

## Zongwu 1961

### Chapter 1961

After Gaia glared at Elena, who was not big or small, she urged Su Chen.

Gaia was not willing to stay in this auraless Western God Realm. Even in the chaos, she was better off than in the Western God Realm. In the comfortable and auraless Western God Realm, the gods here will be finished sooner or later.

Su Chen glanced at Gaia and said, "White hair, you are thinking too much. My daughter has been booked by other saints. It is impossible for Elena to become your teacher."

Gaia shouted angrily after hearing Su Chen's words. road,

"Emperor Su Chen, you are talking nonsense. Elena has no connection with other saints. Are you deceiving a saint?"

Su Chen was very confused when he heard Gaia's words, the thread of fate?

What the hell is that?

Does everyone have a thread of fate?

Then why can't he see it?

Is it because of his low cultivation?

Su Chen said with some strong words, "If you don't become a disciple, of course there is no thread of destiny. Fortunately, you are still a saint."

Gaia is going to be so angry with this bastard.

If Gaia can't kill this bastard, she will definitely crush this nonsense bastard to ashes

"Shameless bastard, every word and deed of a saint will have the cause and effect of the line of fate. If Elena is asked to be a disciple by another saint, she will see the cause and effect of master and disciple on the line of fate. Elena does not have it at all now. Master and apprentice karma, you bastard, how dare you deceive me?"

"Ahem, whiteheads....."

"My name is Gaia, the mother of the gods. If you dare to call me white hair again, I will cut off one of your arms."

Before Su Chen could continue to quibble, Gaia interrupted Su Chen.

She had had enough of this bastard calling her white hair, white hair. If this bastard Heavenly Emperor dares to call her like that again, Gaia will definitely chop Su Chen off. One of Chen's arms warned this bastard.

What the hell!

Gaia?

This giant beautiful woman saint is actually the earth goddess Gaia?

Go ahead!

Gaia is a titan with a height of several hundred meters, and she is one of the best in all Western gods. The ancestor of the gods, just like Nuwa is the holy mother of all humans.

No wonder Gaia is more than three meters tall.

This may be the form in which she walks in the divine world.

If Gaia walks in the divine world with a body hundreds of meters high, Here, this must have caused panic.

Queen Hera and the goddesses were very shocked when they heard Gaia's words.

Just now they were thinking about why Gaia accepted Elena as a disciple, but now they heard that this beautiful woman saint actually It was Gaia, which they never expected.

Gaia, the mother of the gods who had disappeared for millions of years, actually appeared.

But why did Gaia disappear for so long?

And why did she kill Su Chen when she appeared?

This made They all couldn't understand.

Elena was very confused now.

This giant and beautiful saint actually wanted to accept her as a disciple?

What was going on?

She was just a small cultivator now, and she hadn't even cultivated to become a disciple. God, why would this beautiful saint accept me as a disciple? Could it be that he is gifted in cultivation?

"Gaia, me..."

"Bastard, call me Saint Gaia, or Mother of the Gods."

Su Chen was interrupted by Gaia before he could finish his words this time. Su Chen was very speechless when he saw Gaia who was still holding him.

I am Fake!

Give Gaia the saint?

Give back the mother of the gods?

Well ? Damn it,

Su Chen even calls the saints in the prehistoric world by their names,

Gaia is nothing!

However,

Su Chen is under the eaves now and has to bow his head. He is no match for Gaia at all. Gaia may be a loser. You can sit on your butt to death

"Ahem, Saint Gaia, there is no need to accept a disciple. I know you must have some intention of accepting my daughter as a disciple, and I will not agree to your accepting my daughter as a disciple. Gaia stared at Su Chen and threatened,

"You really don't want to?"

Su Chen didn't pay attention at all when he heard Gaia's threat.

He looked at Gaia and sneered,

"Hey, Saint Gaia, you don't need to threaten me. I just need to spread the news in the ancient world and say that I want to find a master for my daughter. The seven saints in the ancient world will all compete to accept my daughter as a disciple. You are the only one. Forget it about the saints of the Western God Realm.

Gaia glared at Su Chen and shouted, "Do you look down on the saints in the Western God Realm?"

"Yep, the most artifacts in the Western God Realm are low-grade innate spiritual treasures. You, a saint in the Western God Realm, are probably also a poor person."

Gaia took out a silver sword angrily, and asked Su Chen,

"Bastard, please see clearly, what level is my artifact?"

Su Chen looked at it and said disdainfully, "The top-grade innate spiritual treasure is not as good as the spiritual treasure of a little golden fairy like me."

"Shameless bastard, you may be the Emperor of Heaven in the prehistoric immortal world, but what spiritual treasures do you, a little golden immortal, have?"

"Let me go, I'll let you see the spiritual treasure for an afternoon"

"snort!"

Su Chen looked at the white flowers in front of him and cried out uncomfortably, "What a fart are you, if you don't let me down, I will see you all."

"You are such a shameless bastard."

Gaia looked at her chest and was very angry.

The dress she was wearing was very loose. This shameless emperor dared to peek at her.

Gaia wanted to slap this shameless bastard to death now.

Goddess like Frigga The faces of the girls all turned dark. They did not expect that Su Chen would dare to take advantage of the saint. This shameless god-king was really hopeless.

Elena lowered her head and couldn't help but want to laugh.

She was now She was no longer afraid.

She felt that there was no woman that her father could not handle. However, this Saint of Gaia was too tall. Can her father really subdue this tall Saint?

Touch!

Su Chen was thrown directly by Gaia. On the floor,

Su Chen quickly started fighting and stared at this hateful big saint.

He had kindly reminded Gaia just now.

If Su Chen didn't feel so charming being lifted by Gaia, he would still want to keep admiring the legend. A mountain that I have never seen before.

Gaia looked at Su Chen disdainfully and asked,

"how? Want to take action?"

"Ahem, you think too much, Gaia, can you....."

"Called Gaia Saint!"

Gaia glared at Su Chen and interrupted Su Chen's words.

She was really helpless towards this shameless Emperor.

She was a powerful saint, but this shameless Emperor had no respect for her at all. If it weren't for the threat of the saint from the ancient immortal world, She really wants to slap this shameless Emperor to death

"You are awesome, have you seen the little copper coin in my hand? My little copper coin is not comparable to your spiritual treasure."

Chapter 1962

Su Chen took out the high-grade innate spiritual treasure and shook it.

The fallen money can defeat other spiritual treasures. Although the innate treasure, the luck treasure, and even the merit spiritual treasure cannot be defeated, ordinary innate spiritual treasures can basically defeat it. It can be knocked down.

Gaia's high-grade innate spiritual treasure is good, but if Gaia dares to use it on him, Su Chen can take Gaia's high-grade innate spiritual treasure.

When Gaia saw the small copper coin with wings in Su Chen's hand, she was very surprised and said,

"Land money? You actually have the money from the ancient Buddha of Lighting Lights."

Su Chen was playing with the fallen money in his hands and said in surprise, "Gaia, it seems that you are very familiar with the ancient world of immortality. You even know about the falling money, and even know that it is in the hands of the ancient Buddha."

"Humph, I can come and go freely in the prehistoric fairy world"

"Just brag, I'm afraid you will use an incarnation when you go to the Great Immortal Realm, and even the cultivation level can only be below the Great Luo Jinxian. Otherwise, you will be killed by the heavenly tribulation when you appear in the Great Immortal Realm."

Gaia sent the artifact in her hand to Elena, and she said to Su Chen, "Su Chen, Elena must worship me as her teacher, so this artifact is given to Elena."

"impossible!"

Su Chen shook his head and refused.

Gaia's purpose is not pure. It is impossible for him to let Elena become Gaia's teacher. If Gaia wants to use Elena to achieve some purpose, Elena may It will be very dangerous

"you....."

When Gaia heard Su Chen's rejection, she was about to explode with anger.

Damn it, she had endured this bastard for a long time. This time Gaia just wanted to accept a disciple, but this bastard refused him again and again. This bastard really forgot. Are you a powerful saint?

"I agree, dad, I am a disciple of Saint Gaia."

Elena saw that Gaia was about to get angry.

She also liked the silver sword in front of her very much, and she could also see that Gaia had been enduring her father. Gaia might have accepted her as a disciple for impure purposes..

