

Zongwu 1631

Chapter 1631

Although Xu Zhihu said this to Xu Weixiong, she already had the shadow of Su Chen in her heart.

She would dream about that bastard every day when she went to sleep these days. She could no longer forget Su Chen in her heart.

But after hearing the news about Su Chen this time,

Xu Zhihu felt very angry. That bastard was still living so coolly after leaving her, with beauties from other races coming one after another. This made Xu Zhihu want to strangle that bastard to death.

When Xu Zhihu heard Xu Zhixiong's words, he shook his head and said, "Weixiong, I will do the assassination of Su Chen. You don't have to worry."

Xu Weixiong looked at Xu Zhihu.

She didn't know that Xu Zhihu is what she said true?

But in the past few nights, she heard Xu Zhihu calling Su Chen's name in his dreams. I'm afraid Xu Zhihu already has that bastard in his heart.

"Sister, let's forget it. Su Chen has an immortal background behind him. Let's not cause trouble for Beiliang."

"I know that, but that bastard must die."

Xu Weixiong heard that Xu Zhihu still insisted on killing Su Chen, and she had nothing to do.,

Xu Weixiong suddenly thought of the pursuers they had interrogated before. She did not expect that Xu Nian was nearby.

"By the way, eldest sister, judging from the news we have received these days, Xu Nian really betrayed our route. When we were attacked, Xu Nian was on the mountain ten miles away. Why don't you think Xu Nian didn't? Come and save us in time?"

"I have no idea!"

Xu Zhihu shook her head and replied.

She didn't care at all about being betrayed last time.

Now she only wanted to deal with that bastard Su Chen.

In order to assassinate Su Chen, she had already lost her virginity to that bastard,

Xu Zhihu. It's absolutely impossible to let it go like this

"What is the plan of that boy Xu Nian? I don't know if Chen Zhibao is dead or not."

"Xiong, do you still remember your mission?"

"I know, protect Xu Nian with my life"

"Zhihu, although you are not my biological sister, I have always regarded you as my biological sister. Wei Xiong, you don't have to be Xu Nian's dead soldier anymore. This is very unfair to you."

"Sister, how is this possible? I promised my father that I would always protect Xu Nian."

Xu Zhihu felt very helpless when he looked at Xu Weixiong.

Xu Weixiong's father was killed by her father. If Xu Weixiong finds out about it in the future, this may cause trouble. Xu Zhihu really doesn't want his family to People kill each other.

Xu Zhihu touched Xu Weixiong's hair and sighed, "Oh, Weixiong, there are some things I can't tell you, but I hope you won't blame me in the future."

Xu Weixiong's eyes flashed and he said nonchalantly, "Don't worry, sister, how could I blame you? It might be for my own good that you didn't tell me."

"That's not necessarily the case."

At this time,

Su Chen's voice came from outside the room.

Su Chen was also wandering around Qingyun City out of boredom.

He discovered that after Xu Zhihu and Xu Weixiong also arrived in Qingyun City, Su Chen had been following them. He heard the conversation between Xu Zhihu and Xu Weixiong in the room.

"Suchen?"

"Suchen, you bastard eavesdropped on our conversation."

Xu Zhihu and Xu Weixiong stood up after hearing Su Chen's words.

They didn't expect that Su Chen would appear here. Has this bastard been sending people to follow them?

"The two beauties haven't seen each other for a long time." Su Chen opened the door to the room and came in with a smile and said hello.

Xu Zhihumei stared at Su Chen and asked indifferently, "How did you know we are here? Also, why didn't Five Elements Talisman Red Armor intercept you?"

Xu Zhihu was very nervous now. This was the second time she met this bastard after she lost her virginity. She was also very complicated. Although Xu Zhihu kept saying that he wanted to kill this bastard, she thought of Su Chen's Everything she did made her feel very confused. Su Chen walked to Xu Zhihu, hugged her and said with a smile,

"I happened to see you on the street. The Five Elements Talisman General Red Armor is mine. Do you think the Five Elements Talisman General Red Armor will stop me?"

"let me go!"

Xu Zhihu struggled with his heart trembling when Su Chen hugged him.

Su Chen touched Xu Zhihu's thin face and said, "How is that possible? You are my woman, and it is only natural for me to hold you."

"I'm not!"

"Who are you!"

"I....."

When Xu Zhihu was about to say something else,

Su Chen suddenly kissed her. Xu Zhihu stared at Su Chen and slowly closed his eyes.

Xu Weixiong blushed when he saw all this. Turning around, she never thought that Su Chen, a bastard, would kiss her eldest sister Xu Zhihu in front of her.

And her eldest sister Xu Zhihu kept saying that she would kill Su Chen, but after Su Chen hugged Xu Zhihu,

Xu Zhihu only struggled symbolically for a while, and now he didn't resist even being kissed by this bastard. Will you kill this bastard again?

"You are such a shameless bastard!" After Xu Zhihu was let go by Su Chen, she gasped, blushed and cursed at Su Chen,

"If I'm an asshole, then you're an asshole's woman"

"you...."

Xu Zhihu really had nothing to do with Su Chen. He was a shameless and shameless person. How could she possibly talk to this bastard?

Xu Weixiong turned around and saw Su Chen holding Xu Zhihu sitting on a chair.

She said to Su Chen seriously,

"Su Chen, since you and my eldest sister are husband and wife, I hope you can resolve your grudges with Xu Nian."

Su Chen nodded in agreement when he heard Xu Weixiong's words,

"There is no problem, but if Xu Nian comes to provoke me again, then don't blame me in the future."

Su Chen also looked at Xu Zhihu's face, so he gave up dealing with Xu Nian and the military operation against Beiliang.

After all, Xu Zhihu will be his woman from now on. As long as

Xu Nian is more honest,

Su Chen will not be able to go. Kill that bastard.

However!

Su Chen didn't believe that Xu Nian would give up killing him.

If Lao Huang hadn't died,

Xu Nian might have given up killing him. But after Lao Huang was killed, it was impossible for Xu Nian to have sex with him. For jade and silk.

When Xu Weixiong heard Su Chen's words, he asked doubtfully, "Is everything you said true?"

Su Chen touched Xu Zhihu's hair and said with a smile,

"Of course, but this depends on Xu Nian's attitude. If Xu Nian doesn't seek revenge from me in the future, I won't kill that little bastard in my spare time. Xu Weixiong, can you guarantee it? Xu

Weixiong promised Su Chen with a serious look on his face, "Thank you very much. I will dissuade Xu Nian from causing trouble to you again in the future.""

Xu Zhihu looked at Su Chen and nodded with a blush.

If Su Chen and Xu Nian turned dry silk into jade silk, this would be the best ending.

"You were hunted by Han Diao Temple. Did Xu Nian expose your whereabouts?"

"It should be him." Xu Weixiong replied with an ugly face when he heard Su Chen's words,

"Then why didn't Xu Nian show up in the end?"

Xu Zhihu looked at Su Chen and explained,

"Xu Nian must have been delayed by something. His plan to kill Han Diao Si this time may have been exposed."

Su Chen nodded when he heard Xu Zhihu's words.

Xu Nian is a very smart guy in the plot, but in this chaotic world, Xu Nian is not the only protagonist, and his calculations may not be 100% possible. success

"Su Chen, what you just said is not necessarily true?"

Chapter 1633

Baguio was very relieved when she saw Xu Zhihu's actions.

If she could, she would also strangle this bastard to death.

"Okay, let's go!"

Su Chen grabbed Xu Zhihu's hand and pulled her away.

Su Chen didn't expect that Xu Zhihu would be so jealous. It seems that he will have to train Xu Zhihu in the future, otherwise he will let this little girl know that he still has Many women are afraid that this little girl will rebel.

Qingyun Mountain stretches for hundreds of miles, towering and undulating peaks. There are seven peaks at the highest point of Qingyun Mountain. Surrounded by a white mist, the top of the mountain is like a fairyland on earth..

And in the mountains and forests of Qingyun Mountain, the scenery is very quiet and spectacular. Waterfalls, small rivers, rare birds and animals, spiritual grasses and spiritual flowers can be seen everywhere in this mountain forest.

Halfway up the mountainside of Qingyun Mountain,

Baguio looked at Su Chen and Xu Zhi The tiger sisters slowly walked up the mountain while admiring the surrounding scenery.

This made her very speechless.

