

## Zongwu 2141

### Chapter 2141

Tangshan was very happy to see Xiao Wu escape back, but he didn't expect that after Xiao Wu came back, she would ask him for the soul bones of Da Ming and Er Ming. At this time, Xiao Wu came to ask for the soul bones of Da Ming and Er Ming. Tang Shan I feel very confused.

Now is the war, and he may fight against the powerful Douluo of the Wuhun Empire at any time. If Tangshan gives his soul bone to Xiao Wu, his strength will drop a lot.

Tangshan did not have two hundred thousand year soul bones. If he faced Bi Dong'er, he would definitely be unable to withstand it, and he might even be killed by Bi Dong'er. It was impossible for Tangshan to give Xiao Wu soul bones at this time.

Tangshan didn't understand why Xiao Wu insisted on getting the soul bones. Xiao Wu couldn't use the soul bones of Da Ming and Er Ming. Tang Shan had some suspicions that Xiao Wu might have been deceived by Su Chen or mentally controlled.

"Xiao Wu, the war has begun. If I give you the soul bones now, it will reduce my strength a lot. After the war is over, I will definitely give you the soul bones of Da Ming and Er Ming."

"No, I want it now."

Xiao Wu looked serious and refused to give in.

She was also worried that if Tangshan was killed by Bi Dong'er after the war started, something would happen to the soul bones of Da Ming and Er Ming. They would even be destroyed in the war, and Da Ming and Er Ming would be destroyed.

If their soul bones were destroyed, Su Chen would not be able to resurrect Da Ming and Er Ming even if they had the power of Tian Tian.

"Xiao Wu, Tangshan is going to face the peerless Douluo Bi Dong'er of the Wuhun Empire. He can't return his soul bones to you now."

"Yes, Xiao Wu, the current situation is very critical for the Tiandou Empire. Tangshan is also our only powerful Douluo. Please don't mess around here, okay?"

"Xiao Wu, Tangshan even said that they would give you the soul bones of Da Ming and Er Ming after the war. How could you be so unreasonable today?"

"It's impossible for Tangshan to give you soul bones now, Xiao Wu. You just have to wait for a while. After the war is over, Tangshan will give you the soul bones of Da Ming and Er Ming."

People like Dai Mubai and Oscar also tried to dissuade Xiao Wu from the side.

They couldn't understand why Xiao Wu wanted Tangshan's soul bones, but now it's a war, and

Tangshan is the strongest combat force in the Tiandou Empire. , how could it be possible to dig out the soul bones and return them to Xiao Wu at this time?

"Today I....." bump!

Xiao Wu still wanted to ask Tangshan for the soul bone, but

Dai Mubai suddenly knocked Xiao Wu unconscious. Dai Mubai could not let Xiao Wu continue to make trouble unreasonably, and he would not let Tangshan give Xiao Wu the soul bone at this time.

"Xiaowu!"

When Tang Shan saw Xiao Wu being knocked unconscious by Dai Mubai, he was worried and hurriedly supported Xiao Wu who was about to fall to the ground.

Dai Mubai waved his hand and said,

"Don't worry, I just knocked Xiao Wu unconscious. Zhu Zhuqing, you take Xiao Wu back to rest, and you should also take good care of Xiao Wu."

"good!"

Zhu Zhuqing nodded and left with Xiao Wu in her arms.

She couldn't understand how Xiao Wu could become so strange when Xiao Wu came back this time.

Xiao Wu had always called Tang Shan Brother Shan, but this time Xiao Wu directly Calling Tangshan by his name, Zhu Zhuqing wanted to know why Xiao Wu had changed.

After Oscar saw Zhu Zhuqing taking Xiao Wu away, he said with a serious face,

"Something is wrong with Xiao Wu!"

Tangshan nodded and said with an ugly face,

"Something is very wrong. Xiao Wu has always called me Brother Shan, but this time he called me Tang Shan directly. Xiao Wu also unreasonably asked for the soul bones of Da Ming and Er Ming. I suspect that Xiao Wu may have been tricked by someone from the Wuhun Empire. Controlled by spiritual magic. Dai

Mubai rubbed his forehead and said,"Let Zhu Zhuqing keep an eye on Xiao Wu first. We should prepare for today's war.""

"good!"

At this moment, the millions of troops of the Wuhun Empire and the Tiandou Empire are facing each other less than ten miles apart. The entire Red Plains is full of troublesome armies. The Wuhun Empire's 800,000 troops, Tiandou Empire, The Dou Empire's millions of troops were on the verge of breaking out on the Red Plains today. On a high platform among the Wuhun Empire's army,

Bi Dong'er leisurely drank red wine from a wine glass.

She also checked the Tian Dou Empire's army on the opposite side. Dong'er didn't expect that the Tiandou Empire's army would come out in full force, millions of troops, which made Bi Dong'er a little unexpected.

"Order, 200,000 heavy armored legions are dispatched. I want the heavy armored legions to tear apart the Tiandou Empire's army formation."

"Yes, Queen!"

Woo woo woo.....

The clarion call for the Wuhun Empire's attack sounded, and the 200,000 heavy armored legions began to move out.

"Kill, charge for Her Majesty the Queen!"

"For Her Majesty the Queen, kill!"

"For Her Majesty the Queen, kill!"

"For Her Majesty the Queen, kill!"

The 200,000 heavily armored legions shouted one after another, charging head-on into the Tiandou Empire's army with murderous intent.

An elder asked Bi Dong'er doubtfully, "Queen, why don't we all attack together? Bi

Dong'er took a sip of wine and said with a smile,

"Elder Demon Bear, the Tiandou Empire has millions of troops. We cannot eat them all at once. In the past few days, our Spirit Empire will eat the Tiandou Empire's troops one by one. The war cannot end in one day."

After Elder Demon Bear heard Bi Dong'er's words, he suddenly realized and said,

"I understand, the Queen wants to eat away at the Tiandou Empire's army step by step. As long as there are not many Tiandou Empire's armies left, our Spirit Empire can destroy the Tiandou Empire in one fell swoop."

"You can say that!"

Bi Dong'er looked at the Tiandou Empire and her eyes flashed.

She did not order all the troops to attack at first.

Bi Dong'er just wanted to wait for reinforcements from the Tiandou Empire, Star Luo Empire, Poseidon Island, and even those gods. Bi Dong'er wants to kill them all this time, and she doesn't want to destroy these enemies one by one in the future.

With Su Chen here, and the powerful guards arranged by Su Chen for her,

Bi Dong'er will take down all the empires and empires that oppose her in Wuhun Continent this time. All forces were wiped out.

The commanders of the Tiandou Empire, the emperor of Tiandou, Marshal Ge Long, Yu Xiaogang, Tangshan and others saw that the Wuhun Empire launched an attack, and it was also a 200,000 heavy armored army, and their faces changed. He became serious.

Yu Xiaogang said with a serious face,

"Your Majesty, send out the four legions of the Tiandou Empire. The 400,000 troops must block the 200,000 heavy armored legions of the Spirit Empire."

After the emperor of the Tiandou Empire heard Yu Xiaogang's words, he shouted in surprise,

"Master, the 400,000 Tiandou Empire's troops cannot stop the Wuhun Empire's 200,000 heavy armored troops. You are asking the 400,000 Tiandou Empire's troops to die."

Yu Xiaogang rubbed his forehead and explained,

"Your Majesty, we can only buy time now. The Wuhun Empire's troops have not all attacked. Bi Dong'er also understands that one war cannot destroy our Tiandou Empire."

"Bi Dong'er must want to gradually encroach on the Tiandou Empire's army, and we also need time. As long as we get reinforcements from the Star Luo Empire and Poseidon Island, our losses will be worth it."

Chapter 2142

The Emperor of the Tiandou Empire, Marshal Ge Long, Tangshan, Poison Douluo and others were speechless for a long time after hearing Yu Xiaogang's words.

Although they knew Yu Xiaogang's strategy, which was to gain time for reinforcements to arrive, but let 400,000 When the army goes to die, they have a hard time choosing.

Marshal Ge Long saluted the Emperor of the Tiandou Empire and said,

"Your Majesty, let the four legions be dispatched. Now is not the time to be indecisive. There will inevitably be casualties in the war."

"In order to gain time for reinforcements to arrive and for the final victory of the Tiandou Empire, we had to sacrifice these 400,000 troops."

The emperor of Tiandou Empire said with an ugly face,

"Four legions, 400,000 troops. Do we really want 400,000 troops to die?"

Yu Xiaowu said with a serious face,

"Your Majesty, there is no other way. I will ask the Tang Sect in Tangshan to send some soul masters to help the 400,000-strong army. I hope that the 400,000-strong army can inflict heavy damage on the heavy armored army of the Spirit Empire."

