Chapter 2321

Su Chen had an idea when he saw the demon of lust.

Luo Hu does not have the best innate spiritual treasures or spiritual roots, but he has a saint.

A saint is much more useful than spiritual treasures and spiritual roots. As for whether Luo Hu will exchange the saints under him, that depends on Luo Hu Do you want to know the news about him?

Luo Hu was very angry when he heard Su Chen's words, saint?

This old bastard wants a saint under his command? This bastard has too much appetite.

Damn, you are such an old cunt.

Luo Hu was very angry when he looked at Su Chen.

News?

What message would be worthy of a saint?

Su Chen looked at Luo Hu who was thinking and did not urge him.

He believed that if Luo Hu was interested in his news, Luo Hu would definitely exchange it for a saint.

In the Starry Sky Fortress, the Ruthless Empress, Liu Shen, the Queen Mother of the West, and the three Wangshu girls who had just escaped here all saw Su Chen appearing next to Demon Ancestor Luo Hu. They all guessed that Su Chen was negotiating with Luo Hu..

The ruthless empress looked at Su Chen with a worried look.

She 28 had caused trouble for her brother again this time. The ruthless empress decided not to let her brother take risks for her again.

When Liu Shen saw the worried look on the ruthless empress's face, she pulled the ruthless empress and comforted her,

"Ruthless man, you don't have to worry, your brother is a powerful saint, even if Rahu falls out with your brother, nothing will happen to your brother."

The ruthless empress was very speechless when she heard Liu Shen's words, a powerful saint?

Her brother is a scumbag.

The ruthless empress knew Su Chen very well.

She guessed what card her brother got in the ladder, like It's the same as the realm improvement card and the group improvement card. This time, some card should be used to temporarily upgrade to the holy realm. The

Queen Mother of the West also persuaded the ruthless empress, "That's right, ruthless, you don't have to worry about your brother, you see Your brother now looks confident. Nothing will happen to your brother."

The ruthless empress nodded and said,

"I know that since my brother dares to meet Demon Ancestor Rahu again, he will have a perfect plan."

Wang Shu and Xuan Ming stood behind the Ruthless Empress. They heard the words of the Ruthless Empress and her daughters. They looked at each other and did not say anything. It is already very good that the Ruthless Empress allowed them to take refuge.

, in the entire starry sky fortress, this area is the only one where no fighting has occurred.

As long as the army of gods from the ancient world of immortality escape here, the army of the Demon Ancestor will not attack at all.

At this moment, the face of the Turtle Spirit Virgin Mother was very ugly.

She looked at The divine armies in other areas suffered heavy casualties, and Our Lady of Turtle Spirit hated the saints who abandoned the Starry Sky Fortress.

She had previously been notified by Tongtian, who asked her to escape with the quasi-saints of other sects, but Our Lady of Turtle Spirit did not listen to Tongtian Since the start of the Realm War, the saints from the prehistoric fairy world have not appeared, and they even plotted against Su Chen's sister, the ruthless empress. The Turtle Spirit Mother no longer believed in the saints' greed for life, fear of death, and selfishness.

Wangshu saw the ugly look on the face of Our Lady of Guiling, so she patted Our Lady of Guiling on the shoulder and said,

"Guiling, don't think too much, we should have known for a long time that those saints are all selfish. Xuan

Ming said to the Holy Mother Turtle Spirit with a cold face, (To read Baoshuang novels, go to Feilu Novel Network!)

"Guiling, don't believe in your teacher Tongtian anymore. Your teacher is the same as other saints."

Sage Guiling nodded and replied, "I understand. Today I have seen through those saints. The creatures in the prehistoric immortal world are really ants in the eyes of the saints."

Boom!

The arrogant demon suddenly appeared in front of the ruthless empress.

He looked at the ruthless empress and nodded. The arrogant demon did not dare to be disrespectful to the ruthless empress. The ruthless empress's brother was too powerful. Demon Ancestor Luohu was so angry with Su Chen Dui was very polite. He didn't want to accidentally offend the ruthless empress and be crushed to death by Su Chen. The

Arrogant Demon Envoy turned around and ordered loudly,

"The army of demons has stopped slaughtering, and the army of gods from the ancient immortal world can leave the Starry Sky Fortress."

In the starry sky fortress, after the order of the Arrogant Demon Envoy, the billions of demon armies immediately stopped massacring.

The armies of gods in the prehistoric fairyland were all stunned. The demons actually let go of these remaining armies of gods.

This What happened?

How could the demons stop massacring them for no reason?

When the arrogant demon envoy saw the confused Honghuang Immortal's army, he shouted again,

"Gods of the ancient immortal world, you were saved by Saint Su Chen. The Demon Ancestor gave Saint Su Chen face and let you go this time. You will all leave the Starry Sky Fortress immediately."

After the gods of the ancient world heard the words of the arrogant demon, all the gods looked at Su Chen, who was face to face with the demon ancestor Luohu. They did not expect that the former emperor Su Chen would save their lives. The ruthless empress looked at the people of the ancient world. The gods ordered, "All gods, leave the Starry Sky Fortress quickly!"

"Yes, Her Royal Highness the Princess!"

After the gods of the prehistoric fairy world heard the order of the ruthless empress, all the gods saluted the ruthless empress, and they quickly left the starry sky fortress. The starry sky fortress had been occupied by the demon army, and the remaining gods did not expect to be able to leave alive.

Liu. Shen 100 said with an incredulous look on his face, "You ruthless man, your brother actually asked Rahu to let go of the remaining gods."

The ruthless empress rubbed her forehead and replied,

"I also didn't expect that my brother would ask Rahu to let go of all the remaining gods."

The Queen Mother of the West looked around and said to Renren and Liu Shen, "Renren, Liu Shen, let's leave the Starry Sky Fortress too!"

The Queen Mother of the West saw that the gods from the Great Desolate Immortal Realm were leaving quickly, and the remaining cultivators from the Wild Realm had gathered here. The

Queen Mother of the West felt that this was not a place to stay for a long time, and the three of them still brought the people from the Wild Realm with them. The remaining cultivators should leave the ancient world as soon as possible.

The ruthless empress shook her head and said,

"Liu Shen, Queen Mother of the West, please take the cultivators from the Wild Realm and leave. I want to return to the Xuantian Realm."

Liu Shen and Queen Mother Xi asked with surprised expressions when they heard what the ruthless empress said.

"Cruel person, you.....Don't you plan to return to the wild realm?"

"Ruthless man, is it your brother who won't let you return to the wild realm? Your brother still has prejudices against us, right?"

The ruthless empress showed a smile and said,

"You are overthinking. I am just grounded by my brother. As long as I reach the holy realm, my brother will no longer care about me. Liu Shen, Queen Mother of the West, I will return to the wild realm after I reach the holy realm."

Chapter 2322

The ruthless empress also decided to return to Xuantian Realm.

Without the strength of the Holy Realm, it will be difficult for her to protect the wild realm in the future.

The Chaos World is too huge. There should be many powerful realms, and there are even more powerful Chaos Demon Gods..

If no saint appears in the wild realm, it will sooner or later be occupied by other realms, or even destroyed by the Chaos Demon God.

After Liu Shen and Queen Mother Xi heard what the Ruthless Empress said, they both breathed a sigh of relief.

As long as the Ruthless Empress does not abandon the Wilderness Realm, the Wilderness Realm will not be destroyed in the future.

After all, the Ruthless Empress is the eldest princess of the Xuantian Realm, and she can also mobilize the army of gods in the Xuantian Realm. Even the Ruthless Empress's brothers and sisters-in-law cannot see anything happen to her. There is a Ruthless Empress in the Wilderness Realm.

The wild realm will not be invaded by other realms

"Ruthless man, can we go to Xuantian Realm to practice?"

Liu Shen suddenly thought of what Su Yan said.

There is rich innate spiritual energy in the Mero Heaven in the Xuantian Realm.

Liu Shen thought that if she went to the Xuantian Realm to practice with the Queen Mother of the West, they would also quickly improve their strength. This would be beneficial to them. It will be very beneficial to protect the Wild Realm 570 in the future.

When the Queen Mother of the West heard Liu Shen's words, her eyes lit up.

She also wanted to see the Xuantian Realm, and the Holy Land of Cultivation that Su Yan said was Merlot Heaven, the West Emperor's eyes lit up. My mother also wanted to quickly improve her realm in Merlot Heaven.

The Queen Mother of the West looked at the ruthless empress and said,

"Yes, ruthless man, I heard Su Yan said that your brother's heaven has rich innate spiritual energy, and there is also a secret realm of time. How about we go to Xuantian Realm to practice with you."

The ruthless empress nodded and agreed,

"Okay, you can arrange for the troops from the Savage Realm to leave the Great Desolate Immortal Realm first, and we will go to the Xuantian Realm together later."

