### Chapter 191

Hu Ji sat on the bench in the tent and looked at the descendant of the Moon Wolf who was dressed in animal skins. She did not expect that this woman was also a beautiful woman.

Moreover, this wild and beautiful woman can represent the descendants of the Moon Wolf to meet her, so this woman should be the leader of the remaining descendants of the Moon Wolf.

Hu Ji looked at the wild Nuomin and asked,

"Nomin, why did you come to see me this time?"

After Nuo Min saluted Hu Ji, he said hurriedly, "Madam, our Moon Wolf tribe wants to take refuge with Madam, and our Moon Wolf tribe can fight for Madam."

Hu Ji twisted her perfect figure and came to Nuo Min. She guessed that the Moon Wolf Clan may have reached the end of its rope by now.

This Nuo Min may also have seen that the Netherworld Cavalry Legion has been killing the Huns for more than ten days. Man.

Nuomin should have seen the power of the Netherworld Cavalry Legion. This is why the Moon Wolf Clan is looking for a backer so that they can recuperate.

"Haha, take refuge in me? Nuomin, I know that there are not many members of your Moon Wolf Clan left. I don't know what your Moon Wolf Clan can do for me. Now that I have a powerful army, your Moon Wolf Clan seems to be of little use to me, right?"

After hearing Hu Ji's words, Nuo Min hurriedly said,

"Madam, our Moon Wolf Clan knows where the various tribes on the grassland are. We can lead Madam's army to find the Huns' tribes, and we can also control the wolves and use wolf venom to eliminate some powerful enemies for Madam."

Hu Ji shook her head after hearing what Nuo Min said. She also knew the various tribes of the Xiongnu tribe in the grassland. As for the Moon Wolf clan's control of wolves and the use of wolf poison, it may not be very effective, otherwise the Moon Wolf clan would not be affected. The Huns were almost exterminated.

"Nomin, you don't know who I am, do you?"

"Madam?"

"I am the chief of the Arak tribe, the largest tribe in Donghu. Do you think I don't understand the grassland?"

Nuo Min is a little confused now. If this lady doesn't take in their Moon Wolf clan, then those who are waiting for their Moon Wolf clan will have to be exterminated. Even if this lady wipes out the Huns in the Hetao area, other tribes may also be killed. After destroying their now weak Moon Wolf Clan,

Nuo Min knelt down in front of Hu Ji and begged, saying,

"Madam, our Moon Wolf tribe is now being hunted and captured by the Huns. Now there are less than 2,000 people left, and most of them are women and children. Our Moon Wolf tribe is at the end of its rope. I hope Madam can take us in."

Hu Ji looked at Nuo Min, a wild and beautiful woman, and thought that maybe Su Chen would like such a beauty, and this Nuo Min is just a woman with no scheming, and it will not affect her status.

Hu Ji decided to put this in the future Nuo Min gave it to Wu Xiangjun Su Chen, hoping that Su Chen would like the gift she gave him.

"Nuomin, it's not impossible for us to take in your Moon Wolf Clan, but you must become my husband's slave. This cannot be changed."

"Madam, I agree, we are willing to be the slaves of Madam's husband."

When Nuo Min heard Hu Ji's words, she hurriedly nodded in agreement.

Now as long as the Moon Wolf clan is not exterminated, Nuo Min can do anything. Although she is the slave of this lady's husband, Nuo Min thought that her husband must be As a Chinese, even if she becomes her husband's slave, I'm afraid she will never see her husband in her lifetime.

"Then prepare to take your tribe to Donghu to get slave tattoos. We will also go to Donghu to my tribe for a few days to repair it. You have three days, and I will only wait for you in Donghu for three days."

""Yes, madam."

Han Guo, Xinzheng

Su Chen looked at the fight between Zi Nu and Yan Ling Ji and thought that his shadow assassins had not been released yet. Su Chen checked the three hundred shadow assassins in the system space and found that these shadow assassins were actually There are one hundred female shadow assassins.

This makes Su Chen a little happy. If his subordinates are all men, there will be some things that men cannot do in the future. Now that there are one hundred innate-level shadow assassins, these female shadow assassins can be used in the future. Assassins do things for their women

"Here's your tea and snacks."

Nong Yu came to Su Chen with her head lowered, carrying tea and snacks and said.

Nong Yu is very panicked now. She is afraid that this gentleman will do those hooligan things to her now that he sees clearly.

Nong Yu knows that this gentleman He can't afford to offend him. If he comes by force, Nongyu will have no choice but to call sister Zinu to save her.

"Put it on the stone table"

""Yes."

Su Chen now also saw clearly that this woman turned out to be Nong Yu, but it was a bit boring to see Nong Yu's worried look. This Nong Yu seemed to be afraid of what he would do to her.

Su Chen looked at Nong Yu and said I don't want to talk to her anymore. My current wife is not more beautiful than her, and my wife has not yet settled down. Su Chen doesn't care about this silly woman. Nongyu put the tea and snacks on the stone table and found that this gentleman was there. Looking at her, this made Nong Yuxin raise her throat. Now she was afraid that this Junshang would touch her.

But after looking at her for a while, she found that this Junshang was not paying attention to her, but was holding some snacks. He ate it with big mouthfuls, which made Nongyu a little confused.

Didn't Sister Zinu say that this Junshang was a pervert? Why didn't he do anything to him when he saw her? Isn't he worse than the snacks on the table?

Peng

Zi The female sword cut a nearby tree in half, and Yan Lingji was also knocked away by Zi Nu.

Zi Nu looked at the injured Yan Lingji and warned,"Bai Yue Nu, catch me immediately, otherwise I will Kill you."

Yan Lingji looked at the wound on her stomach and became very angry. How could that bastard woman be so powerful?

The previous Mrs. Jun was captured without being able to fight back. Although this woman is a little stronger than her, But it's impossible for her to kill herself.

"Let me surrender, you are dreaming, I will not surrender even if I die"

"Then die."

Boom! Boom! Boom!

Zi Nu is also fierce now. The red sword in her hand grows and shortens, and she even attacks Yan Lingji in a corner.

Yan Lingji is a little helpless now, this damn thing The woman's weapons were so difficult to deal with, which made it impossible for her to use her own advantages. Now Yan Lingji could only avoid Zi Nu's attacks everywhere.

Su Chen saw that Zi Nu and Yan Lingji were attacking each other fiercely, He shook his head. It seemed that he still needed to separate them, otherwise they would definitely suffer casualties.

Su Chen released a hundred female shadow assassins and asked them to hide around. He wanted to wait for Zi Nu and Yan Ling Ji to When they were exhausted, they asked the Shadow Assassin to capture them. Su Chen also wanted to see the strength of the Shadow Assassin.

"that.....that.....Won't you stop the fight between Sister Zi and that woman?"

"Huh? Why haven't you left yet? Aren't you very afraid of me?"

## Chapter 192

Nongyu saw that Zinu and that woman were really fighting now. She was a little worried about Zinu, but this Junshang actually watched Zinu's sister and that woman fighting while eating, which made Nongyu speechless.

Is this gentleman watching a show? Isn't he afraid that Sister Zi and that woman will be killed or injured?

Seeing the fight getting more and more intense, Nongyu couldn't help but said to Su Chen,

"that.....that.....Won't you stop the fight between Sister Zi and that woman?"

Su Chen heard Nong Yu ask her, and he found that this woman was standing aside and looking at him. Su Chen was curious and asked Nong Yu,

"Huh? Why haven't you left yet? Aren't you very afraid of me?"

Nongyu's face turned red after hearing Su Chen's words. She didn't expect that this gentleman had noticed her for a long time. This made Nongyu a little panicked. Now she doesn't know how to answer this gentleman.

Su Chen looked at it Nongyu was a little overwhelmed and ignored her. This woman was a little crazy. Su Chen looked at Zi Nu and Yan Lingji and their energy was almost exhausted.

Bang! Bang! Bang!

Su Chen was suddenly doing it. Nongyu clapped his hands under the gaze of Yu, and Nongyu looked at this Junshang clapping his hands with some curiosity.

She didn't understand whether this Junshang clapped his hands to attract the attention of Zinu's sister and that woman, or if he wanted to summon his guards to separate Zinu. The fight between my sister and that woman.

Whoosh! Whoosh! Whoosh! Whoosh! Whoosh! Whoosh!

Just when Nongyu was confused, female assassins in black night clothes suddenly appeared in the backyard of Zilanxuan. These female assassins were wearing tight night clothes. Yi Lai highlighted their perfect bodies.

They all saluted Su Chen with short blades, which surprised Nong Yu. She didn't feel that there were hundreds of female assassins hidden here.

