

Zongwu 1691

Chapter 1691

Butterfly Demon looked at Princess Che and hurriedly introduced her and Zhao Ling'er.

However, the little girl next to him made Butterfly Demon very curious.

How could a little girl appear on the battlefield?

Moreover, this little girl is wearing a gorgeous dress and has a noble temperament!

Exquisite and beautiful face!

Big bright eyes!

This makes people know that she is a smart little girl. She guesses that this little girl must be extraordinary because of her background.

"Do you know Su Chen?"

Princess Chei looked at the butterfly demon and asked doubtfully,

"Got it, general, isn't Su Chen here?"

"No!"

At this time,

Zhao Ling'er asked Princess Chai, "General, can you stop attacking Nanzhao?"

Zhao Ling'er looked at the tens of thousands of Nanzhao troops kneeling outside Dali City, and she felt very uncomfortable.

These were her people and the people of Nanzhao.

Zhao Ling'er didn't want to look at the people of Nanzhao. , and then were massacred by Su Chen's army

"Linger, you....."

When Butterfly Demon heard Zhao Ling'er's words, she wanted to stop Zhao Ling'er, but when she saw Zhao Ling'er's determined look, Butterfly Demon didn't know how to persuade Zhao Ling'er.

"Why?"

Princess Chai looked at Zhao Ling'er and her face turned cold.

She didn't think that Zhao Ling'er would stop the attack on Nanzhao.

But is this possible?

When their northern combat corps came to Shenyu Continent, they wanted to conquer the entire Shenyu Continent.

War. It is impossible to avoid that the empires and kingdoms of the Shenyu Continent will be the targets of Xuantian Empire's combat legions. The northern combat legion arrived at the Shenyu Continent first.

If they don't take advantage of the arrival of other combat legions to destroy more countries, they will wait until the other combat legions arrive. After the arrival of the combat corps, the northern combat corps will definitely be laughed at by other combat corps.

Princess Che will not listen to Zhao Ling'er and stop attacking Nanzhao. Unless it is Su Chen's order, the war will not end

"I.....I....."

"Ling'er is the princess and general of Nanzhao Kingdom. Is it really impossible to stop attacking Nanzhao Kingdom?"

When Butterfly Demon saw Zhao Ling'er hesitating, she answered for Zhao Ling'er.

Princess Chei said coldly with a cold face,

"No, the war will not stop without the orders of the commander-in-chief of the Northern Combat Corps and Su Chen's orders."

"Well, then we won't bother the general." Butterfly Demon said awkwardly after hearing Princess Chei's words.

Butterfly Demon also knew that the army had military orders.

On the battlefield, without the orders of the commander-in-chief and Su Chen, it was impossible for them to persuade the female general to give up attacking Nanzhao Kingdom.

When Zhao Ling'er heard this, she bit her lip and asked, "How will you treat these surrendering soldiers? What will you do to King Nanzhao when he is captured in the future?"

"Zhao Ling'er, you are asking too many questions. You are not qualified. I won't tell you anything about this"

"Why? I just want to know this, why don't you tell me too?"

"cannot!"

"you....."

Zhao Ling'er angrily pointed at Princess Chai and was very angry. She just asked about these things, but the female general didn't tell her anything. Zhao Ling'er was very dissatisfied with Princess Che.

Princess Chea saw Zhao Ling'er pointing at her, and she threatened without expression, "You'd better put down your hand, otherwise don't blame me for being rude.""

"An ordinary warrior, what can you do to me?" Zhao Ling'er also came forward. She looked at Princess Che and mocked disdainfully,

"Linger?"

Butterfly Demon looked incredulous when she heard Zhao Ling'er's words.

She didn't expect that Zhao Ling'er would say this. This would cause misunderstanding. Is Zhao Ling'er crazy?

"Be bold!"

Mr. Chai did not expect that Zhao Ling'er would say this.

This woman is too arrogant.

Although she is not Zhao Ling'er's opponent, there are tens of thousands of black-armored troops here. Even the Nascent Soul Realm can resist the attack of the black-armored army. No.

Is this Zhao Linger looking for death?

Dong Dong Dong.....

The surrounding black-armored troops quickly surrounded Zhao Ling'er and Butterfly Demon with military shields. As long as the commander of the army, Princess Chai, gave the order, the black-armored army would surround and kill Zhao Ling'er and Butterfly Demon.

"bang bang bang....."

At this time,

Su Yan sat on Shui Qilin and clapped her hands. She had heard what she just said.

These two women might have some relationship with her father, but what about that?

Now during the war,

Princess Chei's army is about to destroy the capital of Nanzhao Kingdom, and other cities in Nanzhao Kingdom will also be destroyed soon.

And this time she was the one who persuaded Princess Chei to send out troops to destroy the Nanzhao Kingdom.

Will she give up halfway?

"Everybody stand down!"

"Yes, Princess!"

When the surrounding black-armored troops heard Su Yan's order, these black-armored troops immediately retreated.

After Su Yan ordered the black-armored troops to retreat, she looked at Butterfly Demon and Zhao Ling'er and smiled.

Princess Chai and Butterfly Demon and Zhao Ling'er both looked at Su Yan.

Princess Che patted her forehead and was very speechless.

She guessed that Su Yan was probably going to cause trouble. Su Yan was not afraid of these women. These women were even her father's women.

Su Are Yan Hui afraid?

Butterfly Demon and Zhao Ling'er heard that the black-armored army called Su Yan the princess. They looked at Su Yan and were very surprised.

Su Chen was Wu Xiangjun of Hangzhou City, so could this little girl be Su Chen's? Daughter?

Su Yan looked at Butterfly Demon and Zhao Linger and said seriously,

"I started the war, and the war cannot be stopped. I don't care what your relationship is with my father, but don't stop my army from fighting here."

"Su Chen's daughter, what's your name?" Zhao Ling'er looked at Su Yan and asked hurriedly,

"Su Yan!"

Zhao Ling'er looked at Su Yan and said,

"Su Yan, I am the princess of Nanzhao Kingdom. I can prevent Nanzhao Kingdom from launching a war against Su Chen's territory in the future. Just give up this war."

"I said it was impossible, even if my father was here, there was no way he could stop me."

Zhao Ling'er saw that Su Yan still wanted to continue attacking Nanzhao Kingdom.

She thought about it and prepared to capture Su Chen's daughter Su Yan. Only in this way could Su Yan stop the war.

This would be detrimental to both Nanzhao Kingdom and Su Chen's army. The good thing is that war will cause countless casualties. Zhao Ling'er doesn't want Su Chen's daughter Su Yan to continue doing this nonsense.

"Then don't blame me, I will apologize to your father in the future"

"Linger, are you crazy?" Butterfly Demon saw that Zhao Ling'er was about to take action. She hurriedly stopped Zhao Ling'er and shouted.

Zhao Linger said to Butterfly Demon with a serious face, "Butterfly, I can only end the war by catching Su Chen's daughter Su Yan. Don't stop me.."

Butterfly Demon was very angry when she heard Zhao Linger's words.

She didn't expect that Zhao Linger wanted to catch Su Yan.

How could this be possible?

Butterfly Demon would not let Zhao Linger do such nonsense. Otherwise, how could she see Su Chen in the future?

"Impossible, Zhao Ling'er, you should know my relationship with Su Chen. It's impossible for me to watch and catch Su Chen's daughter."

Zhao Ling'er saw that Butterfly refused to let go, and even tried to stop her from grabbing Su Yan.

This made her look ugly and asked,

"Butterfly, do you really not miss our sisterhood?"

"Zhao Linger, I have a good relationship with you, but you should know the relationship between Su Chen and me. It is impossible for me to watch you take action against Su Yan."

Butterfly Demon doesn't care about falling out with Zhao Ling'er.

Su Chen's relationship with her is not comparable to that of Zhao Ling'er.

Besides, the reason why she and Zhao Ling'er are together is because of Su Chen's relationship. Butterfly Demon can't let Zhao Ling'er catch Su Yan.

Su Yan looked at all this in amusement.

She now understood that

Butterfly Demon might be his father's woman, and Zhao Linger should be a friend of his father. There was no way that Butterfly Demon would let Zhao Linger catch her. boom!

At this time,

Zhao Ling'er struck the butterfly demon with a palm, and she was about to go forward to catch Su Yan.

However, the butterfly demon was even more powerful than Zhao Ling'er. She stopped Zhao Ling'er in an instant. If Zhao Ling'er did not transform, Zhao Ling'er would Can't fight off the butterfly demon

"Damn it, Butterfly, don't blame me."

Zhao Ling'er saw that she couldn't fight off the butterfly demon several times.

Zhao Ling'er also knew that if she didn't transform, she would be no match for the butterfly demon.

The butterfly demon said coldly with a cold face,

"Zhao Ling'er, since you attacked me, you are no longer my friend, and I will not have you as a friend in the future."

Boom boom boom.....

When Zhao Ling'er heard the Butterfly Demon's words, her expression changed and she suddenly transformed.

Zhao Ling'er's huge snake tail kept attacking the Butterfly Demon, and the powerful aura around her made the Black Armor Legion keep retreating.

