

## Zongwu 2001

### Chapter 2001

After Su Chen explained to Nuwa and Gaia, he quickly flew towards the Realm of Light.

There was no evil energy of Chaos outside the Realm of Light, and Su Chen didn't have to worry about being annihilated by the evil energy of Chaos.

When Gaia saw Su Chen leaving, she looked at the Nuwa Empress beside her and asked,

"Nuwa, can Su Chen attract the saint from the Realm of Light? Nuwa smiled and replied,

"It must be possible. That little bastard's ability to stir up trouble is very powerful. When the saints in the Realm of Light meet Su Chen, they will definitely be so angry with Su Chen that they want to kill that little bastard."

"Well, Su Chen's ability to cause trouble is very powerful."

Gaia nodded when she heard Nuwa's words.

She also saw Su Chen's ability to cause trouble more than once, especially outside the realm of the ancient immortal world. Su Chen even dared to scold the ancient heaven. That bastard was indeed lawless. At this moment,

Su Chen also came outside the barrier of the Realm of Light.

Su Chen looked around and found that there were no saints to stop him from entering the Realm of Light.

Why were there no saints to stop him?

Are all the saints sleeping? What about the way of heaven ? ?

How could the Heavenly Dao of the Realm of Light not stop me?

Let me go!

The three powerful saints and the Heavenly Dao of the Light Realm, wouldn't they see that I was a little scumbag of a golden immortal and be too lazy to take care of me, right?

Damn it!

Are you being ignored?

Su Chen looked around depressedly.

If the saints from the Realm of Light didn't come out to stop him, he wouldn't be able to trap those saints.

Su Chen thought about it and asked the Realm of Light. Jieyu shouted,

"Saints of the Realm of Light, are you all cowards? If you don't come out, I will break into the realm of light."

After Su Chen scolded, he looked around vigilantly. He didn't want to be caught by the saint who suddenly appeared.

After a while, there was still no saint outside the Realm of Light.

This made Su Chen confused. Who in the Realm of Light Do the saints not care when they are scolded?

"world of light.....I'll do it!"

Boom!

Su Chen was about to continue scolding the saint in the Realm of Light, but a giant ax suddenly appeared and struck Su Chen quickly. Su Chen immediately teleported away from the place. At this time, a burly man A big man appeared not far from Su Chen.

He looked at Su Chen and shouted mockingly,

"Little scumbag, you dare to run wild in the realm of light. It seems that you are impatient."

"Who are you?"

Su Chen was confused when he saw a Daluo Jinxian appearing.

Damn, he was talking about a saint just now.

Why did a Daluo Jinxian come over?

"Little scumbag, let me make it clear to you that I am Coleman, the disciple of the Overlord Sage."

"Tyrant Saint?"

Su Chen understood after hearing what this big man said.

The saint in the Realm of Light probably didn't bother to take action against him, so he sent a disciple to kill him.

Coleman raised his big ax and was about to kill him. Su Chen said, "Yes, little scumbag, go to hell!"

"etc!"

When Su Chen saw that Coleman was about to take action, he hurriedly took out the Chaos Clock, a Da Luo Jinxian.

It was very simple for him to die in the dark. The power of the innate treasure was not something that a Da Luo Jinxian could withstand.

Cole Man shouted to Su Chen arrogantly, "Do you have any last words? Little scumbag!"

"Look, the handkerchief!"

"airplane?"

"Chaos Bell, suppress it!"

Su Chen saw Coleman looking up at the sky in confusion.

He hurriedly activated the Chaos Clock and attacked, bang!

Boom!

"No! Damn it, you sly little....."

Coleman didn't expect that Su Chen would sneak attack him, and even used a powerful spirit treasure to sneak attack him. Coleman's body was instantly shattered by Chaos Bell Town.

"Space prison!"

Su Chen saw that Coleman's soul was about to escape, and he hurriedly used the law of space to imprison Coleman's soul.

In less than three breaths,

Su Chen killed a Daluo Jinxian.

This was also his first time. He killed a Daluo Jinxian for the first time.

Su Chen checked Coleman's soul in the space prison, and he mocked disdainfully,

"Scumbag? Have you ever seen such a powerful scumbag? Big idiot!"

Boom boom.....

I'll do it!

That tyrant saint has arrived?

At this time, outside the Realm of Light, a powerful aura enveloped the area.

"Little scumbag, let go of my disciple's spirit!"

"Holy shit, Hulk?"

Su Chen was confused when he saw the sudden appearance of the Hulk.

How come this Tyrant Saint is exactly the same as the Hulk?

Damn it!

The Tyrant Saint in the Realm of Light is not the ancestor of the Hulk, right?

The Tyrant Saint heard this Su Chen called him the Hulk, which made him very angry. He was a dignified saint, and this little scumbag actually gave him the nickname Hulk. The

Overlord Saint roared at Su Chen,

"Hulk? Little scumbag, are you laughing at me? Release my disciple's spirit, and then hand over your spiritual treasure. If I'm happy, you can spare your life."

"Aren't you the Hulk? Look, you are green, tall and big. You are obviously the Hulk."

"Want to die? Little scumbag!"

"Little scumbag?"

Su Chen was a little angry when he heard that the Hulk was biting off a scumbag.

These powerful saints are so stinky. What's wrong with him being a scumbag?

Damn it, he

'll let him go when he catches this Hulk. He is good looking

"Release my disciple quickly and hand over the spiritual treasure, otherwise I will make your life worse than death."

Sage Batian looked around and was very confused.

He didn't sense the existence of his disciple's soul.

Batian was a saint, and he didn't find out where Su Chen had hidden his disciple's soul. This made him I also became curious about Su Chen

"Then you have to catch me, bye-bye, big, green, stupid Hulk."

Su Chen gave the Hulk a middle finger and ran away quickly. He was full of hatred and he didn't want to capsize in the gutter.

"Damn you little scumbag, you still want to escape, can you escape?"

Batian Saint was very angry when he heard Su Chen's words.

How many years has it been?

No living being has dared to mock him like this.

This little scum is dead.

He will definitely make this little scum die miserably.

Boom.!

Ba Tian instantly disappeared on the spot to hunt down Su Chen who had escaped.

Su Chen also fled quickly.

The space nodes he arranged along the way disappeared as soon as they were lit up. Su Chen's body disappeared in an instant and appeared hundreds of thousands of miles away.

"Little scumbag, you can't escape me.....Holy shit!"

Chapter 2002

Su Chen quickly ran away to the hiding place of Nuwa and Gaia and stopped. Now it's time to look at Nuwa and Gaia. His mission has been completed. The Hulk can't escape this time.

"Little scumbag, you can't escape me.....Holy shit!"

Sage Batian saw Su Chen stop, and he was about to catch this little scumbag and kill him cruelly.

However,

Batian suddenly found that a saint appeared in front and behind him, and they were both bigger than him. Powerful Saint.

The Tyrant Saint understood.

No wonder this little scumbag didn't escape.

It turned out that this place was a trap. This little scumbag actually united with the saint to hunt down the saint.

"Suppression!"

"Suppression!"

Boom boom.....

Empress Nuwa and Gaia looked at the confused Tyrant Saint. They quickly took action and began to suppress this Saint. A Saint of the First Heaven, this was very simple for them.

Batian suppressed them without even having a chance to resist. A saint from the fourth heaven and a saint from the second heaven were simply not something he could resist.

Batian shouted worriedly after being imprisoned,

"No, don't kill me. I am a saint from the Realm of Light. You can't escape even if you kill me. The Heavenly Way of the Realm of Light will not let you go."

At this time,

Su Chen saw that Nuwa and Gaia suppressed the Hulk easily, so he flew over,

"Who said I wanted to kill you? Hulk, hand over a ray of your soul, or I will make you die miserably."

"you....Do you want to control me? Su

Chen smiled and nodded and replied,"Hmm, that's the right answer, but there is no reward. If you don't hand over your soul in three breaths, you can die.""

"I won't promise you, little scumbag, even if I let these two powerful saints control me, I won't.....I go!"

My God, am I crazy?

A little scumbag actually sat on the shoulders of a powerful saint, and even kissed this powerful saint.

Ba Tian looked at Su Chen and Su Chen in confusion. Gaia, he couldn't understand how a powerful female saint could let a little scumbag do whatever he wanted.

