### Chapter 2401

Su Chen showed disdain on his face after seeing Emperor Haotian's panicked look, and even hearing the cry of Queen Haotian as the Eye of Heaven locked onto her.

An emperor?

Does he still look like a Heavenly Emperor?

A boy is a boy. If Haotian, the Emperor of Heaven, had not had the luck of an emperor, Hongjun might not have canonized Haotian as the Great Emperor of Heaven.

Haotian looked at Su Chen with an angry look and shouted,

"Damn it, Suchen, why do you have to fight with me? I just refused to be an alliance with you, why did you do this to me?"

Su Chen counted his middle fingers to Haotian and said,

"Idiot, I am too lazy to talk to you now, you should think about how to survive the thunder punishment."

Whoosh,

Su Chen appeared next to Nuwa Empress and the four daughters as he spoke. He stretched out his arms and hugged Nuwa Empress's waist and said,

"Nuwa, I was almost struck to death by the purple sky thunder just now. Please comfort me later."

"roll!"

Mother Nuwa panicked when she was suddenly hugged by Su Chen.

She was surrounded by the three daughters of the Queen Mother of the West, and there were other saints and many powerful people around Jinji Ridge. This bastard actually hugged her. Nuwa wanted to kick her. Fly this shameless bastard.

The Queen Mother of the West, the Queen Mother, and Hou Tu all glared at Su Chen, this shameless person. 29

The three of them were nearby.

They did not expect that Su Chen would hug the Nuwa Empress. Is it because the Nuwa Empress was so fierce? Are they powerful? Or is it because Empress Nuwa is a saint of heaven?

Su Chen hugged Empress Nuwa and said seriously,

"Nuwa, Queen Mother, Queen Mother of the West, Hou Tu, I may be in trouble in the future. It was probably Hongjun, that old bastard, who was dealing with me before. Hongjun wanted to kill me."

Empress Nuwa was very helpless when she was being held by Su Chen.

Forget it, the saints and great masters around her had already seen it. Empress Nuwa just broke away from Su Chen's embrace, which was of no use.

Nuwa was helpless and white He glanced at Su Chen and said,

"We all guessed it just now, Su Chen, what are you going to do in the future? Daozu Hongjun is so powerful that it is impossible for us to stop Hongjun from killing you. Queen Mother Xi rubbed her forehead and said,

"Yes, Taoist Hongjun is the number one person in the prehistoric immortal world. If he wants to kill you, you can't avoid him at all."

The Queen Mother asked with a puzzled look on her face.

"Su Chen, why did you provoke Taoist Hongjun? Hou

Tu shook his head and said,

"Su Chen, we have no way to save you. Hongjun can kill us with just one blow. Even if we want to save you, it's impossible."

Su Chen was very happy when he saw that the four women all cared about him. Su Chen felt very satisfied with the care of four charming beauties. These are a saint and three accurate people. Holy.

Su Chen smiled and said,

"I have a way to prevent Hongjun from taking action against me, but, Nuwa, you may be expelled from the ancient world by heaven."

After Nuwa heard Su Chen's words, she thought of Su Chen's previous threats to Sanqing. Su Chen wanted the Great Desolate Heaven to ban saints from appearing in the Immortal World.

Nuwa didn't know what Su Chen could do to make the Great Desolate Heaven agree, but She felt that Su Chen might be able to do it,

"Su Chen, do you want to expel all saints from the ancient world? Su

Chen nodded, hugged Nuwa tightly and said, "Well, this is the only way I can stop Hongjun from attacking me. I just want to wrong you.""

Nu Wa smiled and said nonchalantly,

"What's the point? I have always lived in chaos. If I don't come into the prehistoric immortal world, I won't come in. However, Su Chen, do we want the three corpses of our saint to be kept out of the prehistoric immortal world?"

"The three corpses of the saint will not be stopped outside the prehistoric fairyland, and I have no ability to stop them."

"This is not bad. Although I can't come to the ancient world, it will be the same as long as the three corpses can come to the ancient world."

