Chapter 1641

At this time,

Xu Zhihu and Xu Weixiong came to Baguio.

They also saw Baguio around the square, but Su Chen was not with Baguio. This made them very confused. Didn't Su Chen find it? Baguio?

Baguio noticed the arrival of Xu Zhihu and Xu Weixiong.

She shook her head and replied, "No, I haven't seen Su Chen in the past two days."

Xu Zhihu frowned when he heard Baguio's answer. ,

What on earth has Su Chen been doing these past two days?

Why is it so mysterious?

She also forgot to ask that bastard last night

"This is?"

Xu Weixiong looked at Zhang Fan and gestured to Baguio doubtfully.

Baguio heard Xu Weixiong's words and said casually, "This is Zhang Fan, a disciple of Qingyun Sect."

Xu Weixiong was very speechless when she heard Baguio's words.

Zhang Fan was wearing Qingyun Sect's clothes.

Of course she knew that Zhang Fan was a disciple of Qingyun Sect. Xu Weixiong just wanted to know the relationship between Baguio and Zhang Fan.

"Suchen? Are you talking about Su Chen from Hangzhou City?"

Zhang Fan was very surprised when he heard what Xu Zhihu and Baguio just said.

He didn't expect that Su Chen would appear at Qingyun Gate.

That bastard Su Chen knocked him out and even took away his fire stick. Last night, his master Tian Buyi also said that Su Chen, the Wuxiang Lord of Hangzhou City, is the enemy of Qingyun Sect.

This time Su Chen came to Qingyun Sect but threw himself into a trap, and his revenge can be avenged,

Qingyun The door can also solve the serious problems of the Song Dynasty.

"Do you know Su Chen?"

Xu Zhihu looked at Zhang Fan and asked warily.

Su Chen was Wu Xiangjun of Hangzhou City, Zhang Fan was a disciple of the Qingyun Sect, and the Qingyun Sect was the patron sect of the Song Dynasty. Xu Zhihu was worried that Su Chen's role in the situation would be exposed. Things about Qingyunmen

"Who are you from Su Chen?"

Zhang Fan looked at Xu Zhihu with a serious face.

He just heard that Xu Zhihu was looking for her husband, and Baguio answered Su Chen.

This woman may be the bastard wife of Su Chen.

Xu Zhihu said With a wary face, he shook his head and said, "You don't have to worry about who we are.

Zhang Fan asked Xu Zhihu, "You must be Su Chen's wife, right?"

"Say Xiong, catch this Qingyun sect disciple, otherwise Su Chen's identity may be exposed."

Whoosh!

After Xu Weixiong heard what Xu Zhihu said, she quickly took action and caught Zhang Fan. Zhang Fan in the Heavenly Realm was no match for Xu Weixiong in the Golden Core Realm.

Zhang Fan was controlled by Xu Weixiong Said sarcastically,

"This is the Qingyun Sect, and there are many disciples, elders, and peak masters of our Qingyun Sect around. Even if you catch me, you can't escape from the Qingyun Sect. That bastard Su Chen is dead this time."

"That's not necessarily the case!"

Since Xu Zhihu asked Xu Weixiong to catch Zhang Fanxiao, she would have a way to leave Qingyun Gate safely.

Xu Zhihu looked at Baguio and asked,

"Baguio, my sister and I will leave Qingyunmen first. When you see Su Chen, tell him that we are going back to Beiliang first."

Xu Zhihu doesn't want to leave Qingyun Sect now, but Su Chen's identity cannot be exposed. She has no cultivation level. Xu Zhihu's low cultivation level cannot help Su Chen.

If Su Chen's identity is exposed in Qingyun Sect , , their sisters will hold back Su Chen,

Xu Zhihu can only leave with Xu Weixiong first, and she and Xu Weixiong also have to figure out what Xu Nian has done.

Baguio looked at Xu Zhihu and nodded. He nodded and said,

"I will tell Su Chen when I see him. This Qingyun sect disciple hopes that you will not kill him."

"Don't worry, we will only imprison him for a few days. When the Qingyun Sect Seven Meridians martial arts competition is over, we will release him."

"That's good!"

Then,

Xu Zhihu and Xu Weixiong left the square with the controlled Zhang Fan.

Baguio looked at Xu Zhihu leaving and shook her head.

She did not expect that Xu Zhihu would do this for Su Chen's safety. And she was worried about dragging down Su Chen by staying, so she left first.

If Xu Zhihu was an immortal cultivator, she must also be a strange woman.

That bastard Su Chen has a really good eye for women.

But at this moment,

Su Chen, with his unreasonable attitude , The Holy Mother had already appeared in the crowd at Xiaozhu Peak.

Shui Yue also discovered Su Chen.

Under the cover of many Xiao Zhu Peak disciples, Su Chen took the Wudang Holy Mother and sat behind Shui Yue.

Shui Yue looked around and He whispered to Su Chen, "Su Chen, you shouldn't come to Qingyun Gate."

Su Chen knew what Shui Yue meant.

The Prince of Song Dynasty must have come to Qingyun Sect to ask for help. Shui Yue asked the disciples of Xiaozhu Peak to protect him. Qingyun Sect may have decided to kill him.

"Master Shuiyue, this time I come to see your Xiaozhu Peak show off its power. Don't you welcome me?"

Shui Yue shook her head when she heard Su Chen's words and said seriously,

"Su Chen, you should know what I am talking about. The head of the Qingyun Sect and other peak masters have decided to deal with you. The Song Empire is crucial to the Qingyun Sect. It is impossible for the Qingyun Sect to watch you destroy the Song Empire."

"And you?"

"Master Feixuan is my disciple, and you are Feixuan's husband. My Xiaozhufeng will not take action."

Su Chen thanked Shui Yue for offering his hand, "Thank you very much. I didn't give you the four great sword techniques of Qingyun Sect in vain."

"You won't leave?"

"Master Shuiyue, don't worry, there are not many people here who know me, and there are so many beauties protecting me, it's impossible for my identity to be exposed."

"Hum, you'd better be careful, I don't want my disciple to break up with the Qingyun Sect in the future."

Su Chen smiled and looked at the six people on the stage who were drawing lots.

There was the Wudang Virgin beside him.

Even if Su Chen's identity was discovered, nothing would happen.

The lower realm avatar of the Wudang Virgin is the pinnacle of the Tribulation Realm. Strength, Qingying is also capable of transcending the calamity realm. With Wudang Madonna and Qingying around, there is no need for him to worry. Wudang

Madonna has hidden her realm of cultivation and is sitting next to Su Chen.

She listens to Su Chen and Shui Yue. The conversation felt very boring.

She was not interested in these at all. If it weren't for this bastard Su Chen, she would have left here long ago.

Shuiyue saw Su Chen looking at the ring.

It seemed that this bastard was not planning to leave..

Shuiyue thought of what happened in Qingyun City and asked Su Chen,

"Su Chen, why did you provoke the monks from Tianyin Temple in Qingyun City? Tianyin Temple and Qingyun Sect are both top powers. Aren't you afraid that Tianyin Temple will cause trouble for you?"

Su Chen said nonchalantly,

"All monks deserve to die. The monks from Tianyin Temple dare to come to me for revenge. I will teach those monks what regret is."

Our Lady of Wudang's eyes lit up when she heard Su Chen's words.

She didn't expect Su Chen to hate the monk so much. In this case, she still had a chance to convince this bastard.

Shui Yue snorted coldly when she heard Su Chen's words,

"Huh, how many top forces have you provoked? Tianyin Temple, Jinshan Temple, Shushan Mountain, and Qingyun Gate, you don't know how you will die in the future."

"I will live forever in the future, oh no, I will live forever in the future, die? It is impossible for me to die in this life."

Chapter 1642

Su Chen smiled when he heard Shui Yue's words.

He no longer cared about the enemies in the Shenyu Continent. Buddhism in the prehistoric world was his powerful opponent. How could Su Chen care about some enemies who were not immortals.

At this moment, the competition started again on the ring, but this time Xiaozhufeng's disciples were probably going to lose.

Su Chen saw Xiaozhufeng's Wenmin beauty standing on the ring. Her opponent was a cultivator at the peak of Nascent Soul. He guessed that Wenmin might not be able to advance to the top three this time.

Shuiyue looked at the arena, shook her head and said regretfully,

"It was a pity for Wenmin. If she met the other two people, Wenmin still had hope of defeating them, but this time she met Xiao Yicai from Tongtian Peak, and Wenmin was no match for Xiao Yicai."

Su Chen looked at Shui Yue speechlessly.

Xiaozhufeng had already stolen the limelight today.

If Xiaozhufeng's disciples really occupied the top three, the male disciples of Qingyun Sect might not be able to hold their heads up for decades.

"Master Shuiyue, Xiaozhufeng, Lu Xueqi and Shi Feixuan, if your disciples occupy the top three, the other peak masters of Qingyun Sect will probably be pissed to death. You should be satisfied."

"That's right."

Shui Yue smiled when she heard Su Chen's words.

She thought that if Xiaozhu Peak really occupied the top three this time, the other peak masters and heads might not have the face to see her.

On the ring,

Wen Min looked at Xiao Yicai She was very helpless.

She was really unlucky.

There was a one-third chance of being met by her. She was no match for Xiao Yicai at all.

