Chapter 161

Su Chen looked at this little girl speechlessly. He had only stayed here for more than a day, how could he have anything to do with Yun Yuzhen?

Su Chen also knows that Yunyu really wants to help her. Can Su Chen help Yunyu really help the giant Kun gang? What's the use of a small giant Kun gang? He didn't want to take care of his own Gusu City and the current Yangzhou City, so how could he stay and help Yun Yuzhen.

The little girl Yunzhi blinked and asked doubtfully,

"But doesn't the lady like you?"

Su Chen looked at this little girl and said with a smile,

"Little girl, your lady wants me to stay and help her. She doesn't like me. Don't talk nonsense. Be careful that your lady teaches you a lesson."

"I won't say nonsense, but I feel that the lady will like you."

"Do you like me?"

"I....."

"Just kidding, what are you afraid of?"

Su Chen smiled when he saw the panicked look of the little girl Yunzhi. This little girl reminded him of his maid Ziyun and the maid Wei Zhenzhen of Yangzhou City. These are both beautiful and capable women.

This one At that moment, Yun Yuzhen came in with a piece of paper.

"Su Chen, I'm back"

"Miss, you are here"

"Just come back, what are you yelling about?"

Su Chen rolled his eyes at Yun Yuzhen. This Yun Yuzhen has changed his mind about her, and now he is not as calm as when he first met her.

Yun Yuzhen handed the paper to Su Chen with excitement and said,

"Su Chen, let me tell you some news. Bai Xiaosheng's ranking list will be released again. This time it will be released one by one by country."

"It seems that the first ranking list is the supplementary martial arts beauty list. This time there are more women on the list than before. Ten beauties from one country are on the list. Do you think I can be on the list in Sui Dynasty?"

Su Chen took the paper and looked at it and was a little speechless. This Bai Xiaosheng was constantly complained by people in the world after he was ranked on the martial arts beauty list last time.

Who would have thought that this time he would learn the lesson, one list for each country, and then It is a good idea to let all the people in the world vote and then select the ten most beautiful beauties from these lists.

Su Chen thought about it after looking at the list description and said,

"I thought there would be no martial arts ranking list in the future, but I didn't expect that Bai Xiaosheng had come up with a national ranking list."

"Are the powerful forces in a country, masters, beauties, young men, and rookies going to cause a war? Yun Yuzhen, don't think about it. There are a lot of beauties who are prettier than you, and the beauties on the list may all be beauties among beauties. Yun

Yuzhen was a little frustrated and hit Su Chen and said,

"What, I am also a beauty, how could I not be on the list?"

Su Chen looked at Yun Yuzhen. Yun Yuzhen was indeed very beautiful, but she hadn't grown out yet. Moreover, Yun Yuzhen was a bit flirty. When he saw her, he felt that she was not serious.woman.

If Yun Yuzhen becomes a real woman, she will probably be a woman who causes trouble in the world. If such a woman wears revealing clothes, the people in the world may not be able to withstand her temptation.

Just like that Lin Xian'er, it's just that Yun Yuzhen is not as clever as Lin Xian'er, nor is she as scheming as Lin Xian'er.

Su Chen struck Yun Yuzhen funny and said,

"Yes, you are a beauty, but everyone else is a peerless beauty. Can you compare?"

"You, you are so hateful."

Yun Yuzhen was a little angry and sat aside, not wanting to pay attention to this bastard Su Chen. His words were too irritating, so couldn't this bastard say something nice?

Su Chen suddenly said to Yun Yuzhen,

"By the way, I have to do something tomorrow. Find me ten smart and reliable people."

Su Chen thought that the mysterious woman and the Dugu clan were still looking for him. He didn't bring his men here this time. He could only ask Yun Yuzhen to help.

Yun Yuzhen hurriedly grabbed Su Chen and said,

"You have to go out. You must not go out. People from Dugu Clan are looking for you everywhere now. Your portraits are everywhere in Luoyang City. You will be discovered if you go out."

"Haha, don't worry, Dugu can't catch me. I have two friends coming over this time. I want to meet them."

"Can't you just go?"

"No, there are some important things this time. You don't need to know now. I will tell you later."

"Well, I will prepare ten reliable people for you."

Luoyang City, Bai Qing'er, the resident of Luoyang of the Yinkui Sect, was speechless looking at Su Chen's portrait. She didn't expect that Su Chen would come to Luoyang and kill Dugu Ce of the Dugu Clan. This Lord Wu Xiang would still go there wherever he goes. Something happened.

When Bai Qing'er saw the elder coming back, she hurriedly asked,

"Elder Wen, have you found Lord Wu Xiang in Luoyang?"

Wen Caiting smiled when she saw Bai Qing'er's anxious look. She knew what Bai Qing'er was thinking, and Wen Caiting also supported Bai Qing'er very much.

Now that Bai Qing'er doesn't compete with Huan Huan for the position of the sect leader, Yin Caiting The Kui sect will not be divided internally in the future. This is a good thing for Bai Qing'er and the Yin Kui sect.

Wen Caiting came to Bai Qing'er and said,

"Not yet. Our people in Luoyang have all been sent out. As long as Mr. Wu Xiang appears, we will definitely be able to find Mr. Wu first."

"Qing'er, this is your chance. If you can protect Lord Wu Xiang well this time, and the sect master speaks for you, you will definitely be able to stay with Lord Wu Xiang in the future."

Bai Qing'er held her hands tightly and said with a serious face,

"I know that I will not miss this opportunity, and I don't want to fight with Huanwen from the Yinkui Sect. As long as I stay with Lord Wu Xiang, it will be much better than being the leader of the Yinkui Sect."

After Wen Caiting took Bai Qing'er to sit down, she said to Bai Qing'er seriously,

"It's good that you know. As long as you work hard to become Wu Xiangjun's concubine in the future, I'm afraid you will be better than the emperor's concubine. You know, Wu Xiangjun's army is attacking the southern part of the Song Dynasty. I am afraid that it has already captured the southern part of the Song Dynasty."

"In the Great Sui Dynasty, Lord Wu Xiang was also very powerful. In the future, Lord Wu Xiang might also belong to Lord Wu Xiang in the Great Sui Dynasty. I don't need to tell you about his women. From now on, as long as you do your duty well, Lord Wu Xiang will not I will treat you badly."

After Bai Qing'er heard Caiting's words, she didn't want to waste even a moment. She immediately stood up and said,

"I understand. I will go find Wu Xiangjun now. Didn't Lu Xiaofeng and Sikong Zhaixing come to Luoyang? I will go find them now and ask them if they know where Mr. Wu Xiang is?"

"Okay, you go, I'll go to Luoyang City to have a look."

Luoyang City, Dugu Clan Mansion.

You Chuhong and Dugu Feng were a little unbelievable when they saw the information about the man who killed Dugu Ce. This man's background was too great.

Now You Chuhong also understood the backer stationed outside Luoyang City. Wang Yanglin also asked their Dugu clan to give up arresting that person. Although the patron king did not tell the information about this person, now You Chuhong also understands. Dugu Feng now thinks that the person who molested him turned out to be Wu Xiang of the Song Dynasty Jun, now he is also very powerful in the Great Sui Dynasty, which is much more powerful than the Dugu Clan. Especially

Fan Qinghui of Cihang Jingzhai and Zhu Yuyan of the Yinkui Sect in the Great Sui Dynasty, they also have an unknown relationship with this Wu Xiangjun. No matter what, this made Dugu Feng even more unbelievable.

Dugu Feng saw that this bastard actually had a grand master's wife, a grand master who was about to be promoted, which made Dugu Feng a little helpless. It seemed that her revenge was revenge. No more

"Grandma, do we still want to catch that bastard Wu Xiangjun?"

Chapter 162

You Chuhong is also in a very difficult situation now. This Lord Wu Xiang has a great background, and his wives are experts like great masters.

If Wu Xiangjun was really caught, You Chuhong wouldn't dare to do anything to him, not counting the relationship between Wu Xiangjun's current army and the Cihang Jingzhai and Yinkui factions.

You Chuhong thought that if Wu Xiangjun was not captured, the Dugu Clan would be embarrassed in the Sui Dynasty.

This time, the Dugu Clan was arresting the person who killed her grandson in Luoyang City with great fanfare. If the arrest of Wu Xiangjun was canceled now, how could the Dugu Clan gain a foothold in the Sui Dynasty in the future?

You Chuhong saw that Dugu Feng was also unwilling and decided to continue arresting Wu Xiangjun. As for Wu Xiangjun, he could not hurt him during the arrest. He would make plans after catching Wu Xiangjun.

"Feng'er, inform your father and uncle about this. When they see Mr. Wu Xiang, they'd better invite him to our Dugu Mansion. Remember, even if you arrest Mr. Wu Xiang, don't hurt him, otherwise we, Dugu The Valve Club is in trouble."

Dugu Feng was very angry when she clenched her fist. That bastard Wu Xiangjun not only molested her, but also killed Dugu Ce. The Dugu clan had nothing to do with that bastard. Although Dugu Ce died unjustly, the matter of teasing him was not punished by the restaurant. The people inside saw it.

