

Zongwu 2071

Chapter 2071

Xiahou Qingyi saw Zhao Yun fleeing with Liu Bei.

She couldn't believe it for a moment.

Xiahou Qingyi was surrounded by Jiangdong's army. Liu Bei's army only had dozens of soldiers still struggling. She had no way to escape..

Zhao Yun's departure made Xiahou Qingyi feel very heartbroken. Xiahou Qingyi did not expect that when life and death were at stake, Zhao Yun would choose to save Liu Bei and escape, and did not care about her life or death at all.

Xiahou Qingyi looked at the surrounding Jiangdong troops and murmured to herself with an ashen complexion,

"am I wrong?"

Zhou Tai saw Liu Bei and several people escaping from Wujun City, but he didn't care.

The entire Jiangdong was under Sun Quan's control.

The more than 3,000 troops left by Liu Bei outside the city were also being killed. Liu Bei had no way to escape..

Zhou Tai saw Xia Hou Qingyi riding on the horse, and his eyes lit up.

This beauty should be the woman brought back by Zhao Yun yesterday. Zhou Tai wanted to know who she was, and if such a beauty was killed, He also felt it was a pity.

Zhou Tai thought about it and hurriedly shouted, "Don't kill that woman, let me catch her alive.""

"Yes, General!"

At this moment, after Liu Bei and his men escaped from Wujun City, they were preparing to join the army led by Chen Dao outside the city.

However, they had not yet reached the military camp where Chen Dao was staying.

Liu Bei and Guan Yu discovered that there were flames in the military camp in the distance. Their expressions changed.

Zhuge Liang looked serious and hurriedly said to Liu Bei,

"Lord, we go to Chaisang County. Sun Quan wants to kill us. If we want to leave Jiangdong safely, we can only leave from Chaisang County. Lu Su will secretly let us leave."

"Walk!"

Liu Bei looked at the blazing military camp in the distance with a sullen face. There were his last three thousand troops there, which would be the basis for his future struggle for world domination.

However,

Liu Bei's last army would also be surrounded and killed by Sun Quan's troops. He is now A mere commander, except for the three generals, he was left with the resourceful Zhuge Liang.

However, without an army, how could he conquer the world? What could he use to capture the city?

After Guan Yu and Huang Zhong heard what Zhuge Liang and Liu Bei said, They immediately led Liu Bei and Zhuge Liang towards Chaisang County.

Zhao Yun looked at Wujun City with an ugly face.

He wanted to go to Chaisang City to rescue Xiahou Qingyi, but he thought that Xiahou Qingyi might be killed. This time It was he who killed Xia Hou Qingyi. Zhao Yun showed a painful expression and quickly followed Liu Bei and the others.

At this time,

Su Chen shook his head while listening to the conversation between Madam Wu and Master Bu.

He guessed Madam Wu's plan. ,

Mrs. Wu was preparing to leave with him, and even asked him to secretly take Mrs. Wu to leave Jiangdong.

Su Chen originally wanted to steal the concubine Sun Shangxiang and leave Jiangdong this time, but he did not expect that there would be no Sun Shangxiang in this world. He actually wanted to take Sun Shangxiang's mother to flee Jiangdong. This thing is really fucked.

Damn it, there is no concubine Sun Shangxiang in this world.

Su Chen thought it would be good to take away the beautiful and mature Mrs. Wu.

Anyway,

Su Chen Having already had a relationship with Madam Wu, he could not watch Madam Wu being imprisoned or killed by Sun Quan in the future.

At this time, a scout quickly arrived and reported,

"According to reports, Lord Marquis and Sun Shao were killed by Sun Quan himself, and Liu Bei escaped from Wujun City.

Su Chen was surprised when he heard what the scout said, "Sun Shao was killed?" Where is Lu Xun? He didn't stop Sun Quan?

The scout immediately replied, "Master Marquis, Sun Shao has been killed before Lu Xun reaches him.""

Su Chen was very speechless when he heard the scout's words.

He didn't expect that Sun Quan would move so fast, and Sun Quan also personally beheaded Sun Shao. It seems that Sun Quan was very concerned about Sun Shao, who was a thorn in his side.

"How many people from Liu Bei escaped from Wujun City?"

"Lord Marquis, only four of Liu Bei's men escaped from Wujun City."

Su Chen thought about it and hurriedly ordered to the scout,

"Immediately check the situation of Zhou Yu and Lu Su, and report any information immediately"

"Yes, Lord Marquis!"

Su Chen didn't care who Liu Bei escaped with.

It doesn't matter anymore.

Sun Quan has turned against Liu Bei.

Su Chen has to think about how the Battle of Chibi will proceed, and how he will arrange Mrs. Mi and Mrs. Gan after the Battle of Chibi.

These women.

After Mrs. Wu and Bu Lianshi heard what the scout said, their faces were very ugly.

Mrs. Wu and Bu Lianshi did not expect that Sun Quan would personally kill Sun Shao. How much did Sun Quan hate it? His little nephew Sun Shao, are rights really more important than family ties?

Su Chen thought about it and said to Mrs. Wu, "Mrs. Wu, you don't have to go back. We will leave Wu County immediately. Mrs. Wu asked in surprise,

"Leave now?"

Su Chen nodded and replied,

"Yes, it is meaningless to stay in Jiangdong. If there is civil strife in Jiangdong at this time, Cao Cao will definitely launch a war in advance. It will be very dangerous for us to continue to stay."

When Mrs. Wu heard Su Chen's words, she asked hurriedly with a pale face, "Su Chen, are you saying that Jiangdong can't be defended anymore?"

Su Chen hugged Mrs. Wu's plump waist and explained,

"Well, Jiangdong can no longer be defended. The nobles and wealthy families in Jiangdong will surrender to Cao Cao. Moreover, without the help of Zhou Yu and Liu Bei, Sun Quan will not be able to stop the attack of Cao Cao's army in Chibi."

"Jiangdong is actually going to die?"

Mrs. Wu did not expect that in just over ten years, Jiangdong would be annexed by Cao Cao. The foundation of Jiangdong built by Sun Jian and Sun Ce would completely defeat the unsatisfactory Sun Quan.

Trainer Bu originally heard that Su Chen's words were very shocking, but when she saw Su Chen and Mrs. Wu hugging each other,

Trainer Bu was stunned.

She didn't expect that Su Chen would hug Mrs. Wu, but Mrs. Wu didn't push Su Chen away, or even He shouted angrily at Su Chen.

Trainer Bu pointed at Su Chen and Mrs. Wu in confusion.

"you?

Su Chen looked at Coach Bu and said with a smile,"What are we?" Master Bu, Mrs. Wu is my woman. Now that you know about this matter, you can't go back."

"What? Mrs. Wu and you? Didn't you just arrive in Wujuncheng? How can this be?"

Trainer Bu was shocked when she heard Su Chen's words.

Although Trainer Bu guessed that Su Chen and Mrs. Wu had an abnormal relationship, she didn't expect that Su Chen would hook up with Mrs. Wu in just a few days..

Su Chen looked at the beautiful Bu Lianshi and said with a smile,

"Nothing is impossible, Master Bu, if you don't want Sun Quan to be kidnapped by Cao Cao after being killed, then prepare to leave with us."

Bu Lianshi shouted angrily,"No way, I will not leave Wu County even if I die. If Sun Quan is defeated, I will commit suicide and I will not be kidnapped by that traitor Cao Cao."

Chapter 2072

Bu Lianshi was very angry when he stared at Su Chen.

She didn't expect that Su Chen would kidnap her.

Bu Lianshi was not like those submissive women, and she was not a woman who was quick and easy. If Sun Quan was defeated and died, she would also Will not be kidnapped and humiliated by Cao Cao

"That's up to you!"

Su Chen didn't force Bu Lianshi, a beautiful woman who didn't want to leave, so she should stay and wait for death. The incident in Jiangdong is over here.

Su Chen didn't expect that something would happen in Wujun City just a few days after he arrived. So many things happened, and Sun Quan even caused internal strife when Cao Cao's troops came to the city.

Does Sun Quan think he is too slow to die?

Mrs. Wu suddenly said to Su Chen,

"Su Chen, how about you take control of Jiangdong?"

"I can command more than half of the troops in Jiangdong. I have been disappointed with Sun Quan. I hope you will not kill Sun Quan after taking control of Jiangdong. After all, he is my son."

I'll go!

Did Mrs. Wu let him seize Sun Quan's position as the Lord of Jiangdong?

How is this possible?

His trial mission was to help Cao Cao win in the Battle of Chibi.

Seeing that he could win the Battle of Chibi without taking action,

Su How could Chen take over Jiangdong? Aren't the attractive rewards of the ladder better than the Lord of Jiangdong?

Su Chen shook his head at Mrs. Wu and replied,

"Madam Wu, Jiangdong is hopeless. Cao Cao's hundreds of thousands of troops are not just decorations. Jiangdong only has an army of 100,000 at most. It is impossible for them to be a match for those brave and skilled soldiers from the north."

Mrs. Wu fell silent when she heard Su Chen's words.

She only had one son left, Sun Quan. If Sun Quan was defeated and killed in the future, her two sons would both die before her. Mrs. Wu would also be very sad.

"Husband!"