"Junior sister Wenmin, please give me some advice."

"Senior brother, please give me some advice."

After Xiao Yicai and Wenmin greeted each other, they began to compete.

Beside the ring,

Shi Feixuan looked at the ring and said worriedly, "Senior sister, isn't senior sister Wenmin Xiao Yicai's opponent?"

Lu Xueqi nodded and replied,

"Well, Xiao Yicai's strength is second only to mine. It's impossible for Wen Min to defeat Xiao Yicai."

"It seems that it is impossible for us senior sisters to advance to the top three at the same time."

"It's good that the two of us advanced to the top three. Our opponents are all vulnerable. Xiaozhufeng has been very popular this time. The master should be very happy."

"That's right!"

At this moment, the peak master of Longshou Peak brought Qi Hao to Xiaozhu Peak.

Shuiyue was very confused when he saw Taoist Cangsang arriving. Shuiyue was worried that Su Chen would be recognized by Taoist Cangsang.

"Senior Brother Cang, what's the matter?"

Cangsang Taoist was very embarrassed when he looked at Shui Yue.

He originally wanted to wait until the Qimai martial arts competition was over before coming over, but Qi Hao kept begging beside him, so he had no choice but to come over and propose marriage to Shui Yue.

"Junior Sister Shuiyue, I'm here to propose marriage this time."

"Propose marriage?"

Shui Yue looked at Qi Hao behind Taoist Cangsong and frowned.

Qi Hao is forty or fifty years old.

Taoist Cangsong must have come to propose marriage for Qi Hao.

However, her disciples are not very old.

Shui Yue doesn't want any of her disciples to marry Qi Hao

"Exactly, my disciple Qi Hao fell in love with your disciple Shi Feixuan at first sight, so I shamelessly came to propose marriage to my junior sister."

Shui Yue's expression changed when she heard Taoist Cangsong's words.

She did not expect that Cangsong would bring Qi Hao and Shi Feixuan together.

Shi Feixuan has a husband.

How could Shui Yue agree to Taoist Cangsong?

Besides,

Shi Feixuan Her cultivation talent is very good. Even if Shi Feixuan is not married, she cannot let Shi Feixuan marry Qi Hao.

"Senior brother, please go back, I will not agree to this matter."

At this moment,

Su Chen didn't care about the arrival of Taoist Cangsong and Qi Hao, but after hearing Taoist Cangsong's words, his face darkened.

Qi Hao married Tian Linger in the plot.

This old man Su Chen didn't understand people who eat young grass.

He didn't expect that Qi Hao would now attract Shi Feixuan's attention. Is this Qi Hao seeking death?

Cangsongdao didn't hesitate when he heard Shui Yue. When he refused, he asked doubtfully, "Why? Qi Hao and Junior Concubine Xuan are both talented and handsome, and they are also outstanding disciples of our Qingyun Sect. Junior sister, please think about it again."

Qi Hao's face turned ugly when he heard Shui Yue's refusal.

He didn't understand why Shui Yue refused, but he would not give up.

Not only was Shi Fei Xuan extremely beautiful, but his cultivation level was also very strong. He and Shi Fei Xuan But for a perfect couple, it was impossible for Qi Hao to give up on Shi Feixuan, a beautiful woman.

At this time,

Su Chen looked at Cangsong Taoist and said expressionlessly, "Because Shi Feixuan is already married, and I am the master." Concubine's husband"

"Is Shifei Xuan married? Why haven't I heard of it? Shuiyue looked at Cangsong Taoist and shook his head.

"Senior brother, before Shi Feixuan became my master, she was already married. This man is Shi Feixuan's husband."

Shui Yue didn't expect that this idiot, Taoist Cangsong, couldn't see that Shi Feixuan was no longer perfect.

She thought of the headmaster and other peak masters. These fools who only care about cultivation probably didn't realize it.

"this....."

Cangsong Taoist was very embarrassed when he heard Shui Yue's words.

Tian had made a big joke this time. Master Feixuan was already married. No wonder Shui Yue refused without hesitation.

After Qi Hao heard Shui Yue's words, he was very angry.

Is Shi Fei Xuan already married?

How can this be?

How could the beautiful Shi Fei Xuan marry this loser? This trash is not worthy of Shi Feixuan at all.

He looked at Su Chen and said coldly,

"You, a great master, are simply not worthy of your junior sister. Your junior sister is now a cultivator in the Nascent Soul Realm, and your future lifespan will not be comparable to yours. Boy, I hope you and your junior sister can terminate their relationship as husband and wife."

After Cangsong Taoist heard what Qi Hao said to Su Chen, he originally wanted to stop him, but he thought that Su Chen was indeed not worthy of Shi Feixuan. How could a great master of martial arts be worthy of a cultivator in the Yuanying realm?

Cangsong Taoist thought of this and did not stop Qi Hao. Shi Feixuan's cultivation talent was very good. In order to make Longshou Peak stronger in the future, he also supported Qi Hao's decision. Shui Yue heard Qi

Hao's words and shouted loudly. scolded,

"Shut up, Qi Hao, Shi Fei Xuan has a husband. If it is impossible for her to be separated from her husband, you'd better not have any wishful thinking."

Shui Yue saw the gloomy look on Su Chen's face, and she was also worried that Su Chen would not be able to help but kill Qi Hao.

These people don't know Su Chen's strength, but she knows it clearly.

Shui Yue saw her again this time. When Su Chen, she found that she couldn't see Su Chen's strength at all. Shui Yue guessed that Su Chen's cultivation level must have been promoted in the past six months. The Virgin Mother of Wudang looked at Su Chen with a look on her face.

I never thought there would be such a wonderful thing.

Is Su Chen going to be poached?

A cultivator in the Nascent Soul Realm actually looks down on Su Chen?

If the Queen Mother and that bitch Guanyin find out about this, who is Qi Hao and what Cangsong Taoist? , Qingyunmen, that bitch Queen Mother and Guanyin will probably kill them all with one blow.

Chapter 1643

Daoxuan, the head of the Qingyun Sect, and the other peak masters all looked at Xiaozhu Peak. They all heard Shuiyue's angry shout just now.

Taoist Cangsong and Qi Hao went to Xiaozhu Peak, how could they make Shui Yue angry?

This made them confused.

The peak master of Fenghui Peak looked at Daoxuan and asked doubtfully, "Brother, head master, what happened to the junior sister?"

Daoxuan shook his head and said,

"I don't know, it must be Junior Brother Cangsong's disciples who have angered Junior Sister Shuiyue.

Another peak master thought for a while and said, "Could it be that Cangsong's disciple was defeated by Shuiyue's disciple? Cangsong's disciple Qi Hao is not convinced and wants to go to Junior Sister Shuiyue for an explanation."

"It's possible"

"What's this? Qi Hao is not as good as Shi Fei Xuan. We all see it clearly. Senior Brother Cangsong is too petty."

"There is no disciple in the top six at Longshou Peak. Maybe he is dissatisfied."

"No disciple from Dazhu Peak has entered the top twelve, and I have not seen Junior Brother Tian being dissatisfied."

"Tell me what to do? What we are talking about now is Senior Brother Cangsong and his disciples."

The heads of the Qingyun Sect and the peak masters looked at Shuiyue and started talking.

They all felt that Taoist Cangsong and his disciple Qi Hao couldn't afford to lose. Xiaozhu Peak's master concubine Xuan defeated Qi Hao in a fair and just manner. They all felt that Taoist Cangsong and Qi Hao were a little narrow-minded.

"Qi Hao, do you want to die?"

At this time,

Su Chen stood up expressionlessly and stared at Qi Hao indifferently.

Su Chen did not expect that after Qi Hao knew about the relationship between Shi Feixuan and him, Qi Hao would threaten him and Shi Feixuan to separate. This Su Chen couldn't help but kill this bastard who wanted old cows to eat young grass.

"A great master still wants to kill me? Do you have this ability?"

Qi Hao looked at Su Chen with great disdain.

Although he is injured now, he cannot be provoked by a small grandmaster warrior.

If Shi Feixuan's husband dares to attack him,

Qi Hao will give him a severe lesson. To teach this little scumbag a lesson, he also plans to threaten this pretty boy and Shi Feixuan to terminate their relationship as husband and wife.

"Don't be impulsive, let me handle these!"

Shui Yue quickly looked at Su Chen and tried to dissuade her.

She was really worried that Su Chen would kill Qi Hao. What if Su Chen really killed Qi Hao? This bastard's identity would definitely be exposed.

If Su Chen's identity were exposed, I

'm afraid a war is inevitable.

Qingyun Sect?

Su Chen?

She will be very embarrassed in the middle.

Su Chen shook his head at Shui Yue.

Su Chen knew that Shui Yue was worried about his identity being exposed, but Qi Hao was trying to pry him into a corner, how could he endure it?

This time Qi Hao had to die, and Su Chen would not let go of anyone who dared to have thoughts about his woman. Whoosh!

"What did you say? Can you say it again?"

Su Chen instantly appeared next to Qi Hao and grabbed his neck. He looked at Qi Hao coldly and said coldly,

"you.....You are not a great master, but you have hidden your cultivation level."

Qi Hao looked at Su Chen who grabbed him instantly in horror.

Qi Hao didn't expect Su Chen to be so fast. He was choked by the neck without even the slightest resistance.

