Chapter 2302

In the Western Realm, at the space passage between the Western Realm and the Immortal World, Su Chen and Yin Ji arrived. Su Chen frowned when he looked at the space passage. It might not be easy to destroy this space passage.

Yin Ji looked at Su Chen looking towards the space passage, and she asked speculatively,

"Su Chen, do you want to destroy the space passage between the Western Realm and the Ancient Immortal Realm?"

Su Chen nodded and explained,

"Well, the prehistoric fairyland will face invasions from the realm of extraterrestrial demons and ferocious beasts in the future. If this space channel is not destroyed, the Western Realm will sooner or later be invaded by the realm of extraterrestrial demons and ferocious beasts."

Yin Ji shook her head when she heard Su Chen's words.

The space channel automatically formed by chaos cannot be destroyed, and even if the space channel is destroyed this time, a new space channel will still appear in it before long.

, this is the law of the chaotic world, and it cannot be destroyed by any living being.

Yin Ji grabbed Su Chen and reminded,

"Su Chen, it is impossible for us to destroy the space passage here. Even if we can destroy the space passage this time, there will still be a new space passage here."

Su Chen knows that these are the laws of the chaotic world.

Otherwise, if the space channel can be destroyed, the boundary war will be a farce.

As long as the space channel is destroyed, the boundary war will not be able to continue?

Su Chen Holding Yin Ji, she nodded and said,

"I know, but if you can postpone it for some time, postpone it for some time. As long as we can delay it until our Xuantian Realm becomes stronger, it doesn't matter if the space channel appears again."

"I understand, Su Chen, we can seal this space channel first and seal this space channel for a hundred years. This is enough for our Xuantian Realm to develop and grow.

"Can we seal the space channel for a hundred years?"

Yin Ji leaned in Su Chen's arms and explained with a smile,

"Well, I have a secret sealing technique, but it requires at least five saints to help me, and if the space channel is attacked by a powerful saint, it can only last for about five years at most."

Su Chen was a little happy when he heard Yin Ji's words.

A hundred years?

Five years?

This time is enough for him. Even if it is the shortest five years, Su Chen can rely on the system and the ladder. He does not believe that in five years, he will He Xuantian Realm will not be strong enough.

Su Chen hugged Yin Ji and kissed her and said,

"Five years? This is already good, Yinji, please contact Nuwa and Ziyun and ask them to come over and seal this space channel with you."

"Okay, I will inform Nuwa and the others now."

Yin Ji nodded and began to inform Nuwa and Ziyun that the space passage in the Western Realm must be sealed in time.

Ten days later, the demonic realm from outside the realm will invade the Great Desolate Immortal Realm.

They don't have much time.

Su Chen touched He touched Yin Ji's hair and said, "I'll leave first, and I'll leave this place to you."

"I'm not by your side, so you have to be careful. If that doesn't work, I'll notify Gaia to protect you, right?"

"No need, the prehistoric immortal world itself cannot be protected, and those saints will not take action against me at this time."

"makes sense!"

Super God World!

In Tianren No. 7,

Xingtian and Jiufeng rejected the Xuanming Ancestral Witch without even thinking about it.

The Wu clan lived very well in the Xuantian realm. (To read Baoshuang novels, go to Feilu Novel Network!)

The Wu Clan has endless wars, and its cultivation resources are also very sufficient. The Wu Clan can even use innate spiritual energy to practice, which is a thousand times more powerful than the Wu Clan living in the ancient fairyland.

Xuan Ming asked with an indifferent face. He said,"Xingtian, are you going to betray the Wu Clan?"

"Xuanming Ancestral Witch, the Witch Clan has taken refuge with His Majesty the Emperor of Heaven in the Ancient Immortal Realm. This matter is known to all the gods in the Ancient Immortal Realm. The Witch Clan is no longer the Witch Clan it used to be."

Xuan Ming snorted coldly when he heard Su Chen's words,

"Humph, Xingtian, don't forget that the prehistoric immortal world is a realm created by Father God Pangu. As a witch clan, we want to protect the prehistoric fairy world. Do you want to watch the realm created by Father God be destroyed?"

Jiu Feng can't stand it anymore.

She is now Su Chen's woman and one of the queens of the Xuantian Realm. If the Wu Clan betrays Su Chen, how can Jiu Feng see Su Chen?

Moreover, the Shang Yangyao of the Demon Clan Sheng and Qinyuan Demon Saint, they have been eyeing Su Chen's side. Those demon saints of the demon clan may be eager to see the witch clan's jokes.

Jiufeng stood up and questioned Xuanming Ancestral Witch,

"Xuanming Ancestral Witch, do you know how many realms there are in the chaotic world? Do you know how many Chaos Demon Gods have resurrected in the Chaos World? The prehistoric fairy world is indeed the realm opened by Father God Pangu"

"However, Xuanming Ancestral Witch, do you know what our witch clan is like in the prehistoric immortal world when the Emperor of Heaven does not appear? The shaman tribe has been trapped in the six paths of reincarnation of Hou Tuzu shaman for millions of years."

"Protect the prehistoric fairyland? As long as the Wu Clan appears on the ancient land, all that awaits us is to be massacred. If the Wu Clan had not had the appearance of the Emperor of Heaven, the Wu Clan would have been completely exterminated in less than ten thousand years."

Xuan Ming was surprised when she heard Jiufeng's question.

She had been practicing in the Six Paths of Reincarnation after her resurrection, and she hadn't had time to ask about the situation of the Witch Clan.

This time, when

Xuan Ming heard Jiufeng's words, she felt She was very angry.

Since the Lich War, the Wu Clan did not even dare to appear in the ancient world. Xuan Ming also hated the saints in the ancient world.

Xuan Ming had a look of hatred on her face when she saw this.

She looked at Xing Tian and Jiu Feng. He opened his mouth and said,

"Xingtian, Jiufeng, please leave. It's my fault this time. You continue to lead our Wu clan to stay in Xuantian Realm. Whether the Great Desolate Immortal World will be destroyed or can survive this crisis depends on the fate of the Great Desolate Immortal World.. Hou

Tu also nodded and said, "Xingtian, Jiufeng, leave. The Wu Clan will rely on you from now on!"

After Xingtian and Jiufeng heard what Xuanming and Houtu said, they bowed respectfully. After all, Xuanming and Houtu are the ancestral witches of the Wu clan, and they still respect the ancestral witches of the Wu clan very much. Whoosh!

This At that time,

Hongjun suddenly appeared in Tianren No. 7,

"Hongjun?"

Xuanming, Houtu, and even Xingtian and Jiufeng were very angry when they saw Hongjun's appearance. It can be said that the Wu clan was almost wiped out by Hongjun's plan. They hated Hongjun very much.

Wangshu She and Turtle Spirit Mother did not expect Hongjun to appear, and they were also wary of this old bastard.

"Where is Emperor Su Chen?"

Whoosh!"

"Hongjun, are you looking for me?"

Su Chen also returned to Tianren No. 7 at this time. He did not expect that Hongjun would come to the Super God Small World again.

"Xing Tian meets His Majesty the Emperor of Heaven!"

"Jiufeng has met her husband!"

When Xing Tian and Jiu Feng saw Su Chen arriving, they all saluted Su Chen.

Su Chen waved to Xing Tian and Jiu Feng, then he looked at Hongjun and asked expressionlessly, "Hongjun, this time you What's the matter with arrival? Should Tongtian convey my thoughts to you?".

Chapter 2303

Hongjun was a little surprised when he saw Su Chen's sudden appearance.

Hongjun was a saint at the fourth level of the holy realm, but he didn't even notice Su Chen's sudden appearance just now.

How can this be?

Su Chen was just a scumbag Taiyi Golden Immortal.

How could he not notice Su Chen's appearance? Could it be that Su Chen has mastered the law of space to great perfection?

Moreover, the earth clone after the six reincarnations of the prehistoric fairyland is also here, as well as the Taiyin Goddess Wangshu who has been dead for millions of years, the Xuanming Ancestral Witch who died in the Lich War, and the Turtle Spirit Virgin who died in the Conferred God. These dead people How come people are alive?

Hongjun saw that the spirits of the three women were completely shattered. Without the existence of spirits, how could the three women of Wangshu recover? The resurrection of these three women from the dead is very strange.

Hongjun looked at "913" Su Chen waved his hand and said,

"Emperor Su Chen, this is the spiritual treasure and innate spiritual root you want. I am sending it to Emperor Su Chen this time."

Su Chen looked at the spiritual treasures floating in front of him.