Although she Her cultivation level is low, but it is impossible for her not to notice that Zi Lanxuan would hide such a powerful female assassin.

Zi Nu and Yan Ling Ji also stopped attacking each other. They looked at the sudden appearance of the female assassin and They all looked at that bastard Su Chen.

Zi Nu immediately asked Su Chen angrily,"Su Chen, you bastard actually has subordinates in my Zilanxuan? Since you have these men, why do you want to seize my secret guards?"

Su Chen looked at the unreasonable Zi with some speechlessness. When did his secret guard become Zi Nu's? Why is this Zi Nu so messy?

"What are your secret guards? Those secret guards are all our men. When did they become yours?"

"This is the secret guard assigned to me by your wife. Why do you take it away as soon as you come?"

"Let me guess, can't I get back what my wife assigned to you? Zi Nu, are you sick? That Nongyu, hurry up and take your boss lady to see a doctor."

"Damn it, you bastard actually attacked Nongyu, you shameless person, I'm going to kill you"

"Damn, catch her, don't hurt her"

""Yes, master,"

Su Chen ordered directly as he saw Zi Nu coming over with a sword.

Why was this Zi Nu so hot-headed? She attacked him without even asking. This gave Su Chen a headache.

Just when Zi Nu was about to attack At that time, the shadow assassins directly dispatched four people to attack Zi Nu from four directions. Zi Nu was in a hurry to deal with the attacks of these shadow assassins.

Zi Nu was a little angry now. Where did that bastard Su Chen find these killers? Although These female assassins did not use any killing moves on her, but if she was stabbed with ordinary moves, she would be seriously injured.

Just when Zi Nu was about to fight off the female assassin in front of her, the female assassin suddenly Just disappeared. Zi Nu couldn't even feel the aura of her existence, which made Zi Nu instantly nervous.

When Zi Nu turned around and was about to attack the other three female assassins, the other three female assassins suddenly disappeared from her eyes. , they left a piece of white smoke in place.

Before Zi Nu could recover, four shadow female assassins suddenly appeared next to her and put short blades on her neck. One of the shadow assassins took action. Clicked on Zi Nu's acupoints

""Sister Zi Nu,"

Nong Yu was a little worried and wanted to save Zi Nu, but she was stopped by the shadow assassin next to her before she took a few steps.

Zi Nu was angry and surprised when her acupoints were tapped. She did not expect the skills of these assassins. No matter how strong she was, even she didn't see her superb movement skills clearly. Although she had very little energy left, even when she was completely victorious, she probably couldn't do anything against these shadow assassins.

Zi Nu saw it when she was brought to Su Chen. That bastard was laughing at him. Zi Nu immediately turned red and glared at Su Chen and cursed,

"Su Chen, you bastard, ask them to let me go."

Su Chen was speechless when he saw Zi Nu being captured and still acting aggressively. Haven't Zi Nu seen the situation clearly yet? She is a prisoner. Does the prisoner know?

"Haha, purple boss lady, do you think it's possible?"

Zi Nu knew that she had to lower her head under the eaves. She glared at the bastard Su Chen and asked,

"You bastard.....How can you let me go?"

Su Chen looked at the beautiful and plump Zi Nu and said word by word,"I...want....Do.....purple...orchid....Xuan....of...old....plate."

After hearing what Su Chen said, Zi Nu was so angry that she wanted to strangle this bastard to death. She didn't expect that this bastard Su Chen was actually trying to get her idea.

"You are shameless, you bastard, don't even think about it."

Su Chen knew that Zi Nu had misunderstood him. He just felt that Zi Nu had a way of doing business. If he bought a stake in Zi Lan Xuan, he might be able to open Zi Lan Xuan all over the continent. Su Chen didn't intend to explain anything to Zi Nu. Anyway, She will understand later,

"Don't worry, I believe the beautiful purple female boss lady will agree"

"Even if I die, I won't agree"

"You will agree?"

Su Chen said and saw Yan Lingji who was looking around to escape.

Su Chen did not expect that Yan Lingji would not come to kill him but wanted to escape, but could she escape? There are hundreds of them here. There are shadow assassins and even ghost guards outside. It would be wishful thinking for Yan Lingji to escape from here.

Su Chen smiled when he saw Yan Lingji realize that he looked at her in panic and said,

"Dear Baby Flame, if you don't surrender without mercy, do you think you can escape? You don't want me to strip you naked, do you?"

"Shameless, I will kill you."

When Yan Lingji saw this bastard talking about herself in front of so many people, she stomped her feet in shame and anger and flew towards Su Chen.

Su Chen waved his hand to stop the shadow assassin from intercepting Yan Lingji. He smiled and disappeared. Stay in place.

Snap! Snap! Snap!

"Baby Yan, you are not good!"

"Oh, you damn bastard, I'm going to tear you into pieces."

Chapter 193

Su Chen suddenly appeared behind Yan Lingji and slapped her on the butt several times. This little girl, Yan Lingji, was also noticed by him.

Su Chen would not let Yan Lingji leave him, no matter it was his own possessiveness or something else, Yan Lingji could only follow him in the future.

Yan Lingji looked at Su Chen who suddenly appeared next to her in confusion. Was she spanked? Got spanked by a man? Yan Lingji's face was now even redder and uglier.

Yan Lingji shouted angrily and took the hairpin and sent out a stream of fire towards Su Chen.

"Oh, you damn bastard, I'm going to tear you into pieces."

Su Chen immediately disappeared next to Yan Lingji. He looked at the angry Yan Lingji and stretched out his little finger and continued to say arrogantly to Yan Lingji,

"Let me guess, he is a fire mage, and he almost burned me."

"Damn it, you bastard, don't hide?"

"Why?"

"Just because you bastard is a man"

"Hey, are you still a woman? Why don't you just let me catch you?"

"You bastard, can you stand still?"

"Don't stop."

Boom! Boom! Boom! Boom!

Yan Lingji was completely mad at Su Chen. She kept attacking Su Chen desperately. The Zilanxuan backyard was completely destroyed by Yan Lingji..

Zilanxuan's backyard is now full of potholes, and even some trees and flowers have not been spared. The trees in Zilanxuan's backyard were either cut down by Zi Nu, or burned into charcoal by Yan Lingji. At this time, Yan Lingji

's true Her anger was also exhausted, and she stared at Su Chen helplessly as she stood unsteadily. This bastard was so good at hiding that she hadn't even attacked him once in the past half day.

Yan Lingji felt very tired now, and she was really angry. After finishing the consumption, Yan Lingji slowly walked to the stone table where Su Chen sat, sat down, poured a cup of tea and drank it.

Su Chen also came to the stone table and sat down, then smiled at Yan Lingji and said, "Baby Flame, don't you want to continue?"

Yan Lingji was angry when she looked at Su Chen. If she wasn't really angry anymore, she wouldn't let this bastard go.

"Get lost, I don't want to see you bastard."

Su Chen smiled and saw where Zi Nu was still standing, looking at Zi Lan Xuan's backyard in a daze. Su Chen knew that Zi Nu was feeling sorry for her Zi Lan Xuan. Su Chen thought about it and ordered to the shadow assassin next to him,

"Haha, come here, unlock the acupuncture points of the purple female boss lady"

"Yes, Master."

After Zi Nu's acupuncture points were unlocked, she came to Su Chen aggressively, but before she had time to teach Su Chen a lesson, she heard Su Chen say,

"Zi Nu, as compensation, I can give you twelve shadow assassins to protect you. In addition, your secret guards will also be yours after they have done something for me."

Su Chen only gave Zi Nu these shadow assassins for her safety. After all, when he leaves the Eastern Continent in the future, Zi Nu may have to face some enemies alone. The women in Zi Lan Xuan are not some forces at all. opponent.

With these secret guards and shadow assassins, her safety can at least be guaranteed. When she has strong subordinates in the future, she will send them to protect her. After hearing this, Zi Nu was stunned. Twelve of those female assassins met Give it to yourself? Are your former secret guards still your own? What does this bastard mean? Does this bastard have any other conspiracy? These shadow assassins are all Xiantian realm assassins, and their movement skills can't even do anything to her. , she could only tie the four shadow assassins during the period of complete victory.

But they were assassins, not swordsmen. If they assassinated her secretly, Zi Nu thought about it, and she was afraid that she would not be able to escape the assassination of the shadow assassins.

Zi Nu Staring at Su Chen with some vigilance, he asked,"What conspiracy do you have? Wouldn't you be so kind as to leave it to my powerful subordinates?"

Su Chen smiled and drank a cup of tea and said,"We are a family. If I don't give it to you, who will I give it to?"

Zi Nu retorted loudly in shame and anger,"Asshole, who is your family? Don't give me any wishful thinking."