"Let me go, Zhao Linger is actually a snake demon? Huh? No, Zhao Ling'er is so different from Aunt Xiaobai and Aunt Xiaoqing, but she is somewhat similar to the snake girl Yue Mei."

Su Yan was very confused when she saw Zhao Ling'er's transformation.

She originally thought that Zhao Ling'er was a snake demon, but it was nothing like her aunts Xiaobai and Xiaoqing at home. Su Yan had seen Xiaobai and Xiaoqing's transformations. , she felt that Zhao Ling'er was somewhat similar to Yue Mei, the snake girl from the Southern Continent.

Princess Chei looked at Zhao Ling'er and Butterfly fighting, she turned back to Su Yan and asked,"Yan'er, what are you going to do with Zhao Ling'er?"

Su Yan touched his chin and said with a smile,"Let's see first, Zhao Ling'er is not enough evidence, but the butterfly demon should be my father's woman, otherwise the butterfly demon would not be able to turn against Zhao Ling'er."

"Well, I can see it too. Butterfly is not bad. The women your father finds are all good."

"Auntie, are you praising yourself?"

"Little girl, do you want a beating?"

Su Yan shrank his head and begged for mercy with a smile,"Haha, aunt, I don't dare anymore. I was just talking nonsense."

"You little girl, there is nothing I can do to you."

Princess Chei blushed and shook her head.

There is nothing she can do to Su Yan now. This little girl's mouth is too sweet. There is nothing she can do to Su Yan.

Boom boom boom boom.....

Next to them,

Zhao Ling'er and the Butterfly Demon were fighting fiercely. They were of equal strength, and it would be impossible to decide the winner within a short period of time.

Suddenly,

Zhao Ling'er took out the Wind Lingzhu and used it on the butterfly. boom!

A gust of wind suddenly blew up, and the butterfly demon was blown upside down by the strong wind without any precautions.

When Zhao Ling'er saw the butterfly demon being beaten back, she flew towards Su Yan quickly.

Su Yan saw Zhao Ling'er flying over. She waved her hand to stop the surrounding black-armored troops from coming to rescue her.

Su Yan patted Shui Qilin and said,"Shui Qilin, suppress this woman who overestimates her capabilities. Don't kill her." boom!

A powerful aura suddenly burst out from Shui Qilin's body, and the powerful aura directly enveloped Zhao Ling'er who was flying over. bump!

Zhao Ling'er was enveloped by the powerful aura of the water unicorn and fell from the air. She collapsed on the ground and looked at Su Yan in horror. Zhao Ling'er did not expect that there would be a powerful monster beside Su Yan.

Su Yan looked at Zhao Ling'er and said with a tight face,

"Zhao Ling'er, because you know my father, if I don't kill you this time, you'd better not appear in front of me in the future. Also, don't look for my father again. Since you dare to take action against me, you are no longer qualified. be my father's friend"

"Su Yan, can you really not give up attacking Nanzhao?"

Zhao Ling'er was very sad when she heard Su Yan's words. She knew that after attacking Su Yan, she would not have the face to see Su Chen again, but she still wanted Su Yan to give up the attack on Nanzhao.

Su Yan heard what Zhao Ling'er said She was very angry.

At this time,

Zhao Ling'er actually persuaded her to retreat.

This made Su Yan very angry.

"Auntie, order the army to slaughter the surrendered Nanzhao army for me."

"Yan'er?"

Princess Chai was very surprised when she heard Su Yan's words.

She did not expect that Su Yan would massacre prisoners. Wouldn't it be bad if Su Yan killed prisoners at a young age?

"Auntie, do you want me to order it myself?

Seeing the expressionless look on Su Yan's face, Princess Che also knew that she could not dissuade Su Yan.

Princess Che waved her hand and sighed and ordered, "Alas!" Someone came, sent an order, and ordered the army to massacre the captured Nanzhao army."

"Yes, Legion Commander."

When Zhao Ling'er heard Su Yan's order, she yelled in panic,

"No, no, Su Yan, you can't do this, you can't do this."

Su Yan looked at Zhao Ling'er and said mockingly,

"Humph, it's not the first time I've done this but massacre prisoners, so why not?"

At this time, the black armored army began to massacre the prisoners. Archers and crossbows surrounded more than 70,000 prisoners and began to shoot them. Giant shield soldiers and cavalry were around to prevent the captive army of Nanzhao from escaping.

"No, we surrender, don't massacre us"

"Damn it, the black-armored army is going to massacre us. Let's fight with the black-armored army."

"Don't kill me, I surrender, don't kill me....."

"how so? how so? Didn't the Central Plains army not kill prisoners?"

"It's over, we're dead."

When the surrendered troops of Nanzhao Kingdom started to shoot and kill them, these captive troops screamed in panic.

The tens of thousands of captive troops fled in all directions quickly, but it was all in vain.

The surrounding black armored troops When the giant shield soldiers and black armored cavalry soldiers saw the prisoners escaping, they did not hesitate to kill them with swords and long swords. When

Zhao Ling'er saw the massacred Nanzhao army, she looked at Su Yan and said He shouted angrily,

"you.....Your father will not forgive you if he finds out, you are just a little devil."

When Su Yan heard Zhao Linger's scream, she shook her head and said with a smile,"Little devil? I like this title. My father has the title of Big Devil, and Little Devil is also very suitable for me."

At this time,

Butterfly Demon rushed back.

When she saw that Zhao Ling'er had been suppressed, and the black armored army under Dali City was massacring the captive army of Nanzhao Kingdom.

This made Butterfly Demon confused and didn't know what was going on. , she was just pushed back dozens of miles away by the Wind Lingzhu.

In such a short period of time, what happened here? Who suppressed Zhao Ling'er? Why did the Black Armor Legion massacre the prisoners?

"Aunt Butterfly, come here!"

Chapter 1693

When Su Yan saw Butterfly Demon coming back, she wanted to ask how Butterfly Demon and her father met, and what kind of relationship she had with her father, Zhao Ling'er.

"Su Yan, I'm not your aunt, so don't scream."

At this time, the butterfly demon came to Su Yan with a blushing face and said, she did not expect that this little girl Su Yan would call her aunt.

Although she was devoted to Su Chen, after all, she and Su Chen were not married yet. Su Yan Calling her aunt like this in public made the butterfly demon very shy.

Su Yan smiled and teased her,"Haha, that's not necessarily true. Aunt, how did you and my father know each other?"

Butterfly Demon looked at Zhao Ling'er and found that she was struggling to support her.

After thinking about it, she persuaded Su Yan,

"Su Yan, let Zhao Ling'er go first. She has a good relationship with your father. Don't embarrass him."

"Okay, Shui Qilin, take away your breath"

"Ho ho ho!"

After Shui Qilin took back his breath,

Zhao Ling'er looked at Su Yan and the butterfly demon with trembling eyes. She sat on the ground, exhausted physically and mentally and didn't know what to do.

Su Yan's massacre order, her action against Su Yan,

Su Yan 's Does Chen Hui think of her like this?

I'm afraid she and Su Chen will have no future.

At this moment, Butterfly Demon also told Su Yan how he met Su Chen. Chejun mainly listened with interest from the side.

Su Yan and Chejun The Lord did not expect that the butterfly turned out to be a butterfly demon. The acquaintance between the butterfly demon and Su Chen was really funny. Shushan! Ruins! Ladder to Heaven! These experiences are very exciting.

Su Yan shook his head and said with some regret, "It is still wonderful outside, if I went to the ruins with my father and even climbed the ladder to heaven. My cultivation level will be greatly improved."

After hearing Su Yan's words, Princess Che patted her head and said,

"Don't think about it. If you sneak out this time, all the ladies in Hangzhou will know about it, and you won't be able to hide your affairs here for long. Butterfly-winged Birds, Secret Guards, Shadow Assassins, and Luo Sheng, these people may take your The information was sent back to Hangzhou city."

Su Yan said without caring at all,

"Don't worry, I have discovered the butterfly-winged bird a long time ago. Ji Ruxi and my aunt may have known my whereabouts."

Su Yan was reminded by Qingying last time.

After she knew that the butterfly-winged bird was following her,

Su Yan was completely relieved.

The butterfly-winged bird's tracking made her understand that Ji Ruxi and those aunts would not take her back.

Otherwise, it would be impossible for the butterfly-winged bird to follow her.

The Shadow Assassin would have captured her long ago, and Su Yan would not be able to lead the army to destroy the Nanzhao Kingdom in a fair and just way. Princess Chai thought about it and was right. Those ladies wanted to take Su Yan back. It was impossible for Su Yan to escape here. He even led the army to destroy Nanzhao Kingdom openly.

Su Yan looked at Zhao Linger and said to the butterfly demon, "Aunt Butterfly, take Zhao Linger's Since the Wind Spirit Pearl and the Five Spirit Pearl are what my father is looking for, we cannot let Zhao Linger take them away."

"good!"

"Aunt Chai, let's go into the city. Tomorrow we will order the army to attack other cities in Nanzhao."

"All right!"

At this moment, the butterfly demon came to Zhao Ling'er.

She looked at Zhao Ling'er who was in despair and shook her head.

