Chapter 2371

Kong Xuan's face darkened again when he saw that Su Chen had just left and another powerful woman arrived.

Damn it,

Kong Xuan wants to leave Sishui Pass immediately. Sishui Pass is a place of disaster, and Su Chen is also a complete disaster star. Kong Xuan felt very helpless when he thought of the woman who had just arrived and left instantly. The Queen Mother of the West of West Kunlun was another incredibly powerful female quasi-sage, a quasi-sage that he could not deal with. Zhang Kui asked Kong Xuan with a puzzled look on his face, "Master Kong Xuan, is the immortal who appeared just now also a quasi-sage?"

"

"Yes, that was a ridiculously powerful quasi-sage."

After Zhang Kui heard Kong Xuan's answer, he was shocked and speechless.

Today, powerful quasi-sages appeared one after another, and they were all gorgeous female quasi-sages. Zhang Kui could see these powerful quasi-sages. The quasi-sage appeared, and he lived his life today.

Xiling Mountain,

Su Chen instantly appeared on this mountain, more than three thousand miles away from Sishui Pass, it would be better for him to appear here 29 Think about it, why did Hou Tu Will he look for himself? Has Nuwa been peeping at him? What will the Queen Mother do to him?

Su Chen thought for a while and then walked towards a small river nearby. He wanted to wash his face and wake up.

"Fellow Taoist, please stay!"

Damn it!

Fellow Taoist, please stay?

Damn it!

Is this the shameless saint from Zhunti? Or is it the disaster star Shen Gongbao?

Su Chen's face turned dark when he heard that fellow Taoist, please stay.

In the prehistoric fairy world, as long as he hears "fellow Taoist" Please stay, there must be nothing good in this.

When Saint Zhunti said this, he would say that the treasure was destined for him, and he would snatch it if he didn't give it to him.

Shen Gongbao said, "Friend, please stay." This is cheating someone to death without repaying his life. Shen Gongbao said, "Friend, please stay." , he sent most of the Jiejiao disciples to the list of gods.

Huh?

Ran Deng?

How could it be this shameless fool?

Isn't this shameless innate power trying to win over some disciples of the Chan Sect to rebel?

Ran Deng Why are you here?

Su Chen pretended not to recognize Ran Deng and asked,

"Who is this fellow Taoist?"

Randeng Taoist smiled at Su Chen and replied,

"Fellow Taoist, it is fate that we meet here. I am a poor Taoist, I don't know what to call you?"

"Suchen!"

After Ran Deng heard Su Chen's name, he thought that there seemed to be no powerful immortal named Su Chen in the ancient fairy world.

However,

Su Chen could appear in his perception silently. Ran Deng guessed that it was impossible for Su Chen He is a scumbag in the Nascent Soul realm.

He guessed that Su Chen either hid his cultivation realm, or Su Chen had a powerful space spirit treasure.

If it was the latter,

Ran Deng wouldn't mind killing people to seize the treasure.

If Su Chen He is a powerful immortal. Taoist Ran Deng will try to make friends with him.

Ran Deng smiled and invited Su Chen,

"Fellow Taoist Su Chen, I am going to Wuyi Mountain for a trip. If nothing happens, fellow Taoist, we can go together."

"Wuyi Mountain?"

Su Chen heard Ran Deng talking about Wuyi Mountain. He patted his forehead and forgot about Cao Sheng and Cao Bao from Wuyi Mountain.

Cao Sheng and Cao Bao were both scum, but they had a very good spiritual treasure in their hands. Taoist Randeng won't pay attention to Cao Sheng and Cao Bao's money now, right?

Taoist Randeng nodded and continued, "Yes, Pindao heard that there is an innate spiritual root in Wuyi Mountain. Dahongpao tea tree, we can go together and try to see if there is a chance to get the innate spiritual root."

"Innate spiritual roots? Dahongpao tea tree?"

Su Chen touched his chin and felt that Ran Deng had ill intentions towards him.

The innate spiritual root of the Dahongpao tea tree?

Would Ran Deng tell him so well? This old bastard must have some conspiracy against him. (To read the Baoshuang novel, go to Feilu Novel Network!)

Ran Deng said to Su Chen with a smile,

"It's the Dahongpao tea tree with innate spiritual roots. Do you want to try your luck?"

"Can!"

"Okay, let's try our luck now."

Su Chen nodded and disappeared into the mountain with Ran Deng.

Whoosh!

Just after Su Chen and Ran Deng left, the Queen Mother of the West appeared here.

She frowned and looked at Su Chen who was heading towards Wuyi Mountain.

Ran Deng Taoist?

Queen Mother Xi did not expect that Taoist Ran Deng would invite Su Chen. That old bastard must have ill intentions towards Su Chen.

Queen Mother Xi whispered with a cold face,

"Hasn't Su Chen heard of Ran Deng? Ran Deng is one of the two most shameless people in the prehistoric fairy world. Su Chen and Ran Deng went to Wuyi Mountain together. Isn't that scumbag worried about Ran Deng killing people and seizing the treasure?"

Whoosh!

The Queen Mother of the West disappeared in an instant. That scumbag Su Chen can't die yet. The Queen Mother of the West wants to know what is her relationship with Su Chen and why her personal belongings appear in Su Chen's hands.

Wuyi Mountain, here is a beautiful place

In the prehistoric immortal world, Wuyi Mountain is considered a mountain with pretty good aura. Some casual cultivators can have such a training place, which is already very good for casual cultivators.

Whoosh!

Su Chen and Ran Deng appeared one after another. In Wuyi Mountain, Ran Deng looked at Su Chen and a smile appeared on his face.

He found that Su Chen was just a scumbag from the Taiyi Golden Immortal.

This human race must have an innate spiritual treasure, and it might even be a top-quality innate spiritual treasure..

Ran Dengjue decided to kill this human race in a while. He must get the best innate spiritual treasure.

"Fellow Taoist Su Chen, let us check Wuyi Mountain first. The innate spiritual roots should be hidden in a barrier."

"Okay, let's check out Wuyi Mountain first!"

Su Chen nodded and looked around.

He did not use his soul to check Wuyi Mountain. The strange smile of Taoist Ran Deng made Su Chen wary.

His guess was good.

Taoist Ran Deng was going to be detrimental to him.

Damn, this Shameless old bastard, why did Taoist Ran Deng want to take action against him?

Su Chen is just an insignificant immortal. He has not revealed that he has a powerful spiritual treasure, nor has he discovered any secrets of Ran Deng. Why does Taoist Ran Deng do this? Want to harm yourself?

One day passed.

After dark,

Su Chen and Ran Deng searched most of Wuyi Mountain. They did not find even a single acquired spiritual root.

Su Chen walked around Wuyi Mountain and wanted to use the space. The law escapes, but the aura of Ran Deng has always enveloped him. This old sinner may be worried that he will escape.

Although the Chaos Bell can withstand the attack of Ran Deng, this is the prehistoric fairyland in the Conferred God Period.

The Chaos Bell is about to be born, and the prehistoric world The saints in the fairy world will all take action to snatch it away. Su Chen can't expose the Chaos Clock yet.

"Who are you? Why did you break into our brothers' training ground?"

Chapter 2372

On Wuyi Mountain,

Su Chen and Ran Deng had just discovered a barrier, and Ran Deng had not had time to break the barrier.

Two immortal cultivators suddenly appeared in the barrier.

One of them asked Su Chen and Ran Deng with a cold face,

"Who are you? Why did you break into our brothers' training ground?"

Su Chen and Ran Deng saw the two people coming out of the barrier.

They didn't pay attention.

They were two scumbag cultivators in the Tribulation Realm. Su Chen and Ran Deng could easily kill them.

Su Chen looked at them. After looking at the two people, he guessed that they were Cao Sheng and Cao Bao.

These two scumbag cultivators were able to obtain high-grade innate spiritual treasures, so their luck was pretty good.

However,

Cao Sheng and Cao Bao might be unlucky. , the crime of having a jade, without corresponding strength, a powerful spiritual treasure will bring disaster to them.

Ran Deng said with a smiling expression,"Fellow Taoist, I am a poor Taoist who teaches Ran Deng, we came here accidentally."

One of the immortal cultivators heard Ran Deng's words and exclaimed,"Randeng? Are you Ran Deng, the deputy leader of Chan Cult?"

"good!"

"Ran Deng Immortal, our brothers have been offended a lot just now, please forgive me 313 Immortal, my name is Cao Sheng, this is our brother Cao Bao!"

Cao Sheng greeted Ran Deng cautiously.

He didn't expect that Ran Deng, the deputy leader of Chan Cult, would come to Wuyi Mountain.

Ran Deng was a quasi-sage in ancient times. Their brothers were just insignificant cultivators. If they offended Ran Deng, Deng, Ran Deng can extinguish their brothers with just one breath.

Ran Deng waved his hands and said nonchalantly,"It's okay, we came uninvited this time, and it's us who should apologize."

Cao Sheng didn't expect that Ran Deng would be so easy to talk to, which made him relieved. After Cao Sheng and Cao Bao looked at each other,

Cao Sheng hurriedly invited Ran Deng,

"Immortal, please come to our cave to have a talk."

Randeng nodded and agreed,"Okay, we will disturb the two fellow Taoists."

