

## Zongwu 2121

### Chapter 2121

After Ju Douluo discovered that Lan Yin's prison blocked his attack, he understood that

Tangshan's little bastard was actually here.

Ju Douluo thought that Ghost Douluo was killed by Tangshan, and he no longer had the martial soul fusion with Ghost Douluo. Skill, he was with Queen Bi Dong'er, and Ju Douluo's status plummeted.

This was all caused by Tangshan.

Ju Douluo wanted to tear Tangshan into pieces.

Tangshan quickly appeared opposite Ju Douluo.

He looked at the sullen Ju Douluo and said coldly,

"Ju Douluo, once you're here, don't even think about leaving alive!"

Ju Douluo looked at Tangshan and shouted viciously,

"Tangshan, you must die this time. I want to avenge the old ghost. The fifth soul skill, Gathering of Han Ying!"

"The fifth soul skill, Lanyin Overlord Spear!"

Boom boom.....

The powerful and brilliant soul skills of Ju Douluo and Tangshan caused the surrounding armies to retreat quickly. Even the soul masters of the Wuhun Empire quickly left the

square. Titled Douluo's battle was simply not something that these people could get close to.

"Xiaowu!"

At this time,

Liu Erlong came out of the covered sky. When she came out, she hurriedly called to Xiao Wu who was on the edge of the square.

Xiao Wu was about to deal with the soul masters of the Wuhun Empire. She didn't expect to hear Liu Erlong's voice.

Xiao Wu turned around and saw Liu Erlong on the tower.

She quickly walked towards Liu Erlong.

Xiao Wu wanted to know why Liu Erlong appeared here. She was worried that something had happened to the Tiandou Empire's camp.

"Mom, why are you here?"

Liu Erlong grabbed Xiao Wu who came and said with a serious face,

"Xiao Wu, leave with me later!"

Xiao Wu asked suspiciously after hearing Liu Erlong's words.

"Why? Aren't we going to rob and kill the spirit masters of the Spirit Empire? Liu

Erlong shook his head and said, "I will tell you the reason later. You must listen to me this time. Mom will not harm you.""

"Okay, my mother and I left, but where is Brother Shan? Is he leaving with us?"

"No, Tangshan won't leave with us"

"this.....All right."

Although Xiao Wu didn't know what Liu Erlong was going to do, she believed that Liu Erlong would not harm her. Xiao Wu could feel that her adoptive mother cared for her.

When Liu Erlong heard that Xiao Wu agreed, she felt She breathed a sigh of relief.

Tang Shan was from a different world and was older than her. Liu Erlong would not allow Xiao Wu to be deceived by Tang Shan. She took Xiao Wu away this time to tell Xiao Wu about this. Wu.

Whoosh!

Su Chen suddenly appeared in the sheltered space with Ning Rongrong in his arms. He was very surprised to see Liu Erlong and Xiao Wu fighting between Tangshan and Ju Douluo in the square outside the sheltered space.

Su Chen was very surprised when he saw Ju Douluo arriving early.

"Damn it, how come Ju Douluo, a dead ghost, comes at this time? Didn't he take the soul master team to burn the food transport team thirty miles away? Could it be that Ju Douluo turned back halfway and came here?"

Ning Rongrong is still very confused now.

She didn't expect that in just a moment,

Su Chen would take her to the grain and grass transfer station in the town.

This is a distance of hundreds of miles.

Ning Rongrong discovered that Su Chen simply How did this mysterious man do it without using soul skills?

"Teacher Liu, Xiaowu!" Ning Rongrong noticed Liu Erlong and Xiao Wu next to her, so she hurriedly shouted.

When Su Chen heard Ning Rongrong's cry, he laughed and said, "Little beauty, don't think about Liu Erlong and Xiao Wu saving you. , you are a key figure, Liu Erlong and Xiao Wu can't save you."

Ning Rongrong glared at Su Chen and asked coldly,

"who are you?"

"who I am? I am an unexpected person for you."

Su Chen shook his head and pulled Ning Rongrong out of the sheltered space. With

Ju Douluo's early arrival,

Su Chen no longer needed to hide.

Liu Erlong found out that Su Chen was back and even pulled Ning Rongrong with an angry look on his face. Rongrong, she guessed that this little bastard just went to arrest Ning Rongrong. What on earth was this little bastard going to do?

Liu Erlong shouted angrily at Su Chen, "Su Chen, you little bastard, how could you arrest Ning Rongrong?" coming?"

"Liu Erlong, Ning Rongrong is a powerful support. Without Ning Rongrong's support, the strength of those people in Tangshan will drop by 30%. Is there any problem for me to capture her?"

Xiao Wu heard Liu Erlong say that Su Chen had caught Ning Rongrong. She ducked and kicked Su Chen quickly, touch!

Su Chen stretched out his hand and grabbed Xiao Wu's feet instantly.

He looked at Xiao Wu and was cold. vocal channel,

"Little girl, for the sake of you being Liu Erlong's adopted daughter, I won't argue with you this time. If you dare to attack me next time, I won't be polite."

"Xiao Wu, don't do anything."

Liu Erlong didn't expect Xiao Wu to suddenly attack. She was so frightened that she hurriedly shouted to Xiao Wu,

"let me go!"

Xiao Wu didn't expect that her sudden attack would be easily blocked by Su Chen. This bastard even grabbed her feet.

This made Xiao Wu very angry.

"Su Chen, let go of Xiao Wu!"

Su Chen warned Liu Erlong after sending Xiao Wu away,

"Liu Erlong, take good care of your daughter. I won't let this little beauty off easily next time."

"Xiao Wu, Ning Rongrong, you all come with me, I have something to say to you."

After Liu Erlong glared at Su Chen fiercely, she grabbed Xiao Wu and Ning Rongrong and walked towards the sheltered space.

Liu Erlong was going to tell Xiao Wu and Ning Rongrong about Tangshan, and even the mysterious and powerful Su Chen. She also wanted to tell Xiao Wu and Ning Rongrong about the identity of the little bastard.

Su Chen didn't care about Liu Erlong and Ning Rongrong. It was impossible for them to escape now.

He looked at the battle between Tangshan and Ju Douluo in the square. He shook his head.

Although Ju Douluo was of a higher level than Tangshan, Tangshan's idiot couldn't be defeated by Ju Douluo.

Tangshan's Ju Douluo, who only used Lan Yin Wuhun to defeat him, was hiding in Tibet. I'm afraid it won't take long to be defeated and killed.

Lan Yin Wuhun?

Su Chen suddenly appeared in this world. Tangshan's mother seems to have recovered.

Lan Yin Emperor?

He also has one, and she is also Tangshan's mother, but she is not the Lan Yin Emperor in this world. , Su Chen thought about it and decided to capture the mother of Tangshan in this world again.

"Ayin!"

Whoosh!"

"Owner!"

Suddenly, a beautiful woman appeared next to Su Chen in an instant. She looked at Su Chen and shouted with a smile.

Su Chen hugged Lan Yin Huang's waist and said, "A Yin, there is also you in this world. Find her. , take her to Jialing Pass, and anyone who stops you will be killed without mercy!"

Emperor Lan Yin leaned into Su Chen's arms and asked playfully, "Master, am I not enough for you?"

Su Chen touched Lan Yinhuang's hair and reminded,

"Ayin, do you want to watch another you fall into the arms of others? Hey, why is your strength also at the peak of the Tribulation Realm? Aren't you in the Xuanxian realm?"

Chapter 2122

When Su Chen noticed the cultivation level of Emperor Lan Yin, he was very surprised.

Emperor Lan Yin was about to be promoted to Golden Immortal. How could she be at the peak of the Tribulation Realm in this small world?

Could this be the fault of the Holy Spirit of the Ladder?

So what about Nie Xiaoqian and those female ghosts? Have their strengths been sealed to the peak of the Tribulation Realm?

A Yin smiled at Su Chen and said,

"Master, my strength has been suppressed, but as long as I leave this small world, my strength will return to the Mysterious Immortal Realm."

Su Chen was speechless when he heard A Yin's words,

"As expected, it was the Holy Spirit of the Heaven Ladder who did it. That girl really didn't leave any loopholes for me."

At this time,

Xiao Wu appeared quickly and shouted in surprise,

"Mother! You are here like this, and why do you let this bastard hold you?"

A Yin shook her head when she heard Xiao Wu's words and said,

"Little girl, you got the wrong person, I'm not your mother"

"How can it be? You are obviously Tangshan's mother, how could I admit my mistake?"

"Tangshan?"

When A Yin heard Xiao Wu's words, she looked at Tangshan in the square and was very strange.

She killed Tangshan in the Shenyu Continent with her own hands. She didn't expect that there was also a Tangshan in this small world, and it also became this world. The son of Emperor Lan Yin.

Thinking of this, A Yin said angrily, "Master, this Emperor Lan Yin is no longer clean. She is even the mother of Tangshan in this world. I'd better kill her!"

