

## Zongwu 1621

### Chapter 1621

When Su Chen saw the women from the Hehuan Sect looking towards them, he shuddered.

Women from the Hehuan Sect were undesirable.

Women from the Hehuan Sect were even whiter than white-bone spirits. Su Chen didn't want to be sucked into adulthood by those women. Dry.

When Baguio heard Su Chen's words, she looked towards the third floor.

When she saw the women of the Hehuan Sect really looking at her,

Baguio had a dark look on her face.

She didn't expect those bitches to hit her. When

Su Chen saw blue veins appearing on Baguio's forehead, he teased Baguio with a strange expression, "Wang Yao, you are so lucky. The women in the Hehuan Sect are more beautiful than the last. You are lucky again."

Baguio stared at Su Chen and shouted angrily

"How about I give it to you? Su

Chen hurriedly waved his hand and said, "Well, I can't afford to enjoy it. I'll leave those beauties from the Hehuan Sect to you!"

"Inglorious bastard, you'd better shut up, otherwise don't blame me for being rude to you"

"Listen to you, you are a rich man."

Baguio gritted her teeth when she heard Su Chen's words.

She felt that the anger she had felt in the past ten years or so was not as angry as the anger she felt today.

This bastard is finished, and

Baguio decided to kill him tonight. Bastard, otherwise, she would be pissed to death by this bastard.

At this moment, the Tianyuan Pill was also obtained by the monks of Tianyin Temple, worth

8.7 million gold coins.

These monks are really very rich.

Su Chen shook his head when he saw this.

Buddhism was destined to be destroyed.

Su Chen couldn't stand these fat-headed and big-eared monks more and more.

At this moment,

Mr. Fu from the auction took out a jade box. He opened this skill secret book and introduced it to everyone in the auction,

"Next is the second treasure among the three treasures. This is a celestial book obtained by a mercenary in the Ten Thousand Bat Cave."

"I don't know what the Heavenly Book is."

"But this is indeed a supreme cultivation method for immortality, but many people have not succeeded in practicing it."

"The Heavenly Book is now being auctioned, with a starting price of 5 million gold coins, and each increase in price is not less than 10,000 gold coins."

Mr. Fu looked at everyone in the auction after the introduction.

He was also very uneasy now.

Tianshu knew it was an extraordinary object just by looking at the material. However, no one in their organization had successfully cultivated it. Even the powerful ones Immortal cultivators in the divine realm have not succeeded in cultivation.

The organization has no hope for this book, so this auction also includes the auction of the book.

"Will the book be fake today?"

"It is possible that if no one succeeds in cultivation, can we practice it if we buy it?"

"Forget it, I'm afraid the Heavenly Book is really the Heavenly Book, but we ordinary people can't practice it at all, hahaha....."

"That's right, let's let those proud people of heaven take pictures of the practice."

"Those top powers should take action. After all, it is only five million gold coins. This money is just a drop in the bucket for those top powers."

People in the auction started talking after hearing Fu Lao's words. If no one has successfully practiced the technique, what's the use of them buying it?

"Amitabha, since no one bids, I will offer 5.5 million gold coins!"

At this time, a monk from Tianyin Temple said loudly in the name of Buddha,

"Eight million gold coins!"

On the second floor,

Su Chen looked at the monks of Tianyin Temple with great disdain.

Does Tianyin Temple not know the Book of Heaven? There are five volumes of the Book of Heaven,

Qingyun Sect has the fifth volume, Tianyin Temple has the second volume, and the fourth volume The volume was in the hands of Baguio's father. The Heavenly Book being auctioned this time was the first volume. Are the monks from Tianyin Temple planning to pick up the missing volume?

Baguio heard Su Chen bid again, which made her eyes darken.

This damn bastard , what is the purpose of taking a picture of a Heavenly Book that cannot practice? Does this bastard have too much money?

An old monk from Tianyin Temple looked at Su Chen and asked doubtfully, "Little donor, are you also interested in the Heavenly Book?" ?"

Su Chen shook his head and said with a smile,

"No, my table is a little unstable. I plan to go back with the Holy Book and pad the table."

After everyone in the auction heard Su Chen's words, they all had black lines in their heads.

No one here thought that Su Chen would say this.

Doesn't this bastard have so much money that he has no place to put it?

A heavenly book Just bid 8 million.

This guy is a complete prodigal.

Zhao Yang, the crown prince of the Song Dynasty, looked at Su Chen with great disdain,

8 million?

This bastard is really rich, but after today, this bastard's money will be Damn it, Zhao Yang couldn't let Su Chen survive tonight.

When Baguio heard Su Chen's words, he glanced at this bastard. This bastard was talking nonsense.

What kind of table mat?

Someone would buy it with eight million gold coins. Are you going to use the treasures to place the table?

However,

Baguio is also interested in the Heavenly Book.

She feels that it is impossible for Su Chen to use eight million gold coins to buy a technique that cannot be practiced. There should be something special about this Heavenly Book, this bastard It makes Baguio feel more and more mysterious.

"I'm offering 10 million gold coins. Donor, this is my last bid. Do you have to think carefully about it?"

"oh? That young master offered 1,010,000 gold coins." Su Chen laughed and said loudly when he heard what the old monk said.

Su Chen didn't believe that these monks in Tianyin Temple would give up. These sheep in wolf's clothing, he just wanted to see these hypocritical monks. After a while, What kind of ugliness is showing?

"Holy shit! Is this young man humiliating the monks of Tianyin Temple?"

"Just adding 10,000 gold coins, this young man is probably deliberately humiliating Tianyin Temple"

"This is not against the rules. The auction has said that the price will be increased by at least 10,000 gold coins. This young master may have no money anymore."

"is it possible? I don't believe that this young man has no money"

"If you don't believe it, there will be a good show soon."

Everyone in the auction began to discuss the confrontation between Su Chen and Tianyin Temple.

They were all looking forward to what Tianyin Temple would do next?

Should they give up the auction of the Book of Heaven from now on?

Or should they continue to increase the price with Su Chen? ?

On the third floor,

Hehuan Sect, Shushan, Fenxiang Valley, Jinshan Temple, etc. These big sects and top sects all looked at Su Chen with interest.

They all saw that Su Chen did this on purpose. Could it be God? Did the monks of Yin Temple offend Su Chen?

Otherwise!

Why did Su Chen humiliate Tianyin Temple like this?

The monks of Tianyin Temple looked at Su Chen very unkindly one by one. They did not expect that this bastard had offended everyone before. Prince Song, now he wants to offend their Tianyin Temple again

"Donor, are you doing this to bring shame on our Tianyin Temple?"

Chapter 1622

Su Chen smiled when he heard what the old monk from Tianyin Temple said, a slap in the face?

He is not just a slap in the face.

These Buddhist monks are really shameless people. They are so noble when picking up leaks. These old monks are all shameless old bald donkeys and shameless old bastards.

Su Chen looked at the old monk from Tianyin Temple and mocked,

"Old monk, did I slap you in the face? Didn't you just say the last price increase? Don't be embarrassed here if you don't have money. If you have money, increase the price. I can treat what you just said as fart.

The old monk from Tianyin Temple looked at Su Chen and said expressionlessly, "Amitabha, the donor is possessed!"

Su Chen's face turned green when he heard the old monk's words.

These damn monks would say something like this even if they couldn't say anything.

This sentence is a big label. If this is the territory of Buddhism, even Buddhists will definitely eat it. Himself, then this sentence can send Su Chen to hell.

Su Chen cursed the old monk unceremoniously,

"Damn it, I'm just obsessed. What's wrong? Old bald donkey, don't just slap the blame here. This is the territory of the Taoist sect. Do you, Tianyin Temple, want to be destroyed by the Taoist sect?"

"Is the donor from a Taoist sect?"

"This young master belongs to the Queen Mother of Heaven, what do you want to do? Destroy me?"

"Donor, monks don't lie. Please tell me your sect and your name."

Su Chen curled his lips when he heard the old monk's words and said,

"This young master's sect is the Heavenly Palace of Yaochi. You can call me the Divine General of Yaochi."

Su Chen didn't tell lies when he said this.

He was originally a direct subordinate of the Queen Mother,

Yaochi Fairyland, and

Yaochi Divine General.

These are absolutely true things, but these people in the Godfall Continent don't know.

In the auction Everyone's mouths twitched when they heard Su Chen's words.

People from the Queen Mother?

Yaochi Immortal Palace?