Two flags, a small cauldron, a black spear, a golden lotus platform, and a green bamboo. Many of the six treasures Su Chen mentioned last time appeared in it. In front of him. Did Hongjun

, this old bastard, deliberately fight with him?

Su Chen had already made it clear that he would no longer help the Great Desolate Immortal Realm, but Hongjun came without even mentioning it. Is this old bastard trying to plot against him?
?

"Hongjun, didn't Tongtian tell you those saints? I will not help the prehistoric fairy world. You can take these spiritual treasures back."

Hongjun reminded Su Chen with a smile on his face,

"Emperor Su Chen, you are joking. Your Xuantian Realm and the Great Desolate Immortal Realm are closely related. If the Great Desolate Immortal Realm is destroyed by the demonic realm outside the realm or the ferocious beast realm,"

"Emperor Su Chen, do you think that the demonic realm outside the realm and the ferocious beast realm will let your Xuantian realm go?"

Su Chen asked with an indifferent expression when he heard Hongjun's words.

"Hongjun, are you threatening me? Hongjun shook his head and replied,

"No, Emperor Su Chen, you should know that there are many people in your Xuantian Realm. The Xuantian Realm will be exposed sooner or later. The Chaos Demon God will not let go of every realm. I think you should know this."

Su Chen finally understood.

Hongjun actually used the Xuantian Realm to threaten him?

This is really ridiculous.

No one else knows the spatial coordinates of the Xuantian Realm.

Even the three Turtle Spirit Virgin Mothers,

Su Chen also asked them to pass through the teleportation array. He first went to the Western Realm, and then returned to the Ancient Immortal Realm through the space channel of the Western Realm. Hongjun's threats were of no use to him.

Su Chen thought about it and mocked Hongjun,

"laugh! Hongjun, there are many people who know about Xuantian Realm, but do they know the spatial coordinates of Xuantian Realm? Or do you think the space mark left on my body can find the Xuantian realm?"

At this moment,

Holy Mother Guiling, Wangshu, and the three girls Xuanming looked at each other. They indeed did not know the spatial coordinates of the Xuantian Realm. The three girls Holy Mother Guiling were first transported to the Western Realm. They also came from the Western Realm. They returned to the ancient fairy world through the space passage.

This bastard, the three girls did not expect that Su Chen was on guard against them early in the morning.

Our Lady of Turtle Spirit, Wang Shu, and Xuan Ming all glared at Su Chen angrily. Although they were ungrateful to Su Chen, But it was impossible for them to reveal the affairs of Xuantian Realm.

Damn you bastard.

When Hongjun threatened Su Chen just now, the three of them should not have worried about this bastard.

At this moment,

Hongjun laughed confidently. He looked at Su Chen nodded without concealing anything and said,

"hehe....., the old Taoist has this plan!"

"Hum, break up!"

Peng (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen snorted and his body shook violently.

A golden light erupted from his body, and a muffled sound came from Su Chen's body. , the spatial imprint left by Hongjun on Su Chen was completely removed at this moment.

Bang bang bang!

Su Chen clapped his hands and asked with a smile,

"Hongjun, what do you say now? Hongjun asked Su Chen with a surprised look on his face.

"How could you possibly break my space mark? This is impossible? Even the holy realm of the tenth heaven of the saint cannot be broken."

Hongjun really underestimated Su Chen.

He used the Chaos Spiritual Treasure to create a jade disc and left a spatial mark on Su Chen.

Don't say that Su Chen is just a scumbag Taiyi Golden Immortal. Su Chen is A saint in the tenth level of the holy realm cannot break this at all.....

But Su Chen easily broke the spatial mark in front of him.

This made Hongjun simply unable to believe it.

Su Chen sat down and said with a smile,

"Hongjun, you used the Chaos Spiritual Treasure to create the jade disc that left the space mark on my body. It is indeed very difficult to break, but in the world of chaos, there is at least one person who can break it."

Hongjun asked suspiciously after hearing Su Chen's words.

"The Chaos Space Demon raised his eyebrows?"

Su Chen nodded and replied,

"Yes, Yangmei's Space Law is more powerful than what I have cultivated. My Space Law has only been cultivated to the 70% Dacheng state. Yangmei's Space Law should be cultivated to the 100% perfection state soon. Your Space Mark is even more useless to Yangmei.."

Su Chen said and waved to the angel Linglong next to him. He had been talking for a long time, but the angel Linglong even forgot to give him tea. This angel Linglong was so merciless.

Jiufeng saw Su Chen talking to the angel. Linglong waved, and she knew what Su Chen wanted Angel Linglong to do. Jiufeng waved her hand and a teapot appeared. She took the teapot and walked to Su Chen to pour him a cup of tea.

Angel looked at this in confusion. Everything, before she understood Su Chen's gesture, Angel Linglong saw Jiufeng pouring tea for Su Chen.

Angel Linglong also understood Su Chen's gesture just now, but Jiufeng had already poured tea for Su Chen, She could only happily stand aside and continue to listen to the confrontation between Su Chen and Hongjun.

"Emperor Su Chen, there are still nine days before the demon world outside the territory will launch a territorial war. The old Taoist hopes that the Emperor can think clearly."

Hongjun said and disappeared into Tianren No. 7.

He was also in trouble this time.

Su Chen was indeed the former Emperor of Heaven. He had mastered the laws of space to a great extent. Is it right to threaten Su Chen with Xuantian Realm this time? It might work.

When Su Chen saw Hongjun leaving and not taking away the six floating innate treasures, he shouted,

"Damn it, Hongjun actually left the Lingbao and left? Is this him? Are you lucky today? He actually got six innate treasures for free."

"Husband, do we want to accept the spiritual treasure left by Hongjun?".

Chapter 2304

Jiu Feng looked at the six innate treasures floating in the air.

She held Su Chen's hand and was very happy. With these six innate treasures, the saint in the prehistoric immortal world was really rich.

"Collect it, how can you not accept it if you get the treasure for nothing?"

Su Chen hugged Jiufeng's small waist and said with a smile, this time he is going to take advantage.

As for whether he can help the ancient world in the future? It depends on the development of the war in the realm. If it is advantageous, take advantage. No. If it is profitable, Su Chen will hide from a distance and watch the excitement.

Su Chen thought about it and ordered Xing Tian,

"Xing Tian, you immediately assemble 300 million witch combat legions to go to the Western Realm. The billions of divine armies in the Western Realm are under your command. You must guard the space channel between the Western Realm and the Great Desolate Immortal Realm."

"Yes, Emperor of Heaven!"

"Jiufeng, take these spiritual treasures back to Xuantian Realm. See who needs these spiritual treasures."

"Okay, then Xingtian and I will go back together."

Jiu Feng nodded to Su Chen and put away the six spiritual treasures. She and Xing Tian disappeared into Tianren No. 7.

Hou Tu looked at Su Chen with a complicated expression and said,

"Su Chen, we are leaving too!"

"Can!"

Su Chen nodded and replied.

He was not in the mood to talk to people like Hou Tu right now. What Hou Tu said today also made him a little disgusted.

This may be Hou Tu's unintentional move, but he still has important things to do. Do it.

Hou Tu glanced at Su Chen and disappeared. Xuan Ming glared at Su Chen and disappeared quickly.

Wang Shu and Guiling Shengsheng looked at each other.

They had no need to stay. Su Chen will not welcome them to stay here anymore.

"Farewell!"

"Suchen, I will never forget what you did to me."

After Wang Shu and Turtle Spirit Mother said something to Su Chen respectively, they also disappeared into Tianren No. 7. Let me go!

What does Turtle Spirit Mother mean?

Is it because they were imprisoned in the Demonic Tower of Desire ? What happened?

Well,

Su Chen didn't see a hair at first. The Holy Mother Turtle Spirit had wronged him.

Angel Linglong saw that the outsiders had left, and she asked Su Chen doubtfully,

"Mr. Su Chen, have all those people left~?"

Su Chen rolled his eyes at Angel Linglong and said speechlessly, "Did you see they are still here?"

Angel Linglong looked around and said awkwardly,

"Forehead! No, it's just that those people are very powerful, how do I know if they have really left."

Angel Linglong really doesn't know if those people in Houtu have left.

She is just a scum in the eyes of the gods in the ancient immortal world. If those powerful gods are still hiding around, Angel Linglong won't be able to find them at all.

Su Chen stood He stood up and stretched.

He saw the angels around him looking at him, and Su Chen shook his head.

