

## Zongwu 2231

### Chapter 2231

The three Saints of Yaochi nodded silently when they heard Su Chen's words.

They were indeed frightened.

The Witch Clan's combat legion was much more powerful and terrifying than the Black Bird Combat Legion. This was just to kill people. , no, this is a combat legion born for killing.

"Your Majesty the Emperor of Heaven, this combat legion of yours is too powerful and terrifying. This legion alone can overwhelm the entire wilderness. No army of strong men and cultivators can stop this combat legion."

"It's so terrifying. The evil spirit on the bodies of the Wu Clan's combat legion is very frightening. How many lives have been slaughtered to have so much evil energy?"

"Well, we feel very scared when we are so far away. Such an army is too scary."

The Holy Maiden of Yaochi, Ji Ziyue, and Yan Ruyu all told Su Chen that the power of the Xuantian Realm shocked them.

The prehistoric fairy world was already very powerful, but the power of the Xuantian Realm made them unable to do anything. If the Xuantian Realm invades the Wild Realm, it will be impossible for the creatures in the Wild Realm to resist. It won't take long for the strong men in the Wild Realm and the resisting god army to be slaughtered..The

Immortal Queen said with a surprised look on her face,

"Master, this legion of yours is too scary. Three Immortal Emperors. There are actually three Immortal Emperors in this legion."

Su Chen looked at the girls and smiled.

Three Immortal Emperors (Quasi Saints)?

The time in the Xuantian Realm and the Wilderness Realm are different.

One month is coming in the Xuantian Realm. Once the group use card is used, the Witch Clan will. It is possible that Xingtian will be promoted to a saint, and the Wu Clan combat legion will also be promoted to be even more terrifying.

In the air, the quasi-saints Liu Shen and Taiyi Zhenren were silent as they looked at the Wu Clan combat legion. It is too powerful!

It is too powerful. It's scary!

Although the witch soldiers of the Celestial Immortal, Xuanxian, Golden Immortal, and Wu Clan combat legions are similar to the soldiers of the Black Bird Combat Legion, the Wu Clan Combat Legion is much more powerful than the Black Bird Combat Legion. In a battle with the same realm, the Black Bird Combat Legion There is no way that the legion can be the opponent of the Wu Clan combat legion. The Wu Clan combat legion is so evil that if they start fighting, any one who faces the Wu Clan combat legion will be ruthlessly killed.

Taiyi Zhenren and Kong Xuan were shocked. They looked at each other and found that the Wu Clan was originally the dominant race in the prehistoric fairy world. Now the Wu Clan has regained its former glory. The powerful Wu Clan has gained a new life in the Xuantian Realm. The

Wu Clan has gained a new life in the Xuantian Realm. After a new life, what about the Demon Clan, which was the overlord of the prehistoric times like the Witch Clan? The Demon Clan may also regain its former glory.

The Demon Clan, the Witch Clan, the Witch Clan, and the Demon Clan may all return to their heyday.

"The power of the Witch Clan is no less powerful than that of the Lich Period, and the Witch Clan has regained its former glory."

"Yes, the Ancient Immortal Realm is not as good as the Xuantian Realm. With the Heavenly Emperor Su Chen here, the Xuantian Realm will become more and more powerful. The Witch Clan has returned to its heyday, and the Monster Clan may also have returned to its heyday."

"Yes, both the Witch Clan and the Monster Clan have become powerful again. With these two powerful races, no race in the ancient world is a rival. The Great Heaven is a joke, and the Buddhists are vulnerable to the Witch Clan and the Monster Clan."

"Don't forget that in Xuantian Realm, in addition to the two saints Nuwa and Gaia, there are also two saints called Yin Ji and Leng Yue mentioned by the eldest princess and the ruthless empress. There are at least four saints in Xuantian Realm, and there may even be more. There are more saints."

Taiyi Zhenren, Chi Jingjing, Wei Liusun, and Kong Xuan, these four quasi-sages of the ancient immortal world were all talking with serious faces.

They were all surprised by the re-emergence of the Wu clan.

The time was too short.

In just a few years, the Heavenly Emperor Su Chen made the Wu Clan strong again. They were very afraid of the Heavenly Emperor Su Chen.

The Heavenly Emperor Su Chen made them all feel powerless.

If the saints in the prehistoric immortal world knew about the Xuantian Realm, , those saints would probably be restless.

At this time, outside the space channel, after the 50 million witch soldiers of the Wu Clan combat legion were assembled, a strong man held a giant ax in one hand and a giant shield in the other. For cool novels, go to Feilu Novel Network!)

He stood in front of the Wu Clan's combat legion and saluted the ruthless empress,"Xuantian Realm, Wu Clan's combat legion, commander of the legion, Great Witch Xingtian, see the eldest princess"

"Witch clan combat legion, see the eldest princess!"

"Witch clan combat legion, see the eldest princess!"

"Witch clan combat legion, see the eldest princess!"

The 50 million witch clan combat legions neatly saluted the ruthless empress.

The ruthless empress waved her hand and spoke,

"All free of charge!"

"Thank you, Princess!"

The ruthless empress looked at the great witch Xingtian and ordered,

"Xingtian, I will kill all those disgusting creatures in the Heaven Realm with your Witch Clan combat legion."

Xingtian immediately saluted and said,

"Yes, princess!"

Xing Tian dare not show the slightest disrespect to the Ruthless Empress, several princesses in the Xuantian Realm, and the human country.

With an heir like Su Yan in the Xuantian Realm, the Xuantian Realm will continue to thrive for a long time, and the Ruthless Empress is The biological sister of Emperor Su Chen, the Ruthless Empress is not only 907 powerful, but also the most powerful person in the Xuantian Realm besides Su Chen. In the

Xuantian Realm, the female saints Nuwa and Gaia , all caring and caring about the Ruthless Empress. No matter how arrogant and arrogant

Xingtian is , he would not dare to be disrespectful to the Ruthless Empress, otherwise what is waiting for him is to be taught by those female saints, and even the powerful Queen Mother. The women will not let her go, and the crazy woman Jiufeng, the great witch, will definitely blast him hard. The ruthless empress continued to order,

"Su Wu, the Black Bird Combat Legion cooperates with the Wu Clan Combat Legion, and no god in the realm of heaven is allowed to escape."

"Yes, princess!"

The ruthless empress looked at the army of creatures in the Heaven Realm. She waved her hand and ordered loudly,

"Launch an attack, let the creatures in the wild realm and the prehistoric fairy world see the power of our Xuantian realm, and kill all the strong men and the army of creatures in the heaven realm."

Woo woo woo....

The Black Bird Combat Legion and the Wu Clan Combat Legion all sounded their attack horns at this time.

"The Blackbird Combat Legion is ready to launch an attack!"

"The massacre of the Wu Clan combat legion has begun again. The sons of the Wu Clan are preparing to launch an attack!".

Chapter 2232

After the Wu Clan Combat Legion and the Black Bird Combat Legion began to attack, the army of creatures in the Heavenly Realm were so frightened that they quickly retreated.

All the armies of creatures in the Heavenly Realm, as well as many strong men, did not expect that the Xuantian Realm would be Reinforcements from the wild realm.

The powerful legions of gods in the Xuantian Realm were simply not something they could defeat. The wise Saint Kings, Great Sages, Quasi-Emperors, and Great Emperors in the Heaven Realm all turned around quickly to escape.

"The realm war has failed, let's run away!"

"Failed, the Xuantian Realm is too powerful, and our army of creatures is no match at all!"

"This is the Xuantian Realm that emerged from there, even more powerful than the Ancient Immortal Realm."

"I don't know, but it is impossible for our army of creatures in the Heaven Realm to escape. Unless the ancestor comes, the rest of our army of creatures will be massacred by the Xuantian Realm."

"Let's run away, or we won't be able to escape soon."

After the nine Immortal Emperors of the Heavenly Realm talked with each other, they prepared to escape back to the Heavenly Realm. Xuantian Realm was involved in this realm war. The Heavenly Realm was already destined to lose. These Immortal Emperors He won't be left to die

"Each legion, attack the military formation! The whole army attacks!"

"kill! kill! kill!"

"The Thirteenth Legion, the immortal soldiers and crossbows are ready, let go!"

"The Eighth Legion, setting up a huge array of traps!"

"The 220th Sixth Legion is preparing to launch a sky-shattering strike!".....

Each legion of the Black Bird Combat Legion began to attack, and the immortal weapons and weapons attacked the Heaven Realm one after another. Each military formation erupted with a powerful attack light and shot down the army of creatures in the Heaven Realm.

Boom boom boom.....

The creatures in the Heaven Realm were killed one by one. Even under the powerful beam attack of the military formation, after the white attack beam passed, millions of creatures would disappear from the army of creatures in the Heaven Realm.