"Do you want to do whatever you want, I need to rest, it's already midnight."

Su Chen put down the teacup, stretched and was about to leave. But after taking a few steps, he looked at Yan Lingji and said,

"Baby Flame, you'd better not think about escaping. Ji Wuye and that Han Fei outside are trying to catch you now. You will follow me from now on. The shadow assassin will monitor you. If you dare

to escape, think about what my wife will do to you. You, I will do the same to you when the time comes."

"Inglorious bastard, so shameless."

When Yan Lingji saw Su Chen leaving, she broke her tea cup angrily. However, Yan Lingji thought about it and thought that Su Chen was right. She can't appear in Xinzheng City now. Now in Xinzheng

City They must be arresting her everywhere, and even Tianze may be looking for her. After all, she knows Tianze's hiding place.

Yan Lingji saw that the shadow assassins around her disappeared as Su Chen left, leaving only Twelve shadow assassins stood next to the purple-haired woman. The purple-haired woman didn't know what she was talking to those shadow assassins.

Yan Lingji looked at it and walked directly to the room she had been in. With these shadow assassins here, she She can't escape from this Zilan Pavilion, and even the guards outside with crossbows may not be able to break out easily.

Southern Continent, Sui Dynasty, Pegasus Ranch

Su Yan is eating the delicacies made by Shang Xiuxun. Su Yan doesn't Thinking that this beautiful host was actually a great cook,

Su Yan smiled and said after eating the food Shang Xiuxun gave him,

"Sister Shang, you are so awesome. Not only do you have to manage such a large Pegasus ranch, but you also make such delicious snacks."

Shang Xiuxun was very happy when she saw that Su Yan liked the food she cooked. She had never let anyone eat the food she cooked. This time, she also felt that Su Yan was a little girl who cooked it for her.

Shang Xiuxun was a little confused now. Wanting to know the specific identity of Su Yan, Shang Zhen made inquiries in the past two days and found that there was no princess named Su Yan in the Sui Dynasty.

However, black-armored cavalry like Su Yan did appear in Yangzhou and Luoyang. Shang Xiuxun was a little curious about Su Yan's specific identity.

Shang Xiuxun smiled and touched Su Yan's head and said,

"Haha, if you like it, I can do it for you every day. By the way, Su Yan, aren't you looking for your father? You have been staying with me for three days and you are not looking for your father?"

Su Yan was speechless as she sat on the chair and touched her full belly. She didn't expect that when she arrived in Sui Dynasty, her father who was causing trouble would actually go to the Eastern Continent.

This made Su Yan a little depressed and she wanted to do something. The daughter's attempt to save her father from thousands of miles away has also come to nothing.

Su Yan said listlessly to Shang Xiuxun, "I'm not looking for you anymore. My father has nothing to do now. Besides, he's not in Sui Dynasty now."

"Which country are you the princess of? Aren't you afraid that your family will be worried when you secretly come out to see your father this time?"

"I am the daughter of Lord Wuxiang of the Song Dynasty. I have guards to protect me and nothing will happen to me."

Chapter 194

After Su Yan heard Shang Xiuxun ask her, she told her identity without hesitation. Anyway, she wanted to stay here for a while, and Shang Xiuxun would also find out her identity during this time. After all, Sui Both Yangzhou and Luoyang have Nether Cavalry.

Shang Xiuxun looked at Su Yan in surprise. She did not expect that Su Yan was the daughter of Wu Xiangjun who was rebelling in the Song Dynasty.

Shang Xiuxun got information that Su Yan's father had occupied the southern part of the Song Dynasty and was now preparing to destroy the Dali Kingdom. If Su Yan's father also destroyed the Song Dynasty in the future, wouldn't Su Yan be a princess from now on?

"Su Yan, I didn't expect that you were the daughter of Lord Wu Xiang of the Song Dynasty. Now that you have conquered the southern part of the Song Dynasty, when will you destroy the Song Dynasty and establish the country? Need a war horse? I can sell you some cheaply."

Su Yan said to Shang Xiuxun without energy,

"I don't know. Maybe after Dali is destroyed, a war will be launched against the Song Dynasty. Huang Rong is directing the war. As for the war horses, I don't know. I don't have the heart to care about that."

Shang Xiuxun asked suspiciously after hearing Su Yan's words, "Huang Rong? Isn't it your father who is directing the war?"

Su Yan stood up after hearing this and said to Shang Xiuxun excitedly,

"Haha, my father doesn't care about this. He runs around and causes trouble all day long. This time I came to Sui Dynasty to save my father. Who knew that my troublemaking father actually went to the Eastern Continent Han Kingdom? I'm a little depressed."

Shang Xiuxun was speechless after hearing Su Yan's words. This girl Su Yan actually came all the way to save his father.

This made Shang Xiuxun a little bit unaware of how unreliable Su Yan's father was. Now Shang Xiuxun She also wanted to meet Su Yan's unreliable father.

Shang Xiuxun suddenly thought of Huang Rong, who was commanding the war. She asked Su Yan beside her,

"Lord Wu Xiang did not direct the war? Who is Huang Rong? How come this name is a woman's name?"

Su Yan looked at Shang Xiuxun after hearing this. Now Su Yan was a little worried that Shang Xiuxun was also interested in his father. Now she has two aunts, one is the Grand Master's Concubine Yan, and the other is She has never met Murong Qiudi.

Su Yan doesn't want his father to find another aunt. Women like Huanwan and Shi Feixuan are all eyeing her father. Forget about Shang Xiuxun. Su Yan didn't want Shang Xiuxun to get involved.

"Sister Shang, let's not talk about my troubled father. Huang Rong is a woman, but she is really powerful. She commanded the army without losing a single battle. Now our army is under her command."

Shang Xiuxun smiled and didn't ask any more questions. Princess Su Yan obviously didn't want to talk about her father. Although it was a bit strange, Shang Xiuxun didn't think much about it. After all, she didn't want to know her father.

At this moment, a deacon suddenly ran in and shouted,

"Owner, what's wrong, the four bandits are leading an army of 30,000 to attack our Pegasus Ranch."

"What? How can this be? If the Four Bandits hadn't just concluded their negotiations with the Li clan, how could they attack our Pegasus Ranch? We provide war horses to Li Clan."

Shang Xiuxun immediately stood up in surprise after hearing this. She didn't expect that the Four Bandits would dare to attack Pegasus Ranch, but that's not right. Didn't Li Clan just negotiate with the Four Bandits? Why didn't the negotiations last a few days? The four bandits attacked Pegasus Ranch, and the deacon said hurriedly, "Owner, we don't know why the four bandits came to attack Pegasus Ranch at this time. What should we do now?"

Su Yan rolled his eyes when he heard their conversation. This matter was very obvious. The Li clan must have colluded with the four major bandits.

Su Yan looked at Shang Xiuxun's anxious look and smiled and said,

"What is there to guess about? It must be that the Li clan has no money to buy war horses, so they use the four big bandits to grab the war horses. Maybe it is also possible that after your Pegasus Ranch was defeated by the four big bandits, they, the Li clan, came to hunt the mantis. The cicada, followed by the oriole."

Shang Xiuxun shook her head in disbelief. Their Pegasus Ranch has done business with Li Clan many times, and she has a good relationship with Li Clan's Li Xiuning. It is impossible for Li Clan to plot against their Pegasus Ranch like this.

"Impossible, Su Yan, your guess is absolutely impossible"

"Maybe it's impossible, I don't know. Anyway, if Li Clan's army appears at the critical moment, wouldn't the truth be revealed?"

"That's right, Lao Li, inform Uncle Shang Zhen to assemble our escort team immediately. The four major bandits have assembled more than 30,000 troops. I don't know if we can stop them this time. Su Yan, you should leave too, otherwise It will hurt you"

"Yes, owner"

"I won't leave, I don't want to miss such a fun thing"

"Su Yan, this is no joke. If we can't defend Pegasus Ranch, we might all die."

"Sister Shang, don't worry, I won't die. Just go fight those four bandits. You don't have to worry about my safety."

Shang Xiuxun felt helpless when she saw that she could not dissuade Su Yan. She knew that Su Yan's army was very sure, but the number of cavalry was too small, and they might not be able to save their Pegasus Ranch. Moreover,

Su Yan's status was somewhat special. If he were here Something happened. I'm afraid that their Pegasus Ranch will be destroyed by Su Yan's father's army even if they are not destroyed by the Four Bandits.

Su Yan, this girl, refuses to leave now, and Shang Xiuxun has no choice. She just hopes Su Yan's army can be stronger and can protect Su Yan from harm. After the failure at Pegasus Ranch, they can take Su Yan to escape.