However,

Elena could feel that

Gaia had no intention of harming her.

Su Chen's face turned green when he heard Elena's words.

He had been rejecting Gaia here.

Su Chen wanted to understand Gaia. The real intention, but this girl Elena actually came to cause trouble at this time.

This made Su Chen a little angry

"Elena, shut up!" Gaia was very happy when she heard Elena agreed.

"Hahaha, Emperor Su Chen, your daughter has agreed, is it useful for you to stop her? I didn't force your daughter this time."

Su Chen threatened Gaia with a cold face, "Gaia, if I don't agree, do you dare to take my daughter away?"

"you.....Do you dare to threaten me?" Gaia's face turned ugly when she saw Su Chen's cold expression, and even Su Chen's indifferent threat to her. She never thought that a little golden immortal would dare to threaten her. The Emperor of Heaven in the prehistoric immortal world was indeed the same as Different. Su Chen looked at Gaia and said with disdain,

"What am I afraid of? Gaia, let me tell you clearly, if you dare to take my daughter with you today, six saints will come to kill you tomorrow. Don't think I am joking. If I promise each of those saints a cause and effect, I believe that the six saints will come to kill you. The saints will be willing to kill you. Gaia also turned coldly and threatened Su Chen, "Su Chen, aren't you afraid that I will destroy you now?"

"Gaia, do you dare to take action if I give you the courage?"

"you....."

Gaia really didn't dare to take action against Su Chen.

When Nuwa Empress left, Gaia felt the warning from the ancient law of heaven to her.

Otherwise, with Nuwa's threat, Gaia would not be able to compromise like this with Su Chen.

Su Chen looked at Gaia's ugly face, and he felt very uneasy.

Su Chen felt that the arrival of Empress Nuwa must have threatened Gaia.

However, when Su Chen thought about it later, he felt very strange. How could Empress Nuwa know that he was in danger?

This is the Western God Realm, not the prehistoric fairyland. It is impossible for Empress Nuwa to pay attention to this place in the Western God Realm.

Moreover, when Nuwa arrived, she didn't even show up to see him, and she didn't even leave a word.

Su Chen felt even more strange.

He and Empress Nuwa were also allies at least now, and Empress Nuwa would not say a word to him when she arrived.

Su Chen guessed that the arrival of Empress Nuwa was probably arranged by Heaven.

He had just unified the Greek and Nordic gods, and Heaven would definitely get some benefits.

Gaia wanted to kill him, and the prehistoric heaven would definitely not allow a saint to take action against him, so that was why Empress Nuwa suddenly arrived.

Queen Hera and the other goddesses were speechless when they saw the tense situation between Su Chen and Gaia. What was going on? Is Su Chen seeking death again? Why do you have to anger Saint Gaia? Could it be that Saint Gaia really had a conspiracy to accept Elena as his disciple? Elena felt that she seemed to have said the wrong thing again. She lowered her head and did not dare to look at Su Chen. This was the first time that Su Chen yelled at her. Elena was also worried that what she just said would put her father in crisis. middle. Gaia said to Su Chen helplessly,

"Su Chen, I don't dare to take action against you"

"You, the Primordial Emperor, can be said to be a son of heaven, and your background is very powerful and scary. However, I have no intention of harming Elena by accepting her as my disciple this time."

Gaia is really helpless towards Su Chen.

With the warning from the ancient law of heaven to her,

Gaia is really wrong to offend Su Chen.

Gaia doesn't even dare to take Elena away by force. What Su Chen said is right. If Su Chen promised a cause and effect to the saints of the ancient world, and the saints of heaven in the ancient world of immortality would definitely hunt her down.

If Gaia dared to take action against Su Chen, the heaven of ancient times would also order the saints of the ancient world to kill her. Gaia would really kill Su Chen. Morning is helpless

"I do not believe!"

Su Chen breathed a sigh of relief when he heard Gaia's words.

It seems that his guess was not wrong.

The ancient heaven had just helped him, and the arrival of Nuwa may have been sent by the ancient heaven.

Gaia looked at Su Chen coldly. Said, "Su Chen, I will take you to a place. When you get to that place, you will know what my purpose is. Do you dare to go with me?"

"go!"

Su Chen nodded and agreed.

Su Chen also wanted to know what Gaia's purpose was.

Gaia had a warning from the ancient law of heaven. Su Chen believed that Gaia would not dare to attack him again.

Su Chen turned around and turned to He Ra said,

"Hera, you and the goddesses stay here. Elena, I will teach you a lesson when I come back."

Chapter 1963

In the main hall, after Gaia left with Su Chen, the goddesses here relaxed. They were very nervous when facing a saint, especially the powerful aura exuding from Gaia. They all felt very nervous next to them. fear.

Athena looked at Elena's worried look and threatened,"Elena, you are going to be finished this time. I have never seen your father angry with you."

After Elena heard what Athena said, she Worried, he asked Athena,"I.....what do I do? My father won't punish me, right?"

Hera smiled beside her and said,

"It's possible that your father's space laws are very powerful, and maybe your father will lock you in a space prison to punish you."

Elena's face turned pale.

She had also entered her father's space prison. There were no living creatures, no wind, no water, and the silence was terrifying. Elena didn't want to be locked up in a space prison. ,

Elena slapped her forehead and shouted,

"I don't want to be imprisoned in a space prison. No, I have to escape. I can't wait for my father to come back to punish me."

Queen Frigga and the other goddesses saw the pale-faced Elena.

They all smiled.

Although they were scaring Elena, this time Elena shouldn't have spoken before. ,

Su Chen was fighting Gaia before, and

Su Chen even had the upper hand at that time, but because of Elena's words, Su Chen was completely defeated, so that Su Chen later had to threaten the Saint of Gaia.

They were This time they also wanted Elena to have a long memory.

After all, Elena is still a little girl. They also hope that Elena can grow up after what happened today.

Athena looked at the panicked Elena and laughed and said,

"Haha, Elena, where can you escape? The entire Greek pantheon and the Nordic pantheon belong to your father. As long as your father says a word, you may be captured within an hour."

Elena grabbed Athena and begged, "Auntie, you have to help me. I didn't want my father to conflict with Saint Gaia at that time."

Athena touched Elena's hair and reminded,

"Elena, there is nothing I can do this time, but you can go to your aunt, the ruthless empress, and your aunt will definitely not let your father punish you."

"Yes, my aunt is in the Kingdom of Greece. I will go find my aunt now."

Elena's eyes lit up when she heard Athena's words.

Her aunt, the Ruthless Empress, usually seldom spoke, but every time the Ruthless Empress spoke, her father would always agree. Elena felt that she could escape him this time. Father's punishment.

Elena waved to the goddesses, and she hurriedly rode on the three-headed hell dog and left quickly to see the main hall. In the

Western God Realm, in the core enchantment, under a broken black mountain,

Gaia and Su Chen appeared. When he arrived here,

Su Chen was speechless when he looked at the broken black mountain in front of him.

In this barrier,

Su Chen only had this huge broken black mountain in front of him. He couldn't figure out why Gaia brought him to this barrier. Ya looked at this and sighed and said,

"Su Chen, this is the core boundary of the Western God Realm and the place where the Heavenly Way of the Western God Realm is located. Here our Western God Realm was defeated and two of the three saints were killed."

"The Heavenly Way of the Western God Realm was also robbed of its origin by the Chaos Demon God here."

"The way of heaven has disappeared since then"

"There is no movement of heaven in the Western God Realm. Gradually, there is no spiritual energy in the Western God Realm. Even the spiritual fruits and treasures of heaven and earth slowly wither and dissipate."

Su Chen didn't expect that the way of heaven in the Western God Realm would be destroyed like this. If the origin of the way of heaven is taken away, the way of heaven in the Western God Realm will definitely die.

However, the Western God Realm is too small, and it only has 100% of the prehistoric fairy world. The size of one, the Heavenly Dao in the Western God Realm is not as powerful as the Heavenly Dao in the Prehistoric Immortal Realm. If the Heavenly Dao in the Prehistoric Immortal Realm is a saint, the Heavenly Dao in the Western Godly Realm can only be regarded as the Great Luo Jinxian. The

Chaos Demon God is so powerful that he does not dare to go to the Prehistoric Immortal Realm. It can be seen that the heavenly ways in the ancient immortal world are so powerful.

