

Zongwu 1601

Chapter 1601

Su Yan was very happy when she heard Suru's words.

Since Suru, who might be her aunt, said this, does she have a backer in the Shenyu Continent?

Shui Rou, Ji Ruxi and these two aunts will definitely look down on her, but with her aunt Suru,

Su Yan feels that she can leave the mansion and go somewhere to have fun.

Suru is very happy now.

Although Su Chen has never recognized her as her sister, that bastard's wife and children all recognize her.

This made her feel that her stay in Yangzhou was not in vain, and everything she did was not in vain.

"Yan'er, my aunt also has a daughter. She is going to play on the street now. When your sister comes back, I will introduce you to her.

Su Yan was surprised when he heard Suru's words and said, "Sister?" Aunt, can I go out to play with my sister in the future?"

Su Yan didn't expect that Suru had a daughter, so she decided to get rid of the sister she had never met, so that she could go out to play openly?

Ji Ruxi hurriedly said after hearing Su Yan's words,

"Can't! Yan'er, you are not allowed to leave the mansion. I will notify the secret guards to prevent you from leaving the mansion."

"aunt!"

After Su Yan heard what Ji Ru Xihe said, she hugged Suru and said coquettishly.

Suru smiled and said to Ji Ruxihe, "Xihe, it's okay for Yan'er to go out for fun. Besides, I have my daughter Ling'er to accompany her. Keep it to Yan'er, nothing will happen to Yan'er. Ji

Ruxihe looked at Su Yan and shook his head and said, "Sister Su, Yan'er is too naughty. She will be lawless and cause trouble whenever she goes out. It's better for her to stay in the mansion.""

Su Yan hurriedly promised after hearing Ji Ruxihe's words.

"Auntie, I swear, I will definitely be honest and honest in the future, and I will never cause trouble."

"I do not believe you!"

"Auntie, I don't believe you either!"

Ji Ruxi and Shuirou both looked unbelieving.

They would not believe the words of a little girl like Su Yan.

In the Xuannio Palace, except for Su Chen's two aunts, even Jing Salamander and Concubine Yan could not control them. Su Yan, they were also worried about this weird little girl.

When Suru heard what Ji Ruxi and He Shuirou said, she looked at Su Yan and was worried.

Ji Ruxi and the two girls were so worried about Su Yan, she They were also afraid that this girl would run out and cause trouble.

Xiaobai and Xiaoqing looked at it and shook their heads.

They could see that this little girl Su Yan was probably really a lawless master.

Suru thought about it and said to the girls, "We will discuss this matter later. Yan'er has just arrived. Let's celebrate Yan'er."

"Can!"

At this moment,

Su Chen, Ning Zhongze, and Qingniao are still on their way to Hangzhou City.

"Master, do we really want to go to Qingyun Gate?" Qingniao was very surprised when she heard that Su Chen was going to Qingyun Gate. Su Chen nodded and said to Qingniao,

"Well, you just heard that the Qingyun Sect is going to hold a big competition. We have been in the ruins space for more than three months. Feixuan has also been in the Qingyun Sect for three months. This time, we are going to the Qingyun Sect's big competition. Cheer for Fei Xuan."

Su Chen also didn't expect that the Qingyun Sect would start a big competition.

People in the restaurant just now were talking about the Qingyun Sect's Seven Meridians Martial Arts Competition. This time, the Qingyun Sect's chief disciple will be selected.

Lu Xueqi has the best chance to win the Qingyun Sect. The chief disciple.

And Shi Feixuan is also very strong.

Although she is not as powerful as Lu Xueqi, Shi Feixuan will also show her grace in this Qingyun Sect competition.

"Then let's go and take a look, young master, look, is that woman Xuanyuan Qingfeng?"

Qingniao suddenly found a group of people passing by outside the restaurant. One of the women looked very familiar to Qingniao.

"Huh? It's true that Xuanyuan Qingfeng is that woman. Didn't she return to the Xuanyuan family?"

Su Chen looked over and discovered that one of the women in the carriage was Xuanyuan Qingfeng.

This made Su Chen confused.

Xuanyuan Qingfeng should be in the Xuanyuan family at this time.

How could she appear here?

"Master, the woman in the carriage has a sister who seems to be Xu Nian, Xu Weixiong!"

"Come on, I'll go over and take a look!"

Su Chen decided to go and have a look after hearing what Qingniao said.

He also wanted to know if Xuanyuan Qing could not be released back to the Xuanyuan family. What was she doing with Xu Nian's sister? Could it be that Xu Nian helped Xuanyuan Qingfeng solve the problem of the elders of the Xuanyuan family? Ancestor?

At this time, on an official road, dozens of guards were guarding a carriage that was driving quickly. There were three beautiful women in the carriage, and one of the beautiful women had her hands tied.

"Xu Weixiong, do you really want to go to Qingyun Gate?" Xuanyuan Qingfeng asked as he looked at a heroic woman.

Xuanyuan Qingfeng was also very helpless.

She did not expect that she would be attacked on the way back to the Xuanyuan family, and the people who attacked her were Xu Nian's sisters.

All of this is That bastard Su Chen caused trouble for her.

Xu Nian's sisters wanted to find Su Chen to avenge Xu Nian.

Xuanyuan Qingfeng only had a few words with Su Chen and their relationship was average.

Xu Nian's sisters Thinking that she was that bastard's confidante, she even caught herself to force Su Chen's whereabouts.

No matter how Xuanyuan Qingfeng explained, she couldn't convince Xu Nian's sisters, so she had no choice but to tell Su Chen's woman in Qingyunmen. , but Xu Nian's sister actually wanted to go to Qingyun Sect to catch Su Chen's woman.

This made her very speechless.

Qingyun Sect is the top sect in Shenyun Continent.

Are Xu Nian's two sisters going to die? ?

Xu Weixiong said to Xuanyuan Qingfeng with an indifferent expression, "Yes, Xuanyuan Qingfeng, if you dare to deceive us, you will be dead.""

"Xu Weixiong, I'm not looking down on you, but just relying on your strength is seeking death. I advise you not to seek death."

"Huh, that Su Chen killed Lao Huang, crippled Senior Li, and even humiliated our younger brother. I can't let that bastard go."

"The Qingyun Sect is the top sect in the Shenyun Continent. What will happen if you go?"

Xu Weixiong said without caring at all, "What about the top sect? Qingyun Sect is not an unreasonable place. Should Qingyun Sect also deal with personal grudges?"

At this time, a pale woman next to her waved her hand to stop and said,

"Okay, stop talking, Miss Xuanyuan, if we find Su Chen's woman in Qingyun Gate, we will let you go."

"never mind!" Xuanyuan Qingfeng looked at Xu Xu Zhihu and shook his head and replied.

Xuanyuan Qingfeng is very uneasy now.

She is also afraid that the Xu sisters really catch Shi Feixuan in Qingyun Sect.

If something happens to Shi Feixuan ?

Xuanyuan Qingfeng can't escape the involvement.

That bastard Su Chen is very powerful. I'm afraid she will be retaliated by that bastard in the future.

"Miss, are there three people following us?"

At this time, a guard reported outside the carriage,

"Who is he?"

"Miss, there are one man and two women, the man has a big beard, and the two women are very delicate and beautiful."

Chapter 1602

In the carriage,

Sister Xu Weixiong and Xuanyuan Qingfeng were very confused when they heard what the guards said.

They did not expect that someone would follow their team. You must know that they have almost hundreds of guards here. He is a powerful master.

Are the three people behind following them for safety?

Or are they following them with other intentions?

Xu Weixiong thought for a moment and then ordered coldly, "Bring them here. If they dare to resist, they will be killed without mercy."

"Yes, second lady.

When Xu Zhihu heard Xu Weixiong's order, he persuaded him, "Weixiong, is it bad for you to do this?" The three people behind are not hostile, so just leave them alone."

