Chapter 2271

Angel Leng was very speechless when she heard the words of Tianji King Hexi. She did not expect that Hexi had been checking here. who is it?

Who is sharing the screen with Tianji King Hexi Hexi?

No, since Tianji King Hexi is checking here, where is Queen Kesha?

Could it be that Queen Keisha has been checking here too?

Angel Leng watched Angel Yan and Angel chasing several angels. The only ones who could contact Queen Kesha were high-level angels and guardian angels. Who is sharing the genetic system screen with Queen Kesha?

At this time,

Kesha's voice came from the angel system,

"Angel Leng, don't look around and don't let Su Chen find anything unusual."

"Yes, Queen!"

Angel Leng hurriedly replied in the angel system.

She is now convinced that there are really angels here sharing the screen with Queen Kesha and King Tianji. Everything that happens here is being viewed by Queen Kesha.

Angel Leng looks at To Su Chen who was talking to several girls, she said sorry to Su Chen in her heart.

She could not ignore Queen Kesha's 28 orders. Angel Leng would find a way to let Su Chen upgrade a few more Sky Blade warships in the future.

At this moment,

Su Chen said seriously to Angel Yan and the girls,

"Angel Yan, Lianfeng, Morgana, the twelve of you are divided into six teams, two people per team"

"There are still more than ten ferocious beasts coming to your world this time. Even if some low-level ferocious beasts have been killed, there should still be some ferocious beasts that have not been killed."

"The two of you can work as a team to kill those ferocious beasts, which will allow you to quickly master the fifth-generation divine body."

Lianfeng frowned when he heard Su Chen's words and said,

"Su Chen, we have no way to find those ferocious beasts. If we search randomly in the universe, it will waste a lot of time."

Su Chen took a sip of wine and said,

"Don't worry, I'll let Phoenix find the ferocious beasts for you, and you just have to kill them."

Angel Yan nodded in agreement and said,

"Okay, then we will divide ourselves into teams."

The other women also nodded in agreement.

Killing powerful ferocious beasts will indeed allow them to quickly master the power of the fifth-generation divine body, and will also increase their experience in killing ferocious beasts in the future. This will be very important to them. It's a good experience

"Qiangwei, we are a team!"

Morgana hurriedly grabbed Qiangwei and said, she didn't want to team up with the angels, nor did she want to team up with people like Lianfeng. Among these people, only Qiangwei and her appetite were the only ones. After all, Qiangwei's space-time gene was researched by her, and Qiangwei stayed with her for more than half a year

"I....."

"Your objection is invalid!"

Morgana saw that Qiangwei was about to object, and she hurriedly stopped what Qiangna was going to say.

Morgana didn't want Qiangwei to object to being on her team, and she couldn't let Qiangwei object.

Qiangwei looked at Morgana and was very speechless. , she looked at the other women around her, and after thinking about it, Qiangwei decided to team up with Morgana.

Qiangwei knew that Morgana's identity was not to be dealt with by angels, and she was not familiar with Reina and the other girls.

Qiangwei could only Team up with this Demon Queen.

The other girls also quickly formed teams,

Angel Yan and Lianfeng teamed up, Angel Chai and Angel Qingqing teamed up, Angel Lingxi and Angel Keila teamed up, Angel Leng and Angel Ruoning's team, Reina and Qilin's team.

When Su Chen saw that the girls had formed a team, he ordered the Immortal Queen,

"Phoenix, you are responsible for finding ferocious beasts for them!"

"Yes, master!"

Su Chen hugged Angel Leng and sat down again and said, "Okay, you will set off tomorrow. Let's all have a good rest today."

"Let's go outside to see the changes in Tianren No. 7."

Angel Yan said to Su Chen, (to read Baoshuang novels, go to Feilu Novel Network!)

She took the Angel Chase girls and disappeared into the control room.

Morgana also disappeared quickly.

She also wanted to Su Chen upgraded her Demon One, and she also wanted to know more about the Heavenly Blade Seven.

After Qiangwei and Reina looked at each other, the four of them disappeared into the control room one after another. The power of the Heavenly Blade Seven They also want to know about the changes.

And this is in outer space.

They can now walk in outer space without Su Chen taking him with them. The Qiangwei girls also want to see the scenery in outer space.

Angel Leng saw the other girls leaving,

She smiled at Su Chen and said,

"Su Chen, just upgrade a few Sky Blade warships. I know you still have immortal materials."

Su Chen rolled his eyes at Angel Leng and said, "Leng, could this be Kesha contacting you?"

"No, no, how could the Queen know about the changes in Tianren No. 7?"

"Tsk, you still want to deceive me? Kesha has been snooping around here and I can't believe Kesha hasn't contacted you."

Angel Leng didn't expect that Su Chen knew that Queen Kesha was checking here.

She rubbed her forehead and felt a little helpless.

Since Su Chen guessed that it was Queen Kesha's intention, Angel Leng was worried that Su Chen would not help upgrade the Sky Blade Battleship.

"Su Chen, you also know that our world is about to face the invasion of the realm of ferocious beasts. The angels in the Merlot Heaven are all beautiful angels. Do you want the beautiful angels to be killed by ferocious beasts?"

Su Chen stroked Angel Leng's hair and said,

"Leng, what does the angel of Merlot have to do with me? I only care about you and Angel Yan, how many girls Angel chases, other angels have nothing to do with us."

"Su Chen, if you have any conditions, as long as they are not excessive, I think the Queen will agree to it."

Su Chen's eyes lit up when he heard what Angel Leng said.

Condition?

This is possible.

Su Chen deceived Angel Leng about his identity. He was still thinking of ways to deal with Angel Leng and Angel Yan just now.

Now that he has this opportunity,

Su Chen Decided to use this opportunity to get Angel Leng,

"Conditions? I don't need your queen's reward, Leng. As long as you agree to my three 660 conditions, I can upgrade another Sky Blade battleship."

"you say?"

"First, you are not allowed to be jealous or opposed to the relationship between Angel Yan and me."

Angel gave Su Chen a cold look.

Angel Yan will definitely be with this bastard in the future. She has no intention of stopping him at all.

"Inglorious Basterds, I agree."

Su Chen smiled and continued,

"Second, I deceived you and Angel Yan about some small things. You are not allowed to settle accounts with me in the future. I only deceived you about some trivial things."

When Angel Leng heard that Su Chen had deceived her, she was very unhappy.

However

, if it was a trivial thing that deceived her, and Su Chen had spoken out frankly now,

Angel Leng felt that this bastard could still be forgiven.

"Is it really a small thing?"

"Really, I didn't lie to you."

Angel Leng nodded and agreed,

"Okay, as long as it's a small matter, I won't settle a score with you. What's the third thing?"

Su Chen lay down next to Angel Leng's ear and whispered, "Third, cough, third, Leng, we will be together later....."

After Angel Leng heard Su Chen's whisper, she was so angry that she wanted to strangle this shameless bastard to death, with her mouth?

This shameless bastard, is he trying to disgust her to death?

"Inglorious bastard, don't even think about it!".

Chapter 2272

Su Chen didn't pay attention to Angel Leng's scolding. He must have Angel Leng serve him once tonight.

Angel Leng wanted him to upgrade the Sky Blade Battleship, and she couldn't refuse.

Moreover, this was the order of Kesha, that flat-chested girl. Angel Leng would even think of ways to upgrade himself to the Sky Blade Battleship.

Su Chen took out a jade bottle and handed it to Angel Leng and said,

"Leng, there are four drops of life spirit liquid in this. Every time the angel army takes a spiritual bath for thousands of people, you should drop a drop of life spirit liquid."

"Okay, leave this to me"

"Cold, don't forget what happened tonight"

"Inglorious bastard, stop dreaming."

Angel Leng was originally a little happy that Su Chen upgraded to the Angel Legion, but when she heard Su Chen's words, she immediately left with a red face.

Angel Leng was very helpless to Su Chen, a shameless pervert, but

Angel Leng thought of Kesha The queen said that she was also very helpless. She wanted Su Chen to upgrade the Sky Blade Battleship. If Angel Leng didn't agree to Su Chen's request, that bastard would definitely not agree easily.

However,

Angel Leng thought of doing that disgusting thing , she wanted to strangle that shameless pervert to death.

