### Chapter 1871

Su Chen suddenly heard the voice of the little fox.

He turned around and saw the petite figure of the little fox in the distance, flying towards him quickly.

Su Chen didn't expect that the little fox would come to the ancient fairyland and be able to find him.

Whoosh!

The little fox appeared next to Su Chen, and she threw herself into Su Chen's arms and said with a sweet smile,

"Su Chen, you didn't expect that I would come to the prehistoric fairyland, did you? And I can know exactly where you are?"

Su Chen asked happily while holding the little fox's petite body.

"Little fox, I didn't expect you to come to the ancient fairyland. By the way, how did you find me?"

"Haha, I have tampered with you. I can know where you are. This is the special ability of our fox clan."

Su Chen was very speechless when he heard the little fox's words.

Did he do anything?

Didn't the little fox keep her scent on himself?

"Husband, who is this?"

Princess Iron Fan looked at the petite little fox and asked with a frown.

This vixen is too young.

Doesn't this bastard Su Chen have any special hobbies?

Su Chen held the little fox and introduced with a smile,

"This is my wife and your sister, Tie Fan. The little fox should be about the same age as you. Don't look at her like a little girl. This is the little fox's disguise."

Su Chen didn't say the name of the little fox,

Su Daji!

This name is very famous in the ancient fairy world.

The enemy of the little fox may be the Nuwa Empress. Su Chen doesn't want to expose the little fox at this time. Princess

Iron Fan After hearing Su Chen's words, I understood that this vixen should have changed his body. But why did the vixen change his body?

Is there anything unspeakable?

"Iron Fan has met his sister!"

When the little fox saw Princess Iron Fan saluting to the sky, she smiled and said to Princess Iron Fan,

"You're welcome, Tie Fan, your cultivation is stronger than mine. You can call me little fox from now on. My name cannot be spoken in the prehistoric fairy world yet."

"good!"

"Little fox, you will go to heaven with Tie Fan in a moment. You have just become an immortal. Don't do anything else yet. You can practice in the Peach Garden with Tie Fan. I will make arrangements for you in the future."

The little fox nodded and said to Su Chen,

"I understand, Su Chen, Jiang Ziya was killed by me, you have to be careful of Taoist Lu Ya and Empress Nuwa."

Damn it!

The little fox moved so fast?

That useless old man Jiang Ziya has been killed?

Su Chen didn't think it was strange after thinking about it.

After all, Jiang Ziya killed all the little fox's sisters. The little fox probably has the deepest hatred for Jiang Ziya.

But , the little fox's enemy is Taoist Lu Ya?

Oh no, it's Wuchao Zen Master Lu Ya.

Su Chen thought that in the plot, the little fox was killed by Lu Ya's immortal-killing flying knife.

Could it be that this was the reason for the little fox? , does she also want to take revenge on Wuchao Zen Master Lu Ya?

"Su Chen, is this your wife?"

At this time,

Zhu Bajie came and took a look at Princess Iron Fan and the little fox.

Princess Iron Fan was very beautiful.

However, when he saw Su Chen holding a cute and beautiful little girl,

Zhu Bajie became confused.

"good! When Zhu

Bajie heard what Su Chen said, he pointed at Su Chen and shouted, "You are so heartless. This vixen is so young. How can you do this?"

Damn it!

This stupid pig!

The little fox Su Daji is older than Zhu Bajie. This stupid pig actually thinks that the little fox is a little girl?

Su Chen is too lazy to explain to Zhu Bajie.

The battle in the distance is still going on.

The Buddhist More than ten disciples have been killed or injured. The eighteen protectors Jialan may be dead this time. One of the Five Fang Jiedi has also died. It seems that the Bull Demon King is really murderous.

Su Chen pulled Princess Iron Fan He said, "Iron Fan, first extinguish the fire in the Flame Mountain, and then leave with the little fox. I'm afraid the power of Buddhism will arrive soon.""

"I see!"

Princess Iron Fan nodded and agreed.

She felt that Su Chen asked her to take the little fox away from here, as if he didn't want the little fox to be exposed to some powerful people. The identity of the little fox should not be simple.

Princess Iron Fan took Taking out her Lingbao Banana Fan, she flew up and fanned towards the Flame Mountain.

Boom boom boom.....

After Princess Iron Fan fanned towards the Flame Mountain a few times, a strong wind blew up. After a while

, heavy rain suddenly began to fall in the sky, and the fire on the Flame Mountain slowly began to be extinguished.

Zhu Bajie saw that Princess Iron Fan was about to extinguish the Flame Mountain in just a few seconds.

He looked at the Lingbao in Princess Iron Fan's hand and felt that it was not simple.

Zhu Bajie said with golden eyes,

"Damn it, Su Chen, your wife's spiritual treasure is pretty good. She wiped out the Flame Mountain in just a few blows."

"Zhu Bajie, if you keep talking nonsense here, Sun Wukong and Monk Sha will also be trampled to death by the Bull Demon King."

"It's okay, I'm here to protect the Emperor of Heaven. Brother Monkey and Third Junior Brother are both smart. They won't stand up to the Bull Demon King."

"You're just a cunning, stupid pig."

Su Chen, the shrewd Zhu Bajie, was also speechless.

This stupid pig can be lazy whenever he can.

It stands to reason that

Zhu Bajie is the ancestor of soy sauce.

After Princess Iron Fan destroyed the Flame Mountain, she talked with Su Chen for a while and brought The little fox left.

Su Chen immediately saw Princess Iron Fan and the little fox.

He looked at Zhu Bajie and asked,

"Bajie, that quasi-sage from Buddhism will come over?"

Zhu Bajie shook his head and said,

"I don't know either. Ever since Avalokitesvara Bodhisattva followed you, Buddhism has sent Manjushri Bodhisattva to take charge of the trip to the west to fetch Buddhist scriptures. This time it should be Manjushri Bodhisattva."

Su Chen nodded when he heard Zhu Bajie's words.

Manjushri Bodhisattva and Guanyin Bodhisattva are similar, but Manjushri Bodhisattva is not as powerful as Guanyin Bodhisattva.

This time Manjushri Bodhisattva can also defeat the Bull Demon King, but does Manjushri Bodhisattva dare to destroy him? Did you kill the Bull Demon King?

He didn't know.

Is the Bull Demon King the mount of Lord Tongtian?

Su Chen didn't know either.

Moo.....

The Bull Demon King is still chasing Sun Wukong and his men.

Sun Wukong and the Buddhist disciples have also learned the lesson. They no longer fight against the Bull Demon King, but just keep avoiding the Bull Demon King's attacks.

The Bull Demon King saw that Sun Wukong and others were not fighting him head-on.

He looked in the direction of Tang Sanzang and threatened Sun Wukong,

"Sun Wukong, if you hide any longer, I will kill Tang Sanzang. For the sake of killing his wife and kidnapping his children, I, the Bull Demon King, will definitely kill you this time."

"Brother Niu, my younger brother did something wrong this time. You also killed more than ten Buddhist disciples. Can you stop now?"

Chapter 1872

Sun Wukong is also very remorseful now.

If he had not killed the vixen for no reason before, such a thing would not have happened today, and even more than ten Buddhist disciples would not have died.

Sun Wukong felt a little guilty and reminded the Bull Demon King

"Brother Niu, this time it is my grandson's responsibility. I also want to protect Tang Sanzang as he goes to the West to obtain scriptures. You cannot kill Tang Sanzang. The great power of Buddhism is coming. I hope you can stop, Brother Niu."

The Bull Demon King stared at Sun Wukong with his lantern-sized eyes and shouted angrily,

"Bah, I, the Bull Demon King, will not be a human until I kill you today. Sun Wukong, if you don't fight me, Tang Sanzang will be dead."

Su Chen curled his lips when he heard the words of the Bull Demon King.

The Bull Demon King was not a human in the first place.

If he killed Sun Wukong, would he become a human?

At this time, in a mountain in the ancient fairy world, a little girl of ten years old appeared. Suddenly appeared here, with a little cyan bird standing on her shoulder

"Wow! This is the prehistoric fairyland. The spiritual energy here is indeed very abundant. It is a hundred times richer than the spiritual energy in the Shenyu Continent. Aunt Qing, are we going to play by ourselves? Or should I go find my father first?"

This little girl is Su Yan, Su Chen's daughter.

Su Yan got a world-breaking order in the ladder trial, and she secretly used the world-breaking order to come to the prehistoric fairyland.

"Choo Choo Choo!"

The green oriole on Su Yan's shoulder looked around and screamed.

Su Yan smiled and said,

"Haha, Aunt Qing, let's have fun in the ancient fairyland first, and then go find my troubled father later."