Xu Weixiong said to Xu Zhihu with a cold face,

"Sister, are you hostile to us? As soon as we take a look, we will know that if they are all ordinary people, I will not embarrass them. If they are all accomplished martial artists, I will interrogate and interrogate them."

Xu Weixiong must be extremely careful when walking in rivers and lakes.

Jianghus are very dangerous.

Some seemingly ordinary people in the rivers and lakes must also be careful with them.

The insidious and cunning people in the rivers and lakes can use any means, including drugs!

Hidden weapons!

Traps!

Even beauty, her eldest sister Xu Zhihu doesn't know martial arts and has never traveled in the world. Xu Weixiong knows everything about the world. She doesn't want to end up in the gutter in the hands of some little people.

Xuanyuan Qingfeng treats Xu Weixiong. He curled his lips without saying anything.

This Xu Weixiong looked like an old Jianghu.

If she encountered these,

Xuanyuan Qingfang would also catch those people and question them.

At this moment,

Su Chen, Ning Zhongze, and Qingniao were all easily After changing their appearance, they followed Xuanyuan Jade Bird's carriage leisurely on horseback.

Su Chen disguised himself as a bearded middle-aged man.

Ning Zhong disguised himself as a beautiful woman. She also changed her appearance. Ning Zhongze, who has a plump and beautiful body, looks even more beautiful and charming now.

Qingniao has disguised himself as a pretty little girl.

Su Chen and Ning Zhongze have also hidden their cultivation realms to the level of the Grand Master. , such strength is neither high nor low, and it is very suitable for walking in the world.

Qingniao is very speechless now, she can only pretend to be a little girl, while Ningzhong is pretending to be Su Chen's wife,

Although she wanted to change identities with Ning Zhongze, she couldn't pretend to be Ning Zhongze's mature and steady temperament.

Especially after Ning Zhongze put on a beautiful dress, she was indeed very mature and elegant. Suitable to dress up as Su Chen's wife. After all, Su Chen is now a bearded middle-aged man.

"young master.....No, sir, don't we go directly to Xuanyuan Qingfeng?"

Su Chen took a sip of wine and smiled and said,

"Xuanyuan Qingfeng was captured by Xu Nian's sister, and now Xuanyuan Qingfeng is a prisoner."

Su Chen also checked inside the carriage, and he discovered that Xuanyuan Qingfeng was actually tied up, and not only Xu Nian's sister Xu Weixiong was in the carriage, but even Xu Nian's eldest sister Xu Zhihu was also there.

This is Su Chen didn't expect that

Xu Zhihu had no cultivation, so how could she appear here?

And wasn't Xu Zhihu married?

Why wasn't she at her husband's house?

"prisoner? Xuanyuan Qingfeng is locked in the carriage now?" Ning Zhong asked in confusion when he heard Su Chen's words.

Qingniao was also very confused.

Xu Weixiong should have no contact with Xu Weixiong. How did Xu Weixiong catch Xu Yuan Qingfeng?

Su Chen looked ahead. The team reminded the two girls Ning Zhongze

"Um! In the carriage were not only Xu Nian's second sister Xu Weixiong but also Xu Nian's eldest sister Xu Zhihu. But why did the two sisters capture Xuanyuan Qingfeng? This makes me confused."

Qingniao heard Su Chen's words and said doubtfully,

"Xu Zhihu? Isn't the eldest lady Xu Zhihu recovering from illness at the Prince's Mansion in Beiliang? Why did she come out of Beiliang Prince's Mansion?"

"Qingniao, is Xu Zhihu married?"

"Considered married"

"What does it mean to be married?"

"few.....Sir, Xu Zhihu suddenly fell ill when he was getting married three years ago. This was considered a failure to get married. Later, Xu Zhihu's husband died on the battlefield. Wasn't Xu Zhihu considered married?"

"Has Xu Zhihu always been in Beiliang Palace?"

"always there"

"So this is ah!"

Su Chen nodded when he heard Qingniao's explanation.

Su Chen thought that Xu Zhihu's marriage might not be completed, but what was the sick Xu Zhihu doing here? Could he be seeking medical treatment somewhere? Ning

Zhong saw more than 20 guards coming in front, and she hurriedly said to Su Chen, "Master, there are guards coming in front.""

"Don't expose yourself for a while. Let's see what the Xu sisters are going to do first."

"Yes, Master!"

"Yes, master!"

"Come with us, our lady wants to see you."

At this time, more than 20 guards surrounded Su Chen and the three of them. A commander gave the order with an expressionless face. When

Su Chen heard the guards' words, he nodded and said,

"Okay, okay, take care of your swords and guns, we won't escape"

"Go quickly!"

In front of the carriage, after Su Chen and the others were brought over, the guards here looked at Su Chen and the others with vigilance.

"Miss, the three people behind have already been brought over."

At this time,

Xu Weixiong got out of the carriage.

She was very surprised when she looked at Su Chen and Ning Zhongze.

A bearded middle-aged man brought a beautiful woman and a maid, and these three people also They are all at the level of Grand Master, so the three of them probably cannot have any evil intentions.

But why do they want to follow their team?

Xu Weixiong thought about it and asked sharply, "Who are you?" Why are you always following our team?"

Su Chen's eyes lit up when he looked at Xu Weixiong.

Xu Weixiong is indeed very beautiful, with a heroic temperament, a delicate and beautiful face, a convex figure, and even very long and slender legs. Attractive.

After Su Chen heard Xu Weixiong's question, he clasped his fists at Xu Weixiong and replied,

"Miss, we, husband and wife, and our maid are going to Qingyun City, but this is a sparsely populated wilderness. We are afraid of encountering bandits or gangsters, so we can only follow your team to seek protection."

Xu Weixiong looked at Su Chen and said disdainfully,

"You are all great masters and yet you are afraid of robbers and gangsters? If you want to lie to me, you have to give me a convincing reason."

Su Chen didn't expect that Xu Weixiong didn't believe it.

This Xu Weixiong was really suspicious by nature. No wonder Xu Weixiong would be able to preside over the military and political affairs of Beiliang in the future.

He rolled his eyes and continued to talk nonsense.

"Well, let me tell you, it's like this. There is a powerful immortal cultivator who has taken a liking to my wife. We can only hide everywhere."

"in the previous town"

"We see that the guards in your team are very powerful, so we want to follow you. If we are caught up by the immortal cultivator, you will not be able to die without saving us."

Xu Weixiong nodded when she heard Su Chen's words.

She somewhat believed this reason. After all, Ning Zhongze and Qingniao were both very beautiful.

However!

She still wanted to test whether this person was lying.

Xu Weixiong Xiong looked at Su Chen and threatened, "You didn't cheat on me? You know the cost of cheating on me is death."

Chapter 1603

Su Chen was very speechless when he heard that Xu Weixiong still didn't believe it.

He was about to believe Su Chen's lies, but this shrewd and cold Xu Weixiong didn't believe it yet. Xu Weixiong also Instead of calling her Xu Weixiong, let's call her the suspicious Big Bear Girl!

In the carriage,

Xu Zhihu shook her head when she heard Xu Weixiong's words.

She secretly looked at Su Chen and the others in the carriage. These three people were not people with evil intentions at all.

Xu said that Xiong went too far this time.

Xuanyuan Qingfeng lowered her head and was very confused. Why did the voice of this middle-aged man with a beard sound so familiar to her?

She had never seen this bearded man before, but she couldn't get it wrong. Could it be that this middle-aged man was disguised?

But who is he?

Why do you need to disguise yourself to get close to Sister Xu Weixiong?

"Why don't you answer?"

Xu Weixiong saw that Su Chen kept looking at her and didn't answer, which made her a little angry.