Who was this little scumbag?

"One breath!"

After Su Chen sat on Gaia's shoulder and kissed her, he looked at the confused Saint Ba Tian and shouted.

Ba Tian shook his confused head and asked doubtfully,

"I....., who are you? Who are these two powerful female saints?"

Su Chen said to Batian without thinking, "They are all my wives, understand, two breaths, Hulk, you only have one breath left."

"I said yes, I said yes."

Ba Tian is really scared.

This little scumbag actually has two powerful saint wives.

Is it him?

A golden immortal has two saint wives?

Is this a joke from heaven?

Or is this little scumbag a god ? Son?

When Nuwa heard Su Chen's words, she rolled her eyes at this shameless bastard.

She knew that Su Chen was deceiving Ba Tian,

but the little bastard was becoming more and more lawless. This time, he dared to take advantage of her friend openly. Nuwa I felt that I had to teach this little bastard a lesson in the future.

At this time,

Batian also separated a ray of soul and gave it to Su Chen.

He was under the eaves and had to bow his head.

Batian had no choice but to accept his fate because he didn't want to die.

However, he Thinking that he would be controlled by a little golden fairy in the future, Sage Ba Tian felt very depressed.

Su Chen accepted the soul of Sage Ba Tian and felt very happy.

One saint had taken care of it, and there were still two left in the Realm of Light.

However, this time with Saint Batian as his inner support, the remaining two saints will be caught more easily.

He looked at Batian and said with a smile, "Sage Tyrant, you will be called the Hulk from now on."

"I....."

"It's such a happy decision. Don't refuse, otherwise you will understand the consequences."

"Okay, my name is Hulk."

The Tyrant Saint looked at Nuwa and Gaia and reluctantly agreed.

The Hulk will be the Hulk.

The life of the Tyrant Saint is controlled by this little scum, and a bad name doesn't matter.

Su Chen looked When the Tyrant Saint accepted his fate, he smiled.

"Hulk, you will lead a saint from the realm of light to come later."

The Hulk was surprised when he heard Su Chen's words and asked, "You still want to catch the saint?"

"This is not what you should ask. Within an hour, you must bring a saint. Remember, you can only bring one saint. Otherwise, you should understand the consequences."

"I see."

The Hulk nodded and agreed.

A dead Taoist friend is not a poor Taoist.

If there is a saint from the realm of light to accompany him, the Hulk will not feel lonely.

"The timer starts, you hurry up to lure a saint to come"

"good!"

Nu Wa saw the Hulk leaving quickly, she showed a smile and said to Su Chen,

"I didn't expect this time to go so smoothly. It seems that we will wipe out all the saints in the Realm of Light."

Su Chen shook his head and said

"This is because the saints in the Realm of Light have low cultivation. If the saints in the Realm of Light are stronger than us, this method will not work at all."

Su Chen still has something to say.

Although this method is very easy to use in low-level realms, it is also very threatening.

If Su Chen didn't know the laws of space, he would not dare to seduce a saint at all.

If it was a saint who seduced The saints in the low-level realm will not be fooled at all. Even the saint may be besieged as soon as he arrives in the low-level realm.

Nuwa and Gaia nodded when they heard Su Chen's words.

They also knew what Su Chen said. Yes, but

Su Chen is a key figure this time.

Without Su Chen to seduce the saint, they would not be able to suppress the next saint so easily.

Su Chen arranged a space barrier and said to Nuwa and Gaia,

"We all enter the space barrier, and soon the Hulk will attract a saint"

"good!"

Half an hour later, the Hulk came here quickly with a middle-aged saint.

After Su Chen gestured to Nuwa and Gaia, they were also ready to take action.

This time it was a saint who came from the first level. It is very simple for Nuwa and Gaia to capture this saint.

"Do it!"

Boom!

Nuwa and Gaia suddenly appeared and suppressed the middle-aged saint. Before the middle-aged saint knew what happened, he was stunned and was quickly suppressed by Nuwa and Gaia.

The Hulk saw the middle-aged saint. The young saint was suppressed instantly. He said with a helpless expression on his face,

"Saint Yuan Ancestor, don't blame me, I am also forced to have no choice."

"Batian, you actually seduced saints from other realms. Do you want to betray the realm of light?"

## Chapter 2003

Saint Yuan Ancestor was very angry when he stared at Saint Ba Tian.

He did not expect that Ba Tian would collude with saints from other realms. Is Saint Ba Tian going to betray the Realm of Light?

Su Chen didn't have time to listen to them yelling and scolding each other.

There was still a saint in the Realm of Light who hadn't been dealt with.

They had been out for more than three months, and it would take several more months to go to the Realm of Darkness. The battle between Heaven and Dao will waste a lot of time. Su Chen has no time to waste time here.

Su Chen ordered the Hulk, "Hulk, deal with this saint. If not, you can only kill him.""

"I will convince the Saint Yuanzu."

After the Hulk heard what Su Chen said, he hurriedly assured Su Chen that no matter what he said, the Saint Patriarch had been his Taoist friend for tens of millions of years, and the Hulk did not want the Saint Patriarch to be killed.

Su Chen clicked Gaia nodded and didn't ask any more questions.

He lowered his head and said to Su Chen,

"Su Chen, if all the saints here are caught, will we destroy the Heavenly Way in the Light Realm?"

Su Chen shook his head and replied, "Let's deal with the Heavenly Dao in the Dark Realm first. If these cannon fodder are not dead, we will come and destroy the Heavenly Dao in the Light Realm."

Gaia nodded when she heard what Su Chen said.

Her guess was correct.

It is impossible for Su Chen to let go of the Realm of Light.

If these Cannon Saint Ashes are all dead, Su Chen will come back to destroy the light in the future. the realm of heaven

"What did you say? Are these two powerful saints the wives of that little scumbag?"

The Hulk spread his hands and said helplessly,

"Saint Yuan Ancestor, now that this is the case, will I still deceive you? My soul is now controlled by that little scumbag, otherwise, how could I have deceived you and been suppressed."

The Saint Yuan Ancestor looked at Nuwa and Gaia and was very helpless.

These two powerful female saints just didn't attack him. The Saint Yuan Ancestor was no match for them. This time he was betrayed by the Hulk. He felt that it was the Green Giant. The giant saved his life

"I understand, a saint is in the fourth heaven and a saint is in the second heaven. Even if you don't deceive me, I will not be a match for any of them."

The Hulk patted the Saint Yuan Ancestor on the shoulder and said, "Saint Yuan Ancestor, hand over a ray of your soul. We have been practicing for tens of millions of years, are you willing to disappear like this?"

"Well, I don't want to disappear into thin air. After living for a long time, I didn't expect that the longer I live, the more I will cherish my life."

"We are powerful saints with endless lifespan. We started practicing from humble beginnings and became saints step by step. We have cultivated to the realm of saints. Who wants to die in the realm of saints?"

The Saint Yuan Ancestors nodded when they heard Hulk's words.

They have cultivated to the saint realm step by step through hardships and hardships. Only saints like them know the murders and hardships encountered along the way..

Later, the Saint Yuan Ancestor also separated a ray of soul and gave it to Su Chen.

In this way,

Su Chen had taken care of the two saints in the Realm of Light, and only one saint was left, which was the second level of the saint.

Saint Su Chen must be dealt with. A powerful saint is crucial to the future battle with Heaven.

Su Chen looked at the Hulk and ordered, "Hulk, there is only one saint left. Which one of you will take down the remaining one?" Did the saint trick you?"

Hulk shook his head hurriedly when he heard Su Chen's words and said,

"I'm afraid this won't work"

"The remaining saint is different from us and has not had much contact with us. That saint has been practicing cultivation and is not interested in anything. It is difficult for us to deceive her."

The Saint Yuan Ancestor also said hurriedly,

"Yes, we have seen her no more than ten times in the past million years. She is a cultivator and the most powerful existence among the saints in our realm of light."

Su Chen was very depressed when he heard the words of the Hulk and Saint Yuan Ancestor.

It seems that he has to take action again this time.

Su Chen originally thought he could be lazy and watch the excitement, but he still needs him to lure the remaining saint.

"I'm going to seduce the last saint.