Su Chen really liked beauties looking at him, but there were twenty or thirty angels and beauties looking at him together. Looking at him, Su Chen couldn't do anything he wanted to do blatantly, but it was good to admire the angels' long legs. When

Su Chen came to Angel Linglong, he patted her on the shoulder and said

"You little angel really has no expression. I've been talking for a long time, but you won't pour me a cup of tea?"

Angel Linglong said speechlessly as she avoided Su Chen's harassment.

"I.....I'm not your maid, why should I serve you tea?" (To read Baoshuang novels, go to Feilu Novel Network!)

Bang bang bang!

Su Chen clapped his hands and said loudly,

"Angel Linglong, and you angels, I solemnly announce the news that from now on I will be your Queen Kesa's male god, and you must serve me well from now on."

Angel Linglong and the other angels all showed a sure expression. They had seen Su Chen and Kesha coming hand in hand, and the angels guessed that the relationship between Su Chen and Queen Kesha was not simple.

Male god?

Queen Kesha He actually got together with Su Chen.

This was the man who stole Angel Leng and Angel Yan.

If Angel Leng and Angel Yan came back and knew about it, they might be helpless.

Eight days later, in the prehistoric fairyland,

Starry Sky Fortress!

The billions of gods in the Starry Sky Fortress looked serious at the moment. All the gods were nervously watching the outside of the fortress. There was not a single cluttered sound in the entire Starry Sky Fortress.

The dark, majestic and tall city walls, the safety barrier with blue light, the city walls With various attack formations ready, the boundary war in the prehistoric fairy world is about to break out.

Over the Starry Sky Fortress,

Tianren No. 7 also appeared here.

In Tianren No. 7,

Su Chen held Kesha and looked towards the sky outside the Starry Sky Fortress. Space passages, space passages will be completely connected in another hour, and the realm war will truly break out.

Kesha and Hexi couldn't smile from ear to ear when they looked at the Starry Sky Fortress.

The Starry Sky Fortress simply subverted their imaginations.

This It's not a fortress at all. This is simply a super fortress that is countless times larger than their Merlot Heavenly Palace. With billions of gods' armies and attack formations glowing with terrifying light everywhere on the starry sky fortress,

Kesha still thinks that Hexi , if the creatures in their world attack this fortress, they may not be close to the starry sky fortress, and all the creatures attacking the starry sky fortress will be annihilated by the powerful aura.

Queen Kesha asked Su Chen with a pale face,"Su Chen, prehistoric times The fairy world is really powerful. The lowest cultivation level of the divine army in the Starry Sky Fortress are all earthly immortals."

Su Chen looked at the army of gods in the Starry Sky Fortress and nodded.

"Well, the Great Desolate Immortal Realm used to be a top-level realm after all. When arriving at Starry Sky Fortress, less than 30% of the army of gods from the Great Desolate Immortal Realm came. The Emperor of Heaven and Buddhism did not gather all the gods from the Prehistoric Immortal Realm to arrive. If the Prehistoric Immortal Realm did not decline, the army of gods from the Prehistoric Immortal Realm would More powerful."

He Xi looked at the Great Emperor (King Nuo's) in the Starry Sky Fortress, a heavenly immortal with a nervous look on his face, without even a hint of royal demeanor. How could such a person be the current Emperor of the Great Immortal Realm?

"The current Heavenly Emperor in the ancient immortal world is too weak. You see, the Heavenly Emperor is a Heavenly Immortal, and his submissive appearance does not have the majesty of a Heavenly Emperor."

Su Chen shook his head when he heard He Xi's words,

Zhang Bairen?

The Emperor of Heaven?

This waste is just a puppet sitting on the Emperor of Heaven, even a puppet without any dignity.

In the Starry Sky Fortress, there are billions of gods in the prehistoric immortal world. The army, these should all be gathered by the saints with the help of Zhang Bairen

"As a mortal, Zhang Bairen was promoted to the Heavenly Emperor by the saints because of his great luck. He is a waste. If the Prehistoric Emperor was relied on to direct this realm war, the Starry Sky Fortress might not be able to sustain it for a day before it would be destroyed."

Chapter 2305

In the Starry Sky Fortress, the new Emperor of Heaven and the new Buddha of Buddhism in the ancient world were sitting together.

Emperor Zhang Bairen and Buddha Ran Deng.

They both came to power not long ago.

Zhang Bairen, a mortal, was promoted by the saints because of his great luck. Emperor of Heaven, the reason why the lamp was lit was because of Tathagata Duobao's apostasy, and he got his wish and became the Buddha.

Emperor Zhang Bairen looked at Buddha Lantern beside him and asked, "Buddha, after the realm war begins, can the Starry Sky Fortress resist the invasion of the demonic world outside the realm?"

"Can!"

Randeng glanced at Zhang Bairen and replied indifferently,

A mortal, a heavenly emperor who was piled into the immortal realm by pills,

Randen doesn't want to sit with him at all, and the emperor Zhang Bairen is not worthy to sit with him, if not Because of the saint, Ran Deng didn't even want to talk to Zhang Bairen.

"That's good, that's good!"

The Heavenly Emperor Zhang Bairen breathed a sigh of relief when he heard Ran Deng's words.

Billions of gods' armies actually guarded a starry sky fortress. Zhang Bairen was frightened by the realm war at first.

Zhang Bairen has been uneasy since he learned about the war.

Massacre, plunder, and destruction are what other realms want to do to the ancient world.

An unpowerful western realm has killed and injured all the creatures in the ancient world for hundreds of thousands of years. Countless, this realm war is a powerful realm, and the Primordial Immortal Realm also dispatched billions of divine armies to resist.

Emperor Zhang Bairen has never seen such a huge scene. He is sitting in the Starry Sky Fortress. The heavy and tense atmosphere here makes him very uncomfortable.

"Idiot God!"

Randeng cursed in a low voice when he heard the words of Emperor Zhang Bairen.

The outer demon world is the realm of the demon ancestor Luo Hu, and it is also the protagonist of the second great catastrophe of the prehistoric fairyland.

Luo Hu slaughtered countless creatures in the second great catastrophe. , even the prehistoric west was almost destroyed. Xiniu Hezhou in the prehistoric fairyland is still lacking in spiritual energy because of Rahu. In this realm war,

Ran Deng is not optimistic at all.

If Hongjun's strength is still there, this may end with The demon world outside the territory is 50-50 open, but Hongjun has been destroyed. The fourth level of the holy realm? This is simply impossible to be the opponent of Demon Ancestor Luohu.

In the Starry Sky Fortress, many quasi-sages looked at the space in the distance with expressionless faces. Passage, they all know how powerful Demon Ancestor Rahu is. The quasi-saints here are also very unfavorable about this realm war

, but they have no choice. If the demonic realm from outside the realm invades the prehistoric fairy world, they, the quasi-saints, will not be able to escape. One death.

Boom boom boom.....

At this time, violent vibrations erupted from the space passage, and the entire starry sky was shattered.

"coming!"

In the chaos, the six great saints of the prehistoric immortal world also became serious.

The war between the realms is really about to begin.

The demon ancestor Luo Hu of the outer demon world and even the demon soldiers and generals of the outer demon world are about to arrive from the space channel.

"coming!"

Randeng stood up hurriedly with a serious expression. He clenched his fists and became nervous. In the extraterrestrial demon world, the demon ancestor Luohu, it would be weird if Randeng wasn't nervous.

"coming!"

Many quasi-saints in the Starry Sky Fortress stood up one after another. The realm war was about to begin. The faces of these quasi-saints became serious, and even the auras on their bodies continued to burst out.

"coming!"(To read Baoshuang novels, go to Feilu Novel Network!)

The three girls Guiling Holy Mother, Wangshu, and Xuanming also stood on the dark city wall and became nervous.

Demon Ancestor Luohu, a powerful holy realm,

Whether the prehistoric fairyland can win this realm war depends on how powerful the Demon Ancestor Rahu is.

"coming!"

In Tianren No. 7,

Su Chen looked at the space passage and whispered,

Realm war, this time is a real realm war, which is different from the invasion of the wild realm by the Heaven Realm.

Although the Heaven Realm has a powerful The Chaos Demon God, but the powerful Chaos Demon Realm is just recovering and has not participated in the realm war.

This time the invasion of the extraterrestrial demon realm, Demon Ancestor Luohu will definitely come in person, and even the Seven Demon Kings under Demon Ancestor Luohu will also come, and countless demon soldiers The demon generals will all come out in force.

Demon Ancestor Luohu hates the unfairness of the prehistoric heaven and hates Hongjun for plotting against him.

Demon Ancestor Luohu will definitely bloodbath the creatures in the prehistoric fairyland, and even destroy the prehistoric fairyland.

