

Zongwu 1971

Chapter 1971

Gaia suddenly discovered that Su Chen was checking everywhere, even with a very serious expression.

This made her confused.

The Demon God of Desire was at war with the Yin and Yang Realm of Heaven, and there were no other saints around.

What was Su Chen checking?

What are you even worried about?

Gaia looked at Su Chen and asked in confusion, "Su Chen, what's wrong? What are you checking?"

After Su Chen looked around, he said with a vigilant look,

"Gaia, did you hear a soft voice just now?"

Gaia was even more confused when she heard Su Chen's words.

She didn't hear any sound at all here. How could Su Chen say she heard a soft voice?

Could it be that Su Chen was worried about hallucinations?

"A soft voice? No, we are in chaos, and there are only the demons of desire and the yin and yang of heaven fighting around us. Su Chen, are you delusional?"

Su Chen patted his forehead and said in confusion, "Illusion? Did I just fall asleep? Gaia looked at Su Chen's confused look and shook her head.

She took Su Chen off her shoulders and put him in her arms and said, "You can continue to rest. I am here. If other saints approach, I will perceived"

"Okay, maybe I sleep....."

"Alien gods, help me!"

Before Su Chen finished speaking, the soft voice came to his mind again.

Su Chen hurriedly got up from Gaia's arms and looked around again. This time he heard clearly that it was nothing at all. Illusion is not an illusion.

Su Chen said to Gaia when they met, "Gaia, check around you quickly. It was not an illusion just now. The soft voice just now came into my mind again.""

"good!"

Gaia also felt that it was impossible for Su Chen to joke with her at this time, so she hurriedly used her divine power to check the surroundings.

However,

Gaia checked the surroundings several times, but she did not find any living creatures, which made Gaia wary. She got up, but she didn't check it out, which shows that the coming creatures are probably very powerful.

"Su Chen, I didn't see any other living beings within a million miles around. There were only us, the Demon God of Desire, and the Heavenly Dao in the Yin and Yang Realm. What was that sound you heard just now?"

Su Chen thought for a moment after hearing Gaia's words and said, "I heard it was [foreign gods, help me, help me]】 "

Gaia became even more confused after hearing this.

Alien gods?

This is about them, but who is asking for help?

Why ask Su Chen for help?

Gaia is much more powerful than Suchen, why didn't that soft voice ask her for help?

Su Chen looked at the yin and yang realm and frowned, thinking, foreign gods?

This shows that he is not a god in the Yin and Yang realm.

Help?

Here there is only a battle between the Demon God of Desire and the Heavenly Dao of the Yin and Yang Realm.

I'll do it!

Could this be the way of heaven in the yin and yang world asking for help?

Damn it!

The way of heaven has no thinking, no emotions, let alone the seven emotions and six desires. Has the way of heaven in the yin and yang realm become a spirit?

Pooh!

This is much more awesome than becoming a spirit.

Su Chen thought for a while and then asked,

"Who are you? Why are you asking me for help?"

"Foreign gods, I am Yin Ji. I am now sending a message to you with the help of the power of heaven, asking you to help us in the Yin and Yang realm. If the heaven is robbed of its origin, our Yin and Yang realm will become the realm of death." Su Chen breathed a sigh of relief when he heard that it was Yin Ji from the yin and yang realm. Su Chen was really worried that Tiandao would have thoughts and even seven emotions and six desires. If Tiandao had thoughts and seven emotions and six desires, Tiandao might not have the same. It may be selfless, or even the way of heaven may enslave the creatures in this realm. Su Chen shook his head and said,

"Yin Ji, you have found the wrong person. I am just a little Golden Immortal. None of you saints are the opponent of the Chaos Demon God. Even if I go to help the way of heaven, I am probably just an insignificant cannon fodder."

"Foreign gods, Heaven feels that you are different, you must have a way to save the Yin and Yang realm"

"Sorry, I am really just a little golden fairy, and I really can't save you all with your heavenly ways."

You're kidding!

Su Chen is planning to reap the benefits.

He wants both the origin of Heaven's Dao and the origin of the Chaos Demon God. Su Chen will not be stupid enough to save a mindless Heaven's Dao.

Gaia heard Su Chen's words to himself Yujie asked doubtfully, "Su Chen, is the Yin Ji in the Yin and Yang realm?"

"good!"

"Wasn't Yin Ji taken into the black tower by the Chaos Demon God? Is it possible for her to send a message to you?"

"It was the Heavenly Dao in the Yin and Yang world that used the power of Heavenly Dao to help Yin Ji."

Gaia also understood what Su Chen said.

Yin Ji asked Su Chen for help through the heavenly way of the Yin and Yang realm. In other words, the heavenly way of the Yin and Yang realm made Yin Ji ask for help from Su Chen. It seems that the heavenly way of the Yin and Yang realm is It's over.

But, why Su Chen?

She is a saint, can't I be a saint that can't compare to a little golden fairy?

Boom boom boom.....

At this time, the Eye of Heaven in the Yin and Yang Realm was shattered by the Demon God of Desire. Looking at the shattered Eye of Heaven, the Demon God of Desire laughed excitedly,

"Hahaha....., the Eye of Heaven is finally broken, the Heaven in the Yin and Yang realm, after I find your hiding place, your origin is mine."

The Demon God of Desire is even more miserable at this moment.

His left leg is gone, half of his body is gone, and even the other half of his body is in dilapidated condition. This is more like a zombie than a broken zombie. Boom! The Demon God of Desire is gone. Holding the tarnished black tower, he quickly broke the barrier of the Yin and Yang realm. The Demon God of Desire rushed into the God Realm in the Yin and Yang Realm. The Demon God of Desire did not want to wait any longer, and the origin of the heavenly law in the Yin and Yang Realm was not obtained. , he couldn't rest assured for a moment. When Su Chen saw the Demon God of Desire entering the realm of Yin and Yang, he hurriedly shouted to Gaia,

"Come on, let's go in too."

Su Chen is not worried about the Demon God of Desire now.

The Demon God of Desire is now in a broken and miserable state. Even the spirit treasure has lost its luster and been severely damaged. I am afraid that he will not be able to exert 30% of his strength. Su Chen believes that Gaia can kill him. The Demon God of Desire was seriously injured.

Gaia looked like she was ready to fight and shouted, "Okay, I will definitely kill the Demon God of Desire this time."

Su Chen looked at Gaia preparing to fight with bare hands, and he shook his head speechlessly. He is a Titan.

Although fighting with bare hands is very Titanic, without the spiritual treasure in hand, Gaia's combat effectiveness will probably be greatly reduced.

Su Chen After thinking about it, he took out the Sea Ding Needle and handed it to Gaia and said,

"Gaia, this spiritual treasure is for you to use. This is a meritorious spiritual treasure from the ancient world of immortality. It is called the Dinghai Divine Needle. It can be large or small. Even if you restore the form of a titan, the Dinghai Divine Needle will also change its size at will."

Chapter 1972

Gaia took the Sea-Dinging Needle that Su Chen gave her. She tried it and liked it very much. Although this spiritual treasure was not a top-quality innate spiritual treasure, she used it very smoothly.

Su Chen's face turned dark when he watched Gaia try the Poseidon Needle.

He thought that if Gaia returned to the form of a titan several hundred meters tall, and even held a stick as thick as a mountain in her hand, who could bear this Gaia? A stick?

Su Chen was also worried that Gaia would chase him with the Sea-Dinging Needle in the future, damn it!

How can I give Gaia a stick spirit treasure if I am so confused

?

However, this sea-fixing needle really matches Gaia.

In the Yin-Yang Realm, after Gaia and Su Chen arrived, they were very surprised by the spiritual energy in the Yin-Yang Realm. There was heaven in the Yin-Yang Realm, and two saints were even born. Why was the spiritual energy here so thin?

Gaia looked at the yin and yang realm and asked doubtfully, "Su Chen, how can the spiritual energy of this yin and yang realm be so good?"