"Okay, let's arrange for the troops from the Savage Realm to leave now."

"Ruthless man, you must not be secretly taken away by your brother. We will be back in a moment."

After Liu Shen and Xi Huang Mu waved their hands to the ruthless empress, they hurriedly arranged for the troops from the wild realm to leave. The ruthless empress shook her head when she heard Liu Shen and the others' words.

She thought of Liu Shen and Xi Huang Mu. If they go to the Merlot Heavenly Court, Liu Shen and the Queen Mother of the West may be very surprised, and may even want to continue practicing in the Merlot Heavenly Court (cidj). The ruthless empress looked at the three Turtle Spirit Holy Mothers next to her,

The other quasi-sages of the Great Desolate Immortal Realm have long since fled, and the divine armies of the Great Desolate Immortal Realm have also evacuated the Starry Sky Fortress. The three Turtle Spirit Virgin Mothers have not left, which makes the ruthless empress a little confused.

"Won't you leave?"

Our Lady of Turtle Spirit said with an embarrassed expression, "Eldest Princess, do we want to meet your brother?"

"See my brother? What is your relationship with my brother?"

The ruthless empress looked at the three Turtle Spirit Virgin Mothers and was very confused.

She had some guesses in her heart.

The three female quasi-sages in the ancient immortal world were all very beautiful. The ruthless empress guessed that they were also related to her brother.

Su Chen's lovemaking makes her sister very speechless. As long as she is a beautiful woman, as long as she has a relationship with Su Chen, it is impossible for the ruthless empress not to think this way.

"Princess, I am the Holy Mother of Turtle Spirit, the junior sister of Holy Mother of Jinling. Xuanming is the Ice Ancestral Witch of the Witch Clan, and Wangshu is the Taiyin Fairy of the Taiyin Star. We want to talk to your brother."

"That's it, you three just stay here, I'll take you to see my brother later"

"Thank you!" Mother Turtle Spirit, Wang Shu and Xuan Ming were relieved when they heard that the ruthless empress agreed. This time they wanted to apologize to Su Chen, and even hoped that Su Chen could forgive them for their previous ingratitude. Tianren No. 7 Inside, Kesha and Hexi saw that the demons had given up and continued the massacre. They both guessed that Su Chen had persuaded the demon ancestor Luohu. This made them all relieved. Hexi blinked and said to Kesha, (see For exciting novels, go to Feilu Novel Network!)

"Keisha, your male idol is pretty good at deceiving people. Demon Ancestor Rahu was deceived by Su Chen twice. Do you think Demon Ancestor Rahu will be mad if he finds out the true identity in the future?"

Kesha smiled and said after hearing He Xi's words,

"hehe....., how do I know, but Su Chen is quite good at talking nonsense."

"From this point of view, I have to be more careful about that pervert in the future. That pervert doesn't tell the truth. Kesha, your boyfriend keeps trying to trick me, why don't you care?"

"He Xi, do you think I can control Su Chen? Su Chen's Holy Realm women couldn't do anything to Su Chen. How could I, a scumbag, control that shameless bastard?"

"makes sense!"

He Xi shook his head speechlessly.

She had also heard that Su Chen had many women, and Su Chen did not hide that he had other women at all.

Just like the phantom female saint summoned by the ruthless empress before, that Feng Hua The peerless female saint is very powerful, but such a beautiful and powerful female saint can't control Su Chen.

Kesha, a scumbag angel, can't control that bastard Su Chen even more.

In the starry sky,

Rahu is there After thinking for a while, he looked at Su Chen and still had not made up his mind.

Use a saint in exchange for news about Su Chen?

A saint?

Luo Hu was a little reluctant.

He had seven saints and demons in total.

Su Chen's woman had killed the greedy demon before.

He only had six saints and demons left. If Luo Hu abandoned another saint, he would have five saints and demons left, which would be unfavorable for him to launch a realm war in the future. Su Chen saw that Luo Hu had not made a decision for a long time. , he thought about it and reminded Luo Hu,

"Rahu, this news of mine is related to your life and death. It is definitely a good deal for you to pay a saint. Luo

Hu's asked suspiciously after hearing Su Chen's words.

"Is it related to my life or death?"

"good!"

"Su Chen, are you telling the truth?"

Su Chen nodded and replied,

"Rahu, we can say that we have a common powerful enemy. Although I am not a good person, I will not deceive you on this matter, and you can check and confirm the news I told you."

Luo Huuzou looked at Su Chen with a frown, a common enemy?

And it is also a powerful enemy.

Luo Hu and Su Chen are both in the eighth level of the Holy Realm. What kind of powerful enemy would they have?

He felt a little uneasy,

Luo Hu thought After thinking about it, he said with a serious face,

"Su Chen, I agree. You want the Demon Envoy of Lust. She will be yours from now on. Please tell me your news."

"The Beast Emperor has revived, and the Beast Emperor has a powerful realm. In about two years, the beast realm will connect from a small world to the prehistoric fairyland. This news will make it worth your while to be a saint."

Chapter 2323

Su Chen didn't hide the Beast King Divine Rebellion and the Realm of Ferocious Beasts from Luo Hui. As long as Luo Hu met that old bastard Hongjun, that old bastard Hongjun would come to fool Luo Hu, and Luo Hu, this fool, might even be tricked by Hong Jun. If Jun is fooled, he will even join forces with Hongjun again to deal with the Beast Emperor Shenni.

"The Beast King is rebellious? The beast realm?"

Luo Hu was confused when he heard Su Chen's words.

The Beast Emperor Shen Ni has revived?

How is this possible?

They all destroyed the soul of the Beast Emperor Shen Ni back then. How could the Beast Emperor Shen Ni still be revived? Could it be that the Beast Emperor Shen Ni escaped with a trace of his soul?

Luo Hu had a bad premonition in his heart.

If the Beast Emperor Shen Ni really revived, that reckless man would definitely seek revenge on him, Hongjun and Yangmei. After all, they worked together to destroy the Beast King Shen Ni.

Su Chen looked at the confused Luo Hu and ignored him.

""Qiwuqi" This time the matter has been settled, and he was ready to leave, but the man who pried the corner of the wall was going to be taken away.

Well, damn, it was the men of the saint who had pried it away.

Su Chen said to the side The Demon of Lust waved his hand and shouted, "Demon of Lust, come here!"

The Demon of Lust arrived instantly and saluted Su Chen,

"Saint Su Chen, what's the matter with you?"

Su Chen took a look at the Demon of Lust. She was a beautiful woman who looked like a vixen in scantily clad clothes. She had a perfect figure, exposed fair skin, and even had a seductive aura all over her body. At first glance, this female saint said, It would make people think that she is an immoral woman. If Su Chen hadn't seen that the Demon of Lust is still a perfect body, he would definitely think that the Demon of Lust is a bitch that can be ridden by thousands of people. Su Chen reached out and touched the Demon of Lust Shi's delicate little face said,

"Demon of lust, you will be my subordinate from now on. Demon Ancestor Rahu has already given you to me."

"How can this be?"

The Demon of Lust took a few steps back to avoid Su Chen's hand. She glared at Su Chen angrily.

This pervert, although she is the Demon of Lust, she is not just a woman.

The Demon Ancestor sent her to To Su Chen? This is simply impossible. She is a saint from the third level of the holy realm. How could the Demon Ancestor give her, a saint, to Su Chen?

Seeing that the Lust Demon Ancestor did not believe his words, Su Chen said Next to him, Luo Hu shouted,

"Rahu, tell the demon of lust, she will not believe my words."

Luo Hu heard Su Chen's words and ordered coldly,

"Demon of lust, Su Chen will be your master from now on. You are no longer a member of the demon world. Do you understand?"

"Yes, Demon Ancestor!"

The demon envoy of lust did not expect that Demon Ancestor would really give her to Su Chen, which made her very unwilling. She lived and died for Demon Ancestor Luohu, and in the end she was just a commodity.

Su Chen curled his lips and ordered,

"Demon of lust, hand over a ray of your soul."

Su Chen is just a parallel import and fake saint. If the Demon Envoy of Lust discovers his true situation, he is worried that the Demon Envoy of Lust will rebel against him and may even kill him.

Su Chen still needs to be careful against the demons. , he doesn't want to capsize in the gutter for a beautiful female saint.

"I...."

The demon of lust looked very ugly when he heard Su Chen's words.

He handed over a wisp of his soul?

She will be controlled by Su Chen in the future, but if she doesn't hand over a ray of soul, the demon of lust is worried that Su Chen or even Luo Hu will kill her immediately.

With a look of helplessness, she separated a ray of soul and gave it to Su Chen. The whole life of the demon of lust will be controlled by Su Chen.

