Chapter 2291

Yin Ji nodded when she heard Su Chen's words.

She didn't care about things in the Great Immortal Realm. It was just a space channel. There were many saints in the Xuantian Realm.

There were already eleven saints in the Xuantian Realm.

Some time ago, the group promotion card With the use of the Xuantian Realm, eight more saints were promoted, including Queen Mother Xi, Xi He, Queen Mother Empress, Chang Xi, Xing Tian, Bai Ze, Ancestor Minghe, and Zhen Yuanzi. Although these saints are all in the first level of the Holy Realm, these If three or four saints come randomly, they can all move this space channel.

Three days later, in the outer space of the earth, Su Chen and Yin Ji returned to Tianren No. 7. In the past three days, Angel Yan and the girls have not come back. After some ferocious beasts in the super god world were destroyed, , after the Angel Yan girls discovered the triangle body of the beast, they all went on a killing spree against the triangle bodies in various planets. In the control room of Tianren No. 7, Su Chen leaned on his chair and looked at the busy angels. Many long-legged angels were walking around in front of him. This scenery was very nice.

28 Queen Kesha looked at the leisurely Suchen, and even this bastard kept peeking at the long legs of the angels.

This made her very angry.

For more than three days, this bastard had been lazy and doing nothing since he came back. Angels took care of everything he ate and drank.

Is this bastard the King of Angels?

Damn bastard,

Kesha couldn't help but want to drive this bastard out of the Sky Blade Battleship.

Snapped!

Kesha slammed the table in front of Su Chen and shouted,

"Su Chen, when will you upgrade my Sky Blade Battleship? It's been more than three days. How long will you rest? Su

Chen waved his hand and replied, "Go and ask Yin Ji to promote you, I'm not free!"

"Not available? You shameless bastard is free when you peek at the legs of angels, but you are free when I ask you to give me the Angel Sky Blade Battleship?"

Queen Kesha became even more angry when she heard Su Chen's words,

Yin Ji?

Yin Ji, that saint, ignored her at all, and was not even willing to look at her. Queen Kesha felt like a witch in Yin Ji's eyes. Like an ant,

Kesha was humiliating herself when she went to find Yin Ji.

The angels around them all hurriedly lowered their heads.

These angels were peeked at by Su Chen every day. No, it was the elders who looked at them openly. Legs.

At first, they all felt angry and embarrassed, but over the past few days, these angels have become accustomed to Su Chen looking at their long legs.

Su Chen replied speechlessly, "Tomorrow, I will give it to you tomorrow. Upgrade Sky Blade Battleship"

"Hum, you have to upgrade two ships for me tomorrow. He Xi's space-based battleship will arrive this afternoon. You will upgrade it for me together tomorrow."

"Let me tell you, Kesha, I only agreed to upgrade a Sky Blade battleship, but I didn't agree to upgrade Hexi's Sky-based battleship."

Su Chen was very helpless when he heard Queen Kesha's words.

Queen Kesha has been giving him trouble for the past three days, and now she even asked him to upgrade Hexi's space-based battleship. Is it because he hugged Kesha last time? Queen? Queen Kesha is deliberately taking revenge on herself?

"Su Chen, you should have helped me upgrade the battleship a long time ago, but you haven't upgraded it. This is a punishment for your laziness."

"Keisha, am I an angel? Am I your subordinate? Or am I your man?"

"You bastard!"

Keisha really can't help but beat this shameless pervert, man?

This shameless pervert really wants to die.

Whoosh!

Yin Ji suddenly appeared next to Su Chen. She looked in one direction and her face turned cold.
(To read Baoshuang novels, go to Feilu Novel Network!)

A saint arrived.

Yin Ji guessed that he should be a saint from the prehistoric fairy world. She did not like the saints from the prehistoric fairy world.

Su Chen was plotted by the saint from the prehistoric fairy world. , or even being forced to leave the Prehistoric Immortal World by the Saints of the Prehistoric Immortal World, this matter is not a secret at all in the Xuantian Realm. Sooner or later, a realm war will break out between the Xuantian Realm and the Prehistoric Immortal Realm, and the Saints and Heavenly Dao of the Prehistoric Immortal World will also be eliminated by them in the future..

Su Chen and Kesha both looked at Yin Ji who suddenly appeared.

Yin Ji looked serious at the moment. They all guessed what happened.

Su Chen frowned and asked,

"Yinji, what happened?"

Yin Ji nodded to Su Chen and said,

"Su Chen, a saint and a quasi-sage have arrived in this world. They should have come from the ancient world of immortality."

"A saint? Want a quasi-sage?"

Su Chen was confused when he heard Yin Ji's words.

If a saint comes to the ancient immortal world, he should also be that old yin of Hongjun. Why is there an extra saint this time?

Queen Kesha looked surprised, is it a saint?

Is he the powerful old man from four days ago? Does the saint from the ancient immortal world really want to cooperate with Su Chen?

"coming!"

Yin Ji said with a serious face,

Whoosh!

A man in black and a woman in a green dress suddenly appeared in Tairen No. 7.

The angels saw two strangers suddenly appeared in Tianren No. 7. Inside, they all took out their flaming swords and were about to attack the intruders.

Queen Kesha hurriedly waved her hands to the angels around her. One of them was a saint who existed on the ceiling, and the other was a powerful quasi-sage. Neither of these were Can they angels deal with it,

Heavenly Blade Seven?

Heavenly Blade Seven has now opened its protective shield, 540 but to these powerful experts, Heavenly Blade Seven is like their back garden, Heavenly Blade Seven is simply He couldn't stop the arrival of these powerful people.

At this moment!

Su Chen shook his head when he saw the two people arriving. One was the stupid Tongtian, and the other was the stubborn Turtle Spirit Mother. He didn't expect that these two people would come. The world of gods.

Su Chen looked at Tongtian and asked,

"Tongtian, didn't you expect that you would come to this small world? Where is Hongjun? He was imprisoned by you? Or do you simply not believe what Hongjun said?"

Tongtian checked Yin Ji and was very surprised.

The sixth level of the Holy Realm?

This strange saint turned out to be the sixth level of the Holy Realm?

Yuan Shi was right.

A strange saint really appeared next to Su Chen, and this The realm of the female saint is one level higher than his.

When Tongtian heard Su Chen's words, he said seriously,

"Emperor Su Chen, we don't believe Hongjun, but this matter is of great importance, and we have to believe Hongjun. I came to this small world this time to make sure."

Su Chen asked with a smile,

"Are you sure?"

Tongtian nodded and said,

"We're sure, Hongjun didn't deceive us. Emperor Su Chen, do you really want to fight against the ferocious beast realm with the Primordial Immortal Realm?"

"Help the prehistoric fairyland? Tongtian, do you think I will agree?".

Chapter 2292

Su Chen smiled when he heard Tongtian's words.

Tongtian was preparing to come to his door for him to kill.

The six powerful saints in the ancient immortal world should still have a lot of innate spiritual treasures in their hands, cough!

Damn it!

Except for Tongtian, a pauper, even Jiejiao was destroyed.

All the spiritual treasures in his hands were divided up by other saints. Even the four swords of Zhuxian were in the hands of the Golden Spirit Virgin Mother.

Tongtian was very helpless when he looked at Su Chen.

Su Chen had indeed deceived Hongjun. It would be impossible for the six saints of the Great Desolate Immortal World to convince Su Chen to help the Great Desolate Immortal World without paying some price.

"Emperor Su Chen, I know your plan. Whatever conditions you have, feel free to mention them. As long as we can do it, the six of us will definitely agree to it."

Our Lady of Guiling has been looking at Su Chen since she arrived.

For Su Chen,

Our Lady of Guiling was grateful to him for resurrecting her, but she was also very angry at Su Chen for abducting the disciples of Jie Jiao.

Su Chen abducted Jie Jiao. The disciples were killed because of the Jie Jiao.

This is not Su Chen's fault.

It was just because it was Su Chen. The Jie

Jiao's disciples did not return to the ancient world of immortality, and even severed the master-disciple relationship with their teacher, Tongtian Saint.

Su Chen stretched out his hand Three fingers said,

"Three conditions, Tongtian, as long as you agree, 3 I can help you deal with the beast realm together"

"you say!"

Su Chen thought for a while and said directly,

"First, I want six top-quality treasures, the Eastern Green Lotus Treasure Flag, the Southern Lifting Fireworks Flag, the Universe Cauldron, the God-killing Spear, the Nine-Rank Merit Golden Lotus, and the Bitter Bamboo."

Su Chen is ready to empty out the best innate spiritual treasures in the ancient immortal world.

There are still two sides of the Five Elements Flag that have not been collected. There are still two lotus pedestals short of the four great lotus pedestals.

Luohu's twelfth-grade world-destroying black lotus is missing.

The Western religion The twelfth-grade golden lotus of merit was broken into the ninth-grade golden lotus of merit, but he can repair the ninth-grade golden lotus of merit. The top-grade innate spiritual treasure Qiankun Ding used by Nuwa when patching the sky, the Qiankun Ding was taken back by Hongjun after Nuwa patched the sky, Qiankun The cauldron must have been upgraded to an innate treasure by the merits of heaven.

That old bastard Hongjun has achieved many things with one stone.