Su Chen touched his chin and guessed, "Gaia, could this be yin and yang?" When the Heavenly Dao fought with the Chaos Demon God, the Heavenly Dao in the Yin and Yang Realm drained the spiritual energy in the Yin and Yang Realm?"

Gaia nodded after hearing Su Chen's guess,

"It is possible that the Western God Realm had its aura extracted by the Heavenly Dao at the beginning. However, the war at that time was only three or four days before the Western God Realm's Heavenly Dao was besieged by the Chaos Demon God and plundered the origin of the Heavenly Dao."

"Gaia, don't worry about that. Let's check the Demon God of Desire. Can we let the Demon God of Desire get the origin of heaven?"

"Don't worry, I've been checking the Demon God of Desire. The Demon God of Desire now can't find us at all."

"Then get ready to kill the Demon of Desire!"

"good!"

In the Yin and Yang Realm, all the gods were very shocked.

In just over a month, the original rich spiritual energy dried up quickly. The gods were very panicked. Some gods even couldn't get it after contacting the saint. In response, these gods all knew that something big was going on.

Boom boom boom.....

The Demon God of Desire was rampaging through the yin and yang realm, and all the gods and mortals wherever he passed were annihilated.

The Demon God of Desire is not paying attention to these little bugs now, and his powerful aura has not been withdrawn.

The Demon God of Desire wants to find the hiding place of Heaven's Dao as soon as possible. He is now seriously injured and his body is seriously damaged. If another saint comes, he may not even have one. Even the saints from the first level of heaven cannot defeat him.

"I found it, the source of heaven is mine."

After the Demon God of Desire searched for almost a day, he finally discovered the barrier hidden by the Heavenly Dao. The Demonic God of Desire excitedly began to attack the barrier. The origin of the Heavenly Dao was approaching, and he was unwilling to wait any longer.

Boom boom boom....

Just when the Demon God of Desire was attacking the Heavenly Barrier,

Su Chen and Gaia rushed here quickly.

Su Chen heard a huge roaring sound, and he guessed that the Demon God of Desire was bombarding his Heavenly Barrier.

Su Chen hurriedly said to Gaia,

"Gaia, hurry up and kill the Demon God of Desire. If the barrier of heaven is blasted open by him, the Demon God of Desire will use the source of heaven to recover his injuries and strength. He must not let the Demon God of Desire blast open the barrier of heaven."

"Okay, let me take the first step."

After Gaia heard what Su Chen said, she took the Sea-Dinging Needle and instantly disappeared in front of Su Chen.

Gaia also knew that she couldn't let the Demon God of Desire recover from his injuries and strength, otherwise, the two of them would be in danger again.

Now it's Desire. When the Demon God was at his weakest, Gaia had to kill the Demon God of Desire as soon as possible.

When Su Chen saw Gaia leaving, he looked at this realm and wondered if he could occupy it.

If he occupied this realm, the Heavenly Way of the Ancient Immortal Realm would Will he return the merits of heaven?

Su Chen thought for a while and decided to contact the system to ask. If something happens, ask the system. This is his golden finger.

"System, is it there?"

When Su Chen saw that the system did not respond, he continued to communicate in a disgusting manner,

"Beautiful system girl, are you here? Your handsome master has something to ask you."

"Ding, host, what's the matter?"

"System beauty, if I occupy this realm, will there be any reward from the ancient heaven?"

"Ding, no!"

"Why not?"

"Ding, host, this world is not connected to the Great Desolate Immortal Realm, nor is it a small world attached to the Great Desolate Immortal World. Even if you occupy this realm, the Great Desolate Heavenly Way is beyond your reach. You cannot benefit from the Prehistoric Heavenly Way. How could you possibly get the rewards of the Prehistoric Heavenly Way? ?"

Su Chen also understood after hearing what the system said.

The realm or small world he will occupy in the future must be linked to the Great Desolate Immortal World or be an affiliated small world of the Great Desolate Immortal World.

Only in this way can the Great Desolate Immortal World be able to benefit, and the Prehistoric Heavenly Way will also benefit him. There is a reward.

Su Chen looked at this realm and felt that it was tasteless and it would be a pity to abandon it.

Although this was a realm, it could not bring him any benefits.

After thinking about it, Su Chen decided to give up this yin and yang realm. , the Yin and Yang realm should fend for itself.

Boom boom boom.....

At this moment,

Gaia's Titan giant form has also recovered.

She holds the huge sea-fixing needle and continues to bombard the Demon God of Desire. Every attack by Gaia shakes the Yin and Yang realm, and a powerful attack blasts out a abyss.

The Demon God of Desire did not expect that Gaia would suddenly appear.

His face was ugly and he was very angry. He was almost, almost, able to get the origin of the way of heaven.

This damn female giant, if the Demon God of Desire got the origin of the way of heaven, he would immediately recover from his injuries and When the time comes, he will be able to destroy this giantess with one hand, but now it has all come to nothing. The Demon God of Desire is no match for Gaia at all.

"Giantess, I didn't expect you to dare to show up. If I catch you, I will humiliate you to death."

After Gaia heard what the Demon God of Desire said, she waved the Sea-Dinging Needle and taunted, "Little reptile, do you have that ability? Today is your death day." boom!

"Damn it, cough....."

The Demon God of Desire was knocked out by Gaia with a stick.

His broken body became even more broken, and his mana was almost consumed in the battle with Heaven.

The Demon of Desire knew it was time to run away, otherwise he would be killed by the giantess

"Giantess, I hope that the devil will seek revenge on you in the future, so you can just wait for my revenge."

When Gaia saw that the Demon God of Chaos was about to escape, she hurriedly attacked the Demon God of Desire, "Don't try to escape, Demon God of Desire, you can't escape."

"The law of desire, the stimulation of desire!"

The Demon God of Desire quickly launched the Law of Desire attack on Gaia. He saw the energy of desire surrounding Gaia.

He laughed and said,

"Haha, giantess, you can enjoy the benefits of desire here. I, the Demon God of Desire, will find you again sooner or later."

"Chaos Bell, suppress it!"

Chapter 1973

Gaia did not expect that the Demon God of Desire would activate the Law of Desire on her.

Although she had been wary of the Demon God of Desire, after she became a Titan, the Demon God of Desire was beaten by her and was unable to fight back. Gaia was also careless about the Demon God of Desire. The law of desire, she now feels that her desire is constantly being aroused, and even her face is starting to get hot.

"Chaos Bell, suppress it!"

At this time,

Su Chen also rushed over.

His face turned dark when he saw Gaia's situation.

Su Chen didn't care about Gaia now. He hurriedly took out the Chaos Clock to stop the escaping Demon God of Desire.

Bang!

Chaos Clock When the Demon God of Desire appeared in the sky in an instant, the Demon God of Desire who was about to escape was immobilized.

Su Chen saw that the Chaos Clock had immobilized the Demon God of Desire. He knew how long it would take for the Demon God of Chaos to be immobilized.

Su Chen hurriedly shouted to Gaia, "Gaia, wake me up and kill the Demon of Desire quickly"

"Oh, go to hell!"

After Gaia heard what Su Chen said, she waved the Dinghai Shenzen and attacked angrily.

The Demon God of Desire did not expect to be immobilized by a little golden fairy. When he saw that the one who immobilized him was the innate treasure, the Queen of Chaos Clock, Desire The Demon God was very surprised.

Is this the Chaos Clock from the Ancient Immortal Realm?

This little golden fairy turned out to be an Immortal from the Ancient Immortal Realm?

When the Demon God of Desire heard Su Chen's cry, he saw Gaia attacking with the huge Dinghai Needle, and he felt in his heart He wanted to run away in fear, but he was immobilized by the Chaos Clock, and the Demon God of Desire could not escape for a while.

"No....." boom!

"Space prison!"

"Space is destroyed!"

"Space cutting!"

"Space storm!"

"Space wind blade!"

Su Chen saw Gaia shattering the body of the Demon God of Desire.

He hurriedly trapped the Demon God of Desire's soul with a space prison, and even hurriedly launched the space attack law. Su Chen wanted to quickly annihilate the Demon God of Desire's soul.

