Chapter 2201

Su Chen was a little confused when he saw the little beauty coming to him.

People around him were looking at him and even wary of him. Isn't this little beauty afraid of him?

Or is this little beauty confident?

Is it just a few saint kings (celestial beings) and great saints (xuanxian) who are following closely behind?

"Little beauty, do you think I captured those three girls? Still not caught?"

Ji Ziyue said with wide eyes,

"You must have caught the three little girls from before. Do you know the void spell? Or you know space secret arts. I feel like you used void magic to imprison the three little girls just now."

Su Chen shook his head when he heard Ji Ziyue's words,

Void Technique?

A prototype of the Law of Space. How can Void Technique be comparable to the Law of Space?

"Little beauty, what's your name?"

Ji Ziyue said proudly to Su Chen,

"I am Ji Ziyue from the Ji family!"

I'll go,

Ji Ziyue?

The Ji family?

The Ji family of the ancient family?

Descendants of Emperor Void?

Isn't Ji Ziyue Ye Fan's future wife?

No wonder Ji Ziyue feels that she has caught the three sisters of Su Yan,

Ji Ziyue The family knows the Void Sutra of Emperor Void, and even the Ji family has the Emperor's Void Realm.

Ji Ziyue should be very sensitive to space fluctuations, but it is impossible for her to see that he just used the space law. Ji Ziyue, a little beauty, should It was speculated that he had captured the three sisters of Su Yan.

Next to him,

Ji Haoyue and the strong men of the Ji family were wary of Su Chen. They were all worried that Su Chen would take action against Ji Ziyue.

Su Chen crossed his arms and asked Ji Ziyue road,

"Little Moon, I just caught those three little girls. What does this have to do with your Ji family? Are those three little girls from your Ji family?"

"Little moon?"

Ji Ziyue was stunned when she heard Su Chen call her Little Moon.

She and Su Chen had just exchanged a few words.

How dare this bastard call her so affectionately? Is this bastard teasing her?

Ji Ziyue Yue clenched her fist tightly and said coldly,

"May I have your name?"

"Suchen!"

Ji Ziyue pointed at Su Chen and threatened,

"Su Chen, you'd better put away your dirty mind"

"You may be very powerful, but our Ji family is not something you can provoke, and our Ji family also has imperial soldiers. If you dare to catch my attention, you will definitely die under the Ji family's imperial soldiers."

Damn it, this little beauty is a bit narcissistic!

When did he pay attention to Ji Ziyue?

Little Moon?

Isn't Little Moon an alias for Ji Ziyue? Is calling Ji Ziyue Little Moon just a tease?

Su Chen shook his head and didn't want to talk to this narcissistic little beauty.

The various holy places and ancient families in the Wild Realm were too weak, and he had no intention of conquering these holy places and ancient families.

Besides, the Wild Realm was where her sister was. Realm, Su Chen will not launch a war against the wild realm.

"Little beauty, stop being narcissistic. I'm not interested in you. You're a yellow-haired girl whose body is not well developed. You'd better stop thinking nonsense."

"Yellow-haired girl? Not developed well? You shameless person, I will kill you."

Ji Ziyue was furious when she heard Su Chen's words.

Why is she just a yellow-haired girl?

Ji Ziyue's figure is very perfect, her front and back are curved, and she stands proudly. Is this bastard a blind man?

Ji Ziyue is going to kill her. She took action against Su Chen, but before she could take action against Su Chen, her brother Ji Haoyue grabbed her.

Ji Haoyue grabbed Ji Ziyue and shook her head and said, "Ziyue, don't be impulsive!"

Ji Ziyue shouted to her brother, "Brother, teach me a lesson for this shameless bastard."

"Okay, don't mess around"

"elder brother!"

Ji Haoyue pulled Ji Ziyue and whispered, "Ziyue, don't be ridiculous. This person is very extraordinary. If we take action, I'm afraid none of us will survive."

Ji Haoyue was very uneasy when she came next to Su Chen.

The feeling of danger was very strong.

Ji Haoyue even felt that Su Chen could crush him to death with one hand. Even if he wanted to escape, there would be no chance.

Su Chen looked at Ji Ziyue and the others smiled, waved, and the three Su Yan sisters suddenly appeared in front of Su Chen.

People around saw Su Chen waved, and the three Su Yan sisters appeared instantly.

These people They all looked at Su Chen and were even more shocked.

Half an hour had passed.

They didn't expect that Su Chen would be able to capture the three sisters Su Yan and come back. They even sat motionless on the stone bench.

"Dad!"

When the three Su Yan sisters appeared in front of Su Chen, they all lowered their heads dejectedly. They had just been locked in a space prison, and it was also a dark space prison. This made the three sisters very nervous. Unwilling.

Su Yan's three sisters all had strange looks in their eyes. They were obviously unwilling to be taken back like this.

Ji Ziyue, even Ji Haoyue and everyone around them, when they heard that Su Yan's three sisters After calling Su Chen's father, these people were all confused.

Dad?

It's his fault.

It turns out that the three little girls are Su Chen's daughters. But why did the three girls run away just now?

Ji Ziyue looked at Su Chen He asked in confusion,

"Are you the father of these three girls?"

Su Chen rolled his eyes at Ji Ziyue and said speechlessly, "I'm not their father, am I your father?"

"asshole!"

Ji Ziyue glared at Su Chen angrily.

If she hadn't been able to defeat this bastard, Ji Ziyue would have killed this shameless bastard with her sword.

Su Chen looked at the three sisters Su Yan and asked seriously, "Su Yan, Su Yue, Elena, do you three realize your mistake? Su

Yan took Su Chen's hand and said with a smile, "Dad, we just came out to have fun. What's wrong with us three sisters?"

Su Yue threw herself into Su Chen's arms and said coquettishly,

"Yes, Dad, we are just hanging out with my eldest sister and we will go home after a while. Elena took Su Chen's other hand and asked with a smile, "Father, you're not here to take us back, are you?"

Su Chen had a headache when he looked at the three daughters around him. Are these three daughters planning to act coquettishly and beg for mercy?

Su Chen shook his head and said helplessly,

"You three sisters are so naughty. It was already wrong to leave secretly. You dared to run away after I arrived. This is adding up to a wrong. Do you think I will let it go?"

Su Yan saw that Su Chen had relaxed her guard.

After she winked at Su Yue and Elena, Su Yan saw that Su Yue and Elena were ready.

She quickly took out the Kunlun Realm and shouted,

"Do it!"

"Kunlun realm!"

"The Twelfth Grade Fire Red Lotus!"

"The twelfth-grade pure white lotus!"

Chapter 2202

In the small village, the spirit treasures of Su Yan's three sisters quickly suppressed and imprisoned Su Chen.

In just an instant,

Su Chen disappeared in the small village.

In the air,

Su Yan's Kunlun realm,

Su Yue's twelfth-grade industry flaming red lotus,

Elena's twelfth-grade Pure World White Lotus, and these three top-grade innate spiritual treasures were activated together. The unsuspecting Su Chen was instantly trapped in the Kunlun realm without the ability to resist.

It only took an instant for the terrifying aura to appear and disappear.

Before the people around him were suppressed by the powerful aura, the terrifying aura disappeared instantly.

However, everyone in these Holy Lands and the Ancient Family looked at the three sisters Su Yan in fear.

The aura just now was so powerful.

If that aura persisted for a few more breaths, the onlookers would be pressed to the ground, and they might even be injured and vomit blood due to the pressure of the powerful aura.

"Oh my god, are these all imperial soldiers?"

"It's not an imperial weapon. It's much more powerful than an imperial weapon. It's an immortal weapon. These three treasures must be immortal weapons."

"It's so scary. This is only a moment. If it lasts longer, I might even be pressured to death by the terrifying aura."

"Three powerful fairy weapons, what are the origins of these three little girls?"

"Why can't I understand, are these father and daughter? Why would daughters trap their fathers in immortal artifacts?"

"Who knows, maybe the father is incompetent, maybe the father and daughter are enemies"

"It's really unbelievable. These three little girls are going to defy the heavens. With these three immortal weapons, no strong man in the entire wild world can be a match for these three sisters."

"Yes, even the emperor cannot deal with any immortal weapon. There are three immortal weapons here."

The elders of the surrounding Holy Land and the Ancient Families, as well as some strong men, were all talking about it.

Although the three immortal weapons in the sky are very tempting, and these strong men are also very coveted, but they all They didn't dare to take action. Immortal weapons were not something they could get their hands on, and the origins of the three sisters who owned them must be very terrifying.

Ji Ziyue asked in confusion,

"Brother, am I dazzled? The three girls actually trapped their father."

