

Zongwu 2171

Chapter 2171

On the battlefield outside Jialing Pass, the remaining troops of the Tiandou Empire have been destroyed. The Tiandou Empire and Marshal Ge Long were also killed in the rebellion.

The war at Jialing Pass ended with the victory of the Wuhun Empire. On the entire Hongyuan battlefield,

The blood flowing out from millions of corpses completely dyed the entire Red Plains red. The miserable scene was horrifying to watch.

After Su Chen talked with the Holy Spirit of Tiandi, he looked at the battlefield outside Jialing Pass and shook his head.

This is really a general's achievement.

Millions of troops from the Tiandou Empire and Xingluo Empire were destroyed.

The Wuhun Empire Of the hundreds of thousands of troops, there are still more than 200,000 left. This loss is extremely huge. The Wuhun Empire has lost two-thirds of its elite army this time.

"Bi Dong'er, ask your army to deal with all the corpses on the battlefield, otherwise it will cause a plague."

Bidong'er, who was talking to Bo Saixi, heard Su Chen's words.

She turned back and said,

"Don't worry, my army will take care of the corpses on the battlefield."

Bo Saixi discovered that the war on the Red Plains was over, and the Wuhun Empire had won the war this time.

Bo Saixi suddenly thought of Su Chen's trial mission, she looked at Su Chen and asked,

"Su Chen, has your trial mission been completed?"

Su Chen smiled and nodded and replied,

"Good, it's done"

"When are you ready to return?"

Bo Saixi was a little anxious when she heard Su Chen's words.

Su Chen had completed the trial task and he might leave this world at any time.

Although this bastard could come back in the future, she thought it would take two to three months before she could see him again. Su Chen.

Bo Saixi felt a little reluctant to give up.

Su Chen looked at the heaven of Wuhun Continent and said,

"In a few days, I will deal with the gods in this world. This world will be our world in the future. Those so-called gods will die if they do not surrender."

Bo Saixi breathed a sigh of relief when she heard Su Chen's words. As long as Su Chen didn't leave today, she would be relieved. Bo Saixi didn't want to separate from Su Chen within a day of meeting.

Bo Saixi saw that Su Chen hadn't been around recently. After leaving the Wuhun Continent, she continued to talk to Bi Dong'er.

Bo Saixi and Bi Dong'er were very curious and longing for the Shen Yun Continent and even the Xuantian Realm, and they were very interested in the immortal cultivation techniques in their minds. , they also wanted to exchange their cultivation experiences.

Su Chen looked at Ning Rongrong and Zhu Zhuqing and said,

"You go and tell Dai Mubai and the others to get out of here, otherwise they won't have to leave in a while."

After Ning Rongrong and Zhu Zhuqing heard what Su Chen said, they were very speechless.

Dai Mubai and the others would not listen to them at all. Oscar and Ma Hongjun had previously attacked Ning Rongrong and Bai Chenxiang. They Now I want to go down and persuade Oscar and the others. This may cause misunderstandings or even start a fight again.

"I'm going to resurrect Da Ming and Er Ming!"

Xiao Wu looked at Ning Rongrong and the girls, and then quickly left the place.

Xiao Wu didn't want to care about Dai Mubai and the girls anymore.

She said everything she should say and did what she should do.

Dai Mubai Bai and the others refused to leave. Whether they lived or died in the future had nothing to do with her.

Ning Rongrong, Zhu Zhuqing and others saw Xiao Wu leaving, which made them very helpless.

How could they persuade Oscar and the others to leave?

Ning Rongrong and Zhu Zhuqing guessed that as long as they went down, Oscar and Dai Mubai would attack them again. The conversation they had just had with Su Chen, and even their close relationship with Su Chen, were all seen by Oscar and the others.

It's something that can't be explained at all.

Do you want to tell Oscar and the others that these girls have their own memories of another world? Are there even existences exactly like them in another world?

"what to do?"

Ning Rongrong looked at Zhu Zhuqing and asked.

She has no choice now.

Although Ning Rongrong doesn't want Oscar and Dai Mubai to be killed, she can't think of any way to make Oscar and Dai Mubai die. Mubai and others left the Hongyuan battlefield

"I have no idea!"

Zhu Zhuqing pulled Zhu Zhuyun and shook his head at Ning Rongrong.

She now wants to take good care of her sister Zhu Zhuyun.

Zhu Zhuyun almost went down to meet Davis just now, which made Zhu Zhuqing very worried.

Zhu Zhuqing also guessed that Su Chen would not be able to keep Dai. Mubai and the others, Su Chen will not kill them today. This may be because Su Chen is doing it for the sake of her, Ning Rongrong, Xiao Wu and the girls.

But what about tomorrow and the future?

Su Chen will still let Dai Mu go. Bai Mubai and the others?

Even if Su Chen didn't kill Dai Mubai and the others in the future.

But what about Qian Xueer and Hu Nana?

They couldn't let Dai Mubai and the others go.

"I'll go and persuade Dai Mubai and Oscar to leave!"

At this time,

Liu Erlong said to Ning Rongrong and Zhu Zhuqing.

She also saw the dilemma of Ning Rongrong and Zhu Zhuqing. She saw clearly what happened here. She even guessed that Su Chen could not let Dai Mubai and the others continue to live.

Liu Erlong didn't want to take care of it at first, but when she saw the difficulties of Ning Rongrong and Zhu Zhuqing, she couldn't help but help these little girls.

"Thank you, teacher!"

"Thank you teacher!"

When Ning Rongrong and Zhu Zhuqing heard Liu Erlong's words, they both hurriedly thanked Liu Erlong.

Su Chen looked at Liu Erlong and shook his head. Liu Erlong is really a warm-hearted woman. It seems to Liu Erlong Not only did she have a hot temper, she also had a very soft heart.

Suddenly, after Su Chen saw A Yin and Poseidon fighting, he found that Nie Xiaoqian had not come back yet, which made Su Chen confused.

"Huh? It's been so long, why hasn't Nie Xiaoqian killed the Rakshasa God yet?"

I'll go!

Is Nie Xiaoqian going to kill the Rakshasa God?

After Su Chen checked Nie Xiaoqian's situation, he was very surprised.

Su Chen looked at the bloody and miserable look of the Rakshasa God. Even Nie Xiaoqian was holding a handful of The spirit sword kept stabbing the Rakshasa God, and more than ten holes were poked in the Rakshasa God's body.

Su Chen guessed that the Rakshasa God must have provoked Nie Xiaoqian, or even that the Rakshasa God had teased Nie Xiaoqian, otherwise Nie Xiaoqian It is impossible to kill the Rakshasa God like this

"Su Chen, are you a god?"

Hu Nana asked curiously when she came to Su Chen.

She was very curious about Su Chen.

Su Chen was the concubine of her teacher Bi Dong'er, uh!

He was a man.

But the relationship between Su Chen and the high priest Bo Saixi was unclear. Not Bai, and even had an unclear relationship with other beauties here. Hu Nana wanted to know whether Su Chen was a human or a god.

"I? Hu Nana, I am a god, but I am not a god like Poseidon. I am a god in the fairy world."

Chapter 2172

Su Chen's eyes lit up when he looked at Hu Nana beside him.

He had just glanced at Hu Nana casually before, but now Hu Nana was standing next to her. When Su Chen looked at Hu Nana carefully this time, he realized that Hu Nana was really beautiful.

With golden hair, delicate face, curved figure, and even her whole body is full of temptation, Hu Nana, whose martial spirit is the seductive fox, is really a beautiful and sexy woman.

Su Chen thinks she is more beautiful and sexy than Xiao Wu and others. Among

Xiao Wu and others, only Zhu Zhuqing can compare with Hu Nana. The other girls are too pure and young.

"immortal?"

Hu Nana was even more confused when she heard Su Chen's words.

Immortal?

Shouldn't it be a god?

What is an immortal?

Hu Nana was even more confused about the immortal Su Chen said.

Su Chen nodded and said,

"Little fox, you will know this in the future, up to three months, and you will be surprised in three months.

Hu Nana heard Su Chen's words and asked hurriedly, "Three months?" What will happen in three months?"

Su Chen smiled and pointed at Bi Dong'er and said,

"You can ask your teacher. Your teacher Bi Dong'er will tell you everything. Moreover, your soul power cultivation can be stopped. Your teacher will teach you a new cultivation system, one that is a hundred times more powerful than soul power cultivation. A training system that is ten thousand times better."

Su Chen has a very good feeling for Hu Nana. In the plot, Hu Nana was almost killed to save Bi Dong'er.