Desire. The Demon God is a powerful saint.

The space prison cannot imprison the powerful soul of the Demon God of Desire. Su Chen cannot give the Demon God of Desire's soul time to react. He will annihilate the Demon God of Desire's soul in an instant.

"I'm not willing to give in, I want the devil....."

In just over a breath, the spirit of the Demon God of Desire was annihilated by the law of space attack, and the Demon God of Desire of the Saint's Fifth Heaven was completely dead.

"Su Chen, hurry up, I've fallen into the law of desire of the Demon God of Desire."

At this time,

Gaia arrived quickly and shouted to Su Chen,

"I'm the one who fucked him!"

Gaia is now hundreds of meters tall, how can he save himself?

" Su Chen looked at the titan Gaia, who was hundreds of meters tall, and his face The black one is going to turn around and leave, damn it!

He has just been able to conquer Gaia, which is already three meters tall. How can Su Chen conquer

Gaia, a titan that is hundreds of meters tall ? Su Chen picked up the spiritual treasure of the Demon God of Desire. After leaving the black tower, he shouted to Gaia, "Gaia, recover quickly, how can I save you if you are like this?" After Gaia heard Su Chen's words with a confused look, her body quickly shrunk. After a few breaths, Gaia returned to its original three-meter-tall body. After Gaia recovered, she waved her hand with a red face. Disappeared with Su Chen

-

In the prehistoric fairy world, the Buddhist sect finally discovered that something was wrong. Although

Wuchao interpreter Lu Ya had not caught it yet, Duobao Tathagata had disappeared for three or four months. After the Buddhist sect dispatched all the strong men to look for Lu Ya, Duobao Tathagata had disappeared. Duobao never came back, and Duobao couldn't even be found. This shows that Duobao used Lingbao to cover up the secret of heaven. At Lingshan Buddhism, Zhunti walked around the interpretation room with an angry look on his face. He did not expect that the Tathagata Many Treasures would disappear completely, and he could not even find it. Zhunti shouted angrily,

"Damn it, Duobao Tathagata is probably the real murderer. Senior brother, what should we do now?"

Jie Yin sighed and said helplessly,

"Alas, junior brother, Lu Ya will continue to search. I will send a message to our main body and ask them to check whether Duobao Tathagata has escaped to other realms."

Jie Yin knew that Duobao Tathagata had a gloomy mind and even had deep calculations.

However, Duobao Tathagata was already the real ruler of Buddhism in addition to them being brothers. Why would Duobao Tathagata collude with other realms? He What are the benefits of doing this? Zhunti asked doubtfully,

"Western God Realm? Senior brother, do you think Duobao escaped to the Western God Realm?"

Jie Yin shook his head and explained,

"No, Duobao Tathagata will not escape to the Western God Realm. Duobao Tathagata is very smart. He knows that it is impossible to escape our pursuit by escaping to the Western God Realm. Duobao Tathagata may either escape to Chaos or escape to wild realm"

"Senior brother, we have more than two months until the time agreed with Heaven. If we cannot hand over the Tathagata Many Treasures by then, Heaven will definitely not give up."

"Junior brother, we should go all out to find Lu Ya first. We were talking about Lu Ya at the time. As long as we find Lu Ya, even if Heaven knows that Lu Ya is not the murderer, we can still buy some time to find Duobao Tathagata."

"Well, this is also a way."

In the ancient heaven, the good corpse of Nuwa has been in the heaven during this time.

She also brought news about Su Chen in the Western God Realm, and even the fact that Su Chen became the king of gods in the Western God Realm. Wa's good corpse also told the Queen Mother and the other girls.

In the Yaochi Immortal Palace, the Queen Mother and the Golden Spirit Holy Mother were all sitting together. This time, the Demon Saint Qinyuan and the Demon Saint Shang Yang of the Demon Clan were also there, and even Nuwa The empress's good corpse and Xihe also appeared in the Yaochi Immortal Palace.

The Holy Mother Jin Ling looked at the others and asked, "Do you want Su Yan to be captured?"

The Queen Mother shook her head and said, "Forget it, Su Yan has Guanyin Bodhisattva and Our Lady of Wudang by his side. Nothing will happen to her. But does Su Chen want to notify him to come back?" Yun

Xiao smiled at the others and asked, "You guys think, since Su Chen has conquered the Western God Realm, will he still have to fight the Western God Realm in the realm war four hundred years later?" Chang

Xi stretched his waist and said,

"Yunxiao, Su Chen has solved two of the three divine systems in the Western God Realm. He has not yet solved the most powerful divine system. We should wait for Su Chen to come back and ask about the situation in the Western God Realm before making a judgment. Chang'e said with a smile,

"Haha, you say, Su Chen is just a little golden immortal, how did he bring about the death of God King Zeus and God King Odin in the quasi-holy realm? Even became the god king of two gods?"

"It must be because of women."

Queen Mother Xi could guess without thinking that

Su Chen, that bastard, is very good at dealing with women. No matter what kind of woman she is, that little bastard can handle her.

Queen Mother Xi guessed that

Su Chen must have dealt with the powerful goddess in the Western God Realm this time.

"Well, that makes sense."

The other girls nodded.

They all knew Su Chen very well.

This time,

Su Chen must have taken down those powerful goddesses, and even united with those powerful goddesses to kill the god kings of the two gods.

Chapter 1974

In the heavenly court, after the girls chatted with each other for a while, they also began to discuss Buddhism's actions in the past few months.

They also got the news that the Buddha Duobao Tathagata of Buddhism was missing, and it had been almost four months. Although Buddhism was still searching for Lu Ya with all its strength, there was no news yet.

The Queen Mother looked at the girls and asked, "What do you think about the disappearance of Duobao Tathagata?"

Shang Yang stood up and looked at the girls and said,

"Queen Mother, is the disappearance of Duobao Tathagata related to the disappearance of Su Chen? I suspect that Lu Ya is not the murderer against Su Chen, but Duobao Tathagata is the murderer behind the scenes. Chang

Xi nodded and agreed,

"Well, I think so. Su Chen was transported to the Western God Realm. Lu Ya and Su Chen had no conflict at all. Duobao Tathagata was beheaded by the leader of Tongtian last time. Duobao Tathagata probably had a grudge against Su Chen. That's why he teleported Su Chen to the Western God Realm."

The Holy Mother of the Golden Spirit thought for a while and then said

"It makes sense, but we can't let Lu Ya go. If Buddhism can't find Duobao Tathagata, they will definitely search for Lu Ya with all their strength. By then, even if Lu Ya is not the murderer, Buddhism may still want to buy some time to catch him. Catch the Tathagata with many treasures."

The Holy Mother of the Golden Spirit not only hated

Duobao Tathagata very much, she also hated Lu Ya very much.

Lu Ya used his immortal-killing flying knife to kill many disciples of the Jie Jiao. The chief registered disciple of the Jie Jiao, Zhao Gongming, was killed.

The Queen Mother and the other girls nodded. They felt that what the Golden Spirit Mother said was right. If Buddhism could not catch the Tathagata Many Treasures, then Lu Ya would definitely She would take the blame and even buy a few months to capture Duobao Tathagata.

The Queen Mother looked at the girls and said with a smile,

"Then let's wait another two months and see. No matter if Buddhism sends many treasures, Tathagata or Lu Ya, it will be good for us. If Buddhism suddenly loses two powerful quasi-sages, Buddhism will become weaker and weaker in the future..

Yun Xiao thought of the linked Shenyu Continent and asked the girls, "Where is the Shenyu Continent?" What are we going to do? Do Su Chen's women want to come to the ancient fairyland?"

The Queen Mother of the West said with a smile,

"The Divine Meteor Continent already has a connection channel with the prehistoric fairyland, and the channel is still under the control of our heaven. I have asked the Seven Fairies to send some cultivation resources to Concubine Yan. We will wait for Su Chen to arrive later."

"fair enough!"

The girls then discussed other matters, and they left one after another. They all hold important positions in heaven now, and each of them also has some things to deal with. The

Yin and Yang Realm.