Not only did he obtain the merits of heaven, he even improved the Qiankun Ding lent to Nuwa.

As for the God-killing Spear,

Su Chen guessed The God-killing Spear is also in Hongjun's hand. If not, then he will mention another spiritual treasure.

Bitter Bamboo is only the best innate spiritual root, (cibb)

Su Chen can't think of any other top-quality innate spiritual treasures in the prehistoric fairyland. Bitter Bamboo They are just dispensable top-quality innate spiritual roots.

It is impossible for them to hand over the treasures of enlightenment in the hands of the saints. It is impossible for Su Chen to ask me to hand over treasures such as Tai Chi diagrams and Pangu flags.

Tongtian Ting Su Chen's face turned gloomy when he saw it.

The six great saints in the ancient world knew that Su Chen was not easy to persuade. They even prepared some Lingbao Company in exchange for Su Chen's help. However, Tongtian did not expect that Su Chen would speak so loudly..

Six treasures, these are either top-grade innate spiritual treasures or top-grade innate spiritual roots.

Don't say they don't have some top-grade innate spiritual treasures. Even if they have them, they can't give them to Su Chen.

"Su Chen, you are taking advantage of the situation.....puff!"

Boom!"

Madam Guiling pointed at Su Chen with an ugly face and shouted, but before she could finish speaking,

Yin Ji glared at Madam Turtle Ling with a golden light in her eyes. Madam Turtle Ling immediately vomited blood and almost fell to the ground.

Yin Ji Ji Lengbing threatened Our Lady of Turtle Spirit,

"Holy Mother Turtle Spirit, do you have a role to speak here?"

"You are facing the ruler of a realm, the Emperor of Heaven in the Xuantian realm. What qualifications do you, a little quasi-sage, have to question the Emperor of Heaven? If you dare to question the Emperor loudly again, I won't mind destroying you."(To read Baoshuang novels, go to Feilu Novel Network!)

When Tongtian saw the Holy Mother Turtle Spirit vomiting blood after being shocked by Yin Ji, he shouted with an ugly face,

"You've gone too far!"

Yin Ji looked at Tong Tian and said disdainfully,

"Too much?"

"Tongtian, right? You should be the only disciple left, right?"

"oh!"

"The Goddess of Turtle Spirit resurrected her from the dead."

"An ungrateful woman, if it weren't for the sake of the Holy Mother of the Golden Spirit and the three Wudang mothers, do you think the Holy Mother of the Turtle Spirit would be able to return to the prehistoric fairyland alive?"

Tongtian looked at Yin Ji indifferently.

He now wanted to fight with Yin Ji.

However, he came this time to ask Su Chen to help the prehistoric fairy world. Besides, he might not be able to defeat this powerful female saint.

Su Chen was sitting on a chair drinking tea without paying much attention.

Holy Mother Guiling should teach her a lesson.

A stubborn woman, didn't Holy Mother Guiling dare not question herself when she saw Tongtian, and she didn't even call her name? To add a Heavenly Emperor, this one-minded woman really has no brains.

Queen Kesha and many angels looked at Yin Ji.

They did not expect Yin Ji to be so strong. She could even make a quasi-sage vomit blood with just one look. , the power of the saint gave Queen Kesha and the angels a new understanding

"Emperor Su Chen, what is your second condition?"

After Tongtian helped Our Lady of Turtle Spirit recover, he wanted to know what other conditions Su Chen had.

This matter was not something he could decide alone.

Tongtian decided that after Su Chen finished raising all the conditions, he would return to the ancient fairy world and The other saints discussed it and decided whether they would agree to Su Chen or not.

Su Chen took a sip of tea and continued,

"The second condition is very simple. I want the spatial coordinates of a hundred small worlds."

Tongtian nodded when he heard Su Chen's words.

The second condition is very simple.

The spatial coordinates of a hundred small worlds are a piece of cake for their saints.

"What about the third condition?"

Su Chen stood up and smiled.

The third condition?

Su Chen is going to let the saints from the ancient world of immortality move the space passage of the ferocious beast realm together.

It is impossible for him to say this condition now. If the saints from the ancient world of immortality knowing this condition first, Su Chen was worried that those old bastards could guess that he wanted to save the super god world.

"Tongtian, as long as you six great saints agree to these two conditions, the third condition is even simpler."

"I just asked you six great saints to make some small efforts. This is a piece of cake for you. After you agree to the first two conditions, I will tell you the third condition."

Tongtian asked suspiciously after hearing Su Chen's words, "Just a small effort?"

"Yes, it is a trivial matter. I have no reason to deceive you."

Chapter 2293

Tongtian thought deeply after hearing Su Chen's words.

He didn't believe what Su Chen said.

A small thing?

If it was really a small thing, Su Chen could do it, how could he put forward these three conditions?

After the Holy Mother Turtle Spirit recovered for a while, she opened her eyes and looked at Yin Ji before glaring at Su Chen.

The Holy Mother Turtle Spirit no longer had a good impression of Su Chen. The prehistoric fairyland was facing a huge threat. Su Chen actually He also took the opportunity to blackmail, this bastard was not worthy of being a creature in the ancient immortal world.

When Su Chen saw the unbridled look in Madam Guiling's eyes, he warned Madam Guiling,

"Holy Mother Turtle Spirit, don't look at me like this, or I won't be able to help but beat you up."

Mother Turtle Spirit clenched her fists tightly and said angrily,

"Su Chen.....Emperor Su Chen, do you rely solely on your Taiyi Golden Immortal strength?"⁷¹⁰
Are you sure you can beat me?"

Mother Turtle Spirit looked at Yin Ji next to her.

As long as Yin Ji doesn't take action, a little scumbag from Taiyi Golden Immortal, Mother Turtle Spirit can kill this bastard with one finger.

"Do you want to try it?"

"If you were to do it yourself, I'd like to try it!"

"Don't you regret it?"

Su Chen looked at the fearless Mother Guiling and shook his head.

A stubborn woman, since Su Chen dared to say that she would beat Mother Guiling, didn't Mother Guiling think that he had someone to rely on?

Su Chen only wanted to Taking out the Chaos Clock, can Our Lady of the Turtle Spirit break through the Chaos Clock's defense?

Moreover, Su Chen also has a treasure in his hand that is specially designed to deal with women. Su Chen was thinking about whether to let the Holy Mother of the Turtle Spirit taste the feeling of being stripped naked..

Holy Mother Turtle Spirit replied with an indifferent look,

"No regrets!"

"receive!"

After Su Chen heard the words of the Holy Mother Turtle Spirit, he summoned the Demonic Tower of Desire and immediately took the Holy Mother Turtle Spirit in.

What happened to the little scumbag?

What happened to Taiyi Golden Fairy?

Su Chen has a person who specializes in dealing with women. The innate treasure, the Demon God of Desire's Demonic Tower of Desire. Ever since he imprisoned Yin Ji and Zi Yun, Su Chen has not imprisoned other women. The Turtle Spirit Holy Mother must be naked and cursing herself now, right?

Yin Ji saw it The corner of her mouth twitched at the Demon Tower of Desire.

She, Ziyun, Luluo, Lingxi, Leng Shuang and Dark Moon were all imprisoned in the Demon Tower of Desire by this bastard.

As long as a woman was imprisoned in the Demon Tower of Desire, she would She was stripped naked and couldn't put on any clothes anyway. Even when she attacked the Demonic Tower of Desire, she would be tortured by the energy of desire. The Demonic Tower of Desire was a disgusting treasure specially designed to deal with women.

Kesha saw the sudden appearance of Xiaota took away a quasi-sage in an instant. She was very shameless towards Su Chen.

Before the battle started, this bastard took the lead in using the spirit treasure to take away the Turtle Spirit Holy Mother. Su Chen didn't have any face at all. What a bastard.

Tongtian stared at Su Chen expressionlessly and shouted, "Emperor Su Chen, let my disciple go!"

Tongtian didn't expect that he would be distracted for such a moment, and Su Chen would arrest his disciple, the Holy Mother Turtle Spirit.

What was Su Chen doing?

Are you going to turn against him?

Su Chen waved his hand and smiled. said,

"Tongtian, don't worry, your disciple is fine. I just locked her up. Holy Mother Guiling is a stubborn woman. I am here to discipline and discipline Holy Mother Guiling for you."

"My disciple doesn't need your discipline. Please release my disciple, Holy Mother Turtle Spirit."

"Tongtian, the Holy Mother Turtle Spirit will be released in one day. I am just giving your disciple a small punishment."

Tongtian shouted to Su Chen with a serious face,

"You'd better release my disciple intact now, otherwise don't blame me for being rude!"

Su Chen mocked after hearing Tongtian's words,

"Hey, you're welcome? Tongtian, are you inflated again? Would you mind giving me a try?"

Tongtian was a little angry, bloated?

Are he bloated?

Damn you bastard, this bastard caught his disciple, can't he ask Su Chen to let his disciple go?

Tongtian looked at Yin Ji next to him and said He threatened Su Chen, (To read Baoshuang novels, go to Feilu Novel Network!)

"Su Chen, don't think that you can do whatever you want with four saints by your side. There are six saints in the ancient immortal world. If we attack you together, you will not be able to escape our pursuit."