This made Qi Hao very panicked.

"Let my disciple go, otherwise don't blame me for being rude."

Taoist Cangsong saw Su Chen pinching Qi Hao's neck instantly. He also saw that Su Chen's strength was probably not simple. This great master actually hid his cultivation level.

Shui Yue saw Su Chen taking action, and she was anxious He persuaded Su Chen,

"You bastard, don't mess around. This is Qingyun Gate. Let Qi Hao go first. I will solve this matter perfectly."

Su Chen shook his head when he heard Shui Yue's words and said,

"Haha, Qingyunmen? Am I afraid of Qingyunmen? Master Shuiyue, there is no room for maneuver in this matter. This old pervert who does not know how to live or die must die today."

Taoist Cangsong shouted angrily when he heard Su Chen's words,

"You are so presumptuous, let my disciple go quickly, don't force me to bully the big one and destroy the small ones."

After Qi Hao panicked for a while, he suddenly thought that this was the Qingyun Sect.

The peak masters of the Qingyun Sect were all immortal cultivators in the Fusion Realm, and the leader was even a super immortal cultivator in the Cave Void Realm.

This boy didn't dare to kill him. Himself.

Qi Hao looked at Su Chen and said to Cangsong Taoist,

"Master, he doesn't dare to kill me. This is Qingyun Sect. Unless this kid doesn't want to live, he won't dare to kill me at all."

At this moment, the disciples and peak masters of the Qingyun Sect around them all saw the situation here.

They didn't know what happened, but Qi Hao, a disciple of Cangsong Taoist, was choked, which made them all guess that something big had happened..Click!

"Ahhhhh....."

Su Chen smiled cruelly when he heard Qi Hao's words. He suddenly took out a long sword and chopped off one of Qi Hao's arms.

Don't you dare to kill Qi Hao?

Su Chen will let Qi Hao and Cangsong Taoist see if he dares to kill Qi Hao this time

"You dare!"

Taoist Cangsong didn't expect that Su Chen actually cut off Qi Hao's arm.

He was so angry that he wanted to kill this bastard immediately.

Qi Hao was the future of Longshou Peak, and this bastard actually ruined his future of Longshou Peak. Cangsong Taoist would never let Su Chen go this time no matter what.

Seeing this, Shui Yue shook her head and sat down.

After Su Chen took action, she could no longer control the situation. Today's Seven Meridians Martial Arts Competition will also be destroyed. This bastard ruined it.

But fortunately, the top three spots were all promoted.

Lu Xueqi and Shi Feixuan both advanced to the top three, and her Xiaozhufeng also stole the show this time.

She couldn't stop this bastard Su Chen.

Qingyun Sect?

Su Chen?

This war is about to break out.

Shui Yue can only help each other now.

"What happened? Who is this kid? Why did you arrest Qi Hao and cut off one of his arms?"

"Cangsong, what happened here?"

"Junior Sister Shuiyue, what on earth is going on?"

"Boy, let Qi Hao go!"

"Let Qi Hao go, otherwise you will never be able to leave Qingyun Sect."

The peak masters of Qingyun Sect appeared at Xiaozhu Peak one by one. They looked at Su Chen and threatened him,

"He is Su Chen, and he is Wu Xiangjun Su Chen." Tian Buyi suddenly saw Su Chen under the black robe and shouted in surprise.

Tian Buyi did not expect that Su Chen would appear at Qingyun Gate.

He just exposed Su Chen's identity out of desperation, and now he regrets it.

Su Chen After all, he is Suru's younger brother.

If Suru finds out about this, their relationship as a couple may be over.

"What? Is he Su Chen, Lord Wu Xiang of the South? Su Chen actually dared to appear at Qingyun Gate?"

"Suchen? Wu Xiangjun Su Chen, you are throwing yourself into a trap!"

"Okay, okay, our Qingyun Sect originally wanted to go to Hangzhou to kill you, but we didn't expect you to surrender yourself. This saves us a long journey."

"Kill him, Lord Wu Xiang Su Chen first rebelled against the Song Dynasty Empire, and now he has deposed our outstanding disciple of Qingyun Sect. We cannot let Lord Wu Xiang Su Chen live."

After the peak masters of Qingyun Sect learned that this person was Su Chen, they all had angry expressions.

Wu Xiangjun Su Chen was not only a rebel of the Song Empire, but now he had deposed one of their Qingyun Sect disciples.

It is impossible for them to let Su Chen go this time.

Due to Song Dynasty's request and for the reputation of Qingyun Sect,

Wu Xiangjun Su Chen must die here.

"Husband!"

At this time,

Shi Feixuan, Lu Xueqi, and Wen Min also arrived.

The top three had already qualified.

They also saw something happened at Xiaozhu Peak, so Lu Xueqi and the others hurried over.

Su Chen saw Shi Feixuan and the three girls When he arrived, he smiled at Master Feixuan and the others and said,"Feixuan, Lu Xueqi, congratulations on your advancement to the top three."

"Husband, your identity has been exposed?"

Shi Feixuan came to Su Chen and asked in confusion.

Su Chen looked at Tian Buyi after hearing Shi Feixuan's words.

He also didn't expect that Fatty Tian would reveal his identity. Didn't Fatty Tian know that Suru was there? Hangzhou City?

Suru has always regarded him as her biological brother. Su Chen also didn't believe that Fatty Tian didn't know about this matter. Could it be that Fatty Tian was still worried about him about the past things?

Su Chen nodded and answered. He said, "My identity has been exposed, but it doesn't matter. Qingyun Sect can't do anything to me. However, you may not be able to stay in Qingyun Sect anymore.""

"I don't care, but I will feel sorry for the master this time"

"It's okay, you will still be Master Shuiyue's disciple in the future, and you and Master Shuiyue will meet sometimes."

Master Feixuan nodded and said with a smile, "Well, the master is the master, and the Qingyun Sect is the Qingyun Sect, I understand."

Qi Hao was very angry when he heard the conversation between Su Chen and Shi Feixuan.

He had an arm cut off by Su Chen and would become a cripple in the future, but Shi Feixuan didn't even look at him.

Qi Hao thought that Su Chen was Wu Xiangjun of Hangzhou City, he knew that this bastard was dead. It was impossible for Qingyun Sect to let Su Chen leave alive. He would also find a way to get Shi Feixuan in the future.

Lu Xueqi looked at Su Chen coldly, she didn't care These,

Su Chen is a bastard.

This bastard will cause trouble no matter where he goes. Whether Su Chen can leave Qingyun Gate alive this time is still unknown.

At this moment, the surrounding immortal cultivators and warriors have discovered what is going on here.

Some immortal cultivators look at After arriving at Su Chen, these immortal cultivators also recognized Su Chen. After all, they had all seen Su Chen's ruthless killing outside the auction.

"It's Su Chen. I didn't expect that Su Chen would also come to Qingyun Sect. Now it seems that he is in conflict with Qingyun Sect again."

"Su Chen is Su Chen, Lord Wu Xiang of the Southern Song Dynasty. It is impossible for Qingyun Sect to let Su Chen go this time."

"That's right. The prince of the Song Dynasty is in Qingyunmen. Qingyunmen is the sect that protects the country of the Song Dynasty. It is impossible for Qingyunmen to let Su Chen go."

"Wu Xiangjun Su Chen is not simple either. He has a powerful monster. Even the female ghosts under Su Chen are also very powerful."

"It's useless. Qingyun Sect is very powerful. There are more than ten elders in the distraction realm, and there are six or seven peak masters in the integration realm. Even the leader Daoxuan is a powerful immortal cultivator in the cave virtual realm."

After the surrounding cultivators and warriors heard the conversations of some immortal cultivators.

Everyone here looked at Wu Xiangjun Su Chen.

A big battle in Qingyun Sect today was inevitable.

It was Wu Xiangjun Su Chen who left safely. ?

Or was Wu Xiangjun Su Chen killed by the Qingyun Sect?

Everyone around wanted to know.

Baguio looked at Su Chen with an ugly face.

She did not expect that Su Chen really caused trouble again.

This is Qingyun The masters of Qingyun Sect and Qingyun Sect were all there, and Baguio was also worried that Su Chen would be doomed this time.

Baguio clenched her fists and wanted to beat that bastard,

"Damn bastard, can't this bastard just live in peace for a while? I'm afraid Su Chen, this bastard, won't be able to escape."

Shui Yue stood up and looked at the leader Daoxuan and the various peak masters.

She wanted to persuade her again.

She didn't want to see the battle between Su Chen and Qingyun Sect.

No matter who lost or won in today's battle, I'm afraid casualties would be inevitable. Shui Yue didn't want to see it. Seeing the death and injury of the Qingyun Sect brothers, she did not want to see Su Chen killed in the Qingyun Sect.

Shuiyue bent over and begged the peak masters of the Qingyun Sect, "Brothers, please let Su Chen go today." Is it okay once?"

Sect Leader Daoxuan shook his head and said to Shuiyue, "Junior Sister Shuiyue, we already discussed it yesterday. Our Qingyun Sect cannot let Wu Xiangjun Su Chen go. You don't need to say more."

Taoist Cangsong said to Shuiyue with an angry look, "Junior Sister Shuiyue, Su Chen has crippled my disciple, there is no way I will let this bastard go."

The other peak masters all nodded.

