

Zongwu 2391

Chapter 2391

When Tongtian heard Su Chen's words, he wanted to slap this bastard to death, idiot?

Damn it, even the saints dare not scold him like this.

This scumbag,

Tongtian is as angry towards Su Chen as he is towards me, and he will not let these two people go.

However, when Tongtian heard Su Chen mention the Zhuxian Sword Formation, he and Yuanshi looked at each other. Both Tongtian and Yuanshi understood that the

Zhuxian Sword Formation must be broken by the Four Saints.

As their eldest brother, I am also one of the saints. Senior brother, I definitely don't want the sky to crush him. Winning Yuanshi to fight against Tongtian, or even using Yuanshi to fight against Tongtian together.

All this makes sense.

As long as Yuanshi has a conflict with Tongtian, Laozi will help Yuanshi. They even suspect that the separation of the Sanqing family was done intentionally by Laozi.

If the Three Purities are not separated, it is impossible for me to unite with Yuanshi to deal with Tongtian. He will always be overwhelmed by his younger brother Tongtian in the future.

Yuan Shi felt that these plans of mine had no disadvantages for him. Could it be that after I brought down Tongtian, would I still take action against him?

Can anyone explain Lao Tzu's teachings?

Or one of his most valued disciples?

So, one of the Twelve Golden Immortals of Chanjiao is my undercover agent?

Yuan Shi thought about this and looked at Su Chen and asked, "Su Chen, even if I plot against Tongtian, as two saints, I and I can't break the Zhuxian Sword Formation."

Su Chen shook his head and replied,

"Yuanshi, who said there are only two saints like you and the two saints in the West? I have contacted the Second Sage of the West a long time ago. If you start to deal with Tongtian, I will trick you into finding the Second Sage of the West."

"When the time comes, as long as you and I owe one cause and effect to the Second Saint of the West, won't the Second Saint of the West agree to fight against Tongtian together? The Second Sage of the West is eager for the internal strife of the Three Purities."

Yuanshi was stunned when he heard Su Chen's words.

The Second Sage of the West?

The Second Sage of the West is eager for the internal strife of the Three Purities.

If Yuanshi and Laozi owe the Second Sage of the West a cause and effect, the Second Sage of the West will help him and Lao fight against Tongtian.

Tongtian is now There was a look of resentment on his face.

I am really not the son of a man. Tongtian did not expect that I had been plotting against him all along, and he even did not hesitate to use karma to win over the two sages of the West to deal with him.

Tongtian glared at me angrily and shouted,

"Damn it, I, you are going to die no matter what this time."

I'm confused at this moment.

What Su Chen said is true or false, but it's just the true parts.

How did Su Chen know?

Why would a scum of the human race know some of his secrets?

I saw both Tongtian and Yuanshi. He looked at him angrily.

He knew that a big battle was unavoidable.

I thought he would fall into the Heaven-Zhuxian Sword Formation. He had to find a way to resolve this crisis.

At this time, on Jinji Ridge, all the preparing saints were He looked at me with a shocked face.

I was too insidious and despicable.

Tongtian and Yuanshi were his brothers. They came from the same lineage as the Three Pure

Ones, and they were both transformed by Pangu Yuanshen.

All the powerful people did not expect that I would even His brothers all plotted and even took away the origins of Tongtian and Yuanshi.

Zhunti and Jieyin were very surprised at this moment.

No one knew about me contacting them, and I just wanted to make good friends with them and did not mention it. Now that they have to fight against Tongtian together,

Saint Zhunti and Jieyin now understand why I deliberately made friends with them. All this is to deal with Tongtian who has the Zhuxian Sword Formation.

Nuwa sent a message to Su Chen Yuanshen and asked,

"Su Chen, is everything you said true?"

Su Chen touched his nose and replied, (To read Baoshuang novels, go to Feilu Novel Network!)

"Half true, half false, I'm mostly bullshit."

Nu Wa was stunned when she heard Su Chen's words.

Half true and half false?

Nonsense?

How is this possible?

If Su Chen is talking nonsense, how can Tongtian and Yuanshi look like they believe it? This little bastard can't talk nonsense and he is right. Are you done?

Su Chen pointed to Laozi and said to Tongtian and Yuanshi,

"Tongtian, Yuanshi, you kill me, and I will tell you who among the disciples is the traitor."

Yuanshi Tianzun said with a mocking look, "Su Chen, we want to kill me, but you can't run away."

Su Chen shook his head and said with a smile,

"Is it? I don't believe you can kill me. You still have secrets in my hands. This is related to your life and death, the sky, and the beginning of the Yuan Dynasty. Don't think that the saint's soul is entrusted in the way of heaven, otherwise you will not die. destroy."

Tongtian, Yuanshi, Zhunti, Jie Yin, and the gloomy-looking Lao Tzu, and even the Nuwa Empress beside Su Chen, all looked surprised after hearing Su Chen's words.

Will the saint die?

How is this possible?

Even if the saints die, they will be resurrected by the way of heaven.

This is just what Su Chen said.

Even if their souls are entrusted in the way of heaven, they will die completely. Although they do not believe what Su Chen said, the secrets Su Chen said before are all true. Yes, they couldn't believe it even if they wanted to.

The disciples of Chanjiao and Jiejiao were restless at the moment.

Su Chen had previously said that there were people from Lao Tzu in Chanjiao and Jiejiao, and they were also one of their teacher's most valued disciples. The disciples of Jie Jiao and Jie Jiao all looked at each other.

They wanted to know which of their senior brothers would be the traitor.

Yun Xiao looked at senior brother Duobao from time to time. She remembered what Su Chen said to her.

Among Tong Tian's direct disciples,

Su Chen 390 said that the three senior sisters of Jin Ling Shen Shen can be trusted, and they cannot be traitors. So Duobao is the only direct disciple. Is Duobao a member of the saint Laozi?

Yuanshi frowned and asked Su Chen ,

"Su Chen, are you telling the truth?"

Su Chen nodded and said with a smile,

"Yuanshi, you and Tongtian kill me once, and I will tell you the secret. Of course, I will only tell you two alone."

At this moment,

Zhunti and Jieyin couldn't sit still. Their brothers were very concerned about letting the immortal saint die completely. The saint's soul is entrusted in the way of heaven. The immortal world will never be destroyed, and the way of heaven will never be destroyed. , their saints are immortal, but Su Chen's words made them all very frightened.

Zhunti looked at Su Chen and shouted hurriedly,

"Su Chen, what conditions do you have, our senior brothers also want to know about this!"

Su Chen smiled when he heard Zhunti's words and took the bait.

The Second Sage of the West was really greedy for life and afraid of death.

Su Chen just revealed the news first, and the Second Sage of the West couldn't wait to know.

Su Chen smiled mischievously at the West The Second Saint said,

"Do you want to know too? However, you Westerners are all paupers and I don't need anything."

"Su Chen, our brothers can owe you a karma, what do you think?".

Chapter 2392

After Zhunti and Jieyin heard what Su Chen said, their brothers felt very helpless.

The West is very poor, and it is still extremely poor.

Otherwise,

Zhunti would not shamelessly come to the east to fight in the autumn wind.

Their brothers The most precious things in their hands are the twenty-grade golden lotus of merit and virtue, and the seven-treasure tree. However, this is their spiritual treasure of enlightenment. Unless it is absolutely necessary, they will not give up the spiritual treasure of enlightenment.

Zhunti and Jieyin saw that Su Chen didn't want to tell them, which made them anxious.

They could ignore other things, but this was related to the life and death of the saints. Immortal saints would also completely Their brothers must know the reason for death. Jie

Yin said to Su Chen with a serious face, "Su Chen, our brothers can owe you a cause and effect. What do you think?"

Su Chen curled his lips and asked,

"A cause and effect?"

Jie Yin said hurriedly with an embarrassed look on his face, "Well, we brothers owe you a karma."

Su Chen nodded when he heard that Jie Yin changed his words.

How could Su Chen agree with a cause and effect? Did Jie Yin want to fool himself at the beginning?

127 Saints are still old bastards.

Each person has a cause and effect.

This is already Jie Yin. and Zhunti's greatest sincerity.

Su Chen thought for a while and said,"Jie Yin, Zhunti, I have only one condition. As long as you agree and swear an oath of heaven, I can tell you this secret."

Jie Yin and Zhunti's expressions turned ugly.

One condition? Do they have to swear an oath of heaven?

