Chapter 2061

Sun Quan was very surprised when he heard Su Chen's words.

He did not expect Su Chen to say such a thing.

However, when

Sun Quan thought of the people Liu Bei had taken refuge in, he immediately became vigilant. What

Su Chen said was correct.

Liu Bei seemed to have no problem with who he took refuge in. The princes, those princes will be destroyed quickly, and Liu Bei's power is constantly growing and growing. He wouldn't believe it if there were no ghosts here.

Dove occupying magpie's nest?

Liu Bei did not do what he did once or twice.

After Tao Qian of Xuzhou died,

Xuzhou was taken by Liu Bei.

Liu Biao of Jingzhou died.

Several counties in Jingzhou were occupied by Liu Bei.

Sun Quan held his hand tightly.

He felt that Liu Bei was a disaster. Star, half of the deaths of the princes in the Han Empire were related to Liu Bei

"My lord, although Liu Bei is a benevolent and righteous king, none of the things he did are what a benevolent and righteous person should do. I am afraid Liu Bei is a hypocrite with deep thoughts. We in Jiangdong cannot do this."

"My lord, since Liu Bei came to Wu County, he has been in contact with our Jiangdong ministers, especially Lu Su. The relationship between them is very close. My lord should also know about this."

"Yes, Lu Su and Liu Bei came too close to Zhuge Liang. My lord, don't forget Zhuge Liang's brother Zhuge Jin. He is an official of our Jiangdong."

In the main hall, several ministers saluted Sun Quan one after another.

These ministers were very dissatisfied with Liu Bei. If Liu Bei had not come to Jiangdong, Sun Quan would have surrendered in the face of Cao Cao's army. They also took the opportunity to say bad things about Liu Bei..

When Sun Quan heard the words of these ministers, his face became gloomy. He also knew that Liu Bei had made friends with officials in Jiangdong. He even knew clearly about the frequent contacts between Lu Su and Liu Bei and Zhuge Liang.

At this time, an old man stood He came out and saluted Sun Quan and said,"My lord, there is one more thing I don't know whether I should tell your lord.""

"Zhang Zhao, if you have anything to say, just say it!"

"My lord, Liu Bei's men were inquiring about Mrs. Da Qiao's residence yesterday. This matter is of no small importance. I haven't found out whether it is true yet, and I hope that my lord will send someone to check whether it is true." bump!

"Liu Bei!"

After Sun Quan heard Zhang Zhao's words, he angrily threw the tea cup in his hand and shouted,"

Mrs. Da Qiao?

That is the widow of his brother Sun Ce, and there is also his brother's only child Liu Bei in Mrs. Da Qiao's mansion."

What is he going to do?

Is Liu Bei preparing to support his eldest brother's children to fight for power with him?

No wonder Lu Su will get close to Liu Bei.

People like Lu Su, Zhou Yu, Tai Shici, etc. are all his brother's loyal subordinates. , are Lu Su and Zhou Yu planning to support his brother's son as the lord of Jiangdong?

At this moment,

Su Chen was also very confused.

Although he guessed that these civil servants would help him speak ill of Liu Bei,

Liu

Bei was actually looking for Da Qiao?

What the hell is this?

Is Liu Bei interested in Da Qiao?

Isn't Sun Shangxiang going to marry the concubine Sun Shangxiang?

Damn it,

Da Qiao is in his pocket.

Liu Da'er is seeking death.

Su Chen thought about this He went to kill Liu Bei at night.

However, after he saw Sun Quan's angry look,

Su Chen also guessed why Sun Quan was angry. Da Qiao's child was probably a thorn in Sun Quan's heart. Sun Quan might be worried about his brother's men. , those people will join forces with Liu Bei to support his nephew to rise to power.

Sun Quan looked at Su Chen with an ugly face and said,

"Anlehou, that's it for today. I will officially receive you in a few days."

Sun Quan is no longer in the mood to talk to Su Chen.

Liu Bei secretly went to Da Qiao's mansion.

This matter is of great importance.

If Sun Quan doesn't find out this matter quickly, Jiangdong may change hands when he wakes up. This is Something he absolutely cannot tolerate

"good!"

Su Chen nodded and replied.

At this time,

Zhang Zhao saluted Sun Quan and said,

"My lord, I am going to see Anlehou off."

Sun Quan nodded and agreed.

Afterwards,

Su Chen and Zhang Zhao talked all the way and left the Wuhou Palace.

After Su Chen left, Sun Quan hurriedly arranged for his secret guards to check Liu Bei's movements, and even Da Qiao's mansion also Close surveillance is required.

On the streets of Wujun City,

Mrs. Mi, Mrs. Gan, and even Xiao Qiao and Xia Hou Qingyi, who are slightly disguised, four charming and charming beauties are shopping.

Mrs. Mi and Mrs. Gan are eating the spiritual fruit After that, they were even more beautiful and attractive, and even the mature charm of their bodies was very attractive.

Xiahou Qingyi looked at the beautiful and mature Mrs. Mi and Mrs. Gan, and she said with envy,

"Mrs. Mi, it's almost noon. There is a restaurant in front. Let's go to the restaurant to eat some Jiangdong delicacies."

Mrs. Mi nodded and replied,

"Okay, my husband sent someone to tell me that if we don't return home at noon, we will go and taste Jiangdong's delicacies."

Mrs. Gan and Xiao Qiao have no objection. They have been shopping all morning and need to find a place to rest.

"Mrs. Gan, that bastard is really rich. We only spent more than one hundred taels of silver today, which is less than 1% of the money."

Xiao Qiao looked at the carriage behind and was very speechless.

They were just going out for shopping.

Su Chen actually asked the soldiers to bring ten thousand taels of silver. Does this mean they want them to buy out the goods in all the shops in Wujun City?

Mrs. Gan said Xiao Qiao smiled and said, "Haha, Xiao Qiao, my husband said that even if we spend ten thousand taels of silver a day, we won't be able to spend it all even if we live to be a hundred years old."

Mrs. Gan thought that the four girls had spent hundreds of taels of silver just on clothing.

She thought about how when she followed Liu Bei, she lived frugally every day, and would not even buy a piece of clothing throughout the year, and would buy it at every turn. Escape, the difference between her and Mrs. Mi's past and present lives is simply huge.

"Suchen is a rich and shameless bastard." Xiao Qiao clenched his fist and made a gesture. If Su Chen were here, Xiao Qiao would definitely beat that bastard.

"hehe...."

Mrs. Gan laughed when she heard Xiao Qiao's words.

She thought about Su Chen kissing Xiao Qiao this morning, and Xiao Qiao almost fainted from the kiss.

Mrs. Gan couldn't help but laugh when she thought about this.

At this time, when Zhao Yun was passing by on horseback, he suddenly saw Xiahou Qingyi on the street, and he hurriedly shouted,

"Xiahou Qingyi!"

"Zhao Zilong?"

Xia Hou Qingyi heard someone calling her.

She turned around and was very surprised to see Zhao Yun. Xia Hou Qingyi did not expect to meet Zhao Yun on the street.

But she was also very worried.

Xia Hou Qingyi was kidnapped by Su Chen.

Zhao Yun is just an insignificant general.

Although Zhao Yun is very powerful, there are hundreds of elite troops around him.

It is impossible for Zhao Yun to save her.

Besides,

Xia Hou Qingyi is also afraid that escaping will completely anger that bastard Su Chen. If Su Chen really slaughtered her whole family, Xiahou Qingyi would never forgive herself even if she died.

"Retreat, those who come near the lady will die!"

Chapter 2062

When Zhao Yun was about to arrive at Xia Hou Qingyi's side, he was surrounded by a group of soldiers guarding Mrs. Mi and Mrs. Gan.

They quickly intercepted Zhao Yun.

This group of soldiers drew out their sabers to be wary of Zhao Yun. If Zhao Yun did not listen to the advice and dared to approach again, they would Will take action to kill Zhao Yun

"Um? Cao Cao's army!"

Zhao Yun looked at the soldiers in front of him, and he frowned.

Black armor, this is Cao Cao's army in the north.

Suddenly,

Zhao Yun thought that Su Chen, the Marquis of Anle, had arrived in Wu County. These soldiers should be the subordinates of Su Chen, the Marquis of Anle.

"General Zhao, do you know Xiahou Qingyi?"

"Who are you? Are you Mrs. Mi? you....."

Zhao Yun saw a beautiful woman appearing next to Xia Hou Qingyi. He was very surprised when he saw this beautiful woman.

This beautiful woman is Mrs. Mi, but how did Mrs. Mi become so beautiful? His temperament is much more noble and confident than before.

Mrs. Mi smiled and said to Zhao Yun, "General Zhao, I am Mrs. Mi."

"Mrs. Mi, I didn't expect that Mrs. Mi would change so much after not seeing her for half a month. Mrs.

Mi smiled and pointed to Mrs. Dugan behind her and said,

"Haha~, General Zhao, look at the side, Mrs. Gan has changed very much."

