

Zongwu 2151

Chapter 2151

Su Chen didn't even think about how to deal with High Priest Bo Saixi now. He couldn't catch High Priest Bo Saisi now, and he couldn't make High Priest Bo Saisi put down his hostility towards him.

If Su Chen caught the high priest Bo Saixi, he would even pass on Bo Saixi's memory in his memory.

After Bo Saixi went back and checked her memories, she found that she had no intention of helping the Tiandou Empire and Tangshan. Tangshan and those powerful Douluo would definitely leave.

Without the powerful Bo Saixi to help the Tiandou Empire, the powerful Douluo in the Tiandou Empire would also leave.

Without those people from Tangshan in the Battle of Jialing Pass, he would not have been able to complete the trial mission.

Su Chen now wants to use Tang Yuehua to make Bo Saixi return without success.

In this way, not only will he not have to take action, but Bo Saixi will still appear on the battlefield tomorrow, Tangshan and those powerful Douluo will not leave, and Su Chen will not leave tomorrow. You can successfully complete the trial mission.

Bo Saixi stared at Su Chen indifferently and said,

"Let go of Tangshan's aunt, and I can keep your whole body."

Su Chen hugged Tang Yuehua's small waist tightly and said with a smile,

"Haha, Bo Saixi, I don't want to die yet, at least I don't want to die tonight. I won't let go of Tang Yuehua. I will keep holding Tang Yuehua to rest tonight."

Tang Yuehua's expression changed when she heard Su Chen's words.

She didn't know if what Su Chen said was true, but she had seen how shameless Su Chen was this time. Tang Yuehua was also worried that Su Chen would really hold her tonight. Rest.

Bo Saixi did not expect that Su Chen would be so shameless.

A strong man did not dare to challenge.

This bastard even used a weak woman as a shield, which made her unable to do anything.

"Su Chen, you are not a strong person at all. Even the ruffians are stronger than you."

Su Chen shook his head indifferently and said,

"You will know tomorrow whether I am a strong person or not. Bo Saixi, it is already too late today. If you don't mind, the three of us can rest together. I don't mind adding you."

Bo Saixi's face turned red with anger when she heard Su Chen's words.

She glared at Su Chen fiercely and yelled,

"shameless bastard!"

"Thanks for the compliment!"

Bo Saixi held the scepter tightly and threatened,

"Su Chen, I will kill you with my own hands tomorrow. Su

Chen curled his lips and reminded,"Bo Saixi, don't talk too early. Maybe you will fall in love with me tomorrow.""

"snort!"

Bo Saixi snorted coldly and disappeared in Jialing Pass.

She had no way to take action today.

Su Chen kept holding Tang Yuehua in front of him. Tang Yuehua was another little scumbag whose strength could not be lower. Bo Saixi Even a random burst of soul power can tear Tang Yuehua into pieces.

When Su Chen saw Bo Saixi leaving, he was relieved.

Su Chen couldn't understand why Bo Saixi came to kill him? Tomorrow is the time for the decisive battle, Bo Saixi It is unreasonable that Sisi came to Jialing Pass to kill him tonight.

Su Chen hugged Tang Yuehua and asked doubtfully,

"Tang Yuehua, why do you think the high priest of Poseidon Island came to kill me tonight? Tang

Yuehua glared at Su Chen and said angrily, "That's because you have done many evil things. Bo Saixi doesn't want you to live another day."

"Maybe!"

Su Chen shook his head indifferently.

He no longer thought about these troublesome things.

No matter why the high priest Bo Saixi came to kill him today, it would not change the outcome of tomorrow's war.

Tang Yuehua looked at Su Chen and asked, "Why don't you take action? Why not kill the high priest Bo Saisi?"

Tang Yuehua is also very confused.

Su Chen is very powerful.

Even God Shura was killed by Su Chen today. Although the high priest Bo Saixi is powerful, can he be as powerful as God Shura?

But why does Su Chen want her ? As a shield?

Why didn't Su Chen take action to catch the high priest Bo Saixi? Or even kill the high priest Bo Saisi?

Su Chen said with a smile,

"Why should I take action? High Priest Bo Saisi will be my woman in the future, why should I kill my own woman?"

"shameless!"

"Tang Yuehua, you don't understand, High Priest Bo Saixi is indeed my woman, just like Bi Dong'er and Emperor Lan Yin."

Tang Yuehua was confused when she heard Su Chen's words.

She also felt very strange in her heart.

Queen Bi Dong'er has always been obsessed with Yu Xiaogang, but how could she suddenly become this shameless woman?

Bi Dong'er could not have been attracted by this The bastard is forced.

There is also Emperor Lan Yin.

Although Tang Yuehua doesn't know Emperor Lan Yin very well, in order to save Tang Hao and Tang Shan, who was still a baby, Emperor Lan Yin also took the initiative to sacrifice and self-destruct.

Tang Yuehua also feels that Emperor Lan Yin is not She is a woman who is always in a hurry, but Emperor Lan Yin has become the woman of this shameless man. Is everything this bastard said true?

Bi Dong'er and Emperor Lan Yin both knew Su Chen before? They even knew Su Chen. Is there an unforgettable love?

But is this possible?

Su Chen is only in his twenties, much older than Dong'er than Su Chen, and Emperor Lan Yin is much older than Su Chen. I'm afraid they couldn't have known each other before.

Tang Yuehua thought I felt a little headache.

Su Chen touched Tang Yuehua's confused face and said with a smile,

"Let's take a break together today!"

"Shameless, don't even think about it!"

Tang Yuehua became nervous immediately after hearing Su Chen's words.

She clenched her fists with shame and anger.

If this shameless person dared to insult her, Tang Yuehua would not let this shameless person succeed even if he died.

"Ha ha....."

Whoosh!

Su Chen laughed and hugged Tang Yuehua and disappeared instantly.

After the high priest Bo Saixi returned from the Tiandou Empire camp

, she told everyone in Tangshan about the Jialing Pass.

Everyone in the big tent was very confused when they heard what High Priest Bo Saixi said.

They did not expect that a powerful peerless Douluo, or even a demi-god who inherited the divine throne, would actually use a weak woman as a shield. Dare to challenge.

Tangshan now has an angry expression on his face.

He did not expect that Su Chen would also arrest his aunt Tang Yuehua. Everyone in the Tang family except him was arrested, Tang Chen, Tang Xiao, Tang Hao, Tang Yuehua, Su Chen Is this going to eliminate the root cause?

"Shameless guy, that bastard actually captured my aunt. My aunt is just a little soul master of a few levels. Su Chen, Su Chen, I must kill that shameless guy tomorrow."

Yu Xiaogang stood up and looked at everyone in the big tent.

He analyzed it with a serious face,

"Everyone, it seems that there will be a tough battle tomorrow. In terms of military, we are not weak to the Wuhun Empire. The Star Luo Empire's 600,000 troops, plus the Tiandou Empire's 700,000 troops, total 1.3 million troops. We are in the army. It also has advantages in terms of"

"But we are lacking in terms of high-level combat power. Bi Dong'er, Qian Xue'er, and Su Chen, the Wuhun Empire has three demigods who have inherited the divine throne, and there are at least thirty titled Douluo and Peak Douluo."

"On our side, only High Priest Bo Saixi and Tashan are powerful, Titled Douluo and Peak Douluo are even more lacking."

"There are only three Poison Douluo in the Tiandou Empire, at least six in the Star Luo Empire, and eight on Poseidon Island. We have less than twenty Titled Douluo and Peak Douluo, and the Seven Treasures Glazed Sect has also withdrawn from the war. This pair of We are adding insult to injury."

Chapter 2152

Yu Xiaogang felt very helpless.

If the eight powerful Douluo of the Haotian Sect had not been caught, and the auxiliary soul masters of the Seven Treasures Glazed Sect had not withdrawn, their combat power would basically be on par with the top leaders of the Spirit Empire.

However, the Haotian Sect was wiped out in one fell swoop, and the Seven Treasures Glazed Sect also withdrew from the war.

The current situation was very unfavorable to the Tiandou Empire.

People like Tang Shan and Dai Mubai were silent when they heard Yu Xiaogang's words.

They also understood that the high-level combat power was the key to determining the outcome of the war. Now there was a big gap between them and the high-level combat power of the Spirit Empire.

Once the war breaks out tomorrow, their high-level combat power will be no match for the Spirit Empire.

Bo Saixi looked at these people and said helplessly,

"I will kill Su Chen as soon as possible tomorrow. As long as you delay on the battlefield for half an hour tomorrow, the situation of the battle will change."

Bo Saixi felt very helpless. Poseidon had stayed out of this battle for the Martial Spirit Continent. Bo Saixi didn't want to help Tangshan and the Tiandou Empire, but Poseidon's order forced her to take Poseidon with her. The powerful Douluo from the island arrived.