"Ha ha....."

Su Chen laughed when he heard Tongtian's threat, four saints?

Do you have four saints around you?

However, the woman Guiling Holy Mother is quite trustworthy. At least she did not tell Tongtian what happened in Xuantian Realm.....

A single-minded woman is pretty good

"Tongtian, I didn't expect that you are still so arrogant since the human race in the prehistoric immortal world rebelled against heaven. Tongtian is nothing short of Tongtian. You are really a complete fool."

Tongtian was very angry when he heard Su Chen's words.

Arrogant?

Stupid?

This bastard!

If this was not a small world, even a crucial small world,

Tongtian would also be worried that after a powerful aura broke out, he would He would destroy this important little world and even allow the realm of ferocious beasts to connect to the prehistoric fairyland in advance.

Otherwise, he would have already burst out with a powerful aura to teach Su Chen a lesson.

Tongtian held his hand tightly and threatened coldly,

"Su Chen, do you really want to die?"

"Tongtian, do you want to die?"

Yin Ji looked at Tong Tian and shouted indifferently.

If Tong Tian dared to threaten Su Chen again,

Yin Ji would destroy this small world and she would kill Tong Tian.

Su Chen stood up and said indifferently,

"Tsk, Tongtian, our cooperation ends here. The life and death of the ancient immortal world has nothing to do with me. As for you six saints who want to hunt me down, I am waiting for your arrival. As long as you are not afraid of death, I don't mind being in the beast world. I'll kill you before I invade the prehistoric fairyland."

Tongtian's face changed when he heard Su Chen's words.

He messed up the matter this time.

Su Chen was not prepared to help the 1.5 Primordial Immortal Realm, and Su Chen would not let them fulfill the previous conditions.

It was going to be over now,

If Tongtian returns to the prehistoric immortal world, the other saints will definitely be very angry when they get the news.

Tongtian looked ugly and shouted,

"Let my disciple go!"

"Can!"

Su Chen nodded and agreed. Even if he catches the Holy Mother of the Turtle Spirit, he can't kill her. After all, the Holy Mother of the Turtle Spirit is the sister of the Golden Spirit Mother.

I guess!

Is this the Holy Mother of the Turtle Spirit?

Damn, turtle. Holy Spirit Mother, a single-minded woman, is really smart.

Su Chen was very speechless when he saw the big turtle in the Demonic Tower of Desire.

He originally wanted to see the naked body of Turtle Spirit Mother, and even wanted to know her mountain level.

He looked so lonely!.

Chapter 2294

Su Chen rubbed his forehead and looked at the big turtle in the Demonic Tower of Desire.

This turtle was too big.

It was much bigger than Tianren No. 7.

It was unrealistic for Su Chen to release the Turtle Spirit Holy Mother.

If the Turtle Spirit Holy Mother was If he releases it, Tianren No. 7 may be shattered by the body of the Turtle Spirit Mother.

Su Chen looked at the big turtle in the Demon Tower of Desire and shouted,

"Turtle spirit, take back your body, I want to release you."

Mother Turtle Spirit heard Su Chen's words.

She raised her huge head and looked around.

After she didn't find Su Chen, Mother Turtle Spirit understood that Su Chen was calling her outside this spiritual treasure.

Mother Turtle Spirit was in the Demon of Desire. Tali cursed,

"Shameless, I can't take back my true form. You pervert, you are not worthy of being an emperor."

Mother Turtle Spirit is very angry now.

After she was taken into this spiritual treasure by Su Chen, her clothes disappeared in an instant. Mother Turtle Spirit could not wear any dress, even the transformed clothes. She couldn't even put on her skirt.

After checking the spirit treasure with her naked body, Turtle Spirit SaintKnowing that she could not escape from this spiritual treasure, she hurriedly transformed back into her original form to prevent Su Chen from peeking at her body.

After Su Chen heard the scolding of Our Lady of Guiling, he reminded Our Lady of Guiling,

"Damn it, Holy Mother Turtle Spirit, this is your teacher asking me to let you out. Your current body is too huge. I don't dare to let you out at all. If I release your body, Tianren No. 7 They will all be burst by your huge body."

Mother Turtle Spirit didn't believe what Su Chen said.

This bastard must still want to peek at her body.

She had been in Lingbao for more than a quarter of an hour. This bastard must have peeked at her body before.

Thinking of this, Mother Turtle Spirit became even more excited. was ashamed and angry,

"You bastard, wouldn't you put me in space? You dirty Emperor of Heaven, you have no good intentions at all."

I'll go!

Yes, he can put the Holy Mother of the Turtle Spirit outside the Sky Blade Battleship.

Damn,

Su Chen was confused when the Holy Mother of the Turtle Spirit transformed back into her true form.

Whoosh!

Su Chen directly put the Holy Mother of the Turtle Spirit on it. He didn't want the Holy Mother Turtle Spirit to destroy the Heavenly Blade No. 7 in the distance.

Boom!

After a while, the Holy Mother Turtle Spirit appeared angrily in the Heavenly Blade No. 7, but her original green dress Turning into a white dress,

Tongtian saw that Turtle Spirit Mother was about to take action against Su Chen, and he hurriedly stopped her, saying,

"Turtle spirit, don't mess around, come here"

"is teacher!"

Mother Turtle Spirit glared at Su Chen in shame, and then she walked behind Tongtian.

Su Chen didn't pay attention to Mother Turtle Spirit.

He didn't even see a hair on this one-sided woman. The Demonic Tower of Desire was against the beast's body. There is no way,

"Tongtian, you can leave now.

Tongtian asked helplessly, "Su Chen, why don't you think about it again?"

Su Chen curled his lips and said disdainfully,

"consider? Holy Mother Guiling, you can tell your teacher what you saw and heard in Xuantian Realm. Your teacher wants to hunt me down with the other five saints."

"What? Teacher, aren't we here to join forces with Su Chen? Why do you and other saints want to hunt down Su Chen?"

Mother Turtle Spirit was surprised when she heard Su Chen's words.

Tongtian wants to hunt down Su Chen with other saints?

How is this possible?

Su Chen has eleven saints under his command, and there are only six saints in the prehistoric immortal world. If there is a war between the saints and the saints under Su Chen, the saints in the ancient immortal world will definitely be completely defeated.

Tongtian said helplessly, "Gui Ling, let's leave first and wait until we return to the ancient immortal world." (To read Baoshuang novels, go to Feilu Novel Network!)

Holy Mother Turtle Spirit hurriedly grabbed Tongtian and shouted,

"Teacher, we cannot have a conflict with Su Chen. Su Chen has eleven saints under his command. The saints in the prehistoric immortal world are no match for the saints in the Xuantian realm."

"What? Turtle spirit, what did you say? Su Chen has eleven saints under his command? This is real?"

Tongtian was confused when he heard Guiling's words, eleven saints?

Su Chen has eleven saints under his command?

This can't be true, right?

Our Lady of Guiling nodded hurriedly and replied,

"Teacher, what I said is true. In addition to Nuwa and Gaia, there is also this Yinji saint in the Xuantian realm."

"In Xuantian Realm, there are also Saint Ziyun, Saint Luluo, Saint Lingxi, Saint Cold Frost, Saint Dark Moon, Saint Hulk, Saint Mingtian, and Saint Saint Yuan Ancestor."

"Teacher, there are a total of eleven saints in the Xuantian Realm, and the lowest holy realm is the second level of the holy realm."

Yin Ji looked at the Holy Mother Turtle Spirit and said disdainfully,

"Holy Mother Guiling, you are wrong. There are more than eleven saints in the Xuantian Realm. Also, our previous eleven saints are now all in the fifth level of the Holy Realm."

Tongtian is completely confused at this moment.

There are actually eleven saints in the Xuantian realm. The lowest realm is the fifth level of the holy realm. There may even be more than eleven saints in the Xuantian realm.

My way of heaven!

Su! How did this bastard Chen do it?

Queen Kesha stood aside in confusion at this moment. She did not expect that Su Chen would have eleven saints under his command.

She was very surprised that there were six powerful saints in the prehistoric fairy world. , but, but Su Chen actually has eleven saints under his command. This bastard is really going to scare people to death, no, he will scare angels to death.

Saint?

This is the existence of the ceiling in the chaotic world.

Eleven saints,

There may even be more than eleven saints.

The Xuantian Realm is much more powerful than the Ancient Immortal Realm. This bastard Su Chen is really an insidious person who pretends to be a pig and eats the tiger.

Su Chen waved his hand and said indifferently, "Tongtian, I'm waiting for you six great saints to come after me. You can leave now. You are not welcome in Tianren No. 7." (The Holy Mother of Turtle Spirit (Zhao Zhao) looked at Su Chen and hurriedly explained, "Emperor Su Chen, this is a misunderstanding. My teacher just said it unintentionally. It is impossible for the saints of the prehistoric immortal world to hunt you down.")

Su Chen disdainfully sneer at Daphne,

"laugh! Holy Mother Guiling, if there were only one or two saints around me, or even no saints around me, would you still say this?"

"I....."

Mother Turtle Spirit was speechless after hearing what Su Chen said.

If Su Chen had two saints, Nuwa Empress and Gaia, would she stop Tongtian and other saints from chasing Su Chen?