At this time,

Mrs. Mi, Mrs. Gan, Xiao Qiao, and Da Qiao all came to the hall.

For a moment, there were six extremely beautiful women in the hall.

Su Chen looked at these beautiful women and was stunned. He nodded. Although beautiful women like Madam Mi are not as good as fairies like Guanyin Bodhisattva, they are not even comparable to gods like Guanyin Bodhisattva.

However, if beautiful women like Madam Mi and Madam Gan start practicing in the future, they will become more and more beautiful. The more beautiful and beautiful

"Mrs. Mi, please get ready, we will leave Wujun City in a moment.

Mrs. Mi asked suspiciously when she heard Su Chen's words, "Are we leaving Wujun City?"

Su Chen nodded and replied,

"Well, there was an accident in Wu County. There is no need for us to stay."

"Husband, let's go clean up now."

Mrs. Mi replied to Su Chen, and she and Mrs. Gan hurriedly packed up their belongings. Madam Mi did not expect that they would have to leave after only three days in Wujuncheng. However, she would not object to Su Chen's decision to get married. Following her husband, Mrs. Mi is now Su Chen's woman. No matter what Su Chen decides, she will obey it unconditionally. When Su Chen saw Mrs. Mi and Mrs. Gan packing their belongings, he looked at Xiao Qiao, who was surrounded by Da Qiao. The two Jiangdong Qiaos are indeed more beautiful than the other. Although Da Qiao is not as beautiful as the current Xiao Qiao, Da Qiao is still the top three beauties in the Three Kingdoms. Diao Chan, Zhen Mi, Da Qiao and Xiao Qiao, these beauties are really After being praised for thousands of years, Diao Chan has disappeared. Zhen Mi can see soon that Da Qiao and Xiao Qiao have already met. Xiao Qiao saw Su Chen staring at Da Qiao, which made her She was very angry with this shameless pervert. Xiao Qiao was worried that this bastard would take advantage of her sister. Xiao Qiao walked to Su Chen calmly. He pinched the bastard's waist and said softly,

"Husband, this is my sister Da Qiao."

Let me go, is Xiao Qiao jealous?

Or is he worried that he will attack Da Qiao?

Su Chen was very speechless when Xiao Qiao pinched his waist. Did he have time to take advantage of Da Qiao?

Wu Juncheng is surrounded by dangers.

Why did Wu Juncheng do this?

Su Chen couldn't understand what happened.

Sun Quan, Liu Bei, and even Zhou Yu didn't follow the plot. The three of them actually started killing each other. Could this be a mini-Three Kingdoms War?

Su Chen grabbed Xiao Qiao's hand and said with a smile, "Your sister Da Qiao is indeed as beautiful as you."

Xiao Qiao stared at Su Chen and whispered,

"You shameless bastard, if you dare to hit my sister, be careful I castrate you."

Su Chen hugged Xiao Qiao's waist and threatened with a smile,

"Xiao Qiao, it seems that I didn't teach you enough yesterday. You will suffer the consequences in the future, and Mrs. Mi and Mrs. Gan will not help you."

"You are shameless!"

"I'm so shameless!"

Xiao Qiao's face turned red and he said angrily, "Shameless bastard, I.....I won't serve you anymore"

"Haha, do you think it's possible?"

Xiao Qiao was worried when she heard Su Chen's words.

This bastard's physique was too good. Although Xiao Qiao had improved her health by eating spiritual fruit, she was still unable to face this bastard. She almost fainted several times.

Big When Qiao arrived in the hall, she unexpectedly found that Mrs. Wu and Trainer Bu were also here.

She couldn't understand why Mrs. Wu and Trainer Bu arrived. They should have nothing to do with Anle Hou Suchen.

Da Qiao looked at Mrs. Wu and Trainer Bu The trainer was whispering and chatting nearby, but she did not go over to disturb him.

Da Qiao looked at Su Chen and then at Xiao Qiao. She also noticed Xiao Qiao's little move. Da Qiao did not expect that Xiao Qiao would dare to pinch Su Chen. This It made her very surprised.

Xiao Qiao pinched Su Chen's waist, but

Su Chen didn't blame Xiao Qiao?

Da Qiao felt that Su Chen should like Xiao Qiao very much, otherwise, Su Chen wouldn't be able to accommodate Xiao Qiao like this.

Da Qiao looked at Su Chen and Xiao Qiao and felt relieved.

As long as Xiao Qiao lives a good life in the future, she has nothing to worry about. Even if Da Qiao has been imprisoned in Wujun City, she no longer has to worry about the future of her younger sister Xiao Qiao.

"Anlehou, I hope you will treat my sister well in the future."

Su Chen looked at Da Qiao, who was a gifted scholar, and nodded, "Da Qiao, you have to leave with us this time."

Da Qiao shook his head and replied,

"I can't leave, but you still feel like leaving. Liu Bei asked me to come this time because he has evil intentions. He may even be using me to kill you. You should take my sister and leave as soon as possible."

Su Chen said to Da Qiao with a serious face,

"Da Qiao, you have to leave. Your son Sun Shao has been killed by Sun Quan. If you stay, you will be dead, oh no! Perhaps you may be occupied by Sun Quan.

When Da Qiao heard Su Chen's words, he shouted in surprise, "What?" Sun Quan killed Sun Shao?"

Xiao Qiao patted Su Chen's hand and reminded,

"Husband, Sun Shao is not my sister's child. Sun Shao is just the child of Sun Ce and a maid."

Chapter 2073

Su Chen was confused when he heard Xiao Qiao's words.

Sun Shao was not Da Qiao's son?

Damn, this small world has changed too much.

Mrs. Gan is not Liu Chan's mother, Da Qiao is not Sun Shao's mother, Xiao Qiao has no children, and Sun Shangxiang, the concubine, has never appeared in this world.

Let me guess, where are the other beauties in the Three Kingdoms?

Was Cai Wenji kidnapped by the Huns? Are Queen Guo and Zhang Chunhua married?

Su Chen felt that this small world was too chaotic, just like here in Wu County,

Liu Bei's little moves,

Zhou Yu and Lu Su's private troops coming to Wu County,

Sun Quan's decisiveness and ruthlessness, and the

Sun-Liu alliance was forced to fight each other.

Nothing happened in the plot at all. Is it because there is more of me in the world?

Da Qiao asked Su Chen seriously, "Marquis Anle, was Sun Shao really killed?"

Su Chen nodded and replied,

"Really, not only was Sun Shao killed by Sun Quan, but Liu Bei was now being hunted by Sun Quan."

There was no joy or sadness on Da Qiao's face.

She looked at Xiao Qiao beside her and said to Su Chen,

"Anlehou, let me leave. Since Sun Shao is dead, it is useless for me to stay. You are right. If I continue to stay, Sun Quan will definitely occupy me."

"Well, Xiao Qiao, take your sister and get ready. We will leave in a moment."

"Okay, husband!"

Xiao Qiao hurriedly nodded and replied.

It would be best if her sister could leave with her.

Xiao Qiao knows that her sister has been very miserable these years. Sun Ce died early, and Da Qiao was in his prime. Widowed at a young age, Xiao Qiao also has great sympathy for her sister.

She had no ability to help her sister before. Xiao Qiao was just Zhou Yu's concubine, and Zhou Yu would not be able to help Da Qiao.

Now that Xiao Qiao has Su Chen, she can help Da Qiao must help her sister.

Su Chen watched Xiao Qiao pulling Da Qiao away, and then he looked at Mrs. Wu and Bu Lianshi.

Su Chen didn't know what they were talking about, and he had no idea about Bu Lianshi. , if Bu Lianshi doesn't leave, he doesn't mind having a beautiful woman by his side. If Bu Lianshi insists on leaving, Su Chen has nothing to lose.

There are many beauties in the Three Kingdoms, and

Su Chen doesn't necessarily have to Get a step trainer

"Lord Marquis, I have brought Mrs. Xiahou."

At this time,

Gan Ning brought Xia Hou Qingyi into the hall and saluted.

Su Chen was very speechless when he heard Gan Ning's words.

When did Xia Hou Qingyi become his wife? Gan Ning, an idiot, would not see a beautiful woman. With him, wouldn't this idiot think she was his wife?

Su Chen looked at Xiahou Qingyi who had his head lowered, then he looked at Gan Ning and asked,"Gan Ning, Xiahou Qingyi did not escape with Zhao Yun ? Gan

Ning touched his head and replied,

""Master Marquis, when I arrived at the gate of the city, I saw Zhou Tai was about to take away Mrs. Xiahou, so I asked Lu Xun to rescue Mrs. Xiahou. Zhao Yun and Liu Bei had already escaped from Wujun City,"

Su Chen said after hearing Gan Ning's words. What a surprise, at the city gate?

Xiahou Qingyi didn't escape from Wujun City with Zhao Yun?

How is this possible?

How could Zhao Yun leave Xiahou Qingyi and Liu Bei to escape? Could there be something happening that he didn't know about?

"I see! Gan Ning, have the five hundred soldiers in the mansion get ready. We will leave the city soon."

"Yes, Lord Marquis!"

