Chapter 1611

Xu Zhihu didn't expect that Su Chen was so shameless that this bastard actually pushed her into the bed.

She was riding a tiger now.

Su Chen was very uncomfortable lying next to her. It was the first time for her to sleep with a man. This made Xu Zhihu's heart beat faster and she was very nervous.

"Don't be nervous, I won't do anything outrageous to you." Su Chen said while lying on the bed smelling Xu Zhihu's body fragrance.

Xu Zhihu turned over and glared at Su Chen and cursed, "You are a shameless pervert!"

"So what if I'm a shameless pervert?"

"shameless!"

I guess!

Su Chen was very speechless when he heard Xu Zhihu's scolding.

Sexy?

Shameless?

Many women have scolded him. It doesn't matter if there is one more Xu Zhihu. Anyway, Xu Zhihu is the same. A beautiful beauty.

All beauties have privileges.

If a man dared to scold him like this,

Su Chen would have torn him into pieces.

Su Chen didn't talk to Xu Zhihu anymore.

He closed his eyes and thought about what happened today. , and whether Xu Weixiong was caught by Han Diao Temple. What conspiracy did that boy Xu Nian have this time?

Xu Zhihu saw Su Chen closing her eyes, which made her feel very uneasy. This It seems that the bastard is not planning to leave.

Damn bastard, she really fell into the hands of this bastard this time.

A strange man and woman slept in the same bed. Her innocence was really destroyed by this bastard. In the middle of the night, the silence in the dark night made Xu Zhihu afraid to sleep. She looked at the bearded Su Chen who seemed to be asleep, and she thought about whether to take off this bastard's human skin mask, stab it!

Xu Zhihu suddenly stretched out his hand and pulled off Su Chen's human skin mask.

A delicate and handsome face appeared in front of Xu Zhihu. Xu Zhihu was stunned when he saw Su Chen's handsome face.

This person?

This one The bastard turned out to be their sisters who wanted to find Su Chen.

She and Xu Weixiong had seen Su Chen's portrait together.

It was impossible for her to remember Su Chen's appearance incorrectly.

No wonder Xuanyuan Qingfeng met this bastard.

This bastard not only killed Lao Huang, the bastard who crippled Senior Li and even humiliated her brother, now even teased him all the way. Xu Zhihu would kill this bastard even if he died. Holy shit!

Su

Chen was pulled off his human skin mask by Xu Zhihu. He hurriedly opened his eyes. He did not expect that Xu Zhihu would pull off his human skin mask by his beard, which made Su Chen's face very painful.

"You are Su Chen, no wonder Xuanyuan Qingfeng is familiar with you, you bastard, die!"

Xu Zhihu sat up and glared at Su Chen. Then she took out a dagger and stabbed Su Chen hard.

"Choo Choo Choo!"

Su Chen didn't expect that Xu Zhihu would take action immediately. When Xu Zhihu's dagger was about to pierce his body,

Su Chen was about to stop him, but Qingying in his arms took action instantly.

Qingying started from Su Chen, destroyed Xu Zhihu's dagger when she came out of Su Chen's arms. She flew into the air and stared at Xu Zhihu fiercely.

But at this moment, Xu Zhihu was weightless and lay directly on Su Chen's body.

She did not expect that Su Chen's arms. There is also a monster hidden inside.

Xu Zhihu's dagger was instantly shattered by the monster's claws. This monster is probably also a terrifying monster.

"Su Ying, come back!" Su Chen was afraid that Qingying would kill Xu Zhihu directly, so he hurriedly waved his hands and shouted,

"Choo Choo Choo!"

Qingying flew to Su Chen's head and touched Su Chen's head affectionately,

"Su Ying, go play outside and be back before dawn."

"Choo Choo Choo!"

Su Chen saw Qingying click and scream happily before flying away. He looked at the pale Xu Zhihu

"Xu Zhihu, do you know who I am? What happened to Xuanyuan Qingfeng?"

Xu Zhihu said angrily when Su Chen got up with difficulty,

"Su Chen, did you forget to kill Lao Huang, touch Senior Li, or even humiliate my brother? Xuanyuan Qingfeng was captured by my sister. We just want to find you through Xuanyuan Qingfeng, and then kill you, bastard."

Xu Zhihu just took advantage of Su Chen not paying attention and did not kill this bastard. She knew that there would be no chance in the future. This bastard might kill her soon. She didn't care now.

Su Chen heard that Xu Zhihu Then you will understand.

No wonder Xuanyuan Qingfeng was caught by the Xu Zhihu sisters.

It turned out that Xu Zhihu and Xu Weixiong wanted to take revenge and couldn't find him, so they approached Xuanyuan Qingfeng, who was related to him.

Xuanyuan Qingfeng That little girl is quite unlucky too.

"Xu Zhihu, what do you think I should do with you?" Su Chen touched Xu Zhihu's pale face and said with a smile.

Xu Zhihu slapped Su Chen's hand away and said angrily,

"Feel free to kill or cut into pieces, but it's a pity that I didn't kill you, bastard."

Su Chen leaned on the bed and explained,

"Xu Zhihu, do you know why I wanted to kill Lao Huang and abolish Li Chungang? It was Lao Huang and Li Chungang who came to assassinate me in the middle of the night. Your brother Xu Nian and I have no grudge at all. They came to assassinate me. Can't I kill them?"

"No grudge? You robbed the ginger paste, sweet potatoes, and blue birds. Doesn't this mean there is no hatred?"

"Who told you that I snatched the three girls from Jiang Ni? Jiang Ni and the three girls followed me voluntarily. You are a woman who doesn't distinguish between right and wrong."

"Huh, I still want to quibble. The three Jiang Ni girls grew up with my brother. How could they betray my brother?"

"I'm too lazy to talk to you, Xu Zhihu. I'll let you go this time. We'll go our separate ways tomorrow."

"You won't kill me?"

Xu Zhihu didn't expect that Su Chen wouldn't kill her.

This made Xu Zhihu very confused when he looked at Su Chen.

She almost killed this bastard just now. Isn't this bastard up to some conspiracy?

Su Chen. Chen looked at Xu Zhihu and mocked disdainfully, "Tch, you are a woman who wants strength but not strength, and is even a woman who is about to die. What's the use of me if I can't kill you?"

"you....."

Xu Zhihu was very angry when she heard Su Chen's words, but after thinking about it, she realized that Su Chen was right. She had no martial arts skills and was a woman who could die at any time. She was probably the most important thing the Xu family had for Su Chen. A woman who poses no threat.

Xu Zhihu lowered his head and thought about it before gritting his teeth and making a decision. She was going to die anyway. If she could drag this bastard to die with her, it would also be a threat to his younger brother.

"Let me know, Xu Zhihu, what are you going to do?"

Su Chen suddenly saw that Xu Zhihu started to take off his skirt. This made Su Chen stunned and didn't know how Xu Zhihu could do this.

Xu Zhihu looked at Su Chen and smiled charmingly and said, "What do I do? ? What did you say I did? I am thanking you for not killing me"

"Damn it, Xu Zhihu, you are crazy.....! "

Chapter 1613

Xu Weixiong looked at Xu Zhihu and felt very uneasy.

Xu Zhihu's loss of virginity did not occur to her, and the fact that the bearded man was Su Chen did not occur to her.

Su Chen was their brother's enemy, and he even vowed to kill Beiliang with blood in the future.

But what now?

Brother-in-law?

Xu Weixiong thought that although Su Chen was their enemy, that bastard saved her sister Xu Zhihu after all, and even cured Xu Zhihu's stubborn illness, plus these treasures were given to Xu Zhihu.

Are we going to kill that bastard again?

"Sister, what should I do next?"

Xu Zhihu said with a cold face,

"Go to Qingyun City, go to Qingyun Gate, that bastard will definitely go there, and I will not let that bastard go."

Xu Weixiong shook his head and persuaded, "Sister, let's forget it. I don't think Su Chen is a person who does many evil things. Let's get through the current crisis first."

Xu Weixiong thought that Xu Zhihu had lost his virginity to Su Chen, and they might be a family in the future. As long as Su Chen and Xu Nian turned their silk into jade, her eldest sister would not have to be alone in the future.

