

Zongwu 2161

Chapter 2161

When Hu Nana saw that Poison Douluo didn't react to her clone's attack, she smiled disdainfully.

Hu Nana's five clones were half as strong as hers.

The five clones attacked with soul skills at the same time. Poison Douluo was crippled. Luo couldn't resist even if he wanted to.

Poison Douluo saw five powerful soul skills attacking him. He hurriedly activated his soul skills to resist these soul skills. He didn't know whether they were real or fake.

"The eighth soul skill, time freezing!"

Boom boom.....

After a burst of attacks,

Poison Douluo completely disappeared into the air. Except for some fragments of green clothes floating in the air, Poison Douluo did not leave even a piece of flesh and blood.

When Hu Nana saw Poison Douluo being killed, she looked at Oscar and Ma Hongjun who were miserable on the ground and whispered.

"Humph, I finally solved this old and immortal Poison Douluo. Next, Oscar and Ma Hongjun."

Whoosh!"

"who!"

Suddenly,

Hu Nana felt someone appeared behind her. She turned around quickly and shouted,

"Little Fox?"

Su Chen appeared next to Hu Nana with Bo Saixi in his arms. He looked at the blonde beauty in front of him and shouted in confusion,

"General Su Chen?" Hu Nana was stunned when she saw Su Chen suddenly appearing next to her, even hugging Bo Saixi, the high priest of Poseidon Island. After Su Chen checked the battlefield, he patted Bo Saixi. Shoulder said,

"Mrs. Posaisi, go gather your men, I'll wait for you here!"

After Bo Saixi looked at Hu Nana, she glared at Suchen and warned,

"Huh, you shameless person, don't pay my attention to this little beauty."

Su Chen coughed speechlessly and said,

"Hey, how could I possibly do that? Go and gather your Sea Douluo people, otherwise, Qian Xue'er might kill them."

Bo Saixi rolled her eyes at Su Chen and quickly disappeared.

She also saw several Douluo from Poseidon Island being beaten by Qian Xue'er. In case Qian Xue'er really killed her, the eight Sea Douluo She might be killed by Qian Xue'er.

When Hu Nana saw Bo Saixi leaving quickly, she was very confused when she heard what Su Chen and Bo Saixi said.

The relationship between Bo Saixi and Suchen was not simple, but Bo Saixi They were clearly enemies before, so why are they so close to Su Chen now?

"Su Chen, what's going on with Bo Saixi, the high priest of Poseidon Island?"

After Su Chen heard what Hu Nana said, he looked at this blonde beauty Hu Nana.

Hu Nana's martial spirit is the demon fox.

She looked very beautiful, mature, charming, proud and tall, with a beautiful face. Hu Nana Her beauty is not inferior to Ning Rongrong and Zhu Zhuqing.

Especially her mature and charming appearance, even the plump and sexy Zhu Zhuqing cannot compare.

Su Chen smiled and said to Hu Nana, "Hu Nana, the high priest is ours, it was just a misunderstanding."

Hu Nana asked in confusion, frowning.

"Our people? Misunderstand? Are you telling the truth?"

Su Chen nodded and replied,

"Of course it's true. Didn't you see that Qian Xueer was just teaching those Sea Douluo people a lesson? If Qian Xueer wanted to kill those Sea Douluo, those Sea Douluo would have been killed long ago."

Hu Nana suddenly realized what she said when she heard Su Chen's words. She thought that Qian Xue'er was very powerful, but it had been almost an hour, and Qian Xue'er hadn't killed a single Sea Douluo.

Hu Nana was already very confused, but now she heard When it came to Su Chen, Hu Nana also understood that Qian Xueer was waiting for the arrival of the high priest Bo Saixi.

"I asked why Qian Xueer kept pestering those Sea Douluo and did not kill them. It turned out to be this reason, but why is Poseidon Island an ally of our Spirit Empire?"

Su Chen shook his head and corrected,

"Hu Nana, you are wrong. To be precise, High Priest Bo Saisi and Queen Bi Dong'er are very good friends. They are even good friends and often sleep together.

"Su Chen, you are talking nonsense. How could my teacher know the high priest Bo Saixi? I have never heard of this matter."

"Haha, little fox, you will understand later."

Hu Nana looked at Su Chen and couldn't understand.

Are the high priest Bo Saixi and her teacher Bi Dong'er good friends? They even often rest together?

This is simply impossible.

Hu Nana has never been in the Wuhun Temple. I have never met the high priest Bo Saixi. How could the high priest Bo Saixi be good friends with her teacher Bi Donger, and even often rest together.

Whoosh!

At this time,

Qian Xueer quickly arrived next to Su Chen and Hu Nana.

She saw Xiang Suchen smiled and said,

"Concubine, I didn't expect you to take care of High Priest Bo Saixi so quickly. If High Priest Bo Saisi doesn't come back, I can't help but kill those Sea Douluo."

When Su Chen heard Qian Xueer calling her concubine, he rubbed his forehead and said,

"Qian Xue'er, you really have the same personality as the other Qian Xue'er. I still like your taciturn look. You look too lively now. Qian

Xue'er rolled her eyes at Su Chen and said,

"Yep, I know everything, even my mother's pain, and I don't have any knots in my heart now. Why should I hide my personality?"

Hu Nana was confused when she heard the conversation between Qian Xue'er and Su Chen, concubine?

Why did Qian Xue'er call Su Chen her concubine?

Could it be?

Could it be that Su Chen was her teacher's man?

Hu Nana's eyes widened when she thought of this.

Su Chen looked to be in his twenties. Could Su Chen be her teacher's man? Her teacher Bi Dong'er was much older than Su Chen. Hu Nana felt a headache.

Qian Xue'er saw Hu Nana rubbing her forehead.

She asked funnyly,

"Little fox, do you have a headache?"

Hu Nana hurriedly asked Qian Xue'er, "Little bird, what is the relationship between Su Chen and the teacher?" Qian

Xue'er smiled and replied,

"what relationship? Didn't I just call Su Chen my concubine? This bastard is my mother's man"

"How can this be? How is this possible?"

Su Chen was very speechless when he looked at Qian Xue'er.

Is Qian Xue'er deliberately attacking Hu Nana?

In the plot,

Qian Xue'er and Hu Nana don't seem to have much social contact. Why is Qian Xue'er now deliberately trying to make things difficult for Hu Nana?

Is it because Bi Dong'er is against Hu Nana? Hu Nana is better than Qian Xue'er?

Is Qian Xue'er jealous?

Whoosh, suddenly,

Nie Xiaoqian appeared next to Su Chen and saluted,

"Master, I found a sneaky man outside the battlefield. Do you want to kill him?"

"Sneaky people?"

Chapter 2162

When Su Chen heard Nie Xiaoqian's words, she looked around. The people who appeared outside the battlefield at this time might not be simple people or powerful people. It was impossible for Nie Xiaoqian to come and report to her.

Huh!

Or a god?

The God of Shura was killed.

He was familiar with the God of Poseidon. The

God of Angel was a beautiful woman.

This god should be the God of Rakshasa.

Su Chen did not expect that the God of Rakshasa also appeared. Was he here to help Bi Dong'er? Or do you have other intentions?

Su Chen touched his chin and guessed that the Rakshasa God might not have come to help Bi Dong'er.

The Poseidon and Angel God did not appear.

Su Chen guessed that the Poseidon and the Angel God must have restrained each other. If the Rakshasa God came to help Bi Dong'er, he should work with the Angel God to deal with the Poseidon, and even join forces with the Angel God to kill the Poseidon.

But Rakshasa is actually hiding on the edge of the battlefield. The insidious and cunning god Rakshasa must have an ulterior secret.

Su Chen thought for a while, then took out a bead and handed it to Nie Xiaoqian and said,

"Nie Xiaoqian, that person should be the Rakshasa God. Go kill him. Also pay attention to the Rakshasa God's immortality. This bead can purify the Rakshasa God's divinity."

"Yes, master!"

Nie Xiaoqian took the beads Su Chen handed her and disappeared instantly.

Qian Xueer heard Su Chen's words and asked in surprise,

"Rakshasa God? Concubine, you want to kill the god that my mother wants to inherit? Su

Chen shook his head and explained, "The Rakshasa God may have evil intentions when he comes this time. It is better for the insidious and cunning Rakshasa God to die. His divinity should be inherited by your mother." Qian

Xue'er said with a smile, her eyes shining brightly.

"Haha, concubine, my mother doesn't care about the gods of Wuhun Continent at all, and she doesn't care about those gods even more. This time she wants to take advantage of me again, no, she also takes advantage of this little fox."

