Chapter 2311

After the lustful demon heard the words of the ruthless empress, she hurriedly retreated some distance.

She didn't know if the ruthless empress still had the jade talisman in her hand, but she had to be careful.

The Demon Envoy of Lust is also worried that the ruthless empress still has the jade talisman. If those phantoms reappear just now, she will be even more unlikely to be the opponent of the phantom saint at the third level of the holy realm.

In the starry sky, billions of devil soldiers are preparing to kill fiercely, and the billions of armies of gods in the starry sky fortress are also preparing to resist the invasion of the demon army.

However, outside the Starry Sky Fortress, the ruthless empress faced a saint from the demon world alone, and even scared the saint from the demon world to retreat with just one sentence.

At this moment

, the demon army and the ancient god army all had expressions of disbelief on their faces. They looked at the ruthless empress in the sky, and they were all in a daze without making a sound.

The other saints of the demon clan, the quasi-sage, and the Great Luo Jinxian, they all did not laugh at the timid demon of lust. They all saw the power of the powerful shadow saint just now.

They killed the greedy demon envoy of the fourth level of the Holy Realm. They were all frightened by the phantom just now²⁸.

Whoosh!

"Ruthless Empress, you let me underestimate you."

The demon ancestor Luo Hu suddenly appeared in front of the ruthless empress. When he saw the ruthless empress, his face became serious.

He just didn't care about the life and death of the greedy demon envoy. Luo Hu just wanted to see the strength of the phantom saint, but he didn't expect that That phantom saint killed the greedy devil with one strike. The phantom was indeed a female saint from the seventh heaven of the holy realm.

The ruthless empress said to Luo Hu vigilantly,

"Demon Ancestor Rahu, you can't keep me!"

Luo Hu sneered when he heard the ruthless empress' words,

"laugh! Can't keep you? Ruthless Empress, even if your sister-in-law comes in person and I want to kill you, can your sister-in-law stop me?"

The ruthless empress said with a cold face,

"Demon Ancestor, I just said you can't keep me, I didn't say let my sister-in-law stop you."

"Oh, how are you going to escape from my eyes?"

The ruthless empress smiled and shouted around,

"Brother, take me away!"

The ruthless empress sensed that Su Chen was by her side early on.

This was her intuition.

This was the feeling of blood connection.

The ruthless empress could not have sensed it wrong. Her brother Su Chen must be by her side to protect her.

Whoosh!

Su Chen appeared next to the Ruthless Empress in an instant.

He did not expect that the Ruthless Empress knew that he was here. Did his sister discover him?

This is impossible.

In the chaotic world, except for the raised eyebrows of the Space Demon God, there was nothing. Man can find him hidden in the void

"elder brother!"The Ruthless Empress saw Su Chen appearing. She looked at Su Chen and lowered her head and shouted.

Su Chen touched the ruthless Empress' hair and said,

"Nanny, you came to the Great Immortal Realm privately this time, and you caused a lot of trouble for me."

The ruthless empress was embarrassed and hurriedly explained,

"Brother, I just think that the Great Desolate Immortal World has always helped the Wild Realm. This time there is a crisis in the Great Desolate Immortal World, and the Wild Realm cannot be ungrateful and not help the Great Desolate Immortal World."

The ruthless empress came to the ancient world without telling Su Chen, not even Nuwa's saint sisters-in-law.

Now that she has been caught by Su Chen, the ruthless empress is also very worried that Su Chen will scold her.

Demon Ancestor Luohu Su Chen looked at Su Chen who suddenly appeared with a confused look on his face.

A Taiyi Golden Immortal?

Is he kidding?

A Taiyi Golden Immortal was hidden around him, and he, a saint at the eighth level of the Holy Realm, didn't notice it at all. (To read Baoshuang novels, go to Feilu Novel Network!)

This is really bloody.

In the Starry Sky Fortress, the quasi-sage of the ancient immortal world, Daluo Jinxian, even saw Su Chen's army of gods, and they all looked surprised at this time, Su Chen's appearance surprised and shocked them.

Before the arrival of the Emperor of Heaven, the gods of the Great Desolate Immortal World all hoped that Su Chen could stay, but Su Chen's arrival helped the Great Desolate Immortal World? Or would he take away the eldest princess? The gods of the Prehistoric Immortal World The army has no way of knowing now.

Wangshu, the Holy Mother of Turtle Spirits, and the three girls of Xuanming were very uncomfortable when they saw Su Chen's appearance. The ruthless empress was plotted by the saints of the prehistoric fairy world, and they were also considered accomplices.

Liu Shen saw When Su Chen appeared, she smiled and said

"The cruel man can be saved. After her brother arrives, nothing will happen to the cruel man."

The Queen Mother of the West said with a complex expression,

"Liu Shen, the ruthless man can be saved, but we are going to be in trouble. It is impossible for Su Chen to let the saints who plot the ruthless man go, and we may be in trouble too."

After Liu Shen heard what Queen Mother Xi said, her face turned pale.

It was impossible for Su Chen to kill the two of them, but she would not let the ruthless empress return to the wild realm again, or even encounter her in the wild realm in the future. In the realm war, it is impossible for Su Chen to save the wild realm.

Liu Shen sighed,

"It's true that Su Chen is not only a daughter slave, but also a sister control. Su Chen will not give up this time."

The Queen Mother of the West rubbed her forehead and said,

"well! We were indeed deceived before, and the prehistoric saint's plan was really hard to guard against."

In the Zixiao Palace, the faces of the six great saints Hongjun changed when they saw Su Chen's appearance. The ruthless empress had not yet been killed by Demon Ancestor Luohu, but Su Chen arrived so quickly. Their plan was completely failed. If Su Chen had noticed the plan of the six of them, Su Chen might have turned against them immediately, and 313 might even launch a realm war against the prehistoric fairyland.

"what should we do?"

"Wait and see, why did Su Chen arrive so soon?"

"Su Chen should have been here long ago. He has been hiding in the void. The laws of space are perfect. If Su Chen doesn't show up automatically, we won't be able to discover Su Chen's existence at all."

"A scumbag from Taiyi Golden Immortal, Su Chen actually mastered the laws of space to great perfection. This is really unexpected."

"Do you think Su Chen can take away his sister?"

"I don't know, Demon Ancestor Luohu is not that easy to talk to. Maybe Demon Ancestor Luohu will kill Su Chen as well."

The six great saints of Hongjun looked at Su Chen who was confronting Luo Hu, and they started talking one after another.

The plan of the six of them failed, but now that Su Chen is facing Demon Ancestor Luo Hu, they don't believe that Su Chen can escape with his ability.

"Boy, who are you?"

Demon Ancestor Luohu looked at Su Chen and asked indifferently. He didn't even realize that a scumbag Taiyi Golden Immortal existed here. This made Demon Ancestor Luohu very angry.

"Demon Ancestor Luohu, I have seen many Chaos Demon Gods, and several Chaos Demon Gods were killed by me. Your strength is the most powerful among the Chaos Demon Gods I have ever seen. Luohu, we have no grudges. Today I am just Take my sister away"

Chapter 2312

Su Chen was very frightened when he looked at Demon Ancestor Luo Hu.

This was the second time he encountered the incredibly powerful Chaos Demon God. One was the Space Demon God Rahu, and the other was the Killing Demon God Luo Hu. Both of them were extremely powerful. terrible.

However, if the system does not deceive him, then Luo Hu still has a way to deceive him.

Luo Hu said with an indifferent expression,

"Boy, one of my men was killed by your wife, do you think I will let you go?"

Su Chen smiled and reminded Luo Hu,

"Luo Hu, you want to seek revenge from Hongjun, you want to destroy the ancient immortal world, this has nothing to do with me. Your strength is very strong, but have you not forgotten the lessons of making too many enemies?" boom!

"Do you dare to threaten the ancestor?"

Luo Hu stared at Su Chen and burst out with a powerful aura.

This scum, a Taiyi Golden Immortal dares to threaten him?

He is really impatient, making too many enemies?

Is he, Luo Hu, afraid of making too many enemies?

Lesson?

Hongjun

How could he forget that he had united with those Chaos Demon Gods who raised their eyebrows to surround him

, but now he has a powerful realm with seven.....

Uh, there are six saints in the holy realm, well, the Greedy Demon Envoy was just beheaded by Su Chen's woman 813.

However,

Luo Hu is still in the eighth level of the holy realm. There are at most five or six saints in the prehistoric fairy world.

Is Luo Hu still afraid of being surrounded and killed?

Boom boom boom!

Su Chen's Chaos Clock and the ruthless Empress's Heaven and Earth Xuanhuang Exquisite Tower all resisted Luo Hu's powerful aura.