Su Chen was very speechless when he heard A Yin's words.

He did not expect that A Yin's murderous intention would be so great. Although A Yin has a reshaped body, she is also a perfect woman.

But in the Shen Yun Continent,

A Yin is also Tangshan. It's just that after A Yin was deprived of her memory, she didn't know about it at all.

Su Chen shook his head and said, "A Yin, capture Emperor Lan Yin first, and we'll discuss the situation later."

"Well, master, I will catch her now"

"good!"

Xiao Wu was completely confused.

Even Liu Erlong and Ning Rongrong who arrived were also confused.

Who is the Lan Yin Emperor in this world?

What Lan Yin Emperor is not clean?

What Lan Yin Emperor is Tangshan in this world ? Mother?

Liu Erlong, Xiao Wu, and Ning Rongrong couldn't understand, but they knew that the woman who disappeared in an instant was also Emperor Lan Yin, and she even looked exactly like Tangshan's mother. They had all seen her before. Tangshan's parents.

Liu Erlong asked with great confusion,

"Su Chen, is that woman really not Tangshan's mother? She is not from this world either?"

Su Chen nodded and replied,

"A Yin is the Lan Yin Emperor, but she is not Tangshan's mother, and she is not the Lan Yin Emperor in this world."

Xiao Wu said with a confused look on her face,

"How can this be? How come there are two mothers of Brother Shan? What other world? I don't understand why?"

After Su Chen heard Xiao Wu's words, he wanted to send some memories to Xiao Wu and Ning Rongrong.

In the Shenyun Continent,

Xiao Wu and Ning Rongrong still owed Su Chen a promise, but in Su Chen After going to the Immortal Realm, he did not return to the Shenyu Continent, and Xiao Wu and the girls did not fulfill this promise.

Su Chen thought for a while and said,

"Little girl, and Ning Rongrong, we have actually met before. You were only fourteen or fifteen years old at the time. You all still owe me a promise. Do you want to remember how you met me?"

Xiao Wu was surprised when she heard Su Chen's words and said,

"What? Have we met? This is impossible. If I had seen you, how come I had no influence at all?"

"I haven't met you either."

Ning Rongrong looked unbelieving.

She didn't know this powerful and mysterious person at all.

Besides, if they knew each other, why did this bastard arrest her?

Liu Erlong frowned and asked Su Chen, "Su Chen, is everything you said true?"

"Whether it is true or false, you will know in a moment."

Su Chen said to Liu Erlong, he reached out and touched Xiao Wu and Ning Rongrong's eyebrows. He wanted to send the memory of meeting them in the Shenyun Continent to Xiao Wu and Ning Rongrong. He hoped that these two little beauties will not be frightened.

After a while,

Su Chen loosened his fingers.

He saw Xiao Wu and Ning Rongrong digesting those memories with their eyes closed. Su Chen looked at the battle between Ju Douluo and Tang Shan in the square.

Liu Erlong When Long looked at Xiao Wu and Ning Rongrong, she was very worried.

Liu Erlong was afraid that Su Chen would do something to control Xiao Wu and Ning Rongrong. This little bastard was a bit ridiculously powerful. Some mental control might be possible. Little bastards do too

"The eighth soul skill, Gate of Holy Light!!"

"The eighth soul skill, the destruction of Lan Yin's evil mirror!"

Boom boom boom.....

After a violent collision in the square,

Ju Douluo was knocked out by Tangshan. Ju Douluo looked miserable and embarrassed.

Ju Douluo vomited blood and shouted angrily,

"Tangshan....."

Ju Douluo did not expect Tangshan to be so powerful. He was a ninety-five-level titled Douluo, but now he was unable to defeat a ninety-three-level titled Douluo.

"Ju Douluo, I said today is your death day"

"Want me to die? Then let's die together!"

Ju Douluo stood up and activated all his soul power.

Ju Douluo was preparing to launch the final blow. If he couldn't kill Tangshan, he would really die here.

"The ninth soul skill, the chrysanthemums are broken, the ground is covered with wounds, the flowers fall and people are heartbroken!"

Ju Douluo's martial spirit Babel Ju, a huge Babel Chrysanthemum appeared in the red soul ring, and the Babel Chrysanthemum turned into petals all over the sky and formed a tornado.

"The ninth soul skill, the soul of Lanyin Qinglong!"

Tang Shan also activated his ninth soul skill.

He looked at Ju Douluo with disdain. Tang Shan could have killed Ju Douluo with his seventh and eighth soul skills. But in order to completely make Ju Douluo despair, he still activated his third soul skill. Nine Baskets of Yin Soul Skill.

Roar!

A Green Dragon Soul roared and rushed towards Ju Douluo

"Space barrier!"

At this time,

Su Chen took action.

Ju Douluo was a good person. He had always been loyal to Bi Dong'er. If Ghost Douluo hadn't been killed and Ju Douluo didn't have the soul fusion skill, Ju Douluo wouldn't have been killed. Bi Dong'er was marginalized, and

Su Chen planned to help Ju Douluo. He wanted to destroy Tangshan's pretense anyway, so it didn't matter if he saved an insignificant person. A basket-color barrier suddenly appeared in front of Ju Douluo, boom!

Qinglong The attack of the soul was blocked when it hit the space barrier.

"who?"

Tangshan found that his martial spirit attack was blocked, which made him very surprised.

His ninth spirit skill could not be blocked even by the ninety-seventh level peak Douluo. Who came to save Ju Douluo? Could it be that Bi Donger arrived in person?

"Tangshan, your pretense is over."

Chapter 2123

Su Chen instantly appeared between Tang Shangu and Ju Douluo. He looked at Tang Shan and smiled disdainfully.

He never liked Tangshan no matter what he saw.

In the plot, Su Chen disliked Tangshan very much. Su Chen felt that it was Bi Donger's charm that made him dislike Tangshan very much.

Bi Dong'er's sadness,

Bi Dong'er's infatuation, and even Bi Dong'er's sadness made Su Chen feel that Bi Dong'er should be a protagonist, a protagonist who makes people cherish him very much.

Tangshan asked Su Chen seriously,

"Who are you?"

Su Chen replied to Tangshan indifferently,

"Kill your people!"

"kill me? Your Excellency, are you also from the Spirit Empire?"

"good!"

"Are you an elder from the Spirit Empire?"

"The guard of Jialing Pass, Su Chen!"

"Are you Su Chen, the guard general of Jialing Gate? How can it be? The guard general of Jialing Gate is just a dandy young master. If you are so powerful, how could you be the gatekeeper of Jialing Gate, Su Chen."

Tangshan didn't believe what Su Chen said.

He also knew about the guard general of Jialing Pass. In the morning, he was a dandy nobleman in the Wuhun Empire, and he was the guard of Jialing Pass because of his noble status.

And the man in front of him can withstand his ninth soul skill. How could he be the dandy young master of Jialing Pass?

"Dandy young master?"

Su Chen felt very unhappy when he heard Tang Shan's words.

That girl from Holy Soul even arranged a playboy role for him.

Damn that girl.

There is no memory of the playboy in Su Chen's memory. This girl from Holy Soul is obviously playing the role of a playboy. Take revenge on yourself.

At this time,

Ju Douluo appeared next to Su Chen and thanked, "General Su, thank you for your life-saving grace this time!"

Ju Douluo originally thought he was going to die.

He didn't expect that the guard of Jialing Pass, Su Chen, would come to save him. This was unexpected.

Ju Douluo also didn't expect that Su Chen would be so powerful.

No wonder Su Chen used the dandy young master's With his status, he can serve as the guard of Jialing Pass, an important pass.

Su Chen nodded to Ju Douluo and said nonsense,

"Ju Douluo, you are loyal to the Queen, and the Queen asked me to help you complete your mission this time."

"The Queen does not want to marginalize you. You should understand that without your old ghost and martial soul fusion skills, you will not be able to handle a dangerous task."

Ju Douluo was excited when he heard Su Chen's words. He did not expect that Su Chen was sent by the Queen to help him, and the Queen did not give up on him. This made Ju Douluo very happy.

"I see!"

Su Chen felt that Ju Douluo was a good sissy. At least he was very loyal to Bi Dong'er. He decided to help Ju Douluo so that Bi Dong'er would also get a loyal and powerful subordinate.

Su Chen took out He threw an ordinary spirit fruit to Ju Douluo and said,

"This is for you. This is a spiritual fruit obtained by the Queen. If you eat it, your soul power will be greatly improved."

"Thank you Queen for the gift!"

"Ju Douluo, take your men and leave. This mission is over."

"Yes, General Su!"

Ju Douluo nodded when he heard Su Chen's words.

He waved to the soul masters around the square, and he quickly left with the soul masters here.

Su Chen looked at Tangshan and said,

"Tangshan, today ends here, Jialing Pass is your burial place."

Tangshan took out the artifact trident and prepared to kill Su Chen.

