### Chapter 2381

Nuwa was speechless towards Su Chen, but how could this bastard control the Four Swords of Killing Immortals?

Nuwa thought that her Mountains and Rivers Sheji Map could be controlled by Su Chen. The Mountains and Rivers Sheji Map might be controlled by Su Chen because of her special connection with Su Chen.

What about the Four Swords of Zhuxian?

Su Chen couldn't possibly be related to Tong Tian.

Otherwise,

Su Chen couldn't be at odds with Tong Tian.

Why could Su Chen control Tong Tian's Four Immortal Swordsmen?

At this moment,

Su Chen has taken care of the Eight Great Queens.

He has not forgotten the culprit this time, Tongtian. Jiejiao's human luck is still returning, but Jiejiao still has some of Dashang's luck. It is impossible for Su Chen to put this... Forgot something.

Su Chen continued to announce with a serious face,

"As the human emperor of the human race, and as Lord Wuxiang of Dashang, I order that Dashang and Jiejiao terminate all ties."

"The human race stopped worshiping the immortals of Jie Jiao. Dashang's luck gold recovered the luck of Dashang everywhere. Jie Jiao's disciples immediately left Dashang's territory. Anyone who disobeyed the order would be killed without mercy!"

At this moment, when Tongtian heard Su Chen's great announcement, his face immediately changed.

Jiejiao's human luck was not much in the first place,

29 and now,

Jiejiao's human luck is returning to Su Chen's sea of luck. If the fate of Dashang is also cut off by Su Chen,

Jiejiao will really be in danger of destroying the religion. Jiejiao does not have the luck treasure to suppress the luck. If Jiejiao lacks the luck of the human race and the luck of Dashang,

Jiejiao will Where will you get your luck in the future?

Tongtian thought about these ugly faces and shouted,

"Human Emperor Su Chen, you are seeking death!"

Su Chen curled his lips and said disdainfully to Tongtian, "Tongtian, I said you would regret it if you touch me. This is just the beginning. It is destined to destroy the sect."

Tongtian shouted with an indifferent expression,

"Su Chen, I must kill you!"

Su Chen pointed to the sky and said with a smile, "Really? Do you dare to touch me when the prehistoric heaven is here?"

"Su Chen, the prehistoric heaven will retreat sooner or later, so be prepared to die soon!"

"Heaven retreats? As long as I am here, the Primordial Heaven will always appear in the Primordial Immortal World. Tongtian said with a mocking look on his face, "Little scumbag, you're not afraid of flashing your tongue when you talk big.""

Boom boom boom.....

At this time,

Dashang's Luck Golden Dragon appeared, and the hundreds of meters long Luck Golden Dragon flew out towards Gecheng City. The entire Dashang territory was shrouded in golden light for a while.

Within the territory of Dashang, all the statues dedicated to Lord Tongtian and all the statues dedicated to the Immortals of Jie Sect were reduced to ashes in the golden light.

The human race in Dashang Realm City all looked up at the Luck Gold that was hundreds of meters away. The humans in Dashhang all heard the words of the Human Emperor Su Chen, and they also knew that the golden dragon was the Luck Golden Dragon of Dashang.

Su Chen looked at the Golden Dragon of Luck collecting the luck of Dashang, but the Golden Dragon of Luck was just a Da Luo Jin Wonderland, and the Golden Dragon of Luck would not be able to collect the luck of Dashang within the realm for a while.

Su Chen thought about it and waved his hand and said, "Golden Luck Dragon, I will help you once, human luck, go!"

A golden human luck flew towards the golden dragon, and in an instant, the human luck was Fused with the Luck Golden Dragon, the Luck Golden Dragon's body grew rapidly.

One thousand meters, two meters, three thousand meters.....During the three-hour period, the Golden Dragon of Luck surged several thousand meters. The Golden Dragon of Luck of Daluo Jinxian is now also the Golden Dragon of Luck in the quasi-sage realm.

Ho ho ho.....

After the six thousand-long Golden Dragon of Luck took back Dashang's luck, the Golden Dragon of Luck roared for a while and then disappeared over Dashang's palace.

After Su Chen watched the Luck Golden Dragon disappear, he nodded and said,

"Not bad, half of the human luck can make the luck golden dragon advance to the quasi-sacred realm. Dashang's palace and capital are much safer."

Nuwa glared at Su Chen and cursed with an ugly face, (To read Baoshuang novels, go to Feilu Novel Network!)

"Little bastard, you are such a waste. The luck of the human race is very precious. You actually used the luck of the human race to improve the luck of Dashang Golden Dragon."

"Nuwa, the luck of the human race is of no use to me. By the way, all the luck of the human race is given to you."

Boom!

Su Chen suddenly shook open the sea of luck.

He transferred all the human luck he had just obtained to Nuwa's sea of luck. Su Chen didn't need luck to improve his cultivation level, and he didn't need it either. The luck of the human race comes to protect you.

Su Chen has the luck of the Xuantian Realm, which is incomparable to your luck of the human race.

Su Chen's Xuantian Realm controls several subordinate realms and thousands of small thousand worlds. The luck in any subordinate realm is much stronger than the luck of the human race.

At the foot of Jinji Ridge, several saints like Laozi and quasi-sages like Zhen Yuanzi saw that Su Chen had given all the luck of the human race to Nuwa. Madam, this made the corners of their mouths twitch hard.

In the ancient world of immortality, merit and luck are the most important thing. Who among the immortals in the ancient world doesn't want luck and merit? The Sage Sect almost fought for the luck of the human race.

, where is Su Chen?

He actually gave nearly 50% of the human race's luck to Nuwa. This is simply worse than a prodigal son.

"Su Chen, you?"

Nu Wa looked at the human race's luck pouring into her sea of luck.

She looked at Su Chen with surprise.

This was nearly 50% of the human race's luck.

Nuwa occupied 20% of the human race's luck.

Su Chen's After sending her nearly 50% of the luck of the human race, Nuwa now has nearly 70% of the luck of the human race.

"The luck of the human race is of no use to me, Nuwa, I will count on you to protect me from now on."

"little bastard!"

Nu Wa was originally 540 very moved, but after she heard Su Chen's words,

Nu Wa glared at Su Chen and didn't want to talk to this little bastard.

Swish swish swish.....

At this time, the eight human emperors appeared in the sky above Jinji Ridge, and they all stared at Su Chen angrily.

The Primeval Heavenly Dao has not retreated yet, and they cannot take action against Su Chen yet. As soon as the Primeval Heavenly Dao retreats, the Eight Human Emperors will kill Su Chen.

Fuxi said to Nuwa with an indifferent expression,

"Nuwa, we have nothing to do with each other from now on. Su Chen is dead. I hope you won't stop us for a while."

Su Chen curled his lips after hearing Fu Xi's words. The eight human emperors were preparing to kill him. If the Great Desolate Heavenly Dao retreated, these human emperors might take action.

Su Chen did not wait for Nuwa to speak, and he was disdainful. mocked,

"Fuxi, don't worry, if you want to kill me, Nuwa will not take action. You are all little scum, I can kill you with a wave of my hand."

Nu Wa's mouth twitched when she heard Su Chen's words.

Su Chen is just a scum of the Taiyi Golden Immortal.

Among the eight human emperors, there are three Great Luo Golden Immortals and five peak Taiyi Golden Immortals. Any one of them can destroy them. Su Chen, Su Chen's big words are as if the eight human emperors are ants.

"Su Chen, you are the most arrogant person I have ever seen. You are a scumbag. I will see how you destroy us in a moment."

Chapter 2382

Fuxi did not expect that Su Chen would say this.

A scumbag Taiyi Golden Immortal.

Among the many Human Emperors, any Human Emperor could kill Su Chen. Fuxi was very disdainful of Su Chen's arrogance.

However,

Fuxi was secretly happy when he heard that Su Chen did not need Nuwa's help.

Without Nuwa's protection,

Su Chen would have died even if he had ten lives.

Several other Human Emperors also looked at Su Chen with ridicule.

They came to kill Su Chen.

The Human Emperor's status was deposed and his cultivation level fell. They all hated Su Chen. With the knowledge deep into their bones, after the prehistoric Heavenly Dao retreated, they could kill Su Chen without any worries. boom!

"Su Chen, I will imprison your soul and make you suffer the pain of being cut into pieces day and night."

At this moment,

Tong Tian burst out with a powerful aura and roared angrily at Su Chen.

He did not expect that after Jie Jiao's human luck and Great Shang luck disappeared, the entire Jie Jiao was on the verge of collapse. Jie Jiao had no luck.

How to protect Jie Jiao's disciples in the future? How to prevent Jie Jiao's disciples from being disturbed by inner demons in their cultivation?

"laugh! Tongtian, do you have this ability?"

"Bastard, bastard!"

When Tongtian heard Su Chen's anger, he blew his beard and glared.

The ancient law of heaven will not retreat.