Not far from Pegasus Ranch, 30,000 bandits from the four major bandits are rapidly approaching. Galloping towards the Pegasus Ranch, among the four burly men riding in front of the bandit army, there was a middle-aged man with a sinister face who touched his head and felt that something was wrong with this matter.

This one belonged to the Four Bandits. "No grass grows" Xiang Batian. On his left is the boss Cao Yinglong, who is good at spears and is known as "the ghosts cry and the gods howl". On the right are Fang Jianding who is "restless" and Zao who is "the scorched earth is thousands of miles away". Xiang

Batian of the Four Bandits said to the boss Cao Yinglong with some worry,

"Brother, this time Li Clan abandoned Pegasus Ranch and allowed us to plunder Pegasus Ranch. Is this a fraud?"

The boss Cao Yinglong nodded and said seriously,

"Second brother, I have guessed this, but even if Li Clan takes action, we don't need to be afraid. This is our territory. As long as I can quickly get rid of the Pegasus Ranch, I will have enough war horses in the future. What else are we afraid of Li Clan?"

"Big brother is right, we didn't ambush 50,000 troops. If the Li clan dares to come, we will tell them that the Li clan will never come back."

"Haha, I heard that the owner of Pegasus Ranch is a beautiful woman. We must give it a try this time."

"Yes, we want to capture the beautiful owner alive this time. If Li Xiuning of the Li family comes too, we can't let him go. Li Xiuning is also a beautiful woman."

Chapter 195

On the wooden wall of Pegasus Ranch, Shang Xiuxun stood on the wall in military uniform and looked at the fire in the distance. She knew that the four major bandits were coming.

But now there are less than 5,000 guards at Pegasus Ranch. Shang Xiuxun couldn't help but look at the back of Pegasus Ranch. That was where her mother was buried. Maybe she would be buried there after today.

"Owner, should we ask that person to come out?"

Shang Xiuxun was very angry when she heard what Shang Zhen said. She knew who Shang Zhen was talking about, but Shang Xiuxun didn't want to mention that bastard.

"Uncle Shang Zhen, don't mention that ungrateful bastard to me. I was very kind to him by not driving him out of Pegasus Ranch. Even if Pegasus Ranch is destroyed, I don't need him to save him."

"I know, the owner."

Shang Zhen looked at Shang Xiuxun and sighed, but Shang Zhen thought that even if Lu Miaozi appeared, he might not be able to solve the four bandits.

After all, the four bandits have an army of more than 30,000 bandits. , although Lu Miaozi is a strong master, he cannot deal with the army, not to mention that Lu Miaozi also suffered very serious internal injuries.

In Pegasus Ranch, Su Yan was listening to the information told to her by the secret guard, Su Yan just listened She was a little surprised for a while.

She didn't expect that the reason why Li Clan asked the Four Bandits to attack Pegasus Ranch this time was because of her father.

Su Yan also didn't expect that his father actually blackmailed Li Clan of millions of taels. Li Clan had no money to buy war horses, so he had to use the four major bandits to snatch the war horses.

"It's true that this dad didn't take me to play with such fun things. Liu Kai, where is the Netherworld Cavalry army sent by my aunt to pick me up?"

"Go back to the princess, you can go to Pegasus Ranch tomorrow morning"

"Arrive tomorrow morning? So Pegasus Ranch will hold on until dawn. There are still more than three hours before dawn. Pegasus Ranch should be able to hold on until dawn. Liu Kai ordered the secret guards to see if there are any hidden troops at Pegasus Ranch. I think Li Valve's army will definitely be hiding nearby"

"Yes, Princess."

When Su Yan saw Liu Kai leaving, he touched her chin and thought, if Li Shimin and Li Xiuning of the Li family lead a team to Pegasus Ranch this time, should he imitate his father and catch them for blackmail again?

Su Yan suddenly thought of There is something wrong with the Four Bandits attacking Pegasus Ranch so late. The Four Bandits have a large army and it would be better to attack during the day. Then why do they attack Pegasus Ranch at night?

Su Yan thought about it and immediately asked Liu Teng ordered,

"Liu Teng, keep an eye on what's going on in Pegasus Ranch. I suspect there may be spies of the Four Bandits in Pegasus Ranch. Otherwise, the Four Bandits wouldn't be able to attack Pegasus Ranch at night."

""Yes, Princess."

In front of the gate of Pegasus Ranch, the bandit armies of the four major bandits also arrived. Seeing the bright lights in Pegasus Ranch, they knew that Pegasus Ranch had received the news that they were going to attack them.

The boss, Cao Yinglong, looked at the woman on the stronghold and shouted loudly,

"Shang Xiuxun, if you are wise, please quickly open the village gate and surrender. I can disturb your life, but no force will come to save you this time."

Shang Xiuxun looked solemnly as he looked at the bandit armies of the Four Bandits below. These bandit armies are the elite troops of the Four Bandits. Their Pegasus Ranch will definitely not be able to withstand the attack of the Four Bandits this time.

"Don't even think about it, Cao Yinglong, aren't you afraid that the Sui army and Li clan nearby will attack you?"

Cao Yinglong laughed after hearing Shang Xiuxun's words. He understood that this beautiful farm owner still didn't know that Li Clan had sold them.

Shang Xiuxun was still waiting for Li Clan's reinforcements to arrive. This made Cao Yinglong a little bit funny

"Haha, Shang Xiuxun, why do you think we came to attack your Pegasus Ranch this time? The Li clan has now formed an alliance with our four major bandits. The Sui army has the money we gave them, and the Sui army will definitely not be dispatched. Now your Pegasus Ranch is isolated and helpless."

Shang Xiuxun didn't expect that Su Yan's girl's guess was correct. Although she also suspected that it was the four big bandits talking nonsense, but based on Su Yan's previous words, Shang Xiuxun was very sure that Li Clan gave them to them. Sold it.

Shang Xiuxun said angrily,

"Damn it, Li Clan dared to collude with the Four Bandits to invade our Pegasus Ranch. I was really blind and made friends with them. Shang

Zhen whispered beside Shang Xiuxun, "Owner, this time our Pegasus Ranch is in danger. You should escape with the little princess. We will contain the four major bandits here."

Shang Xiuxun shook her head and refused. She knew that even if she wanted to escape now, she would definitely not be able to escape. The Li clan would definitely not allow her to escape.

After all, if the news about Li clan's collusion with the four bandits was spread, the Li clan would Their reputation will be ruined. They will not let anyone in Pegasus Ranch live. Even the four major bandits were eliminated by Li Clan today.

"Uncle Shang Zhen, I'm afraid I won't be able to escape this time. There are more than 100,000 bandits among the four major bandits. Now only more than 30,000 people have come. The

"Uncle Shang Zhen ordered the archers to prepare to kill the four bandits."

"Yes, the owner of the field."

After Shang Zhen received Shang Xiuxun's order, he looked at the approaching army of the four major bandits and ordered directly, loudly,

"Archers,"Swish, swish, swish, swish, ah, ah, ah."

Although many of the four bandit armies were shot dead by Shang Xiuxun's escort army, more bandit armies continued to attack the gate of Pegasus Ranch.

"Princess, we have discovered Li Clan's army. There are 40,000 to 50,000 Li Clan's troops hidden in the northwest corner. The leader is Li Clan's eldest daughter, Li Xiuning. There are also 50,000 troops of the Four Bandits hidden nearby."

"Haha, interesting, interesting, it seems that the four bandits are not stupid, and they know to be wary of Li Clan, but that's fine, let's just watch the show this time."

## Chapter 196

Su Yan knew that the war had begun when he heard the shouts of killing outside. Li Xiuning of the Li family led an army of 50,000 this time to try to catch the mantises and cicadas. It would be difficult for the oriole behind them. The four major bandits could occupy Jingling for many years. They are not a group of reckless people. Su Yan did not expect that the four major bandits were on guard against Li Clan early on.

"Go to sleep, we have to watch a show tomorrow morning, Liu Teng, if he finds the traitor from Pegasus Ranch, he will kill him directly."

Su Yan thought about it and went to the room to sleep. Anyway, the four big bandits couldn't attack in the middle of the night. Even if they did, Su Yan wouldn't be afraid. His Netherworld Cavalry was not a statue.

If the four big bandits didn't know what to do, Su Yan wouldn't be afraid. Mind if you let the Nether Iron Cavalry and the Dark Guard kill them.

Eastern Continent, Han Country, Xinzheng.

Early in the morning, three beautiful women came to Xinzheng City. They were targeted by the Poisonous Scorpion Gang since they entered Xinzheng City.

