Chapter 2131

Qian Xueer suddenly thought of the information she had just received today.

Tangshan asked for help from the powerful people on Poseidon Island. This was very detrimental to the Spirit Empire. There was

Bo Saixi, the invincible high priest in the sea, on Poseidon Island.

Bo Saixi was a nine-year-old. The peerless Douluo at level 19 can even use the divine power of the sea, and the several guardians on Poseidon Island are also very powerful.

If Poseidon Island decides to help Tangshan, or even if Poseidon comes to Jialing Pass in person, things may change in the Battle of Jialing Pass in the Spirit Empire.

Su Chen was very confused when he heard Qian Xueer's words.

In the plot, Tangshan didn't ask for help from Poseidon Island at all. Why would Tangshan ask for help from Poseidon Island this time?

Could it be the reason why he appeared? Or is it the reason why the powerful Douluo in Tang Hao and Haotian Sect were all captured?

However, Su Chen smiled when he thought of the beautiful High Priest Bo Saixi. In the Godfall Continent, Su Chen deceived the High Priest Bo Saixi miserably. The High Priest Bo Saixi may have been Thinking about having a baby

"Qian Xueer, there is nothing to worry about the high priest Bo Saixi of Poseidon Island. I will entertain her personally, and the high priest Bo Saixi may not be an enemy.

Qian Xueer was surprised when she heard Su Chen's words and asked, "You.....You don't know the high priest Bo Saixi in the Godfall Continent, right?"

Su Chen nodded and replied, "I know, the high priest Bo Saixi is also my woman. I got to know Bo Saixi when I went to Poseidon Island to kill Tangshan."

"You are such a sentimental person"

"This is called fraternity!"

"Hum, Su Chen, if I find out that you are not good to my mother, I will kill you in the future."

"Qian Xue'er, then you have no chance. I am very good to all my women."

"snort!"

Qian Xue'er glared at Su Chen and left.

She found that Su Chen was a shameless pervert, fraternity?

A sentimental person also said fraternity?

No wonder Qian Xue'er in Shen Yun Continent would call Su Chen a shameless person. Shameless bastard.

Su Chen shook his head when he saw Qian Xue'er leaving.

Qian Xue'er can be said to be a pseudo-protagonist in Wuhun Continent. If it weren't for Tang Shan, the time traveler, Qian Xue'er would be a proper white, rich and beautiful protagonist.

In the following days,

Jialing Pass has been calm.

The Tiandou Empire's army has not launched an attack fifty miles away, and Queen Bi Dong'er has no intention of taking the initiative.

These days,

Su Chen and Bi Dong'er are tired of being together every day. ,

Bi Dong'er also gradually fell in love with Su Chen. Although this was due to the influence of another Bi Dong'er on her, she also accepted Su Chen after getting along with Su Chen these days. In

Bi Dong'er's room ,

Su Chen hugged Bi Dong'er's soft body, and he asked Bi Dong'er doubtfully, "Madam, aren't you going to take the initiative?"

Today is already the seventh day since Bi Dong'er arrived at Jialing Pass. The Tiandou Empire has not attacked, but Bi Dong'er has not launched an attack either. Su Chen couldn't guess what Bi Dong'er's plan was.

Bi Dong'er looked at Su Chen said worriedly, "I have thought about it, but I am worried that if you complete the task, what will happen if you leave me?"

Su Chen understood after hearing Bi Dong'er's words. It turned out that Bi Dong'er was afraid that he would complete the task and leave without caring about her.

Bi Dong'er's worries were unfounded.

How could Su Chen give up on the stunningly beautiful Bi Dong'er?

Bi Dong'er, who has been nourished by him these days, is very beautiful, especially Bi Dong'er's mature and elegant figure. Su Chen simply can't put it down.

"So that's it, madam, you actually thought wrong. The small world you live in will become our private world in the future. You may not know my other identity."

Bidong'er asked Su Chen with some doubts,

"What other identity do you have?"

"I am the emperor of the immortal world!"

"I know this. I got this information from Bi Dong'er's memory in Shenyu Continent, but I just wanted to know where the fairy world is? Is the Emperor of Heaven the emperor of all gods?"

"It can be said that it is, but the gods in your world are too weak. If my strength is not sealed by the ladder, I can destroy the gods in this world in one breath."

Su Chen then told Bi Dong'er about the Xuantian Realm.

Bi Dong'er would have to know these things sooner or later. Su Chen also wanted Bi Dong'er to practice well. After he finished the trial mission, some powerful women Su Chen would take them to the Qian Xuantian Realm.

After all, there is the spiritual energy of the previous day in the Xuantian Realm, which is twice the result with half the effort for the women who have become immortals.

Bi Donger was very surprised when she heard what Su Chen said. , if Su Chen's cultivation realm was not sealed, if he exploded with all his strength, this bastard could actually destroy Wuhun Continent with one blow. The peak strength of Jinxian was so powerful, what about Taiyi Jinxian? Where is Daluo Jinxian? And those Where are the most powerful quasi-sages and saints? Those powerful gods may be able to destroy Wuhun Emperor Continent in one breath.

Xuantian Realm, an immortal world many times larger than Wuhun Continent, can even control three thousand This world is the same as Wuhun Continent, which is very shocking to Bi Donger.

Bi Donger has the motivation to practice in the future and become an immortal. She will become a pre-immortal as quickly as possible, and the vast mysterious world She wanted to see the Heavenly Realm. She wanted to know what kind of fairyland the Xuantian Realm was like.."Su Chen, I have decided to launch a war against the Tiandou Empire tomorrow. After I unify the Wuhun Continent, I will practice in seclusion. I want to see the immortal world as soon as possible."

Su Chen touched Bi Dong'er's hair and said,

"Madam, you don't need to practice hard. I will take you to the Xuantian Realm when the time comes. Just practice casually for a while in the Xuantian Realm will last you several years, or even more than ten years, of practicing in Wuhun Continent."

"Is it because of aura?"

"Yes, there is no spiritual energy in the Wuhun Continent, and you and your daughter need spiritual stones to practice, but the spiritual energy in the spiritual stones is acquired spiritual energy, which is not as good as the innate spiritual energy in the Xuantian Realm. Bi

Dong'er nodded and said with a smile, "I understand, then I'll wait for you to take me to the Xuantian Realm."

Su Chen smiled and replied, "Well, after I complete the mission, I will take control of this small world in three months, and then I will take you to the Qianxuantian Realm."

"My daughter Qian Xueer will also be picked up. The person I feel most sorry for in my life is Xueer."

"OK, no problem!"

At this time, an elder with the title Douluo reported outside the room,

"Report to the Queen that Yu Xiaogang has arrived outside Jialing Pass and wants to see Her Majesty the Queen."

Chapter 2132

When Bi Dong'er heard that Yu Xiaogang had arrived, her face turned ugly.

Bi Dong'er understood why Yu Xiaogang had arrived, stalled for time, and even begged herself to let him go.

Yu Xiaogang might have wanted to delay for a few more days for the Douluo who were coming to Poseidon Island, or he might even have wanted her to let go of the six people from Tang Hao and Haotian Sect.

When Su Chen heard that Yu Xiaogang had arrived to see Bi Dong'er, he guessed the reason and also knew what Yu Xiaogang's plan was when he arrived.

In the plot, Yu Xiaogang took advantage of Bi Dong'er's feelings for him. Yu Xiaogang asked Bi Dong'er to give him a three-day buffer, which was the three-day buffer that eventually led to Bi Dong'er's defeat and death.

Yu Xiaogang's arrival this time may have two intentions.

First, Yu Xiaogang may be delaying for a few days so that the powerful Douluo from Poseidon Island can arrive.

Second, Yu Xiaogang wanted to take advantage of Bi Dong'er's feelings for him. He wanted to save several people in the Haotian Sect, and he might also want to save Liu Erlong and the three girls.

After Bi Dong'er stood up and straightened her clothes, she said to Su Chen, "Su Chen, I'm going to see Yu Xiaogang. I have to let go of things that need to be put down."

Su Chen nodded and agreed. , "Okay, I'll take Liu Erlong there later."

"hehe.....good!"

Bi Dong'er laughed when she heard Su Chen's words.

She understood Su Chen's plan.

Liu Erlong has always liked Yu Xiaogang, but Yu Xiaogang has never accepted Liu Erlong. This time Yu Xiaogang came to see her, He will definitely say something to impress her to achieve some goals.

If Liu Erlong hears Yu Xiaogang's words, Bi Dong'er believes that Liu Erlong will completely give up on Yu Xiaogang.

Outside Jialing Pass,

Yu Xiaogang has his hands behind his back With a serious expression on his face, he also saw the seven people hanging on the wall of Jialing Pass.