He has nothing to do with Su Chen now. This little scumbag, Tongtian has never been so angry.

"cut!"

Su Chen gestured to Tong Tian with a middle finger.

He is an arrogant man.

Now he knows that he is angry, but it is already late.

Su Chen will definitely destroy Jie Jiao.

I and Yuan Shi are also looking at Su Chen with angry faces at this moment.

I The human sect has only one human being left with luck, and this is because his innate treasure Tai Chi Tu has suppressed the luck. Without Tai Chi Tu to suppress the luck, the three human beings in Laozi's sect would have had their luck taken back by Su Chen.

Yuan Shi It's even worse than me.

His teachings only left half of the luck of the human race.

After dozens of Huiyuan came,

Yuanshi managed to get almost 20% of the luck of the human race, and now it's all in vain.

Laozi and Yuanshi didn't want to take action. Kill the Killing Emperor Su Chen. Su Chen will die without them killing him.

Tongtian and the Eight Human Emperors, these people all want to cut Su Chen into pieces. As long as I and Yuan Shi see Su Chen being killed, the fate of the human race will be ruined. They will still find a way to get it.

The Queen Mother and the Queen Mother of the West, the clones of Hou Tu, are all paying attention to the Nuwa Empress at the moment.

What is the relationship between Su Chen and the Nuwa Empress?

Why did the Nuwa Empress help Su Chen?

Why did Su Chen give it to her ? The fate of the human race of Nuwa Empress?

They are very confused about the relationship between Su Chen and Nuwa Empress, and they don't even care about the conflicts between Su Chen and the saints and human emperors.

The Queen Mother, Hou Tu, and Queen Mother Xi all have the same feeling , they all felt as if Nuwa was going to snatch Su Chen away, and even their souls were constantly reminding them.

At this moment, the Jinling Virgin Mother and the Yunxiao sisters no longer had any hope for Su Chen. The grudge between Su Chen and Tongtian could no longer be resolved. Jiejiao's luck was almost ruined by Su Chen. Their teacher could not let Su Chen go.

On a mountain in Jinjiling,

Taoist monk Ran Deng touched his beard and whispered,

"Human Emperor Su Chen, this really surprises me. The divine wind of Samadhi did not destroy Human Emperor Su Chen. Su Chen must have powerful and top-quality innate treasures in his hands, and he may even have a treasure. It is a pity."

Randeng did not expect that the person he met on Wuyi Mountain would be the Human Emperor.

Fortunately, he did not take action at that time, otherwise, the prehistoric heaven would definitely bring down thunder and disaster.

However, what the Human Emperor Su Chen did made him very frightened. , a scumbag Human Emperor actually offended three great saints at the same time. What is the difference between this and seeking death?

"Human Emperor Su Chen? Why does it feel so familiar to me?"

Not far behind Yuanshi Tianzun,

Taoist Cihang, the only female immortal among the Twelve Golden Immortals, looked at Su Chen in the air with a puzzled face.

Taoist Cihang found that the more she looked at Su Chen, the more she felt towards Su Chen. Familiar. (To read Baoshuang novels, go to Feilu Novel Network!)

They seemed to have known each other for a long time, and their relationship seemed to be very close.

Taoist Cihang had never met Su Chen, so how could she feel like this?

In the sky at Jinji Ridge, after Su Chen gathered the luck of the human race and passed it on to Nuwa, he wanted to find a way to deal with the saints in Jinji Ridge.

Nuwa could deal with Tongtian, but it was not easy for me and Yuanshi to deal with them.

She was too pretentious.

This How to end it?

Fuxi looked at Su Chen and shouted with hatred,

"Su Chen, the ancient Heavenly Dao will retreat soon. Just wait until you are torn into pieces by us!"

After Su Chen heard Fuxi's shout, he looked at Nuwa and shouted,

"Fuxi, can't you wait to die? Fuxi snorted coldly,"

Huh, you little scumbag can't kill me yet.""

"Kong Xuan, kill this old guy Fuxi."

Su Chen waved his hand to Kong Xuan from Jinjiling.

Kong Xuan and he are now like grasshoppers on the same rope. Now that this idiot has boarded his pirate ship, it will not be easy for him to get off. When

Kong Xuan heard Su Chen's face, he immediately It turned dark, what the hell, that stupid bird Xuanniao, are you trying to kill yourself?

Damn,

Kong Xuan thought that if he helped Su Chen kill Fuxi, not to mention whether Empress Nuwa would avenge Fuxi. When other saints saw that he and Su Chen were together, Kong Xuan would also be targeted by these saints and even be killed by these saints.

On Jinji Ridge, everyone looked at Su Kongxuan. They did not expect that Su Chen would kill him. There was also a quasi-sage helper, Kong Xuan, who was the son of Fengzu and a powerful quasi-sage.

Lu Ya left Kong Xuan's side instantly. He even wanted to leave Jinjiling immediately.

Lu Ya was scared.

This time it was Su Chen who asked Kong Xuan to take action.

What about now?

Will Su Chen let him take action too?

Su Chen saw Lu Ya looking like he wanted to leave, so he hurriedly shouted to Lu Ya,

"Lu Ya, hide your ass. You and Kong Xuan take action together. Don't let any of the eight human emperors go."

Lu Ya had constipation on his face when he heard Su Chen's words, what the hell!

This shameless bastard,

Kong Xuan, a quasi-sage, could kill the Eight Great Human Emperors, this bastard must have done it on purpose, he wanted to curse Su with a black face After a meal in the morning,

Lu Ya felt that Su Chen should have noticed that he was about to leave Jinjiling. Su Chen, the bastard, deliberately stopped him.

At this time, Kong Xuan appeared next to Lu Ya with a smile on his face, and he patted this fellow sufferer on the shoulder. road,

"Lu Ya, were you leaving just now?"

"Get lost, that bastard Su Chen is trying to kill us. If I don't leave, will I wait to die?".

Chapter 2383

Lu Ya slapped Kong Xuan's hand away with a dark face. He looked at Su Chen in the air and felt very helpless.

This shameless bastard, did Su Chen drag them together to die even if he wanted to die?

Kong Xuan used his soul to transmit a message to Lu Ya,

"Lu Ya, why don't we leave? Su Chen is seeking death. There is no need for us to die with this bastard."

Lu Ya's mouth twitched fiercely when he heard Kong Xuan's words.

Does he dare to leave now?

Lu Ya thought that if he dared to leave now, that bastard Su Chen would definitely expose his identity as the Chaos Demon God.

Damn, he But there was a clue in Su Chen's hands. Otherwise, how could Lu Ya agree with Su Chen to help Dashang.

Lu Ya looked at Kong Xuan and didn't want him to leave. If the fellow Taoist dies rather than the poor Taoist, then everyone will die together.

Lu Ya After thinking about it, he reminded Kong Xuan,

"Walk? Can you leave"Qiqiqi"? Believe it or not, if you dare to leave now, that bastard Su Chen will ask Nuwa to kill us.

Kong Xuan heard Lu Ya's words and asked hurriedly,"Let me tell you, what is the relationship between Empress Nuwa and Su Chen?"

Lu Ya pointed to the air and shouted to the propaganda message of Confucius,

"Are you blind? Didn't you see that Empress Nuwa just did it for Su Chen? Empress Nuwa doesn't even care about her brother Fuxi. If we dare to betray Su Chen and leave, Empress Nuwa will destroy us even if Su Chen doesn't tell her."

"What the hell!"

Kong Xuan looked at Su Chen and Nuwa Empress in confusion. He felt that he had discovered something great.

Kong Xuan felt that he was in a dilemma now. If he left, he would die.

If he didn't, he would be dead.

It's all Su Chen's fault. Silly bird, it's not good for Su Chen to offend anyone. How could he offend a saint, and what's more, he offended three powerful saints at once.

On Jinji Ridge, everyone looked at Kong Xuan and Lu Ya. I wanted to know if Kong Xuan and Lu Ya would take action against the Human Emperors.

After the Empress Nuwa looked at Kong Xuan and Lu Ya, she asked Su Chen doubtfully,

"Su Chen, what's going on with Lu Ya and Kong Xuan? Are they your friends?"

Su Chen shook his head and replied,

"No shit, just one idiot, oh no, two idiots. I got them through inducements and threats."

Empress Nuwa was even more speechless when she heard Su Chen's words.

A Taiyi Golden Immortal actually threatened two quasi-sages? Su Chen's unexpected approach made her not think about how on earth this little bastard threatened Kong Xuan and Lu Ya?

Su Chen looked at Kong Xuan and Lu Ya and shouted,

"You idiots, why don't you take action?"

Fuxi saw that Su Chen actually asked two quasi-sages to kill them. The eight human emperors panicked. If their cultivation level had not fallen, the eight human emperors would not be afraid of Kong Xuan and Lu Ya.