These three This beautiful woman is Chu Liuxiang's confidante. They are Su Rongrong, who has superb rejuvenation medicine skills and superb disguise skills, Li Hongxiu, who knows the masters and martial arts of all sects in the world, and the cooking master Song Tian'er.

Song Tian'er saw Xinzheng City full of officers and soldiers searching for something and asked worriedly,

"Sister Rongrong, where is Brother Chu now? Xinzheng City is in such chaos right now, can we find them? Are these officers and soldiers searching Brother Chu and Brother Hu?"

Su Rongrong is also a little worried now. These Han soldiers are searching for the murderer everywhere in Xinzheng City, but now Xinzheng City is only allowed in but not out. Even if Chu Liuxiang and the others are disguised by herself, it will be difficult to escape from Xinzheng City.

"No, I just learned that the Prince of Han State was kidnapped and the Qin State envoy was killed outside Xinzheng City. Xinzheng City is now searching for the murderers everywhere. Li

Hongxiu frowned and said while looking at the noisy Xinzheng City,

"Now the masters from the Mohist family and the peasant family have not arrived in Xinzheng yet. We must find Brother Chu as soon as possible, otherwise we may be in trouble when the masters from the Mohist family and the peasant family arrive."

Su Rongrong looked at the people following them and said with a smile, "Well, let's find a place to stay first, and we have to get rid of the tails behind them. Song

Tian'er looked at the surrounding inns and said to Su Rongrong, "Sister Rongrong, which inn are we going to stay at?"

"We are not staying in an inn, I have somewhere to go, you guys come with me"

"Sister Rongrong, don't you know someone in the Eastern Continent's Han Country?"

"I have a close friend who I think can help us."

Su Rongrong smiled when she thought of Zi Nu. Although she just chatted with Zi Nu casually for a while in Yangzhou during the Sui Dynasty, Su Rongrong also understood Zi Nu's character. Su Rongrong believed that Zi Nu would definitely help them. After a while, Su Rongrong took the Li Hongxiu and the others came to Zilanxuan. When Li Hongxiu and Song Tianer saw that Su Rongrong had brought them to a romantic place, they were speechless. They did not expect that Su Rongrong actually knew a prostitute.

Su Rongrong looked at Zilan who closed the door. Xuan stepped forward and patted the door.

"Who is it? It's not time for Zilan Xuan to open its doors yet. You can come over at noon."

After the door opened, a woman from Zilanxuan came out and saw three beautiful women outside. This made her very curious.

When Su Rongrong saw a woman coming out after the door opened, she stepped forward and said,

"Girl, I am a friend of your boss Zi Nu. Please inform Zi Nu that Su Rongrong from Sui Dynasty wants to see her."

"Sister Zi's friend? You guys come in and wait a minute, I'll inform Sister Zinu"

"Thank you."

After the Zilanxuan woman went upstairs, Li Hongxiu took a look at the Zilanxuan. She didn't expect that the Zilanxuan was so luxurious.

This romantic place seemed to have a huge background, otherwise it would be impossible to stay in the cold place. Every country has built such a huge and luxurious land of romance.

Li Hongxiu asked Su Rongrong out of curiosity,

"Sister Rongrong, is the boss of Zilanxuan a friend you know? This Purple Orchid Pavilion doesn't look simple. The woman just now actually knows martial arts. Although she is only at the fifth level of acquired cultivation, I feel that it is not possible to build such a large Purple Orchid Pavilion in Xinzheng of the Han Kingdom. It cannot be defended."

Su Rongrong smiled when she thought of Zi Nu and said,

"Well, I know the boss here. You can meet Zi Nu in a moment. She is a smart and wise woman."

"Oh, then I would like to meet this purple girl."

After this woman from Zilanxuan came in with Su Rongrong and the others, the poisonous scorpion gang members who were following them left in a hurry. Zilanxuan is a forbidden area for their poisonous scorpion gang, and many of their poisonous scorpion gang members have been killed by Zilanxuan. They didn't dare to go to Zilanxuan to cause trouble.

On the second floor of Zilanxuan, Zi Nu was sitting in a room with a gloomy face. She didn't expect that bastard Su Chen occupied her room last night. , now Zi Nu wants to strangle that bastard just thinking about it.

"Sister Zinu, three women came to see you, and one of them said it was your friend named Su Rongrong."

"Su Rongrong? Why is she here? Chu Liuxiang? By the way, she is Chu Liuxiang's confidante. She should be here to save Chu Liuxiang this time, right? Let them come."

Zi Nu didn't expect Su Rongrong to come. She knew last night that her friend Chu Liuxiang and others had stolen the Suihou Pearl of the Chu State.

They were also too courageous. The Suihou Pearl was a national treasure of the Chu State. Now the Mo family and the farmers While arresting Chu Liuxiang and others, Chu Liuxiang and others may be in danger this time.

"Yes, sister Zi Nu."

After a while, Su Rongrong and Li Hongxiu were taken to the room where Zi Nu was located by the woman from Zi Lanxuan.

When Su Rongrong and Li Hongxiu came in, they saw Zi Nu sitting in the room. Su Rongrong looked at Looking at the still beautiful and sexy Zi Nu, she walked up and said with a smile,

"Sister Zinu, I came to you this time to ask for your help?"

Zi Nu looked at the three girls Su Rongrong and invited them to sit down. Zi Nu didn't expect that the two women who came with Su Rongrong were so beautiful.

They must be Chu Liuxiang's confidante. Zi Nu thought that Chu Liuxiang must also be with her. Just like that bastard Su Chen, he was a bastard who flirted with women everywhere.

Zi Nu poured tea for Su Rongrong and the others and shook her head and said,

"Rongrong, I may not be able to do anything this time. That Chu Liuxiang has offended the Chu State. Can Chu Liuxiang and the others get their hands on the Suihou Pearl?"

"This time not only many masters from the Chu Kingdom came, but also many people from the Mo family and the peasant family came to Xinzheng. You must know that they have several masters coming this time. I am just an innate peak cultivation realm. I can't afford to offend those powerful people."

After listening to Zi Nu's words, Su Rongrong knew that Chu Liuxiang and the others might not be able to escape this time, so she said to Zi Nu anxiously,

"Sister Zinv, we also know this, but I only have you as my friend in Han Country. I would like to ask Sister Zinv if she can help us find Chu Liuxiang and the others?"

"You can find them, but I won't help you anymore after you find them, otherwise it will bring trouble to my Zilanxuan"

"Thank you Sister Zinu, we understand this, as long as we can find Chu Liuxiang and the others."

## Chapter 197

Su Rongrong was very happy when Zi Nu agreed. As long as Zi Nu can find Chu Liuxiang and the others, Su Rongrong will give them disguises. Although this is not a long-term solution, it can at least avoid some unnecessary trouble.

Seeing that Su Rongrong had not introduced her sisters to Zi Nu, she hurriedly said to Zi Nu,

"Sister Zinu, these are my good sisters Li Hongxiu and Song Tian'er, they are also friends of Chu Liuxiang."

Zi Nu nodded to Li Hongxiu and Song Tian'er and said with a smile,

"Haha, he must be Chu Liuxiang's confidante. That Chu Liuxiang is just like that bastard Su Chen who always messes with beautiful women."

"Well, sister Zinu, we are not Brother Chu's confidante. Hongxiu, Tian'er, I, and I are just good friends of Brother Chu. Brother Chu is not like that bastard Su Chen."

When Su Rongrong heard Zi Nu talking about Su Chen, she remembered what that bastard Su Chen said to ridicule her. That bastard kept calling her a poor girl because she didn't bring any money at the time.

But that bastard actually gave herself a slap on the wrist for this. This nickname made Su Rongrong want to beat that bastard very much.

Zi Nu felt a little strange when she heard it, but it was none of her business. She was a little upset by that bastard Su Chen, and she didn't know which bastard would How to ruin her room?

"You don't need to explain anything to me. I'll ask Chu Liuxiang where they are now."

"Thank you sister Zinu."

At this time, Nongyu came in and saw three beautiful women in this room. She was a little strange, why did three beautiful women come after she left for a while?

"Nongyu, is that bastard up yet?"

Nongyu's face turned red quickly when she heard Zi Nu ask her. Nongyu didn't expect that just when she went to wake up Su Chen, she was kissed by that bastard.

Although he said he recognized the wrong person, Nongyu Yu felt that that bastard did it on purpose. Now she understood why sister Zi Nu wanted to stay away from that bastard Su Chenhong.

Nong Yu felt aggrieved and said to Zi Nu, "Sister, he hasn't gotten up yet. I can't wake him up. You It's better to go alone. Seeing Nong Yu's face flushed, Zi Nu asked hurriedly, "Nong Yu, did that bastard bully you?"