The Holy Mother Turtle Spirit doesn't know, but if Su Chen is weak, the saints from the prehistoric fairy world will definitely capture Su Chen and even threaten Su Chen to participate in the war against the beast realm.

"Please leave, Tongtian. Go back and tell the other saints in the Great Desolate Immortal Realm that you want me to help the Great Desolate Immortal Realm deal with the beast realm. You'd better stop dreaming."

Chapter 2294

Su Chen rubbed his forehead and looked at the big turtle in the Demonic Tower of Desire.

This turtle was too big.

It was much bigger than Tianren No. 7.

It was unrealistic for Su Chen to release the Turtle Spirit Holy Mother.

Tongtian wants to hunt down Su Chen with other saints?

How is this possible?

Su Chen has eleven saints under his command, and there are only six saints in the prehistoric immortal world. If there is a war between the saints and the saints under Su Chen, the saints in the ancient immortal world will definitely be completely defeated.

Tongtian said helplessly, "Gui Ling, let's leave first and wait until we return to the ancient immortal world." (To read Baoshuang novels, go to Feilu Novel Network!)

Holy Mother Turtle Spirit hurriedly grabbed Tongtian and shouted,

"Teacher, we cannot have a conflict with Su Chen. Su Chen has eleven saints under his command. The saints in the prehistoric immortal world are no match for the saints in the Xuantian realm."

"What? Turtle spirit, what did you say? Su Chen has eleven saints under his command? This is real?"

Tongtian was confused when he heard Guiling's words, eleven saints?

Su Chen has eleven saints under his command?

This can't be true, right?

Our Lady of Guiling nodded hurriedly and replied,

"Teacher, what I said is true. In addition to Nuwa and Gaia, there is also this Yinji saint in the Xuantian realm."

"In Xuantian Realm, there are also Saint Ziyun, Saint Luluo, Saint Lingxi, Saint Cold Frost, Saint Dark Moon, Saint Hulk, Saint Mingtian, and Saint Saint Yuan Ancestor."

"Teacher, there are a total of eleven saints in the Xuantian Realm, and the lowest holy realm is the second level of the holy realm."

Yin Ji looked at the Holy Mother Turtle Spirit and said disdainfully,

"Holy Mother Guiling, you are wrong. There are more than eleven saints in the Xuantian Realm. Also, our previous eleven saints are now all in the fifth level of the Holy Realm."

Tongtian is completely confused at this moment.

There are actually eleven saints in the Xuantian realm. The lowest realm is the fifth level of the holy realm. There may even be more than eleven saints in the Xuantian realm.

My way of heaven!

Su! How did this bastard Chen do it?

Queen Kesha stood aside in confusion at this moment. She did not expect that Su Chen would have eleven saints under his command.

She was very surprised that there were six powerful saints in the prehistoric fairy world. , but, but Su Chen actually has eleven saints under his command. This bastard is really going to scare people to death, no, he will scare angels to death.

Saint?

This is the existence of the ceiling in the chaotic world.

Eleven saints,

There may even be more than eleven saints.

The Xuantian Realm is much more powerful than the Ancient Immortal Realm. This bastard Su Chen is really an insidious person who pretends to be a pig and eats the tiger.

Su Chen waved his hand and said indifferently, "Tongtian, I'm waiting for you six great saints to come after me. You can leave now. You are not welcome in Tianren No. 7." (The Holy Mother of Turtle Spirit (Zhao Zhao) looked at Su Chen and hurriedly explained, "Emperor Su Chen, this is a misunderstanding. My teacher just said it unintentionally. It is impossible for the saints of the prehistoric immortal world to hunt you down."

Su Chen disdainfully sneer at Daphne,

"laugh! Holy Mother Guiling, if there were only one or two saints around me, or even no saints around me, would you still say this?"

"I....."

Mother Turtle Spirit was speechless after hearing what Su Chen said.

If Su Chen had two saints, Nuwa Empress and Gaia, would she stop Tongtian and other saints from chasing Su Chen?

The Holy Mother Turtle Spirit doesn't know, but if Su Chen is weak, the saints from the prehistoric fairy world will definitely capture Su Chen and even threaten Su Chen to participate in the war against the beast realm.

"Please leave, Tongtian. Go back and tell the other saints in the Great Desolate Immortal Realm that you want me to help the Great Desolate Immortal Realm deal with the beast realm. You'd better stop dreaming."

Chapter 2295

Su Chen is playing hard to get. There is no way he will not save the Immortal Realm.

He doesn't care if all the saints in the Immortal Realm die, but those races in the Immortal Realm that are loyal to him.

It was impossible for Su Chen to ignore the Dragon Clan, Netherworld Ghost Clan, Earth Immortal Mansion, Six Paths of Reincarnation and other races and forces. They were all loyal to him. How could Su Chen not care about the life and death of those races and forces?

"Farewell!"

When Tongtian heard that Su Chen was driving him away again and again, he had no shame in staying any longer.

Su Chen's power was too powerful, with more than ten saints.

This was something he couldn't deal with, nor could he

Tongtian does not want to provoke Su Chen anymore, nor does he want to attract a powerful enemy to the ancient immortal world that other saints in the ancient world can deal with.

"Not sending it!"

Su Chen waved his hands and said nonchalantly, leave quickly.

The arrival of Tongtian is a mistake.

Those saints of Hongjun are also confused.

Tongtian is unruly and impulsive.

He is not suitable for negotiation at all.

Those saints of Hongjun let Tongtian come to negotiate. Are the other saints afraid of encountering the Beast Emperor?

Whoosh!

Tongtian glanced at Su Chen for the last time. He waved his hand and disappeared into Tianren No. 7 with the Turtle Spirit Madonna.

Yin Ji was in Tongtian After leaving with Holy Mother Turtle Spirit, she looked at Su Chen and asked doubtfully,

"Su Chen, aren't you going to help the prehistoric immortal world?"

Su Chen shook his head and sighed,

"Alas, I still have to help, but I can't make life easier for those selfish saints. After all, the various races in the ancient world are loyal to me, and I can't watch them being killed by ferocious beasts."

Yin Ji was very speechless when she heard Su Chen's words.

Since Su Chen wanted to help the ancient world, why did he drive Tong Tian away? Is it because of the threats Tong Tian said?

This is not right,

Su Chen doesn't care at all. What kind of threat is not a threat?

This shameless bastard has been threatened many times.

If Su Chen is so courageous if he is threatened, this shameless bastard will die countless times.

"So what do you do?"

Su Chen rubbed his forehead and replied, "I haven't thought about it yet. I'll see what happens in the future."

Su Chen really didn't think about what to do, but first of all, it would be good to sit on the mountain and watch the tiger fight. If a few saints from the ancient immortal world died, that would be the best thing.

"Su Chen, if the Beast Emperor of the Ferocious Beast Realm is extremely powerful, what should we do?"

Su Chen said with a serious face,

"Then transfer the various races in the ancient immortal world. Those races that are loyal to us will be transferred to the Xuantian realm. We can only give up on the ancient immortal world."

Yin Ji nodded when she heard Su Chen's words.

This is also a way.

Kesha came to Su Chen and said,

"Su Chen, you have more than ten powerful saints under your command, can't you save our world?"

Su Chen put out his arms and hugged Kesha's waist and said with a smile,

"Kesha, we'll talk about your world later. Don't worry, even if your world is going to be destroyed, I can still take your angel planet out of this world."

"let me go!"

Kesha started struggling when Su Chen hugged her again.

There were dozens of angels around her, and the saint Yin Ji was also here.

This bastard is a shameless pervert.

Su Chen held Kesha softly Without letting go of his waist, he looked at the stunned angels around him, and

Su Chen shamelessly shouted,

"What are you looking at? Your queen will be my woman from now on, so don't look around and do whatever you have to do."

After the angels in the control room heard Su Chen's words, (to read Baoshuang novels, go to Feilu Novel Network!) they looked at each other and then towards Kesha. They all saw Queen Kesha struggling, It's just that the chaotic relationship between Su Chen and their queen was not clear to them, the angels.

When Yin Ji saw Su Chen teasing Kesha, she shook her head speechlessly. This pervert really wanted to save the world for women, and suddenly ,

Yin Ji looked in the direction of the earth, and a strange aura appeared on the earth, and it was also a quasi-sage.

Yinji did not expect that Tongtian and Turtle Spirit Holy Mother had just left, and another quasi-sage had arrived in the prehistoric fairy world.

This time Who will come?

"Su Chen, another quasi-sage has arrived"

"Um? Another quasi-sage has arrived? How could another quasi-sage arrive in the prehistoric immortal world?"

Su Chen was very confused when he heard Yin Ji's words. The saints in the prehistoric fairy world should not reveal the things about the ferocious beast realm, so how could there be another quasi-sage coming to the super god world?

Kesha also stopped in Su Chen's arms. She struggled, but she didn't expect that another god would arrive in the prehistoric fairyland, a quasi-sage?

This was also a powerful person in the prehistoric fairyland.

"Su Chen, Our Lady of Turtle Spirit is back again, and she is also with the quasi-saints."

Su Chen heard that Our Lady of Turtle Spirit had returned, and that Our Lady of Turtle Spirit had a meeting with the quasi-sage who had just arrived.

