

Zongwu 1671

Chapter 1671

After Su Chen withdrew his terrifying aura, High Priest Bo Saixi and Xiao Bai stared at Su Chen with serious expressions.

Su Chen's terrifying aura just now made them all breathless, and they almost collapsed to the ground under the threat of Su Chen's aura.

If Su Chen hadn't targeted them, the two of them would have fainted.

At this moment,

Su Chen let out a long breath.

He was also frightened by the news in the secret letter.

Su Yue was arrested?

When Su Chen saw the beginning, he couldn't help but burst into physical aura. If he hadn't seen Su Yue being taken away by Guanyin Bodhisattva and Wudang Virgin, he would have burst out with terrifying murderous intent.

Su Chen was also speechless to Xiao Bai.

The secret letter didn't tell him not to worry first, but started by saying that Su Yue had been arrested. Wasn't this intentional to make him worry?

I'm afraid Xiaobai did it on purpose.

He was away from the house all day long, and the women in the family might be resentful of him.

When Su Chen heard the words of Bo Saixi and Great White Shark Xiaobai, he also knew that his strength had been exposed just now, and he was in trouble this time.

Not only Bo Saixi and Xiaobai knew about his burst of aura, but also the entire Poseidon Island. Everyone on the Internet probably knew about it. Su Chen was also worried that Poseidon, the God of the Sea, had sensed his presence. Will Poseidon be frightened and run away?

Su Chen walked to Xiaobai, the Great White Shark, and he took out a bottle of Five-turn Golden Pill and said with a smile, "Xiaobai, I didn't mean to deceive you. This is my fault. This is a bottle of Five-turn Golden Pill. I apologized to you at that time."

Su Chen was very grateful to Xiaobai.

Xiaobai knew clearly that she was no match for High Priest Bo Saixi, but she still fought against High Priest Bo Saixi for him.

Su Chen guessed that Xiaobai wanted to buy him time to escape, and he was really grateful to Xiaobai. Xiaobai was very happy when she took a bottle of fifth-level golden elixir handed to her by Su Chen. These elixirs were magical elixirs. She could break through to the Peerless Douluo (distraction realm) by eating one before. If she takes a few more pills to practice, her strength will definitely improve very quickly in the future, and she can even surpass the high priest Bo Saixi in a few years. Besides, there must be a reason why Su Chen concealed his cultivation level. Su Chen didn't look down on himself because of his strength. Su Chen even apologized to her. Xiaobai still feels good about Su Chen. Thinking of this, she smiled and said, "That's pretty much it. Su Chen, what is your level of strength?" Su Chen smiled and replied, "The peak of Dongxu Realm is also the peak of the second level of Soul God Realm." hiss! Great White Shark Xiaobai was frightened when he heard Su Chen's words. The second level of Soul God Realm peak? This was much more powerful than Poseidon, the God of the Sea. Last time she heard that Poseidon, the God of the Sea, was at the first level of Soul Divine Realm. How could Su Chen be so powerful at such a young age? After Bo Saixi heard the conversation between Su Chen and Xiao Bai, she was very shocked. Second level of Soul God Realm? How could this bastard be so powerful? How else is she going to kill this bastard in the future? This bastard might kill her with one finger. Bo Saixi looked at Su Chen and clenched her fists in anger. This bastard was so powerful. Su Chen must have done it on purpose when he peeked at her taking a bath last time. damn it! High Priest Bo Saixi couldn't even take action against this bastard now, which made her very angry and helpless. Su Chen touched Xiaobai's hair and said with a smile, "Xiaobai, please go back first. I will go find you in two days."

"

"All right!"

Xiaobai nodded when she heard Su Chen's words. She looked at the angry high priest and quickly jumped into the sea and disappeared.

After Xiaobai left, Su Chen looked at the beautiful high priest Bo Saixi. He waved his hand and said, "Bo Saixi, please leave too!"

Bo Saixi glared at Su Chen and said fiercely, "Su Chen, I will never let you go."

"up to you!"

Su Chen was too lazy to pay attention to this silly woman.

Bo Saixi would never come to trouble him again, or even assassinate him.

Su Chen looked around and walked towards the small fishing village.

"Wait, tell me, what are you trying to do by hiding your cultivation and coming to Poseidon Island?"

"Didn't I say that before? I came here this time to kill Tangshan"

"You are talking nonsense. Is it difficult for you to kill Tangshan? If you wanted to kill Tangshan, would Tangshan be able to survive until now?"

"Bo Saixi, you asked too much, and I don't need to answer you."

Bo Saixi stopped Su Chen and refused to let him leave.

She wanted to know what Su Chen was going to do when he came to Poseidon Island this time. She also didn't believe that Su Chen came here for Tangshan.

Su Chen was stronger than Poseidon, the god of the sea. , would a small Tangshan allow Su Chen to mobilize his troops to kill him personally?

Also, this bastard is probably not a disciple of the Qingyun Sect. Does the Qingyun Sect have such a young and powerful disciple?

Su Chen looked at Bose standing in front of him Xi was very speechless.

However,

Bo Saixi was really beautiful when seen up close. With a cold face, a cold and arrogant temperament, and a tall and perfect figure, Bo Saixi was really very beautiful and perfect.

"Su Chen, are you planning to take action against Poseidon Island?"

Bo Saixi suddenly thought of Su Chen's appearance on Poseidon Island.

Could it be that Su Chen had thoughts about Poseidon Island? Or even did this bastard want to conquer Poseidon Island?

"If you think too much, Poseidon Island is useless. I have no interest in Poseidon Island at all.

Bo Saixi glared at Su Chen and continued to ask,"Then what are your plans?""

Bo Saixi shook her head when she heard what Su Chen said.

She didn't believe what Su Chen said.

Even if Su Chen had no intention of visiting Poseidon Island, it was very abnormal for this bastard to appear on Poseidon Island.

"Bo Saixi, if you have the leisure, you should check Tangshan, otherwise your old lover will really break up." Su Chen disappeared after saying to Bo Saixi.

He didn't care about what would happen to Bo Saixi in the future. He had to think carefully about what Guanyin and Wudang were going to do when they took Su Yue away.

Guanyin and Wudang The Holy Mother actually reconciled as before? They even moved into Hangzhou Mansion.

Could it be that they had doubts about their identity?

Su Chen thought about it but didn't reveal his identity anywhere. Why did Guanyin Bodhisattva and Wudang Holy Mother take Su away? Where is Yue? What information are they trying to find out?

At the beach, after Su Chen left, Bo Saixi stood at the beach thinking about what Su Chen said. Bo Saixi didn't understand what Su Chen meant?

Tangshan ?

She doesn't care about him now.

She can't do anything about what will happen to Tang Chen's descendants in the future. She can't protect him if Su Chen really wants to kill Tang Shan.

"well! What on earth was that bastard doing in Poseidon Island? There is nothing on Poseidon Island that can attract a powerful immortal cultivator, right?"

Chapter 1672

After Su Chen returned to his room in the small fishing village, he lay on the bed and couldn't figure out how the Guanyin Bodhisattva and the Virgin of Wudang could reconcile. They fought fiercely at Jinshan Temple, and Buddhism and Jiejiao were also mortal enemies. How could they turn enemies into friends and reconcile as before?

I'll do it!

Something bad happened!

Something bad happened!

Su Chen suddenly thought of what happened in Jinshan Temple.

He used his luck to help the Black Armored Legion fight in Jinshan Temple. He even said that he was the emperor of the Xuantian Empire. These must have been heard by Our Lady of Wudang.

"Damn it, why did I forget that Wudang Holy Mother was beside me in the first place? Now I'm in trouble. Wudang Holy Mother must have guessed that he was not from the Shenyun Continent, and even suspected that he might be the Human Emperor."

Su Chen was very annoyed when he sat up.

How could he make such a low-level mistake?

Our Lady of Wudang must have told Guanyin Bodhisattva. It seems that they took Su Yue away to make sure.

Yue'er is young,

Guanyin The Bodhisattva and the Wudang Virgin must have tempted Yue'er to reveal his secret.

Whoosh!

Bo Saixi suddenly appeared in Su Chen's room.

She was very surprised to see Su Chen's absent-minded, even flustered look.

This bastard Why did it become like this all of a sudden? Did that secret letter tell this bastard some bad news?

"Nie Xiaoqian!"

Su Chen suddenly shouted, and a beautiful man in a white dress suddenly appeared and saluted Su Chen,

"Owner!"

"Lead all the female ghosts in the Nascent Soul Realm to search for secret places or even hidden barriers in Poseidon Island. If you find anyone with cultivation level above the Fusion Realm, please notify me immediately."

"Yes, master!"