Yu Xiaogang didn't expect that Bi Dong'er was hiding so deeply.

There was actually a peerless Douluo hidden in Jialing Pass, and the Tang couple were captured. , Liu Erlong, Ning Rongrong, and Xiao Wu were arrested, and six powerful Douluo from the Haotian Sect were arrested, which reduced the top combat power of the Tiandou Empire by more than half.

Tangshan informed Haidou of Poseidon Island Luo came to support, which would take at least three days to arrive. The Tiandou Empire was worried that the Wuhun Empire would start a war in these three days.

Yu Xiaogang came here to take advantage of Bi Dong'er's feelings for him. He Not only did he want to fight for three days for the Tiandou Empire, he also wanted Bi Dong'er to release Tang Hao and Liu Erlong.

Whoosh!

Bi Dong'er flew over from Jialing Pass quickly. When she arrived, she looked across from Yu Xiaogang. Xiaogang was filled with emotions.

More than twenty days ago, she still missed Yu Xiaogang, but since she got those memories more than twenty days ago, Bi Donger also understood that her feelings for Yu Xiaogang would eventually be wasted..

Yu Xiaogang would only use her feelings to deceive her. Without Yu Xiaogang, Tangshan would have been killed by her long ago, and Bi Donger would not have let Tangshan grow up and become her biggest threat.

Bi Donger He asked Yu Xiaogang with an indifferent face,

"Yu Xiaogang, what are you doing here this time?"

Yu Xiaogang saw Bi Dong'er arriving.

This time Bi Dong'er was even more beautiful, with a tall and proud figure, a beautiful and noble face, and even the charm of a mature woman, which was very attractive.

Yu Xiaogang looked at Bi Dong'er with some doubts.

He did not expect that Bi Dong'er would change so much after not seeing him for a while. Bi Dong'er exuded a mature charm, which made him a different person from before. Like a human being.

Is this the reason why Bi Dong'er inherited the throne of Rakshasa?

"Bi Dong'er, I came here this time to hope that you would let Tang Hao and Liu Erlong go. I know my request is a bit excessive. I can stay in Jialing Pass for three days this time. Bi

Dong'er sneered when he heard Yu Xiaogang's words,

"laugh! Yu Xiaogang, why do you think I would let Tang Hao and Liu Erlong go? What are you going to do when you stay in Jialingguan for three days? Want to get back together with me?"

"Bi Dong'er, I just don't want you to continue making mistakes. You launched a war to unify Wuhun Continent. Don't you know how many innocent people will die?"

"Innocent person? Yu Xiaogang, even if I don't start a war, will there be no war in Wuhun Continent? Are the Tiandou Empire and the Star Luo Empire two great empires that coexist peacefully? Don't the other kingdoms conquer each other?"

"Bi Dong'er, you are using strong words to make sense!"

"Yu Xiaogang, if you are here to talk about this, you can leave. I will continue to launch the war, and I will definitely destroy the Tiandou Empire and Tangshan."

At this moment,

Su Chen and Liu Erlong and the three daughters appeared beside Bi Dong'er. He used space to hide the Liu Erlong and the three daughters.

Bi Dong'er knew that Su Chen and Liu Erlong and the three daughters were beside him, but she I don't know where, Yu Xiaogang, a weakling, couldn't find Su Chen and Liu Erlong and the three girls.

Su Chen suddenly found someone appearing around, even listening to the conversation between Bi Dong'er and Yu Xiaogang.

This made Su Chen curious, who else in the Tiandou Empire could hide around and not be discovered by Bi Dong'er.

Bi Dong'er can be said to be the most powerful existence in the Wuhun Continent, except for that fool in Tangshan In addition, there are those so-called gods. Su Chen can't think of anyone who can be more powerful than the Queen and Dong'er.

Su Chen said to Liu Erlong and the three girls, "Listen here, I'll go steal the ones next to you." Listen and catch me"

"Is there anyone else around?"

When Liu Erlong, Ning Rongrong, and Xiao Wu heard Su Chen's words, the three of them were very surprised. They didn't expect that there were people hiding around here.

Su Chen nodded and replied, "Yes, a little A stronger rat."

Ning Rongrong heard Su Chen's words and said,

"A slightly more powerful rat? So are the three of us worse than mice?"

Su Chen patted Ning Rongrong's shoulder and said with a smile.

"Ning Rongrong, I didn't expect you to be self-aware."

"asshole!"

Ning Rongrong was very angry as she slapped Su Chen's hand away.

She just said it casually, but this bastard actually took it seriously. But who is hiding around? Why didn't even the powerful Bi Dong'er notice it? Su Chen smiled and disappeared suddenly. He also wanted to know who the people hidden around him were. Outside Jialing Pass, on a big tree, a man in black robes was hiding here. He looked at Tang who was hanging on the wall of Jialing Pass. Hao and Tang Xiao, he whispered with murderous intent in his eyes,

"Tang Xiao, Tang Hao, they should be their descendants. They never thought that their descendants would be caught and hung on the city wall. The Wuhun Empire should be destroyed, and Queen Bi Dong'er should be killed."

"Old Chongzi, you are talking too much. Since you dare to appear here, be prepared to be hung on the city wall!"

Chapter 2133

Su Chen suddenly appeared next to the man in black robe. He had also heard the man in black robe whispering just now.

Are Tang Hao and Tang Xiao his descendants?

Then this man in black robe should be the killing king of the killing city, and Tang Chen, the great-grandfather of Tangshan.

Su Chen did not expect that Tang Chen would appear at Jialing Pass.

It seemed that Tangshan not only notified Bo Saixi, the high priest of Poseidon Island, but also Tang Chen from the Killing City.

But isn't Tang Chen dead?

How could he reappear intact?

Is it fake death?

But before Tang Chen died, he handed over the Haotian Sect's chief elder's token and the Shura Demonic Sword to Tangshan. Tang Chen also gave Tangshan a chance to inherit the Shura divine throne.

It should be impossible for Tang Chen to survive. Could it be that God Shura resurrected Tang Chen?

"Um? Who are you?"

Tang Chen didn't expect that someone would appear next to him silently, and this young man couldn't even see his soul power level.

This made Tang Chen feel very surprised.

Su Chen said expressionlessly,

"Kill your people!"

When Tang Chen heard Su Chen's words, he was very disdainful.

He is the King of Slaughter, and he is also a ninety-nine-level peerless Douluo, the most powerful existence on the ground.

This kid actually wants to kill him?

Tang Chen thinks it is very ridiculous

"Boy, is it just you? Do you know who I am?"

"Tang Chen, the King of Slaughter, is also the strongest former leader of the Haotian Sect on the ground."

"Do you really know me, who are you?"

Su Chen looked at Tang Chen and said coldly,

"who I am? You, a dying person, don't need to know, Tang Chen, that High Priest Bo Saixi will be mine in the future. You'd better not have any unreasonable thoughts."

Su Chen actually never understood that

Tang Chen fell in love with the high priest Bo Saixi at first sight, and even married the high priest Bo Saixi in order to break through the 100th level. Tang Chen was parasitized by the Nine-Headed Bat King in the Killing Place, and he remained there for hundreds of years. They are all in the killing city.

This shows that Tang Chen has not married and had children at all.

So whose children are Tangshan's grandfather, father, and uncle? Is this plot hole too big?

"court death!"

Boom!

After Tang Chen heard Su Chen's words, he didn't care whether he was exposed or not.

Tang Chen's soul ring opened instantly, and the powerful soul power suppressed the surrounding trees and they flew out.

Su Chen saw Tang Chen was about to launch an attack and scolded him disdainfully, "What a useless old guy, it seems that you have become a little arrogant and arrogant after being parasitized by the Nine-Headed Bat King all these years.""

"The realm of the God of Death!"

"Chaotic cloak hammering technique!"

Tang Chen not only unleashed the powerful Killing God Domain, but also activated the Clear Sky Hammer Spirit and hurriedly attacked.

He felt that this young man was very extraordinary.

Su Chen could appear beside him silently, and he also knew He was not nervous or scared, and did not even show a trace of panic. This made him dare not be careless in the face of Su Chen.

"Time goes backwards!"

Su Chen saw Tang Chen launching an attack.

He waved his hand and activated the Law of Time. With a small distraction, Su Chen was able to destroy Tang Chen with just a wave of his hand.

But he wanted to know why Tang Chen didn't die.

It was Tang Chen. Did Chen fake his death?

Or was he resurrected by the God of Shura?

He needed to figure this out.

If Tang Chen was resurrected by the God of Shura, then he would have to face the slayings of the God of Shura and even the God of Poseidon in the future.

"How can this be?"

Tang Chen saw that his attack dissipated instantly, and even the Killing God Domain disappeared. This made Tang Chen look at Su Chen in disbelief.