Xu Zhihu heard that Xu Weixiong She clenched her hands tightly when she said that.

She didn't want to assassinate Su Chen anymore, but how could this matter end?

Let's not talk about the hatred between Su Chen and Xu Nian

, the bastard who lost her virginity. If Xu Zhihu didn't complete the assassination, wouldn't it be possible? Are you going to let that bastard run free from now on?

Xu Zhihu changed the subject and asked Xu Weixiong, "Weixiong, where is Chen Zhibao? Didn't you escape together?"

Xu Weixiong shook his head and said worriedly, "I don't know. Chen Zhibao and I escaped last night. I don't know what Chen Zhibao's situation is now."

Xu Zhihu was very angry about what Xu Nian did this time, "Why on earth did Xu Nian do this? Doesn't he know that this will put us in danger?"

"Forget it, eldest sister, is there anything to eat? I'm starving"

"Yes, yes, Su.....There is food in the space ring that bastard gave me."

Xu Zhihu hurriedly took out some delicacies from the space ring, and even took out a bottle of wine, which she hurriedly placed on the table in the carriage.

"This wine?"

Xu Weixiong didn't care whether she was a lady or not.

She just started eating.

When Xu Weixiong took a sip of wine,

Xu Weixiong was suddenly stunned.

She felt that the injuries on her body were rapidly increasing. He recovered and even lost his energy, which made Xu Weixiong continue to drink a few more sips.

When Xu Zhihu heard Xu Weixiong's words, he asked worriedly, "Weixiong, what's wrong? Have a problem with the wine?"

Xu Weixiong was very excited now.

She felt that her physical injuries would recover within an hour. This was simply a fairy wine.

Xu Weixiong looked at Xu Zhihu and asked hurriedly, "No problem, eldest sister, like this How much wine is in your space ring?"

Xu Zhihu checked the spatial Najie and replied, "There are more than ten pots."

Xu Weixiong was very surprised when she heard that there were more than ten pots of wine.

It is probably not easy to make these wines. It can even be said that there is no such wine in the whole continent.

"Sister, I'm afraid these wines are brewed from spiritual fruits. I just drank a few sips and my injuries are about to recover. My cultivation has even increased a lot."

"Su Chen still cares about your health very much. That bastard probably wants you to drink more spiritual wine in the future, so that your health will get better and better, and it will even be impossible for you to get sick again in the future."

Xu Zhihu's face was very complicated when he heard Xu Weixiong's words.

She didn't know what to do now.

She was also very surprised by Su Chen's compensation for her.

She originally thought that the space contained the ring and the Five Elements Talisman. Jiang Hongjia even cured her incurable disease. These were the bastard's compensation, but he didn't expect that Space Najie actually had spiritual wine.

"Everyone in the carriage gets out, we want to search the carriage!"

At this time, a shouting sound suddenly came from outside the carriage,

"Sister, these are the people who are chasing me. I didn't expect them to arrive so soon."

"You are injured now, what should we do?"

"Sister, command the red armor to kill those people."

"Oh, yes, yes, I have the Five Elements Talisman General Red Armor." Xu Zhihu patted her head when she heard Xu Weixiong's words and said.

She was just worried that Xu Weixiong was injured. She also forgot about the Five Elements Talisman General's red armor. Xu Zhihu communicated in her heart that the Five Elements Talisman General Hong Jia gave the order to kill.

Boom boom.....

Suddenly there was the sound of a fierce fight outside the carriage, and some people even screamed.

Xu Weixiong didn't pay attention at all.

She had observed the five-element talisman general Hong Jia, and the five golden elixir realm talisman generals red armor were chasing her outside. The pursuers are no match at all.

Xu Zhihu felt uneasy and opened the curtain from the window to take a look. When she saw the five-element talisman general Hong Yijian slaughtering dozens of pursuers one by one, she felt relieved.

"Sister, don't worry, there are five five-element talismans in Hongjia. Even if Han Diao Temple comes in person, he can't do anything to us."

"Phew, I got it."

Qingyun City, this is a city at the foot of Qingyunmen Mountain.

In the past month, more and more immortal cultivators have come to Qingyun City.

Qingyunmen's Seven Meridians Martial Arts Competition.

Some immortal cultivators plan to come and watch.

Qingyunmen is a god. Among the top sects in the Fallen Continent, some want to please the Qingyun Sect, some want to use this opportunity to check the strength of the younger generation of the Qingyun Sect, and some are preparing to join the Qingyun Sect. These people are all looking forward to the competition ten days later.

Su After Chen arrived in Qingyun City, he looked at everything in Qingyun City and said to himself in surprise,

"Qingyunmen is indeed not simple. This is just a city at the foot of Qingyunmen Mountain. I didn't expect that there would be so many warriors, and even immortal cultivators can be seen everywhere."

"Brother, are you also going to join the Qingyun Sect?"

At this time, a clear voice asked beside Su Chen,

"Oh yes."

Su Chen turned around and saw a pretty face talking to him.

However, this pretty face looked like a woman no matter what, with big bright eyes, curved eyelashes, delicate red lips, a delicate and beautiful face, and a very tall figure. , There is even a faint fragrance coming from the body.

This is a pretty and outrageous pretty boy.

If this pretty boy hadn't had a flat chest, Su Chen would have regarded him as a beautiful woman. Isn't this pretty boy a shemale

?

The pretty face's eyes lit up when he heard Su Chen's words.

He walked to Su Chen and said, "That's great. I also want to join the Qingyun Sect. Brother, why don't we go to the Qingyun Sect together in ten days, so that we can also have a Anaphora.

Su Chen looked at the young man with a green face and asked in confusion, "Will the Qingyun Sect accept disciples this time?"

"Yes, this Qingyun Sect Seven Meridians Martial Arts Competition is also about opening a sect to recruit disciples. There are quite a few young warriors who want to become immortals. By the way, what is your brother's name?"

"Suchen!"

"My name is Wang Yao"

"Wang Yao?"

Su Chen was very surprised when he heard the pretty boy's name.

Wang Yao?

Baguio?

Ghost King Sect?

This beautiful pretty boy can't be Baguio from the Ghost King Sect, right?

Su Chen now guesses that this pretty boy is Baguio. She She must have come to Qingyun Sect for some purpose this time. I don't know if this little witch has met Zhang Fan.

Chapter 1614

Wang Yao saw Su Chen staring at her, which made her feel very uncomfortable.

She wondered if Su Chen saw that she was disguised as a man, or even discovered her true identity?

However, a small grand master warrior shouldn't be able to tell that, right?

Wang Yao is the young master of the Ghost King Sect and the daughter of Baguio, the leader of the top sect, the Ghost King Sect.

This time she hid her name and cultivation level, just to come to Qingyun Sect to do a big thing.

Baguio is now at the peak of the Celestial Realm. Such strength is more than enough to sneak into the Qingyun Sect.

However, she thought that one person's goal was too big, and she also planned to find a scapegoat.

Su Chen was just a great master, and he had just arrived in Qingyun City, so

Baguio's target was set on Su Chen.

Baguio looked at Su Chen and asked in confusion, "Su Chen, why do you keep looking at me? Is there anything wrong with me?"

Su Chen shook his head and said with a smile, "No, I have never seen you before. Such a handsome little guy, if you put on women's clothes, I'm afraid you will be regarded as a beautiful woman by others."

"Are you kidding? I'm a real man."

"I think so too. Wang Yao, have you found a place to live? I just arrived and can still find a place to stay. Baguio smiled after hearing Su Chen's words and said, "Su Chen, come with me. I've reserved a small courtyard for an inn. You can live in my small courtyard!""

"Thank you very much."

Su Chen was stunned for a moment when he saw Baguio's smile. Baguio's sweet smile was very stunning. If Baguio put on women's clothes, Baguio would definitely be even more beautiful.

Baguio is really a Charming little fairy, but in the world of mixed martial arts,

Baguio should not die early.

Su Chen looked around and left with Baguio.