He had some guesses in his mind, including the Lady of Turtle Spirit from Jiejiao, Fairy Wangshu from Taiyin Star, and Xuan from the Wu Clan. Ming Zuwu, these three women should still be in contact with each other after returning to the ancient fairyland.

"I understand, Yin Ji, haven't you met Wang Shu and Xuan Ming?"

Yin Ji shook her head and replied,

"No, I was in retreat at the time. Our Lady of Turtle Spirit also mentioned it to me in Yunxiao, Su Chen, are you saying that it is Wangshu or Xuanming who is coming this time?"

Su Chen touched Kesha's soft waist and said,

"It should be that the Holy Mother Guiling is probably related to Wangshu and Xuanming. The three of them should all come to this world. Just wait and see, there may be a quasi-sage coming soon."

Kesha grabbed Su Chen's hand in shame and anger. This shameless bastard dared to touch her in front of so many people. Kesha now wants to strangle this shameless person. Yin Ji nodded when he heard Su Chen's words. After a while, another quasi-sage aura appeared on the earth.

"Here you go, you are right, another quasi-sage has arrived, Su Chen, will they come to you?"

Su Chen shook his head and replied,

"I don't know. I warned the three girls when they left Xuantian Realm."

"The three of them cannot go back to the Xuantian Realm, or even to the small world attached to the Xuantian Realm. Will they come to find me? I can't say for sure."

At this time, an angel hurriedly came to Su Chen and Kesha and reported,

"Queen, King Tianji will arrive in half an hour."

Chapter 2296

Su Chen's eyes lit up when he heard the angel's announcement that He Xi, the Heavenly King, was coming. He

Xi, the most beautiful girl in Merlot Heaven, was coming?

This made Su Chen look forward to it.

Su Chen had long wanted to meet Tianji King Hexi, but he never had time to see Hexi. This time when Hexi came, he planned to see how beautiful the most beautiful angel is..

Su Chen hugged Kesha and asked with a smile, "Kesha, why is Hexi coming too?"

Kesha rolled her eyes at Su Chen and said angrily, "Why can't Hexi come? Hurry and upgrade first. My Sky Blade Battleship and He Xi's Sky Base Battleship are also going to be upgraded."

"I understand this. Kesha and the Tianzha have begun to gather together. Don't you plan to get rid of Hua Ye and his Tianzha army?"

Kesha said proudly after hearing Su Chen's words.

"Those are just clowns. It would be easy for me to kill them. However, they are also angels after all. I cannot kill them all."

Su Chen touched Kesha's golden hair and said,

"You are so kind. The scum are all hopeless people. 28 Keeping those scum is also a disaster. Being kind to the enemy is cruel to yourself. Haven't you heard this sentence?"

"Do you want me to destroy those scum?"

Queen Kesha looked at Su Chen with a puzzled look.

She did not expect that Su Chen would say this. Did the scumbags provoke Su Chen before?

However, the scumbags are indeed hopeless, but there are still ten people in the universe. There are tens of thousands of Tianzhu,

Tianzhu is a male angel after all. For 30,000 years,

Kesha has always hoped that the male angels can change their evil ways, but Tianzhu is still violent and lustful.

Kesha also thought about destroying all the Tianzhu, but Angels cannot have only female angels.

In the civilization of the universe, every planet is divided into men and women. Sooner or later, single-sex races will be annihilated in the universe.

"Forget it, Keisha, let me show you the original development trajectory of this world. Without my appearance and the emergence of the beast realm, you and the angels of Merlot Heaven would be very miserable."

Su Chen curled his lips and cast a flash of memory, which was transmitted to Keisha's mind.

Although the scum of the sky is not something to worry about,

Su Chen thought that in the war on the earth, many beautiful angels were killed by the scum of the sky. , even Merlot Heaven is occupied by the scum of heaven, Kesha's arrogance has killed many beautiful angels.

After Kesha was driven into some memories by Su Chen, she leaned in Su Chen's arms Start checking those memories.

When Su Chen saw Kesha starting to check the memories, he asked Yin Ji beside him,"Yin Ji, where are the three turtle spirits and the Holy Mother?"

Yin Ji took a sip of tea and replied,

"The three of them, Turtle Spirit and Holy Mother, are still on earth!"

Su Chen touched his chin and said,

"Still on Earth? Then they may not dare to come to see me, forget it, don't worry about them"

"Yin Ji, please pay more attention to the space passage in the ferocious beast realm. If the space passage in the ferocious beast realm is to be completely opened, we must move the space passage in the ferocious beast realm to the space passage in the prehistoric fairyland in time."

Yin Ji rolled her eyes at Su Chen and nodded.

"I will pay attention. As long as the powerful beasts in the beast realm do not discover the space passage, nothing will happen in the next two years."

At this time, on a large mountain on the earth, the three women, Madam Guiling, Fairy Wangshu, and Ancestral Witch Xuanming, sat together in silence. Madam Guiling had already told Wangshu and Wangshu about meeting Su Chen. Xuan Ming.

The emergence of the ferocious beast realm?

Su Chen's rejection?

Neither Wang Shu nor Xuan Ming thought that such a thing would happen. The beast emperor who had died countless souls would be resurrected again. The prehistoric fairy world was really going to face A huge crisis.

Fairy Wangshu rubbed her forehead and sighed, (To read Baoshuang novels, go to Feilu Novel Network!)

"well! If Su Chen doesn't help the Great Desolate Immortal World, then the Great Desolate Immortal World will really be destroyed by the Beast King Shen Ni in two years' time. Xuan

Ming shook his head and said helplessly,

"There was nothing that could be done about it. It was a mistake for the saints in the prehistoric immortal world to let Saint Tongtian come to see Su Chen. Saint Tongtian had an arrogant personality, and could even be said to be unruly. Tongtian was not a candidate for negotiation at all."

Mother Turtle Spirit was very speechless when she heard Xuan Ming's words.

Her teacher is indeed not a candidate for negotiation, but things have already happened.

They must find a way to let Su Chen help the Great Desolate Immortal World, otherwise, the Great Desolate Immortal World will really be destroyed by ferocious beasts. The realm is destroyed

"Should we go see Su Chen again? Xuan

Ming shook his head and refused,

"See Su Chen? Guiling, it is impossible for Su Chen to see us. Don't forget the warning Su Chen gave us when we left Xuantian Realm. You were brought by Tongtian to see Su Chen. If we go to see Su Chen now, would you believe it? Su Chen will let Yin Ji throw us out?"

Xuan Ming is not optimistic about meeting Su Chen at all. She also understands Su Chen's character through Hou Tu's narration.

Although Su Chen is usually amiable, no one can change the things Su Chen decides. Yin Ji and Nu It is impossible for those saints in Wa to persuade Su Chen.

This time the matter is really troublesome.

Xuan Ming even thought about letting Hou Tu's clone to persuade Su Chen, but she has never made up her mind. Hou Tu should be in the prehistoric fairy world. The person most likely to persuade Su Chen, but she was not sure whether Hou Tu would come to persuade Su Chen.

Gui Lingsheng said helplessly,

"So what do we do? Are we just waiting for the prehistoric immortal world to be destroyed in two years? Wang

Shu stood up and said seriously,

"860 Gui Ling, Xuan Ming, how about we go to Xuantian Realm, I will go to Xihe and Chang Xi, Gui Ling can go to Jin Ling Holy Mother and Wudang Holy Mother, Xuan Ming can go to Jiufeng and Xing Tian, we They can be used to persuade Su Chen to help the prehistoric fairyland fight against the ferocious beast realm. Xuan

Ming shook his head and reminded hurriedly,

"This is impossible, Wang Shu, if we go to Xuantian Realm again, the saints in Xuantian Realm will kill us."

"The saints of the Xuantian Realm and the Golden Spirit Virgin Mary will abide by Su Chen's warning to us. Even if we go to the Xuantian Realm, we will not do anything."

Mother Guiling and Wang Shu fell silent again after hearing this.

They felt that there was really no way to convince Su Chen.

It was impossible to see Su Chen. It was also impossible to go to Mother Jinling and Xihe. The three of them They couldn't think of any way to persuade Su Chen to help the ancient world. In

Tianren No. 7, in Su Chen's room,

Queen Kesha stared at Su Chen with a face of shame and anger. She didn't expect that Su Chen would take advantage of her to check her memory. At that time, this shameless bastard would take off her Wang Zhiqiu pants.

Kesha was touched by Su Chen on her long legs.

She kicked Su Chen in shame and anger and yelled,

"Su Chen, you shameless bastard, how dare you take off my Wang Zhiqiu pants? I'm going to kill you, this shameless person!"

Chapter 2297

Su Chen was very embarrassed when he hurriedly avoided Kesha's attack.

He was still holding Queen Kesha's long johns in his hand.

Su Chen didn't want to take off Queen Kesha's long johns, but he was holding Kesha back. After arriving in the room, while Su Chen was upgrading the Heavenly Blade Battleship, he accidentally took off Queen Kesa's royal long johns.

However,

Queen Kesha's long legs are really fair. Her long, slender fair legs are very tempting even without stockings.