He didn't understand that Su Chen did this, and

Tang Chen didn't see it either. Su Chen activated his soul ring. How could his attack dissipate with just one word from Su Chen?

At this moment,

Bi Dong'er, Yu Xiaogang, and even Liu Erlong and the three girls also noticed the huge soul attack next to them. They all looked not far away, and they all wanted to know who was hiding around.

Bi Dong'er looked at the powerful battle next to her, and she guessed that Su Chen might have discovered some enemy. There was Su Chen beside her, and Bi Dong'er had no clue. Don't worry about the hidden powerful person being able to escape.

Bi Dong'er looked at Yu Xiaogang with a cold face and warned,

"Yu Xiaogang, I didn't expect that you would still play this trick and want to save those people in Tang Hao? It seems you are destined to fail this time"

"Yu Xiaogang, this is the last time I see you. Our friendship has disappeared. The next time I see you is the day of your death. Get out of Jialing Pass immediately."

"you....."

"roll!"

When Yu Xiaogang was about to say something else, Bi Dong'er coldly burst out with powerful soul power to warn.

Liu Erlong looked at the battle on Su Chen's side, and she also heard Bi Dong'er yelling at Yu Xiaogang. Gang's words.

Liu Erlong looked at Yu Xiaogang with a complicated face and shook his head.

She also gave up on Yu Xiaogang.

She heard what Yu Xiaogang and Bi Dong'er said.

Liu Erlong did not expect that Yu Xiaogang To be so shameless, Yu Xiaogang already had no feelings for Bi Dong'er.

But for Tangshan,

Yu Xiaogang shamelessly tried to impress Bi Dong'er with his feelings. Liu Erlong was extremely disappointed with Yu Xiaogang like this.

Ning Rongrong and Xiao Wu also despises Yu Xiaogang very much.

Since Yu Xiaogang has nothing to do with Bi Dong'er, he shouldn't use his emotions to impress Bi Dong'er. Is this fair to Bi Dong'er? What if the Tiandou Empire is in this war ? Victory, Bi Dong'er was killed in the war, wouldn't Yu Xiaogang feel uneasy? Such Yu Xiaogang made them all feel very shameless.

Boom boom boom.....

At this time,

Tang Chen kept launching soul skills to attack Su Chen. He didn't believe that every attack he made was ineffective.

However, every time his attack was about to hit Su Chen, the powerful soul attack would suddenly dissipate.

This made Tang Chen go crazy.

Tang Chen looked at Su Chen and shouted,

"This is impossible. What kind of soul skill is yours? Why does my soul skill attack dissipate for no reason?"

"Enough fun!"

Boom!

Su Chen appeared in front of Tang Chen in an instant and kicked him away. And Su Chen didn't stop. He kept teleporting and kicked Tang Chen away.

Boom boom boom.....

For a moment, there were loud noises outside Jialing Pass. Titled Douluo and Peak Douluo in Jiayu Pass all appeared in the air to look at the fight outside Jiayu Pass.

"Damn it, this Tang Chen is really thick-skinned. After being kicked like this, this Tang Chen can still stand up."

Su Chen kicked Tang Chen more than ten times in a row. Tang Chen was so miserable that he could still stand up and try to resist. This made Su Chen really admire this king of killing, the strongest person on land.

"That's the end."

Bump!

Poof!

Su Chen suddenly stretched out his hand and disabled Tang Tang's Clear Sky Hammer martial spirit, and even disabled Tang Hao's God of Death domain. From now on, Tang Chen will be an ordinary useless person.

Tang Chen's aura shrank. Vomiting blood and falling to the ground, he shouted with a look of despair,

"You actually crippled my martial spirit, you actually dared to cripple my God of Killing Domain, God Shura will not let you go, you are dead, you bastard is dead."

Chapter 2134

Su Chen heard Tang Chen's howling, and he looked at Tang Chen unexpectedly.

Su Chen felt that Tang Chen should have been resurrected by God Shura, otherwise Tang Chen would not threaten him like this.

But it doesn't matter, a Shura God of the third level of the strongest god (Mahayana realm), Shura God will destroy him if he dares to come.

"Su Chen, who is this person?"

"Tangshan's great-grandfather, the King of Slaughter, and the most powerful Haotian Sect on earth, Tang Chen"

"It turned out to be him!"

Bi Dong'er was very surprised when she heard Su Chen's words. No wonder this person made her feel dangerous.

The strongest Qian Daoliu in the air, the strongest high priest Bo Saixi in the sea, and the strongest Tang Chen on the ground.

They all He is the most powerful demigod in hundreds of miles, and Tang Chen is also the most powerful Douluo in the history of Haotian Sect.

Su Chen hugged Bi Donger's soft waist and said with a smile.

"Madam, I have disabled his martial spirit and killing field. You can ask someone to torture him about how he survived. If he doesn't tell, he will be hung on the wall of Jialing Pass."

Bi Donger rolled her eyes at this bastard when Su Chen hugged her. She understood that Su Chen wanted to declare sovereignty in front of Yu Xiaogang, and she did not object to Su Chen hugging her.

Bi Donger also did not want to hide her and Su Chen. The Douluo above Jialing Pass should all have seen this relationship.

This saves Bi Dong'er from announcing it to the outside world.

Moreover, Su Chen's strength is very powerful. Even Tang Chen, the demigod's killing king, was able to defeat him. The elders of the Wuhun Empire didn't dare to make irresponsible remarks.

As for Yu Xiaogang, they didn't care even more than Dong'er.

She and Yu Xiaogang were just moons in the water, and their lives were destined to be fruitless. Moreover, Yu Xiaogang Just after taking advantage of her feelings again and again, Bi Dong'er also completely let go of Yu Xiaogang.

Bi Dong'er leaned into Su Chen's arms and nodded and replied, "Okay, I will let the elders who know the secret of mind control come to torture He, do you suspect that Tang Chen appeared strangely?"

Su Chen touched Bi Dong'er's hair and explained,

"Madam, Tang Chen died a few years ago, and he handed over the throne of God Asura to Tangshan. Tangshan has the two great gods of Poseidon and God Shura. If you go against Tangshan, be careful of being tricked."

"And I doubt that any gods will participate in the Jialingguan war. Poseidon and Shura God should not want Tangshan to die. Bi

Dong'er was surprised and asked hurriedly,

"Tangshan actually got dual god status? god? Will those gods really show up?"

Su Chen nodded and said,

"Well, those gods should appear, but don't worry, the arrival of Poseidon and Shura God will come and go, and even A Yin and Nie Xiaoqian can destroy them."

Bi Dong'er felt that there were too many changes in the Jialing Pass War this time.

With the appearance of this bastard, the powerful Douluo of the Haotian Sect was wiped out. Tang Chen, the strongest on the ground, came back from the dead, and Poseidon and Shura God were about to participate in this war. War.

Bi Dong'er felt that things had developed beyond her control.

But fortunately Su Chen was here, otherwise, with Tangshan's dual gods, Bi Dong'er would have killed Tangshan, and those gods might also resurrect Tangshan. She In the end, he may be defeated and killed.

"Forget it, forget about this for now, I will start a war tomorrow, what do you think?"

Su Chen replied nonchalantly,

"Okay, this is your world, I will support you in whatever you want to do"

"Tomorrow I will let Nie Xiaoqian follow you, and all the Black Armor Legion will be handed over to you. The two hundred thousand Black Armor Legion will stay in the small world of Wuhun from now on, and you will be the mistress of the Black Armor Legion from now on."

"hehe....., which is not bad."

Bi Dong'er smiled when she heard Su Chen's words.

She felt that it was really good to have a strong and reliable man. No wonder Bi Dong'er in Shen Yun Continent would abandon everything to be with this bastard.

Bi Dong also felt that Fortunately, if she hadn't gotten her own memory from another world, with her character and arrogance, it would have been impossible for Bi Dong'er to be with Su Chen. Even if Su Chen played tricks on her, she might end up with this bastard. fight

"this.....This is impossible. How could Bi Dong'er be held by a man?"

At this time,

Yu Xiaogang also reacted. He did not expect that even Tang Chen, the king of killing, was crippled, and Bi Dong'er was also held by a young man. This made Yu Xiaogang stunned for a moment. Yu

Xiaogang Understood, he thought about why Bi Dong'er was more beautiful than before when he saw Bi Dong'er just now, and even had a very mature charm all over his body. This was because Bi Dong'er had been nourished by a man.

Damn it!

That young man Is the man the Su Chen that Tangshan mentioned?

Why is the guard of Jialing Pass so powerful?

The King of Slaughter is a level 99 demigod. Is Su Chen also a level 99 demigod?

Su Chen and Bi Donger again What's the relationship?