Tang Shan nodded beside him.

He agreed with Yu Xiaogang's strategy.

If the 400,000-strong army can severely damage the heavy armored army of the Wuhun Empire, it would also be very beneficial to the future war.

Suddenly!

Tangshan did not find anyone from the Qibao Glazed Sect. , even Ning Fengzhi, Bone Douluo, and Sword Douluo did not arrive.

This made Tangshan very confused.

The war had already begun, and the assistance of the Qibao Glazed Sect was crucial, but there was no one from Ning Fengzhi and the Qibao Glazed Sect. Appeared?

Tangshan hurriedly asked the person next to him,

"Where are the people from the Qibao Glazed Sect? Where is Ning Fengzhi? What about Bone Douluo and Sword Douluo? Why didn't they show up? Why didn't the disciples of Qibao Glazed Sect show up again?"

Poison Douluo touched his beard and said,

"People from the Qibao Glazed Sect may still be in the military camp. When we were dispatched, I found that none of the disciples from the Qibao Glazed Sect had started to take action. People from the Qibao Glazed Sect may arrive soon."

Yu Xiaogang said to Tangshan,

"Send someone to urge the people of the Qibao Glazed Sect. With the help of the Qibao Glazed Sect, an army of 400,000 may be able to severely damage the heavy armored army of the Spirit Empire."

"is teacher!"

Emperor Tiandou looked at his army and ordered helplessly,

"Marshal Ge Long, order the four legions to dispatch!"

"Yes, Your Majesty!"

Dong dong dong....

The war drums of the Tiandou Empire were also beaten, and four legions of 400,000 troops began to dispatch. On the Hongyuan Plain, the two huge armies quickly rushed towards each other.

"Kill, for the Tiandou Empire!"

"For the sake of Your Majesty, for the sake of the Tiandou Empire, kill!"

"Defend the family and the country and defeat the Wuhun Empire!"

"kill!"

"Charge, fight bravely for the Queen!"

"For Her Majesty the Queen, charge!"

"Long live Her Majesty the Queen, defeat the Tiandou Empire!"

"Kill, for Her Majesty the Queen, the heavily armored legion is not afraid of life and death."

Crash, boom, boom!

On the Hongyuan Plain, after two huge armies collided, blood flew and limbs were broken. The fighting soldiers were killed and injured instantly. There was the sound of the collision of weapons, the screams of soldiers, and the rescuers who fell to the ground injured. With the sound, soldiers

were being killed and fell to the ground every moment on the battlefield, and the red plain between the two empires was instantly stained with blood. At this time,

Su Chen appeared above the battlefield where the two armies were fighting. He looked at The fighting army was very confused.

"Huh? Why did Bi Dong'er only send part of the army? The heavy armored legion of the Spirit Empire? The Tiandou Empire didn't even dispatch its entire army. What the hell are these two empires doing?"

Su Chen checked the war below and didn't intend to intervene.

Although the Wuhun Empire's heavy armored legion was not as large as the Tiandou Empire's army, it was a one-sided massacre on the battlefield. The heavy armored legion was not something that the ordinary Tiandou Empire's army could do. Resisting,

Su Chen checked the Tiandou Empire's army, but he didn't find Xiao Wu's presence. This made Su Chen unable to figure out where that little girl Xiao Wu had gone.

Whoosh!

Su Chen disappeared into the air in an instant,

He wanted to take a look at the Tiandou Empire's camp, and also check out what reinforcements Tangshan had called.

Yu Xiaogang looked at the massacred army. He did not expect that the heavy armored army of the Wuhun Empire was so powerful.

He saw He ordered the four of them to Tangshan, "Tangshan, Dai Mubai, the four of you take the Tangmen to support the army and kill as many of the Wuhun Empire's heavy armored legions as possible."

"is teacher!"

Swish swish swish!

The four Tangshan people instantly took off and rushed towards the battlefield with five thousand Tangmen disciples.

When Bi Dong'er saw that the soul masters of the Tiandou Empire were dispatched, and it was Tangshan who was leading the team,

Bi Dong'er was right Qian Xue'er ordered,

"Xue'er, Tangshan is out. You can bring some soul masters to meet Tangshan. You have to be careful, Tangshan is a dual god. Qian

Xue'er nodded and said loudly, "I understand, Ju Douluo, take five thousand soul masters and me out!"

"Yes, Your Highness the Princess!"

On the battlefield, after Tangshan brought the Tang Sect to the battlefield, the heavy armored army suffered heavy losses. However, after the soul masters of the Wuhun Empire arrived, the soul masters of the Tang Sect and the soul masters of the Wuhun Empire began to fight.

Qian Xue'er looked at Tang Shan from the air with a complicated expression. After all

, she had liked Tang Shan, but she and Tang Shan were destined to be fruitless.

Besides,

Qian Xue'er had no feelings for Tang Shan since she knew that Tang Shan was a reborn person.

"Tangshan, it's time to settle our grievances."

When Tangshan saw Qian Xue'er appear, he shouted with a serious face,

"Qian Xue'er, your mother's attempt to unify the mainland has brought great disaster to the people on the mainland. I hope you will stop helping others."

"Seeking death, the fifth soul skill, Angel Sword!"

Qian Xue'er opened her soul ring to activate her soul power, and the fifth soul skill of the angel martial soul was instantly exploded by Qian Xue'er.

In the black soul ring, a long sword condensed with sacred fire appeared in the air, and the huge angel's The sword immediately attacked Tangshan.

"The sixth soul skill, Earth Ant King Slash!"

When Tangshan saw Qian Xue'er launching an attack, he hurriedly launched his soul skills and attacked Qian Xue'er.

Boom boom boom.....

After the angel sword in the air collided with the Clear Sky Hammer, a huge roar broke out in the air.

The troops fighting below also hurriedly hid aside, but the aura that erupted after the collision of the huge attacks still shook these troops, and even some soldiers who were close by were shocked to the point of bleeding to death.

"Lan Yin's fifth soul skill, Lan Yin's Overlord Spear!"

Tangshan didn't show mercy to Qian Xue'er. After he saw Qian Xue'er's attack being blocked, he launched Lan Yin's soul skill to attack quickly.

"The sixth soul skill, Angel Roar!"

Chapter 2143

On the Hongyuan battlefield, the battle between Tangshan and Qian Xue'er in the air caused all the troops below to stay away from each other. This was because none of them used their divine power.

Tangshan did not have the ability to use Poseidon and Shura God, and Qian Xueer did not have the ability to use Angel God.

On the other side of the battlefield,

Ju Douluo was fighting against Dai Mubai and Oscar.

Dai Mubai and the little fat man were mainly attacking Ju Douluo, and Oscar was assisting on the side.

But after Ju Douluo advanced,

Dai Mubai and the others were no match for Ju Douluo. The three of them were beaten by Ju Douluo and they were hiding everywhere.

"The sixth soul skill, White Tiger Destruction Kill!"

"The sixth soul skill, Phoenix Cloud Piercer!"

"The seventh soul skill, the true form of the martial soul, the strong golden fly!"

Dai Mubai and the other two people quickly launched their soul skills to attack Ju Douluo.

They wanted to escape from the battlefield. Ju Douluo's strength had changed too much. Dai Mubai didn't have Zhu Zhuqing's soul fusion skills, so the three of them simply couldn't defeat him. Ju Douluo.

Ju Douluo saw Dai Mubai still struggling, he also activated his soul skill and shouted, "You all deserve to die, the sixth soul skill, Golden Rui Flowing Clouds!"

Boom boom.....

Dai Mubai vomited a mouthful of blood and shouted to Oscar and Ma Hongjun,

"Ahem, Oscar, Ma Hongjun, let's retreat, we can't defeat Ju Douluo."

"good!"

Ma Hongjun and Oscar were also very confused at this time.

Ju Douluo's strength did not expect such a big change. This is completely different from what Tangshan said.

After losing Ghost Douluo, Ju Douluo no longer had the fusion of martial arts. Skill, why is Ju Douluo still so powerful?

Whoosh!

Dai Mubai, Oscar, and Ma Hongjun quickly left the battlefield.

They were only here to assist the 400,000-strong army in the battle, but Ju Douluo's combat power did not drop. On the contrary, the three of them were no match for level ninety-eight Ju Douluo.

When Ju Douluo saw Dai Mubai and the others escaping, he snorted coldly,

"Huh, even if you run fast, if the Queen hadn't just stopped you this time and didn't order you to be killed, none of the three of you would have been able to escape."

Boom! Boom!

At this time, after a loud noise erupted in the air,

Tangshan quickly broke away from the battle and fled.