Her life and death, and even her innocence, will belong to Su Chen from now on.

Su Chen smiled after accepting the spirit of the Demon Envoy of Lust, and got another beautiful female saint.

I thought, (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen suddenly thought of the female saints under him, It seems that he got it by hook or by crook.

Damn it!

He seems to be becoming more and more of an asshole, but why does Su Chen feel so excited about doing this?

"Rahu, farewell! Luo

Hu hurriedly stopped Su Chen and shouted,

"Wait, Su Chen, the Beast Emperor Shen Ni is about to be born. I want to fight against the Beast Emperor Shen Ni with you in the future."

"Okay, Rahu, I will come to you again in two years when the space passage to the ferocious beast realm is opened."

Su Chen nodded in agreement when he heard Luo Hu's words.

There is one more powerful cannon fodder to deal with the Beast Emperor God Ni. This is what Su Chen wishes for.

There is also the Space Demon God raising his eyebrows at that old scumbag.

Su Chen is ready to deal with the Beast Emperor God Ni Shi. He also raised eyebrows, he wouldn't let that old cunt Yangmei have an easy time.....

"OK, it's a deal."

Luo Hu was a little happy when he heard Su Chen's words. With one more saint from the eighth level of the Holy Realm taking action, it would be easier for him to kill the Beast King Shen Ni in

the future. It's a pity that Hongjun has been crippled, otherwise Luo Hu would have delayed his attack on the Great Desolate Immortal Realm.

After all , If the Beast King Shenni is fully revived, that reckless man's state will be very powerful.

"It's a deal!"

Su Chen nodded to Demon Ancestor Luohu, waved his hand and disappeared instantly with the Demon of Lust.

"The Arrogant Demon Envoy ordered the demon army to garrison the Starry Sky Fortress, and also ordered the demon army from the demon world to speed up their arrival."

"Yes, Demon Ancestor!"

In the starry sky fortress,

Su Chen appeared next to the ruthless empress with the lust demon in an instant. He glared at the ruthless empress. Su Chen frowned when he looked at the women around the ruthless empress.

Liu Shen, Xi The Queen Mother, the Holy Mother Guiling, Wangshu, and Xuan Ming, he didn't expect that these women had not left?

Liu Shen, Queen Mother Xi, and the three Turtle Saint daughters, they saw Su Chen's indifferent look.

They were all very uneasy.

Su Chen's indifferent attitude made them all worry that Su Chen would settle accounts with them.

The ruthless empress took Su Chen's arm and asked with a smile,

"Brother, why did you come back with the Demon of Lust?"

The ruthless empress saw Su Chen glare at her, but 0.9, she was not worried that Su Chen would punish her. Even if her brother wanted to punish her, he couldn't do it. The ruthless empress was a strong man at the quasi-sage peak, and her brother He is the scum of Taiyi Golden Immortal.

Su Chen curled his lips and said speechlessly,

"Rahu gave me the demon of lust, and the demon of lust will be my saint from now on."

"What? Rahu actually gave you a saint?"

The ruthless empress was very surprised when she heard Su Chen's words.

Is this a saint?

How could Luo Hu give her brother a saint for no reason? And she was also a enchanting, charming and seductive female saint. Luo Hu wanted to make a saint Sage spying on her brother?

"That's right, Nannan, you don't have to worry about this matter. This is the saint that Luo Hu, that idiot, voluntarily sent to me. Let's leave. I'll send you back to Xuantian Realm for retreat first."

Chapter 2324

Su Chen did not explain to the ruthless empress that this was the Starry Sky Fortress, and there were several women around. There were some secret things that Su Chen didn't want others to hear.

Liu Shen, the Queen Mother of the West, and the three daughters of the Turtle Spirit Holy Mother, they did not expect that Su Chen was going to take away the ruthless empress without paying attention to them.

This made them all very helpless.

They guessed that Su Chen was still blaming them for persuading the ruthless empress.

The ruthless empress grabbed Su Chen and said hurriedly,

"Brother, Liu Shen and Xihuang Mu are going to our Xuantian Realm to practice, and the Turtle Spirit Holy Mother, Wangshu, and Xuan Ming are also going to the Xuantian Realm to find their senior sisters and sisters."

Su Chen curled his lips and refused directly,

"They are not welcome in Xuantian Realm"

"elder brother....."

The ruthless empress did not expect that Su Chen would refuse.

She looked at Su Chen and frowned.

She did not expect that Su Chen would refuse, but why was this?

Could it be because people like Liu Shen and Xi Huangmu had previously persuaded him to face Demon Ancestor Luohu?

Su Chen rubbed his forehead and casually found a reason to explain,

"Nannan, the spatial coordinates of the Xuantian Realm cannot be known to outsiders. Now the demonic world outside the territory has appeared, and the beast realm is about to appear. If the Xuantian Realm does not want to be invaded by these realms, the spatial coordinates of our Xuantian Realm cannot be known. exposed."

The ruthless empress rolled her eyes at Su Chen.

Are these the reasons?

If they don't want Liu Shen and others to know the spatial coordinates, they can let Liu Shen and others take the teleportation array to the Xuantian Realm.

"Brother, Liu Shen, Xi Huang Mu, and the Turtle Spirit Saints are not outsiders, and they will not reveal the spatial coordinates of Xuantian Realm."

Su Chen looked at Liu Shen and the girls and said,

"They almost killed you before."

The ruthless empress's guess is good. Her brother is indeed because of the matter that Liu Shen and the others persuaded her.

The saints in the prehistoric immortal world calculated this.

This is something that Liu Shen and the others can't guard against.

Even if Liu Shen and the others discovered it at once, What about the second time? What about the third time? The plans of the saints are everywhere, how could they possibly guard against the plans of the saints. The ruthless empress helplessly said to Su Chen,

"Brother, that is the plan of the saints in the ancient immortal world. I have been plotted, let alone a few of them.."

Liu Shen said with a serious face,

"Su Chen, we apologize for what happened before. We will not go to Xuantian Realm. Farewell!"

"Ruthless man, we are waiting for your return in the wild realm."

The Queen Mother of the West waved her hands to the Ruthless Empress.

The attitude of the Ruthless Empress's brother has said everything. Su Chen has not forgiven them. This bastard does not welcome them to Xuantian Realm, and they will not shamelessly plead with this bastard..Wang

Shu said to Su Chen calmly,

"Su Chen, the three of us apologize to you for what happened in the past, and also for putting your sister in crisis."

"The three of us originally wanted to go to the Xuantian Realm to see our sisters and clan members again, but it's no longer necessary. The three of us will not go to the Xuantian Realm again."

"sorry!"

"sorry!"

Mother Turtle Spirit and Xuan Ming also apologized to Su Chen.

They just said that Su Chen had just saved more than one billion of the ancient gods' army, so Su Chen deserved their apology. They are also saints, but there is a big difference between the saints in the ancient world and Su Chen. Too big, they also regretted it very much.

If they had stayed in Xuantian Realm, the three of them would not have been plotted by the saints and would not have been deceived into being cannon fodder in the Starry Sky Fortress.

"Liu Shen, Queen Mother of the West, please wait and leave us together."

The ruthless empress hurriedly grabbed Liu Shen and the Queen Mother of the West, and said with a serious face,

"Brother, since you won't let Liu Shen and the others go to the Xuantian Realm, then I won't go either. I want to go back to the Wilderness Realm."

The ruthless empress then looked at the three girls of the Turtle Spirit Holy Mother and said, "The Turtle Spirit Holy Mother, Wangshu, Xuanming, you will go to the Wilderness Realm with us. We will not go to the Xuantian Realm."

Su Chen didn't expect that the ruthless empress would not return to the Xuantian Realm. He felt that he had angered his sister.

This was a bit troublesome.

Su Chen just asked the Liu Shen girls to remember it, and he didn't really want to refuse. These girls.

Damn, things are messed up. (To read Baoshuang novels, go to Feilu Novel Network!)

How will this end?

Su Chen rubbed his forehead and felt a headache. Do you think he was joking just now? swish.....

The Ruthless Empress, Liu Shen, and the six Wangshu girls quickly disappeared in front of Su Chen. They did not leave any more words, nor did they say any farewell to Su Chen.

This is his!

Su Chen watched the ruthless empress and the girls leave.

He was so confused that he didn't know what to do.

The lust demon looked at Su Chen's confused look, and she was very happy. The ruthless empress had a fight with this bastard. Su Chen's sister ran away from home. This bastard must be very angry and helpless.

He deserved it, a sex demon,

The demon of lust could not wait to clap his hands in joy now.

Boom boom boom.....

At this time, five powerful saint auras came from the chaos, and the demon army in the demon world immediately became alert. Even Demon Ancestor Luo Hu and several other demon envoys looked towards the approaching saint.