In Wuhun Continent, after the Wuhun Empire failed in the Jialing Pass War,

Bi Dong'er was killed by Tangshan, and

Qian Xueer's godhead was shattered. ,

Hu Nana was seriously injured,

Qian Xueer and Hu Nana will be in a very bad situation in the future, and may even be found and killed by those people in Tangshan in the future. After all, those people in Tangshan will become gods in the future, and Qian Xueer and Hu Nana will not Appear again in Wuhun Continent

"How can this be?"

Hu Nana shouted in surprise when she heard Su Chen's words,

Stop soul power cultivation?

Another cultivation system?

In addition to the soul power cultivation system, are there other cultivation systems in Wuhun Continent?

Is it the cultivation system after becoming a god? ?

Hu Nana thinks it's impossible.

Even after becoming a god at level 100 in Wuhun Continent, the training system of those gods should also be the soul power training system. This is impossible to change.

"Everything is possible!"

Su Chen didn't say anything more to Hu Nana, mainly because he was too lazy to explain.

In this world,

Su Chen had already explained it to Bi Dong'er, Ning Rongrong, Liu Erlong and others. Hu Nana also asked Bi Dong'er to explain. Dong'er explain to her

"Master, this is the divinity of Rakshasa God!"

At this time,

Nie Xiaoqian came to Su Chen and held a jade bottle next to her.

Su Chen looked at the jade bottle and pointed at Hu Nana and said, "Leave it to Hu Nana, these gods are just rubbish."

"Yes, master!"

Boom boom.....

At this moment,

A Yin burst out with a huge momentum and continuously bombarded the Poseidon, and A Yin's Lingbao Space Ribbon was like a sharp blade, attacking Poseidon like a rain of arrows from all directions in the air.

"No....." boom!

Poseidon's body was instantly penetrated by countless green ribbons.

After a loud noise,

Poseidon's body was blown to pieces.

Whoosh!

Ayin's space ribbon instantly formed a prison, and the divinity bursting out of Poseidon's body was instantly captured.

Su Chen saw A Yin quickly killing Poseidon, the god of sea. Especially when he saw A Yin being able to use the spirit treasure, he was surprised and said, "I'll go, can A Yin's low-grade innate spirit treasure be used?"

Su Chen looked at it When he arrived at the Space Ribbon, he was very confused.

He couldn't take out the Chaos Bell and other spiritual treasures. How could A Yin's spiritual treasure be taken out?

After Nie Xiaoqian handed the jade bottle to the confused Hu Nana, she smiled and said to Su Chen,

"Master, you can also use my Lingbao Mingshu."

Su Chen said depressedly when he heard Nie Xiaoqian's words,

"Can your Lingbao also be used? Damn it, it seems like that chick from Tianglai Sheng is just targeting me."

"Master, are we coming back?"

"Let's talk in a few days."

Su Chen hugged Nie Xiaoqian's soft waist and shook his head.

He looked at the angel god Lilith.

Su Chen wanted that beautiful little angel, the angel god Lilith, to take Nie Xiaoqian and A Yin to conquer the world tomorrow. God, or the god who destroyed this world.

Bi Dong'er and Bo Saixi, as well as Ning Rongrong and Zhu Zhuqing, and even the Sea Douluo of Poseidon Island, they were all shocked by A Yin's power Live.

In just a quarter of an hour,

A Yin killed Poseidon, the god of sea. Even A Yin took a ribbon and killed Poseidon, the god of sea, while standing still. They looked at A Yin They all found it incredible.

Su Chen shouted to Bi Dong'er and Bo Saixi, "Bidong'er, Bo Saixi, let's go back!"

When Bi Dong'er and Bo Saixi heard Su Chen's shouting,

Bi Dong'er replied to Su Chen,

"Okay, I'll arrange the empire's army, and we'll go back to the Spirit Empire's palace first."

Su Chen nodded and agreed.

After Ning Rongrong and the other girls heard Su Chen's words, they looked at each other and became confused.

The Jialing Pass War is over, where should they go?

Both the Tiandou Empire and the Star Luo Empire have failed. The country will even be destroyed soon. Where should they go?

Ning Rongrong quickly came to Su Chen and asked, "Su Chen, where are we?"

Su Chen smiled and said after hearing Ning Rongrong's words,

"you? Ning Rongrong, you come with me to the Palace of the Spirit Empire, but you'd better inform your father, otherwise your father will go to the Palace of the Spirit Empire to save you again."

Ning Rongrong smiled and said,

"Haha, no, my father knows that I am coming to you. My father and two grandfathers are using your spiritual fruit to improve their strength. They have no time to come to me now."

Su Chen looked at the smiling Ning Rongrong, and he said with evil intentions,

"That's up to you, but Ning Rongrong, when you get to the palace of the Wuhun Empire, you must do that thing for me again. I gave you three top-quality spiritual fruits."

"you.....Don't even think about it!"

After Ning Rongrong heard what Su Chen said, her face turned red and she hurriedly refused with shame and anger.

However,

Ning Rongrong was also very worried.

If she went to the palace of Wuhun Empire,

Su Chen would touch her at night. room, could Ning Rongrong refuse this bastard?

A moment later,

Bi Dong'er arranged for the Wuhun Empire's army and powerful Douluo. Emperor Lan Yin and Tang Yuehua were also called back, and Liu Erlong persuaded them to leave. Dai Mubai also returned after a few others.

As for Xiao Wu, she took the resurrected Da Ming and Er Ming to the Star Forest. Da Ming and Er Ming were still a little weak just after they were resurrected, and Xiao Wu also had to protect them for a few days.

Su Chen looked at the more than ten beautiful beauties around him. He waved his hand and took them away on the battlefield outside Jialing Pass.

Qian Xueer found that everyone around him had disappeared, and only she and the angel god Lily were left here. Si,

Qian Xueer yelled angrily,

"Let me go, damn my concubine, that bastard didn't even take us away together. Sister Angel God, hurry up, take me with you to the palace of the Spirit Empire."

Chapter 2173

Ten days later, in the palace of Wuhun Empire, in the past ten days, the Angel God took Nie Xiaoqian and A Yin to the heaven in this world.

After Nie Xiaoqian and A Yin destroyed some arrogant gods, other gods were afraid. Choosing to surrender, Nie Xiaoqian also used the Lingbao Mingshu to control the life and death of those gods.

After Dai Mubai and Oscar had been hiding for seven or eight days, they were also found by Qian Xueer and Hu Nana. Qian Xueer and the others did not spare Dai Mubai, Oscar, Ma Hongjun, and Davis, and they killed all four of them one after another.

At this point, everyone in Wuhun Continent who deserved to be killed has been killed. Only Flanders in the academy did not die. It was Liu Erlong who paid a heavy price for Su Chen to spare Flanders. one life

"Su Chen, get out of here quickly, it's almost dawn."

In the palace, it was almost dawn.

Tang Yuehua saw that Su Chen still hadn't left her room. She was a little anxious and pushed Su Chen who was still lying on the bed.

In the past few days, this bastard has come to harm her every day. Tang Yuehua was really worried that others would find out.

Su Chen opened his eyes and saw that the sky was not yet bright, and he was very speechless.

Tang Yuehua would drive him away before dawn in the past few days, which made Su Chen feel like he was in trouble. It's the same as having an affair.

However, Su Chen has enjoyed

Tang Yuehua's tenderness in the past few days. The gentle Tang Yuehua is simply the best woman to be a wife. Not only will she respond to every request, but as long as Su Chen requests, although Tang Yuehua She was very shy, but she would still obey Su Chen. Su Chen hugged Tang Yuehua's waist and reminded,

"Yuehua, I don't actually need to go out so early. Bi Dong'er and Bo Saixi already know it. Even if you ask me to leave before dawn every day, those women will find out."

Tang Yuehua shook her head and said with her face flushed,

"No, they know it, they know it, but you can't let them see you appear from my room"

"You are covering your ears and stealing the bell."

Tang Yuehua pushed Su Chen and begged,

"Leave quickly. It will be dawn if you don't go out. By then, I won't have the face to see those people."

"Alright alright."

Su Chen saw that Tang Yuehua would not give up until he drove him away. He also knew that Tang Yuehua was thin-skinned. Maybe after a long time, Tang Yuehua would not care about this.

Su Chen got dressed and walked out with Tang Yuehua's help. In the room, he saw that the sky was about to get bright.

Ten days had passed.

All the matters in this world had been dealt with.

Su Chen was also preparing to leave this world of martial arts. There were still many things to do in Xuantian Realm.

This time he started from the ladder to heaven. Su Chen will also use the rewarded treasures he received on Xuantian Realm, her women, and subordinates. In this way, Xuantian Realm will become stronger and stronger, the strength of his women will increase rapidly, and even his army will be stronger in the future. Even more powerful.