When Xing Tian saw the Black Bird Legion taking the lead in attacking, he hurriedly ordered loudly,

"Hurry up and kill me, otherwise the army of creatures in the Heaven Realm will be slaughtered by the Black Bird Legion. Tear apart those disgusting monsters in the Heaven Realm."

"witch! witch! witch!....."

The witch soldiers of the Wu Clan Combat Legion rushed over one by one.

Facing the army of creatures from the Heaven Realm that were about to escape, the witch soldiers of the Wu Clan Combat Legion quickly intercepted these creatures. The witch soldiers tore apart and slaughtered the Heaven Realm one by one. The army of creatures in the realm, the ruthless empress saw that the army in the Xuantian realm began to attack, and the immortal emperors in the heaven realm and many (cdej) saint kings, great saints, quasi-emperors, and great emperors all wanted to escape, the ruthless empress Looking outside the space passage, Yin Ji and Leng Yue had arrived with ten quasi-sages. Although she did not see the people arriving, she had received the message from Yin Ji.

The ruthless empress said to the side,

"The Great Immortal Zhen Yuanzi, the Immortal Emperor of the Heavenly Realm, troubled the Great Immortal to bring all the quasi-sages to destroy them."

Swish swish swish....

"Yes, Her Royal Highness the Princess!"

Zhen Yuanzi suddenly appeared next to the ruthless empress with nine figures. After the ten of them saluted the ruthless empress, the ten figures quickly disappeared.

Su Chen looked at the Wu Clan combat legion and Xuan The Bird War Legion, and even Zhen Yuanzi's ten quasi-sages were dispatched.

He knew that the war in the realm would end soon.

The immortals would deal with the cultivators. This was a massacre, a bloody massacre. The creatures in the realm of heaven The army poses no threat to the divine army in Xuantian Realm at all.

"There is no suspense about the Realm War anymore, little beauties, you can go and play."

When Ji Ziyue, Yaochi Saint, and Yan Ruyu heard Su Chen's words, they all stared at Su Chen angrily,"Going to play?"

They came here for the war. Although the three girls are not needed in the current war, they are now It's impossible to play, bah, they had no intention of playing in the first place.

Whoosh!

"Yin Ji (Leng Yue) has met the Emperor of Heaven!"

Suddenly, two beautiful beauties appeared next to Su Chen. They looked at Su Chen and saluted.

Su Chen nodded and ordered, (To read Baoshuang novels, go to Feilu Novel Network!)

"Yin Ji, Leng Yue, you and Gaia go to check the realm of heaven. The Buddhist Tathagata Duobao should be in the realm of heaven. Find him and kill him."

"Yes, Emperor of Heaven!"

Yin Ji and Leng Yue nodded to Su Chen, and they suddenly disappeared in place.

Yaochi Saint looked at the two beautiful beauties who suddenly arrived and disappeared quickly. She looked at Su Chen and asked doubtfully Said, "Yin Ji?" Leng Yue? Emperor of Heaven, are they all saints?"

"good!"

Su Chen nodded and replied.

He was very satisfied with the recent performance of Yin Ji and Leng Yue.

If Yin Ji and Leng Yue could keep up like this, Su Chen planned to release his control over them and keep control of saints like Yin Ji. This is not a solution. As long as Yin Ji and the other girls agree with Su Chen and Xuantian Realm, Su Chen will not always be able to control their souls. The

Saint of Yaochi, Yan Ruyu, and Ji Ziyue, they heard what Su Chen said They were very confused.

Yin Ji and Leng Yue suddenly arrived just now.

They didn't feel the powerful aura.

Isn't the saint the existence of the ceiling in the powerful realm? How could they feel that besides Yin Ji and Leng Yue's beauty, the three of them were so beautiful? Why didn't the woman feel the powerful aura?

Ji Ziyue asked curiously,

"Your Majesty the Emperor of Heaven, are those two beautiful sisters just now really saints? How many powerful saints are there in your Xuantian realm? Su

Chen glanced at Ji Ziyue and said speechlessly, "Little beauty, this is not a question you should ask.""

Ji Ziyue pouted when she heard Su Chen's words,

"mean!"

"mean? Little beauty, if you really want to know, I can tell you, but after you know it, you must meet the Xuantian Realm with me. Do you still want to know the secret of the Xuantian Realm?"

"I....."

Ji Ziyue was confused for a moment.

Leaving the wild realm?

Ji Ziyue never thought about this when she came out. Her family and family were all in the wild realm. How could she leave the wild realm.

At this time,

Yan Ruyu stood up with a serious face and said,

"Your Majesty, I want to know!"

Su Chen was surprised when he heard Yan Ruyu's words and asked,"Huh?" Yan Ruyu, you want to know? Aren't you worried about being taken to Xuantian Realm and I sell you? Yan

Ruyu shook her head and said with a smile,

"His Majesty the Emperor of Heaven is joking, you are the Emperor of Heaven in a realm, there is no way I will be sold by you. Su

Chen crossed his arms and looked at this little beauty curiously,"Yan Ruyu, why do you want to go to Xuantian Realm?" Yan

Ruyu clenched her fist and replied,

"In order to be strong, the Savage Realm is too weak."

"From now on, I will practice in the wild realm until I become powerful. I don't know how many years it will take. However, the immortal soldiers in the Xuantian realm are all quasi-emperors and great emperors. If I go to the Xuantian realm, it shouldn't take many years. can become stronger"

Chapter 2233

When Yan Ruyu appeared in the Xuantian Combat Legion and the Wu Clan Combat Legion, she made up her mind to go to the Xuantian Realm.

The power of the Xuantian Realm made her yearn for it very much. The demon clan in the Wild Realm has declined, and

Yan Ruyu just wanted to go to the Xuantian Realm. When a domain is cultivated to be strong, it cannot become strong overnight.

Moreover, it is impossible for the ancient tribes in the wild realm, as well as the various holy places of mankind and the ancient families to see the demon clan rise again. The Xuantian Realm is the only place where Yan Ruyu can cultivate to become powerful.

Yan Ruyu originally wanted to ask the three sisters Su Yan to take her to the Xuantian Realm.

Now she met Su Chen in the second line of defense. Yan Ruyu felt that letting Su Chen take her to the Xuantian Realm would be better than the three sisters Su Yan taking her to the Xuantian Realm. The heavenly realm will be even better.

The Holy Maiden of Yaochi and Ji Ziyue were very surprised when they looked at Yan Ruyu. They and the "553" did not expect that Yan Ruyu would go to Xuantian Realm, but they thought of Yan Ruyu's identity, the demon clan!

The demon race has declined in the wild realm, and even other powerful races that have declined have enough to bully the demon clan.

Yan Ruyu is a princess of the demon clan. It is simply impossible for her to become powerful through cultivation in the wild realm. Maybe Yan Ruyu will be killed before she becomes strong.

Su Chen asked after hearing Yan Ruyu's words,

"Yan Ruyu, have you really decided?"

He also knows the situation of the demon clan in the wild realm.

Yan Ruyu may need to encounter great twists and turns if he wants to become powerful in the wild realm. The wild realm is a deformed realm.

Any holy land, ancient family, In all races, as long as there are strong people who want to break through to a higher realm, there will be many strong people who will disrupt the situation and even surround and kill the strong people who are about to advance.

Yan Ruyu nodded and asked anxiously,

"Yes, but, His Majesty the Emperor of Heaven, I want to take a maid to the Xuantian Realm."

"Qin Yao?"

"Yes!"

"I agreed."

Su Chen nodded and agreed. A sexy beauty will be very eye-catching even if you meet her in the future.

Yan Ruyu looked at Yaochi Saint and Ji Ziyue and said,

"Holy Maiden of Yaochi, Ji Ziyue, I am going to Xuantian Realm, please take care of yourself in the future."

The Saint of Yaochi nodded and replied, "Ruyu, please take care of yourself."

Ji Ziyue took Yan Ruyu's hand and said,

"Sister Yan, you must take good care of yourself in the future."

Yan Ruyu smiled at Yaochi Saint and Ji Ziyue.

They said goodbye this time and don't know when they will meet again. If the Xuantian Realm can incorporate the Wild Realm into its affiliated realm in the future, they will definitely be able to meet again.

Swish swish Whoosh!

Su Chen waved his hand, and the three Su Yan sisters appeared next to him.

"Dad, have you discovered us a long time ago?"

"Dad, we just borrowed the sun bow for fun. We will put it in the treasure house when we return to Merlot Heaven."

"Father, we won't dare anymore."

When the three Su Yan sisters discovered that Su Chen had moved them over, the three sisters became worried.

The sun-shooting bow was stolen by them. The three sisters were worried that Su Chen would take them out of the wilderness again.

Su Chen was speechless. Looking at the three naughty little girls,

"I'm not talking about this, Yan'er, when you return to Xuantian Realm, take Yan Ruyu with you."

Su Yan looked at Yan Ruyu in surprise when she heard Su Chen's words. She didn't expect that her father would take Yan Ruyu back to the Xuantian Realm.