At this time, outside 987 Tianren No. 7,

Angel Yan and the girls checked the changes of Tianren No. 7. They were all talking to each other next to them.

The appearance of Tianren No. 7 Nothing has changed, but even with their fifth-generation divine bodies, they were unable to destroy even one corner of it. This gave them a new understanding of the powerful defense of Sky Blade Seven.

"Huh? Why is there another huge fleet heading towards the earth?"

At this time,

Angel Chase suddenly looked to one side of the space and said.

Morgana checked it and said,

"They are Sirians, and they are also Carl's lackeys. The Sirians should also join in the invasion of Earth."

"Invading Earth?"

When Qiangwei heard Morgana's words, she was very surprised.

The earth has been occupied by the Taotie fleet.

If these Sirius fleets also join in the invasion of the earth, the earth will be really doomed.

Qilin looked serious. said,

"Rose, let's kill Sirius's fleet. This huge alien fleet will never be able to reach the earth."

Qiangwei nodded and agreed, "Yes, let's kill Sirius' fleet."

"This(cicb).....Should we inform Su Chen?"

Lianfeng asked hesitantly.

She didn't care about Sirius's fleet at all.

These women are all fifth-generation gods. Any one of them can destroy this huge fleet.

However, these women are now with Su Chen Together, Lianfeng thought it would be better for them to inform Su Chen before doing anything.

Qiangwei waved her hand and said,

"No, that shameless bastard left Angel Leng behind. He doesn't know what bad things he's doing yet, so we don't need to bother that bastard."

Leina raised her hand and shouted, "Then let's go, I want the Sirius people to see the power of the Sky Sun Goddess."

Qilin, Qiangwei, and Lianfeng looked at each other. They nodded and quickly flew towards the Sirius fleet. They didn't want to see Rena acting crazy.

"Hey, wait for me!"

Reina saw the three Qiangwei girls leaving quickly, and she hurriedly chased after them.

"Boring game!"

Morgana was very disdainful when she saw the four Rose Girls going to kill Sirius's fleet.

The four main gods of the fifth generation of gods went to kill the newly emerging cosmic civilization. Isn't this using a cannon to kill mosquitoes?

Angel Yan looked at Morgana and said provocatively,

"Morgana, do you want to give it a try?"

Angel Yan has always wanted to deal with the Demon Queen Morgana.

Her strength was not good before.

This time she was upgraded to the fifth generation divine body by Su Chen. She and Morgana are now at the same level. Angel Yan just wants to fight Morgana once. , she wanted to know the difference in strength between Liang Bing and the Apocalypse King.

Morgana looked at Angel Yan and mocked, (To read Baoshuang novels, go to Feilu Novel Network!)

"Angel Yan, don't think that you can challenge me by upgrading to the fifth-generation divine body. You are not my opponent yet."

"You can only know that if you fight it"

"Forget it, I am a man who is tens of thousands of years old and don't want to deceive a little girl."

"you....."

Angel Yan was very speechless when he heard Morgana's words, little girl movie?

She is an old angel who is over 8,000 years old, but Morgana is much older than her.

After all, Morgana is the sister of Queen Kesa, an old angel who is more than 30,000 years old.

No, it's a demon that's over 30,000 years old.

Boom boom boom.....

At this time, there were loud explosions in the distance.

Angel Yan and the others looked at them without paying attention. They all knew that the four rose girls had begun to attack the Sirius fleet. It might not take long before the Sirius fleet would be completely destroyed.

When night came, the space was still the same.

The girls also returned to Tianren No. 7.

The four Qiangwei girls returned to Tianren No. 7 excitedly.

For half an hour, the four girls were useless. Hundreds of warships were destroyed in half an hour, and this was because they did not use all their strength. They are very satisfied with their current strength.

"Damn it, Karl actually wants to hold a theocratic meeting?"

In Sky Blade No. 7,

Morgana was talking to Qiangwei. She suddenly received the message from Karl and shouted.

Angel Yan also stood up at this moment and said,

"Morgana, I also received news from the queen, and Karl also informed Queen Keisha."

Su Chen heard what Morgana and Angel Yan said.

After thinking about it, he felt that Carl wanted to distribute the interests of the earth.

The four Rose Girls had just destroyed the Sirius fleet.

Su Chen felt that Carl could not occupy the earth in a short time. This It is a theocratic conference that wants to carve up the earth.

Morgana looked at Su Chen and said,

"Su Chen, I have to leave for a while, I will arrive on time tomorrow"

"Can!"

Angel Yan also said to Su Chen,"Su Chen, Zhi Xin and I have to leave for a while. The Queen informed us that we are going to attend the theocratic meeting."

"Go ahead, don't delay tomorrow's trial"

"We will come back as early as possible tomorrow."

At this moment,

Reina shouted angrily,

"The Theocratic Council didn't notify me? At the very least, I am also the main god of the Sun Star. Damn it, Karl. Are you looking down on me, the Sun Goddess?"

Su Chen curled his lips and mocked,

"goddess? Women are crazy! Lena, don't forget, you are just a puppet god."

Leina said unhappy when she heard Su Chen's ridicule,

"Humph, Su Chen, I am now the fifth generation divine body. I can defeat Pan Zhen with one hand."

Chapter 2273

Su Chen ignored Reina, a crazy woman. He had important things to do tonight.

Angel Leng is not here, that girl must be avoiding him, but in Tianren No. 7, can Angel Leng avoid him?

"Everyone, go and have a rest. You will have to practice killing ferocious beasts tomorrow. Recharge your batteries tonight."

"good?"

Lianfeng nodded and left with Qiangwei and the girls.

The angels chasing these angels don't need to rest at all, but for tomorrow's trial of killing ferocious beasts, they also have to ensure that they are in the best condition.

"Owner!"

After the Lianfeng girls and Angel Chase left, only Su Chen and the Immortal Queen, Angel Ruoning, were left here. The Immortal Queen leaned on Su Chen's arms and cried out charmingly.

Su Chen touched the Immortal Queen's delicate little body. Face smiled and said,

"Phoenix, do you want your master to love you?"Eight-nine-three"" the Immortal Queen seduced Su Chen and said,"Master, I just want to serve the master!"

"Ha ha....."

Su Chen hugged the Immortal Queen and disappeared into the room.

It would be nice to have a dessert before the big meal.

The Immortal Queen was so tempting that Su Chen couldn't help but want to eat her.

Angel Ruoning watched Su Chen leave with the Immortal Queen in her arms, and she had some thoughts in her mind.

The Immortal Queen had the same status as her.

The Immortal Queen could be tempted to serve Su Chen, and so could she. Angel Ruoning had returned to her youth. With her beautiful face, she didn't believe that Su Chen would not be able to resist attacking her.

Xuantian Realm,

Merlot Heaven. The two saints Nuwa and Gaia, as well as the recently sanctified Xihe, Chang Xi, Queen Mother of the West, and the Queen Mother, plus Concubine Yan and Jing salamander, these women all sat together and frowned.

They all received the news from Su Chen, the realm of ferocious beasts?

The Beast King is rebellious?

After they learned about the first ferocious beast catastrophe in the prehistoric times, the girls were still undecided. The ferocious beast realm was definitely stronger than the Xuantian realm, and even the strength of the Beast Emperor Shenni would be even stronger.

"what should we do? Want to start a realm war?"

"I don't think we can launch a realm war. The Xuantian realm has just developed, and our saints may not be as powerful as the Beast Emperor and God Ni. We should develop for another thousand years before launching a realm war."

"What about the super-god world? Do we give up?"

"A Zhongqian World, even if we give up, it will have no impact on the Xuantian Realm. Besides, the Supergod World is not an affiliated world of the Xuantian Realm. There is no need for us to put the Xuantian Realm into crisis for the sake of a Zhongqian World."

"That's right, but since Su Chen asked us to discuss it, does that bastard want to start a realm war?"

"No, although Su Chen is unconventional, he will not do it in the face of powerful dangers."

"It is a pity for us to give up on a Zhongqian World, but for the Xuantian Realm, the space passage of the Supergod World, we must seal it in time."

After Nuwa and her daughters discussed it, they all decided to give up the world of super gods.

The war between the Xuantian Realm and the Fierce Beast Realm cannot be started now.

The Beast Emperor Shen Ni is an unknown and powerful enemy. They are the most powerful among the saints. At the fifth level of the Sacred Realm, there is no chance of winning in launching a realm war now.