This person is too dangerous.

The Empress of the Wuhun Empire is a peerless Douluo, and Qian Xueer may also be a peerless Douluo. Tangshan cannot let Su Chen leave, otherwise if these people Everyone gathered at Jialing Pass, and all the Titled Douluo and Peak Douluo in the Tiandou Empire would be killed.

Tangshan pointed at Su Chen with the artifact trident and said coldly,

"Su Chen, do you think you can leave? You are a peerless Douluo. How could I let you go? If I kill you today, the Tiandou Empire will lose a huge threat. You can't leave today."

"Poseidon Trident?" Su Chen smiled when he saw Tangshan take out the Poseidon Trident. In the God of Fallen Continent, Su Chen got the Poseidon Trident by killing the Poseidon. Su Chen gave this rubbish artifact to the high priest Bo Saixi. However, Su Chen did not remove the Poseidon Trident's aura of recognizing him as its master. He also forgot to remove this rubbish aura of acknowledging him as its master.

"The tenth soul skill, the Twelve Golden Halberds!"

Tangshan burst out with Lan Yincao's tenth soul skill, and the golden soul ring was immediately activated. The Poseidon Trident in his hand was brighter than ever.

Boom!

A golden wave erupted in the entire square, and the huge momentum swept the surrounding brothers. Many houses were directly destroyed.

Lan Yin Cao?

Poseidon Trident?

Is this useful to me?

If Tangshan can still attack him with the Clear Sky Hammer, does Lan Yin Cao dare to attack him?

Emperor Lan Yin is his woman,

A Yin The aura of the Poseidon is very strong on him, and it is impossible for the Basilica to pose a threat to him. As for the

Poseidon Trident, as long as Su Chen releases the aura of the Poseidon Trident recognizing its master, will the Poseidon Trident dare to attack its master?

Liu Erlong Watching Tang Shan launch an attack on Su Chen, he even used the artifact Poseidon Trident to attack Su Chen.

However,

Su Chen has not opened the soul ring yet. Does that little bastard want to die?

"kill!"

Tangshan took the Poseidon Trident and attacked Su Chen. Lan Yin Wuhun quickly attacked Su Chen with the huge shadow of the Poseidon Trident.

Su Chen watched the Lan Yin grass mixed with the Poseidon Trident attack, and he burst out The aura of Emperor Lan Yin and the aura of recognition of the Poseidon Trident.

Su Chen waved his hand and said,

"Disperse!"

At this time, the basket yin grass martial spirit and the huge Poseidon Trident shadow in the sky all dissipated in an instant. It was as if the basket yin grass and the Poseidon Trident shadow had never appeared at all.

"How can this be? What exactly is going on?"

Tang Shan saw that his tenth spirit skill dissipated before it could hit Su Chen.

This made him confused.

Moreover, he felt that Lan Yin's martial spirit seemed to be out of his control, and even the Poseidon Trident could not be controlled by him. You have to break free from his hands.

Seeing Tang Shan's surprised look, Su Chen mocked,

"Poseidon? Tangshan, you, the future Poseidon, are a bit weak. The Poseidon Trident has not recognized you as its master. The old and immortal Poseidon actually spared you a hand."

At this moment,

Xiao Wu and Ning Rongrong also opened their eyes.

They also saw Tangshan's attack just now. Xiao Wu and Ning Rongrong looked at Tangshan and shook their heads.

In their memories, Su Chen killed Poseidon and got Poseidon. The Trident, the Poseidon Trident might have recognized Su Chen as its master at that time.

Although this was not the same world, the aura of the Poseidon Trident was exactly the same, so how could the Poseidon Trident attack its owner?

Ning Rongrong thought about the memorized information , she hurriedly asked Xiao Wu,

"Tang Shan turned out to be a time traveler who was reborn. He may be older than my father. Xiao Wu, you weren't taken advantage of by Tang Shan, were you?"

Chapter 2124

Xiao Wu felt very conflicted when she heard Ning Rongrong's words.

She didn't care about Tang Shan's age.

After all, she was a soul beast that had lived for 100,000 years.

She also didn't care that Tang Shan was a time traveler who had taken his body and was reborn. Xiao Wu knew Tangshan truly cared about her, loved her, and even spent a lot of energy to revive her.

However,

Tangshan was obviously from another world.

Why didn't he tell himself that he didn't trust himself? Still wary of her.

Liu Erlong looked at Xiao Wu who was very confused and even looked a little sad.

She hurriedly asked Ning Rongrong,

"Rongrong, what are the memories you got? Ning

Rongrong said to Liu Erlong with an excited face,

"Teacher Liu, my memory is from another world. That world is vast and vast, with four continents, each of which is much larger than Wuhun Continent."

"Moreover, there are four types of cultivation systems. The soul power system we cultivate and the magic system in the Western Continent are both the lowest. In the Godfall Continent, the most powerful cultivation system is the Immortal Cultivation System."

When Liu Erlong heard Ning Rongrong's words, she was surprised and said,

"The vast and vast Divine Meteor Continent? Is there a Ning Rongrong in another world? Is the soul power system and the magic system the lowest cultivation system? The most powerful one is the system of cultivating immortals?"

Ning Rongrong looked at Liu Erlong's surprised look, and she hurriedly continued to Liu Erlong,

"Teacher Liu, Tangshan is a time traveler who took his body and was reborn. In the Shenyu Continent, Tangshan was killed by the previous Emperor Lan Yin. Xiao Wu, Zhu Zhuqing and I all met Su when we were fourteen years old....."

Liu Erlong listened to Ning Rongrong's narration, and she couldn't calm down in her heart.

This incident was so shocking.

Su Chen turned out to be the emperor of a huge empire, with tens of millions of black-armored legions, and countless powerful immortal cultivators. , even every powerful immortal cultivator can destroy Peerless Douluo, and the Queen Bi Dong'er of the Wuhun Empire. In the Shen Yun Continent, Bi Dong'er turned out to be Su Chen's imperial concubine, and Bi Dong'er was also a A powerful immortal cultivator who is about to become an immortal.

Liu Erlong couldn't accept this information.

There was actually another version of her in the Shenyu Continent.

Was the other him with Yu Xiaogang in the Shenyu Continent?

This is probably impossible.

Bi Dong'er in Shenyun Continent may kill Yu Xiaogang, and she may even be killed by Bi Dong'er.

Whoosh!

At this time,

Su Chen returned to Liu Erlong.

He had not killed Tangshan. The battle of Jialing Pass had not yet begun. Now that he had killed Tangshan, the trial mission would probably be over. Tangshan should be left to Bi Dong'er to kill.

Su Chen looked at the confused Xiao Wu and Liu Erlong, then looked at the excited Ning Rongrong and asked, "Ning Rongrong, have you remembered the promise you owed me?"

Ning Rongrong was stunned after hearing Su Chen's words. He shouted with his face flushed,

"Bah, I don't owe you a promise. Ning Rongrong in the Godfall Continent owes you a promise. Go and make her fulfill it."

"Haha, aren't you all the same?"

"It's different. I am me, and she is her. Ning Rongrong in the Shenyun Continent is just like my mirror image. We are not in the same world, and we will never meet in our lifetime. If it weren't for you, I wouldn't know the world at all. There is a world outside."

Su Chen nodded when he heard Ning Rongrong's words and said,

"You are right, you are like mirror clones, and you will never see each other again in your lifetime."

Liu Erlong heard the conversation between Su Chen and Ning Rongrong, and she recovered from her confusion.

"Like a mirror clone? Yes, I am just like a mirror clone in Shen Yun Continent, so why should I bother with a mirror clone."

Su Chen saw that Liu Erlong didn't care about her in the other world, and he nodded.

Su Chen planned to use this small world as his private world.

The characters in the Chibi Battle world and Jialingguan Battle world are all It overlaps with Tianxuan Continent and Shenyu Continent, and it is impossible for Su Chen to let people from the two worlds travel back and forth.

The two leisure worlds are also good. If you get tired of staying in one, you can change to the other world.

"Okay, we're leaving. Liu

Erlong looked at Su Chen and asked, "Su Chen, what are you going to do in this world?"

Liu Erlong also knew that Su Chen was not from this world.

However,

Su Chen was a powerful immortal cultivator.

Why did he come to Wuhun Continent?

Did he come to find Bi Dong'er?

But Bi Dong'er from Wuhun Empire After all, Bi Dong'er from Shenyun Continent is not the same person. Liu Erlong couldn't figure out Su Chen's intention of coming to Wuhun Continent.

After hearing Liu Erlong's words, Su Chen thought about it and said nonsense,

"I just came to this world accidentally, but the war in this world interested me. After all, Bi Dong'er has some relationship with me, and I plan to help Bi Dong'er win this war."

Ning Rongrong looked at Su Chen and asked in confusion,

"Then why did you catch me? I'm just a Contra, you can catch those titled Douluo!"

