

Zongwu 1811

Chapter 1811

Wanshou Mountain,

Wuzhuang Temple, the four masters and disciples of Tang Sanzang were tied up in the square.

They were surrounded by Taoist priests wearing Taoist robes. Each of these Taoist priests had a cultivation level of Xuanxian or above, and their strength was better than that of the heavenly soldiers in the heaven. Heavenly generals are much more powerful

"Wukong, what should we do now?" Tang Sanzang was tied to the stone pillar. He asked Sun Wukong in great panic.

Tang Sanzang did not expect that the old Taoist priest would be so powerful. Sun Wukong, Zhu Bajie, and Monk Sha were all killed without the ability to fight back. Caught.

Tang Sanzang knew that Sun Wukong not only ate the ginseng fruit, but also knocked down the ginseng fruit tree in the Taoist temple. If they could not solve it safely this time, they might be killed by the angry temple owner.

Sun Wukong looked around and smiled. Then he said, "Master, don't worry, I, Old Sun, will save the master and leave."

Sun Wukong is actually very uneasy in his heart.

Zhen Yuanzi's strength lets him know that there is heaven outside the world and there are people outside the world.

Sun Wukong has no ability to fight in front of Zhen Yuanzi. Zhen Yuanzi may rely on his strength. You can suppress him.

Sun Wukong also understood the reason why Su Chen asked him to realize it.

An old Taoist priest in a Taoist temple is so powerful, but what about the heaven that rules the prehistoric immortal world?

Are there no powerful beings in heaven?

Havoc?

Fight against the Emperor of Heaven?

Are you going to fight the King of Hell?

Do you really have that much ability?

Monkey King?

Why does Sun Wukong feel like a joke?

Zhu Bajie looked at Sun Wukong who was tied up next to him and asked, "Brother Monkey, it seems that Niubi Taoist won't let us leave. What should we do?"

Sun Wukong looked at the Taoist priests around him and whispered, "I will take you with me in the evening. Leave secretly."

Tang Sanzang and Monk Sha looked at Sun Wukong, and they knew better. Sun Wukong actually said that he could escape at night, so they really had a chance to escape.

"See the master!"

At this time, an old Taoist priest wearing a Taoist robe came over. The Taoist priests in the square saluted the old Taoist priest one after another. When

Zhen Yuanzi arrived in the square, he sat on a futon and said, "Tang Sanzang, you allowed your disciples to steal my ginseng fruit. What crime do you deserve for destroying my ginseng fruit tree?"

Zhen Yuanzi was also very angry.

He did not expect that the original Tianzun would unite with Buddhism to plot against him in order to repay the karma of Buddhism.

It even destroyed the foundation of his sainthood.

Although Zhen Yuanzi has no hope of becoming a saint. , but he still had some hope of becoming a saint, but Sun Wukong destroyed his ginseng fruit tree, and his last hope was cut off.

Although Zhen Yuanzi was very angry, he was also very helpless. Buddhism agreed to compensate. Zhen Yuanzi could not afford to offend the two Buddhist sages and the Primordial Heavenly Lord.

Tang Sanzang hurriedly apologized to Zhen Yuanzi and said, "Amitabha, Contemplator, this is my disciple's fault. Please atone for your sins.""

Zhen Yuanzi stared at Tang Sanzang and said loudly, "Atonement? What an atonement. Disciples, give me thirty lashes from Tang Sanzang. If you don't discipline your disciples strictly, I will let you suffer some hardships this time."

"Yes, master!"

When Sun Wukong heard Zhen Yuanzi's order, he hurriedly shouted,

"Wait, wait, Old Tao, it's me who stole the ginseng fruit, I was the one who ate the ginseng fruit, and it was me who knocked down the ginseng fruit tree. My master doesn't know all this, Old Tao, if you want to hit me, just hit me."

Sun Wukong doesn't want Tang Sanzang to be whipped.

Tang Sanzang is an ordinary person.

How can he be whipped?

But

Sun Wukong is not afraid of whipping.

He is not even afraid of Laojun's Eight-Handed Furnace.

This little There is no basis for whipping him. Even if he was whipped a hundred times, it would still be an attempt to tickle him.

"Um? You monkey still knows the mistakes you made. Well, disciples, give me thirty lashes from Sun Wukong."

"Yes, master!"

Papa pa pa pa".....

Zhen Yuanzi's disciples began to beat Sun Wukong.

"Wukong, can you bear it? Zhu

Bajie asked Tang Sanzang with a smile and said,

"Master, Brother Monkey is not even afraid of Laojun's Eight Pill Stoves. This flogging is just tickling Brother Monkey."

Sun Wukong pretended to be fine and said, "Nothing, master, this whipping is like scratching an itch for me."

Sun Wukong is in pain now and can't tell. He didn't expect that the whipping in this broken Taoist temple would be so painful. Not only does Sun Wukong's skin, flesh and bones hurt, but even his soul is in great pain.

Zhen Yuanzi heard that Sun Wukong If so, he touched his beard.

His whip was designed to hit steel and iron bones. Even the soul would be injured. Sun Wukong would definitely not be able to withstand this whipping. Zhen Yuanzi wanted to see how long Sun Wukong could endure it.

Whoosh!

This! At that moment,

Su Chen and Chang'e appeared in the square instantly.

When Zhen Yuanzi saw Su Chen suddenly appearing, he got up in a hurry and said with a smile, "Haha...., the arrival of the Emperor of Heaven will make the Five Villages of Lao Dao look splendid!"

"See the Emperor of Heaven!"

When the disciples of Wuzhuangguan saw Su Chen arriving, they saluted Su Chen one after another.

Su Chen waved his hands to the disciples of Zhen Yuanzi around him, and he smiled and clasped his fists at Zhen Yuanzi,

"Great Immortal Zhen Yuanzi, you're welcome."

Zhen Yuanzi asked Qingfeng Mingyue to prepare a futon and said, "Emperor of Heaven, Fairy Chang'e, please."

Chang'e was very embarrassed when Su Chen pulled her along. Is this shameless bastard trying to make her look embarrassed? She looked at Zhen Yuanzi and thanked,

"Chang'e would like to thank the Great Immortal Zhen Yuanzi."

Zhen Yuanzi nodded to Chang'e, and then looked at Su Chen.

Zhen Yuanzi found that Su Chen's cultivation level was still that of a human immortal, so he smiled.

Su Chen had advanced to the peak of the Golden Immortal. It seems that Su Chen It was intentional to hide the realm of cultivation

"Emperor of Heaven, we parted ways five hundred years ago. I never thought that when we meet again this time, you would become the Emperor of Heaven in the ancient immortal world."

Su Chen pulled the blushing Chang'e to sit down and thanked her,

"I would also like to thank Immortal Zhen Yuanzi for his help, otherwise I would not be able to become the Emperor of Heaven."

"Haha, Emperor of Heaven, you are what everyone expects, and being an expert is just the icing on the cake."

"Emperor of Heaven, Fairy Chang'e, please have tea."

At this time,

Qingfeng Mingyue brought tea to Su Chen and Chang'e.

Zhen Yuanzi said with some helplessness on his face, "Emperor of Heaven, ginseng fruit, I can't entertain the Emperor of Heaven anymore."

Su Chen looked at Zhen Yuanzi's aggrieved look.

He smiled and took out some 3,000-year-old and 6-year-old flat peaches.

Su Chen is now a golden immortal.

He can also taste flat peaches now. He doesn't know what flat peaches taste like. , he wanted to taste it this time.

After Su Chen threw a common flat peach to Qingfeng Mingyue next to him, he placed some six-thousand-year-old flat peaches in front of Chang'e and Zhen Yuanzi.

"If you don't have ginseng fruit, eat peaches. Great Immortal Zhen Yuanzi, please!"

"Zhen Yuanzi, thank you very much, Emperor Tian." Zhen Yuanzi touched his beard and smiled and thanked.

Su Chen ate the flat peach and looked at the four masters and disciples of Tang Sanzang, especially Sun Wukong who was still being whipped.

Su Chen smiled and ignored it.

Sun Wukong Lawlessness has destroyed Zhen Yuanzi's foundation for enlightenment this time. It is natural for Zhen Yuanzi to take out his anger on Sun Wukong.

"Su Chen, Emperor of Heaven, please save us."

Chapter 1812

In the square, the four tied masters and disciples of Tang Sanzang were very happy to see Su Chen arrive, especially Zhen Yuanzi's attitude towards Su Chen. They felt that with Su Chen here this time, they would definitely not Something happened.

Zhu Bajie saw that Su Chen was holding Fairy Chang'e, which made his pig head look very ugly.

However, when

Zhu Bajie thought about Fairy Chang'e's strength, his face became even more ugly.

Fairy Chang'e was actually a quasi-sage?

When Fairy Chang'e appeared next to Su Chen,

Zhu Bajie felt Fairy Chang'e's powerful aura. He did not expect that Fairy Chang'e, like the Queen Mother, was a quasi-sage in the ancient fairy world.

Zhu Bajie also understood that she and Fairy Chang'e were from two different worlds. A powerful quasi-sage was beyond his reach.

Moreover, the close relationship between Fairy Chang'e and Su Chen was probably even visible to children.

