Chapter 2051

Su Chen was a little dissatisfied with Cao Chun.

Cao Chun promised ten days ago that he would catch Xiao Qiao in three or four days. It has been more than ten days and there is still no sign of Xiao Qiao. Su Chen is speechless for this boastful Cao Chun..

Cao Chun nodded and agreed.

Three days should be enough.

Cao Chun's people are about to find Xiao Qiao. He will definitely kidnap Xiao Qiao in three days.

At this time, a burly man arrived.

He patted Su Chen on the shoulder and asked in a low voice,

"Su Chen, do you want a beautiful woman?"

Su Chen was very speechless when he heard what this burly man said.

Xu Zhu,

Cao Cao's personal guard general, why did this stupid big guy come to join in the fun?

A beauty?

This bastard has a pretty girl.

"Xu Zhu, you have a pretty girl."

Xu Zhu smiled when he heard Su Chen's words and said,

"Hey hey hey, I don't have it, but I can get you a beautiful woman, Su Chen, three bottles of Erguotou, I will definitely get you a top-notch beautiful woman. Su

Chen curled his lips and said mockingly, "Damn, Mr. Xu, you are trying to get away with nothing. I haven't even seen the beautiful woman, and you want wine. What if you trick me?"

"Su Chen, how could I, Xu Zhu, deceive you? My people found out about a beautiful woman in Jingzhou. I will capture it for you in the next few days."

"What beauty? What is your name?"

"I forgot her name, but my people found out in Jingzhou that this woman is very talented. She seems to be the daughter of a great Confucian named Huang Shiyan."

"Huang Chengyan?"

"Yes, yes, his name is Huang Chengyan!"

Su Chen's eyes lit up when he heard Xu Zhu's words,

Huang Chengyan?

Isn't this Huang Yueying's father?

Damn it,

Huang Yueying hasn't married Zhuge Liang yet?

However, isn't Huang Yueying rumored to be an ugly girl? How could Xu Zhu say that she is? A beautiful woman?

Su Chen thought about it and decided to let Xu Zhu catch it first. If three bottles of Erguotou could be exchanged for a beautiful woman, it would be a very good deal.

"Xu Zhu, three bottles of Erguotou, I want to see someone within three days!"

When Xu Zhu heard Su Chen's words, he immediately patted his chest and promised,

"Su Chen, don't worry, I'll arrange for someone to catch you in less than three days."

"I will ask someone to send you three bottles of Erguotou"

"Haha, okay, okay!"

Xu Zhu laughed when he heard Su Chen's words.

After Xu Zhu drank Erguotou's strong wine, he was not interested in other wines. However, only Su Chen owned Erguotou's wine. He could only find a way to get it from Su Chen. Chen got some more Erguotou in his hands.

Xu Zhu knew that Su Chen liked beauties.

He had been sending people to Jingzhou to explore beauties for more than ten days. Today, he was able to get three bottles of Erguotou as he wished. Xu Zhu was still very happy. He decided to find more in the future. Beauty, so that he can drink a steady stream of strong liquor like Erguotou.

Cao Chun was very speechless when he heard the conversation between Xu Zhu and Su Chen.

He felt that Su Chen had bribed all the generals with money and wine. , rare treasures,

Su Chen has been giving gifts to all the generals and counselors based on their hobbies in the past half month. There are more than ten generals in the big account, as well as those counselors. I am afraid that 80% of the people here have a crush on Su Chen. I have a good impression.

If Cao Chun hadn't known that Su Chen was a hopeless dandy, he would have thought that Su Chen was going to gather a crowd to rebel.

Su Chen leaned on a pillar and asked Xu Zhu in confusion, "Xu Zhu, this time the generals are gathering together." do what? Xu

Zhu shook his head and replied,

"Su Chen, I don't know this either, but it seems to be related to the alliance between Soochow and Liu Bei."

"Liu Bei went to Soochow?"

"Well, Liu Zong from Jiangling surrendered the day before yesterday, and Liu Bei took thousands of people across the river and fled to Soochow."

After Su Chen heard Xu Zhu's words, he guessed that the Battle of Chibi was about to begin. After Sun and Liu began to unite, the Battle of Chibi was about to begin.

"The Prime Minister has arrived!"

"See the Prime Minister!"

At this time,

Cao Cao came to the big account accompanied by several counselors.

Su Chen was just a miscellaneous general. He leaned on a pillar and didn't bother to salute Cao Cao.

After Cao Cao sat down, he looked at the many people in the big account. After the generals and counselors,

Cao Cao said,

"Everyone, I have just received news that after Liu Bei fled to Soochow, Liu Daer and Sun Quan were preparing to unite, and Sun Quan was even planning to marry Liu Bei. We cannot watch this happen. Who of you is willing to go to Soochow and disturb this? second marriage."

An old counselor saluted Cao Cao and said,

"Prime Minister, how do Sun Quan and Liu Bei marry? The children of Liu Bei and Sun Quan are both very young. Could it be that Liu Bei wants to marry Sun Quan's sister?"

Cao Cao nodded and continued,

"Yes, Sun Quan is planning to marry his sister to Liu Bei. Which of you is willing to be an envoy to Soochow?"

Everyone in the big tent heard Cao Cao's words.

They didn't want to go. They went to Soochow as envoys. Although there is no danger, it would be very difficult to disrupt the marriage between Sun Quan and Liu Bei.

Sun Quan and Liu Bei now share the same destiny. , they all face the threat of Cao Cao's army. The marriage of Sun Quan and Liu Bei is to fight against the threat of Cao Cao. There is no way that this marriage of Sun and Liu will be disrupted.

Su Chen did not expect that Sun Quan and Liu Bei would marry so soon. It seems that Zhuge Liang is quite capable. In just a few days, Zhuge Liang persuaded Sun Biyan.

The big tent became quiet for a while.

Cao Cao saw that all the generals and counselors were silent.

He guessed that it was impossible to prevent the marriage. Success, but you have to try even if you don't succeed.

Cao Cao can't just watch the marriage between Sun and Liu and do nothing.

"Father, I think Anle Hou Suchen is qualified."

At this time, a young master saluted Cao Cao and said,

"Anle Hou Suchen?"

Cao Cao frowned when he heard this.

He had heard of Anle Hou Su Chen. Anle Hou Su Chen was a dandy and romantic young man from an aristocratic family. However, it was a bit embarrassing for him to let a lecherous man serve as an envoy to Soochow.

Su Chen When he heard that someone asked him to go to Soochow, he looked at the pretty boy next to Cao Cao and was very angry.

Damn, who is this bastard?

He was asked to go to Soochow to die?

Su Chen robbed Liu Bei's two wives. If he After going to Soochow, could Liu Bei let him go? There was also Zhao Zilong who kept saying he wanted to kill him, and it was impossible for Zhao Zilong to let him go.

"Xu Zhu, who is that pretty boy?"

"Cao Pi!"

Holy shit, it turns out to be Cao Pi.

Damn, does Cao Pi have a grudge against me?

Zhen Mi?

Has Cao Pi got Zhen Mi?"

"Xu Zhu, if you grab a beautiful woman for me, for three years, I will cover all your fine wine for the next three years."

Chapter 2052

Su Chen didn't know if Cao Pi had obtained Zhen Mi.

However, not long after Cao Cao destroyed Yuan Shao, even if Cao Pi captured the widow Zhen Mi, he would not be able to marry Zhen Mi during the war. Since Cao Pi, a pretty boy, dared to blame himself, Su Chen would snatch Zhen Mi away.

Xu Zhu's eyes gleamed when he heard Su Chen, three years?

This is three years of fine wine.

Xu Zhu was a little excited and asked hurriedly,

"Who to rob?"

"Zhen Mi, Yuan Xi's wife."

Xu Zhu reminded Su Chen when he heard what he said,

"Zhen Mi? Su Chen, Zhen Mi seems to be imprisoned in Yongfu Hall and is guarded by my Tiger Guard. However, Cao Pi has always wanted to marry Zhen Mi. If you do this, you will completely offend Cao Pi."

Su Chen said nonchalantly, "I'm afraid, Xu Zhu, ask your tiger guards to send Zhen Mi over. Damn it, if Cao Pi dares to cheat on me, he won't want beautiful Zhen Mi anymore."

"Okay, I will send someone to Xudu to deliver the order."

Xu Zhu agreed immediately.

Since Su Chen didn't care about Cao Pi, Xu Zhu didn't bother to care about it. Besides, he was just a beautiful woman captive. Even if Cao Cao knew about it, it would be impossible to punish him. Xu Zhu didn't care about Cao Pi even more.