Su Chen said to Ning Rongrong with a smile,

"Little beauty, you are a super assistant. Without you, those titled Douluo in the Tiandou Empire would be just scum. You are crucial to this war."

"I will not help the Wuhun Empire!"

"You can!"

"I won't!"

Su Chen patted Ning Rongrong's shoulder and said,

"Ning Rongrong, think about your father, think about Sword Douluo and those people, and think about the Seven Treasures Glazed Sect. If you don't help the Spirit Empire, I won't mind slaughtering the entire Seven Treasures Glazed Sect."

Ning Rongrong heard Su Chen's words and cursed angrily, "You.....You are despicable!"

"Whatever you say, I'm warning you anyway, if the Qibao Glazed Sect is really massacred, Ning Rongrong, don't regret it"

"I....."

At this time,

Tangshan quickly arrived and shouted,

"Teacher Liu, Xiao Wu, Ning Rongrong, why are you with Su Chen from the Spirit Empire?"

When Tangshan saw Su Chen disappear for no reason at first, he had been wary that Su Chen would suddenly appear to kill him, but he waited for a while and did not find Su Chen.

When Tangshan was about to find Xiao Wu, he discovered that Qianmi Outside, Su Chen was actually with Ning Rongrong, and even his teachers Liu Erlong and Xiao Wu were there. Tang Shan was afraid that Su Chen would take action against Ning Rongrong's three daughters, so he hurried over.

Su Chen was cold when he saw Tang Shan's arrival. vocal channel,

"Tangshan, get out of here quickly. These three women are all my prisoners. If you want to save them, rush to Jialing Pass as soon as possible. Otherwise, Liu Erlong and the others will lose their virginity to me."

"Su Chen, you are seeking death!"

Tang Shan shouted angrily when he heard Su Chen's words.

If he hadn't been worried about the safety of Ning Rongrong's three daughters, Tang Shan would have called out the Clear Sky Hammer and killed this shameless bastard.

"Goodbye, Tangshan, I will wait for you at Jialing Pass. Remember to hurry, otherwise Ning Rongrong and the other three girls will lose their virginity."

Chapter 2125

Seeing Tang San's angry look, Su Chen shook his head.

With a wave of his hand, he activated the spatial teleport and took Liu Erlong, Ning Rongrong, and Xiao Wu away from Tang Shan.

Su Chen didn't want to talk to Tangshan anymore, otherwise, he was worried that he would be unable to resist and kill this pretender.

"Bastard, damn it, Suchen, I will definitely kill you!"

Tangshan saw Su Chen suddenly disappearing, and even the three Ning Rongrong girls also disappeared suddenly.

Tangshan understood that Su Chen had left with the three Ning Rongrong girls, and he wanted to kill someone with a sullen face.

What Su Chen said made him feel sad. Very uneasy, what if!

What if Xiaowu, Ning Rongrong, or even Liu Erlong were insulted by Su Chen

?

Tangshan looked at the town and left quickly. He wanted the emperor of the Tiandou Empire to do it as soon as possible. When attacking Jialing

Pass, Xiao Wu and Ning Rongrong must not be humiliated by Su Chen. Just after Su Chen returned to Jialing Pass with Liu Erlong and the three daughters, he got news that the Queen of the Spirit Empire was competing Dong'er came towards Jialing Pass with his army, half a month faster than Su Chen expected.

Su Chen looked at the three women who were looking at Jialing Pass, and he said to Liu Erlong and the three women, "Liu Erlong, the three of you can walk around Jialing Pass as you like. As long as you don't leave Jialing Pass, no one will stop you. Liu

Erlong nodded and agreed,

"Can!"

At this time,

Xiao Wu, who had been silent all this time, suddenly shouted to Su Chen, "I want to leave, I won't stay here!"

Liu Erlong saw the serious look on Xiao Wu's face.

She thought that Xiao Wu might not be able to let go of Tangshan, but Tangshan was doomed in this battle of Jialing Pass. This little bastard would not let Tangshan continue to live.

Liu Erlong It is speculated that Su Chen may want to clear the way for Queen Bi Dong'er.

Although Queen Bi Dong'er of Wuhun Continent is not Su Chen's imperial concubine, Bi Dong'er and Bi Dong'er of Shen Yun Continent are the same two people in different worlds. , Su Chen couldn't just sit back and watch Queen Bi Dong'er.

Liu Erlong touched Xiao Wu's hair and persuaded,

"Xiao Wu, you stay here with your mother. Tangshan is a man who has been reborn. You can no longer be with Tangshan."

Xiao Wu shook her head and said firmly,

"I don't care, I just know that Tangshan treats me well and I can't leave Tangshan!"

Ning Rongrong grabbed Xiao Wu and reminded,

"Xiao Wu, I know you have a very good relationship with Tangshan"

"But after all, Tangshan is a person who took his body and was reborn. We don't know who Tangshan was before he took his body. We don't know if he has any bad intentions."

"I don't think you should go back yet. If we check Tangshan later and there is no conspiracy, it won't be too late for you to go back. Xiao

Wu shook her head and said,

"No, Su Chen is powerful. If the Battle of Jialing Pass breaks out, Su Chen will definitely kill Tang Shan. I can't watch Tang Shan arrive at Jialing Pass and be killed."

"Little girl, you can't leave."

Su Chen didn't expect Xiao Wuwu to think like this.

Xiao Wu's idea is good, but it's useless.

Tangshan must die in the battle of Jialing Pass.

If Tangshan doesn't die, the Tiandou Empire's army will be defeated by the Wuhun Empire. His trial The mission is probably only half completed. Su Chen cannot let Tangshan leave Jialing Pass alive.

Xiao Wu glared at Su Chen and shouted angrily, "I must leave!"

Whoosh!

Su Chen suddenly appeared next to Xiao Wu, and he quickly sealed Xiao Wu's soul power. A Xiao Wu without soul power, it was impossible for her to leave Jialing Pass.

Xiao Wu's soul power was sealed by Su Chen , this made her very angry, her soul power was sealed, she was just an ordinary person, there were troops everywhere in Jialing Pass, how could she return to the main camp of the Tiandou Empire?

"Bastard, unlock my soul power quickly."

Xiao Wu looked at Su Chen and punched him angrily.

Su Chen pushed Xiao Wu's head and said with a smile,

"Little girl, stay in Jialing Pass honestly. If I feel better, I will resurrect Da Ming and Er Ming for you. I can even resurrect your mother."

Xiao Wu asked nervously after hearing Su Chen's words, "You.....Are you telling the truth? Da Ming, Er Ming, and my mother, can you really resurrect them?"

"It depends on my mood. Xiao

Wu hurriedly promised Su Chen, "I won't leave. As long as you can resurrect Da Ming, Er Ming, and my mother, I will not leave Jialing Pass.""

Xiao Wu is very sad about the death of Da Ming and Er Ming.

After getting along for a hundred thousand years,

Xiao Wu, Da Ming and Er Ming are like family members. If she can resurrect Da Ming and Er Ming, she can do anything.

There is also her mother.

Xiao Wu also misses her mother very much. She is willing to pay any price for Su Chen to resurrect her mother.

Su Chen nodded and unlocked Xiao Wu's soul power, and at the same time, Ning Rongrong also His soul power was also unsealed.

Liu Erlong was relieved when he heard that Xiao Wu was willing to stay.

Although she didn't want to stay in Jialing Pass, she knew that she couldn't leave at all. There was no way Su Chen, a little bastard, would let the three of them go. The girl must leave unless the battle at Jialing Pass is over.

Ten days later, the Wuhun Empire's army will arrive at Jialing Pass in more than a day, and the Tiandou Empire's army is gathering at a faster pace, and the war at Jialing Pass is about to begin. In a luxurious carriage in the army of the Wuhun Empire, Bi Dong'er had just received Ju Douluo. She even understood the reason why Ju Douluo advanced to the top Douluo. Bi Dong'er couldn't calm down for a long time. Su Chen, the guard of Jialing Pass, is really Su Chen in the Shenyu Continent. Bi Dong'er is a little afraid to see Su Chen. Bi Dong'er in the Shenyu Continent is Su Chen's princess, but she is not Su Chen's

princess. Concubine. However, Bi Dong'er and Bi Dong'er in Shenyun Continent can be said to be the same two people. Otherwise, Su Chen would not have been able to help her subordinates, and even improve the strength of her subordinate Ju Douluo. Qian Xue'er saw Seeing her mother's anxious look, she smiled and asked,

"Queen, it seems that Su Chen, the guard of Jialing Pass, is your concubine. Are you afraid of seeing Su Chen?"

"Shut up and stay with me."

Bi Dong'er's face turned cold when she heard Qian Xue'er's words.

In the past few days, Qian Xue'er had been talking about concubines every day, which made her very upset.

Bi Dong'er's memory in Shen Yun Continent has been affecting her. , Bi Dong'er became more and more familiar with Su Chen, and sometimes she even thought of Su Chen unconsciously.