After Zhu Bajie thought about it, he shouted to Su Chen, "Su Chen, Emperor of Heaven, help us quickly."

Su Chen laughed when he heard Zhu Bajie's cry,

"Zhu Bajie, it's not you who got beaten. What's your name? Do you want to be beaten too?"

"No, Emperor of Heaven, please save us. We all know we were wrong."

"This is not what I am talking about, Zhu Bajie, you are asking for the Great Immortal Zhen Yuanzi."

At this time,

Sun Wukong couldn't bear the whipping anymore.

This magic weapon seemed to be specially designed to restrain his steel and iron bones. Sun Wukong could only ask Su Chen to help.

"Su Chen, I am willing to heal the ginseng fruit tree, please tell Zhen Yuanzi."

Su Chen looked at Sun Wukong and smiled.

He looked at Zhen Yuanzi and asked,

"Great Immortal Zhen Yuanzi, Sun Wukong wants to heal the ginseng fruit tree. Do you think you should let Sun Wukong try it?"

Zhen Yuanzi nodded and said,

"Okay, for the sake of the Emperor of Heaven, Sun Wukong, I will give you a chance. If you can't heal the ginseng fruit tree, then don't blame the old Taoist for being rude to you master and disciple."

Zhen Yuanzi had long been notified by Buddhism that

Buddhism wanted to help him heal the ginseng fruit tree. However, although the healed ginseng fruit tree was still a ginseng fruit tree, its foundation had been damaged. This was a fact that could not be changed.

Subsequently,

Zhen Yuanzi Yuanzi and Sun Wukong discussed how to cure the ginseng fruit tree.

Su Chen took a sip of tea and said with a smile.

"Chang'e, Zhu Bajie looked at you strangely just now. Could it be that Zhu Bajie hasn't given up on you yet? Fairy

Chang'e snorted coldly when she heard Su Chen's words, "Huh, a little golden fairy, I couldn't kill him with just one little finger.""

Fairy Chang'e has always hidden her cultivation when she was in heaven. Zhu Bajie never paid attention to her teasing Chang'e.

A little fairy, if it weren't for Zhu Bajie being a disciple of the human religion,

Fairy Chang'e would have destroyed Zhu Bajie long ago.

Su Chen After hearing Fairy Chang'e's words, she smiled and said

"Haha, Chang'e, don't worry anymore, your quasi-sage cultivation has been exposed"

"Moreover, all the immortals in the prehistoric immortal world know about your relationship with me. No immortal will dare to have any wrong thoughts about you in the future. Fairy

Chang'e glanced at Su Chen and said in embarrassment,

"Huh, what about you?"

"you are mine!"

"Bah, I'm not yours"

"Ha ha....., who can say for sure from now on."Su Chen hugged Chang'e and laughed and said,

Su Chen is now the emperor of the ancient immortal world.

Who dares to compete with Chang'e in the future?

Besides, with Fairy Chang'e's quasi-sage cultivation, those old guys in the ancient immortal world are not good at women. Color, who in the prehistoric fairy world can be worthy of Fairy Chang'e?

At this moment, after Sun Wukong and Zhen Yuanzi discussed it, he flew away directly.

Sun Wukong originally wanted Su Chen to help, but he thought that although Su Chen was in the heaven The new Heavenly Emperor, but Su Chen is just a little human immortal. It is better to ask for Su Chen than other powerful immortals.

"God, give me some peaches, old pig, I'm a little hungry."After Zhu Bajie was released, he came to Su Chen and said.

Su Chen was speechless at the thick-skinned Zhu Bajie.

He took out some three-thousand-year-old flat peaches and gave them to Zhu Bajie and said,"Here they are, Zhu Bajie, and also for your master and Sha. The monk brings some"

"Haha, thank you Emperor Su Chen."Zhu Bajie ran back with a smile while holding more than a dozen flat peaches.

Su Chen shook his head when he looked at Zhu Bajie.

However,

Tang Sanzang was really a blessed man.

Tang Sanzang, the reincarnation of Golden Chanzi, whether it was flat peaches or ginseng fruits, Tang Sanzang can enjoy it.

This is much better than him.

Three days later, the relationship between Su Chen and Fairy Chang'e is getting better and better.

No, it should be Su Chen who took down Fairy Chang'e.

Chang'e now treats Su Chen She was also filled with hatred that this bastard had shamelessly had sex with her.

Chang'e regretted coming to Wuzhuangguan with this bastard. If she had not come to Wuzhuangguan, such a thing would not have happened.

Fairy Chang'e looked at Su Chen While still lying on the bed, she shouted angrily, "If you don't get up yet, today is the time when Sun Wukong will arrive."

Su Chen waved his hand and replied,

"I'll take a break."

Su Chen is also very depressed.

Immortals are different from ordinary people.

Su Chen can still deal with the Third Holy Mother Yang Chan in front of her, but Fairy Chang'e is a quasi-sage.

Su Chen failed miserably in front of Fairy Chang'e. He has no face to see Chang'e now.

Chang'e He directly pulled Su Chen and shouted, "You bastard, get up quickly, Guanyin Bodhisattva will laugh at us when he arrives.""

"Haha, don't worry, if Guanyin Bodhisattva dares to laugh at you, I will take down Guanyin Bodhisattva too."

"You are such a shameless pervert."

Su Chen sat up and hugged Chang'e and kissed her.

For the sake of future happiness,

Su Chen decided to practice hard in the future.

Otherwise, he might not be able to handle any of the women like Guanyin Bodhisattva, the Queen Mother, and the Queen Mother of the West.

Women like Guanyin Bodhisattva are all In preparation for the Holy Power, Su Chen was a little worried about those women.

He couldn't even handle Chang'e, and he couldn't even handle women like Guanyin Bodhisattva and the Queen Mother.

Su Chen hugged Fairy Chang'e's water snake waist and said with a smile," Madam, let's go out and see how Buddhism can cure the ginseng fruit tree in Zhen Yuanzi. Fairy

Chang'e shook her head and said,"The foundation of the ginseng fruit tree has been destroyed. Even if it is cured, the foundation of the ginseng fruit tree will not be restored. Zhen Yuanzi has no hope of becoming a saint in his life.""

"Is there anything else to say?"

"Well, the Great Immortal Zhen Yuanzi relied on the ginseng fruit tree to achieve enlightenment. The Great Immortal Zhen Yuanzi and the ginseng fruit tree can both prosper at the same time. If the ginseng fruit tree destroys the foundation, Zhen Yuanzi's foundation will naturally be destroyed."

Su Chen understood after hearing Fairy Chang'e's words.

This is a good plan of Buddhism.

Zhen Yuanzi's Taoist temple is stuck between Dongsheng Shenzhou and Xiniu Hezhou, which also blocks the way to the east of Buddhism. This is a plan of Buddhism against Zhen Yuanzi. Yuanzi is a powerful Taoist who can knock down mountains and shake tigers.

"Husband, you don't want to help Zhen Yuanzi, do you?"

Chapter 1813

Taiyin Star,

Chang Xi fidgeted with a look of embarrassment.

She did not expect that Chang'e would have a relationship with Su Chen.

Chang'e was her good corpse.

Although the connection between them was broken and

Chang'e became an independent individual, they After all, they are one body. Even if the connection is broken, there are still some places where they are not completely disconnected. She had been feeling uncomfortable last night.

Chang Xi's face was full of shame and anger, and he cursed coldly, "Damn bastard, I will never let that shameless pervert go in the future."

At Wuzhuang Temple,

Su Chen shook his head when he heard Chang'e's words.

He didn't have the ability to cure ginseng fruit. The root of the tree.

In the plot,

Guanyin Bodhisattva also used the three-light divine water in her jade bottle to heal the ginseng fruit tree in Zhen Yuanzi. As for whether the root of the ginseng fruit could be cured, Su Chen didn't know.

"I don't have that much ability. Fairy

Chang'e reminded Su Chen with a cold look on her face.

"Husband, Zhen Yuanzi is being plotted this time, so don't get involved. Even if you can cure it, you don't want to do it. When we become stronger in the future, you can do whatever you want."

Fairy Chang'e knows something about Zhen Yuanzi being plotted against.

This is three powerful saints plotting against Zhen Yuanzi. Chang'e is also worried that Su Chen will get involved and cause trouble.

This bastard just doesn't make people worry,

Su Chen's ability to get into trouble is very powerful, and Chang'e is also very worried about this bastard.

"I see!"

At almost noon, after Sun Wukong invited Guanyin Bodhisattva,

Guanyin Bodhisattva also used the Three Light Divine Water to heal the ginseng fruit tree.

However, the root of the ginseng fruit tree was still not healed. Su Chen could tell from Zhen Yuanzi's face. Zhen Yuanzi's face. Motoko looked at the ginseng fruit tree and sighed, "Oh, thank you Guanyin Bodhisattva!"

Guanyin Bodhisattva said with some embarrassment, "Great Immortal Zhen Yuanzi, there is nothing I can do about the foundation of the ginseng fruit tree."

Guanyin Bodhisattva knew that Zhen Yuanzi had a good relationship with Su Chen, but this time it was a disaster arranged by the saints, and Guanyin Bodhisattva was powerless to save the foundation of the ginseng fruit tree.