After Nie Xiaoqian saluted Su Chen, more than ten beautiful women in white dresses suddenly appeared in the room. After these women appeared, they saluted Su Chen and then disappeared into the room one by one.

Bo Saixi looked at all this in confusion. , she did not expect that Su Chen would have so many powerful subordinates, even the beautiful woman who appeared earlier was stronger than her, and even the remaining women were also very powerful.

Su Chen quickly wrote a secret letter After writing the letter, he took out a three-turn pill and fed it to the Butterfly-winged Bird on his shoulder, saying, "Butterfly-winged Bird, I'm going to trouble you again. If you eat this elixir, send the secret message back to Hangzhou City as soon as possible.""

"Choo Choo Choo!"

The little butterfly-winged bird screamed and flew away quickly after eating the golden elixir.

Su Chen suddenly shouted again,

"Ayin!"

Su Chen doesn't want to wait any longer now.

He wants to find Guanyin Bodhisattva and Wudang Our Lady as soon as possible, even though the system has sealed the memories of everyone who came to Shenyu Continent.

The secrets of Tianxuan Continent,

Guanyin Bodhisattva and Wudang Our Lady cannot be found from It was found in his memory that Su Yue was still young.

Although Su Yue was smart, Su Chen was also worried that Su Yue would inadvertently reveal the secrets of Tianxuan Continent.

"Owner!"

A woman suddenly appeared next to Su Chen and saluted.

This woman had long sea-blue shawl hair, a beautiful face, and a curvy figure. She was a very beautiful woman.

Su Chen looked at Lan Yin Cao then ordered,"A Yin, go to Poseidon Island to find a man named Tang Shan and capture him.""

"Yes, master!"

After Su Chen arranged all this and thought about it without missing anything, he looked at the high priest Bo Saixi beside him.

This woman had heard what he had just ordered.

Su Chen had no time to talk to Bo Saixi just now. , the matter of Guanyin Bodhisattva and Wudang Virgin made him lose his sense of proportion.

The identity of his emperor must not be exposed, otherwise, the Buddhism of the Immortal World, the Human Sect, the Chan Sect, the Heavenly Court, and even the Jie Sect will not let him go..When the time comes, he, his women, daughters, and even millions of black-armored legions will be slaughtered.

Bo Saixi saw another woman stronger than her appear, which made her a little numb Now, she was even more curious about Su Chen's identity. This bastard's subordinates are so powerful. Who is he?

Su Chen looked at Bo Saixi and said coldly,"You shouldn't have come, nor should you." Hear what I just said.

High Priest Bo Saixi looked at Su Chen and asked complicatedly,"Who are you?""

"Hangzhou Chengwu Xiangjun!"

When Bo Saixi heard Su Chen's words, he said with disbelief,"Mr. Wu Xiang of Hangzhou City? How can you be a noble? How could a noble be a powerful immortal cultivator?"

"Bo Saixi, you asked too much. You should think about your own situation."

"You want to kill me?"

"What do you think?"

When Bo Saixi heard Su Chen's words, she knew that Su Chen really wanted to kill her.

However, she didn't care.

Su Chen was one step ahead of schedule in killing her. Even if Su Chen didn't kill her, Bo Saixi wouldn't be able to survive for long. , after all, she is already preparing to sacrifice for the trial in Tangshan

"Let's do it!"

Su Chen was speechless when he saw Bo Saixi closing his eyes and waiting for death.

He was just scaring the high priest Bo Saixi. He didn't expect that this woman didn't resist or run away. She just closed her eyes and waited for death. It seems that High Priest Bo Saixi also knew that he could not escape.

Su Chen waved his hand and said to High Priest Bo Saixi, "Leave! For Xiaobai's sake, I won't kill you."

"Um? you sure? I heard your secret, are you really not going to kill me?"

Bo Saixi opened his eyes and asked doubtfully, what on earth is this bastard going to do?

One moment he wants to kill himself, the next moment he lets her go, and he also says that for Xiaobai's sake, Xiaobai, the king of the great white sharks, is so Big face?

"secret? My identity will be known to every household in the Eastern Continent in the future, and there is no need for me to hide it."

"Are you really Mr. Wu Xiang from Hangzhou City in the Eastern Continent?"

"good!"

Bo Saixi shook her head when she heard Su Chen's admission.

She still didn't believe this bastard, a monarch in his twenties.

How could he be so powerful?

This bastard just let his men attack Poseidon. Looking for secret places and barriers on the island, she also wanted to know what Su Chen was going to do on Poseidon Island.

"I won't leave, I want to know what exactly you are going to do on Poseidon Island."

Su Chen didn't expect that Bo Saixi would not leave. He was very irritable now. Before Guanyin Bodhisattva and Wudang Virgin Mary were settled, Su Chen had no intention of talking to this woman.

Su Chen suddenly touched Bo Saixi's face and smiled. He said, "Girl, I peeked at you taking a shower, aren't you afraid of what I would do when we were alone in the room?"

"Shameless pervert, what are you going to do?" Bo Saixi quickly slapped Su Chen's hand away and yelled angrily.

Su Chen crossed his arms and threatened Bo Saixi, "Leave, or you will know what will happen to you."

"Don't think about it, I am the high priest of Poseidon Island. If you do something that harms Poseidon Island, I will definitely stop you. Even if I am not your opponent, I will not let you destroy Poseidon Island even if I die."

Chapter 1673

On Poseidon Island, beautiful women in white dresses shuttled quickly on Poseidon Island. They seemed to be searching for something.

Some powerful soul cultivators on Poseidon Island also discovered these beautiful women, but they did not dare to stop them.

"Do we really not stop it?"

"How to stop it? There are more than ten immortal cultivators, and there are only seven of us. We are no match for those women."

"Yes, the leading woman is even more powerful. The seven of us combined are no match for that woman, let alone the remaining ten or so powerful women."

"what should we do?"

"Go to the Poseidon Temple to find the high priest and see what the high priest will do."

"That's all we can do, let's go find the high priest first"

"Let's go and quickly go to Poseidon Temple to find the high priest."

In a palace next to the Poseidon Pillar, the guardians of the seven sacred pillars were very surprised and helpless after discovering Nie Xiaoqian and others. As the guardians of Poseidon Island, they were unable to stop those powerful cultivators. Those women. Although those women are at the same level of cultivation as them, they are all Titled Douluo (Nascent Soul Realm), but those women are all immortal cultivators, and they soul cultivators are no match at all. And there is also a beautiful woman They are more powerful than them, and they are no match for the beautiful woman in the lead. The guardians of the seven holy pillars can only go to the high priest first to check the situation. In a palace, Tangshan, Ning Rongrong, Xiao Wu and more than ten people They were talking about the terrifying breath just now. Boom! Suddenly, the door of the palace was suddenly blasted open, and then a beautiful woman in a blue dress appeared in the palace.

"who?"

"Everyone, be careful, this woman is coming with bad intentions!"

"So powerful, is this woman a titled Douluo?"

"Uncle Jian, what is this?"

"Be careful, this woman is more powerful than a titled Douluo, I can feel it"

"who are you?"

Everyone in Tangshan looked at this unkind woman.

They were all very vigilant and confused.

They had not offended anyone on Poseidon Island. Why did this woman look so cold and heartless? Everyone in Tangshan knew this. Women are probably troublesome

"Who is Tangshan?"

Lanyincao looked at the people in the palace and asked indifferently.

Lanyincao had also felt Su Chen's irritability and uneasiness before. She didn't know what happened to Su Chen, but she wanted to complete Su Chen's friendship as soon as possible. The task given to her.

This is the first time she has worked for Su Chen after recovering.

Lan Yincao must complete the task assigned to her by Su Chen flawlessly.

"I am Tangshan, senior, what do you want from me?" Tangshan stood up and saluted Lan Yincao.

Tangshan felt that this woman seemed to be very familiar, just like his family.

This made Tangshan very strange.

He had never felt like this before. What on earth is this beautiful woman like? Who is he?

Boom!

Lan Yincao burst out with a powerful aura after hearing Tang Shan's words.

She stretched out her hand and sucked Tangshan in.

The powerful aura was Ning Rongrong, Sword Douluo, Oscar, Xiao Wu, and others. They were all suppressed underground.

They all looked at the beautiful woman in front of them in horror.

This woman was so powerful that they couldn't even think of any resistance.

Sword Douluo's face turned red and he resisted the force of Blue Yincao. Momentum, he did not expect this woman to be so powerful. This woman must be a peerless Douluo (distraction realm).

"what are you up to? Tangshan asked in panic when he was caught by Lan Yin Cao.

