Chapter 1661

Guanyin Bodhisattva fell silent after hearing the words of Our Lady of Wudang.

It was impossible for Our Lady of Wudang to use this matter to deceive herself. It seemed that Su Chen was really destined to be a human emperor.

But how could that bastard have the status of an emperor?

The destiny of the Human Emperor is to have the energy of the Human Emperor.

Su Chen is just a prince of Wu Xiangjun.

Even if Su Chen is an emperor, it is impossible for an emperor to gather the energy of the Human Emperor.

Unless, unless that bastard controls a world, but is this possible?

Guanyin Bodhisattva looked at Our Lady of Wudang and reminded, "Old Mother Lishan, this matter must be kept secret. It is absolutely impossible for Su Chen's identity to be revealed. I will go to Hangzhou City to investigate."

Our Lady of Wudang nodded and continued. said,

"I know that the city of Hangzhou is indeed very weird. The women in Su Chen are all very lucky."

"Especially Su Chen's two daughters, Su Yan and Su Yue, they have more luck than even the great powers in the fairy world. I suspect that Su Chen may not be a human race from the Shen Yun Continent."

"I think so too. Yes, it's better to investigate clearly first before talking."

"Guanyin, if Su Chen was really the Human Emperor, what would you do?"

"Nothing can happen to Su Chen." Guanyin Bodhisattva said without thinking when she heard the words of Our Lady of Wudang.

Her feelings for Su Chen were very special. Su Chen was more important to her than Buddhism.

Otherwise, she would not have created a chance for Su Chen to be destroyed. Jinshan Temple.

Our Lady of Wudang shook her head and said worriedly, "But can the two of us save Su Chen?"

Guanyin Bodhisattva smiled when he thought of the Queen Mother and the Queen Mother of the West. That bastard has no other abilities, but his ability to provoke women is very powerful.

He knows all the powerful women in the fairy world, and even has a very good relationship with

Guanyin. When the Bodhisattva thought of this, he said to Our Lady Wudang,

"No, not only the two of us, the Queen Mother and even the Queen Mother of the West will not see anything happen to Su Chen"

"Queen Mother, I am very sure. After Queen Mother Xi returns to the fairy world, I will go and test it myself."

Our Lady of Wudang was very speechless when she heard what Guanyin Bodhisattva said.

She knew that the Queen Mother was obedient to Su Chen.

Although she didn't see anything, the Queen Mother of the West had not left West Kunlun for hundreds of thousands of years. She did it for Su Chen last time. When morning comes to Pantaoyuan, the Queen Mother of the West may also have a close relationship with Su Chen.

There is also the Moon God Chang Xi.

Su Chen talked a lot about the Moon God Chang Xi last time. Maybe the Moon God Chang Xi will help Su Chen in the future. The Holy Mother of Jin Ling and Yun Xiao in the church also have a good impression of Su Chen. If Holy Mother of Jin Ling and Yun Xiao are rescued by Su Chen from the control of the Conferred Gods List, they will also be able to help Su Chen. In this way, there are seven accurate people on their side. Holy Power, this is more than the quasi-sages of Buddhism.

After Our Lady of Wudang thought about the people Su Chen knew,

Our Lady of Wudang said her thoughts to Guanyin Bodhisattva,

"Guanyin, as well as the moon god Chang Xi, Chang'e is just Chang Xi's good corpse. If we can convince Chang Xi, we will have five quasi-sages to protect that bastard. If my senior sisters escape from the control of the list of gods in the future, the Golden Spirit Mother and the Yun Xiao will also try his best to help Su Chen."

Guanyin Bodhisattva nodded when she heard the words of the Holy Mother Wudang.

She was very surprised now.

Su Chen had only been in the fairy world for more than a year, but she could not imagine knowing such a powerful person.

But why did that bastard know him? All of them are women?

Well!

There is also Zhen Yuanzi who is a man.

Guanyin Bodhisattva also knows that Su Chen is helpless.

"Let's go to Hangzhou City first. We must investigate Su Chen's affairs first."

"good!"

Guanyin Bodhisattva and Our Lady of Wudang looked at each other and disappeared one after another. They had been fighting for three days and three nights, just for Su Chen's sake.

Guanyin Bodhisattva and Our Lady of Wudang will start to cooperate in the future.

On the sea,

Su Chen Zuo's big ship has been sailing on the sea for three days, and nothing happened along the way.

Su Chen also understood why the sea monsters did not attack these ships.

These ships leading to Poseidon Island were all done by people from Poseidon Island. Pass the sign.

As for what sign will prevent the sea monsters from attacking these ships, the people on the ship are not clear.

Su Chen sat on a chair and looked at the vast sea.

Although there was no accident on the ship this time, the people on the ship were bored. Life made Su Chen feel very boring. Once the novelty of going to sea wore off, Su Chen no longer had any interest in the sea.

"Look, there's a ship sinking."

At this time, a person on the boat suddenly shouted.

An old man looked over and shook his head and said, "It's a ship from the Southern Continent. I'm afraid that ship has no markings. It should have been attacked by a sea monster."

"Someone, someone is still alive"

"Come closer, someone is still alive"

"Boss of the ship, there are still people alive. Come over and save them."

"There are two people, I saw two people are still alive"

"Yes, it's a man and a woman, hurry up and save them."

When many people on the big ship looked over, they found that there were still survivors, and the guests on the ship shouted.

Su Chen suddenly discovered that the woman who fell into the water turned out to be Ning Rongrong.

This made Su Chen very surprised.

"Huh? Isn't that Ning Rongrong? How come she is here? With Ning Rongrong's cultivation, it was impossible for her to appear on Poseidon Island so early."

After a while, after the ship approached,

Ning Rongrong and a man were rescued onto the ship.

Su Chen did not come forward to say hello to Ning Rongrong.

He also had a relationship with Ning Rongrong, and they even made a fuss at that time. Unpleasant, I'm afraid Ning Rongrong won't remember him.

One day later, there was only half a day left to Poseidon Island. Su Chen felt that this time he was very lucky. His bad luck would be broken this time. I'm afraid it would be difficult to take a boat in the future. It was impossible for another accident to happen.

At this moment,

Ning Rongrong also appeared on the deck.

She was very lucky yesterday.

If she hadn't encountered a ship passing by, she might have been swept into the sea with others.

Ning Rongrong was also She was very worried about her friends.

Yesterday, the sea monster attacked too fast. They all fell into the water without any preparation. Ning Rongrong didn't know if something would happen to Dai Mubai, Xiao Wu and others.

"It's you?"

Ning Rongrong suddenly discovered Su Chen.

She saw Su Chen leisurely sitting on a chair drinking tea.

Ning Rongrong was very surprised.

She didn't expect that this bastard who had teased her in the monster forest would be here. They met here.

Su Chen looked at Ning Rongrong and smiled. He didn't expect that Ning Rongrong really remembered him. Could this beautiful little beauty still miss the things in the monster forest?

"Little beauty, I didn't expect you to still remember me. Do you want to finish what you didn't finish in the monster forest last time?"

When Ning Rongrong heard Su Chen's words, she took a few steps back in fright.

She looked at Su Chen and threatened,

"You are dreaming. It is impossible for me to kiss you. Your name is Su Chen, right? I brought my Uncle Jian with me this time. If you dare to go against me, my Uncle Jian will kill you."

Chapter 1662

Su Chen smiled when he heard Ning Rongrong's words,

Uncle Jian?

That was Sword Douluo.

Would he care about a titled Douluo (Nascent Soul Realm)? It was easy for Su Chen to kill Sword Douluo.

Su Chen looked at Ning Rongrong and said with a smile,

"Little beauty, I'm not interested in a woman like you with no breasts and no butt, so you don't need to be on guard against me."

Ning Rongrong's body development is still very good, with bulges that should be raised and curls that should be raised, a delicate face, and a slender figure.

If Ning Rongrong was more mature, she would definitely be a beautiful beauty.

"asshole!"

Ning Rongrong was very angry when she heard Su Chen's words, but she didn't dare to do anything to Su Chen.

Last time, Queen Medusa was more powerful than Uncle Jian. The origin of this bastard's identity may not be simple. Ning Rongrong Rongrong is not willing to provoke this bastard.

Boom boom boom.....

At this time, the big ship was suddenly hit by something, and the huge noise made the guests on the ship panic.

Su Chen's face immediately darkened.

There was less than half a day left. We are going to Poseidon Island.

But why did something happen again?

Could it be that he was cursed by Poseidon?

Can you never ride a boat in your life?

Ning Rongrong asked Su Chen hurriedly with a worried look on her face,

"What happened? Was this ship also attacked by the Kraken?"

"you are right!"

Su Chen stood up and looked at the sea.

There were many sea monsters crashing around the big ship. I'm afraid the ship wouldn't last long.

Boom boom boom.....