They did not come here to enjoy the mountains and rivers.

Baguio thought about it and shouted to Su Chen, "Su Chen, you and your wife should hurry up and hurry up. I'll leave first if I have something to do."

Baguio said and flew directly towards Qingyun Gate.

She was worried that Su Chen would stop her.

This was a good time to get rid of Su Chen. Baguio just wanted to leave Su Chen now.

Su Chen looked Baguio shook his head as he left.

He had no idea what Baguio was going to do.

He was too lazy to talk to Baguio now.

Anyway, nothing could happen to this little beauty. If Baguio was caught, she would self-destruct at worst. Identity, if the Qingyun Sect knew that Baguio was the daughter of the Ghost King, would the people of the Qingyun Sect dare to execute Baguio?

When Xu Zhihu saw Baguio leaving quickly, she asked Su Chen doubtfully, "Husband, Baguio What are you doing in such a hurry?"

Su Chen shook his head and reminded, "I don't know, but don't underestimate Baguio, her identity is not simple."

"What status?"

"The top sect, the leader of the Ghost King Sect, the Ghost King's daughter."

Xu Weixiong asked in surprise when he heard Su Chen's words,

"Devil's Cult, Ghost King Sect? Baguio is actually the daughter of the Demon King? How can this be?"

Su Chen pulled Xu Zhihu away and said to Xu Weixiong

"It's true, Baguio may have to do something at Qingyunmen this time, otherwise, she won't be able to get rid of us."

Xu Zhihu is a little worried about Su Chen.

The Ghost King Sect is the top force of the Demon Sect.

She is afraid that Su Chen will be targeted by the Ghost King Sect in the future.

Su Chen is very powerful and even has a very powerful background, but the Demon Sect's There are endless means, and Xu Zhihu is also worried that Su Chen will accidentally fall into the plot of the Ghost King Sect.

Xu Zhihu holds Su Chen's hand tightly and asks, "Husband, what is your relationship with Baguio?"

"It doesn't matter much now. I only met her when I came to Qingyun City. Baguio doesn't know that I know her identity."

"Husband, you'd better not get too close to Baguio. After all, Baguio is the eldest daughter of the Demon King's Sect."

"Don't worry, I have my own sense of discretion." Su Chen nodded and said with a smile.

Although the Ghost King Sect is very powerful, even more powerful than the Qingyun Sect,

Su Chen is not afraid of the Ghost King Sect.

Not to mention the existence of Qingying beside him, it is his bloodline. The black bird is also very powerful.

If this cannot defeat the powerful immortal cultivators of the Ghost King Sect, Su Chen and the little fox Su Daji can even ask the Guanyin Bodhisattva and Wudang Holy Mother in the lower world to help him kill the Ghost King Sect.

Xu Weixiong He glanced at Su Chen and reminded Xu Zhihu,

"Sister, this bastard must have fallen in love with Baguio, the eldest lady of the Ghost King Sect. You have to take good care of this bastard from now on and don't let him mess around."

I guess!

Is Xu Weixiong really looking for trouble?

Su Chen's face darkened when he heard Xu Weixiong's words.

Xu Weixiong has been against him in everything these days, but Su Chen has not offended him these days. This arrogant woman

"I know!"

Xu Zhihu laughed when she looked at Su Chen.

She knew why Xu Weixiong kept being angry with Su Chen.

It was also her fault.

She had been tortured by Su Chen these past few nights, and she couldn't help it. She screamed.

Xu Weixiong, who lived next door to her, would definitely hear it.

The listless look on Xu Weixiong's face these past few days showed that she had not had a good rest at night.

Xu Zhihu's face turned very red when he thought of this.

"Sister, you have to be careful. This bastard is a shameless pervert. If you don't control this bastard, you will cry secretly in the future."

Xu Zhihu rolled his eyes at her sister when he heard Xu Weixiong's words.

She knew of several of Su Chen's women.

Besides, this bastard was too powerful.

She couldn't bear it alone.

Xu Zhihu did the same. She wanted to start practicing.

She had never practiced before because she was weak, but now her stubborn illness had been cured by Su Chen.

Xu Zhihu thought that if she didn't start practicing, with her weak body, she would be no match for Su Chen in the future.

Su Chen was very speechless when he heard what Xu Weixiong said.

This sister-in-law is too busy.

Even a fourth-level golden elixir did not bribe her. It seems that she will not be too good to Xu Weixiong in the future.

Approaching Qingyun Gate When he came to the mountain gate,

Su Chen took out a black robe and put it on.

Many immortal cultivators here knew him. Su Chen was also afraid that someone would find out that he was Wu Xiangjun of the Southern Song Dynasty.

"Madam, you and Xu Weixiong will enter Qingyun Gate together later, and I will go there alone. Many of the immortal cultivators here have participated in the auction. I am worried that you will be implicated by me if you follow me."

Xu Zhihu nodded and reminded Su Chen,

"Okay, you should be careful, don't expose your identity if you can."

Xu Zhihu knew that Su Chen had offended the crown prince of the Song Dynasty and the monks of the top sect Tianyin Temple in Qingyun City.

She didn't want to distract him by being with Su Chen. Anyway, they were both in Qingyun Sect, and Xu Zhihu also You can follow Su Chen at any time

"Well, let me take the first step, and you should also be careful."

Su Chen said to Xu Zhihu, and he suddenly disappeared in front of Xu Zhihu and Xu Weixiong

"Sister, do you really not care that that bastard has his own woman?"

"Call me a bear, you don't understand, I.....I can't handle that bastard on my own."

Xu Weixiong was very speechless when he heard Xu Zhihu's words.

Xu Zhihu is an ordinary woman.

How could she beat that bastard Su Chen.

Xu Weixiong clenched his fists tightly and said angrily,

"Sister, how could you, an ordinary person, beat that bastard? That bastard is a powerful immortal cultivator. In the future, when my cultivation level reaches a higher level, I will teach that bastard a lesson for you."

"Xiong, I'm not talking about fighting Su Chen. How could I, an ordinary woman, beat Su Chen? What I'm talking about is.....Yeah, you will understand when you find a husband in the future."

Chapter 1634

Xu Zhihu was so shy that he didn't know how to explain to Xu Weixiong.

Such a thing was too embarrassing, so

Xu Zhihu hurriedly walked forward.

Xu Weixiong looked at Xu Zhihu who blushed and left quickly.

She couldn't understand, couldn't she just be defeated by Su Chen?

Why is Xu Zhihu's face so red?

A fight is not a fight? what is that?

Xu Weixiong understood when he thought that Xu Zhihu said she had a husband. What does this have to do with whether she has a husband?

At this moment,

Su Chen appeared in Qingyun Sect. Many people had arrived at Qingyun Sect's Seven Meridians Martial Arts Square, and Qingyun Sect's Seven Meridians disciples also appeared in the square.

"Huh? Why aren't Lu Xueqi and Shi Feixuan here? Hasn't it arrived yet?"

After Su Chen saw the disciples of Xiaozhu Peak, he didn't find Lu Xueqi and Shi Feixuan.

This made Su Chen a little confused.

Whoosh!

Su Chen saw that the Seven Meridians Martial Arts Competition hadn't started yet, so he wanted to see Baguio What was that little beauty doing in Qingyun Gate?

Su Chen appeared outside a hall and looked inside.

He felt that Baguio had already entered the hall, but Su Chen felt very bad in this hall.

"What is this place? How come there is a mysterious and mysterious feeling, as if you will lose yourself when you go in? Is this an illusion?"

Su Chen thought for a while but still didn't go in rashly.

He was worried that the senior officials of Qingyun Sect would know about it after entering. He was also worried that entering rashly would ruin what Baguio wanted to do. Su Chen observed around the hall. When he came to a rooftop, a pool under the rooftop made his eyes light up. Could this be the pool where the sect-protecting beast Shui Qilin of Qingyun Sect stayed?

Su Chen came to the steps beside the pool and looked towards The pool, the water in the pool is very clear, and the silhouettes of people and mountains are clearly visible.

Su Chen thought that if a beautiful woman took a bath here, the scene would be very eye-catching.

"Choo Choo Choo!"

At this time, the blue bird's little head stretched out from Su Chen's arms and shouted crisply,

"Su Ying, do you also feel that there is a water unicorn in the pond?"

"Chirp!"