Yu Xiaogang clenched his fists tightly when he saw Su Chen hugging Bi Dong'er. He stared at Su Chen and Bi Dong'er and left.

He is just a waste,

Bi Dong'er and Bi Dong'er Su Chen was not something he could deal with. Yu Xiaogang's purpose in coming to Jialing Pass was not achieved, and Tang Chen was exposed and arrested. This time he lost his wife and lost his troops.

Liu Erlong, Ning Rongrong, and Xiao Wu , they watched Su Chen and Bi Donger embrace, and none of the three of them felt strange. They had seen it many times these days. At this time,

Ning Rongrong came out of the space barrier.

She quickly came to Su Chen and asked , "Su Chen, have you passed my letter to my father?"

"It was passed on three days ago. Ning

Rongrong frowned and said, "This is impossible. Why didn't my father come to see me after he received the letter that I was going?"

"Maybe your father is more optimistic about the Tiandou Empire."

Su Chen shook his head when he heard Ning Rongrong's words.

He guessed that the reason why Ning Rongrong's father did not come to Jialing Pass might be because the Qibao Glazed Sect was destroyed once by Bi Dong'er's men. Ning Rongrong's Her father was very hostile to the Wuhun Empire, and even to Dong'er.

Ning Rongrong would not let her father help the Tiandou Empire anymore. The Tiandou Empire was destined to be destroyed by the Wuhun Empire.

If this bastard did not exist,

Wuhun The war between the Soul Empire and the Tiandou Empire was still a fifty-fifty battle, but the appearance of Su Chen broke the balance. Su Chen alone was able to destroy all the powerful Douluo in the Tiandou Empire. How could the Tiandou Empire win the war?

"No, Su Chen, I want to write another letter, and you have your female ghost men deliver it to my father quickly."

After Su Chen heard Ning Rongrong's words, he wondered why this little beauty Ning Rongrong spoke so confidently. Ning Rongrong was a prisoner. Why are all the prisoners so arrogant now?

Su Chen crossed his arms and asked,

"Why?"

Ning Rongrong glared at Su Chen and shouted, "Shameless bastard, how dare you kiss me!"

"Cough cough cough....."

Chapter 2135

Su Chen didn't expect that the day before yesterday he kissed Ning Rongrong, and this little beauty would actually reveal it here.

Not only was Bi Dong'er by Su Chen's side, but Liu Erlong and Xiao Wu were also present.

Is Ning Rongrong crazy today?

Can this matter be exposed here?

When Liu Erlong and Xiao Wu heard Ning Rongrong's words, their eyes widened in surprise.

Had Ning Rongrong been kissed by Su Chen?

When did this happen?

The three girls were basically together. When did Su Chen kiss Ning Rongrong? How come they didn't notice it at all?

Bi Dong'er rolled her eyes at Su Chen and didn't say anything.

She knew from her memory that this bastard was a sentimental person, but this bastard was sentimental but not sentimental. He even treated every woman very well.

Not to mention responding to requests, as long as it is something other women have, Su Chen will treat it as a bowl of water. He will not ignore the feelings of other women.

"how? Do you want to deny it?"

Ning Rongrong is willing to risk everything now.

She just heard that Bi Dong'er will launch a war tomorrow.

If the war starts and the Qibao Glazed Sect has not withdrawn from the battlefield, his father and even the disciples of the Qibao Glazed Sect will definitely suffer heavy casualties, and even Her father and several elders will also be killed.

What does Ning Rongrong care about now? For her father, for the sake of the elders and disciples of Qibao Glazed Sect, she can only let this bastard deliver the letter again.

Su Chen He also understood Ning Rongrong's plan. He looked at Ning Rongrong and decided to go find her tonight.

Now that Ning Rongrong, this little beauty, has been made public, he didn't plan to just kiss this little beauty. He had already thought about it. Su Chen planned to take advantage of this opportunity to do what he wanted to do.

Thinking of this, Su Chen smiled and said to Ning Rongrong,

"Ning Rongrong, isn't it just to deliver the letter? This is a small matter. After you write the letter, give it to the female ghost guards beside me. They will send it to your father immediately."

"snort!"

Ning Rongrong snorted coldly when she heard Su Chen's words.

However, she saw a flash of lust in Su Chen's eyes.

Ning Rongrong became worried. She was afraid that Su Chen would not let her go today. She was almost raped the day before yesterday. This bastard is eaten.

Su Chen looked at the women and said,

"Let's all go back to Jialing Pass!"

Bidong'er and Liu Erlong all nodded, and they quickly disappeared next to Su Chen. This made Su Chen a little depressed. He originally wanted to take one or two women back, but now it seems No need.

Su Chen looked at Tang Chen who was heartbroken and disappeared.

Tang Chen no longer had much use value. It didn't matter whether Shura God came or not. After a while, he would be hanged on the city wall. In this way, only Tangshan, the powerful Douluo of the Haotian Sect, was left uncaptured.

Huh?

No,

Tangshan seemed to have an aunt, that woman with low soul power but as gentle as water.

Su Chen thought about it and decided to capture it. She came over. Although he would not kill Tang Yuehua, Su Chen felt very good if he could humiliate and hit Tangshan. When Su Chen returned to Jialing Pass, he ordered Ju Douluo, "Ju Douluo, hang Tang Chen in the On the wall of Jialingguan!"

"Yes, General Su Chen!" Ju Douluo heard Su Chen's order and replied hurriedly,

Tang Chen?

The one defeated by Su Chen was actually Tang Chen?

Ju Douluo and the elders of the Spirit Empire were all shocked when they heard Su Chen's words. ,

Tang Chen was the most powerful titled Douluo on the ground a hundred years ago, and was also the most powerful titled Douluo in the history of Haotian Sect. None of these elders thought that Su Chen would defeat Tang Chen.

In Jialing Pass, than When Dong'er came back, he began to prepare for tomorrow's war. Liu Erlong and the three girls came back to practice together.

After Su Chen ordered a group of female ghosts to capture Tangshan's aunt, he walked to Emperor Lan Yin's room.

Emperor Lan Yin Su Chen has not been out of the house these days.

Su Chen plans to go see Emperor Lan Yin.

Su Chen guesses that Emperor Lan Yin will be in agony after learning that Tang Shan is a reborn person who took away her body. After all, her child was taken away by Tang Shan. , Emperor Lan Yin may also have a hard time choosing Tangshan's son. After Yu Xiaogang came back from the Tiandou Empire's army camp with a heavy look on his face, he told everyone what happened, and even what happened when Tang Chen was discovered and maimed He also said it.

In the camp,

Tangshan asked eagerly when he heard Yu Xiaogang's words,

"Teacher, you said that my ancestor Tang Chen was crippled by Su Chen? How can this be? Ancestor Tang Chen was a level 99 demigod. How could Su Chen defeat Ancestor Tang Chen?"

Yu Xiaogang nodded and replied,

"Yes, that man looks to be in his early twenties. He should be the Jialing Gate Guard General Su Chen you mentioned."

"Su Chen's soul skills are very weird. I saw that every attack by Tang Chen was useless. Every attack by Tang Chen disappeared out of thin air. I didn't see what kind of martial spirit Su Chen was using."

In the big tent, the Emperor of the Tiandou Empire, the Marshal of the Tiandou Empire and several generals, five people from Tangshan and Dai Mubai, three powerful Douluo from the Qibao Glazed Sect, and several Poison Douluo people were listening to Yu's words. After Xiaogang's words, everyone felt very heavy in their hearts.

Yu Xiaogang did not delay for a few more days this time. The powerful Douluo of the Haotian Sect were all wiped out before the battle began. Even the most powerful Tang Chendu was crippled and captured.

The top combat power of the Tiandou Empire has lost more than half. If the powerful Douluo from Poseidon Island did not arrive in time, the Wuhun Empire would start to launch a war, and the Tiandou Empire would be defeated. The

Tiandou Empire would definitely lose. The emperor looked at the people in the big tent and said,

"Prepare for war. Tomorrow, or even the day after tomorrow, the Wuhun Empire may launch a war. We have no time."

Yu Xiaogang nodded seriously and said,

"Well, it's time to prepare for war. Bi Dong'er didn't agree to my request. She also understood that I wanted to delay the time. The Wuhun Empire may launch an attack tomorrow, and we must arrange military defense as soon as possible."

"Marshal Ge Long, immediately order the troops to be on alert. Tomorrow we will face the attack of the Spirit Empire."

"Yes, Your Majesty!"

Tangshan and Oscar looked at each other and walked out. The seven of them were now missing Xiao Wu and Ning Rongrong. They were all worried about the safety of Xiao Wu and Ning Rongrong.