Randeng wants to search for the Dahongpao tea tree with innate spiritual roots in Wuyi Mountain. If Cao Sheng and Cao Bao know, or even Cao Sheng and Cao Bao get the Dahongpao tea tree, his trip will be worthwhile.

Su Chen's eyes flashed A gleam of light smiled, are Cao Sheng and Cao Bao trying to lure wolves into the house?

Ran Deng's reputation in the ancient world (cjac) is not very good. Cao Sheng and Cao Bao, these two scumbags, should also know that, but Ran Deng is very powerful. , Su Chen guessed that they didn't even dare to drive away the burning lamp.

At this time, in the starry sky of the prehistoric sky, the clones of Nuwa and Houtu stood opposite each other, both of them looking cold and expressionless.

After fighting for a while just now , the clones of Nuwa and Houtu were unable to stop each other. Even if they continued to fight, the outcome would still be a draw.

Nuwa looked at Houtu and said with a cold expression,

"Hou Tu, Su Chen, you can't move, you'd better give up your thoughts about Su Chen! Houtu waved his sleeves and shouted to Nuwa indifferently,

"Nuwa, this is my business, that little scumbag from the human race, I must take him back to the six realms of reincarnation."

Boom!

Nuwa burst out with a powerful aura and threatened,"With me here, do you think you can take Su Chen away?"

Hou Tu's face turned ugly.

She didn't expect that Su Chen would be protected by Nu Wa.

Why would Su Chen be protected by Nu Wa? What's so special about that scumbag?

After thinking about it, Hou Tu still couldn't give up on Su Chen. She To find out what the relationship between Su Chen and her is, why does that scumbag keep appearing in her mind?

"Nuwa, you can't protect Su Chen for the rest of your life, so why do you want to protect that scum of the human race?"

Nu Wa reminded Hou Tu expressionlessly,

"This is my business, Houtu. Return to your six realms of reincarnation. If your avatar appears in the prehistoric immortal world, other saints will find it."

"You should understand your current situation, and you should also understand the situation of the Wu Clan. If you don't want the Six Paths of Reincarnation to be taken away, and you don't want the Wu Clan to be exterminated, I advise you not to come to the Great Desolate Immortal Realm."

After Houtu heard Nuwa's words, her face became a little ugly.

Ever since Houtu transformed into reincarnation, the saints in the ancient world of immortality have all plotted against the six paths of reincarnation.

For the sake of luck, (for reading Baoshuang novels, go to Feilu) Novel Network!)

For the sake of merit, those shameless saints have been fighting the Six Paths of Reincarnation. Note that if Houtu had not had the strength of the saints in the Six Paths of Reincarnation, the Six Paths of Reincarnation might have been divided up by the saints long ago.

Houtu thought about this. Finally, she coldly reminded Nuwa,

"Humph, my situation is not good, and the situation of the Witch Clan is not good either, but this is better than your Monster Clan."

"Nuwa, everyone in the prehistoric fairy world is shouting and beating the demon tribe. Do you think the demon tribe will still exist in the prehistoric fairy world after hundreds of thousands or even millions of years?"

Nu Wa shook her head when she heard Hou Tu's words.

She didn't know what would happen to the demon clan in the future, but as long as she stayed in the prehistoric fairyland for one day, the demon clan would not be exterminated.

In the wasteland in the extreme north of the prehistoric era,

Nuwa had laid a plan A barrier.

As long as the demon clan after the Lich War does not leave the barrier, the remaining demon clan cannot be killed.

Nuwa's clone warned with a serious face,

"Hou Tu, it's useless to talk more. Su Chen, you can't move. This time it's just a clone of me that comes. Next time it will be my good corpse. My good corpse will protect Su Chen from now on. You have no chance to capture Su Chen. morning."

Hou Tu looked in disbelief when he heard what Nu Wa said.

Nu Wa actually asked her good corpse to protect Su Chen for that scum of the human race.

What on earth is going on?

There must be something wrong here. ,

Hou Tu became even more curious about Su Chen.

Why did Su Chen always appear in her mind? Why did Nuwa protect Su Chen? Nu Wa even did not hesitate to send a good corpse to protect Su Chen, which made Hou Tu want to find out what happened. Why

"Nuwa, I will not give up."

Hou Tu said a word to Nuwa and disappeared. She wanted to send the witch clan to check out Su Chen, a scum of the human race. Hou Tu wanted to know what was so special about Su Chen.

"Damn little bastard!"

After Nuwa left Houtu, she rubbed her forehead and felt very helpless.

Nuwa felt that Su Chen was becoming more and more important to her.

She protected Su Chen this time, which made her even more confused.

This way The scene seems to have happened many times.

It seems that Nuwa protects Su Chen not once or twice. Even her soul reminds her to protect Su Chen.

"Su Chen, who are you? Why does even my soul change for you?".

Chapter 2373

In Wuyi Mountain, in a cave,

Cao Sheng and Cao Bao were flattering Taoist Ran Deng.

A quasi-sage arrived.

Cao Sheng and Cao Bao both wanted Ran Deng to preach to their brothers. They were already cultivators in the Tribulation Realm. If they had the help of the quasi-sage Ran Deng, their brothers would soon overcome the tribulation and become immortals.

Cao Sheng said to Ran Deng respectfully, "Senior, our cave is a bit crude, please don't mind, senior."

Ran Deng stroked his beard and said with a smile, "No problem, your cave is pretty good."

Cao Bao After pouring Ran Deng a cup of tea, he rubbed his hands and begged,

"Senior, we brothers would like to ask senior to stay in Wuyi Mountain for a longer period of time, and we would also like to ask senior to give sermons to our brothers when he has time."

Randeng felt very disdainful when he heard Cao Bao's words.

They are two little scumbags.

""830" still want to preach to these two scum by himself?

If Ran Deng met Cao Sheng and Cao Bao elsewhere, he would not even bother to look at them.

However, he did not have innate spiritual roots when he arrived this time. Regarding the news about the Dahongpao tea tree,

Randen wanted to find the Dahongpao tea tree first. As for these two scum, Randen was not interested in killing these two ants. He wanted to use Cao Sheng and Cao Bao to find the Dahongpao tea tree for him.

"You brothers are all in the realm of overcoming tribulations. You should be able to overcome tribulations and become immortals within a hundred years. That's fine. I will stay in Wuyi Mountain for a while. I will give you a sermon when I have time."

"Thank you all, senior. Thank you very much, senior."

Su Chen looked at Ran Deng and the Cao Sheng brothers. He sat on the futon and didn't pay attention to this.

He was holding his chin and thinking about how to deal with Ran Deng.

Su Chen didn't know if Ran Deng would take action against Cao Sheng and Cao Bao. But if Cao Sheng and Cao Bao expose the existence of the high-grade innate spiritual treasure, there is no way that Ran Deng will not snatch the high-grade innate spiritual treasure. Su Chen also wants to get the

money from the high-grade innate spiritual treasure. He snatched it from Ran Deng in later generations. Money, during the Conferred God Period, Su Chen would not look at the high-grade innate spiritual treasure that was right in front of him, and it would be obtained by the shameless person Ran Deng again. Well, Ran Deng is a powerful quasi-sage, if Su Chen didn't use the innate treasure Chaos Bell, he is no match for Ran Deng Taoist. How can he deal with this shameless Ran Deng? Su Chen stood up and looked at Ran Deng and shouted, "Randeng, I'll go to Wuyi Mountain for a walk!" Randeng said hurriedly after hearing Su Chen's words,

"My friend, let's go together later. Brothers Cao Sheng and Cao Bao have been practicing in Wuyi Mountain. Let's first ask their brothers if they know about the Dahongpao tea tree."

Randeng will not let Su Chen leave his sight.

His soul has been monitoring Su Chen.

A powerful spiritual treasure is on Su Chen. Randeng will not let Su Chen escape from under his nose.

"Can!"

Su Chen curled his lips and agreed.

Old bastard, if Su Chen didn't want to expose the Chaos Clock, he would definitely kill this shameless old bastard.

After Ran Deng nodded to Su Chen, he looked towards Brothers Cao Sheng and Cao Bao asked,

"Cao Sheng, Cao Bao, have you found a Dahongpao tea tree on Wuyi Mountain?"

Cao Sheng shook his head hurriedly and replied,

"No, senior, we brothers have been in Wuyi Mountain for hundreds of years and have never heard of the Dahongpao tea tree."

Cao Sheng and Cao Bao became curious about Su Chen.

A scumbag in the Nascent Soul Realm.

Why did this scumbag speak so rudely to Ran Deng, and seemed to not care about Ran Deng at all? A quasi-sage. The capable Ran Deng didn't even care at all.

Cao Sheng and Cao Bao previously thought that Su Chen was a subordinate of Ran Deng, or even an attendant of Taoist Ran Deng, but now it seems that their brothers have made a mistake.

Ran Deng Zou He continued to ask with brows, "Cao Sheng, is there anything special on Wuyi Mountain?" (To read exciting novels, go to Feilu Novel Network!)

"What's special? There is one, a cliff on the south side of Wuyi Mountain. There is often a strong wind blowing there. Our brothers are weak and cannot get close to that cliff at all."

After Ran Deng heard what Cao Sheng said, he guessed that the cliff was not simple, and even the Dahongpao tea tree might be on the cliff.