The eight human emperors were three before. There are quasi-sages and five Daluo Jinxian, but now their most powerful are the three Daluo Jinxian. They are no match for Kong Xuan and Lu Ya at all. The

Eight Great Human Emperors hurriedly asked Tongtian and Laozi Yuanshi for help,

"Saint save us!"

"Duobao, go and intercept Kong Xuan"

"Guangchengzi, go and intercept Lu Ya."

Tongtian and Yuanshi Tianzun said at the same time that they could not watch the eight human emperors being killed.

Although the eight human emperors were deposed from the human emperor status, the eight human emperors were puppets in the hands of their saints after all.

Duobao and Guang Chengzi quickly appeared next to Kong Xuan and Lu Ya.

However,

Duobao and Guang Chengzi were very frightened. Neither of them were the opponents of Kong Xuan and Lu Ya. If they fought later, not only would they be defeated by Kong Xuan After defeating Lu Ya, Duobao and Guangchengzi will be embarrassed in front of many powerful people. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen saw Duobao and Guangchengzi going to intercept Kong Xuan and Lu Ya , He was very disdainful in his heart.

Tongtian and Yuanshi were obviously using their power to suppress others. Can Duobao and Guangchengzi be the opponents of Kong Xuan and Lu Ya? If Duobao and Guangchengzi were not disciples of the saint, how could they face each other? Both Kong Xuan and Lu would feel weak if they pressed their legs.

Su Chen looked at Tong Tian and Yuan Shi and mocked,

"Tongtian, Yuanshi, are you asking your disciples to die?"

"I don't need to tell you how powerful Kong Xuan and Lu Ya's cultivation realm is. You asked the rubbish Duobao and Guang Chengzi to intercept Kong Xuan and Lu Ya. You saints are really too thoughtful."

"You are so obviously threatening Kong Xuan and Lu Ya as saints. You are all shameless and hypocritical people."

When Yuan Shi heard Su Chen insulting their saint, he shouted angrily,

"Damn it, Su Chen, insulting a saint is a capital offense."

Su Chen scolded disdainfully, "I blame you for scolding me, Yuanshi, do you believe it or not? I will let the law of heaven expel you from the ancient immortal world. You will never want to enter the ancient immortal world again in your life....."

Yuanshi Tianzun was so angry that he trembled and pointed at Su Chen and shouted,

"you.....you.....you wanna die! Su

Chen raised his middle finger and mocked, "Tsk, Yuanshi, Tongtian just said that I am seeking death, can't you say something new?" Tongtian shouted with a livid face,

"Su Chen, I don't believe you can let the ancient law of heaven expel us from the ancient world of immortality."

Su Chen nodded and said with a smile, "That's right, I don't believe it either. However, what if the creatures in the prehistoric immortal world are willing to let the prehistoric heavenly way expel you saints? Tongtian snorted and mocked, "Hmph, do you think all the creatures in the ancient immortal world are you?" Do you think the creatures in the ancient immortal world dare to agree to expel us?"

Su Chen touched his chin and said with a smile after thinking about it,

"Tongtian, you are still so arrogant and arrogant."

"Haotian, do you want to expel the saint from the prehistoric immortal world? As long as you join forces with me, I will have a 70% chance of being able to drive the saints away from the ancient world."

"If all the quasi-sages here support us, I have a 90% chance of expelling the saints from the prehistoric fairyland."

The emperor Haotian's expression changed when he heard Su Chen's words. He didn't expect that Su Chen would involve him.

How would he answer?

The emperor Haotian was very moved by Su Chen's proposal, but would he dare to agree?

Wan Wan If he fails,

Haotian's position as Emperor of Heaven will no longer be occupied, and he may even be killed by the saint in anger. The faces of the quasi-saints here in Jinji Ridge also changed, and they all looked towards Su Chen,

Su Chen's words made them all very excited.

There are saints in the prehistoric fairyland.

These quasi-sages will never succeed.

They will always live in the shadow of the saints. Even these veteran quasi-sages The saints did not even dare to offend the disciples of the saints. They lived very useless lives in the ancient world of immortality.

After I heard what Su Chen said, his expression changed.

I hurriedly shouted to Su Chen,

"Su Chen, stop talking here and misleading the public."

"You have offended our saints today and offended the human emperors of Huoyun Cave. This has nothing to do with the many great powers in the prehistoric world. Do you want to make the quasi-sages of the prehistoric immortal world our enemies?"

Chapter 2384

I didn't expect Su Chen to be so insidious.

Su Chen first bewitched Emperor Haotian and then many quasi-sage powers. If Emperor Haotian and many powers were bewitched by Su Chen, it would be very detrimental to saints like them.

If the ancient law of heaven responds to Su Chen, the Emperor Haotian, the many quasi-sage powers, and the creatures of the ancient immortal world, these saints may be expelled.

If the saints are expelled to Chaos and can no longer appear in the ancient immortal world, they saints will lose everything, and even the sects they left in the ancient immortal world will exist in name only.

I looked at Su Chen with a chill in my eyes.

This Human Emperor cannot stay. Living as Human Emperor Su Chen is a huge threat to their saints.

When Su Chen heard Lao Tzu's words, he understood that I had discovered his intentions. He was an old cunt.

Among these saints, Su Chen looked down on Lao Tzu very much. He enlisted Yuan Shi to fight against Tong Tian, and even united with two bald donkeys from the West. We besieged Tongtian together. Is this for Yuanshi?

That fool Yuan Shi was played around by me. After the largest sect in the world was intercepted and exterminated, will Yuan Shi be better off? Can I not see what Randen Taoist is doing in private?

Su Chen thought about it and mocked me,

"Lao Tzu, I want to win over the quasi-sage here to fight against the saint? Do you think this is possible? You saints can kill all of us here at will. We are united. Is this useful?"

"Laozi, your way of doing nothing is not inaction. I understand all your calculations. Don't think that no one knows about your secret calculations about Tongtian and Yuanshi."

"Among the saints, they all say that Saint Zhunti is shameless and shameless, but you are ten thousand times more sinister than Zhunti."

"After all, Zhunti is acting as a villain, but you have plotted against your own brothers, and even took away the origins of Tongtian and Yuanshi. In terms of shamelessness, shamelessness, and insidiousness, you are better than Hong.....Ahem, you are thousands of times stronger than any saint.."

On Jinji Ridge, everyone looked at Su Chen in stunned silence.

They didn't know whether what Su Chen said was true, but based on Su Chen's comments and insults about the saints, the quasi-sages and Daluo Golden Immortals here were They are all very impressed.

However, the people here felt that it was impossible for Su Chen to survive.

Once the ancient ways of heaven retreated, the saints here would crush Su Chen to ashes.

Zhunti looked at Su Chen with a confused look on his face.

He and his senior brother had been watching the excitement since they arrived, and they didn't say a word when he arrived.

This little scumbag, this bastard actually said that he had no face or skin? shameless?

Do villains do things openly?

This damn little scumbag,

Zhunti was very angry when he heard Su Chen comparing him to me. Is there anyone like him who compares him to a saint? Zhunti wanted to kill this scum immediately.

Nuwa looked at Su Chen in confusion.

This little bastard was really seeking death.

Su Chen actually involved Zhunti. Aren't the three saints not enough for this little bastard?

Zhunti is implicated,

Jieyin will also stand up for Zhunti.

There are seven saints in the prehistoric fairy world.

In addition to Hongjun, who is in harmony, and her, this little bastard is going to offend the remaining five saints. ?

"Lao Tzu, is what Su Chen said true?"

"Brother, is what Su Chen said true?"

Tongtian and Yuanshi both looked at me with serious faces. They didn't believe what Su Chen said, but they couldn't help but believe that they were plotted by me?

I even took away their origins?

Tongtian and Yuanshi looked at me and wanted to know this Is it true?

I replied with a gloomy face, (To read Baoshuang novels, go to Feilu Novel Network!)

"It's not true. Don't believe what Su Chen says. Su Chen is sowing discord."

Su Chen laughed when he heard Laozi denying it, and said,

"Ha ha....., Lao Tzu, I despise you very much now. You are still a saint of heaven after all, but now you dare to do something that you don't deserve. The prehistoric heaven wants you to be a saint. You are simply blind."

"Oh no, you shouldn't have Pangu Yuanshen at all, you have completely lost Pangu's face."

After I heard what Su Chen said, he blew his beard angrily, shouted and threatened,

"Damn you, Su Chen, after the ancient world of heaven retreats, I will crush you to ashes."

"cut!"

After Su Chen gave me a middle finger gesture, he looked at Tongtian and Yuanshi and said with a smile, "Tongtian, Yuanshi, do you want to know how I plotted against you? Do you want to know if I have robbed you of your origin? Yuan

Shi asked with an indifferent expression.

"you know?"

Su Chen nodded and replied, "Of course, I know some secret things in the ancient immortal world. Tongtian looked at Su Chen and shouted angrily, "Huh, what if you deceive us?"

Su Chen glanced at Tong Tian with disdain.