Whoosh!

At this time,

Queen Xihe suddenly appeared next to Su Yan.

She frowned when she looked at Su Yan.

She felt how this little girl was related to the Emperor Su Chen, and even their breaths were very similar.

Su Yan When Yan saw the woman who suddenly appeared next to her, she asked warily,

"Who are you? monster? Or a god?"

Su Yan and Qingying looked at each other and became worried. This woman of unknown origin looked very powerful. Su Yan and Qingying were both worried that this cold woman was a monster.

"May I have your name?"

Xi He looked at Su Yan and Qingying and asked with a frown. There was a young human monk, and the other one turned out to be Qingying who had fallen long ago in the prehistoric times.

Phoenix!

Blackbird!

Qingying!

This is the era of dragons and phoenixes in the prehistoric times. Of all the royal family of birds, when did the royal Qingying appear again in the prehistoric fairy world?

"My name is Su Yan, Great Immortal. I am just a little human girl. Just let me go!"

When Xi He heard Su Yan's words, he continued to ask with a cold face,

"Su Yan? Who are you, Su Chen?"

"Well?"

Su Yan was stunned when she heard Xi He's words.

She didn't expect that this cold beauty would know about her father.

Su Yan thought that her father was also a scum when he came to the ancient immortal world. How could his father know such a powerful woman? And It seemed like this woman still had a grudge against her father.

Su Yan couldn't answer for a while.

"Say it quickly, you'd better not lie to me, or I'll check your memory!"

"No, Su Chen is my father."

Xi He was very surprised when he heard Su Yan's words.

This little girl turned out to be the daughter of Emperor Su Chen.

However, why did Su Chen let his daughter appear alone in the ancient world of immortality? Isn't that bastard afraid that something might happen to his daughter? ?

"You are actually the daughter of the Emperor Su Chen. Haha, that's right. I said you have such a similar aura to that bastard Su Chen. It turns out that you, little girl, are that bastard's daughter."

Su Yan is even more confused now,

Emperor of Heaven?

How could her father be the Emperor of Heaven?

Su Yan guessed that her father's cultivation realm is at most just becoming an immortal. Both

Guanyin Bodhisattva and Wudang Holy Mother have said that all realms below the Golden Immortal are Scumbag, her father is still a scumbag even after becoming an immortal. This has nothing to do with the Emperor of Heaven!

"Emperor of Heaven? Great Immortal, you are mistaken, my father is just a young monk, he is not an emperor of heaven."

Xihe snorted coldly and said disdainfully.

"Humph, do you think I can check errors based on my cultivation? What's your title?"

"Princess Changle!"

"Princess Changle? It seems that your bastard father likes you very much. Su Yan, please follow me from now on."

Xi He thinks she is very lucky.

She just came out of Tanggu and met Su Chen's daughter.

Didn't that bastard dare to tease her?

Now that his daughter is in his hands, Xi He doesn't believe that shameless person. The disciples would not come to her.

Su Yan felt that she was extremely unlucky this time.

She and Qingying had just arrived in the Great Desolate Fairyland, and they met her father's enemy.

Before she and Qingying had a good stroll in the Great Desolate Fairyland, she might have to become a hostage.

But, is her father really an emperor?

Su Yan looked at Xi He and asked, "Great Immortal, do you have a grudge against my father?" Also, is my father really the Emperor of Heaven?"

"Your father is a shameless bastard!"

"Well, I think so too, so is my father the Emperor of Heaven?"

"you do not know?"

"Great Immortal, I have just arrived in the prehistoric immortal world, and I haven't seen my father yet."

"Um?"

Xi He didn't expect that Su Yan had just arrived in the ancient world of immortality. Could this little girl be the bloodline left by that bastard in other small worlds when Su Chen had not yet become an immortal?

Xi He looked at this clever little girl and nodded. He said,"Your father is really the Emperor of Heaven in Heaven, this is true."

Su Yan was stunned when she heard Xi He's confirmation.

How long has it been? More than ten days?

Even if the speed of time in the Great Desolate Immortal Realm is different from that of the Divine Meteor Continent, her father actually became the Emperor of Heaven in about a year. ?

Su Yan thinks her father is too awesome.

Su Yan has always admired her father very much. Although her father is sometimes unruly, he is also a master of causing trouble everywhere. However, Su Yan did not expect that her father Su Chen would become the Emperor of Heaven..Su

Yan thought for a while and asked Xihe,"Great Immortal, isn't my father a puppet emperor?"

Xi He shook his head and replied,"I don't know about that. Just as it happens, I also plan to get to know your father, so you can go wandering around the prehistoric fairy world with me first."

Su Yan nodded quickly and said,

"Okay, okay, I originally planned to walk around the prehistoric fairyland with Aunt Qing"

"My name is Xihe, you will call me senior from now on"

"Xihe? One of my aunts is also named Xihe, and her full name is Ji Ruxihe."

Chapter 1873

In the Flame Mountain, the battle between the Bull Demon King and Sun Wukong is still going on, but now Sun Wukong and the Buddhists no longer dare to avoid the Bull Demon King. They are also worried that the Bull Demon King will really kill Tang Sanzang.

Su Chen looked at the Buddhist disciples who were being killed by the Bull Demon King, and he shook his head and said,

"It's so tragic. If Manjushri Bodhisattva doesn't come again, all these people in Buddhism will die."

"Su Chen, are you just looking at me like this?"

Zhu Bajie's current expression is also very ugly.

Five of the eighteen Dharma protectors Jialan have died, and three of the Five Directions have died.

Sun Wukong and Monk Sha were even hit by the Bull Demon King and vomited blood. If Buddhism Before the powerful power comes, they will really be wiped out.

Su Chen glanced at Zhu Bajie and said, "I am a golden immortal. Do you think I can deal with the Bull Demon King?"

"Aren't you the Emperor of Heaven? You can shake people!"

"Damn it, this is Buddhism's business, why should I shake people to help Buddhism?"

"Su Chen, I just don't understand. You and Buddhism are already hostile forces, so why do you still want to go to Lingshan with us to learn scriptures?"

Su Chen shook his head and said, "Zhu Bajie, just think that I go sightseeing with you. Anyway, I have nothing to do, just look around in the ancient world."

Su Chenyi was also helpless.

He needed to do all the things in the Heavenly Court, but Su Chen didn't want to give up on the trial of the Heavenly Ladder.

Otherwise, how could he go to learn scriptures with Tang Sanzang's masters and disciples?

"I believe you!"

Zhu Bajie said and rushed over with his nine-tooth rake.

He couldn't watch helplessly. Sun Wukong and Monk Sha were killed by the Bull Demon King. The great power of Buddhism had not yet arrived. Zhu Bajie could only fight with Sun Wukong. First withstand the attack of the Bull Demon King

"Bull Demon King, if you are more powerful, it is best to kill all the Buddhists."

Su Chen sat on a sand dune and said to himself, the people in Buddhism are not good people, and Buddhism may betray the ancient world in the future.

Su Chen wishes that all the monks in Buddhism would die.

"Amitabha! Bull Demon King, don't be so presumptuous!"

At this time,

Manjushri Bodhisattva suddenly appeared in the air. He saw that the Buddhist disciples suffered heavy casualties, and there were not many of the eighteen Dharma protectors Jialan and the Five Directions Revealers left. This made Manjushri Bodhisattva very angry.

Boom!

Manjushri Bodhisattva was so angry. The palm of his hand slapped the Bull Demon King into the yellow sand.

When Sun Wukong and Zhu Bajie saw the arrival of Manjushri Bodhisattva, they all breathed a sigh of relief.

If Manjushri Bodhisattva had been delayed for another quarter of an hour, they might have to go to see the Buddha..Boom!

The Bull Demon King rushed out from under the yellow sand and shouted,

"Manjusri Bodhisattva, please mind your own business. First, Sun Wukong asked you to take away my child, and then he killed my wife. This time, no matter what, I will kill Sun Wukong."

"Amitabha, Bull Demon King, it is his good fortune that your child can worship Buddhism. This time you killed many Buddhist disciples, and this time even the poor monk cannot forgive you."

"Manjusri, if you want to kill me, kill me. If I, the Bull Demon King, raise his eyebrows, I am not the Demon King."

"In this case, don't blame the poor monk.

When the Bull Demon King heard Manjushri Bodhisattva's words, he took a big sword and quickly killed Manjushri Bodhisattva.

"Don't overestimate your capabilities!"

Boom boom boom boom.....

Manjushri Bodhisattva struck several palms in succession.

Before the Bull Demon King could reach Manjushri Bodhisattva, he was slapped in the yellow sand again.