Concubine Yan rubbed her forehead and said,

"Well, let's do this. Tomorrow we will notify Yin Ji and the saints to discuss it together. If Yin Ji and Leng Yue and the saints object, we can only give up the super god world."

The Queen Mother nodded and said,

"Well, that's good. The six saints Yin Ji and Zi Yun will be a family with us in the future. We should let them participate in this discussion. Nuwa thought for a moment and then reminded,

"Unexpectedly, the Beast King Shen Ni also revived. In this way, the invasion of extraterrestrial demons faced by the prehistoric fairy world may be the realm of Demon Ancestor Luohu. Demon Ancestor Luohu must definitely want to take revenge on the prehistoric fairy world."

"possible!"

The other girls also nodded. (To read Baoshuang novels, go to Feilu Novel Network!)

They felt that more and more Chaos Demon Gods were resurrecting, the Space Demon God appeared with raised eyebrows, and more than a hundred Chaos Demon Gods had already appeared. Resurrection, and even other Chaos Demon Gods may be recovering, and those Chaos Demon Gods should be recovering quickly. In the future Chaos World, boundary wars may be more cruel and more frequent.

Nuwa vs. Yan The concubine said,

"Concubine Yan, you ordered the two divine combat legions to prepare for war at any time. We must also prevent emergencies from happening. Concubine Yan nodded and asked worriedly,

"I understand, Sister Nuwa, in the world of super gods, should we send some strong people there? I'm worried that something unexpected will happen to my husband....."

Gaia stood up and volunteered, saying,

"Let me go, as long as I am here, nothing will happen to your husband! Xihe shook his head and persuaded,

"No, Gaia, you still have to go to the Western Realm. Although the Western Realm has been completely captured by us, there are some fish that have slipped through the net in the God system. Hera and the others cannot find where those gods are hiding for the time being. This requires you to go there. Kill those fish that slipped through the net"

"this.....,All right!"

Gaia thought about it and stopped insisting.

The Western Realm is her world. Gaia knows the Western Realm very well.

With her going to the Western Realm, the fish that have slipped through the God system will be found quickly. The Western Realm The realm will also be completely ruled by the Xuantian realm.

Chang Xi looked at the women and said helplessly,"We all have things to do, who will let the super-god world pass? Queen Mother Xi thought for a while and then said,

"Let Yin Ji pass. Yin Ji is now in the third level of the Holy Realm. She should be able to protect Su Chen."

"Okay, let Yin Ji go to the super god world to protect Su Chen!"

Nu Wa and Yan Concubine all nodded. With Yin Ji by Su Chen's side, they don't have to worry about Su Chen's safety.

Bang bang bang!

Yan Fei clapped her hands and shouted,

"You Ruo!"

"Queen!"

A woman in black tights appeared in an instant and saluted.

Concubine Yan ordered with a serious face,

2.5"Youruo, give me an order to order the Demon Clan Combat Legion and the Witch Clan Combat Legion to be ready for war at any time. Also, order Huang Rong's Southern Combat Corps is also preparing for war"

"Yes, Queen!"

Jing Salamander looked at Youruo who disappeared and said,

"You Ruo's level of strength is not bad. This time he can be promoted to Taiyi Golden Immortal. The Shadow Assassin will no longer play tricks in the future. Concubine Yan smiled and replied,

"The Shadow Assassins with the lowest strength are all Xuanxian. Su Chen not only let the Holy Soul of the Heaven Ladder improve the realm of the Shadow Assassin, but also provided a large number of resources in the Xuantian Realm to the Shadow Assassin. It is impossible for the Shadow Assassin to become stronger."

In the world of super gods, in Tianren No. 7,

Angel Leng kept gargling her mouth, and she cursed at Su Chen next to her in shame and anger,

"Su Chen, you shameless bastard, I will kill you soon!".

Chapter 2274

Angel Leng wanted to kill this shameless bastard immediately.

She hid in a secret vault of Tianren No. 7, but this bastard still found her.

Even in this secret vault, this bastard made him do those disgusting things.

Angel I feel very regretful just thinking about it.

She just did that thing by mistake. Maybe she was Su Chen's woman, and Angel Leng did this to fulfill her wife's responsibilities. Maybe she wanted Su Chen to upgrade the Sky Blade Battleship.

But no matter what,

Angel Leng did this disgusting thing, and now she regrets it to death.

Su Chen hugged the angry Angel Leng and said with a smile,

"Leng, this is a couple's love affair. If you don't believe it, you can check it out when you get to Earth."

The angel stared at Su Chen coldly and shouted angrily, "Stay away from me, I don't want to see you now!"

Su Chen touched Angel Leng's ponytail and shook his head and said,

"That's not okay. You are my woman. We have to sleep in the same bed tonight."

"Su Chen, if you dare to let me do such a disgusting thing again, you will be dead."

"Talk about it later, talk about it later"

"you.....vomit vomit vomit."

When Angel Leng heard Su Chen's ambiguous words, she was so angry that she opened her mouth to bite this bastard to death.

But as soon as she opened her mouth,

Angel Leng felt very sick. She hurriedly took a water glass and gargled her mouth quickly.

"hehe....."

Su Chen hugged Angel Leng's small waist and laughed. Angel Leng was really cute. She wanted to bite herself just now, but she may have thought of what she had done before and felt sick again.

In the middle of the night,

Su Chen and Angel Leng returned to the room.

Angel Leng leaned on Su Chen without any strength. She was about to be tortured to death by Su Chen. Although she felt very good being with Su Chen, she really Unable to deal with Su Chen

, Angel Leng wanted Su Chen to deal with Angel Yan quickly, so that she would be relieved.

Su Chen hugged Angel Leng and lay on the bed and asked,"Leng, do you think your world can resist the invasion of the beast realm?"

Angel Leng leaned in Su Chen's arms and whispered,

"No, the ferocious beast realm is too powerful. The ferocious beast we killed today was just cannon fodder."

"But a ferocious beast cannon fodder is so powerful that it will be very difficult for the king-level gods in our world to deal with it. If the ferocious beasts of Taiyi Jinxian or even the ferocious beasts of Daluo Jinxian come to the ferocious beast realm, our world will definitely be destroyed. destroy."

Su Chen touched the angel's cold and smooth face and said,

"Leng, have you decided to leave me? I can take you and Yan, Angel Zhui and Qiangwei and the others away together, and you can go to the Xuantian Realm with me."

After Angel Leng heard what Su Chen said, she looked at Su Chen and shook her head.

Angel Leng also wanted to leave with Su Chen.

If their world had not been invaded by the beast realm, Angel Leng would have retired and left with Su Chen..

But their world will be invaded by the beast realm soon.

It is impossible for Angel Leng to leave at this time.

She will not abandon the other angel sisters and leave, nor will she leave when Queen Keisha needs her.

"Su Chen, I want to leave with you, but I can't leave with you at this time. The invasion of the ferocious beast realm is imminent. In the Merlot Heaven, all the retired old angels have returned."

"All angels will save their last drop of blood for Queen Keisha. They will fight to death for Merlot Heavenly Court and for Queen Keisha. I am an angel, an angel from Merlot Heavenly Court. I cannot escape from the battlefield, nor can I. Will not turn her back on Queen Keisha."

When Su Chen heard what Angel Leng said, he sighed in his heart.

Angel Leng had made such a decision. This was within his expectation. Not only Angel Leng, but also Angel Yan and Angel chasing those few angels. It is possible to leave the super-god world.

Even Lianfeng and Qiangwei, they cannot leave the super-god world. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen is in a very difficult situation now.

Angel Leng and these women If they stay in the Super God World, they will be dead in the future.

Angel Leng and Angel Yan are both powerful in the Heavenly Immortal Realm. They are cannon fodder to the Fierce Beast Realm.

"Leng, do you want me to send troops to help your world?"

Angel Leng touched Su Chen's face and shook his head and replied,

"No, I don't want you to send troops to help our world"

"You said that the Xuantian Realm is no match for the Fierce Beast Realm, and your army will suffer heavy casualties when it arrives. I don't want to see your army suffer huge damage in order to save a hopeless world."