This arrogant man, if Su Chen didn't get rid of me first, I would have saved him from ruining his big business. He couldn't possibly reveal those secrets now.

Damn,

I'm like this. The second time was to protect Tongtian from disaster.

Su Chen curled his lips and said,

"Don't worry, although we have a hostile relationship, I will not be as despicable, cunning and cunning as I am. You can check the evidence of the secrets I tell you. Yuan

Shi stared at Su Chen and asked,

"What are your conditions?"

Su Chen pointed at the eight human emperors and said with a smile, "Kill the eight human emperors, and I will tell you what you want to know."

"escape!"

Swish swish swish.....

After the eight human emperors heard Su Chen's words,

Fuxi yelled at the other human emperors and disappeared quickly, and the other human emperors also disappeared in an instant.

Su Chen obviously wanted to kill someone with a borrowed knife. If the saints no longer protect the (promised) emperor like them, they will be dead if they stay here.

Su Chen touched his chin and mocked,

"Escape is quite fast, but can you escape from the saints?"

"Su Chen....."

Nuwa looked at Su Chen and wanted Su Chen to let Fu Xi go.

After all, Fu Xi was her brother.

Nu Wa had previously destroyed Fu Xi's Human Emperor Fruit for Su Chen. Su Chen wanted to kill Fu Xi this time, and she wanted Su Chen to do so. Can spare Fuxi's life.

Su Chen waved his hand to interrupt Nuwa and said,

"Nuwa, Fuxi is no longer your brother. Fuxi from the demon clan is dead. Now Fuxi is just a selfish human clan. Don't save Fuxi."

"I....."

"Nuwa, listen to me, you should also understand in your heart that Fuxi was reincarnated as a human race, and Fuxi's soul should be incomplete. This Fuxi is like a clone of the demon race Fuxi, or even two different people. Fuxi is no longer the same person. your brother"

Chapter 2385

Su Chen didn't give Nuwa a chance to speak.

Is Fuxi worth saving?

It's not worth it at all.

During the lich period,

Fuxi helped the demon tribe massacre the human race.

Even the witch-slaying sword might have been made by Fuxi with the help of Emperor Jun.

Fuxi is proficient in divination and calculation, and uses human blood essence and blood to refine the witch-slaying sword. Only Fuxi in the entire demon clan heaven can deduce that the first catastrophe of the human race should also be caused by Fuxi.

Nuwa fell silent after hearing Su Chen's words.

Su Chen might have said something right, but the Human Emperor Fuxi was her brother after all. Could she watch Fuxi be killed?

Su Chen saw that Nu Wa still didn't listen to his words.

Su Chen hurriedly grabbed Nu Wa and said,

"Nuwa, don't save Fuxi, he is not worth it, just think that Fuxi fell during the Lich War."

Nu Wa was suddenly pulled by Su Chen.

She frowned and shouted coldly to Su Chen,

"Let me go!"

"Don't let go!"

Su Chen held on to Nuwa tightly and did not let go.

Nuwa is his woman, and it is only natural for him to hold on to Nuwa.

If it weren't for the large number of people here at Jinji Ridge, Su Chen would have hugged Nuwa right now. Wa's soft waist

"Shameless!"

Nu Wa glared at Su Chen and felt very helpless.

However,

Nu Wa felt very familiar being pulled by Su Chen. They seemed to have been pulled like this countless times. Nu Wa felt more familiar with Su Chen and did not even reject Su Chen. Chen pulled her like this.

On the Golden Rooster Ridge, all the Quasi-Saint Powers and Da Luo Jinxian looked confused.

What did they see?

Human Emperor Su Chen actually grabbed Nuwa Empress?

Oh my god,

Human Emperor Su Chen Is Chen going to defy heaven?

A scumbag human race actually has such a relationship with Empress Nuwa. They all feel so crazy. The

Queen Mother, the Queen Mother of the West, Hou Tu, the Golden Spirit Mother, and these sisters, as well as Ci Hangdao People, when they saw Su Chen pulling Nuwa, their faces were very ugly.

There was no reason, no reason, they felt unhappy when they saw Su Chen pulling Nuwa, and they even wanted to go up. Su Chen and Nuwa Empress separated.

Kong Xuan and Lu Ya looked at Su Chen in confusion.

Su Chen and Nuwa Empress were actually Taoist couples?

This is a big joke.

One is a scumbag of the human race, and the other is a scumbag. The supreme saint of heaven, this is impossible no matter how you look at it.

Kong Xuan asked Lu Ya beside him, "I, Lu Ya, can you guess this?"

"I had a bad guess."

Lu Ya shouted to Kong Xuan angrily.

He now understood, why did Su Chen have the red hydrangea of Nuwa Empress, a Taoist companion?

Damn it, that scumbag Su Chen actually captured a heavenly saint? How could he? It's so crazy. At this moment,

Yuanshi Tianzun, Tongtian, Laozi, Zhunti, and Jieyin, the saints, also had incredible expressions.

The relationship between Su Chen and Nuwa surprised them.

They saints didn't The saints like them couldn't understand the thought that Nuwa would be moved by love, or even be with a scumbag human race. How could a high-ranking saint of heaven be as emotional as a mortal? (Read Baoshuang novels, just read it. Go to Feilu Novel Network!)

In the air,

Su Chen pulled Nuwa and looked at Tongtian and Yuanshi and shouted,

"Tongtian, Yuanshi, don't you agree? You only have one chance. If you miss this opportunity, even if you kneel down and salute me in the future, I will not tell you these secrets."

After Yuanshi and Tongtian heard Su Chen's words, they looked at each other and nodded.

Yuanshi Tianzun shouted to Su Chen,

"We agree, but you have to tell us first, has Lao Tzu really taken away our origin?"

Su Chen curled his lips and said,

"Yes, but I can only give you a hint first. After you kill the Eight Great Human Emperors, I will tell you everything."

"Yes, you say!"

Su Chen looked at me with a sullen face.

He thought that if some of my secrets were exposed, Tongtian and Yuanshi would fight me.

Su Chen shook his head and thought about it first.

He said to Yuanshi Tianzun,

"I have a secret technique that can transform three pure beings into one qi. This is a secret technique obtained by taking away your origin. Transforming three pure qings into one qi, I can transform you and Tongtian's clones at the same time. This is not three corpses, but a clone of you. are exactly the same existence.

Yuan Shi asked with a surprised look on his face, "What?" Are you telling the truth?"

Su Chen nodded and replied,

"Of course, if you don't believe it, you can ask me to swear an oath of heaven to see if he dares.

Tongtian asked me with a serious face, "I, is what Su Chen said true?"

I am very shocked at this moment. How can Su Chen know this secret technique of transforming into three pure beings with one breath ? In the entire prehistoric fairy world, Hongjun cannot possibly know the existence of transforming into three pure beings with one breath. How could a

scum of the human race know this ? The scumbag of the human race is definitely not an ordinary person. I guessed that Su Chen might be a Chaos Demon God. Otherwise, Su Chen wouldn't know his secret. Yuan Shi saw that I didn't answer Tongtian's gloomy face, and he asked with an indifferent expression,"I , is what Su Chen said true?" I replied with an ugly face,

"Yes, I have a secret technique of transforming three pure things into one qi, but I did not take away your origin. Transforming three pure things into one qi is a secret technique created by me, not a secret technique obtained from some source."

Su Chen mocked me disdainfully,

"I, your face is much thicker and more shameless than that of Saint Zhunti. Even now, you still don't acknowledge the secret technique you created? Ha ha....., "

"Laozi, if you give this secret technique to Tongtian and Yuanshi, do you think they can successfully practice it? Without the origins of the three pure beings blending together, transforming the three pure states into one qi can be achieved simply through cultivation."

I yelled at Su Chen angrily,"You bastard, Su Chen, I will definitely kill you.""

I know I can't hide it anymore.

This bastard, he may face the anger of Tongtian and Yuanshi soon, and even Yuanshi and Tongtian will attack him together.

Su Chen laughed when he saw my angry look,

"Kill me? You'd better think about how to face Tongtian and Yuanshi's revenge on you."

"Bastard, damn it, Su Chen, I will definitely make your death very ugly when the ancient world retreats."

"cut!"

After Su Chen mocked me with disdain, he looked at the angry Yuanshen and Tongtiandao, "Tongtian, Yuanshi, it's your turn to kill the eight human emperors."

"Guangchengzi led his disciples to kill the Eight Great Human Emperors"

"Duobao, led the Jie Jiao disciples to kill the Eight Great Human Emperors."

Yuanshi and Tongtian ordered their disciples at the same time,

"is teacher!"

"Yes, the teacher's knife!".

Chapter 2386

Su Chen curled his lips when he heard what Tong Tian and Yuan Shi said.