Nuwa looked at Su Chen and reminded,"Su Chen, be careful. The remaining saint is a saint in the second heaven of saints.""

"Don't worry, I will lure the remaining saint over."

Su Chen waved to Nuwa Empress and Gaia and left quickly.

A saint from the second level of the saints,

Su Chen also had to be careful in dealing with him. Although he was confident that he could escape the saint's pursuit quickly, but if some saints have Even with such a powerful spirit treasure, he might capsize in the gutter.

Outside the barrier of the realm of light,

Su Chen shouted when he arrived here,"Saint who cultivates a mad demon, I heard that you are a cultivating mad demon. No matter how much you practice, you can't do it." He's just a younger brother, so he should come out and get some air."

Su Chen yelled and waited for the last saint to appear.

He didn't dare to anger that saint now.

If the saint didn't show up and slapped him, Su Chen would probably lose all his efforts. He still felt that waiting for the saint to arrive Later, he angered the saint and chased him

"Holy cultivator, are you constipated? I believe you can hear me. Come out quickly. I want to see what kind of saint the cultivator in the Realm of Light is."

"Damn, are you asleep? Or have you fallen into a trap?"

"Damn it, you crazy cultivator, don't force me to scold you, get out of here quickly"

"Let me guess, isn't the crazy cultivator in the realm of light?"

Su Chen was depressed.

He called for a long time but didn't see the last saint appear. He felt that the last saint might not be in the realm of light, otherwise it would be impossible for the saint to appear without being angry. At this moment, behind Su Chen, a The stunningly beautiful woman was glaring at Su Chen. She came when Su Chen shouted for the first time.

"Cultivation madman, are you him?.....Damn it, who are you?"

"snort!"

Su Chen was about to continue scolding the last saint when a cold snort suddenly startled him.

Su Chen turned around quickly and saw a woman appearing behind him, and she was also a very beautiful woman.

Su Chen was so frightened that he hurriedly When he was about to escape, he guessed that this woman might be the last saint.

This beautiful saint was so terrifying.

She appeared silently behind him, without even revealing her breath. The cold and charming woman When the saint saw Su Chen trying to escape, she shouted with a disdainful expression on her face,

"Want to leave? is it possible? Didn't you scold me quite happily just now? Little scumbag, don't you want to see me, a crazy cultivator? Why are you running away now?"

"I'll do it! Misunderstanding, misunderstanding, I was just talking nonsense!"

Chapter 2004

Su Chen was stunned when he saw the cold and beautiful saint blocking his way.

I'm going!

How could this cold and beautiful saint be so fast?

Damn it, it's over now.

The cold beauty stared at Su Chen indifferently and said, "Misunderstanding? Humph, run, keep running!"

"oh! good!"

After Su Chen heard the words of the cold and beautiful saint, he immediately activated the space nodes arranged to escape. Su Chen didn't believe that this cold and beautiful saint could stop him.

Whoosh!

Damn, how come this cold and beautiful lady is like light?

With a flash of white light, this Leng Yan saint appeared in front of him. He might really not be able to escape this time.

Su Chen was very helpless when he saw the Leng Yan saint blocking him again.

This woman is too terrifying,

Leng Yan The beautiful saint is only in the realm of the second heaven of saints. This speed is probably faster than that of the saints in the fifth heaven of saints.

"Still running away?"

Sage Lengyan didn't expect that Su Chen knew the laws of space.

This little scumbag was just a golden immortal, and he could skillfully use the laws of space. Sage Lengyan was a little interested in Su Chen, and

Su Chen hurriedly showed his interest in this beautiful saint. said,

"No more escaping, no more escaping, beautiful saint, I was just joking, you see I am just a little scumbag of a golden fairy, how could I dare to offend a saint?"

"Are you the god of that realm?"

Su Chen said nonsense casually, "In the realm of darkness, I am just a small god in the realm of darkness."

The cold and beautiful saint's face changed when she heard Su Chen's words.

She didn't expect that this little scumbag came from the realm of darkness. The saint of darkness in the realm of darkness, Dark Moon, was a life-and-death enemy between them.

These thousands of For thousands of years, they have been fighting, but their strength is equal.

The cold beauty knows the law of light, and the dark moon knows the law of darkness. They have not decided the winner in these tens of millions of years.

This time, this person knows the law of space. His little scumbag, was that woman from Dark Moon deliberately here to disgust her?

"The realm of darkness? Darkmoon, who are you?"

Dark Moon?

How the hell do I know who Dark Moon is?

Su Chen was speechless when he heard the cold beauty's question.

However, there is a person named Dark Moon in the Dark Realm?

Could it be that Dark Moon is Dark Moon ? A saint in the realm? Even know this cold beauty?

Su Chen looked at the cold saint and continued to talk nonsense, "I am a disciple of the Dark Moon Saint."

The cold and beautiful saint sneered when she heard Su Chen's words,

"Hey, little scumbag, do you think I will believe it? Dark Moon only knows the Law of Darkness. She is so willing to accept you, a little scumbag who knows the Law of Space. Are you deceiving a saint?"

Su Chen was very surprised when he heard the words of Leng Yan Saint.

The Dark Moon Saint in the Dark Realm actually knows the Law of Darkness.

No, the Dark Moon Saint knows the Law of Darkness.

Then this woman can't master the Law of Light, right?

Su Chen thought of the speed at which the cold saint intercepted him. The cold saint suddenly appeared in front of him with a flash of white light. He felt that this cold saint might really know the law of light.

"I haven't become a disciple yet, but if I can provoke the Saint of the Realm of Light and escape this time, the Dark Moon Saint will accept me as a disciple."

After Leng Yansheng heard Su Chen's words, she guessed some reasons.

This little scumbag who knew the laws of space was probably sent by the woman from Dark Moon to disgust her.

This little scumbag's space speed was very fast. So fast, if she didn't catch this little scumbag this time, the next time she fights with Shadow Moon, that stinky woman from Dark Moon will definitely ridicule her.

"So that's it"

"No wonder you, a little scumbag, dare to yell at the saint. That stinky woman Dark Moon is really a coward. So, little scumbag, what do you think I should do with you? Offending a saint is an unforgivable sin."

When Su Chen heard what Saint Leng Yanmei said, he guessed that Saint Leng Yan and the Dark Moon Saint might be rivals.

One light and one darkness.

They are probably as naturally hostile as water and fire.

Su Chen thought about it and felt that there was How to deal with this cold and charming saint?

"Beautiful Saint, you are much more beautiful than the Dark Moon Saint. Otherwise, I will worship you as my teacher!"

"oh! Little scumbag, do you really mean what you say?"

"Sincerely, what I say is 100% true."

Lengyan Sage didn't believe what Su Chen said at all.

She felt that there was no truth in this little scumbag's mouth. Dark Moon is not as beautiful as her? That stinky woman is very attractive and beautiful. This little scumbag must be talking nonsense. ,

"Do you think I will believe you? I think you are a shameless person and you still dare to deceive me. It seems that it is better to kill you with one palm."

I'll go!

Did I say something wrong?

Is the Dark Moon Saint more beautiful than this cold and charming Saint?

Damn, why are the saints in every realm so beautiful?

Su Chen thought of Yin Ji in the Yin and Yang realm, Lingxi in the water realm, Ziyun in the sky wind realm, Lulu in the emerald green realm, Nuwa in the ancient fairy world, and Gaia in the western god realm.

These are all beautiful and glamorous female saints.

Su Chen put aside these messy thoughts. He wanted to find a way to lure this cold beauty to Nuwa.

"What I said is true, beautiful saint, I can take you to the dark moon saint, she is nearby."

The cold beauty asked in surprise when she heard Su Chen's words,"Oh? That stinky woman from Dark Moon has also arrived?"

Su Chen nodded quickly and replied,

"Yes, you see, I am just a little scumbag. It is impossible for me to cross Chaos. Without the protection of the Dark Moon Saint, I will be annihilated by the evil energy of Chaos if I appear in Chaos."

"Where is she now?"

Sage Lengyan somewhat believed what Su Chen said.

It was impossible for this little scumbag to cross the chaos.

She also felt that that stinky woman from Dark Moon must be outside the Realm of Light and was preparing to take over this little scumbag.

"Just at the edge of the realm of light three million miles away"

"Take me there!"