After Su Chen saw Gan Ning leaving, he curled his lips and said mockingly to Xiahou Qingyi,

"Xiahou Qingyi, were you abandoned by Zhao Yun? Or does Zhao Yun only care about saving Liu Bei and ignore you?"

Xiahou Qingyi raised his head and said coldly to Su Chen,

"It's none of your business! Su

Chen crossed his arms and reminded Xia Hou Qingyi, "Hey, little beauty, how can you still be so arrogant now? If my men hadn't saved you, have you ever thought about what would have happened to you?"

Xia Hou Qingyi felt very heartbroken when she thought of Zhao Yun abandoning her. Su Chen's ridicule to her made her heartbroken.

Xia Hou Qingyi shouted with despair, "I am dead or alive. It has nothing to do with you"

"Damn it, I don't even bother to care about you, stupid woman."

Su Chen saw Xia Hou Qingyi's eyes were red, as if he had been stimulated by something. He was too lazy to be like Xia Hou Qingyi.

A stupid woman,

Xia Hou Qingyi might have been abandoned by the foolish and loyal Zhao Yun. Zhao Yun should just care Su Chen fled to save Liu Bei, but Xiahou Qingyi was probably given up by Zhao Yun. A man who didn't even save the woman he loved, Su Chen had nothing to say to Zhao Yun. At this time, a scout quickly ran over and saluted, "Reporting to your lord, Zhou Yu and Liu Bei have gathered outside the city, and a war has broken out between Sun Quan's five thousand guards and Zhou Yu's army."

Su Chen was very shocked when he heard what the scout said.

Zhou Yu actually fought with Sun Quan?

Damn it. It seems that Cao Cao can destroy Jiangdong's army without him reminding Cao Cao in the Battle of Chibi.

Su Chen thought about it After thinking about it, he ordered to the scout,

"He quickly sent an order to Gao Ze and Wei Yan to lead the army closer to the battlefield. He also informed Lu Xun that without Mrs. Wu's order, Lu Xun's army could only stand still."

"Yes, Lord Marquis!"

After Trainer Bu heard what Su Chen said next to her, she shouted to Su Chen with an ugly face,

"Anlehou, you can't do this. My husband, Sun Quan, is fighting a rebellion. If you don't let Lu Xun's army help my husband, do you want to watch Zhou Yu kill Wu's husband?"

Su Chen shouted rudely when he heard what Trainer Bu said,

"It's none of your business, Master Bu. From now on, you are my prisoner. Don't worry, I'm not interested in you. As long as we leave Wu County, you will regain your freedom."

Su Chen has no time to deal with the beautiful woman Bu Lianshi now.

Zhou Yu and Sun Quan are currently fighting. No matter who wins or loses, it will be a disaster for Jiangdong.

Su Chen also has to make plans for the future.

If Cao Cao's wife Cao Cao After occupying Jiangdong, Da Qiao, Xiao Qiao, Bu Lianshi, and even Mrs. Wu, Cao would definitely not let go of these peerless beauties. If

Cao Cao knew that he had collected these peerless beauties, Cao would definitely treat him Important people would even take action against him. Su Chen would not wait for the day when Cao Cao took action. He would strike first.

Trainer Bu asked Su Chen in surprise, "You.....Are you going to put me under house arrest?"

"You can think so."

After Su Chen rolled his eyes at Trainer Bu, he looked at Mrs. Wu and said hurriedly,

"Madam Wu, tell me all the armies you can control, and I will keep those armies from being destroyed by Cao Cao. Mrs. Wu nodded and replied,

"Well, Ling Tong of Lujiang County, Lu Meng of Kuaiji County, Pan Zhang, Xu Sheng and others of Danyang County. These are all generals I promoted, and they will all obey my orders."

Chapter 2074

Su Chen was very surprised when he heard what Mrs. Wu said.

Lu Meng, Pan Zhang, Ling Tong, and Xu Sheng were all powerful generals. Mrs. Wu also surprised Su Chen this time. This beautiful woman has a good eye for people. Really good.

Trainer Bu looked at Mrs. Wu and said with an ugly expression,

"Old lady, if you do this, Sun Quan will hate you to death in the future."

Mrs. Wu shook her head and explained,

"Trainer, I am also saving Sun Quan's life by doing this."

"Jiangdong can no longer withstand the attack of Cao Cao's army. If Jiangdong is breached, Cao Cao will definitely kill my son Sun Quan. Only by doing this can I save Sun Quan's life."

Bu Lianshi reminded Mrs. Wu anxiously,

"Old madam, Anlehou is just an insignificant marquis. He can't speak at all in front of Cao Cao. Old madam, Anlehou is deceiving you. You must not listen to Anlehou's sweet words."

Mrs. Wu looked at Su Chen and asked seriously, "Su Chen, will you lie to me?"

Su Chen smiled and replied,

"Won't!"

"Then I will believe you."

Mrs. Wu was relieved when she heard Su Chen's words.

Although she had only known Su Chen for two days, she felt that Su Chen could be trusted and Su Chen would not be able to deceive her.

Mrs. Wu believed in her feelings very much. If it hadn't been for her Based on her own feelings, Jiangdong would probably fall apart after Sun Quan took over. Mrs. Wu also believed that she would not misjudge Su Chen.

Trainer Bu looked at this helplessly from the side.

She didn't understand how Mrs. Wu could believe a dude. Sex, Anlehou is a famous playboy in Xudu.

Mrs. Wu is such a shrewd woman, how could she be deceived by this playboy? When

Master Bu looked at Su Chen, he felt that this bastard was too cruel.

Three days after Anlehou arrived in Wu County, so many things happened in Wu County, and even civil strife broke out in Jiangdong. Bu Lianshi suspected that all this was caused by this shameless pervert.

Xiahou Qingyi heard Wu Jun from the side These words of Madam and Bu Lianshi showed a surprised expression on her face,

Madam Wu?

This is the mother of Sun Quan, the Lord of Jiangdong,

Bu Lianshi?

This is Sun Quan's wife.

Why did these two beautiful women appear in Su Chen's house? In the house, and the relationship between Mrs. Wu and Su Chen is not simple at first glance.

Xiahou Qingyi looked at Su Chen in surprise after thinking about it. She guessed that Su Chen might have captured Mrs. Wu.

My God,

Is this bastard going to rebel against heaven?

Sun Quan's mother was captured by this shameless bastard. What other woman in the world can escape from the clutches of this shameless pervert?

Xiahou Qingyi thought that she had fallen into Su Chen's hands again,

Although Su Chen's men rescued her this time,

Xiahou

Qingyi was worried that Su Chen might not let her go. She just begged Mrs. Mi again to let her go. Where could Xiahou Qingyi go?

The whole world is full of wars , even if she returns home safely,

Xiahou Qingyi's fate will probably be taken into consideration by her family, and she may even marry a bad old man as a concubine.

Xiahou Qingyi was confused for a moment, and she didn't know whether she should continue to leave. , Xiahou Qingyi didn't know what her fate would be if she stayed.

At this moment, outside Wujun City,

Zhou Tai led the army to attack Zhou Yu's three thousand troops.

Although Zhou Tai's army was larger than Zhou Yu's army, There were many fierce generals in Zhou Yu's camp, such as Guan Yu, Huang Zhong, and Zhao Yun. They led Zhou Yu's army to attack Zhou Tai's army.

Zhou Yu shouted angrily when he saw the battle in front of him,

"Liu Bei, what on earth is going on? Why would the Lord send Zhou Tai to hunt you down? Why did Zhou Tai say that I was a traitor and wanted to kill me? Please explain it to me quickly. Liu

Bei said with a depressed look,

"I don't know, Governor Zhou, Sun Quan's army suddenly surrounded my mansion this morning. If I didn't escape, would I be killed if I stayed in the mansion?"

Zhou Yu didn't believe Liu Bei's words at all. If Liu Bei didn't do anything, how could Sun Quan be murderous for Liu Bei for no reason, and even attack him indiscriminately?

"What exactly have you been doing these days? Why would the Lord do this? Liu

Bei frowned and thought for a moment before saying,

"I haven't done anything these days. By the way, yesterday I went to see Sun Ce's widow, Mrs. Da Qiao. Could this matter be caused by my meeting with Mrs. Da Qiao?"

When Zhou Yu heard Liu Bei's words, he wanted to stab this idiot to death with a sword.

Mrs. Da Qiao was Sun Ce's wife, and even Sun Ce's children were fostered under Da Qiao's name.

Sun Quan was very fond of Sun Shao's continuous growth over the years. Be careful, his position as the Lord of Jiangdong belongs to Sun Shao after all.

If Sun Shao grows up,

Sun Quan may be worried that Sun Ce's old subordinates will unite to support Sun Shao as the Lord of Jiangdong.

Over the years,

Zhou Yu, Taishi Ci, Lu Su, etc. These people did not dare to contact Sun Shao. They were worried that meeting Sun Shao would irritate Sun Quan.

Liu Bei was going to see Mrs. Da Qiao this time, and

Liu Bei and Lu Su had a very close relationship. Sun Quan was probably worried that they would conspire with Liu Bei to drive him away. Step down.

Zhou Yu cursed at Liu Bei when he thought of this,

"Damn it, you idiot, don't you know that Mrs. Da Qiao's identity is sensitive? Sun Quan has always regarded Sun Shao as a thorn in his flesh, why do you want to see Mrs. Da Qiao?"