Whoosh!

At this time,

Bi Donger suddenly appeared beside Su Chen. She looked at Su Chen thinking and asked,

"Husband, are you ready to leave?"

Su Chen nodded and replied to Bi Dong'er,

"Well, I still have a lot of things to do"

"Madam, don't worry, this small world will be found within three months at most, Wuhun Continent will also become a small world attached to the Xuantian Realm, and I will open the world passage for you."

"When the time comes, you, Bo Saixi and the others can go to the Merlot Heavenly Court in the Xuantian Realm to practice."

Bidong'er took Su Chen's hand and said with a smile,

"I know you have a lot of things to do. You have completed the ladder trial task. You have also stayed in this world for ten days. You should leave this world. We can meet again in three months. In this time, we All can afford to wait."

Su Chen hugged Bi Dong'er and kissed him.

He was planning to leave now, but he decided to leave.

He didn't want to wait any longer.

Su Chen didn't want to say goodbye to women like Bo Saixi and Liu Erlong. It was hard to say goodbye. Su Chen didn't want to experience the inseparable scene again. He had experienced too many farewell scenes.

Su Chen whispered to Bi Dong'er, "Then we will meet again in three months.""

"Why don't you talk to Bo Saixi and other women?"

Bi Dong'er didn't expect that Su Chen would leave now, and wouldn't even say goodbye to Bo Saixi and the others. Bi Dong'er looked at Su Chen with some doubts in her heart.

Su Chen shook his head and said with a bitter smile, "Madam, I'd rather I hate separation, especially when I look at those women's reluctant eyes. I'm afraid that I'll be too weak to leave, so I'd better leave quietly."

Bidong'er heard Su Chen's words and understood. This bastard must often be separated from his woman. The bastard may also be afraid of the scene of separation.

Bi Dong'er rolled his eyes at Su Chen and said with a sweet smile,

"hehe....., Who told you, a bastard, to always be sentimental? It would be difficult for you to deal with too many women, right?"

Su Chen nodded helplessly after hearing Bi Dong'er's words.

He felt a headache from having too many women, but fortunately, he also had a few women who could take charge.

There were Concubine Yan, Ji Ruxi and a few others in Shenyun Continent. Women are here. In Xuantian Realm, there are the Queen Mother and Guanyin Bodhisattva. In the Western Realm, there are God Queen Hera, God Queen Frigga and Concubine Yan.

They are all able to properly manage other women.

Su Chen also saves a lot of trouble.

However , ,

Su Yan, Su Yue, and Elena, these three daughters of his are a bit difficult to deal with. The three sisters have now gone to the wild realm. His sister, the ruthless empress, should be very helpless because of Su Yan's three sisters.

"I left! Bi

Dong'er kissed Su Chen and left his arms, "Leave, we'll see you in three months!"

"See you in three months!"

Su Chen nodded to Bi Dong'er.

He looked at the corner next to him and smiled. Su Chen communicated that the Holy Soul of the Ladder would return to the Ladder.

"Holy Soul of the Ladder, return to the Ladder!"

"Trialists, begin your return!"

Whoosh!

A white light flashed, and

Su Chen instantly disappeared in front of Bi Dong'er.

A white shadow appeared next to Bi Dong'er, and she said to Bi Dong'er,

"Su Chen left?"

Bi Dong'er nodded to Bo Saixi who appeared. She had just noticed Bo Saixi beside her, and even Su Chen had also noticed Bo Saixi. Neither she nor Su Chen had identified Bo Saixi who was hiding next to him.

"Haven't you seen it all?"

Bo Saixi said with some sadness, "I've been guessing that Su Chen wanted to leave for the past few days. Su Chen also discovered me just now. He probably doesn't want to say goodbye to me."

Bi Dong'er patted Bo Saixi on the shoulder and said,

"It's only three months. Just think that Su Chen is practicing in seclusion. Three months will pass soon."

"Yes, it was only three months, and it passed in the blink of an eye."

Chapter 2174

When

Su Chen appeared on the ladder, he sat down.

He wanted to think about how to use some of the rewards on his women after getting the trial rewards on the ladder.

The six major rewards of the 10,000th level of the ladder, the origin of heaven!

The coordinates of a thousand small worlds!

Tiandao promotion card!

Realm improvement card!

Resurrection card!

Group promotion card!

Among the six treasures, the origin of Heavenly Dao and the coordinates of a thousand small worlds are fixed and are also useful for his advancement in Xuantian Realm.

There are ten realm improvement cards, which can enhance a creature's realm to Daluo Jinxian at will, and there are no side effects.

Su Chen wanted to improve the strength of those women,

Yan Fei, Jing Sala, Zi Nu, Ji Ruxihe, Hu Ji, Changsun Wuchu, Shi Guanyin, Bai Bing'er, Little Fox (Su Daji), Xiaobai (Bai Suzhen).

Su Chen thought about it and decided to improve the strength of these women first.

Some of these women were the first to follow him, and some of them were of great help to him when their strength improved.

Other women may also be helpful to him, but there are only ten realm improvement cards, and Su Chen cannot take care of every woman.

There are three resurrection cards.

The resurrection cards can only resurrect previously dead creatures, which is a bit useless for Su Chen.

Who will be resurrected?

Huh?

Jiejiao's Holy Mother of Turtle Spirits and Wu Xuanming, the ancestor of the rain of the Wu clan.

These two women are not only very powerful in cultivation, but also very beautiful beauties.

After Jiejiao's Holy Mother of Turtle Spirits was resurrected, , Su Chen has the Golden Spirit Virgin Mary and the Wudang Virgin Mary around him. Even if the Turtle Spirit Virgin Mary is resurrected, she will still help him.

The Ancestral Witch of Rain, Xuan Ming, and Su Chen had the help of Hou Tu, and the Ancestral Witch of Rain would not be ungrateful to him.

Who else is going to be resurrected?

Wangshu of Taiyin Star?

The three fairies of Taiyin Star, Xihe, Changxi, Wangshu, oh no! They are the four fairies, and Chang'e, who has become completely independent.

Su Chen touched his chin and decided first. After returning to the Merlot Heavenly Court in the Daoxuantian Realm, he would discuss it with the girls.

Group promotion card, there is nothing to think about.

This group promotion card is very important to Su Chen. As long as he is his woman and subordinates, people below the holy realm can improve their cultivation realm. This is very important to the quasi-sage like the Queen Mother and the Queen Mother of the West. Women matter.

If these quasi-saint women are lucky, they can all advance to the Holy Realm. If women like the Queen Mother can all advance to the Holy Realm, the Xuantian Realm will be even more powerful.

After Su Chen thought about the purpose of the treasure he was about to get, he looked around the ladder and was very speechless.

Su Chen had been on the ladder for a long time, and the girl from the Holy Soul of the ladder didn't care about him.

Su Chen shouted to those around him,

"Girl, don't you plan to make a sound or even show up to receive me if I don't call you?"

The Holy Soul of the Ladder to Heaven said to Su Chen,

"Do you need me to receive you?"

Su Chen continued after hearing what the holy soul girl said, "Nonsense, the ladder is your territory, don't you know how to treat guests?"

The Holy Soul of the Ladder mocked Su Chen with disdain,

"Bah, you are just a shameless pervert. If you weren't useful to me, I wouldn't bother to pay attention to you, a shameless pervert."

I guess!

Did Holy Soul Girl peek at me again?

Damn it, this peeping tom!

Forget it,

Holy Soul Girl on the Ladder is a powerful god. Hongmeng World is a level higher than the Chaos World. In this world, the holy soul girl can probably crush a saint to death with one hand.

"Girl, can you give me the rewarded treasure now?"

"Okay, you have completed all the trials, and the six major rewards will be awarded to you. Trialist, do you want to receive the rewards now?"

"receive!"

Swish swish swish".....

Six light groups appeared in front of Su Chen instantly. Su Chen looked at these light groups and put them into the system space.

After Su Chen accepted the treasure, he stood up and shouted, "Little girl, send me back."

"Trialists, don't forget our agreement!"

"What agreement?" When Su Chen heard what Holy Soul Girl said, he deliberately pretended to be stupid and asked,

Whoosh!

A beautiful woman in white suddenly appeared in front of Su Chen. She grabbed the clothes on Su Chen's chest with one hand, and the woman in white He threatened Su Chen coldly,

"Su Chen, do you want to die?"

What the hell,

Holy Soul girl is so beautiful.

Damn, this is the most beautiful woman Su Chen has ever seen, no one.