"No, I was not bullied by him."

Nongyu doesn't dare to tell Zinu about being kissed now. Nongyu also found that although sister Zinu kept scolding Su Chen, she even wanted to teach him a lesson from time to time.

But Nongyu also found that sister Zinu was a little nervous about that bastard. , Nongyu still doesn't know what the relationship is between Sister Zinu and Su Chen, and Nongyu doesn't want Sister Zinu to conflict with that bastard again.

"Huh, it's okay if he doesn't. If he bullies you, just tell me and I will teach that bastard a lesson."

"I know."

The three Su Rongrong girls saw a beautiful and gentle woman coming in and talking to Zi Nu. Although they were curious about who the bastard Zi Nu was talking about, they didn't ask. After all, this was Zi Nu's private matter.

Bang! Bang! Pa.

When Zi Nu saw that nothing had happened to Nong Yu and that bastard was still sleeping, she could only find her former secret guard to find out where Chu Liuxiang was now. Zi Nu suddenly clapped her hands. When Nong Yu saw

Zi Nu, she also imitated Su. That bastard Chen was speechless as she clapped her hands. She felt that Sister Zinu and Su Chen would definitely have a relationship in the future, otherwise that bastard Su Chen wouldn't have sent those secret guards and shadow assassins to protect Sister Zinu.

Those secret guards and shadow assassins were better than Zi Nu. The sisters in Lanxuan are much more powerful. Even the troublemakers who were killed by the secret guards in the past were very fast and professional. Otherwise, Zilanxuan would not have been peaceful for more than a month, and no one would dare to come to Zilanxuan to cause trouble.

Just After Zi Nu clapped her hands, a woman wearing black night clothes suddenly appeared in the room. After she appeared, she saluted Zi Nu and said,

"lady"

"Zifu, go find the secret guard commander Ma Haifeng and ask him to come to my place as soon as possible."

"Yes, madam."

The shadow assassin Zi Fu turned around and disappeared into the room after hearing Zi Nu's order.

Su Rongrong and the other three were a little surprised when they saw the masked man in black who suddenly appeared and left suddenly. The masked woman appeared just now. They didn't notice it at all, and didn't even feel the slightest breath.

This made Su Rongrong a little shocked when she looked at Zi Nu. They didn't expect that Zi Nu had such a powerful subordinate.

Su Rongrong looked at Zi Nu and was a little curious. That one just now When the masked woman in black called Mrs. Zi Nu, she obviously felt that Zi Nu's face was a little red. Could it be that the woman who just appeared was a subordinate of Zi Nu's husband?

Then who was Zi Nu's husband? Su Rongrong suddenly thought of Su Chen , she had some thoughts that Zi Nu's husband could be that bastard Su Chen, right?

Just a moment later, a man in black hurriedly came in and saluted Zi Nu and said,"Secret Guard Commander Ma Xiaofeng has met Madam."

Zi Nu was very angry when she saw her secret guard commander,"Ma Xiaofeng, whose secret guard are you? Why do you flatter and obey that bastard's orders as soon as he comes?"

Ma Xiaofeng immediately knelt on the ground with some helplessness. Your Majesty is the master of their secret guards. His master ordered them to do things. Does Ma Xiaofeng dare to disobey him?

But the purple girl he wants to protect will also be your wife in the future, and her order Ma Xiaofeng He cannot violate it. Now Ma Xiaofeng feels that it is very difficult for him.

"Um, madam, this subordinate is aware of his guilt and please punish me madam."

Zi Nu saw Ma Xiaofeng's helpless look and knew that she couldn't blame her secret guard commander for this matter. It was all that damn bastard's fault.

"Forget it, did Chu Liuxiang and the others find him last night?"

"Madam, Chu Liuxiang and the others have been found. They are here....."

When Ma Xiaofeng saw Zi Nu asking about Chu Liuxiang, he immediately wanted to tell Zi Nu. But when he saw three strange women here, Ma Xiaofeng didn't know whether he should tell Zi Nu now.

"Say, they are one of our own"

"Yes, Chu Liuxiang and the others are now hiding in an abandoned house in the slums in the south of the city. They have not eaten food for several days. The city guards are now searching there. It should be there at noon. Searched by city guards."

Su Rongrong was a little anxious when she heard what the secret guard said. If Chu Liuxiang and the others were discovered by the city guards, I'm afraid the Mo family and the peasant family would also discover them. By then, Chu Liuxiang and the others would not be able to escape even if they had great abilities.

Su Rongrong pulled Zi Nu His hands pleadingly said,

"Sister Zinu, can you let your people take Brother Chu and the others out of that slum? As long as they leave the slum, I can disguise them and leave Xinzheng."

"Poor girl, I didn't expect you to come to the Eastern Continent. It seems that we are very destined."

"It's you? Wu Xiangjun, why are you here?"

Chapter 198

Su Chen got up after kissing the wrong person in Zi Nu's room. He didn't expect that stupid woman Nong Yu to go to Zi Nu's room to wake him up.

Su Chen saw Nong Yu running away like a frightened little rabbit, so he got up to see what Zi Nu, that difficult woman, wanted to do with him.

When Su Chen arrived outside the room where Zi Nu was visiting, he heard a familiar woman's voice inside. Su Chen thought for a while and then pushed the door open with a smile.

He didn't expect that poor girl Su Rongrong to come to the Eastern Continent. It seemed that Chu Liuxiang was indeed desperate this time.

When Su Chen came in, he saw Su Rongrong begging Zi Nu to save Chu Liuxiang and the others. Su Chen smiled and said,

"Poor girl, I didn't expect you to come to the Eastern Continent. It seems that we are very destined."

"It's you? Wu Xiangjun, why are you here?"

Su Rongrong didn't expect that Wu Xiangjun was also in the Eastern Continent. She immediately came to Su Chen, rubbed her eyes and stared at Su Chen. This bastard came to the Eastern Continent like this?

Su Rongrong saw that Wu Xiangjun saw her. She was very angry when she called herself a poor girl. How come this damn bastard hasn't forgotten that thing after such a long time? When

Su Chen saw Su Rongrong looking like she had seen a ghost, Su Chen smiled and said, "Haha, are you so surprised to see me?"

Su Rongrong looked at Zi Nu and asked Su Chen angrily,

"I'm so surprised. I just didn't expect you, a bastard, to be here. What's your relationship with Sister Zinu? Why are you here, Sister Zinu?"

"I am the boss of Zilanxuan, and Zinu is the wife of the boss. You can think about it yourself."

Su Chen said and sat next to Zi Nu, took her tea and drank it. He saw Zi Nu staring at him with an ugly face and didn't care. Anyway, Zi Nu didn't like him now, so Su Chen wanted to make him Zi Nu couldn't express her anger.

When Nong Yu saw Su Chen coming, she lowered her head and didn't dare to look at this bastard. She wanted to leave here now. She also got a rough idea of what she just said. These girls came to beg Zi Nu's sister. Save those who stole the Suihou Pearl, the national treasure of Chu State.

Although Nong Yu is a little soft-hearted, she is not a novice. Xinzheng City is now in danger. She also heard what happened to those who stole the Suihou Pearl last night. Nong

Yu knows that both the Mo family and the Nong family are arresting them now. If Zi Lanxuan is involved, I am afraid that Zi Lanxuan will also be destroyed by those powerful forces. The reason why Nong Yu hasn't left yet is because he is worried that Zi Nu's sister will agree These women's requests.

Li Hongxiu and Song Tian'er looked at Wu Xiangjun and Su Rongrong with some curiosity. They had never seen the gentle Su Rongrong have such a fiery side.

Who is this Wu Xiangjun? ? What is the relationship between him and Su Rongrong? This made Li Hongxiu and Song Tian'er a little curious.

Zi Nu clenched her fists and kept saying silently in her heart: Don't be angry. Don't be angry with this bastard. Zi Nu knew that even if she was older now, Scolding Su Chen, a bastard, is of no use.

This shameless bastard must have a lot of reasons to refute himself, and Zi Nu can only pretend that she did not hear what Su Chen, a bastard, said and drank her own tea.

Su Rongrong saw Zi Nu She was very surprised when she didn't refute Su Chen's words. She didn't expect that Zi Nu would be captured by this shameless person. How long had it been? How could

Zi Nu become the wife of this bastard? Su Rongrong now also understood what Zi Nu had just done. Why do those men call her Madam?

"Mr. Wu Xiang, you know what Chu Liuxiang and the others are doing, right? Can you save Chu Liuxiang and the others?"

"Haha, no"

"you? Why?"