Angel Leng was very moved when he said these words to Su Chen, but after all, Su Chen is not the Emperor of Xuantian Realm, and Su Chen's army cannot be the most powerful army in the Xuantian Realm. The fierce beasts in the Ferocious Beast Realm are The beast is very powerful, and

Su Chen's army will suffer heavy casualties when it arrives, which may be very detrimental to Su Chen.

If Su Chen's army suffers heavy damage in her world, he may also have a difficult time in Xuantian Realm in the future. ,

"I see!"

Su Chen lay on the bed hugging Angel Leng and closed his eyes.

He had already made some decisions in his heart.

Although Su Chen had not yet made up his mind to launch a realm war, he had some ideas.

In the super god world, he can save He just rescued her once.

If there was really nothing he could do,

Su Chen could only force Angel Leng and Qiangwei to leave.

In the outer space of the earth, in a Taotie flagship, there were the God of Death Carl, Demon Queen Morgana, Angel Queen Kesa, Lie Pan Zhen from Yangxing, and a bald old man, all sat at a round table and looked at each other.

Carl, the God of Death, stood up, looked at the people around him, and said,

"Everyone, in this theocratic meeting, I want to inform you of something, something related to the life and death of our universe. Before I talk about this matter, please take a look at the recording screen."

In the conference room, a light screen projection appeared in the middle of the round table. The main gods sitting there all looked at the light screen projection screen.

In the screen, a huge monster was ravaging a planet.

In just one hour, the planet Tens of millions of creatures in the planet were massacred by monsters. All the technological weapons on the planet were ineffective against the monsters, and could not even injure the monsters.

Angel Yan and Angel Zhixin stood behind Queen Kesha, and she saw the picture After the monster inside.

Angel Yan said in the Angel Gene System,

"Queen, this is a ferocious beast, a ferocious beast that has overcome the calamity realm."

Chapter 2275

Queen Kesha waved her hand when she heard Angel Yan's words.

Of course she knew that the monster in the picture was a beast.

There were more than ten beasts in their world this time. Queen Kesha guessed that Karl also encountered a beast.

However, this is just a ferocious beast with low strength.

Queen Keisha somewhat guessed Karl's purpose.

At this theocratic meeting,

Karl might say that these are void monsters, or even say that void monsters have invaded their world.

Morgana curled her lips as she looked at the screen.

A low-level beast had something to show off.

She had killed an Earth Immortal-level beast today.

Among the people around the round table, only Pan Zhen looked at the picture with a surprised expression. Karl, Morgana, Queen Kesa, and even the bald old man, none of them were surprised when they looked at the ferocious beast on the picture. "Two, three, zero,"

Carl said after looking at a few people, "I think some of you have encountered this kind of monster."

Morgana asked carelessly, "Karl, what do you want us to see these monsters for?"

Morgana didn't say that the monster was a ferocious beast. Now she wanted to see what Carl, the conspirator, wanted to do.

"Carl, what is the monster in the picture?"

Pan Zhen's face was a little ugly at the moment.

Among the few people here, he was the only one who didn't know about this monster. The others looked like they had known about it for a long time. This made Pan Zhen feel like he was an idiot here.

Morgana He looked at Pan Zhen and mocked,

"Pan Zhen, you are not supposed to attend this theocratic meeting of Lieyang Star. If I remember correctly, the main god of Lieyang Star should be that little girl Reina. You are just the general of Lieyang Star. You are qualified to sit on an equal footing with us. Is it here?"

After Pan Zhen heard Morgana's words, he was very angry.

Lena had escaped from the Sun Star. He has not found any news about Lena until now. During this theocratic meeting,

Lena was found by him. ,

Pan Zhen will not let Reina attend,

"Hum, this is the matter of our Lieyang Star. I represent the Lord God of the Lieyang Star to attend the theocratic meeting. Demon Queen, do you still want to care about our Lieyang Star's affairs?"

Morgana crossed her legs and sneered, "Hey, Sun Star?" The Lieyang Star won't exist for long. Pan Zhen, if you have the time, you'd better prepare to make funeral arrangements."

Morgana has not forgotten about Lieyang Star's attack on Su Chen.

Although Angel Yan killed one of Lieyang Star's heavenly guardians, Su Chen has returned to their world.

Su Chen may not care for Reina's sake. The Lieyang Star will be destroyed, but both Pan Zhen and the hidden Sun Emperor Hongkun will die.

"you....."

When Pan Zhen heard Morgana's words, he looked at Queen Kesha.

Pan Zhen might not care about Morgana, but he was very cautious about Queen Kesha.

Queen Keisha is known as the King of the Gods and the strongest person in the entire universe.

The relationship between Angel and Lieyang Star has not been good recently.

It can even be said that Angel will launch a war against Lieyang Star at any time. All this is because of Su Chen. Pan Zhen still has not figured out what the relationship between Su Chen and Angel is.

Kesha saw Pan Zhen looking at her, her eyes flashed, boom! puff!

Pan Zhen suddenly felt a strong attack. He was so shocked that he vomited blood and took a few steps back.

So powerful!

Is Queen Keisha really the fourth generation of divine beings? (To read cool novels, go to Feilu Novel Network!)

How can he be so powerful?

A quasi-king-level person like me was shocked to the point of vomiting blood in an instant?

Pan Zhen looked at Queen Kesha with a shocked expression. He could not believe Queen Kesha's strength.

Queen Kesha shook her head and warned, "Pan Zhen, a retainer must behave like a retainer. It is a taboo to do anything below, and you will be punished if you do too much."

Pan Zhen asked with a surprised look on his face,

"Queen Keisha, what do you mean?"

Queen Kesha waved her hand and reminded,

"Pan Zhen, you should understand that Reina is the main god of the Lieyang Star. You have gone too far in some things. Also, go back and tell the Sun King Hongkun that it is better for people who should have died long ago to die."

The people around the round table looked at Queen Kesha in surprise.

They did not expect that Queen Kesha would instantly vomit Pan Zhenzhen's blood. Pan Zhen was a quasi-king-level god no matter what, and it was impossible for them to do so in an instant. Pan Zhenzhen vomited blood.

Damn it!

Did Kesha, this Bichi, also upgrade to the fifth generation divine body?

This Bichi!

Couldn't I be able to fuck Kesha, this Bichi in the future?

Morgana was very speechless at the moment,

Angel Yanhe Angel Leng and the other six angels are all fifth-generation divine bodies. Kaisha, Bichi, has also been upgraded to the fifth-generation divine body.

Morgana was very depressed when she looked at Keisha.....

Pan Zhen sat down again with a gloomy look on his face. He did not expect that Queen Kesha knew that the Sun King was not dead. This time she was really in trouble. The Sun King would become the target of public criticism in the future.

Karl stood up and said,

"Everyone, put your grudges aside for now, let me talk about this monster first. The bald old man asked Karl expressionlessly, "Karl, do you want to say that this monster is a void monster?"

Karl nodded and replied,

"Yes, Elder Sanchez, this is the monster that came from the void world. You have all encountered this monster, and you should understand how powerful these monsters are."

Karl still has some respect for this bald old man, but only a little respect.

Sanchez is the great elder of the Super Seminary and a powerful king-level main god. However, if Elder Sanchez dares to block his way, Carl will kill Sanchez. Elder.

Bald Sanchez asked coldly and arrogantly, "Karl, what exactly do you want to say at this theocratic meeting?"

Karl said with a serious face,

"Pangu Civilization, Pangu Civilization on Earth, I know you all know that with the emergence of void monsters, we don't have much time, so I decided to work with you to find Pangu Civilization on Earth."

Morgana said mockingly,

"Hey, Carl 3.8, Pangu civilization is just a legend. If there really was Pangu civilization on the earth, the earth would have become a powerful cosmic civilization, and even the main god would appear."

Karl shook his head and explained,

"No, Morgana, Pangu civilization did appear. Elder Sanchez is also looking for Pangu civilization on the earth. Do you know why the Super Seminary established a branch on the earth? Dukao is responsible for searching for Pangu civilization on earth."

Morgana, Pan Zhen, and even Queen Kesha looked at Sanchez. They did not expect that the Super Seminary would establish a branch on the earth. It turned out that all this was to find the Pangu civilization.

In Tianren No. 7,

Su Chen passed the angel Leng and Angel Yan shared a vision. After he heard Angel Leng say the contents of the theocratic meeting,

Su Chen was very surprised.