Zhen Yuanzi waved his hand and said indifferently, "Forget it. This can be regarded as my fate. Buddhism has already compensated me. Guanyin Bodhisattva does not need to feel guilty."

Zhen Yuanzi then prepared to entertain Su Chen and Guanyin Bodhisattva with ginseng fruits.

When Zhen Yuanzi went to order the Taoist boy to prepare,

Su Chen pulled Guanyin Bodhisattva aside and asked, "Guanyin, Haotian's Is the matter settled?"

Guanyin Bodhisattva said to Su Chen with a serious face,

"Su Chen, we were still a step too late. When we returned to Heaven, Haotian had already gone to Chaos Zixiao Palace."

"Chaos Zixiao Palace is the place of cultivation for Taoist ancestors. Except for the saints in chaos, I am afraid no one knows where Zixiao Palace is, unless Daozu personally summons it."

Guanyin Bodhisattva was talking to Su Chen.

She looked at Chang'e with a strange expression.

Guanyin Bodhisattva didn't expect that Su Chen had captured Chang'e.

This bastard, it's only been a few days?

This bastard Su Chen is a shameless pervert..Chang'e blushed when she noticed Guanyin Bodhisattva's expression.

She guessed that Guanyin Bodhisattva had discovered her relationship with Su Chen.

It was all because of Su Chen, a shameless pervert. If Guanyin Bodhisattva knew about it, all the women in the court would probably know it. You know, Fairy Chang'e wants to strangle this bastard now.

Su Chen also noticed the expression on Guanyin Bodhisattva's face when he looked at Chang'e.

He didn't care about it.

Su Chen also had no intention of hiding his woman,

Fairy

Chang'e. He saw the Queen Mother and those women. I will tell them.

After Su Chen heard Guanyin Bodhisattva's words, he touched his chin and said with an ugly expression, "So, it was Tao Ancestor who took Haotian to Zixiao Palace."

Guanyin Bodhisattva nodded and said,

"Well, we think so too, Haotian should have been picked up by Daozu."

Su Chen cursed angrily,

"Damn it, I'm afraid Dao Ancestor is not willing to lose Heavenly Court. If Haotian loses his position as Heavenly Emperor, he will also lose the huge fortune in Heaven. In this way, Dao Ancestor will also lose the fortune in Heaven."

Chang'e heard Su Chen's words beside her and asked in confusion, "Does the Taoist have the destiny to be in heaven?"

"Chang'e and Haotian are the children of Taozu. As long as Haotian has the luck of heaven, Taozu will also have the luck of heaven."

"Then the Queen Mother was also a virgin of the Taoist ancestors. Didn't the Taoist ancestors also have the heavenly destiny of the Queen Mother?"

Su Chen nodded when he heard Chang'e's words and said, "Well, I have to find a way to solve this matter."

"Su Chen, this matter is very trivial. Don't act rashly."

Guanyin Bodhisattva looked at Su Chen with an ugly face.

She was worried that Su Chen would cause trouble again.

This bastard was a troublemaker.

If Guanyin Bodhisattva didn't remind this bastard, he might really cause trouble again.

Su Chen He nodded and replied, "I understand, Daozu, he is someone I cannot provoke now."

Dao Ancestor, this is the most powerful existence in the prehistoric world besides the way of heaven. He is also an old scheming person whose calculations are unparalleled in the world.

The innate demon gods in the prehistoric era were all plotted to death by Dao Ancestor Hongjun. The only one left no room for death. The demon raised his eyebrows, he still fled to Chaos to escape the disaster.

At this time,

Mingyue, the boy who Zhen Yuanzi came to salute and said,

"Emperor of Heaven, my master invites Emperor of Heaven, Guanyin Bodhisattva and Fairy Chang'e to taste ginseng fruit."

"Okay, let's go there now!"

Su Chen nodded when he heard Mingyue's words. Su Chen has never eaten ginseng fruit. All the ginseng fruits in his system space were given to his women. This time he will eat a few more ginseng fruits. In the main hall of Wuzhuang Temple Tang Sanzang's master and his disciples also sat on their seats. After Su Chen, Guanyin Bodhisattva, and Fairy Chang'e arrived, everyone here stood up and saluted. Zhen Yuanzi looked at Su Chen and said with a smile, "Emperor of Heaven, these ginseng fruits were invited to the Emperor of Heaven, Guanyin Bodhisattva, and Chang'e to taste them."

"

"Thank you very much!"

Su Chen looked at the nine ginseng fruits on the table and smiled.

Zhen Yuanzi is really generous.

Zhen Yuanzi only had more than twenty ginseng fruits left in total.

This time he took out nine ginseng fruits.

Su Chen and the others Everyone got three ginseng fruits.

The four masters and disciples of Tang Sanzang felt miserable when they saw Su Chen.

In front of them were some ordinary fairy fruits. Their status was incomparable with Su Chen.

After the banquet started,

Fairy Chang'e He looked at Su Chen and said,

"Su Chen, I will leave with Guanyin Bodhisattva in a while. I will go back to Taiyin Star to discuss something with Sister Chang Xi. I also want to study the small Zhoutian star formation you gave me with Sister Chang Xi."

Su Chen thought about it and said with a smile,

"That's fine. I still want to go with Tang Sanzang to obtain scriptures. It's not convenient for you to be with me."

"Su Chen, please stay calm on this journey. Buddhism attaches great importance to this Buddhist scripture study. Please don't cause any trouble for me."

Chapter 1814

When Su Chen heard Guanyin Bodhisattva's reminder, he was very speechless.

He had been busy with the matter of seeking Buddhist scriptures.

He was involved in the plot, but Su Chen never contributed or caused trouble.

Su Chen also knows that studying scriptures is very important to Buddhism.

He is still a weak little scumbag. Su Chen is powerless even if he wants to cause trouble.

"Guanyin, don't worry, I will just be a soy sauce existence along the way. I will not cause trouble to the four masters and disciples of Tang Sanzang, nor will I cause any big trouble."

"As long as you know!"

Guanyin Bodhisattva nodded when he heard Su Chen's words.

Su Chen didn't cause any trouble along the way.

He only started from Wuzhuang Temple.

The four masters and disciples of Tang Sanzang officially embarked on the mission to obtain scriptures.

Xiniu Hezhou is better than Dongsheng Shenzhou. There are many monsters. Even after the majesty of Heaven was trampled by Sun Wukong, many monsters gathered in Hezhou, Xiniu.

Buddhism has no plans to clean up this monster now.

The four masters and disciples of Tang Sanzang have to go through disasters to obtain scriptures.

Some Buddhists are preparing The good disaster, coupled with the disaster of the monsters causing trouble, only when Tang Sanzang's master and his disciples finished studying Buddhist scriptures, Buddhism would clean up the remaining monsters that caused trouble.

"Emperor Su Chen, I would like to give you a toast!"

At this time,

Zhen Yuanzi came and toasted to Su Chen and said,

"Invite the Great Immortal Zhen Yuanzi!"

Su Chen also stood up and raised his glass and said, why is this old Taoist priest here again?

Zhen Yuanzi doesn't have anything to say, right? Su Chen was very confused when he saw Zhen Yuanzi hesitated. Has this old otaku been hit too hard by Buddhism this time?

Zhen Yuanzi looked at Guanyin Bodhisattva and Chang'e, and he said with a complicated expression, "Emperor of Heaven, I wonder if Zhen Yuanzi can join the Heavenly Court?"

Su Chen was very surprised when he heard Zhen Yuanzi's words, "Great Immortal Zhen Yuanzi, are you serious?"

Guanyin Bodhisattva and Chang'e also looked at Zhen Yuanzi with surprised faces.

Zhen Yuanzi was one of the few remaining people of the older generation in the ancient times. The three thousand Hongke in Zixiao Palace were now gone. , if a powerful person like Zhen Yuanzi joins the Heavenly Court, the powerful response to the Heavenly Court will be very great.

Zhen Yuanzi nodded towards Su Chen and said,

"really!"

"Why join Heaven?"

Su Chen looked at Zhen Yuanzi and continued to ask.

Zhen Yuanzi wanted to join Tianting.

Su Chen was very happy, but if Zhen Yuanzi, an old otaku, joined Tianting, he would only do it to take advantage of Tianting's luck and not intend to go out. If he wanted to work hard, Su Chen would not agree.

Zhen Yuanzi explained to Su Chen with a serious face.

"Emperor of Heaven, you should also have a certain understanding of Old Tao. For tens of millions of years, Old Tao, I have not fought, nor have I participated in things in the ancient world. However, there are some things that Old Tao cannot hide from."

"I have also thought about it. I have no hope of becoming a saint. What is the use of practicing behind closed doors in the future? I might as well do something vigorously in the future."

Zhen Yuanzi doesn't want to continue practicing in obscurity anymore.

This time Buddhism and Chanjiao can jointly plot against him, and I'm afraid they will plot against him again in the future.

What's the point of being aloof from the world?

So what if you don't offend anyone? What should Zhen Yuanzi do ? Being plotted or being plotted, this time his ginseng fruit tree can be plotted, but tomorrow he may be plotted for his complete downfall.

Zhen Yuanzi doesn't want to continue practicing like this, and Su Chen's rise makes Zhen Yuanzi feel that it is an opportunity. It can be regarded as a backer.