At this moment, after Cao Cao listened to Cao Pi's words, he looked around and saw that the generals and counselors were unwilling to go. Cao Cao decided to let Su Chen be the envoy. Anyway, it was a mission destined to fail. , Cao Cao didn't have any hope for Su Chen.

"Anle Hou Suchen!"

"Prime Minister!"

Cao Cao looked at Su Chen who stood up and ordered, "Su Chen, you will be the envoy to Jiangdong tomorrow. Your mission is to disrupt the marriage between Sun and Liu."

"Yes, Prime Minister!"

Su Chen glared at Cao Pi who was next to Cao Cao.

Damn it, why don't you kill this bastard tonight?

Cao Pi saw Su Chen staring at him, and he looked at Su Chen with disdain.

Cao Pi came to Wulin Military Camp this time.

He just wanted to trouble Su Chen.

In Xudu,

Su Chen had snatched many beauties, and he even liked a few beauties.

Cao Pi asked Su Chen several times for those beauties, but Su Chen didn't agree..Cao Pi just wanted Su Chen to die on the battlefield so that he could get those peerless beauties.

At almost noon,

Su Chen returned to his military camp. He would set off to Jiangdong tomorrow, and he also wanted to I want to prepare how many troops to bring there, but it will definitely not work if it is too much, and it will not work if it is too few.

"General!"

As soon as Su Chen returned to the big account,

Mrs. Mi and Mrs. Gan immediately stood up and saluted.

Mrs. Mi's face was red and she lowered her head and did not dare to look at Su Chen.

She was tortured by Su Chen last night. She even counted several times. When she was unconscious for the first time, Mrs. Mi did not expect that Su Chen would be so powerful. She could not serve Su Chen by herself.

After Su Chen sat down, he smiled and said,"Mrs. Mi, Mrs. Gan, I have some bad news for you. Do you want to listen?" ?"

Mrs. Mi looked at Su Chen and asked doubtfully,

"What bad news?"

"Liu Bei is going to marry Sun Quan, and Liu Bei is going to marry Sun Quan's sister."

"What? This is real?"

Mrs. Gan was very surprised when she heard Su Chen's words.

It had only been half a month since she and Mrs. Mi were captured by Su Chen. Mrs. Gan did not expect that Liu Bei would marry Sun Quan.

So who is she, the royal wife?

She was divorced. ?

Or do you think she is dead?

Mrs. Mi has no expression at the moment.

She is already Su Chen's wife and concubine, and Liu Bei will have nothing to do with her in the future.

Su Chen looked at the two women and nodded and replied, "Qian Zhen It's true, I'm going to Jiangdong tomorrow. I'm going to disrupt Sun Liu's marriage. Do you want to go together?"

Mrs. Mi shook her head and said,

"If we go, it will bring danger to you. Liu Bei will not let you go in Jiangdong."

Su Chen hugged Mrs. Mi and said with a smile,

"Don't worry, even if Liu Bei attacks me in Jiangdong, he is no match for me. I have decided that you all will go to Jiangdong with me. I will let everyone in Jiangdong know that you are my woman. I will make that big Liu Bei angry to death. Ear thieves."

After Mrs. Mi and Mrs. Gan heard what Su Chen said, they looked at each other and were very speechless.

Su Chen not only announced that Na would marry them, but also severely humiliated Liu Bei. Liu Bei's reputation would probably plummet. , and would even be looked down upon by other princes.

The next day,

Su Chen took Mrs. Mi and Mrs. Gan, and under the protection of three thousand fully armed soldiers, set out for Wu County in Soochow by boat.

On the warship,

Su Chen stood on the deck Looking at the rolling Yangtze River, he was a little worried. Something would happen to him every time he took a boat.

Su Chen didn't know if something would happen again this time.

In a room in the cabin,

Mrs. Mi and Mrs. Gan were resting lazily. Still, the two of them were helpless against Su Chen's strength. Neither of them could be Su Chen's opponent last night. Mrs. Mi and Mrs. Gan are still powerless until now.

Soochow,

Chaisang County,

Lu Su and Gan Ning After looking at the documents sent by Cao Jun, they all looked at each other and were a little surprised.

Cao Cao actually sent an envoy at this time.

What is he trying to do?

Surrender?

Gan Ning frowned and asked Lu Su, "Master Lu, What is Cao Cao doing? The war is about to break out. Why would Cao Cao send an envoy at this time?"

Lu Su shook his head and replied, "I don't know, but I have heard of the envoy Anlehou Su Chen."

"I've heard of it too, wasn't he the young marquis who robbed Liu Bei's two wives?"

"Haha, yes, Anle Hou Suchen dared to come to Soochow, wasn't he afraid that Liu Bei would kill him? Gan

Ning stretched out his hand and gestured with a fierce look on his face and said,

"Lu Su, if we don't kill Su Chen, the Marquis of Anle, the war between Soochow and Cao Cao is inevitable anyway, so we will kill Cao Cao's envoy first."

When Lu Su heard Gan Ning's words, he hurriedly stopped him and said, "No, if the two armies are fighting and do not kill the envoys, we in Soochow will not only be unable to kill Anlehou, but we will also prevent Liu Bei from attacking Anlehou."

"Why?"

"General Gan, don't ask. This matter is still decided by the Lord. However, Cao Cao's envoys must not be killed in Soochow. You must remember this."

"Understand, I will not take action against Anlehou."

At this moment, in Chaisang City, inside and outside a luxurious mansion, more than ten men in black quickly sneaked into the mansion.

"Xiao Qiao is in Qingshui Residence in the backyard. After catching Xiao Qiao, go to the meeting place immediately. There can be no mistakes in this mission."

"Yes, Commander!"

Chapter 2053

In the evening,

Su Chen arrived at Chaisang County, and the army was left on the ship.

Su Chen, led by Lu Su and Gan Ning, moved into the Chaisang County Governor's Mansion.

In the governor's mansion,

Lu Su looked at Su Chen and said seriously,

"Anlehou, the army you brought this time is quite large, three thousand troops? There are too many, and you can only go to Wu Commandery with five hundred troops."

Su Chen took a sip of tea and said with a smile,

"Lu Su, I would not dare to come to Soochow without these troops. You should understand what I am worried about."

After Lu Su and Gan Ning heard what Su Chen said, they were very speechless.

Previously,

Lu Su and Gan Ning went to the river to greet Su Chen. They saw Su Chen disembarking from the boat with two beautiful women in his arms.

Lu Su and Gan Ning Gan Ning and the others didn't pay much attention to it. They had heard that Anlehou was a lecherous dandy, but when they learned that the two beautiful

women were Liu Bei's wives, Lu Su and Gan Ning were stunned and confused. Lu Su and Gan Ning did not expect that Su Chen would be so bold. Su Chen would actually bring Liu Bei's two wives to Jiangdong, and it seemed that he even ate Liu Bei's two wives. Anle Hou is here to fight. Is Liu Bei's face? Or is he seeking death? If Liu Bei knew that Su Chen had arrived with his wives, Liu Bei would probably go crazy with anger. Lu Su shook his head and said helplessly,

"Anlehou, I need to tell my lord about this matter. You have too many troops and we can't make the decision. Su

Chen nodded and replied, "Okay, as soon as possible. I have to rush to Wu County to see your lord Sun Quan."

"Don't worry, we will receive the Lord's order tomorrow."

Lu Su and Gan Ning looked at each other and prepared to write to Sun Quan.

They also understood why Su Chen brought so many troops.

Su Chen was worried that Liu Bei would attack him. With three thousand troops, Liu Bei was afraid I really don't dare to take action against Su Chen. After all, Liu Bei only has a few thousand troops in his hands.

"Report~"

At this time, a soldier quickly ran over and saluted,

"Report to the general, something happened in the governor's mansion. The governor's wife, Xiao Qiao, was kidnapped and her whereabouts are unknown."

Gan Ning was surprised when he heard the soldier's words and asked hurriedly,

"What? Mrs. Xiao Qiao was kidnapped? When did this happen?"

"General, the maid in the Governor's Mansion said it should be in the afternoon"

"Quick, seal the city gate and immediately call in the army to search the whole city for me. We must find Mrs. Xiao Qiao."

"Yes, General!"

Gan Ning and Lu Su looked very serious at this moment. Mrs. Xiao Qiao is the wife of the Governor Zhou Yu. If the Governor Zhou Yu knew about this, Zhou Yu would probably go crazy.

After Gan Ning and Lu Su looked at each other,

They looked at Su Chen next to them at the same time.

Su Chen had just arrived in Chaisang City, and

Mrs. Xiao Qiao was kidnapped.

They all suspected that Su Chen might have done this. After all, this bastard had a history of robbing beautiful women, and this The bastard is still a lustful pervert.

Su Chen was also very surprised at this moment.

Xiao Qiao was taken away?