" Su Chen looked at the Holy Soul girl who suddenly appeared, and it was him. Face to face with the Holy Soul Girl, he could even smell the fragrance of the Holy Soul Girl's body. The

Holy Soul Girl was dressed in pure white palace clothes, with long black shawl hair, a flawless face, curved willow-leaf eyebrows, and delicate lips. With her red lips, sexy little nose, and cold expression, people can't help but conquer her just by looking at her.

Moreover, her slender and convex figure is also very hot, especially the water snake waist of the Holy Soul girl, which is so gentle Su Chen couldn't help but want to hug her sexy little waist.

Su Chen stared at the Holy Soul girl and said,

"Holy soul girl, you are the most beautiful woman I have ever seen, bar none. You are so beautiful that I can't imagine."

After hearing Su Chen's words, the holy soul girl hurriedly threatened,

"snort! You shameless pervert, please stop paying my attention. If I find out that you dare to have dirty thoughts towards me, Su Chen, I will definitely make you live and die. Su

Chen curled his lips and said, "I guess, can't I just think about it?"

"no!"

"Tsk, even if I thought about it, you wouldn't know. I'm thinking about ravaging you right now."

Boom!

I'm Fake!

Su Chen was instantly thrown to the ladder by the Holy Soul Girl. Although he didn't feel any pain, he was thrown to the ground by the Holy Soul Girl. This was detrimental to his image.

Damn it!

If you die, you will die.

Holy Soul Girl probably won't kill him.

Su Chen stood up and decided to take advantage of Holy Soul Girl, especially the Holy Soul Girl's sexy waist.

Su Chen said to Holy Soul Girl The water snake waist was very eye-catching. If he could hug the sexy little waist of the holy soul girl, Su Chen would be willing to be thrown by the holy soul girl again. Su Chen slowly approached the holy soul girl and pretended to be angry and shouted, "Girl, you should throw me down?"

The holy soul girl said with an indifferent expression,

"This is your fault!"

Whoosh!

Su Chen appeared next to Holy Soul Girl in an instant. He quickly hugged Holy Soul Girl's sexy waist.

"Su Chen, you shameless pervert, you are seeking death!"

Chapter 2175

The Saint Soul of the Ladder was stunned when Su Chen hugged her waist.

She didn't expect that Su Chen would dare to act so boldly. This shameless and lustful pervert, could this bastard touch her waist? boom!

The Holy Soul of the Ladder suddenly burst out with a powerful momentum, and Su Chen was immediately blown away.

"Ahem....."

I'll do it!

Holy Soul Girl was really angry.

However, even being beaten by Holy Soul Girl this time was worth it.

Damn,

Holy Soul Girl's waist was so soft and smooth. Su Chen's heart was filled with excitement just thinking about it now..

Su Chen was knocked away by the powerful aura of the Holy Soul Girl. He fell to the ground and vomited a few mouthfuls of blood before coughing violently. However, Su Chen had a smile on his face at the moment.

Su Chen made the right bet.

Although Holy Soul Girl was very angry, she still wouldn't kill him. It was really worth it to hug Holy Soul Girl's soft waist this time. When the Holy Soul of Tianti saw Su Chen lying on the ground and still smiling, she felt extremely angry. The Holy Soul of Tianti knew why this pervert was smiling. This shameless bastard just hugged her waist and even touched her soft waist. After several times of limbs, the Saint Soul of the Ladder shouted angrily with a frosty look on his face when he thought of this,

"Shameless pervert, I will make your life worse than death!"

Su Chen wiped the blood from the corner of his mouth and said with a smile,

"Girl, you won't kill me, but your waist is so soft and smooth"

"Die!"

"Space moves!"

Boom boom.....

What the hell!

Su Chen was punched one by one by the Holy Soul Girl, and he was also beaten down one by one from the 10,000th floor of the ladder.

Su Chen's Space Law was of no use at all. His Space Law had not been removed yet. The Holy Soul Girl's attack caused Su Chen to be knocked down the steps of the ladder with a punch from the Holy Soul Girl.

Su Chen hurriedly shouted to the Holy Soul girl, "Girl, you don't play like this. I know I'm wrong, stop it." The

Holy Soul of the Ladder said with an indifferent face, "Shameless pervert, you rest, I want to start from the beginning." Ten Thousand Layers will knock you down from the first floor."

After Su Chen heard what Holy Soul Girl said, he shouted with an ugly face,

"Damn it, girl, if you knock me down to the first level, I'll be useless even if I don't die."

"Hum, this is my purpose"

"Damn it, I didn't expect you to be so beautiful, but your heart could be so dark, the most poisonous woman's heart, the Holy Soul of the Ladder, you used this word to the fullest."

Boom boom.....

The Holy Soul of the Ladder to Heaven kept punching Su Chen with a cold face, level nine thousand nine hundred and ninety-five, level nine thousand nine hundred and ninety-four.....On the 7869th floor, in just a quarter of an hour, Su Chen was beaten to more than 7000 floors by the Holy Spirit of the Ladder.

Su Chen looked helplessly as the Holy Soul of the Heavenly Ladder beat him continuously.

However,

Su Chen suddenly discovered that every time the Holy Soul Nuniu beat him, there would be more purple energy in his body.

It was not mana, but These purple energies were purer than mana, making Su Chen feel even more powerful.

Su Chen felt that with more purple energy, he would be able to break through to the Taiyi Golden Immortal, and he could also break through to the Taiyi Golden Immortal very easily, which was much faster than him practicing in seclusion.

What exactly is this purple energy? Why allow yourself to use purple energy to break through?

Su Chen couldn't guess what the purple energy was, but it was very beneficial to him.

Although the Holy Soul of the Ladder kept beating him, it was just beating him.

Su Chen felt that it was very cost-effective to get these purple energy by suffering some physical pain. If the purple energy was sufficient, he could break through to Taiyi Golden Immortal in one fell swoop. This also enabled Su Chen to save a lot of time in retreat to practice breakthroughs.

Six thousand floors, five thousand floors, and four thousand nine hundred and seventy-five floors.

At this time, the Holy Spirit of the Ladder was beating Su Chen and realized something was wrong.

She found that Su Chen had closed his eyes and did not resist the beating anymore. he.

This made the Holy Soul of the Ladder stunned for a moment.

Did this bastard give up the struggle?

But this is not the character of this bastard. The

Heavenly Ladder Saint Soul feels that even if Su Chen is not his opponent, this pervert should still be yelling at him endlessly!

The Heavenly Ladder Saint Soul suddenly noticed Su Chen's change, and her face immediately turned ugly.

The Heavenly Ladder Saint Soul didn't expect that she just sealed her strength and beat this bastard, but she actually inadvertently penetrated her aura into this bastard's body.

Damn you bastard, this shameless pervert has really benefited greatly this time. boom!

Suddenly,

Su Chen's body suddenly burst out with a powerful aura.

Although the powerful aura did not pose any threat to the Holy Soul of the Heavenly Ladder, the Holy Spirit of the Heavenly Ladder still stopped attacking with an ugly look on her face. She knew that this shameless pervert had broken through.

Su Chen opened his eyes and laughed.

"Ha ha....., Shutan, finally broke through, eh? Girl, why don't you continue beating me? Go on, it's only over 4,000 floors, I don't mind if you continue to beat me."

Su Chen didn't expect that in just a few quarters of an hour, he would break through from the peak of Golden Immortal to Taiyi Golden Immortal. This was unimaginably faster than his retreat practice.

If he continued,

Su Chen felt that he would not be able to achieve a breakthrough. Luo Jinxian, he can also break through to the peak of Taiyi Jinxian

"Damn pervert!"

The Holy Soul of the Heavenly Ladder looked at Su Chen and disappeared instantly.

She had nothing to do with Su Chen.

She couldn't possibly kill this bastard.

Su Chen was the only creature that could get her out of the Heavenly Ladder, but if she beat him like this again This shameless pervert, every time she attacks, her aura will be injected into this bastard's body.

However, the Holy Soul of the Ladder does not dare to unblock her cultivation realm. She just unblocks a little bit of cultivation, and this shameless pervert will She was inadvertently destroyed into ashes. Su Chen's strength was too low and too scumbag.

When Su Chen saw the Holy Soul of the Ladder disappear suddenly, he hurriedly shouted,

"Girl, why did you leave? Go ahead and beat me, I can still hold on."

The Holy Soul of the Ladder shouted to Su Chen angrily, "Shameless pervert, I will spare you today. I will remember what happened today. One day, I will make you pay a huge price."

Su Chen became anxious when he heard what Holy Soul Girl said. He finally got something good this time, but he didn't want to give up.