If their brothers swear an oath of heaven, they cannot violate it in the future, otherwise heaven will punish their brothers and even destroy them. They killed their senior brothers.

Zhunti asked Su Chen helplessly,

"Human Emperor Su Chen, what do you think?"

Su Chen stretched out a finger and said,

"Protect me for a hundred years. Within a hundred years, if a saint takes action against me, you brothers must protect me. The other quasi-sages and Da Luo Jinxian do not need to be taken care of by you."

"What?"

Zhunti and Jieyin's faces turned bitter.

Protect Su Chen for a hundred years?

It's his fault.

Su Chen may not survive a day.

The three pure saints are all eyeing Su Chen. Can this shameless bastard survive today? ?

When I, Yuanshi, and Tongtian (cjef) heard Su Chen's words, their faces also changed.

Su Chen was obviously targeting them,

Sanqing. If Jie Yin and Zhunti agreed to Su Chen, they would soon It will be much more difficult to kill Su Chen. Zhunti and Jieyin, plus Nuwa, there will be three saints around Su Chen, three against three. If they want to kill Su Chen, they will be intercepted. The saints The secret of the complete fall?

What is this?

I, the saint, also want to know.

Tongtian and Yuanshi regretted not agreeing just now.

Zhunti and Jie Yin would rather owe a cause and effect to know. They only need to kill me once just now to know. , Tongtian and Yuanshi felt that Su Chen would not tell them easily again.

The powerful men on Jinji Ridge all had expressions of disbelief at this moment.

Is Su Chen going to resolve the crisis?

The secret that can make the saints completely fall. Xin?

What on earth is this?

Seeing that Zhunti and Jieyin would rather owe Su Chen a cause and effect, the quasi-sage masters here also want to know the secret that caused the saints to completely fall. The quasi-sage masters here also want to know.

But they all knew that this was impossible.

Su Chen didn't even take a fancy to the treasures of the Second Sage of the West. Some of these quasi-sage experts were even poorer than the Second Sage of the West.

In the air,

Empress Nuwa looked at Su with a puzzled look on her face. Chen asked, "Su Chen, is what you just said true?"

"Well, it's true!"

Nu Wa's cold face showed an expression of surprise.

She thought Su Chen was fooling the saints of Yuanshi again, but she didn't expect it to be true. (To read Baoshuang novels, go to Feilu Novel Network!) The saints are here The prehistoric fairy world is immortal, the prehistoric fairy world is not destroyed, and the prehistoric heaven is immortal. It is impossible for the saints to truly fall. What ability can make the saints completely fall? Nuwa anxiously asked Su Chen, "Su Chen, tell me, why did the immortal saint completely fall?"

Su Chen said to the soul of Nuwa Empress,

"Meteorite Pill!"

Boom!

When Empress Nuwa heard the Meteorite Pill, her soul beat sharply as a warning, as if she was encountering a huge crisis.

A shocked expression appeared on Nuwa's cold face,

Meteorite Pill?

This is actually true. It would make the saint completely fall, and her Yuanshen warning could not be false at all. Empress Nuwa did not expect that there would really be a treasure that would completely make the saint fall.

The Queen Mother heard the conversation between Su Chen and Nuwa, especially when she saw Nuwa. The empress looked surprised. She guessed that what Su Chen just said might be true. Nuwa's expression said everything.

The Queen Mother also wanted to know that the saints would fall so completely, but this was not the time for her to ask.

The Queen Mother decided I'll ask this little bastard later. At this moment, after Yuan Shi and Tongtian Yuanshen communicated for a while, they saw the shocked expression of Nuwa Empress. They guessed that Su Chen should have told Nuwa Empress. Nuwa Empress' shocked expression showed that What Su Chen said may be true.

Yuan Shi and Tong Tian decided to agree to Su Chen.

After all, I was also the person they must kill.

Yuan Shi shouted to Su Chen,

"Su Chen, we promised to kill me, do you still want to keep what you promised just now?"

Su Chen curled his lips and replied,

"Now I agree, I have to add a condition!"

Yuanshi and Tongtian's expressions were ugly.

They were very regretful.

If Yuanshi and Tongtian had promised Su Chen before, they could get the secret by killing me once. But this bastard has to add another condition. They are worried about Su Chen. The lion opened his mouth during the morning meeting.

Yuan Shi asked Su Chen helplessly,

"What conditions?"

Su Chen replied with a smile,

"You cannot within a hundred years I will take action, and I will also swear an oath of heaven!"

"We agreed!"

Yuanshi and Tongtian breathed a sigh of relief when they heard Su Chen's words. If they don't kill this bastard within a hundred years?

This will have no impact on them at all.

A hundred years?

This is a blink of an eye for them.

Although Yuanshi and Tongtian can't be there first Kill Su Chen, but it doesn't matter if they kill this bastard again a hundred years later

"Take the oath of heaven!" Su Chen laughed when he heard that Yuan Shi and Tong Tian agreed. This time the crisis was completely resolved. Su Chen did not expect to deal with these saints so easily. The saints in the prehistoric fairyland were really greedy for life and afraid of death. This guy doesn't look like a strong man with a ceiling at all.

"I am the Saint of Heaven, the Heavenly Lord of Yuanshi. Today I swear an oath to the ancient Heaven. I promise not to take action against the Human Emperor Su Chen within a hundred years. If I violate the oath of Heaven, I will be obliterated by Heaven. My body will be annihilated, my soul will be shattered, and my true spirit will be disintegrated.!".

Chapter 2393

After Yuanshi Tianzun and Tongtian looked at each other,

Yuanshi Tianzun first swore the oath of heaven.

Yuanshi and Tongtian were eaten to death by Su Chen. The secret that the saint will completely fall is too important. If they don't figure it out, they will die in the future. I can't even settle down while practicing.

Tongtian also swore to the ancient way of heaven with a serious face,

"I am the saint of heaven and the leader of Tongtian. Today I swear to the ancient heaven. I promise not to take action against the human emperor Su Chen within a hundred years. If I violate the oath of heaven, I will be obliterated by heaven, my body will be destroyed, my soul will be shattered, and my true spirit will collapse.!"

Boom boom boom boom....

After Yuanshi and Tongtian made the oath of heaven, the prehistoric immortal world shook violently again. This was the response of prehistoric heaven to the oath of heaven made by Yuanshi and Tongtian.

The response of the Great Desolate Heavenly Dao shows that the Heavenly Dao oath has been completed.

If Yuan"193" Shi and Tongtian fail to abide by the Heavenly Dao oath, they will be punished by the Prehistoric Heavenly Dao according to the Heavenly Dao oath.

I looked at Yuanshi and Tongtian with a bitter look on his face.

A battle was inevitable.

He also wanted to know the secret of the saint's complete fall, but the grudge between him and Su Chen was too deep.

It was impossible for Su Chen to make a deal with him.

I recalled how he and Su Chen had developed a grudge step by step, and he felt that Su Chen seemed to be targeting him deliberately.

At first, I just wanted to watch Tongtian kill Su Chen, but why did he get involved by Su Chen for no reason? It even seemed that Su Chen had been causing hatred for him.

Su Chen pointed at Lao Tzu and shouted,

"Kill me, and we will tell you the traitors among your disciples. I will also tell you the secret of the complete fall of the saint."

"Lao Tzu, a battle with chaos"

"I, you are dead today."

Yuanshi and Tongtian shouted at me at the same time.

They hate me deeply.

Just because I took away their origin, they will kill me ten thousand times without resolving their hatred.

Origin is very important to a strong man. , the origin has been robbed, the cultivation realm of Yuanshi and Tongtian may no longer be improved in a certain realm. I am cutting off their future.

"Chaos battle!"

I agreed with a sullen face.

He cannot avoid this battle.

If I don't fight,

Tongtian and Yuanshi will attack him in the prehistoric fairyland. I know that I am not the opponent of Yuanshi and Tongtian together, and he doesn't want the creatures in the prehistoric fairyland to see it. The scene of him being embarrassed or being beheaded.

Whoosh! Whoosh!

Yuanshi, Tongtian, and Laozi disappeared from Jinji Ridge in an instant. The surrounding quasi-sages wanted to watch the battle of the three saints, but they were also worried that if they saw a saint losing face, they might be retaliated by the saint in anger.

After the quasi-saints on Jinji Ridge hesitated for a moment, none of them dared to go to Chaos to watch.