Three days later,

Su Chen came out of a barrier Rubbing his waist and walking out, he looked back at the barrier and shook his head.

Gaia was really crazy this time.

Although Gaia was confused and fascinated by the source of life last time, Gaia has always been there. The side effects of resisting the source of life.

This time Gaia has completely let go.

Gaia may not care about being with Su Chen, or may regard Su Chen as her man.

Su Chen was almost killed by Gaia this time It was a total failure.

When a woman goes crazy, it will be unbearable, and when the giantess goes crazy, it will be fatal.

Su Chen suddenly thought that he has not collected the origin of the Demon God of Desire. It has been three days, and it is not known whether any gods have arrived here. I hope the origin of the Demon God of Desire is still there.

Whoosh!

Su Chen quickly appeared on the battlefield between Gaia and the Demon God of Desire.

He looked around and breathed a sigh of relief. There were no gods here, and the origin of the Demon God of Desire could not be destroyed. Collect other gods and take them away

"found it!"

In an abyss,

Su Chen found the Demon God of Desire who was beaten to death by Gaia.

The Demon God of Desire's body had been completely broken, but the origin of the Demon God of Desire was not missing at all.

Su Chen quickly collected these origins, The origin of the Demon God of Chaos is of great benefit to the Saint. He plans to take it back to the ancient fairy world and hand it over to the Queen Mother and Guanyin Bodhisattva.

Su Chen looked at the broken body of the Demon God of Desire, shook his head and said,

"It's a pity. If the body of the Demon God of Desire hadn't been broken, this would have been a good weapon refining material."

"Suchen!"

Gaia suddenly appeared next to Su Chen.

She looked at Su Chen and nodded awkwardly.

Gaia was indeed a little crazy this time, even very embarrassing. She was also a little reluctant to face Su Chen, but she didn't want to Maybe he won't face this little bastard.

Su Chen waved to Gaia and said, "Come out. You should be more careful next time. This time it almost killed me.""

"I was just careless this time"

"Okay, Gaia, break the barrier of heaven. The origin of heaven is ours."

"good!"

Boom boom boom.....

After Gaia heard what Su Chen said, she quickly attacked the barrier of heaven.

The source of heaven is very precious to the cultivation of saints.

With the source of heaven,

Gaia can advance to the third level of saint realm in a hundred years. If there are enough sources, If so, Gaia might be able to advance to the fifth level of the Saint Realm within a thousand years. boom!

Two days later,

Gaia completely destroyed the heavenly barrier. This was after the Demon God of Desire had bombarded it for a few days before. Otherwise, Gaia would have needed several more days to destroy the heavenly barrier.

"Let's go and collect the source of Heavenly Dao." When Su Chen saw Gaia destroying the Heavenly Dao barrier, he waved his hand and shouted.

Gaia smiled and followed Su Chen into the Heavenly Dao barrier,

I'm going!

Is this the origin of Heavenly Dao?

Su Chen looked

He was very surprised when he saw the golden liquid in the air.

When Su Chen stood next to the source of heaven, he felt very comfortable, as if his body had been washed by the virtues of heaven.

"Su Chen, hurry up and collect the source of heaven. What are you confused about?"

"Oh well! OK!"

Su Chen quickly collected all the sources of heaven.

He divided these sources of heaven into five parts.

These sources of heaven are very precious, and Su Chen doesn't want to waste them. His woman, Gaia, is now a saint.

The other women Maybe someone will become a saint in the future, and Su Chen also wants to keep a few copies for future consideration. Su Chen took out a copy of the Origin of Heaven and handed it to Gaia and asked, "Gaia, this copy is yours, you use these How high can one advance to the saint realm by cultivating the origin of heaven? Gaia smiled and took over, "Fourth Heaven, these are enough for me to cultivate to the Fourth Heaven of Saint Realm.""

"good! The fourth level of Saint Realm is already somewhat powerful."

Su Chen nodded when he heard Gaia's words.

One source of heaven can improve two realms of Saint Realm.

This is already very powerful.

The cultivation of Saint Realm is very difficult. Saints may have to spend millions. You can only advance once every year.

No wonder the Chaos Demon God plunders the source of Heavenly Dao everywhere. Now Su Chen also wants to rob some more Sources of Heavenly Dao.

"Su Chen, won't you release the Yin Ji in the Black Tower?"

Chapter 1975

Gaia suddenly thought of the Yin Ji that the Demon God of Desire had put away in the Black Tower.

They had already finished the work here. Whether she and Su Chen returned to the Western God Realm or the Ancient Fairy World, they could not always take the Yin Ji with them in the Black Tower. Come on

"Yin Ji? Don't tell me I forgot."

Su Chen also remembered after hearing Gaia's words. Yin Ji was taken into the Black Tower by the Demon God of Desire, and now he has obtained the Black Tower.

Su Chen felt good about Yin Ji, a female saint who was not afraid of death. He thought about it. Just thinking about it,

I plan to release Yin Ji. Holy shit?

How come there are four women in the Black Tower?

And they are all in the realm of saints.

Damn it, the four female saints are not even wearing clothes in the Black Tower. Even the Yin Ji who had just been taken in was no exception. This black tower actually took away the clothes automatically?

This is really a blessing.

Four beautiful and beautiful female saints, and they are all naked.

Su Chen took a look After the meeting, he hurriedly put away the black tower.

The black tower is now an ownerless thing.

Su Chen wants to refine the black tower later. Besides, there are four female saints.

Su Chen does not dare to release them. What if these things happen? The female saint is their enemy, and he and Gaia will suffer again.

"What's wrong?"

Gaia saw Su Chen put away the black tower again.

She didn't understand why Su Chen didn't let Yin Ji out. Could it be that this bastard fell in love with the beautiful Yin Ji?

"Gaia, you'll understand if you check it out."

When Su Chen saw Gaia's unkind eyes, he knew that Gaia, the giantess, had misunderstood.

Su Chen handed the black tower to Gaia, and he planned to let Gaia take a look inside. He believed that Gaia would , Gaia would not let him release the female saints in the black tower.

Gaia took the black tower and checked it and was very surprised.

She did not expect that there were four female saints imprisoned in the black tower.

The Demon God of Desire was finally destroyed. How many realms are there? These female saints were probably captured and imprisoned in the black tower by the Demon God of Desire.

When Gaia saw that these female saints were not wearing clothes, she glared at Su Chen speechlessly.

Gaia put Heita returned it to Su Chen and said,

"Let's leave the realm of Yin and Yang, Su Chen, where should we go? Going to the Western God Realm? Or go to the prehistoric fairyland?"

Su Chen thought for a while and replied, "Go to the Great Desolate Immortal Realm. I have been away from the Great Desolate Immortal Realm for a long time."

"good!"

Gaia nodded when she heard Su Chen's words.

She also wanted to go to the ancient world. Su Chen would definitely find a way to let her enter the ancient world this time. After all, Gaia was already the woman of this little bastard. She didn't believe Su either.

The morning meeting ignored her.

In the chaos, after Gaia and Su Chen looked at the Yin and Yang Realm,

Gaia hugged Su Chen and left quickly.

What will happen to the Yin and Yang Realm in the future?

They have no relationship at all, saying Maybe there will be no gods in the Yin and Yang realm, and the mortals in the Yin and Yang realm will live a better life. In the prehistoric fairyland, in the starry sky fortress, tens of millions of heavenly troops have been stationed here. This is the only way to enter the prehistoric fairyland from chaos. The road is also the frontier fortress for the prehistoric fairy world to resist the demonic world outside the territory.

Six days later,

Gaia and Su Chen appeared outside the Starry Sky Fortress.

They were very surprised when they looked at the magnificent Starry Sky Fortress. Both

Su Chen and Gaia were the first I saw the Starry Sky Fortress for the first time, a majestic and tall city wall, which is probably tens of thousands of meters high.

And the strong aura exuded by the Starry Sky Fortress is probably impossible for the Quasi-Saint City to break through in a short time. Daluo Jinxian and Taiyi Jinxian are Don't even think about it. Daluo Jinxian and Taiyi Jinxian can't break through the city wall even if they attack for a year.