"Haha, it doesn't matter, this water unicorn is no match for us at all. We will meet this water unicorn later."

"Choo Choo Choo!"

Su Chen smiled when he saw Qingying nodding.

Shui Qilin had the Qingyun Sect's most treasured Immortal Killing Sword in his belly. This was not comparable to the Immortal Killing Sword in his system space.

The Qingyun Sect's Immortal Killing Sword was probably not even an immortal weapon. , the Zhuxian Sword in his system space is the ultimate innate spiritual treasure that reaches the sky. If all four swords and formation diagrams are obtained, the Zhuxian Sword Formation is comparable to the innate treasure.

Plop!

Su Chen took out a water-proof bead and jumped. Entering the pond, at this moment, the Seven Meridians Martial Arts Competition in Qingyunmen Square has also begun. The surrounding cultivators, and even some warriors who want to join Qingyun Sect after the Qingyun Sect Seven Meridians Martial Arts Competition, all look towards the square. , they all want to know which one of the seven young generations of Qingyun Sect is the most powerful. Some disciples who want to join Qingyun Sect can also choose a powerful mountain.

Shuiyue looked in the direction of Dazhu Peak with confusion. said,

"Huh? Where is Suru from Dazhu Peak? Why didn't she show up? And why is that girl Tian Linger not here? Did that damn fat man have a fight with his junior sister?"

Qingniao heard Shuiyue's words and said hurriedly, "Master Shuiyue, Suru and Tian Linger are now in the young master's residence in Hangzhou City, and they are taking care of the young lady."

"Did Suru and Tian Linger go to Su Chen's place? How did they know Su Chen?"

"Master Shuiyue, Suru is the young master's biological sister"

"What did you say? Suru is Su Chen's biological sister? How can this be? Huh? Suru? Suchen? this.....Are they really siblings?"

Shuiyue didn't believe Qingniao's words at first.

She suddenly thought that Su Chen and Suru's names were very similar, and they both had the last name Su.

Are Su Chen and Suru really siblings?

Ning Zhongze The man next to him lowered his head.

It was impossible for Su Chen and Suru to be siblings, but this matter was not clear at all, and it was not her business.

"This is true, Suru personally confirmed it, and the birthmark on the young master's body is exactly as Suru said."

After Shuiyue heard Qingniao's confirmation, she said happily with a smile on her face, "That little bastard turned out to be Suru's younger brother. Now the peak masters of Qingyun Sect will probably change their minds."

Shui Yue thought that if Su Chen were Suru's biological brother, it would be impossible for the Qingyun Sect to take action against Su Chen.

With her and Suru guaranteeing Su Chen, the peak masters and heads of the Qingyun Sect would definitely change their minds.

Ning Zhong Then she suddenly saw the melee in the square starting, and she said to the people next to her, "Let's start. This time, Lu Xueqi, Shi Feixuan, Wen Min and other disciples will be able to successfully advance to the individual competition. Xiao Zhufeng will make a big splash this time." Shuiyue smiled and said, "This is just the qualifying competition. The real individual competition is when Xiao Zhufeng becomes a blockbuster."

For this Seven Meridians Competition, she, Xiaozhu Peak, sent out twenty-four people. In addition to Lu Xueqi, Shi Feixuan, and Wen Min, the other female disciples were also very strong. More than half of them were even able to qualify for the individual competition..

In the square, more than a hundred disciples of the Qingyun Sect are competing for the qualifications for the individual competition. In the sky above the square, fifty spirit balls are flying around the square so fast that the disciples with low strength cannot catch them at all. Balls.

Lu Xueqi, Shi Feixuan and the disciples of Xiao Zhufeng did not take action.

The speed of these spirit balls was too fast.

Lu Xueqi, Shi Feixuan and Wen Min were able to grab these spirit balls, but the remaining disciples might find it not easy.

They also want to check the movement patterns of the spirit balls so that other disciples of Xiaozhu Peak can grab the spirit balls in the air.

"The strength of the Qingyun Sect is really strong. These disciples have the lowest cultivation level in the Golden Core Realm, and even the Nascent Soul Realm and the Out of Body Realm. These disciples can probably become elders in other sects."

"Yes, no wonder so many warriors want to join the Qingyun Sect"

"Qingyun Sect, Shushan and Longhushan are all top Taoist sects, and Qingyun Sect is the sect with the most disciples. These warriors must want to join Qingyun Sect."

"We are all older, otherwise I would also like to join the Qingyun Sect"

"Have you heard that the four major sword techniques of Qingyun Sect have been completed, and Qingyun Sect will be even more powerful in the future."

"Yes, my son wants to join the Qingyun Sect this time just to learn the four major sword techniques. As long as my son successfully practices one sword technique, my family will be prosperous in the future."

Everyone around looked at the Qingyun Sect disciples in the square and said that they were all very shocked by the younger generation of Qingyun Sect. These disciples are all with cultivation levels above the Golden Core realm, which is better than some here. Immortal cultivators must be strong.

Xu Weixiong looked around and found Su Chen, so she asked Xu Zhihu doubtfully, "Where is Su Chen?" That bastard didn't show up at the square?"

"Maybe Su Chen is looking for Baguio!"

Chapter 1635

At the square of Qingyun Gate,

Xu Zhihu and Xu Weixiong looked around the square.

They did not find Su Chen who had arrived first.

This made them very confused.

Did Xu Weixiong think that bastard Su Chen was A troublemaker, she was worried that Su Chen would also cause trouble in Qingyun Sect. The Qingyun City auction was a very good example.

Xu Zhihu smiled without any worry.

Su Chen had told her that Master Shuiyue of Qingyun Sect had a good relationship with him. One of Su Chen's wives was even a disciple of Master Shuiyue.

As long as Su Chen doesn't reveal that he is Wu Xiangjun in Qingyun Sect, nothing will happen to that bastard in Qingyun Sect.

At this moment, the girls of Xiaozhufeng in the square were dispatched one after another. Under the leadership of Lu Xueqi, Shi Feixuan and Wenmin, the girls of Xiaozhufeng flew one by one to join in the snatching of the spirit ball.

Everyone outside the square saw more than twenty beautiful female disciples and joined in the fight for the spirit ball.

This made everyone here look at the square intently. Those powerful and beautiful female disciples were very attractive.

Whoosh whoosh!

Lu Xueqi, Shi Feixuan, and Wen Min easily caught the spirit ball in the air. Although the spirit ball was very fast, it was nothing to them.

On the winner's platform in the square,

Shi Feixuan looked at the spirit ball in her hand and asked Lu Xueqi, "Senior sister, can the other senior sisters catch the spirit ball?"

"More than half can."

Lu Xueqi shook her head as she looked at the square.

The disciples of other main peaks in the square are not weak. It should not be difficult for the Nascent Soul Realm cultivators of Xiaozhu Peak to obtain the spirit ball, but it may be difficult for the disciples of the Golden Core Realm.

Wen Min The one beside him said with a smile,

"It's already good if half of our Xiaozhu Peak disciples advance to the individual competition. This time our Xiaozhu Peak disciples will definitely impress the other main peaks."

"Senior sister, why are there only a few disciples at Dazhu Peak? There is even a little monk who is a celestial being? Is Dazhu Peak so down and out?"

"Alas, Dazhu Peak is a bit down and out." Wen Min looked at the Dazhu Peak disciples in the square and shook his head.

Lu Xueqi looked at some of the disciples nearby who were grabbing the spirit balls, and she reminded Shi Fei Xuan,

"Feixuan, don't worry about them at Dazhu Peak. In this individual competition, you have to be careful about Xiao Yicai from Tongtian Peak and Qi Hao from Longshou Peak. They are our biggest competitors."

"I see!"

At this moment, the head of the Qingyun Sect and the other peak masters saw the disciples of the Xiaozhu Peak snatching away a dozen spirit balls, and they all looked at Shui Yue next to them.

"Senior Brother, Xiaozhufeng is going to steal the show this time."

"Yes, the overall strength of Xiaozhufeng's disciples is good, especially Lu Xueqi, she is all in the out-of-body realm."

"Well, Lu Xueqi, Xiao Yicai, Qi Hao, they will all be the future of our Qingyun Sect from now on."

"The junior concubine Xuan from Xiaozhu Peak is also pretty good. When she came to Qingyun Sect, she was still a warrior in the Heavenly Realm. Now she is a cultivator in the Nascent Soul Realm. I really envy Junior Sister Shuiyue."