However, this war was very detrimental to the Tiandou Empire and even to Poseidon Island. Bo Saixi could only try his best to help these people.

Yu Xiaogang looked at the high priest Bo Saixi and asked He said, "High Priest, can you kill Su Chen in half an hour?"

"Can!"

"Okay, I will delay the high priest for half an hour tomorrow."

Yu Xiaogang got Bo Saixi's confirmation. He decided to see Bi Dong'er again tomorrow. He should be able to delay the high priest Bo Saixi for half an hour.

These people in Tangshan heard Yu Xiaogang's words , they all understood what Yu Xiaogang was going to do tomorrow.

Although Yu Xiaogang did this very unethically, there was no other way.

Dai Mubai asked Tangshan with a serious face, "Tangshan, tomorrow Zhu Zhuqing and I wonder if Xiao Wu and Ning Rongrong will show up? Will the three of them also be executed by the Spirit Empire?"

"I have no idea."

Tangshan shook his head helplessly when he heard Dai Mubai's words.

He was very angry that Xiao Wu was controlled by Su Chen, but he could not save Xiao Wu.

Su Chen, like him, was a demigod who inherited the divine throne. Although Tang Shan inherited the dual god thrones, there were three demigods in the Wuhun Empire who inherited the god thrones. He couldn't save Xiao Wu even if he wanted to.

Tang Shan was also worried that Su Chen would insult Xiao Wu, but he was really powerless.

As long as the war is won tomorrow and Xiao Wu is rescued, Tangshan will not despise Xiao Wu regardless of whether Xiao Wu was insulted by Su Chen or not. He will treat Xiao Wu as before.

Oscar looked angry and shouted, "Damn it. Su Chen is a shameless pervert. It has been more than ten days. Ning Rongrong and Xiao Wu will definitely be humiliated by that Su Chen."

"Su Chen must die tomorrow!"

Dai Mubai clenched his fists tightly and said fiercely. His heart would bleed when he thought of the sexy and sultry Zhu Zhuqing. Zhu Zhuqing was sexier than Ning Rongrong and Xiao Wu, and her figure was very proud. Su Chen caught Zhu Zhuqing, how could that pervert let go of the sexy and sultry Zhu Zhuqing. Tang Shan said with an ugly face, "Don't worry, the high priest Bo Saixi will kill Su Chen tomorrow." The little fat man Ma Hongjun looked at the Tangshan trio and felt very sympathetic. The girlfriends of the Tangshan trio were all kidnapped by Su Chen, and they might even have been humiliated by Su Chen. Ma Hongjun felt a little lucky that his girlfriend Bai Chenxiang was not raped. Capture them. One night passed, and the next morning, the armies of the Wuhun Empire, Tiandou Empire, and even the Star Luo Empire, which had just arrived, all lined up in offensive formations on the Red Plains. Today was the time for a decisive battle. , was also the largest war in the history of Wuhun Continent. On the Red Plains, nearly two million troops filled the Red Plains outside Jialing Pass with black pressure. The flags of various empires, the rapid assembly of various legions, and the murderous intent erupted from each legion. , which caused the animals and some spirit beasts in Hongyuan to flee one after another.

"The day of decisive battle finally arrived."

On the high platform of the Wuhun Empire,

Queen Bi Dong'er held a scepter and looked at the army in front of her.

All the armies of the Tian Dou Empire and the Star Luo Empire were dispatched this time. Even more than a dozen powerful Douluo appeared one after another. Bi Dong'er Dong'er knew that today was a battle of life and death.

After Hu Nana looked at the Tiandou Empire, she looked around and found Su Chen's arrival.

Hu Nana compared Dong'er with confusion and asked, "Teacher, Jialing Gatekeeper Why hasn't Jiang Su Chen arrived yet?"

"he came! Bi

Dong'er replied with a smile.

Bi Dong'er could feel that Su Chen was around. Although she didn't find out where the bastard was, she was very sure that Su Chen had arrived.

Hu Nana heard that Bi Dong'er. After saying this, she looked around again and asked,

"coming? Why can't I see it? Qian

Xue'er looked at Hu Nana and mocked,

"Little fox, that's because your strength is low. We all know about Su Chen's arrival, but you don't. It seems that you have used the divinity of God Shura, and you are still a stupid fox."

Qian Xue'er didn't notice Su Chen's arrival, but she couldn't have known it without telling Hu Nana. She and Hu Nana had never dealt with each other. As long as Hu Nana could be attacked, Qian Xue'er would not miss such a good opportunity.

Hu Nana glared at Qian Xue'er. He said angrily,

"Little bird, I am now a peak Douluo at level ninety-eight. Why is my strength so low?"

"Is level ninety-eight very powerful?"

"you....."

Hu Nana was sometimes depressed.

Qian Xue'er was now a ninety-ninth level peerless Douluo, and had also inherited the title of Angel God.

Hu Nana was indeed not enough in front of Qian Xue'er.

Bi Dong'er now feels a headache.

Qian Xue'er has changed a lot since she got her memory.

She used to be taciturn, but now she is much more lively. However, Qian Xue'er and Hu Nana are not dealing with each other, so she has no way to solve it.

After Bi Dong'er gave Qian Xue'er a warning look, she said,

"You all should stop making trouble. The war will start soon. Su Chen will show up when he should."

"Yes, mother!"

"is teacher!"

At this moment, above Bi Dong'er's high platform,

Su Chen led Liu Erlong, Zhu Zhuqing, Xiao Wu, Lan Yinhuang, Tang Yuehua and other women in a spatial prison. They felt very strange when they looked at the densely packed army on the Red Plains. shock

"Su Chen, look, why is Ning Rongrong here too? And he is also heading towards the commanding platform of the Wuhun Empire?"

Chapter 2153

Zhu Zhuqing suddenly found Ning Rongrong arriving quickly, which surprised her.

Ning Rongrong had been picked up by her father, how could she come back? Did Ning Rongrong win as a prisoner?

Su Chen also discovered Ning Rongrong.

He did not expect that Ning Rongrong would come again. Moreover, neither the Wuhun Empire's army nor the powerful Douluo stopped Ning Rongrong. Ning Rongrong quickly passed through the sky above the Wuhun Empire's army..

Su Chen looked very speechless.

Hundreds of thousands of troops were looking at the little beauty in the sky. Ning Rongrong stole the show this time.

Hu Nana asked confusedly when she saw Ning Rongrong in the air,

"Teacher, isn't that Ning Rongrong from the Qibao Glazed Sect? What is she doing here? Bi

Dong'er shook his head and replied, "I don't know, maybe I came to see Su Chen.""

Bi Dong'er has some speculations about Ning Rongrong's arrival. Although Su Chen didn't capture Ning Rongrong, that bastard also did some excessive things to Ning Rongrong.

Bi Dong'er didn't bother to care about Su Chen and Ning Rong. Regarding Ning Rongrong's relationship, she was thinking about Concubine Yan, Ji Ruxi and those women. Ning Rongrong was not worthy of her attention at all.

Qian Xue'er clenched her fist and snorted coldly,

"Huh, Ning Rongrong must have come to see Su Chen this time. The Qibao Glazed Sect has withdrawn from this war and Ning Rongrong has not gone back. She must be plotting something against Su Chen."

Hu Nana looked at the angry Qian Xue'er and asked doubtfully,

"What does this have to do with you?"

"Why is it none of my business? Su Chen is a concubine....."

Before Qian Xue'er finished speaking, she suddenly saw Bi Dong'er staring at her.

Qian Xue'er hurriedly shut up and stopped talking.

Her current cultivation resources were in the hands of her mother, but Qian Xue'er did not dare to offend her mother.

"What?"

Hu Nana saw Qian Xue'er stop talking mid-sentence, which made her very curious.

What's the matter?

Why does Qian Xue'er seem to dare not say any more? Hu Nana looked at Bi Dong'er and guessed that this had something to do with her teacher?

"Space moves!"

Whoosh!

Ning Rongrong, who was coming towards Bi Dong'er quickly, suddenly disappeared.

It was as if he had never appeared before.

This caused hundreds of thousands of troops around him, as well as some powerful Douluo who were paying attention to Ning Rongrong, to look around with great confusion.

They did not expect that Ning Rongrong, who was flying through the air, suddenly disappeared without a trace.

Hu Nana shouted in surprise, "What's going on? Why did Ning Rongrong disappear without a trace?"

Qian Xue'er was also surprised and hurriedly asked Dong'er,

"Mother, did Su Chen move away Ning Rongrong?"

Bi Dong'er nodded and replied,

"Yes, this is Su Chen's space law. He just moved Ning Rongrong away."

Qian Xue'er curled her lips when she heard Bi Dong'er's words.

Although she knew some of Su Chen's magical powers, she didn't expect that Su Chen's magical powers would be so powerful. She silently moved an eighty-level Contra. Gone.