"Yes Yes!"

Su Chen nodded hurriedly and agreed,"

Well, I finally got this cold and beautiful saint.

As long as Su Chen deceives this cold and beautiful saint into Da Nuwa's place, the cold and beautiful saint won't be able to escape even if he wants to.

After a while,

Su In the morning, Leng Yansheng was about to arrive at Nuwa's place.

Whoosh!

Su Chen was suddenly tied up with a Lingbao ribbon, and one end was pulled by Leng Yansheng.

Damn it, was he walking the dog?

Su Chen was walking the dog. Chen's face was dark and he shouted,

"Beautiful saint, what are you doing?"

Chapter 2005

The cold and beautiful Saint smiled when she saw Su Chen's dark face.

She didn't care about Su Chen's opinion.

This little scumbag knew the laws of space.

She was worried that after a fight with Dark Moon, this little scumbag who was full of lies would Will run away.

The cold and beautiful saint pulled the ribbon and shouted,

"Go quickly!"

I'm going to go!

Su Chen was helpless. He was really going to be embarrassed this time.

After a while, Nuwa and Gaia found that he was being taken back like a dog for a walk. They would probably laugh at him for a few days.

"Um? Something's wrong, how come there's the aura that Ba Tian and Saint Yuan Ancestor have been here?"

The cold and beautiful saint suddenly stopped.

She found that something was wrong here, and how could the Tyrant Queen and the ancestor of the saint appear here? The cold and beautiful saint immediately checked the surroundings. She wanted to see if this was a trap.

Su At this moment, Chen looked at the Lengyan Saint with a surprised look.

He did not expect that the Lengyan Saint would be so cautious.

She even noticed the arrival of the Hulk and the Saint Yuan Ancestor. Su Chen was worried that the Lengyan Saint might discover the woman after a while. Wa and Gaia.

Swish, swish, swish.

At this time,

Nuwa, Gaia, and even Hulk and Saint Yuan Ancestor quickly appeared around Lengyan Saint. They immediately surrounded Lengyan Saint. They also felt that something was wrong. It will no longer be hidden.

If Su Chen were not in the hands of the cold beauty,

Nuwa and Gaia would have launched an attack on the cold beauty.

Nuwa hurriedly transmitted a message to the three saints of Gaia.

"Don't speak, and don't let this saint know that we care about Su Chen. Let's first see if Su Chen can get rid of this saint's control."

Gaia, Hulk, and Saint Yuan Ancestor all nodded. They were also very worried about Su Chen's safety.

Hulk and Saint Yuan Ancestor were the most miserable.

Su Chen controlled their souls. If Su Chen was If they are killed by the angry Leng Shuang, they will also die.

The cold beauty grabbed Su Chen with one hand and asked coldly,

"It is indeed a trap, little scumbag, there is no Dark Moon here at all, and you are not a god from the Dark Realm, right?"

The cold and beautiful Saint was very surprised.

He did not expect that Saint Ba Tian and Saint Yuan would take action against her, and even did not hesitate to join forces with saints from other realms.

Moreover, one of these two saints from outside the realm turned out to be a fourth-level saint. One of them has the same cultivation level of a saint as her.

Are they preparing to kill themselves?

Su Chen was caught in the hand of Leng Yan Saint, and even the breath of Leng Yan Saint continued to burst out, He was worried that Leng Yansheng would crush him with one hand in anger.

Su Chen hurriedly said to Leng Yansheng,

"Calm down, calm down, beautiful saint, this time we are going to unite with you to deal with the Realm of Darkness. We are worried that you will not agree, so we deceived you to come here."

"Do you think I would believe it?"

The cold saint stared at Su Chen with a cold face.

This little scum actually dared to deceive her. Now she wanted to kill this little scum immediately.

Su Chen nodded hurriedly and said sincerely, "Really, It's true, everything I said is true"

"You dare to lie to me when you are about to die, little scumbag. Even if I die today, you will die with me."

Su Chen suddenly felt his body being pinched hard by the cold and beautiful beauty.

His face turned red and he hurriedly shouted, "Fuck, stop, if you keep pinching, my body will explode."

"Um?"

Leng Yanmei suddenly discovered that the four saints surrounding him did not take action. They even stared at this little scumbag.

This made Leng Yanmei confused.

Is this little scumbag important to these saints? Is it important?

The cold beauty looked at Su Chen and asked indifferently,

"Little scumbag, what is your identity? Who are those two powerful saints?"

After Su Chen was released by Leng Yansheng, he coughed and shouted at Leng Yansheng,

"Ahem, hey, you stinky woman, are you going to crush me to death? I already said that we will join forces with you to deal with the Realm of Darkness. Don't you, a stinky woman, have no brains?"

When the cold beauty heard Su Chen scolded her, her face turned ugly.

This bastard, she is a saint.

A powerful saint was scolded by a little scumbag. She really wanted to destroy this little scumbag.

The cold and beautiful saint mentioned Su Chen and threatened angrily,

"Do you want to die?"

Damn it, damn woman, as soon as he catches this cold and charming saint, he will definitely take off this stinky woman's clothes."

Su Chen said helplessly,

"Don't you want to kill Dark Moon? We can cooperate. We just want to deal with the Dark Realm."

The beautiful saint stared at Su Chen indifferently and said,

"Huh, do you think I will believe you?"

"You may have to deal with the Realm of Darkness, but are the Tyrant Saint and Saint Yuan Ancestor controlled by you? I'm afraid you have already controlled the souls of Ba Tian and Sheng Yuan. Am I right?"

The cold and beautiful saint looked at Saint Ba Tian and Saint Yuan Ancestor.

She thought that Ba Tian and Sheng Yuan had no reason to deal with her, and she had no conflict of interest with Saint Yuan Ba Tian and Saint Yuan Ba Tian.

She guessed that this little scumbag was in the beginning Seducing the Tyrant Saint, the Tyrant Saint may be controlled by these two powerful saints, and the Saint Yuan Ancestor was also controlled by these two powerful saints.

This time this little scumbag lured her here,

I am afraid he also wanted to control her.

Let me go!

Is the cold and beautiful saint so smart?

Can you guess all this?

Su Chen is a little bitter.

Since the cold and beautiful saint can guess this, she will definitely not let him go easily. Nuwa and Gaia saw it They were in the hands of the cold and beautiful saint, and they did not dare to suppress the cold and beautiful saint.

Su Chen decisively admitted,"Yes, Ba Tian and the ancestor of Saint Yuan are both under our control. Beautiful saint, if we can cooperate, We swear we won't attack you"

"Little scumbag, do you think I can trust you? Su

Chen coughed awkwardly,"Ahem, I can still believe it. I never cheat on beautiful women?""

The cold saint looked at Su Chen and mocked,"What happened just now? Weren't you the one who just talked nonsense?"

At this time,

Nuwa Empress said to the cold beauty with a cold face, "What Su Chen said is what we mean. Saint of the Realm of Light, let go of Su Chen, we will not take action against you."

"It's okay for me to let go of this little scumbag, but this little scumbag must give me a ray of soul. I have to control his life and death, otherwise I won't let go of this little scumbag."

Chapter 2006

The cold beauty looked at the Nuwa Empress and made an unquestionable decision.

She found that this little scumbag who kept talking was a bit unusual. The two powerful female saints seemed to care about this little scumbag very much, which made her wonder. Understood.

A golden bastard, what is so special about this little bastard?

Is it because this little scumbag knows the laws of space?

This is not right.

Although gods who know the laws of space are very rare in various realms, a little scum who knows the laws of space will not make any saint care at all. boom!

"You are seeking death!"

Nu Wa burst out with a powerful aura after hearing the words of Leng Yan Saint.

Nu Wa did not expect that Leng Yan Saint would dare to control Su Chen. It was absolutely impossible for her to agree to Leng Yan Saint's condition.

Su Chen was not only a person in Xuantian Realm The Emperor of Heaven is the hope of all of them. If this cold and beautiful saint dares to insist on this condition, she will explode the law and rescue Su Chen.

Gaia threatened the cold and beautiful beauty with a cold look on her face,

"Let go of Su Chen, we can let you go, and we won't even hunt you down. If you want to insist on controlling Su Chen, you should understand that we can rescue Su Chen at some cost, and even kill you on the spot."