Could it be done by someone sent by Cao Chun?

After thinking about it, Su Chen felt that it should be done by Cao Chun. He promised to capture Xiao Qiao within three days, but there were only two days left in the three days. Cao Chun must have sent someone to take Xiao Qiao away this time.

"I'll go, you see what I do? I've just arrived in Chaisang County. You don't doubt what I did, right?"

Gan Ning said to Su Chen expressionlessly, "You are suspicious, and the suspicion is very serious."

After Su Chen heard Gan Ning's words, he stood up and cursed angrily,

"Damn it, I have any suspicions, bastard Gan, if you don't tell me clearly today, do you believe it or not, I will summon the army to kill you when I get back now?"

"Come on, who is afraid of whom? Su Segui, do you think my Chaisang army is vegetarian?"

"Bah, is it just him who has more than 10,000 troops and still has a large army? You don't have as many fucking troops as I do."

When Lu Su heard Gan Ning and Su Chen's anger, he hurriedly tried to dissuade him with a dark face,

"Everyone, calm down. Gan Ning, shut up. If Marquis Anle has something to say, say it well. Say it well."

Gan Ning shouted with an angry look, "Marquis Anle, I must lead people to search your ship, otherwise you will send people to kidnap Mrs. Xiao Qiao."

"Okay, Gan Ning, I agree with you to search the ship, but what if you don't search Xiao Qiao?"

"I kneel down to apologize to you!"

"Kneel down and apologize to me? Do you think I'm curious?"

"What do you want?"

"The compensation is 100,000 silver coins, not copper coins."

"Holy shit, one hundred thousand silver? Even if you sell me, it's not even worth a hundred thousand silver."

Su Chen glanced at Gan Ning and said disdainfully,

"You are not worth a hundred thousand, Gan Ning, you are worth fifty thousand silver. Let's do this. If you don't find Xiao Qiao in the search, you will be my little brother from now on and I will give you fifty thousand silver."

Su Chen also thought that Gan Ning was a good general.

He came to this world to do this simple trial task. Su Chen was prepared to enjoy it.

If there was a fight or war, he didn't have some powerful subordinates in his hands. But no, if he had to take action in everything, Su Chen would still be enjoying his life in this world.

"you....."

"Gan Ning, do you agree?"

"I....."

Gan Ning didn't know how to answer Su Chen for a moment.

He understood what Su Chen meant. This bastard wanted to recruit him or even buy him with money.

Although Gan Ning sneered at these, if he didn't search Su Chen's ship, if Mrs. Xiao Qiao was really kidnapped by this bastard, how would he explain it to the Governor Zhou Yu.

Lu Su hurriedly pulled Su Chen and asked him to sit down.

Lu Su knew that this matter had nothing to do with Su Chen. Su Chen arrived in Chaisang County only in the evening, and Mrs. Xiao Qiao was taken away in the afternoon. This time was not right at all. superior

"Anlehou, don't be the same as Gan Ning. He is just a rough man. I believe you did not kidnap Mrs. Xiao Qiao."

At this time,

Gan Ning shouted to Su Chen with an angry look on his face,

"Anlehou, I agree. If I had not searched your ship and found Mrs. Xiao Qiao, my life would have been yours."

Su Chen nodded and agreed, "Okay, you can lead the army to search the ship now."

"Huh, if I search Mrs. Xiao Qiao and Anle Hou Suchen on the ship, you will be dead. I will definitely kill you with my own hands."

Lu Su saw Gan Ning go out angrily.

He knew that Gan Ning led the army to search the ship. He was also very helpless about this matter. I am afraid that Gan Ning will return without success this time, and may even return in the future. Leaving Soochow.

In the evening,

Su Chen was going to rest in Mrs. Mi's room.

A soldier suddenly arrived and whispered to Su Chen. Su Chen was stunned when he heard what the soldier said.

"Damn it, Xiao Qiao was actually kidnapped on the ship? Damn it, that guy Gan Ning must not search Xiao Qiao."

Chapter 2054

Su Chen didn't expect that Cao Chun's men would send Xiao Qiao on board.

This would cause trouble.

Su Chen had no choice now. He could only hope that the deputy general would be smarter and prevent Gan Ning from discovering Xiao Qiao's existence.

One night passed, and the next morning,

Su Chen got up under the service of Mrs. Mi.

After Mrs. Mi dressed Su Chen, she shyly said to Su Chen,

"Husband, I'm going to see Sister Gan."

Su Chen touched Mrs. Mi's blushing face and said with a smile, "Go, let's have a nice stroll in Chaisang City today."

"good!"

Su Chen saw Mrs. Mi leaving.

He thought that Gan Ning didn't come last night. This meant that Gan Ning didn't search Xiao Qiao last night.

Su Chen didn't go to the boat to see Xiao Qiao immediately. Since Xiao Qiao was caught, he On the warship, she could not escape no matter what.

The morning passed.

Su Chen took two beautiful women, Mrs. Mi and Mrs. Gan, and the three of them walked around Chaisang Street all morning.

"General, Lu Su asked the general to return to the governor's mansion immediately." At this time, a soldier ran over and saluted Su Chen, saying,

"Tell Lu Su that I will be there in a minute"

"Yes, General!"

Mrs. Mi asked, holding Su Chen's arm.

"Husband, are we going back?"

Su Chen smiled and said, "I'll go back alone. You can continue shopping." Mrs.

Gan shook her head and said to Su Chen, "Let's go back with your husband. We have been shopping all morning today and we are a little tired.""

"Um!"

"Okay, let's go back together!"

Su Chen nodded when he heard what Mrs. Mi and Mrs. Gan Ning said. I am afraid that Lu Su came to him this time because news came from Wu County. They may also leave for Wu County. At this moment, in the county governor's house,

Lu Su and Gan Ning Dui had an ugly look on his face.

Gan Ning was about to leave with Su Chen. Although he was not willing to leave in any way, he had to admit defeat. If he did not find Xiao Qiao on Su Chen's boat, Gan Ning would fulfill his promise.

Lu Su He looked at Gan Ning and asked seriously, "Gan Ning, have you really decided? Gan

Ning nodded and replied,

"Mr. Lu, you should know my character. Since I, Gan Ning, Gan Xingba, have made a promise, I will definitely fulfill it."

"well! Okay, I will report what happened to Chai Sang to my lord, Gan Ning. From now on, everyone is their own master, so you can take care of yourself."

"Mr. Lu, what are you going to do about Mrs. Xiao Qiao?"

Lu Su replied helplessly,

"I will personally report this matter to the Governor, and hope that the Governor will not send troops to Cao Cao in anger."

"Do you think Cao Cao sent someone to do it?"

Gan Ning was very confused when he heard Lu Su's words.

He always thought that Xiao Qiao was captured by someone sent by Su Chen. Although Xiao Qiao was not found on the ship last night, Gan Ning still suspected Su Chen. Lu Su today How could it be said that Cao Cao did it?

Lu Su looked out the window and reminded Gan Ning,

"Cao Cao has long said that Jiangdong will take over Erqiao. Who else could he be if he wasn't Cao Cao? We can only blame it on Cao Cao now, otherwise, how can we give an explanation to the governor?"

"That's right!"

A soldier reported outside, "General Qi, General Anle Housu has arrived."

"Please!"

"Yes, General!"

After a while, after Su Chen came into the room,

Lu Su informed Su Chen that Wu Jun had agreed to the army he led. At this time, Gan Ning also chose to submit to Su Chen.

At noon, Lu Su arranged for Su Chen to have dinner with him. After that,

Su Chen took Mrs. Mi and Mrs. Gan, and Gan Ning, who was still a thug, set off again.

On the warship,

Su Chen ordered the ship to sail towards Wu County after arriving.

In a cabin,

Xiao Qiao was tied up and sitting On the bed, she felt that after the ship sailed,

Xiao Qiao's heart was filled with despair.

After leaving Chaisang County, and even leaving Soochow, she was afraid that she would never come back again in her life. These people who kidnapped her were also Xiao Qiao. It can be seen that they are all soldiers in the army, and they are also Cao Cao's army in the north.

Bang!

The door of the cabin was opened.

Su Chen walked in and looked at Xiao Qiao being tied up. He even saw Xiao Qiao's frightened look. He He smiled and let go of the rope for Xiao Qiao.

Xiao Qiao is really beautiful.

He gently held the waist of the water snake, with a figure that was convex and curved, so delicate and beautiful that it was easy to do it. In addition, Xiao Qiao's bookishness In terms of temperament, Xiao Qiao is indeed a beauty that Cao Cao misses.

In this small world, only Da Qiao and Zhen Mi can compare.

He has no chance to see Diao Chan.

During this period, Diao Chan was either dead or missing. It seems that Lu Bu died After that, there was no more information about Diao Chan.