The Queen Mother of the West, Hou Tu, the Queen Mother, and the Queen Mother heard the conversation between Su Chen and Nuwa Queen Mother.

The three of them did not expect that Su Chen would have such an idea. (To read Baoshuang novels, go to Feilu Novel Network!)

However,

Will the Primordial Heavenly Way expel the saints from the Primordial Immortal Realm?

Can this bastard do it?

If Su Chen can really make the Primordial Heavenly Dao expel all the saints, there will be no saints in the Primordial Immortal Realm in the future. Innate powers like them will not exist in the Primordial Immortal Realm. Although we are afraid of hands and feet, this is very good news for the quasi-sage powerful people in the ancient immortal world.

Boom boom boom.....

At this time, the Nine-Nine Thunder Punishment began to strike at the Emperor Haotian.

Outside the Jinji Ridge,

Emperor Haotian's Haotian Realm, Haotian Tower, and Haotian Sword all appeared one after another to resist the thunder punishment, but Haotian's Among these spiritual treasures, the most powerful ones are the top-grade innate spiritual treasures. After more than ten thunder punishments at most, these spiritual treasures in Haotian will lose their luster and fall down, unable to withstand the thunder punishment.

Queen Mother Xi looked at the hacked Haotian and mocked, "Haotian is dead this time!"

Su Chen shook his head and said,

"No, Haotian can't die, that old bastard Hongjun will definitely save Haotian. Queen Mother Xi asked in surprise, "Su Chen, you mean Hongjun will save Haotian?" Su

Chen nodded and replied, "Hongjun will definitely save Haotian. Haotian represents him in the prehistoric fairy world. Hongjun cannot watch Haotian fall under the punishment of thunder.""

Empress Nuwa explained with a serious face,

"Yes, Haotian represents Hongjun's face after all, and it is impossible for Hongjun to watch Haotian die."

After the three Queen Mothers of the West looked at each other, they all looked at Haotian who was being punished by thunder. If Haotian is rescued by Hongjun's spiritual treasure later, doesn't it mean that Hongjun will also appear later?

Su Chenyi What will they do?

Hongjun will definitely get rid of Su Chen when he arrives.

At this moment, the surrounding quasi-sage powerful men did not look at Haotian who was struck by thunder. They, the innate powerful men, were all stunned.

Su Chen held Nuwa in his arms. Empress?

All the powerful people in the ancient immortal world did not expect that Su Chen would hold 847 Empress Nuwa openly and openly.

This was simply too outrageous.

They, the powerful experts, originally guessed that the relationship between Su Chen and Nuwa was abnormal, but Su Chen Chen hugged Nuwa in front of the public, which made them all unbelievable.

"I gathered together, the Human Emperor Su Chen hugged the Queen Mother of the West again, is this his? Is this eating from both sides?"

"Take it all? This applies to both left and right. Don't forget that Su Chen also has the Queen Mother and Ping Xin by his side."

"I'm talking about the way of heaven, is Su Chen going against heaven and going against it completely?"

"A scumbag Taiyi Golden Immortal, Su Chen not only gained the admiration of Nuwa, but also the Queen Mother, the Queen Mother of the West, and Ping Xin."

"Su Chen was so unbelievable. With one female saint and three powerful innate female quasi-sages, no one in the prehistoric fairyland would dare to touch Su Chen."

The surrounding innate powerful people were even more confused at this moment.

Su Chen hugged the Nuwa Empress, which made them confused. But Su Chen hugged the Queen Mother of the West, hugging him from left to right. Su Chen made all the powerful people around him confused. They were all stunned.

At this moment,

Queen Mother Xi stared at Su Chen with shame and anger.

She did not expect that Su Chen also hugged her. This bastard held Nuwa Empress with one hand and her with the other. Queen Mother Xi was ashamed and angry. I want to chop this shameless guy to death with my hand,

"Bastard, let me go, you shameless person, do you want me to lose face in the world of immortality?".

Chapter 2402

The Queen Mother of the West looked ashamed and angry at this moment.