Qian Xue'er didn't pay attention to her mother's scolding, she pulled her mother and said with a smile,

"Queen, when we arrived at Jialing Pass, Su Chen had many treasures in his hands. The spirit fruit Su Chen gave Ju Douluo was still the lowest level. The lowest level spirit fruit made Ju Douluo rise to three levels. You must I want some high-grade spiritual fruits for Su Chen, even the best spiritual fruits."

Chapter 2126

Qian Xue'er coveted the treasures in Su Chen's hands.

Qian Xue'er in Shen Yun Continent got many treasures, magic weapons, spiritual fruits, monster mounts, and even powerful techniques. All of this was because of Bi Dong'er. Relationship.

Qian Xue'er also wanted her mother to ask Su Chen for some treasures, the best ones that could enhance her strength.

Qian Xue'er has completed the test of the Angel God, and she can be considered a quasi-Angel God.

In the future, Qian Xue'er will be able to fully inherit the position of the Angel God as long as she reaches level 100.

But in this battle of Jialingguan,

Qian Xue'er had little confidence in Tangshan's idiot.

After all, Tangshan was a man who had taken his body and was reborn, and Tangshan had also completed the tests of Poseidon and Shura God. Qian Xue'er felt very helpless when she thought about one person and two gods. The person who cheated was really going to the extreme. Bi Dong'er shook her head when she heard Qian Xue'er's words. She was too lazy to talk to Qian Xue'er now. Since Qian Xue'er knew everything that had happened to her before, Bi Dong'er found that Qian Xue'er was becoming more and more lively. Although this is a good thing, Qian Xue'er still refuses to call her mother, and Bi Dong'er is also very helpless towards Qian Xue'er. In the past ten days at Jialing Pass, Liu Erlong, Ning Rongrong, and Xiao Wu had gained some understanding of the power of the Black Armored Legion. The soldiers of the black-armored legion are all very powerful. Ordinary black-armored soldiers can exert the strength of great soul masters and even soul masters. How can the Tiandou Empire's army defeat such a powerful army? The black-armored legion composed of 200,000 cultivators was terrifying to them just thinking about it. On the wall of Jialingguan, Liu Erlong and the three girls looked at the training of the Black Armor Legion. They often came to watch the training of the Black Armor Legion these days. The three girls also yearned for the cultivation of the immortal system. However, they tried several times and could not cultivate the true energy and magic power at all. Ning Rongrong thought of A Yin's capture of Tangshan's parents yesterday, and she asked Liu Erlong,

"Teacher Liu, why don't we ignore Su Chen's arrest of Tangshan's parents? Liu

Erlong shook his head and said, "Rongrong, we can't control it. We just asked Su Chen to let Tangshan's father and mother go. Will Su Chen listen to us?"

Ning Rongrong nodded and said with fists,

"You're right. Su Chen is too overbearing. I helped her legion practice several times, but that bastard didn't teach me the immortal cultivation technique. From tomorrow on, I will no longer help that bastard."

Liu Erlong shook his head and said, "The cultivation system is different, and we may not be suitable for practicing the immortal cultivation method."

"How could Queen Bi Dong'er do this? Su Chen must have special means to allow soul master practitioners to practice immortality skills"

"Forget it, let's not talk about this. The Queen and the army of the Wuhun Empire will arrive tomorrow, and the Tiandou Empire may launch an attack in the next few days. Let's not bother that little bastard."

Ning Rongrong nodded when she heard Liu Erlong's words.

She was very speechless when she looked at Xiao Wu who looked restless next to her.

Xiao Wu used to be very lively, but she seemed to have become a different person these days. She Jing sat alone and thought about things in silence.

Ning Rongrong patted Xiao Wu on the shoulder and persuaded,

"Xiao Wu, you have been worried for ten days. Don't worry. Su Chen actually said that he can resurrect your mother and your friends, so he will definitely be able to do it. That bastard is very powerful."

Xiao Wu nodded and said,

"I know, but I don't know when Su Chen will be resurrected to go to his mother and Daming. Liu

Erlong said to Xiao Wu with pity.

"Xiao Wu, this may have to wait until after the Battle of Jialing Pass. Su Chen now wants to help Bi Dong'er win this war. He should not have time to resurrect your mother and friends now."

Ning Rongrong also said hurriedly,

"Yes, Xiao Wu, this war will only last a few months at most. You won't have to wait too long."

"I see."

Xiao Wu nodded and showed a sweet smile. She could wait for a few months. At this moment, in the main hall of Jialing Pass, Su Chen was speechless looking at the unconscious Tang Hao. Tang Hao was now All his subordinates were in very miserable condition. A Yin was very harsh on Tang Hao, and this Tang Hao was much uglier and even older than the Tang Hao in Shenyu Continent. Tang Hao and Emperor Lan Yin stood together. It's Beauty and the Beast. Su Chen didn't bother to interrogate Tang Hao. Since A Yin also captured Tang Hao, Su Chen planned to execute Tang Hao in front of millions of troops after the Tiandou Empire's army arrived. Number

"Hang Tang Hao on the wall of Jialingguan City, don't let him die"

"Yes, Your Majesty."

When Emperor Lan Yin heard Su Chen's order, she hurriedly shouted,

"No, if you let Tang Hao go, he is already seriously injured. If you hang up Tang Hao again, he will be hanged."

Su Chen looked at Emperor Lan Yin who had had her soul power sealed in the hall.

Emperor Lan Yin had just recovered her body.

She was now a little soul sect.

Su Chen had no intention of killing Emperor Lan Yin, but he also had no intention of letting her go. Emperor, he decided to take care of Emperor Lan Yin first, and then deal with her after seeing the situation.

"I had no intention of letting him live. Emperor Lan Yin, you already know who A Yin is. Do you think I will keep Tang Hao and not kill him? And Tangshan, who took his body and was reborn, will also die."

A Yin stood next to Emperor Lan Yin and said indifferently,

"Emperor Lan Yin, you have just been resurrected not long ago, and your body has been re-condensed into a perfect body. You should be lucky that you did not lose your innocence this time, otherwise, I would have killed you when I saw you four days ago."

When Emperor Lan Yin heard what Su Chen and A Yin said, she felt very painful.

She couldn't accept this matter.

Emperor Lan Yin didn't expect that A Yin turned out to be her in another world, and that her son Tangshan turned out to be a thief. The reborn person,

Tangshan actually took away her son. Emperor Lan Yin almost went crazy after getting the news.

"Take this piece of trash down." Su Chen looked at the unconscious Tang Hao and waved his hands and ordered.

When Emperor Lan Yin saw Tang Hao being dragged away, she screamed in pain, "Su Chen, if you want to kill me, kill me too.."

Su Chen ignored Emperor Lan Yin.

He captured Emperor Lan Yin just to make Tangshan angry on the battlefield.

If Emperor Lan Yin really wanted to die, Su Chen would also execute Emperor Lan Yin after the war started.

"Ah Yin, I will leave Emperor Lan Yin to you."

"Good host."

When Su Chen saw A Yin leaving with Emperor Lan Yin, he thought for a moment and whispered,

"The great beauty Bi Dong'er will arrive tomorrow, and the Battle of Jialing Pass should also start within three days. Bi Dong'er, with my help this time, you will not be killed by Tangshan again."

Chapter 2127

At noon the next day, the Wuhun Empire's army arrived at Jialing Pass. There were eight heavy armored legions, angel legion, holy dragon legion, soul master legion, heavy cavalry legion, etc. The arrival of the 600,000-strong army created a war atmosphere in Jialing Pass. More nervous.

When some powerful soul masters saw the black-armored army in Jialing Pass, these soul masters did not dare to act recklessly in Jialing Pass.

Two hundred thousand soul master legion, although these black-armored soldiers are basically the strength of great soul masters, but two hundred thousand soul master legion, even these powerful soul masters are very frightened when faced with it.

At this time, a luxurious carriage stopped in Jialingguan Square, and Queen Bi Dong'er and Qian Xue'er got out of the carriage.

"Commander of the Black Armored Legion, Su Wu meets the Queen!"

After the commander of the Black Armored Legion saw Bi Dong'er, he hurriedly saluted Bi Dong'er.

Bi Dong'er is the princess of the Xuantian Empire, although the Bi Dong'er in this small world is not the Bi Dong in the Shenyu Continent. , but they are the same two people after all.

Besides,

Emperor Su Chen came to this small world in person, and Su Wu guessed that Queen Bi Dong'er would also become the imperial concubine of the Xuantian Empire in the future

"See the Queen!"

The two hundred thousand soldiers of the Black Armor Legion neatly saluted Dong'er.

"All free of charge!"

"Thanks, Queen!"

Bi Dong'er was also very surprised when he saw the two hundred thousand black-armored legions.

They are all soldiers of soul masters.

No!

They are all soldiers of cultivators.