Although Yan Ruyu was low in strength,

Yan Ruyu was also very beautiful. Su Yan suspected that her father was looking at Falling in love with Yan Ruyu's beauty. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Yan looked at Su Chen strangely and asked, "Yan Ruyu?" Dad, don't you have a crush on Yan Ruyu?"

Bang!

Su Chen knocked Su Yan's little head and warned,

"Little girl, if you dare to talk nonsense again, I will take you all back to Xuantian Realm."

Su Yan stuck out her tongue and didn't dare to talk nonsense anymore. She didn't dare to provoke Su Chen now. If her father got angry and took her away, I'm afraid no one would be able to save her.

Su Yue took Su Chen's hand and asked He said, "Dad, aren't you going back to Xuantian Realm?"

Su Chen picked up Su Yue and kissed her with a smile and said,

"I still have things to do. Don't cause trouble in the wild realm. You three sisters will have to return to the Xuantian realm for up to three months, otherwise your mother will come and take you back....."

"Got it, Dad!"

The three Su Yue sisters all nodded hurriedly, three months?

This is not bad for them.

In three months, they were able to visit interesting places in the wilderness. Originally, the three sisters just wanted to find They can go back to the Tomb of the Demon Emperor, and now they can play for a while longer.

Su Chen nodded to the three sisters of Su Yan, and he took the Immortal Queen and disappeared beside the three sisters of Su Yan.

Su Chen also wanted to meet the ruthless empress. On the one hand, he also wanted to ask what happened to Emperor Wushi, the son of the Western Queen Mother.

Emperor Wushi did not appear in this realm war. The Immortal Queen told him that the breath of the Immortal Emperor appeared in the wild realm. This shows that Emperor Wushi did not confront the Immortal Emperor, so was Emperor Wushi killed?

Or was he suppressed by someone?

The three sisters Su Yan and the three saints of Yaochi saw Su Chen leaving, looked at each other

"Yan Ruyu, we will let you know when we leave."

After Su Yan said something to Yan Ruyu, she took Su Yue and Elena and disappeared.

When the three Yaochi saints saw Su Yan and the three sisters leaving, they all shook their heads helplessly.

"The three sisters Su Yan still haven't forgiven us."

"Yes, those three little girls really hold a grudge."

"There are still three months until 1.9, and we will let the three sisters Su Yan forgive us."

At this moment, as soon as Su Chen appeared next to the ruthless empress, the Queen Mother of the West and Liu Shen also came to the ruthless empress.

Su Chen said with a smile,

"Beauties, we really have a tacit understanding. If we are going to come, we will come together."

The Queen Mother of the West rolled her eyes at Su Chen and thanked her, "Emperor Su Chen, thank you for your help earlier."

Su Chen waved his hand and asked doubtfully,

"Mother of the West, no need to thank you, I just took action out of boredom. By the way, Mother of the West, where is your son, Emperor Wushi? Why didn't your son Wushi show up in this realm war?"

The Queen Mother of the West said with a sad look on her face.

"I don't know either. I haven't seen my son for thousands of years. I don't know where he is now."

Chapter 2234

The Queen Mother of the West was also very worried about Wu Shi. She had never seen her son Wu Shi again since she was reincarnated in the ancient immortal world. The Queen Mother of the West searched for hundreds and thousands of years but there was no news about her son Wu Shi. Hajime seemed to have disappeared from the wilderness, and no one knew where he had gone.

Su Chen frowned when he heard the words of the Queen Mother of the West.

The wild realm was not the world in the plot, and Su Chen couldn't tell where the Emperor Wushi would go.

However,

Su Chen felt that Wu Shi might be in the Heaven Realm, and might even be contaminated by the blood of the Heaven Realm.

The ruthless empress stepped forward and took Su Chen's hand and asked,

"Brother, do you know where Emperor Wushi is?"

Su Chen looked at the three beautiful immortal emperors, the Queen Mother of the West, the Willow God, and the Ruthless Empress.

Oh no, there was also the beautiful and charming Immortal Queen.

Su Chen was a little worried about the whereabouts of Emperor Wu Shi. It is speculated that the Emperor Wushi is not in the Wilderness Realm, and it is impossible for him to go to the Immortal Realm. The Western Realm is even more impossible.

Then the Realm of Heaven is left.

Emperor Wushi either went to the Realm of Heaven by himself, or he was The Immortal Emperor of the Realm of Heaven was captured

"I have a guess, but I don't know if it's right. Liu

Shen asked Su Chen doubtfully,

"Heavenly Emperor, what are your guesses?"

Su Chen looked at the Queen Mother of the West and said speculatively, "I guess the Emperor Wushi may be in the realm of heaven, or even....."

"Even what?"

The Queen Mother of the West asked hurriedly with a worried look on her face.

When she heard that Emperor Wu Shi would be in the Heaven Realm, she felt very uneasy. There were more than ten Immortal Emperors in the Heaven Realm, and no matter how powerful Wu Shi was, It can't be an opponent.

Su Chen looked at the worried Queen Mother of the West and continued,

"even.....Even your son Wu Shi may have been polluted by the dirty blood of the realm of heaven."

The Queen Mother of the West screamed and shook her head violently, saying,

"What? This is impossible, Wu Shi cannot go to the realm of heaven, and he cannot be contaminated by dirty blood."

Su Chen didn't expect the Queen Mother to be so excited, but thinking about it,

Wu Shi is the only son of the Queen Mother after all. If the son of the Queen Mother is contaminated by blood, she will definitely not be able to accept it.

"This is just my guess, don't worry, maybe my guess is wrong. Liu

Shen said with a serious face,

"The Queen Mother of the West, as Emperor Su Chen said, is possible. Emperor Wu Shi has been missing for thousands of years. He is not in the wild realm, nor can he be in the prehistoric fairyland, so he can only be in the realm of heaven."

The ruthless empress comforted the Queen Mother of the West,

"Yes, Queen Mother of the West, my brother's guess may be correct, Wu Shi may really be in the realm of heaven, but you don't have to worry, maybe Wu Shi has not been contaminated by the dirty blood."

The Queen Mother of the West nodded and said in a low mood,

"I understand that Wu Shi may really be in the realm of heaven. I have searched all the places I can find for so many years, but I have found nothing. Realm of heaven? How could my son Wu Shi go to the realm of heaven?"

Whoosh!

Suddenly,

Yin Ji appeared next to Su Chen.

She looked at Su Chen and shouted hurriedly,

"The Emperor of Heaven is in trouble, something happened in the realm of heaven."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen saw the injury on Yin Ji's shoulder, which surprised him.

Yin Ji is a powerful saint. Is there anyone in the realm of heaven who can hurt Yin Ji? Ji's existence?

"Yin Ji, what happened?"

Yin Ji turned pale and said hurriedly,

"Emperor of Heaven, we found the Tathagata Many Treasures in the Heaven Realm, but there is an injured Chaos Demon God in the Heaven Realm, a Chaos Demon God from the third level of the Holy Realm."

"While we were besieging the Chaos Demon God, another more powerful Chaos Demon God arrived in the Heaven Realm."

"The three of us were no match. Gaia and Leng Yue were easily captured by the powerful Chaos Demon. The Chaos Demon let me go and informed the Emperor of Heaven that the powerful Chaos Demon wanted to see the Emperor."

Su Chen asked in surprise,

"There are actually two Chaos Demon Gods in the Realm of Heaven? How can this be? An injured Chaos Demon God or the third level of the Holy Realm, Yin Ji, what realm is the powerful Chaos Demon God?"

The Ruthless Empress, Liu Shen, and the Western Emperor's mother and three daughters were also very surprised. They did not expect that there would be a Chaos Demon God in the Heaven Realm, and there were even two powerful Chaos Demon Gods.

Yin Ji had an expression of lingering fear on her face. He said, "Emperor of Heaven, I guess that Chaos Demon God is at least the eighth level of the Holy Realm."

What the hell!

The eighth level of the Holy Realm?

Damn, how are we going to deal with this?

Even if all the saints in the Xuantian Realm were added together, they would not be able to be the opponent of this Chaos Demon God.

Su Chen rubbed his forehead and felt very Helpless, he just sent people to kill a little Duobao Tathagata. How could such a change happen to him? There are two Chaos Demon Gods in the Heaven Realm, one is the Third Heaven of the Holy Realm, and the other is the Eighth Heaven of the Holy Realm. Is the domain so powerful?

"Yin Ji, you said that the Chaos Demon God from the eighth level of the Holy Realm wants to see me? Does he know I exist?"

Yin Ji thought for a while and said,

"The Emperor of Heaven, the Chaos Demon God in the eighth level of the Holy Realm should know the Emperor of Heaven. He quickly controlled the three of us when he arrived. If we hadn't resisted with all our strength, the Chaos Demon God would not have wanted to harm us."

"Do you know my Chaos Demon?"

Su Chen was even more confused.