No matter what the reason is,

Wu Xiangjun Su Chen is dead this time.

"Bluebird (Ning Zhongze) has met the young master (master)."

At this time,

Qingniao and Ning Zhongze who came from Xiaozhu Peak saluted Su Chen one after another.

Xuanyuan Qingfeng nodded to Su Chen after arriving.

After Su Chen waved his hands to Ning Zhongze and the others, he looked at his teacher Fei Xuan said,

"Fei Xuan, take Ning Zhongze and the others to your master's place. I'll be fine here alone."

"Well, husband, you have to be careful"

"Nothing will happen to me and I won't be killed, so don't worry."

Shi Feixuan nodded to Su Chen, and she took Ning Zhongze, Qingniao, and Xuanyuan Qingfeng to Shui Yue.

After Su Chen went to Shui Yue, he paid tribute to Shui Yue. The offering hand said,

"Master Shuiyue, thank you for your protection just now. I, Su Chen, am not an unreasonable person. I will owe you a favor in the future."

"No need!"

Shui Yue shook her head and refused.

It is still unknown whether Su Chen can leave Qingyun Sect alive this time, and she does not need Su Chen's favor.

Su Chen shook his head when he heard Shui Yue's words, and he did not say anything to her again. What did Shui Yue say? Su Chen would repay Shui Yue's favor for defending him this time if he had a chance in the future.

Su Chen looked at the peak masters of Qingyun Sect around him, and he asked these peak masters with a serious face,

"You all want to kill me?"

The head of Qingyun Sect replied coldly when he heard Su Chen's words,

"Yes, you must die."

Su Chen burst out laughing when he heard Daoxuan's answer.

It seems that they are going to go on a killing spree this time.

The Qingyun Sect is so ignorant that

Su Chen will not be polite to them.

"Ha ha....."

"Ever since I, Su Chen, entered the world, there have been many people who want to kill me, and there are even countless enemies, but I am still living well."

"Everyone from Qingyun Sect"

"Once you take action, there will be no turning back. Qingyun Sect and I will be our everlasting enemies from now on. You'd better think clearly."

Daoxuan waved his hand and said coldly and proudly to Su Chen,

"We don't need to think anymore, Qingyun Sect is requesting for the Song Empire, and for the sake of Qingyun Sect's face, you must die this time."

Kacha!

Su Chen broke Qi Hao's neck directly.

Since Qingyun Sect and him have already broken up, what else does Qi Hao do? He has long wanted to kill this old gangster.

"Damn it, you actually killed my disciple Qi Hao, Lord Wu Xiang, go to hell!"

Chapter 1645

Cangsong Taoist saw Su Chen killing Qi Hao, which made him furious.

Qi Hao was the only heir he trained. Now that Qi Hao is killed, Longshou Peak will have no successor.

Cangsong Taoist took out his magical weapon and attacked Su Chen.

Su Chen was very disdainful when he saw Cangsong Taoist attacking.

A person with a combined cultivation level still wanted to kill him. It has to be said that the peak masters of Qingyun Sect were all confused.

Even if the Qingyun Sect is a top force, is a top force invincible?

Su Chen casually moved his hands, and a powerful force of space attacked Taoist Cangsong.
boom!

After Taoist Cangsong's attack collided with Su Chen's space power,

Taoist Cangsong was shocked and took more than ten steps back.

When he looked at Su Chen, he was very shocked.

He guessed that Su Chen's cultivation level was not simple. But Su Chen's casual wave knocked him back more than ten steps.

Cangsong Taoist felt that he might not be Su Chen's opponent. Su Chen's cultivation realm was much stronger than his.

"Cangsong Taoist, continue to attack, I would like to see how you destroyed me?"

"Along the way, Wu Xiangjun Su Chen was very powerful." Taoist Cangsong looked at the people around him and shouted hurriedly.

The leader Daoxuan looked at Su Chen and was very shocked.

He did not expect that Su Chen was in the same cultivation realm as him, a cultivator in the Cave Void Realm. For the realm.

Su Chen is not yet thirty years old, and this bastard's cultivation talent is too evil.

Daoxuan feels that Su Chen cannot be allowed to escape this time, otherwise,

Qingyun Sect will face a huge threat in the future.

Daoxuan He took out his magic weapon long sword and said to the other peak masters,

"Let's come together. Wu Xiangjun Su Chen is an immortal cultivator in the Cave Void Realm. He must die here. If Wu Xiangjun escapes this time, you should understand the consequences."

"Yes, Senior Brother!"

After the other branch leaders heard Daoxuan's words, they were all very surprised.

Dongxu Realm?

Wu Xiangjun Su Chen turned out to be a cultivator of Dongxu Realm. This is simply unbelievable.

They all know this Secondly, if they cannot kill Su Chen, Qingyun Sect will be in danger of being exterminated in the future.

Wu Xiangjun Su Chen must die this time. No matter what the cost, they must kill this biggest threat to Qingyun Sect.

"laugh! Can you kill me if there are too many people?"

Su Chen saw six Qingyun Sect masters surrounding him, and he didn't care. No matter how many ants there are, can they not kill the elephant?

Su Chen looked at the Wudang Virgin who was still sitting and shouted,

"Wudang, it's your turn to take action,"

Wudang Madonna rolled her eyes when she heard Su Chen's words.

Did this bastard regard her as a subordinate?

Or was she going to do whatever this bastard said? She was not the Queen Mother and the Queen Mother. That bitch Guanyin,

Wudang Virgin smiled and wanted to take the opportunity to blackmail Su Chen, "Will I take action if you ask me to? Why should I listen to you? Unless you agree to a condition, I will kill these little scum for you."

"If you don't want to, forget it. It's not like I can't beat you."

Su Chen also wanted to test whether Our Lady of Wudang would help him. It seems that Our Lady of Wudang has no intention of helping him.

Su Chen did not want to beg this cold and beautiful beauty, otherwise,

Our Lady of Wudang would ask him in the future. To save the disciples of Jie Jiao, he might not be able to reject Wudang Holy Mother.

"snort!"

When Mother Wudang saw that Su Chen refused to agree to her condition, she glared at Su Chen angrily.

However, if

Su Chen was in danger,

Mother Wudang would not sit idly by.

Daoxuan heard that After Su Chen and Wudang Mother's words, he had a bad premonition in his heart.

The night was long and he had many dreams. Daoxuan, the head of Qingyun Sect, was afraid that someone would come to save Su Chen. He looked at Su Chen and waved his hand and shouted,

"kill!"

Swish swish swish".....

After the other peak masters heard Daoxuan's order, they all held magic weapons and attacked Su Chen.

"Space moves! Space bounces!"

Boom boom boom boom.....

In the square, after the six masters of the Qingyun Sect fought with Su Chen, everyone retreated. In the Fusion Realm and the Cave Void Realm, such a powerful battle was not something they could watch at close range.

In an attic far away from the square,

Baguio saw Su Chen fighting with ease against the six masters of Qingyun Sect, which surprised her very much.

It is impossible for her father to face the siege of the six peak masters of Qingyun Sect. Su Chen has not fallen behind at all until now.

"Is this bastard so powerful? Not even the six masters of Qingyun Sect can do anything to this bastard."

Shui Yue was very worried when she saw the battle in the square.

The brothers of Qingyun Sect might be in trouble this time. She didn't expect that Su Chen would be so strong.

Shui Yue looked at Wu Dang who was still sitting on the chair. Holy Mother, she felt that this woman might be even more powerful than Su Chen.

Otherwise,

Su Chen would not have let this woman take action just now.

Master Feixuan, Lu Xueqi, Ning Zhongze, and even all the female disciples of Xiaozhu Peak, they saw When they arrived at the battle in the square, they were all very surprised. Su Chen's powerful strength made them not expect that five immortal cultivators from the Fusion Realm and one powerful immortal cultivator from the Cave Void Realm, such a luxurious and powerful lineup, could actually defeat Su Chen. There was no way at all, which made them all feel incredible.

Wenmin looked at Master Feixuan and asked doubtfully, "Junior sister, is your husband really a cultivator of the Cave Void Realm?"

"Probably so, I'm not sure."

Shi Feixuan is very happy now.

She didn't expect that Su Chen's strength would advance so quickly.

Su Chen, who used to need the protection of powerful women like Jellyfish Yin Ji, might need Su Chen to protect them in the future.

Lu Xueqi tightly She was very angry as she held the long sword in her hand.

She felt that she could never avenge the Yunlan Sect. This bastard was too powerful. She, an out-of-body cultivator, was not that bastard at all. Opponent.

Xuanyuan Qingfeng looked at Su Chen in the square with a confused expression.

Qingyun Sect was a top sect, and six powerful immortal cultivators could not do anything to Su Chen.

This made her feel that her understanding of Su Chen was only superficial.

This bastard is so good at pretending.

Last time in Yunlan Sect, this bastard only revealed his cultivation level in the Aperture Realm. This bastard is an ancestor who pretends to be a pig and eats the tiger.

Daoxuan, the head of the Qingyun Sect, said to the surrounding brothers He shouted and said,

"All the junior brothers used the divine sword to control the thunder, and together they killed Wu Xiangjun Su Chen."

Daoxuan saw that their normal attacks were useless.

Su Chen's speed was too fast.

Their normal attacks couldn't hit Su Chen at all.