Su Chen rubbed his forehead and shouted to Luo Hu,

"Luo Hu, I'm so damn threatening. If you tell me, I want to take my sister away, will you agree or not?"

Luo Hu was a little surprised when he looked at Su Chen's spiritual treasure.

Chaos Bell?

This is an innate treasure.

How could this little scumbag possess an innate treasure?

Luo Hu didn't pay attention to Su Chen's words.

He looked at Su Chen and asked coldly road,

"Boy, who are you? How could the Chaos Clock be in your hands?"

"who I am?"

Su Chen looked at the Starry Sky Fortress when he heard Luo Hui's words.

When he was the Emperor of the Great Desolate Heaven, the Great Desolate Heavenly Way was established to resist the invasion of the demonic world from outside the territory. It was he who first sent the divine army to the Starry Sky Fortress.

But fate played a trick on people, and

Su Chen was Forced to leave the prehistoric fairyland, (ciec) the Starry Sky Fortress will also become an obstacle to his attack on the prehistoric world.

Su Chen shook his head when he thought of this,

"Luo Hu, you can call me Su Chen. I am the same as you. You can't go back to the ancient world, and I can't go back to the ancient world now. We are still connected by the same fate."

"Suchen? Are you also a person expelled from the prehistoric immortal world? How could a scumbag be expelled?"

Luo Hui frowned when he heard Su Chen's words.

He didn't expect that Su Chen would also be expelled from the Great Desolate Immortal World. This made him unexpected. Luo Hu didn't think that Su Chen could deceive him. The Great Desolate Immortal World was right in front of him, and neither did this boy. Dare to deceive him here, but this boy is a Taiyi Golden Immortal who has a woman in the holy realm, and his sister is a quasi-peak peak saint, and this boy even has an innate treasure. Luo Hu felt that if he could conquer Su Chen, (to read Baoshuang novels, go to Feilu Novel Network!) Not only can he get a saint from the seventh level of the holy realm, but the ruthless empress is also a strong person with great potential. Thinking of this, Luo Hu said to Su Chen,

"Boy, you have good abilities, and your woman is also very powerful. If you take refuge in me, I will naturally not kill your sister."

I guess!

Luo Hu still wants to recruit him?

Damn, he is a Taiyi Golden Immortal.

Is Luo Hu crazy?

Or is he stupid after being killed once?

Su Chen looked at Demon Ancestor Luo Hu speechlessly.

Is this him?

Su Chen just wanted to leave with his sister, the ruthless empress.

Why did the cruel Demon Ancestor Luohu become so gibberish? He even wanted to subdue and recruit him.

Is this still the murderous and cruel Demon Ancestor Luohu?

Su Chen shook his head He refused and said,

"Luo Hu, forget it, I am just a little Taiyi Golden Immortal. I want to live for a while longer. I don't want to join your demon clan."

Luo Hu heard Su Chen's words and said coldly, "If you don't join, you will die!"

"No room for negotiation?"

"No!"

Su Chen's face also turned gloomy. It seems that he and Demon Ancestor Luohu can no longer have a good conversation.

Su Chen is planning to borrow the power of heaven from Xuantian Realm. Although he can only borrow it for a short period of time, as long as he can This time is enough to save the ruthless empress.

Su Chen directly communicated with the system,

"The system began to borrow the power of heaven from Xuantian Realm."

"Ding, host, the Xuantian Realm is very far away from you, and the heavenly power system in the Xuantian Realm can only last for a quarter of an hour."

"Understand, you have already told me before, start giving me the power of heaven that integrates Xuantian Realm"

"Ding, start transmitting the power of heaven."

Su Chen looked at Luo Hu and said coldly,

"Luo Hu, let me say it again, I just took away my sister, I have no interest in your enmity with the prehistoric immortal world. Luo

Hu said coldly with a cold gleam in his eyes,"Boy, no one I want to kill can escape. If you brothers and sisters don't surrender to me today, then you will die together!""

"Yeah? Not so!"

Boom! Boom!

Su Chen pulled the ruthless empress one step forward, and his realm suddenly advanced to Da Luo Jinxian. He pulled the ruthless empress one step further, and his realm advanced to the quasi-sage. Boom!

Holy realm!

After Su Chen took the ruthless empress to take the third step, his realm was directly promoted to the first level of the holy realm.

Luo Hu stared at it and was confused.

One step at a time?

Su Chen has now taken four steps. , is now a saint in the second level of the holy realm.

Luo Hu felt incredible when he looked at Su Chen.

He felt that this boy was pretending to be a pig and eating the tiger. No wonder Su Chen would have a saint's wife, a quasi-peak saint. Sister, it turns out that this bastard has been pretending to be a pig and eating the tiger.

Luo Hu became wary of Su Chen. He was worried that Su Chen would be a more powerful saint than him.

Inside and outside the Starry Sky Fortress, whether it was the army of gods from the prehistoric fairy world or the demons from the demon world, The clan demon soldiers all looked at Su Chen in shock at this time, one step at a time. Is Su Chen going to defy heaven? The

Queen Mother of the West asked Liu Shen in confusion,

"Liu Shen, what is the realm of your ruthless brother? Liu

Shen shook his head and replied in surprise,

"I don't know. Su Chen has always been in the realm of Taiyi Golden Immortal before, but now I really don't know what realm he is in. One step at a time, Su Chen is now in the second level of the Saint Realm."

Chapter 2313

Liu Shen was also very confused at this moment.

Su Chen's cultivation level was only a Taiyi Golden Immortal, but what about now?

One step at a time, is this the Taiyi Golden Immortal?

Liu Shen felt that Su Chen had been hiding his cultivation level. His sister, the ruthless empress, was at the pinnacle of a quasi-sage. Su Chen might be the scum of a Taiyi Golden Immortal.

Madam Guiling, Wangshu, and the three girls Xuanming were also confused at the moment.

Su Chen's progress made them confused. Is this still a Taiyi Golden Immortal?

After the three girls looked at each other,

Holy Mother Turtle Spirit said in surprise,

"Su Chen must have hidden his cultivation level, he has been pretending to be a pig and eating the tiger. Wangshu nodded and said,

"Yes, it is the second level of the Holy Realm. This is not a realm of cultivation that can be improved using some secret method. Xuan Ming"

Four Six Three" looked at Su Chen with big eyes and clenched his fists tightly.

"We were all deceived. I still couldn't understand how Su Chen, a Taiyi Golden Immortal, could control so many holy realms? Now it seems that Su Chen's cultivation level is much stronger than those of the saints, otherwise Su Chen would not be able to conquer so many powerful saints."

Mother Turtle Spirit shook her head and said,

"Su Chen is on guard against us, that bastard is too insidious."

Wangshu, Xuan Ming, and Mother Turtle Spirit are not angry at Su Chen for concealing his cultivation level, but they also know that Su Chen has nothing to do with them, and Su Chen has nothing to do with hiding his cultivation level from them.

In Zixiao Palace,

Saints such as Hongjun and Laozi all stood up in surprise at this moment. Su Chen's step by step made them very shocked.

Is Su Chen a saint?

Or a saint with strong cultivation?

Yuanshi saw Xiang Su Chen asked in confusion, "What is this?"How is this going? Is it possible that Su Chen is a saint? Hongjun looked at Su Chen and said in surprise,

"Su Chen borrowed the power of Heaven's way. Is there actually Heaven's way in the Xuantian realm? How can this be?"

Hongjun felt the power of Heaven's Way in Su Chen. After all, he was the spokesperson of Heaven's Way before. Hongjun was very familiar with the power of Heaven's Way, but how could a new Xuantian realm have Heaven's Way? How did Su Chen make it happen? Has the way of heaven appeared in the Xuantian realm?

I asked with a serious face, "The power of the way of heaven?" Hongjun, are you telling the truth?"

"It's true. I'm very familiar with the power of heaven. I can't feel it wrong."

Jie Yin asked with a shocked look on his face.

"Isn't Xuantian Realm a new realm? The way of heaven can only grow and appear in advanced realms and super realms. Is it possible for Su Chen to develop the Xuantian realm into an advanced realm in just a few years?"

Tongtian shook his head and reminded,

"Su Chen cannot be treated as an ordinary person. Have you ever seen anyone who was not an immortal but was granted the status of Heavenly Emperor by Heaven? Have you ever seen a Taiyi Golden Immortal be able to rule a realm? Have you ever seen that a scumbag can have more than ten saints under his command?"

The others nodded when they heard Tongtian's words. Su Chen really couldn't see it from ordinary people's eyes.

No matter what Su Chen did, it was too unexpected. The Emperor of

Heaven, the ruler of the realm, and even the more than ten saints he conquered,

This is impossible for a saint to do, but a little scumbag did it. If they underestimate Su Chen again, they may be tortured to death by Su Chen.