After Su Chen let go of Xiao Qiao, he threatened,

"Don't try to escape. This is on a river. If you want to commit suicide, you can choose to jump into the river. Anyway, you still have a sister Da Qiao. If you die, I will kidnap Da Qiao."

Xiao Qiao was very confused when she heard Su Chen's words.

This bastard is so shameless.

Escape?

Jump into the river?

He also wants to arrest her sister.

Who is this bastard?

"Who are you?"

Su Chen nodded and replied,

"Anle Hou Suchen?"

"Are you that dandy little marquis in Xuduli?"

I'll go!

Even Xiao Qiao knows my own name.

Damn it, the Holy Spirit of Tianglai is too fucked up.

What kind of identity can't be arranged?

The Holy Soul of Tianglai actually arranged for himself a playboy, and he is even a man who goes around snatching beautiful women. A lustful person.

However,

Su Chen felt that this identity really suited him very well.

Su Chen nodded and continued,

"Yes, you actually know me, then your end is destined. If you don't want to, open the door of the cabin and jump directly into the river. However, no one will know that you died in the river."

When Xiao Qiao heard Su Chen's words, he cursed angrily,

"You are shameless!"

Su Chen said with his arms crossed,

"I'm so shameless!"

"You bastard!"

"I'm just an asshole."

Xiao Qiao pointed at Su Chen and was speechless, "You.....you....."

Xiao Qiao had never seen such a shameless bastard before. She was so angry that she wanted to stab this shameless bastard to death with a sword.

Su Chen saw Xiao Qiao blushing with anger, and he continued to threaten Xiao Qiao,

"Xiao Qiao, starting from today, you also have to change your identity. You will be my maid from now on, and your name will be Xiaolan. If you dare to reveal your identity, your parents will die and your sister will be kidnapped by me. Xiao

Qiao glared at Su Chen and asked, "Since you caught me, why do you want me to change my identity?"

"We are going to Wu County. Do you think your identity can be exposed?"

Chapter 2055

Xiao Qiao was very surprised when she heard Su Chen's words.

Going to Wu County?

This shameless bastard actually wants to go to Wu County?

Is this bastard going to kidnap her sister Da Qiao?

Xiao Qiao suddenly thought that the people on this warship were all troops. This bastard actually led the troops to Wu County. Was he willing to die? Or is your mind deceived by lust?

Xiao Qiao looked at Su Chen and mocked, "You are taking the army to Wu County? You are seeking death. I am afraid that your warship will be wiped out by the Soochow army before it reaches Wu County."

Su Chen sat down When he came down, he glanced at Xiao Qiao and said,

"You know what the heck, I am an envoy and I am going to negotiate with Sun Biyan. Do you think I am going to die with three thousand troops? You are such a stupid woman."

Xiao Qiao was very surprised when she heard Su Chen's words.

She didn't expect that this bastard could be an envoy. How could a playboy be an envoy? Isn't Cao Cao afraid that this envoy would be embarrassed?

Xiao Qiao rolled her eyes at Su Chenjiu mocked,

"envoy? Cao Cao is really blind. How could he send a dandy as an envoy?"

"Xiao Qiao, you are my prisoner now. Does the prisoner understand? You have to please me, or I will punish you"

"Dream on, I will never please you, shameless bastard, even if I die"

"Then why don't you jump into the river?"

"Am I afraid of water?"

"I have a long sword here!"

"I fear pain!"

"I still have poison!"

"No, the poison is too unpalatable!"

I'll go!

Afraid of water?

Afraid of pain?

Afraid of taste?

Is this stupid woman still afraid of fire and heights?

Damn, is Xiao Qiao trying to fool herself again?

Su Chen didn't expect that he didn't scare Xiao Qiao, Xiao Qiao actually knew how to play tricks on him. This woman was too courageous. Why didn't Xiao Qiao have any consciousness of being a prisoner?

Xiao Qiao felt very happy when she saw Su Chen's depressed look. This bastard still wanted to scare her. She But she was very smart. Xiao Qiao had already noticed that Su Chen was trying to scare her.

Su Chen looked at Xiao Qiao speechlessly and said,

"Xiao Qiao, change your attire. It's best to look ugly. I'll have the dress sent to you later.

Xiao Qiao stared at Su Chen and shouted in surprise, "You actually asked me to dress up ugly?"

Xiao Qiao was very puzzled by what Su Chen said.

What's ugly?

Don't men all like women to dress up as prettier as possible? Why would this bastard let himself dress up ugly?

Bang!

Su Chen knocks He hit Xiao Qiao on the head and said angrily

"What you say is all bullshit. You are so beautiful that even a fool can recognize you as Xiao Qiao."

"asshole!"

Xiao Qiao rubbed her head and glared at Suchen.

She didn't think that this bastard would hit her on the head. This damn bastard, no one has dared to hit her since she grew up.

"Also, Gan Ning is also on the boat. He is now my general. You'd better not be discovered by him."

"You actually incited General Gan Ninggan to rebel?"

Su Chen stood up and warned Xiao Qiao,

"Gan Ning lost the bet and gave it to me. Remember, you can walk back and forth on the boat after changing your clothes."

"Xiao Qiao, I won't imprison you, but if you do something that makes me unhappy, just think about what will happen to your parents, relatives, and your sister Da Qiao."

"Inglorious bastard, I.....I remember."

Xiao Qiao nodded helplessly.

She has no ability to resist now.

Xiao Qiao is just a weak woman.

If she is really exposed, this bastard is Cao Cao's envoy, and Sun Quan of Soochow will not be able to kill him.

When the time comes, this bastard will take revenge, and her parents and relatives may be killed, and even her sister may be kidnapped and killed in humiliation.

Three days later,

Su Chen's ship docked, and the rest of the journey would have to be by carriage. Going to Wujun, a luxurious carriage, escorted by three thousand troops, quickly set off towards Wujun.

Su Chen rode in a row with Gan Ning.

It wasn't that Su Chen didn't want to ride in the carriage, he wanted to understand Looking at the situation around Wu County, it is very easy for Su Chen to go to Wu County this time. He may have to escape when he comes back. What he wants to do will definitely anger Sun Quan.

Gan Ning frowned and looked at Su Chen and asked He said, "Hou Anle, why does your maid look so familiar to me? I must know her. What's that maid's name?"

Ever since Gan Ning saw Xiao Qiao on the boat two days ago, he has always thought that he had seen Su Chen's maid, but he never remembered where he had seen him.

Moreover, the maid and Mrs. Xiao Qiao looked very good. Similarly, Gan Ning initially thought that the maid was Mrs. Xiao Qiao.

However, the maid was not imprisoned at all, and her freedom was not restricted. Gan Ning also felt that the maid was not Mrs. Xiao Qiao.

Su Chen glared at Gan Ning and warned road,

"Gan Ning, stop trying to trick my maid. Xiaolan is not only my maid, but also my concubine. Also, be careful these days, Liu Bei may sneak attack on us."

Gan Ning smiled when he heard Su Chen's words and said,

"Haha, Anlehou, don't worry, with the stragglers Liu Bei has in his hands, they can't be an opponent of elite soldiers like us. What's more, Liu Bei only has a few thousand troops, so it's impossible for him to send out all his troops to deal with us."

Su Chen patted Gan Ning's shoulder and reminded,

"Gan Ning, don't be careless. Liu Bei has several powerful generals under his command. They are all very powerful."

"Guan Yu, Zhang Fei, Zhao Yun, Huang Zhong, and even Wei Yan, some of these people are similar in strength to you, and some of them can even kill you instantly. Carelessness on the battlefield can kill people."

Gan Ning nodded when he heard what Su Chen said.

He also knew how powerful Guan Yu and the others were. Su Chen was right. Carelessness in underestimating the enemy on the battlefield can really kill people.

In the carriage,

Mrs. Mi, Mrs. Gan, and even Xiao Qiao sat bored in the carriage.

Xiao Qiao was also very curious.

She did not expect that Su Chen would bring Liu Bei's two wives to Jiangdong. The bastard even took Liu Bei's wife as his wife and concubine. The bastard was not worried about Liu Bei. Will she kill him in anger?

Moreover, no matter how happy Mrs. Mi and Mrs. Gan look,

Xiao Qiao never imagines that they were kidnapped by Su Chen. Mrs. Mi and Mrs. Gan are very considerate and gentle towards that bastard Su Chen. This How could it be a kidnapped woman?

Xiao Qiao looked at Mrs. Mi and Mrs. Gan and asked doubtfully,

"Madam Mi, Madam Gan, are you really willing to be that bastard, Madam?"

Chapter 2056

When Mrs. Mi and Mrs. Gan heard Xiao Qiao's words, they both smiled and nodded.