"Xiaozhufeng, Lu Xueqi, Wen Min, and Shi Feixuan, this time may be a nightmare for all the disciples."

The peak masters of Qingyun Sect's main peaks were all talking about the disciples in the square.

However, these peak masters were very envious when they looked at the disciples of Xiaozhu Peak.

The corners of Shui Yue's lips curled up slightly. Since then, eleven disciples of Xiaozhu Peak have grabbed the spirit ball, which is already very good. This is better than the previous Seven Meridians Martial Arts Competition.

Daoxuan, the leader of Qingyun Sect, looked at Shuiyue He smiled and said,

"Junior sister, your disciple Lu Xueqi will probably become the chief disciple of our Qingyun Sect. Junior Feixuan and Wenmin are also very good, and they can also achieve good rankings."

"Senior brother, your disciple Xiao Yicai is not bad either."

"Xiao Yi is good, but there is still a gap between him and Lu Xueqi. He can only take second place."

"Let's watch the individual competition later." Shui Yue looked at Shi Feixuan and said to Daoxuan with a smile, can Xiao Yicai get the second place?

Shui Yue looked at Shi Feixuan on the high platform and was looking forward to it.

Although Shi Feixuan is only in the early stage of the Nascent Soul Realm, level, but Shi Feixuan's strength is not weak.

Shi Feixuan has successfully practiced two of the four major sword arts. Although Xiao Yicai's cultivation realm is stronger than Shi Feixuan, it's really true who loses and wins. Not sure.

Daoxuan was very confused when he heard Shuiyue's words. Is there anyone among Shuiyue's disciples who can defeat his disciples? Master

Fei Xuan?

Wen Min?

None of them can match Xiao Yicai's strength.

Daoxuan thought about it After thinking about it, he turned to look at Tian Buyi, who had a gloomy face.

He looked at Tian Buyi and sighed,

"well! Junior Brother Tian, your disciples are really disappointing. So far, not a single disciple has grabbed the spirit ball."

"Senior brother, those losers haven't practiced well all day long. I will punish them severely when they go back."

Tian Buyi was very embarrassed when he heard Daoxuan's words.

The weird looks looked at him by the brothers next to him made him feel ashamed. The other disciples of the main peak in the square all grabbed the spirit balls, and only one of the seven veins of Qingyun Sect was left. None of his disciples qualified for Dazhu Peak.

Tian Buyi also felt very embarrassed.

"Junior brother, you should recruit more disciples. Those disciples of yours are too lazy. If this continues, your Dazhu Peak will probably completely decline."

"Senior Brother, I understand."

In the back hall of Qingyun Gate, in the pool,

Su Chen had already seen the water unicorn sleeping in the pool.

Su Chen looked at this huge water unicorn and nodded.

The strength of the water unicorn is quite good, and it is in the Mahayana realm. Strength, with a dragon head and a snake body, covered with scales, huge eyes and a big mouth, huge fangs that are very sharp and powerful, the water unicorn's ferocious face makes people very fearful.

Roar!

The water unicorn suddenly opened its doors. Eyes, it sensed a strange aura around it, and

Shui Qilin stared at Su Chen with its huge eyes and roared.

Shui Qilin did not expect that a stranger would appear next to it, which made Shui Qilin very wary of Su Chen.

Su Chen looked at the huge water unicorn and said hurriedly,

"Water Qilin, be honest, I just came to see this strange beast like you, I have no other intention."

Su Chen was worried that Shui Qilin's too much movement would attract the attention of Qingyun Sect.

If people from Qingyun Sect discovered him,

Su Chen would not be able to explain why he appeared here, and he might even expose Baguio in the hall.

"Choo Choo Choo!"

Qingying also shouted to Shui Qilin.

If Shui Qilin was not honest,

Qingying would teach the big man a lesson.

Shui Qilin looked at Qingying and immediately shrank his head.

Qingying gave it a very special feeling. If it dared to move, Qingying would probably kill it instantly.

Su Chen saw Shui Qilin shocked by Qingying, so he smiled and said to Shui Qilin, "Shui Qilin, I'm just here. Take a look at the Qingyun Sect's Zhuxian Sword. Don't worry, I won't snatch the Zhuxian Sword. I don't like a high-quality magic weapon."

"Su Chen, didn't you get our Jiejiao's Zhuxian Sword? Why are you still interested in a magic weapon?"

"Damn it, Holy Mother, why are you here?"

Chapter 1636

Su Chen was very confused when he saw Our Lady of Wudang appearing.

How could Our Lady of Wudang appear here?

Even if she is in the lower world, she cannot come to Qingyun Sect. Could it be that the Holy Mother of Wudang is following her arrival?

When the Holy Mother appeared next to Su Chen, she smiled and said, "Haha, Su Chen, are you very surprised to see me?"

At this moment,

Qingying looked at the uninvited guest in Su Chen's arms.

She felt that this woman was very Powerful, she might not even be a match for this woman.

Shui Qilin trembled and fell to the ground.

It felt that this woman was more terrifying than Qingying. This woman's aura made it unable to resist at all.

Su Chen shouted when he heard what Madam Wudang said, "I'm so surprised, Madam Wudang, oh no, you should be called Mother Lishan in Shenyu Continent, Mother Lishan, how did you find me?"

"Some small tricks, not worth mentioning"

"What do you want from me? Let me tell you first, I will not help you intercept the teachings."

The Holy Mother Wudang curled her lips when she heard Su Chen's words.

This bastard still didn't want to help them intercept the teachings.

However, she had received special instructions from the Holy Mother of the Golden Spirit and Yun Xiao to get rid of Su Chen no matter what this time.

Mother Wudang went to see Su Chen's wives first, and Su Chen's two daughters have very good qualifications.

She wanted to accept Su Chen's eldest daughter as a disciple, so that if Su Chen didn't agree to help, she wouldn't be able to teach him. Maybe.

It's just that none of Su Chen's wives agreed. All these things require this bastard's nod.

And Su Chen's eldest daughter is also a naughty little girl. She asked for some treasures but didn't agree to become her teacher.

Mother Wudang thought about it and decided to deceive Su Chen first.

She smiled and said to Su Chen, "That's not necessarily the case. I like your daughter Su Yan very much. I plan to accept her as my disciple."

"Impossible, unreasonable.....Old Mother Lishan, it is impossible for my daughter to become your teacher, so don't have such wishful thinking."

"Yeah? Your wife Ji Ruxi and He Shuirou both agreed, and Bai Suzhen is also considered my registered disciple. You are already entangled with our Jiejiao."

Su Chen shouted angrily when he heard Wudang Madonna's words,

"Shit, I'm the head of the family"

"I didn't agree with what my wife said. It doesn't count. Xiaobai was just taught some superficial skills by you. You are nothing but a master. Did Xiaobai become your master? Did Xiaobai kowtow to you and serve tea?"

Our Lady of Wudang looked at Su Chen and said angrily, "You bastard are just messing around."

"You are still talking nonsense here."

Su Chen was not so polite to Our Lady of Wudang.

The more he thought about it, the more something was wrong. It was impossible for Shui Rou, Ji Ruxi and Ji Ruxi to agree to let Su Yan become the disciple of Our Lady of Wudang. Su Yan was the biological daughter of Jing Salamander, and it was impossible for them to take her place. Jing Salamander made this decision.

When the Virgin Mary rubbed her forehead, she felt very helpless.

This bastard couldn't get in. She really had no choice. Was she really going to use that method?

Su Chen didn't talk to Wu anymore. When the Holy Mother, he kicked Shui Qilin and shouted,"Shui Qilin, don't pretend to be dead, take out the Zhuxian Sword and let me see it.""

When the water unicorn heard Su Chen's words, it hurriedly spat out the Qingyun Sect's Zhuxian Sword.

This human being is even more terrifying. Qingying and this powerful woman both care about this human being very much, and it doesn't care. Dare to disobey Su Chen's order.

Su Chen looked at the Zhuxian Sword and shook his head.

The Zhuxian Sword was not as spiritual as his Luoxue. This also made Su Chen very disappointed with the Qingyun Sect's Zhuxian Sword.

Su Chen took the Zhuxian Sword. Returning the sword to Shui Qilin said disdainfully,

"A handful of rubbish, not even as powerful as some of the immortal soldiers of heavenly soldiers and generals."