Dugu Feng looked at her grandmother You Chuhong and wanted to say that their Dugu Clan was not afraid of Wu Xiangjun, but in fact, their Dugu Clan really did not dare to offend that bastard Wu Xiangjun.

Dugu Feng was a little unwilling. He nodded to You Chuhong and said, "Grandma, I know, I will inform my father and uncle right away."

You Chuhong sighed and walked away on his crutches. When Dugu Feng saw her grandma You Chuhong leaving, she immediately left.

In a courtyard in Luoyang City, Lu Xiaofeng and Sikong Zhaixing were bored together. Drinking wine.

They are not being tapped or tied up now, but they don't dare to leave here. Shi Guanyin is too powerful. Even if they escape, they can't escape from Shi Guanyin's grasp.

Lu Xiaofeng just misses that bastard Su Chen. Did he offend Shi Guanyin or have some unclear relationship with Shi Guanyin?

He looked at Sikong Zhaixing and found that Sikong Zhaixing was also thinking about something. Lu Xiaofeng knew that Sikong Zhaixing was also thinking about Su Chen and Shi Guanyin. The relationship between Guanyin,

"Sikong, do you think that bastard Su Chen has that kind of relationship with Shi Guanyin?"

Sikong Zhaixing couldn't answer Lu Xiaofeng's words. It would be a big deal if that bastard Su Chen had something to do with Shi Guanyin.

Although Shi Guanyin is decades older than Su Chen, people like Yaoyue and Zhu Yuyan are Not even a few decades older than Su Chen, those women could even be his grandmothers, but didn't that bastard Su Chen take care of those women?

This Shi Guanyin SikongzhaoBut knowing that her reputation was very bad, and that she had raised many handsome men in the desert, if Su Chen knew this, he would definitely not want such a woman who could do anything for her husband.

Sikong Zhaixing is now afraid that Su Chen will find out about Shi Guanyin and dump her. If this is the case, he and Lu Xiaofeng will probably be killed together with Su Chen.

Sikong Zhaixing nodded helplessly and said to Lu Xiaofeng,

"The possibility of that kind of relationship is very high, but I'm worried that Su Chen found out about Shi Guanyin and left Shi Guanyin. If so, our life or death would be unpredictable."

Lu Xiaofeng took a sip of wine and said grumbly,

"Damn it, will that bastard Su Chen die if he leaves a woman? Something has finally happened now, right? His bastard messed with no one, but he messed with a woman in the realm of heaven and earth. Isn't this seeking death?"

At this time, Bai Qing'er also came over, but when Bai Qing'er knocked on the door and came into this courtyard, she saw Lu Xiaofeng and Sikong Zhaixing looking at her with sad faces.

Bai Qing'er thought they were also worried. Su Chen, she asked hurriedly,

"Lu Xiaofeng, have you seen Mr. Wu Xiang?"

When Lu Xiaofeng heard Bai Qing'er's words, she hurriedly winked at her. Lu Xiaofeng knew that Shi Guanyin knew nothing about that bastard Su Chen.

If Shi Guanyin knew Su Chen's identity now, I'm afraid Su Chen Those women will also be poisoned by Shi Guanyin. Shi Guanyin is also very cruel to beautiful women.

Whenever Shi Guanyin meets a beautiful woman, she will ruin the appearance of those women. Now Lu Xiaofeng is afraid that Shi Guanyin will hear What Bai Qing'er said,

"Bai Qing'er, Mr. Wu Xiang, we don't know what you are talking about. We have nothing to do with your demon sect. You should leave."

When Bai Qing'er saw Lu Xiaofeng winking at her, she knew something was wrong with them. They might be trapped here now. Bai Qing'er said calmly and pretended to be angry to Lu Xiaofeng and Sikong Zhaixing,

"Okay, since you look down on our demon sect, forget it, I'll leave now."

Just when Bai Qing'er turned around to leave, a figure suddenly appeared in front of Bai Qing'er.

Bai Qing'er was frightened when she saw a woman wearing a veil suddenly appeared. Bai Qing'er guessed that this sudden appearance The woman who appeared must be the one who imprisoned Lu Xiaofeng, Sikong Zhaixing and the others.

Shi Guanyin looked at Bai Qing'er and asked coldly,

"People from the Demon Sect? Which sect are you from?"

Shi Guanyin has been paying attention to Lu Xiaofeng and Sikong Zhaixing, and she heard the conversation between them clearly. Even when Lu Xiaofeng and the others talked about their relationship with Su Chen, Shi Guanyin almost couldn't help but want to split her. They are both bastards, and she saw everything Lu Xiaofeng did after this woman came in. Wu Xiangjun? Shi Guanyin didn't expect that bastard was still a monarch, which was somewhat beyond Shi Guanyin's expectations.

Lu Xiaofeng and Sikong Zhai When Xing Shiguanyin appeared, he knew that she had been paying attention to them. The hostages this time were afraid There was one more person, and he took the initiative to deliver it to my door.

Lu Xiaofeng now hopes that Bai Qing'er will be smarter and not ask Shi Guanyin about Su Chen, otherwise more and more people will be imprisoned here.

Bai Qing'er looked at this powerful woman and asked with lingering fear, "Who are you from the Yin Kui sect?"

Shi Guanyin didn't expect that bastard to be related to the Yin Kui sect. She smiled and said,

"Yinkui faction? Zhu Yuyan? It turned out to be the sect that Zhu Yuyan was deceived by a man. I am afraid that your sect master will never be promoted to Grand Master in his life, unless he encounters an opportunity. It is a pity, otherwise Zhu Yuyan should also have a cultivation level of late Grand Master or above."

Bai Qing'er was a little curious about this powerful woman. She didn't expect that this woman actually knew about her master being deceived by Shi Zhixuan.

You must know that this incident happened decades ago. This woman seemed to be young. But Bai Qing'er doesn't think she is young. This woman may practice the same skills as her master and can stay young forever.

"Do you know my master? who are you?"

"You are not qualified to know who I am. Now tell me about Mr. Wu Xiang. If you hide anything, I will kill you."

Chapter 163

Bai Qing'er looked at this powerful woman nervously. She now understood that this woman might have a grudge against Wu Xiangjun, otherwise Lu Xiaofeng wouldn't have winked at her just now.

Bai Qing'er can't reveal anything about Wu Xiangjun now. From now on, she will be Wu Xiangjun's woman. If something happens to Wu Xiangjun, everything will be over for her.

"I don't know about Mr. Wu Xiang. I'm just following orders. Senior, since you know my master, you can ask my master."

"Little girl, you are very dishonest, but it doesn't matter. If you don't tell me, someone will tell me. Now, what you do here will definitely be known to others."

"I believe that more and more people will come to you in a while, and I can see who will come to you to ask about that bastard Su Chen."

Shi Guanyin thought for a while and did not take action against Bai Qing'er. Now she is becoming more and more interested in Su Chen. She did not expect that Zhu Yuyan, the woman who was

deceived by a man, found another man, and this Su Chen was several years younger than Zhu Yuyan. For a ten-year-old, this surprised Shi Guanyin.

In this way, Bai Qing'er was also imprisoned in this courtyard. Now she, Lu Xiaofeng! Sikong Zhaixing, were sitting in the courtyard helplessly. They didn't know Will anyone come here in a while?

In the following time, the four famous arresters Qing Wu and Tie Shou came to this annex and did not go out again. The six-fingered piano demon Huang Xuemei came to this annex and did not go out again. , Hua Wuque from Yihua Palace did not go out after arriving.

Rich woman Zhu Qiqi also did not go out after arriving. After Ximen Chuixue arrived, she sat and drank like Lu Xiaofeng. They went out again, and even Ning Daoqi came in Later, he sat down obediently and did not dare to go out.

As evening approached, Hanwen and Shi Feixuan also came here. When they found out that there were so many people here, and they were all imprisoned here, they were very upset. They were surprised.

However, when they saw Grand Master Ning Daoqi sitting aside obediently and not daring to go out, Huan Huan and Shi Feixuan also stayed helplessly.

Shi Guanyin looked at more and more people in the other courtyard, but she was interested in that Su Chen couldn't understand. There are Yinkui Sect, Cihang Jingzhai, Yihua Palace, and the rest are basically masters. It's only one day now, if it takes a long time, I'm afraid... More people arrived. How come these people are related to that bastard Su Chen, and the women here are all very beautiful. Although not as good as himself, they are all qualified to be on the martial arts beauty list.

Zhu Qiqi is now very beautiful. She just came to ask Su Chen why that bastard was arrested in Luoyang City. She didn't care about Su Chen, and she had no intention of saving that bastard. She was a little aggrieved to be imprisoned here now.

"Sister Huang Xuemei, why are you here to see Lu Xiaofeng? Are you worried about that bastard Su Chen?"

Huang Xuemei tied a strand of her hair and was a little worried for Su Chen. She also saw the Dugu clan arresting Su Chen. Huang Xuemei came here to help Su Chen this time, but she didn't expect that Su Chen would even provoke Su Chen. He has a woman in the Heavenly Realm.