Qian Xueer watched Tangshan leave from the air without stopping. Today is not the time to kill Tangshan.

Xingluo Empire and Poseidon Island None of the powerful Douluo have arrived yet.

If Tangshan is killed today, those powerful Douluo from Star Luo Empire and Poseidon Island will not appear again, which will ruin her mother's plan.

Her mother wants to kill all those powerful Douluo in one go. Plan, Qian Xueer couldn't ruin her mother's plan at this time.

Qian Xueer looked at Tangshan who was escaping and whispered,

"Tangshan, this is the last time we fight. Although we have not used our full strength, next time, your opponent will be my mother, and your life will be ended at the hands of my mother."

On the battlefield, with Tangshan's few people leaving, the 400,000 troops of the Tiandou Empire were completely hopeless.

The Wuhun Empire's heavy-armored army slaughtered the Tiandou Empire's troops crazily. There was a huge gap between the two armies in terms of strength. It was only a matter of time before the empire's 400,000 troops were massacred.

When Bi Dong'er saw Tangshan leaving the battle, a glint flashed in her eyes.

Tangshan and those soul masters left the battlefield, indicating that they were abandoning the 400,000 troops of the Tiandou Empire..

Bi Dong'er also figured it out.

The Tiandou Empire wanted to use the army to delay for a few days. They might have to wait for the reinforcements to arrive.

But this was exactly what she wanted.

Bi Dong'er also wanted to kill all those powerful Douluo people in one go..At this moment,

Su Chen appeared in the military camp behind the Tiandou Empire. He sensed Xiao Wu's aura and instantly appeared in a tent.

"who?"

Zhu Zhuqing suddenly sensed a strange presence in the tent, and she immediately shouted vigilantly.

Su Chen smiled when she saw Zhu Zhuqing and said,

"Little beauty, I didn't expect that you didn't go to the battlefield. Zhu

Qiqi looked at Su Chen who suddenly appeared and asked vigilantly,

"Who are you?"

"Suchen!"

"Are you Su Chen from Jialingguan?"

"That's right, little beauty, don't resist, you are no match for me!"

"Don't even think about it!"

Whoosh!

Zhu Zhuqing quickly stretched out her hand to attack Su Chen.

Although she heard that Su Chen was very powerful and she was no match for a powerful Peerless Douluo, it was impossible for her to capture him without any help.

Touch!

Su Chen grabbed Zhu Zhuqing's hand and hugged her quickly.

"let me go!"

Zhu Zhuqing didn't expect that her attack was of no use to Su Chen. This bastard actually hugged her. Zhu Zhuqing burst out with powerful soul power to break away from Su Chen's arms.

Su Chen struggled with Zhu Zhuqing's burst of soul power. At that time, he shook his head and reminded,

"Don't waste your efforts. There is a huge gap between you and me. You can't possibly struggle out. Zhu Zhuqing, I can let you go, but don't attack me again without knowing your capabilities."

"What's your plot?"

Zhu Zhuqing was very confused when Su Chen let go suddenly.

Su Chen and her were enemies, but how could Su Chen not kill her? He didn't even capture her?

Zhu Zhuqing looked at Su Chen and was very confused.

"I just came to see Xiao Wu."

Su Chen walked to the unconscious Xiao Wu, and he used magic to wake Xiao Wu up from the coma.

"Um?"

Xiao Wu opened her eyes in a daze. When she saw Su Chen appearing next to her,

Xiao Wu asked in surprise,

"Su Chen, why are you here?"

Su Chen looked at Su Chen and asked sternly, "Xiao Wu, why didn't you say anything when you left without permission?"

Xiao Wu lowered her head and explained to Su Chen,

"I just wanted to get the soul bones of Da Ming and Er Ming back, but I didn't expect that Tangshan would give them to me only after the war. I didn't pay attention and was knocked unconscious."

Su Chen shook his head when he heard Xiao Wu's words and said,

"I will help you get the soul bones in the future. I will resurrect Da Ming and Er Ming. Let's leave."

"good!"

When Zhu Zhuqing heard that Xiao Wu was about to leave with Su Chen, she asked Xiao Wu with a confused look on her face,

"Xiao Wu, do you really want to leave? We are partners and friends. Have you defected to the Spirit Empire? Or are you being controlled by this shameless bastard?"

Xiao Wu looked at Zhu Zhuqing and shook her head and said,

"Zhuqing, I will tell you this later. You must be careful in the Tiandou Empire."

"Let's leave!"

Su Chen hugged Xiao Wu and was about to teleport away.

However, at this time, Zhu Zhuqing also quickly hugged Xiao Wu.

When Su Chen activated the teleport to leave, Zhu Zhuqing was also taken by him and disappeared into the tent.

Jialing When

Su Chen appeared here with Xiao Wu, he saw Zhu Zhuqing was also brought here.

Su Chen asked in confusion,

"Let me tell you, little beauty, are you throwing yourself into a trap and becoming a prisoner?"

Chapter 2144

Su Chen didn't expect that Zhu Zhuqing would throw himself into a trap.

He actually didn't want to catch Zhu Zhuqing.

Although Zhu Zhuqing, the little wild cat, was a very sexy woman, Su Chen was also very interested in her.

But Ning Rongrong and Xiao Wu among the seven monsters were both captured by him. If Zhu Zhuqing was captured by him again, there would be no women among the seven monsters. Tangshan and Dai Mubai would probably be even more angry.

Su Chen was also worried that those people would not be able to resist launching a decisive battle if they did not wait for reinforcements from Poseidon Island to arrive.

"Zhuqing, why are you here too?"

Xiao Wu was also very confused when she looked at Zhu Zhuqing. When Xiao Wu was hugged by Zhu Zhuqing in the tent, she wanted Zhu Zhuqing to let go, but Su Chen's speed was too fast. Before Xiao Wu had time to speak, she and Zhu Zhuqing were taken back to Jialing Pass.

After Zhu Zhuqing glared at Su Chen, she asked Xiao Wu seriously,

"I want to know what happened to you? Why did you change so much after you were caught?"

Xiao Wu nodded after hearing Zhu Zhuqing's words and said,

"Okay, you come with me and I'll tell you what's going on"

"good!"

Su Chen saw Xiao Wu leaving with Zhu Zhuqing. He shook his head and didn't bother to care about them.

The three girls among the seven monsters are all here now, eh!

No, that little beauty Ning Rongrong was taken away by her father.

However, there are three missing women among the seven monsters.

The people in Tangshan may be mad. I hope they can wait rationally for the people from Poseidon Island to arrive. Otherwise, Su Chen will have to go to Poseidon Island himself.

One day passed,

Wu After the Soul Empire destroyed the 400,000 troops of the Tiandou Empire, it did not launch another attack, and the Tiandou Empire did not launch an attack on the Wuhun Empire. In the following three days, the Wuhun Empire sent some troops to attack the Tiandou Empire every day. Some troops had to be sent to resist.

In the past three days, the Tiandou Empire had lost at least more than 600,000 troops, which was almost half of the troops that the Tiandou Empire had lost. At

Jialing Pass,

Zhu Zhuqing knew that Tangshan was a reborn person. Finally, even at Xiao Wu's request, Su Chen passed on the memory of Zhu Zhuqing in the Shenyu Continent to Zhu Zhuqing.

Zhu Zhuqing has no plans to return to the military camp of the Tiandou Empire now. She is very fond of Zhu Zhuqing in the other world. Interested, even Su Chen, a cultivator of immortality, was very interested.

On the city wall,

Liu Erlong leaned into Su Chen's arms and asked, "Su Chen, are you going to the battlefield tomorrow too?"

Su Chen touched Liu Erlong's hair and replied,

"Well, those people from Poseidon Island have arrived, and tomorrow may be the decisive battle"

"Should we go too?"

"If you want to go, go ahead. There will be no danger in this decisive battle."

"Forget it, I won't go."

Liu Erlong thought about it and decided not to go.

The people in the Tiandou Empire were all on good terms with her, and she didn't want to watch those people being killed one after another.

Liu Erlong suddenly thought of his aunt Liu Erlong in Tangshan, Su Chen actually sent someone to arrest Tang Yuehua.

Liu Erlong looked at Su Chen and asked doubtfully,

"Su Chen, Tang Yuehua is just a low-level soul master, why did you capture her too?"

After Su Chen heard Liu Erlong's words, she thought of that gentle woman.

Tang Yuehua was really a very gentle woman. Even if she knew that Tang Hao and others were hung on the city wall, Tang Yuehua would still be very angry. But she still didn't yell.

Su Chen also liked Tang Yuehua very much.