Our Lady of Wudang looked at Su Chen and laughed,"This is just a magic weapon. It is very powerful in this world. However, it is impossible to compare with the spiritual treasures in the fairy world."

"Leave, let's get out of here first."

Su Chen shook his head when he heard the words of Our Lady of Wudang.

He originally wanted to check the heavenly book in the Zhuxian Sword, but it was just a cultivation method for immortality. Su Chen still looked down upon this cultivation method.

Su Chen and Our Lady of Wudang After getting out of the pool, they sat on an attic, and they could clearly see the competition in the square.

"Tell me, what are you going to do?"

Our Lady of Wudang looked at Su Chen and begged,

"Su Chen, I hope you can help us Jie Jiao once. Just this time, I want to rescue the Jie Jiao disciples who are controlled by Buddhism."

Su Chen shook his head when he heard the words of Mother Wudang.

Those disciples of Jie Jiao are simply hopeless people. Those monsters in the plot of Journey to the West, those monster disciples of Jie Jiao, they are not just cannibals and harming others..Journey to the West is difficult.

I am afraid that there are only a few monsters who do not harm and eat people.

"Mother Wudang, you are wrong. Those disciples of Jie Jiao are not worth saving at all. Those disciples of Jie Jiao are all vicious people, cannibalizing and committing many evil deeds. These are the things you disciples of Jie Jiao have done. Even if you saved them, what if those Jie Jiao disciples continue to harm the other party?"

"I will strictly discipline the disciples of Jiejiao in the future."

"laugh! You think too much, you are not a holy mother. If those disciples really return to Jiejiao, the final luck of your Jiejiao will be completely ruined by those bastards."

"I do not believe"

"Believe it or not, I don't want to get involved in your interdiction matters, and I don't want other sects to regard me as a thorn in their flesh and kill me."

The Holy Mother Wudang glared at Su Chen and said resolutely,

"Su Chen, Journey to the West is an opportunity for us to learn from others. It is impossible for us, our fellow teachers and sisters, to give up."

"Then I wish you success!"

Su Chen said to Wudang Mother indifferently, what can they do with Wudang Mother, Golden Spirit Mother, Yunxiao and the others?

Although the three Wudang Mothers and daughters are all powerful quasi-sages, the quasi-sages of Buddhism are even more powerful. Many, if Saint Zhunti's Ancestor Shanshi Bodhi takes action, the three daughters of the Wudang Virgin will be completely suppressed. What's more

, it is impossible for Heaven to let the Golden Spirit Virgin and Yunxiao leave the heaven without authorization. The Wudang Virgin gave Su a white look. Chen Chen ignored this bastard.

She had to find a way to get Su Chen to take her elixir. She wanted this bastard to help them in the future. This was the last resort.

"This is the end of today's competition, and the follow-up competition will be tomorrow."

At this moment, in the square, the individual competition is only going on for the top twelve. It's getting late today, and Qingyunmen is also preparing to hold the semi-finals and finals tomorrow.

"Damn it, there are actually five female disciples of Xiaozhufeng among the twelve disciples. Are the female disciples of Xiaozhufeng so powerful?"

Chapter 1637

When Su Chen heard that today's Qingyun Sect's competition was over, he looked at the Qingyun Sect disciples in the square and was very surprised.

Among the twelve Qingyun Sect disciples, there were actually five female disciples from Xiaozhufeng, Lu Xueqi, Master Feixuan, Wenmin, these people he was familiar with were among them.

The remaining two female disciples of Xiaozhufeng are also quite good. Xiaozhufeng took up almost half of the

Qingyun Sect's Seventh Meridian Martial Arts Competition. Xiaozhufeng stole the show this time. Our Lady of Wudang looked at the people in the square and said disdainfully, "Are you paying attention to some competitions between ordinary people?"

"

"Boring!"

Su Chen rolled his eyes at Our Lady of Wudang, ordinary person?

Then he can be considered an ordinary person, right?

I am afraid that in the eyes of Our Lady of Wudang, as long as she is not an immortal, she will think that she is an ordinary person.

Just when Su Chen was chatting with Our Lady of Wudang At that time, in the main hall of Qingyun Sect, the head of Qingyun Sect and the six peak masters were all sitting together with serious expressions on their faces.

The head Daoxuan looked at Shuiyue and said with a serious face, "Junior Sister, are you telling the truth? ?"

"You can ask Fatty Tian." Shui Yue nodded and pointed at Tian Buyi.

Tian Buyi nodded with an ugly face and said,

"Senior Sister Shuiyue said it right. Suru and Su Chen are biological siblings. Suru and Ling'er are now in Hangzhou City."

Tian Buyi dislikes Suru's younger brother Su Chen very much. He is still worried about Su Chen about what happened last time.

Even if Su Chen is his brother-in-law,

Tian Buyi doesn't want to have anything to do with Su Chen.

"what about you? Everyone talks about it, do we still want to protect the Song Dynasty?"

Taoist Canglong of Qingyun Sect said to everyone with a serious face.

"Senior Brother Head, fellow senior brothers, we cannot fail to protect the Song Dynasty. If we give up on the Song Dynasty like this, or even ignore the Song Dynasty, how will we face the people of the world in the future? Will other sects view our Qingyun Sect this way?"

"Besides, the Song Dynasty court has always respected us, Qingyun Sect, and even made offerings on time every year. Can we ignore the Song Dynasty court?"

The head Daoxuan nodded when he heard what Master Canglong said.

He also felt that he could not give up the Song Empire like this, but Suru was the elder of their Qingyun Sect.

He was not able to make a decision now.

Daoxuan looked at The other peak masters asked,"Tell me, should we give up on Da Song, or should we save Da Song and take action against Su Chen?"

"I also feel that I cannot give up on the Song Dynasty"

"You are right. The Song Dynasty did not betray our Qingyun Sect. We cannot ignore the life or death of the Song Dynasty Empire."

"Well, we can't give up the Song Empire"

"We'll stick to our previous decision. The worst we can do is not kill Suru's brother."

Other peak masters are also opposed to giving up the Song Empire.

They all feel that if they give up the Song Empire this time, the reputation of their Qingyun Sect will be ruined, and there may even be no empire to worship their Qingyun Sect in the future.

Tian Buyi also He nodded and said,

"I also agree that the Song Empire cannot give up. The worst we can do is imprison Su Chen in Qingyunmen in the future."

"Fatty Tian, you actually object too? Is this worthy of Suru?"

"I'm just talking about things!"

Shui Yue glared at Tian Buyi fiercely.

She didn't expect that Tian Buyi would object.

Su Chen is this fat man's brother-in-law.

Does Fatty Tian want to kill the family out of justice? If Suru finds out about this, their husband and wife may also die. It was almost over,

Shuiyue stood up and warned the others,

"Senior brother, do you know how many troops Su Chen has?"

"Let us tell you that the army fighting the Song Dynasty this time is only one of Su Chen's six combat armies."

"Su Chen's goal is not the Song Empire. All the empires in the Eastern Continent are among Su Chen's goals."

"Can our Qingyun Sect deal with millions of troops? If we kill millions of troops, this will be against the harmony of nature. You should think carefully."

Everyone else was shocked when they heard Shui Yue's words.

Millions of troops?

Want to unify the Eastern Continent?

Does Su Chen have so many troops?

The Eastern Continent is not just populated by those empires, top sects, and big sects , and even small sects, there are countless of them.

Does Su Chen have powerful immortal cultivators to deal with these sects?

"Junior sister, you may have been deceived. Su Chen has only been around for less than a year. Do you think he can have an army of millions?"

"Yes, millions of troops, this is a very large army. If Su Chen had so many troops, wouldn't the Song Dynasty court know about it? Would those sects in the southern part of the Song Dynasty know?"

"Senior Sister Shuiyue, the news you got is definitely false. This is simply impossible."

"Well, this is really an exaggeration. I don't believe it anyway."

"I don't believe it either, that guy can't possibly have an army of millions."

The peak masters of the Qingyun Sect shook their heads and said,"

It is impossible to have an army of millions.

The Song Empire only has more than a million troops. How could Su Chen have an army of millions?"

Shui Yue Looking at these people, her expressions were very ugly.

She did not expect that she would not be able to convince these people in the end.

She had no choice now.

Su Chen had already appeared in Qingyun City.