Although the people imprisoned here are powerful, they are still not enough in front of this Heavenly Realm woman. Huang Xuemei also hopes that Su Chen has left Luoyang long ago, otherwise no one may be able to save him if he is caught. Huang Xuemei smiled and said to Zhu Qiqi,

"Well, I came here to help Su Chen this time, but I didn't expect that Su Chen would cause a lot of trouble this time. Now I just hope that Su Chen leaves Luoyang, otherwise if Su Chen is caught, I'm afraid we won't be able to rescue him. of"

"I'm not here to save that bastard this time, I'm being implicated by that bastard this time"

"Haha, I don't think that woman from the Heavenly Realm will cause trouble for us. She might just want to lure Su Chen out."

"I hope so, if I see that bastard in the future, I will definitely teach him a lesson."

Huanwan and Shi Feixuan are also a little helpless now. They look at this woman in the heavenly realm and want to know how that bastard Su Chen offended this woman.

They even suspect that Su Chen has an ulterior relationship with this woman. After all, that bastard has a criminal record.

The other people are now ruthless to that bastard Su Chen. If this woman in the Heavenly Realm is Su Chen's enemy, then they might be dead.

The next day,

Su Chen took the people Yun Yuzhen prepared for him to Si Ma Bridge early in the morning. However, Su Chen waited in the carriage beside Si Ma Bridge for a whole morning but did not find Lu Xiaofeng and Sikong Zhaixing.

This made Su Chen a little confused. Lu Xiaofeng and Sikong Zhaixing should not let their pigeons go. Why didn't they come as promised this time?

At this time, a member of the Jukun Gang dressed as a servant came to Su Chen and said,

"Master, I have found out that Lu Xiaofeng and Sikong Zhaixing live in a villa in Dongcheng, Luoyang. Do we want to go there?"

"Let's go and take a look. These two bastards dare to let themselves go. I will teach them a lesson this time."

"Yes, sir."

When Su Chen came to the villa where Lu Xiaofeng and the others lived, Su Chen asked the Jukun gang to wait for him outside, and he directly opened the door and entered the villa.

"Lu Xiaofeng, Sikong Zhaixing, you actually let go.....Damn it, why are you all here?"

Su Chen was about to scold Lu Xiaofeng and Sikong Zhaixing, but when he came in, he found a large group of people here, which surprised Su Chen.

He also understood why Lu Xiaofeng and Sikong Zhaixing didn't go to Si Ma Bridge to see him, but They were all so weird. They didn't say anything when they saw him coming, and even looked at him with sympathetic eyes. When

Su Chen came to Hanhan and Shi Feixuan, he hugged them and said,"You two Why are people coming to Luoyang? And why do you look at me so weirdly?"

"Su Chen, did you offend anyone in Luoyang besides the Dugu Clan?"

Huanwen asked nervously while holding Su Chen's arm. She now wanted to hear that Su Chen had no relationship with that woman, and that Su Chen had not provoked that woman in the heavenly realm.

Shi Feixuan also asked very nervously. road,

"Su Chen, you have to tell us honestly, did you offend anyone else in Luoyang?"

"No, I offended the Dugu Clan people in Luoyang, but I didn't offend the other people. What's wrong? Did you hear something? This is not right. In Luoyang, apart from the Dugu Clan, there is Wang Shichong. You should not be afraid of these two families. Why are you so nervous now?"

Su Chen is a little confused now. Huanyuan and Shi Feixuan should not worry about themselves for the Dugu Clan. If they want to destroy the Dugu Clan, there is no problem.

Even Wang Shichong, the great Ming sect leader, cannot let Hanhan and Shi Feixuan Fei Xuan had such an expression, and even Lu Xiaofeng and the others looked worried when they looked at Su Chen, which made Su Chen confused.

"Su Chen, Lord Wu Xiang of the Song Dynasty, you are so easy for me to find."

"Why are you here? Lu Xiaofeng, Sikong Zhaixing, and Ximen Chuixue will deal with this woman together. This woman is a bit powerful. Let's go together. You and Shi Feixuan will also come to help."

Chapter 164

Shi Guanyin and Li Qi smiled when they saw Su Chen arriving. She didn't expect that this bastard would be found in just over a day. She would not let this bastard escape this time. Now she had to think carefully about how to torture this bastard who dared to People who tease themselves.

When Su Chen saw the mysterious woman who suddenly appeared, he immediately told Lu Xiaofeng and the others that this mysterious woman would definitely not let him go if she came to him this time.

Su Chen is not afraid of this mysterious woman now. There are so many masters here and Ning Daoqi is here. It will not be easy for this mysterious woman to catch him.

Su Chen said to Lu Xiaofeng and the others, and took out Yao Yue's Blue Blood Illuminating Divine Sword from the system space, and suddenly appeared on the head of this mysterious woman and struck her down.

Boom

Cough cough cough

When Su Chen was about to strike down with his sword, his sword was caught between two fingers of the mysterious woman. Su Chen was even knocked away by the mysterious woman's palm.

Su Chen vomited a few mouthfuls of blood and was a little surprised when he looked at this woman. He didn't expect that his sword was caught.

He pinched it with two fingers. Su Chen knew that this woman was a great master, but she was too powerful.

Damn it, how could this woman be so powerful, and those bastards like Lu Xiaofeng didn't even take action, so what are they looking at?

Seeing that Su Chen was injured, Hanwan and Shi Feixuan immediately attacked the mysterious woman. Hanwan's Tianmo Danchou and Shi Feixuan's Se Kong Sword quickly attacked the mysterious woman.

""Looking for death"

Touch! Touch

Before Hanhan and Shi Feixuan could attack this mysterious woman, they were knocked away from the air by this mysterious woman. Hanhan and Shi Feixuan also fell to the ground with blood flowing from the corners of their mouths.

This heavenly being The women in this realm were so powerful that Huanwan and Shi Feixuan couldn't get close at all. At this time, Lu Xiaofeng, Sikong Zhaixing, Ximen Chuixue and others also took action one after another. Even women like Huang Xuemei, Qingwu and the others also took action.

Swish swish.

For a moment, those with swords, those with Tianmo Qin, and those with concealed weapons all started to kill Shi Guanyin.

"A group of people who don't know whether to live or die."

At this time, Shi Guanyin saw that these people were taking action against her. Shi Guanyin sneered and quickly gathered her inner strength with her hands in front of her chest. The clothes and hair on her body started to flutter.

Shi Guanyin's body was terrifying. The momentum became more and more powerful, and the surrounding trees were shaken by the powerful wave of momentum emitted by Shi Guanyin, and the rubble on the houses also fell off and flew out.

Bang Bang

Bang Shi Guanyin slapped his palm in the air, and Lu Xiaofeng and the others all They were beaten and flew backwards. In just a blink of an eye, Lu Xiaofeng and the others were defeated. They were all beaten to the ground. Looking at Shi Guanyin's shock, at this moment they finally knew the power of the Heavenly Realm.

Su Chen helped Hanwan and Shi Feixuan up and saw that Lu Xiaofeng and the others had been defeated. This made Su Chen a little confused. It is impossible for a grand master to be so powerful. There were more than ten master masters besieging a grand master together. Even if they are not the opponent of this mysterious woman, they can't be defeated with just one move, right?

Su Chen looked at Ning Daoqi and Zhu Qiqi, who had not made any move. Zhu Qiqi was a loser. She was excused for not making any move. It turns out that this Ning Daoqi is indeed a human spirit. He may have known how powerful this mysterious woman was so he didn't dare to take action.

Shi Guanyin put his hands on his lower abdomen and said to Su Chen coldly,

"Su Chen, call any helpers you have now. I want to see how you escape this time."

"Huan Huan, why are you still talking to Shi Fei?"

"Su Chen, what are you going to do? You are no match for that woman, don't go looking for death"

"Yes, don't do anything stupid."

Hanwan and Shifei Xuan saw Su Chen's serious expression and hurriedly pulled him and said, they are now worried that Su Chen will be hot-headed and attack this powerful woman.

Su Chen smiled and touched Hanwan and Shifei Xuan's hair said,

"I'll be fine. I'm very afraid of death. Now go and see if Lu Xiaofeng and the others are fine."

Huanwan and Shi Feixuan looked at each other and nodded, heading towards Lu Xiaofeng and the others. Now Lu Xiaofeng and the others were vomiting blood and fell to the ground. They didn't get up yet.

Su Chen pointed at Shi Guanyin and asked indifferently, holding the Blue Blood Illuminating Painting Divine Sword. ,

"Woman, you are very powerful, can you tell me your name?"

"Haha, Shi Guanyin"

"Shi Guanyin?"

Damn it, isn't this the big BOSS in Chu Liuxiang's legend? What kind of evil did I do to meet this perverted woman? This perverted old woman is practicing the Tianwu Nerve skill that no one has successfully practiced. She even... Created a martial arts that men can't see.

Su Chen almost dropped the blue-blooded sword in his hand. He was shocked by this woman now. This Shi Guanyin must be a land immortal in the heavenly realm. He is now simply It's impossible to beat this perverted woman

"Uh, mistake, mistake."

Su Chen was a little embarrassed as he hurriedly picked up the Blue Blood Divine Sword. He didn't expect that one day he would be afraid. The masters Feixuan and Lu Xiaofeng next to him were a little speechless when they looked at Su Chen. They didn't expect that Su Chen would be scared when he heard Shi Guanyin's name.