Su Chen shook his head and said, "Gaia, what's the use of telling me this? Gaia looked at this place and said directly to Su Chen,

"Su Chen, sooner or later the Western God Realm will die completely. The gods in the Western God Realm will either find another way out, or their divine power will gradually disappear and become mortals. You are the Emperor of Heaven in the Ancient Immortal Realm. I am going to the Ancient Immortal Realm. You are The only one who can help me."

Su Chen shook his head and said to me,

"Gaia, you think too much"

"There are already seven saints in the prehistoric fairyland, and the souls of these saints are entrusted in the way of heaven. It can even be said that the way of heaven controls these saints. It is impossible for you, a saint, to be accepted by the way of heaven, and it is impossible for the prehistoric fairyland to accommodate another saint. exist."

Gaia said excitedly after hearing Su Chen's words,

"How could it not be able to accommodate another saint? The Ancient Immortal Realm is hundreds of times larger than the Western God Realm. The Western God Realm is so small that three saints can be born. Is there more than seven saints in the Ancient Immortal Realm?"

Damn it! What

Gaia said seems to make sense! The Western God Realm is only one percent of the size of the Ancient Immortal Realm. Three saints can be born in the Western God Realm. So how can it be possible that only seven saints can be born in the Ancient Immortal Realm?

Is it Hongjun's fault?

The three-corpse sanctification method?

Su Chen thought there was something wrong with the corpse-killing sanctification method taught by Hongjun.

The Chaos Demon God all practiced the law to become a saint. Why would he use it if he could practice the law to become a saint? Beheading corpses to become a saint?

This is probably Hongjun's conspiracy.

Are there so many innate spiritual treasures in the prehistoric fairy world that quasi-sages can behead corpses?

Even if some quasi-sages can successfully behead corpses, the attributes of the spiritual treasures do not match. If the corpse cannot be combined into one, how can the quasi-sages become saints?

Sanqing, Nuwa, and the Second Saint of the West all became saints through merit. What is the conspiracy of that old bastard Hongjun? Why do you want to stop Honghuang? Will more people become saints in the fairy world?

Su Chen shook his head and didn't think about these things.

These were too far away from him.

He was just a little scum of the Golden Immortal now. Even if Su Chen knew the truth, what could he do?

"Gaia, I'm just a little golden fairy now. I can't do what you said now."

"Su Chen, I know you can't do it now, but I can wait. I believe you can become a saint within a thousand years."

Su Chen was speechless when he heard Gaia's words,

"Gaia, do you really think highly of me? Will you become a saint within a thousand years? I dare not think so myself."

Gaia smiled when she heard Su Chen's words.

She felt very lonely when she looked at everything in this barrier.

This was the battlefield where she fought her last battle. At that time, she was completely defeated and was even almost killed by the Chaos Demon God.

"Su Chen, do you want to see my true body?"

Chapter 1964

Su Chen was very confused when he heard Gaia's words.

Gaia's true identity?

What real body?

Is Gaia going to take off her clothes?

Damn it?

Gaia wouldn't want to seduce her.

Su Chen felt that Gaia wanted to go to the ancient fairyland. She might be worried that she would regret it in the future. This must be a promise to her.

However, although Gaia was very beautiful and had a better figure, Su Chen also wanted to measure those two mountains.

But, can my small stature be able to conquer Gaia?

His!

Su Chen's face turned dark when he thought about it. How could a female giant subdue her?

Could it be that she would transform into a giant when they were together in a romantic relationship?

Su Chen looked at Gaia, who was more than three meters tall, and said awkwardly,

"Well, Gaia, if I have the ability within a thousand years, I will let you enter the prehistoric fairy world openly. You don't actually need to do this.

Gaia asked in confusion after hearing Su Chen's words, "Huh?" What do you mean by saying this? What should I do?"

"Ahem, Gaia, I understand this, but I still won't see your true form."

"Su Chen, what are you talking about? Why do I sound more and more confused?"

Su Chen saw that Gaia was still pretending to be confused, so he pointedly said, "Gaia, let me tell you straight, you are a saint, and you are a saint.....Ahem.....Still a giantess, we really weren't a good fit."

Gaia understood this time, this shameless pervert,

Gaia didn't expect that Su Chen thought she wanted to devote herself to this bastard.

Damn bastard, she just wanted Su Chen to see her true form as a titan, this bastard He was simply a shameless pervert. Gaia couldn't help but want to slap this shameless person to death.

Gaia was so angry that her whole body trembled and she shouted angrily at Su Chen,

"you.....You shameless pervert, damn bastard, I want to kill you now."

Su Chen saw Gaia's angry look, and even the clothes on her body were about to burst.

He hurriedly asked Gaia,"No, Gaia, aren't you planning to devote yourself to me? Gaia glared at Su Chen and shouted angrily,

"I'll sacrifice my life to you, shameless pervert. I just want you to see my true form as a Titan. You shameless bastard actually think that I will devote myself to you? Why do not you go to hell."

What the hell!

So that's what it is!

Damn it!

Gaia, the giantess, can't explain her true form clearly?

It turns out she's talking about the true form of the Titan.

This is really stupid.

Su Chen looked at it speechlessly. The angry Gaia turned her head away.

He was a little embarrassed now.

However, fortunately Gaia did not have such thoughts, otherwise, Su Chen's manly dignity would have been completely destroyed here. He used the female giant behind him to cover him up. Yadu couldn't lift his head.

Boom!

At this time,

Gaia suddenly grew bigger quickly.

In just a few breaths, a three to four hundred meter tall Titan appeared in front of Su Chen.

Su Chen saw that Gaia's feet were bigger than others. Big, he even looked up and saw two huge mountains above his head.

Su Chen was really worried that the two huge mountains above his head would fall and kill him.

Damn it!

Gaia didn't explode?

Gaia's changes After becoming a Titan, the clothes on her body are still intact?

The benefits of the beautiful giant can no longer be seen.

Boom!

I go!

Is Gaia going to trample herself to death?

Su Chen quickly flew up and yelled at Gaia shouted,

"Gaia, what are you doing?"

Gaia looked at Su Chen who was like a mosquito and mocked, "What are you doing? I just raised my feet, what did you think I was doing?"

I'm going!

After Su Chen spoke to Gaia, he was blown back by Gaia's breath.

Whoosh!

Su Chen stood directly on a big mountain and shouted to Gaia,

"Gaia, quickly return to your original form. It's too hard for me to talk to you now."

"Shameless pervert, get off here."

Boom!

Gaia saw Su Chen standing on her body, even standing on a big mountain alive, and her powerful momentum suddenly burst out.

I go!

Touch!

Su Chen was directly shocked by Gaia It crashed into the Heishan next to it.

Su Chen knocked a big hole out of the Heishan, and even the surrounding mountains collapsed.

"Um? Why is that pervert not making any movement?"

Gaia saw that Su Chen was knocked into the black mountain by the shock.

After a few breaths, Su Chen didn't come out?

Wouldn't that pervert be shocked to death?

Gaia couldn't detect Su Chen in the core barrier. She looked at the broken Black Mountain cave and shouted, "Su Chen, Su Chen, are you dead?"

"Gaia, come here, I found a great treasure."

In the cave that Su Chen crashed into, he was very surprised when he saw a pool of white spiritual water. Su Chen didn't expect that there was a pool of white spiritual water in the black mountain. He didn't know what this spiritual water was. Su Chen could only see it. Can you ask Gaia to come over and take a look?

"this.....This is the source of life!"

When Gaia arrived, Su Chen was very excited when she saw the white spiritual water. She didn't expect that there would be a source of life in the land of heaven. This is a rare treasure.

When Su Chen heard Gaia's words , He asked doubtfully, "The source of life? Gaia, source of what?"

Gaia looked at the source of life here and said excitedly,

"The source of life, this is the treasure that all living beings dream of. A drop of the source of life can make a mortal live for thousands of years."

"After the gods take the source of life, the divine power of the gods will be more pure, and the divine power can be kept alive for tens of thousands of years without even using spiritual energy."