"Pangu civilization? Could it be that the Supergod World used to be an affiliated world of the Great Immortal World?".

Chapter 2276

The more Su Chen thought about it, the more he felt that the super-god world was related to the prehistoric immortal world.

Pangu civilization?

This may be because immortals once came to the super-god world.

As for the disappearance of Pangu civilization, it may be because of the decline of the prehistoric fairy world.

The prehistoric fairy world was disconnected from many small worlds. Immortals from the prehistoric fairy world will not be able to go to the super-god world in the future. Pangu Civilization has completely disappeared in the super-god world.

Angel Leng leaned in Su Chen's arms and saw Su Chen's confused look, so she asked,

"Su Chen, what are you thinking about?"

Su Chen hugged Angel Leng Bu Leng and said,"Leng, I may know about the Pangu civilization."

"Do you know Pangu civilization?"

"I have a guess, I don't know if it's right!"

"Su Chen, tell me."

At this moment,

Angel Yan, Queen Kesha, and He Xi all shared the visual scene with Angel Leng.

They were also listening to the conversation between Su Chen and Angel Leng, especially when Su Chen said that they knew about the Pangu civilization. He was attentive to hear Su Chen's guess about Pangu civilization.

Su Chen thought about it and said to Angel Leng Shu 28,

"Leng, there is a prehistoric fairyland in the great world of chaos. The prehistoric fairyland used to be a top-level realm, and the prehistoric fairyland was created by a chaotic demon named Pangu."

"Therefore, the Great Desolate Immortal Realm is also called Pangu Realm, Pangu. This name is only known by the gods and Chaos Demon Gods of the Great Desolate Immortal Realm. It is impossible for people in your world to know Pangu's name."

Angel Leng asked in surprise,

"Su Chen, are you saying that gods from the prehistoric immortal world came to our world before? There are even legends of Pangu civilization left behind?"

"should be!"

Angel Leng couldn't understand.

If their world had gods from the ancient world before, but in the past tens of thousands of years, why didn't their world have gods from the ancient world? Even the gods that appeared in their world had disappeared.

Angel Leng asked doubtfully ,

"Su Chen, why did the gods from the ancient world leave our world? Even the gods from the prehistoric immortal world have not appeared for tens of thousands of years?"

Su Chen shook his head when he thought of the Prehistoric Immortal World.

The Prehistoric Immortal World has been declining now. Of the three thousand small worlds, the Prehistoric Immortal World may be able to control less than half of it. Without his appearance, the Prehistoric Immortal World would have been destroyed by Hongjun. Not as good as the entire world

"Leng, the Great Desolate Immortal World has declined, and some of the small worlds affiliated with it have been disconnected. Your world should also have been disconnected by the Great Desolate Immortal World."

Angel Leng understood what Su Chen meant.

The decline of the prehistoric fairy world caused the prehistoric fairy world to lose control of their world. The gods of the prehistoric fairy world could no longer come to their world, and the Pangu civilization disappeared in their world. Got it

"So that's it, Su Chen, what is the relationship between the Xuantian Realm and the Ancient Immortal Realm? friendly? Or hostile?"

Su Chen smiled when he heard Angel Leng's words and said,

"It's hard to say. The prehistoric fairy world is a strange realm, and the saints at the top are all selfish people."

"The Heavenly Emperor of the Xuantian Realm used to be the Heavenly Emperor of the Great Desolate Immortal Realm. However, due to some reasons, the Heavenly Emperor of the Great Desolate Immortal Realm was forced to leave the Great Desolate Immortal Realm and later founded the Xuantian Realm."

"this....."

Angel Leng was very surprised when he heard Su Chen's words. Was the Emperor of the Xuantian Realm the Emperor of the Ancient Immortal Realm before?

This is a bit scary.

A Heavenly Emperor not only served as Heavenly Emperor in the prehistoric immortal world, but even created a powerful realm after being forced to leave. Angel Leng felt that the Heavenly Emperor of Xuantian Realm was a very powerful Heavenly Emperor.

When Kesha, Hexi, Angel Yan and the others heard Su Chen's words, the three of them were very shocked.

In the prehistoric fairyland?

Pangu of the Chaos Demon God?

They all believed what Su Chen said.

After all, the name of a powerful Chaos Demon God was not something people in their world could know.

The Heavenly Emperor of the Xuantian Realm also served as the Heavenly Emperor of the Prehistoric Immortal Realm? They were shocked by the news. (To read Baoshuang novels, go to Feilu Novel Network!)

At this time,

Kesha ordered the angel Leng through the genetic system, "Leng, ask about the Emperor of Xuantian Realm."

"Yes, Queen!"

Angel Leng hurriedly replied after hearing Queen Kesha's words.

She didn't expect that Queen Kesha was listening to her conversation with Su Chen.

Was Queen Kesha listening?

Then Angel Yan and Tianji Wang Hexi must also be listening.

Angel Leng She hurriedly covered her naked body.

She felt very embarrassed.

Angel Leng thought about the private things she and Su Chen had just done. Could it have been seen by Queen Kesha, He Xi, and Angel Yan? ?

Su Chen didn't notice anything unusual about Angel Leng. He was still thinking about the Super God World and the Great Desolate Immortal World.

If there was a space channel between the Super God World and the Great Desolate Immortal World, would this space channel be on the earth?

Su Chen felt He needs to take a good look at the earth, maybe he will make a good discovery.

The angel coldly rubbed his forehead and asked Su Chen, "Su Chen, tell me about the Emperor of Xuantian Realm. Who is your Emperor?" What kind of immortal?"

"The Emperor of Xuantian Realm? What kind of immortal is he?"

Su Chen was very speechless when he heard what Angel Leng said.

What kind of person is he?

Didn't Angel Leng see it?

And he was still naked and was clearly seen by Angel Leng.

Angel Leng nodded and said, "Yes. Yes, tell me about your Heavenly Emperor."

I'll go and speak for myself?

How do you say that?

Su Chen 240 shook his head speechlessly, should he praise himself now?

But after Angel Leng knows his identity in the future, will this be very embarrassing?

"Leng, there is nothing good to say about the Emperor of Heaven in the Xuantian Realm, and I don't know much about the Emperor."

"real?"

Su Chen coughed and nodded hurriedly and replied,

"Ahem, really!"

Angel Leng looked at Su Chen's uncomfortable look. She didn't believe what Su Chen said. Su Chen is the god of the Xuantian Realm. How could he not know about the affairs of the Emperor of the Xuantian Realm? At this time, in the Taotie flagship,

Karl After discussing it with Morgana and Sanchez, they all decided to look for the Pangu civilization together.

However, this time Pan Zhen was excluded.

The Sun God Emperor Hongkun of Lieyang Star was a huge threat.

Sun God Emperor Hongkun Unless Kun dies, they will not have any contact with Lieyang Star.

That old bastard, whether it is Karl, the Super Seminary, or even Morgana, they all do not want to see Emperor Hongkun still alive.

A destruction The two people from the Star Territory were wary of Di Hongkun's fake death.

"Pan Zhen, give you three days to take all the people from Lieyang Star and leave the earth immediately."

"Otherwise, we will kill you and all the Lieyang Stars on the earth. Unless the Sun God Emperor Hongkun dies, the entire universe will regard the Lieyang Star as an enemy."

Chapter 2277

Bald Sanchez threatened Pan Zhen and then disappeared instantly.

The main god here has reached cooperation, and there is no need for him to stay.

The elders of other branches of the Super Seminary must convene as soon as possible, and the Pangu civilization on earth must be found as soon as possible. This is related to their life and death. With the invasion of void monsters, the Super Seminary also has to cooperate with other forces.

"Pan Zhen, you should ask Sun God Emperor Hongkun to commit suicide immediately, otherwise, if all the main gods attack Lieyang Star, the remaining half of Lieyang Star will also be destroyed."

Morgana looked at Pan Zhen disdainfully and left in an instant.

This theocratic meeting was a joke.

Morgana was also playing with these people.

What kind of void monster?

That is a ferocious beast, in the realm of ferocious beasts. The powerful ferocious beasts in the world, these ignorant people still want to find Pangu civilization to deal with the ferocious beasts?

Pangu civilization?

Even if there is Pangu civilization, can Pangu civilization be an opponent in the realm of ferocious beasts?