He originally wanted to find Ning Zhongze, Qingniao, Xuanyuan Qingfeng , now he didn't care about looking for them.

Su Chen wanted to know what Baguio was going to Qingyunmen this time, and whether the Ghost King Sect was going to start a war against Qingyunmen.

Suddenly, a group of people appeared on the street, with hundreds of guards protecting them. A carriage moved forward arrogantly on the street.

Su Chen was very surprised when he saw the gorgeously dressed guards.

These guards were all very gorgeously dressed. The owner of the carriage must be very rich and powerful, right?

"Huh? Wang Yao, who are those people?"

Baguio looked at Su Chen's words and said,

"Oh, these people, this is the frame of Zhao Yang, the crown prince of the Song Dynasty. The Song Dynasty has even lost the south, and it is still so arrogant. In the future, I don't know whether Lord Wu Xiang will cross the Yangtze River and destroy the Song Dynasty."

Su Chen smiled when he heard it.

It turned out to be the prince of the Song Dynasty.

No wonder he was so arrogant.

However, the prince of the Song Dynasty appeared at the foot of Qingyunmen Mountain. This is probably because the court of the Song Dynasty wanted to invite the help of Qingyunmen to deal with him. After all, Qingyun Sect is the country-protecting sect of the Song Dynasty.

When Baguio brought Su Chen to the outside of the inn,

Baguio suddenly whispered to Su Chen, "Su Chen, please keep a low profile when you enter the inn. There are people living in this inn." Yinsi, Hehuan Sect, or even immortal cultivators from other sects, please don't offend those people."

"Don't worry, I won't cause trouble."

Su Chen nodded and replied.

Su Chen did not expect that several other top sects lived in a small inn. Is this inn very luxurious? Or does this inn have a strong background?

"Brother Zhao, the auction house must be very popular tonight. I heard that someone caught a mermaid from the Western Continent. I am preparing 30,000 gold coins this time."

"Haha, I'm not interested in beauty. This auction house has a magical elixir that can improve your cultivation. I want to buy this elixir at the auction."

"You are all wrong. I heard that there is an elixir going to be auctioned this time. Although I don't have the money to buy it, I will also participate in the auction house this time."

"Beauty, elixirs, elixirs, this auction is probably going to be very popular."

"We are all little people. These treasures are not something we can buy at auction. Even if we take them, we will not live to enjoy them."

"Humph, you are all wrong. Although there will be beauties, elixirs, and even elixirs in this auction, the real treasure is the secret book of cultivating immortals. I heard that there seems to be a heavenly book to be auctioned this time. I don't know if it is true. Fake."

In the inn, many warriors and immortal cultivators gathered around and talked about the auction.

Su Chen was very interested when he heard this.

Mermaid?

Or was it caught from the Western Continent?

Su Chen has never seen a mermaid. , he is not interested in the remaining elixirs, elixirs, and heavenly books. There are a lot of flat peaches, elixirs, and a large number of golden elixirs in his system space.

"Wang Yao, is entry to the auction free of charge or do I need an invitation letter?" Su Chen suddenly hugged Baguio's shoulders and asked with a smile.

Baguio is now disguised as a man.

If Su Chen doesn't take this opportunity to take advantage of Baguio, this is not his style.

However,

Baguio's The body smells really good

"Let me go!"

Baguio was stunned when Su Chen hugged her shoulders.

She didn't expect that she was actually hugged by a man, which made Baguio very uncomfortable for a moment.

Su Chen did not let go of Baguio, and he continued to hug Baguio's shoulders. He smiled and explained, "Wang Yao, you are a man. We seem to be close like this, which also means that I have regarded you as a good friend and brother.

Baguio pushed Su Chen hard and said coldly, "I.....I'm not used to it, please let me go."

Su Chen's face turned red when he saw Baguio.

He also knew that enough was enough.

Anyway, there were already plenty of opportunities to tease Baguio. Su Chen didn't want to offend Baguio to death now.

"Okay, okay, Baguio, how do I get into the auction? Baguio glared at Su Chen and said indifferently,

"I'll take you in with me tonight. It takes 10,000 gold coins to get an invitation at the auction, and one invitation can let two people in."

Damn bastard!

You should take advantage of your aunt.

Ten days will be your death date.

Baguio can't wait to kill this bastard now.

Su Chen nodded after hearing Baguio's words.

Baguio is really a little kid. Rich woman,

Su Chen will live in the small courtyard of Baguio soon, eating the food bought by Baguio. There are even invitations to the auction bought by Baguio. Does this count as being given by Baguio? Pampered?

"We'll go together that night."

After Baguio brought Su Chen to a small courtyard,

Baguio looked at Su Chen and reminded him coldly,

"Su Chen, you live in the room on the right. I have mysophobia. You are not allowed to enter my room without my permission."

Su Chen was speechless when he heard Baguio's words,

"Forehead! Well, I originally wanted to talk to you Bingzhuye, but it seems there is no chance. Baguio clenched her fists tightly and held back her anger and said, "I will ask you to go to the auction tonight. You'd better not run around.""

Baguio glared at Su Chen fiercely and went back to the room.

She didn't want to face Su Chen now.

She was afraid that she would kill this bastard if she couldn't help it.

Chapter 1615

At Qingyun Gate, on Xiaozhu Peak,

Shui Yue nodded when she saw Lu Xueqi and Shi Feixuan's cultivation.

Lu Xueqi had successfully advanced to the cultivation realm of the out-of-body realm, while Shi Feixuan was about to advance to the Nascent Soul realm. Before Meihui Wu, her young disciple Shi Feixuan will definitely advance to the Nascent Soul realm.

In this Qingyun Sect's Seven Meridians Martial Arts Tournament,

Xiaozhufeng is going to be a blockbuster.

Lu Xueqi has no opponent among the younger generation of Qingyun Sect, and Shi Feixuan's cultivation level can also compete for the second place. Qi Qi from Longshou Peak Hao is not necessarily Shi Feixuan's opponent.

"Master, the master asked the master to go to Tongtian Peak to discuss matters."

At this time,

Shui Yue's disciple Wen Min flew over and shouted hurriedly,

"Want to discuss something again?"

Shui Yue frowned when she heard her disciple Wen Min's words. She had no time to teach her disciples because of the daily discussions these days. Shui Yue was also a little dissatisfied with the leader Daoxuan. What kind of messy things They all have to discuss it. Can't the boss make the final decision on some small matters? Wen Min looked at the unhappy Shui Yue and hurriedly explained,

"Master, it's the prince of the Song Dynasty who sent me the greeting card."

"The Song Empire was defeated by Wu Xiangjun of Jiangnan. The entire Jiangnan was lost, and Wu Xiangjun's hundreds of thousands of troops were ready to cross the river to attack the northern part of the Song Dynasty."

"The arrival of the Crown Prince of the Song Dynasty should be to ask for help from our Qingyun Sect."

At this time,

Lu Xueqi and Shi Feixuan also came over. They also stopped practicing when they saw Shui Yue and Wen Min arriving.

After hearing Wen Min's words, Shi Feixuan hurriedly asked,

"Senior Sister Wenmin, you said that Wu Xiangjun's army has occupied the entire south of the Song Empire? Wu Xiangjun's hundreds of thousands of troops are still preparing to attack the northern part of the Song Empire?"

Wen Min nodded when he heard Shi Feixuan's words and said,

"Junior sister, Wu Xiangjun's army has occupied the entire southern part of the Song Dynasty, and hundreds of thousands of troops are ready to attack the northern part of the Song Dynasty."

"Feixuan, do you know Mr. Wu Xiang?"

Shui Yue saw that Shi Feixuan was very concerned about this matter. She came to Shi Feixuan and asked softly.

Shi Feixuan saluted Shui Yue and replied, "Master, Mr. Wu Xiang is my husband Su Chen.."

Lu Xueqi asked in surprise when she heard Shi Feixuan's words,

"What? Is Mr. Wu Xiang that bastard? Junior sister, is what you said true?"

Shuiyue and Wenmin were also very surprised when they heard Shi Feixuan's words.

They did not expect that Su Chen was actually Wu Xiangjun.