Although these soldiers are not cultivators, in Wuhun Continent, These 200,000 black-armored legions are invincible. No army can defeat this black-armored legion.

Bi Dong'er is a little happy.

As long as she has these 200,000 powerful black-armored legions, Bi Dong'er can destroy them. The Tiandou Empire's millions of troops didn't even need the Spirit Empire's army to dispatch at all.

A titled Douluo from the Spirit Empire saluted Bi Dong'er and said,

"Queen, the black-armored legion is actually a legion composed of soul masters. This is really terrible. With 200,000 soul masters, all the black-armored legions in Jialing Pass are actually soul masters."

After Bi Dong'er heard what Tuoba Xi of the Holy Dragon Sect said, she said coldly,

"Tuoba Xi, don't worry, the Black Armored Legion is my direct legion, the legion I have been secretly cultivating. In this battle of Jialing Pass, the Tiandou Empire will be destroyed no matter how many troops it dispatches."

Bi Dong'er has no choice.

These powerful black-armored legions were brought by Su Chen. How could she know that these black-armored legions would be so powerful.

However, since Su Chen came to Wuhun Continent, he even appeared inexplicably at Jialing Pass. , this must be the Heavenly Ladder trial that Qian Xueer mentioned.

The Heavenly Ladder can allow Su Chen and the Black Armor Legion to appear reasonably in Wuhun Continent, and even appear at Jialing Pass in a reasonable manner. What kind of powerful existence is the mysterious Heavenly Ladder?

The dozen or so Titled Douluo and Peak Douluo nearby were very surprised when they heard Bi Dong'er's words. The

Black Armored Legion was actually a secret legion cultivated by Queen Bi Dong'er?

These strong men were all captured by Bi Dong'er. My big arms were shaking so hard that I felt dizzy.

These were not just one or two thousand soul masters. There were two hundred thousand soul master legions here. The Wuhun Empire only had tens of thousands of soul masters in total. Jialing Pass actually hid two hundred thousand soul master legions..

Two hundred thousand soul master legions, which can sweep across the entire Wuhun Continent.

These Douluo are more respectful than Dong'er, and they are also more loyal than Dong'er.

Ju Douluo's eyes lit up when he heard Bi Dong'er's words When he got up, he didn't think that the black armored legion in Jialing Pass was also the Queen's legion. No wonder Su Chen, the guard of Jialing Pass, would obey the Queen's order to save him.

Ju Douluo thought of how powerful Su Chen was, even the powerful Peerless Douluo Su Chen He is also a subordinate of the empress, and he is more respectful and loyal than Dong'er.

Qian Xueer curled her lips next to her.

She was also very speechless at her mother's nonsense.

However, if the concubine really came for her mother, Heijia The legion would really obey her mother's orders absolutely, and would even be more loyal to her mother than the legions of the Spirit Empire.

Bi Dong'er saw the respect that all the elders showed her, and there was a smile on her lips but she didn't care.

Bi Dong'er looked at it After looking around and finding no figure of Su Chen, she asked Su Wu suspiciously,

"Su Wu, where is Su Chen?

Su Wu replied respectfully, "Back to the Queen, Your Majesty is waiting for the Queen's arrival in the main hall.""

Bidong'er nodded when she heard Su Wu's words.

She didn't care that Su Chen didn't come to greet her. Su Chen's identity was much nobler and even much more powerful than hers.

The emperor of a huge empire, a powerful cultivator. Or,

Bi Dong'er also wanted to see the Su Chen in her memory as soon as possible.

At this time,

Ghost Leopard Douluo suddenly found the person hanging in Jialing Pass.

He looked at it and shouted, "Queen, Look, the person who was hung up is the Tang number of Haotian Sect."

The other Douluo heard Ghost Leopard Douluo's words and looked over hurriedly.

Tang Hao was a powerful peak Douluo, and he was also Tangshan's father. They Douluo did not expect that Tangshan would be caught and hanged. On the wall of Jialingguan City.

Bi Dong'er was also very surprised when she saw Tang Hao being hung up.

She did not expect that Su Chen actually captured Tang Hao. This actually helped her deal with a powerful enemy.

"Xue'er, you arrange the army with the elders here, I'll go see Su Chen"

"I am coming too!"

Qian Xue'er also wanted to see Su Chen in her memory. She didn't want to stay and manage these trivial matters.

Bi Dong'er glared at Qian Xue'er and said coldly, "No, I will see him alone this time."

Bi Dong'er was worried that when Qian Xue'er went to see Su Chen with her, her daughter would call her a concubine as soon as she opened her mouth, and she would be very embarrassed.

Qian Xue'er felt very unhappy when she saw her mother leaving. Happily,

Qian Xue'er is also very curious about Su Chen, especially her memory of her experience with Su Chen on the ladder to heaven. Qian Xue'er really wants to meet the emperor of the Xuantian Empire. At this moment,

Su Chen is waiting for Bi Dong'er in the hall. When Bi Dong'er arrived, he did not go out to greet Bi Dong'er's arrival.

This was not necessary at all.

Ju Douluo would tell Bi Dong'er what happened to him. If Bi Dong'er knew how powerful he was, Bi Dong'er would definitely I wouldn't mind if I didn't go to greet her.

Dang Dang Dang.....

The sound of high heels came over, and Su Chen sat on the chair and looked towards the entrance of the hall.

After a while, a noble and beautiful woman holding a scepter appeared in front of Su Chen.

Queen Bi Dong'er looked at Su Chen and said coldly and arrogantly,

"His Majesty, the Emperor of Xuantian Empire, did not expect that you would come to Wuhun Continent."

Chapter 2128

Su Chen was very surprised when he heard Bi Dong'er's words. He didn't expect Bi Dong'er to know his identity, but how could this be possible?

Bi Dong'er was just a ninety-nine-level peerless Douluo. He has become a real god in the mainland, and it is impossible for Bi Dong'er to know his identity, right?

Could it be that the Holy Soul of the Ladder has stolen Bi Dong'er's memory? The memory of Bi Dong'er in Shenyun Dali was given to Bi Dong'er by the Holy Soul of the Ladder?

Su Chen looked at Leng Ao's beautiful Bi Dong'er and said with a smile,

"Madam, you actually know my identity. It seems that you are really destined to be my wife."

Bi Dong'er saw Su Chen's surprised look at first.

She guessed that Su Chen might not know that she would know his identity. Bi Dong'er thought that this might be caused by the ladder, and that she and her daughter had extra memories of Su Chen. It's impossible for Chen to know

"Su Chen, I am not Bi Dong'er from Shen Yun Continent, nor am I your imperial concubine. This is Wuhun Continent, and I am the queen of Wuhun Empire. You must remember my identity."

Su Chen suddenly appeared next to Bi Dong'er. He hugged Bi Dong'er's waist and said with a smile,

"It's all the same, you are two people in different worlds, but the essence is still the same."

Bi Dong'er struggled angrily when Su Chen hugged her.

However,

Bi Dong'er did not activate her soul ring to resist.

After she was hugged by Su Chen,

Bi Dong'er felt very familiar with Su Chen's arms and breath. , this may be the influence of another Bi Dong'er in her memory.

"let me go!"

Su Chen hugged Bi Dong'er's soft waist and smelled Bi Dong'er's hair and said,

"Madam, since you know my identity, you should know our relationship. We are a couple, and it is only natural for me to hold you."

Bang!

After Bi Dong'er heard Su Chen's shameless words, she took the scepter and knocked the ground hard and said,

"Shameless, I said I am not Bi Dong'er from Shen Yun Continent, and I am not your woman either"

"Although you are not Bi Dong'er from Shenyun Continent, in my opinion, you and her are the same person. You will also become my wife in the future. It is impossible for me to let you get close to other men."

"Damn, let me go, I won't do it....., woo woo woo....."

When Bi Dong'er wanted to say something,

Su Chen hugged Bi Dong'er and kissed her. He didn't care what Bi Dong'er had to say, since he couldn't let Bi Dong'er go anyway.

Bi Dong'er's eyes widened when Su Chen kissed her.

She hurriedly used her soul power to break away from Su Chen's embrace and kiss, but she found that she couldn't use her soul power.

Bi Dong'er knew it was this bastard who was behind this, and she really had no way to deal with this shameless bastard Su Chen.

The memory of Bi Dong'er in Shen Yun Continent had a great impact on her. When Su Chen kissed her, Bi Dong'er didn't feel sick at all. She even looked forward to Su Chen's kiss.

Bang!

The scepter in Bi Dong'er's hand fell to the ground, and her hands hugged Su Chen's waist tightly.

Just sink,

Bi Dong'er no longer resisted Su Chen's kiss, she decided to sink with what happened in her memory.

Whoosh!

Su Chen hugged Bi Dong'er and disappeared into the hall.

Whizzing!

After Su Chen disappeared with Bi Dong'er in his arms, two beautiful and glamorous women suddenly appeared in the hall. These two beautiful and glamorous women were A Yin and Nie Xiaoqian who had been peeping next to them.