After Zhao Yun looked in the direction Mrs. Mi pointed, he was completely confused.

Is that beautiful woman really Mrs. Gan?

Isn't Mrs. Gan in her thirties? Why does she look like she is in her twenties now? A little older?

Mrs. Gan's beautiful face, plump figure, and mature charm made Zhao Yun feel a little lost.

Is this the same Mrs. Gan half a month ago?

How could Mrs. Mi and Mrs. Gan have changed so much?

Mrs. Mi looked at Zhao Yun smiled in confusion. After she looked at Xia Hou Qingyi who was bowing his head,

Mrs. Mi asked Zhao Yun again, "General Zhao, do you know Xia Hou Qingyi?"

Zhao Yun nodded and replied after coming back to his senses,

"know!"

"Step aside!"

"Yes, ma'am!"

Mrs. Mi waved her hand to the soldier next to her.

She wanted Zhao Yun and Xia Hou Qingyi to meet.

Zhao Yun is not a bad person.

Zhao Yun used to protect her and Mrs. Gan. He even saved her and Mrs. Gan half a month ago. , Mrs. Mi also wanted Zhao Yun and Xia Hou Qingyi to see each other again. They might not have the chance to meet again in the future.

Zhao Yun looked at the soldiers who were getting out of the way, and he looked at Mrs. Mi unexpectedly.

Zhao Yun originally thought that Mrs. Mi and Mrs. Gan had been After Su Chen kidnapped them, they would be imprisoned and humiliated by Su Chen.

It seemed different now.

Mrs. Mi didn't look like she was not kidnapped at all. She even ordered the soldiers like a hostess. Zhao Yun didn't know that Mi How could Madam have such a big change?

"Xia Hou Qingyi, I'll wait for you in the restaurant. You and General Zhao can have a good chat."

"Thank you!"

Xiahou Qingyi nodded and thanked Mrs. Mi.

She wanted to say something to Zhao Yun, or even say goodbye.

She couldn't go back.

Although Xiahou Qingyi and Zhao Yun liked each other, they didn't say it out loud. Now that she was kidnapped by Su Chen, it was impossible for Xiahou Qingyi to be with Zhao Yun again.

When Zhao Yun saw Mrs. Mi leaving, he frowned and asked Xiahou Qingyi, "Qingyi, how could you be with Mrs. Mi?" together? Xiahou

Qingyi whispered to Zhao Yun,"I am now the maid of Anlehou. Of course I will be with Mrs. Mi.""

"What? When did you become the maid of Anle Hou Suchen? Qingyi, Anlehou is a pervert. Don't go back to Anlehou. Come with me."

Zhao Yun was very surprised when he heard Xia Hou Qingyi's words.

He just guessed that Xia Hou Qingyi and Mrs. Mi were together, and he was worried that Xia Hou Qingyi was also kidnapped by Su Chen.

Zhao Yun did not expect that Xia Hou Qingyi actually became Su Chen's Maid?

Maid?

I'm afraid this is a concubine, right? Will that shameless pervert Su Chen let go of the absolutely beautiful Xia Hou Qingyi?

Xia Hou Qingyi shook his head and refused,

"No need, Zhao Yun, I am saying goodbye to you this time. We will not meet again in the future."

Zhao Yun shouted to Xiahou Qingyi angrily,

"Qingyi, are you being threatened by Anlehou? You tell me, I will kill Anle Hou Suchen"

"No!"

"light clothes....."

On the second floor of the restaurant,

Mrs. Mi, Mrs. Gan, and Xiao Qiao looked at Xiahou Qingyi and Zhao Zilong who were talking outside. They all shook their heads helplessly.

Xiahou Qingyi and Zhao Zilong must have a crush on each other.

Even male and female lovers.

However,

Xia Hou Qingyi has been kidnapped by Su Chen, and Su Chen cannot let the beautiful Xia Hou Qingyi go back. The relationship between Xia Hou Qingyi and Zhao Yun may be over here.

At this moment, in Zhang Zhao's mansion,

Su Chen and Zhang Zhao talked for a whole morning, and they reached an agreement. The noble families and wealthy families in Jiangdong were willing to surrender, and they were also willing to persuade Sun Quan to surrender.

Zhang Zhao said with a smile,

"Anlehou, I will take you to see Mrs. Wu tomorrow. As long as you persuade Mrs. Wu, Sun Quan will definitely surrender."

Mrs. Wu?

I guess!

Isn't that Sun Quan's wife?

Damn it!

What are you doing to meet an old lady?

Will Sun Quan listen to his wife when it comes to state affairs?

Su Chen thought about it and decided to meet Sun Quan's wife. , if what Sun Quan's mother says works, then everything will be easier to handle in the future.

Su Chen said to Zhang Zhao,

"Okay, Mr. Zhang, I'll trouble you then."

"It should, it should!"

Su Chen looked at Zhang Zhao and decided to give him another reassurance. Zhang Zhao is also very famous in Jiangdong.

Su Chen's good dealings with such people will be very helpful for him to do some secret things in Jiangdong.

"Mr. Zhang, don't worry, does Cai Mao from Jingzhou know about Prime Minister Cao's talent-loving talent? After he surrendered to Prime Minister Cao, Cai Mao's official position was not low. You will be treated like Cai Mao in the future. This is my guarantee to you."

"Thank you Anlehou!"

Zhang Zhao will be very happy to hear Su Chen's guarantee.

Of course he knows that after Cai Mao surrenders to Cao Cao, he will not only be the commander-in-chief of the navy, but also be granted the title of Han Tingyang Marquis by Cao Cao. Zhang Zhao thought He will also be made a marquis in the future, and he is very happy.

Su Chen is ready to leave.

He will go to see Sun Quan's mother tomorrow. Su Chen doesn't know what Sun Quan's mother looks like.

However, it seems that among the eight beauties in Jiangdong , With Madam Wu, could it be that Sun Quan's mother was still a beautiful woman?

Chapter 2063

Downstairs in the restaurant,

Zhao Yun could not persuade Xia Hou Qingyi to leave with him.

He had lost his patience now.

Zhao Yun decided to take Xia Hou Qingyi away by force. He could not watch Xia Hou Qingyi being raped by that pervert Su Chen. He also I don't want the woman I like to be insulted by Su Chen

"Qingyi, I won't let you be Anlehou's maid again. I'm sorry."

"Ah, Zhao Zilong, what are you doing?"

As Zhao Yun said this, he grabbed Xiahou Qingyi and put him on the horse. When Zhao Yun wanted to get on the horse and take Xiahou Qingyi away, he suddenly found hundreds of troops around him with bows and arrows ready to kill him.

Xiahou Qingyi immediately came from He immediately came down and shouted to Zhao Yun,

"Zhao Zilong, I said I will not leave, we will have nothing to do with each other in the future, and you don't have to worry about my affairs."

Xiahou Qingyi didn't expect that Zhao Yun would take her away forcibly, which made her happy and angry at the same time.

Zhao Yun was able to take him away, which showed that Zhao Yun cared about her very much, but she was taken away by Zhao Yun forcibly. , what to do with her family?

Does Xiahou Qingyi want to watch her family being slaughtered?

"General Zhao, you have disappointed me."

In the restaurant,

Mrs. Mi shook her head and said to Zhao Yun.

Zhao Yun looked at the hundreds of troops around him. There were more than 200 archers. He simply couldn't take away Xiahou Qingyi.

Zhao Yun looked at the people on the restaurant. Mrs. Mi shouted,"Mrs. Mi, Xiahou Qingyi cannot be Anlehou's maid. I hope Mrs. Mi can let Xiahou Qingyi leave.""

"This is impossible!"

"Mrs. Mi, you are also a woman, do you want to watch Qingyi, who is also a woman, being insulted by Anlehou Su Chen?"

"this....."

Zhao Yun looked at Mrs. Mi and Mrs. Gan and continued to plead,"Mrs. Mi, Mrs. Gan, for the sake of protecting you before, please let Xiahou Qingyi leave."

Mrs. Mi looked at Zhao Yun, and then she looked at Looking at Xia Hou Qingyi,

Madam Mi did not want Zhao Yun and Xia Hou Qingyi to be separated. She also understood the pain of forcibly breaking up a couple.

Madam Mi waved her hand and ordered to the surrounding troops,

"Everybody stand down!"

"Yes, ma'am!"

"Zhao Yun, take Xiahou Qingyi away. This is how Mrs. Gan and I can repay you for saving our lives in the past."

After Mrs. Mi told Zhao Yun, she looked at Xiahou Qingyi and sighed,

"well! Xiahou Qingyi, don't worry, I will persuade your husband not to touch your family. You and Zhao Yun should leave."

Xiahou Qingyi felt a little happy when she heard Mrs. Mi's words, but can Mrs. Mi really persuade Su Chen to let her family go?

Xiahou Qingyi hurriedly asked with bright eyes,

"Madam Mi, is this true?"