Ran Deng hurriedly shouted to Cao Sheng, "Cao Sheng, take us to see it quickly!"

"Yes, senior!"

Su Chen looked at Cao Sheng and Cao Bao with some surprise.

Cliff?

Strong wind?

Is the Dahongpao tea tree on the cliff?

This is very possible.

Huh?

Who is checking here?

Su Chen just met Ran Deng. When these people walked out of the cave, he suddenly felt the fluctuations in the space.

There was someone hiding in the void on Wuyi Mountain. He might even be a quasi-sage. Otherwise, it would be impossible for Ran Deng not to discover it.

Could it be that quasi-sage coming?

Hou Tu's clone?

Or Nu Wa's clone?

Su Chen thought that when he was at Sishui Pass, the clones of Hou Tu and Nu Wa had appeared. If they wanted to find him, it would be very simple. Su Chen guessed that the clones were hidden in the void. The great power of the void is either Houtu or Nuwa...

"Why is this bastard so sensitive to space? Taiyi Golden Immortal? Is this bastard really the Taiyi Golden Immortal?"

In the void,

Queen Mother Xi used the Kunlun Mirror, a top-grade innate spiritual treasure, to hide in the void. She just moved a little bit, and Queen Mother West found Su Chen looking in her direction, which surprised Queen Mother Xi.

She is a quasi-sage. Yes, the Queen Mother of the West even used the Kunlun Mirror, the best spiritual treasure in space, to hide it.

How could Su Chen sense spatial fluctuations?

A Taiyi Golden Immortal was hidden and turned into a Nascent Soul Realm scum. The Queen Mother of the West even suspected that the Taiyi Golden Immortal was not Su Chen. In the real realm, is this bastard an old cunt who pretends to be a pig and eats the tiger?

Su Chen waved his hand secretly to the void, and he followed Ran Deng and Cao Sheng brothers to the mysterious cliff.

The Queen Mother of the West saw Su Chen waved 0.6 to her, and she cursed with an ugly face,

"Bastard, that scumbag really found out."

After a while,

Su Chen and Ran Deng appeared at a cliff.

Before they got close to the cliff, there was a buzzing sound on the cliff. A gust of wind blew by. The sky and the earth under the cliff instantly became dark, and the huge rocks were blown away by the wind. It is gray.

The wind is simply blowing away the darkness of the sky and the earth. It is good at blowing away the sorrow of ghosts and gods, cracking rocks and collapsing, and blowing away people's lives. Moreover, the terrifying atmosphere on the cliff is also very frightening.

When Ran Deng sees the cliff, he Surprised,

"Samadhi Kamikaze!"

Su Chen asked doubtfully,

"Ran Deng, is the wind blowing on the cliff the divine wind of Samadhi?"

"Yes, the Samadhi Kamikaze is very terrifying. Without the Wind-fixing Pearl, we would not be able to get close to the cliff."

Chapter 2374

Ran Deng's face was a bit ugly.

He had not expected that there would be Samadhi Kamikaze on Wuyi Mountain. This Samadhi Kamikaze was even more powerful than the Samadhi Kamikaze he imagined. Ran Deng guessed that there should be an eye of Samadhi Kamikaze on the cliff.

He couldn't check the cliff.

Is there a Dahongpao tea tree on the cliff?

He couldn't guess it either.

Ran Deng did not dare to use his soul to check the cliff. Samadhi Kamikaze could even damage his soul. If Ran Deng rashly went to check, he might be injured by the terrifying Samadhi Kamikaze.

Ran Deng suddenly saw Su Chen walking towards the cliff, and he shouted hurriedly with an ugly face,

"Little friend Su Chen, what are you doing? Come back quickly. It's very dangerous on the cliff. Do you want your life?"

"Nothing, I just went to check it out."

Su Chen smiled strangely at Ran Deng, and then he continued to walk towards the cliff.

Samadhi Divine Wind?

Will he be afraid?

Su Chen even broke through the chaos storm in the chaos.

Samadhi Divine Wind has come to the immortals in the prehistoric fairy world. It is said to be very scary, but he knows the laws of space and time, and the Samadhi Kamikaze cannot be more terrifying than the Chaos Storm.

Su Chen also wants to use the Samadhi Kamikaze on the cliff to get rid of this old bastard Ran Deng.

Along the way,

Ran Deng The soul has been watching him closely.

Su Chen didn't want to expose the Chaos Clock and kill Ran Deng. He could only rely on this opportunity to get rid of Ran Deng first.

"damn it!"

Randeng saw that Su Chen did not listen to his advice, and now he has lost the chance to catch Su Chen.

Randeng has not yet obtained the spiritual treasure from Su Chen. If Su Chen dies on the cliff, he will be the one to find her. Even the Wind-fixing Pearl and Ran Deng could not stop the terrifying Samadhi Kamikaze.

Ran Deng looked at Su Chen quickly disappearing in front of his eyes with a sullen face.

That boy was dead, the best innate spiritual treasure!

Damn it,

Ran Deng had already done it before. Su Chen should be caught first to snatch the best innate spiritual treasure.

Cao Sheng asked Ran Deng doubtfully,

"Senior, who is that little friend from the Nascent Soul Realm??" "

Ran Deng looked at the cliff and replied coldly,

"A Taoist friend I met on the road!"

Randeng is not in the mood to pay attention to this scumbag.

The Dahongpao tea tree should be in this cliff. These two scumbags are no longer useful. If it weren't for the Great Tribulation of the Gods, Randeng would want to destroy these two with one palm. Zhazha.

Two scumbags who have transcended the Tribulation Realm.

Randeng guessed that their brothers did not have any spiritual treasures, or even some spiritual weapons.

Cao Sheng saw the indifferent look on Taoist Randeng's face, and he did not dare to ask anymore.

Cao Sheng found that Ran Deng's attitude had changed too much. He was worried that if he angered Ran Deng, he would kill their brothers.

"Samadhi Kamikaze? That bastard is dying?"

In the void,

Queen Mother Xi saw Su Chen going to the cliff. She couldn't stay in the void any longer.

Samadhi Kamikaze?

It might even be the terrifying Samadhi Kamikaze with wind eyes.

Ordinary Samadhi Kamikaze is not even powerful to Daluo Jinxian. If you dare to break in easily, the Samadhi Kamikaze with the eye of the wind, the quasi-sage might be injured if you enter, and you may even be unable to get out. The

Queen Mother of the West rubbed her forehead and was very helpless. Su Chen, a Taiyi Golden Immortal, rashly entered. She didn't believe that Su Chen could come out alive in the samadhi wind with the eye of the wind.

Half a day later,

Su Chen had reached the middle of the cliff, and the innate spiritual root Dahongpao Tea was also on the cliff.

"This time, I was lucky. There were two Dahongpao tea trees with innate spiritual roots on the cliff."

Su Chen put away the two big red robe tea trees on the cliff.

He looked at the Samadhi divine wind blowing below and frowned. The Samadhi divine wind here is really terrifying. The Samadhi divine wind of the Yellow Wind Monster during the Journey to the West, It shouldn't be one percent as good as the Samadhi Kamikaze on the cliff. (To read Baoshuang novels, go to Feilu Novel Network!)

Damn it, that old bastard from Ran Deng is still waiting.

Goodbye, old bastard,

Su Chen left. He curled his lips and disappeared in an instant.

As for the money from the high-grade innate spiritual treasure,

Su Chen could only snatch it from Ran Deng later. Maybe Cao Sheng and Cao Bao wouldn't be stupid enough to expose the money.

Whoosh!

Su Chen disappeared in an instant. into the cliff.

Outside the cliff,

Ran Deng didn't see Su Chen come out for a long time.

His face became even more ugly. Ran Deng guessed that Su Chen might have died in the cliff.

"Damn it, the top-quality innate spiritual treasure actually flew away from his eyes."

In the void,

Queen Mother Xi shook her head and disappeared.

Su Chen didn't come out of the cliff for a long time, and there was no need for her to wait any longer. As for her underwear, Queen Mother Xi couldn't possibly ask from a dead person.

Sishui Pass , the army of the Western Zhou Dynasty retreated nearly fifty miles, and the 200,000 forward army was wiped out. General Huang Feihu was beaten to death by a chariot. Even the army of the Western Zhou Dynasty was chased by 200,000 Dashang cavalry and killed more than 100,000. Dashang's powerful regular army gave way to The army of the Western Zhou Dynasty was frightened.

At night, in the camp of the Western Zhou Dynasty,

Jiang Ziya and Ji Fa, the crown prince of the Western Zhou Dynasty, sat together without talking. Jichang, the Marquis of Xibo, fell from the chariot during the battle. Ji Chang might not last more than a year before he died.

Jiang Ziya Zou frowned and was silent for a while and said to Ji Fa,

"Your Majesty, please arrange for the Marquis to be sent back to Xiqi to recuperate, and the attack on Dashang should be slowed down. Ji

Fa nodded and asked, "I understand, Prime Minister, Dashang's army is too powerful. Can we in the Western Zhou Dynasty destroy Dashang?"

Jiang Ziya's old face turned red instantly.

He had previously vowed that Dashang's army was vulnerable.

Is this vulnerable?

In today's war, the 200,000 forward army was wiped out, and

Dashang's cavalry also pursued the Western Zhou army. Massacre, more than 100,000 Western Zhou soldiers were chased and killed. The

Western Zhou army suffered heavy casualties in today's war. This was because Dashang's army stopped chasing.