At this time,

Su Chen was stunned. The ruthless empress continued to walk a few steps, and her cultivation realm reached the seventh level of the holy realm. She was only one step away from reaching the same realm as Luo Hu.

Su Chen looked at Luo Hu and asked with a smile, "Rahu, can I take my sister away?"

"you.....You actually hid your cultivation realm? You have been pretending to be a pig and eating the tiger."

Luo Hu looked at Su Chen with a gloomy face.

This bastard is so insidious. He is a saint from the seventh level of the holy realm. This bastard actually pretended to be a Taiyi Jinxian.

No wonder Su Chen would also be expelled from the prehistoric immortal world. A Taiyijin. How could an immortal be expelled from the ancient world? Only powerful saints would be expelled from the ancient world.

Damn it,

Luo Hu should have thought of this a long time ago

"laugh! This is my business, Rahu, do you still want to stop me from taking away my sister?"

Luo Hu shouted with a sullen face, (To read Baoshuang novels, go to Feilu Novel Network!)

"Su Chen, if you were only in the seventh level of the Holy Realm, do you think you could take your sister away?"

Su Chen shook his head when he heard Luo Hu's words and said, "Isn't the seventh level of the Holy Realm enough? Then go ahead!"

Boom!

After Su Chen took the ruthless empress one step further, his realm was promoted to the eighth level of the holy realm.....

Luo Hu saw that Su Chen had taken another step, and that

Su Chen had reached the eighth level of the holy realm. This made Luo Hu open his eyes wide and feel incredible.

The eighth level of the Holy Realm, this is the same level of cultivation as him.

How can this be?

How can this be?

How did this kid do it?

Could it be that Su Chen really hid his cultivation level? But why would a powerful saint hide his cultivation level?

Luo Hu was now very afraid of Su Chen, a monster at the same level as him.

He felt that he should have agreed to let Su Chen take away the ruthless empress.

Luo Hu was afraid that if Su Chen took another step, this boy's level would be raised to the level of a saint. Realm of the ninth heaven.

Su Chen's cultivation realm was raised to the eighth level of the Holy Realm.

He looked at Luo Hu and asked again,

"Rahu, can I take my sister away? Or do you think I'm not strong enough to take my sister away?"

"you....."

"Not enough? Then again....."

"Enough, enough, Su Chen, you can take your sister away, I won't stop you."

Luo Hu is afraid of Su Chen, this insidious bastard.

He doesn't want to see Su Chen improve his level now.

Luo Hu's bold words this time are about to be dampened by Su Chen and he will lose his fighting spirit. If Su Chen's cultivation level continues to improve, he might be frustrated and give up attacking the prehistoric immortal world.

Su Chen was relieved when he heard Luo Hu's words.

Well, the strength of the holy realm made Su Chen feel like he was floating, but he was just a parallel import of the holy realm. The eighth heaven is not pretending to be a pig to eat the tiger.

If Luo Hu attacks him, it is impossible for Su Chen to resist Luo Hu's attack. Although he has the realm of the eighth heaven of the holy realm, he is just an empty shell.

As long as Luo Hu attacks him If he launches an attack,

Su Chen may be exposed.

After all, the Xuantian realm is too far away from him.

Although Su Chen has borrowed the power of heaven from the Xuantian realm, as long as he uses the power of heaven to fight, the power of heaven will be enough for one or two breaths. It may disperse within a short period of time

"Luo Hu, I said I was just taking my sister away this time. You and I have the same experience. We are both expelled from the ancient world. You can continue to attack the ancient world. I will not participate."

Chapter 2314

Luo Hui nodded when he heard Su Chen's words.

If Su Chen did not participate in this realm war, it would be a good thing for him.

However,

Luo Hu was a little confused.

Su Chen's strength level was so strong. He Why not take action in the prehistoric fairyland?

Is it because of Hongjun? Luo Hu didn't know how powerful Hongjun was , but he felt that Su Chen should know Hongjun and his cultivation level. Luo Hu looked at Su Chen and asked,

"Su Chen and Hongjun are saints in what realm of the Holy Realm?"

Su Chen laughed when he heard Luo Hu's words and said,

"Haha, Luo Hu, you will know after you try it. Hongjun's level of strength will definitely surprise you."

Luo Hu frowned when he looked at Su Chen who was laughing. There is no difference between what this bastard said and what he didn't say.

What kind of holy realm is Hongjun?

Why does it surprise him?

Hongjun's realm is stronger than him. ?

Or weaker than him?

"Disperse!"

Su Chen waved his hand, and his cultivation realm quickly regressed. He reached the eighth level of the holy realm.....Holy Realm Seventh Heaven.....Holy Realm Third Heaven.....Holy Realm First Level.....quasi-sage....Daluo Jinxian.....Taiyi Golden Immortal.

In just an instant,

Su Chen's cultivation level returned to Taiyi Golden Immortal.

Luo Hu looked at Su Chen with a puzzled look.

He didn't expect that Su Chen hid his cultivation level in front of him, but what kind of secret method was this? Luo Hu didn't even see how Su Chen had hidden his level of cultivation.

Su Chen saw that Luo Hu had been looking at him, and he was not worried that Luo Hu would dare to take action against him at this time.

Although Su Chen dispersed the power of heaven, he had already suppressed Luo Hu. He did not dare to deal with him until Luo Hu understood his true situation.

Su Chen waved his hand to Luo Hu and said,

"Rahu, I will be around to watch the realm war you launch. I hope you can take revenge this time~"

"I will definitely kill Hongjun, and I will destroy the prehistoric fairyland."

"I hope so!"

Su Chen hugged the ruthless empress and suddenly disappeared in front of Luo Hu.

Luo Hu saw Su Chen disappearing with the ruthless empress.

He hurriedly looked around.

Su Chen said that he would be around to watch him attack the ancient world. Luo Hu wanted to
Let's see if we can find where that bastard is hiding.

Damn!

This little scumbag!

Luo Hu searched for a while but couldn't find any trace of Su Chen. He felt that Su Chen was more sinister than Hongjun.

Although Hongjun was cunning and cunning,

But he didn't hide his cultivation level at all.

Su Chen was not only sinister, but also wanted to pretend to be a pig and eat the tiger.

Luo Hu felt that Su Chen might be even more sinister and cunning than Hongjun.

"seven.....Daman, the Demon Envoy of the Six Emotions, ordered the demon army to start attacking the starry sky fortress in the ancient fairyland."

"Yes, Demon Ancestor!"

The remaining six-emotion demon envoys immediately saluted and replied. They all saw the displeasure of Demon Ancestor Luohu. If they angered Demon Ancestor Luohu at this time, they might be killed by the ferocious Demon Ancestor Luohu.

"attack!"

Boom boom boom.....

As billions of demon troops heard the order to attack, the entire starry sky continued to shake, and a huge murderous aura instantly enveloped the entire space in the starry sky.

"Kill, don't let go of any creature in the ancient immortal world, massacre them all." (To read exciting novels, go to Feilu Novel Network!)

"attack! Break through the starry sky fortress and enter the prehistoric fairyland"

"The killing has begun, the demons in the demon world, slaughter as much as you like!"

"Rush for me, fight into the starry sky fortress, fight into the prehistoric fairy world"

"The destruction has begun. The demons are rushing into the ancient world and destroying it.".....

Among the demon army,

Daluo Jinxian, who commanded the attack of the demon army, mobilized the demon army to enter the starry sky fortress, enter the ancient fairyland, and destroy the ancient fairyland. This is the real purpose of launching a boundary war in the demon realm.

In the Starry Sky Fortress,

Ran Deng saw the Demon Realm starting to attack, and he hurriedly ordered,

"Open the defensive barrier and prepare to resist the attack of the demon army."

"what to do? what to do?"

When the Heavenly Emperor Zhang Bairen saw the demon world starting to attack, he stood up in fright and wanted to hide in a safe area, but this was the Starry Sky Fortress, and Zhang Bairen couldn't do anything even if he wanted to seize it.

Boom boom boom.....

The defensive barrier of the Starry Sky Fortress was opened, and blue protective shields enveloped the entire Starry Sky Fortress. The attacks of the Demon World Demon Army were temporarily blocked.

The Arrogant Demon Envoy saw the barrier protective shield of the Starry Sky Fortress.

He waved his hand and ordered loudly,

"Daluo Jinxian came out and smashed the defensive barrier for me."

Boom boom boom boom....

Hundreds and thousands of Daluo Jinxian quickly attacked the barrier protective shield. For a moment, the entire starry sky was violently shaken, making continuous creaking sounds.

None of the saints from the demon world took action.