Ji Haoyue said with a serious face,

"This is true, Ziyue, have you seen it? Each of these three sisters has an immortal weapon more powerful than the imperial weapon. The origin of Su Chen is very unusual."

"I know, but Su Chen was suppressed by her three daughters. That bastard really brought it upon himself."

Ji Ziyue is happy now.

She has long been dissatisfied with Su Chen's shameless pervert. Now Su Chen is being suppressed by his three daughters. Ji Ziyue almost clapped her hands just now.

Here at the Monster Clan,

Qin Yao's face is full of joy. He asked Yan Ruyu in surprise,

"Princess, why can't I understand that my daughter actually suppressed her father? Are they father and daughter? Yan

Ruyu rubbed her forehead and replied,

"They are father and daughter, but these three little girls should have run away from home secretly. Their father wanted to catch them and take them back, but these three little girls suppressed their father by surprise."

Qin Yao said with a smile,

"This is interesting. That person was suppressed by his daughters. He might be very depressed."

"Maybe."

Yan Ruyu was very shocked. With the three immortal weapons, her Qing Emperor's Imperial Arms had been trembling when the immortal weapons appeared, and even seemed to want to escape from her control. At this moment, in the Bronze Immortal Palace, the Hateful Empress and the Liu Shendu looked at the three sisters Su Yan in surprise. They did not expect that the three sisters Su Yan suppressed their father and even trapped Su Chen in a spiritual treasure.

Are the three sisters planning to rebel? These three little girls are so lawless.

Liu Shen no longer explained to Xiao Shitou about the Supreme Bone. She looked at the Hater Empress and wanted to know if the Hater would go out, and even wanted to know if the Hater Empress would go. Catch those three naughty little girls

"Don't you go out and save your brother?"

The Hatred Empress rubbed her forehead and replied, "No need, these three little girls are finished this time."

The Empress of Haters did not expect that the three sisters Su Yan would trap her brother. These three sisters are so lawless.

His brother will teach the three sisters Su Yan a lesson this time, and the Empress of Haters will not intercede for the three sisters Su Yan. Su Yan The three sisters should be taught a lesson.

Liu Shen asked doubtfully,

"Why? Your brother is trapped in the Lingbao now. It is impossible for the three Su Yan sisters to let your brother out now."

The Empress of Haters shook her head and explained,

"Liu Shen and Su Yan's three sisters' spiritual treasures were given to them by my brother. Their spiritual treasures cannot trap my brother. Just watch, these three little girls will regret what they just did."

"Well! I understand, the real owner of the spiritual treasure of the three sisters Su Yan is your brother. It is easy for your brother to get out of the spiritual treasure. In this way, the three sisters Su Yan will be in bad luck. Liu

Shen looked at the three sisters Su Yan and felt sympathy.

Liu Shen thought that if Su Chen came out of the Lingbao, the three sisters Su Yan might be severely punished, and even the three sisters Su Yan would be severely punished by Su Yan. Chen Chen was imprisoned in Lingbao.

At this time,

Su Yan, Su Yue, and Elena saw that Su Chen was suppressed into the Kunlun realm.

They were stunned for a moment.

Although the three sisters of Su Yan had planned Everything, but Su Chen was really suppressed into the Kunlun Realm. The three sisters became anxious and even regretted doing so.

Su Yue asked Su Yan with a worried look,

"big....Sister, what should we do? We suppressed Dad. If mother finds out about this, we will all be doomed. Elena

's face turned pale and she said hurriedly,

"Sister, why don't you let your father out? It's not good for us to do this, and my father will definitely be angry."

Su Yan looked helpless at this moment.

She was going to die this time.

Su Yan knew that after trapping their father, they would definitely be severely punished when they returned to the Merlot Heavenly Court.

But they had just suppressed their father.

She The Lingbao Kunlun Realm was out of control.

Su Yan wanted to take Su Yue and Elena to escape in a hurry, but she found that the Kunlun Realm had blocked the space of the three sisters. She just wanted to take Su Yue and Ai Nai It's impossible for Lina to escape through space teleportation

"Second sister, third sister, it's too late. Haven't you noticed that our spiritual treasures are out of control?"

"How can this be? Why can't I get my spiritual treasure back?"

"Second sister, so is my spirit treasure."

After Su Yue and Elena heard Su Yan's words, they hurriedly wanted to take back their respective spirit treasures, but there was no response from the spirit treasures in the air. No matter how they communicated with the spirit treasures, there was no response.

Su Yue and Irene Nadu's face turned ugly. They didn't expect Lingbao to be out of control.

This must have been their father's fault. The three sisters' suppression of their father just now was a farce.

After thinking about it, Su Yan hurriedly shouted loudly in the air. shouted,

"Auntie, come and save us, we know we are wrong."

Chapter 2203

Su Yan could only seek help from their aunt, the Hateful Empress.

The three sisters got into great trouble this time, suppressed their father, and even imprisoned their father in the Kunlun realm.

Their father will definitely be angry.

If the three sisters don't want to be punished by their father, Su Yan can only ask his aunt, the Hater Empress, for help.

"Aunt, we were wrong. You have to save us, otherwise we will all die."

"Auntie, come and save us. We all know we are wrong. Auntie, you can't just die without saving us."

Su Yue and Elena heard Su Yan asking for help from the Hater Empress.

Their eyes lit up and they hurriedly asked for help. They both knew that if their aunt, the Hater Empress, opened her mouth, their father would definitely let them go this time.

The people around heard Su Yan's three sisters asking for help, which made these people confused again.

Didn't these three sisters suppress their father?

Why are they asking for help now? Didn't these three sisters suppress their father?

Why not ? Is there an aunt?

The aunts of these three sisters are here too?

In the Bronze Immortal Palace, the Hatred Empress heard the three sisters Su Yan's cry for help, and her face darkened.

These three lawless girls were all at this time.

They The three sisters then thought of themselves. Can the Hater Empress save the three sisters now?

"hehe....."

When Liu Shen heard Su Yan's three sisters asking for help, she looked at the Hater Empress and laughed.

"Hater, these three juniors of yours are really interesting. Are the three Su Yan sisters trying to drag you into a trap?"

The Hater Empress rubbed her forehead and sighed,

"well! This girl Su Yan is so smart. Ordinary people would definitely be fooled by this girl. Liu

Shen nodded and agreed,

"Yes, everything that happened today was caused by Su Yan. The three sisters took action against your brother unexpectedly. These two sisters must have been taught by Su Yan."

The Empress of Hatred thought of Su Yan taking Su Yue and Elena to make trouble everywhere in Merlot Heaven.

She saw Su Yue and Elena several times who were unwilling to listen to Su Yan's words. They were all teased by Su Yan. Several times, Su Yue and Elena don't dare to offend their eldest sister now.

"Well, Su Yue and Elena dare not disobey Su Yan. Sometimes, Su Yan, the eldest sister, is more effective than my brother. However, although Su Yan likes to fool around, she, the eldest sister, is very competent~"

"I know this. Before you arrived, Su Yan was protecting her sister and preparing to fight me. Hater, are you not going to save those three little girls?"

"Wait a moment!"

The Empress of Haters looked at the three sisters Su Yan and shook her head.

She planned to save these three naughty little girls.

After all, the three sisters of Su Yan were her relatives. The Empress of Haters not only found her brother, but also the three sisters. They are descendants connected by blood, and she also likes these three little girls very much.

Boom!

At this time, a huge figure suddenly appeared above the small village, a huge black ferocious beast, and it was also a quasi-emperor realm ferocious beast

"No, it's the ferocious beast Taotie, or the ferocious beast Taotie in the quasi-emperor realm."

"Run quickly, we can't deal with the ferocious beasts in the quasi-emperor realm!"

"Damn it, this place is not close to the inside of the ferocious beast forest. How could the ferocious beast Taotie appear here?"

"Why do you care so much? Escape is the most important thing."

"Something is wrong. Why is the ferocious beast Taotie looking at the three little girls, as well as a man and a dog next to them? Did they offend the quasi-emperor's ferocious beast Taotie?"

"Run away, after the ferocious beast Taotie attacks, we will all die here."

In the small village, after people from the surrounding holy places and ancient families discovered the ferocious beast Taotie, these people quickly disappeared in the small village one by one.

A quasi-emperor's ferocious beast Taotie was something that they, the great saints and saint kings, could not handle. Deal with it.

When Ji Ziyue saw many people running away quickly, she hurriedly asked her brother,

"Brother, aren't we leaving?"

After Ji Haoyue looked at the three sisters Su Yan, (to read Baoshuang novels, go to Feilu Novel Network!) he shook his head and replied,

"No need, the ferocious beast Taotie is seeking death when he arrives. That Su Chen is so powerful that it is impossible for him to see anything happen to his three daughters. Even the fairy weapon in the sky can kill the ferocious beast Taotie with one blow."