Do you need to dispatch all the disciples to hunt down the Eight Great Human Emperors? Just dispatching one or two quasi-sages can destroy the eight human emperors. Su Chen felt that both Tongtian and Yuanshi were pretending. There was an arrogant and arrogant Tongtian, a good-looking pretentious offender Yuanshi, and an insidious and despicable Lao Tzu. After Pangu Yuanshen was divided, the three of them were not good people.. The insidious Lao Tzu, the arrogant Yuan Shi, and the arrogant Tong Tian. Damn it, Pangu's Three Pure Ones might as well be called Pangu's Three Evils. At this moment, some powerful disciples of Chan Jiao and Jie Jiao were dispatched one after another, and they quickly chased in the direction where the eight human emperors fled. At Jinji Ridge, everyone around fell silent. Tongtian and Yuanshi glared at me angrily, and I stared at Su Chen with a gloomy look. Zhunti and Jieyin were talking to Yuanshen, and many quasi-sages and Daluo Jinxian around them looked at them one after another. Sanqing, they all want to know if there will be internal strife in Sanqing. The Queen Mother and the Queen Mother looked thoughtful. They looked at Su Chen from time to time, but when they saw Su Chen holding the Nuwa Queen, their faces turned cold. When Su Chen saw that all the powerful people around him were silent, he decided to find something else to do. Su Chen looked at Kong Xuan and Lu Ya below and shouted,

"Kong Xuan, Lu Ya, you guys didn't take any action just now. I'll keep the accounts for you first this time. If there is a next time, you all wash your necks and prepare to die."

Kong Xuan and Lu Ya's faces turned dark when they heard Su Chen.

Is it his fault?

Is this because they are unwilling to take action?

Su Chen did everything just now.

They were stunned when they saw it.

Kong Xuan and Lu Ya were still Before they had time to take action, Tongtian and Yuanshi ordered their disciples to take action against the Eight Human Emperors.

They even went to join in the fun.

Kong Xuan and Lu Ya ignored Su Chen. Su Chen had Nuwa Empress as his backer, and they could not afford to offend him. That little scumbag.

Su Chen suddenly found Ran Deng on a mountain, he showed a sly smile and shouted,

"Ran Deng, give me back my Ling Bao."

Ran Deng was immediately confused when he heard Su Chen's words,

Ling Bao?

When did he take Su Chen's Ling Bao?

"Human Emperor Su Chen, I didn't take your spiritual treasure! Are you mistaken.

Su Chen curled his lips and asked,"No?" Ran Deng, think about it again, on Wuyi Mountain, did you really not take my spiritual treasure?"

"I really....."

"Ran Deng, you have to think carefully. If you don't return my spiritual treasure, I will announce some of your little actions."

Su Chen reminded Ran Deng without waiting for Ran Deng to deny it again.

Ran Deng should be preparing to betray Chanjiao and has even contacted several people in the Twelve Golds. If Ran Deng is guilty, he will definitely take out a spiritual treasure as a gift. To himself.

Ran Deng's face changed when he heard Su Chen's words. He didn't know whether Su Chen really knew what he was going to do, or whether Su Chen was deliberately trying to blow him up.

However,

Ran Deng didn't dare to bet.

If he did it, If Su Chen exposes him, the Yuanshi Sage will crush him to ashes.

All the powerful people in Jinjiling look at Ran Deng, and they all guess that Su Chen is blackmailing Ran Deng.

Su Chen is a little scumbag, he will have Powerful spiritual treasures?

If Empress Nuwa gave Su Chen some spiritual treasures, would Ran Deng dare to snatch those spiritual treasures when he saw them?

Yuan Shi looked at Ran Deng at this moment and guessed in his mind, Su Chen said some of Ran Deng's little actions, this What kind of little trick is it? Could it have something to do with his teaching?

Su Chen looked at the confused Ran Deng and threatened, "Randeng, I count to three. If you don't return my spiritual treasure, you should know that there will be What consequences."

Randeng hurriedly took out five or six spiritual treasures and said to Su Chen,

"I return the spiritual treasure, Human Emperor, look at which of these is your spiritual treasure, I can't remember clearly."

Su Chen's face turned dark when he looked at the Lingbao that Ran Deng took out.

Damn, are some acquired Lingbao just a waste of time? Su Chen thought of Ran Deng's innate Lingbao coffin lamp. Feilu Novel Network!)

He seemed to have blackmailed Ran Deng's coffin lamp during his journey to the west, and the coffin lamp was also given to the Third Holy Mother Yang Chan.

Nuwa looked at some rubbish spiritual treasures in Ran Deng's hand, and she frowned at Su Chen asked,

"Su Chen, your spiritual treasure was robbed by Ran Deng?"

Su Chen said to Nuwa Yuanshen,

"No, I want to blackmail Ran Deng's Ling Bao, and Ran Deng has the handle."

Nu Wa was speechless when she heard Su Chen's words. She thought that Su Chen's spiritual treasure knew that Ran Deng had robbed it.

This little bastard, is Su Chen going to offend everyone in Jinji Ridge?

Su Chen, please touch it. He reminded Ran Deng, "Randeng, my spiritual treasure is a lamp, you should understand what it is."

After the powerful people on Jinji Ridge heard what Su Chen said, their faces all turned dark.

Blackmail, this is naked blackmail, a lamp?

The powerful people in the prehistoric fairy world all know that Ran Deng has the spiritual treasure of a lamp. , and the accompanying spiritual treasure of Ran Deng is the coffin lamp. Su Chen is blatantly blackmailing.

Empress Nuwa glanced at Su Chen speechlessly.

She felt that it was a bit embarrassing to stay with Su Chen. Such obvious blackmail, this Only this little bastard would do this. Nuwa felt that Su Chen was more accurate than Zhunti.

At this moment,

Ran Deng's face was so dark that he wanted to refuse Su Chen, a lamp?

Ran Deng did not expect that Su Chen would hit his coffin lamp. Attention, damn,

Ran Deng regretted meeting Su Chen.

He had not robbed Su Chen's Ling Bao before. Ran Deng was threatened by Su Chen and asked him to hand over the companion Ling Bao. He only had such an innate Ling Bao in his hand. , this is not about his pet peeve

"one!"

When Su Chen saw Ran Deng's hesitation, he smiled and started counting.

"two!"

Randeng shouted hurriedly with a bitter look on his face,

"The Human Emperor, I hand it over, I (Zhao Wang Zhao) hand it over, I have a coffin lamp in my hand, this may be the Human Emperor's spiritual treasure."

Randeng took out his coffin lamp and reluctantly said it in front of Su Chen.

The accompanying spiritual treasure is gone.

He shouldn't come to see the fun today.

Human Emperor Su Chen, he will take back the coffin lamp in the future.

Su When Chen received the coffin lamp, he looked at Lu.

It was a high-grade innate spiritual treasure.

It was not bad.

Su Chen also avenged Ran Deng's previous attack on him.

Su Chen handed the coffin lamp to Nuwa beside him. Nuwa With the lotus lantern in his hand, and this coffin lantern, he already has two of the three magic lamps in the ancient world of immortality.

If Su Chen gets my hands on the eight-treasure glazed lamp, he will have three magic lamps together.

"Haotian, how are you thinking? As long as the saints are expelled from the ancient world by the law of heaven, you control the sky and I control the earth. We can divide and rule the ancient world like the demon clan and the witch clan."

Chapter 2387

When Su Chen saw the Emperor Haotian, he planned to bewitch the Emperor Haotian again and expel the saint?

Su Chen just wanted to try this idea. It didn't matter whether he succeeded or not, but as long as he could make those saints worry and fear for a while, Su Chen would be very happy.

He had offended all the saints in the ancient immortal world, and Su Chen didn't care if he continued to offend them.

Su Chen looked at Emperor Haotian and asked with a smile,

"Haotian, how are you thinking? As long as the saints are expelled from the prehistoric world by the prehistoric heaven, you control the sky and I control the earth, we can divide and rule the prehistoric immortal world like the demon clan and the witch clan."

The Heavenly Emperor Haotian looked at Su Chen in confusion. He did not expect that Su Chen was still thinking about this matter.

Expelling the saint?

Does he control the sky?

Su Chen controls the land?

This little scum really dares to think that the Heavenly Emperor Haotian will not be Crazy like Su Chen, he had only become the Emperor of Heaven not long ago. Before Emperor Haotian wanted to sit on the throne of the Emperor of Heaven, he was driven down by the saints.

Emperor Haotian looked at Su Chen and said with a serious face,

"Human Emperor, I will not agree to this. The saints are saints from the ancient immortal world. You have no right to let heaven expel the saints."

Su Chen heard the refusal of Emperor Haotian. 503

He had expected that Emperor Haotian would not dare to agree. A little boy had just ascended the throne. Haotian should have cherished the throne of Emperor of Heaven that he finally got.

Su Chen left it. He curled his lips and said mockingly,

"Coward, Haotian, you are not worthy of sitting on the throne of the Great Emperor of Heaven. You will not be the Emperor of Heaven for long. Do you believe it or not?"

"you....."