After these ten days,

Mrs. Mi and Mrs. Gan have a very good understanding of Su Chen's temper and character. Su Chen does not treat women with disrespect, nor does he treat women with disrespect. He did not humiliate them wantonly, and the two of them lived happily at Su Chen's place.

They were free and unrestrained around Su Chen. They laughed when they wanted to and said what they wanted to say. Even if they said something wrong, Su Chen would just remind them with a smile and not insult or punish them at all. Women's status is inherently very low.

In troubled times , Women have no identity at all, especially beautiful women. If they do not meet a reliable man, their fate will be very tragic.

Xiao Qiao saw Mrs. Mi and Mrs. Gan nodding.

She was still a little unbelievable.

Mrs. Mi and Mrs. Gan were only taken away by Su Chen for more than ten days, but they had completely forgotten about Liu Bei.

Liu Bei is a benevolent and righteous king with the world at heart. It stands to reason that Mrs. Mi and Mrs. Gan should be devoted to Liu Bei, and the two women should also die to maintain their chastity after being kidnapped.

But in the past three days,

Xiao Qiao also found that Su Chen treated Mrs. Mi and Mrs. Gan well. Su Chen even cooked for Mrs. Mi and Mrs. Gan himself.

Xiao Qiao couldn't believe it every time he saw this.

Su Chen was a noble marquis, a general in charge of the army, and even the head of a noble family, cooking for women? Isn't this a disgraceful thing?

Three days later, there is still one day left to arrive at Wujun.

At this moment, on the official road leading to Wu County, there was a jungle where a thousand troops were hiding.

In the jungle,

Zhang Fei and Wei Yan were observing the intersection.

The burly Wei Yan was frowning all the time. He looked at the thick and bearded Zhang Fei next to him and shook his head.

Wei Yan felt that it was unwise to ambush Anlehou this time. Anlehou was protected by three thousand troops, and they only had one person here. With thousands of troops, and an army with low morale,

Wei Yan looked at Zhang Fei and asked, "General Zhang, do we really want to ambush Anlehou?"

Zhang Fei nodded with a fierce look and replied,

"Wei Yan and Anlehou will definitely not be able to reach Wu County, he must die."

Zhang Fei absolutely cannot let Su Chen arrive in Wu County.

If Su Chen came alone this time, he would not be so angry.

However,

Anle Hou Su Chen actually came to Wu County with Mrs. Mi and Mrs. Gan.

This is a slap in Liu Bei's face.

Madam Mi and Madam Gan were Liu Bei's wives, but now they were kidnapped by Anlehou and even became Anlehou's wives and concubines. Zhang Fei not only wanted to kill Anlehou Suchen this time, but also Madam Mi and Mrs. Gan He also wants to kill these two bitches.

For the sake of Liu Bei's reputation,

Mrs. Mi and Mrs. Gan will never be able to reach Wu County alive.

Wei Yan asked with some worry,

"If we come to rob and kill Anlehou without permission, the lord will definitely blame us if he finds out."

Zhang Fei waved indifferently and said,

"Don't worry, I'll be responsible for everything. As long as we kill Anlehou, my elder brother won't blame us."

"Well, hope everything goes well."

At this time, a scout arrived quickly and reported, "General, Anlehou's army is about to arrive in the jungle escorting the carriage."

"Wei Yan, ordered the troops to be ready"

"Yes, General Zhang!"

At this time,

Su Chen's military escort carriage had arrived outside the jungle.

In the carriage,

Su Chen rested his head on Mrs. Gan's thighs.

Xiao Qiao helplessly massaged Su Chen. Although she didn't want to massage this bastard, Su Chen Chen's threat forced her to give in.

While massaging Su Chen, Xiao Qiao asked doubtfully, "Anlehou, what are you going to do in Wu County this time?"

Su Chen opened his eyes and glanced at Xiao Qiao and said,

"Xiao Qiao, I am just an envoy. Of course I am here to persuade Wujun to surrender."

Xiao Qiao rolled her eyes at Su Chen and guessed,

"I don't believe that Sun Quan and Liu Bei are about to marry to fight against Cao Cao. If you come to Soochow at this time, are you trying to disrupt the alliance between Sun Quan and Liu Bei? He even wanted to destroy Sun Liu's marriage."

Su Chen didn't expect that Xiao Qiao would guess the intention of his arrival.

This beautiful woman is really smart, but it's a pity. So what if Xiao Qiao guessed it.

Sun Quan and Liu Bei in Wu County can guess it.

Su Chen is here to destroy it. Sun and Liu are getting married, and he won't ruin the marriage just by talking about it. He is planning to kidnap Sun Quan's sister Sun Shangxiang. Sun

Shangxiang, the concubine,

Su Chen will not take advantage of that old man Liu Bei.

Su Chen turned around and looked at Xiao Qiao He said maliciously,

"Xiao Qiao, although smart women are lovable, they should see things through without telling them. This is what a smart woman should do. You actually guessed it. Aren't you afraid that I will kill you?"

"You won't kill me!"

"Why?"

"Because I am a beautiful woman!"

I guess!

Xiao Qiao is really narcissistic!

However,

Xiao Qiao is a stunningly beautiful beauty.

Su Chen guessed that if any princes caught Xiao Qiao, they would not kill this beautiful beauty.

"There are troops ambushing, guarding, and guarding the carriage!"

At this time,

Gan Ning outside suddenly shouted

"Husband, what's going on?"

Mrs. Mi hurriedly pulled Su Chen and was very worried. She did not expect that she would be robbed and killed by the army in Wujun's room.

Su Chen sat up and comforted Mrs. Mi and Mrs. Gan, "It should be Liu Bei who sent us to rob and kill us." Don't worry, Gan Ning will destroy those armies"

"Liu Bei?"

When Xiao Qiao heard what Su Chen said, she looked at Mrs. Mi and Mrs. Gan and understood.

Su Chen took Mrs. Mi and Mrs. Gan to Wu County. This news must have been known to Liu Bei. I'm afraid Liu Bei will not let Mrs. Mi He and Mrs. Gan arrived at Wu County alive.

Otherwise, if Mrs. Mi and Mrs. Gan arrived at Wu County and even became Su Chen's wives and concubines, Liu Bei would have lost all face and even his reputation would have been greatly damaged.

Su Chen looked at Xiao Qiao and asked with a smile,

"Xiao Qiao, if you are smart, you should have guessed. What do you think Liu Bei would be like if we arrived at Wu County safe and sound? Will he pretend to be nonchalant?"

Xiao Qiao said rudely with wide eyes,

"No, Liu Bei will definitely hate you to the core and even persuade Sun Quan to kill you."

"Xiao Qiao, you are wrong. Liu Bei will definitely pretend to be nonchalant and even be polite to me."

Chapter 2057

Su Chen didn't believe that Liu Bei would scold him angrily.

Who was Liu Bei?

He is a big hypocrite.

They all say that Lu Bu is a slave of the three surnames.

What about Liu Bei?

How many people has he followed in his life?

Gongsun Zan, Tao Qian, Yuan Shao, Liu Biao, Cao Cao, and even took refuge with Lu Bu. How many slaves are these?

Except for Cao Cao, which one of these people died a good death?

Xiao Qiao was very surprised when she heard what Su Chen said.

She didn't believe what Su Chen said.

This bastard stole Liu Bei's wife. How could Liu Bei still be polite to him? Besides, Liu Bei is sending troops to rob and kill them now, and it is even more impossible for Liu Bei to let this bastard go.

Xiao Qiao thought that even if Su Chen arrived at Wu County safely,

Liu Bei would probably hate this bastard to the core and even want to kill this bastard at all costs.

At this moment, in the jungle,

Gan Ning looked at the appearance of a thousand troops.

He also saw the fierce general Zhang Fei.

A thousand troops raised their shields to guard the carriage. A thousand archers were ready to follow orders to fire arrows. A thousand cavalry were ready to charge. Gan Ning was not worried about this robbery at all.

"Kill them all for me." When Zhang Fei saw Su Chen's carriage, he shouted and rushed over on horseback.

"kill!"

Thousands of troops also rushed over quickly with Zhang Fei.

Wei Yan had no choice but to rush over with a broadsword.

He did not expect these troops to be so vigilant. Su Chen's troops had not reached the ambush site. They were hiding and were discovered. Wei Yan Some of the traps prepared by Zhang Fei and Gan Ning did not work.

When Gan Ning saw Liu Bei's army charging towards him, he waved his hand and ordered expressionlessly,

"Archers, shoot!"

Swish swish swish".....

"Ah, I've been hit by an arrow, save me!"

"Hurry and dodge, there are too many enemy archers."

"my legs, save....."