He didn't know the Demon God of Chaos at all. The only Demon God of Chaos he knew was the Demon God of Desire, but the Demon God of Desire has been killed. It's impossible for other Chaos Demon Gods to know his existence. He's a ruthless (lucky) man. The empress asked Su Chen hastily, "Brother, do you want me to inform Nuwa and Hanshuang of the arrival of the saints?"

"No need, the Chaos Demon God in the eighth heaven of the Holy Realm is not something that Nuwa and the saints can deal with."

"So what are we going to do?"

Su Chen thought for a while and said seriously to the Hater Empress,

"I'm going to the Heaven Realm. Sister, you stay here. If, I said if, something happens to me, you take Su Yan and the three girls to leave the Wild Realm immediately and return to the Xuantian Realm. Just close all space channels"

"elder brother....."

When the ruthless empress was about to say something, Su Chen interrupted the ruthless empress and continued,

"Sister, this is just my worst plan. The Chaos Demon God did not kill Gaia and the three of them. I guess that the Chaos Demon God wants to talk to me about something. Nothing will happen to me."

Chapter 2235

The ruthless empress held Su Chen's hand tightly. She didn't want Su Chen to take risks in the realm of heaven.

The Chaos Demon God from the eighth level of the Holy Realm is too powerful, no!

This is so scary.

But Gaia and Leng Yue were caught by the Chaos Demon God. Her brother would not care about the life and death of Gaia and Leng Yue. The ruthless empress didn't know whether to stop Su Chen from going to the Heaven Realm.

The Queen Mother of the West, Liu Shen, and the Immortal Queen heard the conversation between Su Chen and Yin Ji.

All of them were very shocked.

The changes in the Heaven Realm and the Chaos Demon God in the Eighth Heaven of the Holy Realm made them unexpected.

Two saints in the Xuantian Realm were arrested, and the Chaos Demon God would still be with Su Chen. Meet in the realm of heaven.

When the three Queen Mothers heard that Su Chen was going to the Heaven Realm, they all wanted to persuade Su Chen not to go to the Heaven Realm, but they had no reason to persuade Su Chen not to save Gaia and Leng Yue.

The ruthless empress was silent for a while and then said, "Brother, you must come back safely."

"Don't worry, nothing will happen to me!"

Su Chen touched the hair of the ruthless empress and smiled.

In fact, he didn't have any confidence in his heart, but he couldn't help but save Gaia and Leng Yue. The

Chaos Demon God of the eighth level of the holy realm, he was so annoying. Thinking about it makes me despair.

If he were in the Xuantian Realm,

Su Chen could let the Heavenly Dao of the Xuantian Realm kill the Chaos Demon God in the Eighth Heaven of the Holy Realm.

But this is the wilderness realm.

Oh no, the Chaos Demon God is in the Heaven Realm.

"Yin Ji, take me to the realm of heaven!"

"Yes, Emperor of Heaven!"

After Yin Ji heard Su Chen's order, she waved and took Su Chen and disappeared in front of the girls.

The ruthless empress looked at the Queen Mother and Liu Shen and said,

"Liu Shen, Queen Mother of the West, I will take the three sisters Su Yan out of the Wilderness Realm in a moment. If you want to go to the Xuantian Realm, I can take you to the Xuantian Realm. Liu

Shen shook his head and replied,

"No, I still have things to do in the Wilderness Realm, and I can't leave the Wilderness Realm now."

The Queen Mother of the West rubbed her forehead and shook her head, "Ruthless man, my Yaochi Holy Land is in the wilderness. My son doesn't know life or death, and I can't leave the wilderness."

The ruthless empress spoke coldly to dissuade her again,

"You have to think clearly, there are two Chaos Demon Gods in the Heaven Realm, one of them is the Chaos Demon God from the eighth level of the Holy Realm. This is not something we can deal with at all."

"The Wild Realm may be destroyed soon. I made a private decision this time and put my brother in danger. Xuantian Realm will no longer be able to help the Wild Realm in the future."

The Queen Mother of the West and Liu Shen fell silent when they heard the words of the ruthless empress.

They also knew that a Chaos Demon God from the eighth level of the Holy Realm cannot be dealt with by any realm. Any of the two Chaos Demon Gods in the Heaven Realm can be dealt with. The Chaos Demon God was able to destroy the Wild Realm, but just leaving the Wild Realm like this made them undecided.

"Queen Mother of the West, God Liu, please take care of yourself from now on!"

The ruthless empress looked at the two silent girls, shook her head and ordered,

"Hong Yi, go and bring the three sisters Su Yan over."

"Yes, princess!"

"Zi Yi, go and inform Xing Tian and Su Wu that there are changes in the war in the wild realm, and ask them to end the war as soon as possible."

"Yes, princess!"

The ruthless empress wants to end the realm war as soon as possible, and the Wu Clan combat legion in the Xuantian realm and the Blackbird combat legion must return as soon as possible.

This is the last thing she does to the wild realm. In the future, the wild realm will No matter what, she can't control it, and the ruthless empress has no ability to help the wild realm anymore.

Boom! (To read Baoshuang novels, go to Feilu Novel Network!)

Suddenly there was a violent vibration in the wild realm, and a huge figure appeared In the sky in the Southern Territory, the huge figure looked a little embarrassed, no, a little miserable.

His Taoist robes were all in tatters, and there was even blood on his forehead.

After the huge figure appeared, he hurriedly ordered,

"Taiyi Zhenren immediately withdrew from the wild realm with the army of gods from the prehistoric immortal world."

"is teacher!"

In the sky of the Southern Territory, Master Taiyi heard the order from the huge figure. He hurriedly saluted and replied,

"What happened? Why was the Yuanshi Saint injured?"

"The teacher was injured, maybe something happened!"

"The realm of heaven? The Yuanshi Saint may have gone to the Heaven Realm and even fought with the powerful men in the Heaven Realm."

Kong Xuan and Wei Liusun saw the figure of Yuanshi Tianzun appear and disappear quickly before even taking a breath.

This made them all very surprised.

Yuanshi Tianzun was actually injured?

A saint was actually injured?

In the end ? Who injured Yuanshi Tianzun?

There is no fighting movement of saints in the wild realm. This must be Yuanshi Tianzun going to the heaven realm, or even Yuanshi Tianzun met a powerful saint in the heaven realm.

Master Taiyi looked serious He said,"Something must have happened, there may even be a powerful saint in the realm of heaven."

Red sperm nodded and replied,

"It is possible that we will withdraw from the wild realm immediately. Even the teacher cannot deal with the saint, and we will be even less able to deal with him."

Weiriusun asked doubtfully, "Where is the Xuantian Realm? Didn't two saints come to the Xuantian Realm? Are the saints from the Xuantian Realm not the opponents of the saints from the Heaven Realm?"

Kong Xuan reminded with a serious face,

"It should not be an opponent. We just saw the appearance of Emperor Su Chen, and even an injured woman appeared. I think the saint who came to the Xuantian Realm was also defeated by the saint from the Heaven Realm."

Master Taiyi thought about it and said hurriedly,

"Quickly notify the divine army in the Primordial Immortal Realm to retreat and withdraw from the Savage Realm immediately."

"good!"

"clear!"

"You need to retreat immediately!"

Liu Shen, Xi Huangmu, and the three ruthless empresses saw Yuanshi Tianzun suddenly appearing and disappearing quickly.

They were all very surprised.

Yuanshi Tianzun also looked injured. They guessed that Yuanshi Tianzun had also gone to heaven. Realm, and may even be defeated by the Chaos Demon God of the Heaven Realm

"The gods of the prehistoric immortal world withdrew."

Liu Shen looked at the gods of the ancient world who were evacuating over the Southern Territory. She shook her head and said helplessly.

The Queen Mother of the West said worriedly,

"Yuanshi Tianzun should have fought against the Chaos Demon God. He lost to the Chaos Demon God, and the prehistoric fairy world gave up on the wild realm."

The ruthless empress did not care about the withdrawal of the divine army from the prehistoric fairy world. She looked at the fighting spirit army in the Xuantian realm. The ruthless empress also wanted to order the withdrawal.

However, the ruthless empress thought that the divine army in the Xuantian realm also wanted to withdraw. After withdrawing, the remaining army of creatures in the Heaven Realm can also destroy the Savage Realm. The ruthless empress clenched her fists tightly.

She wanted to destroy the army of creatures in the Heaven Realm, and then let the army of gods in the Xuantian Realm withdraw. Walk

"Is this the realm of heaven? This is a realm of dead corpses. How could a Chaos Demon God exist in a realm of dead corpses?".

Chapter 2236

When Su Chen was brought to the Realm of Heaven by Yin Ji, he looked at the gray areas in the realm.

The creatures in the realm could not be said to be living creatures. The creatures here were like walking corpses. If these creatures had not devoured each other, , there was not even a broken body, Su Chen thought there had been a biological crisis here.