Kesha and Hexi , and even the angels in Heavenly Blade No. 7, they were covering their hearts at this time.

The atmosphere here was too tense and depressing. It was the first time these angels encountered a realm war, and they saw billions of gods for the first time. A war was about to begin.

Kesha and Hexi were frightened by the depressing atmosphere and turned pale. The other angels were sweating all over their bodies.

"Su Chen, do you want to start?" Kesha grabbed Su Chen's hand and asked nervously.

Su Chen nodded and replied,

"Well, it's about to start, Kesha, you are a queen, what are you afraid of in a war?"

Kesha rolled her eyes at Su Chen and said speechlessly,

"How could I not be afraid? There are billions of armies of gods. I can't even count the gods who are more powerful than me here. What a grand scene the creatures in our world have gone through."

He Xi nodded beside him and said,

"Yes, you are the Emperor of the Realm, so you should be used to such scenes. But we are different from you. If you hadn't brought us to the ancient world, we wouldn't even dare to think about such a grand scene."

Su Chen shook his head when he heard what Kesha and He Xi said. This was the first time he encountered such a scene.

Su Chen had never encountered such a scene before. The realm war in the wild realm was about to begin. Realm War, this is simply insignificant and incomparable.

Boom!

At this time, tens of millions of armies of gods quickly arrived from the prehistoric fairyland.

Outside the Starry Sky Fortress, these tens of millions of armies of gods arrived. , led by several powerful quasi-sages, flew over the Starry Sky Fortress.

Three powerful quasi-sages flew over the Starry Sky Fortress and shouted,

"In the wild realm, the Queen Mother of the West (Liu Shen, the ruthless empress) brought an army of 60 million cultivators from the wild realm to help the wild fairyland resist the invasion of the demonic world outside the realm."

Randeng hurriedly flew into the air and said thanks, "Thank you so much to the fellow Taoists from the Wild Realm for coming to help the Wilderness Immortal Realm."

"The Heavenly Soldiers and Heavenly Generals of the ancient fairyland, meet Your Highness the Eldest Princess!"

"Disciples of Buddhism in the ancient immortal world, please see Her Royal Highness the Princess!"

"Disciples of Honghuang Chan's teachings! See Her Royal Highness the Princess!"

"The prehistoric monster clan, please see Her Royal Highness the eldest princess!"wide..

Many quasi-saints in the Starry Sky Fortress stood up one after another. The realm war was about to begin. The faces of these quasi-saints became serious, and even the auras on their bodies continued to burst out.

"coming!"(To read Baoshuang novels, go to Feilu Novel Network!)

The three girls Guiling Holy Mother, Wangshu, and Xuanming also stood on the dark city wall and became nervous.

Demon Ancestor Luohu, a powerful holy realm,

Whether the prehistoric fairyland can win this realm war depends on how powerful the Demon Ancestor Rahu is.

"coming!"

In Tianren No. 7,

Su Chen looked at the space passage and whispered,

Realm war, this time is a real realm war, which is different from the invasion of the wild realm by the Heaven Realm.

Although the Heaven Realm has a powerful The Chaos Demon God, but the powerful Chaos Demon Realm is just recovering and has not participated in the realm war.

This time the invasion of the extraterrestrial demon realm, Demon Ancestor Luohu will definitely come in person, and even the Seven Demon Kings under Demon Ancestor Luohu will also come, and countless demon soldiers The demon generals will all come out in force.

Demon Ancestor Luohu hates the unfairness of the prehistoric heaven and hates Hongjun for plotting against him.

Demon Ancestor Luohu will definitely bloodbath the creatures in the prehistoric fairyland, and even destroy the prehistoric fairyland.

Kesha and Hexi , and even the angels in Heavenly Blade No. 7, they were covering their hearts at this time.

The atmosphere here was too tense and depressing. It was the first time these angels encountered a realm war, and they saw billions of gods for the first time. A war was about to begin.

Kesha and Hexi were frightened by the depressing atmosphere and turned pale. The other angels were sweating all over their bodies.

"Su Chen, do you want to start?"Kesha grabbed Su Chen's hand and asked nervously.

Su Chen nodded and replied,

"Well, it's about to start, Kesha, you are a queen, what are you afraid of in a war?"

Kesha rolled her eyes at Su Chen and said speechlessly,

"How could I not be afraid? There are billions of armies of gods. I can't even count the gods who are more powerful than me here. What a grand scene the creatures in our world have gone through."

He Xi nodded beside him and said,

"Yes, you are the Emperor of the Realm, so you should be used to such scenes. But we are different from you. If you hadn't brought us to the ancient world, we wouldn't even dare to think about such a grand scene."

Su Chen shook his head when he heard what Kesha and He Xi said. This was the first time he encountered such a scene.

Su Chen had never encountered such a scene before. The realm war in the wild realm was about to begin. Realm War, this is simply insignificant and incomparable.

Boom!

At this time, tens of millions of armies of gods quickly arrived from the prehistoric fairyland.

Outside the Starry Sky Fortress, these tens of millions of armies of gods arrived. , led by several powerful quasi-sages, flew over the Starry Sky Fortress.

Three powerful quasi-sages flew over the Starry Sky Fortress and shouted,

"In the wild realm, the Queen Mother of the West (Liu Shen, the ruthless empress) brought an army of 60 million cultivators from the wild realm to help the wild fairyland resist the invasion of the demonic world outside the realm."

Randeng hurriedly flew into the air and said thanks, "Thank you so much to the fellow Taoists from the Wild Realm for coming to help the Wilderness Immortal Realm."

"The Heavenly Soldiers and Heavenly Generals of the ancient fairyland, meet Your Highness the Eldest Princess!"

"Disciples of Buddhism in the ancient immortal world, please see Her Royal Highness the Princess!"

"Disciples of Honghuang Chan's teachings! See Her Royal Highness the Princess!"

"The prehistoric monster clan, please see Her Royal Highness the eldest princess!"wide..

Chapter 2306

Starry Sky Fortress, when the Ruthless Empress appeared in the sky above the Starry Sky Fortress, after the army of gods from the ancient immortal world discovered the Ruthless Empress, the gods who had seen the Ruthless Empress all saluted the Ruthless Empress.

Heavenly Court,

Buddhism, and various forces such as Chanjiao all paid tribute to the ruthless empress.

"The eldest princess? Who is this?"

After Ran Deng heard the shouts in the Starry Sky Fortress and saluted, he looked at the ruthless empress among the three women and was confused.

The sister of the former emperor Su Chen?

The eldest princess Su Nannan?

Ran Deng hurriedly said to the ruthless empress He saluted and said, "Buddha from ancient Buddhism lit a lamp and met the eldest princess."

Ran Deng didn't expect that Su Chen's sister would come to help the Great Desolate Immortal World. So Su Chen would also come to help the Great Desolate Immortal World? Ran Deng didn't dare to be disrespectful to Su Chen's sister.

Emperor Zhang Bairen looked at the sky with a confused look on his face. Princess?

Where is the eldest princess?

The eldest princess of the wild realm?

How can a little princess of the wild realm make all the gods and armies salute?

Even the Buddha lit the lamp and hurriedly saluted the fairy?

The Emperor Zhang Bairen He was so confused that he couldn't understand, but no one around him looked at him. Zhang Bairen was too embarrassed to ask even if he wanted to inquire.

"Prehistoric Hongjun, Princess Xie comes to help the prehistoric fairy world!"

"Mr. Honghuang, thank you to the eldest princess for coming to help Honghuang Immortal World!"

"At the beginning of the prehistoric era, thank you to the eldest princess for coming to help the prehistoric fairy world!"

"The ancient world, thanks to the eldest princess for coming to help the ancient world!"

"Thank you to the eldest princess for coming to help the ancient world!"

"Prehistoric Zhunti, Princess Xie comes to help the prehistoric fairy world!"

At this time, a loud voice came from the prehistoric starry sky , and the six great saints of the prehistoric era also thanked the ruthless empress for coming to help. At this moment, in the chaotic Zixiao Palace, the six great saints Hongjun and Laozi were all He smiled, and the appearance of the ruthless empress gave them hope. The ruthless empress came to help the Great Desolate Immortal Realm. Su Chen would definitely not see anything happen to his sister, and the Xuantian Realm would no longer be able to stay out of the matter.

"Unexpectedly, things took a turn for the better. With Su Chen's sister here, Su Chen could no longer stay out of the matter."

"Yes, Su Nannan's appearance made us relieved. Emperor Su Chen couldn't stay away from the matter, and even the Xuantian Realm couldn't stay away from the matter."