At this moment,

Zhunti and Jie Yin After they left in Yuanshi Sanqing, they looked at each other and nodded.

Yuanshi and Tongtian did not take action against Su Chen within a hundred years, and it was impossible for Empress Nuwa to take action against Su Chen.

If they agreed to Su Chen's conditions, the prehistoric fairyland Here, their brothers only need to deal with a saint named Lao Tzu. This condition suddenly became easier. Their brothers had no reason to disagree.

Zhunti shouted to Su Chen in the air, "Su Chen, our brothers have also agreed.!"

Su Chen rolled his eyes at Zhunti speechlessly.

This shameless saint, now only I am a threat.

Zhunti, this shameless saint, agreed. Su Chen was very speechless to the shameless Zhunti.

However,

Zhunti and Jieyin will take care of me within a hundred years, and he can continue to complete the God Trial mission with peace of mind.

"The old rule is to swear an oath of heaven!"

Jie Yin and Zhunti smiled and nodded when they heard Su Chen's words. (To read Baoshuang novels, go to Feilu Novel Network!)

They didn't expect that Su Chen didn't add any more conditions, which made them all relieved.

"I am a saint of the way of heaven. Take the lead. I swear an oath to the way of heaven today. I promise to protect the human emperor Su Chen within a hundred years and prevent other saints from taking action against the emperor Su Chen. If I violate the oath of the way of heaven, I will be obliterated by the way of heaven and my body will be destroyed. Nirvana, the soul is shattered, and the true spirit is disintegrated!"

"I am the Saint of Heaven, Zhunti. I swear an oath to Heaven today. I promise to protect Human Emperor Su Chen within a hundred years and prevent other saints from taking action against Human Emperor Su Chen. If I violate the oath of Heaven, I will be obliterated by Heaven and my body will be destroyed. Nirvana, the soul is shattered, and the true spirit is disintegrated!"

Boom boom boom.....

The prehistoric heaven also responded to the oath of heaven made by Zhunti and Jieyin.

After Zhunti and Jieyin took the oath of heaven, it was impossible for them to violate it. If they violated the oath of heaven, what awaited them would be the destruction of body and soul, and they would be completely destroyed by the prehistoric passage. The erasure of

Zhunti looked at Su Chen and asked, "Human Emperor Su Chen, can you tell us now?"

"Meteorite Pill!"

Su Chen sent a message to Zhunti and Jie Yin respectively.

Both Zhunti and Jie Yin made an oath of heaven. Su Chen did not hide it from Zhunti and Jie Yin.

In the later period of the Great Tribulation of the Gods, that old man Hongjun The underhanded person will expose the Meteorite Pill, and Su Chen just told these two idiots Zhunti and Jie Yin in advance.

Boom!

After Zhunti and Jie Yin heard what Su Chen said about the Meteorite Pill, their Yuan Both the gods and Nuwa were beating violently as warnings, as if they were encountering a huge crisis.

Zhunti and Jieyin's faces showed panic. They knew that Su Chen was not lying, and the beating warnings of Yuanshen could not be faked. Holy elixir?

What kind of treasure is this?

Why did the saint fall completely?

On Jinji Ridge, many quasi-sage masters listened to the conversation between Su Chen and Zhunti.

Although Su Chen did not tell the secret, they saw Zhunti and Zhunti With the panic expression on Jie Yin's face, the quasi-sage experts all guessed that Su Chen had sent a message to Zhunti and Jie Yin. The panic expressions on Zhunti and Jie Yin's face made the quasi-sage experts here understand that Honghuang Is there really any treasure in the fairy world that can make a saint completely fall?

Boom boom boom.....

At this time, the Eye of Heaven above the Nine Heavens stared at Jinji Ridge indifferently.

Su Chen became worried at this moment.

Is the Eye of Heaven intending to punish thunder?

Damn it, the ancient way of heaven is not to attack yourself.

The Heavenly Emperor Haotian was also very worried.

The Eye of Heaven was about to rain down a thunderous punishment, either on him or on the Human Emperor Su Chen.

Damn you bastard,

Tiandao Haotian glared at Su Chen angrily.

He just refused Su Chen's alliance.

This bastard actually alerted the Eye of Tiandao. Haotian could only hope that Tiandao's thunder punishment would not hit him.

"I guess, Tiandao, what I just said is true. If I become the Emperor of the Great Desolate Heaven, the Great Desolate Immortal Realm will become more and more powerful, and the Prehistoric Immortal World will become the top realm."

Chapter 2394

Su Chen suddenly found that the Eye of Heaven was locked on him, and he was stunned.

Damn it, was Heaven really going to kill him?

Could it be that the words he just deceived Tiandao were seen through?

Su Chen looked ugly and shouted hurriedly,

"I guess, Tiandao, what I just said is true. If I become the Emperor of the Great Desolate Heaven, the Great Desolate Immortal World will become more and more powerful, and the Prehistoric World will become the top realm."

Boom boom boom.....

The sky was covered with dark clouds, and bursts of thunder continued to roar.

At this moment, the Heavenly Emperor Haotian saw that the Eye of Heavenly Dao was locked on Su Chen, and he felt relieved. The ancient Heavenly Dao was going to kill Su Chen, and Haotian didn't have to worry about being deposed by the Heavenly Dao.

"Ha ha....."

Tiandao Haotian looked at Su Chen in the air and laughed and mocked

"Human Emperor Su Chen, I am the real Emperor of Heaven. Have you seen that Heaven is about to send down a thunder punishment to strike you down, and you still want to deprive me of my position as Emperor of Heaven? You are daydreaming." Su Chen's face turned dark when he heard the ridicule of Emperor Haotian. He was a scumbag. If Su Chen hadn't been worried that dealing with Haotian would provoke the appearance of Hongjun 240, he would have wanted Kong Xuan and Lu Ya to kill Haotian right now. The cowardly Emperor

"I fuck you, Haotian, do you really want to die? Believe it or not, I will let Kong Xuan and Lu Ya kill you now. Haotian shouted to Su Chen disdainfully,

"Human Emperor Su Chen, I am the Primordial Heavenly Emperor canonized by Taoist Hongjun. If Kong Xuan and Lu Ya dare to attack me, it is disrespectful to Taoist Hongjun. Do you dare to attack me?"

Haotian is the boy next to Taoist Hongjun, and he is also Taoist Hongjun's spokesperson in the Great Desolate Immortal World.

Who dares to kill him? In the Great Desolate Immortal World

, even those high-ranking saints do not dare to kill themselves. In the Great Desolate Immortal World , they do not dare to kill themselves.

Here, killing him would be a slap in the face of Taoist Hongjun, and he would also be punished by Taozu Hongjun. Emperor Haotian did not believe that anyone would dare to kill him in the prehistoric immortal world.

Su Chen rubbed his forehead and cursed, "Damn it, Hao God, you damn thing, don't think about having a better time in the future. I can't do anything to you now, but I will let you know what regret is in the future."

Su Chen looked at Haotian and shook his head.

He doesn't want to cause trouble now.

Haotian is different from the saints.

Su Chen doesn't know if Hongjun is paying attention to this place now, but he doesn't want to provoke that old Yin Hongjun now. Force.

During the Conferred God Period,

Su Chen's first priority was to complete the trial mission. He had no choice but to make such a big fuss today. The saints were basically done now. He didn't want to and didn't dare to continue causing trouble..

Emperor Haotian's expression changed when he heard Su Chen's words.

He thought that if Su Chen would cause trouble for him in the future and even tear the heaven apart, he, the emperor of heaven, would be useless and no one in the entire heaven would care about him.

Haotian looked at it. He looked at Kong Xuan and Lu Ya, then at Nuwa and the Queen Mother. These powerful people were either quasi-sages or heavenly saints.

Su Chen had these powerful people around him. If these powerful people wanted to cause trouble for him in the future, the Emperor Haotian would be able to. If he can deal with one person, can he deal with all the strong ones?

Among these strong ones is the saint's Nuwa Empress. Nuwa Empress can crush him to death with one hand.

At this moment,

Nuwa Empress and Queen Mother left Su Chen's side in an instant. The eye is about to rain down a thunderbolt to strike Su Chen. They can't help this bastard. Su Chen must survive the thunderbolt alone.

"Let me tell you, you guys hid really fast."

Su Chen was speechless as he watched Nuwa and the Queen Mother hiding aside.

He originally wanted Nuwa and the Queen to leave, but what about him?