Yin Ji said to Su Chen seriously,

"Emperor of Heaven, the person who escaped from the realm of heaven just now should be a saint."

Su Chen nodded when he heard Yin Ji's words.

They had just come out of the space passage and encountered a powerful aura. The powerful aura still looked like they were running for their lives.

Su Chen was familiar with that powerful aura, the beginning of the prehistoric fairy world. Tianzun,

Su Chen did not expect that Yuanshi Tianzun would come to the Heaven Realm. He guessed that Yuanshi Tianzun appeared in the Heaven Realm to check or get the treasures in the Heaven Realm.

"I know that the saint is Yuanshi Tianzun from the ancient immortal world. I didn't expect that Yuanshi Tianzun came to the Heavenly Realm secretly. It seems that Yuanshi Tianzun wants to come to the Heavenly Realm to gain some benefits."

"However, Yuanshi Tianzun should have been scared away by the Chaos Demon God at 23, or even killed by the Chaos Demon God and escaped."

Yin Ji looked at Su Chen and reminded worriedly,

"Emperor of Heaven, I don't think you should risk your life and come to the realm of heaven. We don't know the purpose of that powerful Chaos Demon God. I'm worried that the Chaos Demon God will be detrimental to you."

Su Chen shook his head and replied,

"Don't worry, we are all here. Since the Chaos Demon God wants to see me, he has not killed the three of you. I guess the Chaos Demon God has something he wants to talk to me about. I also want to know how the Chaos Demon God knows him. I"

"But....."

"Yinji, needless to say, just take me there. It's impossible for me to ignore Gaia and Leng Yue until they die."

"Yes, Emperor of Heaven!"

Yin Ji nodded and took Su Chen and disappeared in front of the space passage.

She could not convince Su Chen, but she agreed with Su Chen's approach.

Su Chen was able to risk his own life to save Gaia and Leng Yue. This This shows that Su Chen is not a ruthless person who is greedy for life and afraid of death. On a large mountain in the realm of heaven,

Gaia and Leng Yue are standing motionless here, blocked by space. An old man holding a cane is sitting on a futon playing chess.

Next to him,

Duobao Tathagata was lying on the ground in fear, and there was an unrecognizable man in black robe standing aside respectfully.

Whoosh!

At this time,

Yin Ji and Su Chen appeared on the mountain.

Su Chen looked at the people on the mountain. A few people smiled.

There was nothing wrong with Gaia and Leng Yue. They were just restrained by the powerful law of space.

Duobao Tathagata lay on the ground in fear, which showed that Duobao Tathagata and the Chaos Demon God were not in the same group.

The rest An old man is playing chess, and a man in black robe is standing aside respectfully.

The old man should be the Chaos Demon God of the eighth heaven of the Holy Realm, and the man in black robe should be the Chaos Demon God of the third heaven of the Holy Realm.

"Su Chen, the Heavenly Emperor of Xuantian Realm, please sit down!"

When the old man saw Su Chen and Yin Ji arriving, he pointed to the futon opposite and said.

The old man who came from Su Chen sat down opposite and asked,

"The Space Demon raised his eyebrows, what do you want from me?"

The old man was very surprised when Su Chen called out his name.

"Do you know the truth?"

Su Chen curled his lips and replied,

"Don't you know me too?"

Su Chen just guessed the identity of this old man, the law of space?

This old man used the law of space to immobilize Gaia and Leng Yue.

Su Chen also knows the law of space, and he is also very sensitive to space fluctuations.

When he comes to the old man's side , At that time, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen felt that the old man was very far away from him, as if there was a small world between them. This made Su Chen guess that this Chaos Demon God might be space. The devil raised his eyebrows.

He looked at Su Chen with bright eyes and said

"Emperor Su Chen, you make me unable to see clearly about you, your origin, your experience, and even your destiny. I can only see it very vaguely in the long river of destiny."

Su Chen took out a sunspot and placed it on a certain position and said,

"Raise your eyebrows, I'm just an insignificant person, how could the ten demon gods in your majestic chaos know of my existence?"

He raised his eyebrows and touched his beard before saying,

"Emperor Su Chen, you are not a little person. I have been paying attention to you since you became the Emperor of the Ancient Immortal Realm. Although I cannot go to the Ancient Immortal Realm, I know everything you have experienced."

"Raise your eyebrows, before we talk, could you let my people go first?"

"Can!"

With a raised eyebrow and a wave of his hand, Gaia and Leng Yue appeared behind Su Chen.

"Husband!"

"Emperor of Heaven!"

Gaia and Leng Yue hurriedly shouted to Su Chen after they resumed their actions. They were both worried that Su Chen would be controlled by the Chaos Demon God, or even be killed by this powerful Chaos Demon God.

Su Chen said with a smile,

"Don't worry!"

After Gaia and Leng Yue heard what Su Chen said, they both looked at Su Chen and the Chaos Demon God sitting face to face with confusion.

At this time,

Yin Ji behind Su Chen pulled Gaia and Leng Yue and shook their heads.

After Yin Ji heard Su Chen's conversation with raised eyebrows, she knew that Su Chen was fighting with Yang Mei. Yin Ji didn't want Gaia and Leng Yue to disturb Su Chen.

After Duobao Tathagata arrived, Su Chen looked up in surprise. Looking at Su Chen, he now hopes that the Chaos Demon God can kill Su Chen so that he doesn't have to hide in Tibet in the future.

Su Chen looked at Yang Mei and asked,

"Raise your eyebrows, open the skylight, and speak frankly, what do you want to see me for this time?"

"Emperor Su Chen, I know that you have enmity with the prehistoric immortal world, we....."

Su Chen hurriedly interrupted Yang Mei's words and said,

"Wait, raise your eyebrows, I have no enmity with the Great Desolate Immortal World 947. The one who has enmity is you and the Great Desolate Immortal World. You have enmity with Hongjun. You also have enmity with the Great Desolate Heaven. I know exactly what you are going to do."

"However, with your powerful cultivation level, it will be easy for you to seek revenge on Hongjun. Hongjun is only a saint in the third level of the holy realm now, and there is no need for you to join forces with me."

Su Chen understood what Yangmei was going to say.

Ever since Yangmei was deceived by Hongjun and even forced to leave the prehistoric fairy world, he may have been very unwilling.

But the power of the prehistoric heavenly way and Hongjun's ability to match the Tao with his body made Yangmei think There is no hope for revenge.

However, since the accident happened in the prehistoric fairy world,

Hongjun was expelled by heaven.

Yangmei may have seen the hope of revenge, but Su Chen didn't want to participate in these things at all.

Hongjun is an old treacherous guy, so why not Yangmei? Where is this old bastard?

None of the Chaos Demon Gods are good. Su Chen will not deal with the Chaos Demon God.

He raised his eyebrows and said seriously,

"Emperor Su Chen, you know more than I thought, Hongjun, the Heavenly Way of the Ancient Immortal Realm, these are not only my enemies, they are also your enemies, why can't we join forces to deal with Hongjun and the Heavenly Way of the Ancient Immortal Realm."

Su Chen shook his head and replied,

"I'm just a little person. Hongjun and you are both Chaos Demon Gods. The prehistoric heaven is even more powerful and unshakable. The grievances of you Chaos Demon Gods are not something that a little person like me can take part in."

Chapter 2237

Yangmei raised his eyebrows when he heard Su Chen's words.

After he persistently placed a white piece on the chessboard, he looked at Su Chen thoughtfully.

Things in the Great Desolate Immortal Realm still need this boy.

He raised his eyebrows and he can't enter the Great Desolate Immortal Realm. The Heavenly Way in the Prehistoric Immortal Realm is the realm of the tenth level of the Holy Realm. If he enters the Great Desolate Immortal Realm, he will definitely be killed by the Heavenly Way.

"Su Chen, do you know how many Chaos Demon Gods exist in Chaos?"

"I don't know!"

He raised his eyebrows and stroked his beard and continued,

"In Chaos, there are at least hundreds of Chaos Demon Gods, and some Chaos Demon Gods are still resurrecting, like the Plague Demon God, who has only now returned to the third level of the Holy Realm."

Su Chen was very surprised when he heard Yang Mei's words.

There are hundreds of Chaos Demon Gods still alive?

This is a bit scary, and the man in black robe pointing to the side with raised eyebrows turned out to be the Plague Demon God. No wonder all the creatures in this realm are like this. Like zombies, this may be the plague demon that has polluted the entire world of life.

Su Chen also guessed what Yangmei meant. Did Yangmei want to threaten him with other chaos demons?

"Raise your eyebrows, what do you mean by this?"<sup>167</sup> raised his eyebrows and reminded Su Chen with a serious look,

"Su Chen, I am telling you this."

"Although you occupy a realm, if the Chaos Demon God in Chaos wants to completely recover, they need to plunder the source of heaven in the realm to restore it. Your Xuantian realm will also be visited by the Chaos Demon God in the future. You understand what I mean. ?"

As expected!