Su Chen and the Demon Envoy of Lust also looked at Chaos.

However, after Su Chen sensed the aura of the coming saints, a smile appeared on his face. This was the arrival of the saints like Nuwa and Yin Ji. swish swish.....

After a while, five saints, Nuwa, Gaia, Ziyun, Yinji, and Luluo, appeared next to Su Chen.

"Husband, where is my daughter?"

Nu Wa did not find the ruthless empress in the Starry Sky Fortress (Nono's). The boundary war in the Starry Sky Fortress was also over. They saints arrived a step late.

Gaia was worried and asked hurriedly,

"Husband, is there nothing wrong with my daughter?"

Yin Ji and Zi Yun also looked at Su Chen worriedly. If they arrived late and something happened to the ruthless empress, they would blame themselves very much.

Su Chen smiled and said, "Nothing happened to my daughter. She will go back to the wilderness. The realm has changed."

Nu Wa and the other girls heaved a sigh of relief when they heard Su Chen's words. As long as nothing happened to the ruthless empress, they didn't care about anything else.

Nu Wa asked Su Chen doubtfully,

"It's good that nothing happened to Nannan, but why did you let Nannan return to the wild realm? The wilderness will also be very dangerous in the future. Husband, why don't you let me go home?"

"Hey, I offended Nannan just now. She didn't return to the Xuantian Realm, and Nannan went back to that barbaric realm where birds can't shit."

In the starry sky,

Luo Hu looked at Nuwa and the girls who had just arrived in confusion.

He did not expect that Su Chen would have so many saints under his command, and some of them were powerful saints.

A saint from the seventh level of the holy realm.

Luo Hu had seen the phantom of this female saint before. The greedy demon was killed by this female saint with one finger.

There were also two sixth level saints and two fifth level saints. There are five realms of saints in heaven - powerful saints, and those who return the favor are all female saints

"Female saint? Female saint, female saint? Why are they all female saints?"

Luo Hu couldn't understand why all the saints under Su Chen were women? And each one was more powerful than the last.

Luo Hu looked back at the five remaining saints, three saints from the fourth level of the holy realm and two saints. A saint who is in the third level of heaven.

Damn,

Luo Hu feels that he can't compare to Su Chen in anything.

Su Chen's saint realm may be stronger than Su Chen's, but the saints under Su Chen are still stronger than the saints under him.

That bastard is here to attack him. ?

Without Hongjun, the old bastard,

Su Chen, the old bastard, appeared again.

At this moment, the lust demon was confused and heard the conversation between Su Chen and Nuwa.

Husband?

These powerful people All the female saints are Su Chen's women?

Look at Luluo, the fifth heaven of the Holy Realm, she can't afford to offend her.

Look at Gaia, the fifth heaven of the Holy Realm, she can't afford to offend her.

Look at Ziyun, the fifth heaven of the Holy Realm. She can't afford to offend the sixth heaven.

Look at Yin Ji. She still can't afford to offend the sixth heaven of the Holy Realm. When the lust demon looked at Nuwa, she can't even afford to offend this cruel woman in the seventh heaven of the Holy Realm.

Saint, she had previously destroyed the greedy demon of the fourth level of the holy realm with one finger.

The lustful demon felt that after Su Chen became her master, she would let go of her previous aloof saint attitude.

She could not afford to offend Su Chen. She couldn't afford to offend any of the powerful female saints.

At this moment,

Nuwa and the other girls heard Su Chen's narration, and they all looked at Su Chen speechlessly.

However,

Su Chen did nothing wrong this time.

The ruthless empress

It is not a good thing to care too much about the Savage Realm.

The Xuantian Realm is the home of the Ruthless Empress. If the Ruthless Empress keeps using the resources of the Xuantian Realm to raise the gods of the Savage Realm, bad things may happen in the future. Something unexpected happened.

Nuwa looked at Su Chen's helpless look.

She couldn't think of any way.

With the ruthless empress here, it would be impossible for Xuantian Realm to occupy the wild realm.

If the ruthless empress knew that Xuantian Realm was going to be occupied, She will definitely oppose the Savage Realm and even block the attack of the Xuantian Realm Combat Corps.

"Husband, how about taking Nannan back to Xuantian Realm? It was not an option for her to stay in the wild realm."

Su Chen shook his head and refused,

"No, Nannan only cares about two things, one is me and the other is the wild realm. Ever since Nannan knew that I have your protection, she now only cares about the wild realm. Yin

Ji rubbed her forehead and said, "Husband, what should we do?" If not, I'll protect my daughter."

Su Chen waved his hand and said,

"No, we will close the teleportation arrays in the Xuantian Realm and the Barbarian Realm when we go back this time, and Nannan's Bronze Immortal Palace will also stop transmitting spiritual energy. I don't believe that Nannan will not return to the Xuantian Realm. Nuwa said to Su Chen speechlessly, "Isn't this good? If you do this, Nannan will definitely be angry.""

"Nuwa, there is no other way. This is the only way to force Nannan to return to Xuantian Realm."(To read Baoshuang novels, go to Feilu Novel Network!)

Ziyun and the girls shook their heads.

They felt that Su Chen's method would not work at all.

As long as the ruthless empress returned to Xuantian Realm, one of her orders would be transmitted. The array will be reopened, and the spiritual energy will be re-transmitted to the Bronze Immortal Palace of the Ruthless Empress.

Su Chen looked at the Starry Sky Fortress and said,

"Let's leave now. We don't need to participate in the war in the prehistoric fairy world for the time being."

"good!"

Nu Wa, Yin Ji and the other girls, as well as the bewildered Demon of Lust, disappeared into the Starry Sky Fortress under Su Chen's wave. In the void, a Sky Blade Battleship instantly disappeared over the Starry Sky Fortress.

Demon Ancestor Luohu Seeing Su Chen and the female saints leaving, he was relieved.

Su Chen would not participate in this realm war, which was good news for him. Luo

Hu looked at the prehistoric fairy world indifferently.

Let's test the strength of the ancient world in a few days. The starry sky fortress has been occupied by the demons. With the demons having this frontier fortress, the demon armies from the demon world will continue to arrive.

In the Zixiao Palace, the six great saints from the ancient world, they They also saw the arrival of Nuwa and the four saints. Especially after they sensed the realm of Nuwa's saints, the Zixiao Palace was very quiet.

One was the seventh heaven of the holy realm, and two were the sixth heaven of the holy realm.

The two fifth-level saints,

Nuwa and those female saints, are very powerful.

Among the six saints, only Laozi is at the sixth-level saints. The other saints are either the fifth-level saints or the fourth-level saints. Heaven, the saints in the prehistoric immortal world and the Xuantian realm are simply incomparable.

"The Xuantian Realm is really a powerful realm. Only five saints have arrived this time. We all know Nuwa and Gaia, and the other three female saints are very strange."

"Why are all the female saints coming this time? Are all the saints in Xuantian Realm female saints?"

"Who knows, but how could Nuwa be so powerful? She has only been away from the prehistoric fairyland for a few years."

"We don't know, this may have something to do with Su Chen"

"Well, Su Chen makes us unable to see through it, but I am actually interested in Xuantian Realm."

When Hongjun heard the conversation between Laozi and several saints, especially what Zhunti said just now, he shook his head and reminded,

"Zhunti, don't think too much"

"We don't know where the Xuantian Realm is, and we can't even get the spatial coordinates of the Xuantian Realm. Su Chen has mastered the laws of space. Su Chen can break the space mark left on Su Chen by the old Taoist in an instant."

I stood up and said seriously,

"Let's prepare for Luo Hu's attack. Luo Hu will take action against the Great Desolate Heaven in the next few days, and we must also prepare for action."

Hongjun nodded and said,

"Well, yes, the starry sky barrier is the battlefield between us and Luo Hu. If nothing can be done, the old Taoist will peel off the Hongmeng Purple Qi and leave the prehistoric fairyland."

"Let's see what happens then!"

The wild realm, the restricted area of life in the south!

After the Ruthless Empress arrived with Liu Shen and Turtle Spirit Madonna, they had just entered the Bronze Immortal Palace of the ruthless Empress. The ruthless Empress's face changed, and the Bronze Immortal Palace Although there was rich innate spiritual energy in her body, she found that the spiritual energy that had been sent to the Bronze Immortal Palace had stopped.

"Are you trying to force me to return to Xuantian Realm? my good brother"

Chapter 2326

The ruthless empress felt very helpless at the moment.

She originally just wanted to make Su Chen angry, and even wanted Su Chen to change her mind.

However, the ruthless empress did not expect that Su Chen would cut off the innate spiritual energy transmission. Her brother obviously wanted to force her to return. In Xuantian Realm, is there any brother in this world who treats his sister like this?