"I just want to make Tangshan angry. Don't worry, I won't do anything to Tang Yuehua. I will let her go after the war is over. Liu

Erlong glared at Su Chen and snorted coldly, "Hmph, do you think I will believe you, you bastard?" You seem to have been forcing Tang Yuehua to play the piano for you these past few days."

"Aren't I bored in Jialingguan?"

"You are boring ass, I am being harmed by you every day, and Emperor Lan Yin, don't think that I don't know that you have taken her down too, you are just a shameless pervert"

"Lan Yin Huang and A Yin are two people from different worlds, but they are exactly the same. How could I give up Lan Yin Huang? Besides, if you can serve me well, I will have the energy to find other women."

"Shameless! If you dare to talk nonsense again, I will destroy you, and you should stop trying to harm other women."

Liu Erlong's face turned ugly when he heard Su Chen's words.

She has been tortured by Su Chen these days. She even fainted every time.

Liu Erlong did not expect that Su Chen was so difficult to deal with. She was alone. It's really hard for people to resist this bastard.

Su Chen smiled when he saw Liu Erlong's ugly face.

Liu Erlong was so tough.

Whether Liu Erlong was talking to him or making out with him at night, Liu Erlong always wanted to take the initiative and even refused to admit defeat. Su Chen had enjoyed Liu Erlong's service these days.

"I'm going to find Xiao Wu!"

Liu Erlong saw Su Chen smiling.

She was worried that this bastard would do those embarrassing things in broad daylight.

Although Liu Erlong didn't mind doing those things with Su Chen during the day, she was also worried that Xiao Wu and Zhu Zhuqing would find out. She didn't want to be embarrassed in front of Xiao Wu and Zhu Zhuqing.

Su Chen nodded and said,

"Go ahead, Xiao Wu and Zhu Zhuqing should be about to break through to Titled Douluo."

Liu Erlong heard Su Chen's words and rolled his eyes at Su Chen before leaving.

She is now also a ninety-two-level Titled Douluo. Liu Erlong did not expect that she would be able to advance to the Title Douluo level in just a few days. Su Chen said that she was even more impressed by the means.

However, she thought that in order for Xiao Wu and Zhu Zhuqing to advance, she promised to do the most disgusting things to this bastard.

Liu Erlong felt like vomiting just thinking about it now, and she swore that she would never do it again in the future. He has a mouth to help this shameless bastard.

Whoosh!

After Su Chen left, he instantly appeared on the other side of the city wall.

Su Chen looked at Tang Yuehua feeding water to people like Tang Hao and Tang Chen, and he shook his head in silence. He shook his head.

People like Tang Hao will be executed in front of the army tomorrow. What Tang Yuehua did is simply unnecessary.

At this time, Tang Yuehua was a little haggard.

She was dressed in a white dress, with long hair shawl, a perfect and proud figure, and a beautiful face. Such a beautiful and beautiful woman seemed very helpless and sad at the moment.

Su Chen appeared next to Tang Yuehua and said,

"Tang Hao and these people will be executed tomorrow. Tang Yuehua, you don't have to worry about them anymore."

"Su Chen, please let go of my two brothers and the elders of Haotian Sect. I can promise you anything."

Chapter 2145

When Tang Yuehua saw Su Chen's sudden arrival, she hurriedly begged Su Chen that both

Tang Hao and Tang Xiao were her brothers, and she didn't want to see both of her brothers executed tomorrow.

Moreover, if several elders of the Haotian Sect were to be executed, the Haotian Sect would really be finished. There would also be a deposed ancestor Tang Chen. None of these people, Tang Yuehua, wanted them to be killed.

For the sake of Tang Hao, Tang Xiao, and the people of Haotian Sect,

Tang Yuehua could even commit herself to Su Chen who kept hitting her.

Su Chen shook his head and refused,

"No, Tang Yuehua, you should understand that this is a war. Tang Hao and others have been against Bi Donger for decades. It is impossible for them to survive this time. This is a fact that cannot be changed."

"Sister, if we don't ask him, we will die. Don't do anything stupid."

"Third sister, don't worry about us. Life and death are our destiny. Even if we die, we will have no regrets."

When Tang Xiao and Tang Hao saw Su Chen arriving, and even heard Tang Yuehua begging Su Chen, they were all very angry. They didn't want to be insulted by this bastard because Tang Yuehua saved them.

Everyone else in the Haotian Sect was shaking their heads, they simply did not believe that Tang Yuehua could save these people. The Wuhun Empire had been exterminating the Haotian Sect so quickly. They were all caught this time. How could the Wuhun Empire let them go?

"Big brother, second brother!"

Tang Yuehua was so sad that she didn't know what to do. Su Chen's refusal made her feel very helpless. Su Chen looked at Tang Yuehua's sad look and shook his head.

The people of Haotian Sect must be killed. Tangshan and Tang Hao It's impossible to stay. One is a time traveler, and the other stole his wife. These two are basically enemies of life and death.

"Someone come!"

"Owner!"

A female ghost in white suddenly appeared and saluted.

Su Chen looked at the people hanging on the city wall and ordered,

"Let the army send them to the battlefield and publicly execute them tomorrow"

"Yes, master!"

At this time,

Tang Hao shouted to Su Chen,

"Wait, Su Chen, let me see Emperor Lan Yin again. I just want to see Emperor Lan Yin again before I die."

"Second brother....."

When Tang Yuehua heard Tang Hao's words, she wanted to tell him something, but when the words came to her lips, she didn't know what to say.

Lan Yinhuang was already Su Chen's woman. She had seen it clearly in the past few days. Tang Yuehua didn't want Tang Hao to know about this, and she didn't want Tang Hao to be sad and angry before his death.

Su Chen looked at Tang Hao and said coldly,

"No need, Tang Hao, if you have seen A Yin, you should understand that Emperor Lan Yin does not belong to you."

Tang Hao thought that A Yin and Emperor Lan Yin looked exactly the same, and they were even 100,000-year-old Lan Yin grass. He thought that Su Chen might do those things to Emperor Lan Yin, and Tang

Hao became angry because of Su Chen. He scolded and threatened,

"You bastard, if you do anything to Emperor Lan Yin, I will crawl out of hell and kill you even if I die."

"Then I'll wait for you to come from hell"

"Damn bastard, I'm going to kill you, I'm going to kill you."

Bang!

A female ghost suddenly appeared in front of Tang Hao.

She punched Tang Hao fiercely and threatened,

"Shut up, if you dare to curse the master again, I will cut out your tongue."

Su Chen shook his head when he heard Tang Hao scolding him. He hugged Tang Yuehua and left here instantly. If Tang Yuehua hates him in the future, you can hate him, but people like Tang Hao must die.

Su Chen appeared with Tang Yuehua in front of her. After entering the room, Tang Yuehua glared at Su Chen and shouted angrily, "Why! Why? Why can't you let my brothers go?"

Su Chen hugged Tang Yuehua and explained,

"Enemies of life and death cannot be let go. Tang Yuehua, you should understand that if the Haotian Sect and the Tiandou Empire win this war, do you think they will let Bi Dong'er go?"

"Will they let Qian Xueer go? I'm afraid all the powerful Douluo in the Wuhun Empire will be destroyed. You have to understand that this is a war, a life-and-death war, not a competition."

Tang Yuehua pushed Su Chen away and shouted, "I don't understand, I just don't want to lose my loved ones!"

"You will have relatives in the future, you will definitely have relatives."

Su Chen rubbed his forehead and felt a very headache.

Damn it, if

I had known that I would not have caught Tang Yuehua, it would be more tiring to persuade this woman than to fight. If Su Chen didn't have a very good impression of Tang Yuehua, he would not bother to care. This woman begged.

Tang Yuehua suddenly said to Su Chen expressionlessly, "Leave, leave my room. I don't want to see you again in the future."

"All right!"

Su Chen shook his head and left Tang Yuehua's room.

Suddenly,

Su Chen was worried that Tang Yuehua would commit suicide. If those people in No. Tang were executed, Tang Yuehua might really have the tendency to commit suicide. If Tang Yuehua committed suicide, this would not be a good thing.

Su Chen thought for a while and shouted,

"Xiaolan!"

A female ghost in white suddenly appeared and saluted,

"Owner!"

"Watch the woman in the room and don't let her commit suicide"

"Yes, master!"

Su Chen shook his head and left.

Tang Yuehua could only wait a long time before dealing with him. To persuade him now would simply add fuel to the fire.

"who?"

Su Chen suddenly realized that someone was spying on him, and he disappeared in an instant.

Just as Su Chen disappeared, more than thirty female ghosts in white suddenly appeared around him. These female ghosts were all vigilant, but none of them To think that someone might be snooping around here, these female ghosts have failed in their duty.

"what happened?"