Oscar was not calm at all at this time,

Tang Chen didn't rescue Xiao Wu and Ning Rongrong, which made him feel very uneasy.

He kept walking around outside the camp.

Su Chen's words were still fresh in his mind. For more than ten days, Oscar was worried about Ning Rong. Rong would really be insulted by Su Chen.

Dai Mubai looked at the anxious Oscar, and he comforted Oscar,

"Oscar, don't worry, nothing will happen to Ning Rongrong. She is the little princess of the Qibao Glazed Sect. Bi Dong'er may not necessarily kill Rongrong."

Chapter 2136

Oscar shook his head when he heard Dai Mubai's words.

It's impossible for him not to worry now.

Ning Rongrong is his girlfriend.

Su Chen hugged Ning Rongrong after grabbing her, and Su Chen knew it as soon as he saw it. A womanizer.

It has been more than ten days, and

Oscar is really unsure. If Ning Rongrong is really insulted by Su Chen, what will he do?

Zhu Zhuqing shook his head helplessly and said,

"Why is the Wuhun Empire still hiding a peerless Douluo? Who is that Su Chen? None of us have ever heard of such a powerful Douluo. Even Tang Chen, the demigod's slaying king, is no match for him. Dai

Mubai nodded and said,

"This war is not easy to fight. Queen Bi Dong'er of the Rakshasa God, Qian Xue'er, the princess of the Angel God, and the mysterious Su Chen are each stronger than the other. Xiaoshan can deal with one of them, but the remaining two They can kill our remaining Douluo."

The little fat man said helplessly,

"It's not easy to fight. Bo Saixi, the high priest of Poseidon Island, has arrived. She can deal with the mysterious Su Chen, and there is also the powerful Qian Xue'er. We still lack a powerful Peerless Douluo. Oscar looked at Tangshan and asked eagerly, "Tangshan, where is Poseidon?" Can you ask Poseidon to take action? Tang

Shan shook his head and said,

"I don't know, but I will try to communicate with Poseidon, hoping that Poseidon can take action once."

Tangshan didn't tell the truth to people like Oscar.

His ancestor Tang Chen had been dead for several years. Tang Chen's appearance a few days ago made him very surprised.

Tangshan later heard Tang Chen's explanation, and he understood Now,

Tang Chen was resurrected by God Shura.

Tangshan guessed that God Shura would not let him die. He had inherited the throne of God Shura. As long as he cultivated to level 100, Tangshan would become a real God Shura.

And he There is also the position of Poseidon.

Tangshan feels that it is impossible for Poseidon to watch him be killed. He is facing Bi Dong'er who inherits the Rakshasa God, Qian Xueer who inherits the Angel God, and the mysterious Su Chen. This has already If it wasn't a war between Douluo, gods would definitely be involved.

Others nodded when they heard Tangshan's words.

They thought that if Tangshan was the one to ask Poseidon to take action, there would be a turn for the better in the Jialing Pass war. Otherwise, how could he? Everyone and other powerful Douluo will be slaughtered.

Zhu Zhuqing looked at Tangshan and Dai Mubai. When she thought about Xiao Wu and Ning Rongrong being captured, she felt something was wrong.

Why did Su Chen just capture them? After leaving Xiao Wu and Ning Rongrong, why was she not captured by Su Chen? Why was she the only one left among the three girls? Didn't the lustful Su Chen fall in love with her?

Zhu Zhuqing's face turned ugly when she thought of this.

She thought that Xiao Wu was not only Ning Rongrong is pretty and sweet, and is also a very gentle, noble and beautiful beauty.

What about her?

Zhu Zhuqing thought that she is no worse than Xiao Wu and Ning Rongrong. She is also a very beautiful girl. A sexy and beautiful beauty, but why did Su Chen leave her alone among the three women and not be captured?

Zhu Zhuqing held her hands tightly and couldn't understand. Su Chen even captured Liu Erlong's, and Liu Erlong's Is Long as sexy as her? Does that bastard look down on her?

At this moment, in a tent, the master of the Seven Treasures Glazed Sect and Sword Douluo were sitting together. They looked at each other without speaking.

Tian Dou Empire and Wu In the war between the Soul Empire, they all felt that the Heaven Dou Empire might be defeated. A mysterious peerless Douluo appeared in the Wuhun Empire, and even the King of Slaughter was defeated and captured. They were also very helpless about this.

Bone Douluo Watch Xiang Ning Fengzhi said,

"Sect Master, the Tiandou Empire may lose this war. Do we really want to continue to support the Tiandou Empire?"

Ning Fengzhi shook his head and said helplessly,

"We have no choice. The Wuhun Empire is the enemy of our Seven Treasure Glazed Tile Sect. If the Tiandou Empire loses, our Seven Treasure Glazed Tile Sect will also be wiped out. Sword

Douluo frowned and asked, "Didn't Rongrong's letter say that we can reconcile with the Spirit Empire?"

Ning Fengzhi said with a serious face, "Rong Rong was captured. Her letter may have been forced to write, or it may be a trap set up by the Spirit Empire.""

Whoosh!"

"who?"

Suddenly, a woman in white suddenly appeared in the tent. Bone Douluo and Sword Douluo stood up to guard Ning Fengzhi vigilantly.

The woman in white looked at Ning Fengzhi and the three of them and nodded, "Everyone, we meet again!"

"It's you!"

After Ning Feng Zhizhi saw the person coming clearly, he knew who this powerful woman was. It was this woman who came last time to deliver the letter. What is this powerful woman going to do this time? Is it still delivering the letter?

The woman in white He took out a letter and handed it to Ning Fengzhi, saying, "Everyone, this is the letter Miss Ning asked me to give you. Farewell!"

"Wait, I want to know how my daughter is doing now? What's your conspiracy?"

"Ning Rongrong will be my master's woman in the future. Sect Leader Ning, you'd better go to Jialing Pass and ask Miss Ning Rongrong in person."

Ning Fengzhi was very angry when he heard what the woman in white said.

He didn't expect that Su Chen would hit his daughter's attention. Ning Fengzhi was so angry that he wanted to kill the shameless person with his own hands.

"Damn it, Su Chen actually wanted to insult my daughter. I must kill that Su Chen."

The woman in white threatened Ning Fengzhi with a cold face,

"snort! Sect Leader Ning, considering that you are Ning Rongrong's father, I can pretend that I didn't hear your rude words to the master this time."

"The Tiandou Empire will definitely lose this war. I can easily kill the three of you on my own, and there are more than a hundred people around me, a woman like me. Do you think you can help the Tiandou Empire win this war? A war?"

"How can this be?"

Ning Fengzhi, Bone Douluo, and Sword Douluo were all very surprised when they heard the words of the woman in white. There are more than a hundred women of peak Douluo?

There are probably only a dozen or so peak Douluo in the entire continent. Su Chen's side There are more than a hundred peak Douluo? They all don't believe what the woman in white says.

"Nothing is impossible. For Ning Rongrong's sake, I remind you once and say goodbye."

Ning Fengzhi, Bone Douluo, and Sword Douluo saw the woman in white disappear instantly. They all looked at each other in surprise.

A maid next to Su Chen was so powerful. They were all panicked by Su Chen's strength.

Still There were more than a hundred powerful women mentioned by the woman in white. Although the three of them thought that the woman in white was scaring them, it might be true.

After Ning Fengzhi quickly looked at Ning Rongrong's letter, his face turned pale. He said,

"We will go to Jialing Pass to meet Rongrong early tomorrow morning."

Chapter 2137

In Jialing Pass,

Qian Xue'er's room,

Qian Xue'er opened her eyes from practicing and smiled.

She didn't expect that in just over ten days, her soul power would be raised from level ninety-two to level ninety-six. , which made Qian Xue'er feel very incredible

"It seems that after this war, I have to practice this Immortal Cultivation Technique. The Wuhun cultivation system and the Immortal Cultivation System are simply incomparable. If it weren't for this war, I would have wanted to practice this Pure Girl Immortal Cultivation Technique now. Law."

Qian Xue'er looked at the secret book of cultivating immortals in her hand, and she showed a longing look, but the war was about to start, and she could only eat a spiritual fruit to increase her soul power level. At night,

Bi

Dong'er was still there Busy deploying the army, she discussed with some army generals about tomorrow's attack. Bi Dong'er's noble, cold, arrogant and heroic appearance made Su Chen fascinated.

Su Chen looked at Bi Dong'er who was busy in the hall. , he smiled and disappeared into the hall.

He would not interfere too much in the Wuhun Empire's war. Su Chen only needed to kill those powerful Douluo. The Tiandou Empire's army should be dealt with by the Wuhun Empire's army. Okay.

Su Chen still has important things to do tonight. That little beauty Ning Rongrong is going to take her down tonight. Ning Rongrong was a little arrogant during the day. He will make Ning Rongrong pay the price this time.