They were all waiting for the arrival of the saints from the prehistoric fairy world. Soldiers faced soldiers and generals. Saints naturally had to deal with saints, and saints did not bother to take action against some scum.

In Tianren No. 7, after Su Chen arrived with the Ruthless Empress, he was sternly preaching to the Ruthless Empress.

Fortunately, this time he came to the ancient starry sky to watch the war in the realm. If he had not come to the Starry Sky Fortress, the Ruthless Empress would really have been He was plotted by the saints in the prehistoric immortal world to fall.

Keisha and Hexi looked at Su Chen with speechless expressions as he preached to his sister.

Is this preaching?

Su Chen was obviously reminding the ruthless empress about being plotted against, and even teaching the ruthless empress what to do if she encounters such a situation again. This bastard is really a girl control.

After the ruthless empress heard Su Chen's words, she asked with a surprised look on her face,

"Brother, are you saying that I have been plotted by the saints of the ancient immortal world?"

Su Chen touched the ruthless empress's hair and said,

"Of course, Luo Hu's name is Zhen Hongjun. Hongjun is a saint at the fourth level of the holy realm. Does he dare to appear in front of Luo Hu?"

"You just represent a quasi-sage in the wild realm. When facing a strong man like Luo Hu, even other saints in the prehistoric immortal world are not qualified. You said that you were asked by the quasi-sages in the prehistoric immortal world to face Luo Hu, you Hong Xian Is Li qualified to face Rahu?"

"This is the prehistoric fairyland. Is there no powerful quasi-sage in the prehistoric fairyland? Head"

"Sister, think about it, if you were killed when you went to face Luo Hu, would I, your sisters-in-law, and even our Xuantian Realm want to avenge you?"

"The saints in the prehistoric immortal world just want you to be killed by Rahu. They all want our Xuantian realm to participate in this realm war."

Chapter 2315

After the ruthless empress heard Su Chen's words, she thought about the previous requests made to her by the quasi-sages of the ancient immortal world.

At that time, such quasi-sages as Ran Deng, Kong Xuan, Yun Zhongzi, Taiyi Zhenren, Guiling Holy Mother, etc., they all said He has the highest status in the Starry Sky Fortress, and he should face Demon Ancestor Luohu by himself.

If the saints do not appear, someone in the Starry Sky Fortress must come forward, otherwise it will be detrimental to the momentum of the divine army in the Starry Sky Fortress. The ruthless empress did not want to face Demon Ancestor Rahu at that time, but even Liu Shen- and the Queen Mother of the West also persuade her.

The ruthless empress reluctantly agreed to stand up for the Great Immortal Realm.

However, this turned out to be the saints' plan against her.

All of this was to make the Demon Ancestor Luohu kill her, so that her brothers and sisters-in-law, and even the Xuantian Realm could launch a realm war against the demonic realm outside the realm.

Su Chen saw that the ruthless empress' breath was unstable, and he guessed that the ruthless empress was angry about being plotted against.

Su Chen patted the ruthless empress on the shoulder and said,

"do not be angry!"

"Nanny, you don't have to go back to the Wild Realm anymore. You don't owe the Wild Realm anything. Besides, you dispatched the divine army of the Xuantian Realm last time, which has helped the Wild Realm survive the catastrophe."

"The Heaven Realm has also been completely destroyed. Your home is in the Xuantian Realm. You will return to the Xuantian Realm to be your eldest princess."

The ruthless empress clenched her fists tightly and nodded.

"I know, brother!"

Su Chen asked,

"Nannan, are you going back to the Xuantian Realm?"

"I....."

The ruthless empress hesitated after hearing Su Chen's words.

Returning to Xuantian Realm?

What about the wild realm?

There are no saints in the Wild Realm.

If she leaves the Wild Realm, there will only be two quasi-sages, Liu Shen and Xi Huang Mu, in the Wild Realm. If other realms invade the Wild Realm, Liu Shen and Xi Huang Mu will be the only saints left in the Wild Realm. , they may not be able to protect the wild realm.

Su Chen looked at the hesitation of the Ruthless Empress, and he knew that the Ruthless Empress didn't want to give up the wild realm, but that's right, if the Ruthless Empress gave up the wild realm, the Ruthless Empress wouldn't be the most gorgeous and ruthless Empress..

Su Chen stroked the ruthless empress' hair and sighed,

"well! Nannan, you go back to the Xuantian Realm. As long as you improve your strength to the Holy Realm, I won't care where you go."

"Also, your sister-in-law Yin Ji has a top-quality innate spiritual treasure, the God-killing Spear. You only have one defensive merit treasure, the Xuanhuang Exquisite Tower, and no attack spiritual treasure. Ask your sister-in-law to give it to you. use"

"Thank you brother!"

After the ruthless empress heard Su Chen's words, she smiled.

Holy realm?

As long as she retreats in the time barrier of Merlot Heavenly Court for a period of time, the ruthless empress will soon advance to the holy realm.

After all, there is a time barrier. In the world, with rich innate spiritual energy and countless resources for her to use, it is very easy for the ruthless empress to advance to the holy realm from the pinnacle of the quasi-sage.

Kesha and Hexi shook their heads when they looked at the brothers and sisters Su Chen. Shaking his head, Su Chen was really kind to his sister. She got into such a big trouble, but the brother didn't even scold her.

He Xi looked at Kesha and teased, "Kesha, this is your sister-in-law, don't you?" Come up and say hello?"

Kesha was very speechless when she heard He Xi's words. Does she dare to step forward now?

The ruthless empress's unsteady breath just now frightened her. A quasi-sage strong man is stronger than her. Countless times, Kesha didn't want to step forward and be slapped in the face.

If the ruthless empress disliked her or even disliked her low strength, it would be very embarrassing.

Kesha rolled her eyes at He Xi and said helplessly,

"He Xi, have you ever seen such a powerful sister-in-law? Have you ever met my sister-in-law who is many times older than me? I'm worried that this sister-in-law will blow me into nothingness in one breath"

"hehe....."

He Xi laughed when he saw Kesha's depressed look.

Queen Kesha was right. Su Chen's sister was too powerful and had a cold and noble look. This made other people know that the ruthless empress was not good at a glance. get along.

Kesha looked at the smiling He Xi and shook her head.

He Xi must be mocking her, but Kesha didn't care. She guessed that Su Chen couldn't let He Xi, the most beautiful girl in the angels, sooner or later. Will have the same experience as her

"Kesha, this is my sister Su Nannan"

"Girl, this is your sister-in-law Kesha, she is an angel."

Su Chen took the ruthless empress to Kesha and introduced each other. (To read cool novels, go to Feilu Novel Network!)

Kesha looked at the ruthless empress and nodded, "Nanny, you can call me Kai. Sha"

"I'd better call you sister-in-law, otherwise my brother will be unhappy."

The ruthless empress shook her head and said to Kesha.

She has encountered such scenes many times.

She is also very speechless towards her brother Su Chen.

There are so many women, but her brother Su Chen is still looking for women everywhere, even They also found some women from the small world. The ruthless empress was also very helpless about this.

If this were Su Yan's three sisters, they would all be very happy.

With one more aunt, the three sisters would have one more supporter. They might be eager for Su Yan to Chen Duo is looking for some women.

He Xi stepped forward and introduced the ruthless empress with a smile, "Hello, Nannan, my name is He Xi."

"Hello Hexi!"

The ruthless empress nodded to He Xi, and she looked at Tianren No. 7.

Everything here made her curious.

After the ruthless empress checked Tianren No. 7, she became somewhat interested in technology. , a technological warship, was actually refined into a combat spirit treasure from the best materials.

Although the quality of this spirit treasure is not very good, if it is refined properly, this combat spirit treasure may become an innate low-grade spirit treasure. Fighting It is easy for Lingbao to kill some Jinxian and gods below.

At this time, the barrier protection barrier of the Starry Sky Fortress was broken. It took hundreds of demons, Daluo Jinxian, nearly a quarter of an hour to break through the barrier barrier. , the Demon Realm's demon armies overtook the Starry Sky Fortress and killed them.

"The attack formation is activated, attack me!"

On the Starry Sky Fortress, attack formations were activated one by one, and huge beams of light surpassed the demon army and attacked.

"Turn on magic shield defense, turn on magic shield defense."

The quasi-sage of the demon world saw the Starry Sky Fortress's attack formation activated, and the demon world's defensive magic shields were immediately activated.

Huge black magic shields appeared in front of the demon army, and the dark and terrifying magic shields shot towards a huge skeleton. The head is the same, making people feel very scared just looking at it.

Boom boom boom boom.....