At this time, a fairy hurriedly came and saluted the ruthless empress,

"Princess Qi, the teleportation arrays in Xuantian Realm and Life Forbidden Zone are closed."

When the ruthless empress heard the fairy's words, she rubbed her forehead speechlessly.

Her brother not only cut off the spiritual energy transmission, but now also closed the transmission array. Is her brother a child?

Liu Shen asked doubtfully,

"Ruthless man, what happened?"

Liu Shen, Xi Huangmu, and even the three girls of Turtle Spirit Holy Mother, they all looked at the Bronze Immortal Palace in surprise.

There is innate spiritual energy in the Bronze Immortal Palace, which made them all very surprised, but the fairies are so cruel to ruthless people. The empress reported, which made them guess what might have happened.

The ruthless empress said speechlessly,

"My brother cut off the transmission of innate spiritual energy, and also closed all the transmission arrays to the Xuantian realm."

After the Queen Mother of the West heard what the Ruthless Empress said, she patted the Ruthless Empress on the shoulder and said,

"Your brother should be forcing you to return to the Xuantian Realm. You are cruel, so don't blame your brother."

The ruthless empress shook her head and replied,

"I didn't blame my brother, I just felt that he was a little childish. If I didn't go home, my brother would cut off everything I needed like an ordinary parent."

After the Queen Mother and others heard the words of the Ruthless Empress, they were all speechless.

Su Chen's approach was indeed a bit childish.

The Ruthless Empress was a quasi-saint, a powerful woman, and a strong woman who had lived for several lives. It's simply not feasible for

Su Chen to force the ruthless empress to go home like this. Liu Shen smiled and said,

"Haha, an elder brother is like a father. Your brother did not yell or curse at you, nor did he send a powerful saint to capture you and take you back to Xuantian Realm. It seems that your brother has no other way to deal with you."

The ruthless empress thought for a moment and said directly,

"I want to return to the Xuantian Realm. You and I will go to the Xuantian Realm with you."

The Queen Mother of the West shook her head and said,

"Ruthless man, we'd better not go. Besides, the teleportation array has been closed. If you want to go back to the Xuantian Realm, you have to go to the Western Realm first. Let's stay in your Bronze Immortal Palace to practice."

"No, I have a one-time teleportation talisman in my hand. I can take you to the Xuantian Realm."

Wang Shu waved his hand to the ruthless empress and said helplessly,

"Ruthless man, if your brother doesn't welcome us, we'd better not go. Your innate spiritual energy here is also very strong. It would be good for a few of us to stay here and practice."

"Don't worry, you can stay in my palace to practice when you arrive in the Xuantian Realm. I have the final say in my palace. Even if my brother knows about it, he can't do anything to me."

"this....."

"Don't hesitate, come with me"

"All right!"

After Liu Shen and the other girls looked at each other, they all agreed. They also wanted to see the Xuantian Realm. Among them, only the three of them, Madam Guiling, have been to the Xuantian Realm. After not staying in the Xuantian Realm for a few days, the three of them returned to the Ancient Immortal Realm. The three of them were not particularly clear about what kind of realm the Xuantian Realm was. In the Xuantian Realm, Su Chen and Nuwa also Returning to the Xuantian Realm, the Demon Envoy of Lust was confused when she arrived in the Xuantian Realm. Innate spiritual energy? There was innate spiritual energy in the Xuantian Realm, and she also sensed the existence of heaven. The Demon Envoy of Lust had not been brought by Su Chen When she arrived in the Xuantian Realm, she might have just appeared in the Xuantian Realm, and the Heavenly Dao of the Xuantian Realm could destroy her instantly. The Merlot Heavenly Court, the Lust Demon Envoy was very surprised when he saw everything here, the powerful army of gods, the huge Luo Jinxian and quasi-sages can be seen everywhere, and there are even more than ten saint auras in the Melo Heavenly Court. The Lust Demon Envoy was frightened. The Xuantian Realm was much more powerful than the demons outside the realm. There are more than twenty saints, not counting the ridiculously powerful saint such as Su Chen. Kesha and He Xi were in a daze the whole way. (To read Baoshuang novels, go to Feilu Novel Network!) Merlot Heavenly Court Every god was stronger than them, and the powerful aura they felt along the way shocked them. The Golden Immortal, the Taiyi Golden Immortal, the Daluo Golden Immortal, the Quasi-Saint, and even the powerful Saint, the ones with the lowest cultivation level in the Melo Heavenly Court They were all golden immortals. They didn't see any gods below golden immortals. This was too scary.

"See the Emperor of Heaven!"

"See the Emperor of Heaven!"

"See the Emperor of Heaven!"

Su Chen took the girls and walked all the way. The surrounding divine armies all saluted Su Chen. In the center of the Merlot Heavenly Court, the magnificent Heavenly Emperor's Palace stands here.

The palaces in various areas around it are guarding the Heavenly Emperor's Palace. And Jian, the closer he gets to the Heavenly Emperor's Palace, the more powerful the surrounding gods are. Even the palaces close to the Heavenly Emperor's Palace reveal the aura of saints.

Su Chen hugged Kesha and asked with a smile, "Kesha, Hexi, my Merlot Heaven is spectacular and beautiful, right?"

He Xi rolled his eyes at Su Chen and said,

"Su Chen, there is no comparison between Angel's Merlot Heaven and your Merlot Heaven. Our Merlot Heaven is like a thatched house, and your Merlot Heaven is like a gorgeous palace."

Kesha shook her head and said,

"It's too big, your Merlo Heaven is like a small world, and I feel very comfortable when I come to Merlo Heaven. I even feel that as long as I stay in Merlo Heaven for a few days, I can upgrade my divine body again."

Su Chen replied with a smile,

"Keisha, there is innate spiritual energy in Mero Heaven. This is a thousand times, even ten thousand times better than the energy you use to upgrade your divine body. Innate spiritual energy is not available in other realms in the chaotic world."

After Kesha and Hexi heard Su Chen's words, they looked at each other and made a decision.

Innate aura, which is super energy for their angels. If the angels all come to Su Chen's Merlot Heaven, the angels will We don't have to do anything, all the angels will be upgraded quickly.

Su Chen turned around and told Yin Ji, "Yin Ji, you arrange a palace for the Lust Demon Envoy. She will be the saint of our Xuantian Realm from now on."

"Husband, I understand."

Yin Ji nodded to Su Chen.

Su Chen told them about the Demon Envoy of Lust.

Su Chen controlled the Demon Envoy's soul, and they were not worried that the Demon Envoy would dare to rebel.

At this time, a big Luo Jinxian's The general will quickly arrive at Su Chen's side and salute, saying,

"Report to the Emperor of Heaven that the eldest princess is back, and.....and...."

"And what? explain?"

Su Chen heard that the Ruthless Empress was coming.

He didn't expect it to happen so soon.

Su Chen had just ordered to cut off the teleportation aura and close the teleportation array. How could the Ruthless Empress arrive in Xuantian Realm so quickly?

"Returning to the Emperor of Heaven, the eldest princess arrived with five quasi-sages from other realms, and the defense formation of the eldest princess's palace was also activated."

Chapter 2327

When Su Chen heard the words of Daluo Jinxian General, his face turned dark instantly.

The ruthless empress is back?

Did you also bring all the five Liu Shen people here?

Even the formation in the eldest princess's palace is activated?

Are you defending yourself?

Damn it, do you have a sister like this?

Su Chen rubbed his forehead and felt very helpless.

He did not expect that the Ruthless Empress would arrive so soon. The teleportation array in the Xuantian Realm had been closed. How did the Ruthless Empress and the five Liu Shen girls return to the Xuantian Realm?

Nuwa and Kesha all shook their heads speechlessly.

How come these brothers and sisters acted like enemies?

The elder brother cut off all the needs of the younger sister, and the younger sister activated the barrier formation to guard against her older brother.

Are there such brothers and sisters in this world?

"Nuwa, you take Kesha and Hexi around, and I'll go see Nannan."

"Okay, husband, don't argue with your daughter anymore. If you have something to say, you have to talk it over."

"I see!"

After Su Chen waved his hands to Kesha and He Xi, he disappeared in an instant.

He wanted to get rid of the sister of the ruthless empress.

Su Chen is the only sister.

Although they are not relatives, in the past few years,

Su Chen has Chen regarded the Ruthless Empress as his own sister, and he did not want the Ruthless Empress to be angry with him because of those women. In the Great Desolate

Immortal World 510, after the Starry Sky Fortress was lost, after the remaining gods of the Prehistoric Immortal World returned to the Prehistoric Immortal World, these The gods publicized everything that happened in the Starry Sky Fortress.

The saints did not show up.

The ruthless empress stood up for the prehistoric fairy world.

The quasi-saints of the saint sect fled after the war. The former emperor of heaven rescued the remaining gods' army.