Whoosh!

Su Chen Appearing silently in Ning Rongrong's room, he smiled when he looked at the figure lying on the bed.

Ning Rongrong!

You can't escape this time.

Su Chen arranged a space barrier and headed towards the bed The figure walks away

"who?"

Holy crap!

Why is this Liu Erlong?

What the fuck!

How could Liu Erlong appear sleeping in Ning Rongrong's room?

Su Chen was confused when he hugged Liu Erlong.

He didn't expect Liu Erlong to show up. In Ning Rongrong's room, Su Chen made sure that he had not gone to the wrong room.

Then why did Ning Rongrong change rooms with Liu Erlong? Could it be that Ning Rongrong guessed that coming today would be detrimental to her?

At this time,

Liu Erlong was thinking She was very ashamed and angry.

She did not expect that Su Chen would appear in the room quietly and even plot against her.

Liu Erlong was hugged by Su Chen and even pressed under him.

If she hadn't been afraid of doing something If there was too much movement, Liu Erlong would kill this shameless bastard with one palm.

Liu Erlong looked ashamed and angry and whispered to Su Chen,

"Why don't you get out of here!"

Su Chen touched Liu Erlong's little face and said with a smile, "Liu Erlong, I think this is good. Let's rest together tonight!"

"Shameless, get out of here, otherwise I will take action. You don't want others to see what you are doing, right?"

"Haha, Liu Erlong, this room has been sealed by me. No matter you yell or use your soul power to attack me, everyone outside will be safe."

"you.....You bastard, what are you going to do?"

Liu Erlong was scared.

This bastard is a shameless pervert.

She was worried that Su Chen would take advantage of her.

Although Liu Erlong is not as beautiful as Dong'er, he is not as youthful and beautiful as Xiao Wu and Ning Rongrong. , but she is also a sexy woman with a curvy figure.

Liu Erlong also found that Su Chen kept looking at her sometimes, and even kept staring at her chest. Liu Erlong was worried that Su Chen would abuse her in a bestial manner..

Su Chen smiled and asked,

"What do you think?"

"I.....Woohoo!"

Liu Erlong struggled constantly when Su Chen kissed her, but she felt weak when Su Chen kissed her. She even felt something special that made Liu Erlong forget to use her soul power to resist.

Su Chen let go of the kiss and Liu Erlong said,

"Liu Erlong, you will be my woman in the future. Ever since you were captured by Wu, you should have understood how could I let a beautiful woman like you slip away from me."

"you.....Get out of here, I'm not you.....Woo woo woo.."

Liu Erlong was going crazy.

She didn't think that this shameless pervert kissed her again.

Liu Erlong also guessed that Su Chen would never let her go in his life. This bastard would let her go if he said the war was over. This was preparation. Should you let her go?

This shameless bastard,

Liu Erlong felt very helpless towards Su Chen.

It was impossible for her to commit suicide now, damn little bastard.

Liu Erlong looked at Su Chen's handsome face. She thought that she would not be able to escape the humiliation of this bastard today. She stared and hugged Su Chen in response.

She couldn't suffer a loss, didn't this little bastard want to humiliate herself?

Liu Erlong will take the initiative to humiliate this bastard. After all, she is old. Even if Liu Erlong has a relationship with Su Chen, she cannot suffer a loss. It is not certain who will humiliate whom today.

Su Chen was stunned when Liu Erlong hugged him tightly and responded.

Is Liu Erlong crazy?

Why did Liu Erlong take the initiative?

I'll do it!

This tough woman won't take the initiative by turning her passive into active, right?

Su Chen can't control so much now.

Who will take the initiative?

Who is passive?

He wouldn't suffer a loss.

Su Chen would suffer a loss if he could get a plump and beautiful beauty.

But who fell in love with whom this time?

This can only depend on the future results.

The next morning, the Wuhun Empire's troops began to move out, and 600,000 troops continued to move out from Jialing Pass.

Woo woo woo.....

The marching horn of the Black Armored Legion also sounded, and the two hundred thousand Black Armored Legion escorted Bi Dong'er from Jialing Pass. The Black Armored Legion is now Bi Dong'er's personal guard, and it is also the most powerful in her hands. combat corps.

While hundreds of thousands of troops were attacking the main road,

Qian Xue'er flew to Bi Dong'er's carriage and asked doubtfully,

"Queen, where is your concubine? Why isn't he in the army? Your concubine will not participate in this war, right?"

"He will show up."

Bi Dong'er rolled her eyes at Qian Xue'er.

She didn't find Su Chen this morning, but she wasn't worried that Su Chen wouldn't show up.

The battle at Jialing Pass was crucial to Su Chen's trial, and that bastard wouldn't let him. Something unexpected happened in the Battle of Jialing Pass. Bi Dong'er guessed that Su Chen was probably with Liu Erlong and the three girls.

Qian Xueer flew away after hearing Bi Dong'er's words.

She was too lazy to care about Bi Dong'er and Su Chen's affairs. , that bastard Su Chen only needs to appear on the battlefield. With Su Chen's presence,

Qian Xueer doesn't have to worry about any accidents during the war.

When Ning Rongrong came to the door of her room, she shouted into the room in a panic,"Teacher Liu, are you up? The Wuhun Empire's troops have been dispatched. Do you want us to go over there and take a look?"

Chapter 2138

Ning Rongrong felt very uneasy.

She checked on Su Chen as soon as she got up early this morning, but she didn't wait until the Spirit Empire's army was dispatched.

Su Chen didn't show up, which made her worried.

Last night, she was worried that Su Chen would look for her and even eat her, so Ning Rongrong and Liu Erlong changed rooms to sleep.

But now,

Su Chen didn't show up, and neither did Liu Erlong.

Ning Rongrong was worried that Su Chen would eat Liu Erlong last night.

Ning Rongrong regretted that she and Liu Erlong exchanged rooms yesterday.

If Liu Erlong was insulted by Su Chen because of her, Ning Rongrong would feel very guilty.

In the room,

Su Chen hugged the shy Liu Erlong and prepared to get up.

When Ning Rongrong arrived,

Su Chen guessed why.

Although he didn't get Ning Rongrong last night, Liu Erlong's pride and He really enjoyed being gentle.

Liu Erlong, who had a bad temper, refused to admit defeat last night.

Active and passive,

Su Chen and Liu Erlong also said that you go up and down, I go up and you go down, they can all say it. Taking the initiative can also be said to be passive, but in the end, it was Su Chen who enjoyed it.

Su Chen touched Liu Erlong's smooth back and said

"Ning Rongrong is here, why don't you get up? Liu

Erlong glared at Su Chen and cursed angrily,"Go away, you shameless bastard, can I get up now?"

Now that Liu Erlong thought about the madness last night, she felt very ashamed, angry, and regretful.

How could she yell like a slut last night, even shouting some shameful words.

And Her initiative last night made her feel a little shameless.

Su Chen kissed the embarrassed Liu Erlong and said with a smile,

"Haha, who told you to always be brave, but I like your bravery and initiative"

"You are so shameless. Go out quickly and send Ning Rongrong away. I want to take a rest."

Liu Erlong pushed Su Chen away and glared.

She just wanted to rest for a while.

Liu Erlong was very tired after a night of madness. She didn't want what happened last night to happen again.

"Okay, you can rest, I'll take care of Ning Rongrong."

After Su Chen got dressed, he walked out.

Su Chen accidentally ate Liu Erlong yesterday, but Liu Erlong was really to his liking. The crazy Liu Erlong almost made him Neither of them parried the master.

Liu Erlong was a woman with a bad temper and got angry easily. She refused to admit defeat in love affairs. Liu Erlong took the initiative and really made Su Chen feel very happy.

Kacha!

The door to the room was opened, and

Su Chen walked out of the room.

"you..."

Ning Rongrong watched Su Chen come out of the room, and her heart sank.

Ning Rongrong clenched her fists angrily and wanted to kill this shameless bastard. This shameless bastard really brought disaster to Liu Erlong.

Su Chen looked at Ning Rongrong and praised,

"Little beauty, I didn't expect you to be quite smart. You even knew to change rooms with Liu Erlong last night."

Ning Rongrong pointed at Su Chen and yelled with an angry look,

"You are a shameless pervert, you.....you....You actually caused trouble to Teacher Liu."

Su Chen shook his head and corrected, "Disaster? Ning Rongrong, you used the wrong word. Liu Erlong and I are in love, how can you describe me in such a harmful way!"

"Like each other? I believe you, get out of my way, I want to find Teacher Liu"

"Liu Erlong still needs to rest. You can come see her again in the afternoon. We didn't rest all night last night."

"Damn bastard!"