The big ship was knocked up and down, and many people in the chaotic crowd fell into the sea.

"what to do? How could a Kraken attack a marked ship?"

"Ship boss, what on earth is going on?"

"Run away quickly, the boat is going to tip."

"I don't want to die, I don't want to be eaten by the Kraken, I have money, who will save me"

"Jump into the sea quickly, or you will be swept into the sea by the big ship."

On the big ship, everyone in panic shouted, and many people jumped into the sea to escape. Some immortal cultivators stepped on their spiritual swords and flew up.

Su Chen looked at all this and ignored it.

In the Shenyun Continent, He didn't know how many people would die every day, and it was impossible for him to save someone when he saw someone in danger.

Su Chen felt that being attacked by the sea monster this time was probably not simple.

Logically speaking, it was impossible for the big ship to have an accident if it had been marked by Poseidon Island. Over the years, the big ship had been Nothing happened.

So why did it happen this time?

Could it be that the people from Poseidon Island controlled the sea monster to attack the ship? But why was this?

"Rong'er, come here quickly, I'll take you away first."

At this time, a middle-aged man quickly came to Ning Rongrong and said,

"Okay Uncle Jian!"

When Ning Rongrong heard Sword Douluo's words, she hurriedly stood on Sword Douluo's giant sword.

However,

Ning Rongrong found that Su Chen was still on the boat and had not left.

This made her confused.

She thought of Su Chen. Didn't Chen bring a strong guard? Then wouldn't he be dead this time?

"Su Chen, where is your bodyguard?"

Su Chen shook his head when he heard Ning Rongrong's words and replied,

"Did not bring!"

Ning Rongrong didn't expect that Su Chen really didn't bring a guard.

She thought about it and shouted to Su Chen, "Come up quickly, I'll ask Uncle Jian to take us away."

Su Chen looked at Ning Rongrong unexpectedly.

He didn't expect that this little beauty would save him.

Su Chen had teased Ning Rongrong before, and this Ning Rongrong was really a kind-hearted little beauty.

However,

Su Chen He looked at Sword Douluo and shook his head. Sword Douluo was just an ordinary titled Douluo. He didn't have the strength to lead two people to escape.

Su Chen waved his hand and said to Ning Rongrong, "No need, your Uncle Sword will lead you." If you don't leave the two of us, please leave. Life or death is determined by fate. Whether I live or die depends on my luck."

Sword Douluo was very surprised when he heard Su Chen's words.

He didn't want to take Su Chen away originally. It's still a long way from here to Poseidon Island. He could barely bring Ning Rongrong alone. If there was one more person, , it was simply impossible for him to take Ning Rongrong and Su Chen to Poseidon Island together.

Sword Douluo turned around and said to Ning Rongrong,

"Ronger, what Su Chen said is right. I can barely carry you to Poseidon Island with you alone. If there is one more person, my soul power will not be able to reach Poseidon Island at all."

"But.....But....."

Ning Rongrong was very confused after hearing Sword Douluo's words, but there was nothing that could be done about it. If they couldn't take Su Chen away, this bastard would have to look at his own luck in the future.

"Let's go, life or death depends on his destiny."

Sword Douluo activated his soul power and quickly flew away with Ning Rongrong.

He was worried that if Su Chen regretted coming back later, it would be impossible for them to reach Poseidon Island.

Su Chen saw Ning Rongrong and Sword Douluo Luo shook his head as he left.

The big ship was about to sink.

The people on the ship either escaped or were eaten by the sea monsters.

Su Chen looked at it and was about to leave.

Just when he was about to teleport away, he Suddenly he saw a group of great white sharks swimming quickly in the distance.

Su Chen was very surprised when he saw it,"Huh?" This is the Great White Shark. Isn't this the tribe of Xiaobai, the hundred thousand year old soul beast?"

Boom boom boom.....

At this time, the arriving great white sharks attacked the Kraken one after another.

Dozens of great white sharks tore apart more than a dozen sea monsters in an instant. The great white sharks of the Golden Core Realm could crush the monsters of the Golden Core Realm. This is probably because these fish sea monsters are born as great white sharks. food

"Is this a species conflict?"Su Chen guessed as he looked at the vulnerable fish sea monsters.

Su Chen left in no hurry.

He wanted to see why these fish sea monsters attacked the big ship with the mark?

The ship was at sea. There was no problem after driving for three or four days, but why would the big ship be attacked after saving Ning Rongrong and Sword Douluo ?

After a while,

Dabai killed hundreds of fish and sea monsters.

However, in addition to

There was no one alive except Su Chen.

Most of the humans on the big ship were eaten by the sea monsters. Although the remaining people escaped, there are probably only a few people who can reach Poseidon Island alive.

"Human, why didn't you run away?"

At this time, a crisp female voice suddenly came over.

After Su Chen heard this crisp female voice, he guessed that it should be the arrival of the 100,000-year-old soul beast Great White Shark Xiaobai.

Xiaobai?

The one named Xiaobai. There are so many people with names.

The snake demon Bai Suzhen is called Xiaobai, and the 100,000-year-old spirit beast Great White Shark is also called Xiaobai.

It seems that neither the monster nor the spirit beast can give names.

Su Chen turned around and saw a fish in the sea. A great white shark that is twenty to thirty meters long. This great white shark is several times larger than an ordinary great white shark. Su Chen guessed that this should be Xiaobai's body.

"Do you think I can escape with my strength?"

Chapter 1663

Great White Shark Xiaobai was very confused when he heard Su Chen's words.

This human being was not afraid when he saw her. There were more than fifty Great White Sharks of the Golden Core Realm soul beast here, and she was also a Super Douluo (Out-of-body Realm) great white shark.

This human being is a great master warrior. How come he is not afraid of so many soul beasts?

"Human, aren't you afraid that I will eat you?"

"Will you eat me?"

"Of course I will!"

"Yeah?"

Xiaobai was still not afraid when he saw Su Chen, not even her threats.

Xiaobai pretended to be fierce and threatened, "You don't believe it? Human, I am a soul beast, just like the monsters in the sea. I can swallow a warrior like you in one bite."

Whoosh!

Su Chen appeared directly on the back of Xiao Bai, the Great White Shark.

He patted Xiao Bai's back and said with a smile, "Xiao Bai, stop pretending and send me to Poseidon Island."

Su Chen knows Jaws Xiaobai very well.

This Xiaobai, who has a cold face and a warm heart, is a good little girl, but she is a bit arrogant.

Xiaobai saw Su Chen appear on her back, which made her very angry. She was so angry that this human being sat on her back without her permission. Xiaobai wanted to just fight this bastard human being away.

"Damn it, human being, how can you sit on my back? Get off my back."

Su Chen immediately pretended to be pitiful and said,

"Xiaobai, you see my strength is so low and there is no place for me to stay here. You are a kind-hearted Great White Shark. You won't just die without saving me, right?"

"you.....Human, have you ever said that you are very shameless?"

"Forehead! Someone often said"

"Huh, you look like a shameless bastard to me."

Xiao Bai was also helpless towards Su Chen.

This time it was her negligence. The saber-toothed fish broke into this sea area.

Although she made a rescue in time, several boats were still destroyed by the saber-toothed fish. This human He was the only living person she met, and it was impossible for Xiaobai to leave Su Chen alone.

"Xiaobai, get out of here quickly"

"Human, how do you know my name?"

"You are so white all over and you are very beautiful, so I will call you Xiaobai!"

Xiao Bai was very happy when she heard Su Chen's words.

She took Su Chen to swim in the sea for a while and then said with a smile, "Huh, if you can talk, I will send you to Poseidon Island. By the way, your name is what name?"

"Suchen!"

"Suchen? What a bad name."

I guess!

My name is suspected?

What's wrong with the name Su Chen?

Isn't this name better than Xiao Bai?

The soul beast's thoughts are really elusive.

Su Chen shook his head and stopped thinking about it.

He arrived at Poseidon Island in a while. What will he do next?

Should Poseidon kill him and become Poseidon?

At this moment, Ning Rongrong and Sword Douluo have arrived on

Poseidon Island. The people on Poseidon Island looked at Ning Rongrong and Sword Douluo. He didn't say anything. Ships often sank in the sea, and it was normal for these people to fly over. Ning Rongrong stood on the beach and looked at the sea and whispered, "I don't know if Su Chen can come to Poseidon Island safely." Sword Douluo looked at Ning Rongrong and asked doubtfully,

"Rong'er, who is that Su Chen? Why do you care about him?"

Sword Douluo used to think that Ning Rongrong liked Oscar, but why is Ning Rongrong obsessed with that Su Chen today? Could it be that Ning Rongrong likes this Su Chen? When

Ning Rongrong heard what Sword Douluo said, she shook her head He raised his fist and said angrily,

"Uncle Jian, I only met Su Chen once. The bastard teased me last time, but I think he is not bad, and Su Chen's identity is very extraordinary. At that time, a woman who was more powerful than Uncle Jian took over. Gone that bastard"

"A woman stronger than me?"