"If the body is immersed in the source of life, after the spirit is soaked in the source of life, it can absorb the spiritual energy hundreds of times without being exploded, and the speed of cultivation can be thousands of miles a day."

When Su Chen heard Gaia's introduction, he was ready to take the source of life here as his own.

There are many sources of life here.

Su Chen found the women in Tianxuan Continent and Shenyu Continent. With one bath, her daughters can also take a bath, which will be of great help to their future cultivation.

"Good baby, it's mine, Gaia, you go out, I want to take a bath here.

Gaia was surprised when she heard Su Chen's words and said, "What?" Are you going to waste this source of life?"

"Yep, I discovered the source of life, can't I use it? Gaia angrily cursed at Su Chen,

"Bastard, don't you know how precious the source of life is? You bastard actually want to take a bath?"

"Gaia, get out quickly. Why don't you just keep the source of life for a while if you don't need it?"

"Inglorious bastard, the source of life is half mine, I won't leave"

"Then let's go clubbing together!"

"You are shameless!"

Chapter 1965

Ten days later, in the Asgard Palace,

God Queen Hera and God Queen Frigga sat together with sad faces.

Su Chen has been away for ten days, and there has been no news about Su Chen during these ten days. They are all very worried about Su Chen's safety.

Frigga looked at Hera and said worriedly,

"Hera, should we inform the other goddesses to look for Suchen?"

Hera shook her head and replied,

"No, Gaia is a saint. Gaia left with Su Chen. Even if we mobilized all the gods to look for Su Chen, I'm afraid it would be difficult to find Su Chen."

"makes sense!"

Hera patted Frigga on the shoulder and comforted,

"Frigga, don't worry"

"That little bastard Su Chen is very treacherous. Besides, someone seems to be protecting him all the time. The Saint of Gaia is angry with Su Chen and dare not take action. We don't have to worry about that little bastard."

Frigga nodded when she heard Hera's words and said,

"Well, let's investigate God Jehovah and those seraphs. We have known the God system too well for thousands of years, and we don't know how many seraphs there are in the God system."

Hera also agreed and said,

"Okay, let's send some gods to sneak into God's system to investigate."

Kingdom of Greece!

Elena practiced for a while and then sat listlessly on the grass. It had been ten days.

Her father hadn't come to her for ten days.

This made Elena a little happy and a little worried.

She was happy that , her father Suchen did not arrive, and Elena did not have to worry about being punished. What Elena was worried about was that she was afraid that something would happen to her father.

At this time, the ruthless empress in white came over, and she saw Elena Sitting on the grass, the ruthless empress frowned and asked coldly,"Elena, why don't you practice?"

When Elena saw the ruthless empress arriving, she quickly stood up and replied,

"Auntie, I'm worried that something will happen to my father."

The ruthless empress shook her head and said,

"Elena, you don't have to worry about your father. If something happens to him, I will know. You should practice well. You are still very far away from becoming an immortal."

"Auntie, I know!"

"Elena, if you don't practice well, when you meet your sister Su Yan, your sister will be much stronger than you, ahem, and your sister is only eleven or twelve years old."

Elena said helplessly after hearing the ruthless empress' words.

"Aunt, that is my sister who has always been by my father's side. If I were also by my father's side, I would be very strong."

The ruthless empress showed a smile and said,

"No, Elena"

"Your sister is not always by your father's side. Your father is a troublemaker. He is rarely at home for a few days throughout the year. Your sister is the same as your father, and Yan'er is often out and about causing trouble."

The ruthless empress also learned about Su Yan's little girl from Su Chen's memory.

Su Yan and Su Chen are so similar.

Both father and daughter like to run around, and they even have the ability to cause trouble. A strong father and daughter.

Elena was even more speechless when she heard the words of the ruthless empress.

Elena didn't want to see her evil sister Su Yan. She was afraid that she would be deeply hit. The empress touched her hair and said with a smile,

"Elena, practice hard. When you become an immortal, your father will prepare a lot of cultivation resources for you. You will even be able to choose the best innate spiritual treasures when the time comes."

"Well, aunt, I must be able to practice well."

In the Western God Realm, in the Tiandao Barrier,

Su Chen K ran out of the Tiandao Barrier in a panic.

This time he made a big deal.

When Su Chen and Gaia were soaking in the source of life, Su Chen couldn't help but The giantess pushed. Although the process was a bit difficult, Su Chen pushed the giantess without even losing face.

Su Chen said to himself while escaping quickly,

"Damn it, there must be something wrong with the source of life, otherwise, it would be impossible for him to impulsively push the giantess."

Su Chen also thought that when Gaia was pushed,

Gaia's reaction was not right.

If Gaia resisted,

Su Chen would definitely be blown away.

Su Chen thought that Gaia's face seemed to be very red at that time. Could it be that life Can the source of life also make a saint confused and obsessed?

Su Chen shook his head when he thought of the collected source of life.

The source of life cannot be used indiscriminately in the future. This is a poison that can make a saint confused and obsessed.

Damn,

Will he accompany his woman in the future?

Boom!

Damn it!

Su Chen looked at Gaia who appeared in front of him in confusion. He didn't expect Gaia to catch up so quickly. Su Chen kept asking her questions along the way.

The use of space teleportation did not even move towards the Greek and Nordic gods.

Is the saint so powerful?

"Still running away?"

Gaia looked at Su Chen expressionlessly.

Gaia was also very angry now, but this was indeed an accident.

Gaia did not expect that the source of life would have such side effects, but she was even more concerned about Su Chen's escape. Angry, this bastard ran away quickly after doing it. Doesn't this shameless bastard not want to take responsibility?

Bah!

She will not let this shameless person take responsibility.

Su Chen coughed in embarrassment and said hurriedly,

"Ahem, Gaia, I simply couldn't help myself when I did that. There's something wrong with the source of life."

"I know, otherwise, do you think you would still be alive?"

"you know?"

When Gaia saw Su Chen looking at her with doubtful eyes, she yelled angrily, "Shameless bastard, I found out afterward. I didn't expect that the source of life would have such side effects, and even I couldn't resist it.."

When Su Chen heard Gaia's words, she knew that she had misunderstood her.

Su Chen smiled awkwardly and said,

"So that's it, I thought you knew there was something wrong with the source of life early on"

"You are so shameless!"

"Gaia, do you want me to take the blame?....."

Gaia stared at Su Chen and threatened coldly,

"You think so well, but this thing is rotten in my stomach. If the second person knows about it, I will die with you."

I'll go!

What a crazy woman, no, a crazy female giant.

However,

Gaia is really good.

If Su Chen hadn't been transformed by the source of life, he might not be able to handle such a female giant.

Life Zhiyuan's transformation in this area is really good.

Otherwise,

Su Chen would definitely be disgraced when facing Gaia, and he would not be able to face Gaia, a giantess, with arrogance now.

Boom boom boom.....

Suddenly, a loud noise came from the Tiandao barrier.

Gaia looked at the Tiandao barrier and exclaimed,

"No, the Chaos Demon is coming!"

Chapter 1966

Su Chen was very surprised when he heard Gaia's words,

Chaos Demon God?

How could the Chaos Demon come to this dead world again? Are there any other treasures in the Western God Realm that the Chaos Demon God cares about?

Su Chen looked at the barrier of the Western Heavenly Dao and couldn't understand. The Heavenly Dao in the Western God Realm has died, and even its origin has been taken away. What is the purpose of the Chaos Demon God's arrival this time?

"Gaia, are there any other treasures in the Western God Realm that the Chaos Demon God cares about?"

"No, the Western God Realm is a dead God Realm. There are no other treasures here. If there are still treasures, it would have been impossible for the Chaos Demon God to let them go millions of years ago."

"No? This Chaos Demon God, can you tell what kind of Chaos Demon God it is?"

"The Demon God of Desire, this is the Demon God of Desire among the Chaos Demon Gods."

Holy crap!

The Demon God of Desire?

The source of life?

The source of life that can make people confused and obsessed?

Damn it!

The Demon God of Desire must be looking for the source of life, and even the source of life is hidden in the barrier of heaven by the Demon God of Desire..

Su Chen's face turned ugly.

He felt that what the Demon King of Desire was looking for was the source of life.

