

Zongwu 2351

Chapter 2351

One year later,

Su Chen stayed on Sanxian Island for more than a year without knowing it. Time on the ancient island was really worthless. Su Chen just wanted to develop a relationship with Yunxiao. He didn't expect to stay there. Sanxian Island for more than a year.

In a picturesque valley on Sanxian Island,

Su Chen lay on the grass and whispered,

"It's been more than a year, and it's time to leave the Three Immortals Island. Well, the Western Zhou Dynasty is about to start its rebellion, and the Great Tribulation of the Gods is about to begin. There will be no time for such leisure in the future."

Whoosh!"

"You want to leave?"

Yun Xiao suddenly appeared next to Su Chen. She just heard Su Chen's words with a look of reluctance on her face.

Over the past year,

Yun Xiao has been conquered by this shameless pervert. Although she is not Su Chen's Taoist companion, this The bastard took advantage of her.

Su Chen nodded and replied,

"Well, I still have a lot of things to do in Dashang, and the Great Tribulation of the Gods is about to begin, so some of my arrangements must be completed as soon as possible."

Yun Xiao sat next to Su Chen and tried to dissuade him,

"Su Chen, the 29th Catastrophe of the Conferred Gods is coming. If you don't stay on the Three Islands, even the quasi-sages will perish during the calamity. I'm worried that something will happen to you."

Su Chen hugged Yunxiao's soft waist and said,

"Yunxiao, I still have things to do in Dashang. Also, you sisters should be careful of Taoist Duobao. Duobao will betray you and intercept the teaching, and even have some plots."

"Big Brother Duobao? How can this be? Why would senior brother betray Jie Jiao?"

Yunxiao looked in disbelief when he heard Su Chen's words. Will Duobao betray Jiejiao in the future?

Is this possible?

Duobao is lower than one person in Jiejiao and more than ten thousand people. In Jiejiao, except for the leader Tongtian, Duobao can be said to be the leader. The most powerful person, any disciple in Jie Jiao may betray Jie Jiao, but it is impossible for senior brother Duobao to betray Jie Jiao and teacher Tongtian.

Su Chen touched Yun Xiao's little face and continued,

"Yunxiao, you have to believe me. In Jiejiao, apart from you three sisters, you can only trust the Holy Mother of the Golden Spirit, the Holy Mother of the Wudang, and the Holy Mother of the Turtle Spirit. Even your teacher, Master Tongtian, cannot trust them all. Yun

Xiao looked at Su Chen with a cold face and asked coldly, "Su Chen, I can't believe what you said. Duobao would betray Jie Jiao?" You still make me distrust the teacher? What is your purpose?"

Su Chen faced Yun Xiao's cold question.

He rubbed his forehead helplessly.

He couldn't tell Yun Xiao what happened in the future.

Damn, this is really troublesome.

Su Chen watched Yun Xiao struggle out of his arms, and even He looked wary of him.

Su Chen felt that it was time to leave.

Yun Xiao would understand what would happen in the future.

The female disciples of Jie Jiao were all loyal to Tong Tian, and it was impossible for them to believe his words.

Su Chen looked at Yun Xiao finally reminded,

"Yunxiao, do you think I would say this for no reason?"

"The Great Tribulation of the Gods, this is a great catastrophe, and it is also a conspiracy against Jiejiao. Your teacher is arrogant and arrogant. Tongtian thinks that with the Immortal Killing Sword Formation, he can be invincible in the prehistoric immortal world?"

"The Immortal Killing Sword Formation must be indestructible by the Four Saints, but how many saints are there in the prehistoric immortal world? Not counting Hongjun and Tongtian, there are five more. Do you think the remaining saints will unite to deal with your teacher, Master Tongtian?"

"Yunxiao, see you later!"

Su Chen said and disappeared in front of Yun Xiao.

Su Chen couldn't convince Yun Xiao to believe him now, but he reminded Yun Xiao. Su Chen believed that Yun Xiao would listen to it. Even if Yun Xiao didn't believe in herself, she would still feel sorry for him. Bao was somewhat suspicious.

Well, Tongtian was not a good person, but all the female disciples he accepted were very loyal.

When Yunxiao saw Su Chen leaving, she wanted to call Su Chen back, but what Su Chen said made her It was hard to accept for a moment,

Duobao would betray Jie Jiao?

Shouldn't they believe everything their teacher said?

Yun Xiao didn't believe what Su Chen said at all. She even suspected that Su Chen might be harmful to Jie Jiao.

However,

Su Chen and her They had a close relationship with each other, and even the best innate spiritual treasures were given to their sisters. Yun Xiao was very confused. She didn't know whether she should believe Su Chen's words.

Three days later, in Chaoge City and the Royal Palace,

Su Chen returned to Chaoge City. Then he came to the palace. During the more than a year since he left, Su Chen wanted to know the current situation of Dashang.

Su Chen had just arrived at Su Daji's palace. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Daji suddenly He said to Su Chen with a mocking face,

"Su Chen, are you still willing to come back? Jie Jiao's pursuit of you was lifted a year ago. Where have you been over the past year?"

Su Chen hugged Su Daji and sat on the sofa. He touched Su Daji's delicate little face and smiled,

"I have some things to do during these times. By the way, Su Daji, have you done everything you arranged before I left?"

Su Dajimei was very speechless as she stared at Su Chen.

This shameless pervert has not changed at all after not seeing her for more than a year.

"Let me go, do you want people to see you?"

Su Chen kissed Su Daji and said, "Oh, everyone in your palace is yours. Even this palace is yours. Are you still afraid that someone will see it?"

"You are so shameless!"

Su Daji leaned on Su Chenhuai and shook her head helplessly.

She really owed it to this bastard. Su Daji originally wanted to harm Dashang, but now she is wholeheartedly focused on making Dashang strong. She didn't know why she said those stupid words of Su Chen.

Then,

Su Daji Daji told Su Chen what happened that year.

Jiang Ziya was made prime minister by Xibo Hou 913. After King Wu Cheng fled to the Western Zhou Dynasty, Wucheng King Huang Feihu was also made a general by Xibo Hou Jichang. This was a clear prelude to Xibo Hou's rebellion..

More troops were added to the five major gates of Dashang, and even some miraculous strangers recruited by Shen Gongbao were placed at the five major gates.

After Su Chen listened to Su Daji's account, he guessed that the Western Zhou Dynasty would rebel this year, and the Conferred Gods Great War The catastrophe will also begin, and Su Chen can only wait for the rebellion of the Western Zhou Dynasty.

The first pass, Sishui Pass,

Su Chen will make the Western Zhou Dynasty unbreakable for several years.

Su Chen suddenly thought of the Queen Mother of the West, and he asked Su Daji,

"Has the Queen Mother of the West notified you?"

Su Daji nodded and replied,

"I sent my second sister, Jiuzhi, to West Kunlun, but there is still no news, and Jiuzhi's soul lamp has not been extinguished. I don't know what happened now."

Su Chen smiled after hearing this.

Queen Mother Xi must have felt dizzy when she saw her bellyband.

However,

Queen Mother Xi did not come to him immediately. That old housewife was really cautious.

"It's okay, Jiu-Tou Zhi Jing, just take my token and come over. Queen Mother Xi won't kill Jiu-Tou Zhi Jing."

"Su Chen and Li Jing of Chentangguan also rebelled. Li Jing escaped with his young son, but his wife was captured by the Seven Monsters of Meishan."

Chapter 2352

Su Daji thought about what happened at Chentangguan.

After Su Chen disappeared in Chentangguan, Su Daji sent the Seven Monsters of Meishan with an army of 300,000 to Chentangguan.

Li Jing of Chentangguan also rebelled.

After the Seven Monsters of Meishan led an army to break through Chentangguan, Li Jing and his young son were rescued by a powerful Taoist. Li Jing's wife became an abandoned son and was captured.

Su Chen didn't pay much attention when he heard the news. Li Jing's rebellion was destined to happen.

It's just that Li Jing's wife was caught, which made Su Chen a little bit unexpected.

Was the beautiful Mrs. Li abandoned by Li Jing? Or was Li Jing unable to save his wife in time when he escaped?

Su Chen is not interested in these, but Mrs. Li can go and meet her when she is free.

Su Chen thought of the five major gates of Dashang, which were important gates to prevent the Western Zhou

Dynasty's attack. Su Chen wanted to continue the national destiny of Dashang for decades. These gates were the top priority to prevent the Western Zhou Dynasty's attack.

"Daji, have you arranged for Zhang Kui to take office as the commander-in-chief of Sishui Pass?"

Su Daji smiled and replied,

"Well, it has been arranged a long time ago. Zhang Kui used to be the guard general of Mianchi County. I sent him to Sishui Pass a year ago to take office, and also added 500,000 troops to Sishui Pass. This is all because of Wen Zhong's arrangements in person."

Su Chen nodded and said,

"Zhang Kui is very capable, but he still can't face powerful immortals. Daji, I have to go out soon."

"Do you want to leave?"

Su Daji looked at Su Chen speechlessly.

Su Chen just came back for a while, and this bastard wanted to go out again.

This bastard left everything to him. Su Daji suspected that Su Chen had other women outside. Although she had no evidence, her intuition was not wrong.

