

Zongwu 1911

Chapter 1911

When Goddess Queen Hera and her daughters saw Su Chen's appearance, they all wanted to strangle this bastard to death. If this was not the opportunity to kill God King Zeus, they would definitely not let this little bastard go..

Boom boom boom.....

At this time, the Ruthless Empress held the Chaos Bell and began to attack God King Zeus. The

Ruthless Empress' mana had almost recovered, and

God King Zeus had been injured, and the depleted divine power had not yet had time to be replenished. The Ruthless Empress would not give any Opportunity for God King Zeus to replenish his divine power

"Let's go too. God King Zeus must be killed this time."

The Goddess Hera took out her artifact. She waved her hand and attacked God King Zeus. The other goddesses also took out their artifacts and attacked God King Zeus.

For a time, everything was flying everywhere in the air. There were artifacts, primary artifacts, intermediate artifacts, and high-level artifacts. These artifacts were all attacking God King Zeus in the air. When

Su Chen saw that Athena next to him did not move, he teleported to Athena and patted her on the shoulder.

"Jana, come on, you are the goddess of wisdom and war, why don't you go and command the goddesses to fight?"

"Get out of here!"

Athena didn't expect that this bastard would dare to touch her.

This made Athena hold the victory gun tightly. She couldn't help but kill this little bastard.

What the hell!

Did this little girl eat gunpowder?

Damn it!

Forget it, it doesn't matter if there is one less Athena.

The ruthless empress, plus six or seven main gods, and a dozen high-ranking gods, should be able to kill the god king Zeus.

Elena saw that Su Chen went to provoke Athena, she patted her forehead and shouted hurriedly, "Father, come here quickly, don't provoke the goddess Athena again."

Elena just saw the appearance of more than a dozen gods and goddesses. She thought these gods and goddesses were here to help God King Zeus.

But she didn't expect that these gods and goddesses were all here to help her father.

Elena She even wondered if her father had taken over all the goddesses of Olympus.

Otherwise, why would these main gods and goddesses help her father kill the God King Zeus?

Su Chen hurriedly reminded Elena when he appeared next to her,

"Elena, Athena is a psychopath. You must not have any more contact with her in the future."

Elina curled her lips and said when she heard Su Chen's words,

"Father, please stop talking. I think you should continue to harass God King Zeus."

Su Chen nodded and agreed,

"Well, I have this plan. If we deal with the old pervert God King Zeus as soon as possible, we can go home early."

Hela, the God of Death, shook his head and said, "Then go quickly, otherwise, you won't be able to leave in a while."

The goddess of death was also speechless towards Su Chen.

She originally thought that Su Chen was a stable god, but now it seems that she was wishful thinking.

This little bastard is a bastard who causes trouble everywhere. Athena dares to talk like this next to him. Badao, if Athena can't help it, this bastard may be in trouble.

Su Chen was very confused when he heard the words of the goddess of death Hela.

However, when he saw Athena staring at him with a sullen face, Su Chen I know I just said the wrong thing

"I'm going to help Nannan and Queen Hera. Hela, protect my daughter."

Su Chen said as he took out the Ling Bao Tiansha Seal and disappeared quickly. He was also worried that Athena would take action against him.

"shameless bastard!"

Athena cursed when she saw Su Chen disappearing.

She no longer cares whether she is a lady or not. If she still maintains the image of a lady when she meets this bastard, she will probably be the first Olympus to be pissed to death.
main god

"Time pauses!"

Boom boom.....

Holy shit!

Su Chen had just immobilized God King Zeus, but before he had time to slap God King Zeus, the other goddesses' artifacts attacked God King Zeus one after another. God King Zeus was killed in an instant and blood flew everywhere.

Su Chen took the Heaven-turning Seal and backed away hurriedly. He was worried that he would be accidentally injured by these goddesses.

These goddesses were too cruel.

Su Chen curled his lips when he saw the miserable look of God King Zeus. God King Zeus was destined to fall today.

God King Hera's eyes lit up when she looked at Su Chen.

She did not expect that Su Chen could immobilize God King Zeus for a moment. This ability is of great help to goddesses like them. If Su Chen continued to immobilize God King Zeus, These goddesses can probably kill the God King Zeus without any casualties.

The god king Hera shouted to Su Chen,

"Su Chen, continue to immobilize God King Zeus!"

"Okay, everything is ready, I want to order.....Damn it, I haven't immobilized God King Zeus yet, so you guys are just attacking me."

Su Chen was also about to get drunk.

He just asked the goddesses to prepare, but these goddesses actually attacked one after another.

Boom boom boom.....

"You all deserve to die!"

God King Zeus held the thunder spear and attacked angrily. Some goddesses were hit and fell down.

"Hi, are you okay?"

Su Chen saw a goddess being attacked and about to fall away from him. He immediately appeared and hugged the beautiful priest.

"Shameless, let me go!"

Artenis was very angry when Su Chen hugged her.

This bastard did it on purpose.

He must have done it on purpose.

Artenis was very ashamed and angry when Su Chen caught her on the mountain. Now she wants to stab this guy to death with a sword. asshole

"I don't have any.....Saori, Saori, I didn't mean to do it just now. It was an emergency and I touched it there unintentionally."

Su Chen was about to say that the situation was urgent before he hugged her, but he found that his hands were in the wrong position, so he defended silently.

"Go away."

After Artenis pushed Suchen away, she hurriedly rushed towards the God King Zeus.

She wanted to vent the anger Su Chen brought to her on the God King Zeus, damn bastard!

She is the third person in the Greek gods. One of the great virgin gods was actually taken advantage of by that little bastard today.

At this time,

Athena flew into the air.

She looked at Su Chen and ordered with a cold face, "Su Chen, listen to my order, I said Activate the control god king Zeus immediately."

Su Chen nodded hurriedly when he heard Athena's words,

"Okay, Athena, you can order me, and I will obey your arrangements in everything."

Athena gathered all the goddesses and ordered,

"All goddesses are ready, Su Chen, take action! Goddesses, this is the time to take action with all your strength"

"Time pauses! Time pauses! Time pauses!"

Su Chen activated the superimposed time pause three times in succession against God King Zeus.

His forehead was sweating.

Su Chen's mana was draining rapidly. In three breaths at most, his mana would be exhausted.

Boom boom Boom boom.....

"Chaos Bell, suppress it!"

"Ahhhh, damn it, I am the God King Zeus, you are all going to die, you are all going to die."

Chapter 1912

God King Zeus was constantly attacked by numerous artifacts. He was temporarily immobilized and unable to dodge. God King Zeus's divine armor was completely shattered, and several large holes were directly broken in his body.

His divine power was about to be exhausted, and

God King Zeus knew that he was doomed this time.

But he was unwilling to give in.

This time he just wanted to get the queen of a human kingdom. God King Zeus did not expect to die like this. clang! boom!

The chaos clock appeared directly on the head of God King Zeus.

With the suppression of the chaos clock, the body of God King Zeus was directly turned into nothingness by the attack.

"Space prison!"

While Su Chen was eating flat peaches to restore his mana, he quickly activated the law of space to imprison the soul of God King Zeus.

The body of God King Zeus was attacked and turned into nothingness, but his soul was still there.

Su Chen would not let this go. The hidden danger is that if God King Zeus reunites and appears in another body in the future, won't his and these goddesses' work be in vain?

"do you died?"

"The body turned into nothingness, and God King Zeus was dead."

"Finally dead"

"Yes, I didn't expect that killing God King Zeus would be so easy this time. We only injured a few people, and none of the goddesses died."

"That little priest was pretty good. This time he actually immobilized God King Zeus for almost three breaths. If it hadn't been for the little priest, we wouldn't have been able to kill God King Zeus so easily."

"Yes, the little priest's ability is very powerful."

"If God King Zeus dies, we will no longer have to worry or be afraid."

Many goddesses in the sky were very happy when they saw the God King Zeus being wiped out. A huge mountain was overthrown from their heads. Each of these goddesses was very happy.

Athena hurriedly appeared next to Su Chen asked,

"Suchen, have you captured the soul of God King Zeus?"