Su Chen did not wait for Emperor Haotian to refute, he continued to mock Haotian,

"Humph, you bastard, think about the Demon Clan Emperor Jun, and then look at you. Demon Clan Emperor Jun was so majestic when he was the Celestial Emperor. With one order, he ordered billions, or even hundreds of demon clansmen to fight for the Celestial Emperor."

"And you? You are timid and timid. With how cowardly you are, you will be damned if you can be the Emperor of Heaven for a long time.?"

"Haotian, even if you can be the emperor of heaven for a while, think about it, what can you do if the saints are pressing on your head?"

"Do you dare to disobey an order from the saints? Thinking about what happened at the Peach Festival not long ago, don't you understand that you are nothing in the eyes of the saint?"

Many powerful people on Jinji Ridge looked at Su Chen speechlessly (cjfe). They found that Su Chen was too able to sue and cause trouble. Su Chen first offended the leader of Tongtian, then offended Laozi and the Yuanshi saint, and then he was deposed. The eight human emperors of the human race.

They also indirectly offended Saint Zhunti, extorted Taoist Ran Deng's spiritual treasures, and now they are bewitching Emperor Haotian to expel the saint. Is this something that a scumbag can do?

Many quasi-sage masters It can be guessed that before the prehistoric Heavenly Dao retreated, they felt that Su Chen would not stop causing trouble.

However,

Su Chen's ridicule of the Emperor Haotian was justified. The difference between the handsomeness of the Emperor Haotian and the Demon Emperor was too big, so they also He felt that Emperor Haotian was not worthy of being Emperor of Heaven, and even Emperor Haotian could not be Emperor of Heaven for long.

Saints like Lao Tzu and Yuan Shi looked at Emperor Haotian with disdain.

Su Chen wanted to seduce Emperor Haotian?

This was simply impossible to succeed. They were previously worried that Emperor Haotian would hesitate or agree, but it seemed that Emperor Haotian was still the timid little boy.

At this moment,

Emperor Haotian had a gloomy face and lowered his head.

What Su Chen said was hard for him to accept, but he What can be done? The saints are powerful. They are the ceiling of the ancient fairy world. Does Haotian dare to resist the saints? How could he forget what happened at the Peach Festival ? For that humiliation, Emperor Haotian sued After going to Zixiao Palace, he had the title of Conferring Gods and Measuring Tribulation. For this matter, Emperor Haotian had already offended all the saints. He had to be careful in everything he did now. Su Chen looked at Emperor Haotian with disdain. He said to the Queen Mother He waved and shouted,

"Queen Mother, come up!"

Swish, swish, swish.....

All the saints and powerful men looked at the Queen Mother quickly. (To read Baoshuang novels, go to Feilu Novel Network!)

They did not expect that Su Chen failed to seduce the Emperor Haotian, and Su Chen actually attacked the Queen Mother again.

What is this little scumbag planning to do?

The Queen Mother looked at Su Chen in the air with a livid face. She clenched her fist tightly and wanted to beat that little bastard.

What is this little bastard doing?

Let her go up?

Who is she from Su Chen?

A little scumbag is still the god general of her Yaochi Immortal Palace.

Su Chen is now like her superior. Will the Queen Mother be waved around by this little bastard?

"Queen Mother, you are really troublesome!"

Su Chen suddenly appeared from the air next to the Queen Mother. He pulled the Queen Mother and returned to the air instantly.

The Queen Mother was stunned when Su Chen took her into the air.

She didn't expect that Su Chen would pull her and appear in the air, and she hadn't even The Queen Mother thought she was going crazy. How could she let Su Chen pull her and appear in the air?

The Queen Mother stared at Su Chen and shouted,

"let me go!"

Su Chen grabbed the Queen Mother's smooth and delicate little hand and said,

"Don't make trouble, the powerful people below are watching, please give me some face."

The reason why Su Chen dared to pull the Queen Mother was because he noticed early in the morning the expressions of the Queen Mother, Queen Mother of the West, Hou Tu, Holy Mother of Jin Ling and Yunxiao. Especially when he held the hand of the Queen Mother, the expressions of those women It looked ugly.

Su Chen was almost so scared that he let go of Nuwa's hand.

He also saw from the expressions of the women that these women should be the same as Nuwa. They should feel very familiar with him, and even see If you drag other women with you, you will get angry

"You bastard!"

The Queen Mother was helpless towards Su Chen. She didn't know whether she should let go of Su Chen's hand now.

However, the Queen Mother was held by Su Chen's hand like this, and she was so close to Su Chen, which made her feel very Feeling at ease, and feeling very happy in her heart. The Queen Mother was very puzzled by the familiar yet unfamiliar feeling. On Jinji Ridge, Kong Xuan and Lu Ya looked confused again at this moment. They had been confused and confused today. Confused, the number of times they were confused today is worth their millions of years of confusion. Kong Xuan rubbed his eyes and shouted,

"My God, Lu Ya, am I right? Su Chen actually held the Nuwa Empress with one hand and the Queen Mother with the other. That scumbag was really outrageous."

"Kong Xuan, you read that right, what the hell, Su Chen is not only going against the will of heaven, that scumbag is going to break the heavens."

Chapter 2388

Lu Ya couldn't calm down for a long time. What happened today was beyond his imagination.

Su Chen?

Chaos Demon God?

Except for the Demon God of Desire among the Chaos Demon Gods, none of the other Demon Gods seem to be interested in women.

Could it be that Su Chen is the demon of desire?

Kong Xuan said with an ugly face,

"Lu Ya, I don't think we can escape from Su Chen's clutches in the future. We can't resist even the Nuwa Empress. That bastard Su Chen is still closely related to the Queen Mother. What the hell, we will be eaten to death by that bastard in the future. of."

Lu Ya shook his head when he heard Kong Xuan's words.

He thought that if Su Chen was the reincarnation of the Demon God of Desire, the spiritual treasure would not have been destroyed by Pangu, and Kong Xuan was a quasi-sage. It would be easy for Su Chen to kill Kong Xuan..

Lu Ya patted Kong Xuan's shoulder and reminded,

"Kong Xuan, you are thinking too much. Even if Su Chen does not have the protection of Nuwa Empress" Ling Qisan" and the Queen Mother, it will be easy for him to deal with you. I remind you once, don't disobey Su Chen again, otherwise you will die very soon. awful."

Kong Xuan was surprised when he heard Lu Ya's words,

"Lu Ya, are you telling the truth?"

"real!"

Lu Ya nodded and replied.

If Lu Ya's spiritual treasure had not been destroyed by Pangu, he would not have been able to seize Emperor Jun's son.

Without a powerful spiritual treasure,

Lu Ya would have no ability to protect himself in the prehistoric fairy world. If the saint discovered that he was the Chaos Demon God, Lu Ya would be dead even if he had ten lives. It would take a long time for the Chaos Demon God to fully recover. Lu Ya did not want to be killed by the prehistoric saint before he fully recovered. He took the She Dijun's son also had no choice but to do so. Kong Xuan looked at Su Chen in the air and yelled,

"Is this him? Has Su Chen been pretending to be a pig and eating the tiger? Damn it, that idiot is so insidious."

Every one of the powerful officials on the Golden Rooster Ridge were dumbfounded. Su Chen was holding Nuwa Empress with one hand and the Queen Mother with the other.

What is going on?

Could it be that the Queen Mother of Heaven is also related to Su Chen?

Where is the Emperor of Heaven, Haotian?

Is Emperor Haotian being cuckolded?

At this moment,

Emperor Haotian's face was very ugly.

He did not expect that after rejecting Su Chen,

Su Chen would attack the Queen Mother.

Damn scum,

Haotian has not yet managed to win over the queen. The Queen Mother's hand, he never thought that Su Chen would hold the Queen Mother's hand.

Haotian looked at Su Chen angrily, he wanted to kill Su Chen, he must kill Su Chen.

Empress Nuwa was cold at the moment She was embarrassed.

If it weren't for the fact that there were so many powerful people here and this little bastard had done such earth-shattering things, Nuwa would have beaten this bastard Su Chen hard right now.

Nuwa asked Su Chen coldly,

"Su Chen, what are you going to do?"

Su Chen looked at Nuwa in embarrassment.

He knew that Nuwa might be angry, but he needed the help of the Queen Mother to accomplish his task. The prehistoric way of heaven is about to retreat.

If the prehistoric way of heaven retreats, all the saints below will take action. After destroying him, Su Chen could not let the ancient law of heaven retreat, at least not until he was safe.

Su Chen nodded to Nuwa and replied,

"You'll know in a moment"

"snort!"

Nu Wa glared at Su Chen fiercely.

She didn't know what Su Chen was going to do. (To read Baoshuang novels, go to Feilu Novel Network!)

But she also guessed what Su Chen would do next. It might be related to the Queen Mother.

Su Chen looked at the Queen Mother and said hurriedly,

"Queen Mother, reveal the throne of my divine general Yaochi."

"snort!"