"No, you don't have to let me go this time. Girl, there are still more than four thousand levels. You can at least get me to the first level. Holy soul girl, you can't give up halfway."

"Go away, shameless pervert!"

Chapter 2176

Su Chen returned to Xuantian Realm in an instant.

He looked at the retreat room and felt very depressed.

Su Chen did not expect that the Holy Soul of the Ladder would send him back directly. The Holy Soul Girl should have discovered the purple energy he had obtained.

Su Chen originally wanted to rely on those purple energies to advance again, even to Daluo Jinxian, but this was no longer feasible, and the Holy Soul girl was too stingy.

Su Chen shook his head and whispered,

"Forget it, the harvest this time has been huge. I have obtained the six treasures rewarded by the 10,000-level ladder. I also had a close encounter with the extremely beautiful Holy Soul girl, and even broke through to the Taiyi Golden Immortal realm in one fell swoop.."

Su Chen touched his chin and prepared to summon all the strong men, as well as some of his women. The six treasures obtained this time must be used as soon as possible. This is very important to Xuantian Realm and his women..Su

Chen instantly appeared in the Emperor's Hall of the Merlot Ladder. He took out the Chaos Bell and started ringing it.....

After nine crisp sounds, the quasi-sages and saints in the Merlot Heavenly Court, and even some of Su Chen's women in the Merlot Heavenly Court, after hearing the sound of the Chaos Bell, they quickly disappeared one by one and rushed to the Heavenly Emperor's Hall. past.

In the main hall,

Nuwa and Gaia were the first to arrive, followed by nine saints including Leng Shuang, Dark Moon, Yin Ji, Ling Xi, Zi Yun, Luluo, and Hulk, who also arrived quickly.

Female quasi-saints such as the Queen Mother and Wudang Virgin also arrived quickly, followed closely by quasi-saints such as Bai Ze and Zhen Yuanzi, and finally women with low strength such as Concubine Yan and Jing Sala arrived.

Su Chen looked at the strong men and his women who were coming, and a smile appeared on his face.

"Husband, why did you summon us this time?" Concubine Yan asked doubtfully while sitting next to Su Chen.

Although Concubine Yan is not an immortal yet,

Concubine Yan is Su Chen's real wife and the queen of Xuantian Realm.

There is also Su Chen's other Jing Salamander,

Jing Salamander. She is also Su Chen's real wife. It is natural for them to sit next to Su Chen.

"Madam, I am going to announce something right now."

After Su Chen smiled and nodded to Concubine Yan, he stood up and looked at everyone in the hall and said,

"Everyone, I just came back from the ladder to heaven. I have passed the 10,000-level trial of the ladder to heaven, and I got six treasures this time.

Gaia looked at Su Chen and asked doubtfully, "Six treasures?" Husband, is this useful to our Xuantian Realm?"

Su Chen smiled and nodded and replied,

"Useful, very useful. Everyone knows that our Xuantian Realm is just a low-level realm, the third level of the Heavenly Dao Sacred Realm. This time, two of the six treasures are crucial to the

Xuantian Realm. The Xuantian Realm may be a The more it becomes a super realm like the prehistoric fairyland"

"What? Can the Xuantian Realm become a super realm like the Ancient Immortal Realm?"

"My God, Emperor of Heaven, is what you say true?"

"The same super realm as prehistoric? In this way, the way of heaven must be at least the tenth level of the holy realm. How is this possible?"

"It's unbelievable. In just a short time, the Xuantian realm has been promoted to the super realm."

"The Heavenly Ladder is inherently mysterious, and the rewards on the Heavenly Ladder are also very generous. The Heavenly Emperor can climb to the 10,000th floor, and even complete the trial on the 10,000th floor, so the rewards on the Heavenly Ladder should be even more generous."

"Yes, it is impossible for the Emperor of Heaven to deceive us."

The dozen or so quasi-sages, including Bai Ze and Ancestor Minghe, all looked surprised, but for a moment they all showed excited expressions. If what Su Chen said is true, Xuantian Realm will become truly powerful. Even in the future, they will be on par with the prehistoric immortal world.

Saints such as Yin Ji, Zi Yun, and Leng Yue are also very shocked.

Xuantian Realm Super Realm?

Heavenly Dao has been promoted to the tenth level of the Saint Realm?

The nine saints are all at this moment. They were very confused.

In a short period of time, they did not expect that Su Chen could make Xuantian Realm completely powerful and even become a super realm. This made them, the saints controlled by Su Chen, feel incredible.

Su Chen He took out a ball of light and said,

"Let's go step by step first. I will first advance the Heavenly Dao in the Xuantian Realm. These are the ten origins of Heavenly Dao. I will leave one portion of the Heavenly Dao origin and share it equally with the saints here. I will take the rest. It will allow the Heavenly Dao in the Xuantian Realm to advance."

Leng Yue looked at the source of heaven in Su Chen's hand and said in surprise,

"Ten copies of the origin of heaven? The origin of the ten heavenly ways is incredible."

Leng Yue did not expect that Su Chen's first treasure was the origin of heaven.

This is the origin of ten heavens. It is not that one origin of heaven is divided into ten parts.

One origin of heaven can advance the Xuantian realm to the third level of the holy realm.

Ten Where is the Origin of Heavenly Dao?

Leng Yue felt horrified just thinking about it.

Everyone else heard Su Chen's words and looked at the Origin of Heavenly Dao in Su Chen's hand with bright eyes. They were all shocked by Su Chen's generosity..

Su Chen gave a portion of the origin of Heaven's Way to Nuwa and said,"Nu Wa, I leave this portion of the Origin of Heaven's Way to you. You can share it with other saints later."

"good!"

Nuwa nodded after taking over the source of the Heavenly Dao.

Su Chen communicated with the system and said,"System girl, start working. Give me the Heavenly Dao that will advance to the Xuantian Realm."

"Ding, host, the system will charge five copies of the ten copies of the source of heaven. This is what we agreed."

Su Chen's face turned ugly when he heard what the system said.

Damn it, is the system girl taking advantage of the situation?

Su Chen had an agreement with the system girl before, but these ten Heavenly Dao Origins are the rewards of the ladder, and the system girl even connected his You have to share half of the rewards, which is a bit too much.

"I'll do it! System girl, this is my trial mission reward, you want to share half of my reward?"

"Ding, host, can you forget our agreement? The host said that as long as it gets the source of Heaven's Law, the system can get half of it. Is it wrong for the system to charge the source of Heaven's Law that it deserves?"

Su Chen shouted angrily, "It's not me, but this is my reward, my reward, do you understand?"

"Ding, I don't understand, but the system only knows how to get the source of heaven that it deserves."

Damn it!

Su Chen is helpless.

It seems that the system girl won't give up until she gets the origin of heaven.

"System girl, there are four origins of Heavenly Dao. How many heavens can the Heavenly Dao in the Xuantian Realm advance to the Holy Realm?"

"Ding, host, in the Xuantian Realm, a complete source of Heavenly Dao can be promoted to the second level of heaven. When reaching the tenth level of Holy Realm, a complete source of Heavenly Dao can be promoted to the first level of Heavenly Dao."

"Let me go, so four copies of the origin of Heavenly Dao can advance Xuantian Realm to the tenth level of the Holy Realm?"

Su Chen heard what the system girl said, and he did the math.

The Xuantian Realm is now the third level of the Holy Realm. Three copies of the source of Heavenly Dao can be promoted to the ninth level of the Saint Realm. The fourth copy of the source of Heavenly Dao can be promoted to the tenth level of the Saint Realm. , Su Chen can accept it,

"Ding, very correct!"

Chapter 2177

In the main hall, everyone looked at Su Chen with an ugly face for a while, and then returned to normal. They didn't know what Su Chen was thinking.

However, when they saw that Su Chen returned to normal, everyone in the hall also let go of their worries.

Su Chen helplessly said to System Girl, "System Girl, you win. I really regret that I promised you half of the source of Heaven's Dao.""

"Ding, host, do you think you can obtain Xuantian Realm without the help of the system? If you give something, you will be rewarded, you should understand this truth."

Su Chen curled his lips when he heard System Girl's words and said, "Oh, System Girl, you are an unscrupulous profiteer."

"Ding, host, do you want to advance to the heavenly realm of the Xuantian Realm?"

Su Chen rubbed his forehead and asked, "Let's advance, system girl, can your clone of Heaven be transformed into a human form?"

"Ding, it will turn into human form, but the Heavenly Dao clone will not turn into human form."

"Why?"