Yangmei really wants to threaten himself with the Chaos Demon God, but Yangmei's strength is very powerful. What does Yangmei want to do if he threatens himself with the Chaos Demon God?

Unite with himself?

Is this possible?

Su Chen thought about this and replied with a smile ,

"I understand, but, raising my eyebrows, I only occupy a dead realm, and there is no existence of heaven at all. It is impossible for the Chaos Demon God to take a fancy to my Xuantian realm."

He raised his eyebrows and shook his head and continued,

"You are wrong. Even without the existence of heaven, the Chaos Demon God will visit. Just like this realm of heaven, this realm is a dead realm, but for the Plague Demon God,

"The Plague Demon God was able to revive in just over 100,000 years, and even the cultivation realm (cdei) was promoted to the third level of the Holy Realm. As long as the Plague Demon God is given another 100,000 years, he can return to the Saint realm in his heyday. The realm of the sixth heaven."

Su Chen frowned and tapped the chess board with his fingers.

What does Yangmei mean?

To threaten himself?

What is his purpose?

Su Chen thought that his strength could not help Yangmei at all, and even the saints under him could not help him. Yangmei, why on earth would Yangmei talk so much to a little scum like him?

Gaia, Leng Yue, Yin Ji and the others are also very surprised at this moment. There are more than a hundred Chaos Demon Gods?

And they are still plundering the source of heaven in the realm?

This is very scary, but they are not worried that the Chaos Demon God dares to come to the Xuantian Realm. The Heavenly Dao in the Xuantian Realm is now the tenth level of the Holy Realm. It is a dead end for the Chaos Demon God to come to the Xuantian Realm.

However, the three girls of Gaia want to I didn't understand what Yangmei was trying to do by threatening Su Chen.

Su Chen thought about it and asked Yangmei, "Yangmei, do you need me to do what you said?"

He raised his eyebrows and nodded before replying,

"Yes, Su Chen, as long as you can do one thing for Lao Dao, I will inform other Chaos Demon Gods about your Xuantian Realm. From now on, Xuantian Realm will be protected by Lao Dao. Other Chaos Demon Gods will not dare to take advantage of Xuantian Realm."

Su Chen asked doubtfully,

"whats the matter?"

Su Chen sneered when he heard the raised eyebrows,

"Tsk, raise your eyebrows, do you think I can enter the prehistoric fairyland? If you enter the prehistoric immortal world, you will be bombarded by the prehistoric heaven. If I enter the prehistoric immortal world, I will also be bombarded by the prehistoric heaven or the saints."

"Su Chen, I will attract the attention of the Heavenly Dao in the ancient world, and the Heavenly Dao will not take action against you."

"Raise your eyebrows, you can cooperate with other Chaos Demon Gods, isn't the chance of this even greater?"

He raised his eyebrows and shook his head and explained,

"No, other Chaos Demon Gods cannot know about this matter, and I cannot trust other Chaos Demon Gods."

It is impossible for Yangmei to talk to other Chaos Demon Gods about this matter. This matter is very important to him.

He is now at the eighth level of the Holy Realm, but if he wants to continue to advance,

Yangmei must find his other A small part of his body.

A small part of his body was cut off by Luo Hu's Immortal Killing Sword Formation. If Yangmei didn't recover the other half of his body, it would be impossible for him to continue to advance in strength.

If other Chaos Demon Gods knew this If this happens, those Chaos Demon Gods will definitely take advantage of his remaining body, and even expose the missing half of his body.

At that time,

Yangmei's smaller half of his body will be destroyed, and he will completely lose the other half. It is impossible for Yangmei to advance to the level of cultivation in the future. When

Su Chen heard Yangmei's words, he understood that Yangmei might not want other Chaos Demon Gods to know what he wanted to do, or even wanted to hide it from other Chaos Demon Gods.

Just what items do you want to get?

Are there any other treasures worthy of Yangmei's attention in the prehistoric fairy world? Su Chen is interested in the items Yangmei wants to get.

Su Chen touched his chin and said to Yangmei,

"Yangmei, I can help you, but not now. When my strength reaches Da Luo Jinxian, I will help you go to the ancient world to get that item."

"Okay, I can wait for you to advance to Daluo Jinxian."

Yangmei nodded and agreed.

Su Chen's strength was too poor now, and Su Chen couldn't take out half of his body. Su Chen pointed at Duobao and the Plague Demon and said, "Yangmei, these two people. If you leave it to me, the realm of heaven will be destroyed."

"up to you!"

He raised his eyebrows and looked at the Plague Demon God and Duobao Tathagata and nodded. He didn't care about the life or death of these two people at all. He didn't care at all whether the realm of heaven was destroyed or not. He raised his eyebrows and took out a small willow branch and handed it to them. Said to Su Chen,

"Su Chen, this is my token. If you are promoted to Da Luo Jin Fairy Queen, you can use this token to contact me."

Su Chen nodded and said,

"Can!"

"Su Chen, don't keep me waiting any longer. Within a thousand years, you must advance to the level of Daluo Jinxian."

Whoosh!

Yangmei disappeared after saying that.

Thousands of years?

Young Master, I will be able to advance to Da Luo Jinxian within a hundred years.

Su Chen curled his lips when he saw Yangmei leaving, an item from the ancient world of immortality?

What kind of item could it be?

Su Chen discovered The Plague Demon and Duobao Tathagata also fled quickly.

He shouted to the three Gaia girls next to him,

Chapter 2238

After Gaia and Yinji heard what Su Chen said, they quickly disappeared and chased after him.

Neither Tathagata Duobao nor the Demon God of Plague can escape, and without the Demon God of Space raising his eyebrows, it would be easy for the three of them to kill Tathagata Duobao and the Demon God of Plague.

When Su Chen saw the three Gaia girls chasing after them, he looked at the willow branch in his hand.

Willow branches?

The willow branches on Yangmei's body?

This willow branch must be raising its eyebrows to monitor itself, and may even want to know the spatial coordinates of Xuantian Realm.

Su Chen thought that Yangmei didn't know anything about the Xuantian Realm, and he didn't even know if there was a way of heaven in the Xuantian Realm. Was Yangmei trying to find out where his hometown was? laugh!

The Chaos Demon God is still some old bastard, what about items?

If Su Chen knew what Yangmei wanted to get, he would decide to kill Yangmei, the old treacherous person.

The way of heaven in the Xuantian Realm is the tenth level of the Saint "Two Ninety-Three" Realm.

As long as Su Chen leads Yangmei to the Xuantian Realm, Yangmei, that old bastard, will be dead.

Boom boom boom.....

At this time, the realm of heaven emitted violent vibrations. This was the vibration caused by the fight between the three girls of Gaia and the Plague Demon.

Su Chen looked at the discovery of the fight and said,

"In the realm of heaven, it is better to completely destroy such a realm."

Whoosh!"

"Emperor Su Chen!"

A figure suddenly appeared next to Su Chen and shouted.

When Su Chen saw the Queen Mother of the West suddenly appearing, he asked in confusion,

"Queen Mother of the West, why did you come to the realm of heaven?"

"Where is Emperor Su Chen, the Chaos Demon God of the eighth level of the Holy Realm?"

The Queen Mother of the West was very confused when she came to Su Chen.

There was only Su Chen here, and a powerful battle broke out in the realm of heaven. Could it be that the saints under Su Chen were fighting against the Chaos Demon God?

Su Chen smiled and said said,

"left!"

When the Queen Mother of the West heard what Su Chen said, she became even more confused. The Demon God of Chaos from the eighth level of the Holy Realm has actually left?

However, the Queen Mother of the West came to the Realm of Heaven to find her son. The departure of the Demon God of Chaos made her feel relieved. tone,

"Emperor Su Chen, have you found my son Wu Shi in the realm of heaven?"

Su Chen shook his head and replied

"No, I just finished talking with the Chaos Demon God. I don't know if your son is in the Heaven Realm."

"Emperor Su Chen, I take my leave. I am going to search for my son in the realm of heaven all afternoon."

"You are free to do as you like, but Queen Mother of the West, you'd better be faster. After my people kill the Chaos Demon God in the Third Heaven of the Holy Realm, the Heaven Realm will be destroyed."

"I see." Su Chen shook his head when he saw the Queen Mother of the West leaving in a hurry. Wu Shi should be in bad luck. He raised his eyebrows and said that the Plague Demon uses living beings as nutrients to restore his strength. Emperor Wu Shi appeared in the realm of heaven. He might also be refined and absorbed by the Plague Demon. Half a day later, the battle in the Heaven Realm also subsided. Gaia, Leng Yue, and Yin Ji all returned to Su Chen, and Duobao Tathagata and the Plague Demon were killed. Death. Su Chen did not look at their corpses. The Plague Demon's corpse was full of plague, and it was impossible for Su Chen to use the Plague Demon's corpse to refine some spiritual treasures. Yin Ji came to Su Chen and said doubtfully,

"Emperor of Heaven, the Queen Mother of the Wild Realm has been looking at the corpse of the Plague Demon in silence. I suspect that the Queen Mother of the West should know the Plague Demon."