Some disciples of Qingyun Sect had already gone to Qingyun City to look for Su Chen. If it weren't for the Qingyun Sect's Seven Meridians Martial Arts Competition these days, these peak masters would probably go to Qingyun City to kill Su Chen.

"You decide, but we at Xiaozhufeng will not participate in dealing with Su Chen."

Shui Yue stood up, looked at the others and left.

Head Daoxuan and the other peak masters looked at each other and shook their heads.

They all knew why Shui Yue did this.

Shui Yue asked for it from Su Chen. They learned other lost sword techniques from the Qingyun Sect.

However, this matter was of great importance.

They could not ignore the Song Dynasty. At worst, they would just not kill Su Chen in the future.

The next day,

Qingyun Sect's Seven Meridians Competition As the process continued, many immortal cultivators and warriors also came to the square early. They all wanted to see which disciple would eventually become the chief disciple of Qingyun Sect. The twelve disciples drew lots to decide their opponents, and each disciple stepped forward. Their respective lots were drawn.

After Shi Feixuan drew the lots, she asked Lu Xueqi,

"Senior sister, what is your number? Lu

Xueqi looked at the lot in her hand and replied coldly,

"I am number three"

"Haha, then we can't get along, I'm number five."

At this time, a little beauty next to her heard Lu Xueqi's words, and she shouted to Lu Xueqi with a mournful face,

"Ah, I am so unlucky. Why am I number three? Senior sister, I give up. I am no match for you."

Lu Xueqi shook her head after hearing this.

She didn't think that the disciples of Xiaozhu Peak were going to fight among themselves.

However, five of the twelve disciples were disciples of Xiaozhu Peak, so the chance of encountering each other was very high.

That's right!

She was helpless.

On the attic, this is where Su Chen and Our Lady of Wudang appeared one after another.

Our Lady of Wudang looked at Su Chen and said sarcastically, "You bastard is really a pervert. In the middle of the night They even went to steal incense and jade."

"I'm a virgin. Are you spying on me at night?"

Chapter 1638

Su Chen didn't expect that the Holy Mother Wudang would spy on him last night, which made Su Chen very speechless.

He was going to see Shi Feixuan to be gentle last night, but he thought that Shi Feixuan would have to participate in the Seven Meridians Martial Arts Competition today. , he was also worried that he would not be able to participate in the competition today due to the torment of his concubine.

Su Chen could only continue to look for Xu Zhihu. He didn't know how long he had watched the Virgin Mary last night.

"Peeping? What nonsense are you talking about, you bastard? I just saw you running out sneakily, so I checked it out casually. You bastard are just a shameless pervert."

"Why am I so horny? I just went to see my wife to be horny? You, an immortal and powerful person, don't understand the love between men and women in the human world."

"nausea!"

I guess!

Why are you so disgusted?

An old maid of who knows how many years.

Su Chen is too lazy to argue with the virgin.

"Who are you?"

At this time, a group of Qingyun Sect disciples discovered Su Chen and Wudang Madonna in the attic, and these disciples quickly surrounded them.

Su Chen saw these disciples surrounding them as if they were facing a formidable enemy, and he He patted his forehead and said,

"We are just here to watch your Qingyun Sect's Seven Meridians martial arts competition. We have no ill intentions."

A Qingyun Sect disciple said expressionlessly, "No one is allowed to exist here. You should go around the square to watch our Qingyun Sect's Seven Meridians Martial Arts Competition."

"Can!"

Su Chen nodded to these disciples of the Qingyun Sect, and he went down to the attic with Our Lady of Wudang.

In the square, the competition between the disciples of the Qingyun Sect also started.

Two disciples of the Qingyun Sect were fighting in the ring. It was very intense, with all kinds of Taoist techniques and even close hand-to-hand combat, which made the ring's protective restrictions rattle.

Here at Xiaozhu Peak,

Shuiyue looked at the fight on the ring and told Shi Feixuan. , "Feixuan, you should be careful when you meet Qi Hao. Qi Hao is an immortal cultivator in the late Nascent Soul realm."

Master Feixuan nodded to Shuiyue and replied, "Master, don't worry, I will be careful."

"Wen Min, you should also be careful. Although you are at the middle stage of Yuanying Realm, the remaining disciples are all at the Nascent Soul Stage. Don't be careless."

"Yes, master!"

Shui Yue looked at Lu Xueqi and didn't explain anything.

Lu Xueqi is the most powerful among these disciples. The chief disciple of Qingyun Sect is already destined to be obtained by Lu Xueqi.

Shui Yue looked at the disciples around him and smiled,

Xiao Zhufeng However, five disciples have broken into the top twelve. Her top six disciples may occupy half of the country again. The Xiaozhufeng disciples will give her a face this time.

"In the next battle, Qi Hao from Longshou Peak will compete with Shi Feixuan from Xiaozhu Peak!"

At this time, the last competition was over.

A disciple from Tongtian Peak won one of the top six places. The next competition was about to take place for Shi Feixuan.

"Qi Hao from Longshou Peak, please give me some advice from my junior sister."

"Xiaozhufeng Senior Concubine Xuan, please give me some advice from Senior Brother."

After Qi Hao and Shi Feixuan came on stage, they introduced each other and prepared to start the competition.

"The competition begins!"

Whoosh!

Touch!

After the martial arts competition started,

Qi Hao quickly punched Shi Feixuan, and Shi Feixuan repelled Qi Hao's attack with one palm. Neither Qi Hao nor Shi Feixuan used weapons now. The two of them are now conducting their own tests.

On the competition stage, the two figures are attacking each other quickly, and the afterimages make it difficult for some disciples in the arena to see clearly.

Daoxuan looked at the concubine Xuan on the stage. Qi Hao smiled and said, "Who do you think will win? Cangsong

Taoist stroked his beard and said with a smile, "He must be my disciple. My disciple is a master in the late Yuan Ying stage. Master Fei Xuan is only in the early Yuan Ying stage. This time my disciple wins.""

"Well, Qi Hao's strength is pretty good. I'm afraid Qi Hao will win a promotion spot this time."

"Yes, the level of cultivation is almost too high. Shi Feixuan's strength is pretty good, but she might lose against Qi Hao."

"One is in the late stage of Yuanying and the other is in the early stage of Yuanying. Does this need to be said?"

"Qi Hao was going to win. If Shi Feixuan didn't have a trump card, she wouldn't be able to defeat Qi Hao."

The other peak masters looked at the ring and said one after another, the gap between the cultivation realms of Shi Feixuan and Qi Hao is too big, and Qi Hao is still the disciple of Longshou Peak, Qi Hao also obtained the true inheritance of Canglong Taoist, Shi Fei Xuan had no chance of winning the competition.

Shui Yue shook her head when she heard the words of the other peak masters. After a while, Shi Fei Xuan would surprise these people.

Although Shui Yue didn't want to refute these peak masters, she couldn't help but look at Tian Buyi. He continued to attack and said, "Fat Tian, none of your disciples have broken into the top twelve, you still have the nerve to sit here."

"you....."

Tian Buyi was very angry when he heard Shui Yue's words, but he didn't have the face to be angry with Shui Yue. His disciples were all wiped out, and Tian Buyi was also very helpless.

"Junior sister, I have to be serious"

"Please!"

Swish, swish!

At this time,

Qi Hao took out his long sword and quickly used the sword technique. Energy lightsabers appeared in front of Qi Hao one by one. These lightsabers gathered together and attacked Shi Feixuan instantly.

"Taiyin Yuehua!"

Boom, boom, boom!

Shi Feixuan quickly tied the knot, and a huge blue full moon suddenly appeared in front of Shi Feixuan, and Qi Hao's lightsaber was blocked by the huge full moon.

Su Chen looked at I was also very curious when I saw Shi Feixuan defending the full moon. This should be the magical power in Taiyin Kung Fu. It seems that the Taiyin Kung Fu practiced by Shi Feixuan is about to reach the third level.

Our Lady of Wudang saw the blue color of Shi Feixuan

She was also very curious about the Full Moon Shield , "This defensive power is good, but the cultivation level is still too low. If Shi Feixuan reaches a high level in cultivation, she can use the Full Moon Shield in an instant."

"good!"

Su Chen looked at Shi Feixuan and nodded with a smile.

When the Virgin Mother saw Su Chen looking at Shi Feixuan and smiling, she asked doubtfully,

"Do you know this woman?"