At this time,

Liu Erlong rushed over quickly. She had also heard Liu Su Chen's loud shout just now. When the female ghosts saw Liu Erlong coming, they hurriedly saluted Liu Erlong. A female ghost in white greeted him. Liu Erlong replied,

"Madam, someone was snooping here just now, and the owner has already chased him."

Liu Erlong said in surprise when he heard the female ghost's words,

"Someone dares to snoop here? It seems that the person who arrived is very powerful."

Liu Erlong didn't expect that anyone would dare to spy here. You must know that the maids here are as powerful as gods. She guessed that the one who came this time should be the main god Poseidon or Shura God, otherwise the maids in Jialing Pass would be in trouble. Discovered.

Emperor Lan Yin also arrived here quickly. She frowned when she heard Liu Erlong's words.

Very powerful?

Could it be a god?

Emperor Lan Yin did not expect that the god of war was really involved this time.

Tang Yuehua... Shi Ye walked out of the room.

She looked at Liu Erlong and Queen Lan Yin, and then hurriedly looked at the people in Tang Hao who were hanging on the city wall. She hoped that the people who came could rescue her brothers and Haotian. Zong people.

When Liu Erlong saw Tang Yuehua looking towards the city wall, she shook her head and said,

"Needless to say, even if the person who comes is a god, he will not be able to save those people from the Haotian Sect."

Chapter 2146

Emperor Lan Yin looked at Tang Yuehua and shook her head. It was impossible for Tang Yuehua to persuade Su Chen to let go of Tang Hao's people. If she could persuade Su Chen to let Tang Hao's people go, she would have asked Su Chen to let them go.

Emperor Lan Yin also tried to persuade Su Chen several times, but none of them succeeded.

She was also severely taught a lesson by Su Chen several times. Emperor Lan Yin blushed when she thought of Su Chen's lessons to her.

Tang Yuehua saw that the people in Tang Hao were still hanging on the city wall, and she went back to the room with a helpless expression.

Tang Yuehua didn't know who was snooping here just now, but since Su Chen caught up with him, the snooping person might have been either killed or captured by Su Chen.

Su Chen was so powerful that

Tang Yuehua even felt that Su Chen was stronger than a god.

At this moment, on a large mountain thousands of miles away from the God of Jialing Pass, Su Chen stopped the man who had just spied on Jialing Pass.

No, it should be the god in this small world.

Su Chen looked at the man in black robe and said,

"God Shura? The man in black robe hoarsely asked Su Chen, "You shouldn't be from this world. Who are you?"

Su Chen looked at Shura God and said disdainfully,

"Hey, Tangshan is not from this world either. Have you ever asked him? Or have you checked Tangshan's memories and even wanted to know where the Tangshan world is?"

Shura God stared at Su Chen with his red eyes and shouted,

"Outsiders, Wuhun Continent does not welcome you. Please leave Wuhun Continent."

"What if I don't leave?"

"Then you will become an enemy of the divine world?"

Su Chen laughed when he heard Shura God's words,

"Spirit world? In my opinion, it is a joke. God Shura, if my strength were not sealed, I could crush you to death with one hand. With my current strength, is it difficult to kill you?"

Su Chen also understands the gods in Wuhun Continent.

The strength of Shura God in Wuhun Continent is the same as that of the immortal cultivators in Dongxu Realm. If Shura God fights with the immortal cultivators in Dongxu Realm, the immortal cultivators in Dongxu Realm can kill them. Shura God

"You want to kill me?"

God Shura became nervous.

He did not expect that this strong man would kill him.

God Shura also felt how powerful Su Chen was.

He was discovered by Su Chen just after he arrived at Jialing Pass, and even appeared thousands of miles away to intercept him in an instant. He stopped him.

God Shura knew that this outsider was a powerful god, even more powerful than all the gods in the God Realm.

Su Chen continued indifferently,

"Yes, the mistake is that you should not let Tangshan inherit your throne. If you dare to spy on me today, you no longer need to live."

"I am Shura God, you can't kill me"

"Killing, right? You are just a powerful person. I don't know how many gods I have killed that are countless times more powerful than you. Do you think I can't kill you with the immortality of Shura?"

God Shura was worried when he heard about Su Chen's people.

He didn't expect that Su Chen could even see his divinity. He is one of the five major gods in the God Realm and a god of judgment. God Shura never thought that he would die today. it's here

"Sword of Shura!"

God Shura suddenly waved his hand and a huge divine sword appeared out of thin air. This huge divine sword quickly killed Su Chenzhan.

God Shura wanted to strike first, and this powerful foreign god would not let go. If he can get past him, God Shura will fight to the death.

When Su Chen saw God Shura take action, he snorted coldly and waved his hand to activate the law of space.

"Hum, space cutting!"

Boom boom boom.....

Loud noises erupted on the mountain, and the nameless mountain was instantly destroyed by the powerful power of the battle and collapsed.

"Shura's ruling!"

"Time goes backwards!"

"Damn it, the destruction of Shura's soul!"

God Shura saw that his physical attacks were ineffective at all, so he anxiously launched a soul attack. He didn't believe that Su Chen could still escape the soul attack.

"Psychic attack? Really looking for death."

Su Chen didn't expect that God Shura actually knew how to attack with mental power, but would mental power attacks be useful to him?

Su Chen's mental power was comparable to the sea. A stinking ditch wanted to swallow up the boundless sea. God Shura was simply seeking death.

Boom boom boom.....

After Su Chen was attacked by God Shura's mental power, his mental power also activated.

Wave after wave of invisible mental power continued to oppress this space. The space in this area was oppressed by Su Chen's huge mental power, constantly emitting The roaring sound seemed to be about to break into pieces.

Ahhhhh.....

After the spiritual power of God Shura was dispelled, Su Chen's spiritual power attack directly attacked God Shura. At this moment, God Shura covered his head and kept screaming.

Crash!

After a loud noise,

Shura God's body was exploded by the impact of mental power.

"Space prison!"

When Su Chen saw the body of God Shura explode, he hurriedly used the law of space to imprison the golden light bursting out of God Shura's body.

He would not let God Shura's divinity escape.

Without divinity,

God Shura just wanted to be resurrected. Impossible.

Su Chen looked at the divinity in the space prison, and he continued to completely destroy God Shura.

"Space purification!"

"No....."God Shura screamed in the space prison and was completely destroyed.

Su Chen looked at the pure divinity in the space prison, and he smiled and said,

"The harvest this time is good. With these pure divinities, it is very useful to Dong'er and Liu Erlong. God Shura is really here to give gifts. I hope Poseidon can also come."

Whoosh!

Su Chen glanced at the side and left. He didn't care about the god who was peeking on the side. That god was not Poseidon, the god of the sea. There was no need for Su Chen to kill him.

Whoosh, a blond woman suddenly appeared next to him. Where Su Chen and Shura God were fighting, she looked around and whispered,

"Such a powerful spirit"

"God Shura was killed without the ability to resist. It seems that nothing will happen to Qian Xueer this time without him taking action."

"Qian Xue'er's mother actually has a husband who is a powerful god. With this powerful god protecting Qian Xue'er, Qian Xue'er will also become the most powerful god in the divine world."

"Just now, the god must have discovered him, and he didn't take action probably because of Qian Xueer's face."

The blond woman looked at the direction in which Su Chen disappeared, and she disappeared in an instant.

She will continue to protect Qian Xueer for a while.

Poseidon also appeared in Wuhun Continent. The blond woman will not let Poseidon kill her successor.

Whoosh!

After Su Chen left the blond woman, he appeared here again.

Su Chen didn't leave at all just now. He just entered the space prison and wanted to know who the god hidden around him was.

"Angel god? Turns out he is Qian Xueer's god"

"It seems that the angel god is here to protect Qian Xueer, but does the angel god appear in the plot? It seems not? Even though Qian Xueer's angel godhead was damaged, the angel god didn't appear. Could it be that the angel god was intercepted by Shura God and Poseidon at that time?"

Chapter 2147

At Jialing Pass, when Su Chen came back, he saw Liu Erlong and Lan Yinhuang waiting for him, so he told them about killing Shura God, so that the two women didn't have to worry too much.

Liu Erlong was surprised when he heard Su Chen's words and asked,

"God Shura? You actually killed the God of Judgment!"

Although Liu Erlong knew that Su Chen was very powerful, she didn't expect that Su Chen would kill the Shura God in a short time.

This bastard is too powerful.

In Wuhun Continent, all the gods are not capable of killing him. He might be Su Chen's opponent.

Su Chen hugged Liu Erlong and kissed him and said, "It's just a false god. God Shura is just a powerful human being. Don't be too afraid of those gods. Liu

Erlong rolled his eyes at Su Chen and said,

"This can only be said by you. We are all little scum. We are simply vulnerable in front of God."