Mrs. Mi nodded to Xiahou Qingyi and said, "Really, my husband will not touch your family."

Mrs. Mi knew all about Su Chen's threats to Xia Hou Qingyi.

In the past half month,

Mrs. Mi believed that Su Chen was not a person who killed innocent people.

Mrs. Mi believed that Su Chen knew that she let Xia Hou Qingyi leave. Su Chen She won't vent her anger on Xiahou Qingyi's family.

As for her?

Mrs. Mi thinks she will be severely punished by Su Chen tonight.

"Thank you, thank you, Mrs. Mi!"

"You leave!"

In the restaurant,

Madam Mi looked at Zhao Yun and Xia Hou Qingyi, and then sat down.

Madam Mi suddenly found that Madam Gan and Xiao Qiao were looking at her, so she asked doubtfully,

"Why are you looking at me like that?"

"Sister, you are going to be miserable"

"Mrs. Mi, you are really going to be miserable."

Mrs. Gan and Xiao Qiao looked at Mrs. Mi and shook their heads.

They did not expect that Mrs. Mi really let Xia Hou Qingyi leave.

Mrs. Gan and Xiao Qiao both felt that Mrs. Mi did nothing wrong, but if Su Chen knew that Mrs. Mi secretly let Xia Hou Qingyi leave, Mrs. Mi will probably not be able to rest tonight.

Mrs. Mi's face turned red and she pretended to be calm and said,

"I'm not afraid. If I can't bear it anymore, won't I still have you?"

"Sister, Xiao Qiao, you have to help me tonight. I didn't do anything wrong this time, and you didn't stop me. You are my accomplices anyway."

When Mrs. Gan and Xiao Qiao heard what Mrs. Mi said, they were very speechless, especially Xiao Qiao.

She is not Su Chen's wife, so how can she help?

What happened today has nothing to do with her.

When Su Chen returned to the mansion in the afternoon, he heard what Madam Mi said about Xia Hou Qingyi.

Su Chen was very speechless.

He did not expect that Madam Mi would let Xia Hou Qingyi go, but let him go.

To capture Xia Hou Qingyi in the future is to, no, not to arrest,

Su Chen decided to deceive Xia Hou Qingyi back.

Su Chen hugged Mrs. Mi's soft waist and said with evil intentions,

"Madam Mi, since you let go of that little beauty Xia Hou Qingyi, then you must make it up to me tonight."

"Husband, I....."

When Mrs. Mi heard Su Chen's words, she lowered her head shyly.

Although she guessed that she wanted to compensate Su Chen tonight, Su Chen said it in public, and Mrs. Mi felt that she was too embarrassed to see Mrs. Gan and Xiao Qiao.

Su Chen touched Mrs. Mi's blushing face and smiled, "Don't refuse, this is my punishment for you."

After Xiao Qiao heard Su Chen's words from the side, she turned red and cursed at Su Chen,

"Color embryo!"

"Xiao Qiao, if I were a pornographic woman, you would be his wife."

"Shameless!"

Su Chen hugged Mrs. Mi and teased Xiao Qiao,

"Xiao Qiao, I have decided that your status will be upgraded tomorrow, from maid to concubine."

"You are a shameless bastard."

Xiao Qiao was a little scared.

Although she knew that such a day would come sooner or later, this bastard was too powerful.

The last time Xiao Qiao served this shameless bastard, it took her more than an hour.

Xiao Qiao stayed in Su Chen's room. Next to her, she could hear the screams of Mrs. Mi and Mrs. Gan every night. Xiao Qiao felt that her frail body could not bear this shameless bastard.

Mrs. Gan patted Xiao Qiao's shoulder and smiled. ,

Mrs. Gan thought that with Xiao Qiao joining tomorrow, she and Mrs. Mi would be more relaxed in the future.

The next morning,

Su Chen came out of the room refreshed. Mrs. Mi would rest in the room all day. Mrs. Mi's enthusiasm last night was so intense that Su Chen enjoyed it very much.

If Su Chen had not gone to see Sun Quan's mother with Zhang Zhao today, he would not have wanted to leave Wenrou Township so early.

Chapter 2064

Su Chen and Zhang Zhao arrived at Wuhou Palace early in the morning. They were in a luxurious courtyard in the back hall.

The scenery here was very beautiful, with small bridges and flowing water, pavilions and pavilions, and flowers blooming everywhere. Su Chen looked around. Nodding, this is really a secluded courtyard for retirement.

Zhang Zhao took Su Chen outside a quiet room.

Zhang Zhao said to Su Chen, "Anlehou, wait a moment, I will go and inform you."

"good!"

Su Chen nodded and agreed.

He didn't care about these etiquettes.

It would be best if he could convince Mrs. Wu this time. If he couldn't be convinced, just come here to see the scenery.

This courtyard is really elegant and quiet, Su Chen I also want to build a courtyard like this in this world

"Who are you?"

While Su Chen was admiring the surrounding scenery, a woman's soft voice suddenly came over.

I'm going, big beauty!

Ahem!

Damn, this is really big!

Su Chen looked at a beautiful woman in palace clothes who didn't know when she would arrive. He opened his eyes wide when he looked at this beautiful woman. Su Chen felt that this beautiful woman's body could suffocate him to death. When this beautiful woman saw Su Chen's rude eyes, she felt a little ashamed and angry.

She was Sun Quan's Mother, this stranger dared to look at her with lustful eyes. She couldn't help but call the guards to catch this pervert.

"Discourteous, who the hell are you?"

Su Chen looked at this beautiful woman and was very confused.

Who is this beautiful woman?

Su Chen looked at her age and she was in her thirties.

Ugh!

She must be in her thirties.

Damn, that's the age of all women. It's really hard to guess, especially a beautiful woman who looks very young, but is actually very old.

Su Chen looked at this beautiful bear woman and asked in confusion, "Who are you?"

The beautiful woman pointed at her and asked with a surprised look on her face,

"You don't even know me?"

"Are you famous? The beautiful woman looked at Su Chen coldly and snorted,"Humph, you are not from the Hou Mansion. Who are you?" How did you get in? Say it quickly or I'll call the guards."

"Beauty, you don't even recognize me?"

The beautiful woman looked at Su Chen and mocked disdainfully,"You are such a brat, why should I know you?"

"You are an old woman, why should I get to know you?"

"old.....old woman?"

The beautiful woman's face turned dark when she heard Su Chen's words.

She didn't think that Su Chen would call her old woman.

This little bastard, if the Marquis hadn't been so heavily guarded, this little bastard couldn't have been an assassin.

Now she wants to call her Guardian Zai I killed this little bastard. Is this bastard the bastard son of that aristocratic family?

"Is not it? Look at the wrinkles on your old face, and look at your skin. Not only is it not fair, it is also loose and elastic. What are you if you are not an old woman?"

Go, this beautiful woman is getting more and more beautiful the more you look at her. She has fair skin, rosy cheeks, very elastic skin, and her mature charm will make him faint. The beautiful woman is dark. His face is going crazy, all the wrinkles are appearing?

Why is his skin not fair?

Why is his skin loose and stretched?

Does this little bastard want to die?

Plop!

"You little bastard, I.....ah!"

When the beautiful woman was about to kick Su Chen in anger, she suddenly tripped over her long dress, and the beautiful woman fell into the small pool next to her.

Damn it!

What is going on?

Could it be that the beautiful woman was angry? Want to commit suicide by diving into the pool?

Su Chen looked at the beautiful woman flopping in the pool with a confused face. He couldn't understand why the beautiful woman suddenly fell into the small pool. The beautiful woman struggled in the small pool and shouted to Su Chen, "Save Me, help me!"

Su Chen said to the beautiful woman with a speechless face,

"Let me go, old woman, this is just a small pool, the deepest is less than two meters, it can't drown you. Besides, as a person from Wujun, Jiangdong, don't you even know how to swim?"

"I....."

"I'll go, this won't be drowned, right?"

Su Chen saw the beautiful woman suddenly sinking, which made him very speechless.

In a small pool less than two meters deep, this beautiful woman wouldn't be so unlucky to jump to the deepest part, right?

Su Chen jumped in hastily. After walking into Xiaochi,

Su Chen didn't know who this beautiful woman was, but she was not Sun Quan's wife, but probably a family member of Sun Quan.

Although Su Chen was not very fond of Sun Quan, he still wouldn't watch a beautiful woman drown.

Damn, what should we do?

Why is there not a maid here?

Riou, this beautiful woman is so tempting.

After Su Chen rescued the beautiful woman from the small pool, the beautiful woman had already fainted,

Su Chen looked around and found no maid, which made him very helpless. Should he give this beautiful woman artificial respiration?

His eyes widened when he looked at the wet beautiful woman in his arms. The beautiful woman was all wet. , the clothes are clinging to the body, and the proud and erect figure is very conspicuous

"Beauty, it's not my fault, I'm doing this to save you."

Su Chen hugged the beautiful woman and disappeared by the small pond in an instant.