After Ji Ziyue heard what her brother said, she looked at the three sisters Su Yan who were calm and composed, as well as the three immortal weapons in the air, and even the existence of that powerful shameless bastard. Ji Ziyue also relaxed.

Ji Ziyue They were also speechless about the arrival of the ferocious beast Taotie.

The ferocious beast Taotie was going to be unlucky this time.

A quasi-emperor's ferocious beast Taotie might not be able to escape death.

The people from the Yaochi Holy Land and the five people from the Monster Clan did not leave either. They all felt that there was Su Chen was there, and there were even three immortal weapons in the air, and a quasi-emperor's ferocious beast Taotie was seeking death this time. Ye Fan was frightened when he saw the Taotie hundreds of meters high in the air, and even the powerful aura erupting from it. cried,

"~My dear, Black Emperor, isn't this ferocious beast Taotie coming to take revenge on us?"

The Black Emperor nodded and replied,

"It is possible that Su Yan killed a little Taotie in the Ferocious Beast Forest, and that Taotie should be the descendant of this quasi-emperor Taotie."

"Well, we also grilled and ate the Taotie. No wonder the quasi-emperor's Taotie stared at the few of us."

"You also eat a lot!"

"Let me tell you, Hei Huang, do you think you eat less?"

At this moment,

Su Yan, Su Yue, and Elena saw the ferocious beast Taotie appear. They looked at each other and felt that things had taken a turn for the better.

After Su Yan glanced at Su Yue and Elena, the three sisters stood there. The earth did not take action.

A quasi-emperor's ferocious beast Taotie, their remaining spiritual treasures could destroy it, but they would not take action.

This ferocious beast Taotie asked their father to vent his anger. Maybe their father killed the ferocious beast. After eating the beasts, the three sisters no longer need to be punished by their father.

Whoosh!

Su Chen instantly appeared from the Kunlun realm at this time. He looked at the three Su Yue sisters who immediately lowered their heads.

Su Chen's forehead A black line emerged.

The three sisters were becoming more and more lawless. They would suppress him and imprison him in the Kunlun realm when he was unprepared.

Su Chen did not expect that the three sisters of Su Yan would take action against him.

He was Su Chen, the father of the three Su Yan sisters, would not have been able to guard against his three daughters. If the soul treasures of the three Su Yan sisters had not been imprinted with his soul, he would really have capsized in the gutter this time.

"I'll take care of you three sisters later!"

After Su Chen threatened the three sisters of Su Yan, he looked at the huge Taotie in the sky. Su Chen then looked at the Bronze Immortal Palace hidden in the sky.

A mysterious beast Taotie,

Su Chen could kill it with just one hand. Crush it to death, but why didn't his sister hate the emperor and Liu Shen take action? Isn't Liu Shen worried about Taotie destroying the village?.

Chapter 2204

In the small village, the Jiang brothers and sisters, the Yaochi Saint, Yan Ruyu and Qin Yao from the demon clan all looked at Su Chen in surprise.

Su Chen's sudden appearance made them all understand that the three Su Yan sisters were not there at all. Their father suppressed them. No wonder the three sisters asked their aunt for help.

"Roar....." boom!

At this time,

Taotie in the air burst out with a powerful momentum. Taotie was going to rush down and kill the humans who killed his children, but the three immortal weapons in the village made Taotie dare not come down easily.

"Suppression!"

Su Chen frowned when he heard Taotie's roar. He raised his head to look at Taotie in the air and waved his hand, saying,

Boom!

A sudden white light flashed in the Kunlun realm, and the ferocious beast Taotie in the air disappeared in an instant. The ferocious beast Taotie, which was over a hundred meters long, seemed to have never appeared at all. It just disappeared silently over the village. The panicked villagers in the small village, even the Ji family, Yaochi Holy Land, and the demon clan were all shocked. He looked at Su Chen.

In a word, the immortal weapon suppressed and took away the ferocious beast Taotie in an instant.

The quasi-sage ferocious beast Taotie had no chance to resist or even struggle, and was suppressed and taken away by the immortal weapon..

This was so fast that the people here did not feel the pressure of the immortal weapon at all.

Outside the small village, some people who escaped from the small village's holy land and the ancient family found that the Taotie in the sky disappeared instantly..

These people also stopped escaping.

There was just a flash of white light in the village, and the ferocious beast Taotie above the village disappeared without a trace. These people all thought of the three immortal weapons in the village. They regretted that they had escaped. The people in the village all regretted it. They had forgotten the three immortal weapons in the village just now in their panic. The Holy

Son of Yaoguang looked towards the direction of the village, and he asked the Holy Lady of Yaoguang beside him, "Yao Xi, Shall we go back to the village?"

There was an expression of regret on the face of the Holy Lady Yaoguang. She should not have been dragged away from the small village in a panic.

The Ji family, the Yaochi Holy Land, and the demon clan did not leave. They should have known about the quasi-emperor's gluttony. It is impossible to threaten the people in the village.

Damn it, this is all the fault of the Holy Son of Yaoguang. If he hadn't grabbed her and escaped, she would not have left without thinking of this in the panic just now.

The Holy Lady of Yaoguang shook her head and answered road,

"We can't go back. We just escaped regardless of the life and death of the people in the village. The people in the village will no longer welcome us. Yaoguang, send a message to the Holy Land and tell the Holy Lord about the appearance of three immortal weapons in the village."

"okay!"

At the same time, some powerful people from other holy places and ancient families also left one after another. They all wanted to tell their respective holy places and families what happened in the village, and even the appearance of three immortal weapons in the village.

Su Chen accepted Su Yan After receiving the three sisters' spiritual treasures, he looked at Su Yan and the three sisters and said with a serious face,

"You three little girls, am I going to imprison you with the vicious beast Taotie? Or imprison you in the Chaos Clock?"

"Dad, you are so cruel"

"Yes, dad, we are your daughters, can you bear to treat us like this?"

"Father, please don't be angry. My sisters and I all know we were wrong."

When the three Su Yan sisters heard Su Chen's words, they all hurriedly came to Su Chen and said coquettishly.

None of the three sisters wanted to be locked up in the Kunlun Realm or the Chaos Clock. It would be so comfortable to be free outside. The three sisters didn't want to be locked up in the Kunlun Realm or the Chaos Clock. Imprisoned in a lifeless Lingbao.

Su Chen shook his head and refused,

"No, what you three sisters did this time was too bad. You were already wrong by running away from home. You dared to attack me just now. You are so lawless. Su

Yan looked pitiful and begged for mercy, "Dad, just let us go this time. We won't dare next time." (To read exciting novels, go to Feilu Novel Network!)

Su Chen rolled his eyes at Su Yan and said coldly,

"Do you think that's possible? Yan'er, look what you have brought your sisters to? It's okay for you to be naughty and mischievous by yourself, Yue'er and Nana will both be led astray by you."

"Dad, we were not led astray by our eldest sister. We sisters advance and retreat together."

"Father, we sisters work together, and sisters work together to cut through metal."

After Su Yue and Elena heard what Su Chen said, they both hurriedly explained to Su Chen that they would not let their eldest sister Su Yan bear the responsibility alone, and they would not see Su Yan alone being raped by their father. Punishment.

Su Chen shook his head and said after hearing what Su Yue and Elena said,

"You two little girls can't run away. I will lock you three sisters in the Chaos Clock first. When you get home, your mother will teach you three sisters a lesson."

"No, aunt, please save us!"

Su Yue shouted into the air when she heard Su Chen's words.

She was very worried.

Su Yue's mother, Concubine Yan, was very strict. If her mother, Concubine Yan, knew that they had taken action against their father, Su Chen, the three sisters would suffer. May be severely punished

"Aunt, help!"

"Auntie, please save us!"

Su Yan and Elena also shouted hurriedly. If they were imprisoned in the Lingbao, their trip to the wild realm would be over, and they would even die after being taken back.

I'm going!

These three ghost girls , are you preparing to find a savior?

Su Chen thought that his sister, the Hater Empress, was here, and he was also worried that the Hater Empress would be soft-hearted and save these three little girls.

"You three sisters, don't hope that your aunt will come to save you.....I'll do it!"

Whoosh!

Su Chen was about to say that the Empress of Haters would not come to save the three sisters Su Yan.

He was even prepared to imprison the three sisters Su Yan in the Lingbao. However, he did not expect that the Xuanhuang Exquisite Tower of Heaven and Earth would suddenly appear and even bring the three sisters with him in an instant. Su Yan's three sisters disappeared in front of him.

Su Chen's face immediately darkened.