"Let me tell you, Queen Mother, now is not the time for you to have a little temper. The ancient heaven is about to retreat. Do you want to watch me be destroyed by the saints in a while?"

Su Chen saw that the Queen Mother didn't move, and he shook his head speechlessly, woman?

No matter she is a mortal woman, or a woman who has become an immortal, everything is the same. As long as she is a woman, she will be angry, jealous, and even play tricks.

After hearing what Su Chen said, the Queen Mother looked at the nine heavens.

It had been a while since the ancient law of heaven appeared. Su Chen was right. The ancient law of heaven might retreat after a while. If the ancient law of heaven retreated, those The saints will kill this little bastard

"Show!"

Boom!

After the Queen Mother waved to Su Chen, a golden light suddenly burst out from Su Chen's body.

After Su Chen revealed his divine position in Yaochi, he also revealed the Sea of Luck.

Su Chen looked towards The sea of luck shouted,

"Heaven's fortune is revealed!"

Boom boom boom.....

After Su Chen's luck in heaven appeared, the ancient world was shaken again, and the shadow of the ancient heaven was also revealed in the sky above Jinji Ridge.....

"Is this a god's throne? The canonization of gods has not ended yet, how can Su Chen have the status of a god? this.....this.....This is heaven's luck, my way of heaven. How come Su Chen has so much heaven's luck?"

"God's position? Heavenly luck? What exactly is going on?"

"The ascension to the gods has just begun, how could Su Chen have the status of a god? There is also heavenly luck. Why does Su Chen still have so much heavenly luck? And it has much more heavenly luck than Emperor Haotian."

"Su Chen actually occupies more than 50% of the heavenly fortune. This is incredible."

"Su Chen exposed his divine status and his destiny in heaven. Is he planning to cause trouble again?"

"Needless to say, Emperor Haotian is in trouble. Emperor Haotian rejected Su Chen. Su Chen obviously wanted to take revenge on Emperor Haotian."

"Damn it, it seems that I can't offend the Human Emperor Su Chen in the future. This Human Emperor is really determined to take revenge, and he even takes revenge overnight."

Many powerful people were very surprised when they saw Su Chen reveal his divine status and destiny. Some powerful people even looked at Emperor Haotian. They speculated that Su Chen might take revenge against Emperor Haotian.

"This is impossible. How could Su Chen have the luck of heaven? This one is fake, one is fake."

Haotian, the Emperor of Heaven, saw Su Chen reveal his divine status and even revealed his heavenly destiny.

He was stunned with a confused look on his face.

God's status?

5.8 Conferring Gods has just begun.

How could there be a god's status?

And

How could Su Chen have heavenly luck? He had 40% of heavenly luck, and the Queen Mother had 30%. The rest of the heavenly luck was reserved for the five great emperors. How could Su Chen have more heavenly luck than him? Luck?

"I am Su Chen, the divine general of Yaochi. Since Emperor Haotian succeeded to the throne, Emperor Haotian's inaction towards the Great Heaven has caused the Great Heaven to become nothing more than a decoration in the Great Immortal World."

"The demons and ghosts in the lower world do not respect the Great Heaven. The ancient immortals from all walks of life disdain the Great Ancient Heaven. The saints point fingers at the Great Ancient Heaven. The Heavenly Emperor Hao Tiande is not worthy of his place."

"I, Su Chen, the divine general of Yaochi, have the destiny of heaven and the destiny of being the emperor of heaven. I ask heaven to depose the emperor Haotian, and let me rule the ancient heaven and the ancient immortal world."

Chapter 2389

After Su Chen let go of Nuwa and the Queen Mother, he started to announce to the ancient world of immortality.

Su Chen's announcement to the ancient world of immortality did not want to succeed, and he thought that it would not succeed.

Su Chen's purpose is to prevent the Great Desolate Heaven from retreating so quickly. He has not yet dealt with the saints. Once the Great Desolate Heaven is retreated, Su Chen may be unlucky.

Empress Nuwa and Queen Mother looked at Su Chen in shock. They did not expect that Su Chen would cause something big again.

Destroy Emperor Haotian?

Su Chen actually wants to be the Great Emperor?

Isn't this bastard's heart too big?

Nuwa asked Su Chen with a surprised look on her face,

"Su Chen, do you want to be the Emperor of Heaven?"

After Su Chen looked at Jiutianshang, he shook his head and replied,

"No, I just want to delay the retreat of the Great Desolate Heavenly Dao."

The Queen Mother's face turned dark when she heard Su Chen's words.

Su Chen made such a grand announcement. Is this little bastard just to make the Heavenly Dao stay for a while longer?

The Queen Mother didn't believe it.

"Su Chen, with the announcement just now, do you just want the Primeval Heaven to stay a little longer? Su

Chen nodded and replied, "Yes, I haven't dealt with the saints yet. The ancient law of heaven is my talisman. I will not let the ancient law of heaven retreat so quickly.""

The Queen Mother shouted to Su Chen with a livid face,

"You bastard, if you want to leave the ancient way of heaven, do you need to make such a big noise?"

Su Chen patted the Queen Mother's back and said silently,

"What you said is funny, Queen Mother, if I don't do this, how can I leave the prehistoric way of heaven?"

The Queen Mother was silent for a moment when she heard Su Chen's words. Su Chen was right. If she didn't make a big fuss, the ancient heaven would not care at all, and it would be even less likely that she would appear in the ancient world.

Nuwa frowned and was a little worried.

Su Chen was worried. It was to play tricks on the ancient heaven.

If the ancient heaven discovered Su Chen's intention, this little bastard would definitely be punished by the thunder and calamity sent down by the heaven.

Boom boom boom boom.....

At this time, the entire prehistoric fairy world shook violently again. Above the nine heavens, a huge, cold and emotionless Eye of Heaven appeared.

"Let me guess, why did the Eye of Heaven appear this time?"

When Su Chen saw the Eye of Heaven appearing, his heart suddenly skipped a beat.

With the Eye of Heaven appearing, he was going to hit someone again.

Damn, he wasn't going to hit himself again this time, was he?

"Su Chen, you are going to be in trouble"

"Little bastard, you may be punished by a thunderstorm from the ancient heaven."

The Queen Mother and Nuwa Empress looked at Su Chen with worried faces.

Su Chen deceived Heaven, which may have been noticed by Heaven. With the appearance of the Eye of Heaven, they both guessed that Heaven might punish Su Chen with a thunderstorm.

Su Chen After hearing what the Queen Mother and Nuwa said, he looked confused and shouted,

"Is this him? What I said just now is reasonable and well-founded. There is no reason for Heaven to attack me. Don't scare me."

Nuwa Empress gave Su Chen a white look and said,

"You don't really want to be the Primeval Emperor. The Primeval Heaven should be aware of your intention."

Su Chen asked in surprise,

"Let me go, this is impossible, right?"

The Queen Mother glared at Su Chen and said, "It's not impossible, it's definitely possible!"

At this moment, the saints and many powerful people on Jinji Ridge have not yet reacted to Su Chen's announcement. The Eye of Heavenly Dao appeared.

This made all the powerful people unexpected.

The Eye of Heavenly Dao appeared. (To read Baoshuang novels, go to Feilu Novel Network!)

This is obviously a punishment from heaven.

Who is he planning to kill?

Emperor Haotian?

Or the Emperor Su Chen?

"The Human Emperor Su Chen is so capable of causing trouble that he has announced to the Great Desolate Immortal Realm that he will depose the Heavenly Emperor Haotian? Human Emperor Su Chen still wants to be the Great Emperor? The things that Human Emperor Su Chen is doing are getting bigger and bigger."

"But no, now even the Eye of Heaven has appeared, Human Emperor Su Chen is too troublesome"

"You say that the Eye of Heaven appeared and was going to kill Emperor Haotian? Or kill the Human Emperor Su Chen?"

"I don't know. Human Emperor Su Chen's prehistoric announcement just now is correct, but Heavenly Emperor Haotian seems to be doing okay as Heavenly Emperor. I can't guess who the Eye of Heaven is going to kill."

"Yes, it is indeed difficult to guess, but since the Eye of Heaven has appeared, Heaven is either going to kill the Emperor Haotian or the Human Emperor Su Chen. We will know in a while."

Zhen Yuanzi and Ancestor Minghe, the quasi-sage masters, started talking to each other, and they all looked at Su Chen and Haotian from time to time. The appearance of the Eye of Heaven was either to kill the Emperor of Heaven, Haotian, or to kill the Human Emperor, Su Chen. , they, the quasi-sage powerful men, also wanted to see who they would kill.

Saints such as Laozi and Yuanshi all raised their eyebrows.

They did not expect that Su Chen would make trouble like this. The prehistoric heaven would have retreated in a while, but They didn't expect that Su Chen would do something big again, and this time he would bring out the Eye of Heaven. Damn it, the Great Heaven would probably retreat for a while.