Qian Xue'er looked at the confused Hu Nana next to her and curled her lips.

Hu Nana was not only loved by her mother, but her mother even treated Hu Nana as her own daughter.

This made Qian Xue'er very fond of Hu Nana.

Hu Nana doesn't even have it now. After reacting,

Nie Xiaoqian appeared silently just now, and even saluted Su Chen and called her master, which made Hu Nana feel very incredible.

Hu Nana felt Nie Xiaoqian's power, and even Nie Xiaoqian could kill her with one move.

God!

Hu Nana guessed Nie Xiaoqian must be a god, but why would a god salute Su Chen and call him master?

What is Su Chen's identity?

God?

Hu Nana looked at Su Chen and he didn't look like a god at all, and how could a god be her teacher's man? , what kind of person is Su Chen?

Hu Nana asked Su Chen with a serious face,

"Su Chen, who are you? Why did that powerful woman call you master?

Su Chen pointed at himself and said with a smile, "Me?" I'm just a strong ordinary person."

Hu Nana stared at Su Chen and shouted,

"Strong ordinary people? Are you bluffing me? That woman just now was a god, right? If a powerful god calls you master, will you still be a powerful ordinary person?"

Qian Xue'er said with a sweet smile when she heard Hu Nana's words,

"Haha, little fox, Su Chen's status is very noble, God? Even the gods of Wuhun Continent are not worthy of carrying shoes for this concubine."

Su Chen is the emperor of the immortal world.

Although Qian Xue'er has no memory of the immortal world, the immortal cultivators are so powerful. The gods may be even more powerful. Those gods can even destroy the Wuhun Continent with one blow.

These gods in the Wuhun Continent, they They can only dominate in the Wuhun Continent. As long as they appear in the Godfall Continent, those powerful immortal cultivators will make these gods become human beings in minutes.

Hu Nana was shocked when she heard Qian Xue'er's words. Su Chen was rationed to carry shoes? What is Su Chen's identity? Hu Nana became more and more curious about Su Chen.

Su Chen looked at Qian Xueer speechlessly.

He didn't say anything more.

On the battlefield, the Douluo from the Spirit Empire had already occupied With an absolute advantage, the Douluo of Poseidon Island have withdrawn from the war, and it is only a matter of time before the powerful Douluo of the coalition are destroyed.

The battle between Bi Donger and Tangshan is still going on.

Tangshan has opened the Poseidon Domain at this moment, and even the Poseidon Trident The halberds were taken out.

Bi Dong'er's Rakshasa realm was also opened.

Although Bi Dong'er did not have a divine weapon, it was not too difficult for her to kill Tang Shan.

Tang Shan did not have Ning Rongrong's auxiliary help this time. His strength It is 30% lower than in the plot.

In the plot, Tangshan was killed once by Bi Donger. If Tangshan was not the protagonist of destiny, Tangshan was resurrected by Ning Rongrong and Oscar, which allowed Tangshan to cheat and kill Bi Donger.

But this time he has his own existence. Ning Rongrong was caught by him early in the morning, and the Shura God was also killed. The Poseidon should be held back by the Angel God. Tangshan, the destined protagonist, is dead this time no matter what.

"Suchen!"

While Su Chen was observing the battlefield, Xiao Wu and Ning Rongrong came to him with a little beauty.

Su Chen looked at Xiao Wu and Ning Rongrong, and then he looked at Qian Xueer and Hu Nana.

Su Chen didn't expect that just after he arrived, he would be surrounded by five beauties. If Bo Saixi saw this when he arrived, he would be very angry.

Su Chen looked at Ning Rongrong and said Asked doubtfully,

"Ning Rongrong, how did you and Xiao Wu get out of the spatial prison?"

After Ning Rongrong heard Su Chen's words, she smiled and pointed to the little beauty next to her and said,

"Haha, Xiao Wu and I went to rescue Bai Chenxiang, this little beauty"

"White agarwood? That little fat guy's girlfriend?"

"Do you know this too?"

"Nonsense, I can know everything I want to know."

Su Chen didn't expect that Ning Rongrong and Xiao Wu would actually save Bai Chenxiang. She's just a little beauty. Just save her, as long as she doesn't save people like Oscar and Dai Mubai.

Bai Chenxiang looked at Su Chen very much. He was so surprised that this person was Su Chen, one of the three peerless Douluo in the Wuhun Empire. He was too young. Bai Chenxiang did not expect that Su Chen could be a powerful peerless Douluo at such a young age.

"Rongrong!"

"Agarwood!"

At this time,

Oscar and Ma Hongjun, who were miserable on the ground, saw Ning Rongrong and Bai Chenxiang appearing in the air, which made them all scream in worry.

"Xiao Ao?"

Ning Rongrong looked at Oscar on the ground with a very complicated expression.

She and Oscar were done.

Ever since Ning Rongrong was caught by Su Chen, she even did those disgusting things to Su Chen. She and Oscar are no longer the same. The relationship between boyfriend and girlfriend.

Bai Chenxiang went to check on Ma Hongjun's injury, but before she could go down, she was pulled by Xiao Wu.

Xiao Wu shook her head and said to Bai Chenxiang,

"Chen Xiang, if you don't want Ma Hongjun to die, don't care about him, otherwise Ma Hongjun will be killed immediately."

Chapter 2163

After Xiao Wu dissuaded Bai Chenxiang, she looked at Su Chen.

Although Su Chen promised not to kill Oscar and the others, she was also afraid that Su Chen would change his mind. If Oscar and the others insulted or even attacked Su out of spite, she In the morning, Xiao Wu was really worried that Su Chen would kill them.

When Su Chen saw Xiao Wu looking at him, he smiled and replied,

"Xiao Wu, don't worry, I promised you not to kill them, so I won't take action."

Xiao Wu looked at Su Chen and reminded,"Su Chen, you can't let your men take action. Su

Chen nodded and replied,"Of course, but Xiao Wu, should you express your gratitude?"

"I.....I won't do that with Rongrong."

When Xiao Wu heard Su Chen's words, she blushed and was at a loss.

She thought of what Ning Rongrong had done to help Su Chen, and Xiao Wu wanted to stay away from Su Chen immediately.

That thing was so disgusting,

Ning Rong Rong had spent more than half an hour to prevent her from helping Su Chen do that disgusting thing.

I guess!

Su Chen was confused when he heard Xiao Wu's conversation.

Xiao Wu didn't fall asleep that night. Ning Rong Xiao Wu actually saw all the things Rong did for him?

Ning Rongrong was also confused when she heard Xiao Wu's words.

Her face turned red instantly.

Ning Rongrong also didn't expect that Xiao Wu would know about that. , she lowered her head now and felt ashamed to see others.

Qian Xueer and the other girls looked at Xiao Wu and were very confused.

They didn't understand what Su Chen asked Xiao Wu to do, but Xiao Wu and Ning Rongrong both blushed. , they all felt that it was definitely not a good thing.

Su Chen coughed and said to the blushing Xiao Wu,

"Ahem, Xiao Wu, I just want you to give me a massage in the future, you girl, don't think too much."

"massage?"

"Yes, it's a massage"

"So, then I agree."

Xiao Wu breathed a sigh of relief when he heard Su Chen's words. It seemed that she had gone astray just now. In full view of everyone here, Su Chen couldn't let her do that disgusting thing. At this time,

Oscar turned to Ning Rong again. Rong shouted,

"Rongrong, have you defected to the Spirit Empire? Or did your father join the Spirit Empire?"

"Su Chen, I'll go down and explain things clearly to Oscar."

Ning Rongrong heard Oscar's shout again, and she decided to tell him clearly. She would tell him even if they didn't meet again in the future.

"Go for it!"

When Ning Rongrong heard Su Chen's words, she flew towards Oscar from the air. Her fate with Oscar was over. Ning Rongrong also hoped that Oscar would forget her in the future.

Bai Chenxiang looked at Su Chen and flew down.

She Seeing that Su Chen agreed to let Ning Rongrong go, she felt that it was impossible for Su Chen to stop her, an insignificant person.

At this time,

Bo Saixi came with her men, and the sea Douluo stopped not far from Su Chen. At this place,

Su Chen came to Su Chen with Bo Saixi and Xiaobai, the Great White Shark. She stared at her and mocked,

"Su Chen, your affinity with women is really strong. I just left for a while, and four or five beautiful beauties gathered around you."

"Bo Saixi, you know exactly who they are, I didn't pay attention to them."

"snort!"