The Linglong Xuanhuang Pagoda of Heaven and Earth was the spiritual treasure he gave to the hated empress. Now the Linglong Xuanhuang Pagoda of Heaven and Earth has taken away the three sisters of Su Yan. Chen knew that the Hatred Empress had rescued these three little girls.

When Ji Ziyue saw the three sisters of Su Yan being taken away by an immortal weapon, she said in surprise, "Brother, is it another immortal weapon? Is the aunt of the three sisters really nearby?"

Ji Haoyue looked at Su Chen and said seriously,

"It should be, Ziyue, I suspect that this family may not be from our wild realm. They should come from the prehistoric fairyland, and only the powerful prehistoric fairyland can have such powerful immortal weapons."

Ji Ziyue was very shocked when she heard her brother's words.

Although the Great Desolate Immortal Realm has the same origin as the Wild Realm, and the Great Desolate Immortal Realm has always protected the Wild Realm, but usually the immortals from the Great Desolate Immortal Realm will not come to the Savage Realm..

Unless there is a realm war, the immortals from the prehistoric immortal world will come to the wild realm, and even help the wild realm resist the dark chaos. But why did Su Chen's family come to the wild realm?

"The prehistoric fairyland? Are they people from the prehistoric immortal world?"

"Brother, how come the immortals from the ancient world came to our wild world? The aura in our wild realm is not as rich as the aura in the prehistoric fairy world, and there are not many elixirs in the prehistoric fairy world. How could their family come to Yi in the wild realm?."

Chapter 2205

Ji Haoyue shook her head when she heard Ji Ziyue's words.

The Great Desolate Immortal Realm is not something people from the Savage Realm can go to if they want to. The immortals in the Great Desolate Immortal Realm do not welcome strong men from the Savage Realm to enter the Great Desolate Immortal Realm.

How many strong people want to enter the ancient immortal world to get the elixir of death, but none of the strong people who enter the ancient immortal world come back alive. The ancient immortal world is a forbidden land that is several times more dangerous than the wild realm.

The Yaochi Holy Land and the Monster Clan were also very surprised at this moment.

They did not expect that the aunt of the three sisters Su Yan was really nearby and even rescued the three sisters instantly. They all looked at Su Chen who had a dark face..

A strange strong man, and even a strong man with three immortal weapons, they all speculated about Su Chen's origin.

Su Chen rubbed his forehead and was very speechless.

The Hatred Empress rescued the three Su Yan sisters. It was impossible for him to teach the three Su Yan sisters any more. After all, the Hatred Empress was his sister, and his sister's face had to be given.

Forget it, just let these three little girls go!

Su Chen looked at the Bronze Immortal Palace hidden in the air, and he sent the spiritual treasures of Su Yan's three sisters into it.

When Ye Fan saw the three sisters of Su Yan being rescued by the Hatred Empress, he asked Su Chen,

"Senior, do you want to rest in the village?"

"No, I still have something to do!"

Su Chen shook his head and replied.

He came to the Wild Realm this time just to see the three Su Yan sisters.

Moreover, in the Wild Realm,

Su Chen discovered the aura of the Buddhist Tathagata Many Treasures. The old sinister was indeed hiding. In the wild realm.

Su Chen would not let Duobao Tathagata continue to live, and he had not forgotten Duobao Tathagata's plan against him, and even sent him to the Western Realm.

Su Chen looked around and shouted ,

"Seven fairies!"

Swish swish swish"

The Seven Fairies instantly appeared in front of Su Chen and saluted,

"The seven fairies met the Emperor of Heaven!"

Su Chen looked at the green clothes of the Seven Fairies and ordered,

"Luyi, go back to Merlot Heaven and ask Gaia to come to the wild realm to meet me."

"Yes, Emperor of Heaven!"

Su Chen said the green clothes and disappeared instantly.

He wanted to find traces of Duobao Tathagata first.

Duobao was very powerful. He was a late-stage quasi-sage and even had several powerful ones in his hands. Lingbao.

Although Su Chen was able to defeat Duobao Tathagata with all his strength, it was difficult for him to kill Duobao Tathagata. He could only call a saint to kill Duobao Tathagata. In the village,

Su Chen and the seven fairies disappeared Finally,

Ji Ziyue and others were confused.

Emperor of Heaven?

The seven powerful men who appeared just now were actually called Emperor Su Chen. This made Ji Ziyue and others very confused.

Yan Ruyu, Yaochi Saint, Ji Haoyue These people, they hurriedly walked to Ye Fan. They wanted to get information about Su Chen from Ye Fan, and even whether Su Chen was really an emperor. At this moment, in the Bronze Immortal Palace, the three sisters of Su Yan were hated by the Empress. After being rescued, they all took out the best innate spiritual fruits such as flat peach and yellow plum, and tried to please the Hater Empress. If the Hater Empress hadn't come to the rescue this time, the three sisters would have been severely punished. (To read exciting novels, go to Feilu Novel Network!)

"Huh? Why did my brother leave?"

The Empress of Haters was reprimanding the three sisters Su Yan for their misbehavior just now.

Suddenly, she found that Su Chen had left.

This made the Empress of Haters frown. Why did her brother leave without seeing her when he came to the wild realm? Could it be that she What other things happened when my brother came to the wild world?

Su Yan asked suspiciously when he heard the words of the Hatred Empress, "Aunt, my father left?"

"Well, left!"

"Haha, great, that means our father won't take us three sisters back."

The Empress of Hatred looked at Su Yan who was laughing and shook her head.

She didn't know if it was the right thing to save Su Yan's three sisters this time, and whether these three little girls would continue to cause trouble in the future.

Liu Shen checked In the direction Su Chen left, she said to the Hater Empress in surprise,

"Hater, your brother seems to have gone to the Ancient Forbidden Land. Your brother's arrival this time will not eliminate those old monsters in the Ancient Forbidden Land, right?"

The Hatred Empress shook her head and replied, "I don't know, but my brother probably won't care about those old monsters who are dying. He may have other things to do. Liu

Shen said with some expectation,

"I do hope that your brother can destroy the dying old monsters in the ancient forbidden land and save them from launching unrest in the forbidden land in the future."

"This is impossible. Those people are insignificant to my brother. My brother will not be interested in those weak people."

"Alas, that's true!"

After Liu Shen heard the words of the Hatred Empress, she shook her head regretfully.

Those old monsters in the ancient forbidden land are all great saints and quasi-emperors. They are not qualified to let Su Chen take action. In the wild realm, that is Neither the Great Emperor nor the Red Dust Fairy could arouse Su Chen's interest.

The Hatred Empress waved her hand, and the three sisters' spiritual treasures appeared in front of them.

The Hatred Empress said to the Su Yue sisters,

"Yan'er, Yue'er, Nana, these are your spiritual treasures. Your father sent them here. However, no matter how big or small you dare to attack your father, your aunt will not save you next time."

After Su Yan's three sisters took back their respective spiritual treasures, they were all very happy, especially Su Yan's top-quality innate spiritual treasure in the Kunlun realm. There is also a ferocious Taotie who is a quasi-emperor imprisoned in the Kunlun realm. The three sisters will be fine in the future. You can have fun with the ferocious beast Taotie 907.

Su Yan looked at the hating empress and pretended to be innocent and said,

"Aunt, we just want to escape. My father is very powerful. If we don't trap him, we won't be able to escape."

The Empress of Haters patted Su Yan's little head and reminded her.

"You, your father just asked Gaia to come to the wild realm. You should be careful in the future. Gaia is a saint. If she comes to arrest you, I can't save you."

Su Yue smiled and said,

"Auntie, it's impossible for Aunt Gaia to catch us when she arrives."

"Aunt Gaia is very kind to us. Aunt Gaia lets us take the golden apples and life essence, but she will not help our father capture us and return to Merlot Heaven."

Su Yan and Elena were also nodding. They felt that Gaia's arrival might protect the three sisters, and it would be impossible for them to take them back.

In a different space,

Duobao Tathagata and a creature with bright eyes God, a proud old man sitting together

"Immortal Emperor, I helped you advance to the peak of the Immortal King (the peak of Daluo Jinxian). This time barrier is going to disappear. Don't forget what you promised me."

"Duobao, don't worry, I keep my word and I will tell you all the information about the Heaven Realm. However, the strong men in the Heaven Realm are all contaminated by blood. Those Immortal Kings and Immortal Emperors who just know how to kill, What are you going to do with them?".

Chapter 2206

The Immortal Emperor was very doubtful that Duobao Tathagata came to the wild realm.

In order to obtain information about the realm of heaven, Duobao Tathagata even destroyed a space spiritual treasure and used many elixirs to help him advance. This made the Immortal Emperor even more Can't figure it out.