The two women didn't even say anything about hiding away.

Su Chen's expression became even more serious. It was dark.

After Nuwa heard Su Chen's words, she rolled her eyes at Su Chen and said, "You little bastard, you can only survive the catastrophe by yourself."

The Queen Mother glared at Su Chen and said disdainfully, (To read Baoshuang novels, go to Feilu Novel Network!)

"Su Chen, didn't you just remind (cjfc) us not to help? how? How come you forgot so quickly?"

Su Chen said speechlessly, "You can leave as long as you leave, but where is Lingbao? Why don't you leave the Lingbao behind? I need your spiritual treasure to resist the punishment of heaven."

After Nuwa and the Queen Mother heard what Su Chen said, they were all embarrassed for a moment.

They had just forgotten to leave the spiritual treasures for Su Chen.

Whoosh!

Nuwa and the Queen Mother took out their spiritual treasures one after another. They instantly Then they sent their respective spirit treasures to Su Chen.

The best innate spirit treasure mountain sect Hesheji map!

The best innate spirit treasure the western plain cloud flag!

Su Chen waved his hand to control these two powerful spirit treasures and appeared above his head. With two powerful spiritual treasures, it should be easier for Su Chen to overcome the heavenly tribulation.

His Chaos Bell and other spiritual treasures cannot be exposed yet. Su Chen also wants to see what kind of thunder disaster this time is. If it is not powerful, the two top-quality spiritual treasures The innate spiritual treasures are enough.

Whoosh!

At this time, a realm and a ruler also appeared in front of Su Chen.

Su Chen was a little surprised when he saw the spiritual treasures that appeared.

The best innate spiritual treasures are the Kunlun Mirror and the acquired merits and virtues, the supreme treasure Hongmeng Tian. Chi, this is the spiritual treasure of Queen Mother of the West of Kunlun and the Queen Mother of Six Paths of Reincarnation. Su Chen did not expect that Queen Mother of the West and Hou Tian would also give spiritual treasures to help him survive the calamity. This seems a little unreasonable for him.

Su Chen looked at the Queen Mother of the West on the Golden Rooster Ridge. and Hou Tu, he guessed that Queen Mother Xi and Hou Tu should be the same as the Queen Mother. Their fates may be linked to him, and they may even become more and more familiar with him.

"snort!"

"snort!"

The Queen Mother of the West and Hou Tian saw Su Chen looking at them, and they both snorted coldly at Su Chen.

The Queen Mother Nuwa and the Queen Mother looked at the Queen Mother of the West and Hou Tu unexpectedly. They did not expect that the Queen Mother of the West and Hou Tu would also send their souls. Bao, what is the relationship between these two women and Su Chen?

On Jinji Ridge, the Quasi-Sage Great Neng and Daluo Jinxian here were all confused.

They all looked at the Queen Mother of the West and Hepingxin Empress with surprised expressions.

The West Kunlun How could the Queen Mother of the West and the Empress Pingxin of the Six Paths of Reincarnation help the Human Emperor Su Chen? Could it be that the Queen Mother of the West and the Empress of Pingxin are also related to Su Chen? Damn it, are all the powerful fairies in the prehistoric fairy world related to Su Chen? ? Emperor Haotian's face turned dark. He did not expect that Queen Mother Xi and Empress Xixin were also related to Su Chen. Emperor Haotian felt that it would be really difficult in the future. Queen Mother Xi and Empress Xixin were both very powerful. This Either of the two powerful women could easily defeat him. After Su Chen put the Kunlun Realm and Hongmeng Sky Rulers on his head, he touched his chin and shouted to Zhen Yuanzi,

"Zhen Yuanzi, please use the land loan and I can answer a question for you. Any question is fine."

Chapter 2395

Su Chen felt that if he had a few more powerful spiritual treasures to fight against the thunder punishment, he might be able to survive the thunder punishment without any effort.

Among the quasi-sages on Jinji Ridge,

Kong Xuanhe and Lu Ya are both poor. The two spiritual treasures Lu Ya has are not powerful, and Kong Xuan may not have even one.

The girls of Jin Ling Holy Mother and their spiritual treasures are not very good.

Among the girls of Jie Jiao, only Yunxiao's Hunyuan Jin Dou is not bad.

However,

Su Chen and Jie Jiao have fallen out, and

Su Chen doesn't want Jin Dou. The Divine Mother of the Spirit was in a dilemma with Yunxiao and the other girls. Among the remaining quasi-sages, Su Chen took a fancy to Zhen Yuanzi's Earthly Book and Ancestor Styx's - Twelfth-Rank Industry Fiery Red Lotus.

Zhen Yuanzi was stunned when he heard what Su Chen said.

He did not expect that Su Chen would pick up the spirit treasure from him.

Zhen Yuanzi thought about it and took out the book. He had some secrets that he wanted to ask Su Chen. This The next time Su Chen was able to answer his question, Zhen Yuanzi couldn't miss this opportunity.

Zhen Yuanzi sent the book from the ground to Su Chen and said, "Human Emperor, I can lend you the book from the ground."

Su Chen nodded to Zhen Yuanzi and said,

"Thank you, can you Ask me a question"

"good!"

Su Chen looked at Ancestor Minghe again and said, "Ancestor Minghe, lend me the twelfth-grade fire red lotus, and I can also answer a question for you."

"Can!"

Ancestor Minghe readily gave Su Chen the Twelfth Grade Fire Red Lotus.

He just heard what Su Chen said to Zhen Yuanzi, and

Ancestor Minghe was moved.

Su Chen borrowed his twelve-grade red lotus this time. Pinye Huohonglian, he can also ask Su Chen a question he wants to know afterwards.

"Thank you, Ancestor Styx. You can also ask me a question afterwards."

"good!"

The other quasi-saints on Jinji Ridge looked at Su Chen one by one. They also hoped that Su Chen could borrow their spiritual treasures so that they could ask Su Chen a question, especially the secret that could completely make the saints fall. They These quasi-sages all wanted to know.

At this time,

Zhunti asked Su Chen with a smile, "Human Emperor, do you still need a spiritual treasure? Our senior brothers can also lend it to you."

Su Chen curled his lips when he heard Zhunti's words.

This guy is really shameless. He now has six powerful spiritual treasures. These spiritual treasures are more than enough to survive the thunder punishment. Zhunti still wants to know something. secret

"Zhunti, you see, I already have six powerful spiritual treasures. It is very easy for me to survive the thunder punishment with these spiritual treasures. Forget about your spiritual treasures."

When Zhunti heard that Su Chen didn't need Lingbao anymore, he hurriedly said to Su Chen,

"Human Emperor, my Seven Treasures Wonderful Tree, and my senior brother's twelfth-grade Golden Lotus of Merit and Virtue. We have two innate top-grade spiritual treasures. I only want to ask one question. Is this okay?"

Su Chen looked at Zhunti unexpectedly.

Two top-quality innate spiritual treasures asked a question?

What does Zhunti want to know?

It's his fault. If

Zhunti, a shameless person, asks a question, he doesn't know. Could it be that he Want to fool them once?

Su Chen thought about it and agreed.

"OK, I agree!"

Whoosh!

Zhunti's Seven Treasures Tree and the twelve-level golden lotus of merit also appeared in front of Su Chen in an instant.

Eight powerful spiritual treasures.

Su Chen looked at these powerful spiritual treasures above his head. He I feel like I can get through this thunder punishment just by drinking some wine.

All the Quasi-Saints and Daluo Golden Immortals around me turned dark when they saw the eight powerful spiritual treasures above Su Chen's head. Is it the punishment of crossing thunder?

It's his fault. Su Chen can cross the eight powerful spiritual treasures without exerting any effort at all.

The ancient world of immortality. (To read Baoshuang novels, go to Feilu Novel Network!)

This should be the first time in history. The easiest lightning punishment.

Empress Nuwa and the Queen Mother looked at Su Chen in confusion.

Eight powerful spiritual treasures.

Is this bastard a thunder punishment?

The thunder punishment of heaven may not hurt this bastard even a hair. , they looked at Su Chen and were very speechless.

Jin Ling Shengsheng and Yunxiao girls looked at each other.

They had just taken out their spiritual treasures to help Su Chen, but they thought of the hostility between Su Chen and Jie Jiao. Relationship, Jin Ling Shen Shen and Yun Xiao's girls have put away their spiritual treasures again.