This time Manjusri Bodhisattva did not stop, he continued to attack the Bull Demon King, and a sinkhole several miles wide was directly blasted out where the Bull Demon King was.

I'll do it!

Is Manjushri Bodhisattva not a quasi-sage?

How come it is so powerful?

Is Manjushri Bodhisattva a half-step quasi-sage? Su Chen was very surprised when he saw Manjusri Bodhisattva beating the Bull Demon King with only one hand. He didn't know much about Daluo Jinxian's cultivation level, but he still knew how powerful the quasi-sage was. Manjushri Bodhisattva may be about to behead his corpse and become a quasi-sage

"Bull Demon King, are you convinced?"

"I don't accept it, old cow. Manjusri, if you have the ability, kill me."

"Humph, do you think I dare not?"

When Manjusri Bodhisattva heard the words of the Bull Demon King, his face became ugly.

Although the Bull Demon King was the mount of Lord Tongtian, all the disciples of Lord Tongtian betrayed him. He killed a mount as soon as he killed it. Could it be that Tongtian Will the leader fall out with Buddhism because of a mount?

"Manjusri, do you dare?"

At this time, the good corpse of Lord Tongtian suddenly appeared in the air. He looked at Manjushri Bodhisattva in the sky and asked coldly.

When Manjushri Bodhisattva saw Lord Tongtian, he was frightened and hurriedly saluted,

"Manjusri, see Tongtian Sage!"

"See the saint!"

The remaining disciples of Buddhism and Zhu Bajie also saluted the leader of Tongtian.

Sun Wukong looked at the leader of Tongtian and did not salute.

He did not expect that another powerful person had arrived, and he was also a saint.

He saw the leader of Tongtian. However, when they were in the Fire Cloud Cave, Master Tongtian killed a corpse of Buddha Tathagata.

Su Chen saw the good corpse of Master Tongtian appear, and he was now sure that the Bull Demon King was the mount of Master Tongtian.

Su Chen watched as everyone was looking at Tongtian. The leader saluted, but Sun Wukong looked careless and didn't know how to salute the saint.

Su Chen felt that Sun Wukong was seeking death again.

"Hum!"

Boom!

Puff puff puff.....

Manjushri Bodhisattva, Buddhist disciples, Zhu Bajie and Monk Sha were all shocked by the powerful breath and spit out a mouthful of blood.

And Sun Wukong was directly knocked away.

After Sun Wukong was knocked away for dozens of miles, he fell to the ground and kept coughing up blood. Moreover, not a single bone in Sun Wukong's body was intact.

"Niu Kui meets the master!"

At this time, after the Bull Demon King came out of the Huangsha Tiankeng, with a bruised nose and a swollen face, he knelt down and saluted the Tongtian Cult Leader.

The Tongtian Cult Master looked at the miserable state of the Bull Demon King and shook his head and said,

"Niu Kui, I don't want you to do anything this time. You did the right thing today. Your child was kidnapped and your wife was beaten and killed. Today, I will make the decision for you. Sun Wukong is right next to you. If you want to beat or kill you, it's up to you. , no one here dares to stop you"

"Thank you sir!"

"The sage who reaches heaven, Sun Wukong is....." boom!

Manjushri Bodhisattva originally wanted to intercede for Sun Wukong, but Master Tongtian suppressed Manjushri Bodhisattva from the air with one hand.

"Manjusri, you hurt my mount, today I will destroy your hundreds of thousands of years of cultivation."

"No, Tongtian Sage, no....."

Boom boom boom.....

The leader of Tongtian didn't listen to Manjushri Bodhisattva's plea for mercy. With one hand, he destroyed Manjushri Bodhisattva's millions of years of cultivation.

Manjushri Bodhisattva, who was originally a half-step quasi-sage, has regressed directly to the early stage of Daluo Jinxian. Manjushri Bodhisattva is in great misfortune this time.

"Tongtian, you have gone too far!"

## Chapter 1874

In the sky of the Flame Mountain, the Good Corpse of the Receiving Saint also appeared in the sky. In one hand, he was holding Sun Wukong who was bleeding from his seven orifices.

He looked ugly when he saw that Manjushri Bodhisattva had been stripped of millions of years of cultivation.

Manjushri Bodhisattva was about to be promoted to quasi-sage.

However, with the Tongtian leader's move,

Manjushri Bodhisattva might not be able to be promoted to quasi-sage in millions of years. Tongtian The leader not only destroyed Manjushri Bodhisattva's millions of years of cultivation, he even destroyed Manjushri Bodhisattva's foundation.

"See Guiding the Saint!"

"See Guiding the Saint!"

Manjushri Bodhisattva and others greeted the saint one after another and saluted.

Sun Wukong was very angry now.

He did not expect that Master Tongtian would attack him. This time he was the most seriously injured since becoming an immortal. Sun Wukong's body is now soft. He All the bones in his body were broken.

Su Chen looked at the Tongtian Cult Master, and he looked at the welcoming saint who had just arrived.

This time he was going to have a good show.

Su Chen touched his chin and thought,

Tongtian Cult Master It seems that he is no match for Saint Jieyin. After all, Master Tongtian does not have any spiritual treasures in his hand.

Master Tongtian seems to have only a Qingping sword left. If Master Tongtian and Saint Jieyin fight,

Master Tongtian will probably suffer.

Face to Master Tongtian He said to Jie Yin expressionlessly, "Jie Yin, I just went too far, so what?"

"Hum, Tongtian, Buddhism is not what it used to be. Your sect has been destroyed, all your disciples have betrayed you, and they have all become gods in heaven. You are now a loner. I advise you to keep a low profile in the future, otherwise your body will The good corpse may not be saved."

When Su Chen heard what the saint was saying, he stood up and shouted,

"Holy Saint, are you using Heaven to attract the hatred of Tongtian Cult Leader?"

Su Chen didn't expect that the old bastard Jie Yin would say this.

All the existing disciples of Jie Sect are in heaven, but these words coming out of Jie Yin's mouth were clearly meant to sow discord. Su Chen would not be used to

Buddhism.

If Yin dared to sow discord, he would dare to angrily attack Saint Jieyin.

After Saint Jieyin heard what Su Chen said, he smiled and said to Su Chen next to him, "The Emperor of Heaven is joking, I'm just telling the truth!"

Su Chen threatened with a cold face,

"To guide the saint, sometimes words can lead to disaster. I hope you should be more careful when speaking in the future, otherwise it will cause misunderstandings and everyone's face will not look good."

"Amitabha, is the Emperor of Heaven threatening me?"

"You can think so!"

"Hum, I remember."

Jie Yin looked ugly and ignored Su Chen.

He looked at the leader of Tongtian and continued, "Tongtian, if you don't give me an explanation today, your mount will definitely die here."

Tongtian Cult Leader was very angry when he looked at Jie Yin.

"Kill my mount? Then there is no need for Tang Sanzang to obtain scriptures, I will even destroy his seven souls and six souls."

Tongtian Cult Leader did not expect that he, a majestic saint, was not even as good as the Golden Immortal Emperor.

Emperor Su Chen dared to angrily criticize Saint Jie Ying, but Saint Jie Yin did not dare to refute.

However,

Saint Jie Yin turned around and threatened him. As a saint, Tongtian Cult Leader felt that his status in the prehistoric immortal world was getting lower and lower.

Zhu Bajie and others were very confused when they heard the tit-for-tat confrontation between the saint and Tongtian Cult Leader, and even their conversation with Su Chen. They didn't expect that the Holy Saint would surrender to Su Chen, nor did they expect Su Chen's boldness. The Leader of Tongtian was in trouble. The Holy Saint did not dare to offend Su Chen, but instead threatened the Leader of Tongtian. They and the others They all don't know what to say. The Golden Immortal did not dare to offend the Saint, but he dared to offend a Saint. This shows that Su Chen's power is comparable to that of the Saint. Even the Saint does not dare to offend the Emperor of Heaven Su Chen easily.

"Tongtian, hand over the purple electric hammer. I will pretend that what happened today never happened."

"Hey, Jie Yin, you hand over the twelve-grade golden lotus of merit and virtue, and I'll pretend that today's events didn't happen."

"Then we can only do one"

"Hum, in the chaos, I'm waiting for you!" Tongtian Cult Master said and suddenly disappeared.

"Manjusri, cure Sun Wukong!"

"Yes, saint!"

Jie Yin threw Sun Wukong towards Manjushri Bodhisattva and disappeared into the air.

Manjushri Bodhisattva looked at Sun Wukong and couldn't help but beat him to death.

What happened today was all caused by Sun Wukong's hot head. If Sun Wukong hadn't killed the Bull Demon King's wife, will he lose millions of years of cultivation today?