Sage Lengyan didn't care about the threats from Nuwa and Gaia.

The more Nuwa and Gaia threatened her, it showed that this little scumbag was very important to them.

Saint Lengyan looked at Su Chen and was very curious. "Little Zhazha, I'm interested in you now. I didn't expect two powerful saints to care so much about you."

Su Chen said with an indifferent expression, "What you did today will make you regret it."

"regret? Maybe, but that will happen in the future, little scumbag, hand over a ray of your soul, or I will crush you."

Su Chen nodded with an ugly face and said,

"OK, I'll hand it over!"

"Su Chen, if you can't hand it over, we will find a way to save you."

"Su Chen, don't hand it over, I have a way to save you."

After Gaia and Nuwa heard what Su Chen said, their expressions changed drastically and they stopped Su Chen and said,

"You don't need to say more, I have already decided."

Su Chen waved to Nuwa Empress and Gaia, cold beauty saint?

I will let you taste the power of the black tower in a while, damn, you dare to threaten yourself, this time I must strip you naked.

Nuwa and Gaia heard Su Chen's words and even the look Su Chen made just now.

They looked at each other and did not stop them. They also wanted to know what Su Chen was going to do?

Hulk Ancestor He Shengyuan looked at Su Chen without saying anything.

They now wished that Leng Shuang could control Su Chen so that they would regain their freedom.

"cut!"

Su Chen suddenly cut off a piece of his soul with a painful look on his face.

The Hulk's expression suddenly changed.

He just sensed that Su Chen was holding his soul in his hand, this damn little scumbag, this bastard. Actually cheating,

Hulk did not expect that Su Chen would use his soul to fool Leng Shuang.

However,

Hulk looked at Su Chen bitterly and did not dare to stop him. There were two powerful saints next to him. If he dared to say If that ray of soul belonged to him, Nuwa and Gaia would probably annihilate him immediately. With an ugly expression on his face, Su Chen handed the soul to the cold saint and said,"Here it is, I hope you keep your word!"

"I, Leng Shuang, will not be as shameless as you."

Leng Shuang looked at Su Chen and smiled and accepted the Yuanshen.

With this Yuanshen here, she will be able to control this little scumbag in the future, and she can even figure out what is so special about this little scumbag..Su

Chen heard the cold and beautiful saint call Leng Shuang, which made him look at Leng Shuang's cold face again. It was indeed very cold, but after a while Leng Shuang's face would become even colder, and even more so. red,

"Leng Shuang, can you let me go?"

"Humph, do you think I am willing to mention you, this shameless bastard?"

Leng Shuang dropped Su Chen with a cold face, and even took the ribbon back.

Leng Shuang now controls Su Chen's spirit. Nuwa and Gaia don't dare to take action against her unless they don't care about this little scum. The scumbag's life and death.

When Su Chen returned to Nuwa, he suddenly shouted, "Nuwa, Gaia, take action to suppress this hateful female saint."

Boom!

After Nuwa and Gaia heard Su Chen's words, they quickly took action without hesitation.

Leng Shuang looked at Nuwa and Gaia who attacked her in surprise. She did not expect that Su Chen would I don't care about life or death, but I still have to suppress her.

"The law of light, the speed of light!"

"Map of mountains and rivers and the country!"

Boom boom.....

Nuwa sacrificed her best innate spirit treasure and blocked the surrounding area.

She looked at Leng Shuang and said coldly, "Leng Shuang, you can't escape."

Leng Shuang saw that the surrounding space was blocked, her speed was No matter how fast it was, it was useless.

Leng Shuang took out Su Chen's soul and threatened Nuwa and Gaia,

"Damn it, if you dare to suppress me, I will completely wipe out that little gangster's soul."

"Ha ha....."

When Su Chen heard Leng Shuang's words, she laughed and said, "Beauty Leng, do you think that soul is mine?"

Leng Shuang had a bad feeling in his heart when he heard Su Chen's words, but this soul was indeed mine. That little bastard just cut it off, she could see that clearly.

This little bastard isn't going to deceive himself again, is he?

Leng Shuang grabbed the Yuan Shen in his hand and said in disbelief, "I saw the Yuan Shen you just chopped off. Of course this is your Yuan Shen. You little bastard, don't even think about deceiving me." At this time, the Hulk was bitter. With a straight face, he hurriedly shouted to Leng Shuang,

"Saint Leng Shuang, never destroy that soul, that soul is mine."

When Nuwa and Gaia heard what the Hulk said, they looked at Su Chen and understood.

Su Chen not only knew the laws of space, but also the laws of time.

Su Chen had just cut off the soul and could exchange it in just an instant. , Leng Shuang, the female saint, is going to be unlucky this time.

Leng Shuang was confused when she heard the Hulk's words.

She looked at Su Chen with a confused look on her face.

Leng Shuang didn't expect that the spirit in her hand turned out to be the Hulk. Yes, how did this bastard do it?

Leng Shuang clearly saw that this little bastard was killing his soul. How could this little bastard change his soul under her eyes?

"Suppression!"

"Suppression!"

Boom boom boom boom.....

The two powerful auras directly enveloped Leng Shuang.

Nuwa and Gaia could now take action without any scruples. They were also very angry with this Leng Shuang Saint. They wanted to teach this man who threatened them a lesson this time. saint.

I go!

Are Nuwa and Gaia trying to teach Leng Shuang a lesson?

"Nuwa, Gaia, don't be harsh, don't forget our purpose?"

Chapter 2007

Su Chen saw that Nuwa and Gaia were both furious.

He was also worried that Nuwa and Gaia would defeat Saint Leng Shuang.

They would go to the realm of darkness to fight against the heavens soon. Leng Shuang was considered a powerful helper, Su Chen did not expect that after entering the Dark Realm, Leng Shuang would be seriously injured and unable to fight.

Boom boom boom..... puff!

Leng Shuang faced the attacks of two powerful saints.

She did not sit still and waited for death.

She used the law of light to the extreme. However, this area was blocked by Nuwa's Lingbao Mountain River Sheji Map. Leng Shuang could not stand in this small area at all. It would be impossible to bring out the power of her Law of Light.

Leng Shuang faced the attacks from Nuwa and Gaia, but she was still injured

"Suppress her. I'll teach her a lesson later when I have time."

Nu Wa saw Leng Shuang vomiting blood after being attacked, and she also stopped attacking.

Su Chen was right.

This Saint Leng Shuang in the Light Realm is still useful. If they seriously injured Leng Shuang, Leng Shuang would probably It won't recover for hundreds of years.

Gaia nodded and agreed,

"OK, suppress!"

"Suppression!"

Boom boom boom.....

The powerful auras of Gaia and Nuwa enveloped Leng Shuang.

Leng Shuang was suppressed in an instant and lost the ability to resist.

The gap in cultivation realm was too big.

If Leng Shuang was in the third level of Saint Realm, she might still be able to fight for more than ten years. Invincible, but now, she simply cannot resist the combined suppression of Nuwa and Gaia

"Black Tower, collect it from me!"

At this time,

Su Chen came to the suppressed Leng Shuang.

He took out the Demonic Tower of Desire and took Leng Shuang inside.

Su Chen did not forget to strip away the female saint who threatened him.

Ahem!

Mainly because Leng Shuang is also very beautiful, and her figure is even more curvy.

Su Chen will not give up this opportunity to enjoy the beautiful scenery.

"Su Chen, why don't you take care of the Frost Saint now?"

When Gaia saw Su Chen using the Demonic Tower of Desire to absorb Leng Shuang, she was very speechless.

Gaia knew that women who were taken in by the Demonic Tower of Desire would be completely naked. This bastard probably wanted to admire Saint Lengshuang. With a perfect body, he is really a shameless pervert.

Su Chen touched his nose and said with a smile,

"Let Leng Shuang suffer some pain first, and then we can deal with this Saint Leng Shuang when we get to the Realm of Darkness."

Nuwa Empress scolded Su Chen with a look of contempt, "Huh, you are just a shameless pervert."

Nu Wa also knows the efficacy of the Demonic Tower of Desire.

The ability of the Demonic Tower of Desire makes Nuwa want to destroy it. It is so disgusting.