Su Chen couldn't help it, so he touched Queen Kesha's long and tempting legs.

"Keisha, it was a misunderstanding just now, I can explain it."

Queen Kesha took out the silver wings and shouted angrily, "Explanation? Are you going to die for me? Shameless pervert, you will die today"

"I'll do it!"

Su Chen saw Kesha taking out the silver wings.

He knew that Queen Kesha was really angry this time. Su Chen hurriedly appeared beside Kesha. He quickly hugged Queen Kesha and closed her genetic system.

"Shameless guy, please unlock my genetic system!"

Kesha was sealed by Su Chen's system, her silver wings also disappeared around her. Kesha glared at Su Chen and struggled to get out of the arms of this bastard.

"Keisha, you are so beautiful!"

Kesha looked at Su Chen's eyes shining, and even looked at her lustfully.

Queen Kesha became anxious. She was worried that Su Chen would do something bad to her.

Kesha hurriedly warned Su Chen,

"what are you up to? Shameless person, stay away from me....Woohoo."

Su Chen hugged Kesha and started to kiss her.

A beautiful woman was in his arms, and even her smooth long legs were very tempting. Su Chen couldn't help but want to take action against Kesha.

Kesha stared with big eyes. Seeing Su Chen kissing her, she was so confused that she forgot to resist.

"Kesha, be my daughter!"

"Hehe, you shameless pervert, let me go!"

Su Chen touched Kesha's smooth little face and said,

"Hold on, Kesha, you didn't resist my kiss just now, do you have me in your heart?"

"I have you in my heart!"

Kesha was trembling with anger when she heard Su Chen's words.

She was just kissed by Su Chen and didn't react for a moment. This shameless bastard is too narcissistic. They have only known each other for a few days? How could Kesha like this? Shameless pervert

"No? Then I'll try again!"

"you.....Woohoo!"

Queen Kesha didn't (cied) think that Su Chen was so shameless. She was kissed by Su Chen again this time, but how could she not feel disgusted in her heart?

This shameless pervert, does she have feelings for this bastard?

This is impossible,

She and Su Chen had only known each other for a few days, and it was impossible for Kesha to fall in love with this shameless bastard.

After a while,

Kesha was kissed by Su Chen and hugged this bastard tightly.

She found that she liked this feeling, and even She fell in love with the smell of Su Chen's body.

Su Chen?

Is he her male god?

If this bastard is her male god, then fall in love!

At this moment, after Yin Ji checked Su Chen's room, she hurriedly arranged it A barrier,

Yin Ji didn't expect that Su Chen and Kesha were doing that kind of thing, and that bastard didn't even look at what time it was. The

Holy Mother of Turtle Spirit, Wang Shu, and Xuan Ming were all in this world, so Su Chen wasn't worried Are the three Turtle Spirit Madonnas peeping here? (To read exciting novels, go to Feilu Novel Network!)

"Oh, what a shameless bastard!"

Yin Ji shook her head and didn't want to worry about that bastard Su Chen.

She has been bullied by Su Chen these days. If Su Chen has a new goal, she will be relaxed for a few days.

Angel Linglong came to Yin Ji and saluted,"Lord Yin Ji, why did the Sky Blade Battleship stop after being upgraded halfway?"

Yin Ji looked at the angel Linglong Ji and was very speechless.

Su Chen and Queen Kesha were having sex, and that bastard still had time to upgrade the Sky Blade Battleship.

Yin Ji waved her hands helplessly and said,

"Angel Linglong, I will upgrade the remaining half of the Sky Blade Battleship. Suchen and Queen Kesha are talking about some important things. Don't disturb them."

"Yes, Lady Yinji."

Angel Linglong nodded hurriedly when she heard Yin Ji's words.

Although she didn't know what Su Chen and Queen Kesha were talking about, the complicated relationship between Su Chen and Queen Kesha was not something she, a little angel, could interfere with..As long as the Sky Blade Battleship can continue to be upgraded, Angel Linglong will not inquire about other matters.

There was still a violent storm in Su Chen's room, and after He Xi's arrival, Su Chen and Queen Kesha did not come out of the room..

It has been more than an hour.

Although He Xi arrived and wanted to see Kesha and Su Chen, there was a powerful barrier that He Xi could not pass through. Even the angel system could not connect to Queen Kesha..

The white-haired Hexi sat on the chair boredly.

It had been almost an hour since she arrived, and

Su Chen and Keisha had not appeared. Hexi couldn't figure out why Su Chen and Kesha were talking about the need to set up a barrier?

"Linglong, what are the Queen and Suchen talking about? Why didn't you come out for so long?
Angel

Linglong shook her head and replied, "King Tianji, I don't know this very well either."

He Xi held his chin and said guessingly,

"Forget it, I believe they will come out soon. Queen Keisha should want to persuade Suchen to save our world."

Whoosh!

A woman in white suddenly appeared in Angel No. 7. He Xi and the other angels were wary of the sudden appearance of the woman.

He Xi asked the woman in white seriously,

"Who are you?"

The woman in white looked at the angels around her, and she frowned.

These women with white wings are all very beautiful, but their strength is too bad. How could Su Chen have such weak subordinates?

"I am Hou Tu, where is Su Chen?"

He Xi heard Hou Tu's words and asked doubtfully, "Hou Tu? Are you a god who came from the ancient world of immortality?"

"good!"

Hou Tu nodded and admitted that she was just a clone.

The news Xuan Ming delivered to her made her unable to sit still.

The ferocious beast realm was about to invade,

Su Chen refused to help the prehistoric fairy world, and Hou Tu wanted to know what happened.

He Xi looked at the noble and elegant Hou Tu unexpectedly.

She did not expect that this woman really came from the ancient world of immortality. No wonder she didn't find anyone around, and Hou Tu suddenly appeared. The ancient world of immortality
The gods are really powerful

"Suchen is talking to Kesha, you can wait here for a while"

Chapter 2298

After Hou Tu heard He Xi's words, he sat aside. She had already arrived in this small world. It didn't matter if she would see Su Chen later..... well!

It would be great if Xuan Ming and the other three girls could reconcile their relationship with Su Chen.

He Xi sat next to Hou Tu and said,

"Lord Houtu, my name is He Xi, will the prehistoric immortal world save our world?"

Hou Tu looked at He Xi and nodded with a smile, "He Xi, you don't have to call me sir, you can just call me by my name."

"Well, Hou Tu, can the prehistoric immortal world save our world?"

Hou Tu shook his head when he heard He Xi's words.

He Xi wants the prehistoric immortal world to save this small world?

This is really asking for the far away.

With Su Chen, a bastard here, He Xi does not ask for that bastard Su Chen, but hopes The prehistoric fairyland came to save this small world. The prehistoric fairyland is now "four, five, three" and has no ability to save this small world.

"He Xi, you are asking the wrong person. Your world, the Great Desolate Immortal Realm, cannot be saved, and the Great Desolate Immortal Realm itself cannot be saved. How can you care about the life and death of your world?

He Xi frowned and asked, "You want me to ask Su Chen?" Hou

Tu nodded and said,

"Yes, only Su Chen can save your world. He

Xi explained with some frustration,

"only.....Su Chen never said he would save our world, and I'm not sure whether Su Chen will save our world."

"Houtu, wasn't our world an affiliated world of the prehistoric immortal world before? Why did the saints in the prehistoric immortal world Not saving our world? Houtu rubbed his forehead and said speechlessly,

"He Xi, didn't I say that? The realm of ferocious beasts is about to invade the Great Desolate Immortal World. The Great Desolate Immortal World is now unable to protect itself. The Great Desolate Immortal World is no longer able to save a dispensable small world."

He Xi didn't ask any more questions after hearing Hou Tu's words. Their world is just a dispensable world in the prehistoric fairyland. A small world?

Dispensable?

This is really funny.

Their world has There are tens of billions, or even hundreds of billions of creatures, but this may be a drop in the ocean in the ancient world of immortality.

"Houtu, how's it going? What did Su Chen say?"

At this time,

Xuan Ming's soul sent a message to Hou Tu.

After hearing Xuan Ming's message, Hou Tu was speechless and said,

"Sister, I haven't seen Su Chen yet. Besides, I've only been here for more than a quarter of an hour. Are you too anxious? Xuan

Ming's urgent voice came over and said,"How can I not be anxious? This is related to the life and death of the ancient immortal world, and the life and death of countless creatures in the ancient immortal world.""

Hou Tu was a little surprised when he heard Su Chen's words.

An ancestral witch actually cares about the life and death of living beings?

Xuan Ming is a ruthless, even murderous ancestral witch. When did Xuan Ming become so kind?

"Sister, since when did you care about the life and death of living beings? You are a warlike ancestral witch, an ancestral witch who has slaughtered countless living beings. You used to not care about the life and death of living beings at all."

"Little sister, I am a person who has died once. After dying once, I have some insights in my heart."

"Sister, I haven't met Su Chen yet. I'll ask Su Chen for his opinion later. However, I will not force Su Chen to help the Great Desolate Immortal Realm. All this requires Su Chen's own decision."

"I see!"

At this moment,

Su Chen was kicked out by Kesha.

This bastard was simply endless.

Queen Kesha was very angry with this shameless bastard. She wanted to strangle this shameless bastard to death now.