Queen Kesha vs. Angel Yanhe Angel Zhixin waved his hands and said,

"Let's leave!"

"Yes, Queen!"

Queen Kesha didn't say much from beginning to end. She didn't pay attention to this theocratic meeting at all.

From beginning to end,

Kesha was checking Su Chen through Angel Leng's genetic system, and even listened to the interaction between Su Chen and Angel Leng. 3 talks.

After leaving,

Queen Kesha's face began to turn red. She had been restraining her expression before. She also saw the scene of Su Chen and Angel Leng having sex, and even Angel Leng did those disgusting things with her mouth. She also saw what happened.

When Queen Keisha saw this, she wanted to close the sharing system, but in order to learn more about Su Chen, she said while holding back her shame and anger while watching Su Chen. At this moment, not only Keisha Queen Sha was ashamed and angry.

Angel Yan and He Xi both had expressions of shame and anger. They also saw things they shouldn't have seen.

Love between a man and a woman?

This is the love between a man and a woman in human beings.

Today, Angel Yan and He Xi Seen it all

"Pan Zhen, it's time for you to leave."

When Carl saw that the other main gods had left, only Pan Zhen was sitting in his seat with a confused look on his face, he was about to drive Pan Zhen away.

Sun God Emperor Hongkun?

Carl was also very afraid of Emperor Hongkun.

Sun God Di Hongkun has almost the same phantom body as him, but Di Hongkun should need the Tiandao Tower of Lieyang Star to survive. This is still different from Karl's phantom body.

Pan Zhen looked up expressionlessly (ciao) Karl, he turned into a meteor and disappeared in the Taotie flagship.

The Lieyang people on the earth must immediately withdraw to the Lieyang Star. All the main gods in the universe are very unkind to the Lieyang Star. Even the decision of this theocratic meeting was Exclude the Lieyang Star.

The Lieyang Star has been isolated by the entire universe.

The Sun God Emperor Hongkun and all the main gods in the universe have asked the Sun God Emperor Hongkun to die. This time the Lieyang Star is facing a huge crisis.

Karl sees After all the main gods left, he sat on a chair and rubbed his forehead and whispered,

"What a troubled time, Queen Kesha, you are actually afraid when you face Queen Kesha, the King of the Gods! Angel Queen! Queen Keisha is really powerful and frustrating."

Karl is afraid of the power of Queen Kesa. Unless

Queen Kesa dies, what he wants to do in the universe cannot be carried out at all.

However, it is not important now.

With the emergence of the void monster,

Queen Kesa should take the lead in dealing with the void. Monster, this can also buy him time to find Pangu civilization.

The next day, women such as Morgana and Angel Yan gathered in Tianren No. 7.

In the control center, these women were talking to each other. At this time,

Su Chen brought Angel Leng to the control center. He looked at the women and said, "You will set off when you are ready. I hope you will all return unscathed in three days."

Leina proudly shouted to Su Chen,

"Su Chen, don't worry, there are only two of the ferocious beasts that arrived this time. The others are ferocious beasts with low strength. We are all fifth-generation gods now, and those ferocious beasts are no match for us."

Su Chen nodded when he heard Reina's words.

These women also knew some of the weaknesses of the ferocious beasts. The ferocious beasts that arrived this time really did not pose a threat to these women.

Su Chen ordered the Immortal Queen, (see For exciting novels, go to Feilu Novel Network!)

"Phoenix, take them and set off!"

"Yes, master!"

The Immortal Queen nodded to Su Chen. She waved her hand and took the girls and disappeared into Tianren No. 7 in an instant.

When Su Chen saw the Immortal Queen leaving with Angel Yan and the others, he looked to one side and shouted ,

"Queen Keisha, now that she's here, why doesn't she show up?"

Whoosh!"

"Su Chen, I really can't hide this from you."

Kesha suddenly appeared in the control room. She looked at Su Chen and said helplessly,

"See the queen!"

In the control room of Tianren No. 7, all the angels saw Queen Kesha arriving, and they all hurriedly saluted.

Su Chen looked closely at Kesha, who was wearing a red mink velvet cape, a silver armor, and a red dress underneath. A short skirt, long silver boots, a noble temperament, a delicate face, and a curvy figure. Kesha, the royal sister, is really beautiful.

However,

Queen Kesha is already so beautiful.

So what about Hexi?

How beautiful would Hexi, the most beautiful Tianji King among the angels?

Su Chen shook his head and didn't think about these things.

This time he could see Kesha up close. He wanted to know why Queen Kesha hadn't held a theocratic meeting before. leave

"Queen Kesha, you arrived at Heavenly Blade No. 7 yesterday evening. Don't you plan to return to Mero Heaven?"

Kesha saw Su Chen looking at her and even nodding her head, and she felt very ashamed and angry.

Could this shameless pervert dare to have her idea?

Kesha raised her brows and said displeased,

"Su Chen, this is Tianren No. 7, my angel battleship. Do you need to take care of me when I appear here?"

Let me guess,

Queen Kesha is getting angry?

Damn,

I don't seem to have offended this flat-chested woman, right?

Ugh!

Queen Kesha is really not a flat-chested woman. She stands proudly like a mountain. How can she be a flat-chested woman? It's just that , why does Tianji King Hexi call Queen Kesha the flat-chested girl?

Damn it, does Hexi's mountain stand more proudly than Queen Kesha?

How big must he be?

Su Chen thought as he looked at Kesha's proud mountain ,

Tianji King Hexi,

Su Chen wants to meet the most beautiful woman in Merlot Heaven.

"Ahem, Queen Keisha, no, I'm just curious!"

Kesha glared at Su Chen and snorted coldly, "Humph, Su Chen, Merlot Heavenly Court's second Sky Blade Battleship will arrive in two days. Don't forget to upgrade the second Sky Blade Battleship."

Chapter 2278

Su Chen's eyes widened when he heard Queen Kesha's words.

How did Queen Kesha know that he had promised to upgrade the second Sky Blade battleship? Su Chen thought about how he had not promised Angel Leng when Queen Kesa was peeping yesterday.

Yesterday evening, after Angel Leng served him in the secret library, Su Chen agreed to upgrade another Sky Blade battleship.

How did Queen Keisha know?

Moreover, Angel Leng had been with him from yesterday evening to morning, and Angel Leng had not contacted Queen Kesha. Queen Kesha probably didn't know.

I'll do it!

Queen Kesa wouldn't have been spying on him and Angel Leng yesterday night, right?

Damn it, he and Angel Leng broadcast live to Kesha last night?

Su Chen was very speechless when he looked at Kesha.

Kesha can no longer call her a flat-chested girl. She is simply a voyeur.

Queen Kesha saw that Su Chen had been lowering her head in thought, and she asked again with a serious face,

"Su Chen, do you hear me?"

Su Chen looked up at Kesha and agreed, "I heard, Queen Kesha, if there is nothing else, I will go to bed."

"Wait, Su Chen, is the Pangu civilization really the gods of the prehistoric immortal world, the civilization that spread in our world before?"

I guess!

This peeping tom,

Kesha had been peeping yesterday night. How could

Angel Leng, that fool, turn on the gene sharing system when he was having sex with his lover?

After Su Chen heard Queen Kesha's words, he Now she is 100% sure that Queen Kesha spied on everything that happened yesterday.

Suchen curled her lips and replied,

"Probably not wrong!"

Queen Kesha asked suspiciously when she heard Su Chen's words.

"Su Chen, will there be gods from the prehistoric fairy world coming to our world?"

"Not sure!"

Kesha continued to ask,

"Our world used to be an affiliated world of the Great Desolate Immortal Realm. Does the Great Desolate Immortal Realm no longer care about our world?"

Su Chen shook his head and explained,

"Keisha, there will be a realm war in the Great Desolate Immortal World in about three hundred years. A powerful realm will invade the Great Desolate Immortal World, and the Great Desolate Immortal World has lost the space passage to your world. Do you think the Great Desolate Immortal World can help your world?"

Queen Kesha fell silent when she heard Su Chen's words.

She originally thought that the gods from the ancient fairy world would come back, so that they could help their world fight against the invasion of the ferocious beast realm. Now it seems that she is fanciful.

"Kesha, if nothing happens, I'll go back to sleep.....who?"

Su Chen was about to leave to rest when suddenly he felt a powerful aura appearing in Tianren Qili.