There are more than a dozen quasi-sage powers behind Su Chen. This is the most powerful force in the ancient immortal world. Zhen Yuanzi also wants to be the emperor of heaven before Su Chen goes to heaven.

He is Joining Su Chen's camp at this time, although it is not a help in times of need, it should be regarded as the icing on the cake.

Su Chen understood what Zhen Yuanzi said after hearing what Zhen Yuanzi said.

Zhen Yuanzi should have known in his heart that he would not participate in the destruction of the ginseng fruit tree. Things in the prehistoric fairy world do not mean that they are not calculated. I am afraid Zhen Yuanzi has also seen this clearly.

"I see!"

Zhen Yuanzi looked at Su Chen and continued to ask, "Does the Emperor of Heaven agree to let the old man join the Heavenly Court?"

Su Chen nodded and assured Zhen Yuanzi, "Great Immortal Zhen Yuanzi, you are one of the four emperors in heaven. After I go west to obtain scriptures this time, I will return to heaven. See you in heaven then!"

"Haha, thank you God!"

Zhen Yuanzi was very happy when he heard Su Chen's words.

One of the four emperors in heaven?

This is the existence of the only emperor of heaven.

Su Chen did not disappoint him.

Zhen Yuanzi felt that his decision this time was The clearest decision in his life.

Guanyin Bodhisattva and Chang'e both looked at Su Chen and smiled.

They were also happy that Su Chen could get a powerful power.

Zhen Yuanzi, a quasi-sage power, was in the prehistoric fairy world. Except for the saint, his strength ranks among the top three.

One day passed, and the next day,

Guanyin Bodhisattva and Chang'e left. Su Chen also continued to the west with the four masters and disciples of Tang Sanzang.

Wuzhuangguan here,

Su Chen's gains were huge.

After surviving a catastrophe, he not only became the Heavenly Emperor of the Ancient Immortal Realm, but his strength also rose to the peak of the Golden Immortal. He even obtained Zhen Yuanzi, a powerful quasi-sage. The work of the powerful.

Su Chen made a lot of money during his trip to Wuzhuang Temple, no!

Su Chen also got a very beautiful fairy Chang'e.

On the way to learn the scriptures, the four masters and disciples of Tang Sanzang kept looking at Su Chen, they all couldn't understand why Su Chen would go with them to obtain scriptures when he was already the Emperor of Heaven?

Zhu Bajie couldn't help but asked Su Chen,

"Su Chen, you are already the Emperor of Heaven, why are you still going to learn scriptures with us! Su

Chen smiled and said nonsensically, "Zhu Bajie, you have to start and finish everything. Since I promised Guanyin to help you go to the West to learn scriptures, I must keep this promise.""

Zhu Bajie shook his head and said,

"Why do I feel that you are not helping us to learn scriptures, but you are traveling around like a noble prince?"

"Does it make a difference?"

"No difference?"

"Isn't it possible to enjoy the scenery when traveling to the West to learn Buddhist scriptures?"

"There are a lot of monsters and monsters along the way to the West to learn Buddhist scriptures. Who is in the mood to see the scenery?"

"me!"

"Forget it, I, an old pig, am speechless for you."

Su Chen and Zhu Bajie followed the people in front of them. On a large mountain, the four masters and disciples of Tang Sanzang and Su Chen were resting here.

At this time,

Tang Sanzang ordered Sun Wukong, "Wukong, go and transform. Let's fast, the master is a little hungry."

Sun Wukong looked at the surrounding mountains, and he reminded Tang Sanzang,

"Master, this is a wilderness, and there is still evil spirit here. We should leave this area and look for food."

I guess!

Isn't this the plot of Three Fighting Bone Demons?

Su Chen suddenly saw some farm tools and some jars scattered around.

He looked at Sun Wukong with sympathy.

This monkey was going to suffer this time.

Chapter 1815

Su Chen couldn't help but smile when he saw the scene here.

If Sun Wukong was driven away by Tang Sanzang this time, would Sun Wukong come back?

Sun Wukong is no longer the Sun Wukong with a silly plot. Sun Wukong may have learned some secrets.

Su Chen was not sure whether Sun Wukong would come back after being driven away, but it was none of his business and he could just watch the show later.

Zhu Bajie looked at the wasteland next to him and shouted to Sun Wukong, "Brother Monkey, you see there are still some farm tools left in the wasteland here. This means that there should be people nearby. What kind of monsters are there?"

"Idiot, can't you feel the evil spirit?"

"Brother Monkey, I feel it, but don't we often feel evil spirits along the way? But none of those monsters attacked us. The monster energy here may have been left by the monsters passing by."

Tang Sanzang is really hungry.

He, a mortal, cannot compare to gods like Sun Wukong.

"Wukong, just go and prepare some vegetarian food. As your master, Bajie and Wujing will protect you, nothing will happen to you."

Sun Wukong thought about it and Zhu Bajie was right.

They felt a lot of demonic energy along the way, but those demons didn't attack them.

Sun Wukong drew a circle around Tang Sanzang and the others on the ground. "Okay, Master, but for the sake of safety, you all stay in this circle and don't come out."

"Amitabha, my teacher understands."

Su Chen watched Sun Wukong leave and sat drinking.

After a while, the White-bone Demon will arrive disguised as a woman, and Tang Sanzang, an ordinary man, will start to be fooled.

But, is the White-bone Demon the unlucky guy Shi Ji who intercepted the teaching? It stands to reason that Shi Ji has been enshrined in heaven, so what kind of demon is the white-bone demon here?

Half an hour later, a delicate woman came over with a basket. Tang Sanzang, Zhu Bajie, and Monk Sha also saw the arrival. Woman.

Su Chen was resting on a tree and looked at this delicate woman.

Su Chen didn't have piercing eyes, and he couldn't tell whether this woman was a monster.

However, in the plot, this woman was possessed by a white-bone spirit.

At this moment, the white-bone spirit The possessed woman's eyes lit up when she looked at Tang Sanzang.

A month ago, there was a rumor among the monsters that eating Tang Sanzang's meat could lead to immortality.

Although the White Bone Demon didn't believe it,

Tang Sanzang was right in front of her. The White Bone Demon didn't care whether the rumor was true or not. Really, she wants to give it a try

"Elders, where are you going?"The White Bone Demon walked not far away from Tang Sanzang and asked with a smile.

Tang Sanzang called the Buddha's name and replied,"Amitabha, female donor, our master and disciple are going to the West to obtain scriptures."

Zhu Bajie looked at Bai Gujing and shouted,

"Female donor, what are you doing? This is a wilderness, aren't you afraid of monsters?"

"Ah, monster!" When the White Bone Demon saw Zhu Bajie's appearance, he pretended to be scared and shouted. When Tang Sanzang saw the frightened woman, he hurriedly explained, "Donor woman, don't be afraid, this is the disciple of the poor monk, he is not a monster."

"It turns out that I am a disciple of the elder. I went to deliver food to my husband. The elder....."

As the White Bone Demon spoke, he slowly approached Tang Sanzang and his disciples.

Suddenly, the White Bone Demon sensed danger.

She felt that something would happen if she walked toward Tang Sanzang and his apprentice. The White Bone Demon immediately stopped.

Su Chen looked at the White Bone Demon and stopped, which made Su Chen curious.

In the plot, the White Bone Demon was knocked out by the circle drawn by Sun Wukong.

Not only did Tang Sanzang's master and his disciples not close their eyes to rest, but the White Bone Demon also seemed to feel danger.

It seems the plot has changed.

Su Chen watched the White Bone Demon and his apprentice Tang Sanzang talking. The White Bone Demon had always wanted Tang Sanzang and his apprentice to come over and eat the food she had brought.

Su Chen shook his head.

Although the plot has changed a bit, the progress is still exactly the same.

"Emperor Su Chen, can you come over here?"

At this time, a woman's voice suddenly reached Su Chen's ears.

Su Chen became vigilant when he heard the woman's voice.

He had been paying attention to the White Bone Demon just now, but he didn't expect that someone was approaching him without noticing it.

Su Chen looked at He sent a message to one side and asked,

"who?"

"Emperor of Heaven, I am Shi Ji from Jiejiao."

Whoosh!

When Su Chen heard that it was Shi Ji who was teaching Jie, he disappeared instantly without thinking.

On the edge of a cliff,

Su Chen saw a woman in white standing here.

Shi Ji saw Su Chen When she appeared, she hurriedly saluted Su Chen and said,

"Jie Jiao Shiji, see the Emperor of Heaven!"

Su Chen looked at this unlucky Shi Ji.

Shi Ji was also very beautiful, with a delicate face, a tall figure, and an elegant, gentle and sexy personality. She was also a famous beauty in the prehistoric fairyland.

In the prehistoric world There seems to be no ugly fairies in Jiejiao, especially in Jiejiao.

The beauties in Jiejiao are very famous, including the Three Holy Mothers, Sanxiao Empress, Shiji, Golden Light Madonna, Fire Spirit Madonna, Caiyun Fairy, Han Xiazhi, etc., each of these beauties is more beautiful than the last.

Su Chen waved his hand to Shi Ji and asked in confusion, "Shi Ji, why are you here?"