Otherwise, the Western Zhou army might have to retreat hundreds of miles, and the army would also suffer casualties. More (good king, good) Jiadu.

Jiang Ziya said with a serious face, "Neng, Crown Prince, the Western Zhou Dynasty is destined to be the destiny of the Western Zhou Dynasty. The Great Shang Dynasty has been exhausted. The Western Zhou Dynasty is destined to be the Shang Dynasty. It is only a matter of time that the Great Shang Dynasty will be destroyed by the Western Zhou Dynasty."

Ji Fa shook his head and said,

"Prime Minister, we can't even attack Sishui Pass, the first pass of Dashang. We have lost six or seven generals in the past few days."

"General Huang Feihu was also caught and executed today. Our army lost three to four hundred thousand. Dashang's army was too powerful."

Jiang Ziya thought of Zhang Guifang, the general at Sishui Pass, Zhang Kui, the commander-in-chief, and even Su Chen, Lord Wuxiang. None of the generals in the Western Zhou army were their opponents.

Jiang Ziya wanted to go to Yuxu Palace where he could explain the teachings. Asking for help, if Dashang could not defeat the first level, how could the Western Zhou Dynasty destroy Dashang? He would not be able to complete the task assigned by the teacher.

"There will be a way, Your Majesty, I'm going to find some helpers in the next few days, some powerful helpers."

Chapter 2375

Jinjiling,

Su Chen appeared in Jinjiling instantly,

"Jinji Ridge? I didn't expect to come to Jinjiling, which is also one of the battlefields of the Conferred Gods. However, Jinjiling should have no place to use it."

Su Chen looked at Jinji Ridge, the place where troops were stationed. Jinji Ridge was the only way to attack the Great Shang Dynasty in the Western Zhou Dynasty. Although it is not as important as the five major passes, it is also a dangerous and important place.

Whoosh!

Empress Nuwa's clone suddenly appeared Appearing next to Su Chen,

Su Chen looked at Nuwa's clone in confusion. He used the law of space to hide his aura along the way. It was impossible for a saint to find his traces. How did Nuwa's clone find him?

"I'll do it! How did you find me here?"

Nu Wa replied with a cold face,

"Su Chen, it's easy for me to find you. I didn't expect you, a scumbag Taiyi Golden Immortal, to know the laws of space. You made me a little impressed."

Nu Wa left a mark on Su Chen's body last time.

This mark cannot be found by humans. It is easy for Nu Wa to find Su Chen. As long as Su Chen is in the prehistoric fairy world, she can find Su Chen with just a thought. morning

"Scumbag?"

Su Chen looked at the beautiful Nuwa speechlessly.

During the Conferred God Period,

Su Chen seemed to have never stopped calling her "Zha Zha".

Damn, the great powers and saints in the Conferred God Period were really arrogant, and they might be weaker than them. All living beings would call Zhazha.

Nuwa asked coldly,

"Aren't you a scumbag?"

Su Chen rubbed his forehead and replied angrily,

"I am a scumbag. Taiyi Jinxian is a powerful immortal no matter how you say it. Why am I such a scumbag? If I were a scumbag, wouldn't all other creatures weaker than me be ants?"

"Ants? The creatures in the ancient immortal world are indeed like ants in the eyes of saints, and even powerful quasi-sages are nothing in the eyes of saints."

Su Chen shook his head and didn't want to say these useless words to Nuwa. It was very abnormal for Nuwa to be able to find him instantly. After Su Chen checked his body, he didn't find any tracking marks. Even if Nuwa had It was impossible for her to find out his location so quickly

despite the powerful tracking Lingbao. Su Chen suspected what Nuwa did to her last time. Nuwa was able to do peeping. What kind of tracking should Nuwa leave on him? breath

"Nuwa, how did you find me? Nuwa said with a smile on her lips,

"You don't need to know, Su Chen, what happened between you and Hou Tu? Why did Hou Tu arrest you?"

Su Chen curled his lips and refused.

"You don't need to know either!"

Nu Wa's face instantly turned cold and threatened,"Do you want to die? You dare to disobey a saint, Su Chen, you are such a scumbag of the human race that you are really tired of living."

"Tsk, Nuwa, you won't kill me"

"you sure?"

Boom!

Nuwa suddenly burst out with a powerful aura.

This bastard looked confident, which made Nuwa very uncomfortable.

Nuwa would not kill Su Chen, but this bastard's arrogant attitude, Nuwa I wanted to give this bastard a good beating.

Su Chen didn't pay attention to Nuwa's powerful aura.

He sat on the stone and replied with a smile,

"Of course, you won't take action against me until you understand our relationship."

"Hum, Su Chen, if I knew everything, do you think you would still be alive in the future?"

"Yes, I will do well in the future."

Su Chen smiled at Nu Wa.

He will definitely live a good life in the future, and even Nu Wa will serve him well in the future.

Damn it,

Su Chen can't help but want to hug Nu Wa and kiss her.

This unparalleled beauty The female saint had a cold temperament that was colder than that of later generations. She looked noble and unattainable. Su Chen wanted to conquer Nuwa and ravage her once.

Nuwa heard Su Chen's words and mocked with disdain,

"Little scumbag, if you think too much and daydream too much, you will not be able to distinguish between reality and illusion."

"I just want the day.....Holy shit."

Whoosh!

Before Su Chen finished speaking to Nu Wa, a man in black suddenly appeared next to Su Chen and Nu Wa. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen looked at the sudden appearance of the man in black. The man became wary.

Lord Tongtian?

Damn it, why did this arrogant Tongtian show up? What a ghost today.

Empress Houtu of the Six Paths of Reincarnation, the female saint Nuwa, the Queen Mother of Heaven, all these powerful women... Appeared, and the old man Ran Deng met on the road, and now Tongtian has also arrived,

Su Chen feels that today is his unlucky day

"Senior Brother Tongtian, why are you here?"

When Nuwa saw Tongtian arriving, she frowned.

Her clone only had the strength of a quasi-sage, and she didn't notice Tongtian's arrival at all.

Nuwa was worried that Tongtian would take action against Su Chen.

This little bastard killed a interceptor. Teach the disciples that Tongtian's visit this time may be due to bad intentions.

After Tongtian looked at Su Chen, he nodded to Nuwa and said,

"Junior Sister Nuwa, I came here this time to see this little friend. Nuwa said with a serious expression,"Senior Brother Tongtian, Su Chen is mine. I don't want you to do anything to him.""

Shall I go?

Who are your people?

Su Chen looked at Nuwa speechlessly.

What Nuwa said just now made him look like a pretty boy.

Tongtian looked at Nuwa in confusion.

Nuwa had never been involved in the affairs of the ancient world. , why is Nuwa so concerned about a human race this time?

"Junior sister, don't worry, I just want to ask Su Chen a few questions."

Nuwa breathed a sigh of relief after hearing Tongtian's words.

As long as Tongtian didn't take action against Su Chen, she didn't care what questions Tongtian asked Su Chen.

"That's it. If senior brother wants to know anything, you can ask him."

Tongtian nodded to Nuwa and said to Su Chen,

"Su Chen, I won't say anything if you kill a Jie Jiao disciple."

"Hong Jin deserves to die. Since he is a minister of Dashang, he must abide by the laws of Dashang. However, you should let go of the other disciples I taught."

Su Chen came closer to Nuwa and replied,

"Master Tongtian, I don't understand what you are saying."

Su Chen didn't expect that Tongtian was for the girls in the Devil's Tower of Desire, but could the girls in the Devil's Tower of Desire be released? The girls in the Devil's Tower of Desire have been imprisoned for more than a year, and even they are still naked and naked. In the magic tower.

If Su Chen lets them go, the Fire Spirit Madonna and the girls will attack him when they come out. Even after Tongtian understands the situation, Tongtian may also kill himself.

"Shi Ji, Huo Ling, Caiyun, and Han Zhixian, who I teach from Jie, you all showed up when they disappeared. Boy, if you let the female disciples of Jie teach now, I will not pursue any divination charges."

Chapter 2376

Tongtian looked at Su Chen expressionlessly. He did not expect that a scumbag human race would not admit it.

Don't understand what he just said?

If Tongtian hadn't looked at Nuwa's name, he would have started checking Su Chen's memory.

Nuwa watched silently as Su Chen approached her. Did this little bastard want her to protect him? Su Chen was arrogant towards her just now, why is he scared now?

After Nuwa heard Tongtian's words, she asked Su Chen doubtfully,

"Did you arrest a disciple of Jie Jiao?"

Su Chen hurriedly shook his head and replied,

"No, I'm just a little scumbag. How could I catch Jie Jiao's disciples?"

"Really do not have?"

Nu Wa did not believe what Su Chen said.

She felt that Su Chen had captured several of Jie Jiao's disciples.

Nu Wa did not see Su Chen arresting Jie Jiao's disciples, nor did she find out that Jie Jiao's disciples were imprisoned by Su Chen. Where, but she had an intuition that the disciples of Jiejiao must have been caught by Su Chen.

Seeing that Nuwa did not believe him, Su Chen felt very helpless.

Su Chen had captured the four daughters of the Holy Mother of Fire Spirit, but Can he admit it?