Zhao Ling'er wanted to take action against Su Yan, which would ruin her friendship with Su Chen.

Su Chen had done so many things for Zhao Ling'er. She even helped Zhao Ling'er improve her cultivation level. Zhao Ling'er actually wanted to attack Su Yan for Nanzhao Kingdom and for the father who killed her mother.

How could Zhao Ling'er be so obsessed with doing such a thing?

"Zhao Linger, please hand over the Feng Lingzhu.

Zhao Ling'er looked at the butterfly demon and asked miserably, "Butterfly, did I do something wrong?"

"No, you did nothing wrong at all"

"hehe....., Butterfly, you are cheating on me, right?"

The butterfly demon looked at Zhao Ling'er and said with hatred that iron cannot become steel,

"You also know that I am cheating on you? Think about what you have just done now? What does Nanzhao have to do with you?"

"Although you are the princess of Nanzhao Kingdom, will anyone in Nanzhao Kingdom recognize your identity?"

"Your father was one of the murderers of your mother. Don't you keep saying you want to avenge your mother? Why are you so soft-hearted and want to save your father?"

"Zhao Ling'er, you should never take action against Su Yan. Since you know that Su Yan is Su Chen's daughter, you still want to take action against Su Yan. Have you never thought about what Su Chen will do to you in the future?"

Zhao Ling'er slumped down on the ground after hearing Butterfly Demon's words.

Did she do something wrong?

Zhao Ling'er thought of everything Su Chen had done for her. He traveled thousands of miles to Shushan to save her, and helped her improve her cultivation on the ladder to heaven. Lingguo, Spiritual wine is constantly provided to her.

Is this how she repays Su Chen?

Is it worth it for a strange Nanzhao country? Is it worth it for the man who killed her mother?

"Just take care of yourself!"

Butterfly Demon took the Wind Ling'er Bead from Zhao Linger's hand and left.

She might become strangers to Zhao Linger in the future, and it would be impossible for Su Chen to see Zhao Linger again.

When Zhao Linger saw the Butterfly Demon leaving, she grabbed her hair and shouted in despair. He said, "Did I do something wrong? Did i do something wrong?"

Whoosh!

The leader of the Moon Worshiping Cult suddenly appeared and quickly controlled Zhao Ling'er.

He looked at Zhao Ling'er and said happily,

"You did nothing wrong, Zhao Ling'er, the daughter of the high priest, I didn't expect you to show up here, and the leader of this province went to look for you elsewhere."

The leader of the Moon Worshiping Cult just came back to see if King Miao had escaped.

He didn't expect to meet Zhao Ling'er, the daughter of the high priest.

This descendant of Nuwa whom he had been searching for for more than ten years, this time it was really free of charge. Time.

The leader of the Moon Worshiping Cult disappeared instantly with Zhao Ling'er.

In Hangzhou City, in the calligraphy of the City Lord's Mansion,

Su Chen and Xiao Qing were drinking tea together.

Su Chen looked at the shy Xiao Qing in front of him and shook his head. Xiao Qing However, she is a lively, lovely, cheerful woman who hates evil. But after becoming a woman, Xiaoqing is now more of a lady.

Su Chen hugged Xiaoqing and said with a smile, "Xiaoqing, I'm really not used to you being like this."

Xiaoqing glanced at Su Chen and hummed, "Humph, am I willing to do this?" Xiaobai told me what it means to obey your husband when you marry, and asked me to restrain my past personality."

Su Chen kissed Xiao Qing and said, "Don't listen to Xiao Bai, I like Xiao Qing who is lively, cute and daring. You don't have to change anything for me."

"real?"

"Of course, have I ever cheated on you?"

"That's more or less the same, but Ji Ruxi and her sister, Shuirou, are all gentle women. Do you really not care about my personality?"

Holy crap?

Ji Ruxi and He Shuirou are women as gentle as water?

Su Chen was very speechless when he heard Xiao Qing's words.

Ji Ruxi and He Shuirou were both murderous demons in the past, but they are also as gentle as water?" They are more or less ruthless women.

However, since Shui Rou and Ji Ruxi came to terms with him, as long as they are not enemies and do not fight, they will indeed be mistaken for gentle and watery women.

Chapter 1694

Xiao Qing saw that Su Chen didn't answer her for a long time. The bastard was in a daze and didn't know what he was thinking.

Xiao Qing pinched Su Chen's waist and continued to ask, "Why don't you answer me?"

"Hiss, Xiaoqing, do you want to strangle me to death?" Su Chen rubbed his waist and shouted.

He didn't expect Xiao Qing to pinch his waist.

Women and banshees really have something in common.

Xiao Qing rolled his eyes at Su Chen and continued to ask arrogantly, "You What are you thinking about?"

Su Chen also understood after hearing Xiao Qing's words.

Xiao Qing was worried that she was perfunctory just now.

Xiao Qing Snake really had her own way of doing things.

Su Chen shook her head and explained,

"Xiaoqing, let me tell you, Shui Rou and Ji Ruxi are not as gentle as water before. They killed a lot of people in Tianxuan Tianlu. They can even be described as female devils. But now they usually don't go out. In the future You'll understand when you see them facing the enemy"

"The devil?"

"Well, Shui Rou, Ji Ruxi and they are also pyramid-like figures in Tianxuan Continent. Shui Rou used to have a very violent temper, and Ji Ruxi and Ji Ruxi are the leaders of a sect. They are both female devils who kill without blinking an eye."

Xiao Qing's eyes gleamed when she heard Su Chen's words. She didn't expect that Shui Rou and Ji Ruxi were the same kind of people as her. In Hangzhou City, she really didn't notice it at all.

"Haha, I didn't see it at all. It turns out that we are all the same kind of people."

Su Chen hugged Xiaoqing, kissed her and said with a smile, "Of course, I only like you and love you because you are the same kind of people."

Xiao Qing leaned into Su Chen's arms and smiled.

It's just that Su Chen will send the mermaid to the Western Continent tomorrow, so she is with Su Chen.

Xiao Qing is also very reluctant to let go of Su Chen.

However, she also knows that Su Chen had to go in person this time. The Western Continent was thousands of miles away, and only Su Chen's space ability could quickly go there and come back quickly.

Su Chen touched Xiao Qing's hair and enjoyed the temporary peace.

Su Chen smiled when he thought about the madness last night. The snake demon was really crazy. Xiao Qing was much crazier than Xiao Bai. If Su Chen hadn't been physically strong, Su Chen might have been defeated by Xiao Qing. Xiao Qing suddenly Thinking of Su Yan, she reminded Su Chen, "Husband, after you set off tomorrow, stop by and see Su Yan. That girl is so crazy. She led the army to destroy the country at such a young age. Tian Linger will be killed." Yan Yatou was led astray"

"Well, anyway, I'm passing by, so I'm going to teach that girl a lesson."

"Tsk, will you teach your daughter a lesson?"

Su Chen's face darkened when he heard Xiao Qing's words.

He really couldn't bear to teach that girl Su Yan a lesson.

Su Chen thought that before he practiced, as long as that girl Su Yan was unhappy, he would even offend her. Su Yan He would challenge him to compete in martial arts, but he was knocked down many times by Su Yan's so-called martial arts competition.

A few years passed, and Yan Yatou was slowly growing up.

Time passed so fast.

Two days later, in

Dali City, this The black-armored legions of Princess Tianchai have completely controlled the Nanzhao Kingdom. Except for some escaped Nanzhao troops, all the cities in the Nanzhao Kingdom are controlled by the black-armored legions.

Only the Miao King of Nanzhao Kingdom is still there. It was not found, but the net has arrived, and it is only a matter of time before King Miao is found.

In the Nanzhao King's Palace,

Princess Chai and Su Yan were sitting together drinking fairy wine. The Butterfly Demon took Shui Qilin to Qilin Cave to recover the Fire Spirit Pearl. , with the water unicorn present, the fire unicorn in the unicorn cave was not enough evidence at all.

Princess Chai put down her wine glass and looked at Su Yan and asked,"Yan'er, are you really going to attack Beiliang next?"

Princess Chai really had nothing to say to Su Yan.

She had just destroyed the Nanzhao Kingdom, and

Su Yan was planning to continue attacking other kingdoms. Princess Chai was also very troubled by this war-mad little girl.

Su Yan sat on the chair and swayed his little feet and replied, "Well, aunt, Aunt Mu Guiying is attacking the Song Dynasty. The only one close to us is Beiliang, so we will operate on Beiliang." "

"Yan'er, Beiliang is not easy to deal with. There are 300,000 cavalry in Beiliang. We only have 10,000 black-armored cavalry. The rest are infantry. We are going to attack Beiliang. My cavalry army cannot catch up."

"Auntie, write a letter to Auntie Mu Guiying and ask her to dispatch a cavalry regiment to us. This will be more than enough to deal with Beiliang in the future."

Princess Chai was really speechless to Su Yan.

Fortunately, Su Yan's Black Bird Combat Legion did not arrive this time.

Otherwise, this little girl would have become even more lawless.