"Well, by the way, Su Chen called that beautiful woman Queen Medusa"

"Queen Medusa? Is she the queen of the desert snake tribe?"

Ning Rongrong looked at Sword Douluo and asked doubtfully, "Uncle Jian, do you know Queen Medusa?"

Sword Douluo felt that Su Chen's identity was really not simple.

In recent months, he said that he had often heard of Queen Medusa. Medusa was in the realm of Dou Zun (Super Douluo). This was a few months ago. He has come to kill many Dou Zun. I am afraid he is not a single enemy in front of Queen Medusa, and Queen Medusa also has a mysterious assassin in her hands. Those killers called Shadow Assassins have successfully assassinated the enemy every time. , and even assassinated several titled Douluo (Douzong).

Sword Douluo said with a serious face when he thought of this,

"Well, if my guess is correct, Queen Medusa should be the queen of the desert snake tribe at the junction with the Eastern Continent, and Queen Medusa is very powerful now."

"Snake tribe? Is Su Chen a snake man?"

"No, Su Chen is a human being, I am very sure of this."

Ning Rongrong breathed a sigh of relief when she heard Sword Douluo's words. She was really worried that that bastard Su Chen was a snake-man.

However, since Su Chen was not a snake-man, why would Queen Medusa be with Su Chen? Together?

Ning Rongrong couldn't figure this out and asked Sword Douluo, "Uncle Jian, then why did Queen Medusa know Su Chen? What is the relationship between them?"

"I don't know about this, but I found that Su Chen should be from the Eastern Continent. Su Chen is either from a powerful family in the Eastern Continent, or he may be a disciple of a powerful sect."

"Eastern Continent?"

Ning Rongrong was even more confused when she heard Sword Douluo's words.

Is Su Chen from the Eastern Continent?

It is impossible for the spiritual energy cultivators from the Eastern Continent to practice in the Southern Continent.

After all, there is no spiritual energy in the Southern Continent. So Su Chen Why does it appear in the Southern Continent?

And what is the identity of that bastard?

"Rong'er, look, Su Chen is back alive."

At this time,

Sword Douluo suddenly discovered that Su Chen came to Poseidon Island sitting on a hundred thousand year old soul beast.

This made him very surprised.

He was just an ordinary titled Douluo (Nascent Soul Realm), and this The soul beast is a super Douluo (out-of-body realm). How could Su Chen, a great master warrior, subdue a hundred thousand year soul beast?

Ning Rongrong was very surprised when he saw the Great White Shark Xiaobai.

This is a ten-thousand-year-old soul beast. Before the ten-thousand-year-old soul beast and the hundred-thousand-year-old soul beast Great White Shark arrived, Ning Rongrong felt the powerful aura making her breathless.

"A hundred thousand year old soul beast? How could Su Chen be with a hundred thousand year old soul beast?"

At this moment,

Great White Shark Xiaobai also sent Su Chen to Poseidon Island.

After Su Chen jumped off Xiaobai's body, he took out a five-turn ball and said to Xiaobai, "Xiaobai, open your mouth and I'll give it to you. A jelly bean as payment"

"Su Chen, what did you give me to eat? Why do I feel like I'm about to break through the Peerless Douluo (Distraction Realm)?"

Chapter 1664

After Xiaobai, the Great White Shark, ate the fifth-turn golden elixir given to her by Su Chen, the soul power in her body increased rapidly, and even the hidden disease that was injured by the Demon Whale King was recovered.

Xiaobai looked at Su Chen and was very surprised.

How could this Su Chen have such a pill?

Su Chen smiled when he heard Xiaobai's words and said, "Xiaobai, you didn't save me for nothing this time, did you?"

"Su Chen, what kind of elixir did you give me?"

Xiao Bai looked at Su Chen with her huge head and asked doubtfully.

She felt that Su Chen's elixir was very extraordinary.

Immortal cultivators in the Eastern Continent were good at refining elixirs.

Su Chen's elixir was probably made from elixirs. , otherwise it would be impossible to have such a great effect on soul beasts.

"This is just a jelly bean, Xiaobai, I am going to enjoy the scenery of Poseidon Island. We will meet again in the future."

Su Chen waved to Xiaobai and left.

He wanted to see what was going on on Poseidon Island. Why was Poseidon so interested in Tangshan in the plot?

By the way!

And Tangshan!

That guy from Tangshan is also in the ruins space. If he didn't die, could it be that when Tangshan came out of the ruins space, he was brought to Poseidon Island by Poseidon?

Otherwise, how could Ning Rongrong and the others come to Poseidon Island for a trial at this time?

"Suchen!"

When Ning Rongrong saw Su Chen coming over, she waved her hand and called to Su Chen.

Su Chen looked at Ning Rongrong and said, "Ning Rongrong, I have something to do, see you in the future!"

Su Chen said and left quickly.

He wanted to meet the high priest of Poseidon Island first.

That extremely beautiful woman was also a tragic figure.

Su Chen also couldn't understand why the trial in Tangshan would let him The high priest offered sacrifices?

Qian Xueer had his grandfather offer sacrifices, and Tangshan had the high priest Bo Saixi offer sacrifices. Why do these tests by the God of Justice require sacrifices?

Then why does the Queen of the Spirit Empire, Bi Dong'er, not need to offer sacrifices ? Sacrifice?

Sacrifice for justice?

The evil doesn't want to sacrifice?

This is really ironic.

Ning Rongrong saw that Su Chen left like this, which made her unable to understand why Su Chen left? And to him? Could it be that she was indifferent because she didn't save him before?

Sword Douluo patted Ning Rongrong on the shoulder and said,

"Rong'er, let's leave too. We still need to find your friends."

Sword Douluo was very wary of Su Chen.

This grand master's warrior might not be simple.

From the conversation between Su Chen and Great White Shark just now, Sword Douluo guessed that Su Chen should come from a top sect, or even a top sect. an important figure.

Otherwise,

Su Chen would not have the precious panacea

"All right!"

Ning Rongrong watched Su Chen leave and left with Sword Douluo. She still had to look for Xiao Wu and the others. She didn't know if Xiao Wu and the others would be in danger. On

Poseidon Island,

Su Chen looked at I was very surprised by the strange buildings here.

The buildings here are all similar to Western buildings. Did Poseidon come from the Western Continent?

Or are there people from the Western Continent living on Poseidon Island?

"Um? That is? Is that the power of faith? Poseidon Island actually has the power of faith. Does Poseidon need the power of faith to practice? Isn't this the ability of the Holy Family in the Western Continent?"

Su Chen suddenly saw white threads gathering on the tower. If those white threads were not powerful, they would not be visible at all.

Su Chen felt that these white threads were very similar to his luck, and he suddenly thought of the power of faith in the West. ,

Su Chen understood everything when he thought of this.

Su Chen's mental power began to check the entire Poseidon Island. If he wanted to find Poseidon,

Poseidon must die.

Although the power of faith cannot match luck, if Poseidon uses luck, the son of luck, , then the Poseidon's cultivation level will improve very quickly, and he can even become a real god and ascend to the fairy world.

Su Chen thought that Poseidon, the Poseidon, could control this Poseidon Island.

He must have collected a lot of energy. Luck.

The child of luck cannot be killed unless the child's luck is exhausted.

Su Chen guessed that Poseidon, the god of the sea, is interested in Tangshan, and he may also be interested in Tangshan's luck. If the god of the sea cannot kill Tangshan, then only Tangshan can be used.

As long as Tangshan starts to believe in Poseidon, his luck will be taken away by Poseidon.

If Tangshan's luck is stolen by Poseidon in the future, then Tangshan will be killed.

No wonder the high priest of Poseidon Temple Bo Saixi will be sacrificed.

High Priest Bo Saixi is blocking the road to Tangshan.

High Priest Bo Saixi is the only Poseidon on Poseidon Island. He is also the most likely to be the next Poseidon successor. There is a high priest. With Bo Saixi here, how could Tangshan inherit a sea god with a false name?

Su Chen's face was very ugly.

He didn't care at all about the life and death of Tangshan and other sons of luck, but he had two daughters.

Su Yanhe The luck of Su Yue and the others is much greater than that of the lucky sons of Tangshan. The luck of the imperial princess and the daughter of the Emperor is simply not comparable to that of the lucky sons of Tangshan.

Su Chen didn't Maybe there is no threat left, not afraid of what may happen, but what if, he must kill the Poseidon who is a threat to his daughters.

Whoosh!

Su Chen found the palace of the high priest Bo Saisi and teleported there.

At this moment, in a secret realm on Poseidon Island,

Tangshan is cultivating here.

Tangshan's strength has improved very quickly in the past few months. He is now a Contra (Golden Core Realm) soul cultivator, with several With continuous promotions over the past month, Tangshan's strength has grown by leaps and bounds.