"It won't happen in the future. This time I robbed God Shura of his divinity. I will share it with you later. If you absorb these divinities, you may be able to advance to Peerless Douluo."

"Divinity?"

Emperor Lan Yin was very surprised when she heard Su Chen's words, divinity?

She had heard of it before, but she didn't know what divinity was.

Su Chen nodded and explained,

"Well, divinity is the same as the attribute bonuses obtained after becoming a god at level 100. The divinity of Shura God is the ability to die."

Liu Erlong asked in surprise, "Can we gain immortality by absorbing divinity?"

Su Chen shook his head and said

"No, you have not obtained the godhead of God Shura, and I have also purified the divinity of God Shura to the initial level. Now these divinities can only increase your soul power level."

"That's not bad either."

Liu Erlong didn't care about immortality after hearing Su Chen's words. She was already satisfied that she could be promoted to Peerless Douluo.

In a short period of time,

Liu Erlong was promoted from Contra to Titled Douluo. Now he has With the divinity of God Shura, she was able to advance to Peerless Douluo in the shortest time, which was much faster than her decades of training. In

Hongyuan, in the military camp of Wuhun Empire,

Bi Donger saw her The arrival of her disciple Hu Nana made her a little happy.

Hu Nana was like her daughter in Bi Dong'er's heart. Her feelings for Hu Nana once exceeded that of her daughter Qian Xue'er.

In the big tent,

Hu Nana arrived and hurriedly saluted Bi Dong'er. ,

"Teacher, the Star Luo Empire's 600,000-strong army and seven powerful Douluo will arrive tomorrow."

"Our Spirit Empire is about to face millions of coalition forces from the two great empires, and there are even more than twenty Titled Douluo and Peak Douluo. This war may be very difficult for the Spirit Empire. Bi

Dong'er looked at Hu Nana and nodded,"Nana, don't worry, tomorrow is the decisive battle. Our Spirit Empire will definitely defeat the Heaven Dou Empire and the Star Luo Empire.""

"Teacher, do you have a solution?"

"have!"

"any solution? Bi

Dong smiled and said,

"Nana, all the titled Douluo of Haotian Sect were captured, even Tang Hao and the most powerful Tang Chen on the ground were not spared."

"Moreover, the Seven Treasures Glazed Tile Sect will no longer help the Tiandou Empire, so Tiandou and Xingluo will lose more than ten powerful Douluo, and they will also lose the auxiliary help of the Seven Treasures Glazed Tile Sect. Hu

Nana asked in surprise,

"All the powerful Douluo of Haotian Sect were caught? Tang Chen, the strongest person on the ground, was also caught? How can this be?"

Hu Nana was very shocked when she heard Bi Dong'er's words.

She didn't expect that all the powerful Douluo of the Haotian Sect had been captured.

There were at least six powerful Douluo in the Haotian Sect, plus the powerful Douluo from Tang Hao. Luo, how could the Wuhun Empire capture all the powerful Douluo of the Haotian Sect?

Tang Chen?

Isn't this the most powerful person on the ground a hundred years ago? Tang Chen is also one of the beings closest to gods, Hu Nana thought She didn't understand how her teacher caught these people.

Bi Dong'er looked at Hu Nana's shocked look and shook her head.

She thought that if Su Chen hadn't come to this world, she might have died in this battle of Jialing Pass. ,

Tangshan alone is a bit difficult to deal with, plus Tang Chen, the strongest on the ground, and even Bo Saixi, the high priest of Poseidon Island.

Bi Dong'er did not expect that Tangshan would have so many helpers in just a few years. Those who seize the body and be reborn should not be underestimated.

"Nothing is impossible. I will tell you this later, Nana. Tomorrow we will not only face Tiandou and the Star Luo Empire, we will also face the powerful Douluo from Poseidon Island."

"The high priest of Poseidon Island, Bo Saixi, is also a peerless Douluo, and even a demigod. Bo Saixi, the strongest in the sea, will be our most powerful enemy besides Tangshan.

Hu Nana exclaimed when she heard Bi Dong'er's words, "Poseidon Island?" Tangshan actually involved Poseidon Island in this war?"

Hu Nana felt like she was going to faint.

She felt that all the powerful forces in Wuhun Continent would appear in this war, and they would even stand on Tangshan's side.

Poseidon Island, this is a force with the same strength as Wuhun Palace, even in In the sea, not even the Wuhun Palace can be the opponent of those powerful Douluo in Poseidon Island.

At this time,

Qian Xue'er came into the tent and teased Hu Nana,

"Little fox, why are you scared?"

Hu Nana looked at Qian Xue'er and said with a cold face,

"How could I be afraid? I'm just worried! Qian

Xue'er curled her lips and said disdainfully,

"Tsk, don't worry, as long as the Queen's concubine is here, the high priest of Poseidon Island will also fall into the hands of that concubine when he arrives."

"Concubine?"

Hu Nana was confused when she heard Qian Xue'er's words.

Her teacher Bi Dong'er had a concubine?

How could she not know?

Hu Nana also felt strange when she saw Bi Dong'er this time. Bi Dong'er seemed to be more beautiful than before. Even the charm of a mature woman is vividly revealed in Bi Dong'er.

Could it be that in this short period of time, her teacher Bi Dong'er actually had a man?

When Hu Nana thought of this, she hurriedly looked at Bi Dong'er. She wanted to know Bi Dong'er. Is it true that you have a man?

"Nana, me....."

When Bi Dong'er was about to explain to Hu Nana, a soldier reported outside the tent,

"Reporting to the Queen, eight powerful Douluo prisoners from the Haotian Sect were sent from Jialing Prison. General Su Chen said that they could be executed tomorrow before the war started."

Chapter 2148

Bi Dong'er smiled when she heard the soldier's report. She knew that Su Chen had been paying attention to the battlefield. Tomorrow was the decisive battle, and that bastard would also come tomorrow.

In the past few days,

Bi Dong'er guessed that Su Chen must be having sex with Liu Erlong. Although she was very angry that Su Chen and Liu Erlong were together, she was also very depressed.

That bastard Su Chen is too powerful. She can't handle that bastard by herself. Liu Erlong, this woman competed with her for Yu Xiaogang before. Bi Dong'er never thought that she would serve that bastard Su Chen together with Liu Erlong in the future.

"Build eight high platforms and put all the people of Haotian Sect on the high platforms."

"Yes, Queen!"

Hu Nana said to Dong'er with a serious look on her face,

"Teacher, Jialing Gate Guard General Su Chen, how dare he instruct the Queen to do things? Do you want me to teach Jialing Pass guard Su Chen a lesson?"

Qian Xue'er mocked when she heard Hu Nana's words,

"Little fox, are you looking for abuse? Just based on your strength, Su Chen can knock you down with just one little finger.

Hu Nana asked Qian Xue'er doubtfully, "Huh?" Little bird, is the guard general of Jialing Pass very powerful?"

"Little fox, you will understand if you remove the word"?"

Qian Xue'er shook her head at Hu Nana.

She knew that Hu Nana didn't know Su Chen, and in her memory, Hu Nana had no relationship with Su Chen in the Shenyu Continent. Hu Nana seemed to just be in a small town with Su Chen.

Hu Nana was even more confused when she heard Qian Xue'er's words. Qian

Xue'er meant that Su Chen, the guard of Jialing Pass, was a very powerful person, but why hadn't she heard that the guard of Jialing Pass was a powerful fighter? Luo?

Bi Donger rubbed his forehead and said,

"Nana, Su Chen is very powerful, even much stronger than me. If you see Su Chen tomorrow, you will understand"

"Teacher, what you said is not true, is it? Are you no match for Jialing Pass guard Su Chen? How can this be?"

Hu Nana looked unbelieving.

Bi Dong'er is a ninety-nine-level peerless Douluo and a demigod who has inherited the throne of Rakshasa.

In the entire Wuhun Continent, there is no Douluo who is stronger than Bi Dong'er. No, it's Bo Saixi, the high priest of Poseidon Island. If she fights with Bi Dong'er, both of them may lose in the end. How could

Jialing Pass guard Su Chen be more powerful than Bi Dong'er?

Whoosh!

A woman in white suddenly appeared. In Dali, she looked at Bi Dong'er and saluted hurriedly,

"See ma'am!"

When Bi Dong'er saw Su Chen's maid appear, she asked doubtfully,

"what's the matter?"

The woman in white took out a jade box and said, "Madam, the master asked me to send the divinity of God Shura."

"The divinity of God Shura? God Shura was killed by Su Chen?"

Bi Dong'er was very surprised when he heard the words of the woman in white.

Divinity?