He wanted to find a room to revive the beautiful woman in his arms. Well, artificial respiration is essential. Su Chen would not use other methods to save the drowning woman. In

Wujun City, in a mansion not far from Wuhou Mansion, Liu Bei brought Zhuge Liang to the mansion.

In the hall, a beautiful woman looked at Liu Bei who came uninvited and was very confused. Usually no one comes to the mansion, so Liu Bei's sudden visit left her a little confused.

"Mr. Liu, I wonder why you came to my house today? Liu

Bei offered his hand to this beautiful woman and said with a smile, "Mrs. Da Qiao, I have taken the liberty to come here to disturb you this time. I want to tell Mrs. Da Qiao something." Da

Qiao asked with a puzzled look on his face.

"What's the matter?"

"It's about Madam's sister, Mrs. Xiao Qiao"

"My sister? Liu Shijun, my sister is in Chaisangzhou's mansion now. What can happen to her? Liu

Bei shook his head and replied,

"No, madam, your sister Xiao Qiao was kidnapped seven or eight days ago and her whereabouts are still unknown."

When Da Qiao heard Liu Bei's words, he shouted in panic,

"What? My sister was kidnapped? How can this be? The Zhou Mansion is heavily guarded, and the troops in Chaisang City are all under the command of Zhou Yu. How could my sister be kidnapped?"

Liu Bei saw the panicked Da Qiao, and a smile appeared on his lips.

As long as Da Qiao loses his control,

Liu Bei can introduce Da Qiao to Su Chen. Da Qiao only needs to go to Su Chen to ask for someone, Anle Hou Su Chen. The pervert will definitely not let go of the beautiful Da Qiao. If Sun Quan finds out by then, it is not certain whether Anlehou Su Chen will be able to leave Jiangdong alive.

"Madam, this is absolutely true. Governor Zhou has already gone to Chaisang County. The person who abducted Mrs. Xiao Qiao has not been found yet. However, I have found out that there is a very suspicious person. He may be the person who abducted your sister. murderer."

Chapter 2065

Da Qiao's expression changed when she heard Liu Bei's words.

She looked at Liu Bei and became alert.

Although Da Qiao had been deep in the inner courtyard and never left, she was not stupid at all. Her sister Xiao Qiao had been kidnapped. Since Liu Bei Knowing the clue, why didn't he tell Zhou Yu?

Da Qiao is just a woman.

After Sun Ce died, she was a woman without any rights.

Liu Bei told her the murderer who captured Xiao Qiao. Da Qiao had no way to save her sister.

Da Qiao suspected that Liu Bei might have some conspiracy.

"Liu Shijun, since you have found the murderer, you can tell Zhou Yu, or even tell Sun Quan. You have told me whether I have the ability to rescue my sister Xiao Qiao."

At this time,

Zhuge Liang next to him saw Da Qiao's wary eyes.

He knew that Liu Bei was a little impatient just now. Da Qiao might have suspected their purpose.

Zhuge Liang shook the fan in his hand and said,

"Madam Da Qiao, we just suspect that the person kidnapped your sister. The details still need to be confirmed, and the identity of the person is very special. We dare not tell Governor Zhou and Marquis Wu until we find definite evidence."

"who's that person?"

Da Qiao asked with a puzzled look, special status? Whose status in Jiangdong does Zhou Yu dare not offend? Except for Sun Quan, Zhou Yu didn't care about anyone in Jiangdong.

Zhuge Liang said with a serious face,

"It was Su Chen, Marquis of Anle, and the envoy sent by Cao Cao to Jiangdong this time."

When Xiao Qiao heard Zhuge Liang's words, he stood up quickly and asked,

"Anle Hou Suchen? It's him! Ambassador Liu, are you sure you are Cao Cao's envoy Anlehou Su Chen? Liu

Bei hurriedly said to Da Qiao,

"It's Anlehou Suchen"

"Mrs. Da Qiao, Mrs. Xiao Qiao was kidnapped just as Anle Hou Suchen arrived in Chaisang City. How could things be such a coincidence?"

"Moreover, Anlehou is also a lecherous person. I suspect that he may have fallen in love with Mrs. Xiao Qiao, so he sent someone to kidnap Mrs. Xiao Qiao."

When Da Qiao heard Liu Bei's words, she felt that Liu Bei did not lie this time.

It was a coincidence. Xiao Qiao was kidnapped as soon as Su Chen, the Marquis of Anle, arrived at Chaisang City. Da Qiao also suspected that Su Chen, the Marquis of Anle, had kidnapped her sister. However, why didn't Zhou Yu investigate this matter against Anle Hou Su Chen? He didn't even catch Anle Hou Suchen, or Zhou Yu felt that Su Chen was not the one who kidnapped Xiao Qiao. Da Qiao looked at Liu Bei and suddenly thought of the recent rumors, Liu Bei's two The lady was kidnapped by Su Chen, Marquis of Anle, and even brought Wu Jun with her. Is Liu Bei planning to borrow a knife to kill someone? Da Qiao shook his head and said,

"Mr. Liu, it's useless for you to tell me this."

"You should know my situation. Although I seem to be of noble status, I have no rights at all. I am even under house arrest in this mansion. Even if I know that Xiao Qiao has been kidnapped by Anle Hou Su Chen, I still have no way to rescue my sister Xiao. Joe. Zhuge

Liang smiled and said to Da Qiao,

"Madam Da Qiao, the reason why we came here this time is to ask Madam to check in Su Chen's mansion. You have a special status. You can pretend to visit Su Chen, the Marquis of Anle, and check if your sister exists in Su Chen's mansion. Da

Qiao shook his head and said, "Marquis Anle Suchen is not a fool. Will she let me check his mansion?"

Zhugé Liang looked at Da Qiao and reminded,

"Madam, Anle Hou Suchen has brought four women with him this time. Madam can find a way to see those four women. Madam can also check to see if your sister Xiao Qiao is among the four."

"Only four women?"

"good!"

"OK, I agree. I will visit Anle Hou Suchen tomorrow."

Da Qiao felt that there were only four women.

She had a way to see those four women.

Among the four women,

Da Qiao thought that except for Liu Bei's two wives, there were only two women left. She wanted to meet the rest. The two women, this matter is not difficult for her.

When Liu Bei and Zhuge Liang heard that Da Qiao agreed, they both showed some smiles. Everything is ready, all they need is the east wind, and a good show will start tomorrow..At this moment, in the palace of Wu Hou,

Sun Quan listened to the report of his men with an angry look. He did not expect that Liu Bei and Zhuge Liang would visit Da Qiao today. Now he wanted to send people to execute Liu Bei and Zhuge Liang immediately.

"Closely monitor Liu Bei's people. In addition, Mrs. Da Qiao must also be closely monitored."

"Yes, my lord!"

After Sun Quan saw his men retreating, he clenched his fists tightly. Sun Quan wanted to see how many people would jump out this time and how many people would plot to rebel. Liu Bei, Zhuge Liang, Lu Su, Zhou Yu, these people They were all dead.

At about noon,

Su Chen walked out of a room.

He looked at the room and shook his head speechlessly.

He still could not withstand the temptation.

Su Chen was originally going to give this beautiful woman artificial respiration. She, but he couldn't control himself as he kissed her, and he never thought that he would do something to a strange and beautiful woman.

Su Chen sat on the steps, touched his chin and said to himself,

"This is going to be troublesome, but the beautiful woman didn't cry or make trouble when she woke up. Is this a sign before the outbreak? Or is the beautiful woman so angry that she wants the guards to kill her when she leaves?"

Bang!

The door of the room was opened, and the beautiful woman wore a dress prepared by Su Chen and walked out. When she saw Su Chen sitting on the steps, she looked angry. The beautiful woman did not expect that she would be raped by this little bastard. Ruining her innocence, she had been protecting her integrity for many years, but she was ruined by a little bastard. When

Su Chen saw the beautiful woman coming out of the room, she even looked fierce and wanted to eat people,

Su Chen coughed in embarrassment,

"Cough, my name is Su Chen, Anlehou Su Chen, what's your name!"

When the beautiful woman heard Su Chen's words, she hurriedly asked, "Su Chen, the Marquis of Anle? Are you actually an envoy sent by Cao Cao?"

"good!"

The beautiful woman clenched her fists tightly and looked at Su Chen angrily.

She didn't expect that this little bastard turned out to be Cao Cao's envoy.

Now she was going to be in trouble.

The beautiful woman originally wanted to send someone to kill this little bastard before giving him A random accusation, but this little bastard turned out to be Cao Cao's envoy, which made her dare not kill Su Chen now. Cao Cao had already marched to the Yangtze River, and if the beautiful woman killed this little bastard for no reason, she would probably cause trouble. Being angry with Cao Cao will also disrupt her son Sun Quan's strategy against the enemy.

"I am Sun Quan's mother, little bastard, how do you want to die?"

Chapter 2066

Su Chen was stunned when he heard the beautiful woman's words,

Sun Quan's mother?