"Yes, I didn't expect Su Chen's sister to be from the Wild Realm. Fortunately, we in the Great and Wild Immortal Realm have been helping us in the Wild Realm in the past. Otherwise, Su Nannan would not have come to the Great and Wild Immortal Realm to help us."

"Every cause must have an effect, this is God's will"

"No matter what, we have Su Chen and the help of the Xuantian Realm to fight against the invasion of the demonic world outside the territory. We are 50% sure to fight against the demonic world outside the territory. As long as Luo Hu's cultivation realm is not against the heavens, we in the ancient immortal world will definitely take it. The extraterrestrial demon world is blocked outside the Starry Sky Fortress"

"Well, we can only wait for Su Chen and the saints and the army of gods from the Xuantian Realm to arrive."

Hongjun, Laozi, Yuanshi and other saints talked for a while, and then they continued to look at the Starry Sky Fortress.

The arrival of the ruthless empress gave them hope. As long as Su Chen comes again soon, then this realm war will be over. They can be evenly matched with the demons outside the territory.

On the Starry Sky Fortress, the army of cultivators from the wild realm are all with strength above the Earth Fairy Realm. No matter how many cultivators come below the Earth Fairy Realm, they are still cannon fodder. Even if they arrive, Billions are not enough for the massacre in the demonic world outside the territory.

At this time, the ruthless empress looked at this with a speechless face. She was no longer the princess of the ancient fairyland. (To read Baoshuang novels, go to Feilu

Novel Network!)

The army of gods, the powerful quasi-saints, and even the saints in the prehistoric fairyland all gave her the salutes and welcomes that they should have this time. The ruthless empress felt that she should not appear in such a high-profile manner. The

Queen Mother of the West looked at When they arrived at the Starry Sky Fortress, the entire army of gods saluted the Ruthless Empress. Even the saints from the ancient immortal world welcomed the Ruthless Empress. The Queen Mother of the West looked at the Ruthless Empress and said with a smile,

"Ruthless man, I didn't expect your status to be so noble in the prehistoric immortal world. Liu

Shen patted the ruthless empress on the shoulder and said,

"Ruthless man, your brother must have been popular among the people when he was the Emperor of Heaven in the Ancient Immortal Realm. The gods of the Ancient Immortal Realm all respected you so much. If your brother arrived, the Starry Sky Fortress would definitely be abuzz with excitement."

The ruthless empress shook her head.

She didn't dare to tell Su Chen when she arrived this time. She didn't want to help the Great Desolate Immortal World.

However, the Great Desolate Immortal World helped the Savage Realm fight against the Heaven Realm more than once. This time the Great Desolate Immortal World faced There is a huge danger. It is impossible for the Savage Realm to be ungrateful, and it is impossible for her not to help the Great Desolate Immortal Realm.

At this moment, everyone in the army of cultivators in the Wild Realm looked at the Ruthless Empress with excitement. They did not expect that the Ruthless Empress was there. The identity of the ancient immortal world is also so noble.

Eldest princess?

Practitioners in the wild world all know that the ruthless empress has a powerful brother, an older brother who once served as the emperor of the ancient immortal world.

But they did not expect that the ruthless empress's brother is no longer the emperor. , but the gods of the prehistoric fairyland have not forgotten the former emperor of heaven, nor the former princess of the heavenly court.

As the army of the wild realm was placed in the starry sky fortress, the atmosphere in the entire starry sky fortress suddenly erupted with a powerful aura.

The prehistoric realm All the armies of gods in the fairy world guessed that the former Heavenly Emperor Su Chen might also arrive.

All the gods burst out with powerful auras, preparing to welcome the arrival of the Heavenly Emperor Su Chen, and to let the Heavenly Emperor Su Chen lead them to defeat the invasion of the demonic world from outside the territory.

In Sky Blade No. 7,

Empress Kesa asked with a puzzled look on her face,

"The eldest princess? The eldest princess of the wild realm? How could a eldest princess from a wild realm overwhelm all the gods in the wild fairyland? Even the saints welcomed him?"

He Xi also said with a confused look on his face,

"Queen, that woman is very powerful. She is a quasi-sage. She should be the quasi-sage in the prehistoric fairy world."

"But it's also strange"

"How could the eldest princess of the wild realm be recognized by the gods of the wild fairyland? And it seems that he respects and loves the eldest princess very much. Even the six great saints of the prehistoric times welcomed the eldest princess' arrival."

Su Chen looked confused at this moment.

He didn't expect that the Ruthless Empress would come to the Great Desolate Immortal Realm, and even bring troops from the wild realm to help the Prehistoric Immortal Realm. Su Chen had never forgotten the Ruthless Empress.

Now What to do?

The ruthless empress is involved in this realm war.

What is he going to do?

Damn it! Su Chen now wants to teach his sister a lesson. Su Yan's three sisters are enough to give him a headache. Su Chen is against ruthless people.

The empress has never worried about it, and he is confident that the ruthless empress will do anything.

But what about this time?

Why did the ruthless empress start causing trouble like the three sisters Su Yan? Why didn't the ruthless empress not help such a big thing in the ancient world? Inform his brother?

"Kesha, that's my sister, Su Nannan, and also your future sister-in-law!".

Chapter 2307

Queen Kesha and He Xi were stunned when they heard Su Chen's words, sister?

Su Nannan?

Sister-in-law?

That eldest princess is Su Chen's sister? is it possible?

Su Chen is only at the level of Taiyi Golden Immortal, and the eldest princess is a powerful quasi-sage. So she could be Su Chen's sister?

Kesha looked at Su Chen and asked seriously,

"Su Chen, are you kidding?"

He Xi glanced at Su Chen and mocked,

"I think Su Chen is deceiving us. The eldest princess is from the wild realm, and she is also a quasi-sage. You, Su Chen, are the Taiyi Golden Immortal. How could the eldest princess be your sister?"

"Come on, forget it if you don't believe it."

Su Chen rubbed his forehead and didn't bother to explain.

The appearance of the ruthless empress disrupted his plan.

This time he brought Kesha to see the excitement, but with the ruthless empress involved, Su Chen couldn't watch. He didn't save the Ruthless Empress when he was in danger. He just wanted to save his sister, the Ruthless Empress. To do this, saints must be dispatched.

Damn, dispatching one or two saints is not enough.

Riou, how many saints must be dispatched this time?

Kesha looked Looking at Su Chen's thoughtful look, 547 she felt that Su Chen didn't lie just now, but her sister was much stronger than her brother.

This was unreasonable.

Su Chen was already a monster enough, could his sister be even more monster?

Kesha thought After thinking about it, he asked Su Chen again, "Su Chen, is that eldest princess really your sister?"

"yes!"

"You didn't deceive us?"

"Deceiving you? Is it good for me to deceive you?"

Kesha and Hexi looked at each other after hearing what Su Chen said. They now believe what Su Chen said. The eldest princess coming from the wild realm should be Su Chen's sister.

Boom boom boom....

At this time, a burst of black smoke came out from the entrance of the space passage ,

"kill! kill! kill....."

A loud shout came from the space channel.

All the divine armies in the Starry Sky Fortress were immediately on alert, and all the Great Luo Jinxian and Quasi-Sages were also preparing to attack.

Whoosh!

A man in black robe suddenly appeared outside the space passage. He looked at the ancient fairyland behind the Starry Sky Fortress, and he raised his hands and shouted, (ciab)

"In the ancient world of immortality, I, Luohu, am back again."

Dong dong dong.....

In the space passage, groups of black-robed divine armies appeared quickly. In just a moment, hundreds of millions of black-robed divine armies arrived outside the space passage, and black-robed divine armies continued to appear in the space passage.

"Seven Emotions Demon Envoy, see Demon Ancestor!" Seven powerful men and women came to the side of Demon Ancestor Luohu and saluted.

Demon Ancestor Luohu waved his hand and ordered,

"The Demon Envoy of the Seven Emotions gathers the demon army from our demon world and prepares to attack the prehistoric fairy world."

"Yes, Demon Ancestor!"

Demon Ancestor Luohu looked at the Starry Sky Fortress and shouted,

"Hongjun, an old friend is here, why don't you come out and meet him?"

Luo Hu is still a little afraid of Hongjun and the ancient way of heaven. (To read Baoshuang novels, go to Feilu Novel Network!)