"Um? And this thing? Has the spirit of the Plague Demon been destroyed?"

Su Chen was very surprised when he heard Yin Ji's words.

The Queen Mother of the West was interested in the body of the Plague Demon. Could it be that the Plague Demon had taken Wu Shi's body?

Su Chen thought it was very possible.

Wu Shi was the innate Holy Body. Fetus, although the Plague Demon God is the Chaos Demon God, he was killed by Pangu after all. Before the Plague Demon God completely recovers to the Chaos Demon God's body, he will definitely find a spare body to use first. (To read the Baoshuang novel, go to Flying Lu Novel Network!)

Yin Ji nodded and replied, "Destroyed, the spirits of the Plague Demon and Duobao Tathagata have been destroyed."

Su Chen shook his head and said,

"Forget it, we don't need to worry about the affairs of the Queen Mother, Yin Ji, you and Leng Yue will completely destroy the Realm of Heaven after the Queen Mother of the West leaves. We will wait for you in the Wild Realm."

"Yes, Emperor of Heaven!"

Yin Ji and Leng Yue nodded to Su Chen and replied.

After Su Chen sat on Gaia's shoulders, Gaia took Su Chen and disappeared into the realm of heaven.

In the wild realm, all the creatures in the realm of heaven All the armies have been wiped out. In the space passage in the sky, the Wu Clan Combat Legion and the Blackbird Combat Legion are evacuating the wilderness.

Whoosh!

After Gaia came back with Su Chen, the ruthless empress and the three sisters Su Yan relaxed. in one breath,

"elder brother!"

"Dad!"

"Dad, are you okay?"

"Father!"

Su Chen smiled at the Hater Empress and the three sisters Su Yan and replied, "I'm fine, you don't have to worry....."

Su Yan asked Su Chen,

"Dad, has the Chaos Demon left?"

Su Chen nodded and said,

"If you leave, the Heaven Realm will be destroyed soon. You three sisters can play in the Wild Realm for another three months."

"Yeah, great, dad, aunt, Aunt Gaia, we will leave first."

Su Yan was very happy when she heard Su Chen's words.

She waved to Su Chen and the ruthless empress. Su Yan took Su Yue and Elena and disappeared beside Su Chen. Su Yan was also worried that Su Chen would Regretting again, she thought it would be better to leave as soon as possible

"These three careless little girls."

Su Chen looked at the three sisters Su Yan who were leaving quickly, and he shook his head helplessly. The ruthless empress was also very helpless towards the three sisters Su Yan. She looked at Su Chen and asked,

"Brother, have you seen the Queen Mother of the West? Su

Chen nodded and replied, "Yes, the Queen Mother of the West will be back soon.""

The ruthless empress was relieved when she heard Su Chen's words.

She was worried that the Queen Mother of the West had not met Su Chen. If the Queen Mother of the West did not return to the Wilderness Realm in time when the Heaven Realm was destroyed, the Queen Mother of the West might be in danger. Fallen in the realm of heaven.

After Su Chen explained to the ruthless 5.1 empress, he took Gaia and disappeared into the sky.

Su Chen and Gaia hadn't been together for a long time, so they wanted to take advantage of this time to be gentle.

Ten days later, the wild realm also returned to peace.

In a small valley,

Su Chen, Gaia, Yin Ji, and Leng Yue stayed here for ten days. Su Chen not only enjoyed the tenderness of the female giant during these ten days, but also Even Yin Ji and Leng Yue were taken down by Su Chen. With the three female saints, although Su Chen had lived a very carefree life these days, his body was a little overwhelmed.

The giant female Gaia made it difficult for Su Chen to resist. Coupled with Yin Ji and Leng Yue, Su Chen's waist has been a little sore these days.

By the small lake,

Su Chen was sitting on the grass and resting with Leng Yue's soft waist in his arms. The Immortal Queen appeared quickly. Su Chen saluted and said,

"Master, the Queen Mother of the West wants to see the master"

Chapter 2239

Su Chen was very surprised when he heard the Immortal Queen's words.

What did the Queen Mother of the West want from him?

Could it be that the Queen Mother of the West was still worried about Wu Shi's death?

Su Chen thought for a while and said,

"Let the Queen Mother of the West come over!"

"It's the master!"

Leng Yue stood up from Su Chen's arms and straightened her clothes and said,

"Husband, I'll go find Yin Ji and Gaia first. You can talk to the Queen Mother later."

"good!"

Su Chen hugged Leng Yue, kissed her and nodded.

He really couldn't let go of Leng Yue.

Although Leng Yue looked cold, she was very passionate when she was emotional.

Su Chen fell in love with this white-haired man. The beauty loved the beauty very much.

As soon as Leng Yue left,

Queen Mother Xi came to Su Chen expressionlessly. She looked at Su Chen and shouted coldly,

"Emperor Su Chen!"

Su Chen frowned and looked at the indifferent Queen Mother of the West and asked,

"Queen Mother of the West, what do you want from me?"

The Queen Mother of the West said with a cold face,

"Emperor Su Chen, it can be said that my son was killed by your men. Shouldn't you give me a reasonable explanation?"

I'll give it a try!

Explanation?

What's the explanation?

Wu Shi has been killed by the Plague Demon, and even his soul has been devoured by the Plague Demon.

Is the Queen Mother of the West planning to make trouble unreasonably?

Su Chen looked at the cold Queen Mother of the West and asked He shook his head.

He didn't want to be the same as the Queen Mother. She probably wanted to vent because of Wu Shi's death.

Su Chen rubbed his forehead and explained,

"Queen Mother of the West, Wu Shi is dead. The Plague Demon has taken away your son's body. You should be able to tell. If you want to vent your anger, or even want to make trouble unreasonably, you can go and kill those old guys who are lingering in the ancient forbidden land to vent your anger.."

The Queen Mother of the West clenched her fists and shouted,

"My son is not completely dead yet. When your men killed the Plague Demon, they also killed my son."

Su Chen said with an ugly face.

"Queen Mother of the West, you'd better control your emotions. The Plague Demon has devoured your son's soul. What you are checking is the remaining aura of the Plague Demon, not your son Wu Shi's aura~"

"You're talking nonsense, I don't believe what you're saying"

"Queen Mother of the West, what do you want to do? Do you want to avenge your son?"

"I want you to give me an explanation."

Su Chen was also angry.

This Queen Mother of the West simply lost her mind.

Su Chen quickly used the law of space to control the Queen Mother of the West, and he cursed,

"You bastard, Mother of the West Queen, don't you want revenge? I will let you take revenge today"

"what you do?"

"I will give you a son back."

Su Chen disappeared instantly while holding the Queen Mother.

Whoosh!

Leng Yue, Yin Ji, and Gaia. After Su Chen disappeared holding the Queen Mother, they all appeared here one after another. The three girls appeared here one after another. We looked at each other and were very speechless.

"Will Su Chen bring disaster to the Queen Mother?"

"It's possible that the Queen Mother of the West made Su Chen angry."

"Su Chen just said that he would give the Queen Mother a child, so Su Chen definitely wanted to take down the Queen Mother."

After the three ladies of Lengyue talked to each other, they disappeared one after another. They couldn't control what Su Chen wanted to do, and they didn't care that Su Chen forcibly treated the Queen Mother of the West. The

Immortal Queen watched the three daughters of Yin Ji leave. , she thought for a while and disappeared.

The Immortal Queen wanted to take the initiative.

Su Chen had been hugging her these past few days.

Although they did not do anything substantial, the Immortal Queen also helped Su with her mouth. Several times in the morning, the Immortal Queen wanted to take advantage of the incident involving the Queen Mother of the West. She wanted to take her relationship with Su Chen further.

One day later, (to read Baoshuang novels, go to Feilu Novel Network!) the Queen Mother of the West was in a state of confusion. Lying lazily on the soft couch, she has no face to see people now.

An Immortal Emperor was actually insulted by a Red Earth Immortal. Thinking of what happened yesterday, the Queen Mother was filled with hatred.

Emperor Su Chen, that bastard is a Shameless pervert.

Su Chen came to the room and sat next to Xi Huangmu and said,"Xi Huangmu, get up quickly, you have been lying down all day and night."

The Queen Mother of the West hurriedly covered her body and yelled angrily,

"Emperor Su Chen, you are a shameless bastard."

Su Chen hugged Xihuang's mother, kissed her and said with a smile,

"Queen Mother of the West, don't you want me to give you an explanation? Am I not giving you an explanation? Maybe you will have another child in a few years."

"Shameless!"

The Queen Mother of the West turned red with anger when she heard Su Chen's words.

An explanation?

Is this an explanation?

This shameless bastard insulted her and even wanted to have a child by himself. Damn bastard, why doesn't this shameless Emperor of Heaven die?