Holy shit,

I fucking slept with Sun Quan's mother?

Damn it, what should I do? run?

Leave Jiangdong immediately?

Su Chen wanted to escape.

Although Su Chen was not worried about the robbery and killing by Jiangdong's army, Mrs. Mi, Mrs. Gan, and Xiao Qiao would be in trouble.

Su Chen waved his hand to Mrs. Wu and said, "That....Mrs. Wu, there was a misunderstanding just now. I will leave now and never appear in Jiangdong again."

When Mrs. Wu saw that Su Chen was leaving, or even leaving Jiangdong, how could she let this bastard leave?

Mrs. Wu immediately shouted to Su Chen in a cold voice, "Stop! If you dare to leave, I'll ask the guards to kill you."

"Madam Wu, there were no maids or guards when you fell into the water just now. Can you call the guards?"

"You can try!"

What the fuck?"

Su Chen rubbed his forehead helplessly.

Should he leave directly now?

Or should he stay and let Mrs. Wu deal with him?

"Old lady, Anlehou, what are you doing?.....

? "

At this time,

Zhang Zhao ran over sweating profusely.

After he saluted Mrs. Wu,

Zhang Zhao looked at Mrs. Wu and Su Chen and was very surprised. He had been looking for Su Chen for a long time. He did not expect that Su Chen and Wu The lady is chatting here.

Mrs. Wu asked Zhang Zhao expressionlessly, "Master Zhang, did you bring Anlehou here?"

Zhang Zhao nodded hurriedly and replied,

"Old madam, I brought Anlehou here. I was originally going to meet the old madam, but I didn't wait until the old madam arrived. I didn't expect that the old madam and Anlehou would meet here."

When Mrs. Wu heard Zhang Zhao's words, she understood why this little bastard appeared in her courtyard.

However, this little bastard never thought of leaving.

Before Mrs. Wu could figure out how to deal with this matter, this little bastard she Won't let him go

"So that's it. Mr. Zhang, please leave. I have something to talk to Anlehou."

"Yes, old lady!"

When Su Chen saw Zhang Zhao waved to him and left, he sat down speechlessly and would not leave until he left. Can Mrs. Wu still eat him?

"Come to me!"

Mrs. Wu saw that Su Chen was sitting on the steps again, and she shook her head helplessly.

Anle Hou Su Chen was a nobleman no matter what, and there were nobles who just sat on the steps casually regardless of their image.

Mrs. Wu was going to wash up. She had to change into another dress.

She was sticky and uncomfortable.

She had to let the maids watch over this bastard. Without her order, this bastard could never leave the Wuhou Mansion. In

Chaisang City,

Zhou Yu looked at the county with an ugly face. The shoufu has been walking around for more than ten days, and there is still no news about his wife Xiao Qiao. Zhou Yu is now so angry that he wants to kill someone.

Lu Su looked at the anxious Zhou Yu and said helplessly,

"Grand Governor, Mrs. Xiao Qiao has never found out the news. Those thieves may have left Chaisang City with Mrs. Xiao Qiao. Grand Governor, how about lifting the seal of Chaisang City?"

Zhou Yu nodded when he heard Lu Su's words, "Cancel it. Xiao Qiao should have been taken out of Chaisang City. Lu Su, Anle Hou Su Chen's ship was really not found?"

Zhou Yu guessed that Xiao Qiao could no longer be in Chaisang City. It would be useless for them to continue to Chaisang City.

However,

Zhou Yu still suspected that Su Chen had kidnapped Xiao Qiao.

The time was too coincidental.

Anle Hou Su Chen had just arrived in Chaisang City. , Xiao Qiao was kidnapped. How can there be such a coincidence in the world.

Besides,

Anle Hou Su Chen was a sex demon.

That sex demon even robbed Liu Bei's two wives. Zhou Yu was also worried that Xiao Qiao was kidnapped by Anle Hou Su Chen.

Lu Su shook his head and said, "No, after Mrs. Xiao Qiao was kidnapped, Gan Ning and I personally led the army to search Anlehou's ship. No Mrs. Xiao Qiao was found on the ship."

"Ahem, Lu Su, I still think Anlehou kidnapped Xiao Qiao. No, I have to rush back to Wu County immediately. I want to personally search those people Anlehou brought."

"well! Grand Governor, let me go with you. After all, I failed to protect Mrs. Xiao Qiao."

"Okay, let's set off immediately and get back to Wu County before noon tomorrow."

"Yes, Grand Governor."

At noon, in Wuhou's residence,

Su Chen was sitting in a chair in confusion, thinking about something. His conversation with the maid just now surprised Su Chen.

There is no woman like Sun Shangxiang in this world? How is this possible? Isn't Sun Shangxiang

?

Sun Quan's sister? Sun

Shangxiang, the concubine of the Qing Dynasty, is gone?

Sun Quan's sister is actually an ordinary-looking woman,

Sun Ru?

Su Chen has never even heard of this name.

Damn it,

Sun Shangxiang, one of the eight beauties in Jiangdong, is gone.

This It's really fucked up.

Su Chen drank a glass of wine, shook his head and said to himself,

"Forget it, if you don't have it, you won't have it. Anyway, there is Sun Shangxiang in Tianxuan Continent, and she is also a very beautiful Gongyao Ji."

"what are you saying? What Gong Yaoji?"

At this time,

Mrs. Wu changed her clothes and came to the hall after washing up. She heard Su Chen talking to himself about Gong Yao Ji, and she was very confused.

Gong Yao Ji?

Is this a woman?

Are they the wives and concubines of this little bastard?

Su Chen teased Mrs. Wu while coughing,

"Ahem, I said Madam's waist is very perfect, as soft as a curved bow."

Su Chen found that Mrs. Wu was even more beautiful after washing. The two mountains almost burst her dress. Her mature charm was very attractive, and her spring-like face looked even more delicate.

"Shameless!"

When Mrs. Wu heard Su Chen's words, she stared at Su Chen with shame and anger.

This shameless bastard,

Mrs. Wu now wants to execute this pervert.

When she thought of the things Su Chen did to her before, Mrs. Wu's face turned very red, but , is her waist really soft?

Bah!

Damn it, how could I let those shameful things happen to me?

Su Chen looked at the time and stood up and said to Mrs. Wu,

"Mrs. Wu, I still have something to do, so I'll stop here today. I'll come see you tomorrow."

Mrs. Wu glared at Su Chen and said coldly,

"You can't leave today"

"Madam Wu, I will not run away. Besides, I am an envoy. I will not leave until I have completed my mission."

"That's not OK!"

Let me go, why is this beautiful woman so stubborn?

Su Chen was very helpless when he looked at Mrs. Wu. He could see that Mrs. Wu no longer had the intention to kill him.

"Mrs. Wu, then don't blame me for being rude."

Su Chen saw that Mrs. Wu still disagreed. He quickly hugged Mrs. Wu and wanted to teach her a lesson.

"what are you up to? Let go.....Woo woo woo...."

Chapter 2067

When it was almost evening,

Su Chen returned to his temporary residence.

He smiled when he thought of Mrs. Wu's charming appearance.

Mrs. Wu was temporarily taken care of by him. As long as Su Chen interacted with Mrs. Wu a few more times in the future, Mrs. Wu's body and mind will be conquered by him.

After Mrs. Mi sat down with Su Chen, she took a greeting note and said to Su Chen,

"Husband, today Mrs. Da Qiao sent a greeting note to our house, saying that she would come to visit us tomorrow."

"Da Qiao?"

Su Chen was very confused when he heard Mrs. Mi's words, why is it Da Qiao again?

Su Chen heard Da Qiao at Sun Quan's house yesterday, and even Liu Bei seemed to be plotting against Da Qiao.

How could Da Qiao do this ? Want to visit me?

There must be a problem.

Is it because of Xiao Qiao?

Or does Liu Bei want to use Da Qiao to deal with him?

Su Chen couldn't understand after thinking about it. After Da Qiao's death, she has no rights at all now. , Liu Bei just let Da Qiao deal with him. Does Da Qiao have this ability?

"Madam, does Xiao Qiao know? Mrs.

Mi poured a cup of tea for Su Chen and said with a smile,"She knows that Xiao Qiao may also be very confused. She doesn't know whether she should see her sister tomorrow.""

"What's there to worry about? Xiao Qiao can just see her sister tomorrow if she wants to. It's not a big deal."

"Isn't your husband afraid that Da Qiao will expose Xiao Qiao's existence?"

Su Chen took out a spiritual fruit and handed it to Mrs. Mi and said,"Don't worry, Xiao Qiao will take care of her sister. Madam, you can give this spiritual fruit to Xiao Qiao, which will save Xiao Qiao from bothering me again later."

"hehe....., well, I'm afraid Xiao Qiao can't escape your grasp."

"Of course, none of the beauties in my hands can escape."

"I'm going to find Xiao Qiao!"