Athena and Queen Hera have been searching for the soul of God King Zeus. They know that if the soul of God King Zeus is immortal, God King Zeus will come back in the

future. The soul of God King Zeus must be destroyed, so that God Only then could King Zeus be completely killed.

However, the girls searched around several times and could not find the soul of God King Zeus.

Athena suddenly thought of Su Chen's last call out of the space prison, and she guessed that the soul of God King Zeus might have been killed. The little priest caught it.

Su Chen patted his chest and shouted proudly,

"who I am? I am a wise and powerful little priest, and I have captured the soul of God King Zeus."

After Athena heard Su Chen's words, she breathed a sigh of relief.

However,

Athena looked at Su Chen and glared at the little bastard.

Although she admired the little priest's methods, she couldn't speak politely. The little bastard, Athena was very unhappy.

God Hera and some goddesses also heard what Su Chen said, and they did not continue to search for the soul of God King Zeus.

However, these goddesses looked at Su Chen one by one. It's very unkind. This little bastard clearly grabbed the soul of God King Zeus, but he actually watched them looking for the soul of God King Zeus.

They all guessed that this little bastard did it on purpose. This little bastard just wanted to see them. The jokes of the goddesses.

Su Chen saw the goddesses staring at him with unkind eyes.

He also understood why these goddesses were like this.

After Su Chen imprisoned the soul of the god king Zeus just now, these goddesses were flying around in the air looking for the god king Zeus. It was very pleasing to the eyes to look at the beautiful goddesses. Su Chen also forgot to inform these goddesses.

Su Chen hurriedly said,

"Well, if any of you want to kill God King Zeus, I can send you into a space prison."

God King Zeus shook his head and said to Su Chen,

"Just kill him yourself. We don't want to see that bad old man like God King Zeus anymore."

The other goddesses also nodded.

As long as the soul of God King Zeus did not escape, they did not care who killed the soul of God King Zeus.

"Space storm, space annihilation!"

After Su Chen heard what Hera said, he saw that all the goddesses were unwilling to see God King Zeus again. Su Chen directly activated the law of space to completely annihilate the soul of God King Zeus.

"No, don't kill me. I am the God King. I am the supreme being in the Greek pantheon. Don't destroy me....."

In the space prison, as the space storm and space annihilation tore apart the soul of God King Zeus, in just an instant, the soul of God King Zeus was completely annihilated.

In the Western God Realm,

Zeus, the God King of the Olympus Mountains, completely fell after ruling the Greek Gods for millions of years.

Huh?

When the God King Zeus fell, there was no vision of heaven and earth?

The Western God Realm is really rubbish.

Su Chen guessed that the reason why the Western God Realm did not have any heavenly materials or earthly treasures, nor the aura of heaven and earth.

This is probably because the Western God Realm is simply a dead God Realm.

It doesn't even have the Way of Heaven, and even the Western God Realm may not even have saints.

No wonder the gods in the Western God Realm keep trying to invade the prehistoric fairy world. The Western God Realm is too barren. Well, Beiju Luzhou, the poorest place in the ancient world, is probably much stronger than the Western God Realm.

Hela, the goddess of death, watched the God King Zeus being completely killed.

She was in a trance.

Even Zeus in the God King realm could be killed by these goddesses.

So what about the God King Odin?

The eyes of the goddess of death Hela are very bright now. If these goddesses besiege the god king Odin together, the god king Odin will also be killed. This gives the goddess of death hope.

Su Chen appeared beside the God Queen Hera and said hurriedly,

"God Queen, God King Zeus has been completely killed, and Olympus Mountain still needs you to take charge. You should take these goddesses back to Olympus Mountain to preside over the overall situation. Queen

Hera looked at Su Chen and asked doubtfully, "Aren't you going back to Olympus?"

Su Chen shook his head and said,

"I still have things to do. Queen God, I am in the Kingdom of Greece. Don't worry, I won't leave now."

Goddess Queen Hera nodded when she heard Su Chen's words.

As long as this bastard doesn't leave, it's fine in the Kingdom of Greece.

She stretched out her hand and said to Su Chen,

"Give me two hundred flat peaches!"

"What?"

Su Chen was very confused when he heard the words of God Queen Hera, two hundred flat peaches?

Is God Queen Hera trying to blackmail herself?

Damn,

God King Zeus has just been eliminated, wouldn't God Queen Hera want to Burning bridges by crossing the river, right?

Well, it seems that it is not burning bridges by crossing the river. Queen Hera and the goddesses have helped him, but it is a bit too much for Queen Hera to ask for 200 flat peaches at once.

Queen Hera glared and raised the price again. He said, "Give me three hundred flat peaches, and three thousand peaches will do.""

"You're eating shit, I don't have that much!"

Chapter 1913

God Queen Hera suddenly thought about how this little bastard ruined her reputation, so she directly added a hundred flat peaches.

This was considered as compensation for her reputation.

However, this little bastard actually asked her to eat farts, which made the God Queen Hera very angry, this damn little bastard.

In order to save this little bastard, she promised to give each goddess ten top-quality fairy fruits. Now the God King Zeus was killed, this little bastard was also found, and the Queen Hera Commitments must be kept.

Otherwise, these goddesses will turn against her.

Queen Hera held back her anger and explained to Su Chen,

"Little bastard, I promised these gods and goddesses ten top-quality fairy fruits each. Otherwise, do you think these goddesses would take the initiative to help you kill God King Zeus!"

Su Chen was stunned when he heard the words of Queen Hera.

It turns out that the arrival of these goddesses is beneficial.

Su Chen thought that the goddesses couldn't stand the harassment of God King Zeus. This time they united to resist God King Zeus..

These goddesses who are useless and can't afford to be early,

Su Chen felt good about them just now, but now his good feelings for them have been forgotten.

However, the goddess Hera was really good to him, and she contacted so many people in order to save him. Although he used the best fairy fruit to impress these goddesses, the goddess Hera probably really wanted to save him.

"Hera, thank you!" Su Chen hugged Hera and said softly. Queen Hera was stunned when Su Chen hugged her in front of so many goddesses. She just said that she had nothing to do with this bastard, this little bastard. He hugged her in public, and Queen Hera's face immediately turned cold. Su Chen felt that Queen Hera's body was cold, and even some dangerous aura erupted from Hera's body. He felt like he was doing something again. Dead, Su Chen hurriedly let go of Hera, the Queen of Gods, and he handed her a space ring and said,

"There are three hundred flat peaches here that are three thousand years old. You can share them with these goddesses later. The remaining flat peaches are yours. Queen God, I have something else to do, so I will go back to the Kingdom of Greece first."

Su Chen waved his hand to the Ruthless Empress, and he quickly hugged Elena next to him and disappeared here. The Ruthless Empress and the goddess of death Hela also quickly disappeared here, and even the harvest god Sif secretly disappeared. Disappeared here

"shameless bastard!"

When Queen Hera saw Su Chen escaping, she cursed angrily.

Queen Hera was really helpless towards Su Chen.

This damn little priest, she almost killed Su Chen just now, but she No matter what, she didn't even dare to burst out her powerful aura.

Alas!

Hera, the Queen of Gods, felt that Suchen was her nemesis.

Demeter was a little angry when she saw Su Chen leaving.

She hadn't found the one yet. The little bastard wanted to take revenge, but the little bastard escaped again this time.

It wasn't that Demeter didn't want to chase her, but Su Chen's sister was a strong person in the God King Realm. She just chased her, and Demeter also took advantage of Su Chen. Chen had no choice.

If she dared to pursue him,

Demeter might even be caught and continue to be bullied by that little bastard.

Aphrodite blinked when she saw Suchen disappear, and she decided I'll look for that little bastard again in the future. There are so many goddesses here, and Aphrodite is too embarrassed to look for Su Chen.

Hera, the Queen of Gods, looked at the goddesses around her and said,

"Let's go back to Olympus and get ten of the best fairy fruits for each person. I won't forget it."

"Queen of Gods, that's no need. Being able to kill God King Zeus today is already the best reward."