After the Starry Sky Fortress's attack formation collided with the demon clan's magic shield defense, some of the magic shields were penetrated, and hundreds of thousands of the demon clan's army were wiped out in an instant.

"Hongjun, if you don't show up again, the saints from the demon world will attack the starry sky fortresses from the ancient fairy world."

Chapter 2316

Luo Hu saw that the defense of the Starry Sky Fortress was stronger than he thought, and the demon army might not be able to attack it for a while.

Luo Hu didn't want to wait too long.

He wanted to attack the Great Desolate Immortal Realm as soon as possible, kill Hongjun, and destroy the Great Desolate Immortal Realm.

This was what he wanted to do most after he recovered.

When Luo Hu saw that Hongjun hadn't appeared for a long time, he ordered coldly,

"Lazy Demon Envoy, Arrogant Demon Envoy, you help the demon army break the starry sky fortress"

"Yes, Demon Ancestor!"

Boom!

The Lazy Demon and the Arrogant Demon instantly appeared in front of the Starry Sky Fortress. They each waved their hands and attacked the Starry Sky Fortress.

One blow!

With one blow from each of the two saints, the black wall of the Starry Sky Fortress was broken and a huge gap was opened..In the Starry Sky Fortress, after a moment of tremors, a huge gap appeared in the Starry Sky Fortress.

The armies of gods from the Great Desolate Immortal Realm were all panicking and wanted to block the gap. If the demon army from the Demon Realm rushed into the Starry Sky Fortress, then the frontier of the Great Desolate Immortal Realm would be destroyed. The fortress would be lost, and the prehistoric fairy world would be in danger.

When Ran Deng saw a huge gap being blasted out of the 28 Starry Sky Fortress, he hurriedly ordered loudly,

"Guard the gap, and you must not let the demons rush in. All the heavenly soldiers and generals from heaven and the Buddhist soldiers from Buddhism come to me. Quickly block the gap in the starry sky fortress."

A quasi-saint strongman from the demon clan roared,

"Kill, our saints have opened the gap, rushed into the starry sky fortress, and killed all the creatures in the ancient fairy world."

"kill!"

"The time has come for the killing spree, kill me!"

"Slaughter the gods of the prehistoric immortal world for me, leaving no one behind"

"Come to me and kill all the creatures in the wild."

The quasi-saint strongman of the demon clan shouted and ordered the army to rush into the starry sky fortress. A huge gap has been opened in the starry sky fortress. The demon clan's army is no longer blocked by the starry sky fortress. They can rush into the starry sky fortress as much as they want and start. Massacre.

In the sky above the Starry Sky Fortress, the black army of demons continued to fly towards the gap. Although the army of gods from the ancient immortal world struggled to stop them at the gap, the demonic armies who were not afraid of death rushed in one after another.

The gap in the Starry Sky Fortress , one by one the gods were killed, and even some gods were blasted into nothingness.

The corpses of gods were everywhere in the gap, including the corpses of gods from the prehistoric fairy world, and more corpses of gods from the demon world. The blood of the gods turned the gap between The black city walls were dyed red.

In Tianren No. 7,

Kesha, Hexi, and the ruthless empress sat together and watched the war in the Starry Sky Fortress.

Since the saints from the demon world took action, the Starry Sky Fortress in the prehistoric fairyland has been The danger is imminent. If the saints of the ancient immortal world do not take action, the Starry Sky Fortress may be captured by the demon army within a day.

He Xi looked at the Starry Sky Fortress and shook his head and said,

"The Starry Sky Fortress is about to be finished. If the saints from the prehistoric fairy world don't appear again, the Starry Sky Fortress cannot be defended at all."

Queen Kesha nodded and said,

"Yes, in just a short time, hundreds of millions of gods were killed or injured in the Starry Sky Fortress. The gap in the Starry Sky Fortress was a meat grinding ground. Such a war was really frightening to watch."

The ruthless empress said with a cold face,

"This is nothing. You have never seen the scene of the wild realm being invaded by the heaven realm."

"Hundreds of millions of living beings were slaughtered in a day, or even tens of billions of living beings in an area were slaughtered in a month. That would be a real river of blood, with not even a blade of grass growing."

He Xi said helplessly after hearing the words of the ruthless empress, (To read Baoshuang novels, go to Feilu Novel Network!)

"The war between gods is not something that creatures from the small world can participate in, nor are they even qualified to watch."

Kesha nodded when she heard Hexi's words.

The war between the gods is indeed not something that the creatures in their world can participate in. They are not even qualified to watch.

If Kesha and Hexi observe the war at close range, they may also be huge. Killed by the evil spirit.

The ruthless empress suddenly saw Liu Shen being surrounded by three demon quasi-sages.

She hurriedly shouted to Su Chen who was resting on the side,

"Brother, I want to save the army in the wild realm. Liu Shen and Xi Huangmu are also in the Starry Sky Fortress. I can't watch them being killed."

Su Chen opened his eyes and took out the Chaos Clock and said helplessly,

"Go ahead, take my Chaos Clock with you, but don't take action. As long as the troops from the Savage Realm and Liu Shen and the others withdraw from the Starry Sky Fortress, the demon army will no longer massacre them."

"Thank you brother!"

The ruthless empress took Su Chen's Chaos Clock and disappeared instantly, but she disappeared several times and appeared next to Su Chen. She was very speechless when she looked at Su Chen.

The ruthless empress forgot in her hurry that she was still with Su Chen. In the space barrier arranged, without Su Chen sending her out, the Ruthless Empress would not be able to leave here.

Su Chen laughed when he saw the Ruthless Empress being speechless.

He had not yet said that he would send the Ruthless Empress out. , his sister was anxious to leave. Su Chen did not expect that the Ruthless Empress, who had always been steady and cold, also had the playful look of a young woman. He

Xi and Kesha also smiled.

The Ruthless Empress had always been very cold and noble in front of them. , even with a calm expression.

Now the Ruthless Empress is speechless and depressed. They feel that the Ruthless Empress is not an inhumane person.

"Don't be depressed, I'll take you out." Su Chen smiled and waved to send the ruthless empress out.

When Kesha came to Su Chen, she asked worriedly, "Su Chen, aren't you worried that something will happen to your daughter?"

Su Chen replied holding Kesha's plump waist,

"Kesha, the saints, quasi-sages, and even Daluo Jinxian of the demon clan have all seen what happened before, and they dare not take action against Nannan. As long as Nannan is not prevented from attacking the demonic world outside the territory, Demon Ancestor Luohu will not dare to let his The demons take action."

He Xi nodded and said,

"Well, Su Chen is right, but Su Chen, how did you become a saint all of a sudden just now? And he is also a saint as powerful as the demon ancestor Rahu?

Su Chen looked at He Xi and asked maliciously, "He Xi, you want to know?"

He Xi nodded and replied with wide eyes,

"I would like to know!"

Su Chen coughed lightly and smiled,

"Well, actually, only people in our family can know this secret. If I tell you, then you will become our family. Are you still willing?"

He Xi understood the meaning of Su Chen's words.

This bastard really wanted to take advantage of her.

Su Chen had already captured Queen Kesha of their angels, Angel Yan, the holy left wing guard, and Angel Leng, the leader of the Angel Legion. Now, He also had evil thoughts about her, the Tianji King.

He Xi didn't know what to say to this shameless person.

She pretended not to know anything and said,

"Suchen, Kesha is my sister, and I can also be considered your family, right?".

He Xi didn't know what to say to this shameless person.

She pretended not to know anything and said,

"Suchen, Kesha is my sister, and I can also be considered your family, right?".

Chapter 2317

Su Chen was stunned when he heard He Xi's words.

Damn, is He Xi pretending to be stupid?

Is this what you mean by a family?

Su Chen looked at He Xi who was pretending not to understand, and he wanted to capture this white-haired beauty directly.

However,

Kesha was in his arms, and it was impossible for Su Chen to blatantly tease He Xi now.

Kesha pinched Su Chen's waist and became very angry. This bastard actually wanted to tease He Xi in front of her.

Although Kesha knew that this bastard would definitely take action against Hexi, where was this place now?

There is a war going on outside with billions of armies of gods. Is now the time to flirt with women?

Su Chen hugged Kesha tightly and coughed,

"Hey, Hexi, since you are Kesha's sister, of course we are family. He

Xi smiled and continued to ask, "Su Chen, tell me how you became a saint just now?"

Kesha also asked Su Chen doubtfully,

"Yes, Su Chen, why did you become a saint just now? You can even scare Luo Hu into letting you and Nannan go."

Su Chen nodded and explained,

"I just borrowed the power of Heavenly Dao. You all already know what Heavenly Dao is. The Heavenly Dao of Xuantian Realm is the eleventh level of the Holy Realm. I just borrowed the power of Heavenly Dao of Xuantian Realm."