Manjushri Bodhisattva is angry and helpless now.

He dare not offend Tongtian Cult Master, and he cannot teach Sun Wukong, the culprit, Sun Wukong. Manjushri Bodhisattva feels that Sun Wukong is a disaster star. Manjushri

Bodhisattva After the Bodhisattva waved his hand and cured Sun Wukong with fairy dew, he looked at Sun Wukong and warned him seriously,

"Monkey, if you dare to cause trouble again in the future, I will recite the tightening curse a hundred times."

"Bodhisattva, I, Lao Sun, know it."

Sun Wukong nodded with an ugly expression.

This time he did something wrong.

The Five Directions revealed the truth. Almost all the eighteen Dharma protectors Jialan were wiped out. Manjushri Bodhisattva was also stripped of millions of years of cultivation. Sun Wukong was not convinced of these. People are also very ashamed.

Su Chen looked at the sky and was very speechless. With his low strength, he could not even see the battle of the saints in the chaos.

Su Chen looked at Sun Wukong and asked doubtfully, "Sun Wukong, why do you want to Kill the vixen?"

"Shouldn't monsters be killed?"

"So what are you?"

"I am Monkey King, the Monkey King!"

When Su Chen heard Sun Wukong's words, he suddenly thought that he had actually forgotten the name of Sun Wukong and the Great Sage Qitian.

Su Chen is now the Emperor of Heaven.

Doesn't Sun Wukong's Great Sage Qitian want to ride on his head?

Su Chen He said with a serious face

"Monkey, please don't use the title of Monkey King Qitian again for me. A peak golden immortal still wants to be Monkey King? Even the quasi-sages in the prehistoric immortal world dare not think of such an idea"

"Manjushri Bodhisattva, if Sun Wukong dares to use the name of the Great Sage Equaling Heaven in the future, I will think that it is you Buddhists who want to provoke the heaven. You should understand the consequences."

Manjushri Bodhisattva's expression changed when he heard Su Chen's words.

If Heaven finds an excuse to launch a war against Western Buddhism, Buddhism will not be able to withstand the attack of Heaven's army.

"Amitabha and Sun Wukong are not allowed to use the names of the Great Sage Qitian in the future."

"Yes, Bodhisattva!"

Sun Wukong looked at Su Chen and was very helpless.

He finally understood that

Buddhism bullies the weak and fears the strong.

Su Chen is not a Buddhist who can be offended.

Su Chen looked at Sun Wukong and continued,

"Sun Wukong, you said you can kill monsters, then who are you? Aren't you a monster? If you go to a human city, will the human race treat people as the same kind?"

"Can monsters be killed?"

"I don't understand how you could say such a thing. When you killed the Bull Demon King's wife, was that vixen eating people? Are you doing something wrong? Or captured Tang Sanzang?"

"monster?"

"Sun Wukong, don't forget, you are also a demon."

Chapter 1875

Sun Wukong bowed his head when he heard Su Chen's words, monster?

Is he a monster?

No!

He is not a monster.

Sun Wukong thought of the monsters he encountered while protecting Tang Sanzang.

He was fundamentally different from those monsters.

Those monsters were insidious and cunning, killing innocent people indiscriminately. How could he be a monster like those monsters?

Su Chen looked at Sun Wukong and shook his head.

Sun Wukong had forgotten what he had said before. I am afraid that Buddhism had also completely forgotten about using him as a chess piece. Could it be that Buddhism used the Heart Sutra on Sun Wukong? Was Sun Wukong brainwashed by Buddhism again while he was away?

At this time,

Tang Sanzang came from afar and bowed to Manjushri Bodhisattva. Then he turned around and said to Sun Wukong,

"Wukong, let's get on the road, the Flame Mountain has been extinguished"

"Yes, master!"

The Bull Demon King next to him saw the four masters and disciples of Tang Sanzang leaving, and he could not stop him.

Although the strength of Manjusri Bodhisattva was weakened by the leader of Tongtian, he and Taiyi Golden Immortal could not deal with it.

Su Chen looked at the Bull Demon King He just shook his head.

He was too lazy to care about the Bull Demon King.

It would be a good thing if Su Chen didn't kill the Bull Demon King. The Bull Demon King had harassed Princess Iron Fan. He also saw the pitiful appearance of the Bull Demon King's wife and children. Su Chen decided to spare him this time.

The leader of Tongtian and Saint Jieyin were fighting in chaos.

Su Chen didn't know what the outcome would be, and he couldn't control it.

Whether Master Tongtian won or Saint Jieyin won, it would not matter to him. It makes no sense.

A month and a half later, the four masters and disciples of Tang Sanzang and Su Chen arrived at Jisai Kingdom.

Su Chen looked at a high tower in front and laughed.

This plot is about the nine-headed insect stealing the Buddha's relics. It's just that there is no Halloween Princess this time. Did the Nine-Headed Insect steal the treasure by himself? Or did he steal the treasure with other monsters?

At this moment, on a fairy island in the East China Sea,

Xi He and Su Yan appeared here.

However,

Tian Hou Xi He had an ugly look on his face at the moment, while Su Yan was smiling and happy.

In the past month,

Xi He and Su Yan had been searching for news about Su Chen everywhere in the ancient fairy world, and they also thoroughly understood everything about the Emperor Su Chen.

Tianhou Xihe did not expect that Su Chen had unified the Great Desolate Immortal World, and there were more than twenty quasi-sage powers under his command.

Except for the Saint Sect, all other races and forces in the entire Great Desolate Immortal World had surrendered to the Emperor Su Chen.

Tens of millions of Heavenly soldiers and generals, and all of them were immortals and above. The human race rebelled against the heavens. Su Chen actually slaughtered all the human emperors and more than 50 million human troops. Queen Xihe felt that Su Chen was more powerful than the demon emperor Jundu, and the demon emperor Jundu did not unify the prehistoric immortal world, but Su Chen, a little golden immortal, completed the unification. The once overlords of the prehistoric times, the Witch Clan and the Demon Clan, also surrendered to the Emperor of Heaven, Su Chen.

Xi He now looked at that little scumbag Su Chen with admiration. ,

Su Yan looked at Xi He who was thinking about something and smiled. Su Yan did not expect that his father was actually the Emperor of Heaven, and that all races and forces in the prehistoric fairy world had surrendered to her father. In the prehistoric fairy world, the human race resisted the heaven with force. She didn't encounter this, and

Su Yan felt a little pity, especially the various legends in the ancient immortal world, and his father's murder of more than 50 million monks and immortal armies.

Su Yan was also shocked when he heard that five thousand Tens of thousands of human beings? Su Yan couldn't even think about it, but his father killed him whenever he asked. Even the Eight Human Emperors were executed. When

Xihe saw Su Yan's smile, she turned to Su Yan with a cold face. asked,

"Little girl, are you happy now?"

Su Yan immediately said with a smile on his face when he heard Xi He's words,

"No, no, I'm not happy at all!"

"Humph, you are now the first princess in the Heavenly Court of the Ancient Immortal Realm, and you are also the most noble princess in the entire Ancient Immortal Realm. Shouldn't you be happy?"

"Haha, senior, when will we go to heaven? I also want to see what it is like in heaven."

"Don't think about it. I'm in a bad mood now. Just stay with me."

"How long will that take?"

"Hundreds or thousands of years!"

Su Yan was very speechless when he heard Xi He's words.

If Xi He didn't let him leave,

Su Yan couldn't escape at all.

During this time,

Su Yan also understood the realm of cultivation in the prehistoric immortal world. Xi He was in the prehistoric immortal world. The most powerful group of people.

Su Yan!

No, even if her father Su Chen was here, her father Su Chen couldn't be Xi He's opponent.

Seeing Su Yan's depressed look, Xi He smiled. Su Yan is an eccentric little girl. Over the past month or so, Xi He has also fallen in love with this little girl.

Xi He patted Su Yan's little head and said, "Don't be depressed. We will go there in a few days." Heaven, I want to go to the Taiyin Star to meet my sister Chang Xi"

"Lunar star? Senior, is there Fairy Chang'e in the Taiyin Star?" Su Yan's eyes lit up when she heard Xi He's words. Oh, the Taiyin Star! There is the Immortal Chang'e living in the Taiyin Star. Su Yan really wanted to see the legendary Immortal Chang'e.

"have!"

"I want to go to the Taiyin Star. I want to see Fairy Chang'e. Senior Xihe, please take me to the Taiyin Star too. Xihe stroked his hair and said speechlessly,

"Yes, Chang'e has a close relationship with your father Su Chen, and she will be very happy to see you."