Su Chen touched Su Daji's small waist and smiled,

"Don't worry, this time it's only for a day or two. I'm going to find a strong man to help Zhang Kui guard Sishui Pass."

"Who are you looking for?"

"Quasi-sage, Kong Xuan!

Su Daji was surprised to hear Su Chen's words and asked, "Quasi Saint?" Kong Xuan? Is this the powerful one?"

"He is a fool, and he has a grudge against me. However, Kong Xuan will stand by Dashang."

Su Chen thought of Kong Xuan, and he decided to plot against that proud fool.

Although Kong Xuan was hostile to him, Dashang was very important to Kong Xuan. Dashang

's totem was the peacock, and

Kong Xuan also grew up from Da Shang (cjdd) Shangzhong has gained a lot of luck. It is impossible for that idiot to watch the great merchants collapse.

Su Daji asked in surprise,

"Have a grudge? You actually have a grudge against a quasi-sage? Then why did you let Kong Xuan help Dashang?"

Su Daji felt a little tired at the moment.

Su Chen is a scumbag.

This bastard actually has a powerful quasi-sage who has an enemy.

Su Daji feels that it is a miracle that Su Chen is still alive. He is an enemy of the quasi-sage. The quasi-sage wants to destroy him. Isn't it easy to kill Su Chen?

Su Chen leaned on the soft couch and explained to Su Daji,

"Daji, Kong Xuan is the son of Feng Zu, and the totem of Dashang is the peacock, which is also the appearance of Kong Xuan. Kong Xuan got a lot of luck from Dashang. Although he has enmity with me, Kong Xuan will not Watch the great merchants being destroyed"

"So that's it."

At this time, Wen Zhong in Dashang's Grand Master's Mansion also learned of Su Chen's return.

He hurriedly sent a message to his teacher Jin Ling Shen Mu about Su Chen's return. Wen Zhong didn't know why his teacher He did this, but he believed that his teacher would not hurt Su Chen.

In the living room,

Grand Master Wen Zhong, Emperor Uncle Bigan, and Prime Minister Shang Rong were drinking tea and talking.

Dashang had been here for more than a year. Under Su Daji's control, there was no anger or resentment, and the people were in dire straits. The three of them all had a changed view of Su Daji.

Although it was not advisable to interfere in politics in the harem,

King Zhou had always been obsessed with beautiful women and ignored government affairs. Su Daji also treated the three of them the same way. The trust was so strong that some royal power was delegated to them. The three of them no longer opposed Su Daji's involvement in politics, and they even hoped to continue like this.

Emperor Uncle Bigan asked Taishi Wen Zhong,

"Grand Master, Xibohou is about to rebel. Can't we send troops to destroy Xibohou first?"(To read exciting novels, go to Feilu Novel Network!)

Wen Zhong stroked his beard and said with a smile,

"Uncle Emperor, these arrangements have been made by Empress Su. The Marquis of Xibo has not openly rebelled. The great merchants are unknown, and the various princes of the great merchants may also have opinions."

"Empress Su has ordered me to send an additional 500,000 troops to Sishui Pass, and also dispatched a capable general to guard Sishui Pass. As long as Xibo Hou Jichang dares to openly rebel, our Dashang army will immediately destroy Xibo. Hou."

Emperor Uncle Bigan and Prime Minister Shang Rong both nodded. As long as Dashang had been prepared, Xibohou's rebellion would have been quickly quelled.

Shang Rong felt a little lucky at the moment.

His daughter Shang Qingjun was originally going to marry Xibohou. His son Ji Fa was engaged to be engaged. Fortunately, Shang Rong did not agree at that time. Otherwise, Xibo Hou Jichang would have rebelled, and their family would also be implicated.

Fengqi Mountain,

Su Chen came to Fengqi Mountain the next day, and that idiot Kong Xuan was on Fengqi Mountain. After Su Chen sensed the entire Fengqi Mountain, he discovered a barrier.

As long as there is a space boundary on Fengqi Mountain, it cannot escape Su Chen's perception.

"Silly bird, come out quickly, I have something to do with you." boom!

"Xuanniao, do you want to find you?"

Damn it!

Kong Xuan, this stupid bird, is really arrogant.

Su Chen hurriedly resisted the powerful aura that Kong Xuan burst out.

This pressure king!

Kong Xuan is somewhat similar to the pressure king in Weizhuang.

"stupid.....Ahem, Kong Xuan, come out and let's chat."

Su Chen almost called Kong Xuan a fool again.

He came this time to plot against the fool Kong Xuan. Su Chen couldn't offend Kong Xuan now.

Kong Xuan shouted angrily at Su Chen in the border.

"Get lost, little scumbag, don't make me kill you."

Su Chen shouted when he heard Kong Xuan's words,

"Damn, Kong Xuan, Dashang is facing a huge crisis. You, the totem of Dashang, should do something for Dashang. The luck of the human race is not that good."

Whoosh!

Kong Xuan suddenly appeared and stared at Su Chen with an indifferent expression.

This bastard,

Kong Xuan never thought that Su Chen would come to beg him. He is the totem of Dashang. Over the years, Kong Xuan has also received a lot of luck from the human race..

However, is this bastard here to ask for help?

Silly bird?

It's his fault. He is a stupid bird, so what is Su Chen?

Isn't Xuanniao also a stupid bird?

When Su Chen saw Kong Xuan appear, he even shouted: He looked like he wanted to pinch himself to death.

Su Chen didn't care about Kong Xuan's indifferent look. He was a fool and a pushover. He didn't have the same knowledge as Kong Xuan.

Hey!

Su Chen's strength was in vain even if he wanted to have opinions.

"Kong Xuan, although we don't want to deal with you and you are bent on killing me, we are in the same camp now. Dashang is very important to you, and it is also very important to me. Let's put our grudges aside for now. Shang's enemies are very powerful"

Chapter 2353

Kong Xuan was confused when he heard Su Chen's words.

Dashang was currently in a calm situation.

Kong Xuan didn't find out what crisis there was at Dashang. Could this bastard be deceiving himself? wrong!

The evil spirit of heaven and earth is rising in the prehistoric immortal world, and the great catastrophe of conferring gods is about to begin. Could it be that the great catastrophe of conferring gods will begin among the great merchants?

Kong Xuan asked Su Chen doubtfully, "Xuanniao, are you saying that the Great Tribulation of the Gods will begin from the Great Shang?"

Su Chen nodded and replied,

"Yes, the Great Tribulation of the Gods will begin among the human race. Dashang can be said to be the center of this great tribulation. By then, the human race, demons, immortals, Buddhists, and even powerful quasi-sages and saints will all end up."

Kong Xuan nodded when he heard Su Chen's words.

He had also heard about the Great Tribulation of Gods.

Once the Great Tribulation of Heaven and Earth in the Ancient Immortal Realm begins, countless creatures, countless "150" immortals, and even many great powers will Everyone will fall into the catastrophe.

During the Lich Catastrophe, the evil spirit of the prehistoric fairyland soared into the sky. At that time, the Lich War made the entire prehistoric sky red.

Kong Xuan was so frightened that he hid far away at that time.

There were no saints involved in the

Lich Tribulation. This time,

Kong Xuan guessed that saints would end up in the Gods Tribulation, and there might even be more than one saint.

Jie Jiao?

Didn't Jie Jiao always support Dashang ? ?

And there are many disciples of Jie Jiao who are officials in Dashang. Why didn't Su Chen ask the disciples of Jie Jiao for help?

Kong Xuan looked at Su Chen and asked,

"Isn't Dashang supported by Jiejiao? Why don't you let Jie Jiao's disciples help Dashang?"

Su Chen shook his head when he heard Kong Xuan's words.

He can't let the Jie Jiao disciples enter the venue now.

Su Chen wants to delay the Conferred God Tribulation as long as possible. If the Jie Jiao disciples enter the venue from the beginning, Chan Jiao , human religion, and Buddhism will all attend, which will speed up the progress of the Great Tribulation of Gods.

This is not conducive to Su Chen completing the trial mission of the ladder.

"Interception? stupid.....Kong Xuan, have you ever thought about it, if the disciples of Jiejiao help Dashang, the enemies of Dashang will have support from Chanjiao, Renjiao, and even Buddhism"

"The leader of Tongtian Cult of Jiejiao is arrogant and domineering. He thinks that with the Immortal Killing Sword Formation in hand, other saints are no match for him. Jiejiao has thousands of immortals coming to court, and other saint sects are very afraid of Jiejiao. I Do you dare to use Jie to teach your disciples now?"

Kong Xuan looked at Su Chen in confusion.

He did not expect that Su Chen would say these words.

However, if Jie Jiao comes to the scene, Chan Jiao, Ren Jiao, and even shameless Buddhism will also come to the scene. At that time, the protagonist may It will be a saint sect, with three religions against one religion, and four saints against one saint.

This situation is indeed not conducive to Dashang.

Su Chen did not dare to use Jie to teach his disciples.

Kong Xuan thought about it and asked Su Chen in a cold voice, "Xuanniao, what do you want me to do?"

Su Chen said to Kong Xuan with a serious face,

"Dashang's prince Xibohou will rebel soon. Dashang has deployed a million troops at Sishui Pass, and there are some powerful generals, but there is no powerful quasi-sage to take charge."