Shi Ji hurriedly explained to Su Chen, "Emperor of Heaven, I came to Skull Mountain this time for my body. I came to Skull Mountain after consulting my senior sister, the Golden Spirit Mother."

Shi Ji was worried that the new Emperor would not allow her to go down to the lower world privately.

Although the Wudang Virgin, the Golden Spirit Virgin, and the Yunxiao Fairy were closely related to Su Chen, she had never met Su Chen, the new Emperor, and did not understand Su Chen. Character.

Shi Ji was also worried that Su Chen was an emperor of heaven who did not recognize his relatives.

Su Chen continued to ask after hearing Shi Ji's words, "Corpse, is that white-bone spirit transformed from your corpse?"

Shi Ji said sadly when he heard Su Chen's words,

"Yes, I was killed by Taiyi Zhenren who taught me that time, and my soul was sucked into the list of gods. It was not until I was made a god by the heaven"

"The Emperor of Heaven, Haotian, did not allow our Jiejiao disciples to go down to the lower world. I have never been able to take back the corpse in the Bone Cave of Skull Mountain, but I didn't expect that my corpse would be transformed again."

Let me gather it together, can a corpse continue to transform?

What is Shiji's body?

How can he continue to transform after death?

Could it be that Shiji's body is really the Sky-Mending Stone left behind by Empress Nuwa.

Su Chen I think it should be correct, and only the Heaven-Mending Stone may have the potential to continue practicing transformation.

Thinking of this, Su Chen asked Shi Ji, "Shi Ji, what are you going to do with this white-bone spirit?"

"Emperor of Heaven, the White Bone Demon has done many evil things and it is not a pity to die. However, my corpse has been riddled with karma by the White Bone Demon. All I want to do is....I want to please....."

Shi Ji couldn't continue talking.

She was blushing and embarrassed and didn't know how to speak.

But without Su Chen's help, her body might really not be recovered.

"What do you think? Shiji, let's agree first, I won't sacrifice my appearance to help you."

Chapter 1816

Su Chen laughed when he heard Shi Ji's words.

He understood what Shi Ji meant.

After Shi Ji's corpse transformed from the Bone Spirit, the Bone Spirit killed innocent people and gained countless karma.

Shi Ji wanted Su Chen to use heavenly merit to purify her body.

Otherwise, if Shi Ji fuses her corpse, those karmas will also be inherited by Shi Ji.

However,

Shi Ji would come to him to purify her body. This was probably the idea given to Shi Ji by the Golden Spirit Mother.

When Shi Ji heard Su Chen's words, he was speechless and said,

"Emperor of Heaven, I just want Emperor of Heaven to remove the karma from my corpse."

Shi Ji shook her head when she thought of the words of Our Lady of the Golden Spirit.

She originally didn't believe that Su Chen would be a shameless pervert, but now her thoughts were shaken. The warning of the Holy Mother of the Golden Spirit to her made Shi Ji wary of Su Chen. Get up

"Shiji, the merits of heaven are very precious. Why do you think I can help you purify your body? Shi

Ji looked at Su Chen and smiled and said, "Emperor, my senior sister said you can help me. If the Emperor refuses, senior sister Jin Lingsheng will come in person.""

I guess!

Is Shi Ji threatening him?

Damn it!

Is the Holy Mother of Jin Ling trying to kill him?

Su Chen was very speechless when he heard Shi Ji's words.

If he really doesn't help Shi Ji, what about the Holy Mother of Jin Ling ? I am afraid that the beautiful lady will really come.

After the arrival of Holy Mother Jinling,

Su Chen will help Shi Ji purify the body.

Thinking of this, Su Chen itched his teeth at Holy Mother Jinling. What Shi Ji said must be the saint of Jinling. The beautiful lady taught her that the Holy Mother of the Golden Spirit was sure to kill herself.

Su Chen shook his head and said to Shi Ji, "I agree. When the White Bone Demon is killed, I will purify your body."

"Thank you, God!"

"Let's go over and take a look. There's a lot of movement there. Shiji, we can only watch for a while and don't worry about other things."

"Yes, Emperor of Heaven."

When Su Chen and Shi Ji arrived at Tang Sanzang's place,

Sun Wukong was being scolded by Tang Sanzang, and the body of a woman was lying next to him.

Zhu Bajie was originally watching Tang Sanzang scold Sun Wukong, when he saw Su Chen with a beautiful and elegant The woman arrived.

This made him very confused.

This place was in the wilderness.

How could Su Chen bring a beautiful woman to her after going out for a while?

"Su Chen, who is this fairy?"

Su Chen curled his lips and started talking nonsense.

"My little maid!

Zhu Bajie shouted when he heard Su Chen's words, "What?" You went to seek Buddhist scriptures with us and even brought a maid with you?"

Zhu Bajie is also very helpless towards Su Chen.

They are seeking Buddhist scriptures, and they are all monks.

How can any monk bring a beautiful woman to seek Buddhist scriptures with them?

If they bring a beautiful woman to seek Buddhist scriptures, I'm afraid Others would think that they are all unruly monks.

Su Chen patted Zhu Bajie's pig head and said, "Zhu Bajie, what are you yelling at?" My maid will stay for a few days"

"Well, by the way, Su Chen, Brother Monkey killed an innocent woman just now, and the master is scolding Brother Monkey."

"Not a monster?"

Zhu Bajie said doubtfully next to Su Chen,

"I had previously suspected that the woman was a monster, but the body was that of a human woman. I am afraid that Brother Monkey accidentally killed a human woman."

Zhu Bajie also suspected that the woman was a monster before, but after Sun Wukong killed the woman, Zhu Bajie checked several times and found that the woman was a human being. She was not a monster.

Zhu Bajie also had some doubts about Sun Wukong's words.

Shi Ji stood quietly behind Su Chen.

She had heard in heaven that people like Tang Sanzang went to obtain scriptures, but could these weak people protect Tang Sanzang?

Also,

Su Chen just called her a Maid.

She, the Taiyi Golden Immortal, was actually called a maid by Su Chen?

Su Chen was indeed just as the Jinjin Holy Mother said, she was an inconspicuous person.

At this time, after Sun Wukong was reprimanded by Tang Sanzang, he came to Su Chen complained, "Su Chen, what I killed just now was definitely a monster."

"real?"

Su Chen smiled when he saw Sun Wukong's depressed look.

Of course he knew that Sun Wukong was killing monsters, but it was impossible for Su Chen to say so.

Sun Wukong still had to survive this disaster.

Otherwise, the monsters he encountered along the way would But there are many.

If Sun Wukong is stopped by Tang Sanzang every time he kills demons, then something may really happen when he goes west to obtain scriptures.

Only through this disaster can Tang Sanzang know that he has wronged Sun Wukong, and Tang Sanzang will treat Sun Wukong in the future. Listen to your words.

Sun Wukong patted his chest and promised,

"Of course, I, Old Sun, have piercing eyes. I can tell whether a monster is a monster at a glance."

Su Chen pointed at Shiji when he heard Sun Wukong's words and asked, "Sun Wukong, can you see if she is a monster?"

When Sun Wukong heard Su Chen's words, he looked at Shi Ji.

Sun Wukong found that he couldn't see this woman clearly, which made Sun Wukong immediately vigilant.

He couldn't see clearly the origin of this woman, which shows that this woman is stronger than him. It's even possible that the body is hidden so that he can't see it.

"Su Chen, who is she?"

Su Chen saw Sun Wukong's confused look and smiled and said, "Sun Wukong, can't you see? Sun

Wukong shook his head and replied, "I can't tell, Su Chen, is she a human or a demon?"

"It's a fairy!"

"Immortal?"

"Well, the immortal in heaven!"

"What is she doing here?"

"I have something to ask you."

Sun Wukong didn't care after hearing what Su Chen said.

As long as this woman is not a monster, he will not bother to care about the relationship between Su Chen and this woman.

After a while,

Tang Sanzang and others were on the road again.

Su Chen and Chang'e were far away this time. He followed Tang Sanzang's master and apprentice at a distance, even hiding his aura. After a while, the White Bone Demon would still appear.

Su Chen was also worried that the White Bone Demon would find Shi Ji and would not dare to appear.

Shi Ji followed Su Chen with his aura hidden and thought However,

Su Chen wouldn't let her kill the White Bone Demon, and Su Chen wouldn't kill the White Bone Demon himself. She didn't understand what Su Chen's purpose was.

"Su Chen, why didn't you just kill the Bone Demon?"

"The White-bone Demon is just a little monster. In addition to her ability to change and escape, it should be very easy for you to kill the White-bone Demon."

Su Chen shook his head and replied, "Shi Ji, you will understand if you continue reading."

It's impossible for Su Chen to tell Shi Ji the cause and effect of this matter.

It would be very troublesome for him to explain it. It's better for Shi Ji to look at this matter.

If Shi Ji can understand it, it's naturally best. If she can't understand it, Su Chen Chen won't say much.

"Brother, I feel that the true body is coming!"

At this time, the incarnation of the ruthless empress suddenly said to Su Chen

"What? The ruthless empress came from the wild world to the wild fairyland?"

Chapter 1817

Su Chen was very surprised when he heard the words of the ruthless empress's incarnation.

The wild world was very far away from the ancient world of immortality.