Now Su Chen's army is attacking the Song Empire, and the Song Empire is a common man protected by Qingyun Sect. Chen Empire.

This may be difficult to handle.

Shuiyue looked at Shi Feixuan and was very helpless.

Qingyun Sect could not sit idly by and ignore the Song Empire.

After all, the Song Empire paid tribute to Qingyun Sect every year.

If Qingyun Sect did not help The Qingyun Sect's reputation will probably plummet in the future for the secular empire it shelters.

"Senior sister, it's true, I came from the city of Hangzhou in the south of the Yangtze River." Shi Feixuan nodded and replied to Lu Xueqi,

"But how could that bastard have so many troops?"

Lu Xueqi really can't understand.

Su Chen is a playboy who has done nothing.

How could that bastard have hundreds of thousands of troops? He even defeated the powerful Song Dynasty army, and even the entire Southern Song Dynasty. All lost. How could that bastard Su Chen have such a powerful army?

Shui Yue thought about it and asked Master Feixuan, "Feixuan, tell me honestly how many troops that bastard Su Chen has. How can Su Chen do it?" Destroyed the Song Empire?"

"Master, I....."

Shi Feixuan was very helpless when she heard Shui Yue's words.

Shui Yue had been very kind to her since Shi Feixuan came to Qingyunmen, but this matter was very important to Su Chen, and Shi Feixuan could not reveal it at will.

Shui Yue touched Shi Fei Xuan's hair and said with a smile, "Fei Xuan, tell the master. The master will not tell anyone else."

After Shi Fei Xuan heard Shui Yue's promise, she thought for a while and spoke. Shuiyue said,

"Master, my husband has many armies. This time, only one of the six combat legions appeared, the Northern Combat Legion of 600,000 black-armored troops."

Shui Yue was very shocked when she heard Shi Feixuan's words.

Six combat legions? A northern combat legion of 600,000?

A combat legion has 600,000 troops. Does that bastard Su Chen have so many troops?

Shui Yue Thinking of one of Su Chen's combat legions, they easily occupied the southern part of the Song Dynasty. If Su Chen's six combat legions were all dispatched, which empire with millions of troops could compete?

Shui Yue thought for a while and asked the division Fei Xuan confirmed, "The Northern Combat Legion of 600,000? Or one of the six combat armies? Fei Xuan, you didn't deceive me, right?"

"No, it is possible for me to deceive the master." Shi Feixuan nodded to Shuiyue and replied hurriedly.

The army that Shi Feixuan just mentioned is still short.

Mu Guiying's northern combat corps has not arrived. If all of Mu Guiying's northern combat corps arrived, The black-armored army plus the alien servant army amounted to millions of troops.

Lu Xueqi and Wen Min were very confused as they listened.

They did not expect that Su Chen would have so many troops. One combat legion could
There are 600,000 troops and six combat legions. This is an army of millions.

Lu Xueqi thought that Su Chen had prepared so many troops. There was no way that bastard
could only deal with the Song Empire.

After thinking about it, she said to her concubine Xuan asked, "Junior sister, your bastard
husband isn't going to conquer various empires, is he?"

"may be!"

When Lu Xueqi heard Shi Feixuan's ambiguous words, she thought that Su Chen must be
dealing with other empires in the Eastern Continent. Is that bastard Su Chen trying to unify
the Eastern Continent?

"Does your husband want to unify the Eastern Continent? Is your bastard husband trying to
rebel against heaven?"

Master Fei Xuan rolled her eyes at Lu Xueqi but did not answer,"

Unify the Eastern Continent?

Defy the heavens?

Unify the Eastern Continent. This is very simple for Su Chen.

The entire Tianxuan Continent has been unified by Su Chen. The people in the Shenyun
Continent have The Eastern Continent will definitely be unified by Su Chen in the future.

Shi Fei Xuan also believes that Su Chen will once again become famous in the Shen Yun
Continent and even be able to unify the entire Shen Yun Continent in the future. After
hearing this, Shui Yue sighed and said,

"Alas, Feixuan"

"You should know that the Qingyun Sect is the patronage sect of the Song Empire. Now that the Song Empire is in danger, the Qingyun Sect cannot sit idly by and ignore it."

"The master can promise not to take action against Su Chen, but the other main peaks of the Qingyun Sect are not easy for the master to deal with. I hope you can understand the Qingyun Sect."

Shifei Xuan smiled and said to Shuiyue,

"Master, I understand, and I also understand Qingyun Sect. When I came to Qingyun Sect, my husband told me not to worry about this, I just have to practice seriously with the master."

Shui Yue guessed after hearing Shi Fei Xuan's words,

"That bastard has long thought that the Qingyun Sect would have a battle with him. Your husband may have found a way to deal with the Qingyun Sect. Even the powerful immortal cultivators are ready to face the Qingyun Sect's attack."

Chapter 1616

Although Shui Yue didn't understand Su Chen's plan, that cunning little bastard was not an easy man.

She thought that when she was in Yunlan Sect, Su Chen didn't care about Qingyun Sect, and even treated them with great disdain at the beginning. At that time, Su Chen probably knew that Qingyun Sect would be his enemy in the future.

Shui Yue thought about this and waved her hands and said, "You all should practice well. I'll go to Longshou Peak to check the situation.""

"Yes, master!"

Lu Xueqi, Shi Feixuan and Wenmin all saluted Shuiyue.

After Shuiyue left,

Lu Xueqi and the others had no intention of practicing.

Lu Xueqi and Wenmin were thinking about the information they heard today. They did not expect that Su Chen was Wu Xiang. Jun, even in the future will still be their enemy.

Shi Feixuan is worried that if the Qingyun Sect launches a war against Su Chen in the future, these junior sisters in Xiaozhu Peak, these junior sisters in Xiaozhu Peak may suffer heavy casualties.

And Su Chen is not there at all. There is no need for her to worry.

Shi Feixuan knows that Su Chen has many methods. Without a complete plan, Su Chen cannot launch a war against the Song Dynasty.

Now that the war has begun, what about the Qingyun Sect?

Su Chen may have thought of dealing with it. Qingyun Sect's method.

Wen Min suddenly thought of the information coming from Hangzhou City.

She looked at Master Feixuan and asked doubtfully, "Junior sister, how many women does Su Chen have? How come I heard that a lady named Ji Ruxi is in charge of the overall situation in Hangzhou City?"

"this.....Su Chen had many wives, Ji Ruxi and her sister were also one of them."

Shi Feixuan was very helpless when she heard Wen Min's words.

There are many women in Su Chen, such as Jing salamander, Yan Fei, Ji Ruxi, Hu Ji, Zi Nu, etc., all of these women are of national beauty and fragrant beauty. A proud daughter with a state of cultivation!

Absolutely beautiful!

Management ability!

Commanding the army!

Shi Feixuan felt that she could not be compared with those women at all.

She was just a beautiful woman with some strength. This time she and Huan Huan and Xue Nu Several women came to Shenyu Continent first. They all hoped to help Su Chen after improving their strength.

Lu Xueqi was very surprised when she heard Shi Feixuan's words.

She did not expect that Su Chen actually had other women, although in Yun Lan There were many women around Su Chen when she was still in school, and she thought they were just maids.

Lu Xueqi thought of Su Chen's flirting and said angrily, "That damn bastard, junior sister, please cut off any relationship with that bastard from now on, Su Chen is a shameless pervert."

Shi Feixuan shook her head and said with a smile, "Haha, senior sister, no need, my heart already belongs to that bastard, and I will never be separated from Su Chen in this life."

"You were just fooled by that bastard's sweet words."

"Maybe!"

"Alas, I am too lazy to persuade you."

Lu Xueqi felt very helpless when she saw Shi Feixuan's stubborn look.

The Qingyun Sect would become the enemy of Su Chen in the future, and she felt very uncomfortable. Although that bastard was a shameless pervert, he was still a good person.

Wen Min kept looking at Shi Feixuan.

She felt that Shi Feixuan was very happy when she mentioned Su Chen.

This is probably the so-called love. I am afraid that Shi Feixuan really has a deep and loyal love for that Su Chen.