She did not expect that Su Chen would hug her as well.

This shameless bastard, the Queen Mother of the West wanted to break away from Su Chen's arms, but she didn't want to break away from Su Chen's arms. Su Chen was holding Nuwa Empress. At that time, she felt very uncomfortable and even angry that Su Chen didn't hug her.

But Su Chen hugged her, and

Queen Mother Xi felt happy and ashamed.

She seemed to have experienced this feeling countless times. Su Chen's embrace felt strange and familiar to her.

Su Chen hugged Queen Mother Xi and Nuwa Empress tightly. He looked at the four girls beside him and said with a smile,

"Don't struggle. We are destined to be married. Nuwa, Queen Mother, Queen Mother of the West, and Hou Tu. You will all be my wives in the future. You should also be very familiar with me in your hearts. This is the thread of fate that connects us. together.

Hou Tu glared at Su Chen and said disdainfully, "You are talking nonsense. I have nothing to do with you."

Su Chen looked at Hou Tu and said with a smile,

"Is it? Houtu, you have a small red mole on your belly, a tear-shaped small red mole, and when you touch your small red mole, you will feel weak all over. Am I right?"

"Shameless!"

Hou Tu wanted to shut Su Chen's mouth immediately with a face of shame and anger. She didn't expect that Su Chen even knew this private matter.

Hou Tu thought that he had been thinking about this shameless bastard recently. Could it be that he and this little 287 bastard were really in love with each other? Marriage? Otherwise, how could this little bastard know her privacy?

"Ha ha....."

Su Chen's face turned red when he saw Hou Tu.

He couldn't help but remember that he knew basically all Hou Tu's privacy.

In later generations, although Su Chen did not capture Hou Tu, he and Hou Tu He has also been honest with her, and he even knows every inch of Houtu's skin.

Queen Mother, Queen Mother of the West, and even Queen Nuwa became more and more speechless. They did not doubt Su Chen's words at all.

The better they get to know Su Chen, the more closely Nuwa and the girls feel that they are related to Su Chen, even as if they are Su Chen's women in the first place.

Boom boom boom.....

At this moment,

Heavenly Emperor Haotian has survived more than ten thunder punishments. The power of the first dozen of Nine-Nine Thunder Punishments is not terrifying, but Haotian's spiritual treasure is only supported by one Haotian Tower.

However, after a few thunder punishments at most,

Haotian's Haotian Tower will lose its luster and fall down.

"Master, please save Tong'er, Tong'er doesn't want to die yet."

At this moment (cjeb),

Haotian couldn't hold on when he saw his spiritual treasure. He hurriedly shouted into the air.

Haotian guessed that Hongjun must be paying attention to this place.

He could only hope that Hongjun could save him now. one life

"The Great Emperor? Is this him? Haotian is like a heavenly emperor who rules the prehistoric immortal world?"

Su Chen's face turned dark when he heard Haotian's plea for help.

What the hell, a majestic prehistoric emperor is such a scornful person?

There is such an emperor in the prehistoric immortal world, and the face of the prehistoric immortal world will be given to Haotian. Lost everything

"Haotian is so embarrassed"

"Yes, Haotian is not worthy of being the Great Emperor of Heaven at all."

"It's so shameful. There is such a heavenly emperor in the ancient immortal world. It really brings shame to the ancient immortal world."

"Alas, a boy, even if he becomes the Emperor of Heaven, he is still a boy at heart."

The Queen Mother and Nuwa Queen Mother looked at Haotian asking for help. They were all speechless. For a prehistoric emperor and a quasi-sage,

Haotian shamelessly asked for help, and even used his identity as a boy to save Hongjun. Take action to save him. Such a person is not worthy of being the emperor of the ancient immortal world.

There is such an emperor in the ancient immortal world who is greedy for life and afraid of death. This is an insult to the ancient immortal world and the ancient way of heaven.

"The Great Emperor? It's still really embarrassing!" (To read exciting novels, go to Feilu Novel Network!)