"Because Xuantian realm is too far away from me, I only have a short quarter of an hour to use the power of heaven, and I can't take action, otherwise my secret will be exposed."

When Kesha and Hexi heard Su Chen's words, they realized that the Heavenly Way of the Xuantian Realm is actually the eleventh level of the Holy Realm, which is a higher level than the Heavenly Way of the Ancient Immortal Realm.

They are even more familiar with the Xuantian Realm. Are you curious,

Merlot Heavenly Court?

The Heavenly Court in Su Chen's Xuantian Realm is also called Merlot Heavenly Court. This is the same name as the Merlot Heavenly Court in their Angel Nebula. They and Su Chen are really very destined. He

Xi rolled his eyes at Su Chen He mocked, "It turns out you were just an empty shell of a saint."

Su Chen didn't want to hear He Xi's ridicule to him.

Although he was indeed an empty-shell saint, He Xi didn't have to say it so openly, right?

Where would he put his old face?

"Hey, Hexi, how could I be an empty shell of a saint? This is mainly because the Xuantian realm is too far away from me, and the power of heaven I borrowed is too short, and once used, it cannot be replenished."

Kesha looked at Hexi and reminded,

"He Xi, pay attention to what you say."

Kesha is worried that if He Xi goes to the Xuantian Realm in the future and she still talks to Su Chen like this, the powerful people in the Xuantian Realm may have objections and may even take action against He Xi.

He Xi Xi exclaimed in surprise when he heard Kesha's words,

"ha? Kesha, we have been sisters for tens of thousands of years, and now you are trying to squeeze me for your boyfriend?"

"He Xi, we are a husband and wife, are you envious?" Su Chen hugged Kesha, kissed him and said angrily to He Xi. He had not forgotten that He Xi had mocked him just now.

"snort! I'm too lazy to talk to you."

He Xi looked at Su Chen and Kesha making love to each other in front of him.

She was a little envious in her heart. Kesha seemed to be a different person since she had a male god. Kesha was not only more beautiful, but also even The charm of a woman is also very attractive. At this time, Kesha saw the ruthless empress arriving at the Starry Sky Fortress, and even wanted to save a woman who was besieged by three powerful demons. Kesha hurriedly reminded Su Chen, "Su Chen, look, Nannan only wants a woman." Su Chen looked over hurriedly when he heard Kesha's words. (To read Baoshuang novels, go to Feilu Novel Network!) Although it is impossible for a strong man from the demon clan to take action against the ruthless empress, he is not afraid of anything but 10,000. , Su Chen was also worried that if those demons attacked the Ruthless Empress, he would also take action in time to save the Ruthless Empress. He Xi also looked over hastily, she admired the Ruthless Empress very much, and the Ruthless Empress had just When asked about her technology, He Xi and the ruthless empress also spoke very

speculatively. At this time, in the starry sky fortress, the demon army from the demon world had already rushed into the starry sky fortress, and the army of gods from the prehistoric fairyland had suffered heavy casualties. It might not take more than a day. The starry sky fortress may be occupied by the demon army, and the army of gods from the ancient immortal world may also be occupied.

Slaughter the light.

Liu Shen is being besieged by three quasi-sages at this moment, and the Queen Mother of the West is also besieged by two quasi-sages.

It is very difficult for the two of them to get together. The 70 million people who came from the wild realm this time have cultivated into the army. , nearly half of them have been killed or injured by now.

The Starry Sky Fortress was breached by the demon army, and the saints from the ancient world of immortality have not yet appeared. Liu Shen is extremely disappointed with the saints from the ancient world of immortality.

"Die!"

"Attack with all your strength, this quasi-sage won't be able to hold on anymore"

"Haha, the flesh and blood of this quasi-sage must be very delicious, I can't wait to devour her."

The three quasi-sages of the demon race quickly surrounded and killed Liu Shen.

They had been fighting with Liu Shu for more than an hour, but when a quasi-sage faced the siege of three of them, the three of them did not kill him immediately. Death, this is their shame.

Boom boom boom!

The terrifying fight of the four quasi-sages made all the gods around them afraid to approach.

This area was completely destroyed by the battle. If the Starry Sky Fortress had not been blessed by the prehistoric heaven, , maybe this area has long been reduced to nothingness by the horrific battle.

"Damn it, I'm going to die here this time."

There is blood at the corner of Liu Sheng's mouth.

She is also seriously injured now. Three powerful quasi-sages are surrounding her. It is not easy for Liu Sheng to persist until now. The

Queen Mother of the West is also besieged and cannot save her, and the quasi-sages of the prehistoric immortal world are The saints are too busy to take care of themselves now, and even want to escape while fighting. Liu Shen suspects that it is the saints from the prehistoric fairy world who are notifying those who are about to evacuate the starry sky fortress.

"Stop, this is my friend, you are not allowed to take action again."

At this time, the ruthless empress suddenly appeared next to Liu Shen. She supported the injured Liu Shen and shouted to the three quasi-sages of the demon clan.

"She is a ruthless empress, what should we do?"

"what to do? Do you dare to take action?"

"Come on, we can't afford to offend this woman, and the Demon Ancestor won't blame us for letting that quasi-sage go."

After the three quasi-sages of the demon clan talked to each other, they disappeared one after another.

The ruthless empress had a powerful saint brother, and even the demon ancestor Luo Hu was afraid of the ruthless empress' brother. The three quasi-sages They don't even dare to offend the Ruthless Empress.

If they dare to take action against the Ruthless Empress, the Demon Ancestor Luohu will kill the three of them first without the help of the Ruthless Empress' brother.

"Ruthless man, weren't you taken away by your brother? Why are you back?"

Chapter 2318

After Liu Shen was rescued by the ruthless empress, she was very surprised after recovering from her injuries.

The ruthless empress had been taken away by Su Chen before.

She and the Queen Mother of the West both guessed that Su Chen would not let the ruthless empress come again. Not only did the empress come back, but she also saved her. Liu Shen couldn't understand why Su Chen let the ruthless empress come back.

The ruthless empress said to Liu Shen,

"Liu Shen, I didn't leave at all. I have been watching this realm war around."

Liu Shen didn't expect that the ruthless empress didn't leave at all. So Su Chen should be hiding around, and only Su Chen had the ability to hide the ruthless empress around so that they couldn't find it.

Liu Shen thought about it and asked in confusion He said, "Is your brother also around?"

"Um! Liu

Shen apologized to the ruthless empress,

"Ruthless man, I'm sorry, the Queen Mother and I did not advise you to stand up for the ancient immortal world, and we almost caused you to be killed by Demon Ancestor Luohu."

The ruthless empress shook her head when she heard Liu Shen's words.

She had no intention of blaming Liu Shen and the Queen Mother of the West at all. Shen Liu and the Queen Mother of the West couldn't guard against the calculations of the saints in the ancient immortal world. She herself was Those saints have plotted, not to mention Liu Shen and the Queen Mother of the West.

"Liu Shen, you don't need to apologize. I know that you were also plotted by the saints of the ancient immortal world. I don't blame you."

"Ruthless man, your brother didn't blame us, did he?"

Liu Shen felt a little uneasy when he thought of Su Chen.

Saint?

The ruthless empress's brother turned out to be a saint, and he was also a saint that even Demon Ancestor Luo Hu was afraid of. Liu Shen was very worried that Su Chen would anger them, or even anger the wild world. The Human Empress shook her head and said with a smile,

"No, Liu Shen, let's go rescue the Queen Mother of the West and the army of cultivators in the wild realm first."

"Realm war, our wild realm withdraws, the saints of the ancient and ancient fairy world are too selfish and self-interested, we in the wild realm can no longer live and die for the ancient fairy world"

"good!"

Outside the Starry Sky Fortress,

Luo Hu saw the ruthless empress reappearing and even saving some quasi-saints. He frowned and thought about it and ignored it. He was just saving some insignificant people, and

Luo Hu didn't care at all.

The brother of the ruthless empress is a huge threat.

Luo Hu will not take action against Su Chen and the ruthless empress until he understands who Su Chen is. Moreover, Su Chen's level of cultivation makes him a little scared.

Luo Hu's first priority His target is Hongjun, as well as the prehistoric immortal world, and he can ignore the others for now.

In the Zixiao Palace,

Hongjun and Laozi, the six saints, all have indifferent expressions at the moment. The army of gods in the Starry Sky Fortress is alive and dead. They didn't care.

The Starry Sky Fortress was finished.

The six of them could only rely on the ancient ways of heaven to stop Luohu.