They don't want Su Chen to be injured or die when he is attacked by Thunder Punishment, but they also don't want to betray Jie Jiao. Su Chen now has eight powerful spiritual treasures, Jin Ling Bao The Holy Mother and the girls in Yunxiao were also relieved.

The Holy Mother Guiling was confused at this moment.

After she saw Jin Lingbao and the girls in Yunxiao taking out the spiritual treasures, the Holy Mother Guiling also hurriedly took out the spiritual treasures, but the Holy Mother Jinling He Yunxiao and the girls took back the spirit treasure again.

Madam Guiling looked at the spirit treasure in her hands and was a little doubtful about life.

How could she and her fellow apprentices be like this? Is she really out of sync with her fellow apprentices?

At this moment,

Kong Xuan He Luya was confused.

Empress Nuwa, Empress Wangmu, Empress Xiwangmu, Empress Pingxin, these four powerful female immortals from the ancient times gave Su Chen spiritual treasures one after another. Su Chen also got Zhen Yuanzi, Ancestor Minghe, The spiritual treasure of the Second Saint of the West.

Is this a way to overcome thunder and punishment?

Has there ever been an immortal in the ancient world who can overcome thunder and punishment?

Kong Xuan looked at Lu Ya beside him and asked, "Lu Ya, don't you give that stupid bird a spiritual treasure?" ?"

Lu Ya curled his lips and asked,

"Why don't you give it?"

Kong Xuan replied with a dark face,

"I and others also need to have spiritual treasures"

"Kong Xuan, you, a quasi-sage, don't have a spiritual treasure?"

"No!"

"Kong Xuan, we are really connected by the same fate. Although I have a spiritual treasure in my hand, it cannot be compared with the spiritual treasure above. Even if I take it out, that bastard Su Chen will not look down on it."

After Lu Ya and Kong Xuan talked for a while, they both looked at Su Chen speechlessly. Even if they wanted to help Su Chen overcome the thunder and punishment, it was impossible.

Su Chen had a question that

Kong Xuan and Lu Ya also wanted to ask. Su Chen's question, but one of them is poor and the other is poor.

This opportunity, they both can only miss it in vain.

Boom boom boom.....

Above the Nine Heavens, the thunder punishment gathered more and more powerful, but it has not yet come down.

The entire Great Desolate Immortal World is going dark, with roaring thunder and lightning, and the ordinary creatures in the Great Desolate Immortal World are looking towards the sky in fear, above the Nine Heavens The Heavenly Thunder Punishment was still gathering, and the Heavenly Eyes were still locking on Su Chen indifferently.

Su Chen looked at Jiutianshang with a surprised expression.

The thunder punishment of the Eye of Heaven has not come down for a long time, and the gathered power is becoming more and more terrifying.

Su Chen felt that this thunder punishment was not easy.

"I guess, why do I feel like I'm going to be punished for ninety-nine days? Damn it, I just fooled the law of heaven once, wouldn't the ancient law of heaven impose a punishment of ninety-nine days?".

Chapter 2397

In the prehistoric fairy world, the eyes of heaven above the nine heavens stared at the prehistoric world coldly and coldly.

The entire prehistoric fairy world was completely dark, with thunder and lightning in the sky, deafening thunder, and a scene of the end of the world. This made ordinary creatures in the entire prehistoric fairy world extremely frightened.

"The twenty-fifth thunder punishment is his. The Nine-Nine Heavenly Tribulation shouldn't be so terrifying, right? How is this so much more powerful than the Nine-Nine Thunder Punishment that he had overcome before?"

Su Chen looked at the thunder punishments that continued to fall with confusion.

This was the twenty-fifth thunder punishment.

He felt that the twenty-fifth thunder punishment in the Conferred God period was better than the thirty-fifth thunder punishment in later generations. Punishment is much more terrifying. Su Chen is a little confused about this. It is agreed that it is the Nine-Nine Heavenly Tribulation. Why is the thunder punishment during the Conferred God period more terrifying than the thunder punishment during the Journey to the West? I guess! Is it because the prehistoric fairy world is not broken now? The prehistoric fairy world The Heavenly Way is stronger than the Heavenly Way during the Journey to the West? So the Nine-Nine Thunder Punishment during the Conferred God Period will be much more terrifying than the Thunder Punishment during the Journey to the West? Su Chen thinks that his guess may be right. During the Conferred God Period, the ancient world was broken into four major In Buzhou, the ancient way of heaven must have been weakened a lot, which may lead to the same nine-nine thunder punishment as 433, but the power will be different. Boom boom boom

....

Thunder punishments are still hitting Su Chen one after another, and the eight spiritual treasures are now resisting the thunder punishments without any pressure.

Outside the Jinji Ridge, the Jinling Holy Mother and the six sisters from Yunxiao appeared by a small lake to avoid thunder punishment. They were not with other Jiejiao disciples. The Jinling Holy Mother and the Yunxiao girls also had some secret things to talk to..

Qiong Xiao looked at the Golden Spirit Mother and asked, "Sister, can Su Chen survive the thunder punishment?"

"Okay, that bastard has eight powerful top-grade spiritual treasures, and the Nine-Nine Heavenly Tribulation can't do anything to that bastard."

The Holy Mother of the Golden Spirit clenched her fists and looked at Su Chen in the air.

Su Chen was protected by the eight spiritual treasures.

It was impossible for that bastard to get into trouble.

But she was still a little worried that something would happen to Su Chen. That bastard Su Chen's ability to cause trouble was too powerful. The Holy Mother of the Golden Spirit was worried that Su Chen would cause something else during the Thunder Punishment.

Qiong Xiao breathed a sigh of relief when she heard the words of the Holy Mother of the Golden Spirit. She had been worried about Su Chen just now. Although Su Chen was protected by the six spiritual treasures, But the Nine-Nine Thunder Punishment is very terrifying. Qiong Xiao was worried that Su Chen would not be able to survive the terrifying Nine-Nine Thunder Punishment.

On Sanxian Island,

Su Chen lived with the three sisters for more than a year.

Qiong Xiao did not She was rarely taken advantage of by Su Chen, and Su Chen even secretly appeared in her palace at night. Although Qiong Xiao did not have a relationship with Su Chen, she was also taken advantage of by Su Chen. At this time,

Wudang Mother saw Yunxiao was absent-minded and kept looking in the direction of the Jiejiao disciples in the distance. Yunxiao even kept frowning and thinking about things.

Mother Wudang asked Yunxiao doubtfully,

"Yunxiao, what are you looking at?"

Yunxiao heard Wudang Holy Mother asking her, and she came back to her senses.

Yunxiao had been thinking about what Su Chen said to her.

There was something wrong with Jiejiao Duobao.

Yunxiao didn't believe it at first, but there were many more things that happened today. Bao inadvertently showed an unnatural expression, and Yunxiao believed Su Chen's words. Senior brother Duobao really had a problem.

Yunxiao explained with a cold face, (To read Baoshuang novels, go to Feilu Novel Network!)

"Senior Sister Wudang, do you still remember what Su Chen said? There is a traitor among our Jiejiao disciples, and he is also one of the most favored disciples of the teacher. I suspect it is Senior Brother Duobao."

Our Lady of Wudang exclaimed in surprise when she heard Yun Xiao's words,

"It's impossible. Senior brother Duobao is the teacher's eldest disciple, and he has been in charge of the teaching affairs. How could senior brother be a traitor."

Mother Jin Ling and Qiong Xiao also looked at Yun Xiao. They didn't expect that Yun Xiao would suspect senior brother Duobao. However

, they thought of what Su Chen said. There were traitors among the disciples that Master Tongtian valued most.

They, their senior sisters , The six of them cannot be traitors, and the only ones left are Senior Brother Duobao and Zhao Gongming.

Zhao Gongming is an upright man, straight-talking, quick-hearted, and has no scheming, so he cannot be a traitor.

The only ones left are Taoist Brother Duobao, It's just that Taoist Duobao is the senior brother of Jiejiao. He is inferior to one person in Jiejiao and above ten thousand people. Could Taoist Duobao be a traitor?

Yunxiao looked at several fellow disciples and said,

"Senior sister, Qiong Xiao, Bixiao and I have known Su Chen for more than a year. When Su Chen was at Sanxian Island, he told me that the three senior sisters could be trusted, but she asked me to beware of Duobao, and even asked me to inform the three senior sisters not to Listen to the teacher's instructions in everything."