"Raise your shield, quickly raise your shield to defend!"

"The bows and arrows were so dense that we couldn't dodge them at all."

Thousands of Liu Bei's troops have not yet rushed over. One-third of these troops were killed by a thousand archers, and most of the remaining troops suffered.

Zhang Fei shot away the arrows shot by the archers. , he kept trying to rush over, but the dense archers shot his horse directly. Zhang Fei fell off the horse and was very angry. He did not expect that Su Chen's army would have a thousand bows and arrows.

There are actually a thousand archers in the army of three thousand? Damn you bastard, why didn't Anlehou come to Wu Commandery with three thousand archers?

Gan Ning mounted his horse and shouted loudly,

"Anlehou ordered that one tael of silver be obtained for killing an enemy, and a thousand taels of silver should be obtained for killing an enemy general. The cavalry charged."

Dong dong dong.....

"kill!"

After a thousand cavalymen heard Gan Ning's shout, their eyes were red.

If you kill one person, you can get one tael of silver. This is one tael of silver. One tael of silver is one thousand copper coins. One thousand copper coins This can allow the family to live a good life for a few months.

The thousand cavalymen now wish they had more enemies, so that they could make more money.

Gan Ning saw a thousand cavalymen rushing towards them quickly, and he also rushed towards them with a dark face.

Gan Ning did not expect that the charm of money would be so great.

One thousand cavalry were already very elite, and now each thousand cavalry has red eyes and is trying to steal people.

Gan Ning felt that no one in Liu Bei's army would be spared this time, and the temptation of money would The army was too terrifying.

In the carriage, Su Chen did not get off the carriage after the fighting started outside. There were three thousand elite troops outside and Gan Ning's command. None of Liu Bei's troops who came to rob and kill this time could not escape. Xiao When Qiao heard Gan Ning's words outside, she looked at Su Chen and said speechlessly,

"You are really rich. You can get one or two pieces of silver for killing an enemy. I'm afraid your army will go crazy to grab people's heads."

Su Chen touched his chin and replied,

"Things that can be solved with money are nothing. If I want the soldiers in the army to sacrifice their lives for me, I will not let the soldiers die in vain. I will give the soldiers who died in the battle ten taels of silver as resettlement allowance."

Su Chen thought that in Wulin Camp, the military pay of his troops was three times higher than that of other armies, and even five times higher every time he launched a war. The soldiers in the entire Wulin Camp were very envious of him. The army.

The best weapons and armor, the most generous military pay, and even the settlement allowance for those who died in battle are extremely generous. It would be fake if other troops in the Wulin military camp are not envious. Damn it! There are three people in the Wulin military camp. There were more than 100,000 troops.

If Su Chen used money to acquire all those troops, wouldn't Cao Cao become a polished commander?

Su Chen felt that this method should be feasible. Aren't the soldiers working for Cao Cao just for money and status? Money Su Chen has more, and Su Chen can give them status.

Su Chen rubbed his forehead and was very speechless.

He just wanted to end this trial task leisurely, why is he thinking about it now as if he wants to dominate the world?

Xiao Qiao looked After looking at Su Chen, he didn't say anything.

This bastard is too rich.

For a random war, Su Chen would probably have to pay a thousand taels of silver. This is not a thousand taels of copper coins, but a thousand taels of silver. Xiao Qiao I can't help but want to rob this bastard

"To report to the general, Gao Ze brought a woman to ask for an audience!"

At this time, a soldier reported outside the carriage,

Gao Ze?

There is a woman?

Let me go.

Gao Ze actually grabbed Xia Hou Qingyi and chased him to Jiangdong.

Su Chen guessed that

Gao Ze really wanted to climb up to him. A big tree.

When Xiao Qiao heard the soldier's report, he glared at Su Chen and cursed,

"Anlehou, you actually sent people to kidnap other women? You are such a shameless pervert."

Bang!

Su Chen flicked Xiao Qiao's forehead and said, "It's none of your business. Don't forget your identity, prisoner. You are just a prisoner, not a wealthy lady."

"Bastard, you actually flicked my forehead again, I'm going to fight you shameless pervert."

Xiao Qiao didn't expect Su Chen to flick her forehead.

How many times has this happened?

These days, she has been flicked on the forehead by this bastard almost every day, and her forehead has been red and swollen.

This damn bastard.

Mrs. Mi took the angry Xiao Qiao and hurriedly explained, "Xiao Qiao, you misunderstood my husband. Gao Ze wanted to rely on my husband, and the woman he brought this time also wanted to please my husband."

At this moment,

Gao Ze appeared outside the carriage with a tied-up beautiful woman, surrounded by troops watching Gao Ze eagerly.

"Gao Ze, I didn't expect that you would sacrifice me to Anle Hou Suchen. I really misjudged you."

Chapter 2058

Outside the carriage, a beautiful woman was tied up and standing beside her. She glared at Gao Ze and wanted to kill this bastard. She did not expect that Gao Ze would be sacrificed to a dandy noble by her.

Gao Ze said to this woman expressionlessly,

"Xiahou Qingyi, Anlehou is a young and promising marquis, and a general who controls the army. If you can be favored by Anlehou, you will enjoy endless glory and wealth in the future.

Xia Hou Qingyi shouted angrily,"Shameless, I don't need glory and wealth at all.""

"Too late."

Gao Ze didn't pay much attention to Xiahou Qingyi.

He wanted to keep a distance from Xiahou Qingyi. If Anlehou found out that he also liked Xiahou Qingyi, everything he did would be in vain.

Gao Ze looked at the battle ahead and was very excited. , these powerful armies will be led by him in the future.

Anlehou already has an army of almost 30,000, and there may be more troops in the future. As long as Gao Ze follows Anlehou Su Chen wholeheartedly, he will definitely have a bright future and become a high-ranking official. Houlu.

At this time,

Su Chen got out of the carriage.

After he looked at the battlefield in the distance,

Su Chen ordered Gao Ze next to him,

"Gao Ze, go help Gan Ning. Capture Zhang Fei and that young general alive if they can, and kill them if they can't."

"Yes, General!"

After Gao Ze heard Su Chen's order, he mounted his horse and rushed to the battlefield. This was his chance to show off. He must capture Zhang Fei and Wei Yan alive.

Su Chen looked at Xiahou Qingyi who was tied up, this Xia Hou Qingyi really surprised Su Chen, with her long black shawl hair, beautiful face, slender body, and curved figure. If Xia Hou Qingyi were more mature, she would definitely be even more beautiful than she is now. Beautiful

"Little beauty, are you Xiahou Qingyi?"

Xiahou Qingyi looked at Su Chen and replied angrily,

"I am!"

"Yes, Xiahou Qingyi, you will be my maid first from now on."

Su Chen nodded when he heard Xia Hou Qingyi's words.

Xia Hou Qingyi is indeed very beautiful. If Xia Hou Qingyi wasn't still young and has a very green figure, she and the plump Xiao Qiao might not be the same. Xiahou

Qingyi calmly shouted to Su Chen,"I can't be your maid, Anlehou, please let me go home.""

Su Chen pretended to have a fierce expression and threatened,

"If you don't do it, your whole family will be slaughtered. Xiahou Qingyi, I'm not making terms with you, I'm giving you an order."

"you.....I...."

Xiahou Qingyi was shocked by Su Chen's words. She didn't expect that Anlehou, who looked like a humble gentleman just now, would suddenly look like a murderous butcher.

"Get in the carriage!"

After Su Chen untied Xia Hou Qingyi's rope, he looked towards the battlefield.

Liu Bei's army was almost finished, and Gao Ze was fighting Zhang Fei. With the help of the surrounding troops, Zhang Fei, that reckless man, could not escape. , and the other young general was not weak.

Gan Ning failed to win that young general in more than ten rounds, and Su Chen was also interested in his identity.

Su Chen suddenly found that Xia Hou Qingyi was still standing next to him,"Why are you still there?" Not getting on the carriage?"

"I...."

Xia Hou Qingyi also wanted to get on the carriage quickly, but after seeing the cruel battlefield, her legs became weak and refused to obey her orders. Xia Hou Qingyi was worried that if she took one step, she might fall to the ground in disgrace.

"You are so cowardly!"

Su Chen was very speechless when he saw Xia Hou Qingyi, whose legs were weak. Xia Hou Qingyi's legs were weak from fear just after seeing the bloody battlefield. Didn't she know some martial arts? Did she even have a career? Su Chen felt that Xia Hou Qingyi I'm afraid I haven't killed anyone before.

"ah! Let me go!"

Snapped!

"Be honest, or I'll strip you naked."