If the Demon King of Desire found his and Gaia's breath in the small pool of the Source of Life, Su Chen and Gaia would be in danger. Desire The devil would definitely not let him and Gaia go.

Su Chen hurriedly shouted to Gaia,

"Gaia, take me away from the Western God Realm quickly. I can't stay here anymore. The Demon God of Desire will definitely come to find the source of life. Even the source of life belongs to the Demon God of Desire. We will definitely be discovered by the Demon God of Desire. We must leave as soon as possible."

"good!"

Gaia's expression changed when she heard Su Chen's words.

She felt that Su Chen was right.

The Demon God of Desire might really be looking for the source of life.

It's even possible that after the war, the Demon God of Desire secretly hid the Source of Life. Tell the other Chaos Demon Gods that this time the Desire Demon God comes to take away the source of life.

Gaia looked at the Tiandao Barrier and grabbed Su Chen and disappeared instantly.

Gaia is just a saint in the second level of the realm. She is simply no match for the Demon God of Desire in the Fifth Level of the Saint Realm. Now she can only take Su Chen to the ancient fairyland, otherwise, they will all be killed by the Demon God of Desire.

Boom boom boom.....

"Little bugs, if you dare to steal this demon's treasure, you won't be able to escape."

At this time, the Western God Realm was shaken, and a huge angry cry spread throughout the Western God Realm.

In the Western God Realm, mountains collapsed, volcanoes erupted, and rivers poured in. The whole scene looked like a doomsday, and countless creatures After being knocked unconscious, all the gods and mortals in the Western God Realm were trembling.

"What's going on? That voice just now was so powerful."

In the Asgard Palace,

God Queen Hera and God Queen Frigga were also frightened by this huge sound. They did not expect that there was such a powerful god in the Western God Realm, this god who made angry sounds. , is he also a saint?

Frigga said hurriedly with a pale face,

"Hera, this must also be a saint, but he should not be a saint in our Western God Realm. Gaia said that she is the only saint in the Western God Realm."

God Queen Hera nodded and said worriedly, "Well, that demon god's treasure was stolen, so why is he so angry? Could it be Gaia and Suchen?"

"Not sure! Frigga shook her head and replied.

She felt that Gaia and Su Chen might have done this.

Su Chen and Gaia had been away for more than ten days without any news. Another saint suddenly appeared in the Western God Realm. Lijia felt that this had something to do with Gaia and Suchen

"I hope it wasn't that little bastard who provoked this devil"

"yes!"

In the Greek palace, the ruthless empress looked towards the far west with a wary face.

She did not expect that besides Gaia, there was a saint in the Western God Realm, and this saint made her feel very scary. This saint The strength was too powerful.

Elena's face was pale and she asked the ruthless empress, "Auntie, what's going on?"

Elena thought of the angry and terrifying screams just now, and she was still very panicked. If the ruthless empress hadn't resisted for her just now, Elena would have been stunned. The ruthless empress said with a cold face, "Another saint appears in the Western God Realm"

"What? Another saint has arrived? So this saint is so angry, did he have his treasure stolen by my father?"

"Nine times out of ten, yes."

Elena shouted when she heard the ruthless empress' words,

"Oh my God, my father just provoked a female giant saint. It has only been more than ten days. Why did he provoke a terrifying saint again? Does my father think he is too lucky?"

"Your father can't die"

"I know, but my dad is such a troublemaker."

In the chaos,

Gaia took Su Chen quickly towards the prehistoric fairyland.

Su Chen was held in Gaia's arms in confusion. He felt like he was going to be suffocated to death by Gaia's mountains.

Let's go.!

I won't be the first god to be suffocated like this, right?

However, this feeling is really good.

While Su Chen was enjoying Gaia's soft mountains, he was also very depressed.

He felt like being held by Gaia like this. Running away, Su Chen felt that the man's dignity had been trampled on.

But now the situation was stronger than the others. They were running for their lives. Although Su Chen was depressed, there was no other way.

Su Chen turned around and found that he was now being led by Gaia. Arriving in Chaos, surrounded by the evil energy of Chaos,

Su Chen was frightened and hurriedly hugged Gaia's body and asked, "Gaia, how did we get to Chaos? Isn't it possible to directly reach the prehistoric fairyland from the Western God Realm? Gaia looked down at Su Chen and explained,

"The Chaos Demon God will definitely check the link channel between the Western God Realm and the Ancient Immortal Realm. If we want to go to the Ancient Immortal Realm from the link channel, the Chaos Demon God will definitely find out."

"Oh I see!"

Su Chen nodded after hearing Gaia's words.

It is indeed safest for them to go to the Immortal Realm from Chaos.

The Demon God of Chaos may be able to view the entire Western God Realm in an instant. If they leave the Western God Realm through the link channel, the Demon God of Chaos will definitely Discover

"No, Su Chen, the demon of desire found us."

Suddenly,

Gaia hurriedly shouted to Su Chen.

Su Chen did not expect that the Chaos Demon God would find them, so he hurriedly asked Gaia, "Gaia, how long will it take before we can reach the prehistoric immortal world?"

Gaia said anxiously,

"Even if I try my best to get there, it will take about ten more."

Su Chen shouted when he heard Gaia's words, "About ten days? Damn it, it will take more than ten days for a saint like you to go all out? Is this prehistoric fairyland so far away?"

Chapter 1967

Su Chen's face turned dark when he heard Gaia's words.

About ten days?

They might be caught up by the Demon God of Desire in less than a day.

Why are the Western God Realm and the Ancient Immortal Realm so far apart?

If an ordinary Daluo Jinxian wanted to go to the prehistoric immortal world, he might not be able to reach it in hundreds of years.

Su Chen looked up at Gaia and said depressedly,

"Gaia, do you think that if we return the source of life to the Demon of Desire, will he let us go?"

"Do you think that's possible?"

Gaia lowered her head and glanced at Su Chen and was very speechless.

This bastard is very smart.

How could he say such nonsense this time?

Gaia and Su Chen ruined the source of life of the Demon God of Desire. How could the Demon God of Desire let go? past them.

Moreover, the Demon God of Desire is the Demon God of Chaos. With the predatory nature of the Demon God of Chaos, how could the Demon God of Desire let them go?

"Well! impossible!"

"Then what the hell are you asking?"

Pah!

Su Chen patted Gaia's mountains and scolded,

"Gaia, you are my woman now, you'd better be polite to me."

I agree!

He's so flexible!

Gaia looked so embarrassed and angry that she wanted to leave this shameless bastard behind.

Even now, this shameless bastard spoke to her with a careless tone, and even dared to hit her.

"Inglourious bastard, do you want to die?"

"Gaia, when you marry and obey your husband in the prehistoric fairy world, I will do whatever I say. You can't have any objections."

"Damn it, Su Chen, you better shut up before you talk nonsense again.....Woohoo!"

Before Gaia finished speaking to Su Chen, she was kissed by Su Chen. Gaia even deviated from her escape route, and she didn't notice at all.

Su Chen hugged Gaia's neck and kissed her. He couldn't help it. Gaia was a giant. If Su Chen hadn't hugged Gaia's neck, he could have kissed her to death.

Boom boom boom.....

At this time, the surrounding chaotic evil energy suddenly rioted.

After Gaia heard the roar, she looked around and pushed Su Chen away in panic and shouted,

"No, it's Chaos Storm. Damn it. It's all your fault, you little bastard. We went astray."

"Chaos storm?"

Su Chen was confused when he heard Gaia's words.

Did he wander off?

Chaos storm?

It's his fault.

He just kissed Gaia, and this giant saint even strayed off the road?

Su Chen was also helpless,

However,

Su Chen felt that if they encountered a chaotic storm, it would be a chaotic storm.

Even if they did not encounter a chaotic storm, the Demon of Desire would catch up with them within a day. Is there any difference between dying one day earlier and dying one day later? Su Chen touched it. He touched Gaia's delicate face and said with a smile, "Gaia, there is no need to go back, keep moving forward. We will die this time. Anyway, the Demon of Desire can catch up with us within a day."

"

"All right!"

Gaia thought about it and it was right.

Even if she took Su Chen away from the Chaos Storm, they would not be able to escape the pursuit of the Demon God of Desire.