I, Yuan Shi, Tong Tian, they all wanted to kill Su Chen. , but they had to wait for a while longer for the Eye of Heaven to appear.

The clones of Queen Mother Xi and Hou Tu looked at Su Chen with worried faces. The appearance of the Eye of Heaven made them all worried.

Su Chen You are so capable of causing trouble, deposed Emperor Haotian?

Still want to be the Emperor of the Great Desolation? That bastard has now alerted the Eye of Heaven. The appearance of the Eye of Heaven is obviously going to bring about a thunder disaster.

Who is he planning to kill?

Emperor Hao of Heaven. Heaven?

Or that bastard?

At this moment,

Su Chen looked at Tong Tian and Yuan Shi in the air and shouted,

"Yuanshi, Tongtian, within a quarter of an hour, if your disciples have not killed the Eight Great Human Emperors, our previous agreement will be invalidated."

Su Chen suspected that Tongtian and Yuanshi were stalling for time. Damn it, almost half an hour had passed, and the disciples of the Chan (Wang Zhaohao) Sect and the Jie Sect had not killed the Eight Human Emperors yet. Those disciples were all useless. Is it?

Su Chen suspected that the quasi-sage disciples of the Sage Sect and the disciples of Daluo Jinxian were doing their jobs but not doing their best. Even Tongtian and Yuanshi did not want to kill the Eight Great Human Emperors. After Tongtian and

Yuanshi heard what Su Chen said, they Their expressions became closer.

They had previously secretly informed their disciples that the Human Emperors could only catch them without killing them.

Tongtian and Yuanshi wanted to wait until the Great Desolate Heavenly Dao retreated, and then they would check Su Chen's Yuanshen memory. If They can find out everything they want to know, and the puppets of the Eight Great Human Emperors do not need to be killed.

Su Chen has now given them a time limit.

Tongtian and Yuanshi cannot delay it any longer. Maybe retreat.

Yuan Shi hurriedly shouted to Su Chen,

"Human Emperor Su Chen, within a quarter of an hour, the eight human emperors will definitely die."

Chapter 2390

Yuanshi and Tongtian hurriedly informed their disciples that the eight human emperors would be killed quickly.

Tongtian and Yuanshi haven't gotten the secrets they want to know yet.

I have plotted against them and how I took away their origins. If they don't understand these, Tongtian Cult Master and Yuanshi Tianzun will always be uneasy.

At this moment,

Heavenly Emperor Haotian looked at the nine heavens with a pale face. He has not yet reacted from his confusion. Has his position as Heavenly Emperor been abolished?

Su Chen still wants to be the emperor?

The Eye of Heaven Appears?

How could the Human Emperor Su Chen be so bold?

He is the prehistoric Heavenly Emperor canonized by Daozu Hongjun, a scumbag of the human race. Su Chen actually wants Heaven to deprive him of his position as Human Emperor?

Is this him?

Haotian looked at Su Chen and wished he could crush that little scumbag to death with one hand.

The "940" eye of Heavenly Dao appeared, and

Heavenly Emperor Haotian was also very worried. Although he was the prehistoric Heavenly Emperor canonized by Hongjun Daozu, if the prehistoric Heavenly Dao deposed him, Hongjun Daozu would not dare to say anything.

In the air,

Su Chen looked at Nuwa and the Queen Mother and reminded,

"Nuwa, the Queen Mother, if the great heavens attack me in a while, don't help me resist the disaster!"

"Little bastard, you are overthinking. Did I say I would help you?"

"That's ridiculous, Suchen, do you think I will help you?"

After Nuwa and the Queen Mother heard what Su Chen said, they both looked disdainful and mocked, helping Su Chen resist the Heavenly Tribulation?

Do they dare?

Can the Heavenly Tribulation help?

If Nuwa and the Queen Mother help Su Chen resist the Heavenly Tribulation, The power of the calamity will become even more terrifying.

They know that people who have overcome the calamity cannot be helped. Su Chen's words are simply an idiotic act.

"Let me tell you, you guys are really heartless."

Su Chen shook his head speechlessly.

He didn't expect that Nu Wa and Queen Mother would say this.

Su Chen was worried that Nu Wa and Queen Mother would help him because they thought he was weak. He could not be helped by others when he was crossing the heavenly tribulation. Su Chen was He wanted to remind Empress Nuwa and the Queen Mother first, but

Su Chen felt that it was unnecessary.

Empress Nuwa and the Queen Mother no longer talked to Su Chen.

They looked at the Eye of Heaven above the nine heavens with serious expressions. The Eye of Heaven should be lowered soon. They still can't tell whether the thunder tribulation or thunder punishment is aimed at Su Chen or the Emperor Haotian.

Swish swish swish.....

At this time, the disciples of Chan Jiao and Jie Jiao came back one after another, and the bodies of the eight human emperors were also brought back.

Yuan Shi said to Su Chen with a serious face, "Su Chen, the eight human emperors are dead, you can tell us the secrets now."

Su Chen looked at the corpses of the eight human emperors and nodded, "Okay, you want to go first Listen to that?"

Tongtian shouted hurriedly,

"Our origin, Su Chen, how did I take away our origin?"

When Su Chen heard Tong Tian's words, he looked at me with a sullen face,"

I

'm sorry, you just have to be a scapegoat this time."

Su Chen smiled and said,

"Yuanshi, Tongtian, before you, the Three Pure Ones, were transformed, I first gave birth to spiritual wisdom. Before you were born with spiritual wisdom, I robbed you of your origins."

"Tongtian, the Xuanhuang Exquisite Tower of Heaven and Earth is your accompanying spiritual treasure. I took it away when you were not born with spiritual wisdom."

"Tongtian, think about it, I have the most precious Tai Chi diagram, and Yuanshi also has the most precious Pangu flag. What about you? Both Laozi and Yuanshi have innate treasures of luck, haven't you thought about why you don't have it?"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen is talking nonsense, true or false.

However,

Su Chen guessed that when I just gave birth to spiritual wisdom, he saw that Tongtian and Yuanshi had not yet given birth to spiritual wisdom. , I secretly seized some of the origins of Tongtian and Yuanshi.

As for who owns the Xuanhuang Exquisite Tower of Heaven and Earth?

He knows nothing.

Su Chen is sowing discord.

He wants the Sanqing to kill each other. Only then This is Su Chen's real purpose

"I, you are dead!"

"I won't let you go!"

After Tongtian and Yuanshi heard Su Chen's words, their expressions were very ugly.

No wonder they are both Pangu Yuanshen Sanqing, and I am so much stronger than them. It turns out that I was before they were born with spiritual wisdom. He took away their origin.

At this moment,

Tongtian's face was even more angry. The origin was taken away and the spiritual treasure was robbed. Tongtian wanted to cut me into pieces immediately.....

I shouted with an ugly face,

"Tongtian, I, don't listen to Su Chen's nonsense. This is simply Su Chen's nonsense. Don't believe it."

After Yuan Shi glared at me angrily, he looked at Su Chen and continued to ask,

"Su Chen, what plans have I made for us?"

Su Chen took a sip of wine.

He looked at the Eye of Heaven above the nine heavens.

Su Chen hoped that the Eye of Heaven was brewing for a while. He still needed some time to sow discord.

Su Chen thought for a while and continued to tell the truth. said,

"I have many plans against you. Let me tell you a few things."

"Yuanshi, before and after your Sanqing family separation, why did I help you in everything?"

"I started to favor you before you separated. After the separation, you only have conflicts with Tongtian, why would I continue to favor you? Have you ever thought about Yuanshi?"

"Tongtian, do you know why I suppress you everywhere? I have the most precious Tai Chi Diagram in my hand, as well as the Xuanhuang Exquisite Pagoda of Heaven and Earth. These can suppress luck. You teach me that you don't have the most precious treasure to suppress luck. Why didn't I give you one?"

"Moreover, the most important thing is that there are people from Laozi in both Chanjiao and Jiejiao, and they are also one of your most valued disciples, Tongtian and Yuanshi. You should understand what I mean when I say this, right? You should also understand my plan, right?"

After Tongtian and Yuanshi heard Su Chen's words, they looked at Su Chen and wanted to squeeze this bastard to death.

Guess?

Guess!

It's his fault.

How can they guess?

Although Tongtian and Yuanshi had some guesses, they How could they sort out these calculations in a short while?

Are there people like Lao Tzu who explain the teachings and intercept the teachings?

Or are they one of their most favored disciples?

Is this true?

Tongtian and Yuanshi did not expect that they would explain the teachings and intercept the teachings. There are actually traitors among the disciples of the religion.

Tong Tian glared at Su Chen and shouted, "Su Chen, I can't understand what you are talking about right now. Please tell us clearly what the plot is!"

Su Chen curled his lips and mocked,

"You are such an idiot, Tongtian, let me give you another reminder. Your Zhuxian Sword Formation is the cause. Idiot, if you still don't understand, you might as well crash into a mountain and die."