After thinking about it, Princess Che felt that we could conquer a few more countries. Well, in this way, even if other combat legions arrive, the empires and kingdoms around the Song Dynasty will be destroyed by their northern combat legion, and other combat legions can only attack empires and kingdoms that are far away.

Princess Che thought After thinking about it, he nodded and said,

"Okay, I will send a letter to Commander Mu Guiying, but Beiliang belongs to the Liyang Dynasty after all. The Liyang Dynasty may not watch Beiliang be destroyed. The two legions may not be enough to destroy Beiliang and the Liyang Dynasty. reinforcements"

"I will ask Commander Mu Guiying to dispatch two legions. This way we have three legions, 150,000 black armored legions, and it will be easier for us to destroy Beiliang."

Seeing that Princess Chai agreed, Su Yan flattered her with a smile and said, "My aunt is very thoughtful, so let's do it this way. In addition, let Hangzhou City send city guards to take over Nanzhao Kingdom as soon as possible."

"Well, I will notify Hangzhou City, Yan'er, what should I do with Bai Miao?"

"Auntie, since Bai Miao surrendered without resistance, and Bai Miao and Hei Miao also have a feud, we will support Bai Miao to contain Hei Miao"

"Is this good? Aren't you afraid that Bai Miao will rebel against us when he becomes stronger?"

"Auntie, we will become stronger and stronger in the future. If other combat legions arrive, Baimiao will have more than one million people in total. Will they dare to rebel? Are they capable of rebellion?"

"Okay, tomorrow we will meet the leader of Bai Miao first."

At this moment, in Bai Miao's priest temple,

Saint Aunt and her disciples Anu and Gai LuoJiao are discussing the matter of the Black Armored Legion.

Although Bai Miao surrendered without resistance, they are also worried that the Black Armored Legion will attack Hei. Like Miao's army, they massacred Bai Miao's surrendered army.

Anu said to the holy aunt with a worried look on his face, "Master, since we are worried that the black armored army will massacre our army, why do you still order the surrender?"

The holy aunt explained with a helpless expression on her face,

"Anu, are our more than 100,000 White Miao troops a match for the Black Armored Army? We couldn't even defeat Heimiao's army, but the Black Armored Legion destroyed all Heimiao's troops in just a few days. Will our army also be slaughtered by the Black Armored Legion?"

Anu was also very helpless after hearing the words of the holy aunt.

A war?

Their Bai Miao army is no match for the Black Armor Legion.

Now that the Bai Miao army of more than 100,000 people have surrendered,

Anu is very worried. The Black Armor Legion Just like the surrendered troops of the Black Miao, they massacred the surrendered troops of the White Miao.

"But the Black Armored Legion kills prisoners. If the Black Armored Legion also massacres our Bai Miao surrendered troops, we will be the sinners of the White Miao."

The holy aunt stood up and looked at her two disciples.

She was also betting that the general of the Black Armor Legion would not take action against the surrendered Bai Miao. Although this was a bit risky, there was nothing she could do. The

Black Armor Legion and She has seen the battles of the Black Miao Army.

The Black Armored Army is simply not a match for the White Miao Army.

"No, there is probably a reason why the Black Armored Legion massacred the Black Miao troops. The Black Armored Legion cannot wait until now if they want to massacre our surrendered White Miao troops."

"Two days have passed, and the Black Armored Legion has not massacred our Bai Miao surrendered troops. The Black Armored Legion will not massacre our Bai Miao surrendered troops again."

Chapter 1695

Anu and Gai Luojiao couldn't help but nodded when they heard Saint Aunt's explanation.

Saint Aunt was right.

Two days have passed.

If the Black Armor Legion wants to massacre Bai Miao's surrendered army, it is impossible to wait for two days. The queen will take action again.

Gai Luo jiao thought of the abominable Miao King and said hurriedly, "Master, where is the Black Miao King Miao? Do we really want him to hide in our priest temple all the time?" When the

Holy Aunt heard about the Black Miao King, she She really wanted to kill the bastard who killed the high priest with her own hands, but she couldn't do it for the sake of the high priest's child. If she killed King Miao, the high priest's only daughter would probably stay away from Bai Miao, and Bai Miao's high priest inheritance would also Completely ruined.

The saint's face looked ugly and she shook her head and said,

"No, he must leave, otherwise the Black Armor Legion will find out, and we Bai Miao will be massacred by the Black Armor Legion. The Black Armor Legion is looking for King Miao everywhere, and we cannot take risks.

Anu looked at Saint Aunt and said doubtfully, "Master, why didn't we tell the Black Armor Legion?" The life and death of the Black Miao king has nothing to do with us."

Hei Miao has been oppressing Bai Miao for more than ten years. Countless Bai Miao people were killed by Hei Miao, and the Black Miao King was also one of the murderers of the high priest.

Anu couldn't understand, her master Why did the Black Miao King hide in the priest's temple?

The holy aunt felt very helpless when she thought of Zhao Linger. If she could kill the Black Miao King? She would have killed him long ago, but she couldn't kill him. All this was for Zhao Ling'er and Bai Bai. The inheritance of the Miao future.

The Holy Aunt sighed helplessly, "Well, we all belong to the Miao ethnic group after all. Although the Miao King of the Black Miao is hateful, we cannot let the king of Nanzhao be captured in the priest temple of our White Miao."

Gailojiao asked worriedly, "But the Black Armor Legion discovered the Black Miao King. Master, have you thought about the consequences?"

"I will let the Black Miao King leave as soon as possible!"

At this time, outside the priest temple, the leader of the Moon Worshiping Cult in black robes appeared here. He looked at Bai Miao's priest temple and walked inside.

Black Miao was finished, and even the entire Nanzhao Kingdom was finished.

Worshipping the Moon The leader will never be able to control the Nanzhao Kingdom in the future, and he doesn't care now.

The leader of the Moon Worshiping Leader came this time to put an end to it. The high priest Bai Miao has been killed by him, and the high priest's daughter Zhao Ling'er has been captured by him. , there is only one Black Miao King left.

The Moon Worshiping Cult decided to reunite the high priest's family. Zhao Ling'er and the Black Miao King planned to sacrifice them all to the water monster.

In this way, Nuwa's descendants will be completely ruined, and the Moon Worshiping Cult will also be destroyed in the future. Don't worry about Nuwa's descendants growing up to take revenge on him

"who?" boom!

"Enemy attack! Enemy attack!"

"Priest guards, assemble quickly!"

"It's the leader of the Moon Worshiping Cult. It's the leader of the Moon Worshiping Cult. Please inform the Holy Aunt!"

"Guard the temple, guard all priests, quickly guard the priest temple"

"To prevent the Moon Worshipping Cult Leader, we must not allow the Moon Worshipping Cult Leader to enter the Priest Temple."

Except for Priest Shen Yun, after the leader of the Moon Worshipping Cult killed some of the priest guards, the guards guarding the Priest Shen Yuan all screamed. The leader of the Moon Worshipping Cult looked at these priest guards with disdain and said, "You don't overestimate your capabilities. , the white seedlings still didn't grow at all."

Boom boom.....

The leader of the Moon Worshipping Cult waved his hand casually, and he blew away the priest guards surrounding him. The guards of the Priest Temple were unable to stop the progress of the Moon Worshipping Cult Leader.

"King Miao, I found you."

After the leader of the Moon Worshipping Cult killed all the guards outside the Priest's Temple, he checked where the Miao King was and shook his head.

When the Miao King of Nanzhao was also in a panic, the Miao King was actually hiding in the woodshed of the Priest's Temple. , it was also the first time for the leader of the Miao King to see the dirty King of Miao.

Boom!

The leader of the Moon Worshiper broke a wall of the priest's temple.

He wanted to catch the Miao King quickly.

The leader of the Moon Worshiper was also worried about the strong men of the Black Armored Legion. Discover him, especially the monster. If that monster comes, the leader of the Moon Worshipping Cult will not be able to escape even if he wants to.

Wuwuwu.....

At this time, a thousand-man team of the Black Armored Legion discovered what was going on here. The warning horn was blown, and the Black Armored Legion also began to rush towards the Priest Temple.

"What happened?"

At this time, the holy aunts in the priest's temple first heard a huge roar, and then the sound of the horns of the black armored legions came over. They were in the secret room of the priest's temple and didn't know what was happening outside.

"Go out and have a look!"

"Yes, master!"

The holy aunt quickly appeared outside the priest's temple with Anu and Galojiao. When they were sure that the priest's guards were dead all over the place outside the priest's temple, they were all very angry.

"No, Lord Worshipping the Moon, let me go quickly, let go of me now"

"king? Are you still a king? What qualifications does a ruined country have to claim to be a king?"

At this time, the voices of the Black Miao King and the Moon Worshipping Cult Leader came from the broken wall of the Priest Temple.

Shenggu and Anu hurriedly looked over.

When they saw the Moon Worshipping Cult Leader grabbing the Black Miao King and coming out, they They were all very panicked.

The Black Armor Legion was about to come over. If the Black Armor Legion discovered King Miao, they would probably be executed by the Black Armor Legion, and even the entire White Miao army would be slaughtered.

Dong Dong Dong.....

A thousand-man team of the Black Armor Legion also rushed over.