Besides, Gaia felt it was worth it to have this little bastard die with her. In the Chaos Storm, the evil energy of chaos gathered together and continuously washed away the surroundings. The huge chaotic rocks in the chaos were washed away by the evil energy of chaos in less than a quarter of an hour. The black evil energy of chaos was like a locust, consuming everything around it. Although Gaia carefully avoided it, Chaos evil spirit, but she was still constantly attacked by Chaos evil spirit. Gaia's Saint's body was now bleeding out, and even Gaia's arms had cracks. Su Chen looked at all this and was helpless. His strength was simply not enough. Can't help Gaia. Boom boom boom

.....

"You can't escape, little bug, even if you hide in the chaos storm, I will catch you."

Outside the chaotic storm, the Demon God of Desire also rushed in.

He is very angry now.

The source of life?

This is the source he needs.

Last time, because there were several Demon Gods of Chaos, the Demon God of Desire secretly hid the Source of Life. But he didn't expect that after millions of years of cultivation, his hidden source of life would be destroyed by these little bugs, not even a drop was left for him. The

Demon God of Desire killed these two little bugs without cruelty

; They won't give up.

When Su Chen and Gaia heard the threat from the Demon God of Desire, they didn't care at all. In the storm of chaos, they couldn't protect themselves. So what if the Demon God of Desire came after them?

"Space moves! Space moves! Space moves!"

Su Chen saw Gaia being constantly attacked by the evil energy of Chaos in order to protect him.

He didn't want to sit still and wait for death.

Su Chen used the law of space to continuously move the evil energy of Chaos away. Su Chen was pleasantly surprised when he saw the evil energy of Chaos being moved away. cried, "Useful? The law of space can actually move away the evil energy of chaos!"

Gaia also didn't expect that Su Chen could move away the evil energy of chaos, which gave her hope of living.

Gaia hurriedly shouted to Su Chen,

"Su Chen, hurry up, keep moving away the evil energy of Chaos, maybe we can escape from the Chaos Storm."

"clear!"

"Space moves, space moves!....."

Gaia hugged Su Chen and rushed forward quickly.

Su Chen continued to use the law of space to move the evil energy of chaos. When Su Chen's mana was almost exhausted, he ate flat peaches to replenish his mana.

After a day like this, they were about to rush out. A chaotic storm.

Damn it, Su Chen was going to vomit if he didn't rush out of the Chaos Storm. But this time he ate hundreds of flat peaches. Su Chen now feels very distended and painful in his stomach. All he ate were top-quality spiritual fruits. Although He used flat peaches to replenish his magic power, but he couldn't digest the spiritual power of the best spiritual fruit for a while.

"Finally escaped."

An hour later,

Gaia hugged Su Chen and escaped from the chaos storm. Gaia looked at the chaos storm behind her with lingering fear.

"Let's go, the demon of desire is still chasing us"

"Um!"

Su Chen looked at the Chaos Storm behind him.

He felt that he was very lucky this time.

The Demon God of Desire was now blocked by the Chaos Storm, which gave them a few days to escape.

Another day later,

Gaia suddenly discovered them Encountering a strange realm, she hurriedly shouted to Su Chen, "Su Chen, look, there is a realm ahead, do we want to go in?"

Su Chen hurriedly replied after hearing Gaia's words,

"Let's go take a look first. If there is a way to heaven in this realm, we will leave immediately. If there is no way to heaven, we will go in and take shelter."

"good!"

Chapter 1968

Gaia hugged Su Chen and rushed towards the realm ahead. If there was no way of heaven in this realm, this might be their only chance to get rid of the Demon God of Desire.  
boom!

"Stop!"

At this time, two powerful saints suddenly appeared outside the chaos of the realm and stopped Gaia and Su Chen. The two saints, a man and a woman, burst out with powerful momentum. They looked at the approaching Gaia with vigilance.

Gaia looked at When two saints blocked the way, she looked down at Su Chen and asked,

"Su Chen, what should I do?"

Su Chen was very helpless when he looked at the two powerful saints in front of him.

What the hell, they were intercepted before they reached the realm. They were even two powerful saints.

It's just that the male saint looked so like a dwarf. Short and ugly, the female saint is very beautiful, with long dark green hair, an elegant and refined face, a cold temperament, a convex figure, and even a sexy waist, this The female saint is really attractive

"Gaia, how strong are they? Gaia replied with a cold face,"They are all saints with first-level cultivation. They may have just become saints.""

"Have you discovered that there is a way of heaven in this realm?"

"not yet"

"Gaia, can you kill them? Gaia nodded when she heard Su Chen's words and said,

"Yes, yes, but then we will be chased by the Demon God of Desire, and the gain outweighs the losses. I think it is better for us to leave as soon as possible."

Gaia can kill two newly sanctified saints, but it will probably take her six or seven days to kill these two saints. Gaia and Su Chen simply don't have that much time to kill these two saints." a saint

"Wait, let me say a few words to them first."

After Su Chen heard Gaia's words, he also felt that there was no time to kill these two saints.

Last time in the prehistoric fairy world,

Tongtian and Zhunti fought for more than a month, and Zhunti and Jieyin were able to kill Tongtian and the saints. The battle between them was too time-consuming, and Su Chen did not have much time for Gaia to kill the two saints.

Su Chen looked at the two saints in the distance and shouted,

"Two saints, we came to your realm with no ill intentions at all. Our realm was destroyed by the Chaos Demon God."

"The Chaos Demon God is still chasing us. If the Chaos Demon God discovers your realm, it is impossible for the Chaos Demon God to let go of your realm. We can deal with the Chaos Demon God together."

Outside the realm, two saints, a man and a woman, heard Su Chen's words.

They didn't believe what Su Chen said at all.

Their realm was blocked by the storm of chaos, and it was impossible for the Chaos Demon God to come here.

This saint and a The little scumbag Golden Immortals, they may have been sent outside their realm by the turbulent flow of space.

The dwarf male saint shouted at Gaia,

"You two, please leave. Our Yin and Yang realm does not welcome saints from other realms."

"The realm of yin and yang? Can you two tell me your names?" Su Chen was very surprised when he heard that this realm was called the Yin and Yang Realm. Yin and Yang? There was an ancestor of Yin and Yang during the dragon and phoenix period of the ancient immortal world. The ancestor of Yin and Yang was also the Chaos Demon God, but the ancestor of Yin and Yang was given to Yin by Hongjun. Dead, does this realm have something to do with the ancestors of Yin and Yang? The dwarf male saint replied after hearing Su Chen's words,

"My name is Yang Tian, and this is Yin Ji. You should leave. If you don't leave, don't blame us for taking action."

Su Chen nodded and said,

"Okay, let's leave now, but what I just said is true, so you'd better be careful."

After Su Chen winked at Gaia, Gaia took Su Chen and quickly left the outskirts of the realm.

After Yin Ji saw Gaia and Su Chen leaving, she asked Yang Tian with a confused look on her face. , "Yang Tian, do you think what that little golden fairy said is true? Yang

Tian looked at the extremely beautiful Yin Ji and said disdainfully,

"Humph, that little scumbag must be deceiving us, Yin Ji, you don't have to worry at all."

"I think we'd better be careful. Yang

Tian smiled at Yin Ji and said,

"Yinji, as long as the law of heaven is here, we don't have to worry at all. The arrival of the Chaos Demon God will also be wiped out by the law of heaven. Yinji, when will we unite and practice? We are all saints now. If we practice together, our strength will increase rapidly."

Yang Tian covets the beautiful Yin Ji.

They are one yang and one yin.

If they can practice together, their yin and yang will complement each other. By then, their cultivation will be able to advance by leaps and bounds.

"Let's talk about it later!"

Yin Ji glanced at the short and ugly Yang Tian and disappeared here.

When Yang Tian saw Yin Ji leaving, he cursed with an ugly face, "Damn it, Yin Ji, I will get your origin sooner or later."

In the chaos,

Gaia took Su Chen and stopped not far away.

Gaia looked at Su Chen and asked doubtfully,

"Su Chen, do we still want to go to the Yin and Yang realm?"