Woo woo woo.....

At this time, the heavenly soldiers and generals patrolling in the Starry Sky Fortress, after they discovered the arrival of Gaia and Suchen, the alarm horn in the Starry Sky Fortress was immediately sounded.

Gaia looked at the Starry Sky Fortress and said in surprise, "Your prehistoric fairy world is really powerful. There is such a majestic Starry Sky Fortress on the edge of chaos."

Su Chen looked at the Starry Sky Fortress and said to Gaia,

"The Starry Sky Fortress is also for realm wars. The prehistoric fairyland has three connections with other realms, the Western God realm, the barbaric realm, and the extraterrestrial demon realm that has never appeared before.

Gaia asked suspiciously after hearing Su Chen's words, "Three places?" Extraterrestrial demonic world? Why haven't I heard of it?"

"This is a newly emerged realm. It is not yet completely connected to the prehistoric fairyland, but I'm afraid it will be soon."

"Haha, the Primordial Immortal Realm is so powerful, and the realms connected to the Primordial Immortal Realm are probably very unlucky."

Gaia doesn't care about the new realms at all.

The Great Desolate Immortal Realm is too powerful.

The Great Desolate Immortal Realm is connected to the Western God Realm and the Wilderness Realm.

The Western God Realm only attacks the Prehistoric Immortal Realm and does not even dare to go deep into the Prehistoric Immortal Realm..As for the Wild Realm, which is the same realm as the Great Desolate Immortal Realm, they will not invade the Great Desolate Immortal Realm at all. There are even many strong men in the Prehistoric Immortal Realm who have gone to help the Wild Realm resist the invasion of the Dark Demon Clan.

"Maybe!"

Su Chen will not underestimate the demon world outside the territory.

Su Chen guessed that the demon world outside the territory may be related to Luo Hu.

Before his death, Luo Hu said that he would transform into a demon, and the demon would disappear and the demon would disappear. This is probably a cycle of cause and effect.

However,

Su Chen is now the emperor of the ancient immortal world. Even if the powerful Luo Hu comes, Su Chen will beat Luo Hu down.

"Starry Sky Fortress Commander Bai Ze meets the Emperor of Heaven"

"Star Fortress Deputy Commander Styx, see Emperor of Heaven"

"See the Emperor of Heaven!"

"See the Emperor of Heaven!"

"See the Emperor of Heaven!"

At this time,

Bai Ze and Ancestor Styx came to the city wall.

After they saw Su Chen on Gaia's shoulders from the Starry Sky Fortress, Bai Ze and Ancestor Styx hurriedly flew down from the Starry Sky Fortress. They took thousands of Ten thousand heavenly soldiers and generals hurriedly saluted Su Chen.

Su Chen waved his hand and said to Bai Ze and Ancestor Minghe,

"No courtesy, Bai Ze, Ancestor Styx, you have done a good job, and I am very relieved to hand over the Starry Sky Fortress to you. Bai

Ze bowed to Su Chen and replied, "Thank you, Emperor of Heaven, Emperor of Heaven, this is our duty.""

After Ancestor Minghe looked at the saint's Gaia, he was very surprised.

Ancestor Mingzi did not expect that a saint would appear next to Su Chen, and he was also a saint from other realms.

He and Bai Ze looked at each other. After looking at it,

Ancestor Minghe asked Su Chen doubtfully, "Emperor of Heaven, how did you return from chaos to the primeval world?"

"This is a long story. Let's go to the Starry Sky Fortress first."

"Yes, Emperor of Heaven!"

Chapter 1976

After Su Chen brought Gaia to the Starry Sky Fortress, Su

Chen was very surprised after learning about the recent events in the Ancient Immortal World.

That girl Su Yan actually came to the ancient world?

Let me tell you, how did that girl come to the ancient world?

Those women of the Queen Mother actually destroyed the frontier barrier of Buddhism? He even killed millions of Buddhist disciples.

When Su Chen heard the news, he was very surprised.

The arrival of that girl Su Yan made him not expect that the Queen Mother's threat to Buddhism was within Su Chen's expectation.

However, the women of the Queen Mother actually launched the Zhoutian Star Formation, which not only destroyed the frontier barrier of Buddhism, but even killed millions of Buddhist disciples. This was beyond Su Chen's expectation.

In the main hall,

Su Chen looked at Bai Ze and asked, "Bai Ze, Buddhism is still arresting Lu Ya?"

Bai Ze nodded and replied,

"Yes, Heavenly Emperor, we have given Buddhism half a year and there are only two months left. If Buddhism does not capture Lu Ya in two months, we in Heaven will attack Buddhism."

"Where is Tathagata Duobao?"

Ancestor Mingzi said to Su Chen with a smile,

"Duobao Tathagata has disappeared, and Buddhism is also looking for Duobao Tathagata. The Queen Mother sent news that Duobao may have absconded out of fear of crime. The disappearance of the Emperor of Heaven should be caused by Duobao Tathagata, right?"

Su Chen didn't expect Duobao Tathagata to disappear.

Duobao is such a thief.

It may not be easy for them to find Duobao Tathagata in the future. Duobao will definitely not stay in the prehistoric fairy world to wait for death. The

Western God Realm ?

Duobao Tathagata will definitely not go.

Su Chen guessed that Duobao is likely to go to the wild realm, or even flee to Chaos for refuge

"Yes, it was Tathagata Duobao who transported me to the Western God Realm in the first place. Tathagata Duobao probably escaped from the prehistoric fairyland."

After Bai Ze heard what Su Chen said, he stood up and saluted Su Chen, "Emperor of Heaven, do you want to continue to put pressure on Buddhism?"

Su Chen waved his hand and said,

"No, Bai Ze, Buddhism may have guessed that Duobao is the murderer. We can let Buddhism capture Lu Ya first, and then capture Duobao Tathagata. Without these two powerful quasi-sages, Buddhism will become weaker and weaker, which is not good for us. It's a good thing for heaven"

"good!"

Ancestors Bai Ze and Ming He nodded when they heard Su Chen's words.

There are only four or five quasi-sages in Buddhism. This time, Buddhism suddenly loses two powerful quasi-sages. Buddhism will indeed become weaker and weaker. Heavenly Court It would be easier to destroy Buddhism.

Su Chen suddenly thought that Gaia had not been introduced yet.

He looked at Gaia beside him and introduced to Bai Ze and the others,

"By the way, Bai Ze, Patriarch of Styx, this is my wife Gaia, she is a saint in the Western God Realm."

"Bai Ze (Ancestor of Styx) has met Empress Gaia!"

After Bai Ze and Ancestor Styx heard Su Chen's words, they hurriedly saluted Gaia.

Bai Ze and Ancestor Styx were very shocked, and even looked confused. Although they saw that Gaia was a Saint.

But what is the madam?

Madam?

A saint's lady?

Where is the Emperor Su Chen going?

The Emperor Su Chen is only in the Golden Immortal Realm, but a Golden Immortal actually took down a saint. Bai Ze and Ancestor Ming He are fighting against Su Chen was really impressed.

However, they thought that there was a saint in Heaven.

With a powerful saint in Heaven, Heaven would become stronger and stronger. In addition to Daozu Hongjun, the other six saints in the prehistoric immortal world had no influence on them. Heaven will be even more fearful

"No gift!"

"Empress Shegaya!"

Gaia smiled and nodded.

Gaia was very happy now. Su Chen was able to introduce herself openly, which made Gaia very satisfied. This little bastard did not differentiate because she was a saint from other realms.

Treating her,

Gaia is more satisfied with this little bastard Su Chen

"Bai Ze, Ancestor Styx, we are going back to Heaven, and I leave the Starry Sky Fortress to you."

After Su Chen checked the Starry Sky Fortress, he was ready to go back to the ancient world. Su Yan, that girl, came to the ancient world. Su Chen also wanted to know how she came to the ancient world.

"Emperor Tian, don't worry, with the two of us here, the Starry Sky Fortress will not be breached by the demonic world outside the territory."