"Ding, host, don't you know what kind of virtue you are? A shameless pervert, you dare to insult even the Holy Soul of the Heavenly Ladder. Do you think I will let the Heavenly Dao Clone turn into a human form?"

"Holy shit!"

Su Chen didn't expect the system girl to say this.

Am I just a shameless pervert? Or is the system girl as beautiful as the Holy Soul of the Ladder?

However,

Su Chen guessed that the system girl has been paying attention to him, and

Su Chen also felt that Out of curiosity,

System Girl didn't even notice the Heavenly Ladder Saint Soul. This shows that System Girl is more powerful and more mysterious than the Heavenly Ladder Saint Soul.

Su Chen shook his head and didn't think about it for now,"System Girl, advance to the Xuantian Realm. The heavenly way of the domain!"

"Ding, okay, promotion begins!"

Boom boom boom.....

Suddenly, the entire Xuantian Realm erupted with bursts of roaring sounds. Everyone in the hall hurriedly wanted to check what happened in the Xuantian Realm. However, when everyone was about to check the Xuantian Realm, the Heavenly Dao of the Xuantian Realm was facing the Xuantian Realm. All the creatures in the domain conveyed the message that the Heavenly Dao of the Xuantian Realm was advancing.

After everyone in the hall got the news, they all looked at Su Chen. Su Chen had been silent just now, and even looked strange. They all understood that Su Chen was communicating with the Heavenly Dao of the Xuantian Realm.

An hour later, the roaring sound of Xuantian Realm stopped.

At this moment, Xuantian Realm expanded hundreds of times. It was already the same size as the Ancient Immortal Realm. However, the spiritual energy in Xuantian Realm was innate spiritual energy, and the innate spiritual energy was also getting bigger and bigger. The richer

"Ding, host, the promotion of Heavenly Dao in the Xuantian Realm is completed. Heavenly Dao is the tenth level of the Holy Realm."

"knew."

Su Chen nodded after hearing the words of the system girl. He felt very clearly about the power of Xuantian Realm at this moment. The connection between Xuantian Realm and him was getting closer and closer.

Su Chen could do whatever he wanted in Xuantian Realm. Reaching anywhere, in Xuantian Realm,

Su Chen is the only master.

The Heavenly Dao in Xuantian Realm can be used by him at will. This is not comparable to Hongjun, the spokesperson of Heavenly Dao.

Su Chen took out another light group and handed it over. Said to Ziyun,

"Ziyun, Yinji, Lingxi, Luluo, here are the coordinates of a thousand small worlds. The four of you are responsible for bringing these thousand small worlds into the control of Xuantian Realm."

"Yes, Emperor of Heaven!"

Zi Yun took the light group and hurriedly saluted.

Zi Yun and Yin Ji did not dare to show any disrespect to Su Chen now.

Su Chen was too difficult to figure out.

The Heavenly Dao of the Xuantian Realm has advanced to the tenth level of the Holy Realm. Su It would be easy for Chen to kill them.

Moreover, the four of them would not be dissatisfied with Su Chen controlling their destiny. They felt that following Su Chen was a good thing. At least their cultivation realm would be stronger in the future..

Su Chen looked at the Tiandao promotion card and decided not to use it yet.

He thought that when the Tiandao in the Xuantian realm was promoted to the eleventh level of the holy realm, if he used the Tiandao promotion card, maybe the Tiandao in the Xuantian realm would become a new one. The realm.

It may even touch the edge of the Hongmeng world, or the Xuantian realm may enter the Hongmeng world.

Su Chen took out the realm improvement card and handed it to Yan Fei and said,

"Concubine Yan, here are ten realm improvement cards. Each realm improvement card can enhance a creature's realm to Daluo Jinxian. There are no side effects. You and Jing Salamander each have one card. You girls can discuss the remaining eight cards. For whom to use."

After Concubine Yan took the Realm Upgrade Card handed to her by Su Chen, she looked embarrassed.

The Realm Upgrade Card is very powerful and can be upgraded to Da Luo Jinxian, but the number is too small.

She and Jing Salamander each have one card. After that, there were only eight pictures left to look at.

Who should I give them to?

Su Chen had many women. When Concubine Yan looked at Su Chen, she was full of resentment. She thought that no matter which women were given to them, other women might have opinions in their hearts..

Su Chen looked at Concubine Yan's troubled look, and he smiled and said,

"You don't have to be embarrassed. You can discuss it with Jing Salamander, Ji Ruxihe, Hera, and Little Fox. For other women who have not received realm improvement cards, I will also help them improve their cultivation realm. Concubine

Yan rolled her eyes at Su Chen and said,"Okay, I will discuss it with them.""

Su Chen took out three more resurrection cards and said,

"Holy Mother of the Golden Spirit, Xihe, and Xingtian, I have three resurrection cards in my hand, which can resurrect dead creatures. I plan to resurrect Holy Mother of the Turtle Spirit, Wangshu, and Wu Xuanming, the ancestor of rain."

Su Chen originally wanted to resurrect Fengzu, but after resurrecting Fengzu, Su Chen couldn't guarantee whether Fengzu would help him or even obey his orders.

In the prehistoric fairy world, there was only the Holy Mother of the Turtle Spirit, Wangshu and Xuanming are three powerful goddesses, and even if they are resurrected, these three women will help him and even become his most loyal subordinates or women.

As for resurrecting men,

Su Chen has never thought about it.

Jin Ling The Holy Mother, Xihe, and Xingtian were all very happy when they heard Su Chen's words.

They did not expect that Su Chen actually had the resurrection card to resurrect the dead, the Holy Mother of Turtle Spirit from Jiejiao, Wangshu from Taiyin Star, Wu Xuan Ming of the clan, these are their respective relatives and clan members. When other people in the hall heard Su Chen's words, they were also very surprised. The resurrection card that can resurrect dead creatures is a kind of heaven-defying thing. treasure. Su Chen finally took out a card and said,

"Finally, this is a group improvement card. As long as my men, women, confidants, and relatives have the opportunity to improve their cultivation level."

"Saints are useless. Quasi-Saints have a 50% chance of being promoted to the Holy Realm. Daluo Golden Immortal has a 60% chance of being promoted to Quasi-Saint. Taiyi Golden Immortal has a 70% chance of being promoted to Daluo Golden Immortal."

"Eighty percent of golden immortals can be promoted to Taiyi golden immortals. Those below golden immortals can be promoted to one major realm. Immortal cultivators can be promoted to three major realms."

"I will give you a month to prepare. At that time, I will use the group promotion card. Whether you can take this opportunity to promote to the holy realm depends on your luck."

Chapter 2178

After Su Chen finished speaking, he looked at the expressions of everyone in the hall.

The saints like Yin Ji all had disappointed expressions. This time, the group promotion card had no effect on these saints, which made them all shake their heads helplessly. The Queen Mother and Zhen Yuanzi, these quasi-sages, are very excited. There is a 50% chance that these quasi-sages will break through to the holy realm. This is a once-in-a-lifetime opportunity. These quasi-sages have a 50% chance. Shengdu will not miss this opportunity. Su Chen took out the small world locator and handed it to Leng Yue Beauty and said,

"Leng Yue, Han Shuang, I have a small world locator here, a small world called the Three Kingdoms Battle of Chibi, and a small world of Wuhun Jialing Pass."

"Once you find it, bring these two small worlds into the Xuantian realm. No gods are allowed to enter these two small worlds. The Jialingguan small world opens a world passage, and there are some people I know in it. They can come to the Xuantian realm."

"Yes, Emperor of Heaven?"

Leng Yue nodded to Su Chen and replied, just looking for two insignificant small worlds, which is very easy for saints like them.

Su Chen touched his chin and did not tell the super god world, super god world. He would personally go to the God World in the future.

Su Chen had escaped from the Super God World in a panic. He wanted to find this place himself.

Su Chen waved his hand and said to Bai Ze and the others,

"Everyone go back and prepare. I will activate the group promotion card in a month."

"Yes, Emperor of Heaven!"

In the main hall, after Bai Ze and Zhen Yuanzi left, the male saints such as Hulk and Saint Yuanzu looked at each other, saluted and left. They knew that it was unnecessary to stay, and the rest All the people were women, and some were even Su Chen's women.

Nuwa looked at Su Chen and asked,

"Su Chen, are you going to the ladder again this time?"

"Well, I have one more thing to tell you."

Su Chen looked at the remaining women, his women such as Concubine Yan and Jing Salad, his confidante such as Wudang Shengsheng and Yunxiao, and his subordinates such as Yin Ji and Leng Yue. These women are all... Stunningly beautiful beauty.

No, she is a fairy.

Su Chen wants to tell them the information he got from the Holy Soul Girl.