Each of these things This incident made all the creatures in the Great Desolate Immortal Realm confused.

However, more creatures in the Great Desolate Immortal Realm were very angry towards the saints and the Saint Sect. The

Starry Sky Fortress quickly fell, all because the saints in the Prehistoric Immortal Realm did not If the saints are willing to take action, if all the saints take action, the starry sky fortress will not be lost in one day, and the army of gods in the ancient immortal world will not be able to have billions of casualties.

Heavenly Court,

Heavenly Emperor Zhang Bairen looked at the depressed Heavenly Court, he was sitting alone The throne was drinking wine. The war in the Starry Sky Fortress was too terrible. If he hadn't escaped after the war, the Starry Sky Fortress would have been the place where he was buried.

Touch!

"No, the Jade Emperor in Heaven can no longer do it. This is a huge pit."

The Emperor of Heaven, Zhang Bairen, threw away the wine glass (cicf) in his hand and was about to leave the heaven.

He felt that the saints not only made him a puppet, but even wanted him to be a scapegoat.

Zhang Bairen felt that it was better to be a mortal. At least he had a fortune. , and also has many darling wives and concubines. He now has an endless lifespan, and Zhang Bairen can enjoy the glory and wealth.

Whoosh!

An old Taoist suddenly appeared next to the Emperor of Heaven Zhang Bairen, and he asked Zhang Bairen with a serious face

"God, where are you going?"

Zhang Bairen hurriedly replied when he saw the old Taoist,

"I.....I'm going to see how many heavenly soldiers and generals have escaped back to heaven."

The old Taoist waved his hand and said indifferently,

"The Emperor of Heaven doesn't need to look at it. None of the heavenly soldiers and generals who escaped have returned to Heaven. Emperor of Heaven, let's discuss the next war."

Zhang Bairen sat down again and said helplessly,

"Master Taiyi, we no longer have an army of gods, so how can we prevent the demonic world from outside from invading the immortal world?"(To read Baoshuang novels, go to Feilu Novel Network!)

Master Taiyi glared at Zhang Bairen and said coldly,

"Aren't you the Emperor of Heaven? You immediately tell the creatures in the prehistoric fairyland that we must form a huge army of gods as soon as possible. Only in this way can we prevent the invasion of the demonic world from outside."

Zhenren Taiyi is also very helpless. He is a useless Heavenly Emperor.

He can't understand why the saints asked him to help Zhang Bairen. The Heavenly Army in the Ancient Immortal Realm suffered heavy casualties. Even the escaped gods' army did not return to Heaven. Is the Ancient Immortal Realm really going to do this? It's over.

Boom boom.....

At this time, the prehistoric fairy world suddenly shook.

All the creatures in the prehistoric fairy world looked at the people of Jiutian. This was a sign that the saints were about to appear. All the creatures wanted to know what the saints were going to tell the prehistoric fairy world.

"Creatures of the Great Desolate Immortal World, I am Hongjun. The starry sky fortress of the Great Desolate Immortal World has been lost. Our army of gods suffered heavy casualties. The demonic world from outside will attack the Great Desolate Immortal World again. I hope that all races in the Prehistoric Immortal World will mobilize and let us protect the Great Desolate World together. fairy world"

"I am a human being who taught me that all races and forces in the ancient fairyland must unite as soon as possible. The demonic world outside the realm is very powerful. The fairyland needs all races and forces to work together to fight the demonic world outside the realm."

"I explain the teachings of Yuanshi Tianzun, prehistoric times....."

"I am connected to the sky, the prehistoric fairy world....."

"I am the guide of Buddhism (Zhunti), the creatures of the prehistoric immortal world....."

All races, forces, and even all living beings in the prehistoric fairyland did not respond to the saint's announcement.

All living beings knew the faces of the saints, and they would no longer believe the words of the saints, nor would they ever again. Be cannon fodder for the saints.

In Zixiao Palace, the faces of the saints such as Hongjun were very ugly after seeing the reactions of the primitive creatures.

They are all saints, they are all supreme saints.

Today's announcement to the Great Desolate Immortal World and the indifferent reaction of the creatures in the Great Desolate Immortal World have made these saints lose their face.

"Damn it, these ants have the audacity to disobey orders."

"The creatures in the ancient world no longer believe in us. The war outside the starry sky barrier can only be participated by our sect disciples."

"Those ants, I want to kill them now"

"Prepare disciples of your respective sects. You can't count on the creatures from the ancient immortal world."

"Do we still want to sacrifice our disciples? We have very few disciples left"

"There is no other way. All Daluo Jinxian and Quasi-Sages must guard the starry sky barrier this time, otherwise you should understand the punishment of heaven."

In the Zixiao Palace, although the saints like me are very angry, there is nothing they can do.

The starry sky barrier is the last defense of the ancient immortal world. If these saints don't want to be killed by heaven, they must stop it at the starry sky barrier. Demon Ancestor Luohu.

Xuantian Realm,

Merlot Heavenly Court, outside the palace of the eldest princess,

Su Chen looked helplessly at the opening of the barrier formation.

He had been outside the palace for a while, but the ruthless empress had not opened the barrier formation. Can't let him in

"Nannan, if you don't close the barrier formation, I'm going to break in."

"My good brother, can you break into my palace? As long as you don't let Nuwa and Gaia's sisters-in-law help, I'll wait for you, brother, to break into my palace."

Chapter 2328

In the palace of the eldest princess, the ruthless empress and the Liu Shen girls were sitting together. They were all looking at Su Chen outside the palace.

Su Chen has been here for a while.

Although the ruthless empress wanted Su Chen to come in, she was worried that Su Chen would drive away the Liu Shen girls again. The ruthless empress looked at the helpless Su Chen outside the palace with a complicated expression.

"Ruthless man, isn't it good for you to squeeze on your brother like this?"

"Yes, why don't you let your brother in? I don't think he will drive us away again."

"Cruel man, if your brother gets angry, it will destroy the relationship between you and your brother and sister."

"The worst we can do is return to the wilderness, ruthless man, don't get angry with your brother.
Liu

Shen and Turtle Spirit Mother all talked to the Ruthless Empress one after another. They did not want the Ruthless Empress to turn against the Su Chen brothers and sisters because of their existence. The Ruthless

Empress shook her head and said, "Seven-two-zero",

"Don't worry, my brother is big-hearted, he won't be angry about this matter"

"Girl, why am I so arrogant? I'm very angry now."

Suddenly,

Su Chen's voice came from the side,

"elder brother? How did you get in?"

The ruthless empress saw Su Chen suddenly appeared, and the barrier formation was still intact. She was very surprised when she looked at Su Chen.

Liu Shen and the Turtle Spirit Virgin Mother were also very surprised when they saw Su Chen.

They didn't expect that Su Chen appeared silently. Su Chen was clearly still outside the palace and was being guarded by the barrier. How could he appear in the palace in such a blink of an eye?

Su Chen crossed his arms and said with a smile,

"Nannan, I built your palace for you, and all the formations in the palace were arranged by me. Do you think the barrier formations in the palace can stop me?"

Su Chen didn't care about the formations in the palace of the ruthless empress at all. He got the entire Merlot Heavenly Palace from the system. All the formations in the Merlot Heavenly Emperor were useless to him.

Besides,

Su Chen's space laws had already been When he reached a great level of cultivation, even if he forced his way through the barrier formation, he was still very disguised.

The ruthless empress lowered her head speechlessly when she heard Su Chen's words.

She had forgotten that all the formations in the Merlot Heavenly Court were useless to Su Chen. , and her palace was built by Su Chen. Su Chen may be more familiar with her palace than she is. The ruthless empress asked with wide eyes, "Brother, what are you going to do when you come here?" Su Chen coughed awkwardly and said,

"Ahem, that.....That brother did something wrong before. I just wanted Liu Shen and the others to have a long memory. I didn't really prevent them from coming to the Xuantian Realm."

"Brother, you....."

"Nannan, this is what I am here to say. Liu Shen and the others have arrived in the Xuantian Realm. You should entertain them well. My brother has something else to do, so I will go and get busy first."

Su Chen interrupted the words of the ruthless empress. He quickly said a few words and then disappeared.

This was too embarrassing for him.

Su Chen didn't want to stay and let the Liu Shen girls laugh at him. However, he had already told ruthless women just now. The Human Empress apologized, and the Ruthless Empress would probably forgive his brother.

When the Ruthless Empress saw Su Chen disappearing quickly, she felt very sorry.

She didn't expect that Su Chen came to apologize to her. The Ruthless Empress didn't even think about it. She didn't blame Su Chen, and she wasn't even angry. She just wanted Liu Shen and the girls to come to the Xuanwu Heaven Realm.

Su Chen came here specifically to apologize to her this time.