A captain of a thousand men of the Black Armor Legion first saw Bai Miao's holy aunts, and then he saw a man in black robes grabbing a man in gold robes from the priest temple..

The captain became very angry after seeing the man clearly.

The Miao King of Nanzhao Kingdom?

Their black-armored army had been searching for the Miao King for two days in Dali City, but they actually hid in Bai Miao's priest temple. This must be the Bai Miao people secretly hiding the Miao King of Nanzhao.

The captain was so angry that he hurriedly ordered, "Archers, prepare crossbows! Shoot the enemy in front of you."

Whoosh whoosh whoosh whoosh.....

"Damn it, the Black Armor Legion arrived so quickly, we can't delay any longer."

The leader of the Moon Worshiping Cult did not expect that the black-armored army would arrive so quickly. After he shot away the bow and arrow, he quickly took King Miao and disappeared into the priest's temple. The captain saw the leader of the Moon Worshiping Cult disappearing instantly with the King of Miao.

There was nothing he could do.

The power of the immortal cultivators was not something that armies like them could stop.

However,

Bai Miao's holy aunt dared to hide the Miao king of Nanzhao secretly. They wanted to arrest him and hand them over to the commander of the army, Princess Chai, to deal with it.

"Holy Aunt Bai Miao, surrender immediately. The Miao King you secretly hide in Nanzhao has offended our Black Armored Legion."

The holy aunt, Anu, and Gai Luojiang were all very panicked.

This thing happened so suddenly.

They never thought that the leader of the Moon Worshiping Cult would come and take away the Black Miao King, and even the Black Miao King was hiding in the priest temple. They were discovered by the Black Armor Legion.

The Holy Aunts and the other girls were worried that if the general of the Black Armor Legion knew about it, their white seedlings would be in big trouble.

"Anu, Gai Luojiang, don't resist, otherwise it will bring serious disaster to us Bai Miao."

Chapter 1696

In the palace of Nanzhao Kingdom, the black-armored army escorted Bai Miao's holy aunt, master and apprentice. When the three masters and apprentices arrived, Princess

Chai and Su Yan were very surprised.

They did not expect that Bai Miao's holy aunt would dare to hide in Nanzhao Kingdom. Your Majesty, is Bai Miao seeking death?

Princess Chai said to Su Yan with a serious face,

"It seems that Bai Miao is also suspicious. Yan'er, is this how Bai Miao wants to deal with it? Have they all been killed?"

"We previously asked the White Miao to suppress the Black Miao, but this may not be possible. No matter what, the White Miao and the Black Miao are both Miao people. When

facing the disaster of genocide, the White Miao and the Black Miao may share the same hatred."

Su Yan nodded when he heard Princess Chai's words.

Bai Miao dared to hide the Miao King of Nanzhao this time.

This is because he had second thoughts.

Regardless of whether Bai Miao really surrendered this time, Bai Miao's surrendering army must Take control.

Su Yan thought about it and immediately said to Princess Chaocha,"Auntie, order the Black Armored Army to first control the more than 100,000 surrendered troops of Bai Miao."

"OK, I will personally lead the army to control the Bai Miao surrendering army."

Princess Che said and hurriedly took theThe secret guards have left.

I'm afraid Bai Miao's army also has different intentions. This time they must all be tied up. If not, they will all be trapped and killed.

"Someone, bring in the master and disciple of Saint Bai Miao"

"Yes, Princess!"

Su Yan was very speechless as she touched her chin.

She just said that she would use the bad relationship between Bai Miao and Hei Miao to rule the Nanzhao Kingdom. It seems that she has thought too much. Foreign races are foreign races. It seems that she still wants to trap them all. killed

"Kneel down!"

At this time, the secret guards escorted the three masters and disciples of the holy aunt to the main hall. The secret guards pushed the three saint aunts to the ground one by one.

"To report to the princess, the three masters and disciples of Holy Aunt Bai Miao are here."

Su Yan looked at the three holy aunts kneeling on the ground, and she shouted and asked expressionlessly,

"Holy Aunt Bai Miao, you are so brave. You know that the Black Armored Legion is arresting the King of Nanzhao, but you dare to hide the King of Nanzhao secretly. Aren't you afraid that I will slaughter your entire Bai Miao tribe?"

The three masters and disciples of Shenggu were very surprised when they heard the secret guard call the little girl the princess. They did not expect that the little girl turned out to be the daughter of Lord Wu Xiang of Hangzhou City. A little princess actually sacrificed her life. Taking the risk of leading an army to destroy the country, this little girl was too outrageous.

Su Yan's murderous tone made them even more panicked.

The three saint aunts all sensed murderous intent from Su Yan's tone.

"Princess, for the Miao king who hid in Nanzhao, this is what I did privately. Even if the princess kills me, I will not complain. I also ask the princess not to involve the Bai Miao people."

"Hey, do you think it's possible?"

"Princess?"

"Let me tell you, the Black Armored Legion has been dispatched. The more than 100,000 surrendered Bai Miao troops will be controlled, and all the Bai Miao people will be implicated by you."

"you.....Are you going to kill millions of people?"

"I would do it if possible. The Black Armored Legion has massacred millions of foreigners. You white Miao men are higher than the wheels of all the people who killed you, and the women have been slaves for generations."

Aunt Saint was surprised and shouted when she heard Su Yan's words,

"No, Princess, I did this all privately. Please forgive the Bai Miao people, Princess."

"Master, this little girl is a devil, we fight her"

"Yes, Master, if we don't resist, this demon will massacre our entire Bai Miao tribe."

Anu and Galojiao struggled and shouted to the holy aunt.

They were also frightened by this little devil.

A man was trapped and killed when he was taller than a wheel?

Women have been slaves and maids for generations?

This is what a little girl should say. If so? This little princess is a little devil, a little devil who kills without blinking an eye.

"Let me guess, why is this little girl becoming more and more cruel? Who did Su Yan learn from?"

At this time, above the palace,

Su Chen and the mermaid Delia appeared silently on the beam. He was very speechless when he heard what Su Yan just said.

However!

Su Chen thought about it and felt that it was nothing.

Su Yan's mother, Jingli, is an assassin who kills people without blinking an eye.

Her aunts are not ruthless people,

Ji Ruxihe? Yaoyue? Yan Fei? Shi Guanyin? Jellyfish Yinji, etc., these women are all in the world. Having killed countless people, it is not surprising that Su Yan has such a character.

The mermaid Delia looked at Su Chen and said angrily, "Su Chen, your daughter Su Yan is really cruel. How did you educate your daughter? of? Is she so cruel at such a young age?"

Su Chen shook his head and said,

"Delia, my daughter will manage a huge empire in the future. If she is a gentle woman in the future, will she be able to manage a powerful empire?"

"But you can't just massacre people at will, right?"

Su Chen hugged the mermaid's soft body, and he shook his head and explained,

"Delia, these are alien races, just like the orcs, elves, dwarves, and sea tribes in your western continent."

"Did the human empire in the West also massacre other alien races? As long as other alien races attack a human city, won't the humans in the city also be massacred by those alien races?"

"Those who are not of my race will have different minds. This is an unchanging law since ancient times."

Delia was silent after hearing Su Chen's words.

Su Chen was right.

The war in the Western Continent was more cruel than that in the Eastern Continent.

Orcs broke into human cities. Humans were either slaughtered in vain or captured as rations. Others The races are basically the same, even if they are kind-hearted elves, they will kill them all when faced with human invasion.

Su Chen looked at the silent mermaid Delia, and

Su Chen looked at the majestic Su Yan below. He would not stop this matter. Su Yan.

Su Yan is almost ten years old.

Some things Su Yan does are more perfect than him. Su Chen doesn't care whether Su Yan will massacre the Bai Miao people.

"Resist? What are you using to resist? Since you dared to hide the King of Nanzhao secretly, you should know the consequences of doing so. Didn't you see and hear the slaughtered army of Heimiao?"

The holy aunt looked at the secret guards holding crossbows around her. Although she was a cultivator in the Nascent Soul Realm, if she dared to resist, the Bai Miao people would really be massacred by Su Yan.

Besides, she didn't believe Su Yan There was no powerful immortal cultivator around, so the Holy Aunt could only comfort Anu and Gai Luojiang.

"Princess, there is a reason why we hid the King of Nanzhao secretly. This time it was my private decision, and the Bai Miao people didn't know about it at all. Princess, please don't involve the Bai Miao people."

Su Yan thought for a moment after hearing Aunt Saint's words and asked, "Oh, tell me your reason? If you can convince me, I can let the Bai Miao people go this time. Otherwise, the Bai Miao people will wait to be tricked and killed."

"Princess, the high priest of our Bai Miao tribe and the Black Miao king used to be husband and wife, but later....."

Chapter 1697

After the Holy Aunt heard what Su Yan said, she hurriedly told Su Yan the past events between Bai Miao and Hei Miao. Now she could only use the incident between the high priest and Zhao Ling'er to convince Su Yan. If you can't convince Su Yan with all this, I'm afraid Bai Miao will really be implicated in her genocide and be wiped out.

"You bastard, if you touch me again, I will bite you."

At this time,

Mermaid Delia stared at Su Chen with a red face.