Su Chen sat on Gaia's shoulders, shook his head and said with a smile,

"No, Gaia, I just left our breath outside the Yin and Yang Realm. When the Demon God of Desire arrives, he will definitely think that we have gone to the Yin and Yang Realm. We

will hide our breath for a while and watch the show. If there is a chance, we will kill the Demon God of Desire."

Gaia asked in surprise when she heard Su Chen's words.

"Are you planning to divert trouble to the east?"

Gaia didn't expect that Su Chen was so insidious. Su Chen secretly left their auras behind.

In this way, the Demon God of Desire will definitely break into the Yin and Yang Realm, and the two saints in the Yin and Yang Realm will also take action to stop

Su Chen. Chen held Gaia's head and kissed her and continued to explain,

"Yes, the Demon God of Desire will definitely go to the Yin and Yang Realm to hunt us down. We don't know if there is a way of heaven in the Yin and Yang Realm. If there is no way of heaven in the Yin and Yang Realm, we will leave quickly."

"Yangtian and Yinji are no match for the Demon of Desire at all. As long as Yangtian and Yinji fight with the Demon of Desire, they can buy us a few days to escape."

"If there is a way of heaven in the Yin and Yang Realm, the Demon God of Desire may not be able to let go of the origin of the Way of Heaven in the Yin and Yang Realm. Let's see if the Demon God of Desire dares to plunder the origin of the Way of Heaven in the Yin and Yang Realm."

"If both the Demon God of Desire and the Heavenly Dao of the Yin and Yang Realm are harmed, we can not only obtain the origin of Heavenly Dao, but also the origin of the Chaos Demon God. This is a once-in-a-lifetime opportunity."

Gaia wiped the mouth kissed by Su Chen.

She was so angry that she wanted this bastard to roll off her shoulders.

However, what Su Chen said surprised her.

Gaia did not expect Su Chen's appetite. How big is it, Su Chen actually wants to get the origin of the Heavenly Dao and the Chaos Demon God.

However, if both sides lose in the battle between the Desire Demon God and the Heavenly Dao of the Yin and Yang Realm, they may really get the origin of the Heavenly Dao and the Chaos Demon God.

"Su Chen, if the Yin and Yang world loses the way of heaven, won't the Yin and Yang world also die?"

Chapter 1969

Su Chen looked at the Yin and Yang Realm and shook his head.

He looked at Gaia and reminded,

"So what if you die in the Yin and Yang realm? Cultivation means competing for everything, competing for resources, competing for spiritual treasures, and competing for opportunities. If you practice step by step, when will you be able to become strong?"

"In the prehistoric fairyland"

"For the sake of a piece of Hongmeng Purple Qi, countless quasi-sages and powerful people in the prehistoric immortal world, and even some Daluo Golden Immortals, died."

"Since the birth of the Immortal Honghuang Immortal World, there have been constant battles for opportunities, spiritual treasures, and even luck, and this has never stopped until now."

Su Chen doesn't care at all whether he will die in the Yin and Yang Realm.

The Yin and Yang Realm means death, which has no impact on ordinary mortals at all. As for the gods in the Yin and Yang Realm, Su Chen cares nothing about their life and death. Gaia nodded when she heard Su Chen's words.

She didn't care about the life and death of the creatures in the Yin and Yang realm. Gaia just thought that the Western God Realm was also plundered and died, and she felt a little uncomfortable for a moment.

Three days later,

Su Chen and Gaia is hidden in the space prison.

They don't know if the Demon God of Desire can find them, but this is the only way to hide their aura.

Although Gaia is a saint, her aura is also the easiest to be discovered by the Demon God of Chaos.

The Demon God of Chaos wants to find it. Gaia and Su Chen, the Demon God of Desire will not care about this little scum like Su Chen. He will definitely go all out to find Gaia's aura.

In the space prison,

Gaia was wearing her dress while gritting her teeth at Su Chen. Cursed,

"You shameless bastard, if you can still be discovered by the Demon God of Desire, Su Chen, you are dead."

In the past three days,

Gaia has been bullied by Su Chen every day. This bastard actually said that this could hide her aura. Although Gaia didn't believe it, this bastard didn't care about her opinion at all.

Gaia thought about these three things. She has been feeling very ashamed and angry since the beginning of the day.

Damn that bastard.

She wants to punch this bastard down right now.

Su Chen leaned on Gaia's soft belly and didn't pay attention.

For the past three days, Gaia has been threatening her every day.

He is now Nothing has happened yet, women are sharp-tongued and soft-hearted.

"coming!"

Su Chen suddenly sat up and said seriously,

"Is the Demon of Desire chasing you?"

"Um!"

Su Chen nodded.

Su Chen and Gaia then saw that the Demon God of Desire was quickly moving towards the Yin and Yang realm.

Gaia grabbed Su Chen's hand and asked nervously,

"Will they fight?"

Su Chen leaned against Gaia's soft body again and said with a smile.

"I'll find out in a moment. I guess that in all likelihood, the Demon God of Desire will not let go of the Yin-Yang Realm. If the Heavenly Dao in the Yin-Yang Realm is not strong, the Demon God of Desire will definitely take action to plunder the origin of Heavenly Dao."

Su Chen thinks that the female giant is still beneficial.

Gaia is like a humanoid sofa. Su Chen doesn't need to find a bed to rest in the future. With Gaia, a giant, he can rest on a humanoid sofa at any time. Boom

Boom boom.....

A quarter of an hour later,

Suchen and Gaia heard the roar of the battle, and they both knew that the Demon God of Desire had begun to attack.

With the help of Gaia, Su Chen's space prison began to move quickly towards the Yin and Yang realm.

They wanted to see if there was a way of heaven in the realm of Yin and Yang, and whether the way of heaven could stop the Demon God of Desire.

The Demon God of Desire looked at the Yin and Yang Realm in front of him and laughed, "Haha....., I didn't expect that there would be a new realm here that was only born tens of millions of years ago. This time I didn't come in vain."

Yang Tian shouted to the Demon God of Desire with blood streaming from his mouth,

"Chaos Demon God, leave as soon as possible, otherwise the Heavenly Dao of the Yin and Yang Realm will appear and destroy you."

Yang Tian didn't expect the Chaos Demon God to be so powerful.

With just one blow, he was broken into the saint's body. This was the first time that Yang Tian encountered such a powerful enemy. The Desire Demon God was very disdainful when he heard Yang Tian's words.

Smiling, he looked towards the Yin and Yang realm and said,

"Haha, with the way of heaven from the fifth heaven of a saint, will the demon be afraid of my desire? The realm of yin and yang? There will be no more Yin and Yang realms in the future, and the origin of heaven in the Yin and Yang realms will also belong to me."

"kill!"

Boom!

Yin Ji took out a Lingbao Realm and quickly killed the Chaos Demon God.

Yin Ji did not expect that the Chaos Demon God was going to plunder the origin of Heaven's Dao, which made her very panic.

If the origin of Heaven's Dao was plundered by the Chaos Demon God, the Heaven's Dao will die, and even the realm of Yin and Yang will die.

Yin Ji will never allow the Demon God of Chaos to plunder the origin of heaven. Even if it means death, she will stop the Demon God of Desire.

Boom!

After the Demon God of Desire knocked Yin Ji away again, his eyes were full of The one who was lustful said to Yin Ji,

"Even a saint with the strength of the first level dares to take action against me. However, you, a female saint, are pretty good-looking. Yinji, you are qualified for me to favor you. From now on, I will be my slave."

The Demon God of Desire did not expect to meet a top-notch female saint, and the source of Yin in this female saint is also what he needs. The

Demon God of Desire plans to take this Yin Ji as a female slave. He will not miss such a top-notch female saint.

Still. There is the giantess Gaia who has been running away before.

The Demon God of Desire will not let go of the beautiful giantess Gaia. After he catches Gaia, he will humiliate her to death. The source of life has been ruined. He will not kill Gaia easily. That beautiful giantess.

Whoosh!

Yangtian saw Yinji being knocked away by one blow after another.

He looked around and quickly ran away.

The Chaos Demon God was too powerful.

Yang Tian hoped that after the Heavenly Dao of the Yin and Yang Realm destroyed the Chaos Demon God, he If he comes back again, he won't be able to seek death like Ji.