"this....."

Liu Bei was confused for a moment.

He was not from Jiangdong.

How could Liu Bei know to see Mrs. Da Qiao? They would cause such a huge change.

Liu Bei suddenly looked at Zhuge Liang.

It was Zhuge Liang who proposed this matter. Could it be that as a military advisor? Zhuge Liang didn't think of it either?

Zhuce Liang looked guilty and saluted Liu Bei,

"Lord, it was my lack of consideration. I didn't expect Sun Quan to be so sensitive."

Although Zhuge Liang knew that Sun Shao's identity was sensitive, Sun Shao was already completely controlled by Sun Quan.

They just went to meet with Mrs. Da Qiao, and Zhuge Liang did not expect that Sun Quan would take such a vicious move.

Liu Bei shook his head expressionlessly. Said, "It's too late to talk about this now, military advisor, what should we do in the future?"

Zhuge Liang shook his fan and looked at Zhou Yu next to him, and then he said to Liu Bei,

"Lord, we can only return to Chaisang County with Governor Zhou first. We must communicate this matter with Sun Quan."

Cough cough cough.....

Zhou Yu coughed and turned pale and shouted, "Retreat? Zhuge Liang, even if we retreat to Chaisang City, Chaisang County will be attacked by the surrounding armies of Lingjiang County, Danyang County, and Yuzhang County.""

"No, Governor Zhou, the Chibi War will start in about a month. Sun Quan will not send troops to besiege Chaisang County at this time. He is facing Cao Cao's hundreds of thousands of troops. Sun Quan will not send troops to besiege and kill him at this time. us."

Chapter 2075

Zhuge Liang waved his fan and felt very confident. He thought that if Cao Cao's troops were approaching the city, no matter how much Sun Quan hated them, Sun Quan would deal with Cao Cao, his great enemy, first.

Zhou Yu shouted to Zhuge Liang with anger on his face,

"Zhuge Liang"

"Jiangdong is now facing a huge threat from Cao Cao. If I, Zhou Yu, don't help my lord deal with Cao Cao, Jiangdong will not be Cao Cao's opponent at all."

"By then, not only Jiangdong will be over, but you will also die without a burial place. I, Zhou Yu, will not leave Wu County. I must explain it clearly to the lord."

Zhou Yu looked at Zhuge Liang with great contempt.

Liu Bei is just a wallflower. He will run away when the situation is bad. Besides, Liu Bei and others only have two kittens and three kittens. Zhou Yu is also worried that Liu Bei will occupy the magpie's nest.

Liu Bei and others If people were stationed in Chaisang County,

Chaisang County might occupy Liu Bei. Liu Bei did this not once or twice.

After Lu Su heard Zhou Yu's words from the side, he stepped forward and said to Zhou Yu," Governor, I think what Zhuge Liang said is reasonable. My lord is very angry right now. We might as well go back to Chaisang County before making any plans."

Zhou Yu didn't expect that Lu Su would still speak for Liu Bei and the others at this time.

This ignorant idiot.

Liu Bei and the others had just arrived in Jiangdong. If Lu Su hadn't interceded for Liu Bei and even tipped off the news, Zhou Yu would have killed Liu Bei. Today. Things like this will not happen.

Zhou Yu reprimanded Lu Su with anger on his face,

"Shut up, Lu Su, what happened today is all because of you. If you weren't too close to people like Liu Bei, would the Lord be suspicious of us? If Jiangdong is conquered by Cao Cao, Lu Su, you will be the sinner of Jiangdong."

"I.....I....."

Lu Su was stunned by Zhou Yu's angry scolding.

He did not expect that Zhou Yu would scold him so rudely. This made Lu Su confused for a moment. Is it wrong for Lu Su to join forces with Liu Bei to fight against Cao Cao?

Zhou Yu glared at Lu Su and threatened,

"Get lost, Lu Su, don't let me see you again, otherwise, I will kill you with my own hands."

Lu Su turned pale in disbelief when he heard Zhou Yu's words.

He knew that Zhou Yu was really angry this time.

Is what happened today really irreversible? It was really a mistake for him to get close to people like Liu Bei. Did you?

Liu Bei and Zhuge Liang also showed surprised expressions.

They did not expect that Zhou Yu would not only not return to Chaisang County, but would even drive Lu Su away. Liu Bei and Zhuge Liang looked at each other and were about to leave.

They could not persuade Zhou Yu to take him with him. They followed the army to leave, but they would not stay to die.

At this time,

Lu Meng led 10,000 city guards, and Lu Xun led 10,000 troops around the battlefield.

They did not help either side.

Mrs. Wu's order was to wait for orders , it was impossible for Lu Meng and Lu Xun to disobey Mrs. Wu's order.

Gao Ze and Wei Yan also appeared with the army at this time. They hurriedly brought the army after receiving Su Chen's order.

Gao Ze and Wei Yan looked at the battle on the battlefield. They were very confused.

They didn't expect that Jiangdong's army actually started killing each other, and the Jiangdong army next to them didn't stop it or help any party.

Wei Yan looked at the battlefield and asked doubtfully, "I Good boy, General Gao, what on earth is going on?"

Gao Ze shook his head in confusion and said, "I don't know. We will know when the Marquis arrives."

Wei Yan pointed to the back of the battlefield and shouted,

"General Gao, look, Zhou Yu and Liu Bei have united, and Zhou Tai is Sun Quan's general of the bodyguard. Is this because Sun Quan wants to take action against Zhou Yu and Liu Bei? Or did Zhou Yu and Liu Bei launch a mutiny? Gao

Ze shook his head and replied,

"Not sure, I'm now wondering why the Jiangdong army next to me didn't help any party?"

Wei Yan looked at the surrounding troops and shook his head.

He couldn't understand why the surrounding troops didn't stop them.

Jiangdong's troops were killing each other. Even if the surrounding troops didn't stop them, they should still help one side. Today's Things were indeed very strange.

At this moment,

Su Chen was about to arrive at the battlefield.

Five hundred troops escorting Su Chen's carriage had left Wujun City.

In the carriage,

Su Chen looked at the women and shook his head.

Mrs. Mi and Mrs. Gan , Xiao Qiao and Da Qiao were sitting on one side, Mrs. Wu and Bu Lianshi, and Xia Hou Qingyi were sitting on the other side. The carriage, which was originally not very spacious, was now very crowded.

Su Chen saw Bu Lianshi staring at He, he threatened Bu Lianshi,"Bu Lianshi, if you dare to stare at me again, I will take off your clothes.""

"Shameless!"

Bu Lianshi blushed and cursed when she heard Su Chen's words.

She didn't expect this bastard to threaten her like this.

However,

Bu Lianshi was also worried that Su Chen would really do something outrageous. This bastard is a Pervert.

Liu Bei's wife was robbed by this bastard, Zhou Yu's wife was also robbed by this bastard, and Da Qiao and Mrs. Wu, why would they believe what this shameless pervert said.

Bu Lianshi was very angry at Su Chen for taking her away. Hatred.

When Mrs. Wu and Mrs. Mi heard what Su Chen said, they were very speechless.

They did not expect that Su Chen would threaten Master Bu like this. This bastard is really hopeless.

Xiao Qiao He looked at Su Chen and said,"Husband, give me one of your spiritual fruits.

Su Chen looked at Xiao Qiao and asked doubtfully,"Didn't you eat it before?"

"I want it for my sister"

"Well! for you!"

Su Chen looked at Da Qiao and nodded. He took out a spiritual fruit and handed it to Xiao Qiao.

There is nothing wrong with Xiao Qiao asking for a spiritual fruit for her sister.

The spiritual fruit can not only make them more beautiful, but also It can also improve their physique and even increase their life span.

After these women eat the spirit fruit, it is easy for them to live for hundreds of years.

Su Chen took out another spirit fruit He handed the fruit to Mrs. Wu and said,

"Mrs. Wu, you will eat this spiritual fruit soon. After eating the spiritual fruit, you will become younger and more beautiful, you will not get sick in the future, and there will be benefits you can't imagine."

"Is this true?"

Mrs. Wu was very surprised when she took the spirit fruit.

Spirit fruit?

What kind of treasure is this?

Is it the legendary fairy fruit?

Su Chen explained to Mrs. Wu with a smile,

"Of course, if you look at Mrs. Mi, Mrs. Gan, and Xiao Qiao, they all ate the spiritual fruit. Not only did Mrs. Mi and the others become much younger, they even became very beautiful."

Xiahou Qingyi saw that Su Chen still had spirit fruits, and even took out two more.

This made Xiahou Qingyi unable to sit still.

Xiahou Qingyi knew the efficacy of spirit fruits, and no woman could resist the spirit fruits. Temptation.

The changes in Mrs. Mi and Mrs. Gan explained everything, as well as Xiao Qiao. Xiao Qiao must have eaten Su Chen's spiritual fruit, otherwise Xiao Qiao would not have become more beautiful. After thinking about it, Xia Hou Qingyi He extended his hand to Su Chen and said, "Marquis Anle, give me a spiritual fruit too."

"You want beauty, why should I give it to you? Are you my lady?"