How could the ruthless empress come to the ancient world of immortality?

Could it be that the incarnation of the ruthless empress was sensed by the ruthless empress?

Or was he discovered by the ruthless empress when he used the Sky-Swallowing Mill Jar and Ghost Face Mask to overcome the tribulation?

What should he do?

The strength of the Ruthless Empress should be very powerful.

In the prehistoric fairy world, the Ruthless Empress was either the Great Luo Golden Immortal or the Taiyi Golden Immortal. It was impossible for Su Chen to let the women

of Guanyin Bodhisattva kill the Ruthless Empress. This matter Things are going to be troublesome.

Su Chen hurriedly asked the incarnation of the empress, "Nanny, has your body discovered you?"

Nannan replied in a cold voice,

"Brother, the main body must have discovered me. Brother, I don't want to be swallowed by the main body. I don't want to never see my brother again."

Su Chen was very speechless when he heard Nannan's words.

I'm afraid things won't be easy to solve this time.

The swallowing mill jar and the ghost face mask are okay, but the incarnation of the empress may not be easy to solve.

Su Chen thought about it and said to Nannan He comforted, "No, Nannan, you have nothing to do with your body now, and my brother will not let your body swallow you up.""

"Thank you, brother. Brother, I have a body now. Even if the body wants to devour me, it is not that easy. When I become stronger, the body will no longer be able to devour me."

"Okay, brother will help you become stronger"

"Thank you brother!"

Su Chen talked with Nannan for a while and then looked around.

The fact that the ruthless empress was able to arrive in the ancient world so quickly forced Su Chen to make some preparations for the arrival of the empress.

In case of a conflict with the ruthless empress,

He is no match for the ruthless empress.

Su Chen thought for a while and said to Shi Ji next to him,

"Shiji, please go back to heaven and ask the Queen Mother and one of the Wudang Virgins to prepare. I may be in trouble. I will call one of them to come over and help later."

"Do you need my help?"

Shi Ji was shocked when he heard Su Chen's words.

Su Chen is now the Emperor of Heaven in Heaven, and there are more than a dozen quasi-sage powers behind him. Who else dares to cause trouble to Su Chen in the prehistoric fairy world

?

Su Chen looked at Shi Ji and mocked, "You? You are too weak, you can't help me with this."

"snort!"

Shi Ji snorted unhappily when he heard Su Chen's words,

This bastard, is he looking down on himself?

" However,

Shi Ji thought of Su Chen's ability to cause trouble. If this bastard provoked some powerful people, she would indeed help. It was nothing to do.

She glared at Su Chen and disappeared.

Su Chen smiled bitterly when he saw Shi Ji leaving.

It had only been a month since the Tribulation, and he encountered trouble again without expecting it.

The plot of Journey to the West was bigger than before. The plot of "Havoc in Heaven" is really much more difficult, no!

It should be that he caused too much trouble by seeking death. Su Chen felt that his ability to commit suicide was too powerful.

"Monster, go there!"

Su Chen suddenly heard Sun Wukong shouting loudly, and he didn't care about it now.

The ruthless empress was coming soon, and

Su Chen had to think about how to deal with the ruthless empress.

At this moment,

Tang Sanzang saw that Sun Wukong had killed another old woman,

He was so angry that he began to recite the Tightening Curse.

Sun Wukong rolled on the ground in pain and begged for mercy, "Ah ah ah, master, don't recite it, don't recite it.""

"Master, Brother Monkey knows you are wrong, so stop reading it."

"Master, senior brother already knows that he is wrong. Master, it's better not to read it anymore."

Zhu Bajie and Monk Sha looked at Sun Wukong's pain, and they all pleaded with Tang Sanzang. Zhu Bajie and Monk Sha were very puzzled by Sun Wukong's abnormal behavior. Sun Wukong had killed a woman before, and this time for no reason. He killed an old woman. They all checked and found that both the woman and the old woman were human beings, and there was no evil spirit in their bodies. Zhu Bajie and Monk Sha also wanted to be confused as to why Sun Wukong wanted to kill these ordinary humans, and even kept saying loud It was called a monster. Sun Wukong was in pain and hurriedly begged Tang Sanzang for mercy,

"Master, stop reading, stop reading, I will never dare to kill innocent people again."

Tang Sanzang looked at Sun Wukong and said seriously,

"Wukong, this is the last time. If you do it again, you can go back and forth from there. I don't want a disciple like you."

"Yes, Master, I, Mr. Sun, have remembered it."

Sun Wukong nodded hurriedly and replied.

However,

Sun Wukong was very angry. He had been tricked by the monster twice.

Tang Sanzang could not tell the previous woman with the old woman with his naked eyes. It was transformed by a monster, but he has fiery eyes. How could Sun Wukong not see it? He must kill that monster, and then let Tang Sanzang see what the monster really looks like.

"Keep on going!"

"Yes, master!"

Su Chen shook his head after looking at this.

Tang Sanzang was really a pedantic monk.

Sun Wukong saved him many times along the way, and even got whipped for Tang Sanzang at Zhen Yuanzi's place.

Has Tang Sanzang forgotten all this? ?

Sun Wukong has hard work even if he has no merit. Monks are all ruthless and unrighteous people.

However,

Sun Wukong is really pitiful as a monkey.

Tang Sanzang is now a monkey trick, and Sun Wukong is a monkey. If he doesn't obey, he will be punished. Beat up.

Monkey King?

The Sun Wukong who was put under a tight curse is just an obedient puppy.

Whoosh!

"who?"

Su Chen suddenly felt a strange aura appear next to him, and he hurriedly checked his surroundings vigilantly.

"Who do you think I am?"

"Nanny?"

Su Chen shouted nervously after seeing a woman in white appearing.

Why did the ruthless woman arrive so quickly?

And the ruthless empress turned out to be a Da Luo Jinxian.

In the wild world, the ruthless empress should be an immortal king. The existence of the pinnacle.

But why can't he clearly see the appearance of the Ruthless Empress?

Su Chen felt as if there was something stopping him from checking the appearance of the Ruthless Empress.

However, the tall figure of the Ruthless Empress was exactly the same as the incarnation of the soul.

She was tall. The perfect figure, as big as it should be, as perky as it should be. With the perfect figure of the ruthless empress, anyone who sees it will think that the ruthless empress is a stunning beauty. The ruthless empress said to Su Chen in a cold and indifferent tone ,

"Su Chen, no, should I call you brother?"

Su Chen coughed in embarrassment after hearing the ruthless empress' words,

"Ahem, nanny, eh! Ruthless Empress, it stands to reason that I am your brother. However, you can also say that I am not your brother. Just think of me as that acquaintance flower."

Chapter 1818

The ruthless empress felt in a trance when she heard Su Chen's words.

A similar flower?

How could Su Chen be an acquaintance?

He was obviously his brother, but why?

Why is my brother so kind to the incarnation of a trace of Yuan Shen in the Tiantian Mill jar?

Su Chen not only restored the body for the incarnation of Yuanshen, but also helped the incarnation of Yuanshen improve its strength.

Will the incarnation of the soul replace him?

The ruthless empress became very angry when she thought of this.

"Hand over my soul incarnation."

Su Chen said helplessly after hearing the words of the Ruthless Empress, "The Ruthless Empress, your soul incarnation already has a body, and Nannan has nothing to do with you. Please let the Ruthless Empress let her go."

The Ruthless Empress heard Su Chen call her Nannan, and her face immediately turned cold.

The Ruthless Empress is the real Nannan. Su Chen can only call her Nannan. She is Su Chen's real sister.

"Shut up, the incarnation is not Nannan, I am the real Nannan"

"well! Ruthless Empress, I have regarded your incarnation as my sister. You can make conditions. Do you want a spiritual treasure or a treasure? You can even make a promise. As long as I can do it, I will definitely do it."

"Just you, a little monk who has just ascended to the immortal world? With your strength, what treasures can you have? What conditions can you promise me?"

Su Chen was very confused when he heard the words of the ruthless empress. How did the ruthless empress know that he had just ascended to the immortal world?

Ugh!

Su Chen didn't count as ascending.

After all, he had not yet become an immortal when he arrived in the ancient immortal world.

Su Chen thought about it now It was no time to ask these questions.

He looked at the hazy ruthless empress and said,

"The ruthless empress, you can unlock the treasures and conditions at will. If I can't do it, you can regret it." boom!

"Monster, you are dead this time."

At this time,

Sun Wukong was fighting against the Bone Demon again.

Neither Su Chen nor the Ruthless Empress paid attention to Sun Wukong. They looked at each other and fell silent.

After hearing Su Chen's words, the Ruthless Empress didn't care. I understand why Su Chen has such confidence.

Her brother has just arrived in the Great Desolate Immortal Realm from the Divine Meteor Continent.

Although he is a small human immortal, he is still at the bottom of the Great Desolate Immortal Realm. Such a little monk has the ability to What kind of person would say such big words?

"I want the top elixir, do you have it?"

"The elixir?"

Su Chen was confused when he heard what the Cruel Empress said about the elixir.

Isn't the elixir just a fairy fruit that can increase longevity?

Is the Cruel Empress's lifespan approaching?

Or is the Cruel Empress planning to live another life?