"I want you to go to Sishui Pass and take charge. You don't need to pay attention to ordinary wars. You can only deal with those powerful quasi-sage warriors."

Kong Xuan nodded and agreed.

His strength is unparalleled among quasi-sages. With his five-color divine light, all spiritual treasures are useless to him.

"Okay, I have enjoyed the fortune of Dashang for hundreds of years, and I will contribute to Dashang this time."

"Thank you very much."

Su Chen nodded and disappeared.

The silly bird has been dealt with, and he doesn't want to face the forced king Kong Xuan anymore.

When Kong Xuan saw Su Chen leaving, he whispered coldly, "Xuanniao, you will definitely surrender to me in the future. Kong Xuan."

In the Chaoge City Palace,

Su Chen came to Su Daji's palace after returning.

Su Daji's palace was already his residence. As for the previous residence, Su Chen was too lazy to go back.

"Who are you? Don't you know this is Empress Su's palace?" (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen had just arrived at Su Daji's bedroom. A woman's cold voice shouted to Su Chen.

A woman appeared in front of Su Chen. This woman was very charming. , a red gauze dress is very revealing, with a large area of fair and delicate skin exposed, a charming and seductive face, a proud mountain that almost bursts out of the dress, and an alluring small waist.

Su Chen felt that he was I can hold this woman's waist with just one hand

"Um? Jade Pipa Spirit?"

The Jade Piper Fairy was confused when she heard Su Chen's words.

She was a demon, but how could a human in the Nascent Soul Realm see that?

The Jade Piper Fairy looked at Su Chen warily and asked,

"you.....How did you know I was a demon?"

Su Chen curled his lips and said,

"Tsk, I'm Su Chen, do you think I can't tell you are a demon?"

Jade Piba Jing didn't expect that this human race was Su Chen.

She heard Su Daji say that Su Chen was a human race that was more powerful than their sisters, and he was also the man of her eldest sister Su Daji. Their sisters were all working for Su Chen. The Jade Piba Spirit was no longer wary of Su Chen.

The Jade Piba Spirit immediately hugged Su Chen's arm and shouted, "It turns out that my brother-in-law is back, and Piba just offended me."

I guess!

Brother-in-law?

This is a good title.

Yu Shi Pi Ba Jing is really on the road. I will have the opportunity to improve Jade Pi Ba Jing's cultivation realm in the future.

Damn, what did Jade Pi Ba Jing eat to grow up?

This figure is really good. It was so soft that he felt very comfortable even on top of the majestic mountain top.

The Jade Piba Spirit hugged Su Chen's arm and said softly,

"Brother-in-law, you have concealed my demonic aura first. Even if I want to go out on the street and play around, my eldest sister won't allow it."

"good!"

Su Chen smiled and waved his hand to cover up the demonic aura of the Jade Piba Demon. It was a piece of cake for him.

The Jade Piba Demon felt that all the demonic aura on her body had disappeared, which made her very happy. Happy,

"Haha, the demonic energy in my body is really gone. Brother-in-law, I went out to play on the street. Just wait for my sister here. She will be back soon." Su Chen shook his head when he saw the Jade Piba Fairy leaving quickly. Some monsters are actually simpler and more reliable than humans. At least they will do what the monsters promise. Boom! Whoosh! I Minato! Suddenly, a powerful aura instantly enveloped Su Chen. Su Chen disappeared into Su Daji's bedroom before he could react. Su Chen appeared in a vast world. He looked around and said in surprise,

"Damn it, is this the small world in the Mountains and Rivers Map?"

Chapter 2354

Xiqi, Xibohou Mansion,

Xibohou Jichang, Crown Prince Ji Fa, Prime Minister Jiang Ziya, Wucheng King Huang Feihu, and several generals are all discussing the matter of sending troops to the Great Shang Dynasty.

Huang Feihu said to Jiang Ziya and Ji Chang with a serious face,

"Prime Minister, Sishui Pass is the first pass for us to attack Dashang. Sishui Pass has been increasing troops since last year."

"We got news that the troops at Sishui Pass already number one million, and the commander-in-chief Zhang Kui is also a general who is good at fighting. We have only 600,000 troops in Xiqi, and it will be very difficult for us to break through Sishui Pass. Jiang

Ziya stroked his beard and said with a smile,

"General Huang, the spirit of Da Shang has been exhausted. The demon concubine has brought cholera to the government. The people are starved of food and their wives and children are scattered. We cannot watch the people of Da Shang live in dire straits."

"Fengming Xiqi, we Xiqi are ordered by heaven, Xiqi will replace the Great Shang and become the new dynasty of the human race."

After Ji Fa heard Jiang Ziya's words, a smile appeared on his face, Fengming Xiqi? King Wu's attack on merchants? Jiang Ziya had all told him that this was an opportunity and his luck to become the master of the human race..

Ji Fa hurriedly saluted Ji Chang and said,

"Father, the Prime Minister is right. We, Xiqi, are under orders from heaven. No matter how large the Shang army is, they are just a mob."

"Go against it, Lord Marquis, the Great Shang Dynasty has already set its sights, and the Western Zhou Dynasty was the Shang Dynasty. This is God's will."

"Yes, we in Xiqi have strong soldiers and horses. King Zhou was greedy for beauty, ruined the government, harmed the loyal, and the evil concubines disrupted the government. We in Xiqi rebelled against the Great Shang Dynasty."

"Lord Marquis, Feng Ming Xiqi, this is God's will for us to fight against business. We in the Western Zhou Dynasty want to unify the human race."

"Our Xiqi is prosperous and prosperous, with strong soldiers and horses, but the great merchants have declined in the Western Mountains. The merchants of the Western Zhou Dynasty were God's will. Lord Marquis and King Zhou were dissolute and immoral. This is the best time for us to send troops."

Many generals of Xiqi also saluted Ji Chang and said,

Xiqi has secretly recruited troops for more than ten years, mined gold and copper mines privately, and minted copper coins privately. After more than ten years of development, Xiqi now has strong troops, strong horses, money and food. Enough, Feng Ming Xiqi, this is a good time for rebellion, and it is also God's will for the Western Zhou Dynasty to be the Shang Dynasty.

Ji Chang was very happy,

Feng Ming Xiqi?

This is what Jiang Ziya's Taoist skills have achieved, and he prepared dozens of Years are just waiting for this day. Ji Chang wants to be the leader of the human race and wants Xiqi to unify the human race.

Ji Chang is proficient in hexagrams. Great Shang has not had many years of national destiny. King Zhou is debauched and immoral, and the demon concubine is cholera disrupting the government. This It was the best time for him to rebel and use Xiqi to replace Shang.

Ji Chang patted the table and stood up and shouted, "Okay, after three days, I will sacrifice to heaven and defeat Shang. God bless Xiqi~!"

"God bless Xiqi!"

"God bless Xiqi!"

"God bless Xiqi!"

Ji Fa showed a smile on his face.

Xiqi attacked Shang.

Ji Fa is the crown prince of Xiqi and the future heir of Xiqi in the future. Jiang Ziya said that he is the man of destiny and the future king of the Western Zhou Dynasty. Ji Fa thought that he could rule in the future. This human race became the emperor, and he couldn't calm down for a long time.

At this time,

Su Chen looked at the scene in the Mountains and Rivers Sheji Map with a shocked face. He was very familiar with the Mountains and Rivers Sheji Map. Nuwa's Mountains and Rivers Sheji Map would be remembered in later generations. He had been handed over to him for use.

He couldn't understand how Nuwa kidnapped him into the Shanhe Sheji Tu.

Su Chen shouted to the people around him, "Nuwa, what do you want from me?"

Suddenly, a cold and sweet voice came from all directions,

"Human race, I am a saint of heaven and the mother of the human race. You dare to call me by my name. Do you know your sin?"

I guess!

Nuwa is really unreasonable.

She was accepted by Shanhe Shejitu without any problems. Nuwa now says that she is a saint and the mother of the human race. Why didn't she give herself a reason? Why did she arrest her for no reason? ?

Su Chen sat speechlessly under a tree.

He had some guesses in his mind.

Nuwa had caught him.

Su Chen guessed that it was Su Daji's problem. Su Daji did not ruin the fortunes of the great merchants and did not cause cholera in the government. Nuwa should find out that it was caused by him

"Empress Nuwa, let's make a deal. You let me go and don't give any more orders to Su Daji. I'll tell you a secret, a secret that is very important to you."(To read exciting novels, go to Feilu Novel Network!)

Nuwa's cold voice came disdainfully,

"laugh! A scumbag from Taiyijin Wonderland, do you think I will believe you?"

Su Chen took out a bottle of wine and drank it and continued.

"Nuwa, don't you want to know where the third ancestor of the human race is? Who were they imprisoned by?"

Whoosh!

A peerless beauty suddenly appeared next to Su Chen. She was dressed in white palace clothes, with an alluring beauty, a noble and elegant temperament, a voluptuous figure, and a cold and beautiful face that made people afraid to look at her. Looking directly.

Su Chen saw Nuwa suddenly appearing next to him.

He curled his lips when he looked at Nuwa.