Xi He also didn't expect that Su Chen would have such a good relationship with Chang Xi and Chang'e.

Chang'e even ignored her life and death to save Su Chen.

Also,

Chang Xi cut off the contact with the good corpse, which also made Xihe unthinkable. Understand, why did Chang Xi separate her good corpse? This will have a great impact on Chang Xi's future cultivation.

"What? Did my father get Fairy Chang'e?"

Su Yan was dumbfounded.

She didn't expect that her father was so good at picking up girls. Her father had even taken care of Fairy Chang'e. If her father could also take care of the Queen Mother, then her father would be so awesome. Boom boom boom boom.....

At this time, the prehistoric fairy world suddenly shook, and nine huge sounds suddenly came from the nine heavens.

After a while, blood rain fell from the sky.

Xi He looked up at Jiutian with a surprised look on his face and said,

"The bells of heaven are ringing, the sky is raining blood, and a saint has fallen."

When Su Yan heard Xi He's words, she was very shocked.

Heaven rang the bell!

Blood rained from the sky!

Saints fell!

She didn't know these things in the ancient fairy world.

"saint? Senior, aren't saints immortal? How could a saint fall?"

"Little girl, the saint is indeed immortal. The saint's soul is entrusted in the way of heaven. Even if the saint falls, the way of heaven will resurrect the saint."

Chapter 1876

After the four masters and disciples of Tang Sanzang rescued the monks in the pagoda temple of Sai Sai Kingdom

, they also understood the causes and consequences of the monks' arrest.

The Buddha's relic was stolen.

The king of Jisai State suspected that the monks in the temple had stolen it. If the Buddha's relic is not found tomorrow, the monks in the temple will be killed.

Tang Sanzang's master and disciple were very angry when they heard this.

Suddenly there was a vibration above the nine heavens, and blood rained down from the sky.

This made Tang Sanzang, master and disciple, all look into the sky in surprise.

The four masters and disciples of Tang Sanzang have all seen such scenes.

When Su Chen died during the tribulation, there was also a rain of blood in the sky. This time, they all guessed that among the blood rain falling in the sky, the leader of the Tongtian cult and the saint of guidance were. A saint has fallen. As for the death of Lord Tongtian? Or has the saint fallen? They couldn't guess.

It rains blood!

The saint has fallen!

Su Chen looked at all this in confusion.

Leader Tongtian and Saint Jieyin had been fighting for more than a month?

Japan and Europe!

One battle lasted for more than a month? Finally, a saint died.

So who died?

In the prehistoric fairy world, all the immortals looked at the rain of blood falling from the sky again.

They all understood what had happened.

A saint had fallen!

"Has the saint fallen? Which saint has fallen?"

"The sky is raining blood, which is exactly the same as that of Emperor Su Chen. It seems that a saint has really fallen."

"The war between realms has not yet begun. How could the saints in our prehistoric immortal world perish?"

"I don't know, this should be the saints in our prehistoric fairyland killing each other!"

"It is possible that the leader of Tongtian Cult has enmity with the four saints, and the relationship between Eastern Taoism and Western Buddhism is not good, alas! The realm

war is about to begin, and the saints in our prehistoric fairy world are still fighting among themselves."

"Yes, those are all saints. Even the Emperor of Heaven cannot control the saints."

In the chaos,

Saint Laozi, Original Saint, Saint Zhunti, Saint Yingyin and even Empress Nuwa, these five saints in the prehistoric fairy world all stood in the chaos without saying a word. The fall of Lord Tongtian, these saints It seemed like he wasn't even worried.

I said indifferently with an expressionless face,

"Jie Yin, you have gone too far this time. You and Zhunti teamed up to kill Tongtian. After Tongtian is resurrected by Tiandao, Tongtian will not just let it go. I am afraid that something will happen to you in your Buddhist journey to the west."

Zhunti mocked with disdain.

"Huh, Tongtian's good corpse will never appear in the Great Immortal World again, and we will not let Tongtian Cult Master's good corpse appear in the Great Immortal World again."

Zhunti is not afraid of Tongtian Cult Leader now.

Without the Immortal Killing Sword Formation, Tongtian Cult Leader is just a tiger without teeth. If Tongtian Cult Leader dares to provoke Buddhism, he and the leader will massacre Tongtian Cult Leader again.

"You can't stop the good corpse that reaches the sky!"

"Then destroy the good corpse of Tongtian"

"Take care of yourself!"

After I heard what Saint Zhunti said, he shook his head and disappeared instantly.

The original Saint looked at Zhunti and Jie Yin, he laughed at himself and disappeared instantly.

Empress Nuwa warned with a cold face.

"Take the lead, Zhunti, it's best not to have Su Chen's ideas in the future, otherwise, Tongtian Cult Master will have another ally."

When Empress Nuwa appeared next to Su Chen in Tongtian and Jie Yin, she had been paying attention to Su Chen, and she heard clearly about Jie Yin's instigation of discord.

Although Empress Nu Wa did not form an alliance with Su Chen, Su Chen In her opinion, it is not simple.

Moreover, the prehistoric fairy world has been ruled by Su Chen.

Empress Nuwa will inevitably have to deal with Su Chen in the future. She does not want these two shameless saints from Buddhism to plot against Su Chen.

"Amitabha, Junior Sister Nuwa is joking, we will not take advantage of the Emperor of Heaven"

"Junior Sister Nuwa, you are worrying too much. In the ancient immortal world, no one dares to plot against the Emperor of Heaven."

After Zhunti and Jieyin heard what Nuwa said, their expressions changed.

Nuwa never participated in the fight. I and Yuan were inseparable, and Zhunti and Jieyin were closely united.

Tongtian would be a loner.

If Nuwa The empress and the leader of Tongtian have formed an alliance, and Buddhism will probably be in trouble.

"Just take care of yourself!"

After Nuwa looked at Zhunti and Jingyin, she waved her hand and disappeared without a trace.

"Senior brother, don't plot against Heavenly Emperor Su Chen in the future. We Buddhists can't afford to offend that bastard."

"Alas, we saints cannot return to the primitive world. Emperor Su Chen's family is the only one in power. We can no longer offend the Emperor of Heaven in the future."

Zhunti and Jieyin said that they disappeared into the chaos one after another.

At this time, above the nine heavens,

Tongtian's figure slowly appeared in the nine heavens.

After Tongtian was completely resurrected by the way of heaven, he looked at Chaos and shouted loudly shouted,

"Take the lead, Zhunti, I will never let you go!"

In the prehistoric fairy world, the screams of the leader Tongtian were heard by all the creatures in the prehistoric fairy world.

The creatures in the prehistoric fairy world also knew that the saint had fallen just now. The saint fighting in the chaos was probably Saint Zhunti. He teamed up with Saint Jieyin to kill Master Tongtian.

After Su Chen heard Master Tongtian's unwilling cry, he shook his head and said,

"It turned out that Zhunti and Jie Yin teamed up to kill Tongtian Cult Leader. Tongtian Cult Leader was pitiful enough. He was alone without even an ally due to his brothers' calculations and the oppression of Buddhism."

Su Chen didn't sympathize with Master Tongtian.

When Master Tongtian came to the court, he was probably very high-spirited and even arrogant. At that time, he must have looked down on other saints.

Zhu Bajie looked shocked. He shouted, "Dear me, the two great saints of Buddhism jointly killed the leader of Tongtian. This is incredible.""

"Buddhism is really powerful!"

Sun Wukong looked into the air and murmured to himself.

Sun Wukong thought it would be good to join Buddhism. Other saint sects all have one saint, but Buddhism has two saints. This alone makes Buddhism invincible..

Monk Sha looked at the air with a serious face.

He didn't say much.

However, he was also frightened by the power of Buddhism.

Two saints could kill a saint by joining forces. The power of Buddhism was beyond his imagination.

Tang Sanzang He shook his head and said a Buddha's name, "Amitabha, how wonderful! How good!"

Su Chen heard what Tang Sanzang's four masters and disciples said.

He looked at Sun Wukong's expression and felt something was getting more and more wrong.

Sun Wukong's current expression seemed to recognize Buddhism. Su Chen suspected that Sun Wukong was really deceived by Buddhism, and even some Maybe he was admitted to Buddhism by Buddhism

"Little Bailong, go to Bibotan and see if Princess All Saints is here"

"Yes, Emperor of Heaven!"

Chapter 1877

After Su Chen explained to the little white dragon next to him, he looked at the monks in ragged clothes around him. All the monks here were injured, and some were even being carried.

Su Chen could also imagine how Jisai Country treated the monks here.

At this moment,

Tang Sanzang and Sun Wukong went to clean the pagoda together, while Monk Sha and Zhu Bajie found a room to rest.