"Yes, we goddesses can live a carefree cultivation life in the future and no longer have to worry about the harassment of God King Zeus every day. This is already the best reward."

"Queen of Gods, forget about the best fairy fruit, we are all very happy today, why not go to your palace to celebrate?"

"Well, we really should celebrate"

"Queen of Gods, prepare more of your best wine and delicious food. This should be regarded as a promise to us all."

"Yes, today is my happiest day. I want to go to the palace of the Queen of Gods to have a few more drinks."

The surrounding goddesses all rejected the fairy fruit that the Queen wanted to give them.

They all saw that

Hera, the Queen of Gods, will be the new God King of Olympus Mountain in the future, and she will be able to kill the God King this time. Zeus, this is the best reward for the goddesses like them.

Queen Hera smiled and said to the goddesses, "You can't have less of the best fairy fruit. This is what I promised everyone. I will also take care of the best wine and food. Let's go back." Mount Olympus."

Then,

God Queen Hera disappeared here with more than ten goddesses.

After God Queen Hera and the others left, this black shadow appeared here sneakily.

He looked around and saw Said to himself,

"God King Zeus is dead? And even his soul was wiped out, haha...., yes, if Zeus dies well, no one will be able to suppress my underworld in the future."

Three days later, in the Greek palace,

Su Chen was living the life of a fairy with his arms around him. Sif, the Nordic god of land and harvest, was captured by him. The fiancée he won was really good.

In the garden,

Su Chen was lying on a rocking chair and basking in the sun boredly.

It wasn't that he didn't want to go back to the fairyland immediately, but it was just that Su Chen and Elena's mother and daughter had not been together for long. If he left now, he would feel sorry for Elena's mother. Female.

Su Chen also thought about taking them to leave the Western God Realm, but Su Chen was also afraid of accidents on the way. The

Greek pantheon is controlled by the Queen Hera, and Elena and Thetis are also very safe here. , Su Chen decided to stay with their mother and daughter for a while before he left the Western God Realm.

At this time,

Elena, who was practicing next to him, shouted to Su Chen,

"Father, I have successfully cultivated and become the flower of one thought, ruling the world! Do you think these petals are beautiful?"

Su Chen looked at the petals falling in the air and nodded. He didn't expect that Elena could gather petals in just three days. It seems that Elena also inherited her talent for cultivation.

"Elena, you have just cultivated the petals. These petals have limited lethality. However, you were able to cultivate the petals in three days. This is already very remarkable."

"hehe.....,Father, this shows that my cultivation talent is very good."

"Yes, your cultivation talent is as good as your sisters."

At this time,

Xifu came to Su Chen and said with a smile, "Su Chen, the goddess of death is here again."

Su Chen frowned and asked after hearing Xifu's words.

"Why is Hela here again? Didn't I give her the best fairy fruit as a reward?"

Xif hugged Su Chen's arm and shook her head and said,

"I don't know why Hela came again, but I feel that there may be something wrong with Hela's arrival this time. You'd better go and see her."

"All right!"

Chapter 1914

In a palace in the palace,

Hela, the goddess of death, was dressed in black. She was waiting for Su Chen with her beautiful and sexy long legs like a queen.

Hela is becoming more and more suspicious of Su Chen's identity, the wild world?

Is there the best fairy fruit in the wild world?

If those strong men in the wild world had immortal fruits, why would they kill themselves and live again?

It's just that Su Chen's sister, the Ruthless Empress, is indeed from the wild world.

This, the goddess of death, Hela, is very sure, but what about those top-quality fairy fruits? This makes Hela, the goddess of death, unable to figure it out.

Su Chen's eyes lit up when he saw what Hela was wearing today.

Hela was wearing a cool black dress with very little fabric. A large area of Hela's skin was exposed. Today, Hela was much more beautiful and sexy than before..

Su Chen sat down and joked,

"Hela, I haven't seen you for a few days and you have become much prettier again. You are dressed too sexy today. I am a serious young man. There is no way you can seduce me."

"Color embryo!"

Hela glanced at Su Chen and cursed silently.

This bastard is really hopeless. God King Zeus is an old pervert. This little bastard Su Chen is not going to get better. This little bastard is also a very shameless person. Se embryo.

When Su Chen heard Hela's right words, he coughed in embarrassment and asked, "Cough! Hela, what's going on this time?"

Hela said to Su Chen with a serious face, "Something happened in the underworld. I feel that in the Greek god system, there may be an accident in the underworld."

"What accident?"

"The North Sea monster Kraken is about to break the seal and come out"

"Kraken Kraken?"

Su Chen was very surprised when he heard this name. Wasn't the Kraken the monster that Perseus, the son of Zeus, killed with Medusa's head? Why is there also a Kraken in the Western God Realm?

"Hela, what kind of monster is Kraken?"

Hela thought for a while and said to Su Chen,

"The Kraken is a mythical beast of the underworld. It is not afraid of any physical attacks. Any physical attack will be absorbed by it. Legend has it that the Kraken was fed by Hades, the King of Hades, and grew up with his blood. He wants to kill the Kraken. is very difficult"

"Hela, what are you talking to me about? Even if Hades, the king of Hades, released the Kraken, wasn't Poseidon, the god of the sea, the first to be unlucky?"

After Hela stretched her perfect figure, she reminded Su Chen with a smile,

"The reason why I tell you this is mainly because after the death of God King Zeus, Hades and Poseidon, the God of Pluto, they will all be eyeing the throne of the God King on Olympus Mountain."

"If Hades, the king of Hades, killed Poseidon, you should understand what Hades would do next."

Su Chen shook his head when he heard Hela's words.

Even if Hades, the king of Hades, killed Poseidon, what would Hades do in the future have none of his business? What if Olympus was destroyed? ?

Su Chen also wished that all the gods in the Western God Realm would conflict, or even have a war among the gods. In this way, the powerful and spiritual armies of the Western God Realm invading the ancient fairy world would be consumed a lot.

However,

Queen Hera!

Harvest Goddess Demeter!

Love Goddess Aphrodite!

As long as nothing happens to them, it's fine.

These three goddesses were very helpful to him, and Su Chen didn't want to see them killed by Hades.

Hela frowned and looked at Su Chen and asked, "Su Chen, what do you mean by shaking your head?"

Su Chen shook his head and said,

"Hela, these are things that the main gods on Mount Olympus should take care of. What's the use of telling me this? I am just a little middle god, can I still stop Hades?"

Hela stared and said,

"Queen Hera is integrating the Olympus Mountains. You and Queen Hera have a good relationship. Shouldn't you help Queen Hera?"

"Sorry, there's nothing I can do"

"Your sister is a strong person in the realm of God King. With your sister helping God Queen Hera, she will definitely be able to defeat Hades."

"My sister is from the wild world, and I don't want her to get involved in things in the Western God Realm. Hela

's chest heaved with anger when she heard Su Chen's words.

She glared at Su Chen and cursed, "You are so shameless. Why did you let your sister take action when you killed God King Zeus?"

Su Chen opened his eyes wide and looked at Helan's pair of stalwarts and said,

"That was because my life was in danger and I was about to die, so I still had to worry about so many things."

I'm here!

She's going to wear clothes.

Damn,

Hela's figure is too perfect.

If Hela is so angry that she wears clothes, will she look at it or not?

That's not right!

The clothes worn by the main gods Even if it is not an artifact, it cannot be a mortal thing. No matter how angry Hela is, the goddess of death, her dress will not explode.

This is somewhat of a pity.

"Shameless, you are so shameless, I have never seen a shameless person like you."

Hela has nothing to do with Su Chen.

After she revealed this news,

Su Chen would take the initiative to help the God Queen Hera, so that the God Queen Hera can also defeat Hades, and Hela can also use the God Queen in the future. Hera's forces killed the God-King Odin.

However, this little bastard Su Chen simply acted unreasonably.

Her plan came to nothing.

"Thank you for the compliment, Hela. If you have nothing to do, you can leave. I have to go and show off my sun....., I guess, Athena, what are you doing here?"