Damn, his woman is really beautiful, but he doesn't dare to hug Nuwa's soft waist now..

Nuwa said coldly and arrogantly,

"Human race, tell me, where are the three ancestors of the human race?"

Su Chen crossed his arms and asked, "Do you agree to my conditions?"

Nu Wa said to Su Chen word by word with an indifferent expression,

"I.....No.....same.....meaning!"

"Cough cough cough, what? Don't you agree? Why?"

Su Chen choked on his wine when he heard Nuwa's words. He coughed and looked at Nuwa in confusion. The three ancestors of the human race?

They are very important to Nuwa in the prehistoric fairy world. Nuwa wants to How could she not care about the traces of the three human ancestors after getting more luck from the human race?

Seeing Su Chen's surprised look,

Nuwa felt funny in her heart.

A small human race dared to negotiate terms with her. She It takes an instant to check Su Chen's memory.

However, she did not expect that this scumbag of the human race actually knew the news about the third ancestor of the human race. Since the birth of the Three Sovereigns and Five Emperors, the third ancestor of the human race has completely disappeared. Nuwa used her saint's The realm has not calculated the whereabouts of the third ancestor of the human race. How does this scumbag human race know the news about the third ancestor of the human race (Wang Zhao)? Thinking of this, Nuwa reminded Su Chen,

"Human Race, you are now in my Shanhe Sheji Map. I can check your memory for what I want to know. You are a scumbag of Taiyi Golden Immortal. Do you think you can stop me?"

Su Chen leaned against the tree and curled his lips when he heard Nu Wa's words.

Check his memory?

Su Chen still hopes that Nu Wa can check his memory.

As long as Nu Wa can check his memory, she will understand him. Nuwa will also know everything about her relationship and even what happened in the prehistoric immortal world.

But is this possible?

The ladder to heaven seals his memory.

In the entire prehistoric world, let alone the saint Nuwa, he is the old bastard Hongjun. I can't even check his memory when I arrive.

"Check my memory? Nuwa, it's not that I underestimate you as a saint. If you can check out my memory, I would like you to check it out. Nuwa, please check it out now. I will not resist delusion."

Chapter 2355

Nuwa was very confused when she heard Su Chen's words.

This human was actually eager to check his memory. For such a little scumbag, would Nuwa not be able to check his memory?

"snort!"

Nu Wa snorted coldly and began to check Su Chen's memory. She wanted to see if she could check this scumbag's memory.

Huh?

How is it possible?

Is this a seal?

Hiss!

What a powerful seal, this is the Holy Spirit. The twelfth level of the realm - the seal of the heavenly saint?

Just as Nuwa started to check Su Chen's memory, she was stopped by a terrifying seal. If Nuwa dared to check by force, her soul might be backlashed and injured.

Nuwa He asked Su Chen with a serious face,

"who are you?"

Su Chen thought about it after hearing Nuwa's words and replied,

"Hey, I am now Su Chen from the human race!"

Su Chen can't figure out who he is now.

Immortal?

Blackbird?

Human race?

Damn,

Su Chen should be considered a human race, but he also has the bloodline of the Blackbird. There is no messy bloodline in the ancient human race.

Nuwa asked with a frosty look on her face.

"Human race? If you were a human race, why would your memory be sealed by a twelfth-level heavenly saint in the holy realm? Su

Chen curled her lips and asked, "Nuwa, are there any saints in the prehistoric immortal world who can reach the second level of the Holy Realm?"

"Well! No!"

Nu Wa frowned and couldn't understand.

There is no saint in the 12th level of the Holy Realm in the ancient fairy world. Hongjun may be the 9th level of the Holy Realm or the 10th level of the Holy Sister. Apart from Hongjun, I am the most powerful person. It's just the peak of the fifth level of the Holy Realm.

Who sealed Su Chen's seal?

Is it the prehistoric heaven?

"Nuwa, as long as you stop issuing orders to Su Daji, the nine-tailed fox, I can tell you what you want to know, including all the secrets in the prehistoric fairy world. Nuwa thought for a while and agreed,

"Okay, where are the three ancestors of the human race?"

Su Chen breathed a sigh of relief when he heard Nu Wa's words.

This time, he could prevent Nu Wa from interfering with Su Daji's affairs. Su Chen also wanted Nu Wa not to participate in human affairs, so that Nu Wa would not destroy Dashang's luck. It can be said that his trial task was three points easier.

"They are in the human religion, and the three ancestors of the human race were sealed by Saint Laozi. For the destiny of the human race, in order to control the human race, it is impossible for the saint Laozi to let you get more luck from the human race than him."

"It turns out that I did it. No wonder I have never been able to figure out where the third ancestor of the human race is."

Nu Wa's face changed when she heard Su Chen's words.

The third ancestor of the human race was imprisoned and sealed by me. No wonder she never found out the news about the third ancestor of the human race, me?

Why did I imprison the third ancestor of the human race?

Su Chen stood up and stretched. He looked at Nuwa's ugly face and shook his head. He had seen this scene once. When Su Chen said this during the Journey to the West, Nuwa also had the same expression.

Su Chen thought for a while and said to Nuwa ,

"Nuwa, let me give you a piece of news for free. The most precious human treasure, the Kongtong Seal, was originally your spiritual treasure. However, your teacher Hongjun interfered with it, and the most precious human treasure, the Kongtong Seal, was obtained by me."

"Don't say that the Kongtong Seal is destined to me. This is all nonsense. If you can touch the Kongtong Seal, the most precious human race, the Kongtong Seal, the most precious human race, will get in touch with you again."

Nu Wa asked with a surprised look on her face.

"Are you telling the truth?"

Su Chen nodded and replied,

"Of course, I will deceive others, but I will not deceive you, Nuwa. Think about it, six saints have become saints in the prehistoric era. Why did Hongjun just drive you out of the prehistoric fairy world? Why do the other five saints still stay in the ancient immortal world? Don't you feel weird?"

Nu Wa was stunned for a moment.

Yes, six saints have become saints in the prehistoric immortal world. Why is she the only one who dares to go to the chaos to establish a dojo?

Nuwa thought at first that she had no religion and there was no use in staying in the prehistoric immortal world.

But I imprisoned the three ancestors of the human race. (To read Baoshuang novels, go to Feilu Novel Network!)

Hongjun cut off contact with the spiritual treasure that was supposed to be hers. All this made Nuwa have to doubt Hongjun's intentions.

"What else do you know?"

"What else do you want to know?"

"Tell me everything you know."

Damn it, tell me everything you know?

Do you dare to say it?

Su Chen said these are insignificant things. If

Su Chen dares to say that the Conferred God Tribulation will destroy the church, the prehistoric immortal world will be broken into four major In Buzhou, saints will be expelled into chaos by the heaven, and the heaven ladder will definitely sentence them to failure in the trial mission.

Su Chen coughed a few times and said,

"Ahem, that's all I know. The other things are all irrelevant news. I think as a saint, you don't want to know some messy news. Nuwa stared at Su Chen and said coldly,"Su Chen, I think you know something important, why don't you tell me?"

Su Chen shook his head and replied,

"Nuwa, there are some things you cannot know now. I can tell you some insignificant things, but I cannot tell you some important things."

"who are you?"

"this.....Nuwa, if I say you can't attack me, can you guarantee it?"

"Um?"

Nu Wa looked at Su Chen and was confused.

Why did this little scumbag say this? Could it be that this little scumbag would say something bad to herself?

It's just this human race.

Why did Nuwa become more and more familiar with it the more she looked at it? The relationship between them used to be Have you seen it before? Or is this little scumbag some kind of powerful reincarnation?

Su Chen saw Nuwa thinking, he couldn't stay here for a long time, the Western Zhou Dynasty rebellion was about to begin, and the Great Tribulation of the Gods was about to begin. It is impossible for Su Chen to waste time here with Nuwa

"Nuwa, if you have nothing to do, I will leave first. If you need me in the future, you can inform me in advance. Don't kidnap me for no reason. My cultivation is low and I cannot withstand your threats."

Nu Wa felt funny when she heard Su Chen's words.

Without her permission, could this little scumbag leave the Shanhe Sheji Tu?

She still had many things to ask Su Chen. Nuwa could not let Su Chen leave the Shanhe Sheji Tu.

"The map of mountains and rivers and the country, send me away!"

After Su Chen waved his hand to Nuwa, he instantly disappeared in the Shanhe Sheji Tu,

Shanhe Sheji Tu.

Su Chen spent the longest time playing with this top-notch innate spiritual treasure. Su Chen even had Yunxiao and Bixiao's spiritual treasures. Being able to give orders, Nuwa's Mountains, Rivers and State Map will be more likely to obey his orders.

"How can this be? How could Shanhe Shejitu send Su Chen back?"

Nu Wa looked at Su Chen who had disappeared with a confused expression.

She had just sensed that the Mountains and Rivers Sheji Tu had sent Su Chen back.

The Mountains and Rivers Sheji Tu was her ultimate innate spiritual treasure, and Nuwa had also completely refined the Mountains and Rivers Sheji. Picture, why did Su Chen send Su Chen away with just one sentence?

"Suchen? What is the identity of this human race?".

Chapter 2356

Three days later, the Great Desolate Immortal World suddenly shook.