Su Chen was also going to a room to rest.

This time he didn't want to worry about the Nine-Headed Insect stealing the Buddha's relics. Sun Wukong might not be the opponent of the Nine-Headed Insect.

People from Buddhism may come again.

The next day,

Su Chen got up from a room and saw the little white dragon coming back. The little white dragon turned into a white horse again and saw Su Chen coming out.

When he recovered his true form, he saluted Su Chen and said,

"Emperor of Heaven, Princess Wan Sheng has gone to Heaven with the Nine Princesses of East China Sea"

"Went to heaven? fair enough."

Su Chen gave the little white dragon a few flat peaches and walked out of the temple.

Princess All Saints was not in Bibotan, which also made Su Chen worry a lot. At least the battle between Sun Wukong and the Nine-Headed Insect will not happen. Coming to the Halloween Princess

"who?"

Suddenly,

Su Chen felt a fluctuation in the space.

He looked around and shouted,

"The Heavenly Emperor's Space Law is really powerful. I was cautious, but I didn't expect that the Heavenly Emperor would still discover it."

A fat old monk with big ears walked out of the void.

He looked at Su Chen with a disdainful expression.

Duobao Tathagata covered this area with the sky-covering realm, although it could only cover a short period of time. A quarter of an hour, but what he wants to accomplish can be accomplished in an instant

"Tathagata Many Treasures!" Su Chen became vigilant when he saw the Tathagata Duo-Treasure coming. I'm afraid the Tathagata Duo-Treasure is coming with bad intentions. However, isn't Tathagata Duo-Treasure worried about protecting his quasi-sage discovery? Or does Tathagata Duo-Treasure have some means to hide it? This space?

"Haha, Emperor of Heaven, this Buddha is sending you to a place. I hope Emperor of Heaven will have a good time."

"Chaos clock!"

Su Chen saw Duobao Tathagata taking out a six-pointed star object, and he hurriedly summoned the Chaos Bell to resist the attack of the six-pointed star.

Boom!

After Duobao threw the six-pointed star, the six-pointed star suddenly burst out with a burst of light, and Su Chen was instantly The six-pointed star shrouded it.

Whoosh!

The six-pointed star and Su Chen suddenly disappeared without a trace.

After Duobao Tathagata saw Su Chen and the six-pointed star disappear at the same time, he snorted coldly and said,

"Huh, this is an artifact from the Western God Realm. Su Chen, you should be executed by God King Zeus in the Western God Realm!"

Heavenly Court,

Pantaoli, Wudang

Holy Mother, these women did not notice Su Chen's disappearance.

These women are now asking questions around Su Yan.

These women did not expect that Su Yan would come to the Great Desolate Immortal Realm, and even came to the Prehistoric Immortal Realm secretly..Bodhisattva

Guanyin and Our Lady of Wudang were speechless at Su Yan. The little girl Su Yue was very smart, but her sister Su Yan inherited Su Chen's ability to cause trouble.

Guanyin Bodhisattva shook his head and said to the girls,

"I asked my clone to go to the Shenyu Continent, otherwise Ji Ruxi and those women would go crazy."

"Well, is that okay?"The Queen Mother nodded when she heard Guanyin Bodhisattva's words.

Although the Queen Mother didn't know how many women Su Chen had in Shenyu Continent, Su Yan's secret arrival would definitely make Su Chen's women very worried.

"Auntie, can I really not eat flat peaches?"

When the Queen Mother heard Su Yan calling her aunt again, she was very helpless.

This little girl was referring to them as aunt, and they didn't know whether to agree or refuse.

After the Queen Mother corrected her several times, Su Yan still She went her own way and they were too lazy to care about this little girl anymore.

The Queen Mother touched Su Yan's little head and explained,

"Su Yan, flat peaches contain huge magic power. You can't eat them until you become an immortal. After you become an immortal, you can eat as much as you want."

"Forget it."

When Su Yan heard what the Queen Mother said, she looked at the fresh and tender peaches around her and swallowed her saliva.

There were thousands of flat peach trees here, and there were countless flat peaches on the peach trees.

It was a pity that she couldn't eat even one peach.

Little Fox He pulled Su Yan and reminded him,

"Little girl, you can practice with me in the Peach Garden from now on, and don't run around everywhere. When you become an immortal and strong, you can eat these flat peaches at will."

The little fox was also very speechless.

She had just arrived in the Immortal Realm, and this little girl also came with her.

The little fox also envied Su Yan's luck. When she came to the Immortal Realm, she experienced the catastrophe of becoming an immortal.

And this little girl Su Yan What?

She actually got a boundary-breaking talisman on the ladder, and came to the Great Immortal Realm easily.

This is really irritating.

Su Yan hugged the little fox and said with a sweet smile, "No, I still want to go to the Great Immortal Realm. After playing here, aunt, I will play for one year, and then I will be able to practice in the peach garden with peace of mind."

Su Yan was very funny when she hugged the little fox who was as tall as her.

She and the little fox didn't look like mother and daughter together, but more like sisters.

Su Yan couldn't understand why the little fox turned into a little girl. Looks like this.

Yunxiao smiled beside him and said,

"Well, my sisters Qiongxiao and Bixiao also want to go down to the next world, so let Su Yan, Qiongxiao and the others go down to the next world to play together for a year."

"Okay, with Qiong Xiao and Bi Xiao watching Su Yan, we can rest assured"

"Then let Su Yan go away for a year!"

"A year has passed in the blink of an eye. Su Yan can just go and play for a year."

"So be it, Yunxiao, let Qiongxiao and Bixiao take Su Yan down to the lower realms."

"With the protection of Qiong Xiao and Bi Xiao, nothing will happen to Su Yan, so let her go to the lower realm."

After hearing Yun Xiao's words, women such as Mother Wudang and Queen Mother Xi also agreed to let Su Yan go down to the realm for a year.

Qiong Xiao and Bi Xiao are both at the peak of Daluo Golden Immortal.

In the prehistoric immortal world, they simply don't Something might happen

"Wow haha! Thank you, aunties."

In the Western God Realm, in a huge temple, a six-pointed star suddenly appeared in the temple, and then burst out with a burst of dazzling light.

At this time,

Su Chen was suddenly thrown out of the six-pointed star.

Su Chen rubbed his forehead and was surprised. He said, "Holy shit, I'm so dizzy, where is this place?"

Su Chen was very confused when he looked at the grand hall of Western buildings.

There are no Western buildings in the prehistoric fairyland.

Could it be that he has traveled through time again?

Japan and Europe!

Don't cross over again.

Su Chen's women and children are all in the prehistoric world. In the fairy world, he is doing well in the ancient fairy world.

Su Chen doesn't want to travel to other worlds again.

"Who are you? Why did he appear in the palace of the Queen of Gods?"

Chapter 1878

Western God Realm,

Olympus Mountain.

Su Chen was looking at this Western Palace.

This Western Palace made Su Chen very speechless. No matter how he looked at it, he felt that this was not a prehistoric fairyland, because there was no spiritual energy here.

At this moment, a blond beauty walked in from outside the palace. She saw a stranger appearing in the palace of the Queen of Gods.

This golden beauty immediately asked Su Chen,

"Who are you? Why did he appear in the palace of the Queen of Gods?"

Su Chen asked confusedly after hearing the blonde beauty's words.

"Queen of Gods? What kind of queen?"

"Um? You are not a god from the Western God Realm. You are an immortal from the Ancient Immortal Realm. How did you come to the Western God Realm? Why did he appear in the palace of Queen Hera?"

What the hell!

Is this the Western God Realm?

Six-pointed star?

Duobao Tathagata has colluded with the Western God Realm?

Damn it,

Duobao Tathagata must have used the Western God Realm to kill him.

Su Chen's face suddenly turned ugly. However, he did not expect that Duobao Tathagata actually betrayed the Great Desolate Immortal Realm and even teleported him to the Western God Realm.

Duobao Tathagata did not dare to kill him in the Prehistoric Immortal Realm, so he teleported him to the Western God Realm and wanted to borrow The hands of the Western God Realm came to kill him, the Emperor of Heaven in the prehistoric fairy world.

Su Chen thought about it, coughed and said,

"Cough, beauty, I was teleported here accidentally. I will leave right now."

After Su Chen picked up the six-pointed star on the ground, he waved his hand and wanted to teleport away from here immediately.

Queen Hera?

This is probably a Da Luo Jinxian.

Su Chen didn't dare to stay here and wait for death.

Boom!

The blonde beauty suddenly exploded. He shouted with great momentum,

"Stop, anyone who breaks into the palace of the Queen of Gods without permission will be executed, so be captured as soon as possible."