"Junior sister, do you think your husband will come to see you during this Qimai martial arts competition?"

Shi Feixuan shook her head and replied, "Probably not. Now that the war has begun, Su Chen must have a lot of things to deal with. I'm afraid he won't have time to come to Qingyun Gate."

At this time, a woman from Xiaozhu Peak flew over and shouted to Junior Feixuan, "Junior Sister Feixuan, there is a woman named Ning Zhongze outside Qingyun Gate to see you."

"Ning Zhongze? Senior Sister Xiaozhu, please bring her over."

Shifeixuan was very happy when she heard that Ning Zhongze had arrived.

Ning Zhongze was Su Chen's personal maid. Since Ning Zhongze has arrived, doesn't it mean that Su Chen has also arrived?

"OK!"

Lu Xueqi and Wen Min looked at Shi Feixuan and felt strange.

Why did Shi Feixuan look happy now? Shi Feixuan, who had always been cold and cold, had a smile on his face. Could it be that Ning Zhong was a relative of Shi Feixuan?

"Junior sister, who is Ning Zhongze?"

After Lu Xueqi and Wen Min looked at each other,

Lu Xueqi asked the happy Shi Feixuan, who smiled and replied, "Senior sister, Ning Zhong is my husband's personal maid."

Lu Xueqi was surprised when she heard Shi Feixuan's words and said,

"Personal maid? That bastard actually came to Qingyun Sect. Did he not want his life?"

"Senior Sister, don't worry, Su Chen will definitely hide his identity since he arrives, and he will not be discovered by the people of Qingyun Sect. Lu

Xueqi looked at Shi Feixuan and said teasingly, "Won't Wenmin and I report him?"

Shi Feixuan was very speechless when she looked at Lu Xueqi.

Lu Xueqi used to be very cold and arrogant, and didn't even like to talk.

But after getting to know Lu Xueqi in the past few months, Shi Feixuan also discovered Lu Xueqi's unknown side.

"Will Senior Sister and Senior Sister Wenmin report it? Lu

Xueqi smiled coldly and said, "It's impossible to tell. I have a grudge against your husband. That bastard injured me in Yunlan Sect."

Lu Xueqi is going to blackmail Su Chen severely this time. That bastard defeated her back then and was even very rude to her. She will not let that bastard go this time.

Shi Feixuan shook her head and said speechlessly Said, "Sister, my husband also saved you at that time!"

Lu Xueqi crossed her arms and said to Shi Feixuan,

"That doesn't count, Junior Sister Feixuan, your husband has many treasures in his hands. You must ask for more this time, so that Wenmin and I can also benefit from you."

Wen Min also smiled and said to Shi Feixuan,

"Yes, junior sister, I also want to get some treasures, especially the red fruit. My red fruit was eaten by the crane to save my spiritual beast last time. This time you have to get another one for me."

Shi Feixuan was very helpless when she heard what Lu Xueqi and Wen Min said.

It seems that Su Chen is going to spend some money this time.

Lu Xueqi and Wen Min are her best sisters in Qingyun Sect. Lu Xueqi and Wen Min also received a lot of spiritual fruit wine.

And when Su Chen comes this time, she will also prepare some gifts for her master and senior sisters.

This time it depends on what gifts Su Chen prepares after her arrival.

"Ning Zhongze (Blue Bird) See Madam!"

At this time, the three girls of Ning Zhongze were brought over by the disciples of Xiaozhufeng. Ning Zhongze and Qingniao hurriedly saluted after seeing Shi Feixuan.

Xuanyuan Qingfeng looked at Shi Feixuan and bowed slightly and said, "Xuanyuan Qingfeng has met Mrs. Su!"

Shifei Xuan waved her hand and asked Ning Zhongze, "You are all exempt from courtesy. Ning Zhongze, has my husband arrived too? Ning

Zhongze replied hurriedly, "Back to Madam, the master has not arrived yet. He should be here in the next two days.""

"Ning Zhongze, did you encounter anything on the way?"

"Madam, the master wants to check some things, so let us go first. As for what the master wants to do, we don't know very well."

Chapter 1617

Shi Feixuan was very speechless when she heard Ning Zhongze's words.

She felt that Su Chen was probably going to do something again.

That bastard was not a stable owner.

Shi Feixuan was also afraid that that bastard would do something to Su Chen when he was competing in the Seven Meridians of Qingyun Sect.

If Su Chen's identity is discovered in Qingyun Sect, the powerful immortal cultivators of Qingyun Sect will probably imprison this bastard even if they don't kill Su Chen.

"Madam, the master asked me to give this to you." Ning Zhong took out a Space Nai Ring and handed it to Shi Feixuan and said, the Space Nai Ring contains some low-level fairy wine, low-level fairy fruit, and even some third-turn golden elixir.

Su Chen prepared many low-level elixirs when he was in the fairy world. Although these immortal fruits and immortal wine are of little use to immortals, they are rare treasures for immortal cultivators.

"Junior sister, let me take a look for you!"

Shi Feixuan just took the space ring and was snatched away by Lu Xueqi. Lu Xueqi looked at the space ring and said coldly. Shi Feixuan looked at Lu Xueqi and shook her head speechlessly.

She ignored Lu Xueqi.

Shi Feixuan Looking at Xuanyuan Qingfeng, he was very confused. Xuanyuan Qingfeng should have nothing to do with Su Chen, but why did this woman come with Ning Zhongze and Qingniao?

Xuanyuan Qingfeng saw Shi Feixuan looking at her, and so did she Afraid of misunderstanding by the concubine,

"Mrs. Su, don't get me wrong. Su Chen and I have nothing to do with each other. This time, I was implicated by your husband....."Xuanyuan Qingfeng hurriedly told Shi Feixuan that she was caught by Sister Xu Zhihu.

Xuanyuan Qingfeng has nothing to do with Su Chen, and she doesn't want to have anything to do with that romantic bastard.

"It turns out that's the case, so I really can't help myself this time."Shi Feixuan said apologetically after hearing Xuanyuan Qingfeng's words.

Xuanyuan Qingfeng waved his hand and said nonchalantly,"It doesn't matter, it's my own fault for being unlucky."

"Junior sister, you need to take good care of this space ring. The items inside are very important to you."

At this time,

Lu Xueqi's face turned red and she hurriedly returned the Space Nai Ring to Shi Feixuan.

Lu Xueqi regretted checking the Space Nai Ring, and was even more angry and embarrassed towards Su Chen.

Although there were those in the Space Nai Ring The fairy wine, fairy fruit, and even the third-turn golden elixir shocked her, but when she saw the colorful flowers in the space ring, she felt very uncomfortable.

Lu Xueqi did not expect that Su Chen, that shameless pervert, would return it to the concubine. Xuan prepared a lot of underwear.

This made Lu Xueqi blush with embarrassment.

Shi Feixuan and Wenmin were very confused when they saw Lu Xueqi's blushing look.

Lu Xueqi just checked the space ring, why was her face getting more and more... Are you getting redder?

Ning Zhongze and Qingniao looked at each other and smiled.

They were also given a space ring by Su Chen. Although the items inside were not as good as Shi Feixuan, they still had those colorful underwear. Yes.

The underwear in the space ring is not ordinary underwear. The underwear Su Chen gave them is woven from heavenly silk. It is warm in winter and cool in summer. It can be big or small. It can even defend against fatal blows. This pair To them, it was like a fairy dress.

In the evening, in Qingyun City,

Su Chen was lying on the bed and resting boredly.

It had been a day since he left Xu Zhihu, and

Su Chen didn't know if Xu Zhihu would come to Qingyun City again.

The sick beauty has been cured by him.

I'm afraid they will be enemies when they meet again in the future.

That bastard Xu Nian actually asked his sisters to come to him for revenge. Isn't Xu Nian afraid of meat buns beating dogs and never coming back? ?

Uh!

Su Chen seems to have eaten a meat bun.

Xu Zhihu?

What should we do with her in the future?

After all, Xu Zhihu is not Xu Weixiong, and

Xu Weixiong is not Xu Nian's biological sister, she is just a Beijing A dead warrior trained by King Liang, a dead warrior who protects his son Xu Nian.