29 Well, if

Nuwa doesn't help him this time, Tongtian, an arrogant man, might do something to him.

"No, Nuwa, how could I deceive you? I have no ability to catch Jie Jiao's disciples."

After Nuwa gave Su Chen a cold look, she said to Tongtian,

"Senior Brother Tongtian, Su Chen is a scumbag, there is no way he could capture a disciple of Jie Jiao."

Tongtian said with an indifferent expression,

"I don't believe it, junior sister, Jie Jiao's four disciples have been missing for more than a year, and I haven't even figured out where they are. Su Chen was the last person to come into contact with my disciples. Jie Jiao's disciples must have been kidnapped by this human race."

Su Chen curled his lips and said quibly,

"Tongtian, you can't figure out where the Jie Jiao disciples are. Do you think I have the ability to hide the Jie Jiao disciples?"

"How dare you, a scum of the human race, dare to call me by my name."

Tongtian heard Su Chen call his name, which made him angry.

A little scumbag dared to call him by his Taoist name?

In the ancient immortal world, even the quasi-sages would respect him as a saint when they saw him. This little scumbag The scumbag is just looking for death.

Su Chen's face also turned cold.

Tongtian is simply too arrogant.

What's wrong with calling him by his name?

Damn, in future generations,

Su Chen will dare to point at Tongtian's nose and scold him.

A saint. The saints of the fourth heaven are Hongjun and Luohu in later generations. Su Chen dared to call them by their names.

"Wasn't your name called? Otherwise, what name would you give me?"

Boom!

Tongtian didn't expect that Su Chen would dare to disobey him. He suddenly burst out with a powerful aura and threatened,

"Human Race, do you dare to disobey me? Su

Chen shouted to Tongtian with an indifferent expression, "Damn it, Tongtian, you dare to take action against me?"

Tongtian stretched out a hand and said mockingly,

"Little scumbag, why don't I dare to take action against you? I just want to crush you to death, can you escape?"

Su Chen was also overwhelmed by Tongtian's arrogance.

Now he is willing to risk everything and wants to kill himself?

It depends on whether Tongtian's Jie Church will be destroyed first.

Su Chen is the Human Emperor. He has the luck of the human race in him, and even the great Shangdu is under his control.

If Tongtian dares to take action,

Su Chen will burst out with the luck of the human emperor. If it doesn't work, Su Chen's most precious Chaos Bell will be exposed.

There are also Tongtian's four swords and formations of Zhu Xian,

Su Chen It is also very simple to control the Four Swords of Zhu Xian and the formation diagram. Without the Four Swords of Zhu Xian, Tong Tian is just a paper tiger. Nuwa can defeat Tong Tian and cannot touch the north.

"Hey, Tongtian, you are the most arrogant and arrogant among the saints in the ancient immortal world. Aren't you going to crush me to death? Young Master, I'm waiting for you to crush me to death"

"you wanna die!" boom!

"Senior Brother Tongtian, you passed."

Nu Wa hurriedly stopped Su Chen. (To read Baoshuang novels, go to Feilu Novel Network!)

Tongtian and Nuwa's powerful momentum collided, and Jinji Ridge was razed to the ground for hundreds of miles in an instant.

Tongtian stared at Nuwa said coldly,

"Nuwa, do you dare to stop me?"

"So what if I stop you?"

"Nuwa, can your clone stop me?"

"Doppelgänger? Take another look!"

Boom!

Nuwa said with a cold face.

The aura on her body became more and more powerful.

With the violent vibration of the prehistoric fairy world, Nuwa's body and clone merged together.

"Nuwa, do you really want to go against us?"

Tongtian didn't expect that Nuwa's true form would come, a scum of the human race?

Nuwa would turn against him for the sake of a human race. Can a human race compare to a saint like him?

Nuwa said coldly with a cold face,

"Tongtian, I said, Su Chen, you can't move!"

Su Chen didn't expect that Nu Wa's true form had also arrived. He was very happy when he saw Nu Wa standing in front of him.

Nu Wa is still a reliable wife.

Although Su Chen has not yet conquered Nu Wa during the Conferred God Period, After all, he and Nuwa are husband and wife.

Su Chen guessed that Nuwa defended herself so much, which may be guided by the fate of the sea of destiny, and also the fate arrangement between him and Nuwa.

Tongtian said coldly and arrogantly with his hands behind his back,

"Hum, Nuwa, if you win the battle with Chaos and welcome me, I will never take action against this human race again."

Su Chen walked to Nuwa and nodded on her behalf, saying,

"Okay, Tongtian, I agreed on behalf of Nuwa, but before you and Nuwa go to fight in Chaos, I have to do a few things."

"Human Race, I agree"

"Tongtian, I hope you won't regret what happened today."

Tongtian mocked 893 Su Chen with disdain, "I, Tongtian, never regret anything I do."

Nu Wa looked at Su Chen helplessly.

This little bastard, how could she be Tong Tian's opponent? The Zhu Xian Sword Formation must be broken by the Four Saints. Even I can't break the Zhu Xian Sword Formation, and Nu Wa is even more impossible. Tongtian's opponent.

At this moment,

Su Chen stepped into the air and appeared in the air.

He shouted with a serious face,

"The Human Emperor's fruition is revealed, and the destiny of the human race is condensed!"

Boom boom boom.....

The Immortal World suddenly shook, with bursts of huge noises. All creatures in the Immortal World were alarmed. Even the saints who were in retreat paid attention to Su Chen.

At this moment, the eight human emperors of Huoyun Cave, King Zhou of Dashang Palace, Laozi of Human Sect, Yuanshi of Chan Sect, as well as Tongtian and Nuwa below, their human luck is rapidly decreasing.

"I am Su Chen, the contemporary human emperor of the human race. As the human emperor, I call for the return of the most precious treasure of the human race, the Kongtong Seal."

"The Human Emperor of Huoyundong has occupied the fate of the human race and has done nothing. As the contemporary Human Emperor, I call for the order to take back the fate of the eight human emperors and to take back the fate of the human race of the foolish and unprincipled King Zhou of Shang."

"The leader of Jiejiao threatens the emperor and despises the human race like an ant. As the contemporary emperor, I issue an order to take back the destiny of the human race of Jiejiao. The human race will not be allowed to worship the immortals of Jiejiao in the future."

"I hope the prehistoric heaven will grant it!".

Chapter 2377

At the top of Jinji Ridge,

Su Chen was shining with golden light.

After his fate as a human race was revealed, Su Chen's status as Human Emperor was also revealed.

Su Chen is the Human Emperor, and he is also the contemporary Human Emperor.

As long as he does not announce his abdication,

Su Chen will always be the Human Emperor of the human race.

In the prehistoric fairyland of later generations,

Su Chen is the only human emperor in the prehistoric fairyland.

Although he left the prehistoric fairyland , but he still occupies the sixth level of human destiny. If it weren't for Nuwa being his woman, he could occupy all the human destiny in the prehistoric immortal world.

Su Chen now wants to take back the human race's most precious treasure, the Kongtong Seal, and to take back the human race's luck in the prehistoric immortal world. This can be done in later generations as long as he is willing, but this is the prehistoric period of the Conferred Gods.

Su Chen can only deal with the people who have been attacking him before. The law of heaven declares that as long as the law of heaven is not sleeping at this time, the law of heaven will definitely agree.

Su Chen was already very skilled in making announcements about the ancient world.

After all, he was in the ancient world in later generations, and Su Chen was constantly making announcements about it.

Boom boom boom.....

The prehistoric fairy world was shaking continuously.

The creatures in the prehistoric fairy world were looking into the sky in fear. All the creatures were confused.

Human Emperor?

The contemporary emperor?

Take back the fate of 377 humans?

Interception?

The Human Emperor and Jie Jiao are at odds?

Something big is going to happen in the Great Desolate Immortal Realm. Originally, the Great Tribulation of the Gods was about to begin, and the immortals and cultivators in the Great Desolate Immortal World were all panic-stricken. However, Su Chen's announcement today is no less than the Great Tribulation of the Gods.

Some quasi-sage powerful people rushed to Jinji Ridge, and even many Da Luo Jinxian also rushed to Jinji Ridge.

"Damn it, is Xuanniao crazy?"

Kong Xuan was confused at this moment.

He didn't expect Su Chen to be so bold,

Jiejiao?

This is the largest sect in the world, and

Su Chen dared to directly declare war on Jiejiao.

Also, how could Xuanniao be a human being? Emperor?

Or the contemporary human emperor?

Isn't the contemporary human emperor King Zhou?

It's his fault.

Xuanniao is getting more and more mysterious.

No, let's go see that bastard.

Kong Xuan thought about it at Sishui Pass and disappeared in an instant. Now, he is going to Jinji Ridge to meet Su Chen. He wants to know what that bastard Su Chen wants to do?

Sun Star,

Lu Ya's mouth kept twitching,

"He is so arrogant, arrogant, (cjcj) too arrogant, Su Chen is really the Demon God of Chaos."

Lu Ya found that Su Chen was more like the Chaos Demon God than him. Even though Su Chen was the reincarnation of the Chaos Demon God, his Su Chen was just a scum of the Taiyi Golden Immortal.

A scum still wanted to fight against the greatest religion in the world. Jie Jiao? You have to fight against a saint who can fight one against four?