"Of course, don't I know my wife?"

"Your wife? You bastard is so sentimental. Humans are all lower body animals."

"Tsk, what do you, an old maid, know? We are in love, and we also want to continue the family line."

Our Lady of Wudang was confused when she heard Su Chen call her an old maid, old maid?

She is not a human being, and she has no idea about men and women at all. What nonsense is this bastard talking about?

Our Lady of Wudang is an innate creature,

Who cares about the relationship between men and women?

This damn bastard, is he despising her?

The Mother of God wanted to strangle this bastard to death when she stared at Su Chen.

"Shi Feixuan is about to make a big move. Is Shi Feixuan going to use the Divine Sword Controlling Thunder Sword Technique this time? Or should I use the Demon-Slaying Sword Technique?"

Chapter 1639

At this moment,

Su Chen saw Shi Feixuan standing in the air with one step in the air. He guessed that Shi Feixuan was going to use a big move to solve this competition, and hoped that Qi Hao would not be killed by Shi Feixuan's big move.

Our Lady of Wudang also looked at the arena in the square.

She didn't care at all about the competition between Shi Feixuan and Qi Hao.

However, she was somewhat interested in

Shi Feixuan. Ji Ruxihe, Shui Rou (Mrs. Ye Di) from Hangzhou City, Bai Suzhen, Xiaoqing, and even Su Chen's two daughters, their cultivation talents and luck are very good, and the Wudang Mother has no idea where this bastard found these women.

Outside the ring,

Shui Yue saw Shi Feixuan standing in the air.

She hurriedly stood up and looked at Shi Feixuan.

She knew that Shi Feixuan was going to be serious and even wanted to activate one of the four sword techniques.

When Shui Yue saw Lu Xueqi and other disciples standing up, she smiled and asked Lu Xueqi, "Xueqi, what kind of sword technique do you think Master Feixuan can use?"

Lu Xueqi thought for a while and said to Shui Yue,

"It should be the Demon-Slaying Divine Sword Technique. My junior sister's Divine Sword and Thunder-Controlling True Technique is better than mine. To deal with Qi Hao, it's impossible for my junior sister to use the Divine Sword-Controlling Thunder True Technique."

"Well, that's what I thought too. If I were to deal with Xiao Yicai, Shi Feixuan might use the Divine Realm Thunder Control Technique. Wen

Min looked at Junior Concubine Xuan above the ring and asked, "Master, does this mean Junior Sister is sure to win?"

"Inseparable, Qi Hao will not be Shi Feixuan's opponent."

On the ring,

Junior Concubine Xuan Linkong looked at Qi Hao at Longshou Peak and said coldly, "Senior Brother Qi, I'm going to use my full strength, you have to be careful."

Qi Hao looked at Shi Feixuan very cautiously.

He guessed that Shi Feixuan was about to use a big move.

Qi Hao had not paid much attention to Shi Feixuan before. He had always considered Lu Xueqi and Xiao Yicai as his opponents, but after just In the battle, Qi Hao will never underestimate Shi Feixuan again.

"Junior sister, take action, I will be careful."

Boom, boom, boom!

When Shi Feixuan heard Qi Hao's words, she raised the Sekong Sword in her hand.

At this time, the sky in the square of Qingyun Gate suddenly became dark, and the terrifying aura continued to condense in the air, and Shi Fei Xuan's long sword emits a dazzling light

"This is? This is the Demon-Slaying Sword Technique. I didn't expect that Shi Feixuan would actually cultivate it into the Ghost-Slaying Divine Sword Technique."

"The Ghost-Slaying Divine Sword Technique finally reappeared in Qingyunmen. After decades, we finally saw the Ghost-Slaying Divine Sword Technique again."

"Yes, Qi Hao is going to lose. The Ghost Slaying Divine Sword Technique is not something Qi Hao can resist."

"Well, Xiaozhufeng is really full of talents. First, Lu Xueqi can use the Divine Sword and Thunder Control Technique, and now there is Shi Feixuan who can use the Ghost-Slaying Divine Sword Technique. None of us can compare to Xiaozhufeng."

"This is fate. In another ten years, Xiaozhu Peak will become the number one peak of our Qingyun Sect."

Outside the square, the peak masters of Qingyun Sect looked at Master Feixuan in the air.

They all sighed very much.

Shuiyue's eldest disciple Lu Xueqi had already kept other disciples of Qingyun Sect away, and now there is another Master Feixuan, Xiaozhufeng. It will stabilize the other six main peaks in the next few decades.

Around the square, everyone watching the competition in the ring saw Shi Feixuan about to launch a big move, which made them feel frightened when they saw it, and the strange phenomena in the sky caused , even the powerful aura affected them through the restriction, and some low-strength warriors were already sweating profusely and kept retreating.

Qi Hao now looked at Shi Feixuan in shock.

He did not expect Shi Feixuan's unique move Being so powerful, Qi Hao knew that he would definitely not be Shi Feixuan's opponent before Shi Feixuan launched his ultimate move.

"In the vast world, righteousness will last forever!"

"Not to kill immortals, but to kill ghosts and gods!"

At this time,

Shi Feixuan began to recite the formula for slaying ghosts and gods. The cold voice made everyone around him very surprised."

Destroy ghosts and gods?

This is the sword formula for slaying ghosts and gods, one of the four major sword techniques of Qingyun Sect.

Outside the square, whether they were the immortal cultivators who came to Qingyun Sect to watch the excitement or the disciples of Qingyun Sect, they were all shocked by the sword technique used by Shi Feixuan.

Shi Feixuan struck Qi Hao with one sword, which was terrifyingly huge. The sword blade attacked Qi Hao like a doomsday judgment.

"Qingyun Shield! Tian Cang's sword!"

After Qi Hao hurriedly used Taoism to protect himself, he swung his sword to interrupt the huge blade that was attacking.

Boom boom boom.....

In an instant,

Qi Hao was overwhelmed by the huge sword blade, and the restrictions around the thunder platform were also broken at this time.

If it weren't for several elders of Qingyun Sect, who quickly resisted these terrifying auras, I'm afraid some low-strength people around the square would Everyone will be affected.

Shi Feixuan stopped after attacking once.

This time it was a martial arts competition, not a life and death fight, and she did not kill Qi Hao.

At this moment,

Qi Hao was lying on the ring in a miserable condition.

His clothes were in tatters, blood was flowing from his body and mouth and nose, and even part of his hair had been cut off.

"Junior Concubine Xiaozhufeng wins, and the next competition will begin in half an hour"

"Qi Hao, are you okay? Cangsong

Taoist hurriedly appeared next to Qi Hao. He was very worried about Qi Hao's safety just now, but it was impossible for God to ruin the competition. He did not believe that Master Feixuan would kill his fellow disciples.

Qi Hao said in frustration while vomiting blood. , "Master, I have nothing to do, I just lost the competition."

Qi Hao didn't expect that Shi Feixuan could kill ghosts and gods with the Sword Art.

He was very helpless about this.

However,

Qi Hao became interested in Shi Feixuan. This beautiful and cold beauty made Qi Hao attracted. Although he was more attractive than Shi Feixuan Much older, but they are all monks, and age is not a problem at all.

Taoist Canglong checked Qi Hao's injuries and felt relieved.

Although Qi Hao was seriously injured, his foundation was not damaged. He will recover after a few months of cultivation.

"Haha, it's okay. Master Fei Xuan knows our Qingyun Sect's Ghost-Slaying Divine Sword Technique. It's not unfair for you to lose to her."

Qi Hao looked at Taoist Cangsong and begged, "Master, I want to propose marriage to Master Shuiyue. I hope Master can help me propose marriage to Master Shuiyue."

"Do you want to marry Shi Fei Xuan?"

"Yes, master!"

"We'll talk about this after Qimai takes up martial arts. You should take good care of your injuries first."

"Yes, master!"

Taoist Cangsong looked at Shi Feixuan who returned to Shui Yue.

He felt that the combination of Qi Hao and Shi Feixuan was very good.