"good!"

Su Chen waved to Gaia, and Gaia took Su Chen and disappeared into the Starry Sky Fortress. When

Ancestor Styx saw Su Chen and Gaia leaving, he shook his head and sat down and said,

"Bai Ze, I can't understand the Emperor of Heaven more and more. Bai

Ze smiled bitterly at Ancestor Styx and said,

"I don't understand either. That Lady Gaia is a saint, a powerful saint of heaven. The Emperor of Heaven actually managed to defeat a saint. I've been confused just now."

"Haha, this shows that our Heavenly Emperor is very capable. We also have a powerful saint in Heaven. We don't have to worry about other saint sects."

"good!"

At the barrier of the Great Desolate Immortal Realm,

Gaia and Su Chen stopped after they arrived here.

Gaia did not dare to move forward any further.

Going forward would reach the Great Desolate Immortal Realm. Gaia did not want to be deceived by the ways of heaven in the Prehistoric Immortal Realm. Killed to death

"Why don't you leave? Gaia looked at Su Chen and said worriedly,

"Su Chen, ahead is the barrier of the Great Immortal Realm. If I get close, I will be struck to death by the Primeval Heaven. Do you want to watch me die?"

Su Chen sat on Gaia's shoulders and said with a smile,

"Ha ha....., Gaia, the ancient heaven is going to attack you, do you think you can still enter the Starry Sky Fortress? From the time we arrived at the border between the prehistoric

fairy world and chaos, I'm afraid the prehistoric heaven has discovered you a long time ago."

Gaia asked Su Chen in surprise, "Are you saying that the prehistoric heaven has known about my arrival for a long time?"

Su Chen nodded and replied,

"Gaia, we didn't enter the Yin-Yang Realm last time, and the saints from the Yin-Yang Realm came out to stop us. The Prehistoric Heavenly Way is much more powerful than the Yin-Yang Heavenly Way. Would the Prehistoric Heavenly Way not know that we are coming?"

Su Chen felt that the Great Desolate Heaven had already discovered Gaia's arrival, and maybe the Great Desolate Heaven would look for him again soon.

Su Chen also thought about how to bring Gaia into the Prehistoric Immortal World. If a realm is annexed by the Prehistoric Immortal World, the Prehistoric World will be destroyed. I am afraid that Heavenly Dao will get more benefits, and even the strength of the ancient Heavenly Dao will be even stronger. The

Western God Realm!

This is Su Chen's bargaining chip for negotiating with the Ancient Heavenly Dao. Su Chen believes that the Ancient Heavenly Dao also covets this realm. ruler

"That's right!"

Chapter 1977

Gaia nodded when she heard Su Chen's words.

The Yin and Yang realm was just a weak realm, but even a weak heavenly realm could discover her and Su Chen in advance. Gaia felt that the powerful prehistoric heavenly realm might have discovered it long ago. she.

This time, if Gaia hadn't come to the Immortal Realm with Su Chen, she might have been intercepted by the Prehistoric Saints before she entered the Prehistoric Starry Sky Fortress, or even killed by the Prehistoric Heaven. swish swish.....

At this time, outside the barrier of the ancient world, the six great saints of the ancient world appeared one after another.

After the six saints appeared, they looked at Su Chen and Gaia.

They did not expect that Su Chen would arrive with a saint from another realm. Su Chen was even sitting on the shoulders of the saint. They looked at Su Chen very much. Confused.

However, this extraterrestrial saint was in the second heaven realm of saints, and any one of their six great saints could suppress her.

Empress Nuwa was very surprised when she looked at Su Chen and Gaia.

Didn't Gaia want to kill Su Chen in the Western God Realm? Why does the relationship between them seem to be a bit special now? Gaia is a female saint, why would she let Suchen sit on her shoulders?

I said to Su Chen with a serious face, "Emperor of Heaven, saints from outside the realm are not allowed to enter the ancient world."

Su Chen looked at me and said with a smile,

"Lao Tzu, do you have the final say?"

Zhunti looked at Su Chen and explained kindly,

"Emperor of Heaven, you should understand that saints are not allowed to appear in the ancient world of immortality. Besides, this is an outsider saint. If this saint appears in the prehistoric fairyland, then the law of heaven will destroy her."

Su Chen smiled when he heard the words of Saint Zhunti and said, "Six saints, we will know in a moment whether Heaven will stop us. You should get out of the way and let us enter the prehistoric fairyland."

Boom!

The original Tianzun suddenly burst out with a powerful momentum and threatened,

"Emperor of Heaven, saints from outside the realm are not allowed to enter the Great and Wild Immortal Realm. This is the order of Tao Ancestor. We, the six great saints, are here to prevent Gaia from entering the Great and Wild Immortal Realm."

"Original Heavenly Lord, do you dare to take action against me?" Su Chen's face darkened when he saw the Primordial Heavenly Lord burst out with the saintly aura. If it weren't for Gaia beside Su Chen, he would have been suppressed by the primitive Heavenly Lord's powerful saintly aura. The Primordial Heavenly Lord arrogantly said to Su Chen Said loudly,

"Emperor Heaven, I am thinking of the Great Immortal Realm. Saints from outside the territory are not allowed to enter the Great Immortal Realm. Moreover, Gaia has used clones to sneak into the Great Immortal Realm time and time again. This time we are going to completely annihilate the Saints of Gaia."

Su Chen understood that this time the six saints appeared, they were all sent by Daozu Hongjun.

The arrival of the six saints to prevent Gaia from entering the prehistoric fairyland was a lie. The purpose of their arrival this time was to kill Gaia.

Dao Ancestor Hongjun?

Why did he do what he did?

Gaia used to secretly use his clones to sneak into the ancient world. Why didn't Hongjun stop him?

Is there a conspiracy here?

Gaia is very nervous now.

The six saints in the ancient world have the lowest cultivation level.

She can't defeat any of the fourth-level saints , and each of the six saints can kill her easily. Gaia can only rely on Su Chen to protect her now.

Su Chen said to the six saints with a cold face said,

"Gaia is my emperor's woman and one of the future queens in heaven. Do you, the six great saints, still want to kill her?"

After the six great saints of the prehistoric era heard Su Chen's words, they all looked at Su Chen in confusion. Gaia is Su Chen's woman?

The future queen?

The emperor of heaven, Su Chen, actually took a saint to be his woman?

Gaia Although she is only in the second-level realm of a saint, Gaia is a saint after all, a powerful female saint. How could she fall in love with a little scumbag Golden Immortal?

Empress Nuwa rolled her eyes when she heard Su Chen's words. , this shameless pervert actually took down Gaia?

No wonder Su Chen can sit on Gaia's shoulders, but

Gaia is more than three meters tall, which is also the smallest original form of Gaia.

If Su Chen, a little bastard, and Gaia Gaia and Su Chen were together, and Empress Nuwa's face became a little hot when she thought about it.

Bah!

How could she think about these nasty things of mortals.

Empress Nuwa looked at the height difference between Gaia and Su Chen, and she couldn't help but start thinking wildly in her mind. ,

Empress Nuwa guessed whether

Su Chen had to change into a human form that was more than three meters tall every time so that he could be intimate with Gaia.

Zhunti looked at the confused Jie Yin and said through the message, "Brother, do we still want to stop Gaia?"

Jie Yin shook his head and replied,

"Let's watch the excitement!"

"Junior brother, let's not meddle in other people's business. This time Daozu ordered to rob and kill Gaia, let Sanqing do this. If Sanqing kills Gaia, this will definitely anger Emperor Su Chen."

"At that time, the human religion and the interpretation religion in the ancient world will be destroyed by the angry Emperor of Heaven. Our Buddhist sect has already offended the Emperor of Heaven, Su Chen. This time we cannot offend the Emperor of Heaven, Su Chen."

Zhunti nodded when he heard Jie Yin's words.

The Buddhist Tathagata Duobao had taken action against Su Chen before, and their Buddhist sect has not made up for this mistake. At this time, they dare not offend the Emperor of Heaven Su Chen again.