However,

Su Chen checked the vitality and blood of some of the ruthless empresses, and it seemed that the ruthless empress's life was approaching. The ruthless empress thought that Su Chen didn't know about the elixir, so she explained to Su Chen coolly,

"The elixir of death, in your prehistoric fairy world, is the top-grade innate spiritual fruit, the flat peach of the Queen Mother of Heaven, the ginseng fruit of Zhen Yuanzi, and the Huangzhong pear, these are all top-notch elixirs."

Su Chen heard that the ruthless empress wanted this, he smiled and continued to ask,

"that's it? How much do you want?"

The ruthless empress clenched her fists tightly.

She didn't expect her brother to be so arrogant.

Flat peach!

Ginseng fruit!

Huang Zhongli!

These top elixirs are in the hands of some powerful people in the ancient fairyland. Even she herself can't snatch them away. Come on, how could his little scumbag brother do it?

The ruthless empress snorted coldly and said loudly.

"Huh, one hundred flat peaches, they must be six thousand year old flat peaches, ten ginseng fruits, and three yellow pear, can you do it?"

"make a deal!"

"Um?"

"Can you really do it?"

"This is a trivial matter to me, come and taste the flat peaches, six thousand years old flat peaches."

Su Chen smiled and took out some six-thousand-year-old flat peaches.

He hurriedly handed them to the Ruthless Empress.

Su Chen didn't expect that the Ruthless Empress wanted these top-grade immortal fruits. This was too simple for him.

Ruthless The empress was stunned when she saw the dozen flat peaches that Su Chen gave her.

How is this possible?

Aren't the flat peaches belonging to the Queen Mother in Heaven?

The Queen Mother is an immortal emperor (quasi-sage), and

Su Chen is just a little human immortal.

It was impossible for him to have these top-notch elixirs, so how could her brother have the elixirs?

The ruthless empress couldn't see her brother clearly.

The ruthless empress looked at Su Chen and asked complicatedly, "These six thousand How did you get the flat peaches?"

"Someone gave it to me."

Su Chen said with a smile while eating three-thousand-year-old flat peaches.

For Su Chen, there are as many flat peaches as he wants.

Although Su Chen didn't know how many Huangzhong pears the Queen Mother of the West had, he asked the Queen Mother of the West for Huangzhong pears. Don't think about it. He would also give it to himself.

If Su Chen asked Zhen Yuanzi for the ginseng fruit, Zhen Yuanzi would give it to him without hesitation.

After all, Zhen Yuanzi is now his subordinate, and he will not let Zhen Yuanzi If you give ginseng fruit to others for free, Su Chen who deserves compensation will also compensate Zhen Yuanzi

"Who gave it to you?"

"He is the king of heaven....."

"Ahhhh, it hurts me so much, master, what I killed was indeed a monster. Didn't you see that white skeleton?"

At this time,

Sun Wukong shouted in the distance.

Su Chen heard Sun Wukong's shouting.

He guessed that the White Bone Demon had been destroyed, so Shi Ji's body should be the white skeleton. Su Chen Decide Xian collected Shi Ji's body first to avoid any accidents.

Su Chen waved to the ruthless empress and said, "Nanny, I'll deal with some things first. You come with me!"

"Can!"

The Ruthless Empress heard Su Chen call her nanny, and her heart suddenly trembled.

How many years has it been?

She finally heard her brother call her that again.

When Su Chen and the Ruthless Empress appeared next to Sun Wukong,

Su Chen frowned when he saw Sun Wukong writhing in pain. He did not expect that Sun Wukong would be in such pain.

Su Chen looked at Tang Sanzang who had his eyes closed and was still reciting the tightening curse. Tang Sanzang did not listen to the pleas of Zhu Bajie and Monk Sha. Su Chen Chen looked at Tang Sanzang full of disgust.

Su Chen shouted to Tang Sanzang with a cold face,

"Tang Sanzang stopped reciting the tightening curse."

When Tang Sanzang heard Su Chen's words, he called him Buddha and said,

"Amitabha, Emperor Su Chen, and Sun Wukong refused to obey discipline and killed innocent people indiscriminately. The poor monk wanted to punish Sun Wukong."

Su Chen waved his hand to Tang Sanzang and said,

"Now that the punishment is over, there is no need to keep reciting the tightening curse."

Tang Sanzang said to Su Chen with an angry look,

"Sun Wukong kills people again and again. If I don't punish Sun Wukong severely, I don't know how many innocent people this monkey will kill in the future."

Su Chen was a little angry when he heard what Tang Sanzang said.

Su Chen didn't expect that he had asked Tang Sanzang to stop, but Tang Sanzang dared to go against his words.

"Tang Sanzang, if you dare to recite one more word, I will let Guanyin Bodhisattva take away Sun Wukong's tightening curse. If you want to die, just keep reciting it."

Chapter 1819

Tang Sanzang trembled in his heart when he heard Su Chen's words.

If Su Chen let Guanyin Bodhisattva take Sun Wukong's tightening spell, Sun Wukong might not let him go.

Tang Sanzang was also scared now.

He looked at Su Chen and hurriedly made a Buddha name,

"Amitabha!"

Zhu Bajie and Monk Sha were very confused when they looked at Su Chen.

They did not expect that Su Chen would say this.

However,

Zhu Bajie and Monk Sha thought that

Sun Wukong was also a Monkey King. Tang Sanzang had recited Sun Wukong more than ten times this time. The tightening curse.

The majestic Monkey King was writhing on the ground in pain, which made them feel very chilled.

Su Chen looked at Tang Sanzang with disdain, and he walked to Sun Wukong.

"Monkey, are you okay?"

Sun Wukong looked at Su Chen and nodded, saying,

"Su Chen, thank you very much!"

Su Chen waved his hand and said, "You're welcome. After all, we both went to heaven at the same time."

Sun Wukong laughed at himself when he heard Su Chen's words,

"But your luck and mine are worlds apart. No matter what you do, everything goes smoothly. Now you are even more respected as the Emperor of Heaven. What about me? A fooled monkey?"

Su Chen was a little surprised when he heard Sun Wukong's words.

Su Chen guessed that Sun Wukong might know that he was a puppet. Sun Wukong even guessed that everything for him had been arranged.

Su Chen shook his head and reminded Sun Wukong,

"Sun Wukong, there is no destiny without strength. If you want to control your own destiny, strength is the most important thing."

"I see."

Sun Wukong nodded.

He understood what Su Chen meant.

Sun Wukong knew that he could only be an obedient puppet if he didn't have the strength.

Otherwise, the curse just now would be his fate.

Su Chen nodded to Sun Wukong and looked at Shi Shi Ji's corpse, the white skull indeed has a lot of karma on it. It seems that this white skull is Shi Ji's corpse.

"Are you the Emperor of Heaven?"

The ruthless empress looked at Su Chen and asked doubtfully. The monk and the monkey just now called Su Chen the emperor of heaven. This made the ruthless empress very surprised.

Su Chen is just a little human immortal, a human immortal. How could he be called the Emperor of Heaven?

"how? Don't you look like it?"

"Do you like it?"

"I feel like I am very much like the Emperor of Heaven"

"Huh, Emperor of Heaven is not someone you call casually. If Haotian, the Emperor of Heaven in the prehistoric fairy world, knew about it, it would be hard for you not to die."

"Ha ha....."

Su Chen laughed when he heard the words of the Ruthless Empress.

The Ruthless Empress still cared about him.

The bond between him and the Ruthless Empress was brother and sister. The Ruthless Empress probably also believed that he was her brother.

"Sun Wukong, from today on, you are no longer my disciple, and I am not your master. You can go back and forth from there."

At this time,

Su Chen heard that Tang Sanzang was about to expel Sun Wukong.

He curled his lips and stopped meddling.

Su Chen was already meddling in his own business just now. Su Chen didn't want to meddle in his own business and ruin the plot.

Whoosh whoosh whoosh.

Suddenly, the Queen Mother, Wudang Holy Mother, and Queen Mother of the West suddenly appeared next to Su Chen.

They looked at the ruthless empress and frowned.

Su Chen asked Shi Ji to inform them that there was trouble.

The girls were panicked at that time. Now,

Su Chen causes a lot of trouble every time. They don't know what kind of trouble Su Chen has caused this time.

But, why does a woman from the wild world appear next to Su Chen? Could it be that this Daluo Jinxian is looking for Su Chen? Trouble?

"You are here."

When Su Chen saw the Queen Mother and her three daughters arriving, he smiled and said hello.

"What happened to you again?"The Queen Mother rolled her eyes at Su Chen and asked,

"It's nothing, just a misunderstanding!"

Our Lady of Wudang and Queen Mother of the West were very speechless when they heard Su Chen's words.

When they got the news, they rushed over, but this bastard actually said it was a misunderstanding, which made them all want to teach this bastard a lesson.

The ruthless empress saw The sudden appearance of three powerful women surprised her.

These three women, who were even more powerful than her, actually knew her brother, and they seemed very familiar to her.

The ruthless empress looked at Su Chen, who was becoming more and more unfamiliar.
Get up

"Who is this?"

The Queen Mother looked at the ruthless empress and asked in confusion, why does this woman who came from the wild world look so cold? This is somewhat similar to the temperament of Chang'e from the Taiyin Star.