Chapter 2076

Su Chen was very surprised when he heard Xia Hou Qingyi's words.

He did not expect that Xia Hou Qingyi would actually ask for the spirit fruit. It seemed that spirits were very attractive to women.

Xiahou Qingyi has seen the changes in Mrs. Mi and Mrs. Gan, and she must not be able to stand the temptation of the spiritual fruit.

But, why would Xiahou Qingyi think that he would give her the spiritual fruit?

This little beauty seems to be thinking too much.

Su Chen is not a bad person and has no benefits. Why should he give Xiahou Qingyi Spirit Fruit?

"you....."

Xia Hou Qingyi was very angry when she heard Su Chen's words.

She didn't leave but planned to follow this bastard. Is this bastard an idiot?

Xia Hou Qingyi also thought about leaving, but after thinking about the consequences in the mansion, Xia Hou Qingyi thought it was best to stay with this bastard.

She didn't want to be married back home, or even marry a bad old man,

Xia Hou Qingyi During the past few days when Yi was with Su Chen, she also saw that Su Chen was very kind to Mrs. Mi and Mrs. Gan.

Even with great respect,

Su Chen did not look down on Mrs. Mi and Mrs. Gan because of their origins, nor did he beat or scold Mrs. Mi and Mrs. Gan at every turn.

She thought of Zhao Yun abandoning her to save Liu Bei, and

Xiahou Qingyi also gave up on Zhao Yun. Fortunately, she did not leave the rest of her life to Zhao Yun.

Otherwise, her fate would be worse than Mrs. Mi and Mrs. Gan who were abandoned by Liu Bei.

In the carriage,

Mrs. Mi, Mrs. Gan, and even Xiao Qiao and Da Qiao looked at Xia Hou Qingyi's angry look and smiled.

Mrs. Wu and Trainer Bu didn't know the reason, but they also saw that Xiahou Qingyi planned to follow Su Chen.

Otherwise, Xiahou Qingyi would not have gotten into Su Chen's carriage when he left the city. Su Chen did not force him at that time. Xiahou Qingyi got into the carriage.

Mrs. Mi took out a spiritual fruit from a jade box.

She smiled and handed it to Xiahou Qingyi and said,

"Qingyi, here you go, there are so many of these spiritual fruits, we are eating them like fruits now"

"Thank you, Mrs. Mi!"

Xiahou Qingyi took the spirit fruit and thanked Madam Mi.

She didn't expect that Madam Mi actually had a jade box of spiritual fruit. No wonder Madam Mi kept holding the jade box and got into the carriage.

Xiao Qiao also didn't expect that Madam Mi would There was a jade box of spiritual fruits.

When she looked at Su Chen, she grinned and wanted to bite this bastard to death. Mrs. Mi brought many spiritual fruits with her, but this bastard only gave her one spiritual fruit. Is this bastard too partial?

Su Chen didn't expect that Mrs. Mi would give Xiahou Qingyi spiritual fruit, but

Su Chen didn't care.

He had so many spiritual fruits that even women like Mrs. Mi and

Mrs. Gan would eat them every day. They wouldn't be able to finish them all in a hundred years.

Su Chen noticed Xiao Qiao grinning and said with a smile, "Xiao Qiao, don't look at me like that. Spiritual fruits must be stored in jade boxes. If you have a jade box, I will also give you some spiritual fruits."

"Hum, I will find a huge jade box in the future, and I will eat spiritual fruits every day."

Su Chen took out more than ten spiritual fruits and placed them on the small table in the middle. "Eat it, eat it, Xiao Qiao, even if you eat it all day long, I can't support you."

Xiao Qiao saw Su Chen taking out more than ten spiritual fruits at once.

She was surprised and asked Su Chen,

"Husband, do you know magic? How did you conjure these spiritual fruits?"

Mrs. Mi, Mrs. Gan, Mrs. Wu, Da Qiao, and even Xiahou Qingyi and Bu Lianshi all looked at Su Chen in shock.

They didn't expect that Su Chen just waved his hand and more than ten spiritual fruits appeared on the small table. , they couldn't help but guess, is Su Chen a fairy?

A spiritual fruit?

Is this the fairy fruit that Su Chen brought back from the fairy world?

"You will know later, don't ask now."

Su Chen saw several women looking at him in surprise. He shook his head and had no intention of telling them his identity. It was not the time yet.

Su Chen was also worried about revealing his identity. Mrs. Mi and Mrs. Gan, Xiao Women like Qiao will feel inferior and even be very restrained when facing him in the future.

Xiao Qiao, Mrs. Mi and Mrs. Gan all nodded.

Su Chen didn't want to say it now.

They didn't ask again.

As long as they knew that Su Chen was Their husbands can be their support in the future.

The women in the carriage all began to eat the spiritual fruits.

After Da Qiao, Mrs. Wu, and Xia Hou Qingyi ate the spiritual fruits, they had sex under the attention of the women. Huge changes.

Not only have Mrs. Wu and the three of them become much younger, they have even changed into even more beautiful women.

Especially Mrs. Wu has changed very much.

After all, Mrs. Wu is older.

She has now returned to her appearance of twenty years old. This makes you almost twenty years younger all of a sudden.

After eating the spiritual fruit, Mrs. Wu said in surprise,

"this.....My body felt a lot more relaxed all of a sudden, and I even felt like I was back to the way I was when I was young. My previous waist and back pain were all gone."

Mrs. Mi took out a mirror from the side.

She smiled and said to Mrs. Wu, "Mrs. Wu, come here, look in the mirror and you will understand."

Trainer Bu looked at Mrs. Wu in surprise.

She didn't expect such a big change after eating the spirit fruit. Mrs. Wu suddenly became nearly twenty years younger. She now feels that Mrs. Wu is younger and more beautiful than her..Bu

Lianshi looked at the spiritual fruit on the table and she wanted to eat it, but for the sake of self-esteem,

Bu Lianshi had a troubled face and did not take the spiritual fruit to eat.

If she ate Su Chen's spiritual fruit, it would mean that she had betrayed Sun Quan, Bu Lianshi is not a woman who is quick and easy, she will not allow herself to do things that violate morality.

Su Chen watched Mrs. Wu and Da Qiao and the other girls chatting happily, and he did not interrupt.

Su Chen looked at the tangled Bu Lianshi smiled and asked, "Bu Lianshi, don't you want to eat the spiritual fruit? There is no such shop after passing this village, and you won't be able to eat anything you want in the future."

Bu Lianshi glared at Su Chen and shouted angrily, "I won't eat your spirit fruit, and you can't seduce me with your spirit fruit."

"That's up to you!"

"you....."

When Trainer Bu saw Su Chen leaning on Mrs. Gan and closing her eyes to rest, she felt very angry,

"Ling Guo!"

This is a spiritual fruit that allows women to regain their youth, and they may not even grow old in the future. This is the most fatal temptation for women.

Trainer Bu resisted looking at the spirit fruit on the table. She was afraid that she would take the spirit fruit and eat it if she couldn't help it.

However, the aroma of spiritual fruit filled the carriage, and Trainer Bu couldn't help but swallow his saliva.

Bu Lianshi slowly turned her head and looked at the spirit fruit on the table.

She thought that if she just ate a spirit fruit, she would not do anything to regret Sun Quan. Thinking of this, Bu Lianshi reached out to grab a spirit fruit. eat.

Just when Trainer Bu was about to get the spirit fruit, Su Chen suddenly opened his eyes and mocked Trainer Bu,

"Huh? Master Bu, don't you want to eat spiritual fruits?"

"I want you to take care of me, but I just ate it. What can you do to me?"

Chapter 2077

Trainer Bu didn't expect that Su Chen actually opened her eyes and even saw her about to take the spirit fruit. This made her face turn red quickly, but she still took one of the spirit fruits.

Trainer Bu has decided to eat a spiritual fruit, and she will not give up.

Su Chen shook his head and didn't say anything else. If

Master Bu eats the spirit fruit, just eat it.

However, if Master Bu eats the spirit fruit, don't think about returning to Sun Quan. This beautiful woman will be even more powerful after eating the spirit fruit. She is beautiful and gorgeous. Su Chen will not give up a beautiful woman to Sun Quan again.

A quarter of an hour later, the carriage arrived outside the battlefield.

At this moment, the battle on the battlefield was over.

Zhou Yu's army, led by Guan Yu and several others, defeated Zhou Tai's five thousand army.

This was due to the relationship between Guan Yu, Huang Zhong, and Zhao Yun.

With these three fierce generals, although Zhou Tai's army was large in number, it was still completely defeated. Zhou Tai escaped with more than 300 troops, and Zhou Yu's There were less than five hundred men left in the army.

After Su Chen got out of the carriage, he was very surprised when he saw the battlefield.

Su Chen thought that even if Sun Quan's army could not destroy Zhou Yu, it would not be defeated so quickly.

There are only some remnants left on the battlefield.

Sun Quan's army has retreated?

What about Zhou Yu?

Zhou Yu actually defeated Sun Quan's army. Why are Zhou Yu and Liu Bei missing?

"See the Marquis!"

When Gao Ze and Wei Yan saw Su Chen arriving outside the battlefield, they hurriedly came over to salute.