Ning Rongrong didn't expect that Su Chen and Liu Erlong didn't sleep all night last night. She thought about Liu Erlong's misery caused by Su Chen, and she felt even more uneasy.

Whoosh!

Suddenly,

A woman in white instantly appeared next to Su Chen and saluted,

"Master, people from the Qibao Glazed Sect have arrived and they want to see Ning Rongrong."

Su Chen didn't expect that Ning Rongrong's letter yesterday would be of some use. The arrival of the Seven Treasure Glazed Tile Sect shows that Ning Fengzhi's attitude is about to change.

Although it is impossible for the Ning Rongrong Glazed Tile Sect to defect to the Spirit Empire, as long as the Seven Treasure Glazed Tile Sect does not participate in this In this war, the Tiandou Empire's army and powerful Douluo would not have strong support, and their strength would drop by 30%. This is also a good thing for Dong'er.

"Qibao Glazed Sect? Little beauty, it seems your father has arrived. Go and meet your father."

After Ning Rongrong heard the words of the woman in white, she also guessed that her father had arrived.

She looked at Liu Erlong's room and felt uneasy.

Ning Rongrong did not expect that after Su Chen found out that it was not her, this bastard She actually attacked Liu Erlong. She was worried that Liu Erlong would commit suicide in shame and anger after being insulted by Su Chen.

Ning Rongrong thought that now that the matter was over, she could only apologize to Liu Erlong in the future.

"Humph, you shameless bastard, I remember what happened today, and I will definitely seek justice for Teacher Liu in the future."

"No need, Liu Erlong will be my wife in the future. She doesn't need you to seek justice for her. Besides, you will be sisters in the future. Liu Erlong didn't complain at all that you changed rooms with her yesterday."

"Shameless!"

When Ning Rongrong heard Su Chen's words, she flushed and left quickly.

She really had nothing to do with Su Chen.

She couldn't speak to or defeat this bastard. Ning Rongrong could only avoid this shameless person first. Bastard.

However, she also knew that this would not last long.

Ning Rongrong was secretly kissed by Su Chen last time. Even except for the last step, the bastard did everything he should do. Every time Ning Rongrong thinks about this He hated it so much.

After Su Chen left Ning Rongrong, he instantly appeared on the wall of Jialing Pass.

The army of Bi Dong'er's Spirit Empire had already been dispatched, fifty miles away, and an hour later the armies of the two empires They will meet, and millions of troops will fight. This has never happened in Wuhun Continent.

"Can you let people like Tang Hao go?"

At this time,

Emperor Lan Yin appeared next to Su Chen.

She looked at Tang Hao and several people from the Haotian Sect who were hung on the city wall. Emperor Lan Yin whispered to Su Chen.

Su Chen heard Emperor Lan Yin shook his head and said,

"No, everyone in Tang Hao and Haotian Sect will die. This is a fact that cannot be changed. Emperor Lan Yin, you have obtained some memories of A Yin. You should know that you have nothing to do with Tang Hao."

"You can no longer have a relationship with Tang Hao, and you are no longer Tangshan's mother. If you do something you shouldn't do, A Yin will be very angry, and you should understand the consequences."

Lan Yinhuang said with a calm expression, "I know, I just want to say goodbye to the past. After all, Tang Hao and I have some love, I just don't want him to die like this."

Chapter 2139

Su Chen curled his lips when he heard Emperor Lan Yin's words.

He couldn't let go of those people from Tang Hao and Haotian Sect.

Since Su Chen wanted to kill Tangshan, these people from Haotian Sect would all die. He still understands the truth of tiger wounds, and all the disciples of Haotian Sect must be eradicated. cough!

Except for Tangshan's aunt Tang Yuehua, a little soul master with only a few levels, and also a very gentle and beautiful woman. Su Chen really couldn't bear to kill Tang Yuehua.

"Emperor Lan Yin, I hope you can forget everything that happened in this world. You have been resurrected. Just treat it as if you just had a dream, a very real dream."

"Dream? How could I possibly think this was a dream."

Huang Lan Yin shook her head and said helplessly, if only this was a dream.

Huang Lan Yin was resurrected by Tangshan.

She is also a brand new self, but her relationship with Tang Hao, her son Tangshan, This is all real. How could Emperor Lan Yin think it was a dream?

Su Chen hugged Emperor Lan Yin's waist and reminded him,

"As time goes by, you will forget everything that happened here. Besides, Tangshan is a reborn person, and your son died when he was a baby."

"Let me go!"

Emperor Lan Yin was hugged by Su Chen, and she hurriedly struggled.

Although Emperor Lan Yin had been hugged by Su Chen countless times in A Yin's memory, she was also very familiar with the feeling of Su Chen holding her, and even I don't resist Su Chen holding her like this, but she is not A Yin after all.

She is Emperor Lan Yin, a real Emperor Lan Yin

"Emperor Lan Yin, you are destined to be mine. Look at your struggle without using your soul power. Are you afraid of hurting me?"

"I don't. You are so powerful that I can't break away from your arms even with my soul power."

"Haha, do you believe what you said?"

"I.....Woohoo!"

When Emperor Lan Yin was about to say something, she was kissed by Su Chen.

Emperor Lan Yin was confused for a moment.

She didn't expect Su Chen to kiss her, but this feeling made her want to resist.

It was so familiar. ,

Emperor Lan Yin didn't know whether this was A Yin's memory or her memory, she wanted to sink in now.

On the wall of Jialingguan City,

Tang Hao who was hanging on the wall saw the two people kissing on the wall,

Tang Hao Although he saw that one of them looked like Emperor Lan Yin, he did not believe that Emperor Lan Yin would kiss Su Chen. He kept silently thinking that the woman looked exactly like Emperor Lan Yin.

"shameless bastard!"

At this time, when Ning Rongrong came out to look for Su Chen, she found Su Chen and Emperor Lan Yin kissing on the wall, and she felt very unhappy.

Ning Rongrong thought that Su Chen was secretly kissing her. But Emperor Lan Yin actually kissed him openly on the city wall, and even kissed him in front of Tangshan's father, Tang Hao.

Ning Rongrong felt that Su Chen was really bad.

"I....I have something else to do!"

After Emperor Lan Yin was let go by Su Chen, she hurriedly escaped from the city wall in a panic.

She didn't dare to face Su Chen now. The things in Emperor Lan Yin's memory were driving her crazy.

Reject?

No rejection?

These two This question has been struggling in her mind.

When Ning Rongrong saw Emperor Lan Yin leaving, she shouted to Su Chen on the city wall,

"Su Chen, my father wants to see you."

Su Chen suddenly appeared next to Ning Rongrong and asked doubtfully,

"What did your father do when he saw me?"

Ning Rongrong took a few steps back and said,

"My father has decided not to help the Tiandou Empire, but you must ensure that the Wuhun Empire will not take action against the Qibao Glazed Sect."

Su Chen understood after hearing Ning Rongrong's words that the Qibao Glazed Sect wanted to withdraw from the Jialingguan battle, but the Qibao Glazed Sect was worried that after the Tiandou Empire was destroyed, the Wuhun Empire would still not let go of the Qibao Glazed Sect.

The Seven Treasure Glazed Tile Sect should be asking for a promise from him.

Su Chen looked at Ning Rongrong and teased, "It's simple. As long as you become my woman, the Seven Treasure Glazed Tile Sect will definitely not be attacked by the Spirit Empire."

"You are shameless!"

Su Chen quickly hugged Ning Rongrong's waist and said with a smile,

"Ning Rongrong, your whole body has been touched all day and afternoon. If you don't marry me, who else do you want to marry? Let's forget about that big sausage Oscar, a useless auxiliary soul master."

"you....."

Ning Rongrong didn't expect that Su Chen was so shameless and that he dared to speak out so openly about the disgusting things this bastard did to her.

This bastard really has no shame at all.

"Come on, let's go meet your father!"

"Let me go!"

"Rongrong, if I hold you like this, your father will believe what I say even more"

"My father won't be able to help but kill you!"

"oh? Your father seems to be only over level 70. Are you sure he can kill me?"

"you.....Don't talk to me, I don't want to talk to you now."

Ning Rongrong was helpless after hearing Su Chen's words. This bastard is too powerful. If her father saw Su Chen holding her, her father would not be able to hurt this bastard even if he took action.

Su Chen smiled and let go. Ning Rongrong, this little beauty really has a personality, but this is fine.

Although a gentle woman is very docile, she also loses some of her interest.

Su Chen and Ning Rongrong's fights are still feeling Yes.