After Xiao Qiao left, Su Chen was still thinking about Da Qiao's arrival tomorrow. Da Qiao would definitely not come tomorrow without any reason.

What conspiracy did Liu Bei and Da Qiao have?

Is it a borrowed knife to kill someone?

Su Chen suddenly thought of his own Identity is a shameless sex devil.

If Da Qiao comes to his mansion, will he let Da Qiao, one of the beauties from Jiangdong, go?

In addition,

Liu Bei will probably notify Sun Quan to come to his mansion. Liu Da'er wants to take advantage of Da Qiao. Should he let Sun Quan execute him?

Su Chen felt that his guess was probably true. It seemed that he had to make some preparations tomorrow. He didn't want Liu Da'er to confuse him.

The next day,

Wujun City was turbulent today.

In the Marquis of Wu Mansion,

Sun Quan looked at the letter in his hand with a gloomy look.

He did not expect that Zhou Yu and Lu Su, with their five thousand troops, were rushing towards Wu Commandery and would even arrive at Wu Commandery City at noon today.

Liu Bei and Da Qiao had just arrived yesterday. After meeting, Zhou Yu and Lu Su came to Wu County with their troops. He didn't believe it without contact.

Sun Quan asked a general below "Zhou Tai, what's going on in Liu Bei's house?"

Zhou Tai immediately saluted and said, "My lord, everything is calm now. However, yesterday, Zhao Zilong, who was under Liu Bei, brought a beautiful woman into the mansion."

"A beautiful woman? Do you know what your identity is?"

"It's still unclear, but that beautiful woman is probably not from Jiangdong."

Sun Quan was confused when he heard Zhou Tai's words, "Not from Jiangdong?" Liu Bei, Liu Bei, it seems that you are really a disaster star. Zhou Tai, monitor Liu Bei closely, and kill him without mercy if anything happens."

A beautiful woman?

Why did a beautiful woman come to Liu Bei's mansion?

Who is that beautiful woman?

Sun Quan couldn't figure it out with a sullen face.

He was worried that the beautiful woman might be Liu Bei's tool to win over his generals.

"Yes, my lord!"

After Sun Quan saw Zhou Tai leaving, he was stroking his chin and thinking about what was going to happen today.

Da Qiao was going to visit Anlehou?

Zhou Yu and Lu Su came with their troops?

Liu Bei's conspiracy?

Sun Quan thought about it and became vicious Sun Quan made a decision that his brother's son could no longer stay.

Sun Quan felt that no matter how he defended himself, he could not guard against the conspiracy of someone with intentions. His brother's son Sun Shao must die. Only when Sun Shao died completely could he rest in peace. The Lord of Jiangdong sat down worry-free.

In the backyard of Wu Hou Mansion,

Mrs. Wu was speechless when she looked at the letter in her hand.

That bastard actually invited her to be a guest?

Damn you little bastard,

Mrs. Wu gritted her teeth thinking about what happened yesterday. Itchy, she was hurt a lot by that bastard yesterday. She slept all night and didn't even have the energy to get up to eat dinner. After thinking about it, Mrs. Wu decided to go to Su Chen's mansion.

She wanted to know what the little bastard was. What to do, and she also wanted to see the women Su Chen kidnapped

"Someone come!"

"Old lady!"

"Get your bike frame ready, I'm going to visit Anlehou"

"Yes, old lady!"

In Su Chen's mansion,

Xiao Qiao stared at Su Chen fiercely.

She didn't expect that Su Chen would sneak into her room at night. When Xiao Qiao thought about what happened last night, she wanted to bite this shameless bastard to death.

Su Chen He hugged Xiao Qiao's soft body and said with a smile,

"Xiao Qiao, you are very beautiful now. I believe your sister will be very surprised when she arrives."

Xiao Qiao is now more beautiful and younger than before.

Her exquisite face, gorgeous red lips, soft and plump body, curved figure, and even the charm all over her body make people even more fascinated by it.

Xiao Qiao He snorted coldly at Su Chen, "Huh, aren't you afraid that my sister will expose me?"

Su Chen touched Xiao Qiao's hair and said with a smile,

"With your persuasion, your sister will definitely not expose you. Xiao Qiao, when your sister arrives, you can ask her why she suddenly came to visit me. I think your sister may have been taken advantage of."

"I see."

Xiao Qiao nodded to Su Chen and replied.

She was also worried that her sister would be taken advantage of. Xiao Qiao thought that her sister's situation was not good to begin with. She also felt very strange when she suddenly came to visit Su Chen this time.

"Report to the Marquis, Mrs. Da Qiao is here!"

At this time, a soldier came in and saluted,

"Xiao Qiao, go pick up your sister and have a chat with her first."

"OK!"

After Xiao Qiao answered Su Chen, she saw that Su Chen seemed to be waiting for someone to arrive, which made her confused.

Wasn't Su Chen waiting for her sister to arrive?

Xiao Qiao was confused after thinking about it. Asked, "Husband, is anyone else coming?"

"Yes, there is another big shot from Jiangdong who is coming. You go see your sister first and you will know who is coming soon."

Chapter 2068

Su Chen thought about the letter he sent to Mrs. Wu today.

He didn't know whether the beautiful Mrs. Wu would arrive.

If the beautiful Mrs. Wu would arrive today, Su Chen would be very sure about what was going to happen today.

I go!

If Liu Bei is killed today, will the Battle of Chibi still happen?

In more than a month,

Cao Cao's supplies and warships will be ready, and then he will start a war against Jiangdong.

Without Liu Bei and his men in Jiangdong, Sun Quan will definitely not be Cao Cao's opponent, and even the burning of the ship plot will not happen.

If there was no Battle of Chibi, how would he be able to complete his mission?

Su Chen was worried that without the Battle of Chibi, his trial mission would be in vain, and even this simple trial mission would fail.

Su Chen was a little confused now.

Should Liu Bei be killed now?

Or not to kill?

At this time,

Gan Ning came quickly and saluted Su Chen and said, "Master Marquis, something happened. There are many troops in Wujun City."

"Gan Ning, how many troops do you have?"

"There are more than 10,000 troops, Lord Marquis, something big must have happened in Wujun City."

Su Chen couldn't understand what Gan Ning said.

There were more than 10,000 city guards in Wujun City. Why did Sun Quan send more than 10,000 troops from the camp outside the city?

Even if there were rebel forces in Wujun City, Sun Quan was also able to quickly quell the rebellion without the need for troops outside the city.

Su Chen thought about it and then told Gan Ning, "Gan Ning, let my scouts go and investigate, and inform Gao Ze outside the city." , let him and Wei Yan be more vigilant"

"Yes, Lord Marquis!"

Su Chen took a sip of tea and thought about what was going to happen. What was going to happen today seemed to be beyond his expectation, and there might even be things he didn't know about.

In Xiao Qiao's room,

Da Qiao looked confused. Looking at Xiao Qiao, she felt incredible that Xiao Qiao had changed so much.

Although Xiao Qiao was a few years younger than her, the gap between her and Xiao Qiao was now too big. Not only did Xiao Qiao look very young now, And she is even more beautiful than before.

Da Qiao looked at Xiao Qiao and asked doubtfully,

"Sister, why do you look so young?"

"Although we haven't seen each other for several years, you have changed too much. Also, what is your relationship with Anlehou? Why do the soldiers here call you madam?"

When Xiao Qiao heard what Da Qiao said, she had a shy expression on her face.

Xiao Qiao is now regarded as Su Chen's bastard woman, and she didn't know how to explain this to Da Qiao.

Xiao Qiao said to Da Qiao shyly, "Sister, I am Su Chen's woman now. As for the fact that I have changed so much, it is because Su Chen gave me a spiritual fruit."

Da Qiao was very surprised when he heard Xiao Qiao's words.

Xiao Qiao She actually became the woman of Anle Hou Su Chen? That pervert really insulted her sister Xiao Qiao.

Damn bastard,

Da Qiao now wants to kill Su Chen,

Ling Guo?

Da Qiao suddenly thought that Xiao Qiao said that she ate the Ling Guo, her sister She has become so young and beautiful. Is the spirit fruit a fairy fruit? Anle Hou Suchen would actually give Xiao Qiao some fairy fruit?

No!

Why does Xiao Qiao look so shy?

Doesn't her sister like Anle Hou Suchen?

Da Qiao thinks of her Xiao Qiao and Xiao Qiao were forcibly married by Sun Ce and Zhou Yu respectively. They can also be regarded as women who were kidnapped by Sun Ce and Zhou Yu.

Besides,

Zhou Yu was still sick and sick, and

Xiao Qiao was actually a widowed woman like her.

Da Qiao looked serious. So he asked Xiao Qiao,

"Xiao Qiao, weren't you kidnapped by Anlehou Su Chen? Why do I think you seem to have fallen in love with Anle Hou Suchen? What exactly is going on? Please explain it clearly to me."

Xiao Qiao looked at Da Qiao with a serious face.