Bo Saixi looked at Qian Xue'er and Xiao Wu. She also knew that Su Chen would not pay attention to them.

But this bastard was too shameless.

Although Bo Saixi was not worried that Su Chen would pay attention to Qian Xue'er and Xiao Wu. , but Hu Nana, Ning Rongrong and the others, this bastard will definitely be tempted. Bo Saixi also warned Su Chen.

Su Chen waved to Jaws Xiaobai and said,"Xiaobai, long time no see."

"We know each other?"

Great White Shark Xiaobai was very confused when she heard Su Chen's words.

She had never met Su Chen before. Why did Su Chen look so familiar to her?

"Of course, you will think of me later."

Su Chen smiled and looked at the battle outside the battlefield.

Nie Xiaoqian was already fighting with the Rakshasa God. Su Chen didn't care too much about it. Nie Xiaoqian was also at the peak of the Tribulation Realm. She couldn't deal with the Rakshasa God. How difficult would it be?

When Bo Saixi saw Nie Xiaoqian fighting outside the battlefield, she asked in confusion,

"Then who is fighting Nie Xiaoqian?"

Su Chen replied,

"Rakshasa God!"

Bo Saixi asked in surprise when he heard Su Chen's words.

"Rakshasa God? You actually killed the god Zhuan who Bi Donger wanted to inherit?"

Su Chen shook his head and explained,

"The Rakshasa God is insidious and cunning. Since he appears on the edge of the battlefield, he may have evil intentions. It is better to kill the Rakshasa God and let Bi Dong'er completely inherit the Rakshasa God's position and divinity."

"Everything you have done is in vain. Bi Dong'er doesn't care at all about inheriting the Rakshasa God. We have the cultivation method of immortality, and soul cultivation is no longer useful to us."

"That's true, but it's better to kill the Rakshasa God to save him from any plots in the future."

"What about Poseidon? Are you going to kill him too?"

"Poseidon must die. He has already been killed once anyway. Killing Poseidon again is a trivial matter."

"Whatever you want, Poseidon will be unlucky for eight lifetimes when he meets you."

When Bo Saixi heard Su Chen's words, she didn't bother to care anymore.

She was also dissatisfied with Poseidon's preference for Tangshan. Although Tangshan was Tang Chen's descendant, Bo Saixi had no intention of targeting Tangshan.

However, since then,

Bo Saixi has After receiving the memory passed down to her by Su Chen, the ninth test in Tangshan was when she died, and Bo Saixi also completely lost loyalty to Poseidon.

After Xiaobai and Hu Nana heard the conversation between Su Chen and Bo Saixi, They were all very surprised.

Xiaobai didn't expect that someone was killing gods, and they were also killing Rakshasa gods.

Even Su Chen wanted to kill Poseidon.

The high priest Bo Saixi was not surprised at all? She was at this moment She was very surprised.

Hu Nana did not expect that Su Chen would kill Poseidon.

God Shura had already been killed by Su Chen, and Rakshasa God would probably be killed by Su Chen's men soon. Su Chen didn't even think of Poseidon who had not arrived. They all have to be killed. Could this concubine be addicted to killing gods?

Hu Nana looked at Qian Xueer and reminded, "Little bird, do you think Su Chen will also kill your angel god?"

Qian Xueer was shocked when she heard Hu Nana's words.

She felt that it was very possible that when Su Chen came to Wuhun Continent this time, he might kill all the gods. After all, this small world will be controlled by Su Chen in the future. It is impossible for Chen to continue to keep those so-called gods

"Su Chen, can the angel god not kill him?"

Chapter 2164

Su Chen was stunned for a moment when he heard Qian Xue'er's words,

Killing the Angel God?

He didn't want to kill the angel god!

How could Qian Xue'er think that he wanted to kill the Angel God?

Angel God came to help Qian Xue'er and Bi Dong'er. How could Su Chen kill that little Angel God?

Besides, that girl of the Angel God is very good-looking, with long golden hair, a cool and noble temperament, a beautiful face, and a curved figure. She is a beautiful seraph.

Su Chen was very interested in her. He was also planning to see how the Angel God was different from those of Angel Yan, and even how it was different from the angels in the Western Realm.

Su Chen shook his head and said,

"Qian Xue'er, I didn't want to kill the angel god, you are overthinking."

Qian Xue'er heard Su Chen's words and asked seriously, "Are you really not going to kill the Angel God?"

Su Chen replied speechlessly,

"Angel God is here to help you, how could I kill her? Angel God should have intercepted Poseidon now. Qian Xue'er, don't worry, I really won't kill Angel God."

"Angel God intercepted Poseidon?"

Qian Xue'er was very surprised when she heard Su Chen's words.

She didn't expect that the Angel God actually intercepted the Poseidon.

Could it be that in addition to the arrival of the Shura God and the Rakshasa God, the Poseidon and the Angel God also arrived?

This is just a mortal war.

The god Zhuan of Heaven actually also participated secretly.

Su Chen nodded and explained,

"Well, the last time Shura God appeared in Jialing Pass, the Angel God also appeared. If I hadn't discovered Shura God instantly, the Angel God might have stopped Shura God."

"The reason why Poseidon has not appeared in this war is that I guess the Angel God has intercepted Poseidon."

Bo Saixi heard Su Chen's words and said, "I didn't expect such a thing to happen. It seems that Qian Xue'er's angel god still cares about her heir."

Qian Xue'er looked around and whispered, "The angel god is actually protecting himself secretly?"

Boom!

Suddenly,

Oscar and Ning Rongrong started fighting on the ground.

Oscar looked ferocious and shouted angrily, "Ning Rongrong, you make me feel sick, I want to kill you.""

Ning Rongrong said to Oscar with a cold face,

"Oscar, you are no match for me. I have made it very clear. Our relationship ends here. From now on, you and I will have nothing to do with each other. You will walk your way, and I will walk my single-plank bridge."

Oscar glared at Ning Rongrong and cursed,

"Bitch, you must have been insulted by that Su Chen. You even fell in love with the Su Chen who insulted you. Damn it, I want to kill him. I want to kill that Su Chen too."

Ning Rongrong was very angry when she heard Oscar's words. She just came here to explain things to Oscar, and even planned to save Oscar's life, but she didn't expect Oscar to be so stubborn.

Ning Rongrong knew that Oscar liked her too much,

But there was no result between them at all.

If Ning Rongrong had not obtained those memories of Shen Yun Continent, she would have been with Oscar even if she died.

But the memories in Shen Yun Continent had a great impact on her, and she was affected by those memories. Ning Rongrong could not continue to be with Oscar due to the influence.

Ma Hongjun and Bai Chenxiang next to them saw Oscar taking action against Ning Rongrong, and even heard Oscar's insults and Ning Rongrong's decision to break up. They were both Looking at Oscar and Ning Rongrong in surprise,

Ma Hongjun suddenly looked at Bai Chenxiang and asked anxiously, "Chenxiang, are you going to break up with me too?"

"I....."

Bai Chenxiang became entangled.

She didn't know how to answer Ma Hongjun's words.

Bai Chenxiang thought of Xiao Wu's words.

If she continued to stay with Ma Hongjun, Su Chen, the Peerless Douluo, might kill Ma Hongjun, but if she broke up with Ma Hongjun, Bai Chenxiang couldn't bear it in her heart.

When Ma Hongjun saw Bai Chenxiang's entangled look, his heart skipped a beat.

What he worried about had really happened.

Ma Hongjun had previously been glad that Bai Chenxiang had not been captured by Su Chen, but he seemed to be overthinking it.

Xiao Wu, Ning Rongrong, Zhu Zhuqing, they were all taken away by Su Chen. How could Su Chen, that pervert, let Bai Chenxiang go?

Ma Hongjun looked at Bai Chenxiang and asked hurriedly, "Chenxiang, do you have something to hide? Did Su Chen force you? Tell me, I will kill that bastard even if I die."

Bai Chenxiang thought for a while and said He said helplessly,

"No, Ma Hongjun, our relationship should end here."

"No! Ma Hongjun quickly grabbed Bai Chenxiang and shouted, "Bai Chenxiang, you can't leave me!" I won't allow you to leave me! Bai

Chenxiang struggled and shouted to Ma Hongjun,

"Ma Hongjun, please let me go, I am doing this for your own good, so just leave it alone."

Boom boom boom.....

Oscar here kept attacking Ning Rongrong, but Ning Rongrong did not fight back. She quickly dodged Oscar's attacks.

Whoosh!