Hu Nana was very confused after hearing Bi Dong'er's words.

The law of space?

What is this?

Is it an ability to teleport?

And where is Su Chen hiding? She is a ninety-eighth level peak fighter. Luo didn't notice at all. Is Su Chen really stronger than her teacher and Dong'er?

At this moment, in the Tiandou Empire,

Oscar noticed Ning Rongrong's appearance. Although he didn't understand Ning Rongrong He did not escape to the Tiandou Empire, but he was very worried about Ning Rongrong's safety.

Ning Rongrong disappeared without a trace in an instant, which made Oscar unable to sit still. She was worried that something would happen to Ning Rongrong, or even Will be caught again by Su Chen.

Dai Mubai saw Oscar about to rush over, he grabbed Oscar and reminded,

"Oscar, calm down, the war will break out soon. Ning Rongrong, Zhu Zhuqing, Xiao Wu, and Teacher Liu Erlong, we will save them soon."

Ma Hongjun patted Oscar on the shoulder and dissuaded him,

"Oscar, there are more than thirty Titled Douluo and Peak Douluo on the opposite side. Do you want to die? Nothing happened to Ning Rongrong. After the war breaks out, we will rescue Ning Rongrong's women. Tangshan said with a serious face,

"Oscar, don't worry, I will definitely rescue Ning Rongrong, Xiao Wu and the others."

Oscar nodded with a sullen face.

Oscar understood that even if he broke through, he might be killed before he saw Ning Rongrong. Being able to see Ning Rongrong this time,

Oscar knew that Ning Rongrong Don't worry if you're not dead.

In the space prison,

Ning Rongrong was moved by Su Chen. She looked at everyone in the space prison in confusion. She didn't understand how she could see Su Chen in the blink of an eye when she was flying to the high platform just now. And people like Zhu Zhuqing.

Su Chen stretched out his hand and waved it in front of Ning Rongrong's eyes and asked,

"Silly?"

Ning Rongrong slapped Su Chen's hand away and shouted,

"Are you stupid? Did you bring me here just now?"

Su Chen saw Ning Rongrong reacting and even looked like a little tigress.

He smiled and said,

"You are not stupid!"

People like Liu Erlong and Zhu Zhuqing were speechless when they saw Su Chen teasing Ning Rongrong.

However,

Su Chen was able to bring Ning Rongrong over instantly from miles away. They were also aware of Su Chen's power. cognition of relatives

"you....Hum,"

Ning Rongrong glared at Su Chen fiercely, then she looked at Zhu Zhuqing and asked,

"Zhuqing, were you kidnapped by this bastard? Did this bastard do anything bad to you?"

Zhu Zhuqing replied awkwardly,

"without.....No! Ning

Rongrong raised her fist and reminded Zhu Zhuqing,

"Zhuqing, if this bastard dares to touch you, just tell me and I will cut this shameless man into pieces."

Su Chen shook his head when he heard Ning Rongrong's words.

This little beauty still needs to be dealt with.

It seems that he will need the little beauty to help him with her mouth again in the future. Although Su Chen did not take away Ning Rongrong's chastity, this is not the same as asking for it. Ning Rongrong's chastity is no different

"boom!"

"Prepare for execution!"

"Yes, Queen!"

At this time,

Bi Dong'er stood up and looked at the eight members of the Haotian Sect who were tied high on the elevated structure. She knocked the ground heavily with her staff and ordered,

"elder brother....."

In the space prison,

Tang Yuehua saw that Bi Dong'er was going to execute the women in Tang Hao, and she lost control of her emotions and began to cry.

Su Chen hugged Tang Yuehua who was crying.

He originally didn't want to bring Tang Yuehua, but Tang Yuehua insisted on coming, and Su Chen had no choice but to bring her with him.

Suddenly, above the Wuhun Empire's army, a beautiful and glamorous woman appeared in the sky. She looked at Queen Bidong'er on the high platform and shouted loudly,

"The Empress of the Spirit Empire, I am Bo Saixi, the high priest of Poseidon Island, let Su Chen come out and die."

Chapter 2154

When Bi Dong'er saw the appearance of the high priest Bo Saixi of Poseidon Island, she was very speechless.

In her memory,

Bi Dong'er from Shenyu Continent had a very good relationship with the high priest Bo Saixi. They were probably both from the South. People from the mainland used to be soul cultivators, and they were best friends in Hangzhou, the eastern mainland.

Bi Dong'er said to the arrival of the high priest Bo Saixi, she guessed that Su Chen would definitely not let Bo Saixi go. After all, Bo Saixi in the Godfall Continent was also Su Chen's woman.

Bi Dong'er looked at Bo Saixi with some sympathy.

Bo Saixi is now arrogantly trying to kill Su Chen, but if Bo Saixi gets the memory of Bo Saixi in the Godfall Continent, she may be severely beaten by Su Chen in the future. Lessons learned, you may not even be able to get out of bed for several days

"Bo Saixi, are you sure you want to kill Suchen?"

Bo Saixi said to Bi Dong'er with an indifferent expression, "Of course, when I come this time, I want to kill him with my own hands."

When High Priest Bo Saixi saw Tang Chen being tied up, she also wanted to save him, but she couldn't save Tang Chen alone. She was not inferior to Dong'er in strength, and there was also Qian Xue'er who inherited the Angel God.

She If we go to save Tang Chen now, not only will we not be able to save Tang Chen, but we may even ruin their plan last night.

Bo Saixi can only kill Su Chen first to satisfy her hatred. She also hopes that Yu Xiaogang can delay it for half an hour. Let her kill Su Chen

"Beautiful lady, you really have never forgotten me!"

Su Chen suddenly appeared next to Bo Saixi. He looked at the beautiful high priest Bo Saixi and teased,

"shameless!"

Bo Saixi didn't expect that Su Chen would suddenly appear.

When she saw Su Chen suddenly appearing next to her, Bo Saixi hurriedly stepped away from Su Chen.

Su Chen waved to Bi Dong'er and said, "Queen, you can continue, High Priest Bo Saisi has left it to me!"

"good!"

Bidong'er glared at Su Chen fiercely.

She didn't bother to care about what Su Chen and Bo Saixi would do. Anyway, nothing could happen to that couple.

"The fourth soul skill, the sea of annihilation!"

Bo Saixi looked at Su Chen angrily.

Bo Saixi activated her spirit ring and prepared to attack Su Chen. She didn't care about the Spirit Empire army below. If she could kill more Spirit Empire troops, it would be a big help this time. War is also helpful.

I'll go!

Su Chen didn't expect that Bo Saixi would fight above the army.

This is not possible.

If Bo Saixi launched a soul attack above the army, the Spirit Empire army below would probably suffer heavy casualties.

"Space moves!"

Whoosh!

Su Chen hurriedly used the law of space and disappeared into the air with Bo Saixi.

When Bi Dong'er saw Su Chen leaving with Bo Saixi, she waved her hand and ordered the execution of the Haotian Sect people.

This At that moment, a soul master came quickly and reported, "Queen Qi, Yu Xiaogang asks to see you!"

"kill him!"

Bi Dong'er didn't expect that Yu Xiaogang really didn't know how to live or die. Did Yu Xiaogang still think that she was Bi Dong'er who had always been obsessed with him before?

Since Yu Xiaogang is seeking death,

Bi Dong'er doesn't mind executing him.

"Yes, Queen!"

Bi Dong'er waved his hand and ordered coldly, "Execute the eight members of the Haotian Sect immediately!"

"Yes, Queen!"

The eight Soul Douluo from the Wuhun Empire immediately began to execute Tang Hao and the others.....

In just an instant, people like Tang Hao and Tang Chen were beheaded one by one.

The Haotian Sect has ceased to exist in name only. Without the presence of these powerful titled Douluo, the Haotian Sect will be annexed by other soul sects sooner or later. Even completely destroyed

"No! Father, uncle, ancestor!"

When Tang Shan saw Tang Hao and Tang Chen being killed, he shouted with red eyes.

Poison Douluo reminded Tang Shan after controlling him,

"Tangshan, calm down, half an hour, half an hour later we will make the Wuhun Empire and Bi Donger pay for their blood debt."

Tangshan yelled with an angry look on his face,

"Yes, I want to make the Wuhun Empire and Bi Donger pay with their blood. I must destroy the Wuhun Empire, and I want to kill Bi Donger with my own hands."

Dai Mubai and others did not expect that the Wuhun Empire would directly execute everyone in the Haotian Sect. They all looked at Yu Xiaogang. As long as Yu Xiaogang could delay for half an hour, they would win this war. hope

"The Queen orders Yu Xiaogang to be executed!"

After Yu Xiaogang heard the soul master's scream, he didn't expect that Bi Dong'er really wanted to kill him because he didn't miss his old feelings.