Lan Yin Cao looked at Tang Shan indifferently and said, "Catch you, my master wants to see you!"

Tangshan was confused when he heard Lan Yincao's words, master?

This beautiful and powerful woman actually has a master? But why did the master of this beautiful woman want to arrest him?

"Owner? I have not offended you, nor do I know your so-called master. Senior, I am a friend of Poseidon, the God of the Sea. If you catch me, you will offend the Lord Poseidon."

Lanyincao smiled disdainfully,

Poseidon?

A person who may not even be able to compare with her master's level of cultivation, but is still arrogant and calls himself Poseidon?

What if Poseidon appears?

Lanyincao thinks that Su Chen might What we are looking for on Poseidon Island is Poseidon. She also heard clearly that Nie Xiaoqian and those female ghosts went out to search for secret places and barriers.

"Poseidon? Haha, do you think I will be afraid of Poseidon? Boy, don't be nagging, come with me to see my master."

"Who is your master?"

"You will know when you arrive."

Lanyincao grabbed Tangshan and left quickly. She didn't want to delay her. Su Chen was still waiting for her to take Tangshan back. She didn't want Su Chen to wait too long.

After Lanyincao left,

Ning Rongrong and others also regained their freedom.

They saw Lan Yincao kidnapped Tangshan, which made them wonder what happened.

"what to do? what should we do?"

"Go and save Tangshan. We can't just watch Tangshan being taken away and ignore him."

"I want to save my brother"

"Xiao Wu, calm down. Even if we go there, we can't save Tangshan. That woman is too powerful."

"Let's go find the high priest. Tangshan said that the high priest knew his grandfather."

"So what are you waiting for? Let's go find the high priest quickly."

Ning Rongrong, Xiao Wu, and Oscar were all very anxious.

Tangshan was captured by a powerful woman of unknown origin.

They couldn't save Tangshan even if they wanted to.

They couldn't even resist the powerful woman's momentum.

He Talking about saving Tangshan?

The few of them can only go to Poseidon Temple to find the high priest for help.

In the small fishing village,

Su Chen's room was shrouded in the law of space.

A layer of blue light protected the room. From the outside,

This room is looming, as if you can walk in with one step, but also as if you can never reach the room.

"Huh? What is the master doing? Why are the rooms isolated?"

After Lan Yin Cao came back with Tang Shan, she looked at the room where Su Chen lived and was very confused.

The room had been protected by the power of space.

Lan Yin Cao knew that Su Chen knew the laws of space. These blue barriers were also arranged by Su Chen. Yes, it's just why the space rules are arranged to isolate the room at this time? This makes her confused.

"That woman in the room?"

Lanyincao suddenly thought of High Priest Bo Saixi, and her face turned red quickly.

Lan Yincao felt that Su Chen must be fooling around with that woman, otherwise Su Chen would not have been able to seal the room and prevent anyone from entering. Lan Yincao felt that Su Chen must be fooling around with that woman.

Otherwise,

Su Chen would not have sealed the room to prevent anyone from entering.

Lan Yincao Yincao left Tangshan aside, so she imprisoned Tangshan with the Blue Yin Cage.

It was impossible for her to disturb Su Chen now, and Lan Yincao could only wait for Su Chen and that hateful woman to come out.

"Bluegrass? How come you have the Blue Yin Grass Martial Spirit?"

Chapter 1674

Tangshan was very surprised when he saw that he was imprisoned by the Blue Yin Cage.

The Blue Yin Grass Martial Spirit?

Why does this woman also have bluegrass?

Tangshan's blue yin grass martial spirit was passed down to him by her mother. Except for her mother and him, no one else in this world could have a blue yin grass martial spirit.

Lan Yin Cao looked at Tangshan and sneered, "Tsk! I am the Lan Yin Cao Emperor. Is it strange that I have the Lan Yin Cao martial spirit?"

"Emperor Lan Yin? Impossible, my mother is the Lanyin Emperor, you.....Are you my mother?"

Tangshan was very surprised when he heard Lan Yincao's words,

Lan Yin Huang?

Her mother is Lan Yin Huang.

Is this beautiful woman her mother?

But wasn't her mother thrown into the ruins space?

It's just Lan Yin. Cao Wuhun can't lie, no wonder!

No wonder he felt that this woman was very familiar and friendly before. This beautiful woman may really be her mother.

Lan Yincao was very angry when he heard Tang Shan's words.

She is a perfect body.

What nonsense is this little bastard talking about?

Mother?

How could she be the mother of this Tangshan?

"Boy, what are you talking about? How could I be your mother? If you dare to talk nonsense again, I will kill you. Tang

Shan grabbed Lan Yin's cage and shouted loudly, "Impossible, you are my mother. Do you know Tang?" I am Tang Shan, Tang Hao's son. Do you really not remember us?"

Lanyincao is too lazy to pay attention to this Tangshan.

What Tang name?

What Tangshan?

She has no memory of these two people. How can Lan Yincao get married if she is a perfect body? She even has such an old son? This Tangshan must have been frightened out of her mind.

Blue Yincao sat elegantly on the stone outside the room.

She felt very ashamed and angry when she looked at the room.

Why did Su Chen have a relationship with the woman he just met?

Su Chen had already given up. After marrying that beautiful ghost Nie Xiaoqian, when will it be her turn? Couldn't her appearance be as good as that of Nie Xiaoqian and that high priest Bo Saixi?

Tangshan saw that Blue Yincao didn't pay attention to him, which made him unable to think about anything. Understand, this is obviously his mother.

It's understandable that Lan Yincao doesn't recognize him.

After all, he has never seen his mother since he was a child, but why doesn't she know his father's name?

An hour later, in the room,

Su Chen Seeing the disheveled High Priest Bo Saixi staring at him fiercely, he hurriedly put on his clothes in embarrassment.

Su Chen had previously tried to scare the High Priest Bo Saixi, but the High Priest Bo Saixi was so arrogant that he refused to leave.

This Su Chen attacked her, but things turned out to be a bit complicated.

Su Chen originally wanted to spank the high priest Bo Saixi a few times to make her leave in fear, but as he was spanking, Su Chen got angry. The high priest Bo Saisi also had his innocence corrupted by him.

"Give me the cultivation level to unlock the seal!"The high priest looked at Su Chen and shouted coldly.

The high priest Bo Saixi is now even more stunningly beautiful.

His crimson face is now very delicate. His cold eyes make the high priest look even more cold and noble. The tattered clothes The skirt covering her body is very tempting,

"oh! OK"

After Su Chen heard the words of High Priest Bo Saixi, he hurriedly unlocked the sealed realm of cultivation of the High Priest.

When he saw the High Priest wearing clothes,

Su Chen touched his nose and stood aside.!

Come on!

Su Chen didn't expect that after High Priest Bo Saixi put on her clothes, she would suddenly attack him.

Whoosh!

Su Chen teleported behind High Priest Bo Saixi, and he hugged her tightly. She, this arrogant woman,

Su Chen felt that she had to continue to seal her cultivation realm.

"High Priest, I warn you, if you attack me again, I will continue to seal your cultivation realm."

"Bastard, let me go. Let me go." High Priest Bo Saixi looked at Su Chen's struggle and shouted fiercely.

Her innocence has been ruined by this bastard. She will kill this shameless pervert even if she dies.

High Priest Bo Saixi is now in her heart She hated this bastard very much.

Her decades of innocence had been insulted like this.

What was the point of living for her?

High Priest Bo Saixi knew that she couldn't kill this bastard. She stared at Su Chen and activated her soul power to prepare to self-destruct. Soul rings, she wanted to die together with this shameless pervert.

All seven soul rings, black, black, black, black, black and red, appeared.

Damn it!

This woman is so cruel.

Is she going to self-destruct and die with herself?

Su Chen thought He humiliated High Priest Bo Saixi, and it was understandable for High Priest Bo Saisi to do so.

But he didn't want to die like this, so

Su Chen quickly sealed the realm of cultivation of High Priest Bo Saixi. After Sisi's cultivation realm was sealed, the seven soul rings also disappeared without a trace.

After Su Chen sealed the high priest Bo Saixi again, he let go of the beautiful high priest and said, "High priest, I was sorry for you just now, but I also reminded you several times to ask you to leave, and you can't blame me for that."

High Priest Bo Saixi stared at Su Chen with a look of despair and cursed, "Shameless pervert, you will not die in peace."

High Priest Bo Saixi didn't expect that even if she wanted to blow herself up, would she want this bastard to do whatever he wanted to her in the future?

She wasn't willing to accept it.

She wouldn't be willing to die even if she didn't kill this bastard.

Su Chen heard the high priest Bo Saixi Sisi was very helpless.