Ning Zhongze asked Xu Weixiong with an ugly face, "Miss, if you don't want us to follow you, then we can stay away, you don't need to be so aggressive, right?"

Xu Weixiong sneered when he heard Ning Zhongze's words, "Want to leave? This is impossible? You all have to follow us, and I suspect that you are plotting against us."

Su Chen looked at Xu Weixiong and asked loudly, "Let me tell you, young lady, why do you say that we have evil intentions against you? Am I harassing you? Or am I teasing you?"

"Shameless man, someone come and catch this bastard and tie him up."

"Yes, second lady!"

Damn it!

Is this Xu Weixiong taking gunpowder?

He was just making an analogy.

This cold beauty without a smile is about to tie herself up.

Isn't Xu Weixiong too aggressive?

Su Chen said to Ning Zhongze After a wink with Qingniao, he was tied up by the guards without resistance.

Su Chen wanted to see what Xu Weixiong wanted to do.

Xu Weixiong saw that Su Chen didn't resist, she waved her hand and said Ning Zhongze said to Qingniao,

"You two women can make a carriage, and let this bastard follow the convoy. Don't worry, I won't kill this bastard. Su

Chen nodded to Ning Zhongze and Qingniao and said,"You guys get on the carriage. Besides, it's not convenient for me as a man to get on the carriage.""

Ning Zhongze and Qingniao nodded and got on the carriage.

Xu Weixiong glared at Su Chen and got on the carriage as well.

The convoy started to move forward again, but this weird convoy was now very strange, with dozens of guard riders. A horse was guarding a carriage, and a man was tied up next to the carriage and followed the carriage on foot.

Su Chen sat at the rear of the carriage after walking for a while. He would not be stupid and follow the carriage.

The guard next to him After they saw Su Chen sitting behind the carriage, the guards looked at each other and said nothing. Just now, Xu said that Miss Xiong didn't say not to let Su Chen get on the carriage. As long as they watched Su Chen and didn't escape, they would Okay.

At noon, the carriage stopped on a grassy field.

The women in the carriage also got out of the carriage, and the guards hurriedly started preparing meals.

When Ning Zhongze and Qingniao came to the back of the carriage, they looked at Su Chen was speechless as he lay here resting.

This time, Su Chen suffered, but he still looked like he was enjoying it.

Ning Zhongze and Qingniao didn't know what to say about Su Chen.

Ning Zhongze patted him back. Su Chen, who was sleeping, said, "Master, are you okay?"

Su Chen opened his eyes and looked around and said, "I'm very fine. You don't have to worry about me. You can prepare food."

"All right!"

Ning Zhongze and Qingniao looked at each other and left.

They also knew that they could not control Su Chen. After all, Su Chen was their master. They could not stop Su Chen from doing anything he wanted to do.

Xu Weixiong came over and saw Su Chen Still lying on the back of the carriage, she said with an indifferent expression, "You bastard really know how to enjoy"

"How about we change it? I also let you enjoy it?" Su Chen glanced at Xu Weixiong and mocked,

"You think of beauty."

Xu Weixiong glared at Su Chen and left.

After a while, a guard came over and untied Su Chen.

Su Chen smiled when he saw the guard loosening the rope for him.

This little tiger girl Not bad, he actually knew how to untie himself.

Su Chen moved his body and walked towards Ning Zhongze and Qingniao. He wanted to find an opportunity to ask Xuanyuan Qingfeng why she was caught by Sister Xu Weixiong.

Xu Zhi When Hu saw Su Chen coming over, she stood up and said to Su Chen, "Mr. Su, my sister-in-law was offended just now. I hope you won't be offended."

"Who are you?"

Su Chen looked at the pale Xu Zhihu and asked, pretending not to recognize him.

Although Xu Zhihu looked sick, this woman was indeed very beautiful.

She and her sister Xu Weixiong were both beautiful. There is no difference between them. The curvy body, the beautiful face is as charming as a fox fairy, and the tall figure makes Xu Zhihu even more charming.

Xu Zhihu smiled and introduced, "I am Xu Weixiong's sister. , Xu Zhihu."

Su Chen looked at Xu Zhihu and nodded and said, "Oh, you are much better than your sister. Your sister is like a tigress."

"What did you say? Can you tell me again?"

I guess!

When did Xu Weixiong appear behind him?

Is this big bear girl preparing to sneak attack on him?

Are you still preparing him to attack Xu Zhihu?

Su Chen immediately started talking nonsense,

"I just said that Miss Xu is as beautiful as a flower. She is a beautiful woman who is loved by everyone."

"shameless bastard!"

"Ha ha....."

Xu Zhihu laughed when she heard Su Chen's words.

She actually saw that Xu Weixiong's face was a little blushing.

Xu Zhihu knew that no one had ever praised Xu Weixiong. Her sister Xu Weixiong had a cold face all year round. The family, the guards, and the maids were all very afraid of Xu Weixiong.

Xu Weixiong hurriedly walked aside when she heard Xu Zhihu's laughter. She felt very bad now.

Damn shameless bastard,

Xu Weixiong now wants to kill that bastard with one palm.

Su Chen looked at Xuanyuan Qingfeng next to him and asked Xu Zhihu, "Miss Xu, why is that woman tied up too? Is this also your sister's masterpiece?"

"She is a prisoner!"

"Prisoner?"

When Xu Zhihu saw that Su Chen was interested in Xuanyuan Qingfeng, she reminded her from the side,

"You don't need to ask more about these things, Mr. Su, don't talk to that woman, otherwise my sister will be angry."

"I understand, I won't meddle."

Chapter 1604

Su Chen touched his fake beard and couldn't understand, how could Xuanyuan Qingfeng become a prisoner?

Did Xuanyuan Qingfeng rob the two sisters of the Xu family?

Xuanyuan Qingfeng should not do such things to offend the Northern Liang King, so why did Xuanyuan Qingfeng become a prisoner?

Su Chen couldn't figure it out as he sat on the grass.

It was possible that Beiliang had taken a liking to the Xuanyuan family. After all, the Xuanyuan family controlled the water transportation of a river.

But it is impossible to catch Xuanyuan Qingfeng.

The current Xuanyuan Qingfeng has no status at all in the Xuanyuan family.

After lunch,

Sister Xu Weixiong did not leave immediately.

Su Chen also enjoyed a leisurely time.

He lay on the grass and thought about how to get close to Xuanyuan Qingfeng.

"Ha ha....Xu Zhihu, Xu Weixiong, have you finally been found?"

At this time, a figure quickly appeared on the carriage. An old man without a beard laughed and said to the Xu sisters.

Xu Weixiong hurriedly protected Xu Zhihu when he saw the coming person. She waved. Waving his hand to get the guards ready to fight,

Xu Weixiong looked at the old man on the carriage and asked with a cold face, "Han Diao Temple? What are you doing here, an old eunuch?"

Han Diao Si looked around and said disdainfully, "What are you doing? Xu Weixiong, my disciple has never forgotten you. Second Miss of the Xu family, you are worthy of being my disciple."

"Your disciple? who?"

"Zhao Kai!"

Xu Weixiong was very surprised when she heard what Han Diao Temple said. She didn't expect that Zhao Kai was actually a disciple of Han Diao Temple.

However, after she heard what Han Diao Temple said,

Xu Weixiong sneered with an indifferent expression, "Zhao Kai is actually your disciple, Han Diao Temple, you are thinking too much, Zhao Kai and I have no relationship at all."

"It doesn't matter if you don't have a relationship. As long as you get married, won't there be a relationship?"

"Damn it, what are you going to do?"

Han Diao Si smiled sinisterly and said,

"do what? Of course, I want you to become my disciple's wife, the second young lady of Beiliang. After the death of the Crown Prince Xu Nian of Beiliang, you can be Beiliang's successor, and my disciple can legitimately control Beiliang's 300,000 cavalry. In this way The sale is very cost-effective."