"call! He already has the strength of Soul Douluo. If he continues to practice in this place with strong soul power for another year, he can become a titled Douluo."

Tang Shan stood up from practicing.

After he was unconscious in the ruins space a few months ago and was teleported out, he was actually saved by the God of the Sea. He was even favored by the God of the Sea and stayed here to practice.

"Alas, my father was killed, and my mother Blue Yincuo also stayed in the ruins space. Fortunately, she was favored by Poseidon. Otherwise, I might not be able to move forward in the Southern Continent in the future."

Tangshan looked around and planned to go out.

Poseidon's training was about to begin.

Xiao Wu and others should be arriving at Poseidon Island soon. Tangshan also needed Xiao Wu and others to help him pass Poseidon's trial, otherwise he would. A person simply cannot pass the test of Poseidon. Su Chen was confused when he appeared in the palace of High Priest Bo Saixi. He did not expect that High Priest Bo Saixi was taking a bath, or taking a bath under a small waterfall in the palace.. Su Chen was too embarrassed to make a sound. He wanted to leave immediately, but the high priest Bo Saixi's perfect figure made him not want to leave at all. Tik da! At this time, Su Chen's nosebleed dropped. on the floor

"who?"

Chapter 1665

In the High Priest's Temple,

Bo Saixi was taking a bath under a waterfall in a pool in the main hall, but a clicking sound suddenly came from the side hall, which made her instantly reach out and pull her dress over to cover her body.

This is the place where she bathes. No one can come without her permission. Who could secretly appear here? You even dare to spy on yourself taking a shower?

Bo Saixi turned around and saw a man with a nosebleed looking at her.

This made Bo Saixi very angry.

She was actually seen by this bastard. This damn voyeur actually dared to come to Poseidon Temple to spy on her.

"Endless sea of burial!"

Boom boom boom boom.....

As soon as Bo Saixi's second soul skill, the black halo, appeared, the water under the waterfall immediately condensed countless bubbles, and these bubbles with thunder and lightning quickly attacked Su Chen.

I'll do it!

Su Chen didn't expect that Bo Saixi would launch a sudden attack, so he quickly teleported to the side.

However,

Bo Saixi is so beautiful. She has a tall and perfect figure, long sea-blue hair, and a soft face that makes people unconsciously attracted to her. Her beauty comes more from her temperament and nobility. Elegant and warm. swish swish.....

Just after Su Chen escaped, the water molecules in the surrounding air suddenly appeared and turned into bubbles, attacking Su Chen from all directions.

Holy shit!

What the hell!

The soul skill of High Priest Bo Saixi turned out to be a group attack, and even the water in the air could be used to attack. The strength of this beautiful woman was really very powerful.

Su Chen felt that Bo Saixi was more powerful than the Queen of the Spirit Empire and Dong'er.

But yes,

Bo Saixi is very old.

She is one generation older than the Empress of the Spirit Empire, the King of Naval Battles!

This is not just talk

"Peeping Tom, you're dead this time." Bo Saixi looked at Su Chen who was surrounded by sea bubbles and yelled angrily.

This shameless pervert dared her to take her idea.

Bo Saixi won't cut this shameless pervert into pieces this time. She is not the high priest of Poseidon Island Temple

"Misunderstanding, misunderstanding, High Priest, I came to see you for something. I didn't mean to peek at you taking a shower."

"Bastard, you still dare to talk nonsense"

"Poseidon! Tangshan! High Priest, do you really not want to hear it?"

Su Chen saw that the thunder bubble was about to attack from all directions, so he hurriedly shouted to Bo Saixi.

Although Su Chen could easily break the attack, he didn't want to reveal his strength yet.

Poseidon hadn't appeared yet, so he Poseidon, the God of Poseidon, was not found on Poseidon Island.

Su Chen was also afraid that Poseidon would not show up on Poseidon Island if he knew about his strength.

Bo Saixi was stunned when he heard Su Chen's words.

Poseidon secretly brought Poseidon to Poseidon. She knew about Tangshan, and she was the only one in the entire Poseidon Island who knew that Tangshan was on Poseidon Island.

How could this bastard know about Tangshan?

When Su Chen saw the high priest Bo Saixi stop attacking, he hurriedly asked Bo Saixi, "High Priest, aren't you surprised by Tangshan's appearance?"

Bo Saixi looked at Su Chen and said coldly, "Accident?" Why should I be surprised?"

"High Priest, please put away your soul skills first. I am a great master and there is no way I can escape from you."

Bo Saixi put away the black soul ring after thinking about it.

She also wanted to know what Poseidon was doing when he brought Tangshan to Poseidon Island, and she also had a bad feeling recently, as if something big was going to happen.

Bo Saixi Looking at Su Chen, he snorted coldly, "Humph, let me spare your life first, but you can't leave Poseidon Island alive."

"Understand, understand"

"Say, what do you know?"

"Poseidon is preparing to let Tangshan inherit Poseidon"

"This is impossible. Tangshan's realm makes it impossible to inherit Poseidon. You are talking nonsense."

Bo Saixi shouted loudly when he heard Su Chen's words.

Tangshan was just a small soul cultivator.

Even if he had Poseidon's help during this period, Tangshan's strength would not be able to succeed Poseidon.

Su Chen shook his head. He shook his head and continued,

"Listen to me, Poseidon has his own purpose. I can't tell you now, but High Priest, you are in danger. If Tangshan completes Poseidon's trial, what do you think will happen to you?"

High Priest Bo Saixi's expression changed when he heard Su Chen's words,

Poseidon Trial?

She knew that if Tangshan really passed the trial, her end would be sacrifice.

This was the last step for Tangshan to inherit Poseidon.

Bo Saixi Sisi couldn't believe it when she thought of this.

She was the high priest of Poseidon Temple, and Poseidon actually wanted to sacrifice to her for a little soul master. Could it be that his peak peerless Douluo cultivation level was not as good as that of Tangshan, a little soul master

? Sisi clenched his fists tightly and pretended to be calm and said,

"What could happen to me? I am the high priest of Poseidon Temple. Even if Tangshan passes the trial and becomes the next Poseidon, I will still be the high priest of Poseidon Temple.

Su Chen crossed his arms and said with a smile, "Really?" If you didn't hold your fist, I would really believe what you said is true."

Su Chen could tell that Bo Saixi should know something, and he should even think about the sacrifice.

After all, Bo Saixi is the high priest of Poseidon Temple, and she probably knows everything about Poseidon Temple. Chu

"What else do you know?"

"High Priest, let's cooperate. Tangshan is my enemy. If I kill Tangshan, you won't have to worry about being sacrificed by the Poseidon in the future."

"Ha ha....., you are dreaming. Tangshan has been taken to the secret realm by Poseidon to practice. After Tangshan comes out, his strength will be greatly increased. With the strength of your great master, there is no way you can be Tangshan's opponent."

"You don't have to worry about this. If I am killed by Tangshan, it will save you from killing me in the future. Isn't this the best of both worlds for you?"

Bo Saixi fell silent when she heard Su Chen's words.

She couldn't figure out why Poseidon would do this, but the bastard who spied on her was dead. If she could use this bastard to deal with Tangshan, it would be the best of both worlds for her.

Su Chen looked at the high priest Bo Saixi and waited for her answer.

He was not worried about Bo Saixi's disapproval.

Whether Su Chen died in Tangshan's hands or in Bo Saixi's hands, this mattered to Bo Saixi. It's nothing. At most, it's a pity that Bo Saixi couldn't kill him with his own hands.

Bo Saixi glared at Su Chen and nodded in agreement, "I agree. You will live in my palace for the past two days without me. You are not allowed to go out with your permission, otherwise, I will kill you"

"Well, I won't go out without your permission."

Su Chen nodded when he heard Bo Saixi's words. It's the best thing for him to stay in the high priest's palace. If Tangshan starts the trial, Bo Saixi will be the one to preside over the trial in Tangshan. From now on, Tangshan He will know every move of

"Bo Saixi, are you still taking a shower? If you don't want to wash it, I'll wash it here. I've been on the boat for several days and my body is sticky and uncomfortable."

"roll!"

Chapter 1666

Three days later, in the palace of the high priest on Poseidon Island , Su Chen was sitting leisurely in the courtyard of the palace basking in the sun. The maids around him poured wine for Su Chen from time to time. The guards around him looked at Su Chen from time to time. They all I don't understand why the high priest treated this young man so favorably. The high priest's palace is like Su Chen's palace.

"Master Su Chen, Xiaobai, the king of great white sharks, has arrived."

At this time, a guard came over and saluted Su Chen.

When Su Chen heard Xiao Bai's arrival, he stretched his waist and stood up and said,

"Let her come over!"

"Yes, Master Su Chen."

After a while,

Xiaobai came over quickly.