Su Chen looked at Su Rongrong speechlessly. Su Chen knew why Chu Liuxiang and the others stole treasures in the Ming Dynasty without any incident. His master Ye Di was a member of the Ming Dynasty royal family. The Ming royal family might not care about Ye Di's face. It would embarrass Chu Liuxiang and the others, but in other countries, they are just thieves. Is it wrong for officers and soldiers to catch thieves?

What's more, this thief also stole a country's national treasure. Su Chen didn't want to save Chu Liuxiang, but he still wanted to get the Suihou Pearl. Yes, Su Chen touched his chin and thought that robbing the thief's treasure should not be considered stealing.

Su Chen looked at the anxious Su Rongrong and said,

"Why should I save a thief? If Chu Liuxiang and the others want to die, they are asking for it. If they dare to steal a country's national treasure, what are they not seeking death? Don't think that the Ming Dynasty is still here and you can steal whatever you want."

"In the Ming Dynasty, if Emperor Ye and the Ming royal family had not supported Chu Liuxiang and the others, do you think why the Ming court did not arrest Chu Liuxiang and the others after they stole the treasure?"

"It's ironic that a thief can also be called a grand thief. After leaving Da Mingchu Liuxiang, they are just thieves. Why should I save a thief? Chu Liuxiang and the others are lucky if I didn't catch them."

Su Rongrong was speechless by Su Chen. What Su Chen said was true, but Chu Liuxiang had never killed anyone when he stole treasures. Moreover, the treasures he stole were converted into money and distributed to the poor people. Chu Liuxiang, this Isn't that a grand thief?

"Wu Xiangjun, Chu....."

"Stop, I know what you are going to say. Either Chu Liuxiang has never killed anyone or he wants to say that all the money he stole was given to the poor."

"Hey, that's because he doesn't dare to kill. Su Rongrong, do you believe it or not? If Chu Liuxiang steals treasures and kills people, even his master Yedi can't protect him. Don't think that Chu Liuxiang's master Yedi can cover the sky with one hand in the Ming Dynasty. There are many people stronger than him. Few people"

"Since Chu Liuxiang wanted to help poor people, why didn't he make money to help them? Steal ill-gotten gains? Su Rongrong, is the national treasure of Chu State ill-gotten gains?"

"A little thief is so tall. If Chu Liuxiang dares to steal treasures in my territory, even his master Ye Di can't protect him. He is a self-righteous thief."

Su Chen didn't want to think about what Su Rongrong was talking about. Su Chen just couldn't stand Chu Liuxiang. Su Rongrong, Li Hongxiu, and Song Tian'er had followed Chu Liuxiang for many years, but in the end none of them were with Chu Liuxiang.

Su Chen was watching a martial arts drama at that time. He even suspected that Chu Liuxiang had been using Su Rongrong. Of course, this was just his own guess. Anyway, this matter was none of his business. As long as Chu Liuxiang didn't provoke him, Su Chen didn't care what Chu Liuxiang stole.

Su Rongrong saw that Wu Xiangjun refused to save Chu Liuxiang and Hu Tiehua and others, she thought of the promise she had exchanged for one hundred silver. Although Su Rongrong was a little reluctant to use this promise, she was good friends with Chu Liuxiang and the others after all, and she could not watch Chu Liuxiang and the others get into trouble here.

Su Rongrong put the letter of commitment to Su Chen and said, "Wu Xiangjun, you should still remember this, right? I want to use this promise in exchange for you to save Chu Liuxiang and the others once."

"Let me guess, Su Rongrong, you, a poor girl, still want to use this promise to save Chu Liuxiang and the others? One hundred taels of silver, one hundred taels of silver and you let me offend the most powerful country and several forces in the Eastern Continent. Why don't you go to heaven?"

Chapter 199

Su Chen almost scolded Su Rongrong when he saw the promise that Su Rongrong had written to him. This poor girl was also crazy. She actually took the promise that she had written for one hundred taels of silver. Zhu Qiqi had spent so much money. A promise that only cost one hundred thousand taels of gold.

Zi Nu smiled after hearing Su Chen's words. She knew that Su Rongrong had been asking Su Chen to write this promise, but Zi Nu didn't want Su Chen to get involved in this matter. After all, the forces involved in this matter were quite powerful.

Zi Nu is also worried that something will happen to Su Chen in the Cold Country, and a thief is not worthy of Su Chen to save him. What's more, this thief is a bold and stupid thief. Since Chu Liuxiang dares to steal a country's national treasure, is he not dissatisfied with himself? Does your longevity want to seek death?

Nong Yu, Li Hongxiu, and Song Tian'er also understood now. They did not expect that Su Rongrong exchanged one hundred taels of silver for a promise from Wu Xiangjun. It seemed that Su Rongrong got it by being shameless. This made them look as gentle as water. Su Rongrong was speechless.

Su Rongrong's face turned red when Su Chen said it. She also knew that she got this promise by being shameless. Now that Su Chen, a bastard, wanted to deny it, Su Rongrong was a little angry. Su Rongrong directly pulled Su Chen and asked angrily, "Wu Xiang Jun, are you going to keep your word?"

Su Chen took out a thousand-tael silver note from his arms and gave it to Su Rongrong,

"Forget it, I will give you one thousand taels of silver now, and this promise is invalid."

Su Rongrong immediately tore up the banknote Su Chen gave her and shouted loudly,

"You bastard, how can you not keep your words? You don't deserve to be a noble."

Su Chen looked at Su Rongrong tearing up the banknotes and then angrily stretched out a finger and said,

"Shit, one hundred taels of silver! One hundred taels of silver! Su Rongrong, is your heart dark? If I were killed by those powerful forces in order to save Chu Liuxiang, what would happen to my wife and children? Have you ever thought about it?"

Su Rongrong was a little embarrassed by what Su Chen said. She also knew that Su Chen would take great risks if he wanted to save Chu Liuxiang and the others. But after all, Chu Liuxiang had saved her life. Su Rongrong would not be able to watch Chu Liuxiang and the others being raped by people from the Mo family and the farmer's family. killed,

"this.....But.....But after all, you promised me, Mr. Wu Xiang, as long as you promise to save Chu Liuxiang and the others, I can be your maid for three years this time. Is that okay?"

Su looked at Su Rongrong, who was gentle and now arrogant in the past, with some surprise. He did not expect that Su Rongrong would make this decision, but did he need a maid? His maids Ziyun, A'Zhu, and A Bi were all very outstanding. Maid.

Su Chen will not use Su Rongrong like the eldest lady.

"Hey, I have so many maids, I can't afford a young lady like you."

At this time, Li Hongxiu also knew that this Wu Xiangjun really didn't want to get involved in these things. Even this Wu Xiangjun looked down on Chu Liuxiang who was stealing things everywhere.

Li Hongxiu also knew that without Wu Xiangjun's help, I'm afraid Chu Liuxiang would They would really be caught or killed in the Han Kingdom.

Li Hongxiu looked at Su Rongrong, pulled Song Tianer and walked to Su Chen and said sternly,

"Mr. Wu Xiang, what about adding us? As long as Lord Wu Xiang saves Chu Liuxiang and the others this time, we are willing to be your maids for three years."

Su Chen doesn't want to look at these women anymore. He is not a fool. Xinzheng is already chaotic enough. Su Chen doesn't want to get involved. Wouldn't it be nice to watch the show by himself?

"Haha, no need, there are many women in Zilanxuan, do I need you eldest maids?"

Li Hongxiu said to Su Chen with a very confident smile,

"Haha, Mr. Wu Xiang, you may not know, but Sister Rongrong has very good medical skills, and Sister Rongrong's disguise skills are very powerful. I know most of the secrets in the martial arts and the martial arts of some masters, and Song Tian'er But Master Chef, I think we are qualified to be your maids."

Su Chen smiled and refused directly. Although Su Chen was a little tempted, it was not cost-effective.

"Although you guys are good, I still don't need it."

"you....."

Li Hongxiu saw that Su Chen actually refused, which made her a little angry. This Lord Wu Xiang was determined not to help them, and now she had no choice.

Zi Nu looked at Su Chen and smiled. She had a high opinion of Su Chen this time. Zi Nu did not expect that Su Chen could withstand the temptation of three top beauties, which made Zi Nu a little happy.

Su Rongrong looked at Su Chen with some disappointment. If the three of them could not save Chu Liuxiang and the others now, I was afraid that the three of them would be in conflict with those who were following them when they left Zilanxuan. If they didn't tell them to save Chu Liuxiang They are afraid that something will happen to them themselves.

Su Chen looked at the women in the room and shook his head. These women were just one-minded. This matter would definitely not be that simple.

He had also heard of the Suihou Pearl in his previous life. The Suihou Pearl and the Heshi Bi from the Eastern Continent were both known as the two treasures of the Spring and Autumn Period.