Su Chen waved to Gao Ze and Wei Yan and asked doubtfully,

"Where is Zhou Yu? What about Liu Bei and those people? Why are there only some remnants of soldiers left here? Gao

Ze hurriedly replied to Su Chen,

"Returning to the Marquis, Zhou Yu was killed by Liu Bei. Liu Bei had escaped with Guan Yu, Huang Zhong, Zhao Yun and Lu Su."

"What? Zhou Yu is dead? Or was he killed by Liu Bei? How is this going?"

Su Chen was very surprised when he heard Gao Ze's words.

He did not expect that Zhou Yu was dead and was killed by Liu Bei. Liu Paopao was really ruthless.

Gao Ze shook his head and explained to Su Chen,

"Mr. Hou, we don't know either. We saw Liu Bei suddenly attack Zhou Yu outside the battlefield and cut off Zhou Yu's head with one sword. Liu Bei then quickly escaped with some people."

"Wait, Gao Ze, are you saying that Liu Bei also escaped with Lu Su?"

Su Chen suddenly thought of Lu Su.

Gao Ze said that Liu Bei escaped with Lu Su.

I'm afraid there was some conspiracy.

Why did Liu Bei kill Zhou Yu instead of Lu Su?

Is it for Chaisang County?

Lu Su is the governor of Chaisang County. , is Liu Bei going to flee to Chaisang County?
Or even Liu Bei wants to control Chaisang County in Jiangdong?

Gao Ze replied,

"Yes, Lu Su and Liu Bei escaped together"

"I understand, Liu Bei wants to control Chaisang County, and Liu Bei cannot succeed."

Su Chen felt that his guess was not wrong.

Liu Bei is an unbeatable little strongman. As long as he is given a territory, Liu Bei can rise again.

Su Chen cannot let Liu Bei control Chaisang County. Chaisang County is also where he returned to Wulin. The only way to go to the camp.

Su Chen thought about it and ordered Gao Ze,

"Gao Ze, you and Wei Yan take two thousand troops, as well as Lu Meng's 10,000 Guards troops and Lu Xun's 10,000 Jiangdong troops. You immediately pursue Liu Bei. Chaisang County must be in our hands."

Gao Ze was confused when he heard Su Chen's order,

Lu Meng?

Lu Xun?

Aren't these the generals of Jiangdong?

Why did Marquis Anle sound like his subordinates?

Gao Ze looked at Su Chen and reminded,

"Lord Marquis, Lu Meng and Lu Xun are the generals of Jiangdong. Will they obey my orders?"

Su Chen waved his hand and said,

"If you go to them, just say this is Mrs. Wu's order. They will obey the order. Gao Ze, please act quickly this time. It doesn't matter whether you kill Liu Bei or not, but Chaisang County must not be controlled by Liu Bei."

"Yes, Lord Marquis!"

When Gao Ze heard what Su Chen said, he hurriedly went to find Lu Xun and Lu Meng.

Although he didn't know who Mrs. Wu was, he couldn't ignore Su Chen's order.

Mrs. Wu?

Could it be Sun Quan's mother?

Then why is Sun Quan's mother Will you listen to Su Chen's words?

Could it be?

My God,

Gao Ze suddenly thought that Sun Quan's mother was also a beauty when she was young, and she should be an extremely beautiful woman now. He guessed that Su Chen might have kidnapped Sun Quan's mother as well. Come over here?

Su Chen was not interested when he saw the remnants of the soldiers on the battlefield.

These were abandoned troops.

Zhou Yu was already dead.

These hundreds of soldiers might not end well either. Sun Quan would not let go of Zhou Yu's miserable soldiers.

Su Chen still can't figure it out.

What exactly does Zhou Yu want to do when he brings his army to Wu County?

Rebellion?

Can only three to five thousand troops rebel?

"Gan Ning, let's set off. Let's go to the river first."

"Yes, Lord Marquis!"

On the carriage,

Mrs. Wu and Xiao Qiao all heard the conversation between Su Chen and Gao Ze. They didn't expect that Zhou Yu was killed, and it was Liu Bei who killed Zhou Yu in a sneak attack. This made it difficult for the girls in the carriage. Confidence

"Zhou Yu is actually dead?"

"Yes, the governor of Jiangdong was unexpectedly killed by Liu Bei in a surprise attack. This is really ironic."

"Liu Bei is a villain. If Zhou Yu hadn't led troops to rescue him, Liu Bei might have been captured or killed by Zhou Tai."

"This has nothing to do with us"

"Yes, as long as we can live a stable and stable life, we should let our husbands worry about fighting and killing."

As soon as Su Chen got on the carriage, he heard the conversation of several women.

He didn't pay attention to it.

Zhou Yu was dead.

Su Chen wanted to return to Wulin camp to assassinate Cao Cao. Cao Cao could no longer live. For the sake of these beautiful women, Su Chen Such a beautiful woman, Su Chen will not let Cao Cao live anymore.

"Madam Wu, you write a letter to inform Ling Tong, Pan Zhang, Xu Sheng and others, asking them to take their troops to Chaisang County."

Mrs. Wu asked suspiciously when she heard Su Chen's words.

"Are they all going to Chaisang County with their troops? There are 60,000 to 70,000 troops here. Su Chen, what are you going to do?"

Su Chen shook his head and replied, "Don't ask, you will understand after we arrive at Chaisang County City."

"I see!"

Su Chen suddenly thought of Jiangdong's fierce general Tai Shi Ci.

He looked at Da Qiao and said hurriedly,

"Da Qiao, write to your wife Shi Ci and tell him that Sun Shao has been killed and ask him to take the army to Chaisang County as well."

"good!"

Bu Lianshi was very surprised when she heard Su Chen's words beside her.

Ling Tong's generals controlled an army of 60,000 to 70,000 people. If all these armies went to Chaisang County to break away from Sun Quan's control, there would only be four left in the entire Jiangdong. With an army of about 10,000, even if all the city guards from each city were gathered, Sun Quan could only control an army of 50,000 to 60,000. How could an army of 50,000 to 60,000 resist the attack of Cao Cao's army?

Master Bu looked angry when he thought of this. shouted to Su Chen,

"Anlehou, are you trying to split Jiangdong? What is your purpose in doing this?"

Chapter 2078

Su Chen looked at Bu Lianshi and his face became cold.

This beautiful woman was too lenient.

If Su Chen didn't teach this beautiful woman a lesson, Bu Lianshi might not know her current situation.

Su Chen said to Mrs. Mi and the other girls,

"I'll take the step trainer out to say something. Don't get out of the carriage."

"OK!"

Mrs. Mi and the other girls nodded to Su Chen and replied.

They all knew that Bu Lianfu was going to be in trouble.

Although Su Chen would not kill or insult Bu Lianfu, Su Chen might treat Bu Lianfu like Xiao Qiao.

When Mrs. Wu saw Su Chen getting off the carriage with the Bu trainer, she asked worriedly,

"Madam Mi, Su Chen won't kill Master Bu, right? Mrs.

Mi smiled and replied,

"Sister Wu, don't worry, your husband won't kill anyone, and Master Bu will be fine."

"That's good!"

Xiao Qiao suddenly thought of something.

She had often been angry with Su Chen before. Xiao Qiao's face quickly turned red when she thought of Su Chen's treatment of her. She even wiped the corners of her mouth involuntarily. At this moment,

In Wujun City,

Sun Quan learned that Zhou Tai was defeated by Zhou Yu and that Zhou Yu and Liu Bei had actually united.

Sun Quan was very angry.

However, fortunately, Sun Quan killed Sun Shao one step ahead. Without Sun Shao, Zhou Yu could not do anything at all. It was impossible to rally other generals to support him

"Zhou Tai, are Zhou Yu's troops no longer able to attack Wu Juncheng?"

"My lord, Zhou Yu's army has less than 500 troops left, and they are no longer able to attack Wujun City."

"Well, send scouts to check Zhou Yu's whereabouts. Cao Cao is now approaching Jiangdong. I don't have time to deal with him now. We have to stop Cao Cao's army from attacking first."

"Yes, my lord!"

When Sun Quan saw Zhou Tai leaving, he clenched his fists and became very angry.

Lu Meng and

Lu Xun, they actually watched Zhou Tai's army being defeated without rescuing them. Sun Quan's face was filled with anger when he thought of his mother.

He killed a Sun Shao. Isn't it enough?

Should he also kill his mother?

Sun Quan's face changed and he gave up first.

His mother, Mrs. Wu, was different from Sun Shao. If Sun Quan dared to take action against his mother, Mrs. Wu, more than half of the ministers in Jiangdong would be killed. He and the generals will oppose him, and even Jiangdong will cause greater chaos than Zhou Yu.

In a woods,

Su Chen and Bu Lianshi walked out one after another, but

Su Chen walked out with a smile on his face. ,

Bu Trainer followed behind with a face full of shame and anger, and Bu Trainer kept drinking water to rinse his mouth.

Su Chen looked at Bu Trainer behind and shouted,"Bu Trainer, hurry up, my army The escorting carriage has gone far.

Trainer Bu glared at Su Chen angrily and cursed,"Shameless bastard, I want to kill you.""

Bu Lianshi didn't expect this bastard to be so shameless, damn bastard.

When Bu Lianshi thought about what happened just now, she wanted to die.