As long as a woman is imprisoned in the Demonic Tower of Desire, her clothes will be taken away and turned into light. With such a slippery appearance, he couldn't even put on a Lingbao dress. This Demon Tower of Desire is a perfect match for this bastard Su Chen.

Su Chen coughed awkwardly and said,

"Ahem, okay, the three saints in the Realm of Light have been taken care of, let's rush to the Realm of Darkness now."

Nuwa and Gaia nodded when they heard Su Chen's words, and they were about to take Su Chen to the Realm of Darkness.

Su Chen looked at the Hulk who was thinking about something and threatened,

"Hulk, although your soul is still in the hands of Leng Shuang, you'd better be more honest. Leng Shuang will also be controlled by me in the future. If you don't want to die, don't do things I shouldn't do."

"I see!"

The Hulk nodded hurriedly.

He was now very afraid of Su Chen.

This little scumbag was too insidious. Leng Shuang, a smart saint, was tricked by this little scumbag in the end. He would not dare to offend this person in the future. Insidious little scumbag

"Let's go to the realm of darkness!"

Nu Wa and Gaia flew quickly in front with Su Chen. The Hulk and the Saint Yuan Ancestor looked at each other and hurriedly followed.

They also understood that

Su Chen and Nu Wa were coming to the Realm of Light. To conquer them.

Now they go to the Realm of Darkness.

They guess that the two saints in the Realm of Darkness may not be able to escape the fate of being controlled.

In the Demon Tower of Desire,

Leng Shuang squatted on the ground with a face of shame and anger.

She did not Thinking that after being imprisoned in this spiritual treasure, the clothes on her body disappeared.

No matter how Leng Shuang put on the clothes, the clothes on her body disappeared. Leng Shuang thought of Su Chen, that shameless little scumbag, and she was ashamed and angry. I just wanted to twitch that little bastard and peel off his skin.

More than a month later,

Su Chen and the others were less than a month away from the Realm of Darkness.

After more than a month,

Su Chen was already numb from teasing Leng Shuang.

Every part of Leng Shuang's body had been seen by Su Chen, and Su Chen even activated the energy of desire in the Demonic Tower of Desire. Leng Shuang also felt the pain of lust that the energy of desire brought to her. Leng

Shuang Frost has never experienced lust in thousands of years.

She was really tortured by Su Chen this time.

Su Chen looked at the Demon Tower of Desire and teased, "Beauty Leng Shuang, do you want to taste the desire?" The benefits of anger?"

Leng Shuang heard Su Chen's voice, she hurriedly squatted on the ground to block her body and cursed,

"Shameless bastard, I will definitely kill you, I will definitely cut you into pieces, and you will definitely die a bad death in the future."

After Su Chen heard Leng Shuang's scolding, he smiled and said to Leng Yan,

"Lengshuang beauty, it seems you are still not convinced, the Desire Qi package, one month? Three months? One year? Leng Shuang, which package do you want to choose? I will definitely satisfy you"

"Shameless devil!"

Leng Shuang trembled with anger when she heard Su Chen's words.

This damn bastard,

Leng Shuang doesn't want to feel the energy of desire anymore, and she doesn't want to try that taste again.

Su Chen saw Leng Shuang's body trembling with anger, and he I guess Leng Shuang was extremely angry.

However, this cold and beautiful saint brought this upon herself.

She dared to threaten him and even almost killed him. If Su Chen hadn't seen that Leng Shuang was still useful, he would have asked her to Wa and Gaia killed Leng Shuang

"I see you are still unwilling to give in, Leng Shuang, do you still remember what I said? I said you will regret it. This is still the beginning. In the Tower of Desire, it is impossible for you to commit suicide even if you want to."

"Damn it, I should have crushed you right then!"

Leng Shuang regretted it very much.

If she had killed this shameless bastard directly, she would not have been humiliated by this shameless bastard.

"Leng Shuang, I want to crush you too.....Ahem, I decided to give you a one-year desire package"

"Shameless, shameless devil, what on earth are you going to do?"

Leng Shuang is ready to compromise. How has she felt the energy of desire for a year?

Leng Shuang thinks she will go completely crazy. If she were to be able to commit suicide, she would have committed suicide long ago.

"Hand over the Hulk first.....cough! The soul of the Tyrant Saint, Leng Shuang, you only have one chance. If you are not honest, the one-year package will start now."

Chapter 2008

Su Chen heard that Leng Shuang was about to give in.

He didn't expect that after just over a month,

Leng Shuang, a cold and beautiful saint, could not stand it. It seemed that this old maid who had lived for tens of millions of years was very sensitive to the energy of desire. of fear.

Su Chen thought for a while and asked Leng Shuang to hand over the Hulk's soul first. He didn't want Leng Shuang to steal the dragon and turn it into a phoenix.

However, after a while Leng Shuang handed over her soul.

Su Chen didn't plan to release Leng Shuang right away.

It would take less than a month to reach the realm of darkness. Su Chen also wanted to appreciate Leng Shuang's beautiful figure more.

There was nothing to pass the time in the chaos.

Su Chen has this cold and beautiful saint to tease him, so he won't feel bored along the way.

After a while,

Leng Shuang handed over the Hulk's soul first, and then she was threatened by Su Chen to hand over a ray of her soul.

After Leng Shuang handed over her soul, she felt very uneasy.

If this little scumbag wanted to do those disgusting things to her, she might not be able to resist.

However, she thought that if this little scumbag came out of the Demonic Tower of Desire, , that little scumbag still dares to humiliate her like this, Leng Shuang will explode and die together with that little scumbag.

She coldly shouted to Su Chen, "You can let me out!"

Su Chen shook his head and said to Leng Shuang with a smile,

"Not yet, Leng Shuang, we will arrive in the Realm of Darkness in less than a month. You'd better think about how you can lure Dark Moon here after thinking about the Realm of Darkness."

Leng Shuang cursed angrily after hearing Su Chen's words, "Shameless bastard, you actually broke your promise."

"No, Leng Shuang, it's only been less than a month. Do you think I'm going back on my word?"

Leng Shuang is really angry.

This damn little bastard.

If Su Chen, this shameless bastard, doesn't let her out now, he will definitely continue to spy on her.

"Shameless, you shameless pervert, you are not allowed to spy on me in less than a month."

Su Chen looked at Leng Shuang's blushing and angry look, and he coughed and said,

"Ahem, Leng Shuang, I'm worried that you'll be lonely here. I'll come over to see you every day. Don't be moved. This is what I should do. That's it for today. I'll come to visit you again tomorrow."

"Shameless!"

Su Chen smiled when he heard Leng Shuang's scolding.

This time he has completely defeated Leng Shuang.

With the addition of a saint from the second level of heaven, he will deal with two saints in the realm of darkness in the future. Su Chen's hand There are seven powerful saints available here. The seven powerful saints should be able to attack the Heavenly Dao in the Dark Realm, right?

When Gaia saw Su Chen smiling, she asked doubtfully,

"Su Chen, have you dealt with the Frost Saint?"

Su Chen sat on Gaia's shoulders and hugged her shoulders and said,"It's done, Saint Leng Shuang has handed over his soul."

"Then why didn't you let her out?"

"That woman almost killed me, I have to teach her a few more days, and when I get to the Realm of Darkness, I will let her out"

"You are a shameless pervert."

The female saint sneered when she heard Su Chen's words.

She was speechless for this bastard.

This bastard has many women in Xuantian Realm, and now he is even interested in other women.

This bastard will die at the hands of women sooner or later. There.

Su Chen smiled awkwardly when he heard what Nuwa said.

He did not refute Nuwa.

He had planned evil intentions against the cold frost saint. Nuwa and Gaia probably knew it well.

Twenty days later,

Su Chen In the morning, they arrived outside the Dark Realm.

Su Chen looked at the Dark Realm Ji and shook his head. I am afraid there are not many living things in this realm. The whole realm was dark. The Dark Realm is indeed the Dark Realm..

Whoosh!

Su Chen also released Leng Shuang. Now that she has arrived in the realm of darkness, Leng Shuang must also play her role.

Su Chen looked at Leng Shuang's ugly face, and he hurriedly ordered,

"Leng Shuang, go and lure Dark Moon and another saint here. We must fight quickly."

Su Chen was also worried that Leng Shuang would openly say what he said to tease her.