He would definitely not kill High Priest Bo Saisi. Even after he killed Poseidon, Poseidon Island was ruled by High Priest Bo Saisi. This can be regarded as Su Chen's love for the high priest. Bo Saixi's compensation.

Su Chen looked at Bo Saixi and wondered how to deal with this beautiful girl. He couldn't always seal the cultivation of the high priest Bo Saixi. It would be a bit troublesome for this woman to deal with her.

Su Chen After thinking about it, he quickly hugged the high priest and said with a smile, "I know, high priest, you are my woman now, have you ever cursed your husband like this?"

High Priest Bo Saixi pushed Su Chen and cursed angrily, "Get out, I'm not your woman, you shameless pervert, I want to tear you into pieces right now."

"That's not okay. If you kill me, our children will have no father in the future."

"child?"

The high priest Bo Saixi was confused when he heard Su Chen's words.

Although she was very old, she didn't know anything about men and women.

Bo Saixi thought that she had already had a relationship with Su Chen. Could it be that she had already had a relationship with Su Chen? Will she really be pregnant with this bastard's child?

High Priest Bo Saixi panicked for a moment.

She didn't want to be pregnant with this shameless child.

Su Chen looked at the confused High Priest Bo Saixi and he was also confused. Yes, he was just talking casually.

Why does it look like High Priest Bo Saixi believed what he said?

Doesn't it mean that High Priest Bo Saixi doesn't know anything about men and women?

Pregnancy does not happen once or twice. You can get pregnant, but some people can't get pregnant for several years. High Priest Bo Saixi won't just focus on cultivation. He doesn't know anything about worldly things, right?

"Yes, I have already thought about the names of our future children. From now on, our daughter will be called Susie. How about this name? Doesn't it sound very nice?"

Chapter 1675

Su Chen felt that he was very shameless now.

If the high priest Bo Saixi was deceived by him this time, the deception would not last long. Even if the high priest went out and asked other people casually, she would know that he had deceived her. Got her.

When High Priest Bo Saixi learns the truth of the matter, she will probably eat his flesh and drink his blood in anger.

Outside the room,

Lan Yin Cao watched Tang Shan waiting outside.

At this time, the Seven Guardians of Poseidon Island and Ning Rongrong also arrived. After they saw that Tang Shan was being held captive by Lan Yin Cao, these people They all walked over cautiously.

Blue Yincao ignored the people who were coming and warned,"Stop, if you come nearer, you will be killed without mercy!"

A guardian of the sacred pillar saluted to Blue Yincao,"Senior, has Tangshan offended you? Can you look at it? In Poseidon's name, let Tangshan go?"

The seven guardians of Poseidon Island were also very surprised when they saw Lan Yincao.

This beautiful woman is more powerful than the high priest. If they have a conflict with this woman, they may have to fight. This beautiful woman can only be killed with heavy casualties.

But there is not only this powerful and beautiful woman here.

They heard from Ning Rongrong and others that this beautiful woman also has a master. A beautiful woman has such a powerful subordinate. They dare not take action against Blue Yincao easily.

"No, leave or die!"

Boom!

Lan Yincao stood up and burst out with a powerful momentum to intimidate these people. If these reckless people do not leave, she will kill them without hesitation. The

Seven Guardians and Ning Rongrong After several people heard Lan Yin Cao's words, their faces became very ugly. They did not expect that Lan Yin Cao would still be so tough after seeing so many strong men arriving. The Seven Guardians of Poseidon Island and Sword Douluo were both Titled Douluo, if eight Titled Douluo besieged Blue Yin Cao, Blue Yin Cao would not be able to survive no matter what. Starfish Douluo looked at Blue Yin Cao and threatened,

"Senior, there are quite a few of us here, and there are eight Titled Douluo. If you don't let Tangshan go, you can't be the opponent of our eight Titled Douluo."

"Yeah? Do you think I'm the only one here?"

Lanyincao's face turned cold when he looked at these people.

These people don't know how to live or die and want to besiege him.

Is this useful?

Nie Xiaoqian's female ghosts have returned to four people. I'm afraid these people don't know the surroundings of the small room. , and there are some powerful female ghosts guarding Su Chen.

"Don't do it, don't do it, there are other people here, there are other people here."

At this time,

Tangshan saw the Seven Guardians and Sword Douluo preparing to besiege Blue Yincao. He was so frightened that he hurriedly shouted to remind the Seven Guardians.

Ning Rongrong and Oscar were very shocked when they heard Tangshan's words. Confused, they did not expect that there were still people here, and they all looked around with great vigilance. The

Seven Guardians and Sword Douluo were either advancing or retreating. They originally thought that only Lan Yincao was here, but I didn't expect that there were still people here.

Whoosh whoosh whoosh!

At this time, four female ghosts in white dresses appeared next to Lan Yincao.

They looked at the humans in front of them with cold eyes.

Su Chen was doing something in the room. , it is impossible for them to let these people disturb Su Chen

"Are you still going to attack me?"Lanyincao looked at the Seven Guardians and Sword Douluo and said disdainfully.

The Seven Guardians and Sword Douluo were both confused.

They were very surprised when they saw the four women in white dresses who appeared.

Seven Guardians The reporter had seen these women in white dresses before.

There were only four here, but they found more than ten, and there was even a very powerful and beautiful woman among them.

The seven guardians looked at each other and were very helpless.

This time I'm afraid they have provoked someone they shouldn't provoke. If those women in white dresses come back, they will be killed by those beautiful women without any resistance.

Squeak!

At this time, the blue color outside the house The barrier disappeared, the door of the house was opened, and

Su Chen walked out of the room with the high priest Bo Saixi. However, Su Chen walked out with a smile, and the high priest Bo Saixi followed Su Chen with a complicated expression. Came out from behind

"Owner!"

"Meet the owner!"

When Lan Yinciao and the four female ghosts saw Su Chen coming out, they all saluted Su Chen.

Ning Rongrong saw that it was Su Chen who appeared, which made her shout in surprise, "Su Chen? Su Chen unexpectedly appeared here? Are all these beautiful women working for this bastard?"

Zhu Zhuqing and Xiao Wu were also very surprised to see Su Chen.

Although they heard Ning Rongrong say that Su Chen was also on Poseidon Island, they did not expect to meet like this.

The Seven Guardians were even more surprised when they saw the high priest Bo Saixi. They were confused.

They did not find High Priest Bo Saixi in Poseidon Temple. They did not expect that High Priest Bo Saixi would appear here and even come out of the room with Su Chen.

"See High Priest! Tang

Shan shouted angrily when he saw Su Chen, "Su Chen, it's you. Did you ask this powerful woman to arrest me?"

"good!"

Su Chen looked at Tang Shan in the cage and nodded and replied.

When Tang Shan heard Su Chen's admission, he shouted to Xiu Xian with a sullen face, "Why are you doing this?"

"kill you!"

"Why? Have I offended you?"

"There is no reason, Tangshan, do you still remember Tangmen? I came here to clean up the traitors for Tang Clan."

"Tangmen? Impossible, impossible, how could you appear in the Godfall Continent? There is no such person as you in the Tang Sect."

Tangshan panicked when he heard Su Chen's words.

He didn't expect that Su Chen knew his past, but how could this be possible?

Su Chen couldn't be a person from the world he lived in in his previous life. How could he know everything about himself?

Su Chen lookTangshan continued with disdain,

"Tangshan, you stole the secret book of the Tang Sect's supreme skill and took over Tangshan's body in the Divine Meteor Continent. I know these things very well. Do you have anything else to say?"

Tangshan's Liushenwuzhu yelled, "It's impossible, it's impossible, who are you? who are you?"

Ning Rongrong and Xiao Wu heard the conversation between Su Chen and Tang Shan.

They were all in disbelief.

Tang Shan is not from this world?

Tang Shan actually took over Tang Shan in the Shen Yun Continent. No wonder, Tang Shan Knowing those powerful hidden weapons, no wonder Tangshan always looks young and mature. It turns out that he is a very old man.

Xiao Wu looked at Tangshan and held his hands tightly.

She did not expect that Tangshan turned out to be a body snatcher. , maybe even an old monster, which made her very angry. Xiao Wu now wanted to kill this Tangshan. Ning Rongrong and others also looked at Tangshan angrily.

They all felt that they had been deceived by Tangshan. An old man The monster actually came into close contact with them, so Tangshan probably didn't have any good intentions toward them.

Su Chen rolled his eyes and threatened Tangshan,

"who I am? Have you ever heard of the Queen Mother in Heaven? I am the Yaochi Divine General in Yaochi Fairyland, commanding all the heavenly soldiers and generals in the entire Yaochi Fairyland. Everything about you is no secret to me."