Yaochi Divine General?

Why didn't this bastard say that he was the Emperor of Heaven?

Lying is unrealistic.

Such deception by Su Chen The monks of Tianyin Temple and everyone in the auction would not believe such lies.

Baguio looked at Su Chen and stayed away from this bastard.

Is this bastard really looking for death?

It was enough to offend the prince of Song Dynasty before. This bastard drank a pot, and now this bastard has provoked the Tianyin Temple of the top sect. This bastard really has a long life.

When Baguio heard what Su Chen said about the Queen Mother, the Yaochi Immortal Palace, and the Yaochi God Jiang, she didn't believe what this bastard said at all, and now she didn't believe every word that this bastard said. In the private room of Tianyin Temple, a strange and indifferent monk said to the old monk just now," Senior Brother Huizhi, this guy is obviously talking nonsense. Let's continue bidding and deal with that guy later. Huizhi named the Buddha and nodded and said,"Amitabha, this is the only way. Huiming, there is no need to bid. This donor will give us the Book of Heaven.""

"Amitabha, senior brother is right."

Huiming's eyes lit up when he heard Huizhi's words.

He understood what his senior brother Huizhi meant.

Even if this kid bought the Heavenly Book at auction, tonight is the day when this kid dies, and the Heavenly Book will return to the hands of Tianyin Temple. There is still a lot of money left.

Huizhi put her hands together and said to Su Chen,

"Amitabha, donor, we gave up the auction, we Tianyin Temple kept our word."

Su Chen gave Huizhi a middle finger and said disdainfully,

"Come on, old monk, I know what you bald donkeys have in mind. Are you going to rob and kill me after today's auction? Are you even going to take away the Heavenly Book again?"

"The donor joked, we are monks and we will not kill at will."

"Old monk, I live in the small courtyard behind this inn. After the auction, I hope you will come and rob me."

"The donor joked."

Su Chen is too lazy to pay attention to these bald donkeys in Tianyin Temple.

As long as these bald donkeys dare to rob and kill him after the auction, it is time for Qingying to move around. These bald donkeys are looking for death, and Su Chen doesn't mind sending them there. Seeing Buddha in the west.

Su Chen looked at Mr. Fu at the auction and shouted, "Old man, don't just watch the show. No one continues to increase the price. Does the Book of Heaven belong to me?"

"Of course, of course, the Book of Heaven belongs to the Young Master."

Mr. Fu nodded hurriedly when he heard what Su Chen said.

He doesn't dare to offend Su Chen now.

This young master first offended the Crown Prince of the Song Dynasty, and now he offended the Tianyin Temple.

The Song Dynasty was in the auction. But there is a master who is in the Dividing Realm, and there are more powerful people in Tianyin Temple in the auction. There are four immortal cultivators in the Dividing Realm, and there are two immortal cultivators in the Fusion Realm.

But Su Chen is a little bit different. He was not afraid at all, and even had an aggressive attitude.

He guessed that Su Chen's background was probably very complicated, which made the people at the auction dare not offend Su Chen.

"Hurry up to the last auction"

"Okay, okay."

After Mr. Fu hurriedly asked the guards to deliver the Book of Heaven to Su Chen's private room, he waved it next to him and prepared for the auction of the last treasure.

Mr. Fu saw a large box being carried over by the guards, and he took a look He looked around and said loudly,

"Everyone, the last treasure today is now up for auction. This is a mermaid purchased from a mercenary group in the Western Continent for a large sum of money, which is also the mermaid of the Western Continent."

After the curtain of the box was opened, a transparent crystal cage appeared in front of everyone. In the crystal cage, a beautiful beauty with a human body on the upper body and a fish tail on the lower body appeared in front of everyone.

This beautiful mermaid had blue hair. She has long hair, big blue eyes, and is very beautiful. She has a delicate and beautiful face, a curvy figure, and wears a special bra with a tube top on her upper body. This makes the mermaid look very beautiful and alluring. A mermaid looks like a mermaid. The frightened look made some people in the auction feel a little unbearable.

"So beautiful, what's the use of just being a mermaid?"

"Yes, she is very beautiful, but her lower body is a huge fish tail. What's the use of just taking a photo of it?"

"Don't you know that mermaids can transform into legs?"

"Forget it, you can't waste money like this. Mermaids live in the water. What kind of beauties are there in the Eastern Continent? I won't waste gold coins to buy a mermaid"

"I like this beautiful mermaid, I will take a photo of this mermaid this time."

Some people at the auction don't care about mermaids at all, while others look at the mermaid in the crystal cage with lustful eyes.

Some people at the auction want to kiss the mermaid. What the mermaid looks like She was so beautiful that she even belonged to a foreign race. Some people wanted to buy the mermaid to enjoy.

Baguio saw Su Chen looking at the mermaid without blinking, which made her angry and yelled at Su Chen,"Shameless pervert, your eyes will pop out."

Chapter 1623

Baguio was so angry that he wanted to strangle this bastard immediately.

The snake girl before and the mermaid now, the snake girl was bought by this bastard after he met her.

But this bastard looked like he was drooling just looking at the mermaid, which made Baguio very angry.

Men are all the same.

When they see a beautiful woman, they reveal their true colors.

Although Baguio was very sympathetic to the mermaid's plight, she was helpless.

It's impossible for her to save this mermaid with her strength.

Money?

This time she only brought more than one million gold coins, which made it impossible to bid for the mermaid.

Su Chen was speechless when he heard Baguio's words.

Why was his eyes about to fall off?

It was only the first time for Su Chen to see a mermaid, and he was just a little curious about mermaids.

Dang Dang Dang.....

Mr. Fu from the auction rang the small bell and said loudly,

"Everyone, this mermaid is still a virgin, and she is also a golden elixir realm (senior mage). The starting price of the mermaid is five million gold coins, and each increase in price is no less than one hundred thousand gold coins. The auction begins."

"I offer 5.5 million gold coins!"

"Six million gold coins!"

"Eight million gold coins!"

"8.3 million gold coins!"

"Let me guess, how come the bidding is so fast? I offer nine million gold coins, and I must get the mermaid"

"Don't fight me for 10 million gold coins. I'm going to lose everything this time to get this mermaid."

"Come on, if I pay 12 million gold coins, I also want to get this mermaid. If you have the guts, keep raising the price."

After the mermaid auction started, the powerful immortal cultivators in the auction all started bidding, and the bidding speed was still very hot. In just a while, the competition for the mermaids climbed to more than 10 million gold coins. In the private room of the Prince of Song Dynasty,

Zhao Yang walked around in the private room angrily.

He looked at the hot auction below and couldn't participate at all.

After a while, the mermaid's bid reached tens of millions, and he didn't even have three million.

This made Zhao Yang He was very angry and helpless.

Zhao Yang thought of Lord Wu Xiang in the south and cursed angrily,

"Damn it, if Wu Xiangjun in the south hadn't rebelled, I wouldn't have had money. Mermaids, these are mermaids that are scarcer than elves in the Western Continent, and I didn't have the money to buy them."

The priest next to Zhao Yang touched his beard and reminded,

"Your Highness, don't worry, as long as those top sects don't bid for the mermaid, the mermaid will definitely belong to His Highness."

Zhao Yang's eyes lit up when he heard Wang Chongfeng's words.

He was also confused by anger.

There was a powerful cultivator of the distraction realm beside him. Most of the warriors in the auction were not Wang Chongfeng's opponents, but those who were top-notch. The sect did not participate in this auction.

Zhao Yang thought that no matter who bought the mermaid, he would still get the mermaid in the future.

"Wang Zongfeng, I'll trouble you this time. After returning to the imperial capital, I will ask my father to give you a token to enter Lintian Pavilion."

"Thank you, His Royal Highness."

On the third floor, neither the major sects nor the top sects participated in the mermaid bidding. These sects will not damage the reputation of their sects just to buy a mermaid. In the private room of

Hehuan Sect, there are six beautiful beauties wearing scantily clad clothes. Watching the mermaids bidding downstairs, a pretty little girl smiled at a beautiful girl in white and said, "Sister Yiyi, the auction is about to end, when will we go find that handsome little brother?"

The beautiful girl named Yiyi looked at Baguio on the second floor.

She smiled and said coldly,

"After a while, that young man was implicated by his companions. After a while, we will rescue the handsome young man."

The little beauty nodded when she heard Yiyi's words and said, "Well, I'm also worried that the young master will be implicated by that arrogant bastard."