She hurriedly told Da Qiao what happened after she was kidnapped. Xiao Qiao knew that her sister Da Qiao was very worried about her, and she did not want to hide her and Su Chen from Da Qiao.

At this moment, Su

Chen also waited for Mrs. Wu.

Today, Mrs. Wu was dressed very beautifully and glamorously. In addition, Mrs. Wu was moisturized yesterday. Mrs. Wu's proud figure, beautiful face, mature woman Su Chen couldn't help but hugged Mrs. Wu in his arms.

Mrs. Wu struggled in panic when Su Chen hugged her,

"You shameless bastard, let me go, are you going to let others discover our relationship?"

Su Chen hugged Mrs. Wu's small waist and said with a smile,

"Don't worry, no one in my house dares to say nonsense, Mrs. Wu, you are so beautiful today."

Mrs. Wu stopped struggling after hearing Su Chen's words.

She was already possessed by this bastard.

It doesn't matter if this bastard is holding her now.

Besides, she has been widowed for more than ten years at a young age. Mrs. Wu also needs someone. A shoulder to rely on.

Mrs. Wu leaned into Su Chen's arms and asked, "You are so shameless. Why did you ask me to come this time?"

After Su Chen sat down with Mrs. Wu in his arms, he told Mrs. Wu his guess,

"It's like this. Something big may happen today. Liu Bei asked Da Qiao to come to my house. I'm worried that this is Liu Bei's request....."

Mrs. Wu was very surprised when she heard Su Chen's words.

She didn't expect so many things to happen these days. Cao Cao's army hasn't attacked yet. Is there going to be civil strife in Jiangdong?

Mrs. Wu asked with a serious face, "You mean this is all Liu Bei's fault?"

Su Chen nodded and replied,

"My guess is this, Liu Bei went to see Da Qiao yesterday, and Da Qiao came to see me today. It would be strange if there was no contact."

"Where is Da Qiao? Didn't she arrive? Wouldn't it be clearer if you just ask Da Qiao directly?"

"Da Qiao and Xiao Qiao are together. I will go over and ask Da Qiao soon, Mrs. Wu, I suspect that your son Sun Quan may want to kill Sun Ce's son. Sun Quan wants to sit back and sit back and sit down as the lord of Jiangdong. Sun Shao must die."

"This is impossible, how could Quan'er kill his nephew?"

Mrs. Wu was panicked.

She didn't expect Su Chen to say this, but it is indeed possible.

As Sun Shao grew up over the years, Mrs. Wu also knew that Sun Quan had put Sun Shao under house arrest in disguise.

Power, all this It's all for power.

The master of Jiangdong originally belonged to Sun Ce's son Sun Shao, but Sun Shao was still young when Sun Ce died, so Sun Quan was made the master of Jiangdong. Now it seems that Sun Quan will completely solve this hidden danger.

At this time,

A soldier reported outside the hall,

"Report to the general that Mrs. Wu and her trainer are outside the mansion and want to see Mrs. Wu."

Chapter 2069

Su Chen was very surprised when he heard the soldier's report.

Why did Sun Quan's wife, the infantry trainer, also arrive?

Step trainer?

She is one of the top three beauties in Jiangdong, and is even more beautiful than Sun Shangxiang, the concubine. Why did Master Bu come to his mansion to find Mrs. Wu?

Mrs. Wu also had a surprised expression on her face. She didn't expect that Master Bu would come to Su Chen's mansion to look for her.

Could it be that something big had happened?

Sun Shao?

Is Sun Quan going to attack Sun Shao today?

Madam Wu was so flustered that she couldn't sit still.

Sun Shao was the only son of her eldest son Sun Ce. Madam Wu could not let Sun Quan kill Sun Ce's only bloodline.

After Su Chen patted the panicked Mrs. Wu, he ordered the soldiers,

"Let Mrs. Wu come in"

"Yes, Lord Marquis!"

"Mrs. Wu, don't panic, first see what happens when Trainer Bu arrives."

After Mrs. Wu got up from Su Chen's arms and sat on the chair, she said to Su Chen with a complicated expression, "Su Chen, this must be Sun Quan who wants to kill Sun Shao, and Master Bu should be here to inform me."

Su Chen was very confused when he heard what Mrs. Wu said.

He could guess that Sun Quan wanted to kill Sun Shao, but why did Bu Lianshi come to inform Mrs. Wu? Bu Lianshi was Sun Quan's wife. Didn't Bu Lianshi not want Sun Quan to kill him? Sun Shao?

Su Chen looked at the restless Mrs. Wu and asked, "If Sun Quan kills Sun Shao, can you stop it? Mrs. Wu nodded and replied,

"Okay, Sun Quan doesn't dare to disobey me. Besides, I recruited more than half of the ministers in Jiangdong for Sun Quan. If that doesn't work, I will forcefully stop Sun Quan from killing Sun Shao."

I'll go!

More than half of the ministers in Jiangdong were recruited by Madam Wu?

Su Chen was very surprised when he looked at Madam Wu.

However,

Su Chen thought that when Sun Quan became the Lord of Jiangdong, Sun Biyan was also very young. If no one Help Sun Quan appease the generals and ministers. It is impossible for Sun Quan to sit safely as the Lord of Jiangdong. Behind this, it may be that Mrs. Wu is helping Sun Quan. After a while

, a beautiful woman in palace clothes came to the hall with an anxious face.

She saw Mrs. Wu then said hurriedly,

"Old madam, this is bad, my husband wants to kill Sun Shao, you have to stop him as soon as possible"

"Trainer, does Quan'er really want to kill Sun Shao?"

Mrs. Wu looked very ugly when she heard what Trainer Bu said. Is the Sun family really going to kill each other today? Is Sun Quan really the only bloodline of his brother?

Trainer Bu nodded and replied hurriedly,

"It's true. I overheard it when I was delivering ginseng soup to my husband today. Zhou Tai will lead the soldiers to Mrs. Da Qiao's mansion soon. Madam, you have to stop it as soon as possible."

"well!"

Mrs. Wu sighed and felt very helpless, but she had no choice.

In order to preserve Sun Ce's only bloodline, Mrs. Wu could only stop Sun Quan's stupid behavior. With a serious face, Mrs. Wu shouted outside the hall,

"Someone come!"

"Old lady!"

A beautiful maid hurriedly walked in and saluted Mrs. Wu.

Mrs. Wu took out a jade pendant from her body and ordered,

"Axue, take my jade pendant and immediately inform the city guard general Lu Meng, asking him to lead the army to protect Sun Shao immediately. No one can harm Sun Shao."

"Yes, madam."

Su Chen watched all this without participating.

After he saw the beautiful Bu Lianshi, Su Chen has been thinking about what happened today.

Sun Quan is now eager to attack Sun Shao today, which is a bit fast. Well, was Sun Quan worried that Liu Bei would join forces with Zhou Yu? Or was there something unexpected going on in the meantime?

At this time,

Gan Ning quickly arrived in the hall and saluted Su Chen,

"Lord Hou!"

"explain!"

After Gan Ning looked at Mrs. Wu and Mrs. Bu next to him, he hurriedly reported to Su Chen,

"Lord Marquis, the scouts just came to report that Zhou Yu and Lu Su are approaching Wujun City with five thousand troops. They will arrive at Wujun City in another hour. Also, Liu Bei's mansion has been besieged by Jiangdong's army."

I'll go!

Zhou Yu and Lu Su actually came to Wu County with their troops?

What are they trying to do?

Rebellion?

Su Chen rubbed his forehead and couldn't understand. How could Jiangdong be in such chaos when Cao Cao's army was pressing down on the border?

Damn it. , it seems impossible that the Battle of Chibi will break out.

Zhou Yu and Liu Bei are clearly trying to mess with Sun Quan, and Sun Quan may also want to kill Liu Bei and Zhou Yu.

What the hell, if

Liu Bei and Zhou Yu, the protagonists of the Battle of Chibi, are killed, and What a crap Battle of Chibi.

After hearing Gan Ning's words, Mrs. Wu and Bu Lianshi were also very shocked.

They did not expect that Zhou Yu and Lu Su would arrive with five thousand troops.

What were they going to do?

Rebellion. ?

Or do they know that Sun Quan wants to kill Sun Shao? Zhou Yu and Lu Su are coming to rescue Sun Shao?

Why are things getting more and more complicated?

Su Chen turned back to Mrs. Wu and asked, "Mrs. Wu, how many troops are there in Wu Commandery City? Mrs. Wu thought for a while and then said,

"There are 15,000 city guards in Wujun City, and there are less than 20,000 troops in the camp outside the city. The other troops are deployed along the Yangtze River to defend Cao Cao. What do these do?"

"Can you control these armies? Mrs. Wu shook her head and replied, "The city guard general Lu Meng can obey my orders, but the general Lu Xun in the camp outside the city may not obey my orders.""

Su Chen didn't expect Lu Xun to show up so early.

Lu Xun was a great man. He was the prime minister of Jiangdong and an excellent general who led troops in battles.