Let me go!

What is the strength of Jinxian?

This blonde beauty is actually a god of Jinxian?

Damn it, the maid of Queen Hera is so powerful.

Su Chen looked at the blonde beauty and waved his hand, "Beauty, goodbye, See you again in the future."

Su Chen said and was about to teleport away. Su

Chen didn't care about the golden immortal.

After all, Su Chen was still a peak golden immortal. He could kill this blond beauty with just one hand.

I guess!

There is actually someone in this palace. Is the space blocked?

Damn it!

Is Hera, the Queen of Gods, afraid of being peeped?

Su Chen didn't expect that this palace was actually blocked by space. His strength couldn't break through this space at all. The blonde beauty looked at Su Chen in surprise. Looking like this, she hummed arrogantly,

"Huh, Primordial Immortal, the Queen's Palace has a sealed space. Unless you enter or exit through the palace gate, you won't be able to get out of this palace, so you should quickly and obediently surrender."

Su Chen suddenly appeared next to the blonde beauty.

He quickly sealed the blonde beauty's magical power and said with a smile,

"Little beauty, what did you just say? Are you telling me again?"

"you.....You are also a middle god. Let me tell you, there are thousands of goddess guards in the palace of the Queen of Gods. Among them, the middle god has more than a hundred goddess guards, and there are also three chief guards of the upper gods."

"I'm so scared!"

This is over.

I'm afraid Hera's palace won't be able to get out. There are more than a hundred golden immortals and three Taiyi golden immortals.

The upper god should be the Taiyi golden immortal.

Do you want to hide in this palace for a while?

Su Chen Chen also had a headache when he heard what the blonde beauty said.

If he dared to break in, the powerful main god in the Western God Realm would discover his existence.

Whoosh!

Su Chen imprisoned the blonde beauty in a space prison first. The blonde beauty is now He couldn't let her go yet.

Su Chen rubbed his forehead and thought, this is actually Hera's palace, so this area should be the gods in Greek mythology.

There are three major mythological systems in the Western God Realm, Greek mythology, Nordic mythology, There is also the God myth of angels.

Su Chen didn't know which myth system was more powerful.

"who?"

Damn it!

Su Chen didn't expect that he was walking around the palace randomly while thinking about things. He didn't expect that he would come to a hot spring, and there was a beautiful woman taking a bath in the hot spring.

"Excuse me, farewell!"

Whoosh!

Su Chen looked at the beautiful woman in the hot spring and quickly teleported to other places.

In the hot spring, the goddess Hera's face was very ugly.

Hera did not expect that a man would appear in her palace, and He even looked at her, which made her very angry.

"Want to escape? In my palace, I am the master!" Hera's figure flashed, she put on her clothes and said with a cold face, boom boom boom.....

Hera stretched out a white hand and grabbed it. Su Chen was grabbed by Hera's neck and brought back to her.

Su Chen was confused when he was captured by Hera. Although he felt that this woman was very powerful, he did not expect that she would be so powerful and she caught him instantly.

Su Chen looked at the beautiful woman who was dressed, and he also understood that this powerful and beautiful woman should be Hera, the Queen of Gods.

Su Chen hurriedly said to Hera, "I'll go, Hera, misunderstanding, misunderstanding, I didn't mean to see it."

Su Chen didn't expect Hera to be so beautiful.

Looking at Hera up close,

Western women's Su Chen was fascinated by the beauty.

The delicate face, plump figure, and the charm of a mature woman were all revealed in Hera.

At the hot spring just now, although Su Chen only saw the upper body, Hera's proud figure still surprised Su Chen.

"You are actually an immortal from the ancient immortal world"

"You are very courageous. You dare to come to the Western God Realm, and even dare to break into my palace. Olympus Mountain is not something you can come and leave whenever you want."

Hera did not expect that the person she caught was an immortal from the ancient world.

This surprised Hera. How could a middle-level immortal from the ancient world break into her palace?

Is this little scumbag tired of living ? ?

"Queen Hera, do you believe me when I say I didn't break into your palace on purpose?"

Hera looked at Su Chen and smiled and said,

"Haha, ancient immortal, you don't need to explain, you will die anyway, it doesn't matter if you explain or not."

Su Chen said helplessly after hearing Hera's words,

"Queen Hera, you are a beautiful and kind-hearted main god. For a little person like me, you should not be the same as me."

Goddess Queen Helena stared at Su Chen and said coldly,

"I will die if I see it all!"

"Damn it, you damn woman, what's wrong with looking at you? What does it mean for you to marry Zeus? Don't you know that human siblings are not allowed to get married in the mortal world?"

Chapter 1879

Su Chen had nothing to do with this goddess Hera.

If Queen Hera really wanted to kill him,

Su Chen could only use the Chaos Bell to resist. As for whether he could escape, he couldn't guess.

However, if Su Chen caused a sensation in the Olympus Mountains, he might not be able to escape.

This is the Olympus Mountains.

There are twelve main gods in the Olympus Mountains, twelve Western gods of the Golden Immortal. , Su Chen can deal with nothing.

When the Queen of Gods Hera heard Su Chen's words, her face turned very ugly.

Hera did not expect that Su Chen would ridicule her.

"How dare you mock me!"

Su Chen looked at the Queen Hera and said disdainfully,

"Taunting you? The chaotic relationship between the gods of Olympus is well known to the entire Western divine world. The Nordic gods and angels of God probably laugh at you Greek gods a lot, right?"

"Sister and brother, father and daughter, this kind of chaotic relationship, the Greek gods are simply worse than beasts"

"you wanna die!"

Hera couldn't help it any longer.

She raised her hand and was about to kill this daring bastard.

"Chaos clock!" boom!

"Space moves!"

Boom boom boom boom.....

"Hera, if you keep fighting, your palace will collapse. There is no need for us to keep fighting."

"You must die!"

"Damn it, crazy woman, if you continue to fight, the other main gods in the Olympus Mountains will find out. Do you want the other main gods to know that I have taken a look at you?"

"Shameless!"

Goddess Queen Hera stopped when she heard Su Chen's words.

Hera was also worried that the other gods would find out what was going on here. If this bastard really said that he was exposed, she would really have to do it in the Olympus Mountains. She can't hold her head up anymore.

Also, she can't break this bastard's golden bell for a while. This bastard should have a high status in the prehistoric fairy world. The spiritual treasure in this prehistoric fairy world is too powerful.

"Hera, you are a beautiful goddess in charge of marriage and childbirth. Fighting and killing would not be disrespectful to your status. It is better for you to quietly be a beautiful and kind goddess."

"Shut up!"

"Ahem, then I'll leave?"

"Did I let you go?"

"What else would I do if I stayed? oh? Do you want compensation? Here you go, consider this my compensation for seeing you all."

Su Chen directly took out a six-thousand-year-old flat peach and handed it to Hera.

He must deal with Hera now.

The movement just now was a bit loud.

Su Chen was also worried that other gods would come to Hera to ask.

"Flat peach? You actually have the flat peach from heaven in the prehistoric fairy world? What is your identity in the prehistoric fairy world?"

Hera was very surprised when she looked at the flat peach in her hand.

She knew the flat peach in the ancient heaven. How could this little middle god have the flat peach in the heaven? It seems that her guess just now was good. The identity of this little scumbag It seems really not simple

"A nobody!"

"Hum, if you want me to let you go, just give me ten 6,000-year-old flat peaches."

"You want to eat farts!"

"you wanna die!"

When Hera saw Su Chen swearing at her at every turn, she couldn't help but want to kill this little scumbag.

"I don't have that many, three at most."

Su Chen saw that Hera was about to take action again.

He waved his hands hurriedly and said in a bargaining manner,

"Just three!"

Hera nodded when she heard Su Chen's words.

Three flat peaches are not bad.

The fairy fruits in the prehistoric fairy world are very useful for their spiritual cultivation in the Western God Realm.

Otherwise, the Western God Realm wouldn't have one every thousand years. Will attack the prehistoric fairy world to plunder the resources and fairy fruits in the prehistoric fairy world.

At this time, a goddess guard arrived and saluted Hera,

"After reporting to the Queen of Gods, Lord God Demeter asked if something had happened in the Queen's palace."

"If nothing happens, tell Lord Demeter about the commotion caused by my practice in the palace."

"Yes, Queen of Gods!"

The goddess guard looked at Su Chen and left.

The goddess guard had never seen Su Chen, but the goddess Hera said it was okay, and the goddess guard did not dare to ask about Su Chen.

After Hera sent the goddess guard away, she looked Xiang Suchen reminded, "You'd better not let others find out that you are an immortal in the ancient immortal world, change your clothes, and what's your name?"