Xiahou Qingyi was so frightened that she didn't dare to struggle when she heard Su Chen's words. She didn't expect that Su Chen would pick her up. This made her so nervous that she even forgot to resist. In the carriage,

Su Chen held her in his arms. After Xia Hou Qingyi came in, he put down the little beauty Xia Hou Qingyi and went out again.

The small war outside was about to end.

Su Chen also wanted to see if Zhang Fei was killed or captured.

A quarter of an hour later,

Gan Ning and Gao Ze arrived with the captured Zhang Fei and Wei Yan.

Su Chen looked at the arrogant Zhang Fei and said, "Zhang Fei, I didn't expect you to dare to rob and kill me."

Zhang Fei spit out a mouthful of water and shouted, "Bah, pretty boy, if you want to kill me, kill me. Your grandfather is afraid that you are a coward."

Young boy?

Damn, no one has dared to call him that for a long time.

Su Chen looked at Zhang Fei and decided to execute him.

There was no way Zhang Fei would surrender. Both Guan Yu and Zhang Fei were loyal to Liu Bei, so Zhang Fei was left behind. a scourge

"Execute Zhang Fei!"

"Yes, General!"

"Pretty boy, I won't let you go even if I'm a ghost." Zhang Fei screamed when he was dragged away by the soldiers.

Are you a ghost?

Are you afraid of ghosts?

There are more than a hundred beautiful female ghosts in Su Chen. If it weren't for the trial mission, Nie Xiaoqian and those girls could not be released. Ghost, Su Chen planned to scare Zhang Fei to death with a female ghost.

Su Chen looked at the tied young general next to him and asked, "What's your name?"

"Wei Yan!"

Wei Yan looked at Su Chen in confusion.

He didn't expect that Su Chen would directly execute Zhang Fei. Zhang Fei was the sworn brother of the emperor's uncle Liu Bei. Didn't Su Chen know that he could get some benefits by capturing Zhang Fei?

Wei Yan?

No wonder he is so brave.

Wei Yan is not bad.

Wei Yan is not only powerful, but also an excellent general. Su Chen needs such a person.

As for Wei Yan being rebellious?

Su Chen doesn't believe it at all.

Besides,

Su Chen even has the insidious Gao Ze. Even if he dares to use it, will he be afraid of Wei Yan who will rebel in the future?

"Come here, loosen his bonds. Gao Ze, Wei Yan will be your lieutenant from now on. You can deal with him."

"Yes, General!"

"Gan Ning distributed money to the soldiers. The soldiers who protected the carriage and did not go out to fight were compensated with one tael of silver each, and the other soldiers were rewarded according to their merits."

"Yes, General!"

Wei Yan looked at Su Chen who was leaving in confusion.

What was going on?

Su Chen just asked his name and let him go? He even asked himself to be a deputy general.

Did he agree?

In the carriage,

Su Chen came up and hugged him. Xiao Qiao and Mrs. Gan stayed beside her. She leaned on the soft couch and thought, if Liu Daer knew that Zhang Fei had been killed, would he be so angry?

"let me go."

Xiao Qiao struggled when Su Chen hugged her.

Xiao Qiao didn't expect that Su Chen would hug her. Is this shameless person going to attack her?

Chapter 2059

Su Chen ignored Xiao Qiao at all. He hugged Xiao Qiao and Mrs. Gan and gradually fell asleep.

In the carriage,

Xia Hou Qingyi looked at Su Chen hugging Xiao Qiao and Mrs. Gan.

She was very surprised.

After Xia Hou Qingyi introduced each other to these three beautiful women just now, she almost fainted.

Liu Bei's The two wives, Mrs. Mi and Mrs. Gan, and the wife of Jiangdong Governor, Xiao Qiao, these three women were all kidnapped by Su Chen.

Xia Hou Qingyi was very shocked by Su Chen's boldness.

Now, this bastard is still holding Mrs. Xiao Qiao and Mrs. Gan to sleep. Does this bastard want to take these three beautiful women as his wives and concubines?

Mrs. Mi looked at Xiahou Qingyi's shocked look, she smiled and said,

"Xia Hou Qingyi, you don't need to be so shocked. Mrs. Gan and I are already Su Chen's concubines. Mrs. Xiao Qiao can't run away, and you can't run away, so you don't have to worry. My husband is a very good man."

When Xiao Qiao heard Mrs. Mi's words, she cursed with shame and anger, "This shameless person is just a pervert."

"hehe....."

Mrs. Gan smiled when she heard Xiao Qiao's words. She stroked Su Chen's handsome face and smiled happily. At noon the next day,

Su Chen arrived in Wu County, Jiangdong. In a luxurious mansion, Su Chen was Jiangdong officials arranged this.

At this moment, in another mansion in Wujun City, in the hall,

Liu Bei, Guan Yu, Zhuge Liang, Zhao Zilong, and Huang Zhong were all sitting together with angry faces.

Liu Bei was furious at this moment.

Zhang Fei's body was sent back today.

Liu Bei also knew that Zhang Fei secretly led a thousand troops and went to rob and kill Anlehou Su Chen yesterday.

Anlehou Su Chen has arrived in Wu County, and

Zhang Fei's body has also been sent over.

A thousand troops were wiped out, and Zhang Fei was killed again. Liu Bei now wants to lead his army to kill Su Chen.

But he didn't dare.

Liu Bei now wants territory but no territory, and he wants an army without an army.

Anle Hou Su Chen is Cao Cao's envoy this time.

Liu Bei just wants to kill Anle Hou Su Chen, and Sun Quan of Jiangdong cannot let him kill Anle Hou Su Chen.

Guan Yu shouted to Liu Bei with anger on his face, "Brother, I will gather the army now to kill Su Chen, the Marquis of Anle."

Zhuge Liang saw that Guan Yu was going to kill Su Chen, the Marquis of Anle, and he hurriedly stood up and shouted,

"General Guan, wait a minute."

Guan Yu turned around and glared at Zhuge Liang and shouted,

"Wait a minute, military advisor, my third brother was killed by Su Chen, how could I not avenge my third brother's blood?"

Liu Bei waved his hand and said to Guan Yu,

"Second brother, sit down. We can't take revenge at all now. This is Jiangdong. We are living under someone else's roof. Sun Quan can't let us kill Su Chen, the Marquis of Anle."

"What to do? Brother, shouldn't we avenge our third brother?"

"It's not that I didn't report it, it's that the time has not come yet."

Zhuge Liang shook the fan in his hand and explained,

"General Guan, revenge must be revenge."

"But not now. As long as we succeed in our alliance or even marriage with Jiangdong Sun Quan this time, after we defeat Cao Cao's hundreds of thousands of troops, it will be the time for General Guan to take revenge."

Everyone in the audience nodded.

They also knew that they could not take revenge now. Jiangdong was not their territory at all, and it was even more impossible for Sun Quan to let them kill Cao Cao's envoys.

Guan Yu also sat down again,

After listening to Zhuge Liang's words, he understood that they were like stray dogs now, with nothing.

If Guan Yu insisted on killing Su Chen, the Marquis of Anle, Sun Quan in Jiangdong would definitely fall out with them, and the alliance might collapse before it even started. , even the marriage may not be successful.

Liu Bei looked at Zhuge Liang and asked, "Military advisor, what are we going to do in the future?" Zhuge

Liang analyzed it with a serious look on his face,

"Lord, the situation is very unfavorable to us now. Mrs. Mi and Mrs. Gan were brought to Wu County by Anlehou Suchen. Anlehou Suchen came to slap the lord in the face."

"The two ladies were adopted as wives and concubines by Su Chen, the Marquis of Anle. This matter has spread, and the lord's reputation may be somewhat damaged, and it may even be difficult for the marriage with Jiangdong to proceed."

Liu Bei's face became even more ugly when he heard Zhuge Liang's words.

Mrs. Mi and Mrs. Gan were kidnapped by Su Chen and even took them as wives and concubines. They were also brought to Wu County to slap him in the face. But Liu Bei couldn't do anything about this. He just went. If he goes to Su Chen, the Marquis of Anle, to ask for his two wives, I'm afraid the Marquis of Anle, Su Chen, won't give them back. Mrs. Mi and Mrs. Gan are both beautiful and mature women, and the Marquis of Anle, Suchen, is a lustful person. How could he give them back? two ladies

"Military advisor, is there any way to save this? The stakes of this marriage are too high for us to fail. Zhuge Liang looked at the crowd and said, "Yes, my lord, since Anlehou is lustful, we can set up a game. Sun Ce's widow Da Qiao, we must make Anlehou....."

When Guan Yu heard Zhuge Liang's words, he shouted,

"The military advisor's method is good. Huang

Zhong frowned and said to Zhuge Liang, "Military advisor, it's not good to do this. This will damage the reputation of Mrs. Da Qiao. We are too mean to do this." Zhuge

Liang shook his head and said,

"General Huang, we will stop Anlehou Su Chen in time, and something like that will not happen."