When she saw Su Chen, she shouted,

"Su Chen, what do you want from me? I'm about to advance and I don't have time to play with you."

Xiao Bai did not expect that Su Chen actually knew the high priest and even lived in the high priest's palace.

This made Xiao Bai very confused about Su Chen's identity.

She had never seen Su Chen come to Poseidon Island before. , then how did he know the high priest?

And the relationship between Su Chen and the high priest should be very close.

Otherwise, it would be impossible for the high priest Bo Saixi to let Su Chen live in her palace.

Su Chen watched as he turned into a human form Xiaobai's eyes lit up.

Xiaobai is really beautiful in human form.

Her long gray-blue hair is scattered on her shoulders. Her eyes are also gray-blue. She has a tall and perfect figure and an uneven body shape. She is very hot and fair. Her skin revealed a gray-blue color.

If Xiaobai were a human, she would definitely be an exotic beauty.

Su Chen looked at Xiaobai for a while and then asked with a smile, "Xiaobai, has Poseidon seen anything lately?" Give you a task?"

Xiao Bai originally saw Su Chen looking at her, which made her face a little red.

After hearing Su Chen's words, she hurriedly said,

"Yes, there will be several humans who will accept my test in five days. What are these doing, you ask?"

Su Chen didn't expect that the assessment in Tangshan had already begun.

Fortunately, he asked the guards to find Xiao Bai this time.

Otherwise, he might have missed the assessment of those in Tangshan. The high priest Bo Saixi didn't even tell him that the assessment had started. Look. That woman still didn't believe him.

Su Chen thought about it and said to Xiao Bai,

"Xiaobai, I'm a little bored on Poseidon Island. I'll go find you in five days and watch you play with those humans."

"Okay, but give me another one of your jelly beans"

"Haha, here you go, these are three fifth-level golden elixirs, but you'd better take them after you advance to Peerless Douluo."

Xiao Bai looked at the elixir in his hand and smiled and said, "I'm not stupid. Thank you Su Chen. I'm going back. I'll give you this bead. As long as they are members of my Great White Shark clan, they will obey your orders.."

Xiaobai didn't expect that Su Chen would be so generous. He gave her three more precious pills at once, which made Xiaobai feel very good about Su Chen.

Xiaobai decided that in the future, if Su Chen wants me to be in danger, she will help me. Help this little bastard

"OK, thank you very much."

Su Chen looked at the bead in his hand and smiled.

He didn't expect that Xiaobai would give him a bead that could command the great white shark.

It was of no use to him, but it was better than boring.

He would never have it again. You can sit on the Great White Shark and go out to sea for fun.

Xiaobai and Su Chen chatted for a while and left in a hurry.

Su Chen lay on the rocking chair again. Bo Saixi did not tell him that

Tangshan had begun trials.

Something is wrong.

Damn it!

Su Chen suddenly thought of that woman Bo Saixi and why she didn't tell him about Tangshan.

Wouldn't that woman Bo Saixi have met Tangshan?

If Tangshan told him his grandfather's name,

I'm afraid that silly woman Bo Saixi won't let Tangshan die. Su Chen felt very helpless when he thought that Bo Saixi had a relationship with Tangshan's grandfather. That silly girl Bo Saixi had a crush on Tangshan's grandfather. Now there's trouble. That stupid woman would definitely not kill Tang Shan again, and might even be willing to be sacrificed by Tang Shan. Su Chen stood up and was about to leave. Bo Saixi was unsure. Women he had a crush on were very crazy, and he didn't want to waver. Sisi went back on his word and came to kill himself

"where are you going?"

At this time,

Bo Saixi came out of the palace, looked at Su Chen, and asked coldly,"

Oh no!

Isn't this great beauty Bo Saixi always monitoring me?"

Xiaobai's arrival must have been known to Bo Saixi. He might even have heard the conversation between him and Xiaobai.

Su Chen coughed and hurriedly replied,

"Ahem, Bo Saixi, I'm just bored in the palace and want to go out for a walk. Don't worry, I won't leave Poseidon Island."

"Do you think I would believe it?"Bo Saixi looked at Su Chen with a cold face and said indifferently.

Su Chen immediately flattered him and said,

"You will definitely believe that you are a great beauty, and great beauties are very kind-hearted."

"Shameless!"

"I'll be back after I go out for a walk." boom!

"Holy shit! Bo Saixi, what are you doing?"

When Su Chen was about to leave,

Bo Saixi slapped Su Chen in front of him. Su Chen quickly backed away and shouted to Bo Saixi.

Bo Saixi looked at Su Chen and said coldly, "You actually and I know Xiaobai, the King of Great White Sharks, and you also know about the trials in Tangshan. Do you think I will let you go?"

"Bo Saixi, you want to kill me?" Su Chen's face turned cold after hearing what Bo Saixi said. This beautiful high priest seems to be determined to kill him. Does he want to capture the high priest Bo Saisi first?

"What do you think?"

"You can't kill me!"

Bo Saixi coldly and arrogantly mocked Su Chen with disdain,

"Yeah? You are a little grand master warrior, why do you think I can't kill you?"

"Haha, Bo Saixi, what you promised me three days ago is considered fart?"

"court death!"

Su Chen saw that Bo Saixi was about to launch a soul ring attack.

He took out Suru's token and threw it to Bo Saixi and said, "Wait, Bo Saixi, look at this and tell me whether you dare to kill me."

This token is the token of the Qingyun Sect.

After Suru quit the Qingyun Sect, it was naturally impossible for her to keep her token.

Su Chen was bored and played with the token. He wanted to see if the Qingyun Sect could Stop High Priest Bo Saixi.

High Priest Bo Saixi was very surprised when he confirmed the token.

This is the token of Qingyun Sect, and it is also the token of an elder. Qingyun Sect is one of the top sects in the mainland. Qingyun

Sect is one of the top sects in the mainland.

The sect has Daoxuan, the leader of the second level Soul God (Dongxu Realm), and even the holy beast Water Kirin of the third level Soul God (Mahayana Realm), and the Immortal Killing Divine Sword is also a very powerful artifact. But

Poseidon Island dare not Offending the Qingyun Sect.

Bo Saixi looked at Su Chen and said with a complicated expression,

"Qingyunmen? The top sect of Taoist sect, I didn't expect you to be from Qingyun sect."

Chapter 1667

Su Chen felt relieved after hearing Bo Saixi's words.

He didn't want to take action against Bo Saixi now.

If Su Chen caught Bo Saixi, if Poseidon, the God of the Sea, knew that he had escaped, where would he go to find the God of the Sea? winter?

The sea is boundless. If Poseidon, the God of the Sea, was hiding in the deep sea, Su Chen would not have time to look for Poseidon, the God of the Sea.

"Can I leave?"

"Can!"

Bo Saixi looked at Su Chen and nodded helplessly.

She had no choice.

Qingyun Sect, the top sect in the Eastern Continent, couldn't afford to offend Poseidon's Poseidon Island.

Poseidon?

Poseidon's Island in the Eastern Continent. The top sect sees nothing.

When Su Chen turned around and was about to leave, he looked at Bo Saixi and reminded,

"Poseidon, let me give you one last piece of advice. Poseidon, the god of the sea, is not as good as you think. Also, Tangshan may not be the descendant of your crush."

"What do you mean by saying this?"

"You think about it yourself, stupid woman, I don't want to explain it to you."

"Stop and tell me clearly, Su Chen, what exactly do you mean?"

"goodbye!"

Su Chen smiled and waved to Bo Saixi before disappearing.

He had said everything he needed to say.

Bo Saixi still wanted to die as a sacrifice in the future.

That was also her own business.

It was just that there was one less beautiful person in the mainland. She is a noble beauty. Bo Saixi is even more beautiful and noble than Bi Donger from the Spirit Empire.

"Su Chen....."

Bo Saixi yelled when he saw Su Chen disappearing.

Bo Saixi didn't expect that Su Chen left immediately after saying leave. And why did that bastard disappear suddenly? She didn't even notice the bastard's breath. damn it!

Poseidon, God of the Sea, is not as good as he thought?

Tangshan is not necessarily a descendant of Tang Chen?

What is all this and what?

And that damn bastard, why is he from the Qingyun Sect? Will she kill that bastard who sees her naked in the future?

Bo Saixi is very troubled now.

She can't kill that bastard Su Chen openly. If the Qingyun Sect's disciples are killed by her, I'm afraid the Qingyun Sect won't let it go.

She was also worried that killing Su Chen would bring disaster to Poseidon Island.

But if I don't kill that bastard, will I just forget about being exposed?

Bo Saixi was also worried that if Su Chen returned to the Qingyun Sect in the Eastern Continent, she would have no chance to kill that bastard again.

Bo Saixi thought for a moment and then disappeared.

She couldn't let that bastard Su Chen go. She couldn't kill Su Chen openly, but she could assassinate that bastard secretly.