Chapter 1676

Everyone here heard Su Chen's words and their heads were full of black threads.

They all know about the legendary immortals in the Eastern Continent, the Queen Mother?

Is that the supreme being in the Immortal Realm, the Divine General of Yaochi?

Isn't it said that the Queen Mother's Yaochi Wonderland is filled with female fairies? How could a man like Su Chen be a divine general in Yaochi Wonderland? No one here believed what Su Chen said.

High Priest Bo Saixi looked at Su Chen with a frown.

She felt that Su Chen was not lying.

The identity of this bastard was very mysterious.

Although he was Lord Wu Xiang of Hangzhou City in the Eastern Continent, he was a nobleman without a disciple. How could he The cultivation was so powerful that the high priest Bo Saixi even suspected that Su Chen might be an immortal from the lower realm of the immortal world.

Tangshan was very angry when he heard Su Chen's nonsense, what kind of Queen Mother?

What Yaochi general?

Does Su Chen think he doesn't understand the gods in the fairy world?

He looked at the blue grass and asked Su Chen,

"Su Chen, don't talk nonsense here, who is this woman? Why is she also the Lanyin Emperor?"

Su Chen hugged the blue grass beside him and asked with a smile, "You mean A Yin?" Who do you think she is?"

Lanyincao was hugged by Su Chen and leaned against Su Chen's arms with a smile. She didn't expect that Su Chen would hold her in front of so many people, which made Lan Yincao lower his head in shyness.

Tangshan saw Seeing Su Chen hugging Lan Yincao made him even more angry.

This beautiful woman could be his mother. Is this bastard insulting her mother?

"It's my mother, right? You picked up the blue grass in the ruins space, and you resurrected my mother, right?"

"Hey, Tangshan, do you really think of yourself as Tangshan in this world? I'm afraid your combined age is forty. You are so shameless."

"Damn it, tell me, is she my mother?"

"Why should I tell you that it would be better for you to die ignorantly?"

Su Chen was too lazy to talk to Tangshan anymore.

He looked down on Tangshan very much.

There were pretentiousness everywhere in the plot. In the martial arts competition, they were the only ones who could win. Other teams were not allowed to beat theirs. They were always pretentious. Show off your divine power.

Is it wrong for Bi Dong'er to hunt soul beasts?

It seems that Tangshan has never hunted soul beasts.

What does it have to do with Tangshan if the Wuhun Empire wants to rule other empires? If Tangshan wasn't a protagonist, he wouldn't. He knew how many times he had to die.

After Tangshan heard Su Chen's words, he knew that Su Chen was really going to kill him.

Tangshan hurriedly looked at the high priest Bo Saixi behind him. He could only ask the high priest Bo Saixi for help now. He died

"High Priest, help me, I am a friend of Poseidon, the god of the sea. You cannot ignore death.
Su

Chen looked at High Priest Bo Saixi and mocked, "Tangshan, stop screaming. High Priest Bo Saixi is my woman. Do you think she will save you?"

"How can it be? How can this be? High Priest, what Su Chen said is not true, right? right?"

Tangshan looked at the high priest Bo Saixi in confusion.

Isn't the high priest Bo Saixi related to his grandfather? Why is he now Su Chen's woman? When the high priest Bo Saixi heard Su Chen's words, he tightened his grip. Holding the scepter, this damn bastard, the high priest did not expect that Su Chen would reveal that she was related to this bastard, which made her very ashamed and angry. She really has nothing to do with Suchen now, beat this bastard?

She Her level of cultivation is no match for this bastard.

Kill this bastard?

She has given up now.

High Priest Bo Saixi does not want her child to be without a father after he is born.

The Seven Guardians and Ning Rongrong heard that Su Chen After saying this, they all looked at the high priest Bo Saixi one after another. When they saw the high priest Bo Saixi blushing without denying it, they all felt incredible. Although the high priest was very beautiful and charming, but She is very old,

Su Chen is only in his twenties, which makes them all feel that High Priest Bo Saixi is like an old cow eating young grass.

"A Yin, send him on his way!"

Su Chen patted Lan Yin Cao on the shoulder and said,

Su Chen asked Lan Yin Cao to kill Tang Shan.

This can be regarded as Lan Yin Cao avenging her son. Tang Shan of Tang Sect took away Lan Yin Cao's son Tang Shan. , Blue Yincao killed Tangshan, and it was regarded as taking up the grudge with Tangshan.

"Yes, master!"

Boom boom boom.....

Suddenly, a powerful fighting aura erupted from Poseidon Island. Lan Yincao was going to kill Tangshan, but when she heard the sound of fierce fighting, she stopped beside Su Chen.

Um?

This is his!

Is the protagonist's luck so strong?

As soon as he asked Lan Yincao to kill Tangshan, Poseidon, the god of the sea, appeared and even started fighting with Nie Xiaoqian and those female ghosts.

Su Chen shook his head and was very speechless.

However, since

Poseidon, the God of the Sea, had appeared,

Su Chen no longer had to look for Poseidon everywhere. This time, he would send Poseidon and Tangshan to hell together.

Poseidon and the Seven Guardians looked at the place where the battle broke out. They also sensed that Poseidon, the god of the sea, was fighting with others.

Bo Saixi looked at Su Chen and reminded him, "Su Chen, it's the breath of Poseidon, the God of the Sea."

Su Chen nodded to Bo Saixi and replied,

"Well, I checked, Bo Saixi, Poseidon, I will kill him, and you will be in charge of Poseidon Island from now on."

"Do you want to kill Poseidon? why?"

Bo Saixi understood after hearing Su Chen's words.

This bastard's purpose from the beginning was to kill the sea god Poseidon. I'm afraid Tangshan also encountered this bastard accidentally. This can be regarded as Tangshan's self-admittance to be unlucky.

"Poseidon must die. I came to Poseidon Island this time to kill Poseidon. You should think that Poseidon has violated the laws of heaven. I, the god of heaven, am here to enforce the commandments of heaven."

Su Chen didn't explain that much to the high priest Bo Saixi. He still didn't tell these people about his faith. After that, there would be another Poseidon who collects luck on Poseidon Island.

Bo Saixi shook his head helplessly after hearing Su Chen's words. Shaking her head,

Su Chen did not tell her the reason.

She guessed that there must be something wrong with it.

However, after all, Poseidon is the belief on Poseidon Island. If Su Chen killed Poseidon, Poseidon, there would probably be riots on Poseidon Island.

Boom boom boom boom.....

Su Chen looked at Nie Xiaoqian leading the female ghosts to besiege Poseidon.

He watched for a while and then shook his head.

Although Nie Xiaoqian and more than a dozen female ghosts were powerful, Poseidon was after all a peak-level soul god. Poseidon can also use the power of the sea to fight.

Nie Xiaoqian, those female ghosts will probably be defeated by Poseidon soon.

"Space moves!"

Swish swish swish.....

Su Chen used his powerful spiritual power to cover Poseidon, the God of the Sea, and Nie Xiaoqian's female ghosts, and then he activated his space magic power to directly move them over.

"See the owner!"

Chapter 1677

After Nie Xiaoqian's female ghosts were moved by Su Chen, they looked at Su Chen and hurriedly saluted.

Poseidon, the god of the sea, was still standing beside him in confusion.

He didn't expect that he was fighting with these women before, so how could he appear in an instant? It's here? And the high priest and seven guardians of Poseidon Temple are here.

Poseidon, the god of the sea, hurriedly looked around, wondering if it was the powerful immortal cultivator who captured him earlier.

Everyone here looked at Su Chen.

They did not expect that Su Chen was so powerful.

In just a moment, he captured Poseidon and these women. They were even more frightened by Su Chen's strength.

High Priest Bo Saixi waved her hand to the Seven Guardians.

She was telling them not to mind their own business.

After all, the Seven Guardians were her loyal subordinates. High Priest Bo Saixi did not want these people to be killed by Su Chen for Poseidon. killed.

The seven guardians looked at each other and neither of them saluted the Poseidon.

They were just subordinates of the High Priest Poseidon.

Poseidon and the others would not be able to see each other for several years. They were loyal to the High Priest Poseidon, but they were not loyal to the Poseidon. Poseidon is loyal.

Besides, Su Chen, the husband of High Priest Bo Saixi, is an immortal cultivator even more powerful than Poseidon. It is impossible for them to foolishly go against Su Chen at this time.

"Damn it, we must never provoke this Su Chen in the future. It's so scary. Even Poseidon can easily catch him."

"Well, Poseidon is a god, but he was easily captured by Su Chen. Su Chen's strength is so powerful that we can't even imagine it."