Yu Xiaogang's face changed drastically and he hurriedly ran away, but there were hundreds of souls around him. Before Yu Xiaogang, a Douluo-level soul master, had time to escape, he was instantly killed by the surrounding soul masters. Yu Xiaogang's body was also torn into pieces by the attack.

Bi Dong'er looked at the beheaded Yu Xiaogang with an indifferent expression. Just now, she waved her hand coldly and arrogantly and ordered, "The legions of the Wuhun Empire are preparing to attack the Tiandou Empire."

"Yes, Queen!"

"Black armored army!"

"Queen!"

"Su Wu, the 600,000-strong army of the Star Luo Empire, you led the black-armored army to destroy them."

"Yes, Queen!"

"All Titled Douluo and Peak Douluo, as long as the powerful Douluo of Tian Dou Empire and Star Luo Empire take action, they will be destroyed."

"Yes, Queen!"

Woo woo woo.....

The Wuhun Empire's attack horn sounded, and the 500,000 Wuhun Empire legions began to move towards the Tiandou Empire, while the 200,000 black-armored legions also moved towards the Xingluo Empire under Bi Dong'er's order. launched an attack in the direction.

On the high platform, Bi Dong'er watched the army move out. She looked in the direction of the Tiandou Empire.

Tangshan, the successor to the dual god throne,

Bi Dong'er wanted to kill him with her own hands this time.

"Marshal Gelong, order the army to attack!"

When the Emperor of the Tiandou Empire saw that the Wuhun Empire was starting to move out, he waved his hand and gave a loud order,

"Yes, Your Majesty!"

Dong dong dong dong.....

The war drums of the Tiandou Empire were also beaten, and the 700,000 troops of the Tiandou Empire also began to dispatch. The mighty army rushed towards the army of the Wuhun Empire.

After Tangshan saw Yu Xiaogang being killed, his eyes were confused and he couldn't understand.

Yu Xiaogang could be said to be the only person Bi Wu'er cared about. How could Bi Dong'er order the killing of Yu Xiao Wugang?

"how so? The teacher was also killed. How could the teacher be killed? How could Bi Donger kill the teacher?"

After Poison Douluo saw Yu Xiaogang being killed, he shook his head and said,

"It failed. I didn't expect that Yu Xiaogang would also be killed. After half an hour, it didn't even last ten breaths. Prepare for a desperate battle."

Tang Shan looked at Bi Dong'er with hatred in his eyes and ordered,

"Let's fight then. Each of us will find an opponent to kill the powerful Douluo of the Spirit Empire. I will personally kill the Empress Bi Dong'er of the Spirit Empire."

Chapter 2155

On the battlefield, as the armies of the Wuhun Empire and the Tiandou Empire collided, blood flew everywhere on the battlefield. Infantry, cavalry, heavy armored infantry, heavy armored cavalry, and the ace armies of the two empires were dispatched one after another.

Tangshan and more than a dozen powerful Douluo rose into the air one after another. The powerful Douluo from the Wuhun Empire also had to rise into the air one after another. In the air, dozens of powerful Douluo confronted each other.

These powerful Douluo Although the Luo people have not started fighting yet, their powerful soul power continues to explode.

When Hu Nana saw Tangshan in the sky, she whispered,

"Tangshan!"

Qian Xue'er heard Hu Nana's whisper, she looked at Hu Nana and reminded,

"Little fox, forget about Tangshan. Tangshan is a reborn person. He may be countless times older than you. Tangshan may even have been a disgusting old monster before."

"I know, I just feel a little emotional."

Hu Na nodded when she heard Qian Xue'er's words. Bi Dong'er told her all this.

Hu Na Na didn't expect that Tang Shan was a reborn person.

No wonder Tang Shan would make those powerful hidden weapons and even practice so fast.

Her feelings for Tangshan also dissipated after learning his identity. It was impossible for Hu Nana to fall in love with an old monster who took his body and was reborn. She just couldn't let go of it for a while.

"cut! Feelings? You probably haven't forgotten Tangshan yet"

"Little bird, will you be suffocated to death if you don't speak? Why are you becoming more and more hateful now?"

Qian Xueer looked at Hu Nana and couldn't help but said,

"Little fox, I kindly remind you that if you hadn't always been obsessed with Tangshan, you would have even saved Tangshan's life in the Star Forest."

"How could Tangshan become our most powerful enemy? Heir to the dual gods, you have left us with a huge hidden danger.

Hu Nana clenched her fists with an ugly face and said, "I will kill Tangshan with my own hands!"

Qian Xueer attacked Hu Nana and said,

"Stop dreaming"

"Although Tangshan is a ninety-three-level titled Douluo, he has inherited the Seagod and Shura thrones. Tangshan's strength cannot be dealt with even by ninety-ninth-level peerless Douluo."

"Little fox, you'd better go to bed."

After Hu Nana heard Qian Xue'er's words, she was so angry that she couldn't help but want to strangle the talkative Qian Xue'er to death.

Hu Nana didn't expect that the previously taciturn Qian Xue'er would become so noisy.

Qian Xue'er used to be indifferent to her. Qian Xue'er seems to have changed a lot now. Will inheriting the divine throne bring about such a big change?

Then why hasn't her teacher Bi Dong'er changed at all?

Ugh!

Hu Nana suddenly Thinking that Bi Dong'er had changed even more, she hadn't seen her teacher Bi Dong'er for a few months, and Bi Dong'er actually had a man.

Hu Nana lowered her head and thought about why Qian Xue'er and Bi Dong'er had changed so much, so much. It was hard for her to accept it.

At this time,

Su Chen and Bo Saixi appeared on a big mountain a hundred miles away from the battlefield.

Bo Saixi looked at Su Chen opposite her with a wary expression. She did not expect that Su Chen would suddenly With her appearing here, Su Chen's powerful strength made her very frightened.

Seeing Bo Saixi's wary eyes, Su Chen asked with a smile,

"Bo Saixi, are you afraid of me?"

Bo Saixi asked with a serious face while holding the golden scepter.

"What state are you in? You can't just be a demigod who inherits the throne."

Su Chenyue shook his head and replied,

"I? Bo Saixi, you will know this later, don't resist, otherwise, I will teach you a lesson"

"what are you up to?"

"I have a surprise for you!"

"Shameless, the sixth soul skill, burial at sea!"

Bo Saixi saw Su Chen reaching out to touch her, which made her very angry.

Although Bo Saixi was frightened by Su Chen's strength, she would not let this bastard insult her.

I'll go,

Su Chen I didn't expect that Bo Saixi would dare to attack after seeing him so powerful.

It seems that Bo Saixi will be caught soon, otherwise the memories will not be passed on to Bo Saixi.

At this moment,

Bo Saixi is holding the scepter, above her A black blue black hole appeared in the space, and a tornado appeared under the black hole instantly.

Boom!

The tornado under the black hole commanded by Bo Saixi attacked Su Chen. As long as Su Chen was swept into the black hole by the tornado, Su Chen's life and death would be She will be in control

"Space cutting!"

Boom boom.....

White transparent blades appeared in the air one after another. These blades quickly attacked the black hole created by Bo Saixi.

Su Chen was very speechless when he looked at the space blades.

If it was his Golden Immortal's strength, these would not have appeared at all. The sharp blade, the space cutting in Wonderland, will make this space area under his control. As long as he uses space cutting, the entire space will be cut into countless fragments in an instant.

The low strength really makes Su Chen feel a little uncomfortable, but even so,

Bo Saixi is not his opponent. Although the strength of the immortal cultivator is not as strong as the immortal, it is enough to deal with Bo Saixi, the peerless Douluo. used

"How can this be?"

Bo Saixi saw countless space blades attacking the black hole, and these blades also bypassed her to attack the black hole.

This made her puzzled by Su Chen.

If those space blades attacked her, Bo Saixi would not be able to dodge at all, or even Unable to stop those space blade attacks, Bo Saixi didn't understand why Su Chen didn't just kill her.

Bo Saixi looked at Su Chen and said angrily,

"Damn, is this bastard humiliating himself?"

Boom boom boom.....

In just a few minutes, the black hole created by Bo Saixi's soul skill was cut and dissipated.

Bo Saixi held the scepter and felt very helpless.

She had consumed a lot of soul power just now. Bo Saixi felt that Su Chen must have done it on purpose. Attack the black hole to consume her soul power

"Poseidon Domain, Eighth Soul Skill, Poseidon.....Let me go, damn bastard, let me go."

Bo Saixi opened the Poseidon Domain and even wanted to kill Su Chen with his soul skills again, but before her soul skills could explode,

Su Chen suddenly appeared next to Bo Saixi and hugged her, which made Bo Saixi ashamed and angry. He hurriedly used his soul power to struggle to escape.

Su Chen hugged Bo Saixi tightly with one hand, and quickly tapped Bo Saixi's eyebrows with the other, saying,

"High Priest Bo Saisi, it's time for you to wake up!"