Su Chen was kicked by Kesha Kai shouted angrily,

"Let me tell you, Kesha, is this how you treat your man?"

Kesha glared at Suchen angrily, this shameless bastard.

She regretted letting this bastard succeed.

Damn you bastard.

Queen Kesha doesn't want to see this bastard right now.

"Get lost, Suchen, you are so shameless."(To read exciting novels, go to Feilu Novel Network!)

Su Chen looked at Kesha's face full of shame and anger.

He also knew that what he had just done was a little too much, but he really couldn't hold back the beautiful Kesha. , especially Kesha's long legs, Su Chen couldn't put it down.

When Su Chen came to Kesha, he hugged her and said with a smile,

"Forget it, I'll let you go today."

Kesha leaned in Su Chen's arms and reminded,

"Su Chen, you promised to save our world, you bastard, don't go back on your word."

Su Chen shook his head and said with a smile,

"Don't worry, I won't go back on anything I promised. I've already figured out how to save your world."

"However, Kesha, your world may be invaded by some low-level ferocious beasts, that is, ferocious beasts below the level of Xuanxian. I can warn you about these in advance....."

Queen Kesha was surprised when she heard Su Chen's words,

"Xuanxian? No one in our world can deal with the evil beasts of Xuanxian. Su Chen, can you send some divine troops to destroy those evil beasts?"

"Well, as long as you give me benefits, I can send some divine armies to your world."

"Shameless!"

Kesha rolled her eyes at Su Chen and didn't want to talk to this bastard. She didn't have to guess what benefits this bastard would want. He was a shameless pervert.

At this time,

Yin Ji suddenly said to Su Chen,

"Su Chen, it's not good. Come out quickly. Something big has happened in the ancient world."

When Su Chen heard Yin Ji's words, he hurriedly started to put on his clothes.

Something big happened in the Great Desolate Immortal World?

What happened?

The ferocious beast realm has not yet invaded the Great Desolate Immortal World. What big things will happen in the Great Desolate Immortal World?

Kesha looked at Su Chen hurriedly put on her clothes, and she asked doubtfully,

"Su Chen, what's wrong?"

Su Chen straightened her clothes and said to Kesha,

"Yin Ji sent me a message saying that something big happened in the ancient world. Let's go out and ask what happened in the ancient world."

"good!"

After a while,

Su Chen pulled Kesha out of the room.

In the command room of Tianren No. 7, Hou Tu, He Xi, Yin Ji, and the newly arrived Guiling Holy Mother, Wang Shu, Xuan Ming, these people They all sat together and waited for Su Chen's arrival.

Our Lady of the Turtle Spirit had been notified by Tongtian that the space channel of the 4.7 extraterrestrial demon clan was suddenly connected to the prehistoric fairyland. In ten days at most, the extraterrestrial demons would invade the prehistoric fairyland.

This news made the girls They were all shocked.

The invasion of the ferocious beast realm was about to come.

Why was there still a realm war that only started three hundred years ago? How could the space passages of the demons outside the realm be connected to the space passages of the prehistoric fairyland so quickly?

Hou Tuyi He said with a sad face,

"The Great Desolate Immortal World is really in big trouble. If the realm of ferocious beasts and the realm of extraterrestrial demons invade the Great Desolate Immortal World at the same time, the Great Desolate Immortal World will have no resistance at all."

Yin Ji looked at the Houtu girls and shook her head and said,

"Regardless of whether it is the realm of ferocious beasts or the realm of extraterrestrial demons, it is impossible for you in the Great Desolate Immortal Realm to defeat. One is the Beast King Shen Ni, and the other is the Demon Ancestor Rahu. It is impossible for the Great Desolate Immortal Realm to defeat any realm."

Chapter 2299

Hou Tu and Turtle Spirit Mother and the other girls fell silent when they heard Yin Ji's words.

Yin Ji was right.

No matter it was the Beast King Shen Ni, the Demon Ancestor Luo Hu, or the saints from the prehistoric immortal world, they were no match.

Ten days later, the outer demon world will first launch a boundary war against the Great Desolate Immortal World, and one or two years later, the Ferocious Beast Realm will also launch a boundary war against the Great Desolate Immortal World. It may not even wait until the Ferocious Beast Realm launches a boundary war against the Great Desolate Immortal World. During the territorial war, the prehistoric fairyland was destroyed by the demons outside the territory.

He Xi looked at the women with a surprised expression at this moment. What these women said made her feel frightened. Ten days later, the prehistoric fairyland would be invaded by another realm, the demonic realm outside the realm?

This may be a realm as powerful as the ferocious beast realm.

"You still dare to appear in front of me, Wangshu, Holy Mother Guiling, Xuanming, are you really not afraid that I will kill you?"

At this time, after Su Chen took Kesha to the control room, he did not expect that Hou Tu would also arrive, as well as Madonna Guiling, Wang Shu, Xuan Ming, and these women would also arrive.

Su Chen didn't know what big event had happened in the prehistoric fairy world, but his warning to these women seemed to have no effect, and the three women still appeared in front of him.

Wang Shu, Guiling Holy Mother, Xuan Ming, their expressions changed after hearing Su Chen's words.

Su Chen really had not forgotten what happened back then. It seemed that Su Chen had not forgiven the three girls for their ingratitude.

Holy Mother Turtle Spirit clenched her fists tightly.

This shameless bastard, when Holy Mother Turtle Spirit and Tongtian came to see Su Chen, this bastard locked her in the Lingbao. She was even locked in the Lingbao naked at that time.

Our Lady of Turtle Spirit shouted angrily, "Su Chen, didn't I come here earlier? Why didn't you kill me then?"

Su Chen looked at Our Lady of Turtle Spirit and mocked disdainfully,

"Hey, Holy Mother Turtle Spirit, you came with Tongtian to negotiate with me earlier. You were just a foil. If you had come to me alone before, do you think you still have life~?"

When Hou Tu saw that Su Chen was about to fall out with the Gui Ling Holy Mother and the other girls, she also knew that what the Xuan Ming girls did was wrong, but now is not the time to talk about this.

Hou Tu hurriedly said to Su Chen,

"Su Chen, now is not the time to talk about this. Something big has happened in the Great Desolate Immortal World. The extraterrestrial demon world will launch a territorial war against the Great Desolate Immortal World in ten days."

Su Chen was very surprised when he heard Hou Tu's words.

The demon world from outside the territory will invade the Great Desolate Immortal Realm ten days later?

Japan and Europe!

Didn't it take three hundred years for the outside devil world to connect with the Great Desolate Immortal World? Why on earth would he launch a realm war in ten days? Damn it

, the Great Immortal Realm is really going to end.

Luo Hu's extraterrestrial demon world?

The beast realm of the Beast Emperor Shen Ni?

These two realms are more powerful than the other. Both

Luo Hu and the Beast Emperor Shen Ni are facing the end of the Great Immortal Realm. There is a grudge, that's wrong!

Hongjun! Luo Hu! The Beast Emperor Shen Ni!

There is a grudge between these three people.

Hongjun and Luo Hu first cooperated to kill the Beast King Shen Ni, and then Hongjun teamed up with some powerful forces to kill Luo Hu.

Damn it, this triangle relationship is really confusing.

However,

Luo Hu and the Beast Emperor Shen Ni still want to kill Hongjun. Hongjun, this old scheming man, has plotted one enemy after another.

The relationship between these three people is too confusing. Now, will the three of them have a big brawl?

Forget it, (to read Baoshuang novels, go to Feilu Novel Network!)

I won't participate!

Su Chen thinks it's better not to participate. Luo Hu and the Beast King God They are all ruthless people. Let them fight this three-way war on their own. It would be best for them to lose all three sides.

Su Chen rubbed his forehead and said,

"Houtu, for your sake, I won't argue with the three of them today. It will be a matter of time before the prehistoric fairy world is invaded by the demonic world from outside. This is only three hundred years ahead of schedule, so you don't need to make a fuss. Hou

Tu looked at Su Chen and asked seriously,

"Su Chen, are you really not going to help the ancient world?"

Su Chen shook his head and replied, "Help? How can I help? Can I deal with Rahu from the outside world of demons? Can I deal with the Beast King God Ni from the ferocious beast realm?"

After hearing Su Chen's words, Hou Tu hurriedly shouted,

"Don't you have more than ten saints? Su Chen, as long as you unite with the saints from the ancient immortal world, more than ten saints from the two realms, we will definitely defeat the demonic realm outside the realm, and we can also defeat the ferocious beast realm."

Hou Tu does not want to see the destruction of the Great Desolate Immortal World.

After all, the Great Desolate Immortal World is the realm opened by Father God Pangu. Although she does not want to persuade Su Chen to help the Great Desolate Immortal World, if Su Chen has the ability, Hou Tu still hopes that Su Chen can help the Prehistoric Immortal World..

Su Chen looked at Hou Tu and his face became serious. He did not expect Hou Tu to say this. Did Hou Tu not think about people who could be plotted by Hongjun? Could these be ordinary people?

One is the number one in the prehistoric immortal world. The protagonists of the Great Tribulation are the protagonists of the Second Great Tribulation in the Immortal World.

Luo Hu and the Beast Emperor Shen Ni are both powerful Chaos Demon Gods.