However, they also sympathized with Su Chen, a bastard. Shi Guanyin was not only powerful, but also very cruel and vicious. Su Chen didn't know if he could save this woman if he offended her this time. Get through this difficulty

"You know me?"

Shi Guanyin knew from Su Chen's expression that he must have heard of her, but she thought that since Lu Xiaofeng and the others knew about her, I'm afraid Lu Xiaofeng and the others had also told this bastard.

Su Chen looked shameless at the veiled Shi Guanyin. said,

"I know a little bit, I know a little bit, about Shi Guanyin, we don't have much conflict. You see, you have injured me now, and you have also injured my woman and friends. How was this matter in the past?"

"We don't have to fight to the death. We can make friends. Wouldn't it be nice if we all sit together, drink tea and chat?"

Shi Guanyin looked at Su Chen's shameless look and wanted to kill him immediately.

"Su Chen, has anyone said you are shameless? Do you think the person who teased me can still live in this world?"

"Well, that was a misunderstanding. I didn't tease you at that time, I just complimented you on your good figure."

"Haha, you shameless bastard, it's useless what you say now, no one can save you this time."

Su Chen saw that this woman would not let him go easily this time, but Su Chen still had to fight for it. Although he could escape, Shi Feixuan and Lu Xiaofeng, more than ten people, could not escape. Su Chen could only Can he lead two people to escape?

Su Chen looked at this big boss and asked expressionlessly,

"Shi Guanyin, how can you let me and my women and friends go?"

Shi Guanyin saw that this bastard Su Chen became serious again, which made Shi Guanyin a little confused about this bastard.

Shi Guanyin knew that if Su Chen ran away, she might really not be able to catch him, but this bastard didn't escape. This made Shi Guanyin feel a little relieved.

As long as this bastard cares about his woman and friends and doesn't run away, Shi Guanyin can slowly control this bastard.

"Haha, interesting, Su Chen, as long as you let me take a step back, I will let you people go, how about it? The opportunity has been given to you, do you want to try it?"

"you sure?"

Su Chen's eyes lit up after hearing Shi Guanyin's words. It should be very simple to want Shi Guanyin to take a step back. With his teleportation ability and the Divine Sword Controlling Thunder Art, can't he still make Shi Guanyin take a step back? ?

"Of course, I keep my word."

Chapter 165

Shi Guanyin looked at Su Chen in surprise. She felt that Su Chen seemed to be able to force her back. She shook her head and felt that she was thinking too much.

How could a little scumbag in the Xiantian realm force him to retreat? Even if more than ten masters here could not force him to take a step back, this shameless bastard could force him to retreat.

Su Chen looked at Shi Guanyin, smiled and said,

"Shi Guanyin, you can't go back on your word. A woman who doesn't keep her word will grow old and ugly."

Shi Guanyin became a little angry after hearing Su Chen's words. What did this bastard say? Is he cursing himself to grow old and become ugly? If she didn't want to play tricks on this bastard, Shi Guanyin would want to chop him with one palm right now. asshole,

"Don't worry, I won't go back on what I said, but if you didn't force me to retreat, then all of you will die, no one will be exempted"

"Um, are you so vicious?"

Su Chen glared at the evil woman speechlessly. This time Su Chen didn't dare to agree casually. Not everyone here believed in him. He only had a relationship with some people. Su Chen couldn't be responsible for their life or death. They made the decision.

When Shi Guanyin saw that this bastard Su Chen still dared to glare at her, Shi Guanyin felt that this bastard was a little distracted and hadn't seen his own situation yet.

Shi Guanyin held his hands to hold back from punching this bastard and said,

"I am a cruel and vicious woman, don't you say you don't know? If you dare to glare at me again, you bastard, I will gouge out your eyes."

Su Chen took a few steps back and gave Shi Guanyin a middle finger.

"I can't speak for them, I'll ask them first to see if they agree."

Shi Guanyin looked at Su Chen raising a finger and didn't understand what it meant, but she felt that this must be Su Chen, the bastard, despising her. However, Shi Guanyin didn't care. She would let Su Chen be a good person in a while.

"Haha, whatever."

Su Chen curled his lips and came to Lu Xiaofeng and the others. Su Chen saw that these people were injured to varying degrees and were all staring at him.

Su Chen coughed and said,

"Hey, you all heard what that vicious woman said just now, what do you think now? Those who believe in me stand on my left side, and those who don't believe in me don't need to move."

After hearing what Su Chen said, Huanwen hurriedly came to Su Chen and hugged Su Chen and said,

"Su Chen, I believe that even if we die, we will die together."

Shi Feixuan also came to Su Chen and looked at Su Chen tenderly and said,

"Me too, I believe in you no matter what you do."

Huang Xuemei smiled and walked over. Although she didn't know whether Su Chen had the ability to drive away that terrifying woman, Huang Xuemei still believed in Su Chen.

"I also believe that Su Chen has left my life to you this time."

Lu Xiaofeng, Sikong Zhaixing and the others have also come to Su Chen. Now they don't believe this bastard Su Chen and there is nothing they can do.

This bastard Su Chen has killed them this time. A person in the Xiantian realm actually wants to defeat a celestial being. This is a bit of a fantasy for the terrestrial gods in the realm. Anyway, they don't have any hope for Su Chen to defeat Shi Guanyin.

"Haha, Su Chen, you bastard, we have entrusted our lives to you this time. If you don't die this time, you must compensate us hundreds of thousands of silver."

Ximen Chuixue came to Su Chen without saying anything. He believed that Su Chen could force back this powerful Shi Guanyin. He had experienced Su Chen's teleportation ability. Besides, based on Su Chen's shamelessness, he would definitely have How to deal with this Shi Guanyin.

Bai Qing'er came over without hesitation. Now Su Chen is everything to her. If Su Chen dies, she, Bai Qing'er, will probably become someone else's plaything even if she survives. She can now said that it was connected with Su Chen's fate.

Qing Wu and Tie Shou also came to Su Chen. They looked at Su Chen and didn't say anything. This time Qing Qing originally wanted to ask Su Chen about her enemy, but they didn't expect it. Encountered such a thing.

As everyone came to Su Chen, only Ning Daoqi and Zhu Qiqi were left on the scene. They did not want to leave their fate to Su Chen.

Zhu Qiqi looked at Su Chen and was a little confused. Su Chen was a little stronger than him. Just now, so many masters didn't even get close to Shi Guanyin. They were all repelled and vomited blood and fell to the ground. Zhu Qiqi didn't believe that Su Chen could get close to Shi Guanyin, a powerful woman like

Ning. It was even more impossible for Dao Qi to hand over his life and death to Su Chen, and he regretted coming here now. He just felt that the time agreed with Su Chen was about to come, and Jing Nian Chanyuan was unwilling to hand over the Heshi Bi to him. This time Ning Daoqi also hoped that Su Chen would give him a few more days to convince Kong, but he didn't expect that things would happen like this.

Su Chen looked at Zhu Qiqi and Ning Daoqi and shook his head. He didn't plan to go either. Take care of Zhu Qiqi and Ning Daoqi.

One of them was born in a merchant family and should learn from his father's profit-oriented approach. Zhu Qiqi should realize that he is no match for Shi Guanyin. She should not bet her fate on her own hands. One of them is a great master who is greedy for life and afraid of death. It is even more impossible for Ning Daoqi to give his life to Su Chen.

Su Chen nodded to Lu Xiaofeng and the others, turned to look at Shi Guanyin, smiled and said,

"Shi Guanyin, these are the people. If I win, they will all be spared. If I lose, then I will die with them."

"Okay, I agreed. I'll see if you can still laugh in a while."

"Don't worry, I will keep laughing."

Shi Guanyin waved his sleeves and said coldly to Su Chen,

"Stop talking nonsense. If you can't fight me off within half an hour, don't blame me for being cruel."

"Okay, I'm going to attack."

As soon as Su Chen did a sword trick with the Blue Blood Illuminating Painting Divine Sword, he pointed it at Shi Guanyin. At this moment, Su Chen's mental power was all concentrated on Shi Guanyin. He would not have any objection to Shi Guanyin, a land immortal in the heavenly realm. Any carelessness.

Shi Guanyin was speechless when he saw Su Chen doing a nondescript sword show. This bastard obviously didn't know how to use swordsmanship, but he still acted coolly with a juggling sword show. Is this bastard juggling?

"Can you play with a sword? Seeing as how clumsy you are, I'd better stop using the sword."

Lu Xiaofeng and the others all want to cover their eyes now and don't want to look at this bastard Su Chen. This is a battle of life and death, but this bastard still wants to be cool. Is this because he thinks he doesn't die fast enough?

How many times are Huanwan, Shi Feixuan and the others doing this ? All the women are laughing now. Although Su Chen is a little immoral now, they don't care whether Su Chen can win this time.

They simply don't believe that Su Chen can defeat Shi Guanyin within half an hour. , they will all die from now on, so Huanwan, Shi Feixuan and the others don't care about anything anymore.

"Um, be serious, I'm about to attack."

[illegible]

"Haha, you can attack at any time."

