

## Zongwu 22

### Chapter 22

Su Chen didn't expect Huang Rong to guess his identity. As expected, Huang Rong was smart and smart. Su Chen looked at the beautiful Huang Rong beside him and said with a smile,

"Huang Rong, the daughter of Dongxiehuang Medicine Master of Peach Blossom Island, you are indeed a very smart woman. Yes, I am Wu Xiangjun Su Chen, the lord of Gusu City."

Hong Qigong did not expect that this noble young master was Wu Xiangjun, the lord of Gusu City. He had heard that Wu Xiangjun had ruined the reputation of Murong Fu of the Murong family, and now Wu Xiangjun is still offering a reward for Murong Fu..Now

Hong Qigong is also a little worried about this Wu Xiangjun. His beggar gang is in the south, and Gusu City is a big city. Their beggar gang has a share in Gusu City.

He even heard that Lord Wu Xiang has tens of thousands of elite troops. This time he just saw the strength of Lord Wu Xiang's army, which made Hong Qigong a little afraid of Lord Wu Xiang.

Huang Rong looked at Su Chen in surprise and asked,

"Mr. Wu Xiang, you actually know me too? This is impossible. I have never walked around in the world, and I just escaped from Peach Blossom Island. How do you know me?"

"I know all the beautiful women"

"Your answer is so shameless"

"Huang Rong, are you interested in helping me in Gusu City?"

Su Chen looked at the beautiful Huang Rong and wanted to win her over. Although Su Chen knew that he might not succeed this time, Su Chen just wanted to leave an impression on Huang Rong this time. Maybe Huang Rong would come to him in the future..

Guo Jing felt very uncomfortable when he saw Huang Rong talking to this Wu Xiangjun. Now he couldn't get a word in at all, and he didn't know what to say now. He could only watch Wu Xiangjun and Huang Rong talking.

After hearing Su Chen's words, Huang Rong laughed and said,

"Hey, you want me to be an official? Don't dream, I won't be an official. I'm a man in the world, how can I be an official?"

Su Chen took Huang Rong's tea cup and started drinking.

"That's not necessarily the case. As long as the benefits I offer are great, I believe you will agree."

Huang Rong looked at this bastard Wu Xiangjun with a blush. She didn't expect that this Wu Xiangjun was so shameless. He actually drank tea from his own cup and drank the rest of his own tea.

Huang Rong pretended not to see Su Chen drink. Your own tea,

"Oh, then tell me what you have that can impress me so that I can stay and help you."

Su Chen pointed at himself and said to Huang Rong with a smile,

"What do you think of me? I am the Lord of Wu Xiangjun at a young age, and I am also a city lord with tens of thousands of troops under my command. How about you become my wife, so that you can stay and help me."

Huang Rong stood up in shame and anger, pointed at Su Chen and cursed,

"You lecherous person, you didn't expect that you, bastard, would hit my attention right now. None of your officials are good, and I won't like you, bastard."

Su Chen smiled and stood up to leave.

"That's a real pity, Huang Rong. If you want to be my wife in the future, come to me at Wu Xiangjun's house. I will always wait for you."

Su Chen has now achieved his goal. This time, he has left an impression on Huang Rong that she will never forget in the future. Su Chen also knows that there is no rush to deal with Huang Rong now. After all, Huang Rong is very smart.

Huang Rong glared at Su Chen said disgracefully,

"Stop dreaming, I will never promise you my life"

"Who can say for sure?"

Su Chen waved to Huang Rong and left. As for Hong Qigong and Guo Jing, Su Chen had to pay attention to them. Although Hong Qigong was a master, his wife Jing salamander was a great master.

Su Chen didn't. You must be afraid of Hong Qigong, and Guo Jing doesn't care about that silly Su Chen. If he gets Huang Rong, then Guo Jing will be a loser.

"This damn bastard."

Huang Rong slapped the table angrily when she saw Su Chen leaving. Now Huang Rong has a very bad impression of Su Chen. Huang Rong didn't expect that Lord Wu Xiang didn't kidnap her away by force. Is he so confident? Can she get her?

Huang Rong saw Su Chen getting into the carriage and leaving under the escort of the army. This made Huang Rong even more angry. Since this bastard liked herself, why didn't he invite her to leave with him? Of course

Huang Rong would ride in the carriage. She didn't want to walk, but that bastard didn't even invite her, which made Huang Rong want to beat that bastard now.

Hong Qigong could see that Su Chen was interested in Huang Rong, Dongxie Huang Yaoshi's daughter, and Hong Qigong was also afraid of Huang Rong and Huang Rong. Wu Xiangjun got together, so that his apprentice Guo Jing would have no chance.

Guo Jing had nothing to compare with Wu Xiangjun. Hong Qigong also had to think about his stupid apprentice, hoping that Guo Jing could marry Huang Rong. , so that Guo Jing will have himself and Huang Yaoshi to support him in the future. I believe that Guo Jing will be successful with Huang Rong's help.

Hong Qigong looked at Huang Rong and said,

"Huang Rong, I think you should not go to Gusu City. This Lord Wu Xiang is obviously interested in you. If you go to Gusu City, I am afraid that Lord Wu Xiang will be unfavorable to you. If you don't go to Xingzi with Jing'er, Lin, wait for me."

Guo Jing also said hurriedly,

"Yes, Rong'er, you'd better go to the apricot forest with me to wait for the master. Huang

Rong shuddered when she heard Guo Jing call her Ronger and said,

"Guo Jing, you'd better call me by my name. I'm not familiar with you, and our relationship isn't that close. Hong

Qigong smiled and said to Huang Rong, "Haha, Huang Rong, Guo Jing is also worried about you. Anyway, you will gradually get to know each other in the future." Huang

Rong looked at Hong Qigong and Guo Jing and said directly,

"Forget it, I'd better go to Gusu City by myself, and you masters and disciples should go do your own business first. I want to go to Gusu City to have a look."

Huang Rong also understood now that Hong Qigong also wanted to be with Guo Jing. Huang Rong thought that if she hadn't met Wu Xiangjun Su Chen this time, she might still be with Hong Qigong and Guo Jing.

After all, she didn't She could tease Guo Jing when things happened, but now that she was a little upset by Wu Xiangjun, she had no intention of teasing Guo Jing.

Huang Rong waved her hands to Hong Qigong and Guo Jing and left with Qinggong. She didn't want to now She stayed. This time she wanted to have a good look in Gusu City. If she could meet that bastard, she would also play tricks on him.

"Huang Rong girl, Huang Rong girl"

"Ronger, Ronger,"

Hong Qigong and Guo Jing shouted when they saw Huang Rong leaving. He and Guo Jing didn't want Huang Rong to leave just like that.

Seeing Huang Rong leave, Hong Qigong said to Guo Jing, "Oh, Guo Jing. , if you are still so stupid, Huang Rong girl will be snatched away"

"Master, what should I do?"