Su Chen was about to leave and continue to bask in the sun. He did not expect that Athena, the goddess of wisdom and war, would arrive, and Athena looked cold, as if she was still looking for trouble.

Athena looked at Su Chen indifferently and said, "Little bastard, I am here to teach you a lesson today. You will not forget your nonsense three days ago, right?"

Three days ago?

Damn it!

Athena actually still remembers that incident?

Su Chen also remembered that when he fought with God King Zeus three days ago, Su Chen lost his mind in order to make God King Zeus angry.

He not only said He had relationships with Queen Hera, God of Harvest Demeter, and God of Love Aphrodite. He even got involved with the tough girl Athena.

Is Athena planning to settle the score with the queen?

Su Chen suddenly Thinking of what Hela just said, he felt that there was a way to deal with Athena, a tough girl.

Su Chen pretended that the situation was serious and said to Athena,

"Athena, let's talk about it after our holiday. Hela just brought some bad news."

"Hades, the king of Hades, has released Kraken, the Kraken. Hades is going to kill Poseidon, the god of the sea, and then attack the Olympus. Please tell the Queen Hera the news as soon as possible."

Athena was very surprised when she heard Su Chen's words.

She stared at Su Chen and asked hurriedly,

"Are you telling the truth?"

"Hela is here. If you don't believe it, you can ask Hela."

Chapter 1915

Athena was very surprised when she heard Su Chen's words.

She did not expect Hades, the king of Hades, to get the news that the god king Zeus had been killed so quickly.

Kraken is a powerful divine beast.

Although Kraken is not a divine beast in the God King realm, all physical attacks are ineffective against Kraken. Even a strong man in the God King realm can hardly kill Bei Hai. Kraken.

If Hades and Poseidon went to war, Poseidon would definitely not be a match for Hades and Kraken.

If Poseidon is killed,

Hades will definitely invade Olympus.

By then, the war on Olympus will probably break out, and it is even possible that Hades, the king of Hades, will defeat the gods and sit on the throne of the God King of the Greek pantheon.

When Athena thought of this, she hurriedly asked Hela, the goddess of death,

"Goddess of Death, did Hades really release the Kraken?"

Hela glared at Su Chen fiercely.

This little bastard actually changed the topic.

Hela originally wanted to see Athena teach this little bastard a lesson, but it seems that this little bastard escaped again this time.

She He nodded to Athena and said,

"Yes, within three days at most, Kraken, the North Sea monster, will appear. Athena, you should tell Queen Hera to prepare for war. Hades, the king of Hades, will first kill his biggest rival, Poseidon, the god of the sea, and then attack Austria. Mount Limpis"

"I will."

Athena nodded with a serious expression on her face.

This matter is no small matter.

The emergence of the North Sea monster Kraken means that the gods of the Olympus Mountain will have a civil war, and even the gods of the entire Greek pantheon. They will all choose the right one.

Hades, Poseidon!

Poseidon,

Hera!

The Greek pantheon is now a tripartite.

The throne of the god king of the Greek pantheon will also come from the three of them.

However,

Pluto Hades and Poseidon, the God of the Sea, are both in the early stages of the God King Realm, and Hera, the Queen of Gods, is still at the peak of the Main God Realm.

Among the three,

Hades and Poseidon, the God of Poseidon, may both be dismissive of the Queen of Gods, Hera..

Athena looked at Su Chen and said coldly,

"Young priest, come with me to Mount Olympus. This change in the Greek pantheon still needs you to resolve."

Su Chen shouted when he heard Athena's words,

"Fuck you, Athena, this is an internal matter within the Greek pantheon, and I don't want to get involved."

"Little bastard, have you forgotten that three days ago, many of our goddesses helped you kill God King Zeus?"

"Hey, Athena, you goddesses helped me kill God King Zeus three days ago, but I also paid a huge price for the top-quality fairy fruit, ten top-quality fairy fruits per person."

Athena was a little embarrassed when she heard Su Chen's words.

She also got ten of Su Chen's top-quality fairy fruits. Although they, the goddesses, didn't want to accept them at the time.

But the Queen Hera still gave them ten top-quality fairy fruits. Athena now I feel that I really shouldn't have accepted the ultimate fairy fruit given by Queen Hera.

After hearing the conversation between Suchen and Athena, Hela opened her eyes wide and looked at Athena.

Hela did not expect that three days ago The reason why those goddesses helped Su Chen turned out to be that Su Chen paid a huge price, ten top-grade fairy fruits for each person, which cost almost two hundred top-grade fairy fruits. This little bastard is really rich.

Hela thought of Su Chen three days ago He only gave her three top-quality fairy fruits, which made her very angry when she looked at Su Chen.

She had been protecting Su Chen's daughter Elena, but this little bastard only gave her three top-quality fairy fruits.

Hela She felt very dissatisfied.

If Su Chen didn't compensate her today,

Hela would also beat this little bastard.

Athena stood in front of Su Chen and asked with a cold face, "Little priest, you really don't want to help God." After Hera?"

Su Chen shook his head and refused,

"It's not that I don't help, it's that I can't do anything. I am a mid-level god, and I was also a cannon fodder in the past. The war between your main gods is not something I can participate in."

Athena was very angry when she heard what Su Chen said.

Athena had seen Su Chen successfully attack God King Zeus and break the back of God King Zeus's head.

Is this something a middle god can do?

And this The little bastard's laws of time and space are very important for their battle with Hades.

If they fight Hades, they will have the help of Su Chen's laws of time and space, and they will fight Hades. The battle with Dis will be very easy.

There is also this little bastard's sister, the Ruthless Empress. The Ruthless Empress is a strong person in the God King realm. Su Chen and the Ruthless Empress are a pair of gods on the Olympus Mountains. It is crucial.

Athena held back her anger and said to Suchen,

"Median god? Are you like a median god? Can a mid-level god break the back of God King Zeus's head with a sneak attack? Where is your sister? Your sister is in the realm of a God King. If you don't help Hera, the Queen of Gods, then it will be the same if you let your sister go."

Su Chen smiled and replied,

"Sorry, my sister is asleep. My sister was already injured. The last battle made her injury more serious. My sister can't help this time."

"you....."

Athena stared at Suchen helplessly.

It seemed that this little bastard really didn't want to help Olympus.

Athena also didn't expect that the powerful Greek pantheon would need the help of a middle god.

This is really ridiculous, but without the help of Su Chen and the ruthless empress, the Olympus Mountains would probably be occupied by Hades, and even the entire Greek pantheon would be controlled by Hades.

Su Chen rolled his eyes and said to Athena with a smile,

"Athena, you can ask Odin of the Nordic pantheon for help. With Odin's arrogant character, as long as you of the Greek pantheon pay some price, Odin will definitely help you get rid of Hades."

The goddess of death asked in surprise when she heard Su Chen's words.

"Su Chen, do you want to involve the Nordic pantheon in the war? What are your plans?"

Su Chen rolled his eyes at Hela, the goddess of death, and said angrily, "Didn't I find a way to help Athena solve the trouble? What plans can I have."

After Athena heard what Hela and Su Chen said, she frowned and thought for a while.

Athena always felt that something was wrong there. Su Chen said to seek help from Odin, the God King of the Nordic God System.

This is indeed a way. , but it is easier to invite a god than to give him away.

If Odin, the god king of the Nordic pantheon, killed Hades, would the god king Odin leave the Greek pantheon so easily?

Athena looked at Su Chen and said doubtfully,

"I feel like you have some conspiracy. We can ask God King Odin to help, but if Odin arrives, will he leave the Greek pantheon so easily?"

"Zeus, the god king of the Greek pantheon, is dead, and Poseidon, the god of the sea, and Hades, the god of the underworld, are also killed."

"The Greek pantheon is in a very weak situation. Wouldn't God King Odin take the opportunity to annex the entire Greek pantheon?"

Chapter 1916

After Hela, the goddess of death, heard what Athena said, she also felt that Su Chen had bad intentions.

If it was true as Athena suspected, after Poseidon, the god of the sea, and Hades, the king of Hades, were killed.