Ning Rongrong quickly came to Bai Chenxiang's side. After she used the Nine Treasure Glazed Tower to deflect Ma Hongjun,

Ning Rongrong grabbed Bai Chenxiang and said hurriedly,

"Agarwood, let's leave!"

"good!"

"Can't go! The sixth soul skill, Phoenix Cloud Piercer!" After Ma Hongjun was bounced away by Ning Rongrong, he also attacked Ning Rongrong.

Ning Rongrong hurriedly activated his soul skills and said,

"The nine treasures turn out to be glass, and the nine treasures have names. The eighth one says: The nine treasures divine light protects the body!"

Boom!

A huge nine-story glazed tower appeared above Ning Rongrong, and a blue barrier protected Ning Rongrong and Bai Chenxiang.

"Damn it, the seventh soul skill, the true form of the martial soul!"

"The seventh soul skill, the true form of the martial soul, the strong golden fly!"

When Ma Hongjun and Oscar saw the Nine Treasures Glazed Tower appearing, they all attacked it desperately.

From the air,

Su Chen was very speechless when he saw the farce below.

Is this an internal strife among the seven monsters?

Oscar and Ma Hongjun are asking for force. Ning Rongrong and Bai Chenxiang were left behind.

However, it made sense that Ning Rongrong wanted to separate from Oscar. After all, after Ning Rongrong got those memories, she could no longer be with Oscar. But Bai Chenxiang had to separate from Ma Hongjun no matter what. ?

Let me guess,

Xiao Wu, Zhu Zhuqing, Ning Rongrong, and Bai Chenxiang, they all have to be separated from Tangshan and Oscar.

Damn, all the men in the Seven Monsters have no girlfriends. How can Dai Mubai be allowed to marry him in the future? Will those people become gay in the future?

The women Bo Saixi and Qian Xueer were also very speechless. These women all looked at Su Chen. They all knew that such a thing would happen. It was all caused by Su Chen..Su

Chen noticed that Bo Saixi and Xiao Wu were looking at him, and he hurriedly explained,

"I'm going, what are you all looking at me for? This is not what I asked Ning Rongrong and Bai Chenxiang to do. I didn't say anything just now."

Chapter 2165

Bo Saixi and the other girls ignored Su Chen.

They all looked at Ning Rongrong's Nine Treasure Glazed Tower. The defense of the Nine Treasure Glazed Tower surprised them all.

The attacks from Oscar and Ma Hongjun were of no use to the Nine Treasure Glazed Pagoda. The Nine Treasure Glazed Tile Pagoda was actually able to absorb attack power and strengthen its defense. This made the girls look at Ning Rongrong in great surprise.

Su Chen saw that several women ignored him, and he also looked at Ning Rongrong.

Ning Rongrong's Nine Treasure Glazed Pagoda was not only the strongest support, but also the strongest defense.

There seems to be a titled Douluo attacking Ning Rongrong in the plot. Not only did that titled Douluo not attack Ning Rongrong, he was even bounced away from the Nine Treasure Glazed Tile Tower.

Ning Rongrong probably didn't use the Nine Treasure Glazed Tile Tower's strongest soul ability this time, otherwise Oscar and Ma Hongjun would have been bounced away.

At this time, the black-armored army had destroyed the Star Luo Empire's army, and Dai Mubai quickly flew towards the Tiandou army with the injured Davis.

But the situation here in Tiandou Empire is also very dangerous.

After a half-day war outside Jialing Pass, the Tiandou Empire's army was less than 300,000, while the Wuhun Empire's army still had more than 400,000. Now, with the arrival of the Black Armored Legion, it would only be a matter of time before the Tiandou Empire's army was destroyed. question.

Under the royal banner of the Tiandou Empire,

Marshal Ge Long saluted Emperor Tiandou and said,

"Your Majesty, retreat. With the arrival of the Black Armored Legion, our Tiandou Empire has been defeated. Tangshan did not kill the Empress Bi Dong'er of the Wuhun Empire in time. Our coalition forces have been defeated in this decisive battle."

Emperor Tiandou shouted angrily,

"withdraw? Marshal Gelong, can we withdraw? The Tiandou Empire's army is surrounded by the Wuhun Empire's army. How do we retreat? Do you want to abandon the army and run away?"

"Your Majesty, you are the emperor of the Tiandou Empire. We can die outside Jialing Pass, but you cannot. As long as your Majesty does not die, the Tiandou Empire will definitely make a comeback in the future."

Emperor Tiandou saw that the battle with the powerful Douluo in the air had ended. All the Douluo from the coalition forces had been killed, and there were still more than ten Douluo from the Wuhun Empire. It was impossible for them to escape even if they wanted to.

Emperor Tiandou shook his head. He said helplessly

"It's too late. All the powerful Douluo in our coalition have been killed. There is no way the powerful Douluo in the Wuhun Empire will let us leave, and it's impossible for me to abandon the army and escape."

"His Majesty!"

"Needless to say, Marshal Ge Long, with the Royal Legion of our Tiandou Empire, we will die together on the battlefield of Jialing Pass this time."

"Yes, Your Majesty!"

Dong dong.....

Under the royal flag of the Tiandou Empire, the war drums were beaten again.

Emperor Tiandou took the long sword and led the last legion to the battlefield. The coalition forces have lost this war.

The Tiandou Empire and the Star Luo Empire will be defeated in the future. After destroying the country, Emperor Tiandou thought that there was no difference between dying now and dying in the future. If he wanted to die, he would die in an upright manner on the battlefield.

On the battlefield, there were stumps of limbs and broken arms everywhere, and hundreds of thousands of corpses were lying in disorder on the Red Plains. The entire Red Plains land was dyed red with blood. The

Red Plains, this will be the real Red Plains in the future.

At this moment, in the air,

Dai Mubai pulled Davis and rushed towards the Tiandou Empire's army. Tens of thousands of black-armored cavalry behind him continued to chase and shoot them.

With blood all over his body, Davis shouted, "Mubai, leave me alone, run away quickly, the crossbows of the Black Armor Legion are very powerful, you can't protect me.""

"Let's go together!"

Dai Mubai looked at the approaching black armored army.

His soul power had been consumed very much before, and now he was a little powerless. All the powerful Douluo of the coalition had been killed.

On the entire battlefield, the entire army of the Star Luo Empire was completely exhausted. The army of the Tiandou Empire was wiped out, and the Tiandou Empire's army might not be able to hold on for long. The coalition forces in the Jialing Pass War had been defeated, and they were completely defeated.

Davis suddenly saw Oscar, Ma Hongjun, and even the huge Nine Treasure Glazed Pagoda.

He hurriedly told Dai Mubai shouted,

"Mubai, look to the northeast, those are your friends, they are not dead yet"

"Let's go to my friend's place first."

Dai Mubai saw the powerful Douluo from the Spirit Empire in front preparing to intercept him. He immediately turned around and took Davis towards Oscar and the others. This was the only place Dai Mubai could go. The battlefield was surrounded by the Spirit Empire. The army and the powerful Douluo, he can only make peace with Oscar and the others first.

"Huh? Dai Mubai was not killed. This boy was really lucky."

Su Chen found out that Dai Mubai arrived quickly with Davis, which made him very speechless.

Su Chen was very powerful. Dai Mubai arrived with Davis. Are they all here to die?

Su Chen Just as he was about to ask the black-armored army behind to stop pursuing, he suddenly noticed that Liu Erlong and the women were flying towards here.

Su Chen's face immediately darkened.

Come on!

Liu Erlong and Lan Yinhuang took Tang Yuehua and the others. Women, why have they all come out of the space prison?

Now Bo Saixi will be jealous and angry again. It will be much more difficult for him to deal with the beautiful high priest in the future.

Bo Saixi looked at Su Chen coldly He taunted,

"Humph, you are quite quick to strike. Don't say that these women have nothing to do with you."

"Hey, it has something to do with it!"

"I'm too lazy to talk to you!"

Bo Saixi glared at Su Chen and turned away.

She also knew something about Su Chen.

In her memory , there were a lot of such bastard women and confidantes in the Divine Fall Continent. High Priest Bo Sisi decided that she would not let Su Chen hold her hand in the future, at least she would not have too much ambiguity with Su Chen until she saw Bo Saixi in the Godfall Continent. At this time, Dai Mubai took Davis, Liu Erlong and Lan Yinhuang arrived at the same time with Tang Yuehua and the girls. Su Chen looked at the arriving Liu Erlong and the girls. Among them, there was a beautiful woman. That woman was very familiar with Zhu Zhuqing. They were both A plump and sexy figure. Zhu Zhuyun? Zhu Zhuqing actually rescued her sister? Boom! At this time, Ning Rongrong's Nine Treasures Glazed Pagoda suddenly erupted with a basket of light, Oscar and Ma Hongjun bounced out instantly, Ning Rongrong led Bai Chenxiang quickly flew towards Su Chen. Su Chen looked at the people beside him and thought speechlessly,

"Let me go. Now everyone who is supposed to arrive has arrived. If Tangshan and Bi Dong'er also arrive, the protagonists and supporting roles will be complete."