The ruthless empress felt very guilty.

In the Xuantian Realm, in Melo In heaven, her brother is a heavenly emperor who controls the life and death of billions of gods.

In the entire Xuantian realm, there are only three sisters, she and Su Yan, whom Su Chen has no choice but to read. (To read Baoshuang novels, go to Feilu novels. Net!)

Her brother's apology to her just now made the Ruthless Empress feel like she was stabbed in the heart. This time it was her unreasonable trouble. Not only was Su Chen not angry, he even took the lead in apologizing to her. The Ruthless Empress felt very sorry for her brother.

"Ruthless man, your brother is really very kind to you."

Liu Shen patted the Ruthless Empress on the shoulder.

She had just understood that

Su Chen's arrival this time was because he was afraid that the Ruthless Empress would be angry, and would even stop paying attention to his brother in the future. Liu Shen was very envious of the Ruthless Empress. Such a good brother.

The Queen Mother of the West and the Turtle Spirit Mother nodded beside them.

They did not expect that Su Chen would come to apologize. The Ruthless Empress had such a good brother. They were not only happy for the Ruthless Empress, but also very Envy.

The ruthless empress said sadly,

"I know that my brother has been very good to me since I was a child. This time I was making trouble unreasonably. If I had made it clear to my brother at that time, such a thing would not have happened today....."

"Go ahead, ruthless man, go apologize to your brother"

"Um! You can look around in the Merlot Heaven. The Merlot Heaven is very spectacular and beautiful."

The ruthless empress nodded and disappeared.

She wanted to apologize to her brother.

At this moment,

Su Chen appeared on a fairy mountain in Merlot Heaven.

The matter of the ruthless empress has been solved. He wanted to think carefully about the fate of the ancient fairy world. Things. If the saints of the Great Desolate Immortal Realm and even the Heavenly Dao were destroyed by Luo Hu, Su Chen could not let Luo Hu destroy the Great Desolate Immortal Realm. The

Prehistoric Immortal Realm is still a top realm no matter how you say it.

Although it has been downgraded to a high-level realm, the Prehistoric Immortal Realm Many of the gods were loyal to him, and it was impossible for Su Chen to watch Luo Hu massacre and destroy the prehistoric immortal world.

Whoosh!

"elder brother!"

"Nannan, why are you here!"When Su Chen saw the ruthless empress appearing, he hurriedly stood up and asked. The ruthless empress lowered her head and said,"Brother, I did something wrong before. I shouldn't have made trouble unreasonably."

Su Chen touched the hair of the ruthless empress and said with a smile,"Haha, forget it, no matter who is right or wrong, you are my sister, isn't it right for a brother to give way to his sister?"

"Brother, what are you thinking about here?"

After Su Chen took the ruthless empress to sit down, he said to the ruthless empress the 4.4 love he just thought about,

"I'm thinking about the prehistoric immortal world. My brother wants to save the prehistoric immortal world, but I don't want to save the saints and even the prehistoric heaven. I'm thinking of a perfect plan."

After the Ruthless Empress heard Su Chen's words, she thought that the ancient gods had not forgotten her as the eldest princess.

In the Starry Sky Fortress, when the Ruthless Empress arrived at the Starry Sky Fortress, the army of gods saluted her, and the Ruthless Empress also The ancient gods who did not want to be loyal to them were massacred by Rahu

"Brother, if Luo Hu refuses to give up destroying the ancient immortal world, will he launch a territorial war against the demonic world outside the territory?"

"Launch a territorial war? I haven't thought about this yet, nanny, there are many gods who are loyal to us in the ancient immortal world. I will not watch those gods who are loyal to us be slaughtered by Rahu."

Chapter 2329

Su Chen shook his head when he heard the words of the ruthless empress.

He didn't want to launch a realm war against the demonic realm outside the realm.

Rahu was still useful.

The ferocious beast realm was a greater threat than Rahu. He hadn't eliminated the beast king Shen Ni. Su Chen didn't want to fall out with Luo Hu, and that old cunt with raised eyebrows was also a huge threat.

Luo Hu is a younger brother in front of Beast Emperor Shen Ni and Yangmei, as well as that trash Hongjun. If Hongjun hadn't been deposed,

Luo Hu would still be under Hongjun's threat.

Luo Hu, who doesn't know how to calculate, would be a reckless man. Su Chen There are many ways to deal with Rahu.

The ruthless empress frowned and asked,

"Brother, if we don't launch a territorial war in the outer demonic realm, how can we save the prehistoric fairyland?"

Su Chen lay on the stone and thought for a while and said,

"Let's see how the situation develops first. That idiot Luo Hu is easy to deal with. As long as Luo Hu kills the saints in the prehistoric immortal world, and then he kills the prehistoric heaven, I will find a way to deal with Luo Hu."

"Idiot?"

The ruthless empress was very speechless when she heard Su Chen's words, idiot?

After all, Demon Ancestor Luo Hu is the master of a realm, and is even a saint of the eighth level of heaven. The ruthless empress did not expect that Luo Hu would be like this in her brother's eyes. a fool

"Haha, I deceived Luohu twice, he is not stupid....Um?"

Su Chen was talking to the ruthless empress with a smile.

He didn't expect that girl from the Holy Spirit of the Heavenly Ladder to be looking for him.

This made Su Chen confused.

His strength had not yet reached Da Luo Jinxian. How could the Holy Spirit of the Heavenly Ladder come to him at this time? ?

The ruthless empress saw Su Chen stop mid-sentence and even looked confused.

She looked at Su Chen and asked curiously,

"Brother, what's wrong?"

"Nanny, the Holy Soul of the Ladder to Heaven is looking for me. I am going to the Ladder to Heaven. You can go and talk to your sisters-in-law later."

The ruthless woman didn't expect that the Holy Spirit of Tiangti would come to Su Chen. She didn't worry too much about it. It was impossible for the Holy Soul of Tiangti to harm her brother.

"Okay, I'll let your women know~."

Su Chen nodded and disappeared in front of the ruthless empress. He wanted to know why the holy soul of the ladder was looking for him now.

On the ladder, when Su Chen appeared on the 10,000th floor of the ladder, he saw a phantom, this vague woman. The phantom, he guessed, was the Holy Soul of the Ladder that transformed into a body.

"Girl, I didn't expect that you would actually transform into a body, but this vague body has no purpose. The phantom of the Holy Spirit of the Ladder looked at Su Chen and said coldly, "Su Chen, please stop trying to figure me out. You don't want to be pinched to death by me in the future. You must behave yourself in front of me in the future.""

Su Chen mocked disdainfully,

"Tsk, am I planning on you? We may not be of the same race, and we may even have different body structures. Don't worry, I won't make any moves on you until I understand Ni's appearance and body structure."

"You are so shameless!"

Tianti Holy Soul shook her head speechlessly.

She couldn't do anything about this pervert.

Su Chen was so shameless and shameless.

No matter how much she said, it would be of no avail.

Su Chen sat on the steps and asked directly. , "Tell me, why did you ask me to come this time?"

"Su Chen, there is a trial mission on the ladder, and I want you to complete it."

"Don't go!"

Just kidding, the realm war in the prehistoric fairyland has just begun.

This time not only the demonic realm outside the realm has been born, but also the beast realm will be born two years later. (To read Baoshuang novels, go to Feilu Novel Network!)

This is a war A crisis is also a huge opportunity.

How could Su Chen participate in any trial mission?

"What? You don't want to go?"

The Holy Soul of Tiandi looked surprised.

She didn't expect Su Chen to refuse without even asking. You know that the reward for the trial mission of Tiangi is very generous.

How could this bastard refuse?

Su Chen stood up and said ,

"Girl, take me back if you have nothing to do. I don't have time to stay here. I still have a lot of things to do."

The Holy Soul of the Ladder of Heaven said to Su Chen with a firm look on his face,

"No, Su Chen, the rewards for the missions on the ladder are very generous. You may be promoted to Daluo Jinxian in one step, and you may even be promoted to quasi-sage."

Su Chen shook his head and explained,

"Girl, to be honest, if this happened in the past, I would immediately agree to participate in the trial"

"However, the war between the three top realms of the Great Immortal Realm, the Outer Demon Realm, and the upcoming Fierce Beast Realm has just begun. I have no time to participate in any trial missions."

The Holy Spirit of the Ladder came to Su Chen and persuaded him,

"Su Chen, the war between realms cannot be fought in one day. The war in the prehistoric fairyland, the extraterrestrial demon realm, and even the beast realm may last for hundreds or even thousands of years. You have time to go there. Complete the trial mission."

Su Chen curled his lips and didn't believe the words of the Holy Soul of the Ladder.

It's not like he has never participated in the realm war.