The other beauties also began to discuss,

"Haha, this time we have to rely on our own abilities. No one is allowed to rob that young man. Whoever he likes to be with among us, no one can break the rules."

"I'm afraid we have no hope. Sister Yiyi is so beautiful. That young man must be fascinated by Sister Yiyi."

"Yes, none of our sisters here can compare to Sister Shiyi."

"We'd better leave Sister Yiyi to rescue the young master, so that the young master will have a better impression of Sister Yiyi."

"Well said!"

Yiyi smiled when she heard what the sisters said.

Although she was interested in Baguio, she was more interested in Su Chen.

Yiyi also found that Su Chen was very different. Su Chen first offended Song Dynasty. The prince later offended the top power Tianyin Temple.

However, she found that Su Chen was not panicked at all, and did not even show any timidity.

This made Yiyi feel that Su Chen was not a stupid playboy.

Su Chen I'm afraid he has some unknown secret

"Twenty million gold coins!"

At this time,

Su Chen suddenly stood at the window of the private room and shouted.

Su Chen thought that the mermaid was captured from the Western Continent. Mermaids are a very beautiful race like elves. The elf princess Sylph is His woman,

Su Chen, also wanted to save this mermaid. He wanted to ask this mermaid if she knew the elf princess Sylph.

"Shameless pervert!"

Baguio glared at Su Chen and cursed.

She thought that this bastard would not be interested in this mermaid. After all, this bastard already had a beautiful snake beside him, but she did not expect that this shameless pervert would also be interested in the mermaid. Greed.

When Su Chen heard Baguio scolding him, he hugged the beautiful Snake Yuemei's waist and mocked,

"It's none of your business, Wang Yao, are you envious of me? I already have a beautiful beautiful snake. If I buy this beautiful mermaid again, I will have two beautiful and beautiful beauties of other races."

"I'm so envious,"

Baguio shouted with disdain as she saw Su Chen hugging Yue Mei arrogantly.

"Just wait, I have no time to talk to you now."

"Shameless pervert, you really want to die."

Baguio held back her anger and wanted to strangle this bastard to death.

She felt that Su Chen was becoming more and more wanton, eating her own food, living in her own house, and she even brought this bastard to the auction.

But now?

This bastard Do you think he can do whatever he wants now that he is rich?

Su Chen smiled and looked downstairs with the beautiful snake Yuemei in his arms. He offered 20 million gold coins this time. It should be impossible for these forces downstairs. Will continue to raise prices

"Amitabha, Tianyin Temple bids 25 million!"

"Hehuan Sect offered 30 million!"

At this time, the bids from Tianyin Temple and Hehuan Sect made the entire auction quiet down.

The bids of the women from Hehuan Sect were understandable, but why did the monks from Tianyin Temple also bid? Could it be that these monks Have you also developed lust and greed?

"Damn it, Yue Mei, Wang Yao, did I hear you right? The monk from Tianyin Temple also made a bid? What are these monks going to do? Don't monks also resist the temptation of mermaids?"

Chapter 1624

After Su Chen heard the bids from Tianyin Temple and Hehuan Sect,

Su Chen was very confused.

The women from Hehuan Sect made bids. Could it be that Hehuan Sect wanted to bring mermaids into their sect?

But what about Tianyin Temple?

Why did those monks also bid?

Are all these monks in Tianyin Temple breaking their precepts?

Yue Mei shook her head when she heard Su Chen's words and said, "Sir, I don't know, but I think the monks from Tianyin Temple are probably targeting you."

Baguio analyzed Su Chen with a serious look on his face. ,

"It should be so. After all, Tianyin Temple was humiliated by you just now. I'm afraid they are deliberately causing trouble. Why the Hehuan Sect also bids for the mermaid, I can't guess."

Baguio also didn't expect that after Su Chen offered 20 million gold coins, Tianyin Temple and Hehuan Sect would follow suit.

This bastard is a disaster star.

The prince of the Song Dynasty,

Tianyin Temple, and another Hehuan Sect appeared this time. Zong, does this bastard want to offend all the powerful forces in the auction?

Su Chen nodded when he heard Yue Mei and Baguio's words.

He also thought of this.

Tianyin Temple was probably deliberately looking for him. The trouble was just those messy women from the Hehuan Sect, and Su Chen didn't know what they were going to do.

At this time,

Monk Huizhi from Tianyin Temple said to the girls from the Hehuan Sect,

"Amitabha, since the female benefactors of the Hehuan Sect have also bid, our Tianyin Temple will no longer bid. We hope that the female benefactors of the Hehuan Sect will treat the mermaids well in the future."

Yi Yi from the Hehuan Sect smiled coquettishly and said to Huizhi from Tianyin Temple, "Master Huizhi, the mermaid may not necessarily be bought by our Hehuan Sect. You said it too early."

"Amitabha, the female donor is right."

After Su Chen heard what the old monk from Tianyin Temple said, he walked out of the private room with Yue Mei in his arms.

The old bald donkeys from Tianyin Temple would really go down the steps. If the Hehuan Sect doesn't participate in the bidding this time, Tianyin Temple will. These old bald donkeys in Yinsi probably have a different look.

Su Chen looked at the old bald donkeys on the third floor and mocked loudly,

"You bald donkeys, why do you want to abstain? Don't you bald asses not want mermaids? I just want to see what you bald asses will do when you get a mermaid."

When Monk Huizhi saw Su Chen appear, he even directly attacked Tianyin Temple.

He said to Su Chen without changing his expression,

"Amitabha, benefactor, our Tianyin Temple wants to rescue the mermaid. After all, the mermaid is also a living being. She should not be bought and humiliated by you like this."

Su Chen looked at the hypocritical old monk and cursed with disdain,

"Damn it, you old bald donkey said it nicely. Today, I want to buy this mermaid and humiliate it. You Tianyin Temple has the guts to continue to increase the price. I will pay 35 million gold coins. Old bald donkeys, This young master has increased the price again."

After Su Chen scolded these old bald donkeys, he hoped in his heart that these bald donkeys would angrily increase their prices.

As long as these bald donkeys continued to increase their prices,

Su Chen would no longer bid. This time, he would let these old monks bid. Get off the mermaid. Anyway, he will kill these monks tonight, and then he can rescue the mermaid.

After Baguio heard Su Chen bid again, she hurriedly came out of the private room and reminded Su Chen,

"You bastard, are you bidding on what the mermaid is doing again? What if the monks at Tianyin Temple stop bidding? Weren't you fooled by the monks from Tianyin Temple? Su

Chen shook his head indifferently and replied, "The monks from Tianyin Temple will not bid unless they bid. Wouldn't it be good to get a beautiful mermaid for 35 million?"

"You are an idiot! Su

Chen looked at Baguio and said speechlessly, "I mean, Wang Yao, why do you always get angry at me?" We are one, you should join me in yelling at those bald donkeys"

"I'm too lazy to talk to you. Baguio glanced at Su Chen with a red face and said angrily, she and this bastard are one?

The genius and this bastard are one.

This damn pervert,

Baguio suspected that this bastard guessed that she was a woman, Otherwise! Why does this bastard tease him again and again?

"Forty million gold coins, Tianyin Temple offered 40 million gold coins."

At this time, when a middle-aged monk came out of the private room of Tianyin Temple, he glared at Su Chen and shouted loudly,

"Huiming?"

Huizhi heard that Huiming was bidding without his permission, which made him frown and feel very uneasy.

Huiming pointed at Su Chen and said angrily,

"Senior brother, that boy is too arrogant. I will make it difficult for that boy this time. I will raise the bid higher and let that bastard boy pay more money. Huizhi sighed and reminded, "Oh, Huiming, what if the donor stops bidding?"

Huiming shook his head and said with great certainty,

"Senior brother, this is simply impossible. Didn't you see that pervert holding the snake girl? That boy is an extreme sex fiend, there is no way he would let us take a photo of the mermaid.

When people in the auction heard that Tianyin Temple was bidding again, they all looked at Su Chen and Hehuan Zong who were laughing.

They all wanted to know whether Su Chen and the Hehuan Sect would still bid.

If Su Chen and the Hehuan Sect stopped bidding,

Tianyin Temple would probably become famous.

The monks of Tianyin Temple actually spent a huge amount of money to buy the auction. A stunningly beautiful mermaid.

It will be difficult for Tianyin Temple not to become famous in the future

"Ha ha....."

Su Chen heard that Tianyin Temple was bidding, which made him laugh.