These women will learn about the Hongmeng World. They will also work hard to practice in the future. Hongmeng World, they want to come to these heavens. The proud girls will be very interested.

Gaia looked at Su Chen and asked doubtfully,

"whats the matter?"

Su Chen instantly appeared on Gaia's shoulder. He touched Gaia's hair and said to the others,

"You all listen up, there is a more advanced world outside the Chaos World, the Hongmeng World. In the Hongmeng World, the Holy Realm is only the lowest level of cultivators.

Nuwa was shocked when she heard Su Chen's words and said,"What?" Is there a more advanced world? Hongmeng World? Is the Holy Realm just the lowest level of cultivators? How can this be!"

Saints like Zi Yun and Han Shuang, as well as women like Queen Mother and Jing Salamander, they all looked surprised. The

Holy Realm is already the most powerful existence in the world of chaos, but it is the most powerful existence in the world of chaos. In the holy realm, saints are actually the lowest existence in the Hongmeng world. They were all frightened by this news.

"Husband, are you telling the truth?"God Queen Frigga asked Su Chen nervously.

Su Chen nodded and replied,"Yes, this is what the Holy Soul of the Ladder told me personally. Yin

Ji took a breath and said in surprise,"Hey, this is incredible.""

Zi Yun shook her head and said helplessly,

"It's incredible. We thought that the holy realm was the final realm of cultivation, but we didn't expect that in the Hongmeng world, this was only the lowest realm."

Bah bang bang!

Su Chen saw that the girls all looked worried, so he clapped his hands and said,

"Okay, don't worry, I'm telling you this just so that you don't forget to practice hard. We may be very powerful in the world of chaos, but in the world of Hongmeng, we are still just scum."

Nu Wa nodded to Su Chen and said, "We understand that we will not relax at all about cultivation."

"Hera, Frigga, after you advance to the quasi-holy realm in one month, you and Gaia will go together to kill the God Jehovah in the Western Realm. All the gods in the Western Realm must be unified."

Hera smiled at Su Chen and said,

"We understand that in one month, not only the strength of us people will increase, but also the armies of gods from the Nordic and Greek gods will become stronger."

Su Chen also chatted with the women for a while, and each of these women left one after another. Some quasi-sage women will step up their practice in this month. After one month, they will all have the opportunity to advance to the next level. Holy Land.

Ten days later,

Su Chen spent ten days in the Merlot Heavenly Court.

During these ten days, Su Chen was among the women. He even captured Nuwa, the most beautiful woman in the world.

Nuwa's palace Here,

Nuwa spent a whole day with Su Chen today. Although she liked this feeling and being so close to Su Chen, the Holy Mother of the Golden Spirit and Xihe had called this bastard several times, and this bastard was still Nuwa kept pestering her, her face turned red and she yelled at Su Chen, "You little bastard, get out of here, I really can't stand you anymore."

Su Chen hugged Nuwa's soft waist and said with a smile,

"Madam, we have only been together for a few days, are you impatient with me? Nuwa looked embarrassed and cursed at Su Chen,

"Go away, you have come to see me every day these days, and I have not appeared in front of other women for several days. Do you want me to be embarrassed in front of other women in the future?"

Su Chen shamelessly kissed Nuwa and said, "I have been with Gaia, Yan Fei, Frigga and others these days, but they don't have as big a problem as you."

Nu Wa has nothing to do with Su Chen.

This bastard is just a shameless pervert.

When she thinks about being with Su Chen in the past few days,

Nu Wa's face becomes very uncomfortable. Su Chen is right. She blushed just thinking about the shameful things she had done. Nuwa did not expect how she would cooperate with this shameless pervert.

Nuwa leaned into Su Chen's arms and reminded her,

"They are them, and I am me. Our Lady of Jinling and Xihe have called you several times. They must have something important to do. Hurry over and see what's going on."

Su Chen touched Nuwa's hair and shook his head and said, "What else can they do? This must be the Holy Mother Guiling, Wangshu, Xuanming and the others who have been resurrected."

Chapter 2179

Su Chen hugged Nuwa's soft waist and still didn't want to get up. He didn't know what the Golden Spirit Mother and the Xihe girls wanted to do with him, but what did the Turtle Spirit Mother, Wangshu and Xuanming see him do after they were resurrected?

Su Chen just wanted to rest for a few days and was planning to go to the Realm of Light to destroy Heavenly Dao, and was also preparing to go to the Super God World to regain his position.

Wangshu, Gui Lingsheng, and the Xuan Ming girls have just been resurrected. Shouldn't they have a good chat with the Jin Ling Holy Mother and girls and learn about what will happen millions of years later?

Nuwa asked suspiciously when she heard Su Chen's words,

"Husband, Holy Mother Turtle Spirit, Fairy Wangshu, Xuanming Ancestral Witch don't want to return to the ancient fairyland, right?"

"Um?"

Su Chen frowned when he heard Nuwa's words.

He felt that Nuwa's guess seemed reasonable.

The three Wangshu girls resurrected and appeared in the Xuantian realm. After all, the three girls were powerful in the prehistoric fairy world. Maybe they The three girls were resurrected millions of years later. They really wanted to go back to the ancient fairyland.

Nuwa looked at Su Chen and asked with a smile,

"Husband, if they want to go back to the ancient world, will you let the three of them go back to the ancient world?"

Su Chen thought for a moment and then shook his head and replied,

"Madam, if they want to go back to the ancient fairy world, they can go back and resurrect the three girls. I also do it for the sake of the Golden Spirit Virgin Mary, Xihe, Houtu and the other girls. If the three girls return to the ancient fairy world, they will be reunited with them from now on. We have nothing to do with each other"

"Then go and see the Holy Mother Turtle Spirit and the others. Su Daji and I have something to do today."

Su Chen was very confused when he heard Nuwa's words.

Although the little fox understood some things that happened in the Conferred Gods, there was no hatred between her and Nuwa, and the little fox no longer hated Nuwa for saving her in the Conferred Gods. But what are Little Fox and Nuwa going to do today? When did their relationship become so good?

"What are you and the little fox going to do?"

Nu Wa rolled her eyes at Su Chen and explained,

"Su Daji discovered the Fox Clan in the Xuantian Realm. She hoped that I would arrange a safe barrier for the Fox Clan."

"That's it, okay then, madam, I will come to your palace tonight"

"roll!"

"Ha ha....."

Su Chen laughed when he saw Nuwa's embarrassed look. When he got up, he was going to meet the three girls of the Turtle Spirit Holy Mother. As for whether they were going back to the ancient fairy world, Su Chen didn't care at all.

In the wild realm, in the ancient forest, a large figure, two small figures, and three figures appeared in the dangerous beast forest.

These three girls are Su Yan, Su Yue, and Elena.

They have been in the wilderness for a few months, but they have not gone to find their aunt, the Empress of Haters. In the past three months, the three sisters Su Yan have been in the wilderness. Wandering around the realm.

In the beast forest,

Elena looked at Su Yan and Su Yue walking in front, and she felt very helpless.

Su Yan and Su Yue were both immortals, and their strength was also very powerful in the wild world, but she just A little monk, a little monk who is still a scumbag in cultivation.

Some of the ferocious beasts in the ferocious beast forest were very powerful, and she felt very flustered in the ferocious beast forest.

In the past few days, there have been tigers more than ten meters long, huge strange birds, gorillas tens of meters tall, and even groups of wolves as big as cattle. Elena's ferocious beasts in the forest have become more and more fierce. The beast has always been on tenterhooks.

Elena shouted to Su Yan in front,

"Sister, it's been three or four months, let's go see our aunt."

Su Yan turned back to Elena and said with a smile,

"Elena, wait a little longer and let's see if there are any treasures in the Beast Forest."

Elena looked at this dark and terrifying beast forest.

There are beasts everywhere here, so what treasures are there?

Even if there are treasures in the beast forest, can they have the treasures in their father's treasure house?

Elena He shook his head and said,

"Sister, how can there be treasures in the wild realm? Dad has many treasures. We can go back to Merlot Heaven to ask for the treasures from Dad."

Su Yan was very speechless when she heard Elena's words.

Of course she knew that there were no treasures in the wild world. The most powerful spiritual treasure in the wild world was not as powerful as the spiritual treasure in her hand. She just wanted to Wandering around in the wild realm.

If she returns to the Xuantian Realm, her mother, Jing Salamander, will keep watching her practice. Su Yan doesn't want to keep practicing boringly.

"Elena, we are going to have enough food and clothing by ourselves. Although dad will give us treasures, if we find the treasures ourselves, we will also have a sense of accomplishment."