Lu Ya walked around the Sun Palace in panic.

He thought of Su Chen's ancient announcement.

Lu Ya was very confused.

Su Chen turned out to be from the human race. The Human Emperor?

Or the contemporary Human Emperor?

Take back the luck of the human race?

Take back the human race's most precious treasure, the Kongtong Seal?

Can that shameless bastard do it?

Will the ancient law of heaven agree? Not long after

West Kunlun, the Queen Mother of the West came back, (for reading the Baoshuang novel, go to Feilu Novel Network!)

After she heard Su Chen's announcement about the Great Desolation, the Queen Mother of the West's face changed, and she instantly disappeared in the West Kunlun Mountains.

Six Paths of Reincarnation,

Hou Tu looked at the Great Desolate Immortal World in confusion. Jinjiling, Su Chen's ancient announcement made her unexpected.

Human Emperor?

Luck?

Jie Jiao?

Su Chen is going to start a war with Jie Jiao?

Hou Tu thought for a while and shouted to the side, "Xing Tian, Jiu Feng, you guys can do whatever you want." My clone went to the ancient fairyland"

"Yes, empress!"

In the Heavenly Court, the Queen Mother walked up and down in the Yaochi Wonderland with her eyebrows raised.

Su Chen's announcement made her feel frightened. She didn't understand what happened to Su Chen.

But Su Chen wanted to take back the fate of the human race and take back the human race. The most precious Kongtong Seal even had a falling out with Jie Jiao and wanted to confront him. Is this something that a scumbag can do?

Jie Jiao has a large number of Da Luo Jinxian and quasi-sages. Any one of them can destroy that little scumbag.

"Alas, Yaochi Divine General? Is this an ancestor? If you give yourself an explanation within a year, that little bastard might die today."

The Queen Mother sighed and disappeared into the fairyland of Yaochi. She was going to Jinji Ridge to see Su Chen. If there was a chance, the Queen Mother would also find a way to save that little bastard.

In Jie Jiao, the Holy Mother of the Golden Spirit, the Holy Mother of Wudang, and the Turtle Holy Mother Spirit, as well as Yunxiao, Bixiao, and Qiongxiao from Sanxian Island all rushed to Jinji Ridge. They did not expect that Su Chen and Jie Church had a falling out, and that this conflict might even be comparable to the Conferred God Catastrophe.

In Huoyun Cave, the eight human emperors all looked angry at this moment. They did not expect that a human emperor would appear.

Human emperor?

Since their Three Sovereigns and Five Emperors, future human emperors cannot become immortals and can only enjoy a few short decades of glory and wealth. , How can this Su Chen be the Human Emperor of the human race?

Empress Nuwa and other saints have not established a Human Emperor again. What happened to the Human Emperor who suddenly appeared in the prehistoric fairyland?

And this Human Emperor can deprive other Human Emperors This made the eight human emperors even more frightened.

How could the human emperor deprive other human emperors of their human luck?

This makes no sense at all. At this moment, in Jinji Ridge, six of the seven saints from the ancient immortal world have arrived.

Laozi and Yuanshi both looked at Su Chen with indifferent faces.

Their human destiny was constantly decreasing. This was because Hong Tiandao had not responded. If Hong Tiandao agreed, their human destiny would decrease even faster.

Zhunti and Jie Yin With an expression of watching the excitement, their Western religion had just separated from Taoism and became Buddhism, and Buddhism had not gained the luck of the human race at all. This time Su Chen took back the luck of the human race, which had nothing to do with Buddhism.

Tongtian was at this time. With a confused face, he looked at Su Chen's condensed human luck in the sky. He never thought that Su Chen would be the human emperor of the human race. He was even the contemporary human emperor.

Tongtian felt that Jie Jiao's human luck was losing, and Su In the early morning, the ancient immortal world announced that if the ancient heavenly law agreed, it would destroy the religion, or even destroy it completely.

Nuwa's beautiful face looked confused at this moment.

She is the Holy Mother of the human race. Why didn't she know that Su Chen was the Human Emperor? If Su Chen hadn't exposed the fate of the human race and the status of the Human Emperor today, Nuwa would have known that Su Chen would be the Human Emperor.

Empress Nuwa felt that her luck as a human race was disappearing Afterwards, she felt even more unbelievable.

Can a Human Emperor take back the destiny of the human race?

The Heavenly Dao of the Ancients has not yet responded, and Nuwa's destiny of the human race is decreasing. This shows that the Heavenly Dao of the Ancients does not agree, and Su Chen may also take back most of it. The luck of the human race

"Damn it, why did he fall asleep again? How is this so different from the prehistoric way of heaven 1.6 million years later?".

Chapter 2378

Su Chen was waiting for the response from the Great Desolate Heaven above Jinji Ridge, but almost two quarters of an hour had passed.

The Great Desolate Immortal World had been shaking, but there was no response from the Great Desolate Heaven. Su Chen looked up at the nine heavens and was very speechless. He seemed to be speechless every time. Every declaration to the prehistoric heaven will be delayed.

Well, all the saints from the prehistoric immortal world are almost here. Except for that old bastard Hongjun, all the other saints are here. Even some quasi-sages and Da Luo Jinxian are here.

Is this him?

Are these powerful immortals all here to see the show?

Su Chen looked at the bottom of Jinji Ridge and rubbed his forehead. He seemed to have made things bigger this time.

Damn Tongtian.

It seemed like the ending was not going to be easy this time.

"teacher? How is this going?" After the disciples of Holy Mother Jin Ling came to Tongtian Jiejiao, Holy Mother Jin Ling "Zero 20" looked at Su Chen in the air and asked hurriedly.

Tongtian said with a gloomy face,

"You don't have to worry about a scumbag of the human race who is looking for death, I will take care of that scumbag of the human race."

Duobao looked at Su Chen in the air with cold eyes.

He didn't expect that Su Chen would be the Human Emperor of the human race. No wonder he could escape his pursuit. Duobao has offended this Human Emperor. He has to find a way to get others to get rid of this person. Emperor

Duobao saluted Tongtian and said, "Teacher, Jiejiao's luck has been decreasing. It is not an option to continue like this."

"I will use the Four Swords of Zhu Xian to suppress Jie Jiao's luck. After I kill the Human Emperor Su Chen, Jie Jiao's luck will return to Jie Jiao."

Yun Xiao's face turned pale when she heard Tong Tian's words.

She did not expect that Tong Tian wanted to kill Su Chen. Her relationship with Su Chen was very close. Although Yun Xiao did not become a Taoist couple with Su Chen, she would definitely be Su Chen's in the future. Taoist couple.

Yun Xiao didn't want Su Chen to conflict with her teacher Tong Tian,

let alone Tong Tian killing Su Chen. Yun

Xiao thought about it and hurriedly saluted Tong Tian and said, "Teacher, the human emperor cannot kill. Killing the emperor will be punished by heaven."

Jin Ling Holy Mother, Wudang Holy Mother, Qiong Xiao, Bi Xiao, they are very worried about Su Chen.

What happened today is unexpected.

Su Chen will have a conflict with their teacher, and even bring the prehistoric fairy world to its knees. Everything was turned upside down.

Tongtian wanted to kill Su Chen, and it was impossible for the girls to stop him. They were anxious because there was no way.

Tongtian heard Yunxiao say that killing Su Chen would result in divine punishment, and he showed disdain on his face. Expression.

For a little scumbag,

Su Chen is considered the Human Emperor. If

Tongtian kills Su Chen, he will be punished by heaven for at most sixty-nine days and lose some of his merits. Sixty-nine days of punishment will be like scratching his itch.

Tongtian waved his hand and mocked. , "Curse? Heaven's punishment is dispensable to me. As long as it is not a world-destroying chaotic thunder catastrophe, I don't care about ordinary thunder catastrophes at all."

After Yunxiao and the girls heard Tongtian's words, they all looked at Su Chen in the sky with sorrowful expressions.

Our Lady of Turtle Spirit looked at Madonna of Jinling and the girls of Yunxiao with a confused look on her face. She found that several fellow apprentices seemed to be... She was caring about Su Chen.

Our Lady of Guiling thought about what she lied about a year ago.

She clearly did not think about Su Chen in her mind a year ago. She lied to Our Lady of Jinling and Our Lady of Wudang.

Now, the teacher here The sisters all seem to be concerned about Su Chen. Is she out of tune again? The three Yunxiao sisters are all in tune with each other. Mother Turtle Spirit can't figure out why she is the only exception.

Boom boom boom.....

At this time, nine huge noises suddenly erupted from the prehistoric fairyland,

"allow!"

Suddenly, a cold and emotionless voice came from above the nine heavens.

Su Chen in the sky heard the response from the Great Desolate Heavenly Dao, a smile appeared on his face, boom boom boom.....

After the Heavenly Dao of the Prehistoric Immortal Realm responded, various areas of the Prehistoric Immortal Realm began to shake. East Kunlun Mountain, Shouyang Mountain, Dashang Palace, Jin'ao Island, and Huoyun Cave were all shaking.

Whoosh!

A spiritual treasure suddenly appeared in Su Chen's hand.

The human race's most precious treasure, the Kongtong Seal?

Su Chen saw that Tiandao had sealed the human race's most precious treasure, Kongtong, and even erased the mark of Laozi's refining. Su Chen was very satisfied with the delivery of the product to his door.