The creatures in the Heaven Realm are monsters without much consciousness. Those strong men only know how to kill and plunder the holy blood and divine blood. Why does Duobao Tathagata seek the entrance to the Heaven Realm?

Duobao Tathagata waved his hand and said,

"You don't need to know this!"

The Immortal Emperor shook his head boredly and said,

"That's right, you are one of the giants in the ancient immortal world, and there is no danger to you in the heavenly realm."

Duobao Tathagata held hands tightly after hearing the words of the Immortal Emperor.

One of the giants in the ancient world?

Does he count now?

He is just a fugitive now. He will never be able to go back to the ancient world in the rest of his life.

With the existence of the Heavenly Emperor Su Chen, there is no place for him in the prehistoric fairyland. Even if Buddhism wants to calm down the anger of the Heavenly Court, the Buddhists will not let him go. The wild world is not safe, and the Heavenly Court and Buddhism will definitely send people to come. Looking for him in the wild realm, Duobao Tathagata wants to stay away from the pursuit of heaven and Buddhism. He can only escape to another strange realm.

In the known realm, it is impossible for him to go to the western realm.

In the wild realm Being too involved with the ancient world, he could only hide in the wild realm for a while. The demonic world outside the realm?

This strange realm would not accept the creatures from the ancient world.

After much deliberation, Duobao Tathagata thought it would be safer to escape to the realm of heaven. , the strong people in the Heaven Realm are not too strong, and there are no saints. There are not many strong people with much consciousness in the Heaven Realm. It is very safe for the Tathagata Duoba to hide in the Heaven Realm. The

Immortal Emperor condensed Give a ball of memory light to Tathagata Duobao,

"Duobao, this is all the information in the realm of heaven, that's all I know."

Duobao took the memory light ball and threatened,

"Immortal Emperor, don't reveal the news of my arrival in the wild realm, or I will kill you."

"Understand, I've never met you"

"Farewell!"

The Tathagata of Many Treasures came to see the Immortal Emperor and disappeared instantly.

After the Tathagata of Many Treasures disappeared, the Emperor of Immortality had a sullen face and couldn't understand why the Tathagata of Many Treasures seemed to be running away? He was even (ceah) worried about his arrival in the wilderness. It's the same as news from the realm has been revealed.

But as the Buddha of the Buddhist sect, the top power in the ancient immortal world, will Duobao Tathagata escape?

"well! It's a pity that I can't go to the Primordial Immortal Realm. If I could go to the Primordial Immortal Realm, I could also know what happened to the Primordial Immortal Realm and what happened to Duobao Tathagata."

Purple Mountain, this is the dojo of the Immortal Emperor, and it is also the place where all the ancient tribes in the wild world worshiped the Immortal Emperor.

Whoosh!

Su Chen appeared in Zishan instantly.

He frowned when he saw the situation in Zishan.

There were many red hairs in Zishan. Monsters, these are some of the Dao-killing realms and semi-saint realms, and even the existence of saint kings.

These monsters are neither human nor ghosts. Su Chen thinks that they may be the subordinates of the ancient tribes who follow the immortal emperor. These people should be What caused them to be infected in Zishan and turned them into monsters that are neither human nor ghosts.

Su Chen touched his chin and muttered to himself,

"Purple Mountain? Immortal emperor? The beginningless emperor? Interestingly, the Tathagata Many Treasures actually appeared here. Could it be that Tathagata Many Treasures wants to hide here? Or are you looking for something in Purple Mountain?"

Ho ho ho.....

At this time, more than a dozen red-haired monsters discovered Su Chen and quickly attacked Su Chen one by one.

Su Chen looked up at these red-haired monsters and waved his hand. Before any of the red-haired monsters could reach Su Chen, these red-haired monsters instantly turned into dust.

"Huh? A human? He is still a half-emperor!"(To read Baoshuang novels, go to Feilu Novel Network!)

After Su Chen checked in the purple mountain, he suddenly found a human trapped in the purple mountain, an old man who had exhausted his vitality and was about to die.

Human?

Quasi-emperor ?

Who could be this person trapped in the Purple Mountain?

Jiang Taixu of the Jiang family?

Could it be him?

Su Chen suddenly thought of the person Ye Fan met in the Purple Mountain in the plot. The old man should be Jiang Taixu, the ancestor of the Jiang family..

Su Chen looked at Jiang Taixu who had run out of oil and had no hope of passing away. An immortal who had been trapped for four thousand years, this was Ye Fan's opportunity. When Ye Fan came to Zishan in the future, Jiang Taixu would secretly teach the word "Dou". Give it to Ye Fan.

I'll give it to you!

Su Chen suddenly thought that Ye Fan and the three sisters Su Yan were together. The three sisters of Su Yan knew all the nine secrets. They three sisters wouldn't pass the nine secrets to Ye Fan and Xiao Shitou, right?

Su Chen rubbed it Rubbing his forehead, he was speechless.

Forget it, just save this old guy's life when he encounters him.

Roar!

A red-haired monster from the Saint King suddenly attacked Su Chen.

Su Chen walked forward without answering this. Red-haired monster, touch!

The red-haired monster attacked Su Chen and was knocked away.

"Don't underestimate yourself!"

Su Chen was very disdainful when he saw the red-haired monster that was knocked away.

He is now Taiyi Golden Immortal. Even if Su Chen stood still, the red-haired monster in the realm of Saint King (Earth Immortal) would not be able to hurt him. Shanmao, a little scum of an earthly immortal, Su Chen can kill him just by bursting out some breath.

"Ahem, kid, wait a minute!"

At this time, the red-haired monster was shocked and hit the rocky mountain. After he was confused for a while, the red-haired monster coughed and shouted towards Su Chen.

Su Chen had just discovered a strange source stone.

He was about to check it. At that time,

Su Chen did not expect that the red-haired monster that just attacked him was not killed by the shock, and even regained consciousness.

"Um? You actually regained consciousness?"

The red-haired monster stood up tremblingly and said to Su Chen,

"My little friend, I have regained consciousness, but my life has come to an end. My dear friend, I am Zhang Lin, the fifth generation Yuantian Master. I just thanked you so much for letting me regain consciousness before I died."

"The fifth generation Yuantian Master? Zhang Lin?"

Su Chen was even more speechless when he heard the words of the red-haired monster.

This Zhang Lin was also Ye Fan's chance.

Ye Fan not only got the Dou Zi Secret of the Nine Secrets in Zishan, but also got the inheritance of Master Yuan Tian.

Now, Zhang Lin was almost shocked to death by him and could not even survive for an hour.

Su Chen felt that he was going to ruin Ye Fan's opportunities one by one.

Huh?

No!

Zhang Lin appeared here, and

Su Chen looked at the Origin Stone in his hand. I just thought, wouldn't this Origin Stone contain the former saint Yang Yi of Yaochi?

"My little friend, my life is not long, but I don't want to end the inheritance of Master Yuan Tian. This is my experience of Master Yuan Tian. I hope you can find a successor for me in the future."

Chapter 2207

Zhang Lin fell to the ground after condensing a ball of inheritance light. In order to prevent Master Yuan Tianshi's inheritance from being ruined, Zhang Lin ended his life with his last life force.

Damn it,

Su Chen was very speechless when he looked at the dead Zhang Lin.

It was easy for him to save Zhang Lin who was about to die. Su Chen was just distracted by looking at the Origin Stone in his hand, but

Zhang Lin actually used his last life force. After condensing a ball of inherited light and dying, the old man really died in vain, and it was impossible for Su Chen to save another idiot.

Damn, how do you cut the Origin Stone?

Is it possible to cut it open with one knife?

After Su Chen accepted the inheritance from Master Yuan Tian,

he looked at the Origin Stone in his hand and was speechless.

This Origin Stone should be the former Yaochi Saint Yang Yi, but how to open this Origin Stone?

Su Chen was stunned for a moment.

Pinch open?

Cut?"380" or use other means to open it?

Su Chen was also worried that if he opened it in the wrong way, he would kill the Saint of Yaochi in the Source Stone.

Su Chen looked around Zishan and put away the Origin Stone first.

As for the old man Jiang Taixu,

Su Chen had no time to save him now. There was the aura of Duobao Tathagata in Zishan. Su Chen wanted to check the Duobao Tathagata first. What to do in Zishan?

The Immortal Emperor is not at Purple Mountain. Is Duobao Tathagata looking for the Immortal Emperor? Still looking for other items in the purple mountain, Su Chen wanted to look for the aura of Duobao Tathagata to check.

One day later, after

Su Chen killed many red-haired monsters and desolate slaves blocking the way in the Zishan Mountain, he discovered the Wushi Bell of the Wushi Great Hall deep in the Zishan Mountain, and even found the Wushi Bell that was suppressed by the Wushi Bell. The immortal queen.