A war of gods will definitely break out between the Greek pantheon and the Nordic pantheon.

God King Odin will definitely launch a war of gods against the greek pantheon when the greek pantheon is weak.

It even wanted to annex the entire Greek pantheon.

Su Chen looked at Athena, a beautiful woman, speechlessly.

This beautiful woman was indeed the main god of wisdom and war.

Su Chen wanted to drag the Nordic pantheon into the war.

With the character of the God King Odin, the god of the Greek pantheon All the powerful kings are dead.

God King Odin cannot be indifferent to the fat mass of the Greek pantheon. As long as the Greek pantheon and the Nordic pantheon launch a war of gods, Su Chen believes that many powerful gods and countless armies of gods will die. , this will have a great impact on the realm war five hundred years later.

Even after the realm war began, the Greek pantheon and the Nordic pantheon were unable to participate in the realm war.

When Su Chen saw Athena looking like a cannibal, he coughed and explained,

"Well, Athena, I'm just giving you an idea. You still need to decide whether to use it or not. If you think it's my idea and conspiracy, then you just pretend you didn't hear what I said."

"Huh, I just think you have no good intentions. I will let you off for now, but I will never let you off next time."

Athena snorted and quickly disappeared here.

She had to tell Hades the news to Queen Hera.

In three days, time is already very urgent. The army of gods in the underworld is probably ready. , the army on Mount Olympus has not yet assembled, and Athena has no time to delay any longer.

"Do you really have no conspiracy?"

"have!"

"What?"

"Hela, if God King Odin dies in the battle against Hades and Kraken, do you think there will be civil strife in the Nordic pantheon? Can Thor, the Lord of Thunder, succeed the God-King of the Nordic Gods?"

Hela shook her head when she heard Su Chen's words and said,

"Don't talk nonsense here. God King Odin cannot be killed by Hades and Kraken. Even if God King Odin is not the opponent of Hades and Kraken, there is no one to escape. Can be stopped."

Su Chen walked to Hela and said seriously,

"What if, I said what if, we help Hades, the king of Hades, to besiege the god king Odin?"

"you? Do you want to kill God King Odin?"

Hela was very surprised when she heard Su Chen's words.

Hela thought that if Su Chen, her, and Su Chen's sister, the Ruthless Empress, helped Hades to rob and kill God King Odin, they would There is a high chance of killing God King Odin.

But, what is Su Chen's plan?

Why does this little bastard want to kill God King Odin?

Su Chen looked at Hela affectionately and said,"Hila , I am doing this all for you. Haven't you always wanted to kill God King Odin? This time we join forces to kill the God King Odin."

Su Chen has no choice.

That beautiful woman Athena is too smart.

There is no way Athena would let the Queen Hera go to the Nordic gods for help.

If Hades is a wolf, and the God King Odin is a tiger,

Athena will definitely not Will agree to ask God King Odin for help.

Su Chen can only ask Hela to secretly reveal the changes in the Greek pantheon to God King Odin, but God King Odin will definitely know about the changes in the Greek pantheon. Launched a war of gods against the Greek pantheon.

Hades, the king of Hades, was also a powerful enemy that God King Odin had to eradicate.

Su Chen waited until God King Odin and Hades were fighting, and then they joined forces to defeat God King Odin. Get rid of it.

In this way, in the Western God Realm, not only the Greek pantheon will be in chaos, but also the Nordic pantheon.

This will be very beneficial to Su Chen, and will also be very beneficial to the realm war five hundred years later.

"Shameless person, stay away from me!"

Hela was very speechless when she heard Su Chen's affectionate words.

She didn't believe a word of this little bastard's words.

However, if she could kill the God King Odin, she didn't care about Su Chen's conspiracy.

Hela was against the God King Odin. But she was filled with hatred, and as long as there was a chance, she would definitely kill that old bastard.

Su Chen continued to say to Hela,

"Hela, you will return to Asgard in a moment. The news of the death of God King Zeus will be revealed secretly, and even the news of the upcoming battle between Hades and Poseidon will be revealed."

"Do you think I can do it?"

Su Chen suddenly hugged Hela's waist and said,

"Yes, you will definitely do what I say. I am the person closest to you, Hela. I will definitely help you kill the God King Odin this time."

"Shameless pervert!"

Haila was hugged by Su Chen and hurriedly appeared aside.

When she looked at Su Chen, she was very ashamed and angry.

This shameless pervert is really hopeless.

"Wait for my news!"

Hela shook his head and said to Su Chen before disappearing without a trace.

Su Chen smiled when he saw Hela leaving.

He felt that Hela would definitely do what he said.

Hela was going to kill God. Wang Odin is no longer a matter of a day or two. This time he has the opportunity to kill the God King Odin. Hela will never give up this opportunity.

Damn it!

Su Chen feels that he is now like that old bastard Hongjun.

The West The Greek Gods and the Nordic Gods in the God Realm will be turned upside down by him in the future.

However, for the sake of the ancient fairyland and the realm war five hundred years later, the Greek Gods and the Nordic Gods in the Western God Realm will have to fight against each other. Killing is not bad.

Su Chen touched his chin and said to himself, "It seems that I am going to the underworld to get the head of Medusa. This is an artifact to deal with the North Sea monster Kraken.""

Then,

Su Chen explained to Sif, and he quietly left the Greek palace. After hearing the news from Athena, the Olympus Mountains, Queen Hera and other major gods were very excited.

They were surprised.

Although they, the main gods, knew that after the death of God King Zeus, Hades and Poseidon would compete for the throne of the God King.

However, they did not expect that Hades, the God of Hades, would get the death of God King Zeus so quickly, even at the risk of death. To release the mythical beast Kraken.

With the union of Hades and Kraken, the sea god Poseidon will definitely be killed, and the gods in Olympus cannot belong to Hades. Opponent.

After the God Queen Hera recovered from her shock, she hurriedly asked Athena, "Athena, where is Su Chen? Why didn't you bring Su Chen back?"

"That little bastard doesn't want to care about this matter at all. Queen God, I think the little priest may have some conspiracy, and we can't do anything to the little priest."

Chapter 1917

Athena thought of Su Chen's various performances, and even asked them to seek help from the Nordic Gods.

Athena felt more and more that Su Chen's thoughts were impure, and she even wished for a war between the Greek and Nordic gods.

Athena was also wary of Suchen.

Queen Hera shook her head and said to Athena, "Athena, we don't care about Su Chen's conspiracy. We at Olympus must first get through this crisis."

"Yes, God Queen, the top priority is that we must immediately assemble our divine army. There are less than three days left, and we cannot waste any more time."

"Well, we must assemble our army of gods immediately, otherwise the army of gods from the underworld will attack us and catch us by surprise."

"There are other main gods, Ares, the god of war, Apollo, the main god of light, and Hephaestus, the main god of forging. We must win them over."

"This may be a bit difficult. Ares, the God of War, is a warlike person who is afraid of chaos in the world. He cannot be on our side. Apollo, the Lord of Light, may not participate in this dispute. Hephaestus, the Lord of Forging, may not be involved in this dispute. Even less likely to join us"

"Yes, these main gods are not easy to get along with. They may not help each other this time."

"I think it's better to call Su Chen over. With the help of Su Chen and his sister, it will be easier for us to deal with Hades."

"Yes, Su Chen's ability is of great help to us, and his sister, the Ruthless Empress, is also a strong God King Realm. With their brother and sister here, Hades, the King of Hades, is not a worry at all."

The main gods sitting here spoke one after another.

The other main gods in the Olympus Mountains all have their own plans. It is impossible for them goddesses to convince those main gods.

Ares and Hephaestus They are the sons of the God Queen Hera, but after all, they are children born by the God Queen Hera's willpower. There is no family bond between them at all.

Besides, the relationship between the Goddess of Love Aphrodite and Suchen is unclear. No matter what, Hephaestus, the forging god, might become their enemy.

Queen Hera stood up and said with a serious face,

"Let's assemble our divine army first. Hades, the king of Hades, will deal with Poseidon, the god of the sea. We still have time to prepare. I will personally visit Su Chen."