He is now only at the peak of the eighth level of the Holy Realm, but after so many years of training, Luo Hu guessed Hongjun's strength should be stronger than him, and even the prehistoric heaven in the top realm may be the strength of the twelfth level of the holy realm. At this moment, in the Zixiao Palace,

Hongjun and the six great saints of Laozi looked at each other seriously. With Luo Hu, who is at the peak of the eighth level of the Holy Realm, and may even reach the ninth level of the Holy Realm soon, they are unable to resist Luo Hu's strength.

There are also the Seven Emotions Demon Envoy, the Seven Emotions Demon Envoy is also in the Saint Realm, and even The realm of the third and fourth heavens of the Holy Realm.

Hongjun and Laozi looked at each other and lowered their heads. They did not dare to answer aloud or show up.

Luo Hu's strength is too powerful, here is I am in the sixth level of the holy realm, but facing the powerful Rahu, Rahu may be able to destroy me in just a few moves.

In the starry sky fortress, all the armies of gods, Daluo Jinxian, and quasi-sages are waiting for the saints of the prehistoric fairyland. Appeared, the Demon Ancestor Luohu had already called for formation, and the saints from the Ancient Immortal Realm should also appear to face Demon Ancestor Luohu. The ruthless empress did not see the Saints from the Ancient Immortal Realm appear for a long time, so she whispered,

"Hongjun did not dare to come forward. Demon Ancestor Luohu should be very powerful."

The Queen Mother of the West was surprised when she heard what the ruthless empress said, "What should we do? If the saints had not stopped the demon ancestor Rahu, this realm war would have been impossible to win. Liu

Shen rubbed his forehead and said,

"There is no way around it. Even if the saints from the prehistoric fairy world appear, they will not be able to stop the Demon Ancestor Luohu. Even if the saints are defeated, it will also affect the momentum of the divine army in the Starry Sky Fortress."

Randeng shrank when he saw Demon Ancestor Luohu appearing. He was so powerful that he didn't even dare to look directly at Demon Ancestor Luohu. When

Ran Deng saw that none of the saints from the prehistoric immortal world appeared at this time, he understood that prehistoric The six saints in the immortal world should not be the opponents of Demon Ancestor Rahu. It is impossible for the saints in the ancient immortal world to appear. The starry sky fortress may be abandoned by the saints.

After thinking about it, Ran Deng whispered to himself,

"The saints should rely on the ancient ways of heaven to deal with the demon ancestor Rahu, and the starry sky fortress should be abandoned by the saints."

The Heavenly Emperor Zhang Bairen looked at Ran Deng and asked doubtfully, "What? Buddha, what did you just say?"

"It's nothing, I was just thinking about something"

"Buddha, that demon ancestor Rahu seems to be very powerful. Why didn't the saint from the ancient world of immortality appear and destroy that demon ancestor Rahu?"

"how could I know? Just wait for the saint to appear and destroy the demon ancestor Rahu."

Randeng looked at this idiot Emperor and wanted to kick him away.

He was still annoyed that this useless Emperor was still chattering here. Randeng really couldn't stand this useless Emperor.

In Tianren No. 7,

Su Chen looked at Demon Ancestor Luo Hu frowned when he appeared. He felt that Demon Ancestor Luo Hu and the Space Demon God raised their eyebrows at similar levels of cultivation. Luo Hu should also be a saint in the eighth level of the Holy Realm. Luo Hu's aura is very powerful, and his murderous aura is also very strong. Completely killing all living beings, the Killing Demon God is really a complete lunatic. This is much more powerful than the murderous intention of the ancestor of Styx.

Kesha leaned in Su Chen's arms and asked, "Su Chen, what kind of saint is Demon Ancestor Rahu?" The saint of realm."

Su Chen guessed while holding Kesha's soft waist,

"Hongjun and other saints did not dare to show up. That madman Luo Hu was very powerful. Luo Hu's cultivation realm was either the eighth level of the holy realm or the ninth level of the holy realm."

"Su Chen, look, why is your sister flying into the air? Your sister is not going to face the demon ancestor Rahu, right?"

Chapter 2308

He Xi saw the ruthless empress flying into the air, and even flew into the starry sky outside the Starry Sky Fortress.

She was very surprised.

Su Chen's sister was just a quasi-sage.

How could a quasi-sage face a powerful holy realm?

Is Su Chen's sister preparing to seek death? The powerful Rahu can kill the ruthless empress by activating his terrifying aura. How could the ruthless empress be so unwise?

When Su Chen heard He Xi's words, he hurriedly looked towards the Starry Sky Fortress. When he saw the ruthless empress in the starry sky, his face turned dark.

What is the ruthless empress going to do?

Is it necessary for a ruthless empress to stand out?

This stupid sister, even the saints in the ancient immortal world dare not show up. Didn't the ruthless empress see that Luo Hu was invincible?

"Damn it, Nannan is so random, why should she face Demon Ancestor Luohu directly?"

Su Chen couldn't sit still.

The ruthless female "690" Emperor came forward stupidly.

This is very dangerous.

The ruthless Luo Hu simply cannot deal with a quasi-sage. What he is looking for is Hongjun, the prehistoric one. There are other saints in the fairy world.

A quasi-saint,

Luo Hu might be too lazy to pay attention to him, and might even directly kill the ruthless empress.

Kesha looked at Su Chen's darkened face and asked, "Su Chen, what are you going to do? manage?"

Su Chen rubbed his forehead and replied,

"I'm going to save my sister. Don't come out of Tianren No. 7. Tianren No. 7 is hidden in the void by me using the laws of space. As long as you don't come out, no one here can find you."

He Xi heard Su Chen's words and hurriedly persuaded him,

"How can you, a Taiyi Golden Immortal, save your sister? Su Chen, you should wait until your saint arrives!"

"I can't wait any longer. Luohu may take action at any time. I can't possibly watch my sister being killed."

"you....Be careful!"

Kesha did not persuade Su Chen.

The ruthless empress is Su Chen's sister.

It is impossible for Su Chen to watch his sister face danger and remain indifferent. If her sister Liang Bing was also in great danger, Kesha would not hesitate to save her. Liangbing

"Um!"

At this moment, in the Starry Sky Fortress, the ruthless empress flew into the starry sky in front of the Starry Sky Fortress.

She was also very helpless in her heart.

The Buddhist sect's Lantern Buddha, the quasi-sages who explained the religion, the quasi-sages of the human religion, and the prehistoric fairy world The other quasi-sages, even those quasi-sages Wangshu and Xuanming, all hope that they will come forward to talk to Luohu. The saints from the prehistoric immortal world have not shown up, which is a huge blow to the morale of the god army in the starry sky fortress.

The saints If people don't show up, the ancient divine army will think that the saints are afraid of Demon Ancestor Rahu. If no one in the Starry Sky Fortress responds to Demon Ancestor Rahu, this

will not only damage the morale of the divine army, but even allow Demon Ancestor Rahu to discover the prehistoric fairyland. The saints are not as good as him.

The ruthless empress is also very uneasy at the moment,

Demon Ancestor Luohu, this is a very powerful Chaos Demon God

"Quasi-sage? Still a woman."

Demon Ancestor Luohu didn't notice Hongjun's arrival for a long time, and he had some guesses in his mind.

Hongjun's absence made Luohu guess that Hongjun's strength was not as good as him.

Demon Ancestor Luohu looked at his demon army and saw that it was still gathering. , he is not ready to wait any longer. If

Hongjun and other saints do not appear,

Demon Ancestor Luohu will destroy the starry sky fortress in front of him. As long as he approaches the prehistoric fairy world, prehistoric Tiandao and Hongjun will appear. When the time comes, he can also touch The level of strength of Qinghuang Tiandao and Hongjun.

However, now that a quasi-sage appears,

Demon Ancestor Luohu's face turns black with anger.

He is a majestic Chaos Demon God, a supreme being in the demon world, and a saint in the eighth heaven of the holy realm.. (To read Baoshuang novels, go to Feilu Novel Network!)

A quasi-sage?

Are you looking down on him?

Boom!

Luo Hu burst out with anger and asked with great momentum,

"Female quasi-sage, are you here to die?"

The ruthless empress said with a cold face,

"Demon Ancestor Luohu, the saints of the prehistoric immortal world will not respond to you. You are a Chaos Demon God and a demon ancestor of the demon world. Since you want to invade the prehistoric immortal world, there is no need for the saints to see you."

Luo Hu snorted disdainfully after hearing the ruthless empress' words,

"Huh, ignorant junior, Hongjun didn't show up because he was afraid of me. Hongjun defeated me by joining forces with other Chaos Demon Gods. There are no other Chaos Demon Gods in the prehistoric fairy world. Hongjun didn't show up because he was afraid. I'll kill him first."