Deep inside Zishan,

Su Chen frowned when he looked at the lost luster of the Wu Shi Bell.

The Wu Shi Great Emperor's Wu Shi Bell should be an immortal weapon. How could this be an imperial weapon?

"Is Wu Shi Zhong just an imperial soldier? This is a bit weak. Has the Wushi Bell not been promoted to an immortal weapon?" boom!

"shock!"

As soon as Su Chen arrived at the depths of Zishan,

Wu Shi Zhong was about to attack Su Chen. Su Chen pinned Wu Shi Bell in the distance with one finger.

Boom!

Su Chen saw Wu Shi Zhong and wanted to attack.

Some breath burst out from his body and he said coldly,

"An acquired low-level spiritual treasure will break you if you don't rest a little bit."

Wushi Zhong seemed to feel the power of Su Chen. Wu Shi Zhong shook for a moment and then fell silent.

After Su Chen looked at Wu Shi Zhong who had calmed down, he looked at Bu Tianhou who was suppressed by Wu Shi Zhong..

The Immortal Queen is a green tea bitch.

However,

Su Chen doesn't have much objection to this.

The love between the Immortal Queen and the First Divine General is a matter of mutual consent. The First Divine General may just be a licking dog, licking him to the end. After his death, he may not even have held the hand of the Immortal Queen.

There is also the Immortal Emperor. In the plot, the Immortal Emperor is a tragedy. Years of planning have all come to nothing. Not only his wife and children, but also Ye Fan and his family have been killed by the Immortal Emperor. Killing people, even Emperor Zun killed by the Immortal Emperor is all a conspiracy, in order to go home, to return to the fairyland. The Immortal Emperor is the most tragic villain in the plot.

"receive!"

Su Chen stretched out his hand and put away the Wu Shi Bell.

There was also the Wu Shi Bell in the Wu Shi Bell, a low-level spiritual treasure.

Su Chen didn't care about it at all.

But since he came to Zishan, Su Chen couldn't go back empty-handed. The Wu Shi Bell He can give his sister the hateful Empress, and maybe Wu Shizhong will be promoted to a low-level innate spiritual treasure in the future.

Boom! (To read Baoshuang novels, go to Feilu Novel Network!)

At this time,

Zishan shook.

Some powerful aura broke out inside Zishan.

Without the suppression of Wushi Bell, the Immortal Queen and some divine generals who were suppressed by Wushi Bell inside Zishan recovered.

"Haha, I'm finally free." A woman's voice suddenly laughed and said,

"The seal is gone and we are all free!"

"Wu Shi, we want revenge on Wu Shi!"

"Immortal Emperor, we have to find the Emperor first. Wu Shi is very powerful. We must first meet with the Emperor."

"That's right, find the Immortal Emperor first, and we'll deal with Wu Shi later."

One figure after another appeared inside Zishan, and the people who appeared one after another shouted arrogantly.

"Kill!"

When Su Chen heard these arrogant words, he waved his hand and burst out countless space blades. Each space blade flashed with white light and instantly attacked the figure that just appeared.

Whoosh whoosh whoosh.....

"Ahhhhh....."

In just an instant, the few figures that had just appeared were quickly and completely killed by the space blade.

These generals who had just broken the seal and escaped were completely annihilated without even Su Chen noticing them.....

"Who are you?"

At this moment, the Immortal Queen looked at Su Chen in shock.

She had just discovered Su Chen next to her after breaking the seal.

However, before the Immortal Queen had time to ask Su Chen about the origin of this human being, she discovered that Su Chen had just waved. With a wave of his hand, several of the Immortal Emperor's powerful divine generals were killed in an instant.

This made the Immortal Emperor very frightened for a moment.

The Immortal Emperor's divine generals were all at the level of the Sage King and the Great Sage, although they had been sealed for thousands of years. It has been many years, but it is impossible to be killed by a human in an instant.

The Immortal Queen is only a quasi-emperor, and she does not dare to take action against Su Chen.

Su Chen's eyes lit up when he looked at the Immortal Queen.

The Immortal Queen is really very tall. With an alluring, voluptuous and charming face, a hot figure with bulging front and back, proudly erect mountains, and even an aura full of mature charm, no wonder the number one god of dog licking will never forget the immortal queen.

Su Chen took a look at the green tea bitch Immortal Queen, he asked coldly,

"Immortal Queen, you should be lucky that I didn't kill you. Tell me, do the Immortal Emperor and the prehistoric Tathagata Duobao know each other?"

"The Many Treasures Tathagata of Buddhism in the prehistoric immortal world?"

The Immortal Queen was very surprised when she heard Su Chen's words.

She didn't expect Chen Hui asked the Buddhist Buddha in the prehistoric fairy world. She also met the Buddhist Tathagata Many Treasures once. The Immortal Queen did not understand why Su Chen asked about the relationship between the Emperor 1.0 and the Tathagata Many Treasures.

"Yes, tell me, did the Immortal Emperor and Duobao Tathagata know each other before?"

"Who are you?"

Whoosh!

Su Chen suddenly appeared next to the Immortal Queen. He pinched the Immortal Queen's neck with one hand and said coldly,

"I ask one last time, tell me, do the Immortal Queen and Duobao Tathagata know each other?"

The Immortal Queen looked at Su Chen who was choking her in horror.

She wanted to resist, but she couldn't use any strength.

After Su Chen let go of her, the Immortal Queen coughed and hurriedly replied to Su Chen,

"I.....Ahem, senior, I don't know each other between the Immortal Emperor and the Tathagata Duobao of the Great Immortal Realm. However, when the Realm War broke out ten thousand years ago, the Emperor of Immortality and the Tathagata Duobao met once, and there was no friendship between them at all."

Chapter 2208

The Immortal Queen was very afraid of Su Chen.

She guessed that this human being came from the ancient immortal world.

Otherwise, with the Immortal Queen's quasi-emperor cultivation level, it would be impossible for her to have no ability to resist in front of Su Chen. Only the powerful immortals in the ancient immortal world, Only then can he control her life and death in an instant

"do not know? Only a one-time relationship?"

Su Chen was very confused when he heard what the Immortal Queen said.

Duobao Tathagata was not familiar with the Immortal Emperor, so how could he appear in the Immortal Emperor's Purple Mountain?

What item was Duobao Tathagata looking for?

It's just that there didn't seem to be anything powerful in the wild world. Treasure, why did the Tathagata Duobao appear here?

The Immortal Queen looked at Su Chen and said anxiously,"Senior, what I said is true. Anyone who participated in the realm war tens of thousands of years ago will know it."

"You leave!"

Su Chen looked at the Immortal Queen and shook his head. She was an Immortal Queen in the early stage of Xuanxian (early stage of Quasi-Emperor). He had no intention of killing this little scumbag.

"Thank you, senior!"

When the Immortal Queen heard Su Chen let her go, she hurriedly saluted Su Chen and then quickly disappeared. She didn't want to stay with this terrifying human for a moment. Her life and death were controlled by a strong human being. The feeling of killing was very frightening.

Su Chen rubbed his forehead and wanted to continue looking for Duobao Tathagata. Although he didn't know what Duobao Tathagata was going to do when he escaped to the wild realm, the old and cunning Duobao Tathagata must die. Boom. boom.....

Suddenly, a powerful battle broke out outside Zishan, and the entire Zishan and even the entire Beidou Territory shook.

"Um? Who is this powerful person at the pinnacle of Taiyi Golden Immortal (Red Dust Immortal)? Why did he take action against the Immortal Queen?"

Su Chen instantly appeared outside Zishan and checked.

More than three thousand miles away from Zishan, an old man stopped the Immortal Queen who was leaving, and even tried to catch the Immortal Queen.

Su Chen showed up to an old man from Taiyi Golden Immortal. I feel strange that just after the Immortal Queen regained her freedom, this old man discovered the Immortal Queen. Who is this old man?

It is impossible for the old immortals in the forbidden area of life to have such a strong strength. Who else in the wild world has such power? Strong strength?

Let me go!

Why did the Immortal Queen flee to Zishan again?

Did the Immortal Queen want him to save her?

When Su Chen saw the Immortal Queen fleeing to Zishan, he was very speechless.

"space shift.~! "

Su Chen looked at Jiang Taixu who was trapped in Zishan.

He activated the law of space to move Jiang Taixu over. Jiang Taixu had lived in the wild realm for tens of thousands of years. He must have known that the old man who wanted to capture the Immortal Queen was who.

Whoosh!

A miserable old man appeared next to Su Chen

"Jiang Taixu?"

"Um? Who are you? Did you save me?"