Kesha immediately became vigilant after hearing Su Chen's words.

In the control room, more than 20 angels also took out their fierce flames. The sword guards Kesha.

Whoosh!

"Shadow Assassin Youxue, meet the master!"

A woman wearing black tights suddenly appeared next to Su Chen. She looked at Su Chen and hurriedly knelt down and saluted.

Su Chen was very surprised when he saw Youxue appearing.

Damn it,

Taiyi Golden Immortal?

Shadow Assassin Youxue actually advanced to the Taiyi Golden Immortal?

What's wrong with him?

Su Chen is a Taiyi Golden Immortal. Youxue used to be in the Distraction Realm. How could Youxue advance so quickly?

Could it be that the Holy Soul of the Ladder activates the time flow rate?

One day is equal to one year outside? (To read Baoshuang novels, go to Feilu Novel Network!)

Is that why Youxue advanced so quickly? Or did the Holy Soul of the Ladder use some fairy to improve the cultivation level of the Shadow Assassin?

"Youxue? You actually advanced to Taiyi Golden Immortal?"

Youxue respectfully replied to Su Chen,

"Master, not only me, Youruo has also been promoted to Taiyi Golden Immortal, and all Shadow Assassins have been promoted."

"Yes, Shadow Assassin is back online, and you are no longer useless."

"Master, the Shadow Assassin will always protect the master."

Kesha and many angels saw Youxue's salute to Su Chen, and even the conversation between Youxue and Su Chen, they all understood that this powerful woman in black was also Su Chen's subordinate.

Queen Kesha felt confused when she looked at Su Chen ,

Su Chen is just a Taiyi Golden Immortal, but why are Su Chen's maids and subordinates at the same level of cultivation as Su Chen? This makes her very confused.

Su Chen asked You Xue in confusion, "You Xue Snow, how did you come to this world? Youxue smiled and replied to Su Chen,

"Master, the queen ordered me to bring ten teams of shadow assassins to protect the master, and the two queens of Yinji and Saint will also come to this world to protect the master....."

Su Chen was very speechless when he heard You Xue's words.

The women of Concubine Yan were afraid that they would encounter powerful ferocious beasts. Not only did they send ten teams of shadow assassins, they even sent the Holy Realm Yin Ji, one When the saint comes to the super-god world, is he going to destroy the super-god world?

The super god world cannot resist the powerful aura of a saint. If Yin Ji accidentally leaks some powerful aura, the super god world may collapse and be destroyed.

Queen Kesha looked at Su Chen in shock,

Queen?

Ten squads of Shadow Assassins?

Is there another powerful saint coming?

What is Su Chen's identity?

It is impossible for a nobleman, or even a lord, to have a saint to protect Su Chen.

Queen?

Is this Su Chen's mother?

Or is it Su Chen's woman?

Could it be that Su Chen is a prince in Xuantian Realm?

Keisha couldn't figure out Su Chen's identity, and this information made her mind very confused.

Su Chen touched his chin and thought for a moment before ordering,

"Youxue, you take the Shadow Assassin to the Earth first. There is an abandoned space passage between the prehistoric fairy world and this world. You must find that space passage first."

"Yes, master!"

Youxue saluted Su Chen and then disappeared instantly.

Su Chen saw the surprised look on Queen Kesha's face.

He was too lazy to say anything to Kesha.

Su Chen waved his hand to Queen Kesha and said, "I'm going to bed, don't disturb me if you have nothing to do."

Queen Kesha saw that Su Chen was about to leave, and she wanted to stop Su Chen.

Queen Kesha wanted to ask the questions she just thought about, but she had no reason to ask Su Chen these questions.

Queen Kesha contacted He Xi and said hurriedly ,

"Hexi, Su Chen's identity is unusual. A saint will come to our world from the two queens, and he will come to protect Su Chen's safety. He

Xi said in surprise,

"saint? Saints are the ceiling in the chaotic world. Su Chen actually has saints to protect him?"

"In this way, Su Chen's identity is indeed extraordinary. Queen, I need you to use the beauty trap this time. Only the Queen can find out Su Chen's true identity."

Chapter 2279

Queen Kesha rubbed her forehead when she heard He Xi's words.

He Xi was the only one in the entire universe who dared to joke with her.

However, how could she seduce that shameless pervert Su Chen, a man from another world who was greedy for money and lust?

It was impossible for Kesha to seduce Suchen.

Just how to find out the identity of that shameless pervert?

Both Angel Leng and Angel Yan asked about Su Chen's identity, but Su Chen gave ambiguous answers.

It is impossible for Kesha to read Su Chen's memory.

Su Chen is much stronger than her, and it is impossible for her to read Su Chen's memory. Even if she is stronger than Su Chen, Kesha cannot read Su Chen. In the memory of

Merlot Heaven,

He Xi frowned and thought about what Kesha said.

A saint came to protect Su Chen. In this way, Su Chen's identity must be extraordinary.

Su Chen said that saints are the existence of the ceiling in the chaotic world, the twelfth heaven of the holy realm.

How many heavens will the saints who come to their world this time be?

At this time, a guard-level angel quickly arrived and saluted He Xi, saying,

"King Tianji and Tianzha began to gather on the exiled planet. More than three thousand Tianzha have gathered on the exiled planet, and there are still a steady stream of Tianzha rushing towards the exiled planet."

When He Xi heard the angel's report, she was very confused.

The scumbags were scattered in various planets. Without the order of Mero Heavenly Court, the scumbags did not dare to leave their respective planets.

This time the scumbags dared to ignore it. Ban went to the exiled planet to gather.

This was a bit unusual.

King Hua Ye of Tiangong was only a third-generation god. How dare he dare to disobey Queen Kesha's order?

He Xi suddenly thought of Karl and whispered, "Tianzha? Hua Ye? At this time, Tianzha also needs to take action? Could it be that Karl bewitched Hua Ye's lower-body animal?"

The guard-level angel asked respectfully,

"King Tianji, do we want to destroy those scum who disobey Queen Kesa's orders?"

He Xi shook his head and refused,

"No, the scum are nothing to worry about anymore. We in Merlo Heaven have more important things to do, so don't worry about those clowns."

"Yes, King Tianji!"

He Xi stood up and thought about whether to go to the earth.

The main gods of various forces have temporarily formed an alliance.

The earth!

Pangu civilization!

The prehistoric fairyland!

And the Xuantian realm!

These all appear on the earth.

The earth is really a special place. existence.

Planet Earth!

The Taotie fleet stopped attacking other places on the earth.

All the Taotie fleets were scanning the earth.

The humans on the earth did not attack the Taotie. For a time, the war on the earth temporarily stopped.

On the Great Black Wall,

Dukao also received a message from the elders of the college, and Dukao also knew the contents of the theocratic meeting.

Except for the Lieyang Star, all the main gods have united.

Pangu Civilization, in the past few days, legions of various forces will come to the earth. The armies of these forces will join in the search for Pangu civilization.

Dukao is also relieved at this moment.

With the alliance of the main gods in the universe, he has also overcome a difficulty. Otherwise, he has not found information about Pangu civilization in a year. The academy The elders inside will destroy him.

In the combat command room, (to read Baoshuang novels, go to Feilu Novel Network!)

The black-armored team was summoned by Dukao. After everyone in the black-armored team arrived in the command room , they were stunned when they saw the movements of the Taotie Fleet on the surveillance screen.

Liu Chuang looked at the Taotie Fleet scanning each city on the big screen, and he asked doubtfully,

"General Du, what are the Taotie Fleet looking for on Earth?"

Ducaos waved his hand seriously and ordered,

"You don't need to worry about any of this. From now on, don't attack the Taotie Fleet, and the Taotie Fleet will not attack us again."

Galaxy Power Xiao Lun asked doubtfully,

"How is this going? Why doesn't Taotie attack Earth anymore? And why can't we attack Taotie?"

Dukao glanced at Xiao Lun and shook his head, saying,

"Don't ask so many questions. These are the orders of the elders in the academy."

Xiao Lun said firmly when he heard Dukao's words,

"An order from the college elders? General Du, even if the Taotie doesn't attack us, the Taotie still occupies most of the cities. We Earthlings must take back the other cities occupied by the Taotie."

Dukao didn't expect Xiao Lun to say this.