The starry sky barrier of the ancient immortal world was the last line of defense. The six saints had no way to retreat. If they didn't take action, The prehistoric heaven will destroy these six great saints

"After Ran Deng and Taiyi Zhenren and the quasi-sages withdrew from the Starry Sky Fortress, we also had to take action outside the Starry Sky Barrier."

"yes! Luo Hu is powerful. Outside the starry sky barrier, we can still stop it for a while relying on the ancient law of heaven. If we don't take action, the law of heaven will destroy us first."

"We can't hide any longer, otherwise the primeval heaven will really destroy us."

"well! If our soul is not controlled by heaven, we still have a glimmer of hope. Even if we survive the crisis in the outer demon world this time, what about next time? How do we get through the crisis in the beast realm?"

"Hongjun, you have joined dozens of huiyuan, is there any way to separate our soul from the way of heaven?"

I was talking to the five saints from Yuanshi, and they all looked at Hongjun. (To read Baoshuang novels, go to Feilu Novel Network!)

I don't want to be destroyed with the prehistoric immortal world, but their souls are controlled by the prehistoric heaven. , if the five of them want to escape from the ancient world, they must take back their souls.

Otherwise, if the ancient world is destroyed, saints like them will also be destroyed together with the ancient world.

Hongjun said expressionlessly,

"Draw out the Hongmeng Purple Qi, and your soul will naturally return to your true body."

Zhunti shook her head and refused,

"Hongjun, after drawing out the Hongmeng Purple Qi, we will all lose our holy status, and we will no longer be saints in the future."

Hongjun looked at the five people and explained,

"you are wrong"

"Hongmeng Purple Qi is just a shortcut to advance to the holy position. It is a treasure that can quickly become a saint. The price is that the soul is controlled by heaven. Have you seen saints from other realms using Hongmeng Purple Qi? Tongtian asked with his eyebrows raised.

"But if we draw out the Hongmeng Purple Qi, will we still have the ability to be promoted to saints?"

Tongtian thought that if the Hongmeng Purple Qi was drawn out, and the prehistoric immortal world was destroyed by Luo Hu, where would they go to be promoted to saints again?

In the great world of chaos, other realms are not something they can enter if they want to.....

Hongjun shook his head and said helplessly,

"I have no idea"

"But Su Chen must know that I have never been able to understand Su Chen"

"A scumbag of Taiyi Golden Immortal!"

"Su Chen actually controlled a high-level realm, and he completely controlled that high-level realm. Su Chen could still borrow the power of heaven at any time. Su Chen was really weird."

The five of them looked at each other and shook their heads.

The eighth level of the holy realm!

Su Chen can instantly use the power of heaven to ascend to the eighth level of the holy realm. Saints like them don't even dare to take action against Su Chen. This is not possible. Not counting Nuwa and Gaia, the dozen or so saints were protecting Su Chen.

I looked at Hongjun and asked doubtfully,

"Hongjun, are we going to fight against the Demon Ancestor Luohu together with the Primordial Heavenly Dao? Hongjun replied decisively,

"Let's try it first. If nothing can be done, I will draw out the Hongmeng Purple Qi and escape from the prehistoric fairy world."

I and the five Yuanshi people looked at each other after hearing Hongjun's words. They didn't expect that Hongjun would have this idea.

Escape from the prehistoric fairy world?

Where can they escape?

They are not saints, they are in the chaos. It's also very dangerous

"I'll do it! Is my sister trying to save all the gods in the Starry Sky Fortress? Damn, this might piss off that old bastard Luo Hu."

At this moment,

Su Chen saw that the Ruthless Empress was not only saving the gods from the wild world, but also saved many gods from the ancient immortal world. This made Su Chen worried about the Ruthless Empress.

Kesha also asked with a worried look. , "Su Chen, do you want to stop Nannan?"

"I can't stop it. I can't stop it unless I forcefully stop it, but I can't beat my sister. Even if I want to catch Nannan, I can't."

Chapter 2319

Su Chen was very depressed at the moment.

He agreed with the ruthless empress to rescue Liu Shen and the Queen Mother of the West.

After all, they were just two women.

Luo Hu would not fall out with him for the sake of two quasi-sages, but the ruthless empress was doing what?

The ruthless empress not only rescued the army of cultivators in the wild realm, but also rescued the army of gods in the ancient fairyland.

Isn't the ruthless empress going to slap Demon Ancestor Luo Hu in the face?

When He Xi heard Su Chen's words, he mocked,

"Su Chen, you are really worthless. Fortunately, you are still Nannan's brother. Your sisters are both quasi-sages, but what about you? You are just a little scumbag from Taiyi Jinxian"

"Hexi, do you want to cause trouble? He

Xi curled his lips disdainfully and said,

"Yep, it's an empty shell of a holy realm, and you can only show off your authority over people like us in this small world."

Let me guess, is this angel Hexi going to rebel?

Why is he constantly quarreling with me?

Damn it,

Su Chen felt very helpless when he looked at Hexi.

He couldn't possibly teach Hexi a lesson in front of Kesha. He Xi, a little girl, kept clinging to Kesha's side, and Su Chen couldn't do it even if he wanted to secretly attack her. Kesha rubbed her forehead and pulled He Xi back.

She didn't understand why He Xi kept looking down on Su Chen. Is it because Su Chen has evil intentions towards He Xi?

"Su Chen, please try to help me."

Su Chen nodded and said helplessly,

"I'll go see Luo Hu again, hoping that Luo Hu doesn't care about the life and death of the gods in the Starry Sky Fortress."

Kesha and Hexi nodded when they heard Su Chen's words.

This is the best way.

If Su Chen can convince Luo Hu, then the remaining gods in the Starry Sky Fortress will survive.

It's just that Su Chen has to face the Demon Ancestor again. Luo Hu,

Kesha and He Xi were a little worried about Su Chen's safety. Su Chen was just an empty shell of the Holy Realm. If Luo Hu took action against Su Chen, Su Chen would be in great danger. Kesha looked at Su Chen and reminded him He said, "Su Chen, be careful."

Su Chen nodded and said with a smile,

"Don't worry, that idiot has been deceived by me. I just need to tell Luo Hu a piece of news, and Demon Ancestor Luo Hu will probably let those scumbags in the Starry Sky Fortress go."

He Xi was also worried about Su Chen's safety, but she didn't want to tell Su Chen that this bastard was a shameless pervert. He Xi was also worried that Su Chen would tease her again. He

Xi thought about it and said nothing to Su Chen. Chen Yi said,

"Su Chen, please don't die. I plan to go to Xuantian Realm to have a look."

"Hexi, I haven't finished you yet, how could I die?"

"Shameless!"

In the starry sky fortress, the ruthless empress looked at the more than one billion demon army on the opposite side, and the hundreds of millions of troops from the wild realm and the ancient fairyland behind her. She felt very helpless. The ruthless empress just wanted to save the barbarian realm. The army in the realm, but after the army of gods in the prehistoric immortal world saw her, these armies of gods saluted and called the eldest princess. She couldn't bear to watch the army of gods in the prehistoric immortal world being slaughtered.

Saving one is saving, and saving a group is also saving.

The ruthless empress saved all the gods she met along the way. So far, she has saved hundreds of millions of gods' armies.

"Cruel man, what should I do?"

Liu Shen saw that the demon army had surrounded them. There were eighteen demon quasi-sages and more than a billion demon troops.

They couldn't escape even if they wanted to.

The Queen Mother of the West shook her head and said to the ruthless empress. , "Ruthless man, why don't you leave, you can't save so many divine armies."

The ruthless empress shook her head and guessed,

"No, Liu Shen, Queen Mother of the West, you didn't realize that the demon army is just besieging us. They don't dare to take action. As long as my brother is here, I guess the demons don't dare to take action against me."(To read Baoshuang novels, go to Feilu Novel Network!)

Queen Mother Xi asked doubtfully,

"Ruthless man, since the demons dare not take action against you, why are these demons besieging us? Why don't they let us go? Liu

Shen asked with his eyebrows raised.

"Ruthless man, do you think the quasi-sages of the demon clan are waiting for orders from the demon ancestor Rahu?"

"possible!"

The more than 100 million divine armies behind the Ruthless Empress are on guard against the surrounding demon armies.

The Starry Sky Fortress is finished.

If these divine armies had not been saved by the ruthless Empress, they might have been killed by the demons. The army massacred him to death. At this moment, the eighteen quasi-sages of the demon tribe all looked helpless.

Opposite them was the ruthless empress.

Although there were only three quasi-sages from the ancient immortal world opposite them, they would kill them quickly if they took action. And the army of more than 100 million gods will also be slaughtered by their demon army.

But the Ruthless Empress is different.

The Ruthless Empress is a super time bomb.

If they dare to attack the Ruthless Empress privately, their eighteen quasi-saints They may be killed in an instant.