Chapter 166

Shi Guanyin now likes this bastard Su Chen. No wonder that woman Zhu Yuyan falls in love with this bastard. This bastard is quite interesting.

Shi Guanyin didn't want to kill this bastard. She wanted to catch this Su Chen and return to the desert. In the future, with this bastard Su Chen by her side, she wouldn't be lonely anymore.

Seeing that Shi Guanyin seemed to be thinking about something, Su Chen disappeared directly. Su Chen appeared behind Shi Guanyin without her noticing. He stabbed Shi Guanyin in the back with his sword.

"You are so shameless."

Shi Guanyin ducked and dodged Su Chen's sword. She cursed when she saw Su Chen sneaking up on her.

"Each other, each other."

Su Chen retreated immediately when he saw that the sneak attack was not successful. He did not expect how fast Shi Guanyin's reaction speed was. Fortunately, he was a land immortal in the heavenly realm. His teleportation was silent. This vicious woman saw It's not easy to deal with here.

"Shameless person, I will torture you in half an hour"

"Am I right? You are vicious and I am shameless. Don't you think we are quite similar?"

Su Chen said and appeared in front of Shi Guanyin again. This time he attacked Shi Guanyin head-on, and he also received the sword into the system space. Su Chen also felt it was a little inconvenient to use the sword, and fists were better to use. Su Chen punched

Shi Guanyin's palm. Su Chen was a little distracted when he looked at Shi Guanyin's bright eyes, but he knew that now was not the time to think about this. This vicious woman had not been beaten back yet, and time was not lenient..

Shi Guanyin was a little speechless looking at this shameless man. They were talking and this shameless man suddenly took action. Fortunately, this bastard was still a noble noble.

Shi Guanyin blocked Su Chen's sneak attack and struck Su Chen with a palm. In the morning, when Su Chen saw Shi Guanyin attacking him, he hurriedly dodged and disappeared. Shi Guanyin

's attacks kept appearing around Shi Guanyin. She disappeared immediately, and then appeared on the other side of Shi Guanyin to attack her.

Shi Guanyin was also helpless by Su Chen's elusive ability. Although she was extremely fast, Su Chen, a bastard, seemed to know that she was going to attack him.

The bastard Su Chen disappeared before she could take action, which made Shi Guanyin a little depressed. She understood that if this bastard escaped, she would not be able to keep him.

"Um, do you believe me when I say I didn't mean it?"

Su Chen was a little panicked now. He didn't expect that the attack was successful this time. He just felt embarrassed when he pressed his hand on Shi Guanyin's chest.

Su Chen didn't expect that Shi Guanyin didn't block him this time, and his own She pressed her hands on Shi Guanyin's chest with both hands.

Shi Guanyin looked at this bastard with a face full of shame and anger. She didn't expect that she would be attacked by this bastard just for a moment, which made Shi Guanyin a little uncomfortable. Accept.

Shi Guanyin's trembling aura was fully activated, and her aura sent Su Chen flying backwards.

"You are seeking death, I will kill you, this shameless person."

Just when Shi Guanyin was about to kill Su Chen, Su Chen hurriedly said,

"Wait, if you make a move, you lose. If you lose, you have to keep your word."

After hearing Su Chen's words, Shi Guanyin said to Su Chen with an ugly face,

"Damn it, I'm going to kill you shameless person with my own hands in half an hour"

"Well, if I ask you to take a step back within half an hour, you can't kill me. That's what you said."

"Then it depends on whether you, bastard, are capable."

Lu Xiaofeng and the others were stunned when they saw Su Chen, a shameless person, grabbing Shi Guanyin's chest. This time, they were quite frightened by Su Chen's bold behavior.

"My dear, Sikong, I think we are dead this time."

Sikong Zhaixing is angry now when he looks at that bastard Su Chen. How long has it been since he did this? That bastard dared to molest a woman, and he is also a terrestrial immortal in the heaven-human realm.

This man can do anything. There are hundreds of women, even if they don't have a thousand faces. Su Chen also teases such a woman, but Sikong Zhaixing is convinced by this bastard Su Chen.

Sikong Zhaixing touched his forehead and said helplessly, "Well, I feel the same, This shameless bastard really got us killed this time."

Hanwan and Shi Feixuan looked at that bastard Su Chen with ugly expressions. They didn't expect that Su Chen was so shameless. If he didn't die this time, they decided not to let this bastard go.

After Su Chen was knocked out, he stood up On a tree, he looked at Shi Guanyin and knew that Shi Guanyin was serious this time. Su Chen also knew that he could never get close to Shi Guanyin again.

Su Chen took out the Blue Blood Illuminating Painted Divine Sword and pointed at Shi Guanyin and said, "Shi Guanyin, I'm going to be serious this time. I hope you will keep your word.""

"Come here, I always keep my word."

Shi Guanyin looked at this shameless person and said indifferently.

Su Chen looked around and jumped up. When he flew into the air, he raised the Blue Blood Shining Painting Divine Sword and gathered everyone. Kung Li said loudly,

"The Nine Heavens Xuansha turned into divine thunder, and the brilliant power of heaven was drawn with the sword."

Boom, boom

[illegible]

Shi Guanyin on the ground looked at Su Chen in shock. She did not expect that Su Chen had such a powerful secret technique. She would definitely not be able to withstand the power of this thunder. If she was hit by these thunder Even if she doesn't die, she may be seriously injured.

At this time, Huanwan and Shi Feixuan opened their mouths and looked at the Divine Sword Controlling Thunder True Art used by Su Chen. They knew this emperor-level sword art, Huanyuan Heshi Feixuan didn't expect that this sword technique would be so powerful. No wonder Su Chen said that this sword technique was a cultivation sword technique.

Lu Xiaofeng and others looked at Su Chen in disbelief. A person who didn't know martial arts, in less than a month, They were very surprised to become masters in the innate realm, but this powerful sword technique made them feel that their lives were so small, as if they could be swallowed up by these black thunders at any time.

Zhu Qiqi looked at Su Chen and regretted it very much. This time she Wrong judgment, Zhu Qiqi is about to cry. This bastard Su Chen is so good at hiding. If she had known that this bastard Su Chen had such secret skills, she would definitely have believed in this bastard Su Chen. Ning

Daoqi Now looking at Su Chen in horror, he finally understood why the women of those great masters were Su Chen's women. This Su Chen must be a martial arts master. Perhaps because of his skills, his skills disappeared.

Now Su Chen must be recovering his skills, otherwise he would not have reached the innate peak cultivation realm in such a short period of time. It seems that he will not be able to offend this Wu Xiangjun Su Chen in the future.

Bai Qing'er is very excited now , he did not expect that Su Chen was so powerful, even much more powerful than her master. In the future, Su Chen would be her husband. Bai Qing'er believed that Su Chen would also teach him such secret skills in the future.

Su Chen was a little confused now, he Feeling that his true energy was gone, Su Chen didn't expect that he couldn't use the Divine Sword and Thunder Control Technique yet, and he was a little anxious now.

Su Chen looked at Shi Guanyin and hoped that she would be scared and hide away immediately. If Shi As soon as Guanyin moves, he will win, otherwise Su Chen will definitely be in tragedy after these thunderous thunder disappears.

Chapter 167

Shi Guanyin was at a loss as she watched Su Chen perform the sword technique. Now she didn't know whether to dodge or resist the thunder sword that Su Chen was holding in his hand.

At this time, Shi Guanyin felt nervous when she saw Su Chen looking at her. She thought that this bastard would not take action.

Shi Guanyin thought for a moment and decided to avoid it. Otherwise, if she was injured, she would be no match for that perverted woman Jellyfish Yin Ji. This bastard Su Chen would have plenty of time to deal with him in the future.

Shi Guanyin looked at Su Chen unwillingly and then disappeared. At this moment, Shi Guanyin thought of Su Chen's face and couldn't help but want to leave. However, she thought that she had nowhere to go now, so she might as well stay. Find an opportunity to deal with this bastard.

Su Chen breathed a sigh of relief when he saw that Shi Guanyin was gone. At this time, his internal energy was also exhausted. Su Chen felt that he was about to fall when he saw that the thunder in the sky was about to disappear.

Su Chen hurriedly shouted to Hanhan and Shi Feixuan next to him,

"Huan Huan, Master Fei Xuan, catch me quickly, or your husband will fall to death."

When Huanwan and Shi Feixuan heard Su Chen's cry, they immediately jumped into the air, one on the left and the other on the right, followed by Su Chen who was about to fall down.

"Wow, it's so dangerous. I won't use this Divine Sword and Thunder Control Technique next time. It's too dangerous."

Su Chen didn't expect that this Divine Sword and Thunder Control Technique would consume all his internal energy. Even if his internal energy was exhausted, he still wouldn't use this move. If he didn't have Hanwen, Shi Feixuan and the others here, I'm afraid he would He was the first person to fall to death using the Divine Sword Controlling Thunder Art.

After Shi Feixuan and Huan Huan brought Su Chen back to the ground, Shi Feixuan asked with some confusion,

"Su Chen, why didn't you use the Divine Sword and Thunder Control Technique?"