Chapter 2156

High Priest Bo Saixi was stunned when Su Chen tapped her forehead.

A stream of strange and familiar memories kept pouring into her mind. These memories were very messy, but these memories were all about Su Chen and her. things.

No, to be precise, it was information about Bo Saixi and Suchen in another world.

High Priest Bo Saixi glanced at Su Chen and closed her eyes.

She wanted to check all these memories.

Bo Saixi wanted to understand whether these memories were real? Or is it Su Chen's spiritual fantasy about her?

Bo Saixi was hugged tightly by Su Chen.

It was impossible for her to escape if she wanted to. Su Chen was so powerful that she couldn't resist at all.

But Su Chen would not kill her. If Su Chen wanted to kill her, Bo Saixi would have been killed by Su Chen on several occasions just now. This was why Bo Saixi wanted to know the unnecessary information in his mind immediately.

Bo Saixi wanted to know why Su Chen didn't kill her? What is the awakening that Su Chen is talking about?

Su Chen saw Bo Saixi checking his memory with his eyes closed, and a smile appeared on his lips.

The high priest Bo Saixi had finally solved the problem, and the battle at Jialing Pass should have begun.

Poseidon?

Will he come?

And that blond girl from Angel God.

There is no Shura God this time. If Poseidon wants to help Tangshan, will Angel God intervene?

By the way, there is also the Rakshasa God.

Bi Dong'er's Rakshasa God did not appear at all.

Su Chen felt that the Rakshasa God was too insidious and would kill the Rakshasa God if he had the chance.

Su Chen did not want Bi Dong'er to be killed by the Rakshasa God in the future. No matter what, the divinity of the Rakshasa God will still be inherited by the new Rakshasa God Bi Dong'er. This will also clear up future hidden dangers for Bi Dong'er.

On the battlefield, the 200,000 black-armored troops also faced off against the 600,000 troops of the Star Luo Empire.

Davis, the crown prince of the Star Luo Empire, stood in front of the army in armor. He looked at the black-armored army on the opposite side who was preparing to launch an attack. Davis was very confused in his heart.

Black armored army?

When did the Wuhun Empire have a black-armored army?

Next to Davis, a beautiful woman with a plump and attractive figure said, "Weiss, there are only 200,000 troops on the other side. We must quickly defeat this black-armored army to support the Tiandou Empire."

Davis looked serious. said,

"Zhuyun, the black armored army on the opposite side may not be simple. The Wuhun Empire dares to send out 200,000 black armored troops to stop our 600,000 army. The black armored army should be difficult to deal with. The black armored army may even be hidden by the Wuhun Empire. The most powerful legion."

This plump and sexy beautiful woman is Zhu Zhuqing's sister Zhu Zhuyun, and she is also the fiancée of the Star Luo Empire's crown prince Davis. This time, the Star Luo Empire's army is commanded by Davis and Zhu Zhuyun. Zhu Zhuyun shook his head and reminded, "No matter what. Said, we will always fight with the Black Armor Legion, let's start the war."

Davis nodded.

He also knew that a war with the Black Armored Legion was inevitable. This war could no longer be stopped.

"Zhuyun, I understand that sooner or later we will have to face the Black Armored Army. Our Star Luo Empire has an army of 600,000. I don't believe that we can't destroy a mere 200,000 Spirit Empire's army."

After Davis talked with Zhu Zhuyun, he ordered the legions of the Star Luo Empire to prepare to attack.

This war will determine the rise and fall of the Star Luo Empire.

If the Star Luo Empire fails in the Jialing Pass Battle, the main legions of the Star Luo Empire will be lost. After all, the Star Luo Empire will also be destroyed by the Wuhun Empire in the future. This is something Davis does not want to see.

"attack!"

Dong dong dong.....

"kill!"

"For the sake of the Star Luo Empire, kill the enemy troops on the opposite side!"

"Charge and destroy the black-armored army on the opposite side!"

"For Xing Luo, the heavy armored cavalry charges!"

After Davis issued the attack order, the army of the Star Luo Empire commanded their legions to attack one by one. At this moment, two hundred thousand black-armored legions were arrayed opposite the Star Luo Empire. These black-armored legions All wearing grimace masks, each soldier looked indifferently at the attacking Star Luo Empire army. The black black bird flag was swinging in the wind, and the chilling atmosphere was constantly erupting in the black armored legion.

The legion commander Su Wuqi Zai Ma looked at the troops attacking the Star Luo Empire, then faced the 200,000 soldiers of the Black Armor Legion.

Su Wu used his inner strength and shouted loudly,

"Soldiers of the Black Armored Legion, who are you fighting for?"

The two hundred thousand black-armored legions replied loudly in unison.

"For your Majesty! For the Queen!"

"What should we do with the 600,000 Star Luo Empire troops on the opposite side?"

"kill! kill! kill!"

Su Wu continued loudly,

"The Black Armored Legion has never failed in every war. In this world, the Black Armored Legion will never be defeated. The glory of the Black Armored Legion needs us to continue to protect it."

"We are the sharpest sword in your hand. We will destroy any enemy who stands in front of us."

"For the glory of the Black Armored Legion!"

"For the sake of your Majesty!"

"For the Queen!"

"Black-armored Legion, attack!"

Boom boom boom.....

After receiving the order to attack, the soldiers of the Black Armored Legion burst out with powerful momentum.

An army composed entirely of powerful warriors, the powerful killing intent erupted from the entire black-armored legion made all the powerful men on the surrounding battlefield look over.

"How can this be? Two hundred thousand soul masters? How come the Spirit Empire has an army of two hundred thousand low-level spirit masters?"

"The Star Luo Empire is about to end. With an army of 200,000 soul masters, the Star Luo Empire cannot resist it even with an army of two million."

"Damn it, the Wuhun Empire is too hidden. In the Jialing Pass War, not only the army of the Star Luo Empire will be destroyed, but also the army of the Tiandou Empire."

"Yes, my sect regrets helping the Star Luo Empire"

"This war is impossible to fight. The Wuhun Empire not only has a stronger army, but also has more powerful Douluo than us. How can we fight this war?"

The powerful Douluo from the Tiandou Empire and the Star Luo Empire had expressions of disbelief after they saw the Black Armored Legion burst out with momentum.

Two hundred thousand soul master armies, which is bigger than the two There are so many soul masters in the empire. How can an ordinary army defeat an army of soul masters? On the high platform of the Wuhun Empire,

Hu Nana opened her sexy little mouth and looked in disbelief. She did not expect that the black-armored army was actually full of soul masters. An army composed of soul masters,

"An army of two hundred thousand soul masters? Teacher, do we have so many soul masters in our Wuhun Empire? Bi

Dong'er smiled and shook his head and said, "No, Nana, the Black Armor Legion is not an army composed of soul masters. The Black Armor Legion is an army composed of all warriors." Qian

Xueer looked at Hu Nana and said with a smile,

"Little fox, there are still many things you don't know, so you should continue to be confused."

Chapter 2157

When Hu Nana heard what Bi Dong'er and Qian Xue'er said, she was really confused.

Warrior?

There are many things she doesn't know?

How is this possible?

Hu Nana knew the Wuhun Empire very well, and Bi Donger didn't hide anything from her at all.

However, she really didn't know the existence of the Black Armor Legion, and she didn't even know what a warrior was.

Bi Dong'er shook her head and didn't say anything.

She was very happy now. The Black Armored Legion really gave her a surprise this time. They fought for the Queen's wife. This is what Queen Yan Fei and Jing Salamander and other women did not have. Such honor.

Qian Xueer saw her mother's happy expression, and she curled her lips without teasing her mother.

Qian Xueer was worried that if she teased her mother at this time, not only would she be blown away by Bi Donger, but it would even be difficult to obtain future training resources.

At this moment, all the people in Tangshan looked very ugly. An army of two hundred thousand soul masters was invincible in the mainland. No empire could stop an army of two hundred thousand soul masters.

Poison Douluo looked at the faces of the powerful Douluo around him, and reminded Tangshan,

"Tangshan, we have to take action, otherwise some powerful Douluo may have different intentions. Tangshan nodded with a gloomy face and said,

"Well, it's time to take action. High Priest Bo Saixi should be back soon. As long as the high priest can kill Su Chen and come back as soon as possible, the army will be considered defeated in the war. As long as we kill Queen Bi Donger, this war We will still win. Dai

Mubai clenched his fist tightly and said,

"It's time to take action. If the war between the two great empires fails, there will be no point in us taking action. As long as we can kill the Queen of the Spirit Empire quickly, the Spirit Empire's army will definitely retreat."

Dai Mubai is very worried about the Star Luo Empire.