On Poseidon Island,

Su Chen appeared in a small village, which was not far from the territory of Great White Shark Xiaobai. He could see the trial of several people in Tangshan five days later here, so that he could also avoid Bo Saixi's entanglement and assassination. Own.

After the arrival of Guanyin Bodhisattva and Our Lady of Wudang in Hangzhou City, the City Lord's

Mansion, they also checked the City Lord's Mansion in the past few days, and they understood everything they needed to know. They could not enter the heavily guarded place in the back garden of the City Lord's Mansion. It was too heavily guarded, with secret guards, shadow assassins, banshees, and even formations. It was impossible for them to enter without alerting the guards. Our Lady of Wudang frowned and said to Guanyin Bodhisattva,

"Guanyin, there must be something weird in the back garden, but how do we get in? We are just clones now, and we don't have the strength to go in silently."

"Yes, we can't fight in, right?"

Guanyin Bodhisattva is also very helpless.

The back garden of the City Lord's Mansion is very weird.

The security in the back garden is too tight. The guards there can get through, but the formation makes them unable to solve it. The formation in the back garden Fa Ke is an ancient formation. Where did that bastard Su Chen get the ancient formation?

"No, we can't alert the people in the mansion"

"What to do?"

Our Lady of Wudang suddenly said to Guanyin Bodhisattva, "Su Chen's daughters Su Yan and Su Yue, Guanyin, we can make a breakthrough from Su Yan and Su Yue."

Guanyin Bodhisattva thought for a while and said,

"Su Yan can't do it. That girl is too ghostly. The only way to find her is that little girl Su Yue."

Guanyin Bodhisattva has not been able to do anything to Su Yan these days.

He gave the girl a lot of benefits, but the girl just took the benefits and did nothing. She even refused to disclose some things about Su Chen.

"Yes, Su Yan is difficult to deal with, so Su Yue is the one to deal with."

"We'll go there now."

In the garden,

Su Yue is running around in the garden.

Su Yue, who is almost three years old, is now a beautiful little princess. Her delicate and pretty face looks more and more like Concubine Yan. Her two little braids make her look more and more like Concubine Yan. Su Yue looked very cute.

Beside the garden,

Da Sima and Shao Siming were guarding Su Yue. They did not travel like Huan Huan and Shi Feixuan, nor did they visit the city master like Qin Mengyao and Xiao Meng. The mansion is in seclusion.

Ji Ruxi is in the city lord's mansion. As

Da Siming and Shao Siming are members of the Yin and Yang family, it is impossible for them to ignore Ji Ruxi's existence.

Da Siming looked at Su Yue and asked Shao Siming, "Shao Siming, your practice of Taiyin Kung Fu has almost reached the third level, right?"

Shao Siming nodded and stretched out two fingers.

"Shao Siming, you can speak now, why can't you speak?"

When Da Siming saw Shao Siming nodding and not speaking, she was very speechless.

After Shao Siming advanced to the Golden Core Realm, there was no limit to her speech. She used to say a few words from time to time, but this time she rarely Siming had never spoken before.

Young Siming smiled and said in a clear voice,

"I'm not used to it!"

Da Siming shook her head when she heard what Shao Siming said.

She also knew that Shao Siming had always been like this, and I'm afraid it wouldn't change in the future.

Da Siming thought of those women in Tianxuan Continent, and she smiled at Shao Siming. Siming said,

"Shao Siming, we are all in the Golden Core realm now. Do you think that in the future, women like Ehuang Ying and even the Black Widow will be envious and jealous if they know about our cultivation realm?"

"Probably not, Da Siming, don't forget that the aura in Xuannio Palace is also very rich, even richer than here. I'm afraid Ehuang Nvyng and the others are not as strong as us."

"Haha, you are wrong. It has been a hundred days here and only one day in Tianxuan Continent. How can Ehuang Nuying and other women compare to us?"

Shao Siming was stunned when she heard Da Siming's words.

She had forgotten the speed of time. In this way, the women of Ehuang Nvyang are really not as good as their cultivation.

"What are you talking about?"

At this time,

Guanyin Bodhisattva and Wudang Virgin appeared silently beside Da Siming and Shao Siming. When

Da Siming and Shao Siming saw Guanyin Bodhisattva and Wudang Virgin, they hurriedly bowed,

"I have seen Guanyin Bodhisattva, and I have seen Our Lady of Wudang!"

The Holy Mother Wudang waved her hand and asked doubtfully,

"You don't have to be polite, Grand Commander, what did you just say about a hundred days? What day?"

Chapter 1668

Guanyin Bodhisattva and Our Lady of Wudang had just arrived.

They both heard the conversation between Da Siming and Shao Siming, but they did not hear it completely.

However, what Da Siming said at the end made them very surprised.

One hundred days is one day in Tianxuan Continent?

Tianxuan Continent?

What's this?

Did Su Chen come to the Gods and Demons Continent from the Tianxuan Continent?

Da Siming was very uneasy when he heard Guanyin Bodhisattva's question.

She was a little complacent just now.

She and Shao Siming also forgot that there were two gods in the city lord's mansion.

Now,

Guanyin Bodhisattva and Wudang Holy Mother heard what she just said.

Da Siming was very worried that Tianxuan Continent would be exposed, and they would also be exposed. They all came to Gods and Demons Continent from Tianxuan Continent, and they might even fight. Disrupt all Su Chen's plans.

Da Siming and Shao Siming looked at each other and fell silent.

It was impossible for them to tell Guanyin Bodhisattva and Wudang Holy Mother about Tianxuan Continent. They would not tell them even if they died.

When Guanyin Bodhisattva saw that Da Siming and Shao Siming didn't answer, she looked at them and prepared to check their memories. As long as Da Siming and Shao Siming had been to the Tianxuan Continent, Guanyin Bodhisattva could check their memories. Tianxuan Continent.

Huh?

Unable to detect the thoughts of Da Siming and Shao Siming?

How can this be?

Da Siming and Shao Siming were only in the Golden Core realm.

How could she not be able to check the memories of Da Siming and Shao Siming?

At this time, the memories of Da Siming and Shao Siming were checked by Guanyin Bodhisattva. They were covering their heads in pain, with a lot of sweat on their heads, and their bodies were trembling and about to fall to the ground.

"alert! Everyone is on alert!"

After Da Siming and Shao Siming fell to the ground, Da Siming yelled with all his strength, swish, swish, swish..... dong dong dong.....

Outside the garden, the secret guards, shadow assassins, and even the black-armored troops guarding the city lord's palace came to the garden quickly.

After these guards arrived, they hurriedly guarded Su Yue layer by layer. The guards and troops surrounding Guanyin Bodhisattva and Wudang Madonna were vigilant and surrounded them.

When Mother Wudang saw the guards coming to the mansion, she looked at Guanyin Bodhisattva and asked hurriedly, "Did you check anything from your memory?"

Guanyin Bodhisattva stopped looking, shook her head and said helplessly, "No. , I didn't check anything. The memories of Da Siming and Shao Siming were protected by a layer of white light. I couldn't check their memories at all."

"That means there is a problem. Who protects the memories of Da Siming and Shao Siming? Even you can't break through that protection?"

"I don't know. It seems that Su Chen has a lot of secrets. What should I do now? It looks like we won't be welcome in Su Chen's mansion."

"We took Su Yue away."

Our Lady of Wudang's eyes flashed when she looked at Su Yue who was being protected by the guards.

Now she can no longer talk to Su Yue properly.

The women in the mansion will arrive one after another.

She thinks she can only take them with her first. Su Yue left and asked all the information about Su Chen from Su Yue's mouth in the future.

Guanyin Bodhisattva frowned when she heard the words of Our Lady of Wudang.

She did not expect that Our Lady of Wudang would take Su Yue away.

If they really did this If they do, what will Su Chen think of them in the future? Will this completely break with Su Chen?

"Take Su Yue away? is this okay?"

After hearing Guanyin Bodhisattva's words, Our Lady of Wudang explained,"Guanyin, we are just taking Su Yue away, and we won't hurt her. That bastard Su Chen won't blame us."

"Then take Su Yue away quickly."

Boom!

Whoosh!

In the garden, a strong wind suddenly blew up.

The secret guards, shadow assassins, and even the surrounding black-armored troops were blown around.

At this time,

Guanyin Bodhisattva instantly appeared next to Su Yue. , she hugged Su Yue and disappeared into the garden. Our Lady of Wudang looked around and smiled before also disappearing into the garden.

"what happened?"

At this moment,

Ji Ruxi, Shuirou, Suru, Xiaobai and Xiaoqing came to the garden one after another quickly. When they saw the situation in the garden, their faces changed drastically.

Da Siming covered his head and hurriedly said to Ji Ruxi He said,"Madam, the little princess was taken away by Guanyin Bodhisattva and Wudang Virgin Mary."