Chapter 2166

Su Chen now has Ning Rongrong, Xiao Wu, and Zhu Zhuqing from the Seven Monsters, as well as the two extra Zhu Zhuyun and Bai Chenxiang, and the remaining supporting characters, Bo Saixi and Liu Erlong.

He shook his head when he looked at these people.

In the plot, the protagonists and supporting actors were basically together, but the atmosphere today was not good. There was civil strife in the protagonist group, and the supporting actors basically stood together.

"Zhu Zhuqing!"

"Zhu Zhuyun!"

After Dai Mubai and Davis arrived, they first met with Oscar and Ma Hongjun. Their brothers looked at the Zhu Zhuqing sisters in the air and shouted angrily.

Zhu Zhuqing pulled Zhu Zhuyun in the air to look at Dai Mubai and David. Si,

Zhu Zhuqing didn't say anything more, and she didn't let Zhu Zhuyun say anything.

The war was about to end, and the coalition forces had failed. If people like Dai Mubai didn't want to die, they'd better leave. Su Chen also promised not to kill. People like Dai Mubai.

Zhu Zhuqing didn't dare to say anything to Dai Mubai. She was also worried that saying anything to Dai Mubai would make Su Chen unhappy, or even Su Chen would kill people like Dai Mubai.

Su Chen looked Xiang Ning Rongrong and the other girls said, "After you deal with them, let them leave. If they want to die, just stay and wait for death."

After Xiao Wu heard what Su Chen said, she hurriedly shouted to Oscar and the others below,

"Oscar, Dai Mubai, Ma Hongjun, please leave. Su Chen promises not to kill you. Zhu

Zhuqing looked at Dai Mubai and said with a cold face,

"Dai Mubai, please leave"

"Oscar, leave now or you will die here"

"Ma Hongjun, Su Chen has promised not to kill you, please leave immediately"

"Davis, you.....You leave!"

Then,

Ning Rongrong, Bai Chenxiang, and Zhu Zhuyun looked down and spoke one after another.

After they heard Su Chen's words, Ning Rongrong and the other girls were also very worried. If Dai Mubai and Oscar didn't leave, , Su Chen might really kill a few of them.

After Dai Mubai heard what Zhu Zhuqing and the girls said, he had a look on his face and cursed at Su Chen,

"Su Chen, you threatened Zhu Zhuqing and others, right? You shameless pervert, are you going to take them all? You are a peerless Douluo, how can you not even give up the face of a strong man?"

What the hell!

Su Chen's face turned dark when he heard Dai Mubai's words.

Has he taken over women like Zhu Zhuqing?

Among these women, only Ning Rongrong has an ambiguous relationship with her. He didn't even touch the other women. But, uh!

Holding them when you catch them doesn't count.

"Concubine, do you want me to kill them?"

Qian Xue'er saw Su Chen's face turned dark, she clenched her fists and said to Su Chen,

"Forget it, they are all insignificant people. If they don't realize it and leave after a while, it won't be too late to kill them when the time comes."

Su Chen almost nodded in agreement after hearing Qian Xue'er's words.

He had no intention of letting Dai Mubai and the others go. Today, he just let them go once for the sake of Ning Rongrong and Xiao Wu.

But after the war,

Su Chen He will let the female ghosts eradicate people like Dai Mubai. He will not leave any hidden dangers in this world. Even the gods of Wuhun Continent will be executed if they do not surrender.

"Kill, the seventh soul skill, martial soul true form, white tiger true form!"

Dai Mubai saw Su Chen in the air and ignored him at all. He angrily opened his soul ring and launched a soul skill attack on Su Chen.

Roar!

A huge white tiger appeared on the ground, and the white tiger's huge eyes stared Su Chen roared and rushed over.

"Don't overestimate your capabilities! The fifth soul skill, Angel Sword!"

Qian Xueer saw that Dai Mubai dared to attack. She opened her soul ring and quickly launched her soul skill attack towards Dai Mubai.

Boom!

In the air, an angel sword struck hard at Dai Mubai's transformed white tiger. ,

Dai Mubai was directly chopped away by Qian Xueer's sword, and a rain of blood was sprinkled in the air.

"Mubai!"

"Boss Dai!"

"Boss Dai!"

Davis and Oscar saw Dai Mubai being chopped down from the air, and they all hurried over to check Dai Mubai's injuries.

"Ahem, I'm fine!"

Dai Mubai vomited blood and quickly shook his head.

He did not expect that Qian Xue'er would seriously injure him with one blow, and Qian Xue'er turned out to be a ninety-ninth level peerless Douluo, which made Dai Mubai feel very sad. Surprised.

Boom boom boom.....

At this time, the battle between Bi Dong'er and Tangshan became more intense in the distance.

Su Chen looked over and realized that Tangshan was about to lose. Tangshan was now in a very embarrassed state. One of his arms was cut off by Bi Dong'er, and the artifact Shura Sword It was also snatched away by Bi Dong'er.

Bo Saixi looked at the miserable Tangshan and said,

"Tangshan is dying."

Su Chen shook his head and said, "No, Bi Dong'er can't kill Tang Shan."

"Why?"

Bo Saixi was a little puzzled when she heard Su Chen's words.

She knew that Bi Dong'er hated Tangshan deeply. How could Bi Dong'er not kill Tangshan?

Su Chen explained with a smile,

"There are two soul bones in Tangshan's body. Those two soul bones are Xiaowu's friends. I promised Xiaowu to resurrect them. Bi Dong'er should capture Tangshan."

"So this is ah!"

Bo Saixi nodded and understood.

Xiao Wu was very happy when she heard Su Chen's words. She was just worried that Bi Dong'er would kill Tangshan to pieces.

Now she is relieved that

Su Chen promised her I have never forgotten it.

Su Chen looked at Tangshan and said to the girls, "You guys wait, I will take out the soul bone from Tangshan."

Whoosh!

Su Chen disappeared instantly as he spoke.

However, after Su Chen disappeared,

Qian Xue'er looked at Dai Mubai and the others below and smiled evilly.

Hu Nana whispered beside Qian Xue'er and asked, "You are going to kill me. How many people are there in Dai Mubai?"

Qian Xue'er whispered quickly after hearing Hu Nana's words,

"Hush, little fox, Dai Mubai and the others must die. Su Chen promised not to kill Dai Mubai and the others, but we didn't agree. You don't want our Spirit Empire to be messed up by these people in the future, right?"

"Then kill it!"

Hu Nana nodded and agreed. She would not leave hidden dangers like Dai Mubai. Only by killing these people with great potential would the Wuhun Empire be at peace.

Ning Rongrong saw that both Qian Xueer and Hu Nana had activated Soul ring, she asked hurriedly,

"What are you going to do? Qian

Xueer said with a smile,

"Kill people!"

After Zhu Zhuqing heard Qian Xue'er's words, she did not expect that Qian Xue'er wanted to kill Dai Mubai and others. She hurriedly stopped Qian Xue'er and reminded her,

"Su Chen promised to let them leave, but you can't take action."

Xiao Wu, Ning Rongrong, Zhu Zhuyun, and Bai Chenxiang quickly stood in front of Qian Xueer and Hu Nana. They would not let Qian Xueer and Hu Nana kill Dai Mubai and the others.

Qian Xueer looked at these women with disdain. He said,

"What a joke, Su Chen promised not to kill them, but did we agree? Do you think that after these people recover in the future, they will give up dealing with the Spirit Empire?"

Chapter 2167

When Ning Rongrong and the other girls heard Qian Xueer's words, they also felt that Dai Mubai and Oscar would not give up in the future.

However,

Ning Rongrong and the others could not watch as Qian Xueer and Hu Nana went to kill Dai Mubai and others.

After all, they were teammates before, and

Dai Mubai and the others were not the same as Tangshan. Ning Rongrong and the others had activated their soul rings one by one, and they had to buy time for Dai Mubai and the others to escape.

Ning Rongrong shouted to Oscar and the others below, "Oscar, Dai Mubai, you all run away!"