Su Chen hugged Huanwan and Shifei Xuan and said weakly,

"I can't use it yet. My cultivation level is too low now. Maybe I can only use this Divine Sword and Thunder Control Technique after I transform my true Qi into true essence and advance to Grand Master. But it would be good to be able to scare Shi Guanyin away."

Huanwen laughed after hearing Su Chen's words. This time Shi Guanyin stepped back. I'm afraid she won't come back now if she leaves.

"Haha, you are such a bad person. You scared Shi Guanyin away with a sword technique that you couldn't use. If Shi Guanyin knew about it, he would definitely be angry to death."

Su Chen looked around and patted Huan Huan's butt. He was now worried that Shi Guanyin had not left. If Shi Guanyin heard what Huan Huan said, he would definitely become Shi Guanyin's target in the future. Maybe he would do it at some time. Deal with yourself,

"What to say? I didn't expect that I wouldn't be able to use the Divine Sword and Thunder Control Technique. I was almost thrown to death this time. I can't be so reckless next time."

When Hanhan saw this bastard spanking her again, she lay down in Su Chen's arms and started playing with him.

At this time, Lu Xiaofeng and the others were also relaxed. Shi Guanyin's departure meant that Su Chen won. Their lives were saved. It was too thrilling this time. If Su Chen didn't have this killing move, they would all have died here.

Sikong Zhaixing punched Su Chen in the chest and said,

"Su Chen, it's too dangerous this time. You bastard, please don't be so scary in the future, okay?"

Su Chen looked at Sikong Zhaixing and the others and said helplessly,

"Do you think I am willing? If I knew that she was a terrestrial immortal in the heavenly realm, I would not dare to tease her even if I were killed."

Lu Xiaofeng stared at Su Chen and mocked Su Chen and said,

"You are a pervert, will you die if you leave a woman?"

"I.....Damn it, Shi Guanyin, why are you back again?"

Su Chen was about to refute Lu Xiaofeng when he discovered that Shi Guanyin appeared next to him again. He was so frightened that he immediately pulled Hanwen and Shi Feixuan away from Shi Guanyin.

Su Chen did not expect that Shi Guanyin had not left yet. What happened to them just now? The woman must have heard the conversation between them.

Su Chen was now worried that this woman meant what she said. If she wanted to kill them, most of the people here would probably die. Su Chen could only take Huanwan and Shi Feixuan left, and he really couldn't save the others.

Lu Xiaofeng and the others were also a little wary, and they were also afraid that Shi Guanyin would regret it and kill them.

Shi Guanyin looked at Su Chen with a veil on and said angrily,

"I haven't left yet, why do you say I'm back? Su Chen, you bastard actually deceived me. You were the first person to deceive me. How do you think I should deal with you?"

Shi Guanyin didn't expect that this bastard Su Chen couldn't use the sword technique at all. This made her very angry. She, a majestic terrestrial god in the heavenly realm, was deceived by a little scumbag in the innate realm..

Su Chen stared at Shi Guanyin with an ugly face and said bluntly,

"Shi Guanyin, are you going to regret it? You promised me just now that you would let us go if you backed away."

"No, did I say I was going to deal with you? Su Chen, don't forget, there are two people here who don't believe you. They are not part of this agreement. I think you won't object if I kill them, right?"

Shi Guanyin glanced at Su Chen and then looked at Zhu Qiqi and Ning Daoqi. She now wanted to see if this bastard Su Chen could save these two people. If Su Chen saved them, then Shi Guanyin would have another reason to deal with them. This bastard,

"It's up to you, I don't have any objections. Huanwen asked Lu Xiaofeng and the others to leave immediately, leaving this place to Shi Guanyin."

Su Chen immediately told Huanwan to let Lu Xiaofeng and the others leave. He was afraid of long nights and dreams. If this vicious woman suddenly regretted her decision, they might not be able to leave even if they wanted to.

"Su Chen, aren't you going to save them?"

"No help, Shi Guanyin, I know what you think, and I also know what you want to do. You can deal with them as you like. Anyway, I only have a relationship with them."

"You are so shameless, you don't even save your own friends"

"They don't think I'm a friend. Why should I save them? Goodbye Shi Guanyin, no, never again."

"Damn it."

Shi Guanyin was extremely angry now. She didn't expect that this bastard Su Chen would not care about the life and death of these two people. Didn't the two of them have anything to do with this bastard Su Chen? Then how should she deal with this bastard? Could it be that Do you want to go back on your word and kill them all now? Shi Guanyin shook his head. If he did this, I'm afraid he wouldn't have fun in the future.

This bastard Su Chen not only teased him, but also touched his breasts. Shi Guanyin could He didn't want to let this bastard off easily. He knew this bastard like Su Chen, and he couldn't escape from his grasp.

Su Chen smiled when he saw Shi Guanyin trembling with anger and was about to leave.

But Su Chen hadn't done it yet. As soon as they left, they saw the door opened, and a group of Luoyang City Guards broke in.

At this time, You Chuhong and Dugu Feng walked in from the outside. When they came in, they saw that there were so many people here, and Most of them are still at the level of master cultivation, which surprised You Chuhong and Dugu Feng.

"Damn it, how did the people from the Dugu clan find this place?"

Chapter 168

Su Chen was a little surprised when he saw the Dugu Clan's people coming. He didn't expect that the Dugu Clan would also discover this place. However, Su Chen was not afraid of the Dugu Clan. There were so many masters here. If the Dugu Clan's people didn't want to die, they I definitely won't catch myself.

Su Chen was speechless when he saw that the ten people Yun Yuzhen had sent to him were also captured by the Dugu Clan's people.

Su Chen looked at the angry Dugu Feng and smiled at her. When Su Chen looked at the beautiful middle-aged woman on crutches, he knew that this beautiful woman who still had charm was Dugu Clan's. The number one master You Chu is red

"Dugufeng, did my people let them go?"

Dugu Feng glared at Su Chen and waved her hand to ask the city guards to let go of the ten people from the Jukun Gang. Dugu Feng had nothing to do. This bastard has a big background, and there are so many masters here now. Dugu Feng couldn't afford to offend him either.

When Dugu Feng came to Su Chen's side, he asked angrily, "Wu Xiangjun, why did you kill Dugu Ce?"

Su Chen looked at this long-legged beauty Dugu Feng and said with a smile,

"If you don't kill that scum, will you keep it for the New Year? You Dugu clan don't deal with the evildoers, so I have no choice but to deal with them on your behalf."

"you.....So you killed our family, and we still need to thank you?"

"That's not necessary, as long as you don't cause trouble for me."

"You are shameless"

"I have teeth, and they are very good. Dugufeng, look at my teeth, are they white?"

"you.....You bastard"

"Haha, how do you know my nickname?"

"you.....you....."

Dugu Feng is now going to be pissed off by this bastard Su Chen. She didn't expect this Wu Xiangjun to be so shameless, and now she has nothing to do with this bastard.

Dugu Feng looked at Su Chen who was still laughing, and became so angry that his face turned red and he wanted to beat this bastard hard.

Seeing that he had made Dugu Feng very angry, Su Chen shrugged indifferently. He didn't have time to say anything to Dugu Feng now. There was a big villain BOSS here.

He had to leave this place of right and wrong as soon as possible, otherwise the vicious woman might come after him today. After all, he not only teased her, but even touched her breasts.

Su Chen cupped his hands at You Chuhong and said,

"Mrs. You, I will give you an explanation for Dugu Ce in the future about Dugu Ce. I have other things to do now, so I'll leave you later."

"Mr. Wu Xiang, I hope you will keep your word. I will wait for you at Dugu Mansion."

You Chuhong nodded to Su Chen. This time with Su Chen's words, You Chuhong also gained face. If this Lord Wu Xiang was not so shameless, You Chuhong's sense of Su Chen would still be good.

Just here When Su Chen was taking Lu Xiaofeng and the others to leave, Huang Xuemei hurriedly came to Su Chen and pleaded,

"Wait, Su Chen, please save Zhu Qiqi. She is still an ignorant child. If you keep her, I'm afraid she will really be killed."

"Miss Huang, I can't save Zhu Qiqi. You also know that the vicious woman is a land fairy in the realm of gods. It's already very difficult for us to escape by chance this time. I don't have the ability to save Zhu Qiqi."

When Zhu Qiqi heard that Huang Xuemei wanted Su Chen to ask for her, she hurriedly looked over. But when she heard that Su Chen didn't have the ability to marry her, Zhu Qiqi became desperate. Zhu Qiqi now regrets not believing in Su Chen. She found that Shi Guanyin looked at her, and Zhu Qiqi couldn't help but shiver. Zhu Qiqi suddenly thought of the promise Su Chen wrote to herself. She immediately took out the promise from her arms and ran to Su Chen to grab Su Chen's hand. The clothes said,

"Su Chen, I was wrong, I shouldn't not believe it, I have this promise you wrote, you must win and save me this time"

"Let me guess, Zhu Qiqi, aren't you trying to harm me? Can I beat this vicious woman?"

Su Chen looked at the promise handed to him by Zhu Qiqi who had caught him. Su Chen was a little helpless. He also wanted to save this Zhu Qiqi, but he was really powerless.