A Yin looked at Nie Xiaoqian and asked, "Nie Xiaoqian, do we still want to spend time with the master?"

Nie Xiaoqian was very embarrassed when she heard A Yin's words.

These days,

Nie Xiaoqian and A Yin have been serving Su Chen together. She did not expect that A Yin At this time, Yin also wanted to participate in the intimacy between Su Chen and Bi Donger.

Nie Xiaoqian coughed and reminded,

"Ahem, Ayin, we don't need to go there today. It's the first time for Bi Donger in this small world to be with her master. Let's give her some time alone with her master."

"Oh well!"

A Yin nodded when she heard Nie Xiaoqian's words.

However,

A Yin felt that Bi Dong'er would probably sleep all the time today. She and Nie Xiaoqian couldn't deal with Su Chen even if they cooperated with each other. Just relying on Bi Dong'er, who was at the peak of the distraction realm, she How could he possibly deal with Su Chen?

On the wall of Jialing Pass,

Liu Erlong and the other three girls watched the arrival of the 600,000 Spirit Empire's army, and even the arrival of Queen Bi Dong'er and more than twenty titled Douluo. They were shocked.

The Wuhun Empire was much more powerful than they imagined.

The Wuhun Empire actually dispatched more than twenty titled Douluo.

The Tiandou Empire only had a few titled Douluo. If the titles of the Haotian Sect were included, Douluo and the Titled Douluo of the Qibao Glazed Sect, there are only more than ten Titled Douluo in the Tiandou Empire.

Ning Rongrong looked at the more than twenty titled Douluo in the Wuhun Empire, and she said worriedly,

"Teacher Liu, the Tiandou Empire is bound to lose this time. The Wuhun Empire has too many titled Douluo. Liu

Erlong said with a serious face,

"Rongrong, there are many titled Douluo in the Wuhun Empire, but most of them are ninety-two or three-level titled Douluo. They can defeat people like Haotian Sect, Qibao Glazed Sect, and even Dai Mubai."

"I am worried that the elders of Wuhun Palace have not yet arrived. The five elders of Wuhun Palace are all peak Douluo of level ninety-six or seven. They are the main fighting force in this war. Xiao

Wu looked at Liu Erlong and Ning Rongrong and reminded them.

"Mom, Rongrong, don't forget that bastard Su Chen. He is very powerful. Even the two powerful women under that bastard could easily kill Peerless Douluo."

After Ning Rongrong heard Xiao Wu's words, her face turned pale and she hurriedly said,

"Teacher Liu, I want to send a message to my father. The Tiandou Empire will be defeated in this war. I don't want anything to happen to my father and the Qibao Glazed Sect during the war. I want my father to withdraw from this war."

Liu Erlong nodded and said, "Well, I'll go talk to that little bastard later, Rongrong, you should let the Qibao Glazed Sect withdraw from this Jialingguan battle."

Whoosh!

At this time, after Qian Xueer discovered Liu Erlong and the three girls on the city wall, she quickly appeared on the city wall and asked expressionlessly, "Liu Erlong, Ning Rongrong Xiaowu, why are you here?"

Ning Rongrong glared at Qian Xueer and said loudly, "This is none of your business."

Qian Xueer threatened after hearing Ning Rongrong's words,

"Ning Rongrong, you are just a small auxiliary Soul Douluo. Are you sure you dare to answer me like this?"

Liu Erlong said to Qian Xueer with a vigilant look on his face,

"Qian Xueer, it seems that we are none of your business in Jialing Pass, right? This is Su Chen's territory, you should go about your business."

Chapter 2129

Liu Erlong was worried that Qian Xue'er would take action against the three of them.

Qian Xue'er was a titled Douluo and a quasi-angel god.

Qian Xue'er's combat power could compete with a ninety-nine-level peerless Douluo.

The three girls also Only Xiao Wu can barely resist for a while. Ning Rongrong is just an auxiliary soul master, and she is even more of a scumbag. If Qian Xueer wants to kill the three of them, it probably won't take long.

"Oh, I understand, you were captured by Su Chen, but why didn't Su Chen seal your soul power? Isn't Su Chen worried about you guys escaping?"

Qian Xue'er heard Liu Erlong talking about Su Chen, and she understood a little.

Tang Shan's father, Tang Hao, was captured and hung on the city wall, and of these three women, Xiao Wu was Tang Shan's girlfriend, and Ning Rongrong was Tangshan's

teammate, Liu Erlong, is not only Tangshan's teacher, but also Yu Xiaogang's childhood sweetheart.

Is Su Chen trying to capture all Tangshan's friends?

But why didn't these three women have their souls sealed? Why did these three women not have their souls sealed? Can you still walk back and forth in Jialing Pass?

After hearing Qian Xueer's words, Liu Erlong replied, "You can ask Su Chen about this! Qian

Xueer nodded and continued to Liu Erlong,

"I will ask, Liu Erlong, that Yu Xiaogang will be yours from now on, but it also depends on whether he can survive this war. My mother no longer has any affection for Yu Xiaogang."

Qian Xueer has not forgotten Yu Xiaogang, whom her mother has never forgotten.

If it weren't for Yu Xiaogang, the reborn person in Tangshan would have been killed long ago.

Today's situation is all because of that hypocrite Yu Xiaogang. If it weren't for Yu Xiaogang After stopping her mother again and again, would Tangshan and Dai Mubai be able to survive until now?

"I....."

Liu Erlong originally wanted to tell Qian Xueer that she had let go of Yu Xiaogang, and she did not need Yu Xiaogang's sympathy and pity. Sympathy, pity and love are not what Liu Erlong wants.

"Enemy attack, there is an enemy attack!"

At this time, a loud shouting sound suddenly came from the city wall, woo woo woo.....

The horns in Jialing Pass rang, and groups of black-armored legions quickly climbed up the city wall. The soldiers of the black-armored legions were holding military crossbows, and huge spiritual weapon siege crossbows and spiritual weapon octagonal crossbows were quickly targeted. to the incoming enemy.

Qian Xue'er also quickly came to this side of the city wall, and powerful titled Douluo like Ju Douluo also appeared here one by one.

Liu Erlong and the three girls looked at each other, and they also jumped over one after another. Liu Erlong and the three girls also wanted to know who was coming.

"Huh? People from the Haotian Sect, haha, now it's interesting. Are these six people here to save Tang Hao?"

Qian Xue'er discovered that those who arrived were people from the Haotian Sect, and she understood that Tang Hao was captured and taken to Jialing Pass. These people from the Haotian Sect should have come to rescue Tang Hao.

Boom boom boom.....

Outside Jialing Pass, six powerful titled Douluo all opened their soul rings and burst out with powerful momentum.

When the third elder of the Haotian Sect saw the man hanging on the wall of Jialingguan City, he was surprised and hurriedly shouted to Tang Xiao, "Sect Master, look, Tang Hao is hanging on the wall."

"Damn it, my brother has really been captured and taken to Jialing Pass. Let's take action together. Tang Hao must save him.....Well! More than twenty titled Douluo and peak Douluo? How can this be?"

Tang Xiao saw his brother hanging on the city wall, which made him very angry.

Tang Hao is a peak Douluo no matter what, and the Wuhun Empire is slapping their Haotian Sect in the face.

But, he is When he was about to lead the elders of the Haotian Sect to save Tang Hao, more than twenty titled Douluo and Peak Douluo suddenly appeared in the sky above Jialing Pass, which made Tang Xiao look ugly. The second elder looked at

Jialing Pass with a serious face. He opened his mouth and said,

"Sect Master, leave. We can't save Tang Hao at all."

"Yes, Sect Master, there are too many Titled Douluo and Peak Douluo in the Wuhun Empire. There is no way we can save Tang Hao."

"Yes, we have to leave immediately, otherwise if we are surrounded later, we will not be able to leave even if we want to."

"Sect Master, please leave. The six of us can't do anything at all."

"There are too many Titled Douluo and Peak Douluo in the Wuhun Empire, so we'd better take a closer look."

The other elders of the Haotian Sect all said to Tang Xiao that although the six of them were powerful, facing so many powerful Douluo from the Spirit Empire, they had no chance of winning in a fight.

Tang Xiao clenched his fists tightly. He shouted helplessly,

"Evacuate, let's leave!"

"Yes, Sect Master!"

At this time,

A Yin suddenly appeared opposite Tang Xiao and the others.

She looked at these people and said with disdain,

"Want to leave? Once you're here, don't leave. There's only one prisoner on the wall. It looks lonely like this. Just stay and hang on the wall with Tang Hao."

"Emperor Lan Yin, you.....You actually defected to the Spirit Empire?"

Tang Xiao saw Emperor Lan Yin appearing and even wanted to catch them.

This made Tang Xiao very confused.

Emperor Lan Yin was the wife of his brother Tang Hao and also the mother of Tang Shan. How could Emperor Lan Yin defect to Wuhun? Empire?