Xu Weixiong looked angry and shouted loudly,"You are dreaming that my brother Xu Nian is dead, and my other brother, and even my eldest sister are also here. Han Diao Si, you are just talking in your dreams."

Xu Weixiong did not expect that Han Diao Temple had such a plan.

Did Han Diao Temple eat himself?

Or would he definitely eat their Beiliang Palace?

Han Diao Temple said with disdain when he heard Xu Weixiong's words.

"Your other brother is a fool. Someone will deal with him in the future. Your eldest sister, Xu Zhihu, may die at any time due to her illness. You are the only one left among the four siblings in the Xu family."

"Guard ready!"

Xu Weixiong waved his hand and prepared to fight.

It is impossible for her to be captured by Han Diao Temple, and it is even less possible for her to be humiliated by that bastard Zhao Kai.

Even if Xu Weixiong dies, he will not let Han Diao Temple have an easy time.

Su Chen Lying on the grass without getting up, he is just Han Diao Si.

Ning Zhongze and Qingniao can kill him, but these are very different from the plot.

Zhao Kai and Han Diao Si were assassinating Xu Nian before. What happened today? Want to catch Xu Weixiong and force her and Zhao Kai to cook rice together?

Is Han Diao Si so sure of killing Xu Nian?

By the way!

Five Elements Talisman General Hong Jia is still in his system space. This is what Su Chen originally snatched from Zhao Kai snatched it from his hand.

If Han Diao Si saw the red armor of the Five Elements Talisman here, would he be frightened and run away immediately?

Xu Weixiong looked at Han Diao Si and said to Xu Zhihu behind him," Sister, go to that bastard and let him protect you during the battle."

"Bear, you have to be careful."

Xu Zhihu nodded and gave Xu Weixiong instructions, and she walked towards Su Chen.

She knew that she couldn't help at all now, and Xu Zhihu didn't want to stay and let Xu Weixiong be distracted by her.

"Mr. Su, can you help my sister?"

After Xu Zhihu arrived at Su Chen's place, she looked at Su Chen and Ning Zhongze and begged.

When Su Chen heard Xu Zhihu's words, he shook his head and said,"Miss Xu, that old eunuch is a Yuan. We are the great masters who are in the early stages of cultivating immortals. Do you think we can help?"

"I was reckless."

Xu Zhihu lowered his head in embarrassment when he heard Su Chen's words.

She didn't know much about warrior training at all. Su Chen and Ning Zhongze didn't expect that their strength was so low. It seems that this time Xu Weixiong will have to face it alone. Regarding this matter.

Han Diao Si kept looking at Su Chen.

He felt that this bearded man posed a great threat to him.

This made him very confused.

Why would a great master make him feel so dangerous? da da da da.....

At this time, the sound of horse hooves came over, and after a while, a group of thousands of troops appeared in front of everyone.

These thousands of troops were very elite. After the army arrived, they quickly surrounded Han on the carriage with evil aura. Diao Temple

"Beiliang Iron Cavalry!"

Han Diao Si looked at these troops and said.

At this time, a general with a spear and a horse came over.

He looked at Han Diao Si and shouted, "Han Diao Si, be captured immediately, or I will let you taste it. The charge of Beiliang cavalry."

Han Diao Si was very confused when he saw Chen Zhibao arriving.

How could Chen Zhibao be here with his army?

And it was aimed at him.

Did the King of Beiliang know his intention?

"Chen Zhibao? I didn't expect you to be here, but do you think a thousand Beiliang cavalry can do anything to me?"

Xu Weixiong breathed a sigh of relief when he saw Chen Zhibao arriving with his army.

After all, Han Diao Si was a cultivator in the Nascent Soul Realm, and she was a cultivation state in the early stage of the Golden Core.

She and Han Diao Si were facing each other. There was no chance of winning.

Su Chen was very surprised when he saw these people.

Xu Weixiong, Xu Zhihu, Han Diaosi, Chen Zhibao, will Xu Nian and his brother arrive soon?

And Zhao Kai, plus Go to Nangong Girl, isn't this a proper plot to surround and kill Han Diao Si and Zhao Kai?

"Just you?"

"Who says I'm the only one?"

Han Diao Si smiled when he looked at Chen Zhibao.

Fortunately, he also brought his subordinates this time.

Although these people are all disintegrating people towards him, he is also afraid of accidents, especially the bearded man. He is a Unstable factors.

Chirp.....bump!

Han Diao Si took out a loud arrow from his arms and fired it into the air. da da da da.....

At this time, more sounds of horse hooves came from the distance

"Be on alert, all Beiliang cavalry are on alert!"

Chapter 1606

Xu Zhihu suddenly took Su Chen's arm. She introduced Han Diao Si with a blushing face, "Han Diao Si, this is my husband. You want to deal with my sister Xu Weixiong. What do you think about him?" Will he stand by and watch?

Xu Zhihu has no choice.

Her sister Xu Weixiong cannot be Han Diao Si's opponent. The Beiliang Cavalry has also been held back by other armies. It is impossible for Xu Zhihu to watch her sister Xu Weixiong. was taken away.

As for Su Chen,

Xu Zhihu could only say sorry.

Since Han Diao Si was so polite to Su Chen, she felt that Su Chen was probably not simple at all. Although she did not have martial arts skills, she was not stupid either. , Han Diao Si was obviously wary of Su Chen, maybe even very afraid.

Xu Zhihu could only drag Su Chen into the water.

Su Chen was stunned when he heard Xu Zhihu's words, holy shit!

Husband?

God, he Husband!

What does Xu Zhihu want to do?

Is he trying to drag him into trouble?

Su Chen is also speechless.

He is now a bearded man with an unattractive appearance.

Su Chen also doesn't believe that Xu Zhihu will take a fancy to him. This smart man Xu Zhihu is definitely trying to drag him into the water.

Su Chen also wants to know if Xu Nian will show up. He doesn't want to get involved in this matter now. Besides, he and Xu Nian have a feud.

Su Chen will also treat Beiliang even if he wants to participate.

It makes no sense for Xu Zhihu to do this. Xuanyuan

Qingfeng looked at Su Chen and Xu Zhihu dumbfounded.

She also did not expect that Xu Zhihu, a woman, would ruin her reputation and say such things. Su Chen was the first When I met Xu Zhihu once, there was no relationship between them at all.

After Xu Zhihu said that Su Chen was her husband, hundreds of people here heard Xu Zhihu's words. I'm afraid Xu Zhihu will never be able to do anything about it in the future. Neither could clear up this matter.

Ning Zhongze and Qingniao shook their heads when they heard Xu Zhihu's words.

They also guessed what Xu Zhihu was going to do, but Xu Nian had a grudge against Su Chen, and

Su Chen would not Help Sister Xu Zhihu.

Xu Weixiong looked at her eldest sister Xu Zhihu with a surprised look on her face.

She wanted her eldest sister to take back what she just said with an ugly face. How could that big beard be her eldest sister's husband?

Her eldest sister Xu Wei Is Xiong trying to force Su Chen to help her?

But how can a great master help her?

However, she saw Xu Zhihu shaking his head at her, and Xu Weixiong looked at Su Chen with a livid face. She was now He wanted to kill this bearded man immediately.

Su Chen saw Han Diao Si's face was very ugly. He guessed that Han Diao Si might have believed Xu Zhihu's words.

He helplessly said to Xu Zhihu,"Xu Zhihu, you There is no point in doing this. As a great master, I am no match for Han Diao Temple."

Xu Zhihu held Su Chen's arm tightly and shook his head and said,"I don't believe you are a great master, Mr. Su. I can't watch my sister being taken away. I have offended her so much this time."

Damn it!

How offending is this?

How offending is this?

If he was really a great master, he would die here.

Did Xu Zhihu really guess that his strength was very high? Or is Xu Zhihu seeking medical attention in a panic?