Black clouds of calamity enveloped the entire Great Desolate Immortal World, and the evil energy of heaven and earth spread throughout the Great Desolate Immortal World.

Some murderous monsters, immortals, and humans have all lost their minds at this moment, killing, killing, killing. The prehistoric fairyland is full of killings of irrational creatures.

Dashang, in the palace,

Su Chen stood on the high tower and watched the opening of the Great Tribulation of the Gods.

It was also the first time for Su Chen to encounter such a scene. The color of the heaven and earth in the prehistoric fairy world changed, and endless evil energy spread all over the prehistoric fairy world. Some lost Reason kills creatures everywhere.

Whoosh!

Su Daji instantly appeared next to Su Chen and asked,

"Su Chen, what's going on?"

Su Chen said with a serious face,

"The Western Zhou Dynasty should have rebelled. The Great Tribulation of the Gods has begun, and the evil energy of the prehistoric world has soared to the sky. The aura of great tribulation has enveloped the entire prehistoric fairyland. This time of the Great Tribulation of the Gods is extraordinary.

Su Daji asked with a surprised look on her face, "The Great Tribulation of the Gods has begun?" Why do I feel that the prehistoric fairy world is facing destruction?"

"destroy? 29 Perhaps it is destruction!"

Su Chen thought of the great fight between the prehistoric saints during the Great Tribulation of the Gods. The prehistoric world was shattered and the aura of the prehistoric fairy world became even thinner. This was no different from the destruction of the prehistoric fairy world.

Su Daji looked at Su Chen in a daze,

Destruction?

Maybe destruction?

What did Su Chen mean by these words? Su Daji didn't understand a word of what Su Chen was talking about.

However, when

Su Chen said that the Western Zhou Dynasty had rebelled,

Su Daji wanted to destroy the Western Zhou Dynasty immediately. The Tribulation should be the war between the Great Shang and the Western Zhou Dynasty. If the Western Zhou Dynasty can be destroyed quickly, the Great Tribulation of the Gods may end as soon as possible.

"Su Chen, the Western Zhou Dynasty has rebelled. Can we let the army from Sishui Pass be dispatched to destroy the Western Zhou Dynasty?"

Let me join in!

Destroy the Western Zhou Dynasty?

Are you kidding me, can the Western Zhou Dynasty be destroyed?

Will those saints watch the Western Zhou Dynasty be destroyed?

Su Chen hugged Su Daji's waist and shook his head.

The Western Zhou Dynasty cannot be destroyed without saints. This is simply a fantasy. Su Chen just wanted to delay the destruction of the Great Shang Dynasty to complete the trial. He never thought about destroying the Western Zhou Dynasty.

Chanjiao, Renjiao, Buddhism, and even that old bastard Hongjun did not Will let him destroy the Western Zhou Dynasty.

I don't know if Su Chen's delaying time is feasible, but Tianlai can issue such a trial, Su Chen thinks it should be able to delay the destruction of the Great Shang for fifty years.

Su Chen kissed Su Daji ordered,

"Daji, the Western Zhou Dynasty cannot be destroyed. You don't need to ask so many questions. Send an order to Zhang Kui at Sishui Pass not to attack the Western Zhou Dynasty. Zhang Kui only needs to defend Sishui Pass for five years. This is already an indispensable contribution. Su

Daji nodded and replied hurriedly, "Okay, I will immediately inform Wen Zhong to send an order to Zhang Kui at Sishui Pass."

Su Daji didn't know what Su Chen was going to do, but she could only believe in Su Chen.

Su Daji and Su Chen were now close friends.

Although she was not Su Chen's woman yet, they had been honest with each other. If Daji hadn't wanted to be succeeded by Su Chen, she would have been eaten by this bastard.

However,

Su Daji was also pestered by Su Chen and did some disgusting things.

When she thought of the things she did to Su Chen,

Su Daji felt Feeling nauseated.

After Su Daji left, Su Chen touched his chin and whispered,

"Sishui Pass has the general Zhang Kui, an army of more than one million, and that idiot Kong Xuan. In addition, the miraculous strangers recruited by Shen Gongbao, will Sishui Pass be conquered in a short time?"

"In the second level, the seven Meishan brothers are included in the boundary sign. This is not enough."

"The Jie Jiao disciples cannot use it now, nor can the Monster Clan or the Witch Clan. It seems that they still need to find some loose immortals and powerful monsters in the prehistoric fairyland."

In the Demonic Tower of Desire, (to read Kuangshuang novels, go to Feilu Novel Network!)

Princess Longji and the Fire Spirit Madonna have been imprisoned for more than a year.

They have no hope of escaping from the Demonic Tower of Desire. This For more than a year, their bodies have been naked all the time, and they can't even practice.

"It's been more than a year, how long will that bastard keep us in prison?"

"Damn bastard, he hasn't shown up for more than a year. If I can go out and see that bastard, I will definitely crush that shameless person to death."

"Huo Ling, you still want to see that shameless pervert. We are naked now. I don't want to be seen by that shameless pervert."

"You think, if that bastard hasn't appeared for more than a year, will he be killed by our Jiejiao disciples?"

"It's possible!"

Princess Longji, Our Lady of Fire Spirit, Empress Shiji, Fairy Hanzhi, Fairy Caiyun, the five fairies gathered together and talked. For more than a year, the five of them have been gathered together. They are worried that one day Su Chen will appear suddenly and see them all. At this moment,

Su Chen was heading to Sun Star.

He planned to win Lu Ya, the Chaos Demon God, to Dashang first.

Lu Ya had kidnapped Demon Emperor Jun's youngest son.

No one knew about this, and Lu Ya was still recovering.

Lu Ya was only a quasi-sage. Su Chen offered inducements and threats. He did not believe that Lu Ya dared to object.

Su Chen checked the Demon Tower of Desire on a whim. He had forgotten that he was imprisoned in the Demon Tower of Desire. The five fairies in the tower and the five beauties in the Demon Tower of Desire were talking about him.

Su Chen looked at the five naked fairies and smiled and said,

"Beauties, don't worry, I won't die that easily. You women are so elegant when crowded together. You all stand up and walk around twice so that I can appreciate your convex and curvy figures."

After the Fire Spirit Mother heard what Su Chen said, she hurriedly approached the other women and cursed,

"Shameless pervert! You must die a good death!"

The other girls hurriedly squeezed together.

They were all so ashamed and angry that they wanted to get down low. Su Chen could listen to their conversation and might also see their bodies, which made them feel ashamed and angry at the same time.

After Su Chen heard the scolding of Our Lady of Fire Lingbao, he saw Huo Lingbao squatting on the ground and hugging other women. Su Chen could see Huo Lingbao's back clearly.

This was really very sexy. ,

"Holy Mother of Fire Spirits, why do you have a small cinnabar mole on your back, but it looks quite cute."

The Holy Mother of Fire Spirit continued to curse with her face flushed,

"Shameless pervert, let me out. If I don't crush you to death, I won't be the Holy Mother of the Fire Spirit."

After Su Chen admired the beautiful scenery of the five daughters of the Fire Spirit Madonna for a while, he reminded them,

"Let me tell you, the Great Tribulation of the Gods has begun. I locked you in the spiritual treasure to protect you. You also know how terrible the Great Tribulation is. If you appear in the Great Desolate Immortal Realm, the five of you will be in the Great Tribulation. Fall."

In the Demon of Desire Tower,

Princess Longji and the five girls were stunned when they heard Su Chen's words.

The Great Tribulation of the Gods has already begun?

They did not expect that the Great Tribulation of the Gods would start so soon, but all five of them were imprisoned in the Demon of Desire. In the tower, even if they want to participate in the Great Tribulation of the Gods, it is impossible for them to do so.

"Su Chen, I am the princess of Heaven. Let me go quickly, otherwise the Emperor of Heaven will not let you go."

Chapter 2357

Su Chen smiled when he heard Princess Long Ji's words,

Princess of Heaven?

Princess Long Ji, the heavenly princess, is far behind his daughters Su Yan, Su Yue and Elena.

Emperor Haotian even dared to demote his daughter to the lower realm, but Su Chen would not do this to his three daughters.

However,

Su Chen felt that his three daughters were eager to be demoted to the lower world. Those three little girls were lawless. If the three sisters were demoted to the lower world, it would be too late for them to be happy.

Su Chen ignored the five women in the Demon Tower of Desire.

The Great Tribulation of the Gods had begun.

Even if these five scum were released, they would be courting death. Su Chen might as well continue to imprison them. When he had nothing to do, he could relax and appreciate them. Take a look at the beautiful scenery.

Sun Star!

The main star in the middle of the sky among the stars turns energy into nobleness, symbolizing light, fraternity, and power.

Pangu created the world and transformed into all things.

His left eye became the sun star, the sun was the essence of fire, and the golden crow contained the true fire of the sun.

In the ancient heaven,

Demon Emperor Jun and Donghuang Taiyi were both Sun Golden Crows bred by the Sun Star.

On the Sun Star,

Su Chen felt hot as soon as he arrived here. It was very hot. There was a sea of fire everywhere. There was no palace in the entire Sun Star. The desolate scene made Su Chen feel very surprised.