The mermaids were given to these bald donkeys from Tianyin Temple first.

Forty million gold coins?

Tianyin Temple is too rich

"Su Chen, you won't bid anymore? Baguio asked suspiciously when she saw Su Chen laughing.

"Do you think I'm stupid?"

"Aren't you stupid?"

"I guess, this young master is smart, Tianyin Temple actually bids again, I am still bidding, as long as the Hehuan Sect stops bidding, Tianyin Temple will become famous this time. Baguio looked at Su Chen's proud look and reminded him, "Then you will be even more dangerous in the future. Tianyin Temple will not let you go.""

Su Chen suddenly hugged Baguio's shoulders and said with a smile,

"Wang Yao, I can only count on you to protect me. After all, we are brothers who live and die together."

Baguio was hugged again by Su Chen and hurriedly broke away and yelled,

"Go away, we are not familiar with each other, and whether you live or die has nothing to do with me."

Baguio was very sure that this bastard had found her woman. Damn it

, this bastard touched her just now. This made Baguio want to take out a short blade and stab this shameless bastard to death.

Su Chen looked at it in shame The angry Baguio smiled.

This girl's body is really soft, but it seems that Baguio is starting to guard against herself. Did Baguio find out that he knew she was a woman?

Su Chen didn't dare to tease Baguio too much. , he shouted to the monks of Tianyin Temple,"Old monk, your Tianyin Temple is too rich, this time I am willing to give up, and the mermaid will belong to your Tianyin Temple."

Chapter 1625

The monks in Tianyin Temple were all confused now.

They didn't expect that Su Chen would stop bidding, forty million gold coins!

Do they, Tianyin Temple, have to spend 40 million gold coins to buy this mermaid? If Tianyin Temple really bids for the mermaid, Tianyin's reputation will be completely ruined.

Regardless of whether they release the mermaid in the future, all sects will discuss Tianyin Temple's bidding for the mermaid, and even some hostile forces will make a fuss about the mermaid auction.

Huiming looked at Su Chen in confusion.

He didn't expect that Su Chen stopped bidding.

Doesn't that bastard like beautiful women?

Why don't you continue to increase prices?

"Senior brother, I....."

With a livid face, Huiming was about to apologize to Huizhi, but was interrupted by Huizhi before he could finish speaking.

Huizhi looked at Huiming, shook her head and said,

"Huiming, stop talking. I hope those female benefactors from the Hehuan Sect will bid again."

"Senior brother, will the female benefactors of the Hehuan Sect bid?"

"well! Not sure!"

Huizhi didn't expect that Huiming was fooled by Su Chen.

Su Chen had no intention of continuing to increase the price.

Su Chen was setting a trap for Tianyin Temple again, but Huiming was still confused by Su Chen's provocation and fell into the trap.

And then At this moment, all the women from the Hehuan Sect were watching the show.

They did not continue to increase the price.

Yiyi also increased the price casually just now. The Hehuan Sect will not accept women from other races, let alone women from other continents. He may practice the Hehuan Sect's skills.

The auction is very quiet now.

Everyone here is looking at the monks from Tianyin Temple.

After they heard that Su Chen gave up the bidding, these people also knew about Tianyin. The monks in the temple were fooled by Su Chen.

At this moment, the Prince of Song Dynasty shouted in the private room with a gloomy face,

"Damn it, why did these idiots like Tianyin Temple fall into that bastard's trap? What should we do now? The mermaid was auctioned by Tianyin Temple. Who dares to snatch the mermaid from the monks in Tianyin Temple?"

Wang Gongfeng shook his head when he heard Zhao Yang's words and said,

"Alas, Your Highness, give up, Tianyin Temple is not something we can offend."

Tianyin Temple has four Immortal Cultivators from the Distracting Realm this time, and even two old monks from the Fusion Realm.

Wang Zongfeng is just an Immortal Cultivator from the Dividing Realm. He does not dare to snatch the mermaid from the top power Tianyin Temple.

"That bastard must die, Wang Zongfeng, he will be robbed and killed after the auction."

"Don't worry, Your Highness, I will definitely kill that boy."

Mr. Fu from the auction is a little at a loss now.

He doesn't know whether to announce that Tianyin Temple's bidding was successful.

Tianyin Temple is a top power. This time, Tianyin's monks were obviously tricked by Su Chen. If

Mr. Fu announces that the Tianyin Temple bid is successful, he is afraid of bringing trouble to his power.

Su Chen hugged Yue Mei and arrogantly shouted at Mr. Fu,

"Old man, no one has raised the price, why haven't you announced that the Tianyin Temple auction was successful?"

Mr. Fu from the auction shouted with a dark face when he heard Su Chen's words,

"Well, 40 million for the first time!"

"Forty million for the second time, everyone, if the price is not increased, the mermaid will belong to Tianyin Temple."

Su Chen continued to provoke the bald donkeys in Tianyin Temple, "Old bald donkeys, you are going to break the precepts tonight. I wonder if the Buddha knows about it, will he go down to the lower world and execute you Buddhist scum? Huizhi looked at Su Chen and said expressionlessly, "Amitabha, donor, you have gone too far.""

Su Chen mocked disdainfully,

"Pass? I don't think that this young master wants to take a photo of a beautiful woman. Who asked you stinky bald asses to disrupt the situation? This is what you old bald asses brought upon yourself. Baguio grabbed Su Chen and reminded her anxiously, "Su Chen, can't you say a few words less?" Are you really looking for death?"

Baguio saw that Su Chen kept provoking the monks of Tianyin Temple, which made her very helpless.

If the monks of Tianyin Temple were angered by Su Chen, she would also be in trouble.

Baguio is going to go this time The Qingyun Sect was doing something big, and she didn't want to be dragged down by this bastard before she even entered the Qingyun Sect.

"cannot!"

"Damn it, do you want me to die with you? Su

Chen smiled when he heard Baguio's words and said, "Wang Yao, we are good brothers. How about we become sworn brothers now? We will be born in the same year, the same month and the same day, and die in the same year, the same month and the same day.""

"roll!"

Baguio wanted to strangle this bastard to death with a black face, but he also wanted to sworn sworn sworn sworn sworn relationship with himself?

What a shameless pervert.

This bastard knew she was a woman and still dared to say this. Does this bastard really want to die?

Auction Mr. Fu also felt upset and declared,

"Forty million gold coins, for the third time, the sale was completed. Tianyin Temple won the bid for the mermaid. Everyone, today's auction has ended. Please leave in an orderly manner."

"gone!"

Su Chen patted Baguio and hugged Yue Mei to leave.

However, in their private room, some female ghosts with fluttering white clothes were secretly kept by Su Chen.

Everyone at the auction will die.

Su Chen They will not let go of the organization that caught the beautiful snake girl. All the people at the auction will be killed, and all the money in the auction will be robbed.

When Baguio saw that Su Chen was not afraid to leave the auction, she looked at Su Chen He asked doubtfully, "You still dare to go out? The prince of the Song Dynasty and the people from Tianyin Temple will not let you go outside."

"Don't worry, nothing will happen to me"

"Su Chen, who are you?"

Baguio looked at Su Chen with a serious face.

Baguio was very suspicious of Su Chen.

She originally wanted to find a bad guy to support her, but now it seems that she has found an ancestor.

I'm afraid this bastard is really not an ordinary person.

Su Chen looked at Baguio and asked with a smile,

"Wang Yao, then who are you? The name Wang Yao is also fake, right? What do you want to do when you come to Qingyun City disguised as a man?"

"You bastard, you really have discovered my identity a long time ago?"

Baguio looked angry when she heard Su Chen's words.

Her guess was indeed correct.

This bastard knew she was a woman a long time ago, but this bastard kept touching her, this damn pervert!

Su Chen laughed Then he boasted,

"Come on, how can a man be so handsome and comely? The men who are more handsome than me are all women. Baguio rolled her eyes at Su Chen and mocked, "You are so narcissistic. What's wrong with me being a woman?" It would be very dangerous for me to be a woman when walking outside, so I just disguise myself as a man."

"Wang Yao, change into women's clothes and let me see you. You must be a stunning beauty."

"You are dreaming!"

Outside the auction building, many people who came to participate in the auction did not leave after they came out. They all speculated that Su Chen could not leave safely.

The Prince of Song Dynasty,

Tianyin Temple, these people could not let Su Chen go.

As long as Su Chen appears outside the auction, these people will probably take action against Su Chen without hesitation.