After Jiang Taixu was confused for a while, he opened his eyes and looked at Su Chen and asked in surprise,

"Yes, Jiang Taixu, tell me who is that old man?"

After Su Chen nodded to Jiang Taixu, he pointed to the old man who was chasing the Immortal Queen and asked.

Jiang Taixu looked over after hearing Su Chen's words. When he saw the Immortal Queen and the old man,

Jiang Taixu Xujiu shouted in surprise,

"Immortal Queen? Emperor Zun? Emperor Zun, the lord of heaven in the mythical period, did not die? How can this be?"

"Emperor Zun? The Lord of Heaven who wants to refine all sentient beings and become immortals?"

Su Chen frowned when he heard Jiang Taixu's words.

He knew about Emperor Zun, and he also knew that Emperor Zun was not killed by the Immortal Emperor.

This old yin and Duobao Tathagata are both people who do whatever it takes to achieve their goals. It's just Emperor. Why did Emperor Zun appear so early? Shouldn't he continue to hide and realize his conspiracy?

Jiang Taixu was very frightened when he looked at Emperor Zun.

Emperor Zun is a being even more cruel than the Immortal Emperor. (Read the Baoshuang novel , just go to Feilu Novel Network!)

He used to use his teachings to ascend to immortality as a bait to refine many supreme powerhouses in forbidden areas, and even refine common people to become immortals.

Emperor Zun is not dead now, and is even more powerful. ,

Beidou Territory, and even the entire wild world may be in ruins.

"Yes, Emperor Zun should have been killed by the Immortal Emperor and many Supremes. How could he not die? His strength has even reached the peak of the powerful Red Dust Immortal? Big changes are about to happen in the wild realm."

Su Chen shook his head when he heard Jiang Taixu's words.

It doesn't matter what the emperor wants to do. A mortal fairy, whether it's her sister hating the empress or Liu Shen, they can easily kill this old Yin. Force.

The era of Emperor Zun's invincibility in the wild realm has passed.

An old immortal and a conspiracy old sinner, his appearance this time will lead to death.

At this moment, some strong men in the wild realm have discovered Beidou The terrifying aura that erupted from the domain.

The powerful aura of a Red Dust Immortal, which made the old immortals in the restricted area of life dare not come to check, even some holy places and ancient families did not dare to check.

Red Dust Immortal, this is not their quasi-emperor and The Great Sage can deal with it.

In the small village, the Hater Empress and Liu Shen both discovered the powerful aura of Beidou Territory. They looked at each other and prepared to go over to check.

"Shall we go check it out together?"

"go together!"

"Are you going to stop protecting the three sisters Su Yan?"

"No, the three sisters all have powerful spiritual treasures, and the seven fairies and the Yaochi female guards are secretly protecting the three sisters, so nothing will happen to them."

Liu Shen stood up, stretched and said, "Then let's quickly go over and check it out."

"good!"

After the Empress of Hatred checked the three sisters Su Yan in the village, she and Liu Shen quickly disappeared into the village.

In the village, the three sisters Su Yan, Ji Ziyue, Yaochi Saint, Yan Ruyu and others were talking..

They also felt the powerful aura erupting from the Beidou Territory, but the Demon Emperor's Tomb is their target. They must go to the distant Beidou Territory to see what happened. Su Yue looked at

Su Yan and said doubtfully, "Sister , we really don't want to go and see?" (Good promise)

Su Yan shook her head while drinking the Enlightenment Tea.

She smiled and said to Su Yue,

"No, we can also know what happened here. I have the Kunlun realm of the Queen Mother of the West."

When Elena heard Su Yan's words, she patted her forehead and said with a smile,

"Haha, I have forgotten the function of the Kunlun Realm of the Time and Space Spiritual Treasure. Sister, please take out the Kunlun Realm and let's see what happened."

"good!"

Saint Maiden of Yaochi, Ji Ziyue and Yan Ruyu heard the conversation between the three sisters of Su Yan.

They all looked at Su Yan in confusion.

They knew that the three sisters of Su Yan all had immortal weapons, but the Beidou Domain was very far away from here. , can Xianqi check what happened in Beidou Territory in the village?

At this time, men such as Ye Fan, Xiao Shitou, and Ji Haoyue also came over. They also wanted to know what major events happened in Beidou Territory.

"I'm going, look, it's our dad. Why did dad end up in Beidou Domain?"

Chapter 2209

In the small village, after Su Yan's Kunlun Realm erupted with a ray of light, some images appeared in the Kunlun Realm.

However, after these images appeared one by one, Su Yan suddenly saw Su Chen's figure in the Kunlun Realm.

"I'm going, look, it's our dad. Why did dad end up in Beidou Domain?"

The people around were very surprised when they saw Su Chen's figure in the Kunlun Realm. It had only been a day since Su Chen left the village.

They didn't expect that Su Chen would appear in the Beidou Realm, but the powerful aura just now was It wasn't Su Chen who burst out. They were not very sure.

They saw Su Chen standing on a high mountain with a leisurely look on his face. Su Chen didn't burst out with a powerful aura. Ji Ziyue and others were confused. Looking at Su Chen in the Kunlun Realm, they all wanted to know what happened in the Beidou Realm.

""Five two three" Elena looked at Su Chen in the Kunlun realm, and she asked doubtfully,

"Sister, the powerful aura that erupted from the Beidou Territory was not caused by dad, was it?"

Su Yan shook his head and replied,

"No, we are all familiar with dad's breath, and the breath just now was not our dad's breath at all."

The Saint of Yaochi frowned and said,

"Why do the people next to your father look so familiar to me?"

Ji Haoyue lowered her head and thought for a moment before suddenly shouting,"It's Jiang Taixu, the ancestor of the Jiang family. I've seen his portrait!"

Ji Ziyue looked at Ji Haoyue and asked doubtfully,

"Brother, are you sure?"

Ji Ziyue replied with a serious face,"You can't be wrong. Although the old man in the image is very miserable, I can't be mistaken. He is Jiang Taixu, the ancestor of the Jiang family." Saint Yaochi and Yan Ruyu were also very surprised after hearing what Sister Ji Ziyue said. Jiang Taixu, this is the existence of a quasi-emperor. They did not expect that Jiang Taixu would be so miserable, even looking down. She is in an old state. Su Yan touched her chin and said

"The old man was about to die. In a few years, the old man would have fallen into a coma. My father might have saved the old man."

Ji Haoyue was surprised when she heard Su Yan's words and asked, "Princess Su Yan, are you telling the truth? Su

Yan nodded and replied, "Of course, that old man doesn't have much vitality left. He will die in a few years at most."

Ji Ziyue, Yaochi Saint, and Yan Ruyu all believed Su Yan's words when they heard them. They all knew that Su Yan was a princess in the realm, and Su Yan was also very powerful.

A great sage. No one would believe this little girl in the Immortal Realm, but this is a real existence. Su Yan is a strong man in the Great Sage Realm, and she is also a little girl who owns an immortal weapon. The

Yaochi Saint's relationship with Su Yan asked, "Princess Su Yan, will your father save Jiang Taixu?"

"I have no idea!"

Su Yan shook her head and replied.

Su Yan felt that it was impossible for her father to save an old man. If it was a beautiful woman, Su Yan felt that her father would definitely save it, but for an old man who was very old, her father might not be able to save him at all. Can't save

"I don't know how to save it. If it's a beautiful woman, my father will definitely save it. If it's a bad old man, my father won't bother to save it."

"Yes, my father wouldn't save a bad old man. If he wasn't a beautiful woman, my father wouldn't bother to care about him at all."

Su Yue and Elena both spoke one after another.

They all know Su Chen's nature.

In the Merlot Heaven, the saints like Yin Ji and Leng Yue are all beautiful beauties. Ninety percent of the saints in the entire Merlot Heaven are They are all beautiful women, and even quasi-sages have more than half of them.

Their father is a pervert.

As long as they are not acquaintances, there is no way their father can save this bad old man.

Su Yan heard that Su Yue and Ai As Lina said, she slapped her forehead.

These two idiots, have they forgotten that their father also controls the Kunlun realm?

At this time, (to read Baoshuang novels, go to Feilu Novel Network!)

Their father may Also looking at them, Su Yue and Elena said bad things about their father. If their father knew about it, the three sisters would be in trouble again.

Ji Ziyue, Yaochi Saint, and some women next to them, After they heard what Su Yue and Elena said, they were all speechless.

Although they thought what Su Yue and Elena said was true, was it really okay for these two girls to say this about their father? ?

"Su Yue, Elena, I heard everything you two little girls said. You two little girls just wait for me. You two little girls won't be able to escape from the dark room for a month....."