"There cannot be a palace in the Sun Star. Is there a barrier in the Sun Star?"

Su Chen thought for a while and then let go of his soul to check.

"Found it!"

Whoosh!

Boom!

I'm here!

Just as Su Chen entered the barrier of Sun Star, a powerful aura quickly enveloped him, and he instantly disappeared at the entrance of the barrier

"Lu Ya, I came to you on the order of Empress Nuwa. If you suppress me again, I will leave and report back to Empress Nuwa."

Whoosh!

A man with a golden crown suddenly appeared at the entrance of the barrier.

He looked at Su Chen and mocked,

"Empress Nuwa? Human race, you are just a scum of the human race. How could you come to me on the order of Empress Nuwa?"

Su Chen looked at Lu Ya who appeared.

This Lu Ya looks pretty good.

He is not the old man from the Journey to the West now. Lu Ya's state momentum is also very powerful. Even if Lu Ya

, the Chaos Demon God, has not fully recovered, Su Chen I feel that Lu Ya and Kong Xuan should be about the same strength.

"Lu Ya, should I call you the Fire Demon God of Chaos Demon God, and Lu Ya, the Tenth Prince of the Golden Crow?" boom!

"who are you?"(cjca)

Lu Ya glared at Su Chen fiercely.

He did not expect that Su Chen would know that he was the Demon God of Chaos.

Since Lu Ya took away the body of the Ten Golden Crows, Lu Ya, he has been hiding in the prehistoric fairy world for millions of years.

Lu Ya The aura and attributes of the Ten Golden Crow are very consistent. Even the saints in the prehistoric immortal world did not notice that he had taken away the Ten Golden Crow Lu Ya. How did this scumbag human race find out?

Su Chen took out a red show ball and said with a smile. ,

"Lu Ya, you'd better not take action against me. Have you seen the top-quality innate spiritual treasure red hydrangea in my hand? You should understand what it means?"

Red hydrangea, this is Nuwa's spiritual treasure to prove her Taoism.

However, this red hydrangea is not the red hydrangea from the Conferred God period.

Su Chen wanted it from Nuwa during his journey to the west. He also wanted to be there at the critical moment. The use of red hydrangea even made Nuwa believe what he said.

When Lu Ya saw the red hydrangea in Su Chen's hand, he had a bad feeling.

Lu Ya was worried that Nuwa might notice his identity. After all, he was in Su Chen's hand. Stayed in the palace for hundreds of thousands of years,

"Are you really the person sent by Empress Nuwa?"

Su Chen shook his head and replied,

"No, Lu Ya, only I know your identity. However, I left your information in Hongxiangqiu. If you dare to kill me, Empress Nuwa will know your identity, and even other saints in the prehistoric fairyland will know."

"Humph, what do you want from me?"(To read Baoshuang novels, go to Feilu Novel Network!)

Lu Ya looked at Su Chen in confusion.

Nuwa didn't know his identity? But how did this scumbag human race know his identity?

Lu Ya had no impression of being with the human race. Have you come into contact with it?

Could it be that this human race is also the reincarnation of the Chaos Demon God in the prehistoric times?

Su Chen appeared next to Lu Ya in an instant and said,

"Lu Ya, I'm here to ask for your help this time. Your strength is that of a quasi-sage. The great catastrophe of becoming a god in the prehistoric fairy world has begun. This time it is a great catastrophe that happened in the human race. I need you to be in a gateway of Dashang. Ten years in office."

Lu Ya's mouth twitched when he heard Su Chen's words,

Damn, please help?

Why does Lu Ya feel that Su Chen is ordering him to do something? Is he a subordinate of this scumbag human race?

"What if I say no?"

Su Chen coughed and threatened,

"Cough, Lu Ya, I may not be strict with my words. I often see Nuwa and even the Tongtian leader who intercepts the religion. You should understand what the saints from the prehistoric immortal world will do to you if your identity is discovered."

"Human race, are you threatening me?"

Lu Ya's face turned dark.

This shameless man failed to give orders just now, and now he threatens him again. Lu Ya now wants to crush this scumbag human race to death.

Su Chen didn't pay attention to Lu Ya's tone. He is an idiot.

Although Lu Ya has no grudge against him, who calls him the Chaos Demon God? None of the Chaos Demon Gods are kind-hearted. It is very normal to massacre the creatures in a realm.

Su Chen smiled and continued. said,

"You can understand it this way, Lu Ya, you are the Demon God of Chaos, and the Great Tribulation of the Gods is also your opportunity. Don't you want to improve your cultivation level through killing? This is a good opportunity."

This bastard!

Lu Ya glared at Su Chen angrily.

He didn't think that Su Chen really dared to threaten him, the human race?

He was a shitty human race. How dare the human race face a quasi-sage alone? How dare the human race confront him? Is a Chaos Demon God threatening?

Well, this bastard must be the reincarnation of the Chaos Demon God.

Su Chen patted Lu Ya on the shoulder and said,

"Lu Ya, don't worry, I have found a quasi-sage, and his strength is not as strong as yours now. Lu

Ya asked, slapping Su Chen's hand away with a dark face.

"who?"

Su Chen curled his lips when Lu Ya slapped his hand away and replied,"Kong Xuan, the son of Feng Zu, I think you should have heard of him."

Lu Ya looked at Su Chen in surprise.

He didn't expect that Su Chen had persuaded Feng Zu's son. Wouldn't this shameless bastard threaten Kong Xuan?

"Kong Xuan? I didn't expect you to persuade the arrogant Kong Xuan. His strength is not weak. If the quasi-sages in the saint sect don't have powerful spiritual treasures, Kong Xuan can destroy those quasi-sages alone. Su

Chen threw a bottle of wine to Lu Ya and asked, "How is it?" Lu Ya, do you agree?"

"Inglorious bastard, can I not agree? But you'd better be stricter with your mouth, otherwise I will crush you to death even if I die."

Chapter 2358

Lu Ya took the wine and glared at Su Chen fiercely.

Su Chen tried to coerce and lure him, but Lu Ya couldn't agree even if he didn't agree. If the saints from the ancient immortal world discovered his identity, he would definitely be killed by those saints.

This bastard also has Nuwa's best innate magic red hydrangea. He doesn't even dare to kill anyone and silence him.

Damn it, you are such an old bastard, is Su Chen the reincarnation of the Chaos Demon God?

He will definitely avenge this in the future.

When Su Chen heard that Lu Ya agreed, he smiled and took a sip of the fairy wine.

A powerful quasi-sage was obtained again, a stupid bird Kong Xuan, and a stupid bird Lu Ya.

They were both powerful quasi-sages.

The second There is also a quasi-sage and powerful person in charge of the Daoguan Pass. The Seven Monsters of Meishan plus Lu Ya, as well as the miraculous strangers Shen Gongbao is constantly recruiting. It will not be a problem to hold the "two, two, three" level of the second level for seven or eight years.

"Lu Ya, get ready. I hope you will go to Jiepaiguan within three years to take charge. By the way, my name is Su Chen, and I am the general of the imperial army of Dashang."

Lu Ya snorted to Su Chen and replied, "Humph, I will go to Jiepaiguan within three days."

"Lu Ya, take all your spiritual treasures with you when you go to Jiepai Pass. The Immortal Killing Flying Knife and the Nail-Head Seven Arrows Book are both good spiritual treasures."

Su Chen waved his hand to Lu Ya and disappeared.

Lu Ya has already taken care of it.

There is no need for him to stay and face a fool. Su Chen wants to go to

Sishui Pass in person. On the eve of the Western Zhou Dynasty's rebellion against business, the generals of the Western Zhou Dynasty They are all weak soldiers and generals. Without the help of Chanjiao, Renjiao, and Buddhism, the general soldiers of Sishui Pass could destroy the Western Zhou Dynasty alone. When Lu Ya saw Su Chen leaving, he shook his head helplessly. He did not expect that Su Chen would even He knows everything about the spiritual treasures in his hand. Damn, you old bastard! The Great Tribulation of the Gods? He originally wanted to participate, but if Lu Ya participated, he would also choose a party that was beneficial to him. If that party was stronger, he would Who will he help? Now he has no choice but to help Dashang? That bastard turned out to be Dashang's general of the imperial army.

"Holy shit, flat peach fairy wine? Or is it the fairy wine brewed from six thousand years of flat peaches? Damn it, Su Chen can even get the flat peaches from Yaochi?"

After Lu Ya took a sip of the bottle of wine that Su Chen gave him, he was shocked.

Flat peach fairy wine?

And it was made from six thousand years of flat peaches!

How could Su Chen have flat peach fairy wine?

It belongs to the Queen Mother. It was impossible to give the flat peach to Su Chen. Did that bastard go to heaven to steal the flat peach? In

Dashang Palace,

Queen Jiang's bedroom,

Queen Jiang, Huang Guifei, Mrs. Huang, and the captured Li Jing's wife, they were sitting. They were talking together.

Concubine Huang asked Queen Jiang with a puzzled look, "Queen, Dashang is controlled by Su Daji, why don't you ask?"

Queen Jiang shook her head when she heard Concubine Huang's words.

She would not care about this.

King Zhou was already a debauched and foolish king. Su Daji controlled the entire palace and even the entire Dashang.