Without the use of ultimate moves, the six of them couldn't kill Su Chen even if they exhausted their mana..When the peak masters of Qingyun Sect heard Daoxuan's order, they flew into the air one by one and raised their swords.

Boom boom boom boom.....

For a moment, thunder rolled over the entire Qingyun Gate, and the sky turned completely dark. The black thunder in the sky crackled and continued to erupt with huge thunder sounds, and streaks of lightning pierced the sky and appeared above the Qingyun Gate.

"The Nine Heavens Xuansha turned into divine thunder, and the brilliant power of heaven was used to attract it with the sword!"

Chapter 1646

In Qingyunmen Square,

Su Chen saw the six super masters of Qingyunmen launching the Divine Sword and Thunder Control Art against him.

This made him very speechless.

He was very proficient in the Divine Sword Controlling Thunder Art, even more proficient than the masters of Qingyun Sect. The Divine Sword Controlling Thunder Act he practiced was also better than the Qingyun Sect's Divine Sword. Advanced Thunder Control Technique.

Su Chen looked at the six masters of the Qingyun Sect in the air.

He shook his head and said with a smile, "You want to use thunder to kill me? Then let's see who the thunder can kill?"

Su Chen stepped into the air and stood up. In the air, he took out the spirit sword given to him by the little fox and raised it.

Boom boom boom boom.....

The black thunder in the sky at Qingyun Gate was even more terrifying than before. It was like the end of the world on Qingyun Mountain.

The sky had completely darkened.

Terrifying thunder and lightning kept roaring in the sky, and crackling black lightning struck one after another. In the air, some high-rise buildings in Qingyun Gate were completely shattered by black lightning.

"The Nine Heavens Xuansha transformed into divine thunder!"

"The brilliant power of heaven, lead it with the sword!"

Boom boom boom boom.....

Daoxuan Six and Su Chen activated the Divine Sword Controlling Thunder Secret Art at the same time.

The terrifying thunder began to attack each other in an instant.

Black thunder that destroyed the world and destroyed the world pierced the sky and struck Su Chen and Daoxuan Six. people.

Su Chen looked at the terrifying thunder that was attacking, and he hurriedly used his space magic power to move aside.

"How can this be? How could Su Chen know the Qingyun Sect's Divine Sword and Thunder Control Technique?"

"That's right, isn't the True Sword Controlling Thunder Technique the Qingyun Sect's Untaught Sword Technique? How could Su Chen do it?"

"No, look, Su Chen seems to be using the Divine Sword and Thunder Control Technique that is more powerful than the one from the Qingyun Sect."

"I can also see that the six masters of the Qingyun Sect launched the Divine Sword and Thunder Control Secret Art together, but they were still unable to deal with Su Chen. Su Chen's Divine Sword and Thunder Control Secret Art was much more powerful than the Qingyun Sect's Divine Sword and Thunder Control Secret Art."

"Six against one, Su Chen's strength is too strong. Daoxuan of Qingyun Sect and the various peak masters may not be able to defeat Su Chen this time."

"The Qingyun Sect may be in trouble this time. Wu Xiangjun Su Chen is too powerful. No wonder Wu Xiangjun will rebel. It is not unjust for the Song Dynasty to lose the entire southern region."

The immortal cultivators in the distance saw Su Chen and the six masters fighting each other, which made them all look at the air in surprise. The

Divine Sword and Thunder Control True Technique versus the Divine Sword and Thunder Control True Technique.

Su Chen was even more powerful than an opponent. Six, and they didn't fall behind at all.

Su Chen's level of cultivation shocked these people even more.

Baguio looked at Su Chen in the air and was shocked and regretful.

"This damn bastard, how could he still know the Qingyun Sect's Divine Sword and Thunder Control Technique? If I had known that this bastard knew the Divine Sword and Thunder Control Technique, why would I have come to steal Qingyun Sect's Four Great Sword Techniques?"

Baguio is very regretful now.

She didn't expect this bastard to actually know the Divine Sword and Thunder Control Technique. Since Su Chen knows the Qingyun Sect's Divine Sword Control Thunder True Technique, I'm afraid this bastard also knows the other three major sword techniques.

Hehuan The little beauty of the sect looked at Yiyi and said happily, "Sister Yiyi, Mr. Su Chen is too powerful. Even the head of the Qingyun Sect and the five peak masters are no match for Mr. Su Chen."

"Well, Mr. Su Chen's cultivation realm is too powerful."

Yiyi looked at Su Chen's beautiful eyes in the sky with a brilliant light.

She didn't expect that Su Chen would bring surprises to her again and again. Su Chen in Qingyun City was already a blockbuster.

But today in Qingyun Gate,

Su Chen not only cultivated Because of his powerful realm, he even knew the Qingyun Sect's Divine Sword and Thunder Control Technique, which made Yiyi decide to find Su Chen to practice together to achieve breakthroughs.

"Sister Yiyi, Mr. Su Chen is so powerful, can you subdue him?"

"Haha, surrender? No, there is no way I can subdue Su Chen"

"What to do? Sister Yiyi, aren't you going to use Su Chen to break through the technique? Are you giving up?"

Yiyi shook her head and replied,

"It is impossible for Su Chen to be subdued, Wu Xiangjun Su Chen? Hangzhou city? I will go to Hangzhou to get close to Su Chen, and I will make Su Chen defeated by my pomegranate skirt step by step."

The girls here at Xiaozhu Peak and the disciples at Xiaozhu Peak didn't expect that Su Chen and the six masters of Qingyun Sect would fight each other, and Su Chen would have the upper hand.

Lu Xueqi looked at Su Chen with a cold face,

Her mood was very uneasy now.

Lu Xueqi still underestimated Su Chen. The strength revealed by this bastard surprised her time and time again. Is it so fun for this damn bastard to pretend to be a pig and eat a tiger?

"I still underestimated Su Chen. This time the Qingyun Sect is going to be in trouble."

Shui Yue looked at Su Chen in the sky with surprise.

She was a little worried about the senior brothers of Qingyun Sect.

She really underestimated Su Chen's strength.

Shui Yue was originally planning to save Su Chen after he was defeated. This bastard, but she has to find a way to save her senior brothers.

Alas!

What should we do?

If Daoxuan and several senior brothers are in danger, should she take action or not?

Shuiyue is in a very difficult situation now, she doesn't want to see Su Chen was caught or killed in Qingyun Gate, but she didn't want several of her fellow apprentices to be killed or injured.

Boom boom boom.....

In the air,

Su Chen and the six Daoxuan were still fighting.

Their mana was being consumed rapidly.

Su Chen controlled the Divine Sword Controlling Thunder True Art to attack Daoxuan and the others. Using space to move away the thunder attacks of Daoxuan and others, his mana was consumed even faster.

The six Daoxuans were in a much more embarrassed state at this time.

They were in a miserable state under Su Chen's attack. Their bodies were in tatters, and some of them were covered in blood.

If they hadn't all had defensive magic weapons, some of the peak masters with low strength would have been reduced to dregs by the thunder.

"Spend it with me? I guess which one of us can defeat whom?"

Su Chen looked at Daoxuan Liu who was still struggling to hold on.

He took out a fourth-turn golden elixir and ate it in a hurry.

Su Chen's mana was depleted very quickly, and he had to replenish his mana.

Daoxuan Liu When people saw Su Chen taking a pill, they were all very confused.

They didn't expect that Su Chen had a pill that could replenish his mana. This made Daoxuan and the other six people very miserable.

Poof!

"Senior Brother, I can't hold on any longer." Chaoyang Peak Master spit out a mouthful of blood and shouted,

"Junior brother, hold on a little longer!" Daoxuan saw a peak master vomiting blood and about to fall from the air. He shouted worriedly. The leader Daoxuan was afraid that one peak master could not hold on, and the other peak masters might not be able to hold on either.

The six of them faced each other. Su Chen was holding on hard.

If one person was missing, it would be impossible for the remaining five to hold on.

Boom boom boom boom..... ah!

Chaoyang Peak Master was struck directly from the air by thunder.

"No, fellow juniors, retreat quickly!"

"Want to escape? No one can escape."

Chapter 1647

Su Chen saw that the five Daoxuan people from Qingyun Sect were trying to escape, so he increased his magic attack.

One of the peak masters in Qingyun Sect had already been chopped off, and he wanted to take all the remaining peak masters. Down.

Boom boom boom boom.....

"Senior Brother, I can't do it anymore either."

"Can't hold on anymore"

"puff! No more"

"Ah, my legs!"

After Su Chen increased his magic attack, the peak masters of Qingyun Sect were knocked down from the air one by one by thunder. These peak masters fell on the square covered in blood and vomited blood.

Su Chen looked at Daoxuan in the air and said mocked,

"Daoxuan, you are the only one left. Do you think you can kill me alone?"

Daoxuan was very helpless when he looked at Su Chen.

They all underestimated the little Wu Xiangjun. This bastard is a bastard who pretends to be a pig and eats the tiger.

Grand master?

Dongxu realm?

This bastard may also be hiding. Cultivation, how can a Dongxu Realm deal with a Dongxu Realm and five Fusion Realms?

Wu Xiangjun Su Chen is still at the cultivation level of a great master, pretending to be a pig and eating a tiger to get such a share,

Wu Xiangjun Xiangjun Su Chen was really too cautious.