"What? Yue'er was taken away by Guanyin Bodhisattva and Wudang Virgin? What exactly is going on?"

Suru was very anxious when she heard what Da Siming said.

She did not expect that the Goddess Guanyin Bodhisattva and the Wudang Virgin would kidnap Su Yue. Su Yue was the youngest daughter of her brother Su Chen. She was very worried about Su Yue. Something will happen to Yue.

Ji Ruxi, He Shuirou and others were very surprised when they heard about it. When

Guanyin Bodhisattva and Wudang Holy Mother came this time, they all felt something was wrong.

After Ning Zhongze and Qingniao told them about Jinshan Temple, They thought that Guanyin Bodhisattva and Our Lady of Wudang would be waiting for Su Chen to come back in the mansion. Why would they suddenly take Su Yue away now?

After Da Siming felt that her headache was better, she stood up and continued to say to Ji Ruxihe,

"Madam, Guanyin Bodhisattva and Our Lady of Wudang have checked our memories. They may have doubts about our identity, and even know that we are not from the Godfall Continent."

After Ji Ruxihe heard Da Siming's words, she understood everything.

The arrival of Guanyin Bodhisattva and Wudang Holy Mother this time was not waiting for Su Chen's return at all. Guanyin Bodhisattva and the others came to the mansion to check on Su Chen and them. The secrets of these women,

"It turns out that's the case. No wonder Guanyin Bodhisattva and Our Lady of Wudang have been asking questions these days, even trying to bribe Su Yan to get some news. Guanyin Bodhisattva and the others may be suspicious of us."

Suru asked worriedly after hearing Ji Ru Xihe's words, "Xihe, will something happen to Su Yue?"

Suru was also very helpless towards Su Chen.

First, a powerful Immortal Wudang Madonna appeared in the mansion, and then a Guanyin Bodhisattva came.

These are all famous immortals.

She couldn't understand why Su Chen was so good. Is it related to these two powerful gods? And the fairy fruit and elixir that Su Chen brought back last time. These things made her confused for several days.

Ji Ruxihe looked at Suru and comforted,

"Sister Ru can rest assured that Guanyin Bodhisattva and Our Lady of Wudang will not harm Yue'er. They took Yue'er away because they probably wanted to get some interesting things from Yue'er's mouth."

"What's wrong? What's wrong? what happened?"

At this time,

Su Yan ran over quickly and shouted loudly.

When Ji Ruxihe saw Su Yan arriving in a hurry, she asked Su Yan, "Yan'er, what have Guanyin Bodhisattva and Our Lady of Wudang asked you these days? Already?"

Su Yan replied doubtfully after hearing Ji Ruxihe's words,

"Guanyin Bodhisattva and Wudang Virgin? In the past few days, they have been asking me where my father's hometown is. They also asked me whether my father was a human emperor and whether he had ever been to other worlds. Shuirou grabbed Su Yan and asked hurriedly, "You didn't tell anything about Tianxuan Continent, right?"

"No, I was fooled by all this. I told them I didn't know, what happened to my aunt?"

"Your sister Su Yue was taken away by Guanyin Bodhisattva and Our Lady of Wudang."

Chapter 1669

Su Yan was stunned when she heard that her sister Su Yue had been taken away.

How could Guanyin Bodhisattva and Our Lady of Wudang take away her sister Su Yue?

This simply makes no sense.

Although Su Yan has only been with Guanyin Bodhisattva and Wudang Madonna for a few days, she still knows a little about Guanyin Bodhisattva and Wudang Madonna, and they would not do such a thing.

Su Yan suddenly thought that Guanyin Bodhisattva and Our Lady of Wudang did not find out her father's secret from her.

They didn't kidnap Su Yue to ask about those secrets, right?

"Auntie, when Guanyin Bodhisattva and Our Lady of Wudang took away my sister Su Yue, were they trying to get those secrets from my sister?"

"should be!"

Ji Ruxihe nodded and replied.

She also thought of this.

Su Yue is the youngest in the mansion.

If Guanyin Bodhisattva and Wudang Madonna have doubts about Su Chen, then Su Yue is indeed a breakthrough.

Su Yan When she heard Ji Ruxihe's confirmation, she smiled and said,

"Haha, then they are destined to be disappointed. That girl Su Yue is very cunning. It is impossible for Guanyin Bodhisattva and Wudang Virgin to get the secrets they want to know from their sister."

Suru stood beside her and laughed.

Su Yan and Su Yue were both very lovable girls, and even very smart.

Su Yan was a crazy girl.

She always wanted to leave the mansion and go out to work.

Su Yue, on the other hand, likes tranquility very much, especially flowers and plants. Su Yue likes it very much. When there is nothing to do, Su Yue will always stay in the garden and play.

"You two sisters are very clever. Su Yue is very smart when she is not even three years old. When you two sisters grow up, your father will sometimes have headaches."

Ji Ruxihe saw more and more women arriving, including mermaid Delia, snake girl Yue Mei, Lin Yueru, Shi Fei Xuan, Zhou Zhiruo, etc. These women also kept coming.

Except for the women in seclusion, most of them were When she arrived, she didn't want it to be too ostentatious.

Ji Ruxi and Xiaobai, who was managing the secret guards next to her, said,

"Xiaobai, let the secret guard release the butterfly-winged bird. Let your husband handle this matter."

"Okay, sister!"

Xiao Bai nodded and agreed.

Guanyin Bodhisattva and Wudang Holy Mother are very powerful. Women like them cannot deal with this. This matter can only be handled by Su Chen.

"Xiaoqing, you will inform the little fox in Baoqingfang later that she must also know about this matter."

"Yes, sister!"

Ji Ruxihe waved his hands to the women around him and said,

"Everyone, please disperse. We have stabilized the south. The war in the north of the Song Dynasty will begin in the next few days. We must arrange the logistics materials and officials who occupy the city as soon as possible."

When the girls heard Ji Ruxihe's words, they each nodded. They were very worried about Su Yue's arrest, but they were helpless.

Guanyin Bodhisattva and Wudang Holy Mother were immortals.

In the Shenyin Continent,

Guanyin Bodhisattva Although they are both clones of the Holy Mother Wudang, with their cultivation at the peak of the Tribulation Realm, women with low strength cannot compete with them.

After Su Yan stood aside and rolled her little eyes, she She was about to exit the garden slowly.

This was the best time to leave the mansion. With Su Yue being taken away, her aunts would definitely not be able to take care of her these days. Su Yan decided to go find her sister Su Yue personally..At night, Su Yan secretly escaped from the City Lord's Mansion with Qingying and Shui Qilin. With Qingying's help this time, Su Yan was not discovered by the secret guards and banshees guarding the City Lord's Mansion.

"Do you really not stop Su Yan?"

"This girl is too wild. She won't be able to live peacefully even if she stays in the City Lord's Mansion. Su Chen said that if Su Yan wants to leave, let her out. That girl has Qingying and Shui Qilin protecting her, so nothing will happen to her."

"Alas, this is all we can do, let the Shadow Assassin pay attention to Su Yan's whereabouts at all times"

"I see!"

In the City Lord's Mansion,

Ji Ruxihe, Suru, and Xiaobai discovered the sneaky Su Yan early in the morning. They did not expect that after what happened today, Su Yan would secretly leave the City Lord's Mansion. These two None of the sisters were worry-free, which made them all very helpless.

Outside Hangzhou, after Su Yan was taken out of Hangzhou by Qingying, she let the water unicorn return to its true form. Su Yan rode the water unicorn. He quickly moved away from the city of Hangzhou.

A butterfly-winged bird flashed by and quietly chased it.

Three days later, on

Poseidon Island,

Su Chen was sitting on the beach, bored and fishing, and there were still two days of trials for those in Tangshan. It was about to begin, and Su Chen did not dare to appear elsewhere on Poseidon Island. The high priest Bo Saixi sent people everywhere to look for him. Su Chen felt that Bo Saixi might want to assassinate him quietly.

In the sea,

Dabai When Shark Xiaobai came to the beach, he asked Su Chen doubtfully,

"Su Chen, why did you offend the high priest? The high priest comes to me every day these days to inquire about your information."

Xiao Bai was very confused about Su Chen.

Su Chen was living freely in the high priest's palace a few days ago. How could this bastard be hiding here these days? Moreover, the high priest even sent Sea Douluo everywhere to look for this guy. Bastard.

She couldn't understand what happened between Su Chen and the high priest.

Su Chen was very speechless when he heard Xiao Bai's words.

He couldn't tell Bo Saixi that the woman suddenly regretted it and even wanted to kill him secretly..

Su Chen felt that Tangshan's luck might not have been deprived by the Poseidon, otherwise it would be impossible for the high priest Bo Saixi to sacrifice for Tangshan. The protagonist's halo?

The son of luck?

These sons of luck are really difficult to deal with.