Su Chen looked at Mrs. Wu and asked, "Lu Xun is one of the four major noble clans in Jiangdong. family?"

"good!" Su Chen was relieved when he heard Mrs. Wu's answer. The nobles and wealthy families in Jiangdong now have agreements with him. Besides, if Su Chen wants to do things in the name of Mrs. Wu, these noble families in Jiangdong will definitely cooperate more..Su Chen thought for a moment and then ordered Gan Ning,

"Gan Ning, go to Zhang Zhao's residence immediately, ask Zhang Zhao to see Lu Xun immediately, and tell Zhang Zhao that the army controlled by Lu Xun is not allowed to take any action without Mrs. Wu's order."

"Yes, Lord Marquis!"

At this time,

Bu Lianshi couldn't sit still.

After she heard these orders from Su Chen,

Bu Lianshi found that Su Chen wanted to evade Sun Quan and even control all the troops in Wujun City.

Bu Lianshi didn't understand why Mrs. Wu She didn't stop her, but she couldn't watch all this happen. If the army in Wujun City was not controlled by Sun Quan, something big would happen.

"Anlehou, what are you going to do? You are just an envoy, and it is not your turn to intervene in our Jiangdong affairs."

Chapter 2070

Su Chen did not expect Bu Lianshi to say this, but he shook his head when he thought of the order just now.

Bu Lianshi was worried that Sun Quan would lose control of the army, but it was none of his business.

Even if Sun Quan was defeated by Liu Bei and Zhou Yu, Su Chen wouldn't frown even if someone killed him.

The Battle of Chibi has turned sour, and

Cao Cao may even be able to reach Jiangdong without any effort.

Without Liu Bei and Zhuge Liang, or even Zhou Yu and Lu Su Jiangdong, how could Sun Quan defeat Cao Cao?

Chained to a ship?

Burning Red Cliff?

None of these events can happen again.

Mrs. Wu heard Trainer Bu question Su Chen expressionlessly, and she also guessed Trainer Bu's worries.

How could Mrs. Wu seize Sun Quan's military power? She just didn't want the Sun family to kill each other, and she didn't want to see civil strife in Jiangdong when Cao Cao's army pressed on.

Mrs. Wu shook her head and said to Trainer Bu,

"Trainer, you don't need to blame Anlehou, Sun Quan will not lose military power. I just don't want Sun Quan to kill Sun Shao, or even civil strife in Jiangdong. This is a last resort decision."

Trainer Bu looked at Mrs. Wu and said worriedly,

"Old lady, if you do this, Sun Quan will complain about you in the future, and even....."

Trainer Bu is very worried about Mrs. Wu.

If Mrs. Wu takes away Sun Quan's military power this time, even if she returns the military power to Sun Quan in the future, Mrs. Wu may be imprisoned by Sun Quan in the future, and she may even be killed by Sun Quan out of fear..

Mrs. Wu smiled and shook her head and said,

"I know, but I don't care. This is the last thing I do to the Sun family. People in the Sun family must not kill each other. I will feel at ease even if I die in the future."

Mrs. Wu is about to leave Jiangdong.

After she saved Sun Ce's son Sun Shao this time, she will not care what happens to the Sun family in Jiangdong in the future.

She wants to leave with Su Chen.

She has been a widow for almost twenty years.

Mrs. Wu Want to live for herself once

"old lady....."

At this moment, in Liu Bei's mansion,

Liu Bei and Zhuge Liang had gloomy faces. They did not expect that Sun Quan would send troops to surround them, and even threatened to kill them if they dared to leave the mansion.

Liu Bei was confused and said to Zhuge Liang, "Commander, what is going on? Is Sun Quan going to surrender to Cao Cao?"

Zhuge Liang said with a serious expression,

"No, it is impossible for Sun Quan to surrender to Cao Cao. I am afraid something happened that we don't know about."

"Military advisor, could this be because of Anle Hou Suchen? Anlehou Su Chen went to Wuhou Mansion for two days in a row. Anlehou may have said something unfavorable to us to Sun Quan."

"possible!"

Guan Yu shouted with a fierce look on his face,

"Brother, the top priority is that we must escape from Wu County. Otherwise, if Jiangdong's army attacks later, we only have a few hundred people here and we will not be able to withstand the attack of Jiangdong's army. Zhao

Yun saluted Liu Bei and said, "Yes, Lord, we'd better escape from Wu Commandery City first." Huang

Zhong also said hurriedly,

"Yes, my lord, we can leave the green mountains without fear of running out of firewood. Let's escape from Wujun City first."

Liu Bei looked at everyone and was very helpless.

He planned to kill Anle Hou Suchen today, so that Liu Bei could take back his two wives.

But what happened today was too sudden, and his plan had just begun. , Sun Quan was actually preparing to attack him. Liu Bei knew that if he did not leave, he might be captured alive by Sun Quan or even executed on the spot.

Liu Bei looked at Zhuge Liang and asked,

"Military advisor, what do you think? Zhuge

Liang thought for a while and said,

"Lord, let's leave Wu County first, it's no longer safe here."

After Liu Bei heard Zhuge Liang's words, he looked at Guan Yu and hurriedly ordered,

"Second brother, you and General Zhao and General Huang are ready. We will break out of Wujun City in a moment."

"yes, Sir!"

"Yes, my lord!"

In the backyard,

Xia Hou Qingyi looked at the messy mansion and shook her head.

She guessed that Liu Bei might have escaped again.

Liu ran away?

Xia Hou Qingyi thought of Su Chen's nickname for Liu Bei, and she curled her lips and wanted to laugh. Come out.

Liu Bei is really a Liu Paopao, running from Youzhou to Jizhou, from Jizhou to Xuzhou, from Xuzhou to Sili, then to Jingzhou, and then to the current Wujun of Yangzhou.

What will happen in the future?

This Where will Liu Bei go next time?

Yizhou?

Hanzhong?

Or Xiliang?

"Qingyi, get ready quickly, we have to leave Wu Juncheng immediately."

At this time,

Zhao Yun arrived quickly and shouted to Xiahou Qingyi.

Zhao Yun did not expect that he would take Xiahou Qingyi and escape just after he arrived.

Zhao Yun felt that Xiahou Qingyi was involved this time, and there was someone in Wujun City. With more than 10,000 Jiangdong troops, Liu Bei's 500 troops may not be able to break through. This time it is a matter of life and death, and Zhao Yun is not sure of his safety in escaping from Wujun City.

Xiahou Qingyi looked at the anxious Zhao Yun and asked,

"Zhao Zilong, where are we going?"

Zhao Yun said hurriedly with a serious face, "Qingyi, let's follow the master and escape from Wujun City first."

"All right."

In front of Liu Bei's mansion, with the sudden attack by fierce generals such as Guan Yu, Zhao Yun, and Huang Zhong, a gap was opened in Jiangdong's army. Liu Bei hurriedly fled towards the city gate under the protection of hundreds of troops.

A school lieutenant looked around The army loudly ordered,

"Chase, Liu Bei can't escape, otherwise we will all be executed. Quickly inform General Zhou Tai that Liu Bei wants to escape from Wujun City."

In Wujun City,

Guan Yu, Zhao Yun and others led 300 troops to stop the pursuers.

They stopped the pursuers while retreating. In just a quarter of an hour, the 300 troops were also killed. Thousands of troops from Jiangdong were quickly encircled and killed. Guan Yu and Zhao Yun.

Guan Yu shouted to Zhao Yun,

"Evacuate, the lord should be leaving the city soon."

"good!"

At the gate of the city,

Liu Bei was stopped by Zhou Tai with more than a thousand troops.

Although Huang Zhong with 200 troops wanted to go out of the city gate, there were too many troops from Jiangdong, and every one of his soldiers would be killed. If they can't rush out of the city gate, they will be killed.

When Liu Bei saw Guan Yu and Zhao Yuntui coming, he hurriedly handed the child in his arms to Guan Yu.

Liu Bei saw that Jiangdong's army was getting larger and larger.

He shouted and ordered, "Second brother, take Achan and rush out quickly. Huang Zhong, take away Military Advisor Zhuge quickly."

Zhao Yun was confused at this moment.

Liu Bei's order was to let him escape with Liu Bei, but where is Xiahou Qingyi?

If he escapes with Liu Bei,

Xiahou Qingyi will be dead if he is left behind.

Zhao Yun can keep Liu Bei. Are you running away with Xiahou Qingyi?

When Liu Bei saw Zhao Yun in a daze, he hurriedly shouted, "Why is Zhao Yun still dazed? Take me away quickly"

"host....male.....Yes, my lord!"

Zhao Yun turned around and looked at Xiahou Qingyi complicatedly. Loyalty and filial piety cannot be balanced. He could only feel sorry for Xiahou Qingyi. Zhao Yun rode with Liu Bei and followed Guan Yu and the others quickly towards the city gate.

"Zhao Zilong~, he actually ran away without saving himself?"