Otherwise, they will The Buddhist sect in Honghuangxianli is probably about to end.

Besides, their brothers have betrayed the Taoist sect of Daozu Hongjun and established another Buddhist sect, so they don't need to care about the order of the Taoist ancestor.

I and Yuanzi looked at each other and fell silent.

They didn't expect Gai Ya turned out to be the woman of Emperor Su Chen, and things are going to be troublesome this time.

They are very afraid of Su Chen,

Su Chen doesn't even take Tao Ancestor seriously, if they anger Emperor Su Chen, they will The sects in the prehistoric fairy world will be retaliated by the Emperor Su Chen, and even be destroyed.

The leader of Tongtian looked at Su Chen and Gaia and shook his head.

He felt that every time Su Chen did something too shocking,

Su Chen never After appearing in the vision of saints like them, in just over a year, they fought against the Nine-Nine Heavenly Tribulation!

The Murderous King, and destroyed tens of millions of human immortal armies.

With the cultivation level of the Golden Immortal, he became the Emperor of Heaven in the prehistoric immortal world, and even unified the entire world. The prehistoric fairyland.

What now?

Emperor Su Chen actually captured a female saint.

Tongtian also admired Su Chen.

At this moment,

Su Chen looked at the six saints expressionlessly.

He didn't believe that these saints dared to take action.

Saint People are very, very powerful, but

Su Chen has the final say in the ancient world.

The sects, disciples, and even foundations of the six great saints are all in the ancient world. If they dare to take action, Su Chen will completely destroy them. Everything about the great saint in the ancient world of immortality.

Gaia did not expect that Su Chen would be so domineering.

After hearing what Su Chen said, the six great saints were silent one by one. Su Chen was just a little golden immortal. Gaia could not understand the six great saints. Why are you afraid of Su Chen?

"Emperor of Heaven, Gaia is an outsider saint after all. She is your woman, but the prehistoric fairy world prohibits all saints from entering, and Gaia saint is no exception."

Chapter 1978

Empress Nuwa took a step forward and reminded Su Chen that any saint in the prehistoric immortal world could not enter the prehistoric immortal world without the permission of heaven.

Empress Nuwa was also worried that Su Chen would take Gaia into the ancient fairyland, which would offend the ancient heaven, and even the ancient heaven would destroy Gaia, an extraterrestrial saint.

Su Chen nodded to Empress Nuwa and said, "Empress Nuwa, I have my own sense of proportion."

Well,

Empress Nuwa's real body is really beautiful.

The most beautiful woman in the prehistoric fairy world is indeed extraordinary.

This pride The upright mountain, the convex figure, the slim waist of the water snake, and the charming and sexy red lips,

Su Chen looked at the Nuwa Empress and quickly averted his gaze, otherwise, he might be in trouble. I made a fool of myself in front of these saints.

Suddenly, the faces of the six great saints changed.

After the six of them looked at each other, the original Tianzun took a step forward and shouted,

"Heavenly Emperor Su Chen, Taoist Ancestor has ordered that Gaia, the extraterrestrial saint, must be killed. You'd better get out of the way quickly."

"Daozu?"

Su Chen also saw the discomfort of the six saints just now.

He guessed that this must be Daozu Hongjun giving them an order, or even threatening the six saints.

Empress Nuwa looked at Su Chen and said worriedly,

"Su Chen, Daozu did give an order. Daozu ordered us to kill Gaia no matter what."

Ever since the human race rebelled against heaven, Empress

Nuwa's master-disciple relationship with Dao Ancestor has only existed in name only.

Empress Nu Wa is not Dao Ancestor Hongjun's opponent yet, and it is impossible for her to fall out with Dao Ancestor Hongjun immediately, and after all, Dao Ancestor Hongjun represents the prehistoric immortal world. The Heavenly Dao, Nuwa Empress had no choice but to stop Su Chen when she came this time.

Jie Yin's face was also very ugly.

He did not expect that Daozu Hongjun would threaten them. If they did not take action, then they would probably be suppressed by Daozu.

"Emperor Su Chen, we have to take action this time, and we are forced to do so."

Zhunti said to Su Chen with a grimace, "My senior brother is right, we can't help ourselves."

I said with no expression on my face, "Emperor of Heaven, you'd better leave, otherwise we can only send you back to Heaven. There is no room for maneuver in what happened today."

Su Chen patted Gaia's head to reassure her.

He looked at the six saints and nodded.

Among these saints,

Empress Nuwa and the unlucky leader Tongtian were unable to take action before, as were Zhunti and Jieyin. Work but no effort.

I and Yuanzi wanted to kill Gaia at first, but after learning that Gaia was his woman, I and Yuanzi probably did not dare to take action.

But now, their six great saints may have been attacked by Daozu Hongjun

As for the threat,

Su Chen couldn't guess what it was.

However,

Sanqing had eaten the Meteor Holy Pill.

Their life and death were probably in the hands of Taoist Hongjun,

Empress Nuwa and the Second Saint of the West. How would they be killed by Taozu? Su Chen had no way of knowing what the threat was.

Su Chen shouted to the Great Immortal World, "Prehistoric Heaven, come out quickly!"

Su Chen thought for a while and still had to let the Great Desolate Heaven to solve it.

Dao Ancestor Hongjun is too abnormal.

Gaia is coming to the Great Immortal Realm. As long as the Great Desolate Heaven doesn't stop him, what's going on with Dao Ancestor Hongjun?

Su Chen felt that Gaia might know about it. He decided to cross-examine the giantess carefully after returning to Heaven for some matters.

When Nuwa and the six saints heard Su Chen calling for Heaven, they all had black lines on their foreheads.

Every time this bastard caused trouble, Heaven would appear. They The six great saints don't know whether the prehistoric heaven will appear this time.

"Tiandao, your handsome prehistoric Emperor has returned, why don't you, the manager, show up?"

"Tiandao, you can't sleep?"

"Damn it, Tiandao, did you sleep to death?"

"Damn it, the way of heaven, the prehistoric fairy world is going to be destroyed, you come out quickly."

Su Chen looked around and there wasn't even a ghost figure.

Is the Eye of Heaven blind?

Why didn't he show up after calling for so long?

When the six saints heard Su Chen's shouting, they became more and more out of tune.

Each of them was very He was speechless.

The six saints also hoped that the way of heaven would appear just now. As long as the way of heaven appeared, they would have nothing to do here, and the six saints would not have to be in a dilemma.

But, why didn't the way of heaven appear?

It stands to reason that an outsider saint has arrived. The Tiandao Society has been paying attention to this place.

Su Chen has been shouting for so long and even scolded the ancient Tiandao. However, the ancient Tiandao didn't respond at all. The six saints all looked thoughtful.

Gaia looked confused. Looking at Su Chen,

Su Chen dared to insult the ancient law of heaven?

She did not expect that Su Chen would be so bold. The law of heaven in the ancient world of immortality was very powerful. Gaia was very worried that the appearance of the ancient law of heaven would destroy Su Chen.

Su Chen had no choice but to say The communication system asked,"System, can you let Tiandao know that I am calling it?"

"Ding, host, the prehistoric Heavenly Way was obscured by Dao Ancestor Hongjun, and the Prehistoric Heavenly Way could not discover what was going on here at all."

Su Chen asked hurriedly after hearing the system's explanation.

"What? Did Taoist Hongjun cover up the ancient way of heaven? How can this be? Is Taoist Hongjun capable of covering up the ancient way of heaven?"

Su Chen was really confused.

Dao Ancestor Hongjun could actually block the Great Desolate Heavenly Dao?

Is it possible that Dao Ancestor Hongjun's strength is almost the same as that of the Great Desolate Heavenly Dao?

This is impossible.

The Great Desolate Heavenly Dao should be very powerful. Dao Ancestor Hongjun's strength is not It should be comparable to the prehistoric Heavenly Way

"Ding, host, Dao Ancestor Hongjun is in harmony with the Dao of Heaven. Although Dao Ancestor Hongjun is not as powerful as the Dao of Heaven, Dao Ancestor Hongjun also has some authority over the Dao of Heaven. If he wants to cover a place from being discovered by the Dao of Heaven, Dao Ancestor Hongjun can do it as long as he pays some price. Do it."