After deposing the Human Emperor, it's up to you. (To read Baoshuang novels, go to Feilu Novel Network!)

It's better to forget it!

The Kongtong Seal, the most precious treasure of the human race, should be given to Nuwa. Empress Nuwa is the mother of the human race. Only when the Kongtong Seal, the most precious treasure of the human race's luck, is in the hands of Nuwa, can it unleash its greatest power. boom!

After a loud noise, the luck of the human race from all over the place came towards Su Chen one after another, and golden torrents flowed into Su Chen's sea of luck like small rivers.....

Below the Jinji Ridge, the expressions of Laozi, Yuanshi, and Tongtian changed instantly. They did not expect that the Primordial Heavenly Dao would respond to Su Chen, and even agree with Su Chen's declaration just now.

Their luck as a human race was constantly being withdrawn by Su Chen, and the three saints did not dare to stop it. This was the decision of the ancient heaven. If they dared to stop it, the ancient heaven would definitely punish them with thunder.

I looked at Su Chen with a gloomy face at this moment.

The Kongtong Seal, the most precious treasure of human luck?

This is his spiritual treasure, and it is also an important spiritual treasure for him to control the human race.

The prehistoric heaven gave the Kongtong Seal, the most precious treasure of the human race, to Su Chen. From now on, the human race in the prehistoric immortal world will not be decided by the human religion. His human religion and the abolition There is no difference.

Suddenly, an angry voice came from the Fire Cloud Cave,

"Human Emperor Su Chen, I am Human Emperor Fuxi. If you take back all the fate of the human race, do you want us, the Human Emperor of Fire Cloud Cave, to sever ties with the human race?"

Su Chen had a look of disdain on his face when he heard Fu Xi's words.

Some puppets, the human race will continue to develop without the Three Sovereigns and Five Emperors. The Three Sovereigns and Five Emperors are just people who make the human civilization one step ahead.

They have made contributions to the human race, but dozens of guilds Enjoying the luck of the human race, isn't this enough to repay their contribution to the human race?

Su Chen shouted in the direction of the 3.4 Cloud Cave,

"Human Emperor Fuxi, your mission of contribution to the human race has been completed, and the fate of the human race has been enjoyed by you for dozens of yuan. What else do you, the Three Sovereigns and the Five Emperors, not be satisfied with?"

Fuxi shouted angrily when he heard Su Chen's words.

"Presumptuous, we are the Emperor of Humanity, and it is only natural that we enjoy the destiny of the human race.

Su Chen asked expressionlessly, "It's only natural?" Three Sovereigns and Five Emperors, do you all think so?"

Human Emperor Xuanyuan shouted with an indifferent expression,

"The words of Human Emperor Fuxi are our words. Human Emperor Su Chen, the destiny of the human race should be enjoyed by all of us emperors. You have no right to deprive us of the destiny of the human race."

Su Chen asked with an indifferent look.

"No rights? Should the emperor enjoy it? What if you Three Sovereigns and Five Emperors are no longer the Human Emperors of the human race?"

Chapter 2379

Su Chen looked in the direction of Huoyun Cave with great disdain.

A group of self-righteous human emperors.

Su Chen could kill them during the Journey to the West. During the Conferred Gods Period, if the Three Sovereigns and Five Emperors were still so selfish and enjoying their gains, Su Chen wouldn't mind anymore. Kill them once.

Saints like Jinjiling and

I all looked at Su Chen with serious faces. They all felt that Su Chen wanted to depose the Human Emperor of Huoyun Cave.

Su Chen used the Kongtong Seal, the most precious treasure of the human race's luck, in his hand, and even gathered most of the human race's luck. If Su Chen wanted to dethrone the Human Emperor in Huoyun Cave, the chance of success was more than half.

If Empress Nuwa agreed with Su Chen to depose the Human Emperor of Huoyundong, then the Human Emperor of Huoyundong would be in tragedy.

The Queen Mother, the Queen Mother of the West, and Hou Tu's clones all arrived at Jinji Ridge at this moment.

They looked at Su Chen in the sky with a look of helplessness.

Su Chen had done something huge, taking away the fate of the human race. This was even taking away the fate of the human race controlled by the saints. Su Chen was not worried about the saints. Settle accounts after the fall?

Kong Xuan was standing with Lu Ya at this moment.

They were both helpers that Su Chen had found for Dashang.

Kong Xuan and Lu Ya both had dark faces and helpless expressions at the moment. They were on the same front as Su Chen. Was Su Chen planning to drag them into a pit of fire?

They can't afford to offend a single saint, so what now?

Chanjiao,

Renjiao and

Jiejiao,

Su Chen offended three saints and saint sects at once. Both Kong Xuan and Lu Ya felt that Su Chen was trying to kill them.

Kong Xuan shouted angrily,

"Damn it, I shouldn't have known Su Chen. Damn it, we will all be killed by that bastard."

Lu Ya nodded and said with an ugly expression,

"This bastard is so lawless. Damn, I can't help but want to kill that bastard now."

"Lu Ya, what should we do?"

"Just wait and see, I don't know what to do now."

At this moment,

Nuwa looked at Su Chen with a cold face.

She did not expect that Su Chen really made Heaven respond, and even the fate of the human race was converging on Su Chen.

But, why did her fate of the human race not change?

Nuwa It was just that she felt that her luck as a human race was losing before, but after the response from the Primordial Immortal Heavenly Dao, Nuwa found that her luck was no longer lost, which made her confused. On

Jinji Ridge,

Zhen Yuanzi of Wuzhuang Temple, Ancestor Styx from the Blood Sea, Kunpeng from the North Sea, Heavenly Emperor Haotian from the Heavenly Court, Bai Ze and some Demon Saints from the Monster Clan, Xingtian and Jiufeng from the Witch Clan, some quasi-sages from the Saint Sect.

There are also dozens of great The immortals of Luo Jinxian and these powerful people in the ancient world looked at Su Chen in surprise. They all looked at Su Chen and felt that Su Chen was seeking death.

A little scumbag from the human race, was he seeking death?

Even if he wanted to, he would seek death. There was no need for such a big fight.

Su Chen suddenly offended three ancient saints, and even turned against the human emperors in the Fire Cloud Cave. Any one of these people could crush Su Chen to death.

At this time, the Three Sovereigns and Five Emperors in the Fire Cloud Cave had expressions on their faces. Looking at Su Chen seriously,

"Su Chen holds the Kongtong Seal, the most precious treasure of human destiny, in his hand. Doesn't he want to dethrone our Human Emperor status?"

"It's possible!"

"What to do? If Su Chen dethrones our Human Emperor status, not only will our strength regress, but we will be nothing in the future, and the human race will no longer be able to enshrine us in the future."

"Are we going to take action? Human Emperor Su Chen is a little scumbag. Any one of us can kill him."

"No, the prehistoric heaven has not retreated yet, if we dare to take action, the prehistoric heaven will kill us." (To read exciting novels, go to Feilu Novel Network!)

"Are we going to watch Su Chen dethrone our Human Emperor status?"

"Don't worry, Su Chen can't dethrone our Human Emperor status without the consent of my sister Nuwa. Even if Su Chen has the Kongtong Seal, the most precious treasure of human luck, he can't dethrone our Human Emperor status."

After the Human Emperors in the Fire Cloud Cave talked for a while, they all looked at Human Emperor Fuxi.

Their eyes lit up at Human Emperor Fuxi's words.

They had been thinking about the human race's most precious Kongtong Seal in Su Chen's hand. They all forgot that to depose the Human Emperor, this must require the consent of Nuwa, the Holy Mother of the Human Race. Even if

Su Chen had the Kongtong Seal, the most precious treasure of the human race, that scum would not be able to dethrone their position as the Human Emperor.

The Human Emperor Shennong He stroked his beard and smiled,

"We don't need to worry, Empress Nuwa will not agree to Su Chen's dethroning of our human emperor status."

Human Emperor Yao nodded and said, "That's right, we'll just watch how Su Chen steps down."

Human Emperor Xuanyuan laughed and said, "Haha....., Su Chen's face would be very ugly when he saw it. I couldn't wait to see Su Chen's deflated look."

Human Emperor Fuxi sat on the futon and showed a smile.

He didn't care about Su Chen at all. With his sister Nuwa, the Human Emperors like them could not be deposed.

However,

Fuxi still couldn't understand what happened to Human Emperor Su Chen. Will there be human emperors?

Only eight of them in the prehistoric immortal world have human emperors. The other human emperors are better said to be human kings than human emperors.

Those human emperors do not have the human emperor status, and it is impossible to cultivate immortality.

Human Emperors Fuxi couldn't understand Su Chen's unexpected appearance, and his gossip couldn't figure out Su Chen's origin.

Over Jinji Ridge,

Su Chen didn't hear the response from the Huoyun Cave Human Emperor, and he was too lazy to wait for the Huoyun Cave people. The emperor's response. It is a matter of course that the human emperor enjoys the luck of the human race. Su Chen wants to dethrone the human emperor's position in Huoyundong. The three emperors and five emperors enjoy the luck of the human race for dozens of yuan. The human race does not owe the three emperors and the five emperors. Su Chen Chen took out the human race's most precious treasure, the Kongtong Seal, raised it and shouted,

"I am the Human Emperor Su Chen. The eight human emperors of Huoyun Cave enjoy dozens of guilds of human luck. The contribution of the Three Sovereigns and Five Emperors to the human race. (Good King Zhao) The human race has paid off the fate of the human race with dozens of hui yuan. The eight human emperors of Huoyun Cave should not continue to enjoy the fate of the human race, and their status as human emperors cannot continue to be retained."