Our Lady of Wudang exclaimed with a surprised look on her face,

"What? You three sisters have been with Su Chen for more than a year? And Su Chen asked you to remind us that Duobao also has a problem? Can't you just obey everything the teacher says? What exactly is going on? Yun

Xiao shook his head and explained helplessly,

"I don't know, Su Chen didn't tell me the reason at the time, but what happened today, I somewhat believed in Su Chen's words, and I observed that senior brother Duobao was sometimes very uncomfortable, and even Duobao sometimes showed anxiety expression."

The ladies of Our Lady of Jinling fell silent when they heard Yun Xiao's words. Although they did not believe that Taoist Duobao would be a traitor, they would not doubt Su Chen's words. They believed that Su Chen could not deceive them.

One of Our Lady of Turtle Spirits She looked at the Jin Ling Virgin Mother and the other girls in confusion. She did not expect that Su Chen would believe her.

Yun Xiao had said that she believed in the three senior sisters, which must include her, but she had no impression of Su Chen at all. Her I had never thought about Su Chen in my mind.

How could Su Chen believe that she was not a traitor?

Our Lady of Jinling said with a serious face,

"Let's all pay attention to Duobao. If Duobao is really a traitor, I will never let him escape."

The Holy Mother of Wudang and the girls in Yunxiao all nodded.

They should be inseparable that Duobao is a traitor. They will not doubt what Su Chen said, but Taoist Duobao, who is the senior brother of Jiejiao, is a traitor. They almost It was hard for the women to accept it.

Bixiao suddenly shouted to the other women, "Senior sister, look, why is senior brother Duobao missing?"

"Damn it, Duobao won't escape, right?"

The Holy Mother Guiling looked angry.

She guessed that Duobao was taking advantage of the absence of teacher Tongtian. Everyone here was paying attention to Su Chendu Lei Punishment. Duobao wanted to escape from here, and even evaded the interception teacher to attack him. The

Jinling Virgin Mother and her daughters did not expect that Duobao would escape at this time. The escape of Taoist Duobao showed that he was really a traitor. It was impossible for them to pursue Duobao now. Su Chen was undergoing a thunder punishment. They were worried that something might happen to Su Chen during his Thunder Punishment.

The Holy Mother of the Golden Spirit waved her hands and said with a serious face,

"Duobao may have escaped. Let's not worry about him for now. Su Chen is going through the thunder punishment now. Let's wait for Su Chen to go through the thunder punishment first."

"Yes, senior sister!".

Chapter 2398

The Jin Ling Virgin Mother and the other girls ignored Duobao's escape.

In the prehistoric fairy world, it was impossible for Taoist Duobao to escape the pursuit of the saints. No matter where the traitor Duobao fled, he would be found by Tongtian Cult Leader.

Su Chen has passed through more than 50 thunder punishments in the air. Each of the current thunder punishments is more terrifying than the last. The Golden Spirit Virgin Mary and the other girls looked at Su Chen who was going through the tribulation with worried faces.

However, there was nothing on the face of the Turtle Spirit Virgin Mary. With her expression on her face, she frowned, thinking about the relationship between the sisters of the Holy Mother of the Golden Spirit and Su Chen.

It has been more than a year.

At first, it was Our Lady of Jinling and Our Lady of Wudang who were obsessed with Su Chen, and now the three Yunxiao sisters have been added to the list.

What about her?

For more than a year, she had not thought about Su Chen's human race at all. Mother Turtle Spirit could not understand what was going on, nor why Su Chen appeared in the minds of other sisters.

At this time,

Su Chen in the air wanted to scold the heavens.

Who the hell?

Ninety-nine thunder punishments only passed through fifty-three.

Such a terrifying thunder punishment would be worth the power of more than seventy thunder punishments. If The Nine-Nine Thunder Punishment continued to strike down, and Su Chen was worried that the eight spiritual treasures might not be able to protect him.

Whoosh!

The Seven Treasures Tree fell from Su Chen's head.

Su Chen looked at the lost luster of the Seven Treasures Tree. He knew that the Seven Treasures Tree could no longer resist the punishment of heaven.

Su Chen placed the Seven Treasures Tree at the top.

The Seven Treasures Tree was also the first line of defense against the Nine-Nine Thunder Punishment. The Seven Treasures Tree has now lost its luster and cannot withstand the punishment of heaven. The next one is the second-grade golden lotus of merit.

It is impossible for Su Chen to continue to let the Seven Treasures Tree resist the punishment of heaven, otherwise the origin of the tree will be damaged or broken by the punishment of heaven. It is also impossible for that shameless saint Zhunti to let Su Chen destroy his spiritual treasure.

"The Seven Treasures Tree has lost its luster. It seems that the Seven Treasures Tree of Saint Zhunti can no longer resist the punishment of heaven."

"Yes, but isn't this Nine-Nine Thunder Punishment too terrifying?"

"Yes, there are only fifty-three thunder punishments. Each of the future thunder punishments will be more terrifying than the last. Why do I feel that the remaining seven spiritual treasures cannot resist the ninety-nine thunder punishments?"

"Something is wrong with today's Nine-Nine Thunder Punishment. This time's thunder punishment is too terrifying. I guess the power of the eightyth or even the last thunder punishment may be comparable to that of the Zixiao Divine Thunder."

"Is Heaven's will to destroy the Human Emperor Su Chen?"

"I can't tell, it's so weird!"

"Let's take a look. The Nine-Nine Thunder Punishment also appeared for the second time. The last time it appeared was during the period of the Wu Clan. The Nine-Nine Thunder Punishment struck down the ancestral witch Houtu who had transformed into six realms of reincarnation, but the power that time was not as powerful as this time."

Around Jinji Ridge, some quasi-saints gathered together to look at Su Chen who was going through the Thunder Punishment.

This terrifying Nine-Nine Thunder Punishment made them, the Quasi-Saints, feel frightened. The extremely powerful and terrifying Nine-Nine Thunder Punishment, these powerful people couldn't figure out what was going on.

Empress Nuwa, Queen Mother, Queen Mother of the West and Hou Tu were also very confused at the moment. The Nine-Nine Thunder Punishment was unusual this time, and all of them were Can't understand

"This little bastard is going to be in trouble"

"Yes, the Nine-Nine Thunder Punishment is much stronger than when Houtu Empress passed through the Thunder Punishment. I don't know if Su Chen can survive the Thunder Punishment."

Nuwa and the Queen Mother were very worried about Su Chen outside the Thunder Punishment.

After more than fifty thunder punishments, there was already a top-grade innate spiritual treasure in the air that could not resist it. The remaining twenty or so thunder punishments were Each one is more terrifying than the last, and the remaining seven spiritual treasures may not be able to withstand a few terrifying thunder punishments.

"Damn it, Tiandao, do you want to destroy us? Is this his Nine-Nine Thunder Punishment?"

At this moment,

Su Chen shouted angrily at the Heaven above the Nine Heavens.

He understood clearly that this was not the Nine-Nine Thunder Punishment at all. No matter how terrifying the Nine-Nine Thunder Punishment was, (read the Baoshuang novel, Just go to Feilu Novel Network!)

But is it so terrifying?

Sixty thunder punishments, four of the best spiritual saints have lost their effect, and the power of the sixtieth thunder punishment is almost as powerful as the previous eighty-one. The power of thunder punishment, he has twenty-one thunder punishments. Even if Su Chen had eight more top-grade innate spiritual treasures, he would not be able to survive.

Boom boom boom.....

Thunder punishments from above the nine heavens continued to hit Su Chen, with the sixty-first and sixty-second thunder punishments, Queen Mother Xi's Kunlun Realm lost its luster and fell.

With the sixty-fifth thunder punishment,

Hou Tu's Hongmeng Sky Ruler lost its luster and fell down.

With the sixty-ninth thunderbolt, the Queen Mother's Western Suyun Realm Flag fell down.

Above Su Chen's head, only the Mountains, Rivers and Land Map of the Queen Mother Nuwa remained.

"Ha ha....., Su Chen is dead this time."

Tiandao Haotian couldn't help laughing when he saw Su Chen's current situation.

Only sixty-nine thunder punishments had passed, and

Su Chen's eight spiritual treasures had only one left, which was still resisting the sky. Punishment, Nuwa's spiritual treasure can withstand up to three thunder punishments, and her spiritual treasure will lose its luster and be unable to withstand the punishment of heaven.

Su Chen is just a little scum, and a thunder punishment can chop Su Chen into ashes.