"It seems that we are bound to have a battle." Han Diao Si looked at Su Chen and said to Su Chen with a gloomy face.

Su Chen saw that Han Diao Si was about to attack him, which made Su Chen wish he could kill the old eunuch with one palm.

He just came to watch the show, why Xu? What did Zhihu say that this old eunuch believed?

This old eunuch was not a stupid person.

Why did Han Diaosi believe what Xu Zhihu said?

"Old eunuch, do you believe me when I say that I am not Xu Zhihu's husband?"

"Do you think I will believe you?"

Han Diao Si looked at Su Chen with piercing eyes and asked in disbelief.

He didn't believe Xu Zhihu's words at first.

However, it was rumored that Xu Zhihu had never appeared after her previous husband died. And this bearded man was actually with the Xu Zhihu sisters. If they were not close friends, the two unmarried women, how could they be with a strange man?

"You want to kill me?"

"You are not simple. I don't know if I am your opponent, but if I don't kill you, I won't be able to take Xu Weixiong away, and you will have to die."

Su Chen shouted loudly with a livid face,

"Damn it, you damn old eunuch, aren't you always very shrewd? Xu Zhihu is obviously trying to drag me into trouble, can't you see it?"

Han Diao Si slowly walked towards Su Chen and said mockingly,

"Damn it, do you think I'm stupid? This time, the secret attempt to catch Xu Weixiong was discovered by the King of Northern Liang. With the appearance of Chen Zhibao, Xu Nian and his masters may be arriving soon. Are you deliberately delaying time?"

I guess!

Are you delaying to pay him back?

Is this old eunuch too shrewd?

Su Chen shook his head and realized that he was helpless. He was going to get into trouble while watching the show.

This was really his own fault.

Su Chen said to Ning Zhong Zehe Qingniao shook his head.

He sent a message asking Ning Zhongze to take Qingniao and Xuanyuan Qingfeng away to Qingyun City to wait for him. He still didn't want to expose his identity and strength.

Xu Weixiong was surprised when he heard Han Diao Si's words. Looking at Su Chen, she didn't expect that Han Diao Si would be so afraid of Su Chen. Did that bastard really hide his cultivation level?

Damn it!

She was actually deceived by this bearded man.

So, was this bearded man also? Disguised?

Xu Weixiong stared at Su Chen with beautiful eyes. Now she wanted to know if Su Chen had hidden his cultivation level. What was the purpose of this bastard approaching their sisters?

Boom boom boom.....

At this time, many red threads suddenly appeared from the sleeves of Han Diao Si's hands, and these red threads quickly attacked Su Chen.

Su Chen held Xu Zhihu and dodged when Han Diao Temple attacked.

Su Chen did not fight back at Han Diao Temple.

He wanted to wait and see if Xu Nian would arrive with masters.

Xu Zhihu blushed and was very shy when Su Chen hugged her. She had never been so close to a man before.

However, she also knew that Su Chen was very powerful.

In just a moment, she was carried by Su Chen and appeared on the carriage.

Xu Zhihu's guess just now was very correct.

"You are indeed a master!"

Han Diao Si saw Su Chen disappear suddenly.

He checked his surroundings and found that Su Chen appeared on the carriage holding Xu Zhihu.

"Han Diao Si, I am just an ordinary person, I am not your opponent."

"Do you think I will believe it?"

Su Chen shook his head with his head full of black lines.

The idiot Han Diao Si might not be able to convince him.

Su Chen suddenly saw Xu Weixiong watching the show next to him and shouted,

"Xu Weixiong, what are you looking at? The old eunuch Han Diao Si is here to arrest you. Why don't you take your guards and take action?"

"You are my brother-in-law. Shouldn't you help my sister-in-law kill this old eunuch?"

Chapter 1607

Xu Weixiong appeared on the carriage the moment he saw Su Chen holding her sister, which reassured her.

Xu Weixiong was very worried about Han Diao Si's sudden attack just now, and her sister Xu Zhihu would be killed.

Xu Weixiong also saw that

Su Chen was a powerful immortal cultivator.

This bastard had been hiding his strength.

No wonder her sister Xu Zhihu said that just now. Her sister might have discovered Su Chen's true strength.

After Xu Weixiong heard Su Chen's cry, she looked at Su Chen and said coldly and proudly,

"You are my brother-in-law. Shouldn't you help my sister-in-law kill this old eunuch?"

Brother-in-law?

Let me guess!

What's wrong with Xu Weixiong?

Is she planning to ruin her sister's reputation?

Su Chen looked at Xu Weixiong and shook his head.

Both sisters are insane.

One of them said she was Her husband?

One of them actually called her brother-in-law?

This was simply made up out of nothing.

Su Chen understood now that

Xu Zhihu and Xu Weixiong must have guessed that his power was not simple, and even thought that they had hidden it Cultivation level.

The two sisters of the Xu family are monsters.

Xu Weixiong and Xu Zhihu are probably smarter than vixens.

"Han Diao Si, don't attack me again, otherwise don't blame me for being rude."

"Hum, die!"

"Damn it, get out of here!"

Su Chen saw that Han Diao Si was about to use red silk to attack again, and he couldn't help it.

Su Chen directly used space to move Han Diao Si hundreds of miles away, and asked the old eunuch to come back slowly. Well, when he comes again,

I'm afraid that boy Xu Nian has already arrived with his masters.

Xu Zhihu and Xu Weixiong suddenly saw Han Diao Temple disappear. They looked at Su Chen and felt very incredible.

Su Chen had just waving his hand,

Han Diao Temple disappeared.

Is Su Chen an immortal?

"You guys take your time and play, this has nothing to do with me?"

After Su Chen jumped out of the carriage with Xu Zhihu, he waved to Xu Zhihu and left. He didn't want to continue to be involved in this matter.

After Xu Nian came over,

Su Chen still wanted to deal with Xu Nian,

If Su Chen has a deep friendship with Xu Weixiong and Xu Zhihu, will Xu Nian still want to deal with him?

He has not forgotten to destroy Beiliang.

He will kill everyone in Beiliang in the future.

At this time,

Xu Nian When Xiong came to the carriage, he said to Xu Zhihu,

"Sister, this bastard is indeed not simple, but your reputation was also ruined by that bastard."

Xu Zhihu smiled and said nonchalantly,

"Call me a bear, do I still have a reputation? Since my marriage three years ago, I no longer have much reputation. What kind of reputation does a woman from a wealthy family have?"

Xu Weixiong said angrily when he heard Xu Zhihu's words,

"Sister, how can I blame you for this? That matter was deliberately spread by those men of letters in Jiangnan. I will also destroy the Lu family in Jiangnan in the future. Xu

Zhihu shook his head and persuaded, "No need, Xiong, why did Chen Zhibao appear here?" Who spreads our information? Can you guess these?"

Xu Weixiong's face turned very ugly when he heard Xu Zhihu's words.

Their whereabouts this time were very secretive, and it was impossible for others to know the route they were going to take.

Xu Weixiong also had some guesses, but she felt There's no way that person leaked it.

"Sister, I am also very strange. The fact that we went to Qingyun Gate was very secretive. Besides, we were anonymous along the way. No one in Da Song Dynasty knew about it, and it was even more impossible for us to be exposed."

Xu Zhihu looked at Xu Weixiong and whispered, "No, Weixiong, there is someone else who knows our whereabouts."

"You mean younger brother Xu Nian?"

"My little brother knows our whereabouts. After all, you sent a message to Xu Nian about our route."

Xu Weixiong did not expect that his eldest sister Xu Zhihu would also suspect Xu Nian.

She was also suspicious of Xu Nian just now, but Xu Nian is their younger brother after all, and Xu Weixiong did not believe that Xu Nian would expose their whereabouts.