The ministers of Dashang had already recognized Su. Daji ruled the Great Shang Dynasty. Even Taishi Wen Zhong, Emperor Shu Bigan, and Prime Minister Shang Rong did not oppose Su Daji anymore.

Queen Jiang had no way to object, and she had no reason to object.

"Huang Fei, the king is greedy for beauty and ignores the affairs of the state. The ministers of Dashang have become accustomed to Su Daji controlling the affairs of the state. Moreover, Su Daji has done a good job for more than a year. I have no reason to interfere. Besides, this is the king's will."

Madam Huang asked with a worried look, "Queen, can you let us leave the palace?" (To read exciting novels, go to Feilu Novel Network!)

Queen Jiang shook her head and said,

"Madam Huang, you and Concubine Huang cannot leave the palace. King Wu Cheng escaped from the prison of the Forbidden Army and even fled to Xiqi. Xiqi is going to rebel against Shang. Do you think Su Daji will let you go?"

Mrs. Huang, Concubine Huang, and even Mrs. Li were all silent when they heard Queen Jiang's words.

Over the past year or so, they have also learned about what is happening outside, especially in the palace. Queen Jiang told everything they knew. The three of them.

Concubine Huang patted Mrs. Huang on the shoulder and said,

"Sister-in-law, my brother ran away and abandoned us. It's not like you didn't see the situation at that time. My brother had no intention of saving us and leaving. Don't think about looking for that bastard who is afraid of death."

"I....."

Mrs. Huang lowered her head with a pale face.

She and Huang Guifei were allowed to leave together that night when Huang Feihu escaped. At that time, there were only more than a dozen imperial guards who guarded them.....

However, after they saw Huang Feihu escaping from the Forbidden Army prison in the attic, Huang Feihu escaped quickly without looking back.

She and Huang Guifei were both stunned at that time.

There was only a distance between them, but

Huang Feihu escaped without caring about her and Huang Guifei's life or death. Both of them were desperate at that time.

Mrs. Li remained silent.

She was the one abandoned by Li Jing.

When Li Jing's rebellion was defeated,

Li Jing escaped with Nezha under the rescue of a Taoist priest. However, Li Jing didn't even look at her when she was near. Look, Mrs. Li was already heartbroken at that time.

At this time, a maid came in and reported, "Queen Qi, the General of the Forbidden Army wants to see you!"

"Please call General Su Chen!"

"Yes, Queen!"

Queen Jiang did not expect Su Chen to come back.

For more than a year,

Queen Jiang thought that Su Chen had been killed.

She also heard from Mrs. Li about what happened in Chentangguan. She was relieved that Su Chen could come back safely.

Su When Chen came to the palace, he saw that Concubine Huang and the other girls were there.

This made him somewhat unexpected.

Concubine Huang, Mrs. Huang, and even Mrs. Li, shouldn't they be imprisoned?

How could the three of them be in Queen Jiang's palace?

Su Chen shook his head and ignored these women.

These women were insignificant people. No matter who let them go, Su Chen didn't want to see 2.4. Su Chen looked at the beautiful Queen Jiang and said,

"queen!

Queen Jiang looked at Su Chen and asked with a smile, "Su Chen, where have you been for more than a year?"

"Queen, I was sent to do something by Concubine Su"

"So that's it!"

Su Chen continued to say to Queen Jiang,

"Queen, I hope you will write to Dongbohou. Xibohou Jichang has rebelled. The queen still reminds Dongbohou not to contact Xibohou again, and not to do anything detrimental to the great merchants."

Queen Jiang heard Su Chen's words and asked hurriedly, "Su Chen, did you get any news? Will my father rebel too?"

"Queen, your father will not rebel now, but Xibohou Jichang has been lobbying the other three princes. I am worried that your father will be deceived by Xibohou. The queen should remind Dongbohou in advance."

Chapter 2359

Su Chen originally wanted to go to Sishui Pass, but he thought it was too early to go now.

The rebellion of the Western Zhou Dynasty was to attack the Great Shang Dynasty. There were many cities to be conquered along the way. When the Western Zhou army reached Sishui Pass, this would also require A few months.

Su Chen thought of the other three princes of the four princes,

Dongbohou Jiang Hengchu, Beibeiou Chonghouhu, and Nanbohou E Chongyu. It is impossible for the three princes to oppose business.

But Dongbohou could not do anything.

Dashang was controlled by Su Daji, and Queen Jiang became a decoration as the queen of Dashang. Su Chen was worried that Dongbohou Jiang Hengchu would not be angry, and Dongbohou would be seduced by Xibohou Jichang to rebel.

After Queen Jiang heard what Su Chen said, she understood what Su Chen meant.

Queen Jiang's status in the palace was not as good as Su Daji's. Su Chen was worried that Dongbohou Jiang Hengchu would be dissatisfied with this. Coupled with Xibohou's bewitchment, her father Will rebel with Xibohou Jichang

"Suchen, I understand, I will write to my father."

Su Chen said with a serious face,

"Queen, please immediately write to your father, Dongbohou, that Xixihou has rebelled. I don't want to quell Dongbohou's rebellion one day."

"good!"

After Queen Jiang nodded, she hurriedly called the maid to write a letter to her father.

This matter cannot be delayed, and

Queen Jiang does not want her father to be seduced into rebellion.

Su Chen saw Queen Jiang writing a letter, and he looked back. Huang Fei's three daughters asked,

"Why are you three in the queen's chamber? Shouldn't you be locked up? Concubine Huang stared at Su Chen and shouted,

"General Su Chen, where do we need you to take care of us?"

Su Chen didn't expect Huang Fei to dare to speak to him like this.

As a prisoner, what qualifications does Huang Fei have to dare to speak to him like this?

Su Chen threatened Huang Fei expressionlessly,

"Concubine Huang, you are no longer the noble concubine of Dashang. You are just a prisoner now. You have offended me in this way. Do you want me to execute you immediately?"

Huang Fei asked Su Chen with a look of disdain,

"You dare?"

"Someone come!"

"General!"

A group of forbidden soldiers hurriedly entered the palace and saluted Su Chen.

Su Chen ordered with a cold face,

"Put Concubine Huang in prison. No one can let her out without my order."

Su Chen didn't expect that Huang Fei, a prisoner, would dare to be arrogant. If it weren't for him, Huang Fei and Mrs. Huang would have been beheaded in public. Su Chen decided to teach this arrogant and stupid woman a lesson.

"Yes, General!"

Mrs. Huang didn't expect that something like this would happen in a short while. She didn't even think that Concubine Huang would speak rudely to Su Chen. Su Chen wanted to put Concubine Huang in the prison of the Forbidden Army. Is that a place for people?

Madam Huang hurriedly stopped the Forbidden Army. road,

"Stop it, General Su. Concubine Huang was in a bad mood just now. Please forgive Huang Concubine for her rude words."

Su Chen ignored Mrs. Huang.

When he saw that the Forbidden Army was not taking action,

Su Chen shouted with a cold face, "What are you doing standing still? Why don't you take Concubine Huang away yet?"

"Yes, General!"

"Don't touch me, I'll go on my own."

After Huang Fei glared at Su Chen fiercely, she took the initiative to walk out of Queen Jiang's palace.

Huang Fei was already dead. Huang Feihu did not save her and Mrs. Huang when he escaped. Huang Feihu defected to the Western Zhou Dynasty, and Xibo Hou Jichang of the Western Zhou Dynasty rebelled again. This This shows that Huang Feihu doesn't care about her and Mrs. Huang's life or death at all. Concubine Huang thought that she and Mrs. Huang would be killed in the future.

They have the protection of Queen Jiang, but Dashang is controlled by Su Daji, and Queen Jiang's words may not be of any use. No, Concubine Huang did not want to implicate Queen Jiang and was killed by Su Daji.

Madam Huang watched Concubine Huang being taken away by the imperial army, and she hurriedly shouted to Su Chen,

"General Su, if you want to imprison Huang Fei, then you should imprison me too."

Su Chen said mockingly,

"Hey, Mrs. Huang, if you want to be imprisoned, go along."(To read Baoshuang novels, go to Feilu Novel Network!)

Mrs. Huang glanced at Su Chen and ran out in a hurry. She would not let Concubine Huang be detained in a dirty prison alone. She wanted to imprison Concubine Huang. She will also be imprisoned together with Concubine Huang.

After Su Chen saw that only Mrs. Li was left in the palace, he walked over and hugged Mrs. Li and said,

"Mrs. Li, we have met"

"Let me go!"

Mrs. Li was hugged by Su Chen and struggled quickly.

She didn't expect that Su Chen would dare to hug her in the palace. This bastard was so lawless.

Su Chen touched Mrs. Li's little face and said with a smile,

"Mrs. Li, we have had dinner together before. You won't forget it so soon, right?"

Mrs. Li struggled with her face flushed, "Su Chen, let me go, this is the queen's palace.""

Su Chen smiled and let go of Mrs. Li.

"Madam Li, let me tell you something. Li Jing took your son to the Western Zhou Dynasty and became a general of the Western Zhou Dynasty. He may have forgotten you a long time ago."

Mrs. Li didn't say anything when she heard Su Chen's words.