Qian Xueer looked at Ning Rongrong and the girls and said disdainfully,

"Hey, Ning Rongrong, none of you are our opponents, you'd better not meddle in other people's business."

Qian Xueer is a ninety-nine-level peerless Douluo and a demigod who has inherited the divine throne. Hu Nana is a ninety-eighth-level peak Douluo. Any one of them can defeat Ning Rongrong and the others.

"We know that we are no match for you, Qian Xueer. If Su Chen finds out about this, he will punish you."

"punish me? That concubine didn't dare. You should also know the relationship between Su Chen and my mother. Do you think Su Chen dared to punish me?"

"you....."

"Get out of the way, or you won't blame us for being rude."

Besides,

Liu Erlong, Lan Yinhuang, Tang Yuehua, Bo Saixi and Xiaobai were all watching with different expressions.

They guessed that even if there was a fight between Ning Rongrong and Qian Xueer, these women It is impossible for women to fight to the death, but are these women good at fighting?

"This is interesting."

Bo Saixi watched the upcoming fight with interest.

These women should all have a good relationship with Su Chen. Bo Saixi thought it would be better for these women to fight, which would also give that bastard a headache.

Lan Yin After Huang and Tang Yuehua looked at Ning Rongrong and the other girls, they then looked at Tangshan.

Although Tangshan was a reborn person, Tangshan was their relative before.

One of them was Tangshan's mother, and the other was Tangshan's. Auntie,

Emperor Lan Yin and Tang Yuehua were also very conflicted in their hearts. Can a person who was reborn be considered their relative?

Liu Erlong looked at Ning Rongrong and the girls with a serious face.

She didn't want to care about this matter.

Dai Mubai She didn't care whether those people were dead or alive, but this was a battlefield after all. If these women started fighting, it would have some impact on Su Chen and even give Su Chen a headache.

Liu Erlong rubbed it Rubbing her forehead, she decided to stop them.

Although these women would fight with caution and there would be no casualties, Liu Erlong decided not to give Su Chen a headache, so she decided to take care of these careless girls.

Liu Erlong He stood up and shouted, "Stop it all, none of you are allowed to take action. This matter will be resolved after Su Chen arrives!"

Qian Xue'er shook her head and refused,

"No, we can't kill Dai Mubai and the others when Su Chen arrives. Ning

Rongrong said with a serious face, "Qian Xueer, we will not let you kill Dai Mubai and those people.""

Qian Xueer stared at Ning Rongrong and the girls and shouted,

"Then don't blame us, little fox, I'll stop these people, you go and kill Dai Mubai's people"

"good!"

When Liu Erlong saw that Qian Xue'er and Ning Rongrong didn't listen to her orders, she shouted angrily to the people around her,

"Maid in white!"

Swish swish swish".....

More than twenty beautiful female ghosts in white suddenly appeared next to Liu Erlong.

They saluted Liu Erlong one by one,

"Saw Madam!"

When Liu Erlong saw the female ghosts appearing, she pointed at Ning Rongrong and Qian Xueer and ordered,

"Stop these people and capture these careless women if they dare to take action."

"Yes, ma'am!"

People like Qian Xueer and Ning Rongrong were stunned. There are more than twenty beautiful women in white.

These beautiful women in white are all Su Chen's maids. They are even more powerful than them. Now, these women in white are on guard. Looking at them, none of them dared to take action.

Hu Nana asked Qian Xueer with a wary look,

"Who are these women? Have they been hiding around all this time? Qian

Xueer said helplessly,

"Little fox, we can't take action this time. These women are all Su Chen's maids, and each of them is stronger than us. Any maid can catch us."

"maid?"

Hu Nana was stunned when she heard Qian Xueer's words.

These beautiful and powerful women are actually maids?

Is it possible that Su Chen has so many powerful and beautiful maids? Su Chen only has more than 20 beautiful maids. I'm afraid it will be able to sweep across the entire Wuhun Continent.

"Yes, maid!"

Qian Xueer rolled her eyes at these maids, and she said to a relatively familiar maid in white,

"Xiaolan, do you want to stop us?"

When the female ghost Xiaolan heard Qian Xueer's words, she hurriedly saluted and said,

"Miss, the master ordered us to obey Mrs. Liu's orders. I'm sorry."

Qian Xue'er shouted angrily when she heard what the female ghost said,

"Damn it, did that concubine know that something like this would happen?"

Ning Rongrong and others breathed a sigh of relief.

As long as these maids in white were here, they couldn't fight. Without these maids in white, Ning Rongrong and the others would be held back by Qian Xueer, and Hu Nana might have killed Dai Mubai. those people killed

"Female ghosts?"

Bo Saixi saw so many women in white suddenly appearing, and she learned the identities of these women from her memory.

These women in white were all Su Chen's maids, and they had always been hidden in Su Chen's body. Bo Saixi Xi did not expect Liu Erlong to be able to command these female ghosts in white.

When Xiaobai saw the sudden appearance of more than twenty maids in white, she was very frightened.

Each of these women in white was very powerful and even killed her. Not long after,

Xiaobai asked Bo Saixi with a look of panic, "High Priest, these women in white are all very powerful, but why didn't these women in white appear in the previous battle?"

Bo Saixi smiled and shook his head and said,

"Xiaobai, these are just Su Chen's maids. They will only protect Su Chen. There is no need. These maids will not be dispatched at will."

"The maids are so powerful. High Priest, who is Su Chen? Why are he and I so familiar?"

Bo Saixi thought about the things in his memory and said with a smile,

"You will understand after this, Xiaobai, you are indeed very familiar with Su Chen. You are the first person Su Chen met on Poseidon Island, and your relationship with Su Chen is also very good."

Chapter 2168

Xiaobai became even more confused after hearing Bo Saixi's words.

Did Su Chen first meet her on Poseidon Island?

And they have the best relationship with each other? But why don't I have any impression at all?

At this moment,

Qian Xueer and Hu Nana are no longer taking action against Dai Mubai and the others.

There are female ghosts in white.

If they dare to take action, what is waiting for them is that they will be caught by the female ghosts in white, and their soul power will even be sealed by Liu. Erlong gave him a lesson.

Ning Rongrong and Zhu Zhuqing were also relieved.

However, they found that Dai Mubai and the others still did not leave, which made them very angry.

Ning Rongrong and Zhu Zhuqing did not hesitate to fight Qian Xueer. They must also buy time for Dai Mubai and others to escape.

Dai Mubai and the others still didn't escape. Do Dai Mubai, Oscar and others want to die here?

Zhu Zhuqing frowned and said to Ning Rongrong and the girls, "Dai Mubai and the others still won't leave, what are we going to do?"

Ning Rongrong rubbed his forehead and said helplessly,

"well! We have done what we should do. If they don't leave, then we won't leave. Whether they live or die is none of our business."

Xiao Wu said with an angry look,

"Yes, we didn't hesitate to fight Qian Xueer and Hu Nana. Dai Mubai and Oscar didn't take the opportunity to escape, so you don't need to worry about them anymore.

Bai Chenxiang asked with a worried look, "What if?".....What if people like Ma Hongjun want to take action against Su Chen?"

Xiao Wu pointed at the women in white around them and said, "They are looking for death. If they dare to take action again, the women in white here will kill them mercilessly. Zhu

Zhuyun pulled Zhu Zhuqing and said worriedly, "Zhuqing, should we go and persuade Davis and the others?"

Zhu Zhuqing shook his head and refused,

"Sister, no need, they won't listen. I suspect they don't believe that Su Chen will let them go."

"People like Dai Mubai and Oscar not only have a good relationship with Tangshan, but they have always been against the Spirit Empire. Maybe they know that they can't leave alive."

After Xiao Wu looked at the girls, she looked in the direction of Su Chen and said, "Forget it, never mind, I'll still wait for Su Chen to revive Da Ming and Er Ming."

Ning Rongrong and Zhu Zhuqing also shook their heads.

They had tried their best.

If Dai Mubai and Oscar were bent on seeking death, they would not speak again or even save them.

At this time,

Su Chen appeared in Tangshan and In Bi Dong'er's field, he used time suspension to control Tangshan.

When Bi Dong'er saw Su Chen suddenly arriving and even controlling Tang Shan, she asked Su Chen doubtfully, "Su Chen, what are you doing?" coming?"

After Su Chen looked at Tangshan's frightened look, he smiled and replied,

"I'll take away the soul bone of Xiao Wu's friend first, so that you won't have to use your hands and feet to destroy Tangshan."

Bi Dong'er heard Su Chen's words and understood. Xiao Wu must be worried that she would destroy Tangshan's bones, and even destroy the soul bones of Xiao Wu's soul beast friends into dregs.