"This bastard is too powerful, Zhu Zhuqing, you may never be able to take revenge in your lifetime."

"I give up, this bastard is nothing we can deal with in our life."

"That's right. It's best for us to stay away from Su Chen. He is an out-and-out pervert. He even hooked up with the high priest of Poseidon Island. We must be careful about this bastard in the future."

Ning Rongrong and Zhu Zhuqing looked at Su Chen and were very shocked.

They saw that Su Chen had captured Poseidon easily, which they could not have imagined. No matter how bad Poseidon is, he is still a first-level soul god. A powerful existence at the pinnacle, but he just couldn't stand it when facing Su Chen.

"Lord Poseidon, please help me, someone wants to kill me."

At this time,

Tangshan shouted hurriedly when he saw Poseidon, the god of the sea, appearing.

Poseidon, the god of the sea, was very surprised when he saw Tangshan in the blue cage.

He did not expect that Tangshan would be caught on Poseidon Island.

Poseidon The island is his territory.

Tangshan is crucial to his future cultivation and advancement. Poseidon does not want Tangshan to be killed now, but who wants to capture Tangshan?

"Tangshan? How did you get caught. Tang

Shan pointed at Su Chen and shouted, "Lord Poseidon, it's Su Chen, that man caught me and even wanted to kill me.""

"Um?"

Poseidon, the god of the sea, looked at Su Chen and was very confused.

A great master?

How could a great master have so many powerful women?

What happened just now? Was he teleported here by the space array? Or was he sent here by the space magic circle?

Captured by a powerful immortal cultivator?

Poseidon, the God of the Sea, didn't understand this, and he didn't dare to attack Su Chen easily.

"Are you Poseidon?" Su Chen looked at the middle-aged handsome guy and asked directly.

Poseidon, the god of the sea, looked at Su Chen and replied,

"Yes, I am Poseidon, the god of the sea. Your name is Su Chen? Why do you want to kill Tangshan?"

"If you don't like it, just kill him. If I kill Tangshan, it doesn't bother you, right?"

"Tangshan is my chosen successor to Poseidon. Su Chen, you can't kill him."

"It's a pity that what you said doesn't count."

The sea god Poseidon was very disdainful when he heard Su Chen's words.

He checked around and found the powerful immortal cultivator from before. He didn't care at all about Su Chen and those powerful women.

"That's not necessarily the case. Although these women under your command are powerful, it's not difficult for me to kill them."

Su Chen shook his head and said with a smile, "Just kidding, you can't kill any of my beautiful men."

"oh? I do not believe"

"I don't believe that it's your business, Poseidon. I thought you would hide and dare not show up, but I didn't expect that you are quite brave."

"What do you mean?"

"I want to kill you!"

"Just you?"

"Just me!"

Boom!

Su Chen suddenly burst out with a powerful aura and enveloped Poseidon.

He was too lazy to talk nonsense with Poseidon. The villain died from talking too much.

Su Chen didn't want anything to happen again.

Poseidon, God of the Sea. Dong was very panicked when he was intimidated by Su Chen's aura.

When he looked at Su Chen, he was very shocked.

How could this young man be so powerful? He was now enveloped by Su Chen's powerful aura and could not move at all, and he could move at any time. They might all be killed by this young man.

Poseidon, the god of the sea, exclaimed to Su Chen, "You.....You are the powerful immortal cultivator from before."

Su Chen nodded and admitted,

"You can say that!"

Poseidon, the God of the Sea, understood what Su Chen said.

Su Chen came to Poseidon Island this time to kill himself, but why?

He had never offended Su Chen, and Poseidon Island was not suitable for immortal cultivators from the Eastern Continent. Practice here.

Why did Su Chen kill himself?

Poseidon, the god of the sea, couldn't figure it out after thinking about it.

He looked at Su Chen and asked doubtfully, "We have no grievances, why do you want to kill me?"

"I can't stand you either, so both you and Tangshan will die."

Poseidon looked at Su Chen expressionlessly.

It seemed that a battle was inevitable.

He had to escape.

The immortal cultivators in the Eastern Continent were too powerful. There was no way he could be Su Chen's opponent.

Poseidon After Dong looked at the high priest and the seven guardians next to him, he planned to use the high priest and the seven guardians to hold Su Chen for a while so that he could quickly escape from Poseidon Island.

"The high priest, bring the seven guardians to fight side by side with me. This time is the life and death of our Poseidon Island. We must work together to kill these immortal cultivators from the Eastern Continent."

High Priest Bo Saixi refused with a cold expression, "I'm sorry, Master Poseidon, neither I nor the Seven Guardians will take action this time."

The sea god Poseidon was very angry when he heard the high priest's words.

He did not expect that at this juncture, the high priest would betray him with the seven guardians. If the high priest and the seven guardians did not delay him for a while, It's impossible for him to escape from Poseidon Island

"Why? High Priest Bo Saixi, are you going to betray me?"

"Wrong, Poseidon, High Priest Bo Saisi is my woman, how could my woman take action against me?"

nights_stay

Su Chen stepped forward and hugged High Priest Bo Saixi and looked at Poseidon with a smile. Poseidon, the God of Poseidon, was now alone.

High Priest Bo Saixi and the Seven Guardians no longer listened to his orders. The Douluo on Poseidon Island were afraid that Nor will he obey Poseidon's orders.

Poseidon Island is presided over by the high priest Bo Saisi.

If the adult Poseidon does not show up, he will just stand on Poseidon Island and say that he is Poseidon. The Sea Douluo on Poseidon Island will probably not believe it unless it is the high priest Bo Saisi himself. admit.

Poseidon, the god of the sea, said to Bo Saisi with a sullen face, "Woman? Bo Saisi, I didn't expect you to get married.""

"If I don't marry, will I have to be sacrificed by you? Poseidon, your time has come. Originally, I wanted to ask you about your power of faith, but you are unlucky. I don't have time to stay on Poseidon Island." boom!

"Don't even think about killing me. I, the God of the Sea, Poseidon, am not that easy to kill.

Poseidon, the god of the sea, suddenly burst out with powerful momentum. He broke free from the pressure of Su Chen's aura and quickly ran away towards the sea.

"Don't overestimate your capabilities! You can't escape Poseidon"

"Space moves!"

"Space prison!"

Su Chen waved his hand when he saw Poseidon escaping, and

Poseidon suddenly appeared next to Su Chen. This time, Su Chen didn't wait for Poseidon to escape again. He directly used space to imprison him. Imprisoned Poseidon

"I'll do it! Is this the end?"

"Is Poseidon too weak? Or is Su Chen too powerful?"

"It's so scary. The momentum that Poseidon just burst out is very powerful, but in Su Chen's hands, there is no resistance at all. I don't know if Poseidon is dead?"

"This bastard is too powerful"

"Well, it's too powerful"

"This bastard is simply inhuman. When we see this bastard in the future, we'd better take a detour."

Ning Rongrong and the others saw that Su Chen had easily captured Poseidon, and even imprisoned Poseidon in some space prison.

This was all done in an instant, and

Su Chen's strength made them feel very She was shocked.

When High Priest Bo Saixi looked at Su Chen, her beautiful eyes showed some light.

She was also very surprised by Su Chen's power. For a strong man of the first level of soul god,

Su Chen instantly caught him and imprisoned him. Up,

High Priest Bo Saixi felt that if her and Su Chen's future children could inherit Su Chen's cultivation talent, their children would also become peerless strong men in the future.

"A Yin, go kill Tangshan!"

"Yes, master!"

When Su Chen went to kill Tangshan, he looked at Poseidon, the god of sea, in the space prison, and then activated the space cutting.

Each space light blade attacked Poseidon in the space prison.

Su Chen looked at it and If you are not paying attention to Poseidon, in less than a quarter of an hour, Poseidon will be killed and his soul will be scattered.

"Bo Saixi, I will go back to the Eastern Continent in a while. There are urgent matters in the Eastern Continent that I need to deal with."

"I understand that I was with you when you got the secret message, but you must rush back when our child is born."

I guess!

Baby?

There is a kid."

Su Chen looked at the high priest Bo Saixi and felt very helpless.

He felt that he had deceived the high priest Bo Saixi so miserably. If Bo Saixi knew that she was not pregnant in the future, Bo Saixi would Will Sisi strangle himself?

"I will definitely come back!"

Bo Saixi knew that Su Chen had urgent things to do, but she also had to warn this bastard,"Su Chen, if you don't come back before the child is born, you don't have to come back again."

"Ahem, cough, I will definitely come back on time. By the way, these are some cultivation resources I have prepared for you. There is a book of exercises in it. From now on, you can practice the exercises in the Space Najie."