A coward, and still a waste of the power of the Milky Way, can he take back other cities on the earth?

With the power of a waste of the Galaxy?

Just the rest of the Black Armor Team, Taotie. The fleet can also destroy them.

The black-armored team has been avoiding the search of the Taotie fleet during this period and has never dared to leave the Black Great Wall base.

Has Xiao Lun forgotten it?

Dukao is also giving up on the power of the galaxy.

The academy The elder was right. Without the help of angels, Xiao Lun would have been useless. There was no need for him to continue cultivating a useless Galaxy Power. Dukao mocked Xiao Lun with disdain,

"Hey, Xiao Lun, you are a waste. Do you have the ability to defeat the Taotie Fleet? Since you said so noble things, you go to attack the Taotie fleet now, and you go to recapture other cities now."

"I....."

Xiao Lun was stunned and froze on the spot.

He didn't expect that Dukao would call him a waste.

Didn't Dukao say that he was the only person to save the earth? He even kept encouraging himself, why did Dukao suddenly become so strange today? waste?

Aren't you the galactic power of the three major projects?

Why did he become a waste again?

Liu Chuang and the other four also looked at Dukao with surprised expressions.

They did not expect that Dukao would call Xiao Lun a loser, and also mocked Xiao Lun unceremoniously. The four of them looked at (Wang Nuo's) Today's Dukao is also very strange.

Dukao was too lazy to talk to Xiao Lun anymore. He was a waste and a fool.

He had no time to waste on a waste anymore.

Dukao looked at Liu Chuang, Zhao Xin and the other four people and said madly,

"You all listen, I can reveal some information to you. The Theocratic Conference was held yesterday evening."

"The main gods in the universe have all formed an alliance, and the armies of each main god will come to Earth. The reason why Taotie no longer attacks other cities on Earth is because the academy also has a seat at the theocratic conference. Liu

Chuang asked with a serious face.

"General Du, was Earth abandoned by the academy? The armies of the various gods in the universe have arrived on Earth. Are they preparing to carve up the Earth?"

"It can be said, Liu Chuang, that the earth is unable to resist the attacks of cosmic civilization. The other main gods in the universe have allied themselves, and the earth has been abandoned by the academy."

Chapter 2280

There is no need for Dukao to hide it from Liu Chuang and the others now. In a few days, the elders of the academy will come to Earth, and even other main gods will appear on Earth.

People like Liu Chuang are no longer useful.

Some of the first-generation super soldiers are not even qualified to be cannon fodder.

Liu Chuang and others were stunned when they heard Dukao's words.

Has the Super Seminary given up on the earth?

And what Dukao means is that the Super Seminary has united with other forces, and the Super Seminary actually wants to carve up the earth?

What is the difference between this and Lieyang Star?

Whoosh!

At this time,

Sun Wukong suddenly appeared in the command room. He looked at Dukao and said seriously,

"Lao Du, it seems that my guess is correct. The Super Seminary really does not have good intentions on earth."

Dukao saw Sun Wukong arriving, and he guessed that Sun Wukong should have heard what he just said.

However, with a third-generation beast body, it doesn't matter even if Sun Wukong knows it.

"Sun Wukong, you should have heard it just now. Yes, the Super Seminary has established a branch on Earth. This is because it has set its sights on the Earth. If it weren't for some problems, I wouldn't be able to stay on the Earth."

Sun Wukong asked with an ugly face.

"Lao Du, what happened to the Theocratic Conference? Why do the main gods in the universe care so much about the earth?"

Dukao shook his head and replied,

"Sun Wukong, it won't take long for you to understand that there is a crisis in our universe, a huge crisis, and the earth may be the only source that can prevent this crisis."

"crisis?"

When people like Sun Wukong and Liu Chuang heard Dukao's words, they were all very surprised.

Will there be a crisis in the universe?

Is the earth the source of preventing this crisis?

This makes them confused and confused.

Dukao looked at Xiao Lun and said angrily,

"You are all scum. The academy was supposed to cultivate the power of the galaxy to deal with this crisis, but the angels turned against the academy. Without the angel genes and tens of thousands of years of scientific and technological help from the angels, the power of the galaxy is A waste."

Sun Wukong looked at Xiao Lun.

He was not in the mood to pay attention to this waste now. Is there a crisis in the universe?

What kind of crisis would make all the gods join forces?

"Lao Du, what kind of crisis is this?"

Dukao took a sip of tea and shook his head.

After he said this, it is impossible for Dukao to stay anymore, and Sun Wukong and the people on earth will not welcome him to stay.

However, there is no stay here. It is necessary, the power of the Galaxy is gone, and the Black Great Wall cannot continue after losing Lianfeng.

The elders and troops of the college will arrive in a few days, and there is no need for Dukao to stay in this small human base.

Duka Ao looked at Sun Wukong and reminded,

"Invasion of void monsters. Soon, monsters in the void world will invade our universe. Powerful void monsters and even the Lord God are no match. You should understand the importance of this crisis."

Sun Wukong asked eagerly,

"Void monster? What does this have to do with the earth? Why do all the main gods come to earth?"

"That's all I can say"

"Lao Du, what does this have to do with the earth? What is Taotie looking for on Earth? If you don't say this, you can't leave."

When Dukao heard Sun Wukong's threat, he laughed and said,

"Haha, Sun Wukong, this is just a clone of me"

"Originally, this clone would die in the Titan, so that I could escape, but some changes happened so fast that I didn't have time to prepare."

"Goodbye, I hope you don't do anything stupid."(To read exciting novels, go to Feilu Novel Network!)

Dukao fell to the ground as he spoke.

After a while,

Dukao's body turned into a ball of black water.

"damn it!"

Sun Wukong saw that Dukao's clone was decomposed by genes. Even if he wanted to read the memory of this clone, it was impossible.

Liu Chuang and others were silent.

They all now feel that they are just some experimental subjects. No, They are the experimental subjects accompanying the Galaxy Power. When the Galaxy Power is gone, they and others will become insignificant.

"I'm leaving."

At this moment,

Cheng Yaowen looked at Liu Chuang and the others and said,

He is not from Earth either.

Dukao's words were unacceptable to him. Cheng Yaowen felt that even if he stayed, Earthlings would be wary of him.

"You leave!"

Sun Wukong nodded and agreed.

He was a member of the black-armored team who was not from Earth. He was happy to see Cheng Yaowen leave.

Liu Chuang and others looked at Cheng Yaowen but did not speak.

Although they felt that Cheng Yaowen's stay was nothing, but after what happened to Dukao, they just believed in Cheng Yaowen again, but who can be sure that Cheng Yaowen will not have any conspiracy?

After Cheng Yaowen left, Sun Wukong looked at Liu Chuang and the four of them and said seriously,

"You are all the future of the earth. We don't care what the main gods want to do on the earth, but we have to stop it. This is our earth, and we cannot watch aliens misbehave on the earth. Liu

Chuang nodded and asked,

"Brother Monkey, what should we do?"

"Let's first look at what Taotie is looking for on Earth?"

"good!"

In the outer space of the Earth, in Sky Blade No. 7,

Queen Keisha has been thinking about Su Chen's identity, the gathering of the Sky Scum on the exiled planet, and what is happening on the Earth. She doesn't care about it now. She wants to save them. In this world, Queen Kesha can only count on Su Chen.

At this time, the angel Linglong quickly came to Kesha and said hurriedly,

"Queen, Your Excellency Suchen is missing. He was not resting in the room at all."

"What? Wasn't Su Chen resting in the room? Damn it, where did that shameless pervert go?"

Queen Kesha was very surprised when she heard what Angel Linglong said. She didn't expect that Su Chen would leave secretly.

This made Queen Kesha a little anxious.

She was worried that Su Chen would leave their world. If Su Chen really said Leaving their world silently, their world will really be destroyed when the ferocious beast realm invades.

The angel Linglong said from the side, "Queen, will Su Chen go to the earth?"

Queen Kesha calmed down after hearing Angel Linglong's words.

She thought about it and felt that it was impossible for Su Chen to leave at this time. If Su Chen left, he would also take women like Angel Leng and Angel Yan with him. That shameless pervert should be Went to earth

"Um? It's possible that the shameless bastard promised Angel Leng to upgrade another Heavenly Blade battleship. There's no way he could leave the beggar at this time."