Xu Weixiong, Qingniao and Hongyi are both dead warriors, and some even have a grudge against the Xu family.

Xu Weixiong's father was killed by Xu Nian. If Su Chen had a relationship with Xu Weixiong

, Su Chen would still be sure that Xu Weixiong could instigate rebellion.

However, Xu Zhihu is Xu Nian's biological sister.

It is impossible for Su Chen to instigate Xu Zhihu.

"It's really difficult! Will Xu Zhihu be imprisoned in the future?"

Bump bump bump!

"Su Chen, it's time to set off."

At this time, a knock on the door disrupted Su Chen's random thoughts. Baguio also shouted to Su Chen outside the room,

"coming!"

Su Chen jumped off the bed, opened the door and walked out.

Baguio outside the room turned around and left when she saw Su Chen coming out. Su Chen pouted and followed slowly.

In the inn, there was a three-story building Outside the building, there are guarded guards everywhere. Each of these guards are at the Golden Core Realm. The warriors and immortal cultivators who came to participate in the auction all looked like they had seen a ghost.

"Holy shit, did I read that right? The guards here are stronger than me"

"Golden elixir realm, Nascent Soul realm, these are powerful immortal cultivators"

"I am a great master, this really makes me feel ashamed"

"Let's go. It's best not to cause trouble here, otherwise we won't be able to leave alive."

"Who is this auction organized by? This is too powerful."

"Tsk, is this powerful? All the inner disciples of Qingyun Sect are in the Nascent Soul Realm. The guards here may not be as powerful as the inner disciples of Qingyun Sect."

In front of the small building, the warriors and immortal cultivators who came to participate in the auction all whispered when they saw the situation here. However, some powerful immortal cultivators simply ignored these.

Su Chen and Baguio also came here. In front of the small building, they looked at this place and didn't care.

Baguio was not interested in these guards. Although these guards were powerful, they were far behind compared with the Ghost King Sect.

Su Chen was more interested in these guards. Don't care, he can kill these guards with one hand now.

"Aren't you afraid?"

When Baguio saw Su Chen passing by the guards without changing his expression, she asked Su Chen doubtfully,

"afraid of what?" Su Chen looked at Baguio and asked with a smile.

Baguio stared at Su Chen and said coldly,

"The guards here are all immortal cultivators. Why didn't you react at all when you saw these guards?"

Baguio is a little suspicious of Su Chen now.

Every warrior passing by here is very cautious, but this bastard is looking around as if he were playing. Su Chen is a great master. This bastard is facing dozens of people. Aren't the guards of an immortal cultivator not nervous at all?

Su Chen hurriedly pretended to be surprised and asked Baguio, "Are these guards cultivators of immortality? You didn't cheat on me, did you?"

Baguio stared at Su Chen for a while, then turned around and continued walking towards the small building. She guessed that this bastard's strength was probably due to the pills. A great master could not recognize a powerful immortal cultivator. This bastard is a good-for-nothing piece of trash

"Damn it, this little beauty Baguio is really shrewd, he almost discovered something just now."

Chapter 1618

During the auction,

Su Chen followed Baguio to a small private room on the second floor.

Su Chen shook his head when he saw the warriors and immortal cultivators arriving.

Only 10,000 gold coins can participate in this auction. There are many people here. With the arrival of hundreds of warriors and cultivators, the auction's admission fees alone may be a huge revenue.

Baguio saw Su Chen looking around casually, which made her very speechless.

She felt that she had found a fool to be cannon fodder, and hoped that this fool would not ruin her big event.

Otherwise, even if this bastard is not killed by the people of Qingyun Sect, she will kill him with her own hands.

Baguio patted Su Chen on the shoulder and reminded, "You bastard, be honest with me. There are many powerful immortal cultivators here. Don't cause trouble for me."

Su Chen smiled, sat down and asked,

"Who are the people on the third floor? Baguio glared at this bastard fiercely and introduced,

"On the third floor, directly opposite is the monk from Tianyin Temple, the private room on the left is Fanxiang Valley, and the women on the right are HeAmong the people of the sect, the rest should be one big sect such as Longhu Mountain, Maoshan, Shushan, Jinshan Temple and some top sects."

Su Chen listened to Baguio's introduction while looking at the people on the third floor.

When he heard that people from Shushan and Jinshan Temple were also arriving,

Su Chen hurriedly checked.

He was worried about the arrival of Jiu Jianxian and Fahai Old Bald Donkey. , if they all arrive, his identity may be exposed.

Su Chen checked and found no familiar people, which made him relieved. It was a mistake not to come in disguise this time. If his identity Being recognized here, I am afraid that the immortal cultivators of Qingyun Sect will not be able to let themselves leave safely.

Dangdangdangdang....

At this time, an old man on the first floor rang the small bell, and everyone in the small building became quiet.

When the old man saw that the small building had become quiet, he cleared his throat and said, "Welcome everyone to participate in this auction. There are more than ten treasures in this auction. The first treasure will be auctioned below."

A maid came to the old man carrying a jade box covered with black cloth. After the maid put the jade box on the table in front of the old man, the old man smiled and said,

"This is a three-thousand-year-old Ganoderma lucidum. There is no need to introduce the functions of the three-thousand-year-old Ganoderma lucidum one by one. The starting price of the three-thousand-year-old Ganoderma lucidum is 100,000 gold coins. Each increase in price cannot be less than 500 gold coins. The bidding starts now."

In the auction, after everyone saw that the first auction item was three thousand years of Ganoderma lucidum, some warriors in the auction began to bid.

"One hundred and ten thousand gold coins!"

"Eleven thousand gold coins!"

"I offer 130,000 gold coins. Three Thousand Years of Ganoderma lucidum is mine. My master is seriously poisoned. I hope everyone can be safe."

"I will pay 140,000 yuan. Three thousand years of Ganoderma lucidum is the best material for alchemy. I will not give it to anyone."

"145,000 gold coins"

"One hundred and fifty thousand gold coins!"

On the second floor,

Su Chen saw that a three-thousand-year-old Ganoderma lucidum was being competed by some warriors. This made him look at these warriors with great disdain.

Three-thousand-year-old Ganoderma lucidum should be very easy to obtain in the monster forest. The warriors here I'm afraid they are all timid warriors. I'm afraid they don't even dare to enter the monster forest.

Baguio saw that Su Chen was not interested in the three-thousand-year-old Ganoderma lucidum, so she said to Su Chen doubtfully, "You don't need the thousand-year-old Ganoderma lucidum." ? Three thousand years of Ganoderma lucidum can be refined into elixirs, which can enhance your strength to a small level."

Su Chen coughed when he heard Baguio's words and said, "Well, I don't have gold coins. How about you lend me hundreds of thousands of gold coins?"

"Don't even think about it!"

When Baguio heard that this bastard wanted to borrow money, she refused without thinking. Even if she had money, she couldn't waste it on a dying person.

Su Chen smiled and teased Baguio,

"Don't be so stingy, we all live under the same roof, and I will pay you back twice as much in the future."

Baguio's face turned red when she heard Su Chen's words.

This damn bastard, why do you live under the same roof?

She and this bastard just live in the same yard.

This shameless bastard,

Baguio can't wait to see her now. Kick this bastard out.

Baguio grabbed the clothes on Su Chen's chest and warned,"Su Chen, if you dare to talk nonsense to me again, you will leave.""

"How about borrowing money?"

"No, I won't borrow it!"

Su Chen saw some people around him looking over, so he hurriedly reminded Baguio,

"If you don't want to borrow it, don't borrow it. Wang Yao, please let me go. The two grown men were not pulling well. People around looked over. Those people saw us pulling and thought we were having sex. Special hobbies."

After Baguio heard what Su Chen said, she also noticed that some people around her were looking over. Baguio hurriedly let go of Su Chen and pretended to drink tea.

Su Chen looked at Baguio's blushing face and pretended to drink tea.

He smiled and reminded Baguio,"Wang Yao, your tea cup is empty, there is no tea in it.""

"Shut up!"

"Ha ha....."

