can actually make people advance to Taiyi Golden Immortal in an instant, which surprised them even more

"Mrs. Su, wait."

Zhen Yuanzi suddenly stopped the Third Holy Mother Yang Chan,

"Great Immortal Zhen Yuanzi, what's the matter?" Third Holy Mother Yang Chan looked back at Zhen Yuanzi and asked doubtfully.

Zhen Yuanzi stood up and explained to Su Chen, "General Su Chen, can you let your wife use that light ball again? I am very curious about this light ball."

Su Chen smiled when he heard Zhen Yuanzi's words and said,

"Haha, yes, of course, Chan'er, just use the light ball to advance."

At this moment, in the Yaochi Palace, the Queen Mother, the Queen Mother of the West, and Guanyin Bodhisattva looked at each other and disappeared into the palace one by one.

Women like them have been paying attention to what happened in the Pantaoyuan, especially the top-notch wine that Su Chen brought out. Even they were very surprised when they looked at the fairy fruits and treasures.

The Queen Mother of the West was even more surprised.

She owned Huang Zhongli, so how could Su Chen have it?

And she also took out three Huangzhong pears at once.

In the peach garden, everyone With the arrival of the Queen Mother and her three daughters, people here also greeted each other.

"Yang Chan, use that light ball now!"The Queen Mother looked at the Third Holy Mother Yang Chan and said,

"Yes, empress!"

After Yang Chan, the Third Holy Mother, saluted the Queen Mother, she took out the ball of light and crushed it.

Boom!

After the Third Holy Mother Yang Chan crushed the ball of light, the breath of the Third Holy Mother suddenly burst out. She was originally the peak of the Xuanxian. Chan, broke through to the Golden Immortal in an instant.

The early stage of the Golden Immortal...Mid-Golden Immortal Period.....Golden Immortal Peak....boom!

The Third Holy Mother Yang Chan directly broke through to Taiyi Golden Immortal, and has not stopped yet.

In the early stage of Taiyi Golden Immortal ,.....In the middle stage of Taiyi Golden Immortal... and in the late stage of Taiyi Golden Immortal, San Shengsheng Yang Chan didn't stop until she broke through to the late stage of Taiyi Golden Immortal.

Zhen Yuanzi and the Queen Mother were all very surprised when they saw it.

The Three Holy Mothers had broken through several realms in succession. Is there such a treasure in the prehistoric world? They have never heard of it.

Guanyin Bodhisattva's eyes widened when she looked at Su Chen. She guessed that this should be the treasure that Su Chen got on the ladder to heaven.

But why doesn't this bastard use it himself?

This is a step to becoming an immortal, and even becoming a powerful Taiyi Golden Immortal.

"Husband, I have truly become a Taiyi Golden Immortal."

At this time, the Third Holy Mother Yang Chan opened her eyes, threw herself into Su Chen's arms with a smile, and shouted,

"Chan'er, go to seclusion as soon as possible. You have just made a breakthrough and your realm is still unstable. Eat some fairy fruits and practice well."

"Well, then I'm going to retreat."

After Three Holy Mothers Yang Chan left, everyone here looked at Su Chen. They all wanted to know where Su Chen got these treasures from.

Su Chen looked at Wudang Holy Mother and said with a smile,"Wu Dang Holy Mother. Holy Mother, I said you are all poor people. Am I wrong?"

"you....."

When the Holy Mother Wu heard what Su Chen said, she was so angry that she wanted to chop this bastard into pieces.

Is there such a bastard who attacks others?

Damn bastard,

I will never let this bastard have an easy time in the future.

"Don't look at me, I got these treasures from the ladder to heaven."