This bastard,

Mermaid Delia did not expect that Su Chen would touch her, especially since this bastard's hand kept touching her waist. She is now He just wanted to kick this bastard away.

Su Chen didn't pay attention to the mermaid Delia, he still touched Delia's waist.

During the few days in Hangzhou, he didn't have time to talk to Delia, but now he has the opportunity Now,

Su Chen didn't care about taking advantage of the mermaid Delia for a while. This was regarded as his reward for sending Delia back to the Western Continent.

Su Chen smiled and said to Delia, "Delia, tomorrow You are about to enter the pool. How about letting me touch your fish tail then?"

"You are dreaming!"

When Delia heard Su Chen's words, she yelled at Su Chen angrily. Is this shameless pervert going to attack her this time?

During the few months that Mermaid Delia was in Hangzhou City, she I also know something about Su Chen.

This bastard is a shameless pervert. There are many beauties in the mansion, including beauties of all races, including snake demons, sparrow demons, snake women, female ghosts, and even legendary immortals.

However , , the mermaid Delia still has a crush on Su Chen, but she is not willing to commit herself to this bastard.

Besides, she is the princess of the mermaid kingdom and the sole heir of the mermaid kingdom, so it is impossible for Delia to marry Su Chen. Chen.

Su Chen held Delia in her arms and said in her ear,"Delia, mermaids don't have a taboo against touching fish tails, right?" Is it true that a mermaid's tail can only be touched by those close to her or her husband?"

"Why are you asking these questions? Su Chen, please don't do this nonsense, or I'll be really rude to you."

"oh? How can you be rude to me?"

"Shameless pervert, I will bite you to death!"

The mermaid Delia was very angry by Su Chen.

This bastard took advantage of her along the way, but this bastard even touched her fish tail.

Is the fish tail allowed to be touched by just anyone?

Delia is I want to bite this shameless pervert to death.

Damn it!

The mermaid actually bites?

How can a mermaid bite like a human woman? Will the mermaid Delia pinch his waist again in the future?

Su Chen looked at it with excitement Delia, who was blushing, bit him and wouldn't let go. Su Chen was not worried about being discovered. This place had been shielded by him with his space magic power. It was impossible for anyone below to discover his and Delia's existence.

Su Chen tightened his grip He hugged Delia tightly and looked down.

Although Delia was biting him hard, she was still measured.

With the strength of Delia's magician (Nascent Soul Realm), if Delia used With all his strength, a piece of meat had been bitten off his arm.

At this moment,

Su Yan was very speechless after hearing the words of the holy aunt.

After a long time, this still had something to do with that Zhao Ling'er. The death of Zhao Ling'er's mother turned out to be related to Hei Miao. Wang is related, and it can even be said that the Black Miao King is one of the murderers who killed Zhao Ling'er's mother.

But Zhao Ling'er still defends the Black Miao King so much? Doesn't Zhao Ling'er know that the Black Miao King is one of the murderers who killed her mother?

The Holy Aunt is here After saying this, she looked at Su Yan and continued,

"Princess, I let the Black Miao King hide in the priest's temple for the sake of the high priest's daughter Zhao Ling'er. If the Black Miao King is killed, Zhao Ling'er will definitely blame the entire White Miao tribe."

"I have no choice. If possible, I would like to kill King Heimiao with my own hands to avenge the high priest."

Su Yan nodded when he heard the saint's words.

That Zhao Ling'er is a holy mother bitch.

If the White Miao people really refuse to save the Black Miao King, Zhao Ling'er will indeed ignore the White Miao people.

"I understand, Holy Aunt, this is the last time. If you do something that makes me unhappy again, you should understand the consequences. Let the three of them go."

"Yes, Princess!"

"Thank you, Princess, thank you, Princess!" After the Holy Aunt heard Su Chen's words, she happily saluted Su Yan and said, this crisis has finally passed. Fortunately, this little princess is not an overbearing and unreasonable little girl.

"Little girl, you are so majestic now!"

"Father? How did you come?"

Su Chen suddenly appeared in the hall holding the mermaid Delia. He was very satisfied with Su Yan's handling this time. This little girl was not massacred as she pleased.

Delia blushed and immediately let go of her bite. Holding Su Chen's arm, this bastard would show up without notifying her.

She didn't know if she was discovered by the people in the hall. Delia was so shy that she couldn't even raise her head.

Su Yan saw Su Chen's appearance. She was very surprised.

She didn't expect that Su Chen would appear in Nanzhao. Could it be that her father was coming to take her back?

Shenggu master and apprentice were very surprised when they saw the two people who had just appeared.

Su Chen and Delia Their silent appearance did not surprise them.

After Su Yan called Su Chen's father, the three masters and apprentices looked at Su Chen in shock. They did not expect that Lord Wu Xiang of Hangzhou City would actually appear. Also arrived at Nanzhao Kingdom

"I was passing by here!" Su Chen stepped forward and touched Su Yan's hair and said with a smile.

Su Yan patted his chest when he heard Su Chen's words, "I was scared to death. I thought my father was going to take me back."

Su Chen looked at Su Yan speechlessly and continued,

"Yan'er, you have grown up a lot. Your mother and aunts and I will not be too strict with you in the future. However, you must think carefully before making any important decisions."

"Haha, I know!"

"Yan'er, your Black Bird Legion is coming soon. Don't disrupt your aunt Mu Guiying's military deployment. You should lead your Black Bird Legion to fight in the future."

"real? My army is coming?"

Su Yan was very happy when she heard that her Black Bird Legion was coming.

Although the Northern Combat Legion also obeyed her orders, the Northern Combat Legion was not her legion after all. She had no choice but to use the Northern Combat Legion. It wasn't that smooth.

Su Chen nodded and replied, "Well, your black bird army will arrive in a month at most."

When Su Yan heard Su Chen's confirmation, she smiled and looked at the blushing mermaid Delia next to her.

Su Yan did not expect that Delia would be with his father. Delia should not be at home in Hangzhou City. Has his father returned to Hangzhou?

Su Yan looked at the blushing Dili and smiled and wanted to tease her once. Anyway, this mermaid will be her father's woman in the future.

"Aunt Delia, why are you with my father?"

Chapter 1698

Mermaid Delia was confused when she heard Su Yan call her aunt, aunt?

Delia knew this title.

Su Yan often called Su Chen's other women aunt, but was she the woman of this bastard Su Chen? Could it be that Su Yan misunderstood her relationship with this shameless pervert?

Delia hurriedly waved her hands and said, "Su Yan, I am not your aunt, don't get me wrong."

Su Yan smiled slyly and said, "Really? Then why did I see you just now? Are you biting my father's arm? Is it okay to bite my father's arm if we are not close to each other?"

"I.....I....."

Delia was so embarrassed when she heard Su Yan's words that she didn't know how to reply. It was all because of that bastard Su Chen. If Su Chen hadn't made her angry, how could Delia bite that bastard.

Su Chen looked at all this with his hands folded. Delia's embarrassed look made Su Chen decide it was funny. This little girl Su Yan was really his good daughter. Was she helping his father pick up girls?

The three masters and disciples of Saint Aunt were very speechless when they saw all this.

Why did the painting style change so soon?

Why did this turn into an on-the-spot acknowledgment?

Anu looked at Saint Aunt and asked in a low voice, "Master, what should we do? Leave?"

"Wait, let's take a look first." The Holy Aunt looked at Su Chen and shook her head.

She felt that Su Chen seemed to have something to ask her. She just noticed that Su Chen looked at her and then at her two disciples. The Holy Aunt felt that Su Chen had something to ask her. It was as if they knew them.

Anu and Gai LuoJiao looked at each other after hearing the saint's words.

They were not willing to stay here.

That little girl Su Yan almost scared them to death just now.

The slaughter was the same as killing a chicken. They He was very afraid of the little devil Su Yan.

At this time,

Su Chen came over after hearing the conversation between Saint Aunt and her disciples.

He looked at Saint Aunt and asked directly,

"Are you the holy aunt of Bai Miao?"

Aunt Saint saw Su Chen coming to her and asked her.

She nodded and replied,

"good!"

Su Chen pointed to the cute Anu next to him and asked, "Is this your disciple Anu?"

"Yes!"

Su Chen looked at Saint Aunt and then at Anu.

Their mother and daughter didn't look alike. Even Anu and Jiu Jianxian didn't look alike. If she hadn't read the plot, Su Chen wouldn't have believed it. Nu is the daughter of the holy aunt and the wine and sword fairy,

"Holy aunt, I want to see Lin Qing'er's stone statue tomorrow, and I will go to the priest's temple tomorrow."

The Holy Aunt became nervous when she heard Su Chen's words.

The transformation of the high priest into a statue was not for just anyone to see. She was also worried that Su Chen would destroy the high priest's statue.

"Lord Wu Xiang, why do you want to see the stone statue of the high priest?"

Su Chen said with a smile when he saw Saint Aunt's nervous look,

"Don't worry, what would I do to a stone statue? I just admire Lin Qing'er very much. She would rather turn into a stone statue than seal the water monster. Such a woman is worthy of my visit."