Outside the auction, the beauties from the Hehuan Sect did not leave either. A beautiful woman said to Yiyi, "Sister Yiyi, shall we take action to rescue that handsome young man later?"

"Haha, go and save that handsome young man. I am more interested in that arrogant young man."

Chapter 1626

Yiyi from Hehuan Sect was very interested in Su Chen.

Su Chen's arrogance and domineering attitude, and even Su Chen's calmness in times of danger made her feel that Su Chen was very extraordinary.

Besides, Su Chen was also very handsome, even The special temperament made her very curious. Yiyi felt that Su Chen was more attractive to her than Baguio's pretty boy.

Before the auction, Wang Congfeng, the bodyguard of the crown prince of the Song Dynasty, stood in front of the auction.

Wang Congfeng waited for Su Chen to come out expressionlessly.

Prince Zhao Yang wanted him to kill Su Chen and take away the beautiful snake. Wouldn't he? Will let Su Chen leave the auction alive.

After a while, the monks from Tianyin Temple also appeared.

Everyone outside the auction saw the monks from Tianyin Temple carrying the crystal cage out.

They looked over one after another, but the crystal cage was covered by black cloth, and they couldn't see the mermaid's appearance. bump!

The monks from Tianyin Temple arrived outside the auction.

They put down the crystal cage and stopped. These monks also looked at the auction.

They wanted to wait for Su Chen to come out, the man who insulted and teased them from Tianyin Temple. Su Chen, they will not let it go.

At this time,

Su Chen also walked out of the auction with Yue Mei and Baguio in his arms.

Baguio was very helpless when she saw the situation outside the auction.

She was going to be killed by Su Chen this time, a bodyguard of the prince of the Song Dynasty who was a cultivator of the divine realm, and four cultivators of the divine realm of Tianyin Temple. Two Fusion Realm cultivators, these powerful men are not something she can deal with.

After Su Chen looked at the people watching the excitement around him, he looked at Wang Zongfeng and the monks from Tianyin Temple and laughed,

"They're all here! Huh? Where is the Prince of Song Dynasty? That coward wouldn't be so scared and run away, would he? Wang

Gongfeng looked at Su Chen and shouted indifferently, "Boy, are you going to commit suicide or let me pick you up?"

"You old man, stop talking nonsense, can you kill me?"

"you wanna die!"

"Dry tongue!"

Whoosh!

Su Chen suddenly appeared next to Wang Chongfeng. He grabbed Wang Chongfeng's neck with one hand before Wang Chongfeng had time to react.

"Die!"

Crack!

Su Chen immediately strangled Wang Chongfeng's neck. Wang Chongfeng died with his eyes wide open.

"Let me go, this is what a cultivator in the realm of distraction is like?"

"This young master has hidden his cultivation. He cannot be a great master."

"What you are saying is nonsense. Can a great master easily kill a cultivator in the distraction realm?"

"It's so scary. A powerful cultivator in the distraction realm was killed like this. What kind of realm is this young master?"

"No wonder, no wonder this young master is so arrogant, he is so powerful."

Before the auction, everyone here saw that Su Chen easily killed a cultivator in the distraction realm. This made them unbelievable. They all felt that Su Chen had hidden his cultivation realm.

Baguio She stared at Su Chen with big eyes and dumbfounded.

She felt a little dizzy now.

Baguio didn't expect that Su Chen would be so powerful. A cultivator in the distraction realm could be killed so easily.

She thought it was too childish..

The snake girl Yue Mei saw Su Chen killing a strong man in the distraction realm.

This made Yue Mei look at Su Chen with her beautiful eyes and said excitedly, "My lord is so powerful. No wonder the queen likes my lord Su Chen."."

The monks of Tianyin Temple looked at Su Chen warily one by one.

They did not expect that Su Chen would be so powerful, and that the cultivators in the distraction realm would be killed without any resistance.

They are also extremely jealous of Su Chen now. Be careful

"Senior brother, what should I do?"

"Let's take a look at it later. I'm afraid this donor is not simple."

"Senior brother, have you seen what level of cultivation he is in?"

"No!"

Huiming and Huizhi are also very worried now.

Both of them are immortal cultivators in the Fusion Realm, but they have not seen what kind of cultivation realm Su Chen is. This makes Huizhi and Huiming look at Su Chen with vigilance..

Huizhi said to Huiming with a serious expression, "Junior brother, we will go to Master Fazheng of Jinshan Temple later. We may not be the opponent of this donor.""

"Yes, senior brother!"

Huiming nodded hurriedly when he heard Huizhi's words.

He knew what Huizhi meant.

Huizhi wanted Fazheng from Jinshan Temple to help them kill Su Chen. Fazheng was also a cultivator in the Fusion Realm. He had three Fusion Realms. The cultivators should be safer against Su Chen.

The beauties from the Hehuan Sect were all very surprised.

They originally planned to save Su Chen and Baguio, but they didn't expect that Su Chen would be so powerful, even more powerful than their cultivators. Even the realm is much stronger.

The little beauty from the Hehuan Sect asked Yiyi in surprise, "Sister Yiyi, have you seen the strength of that young master?"

Yiyi also looked at Su Chen in surprise.

She didn't expect that Su Chen would be so powerful.

How could this young master be so powerful at such a young age? Which family or sect is he from?

Yiyi was listening. When the junior sister heard this, she shook her head and said, "No, he is probably stronger than me."

"Sister Yiyi, how is this possible? You are the youngest elder of our Hehuan Sect, and you are also a person at the peak of the Fusion Realm. Did you really not see the strength of that bastard?"

Yiyi smiled and said to her junior sister, "No, I didn't notice his cultivation level at all. He still seems to be a grand master warrior now."

Yiyi feels that her previous feeling is very correct.

This bastard really has arrogant strength, but what is this bastard trying to do by hiding his strength?

Is he trying to pretend to be a pig and eat the tiger?

"It's your turn, old monks."

Su Chen threw aside Wang Chongfeng's body and said disdainfully.

How dare a small distraction state be so arrogant. People who didn't know thought he was an immortal cultivator in the Tribulation Level.

It's just that the Crown Prince of the Song Dynasty was not there. , which made Su Chen feel a little pity.

Huizhi said to Su Chen with a serious face, "Donor, do you really want to be an enemy of our Tianyin Temple?"

Su Chen sneered when he heard Huizhi's words,

"laugh! Aren't you going to rob and kill me before the auction? Old bald donkey, I have always treated my enemies to death."

At this time, an old monk came over with three monks.

After the old monk arrived, he reminded Su Chen, "Amitabha, donor, please forgive others if you have to. The Dharma of Jinshan Temple is upright. I hope the donor can put down his grudges.."

Su Chen saw that the monks from Jinshan Temple were also participating, and he was not worried.

The most powerful of these monks were the three cultivators of the Fusion Realm, and the rest were just some little shrimps.

He was at the peak of the Cave Void Realm. existence, and Qingying is a strong person in the Tribulation Realm.

Both he and Qingying can easily kill these monks.

"Old bald donkey, if you want to die, go with the monks from Tianyin Temple. I don't mind killing a few more bald donkeys."

Chapter 1627

Fazheng of Jinshan Temple frowned when he heard Su Chen's words.

He didn't expect that Su Chen wouldn't even give Jinshan Temple face.

Tianyin Temple was a top sect with countless Buddhist masters in the temple, and Jinshan Temple was in the Song Dynasty. It is also a symbol of Buddhism. Immortals in the lower realm of immortality will issue orders from Jinshan Temple. Master Fahai is also the abbot of Jinshan Temple personally ordered by Guanyin Bodhisattva. This is well known in the world of immortality.

What confidence does Su Chen have to provoke Tianyin Temple and Jinshan Temple?

Boom boom boom....

"Help!"

"Ghosts, these are powerful female ghosts, help!"

"Run away, these women are too powerful"

"Don't kill me, don't kill me!"

"They're all running away, hurry up and run away.....ah!"

At this time, shouts of killing suddenly came from the auction, and miserable screams also came from the auction.

"What happened at the auction?"

"It seems like someone is killing people at the auction."

"Shall we go in and take a look?"

"Want to die? The people in the auction were either in the Golden Core Realm or the Yuan Dynasty Realm, and there were even powerful Immortal Cultivators in the Distracting God Realm, and these powerful Immortal Cultivators screamed. Aren't we looking for death if we go in?"