Su Chen coughed when he heard Bo Saixi's words. He took out a space ring and handed it to Bo Saixi and said,"

However!

Su Chen shook his head when he thought about Bo Saixi's words. The birth of a child? Is this possible

?

If they wait, they may not be able to have a child for ten years, a hundred years, or even a thousand years. Su Chen's cultivation will become higher and higher in the future. It is very, very difficult to have children. He only has one biological daughter, Su Yue. , Jellyfish Yinji, Ji Ruxi and those women all wanted children, but they had never succeeded. Bo Saixi shook his head when he heard the skills Su Chen mentioned and said,"Su Chen, I don't know the skills of immortal cultivators at all. May practice

"

"You will understand this difference after you practice. Remember, this is our Su family's ancestral technique. It is more powerful than the techniques in the immortal world. You should not pass it on to other people to practice."

"I see."

After Su Chen explained to High Priest Bo Saixi, the High Priest left with the Seven Guardians. It is impossible for Poseidon to appear again in the future. High Priest Bo Saixi also wanted to make some changes to Poseidon Island.

Su Chen looked towards Ning Rongrong, Zhu Zhuqing, and Xiao Wu's three daughters, he thought about it and walked over to remind Ning Rongrong and the other three daughters.

"Ning Rongrong, Xiao Wu, Zhu Zhuqing, if you want to stay on Poseidon Island to practice, you can stay. Also, the Spirit Empire is not something your academy can deal with. The Queen of the Spirit Empire, Bi Dong'er, has a good relationship with me."

"Moreover, the Wuhun Empire has formed an alliance with your ancient tribes in the Southern Continent. If you want to go against the Wuhun Empire, just think about the consequences. If you want to go to the Wuhun Empire to practice, tell me your name when the time comes, and the Queen of the Wuhun Empire will be fine. Nurture you."

Ning Rongrong and the other girls were very surprised when they heard Su Chen's words.

Su Chen actually knew the Queen of the Wuhun Empire?

So what's the relationship between him and the Queen?

Ancient Clan?

The Ancient Clan of the eight major Dou Qi families in the Southern Continent actually knew each other. The Spirit Empire has formed an alliance? Why didn't they hear the news?

Ning Rongrong looked at Su Chen and asked, "Su Chen, what is the relationship between the Queen of the Spirit Empire and you?"

"It's hard to say this. If you go to Wuhun Empire, you will understand."

Su Chen thought of the adulterer Qian Xueer said.

How could he say it?

Su Chen could only let them find the answer.

Zhu Zhuqing asked Su Chen with a cold face, "What if we stay on Poseidon Island? Cultivation, can the high priest help us practice?"

Su Chen looked at the plump Zhu Zhuqing and said with a smile,

"Can! I will let the high priest take care of you. After all, we are old acquaintances. Each of the three of you owes me a kiss, but I remember it clearly."

Su Chen didn't expect that after a few years of seeing each other, this little beauty Zhu Zhuqing would become more and more beautiful, especially her proud figure, which was even more perfect than the Zhu Zhuqing she saw back then.

"You are so shameless!"

"Color embryo!"

"shameless bastard!"

When Ning Rongrong, Zhu Zhuqing, and Xiao Wu heard what Su Chen said, they all blushed and yelled. They didn't expect that Su Chen still remembered the thing about the Monster Forest. This bastard is a shameless pervert.

Su Chen and Ning Rongrong and the others chatted for a while and left.

After he collected Nie Xiaoqian and other female ghosts, he looked at Lan Yincao who hadn't killed Tangshan yet. Su Chen walked over to see what was going on.

"No, don't take away my blue grass martial spirit"

"Hum, as the Blue Yin Emperor, I have the right to deprive any Blue Yin Grass martial spirit."

Chapter 1679

Before Su Chen reached Lan Yin Cao, he heard Tang Shan's scream and Lan Yin Cao's disdainful voice.

Su Chen stopped after hearing this.

He understood why Lan Yin Cao hadn't killed Tang Shan yet.

Lan Yin Cao wanted to deprive Tang Shan of his Lan Yin martial spirit first, and then kill him.

Su Chen looked at everyone around and left. He thought about where he would go to find Guanyin Bodhisattva and Our Lady of Wudang after returning to the Eastern Continent.

Tianyin Temple?

Or Lishan?

These are places where Guanyin Bodhisattva and Our Lady of Wudang may go.

Tianyin Temple,

Guanyin Bodhisattva is the great deity of Buddhism, Tianyin Temple is the best place for her.

Lishan, this is the missionary place of Mother Lishan, the clone of Our Lady of Wudang. It is also possible that Our Lady of Wudang will go to Lishan.

It's difficult!

Su Chen rubbed his forehead and felt very helpless. Guanyin Bodhisattva and Our Lady of Wudang would really cause trouble for him. Little girl Su Yue didn't know if she had revealed any secrets in the past few days.

"Ahhh....."

At this time, Tangshan screamed in pain.

Su Chen looked at it without asking. He now wanted Lan Yincao to kill Tangshan quickly so that he could leave Poseidon Island as soon as possible.

Eastern Continent,

Lishan,

Lishan is a place where birds are singing and flowers are fragrant. The scenery here is beautiful, full of greenery, the mountains are shrouded in clouds and mist, and the spiritual energy is rich. Lishan is also a paradise for immortal cultivators in the Eastern Continent.

In front of a simple house on Mount Li, a little girl about three years old was jumping and playing in a sea of flowers.

In the house,

Our Lady of Wudang and Guanyin Bodhisattva drank tea in silence.

They had been in Lishan for three days, but they did not get any useful information from Su Yue.

Su Yue was obviously a little girl under three years old, but she was no less wary of them than Su Yan. Both

Su Yan and Su Yue were so smart that neither of them revealed any information about Su Chen.

Our Lady of Wudang looked at Guanyin Bodhisattva and said helplessly,

"Guanyin, there is no question at all. This little girl is too ghostly.

Guanyin Bodhisattva nodded and said, "Yes, Su Chen's daughters are more evil than each other. Yue'er is less than three years old, and she can also play tricks on us.""

"What to do?"

"Wait for Su Chen to arrive"

"Suchen?"

After Guanyin Bodhisattva stood up and looked at Su Yue outside, she said to Our Lady of Wudang with a cold face,

"Well, we took his daughter away. If Suchen gets the news, that bastard will definitely come to us. Then we can only have a frank talk with that bastard."

Guanyin Bodhisattva has been very irritable in the past few days.

Su Chen's identity has made her very worried.

She can't think about it these days.

How can Su Chen have some characteristics of the Human Emperor?

Is that bastard? The Human Emperor?

The appearance of the Human Emperor is very important to the great religions in the Immortal World. The great religions in the Immortal World will not allow the Human Emperor to appear again.

If Su Chen is really the Human Emperor,

I am afraid that there will be bloodshed again in the Immortal World. The wind blew.

Our Lady of Wudang nodded when she heard Guanyin Bodhisattva's words.

There was no other way.

She and Guanyin Bodhisattva could not threaten Su Chen's women and daughters. If they did, Su Chen would definitely fall out with them.

That damn bastard!

What Su Chen did to her in the carriage when Mother Wudang arrived first, she also wanted to strangle that bastard to death.

Now Mother Wudang will have a headache because of Su Chen's identity. , is that bastard her fate?

"Auntie, I have been out for three days and I want to go back to find my sister."

At this time,

Su Yue ran into the room and shouted to Guanyin Bodhisattva.

Guanyin Bodhisattva heard Su Yue calling her aunt again, which made her very helpless.

In the past few days,

Su Yue had treated her and Wudang Shenma very well. Shouting for aunt, they also told Su Yue that she was not her aunt, but this little girl didn't believe it at all.

"Yue'er, your father is coming in a few days. If you stay here for a few more days, you can see your father."

"Really?"

Su Yue bent her head and asked doubtfully after hearing Guanyin Bodhisattva's words.

Guanyin Bodhisattva touched Su Yue's little head and said with a smile, "Of course, we will not deceive you, little girl."

"Haha, then I will wait here for my father to pick me up."

When Su Yue heard Guanyin Bodhisattva's confirmation, she ran out again with a smile.

In the past few days,

Su Yue has also become familiar with Guanyin Bodhisattva and Wudang Holy Mother.

She knew that the two girls of Guanyin Bodhisattva wanted to know what happened in Tianxuan Continent. However, she had no impression of Tianxuan Continent.

After all, she came to Shenyu Continent when she was only one year old, and Tianxuan Continent was also very vague in her impression.

Moreover, Ji Ruxi, her aunt, and Xiaobai aunt, Aunt Shuirou and Aunt Xiaoqing both told her that nothing about the Tianxuan Continent could be revealed to others.