"Thank you very much, Mr. Wu Xiang. We will wait for your arrival tomorrow."

"Holy aunt, you and Jiu Jianxian's daughter should get to know each other as soon as possible. This is unfair to your daughter."

"Wu Xiangjun, you... You actually know that, who told you?"

The holy aunt looked at Su Chen in surprise.

She didn't expect that Su Chen knew about her and Jiu Jianxian, but how could this be possible?

Even Jiu Jianxian didn't know about this matter. How did Su Chen know about it? ?

The holy aunt suspected that Su Chen knew exactly who her daughter was. Otherwise, why did Su Chen only ask Anu just now and not her other disciple Gai Luo Jiao?

Anu and Gai Luo Jiao heard that Su Chen. The conversation with Saint Aunt was very confusing.

Saint Aunt and Jiu Sword Immortal?

Children?

Master actually has a daughter?

Isn't it impossible for Bai Miao's Saint Aunt to get married?

How could Saint Aunt have a daughter with Jiu Sword Immortal?

They knew it was true when they looked at the saint aunt.

They were all very surprised and even wanted to know who the saint aunt's daughter was.

Su Chen smiled and replied,

"Don't worry, I only know about you and Jiu Jianxian, and Jiu Jianxian doesn't know that you have a daughter. It's been more than ten years. Holy aunt, you'd better get to know your daughter."

"I know, but I have to think about it again"

"It's up to you, you can leave!"

Su Chen shook his head when he saw the three masters and disciples of Saint Aunt leaving.

It can be said that Saint Aunt was loyal to Lin Qing'er. For Lin Qing'er, for Zhao Ling'er, even her daughter Anu died tragically in the end. Su Chen also thought Let Shenggu and Anu get to know each other earlier.

At noon, after Princess Che and Butterfly Demon came back,

Su Yan, Princess Che and Butterfly Demon also told Su Chen about Zhao Linger.

Su Chen heard about Zhao Linger Finally, there was an angry expression on his face.

Su Chen knew that Zhao Ling'er was kind-hearted and could even be said to be a virgin bitch, but Zhao Ling'er actually wanted to attack Su Yan, which made it impossible for Su Chen to forgive Zhao Ling'er.

If Zhao Ling'er didn't know that Su Yan is his daughter, which is understandable, but Zhao Ling'er clearly knows that Su Yan is his daughter, and Zhao Ling'er dares to take action against Su Yan, how can Su Chen not be angry.

Su Chen thought that if Jing Salad knew about this matter, Even if Ji Ruxi and those women knew it, Zhao Ling'er would not be able to survive even if he had ten lives. Zhao Ling'er

?

Let's go our separate ways in the future!

Su Chen will never see Zhao Ling'er again.

The kind-hearted Zhao Ling'er is probably not suitable for him.

Su Chen The women with him are basically ruthless people. Even if the remaining women are kind-hearted, they are not virgin bitches who can't distinguish between right and wrong. At this time, the butterfly demon took out three spiritual beads from his arms and pointed at Su Chen He smiled and said, "Su Chen, these are the remaining wind spirit beads, earth spirit beads, and fire spirit beads. I have collected them all for you."

"Yes, my little butterfly is still good." Su Chen hugged Butterfly Demon and kissed her.

Butterfly Demon was hugged and kissed by Su Chen in front of everyone.

This made her feel very shy, but she did not push Su Chen away.

Butterfly Demon The demon has long been attached to Su Chen.

Besides, she is a banshee, and the butterfly demon will not shirk anything from the worldly affairs of men and women.

Princess Chei looked at Su Chen and the butterfly demon and shook her head. I am speechless to this bastard Su Chen.

There are other people here, even his daughter, and this bastard does these shameful things.

Su Chen is a complete pervert.

The mermaid Delia clenched her fists and thought The bastard of Su Chen, just now this bastard still bullies her, now turning around and other women Qingqing me, this is very angry that the mermaid Dilia is very angry.

Su Yan watched Su Chen and Butterfly Demon Qingqing me, she was holding the table She took a look at these spiritual beads. They looked very beautiful, but they were far from the spiritual treasures given to her by Guanyin Bodhisattva and Our Lady of Wudang.

Su Yan couldn't understand why Su Chen wanted to collect these spiritual beads.

"Father, are these spiritual beads spiritual treasures?"

Chapter 1699

Butterfly Demon, Princess Che and Delia heard Su Yan's question. They were also very interested in the spirit beads on the table.

Especially the butterfly demon, she is very familiar with these spirit beads. These spirit beads look very beautiful, and even these spirit beads have some functions, but it is impossible to say that these spirit beads are spiritual treasures.

The power of Lingbao cannot be so small.

If these Lingbao are Lingbao, then Zhao Ling'er suddenly used Wind Lingzhu to attack her earlier. The butterfly demon cannot be simply repelled. She may even be seriously injured by the Lingzhu attack..

Su Chen took out the water spirit beads and thunder spirit beads from the system space. The five spirit beads of different colors were shining brightly.

He pointed at the five spirit beads on the table and explained to the girls,

"These spirit beads are all very powerful spiritual treasures. However, in the Shenyu Continent, these spirit beads have been sealed. The current spirit beads are just ordinary magic weapons."

"Wow, so beautiful!"

"They are very beautiful. The five kinds of spiritual beads are much better than ordinary jewelry."

"Big spiritual treasure? Sealed?"

"Su Chen, are these really powerful spiritual treasures?"

Su Yan, Princess Che and the other girls looked at the colorful spiritual beads on the table. They looked at these spiritual beads without blinking. If these spiritual beads were not spiritual treasures, these women would probably divide the beautiful five spiritual beads.

Su Chen put away the Five Spirit Pearls and said to the girls, "The Five Spirit Pearls are very difficult to obtain in the fairy world. When you go to the fairy world in the future, you will know how powerful the Five Spirit Pearls are."

Su Yan pulled Su Chen and blinked her big eyes and said, "I don't know how many years it will take before I can go to the fairy world. Father, with my talent in the realm of heaven and human, can't my seal be unlocked?"

Su Chen shook his head when he heard Su Yan's words.

This little girl has already reached the realm of heaven and human beings before she was ten years old. This is already very remarkable.

Unlock the seal?

Su Chen will not untie it for Su Yan.

If the seal is unlocked and

Su Yan becomes a powerful immortal cultivator at such a young age,

Su Yan will probably never grow up like Nezha. This is not what Su Chen wants to see.

"Yan'er, you are still young. Your seal cannot be broken, otherwise it will affect your body. You don't want to look like a little girl in the future. When you are fifteen or sixteen years old, your father will give it to you. Unseal"

"Well, I'll just live with it for another six years or so."

Su Yan shook her head hastily.

She didn't want to remain like a child forever.

If she stayed like this child from now on, it would be more uncomfortable than killing her.

Su Yan had to wait until he grew up to make a career. In the world, after she grows up, her father, mother, and even her aunts will no longer look after her. When the time comes, the world will be vast and the sky will be bright for her to roam freely.

Princess Che and the other girls were shaken when they looked at Su Yan Shaking his head,

Su Yan can be said to be very lucky.

With a father like Su Chen,

Su Yan, and Su Yue, these two girls will have great achievements in the future. They will become powerful immortal cultivators when they grow up, and even She would become the empress of a powerful empire.

At this time, by the valley lake thirty miles away from Dali City, the leader of the Moon Worshipping Cult and King Miao appeared in the house of Zhao Ling'er, who was imprisoned.

In the room,

Zhao Ling'er's cultivation had been sealed. The leader of the Moon Worshiping Cult was sealed. She was thinking about what she had done in the past few days with dull eyes. Zhao Ling'er didn't care at all about the arrival of the Moon Worshiping Cult.

"Zhao Linger, look who I brought here." The leader of the Moon Worshiping Cult shouted to the frustrated Zhao Ling'er.

King Miao looked at Zhao Ling'er in the room and asked in surprise, "Ling'er? Is this my daughter Linger?"

The leader of the Moon Worshiping Cult looked at King Miao and laughed and said,

"Ha ha....., Yes, King Miao, this is you and the high priest's daughter Zhao Ling'er, how about it? I have reunited your father and daughter. King Miao, should you thank me?"

"you.....You actually caught my daughter a long time ago?"

He didn't expect that Zhao Ling'er had been caught by the leader of the Moon Worshiping Cult. King Miao looked at Zhao Ling'er in front of him with very complicated thoughts.

This daughter he had not seen for more than ten years now appeared in front of him, but I'm afraid this was The last meeting.

King Miao knew that the leader of the Moon Worshipers would sacrifice Zhao Ling'er to the water beast, but he was powerless.

King Miao's life and death were also in the hands of the leader of the Moon Worshipers. He did not dare to oppose what the leader of the Moon Worshipers wanted to do. everything

"King Miao, I was also the one who caught Zhao Ling'er two days ago. This seems to be God's will. Since you agreed to me sacrificing your daughter, I didn't expect that Zhao Ling'er would appear outside Dali City. It seems that God has agreed to my sacrifice. Zhao Linger."

Zhao Ling'er trembled when she heard the words of the Moon Worshiping Leader and King Miao.