"That's right, it's better not to go in. We'll find out who wants to destroy the auction in a while outside."

Outside the auction, the immortal cultivators and warriors here all looked at the auction. They were very frightened when they heard the screams inside. The guards and strong men in the auction were all very powerful. They all Want to know who is killing the people at the auction?

"Was it your people who did it?"

Baguio whispered when she came to Su Chen.

Baguio felt that the people who massacred and auctioned were Su Chen's men.

Her feeling couldn't be wrong, especially after Su

Chen bought the snake girl Yue Mei.

Chen Chen's eyes were filled with murderous intent at that time, but where were this bastard's men hidden? She also didn't see who Su Chen ordered to massacre the people at the auction.

"It's none of my business, I don't have any subordinates!"

"I do not believe!"

"Little beauty, I have been with you all the time, have you noticed that I have subordinates? Baguio snorted at Su Chen and said firmly,

"Humph, I still think it was your men who did it. My intuition is not wrong."

Su Chen shook his head speechlessly after hearing Baguio's words.

This little beauty's intuition is too accurate, right?

Why on earth would Baguio think that it was his men who were massacring people in the auction?

Yue Mei's eyes She looked at Su Chen brightly.

She also guessed that the massacre was arranged by Su Chen. Could it be that Su Chen was seeking revenge for her?

Wasn't Su Chen also interested in herself?

She couldn't think about it, couldn't think about it,

Su Chen Chen is Queen Medusa's man, and she doesn't dare to think anything wrong.

Boom boom boom boom.....

At this time,

Huizhi and Huiming of Tianyin Temple and Fazheng of Jinshan Temple suddenly took action against Su Chen. The sudden attack of three powerful immortal cultivators in the Fusion Realm immediately caused some buildings outside the auction to collapse.

Su Chen sensed the attack when these monks took action, and he quickly dodged the attack by hugging Baguio and Yue Mei.

Su Chen appeared on a big tree holding Baguio and Yue Mei.

He looked at the monks and mocked, "I've been on guard against you shameless bald donkeys."

Huizhi looked at Su Chen indifferently. He said, "The benefactor has become a demon. We are going to get rid of the demon today."

Huiming gathered his magic power and shouted, "Brother, this demon cannot be let go. Let's kill him together."

Fazheng from Jinshan Temple looked at Su Chen and said He said solemnly, "Amitabha, everyone can find evil ways and punish them.""

"If you want to die, I will make it happen for you."

Su Chen looked at these bald donkeys with an expressionless face. What these bald donkeys said hypocritically made Su Chen feel very disgusted.

Just kill people.

They all described themselves as possessed, evil spirits, It's even evil. These bald donkeys really don't deserve to die.

"Kill demons and eliminate harm for the people!"

Huizhi from Tianyin Temple waved his hand and ordered.

Before the auction, three monks from the Fusion Realm and five from the Distraction Realm attacked Su Chen together.

"Su Ying!"

Su Chen saw that these monks were going to kill him together. He shouted disdainfully.

Baguio originally wanted to break away from Su Chen's arms, but after she heard Su Chen's cry, she showed that she was like this. expression, this bastard really has his subordinates hiding here.

"Choo Choo Choo...."

At this time, a blue bird suddenly flew out of Su Chen's arms. The blue bird continued to grow in size after flying into the air. After a while, a giant blue bird more than ten meters long appeared in the sky above the auction building.

"What kind of monster is this? Why does it make me feel so horrible?"

"It's so scary, I saw this giant bird's soul trembling"

"Oh my god, isn't this a monster that has transcended the tribulation realm? As a cultivator in the Nascent Soul Realm, I dare not look directly at this giant bird."

"Impossible, how can a monster in the Tribulation Realm obey human orders?"

"It's too powerful. Let's get out of here quickly, otherwise we will be killed by this powerful monster in a moment."

After the people around the auction saw Qingying's appearance, some people with low strength were stunned by the powerful aura, and the remaining people also hurried away from the auction.

These monks from Tianyin Temple and Jinshan Temple They also stopped attacking.

They looked at Qingying in horror one by one. They all felt that Qingying was so powerful that even this monster was beyond their power.

Huiming asked Huizhi with a trembling heart, "Senior Brother, what kind of monster is this?"

"I can't see it, Master Fazheng, can you see it?"

Huizhi shook his head with a livid face.

He felt that he couldn't catch the blow of this giant bird at all. If they can't deal with this powerful monster this time, the monks like them will die here.

Fazheng shook his head. He shook his head and said with an ugly expression,

"No, I'm in trouble this time. This monster is probably a monster that has transcended the tribulation realm."

"Be careful for a while, if not, just run away."

"Yes, senior brother!"

"Understood, Master Wisdom!"

The beautiful beauties of the Hehuan Sect looked at the Qingying in the sky with their mouths open.

They were all shocked by the breath of the Qingying. Some of the beauties with low strength in the Hehuan Sect even had weak legs.

Baguio looked at it dumbfounded. The green warbler in the sky, this green warbler made her feel even more powerful than her father. She was trembling all over just looking at the green warbler.

"you.....How come you have such a powerful monster?"

"This is my sister Su Ying. She is not a monster."

Chapter 1628

Qingying is not a monster. To be precise, Qingying is an ancient innate creature. It is more powerful and noble than the mythical beast.

"younger sister? Are you actually a monster? Baguio shouted in surprise when he heard Su Chen's words.

Su Chen scolded Baguio with a black look on his face, "Hua your sister, I am a human being, a pure human being.""

"Inglorious bastard, if you say dirty words again, I will....so I....."

Su Chen hugged Baguio's small waist, touched it and threatened,

"You're just a piece of shit, are you as powerful as me? Is your father as powerful as Su Ying?"

"You are shameless!"

Baguio pinched Su Chen's arm with a face full of shame and anger.

She didn't expect that this bastard would dare to touch her in public. This bastard is just a deadbeat.

"Su Ying, help your brother kill these bald donkeys."

"Choo Choo Choo!"

Boom, boom, boom!

Qingying shouted in agreement after hearing Su Chen's words.

She saw the monks here and rushed over fiercely.

Qingying's instant attack captured three monks in the distraction realm. These When the monks were caught in the air, they were torn apart by Qingying's claws, and a rain of flesh and blood fell from the air.

"Scattered and fled."

Huizhi saw Qingying killing the three of them instantly. He looked at the other monks and shouted loudly.

Whoosh!

Qingying appeared above Huizhi instantly and grabbed him and flew into the air.

Oh!

Huizhi also and The same fate as the previous monks, he was also quickly torn into pieces by Qingying and died.

"Senior brother!"

"Master of Wisdom!"

Huiming and Fazheng saw that Huizhi was also killed instantly by Qingying, which made them very frightened and angry.

Qingying was too powerful.

Huizhi, a strong person in the late stage of the Fusion Realm, was easily killed. They People can't escape at all

"Choo Choo Choo!"

Qingying looked at the remaining five monks and shouted with contempt.

Fazheng looked around and prepared to ask for help, otherwise the monks from Tianyin Temple and Jinshan Temple would die here.

He looked at Shu Mountain, Longhu Mountain, and Maoshan , the immortal cultivators in Fenxiang Valley shouted,"Everyone, the monsters are attacking us humans, are you all going to stand by and watch?"

Everyone from the big sects and top sects around them were very disdainful when they heard Fa Zheng's words.

They saw clearly what happened just now.

These monks shamelessly described Su Chen as possessed by evil spirits. Yes, even some evil way.

They are now attacked and killed by Su Chen's powerful monsters. Are these monks trying to drag them to death together?

Whoosh!

"Wan Jian returns to his clan!"

At this time, a Fusion Realm cultivator from Shushan suddenly took action against Qingying in the air, and dozens of flying swords attacked Qingying.

"Chirp!"

After Qingying softly chirped, dozens of flying swords suddenly shattered one after another.

When Fazheng saw the people from Shushan taking action, he was overjoyed and hurriedly thanked, "Thank you Elder Tianwang of Shushan for your help!"

Su Chen heard that it was the people from Shushan who had just attacked and slapped Qingying, and he threatened without expression,

"People from Shushan, do you want to die?"

Elder Tianwang of Shushan looked at Su Chen and said indifferently,

"Shushan has been conquering demons since ancient times. Monsters must also die, and you, who fight against ghosts and monsters, must also die."

Su Chen was very angry when he heard the words of Elder Tianwang of Shushan.