Bi Dong'er shook his head. He explained,

"Don't worry, there is a huge gap in strength between Tangshan and me now. If I want to kill him, it's a matter of raising my hand. I didn't kill him immediately because I wanted to see if Poseidon would come to save Tangshan."

Su Chen hugged Bi Donger's small waist and said,

"Madam, Poseidon may have been intercepted by the angel god, but your Rakshasa god has arrived. Bi

Dong'er asked in surprise when he heard Su Chen's words.

"Um? Poseidon was intercepted by Angel God? The Rakshasa God actually came to the battlefield? What is the purpose of the arrival of Rakshasa God? Are you here to help me? Or do you have other intentions?"

"The angel god has been protecting your daughter. Poseidon has not appeared now. I guess the angel god has intercepted Poseidon. As for the Rakshasa god, he may have evil intentions. I asked Nie Xiaoqian to kill the Rakshasa god. Bi

Dong'er nodded and said, "That's fine. The Rakshasa God is originally a cunning and cunning god. Killing him is a good choice."

Tangshan looked at the sudden arrival of Su Chen with a horrified look on his face.

He couldn't move at all now.

Tangshan didn't expect that Su Chen would be so powerful. After a green light curtain enveloped him, he felt that he was in the light curtain. Time stopped, and even the soul skills he sent stopped in the air.

When Tangshan saw Su Chen hugging Bi Dong'er, his eyes opened even wider.

Queen Bi Dong'er was actually hugged by Su Chen Even Queen Bi Dong'er didn't object?

What is the relationship between Su Chen and Bi Dong'er?

Doesn't Bi Dong'er like his teacher Yu Xiaogang? Tangshan felt that his mind was in chaos.

Bi Dong'er, damn She took out a soul bone from Su Chen's arms, handed it to Su Chen and said,

"Su Chen, this is the soul bone I took out from Tangshan's left arm. The other soul bone should be in his right arm."

"This should be the soul bone of the Titan ape, and the soul bone in his right arm is the soul bone of Tian Qing Niu Mang."

Su Chen took the soul bone, looked at it and put it away. The

100,000-year-old Titan ape soul bone is not as useful as a fairy fruit, but in the world of martial arts, this is the most effective way to increase strength.

Bi Dong'er suddenly thought of Xiao Wu's mother.

She couldn't take out the soul bone of the soft-bone rabbit yet, otherwise her body would have some defects. Bi Dong'er didn't want her perfect body to have any defects.

"I will give you the soul bone of the soft-bone rabbit later. I have just started to practice the immortal cultivation technique. When I advance to the Nascent Soul realm, I will take out the soul bone of the soft-bone rabbit and give it to you."

Su Chen nodded and said with a smile,

"It doesn't matter, Xiao Wu has been waiting for many years, it doesn't matter if she waits for a while longer. Bi

Dong'er looked at Tangshan and said to Su Chen,

"Su Chen, please kill Tangshan. The sea god was intercepted by the angel god. I am too lazy to kill Tangshan."

"All right!"

Su Chen nodded and pointed, and a white light instantly cut off Tang Shan's right arm. The soul bone in Tang Shan's right arm was also taken out by Su Chen.

Su Chen looked at Tang Shan and shook his head.

Tang Shan is not bad in general, but he is too self-righteous.

In the Soul Arena competition,

Tang Shan was very angry when his team lost. Could it be that only the seven monsters can win in the Soul Arena?

There are also soul masters hunting soul beasts. Is it wrong?

Hasn't Tangshan ever hunted soul beasts?

Su Chen looked down upon Tangshan's double standards, and he was very disgusted by Tangshan in the plot.

"Tangshan, you should not have traveled to this world, let alone go against my woman. The traitor of the Tang Sect, the protagonist who thinks he is a gentleman, be destroyed!"

Chapter 2169

Tangshan was sweating from pain all over his body at this moment, but it was impossible for him to move at all.

Having lost his arms and even the soul bones in his arms, although Tangshan was very angry, he had no choice but to do anything.

Su Chen's strength was too strong.

Tangshan thought of the battles he had fought with Su Chen before, and Su Chen didn't even bother to fight him.

A ninety-nine-level peerless Douluo?

He felt very regretful when he thought about guessing Su Chen's level. Su Chen's strength was probably incomparable to even the gods.

When Tangshan saw Su Chen waving his hand to kill him, he closed his eyes.

Everything was over.

His relatives in this world were either killed or captured. Even Xiao Wu was mentally controlled by Su Chen.

Tangshan He had given up struggling.

Su Chen was not strong enough to resist.

"stop!"

Boom!

At this time, a golden light suddenly fell from the sky, and a handsome middle-aged man wearing golden armor appeared next to Tangshan.

But he was still late.

Tangshan's body had already begun to collapse. In just an instant, Tangshan Not even a speck of dust was left.

When the handsome middle-aged man saw Tangshan being killed, he looked at Su Chen and Bi Donger and shouted angrily,

"Damn it, you killed my heir!"

Su Chen looked at the handsome middle-aged man and said,

"Poseidon?"

Poseidon said angrily, "Yes, who are you?" Why do you want to kill Tangshan!"

"Just kill, what can you do to me?"

Su Chen didn't expect that Poseidon, the God of the Sea in this world, is much more handsome than the God of Poseidon in the God of Fallen Continent.

However,

God of Poseidon?

Poseidon?

Poseidon, the real evil god in the Western God Realm, is so scared to see him. Salute, a cultivator who is more powerful than human beings dares to call the sea god Poseidon. This is even more arrogant than Tangshan. It is not that Su Chen has never killed the sea god Poseidon, but what about the angel god? Could it be that the angel god was killed

?

Poseidon was defeated?

This probably shouldn't be the case. Both

Poseidon and Angel God are the main gods in this small world, and Angel God shouldn't be such a weakling.

At this moment, the Sea Douluo on Poseidon Island saw Poseidon appearing, and they were all ready to go see him. Poseidon.

However,

High Priest Bo Saixi waved to them, and the Sea Douluo on Poseidon Island were stunned.

They did not expect that High Priest Bo Saisi would not allow them to see Poseidon. Could it be that High Priest Bo Saisi was going to betray them? Poseidon, the God of Poseidon?

The Sea Douluo on Poseidon Island all looked at each other, and they did not go to worship Poseidon again. They are all subordinates of the high priest.

Although Poseidon is the god of Poseidon Island,

Poseidon does not appear often after all. , these Sea Douluo were all promoted by High Priest Bo Saisi, and they were all loyal to High Priest Bo Saisi.

Whoosh!

At this time, a blond beauty also appeared next to Su Chen.

This blond beauty was dressed in sexy clothes. The armor, with three pairs of white wings on the back, is Qian Xueer's angel god.

Poseidon, the god of the sea, saw the angel god also appearing.

He shouted angrily and asked,"Angel god Lilith, do you really want to fight me to the death?" ?"

Angel God Lilith first looked at Su Chen and nodded, then turned back with a cold threat and said,

"Poseidon, now that you have escaped from my angel prison, I will not take action again, but if you dare to take action against my successor, I will directly judge you."

"Lilith, I hope you keep your word. I will not take action against your heir, but these two people are dead."

"oh? Good luck to you then."

Angel God Lilith shook her head when she heard Poseidon's words.

She had seen Su Chen kill even the powerful Shura God. Poseidon still wants to kill Su Chen? Poseidon, the Poseidon, is really tired of living.

Su Chen is now He looked at the Angel God Lilith with great interest.

This Angel God was very familiar with the angels from the Western God Realm. They had three pairs of wings. Regardless of whether the angels in the Super God World were weak or powerful, they all had one pair of wings.

Angel God Lilith They are exactly the same as the angels in the Western Realm, except that the strength of the angel god is too weak.

When Bi Dong'er saw Su Chen looking at the angel god Lilith, she asked with an unkind look,

"how? Are you interested in angel gods?"

Su Chen shook his head speechlessly and said,

"No, the Angel God Lilith is exactly the same as the angels from the Western Realm. If the Angel God Lilith wasn't so weak, I would have suspected that she was an angel from the Western Realm."

"Western realm? Is this the world of the goddess Hera and Frigga?"

Bidong'er heard about the angels in the Western Realm, and she had some impressions in her memory. Even the God Queen Hera and God Queen Frigga in the Western Realm were both this bastard woman.

Su Chen nodded and explained. road,

"Um! Since you know Hera and Frigga, you should know about angels. There are three major pantheons in the Western realm, the Greek pantheon, the Nordic pantheon, and the god pantheon where angels are located."