"How is this possible? Xu Nian actually exposed our whereabouts? Why did he do this? Xu

Zhihu looked pale and shook his head and replied,

"I don't know, but Xu Nian can't harm us. The appearance of Chen Zhibao explains everything. Xu Nian may want to lure Han Diao Temple out, and we may be the bait."

Xu Weixiong is very angry now.

Xu Nian used them as bait without consulting them. This makes her very sad and angry.

"Bait? That boy Xu Nian actually used us as bait?"

Xu Zhihu was about to tell Xu Weixiong not to blame Xu, but he suddenly saw Chen Zhibao being knocked off his horse.

Xu Zhihu hurriedly said to Xu Weixiong,

"Weixiong, please lead the guards to help Chen Zhibao. I'm afraid Chen Zhibao won't be able to hold on anymore."

"I know, eldest sister, you go to that bastard first. You should be safer around that bastard."

"Um!"

On the battlefield, although the Beiliang cavalry were very brave and good at fighting, this time Qingzhou came not only with cavalry, but also hundreds of masters.

After half an hour of fighting, more than half of Qingzhou's cavalry were killed or injured, and the three thousand Qingzhou cavalry only There were a little more than a thousand people left, and the Beiliang Iron Cavalry had less than 300 people left.

Zhao Kai looked at Chen Zhibao who was kicked away by him and mocked,"Chen Zhibao, today is the day you die. Yuan Tingshan, let's take action together." , let's kill Chen Zhibao first"

"good!"

The man wearing a bamboo hat next to him nodded and agreed,

"If you want to kill me, it depends on your ability."

Chen Zhibao waved his spear and killed Zhao Kai and Yuan Tingshan.

Chen Zhibao was also very anxious now. His army was about to be wiped out, but Xu Nian has not appeared yet.

Could it be that Xu Nian encountered him on the road? An attack?

Just when Chen Zhibao was beaten back by Zhao Kai and Yuan Tingshan,

Xu Weixiong arrived with his guards.

Xu Weixiong rescued Chen Zhibao who was in danger and shouted,"Chen Zhibao, let's kill him together." These two people."

After Chen Zhibao looked at the injury on his shoulder, he nodded to Xu Weixiong and replied, "Okay, Xu Weixiong, let's kill these two people first."

At this moment,

Xu Zhihu slowly walked to Su Chen's side. She felt very embarrassed when she looked at Su Chen.

After all, she had just taken advantage of Su Chen.

"Sorry, I....."

"Stop, Xu Zhihu, you are not allowed to speak from now on, otherwise you will not stay with me."

Just when Xu Zhihu was about to apologize to Su Chen,

Su Chen hurriedly interrupted Xu Zhihu.

He was now afraid of this woman. If Xu Zhihu said something shocking again, Su Chen would probably I couldn't help but drive away the sick Xu Zhihu

"Mr. Su, you have also changed your appearance, right?"

Chapter 1608

When Su Chen heard Xu Zhihu's words, he couldn't help but clenched his fists.

Why did this evil woman suspect that he was disguised again?

Beautiful and smart women are really annoying.

Su Chen now wants to leave this woman. After a while, this woman may even guess what underwear he is wearing.

"I'm just asking casually."

Xu Zhihu looked at Su Chen's face.

She smiled and lowered her head.

Xu Zhihu just tested it casually.

It seems that this bastard is really disguised.

Xu Weixiong thought of Ning Zhongzehe Qingniao is a very beautiful woman, and it is impossible for them to find an ugly man as their husband.

Moreover, Ning Zhongze and Qingniao obeyed Su Chen, which made Xu Weixiong very suspicious. Qingniao obeyed Su Chen, so It's because Qingniao is just a maid.

But Ning Zhongze is Su Chen's wife, a beautiful lady like a flower.

Shouldn't Su Chen take great care of her? But why does Ning Zhongze always show respect to Su Chen.

Xu Zhihu suspected that Ning Zhongze and QingI'm afraid they are all Su Chen's maids, and

Su Chen and Ning Zhong are also fake husband and wife.

Su Chen looked at Xu Zhihu and threatened,"Xu Zhihu, has anyone told you that you are too smart, so be careful that no one wants you in the future?"

Xu Zhihu smiled and said nonchalantly,"No one wants me in the first place. Oh, what does this have to do with me?"

Su Chen curled his lips when he heard Xu Zhihu's words and reminded, "Isn't there a lover of yours in the Wudang Clan? It's not like no one wants you, you've been waiting for someone people"

"you.....How did you know?"

Xu Zhihu was very shocked when he looked at Su Chen. Apart from her family members, no one else could know about her relationship with the Wudang Clan.

How did Su Chen know about it?

Su Chen took out a bottle of wine and took a sip. He said, "Don't worry about this. I know a lot about the secrets of the Northern Liang Palace. I also know that Xu Weixiong is not your biological sister at all."

"you....."

Xu Zhihu stared at Su Chen in disbelief,

Xu Weixiong!

This is even more of a secret among secrets, and she and her father are the only ones who know about this matter. Where did this bastard know about this matter?

"Don't make a fuss, secrets will be exposed if they are hidden for a long time. Some of the plans of King of Northern Liang are good, but it is a pity that King of Northern Liang will probably die soon."

"Nonsense, my father will not die"

"Maybe"

"you.....Do you know who killed my mother?"

"We know that Han Diao Si is one of the murderers."

Xu Zhihu heard Su Chen's words and continued to ask hurriedly, "Han Diao Temple? So my mother was killed by the Dali Dynasty."

Su Chen shook his head and replied to Xu Zhihu, "Not only the Dali dynasty, but also the Beimang dynasty was involved. Your mother was dealt with by the masters of Dali and Beimang together."

Xu Zhihu was so dizzy that he was about to fall down.

I guess?

Is Xu Zhihu going to have a seizure and die?

Is this him?

Can Xu Zhihu die now? If Xu Zhihu dies next to him, he I'm afraid that there were several mouths that couldn't explain it clearly.

Su Chen hurriedly hugged Xu Zhihu who was about to fall down, and slowly let her lie down on the grass.

"Xu Zhihu, you can't die now. I'm going to call your sister back."

"Don't worry, I won't die yet."

Xu Zhihu turned to look at Su Chen and was very speechless.

She was just furious for a moment.

This bastard was actually worried that she would die here. Damn bastard. This bastard must be worried about him. Beiliang will not let her go in the future. Get over this bastard.

Xu Zhihu felt very cold now.

She did not expect that her mother was killed by Dali and Beimang in cooperation. It seems that the Dali Dynasty really cannot tolerate Beiliang, so the Dali Dynasty would actually Colluding with a hostile country to kill her mother

"Retreat, retreat quickly!"

At this time, there are less than a hundred Beiliang cavalry left, and the guard masters Xu Weixiong brought there are less than fifty. There are hundreds of cavalry in Qingzhou, and there are hundreds of masters.

Chen Zhibao and Xu Wei Xiong hurriedly ordered a retreat.

They couldn't kill Zhao Kai and Yuan Tingshan now.

There were too many masters surrounding them. If they didn't order a retreat, the entire army would be annihilated.

Zhao Xun saw the remaining people To escape, he hurriedly ordered loudly,"Surround me. No one here can be let go.""

"Yes, little prince!"

The surrounding Qingzhou cavalry and masters quickly surrounded them.

"You bastard, what did you do to my eldest sister?"

At this time,

Xu Weixiong ran to Su Chen and Xu Zhihu and screamed.

When Su Chen heard Xu Weixiong's words, he shouted with a black face,"I'm here, I didn't do anything, you don't I believe you can ask your sister"

"Calling it a bear, I'm just dizzy, it's none of Mr. Su's business. Xu Zhihu sat up with a pale face and explained,

"Hurry up, the Qingzhou cavalry is coming after you."

Chen Zhibao shouted anxiously as he rode over.