Jiujianxian and Shushan Swordsman saw him and they didn't dare to speak like this. A waste in the Fusion Realm was even more rampant than the Swordsman. The last time Guanyin Bodhisattva attacked Shushan It was still a little light.

Su Chen said to Elder Tianwang with an indifferent face, "It seems that Shushan was kind to you last time. What happened outside the Demon Locking Tower half a year ago has been forgotten by Shushan."

Elder Tianwang asked anxiously after hearing Su Chen's words,

"Demon Locking Tower? half year ago? you.....Are you Su Chen?"

"Yes, Elder Tianwang, right? You are more powerful than the Sword Master and the Wine Sword Immortal. Has the Sword Master's strength recovered? Does this make you Shushan become arrogant again?"

Elder Tianwang is dumbfounded now.

He did not expect that this young man is Su Chen.

He has seen the sinkhole outside Shushan Demon Locking Tower. He even knew that the head sword master of Shushan was injured.

The sword master and Jiu Jianxian repeatedly He asked not to offend Su Chen, otherwise the entire Shu Mountain would not be able to protect those who offended Su Chen.

Elder Tianwang hurriedly bowed to Su Chen and saluted, "Young Master Su Chen, I have offended you so much just now. I didn't know you were Young Master Su Chen."

The elders of Shushan suddenly surrendered to Su Chen, which made everyone around him dumbfounded.

They did not expect that this person named Su Chen would actually make the elders of Shushan afraid. What did Su Chen do to Shushan half a year ago?

Bi Yao looked at Su Chen and was even more speechless.

Is this the scapegoat she found?

Who is going to be the scapegoat? Fortunately, her plan has not started yet, otherwise, she will definitely be killed by this bastard who pretends to be a pig and eats the tiger..Su

Chen waved his hand and shouted expressionlessly,

"It's too late. If you dare to attack Su Ying, you will die. Su Ying, kill these people."

"Choo Choo Choo!"

Qingying screamed and launched an attack after hearing Su Chen's order. Each of the spiked feathers on her body instantly penetrated the heads of monks such as Elder Tianwang and Fazheng.

Boom boom boom.....

The heads of the monks from Tianyin Temple, Jinshan Temple, and Elder Tianwang suddenly exploded one by one.

Qingying didn't tease these humans again this time.

She killed them with one blow this time.

"Choo Choo Choo!"

After Qingying returned to her petite body, she flew onto Su Chen's shoulder and shouted happily

"Su Ying, you did a good job this time. My brother will give you some jelly beans to eat."

Su Chen touched his green little head and smiled, then he took out some five-turn golden elixir and fed it to Qingying.

Baguio looked at Su Chen feeding Qingying the elixir and said in surprise, "What is this? Pill? Why does it smell so good? I feel an increase in mana just by smelling it."

Su Chen saw Baguio stretching his head and looking at the elixir in his hand.

He smiled and said teasingly, "You're not going to steal my sister's elixir, are you?"

"Choo Choo Choo!"

Qingying also shouted a warning to Baguio.

These pills can greatly improve her cultivation. Even this pill is very delicious.

Qingying does not want to share it with other humans.

Baguio heard what Su Chen said He blushed and shouted, "Asshole, I'm just kidding you, I just want to know what kind of pills these are?"

"Master, everyone in the auction was wiped out."

At this time,

Nie Xiaoqian appeared next to Su Chen with ten female ghosts, and even gave Su Chen some space rings.

Su Chen took the space rings handed over by Nie Xiaoqian and checked them, and he smiled. He told Nie Xiaoqian, "Xiaoqian, take the crystal cage with you and let's go back to the small courtyard.""

"Yes, master!"

Baguio looked at these ten female ghosts in confusion.

Each of these female ghosts were stronger than her. Even the leading female ghost was stronger than the immortal cultivators in the Fusion Realm.

When she looked at Su Chen, she felt incredible, so powerful. There are monsters and powerful female ghosts.

How come Su Chen's subordinates are either monsters or female ghosts? Doesn't this bastard have any normal subordinates?

Chapter 1629

Before the auction, after

Su Chen left with the confused Yue Mei and Bagueio, people around him gathered around.

These people looked at the dead monks and Shushan elders on the ground, and they all looked at each other in shock.

When the people in Shushan saw the dead elder Tianwang, they didn't say anything.

After they learned that the man was Su Chen, the people in Shushan didn't dare to say anything. What happened outside the Demon Locking Tower in Shushan and they Everyone knew that Su Chen had an immortal from the lower realm of immortality beside him, and even with the monster just now, they were no match for him.

Elder Tianwang deserved his death.

It was obvious that the monks were looking for a scapegoat with bad intentions, but Elder Tianwang was still fooled. Even if Elder Tianwang died in Shushan, he would not be able to avenge him.

An old Taoist priest from Longhu Mountain came to the Shushan people who were collecting corpses.

He looked at these Shushan disciples and asked doubtfully,

"What is that Su Chen? People from Shushan, can you tell me who Su Chen is?"

A Shushan disciple looked at the old Taoist priest and reminded,"Su Chen is a person who no one can afford to offend. If you offend Su Chen, your entire sect will just wait to be exterminated."

The old Taoist priest and the people around him were all very surprised when they heard what the disciples of Shushan said.

Shushan is a top and most powerful sect. Even the disciples of Shushan said this. It seems that Su Chen really offended him. Get up.

Until the people from Shushan carried the body and left, the people here looked at each other and left.

Today was an eye-opener for them. The hot auction in the auction, and then the robbery before the auction, Even the auction was destroyed by the female ghosts under Su Chen.

I am afraid that the name Su Chen will become famous in the Eastern Continent from today.

In an inn, several women from the Hehuan Sect were sitting together and they were all unhappy.

The little beauty said to Yiyi sadly,

"Sister Yiyi, we seem to have no way to get close to Su Chen, and the handsome young man next to Su Chen is actually a woman. This is really annoying. Yiyi frowned and said in confusion,"There will be a solution in the future. Who is that Su Chen?" Why have we never heard of it?"

"That is, even the people in Shushan are very afraid of that Su Chen. Sister Yiyi, that Su Chen must be very powerful."

"Well, Xiaoxin, immediately send a message to the sect and ask them to check all the information about Su Chen."

"Yes, Sister Yiyi!"

Yiyi held her exquisite minibus and said to herself, "Su Chen, who are you? I need you to help me break through the seventh level of Hehuan Gong."

At this moment, in Su Chen and Baguio's small yard, after Su Chen opened the crystal cage, the mermaid in the crystal cage looked at Su Chen and the others with panic.

Come on!

This mermaid is really beautiful.

Elf Sylph and this mermaid are both very beautiful.

Sylve is a bit heroic and decisive, while this mermaid is weak and delicate. The first look at the mermaid will arouse everyone's protective desire.

"Mermaid, what's your name?" Su Chen looked at the frightened mermaid and asked with a smile,

"Don't be afraid, we won't hurt you"

"Mermaid, you see, I am also a foreigner. I will not hurt you."

Baguio and the snake girl Yue Mei saw the mermaid's panic and fear, and they all persuaded the mermaid,

"My name is Delia!"

The mermaid huddled in this corner and whispered in reply.

When Su Chen heard the mermaid speak, he hurriedly asked the mermaid Delia, "Delia, do you know the elf princess Sylph!"

"Sylph? Do you actually know the elf princess Sylph? who are you?"

"I am Sylph's husband, my name is Suchen!"

Mermaid Delia looked at Su Chen and said with a serious face,

"You're talking nonsense, how could Sylph have a human husband? You human being are talking nonsense."

Delia didn't believe what this human said at all.

How could an elf marry a human?

Elves hate humans very much.

This human is just talking nonsense.

"Do you know this?"

When Su Chen saw that Delia didn't believe it, he took out the necklace that Sylph gave him.

This exquisite necklace was made by the elemental elves. It was also a token of love that Sylph gave to Su Chen.

According to the custom of the elves , , at the wedding,

Su Chen wanted to put this Elf Chain on Sylph.

Delia was surprised when she saw the necklace in Su Chen's hand, "Elemental Elf Chain, you really are Sylph." Fu's husband?"

"Of course, I also know Sylph's escort Diana"

"Su Chen, thank you for saving me"

"By the way, how did you get caught?"

Delia smoothed her hair and said with embarrassment,

"I was originally going to the Coral Reef, but I saved some people who fell into the water on the way. I didn't expect those people to faint me, and I was brought to the Eastern Continent in a daze."