He is the prince of the Star Luo Empire, and the commander of the Star Luo Empire's army is still his brother. Dai Mubai does not want to see the Star Luo Empire's army destroyed, nor does he want to see the Xing Luo Empire's army being destroyed. His reconciled brother was killed

"Then take action!"

After Tangshan nodded to Dai Mubai and the others, he looked around at the Douluo of Poseidon Island and the Douluo of Star Luo Empire. There were less than twenty powerful Douluo here. These powerful Douluo were the most powerful Douluo this time. The key to reversing the war,

Tang Shan said loudly and expressionlessly,

"Everyone, take action together and find your opponents to kill them. High Priest Bo Saixi will arrive soon to support us, come together!"

Tangshan took the lead and rushed towards the Wuhun Empire.

Poison Douluo and Dai Mubai, the powerful men from the Heavenly Dou Empire, followed Tangshan without hesitation. The other powerful Douluo looked at each other. They also rushed over one after another.

"Tangshan is about to take action!"

When Bi Dong'er saw Tang Shan rushing over with the Douluo, she stood up and prepared to take action. Tang Shan must die in this war.

Bi Dong'er pointed her scepter at everyone in Tang Shan and ordered,

"The powerful Douluo of the Wuhun Empire, our army has secured victory. Now it is time to destroy those powerful Douluo. All the Douluo are dispatched to kill Tiandou, Xingluo, and the Douluo of Poseidon Island."

"Yes, Queen!"

Swish swish swish"....

There were nearly thirty powerful Douluo in the Wuhun Empire.

When they heard Queen Bi Dong'er's order, these powerful Douluo rushed over one after another.

There are less than twenty powerful Douluo in the coalition forces, but the Wuhun Empire has nearly thirty powerful Douluo. The Wuhun Empire will definitely win this war.

"I went to kill Tangshan!"

Whoosh!

Qian Xue'er said to Bi Dong'er and quickly dodged and rushed over.

Qian Xue'er wanted to know if she could kill the dual god Tangshan with her current strength, but she wanted to try, even if she couldn't kill him. It is impossible for Tangshan, the dual god, to kill her.

"Cher....."

Bi Dong'er saw Qian Xue'er rushing over without orders, and she still wanted to kill Tangshan.

This gave her a headache.

Tangshan was the successor of a dual god, and he also had the artifacts Poseidon Trident and Shura Divine Sword in his hand.

Qian Xue'er's strength is now very strong, but facing Tangshan,

Qian Xue'er still cannot compare with Tang Shan.

However,

Bi Dong'er is not very worried. Although Qian Xue'er is not Tangshan's opponent, Tangshan can't kill Qian Xue'er either.

When Hu Nana saw Qian Xue'er taking action, she hurriedly said to Bi Dong'er,

"Teacher, I also want to join the battle. Bi

Dong'er nodded and replied, "Go, Nana, kill Poison Douluo. Don't let Poison Douluo release poison on the battlefield, otherwise our army will suffer some losses.""

"is teacher!"

Hu Nana nodded and quickly disappeared on the high platform.

Bi Dong'er looked at the battlefield around her, and then at the battle of the powerful Douluo in the air. She felt that she seemed to be redundant this time. In this battle, she Maybe we can win without taking action.

Bi Donger suddenly asked, "A Yin, Nie Xiaoqian, have you noticed the arrival of Poseidon?"

Whoosh,

A Yin and Nie Xiaoqian suddenly appeared next to Bi Dong'er and saluted,

"Madam, I haven't found it yet, but Poseidon will definitely come."

"Madam, don't worry, we will find Poseidon as soon as he arrives."

Bi Dong'er nodded and said,

"Then pay attention"

"Yes, ma'am!"

After A Yin and Nie Xiaoqian gave their answers to Bi Dong'er, they disappeared without a trace.

In the space prison on the high platform,

Liu Erlong and others watched the unprecedented battle in Wuhun Continent, with more than two million people. The army was fighting in a melee, and nearly fifty powerful Douluo were fighting. This was the first time in Wuhun Continent.

Ning Rongrong suddenly noticed that Zhu Zhuqing was distracted, and she asked Zhu Zhuqing doubtfully,

"Zhuqing, what's wrong with you?"

"Rongrong, I'm worried about my sister Zhu Zhuyun, she is in the army of the Star Luo Empire."

Ning Rongrong was relieved when she heard Zhu Zhuqing's words. She thought Zhu Zhuqing had been bullied by that bastard Su Chen.

"It turns out it's because of your sister. You can go and bring your sister here. This war between the Tiandou Empire and the Star Luo Empire is doomed to fail. If your sister continues to stay in the Star Luo Empire's army, she may really be killed. die. Zhu

Zhuqing shook his head and said helplessly, "I want to go, but I can't get out of this space at all."
Ning

Rongrong looked at Liu Erlong and asked, "Teacher, can you get out of this space?" Liu

Erlong smiled and took out a jade talisman and handed it to Zhu Zhuqing and said,

"Okay, Zhu Zhuqing, I will send you out now. If you want to return to this dimension, crush this jade talisman."

"Thank you, teacher!"

Chapter 2158

After Liu Erlong sent Zhu Zhuqing out of the space prison, she saw Ning Rongrong, Xiao Wu, and even Tang Yuehua and Lan Yin Huang looking at her, and Liu Erlong also knew why.

Su Chen had previously given her the authority to control the spatial prison, and now she had only one thought to remove the spatial prison.

Moreover, she also has three jade talismans in her hand.

These jade talismans can not only return to the space prison instantly, but even the Black Armor Legion and all the female ghosts feel the existence of the jade talismans, and they will not attack the person who possesses the jade talismans.

Ning Rongrong looked at Liu Erlong and asked with a smile, "Teacher, are there any jade talismans?"

"what you do?"

Liu Erlong looked at Ning Rongrong and asked warily.

This little witch is now naughty again.

Liu Erlong is worried that Ning Rongrong is going to the battlefield.

Ning Rongrong is just a powerful auxiliary soul master. Even if she has Self-protection ability, but there were too many powerful Douluo on the battlefield, and Liu Erlong was also worried that Ning Rongrong would be in danger.

Ning Rongrong pointed at her and Xiao Wu and said,

"Teacher, look at me, Zhu Zhuqing, and Xiao Wu are all here, but Bai Chenxiang is still on the battlefield. I am also worried that Bai Chenxiang will be killed, so I will go and rescue Bai Chenxiang."

When Liu Erlong heard Ning Rongrong's words, she was also a little worried about Bai Chenxiang.

Bai Chenxiang was the weakest among the girls in Xiao Wu. If nothing goes wrong in this war, Bai Chenxiang might be killed.

Liu Erlong Long thought for a while and said,

"Your strength is too weak, so Xiao Wu should go too."

When Ning Rongrong heard that Liu Erlong wanted Xiao Wu to go, she hurriedly took Liu Erlong's hand and said,

"No, teacher, I just want to go to the battlefield and feel the atmosphere. This is the largest war in the history of Wuhun Continent, and it is also the most powerful Douluo in Wuhun Continent."

"I just want to experience it on the battlefield, which also means that I have participated in the largest war in the history of Wuhun Continent."

Liu Erlong looked at Ning Rongrong speechlessly.

This war is very dangerous. Ning Rongrong actually wanted to feel the atmosphere of the war. Liu Erlong didn't know what to say.

She took out two He handed the jade talisman to Xiao Wu and Ning Rongrong and said,

"Forget it, I only have two jade talismans left. You and Xiao Wu go to save Bai Chenxiang together. Xiao Wu is much stronger than you now. Xiao Wu can save you if you are in danger."

"Haha, thank you teacher!"

Over the battlefield, all kinds of gorgeous soul rings erupted. The powerful Douluo each found their opponents and started fighting.

However, there were many powerful Douluo in the Wuhun Empire.

As soon as the battle started, the Douluo from the coalition were overwhelmed. The Douluo of the Wuhun Empire fought in groups, and some Douluo were even torn into pieces by various soul skills before they could react.

At this moment,

Qian Xue'er and Tang Shan were facing each other in the air.

Qian Xue'er looked at Tang Shan with a sullen face, and she felt disdainful. said,

"Tangshan, we meet again"

"Qian Xue'er, get out of the way, you are no match for me."

Tang Shan wants to kill Bi Dong'er as soon as possible. He is not in the mood to waste time here with Qian Xue'er.

Qian Xue'er mocked Tang Shan,

"Of course I am not your opponent. You are a reborn person and a re-cultivator in two lifetimes. How can I be your opponent?"

"you.....I do not know what you're talking about."

When Tangshan heard Qian Xue'er's words, he was very surprised.

The person who takes the body and is reborn is his secret.

How could Qian Xue'er know about it?

No one in this world knows that he is a person who takes the body and is reborn.

Qian Xue'er saw Tangshan still didn't admit it, so she continued to reveal the truth with a cold snort,

"Huh, in the Tang Sect in Zhongshu, you are just a thief, a traitor who stole the secret book Xuantian Baolu, the sect's most treasured treasure. Tangshan, do you still want me to continue?"