This is the most important fundamental thing of the gods in addition to the divine personality and artifacts. Only after the gods fall, will the divinity be inherited by the next generation of gods. Shura The god's divinity was actually robbed by Su Chen.

Bi Dong'er thought that Tangshan had inherited the throne of Shura God. He would never be able to obtain the divinity of Shura God in his life.

The woman in white nodded and replied, "Yes, madam, today When God Shura spied on Jialing Pass, his master beheaded God Shura, and his divinity was robbed by his master."

Hu Nana listened to the conversation between the woman in white and Bi Dong'er with a confused look on her face.

She didn't expect that the woman in white who appeared just now would actually call her teacher Bi Dong'er Madam?

The owner of the woman in white actually killed the Shura God?

This How is it possible?

How could a powerful god be killed?

Moreover, this woman in white felt very threatening to her. It might be very easy for the woman in white to kill her. Hu Nana was a little curious about the origin of this woman in white.

Qian Xue'er Looking at the jade box in Bi Dong'er's hand, she hurriedly said to Bi Dong'er,

"Queen, give me the divinity of God Shura. You can't use it now, so let me use it to improve my strength."

Qian Xue'er knows the importance of divinity.

She has inherited the position of angel god.

She knows some things.

If she absorbs the divinity of God Shura, Qian Xue'er may directly advance to the ninety-ninth level of Peerless Douluo.

In addition, she is a demigod.

Qian Xue'er will also have the ability to fight against some second-level gods in the future.

"You are dreaming!"

"Queen, mother, you are already a ninety-ninth level demigod, and you will practice immortal cultivation techniques in the future. Even if you use the divinity of God Shura, it will be a waste. You should let me use it."

Bi Dong'er heard that Qian Xue'er called her mother for her divinity, which made her amused and happy.

She had no intention of using these divinities. After this war, Bi Dong'er will switch to cultivating immortals.

But she would not let Qian Xue'er use these divinities alone.

Hu Nana was her disciple, and she always treated Hu Nana as her daughter. Bi Dong'er decided to let Qian Xue'er and Hu Nana use the divinity of Shura God together.

"You girl, use the divinity of God Shura with Nana."

"Ok, Ok!"

Qian Xue'er nodded hurriedly and agreed.

Qian Xue'er is now a peak Douluo at the ninety-sixth level. Even if she uses some of Shura God's divinity, her soul power will increase a lot.

Hu Nana feels that her brain is not enough,

Qian Xue'er Bi Dong'er actually reconciled with Bi Dong'er? Even her mother screamed?

What about the immortal cultivation technique?

Why did Bi Dong'er and Qian Xue'er change so much after Hu Nana went to the Star Luo Empire and came back?

At Jialing Pass,

Xiao Wu and Zhu Zhuqing completed their promotion in the evening.

One of them was a ninety-three-level titled Douluo, and the other was a ninety-two-level titled Douluo. They were promoted to six or seven levels this time. , the strength is much stronger.

At the dining table in the main hall,

Su Chen and the girls sat together to eat.

They all will go to the battlefield of Hongyuan tomorrow, and they will spend the last night in Jialing Pass.

Zhu Zhuqing sits He said next to Su Chen,

"Su Chen, can Dai Mubai and the others be spared in tomorrow's war? You can kill Tangshan, Dai Mubai and Oscar, Ma Hongjun, they are all our friends, I don't want to see them killed."

Su Chen nodded and agreed, "Yes, as long as they don't go against me, I won't kill the three of them."

Dai Mubai, Oscar, and Ma Hongjun are all insignificant characters. It doesn't matter whether they are killed or not.

However,

Su Chen felt that Dai Mubai and Oscar might be seeking death. After all, Ning Rongrong and Zhu Zhuqing would be left behind by him. Dai Mubai and Oscar will also fight to the death with themselves.

"Thank you!"

Chapter 2149

Hongyuan, the military camp of the Tiandou Empire, in the big tent,

Tangshan and the Emperor of the Tiandou Empire, Yu Xiaogang, and Poison Douluo were welcoming the nine people arriving from Poseidon Island.

This time nine powerful Douluo arrived on Poseidon Island, including the high priest Bo Saixi.

The arrival of the strongest Bo Saixi in the sea made Tangshan very happy. With the arrival of the high priest Bo Saixi in person, Su Chen in Jialing Pass had someone to deal with. When High Priest Bo Saixi heard Tang Shan's story in the tent, her face had always been very calm. However, after Tang Shan mentioned that Tang Chen was deposed and captured, High

Priest Bo Saixi's face changed.

Priest Bo Saixi's cold and beautiful face showed an angry expression.

She did not expect that Tang Chen would be deposed, and even arrested and hung on the wall of Jialingguan.

Tang Chen, the person she loved in her life, the high priest Bo Saixi did not expect that Tang Chen would end up being deposed, which filled her heart with anger and murderous intent.

High Priest Bo Saixi asked Tangshan coldly, "Tangshan, Tang Chen was really destroyed and caught by that Su Chen?"

Tangshan nodded and replied,

"Yes, High Priest."

High Priest Bo Saixi thought for a moment and then continued to ask with his eyebrows raised.

"What is the origin of Su Chen? How could he defeat Tang Chen?"

Tangshan shook his head and replied,

"We didn't find out clearly that Su Chen used to be the guard general of Jialing Pass, and we didn't know that Su Chen would be a powerful peerless Douluo."

High Priest Bo Saixi stood up and looked at the people in the big tent. She felt that Su Chen couldn't be just a powerful Peerless Douluo.

Tang Chen was the most powerful existence of Peerless Douluo, and ordinary Peerless Douluo simply couldn't. He is no match for Tang Chen, let alone deposed Tang Chen.

Su Chen may be a powerful demigod who inherited the divine throne.

High Priest Bo Saixi guessed that Su Chen should be a demigod. Only a demigod can mobilize divine power to defeat Tang Chen. morning

"A peerless Douluo is simply not enough to defeat Tang Chen. That Su Chen must be more than a peerless Douluo. Tangshan asked Bo Saixi in surprise, "High Priest, are you saying that Su Chen might be a demigod who inherited the throne?"

"possible!"

Tangshan's face turned very ugly when he heard Bo Saixi's words.

There were actually three demigods in the Wuhun Empire, Queen Bi Dong'er, Princess Qian Xue'er and the demigod Su Chen. In the

Heaven Dou Empire, he and the high priest Bo were the only ones. Of the two Cexi, Tangshan can deal with either Qian Xue'er or Bi Dong'er, and High Priest Bo Saixi can deal with Su Chen, but there is still one less powerful Douluo.

Tangshan looked at Bo Saixi and said helplessly, "High Priest, There are three demigods in the Wuhun Empire. The high priest and I are the only ones who can deal with the demigods. We still lack a powerful Douluo."

"In Tangshan, the seven guardians of Poseidon can jointly contain a demigod. As long as we kill our respective opponents as soon as possible, the remaining demigod is not a concern."

"However, there are still many Titled Douluo and Peak Douluo in the Wuhun Empire. If those powerful Douluo launch an attack tomorrow, we don't have that many powerful Douluo to intercept them."

High Priest Bo Saixi shook her head when she heard Tangshan's words.

She did not expect that the situation in Tiandou Empire and Tangshan would be so complicated. There are only a few Titled Douluo and Peak Douluo, and the powerful Douluo of Tomorrow Star Luo Empire are Arrive, there are more than ten Titled Douluo and Peak Douluo here.

There are at least 20 or 30 Titled Douluo and Peak Douluo in Wuhun Empire.

The gap in strength is really too big.

"Tangshan, what can you do?"

At this time,

Yu Xiaogang stood up and said with a serious face,

"High Priest, I want you to kill Su Chen tonight. Su Chen is not in the Wuhun Empire's camp. That Su Chen should still be in Jialing Pass. As long as you kill Su Chen, we will not be able to face the Wuhun Empire's attack tomorrow. It will be easier."

Bo Saixi asked suspiciously after hearing Yu Xiaogang's words.

"Are you going to kill that Su Chen tonight?"

Yu Xiaogang nodded and replied, "Yes, only by killing Su Chen can we be on par with the powerful fighting force of the Spirit Empire, and tomorrow's war will be easier for us. Tang

Shan clenched his fist and said coldly,

"High Priest, why don't I go with you to assassinate Su Chen tonight? As long as we can kill Su Chen quickly, Bi Dong'er will know about it and she won't have time to rescue Su Chen."

Bo Saixi shook his head and refused,

"No, tonight is a crucial night. The Wuhun Empire may have powerful Douluo to assassinate Emperor Tiandou. You should stay to protect the Emperor of Tiandou Empire. I will kill Su Chen tonight."