Su Chen got on the horse and said to Bu Lianshi,"You will have many opportunities in the future, come here quickly. Mount your horse"

"If I don't leave, please kill me!"

"It's not up to you."

After Su Chen rode to Bu Lianshi's side, he quickly hugged Bu Lianshi in his arms. This beautiful woman Su Chen will not give up. As for Sun Quan, let him be gay like Liu Bei.

"shameless bastard!"

Bu Lianshi struggled when Su Chen held her.

Although she was touched all over by this bastard,

Bu Lianshi felt very uncomfortable when this bastard held her.

She even thought about the disgusting things she had swallowed. , Trainer Bu felt so sick that he wanted to vomit just thinking about it.

Su Chen hugged Trainer Bu tightly and shouted,

"You are scolding me, we just exchanged equal value. You ate my spiritual fruit, so you should detoxify me this time."

Trainer Bu glared at Su Chen angrily and cursed,

"You are a liar, is that the detox? Do you think I am one of those unmarried little women?"

"Haha, you promised to detoxify me anyway, so you can't go back on your word, Master Bu, I will need you to detoxify me in the future."

"Shameless pervert, I will bite you to death"

"I'm going, Master Bu, let go, or I'll bite you too."

Three days later,

Su Chen also returned to the warship on the river.

After all the warships set sail,

Su Chen took Mrs. Wu and the girls to the cabin.

After Mrs. Wu, Mrs. Mi and the girls sat down, he He said to the girls with a serious face,

"Mrs. Wu, after we arrive in Chaisang County, you and Mrs. Mi and the other girls will stay in Chaisang County. I want Wulin Camp to do something."

After Mrs. Wu heard what Su Chen said, she felt as if Su Chen was going to do something big. She couldn't do without this bastard now. Mrs. Wu didn't want anything to happen to Su Chen.

Mrs. Wu asked Su Chen with a worried look. road,

"Husband, what are you going to do?"

Su Chen looked at the women in the cabin and said coldly,

"Kill Cao Cao!"

Mrs. Wu exclaimed in surprise when she heard Su Chen's words, "What?" Do you want to kill Cao Cao? Are you crazy? Can you kill Cao Cao? Mrs.

Mi dissuaded Su Chen with a pale face,

"Husband, please don't do these stupid things. You can't kill Cao Cao at all, and even if you kill Cao Cao, Cao Cao's son and generals won't let you go."

Mrs. Gan quickly grabbed Su Chen's hand and dissuaded her,

"Yes, husband, we can live a good life like this. You must not invite death."

Xiao Qiao looked at Su Chen and asked doubtfully, "Husband, why do you want to kill Cao Cao so well?"

Da Qiao, Xia Hou Qingyi, and Bu Lianshi were all very surprised.

They were also frightened by what Su Chen said.

Kill Cao Cao?

Is this bastard crazy?

Su Chen doesn't care if he can kill Cao Cao or not, this bastard They are all dead.

Su Chen waved his hand and continued,

"Don't worry"

"My decision to kill Cao Cao will be pushed to Cao Pi. I have already made some preparations. When I went to Jiangdong, my deputy general took 500,000 taels of silver to bribe some captains."

"I can control at least 200,000 of Cao Cao's hundreds of thousands of troops. Coupled with the generals who have a good relationship with me, I can control at least three-quarters of Cao Cao's army in a month."

Mrs. Wu was very surprised when she heard Su Chen's words.

"What? You already control Cao Cao's 200,000 troops? this....How can this be? Mrs.

Mi took a breath when she heard Su Chen's words and said, "Five hundred thousand taels of silver, husband, you are really rich!"

Xiao Qiao looked at Su Chen and asked doubtfully,

"Husband, why do you have to kill Cao Cao? Do you want to replace Cao Cao?"

Chapter 2079

Su Chen shook his head when he heard what the women said.

He knew that these women were worried, but Cao Cao couldn't do it without killing him.

Cao Cao loved wives.

If Cao Cao knew that he had collected so many beautiful women, would the wife Cao let him go?

Su Chen will not wait for the day when Cao Cao takes action against him.

He will return to Wulin Camp and start assassinating Cao Cao. Anyway, with Cao Pi's scapegoat, Su Chen can pretend that everything was done by Cao Pi.

Su Chen hugged Xiao Qiao and reminded her,

"Xiao Qiao, Cao Cao has always been obsessed with you and your sister Da Qiao. Think about it, if Cao Cao defeated Sun Quan, would Cao Cao let you and your sister, or even Mrs. Wu and Bu Lianshi, go?"

Xiao Qiao understood what Su Chen said. Cao Cao had promised to recruit two Qiaos in Jiangdong.

If Sun Quan was defeated, how could Cao Cao let her and her sister go, not even Mrs. Wu and Bu Lianshi? Pass,

"So that's it, husband, are you sure you can kill Cao Cao?"

Su Chen clenched his fist and said with a smile, "I am 100% sure of killing Cao Cao."

"That's good, husband, then we will wait for your return in Chaisang County."

Su Chen hugged Xiao Qiao, kissed her, and said to the girls, "Okay, we won't separate in three or four days. Everyone will be happier."

After Mrs. Mi and Mrs. Wu heard what Su Chen said, they also knew that Su Chen must kill Cao Cao, otherwise, their women might be snatched away by Cao Cao.

Su Chen also wanted to kill Cao Cao for them. Mrs. Mi and Mrs. Wu would not stop Su Chen. Besides, Su Chen said that they were 100% sure, and they also trusted Su Chen very much.

Xiahou Qingyi and Bu Lianshi looked at Su Chen and felt incredible. They did not expect Su Chen. For the sake of a few women, he would take the risk to assassinate Cao Cao.

If Su Chen failed in the assassination, his title, his wealth, and even his life would be at risk.

Xiahou Qingyi and Bu Lianshi also took action against Su Chen. There were some changes.

In the following days,

Su Chen enjoyed the tenderness of several women. Mrs. Wu, Mrs. Mi, Mrs. Gan, and Xiao Qiao. During these three days, the four of them responded to Su Chen's requests. They also responded to Su Chen's needs.

Chen took good care of her, even some embarrassing things, and the four girls agreed to Su Chen.

In Mrs. Wu's cabin,

Mrs. Wu leaned in Su Chen's arms and asked worriedly, "Husband, we will arrive at Chaisang County tomorrow. Can Gaoze and the others win Chaisang County?"

Su Chen touched Mrs. Wu's hair and replied with a smile,

"Yes, Liu Bei and Lu Su had no time to resist Gao Ze. The time was too short. Apart from escaping, Liu Bei and Lu Su had no way to defend Chaisang County."

"Can't Liu Bei catch it this time?"

"It's hard to say. I'm afraid Liu Paopao will escape. I can't take care of Liu Paopao now. After I kill Cao Cao, Liu Bei will be dead."

"Husband, let's rest!"

"good!"

Chaisang County,

Liu Bei and Lu Su rushed back to Chaisang County, but before they could sit still,

Gao Ze also arrived with more than 20,000 troops.

Liu Bei looked at the more than 20,000 troops on the city wall. , He clenched his fists tightly with a pale face.

Huang Zhong looked at the more than 20,000 troops under the city.

He said to Liu Bei with a serious face, "My Lord, there are more than 20,000 Jiangdong troops. We cannot defend Chaisang City. There are less than three thousand troops in Chaisang City. Let's abandon the city."

When Guan Yu heard Huang Zhong's words, he hurriedly shouted,

"Brother, we cannot abandon the city. If we lose Chaisang City and Chaisang County, where will we develop in the future? If we can't develop, how can we avenge our third brother?"

Lu Su shook his head and said,

"General Guan, we cannot defend Chaisang County. If Jiangdong Army's siege equipment is sent over, we will not be able to escape even if we escape."

Lu Su regretted being so close to Liu Bei.

He did not expect that Liu Bei would kill Zhou Yu unexpectedly. Although Lu Su was a little puzzled that Zhou Yu drove him away, he never thought that he would kill Zhou Yu.

Lu Su also understood Liu Bei was a hypocrite.

In order to get Chaisang County, he killed Zhou Yu and then coerced himself. Liu Bei was really a despicable and shameless person.

But Lu Su had no choice.

After he was coerced by Liu Bei and returned to Chaisang City, he had no way out. He can only go all the way to the dark side with Liu Bei

"Abandoned city, military advisor, where are we going?"

Liu Bei looked at the city and decided to abandon Chaisang City.

Chaisang City could not be defended at all.

How could three thousand troops resist the attack of more than 20,000 troops? How could this be resisted?

Zhuge Liang shook his fan and said,

"Lord, let's go to Shuzhong"

"Jiangdong can no longer resist Cao Cao's army. There are only Yizhou, Hanzhong, Guanzhong, and Liangzhou in the world to go to."

"My Lord, Yizhou Shu is easy to defend but difficult to attack. Liu Zhang, the son of Yizhou Mu Liu Yan, is a cowardly and incompetent man. We can first seek refuge with Liu Zhang and then replace him."

"Yizhou Shu land?"

Liu Bei frowned when he heard Zhuge Liang's words. After thinking about it, he thought that Yizhou and Shu were also the best places to go.