And he couldn't even see Emperor Lan Yin's soul power, which made Tang Xiao even more confused.

A Yin smiled and said after hearing Tang Xiao's words,

"hehe....., Emperor Lan Yin? I am Emperor Lan Yin, but I am not the mother of Tangshan. Stop talking nonsense. It is too late for you to surrender now. Otherwise, you will be maimed and hung on the city wall like Tang Hao."

"Um? Not Emperor Lan Yin? How can this be? You look exactly the same as Emperor Lan Yin, how could you not be Emperor Lan Yin?"

Tang Xiao looked at Lan Yinhuang carefully and saw something different.

This Lanyinhuang looked even more beautiful, with a figure that was convex in front and back, proudly protruding mountains, and even the charm of his whole body was even more charming. This Emperor Lan Yin was not the Emperor Lan Yin he saw a month ago.

A Yin stared at Tang Xiao and the others indifferently and shouted, "Stop talking nonsense, will you surrender or not?"

The seventh elder looked at Emperor Lan Yin and activated his soul power and shouted,

"If you want us to surrender, stop dreaming. It is impossible for people from the Haotian Sect to surrender to the Spirit Empire."

"Then don't blame me for being rude."

When A Yin saw that these people were unwilling to surrender, she burst out with a strong momentum and prepared to capture these people.

Boom!

Tang Xiao activated his soul ring and ordered loudly, "Let's attack together, we can't stay here for a long time!"

"Yes, Sect Master!"

The other elders also activated their soul power, and they were ready to destroy this fake Lan Yin Emperor in one fell swoop.

"The first soul skill, Titan Hammer!"

"The sixth soul skill, Earth Ant King Slash!"

"The third soul skill, Whirlwind Dance!".....

Boom boom.....

Outside Jialing Pass, red and black soul rings appeared brilliantly in the air, and all kinds of soul powers attacked A Yin.

Chapter 2130

When A Yin saw Tang Xiao and others attacking her, a look of disdain appeared on her lips.

These people are all at the Nascent Soul Realm and the Out-of-Body Realm.

A Yin is a person at the peak of the Tribulation Realm. She can kill them all with one hand.

In the sky above Jialing Pass,

Qian Xue'er and the Titled Douluo and Peak Douluo of the Wuhun Empire were all looking at A Yin who suddenly appeared to intercept the six members of the Haotian Sect. These people were about to kill the six members of the Haotian Sect. People, but the appearance of A Yin made these people stop.

Qian Xue'er knows A Yin, and she has information about A Yin in her memory.

A Yin is Su Chen's maid, and she is also a powerful woman. At least Qian Xue'er in Shen Yun Continent is not A Yin's opponent, and she is not like this A Yin. Yin's opponent.

An elder from the Wuhun Empire saluted Qian Xue'er and said, "Princess, do we want to take action?"

Qian Xue'er shook her head and replied, "No, none of the six people from the Haotian Sect can escape this time."

Another elder Qian Xue'er asked in confusion, "Princess, is that powerful woman also a strong person trained by the Queen?"

"Yes, her name is A Yin, and she is a powerful peerless Douluo, even more powerful than me, a quasi-angel god." Qian Xue'er was very speechless when she heard what the elder said. How could A Yin be a subordinate trained by her mother? However, she had no choice. Could she tell these people that A Yin was from another world? No matter what Said that A Yin should be regarded as her mother's subordinate. Ahem! To be precise, A Yin is the subordinate of Bi Donger in another world. Her mother should also be able to order A Yin, the elders and strong men of the Wuhun Empire Hearing Qian Xue'er's words, they were all very surprised. A powerful peerless Douluo? Was this secretly cultivated by the Queen? In this way, the Wuhun Empire has at least three peerless Douluo, the old pope, and Queen Bidong. Er, and this A Yin, and even Qian Xue'er can explode with the

strength of peerless Douluo. Three and a half level ninety-nine peerless Douluo, and even the Queen Bi Dong'er inherited the throne of Rakshasa God. Wuhun The empire is really going to go against the grain.

"Su Yunshou!"

At this time,

A Yin also started to fight back. She stretched out a flawless white palm and quickly slapped the six people of the Haotian Sect.

Boom!

A huge palm suddenly appeared in the air.

This white and huge palm His giant hand shattered the attacks of the six powerful men in an instant with overwhelming force. Moreover, the attack of this giant hand did not stop and continued to attack Tang Xiao and the six others.

Boom!

A huge noise. After that, the entire Jialing Pass shook. Dust was flying outside Jialing Pass, and the six Tang Xiaos also disappeared into the air outside Jialing Pass. In the air, after Ayin looked at the six Tang Xiaos who had been photographed by her, she said to Jialing Su Wu, who was closing the door, shouted, "Su Wu, seal the soul power of the six people outside Jialing Pass and hang them on the city wall.""

"It's Mrs. Ayin!"

Su Wu on the wall of Jialingguan City immediately saluted and replied. Su Wu knew that A Yin was not only Su Chen's maid, but also Su Chen's concubine. He did not dare to be disrespectful to A Yin at all.

"Is that all?"

"I don't know. The dust outside Jialing Pass is so thick that I can't see clearly the outcome of the battle."

"We are a little far away. If we were closer, we could see the results of the battle."

"Wait a while, the dust will clear and we will be able to see the results of the battle."

"No need to look, the six members of the Haotian Sect were probably disabled by one palm. That A Yin is too powerful."

"Well, that palm strike just now made all my ninety-seventh level Peak Douluo very scared. Even if Tang Xiao and the other six survived, they should be unable to fight."

For people like the Titled Douluo and Peak Douluo of the Wuhun Empire, they saw A Yin end the battle with one palm, which made them feel very unreal. Could it be that six powerful Douluo were defeated like this? Isn't this too childish? Qian Xue'er's eyes lit up when she saw A Yin disappear into the air instantly, Immortal Cultivator! A Yin is a real Immortal Cultivator, what A Yin's powerful attack just burst out should be With magic power, Emperor Lan Yin turned out to be an immortal cultivator, so she could also become a powerful immortal cultivator. Whoosh! Qian Xue'er wants to find her mother. Qian Xue'er wants to become an immortal cultivator, so she must get her mother's help. As long as Her mother begged her concubine, and Su Chen would definitely teach her the skills of an immortal cultivator. Ning Rongrong saw that A Yin instantly eliminated the six Tang Xiao people, and she was not surprised. Ning Rongrong came from another world In Ning Rongrong's memory, she saw that even Poseidon was easily killed by Su Chen. Several Titled Douluo and Peak Douluo were simply insignificant in the face of powerful immortal cultivators. Ning Rongrong turned around and said to Liu Erlong,

"Teacher Liu, have you seen this? This is the power of immortal cultivators."

"A Yin was just a maid of Su Chen, even an insignificant concubine, but a concubine destroyed six powerful Douluo of Haotian Sect with one palm. The immortal cultivator was really too powerful."

Xiao Wu also nodded and said, "Well, Su Chen easily killed Poseidon on Poseidon Island."

Liu Erlong held hands tightly with a pale face.

She was frightened just now.

The six powerful Douluo of Haotian Sect were defeated by a little maid.

What if it were her?

Liu Erlong Long felt that she might not even be able to withstand A Yin's powerful aura.

One day passed, and the next morning, as soon as Su Chen appeared on the city wall of Jialing Pass,

Qian Xueer suddenly appeared in front of Su Chen. She stared at Su Chen. She was very angry.

She spent the whole day looking for this bastard and her mother yesterday, but she searched everywhere in Jialing Pass and couldn't find them. Qian Xueer guessed that this bastard must have had an affair with Bi Dong'er.

Su Chen looked at them. Qian Xueer was in front of him, so he just threw her a storage bag

"Here you go, here are the techniques for cultivating immortals, as well as some spiritual pills, spiritual tea, and spiritual fruits.

Qian Xueer took the storage bag and said doubtfully, "Huh?" Why are you so generous? You gave it to me before I even opened my mouth?"

"Your mother asked me to prepare this for you. When you run out of cultivation resources, you can ask for it for your mother."

"I understand, you are not a bad concubine, and I agree that you and Bi Dong'er are together."

I'll go!

Concubine?

Is this him?

Qian Xue'er also has the memory of Qian Xue'er in the God's Fall Continent?

Su Chen didn't expect that the Holy Soul Girl on the Ladder actually did it all. Bi Dong'er and Qian Xue'er both teleported to the God's Fall Continent. The memory information.

The Holy Soul Girl doesn't seem to be so unkind. Su Chen feels that in the future, she will be more familiar with the Holy Soul Girl on the ladder. Maybe the Holy Soul Girl will reveal more information.

"By the way, Su Chen, we got news that Tangshan sent people to Poseidon Island to bring reinforcements. The powerful Sea Douluo from Poseidon Island may participate in this Jialing Pass war."