"Then leave it to the high priest"

"Thank you to the high priest for taking the initiative!"

Tangshan, Dai Mubai, Yu Xiaogang, and the emperor of the Tiandou Empire all thanked the high priest Bo Saixi.

In the evening, at Jialing Pass, after Su Chen had a meal with Liu Erlong and the others, he came to Tang Yuehua's room again. He was leaving Jialing Pass tomorrow.

Su Chen hadn't figured out how to arrange Tang Yuehua. Tang Yuehua, a gentle woman like water, gave him a headache.

In Tang Yuehua's room, after Su Chen arrived,

Tang Yuehua glared at Su Chen and shouted, "What are you doing here? I don't want to see you!"

Su Chen looked at Tang Yuehua and said helplessly.

"Tang Yuehua, to be honest, you are the gentlest woman with the best personality I have ever seen. Of course, you are also a very beautiful woman. I don't know how to deal with you now. Tang

Yuehua said with a cold face when he heard Su Chen's words,

"Place me? No need, you either kill me or let me go. I don't want to see you again."

Su Chen coughed awkwardly and said,

"cough! I'm afraid this is impossible. You will be helpless in the future. I think it's better for me to take care of you."

"Shameless, I don't need your care."

Tang Yuehua was very angry when she heard Su Chen's shameless words. This bastard is going to kill her brother tomorrow and has not given up on beating her yet. Tang Yuehua feels very sad when she thinks about what is going to happen tomorrow. Su Chen feels sorry for Tang Yuehua.

He said shamelessly, "If you need it, I will take care of you for the rest of your life."

Su Chen doesn't care about face anymore. He pretends to be aloof, but he can't chase beautiful beauties. He can only get the beautiful beauties he wants by being shameless and shameless.

"Get out, I don't want to see you again....."

Whoosh!

Before Tang Yuehua finished speaking,

Su Chen suddenly hugged Tang Yuehua and appeared on the wall of Jialing Pass. He looked in one direction and frowned.

A peerless Douluo, how could a powerful peerless Douluo come to Jialing Pass tonight, and it seems that the person who came here is evil.

Tang Yuehua did not expect that Su Chen would suddenly appear on the city wall holding her in his arms.

She looked at Su Chen's confused look and even kept looking in one direction. Tang Yuehua guessed that someone should be coming to Jialing Pass, maybe even a powerful Peerless Douluo

"Is there a powerful Douluo coming?"

Chapter 2150

Su Chen nodded when he heard Tang Yuehua's words.

He still couldn't figure out who would dare to come to die. Those people in Tangshan should know how powerful he was, so who would be the Peerless Douluo coming this time?

"Let me go."

Tang Yuehua suddenly thought that Su Chen was still holding her. She blushed and struggled hurriedly.

Su Chen became happy after hearing Tang Yuehua's words. How could he let go of such a good opportunity to get close to Yuehua.

Su Chen hugged her shamelessly. Tang Yuehua softened her waist and said,

"Don't make trouble. The people who come are very powerful. You will be very safe if you stay with me."

"You are shameless!"

Tang Yuehua yelled at Su Chen with shame and anger.

She knew that Su Chen was very powerful, and even a peerless Douluo might not be Su Chen's opponent.

Tang Yuehua felt that Su Chen was hugging her on purpose, or even Deliberately trying to take advantage of her.

But she had no choice.

She was just a little soul master, and

Tang Yuehua was unable to escape from Su Chen's arms.

Swish swish swish.....

At this time, women in white suddenly appeared next to Su Chen. These female ghosts also discovered the uninvited guests who were coming.

When Su Chen saw the female ghosts appearing, he waved his hand and ordered,

"You all stand down!"

"Yes, master!"

After the female ghosts heard Su Chen's order, they saluted and disappeared on the city wall.

Tang Yuehua looked at the women in white who suddenly appeared and disappeared, and she felt very uneasy.

Although Tang Yuehua saw these women in white more than once Woman, but every time she saw these women in white, she felt fear in her heart. Each of these women in white gave her a very big threat, even like when she faced Queen Bi Dong'er before.

Whoosh!

At this time, a A woman about 1.8 meters tall suddenly appeared in the sky above Jialing Pass.

This woman was wearing a bright red robe, with long sea-colored hair hanging around her shoulders. Her soft face looked like she was about thirty years old. This woman was very beautiful..

Noble, elegant, cold and arrogant, with her proud and upright figure, peerless appearance, noble and cold temperament, a stunning beauty, a powerful stunning beauty. Su Chen was a little surprised when he looked at the arriving stunning beauty, High Priest Bo Saixi, why did this beautiful lady come here? Shouldn't she be preparing for tomorrow's decisive battle in Tangshan? Tang Yuehua was very surprised when she looked at the beautiful and noble woman in the sky. She didn't think that there was no one in Wuhun Continent except the Queen. In addition to Bi Dong'er, there is another woman with noble temperament. This woman is almost the same as Queen Bi Dong'er. One is cold and arrogant, the same noble, and even the same aloof. The high priest Bo Saisi holds a golden scepter and inspects Su Chen, she found that she couldn't see through Su Chen's soul power? This Su Chen had no soul power at all? What on earth was going on? Isn't this man Su Chen, the guard of Jialing Pass?

"Suchen?"

Su Chen hugged Tang Yuehua and nodded and replied,

"Yes, High Priest Bo Saixi, I didn't expect you to come to Jialingguan as a guest. Did you miss me?"

"You know me?"

High Priest Bo Saixi didn't expect that Su Chen would know her, which made her very confused.

Bo Saixi was sure that she had never seen Su Chen, and Su Chen couldn't have been to Poseidon Island. How could this Su Chen look at her? Do you recognize her?

Su Chen smiled and teased,

"Of course, you are the mother of my child, how could I not know you."

Boom!

After High Priest Bo Saixi heard Su Chen's words, she burst out with powerful soul power angrily,

"you wanna die!"

Su Chen waved his hand hurriedly and said, "Wait a minute, Bo Saixi, are you coming here to kill me?"

Bo Saixi held the scepter and said coldly,

"Yes, you are a powerful threat. If I kill you today, the battle tomorrow will be much easier. Su Chen, you are dead tonight. Put down the woman in your arms and prepare to die."

"Bo Saixi, I surrender, I decided to betray the Spirit Empire, I surrendered"

"Um? surrender? Why do you want to surrender?"

Bo Saixi was stunned.

Surrender?

This Su Chen wants to surrender?

What is going on?

Is Su Chen worried about being killed by her? Is Su Chen surrendering to save his life?

Su Chen pretends to be affectionate He looked like he was talking,

"Well, Bo Saixi, I was fascinated by you at first sight. You are so beautiful and sexy. I decided that if I want to pursue you in the future, I cannot be your enemy, so I want to surrender to the high priest."

High Priest Bo Saixi yelled angrily when he heard Su Chen's words.

"Shameless!"

Tang Yuehua didn't expect to be so shameless. This bastard wanted to get a beautiful woman when he saw it. She was completely speechless for this shameless pervert.

Tang Yuehua couldn't help but yelled at Su Chen,

"You are so shameless!"

Pah!

" Su Chen patted Tang Yuehua and reminded,"Don't be troublesome. High Priest Bo Saixi is my woman. It is only natural that I surrender to the High Priest.""

"you.....You shameless bastard."

Tang Yuehua didn't expect that this bastard would slap her in the back, which made her want to strangle this shameless pervert to death in shame.

Bo Saixi felt that Su Chen might be stalling for time. She couldn't wait any longer. She wanted to kill this guy as soon as possible. little bastard,

"Su Chen, put that woman down, you are dead this time no matter what."

Su Chen hugged Tang Yuehua and shook his head and said,

"This doesn't work, Bo Saixi, you still don't know who she is, right?"

"who is she?"

"Tangshan is aunt Tang Yuehua!"

"Um? You actually prepared the hostages a long time ago?"

Bo Saixi didn't expect that Su Chen also captured Tangshan's aunt.

Now there's trouble.

Su Chen has Tangshan's aunt in his hands. It's impossible for her to use her soul power to attack Su Chen. What if she hurt Tangshan's aunt? , and even killed Tang Shan's aunt.

This would cause Tang Shan to misunderstand, and even make Tang Shan hate her from now on. Bo Saixi didn't care about Tang Shan, but Poseidon was very optimistic about Tang Shan. Bo Saixi had to consider the consequences of accidentally killing Tang Yuehua.

When Su Chen heard Bo Saixi's words, he shook his head and said,

"hostage? Wrong, if I want hostages, there are many, including Tang Hao, Tang Xiao, and the loser Tang Chen who has been pursuing you. Which of them can't be my hostage?"