Several states in the north were occupied by Cao Cao, Chang'an was occupied by several of Dong Zhuo's men, and Liangzhou was occupied by Ma Teng and Han Sui occupied it, Hanzhong was occupied by Zhang Lu, and Jiangdong was already in Cao Cao's pocket. Of these places, only Shushan was rich, and

Yizhou and Shu had not experienced war. Liu Zhang was weak and incompetent, and Liu Bei could quickly Taking control of Yizhou Shu Land, Yizhou Shu Land is also his ideal place.

Zhao Yun saluted Liu Bei and said,"My Lord, Yizhou Shu Land is a good place, we can go to Shu Land."

Guan Yu touched his beard and nodded and said,

"Brother, Zhuge's military advisor is good. I also agree to go to Shu. As long as we can gain a foothold in Shu, we can also avenge our third brother."

"Lord, we might as well go to Shu."

Huang Zhong thought for a while and agreed.

Jiangdong is no longer safe.

No matter it is Sun Quan or Cao Cao, they will not let Liu Bei go. Huang Zhong just thinks about his family, and he will not let Liu Bei stay in this dangerous place in Jiangdong. Land.

Liu Bei immediately nodded and ordered,"Okay, we will go to Yizhou Shu Land immediately. Huang Zhong, you go to Lu County immediately and take all our families with you. We will meet at Linjiang"

"Yes, my lord!"

"Second brother, take the three thousand troops from Chaisang City with you. We will leave Chaisang City from the west gate."

"yes, Sir!"

The next morning,

Su Chen came out of the cabin and saw Xia Hou Qingyi.

This little beauty with long hair was standing on the bow of the ship looking at the river. This picture was very beautiful, the beauty, the warship, the river, this The scene made Xiahou Qingyi look very stunning and beautiful.

Su Chen shook his head and walked over and asked,

"Xiahou Qingyi, are you homesick?"

After Xia Hou Qingyi rolled his eyes at Su Chen, she looked towards the Yangtze River and said coldly,

"What do you think?"

"well! Xiahou Qingyi, when you arrive at Chaisang City, please leave!"

Chapter 2080

Su Chen didn't want to force Xia Hou Qingyi to stay. He really didn't care about such a beautiful woman now. If it weren't for Xia Hou Qingyi's heroine status, Su Chen might not even look at her. There are many fairies and maidens around Su Chen, but none of them are prettier than Xia Hou Qingyi. Su Chen is also interested in the identity of the heroine. This may be a bad collecting hobby.

"Are you really going to let me go?"

Xia Hou Qingyi didn't expect that Su Chen would let her leave.

Can she leave?

Xia Hou Qingyi has already planned to follow this bastard. She will leave this bastard whether she lives or dies.

She is more beautiful now than before,

Xia Hou Qingyi If Yi returns home, she will definitely get married, and her family will even marry her to the old man who is the county guard.

Xiahou Qingyi can't go back, and she doesn't want to go back to that mercenary home.

Su Chen supported her on the boat rail and watched. Looking at the river, he nodded and said,

"Really, the strong melon is not sweet. Although it quenches my thirst, there are many beauties around me. One more of you is nothing, and one less of you is nothing. Xiahou Qingyi, after the ship docks, I will send a team of troops to send it off You go home."

Xiahou Qingyi clenched her fists tightly after hearing Su Chen's words. She had already decided to stay with this shameless bastard , but this bastard actually asked her to leave again. What does this mean? She was abandoned? Bah! It's me. Can't stand this bastard anymore? Or has this bastard lost his patience with her? Xia Hou Qingyi glared at Su Chen and shouted,"No need, I don't want to go home."

"

"do not wanna go Home? Are you still looking for Zhao Yun?"

"none of your business!"

When Xia Hou Qingyi heard Su Chen talking about Zhao Yun, she was very angry.

Zhao Yun had given up on her regardless of her life or death. Xia Hou Qingyi is not the kind of woman who doesn't distinguish between right and wrong. How could she still think about Zhao Yun?

Damn it. That bastard,

Xiahou Qingyi can't wait to bite this bastard right now

"What the hell!"

Su Chen was speechless for Xia Hou Qingyi.

I'm afraid this little beauty still hasn't given up on Zhao Yun.

Damn it, the male and female protagonists are so inseparable?

Zhao Yun has given up, even abandoned Xia Hou Qingyi, and this stupid woman is still Thinking of Zhao Yun, Su Chen was too lazy to care about Xia Hou Qingyi, a stupid woman.

Touch!

"You are an shameless bastard!"

Xia Hou Qingyi kicked Su Chen and turned around to leave.

She was too lazy to talk to this fool anymore.

Xia Hou Qingyi felt that Su Chen was sometimes very smart, and sometimes as stupid as a pig.

I guess!

This little beauty,

Su Chen looked at Xia Hou Qingyi who left and couldn't figure out what was wrong with this little beauty? Could it be that she was depressed and mentally ill?

Su Chen thought about it and was too lazy to think about it anymore. After arriving at Chaisang City today, he has to quickly return to Wulin Camp to kill Cao Cao. Su Chen also has to command the army to launch the Battle of Chibi. As long as Sun Quan's army is defeated in the Battle of Chibi, this simple trial mission will be completed.

The last trial mission If he completes it again, he has completed all the trials of the Heavenly Ladder, and he can get many rewards from the Heavenly Ladder.

At noon, after the warship docked,

Su Chen explained the women, Mrs. Wu and Mrs. Mi, and he took the A warship headed directly for the Wulin camp.

Women such as Mrs. Wu and Mrs. Mi were protected by five hundred troops. There were even tens of thousands of troops in Chaisang City, so there was no danger to them.

Three days later, at

Wulin Camp,

Su Chen arrived at Wulin Camp and was going to meet Cao Cao. He wanted to report to Cao Cao about Jiangdong.

In the past few days, he would also look for an opportunity to kill Cao Cao.

Cao Cao's army also To control quickly, some generals should be killed and won over.

In Cao Cao's camp, after hearing Su Chen's report, Cao Cao asked Su Chen doubtfully,

"Anlehou, you said that there was a civil strife between Sun Quan, Zhou Yu and Liu Bei, Zhou Yu was killed and Liu Bei escaped. Is this true?"

Su Chen nodded and replied,

"Prime Minister, this is absolutely true. There was civil strife between Sun Quan and Zhou Yu, and Liu Bei took the opportunity to kill Zhou Yu and escape. The two prime ministers should have received news about this matter."

Cao Cao couldn't understand.

Jiangdong was facing the threat of his hundreds of thousands of troops.

Jiangdong was not united to deal with the outside world, and civil strife actually broke out. Could this be Sun Quan and Zhou Yu's plan?

"Why did Anlehou, Sun Quan and Zhou Yu have civil strife?"

Su Chen shook his head and explained,

"I'm not very clear about this either. This matter seems to have something to do with Sun Ce's son Sun Shao."

"Sun Quan may have been worried that Zhou Yu and some generals would push Sun Shao to the throne, so Sun Quan took action and killed Sun Shao by force, and then started a fight with Zhou Yu's army."

Cao Cao stood up and suddenly realized,

"Sun Ce's son Sun Shao?"

"I understand, Sun Quan, Sun Quan, he is worried that Sun Ce's old subordinates will make Sun Ce's son the lord of Jiangdong. Haha, God helps me. Without Zhou Yu and Liu Bei in Jiangdong, Sun Quan's son is doomed."

After Cao Cao heard Su Chen's words, he thought of a possibility.

Sun Quan's position can be said to belong to Sun Ce's son Sun Shao. Zhou Yu is Sun Ce's loyal friend and military advisor. Sun Quan is worried that when Sun Shao grows up, Sun Ce's old subordinates will We must support Sun Shao to ascend to power.

Seeing that Cao Cao understood the situation in Jiangdong, Su Chen reminded Cao Cao,

"Prime Minister, Liu Bei wants to flee to Yizhou and Shu. The Prime Minister can inform Liu Zhang in Yizhou and ask him not to allow Liu Bei to enter Shu. He can even threaten Liu Zhang so that Liu Bei has no way to escape."

Cao Cao nodded and said,

"Yes, Liu Dayer was too capable of escaping. Liu Bei must not be allowed to escape this time. Liu Zhang of Yizhou must threaten him. In Shu, Liu Bei has a good plan."

Cao Cao hated Liu Bei so much that many princes died at his hands, but Liu Bei was a weakling who could not be beaten. Liu Bei was so capable of escaping that he fled from Youzhou to Jizhou, and then from Jizhou to Xuzhou. Then came Jingzhou, Yangzhou, and now he wants to escape to Yizhou. Cao Cao will never allow Liu Bei to escape again.

"Prime Minister, my subordinate will go down first."

Cao Cao suddenly said to Su Chen expressionlessly,

"Anlehou, although you did not complete my mission this time, you are not wrong, but I heard that you robbed Liu Bei's two wives. Is this the case?"

Su Chen nodded and replied after hearing Cao Cao's words,

"It's true"

"Send Liu Bei's two wives over tomorrow, do you know?"

"Yes, Prime Minister!"

Su Chen agreed with a glint in his eyes,

Wife Cao,

I originally wanted you to live a few more days, but it seems like you should go to hell tonight.