Hao Tian looked happy at the moment.

If Su Chen was struck to death by a thunderbolt from heaven, he would be able to sit back and relax in the future. Haotian would not have to worry that Su Chen would have trouble with him, and his heaven would not be torn apart by Su Chen.

Kong Xuan and Lu Ya looked at each other. They did not expect that the Nine-Nine Thunder Punishment would become so terrifying. Su Chen only had one top-grade innate spiritual treasure left, which was not enough to survive the remaining thunder punishment.

"Lu Ya, Su Chen is going to die."

"He is definitely dead. Unless Su Chen wants to take a back-up plan, Su Chen will be dead this time."

"Heaven's thunder and punishment cannot save Su Chen at all. Empress Nuwa is a saint, and she is unable to save Su Chen now."

"Kong Xuan, will you still help Dashang after Su Chen's death?"

"Help, this is what I promised Su Chen. Unless it is beyond my power, I will definitely help to the end."

"Forget it, I will continue to fulfill my promise, hoping that the bastard can still survive the remaining thunder punishment."

Kong Xuan and Lu Ya talked to each other for a while, and then they looked at Su Chen.

Although they were speechless at Su Chen's shamelessness, they did not want Su Chen to die under the thunder and punishment of heaven.

They said to each other They had never experienced this in a million years. They were angry at each other and scolded each other. It felt very good for these two poor guys without Taoist friends.

"Damn it, God, let me see what you can do today....., I guess, God, I was wrong, Sir, please let me go."

Chapter 2399

When Su Chen was passing through the sixty-third thunder punishment, Nuwa's Mountains, Rivers and State Map also lost its luster and fell down. He looked at the heaven above the nine heavens and cursed angrily.

But when the sixty-fourth thunder punishment was brewing,

Su Chen's face turned black.

Purple Sky Divine Thunder?

The sixty-fourth thunder punishment turned into the Purple Sky Divine Thunder.

Su Chen hurriedly begged for mercy without scolding him. This was the Purple Sky Divine Thunder. It was impossible for Su Chen to survive it. Even if he took out The Chaos Clock is of no help either.

Boom boom boom.....

Above the nine heavens, the black thunderclouds now turned purple, and the thunder and roar in the sky became even more deafening, shaking the entire prehistoric fairyland.

The Eye of Heaven is still locked on Su Chen coldly and coldly. The Eye of Heaven without emotion is like a black hole that wants to swallow Su Chen.

Around Jinji Ridge, everyone hurriedly stayed away from Su Chen, and even some Daluo Jinxian stayed thousands of miles away.

Zixiao Divine Thunder?

None of them thought that the Nine-Nine Thunder Punishment would turn into the Zixiao Divine Thunder.

Even a saint would shed a layer of skin when he was going through the tribulation.

Su Chen was just a scumbag Taiyi Golden Immortal. There was no way he could survive it. The terrifying Zixiao Divine Thunder

"Purple Sky Divine Thunder? How could this thunder punishment change?"

"what should we do? Su Chen is dead this time"

"Senior sister, isn't Su Chen doomed? He will be struck by Zixiao's thunder and be destroyed physically and mentally."

"Damn it, I can't save that bastard"

"Thunder Punishment can't be saved at all. Besides, even if we try to save Su Chen, we don't have the ability."

"well! There is nothing we can do. Not even the saints dare to provoke Zixiao Divine Thunder. Our level of cultivation cannot save Su Chen at all."

After seeing the appearance of the Zixiao Divine Thunder, the faces of the Holy Mother Jin Ling and the six Yunxiao girls all turned ugly. It was impossible for Su Chen to survive the ninety-nine thunder punishments.

The appearance of the Zixiao Divine Thunder made it so possible for Su Chen Crossing over?

The ancient Heavenly Dao clearly wanted to kill Su Chen.

At this moment,

Nuwa shouted angrily,

"Damn it, how could the Nine-Nine Thunder Punishment turn into the Purple Sky Divine Thunder? Does the prehistoric heaven must kill Su Chen to death?"

Nu Wa was very angry.

After the Nine-Nine Thunder Punishment passed through the sixty-third strike,

Su Chen no longer had the spirit treasure to resist the Nine-Nine Thunder Punishment. Now the Sixty-fourth Thunder Punishment, the Nine-Nine Thunder Punishment actually Transformed into the Purple Sky Divine Thunder, the Great Heavenly Dao clearly wanted Su Chen to die.

The Queen Mother asked Nuwa nervously,

"Empress Nuwa, what should we do? Could it be that he was watching Su Chen being struck to death by the Zixiao Divine Thunder?"

Nuwa Empress explained helplessly,

"Queen Mother, Heavenly Thunder Punishment cannot be interfered with. We can't save that bastard at all. I will find a way to save Su Chen's soul later. This is also the last resort."

The Queen Mother rubbed her forehead and couldn't figure out the question.

"That's the only way it can be, but I just can't figure it out"

"Su Chen just deceived the Great Desolate Heaven. The Nine-Nine Thunder Punishment dropped by the Great Desolate Heaven was already a very heavy punishment. Why did the Great Desolate Heaven still send down the Purple Sky Divine Thunder? This just doesn't make sense."

After Empress Nuwa heard what the Queen Mother said, she also felt that it was abnormal for the prehistoric heaven to punish Su Chen.

Since the prehistoric heaven sent down the Nine-Nine Thunder Punishment to punish Su Chen, why did it change into the Purple Sky Divine Thunder in the middle?

This is simply unreasonable. If Heaven wanted to destroy Su Chen, wouldn't it just rain down the Purple Sky Divine Thunder?

"Um? Queen Mother, do you mean that this doesn't seem like something done by a selfless God?"

The Queen Mother nodded and said seriously,

"Yes, Su Chen deceived the Great Heaven. The punishment of the Nine-Nine Thunder Punishment issued by the Great Heaven was already too severe. It is impossible for the selfless Heaven to send down the Purple Sky Divine Thunder again."

Empress Nuwa raised her eyebrows in confusion. (To read Baoshuang novels, go to Feilu Novel Network!)

The Queen Mother is right, the ancient world is very abnormal today, is it?

Nuwa suddenly thought of Hong After Daozu Jun and

Daozu Hongjun joined forces, they gained some power from heaven. Empress Nuwa suspected that Daozu Hongjun was behind it.

Hongjun?

Why did Hongjun use heavenly punishment to get rid of Su Chen? Did Su Chen treat Daozu Hongjun? Is there any threat? Or is it because Su Chen sowed discord between the Sanqing Saints?

On Jinji Ridge,

Queen Mother Xi and Hou Tu stood together and looked at each other. Their faces were very anxious at this moment, and the Nine-Nine Thunder Punishment turned into a purple sky. They all knew that it was impossible for Su Chen to resist the divine thunder. Even a saint would be peeled off by the Zixiao divine thunder. How could Su Chen survive the scumbag Taiyi Golden Immortal?

"Queen Mother of the West, let's go find Nuwa. Su Chen may be dead this time. We must find a way to rescue Su Chen's soul."

"Well, I hope that Nuwa Empress has the ability to rescue Su Chen's soul. How could that little bastard provoke the Zixiao Divine Thunder? I can't figure it out."

"Let's go and ask Nuwa what's going on first."

"Um!"

After Hou Tu and Xi Queen Mother talked for a while, they were all helpless. It was impossible for Heaven's thunder and punishment to interfere. It was impossible for them to block Su Chen's thunder and punishment.

Hou Tu and Xi Queen Mother disappeared in the same place in an instant.

They were going to find them. Empress Nuwa, only Empress Nuwa here can save Su Chen's soul.

At this moment,

Zhunti and Jieyin are also very confused, how can the Nine-Nine Thunder Punishment change?

This is completely unreasonable, since the prehistoric heaven has descended on Nine-Nine Nine thunder punishments, it is impossible to change the thunder punishments in the middle, and their brothers are very confused about this.

Zhunti shook his head and said to Jieyin,

"Senior brother, the Human Emperor Su Chen is going to die. Our spiritual treasure was lent to Su Chen in vain."

Jie Yin said with a serious face,

"Something is wrong, junior brother, something is wrong with the thunder punishment this time. I suspect it is not the ancient heaven that is sending the thunder punishment."

Zhunti was very surprised when she heard (Zhao Li's) words of introduction. The words of introduction were very obvious. Wasn't it Heaven's way that sent down thunder and punishment? Only Hongjun Taozu of Hedao can send down thunder and punishment.