Xu Zhihu shook his head and said, "You guys leave. How can I escape with a body like mine? General Chen, take Xu Weixiong and leave quickly."

"How is this possible? Miss, get on your horse and we'll leave together."

"No, I will drag you down, Wei Xiong, you and General Chen leave quickly"

"No! Sister, I can't leave you, let's go together." Xu Weixiong said that he was about to pick up Xu Zhihu, mount his horse and run away together.

Xu Zhihu suddenly took out a dagger.

She pointed the dagger at her neck and said threateningly, "Xu Weixiong, you want my sister? Will I die in front of you now? Leave quickly with General Chen"

"eldest sister....."

"Leave quickly! Otherwise I will die in front of you"

"Walk!"

Xu Weixiong clenched her fists tightly and shouted.

She looked back at Xu Zhihu and Su Chen. With an ugly expression on her face, she rode away quickly with the rest of the people.

Su Chen looked at the people leaving. Xu Weixiong and the remaining remnants were defeated.

When he came to Xu Zhihu, he smiled and asked, "Xu Zhihu, if you don't leave, you will die.""

"I won't die?"

Xu Zhihu smiled when he heard Su Chen's words. She put away the dagger and looked at Xu Weixiong and the others who were far away.

Su Chen curled her lips and reminded, "You won't die? Who are you lying to? In less than a quarter of an hour, those enemies will arrive and kill you. How can you, a woman without cultivation, resist?"

"Isn't this about you?"

Xu Zhihu looked at Su Chen and said with a smile.

When Su Chen heard Xu Zhihu's words, his face turned dark and he said, "I guess, what does this have to do with me? I have no intention of saving you from leaving"

"You can't tell!"

Chapter 1609

Xu Zhihu blinked when she looked at Su Chen.

She didn't believe that Su Chen would die and refuse to save him.

This bastard hasn't left yet. He doesn't care about these cavalry and masters at all.

Xu Zhihu suspected that this bastard's strength might be terrifyingly high.

Su Chen looked at Xu Zhihu who was calm and composed and laughed,

"Tsk, just wait to die!"

"No! maybe"

"Maybe when those people see how beautiful you are, they will take you back and humiliate you. After all, your noble status will also interest those ruffians."

When Xu Zhihu heard Su Chen's words, he shouted angrily, "You are really a shameless bastard."

She didn't expect Su Chen to be so shameless.

Is this what this bastard should say?

Even if this bastard wanted to scare herself, wouldn't he use other methods to scare himself?

"There are two people here, kill them!"

At this time, more than ten cavalymen discovered Su Chen and Xu Zhihu. These cavalymen shouted and rushed over.

Boom!

Ahhhhhh.....

Just when these cavalry were about to charge over,

Han Diao Si suddenly appeared around.

When he saw that these cavalry were about to attack Su Chen and Xu Zhihu, he took the first step and killed these cavalry.

"Sir, I have been offended many times before." Han Diao Si came to Su Chen and saluted.

Han Diao Si was very afraid of Su Chen.

In just a moment, he was teleported three hundred miles away.

If Su Chen wanted to kill him,

Han Diao Si would not care. He couldn't escape no matter what. He didn't dare to provoke Su Chen anymore.

Su Chen saw Han Diao Si running back and even killed the cavalry who wanted to attack him.

He shook his head and said to Han Diao Si said,

"Han Diao Si, I said that I have nothing to do with Xu Zhihu and the others. It is your business to kill or arrest you."

"I understand, so I won't disturb you sir."

Han Diaosi looked at Xu Zhihu next to him and left quickly.

Xu Zhihu was not their target.

It didn't matter whether they killed Xu Zhihu or not.

He was also afraid that Xu Zhihu and Su Chen were really related. At that time, I am afraid that I will have to face Su Chen's horrific killing.

When Xu Zhihu saw Han Diao Si leaving, he had murderous intent in his eyes.

However, she was a woman without cultivation, and there was no way she could kill Han Diao Si. To avenge her mother.

Xu Zhihu regained his mood and looked at Su Chen and said, "See, I said nothing will happen to me!"

"Tsk, you are taking advantage of me. Han Diao Si is probably worried that you are my woman, so he doesn't dare to take action against you."

"You shameless bastard"

"I'm leaving, what about you?"

Su Chen looked at Xu Zhihu and shook his head speechlessly.

He had also felt Xu Zhihu's murderous intention just now.

Xu Zhihu was really very smart. When Han Diaosi was here, she didn't have any at all. Expression.

As soon as Han Diao Si left,

Xu Zhihu could no longer pretend. Although Xu Zhihu could not avenge her mother's murder, this did not prevent her from hating Han Diao Si.

"Of course I have to leave. There is no village in front of me and no store in the back. Should I stay and feed the wild beasts?"

"what ever!"

Xu Zhihu saw Su Chen setting up the carriage.

She got on the carriage and said to Su Chen, "The carriage belongs to me. There are horses beside it. You can ride away by yourself."

Su Chen had just hitched a few horses in front of the carriage when he heard Xu Zhihu's words.

This made Su Chen yell angrily, "I'll do it! Xu Zhihu, I just set up the carriage and you said the carriage is yours? Why didn't you tell me earlier?"

Xu Zhihu said with a smile on his delicate little face,

"If I had told you earlier, would you still pull the horses around and put them on the carriage? Or do you think I can hitch a carriage? Su

Chen jumped on the carriage and threatened, "Xu Zhihu, do you think I can ride a horse if there is a comfortable carriage?" As long as you are not afraid that I will do something wrong to you, just get on the carriage."

"I am an ominous woman. If you are not afraid of death, just do as you please."

Xu Zhihu said to Su Chen and got into the carriage.

She didn't believe what Su Chen would do to her. Besides, she was a dying person. Would Su Chen use force on a dying person?

Su Chen Seeing Xu Zhihu enter the carriage, he shook his head. He waved his riding whip and drove the carriage towards Qingyun City. The brief battle here made Su Chen confused.

Su Chen originally thought that Xu Nian would lead the masters. arrived, but Xu Nian did not arrive in the end, so what was the meaning of the battle here? What was the reason for Chen Zhibao's arrival?

While thinking about this, Su Chen drove the carriage on the road.

In the carriage,

Xu Zhihu is now very worried about Xu Weixiong.

If Xu Weixiong is caught by Han Diao Temple, then her sister Xu Weixiong will probably be insulted by Zhao Kai. Why on earth would Xu

Nian expose their whereabouts?

What plans does Nian have?

Xu Zhihu can't figure it out right now.

In the north of the mountain, hundreds of men in black are hiding here. Xu Nian is sitting at the table and drinking tea leisurely.

An old man comes to Xu Nian The person next to me said uneasily, "Master, do we really not need to help the ladies?"

Xu Nian took a sip of tea, shook his head and said, "No, with Chen Zhibao's Qianbeiliang cavalry, nothing will happen to our sisters."

"But this is too risky, young master, Han Diao Si is an immortal cultivator in the Nascent Soul Realm. What if Chen Zhibao's army is no match for Han Diao Si?"

"Uncle Wei, I have made a foolproof plan. Chen Zhibao and my sister join forces and add a thousand Beiliang cavalry. I don't believe Han Diao Temple can deal with it."

"But the news about Zhao Kai has never been found. I wonder if Yuan Tingshan broke the contract?"

"Impossible, Yuan Tingshan is a member of the General, and the General has a cooperative relationship with us. Didn't Yuan Tingshan send a letter saying that Zhao Kai will arrive tomorrow? Tomorrow is when we catch them all."

At this time, a man in black arrived quickly and saluted Xu Nian and shouted,

"Young Master, it's not good, Han Diao Temple appeared, Zhao Kai and Qingzhou's three thousand cavalry suddenly appeared, General Chen's thousand troops have been defeated, the eldest lady and the second lady now don't know whether they are alive or dead."