Su Yue did not reveal a single word under the constant inquiries of Guanyin Bodhisattva and Wudang Holy Mother. Regarding the matter of Tianxuan Continent.

When Mother Wudang saw Su Yue running out again, she shook her head helplessly.

This little girl was probably afraid that they would ask questions again, so she deliberately avoided the two of them.

"Little girl Su Yue is not simple either!"

"I know that Su Yue's cultivation level was sealed. This may have been done by Su Chen."

"Su Yan's cultivation was also sealed, and Su Chen's two daughters were really weird."

Guanyin Bodhisattva and Our Lady of Wudang saw the physical condition of Su Yan and Su Yue early on.

They did not expect that Su Yue and Su Yan's cultivation would be sealed, and it was Su Chen who used his space laws to seal Su Yue and Su Yan's cultivation realm.

Both Guanyin Bodhisattva and Wudang Madonna guessed that

Su Yan and Su Yue must have inherited some ability from Su Chen, which caused their cultivation realm to greatly increase, so Su Chen sealed Su Yue and Su Yan's cultivation realm

"Time speeds up!"

Su Yue came to the sea of flowers.

She saw a flower that had not yet bloomed. Su Yue bit her finger and suddenly pointed at the flower and shouted.

At this moment, the flower pointed by Su Yue slowly began to bloom. A brightly colored purple flower appeared in front of Su Yue.

When Su Yue saw that the flower was really in full bloom, she looked at the flower in confusion and said, "Huh?" It really works. I can actually control the flowers to bloom earlier?"

Su Yue just planned to give it a try. Fragments of time have been appearing in her mind for the past few months. She felt that she could control the flow of time and even accelerate the loss of time.

"The law of time? Su Yue actually knows the law of time?"

"This little girl is so evil. She has mastered the law of time at such a young age. This little girl's future will definitely be limitless."

Chapter 1680

Guanyin Bodhisattva and Our Lady of Wudang saw Su Yue using the law of time to speed up time and make the little flowers bloom.

This surprised them all.

Su Yue understood the law of time before she was even three years old. This little girl was so unbelievable.

Mother Wudang suddenly looked at Guanyin Bodhisattva and asked hurriedly, "Guanyin, does Su Chen know the law of time?"

Guanyin Bodhisattva shook his head and replied,

"I don't know. Su Chen only revealed the laws of space in front of me. I don't know if he hid other techniques and other laws.

Our Lady of Wudang continued to ask,

"Does Su Yan know the laws of space?"

Guanyin Bodhisattva looked at Our Lady of Wudang and suddenly understood.

She understood why Our Lady of Wudang asked this question. If Su Yan knows the law of space and Su Yue knows the law of time, it means that bastard Su Chen can also know the law of time.

Guanyin Bodhisattva's eyes She was very angry when a trace of light appeared in her eyes.

Su Chen would hide so many things from her.

The emperor of the Xuantian Empire?

Tianxuan Continent?

The Human Emperor?

Even the techniques and laws?

That shameless and shameless bastard did this to her Are you so defensive?

"Mother Wudang, do you suspect that Su Yue inherited the law of time from Su Chen?"

Our Lady of Wudang said with an ugly face,

"Well, I have this suspicion. Su Chen is too mysterious. It shouldn't be difficult for his daughters to inherit his abilities. After all, he, Su Yan and Su Yue are all connected by blood."

Guanyin Bodhisattva nodded and agreed, "If Su Yan knows the laws of space, then Su Yue's laws of time will make sense. That bastard Su Chen must also know the laws of time. That bastard is hiding too deeply."

"Guanyin, let's ask Su Yue. Su Yue can't hide Su Yan's ability from us. After all, we are not asking about that bastard Su Chen."

"good!"

In the sea of flowers,

Su Yue happily searched for the flower bones that were not in bloom. She wanted to make them bloom.

Guanyin Bodhisattva and Wudang Our Lady came to Su Yue.

They looked at Su Yue and couldn't play. They were so happy that Guanyin Bodhisattva and Wudang Virgin shook their heads speechlessly.

The law of time actually came to make the flowers bloom.

This was really overkill.

Guanyin Bodhisattva squatted next to Su Yue and asked with a smile, "Yue'er, Will your sister Su Yan disappear instantly?"

"elder sister?"

"Yes, does your sister suddenly disappear when she is playing with you?"

Su Yue understood what Guanyin Bodhisattva said when she heard it.

She thought of her sister Su Yan showing off in front of her before, saying that her father could teleport. She didn't believe it at first, but after Su Yan tried it several times, Su Yue also I believe it.

It's just that Su Yan's teleportation can only move a little distance. She even laughed at her sister's teleportation at that time.

"Hahaha....., Auntie, my sister is stupid. Sometimes she suddenly disappears in front of us. After a while, my sister appears not far from me, and she still looks tired."

"not far away? how far?"

"How far? Just from here to the house, it should be about the same distance."

Guanyin Bodhisattva and Our Lady of Wudang looked at the distance and were very speechless.

They were only more than ten meters away.

However, this also shows that Su Yan has understood Su Chen's space laws. One of these two girls has inherited Su Chen's space laws. , the one who inherited Su Chen's law of time, and that bastard had too many secrets. The

Mother Wudang looked at Su Yue, thought for a moment and asked,"Yue'er, what other abilities do you have that are the same as your sister's?"

Su Yue bit her fingers when she heard Wudang Holy Mother's words and thought.

She seems to have no other abilities like her sister Su Yan.

Her sister Su Yan has already practiced the exercises, but she has not practiced them. Her sister has a powerful legion, and she also No, not even her sister had her father's spiritual sword Luo Xue, but she didn't.

Su Yue felt that she was nothing compared to her sister.

Su Yue suddenly thought of the Bloodline Black Bird and said loudly,"I have a little blue bird, sister." There are also little bluebirds, but my sister's little bluebird is bigger than my little bluebird."

"Little bluebird?"

Our Lady of Wudang and Guanyin Bodhisattva seemed to have a look. They didn't know what little blue bird Su Yue was talking about.

"Auntie, let me show you my little blue bird." Su Yue said to Madonna Wudang, and she summoned the black bird in her body.

"Choo Choo Choo!"

At this time, a small green bird suddenly appeared from Su Yue's body. After this small blue bird, which was only the size of a teacup, flew in the air and landed on Su Yue's shoulder.

When the Holy Mother saw it, The little blue bird appeared and was very surprised.

Although the little blue bird was still in its infancy, the smell of the little blue bird made her feel very familiar.

"Black bird? Guanyin, this is a mysterious bird as famous as the Phoenix in the Longhan Tribulation."

Guanyin Bodhisattva watched Su Yue and Xuanniao playing, she nodded seriously and said, "Yes, it's Xuanniao, and this Xuanniao is still in its infancy, even.....Even the black bird is basically the blood of Su Yue. Su Yue actually has the blood of the black bird. This is incredible."

"Guanyin, not only Su Yue has a black bird, but Su Yan also has one. I'm afraid this is the continuation of the bloodline of that bastard Su Chen."

"So that bastard Su Chen also has a black bird, and the black bird blood was passed down to his two daughters by Su Chen."

"That damn bastard, how many secrets does he hide from us?"

"Next time we see that bastard Su Chen, we must not let that bastard go. We must find out all his secrets."

Guanyin Bodhisattva and Our Lady of Wudang are getting more and more angry with Su Chen.

The more they know about Su Chen, the angrier they feel.

That bastard is so good at hiding.

Law of time?

Blackbird bloodline?

Is this because they discovered Su Chen? Some secrets, that bastard Su Chen didn't know how many secrets he had hidden from them.

Su Yue played with Xuanniao for a while, then she ran to Guanyin Bodhisattva and Wudang Holy Mother and shouted, "Auntie, look, my Isn't the little bluebird pretty?"

"pretty! Very beautiful!"

"Yue'er, your little bluebird is very beautiful."

Bodhisattva Guanyin and Our Lady of Wudang both nodded and replied,

Beautiful?

More than just beautiful!

Xuanniao will be a quasi-sage when he becomes an adult.

How many quasi-sages are there in the prehistoric fairy world?

And Su Yue and Su Yan's achievements in the future may not be the same." Simple, the black bird is the natal beast of Su Yan and Su Yue, and the black bird will grow up with Su Yue and Su Yan in the future.

Boom!

At this time, a beam of light suddenly appeared in the sky, and this beam of light fell from the sky. Disappeared after leaving the Eastern Continent

"There are immortals from the fairy world who have gone down to the next world."

"Could it be the immortal's clone in the lower realm?"