Li Jing didn't take her to escape from Chentangguan, so she understood that Li Jing had abandoned her.

Woman?

Women have no power or status in Li Jing's eyes, and she doesn't care about Li Jing. What more can you ask for?

"who?"

Suddenly,

Su Chen sensed a strange presence in the palace. He looked aside and shouted,

Whoosh!

A short and ugly man suddenly appeared in the palace.

He looked at Su Chen and said with a smile,

"Forbidden Army General Su Chen, I didn't expect that you are also a Taoist and a lustful person. We are the same type of people."

"A dwarf?"

Su Chen's mouth twitched when he looked at the ugly dwarf,

Tu Xingsun?

This ugly dwarf should be Tu Xingsun, (guessed Zhao Zhao)

Damn it, why did Tu Xingsun appear so quickly, and said that he and Is he the same kind of person?

Damn it,

Tu Xingsun is not only short and ugly, but also very greedy and lustful. Su Chen is probably the same kind of person as Tu Xingsun.

Tu Xingsun heard Su Chen call him Dwarf, he shouted angrily,

"Damn, grandpa is a grandson of Tu Xing, not a dwarf. Boy, if Shen Gongbao hadn't asked me to join Dashang, I would have killed you, this rude bastard."

"Shen Gongbao?"

Su Chen frowned when he heard Tu Xingsun's words.

Su Daji should have told Shen Gongbao that disciples from the Saint Sect cannot be recruited now.

How did Shen Gongbao recruit Tu Xingsun, a disciple of the Chan Sect?

"Yes, Su Chen, I have taken a liking to the beautiful woman next to you. Dashang wants me to help, so you must dedicate this beautiful woman to me."

Chapter 2360

After Mrs. Li heard what Tu Xingsun said, she was so frightened that she hurriedly hid behind Su Chen.

Mrs. Li did not expect that a Taoist and a short and ugly dwarf would fall in love with her.

Mrs. Li hoped that Su Chen would not give her to this ugly dwarf. If Su Chen would give her to his grandson~,

Mrs. Li would rather commit suicide than she would be humiliated by an ugly and short dwarf.

Su Chen was speechless when he heard Tu Xingsun's words.

Tu Xingsun, a pervert, actually fell in love with Mrs. Li?

Although Mrs. Li is a beautiful woman with a very plump figure and proudly erect mountains. Her mature charm is very attractive, but Mrs. Li is a married woman after all.

Tu Xingsun would actually like a married woman?

Japan and Europe!

He also seems to like married women somewhat.

Damn it!

I am not a thief.

Su Chen patted his forehead and stopped thinking about these messy things.

He had to deal with Tu Xingsun, an ugly and short dwarf, who wanted to eat swan meat first?

In the plot, Tu Xing Sun Qiang married Deng Chanyu, and Su Chen was very disdainful of those dirty people in the Western Zhou Dynasty.

When the Great Tribulation of the Gods is over,

Su Chen will definitely light Jiang Ziya's sky lantern

"Tu Xingsun, you go back and forth from there, the great merchant does not need your help."

Tu Xingsun shouted in surprise when he heard Su Chen's words,

"Um? Boy, I am the person hired by the Great Shang State Master. You are just a general of the Forbidden Army. Do you make the decision? Give that woman to me quickly, otherwise don't blame me for being rude to you."

Su Chen sneered disdainfully,

"Hey, you are a scumbag of an immortal. I can crush you to death with just one hand. Tu Xingsun, get out of Dashang Palace as soon as possible, otherwise you don't have to leave." boom!

"presumptuous!"

Ouch!

Tu Xingsun just burst out and wanted to take action against Su Chen.

In the palace, a golden dragon of luck suddenly appeared. The palace of the Great Shang was temporarily enveloped in golden light.

"Is this the lucky golden dragon of Dashang?"

Tu Xingsun stared at the Golden Luck Staring at him in the air.

He hurriedly withdrew his momentum, otherwise the Golden Luck would instantly destroy him. The Golden Dragon of Luck of Daluo Jinxian, Tu Xingsun would not dare to be arrogant no matter how arrogant he was. Take action.

Su Chen looked at Dashang's Luck Golden Dragon in surprise.

Dashang was protected by human luck, but this was the first time Su Chen saw Dashang's Luck Golden Dragon. He did not expect that Tu Xingsun would take action in the palace. The human race If Luck didn't take action, Dashang's Luck Golden Dragon would appear.

In the palace, all the forbidden soldiers, maids, chamberlains, and concubines looked at the Luck Golden Dragon in the palace in surprise.

In Su Daji's bedroom,

Su Daji and Jade Pi Ba Jing looked at the Luck Golden Dragon in surprise.

The two of them did not dare to make any move at this moment. The Luck Golden Dragon glanced at them just now. Su Daji and the Jade Pi Ba Jing guessed that the Luck Golden Dragon discovered that they were monsters.

They looked at them. In Songcheng, some cultivators looked at Dashang Palace.

The sudden appearance of the Luck Golden Dragon meant that monsters or even immortals had broken into the palace and had taken action in the palace. This alarmed Dashang. Yun Jinlong.

Wen Zhong, Bigan, Shang Rong, and many ministers rushed to the palace to see what happened.

Tens of thousands of troops from Chaoge City also dispatched one after another. Something happened to Dashang's palace.

Guarding Chaoge The city's troops all wanted to rush to the palace to rescue him.

Su Chen looked at the Luck Golden Dragon in the sky and ordered,"The Luck Golden Dragon, destroy Tu Xingsun!"

"Ha ha.....! "

When Tu Xingsun heard that Su Chen wanted the Golden Dragon of Luck to be destroyed, he laughed.

How could the Golden Dragon of Luck obey the orders of a forbidden army general? Even King Zhou could not order the Golden Dragon of Luck.

The Golden Dragon of Luck will only unconsciously protect the palace, and even protect King Zhou from being killed. No one can order the Golden Dragon of Luck.

"Boy, you are just a Forbidden Army general. Do you think you are King Zhou? How could the lucky golden dragon happen?.....No!"(To read Baoshuang novels, go to Feilu Novel Network!)

Ouch!

Tu Xingsun was taunting Su Chen, and the Luck Golden Dragon suddenly launched an attack on Tu Xingsun.

Tu Xingsun's face changed drastically and he wanted to flee the palace quickly. But the Golden Dragon of Luck wiped out Tu Xingsun in an instant, and even the soul of Tu Xingsun did not escape.

I guess!

Did the Golden Dragon of Luck really obey its orders?

Could it be that officials from the Great Shang could order Qi? Luck Golden Dragon?

However,

Tu Xingsun just seemed to be mocking himself for not being able to command the Luck Golden Dragon. What on earth is going on?

Su Chen looked at the Luck Golden Dragon that had not dissipated in the sky, and he was very confused.

"Su Chen, what's going on?"

Queen Jiang quickly ran to Su Chen and asked.

She looked at the lucky golden dragon in the sky and her face was very pale. Queen Jiang did not expect that a dragon would appear in the palace.

Su Chen hugged the pale Queen Jiang and said,

"It's okay, this is Dashang's Golden Dragon of Luck, which protects the palace and you."

Queen Jiang blushed when Su Chen hugged her. It was not the first time that Su Chen hugged her like this. At this moment,

Queen Jiang recalled some past events.

Three years ago, she slipped and almost fell into the pool.

At that time, Su Chen saved her.

From now on, Su Chen will help Queen Jiang whenever anything happens. Although she and Su Chen did not do anything deviant, the relationship between Queen Jiang and Su Chen is also very ambiguous.

"Luck Golden Dragon, let's go!"

Su Chen waved his hand to the Luck Golden Dragon in the air and said.

He can't figure out what the Luck Golden Dragon is now, but it doesn't seem to be harmful to him. Su Chen can only figure it out slowly in the future. Why did she obey his order?

Mrs. Li covered her mouth and did not dare to say anything behind Su Chen.

Something big happened today, which made her very panic. First, Mrs. Li was attracted by Tu Xingsun who suddenly appeared and asked for her for Su Chen, and then It was the Golden Dragon of Luck that appeared and destroyed Tu Xingsun.

What now?

Su Chen, the Forbidden Army General of the palace, actually hugged the queen of Dashang. Could it be that Su Chen, the Forbidden Army General, and Queen Jiang had an affair?

Mrs. Li was watching all this with fear. , she was worried that Su Chen would kill her and silence her.

After Su Chen saw the golden dragon of luck dispersed, he saw a yellow rope left on the ground and smiled and said,

"Binding fairy rope? Yes, this time I got a low-grade innate spiritual treasure for nothing.

Queen Jiang said to Su Chen with a blushing face,"Su Chen, let me go first!"

Come on!

Why are you holding Queen Jiang?

Damn it,

Queen Jiang didn't struggle?

What's going on?

Su Chen let go of Queen Jiang in a hurry.

He also hugged Queen Jiang accidentally just now, but Queen Jiang Why didn't he struggle while blushing? He didn't even scold himself. What happened to him?

At this time,

Su Daji quickly arrived at Queen Jiang's palace.

She looked at Su Chen and asked hurriedly,

"Su Chen, what happened just now? Why does the Luck Golden Dragon appear?".