The other main gods nodded.

Now they can only assemble the army of gods to prepare for war. If Hera, the queen of gods, can bring back Su Chen and the ruthless empress, then they have nothing to fear from Hades.

The underworld, the entire underworld is full of undead armies gathering, undead, demonic creatures, Titan two-headed dogs, hell three-headed dogs, Chimeras, sphinxes, and thousands of various monsters. Assembling. When

Su Chen appeared in the underworld and saw such a situation, he was very surprised.

Su Chen did not expect that the strength of the underworld was not weak at all. Olympus Mountain, the God King Zeus is the Lord of the Sky! Poseidon, the God of the Sea!

As the lord of the sea!

Hades, the king of Hades, is the lord of the underworld! I am afraid that the strength of these three brothers is not much different.

Hades, the king of Hades, and Poseidon, the god of the sea, are not convinced by the god king Zeus. They are also bent on overthrowing the rule of the god king Zeus.

Pluto Hades and Poseidon may also have this ability, but they are not the opponent of God King Zeus. They have been holding back until now.

This time after God King Zeus died,

Pluto Hades finally started to take action.

Su Chenyao He shook his head and said to himself, "Forget it, these are just some miscellaneous soldiers and cannon fodder. I'd better hurry up and find that snake girl Medusa.""

Whoosh!

Su Chen teleported directly to avoid the gathering monster army, and he rushed towards the underworld.

In a palace in the underworld, a beautiful woman suddenly felt the message from the seed, and a stranger broke in. Enter the underworld?

This interested this beautiful woman.

No strangers are allowed to enter the underworld, and the entrance to the underworld is guarded by a three-headed hell dog. The person arriving this time should be a god.

The beautiful woman stood up and took out a sparkling After the shiny seed, she yelled,

"Nymph Fairy!"

"Queen of Hades,"

"Don't let anything bother me"

"Yes, Queen of Hades!"

This beautiful woman is Persephone, the wife of Hades. Persephone is not only the wife of Hades, she is also a powerful seed god.

Persephone blew on the seeds in her hand. He said in a tone,

"Pomegranate seeds, send a message to that strange god and ask him to come to my palace, otherwise, the news that he broke into the underworld will be exposed."

Whoosh!

The seeds in Persephone's hand disappeared in a flash.

Strange gods?

Persephone watched the pomegranate seeds disappear. She looked at the dark underworld and couldn't help but think, after countless years, there will be no Knowing what is going on in the Olympus Mountains now,

Hades, the king of Hades, gathered his army this time, and it seemed that he was preparing to launch a challenge war with the god king Zeus.

At this moment,

Su Chen also reached the depths of the underworld.

Although there is no underworld here Biological guardians, but Su Chen does not dare to be careless.

In addition to Hades, the underworld, there may also be several main gods in the underworld. Otherwise, how could Hades, the king of Hades, have been fighting against the god king Zeus for countless years.

I Go!

What is this?

A shiny seed?

Damn it!

Has the seed become sperm?

Su Chen was very speechless when he saw the seed that had been following him.

No matter where he teleported, this shiny seed was everywhere. If he could be found, why would this strange seed keep following him?

Su Chen checked the seed and whispered,

"Little Seed, what on earth are you going to do? I don't have what you need with me"

"The Queen of the Underworld wants to see you, and if you don't go, your existence will be exposed."

A little girl's voice suddenly came from the seed. The little girl's voice was full of threats. It seemed that if Su Chen didn't agree to go, she would immediately yell.

Damn it!

She was actually threatened by a seed.

He is really in trouble. However

, how did the Queen of the Underworld know that he had arrived in the Underworld?

Su Chen looked at the little seed and wanted to catch her, but he thought about it and did not dare to take action. The Queen of the Underworld could send A little seed threatens him, maybe every move he makes is under the control of the Underworld Queen.

Su Chen spread his hands and said speechlessly,

"Okay, little seed, you win, how do I get to the palace of the Queen of the Underworld?"

The little seed flashed and a voice came out, "Come with me, I will show you the way."

"All right!"

Chapter 1918

In the underworld,

Su Chen followed the little seed and quickly teleported to the outside of a palace.

Su Chen was very speechless when he looked at this gloomy palace.

The palaces in the underworld are so gloomy. Is this to scare away those people? A timid person?

At this time, a group of nymphs guarding the palace discovered Su Chen. They quickly surrounded Su Chen.

A nymph fairy asked Su Chen seriously, "Who are you? Why did you come to the underworld?" The palace behind?"

"Your queen asked me to come here!"

"Nonsense, even Hades, the king of Hades, cannot come to the palace of Hades. Who are you? Why come to the palace of Hades?"

I'm going!

Big news!

The palace of the Queen of Hades didn't even allow Hades to come?

So are Hades and the Queen of Hades a fake couple? Or is there an unknown secret?

Su Chen heard that Ning Fairy Fu was very surprised by what she said.

She didn't come to the underworld in vain this time.

The gods of the entire Greek pantheon might not know that the Queen of the Underworld has such a relationship with Hades, the king of Hades.

"Hey, I really was called here by the Queen of the Underworld. If you don't believe me, you can ask this....., what about me, where is the little seed?"

Su Chen was explaining to these nymphs, but he turned around and found that the little seed that brought him had disappeared without a trace.

This made Su Chen dumbfounded for a moment.

Su Chen suspected that it was the little seed. He deceived him, and even Xiao Zizi deliberately brought him to the palace of the Queen of the Underworld.

Is this considered a trap for himself?

"Hurry up and capture us, otherwise don't blame us for being rude."

"Okay, okay, I'll take it easy, I won't resist."

Su Chen looked at these nymphs who only had the strength of lower gods, and he shook his head.

If Su Chen could catch these nymphs easily, it would be very easy for him to escape.

But if Su Chen did this, the whole The underworld will know about his arrival, and even Hades, the king of Hades, will probably kill him if he doesn't have the strength to spare.

"Seal his cultivation!" A nymph fairy ordered to the nymph fairies next to her,

"Yes, the fairy chief!"

Su Chen heard that his cultivation level was to be sealed, which made Su Chen quit.

If his cultivation level was sealed, wouldn't he be at the mercy of others?

"Wait, I've already captured him without any effort, so there's no need for seal cultivation."

Nymph Fairy objected with a cold face,

"No, you are a mid-level god, we must seal your cultivation realm"

"Damn it, Nymph Fairy, I'm just a little middle god, do you think I can be detrimental to the Queen of the Underworld?"

"Foreign gods, we are the nymphs of the Queen of the Underworld. Our duty is to protect the Queen of the Underworld. Even if you are a mid-level god, we must seal your cultivation realm. If you dare to resist, we will kill you without mercy!"

I guess!

These little fairies, if the tiger doesn't show off its power, do you think I'm a sick cat?

Su Chen is about to run away.

His mission this time is considered a failure.

He can't get Medusa's head.

"Nymph, let that foreign god come into the palace."

At this time, a majestic and cold female voice came from the palace.

"Yes, Queen of Hades!"

The nymphs immediately saluted the palace.

Su Chen touched his nose and didn't know whether he should escape now.

The strength of Pluto may also be in the realm of the Lord God. If the Queen of Hades wants to harm herself.

Su Chen can escape, he He might also be injured.

Su Chen stood outside the palace in embarrassment for a moment.

"Don't go in yet!"

"Can I not go in? This palace is a bit scary."

The nymph fairy laughed when she heard Su Chen's words, "Haha, do you think it's possible?"

"Nymph Fairy, what kind of deity is the Queen of the Underworld?"

The Nymph Fairy was very surprised when she heard Su Chen's words.

She didn't expect that Su Chen didn't know what kind of god the Queen of the Underworld was?

A god didn't know the origin of the Queen of the Underworld. Could this foreign god be a wild god?