In the main hall of Jialing Pass,

Ning Fengzhi, Bone Douluo, and Sword Douluo were waiting for Su Chen's arrival. When they arrived, they also saw the Wuhun Empire's troops dispatched. It had been almost an hour, and the Wuhun Empire should have The Heaven Dou Empire is about to go to war. Ning Fengzhi and the other two people all feel that the Heaven Dou Empire cannot win this war because the Wuhun Empire has too many powerful Douluo.

Bone Douluo shook his head and sighed,

"Unexpectedly, after a few years, our Qibao Glazed Sect would still be back to where we started. The battles with the Wuhun Empire in the past few years, and even the disciples of the Qibao Glazed Sect who died, were all in vain."

Sword Douluo looked at the maids in white around him with a serious face. He still couldn't calm down in his heart. There are more than a hundred powerful maids.

The woman in white didn't lie at all yesterday.

In Jialing Pass, the sword fight Luo discovered at least twenty maids in white. Each of these maids in white gave him a very dangerous feeling.

"There is no way, the Wuhun Empire is more powerful than we imagined, and the maids in white around us are each stronger than us. There is no way to fight this war."

Chapter 2140

When Ning Fengzhi heard what Bone Douluo and Sword Douluo said, he nodded helplessly.

Ning Fengzhi knew that he would be doomed if he was tied to the Tiandou Empire again, but the Seven Treasure Glazed Sect and the Tiandou Empire could both prosper. The Tiandou Empire was defeated by the Wuhun Empire. Can the Qibao Glazed Sect be safe and sound?

The Qibao Glazed Sect has been at odds with the Wuhun Empire these years. Will Bi Dong'er let the Qibao Glazed Sect go?

Ning Fengzhi thought of what his daughter Ning Rongrong said. The Queen of the Wuhun Empire, Bi Dong'er, was actually Su Chen's woman. This news shocked Ning Fengzhi.

He also knew some things about Bi Dong'er. Yu Xiaogang could be said to be the love of Bi Dong'er's life. How could Bi Dong'er become the mysterious Su Chen's woman? Where did that Su Chen come from?

"Dad, this is Su Chen!"

At this time,

Ning Rongrong brought Su Chen to the main hall. Ning Rongrong introduced Ning Fengzhi,

"General Su Chen!"

Ning Fengzhi stood up and looked at Su Chen and was very surprised.

He didn't expect that Su Chen would be so young. A person under thirty years old turned out to be a peerless Douluo. He even defeated Queen Bi Dong'er. Ning Fengzhi stood up and looked at Su Chen. Fengzhi became curious about Su Chen.

Su Chen nodded to Ning Fengzhi and said,

"Sect Leader Ning, please sit down. Rongrong and I have a good relationship. You don't have to be so polite to me. You can just call me Su Chen."

Su Chen took a look at Ning Rongrong's father Ning Fengzhi.

This middle-aged man is really handsome. No wonder President Ning Rongrong is so beautiful.

Bone Douluo and Sword Douluo, two powerful Douluo, Chen also nodded to them.

In the plot, both Bone Douluo and Sword Douluo died in the Battle of Jialing Pass. In addition to the Spirit Empire, the Battle of Jialing Pass suffered heavy casualties. The Qibao Glazed Sect can be said to have made the greatest sacrifice.

Two powerful Douluo were killed, and there was no more powerful titled Douluo in the Qibao Glazed Sect.

Ning Fengzhi looked at Su Chen and asked seriously, "Su Chen, can you ensure that after the Qibao Glazed Sect withdraws from this war, the Spirit Empire will not target the Qibao Glazed Sect again in the future?"

Su Chen nodded. Guaranteed,

"Yes, as long as the Qibao Glazed Sect withdraws from this war and no longer helps Tangshan and the Tiandou Empire, the Wuhun Empire will not take action against the Qibao Glazed Sect again. I can guarantee Sect Master Ning."

After Ning Rongrong heard Su Chen's promise, she said to Ning Fengzhi, "Dad, you have to believe in Su Chen. Bi Dong'er will definitely do what this bastard says."

"Su Chen, the Qibao Glazed Sect has withdrawn from this war, but I want to take away my daughter Ning Rongrong."

"Can! Ning Rongrong has always been free, and she can leave you at any time."

When Ning Rongrong heard Su Chen's words, she felt incredible.

This bastard would actually let her go?

And he said he always said he was free?

Is she free in Jialing Pass?

Ugh!

Ning Rongrong felt that she seemed to be in Jialing Pass. Freedom, she is not imprisoned, her soul power is not sealed, she can go everywhere in Jialing Pass, she even visited the armory of the Black Armored Legion

"I won't leave!"

Ning Rongrong doesn't want to leave.

In addition to worrying that Su Chen will be interested in her,

Liu Erlong and Xiao Wu are still here.

Liu Erlong has been harmed by this bastard, and Ning Rongrong is also worried about this bastard. She did those bad things to Xiao Wu.

Besides,

Ning Rongrong was touched all over her body by Su Chen, a shameless bastard, and even kissed several times by Su Chen. How could she marry anyone else? There was no way that this shameless bastard would let her Continue to be together with Oscar. Ning Rongrong has given up on Oscar since she got her memory from another world. It is impossible for Su Chen to let her be with Oscar, just like Ning Rongrong in another world gave up on Oscar. Ning Fengzhi didn't expect that his daughter didn't want to go back. How could this be possible? He had been worried that Ning Rongrong would be harmed by Su Chen in Jialing Pass. Ning Rongrong was still intact. Ning Fengzhi could n't let Ning Rongrong continue to stay. Jialingguanli

"Rongrong, come back with me this time!"

"I...."

When Ning Rongrong wanted to say something,

Su Chen patted Ning Rongrong's shoulder and said,

"Ning Rongrong, you and your father should go back. After the battle of Jialing Pass, I will go back to find you."

"Are you telling the truth?"

Ning Rongrong frowned when she heard Su Chen's words.

She didn't expect that Su Chen also asked her to go back. Could this bastard be like this?Let her go?

Ning Rongrong looked at Su Chen and couldn't understand.

If she hadn't changed rooms with Liu Erlong last night, she would have been harmed by this bastard. Su Chen had been teasing her just now. How could this bastard let her and Liu Erlong now? Her father left?

"certainly!"

Su Chen nodded and replied, without the Qibao Glazed Sect in the Battle of Jialing Pass, the Tiandou Empire is doomed to fail. It doesn't matter whether Ning Rongrong stays or leaves. He can go find this little beauty anytime he wants. She.

Ning Rongrong stretched out her hand and said to Su Chen, "Give me three spiritual fruits. I want high-grade spiritual fruits."

"good!"

Su Chen directly took out three high-grade spiritual fruits and handed them to Ning Rongrong.

He guessed that Ning Rongrong was giving them to Ning Fengzhi, Bone Douluo? Sword Douluo wanted the spiritual fruits. Su Chen didn't care about them.

Qibao Glazed People like Zong just ate the spirit fruit to advance to several levels, but they were still little scum in front of themselves.

After Ning Rongrong took the spirit fruit, she threatened Su Chen,

"Su Chen, you'd better not distract Xiao Wu, or I won't let you go."

Su Chen frowned when he heard Ning Rongrong's words and asked, "Xiao Wu? Ning Rongrong, where is Xiao Wu? She's not with you today? Ning

Rongrong said with a puzzled look on his face.

"No, I was worried about Teacher Liu Erlong early in the morning. I didn't notice Xiao Wu"

"You and your father should leave first. I will go to the battlefield later to take a look."

"Su Chen, Xiao Wu went to the battlefield?"

Su Chen touched his chin and guessed,

"It should be true. Resurrecting Da Ming and Er Ming requires their soul bones. I guess Xiao Wu should go to Tangshan to ask for the soul bones of Da Ming and Er Ming."

Ning Rongrong shook his head when he heard Su Chen's words. At this time, Tangshan would definitely not give the soul bones of Da Ming and Er Ming to Xiao Wu. Xiao Wu would definitely get nothing when he went back.

Later,

Ning Rongrong was led by Ning Fengzhi and the others. After leaving, Su Chen prepared to go to the battlefield after Ning Rongrong and the others left.

There were many powerful people in the Spirit Empire than Dong'er, and the powerful Douluo in the Tiandou Empire could not be the opponent of the Spirit Empire.

But God Shura may appear.

Even if those powerful Douluo from Poseidon Island do not appear today, they should come in the next few days. At this time

, among the Tiandou Empire's army,

Xiao Wu will ask Tangshan for the Great Ming and Er Ming.

However ,

Tangshan did not immediately dig out the soul bones and give them to Xiao Wu. Tangshan only promised Xiao Wu that after the war, he would hand over the soul bones of Da Ming and Er Ming to Xiao Wu.

Xiao Wu said to Tang Shan with a serious look on his face. ,

"Tangshan, I want the soul bones of Da Ming and Er Ming now, you can give them to me immediately."