He thought for a while and pointed to the air. asked,

"Senior brother, do you mean knowledge?"

Jie Yin nodded and replied,

"Yes, I suspect that Taoist Hongjun is now in control of Heaven's Thunder Punishment. I don't understand why Taozu Hongjun wants to use Heaven's Punishment to get rid of the Human Emperor Su Chen?"

"Hongjun? Why did he use the help of heaven to kill Su Chen?"

"Not sure!"

Thousands of miles away from Jinji Ridge, Emperor Haotian was even more happy when he saw the appearance of the Zixiao Divine Thunder. Originally, the Nine-Nine Thunder Punishment could kill Su Chen, but with the appearance of the Zixiao Divine Thunder, Su Chen would survive no matter what. No more

"Human Emperor Su Chen, you deserve it. Even the law of heaven cannot tolerate you. You still want to be the emperor of the prehistoric world. Let's see how you do this time.....Damn it, what is going on?".

Chapter 2400

When Emperor Haotian was taunting Su Chen, he suddenly discovered that the Zixiao Divine Thunder above the Nine Heavens was disappearing, and even the Nine-Nine Thunder Punishment that had disappeared before reappeared.

Haotian looked confused and couldn't understand, how could the Zixiao Divine Thunder disappear~?

Why did the Nine-Nine Thunder Punishment appear again?

Boom boom boom.....

At this time, the prehistoric fairy world shook violently.

The purple thunderclouds above the nine heavens gradually dissipated, and the black thunderclouds reappeared above the nine heavens.

"How is this going? Has Heaven changed its mind again? Why did the Zixiao Divine Thunder dissipate?"

"I don't understand, I don't understand. What happened to the great world today?"

"Something is wrong. The way of heaven would not be so capricious. There must be something wrong here."

"It is impossible for the ancient way of heaven to be capricious. Could it be that he was controlling the authority of the way of heaven just now?"

"It's possible, but why did that person want to kill Su Chen? Could this be related to the internal strife in the Sanqing Dynasty?"

"You can't say for sure, we are just some quasi-sages, we can't even guess what the saints think."

"Everyone, the Purple Sky Divine Thunder has dissipated and the Nine-Nine Heavenly Tribulation has reappeared. Do you think the Nine-Nine Thunder Punishment will continue to attack the Human Emperor Su Chen?"

"The Eye of Heaven is still locked on the Human Emperor Su Chen, and the ancient Heavenly Dao should still attack the Human Emperor Su Chen."

Around Jinji Ridge, all the quasi-saints gathered together and talked.

The Zixiao Divine Thunder dissipated and the Nine-Nine Thunder Punishment reappeared.

The surrounding quasi-saints were all confused. They all felt that today's prehistoric heaven was unstoppable. Normally, it is even suspected that Daozu Hongjun is controlling the power of heaven.

Empress Nuwa and the four daughters of Queen Mother of the West were stunned at this moment. They were originally discussing to save Su Chen's soul, but Zixiao Shenlei's After dissipating, do they still need to save Su Chen?

"How is this going?"

"I guess the prehistoric way of heaven should have appeared. This is the real way of prehistoric heaven, not the power of heaven controlled by Taoist Hongjun."

"The prehistoric way of heaven appears, so everything should be fine in the morning, right?"

"Maybe, the Eye of Heaven is still locked on Su Chen, we can't take it lightly"

"Yes, the Nine-Nine Thunder Punishment is also very terrifying, and without the Lingbao in Su Chen's hand, Su Chen may not be able to survive the Nine-Nine Thunder Punishment."

"Alas, none of the other spirit treasures in our hands can withstand the Nine-Nine Thunder Punishment. We don't have a powerful spirit treasure to allow Su Chen to survive the Nine-Nine Thunder Punishment."

"Yes, only the best innate spirit treasures can withstand three nine-nine thunder punishments, and the power of the thunder punishment becomes more terrifying as the time goes by. Our other high-grade innate spirit treasures, as well as the low-grade innate spirit treasures, may not even be able to withstand one nine-nine thunder punishments. Neither could resist."

Empress Nuwa and the four daughters of the Queen Mother of the West talked for a while. They all looked up to the nine heavens. They all breathed a sigh of relief at the emergence of the real prehistoric way of heaven. With the emergence of the prehistoric way of heaven,

Taoist Hongjun wanted to control it again. Heaven has the authority to kill Su Chen, and even Heaven cannot agree.

At this moment, the faces of Jin Ling Shen Shen and the other sisters showed smiles, and the Zixiao Divine Thunder dissipated.

They all saw that Su Chen had hope of survival, although Jiujiu Lei Punishment reappears, but Jiujiu Thunder Punishment is impossible to compare with Zixiao Divine Thunder.

"Senior sister, what on earth is going on? The Purple Sky Divine Thunder appears and disappears, this is not normal!"

"Yes, this is indeed unreasonable. Once something is decided by Heaven, it is impossible to change it."

"The ancient way of heaven? Senior sister, what if the previous decision was not made by the prehistoric heaven?"

"hiss! Yunxiao, are you talking about the high and mighty one?"

"Well, that person can control some of the powers of Heaven after joining the Dao. I suspect that the previous thunder punishment was caused by that person."

"How can this be? It was impossible for Su Chen to offend that person, so why did that person want to kill Su Chen with the help of heaven?"

"Junior sister, don't forget that the Three Purities are in internal strife and are even killing each other in the chaos. I guess this is the reason."

The Holy Mother of Jin Ling was talking to Yunxiao and the girls, and all of them had shocked looks on their faces. (To read Baoshuang novels, go to Feilu Novel Network!)

If the guesses of the girls just now are true,

Su Chen Even if he wasn't struck to death by lightning this time, that bastard would face a terrifying existence in the future. At this time,

Su Chen's face turned ugly.

After he saw the Zixiao Divine Thunder dissipate for no reason, he understood that just now It is not the thunder punishment of the prehistoric heaven at all, and even the nine-nine thunder punishment is not the original intention of the prehistoric heaven.

Hongjun?

That old bastard, all this is the fault of that old bastard Hongjun, it's him,

Su Chen didn't Thinking of provoking that old bastard Hongjun

"God, what I just said is true."

"If the prehistoric immortal world is under my rule, you should understand what changes will happen. If the prehistoric fairy world still allows a boy to be the emperor of heaven, Haotian's weak and incompetent boy will not be able to rule the prehistoric fairy world."

"At that time, the prehistoric fairyland will become weaker and weaker, and it will even fall into an ordinary realm in the future, and your authority will be completely stolen by shameless people."

Su Chen looked at Jiutian with a cold face.

Since Hongjun has taken action, he will be targeted by Hongjun even if he retreats.

Su Chen has offended Hongjun invisibly, and he doesn't care about it anymore. Since Offending Hongjun means death. Su Chen decided to offend him to the end. Maybe he still has a chance of survival.

Otherwise,

Su Chen would have to terminate the trial mission and return.

Boom boom boom.....

Above the nine heavens, black thunderclouds rolled and roared, and the eyes of the sky stared at Su Chen indifferently.

After a while, the Eye of Heaven released its lock on Su Chen, but the black thunderclouds above the nine heavens did not dissipate.

"No, I am the Prehistoric Emperor who was canonized by Taoist Hongjun. I am the orthodox Prehistoric Emperor. Heavenly Dao, you cannot send down thunder to strike me. I have not done anything detrimental to the Prehistoric Immortal World."

At this moment, the Heavenly Emperor Haotian shouted with panic.

Haotian didn't expect that the Eye of Heavenly Dao would actually lock on him. This was because Heavenly Dao was going to send down a thunder penalty to strike him.

Haotian couldn't understand why Heavenly Dao wanted to strike Su just now. Chen, why did the Heavenly Dao attack him again in the blink of an eye? Su Chen released the lock on him in the Eye of Heavenly Dao, and he breathed a sigh of relief. The Ancient Heavenly Dao should be able to tell who is more capable of leading the prosperity of the Ancient Immortal World, between him and Haotian.

Damn, this time is really a crisis, but the Great Heavenly Law has arrived so late. Su Chen suspected that Hongjun, that old bastard, had previously deceived the Great Wilderness Heavenly Law.

"Silly Que, weren't you laughing at me just now? Haotian, you can taste eight of the ninety-nine thunder punishments in a short time."