Ning Fu. Fairy Fu thought for a while and said to Su Chen,

"Foreign gods, you haven't even heard of the Queen of the Underworld? Forget it, I'll tell you kindly"

"The Queen of Hades and the Harvest God Demeter are the same main gods. The Harvest God Demeter controls the harvest of the earth, while the Queen of Hades is the main god of seeds, and the Queen of Hades is the main god of all seeds."

When Su Chen heard that Demeter seemed to be related to the Queen of the Underworld, he hurriedly asked the nymph,

"Are the Queen of the Underworld and the Harvest God Demeter sisters?"

"That's right!"

I'm going. Su Chen suddenly remembered that in Western mythology,

Hades seemed to have snatched Demeter's daughter. This was allowed by God King Zeus, and Demeter's daughter even sat on the throne of the underworld in the future. Queen of the Underworld.

But in the Western God Realm,

Su Chen had never heard of Demeter having a daughter. This Queen of the Underworld and Demeter are actually sisters?

Isn't this her?

The relationship between the gods in the Greek pantheon is too complicated.

Su Chen shook his head and walked towards the palace of the Queen of the Underworld.

He thought that since the Queen of the Underworld and Demeter were sisters, Su Chen felt that there would be no danger. After all, Su Chen had a close relationship with Demeter. , cough!

It was Su Chen who kidnapped Demeter.

In the main hall of the palace, a beautiful woman dressed in black was sitting on the throne. She was playing with a pomegranate in her hand.

Su Chen came in and saw The Queen of Hades in a black dress is very speechless.

The goddess of death, Hela, likes to wear black, and the Queen of Hades also wears black.

Do all the gods of death in the Western God Realm like black?

However,

Hades is really very sexy and beautiful. With her beautiful face, proud figure, and the arrogant and noble temperament of the Queen of Hades, Pluto is probably among the top ten goddesses in the Western God Realm.

Su Chen looked at the Queen of Hades wearing very little. I thought wildly about the clothes that the Greek goddesses were wearing. All the Greek goddesses dressed themselves up so sexy. No wonder the God King Zeus was an old prostitute. This was probably the result of the temptations of those goddesses.

The Queen of Hades saw Su Chen staring at her all the time. She saw that this made her very unhappy.

"Alien gods, your eyes are a little rude."

Su Chen coughed in embarrassment when he heard Ming Hou's words, "Ahem! Queen of the Underworld, I am a friend of Demeter, the Lord God of Harvest, and I came to the underworld this time just to visit it."

The Queen of Hell said disdainfully when she heard Su Chen's words.

"Demeter? You, a middle god, know Demeter? Little god, you are dishonest"

"Queen of the Underworld, everything I said is true. By the way, Demeter has a red heart mark on her left chest. I'm afraid not many people know this, right?"

Chapter 1919

Su Chen had no choice.

If the Queen of the Underworld didn't believe him,

Su Chen could only expose some of Demeter's secrets, the red heart mark.

This was when Su Chen inadvertently discovered Demeter in the hot springs of Hera, the Queen of Gods. The red heart mark on Myrtle's chest.

The Queen of Hell was surprised when she heard Su Chen's words and asked, "You.....What is your relationship with Demeter? You actually know Demeter's secret"

"Ahem, that.....How should I put it, our relationship is like that of AUO or above, but not yet satisfied lovers!"

"laugh! Little scumbag, do you think I will believe it? You are just a middle god, and Demeter is a harvest god, so it is possible that she would like you, a little scumbag."

Damn it!

Dead witch!

Ugh!

Damn it,

Queen of Hades is a god of death.

Su Chen had no choice but to face Queen of Hades if she didn't believe him.

He looked at Queen of Hades with a cold face and said,

"Queen of the Underworld, since you don't believe it, then I will leave. No need to disturb you. Goodbye, no! Never again."

Boom!

The Queen of Hades suddenly burst out with a powerful aura.

She looked at Su Chen and warned,

"Want to leave? With my permission?"

Su Chen's face turned dark.

He felt that all the goddesses in the Greek pantheon were mentally disturbed, and all of them were crazy because of gains and losses.

Su Chen activated the law of space and prepared to escape from here.

This Queen of the Underworld is probably staying in the underworld. It had been too long, and some dark emotions were about to burst out.

While Su Chen gathered his magic power, he said nonsense,

"Damn it, Queen of the Underworld, my woman is Hela, the Lord of Death. If you dare to attack me, Hela, the Lord of Death, will bring an army of the undead to destroy you."

After hearing Su Chen's words, the Queen of Hell stood up with a gloomy face.

She glared at Su Chen and asked,

"You little scumbag who talks nonsense"

"One moment you say that Demeter has an ambiguous relationship with you, and the next moment you say that Hela, the Lord of Death, is your woman, why don't you say that Queen Hera and Queen Frigga are also your women?"

Su Chen thought of the God Queen Hera and the beautiful Nordic God Queen Frigga. They all knew each other, especially the God Queen Hera. The relationship between Su Chen and Hera was much more ambiguous.

He looked at the Queen of the Underworld. He said hurriedly,

"Queen of Hades, if you believe me, I will say that Queen Hera and Queen Frigga are also related to me."

"Shameless, go away.....,Um? Someone broke into the underworld again? The underworld is really lively today."

When the Queen of Hades was about to suppress this nonsense little scum, a seed flew in front of Queen of Hades. After checking the seed, Queen of Hades was very surprised.

She didn't expect that someone else had broken into the underworld, and this time. They were all mortals.

Su Chen was about to run away, but he stopped when he heard the words of the Queen of the Underworld.

Someone broke in again from the underworld? Or was it a mortal? This made Su Chen also curious.

"A group of bounty hunters who do not know how to live or die."

The Queen of Hades checked the arriving mortals and said disdainfully.

She did not expect that mortals would come to the underworld and even want to kill Medusa.

These mortals really wanted money rather than their lives. After a while, they met Medusa. All of them would be turned into stone by Medusa.

When Su Chen saw the Queen of Hades staring at him again, he coughed hurriedly and said,

"Ahem, Queen of the Underworld, you see, I am not coming to the underworld alone. You should deal with those mortals. No matter how you say it, I am still a god. We are all our own people. You don't need to fight or kill me."

"Huh, I'm too lazy to care about those mortals!"

"Then you can just ignore me!"

"Stop dreaming and say, who are you, the main god?"

"Queen Hera, I am the chief priest in the palace of Queen Hera."

The Queen of the Underworld was very angry when she heard Su Chen's words.

This little bastard, she just mentioned the God Queen Hera and the God Queen Frigga. How dare this little bastard climb up the pole?

The Queen of the Underworld raised her palm and He activated his divine power and threatened Su Chen, "Little Zhazha, you are not honest, it seems you don't want to live anymore."

Su Chen waved his hands hurriedly and said,

"Wait, Queen of the Underworld, let me look for proof of identity. I have the token given by Hera, the Queen of Gods. Well, the token of the chief priest given by Hera, the Queen of Gods, is placed there."

The Queen of the Underworld frowned when she heard Su Chen's words.

She looked at this little scumbag as if he was not lying. Could it be that this little scumbag is really the little priest of the God Queen Hera? After a while,

Su Chen finally found the God Queen. Fortunately, Su Chen didn't throw away the token that Hera gave him. Otherwise, I'm afraid there would be no way to prove his identity this time.

Su Chen threw the token to Queen Hades and said, "Queen of Hades, this token can't be fake, right?" ?"

The Queen of Hades looked at the token and said in surprise,

"You are really the chief priest of the Queen Hera, so what are you doing in the underworld? Are you here to check on the enemies in the underworld? Did Hera, Queen of Gods, know that Hades, Lord of Hades, was gathering an army?"

Su Chen shook his head and lied,

"I don't know about this, I just heard that there is a very beautiful Medusa in the underworld, so I was curious and wanted to take a look."

The Queen of Hades asked angrily with a cold face,

"The very beautiful Medusa?"

Damn it!

Isn't the Queen of the Underworld jealous?

It's his fault. If a dignified Queen of the Underworld says that other women are beautiful, the Queen of the Underworld won't take action out of jealousy, right?