Xu Nian's eyes darkened when he heard what his men said.

"What? how so? Isn't Zhao Kai coming one day? Why did Zhao Kai and Qingzhou collude? Yuan Tingshan, that bastard Yuan Tingshan actually sent false news."

Uncle Wei heard the guard's report from the side and shouted hurriedly, "Master, now is not the time to talk about this, hurry up and save the eldest and second young ladies."

"Quick, order all the guards and five thousand cavalry to dispatch as soon as possible. We must rescue my eldest sister and second sister."

"Yes, Master!"

Xu Nian watched Uncle Wei go to deliver the order.

He kicked down the table in front of him and shouted angrily, "How could this happen? how so? Yuan Tingshan, Yuan Tingshan, you deserve death."

Xu Nian is now in a state of panic.

His well-thought-out plan has been fooled. If something happens to Xu Zhihu and Xu Weixiong, he will not be held responsible even if he dies.

Chapter 1610

In the evening,

Su Chen arrived at a small town with a carriage.

There were no accidents along the way, and the people from Han Diao Temple did not chase them. Su Chen also arrived at the small town smoothly.

When Su Chen first arrived at this small town with his carriage, the town was very lively.

Tens of thousands of Song troops were passing through the town and heading towards another road. Su Chen looked at it without paying much attention. Here is In the north of the Song Dynasty, something might have happened to the army gathering here.

In the carriage,

Xu Zhihu looked at the passing troops from the window and was very curious.

The troops passing through the town were all border troops of the Song Dynasty. Why did the Song Dynasty court transfer the border troops guarding the border? Isn't the Song Dynasty afraid of foreigners attacking the Song Dynasty's borders?

"Mr. Su, why are there so many Song Dynasty border troops here? Is the Song Dynasty going to war somewhere?"

Su Chen heard Xu Zhihu's words and said casually, "The Song Dynasty is going to attack Beiliang."

Xu Zhihu kicked the carriage and said angrily, "You are talking nonsense. Beiliang is in the southeast of the Song Dynasty, and the frontier troops of the Song Dynasty are obviously heading south of the Song Dynasty. How could the Song Dynasty attack Beiliang? "

"south?"

"Yes, these armies of the Song Dynasty were marching towards the south of the Song Dynasty. Could it be that the south of the Song Dynasty was invaded by Japanese pirates?"

Su Chen didn't expect that these troops were marching towards the south.

Did Mu Guiying's army already capture the southern part of the Song Dynasty?

But why was there no news about the occupation of the southern part of the Song Dynasty along the way? Could it be that the Song Dynasty court blocked the news?

Su Chen Chen Chen shook his head when he looked at the tens of thousands of Song Dynasty border troops.

These troops were no match for his black-armored army. The Song Dynasty border troops fought against Mu Guiying's northern combat corps, and these troops had no chance of winning.

Outside an inn,

Su Chen's carriage stopped here. The sky had turned completely dark, and it was impossible for him to continue driving all night.

Bang Bang Bang!

"Girl, I'm here. I'm going to rest here for the night." Su Chen patted the carriage and shouted to Xu Zhihu,

"Got it, aren't you looking for your maids?" Xu Zhihu got out of the carriage, looked around and asked Su Chen.

Su Chen looked at the weak Xu Zhihu and shook his head and said, "They have already gone to Qingyun City first, if it weren't for you as a drag, I have caught up with you a long time ago"

"Just brag, your maids all left on horseback, can you catch them with a carriage?"

"I can't explain it to you, an idiot."

"you.....You are the stupid one!" When Xu Zhihu heard Su Chen's words, he glared at Su Chen angrily and cursed.

Su Chen shook his head and did not argue with Xu Zhihu.

If he wanted to leave, he could just teleport away.

Su Chen also wanted to I don't understand Xu Nian's previous actions. The situation that Xu Zhihu and Xu Weixiong are facing now is very dangerous. He wants to stay and see what Xu Nian is planning to do?

Han Diao Si and Zhao Kai both appeared, Xu Zhihu, Xu Weixiong, and Chen Zhibao were all here, but why didn't Xu Nian show up in the end? Didn't Xu Nian want to surround Han Diao Si, his mother-killing enemy?

"Are you two guests staying in a hotel or dining?"

A waiter in the inn saw Su Chen and a beautiful woman arriving. He hurriedly stepped forward and asked enthusiastically.

Su Chen came in, looked at the inn, nodded and said, "Waiter, let's get some good ones first. Food and drinks, and room service?"

"Sir, there is still one room in the upper room. If you and your lady are a little later, our store will have no guest room."

"The upper room is reserved for us, and the food and wine will be served first." Su Chen took out a gold coin and threw it to the waiter.

"Hello, sir, please wait a moment. The food and wine will be served soon."

After the waiter left,

Xu Zhihu sat down on the chair with a red face.

She did not expect that the waiter would think that she was Su Chen's wife.

This bastard was an ugly bearded man. Is the waiter in the inn blind? ? How could a beautiful woman be the wife of this bastard?

Xu Zhihu suddenly thought that there was only one room left in the inn.

She looked at Su Chen and asked doubtfully, "Bastard Su, there is only one room left in the inn. Now, how can we stay there for a while?"

"Of course we live together!" Su Chen smiled and replied.

When Xu Zhihu heard Su Chen's words, he cursed angrily, "You are shameless. I will not live with you. You go and sleep in the carriage.

Su Chen looked at the blushing and angry Xu Zhihu and reminded him, "Xu Zhihu, I paid for the inn, why should I sleep in the carriage?" If you pay, I'll let you sleep in the room"

"you.....I....."

Xu Zhihu was speechless for a moment.

She had money, but Xu Weixiong was arranging everything along the way. Even the money was with Xu Weixiong, but she didn't have a single coin on her.

Xu Zhihu looked at Su Chen and had no choice.

This bastard was not a gentleman at all. Wouldn't this bastard generously give up the room for her to live in?

After a while,

Su Chen and Xu Zhihu came to the inn room together after eating.

Xu Zhihu felt very uneasy when she looked at the room.

She did not expect that Su Chen actually came to this room with her. This made Xu Zhihu very nervous.

"This bed is pretty good, more than enough to sleep two people." Su Chen looked at the bed in the room and nodded and said deliberately.

Su Chen wanted to know if Xu Zhihu would leave directly to sleep in the carriage.

A wealthy lady like Xu Zhihu should be very protective. She It should be impossible to live in the same room or even sleep on the same bed as Su Chen

"You really don't want to leave? Xu

Zhihu looked at Su Chen and asked coldly.

Su Chen spread his hands and asked with a smile, "Why should I leave?"

"Then rest?"

Xu Zhihu glanced at Su Chen and was ready to rest.

She couldn't care about so much now.

Xu Zhihu didn't believe what Su Chen would do to her.

Su Chen didn't do anything to her along the way. Xu Zhihu Hu also considered it before deciding to stay.

As for her reputation?

What kind of reputation does she have?

Besides, she doesn't know when she will die. Xu Zhihu doesn't care about this anymore.

Su Chen looked at Xu Zhihu She was confused when she went to bed.

Was Xu Zhihu giving up on herself?

Or did she really think that she was a gentleman?

Su Chen planned to test Xu Zhihu.

He walked to the bed and shouted to Xu Zhihu, "Xu Zhihu, you sleep more inward, how can I rest like this?"

"Shameless!"

Xu Zhihu glared at Su Chen and closed his eyes.

She didn't move her body.

Xu Zhihu didn't believe that Su Chen would force himself. As long as she didn't get out of the way of the bed, this bastard would leave on his own in a moment.

"Oh, bastard, don't touch me"

"I told you to move a little further inside but you didn't move. You had to let me take action. Xu Zhihu, you asked for this."