"I declare with the Kongtong Seal, the most precious treasure of human destiny"

"Abolish the human emperor status of Human Emperor Fuxi, abolish the human emperor status of human emperor Shen Nong, abolish the human emperor status of human emperor Xuanyuan, and abolish the human emperor status of human emperor Zhuanxu.....this."

Boom boom boom.....

After Su Chen announced the abolition of the eight human emperors of Huoyundong, the prehistoric fairyland was violently shaken again.

The human race is the destined protagonist in the prehistoric fairyland.

Su Chen announced the abolition of the eight human emperors in Huoyun Cave. The prehistoric heaven will respond. Even if Su Chen's reasons are not established, the prehistoric heaven will prevent Su Chen from abolishing the eight human emperors in the fire cloud cave.

"This palace is Nuwa, the holy mother of the human race, the human emperor. Su Chen used the Kongtong Seal, the most precious treasure of human luck, to destroy the eight human emperors of Huoyun Cave. This palace....."

Chapter 2380

In the prehistoric fairy world,

Su Chen announced the abolition of the eight great masters and queens of Huoyundong, and the entire human race in the prehistoric fairy world was boiling.

The human race in the Prehistoric Immortal Realm doesn't know who the Human Emperor Su Chen is, but the Three Sovereigns, Five Emperors and Eight Human Emperors, the entire human race in the Prehistoric Immortal Realm ~ almost all know.

The human race didn't know why Human Emperor Su Chen wanted to abolish the Eight Human Emperors, but what Human Emperor Su Chen said was right.

The eight human emperors of Huoyun Cave had made a significant contribution to the development of the human race.

However, since the eight human emperors retired to seclusion, the human race The eight human emperors never came to help the disasters they encountered, the natural and man-made disasters that the human race encountered.

Dozens of Huiyuan's compensation for the fate of the human race has paid off the contribution of the eight human emperors to the human race. If the eight human emperors consider the human race, they should return the luck of the human race.

In the Dashang Palace,

Su Daji was still confused at this moment.

Ever since Su Chen made such a big move, Su Daji couldn't even think about not being confused.

Su Chen is the Human Emperor?

Or the contemporary emperor?

Receive the luck of the human race?

Take back the human race's most precious treasure, the Kongtong Seal?

Turn against each other?

Offended the three great saints?

Now you want to abolish the Eight Great Human Emperors?

Su Daji already wanted to die.

Is that bastard going to heaven?

Su Chen suddenly offended the three great saints and wanted to depose the eight great human emperors. What is that bastard going to do?

Isn't the Great Tribulation of the Gods terrifying?

Su Daji rubbed her forehead and felt that it was going to be over. She and Su Chen would be destroyed by the disciples of the Sage, and the Sage would even kill her and Su Chen in anger.

The nine-headed chicken spirit asked with a pale face, "Sister, are we going to be doomed?"

Su Daji rubbed her forehead and replied,

"yes!"

The Jade Piba Spirit asked in panic,

"Sister, is my brother-in-law going crazy? The three great saints and my brother-in-law were offended at once. I guessed that my brother-in-law might die without a burial place."

The nine-headed chicken spirit said helplessly.

"We were also dead, but I didn't expect that my brother-in-law was actually the Human Emperor, or the contemporary Human Emperor."

Su Daji stood up and said with a serious face,

"Jiuzhi, Piba, you should leave Dashang Palace immediately, leave Dashang, your brother-in-law and I are dead this time, there is no need for you to stay and die with us."

The nine-headed chicken spirit shook his head and refused,

"Sister, I will not leave. If we die together, we will die together. Besides, my brother-in-law is good to us. He not only hid our evil spirit, but also gave us powerful spiritual treasures. I will not watch you and my brother-in-law being killed."

The Jade Piba Spirit also refused,

"Eldest sister, second sister is right, if we die together, we will not leave eldest sister and brother-in-law."

After Su Daji heard the words of Jiuzhi and Jade Piba, she knew that Jiuzhi and Piba would not abandon her and leave. The three sisters had practiced together since they had never transformed. The relationship between sisters for thousands of years, Su Daji couldn't drive Jiuzhi and Piba away.

She sighed and said,

"Alas, you stay, I hope that bastard has a plan, otherwise the three sisters will die together with that bastard."

The Jade Piba Spirit took Su Daji's hand and said,

"Eldest sister, my brother-in-law is the Human Emperor. I think he must have a way to resolve this crisis.

"Hope so!"

In Jinji Ridge,

Su Chen held up the Kongtong Seal, the most precious treasure of the human race, for a while, but the Kongtong Seal, the most precious treasure of the human race's destiny, had not moved yet, and the status of the Eight Human Emperors of the Fire Cloud Cave had not been abolished. Su

Chen was stunned for a moment.

Egg,

Nuwa?

Without the consent of Nuwa, the Virgin Mother of the human race, it is impossible for the human race's supreme treasure Kongtong Seal to dethrone the Eight Human Emperors.

Su Chen immediately looked at Nuwa at Jinji Ridge.

If Nuwa did not help him,

Su Chen would not be able to dethrone the Eighth Emperors. Your Majesty, he will also become the laughing stock of the prehistoric fairy world.

At this moment,

Nuwa looked at Su Chen helplessly. (To read Baoshuang novels, go to Feilu Novel Network!)

Take back the fate of the human race?

Take back the treasure of Kong, the fate of the human race. Dongyin?

Want to depose the Human Emperor?

Offend the three great saints?

This bastard Su Chen is really going against the will of heaven.

Nuwa never thought that Su Chen would be so bold. Su Chen can't offend even a Jiejiao or a Tongtian saint.

This bastard not only offends She offended Jiejiao, offended Saint Tongtian, and now she also offended Chanjiao and Renjiao, the three great saints. How could she save this bastard?

Nuwa saw Su Chen looking at her, and she knew why.

Destroying the Human Emperor?

Without the nod from her, the Holy Mother of the Human Race,

Su Chen could not depose the Eight Human Emperors of the Fire Cloud Cave even if Su Chen had the Kongtong Seal, the most precious treasure of the human race.

Whoosh!

Nuwa appeared next to Su Chen in an instant, and she glared at Su Chen After one glance,

Nuwa looked at Huoyundong and said sorry to Fuxi in her heart.

"I am the Saint Nuwa, the Holy Mother of the human race. The Human Emperor Su Chen used the human race's most precious Kongtong Seal to depose the eight human emperors of Huoyun Cave. This palace Nuwa allowed the Human Emperor Su Chen to depose the human emperor."

Boom boom boom.....

In the prehistoric fairy world,

Nuwa agreed to Su Chen's dethronement of the eight masters and queens, and violent vibrations erupted over the Fire Cloud Cave.

"No!"

"Nuwa, I am your brother Fuxi, why do you agree?"

"Damn it, my realm is about to fall to the quasi-sage realm"

"It's over, it's over, after dozens of Huiyuan's hard training, my level has actually dropped to that of Taiyi Golden Immortal."

"Human Emperor Su Chen deserves death!"

"Daluo Jinxian? My realm actually fell to Daluo Jinxian."

In the Fire Cloud Cave, after the Eight Human Emperors' Human Emperor status was deposed, their cultivation realms were falling rapidly. In just a quarter of an hour, the realms of the Three Emperors and Quasi-Sages all fell to the level of the Great Luo Jinxian and the Five Emperors Great Luo Jinxian. The realm of the Taiyi Golden Immortal fell to that of Taiyi Golden Immortal. After dozens of Huiyuan's hard training, not only did they fail to stabilize the realm promoted by the merits of heaven, but after the Human Emperor status was abolished, they all fell to a great realm.

Su Chen After hearing the roars of the eight human emperors in Huoyun Cave, he didn't care.

After the eight human emperors were deposed, they were just some powerful immortals.

They did not have the protection of human luck, and other powerful powers in the prehistoric immortal world could be killed at will. They.

Su Chen handed the Kongtong Seal to Nuwa and said,

"Nuwa, I give you the Kongtong Seal, the most precious human treasure. This is also your spiritual treasure."

After Nuwa took over the Kongtong Seal, she said to Yong Yuan Shen,

"Little bastard, you have offended the three saints, and it is impossible for me to protect you even if I want to."

Su Chen also said to Nuwa's soul,

"It's okay, you just need to deal with Tongtian later, Nuwa, I will take back Tongtian's Four Immortal-Zhu Swords and the formation diagram, and you will beat up that arrogant guy Tongtian hard later."

Nuwa was surprised when she heard Su Chen's words and asked, "What?" Can you still control the Four Swords of Zhu Xian?"

"Of course, otherwise why would I agree to your fight with Tongtian? If Tongtian has the Four Swords of Killing Immortals, you won't even mention the three opponents of Tongtian."

"Little bastard, are you looking down on me?"

"Ahem, I'm just a metaphor, I'm here, but don't take action against me"

"Hum mountain!".