It seems that the legend of Suihou Pearl is that during the Spring and Autumn Period, Sui Hou, a monarch of Sui Kingdom, rescued a big snake, and the big snake was the heir of the Dragon King. The big snake gave Sui Hou, the monarch of Sui Kingdom, a bead in repayment. This is the Suihou Pearl. It's called the Pearl of the Spirit Snake.

Su Chen felt that this Suihou Pearl should not be simple. After all, this is a world of mixed martial arts, and it is not uncommon for some strange things to happen, just like Canglong Qisu.

Su Chen must get the Suihou Pearl this time, but he has to seize the Suihou Pearl without anyone noticing in front of many forces. Su Chen finds it difficult. If the woman Shi Guanyin is here, he doesn't have to worry about anything.

But the woman with changeable thoughts didn't know where she went. Su Chen could only think about how to get the Suihou Pearl without alerting other forces.

Su Chen thought for a while and said to Nong Yu next to him, "Nong Yu, go and call that little girl Yan Lingji."

""Yes."

When Nongyu saw Su Chen asking her to call Yan Lingji, she hurried out. She didn't want others to see her blush.

Just now she thought about whether she would be considered Su Chen's maid in the future. If Sister Zinu If she is really with Wu Xiangjun, then she shouldn't be considered a maid, right?

Nongyu thinks that she should be regarded as Wuxiangjun's subordinate in the future. If Wuxiangjun still treats her like this in the future, Nongyu doesn't know whether to resist or not Resistance.

Zi Nu couldn't understand why Su Chen called that Baiyue girl over. She didn't get along with that Baiyue girl. Zi Nu walked up to Su Chen and asked with a cold face,

"Su Chen, what did you ask that Baiyue girl to do?"

"Zi Nu, I have something to tell her later and she will arrange a quieter room for me later. You will also come over then. You need to cooperate with Yan Lingji on this matter."

## Chapter 200

After thinking about it, Su Chen still decided to use Tianze, the deposed prince of Baiyue, and the others. If Tianze and the others could muddy the water in Xinzheng, he might be able to take the opportunity to obtain the Suihou Pearl.

Tianze's desire for revenge may be fanciful, but if he wants to kill Ji Wuye and Bai Yifei in this disguise, Han Fei has to get rid of Ji Wuye and Bai Yifei anyway, and he can ask Zi Nu to pull the strings for them to cooperate.

Han Fei and Wei Zhuang can't do anything now, but if Han Fei and Tianze cooperate, Ji Wuye and Bai Yifei may be unable to resist.

Su Rongrong, Li Hongxiu, Song Tianer and the others came to Su Chen after discussing. Su Rongrong said to Su Chen helplessly,

"Wu Xiangjun, we can relax the conditions a little. This time we only need to rescue Chu Liuxiang and the others from the slums. You should agree to this, right?"

Su Chen felt a little funny after hearing Su Rongrong's words. It seemed that they really had no choice. Su Chen thought about it and it shouldn't be difficult to bring Chu Liuxiang out of the slums.

Su Chen didn't want to rescue them from Xinzheng City and bring Chu Liuxiang out. After they came out of the ghetto, it was none of his business whether they lived or died.

"Oh, poor girl, you can't tell the truth, can you?"

Su Rongrong, Li Hongxiu and Song Tian'er nodded hurriedly. Now they really have no choice. This time they only ask Su Chen to take Chu Liuxiang and the others out of the slums. Su Chen should agree to such conditions.

"It was true, the three of us decided."

Su Chen laughed when he heard this. This time he could get three top-quality maids without any effort, and he didn't have to offend those forces. Su Chen would be a fool if he didn't do it.

Su Chen looked at Su Rongrong, Li Hongxiu, Song Tian'er nodded nervously and said,

"Okay, then I will rescue Chu Liuxiang and the others from the slums. I hope you won't make a mistake."

Su Rongrong hurriedly said to Su Chen, "We will never fail to promise you something."

Su Rongrong looked helpless when Su Chen smiled. From now on, she, Li Hongxiu, Song Tian'er and the others would be this bastard's maids. She hoped that this bastard would not do those bastard things to them.

Zi Nu stared at Su Rongrong and the others. , she did not expect that Su Rongrong and the others would simply sell themselves to that bastard Su Chen, and that bastard Su Chen was as happy as a shit. This made Zi Nu feel a little angry when she looked at Su Chen.

Zi Nu also She didn't understand why she was unhappy when she saw Su Chen taking in three top-notch maids. She shook her head and sat on the chair, confused. Did she like that bastard?

Impossible, how could she like that bastard? Zi The woman felt that she might have thought too much.

In Xinzheng, in the slums

, Chu Liuxiang and the others were so hungry that they were all lying on the table and feeling weak. Hu Tiehua looked at Chu Liuxiang and he did not look as handsome as ever. Now Chu Liuxiang is also a little unshaven, which makes Hu Tiehua and Ji Bingyan look a little strange.

Hu Tiehua pushed Ji Bingyan next to her and asked,

"Lao Ji, now Lao Chu has no way to escape from here, do you think we are going to be finished this time?"

Ji Bingyan said feebly without raising her head,

"I'm afraid so. The city guards will search here at most in the afternoon. We are not locals. I'm afraid the city guards will arrest us as accomplices who kidnapped the prince. In this way, we will be exposed, and the Mo family and the farmers will also be arrested. will find us."

Chu Liuxiang looked at the Suihou beads on the table and felt a little helpless. Why did he lose his mind and steal this hot potato? This is not the Ming Dynasty now, and there is no one in Xinzheng who can help them.

Although Chu Liuxiang feels that he has become a master of martial arts. , but he couldn't dodge the army's bows and arrows, and the masters of the Mo family and the farmer's family would not let them go.

Chu Liuxiang thought of Su Rongrong and the three of them, but now Xinzheng City has been blocked, and the entire Xinzheng City is now only allowed to enter but not to leave. Even if Rongrong and the others came, they probably wouldn't be able to save them.

Chu Liuxiang knocked on the table and said to Hu Tiehua and the others,

"Lao Ji, Lao Hu, we can't wait to die here, or we rush out now. Although we will be discovered by the city guards, farmers, and the Mo family, there is no food here, and we have not eaten for several days. , if those people find us in the afternoon, I'm afraid we won't even be able to fight."

Hu Tiehua shook her head and said,

"I know, but if we go out now, we will die. We might as well wait for Rongrong and the others to come to save us. If they don't come to save us before this afternoon, we will be dead."

"Wait, it's only morning now, maybe Rongrong and the others will have a way to save us."

Ji Bingyan also felt that Hu Tiehua was right. If they go out now, they will definitely die. If Rongrong can think of a way to save them, then they still have a chance of survival. At this time, there was a knock on the door suddenly. Chu Liuxiang and the others They immediately stood up to be on guard. They had not noticed anyone coming just now, which made Chu Liuxiang and the others nervous. When

Hu Tiehua came to the door, she asked cautiously,

"who?"

A man outside handed a hairpin through the crack in the door and said,"Miss Su Rongrong asked me to come here. You can take a look at this hairpin."

Hu Tiehua picked up the hairpin and said happily,

"It belongs to that girl Rongrong. Now we are saved."

Hu Tiehua opened the door and saw a man in black standing at the door. He looked at the man in black curiously and said,

"Brother, where are Rongrong and the others now? Can you take us to them?"

"Okay, there is a carriage outside. After you get on the carriage, someone will take you to a temporarily safe place. Miss Su Rongrong and the others are already waiting for you there."

"Thank you."

When Chu Liuxiang and the others came out and got on a luxurious carriage, they found that the guards guarding the carriage were actually some innate masters, and they walked towards the city guards blatantly, without any fear of the city guards searching them.

"Park the car, we need to check this....."

"You can go over, this is the new recruits, they don't know this is the lady's carriage."

Just when the carriage was about to pass the place where the City Guards were guarding, a young City Guards general shouted at the carriage, but before he could finish speaking, he was stopped by a general next to him.

This City Guards General heard from Ji Wuye The general said that this carriage and the people inside should not be offended. He did not want to offend the lady in the carriage. If he offended the people in the carriage, he would probably be punished by General Ji Wuye.

Chu Liuxiang and the others were very nervous at first, but they They were a little strange when they heard what was said outside. This carriage belonged to a lady. Why didn't even the city guards dare to search her carriage? This made them a little confused.

Zilan Xuanli

"Damn it, Baby Flame, I won't be polite if you touch me again. Look at my arm, which is about to bleed from your pinch."

"You shameless person, it's good that I don't kill you now. Get out of my way, you're blocking my way."