Su Chen was very speechless when he heard what the mermaid Delia said.

A mermaid went to save humans?

Isn't this a meat bun beating a dog? There is no return.

How could humans not catch a mermaid when they see it?

A beautiful mermaid is probably in the west The mainland is very valuable. Even if those money-minded humans are not interested in money, they will seize the beautiful Delia and humiliate her.

Su Chen looked at Delia's fish tail and wanted to reach out and touch it, golden The fish tail looked very beautiful, but there were a few women here, and Su Chen was embarrassed to touch Delia's fish tail.

When Baguio heard what Su Chen and the mermaid Delia said, she didn't expect that Su Chen actually had a woman.

And she was an elf princess from the Western Continent.

Baguio was even more curious about Su Chen's identity.

She looked at Su Chen and asked in surprise,

"Su Chen, you actually have a fiancée? And she's also an elf princess from the Western Continent?"

Su Chen laughed when he heard Baguio's words, "Is this strange?" Queen Medusa of the Snake Tribe is also my woman. Is it surprising that I have an elf princess as my fiancée?"

"Huh, you're just a sentimental bastard"

"This is none of your business. You are not mine. Do you need to take care of my affairs?"

Baguio glared at Su Chen and yelled angrily, "Shameless pervert, don't forget that you are eating and living from me now. If you make me unhappy, just get out of here.""

"I don't care about you!"

Su Chen touched his nose when he heard Baguio's words.

He felt like a pretty boy, but it was good to be taken care of by Baguio's pretty girl.

"Delia, I will release your cultivation restrictions in a moment, but can you live on land?"

"Yes, but I must return to the water within three days. My current strength is still very low. In the future, as my cultivation level improves, I will live on land for many days."

Chapter 1630

In the following days,

Su Chen's name spread thoroughly in Qingyun City. All the immortal cultivators in Qingyun City knew about Su Chen. Some powerful immortal cultivating sects were also very afraid of Su Chen.

The background of the immortal, the powerful monsters in the Tribulation Realm, and even a group of powerful female ghost subordinates made the various immortal cultivating sects who got the news very curious about Su Chen's identity.

In the small courtyard,

Su Chen looked at Baguio who was practicing, he walked over and shouted,

"Baguio, when will you change into women's clothes? You look like this make me very uncomfortable."

In the past few days,

Baguio also told her name, but the identity of this little beauty is still strictly hidden.

Su Chen knows Baguio's identity clearly, but this time Baguio is going to Qingyun

Su Chen really doesn't know what the door does.

In the plot, when Baguio went to Qingyun Sect this time, she and Zhang Fan should have met in Qingyun Sect. They even had a crush on each other after just meeting like this.

This is really It was unbelievable.

Baguio stopped practicing her beauty eyes and stared at Su Chen and shouted, "Why should I put on women's clothes?"

Su Chen said with a smile while sitting on the futon next to Baguio,

"You are a woman, so of course you have to wear women's clothes. You are dangling in front of my eyes in men's clothes all day long, and I look very tired of it. Baguio pushed Su Chen with a slightly red face and said,

"Bah, don't even think about it, you bastard. Do you think I don't know what you, a pervert, are paying attention to? You pervert, stay away from me"

"Come on, we're already so familiar, you'd better put on women's clothes"

"I won't change. Su Chen, I saw you touching the mermaid Delia's tail the day before yesterday. Do you think I dare to change into women's clothes with such a shameless pervert like you here?"

Su Chen was very embarrassed when he heard Baguio's words.

Since he touched the mermaid Delia's tail the day before yesterday, Delia has been avoiding him these days.

Su Chen also felt that the day before yesterday was a bit rash.

He also I'm worried that mermaids have a tradition of not being able to touch the fish's tail, just like the ears of an elf, only husbands can touch them

"Hey, I'm just curious about mermaids, aren't you curious?"

Baguio looked down at Su Chen and said disdainfully, "Sex is just sex, why are you so curious? You are really shameless."

"A pill, as long as you put on women's clothes, I will give you one of Su Ying's jelly beans"

"real?"

"Absolutely true!"

"Humph, just dream! You want to send me away with just one pill? Do you think I am a beggar?"

"Don't pull it down!"

Su Chen shook his head when he heard Baguio's words.

A pill?

This is the fifth-turn golden elixir.

If Baguio takes the fifth-turn golden elixir, her strength will probably break through from the golden elixir realm to the late Yuanying realm. , it is possible to break through even the out-of-body realm.

When Baguio saw Su Chen leaving, she felt very regretful.

She really wanted to get Qingying's pill, why didn't that bastard insist on it?

Damn the pervert , do you want to change into women's clothes?

In the room of the snake girl Yue Mei, the mermaid Delia listened to Yue Mei talking about Su Chen with a cute look on her face.

Delia has been touched by Su Chen since the day before yesterday She had never dared to appear in front of Su Chen.

The mermaid's tail could not be touched, and only those closest to her could touch it. Delia's face turned pale as soon as she thought of Su Chen touching her tail. Very rosy.

Yue Mei looked at Delia's absent-minded look. She shook her head and stopped explaining some things about Su Chen.

She looked at Delia and asked doubtfully,

"Delia, since you are the princess of the mermaid clan, why don't you have any guards to protect you?"

Delia smiled awkwardly when she heard Yue Mei's words and said,

"I ran out secretly last time. I was going to see my sister. Who knew I would meet those hateful humans on the road? I saved those humans, but those humans actually stunned me and sold me Given to the humans at the auction."

Yue Mei smiled and shook her head.

Mermaid Delia is really innocent.

She is probably well protected in the kingdom of mermaids. Delia doesn't know the insidiousness and cunning of human beings at all.

"Human beings are very hateful. We snake girls have been captured by humans a lot in the past. However, after our snake queen advanced to the Dou Zun (out-of-body realm), no humans in the Gama Empire dared to capture us snake girls.."

When Delia heard Yue Mei mention her queen, she hurriedly asked Yue Mei, "Yue Mei, is your queen really Su Chen's wife?"

"Of course, this is absolutely true"

"Su Chen actually has your queen as his wife, why is he still engaged to the elf princess Sylph?"

"Delia, Sir Suchen is a very powerful man. Isn't it normal for a strong man to have three wives and four concubines?"

"That's it! But why do we mermaids always have a partner? Yue

Mei thought for a while and said to Delia,

"Maybe this is the tradition of your race"

"Delia, in the Eastern Continent, it is very common for humans to have three wives and four concubines. Even for some uncultivated humans, as long as they have money, it is also very common for humans to have three wives and four concubines."

"I see."

Delia nodded and looked towards the yard.

After being caught this time,

Delia has also grown a lot. If she hadn't met Su Chen this time, I'm afraid her fate would have been very miserable.

Qingyun City Outside, a carriage or two arrived at Qingyun City under the protection of five armored puppets.

In the carriage, sisters Xu Zhihu and Xu Weixiong also breathed a sigh of relief after arriving at Qingyun City. They had experienced countless things along the way. In this pursuit, if the Five Elements Talisman General Hongjia hadn't been there, the sisters would have been caught or killed.

In an inn in Qingyun City,

Xu Zhihu and Xu Weixiong looked ugly after having lunch. Then he returned to the room.

Xu Weixiong shouted after entering the room,

"That bastard Su Chen actually bought a snake girl and even snatched a mermaid. Sister, that bastard is a shameless pervert."

When Xu Weixiong and Xu Zhihu were having lunch, the warriors and immortal cultivators in the inn were all spreading the news about what Su Chen had done at the auction a few days ago.

The sisters also knew what Su Chen had done when he came to Qingyun City. What he did was

Su Chen bought a beautiful snake girl at the auction, and massacred the monks from Tianyin Temple and Jinshan Temple before the auction. That bastard also had a powerful monster and some female ghosts.

Even Su Chen His identity and background actually included the existence of an immortal. These things made the sisters very surprised.

However, what the sisters were most angry about was that the bastard not only got a beautiful snake girl, but also robbed a beautiful snake girl. Mermaid, this made the Xu Zhihu sisters look very ugly.

Xu Zhihu said with an indifferent expression,

"Xiong, Su Chen has nothing to do with us, we should still think about how to kill that bastard!"

"Sister, we can't kill Su Chen at all. Four of the immortal cultivators in the Fusion Realm were killed by Su Chen. I'm just a young cultivator in the Golden Core Realm. Do you think I can kill that bastard?"