Shi Guanyin heard this bastard Su Chen say one by one. The vicious woman called herself, and she frowned and warned,

"Su Chen, you bastard, you don't have to leave if you say that to me again."

"Sao Rui, Sao Rui, it was a slip of the tongue. You don't have to worry about me if you have a lot."

After You Chuhong and Dugu Feng heard the conversation between Su Chen and these people, they looked at the veiled woman in horror. They did not expect that this woman turned out to be a terrestrial immortal in the heavenly realm.

This was a huge surprise to You Chuhong. Hong and Dugu Feng were startled, and this terrestrial immortal in the heavenly realm seemed to be in conflict with Lord Wu Xiang. But You Chuhong and Dugu Feng were speechless when they looked at Su Chen.

This Lord Wu Xiang is really If he wanted to die, he dared to offend even the land gods in the heaven and human realm.

"Su Chen, you must save me this time. You can't keep your word."

Damn it, Su Chen felt very helpless when he looked at Zhu Qiqi. If he had known that something like this would happen, he would have written such a nonsense promise. Now

Su Chen is in a very difficult situation. If he doesn't save this Zhu Qiqi, , will other people here think of him like this? Although Su Chen doesn't care about face or lack of face.

But if he really doesn't save this Zhu Qiqi this time, I'm afraid these people will also have opinions on him. After all, this is what he promised Something happened in the past.

Su Chen looked at Zhu Qiqi and then turned to You Chuhong of the Dugu Clan and said,

"Mrs. You, please take my friends to your Dugu Mansion to have a rest first. I will also go to your home later."

You Chuhong looked at Lu Xiaofeng and the others. These are the young heroes in the world. They are at the level of a master at a young age. You Chuhong also really wanted to make friends with her granddaughter Dugu Feng.

You Chuhong smiled. He smiled and said to Su Chen,

"Haha, okay, I agreed"

"Lu Xiaoji, take them to Dugu Mansion to wait for me first. Huanwan, you and Shi Feixuan will also go. I can handle it here by myself. It's not safe for you to stay here."

Lu Xiaofeng and the others were a little worried when they looked at Su Chen. They also knew that Su Chen wanted to save Zhu Qiqi this time, but the other party was a terrestrial immortal in the heavenly realm. Just now, Su Chen was indeed lucky enough to win against Shi Guanyin, and they don't want to save him now. Knowing if something would happen if Su Chen stayed,

Lu Xiaofeng looked at Su Chen and asked seriously, "Su Chen, are you really okay here? I'd better stay and help you."

Lu Xiaofeng felt that Su Chen was very good. This time Su Chen did not break his promise, which made Lu Xiaofeng truly regard him as a life and death friend.

Now Lu Xiaofeng also wants Su Chen to give up saving Zhu Qiqi, but he can't do this, this is also against the principles of his own life. Lu Xiaofeng now wants to stay and face this Shi Guanyin with Su Chen.

Su Chen winked at Lu Xiaofeng and said,

"Help me, Lu Xiaoji, take Sikong Zhaixing, Ximen Chuixue and the others away quickly."

When Lu Xiaofeng saw Su Chen giving him a code, he knew that Su Chen might have a way to escape. Although he didn't know that Su Chen would do this, Lu Xiaofeng felt that he still believed in the words of this bastard Su Chen. After all, he had a way of dealing with women.

"Okay, then we will wait for you in Dugu Mansion."

Su Chen hugged Huanwan and Shifeixuan, kissed each of them and said,

"Huan Huan, Shi Fei Xuan, you all should leave too. Nothing will happen to me."

Huanwan and Shi Feixuan looked at each other and decided to believe Su Chen. Su Chen's teleportation was very powerful. If Su Chen wanted to escape, Shi Guanyin would definitely not be able to catch Su Chen. If they stayed, I'm afraid it will also drag down Su Chen's

"You bastard, be careful, or run away if you can't."

"Su Chen, I'm waiting for you to come back."

Chapter 169

In this villa, Shi Guanyin, Zhu Qiqi, Ning Daoqi, and Su Chen are the only ones left. After Lu Xiaofeng and the others left, the villa here has now become quiet.

Zhu Qiqi, who was beside Su Chen, kept holding on to his clothes and never let go. Now Su Chen was her only support. If Su Chen left her, she would really be dead.

Seeing Zhu Qiqi's scared look, Su Chen didn't let her let go of him. Now he wanted to think about how to get Shi Guanyin to let Zhu Qiqi go. As for Ning Daoqi, who had never spoken, Su Chen simply chose to forget it. , he will not save this old man.

Shi Guanyin sat on the stone bench and looked at Su Chen with interest. Now that she had the initiative again, she also wanted to know how this bastard was going to save this little beauty.

When Su Chen saw Shi Guanyin staring at him, he coughed and said,

"Hey, Shi Guanyin, what conditions do you need to let Zhu Qiqi go?"

Shi Guanyin blinked and said with a smile,

"Haha, why should I let this little beauty go? I am a vicious woman who kills without blinking an eye. Do you think I will let her go?"

Su Chen felt disgusted when he saw Shi Guanyin blinking at him. This woman is incompetent. No matter whether Shi Guanyin is beautiful or not, Su Chen will not have any thoughts about such a woman.

"Don't say useless things, I know what you are thinking? Just tell me your conditions directly."

Bang! Bang. Shi Guanyin suddenly took action and knocked Zhu Qiqi and Ning Daoqi unconscious, and even tapped their acupuncture points.

"Don't worry, I just knocked them unconscious. They are not qualified to listen to our conversation. As for their future life and death, it depends on you."

Su Chen hugged the unconscious Zhu Qiqi and sat down opposite Shi Guanyin. He looked at Shi Guanyin who was wearing a veil and said directly,

"Shi Guanyin, no, I should call you Li Qi. You are Li Qi, the only survivor of the Huangshan family that was exterminated decades ago, right? Li Qi"

"you.....How did you know?"

Shi Guanyin is a little surprised now. Since she took revenge decades ago, her name Li Qi has long disappeared. It can be said that no one in this world knows her previous name. Now Shi Guanyin heard Su Chen and said Speaking of her name, Shi Guanyin was very surprised.

"I know quite a lot, such as how you traveled east to Fuso to marry Tianfeng Jushiro and gave birth to two sons for him, and....." bump

"Holy shit, you're crazy."

Su Chen didn't expect that Shi Guanyin would suddenly take action. Fortunately, Su Chen had been paying attention to Shi Guanyin, otherwise he and Zhu Qiqi would have been killed by her palm.

Su Chen hugged Zhu Qiqi and teleported to the side to watch. Looking at the angry Shi Guanyin, Su Chen did not expect that she would be so angry when he told her about Shi Guanyin's past. Could it be that this Shi Guanyin wanted to kill someone and silence her?

"You shameless bastard, how dare you slander me like this, I have to kill you this time"

"Wait, Shi Guanyin, why did I slander you? What I said is all true. You wouldn't want to kill someone to hide your past experiences, would you?"

Shi Guanyin is extremely angry now. Although she is not a good person, Su Chen, a bastard, cannot slander her like this, saying that she married a Fuso man? She even gave birth to two children? How could this make her Shi Guanyin not angry? ,

"I'm hiding something. I've never been to Fuso. You bastard said that I'm married and even have children. I swear I won't kill you this time."

"Wait, wait, Shi Guanyin, have you really never been to Fuso? You don't know Tianfeng Jushiro either?"

Su Chen hurriedly waved his hand to stop Shi Guanyin. Now Su Chen was a little confused. Shi Guanyin has never been to Fusang. How is this possible? In the original work, she went to Fusang to marry Tianfeng Shiro. She would not remember it wrong. of,

"I have never been to Fuso, and I don't know Tianfeng Shiro. Su Chen, do you have anything else to ask? If not, prepare to die."

Damn it, Su Chen was shocked this time. Shi Guanyin didn't go to Fusang, so he must not know Tianfeng Shiro. This time he felt that he was in trouble again. Su Chen looked at the stretched out Shi Guanyin instinctively shrank her neck.

"that.....that.....Li Qi, I remembered it wrong just now, can you let me go this time?"

"What do you think?"

"I think you will let me go"

"You are just wishful thinking, you should die."

Shi Guanyin stretched out his hands and hit Su Chen from the air. When Su Chen saw Shi Guanyin attacking him again, he quickly teleported out of her attack range, but Su Chen didn't see what happened when he disappeared. At that moment, Shi Guanyin quickly attacked the surroundings with both hands.

Boom! Boom! Boom! Boom! Boom!

Cough cough cough

Su Chen teleported and was knocked away as soon as he appeared on the other side of Shi Guanyin. Su Chen vomited blood. He fell to the ground and looked at Shi Guanyin in surprise.

He didn't expect that Shi Guanyin's attack was too wide this time. If he had known that he would take Zhu Qiqi away directly, he didn't know if Zhu Qiqi was dead now? Su Chen Holding her stomach, she felt that all her internal organs were displaced.

Seeing that Shi Guanyin had knocked down Su Chen, she immediately appeared beside him and lifted him up with one hand. She would not let this bastard escape easily this time. Shi Guanyin quickly nodded Su Chen. There are several acupuncture points on Chen's body. She knows that this bastard's escape is a bit strong.