Nuwa and Gaia were both here.

Although they knew they would spy on Leng Shuang, they didn't know that Su Chen would tease Leng Shuang verbally.

Leng Shuang. Shuang glared at Su Chen fiercely and disappeared quickly.

She didn't have the face to see this bastard now, and she didn't even have the face to see Nuwa and Gaia. Leng Shuang could tell something from the eyes of Nuwa and Gaia just now. With a sympathetic look, she guessed that Nuwa and Gaia must know what the Magic Tower of Desire does. Damn the shameless bastard, if Leng Shuang gets rid of this shameless bastard in the future, she will definitely make this bastard unable to survive or die.

"We are all ready to take action in a moment. We must quickly deal with the two saints in the realm of darkness."

"good!"

Nuwa and Gaia both nodded.

It has been almost half a year since they came out of Xuantian Realm.

Xuantian Realm has just begun to develop. They are also worried that accidents will happen in Xuantian Realm.

"We are also ready!"

The Hulk and Saint Yuan Ancestor also nodded to Su Chen.

They did not expect that after Leng Shuang was released, Leng Shuang would obey Su Chen's orders.

They felt that Su Chen was too insidious and cunning.

Saint Leng Shuang had always Ao Ao is not threatened, and it is even more impossible to surrender to anyone. However, in just two to three months, Su Chen actually defeated the Frost Saint, which made them feel incredible.

In the space barrier,

Su Chen and the female People like Wa are hiding inside, waiting for the two saints who will be lured by Leng Shuang for a while.

Boom boom boom.....

Half an hour later, there was a roar of fighting in the distance.

Saints such as Su Chen and Nuwa looked at each other. They all knew that Leng Shuang had lured the saints from the Dark Realm.

A seductive woman's voice came from afar,

"Leng Shuang, you little bitch, weren't you so impressive just now? Don't you want to deal with us two saints alone? What are you running for now?"

Leng Shuang was about to arrive at Su Chen's place.

She turned around and taunted An Yue,

"Dark Moon, am I running away? I used the law of light. Did you see me escaping from the realm of darkness?"

Behind, a plump and beautiful woman in black is chasing Leng Shuang.

She exudes an aura of temptation. Her every frown and smile are very attractive. Her black eyes are more like black holes, making people unable to look at her. Extricate yourself.

She shouted with a charming face,

"Leng Shuang, I will beat you until you vomit blood in a moment. You dare to come to the realm of darkness this time. If I don't let you escape back to the realm of light in an awkward manner, I will not be the Saint of Darkness, Dark Moon."

"I am waiting!"

Leng Shuang dodged the attack and quickly moved towards Su Chen.

A black-clothed saint next to Dark Moon suddenly felt something was wrong.

He looked at the charming and seductive Dark Moon and asked, "Dark Moon, why do I feel Leng Shuang? Are you trying to lure us here on purpose?"

"Mingtian, you are overthinking. Leng Shuang is an aloof, friendless and stupid woman. The other saints in the Realm of Light have nothing to do with Leng Shuang, so what conspiracy can she have on her own?"

Chapter 2009

At this moment,

Su Chen and Nuwa Empress saw that Leng Shuang had arrived, and the two saints from the Dark Realm were also chasing them. Su Chen nodded to the saints around him.

Dark Moon saw Leng Shuang stop, she quickly reached Leng Shuang and taunted,

"Leng Shuang, why don't you run away, you little bitch? Do you want to beg me for mercy?"

"You are wishful thinking!"

Leng Shuang's face was so cold that she wanted to hiss at An Yue's mouth.

This damn woman's mouth is still so poisonous.

However,

An Yue will feel better after a while. Su Chen's pervert will definitely be very seductive to An Yue's figure. Interested.

Ming Tian looked at Leng Shuang and was very confused.

Why didn't Leng Shuang run away?

Leng Shuang was not their combined opponent at all. So what was Leng Shuang going to do if he stayed?

Waiting to die?

This It's simply impossible

"Something is wrong, Dark Moon, something is wrong, Leng Shuang is not running away, there must be a conspiracy, we have to be careful"

"What are you afraid of? Just here.....who?"

An Yue was about to tell Ming Tian that there would be no conspiracy, but the auras of four saints suddenly appeared around her. An Yue was so nervous that she hurriedly shouted.

Nuwa looked at An Yue and Ming Tian and said coldly," The saints in the Dark Realm claim their own cultivation, otherwise we will take action."

The fourth heaven of saints?

There is also a second heaven of saints?

Saint Tyrant and Saint Yuan Ancestor are also there?

An Yue looked at Nuwa and the others with some fear. She did not expect that Leng Shuang would unite with so many saints to deal with them. Among them, there was also a powerful saint from the fourth level of the Holy Realm.

Dark Moon looked at Leng Shuang and shouted angrily, "Leng Shuang, you actually plotted against us."

Leng Shuang said coldly when facing Dark Moon,

"Dark Moon, I will tear your vicious mouth apart in a moment."

Boom!

Nuwa burst out with a powerful aura and threatened,

"In three breaths, if you don't claim your own cultivation level, you will all be suppressed. When the time comes, you can think about the consequences."

"Darkmoon, what should we do?"

Mingtian was very frightened when he looked at the five saints around him.

Three of these saints were stronger than him, and the remaining two saints were at the same level of cultivation as him.

He and An Yue couldn't escape at all.

An Yue's face was very ugly at the moment.

She didn't expect that she would be tricked by the bitch Leng Shuang today.

This damn bitch, when did Leng Shuang contact two powerful saints?

An Yue knew that she was going to fall into trouble this time. , if they are in the realm of darkness and have the help of heaven from the realm of darkness, Dark Moon will not worry about these saints at all, but this place is far away from the realm of darkness, and it is impossible for heaven to come here to help them.

"We call ourselves cultivators!"

An Yue was dejected and proclaimed himself a cultivator.

She couldn't escape at all.

If a fight broke out,

An Yue might be suppressed within a few breaths. She didn't want to fight unnecessarily.

Ming Tian then also proclaimed himself a cultivator. Because,

Mingtian saw that even the powerful Dark Moon was captured without any help. It was impossible for him, a saint in the first level of the Holy Realm, to resist.

Bang bang bang!

At this time,

Su Chen appeared and clapped his hands and praised Leng Shuang's beauty,

"Leng Shuang, you did a good job this time, I will reward you well in the future"

"Go away, don't come near me!"

Leng Shuang saw Su Chen coming to her side, and she appeared on the other side in a flash. This shameless pervert, Leng Shuang didn't want this bastard to get close to her.

Let me go!

Isn't Leng Shuang's beauty still untamed?

Damn,

It seems that there is a chance to imprison the cold beauty Leng Shuang for another month.

Su Chen shook his head and planned to do business first. He would never let go of Leng Shuang, this cold beauty.

Su Chen looked at An Yue and Ming Tian and said coldly , "Hand over a ray of your soul, or die!"

An Yue and Mingtian were very surprised when they saw a little golden fairy appearing here.

Especially Leng Shuang seemed to be very afraid of this little golden fairy, which made them even more confused.

They did not expect Su Chen They actually asked them to hand over a ray of soul.

Wasn't it supposed to be the powerful female saint? How could a little scumbag from the Golden Immortal come to threaten them?

Dark Moon looked at Su Chen and shook her head and said,

"Little brother, this is not what you should do. Let your master come and talk to us."

Little brother?

Master?

Damn it!

Su Chen's face turned dark when he looked at An Yue.

This is the first time someone has called him this little brother.

Master?

Nuwa and Gaia are both their own women, cough Cough!

Nuwa will never be able to run away again.

"Dark Moon, I am not a little brother, and they are not my masters. You should hand over a ray of soul quickly, otherwise, I will be rude to you."

Dark Moon stretched out seductively and said with a smile, "Oh! Why are you being rude to me?"

"I go! Dark Moon, are you tempting me? Be careful when my wife comes and kills you."

Su Chen looked at An Yue's sexy figure, charming face, proudly erect mountains, and her whole body was full of temptation. Su Chen felt very angry.

"Wife?"

Dark Moon was very tempted when she heard Su Chen's words.

There are some powerful saints here. How could this little scumbag have a wife here?