Tang Shan looked at Qian Xue'er and asked in shock,

"you.....How could you possibly know? This is impossible. No one in the world knows about this. It is impossible for you to know. Qian Xue'er, who told you?"

Qian Xue'er felt sick when she looked at Tangshan.

She didn't know what kind of Tangshan was in this previous life. Now she feels like vomiting if she says more than one word to Tangshan.

"You don't need to know this"

"Tangshan, I originally wanted to fight you once, but seeing how you look now, I'm not interested anymore."

"Aren't you going to kill my mother? Then go ahead, you are a thief and a traitor to the sect. I am afraid that killing you will dirty my hands."

Tangshan roared when he heard Qian Xue'er's words,

"I am not a traitor, nor have I ever felt sorry for the Tang Sect. I just want to learn the supreme technique."

Qian Xue'er laughed disdainfully after hearing Tang Shan's words,

"Tangshan, are you really hypocritical? If you don't teach your supreme skills, why would you steal them? You are really shameless."

Qian Xue'er quickly disappeared after taunting Tangshan.

Qian Xue'er saw that the Douluo on Poseidon Island were much stronger and many elders of the Spirit Empire were injured, so she decided to go and meet those Poseidon Island Douluo. Douluo,

Tang Shan saw Qian Xue'er leaving quickly, his eyes were blank in the air.

Tang Shan did not expect that Qian Xue'er would know his secret, and even the Tang Sect knew about it, and even knew that he had stolen the Tang Sect's most precious secret. He couldn't understand why Qian Xue'er knew about Tianbao Lu's skills. Is there anyone in the Tang Sect who traveled through time and was reborn in Wuhun Continent?

"Tangshan, what are you doing? Go and kill Bi Dong'er quickly."

At this time,

Dai Mubai saw Tangshan stunned in the air, and he shouted angrily to the stunned Tangshan. When

Tangshan heard Dai Mubai's shout, he immediately reacted.

Now is not the time to think about these things.

He wanted to kill Bi Dong'er, the Empress of the Wuhun Empire, first. Tang Shan's expression was ugly and he quickly rushed towards Bi Dong'er. At this moment,

Bi Dong'er saw Tang Shan coming towards her quickly, and Qian Xue'er actually went to fight with the others. Luo fought.

Bi Donger rubbed his forehead and became very puzzled.

"What is Xue'er doing? Why did she leave after talking to Tangshan for a while? Does it mean Xue'er doesn't want to fight Tangshan anymore?"

Bi Dong'er saw that Tangshan was about to arrive, and she disappeared on the high platform in an instant. Since Tangshan wanted to die, she couldn't let go of this person who wanted to be reborn.

"Bi Dong'er!"

"Tangshan, I may call you the one who takes over your body and is reborn."

In the air,

Tangshan saw Bi Dong'er appear, and they looked at each other expressionlessly.

After Tangshan heard Bi Dong'er's words, he directly turned on the soul ring and launched an attack on Bi Dong'er,

"The eighth soul skill, the destruction of Lan Yin's evil mirror!"

When Bi Dong'er saw Tangshan launch an attack, she also activated her soul ring and launched a soul skill attack on Tangshan.

"The sixth soul skill, eternal creation!"

Chapter 2159

Tang Shan and Bi Dong'er didn't hesitate. They each activated their powerful soul skills and began to attack each other.

The powerful and brilliant soul rings erupted from the two of them caused the fighting Douluo around them to avoid one after another, and even the ground was moving. The warring armies quickly moved away from each other.

Tangshan quickly launched attacks on Bi Dong'er.

He wanted to kill Bi Dong in the shortest time. Only in this way could the coalition turn defeat into victory.

"The realm of the God of Killing, the sixth soul skill, Earth Ant King Slash."

Boom, after Tangshan's Killing God Realm was opened, his strength instantly increased a lot. The sixth soul skill of the Clear Sky Hammer was as fast as Bi Dong's beheading.

"The realm of God of Death? Are you the only one who knows it?"

Bi Dong'er saw Tangshan activate the God of Death domain. She looked at it with disdain and prepared to activate the God of Death too.

"The realm of the God of Killing, the seventh soul skill, the true form of the Soul-Eating Spider King."

Boom!

The two great killing gods collided together, and a huge roar was emitted in an instant. The collision of powerful soul skills made the whole space tremble.

At this time, the attack of the black armored legion was unstoppable, and even It can be said that the army of the Star Luo Empire is overwhelming the entire Star Luo Empire.

The army of the Star Luo Empire is no match for the Black Armor Legion. With one blow, one knife, and one shot, the soldiers of the Black Armor Legion are like massacring unarmed civilians. They slaughtered the Star Luo Empire's troops.

In just over half an hour, the two hundred thousand black-armored legions slaughtered almost three hundred thousand troops of the Star Luo Empire. Under the banner of the commander of the Star Luo Empire,

Davis looked at the people who were being slaughtered. Army, he shouted with a pale face,

"Damn it, how could these black-armored legions be an army composed of soul masters? The Star Luo Empire is coming to an end. Zhu

Zhuyun looked at Davis and shouted hurriedly,

"Davis, retreat, the Star Luo Empire's army is no match for an army composed of soul masters. Davis shook his head and said helplessly,

"Zhu Zhuyun, it's too late. The Star Luo Empire and the Black Armored Legion are already at war. The Star Luo Empire's army cannot retreat from the battlefield at all. It's over. The Star Luo Empire has lost its 600,000 main legion. All other kingdoms can defeat it. Star Luo Empire."

When Zhu Zhuyun heard Davis' words, she looked at the battlefield and trembled in her heart.

This is not a war at all.

The Black Armor Legion is massacring the Star Luo Empire's army, the Wuhun Empire, the Black Armor Legion, and

Queen Bi Dong'er. ,

Zhu Zhuyun did not expect that Queen Bi Dong'er would actually hide an army composed entirely of soul masters. No army of the empire could be a match for this powerful black-armored army. Ordinary armies would only be massacred when facing the black-armored army. destiny

"Zhuqing?"

Suddenly,

Zhu Zhuyun saw her sister Zhu Zhuqing flying towards her.

However, the black-armored legions on the battlefield did not attack Zhu Zhuqing. Even the crossbows avoided Zhu Zhuqing and shot down the Star Luo Empire's army. This made Zhu Zhuyun Davis was very confused.

When he heard Zhu Zhuyun call Zhu Zhuqing, he looked towards the battlefield and saw that Zhu Zhuqing was flying towards here quickly. Davis was very surprised.

"How is this going? Why didn't the Black Armor Legion attack your sister? Zhu

Zhuyun shook his head in confusion and replied,

"I am not sure as well!"

"Didn't your sister join the Spirit Empire? Zhu

Zhuyun glared at Davis when he heard what he said and said,

"Davis, do you think it's possible? My sister is the fiancée of your brother Dai Mubai. The Star Luo Empire and the Wuhun Empire are at war. How could my sister join the Wuhun Empire?"

Davis pointed at the battlefield girl and asked loudly,

"So what's going on? Did those black-armored legions not take action because Zhu Zhuqing was a beauty?"

"I don't know. Once my sister Zhu Zhuqing arrives, I will ask clearly what is going on."

On the battlefield,

Zhu Zhuqing originally thought that there would be soldiers to intercept her, and she also prepared some excuses, but the black armored legion did not intercept her at all, and even avoided her when attacking.

This made Zhu Zhuqing guess that it was the jade in her hand. Because of the talisman and the green halo emitted by the jade talisman, the Black Armor Legion should have recognized that this was Su Chen's item.

As for the troops of the Star Luo Empire, these armies of the Star Luo Empire could not protect themselves, especially Zhu Zhuqing in the air. Ignoring it,

Zhu Zhuqing quickly reached Zhu Zhuyun and shouted,

"Sister, please leave with me quickly."

Zhu Zhu Yun didn't move when she heard Zhu Zhuqing's words.

She looked at Zhu Zhuqing and asked seriously,

"Zhuqing, why didn't those black-armored legions attack you? Did you defect to the Spirit Empire?"
Zhu

Zhuqing waved the jade talisman in his hand and said with a smile, "With this in my hand, the Black Armor Legion will not attack me. Sister, leave with me quickly. The Star Luo Empire has been defeated."

Davis looked at Zhu Zhuqing and asked seriously, "Zhu Zhuqing, have you defected to the Spirit Empire?" Zhu

Zhuqing nodded and replied,

"Join the Spirit Empire? That's right. Now that I have taken refuge with Su Chen, he should be considered a member of the Spirit Empire."

Whoosh!

Touch!

Davis heard that Zhu Zhuqing had defected to the Wuhun Empire. He quickly attacked Zhu Zhuqing, but he did not expect that Zhu Zhuqing would kick him away with a quick kick.