Su Chen touched the fair and smooth face of the Queen Mother of the West and said,

"Come on, let me introduce you to Gaia and the others today. You will be sisters from now on."

After hearing Su Chen's words, Queen Mother Xi hurriedly shouted,"Go away, I won't see them."

"Queen Mother of the West, if you don't get up, I will carry you out?"

"you....., you go out, I will go see Gaia and the others later."

"All right!"

Su Chen nodded when he heard the words of the Queen Mother.

The Queen Mother was already his woman, and after the Queen Mother was reincarnated in the ancient fairy world, she was still a perfect body. The figure of the Queen Mother was full of mature charm. Su Chen also couldn't put it down for the soft body of the Queen Mother.

Su Chen felt that if the Queen Mother and the three girls of Gaia talked, it would be easier for women to talk together. After thinking about it, he decided to let the Mother of the West go to Yin Ji and the others. Three girls.

In the small valley,

Su Chen leaned under the big tree and thought about things.

He spent a lot of time in the wild realm, and Su Chen was also preparing to leave the wild realm.

During this trip to the wild realm, he not only After destroying Duobao Tathagata, he even got a beautiful and glamorous beauty.

Su Chen didn't come to the wild world in vain this time.

"Owner!"

At this time, the Immortal Queen came to Su Chen full of charm.

Su Chen waved his hand and shouted,

"come over!"

"Yes, master."

Su Chen hugged the hot-bodied Immortal Queen and smiled,

(

Su Chen was originally just playing around with this immortal queen who was full of temptations.

However, the immortal queen's hot tenderness and seductive charm could even satisfy any of Su Chen's requirements. Su Chen was very interested in the immortal queen. The Queen was also very satisfied.

Su Chen stroked the Immortal Queen's hair and said, "Immortal Queen, I'm going to a small world in a few days. Are you going to go with me? Or are you going to go back to the Xuantian Realm to practice?" The

Immortal Queen leaned on Su Chen's arms. He smiled and replied,

"Master, let me go to the small world with you. You also need someone to take care of you."

"All right."

Su Chen thought for a while and agreed.

He went to the Super God Small World to take revenge. He didn't need to take action personally on some things. With the Immortal Queen here, she could not only warm the bed, but she could even kill some little ones that he didn't want to take action on. Zhazha

"Master, what kind of small world are we going to?"

"A small world with angels and demons"

## Chapter 2240

In the super god world, it has been almost half a year since Su Chen left.

On the earth, the Taotie army is wreaking havoc on the earth.

The entire earth is in water-deep fire.

When the Taotie army attacks the earth, the earth has no help from angels. , Earth Super Seminary is simply unable to stop Taotie's attack, and the entire earth is about to fall.

Angel! demon!

Everyone watched indifferently as the Taotie invaded the earth.

The black-armored super warriors of the Super Seminary were dispersed, and Lieyang Star also took the opportunity to occupy the area around Juxia City.

More than 80% of the human beings on the earth have been killed or injured, and the remaining humans are just hanging on.

In the secret base of the Black Great Wall,

Dukao and some generals of the army are discussing how to deal with Taotie, but the current army equipment is simply not enough to defeat Taotie's invasion.

The Black Armored Team was also torn apart. Lena returned to the Flame Star a few months ago, Rose was missing, and the remaining members of the Black Armored Team were scattered across the earth and difficult to recall.

In the conference room, a general asked Ducao,"Admiral Du, were it really the people from the Sun who invaded Juxia City half a month ago?"

"Yes, this has been confirmed."

Duccao nodded and was very helpless.

The gluttonous army of Death God Karl was difficult to deal with, but the invasion of the Lieyang Star left him even more helpless.

Although the Lieyang Star has not yet gone to war with humans, the Fiery Star occupies a huge area. The area around Xia City, this shows that the Blazing Star also wants to take a share of the pie on the earth.

"What about the Black Armored Team? What about super soldiers? Why haven't they gathered yet?"

Dukao shook his head and replied,

"Everyone, Earth's communications have been cut off by Taotie. It is very difficult for us to contact the members of the Black Armored Team. We cannot gather the Black Armored Team until communications are restored."

A general asked Dukao doubtfully,

"General Du, where is the angel? Isn't the angel civilization a righteous civilization in the universe? Angels have appeared on the earth. Why didn't those angels help our earth?"

Dukao said with an ugly face,

"Angels will not interfere with things on earth, and we do not need to expect angel civilization to help earth."

Angel?

Angel has broken with the Super Seminary.

The teacher of the Super Seminary, Ruizi, was killed by Angel Yan. The Angel Legion did not take the opportunity to start a war. This is already good news.

Su Chen!

All this is because of Su Chen!

Dukao did not expect that the consequences of Ruiz's robbery and murder of Su Chen would be so serious. The demon destroyed the base of the Super Seminary, and the angels completely broke with the Super Seminary. These consequences were all things that Dukao did not expect.

"Restore communication as soon as possible. If communication cannot be restored, the earth will really be over."

Outside the earth, the Angel Nebula's Sky Blade No. 7 combat body and the Demon No. 1 combat body are hidden in space.

Su Chen's disappearance allowed the demon and angel to temporarily put aside their hatred. Morgana and Angel Yan are both there. Searching for information about Su Chen on the earth.

But after almost half a year, there is still no news about Su Chen. Morgana can't help but attack the Super Seminary.

In Devil No. 1,

Morgana and Angel Yan are in contact

"Angel Yan, if we haven't found the news about Su Chen, the devil will attack the Super Seminary, and you angels will attack Lieyang Star."

"Morgana, I will not attack the Flame Star without the Queen's order."

Morgana cursed angrily when she heard Angel Yan's words, "Bichi, how long does Kesha have to wait for that Bichi? It's been half a year, does Kesha still have to wait?"

Angel Yan looked at the angry Morgana on the screen. She was also very helpless. However, without Queen Kesa's order, Angel Yan had no right to launch a war against the Lieyang Star.

Besides, (for reading Baoshuang novels, go to Feilu Novel Network!)

The scumbags have begun to gather.

Hua Ye even colluded with the god of death, Karl. Angel Nebula also wants to be prepared for the scumbags' comeback.

Angel Yan looked at Morgana on the screen and rubbed his forehead and said,

"Morgana, Tianzha has been very active recently, and Tianzha has also appeared on the earth. Queen Keisha suspects that Hua Ye has joined forces with the God of Death, Karl. We, the Melo Heavenly Court, have to guard against Tianzha attacking the Angel Nebula."

Morgana was shocked when she heard Angel Yan's words,

Tianzha?

It's been more than 30,000 years.

Morgana has long forgotten about those scum.

She didn't expect Tianzha to have a connection with the god of death, Karl. Morgana guessed that Karl, the god of death, wanted to use the scum to deal with the angels.

If this was the case,

Karl, the god of death, would definitely provide the scum with the technology and resources to advance to the divine body, and the scum would become a huge threat in the future.

Morgana Na became even more angry when she thought of this, "Scumbag? Huh, this is all what Kesha's bitch asked for. Those scum should have been eradicated from the beginning."

"exile? Exile is of no use. If all the Tianzha legions are gathered again by Hua Ye, coupled with the technology and resources provided by Death God Karl, Tianzha will become stronger again. By then, Tianzha will definitely want to capture the Angel Nebula again. Angel

Yan said with a serious face, "Morgana, wait another month. If we haven't found Suchen on Earth, I will convince Queen Kesha to launch a war.""

Morgana nodded and said coldly,

"Okay, I will wait for another month. If Su Chen is not found after one month, the devil will launch an attack on Super Seminary. As for Lieyang Star, you angels can figure it out."

Ding!

After Morgana closed the video communication, she looked at the expressionless Rena next to her.

Morgana sat next to Qiangwei and asked, "Qiangwei, you heard what I just said, have you thought about it? Said?"

"No!"

Qiangwei shook her head and looked at Morgana.

Ever since she was brought to Demon No. 1 by Morgana, Qiangwei knew a lot of things.

Moreover, the practices of the Super Seminary made her very disgusted. She couldn't control it. He wanted to be killed.

Su Chen saved Tianhe City, but the Super Theological Academy actually wanted to kill Su Chen. Such a Super Theological Academy was not the Super Theological Academy she thought at all.

Aliens?

The Super Theological Academy was actually... The aliens are in control in order to cultivate super warriors on the earth. All super warriors are remnants of the Deno civilization.

Morgana looked at Rose inside and shook her head and said, "Rose, I know you have always wanted to go. Earth, you are now a third-generation super soldier. Go to Earth tomorrow."

Qiangwei asked suspiciously after hearing Morgana's words.

"Do you really let me go?"

Morgana waved her hand and replied, "Leave, I have told you everything. As long as you are no longer used by Dukao, you can do whatever you want."

"Morgana, I will search for Suchen on the earth, and I will not be.... Reused by Super Seminary"