In the Yin and Yang realm, the Demon God of Desire killed the way of heaven in less than half a year. The former Yin and Yang realm is now the Xuantian realm.

Su Chen It didn't take long for Chen to occupy the Yin and Yang realm.

A realm without the way of heaven and saints is simply vulnerable.

"Girl, are you kidding me? I participated in the Realm War"

"I have participated in the boundary wars in the Yin and Yang Realm, the Dark Realm, the Light Realm, and the Savage Realm, and the wars ended in a short time. If you want to deceive me, you must be realistic."

After the Heavenly Ladder Holy Soul heard what Su Chen said, she couldn't help but kick this bastard a few times.

The Heavenly Ladder Holy Soul didn't expect that Su Chen was such an idiot. Can those low-level realms be compared with the high-level realms?

"You idiot, can those low-level realms be compared with the high-level realms? The prehistoric way of heaven, that is the way of heaven in the tenth level of the holy realm. Even if Demon Ancestor Rahu grinds for hundreds of years, he may not be able to destroy the way of prehistoric heaven."

"Um? real?"

Heaven (Wang Nuohao))Holy Soul rolled his eyes at Su Chen and explained,

"Do I need to lie to you, you idiot?"

"The Great Desolate Heaven is the tenth level of the Holy Realm. If the Great Desolate Immortal Realm is not downgraded, the Great Desolate Immortal Realm is the super realm. The Great Desolate Heaven will also be the super Heavenly Way of the Twelfth Level of the Holy Realm. Even if it is the Heavenly Way of the Tenth Level of the Holy Realm, what do you think? Can Rahu be destroyed in a short time?"

"Huh? Girl, what you said makes sense!"

"Idiot God."

The Heavenly Ladder Holy Soul turned around and didn't want to talk to this bastard anymore. If she didn't want Su Chen to quickly improve his cultivation level, she wouldn't bother to talk to this idiot bastard.

Damn it, the Heavenly Ladder Holy Soul is getting more and more too much, idiot?

Himself Are there any idiots out there?

He has only been in the fairy world for ten years. It is impossible for Su Chen to know everything.

"Girl, can you tell me first what the trial mission is?"

"Su Chen is a trial mission in the world of gods!".

Chapter 2330

Su Chen looked at the Holy Soul of the Ladder with a confused face, the trial mission of the Gods World?

Is this something he can go to?

Damn, even the saints ended up in the Conferred God War.

In the trial mission, he may not be able to borrow the power of heaven in Xuantian Realm, and let alone what trial mission it is,

I, Yuanshi , Tongtian, those six shameless saints, if Su Chen killed their disciples, those saints would definitely kill themselves.

The world of gods is not a world where he can do trial tasks.

Su Chen shook his head and said helplessly,

"Girl, a trial mission in the world of gods? Do you think I, a Taiyi Golden Immortal, can complete it?"

"In the world of gods, those saints have not been forbidden by heaven to enter the prehistoric fairyland. There are saints there. As long as I do something extraordinary, those saints will destroy me."

The Holy Soul of the Ladder glanced at Su Chen and said,

"Su Chen, with your shameless character, you will definitely complete the trial mission of the Conferred God World."

Su Chen's face turned dark when he heard the words of the Holy Soul of the Ladder, "I'm going, how shameless? Shameless? Girl, you are slandering me, why should I be so shameless?"

"You know it yourself!"

Damn it, you damn little girl.

If Su Chen couldn't defeat the Holy Soul of the Ladder, he would definitely let this little girl know how flowers bloom.

"Girl, what is this mission?"

The Holy Soul of the Ladder reminded Su Chen with a serious face,

"Su Chen, before I talk about the mission, I want to remind you that this time you go to the Conferred God World, this is not an existing world, but the prehistoric fairyland 1.6 million years ago. You were just transported to the Conferred God Battle. period."

Su Chen shouted in surprise,

"Will I be transported to the immortal world 1.6 million years ago? Or is it during the Battle of the Gods in the prehistoric immortal world?"

"Yes, in this trial mission, you cannot transfer memories to any living beings in the Conferred Gods Period. The ladder will also protect your memories from being viewed by any gods in the Conferred Gods Period."

Su Chen frowned and lowered his head.

The words of the Heavenly Ladder Saint Soul made him not expect that

1.6 million years ago?

The period of the Conferred God?

Can't you send memories to people you know?

The world of the Conferred God is still in the prehistoric fairyland, or is it The same prehistoric fairyland, but if I do something to change the ending, will this change in the current prehistoric fairyland?

"Girl, if I had done something to change the ending during the Conferred God Period, such as the Holy Mother Turtle Spirit saved from death by me, the interception of the religion without destroying it, and the Great Shang defeating the Western Zhou Dynasty, if I had done this, the prehistoric fairyland would have Will there be a chain reaction?"

The Holy Soul of the Ladder sat next to Su Chen.

She looked at the frowning Su Chen and said with a smile,

"No, since the Heavenly Ladder lets people go for trials, the prehistoric and Conferred Gods period will be separated out separately. You can understand that the Conferred Gods period is a parallel time and space. Anything that happens in the Conferred Gods world will not affect the current prehistoric and immortal world."

"Parallel time and space? Girl, can my Xuantian Realm control the prehistoric fairyland during the Conferred Gods Period?"

"No, as long as you complete the trial mission, only you can enter and exit the Conferred God World freely, and no living being can enter or exit."

"Can I take the army of gods to the period of becoming a god?"

"No, but Su Chen, as long as the small world's army has not become immortal, you can bring some, but not too many."

Su Chen shook his head speechlessly.

Can't he lead an army of immortals?

There's no point in it.

Ordinary armies, or even armies of immortal cultivators, will they be used as cannon fodder when he brings them to the Conferred Gods Period?

The Saint Soul of the Ladder saw Su Chen thought about it and reminded her,

"Su Chen, the Battle of the Gods is a war between humans and humans, and a war between gods and gods. The gods will not take action against ordinary humans."

Su Chen's eyes lit up when he heard the words of the Holy Soul of Tianglai.

Yes, the War of Conferring Gods was a war launched by the Western Zhou Dynasty against Dashang. (To read Baoshuang novels, go to Feilu Novel Network!)

This is for the purpose of conferring gods.

If the gods If they can take action against the human race, then why let the human race launch a war?

In the plot of the Conferred Gods List, the gods did not seem to take action against the human army. At most, they used formations to block the advance of the human race. The war of the Conferred Gods is the gods against the gods, and the human army against the human race. Army.

Well, if that's the case,

Su Chen thinks that bringing some ordinary troops and immortal cultivators over there is really not cannon fodder.

"Girl, what is the trial mission this time?"

The Saint Soul of the Ladder smiled maliciously and said,

"Su Chen, there is only one mission, extend the destiny of Dashang and the country for ten years!"

Su Chen shouted in surprise,

"Damn it, extending the fortunes of Dashang and the country for ten years? Girl, do you think I can do it?" Su Chen was shocked when he heard the trial mission mentioned by the Holy Soul of the Tianglai. Extending the destiny of Dashang and the country for ten years? How is this possible? Can those saints let him destroy the god? That old Yin Hongjun Will he let himself destroy his conspiracy? Well, this is simply an impossible task. The Holy Soul of the Ladder patted Su Chen on the shoulder and said with a smile,

"How do I know, Su Chen, you have accepted the mission. If you fail to complete the mission, you will either be killed or you will stay in the world of gods and be unable to return. You should find a way to complete the trial mission!"

The Holy Soul of the Ladder is deliberately putting pressure on Su Chen.

She has no choice.

Su Chen's strength is improving too slowly. This bastard may not improve much in a hundred years or a thousand years.

There are many powerful saints around Su Chen. , this bastard has no intention of improving his strength at all.

Su Chen wanders around all day without practicing or retreating. If she doesn't put some pressure on this bastard, this bastard will still run around and pick up beautiful women, and he won't do it at all. Practice in seclusion.

When Su Chen heard the words of the Holy Soul of the Ladder, he hurriedly shouted,

"I went, I took the trial mission? When did I pick up? I just asked about the trial mission, little girl. I didn't agree to accept this trial mission."

The Saint Soul of the Heaven Ladder said with a cold face,"Su Chen, knowing the content of the trial mission is equivalent to accepting the trial."

"Damn it, girl, you are buying and selling by force. Damn, I just wanted to know what the training mission was. I didn't agree to perform this ladder trial."

Su Chen stared at the Holy Soul of the Ladder and wanted to kick her away.

You damn girl, this is obviously a trap for him.

"Forced buying and selling? You can think of it this way, Su Chen, you have accepted the mission and you have three days to prepare. If you want to go on the trial mission now, I can send you there now."

"Wait, I still need to prepare. Damn, little girl, you actually plotted against me. I will definitely cross you in circles in the future."

"Get out of here!".