At this time,

Su Chen's angry voice suddenly came from the Kunlun realm,

"Shall I go, dad?"

"It's over. How did dad hear us?"

When Su Yue and Elena heard what Su Chen said, they were all confused and at a loss. They didn't expect that Su Chen would hear what their sisters just said from the Kunlun realm.

Su Yan looked at the bewildered Su Yue and Elena, she explained helplessly,

"You two idiots, don't you know that our father can control our spiritual treasures? We are checking on our father. He must be aware and can even use the Kunlun realm to see us."

After Su Yue and Elena heard what Su Yan said, they both said to Su Yan in panic,

"Sister, you have to save us"

"Sister, we are in a dark room for a month. Dad wants to lock us in a dark room for a month. This is terrible. You have to save us."

Su Yan rubbed his forehead and replied,

"I'll try my best to find a way, but if it doesn't work, I can only drag our aunt to rescue you." Ji Ziyue and Yaochi Saint were all shocked when they heard Su Chen's words. They did not expect that Su Chen would hear the conversation here, and even be able to transmit the sound here. At this moment, on Zishan, Su Chen looked very helpless with a dark face. He did not expect that Su Yue and Elena would say bad things about him like this. Is this still his daughter? This is really cheating! Boom!

"Senior, help me!"

At this time, the Immortal Queen came to Su Chen in a hurry and asked for help.

The Immortal Queen did not expect that she would meet the already dead Emperor just after leaving the Purple Mountain. She was very surprised by the Emperor's resurrection. Even Emperor Zun's powerful strength made her very panic.

In the air, an old man arrived quickly and shouted,

"Immortal Queen, no one can save you today. If I hadn't captured you alive, you would have been slapped to death by my palm."

Boom! Bang!"

"Dry tongue!".

Chapter 2210

【Quasi-Saint Immortal Emperor, Daluo Golden Immortal Immortal King, Taiyi Golden Immortal Red Dust Immortal, Golden Immortal Great Emperor, Xuanxian Great Sage, Heavenly Immortal Saint King, Earth Immortal Saint, and Earth Immortal Half Saint. 】

Su Chen was very disdainful when he heard Emperor Zun's arrogant words.

He was an old treacherous man and a conspirator who faked his death.

Did Emperor Zun still think that this was his era?

An old guy in the past tense can avoid death if he doesn't come out. Now that Emperor Zun has come out and is no longer hiding, Su Chen has no intention of letting go of this old bastard who wants to sacrifice the entire world. boom! Snapped!

"Dry tongue!"

Su Chen looked at the rampant Emperor in his mouth, and he slapped Emperor down from the air with a quick palm. With the activation of the law of space, even though Emperor was a few realms stronger than him, he couldn't block his attack.

The Immortal Queen looked at Su Chen in bewilderment.

Although she guessed that Su Chen was very powerful, the person facing her was Emperor Zun. The Emperor from the mythical period in the wild world was now even more powerful than the Red Dust Immortal. , she didn't expect that Su Chen would slap Emperor Zun down from the air.

Jiang Taixu was stunned and froze on the spot.

He had been very confused when he saw the Immortal Queen arriving to ask for help from Su Chen, but now he saw When Su Chen slapped Emperor Zun away, Jiang Taixu felt like he was in a 27 dream.

In the small village,

Ji Ziyue and others saw Su Chen slap the arrogant old man in the air and instantly slapped him down. , they were also confused.

Judging from the aura erupting from the air, the old man in the air was a strong man who surpassed the emperor. Su Chen actually slapped the old man away, Ji Ziyue and the others all had expressions on their faces. They were shocked.

However, they thought that Su Chen was the emperor of a realm and it was normal for him to be powerful.

"Let me go. Dad is still as strong as ever. That arrogant old man is dead."

"Sister, dad looks very cool now!"

"Not bad, not bad, eldest sister, dad is very cool now!"

When the three Su Yan sisters saw Su Chen slapping the Emperor, they all said with shining eyes. They even wanted to learn from Su Chen in the future.

This way they could not only attack and humiliate the enemy, but also look noble and powerful. Cool.

Purple Mountain, boom!

After a while, the ground shook, and after Emperor Zun came out of the broken mountain, he erupted with a powerful aura with a sullen face.

Emperor Zun did not expect to be slapped down. This was again Slap him in the face.

Since the mythical period, no one has slapped him in the face even if he pretended to be killed. Emperor Zun is going to kill that bastard, no, he is going to torture that bastard to death.

"Who are you?"

"Emperor Zun, you deserve to know, tell me, why do you want to capture the Immortal Queen?"

"Boy, you are looking for death!" boom

"Space barrier!"

Boom!

Suddenly Emperor Zun's hand became huge and he slapped Su Chen.

Su Chen waved his hand and a blue barrier appeared in front of him. When Emperor Zun's giant palm slapped over, the basket color The barrier instantly blocked the attack of the giant palm.

Emperor Zun found that his attack was actually blocked, which made him feel incredible.

He was a powerful Red Dust Immortal.

In the wild world, few people in the wild world could reach Emperor Zun's strength. Stronger than him, how could this young man easily block his attack?

Hongchen Fairy?

Is this young man also in the realm of Hongchen Fairy?

"How can this be? who are you? How could you also be a mortal fairy?"

Su Chen suddenly noticed that the surrounding space fluctuated.

He felt the aura of the Queen of Haters coming. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen touched his chin and shook his head.

The Queen of Haters arrived. , even Liu Shen might arrive, so

Su Chen didn't want to take action.

This was a matter in the wild realm. Su Chen felt that it was better to let the Hater Empress and Liu Shen come and kill Emperor Zun.

"Emperor Zun, since you don't answer me, then you'd better die completely."

"You want to kill me?"

The emperor was a little surprised when he heard Su Chen's words.

Suddenly, he thought that Su Chen was so young.

There was no way there could be such a young strong man in the wild world. In the prehistoric immortal world, only people in the prehistoric immortal world could be so young. A mortal fairy

"No, you are not from the wild world. You come from the ancient world. You must be an immortal from the ancient world."

Su Chen shook his head and said with a smile,

"Emperor Zun, you don't have to think too much about where I am from. I have changed my mind now and I will not kill you."

When Emperor Zun heard Su Chen's words, he felt scared.

He was at the pinnacle of the Red Dust Immortal. This boy was only in the early stage of the Red Dust Immortal. Emperor Zun guessed that Su Chen wanted to beg for mercy from him, but this bastard slapped him unexpectedly. Slap, it is impossible for Emperor Zun to forgive this bastard

"Humph, so what if you are an immortal from the ancient immortal world? You are only an early mortal immortal. I have the world cauldron, the immortal weapon, and the source cauldron of all things, the imperial weapon. It would be easy for me to kill you."

Su Chen was very speechless when he heard what Emperor Zun said. Emperor Zun is not afraid of a big Luo Golden Immortal. A small Taiyi Golden Immortal, his Chaos Cauldron can destroy Emperor Zun into ashes with one blow.

"It's a pity, you're dead without me taking action. Emperor

Zun took out a small cauldron and said to Su Chen angrily,

"Boy, try the power of my immortal weapon!"

Boom!

Emperor Zun's World Cauldron suddenly enlarged and exploded with powerful momentum, and instantly attacked Su Chen.

Su Chen crossed his arms and looked into the air.

430 Boom!

A small tower suddenly appeared in the air, Emperor Zun The World Cauldron was suppressed by the small tower before it could attack Su Chen. In the air, the small tower suppressed the World Cauldron and stood in the air.

"What? How could my immortal weapon be suppressed? A small tower? Immortal weapon, no, this is an innate spiritual treasure from the ancient immortal world?"

Su Chen shook his head and said,"Wrong, it is the most acquired treasure of the ancient immortal world, the Xuanhuang Exquisite Pagoda of Heaven and Earth."

"who are you? How can you possess the treasure of acquired merit?"

"Emperor Zun, you are wrong again. The small tower that suppresses your immortal weapon is not mine. You have not noticed the arrival until now. Your strength is really good."

Su Chen was also speechless.

Emperor Zun is a Taiyi Golden Immortal after all. He didn't even notice the arrival of the Hater Empress and Liu Shen. The Hongchen Immortal in the wild world is not even the slightest bit different from the Taiyi Golden Immortal in the wild world..

Emperor Zun was confused when he heard Su Chen's words.

There are other people here?

How is this possible?

He didn't feel the presence of other people, how could there be other people here?

The same goes for the Immortal Queen and Jiang Taixu Looking around in shock, they did not find anyone else, but they all felt that it was impossible for Su Chen to lie.

Who was the person hiding around him? Could it be someone more powerful than Emperor Zun and Su Chen? ?

"Brother, won't you kill this Emperor?".