Daoxuan looked at Su Chen in the air and shouted loudly,

"Su Chen, your strength impresses me, but you also underestimated the Qingyun Sect."

"oh? Daoxuan, if you still have any skills, just use them, otherwise, you will have no chance."

Su Chen was very surprised when he heard Daoxuan's words.

None of the six Daoxuans were his opponents.

What other trump card does Daoxuan have?

Oh!

Water Qilin!

Zhuxian Sword!

Su Chen suddenly thought that Qingyun Sect's trump card was Shuiqilin and Killing Immortal Sword,

"Daoxuan invites the Holy Ancestor!"

At this time,

Daoxuan saluted in the direction of Tanchi and said,

"Ho ho ho....."

At this time, a terrifying roar suddenly came from the back hall of Qingyun Gate.

Su Chen smiled strangely when he heard the roar of Shui Qilin.

He did not continue to attack Daoxuan, and the Divine Sword Controlling Thunder True Art also stopped. started.

Water unicorn?

Do you dare to take action against him when the water unicorn arrives?

"It's the Qingyun Sect's holy beast, the water unicorn!"

"The Qingyun Sect's secrets have been mobilized, and Su Chen may be doomed this time"

"None of the six masters of the Qingyun Sect killed Su Chen. This time the Qingyun Sect sent out the holy beast. It seemed that Su Chen was doomed."

"Yes, I heard that the Qingyun Sect's water unicorn is a holy beast that is about to transcend the tribulation realm. Su Chen will definitely not be the opponent of the water unicorn."

"Holy beast Water Qilin, have you forgotten that the Qingyun Sect also has the Killing Immortal Sword? Just relying on Qingyun Sect's Immortal-killing Divine Sword, Wu Xiangjun Su Chen might not be his opponent."

"Yes, I would have forgotten if I didn't mention it, Qingyun Sect also has a powerful Immortal-killing Divine Sword."

The surrounding immortal cultivators saw that Su Chen and Dao Xuan stopped attacking. Daoxuan's words and the roar from the back hall of Qingyun Sect caused the surrounding immortal cultivators to start talking. The disciples of

Qingyun Sect put the Qingyun Sect on the square. After the peak masters were rescued, their disciples heard the roar of the water unicorn. The disciples of the Qingyun sect all knew that the master had summoned the holy beast water unicorn.

"Senior sister, what is this?"

When Shi Feixuan heard Daoxuan's words and heard the roar from the back hall of Qingyun Gate, she was very surprised. The roar just now was from a powerful monster. She was worried that Su Chen wouldn't be able to deal with the monster that would appear soon. Beast.

Lu Xueqi said coldly, "The holy beast Water Qilin is the guardian beast of our Qingyun Sect!"

"Water unicorn?"

"Well, I heard that the water unicorn is a holy beast at the pinnacle of the Mahayana realm."

Shi Feixuan became even more worried when she heard Lu Xueqi's words, "The peak of the Mahayana realm? this.....Doesn't this mean we are all going through a calamity? Can my husband handle it?"

Lu Xueqi shook her head.

She didn't know if Su Chen could deal with Shui Qilin, but she didn't believe that Su Chen didn't have a trump card.

Su Chen had been pretending to be a pig and eating the tiger. Besides, I heard that this bastard also had a powerful monster.

Saint The beast water unicorn?

Su Chen?

Lu Xueqi really didn't know who would win and who would lose.

Shui Yue looked at the back hall of Qingyun Gate with a serious face at this moment.

She did not expect that Daoxuan would summon the holy beast water unicorn. Water unicorn is Qingyun The last trump card of the sect was that the Qingyun Sect was not allowed to summon the holy beast Water Qilin until it was a life-or-death moment.

She guessed that the head Daoxuan had no way to deal with Su Chen, so she asked the Holy Beast Water Qilin to be dispatched.

Wudang Mother listened. He curled his lips when he heard the roar of the water unicorn.

It was a little scumbag hybrid unicorn.

That bastard Su Chen had seen it before. Would he dare to attack Su Chen when the little unicorn came?

There was a Tribulation Realm in Su Chen's arms. If the monster, the water unicorn comes and dares to act wild, this bastard will let his monster destroy the little unicorn.

Ho ho ho.....

At this time, a huge water unicorn came quickly from the apse to the square.

The cultivators around the square were very shocked when they saw the water unicorn coming.

The water unicorn was more than ten meters high, with a dragon head and a snake body. Covered in scales and armor, with huge eyes and mouth, and the powerful aura of the water unicorn, none of the immortal cultivators here dared to breathe loudly.

"Daoxuan, the head of the Qingyun Sect, has met the Holy Ancestor!"

When Daoxuan saw Shui Qilin coming, he saluted Shui Qilin in the air and said,

"Join the Holy Ancestor!"

All the disciples of Qingyun Sect saluted Shui Qilin in unison,

"Little Qilin, you are very majestic in Qingyun Sect!" Su Chen suddenly appeared on Shui Qilin's back and said.

When Shui Qilin arrived and saw Su Chen in the air, it was very confused.

It didn't expect that Su Chen hadn't left yet.

Shui Qilin saw Su Chen suddenly appearing and standing beside it. On the back, it lay on the ground and did not dare to move.

"You are quite honest."

Su Chen looked at Shui Qilin lying on the ground obediently.

He looked at the confused Daoxuan in the air and said sarcastically, "Daoxuan, is this your helper?"

Daoxuan was stunned when he saw Su Chen standing on Shui Qilin's back, and Shui Qilin lay on the ground without resistance.

This shocked him even more.

Dao Xuan suspected that Su Chen might be more powerful than Shui Qilin. Powerful.

The disciples of Qingyun Sect all looked like they had seen a ghost. They did not expect that the holy beast Water Qilin would be so docile to Su Chen. Is this the sacred beast that protects their sect of Qingyun Sect?

Daoxuan looked at Su Chen with an ugly expression. asked, "Wu Xiangjun Su Chen, what is your identity?"

"Wu Xiangjun Su Chen!"

"Impossible. You are so strong at a young age. You are not from the Shenyu Continent at all. You should be an immortal who came down from the immortal world. Is my guess correct?"

"Daoxuan, does it make sense for you to say this now? Whether I am an immortal from the immortal world or not, you are all dead."

Daoxuan came down from the air and said in despair, "You're right, nothing is important anymore, nothing is important anymore. I didn't expect that Qingyun Sect's thousands of years of foundation would be ruined in my hands, Daoxuan."

"Protect the sect and deploy the Ten Thousand Sword Formation!" An elder from Qingyun Sect suddenly shouted,

"Protect the sect!"

"Protect the sect!"

"Protect the sect!"

Chapter 1648

Thousands of disciples of the Qingyun Sect were holding long swords.

They quickly surrounded Su Chen in the square.

On the ground and in the sky, the Qingyun Sect's guarding sword array had been activated, and flying swords were ready to attack Su Chen.

When Su Chen saw thousands of Qingyun Sect disciples trying to attack him, he shook his head and said disdainfully, "You are not overestimating your own capabilities! Su Ying, deal with these people.""

"Choo Choo Choo!"

The green oriole flew out of Su Chen's arms and its chirping suddenly grew louder. A huge blue bird appeared in the sky above the square.

"The Ten Thousand Swords Sword Formation is activated!"

Swish swish swish.....

Thousands of flying swords attacked Su Chen from all directions.

"Chirp!"

Boom, boom, boom!

When Qingying saw these humans attacking Su Chen, she screamed and her wings vibrated, sending out thousands of white light blades.

The flying swords of Qingyun Sect were instantly shattered by these light blades, and these light blades were The blade did not stop, and the light blades penetrated the surrounding Qingyun Sect disciples one after another. Some disciples with low strength were killed instantly. Thousands of Qingyun Sect disciples were killed and injured hundreds by Qingying in one attack. When Xuan appeared next to Su Chen, he begged loudly.

"Stop, Su Chen, our Qingyun Sect has given up, don't let your monsters take action again."

Daoxuan found that Su Chen's monster was more powerful than the water unicorn, and the powerful aura made him feel scared.

He was just in a daze for a while, and hundreds of Qingyun Sect's thousands of disciples were killed and injured. He couldn't see When the Qingyun Sect is destroyed, he can bear all the responsibilities

"Give up? Ha ha....."Su Chen laughed when he heard Daoxuan's words.

Give up?

Will you admit defeat if you can't kill yourself?

Is there such a thing in the world?

Su Chen will not let Qingyun Sect go. Since Qingyun Sect wants to stand up for the Song Dynasty, it must know the consequences of failure.

"Mr. Wu Xiang, I can die to apologize. I hope you can let go of the other disciples of Qingyun Sect."

"Daoxuan, do you think it's possible? Except for Xiao Zhufeng, everyone else in Qingyun Sect will die."

"Mr. Wu Xiang, do you really want to kill them all?"

"Daoxuan, I warned you before. If you attack me, there will be no turning back. The Qingyun Sect will no longer exist in the Shenyu Continent."

"I kill you!"

"Chirp!"

Daoxuan attacked Su Chen angrily, but before he could attack Su Chen, Qingying appeared next to Daoxuan in an instant, grabbed him, and flew into the air.

"ah....."

Daoxuan screamed when he was caught by Qingying's claws.