The Demon God of Desire was sure that Yang Tian was going to escape, so he stretched out his palm and taunted,"Want to escape? Can you escape in front of me? Ugly dwarf."

Boom!

A small black tower suddenly flew out from the hands of the Demon God of Desire. Yangtian, who was escaping, was instantly taken into the small tower by the black tower.

"Demonic Tower of Desire, destroy this ugly dwarf."

When the Demon God of Desire saw that his most precious Demon Tower of Desire had taken Yang Tian, he activated his magic and shouted. In the

Demon Tower of Desire,

Yang Tian was very frightened when he was trapped in the Demon Tower of Chaos.

The Demon God of Chaos was too powerful.

He was in Chaos The Demon God had no power to fight back. When Yang Tian heard that the Demon God of Desire wanted to annihilate him, he shouted and begged for mercy, "No, Demon God of Chaos, I am willing to surrender, I am willing to be your slave, don't kill me."

The Demon God of Desire twitched when he heard Yang Tian's words.

The Demon God of Desire accepts all beautiful female slaves. These are the female slaves he wants to use for venting and training. What does he want to use for an ugly man

?

"Hum, I only want a beautiful slave girl, you are an ugly dwarf, so I'd better just destroy you."

Chapter 1970

Su Chen and Gaia were very surprised now.

They did not expect that the Demon God of Desire was so powerful. Yin Ji and Yang Tian, two saints at the first level of the Saint Realm, had no ability to resist in the hands of the Demon God of Desire.

One of them was knocked away, and the other was taken away by the small black tower in an instant.

The strength of each of the saint realms can be said to be hugely different.

Gaia looked at the small tower in the hands of the Demon God of Desire and said in surprise, "Su Chen, that black small tower should be an innate treasure."

Su Chen shook his head and said,

"No, that is not a treasure, it should be a top-quality innate spiritual treasure. The aura of the treasure is much more powerful than the small black tower."

"What are we going to do? The Demon God of Desire is so powerful, even more powerful than it was millions of years ago"

"Let's wait and see the battle between the Heavenly Dao in the Yin and Yang realm and the Demon God of Desire. If the Demon God of Desire is not injured, we will leave immediately."

"good!"

Gaia nodded when she heard Su Chen's words.

Gaia has now forgotten that she is a powerful saint. She doesn't know why. From then on, I followed Su Chenyan's advice

"let me go!"

At this time,

Yin Ji was also caught by the Demon God of Desire. When Yin Ji saw that Yangtian might have been wiped out, she yelled angrily at the Demon God of Desire. The

Demon God of Desire looked at Yin Ji who was controlled by him and nodded. , this Yin Ji is indeed good, with a delicate and refined appearance, and a curvy figure, which is on par with several of his female slaves. He can use a new female slave to vent and practice in the future.

"Yinji, you are very good, you will be my slave girl from now on."

After Yin Ji heard the words of the Demon God of Desire, her face turned ugly.

Yin Ji never thought that she, a majestic saint in the Yin and Yang world, would be captured by the Demon God of Chaos as a slave.

Yin Ji also saw the desire in the eyes of the Demon God of Desire, She cannot be humiliated by a shameless demon of desire.

Yin Ji gathers her magic power and is about to explode

"I will never be your slave girl even if I die."

The Demon God of Desire also discovered that Yin Ji was about to self-destruct.

He smiled and said to Yin Ji,

"Um? You wanted to blow yourself up. Did you blow yourself up in front of me? Demonic Tower of Desire, collect it from me!"

The Demon God of Desire patted the black Demonic Tower of Desire, and the Demonic Tower of Desire emitted a black light and took Yin Ji into the small tower.

After the Demonic God of Desire took care of the saint in the Yin and Yang realm, he looked towards the Yin and Yang realm and shouted road,

"Isn't the way of heaven in the yin and yang realm coming out yet?"

Boom boom boom.....

At this time, an Eye of Heaven appeared in the realm of Yin and Yang. Thunder rolled around the Eye of Heaven, and the black thunder spell had the power to destroy the world.

"kill!"

When the Demon God of Desire saw the Eye of Heavenly Dao appear, he activated his magic power and attacked the Eye of Heavenly Dao.

The Heavenly Dao in the Yin and Yang Realm is the fifth level of the Saint Realm. This is the weakest Heavenly Dao he has encountered.

If he can't do it this time Destroy the way of heaven and steal the origin of the way of heaven. If the way of heaven in the Yin and Yang world becomes stronger in the future, he may join forces with other chaos demon gods to destroy the way of heaven in the Yin and Yang realm.

By then, the origin of the way of heaven will only be shared equally with the other chaos demon gods.

Boom boom boom.....

Outside the realm of Yin and Yang, the Yin and Yang Heavenly Dao and the Demon God of Desire began to attack each other. Black thunder continued to bombard the Demon God of Desire, and the Lingbao Black Tower on the Demon God of Desire's head emitted black light to protect the Demon God of Desire.

"The law of desire, the confusion of desire!"

"Obsessed with desire!"

"Desire aroused!"

The Demon God of Desire continuously launched the Law of Desire to attack the Eye of Heaven. The black light of desire enveloped the entire Eye of Heaven. The Demon God of Desire's black spear also quickly attacked the Eye of Heaven.

Su Chen looked at the Demon God of Desire's attack. He was speechless, the way of heaven was selfless, ruthless, and without even thinking.

The way of heaven was like a management program. It was useless for the Demon God of Desire to use the Law of Desire to attack. Could it be that the Demon God of Desire could still make the Way of Heaven produce lust?

Su Chen was sitting on Gaia Patted Tiandao on the shoulder and said,

"Gaia, how about we take a rest? The battle between the Demon God of Desire and the Yin-Yang Heavenly Way will probably last for days or even months. There is no need for us to watch here all the time."

Gaia cursed angrily when she heard Su Chen's words, "Go away, I won't rest with you, you are just a shameless pervert, even more shameless than God King Zeus."

Gaia found that this bastard was getting more and more horny.

They had been fooling around in the space prison for three days, and this bastard still wanted to continue messing around.

Gaia was also completely helpless towards Su Chen.

Su Chen heard that Gai Ya coughed awkwardly and said, "Ahem, aren't we on a wedding trip? Human beings all have to go on a honeymoon when they get married, and it's the same when we go on a honeymoon in chaos. Gaia glared at Su Chen fiercely and shouted, "Don't disturb me, I want to see the attack rules of the Demon God of Desire, so that I can be prepared if I deal with the Demon God of Desire in the future.'"

Su Chen shrugged and said nothing more.

Gaia said it right.

Only by knowing yourself and your enemy can you be victorious in every battle.

Gaia now knows more about the ability of the Demon God of Desire, which will be very helpful for them to kill the Demon God of Desire in the future.

Su Chen was sitting on Gaia's shoulder, resting with his head against Gaia's head.

Su Chen couldn't help with this.

He couldn't disturb Gaia's observation of the Demon of Desire now. Su Chen could only rest boredly by himself. A month later

, the Heavenly Dao in the Yin-Yang Realm and the Demon God of Desire are still at war.

At this time, the Heavenly Dao Eye in the Yin-Yang Realm has begun to break. Even the black thunder around the Heavenly Dao Eye is not as much as it was at the beginning, and its power is also reduced. A lot.

The current situation of the Demon God of Desire is not good either.

His Law of Desire has no effect on the way of heaven, and the Demon God of Desire's spiritual treasure black spear is also broken. The

Demon God of Desire is also very miserable now, with messy hair and constant leakage from the corners of his mouth. The powerful blood even caused a large piece of flesh to be chopped off from the body.

The body of the Chaos Demon God is very powerful, but after more than a month of non-stop lightning strikes from Heaven's Punishment, the Chaos Body of the Desire Demon God cannot bear it.

Desire The Demon God looked at his current state, and an angry cold light appeared in his eyes.

Damn it, it was a big loss this time, but as long as you get the source of heaven, the effort this time will be worth it.

"Demonic Tower of Desire, attack me and crush the Eye of Heaven to pieces."

Boom boom boom.....

"Help me, alien god, please help me."

Su Chen, who was resting, suddenly heard a soft voice.

He immediately opened his eyes and looked around.

Su Chen didn't expect that he was discovered. But who made that soft voice?