"That's it, military advisor, you are fully responsible this time, and we all follow your arrangements."

"Yes, my lord."

In Su Chen's temporary residence,

Su Chen was informed that he could see Sun Quan tomorrow.

Su Chen didn't care.

Su Chen was wondering if Liu Bei would get Zhang Fei's body and kill him in anger. Su Chen didn't. He hoped that Liu Bei could bring an army to kill him, so that he would have a reason to kill Liu Bei.

However,

Su Chen guessed that Liu Bei would not come to kill him.

Liu Bei just wanted to avenge Zhang Fei, and that old bastard Zhuge Liang might also stop him. Liu Bei

"Damn it, it's time to eat!"

At this time,

Xiao Qiao shouted angrily to the pensive Su Chen. When

Su Chen heard Xiao Qiao's words, he smiled and said,

"Xiao Qiao, it seems that I taught you enough lessons last night. You have to sleep with me tonight."

"you.....You dream, I will no longer serve you, this shameless bastard."

Xiao Qiao's face turned red when she heard Su Chen's words.

This shameless bastard, although she was not insulted by this bastard last night, what is the difference between those things and insults?

Every time Xiao Qiao thinks about what happened last night, she can't bear it. I really want to strangle this shameless pervert to death

"Xiao Qiao, I only have one spiritual fruit left. You saw last night that after Mrs. Mi and Mrs. Gan ate the spiritual fruit, they not only became more beautiful, but even their age returned to their twenties. , if you don't go to bed tonight, I will go find Xiahou Qingyi."

Chapter 2060

Su Chen smiled when he saw Xiao Qiao's shameful and angry look.

What happened last night made Su Chen want to experience it again, but I'm afraid it would be very difficult. If Xiao Qiao is wary, she won't be fooled by him again. cheat.

However, spiritual fruits are a breakthrough.

Su Chen took out two spiritual fruits last night. After he let Mrs. Mi and Mrs. Gan eat them respectively, they both experienced huge changes. The spiritual fruits are more effective than Zhuyan Dan. Much more powerful.

Mrs. Mi and Mrs. Gan have become more beautiful and beautiful. Mrs. Gan has also returned to the plump and attractive age of more than 20 years old, and Mrs. Mi also looks more sexy and sultry.

If Xiao Qiao wants to get the spiritual fruit, he must serve him again.

"you....."

After Xiao Qiao heard what Su Chen said, she clenched her fists in shame and glared at Su Chen.

She had been deceived and had served this bastard once, and this bastard was not trustworthy. Xiao Qiao thought about what he had swallowed. Those disgusting things made her want to vomit now.

Su Chen looked at this beautiful mature woman and asked with a smile, "How about it? Do you agree?"

"I will never agree to it!"

"That's a pity. It seems you can't eat the last spiritual fruit."

"snort!"

Xiao Qiao snorted at Su Chen and turned around to leave.

She couldn't stand Su Chen's ridicule. If she continued to stay, Xiao Qiao would be worried about punching that bastard. Xiao Qiao must get the spiritual fruit. No woman can give up on the powerful spiritual fruit, regain her age, and become more beautiful. This is the treasure that every woman dreams of. Su Chen stretched when he saw Xiao Qiao leaving. He thought that if he keeps doing this How great it would be, not having to fight and kill, plotting, and risking one's life in battles, but all of this is impossible. In the Xuantian Realm, those powerful races who follow him, tens of millions of divine armies, Concubine Yan, those women, and the responsibilities he must bear, such a peaceful life can only be enjoyed for a while. Forget it, rest for a while, this small world will become his private world in the future, and any gods can Unable to appear in this small world, Su Chen decided to come to this small world for rest. In the evening, Su Chen did not find Xiao Qiao to sleep with him. There were two beautiful women, Mrs. Mi and Mrs. Gan, so Su Chen was not in a hurry. Take down Xiao Qiao and Xia Hou Qingyi. Early the next morning, Su Chen was brought to Wu Hou's palace. Sun Quan has not yet proclaimed himself king and emperor. He is also a marquis like himself, but this marquis has There is a world of difference between Su Chen's Marquis and Sun Quan's Marquis. In the main hall, Sun Quan and several ministers from Jiangdong are already waiting for Su Chen. They all know that the war is about to break out. Why did Cao Cao send envoys?

"Anlehou is here!"

At this time, a chamberlain shouted outside the palace.

Su Chen walked into the hall and found that there were only a few people there. The blue-eyed man on the throne should be Sun Quan.

However,

Sun Quan is only in his thirties now.

He should be a prince. The youngest prince in the country.

Su Chen guessed that Sun Quan met him in private this time, and would formally meet him in court in two days.

"Su Chen met Wu Hou!"

After Sun Quan saw Su Chen coming, he asked expressionlessly, "Marquis Anle, what are you doing when you come to Wu County this time? What plans does Cao Cao have?"

Oh,

Bi Yan'er can really pretend that

Sun Quan can't guess the purpose of his arrival?

Damn it!

Sun Quan seems to be a man who cares about the city.

Su Chen looked at the ministers next to him and said,

"Wu Hou, your current situation is very critical. Prime Minister Cao sent hundreds of thousands of troops to Jiangdong not just for fun. All counties in Jiangdong must submit to the Han Empire."

Sun Quan laughed when he heard Su Chen's words and said,

"Ha ha....., Cao Cao's traitor is out of his mind. I, Jiangdong, cannot surrender to that traitor Cao Cao. Su

Chen curled his lips and reminded, "Ahem, Wu Hou is surrendering to the Han Dynasty."

Sun Quan waved his hand and sneered disdainfully,

"Hey, Anlehou, do you think I don't know that the Emperor of Han is controlled by Cao Cao? The Han Empire has ceased to exist in name only, and I, Sun Quan, will not surrender to that traitor Cao Cao."

Damn it, don't you know?

If Su Chen hadn't talked nonsense about the scene first, would he have said that he was here to propose marriage? Just let Sun Quan marry Sun Shangxiang to him?

Su Chen looked at the people next to him and said Guessing their identities, in history, when Cao Cao came to attack Jiangdong, the ministers of Jiangdong were divided into two factions, one faction led the fight, and the other faction led surrender. Those who surrendered were the nobles and wealthy families in Jiangdong, because they were worried that Jiangdong would be conquered by Cao Cao After being defeated, their clans were exterminated, but after surrendering, these noble clans and wealthy clans could still enjoy the glory and wealth, and even receive high-ranking officials and generous salaries.

Su Chen thought about this and continued,

"Marquis Wu, don't you think about your ministers? Prime Minister Cao has an army of 700,000 to 800,000 people."

"how much do you have? fifty thousand? Or one hundred thousand? Can these armies of yours defeat hundreds of thousands of elite troops? Besides, the navy in Jingzhou has surrendered to Prime Minister Cao. Is the natural danger of the Yangtze River still a natural danger?"

When Sun Quan and several ministers heard Su Chen's words, their expressions changed.

They had all thought about this.

Not only did Cao Cao have a large and powerful army this time, he even had all Jingzhou's navy and warships. The natural dangers of the Yangtze River were still there. It was really impossible to stop Cao Cao's army from attacking.

Several ministers in the hall looked at Su Chen.

They all hoped that Sun Quan would surrender.

However, after the main war faction of Lu Su persuaded Sun Quan, they all Sun Quan warned them that they would be killed if they mentioned surrender again.

After these ministers looked at each other, they decided to meet Anle Hou Su Chen in private. When

Su Chen saw Sun Quan and several ministers thinking about it, he thought Create some trouble for Liu Bei.

That Liu Paopao is so good at running away.

Su Chen wants to try to see if Sun Quan can kill Liu Paopao.

"Wu Hou, I hope you will be careful about Liu Bei!"

Sun Quan was very confused when he heard Su Chen's words.

Why did Su Chen remind him to be careful about Liu Bei? Is this Anlehou trying to sow discord?

Sun Quan looked at Su Chen and sneered,

"Liu Bei? Anlehou, Liu Bei is a lost dog. If I hadn't taken Liu Bei in, he would have been killed by Cao Cao long ago. How could Liu Bei threaten me?"

Su Chen stretched out his fingers and counted them one by one and said to Sun Quan,

"Gongsun Zan, Yuan Shao, Tao Qian, Liu Biao, Lu Bu, all of these people Liu Bei took refuge in, Wu Hou, I don't need to tell you the fate of these people, I think you also know their fate"

"No matter who Liu Bei surrenders to, everyone will die. Liu Bei can even get huge benefits. What does this mean? Marquis Wu, aren't you worried about Liu Bei occupying the magpie's nest?"