Qi Hao would be his successor as the peak master of Longshou Peak, and Shi Feixuan's cultivation talent was also It's very scary. If Qi Hao and Shi Feixuan are combined in the future, his Dragon Head Peak will become even more powerful. Su Chen was very happy to see Shi Feixuan win easily, Shi Feixuan It has only been more than half a year since Xuan came to the Shenyu Continent, but Shi Fei Xuan has made very rapid progress. Last time, Shi Fei Xuan was at the peak of the Heavenly Realm, and now she is at the early stage of the Nascent Soul Realm. Su Chen thought of Qin Mengyao and Huan He is also very much looking forward to meeting them again. I am afraid that the cultivation realm of these proud girls will also make great progress.

"Huh? The little beauty Baguio finally came out. It has been a day and a night. What on earth is Baguio looking for in that hall?"

Chapter 1640

In the back hall of Qingyun Gate,

Baguio escaped from the main hall in a bit of embarrassment.

Baguio did not expect that this main hall was actually the Shuiyue Cave, a forbidden area leading to Qingyun Gate.

The dreamland in Shuiyue Cave almost made Baguio get lost in it.

Baguio's face turned red when she thought about the fantasy in Shuiyue Cave. She didn't expect that Su Chen actually appeared in the fantasy in Shuiyue Cave, and she even talked to Su Chen. Chen became husband and wife in the fantasy world.

This made Baguio clenched her fists tightly and felt very uneasy.

Baguio looked at the main hall behind him and said to himself angrily,

"Damn it, how could I fall in love with that shameless pervert? This must be my inner demon, and I need to hone my mind in the future."

Baguio disappeared outside the hall in a flash.

This time she did not find the four great sword techniques of the Qingyun Sect, nor did she find the Qingyun Sect's sacred weapon, the Immortal Killing Sword.

She wasted an invisibility talisman in vain.

This time But she didn't gain anything at all.

Su Chen checked Baguio and smiled.

Baguio looked embarrassed and angry.

Su Chen guessed that Baguio didn't get the items she wanted, and she was going to leave empty-handed this time. Returned.

Our Lady of Wudang also discovered the sneaky Baguio.

When she saw Su Chen laughing, she asked suspiciously, "Have you ever known that thief?"

"know!"

"You bastard, do you know all the beautiful women?"

"none of your business!"

Our Lady of Wudang didn't care about this bastard's attitude.

She thought that since this bastard liked beauties, there were many beautiful disciples in their sect.

After thinking about it, Our Lady of Wudang seduced Su Chen,

"Su Chen, our Jiejiao also has many beautiful beauties, and they are all powerful fairies. If you can help our Jiejiao, I can introduce you to a few beautiful fairies."

Su Chen was very surprised when he heard the words of Our Lady of Wudang.

He also knew that there are many beauties in Jiejiao, such as Our Lady of Wudang, Our Lady of Golden Spirit, Our Lady of Ghost Spirits, Yunxiao, Bixiao, Qiongxiao, Our Lady of Fire Spirit, and Golden Light. Holy Mother, etc., these are all top-notch beauties.

Su Chen also understood that Wudang Holy Mother was trying to seduce him. These beautiful disciples of Jie Jiao either refused to be killed or were controlled by the List of Gods. He had never thought about fighting with Jie Jiao. They met beautiful disciples.

Su Chen looked at Madonna Wudang and said mockingly,

"Yes, there are many beautiful disciples of Jiejiao, but those beautiful female disciples were either destroyed or controlled by the God List. Do you think I will be tempted by those beautiful fairies?"

"you....."

"Huh? Holy Mother, you are the only beautiful disciple left in Jiejiao. You don't want to seduce me with your love, do you?"

After Mother Wudang heard Su Chen's words, she was very ashamed and angry.

She didn't expect that this bastard would hit her. This damn bastard, if he couldn't kill this bastard, Mother Wudang would do it now. Break this bastard's neck.

The Virgin Mother said with a frosty face, "You are wishful thinking, shameless pervert, stop daydreaming here."

Su Chen took a look at the beauty of Wudang Madonna, with her well-proportioned figure. Wudang Madonna is very beautiful, but who is Wudang Madam? She is a disciple of Jie Jiao.

He doesn't want to have too much contact with Jie Jiao. , whoever falls into this big pit will be unlucky.

Su Chen crossed his arms and said disdainfully, "Hey, I still look down on you, an old maid who has lived for who knows how many years.""

"Do you want to die?"

"Hey, just kidding, just kidding!"

Our Lady of Wudang looked at Su Chen and reminded her coldly, "Su Chen, if you dare to talk nonsense to me again, be careful I will kill you."

Su Chen rolled his eyes and looked towards the arena in the square.

Su Chen didn't dare to offend the tough girl Wudang Madonna.

In the Shenyun Continent,

Su Chen was still useful enough to Wudang Madonna. He wouldn't do it at this time. She would offend this powerful old beauty.

In the square arena,

Lu Xueqi's competition was very easy. The female disciple of Xiaozhu Peak immediately gave up on the arena. Lu Xueqi was also the first Qingyun sect disciple to win without a fight.

When she was about to arrive , At noon, the twelve-to-six competition ended.

Lu Xueqi, Shi Feixuan, and Wen Min all successfully advanced to the top six. Xiaozhufeng really impressed the people around him this time.

Starting from the Seven Meridians Martial Arts Competition,

Xiaozhufeng The disciples basically occupy half of the country, but the top six Xiaozhufeng really occupy half of the people.

"I guess, Xiaozhufeng is too powerful here, but I am not a woman, so it is impossible for me to join Xiaozhufeng"

"Me too, alas! Why doesn't Xiaozhu Peak accept male disciples?"

"What you think is beautiful, there are all beautiful female disciples in Xiaozhu Peak, Lu Xueqi, Shi Feixuan, Wen Min, these disciples are like fairies. If Xiaozhu Peak recruits male disciples, I am afraid that Xiaozhu Peak will have many in an instant. Hundreds of male disciples crowded the crowd"

"Yes, Xiaozhufeng is simply a man's paradise"

"Forget it, it's impossible for us to add Xiaozhu Peak. As long as we don't add Dazhu Peak, the other main peaks are all good."

The warriors around the square looked at the six disciples on the ring, and they all talked about it. The performance of the Xiaozhufeng disciples made these warriors who were about to join the Qingyun Sect very yearn for it.

"Are you a disciple of Qingyun Sect?"

At this time,

Baguio also appeared in the square.

When she arrived in the square, she checked her surroundings.

After she didn't find Su Chen,

Baguio saw a Qingyun Sect disciple sitting aside depressed, so she walked over. I want to know about the martial arts competition in the ring.

"I.....I am."

Zhang Fan didn't expect that someone would come to talk to him.

He feels very embarrassed now.

He was eliminated from the Seven Meridians Martial Arts Competition at the beginning. He didn't grab any of the spirit balls.

Zhang Fan, who has low strength, was eliminated yesterday. Tian Buyi gave him a severe lesson.

If it weren't for the intercession of several senior brothers, Zhang Fan might have been punished and not be able to appear in the square today.

Baguio looked at this uncomfortable Qingyun Sect disciple and felt that he could start from this When the stupid boy got the information she wanted to know,

Baguio smiled and asked,

"My name is Wang Yao, what is your name?"

"My name is Zhang Fan"

"Zhang Fan, didn't you participate in the Seven Meridians Martial Arts Competition?"

Zhang Fan touched his head in embarrassment and replied, "Uh! I participated, but I was eliminated at the beginning."

Baguio smiled when she heard Zhang Fan's words.

Zhang Fan is just a warrior in the heavenly realm.

How can he be the opponent of an immortal cultivator?

This stupid boy is really funny.

"Zhang Fan, who among your Qingyun Sect disciples is the most powerful? Who can get the title of Qingyun Sect's chief disciple?"

Zhang Fan hurriedly replied after hearing Baguio's words,

"It's Lu Xueqi from Xiaozhu Peak. I heard my senior brothers say that Lu Xueqi has reached the realm of out-of-body cultivation, and she is the most promising to win the title of Qingyun Sect's chief disciple."

Lu Xueqi?

The cultivation realm of the out-of-body realm?

This Lu Xueqi is really powerful.

Baguio looked at the six Qingyun Sect disciples on the stage.

Among the three women, the cold one should be Lu Xueqi. She is really beautiful. She is beautiful, and the other two girls are also very beautiful.

Baguio looked at the ring with some interest.

There were three powerful female disciples in this generation of disciples of Qingyun Sect. Will Qingyun Sect be controlled by women in the future?

"Wang Yao, have you seen my husband?"