"You bastard, you've fallen into my hands this time. Let's see how you escape this time."

"My day, Shi Guanyin and Li Qi, didn't I just say the wrong thing? Even if you have never been to Fusang and are not married, you don't have to do this."

"You'd better think about it, I'm going to torture you like this, you damn bastard."

Shi Guanyin said and flew out of this courtyard with Su Chen. She wanted to find a place without people to torture this shameless bastard.

Not long after Shi Guanyin left with Su Chen, Lu Xiaofeng and the others rushed over. They did not go far and kept observing the place near the other courtyard. When they heard the noise in the other courtyard, Lu Xiaofeng and the others knew that something had happened. When Lu Xiaofeng arrived at the other courtyard, they saw that the place was in a mess. While finding Zhu Qiqi and Ning Daoqi,

Lu Xiaofeng said seriously,

"Su Chen and Shi Guanyin disappeared, Zhu Qiqi was injured, and Ning Daoqi was also injured."

Huanwan, Shi Feixuan and the others searched around the area but did not find Su Chen. They were all a little anxious now.

Huang Xuemei hugged Zhu Qiqi and saw the anxious look of Hanwan and Shi Feixuan and comforted her,

"Don't worry, Su Chen's Qing Gong is very fast. Maybe Su Chen escaped and Shi Guanyin went after him.

Now Huang Xuemei also blames herself a little. If she hadn't asked Su Chen to save Zhu Qiqi, I'm afraid nothing would have happened to Su Chen. Now that Su Chen and Shi Guanyin have disappeared, she doesn't know whether Su Chen is alive or dead.

"Something big is going to happen this time. If Su Chen's wives knew that Su Chen had disappeared, they would probably lead their troops north immediately."

Chapter 170

Three days later, in Yangzhou City, Murong Qiudi got the news that Su Chen was missing in Luoyang City. She hurriedly ordered 10,000 Nether Iron Cavalry to set off towards Luoyang. Now that Su Chen's bastard did not know whether he was alive or dead, Murong Qiudi could only control Luoyang first. Slowly look for Su Chen.

At this time, Luoyang was in chaos. Zhu Yuyan from the Yinkui Sect and Fan Qinghui from Cihang Jingzhai also rushed to Luoyang. Even Yao Yue and Lian Xing also came to Luoyang City.

Dugu Mansion has now become the temporary residence of these women, and the guards of Dugu Mansion have all been taken over by Cihang Jingzhai and Yinkui Sect. The flower slaves of Yihua Palace are now looking for Su Chen around Luoyang City.

The patron king Yang Lin also led his army into Luoyang City. He knew that this Lord Wu Xiang was the future emperor of the Song Dynasty.

The spies sent by the patron king to the Song Dynasty replied in a letter saying that Wu Xiangjun's army had occupied the southern part of the Song Dynasty and was now at the border of Dali.

The Song Dynasty was originally going to send troops to attack Lord Wu Xiang, but before they had time to send troops, Xixia in the north of the Song Dynasty had already dispatched more than 200,000 troops to appear on the border of the Song Dynasty, and the Yuan Dynasty also dispatched more than 100,000 troops to attack the Song Dynasty.

This forced the Song Dynasty to give up its crusade against Wu Xiangjun, sent troops to confront Xixia, and started a war with the Yuan Dynasty's army.

The patron king once thought that Wu Xiangjun had colluded with Xixia and Dayuan, but he got the news that the old lady of Su Chen's family was actually the queen mother of Xixia, and she was also the actual controller of Xixia.

This time, the leading general of Dayuan's army turned out to be Su Chen's confidante Princess Zhao Min, which shocked the patron king.

Wu Xiangjun now has hundreds of thousands of troops, plus Xixia's more than 300,000 troops, this is an army of 600,000 to 700,000.

This does not include the army led by Zhao Min of the Yuan Dynasty and the army here in the Sui Dynasty. These armies are elite troops that often fight, especially the cavalry. The cavalry that Su Chen can mobilize alone may be hundreds of thousands.

Yang Lin, the patron king, knew that if Lord Wu Xiang could not be found in a short period of time, Lord Wu Xiang's army would probably enter the Sui Dynasty. If Lord Wu Xiang's army entered the Great Sui Dynasty, it would be difficult to say whether he would leave or not in the future.

In Wagang Village, Zhai Rang was a little strange when he heard what happened in Luoyang. He didn't understand that the patron king actually sent tens of thousands of troops to Luoyang to find someone, but Wang Shichong actually ignored him, as if he didn't see it.

"You all, tell me, what exactly happened in Luoyang City? The patron king Yang Lin actually sent 50,000 troops into Luoyang to look for people, and Wang Shichong and the Dugu Clan in Luoyang City actually allowed the army of the patron king Yang Lin to enter the city. This is something wrong."

At this time, a woman wearing a light yellow dress, with a curvy figure and a very beautiful face stood up. When

Zhai Rang saw Shen Luoyan standing up, he opened his mouth and asked, "Commander Shen Luoyan, do you have any ideas?"

Shen Luoyan cupped her hands to Zhai Rang and said,

"Mr. Zhai, our top priority is to repel Zhang Xutuo. We can't take care of Luoyang right now. If we don't repel Zhang Xutuo, I'm afraid our Wagang Village will be in danger."

Xu Shiji also stood up hastily. He is Shen Luoyan's fiancé. Since Shen Luoyan said this, Xu Shiji will of course support Shen Luoyan.

"Yes, Mr. Master, we must first repel Zhang Xutuo's army. There is a large army gathering in Luoyang now, and it will be useless even if we go there."

At this time, a middle-aged man next to him also stood up and said,

"I don't think so, the boss, Luoyang is looking for someone everywhere now. Although I don't know who they are looking for, that person must be very important."

"Not only the Dugu Clan in Luoyang City is looking for that person, but the army of the patron king is also looking for him when they enter Luoyang City. Even the Demon Sect Yinkui Sect and the upright Cihang Jingzhai are looking for that person."

"We still don't know who is who, but if we find that person first, it will be very beneficial to our Wagang Village. We can even use that person to do a lot of things by then."

"Mi Gong said it right, the master, we must also find that person"

"Well, that person must be an important figure in the Sui Dynasty. We must find him and bring him back to Wagang Village"

"Yes, it is very important to be able to use so many people to find one person. We cannot miss this opportunity."

"Boss, we must immediately send people to Luoyang City to find that person. This may be an opportunity for our Wagang Village to rise."

In the Juyi Hall, all the military commanders here are very in favor of Li Mi's decision, which makes Shen Luoyan look a little ugly. She didn't expect that Li Mi has so many supporters now. Is this Li Mi planning something evil?

Shen Luoyan When he reached the middle, he said sternly,

"Bosses and secret ministers, since you know that there are so many forces and sects looking for that person, do you think you can find that person?"

"Even after you find that person, do you think those forces and sects will let us go? If they attack in groups, have you ever thought that Wagang Village can stop them? Li

Mi smiled and said to Shen Luoyan, "Commander Shen is overly worried. As long as we are careful and don't get discovered by those forces, it will be fine."

Zhai Rang thought about it and what Li Mi said made some sense. If you want Wagang Village to rise, you must take a risk. Zhai Rang is also the one who is very interested.

"Okay, Commander Shen, don't say any more. This time, please ask Li Mi to take someone there personally to see who those forces are looking for. If there is a chance, capture him and return to Wagang Village"

"Yes, the boss"

"Big boss....."

After Zhai Rang finished speaking, he left. He didn't want to listen to Shen Luoyan's nagging anymore. This time Zhang Xutuo had besieged Wagang Village for almost half a year, and now he still had to think about how to repel Zhang Xutuo's army.

Li Mi looked at Shen Luoyan, a beautiful woman, and left.

Shen Luoyan sighed as she watched Zhai Rang leave. She didn't understand why Zhai Rang trusted Li Mi so much now. This Li Mi seemed to have evil intentions at first glance.

If Zhai Rang still trusts Li Mi so much in the future, Wagang Village will definitely split in the future, and even Wagang Village will be seized by Li Mi in the future, and Zhai Rang will die a violent death.

Xu Shiji looked at Shen Luoyan and said to her,

"Luo Yan, don't think too much, maybe Mr. Li Mi'er may have a way to catch that mysterious man without knowing it."

"I hope."

On the grassland, a carriage was walking slowly on the grassland. In the carriage, Su Chen was lying on the carpet and sleeping soundly, while Shi Guanyin next to him stared at Su Chen with an ugly expression. Bastard.

Shi Guanyin didn't expect that this bastard Su Chen was not afraid of her at all. Although she had unlocked Su Chen's acupuncture points, Shi Guanyin tied one of Su Chen's arms with chilling silk, so that Su Chen wanted to escape. There was no way to escape.

Shi Guanyin was a little angry when he saw this bastard Su Chen occupying the only place to sleep. This damn bastard was like a pig. He had either eaten or slept in the past three days.

Shi Guanyin thought about sleeping on the first day. At that time, this bastard was sleeping next to him, which made Shi Guanyin couldn't help but want to strangle this shameless person to death.

"Get up, how long are you going to sleep, you bastard?"