However, this woman also has a self-centered air, just Like a queen

"My sister, Su Nannan!"

"younger sister? Don't you only have one sister, Suru? Why did another sister appear?"

"I'll tell you this later."

Su Chen waved his hands to the Wudang Madonnas.

How should he explain the matter of the ruthless empress?

His sister Suru is not a relative, and his sister, the ruthless empress, is not a relative. These things are very strange.

Su Chen is I'm afraid I can't explain it even if I want to.

Su Chen introduced it to the ruthless empress,

"Nannan, this is the Queen Mother in Heaven, the Wudang Holy Mother who intercepts the teachings, and the Queen Mother of the West in West Kunlun."

The Ruthless Empress was very happy when she heard that Su Chen introduced her as her younger sister, but when she heard that the three women who had just arrived were actually the top powers in the ancient fairy world, the

Ruthless Empress was confused.

The Queen Mother in Heaven!

The Wudang Holy Mother who intercepts the teachings!

The Queen Mother of West Kunlun!

She has heard of these in the wild world, but her brother is just a little fairy. How could her brother know these top figures in the wild world? Can?

No wonder Su Chen has flat peaches, and even Huangzhong pears and ginseng fruits can be obtained.

The Queen Mother's flat peaches and the Queen Mother of the West's Huangzhong pears.

With these three powerful top powers, ginseng fruits will probably be very easy to obtain..

The ruthless empress looked at Su Chen and asked doubtfully, "What is your relationship?"

"These three girls are all your future sisters-in-law."

When Su Chen heard what the ruthless empress said, he hugged the Queen Mother and Queen Mother of the West and said with a smile,

"What?"

The ruthless empress felt a little dizzy when she heard Su Chen's words.

She didn't expect that Su Chen would say this. A little immortal, he could have three powerful top-notch women?

She didn't hear clearly. ?

Or is her brother crazy?

However, she saw Su Chen holding the Queen Mother and Queen Mother Xi. These powerful women did not resist. The powerful women did not object, and did not even try to teach Su Chen a lesson.

The ruthless empress guessed that these three women might really be her brother's future women.

"Tell me seriously, are you really the Emperor of Heaven? Are these three powerful top powers also your women?"

Chapter 1820

Su Chen nodded when he heard the words of the ruthless empress.

He is really the emperor in heaven, but he has not officially taken office yet, and the Queen Mother, Queen Mother of the West, Wudang Holy Mother, these women will definitely be his women in the future, Su Chen I will not let go of these beautiful and powerful beauties.

The Holy Mother Wudang walked to the ruthless empress and said with a smile,

"Nannan, your brother is really the Emperor of Heaven in Heaven. This is something that all the immortals in the prehistoric immortal world know."

The ruthless empress was very shocked when she heard Wudang Holy Mother's words.

Although Su Chen nodded and admitted just now, she still didn't believe it. If a little human woman becomes the emperor of heaven, is there no one in the prehistoric immortal world? It's just that The Holy Mother Wudang also said that Su Chen said he was the Emperor of Heaven.

The ruthless empress believed it.

It was impossible for a powerful top power to lie. Her brother Su Chen was probably really the Emperor of Heaven in the prehistoric fairy world.

"What about you? Are you my brother's women?"

Our Lady of Wudang said with an embarrassed look on her face,

"This is what that bastard is talking nonsense, your brother is a shameless pervert"

"I see."

Su Chen took out the ruthless empress's sky-swallowing grinding jar and ghost face mask, and he handed them to the ruthless empress and said,

"Nanny, I have used the heavenly merits to advance to the level of the Heaven Swallowing Mill Jar and Ghost Face Mask. Now the Heaven Swallowing Mill Jar and Ghost Face Mask are both merit treasures. You can take them back."

The ruthless empress asked in surprise when she looked at the Tianshuo grinding jar and the ghost face mask in Su Chen's hand,

"Have you climbed the mysterious ladder to heaven?"

The Heaven-Swallowing Mill Jar and Ghost Face Mask of the Ruthless Empress had been destroyed in her third life. The reappearance of the Heaven-Swallowing Mill Jar and Ghost Face Mask reminded her of the reward for climbing the ladder to heaven.

The Mother of Wudang smiled. He smiled and said, "Nanny, your brother has climbed the 10,000-story ladder to the top."

"What? Have you cleared the ladder to the next 10,000 floors?"

Su Chen waved his hand and said with a smile,

"Not yet, I just need this last trial. If I succeed in this trial, I will completely clear the 10,000-level ladder."

The ruthless empress didn't know what to say when she heard Su Chen's words.

She had also climbed the ladder to heaven, and she clearly knew the horrors of the ladder.

The ruthless empress failed only when she met Su Chen in the illusion. She was unwilling to kill him. The brother in the fantasy world caused her to fail in climbing the ladder to heaven.

"Su Chen, my grandson is going back to Huaguo Mountain. If you have anything to do in the future, you can come to Huaguo Mountain to see me."

At this time,

Sun Wukong came to Su Chen with an ugly face to say goodbye.

Su Chen nodded to Sun Wukong and said, "Monkey, we will meet again in the future, and it won't be too long."

"Haha, see you later, I'm going to go."

When Sun Wukong heard what Su Chen said, he laughed and flew away.

Sun Wukong understood what Su Chen meant.

His fate has been determined. If he doesn't have the strength to break it, he will still be led by fate.

The Queen Mother of the West saw Sun Wukong leaving. He asked in confusion, "Sun Wukong just left like that?"

Su Chen said with a smile,

"He can't leave. He is the destined Buddhist scripture seeker. Even if Sun Wukong doesn't want to go to the Buddhist scriptures, he can't."

"Poor monkey."

The Queen Mother of the West shook her head when she heard Su Chen's words. It is very difficult for Sun Wukong to escape from this fate of a puppet monkey. Su Chen looked at Sun Wukong leaving and shook his head. Suddenly, Su Chen thought of what he had obtained in the Ladder to Heaven. Law seeds, only one of these law seeds is used by the Queen Mother, and Su Chen plans to return the remaining law seeds to these women. Women like the Queen Mother are already one with him, so it is not good for Su Chen to keep these law seeds. One thing. Concubine Yan, Ji Ruxi and those women were low in strength, and they couldn't use the Law Seed. Su Chen planned to let women like Queen Mother Xi use it. Su Chen handed the Law Seed to the Queen Mother and said,

"By the way, Queen Mother, I still have five law seeds here. Last time you used the space law seeds."

"There are still ice, flames, thunder, time, and storm left here. Take these back to heaven and see who of you needs them."

"Girl, this time you go to heaven with the Queen Mother and the others, and you can also see if there is any law seed that matches you. Don't you still need the best innate fairy fruit? If you need anything, just tell your sisters-in-law."

The Queen Mother accepted the Law Seed and nodded, "Okay, when I return to Heaven, I will summon the women of the Golden Spirit Mother."

The ruthless empress also nodded.

She also wanted to see the difference between the heaven in the prehistoric fairy world and the heaven in the wild world.

And the other women Su Chen mentioned, except for the three powerful top powers here, are they? Does her brother have other women?

These ruthless empresses need to find out.

The Queen Mother saw Tang Sanzang and others setting off, and she knew that Su Chen was also going to follow.

The Queen Mother was also preparing to leave with the ruthless empress.

"Su Chen, let's go back then. You should continue your journey of learning."

"good!"

Su Chen waved to the Queen Mother and the four ruthless Empress. The Queen Mother and the four daughters looked at Su Chen and disappeared instantly. Su Chen was relieved to see the Queen Mother leaving with the ruthless Empress.

Finally got it done. I'm afraid she has forgotten the purpose of the Ruthless Empress coming this time, right? After the soul transforms into Nannan, the Ruthless Empress will probably not devour her anymore. Su Chen didn't expect that it would be so easy to deal with the Ruthless Empress. I guess! Shi Where is Shi Ji? Why hasn't that unlucky woman arrived yet? Is her body missing? Su Chen suddenly thought that Shi Ji's body was still in his system space. Why hasn't Shi Ji arrived yet? Su Chen checked it Everyone around shook their heads, and he quickly followed the team of Tang Sanzang's master and disciple. He couldn't care less if Shi Ji didn't arrive. Anyway, it was very easy for Shi Ji to find him. Zhu Bajie saw Su Chen following him, He walked up to Su Chen and asked in a low voice, "Su Chen, is that hazy woman just now your sister?" Su Chen looked at the pervert Zhu Bajie and nodded.

"good!"

"Damn it, how could you have such a beautiful sister?"

"Zhu Bajie, have you seen my sister's face? Zhu

Bajie said with a lustful look, "No, but your sister has such a perfect figure. I think your sister is also a stunning beauty.""

Su Chen patted Zhu Bajie and basically warned,

"Zhu Bajie, if you don't want to die, don't hit my sister's attention. My sister is at the peak of Daluo Jinxian. She may have killed more people than you have ever seen."

Zhu Bajie said to Su Chen with a look of disbelief,

"Su Chen, are you bluffing me? Why do you describe your sister as a murderous devil?"

Su Chen smiled and threatened Zhu Bajie,

"I forgot to tell you, my sister is a murderous devil."

"Also, my sister has an honorific title:"

"The ruthless empress!"