Su Yue looked at Elena and said with a smile,

"Elena, the eldest sister is right, we just treat it as going out to play, and after a while, we will go find our aunt."

Su Yue doesn't care whether Elena wants it or not.

In the past three months, she has lived a very happy, unrestrained and free life. There is no nagging from her mother, Concubine Yan, and no need to practice. Su Yue likes such an unrestrained life very much..

Elena looked at her two little sisters. She patted her forehead and felt very helpless.

Elena regretted coming to the wild realm with her two sisters. She promised to find their aunt to hate them. Empress, are you going to find their aunt?

Elena thought that more than three months ago, the three of them had just been transported to the ancient forbidden land, and Su Yan took Su Yue and her and disappeared in their aunt's ancient forbidden land in an instant. Elena regretted not calling their aunt.

Boom.....

"Um? There's a fight ahead, let's go take a look!"

Suddenly, there was a roaring and fighting sound in front. Su Yan's eyes lit up and he shouted to Su Yue and Elena.

Su Yue nodded hurriedly and replied,

"Okay, I didn't expect that there are other people in the beast forest. Let's go and see who they are."

"I....."

Elena had just opened her mouth and before she could say anything, she was led by Su Yan and flew quickly towards the discovery of the fight.

This caused some black lines to appear on Elena's forehead.

Doesn't the mistress have human rights?

Elena also wanted to go and have a look just now. Is the eldest sister Su Yan afraid of her objection?

A quarter of an hour later,

Su Yan took Elena, and Su Yue followed Su Yan and quickly reached the fighting place.

Below, a young man was fighting a crocodile beast, and next to him there was a black man wearing flowery pants. Dog,

Su Yan said loudly when he saw the black dog,

"Let me go, a black dog wearing flowery pants. This black dog must be a dog demon. Elena, can you cook dog meat?"

Elena looked at the black dog and asked with a dark face, "Sister, are we going to eat this dog demon?"

Su Yan touched his chin and nodded.

"Of course, my father and I ate dog meat when we were in Xuantian Continent. The dogs at that time were ordinary dogs. This one was a dog demon, and his meat would definitely be more delicious."

Chapter 2180

After Su Yue heard Su Yan's words from the side, she slapped her forehead and was very speechless.

In the Merlot Heavenly Court,

Su Yan kept attracting the attention of the Howling Celestial Dog. Su Yue knew that her sister Su Yan was joking at that time.

But since Roaring Sky Dog met Su Yan once, that stupid dog didn't dare to be around Su Yan. Roaring Sky Dog was probably really afraid that Su Yan would kill it and eat it.

Elena shook her head and persuaded Su Yan, "Sister, forget it. That dog demon didn't provoke us. Killing animals at will will have an impact on our cultivation."

Su Yan thought for a while and nodded.

"That's it, let's forget it for now. Let's let this bitch go this time. Let's go down and take a look."

"Okay, sis!"

"who? Holy shit, it's actually three little girls?"

As soon as the three sisters Su Yan came down from the air, the black dog spotted the three sisters Su Yan. It was very surprised when it looked at the three sisters Su Yan. There were three little girls,

and they were all human beings. This made the black dog look at the three sisters Su Yan. Sister Yan was very confused.

This was a forest of ferocious beasts.

How could the three little girls appear here?

And it seemed that these three little girls were just ordinary practitioners. The older girl was in the Taoist realm. The cultivation level of the two little girls may be even lower.

Su Yan looked at Black Dog and asked, "Black Dog, who are you who fought the crocodile?"

Black Dog was stunned when he heard Su Yan's words,

Black Dog?

He is the king of dogs, and he is also a dog in the realm of dragon transformation. Does this little girl want to die?

"Black dog? Little girl, I am the Black Emperor, you want to call me Hei Ye!"

Bang!

Su Yan quickly kicked the Black Emperor away.

When she heard the Black Emperor asked their sisters to call a dog Heiye, Su Yan couldn't help but kill the dog demon. However, she wanted to find out. Why did this man and this dog appear in the forest of ferocious beasts? Su Yan did not try his best to kill this dog monster.

"Oh my god, what a cruel little girl."

After the Black Emperor was kicked away by Su Yan, and after he knocked down several big trees, the Black Emperor was very shocked when he looked at Su Yan.

He didn't expect that a little girl of twelve or thirteen years old could be so powerful. Although the emperor's strength is not even close to ten, he is still a little strong man in the Dragon Transformation Realm.

This little girl was able to kick him away with one kick. The Black Emperor felt that Su Yan must be a being at the peak of the Dragon Transformation Realm, maybe even a A powerful cultivator in the Immortal Realm, holy shit, a little girl of twelve or thirteen years old is actually a strong practitioner in the Immortal Realm?

Are you trying to scare the dog to death?

Su Yan shouted to the Black Emperor in the distance, "Black Dog , come here, or I will kill you and eat you as dog meat."

The Black Emperor hurried over after hearing Su Yan's words.

Eat dog meat?

This cruel little girl.

The Black Emperor decided to find a way to trick this cruel little girl.

Su Yue saw the Black Emperor and ran over obediently. , she smiled and said to the Black Emperor, "Little dog, who is that person? You have to answer honestly, otherwise if my sister gets angry, you will become a pot of dog meat in a short while."

After the Black Emperor heard Su Yue's words, he was very speechless.

The Black Emperor never thought that one day he would be threatened by a little girl, and his reputation would be ruined here.

The Black Emperor looked at the smiling Su.

He hurriedly said to Su Yue, " Xiaoya.....Little beauty, that's Ye Fan, he's my friend"

"What are you doing in the Beast Forest?"

"Well, we are here to practice."

Boom!

Su Yan destroyed a forest not far away with one palm.

She looked at the Black Emperor and threatened,

"Little black dog, you are dishonest. It seems I'd better kill you and make you into dog meat!"

When the Black Emperor saw Su Yan destroying a forest with a casual palm, he was frightened and said hurriedly,

"Damn it, little beauty, I said, I said, Ye Fan and I got a damaged map about the Tomb of the Demon Emperor, and we were just going to try our luck to see if we could find the Tomb of the Demon Emperor."

Su Yan asked suspiciously after hearing the Black Emperor's words.

"Tomb of the Demon Emperor? You also have to search for a cemetery. Is there any treasure in the Demon Emperor's tomb?"

Su Yue hurriedly said to Su Yan,

"Sister, this is for sure. The strong men in the wild world have a lifespan limit. When they reach a certain age, those strong men will either disappear and die, or they will kill themselves and live a new life. I guess there must be demons in the tomb of the Demon King. The emperor's treasure before his death. Elena also nodded and said, "Eldest sister, second sister is right, we might as well go look for the Demon King's Tomb!"

"Can!"

Su Yan thought that it would be good to search for the Demon Emperor's Tomb. They had no purpose anyway. Maybe they could get some good items by searching for the Demon Emperor's Tomb.

"Black Emperor, who are these people?"

At this time, after Ye Fan killed the ferocious beast crocodile, he hurriedly came to the Black Emperor.

Ye Fan also noticed the arrival of the three women, especially Su Yan's attack just now, which made him wary when he looked at the three women. Get up.

The Black Emperor hurriedly kicked Ye Fan and reminded, "Ye Fan, please don't show any hostility. These little girls are too cruel. Don't offend them.""

Su Yan looked at the approaching Ye Fan and threatened,

"Boy, you take us to find the Tomb of the Demon Emperor, otherwise there is no need for you to live."

When Ye Fan heard the Black Emperor's reminder and Su Yan's threat, he was stunned for a moment.

Ye Fan was only in the four-pole realm.

He didn't see what realm Su Yan was in, but Su Yan gave him the feeling of danger. It was very dangerous. Even the six or seven-year-old little girl next to him felt very dangerous. Among these three little girls, only the older and beautiful beauty was not a threat to him, and this beauty was also a mixed race.

Ye. Fan was fascinated when he looked at Elena.

Elena was the most beautiful girl he had ever met, with long golden shawl hair, beautiful face, delicate red lips, and a curvy figure. , with a noble and cold and arrogant temperament, and the two little girls next to them, Su Yan and Su Yue, are also very cute and beautiful, and the noble

temperament exuded by these three women is like the princesses of a country, or even a powerful family. Miss.

Ye Fan looked at Su Yan's three sisters and was very confused. How could these three little girls appear in the beast forest? What would such a combination do when they came to the beast forest?

Su Yan looked at Ye Fan had been in a daze, even looking at Elena without blinking,

Su Yan shouted with a cold face,

"Boy, why are you so stunned? Did you hear me? If you dare to look at my sister again, I will kill you."