"Got it, my name is Su Chen"

"Huh, give me the peaches!"

"Hera, after taking my flat peach, don't regret it"

"I am the Queen of Gods, don't you believe me?"

Su Chen thought for a moment and handed Hera two peaches again.

"Believe, believe, what the beautiful and kind-hearted God Queen Hera says, I believe it 100%."

After Hera got two peaches, she smiled and stretched out her hand and said,

"One peach is missing!"

Su Chen was stunned when he heard Hera's words.

Didn't we just agree on three flat peaches?

Doesn't Hera, a woman, know how to count?

Why does she still want one flat peach?

Su Chen stared at Hera and mocked He said, "Hera, don't you know how to count the three flat peaches we agreed on? Hera shook the flat peaches in her hand and said with a smile, "We agreed on three flat peaches, but now you have given me two flat peaches. Do you know how to count?"

"Didn't I give you a peach before?"

"Su Chen, we agreed on three flat peaches after you gave me one flat peach. Of course, the previous flat peach was not included. Don't you understand?"

Damn, this cunning woman.

Zhang Wuji's mother said it right. The more beautiful a woman is, the more likely she is to lie.

Su Chen took out another flat peach and handed it to Hera and said,

"Here, Hera, don't play any tricks on me, or the Greek gods will know about our relationship."

Hera yelled angrily when she heard Su Chen's words,

"Bah, I have a shitty relationship with you bastard. If you dare to talk nonsense to me again, I will kill you."

Su Chen coughed hurriedly and said,

"Ahem, a slip of the tongue, a slip of the tongue, Queen God, please don't get me wrong, I don't want to have anything to do with you Greek gods. The relationship between you Greek gods is too confusing."

"The god-king Zeus is a stallion. As long as she is a beautiful woman, the god-king Zeus will pounce on her like a vicious dog. The thought of Zeus makes me sick to my stomach."

Hera was silent when she heard what Su Chen said. Su Chen was right.

God King Zeus is a stallion.

The entire Greek pantheon was corrupted by God King Zeus. However, God King Zeus is so powerful that the Greek gods are not. One is the opponent of the God King Zeus. Even if the Greek gods want to resist, they are powerless.

Ten days later,

Su Chen has been living in Hera's palace during these ten days.

His current identity is a priest and the God Queen Hera. The personal priest, the goddess guards in the entire palace of the Queen of Gods were all under the command of Su Chen, and Su Chen didn't understand what Hera was playing.

A goddess guard hurriedly came to Su Chen and saluted, "Priest, in front of the main god Demeter Come to the Queen of God"

"Tell Demeter that the Queen of Gods is taking a bath and has no time to talk to her."

"Really, you, the priest, are so courageous that you even dare to deceive me?"

Chapter 1880

Su Chen sat on the seat behind Hera. He held his chin straight and thought about how to return to the ancient world. He didn't care at all about the arrival of the Lord God Demeter.

Besides, Hera hasn't appeared these days.

Su Chen has not seen that cunning woman for more than three days, so he knows what Hera is doing.

"Really, you, a priest, are quite brave, you dare to deceive even me?"

At this time, a woman with a plump figure and outstanding temperament walked into the palace. She looked at Su Chen and asked angrily,

"Demeter?"

Su Chen asked suspiciously when he saw the beautiful woman coming in.

Demeter did not expect that Su Chen would dare to call her by her name.

She threatened with an angry look,

"How dare you, a little priest, dare to call me by my name? Don't you want to live?"

Su Chen sat on his seat and waved his hands and said, "Okay, Demeter, what's the reason for your arrival? God Queen Hera, I don't know where she has gone. If nothing happens, please come back."

Su Chen is worried now. Hera has never told him about the way back to the ancient fairy world. The Western God Realm is so big that it is impossible for Su Chen to find the way back in a short time.

"Little priest, aren't you afraid that I will kill you?"

"Don't you dare. I belong to the Queen Hera. Demeter, you are just a harvest goddess. Your status is not as good as that of the Queen Hera."

"Damn it, it seems like you really want to die."

Su Chen pointed at the palace and coughed as a reminder, "Ahem, Demeter, the palace of Queen Hera is now under my control. If you don't want to be imprisoned by me, you'd better leave."

The palace of Queen Hera has the function of forbidding gods, blocking space!

Imprisoning divine power!

This palace is still somewhat powerful. In the prehistoric fairyland, this palace should be regarded as a middle-grade innate spiritual treasure.

"How can it be? Why would Hera leave her artifact under the control of a little priest like you?"

"What do you think?"

Demeter pointed at Su Chen and asked in surprise, "You.....You wouldn't be Hera who found a man, would you?"

I'll go!

How could Demeter think like this?

Damn it!

These Western gods are too open-minded, especially the gods of the Greek pantheon.

They have such a chaotic relationship that the Greek gods probably don't even know about them. How should we call them?

Su Chen looked at Demeter and reminded,

"Demeter, if you don't want to be taught a lesson by Hera, you'd better not speak nonsense."

"Are you going to tell Hera?"

"Can't I?"

"Little Priest, you are really seeking death!"

After Demeter heard Su Chen's words, she burst out with great power.

This little priest simply didn't take her seriously. If she doesn't teach this bastard priest a lesson today, she will probably go crazy.

Boom!

Snapped!

"Confinement, transfer!"

When Su Chen saw Demeter about to take action, he snapped his fingers and shouted.

Whoosh!

Demeter suddenly disappeared next to Su Chen.

Su Chen looked at the disappeared Demeter and smiled. Laugh, no wonder Hera said that in her palace, she is the master.

Hera, the Queen of Gods, has such a special spiritual treasure. If she uses it to trick people, this is a sure thing.

"Priest, aren't you afraid of the Lord God Demeter's revenge on you?"

"What are we afraid of? There is Queen Hera behind us. If anything happens, we will push it on Hera."

The goddess guard was very speechless when she heard Su Chen's words.

She looked at Su Chen and left.

The goddess Hera announced that everything in the palace of the goddess listened to Su Chen, and she could not refute anything Su Chen did. After Chen rested on Hera's seat for a while, he planned to go see Demeter. Suchen also forgot to move Demeter there just now.

I'll go!

Demeter won't be flooded Is she dead?

Su Chen checked Demeter and stood up immediately.

He did not expect to move Demeter to the hot spring. Demeter's divine power was imprisoned.

She is now lying on her back in the hot spring. Here,

Su Chen was really afraid that Demeter would be killed by him.

Whoosh!

Su Chen immediately rushed over to check on Demeter.

If Demeter was really dead,

Su Chen could only immediately Started to escape

"Demeter? You wake up."

Su Chen came to the hot spring and helped Demeter up and shouted,

Damn!

Is he really dead?

How about artificial respiration?

Su Chen felt very helpless when he looked at Demeter.

Demeter's The breath is very weak, almost like a dead person. It's really funny that a god was drowned.

Demeter is killing Su Chen now.

This bastard imprisoned her in the hot spring for more than an hour. , she can't use her divine power now.

Demeter can't even take revenge on Su Chen. Now she can only pretend to be unconscious and not see this bastard.

"Woo woo woo....."

Demeter did not expect that Su Chen would kiss her, which made Demeter struggle immediately.

I go!

Demeter is pretending to be faint?

She was even pretending to be dead.

What on earth did this plump and beautiful woman want to do?

However,

I also took advantage this time.

Su Chen didn't let go of Demeter, and they kissed her anyway. Even if Su Chen let go of Demeter now, she would hate him to death. He might as well take advantage of Demeter's friend for a while longer.

In a secret room in the palace, after the God Queen Hera digested four flat peaches, her strength had advanced to the peak of the Lord God Realm.

As long as there is an opportunity,

God Queen Hera will advance to the realm of God King.

When the time comes,

God King Zeus will be unable to do anything to her.

After God Queen Hera stood up and felt her strength, she smiled happily.

The top fairy fruit in the ancient fairy world was indeed a great supplement to divine power. Hera decided to ask that bastard for some flat peaches in the future.

That bastard should still be sleeping, right?

"Bastard, Suchen, this damn bastard, how dare he do this? And he's still in his own hot spring"

"shameless bastard"

"My own hot spring has been polluted by those two bitches."

"No, that woman is? Demeter? How can it be? How come Demeter had a relationship with Suchen? What happened these days?"

The Queen Hera was confused when she saw Su Chen.

She didn't expect that Su Chen was fooling around with a woman in her hot spring.

When she found out that the woman was the main god Demeter, the Queen Hera was confused. ,

Demeter is the woman of God King Zeus, is Su Chen cheating on God King Zeus?