Zhu Zhuqing looked at Dai who was kicked away by her. Weiss said disdainfully,

"You are not overestimating your abilities, Davis, if it were because I saw that you are my sister's fiancé, I could kill you with just one kick."

"davis....."

When Zhu Zhuyun saw Davis being kicked away, she wanted to see Davis' injury, but Zhu Zhuqing pulled her and did not let her pass.

Davis got up from the ground and asked with a surprised look, "Zhu Zhuqing, you are actually a titled Douluo? How is this possible? How did you improve your realm so quickly?"

Zhu Zhuqing saw the surrounding troops surrounding them. Xiang Davis reminded, "You don't need to know this, Davis. It's best to stop your army from attacking me, otherwise don't blame me for killing your army."

Davis hurriedly shouted loudly after hearing Zhu Zhuqing's words. commanded,

"Everyone, step back!"

"Sister, let's leave!"

"No, I can't lose it...."

Zhu Zhuyun was going to tell Zhu Zhuqing that she would not abandon Davis and leave, but before she could finish her words,

Zhu Zhuqing crushed the jade talisman, a white light flashed, and Zhu Zhuqing and Zhu Zhuyun disappeared in front of Davis in an instant.

A hundred miles away from the battlefield, the high priest Bo Saixi was chasing Su Chen with a scepter to attack.

Bo Saixi did not expect that Su Chen would be so shameless.

Su Chen kissed her secretly and even said that he wanted to find a familiar feeling. Xi found the familiar feeling of being kissed in her memory, but she also found the incident of being deceived in her memory.

"Suchen, you bastard, I won't let you go this time."

Chapter 2160

Su Chen kept teleporting away at this moment.

He did not expect that after Bo Saixi digested those memories,

Bo Saixi would be so angry and wanted to beat him. This was not a matter of whether he kissed Bo Saixi or not. Su Chen guessed Bo Saixi probably hated himself for deceiving her about getting pregnant.

In the Godfall Continent, after Su Chen had a romantic relationship with Bo Saixi in the Godfall Continent, Su Chen deceived Bo Saixi, who was angry and wanted to kill him, to become pregnant. In this world, Bo Saixi must have obtained these memories.

"Bo Saixi, are you planning to murder your husband?"

Bo Saixi became even more angry when he heard about Su Chen.

This shameless bastard,

Bo Saixi has so many extra memories in his mind, and what happened between Su Chen and Bo Saixi from the Godfall Continent, Bo Saixi now knows everything clearly..

No wonder this bastard didn't kill her, and even said that she was the woman of this shameless man.

Bo Saixi didn't expect that there was another world, and there was actually a Bo Saixi in the other world. Bo Saixi in the Godfall Continent Sisi is still this bastard woman, and Su Chen also used despicable means to deceive Bo Saixi in the Godfall Continent.

Bo Saixi chased Su Chen and cursed angrily,

"Shameless person, pregnant? You bastard actually deceived Bo Saixi in the Godfall Continent like this. You are simply a shameless bastard. Su

Chen was embarrassed and hurriedly explained,"Well, Bo Saixi, your matter is over. Besides, Bo Saixi and I are already a loving couple. You should have checked it in your memory.""

"Bastard, if I didn't know this, I would have activated my soul ring to attack you, this shameless person. Su Chen, please stop and don't run away. I'm going to beat you up this time."

Su Chen smiled and shook his head and replied,

"That won't work, Bo Saixi, there is a war in Jialing Pass. We will discuss our matters later. You don't want your men to be killed by Bi Dong'er's men!"

Bo Saixi stopped when she heard Su Chen's words.

She thought that Bi Dong'er might have received help from Su Chen and had even practiced the immortal cultivation technique.

In Bo Saixi's memory, in the Shen Yun Continent,

Bi Dong'er The relationship between Bi Dong'er and Bo Saixi is very good, and they even served this shameless bastard together. Although Bi Dong'er in Wuhun Continent has nothing to do with her, they will definitely be involved in the future.

Besides, Jialing Pass The war has begun, and Bo Saixi is also worried that her Sea Douluo will be killed in vain.

Thinking of this, Bo Saixi hurriedly shouted,

"Su Chen, let's go back to the battlefield quickly. I'll let you go today. From now on, you bastard will die."

"good!"

Whoosh!

When Su Chen appeared next to Bo Saixi, he hugged her and teleported away.

Bo Saixi was carried away by Su Chen.

She didn't feel any discomfort at all.

She had felt this feeling many times in her memory, even She was still a little happy to be held by Su Chen.

Bo Saixi knew that this was caused by redundant memories, but she did not clear away these redundant memories.

Shen Yun Continent made her feel very curious. The vast Shen Yun Continent She also wanted to take a look, and even wanted to meet another Bo Saixi who was exactly like her.

Outside Jialing Pass, there was a battlefield.

The Star Luo Empire's army had been crippled by the Black Armored Legion. The remaining ten thousand stars were It was only a matter of time before the Luo Empire's army was besieged and completely wiped out.

Davis, the crown prince of the Star Luo Empire, looked mortified. The Star Luo Empire's army was massacred, and his fiancée was also taken away by Zhu Zhuqing. Davis looked at Looking at the black-armored legions that kept approaching the commander's banner, he knew that he was going to die here this time. Of the 600,000-strong Star Luo Empire's army, there were only over 100,000 left, surrounded by black-armored legions composed of soul masters. There was no way to escape. , if Davis dares to fly and escape, the Black Armor Legion's spiritual weapon crossbow and the spiritual weapon Eight Ox Crossbow will tear him to pieces in an instant.

"For the Star Luo Empire, kill!" Davis took the long sword and rushed towards the black armored army with a shout,

"For the Star Luo Empire, kill!"

The troops of the Star Luo Empire saw Davis rushing over, and the remaining troops also rushed over with weapons.

The situation here in the Tiandou Empire is better, but not much better. There are more than

700,000 Tiandou Empire soldiers. Although there are still more than 400,000 troops, the Wuhun Empire still has more than 500,000 troops.

In more than an hour of fighting, the Tiandou Empire lost more than 200,000 troops, and the Wuhun Empire also lost nearly 100,000 troops.

There are still seven major sects in the Wuhun Empire that are helping the Wuhun Empire's army. Although the soul masters from the Tang Sect are also helping the Tiandou Empire, they lack the assistance of the Qibao Glazed Sect and the number of disciples from the Tang Sect is too small.

If this continues, if the Black Armored Legion destroyed the Star Luo Empire, the Heaven Dou Empire would also be destroyed by the forces of the Black Armored Legion and the Wuhun Empire. When the Emperor of the Tiandou Empire saw the Star Luo Empire being surrounded and killed by the Black Armored Legion, he hurriedly He clenched his fists tightly and asked,

"Marshal Ge Long, the Star Luo Empire is finished. Do we still have a chance to win?"

Marshal Gelong replied with a serious face.

"Your Majesty, it depends on Tangshan."

"If Tangshan can kill Queen Bidong'er, we will have a chance to win the war. If Tangshan does not kill Queen Bidong'er as soon as possible and the Black Armored Legion turns around, our Tiandou Empire's army will also be wiped out by the Black Armored Legion.. Emperor Tiandou looked at the black armored legion and said helplessly,

"Black-armored legion, the Wuhun Empire actually has a powerful soul master legion. Bi Donger relied on two hundred thousand black-armored legions, and she was able to conquer the entire Wuhun Continent."

"Things are unpredictable, Your Majesty, none of us thought that Bi Dong'er would hide so deeply."

In the sky of Hongyuan, powerful Douluo are still fighting. There are nearly fifty powerful Douluo, and now there are thirty-four left. In just over an hour, there are thirteen titled Douluo. Among those

killed were Douluo from the Wuhun Empire, Douluo from the Tiandou Empire, and even worse was the Star Luo Empire. All eight Douluo from the Star Luo Empire were killed. At this moment,

Poison Douluo was beaten all over by Hu Nana, He even kept vomiting blood in the air and retreated.

This was because Poison Douluo had Oscar and Ma Hongjun beside him to help Poison Douluo fight against Hu Nana, otherwise Poison Douluo would have been killed by Hu Nana.

Hu Nana looked at Poison Douluo and couldn't hold on. Oscar and Ma Hongjun were also knocked out of the air by her. She planned to kill Poison Douluo first and then destroy Oscar and Ma Hongjun.

"The sixth soul skill, confusing illusion!"

After Hu Nana launched her sixth soul skill, a pink mist instantly appeared around Poison Douluo. In the mist, Hu Nana's five clones used the first five soul skills to attack Poison Douluo at the same time. In the pink illusion,

Poison Douluo appeared instantly Five Hu Nana, he wondered suspiciously,

"Fantasy? Fake? Or is it true?"