One of them, Su Chen, cannot defeat them.

Luo Hu and the Beast King Shen Ni are both this time. When

Su Chen appeared, it was too late to avoid him.

How could he come to his door automatically?

Thinking of this, Su Chen said to Hou Tu with an indifferent expression,

"Houtu, do you know what strength Rahu is? What kind of strength does the Beast King have?"

"The Beast King Shen Ni may be in the tenth level of the Holy Realm. Luo Hu's strength won't be much weaker after thinking about it. No matter how many saints we have, they are still ants in the eyes of Luo Hu and the Beast King Shen Ni."

Hou Tu heard Su Chen's indifference After saying these words, she became nervous.

Hou Tu had not thought of this just now. In the realm of the tenth heaven of the Holy Realm, no matter how many saints there are

, it will not help. Zhongtian (Zhao of Nuo) cannot be shaken by ordinary saints at all.

Mother Guiling, Wangshu, and Xuanming all fell silent.

They also knew that Su Chen could not help a saint from the prehistoric fairyland and the tenth level of the holy realm. And there may be more than one. This is simply asking the saints under Su Chen to die.

He Xi looked at Su Chen and Kesha in confusion. She didn't listen to a word of what Su Chen just said.

He Xi looked at Su Chen held Kesha's hand, and even Queen Kesha looked in love. She understood what Su Chen and Kesha were talking about earlier.

Talking about things?

Was this talking about things?

This was obviously a conversation in bed. Something happened.

Queen Kesha actually has a male god, and it is also the male god of Angel Yan and Angel Leng,

Su Chen?

Is this Emperor of Xuantian Realm planning to kill all the angels in one fell swoop?

"Linglong, tell me, what is the relationship between the Queen and Suchen?".

Chapter 2300

Angel Linglong hurriedly shook her head when she heard He Xi's words.

She just saw Su Chen and Queen Kesha coming out hand in hand. Angel Linglong was also stunned.

A few days ago on earth,

Queen Kesha was lying on Su Chen's side. On Chen's body~,

Queen Kesha now appeared hand in hand with Su Chen. She felt that the relationship between Queen Kesha and Su Chen was even more confusing. It was even possible that Queen Kesha regarded Su Chen as a male god.

He Xi saw Angel Linglong shaking her head. She understood that the ambiguous relationship between Queen Kesha and Su Chen was not known to the angels in Tianren No. 7. Is Queen Kesha keeping it a secret? Or has Queen Keisha not announced her relationship with Suchen yet?

At this moment,

Queen Kesha didn't care about the eyes of the angels around her.

She had already had a relationship with Su Chen. Queen Kesha also regarded Su Chen as a male god. Sooner or later, the angels in Merlo Heaven would know that she had no relationship at all. The need to conceal.

After Queen Kesha heard the conversation between Su Chen and Hou Tu, she also understood that the enemies faced by the Ancient Immortal Realm were very powerful.

The enemy of the tenth level of the Holy Realm,

Queen Kesha feels terrifying just thinking about it.

Hou Tu nodded to Su Chen with a pale face and said,

"Su Chen, I understand, what should I do if I am just a creature in the ancient immortal world? Do you ignore the various races that are loyal to you?"

Su Chen said expressionlessly,

"I will transfer all the races and some forces that are loyal to me in the prehistoric fairy world to the affiliated realm of the Xuantian realm. I cannot save the prehistoric fairy world."

"This is okay, alas! The enemies encountered by the Great Desolate Immortal Realm this time are too powerful. It is impossible for the saints of the Prehistoric Immortal Realm to defeat the demonic realm outside the realm, and it is even more impossible for the ferocious beast realm to defeat them."

"Houtu, it's time for you to leave!"

Su Chen waved his hand to Hou Tu and said,

Hou Tu?

Empress Pingxin?

Su Chen found out this time that Hou Tu still wanted to use him.

From what Hou Tu said to him just now, Hou Tu had never thought about participating in the world. The consequence of the domain.

The prehistoric fairyland, this is the realm opened by Pangu.

Houtu is a witch clan, transformed by Pangu's essence and blood. Houtu is the same as Xuanming. The survival of the prehistoric fairyland is above all else.

"It's time for me to leave."

Hou Tu understood when he heard Su Chen that her relationship with Su Chen was over. Hou Tu shouldn't have said those words to Su Chen just now.

Hou Tu didn't want to persuade Su Chen at first, but after all, the father god Pangu in the ancient immortal world was Opened up.

As long as there is a chance,

Houtu does not want the ancient world to be destroyed.

Xuanming, Wangshu, Turtle Spirit Madonna and the three girls are all in disbelief.

Is Su Chen breaking up with Houtu?

Just because of what Houtu said So, Su Chen actually wanted to break up with Hou Tu?

Xuan Ming couldn't stand it anymore.

Although Hou Tu said these words, he didn't care about the consequences of Xuantian Realm helping the Great Desolate Immortal Realm, and he didn't even think about the life and death of Su Chen's saints, but Su Chen shouldn't treat Hou Tu like this.

Hou Tu wanted to move the Six Paths of Reincarnation to Xuantian Realm. Didn't Su Chen think about Hou Tu's contribution to him?

Besides, Hou Tu just made an unintentional mistake this time. Su Chen He did not hesitate to cut off the relationship with Hou Tu, which made Xuan Ming very angry with Su Chen.

When Xuan Ming heard this, he asked Su Chen coldly,

"Su Chen, where is our witch clan in Xuantian Realm?"

"sister, you....."

Hou Tu was very surprised when he heard Xuan Ming's words.

What is Xuan Ming going to do?

Is this to recall the Wu army commanded by Xingtian and Jiufeng?

Hou Tu wanted to persuade Xuan Ming, but she didn't know how to persuade him. Xuan Ming's character was too impulsive and too stubborn.

Su Chen showed disdain when he heard Xuan Ming's words,

Wu Clan?

Does Xuan Ming still think about the return of the Wu clan led by Xingtian and Jiufeng to the ancient fairyland? (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen looked at Xuan Ming indifferently, and then he told Yin Ji,

"Yinji, inform Xingtian and Jiufeng to come to this world immediately"

"good!"

Yin Ji nodded and immediately contacted Nuwa.

She also understood clearly that

Xuan Ming of the Wu Clan was preparing to recall the Wu Clan's combat legion, but the Wu Clan was the combat legion under Su Chen, and even Xing Tian became How could the Witch Clan listen to Xuan Ming's orders and return to the Great Desolate Immortal Realm after they had left the first level of the Holy Realm? Tianren No. 7 was silent for a while, and the angels looked at Su Chen and the girls from the Great Desolate Immortal Realm blankly.

Hou Tu and Wang Shu both lowered their heads, thinking about the future of the Great Desolate Immortal Realm and the disaster that it would face in ten days.

Su Chen sat down and thought about the extraterrestrial demon world and the ferocious beast realm.

Two powerful realms appeared one after another. Domain, which forced him to deal with it carefully, not to mention that his Western Realm was still connected to the Great Desolate Immortal World.

This was a huge flaw and threat.

The Western Realm must be completely disconnected from the Great Desolate Immortal World, and the space channel must be completely disconnected as soon as possible. The six saints

, Hongjun and Laozi, in the Primordial Immortal Realm and Zixiao Palace, all looked helpless at this moment. The space passage between the extraterrestrial demon world and the Primordial Immortal Realm was unexpectedly connected in advance, which they did not expect.

A ferocious beast The realm gave them a headache on how to deal with it.

The early appearance of the demonic realm outside the realm was a disaster for them and the Great Desolate Immortal Realm.

Several of them thought of Tongtian's threat to Su Chen, which made it impossible for the Xuantian Realm to help the Great Desolate Immortal Realm.

More than ten saints?

They thought that Su Chen actually had more than ten saints in his hands, which made it impossible for them to try against Su Chen.

Yuanshi Tianzun said with a serious face,

"The billions of armies of Heaven and Buddhism are all heading towards the Starry Sky Fortress, but the strength of Heaven's heavenly soldiers and generals and Buddhism's Buddhist soldiers are too low, which may not be able to withstand the attack of the demonic world outside the territory."

I looked at Zhunti and asked, "Didn't all the races in the prehistoric immortal world take action?"

Zhunti shook her head and replied with an ugly face,

"not yet? The Emperor of Heaven has notified the entire Immortal World, but you should also know that the Emperor of Heaven has no authority at all, and the Emperor of Heaven is not enough to order all races in the Immortal World."

Hongjun said helplessly,

"After a while, the old man announced to the Great Desolate Immortal Realm that this time it was a life and death battle in the Great Desolate Immortal Realm. All races and forces in the Prehistoric Immortal Realm should work together to fight against the invasion of the demonic world from outside the territory."

After Jie Yin looked at Tong Tian, who had an ugly face, he asked everyone,

"Shall we not fight for Su Chen? Yuanshi

Tianzun shook his head and said,

"It's impossible. After Tongtian threatened Su Chen, it was impossible for Su Chen to help the Great Desolate Immortal Realm. Besides, this time two powerful realms in tandem are going to invade the Great Desolate Immortal Realm. Su Chen knew that it was even more impossible to seek death. Small"