Su Chen now feels that this little beauty is really interesting.

Baguio clenched her fists when she heard Su Chen's mocking voice. This time she will beat this bastard hard when she goes back.

Otherwise, she might be driven crazy by this bastard.

The auction was in full swing, but no one who went upstairs joined the bidding. Although these treasures were good, they were nothing to these big forces. They were all waiting for the next few. treasure.

An hour later, five or six treasures had been auctioned in the auction.

At this time, several guards pushed an iron cage into the middle of the auction.

When the tarpaulin of the iron cage was removed, a snake girl appeared in the iron cage. This snake girl was wearing a very revealing animal skin, with a bulging figure, an elegant and cold face, and two long legs. All exposed.

I'll do it!

Is this Yue Mei?

Why was Yue Mei arrested?

Su Chen recognized this snake girl when he saw it.

This was Yue Mei, the tribal leader under Queen Medusa.

Isn't Yue Mei from the desert snake tribe in the southern continent? How did she get caught in the Eastern Continent?

Did something happen to Queen Medusa?

The old man at the auction looked at Yue Mei in the cage and introduced,

"Everyone, this is a beautiful snake in the Golden Core Realm (Fighting Emperor). After being trained, it will become a powerful guard. The starting price of the beautiful snake is 500,000 gold coins. Each increase in price cannot be less than 10,000 gold coins."

"I'll pay 510,000!"

"Five hundred and fifty thousand, I want a beautiful snake who can not only sleep with me, but also act as a guard."

"Six hundred thousand!"

"Six hundred and thirty thousand!"

"Six hundred and fifty thousand, the beautiful snake is mine, I must get it"

"Six hundred and eighty thousand, you want? I still want it, so I can continue to add gold coins if I have the guts."

Su Chen looked at the warriors who kept bidding in the auction.

He was very angry.

Everyone who created this auction is dead.

Su Chen waited for the auction and the guards of the auction to preside over the auction. The old man, even the people hiding behind, he will not let go of any of these people.

Chapter 1619

In the cage in the middle of the auction,

Yue Mei looked at these humans and wanted to kill them, but her cultivation realm was sealed and she didn't even have the strength to commit suicide. This time she was really doomed.

A loud laugh suddenly came from a private room on the second floor, and then a man stood at the private room window and shouted, "Haha, I want this beautiful Snake Prince, and I'll pay you 800,000 gold coins!"

"It's the Crown Prince of the Song Dynasty. It seems we won't get this beautiful snake."

"The Crown Prince of the Song Dynasty must have a lot of gold coins. We can't earn the Crown Prince of the Song Dynasty at all."

"Didn't you see the old man next to the Crown Prince of Song Dynasty? That was a tribute from the Great Song Empire, and he was a cultivator in the realm of distraction."

"Forget it, I'd better not snatch it from the Song Dynasty Crown Prince. Even if I snatch it, I won't be able to enjoy it with my life."

"You are right. It is very easy for a distracted cultivator to kill us. We should not provoke the Crown Prince of Song Dynasty."

Everyone at the auction was talking about it.

The participation of the Crown Prince of the Song Dynasty made the buyers on the first floor dare not bid.

A cultivator in the realm of distraction, these people would not dare to offend the Crown Prince of the Song Dynasty, unless they are Some top sects, otherwise no one would dare to offend a Song Dynasty prince who has a divine bodyguard

"800,000 gold coins for the first time. Is there anyone who wants to bid?"

"Eight hundred thousand gold coins for the second time, and there was no bid for the beautiful snake, so it belonged to the Song Dynasty Crown Prince."

The Prince of the Song Dynasty looked at the people downstairs from the window with great disdain.

The most powerful people downstairs are the immortal cultivators in the Golden Core Realm. Unless they are seeking death, no one dares to offend him.

"Eight hundred thousand gold coins....."

"One million gold coins!"

At this time,

Su Chen also directly called out the price.

He originally wanted to save Yue Mei for a while, but after the Prince of the Song Dynasty called the price,

Su Chen changed his mind.

The Prince of the Song Dynasty wanted to invite the Qingyun Sect this time. People deal with themselves. Su Chen didn't play well with this dandy prince this time. He was sorry for this rare opportunity.

Baguio was stunned when she heard Su Chen's sudden bid.

This bastard!

This fool!

This damn fool is going to hurt him. Are you going to kill yourself?

Baguio looked at Su Chen and yelled angrily, "You bastard, are you crazy? Do you have a million gold coins?"

Su Chen spread his hands and said with a smile,

"Isn't this about you?"

Baguio's eyes darkened when she heard Su Chen's words.

This shameless bastard bought a beautiful snake and asked himself to pay the bill. Why doesn't this bastard die?

"You bastard, I want to kill you now."

Su Chen patted Baguio's back and said with a smile.

"Okay, okay, I know you are a rich man, and a private room on the second floor costs 100,000 gold coins, but you don't care at all and ask for a private room. Wang Yao, I will rely on you to pay the bill in a while."

"Don't even think about it!"

At this moment, the Crown Prince of the Song Dynasty looked at Su Chen's private room with a gloomy face.

He did not expect that the beautiful snake girl he had obtained had been cut off. Who was so bold to compete with him for the beautiful snake girl?

Everyone in the auction was confused. Looking at the private room where Su Chen was, even the people on the third floor looked at Su Chen.

The auction suddenly became quiet.

Everyone in the auction knew who dared to compete with the crown prince of the Song Dynasty for the beautiful snake. Female.

They all guessed that this person was either a top power person or a complete fool.

The Crown Prince of Song Dynasty looked at Su Chen and shouted,

"1.3 million gold coins, I will give you 1.3 million gold coins."

Su Chen heard that the Crown Prince of Song Dynasty was bidding again.

He walked to the window and laughed at the Crown Prince of Song Dynasty,

"The prince of the Song Dynasty wants to photograph a beautiful snake girl with 1.3 million gold coins? You are really a poor man. I offer two million gold coins. Prince of Song Dynasty, do you want to increase the price?"

The Prince of the Song Dynasty was very angry when he heard Su Chen insulted him.

He didn't expect that one day he would be called a pauper. Who is this bastard? Why did he deliberately target him?

"who are you?"

Su Chen mocked disdainfully, "You ask me to tell you? Then do you believe me when I say I am your grandfather?"

"you wanna die!"

The Crown Prince of Song Dynasty clenched his fists with anger on his face. He wanted to kill this bastard immediately, but an old man next to him stopped him and even shook his head at the Crown Prince of Song Dynasty.

Su Chen saw that the Crown Prince of Song Dynasty was angry His face turned dark, he raised his little finger and sneered,

"laugh! Prince of the Song Dynasty, with your master's cultivation, I can hit you ten times with one hand. Prince of the Poor Ghost, do you want to try?"

At this time, two powerful cultivators of the distraction realm suddenly appeared at the auction.

One of them shouted to Su Chen and the Crown Prince of the Song Dynasty,"Fighting is not allowed in the auction. If anyone dares to be presumptuous, don't blame us for being rude."

Su Chen looked at the two Immortal Cultivators of the Distracting God Realm who came over, but he didn't care.

These two Immortal Cultivators from the auction will die soon.

"Prince Da Song, do you want to increase the price?"

"Two and a half million!"

"Ha ha....., yes, I will pay three million!"

When the Prince of the Song Dynasty heard Su Chen's quotation again, he looked at the old man downstairs and shouted,"Mr. Fu, I suspect this man is causing trouble. He doesn't have that many gold coins at all. Mr. Fu from the auction said to Su Chen,"Little brother, we want to test your gold coins.""

Su Chen shook his head after hearing what Mr. Fu said at the auction.

He took out a colorful bead from the system space.

These are some decorations in the heaven. Su Chen also took a lot of them because they looked good.

Su Chen said Throw it directly to the auctioneer Fu Laodao,"No need, let's see if this is worth three million?""

Mr. Fu took the colorful beads and looked at them and couldn't take his eyes away.

The dazzling colorful beads are very beautiful. The seven colors are constantly changing. Even the colorful beads are a kind of orb. They are warm in winter and cool in summer. This is A rare treasure

"this.....This is totally worth three million gold coins, no, this is worth five million gold coins. I'm sorry, little brother, I offended you so much just now."