"I have already ruled the Greek pantheon and the Norse pantheon, and I will conquer the pantheon of angels."

After Bi Dong'er heard Su Chen's words, she longed for the vast and boundless divine world, the world where gods and immortals live.

Spiritual fruits are all over the fairy world, and there are many fairy fruits. Even the spiritual energy that is crucial for cultivation is also found in the fairy world. It's very rich. Bi Dong'er now wants to go to the fairy world and visit it.

"The ancient fairy world, the Western God Realm, and our Xuantian Realm. I really want to see what the God Realm is like."

Su Chen hugged Bi Dong'er and said with a smile,

"This time I complete the trial mission, I will open the world channel, and then you can all go to Xuantian Realm"

"The Great Desolate Immortal World and the Western Realm are not yet stable. After I rule both the Great Desolate Immortal World and the Western Realm, you will be able to travel between these three huge realms at will."

Bi Dong'er smiled and nodded.

"Okay, then I'll wait."

Poseidon is about to explode at this moment.

Neither Bo Saixi, the priest of Poseidon Island, nor the Sea Douluo came to pay him tribute, but Su Chen and Bi Dong'er actually made love to each other in front of him in public. These people didn't want to Are you alive?

"Boy, if you dare to ignore me when you are about to die, I will make your death ugly in a moment."

Su Chen glanced at Poseidon and mocked, "Poseidon, Poseidon, you are not qualified for me to look at you."

"you wanna die!"

When Poseidon heard Su Chen's words, he couldn't help but take action. This human made him very angry.

For many years, no human had dared to speak to him like this. Poseidon decided to kill this human cruelly. Ignorant human beings.

Bang!

Su Chen snapped his fingers and shouted,

"A Yin, I will leave the sea god to you."

"Yes, master!"

Chapter 2170

A Yin appeared next to Su Chen silently. She looked at Poseidon, the god of the sea, with great disdain.

Poseidon is really arrogant. There are more than a hundred female ghosts around him, and two teams of female ghosts even appeared at Liu Erlong's place. Didn't Poseidon notice those powerful female ghosts?

Angel God Lilith opened her eyes wide when she saw A Yin suddenly appeared.

Lilith had checked her surroundings before. In addition to more than twenty powerful women in white, she did not expect that there was an even more powerful woman hiding there. Around.

Poseidon, the god of the sea, looked at A Yin in surprise.

He did not expect that there was a powerful woman hidden around him. Moreover, Poseidon, the god of the sea, did not notice the presence of A Yin at all when she appeared silently. boom!

At this time, the powerful aura erupted from A Yin's body threatened the sea god Poseidon.

The sea god also hurriedly erupted a powerful aura to resist, but he was still forced back by A Yin's powerful aura. He did not expect that A Yin will burst out with such a powerful momentum.

Poseidon, the god of the sea, looked at A Yin in surprise and said,

"How can this be? god? You are actually a god, and a powerful main god."

A Yin said disdainfully after hearing Poseidon's words,

"god? I am not a god, I am an immortal, a real immortal in the immortal world."

Su Chen looked at A Yin and was about to start fighting with Poseidon.

He held Bi Dong'er and waved to the Angel God, and they disappeared here instantly.

The Jialing Pass War is about to end, and the Tiandou Empire The remaining army will be destroyed soon, and the final trial mission must be completed.

Su Chen must prepare to do some aftermath. Dai Mubai and the others are going to die, but not now. The gods in Wuhun Continent will also die if they don't surrender. , there is no room for negotiation.

There are also some women in this world, such as Bi Dong'er and Bo Saixi. Su Chen will also take them to Xuantian Realm in the future. Their potential is very great. If they By cultivating in the rich spiritual energy of Merlot Heaven, Bi Dong'er and Bo Saixi will quickly become immortals.

"Angel God, I am Qian Xue'er."

When Su Chen, Bi Dong'er, and Angel God just appeared next to Bo Saixi, Qian Xue'er couldn't wait to come to Angel God and saluted.

Angel God Lilith said with a smile, "Hello, Qian Xue'er, I've always been here. Watching you. Qian

Xue'er smiled and took out some spiritual fruits and handed them to Lilith and said,

"I know, Su Chen said that you have been protecting me secretly. I haven't thanked you properly yet. Angel God, please try these spiritual fruits. You must have never eaten them before."

"this....."

Angel God Lilith was very surprised when she saw the spiritual fruit in Qian Xueer's hand.

Angel God Lilith felt that after eating these spiritual fruits, her soul power would increase a lot. What kind of spiritual fruit is this? Why is there so much soul power in it?

Bi Dong'er started talking to Bo Saixi as soon as she came out of Su Chen's arms.

Although they were not familiar with each other, they both had each other in their memories. Bi Dong'er and Bo Saixi talked as if they were old friends.

"Xiao Wu, these are the soul bones of Da Ming and Er Ming. I will give you two drops of life liquid. As long as you drop them on the soul bones of Da Ming and Er Ming, they will be resurrected immediately."

Su Chen handed over the soul bones of Da Ming and Er Ming to Xiao Wu, and even took out two drops of precious life spirit liquid.

These life spirit liquids are the treasures of the female titan Gaia, but the treasures of the female titan Gaia are also Su Chen also asked for some of his treasures to make tea with the Sanguang Divine Water.

After Xiao Wu took the soul bone and life spirit that Su Chen handed her, she looked at Su Chen and thanked him excitedly,

"Thank you, Suchen!"

Su Chen shook his head and continued,

"No, this is what I promised you, Xiao Wu, your mother may have to wait for a while until Bi Dong'er's strength rises to the Nascent Soul realm, then I will resurrect your mother."

"No problem, I have time to wait."

Xiao Wu nodded and agreed.

She guessed that Bi Dong'er's body may be damaged now that she has taken out her mother's soul bone.

For a beautiful woman, physical defects can be very fatal.

Yuan Infant realm!

She also knew about it in her memory.

Xiao Wu thought that with Bi Dong'er's cultivation talent, and even with the cultivation resources provided by Su Chen, Bi Dong'er would be able to advance to the Nascent Soul realm in a short time.

Su Chen After Xiao Wu nodded, he looked at Dai Mubai and the others below and frowned.

Su Chen asked Ning Rongrong beside him, "Ning Rongrong, why are Dai Mubai and the others not here yet?" leave?"

Ning Rongrong saw Su Chen asking her, which made her very speechless. There are so many people here, why did this bastard ask her? Do you stand out here?

Ning Rongrong gave Su Chen a look and was helpless. said,

"How do I know? Dai Mubai and the others may know that you will not let them go. Even if they run away, they cannot escape your pursuit. They may all give up and escape."

Su Chen smiled and said,

"Didn't I promise to let them go?"

Ning Rongrong curled her lips and snorted coldly,

"Humph, you just promised not to kill them today, but what about in the future? Will you not kill them?"

Su Chen hugged Ning Rongrong and whispered,

"It's okay if I don't kill them. Ning Rongrong, if you do that thing for me again in the future, I won't chase them down."

"Inglorious bastard, don't even think about it!"

Ning Rongrong was about to explode when she heard Su Chen's words.

She really regretted helping this bastard last time.

It wasn't enough for this bastard to cheat on her once. He actually wanted her to do that disgusting thing in the future.

Ning Rongrong felt sick to her stomach when she thought of what she had done to Su Chen. She wanted to strangle this shameless bastard to death. When

Zhu Zhuqing and the other girls heard what Su Chen and Ning Rongrong said, they all looked at Dai Mubai and the others worriedly at first. , but Su Chen and Ning Rongrong talked more and more cryptically, and they couldn't understand what they meant.

That thing?

What exactly was it?

Why was Ning Rongrong blushing so much?

At this time,

Emperor Lan Yin When he and Tang Yuehua came to Su Chen,

Tang Yuehua looked at Su Chen and said,"Su Chen, we are going to bury the people of Haotian Sect."

"Go for it!"

Su Chen nodded and agreed.

Everyone in the Haotian Sect is dead, and

Su Chen won't care about the dead. Besides,

Tang Yuehua is also a member of the Haotian Sect.

There are even Tang Yuehua's two brothers among those people. I hope Tang Yuehua won't hate herself in the future!

After Tang Yuehua took a deep look at Su Chen, she left Su Chen's side with Emperor Lan Yin.

"Trialist, your trial mission has been completed, do you want to return?"

"finished? Holy Soul Girl, this Heavenly Emperor still has some unfinished business, so I won't return yet."