The ruthless empress agreed with Luo Hu's words in her heart.

The saints in the prehistoric immortal world were afraid of Luo Hu and did not dare to appear.

Her brother was right.

The saints in the prehistoric immortal world were all selfish people and would fight to rob them if they had any interests. If there is danger, those saints will hide like turtles.....

The Ruthless Empress has arrived to face the Demon Ancestor Rahu directly. She does not want to continue to face this powerful and terrifying Demon Ancestor Luohu. She has done everything she needs to do. The Ruthless Empress must return to the Starry Sky Fortress as soon as possible.

"Demon Ancestor Rahu, the realm war has begun. If you want to attack the Great Desolate Immortal Realm, attack it. The gods of the Great Desolate Immortal Realm will not let you invade. The gods of the Prehistoric Immortal Realm will fight to the death to prevent the invasion of the Demon Realm."

"Hahaha....."

Luo Hu laughed when he heard the words of the ruthless empress.

He looked at the ruthless empress with admiration.

Her body revealed endless killing intent, and she had even slaughtered countless creatures. This female quasi-sage was very suitable for him. Luo Hu wanted to conquer this female quasi-sage. The more Luo Hu looked at the ruthless empress, the more satisfied he became.

If the ruthless empress grew up in the future, none of the Seven Emotions Demon Envoys in the demon world could be the opponent of the ruthless empress.

"Junior, what is your Taoist name?"

"The ruthless empress!"

"Empress? Yes, you are qualified to be an empress. At least you have more courage than those saints who are greedy for life and afraid of death."

The ruthless empress looked at the demon world's army, which has reached more than one billion, and there are still more demon armies appearing in a steady stream.

She was also very shocked.

If the demon world's demon army arrived in the billions, or even tens of billions, then The Starry Sky Fortress does not need the help of the Saints of the Demon Clan. The Starry Sky Fortress will also be breached by the Demon Clan's army.

"Demon Ancestor Rahu, the prehistoric fairyland is waiting for your demon army to invade."

After Luo Hu heard what the Ruthless Empress said, he discovered that the Ruthless Empress wanted to return to the Starry Sky Fortress. Since the Ruthless Empress dared to come, how could Luo Hu let go of this subordinate he liked. If you don't surrender, you will die, the Ruthless

Empress If he doesn't surrender to himself, Luo Hu will kill the ruthless empress first to sacrifice the flag.

After thinking about it, Luo Hu said to the ruthless empress,

"The saints from the prehistoric fairy world don't show up. Can a starry sky fortress stop the attack of the demon world's army?"

"Empress, your status in the prehistoric immortal world should be high. If you seek refuge with me, I will spare your life, and I will even spare your subordinates."

"Demon Ancestor, it is impossible for me to surrender to you. If you want to fight, then fight."

Chapter 2309

In the Starry Sky Fortress, all the gods were listening to the conversation between the ruthless empress and Demon Ancestor Rahu.

Without the saints appearing, the eldest princess, a quasi-saint, dared to face the powerful Demon Ancestor Rahu. This made all the gods' armies very nervous. admire.

However, is Demon Ancestor Luohu an extremely cruel Chaos Demon God, or is he the Demon Ancestor from the outside world of demons? The gods in the Starry Sky Fortress are also worried that Demon Ancestor Luohu will kill the ruthless empress.

Especially the Ruthless Empress refused the solicitation of Demon Ancestor Luohu. If Demon Ancestor Luohu got angry and killed the Ruthless Empress, the strong men in the Starry Sky Fortress would not be able to rescue the Ruthless Empress.

Liu Shen looked at the ruthless empress with a worried look.

She could clearly see the angry expression of Demon Ancestor Luohu, if Demon Ancestor Luohu took action against the ruthless empress.

Their quasi-sages here were the accomplices who killed the ruthless empress.

After all, it was the quasi-sages here who persuaded the ruthless empress to face the Demon Ancestor Luohu.

Liu Shen said with regret, "Mother of the West Queen, we shouldn't let ruthless people face Demon Ancestor Luohu."

Queen Mother of the West said with a pale face,

"Yes, I regret it too. If the Demon Ancestor Luohu takes action against the ruthless man, we will never be able to face the ruthless brother in the future, and even the ruthless brother will kill us first."

Liu Shen thought of the ruthless empress's brother, and she felt even more regretful.

If the ruthless empress was really killed by Demon Ancestor Luohu, the ruthless empress's brother would definitely go crazy.

By then, not only would they be killed, but Even the wild realm might be destroyed by the angry Su Chen

"Now we can only hope that the saints from the ancient immortal world will take action, otherwise, it will be difficult for the ruthless empress to return to the Starry Sky Fortress"

"Willow God, will the saints from the prehistoric immortal world take action? Liu

Shen shook his head and guessed coldly,

"I don't know, but I guess that the saints in the ancient immortal world will not rescue the ruthless empress."

"Queen Mother of the West, think about it. If the ruthless empress was killed by Demon Ancestor Rahu, Su Chen would definitely avenge his sister. Those saints must be eager for Su Chen to participate in this realm war."

When the Queen Mother of the West heard Liu Shen's words, she figured out that the quasi-sages in the prehistoric immortal world just asked the ruthless empress to come forward. This must be the secret instruction of those saints.

She and Liu Shen were also stupid enough to persuade ruthless empress. Human Empress, they have done a huge mistake.

"Alas, I didn't expect that the saints in the ancient immortal world would be so selfish. The ancient immortal world was at the point of life and death. Not only were those saints greedy for life and afraid of death, they even plotted against the ruthless empress."

At this moment,

Holy Mother Guiling, Wangshu, and Xuan Ming heard the conversation between the Ruthless Empress and the Demon Ancestor Luohu.

They all looked ugly.

The Ruthless Empress must be dead.

They also guessed why the Ruthless Empress just now Those quasi-sages will work together to persuade the ruthless empress to face Demon Ancestor Rahu.

The saints in the prehistoric fairy world are preparing to sacrifice Su Chen's sister.

As long as Su Chen's sister is killed by Demon Ancestor Rahu, Su Chen will definitely do it for him. The ruthless empress takes revenge, and the Xuantian realm will also participate in this realm war. This is the purpose of those saints. The Holy

Mother of Turtle Spirit whispered with a lonely face,

"The teacher actually lied to me? Wang

Shu said with an angry expression on his face,

"We have all been deceived by those saints. The six great saints of the ancient times were really selfish. They did not dare to face the demon ancestor Luohu, and even plotted against the ruthless empress."

"If the ruthless empress was killed by Demon Ancestor Luohu, Su Chen would definitely participate in the realm war in order to avenge the ruthless empress. This would kill three birds with one stone. Xuan

Ming said hurriedly with a livid face,

"We're going to be in trouble now. The ruthless empress cannot die. We have to find a way to save Su Chen's sister. Wang

Shu shook his head and said helplessly,

"Xuan Ming, how can we save him? We might be killed before we even get close to Demon Ancestor Rahu, and the Seven Emotions Demon Envoys in the Demon Realm are all in the Holy Realm, so there is no way we can save the ruthless empress."

Madonna Guiling showed a sad expression. (To read Baoshuang novels, go to Feilu Novel Network!)

Tongtian took advantage of her.

The teacher she had always respected took advantage of her. This made Madonna Guiling a little bit unable to accept it.

Guiling The Virgin looked at the ruthless empress in the starry sky with dull eyes,

"Yes, something big is going to happen this time. If the extraterrestrial demon world is stopped or even defeated, Su Chen will not be able to let go of the ancient fairyland. We quasi-sages are all accomplices who killed the ruthless empress, and Su Chen will not be able to let go. Pass us quasi-sages."

After Wangshu and Xuanming heard what the Holy Mother Guiling said, their faces turned ugly.

Wangshu and Xuanming realized that Su Chen didn't like them. If Su Chen's sister's death was related to them, , Su Chen might really not let the three of them go.

In the starry sky,

Demon Ancestor Luo Hu's face turned cold after hearing the ruthless empress's rejection. If you don't surrender, you will die.

The ruthless empress actually refused. There is no need for him, Luo Hu, to keep the ruthless empress anymore.

Luo Hu waved his hand and ordered,

"The demon of lust killed the ruthless empress!"

Luo Hu had no intention of taking action himself. If Luo Hu

, a quasi-sage and demon ancestor, took action to kill him, it would be disrespectful of his identity as the Chaos Demon God and his identity as the demon ancestor of the demon world.

"Yes, Demon Ancestor!"