Everyone in the auction looked at Su Chen when they heard Mr. Fu.

This young man is really a prodigal.

Such a good treasure actually bought a snake girl. This young man is probably a dandy.

Baguio eyes Looking at Su Chen without blinking, she was very unfamiliar with Su Chen now.

From when Su Chen had a fight with the Crown Prince of the Song Dynasty, this bastard's temperament seemed to have changed.

A kind of nobility, even a noble emperor. The momentum flashed past.

She couldn't have been wrong about it.

Did this bastard hide his identity like herself? Did he even hide his cultivation level?

Su Chen looked at the Crown Prince of the Song Dynasty and mocked,

"Prince Da Song, do you want to increase the price? As long as you pay more than five million, this beautiful snake girl will be yours. However, no matter how I look at you, a poor guy, you don't have five million gold coins."

Chapter 1620

The crown prince of the Song Dynasty, Zhao Yang, sat down with a livid face.

He had lost all face today.

Five million gold coins?

He really doesn't have one now.

He used to have five million gold coins at his fingertips six months ago, but since the war between the imperial court and Lord Wu Xiang in the south, the imperial court's treasury has been unable to make ends meet, and most of his money has been used as military pay.

At this time, the old man next to Zhao Yang reminded Zhao Yang, "Prince, let this kid be rampant for a while. I will kill him after the auction, and I will also bring the beautiful snake back to you intact."

"Thank you very much, Sir."

Zhao Yang smiled and nodded when he heard the words of worship.

He thought that even if Su Chen spent an orb to get the beautiful snake, wouldn't it be a wedding dress for him?

"Your Highness, there is no need to thank you."

At this moment,

Mr. Fu from the auction began to give a final reminder,

"Five million gold coins for the first time!"

"Five million gold coins for the second time, there was no bidder, so the beautiful snake went to the young master on the second floor."

Everyone in the auction shook their heads when they heard Mr. Fu's words.

Although five million is good for buying a beautiful snake in the Golden Core realm, Su Chen on the second floor is obviously determined to win the beautiful snake.

Besides, Su Chen's identity is probably It's not simple at all. These people in the auction have no intention of continuing to compete with Su Chen.

"Five million gold coins, the third transaction, congratulations to the gentleman on the second floor for getting the beautiful snake girl."

Su Chen looked at the Prince of Song Dynasty and shouted to him,"Send it to my private room."

"Yes, sir!"

Baguio kept staring at Su Chen when he saw Su Chen sitting back. He was very suspicious of Su Chen's bastard.

"Don't look at it. Here, take it and play with it."

Su Chen saw Baguio staring at him.

He also knew that Baguio had doubts about his identity. Su Chen smiled and threw a colorful bead to Baguio.

Baguio took Su Chen's colorful bead. He asked in surprise,"You.....You actually still have colorful beads?"

Baguio was very confused when she looked at the colorful beads in her hand.

A colorful bead is a priceless treasure.

Just now she was complaining about this bastard for wasting a priceless treasure for a snake girl.

Now it seems that this bastard probably has many of these orbs. Where did this bastard find this kind of orb?

Su Chen looked at Baguio's surprised look and said with a smile,

"Haha, I, the young master, have plenty of beads like this. If I give you one more, our good deeds will come in pairs!"

"Bastard, what are you talking about? What good things come in pairs?" When Baguio heard Su Chen talking nonsense again, he turned his head in shame and anger.

Good things come in pairs?

With this bastard?

Baguio took the colorful beads and wanted to kill this bastard.

Su Chen patted Baguio on the shoulder. He joked and said,

"I got the beautiful snake, and you got two colorful beads. Aren't these good things coming in pairs?"

"Shameless pervert!"

Pengpengpeng....

At this time, the door of the private room was knocked, and a man's voice shouted outside the private room, "Sir, the beautiful snake you auctioned has been delivered."

"Come in!"

"Yes, sir!"

After a while, two maids helped the snake girl Yue Mei into the room. They helped the snake girl on the chair and bowed out.

"Lord Su Chen? why you?"

Yue Mei looked up to see who bought her, but she looked up and saw Su Chen, which made Yue Mei feel like she was dreaming.

Su Chen came to Yue Mei and unlocked her restricted question. road,

"Yue Mei, how did you get caught by the people at the auction? What about Cai Lin? Something happened to her too?"

Yue Mei resumed her actions and hurriedly saluted Su Chen,

"Sir, nothing happened to the queen. I was just accidentally caught by human traffickers in the Jia Ma Empire."

Yue Mei knows the relationship between Su Chen and Queen Medusa.

Su Chen will be the queen's man from now on.

She dare not be disrespectful to Su Chen. Besides, Su Chen saved her this time. Yue Mei is even more fond of Su Chen. Respectfully.

Su Chen breathed a sigh of relief when he heard Yue Mei's words.

Queen Medusa is his future woman.

He can't let anything happen to Queen Medusa.

"So, I thought something happened to Cai Lin, and you were really unlucky."

Baguio didn't expect that Su Chen knew this snake girl, and even this snake girl was very respectful to Su Chen.

Who is this bastard?

And what is the relationship between the queen of the snake tribe and this bastard? Why does this bastard Will she be very concerned about the Snake Queen?

Yue Mei was a little embarrassed and said to Su Chen,

"Sir, I'm a little unlucky. If I hadn't met you this time, I'd probably be worse off than dead."

"From now on, you should follow me. When I go to the Snake Tribe, I will take you back with me to save you from being caught again."

"Yes, my lord!"

Su Chen noticed that Baguio had been looking at him, so he shook his head and said, "Wang Yao, what are you looking at? Am I handsome again?"

"You are so handsome!" Baguio's face turned red when she heard Su Chen's words and she cursed.

Baguio was also fascinated by the identity of this bastard. For a moment, she forgot that she had been staring at this bastard.

This made her feel very special. Embarrassing.

Su Chen hugged Baguio's shoulders and said teasingly,

"I'm not handsome, but you are getting more and more beautiful. Now I think you will look very beautiful in women's clothes."

Baguio slapped Su Chen's hand away and said fiercely with eyes wide open,

"Shameless pervert, stay away from me. I am a man. If you touch me like this again, get out of here."

"OK, OK! "

Yue Mei looked at Su Chen and then at Baguio.

She didn't mind these other things.

She closed her eyes and quickly regained her strength.

The auction started again, but Su Chen was not interested in the items to be auctioned, and he did not participate in the auction.

An hour later,

Mr. Fu from the auction held a jade vase and said,

"Everyone, this is one of the last three treasures today.

"Tianyuan Dan"

"A Tianyuan Pill can elevate a cultivator below the distraction realm to a larger realm, but the disadvantage is that it is impossible to advance again in the future."

"There are three Tianyuan Pills in the jade bottle. They will be auctioned together this time. The starting price of the Tianyuan Pill is three million gold coins, and each increase in price will not be less than ten thousand gold coins."

After everyone in the auction heard what Mr. Fu said, these people were all jealous. Looking at the jade bottle in Lao Fu's hand, there are three Tianyuan Pills, which can create three powerful masters.

Some immortal cultivators who have no hope of advancing to the distraction realm are even more eyeing for Tianyuan Pills.

"Three and a half million gold coins!"

"I offer four million gold coins, and I must bid for the Tianyuan Pill."

"Four and a half million gold coins. I will never have the chance to advance to the distraction realm. I must get the Tianyuan Pill."

"Four million and eighty million gold coins!"

"Five million gold coins!"

"Six million gold coins!"

As the ghosts at the auction started bidding, even the big sects and top sects on the third floor started bidding.

Huh?

Why do those women from the Hehuan Sect keep looking at me?

Are they attracted by Baguio?

Su Chen suddenly He found that some women in the private room of Hehuan Sect were looking here, and they all seemed to be sizing up Baguio.

Su Chen laughed at Baguio in a funny way,

"Wang Yao, look at the third floor. Are the women from the Hehuan Sect looking at you affectionately?"