She didn't expect that her father, King Miao, was also captured by the Moon Worshipping Leader.

However, when she heard the Moon Worshipping Leader said that she would sacrifice her to the water Warcraft, and even her so-called father agreed, which made Zhao Ling'er turn pale and shed tears.

Is this her father?

Is this the father she was desperate to save a few days ago?

Zhao Ling'er thinks she is too stupid. For a father who killed her mother, for a father who wanted to sacrifice her to the water monster, she would actually take action against Su Chen's daughter, and even fight against her life-and-death friend Butterfly Demon. Zhao Ling'er's eyes were blank. She wanted to die, but she no longer had the face to see Su Chen.

King Miao looked at the Moon Worshipping Leader anxiously and asked, "Moon Worshipping Leader, you have already captured Ling'er, why are you still arresting me?"

The leader of the Moon Worshipping Cult smiled and said mockingly,

"King Miao, after much thought, I still think it would be better for you and your family to die together. King Miao, you are no longer useful. The Nanzhao Kingdom has been destroyed, and you are also a bereaved dog. You have no use value to me at all."

"you.....You want to sacrifice me to the water monster too?"

"Guessed it!"

King Miao was frightened when he heard what the Moon Worshipping Leader said. He didn't expect that the Moon Worshipping Leader would also sacrifice him to the Water Monster.

He didn't want to die, and he didn't want to be eaten by the Water Monster.

King Miao panicked. He shouted to the leader of the Moon Worshipping Cult,

"No, no, Lord of the Moon Worshipping Cult, I have agreed to you sacrificing my daughter. You cannot sacrifice me to the water monster. I am the king of Nanzhao Kingdom, I am the king of the Black Miao Tribe, and I still have millions of people. My subjects, I can still make a comeback, but you cannot sacrifice me."

The leader of the Moon Worshipping Cult was very disdainful when he saw King Miao who was greedy for life and afraid of death.

"The king of Nanzhao? Black Miao King? Do you think you still are? All the troops in Nanzhao could not deal with the 50,000-strong black-armored army. The black-armored army of Lord Wu Xiang of Hangzhou City numbered 600,000 to 700,000."

"King Miao, why do you make a comeback? A useless Nanzhao king is used to sacrifice to the water monster, which is the best thing."

King Miao collapsed on the ground after hearing the words of the Moon Worshipping Leader.

He knew that he was dead this time.

It is impossible to change the things decided by the Moon Worshipping Leader. Is he really going to be sacrificed to water by the Moon Worshipping Leader?

"Lord of the Moon Worshipping Cult, are you and King Miao the same people who killed my mother?"

Chapter 1700

Zhao Ling'er turned around at this time.

She looked at King Miao with a pale face and said nothing. This King Miao was no longer worthy of being her father.

Zhao Ling'er wanted to know whether her mother's death was like what Su Chen said.

She also wanted to know the truth before she was sacrificed.

After the leader of the worshipping moon heard what Zhao Ling'er said, he looked at the Miao King of Nanzhao whose expression changed drastically and smiled.

The leader of the worshipping moon felt that he told Zhao Ling'er what happened. Although Lin Qing'er's death was planned by him, But the person who is really afraid of High Priest Lin Qing'er is King Miao, and the leader of the Moon Worshipping Cult is just the one who takes the blame.

"Yes, King Miao believed that your mother was a snake demon and imprisoned your mother. All this was intentional on his part."

"If you, the so-called father, had not taken advantage of the Bai Miao people, your mother would not have been simply imprisoned. Although your father, the Miao King, was greedy for life and afraid of death, his disguise ability was not bad at all. Many things were done by the Miao King. Just go with the flow and do it"

"You don't think your Miao King father doesn't know that Nuwa's descendants are human and snake-tailed, right?"

"King Miao knew everything, but he was afraid. Both Bai Miao and Black Miao believed in Nuwa. Your father was afraid that your mother's prestige in Nanzhao would surpass him."

"The Miao king was afraid that his Nanzhao king, and even the black Miao king was just a decoration in the end, so he believed my lies and imprisoned your mother, and even used your mother to seal the water monster and turn it into a stone statue."

When King Miao heard the words of the Moon Worshipping Leader, he turned pale and shouted,"No, the Moon Worshipping Leader is lying, Ling'er, don't believe the Moon Worshipping Leader's lies."

The leader of the Moon Worshipping Cult looked at King Miao and said disdainfully,

"What a joke, will I, the Moon Worshipping Leader, deceive you at this time? I will sacrifice your father and daughter tomorrow. Do I still need to deceive Zhao Ling'er? King Miao, you are really a shameless hypocrite"

"Everything the Moon Worshipping Leader said is true, right?" Zhao Linger looked at King Miao expressionlessly and asked loudly.

When King Miao heard Zhao Linger's question to her, he laughed excitedly and said,

"Ha ha...., so what if it's true, I am the king of Nanzhao, the king of the Black Miao people. Your mother's prestige is too high. The White Miao people obey your mother's words."

"More than ten years have passed, and your mother has been dead for more than ten years, but the white Miao people have always refused to surrender to me. If your mother were still alive, I am afraid that the black Miao people would obey your mother's words."

"At that time, as the king of Nanzhao and the king of the Black Miao people, who else will obey my orders? I'm afraid I will be a puppet in the future. Is it wrong for me to do this?"

When Zhao Ling'er heard King Miao's words, she glared at him angrily. If she hadn't been sealed in the realm of cultivation, Zhao Ling'er would have killed her so-called father with her own hands.

"Okay, you father and daughter have also met. Tomorrow I will sacrifice you father and daughter together to the water monster."

The leader of the Moon Worshipping Cult grabbed King Miao, looked at Zhao Ling'er, and then went out.

He still has to prepare some rituals today.

Tomorrow,

Nuwa's descendants will completely disappear in the Shenyu Continent. After the water monster eats Zhao Ling'er, its strength will It will also advance to a very powerful level. At that time, the leader of the Moon Worshipping Cult will no longer be afraid of the powerful monster in the black armored legion.

At night, in the palace of Dali City, the mermaid Delia was swimming in a large pool. Swim, she has to spend some time in the water every three days.

Delia is not worried about that bastard Su Chen disturbing her now.

At night, she saw the pervert holding Butterfly Demon and Chai The princess went to rest.

At this time, that bastard must be doing bad things.

Delia also took advantage of Su Chen's lack of time, so she dared to swim freely in the pool.

Late at night,

Delia fell asleep in the small pool. , and at this time,

Su Chen suddenly appeared next to the small pond. He looked at Delia with a body and a fish tail and smiled instantly.

This was a good opportunity.

Su Chen had long wanted to touch Delia's fish. tail

"Shameless pervert, what are you going to do?"

Delia suddenly felt a familiar breath.

She opened her eyes and saw Su Chen appearing in the pool. This made her look very ugly.

This damn bastard,

Delia hurriedly flew out of the pool. Come out.

Damn it!

Why didn't Delia fall asleep? As soon as Su Chen jumped into the pond,

Delia jumped out of the pond, and her fish tail instantly turned into two long legs.

Su Chen was stunned when he saw this. He was very speechless.

Delia's vigilance must have been too strong. He didn't make a sound just now. When

Su Chen saw Delia staring at him with big eyes angrily, he was embarrassed and hurriedly said something. said,

"That was a misunderstanding. I was afraid that you would catch a cold while sleeping in the pond, and I just wanted to carry you back to your room to rest.

Delia asked Su Chen angrily, "Shameless pervert, do you think I will believe you?"

"I also think you don't believe this, Delia, then I'll go back to bed and you can continue taking your water bath."

Su Chen said and disappeared in an instant.

He came a step too late this time and even forgot to use space magic to hide his breath.

However, there will be many opportunities in the future.

If he fails this time,

Su Chen will be more careful next time. Approaching Delia.

After Su Chen returned to the room, he hugged the sleeping Butterfly Demon and Princess Che to sleep.

This time it was a failed sneak attack.

Su Chen did not expect Delia to be so alert.

Chapter 2 The next day,

Su Chen saw that the butterfly demon and Princess Che were still not awake, so he took Su Yan and the mermaid to the priest temple.

Along the way,

Su Yan chattered with Su Chen, while Delia kept With a cold expression, she still has not forgiven Su Chen for what she did last night.

In the priest temple,

Saint Aunt took Anu and Gai Luojaio. After waiting for Su Chen to arrive, they took Su Chen there. The most secret place in the priest's temple.

In a tiny priest's temple, a female statue was enshrined in the center of the temple.

Su Chen felt it was a pity when he looked at the statue in front of him. Lin Qing'er was really beautiful, even she Now she is a stone statue, but her beautiful face can still be seen

"Who are you?"

"Um?"

Su Chen suddenly heard a woman's voice. He looked around in confusion. There was no one else here at all, and the woman's voice just now was not the voice of a woman here.

"Su Chen, what's wrong with you?"

Delia saw Su Chen looking around, which made her very confused. They were the only ones here. What was this bastard looking at?

Su Chen looked at the women here and asked in confusion, "Didn't you hear a woman's voice?"

"Dad, there are only a few of us here, how can there be other women's voices?"