A female saint with a voluptuous figure appeared quickly. After she saluted the Demon Ancestor Luohu, the

Demon of Lust quickly destroyed her palm and attacked the ruthless empress.

"The Xuanhuang Exquisite Tower of Heaven and Earth!"

Boom!

The ruthless empress saw a saint attacking, and she hurriedly summoned the most valuable treasure of merit and virtue, the Xuanhuang Exquisite Tower of Heaven and Earth, to resist.

Poof!

The ruthless empress was shocked and flew backwards, spitting out a mouthful of blood. Although the Xuanhuang Exquisite Tower of Heaven and Earth resisted lust, The Demon Envoy's attack was too powerful for her to bear. The

Demon Envoy of Lust did not expect that her random attack would be blocked (Li Dehao). When she saw a small tower blocking the ruthless empress, she suddenly A treasure of merit and virtue?

The demon of lust did not expect that the ruthless empress had a treasure of merit and virtue.

She licked her tongue and her eyes lit up.

There was no powerful spiritual treasure in the demon world, and the spiritual treasure in her hand was still An innate high-grade spiritual treasure, a meritorious treasure, this was an unexpected big harvest for her. The lust demon looked at the ruthless empress and smiled,

"Yo! You, a quasi-sage, actually have a treasure of merit and virtue."

"Ruthless Empress, not only will I kill you this time, but I will also be able to obtain a powerful spiritual treasure. This will not waste a saint of mine to kill a quasi-sage of yours."

The ruthless empress took out a jade talisman.

This jade talisman contained Nuwa's full blow. The ruthless empress wanted to use the jade talisman to kill the demon of lust.

"Demon of lust, want to kill me? That depends on whether you have the ability"

Chapter 2310

The Demon Envoy of Lust did not care at all about the words of the Cruel Empress.

Even if the Cruel Empress had a powerful spiritual treasure, it would be useless for a quasi-sage.
boom!

"Demon of lust, I am here to kill this quasi-sage!" A strong man in black suddenly appeared and attacked the ruthless man~ The Empress. It was a treasure of merit.

The strong man in black was very jealous of this treasure of merit.

The Demon of Lust saw the sudden appearance of the Demon of Greed, and even Attacking the ruthless empress, she yelled with an ugly face,

"Greedy Demon, how dare you steal my prey?"

"Demon of lust, whoever kills this quasi-sage, the treasure will belong to him. The Demon Ancestor asked you to kill this quasi-sage. You have been grinding and moaning until now and you have not killed him. This time, I will kill this little quasi-sage for you."

"damn it!"

The Demon of Lust stared at the Demon of Greed with an ugly face.

She didn't know if Demon Ancestor Luo Hu was angry, but the Demon of Greed had already taken action. Even if the Demon of Lust took action now, he still couldn't catch the Demon of Greed. The ruthless empress saw Greed. The Demon Envoy slapped her with a palm. With her huge palm and powerful aura, the

Ruthless Empress couldn't escape at all. Before the Greedy Demon Envoy's huge palm came over, the luster of the Xuanhuang Exquisite Tower of Heaven and Earth began to dim. The

Ruthless Empress hurriedly Activate the jade talisman, boom!

The jade talisman shatters, and a huge aura suddenly appears in the starry sky.

The light dissipates, and a gorgeous woman appears in front of the ruthless empress.

"Sister-in-law, kill that saint!"

The ruthless empress shouted hurriedly when she saw Nuwa's shadow.

She knew that Nuwa's shadow could only last for a while.

After one blow,

Nuwa's shadow would dissipate.

At this moment, the gods in the Starry Sky Fortress Seeing the phantom of Nuwa Empress appearing, the ruthless empress even called Nuwa Empress sister-in-law, the gods in the Starry Sky Fortress were all confused.

In Tianren No. 7,

Kesha and Hexi looked at the phantom of Nuwa who appeared. Shadow, they were all looking at the beautiful woman in the starry sky in a daze.

A woman with peerless grace, a woman who made other women feel ashamed just looking at her, a woman so powerful that all the gods dared not look directly at her..

Hexi pointed to Nuwa's shadow and asked,"Queen, is this extremely beautiful woman Su Chen's wife?"

Kesha nodded and replied,

"It should be that Su Nannan just called her sister-in-law. This powerful, beautiful and beautiful woman should be Su Chen's wife."

Although Kesha knew that Su Chen had many wives, and they were all very powerful.

But the appearance of Nuwa's shadow made her feel ashamed. She was so gorgeous, noble and elegant, and her grace was outstanding. All this has appeared in this stunningly beautiful woman. This woman is incomparable to any other beautiful woman.

Demon Ancestor Luohu was surprised when he saw the phantom of Nuwa appearing,

"The seventh heaven of the Holy Realm? This phantom woman is actually a saint from the seventh level of the holy realm?"

Demon Ancestor Luohu looked at Nuwa's shadow, and his expression turned ugly.

A female saint from the seventh level of the holy realm is not even that old bastard Hongjun. Hongjun's old bastard must be better than this female saint. Even stronger. Damn it, is this realm war going to be defeated by Hongjun again?

After the greedy devil appeared in Nuwa's shadow, he turned around and ran away quickly.

A saint in the seventh heaven of the holy realm, he just In the fourth level of the Holy Realm, if the Greedy Devil doesn't escape quickly, the phantom female saint can kill him with one blow.

"Destroy!"

After hearing the words of the ruthless empress, Nuwa's phantom raised her right hand and pointed at the greedy demon.

Boom boom boom.....! (To read Baoshuang novels, go to Feilu Novel Network!)

A beam of light burst out from Nuwa's fingers, and the entire starry sky shook violently, making a clicking sound as if the starry sky space would break at any time. boom!

"No.....Demon ancestor save me.....ah!"

When the Greedy Demon saw Nuwa's attack, he hurriedly tried to dodge.

In the chaos, the Greedy Demon tore apart the space and was about to flee far away. But just as he tore the space apart, Nuwa's attack came in an instant.

The Demon Ancestor Greedy was unable to dodge Nuwa's attack, so he desperately asked Demon Ancestor Luohu for help.

But before he could finish his plea for help,

Demon Ancestor Greedy was killed by Nuwa's blow and turned into nothingness, even Greedy Demon Ancestor. The devil's spirit did not escape either

"I'll do it!"

"Nuwa's strength has grown so powerful?"

"A saint was destroyed in one blow?"

In the void,

Su Chen was hiding far away from the ruthless empress.

He was originally going to rescue the ruthless empress, but after he saw the ruthless empress taking out the jade talisman,

Su Chen planned to wait and see before talking, but After Nuwa's phantom appeared, she even killed a saint from the fourth level of the holy realm with one blow.

Su Chen was stunned for a moment.

The lust demon looked at the ruthless empress in fear. She did not expect the ruthless empress. There is also such a powerful backer.

A saint in the seventh level of the holy realm is only one realm away from being in the same realm as the Demon Ancestor Rahu.

The Demon of Lust is still frightened. If it were not for the greed of the Demon of Greed, he would have been killed just now. It was her.

There was silence in the entire starry sky fortress.

Not a single god in the fortress made a sound. They were all shocked by the power of Nuwa Empress.

Killing a saint with one blow, even the saint from the demon world did not even escape. , the power of Empress Nuwa made all the gods in the ancient world smile. This is still a phantom clone of Empress Nuwa. If Empress Nuwa arrives in person, the demonic world outside the realm should not be worried. At this time,

Nuwa in the starry sky The phantom began to dissipate, and the phantom slowly dimmed.

Nuwa looked back at the ruthless empress and reminded,

"Nannan, you have to be careful, this shadow of mine is about to disappear."

"Sister-in-law, I will be careful!"

The ruthless empress nodded hastily.

She was also frightened just now.

When Nuwa gave her this life-saving jade talisman before, she just thought that Nuwa could only fight back or even injure a saint, but she did not expect that Nuwa would His full blow really killed a saint.

"Um!"

After Nuwa's phantom nodded to the ruthless empress, the phantom of Nuwa in the air then completely dissipated.

"Hahaha....."

When the demon of lust saw Nuwa disappear, she laughed.

Now that the powerful female saint is gone, the ruthless empress cannot escape, and the treasure of merit will also be obtained by her.

"Ruthless Empress, your sister-in-law's clone has disappeared, and you no longer have the protection of your sister-in-law. You will still be killed by me, and your merits and treasures will also be owned by me."

After the ruthless empress heard the words of the lust demon, she showed a smile and said,

"Yeah? Demon of lust, do you think I still have the jade talisman left by my sister-in-law? Besides, do you think I am just a sister-in-law?".