Su Chen pointed at Nuwa and Gaia and said in a showy way,

"Did you see that these two powerful saints are my wives?"

An Yue looked at Nu Wa and Gaia and was very surprised.

These two powerful saints are the wives of this little scumbag?

Is this a joke?

However,

An Yue found that neither Nu Wa nor Gaia had any objection. He didn't even kill this little scumbag.

An Yue looked at Su Chen and felt incredible.

Leng Shuang and Mingtian were also very shocked when they looked at Su Chen.

They didn't expect that Nuwa and Gaia would be Su Chen's wives. This But two extremely powerful saints, how could they commit themselves to a little scumbag of the Golden Immortal?

Leng Shuang understood now. No wonder the two female saints Nuwa and Gaia cared about this little scumbag when they were in the Realm of Light.

, it turned out that they were the women of this little scumbag.

Su Chen smiled and threatened An Yue, "An Yue, hand over your soul, or I will imprison you in the black tower. The cold beauty has tasted the black tower. Taste it, Dark Moon Beauty, do you want to taste it too?"

"I hand it over!"

An Yue hurriedly replied after hearing Su Chen's words.

She didn't expect that Leng Shuang was also controlled by this little scumbag.

Black Tower?

This is definitely not a good place.

She thought that even Leng Shuang couldn't bear it and handed over her soul. , Dark Moon will not be stupid enough to try it.

"Huh? Dark Moon, why don't you hold on? If you agreed so readily, I would be embarrassed to imprison you in the black tower."

Chapter 2010

Su Chen was very puzzled when he saw An Yue handing over his Yuan Shen neatly and neatly.

The cold beauty didn't agree to hand over her Yuan Shen at that time. Why didn't An Yue insist on handing over her Yuan Shen for a few days?

Su Chen originally thought that An Yue would object like Leng Shuang, and he was also going to imprison An Yue's very tempting female saint in the black tower. Now he is embarrassed to imprison An Yue in the black tower again.

An Yue snorted coldly when she heard Su Chen's words,

"Huh, Heita knew it was not a good place as soon as she heard it. Besides, that bitch Leng Shuang couldn't bear it and even handed over her soul. I'm not that stupid bitch Leng Shuang."

Su Chen smiled when he heard An Yue's words and said, "Haha, you are really smart!"

When Mingtian saw An Yue handing over his soul, he also hurriedly handed over his soul.

He was just a small figure among these saints. Mingtian didn't want to be punished before handing over his soul.

Su Chen looked here. The saints ordered, "Get ready to kill the Heavenly Dao in the Dark Realm soon.""

"What? Do you want to destroy the way of heaven? Are you crazy? The Dao of Heaven exists in the fifth heaven of the Holy Realm, and we people cannot destroy the Dao of Heaven at all."

Leng Shuang was shocked when she heard Su Chen's words.

She originally thought that Su Chen just wanted to control saints like them. She didn't expect that this bastard wanted to destroy the way of heaven?

Can the way of heaven be destroyed?

An Yue said with an angry look. He shouted loudly to Su Chen,

"You actually want to destroy our realm of darkness. I won't agree. This is our realm of darkness."

The Hulk, Saint Yuan Ancestor, and Ming Tian all had surprised expressions.

They were frightened by Su Chen's thoughts.

Tiandao?

Tiandao exists in their hearts that they are in awe of.

This little scum actually wants to take advantage of Tiandao. This Do you want them all to die?

Su Chen said expressionlessly,

"I'm not negotiating with you. Who doesn't agree to stand up? I can blow your mind away."

Dark Moon glared at Su Chen's chest and shouted, "You.....You are asking us to die."

Su Chen shook his head and said,

"To die? No, for a Heavenly Dao in the fifth level of the Holy Realm, so many of you saints will definitely be able to destroy the Heavenly Dao."

Leng Shuang explained helplessly,

"The fifth level of the Holy Realm is very powerful, and the 12th level of the Holy Realm, one reaching the sky, the difference in strength between each level is very large, it is impossible for us saints to destroy the Heavenly Dao in the Dark Realm."

Su Chen waved his hand and reminded these saints,

"Stop talking nonsense. You five saints will be led by my wives to attack the way of heaven. You must also obey the arrangements of my wives. I will watch from the side. If any of you dares to work without contributing, then don't blame me for being ruthless."

Leng Shuang and Dark Moon were very helpless when they heard Su Chen's words. Their lives were in the hands of this little scumbag. If they didn't want to die, they had to obey this bastard's orders.

Su Chen looked at Nuwa and Gai Ya said worriedly, "Nuwa, Gaia, you can take them there. If that doesn't work, we will retreat. You all need to pay attention to your safety."

Su Chen has also seen the battle between the Chaos Demon God and the Heavenly Dao. At that time, the Yin-Yang Demon God in the fifth heaven of the Holy Realm was very miserable. He did not want Nuwa and Gaia to suffer the same fate as the Yin-Yang Demon God.

If it was not possible,

Su Chen could only give up the destruction of heaven in the realm of darkness

"We understand!"

Nu Wa and Gaia nodded when they heard Su Chen's words.

Nu Wa and Gaia also knew that Su Chen was worried about them. It was also their first time to fight against the powerful Heavenly Dao. It was impossible to say that they were not afraid.

"Okay, you go ahead. I also need to prepare some gadgets. I hope they will be helpful to your battle."

"Um!"

Nu Wa and Gaia brought the five saints with sad faces, and they quickly flew towards the realm of darkness.

Su Chen saw Nu Wa and the others leaving. He looked around and disappeared. Earth.

Su Chen stopped three hundred thousand miles away from the Realm of Darkness. He took out a metal stick hundreds of miles long from the system space.

Su Chen placed the long metal stick here. , he looked at this long golden stick and disappeared here.

Several times in a row,

Su Chen placed ten such sticks outside the realm of darkness. Wouldn't heaven bring down thunder and calamity? He just wanted to try these Can the metal stick guide the thunder tribulation over?

Boom boom boom.....

Su Chen heard that the fighting had begun outside the Dark Realm barrier. When he looked outside the Dark Realm barrier, his face turned dark,

Damn!

How come

Hulk and Mingtian were struck by lightning and vomited blood as soon as the battle started?

They must all be fake saints

"combine!"

Su Chen looked at the fighting saints and shook his head. I

'm afraid it won't take long for such a battle, and some of those low-level saints will fall. Su Chen hurriedly started to move ten metal sticks hundreds of miles long. There were several people around. Ten pillars within a hundred thousand miles suddenly burst out with light, and then the ten pillars quickly burst out with a light. These lights quickly linked the ten pillars to each other.

Boom boom boom.....

Just as the ten pillars were connected, the Heavenly Punishment from the Dark Realm in the Sky was guided over, and the huge roaring sound made Su Chen feel dizzy.

Success!

The lightning rod really did the trick.

Damn it, get out of here quickly, it's too dangerous,

Su Chen doesn't want to be killed by the lightning that is being directed towards him.

At this moment,

Nuwa and several saints from Gaia were originally prepared to receive the attack from Heaven's Thunder Punishment, but the thunder punishment struck by them struck the wrong place.

No, it should be said that they were led away, which surprised them all.

Gaia suddenly shouted to Nuwa and everyone,

"It's Su Chen. Look, Su Chen actually used ten huge pillars to guide Lei Jie away."

Gaia saw that Su Chen was moving away from those tall and big pillars. She guessed that Su Chen was helping them fight against the punishment of heaven.

That little bastard could actually lead away the punishment of heaven?

Gaia was getting more and more interested in Su Chen. Satisfied, although Su Chen was a scumbag, that bastard was really smart.

After Nuwa looked at Su Chen in shock, she hurriedly ordered,

"They all continue to attack. Now that Heaven's Punishment can't hit us, we must kill the Eye of Heaven as soon as possible."

Boom boom boom.....

After the saints like Leng Shuang heard Nuwa's order, they also reacted.

Now is not the time for these saints to be curious. They will use this opportunity to quickly destroy the Eye of Heaven.

While attacking the Eye of Heaven, Dark Moon shouted to Leng Shuang beside him,

"Leng Shuang, that little scumbag can actually lead away the punishment from heaven. This is really incredible."

"That little scumbag is not only a shameless pervert, but also an insidious and cunning bastard!"