The ruins space It's so dangerous here, but the son of luck in Tangshan didn't die. Those sons of luck are really very enviable.

Su Chen thought about it and smiled and whispered to Xiaobai,Xiaobai, I accidentally saw the high priest taking a bath, so I hid in this small fishing village."

Su Chen plans to ruin the reputation of High Priest Bo Saixi.

That stupid woman wants to sacrifice for Tangshan anyway. I'm afraid High Priest Bo Saixi doesn't care about the reputation. Su Chen can give Xiaobai a reasonable explain

"What? You actually peeked at the high priest taking a bath?"

"Ahem, Xiaobai, what I said was unintentional. I didn't expect the high priest to take a bath under the small waterfall."

"Su Chen, you're done. How about I send you away from Poseidon Island? Otherwise, your life will be in danger if you are caught by the high priest."

Xiao Bai looked at Su Chen and was full of sympathy.

Whether Su Chen accidentally peeked at the high priest taking a bath or deliberately peeked at the high priest taking a bath, it was impossible for the high priest to let Su Chen go.

However!

Xiao Bai guessed that Su Chen was very Baji deliberately peeked at the high priest taking a shower.

This bastard had been very lustful when he saw her transforming. Xiaobai would not transform into a human unless necessary in the future. She didn't want this bastard to look at her lustfully again..

Su Chen shook his head when he heard Xiao Bai's words.

How could he leave now? Su Chen couldn't leave Poseidon Island without killing Poseidon, the god of the sea.

"Xiaobai, you have been promoted to Peerless Douluo, can you still not beat the high priest?"

Xiao Bai shook his head and replied, "I can't beat him. The high priest is the king of sea battles, and the high priest is only one step away from becoming a god. How can I be the high priest's opponent?"

"Forget it, after seeing those people's trials in two days, you can send me away. I will stay here for the next few days and will not go anywhere. There is no way that High Priest Bo Saisi will find me."

"Is it? Su Chen, do you think I can't find you?"

Chapter 1670

Su Chen suddenly heard the voice of High Priest Bo Saixi and was stunned.

He did not expect that Bo Saixi would find him.

Su Chen looked at Jaws and Xiaobai understood that

High Priest Bo Saixi must have secretly followed Xiaobai. He was discovered only when he arrived, and Su Chen was also careless.

He did not use his mental power to check his surroundings, and only then did the high priest Bo Saixi discover him.

At this moment, the high priest Bo Saixi appeared next to Su Chen.

She stared at Su Chen with her beautiful eyes and wanted to strangle this bastard to death.

Bo Saixi did not expect that this bastard would tell him about peeking at her bathing, which made the high priest suddenly. He stared at Su Chen with an indifferent face.

Xiaobai sank into the sea at this moment.

She knew that she had brought trouble to Su Chen this time. Xiaobai also guessed that the high priest Bo Saixi followed her to find Su Chen. She didn't know what to do now.

Su Chen said to the high priest in embarrassment, "Hi! High priest, we meet again. How beautiful are you?"

"Do you want to die?"

High Priest Bo Saixi looked at Su Chen indifferently.

The veins in her hand holding the scepter were exposed. The high priest was resisting the urge to kill Su Chen.

"Ahem, high priest, Xiaobai is not an outsider, she won't go around talking about me peeking at your shower."

The high priest had a frosty look on his face when he heard Su Chen's words.

This damn bastard, this bastard dared to mention peeking at her bathing. Does Su Chen really want to die?

Touch!

Bo Saixi used the scepter heavily. He knocked on the ground and threatened,

"Su Chen, don't think that I won't kill you because you are from the Qingyun Sect. In the vast sea, countless people die every year. Even if you die in the sea, the people from the Qingyun Sect will not know."

"Understand, understand!"

"Come back with me. I still have something to ask."

"High Priest, forget it. I won't say anything more to you. I'm afraid you won't be able to listen to what I say now because of Tangshan's grandfather. You'd better leave."

Su Chen rejected the high priest directly.

He knew what the high priest Bo Saixi wanted to ask, but he would not say anything more to the high priest Bo Saixi.

This stupid woman inherited the Poseidon for her lover's descendants.

Is she stupid? No matter how much Su Chen said, he could not change the mind of High Priest Bo Saixi.

"Do you think that's possible?"

"The impossible must be possible!"

"Su Chen, don't force me to take you back."The high priest Bo Saixi pointed at Su Chen with his scepter and threatened.

In the sea,

Xiaobai saw that the high priest was about to take action against Su Chen.

She jumped into a human form and appeared next to Su Chen.

Xiaobai looked at the high priest. He asked,"High Priest, please let Su Chen go this time. He has no intention of peeking at you bathing. I will teach this bastard a lesson in the future.""

"Xiaobai, get out of my way. You have nothing to do with me here. Although you have been promoted to Peerless Douluo, it only takes a few moves for me to defeat you. You can't protect this bastard."

Xiao Bai also shouted to the high priest with a serious face,"High priest, since you insist on taking action against Su Chen, don't blame me."

Boom!

Xiaobai directly activated her black soul ring.

She knew that she could not defeat High Priest Bo Saixi, but she could delay some time for Su Chen so that Su Chen could escape from here quickly.

High Priest Bo Saixi did not Thinking that in such a short period of time, Xiao Bai would have such a good relationship with Su Chen, Xiao Bai would not even hesitate to attack her to save that shameless pervert Su Chen. The high priest glared at Su Chen and was about to take action to suppress Xiao Bai.

Otherwise, she couldn't have successfully taken away that bastard Su Chen.

Whoosh!

At this time, a butterfly-winged bird suddenly appeared in front of Su Chen. The butterfly-winged bird landed on Su Chen's shoulder and lay down to rest.

Su Chen saw After the butterfly-winged bird appeared, he hurriedly took the secret message from the butterfly-winged bird's leg. The appearance of the butterfly-winged bird was probably because something big had happened.

Otherwise,

Ji Ruxihe would not have been able to send the butterfly-winged bird.

Xiaobai and Da The priest saw the sudden appearance of the butterfly-winged bird, and Su Chen also took out a secret letter from the butterfly-winged bird.

This surprised them all. The butterfly-winged bird appeared very quickly just now, and they were not aware of it. With a little breath, the butterfly-winged bird appeared on Su Chen's shoulder.

They didn't know what happened, and the high priest Bo Saixi didn't take action against Xiao Bai. She wanted to see what news Su Chen got.

Boom!

Su Chen saw a powerful aura suddenly erupting from Mi Xin's body.

Xiaobai and High Priest Bo Saixi were suddenly suppressed.

They all looked at Su Chen in horror.

The aura that Su Chen just erupted was stronger than that of Poseidon, the God of the Sea. Even though Dong was strong, they all looked at Su Chen with expressions of disbelief.

On Poseidon Island,

Su Chen's terrifying aura made everyone on Poseidon Island tremble.

They don't know what happened, but they all feel that a big terror has appeared on Poseidon Island.

"Xiaoshan, what's going on? It smelled so scary that I found it very difficult to breathe."

"Me too, is there a very powerful being coming to Poseidon Island?"

"It's too powerful. This must be a cultivator from the Eastern Continent, otherwise there would be no such powerful aura."

"Xiaoshan, do you think there are immortal cultivators coming to seek revenge from Poseidon?"

"I don't know, maybe even the Poseidon is no match for this immortal cultivator. This is an existence that transcends the Soul God."

In a room on Poseidon Island,

Tang Shan, Ning Rongrong, and Xiao Wu were all frightened by Su Chen's burst of aura. They had never encountered such a powerful aura before, and they all made guesses. Who came to Poseidon Island, and why did such a powerful terrifying aura erupt?

In a barrier on Poseidon Island,

Poseidon, the god of the sea, who was practicing, suddenly stood up and said in horror,

"This is.....This is the existence of the second level Soul God (Dongxu Realm). Who appears on his Poseidon Island? What is he going to do when he comes?"

Poseidon, the god of the sea, looked at the place where the powerful aura erupted.

He was very frightened.

Poseidon, the god of the sea, did not expect that a cultivator would appear on Poseidon Island.

There was no spiritual energy in Poseidon Island. This powerful cultivator Are you passing by Poseidon Island? Or are you coming to Poseidon Island specifically?

Poseidon, the god of the sea, did not dare to check Su Chen's side. Immortal cultivators in the Eastern Continent are very sensitive to spiritual power. He was also worried that checking there would offend the powerful one. Immortal cultivator.

After a while, this terrifying aura disappeared without a trace.

Everyone on Poseidon Island breathed a sigh of relief.

The terrifying aura just now was too scary. They all felt like the end of the world was coming.

"Su Chen, who are you? What are you going to do when you hide your strength and come to Poseidon Island?"

"Su Chen, you are not a Grandmaster warrior at all. You actually deceived me, and I still treat you as a friend."