They have all seen the brother of the ruthless empress.

He is a strong man in the holy realm like their demon ancestor. Their eighteen quasi-sages do not have the order of the demon ancestor, so they can only surround the ruthless empress first. The Human Empress and these armies of gods.

In the Starry Sky Fortress, the fighting in other areas is still going on, but this area is very strange. The armies of gods from the prehistoric fairy world and the barbarian realm are besieged, while the demon army is only besieged. Rush over.

The gods from the prehistoric fairy world and the barbarian realm in other areas are all breaking out towards the area of the Ruthless Empress.

In the starry sky,

Wangshu also discovered the weirdness of the Ruthless Empress. She is now with the turtle spirit Holy Mother, Xuan Ming was surrounded by seven demon ancestor quasi-sages. If they did not escape, they might be surrounded and killed like other quasi-sages.

Boom!

After Wangshu repelled a demon quasi-sage, she hurriedly faced Guiling and Xuanming shouted,

"Guiling, Xuan Ming, hurry up and go to Sister Su Chen's place (haha, Zhao), otherwise we will all be killed."

"good!"

"withdraw!"

Mother Turtle Spirit and Xuan Ming heard Wang Shu's words. They answered while avoiding the attack of the demon quasi-sage. The Starry

Sky Fortress is over.

They want to escape from the Starry Sky Fortress.

Su Chen's sister is the only chance of survival for the three of them.

Outside the Starry Sky Fortress, the six magic envoys also discovered the strangeness in the Starry Sky Fortress.

When they saw the ruthless empress saving more than 100 million divine troops, they did not know what to do.

The ruthless empress not only had one A powerful brother, and a sister-in-law who is more powerful than them. The six demons did not dare to make any decisions against the ruthless empress brother.

After the six demons looked at each other, the lustful demon reluctantly came to Luo Hu's side. Saluting,

"Demon Ancestor, the ruthless empress prevents our demon army from massacring, what should we do?"

Chapter 2320

Demon Ancestor Luo Hu watched all this with a blank expression, and he also heard the words of the Demon of Lust.

But he didn't care.

The ruthless empress was saving the armies of gods from the ancient immortal world, and he saw it.

Luo Hu believed that Su Chen would definitely come again.

When Su Chen left before, he said he would not participate in this realm war. Now that the ruthless empress appears and stops the massacre of the demon army, Su Chen must give him a talk.

Whoosh!

Su Chen suddenly appeared next to the Demon of Lust.

When the Demon of Lust saw Su Chen suddenly appearing next to her, she was so frightened that she hurriedly backed away for a distance. Su Chen was speechless when he saw the Demon of Lust retreat in fright. He was just a Taiyi Golden Immortal. How could a saint be afraid of him? Damn it, aren't the demons all cruel and vicious people? Aren't all demons afraid of death? Su Chen looked at the Demon of Lust and shook his head and said,

"Little beauty, don't be afraid, I won't take action against a sexy beauty like you."

The demon of lust lowered her head speechlessly when she heard Su Chen's words.

She had overreacted just now, but

Su Chen's strong strength made her have to be careful.

Luo Hu said coldly to Su Chen with a gloomy face,

"Su Chen, you said you wouldn't get involved in this matter, but your sister got involved, won't you give me an explanation?"

Su Chen smiled and replied,

"Luo Hu, didn't I come to give you an explanation?"

"explain!"

Luo Hu looked at Su Chen coldly. He wanted to see what explanation Su Chen would give him.

Although Luo Hu was afraid of Su Chen's strength, if Su Chen dared to fool him, he would not be able to defeat Su Chen. In the morning, Luo Hu also made Su Chen pay a huge price.

Damn it,

Luo Hu is really a pretender!

Su Chen found that Luo Hu was like a gangster boss, with a cold face as if he owed him money.

"Luo Hu, I can tell you a piece of news, a piece of news that is crucial to your launch of the realm war this time."

Luo Hu asked suspiciously after hearing Su Chen's words.

"oh? Su Chen, if your news is related to me launching a realm war, or even has a huge relationship, I can let go of those ancient gods in the Starry Sky Fortress."

"It's a deal!"

"It's a deal!"

Su Chen looked at the ancient world and said to Luo Hu,

"Luo Hu, Hongjun is now a saint in the fourth heaven of the Holy Realm. This news may be useful to you."

Luo Hu exclaimed when he heard Su Chen's words,

"What? Hongjun is a saint from the fourth level of the holy realm? How can this be? Su Chen, you didn't cheat on me?"

Hongjun is at the fourth level of the Holy Realm?

How is this possible?

That old yin became a saint much earlier than him. Even after he became the spokesperson of Heaven, Hongjun's Holy Realm should be very high. Luo Hu didn't believe that Hongjun Jun is in the fourth level of the holy realm.

Su Chen shook his head and replied,"Luohu, do you think I will deceive you? Besides, the prehistoric fairyland is right in front of you. Do you think it's useful for me to deceive you now? Luo

Hu asked hurriedly,

"Su Chen, how could Hongjun be in the fourth level of the Holy Realm?"

Su Chen thought for a while and said half truth and half falsely,

"This is what I did. I was forced to leave the ancient world because of that old bastard Hongjun.

"It's just that I tricked Hongjun when I left the Immortal World. Hongjun was expelled by the Prehistoric Heavenly Way. Even Hongjun's identity as the spokesperson of the Heavenly Way was taken back by the Prehistoric Heavenly Way."

"After Hongjun was expelled by Heaven, he now only has the fourth level of the Holy Realm."

After Luo Hu heard what Su Chen said, he understood that

Hongjun was expelled by Heavenly Dao, and even his identity as the spokesperson of Heavenly Dao was taken back by Heavenly Dao. No wonder Hongjun only has the fourth level of the Holy Realm. Hongjun deserves it.

"Ha ha....., Okay, Su Chen, this is good news from you. I can let go of the divine army in the Starry Sky Fortress once."

"Although Luo Hu and Hongjun's strength is at the fourth level of the Holy Realm, you have to be careful in the prehistoric heaven." (To read exciting novels, go to Feilu Novel Network!)

"Of course I understand this."

Luo Hu nodded to Su Chen.

He had never underestimated Hongjun and the Prehistoric Heaven. Hongjun had been deposed, but the Prehistoric Heaven was still a threat.

Luo Hu was also prepared for the Prehistoric Heaven.

Su Chen looked at it fiercely. The Human Empress was still confronting the demons, so he shouted to Luo Hu,

"Rahu, can you order your demon army to stop?"

Luo Hu nodded and ordered,

"The arrogant demon envoy ordered the demon army to stop the massacre and let the armies of gods in the ancient immortal world go away."

Luo Hu doesn't care about the life or death of those ants at all.

The news Su Chen gave him is very important.

Hongjun is dead.

The other saints in the ancient immortal world are just scum. Now he only needs to deal with the ancient heaven with all his strength.

"Yes, Demon Ancestor!"

The arrogant demon hurriedly saluted.

He looked at Su Chen and disappeared instantly.

"Luo Hu, I have another news, do you want to hear it?"

Su Chen suddenly thought of the Ferocious Beast Realm.

If Luo Hu invaded the Great Desolate Immortal Realm, he would definitely get news about the Ferocious Beast Realm, and even the news about the Reversal of the Beast Emperor God. Su Chen decided to use the Beast Emperor God Reversal first. To blackmail Luo Hu with the news,

Luo Hu frowned and asked,

"what news?"

Su Chen smiled and said,

"This news is not free, Rahu, what do you want in exchange?"

"Su Chen, what do you want?"

"It depends on your sincerity."

Luo Hui was very helpless when he heard Su Chen's words.

This old bastard, sincerity?

How can he be sincere?

Luo Hu thought that if his sincerity to Su Chen was low, this bastard would definitely not say it.

If he gave it too high,

He himself suffered a loss.

Damn it,

Su Chen is more insidious than that old Yin Ji Hongjun

"Su Chen, what do you want? There are no powerful spiritual treasures or innate spiritual roots in the outer demon world."

I guess!

The demon world outside the territory is so poor?

It's his fault. It seems that blackmailing Luo Hu won't get any benefits.

Damn,

Luo Hu is really a poor man.

Su Chen shook his head speechlessly.

Luo Hu's spiritual treasure was almost He got them all. The Four Immortal Swords and the God-killing Spear are now in the hands of his woman. The twelve-grade World-Destroying Black Lotus is missing. The Heavenly Demon Tower may be Luo Hu's only spiritual treasure.

"Luo Hu, you still have six saints. You don't need so many saints to deal with the prehistoric immortal world. If I want a saint, a saint from the third level of the holy realm can do it."