Qingying's claws were very sharp. It was very painful for Daoxuan to be grabbed by the claws with the power of death.

"Su Chen, let my master brother go." Shui Yue flew over and shouted to Su Chen. When

Su Chen saw Shui Yue arriving, he frowned.

Didn't Shui Yue help each other?

Why did he come to save Daoxuan now?

Su Chen looked at Xiang Shuiyue frowned and said,

"Master Shuiyue, I will not touch the disciples of Xiaozhu Peak, and it is impossible for me to let go of Daoxuan and the remaining disciples of Qingyun Sect. I hope you will not get involved."

Shui Yue shook her head and said hurriedly when she heard Su Chen's words,

"Su Chen, the leader Daoxuan is my senior brother after all. I can't just watch him being killed."

"Shuiyue, do you want to be my enemy?"

"I just don't want my brothers and sisters to be killed"

"Ha ha....., Shuiyue, is this what you just said about two people helping each other?"

"I have no choice, Su Chen, I know I'm no match for you, but even if I die, I can't watch you kill my brother."

"Su Ying, kill!"

Boom!

Qingying heard Su Chen's order and instantly grabbed Daoxuan's body. Daoxuan died without even screaming, and his flesh and blood also fell from the air.

"Senior brother!"

"Senior brother!"

"Leader!"

Shuiyue, the other peak masters of Qingyun Sect, and even all the disciples of Qingyun Sect saw Daoxuan being killed.

They all screamed in grief and anger,

"Kill and avenge the leader!"

"All the disciples of Tongtian Peak come to me to avenge the leader."

"All the disciples took action and killed Su Chen!"

"Kill, if we don't kill Wu Xiangjun Su Chen today, our Qingyun Sect will be destroyed."

The peak masters and disciples of Qingyun Sect are all angry.

The leader Daoxuan was killed.

They all know that this time it is either you or me who will die. Qingyun Sect and Su Chen are already in a fight to the death.

"If you don't know whether to live or die, then you all will die! Su Ying, kill everyone who takes action."

Su Chen looked at the Qingyun Sect Peak Master, the elders, and the disciples who were about to take action again. He was also going to kill them all this time.

Boom boom boom! As soon as

Qingying's wings shook,

Qingying was like a shooting star. She quickly shuttled through Qingyun. Among the disciples of Qingyun Sect, she left only a piece of flesh and blood wherever she passed. The disciples of Qingyun Sect were not even able to react when they were killed.

"Su Chen, brother, stop it."

At this time,

Suru's voice suddenly came from outside the square.

"Su Ying, wait and kill again!"

When Su Chen heard Suru's voice, he hurriedly stopped the killing Qingying.

Su Chen didn't expect that Suru would come back. This sister was not his sister. Su Chen was also very helpless towards her.

"Dad!"

After a while,

Suru came to the square quickly with Su Yan in her arms. When Su Yan saw Su Chen, he yelled,"

Damn it!

Why did this girl Su Yan come to the Shenyu Continent?

This little witch won't do it again." Did he secretly come to Shenyu Continent?

Su Chen looked at Su Yan and rubbed his forehead.

He really couldn't discipline Su Yan.

This little girl paid too much attention. Su Yan's ability to cause trouble was the same as his. Su Chen hugged Su Yan who flew over and asked doubtfully, "Yan'er, why are you here?"

Su Yan hugged Su Chen's neck and replied with a smile,

"Haha, dad, my mother and Aunt Concubine Yan agreed to my arrival. Really, I didn't deceive you this time."

Su Yan was also very happy to see Su Chen. She hadn't seen Su Chen for several months.

However,

Su Yan was more interested in the green oriole in the sky.

It was a beautiful huge blue bird.

If she sat on Qingying should be very cool physically.

Su Yan guessed that Qingying was her father's monster, and she wanted to find a way to get Qingying away from Su Chen.

"Su Chen, why did you have a conflict with Qingyun Sect?"

At this time,

Suru came to Su Chen and asked with concern.

Su Chen touched Su Yan's hair and turned around and said,

"The Qingyun Sect wants to help the Song Dynasty Empire kill me. I have no choice but to resist."

"Brother, let's end it here. Just for the sake of your sister, let the Qingyun Sect go."

Chapter 1649

Around the square, the cultivators here looked at the tragic scene of rivers of blood in the square. They were all very frightened.

None of them expected that Qingyun Sect would be completely defeated. Even the guardian beast of Qingyun Sect, Shui Qilin, lay on the ground and did not dare to move.

This shows that Su Chen is very powerful, and it is even possible that as Dao Xuan said, Su Chen is really an immortal from the lower realm of the immortal world.

Suru just wanted to bring Su Yan to Qingyunmen this time to have fun. Qingyunmen's Seven Meridians martial arts competition was very lively. However, she did not expect that Su Chen and Qingyunmen would conflict.

Countless disciples of Qingyun Sect were killed by Su Chen's monsters, and even more disciples were injured.

Suru was very sad about the deaths and injuries of the Qingyun Sect disciples, but Su Chen was her biological brother after all.

Especially this time, it was the Qingyun Sect that attacked her brother first. Su Chen could not be blamed for such a tragedy.

Su Chen looked at Suru and nodded, "Yes, but there is still one person who must die.""

"who?"

"Cangsong Taoist, the master of Longshou Peak"

"Cangsong Taoist? Can't you spare his life?"

Suru was surprised when she heard the name Su Chen said.

Cangsong Taoist is not only the peak master of Longshou Peak, he is also the law enforcement elder of Qingyun Sect.

Suru doesn't know how Cangsong Taoist offended Su Chen, but he can She died alone to save the remaining disciples of Qingyun Sect.

She wouldn't say anything more.

She was not familiar with Cangsong Taoist.

Besides, Su Chen was able to give in, which made her happy.

Su Chen agreed without hesitation, which made her happy. Suru felt that Su Chen wanted to recognize her as her sister.

"No, he must die!"

"Oh, then you have to figure it out!"

"Su Ying, kill that person!" Su Chen nodded when he heard Suru's words. He pointed to Cangsong Taoist and said to Qingying.

Su Chen was very satisfied with Suru's performance this time.

Regardless of whether Suru is his biological sister or not, with today's performance thing, he will treat Suru well in the future.

Whoosh!

After receiving Su Chen's order, Qingying rushed towards Taoist Cangsong.

The disciples around Taoist Cangsong wanted to stop them, but these disciples were swept away by Qingying before they could launch an attack. Empty.

Taoist Cangsong who was about to escape was caught and torn apart by Qingying.

Su Chen saw Taoist Cangsong being quickly torn to pieces by Qingying.

He looked at the water unicorn at his feet and said,

"Shui Qilin, you will follow me from now on. You no longer need to guard Qingyun Gate. I will make you a fairy beast in the future."

"Roar!"

Shui Qilin nodded hurriedly and shouted when he heard Su Chen's words.

At this time,

Tian Buyi came over and shouted,

"Suru, your brother went on a killing spree at Qingyun Sect. The head brother was killed, and the disciples suffered heavy casualties. Now, senior brother Cangsong has also been killed. Do you still want to recognize such a devil?"

Suru frowned when she saw Tian Buyi's miserable appearance.

Will Tian Buyi be hurt?

This means that Tian Buyi also took action against Su Chen. Tian Buyi obviously knew that Su Chen was her brother. How could he take action against Su Chen

? Ru said disappointedly after hearing Tian Buyi's words,

"Husband, how can you say this? Su Chen is my biological brother. If Qingyun Sect does not take action against my brother, do you think my brother will take action against Qingyun Sect? Tian

Buyi pointed at Su Chen and scolded him,

"He is a murderous demon without blinking an eye. I will not allow you to recognize the brother of this murderous demon."

Su Chen was very disdainful when he heard Tian Buyi's words.

He is now more and more disgusted with Fatty Tian.

If Fatty Tian wasn't Suru's husband and Tian Linger's father, Su Chen would have twisted him with one hand. neck

"I forgot to tell you that my identity was known to the Qingyun Sect and it was Tian Buyi who exposed it."

"What? Did Tian Buyi expose your identity?"

Suru was shocked when she heard Su Chen's words.

She didn't expect that the person who exposed Su Chen's identity was Tian Buyi.

Tian Buyi knew the relationship between Su Chen and herself.

Not only did Tian Buyi not conceal Su Chen's identity, he actually He also took the initiative to expose it.

Wasn't Tian Buyi worried that she would be sad if Su Chen was killed?

"Tian Buyi, is what my brother said true?"

"good!"

"Why? You clearly know that Su Chen is my brother, but you still exposed it. Is it because my brother offended you last time? Tian

Buyi looked at Suru and said righteously,

"I am here for the Qingyun Sect and to maintain the reputation of the Qingyun Sect in the mainland. Su Chen is a rebel of the Song Empire. The Song Empire comes to beg us that the Qingyun Sect will destroy Su Chen. How can we not help the Song Empire?"

Suru laughed sadly when she heard Tian Buyi's words, "Haha.....Tian Buyi, I am on my brother's side now, are you going to kill me too?"

"If you persist in your obsession, I will clean up the Qingyun Sect."

"court death! Space moves!"

Whoosh!

When Su Chen heard Tian Buyi's words, he angrily used his space power to move Tian Buyi to his side in an instant.