Holy crap!

What on earth is Dao Ancestor Hongjun going to do?

In order to kill Gaia,

Hongjun actually paid some price to cover the way of heaven.

What does Gaia know?

Why did Hongjun kill Gaia before she entered the prehistoric era? She?

Su Chen sat on Gaia's shoulders. He looked at the giantess from the ground.

He felt that Gaia probably didn't know Daozu Hongjun, or even knew him.

If Gaia knew Hongjun's secret, this would Does the female giant still dare to throw herself into a trap and come to the ancient world?

Su Chen shook his head and didn't think about it so much. The top priority was to contact the ancient world as soon as possible.

"System, is there a way for me to contact the Primeval Tiandao?"

"Ding, yes, host, trade the origin of Heavenly Dao to me, and then Heavenly Dao will know that you are contacting it."

"I am Fake!"

Chapter 1980

When Su Chen saw Gaia rushing over to join the fight, he hurriedly stopped the giantess with a dark face.

Gaia was at the second level of the saint realm.

Among the six saints in the prehistoric fairyland, the lowest level was The Saint is in the fourth heaven. I am afraid that the Saint is in the realm of the Sixth and Seventh Heaven. Is Gaia going up now to deliver food?

After Gaia heard what Su Chen said, she blushed and looked at Su Chen in embarrassment.

Gaia thought that with her strength, even if she went, she would only get beaten. She didn't want Nuwa and the three saints to fight just now. She stays here and does nothing

"Tai Chi Tu, suppress it!"

"Pangu Banner, suppress it!"

"Qingping sword, give it to me.....Uh, attack!"

"Twelve-grade golden lotus of merit, stop it from me!"

"Seven Treasures Wonderful Tree, block it from me!"

"The map of mountains and rivers, the Kongtong seal, block it from me!"

Boom boom boom boom.....

Outside the barrier of the ancient immortal world, the powerful attacks of the six saints and the powerful spiritual treasure attacks shattered the surrounding space.

In the distance,

Su Chen is on Gaia's protection. Looking at the battle between the six saints and the powerful spiritual treasure attacks,

Su Chen was also very shocked.

Although Su Chen also had an innate treasure in his hand, he could not exert the power of the innate treasure at all. but!

Among the six saints, the spiritual treasures of Master Tongtian are simply not good enough.

Although the Qingping Sword is powerful, it pales in comparison to the spiritual treasures of the saints here.

Su Chen sat on Gaia's shoulders and shook his head and said, "The miserable Master Tongtian doesn't even have a powerful spiritual treasure."

Su Chen thought of Master Tongtian's four swords and formations of Zhuxian, and was first taught and harmed by others. The Chanjiao was divided up, and later it was acquired by itself.

The Four Formations and Formations of Zhuxian were originally taken away by Wudang Holy Mother,

Wudang Holy Mother!

Our Lady of Golden Spirit!

Fairy Yunxiao!

The three girls were preparing to rearrange the Immortal Killing Sword Formation, but they seemed to have one person missing.

The Turtle Spirit Holy Mother among the three Holy Mothers of the Jie Cult had died. Su Chen felt that they might have to choose the remaining candidate from Fairy Qiongxiao and Fairy Qiongxiao. Choose one of the Bixiao fairies.

After Gaia heard what Su Chen said, she looked at the six saints in the battle with confusion, the miserable leader Tongtian?

Don't have a powerful spiritual treasure?

Isn't the Lingbao Qingping Sword of Master Tongtian very powerful? Su Chen is so good at talking about the miserable leader Tongtian?

Well!

Gaia suddenly discovered the spiritual treasures in the hands of several other saints. Those spiritual treasures were more powerful than the spiritual treasures of Tongtian Cult Leader.

Especially the Tai Chi Diagram and the Pangu Flag, these two innate treasures, she felt the powerful aura here.

Gaia also understood what he meant.

At this moment, the strong men in the Great Desolate Immortal World felt the vibrations in the Great Desolate Immortal World, and they were all very surprised.

Saints at war?

And there are still six saints fighting at the same time?

What on earth is going on?

Why did the six saints fight among themselves? Moreover, the six saints started fighting at the same time.

The quasi-sages in the Great Desolate Immortal Realm were looking towards the outer realm of the Great Desolate Immortal Realm. They did not expect that the Heavenly Emperor Su Chen was also in the Outer Land of the Prehistoric Immortal Realm, and that the Heavenly Emperor Su Chen was sitting on the shoulders of a female giant.

Well!

That giantess is actually a saint?

The quasi-sages in the prehistoric fairy world were all stunned.

Emperor Su Chen actually sat on the shoulders of a female saint?

What the hell is this?

"Why did the six saints fight? And the Heavenly Emperor Su Chen is also in the outer realm of the prehistoric fairyland?"

"Let me go, do you think this was caused by Emperor Su Chen again?"

"It's possible, very possible. It's been only four months since the Zhoutian Star Formation last attacked Buddhism. Emperor Su Chen has caused trouble again. This time he even provoked a fight among the saints."

"Alas, since Heavenly Emperor Su Chen became Heavenly Emperor, the world of immortality has never been quiet. Every time Heavenly Emperor Su Chen stirs up things, it is earth-shattering."

"Haha, this is the ancient fairyland. If it's not lively, would it still be the ancient fairyland?"

"Who do you think that giantess saint is? Why is the Emperor Su Chen sitting on her shoulders?"

"I don't know, it should be a saint from another realm, but the Emperor Su Chen is actually sitting on the shoulders of a female giant saint. This is unreasonable!"

"Haha, tell me, will the female giant saint be captured by the Emperor Su Chen?"

"It's possible, very possible!"

At this time, in the ancient heaven, the Queen Mother and other women also discovered Su Chen. Even Su Chen was sitting on the shoulders of a female giant saint.

They could see clearly.

These women were all covered with black lines on their heads. Speechless

"Damn it, that bastard kidnapped a giantess saint, and their relationship is not ordinary."

"That little bastard is getting stronger and stronger, and now he can even subdue a saint."

"Haha, there seems to be no woman that Su Chen can't deal with."

"That bastard is a pervert!"

"Should we go outside the prehistoric fairyland? Why do those saints fight? Should we go and find out?"

"No, the battle between the six saints is not something we can get close to. We should wait for Su Chen to come back and ask about the situation."

In the Yaochi Fairyland, after the Queen Mother and the Golden Spirit Holy Mother talked one after another, they all looked at the battle outside the prehistoric fairyland. They also wanted to know why the six saints were fighting, and whether it was the bastard Su Chen who started it this time.

I was very anxious when I saw the three saints who were intercepting them. They were running out of time. If these three saints didn't get out of the way, their Sanqing might really be doomed.

"Nuwa, Zhunti, Jieyin, get out of the way quickly. You should know our difficulty. If we cannot kill Gaia within a quarter of an hour, we will all be annihilated."

Nuwa Empress refused with a cold face, "Sorry, not this time!"

When the original Tianzun heard Nuwa's refusal without hesitation, he shouted angrily, "Damn it, if we die, it will be hard for you. Daozu will take away your Hongmeng Purple Qi, and you will all be dead by then. Fall from the holy throne."

I also continued to dissuade you,

"You must think clearly, after falling to the holy throne, you will be nothing. The Emperor of Heaven is the only one in the ancient immortal world, and your future situation will definitely be very difficult."

Zhunti and Jieyin were shaken when they heard what I said and Yuanzi.

If they were really extracted from the Hongmeng Purple Qi and fell to the holy position, they would really be nothing. If they are not saints, no one in the prehistoric immortal world will respect them anymore. They, and even Heaven may take the opportunity to destroy them and Buddhism

"Don't believe what I and Yuan said. They are trying to scare you. In the prehistoric immortal world, the prehistoric heaven is the boss. Without the permission of the prehistoric heaven, does that old bastard Hongjun dare to extract your Hongmeng purple energy?"