Su Chen said helplessly to the Queen of the Underworld. Praise said,

"Ahem, the Queen of Hades is the most beautiful goddess. I didn't expect that the Queen of Hades would be so beautiful. Neither Medusa nor the goddess is as beautiful as the Queen of Hades. She even has a sexy figure. No other goddess can compare"

"Little scumbag, are you saying these things because I want to kill you?"

"No, I really mean it. I really can't be more sincere."

"Haha, I will disturb your life this time."

Damn it!

What a narcissistic Queen of the Underworld!

Remember this time, if you have the opportunity in the future, you must deal with this narcissistic Queen of the Underworld."

Su Chen saw that the Queen of the Underworld relaxed, and he also relaxed. In order to get the head of Medusa this time, Su Chen had no choice but to say these things against his will.

However, the Queen of Hades is very beautiful.

Although the Queen of Hades is not as good as the women of the God Queen Hera, she is
The Queen of Hades can be regarded as a top-notch beautiful goddess

"Queen Ming, then I won't disturb Queen Ming. Farewell!"

When Queen Ming heard that Su Chen was about to leave, she shouted indifferently,

"Stop, did I let you go? Little priest, come here and massage my shoulders."

"What? Want me to massage your shoulders?"

Chapter 1920

Su Chen was confused when he heard Ming Hou's words, massage?

It's his fault, the Queen of Hades won't tempt herself, right?

Damn it,

I am a middle god, are there no men in the underworld?

Well!

The underworld seems to be filled with undead spirits and monsters, and Hades, the king
of Hades, is still a gloomy old man.

Su Chen was a little confused.

If the Queen of the Underworld really wanted to seduce him, would he do it or not?

Queen of Hades looked at Su Chen without moving, and even had a troubled expression
on her face, which made Queen of Hades a little unhappy.

Queen of Hades didn't really want Su Chen to give her a massage, she just wanted to compare with Queen Hera. The god-queen Hera, like her palace, was devoid of any men.

This little priest was actually noticed by Hera, the Queen of Gods. I am afraid that this little priest is a little different, and the Queen also wants to see what is different about this little priest.

Queen Ming looked at the motionless Su Chen and shouted with a cold face,

"Little priest, what are you waiting for? Come over here and give me a massage? Haven't you ever given a massage to Hera, the Queen of Gods?"

I guess,

I have never given a massage to Queen Hera, and Queen Hera probably wouldn't dare to let me massage her.

Damn it,

Su Chen looked at the beautiful Queen of Hades and made a decision. Everyone has said that if I don't go to hell, who will go to hell? Today, he went to hell for the Queen of Hades.

Cough!

Damn, this seems to be hell, right?

Su Chen shook his head and walked towards the Queen of Hades. Anyway, he will suffer a loss for a while. It's not him, and he has nothing to be afraid of.

As soon as Su Chen walked behind the Queen of Hades, and his hand touched the shoulder of the Queen of Hades, a nymph came quickly and saluted, "To the Queen of Hades, Hades, the king of Hades, summoned the queen of Hades to the palace of Hades."

When the Queen of Hades heard what Nymph Fairy said, she frowned and said

"Summoned? laugh! Tell Hades I have no time for him"

"After Hades, Pluto's waiter said that this time it was because of the North Sea monster Kraken who wanted to kill the sea god Poseidon."

"That's it! Just say I'll be there in a minute"

"Yes, Queen of Hades!"

Su Chen touched Queen Ming's shoulder and didn't let go, nor did he continue to touch Queen Ming's shoulder.

Su Chen didn't expect that things would happen by such a coincidence. It seems that it is impossible to have close contact with Queen Ming this time.

Su Chen didn't let go immediately.

He continued to touch Queen Ming's smooth shoulders and said with a smile,

"After death, it seems I can only give you a massage next time."

The Queen of Hades was very unhappy. Just when the little priest touched her shoulder and she felt the warmth of Su Chen's hand, Hades came to disturb her.

"Little priest, wait for me to come back in the palace. Don't think about escaping. The entire underworld is under the control of the king. If you dare to escape, you will definitely die in a very ugly way."

Su Chen hurriedly said after hearing what the Queen of the Underworld said, "Queen of the Underworld, let's do this. I will go see those mortals. I will never leave. You can ask the nymphs to follow me."

The Queen of the Underworld frowned and thought for a while.

She felt that there might be something wrong with the little priest coming to the underworld.

She also wanted to know what the little priest was going to do. The Queen of the Underworld calmly put a pomegranate seed into a token. inside, so that she would be able to check every move of the little priest.

After the Queen of Hades finished doing this, she handed the token to Su Chen and coldly snorted,

"Huh, this is the token of the underworld. You can go see those mortals. Remember your words. If you dare to escape, I will make your soul suffer torture day and night."

"Queen of Hades, what is the use of this token? Can you command the armies of the underworld?"

"You are thinking too much. This token of mine can only command my subordinate nymphs and my underworld gods and army. The army of Hades cannot obey my orders."

"I understand, thank you very much, Queen of Hades!"

Su Chen happily accepted the token.

With the token of the Queen of Hades, if Su Chen had a war with Hades in the future, he would only need to take out the token of the Queen of Hades, the gods and the army of the Queen of Hades. Everyone will obey his orders, and when the time comes, Hades will be in trouble.

After Su Chen disappeared after the Queen of Hades, he looked around and left the palace of the Queen of Hades.

This time he took the head of Medusa again. The opportunity was given.

As long as he got Medusa's head, Su Chen would leave the underworld immediately. The Queen of the Underworld knew that he had escaped.

Does the Queen of the Underworld still dare to pursue him?

"where are you going?"

I'll go!

Little Seed?

Damn it!

Isn't this the Queen of the Underworld who asked Little Seed to monitor her?

Su Chen was very speechless when he looked at the Little Seed in front of him.

This damn little Seed disappeared silently last time.

Su Chen almost had a conflict with the nymphs, and now he was sent by the Queen of the Underworld to monitor him?

Su Chen looked at the little seed floating in front of him and shouted, "Little seed, you have nothing to do with me, leave quickly, I But there is the token of the Queen of Hades."

The little girl's unhappy voice came from the little seed, "Humph, I just want to guide you, you don't need it, forget it."

Su Chen apologized hurriedly after hearing Xiaozi's words,

"Wait, cute little seed, I just misunderstood you. I want to go find Medusa, can you take me there?"

Little Zizi said to Su Chen arrogantly,

"Since you misunderstood me, I am generous enough to take you there. However, you must not look into Medusa's eyes. Medusa has been cursed. Any man who sees Medusa's eyes will be cursed. petrochemical"

"You know, I'm just curious about what Medusa looks like."

Su Chen was very speechless when he heard the words of the little seed.

How can an adult be so generous?

A little seed still speaks with the voice of a little girl.

How dare he pretend to be an adult?

Su Chen was so angry with this arrogant little seed. There was nothing to say.

In the underworld,

Su Chen and Xiao Zizi were talking, and

Xiao Zizi took Su Chen towards Medusa's lair. This time, Su Chen did not avoid the undead and monsters in the underworld.

He now has the token of the Queen of the Underworld.

Su Chen is a serious person from the underworld. The undead and monsters in the underworld dare not attack Su Chen when they see him.

Half an hour later,

Su Chen was brought here by Little Seed. A dilapidated palace.

This palace was so dilapidated that even some thick pillars were still standing.

The little seed flew in front of Su Chen and reminded Su Chen, "Su Chen, this is Medusa's palace." Lair, you have to be careful when you go in."

Su Chen nodded and took out an ordinary fairy fruit.

He handed the fairy fruit to Xiaozi and said thank you, "I understand. Thank you very much, Xiaozi. I'll give you this fruit.""

Whoosh! As soon as the little seed touched the fairy fruit, the fairy fruit disappeared into Su Chen's hand.

The little seed flew to Su Chen's eyes and asked hurriedly, "A fruit with a lot of spiritual energy. Su Chen, do you still have such a fruit?"

"There are a few more, I'll give them to you!"

"Thanks to Su Chen, I have these fruits, and my pomegranate can transform quickly."