Su Chen reached out and quickly pinched Tian Buyi's neck. He wanted to break the fat man's neck.

Suru looked pale and hurriedly said to Su Chen, "Su Chen, let him go. I will handle this matter myself."

"All right!"

Su Chen frowned and looked at Suru, and then he threw Tian Buyi out.

Su Chen shook his head and stopped thinking about these things.

He called to Shishi Feixuan outside the square, "Feixuan, You bring Ning Zhongze and the others up, we are leaving."

When Shi Feixuan heard what Su Chen said, she waved to Ning Zhongze and the girls, and then

Shi Feixuan said to Lu Xueqi and Wen Min, "Sister, I'm leaving. Thank you for taking care of me during this time. If you have anything to do in the future, you can come to me in Hangzhou."

"Well, we will go to Hangzhou to find you in the future"

"Junior sister, please take care of yourself in the future."

Lu Xueqi and Wenmin nodded when they heard Shi Feixuan's words.

The Qingyun Sect has passed the crisis this time.

If it weren't for Suru's arrival, the Qingyun Sect would have really perished in the Shenyun Continent.

Shi Feixuan's Her identity is not suitable to stay in the Qingyun Sect.

Su Chen's monster killed hundreds of Qingyun Sect disciples, and Shi Feixuan is the wife of that bastard.

Her identity will be very embarrassing if she stays in the Qingyun Sect.

Shui Qilin On the back,

Su Chen held Su Yan,

Shifei Xuan, Ning Zhongze, Qingniao, Xuanyuan Qingying, and the follower Wudang Virgin. They all stood on Shui Qilin's back.

Su Chen looked at the distance of the square. Baguio didn't call her.

He was in a lot of troubles now.

Su Chen could only find the little beauty Baguio when he had the opportunity in the future.

Su Chen looked at Suru and said, "We are at the Qingshan Inn in Qingyun City. Wait for you"

"Okay, brother, I will go find you in a day or two."

Chapter 1650

In Qingyun City,

Su Chen lived here after returning with the girls.

During this period,

Su Chen also went to look for Xu Zhihu and Xu Weixiong. The little beauty from Baguio told him that Xu Zhihu and Xu Weixiong had returned to the north. After thinking about it for a while, Su Chen decided to go find Xu Zhihu when he had time.

"Dad, Su Ying will stay with me from now on, okay?"

In the pavilion,

Su Chen was sitting on a rocking chair and basking in the sun. Su Yan stood beside him with a grimace. Ever since he came back yesterday,

Su Yan had been trying to take Su Ying away from Su Chen, but Su Chen kept trying. Without a promise, it would be useless no matter how much Su Yan tried to please him.

Su Chen touched Su Yan's little head and said clearly,

"Yan'er, Su Ying will be our family in the future. We have the blood of Black Bird. Su Ying is the rebirth of Qing Ying. You can't be rude to your future aunt."

Su Yan nodded and said hurriedly, "I know, but I just like to be with Su Ying."

Su Yan also feels very close to Qingying.

This is probably because of the close blood.

Besides, Qingying can be big or small. She is very beautiful and is one of the most powerful people in the world.

Qingying is not only good-looking. , and can also be used as a flying mount, and even a powerful bodyguard.

Su Yan has no reason not to like Qingying.

"No, Yan'er, how about I give you the water unicorn?"

"I don't want it, I just want Su Ying"

"Then you and Su Ying can discuss it. Su Ying is willing to be with you, and I have no objection."

Su Chen had no choice.

This girl kept pestering him all day long for Qingying.

Although Su Chen also wanted Qingying to protect Su Yan, he was also worried that Su Yan's little girl character would make Qingjing love Qingying. Habit

"Chirp!"

Qingying came out of Su Chen's arms and looked at Su Yan.

She had heard what she just said. She was also very curious about Su Yan. This Su Chen's daughter also has the blood of the black bird, and she also feels very close to Su Yan.

"Su Ying, let's go play!"

Su Yan saw Qingying coming out, she took out a bottle of three-turn golden elixir, shook it and said,

"Choo Choo Choo!"

Qingying rolled her eyes at Su Yan, and then she took out a bottle of five-turn golden elixir from the space ring around her neck. She also shook it at Su Yan.

Su Yan was very speechless when he saw Qingying's expression. , she felt despised by Qingying.

Hers was the third-level golden elixir.

Qingying, who had the fifth-level golden elixir, didn't care about the third-level golden elixir at all.

Su Chen smiled when he saw Su Yan's expression. In the space ring around Ying's neck, Su Chen put a lot of fifth-turn golden elixirs and sixth-turn golden elixirs. Su Yan's strength was low, so Su Chen only gave her some third-turn golden elixirs.

"Su Ying, go play with Yan'er."

"Choo Choo Choo!"

Qingying flew onto Su Yan's shoulders after hearing Su Chen's words.

Su Yan was very happy when she saw Qingying agreeing. As long as Qingying can be with her, Su Yan will be able to defeat Qingying. She is very interested in Qingying. Su Chen waved his hand and ran out.

"Come out, is the matter done?"

Su Chen took a sip of tea and said to the side,

Whoosh!

Our Lady of Wudang suddenly appeared next to Su Chen.

She was very speechless when she saw Su Chen's leisurely look.

This bastard doesn't practice cultivation.

When will he become an immortal? ?

The Holy Mother Wudang thought of her elixir, and she did not dare to give it to Su Chen.
The

Holy Mother Wudang was also afraid of disrupting Su Chen's plan.

If Su Chen took the Shengxian Pill, this bastard from the Shenyun Continent might not be able to come back. , Our Lady of Wudang was worried that Su Chen would turn against her in the future.

However, today Su Chen actually agreed to save them and teach a disciple.

Although it was conditional, this condition was no different to her.

Our Lady of Wudang sat down Su Chen smiled and said, "Don't worry, this little thing is a piece of cake for me. I have already destroyed that fat man's cultivation. It will be impossible for him to practice even if he wants to in the future.""

"well done!"

"Humph, don't forget what you promised me. You must save one of Jie Jiao's disciples."

"I know that what I promised will be done."

Su Chen nodded and replied.

Su Chen was still very embarrassed when he wanted to save a Jie Jiao disciple.

This time he asked Our Lady of Wudang to destroy Tian Buyi's cultivation, and even asked Our Lady of Wudang to destroy Fatty Tian's. The cultivation talent was taken away. Although Su Chen could not kill Tian Buyi for Suru's sake, Su Chen would not let go of Fatty Tian Buyi who had offended him. The Holy Mother of Wudang took a sip of tea and reminded, "Su Chen, you'd better practice as soon as possible, the plan for the Immortal World and Buddhism is about to begin." Su Chen was very speechless when he heard Wudang Holy Mother's words. There was a way in his system space for people to become Taiyi Golden Immortal in one step, but he couldn't use it himself. This made Su Chen very depressed.

"Ahem, I understand. When I return to Hangzhou this time, I will practice in seclusion."

In the afternoon,

Suru came back.

She looked at Su Chen but didn't say anything.

Su Chen didn't ask what Qingyun Sect would do in the future. With his current strength, no one or force in Shenyu Continent would be His opponent.

If the Qingyun Sect dares to go against him in the future,

Su Chen doesn't mind destroying the Qingyun Sect.

Suru took out a jade box and handed it to Su Chen, saying, "Su Chen, this is what Shuiyue asked me to call you. , she asked me to say sorry to you"

"I didn't expect that Shuiyue would return the four great sword techniques of Qingyun Sect to me."

Su Chen opened it, looked at it, shook his head and said,

Su Chen didn't believe that the Qingyun Sect didn't leave any replicas behind.

Shui Yue felt really bad about it. It seemed that the relationship with Shui Yue would end here.

Su Chen knew Why did Shui Yue want to save the people of Qingyun Sect at that time?

After decades of brotherhood, it would be strange if Shui Yue didn't come to beg him. Su Chen thought that if he was defeated by Qingyun Sect, he also believed that Shui Yue would also Will save him,

"Qingniao, let everyone prepare, we will return to Hangzhou tomorrow"

"Yes, Master!"

Ten days later,

Su Chen took the girls back to Hangzhou City.

This time, Qingying and Shui Qilin were used as mounts.

They were traveling very fast.

Xuanyuan Qingfeng left halfway.

She wanted to go back to the Xuanyuan family to handle some matters. , when Xuanyuan Qingfeng left, Su Chen gave him a bottle of fourth-level golden elixir. This could be regarded as compensation for causing Xuanyuan Qingfeng to suffer.

In the Hangzhou City Lord's Mansion, there were more and more women in the mansion, and this time Su Chen The mermaid and snake girl Yue Mei brought back in the morning also added two more foreign beauties to the city lord's mansion.

In Su Chen's mansion, there were mermaids, ghosts, snake girls, sparrow demons, green and white snake demons, immortals, and vixens. There are all kinds of races in the city.

If the Elf Princess Sylph, Queen Medusa, Peach Blossom Demon, and Rakshasa Girl all come to the Hangzhou City Lord's Mansion, there will be even more races in the mansion.

Outside Hangzhou City, the little fox's In the underground Baoqingfang,

Su Chen was sitting on the couch waiting for the little fox to appear. Su Chen had already had the last tail of the little fox brought to her, and the little fox was in retreat to fuse her tail.