"Taoist Hongjun should not have canonized Haotian as the Great Emperor of Heaven"

"A quasi-sage and a heavenly emperor, Haotian is really not as good as the Human Emperor Su Chen"

"Yes, although Human Emperor Su Chen has eight great spiritual treasures, Human Emperor Su Chen is just a scumbag Taiyi Golden Immortal. Moreover, Human Emperor Su Chen did not treat Nuwa after the spiritual treasures became useless one after another. The empress and the other girls are asking for help. Haotian and the Human Emperor Su Chen are no match at all."

"It's so shameful. It's a misfortune for the prehistoric immortal world to have such a heavenly emperor."

"Alas, Haotian is the boy of Taoist Hongjun. We quasi-sages, even those saints, oppose it to no avail."

Around the Golden Rooster Ridge, some quasi-sage powerful men spoke one after another, even showing disdain for Haotian who was undergoing a thunder punishment.

Haotian was greedy for life and afraid of death, and even shamelessly asked for help. They were all very Look down on it.

A majestic Emperor of Heaven, a majestic innate quasi-sage,

Haotian is simply not worthy of being the Emperor of Heaven in the prehistoric immortal world.

"Senior brother, the Emperor of Heaven that Hongjun canonized will completely embarrass him."

"Junior brother, Haotian is just a boy, do you still expect him to do anything?"

"Senior brother, I think the weaker and incompetent Haotian is, the better it is for our Buddhism. The East has outstanding people and rich products, but our West is too poor. If Buddhism wants to flourish, we must plunder the spiritual roots and spiritual treasures of the East, and even Send some disciples with outstanding spiritual roots to the West"

"Well, that makes sense!"

Zhunti and Jieyin looked at Haotian and shook their heads one after another.

They were furious when they looked at the cowardless Great Heavenly Dao.

However, the more weak and incompetent Emperor Haotian became, the more their brothers and sisters wanted to carry forward Western Buddhism. It was advantageous.

Whoosh!

At this time, a small cauldron appeared above Haotian's head instantly, and the twenty-second thunder punishment was instantly blocked by the small cauldron.

"Thank you sir!"

Haotian saw a small cauldron appear to help him resist the thunder punishment.

He recognized the small cauldron. It was Daozu Hongjun who took action. A smile appeared on Haotian's face.

A Qiankun cauldron that is comparable to an innate treasure.

This is A defensive treasure, the Qiankun Ding is the same as Lao Tzu's Xuanhuang Exquisite Tower of Heaven and Earth.

They are both powerful defensive treasures.

Moreover, the Qiankun Ding can also turn the acquired spiritual treasures into innate ones.

"Qiankun Ding?"

Su Chen suddenly saw the Qiankun Ding appear and help Haotian resist the Nine-Nine Thunder Punishment. He knew that Hongjun, that old yin, had taken action.

Damn it,

Hongjun still didn't give up on Haotian's puppet. This was contrary to his guess. They are exactly the same. Hongjun still wants Haotian to continue to help him control the prehistoric immortal world.

The Qiankun Ding, which is comparable to the innate treasure, and the God-killing Spear, which is comparable to the innate treasure. These spiritual treasures are all in Hongjun's hands. Su Chen Are you thinking about taking back the Qiankun Ding first?

"Qiankun Ding, come here!".

Chapter 2403

Su Chen thought about it and decided to take back the Qiankun Ding. Hongjun had already taken action against him, and the hatred had been forged. They would fight to the death in the future, so there was no need for him to shrink back.

At this moment,

Haotian looked happily as he watched the Qiankun Ding resist the thunder punishment for him.

It is comparable to the innate treasure of the Qiankun Ding. This is a very powerful spiritual treasure. It is now the thirty-fifth ninety-nine thunder punishments, but The Qiankun Cauldron is still bright and shiny without any damage.

Haotian feels that the Qiankun Ding can withstand the fiftieth thunder punishment.

When the time comes,

Taoist Hongjun will definitely use other spiritual treasures to help him, whoosh!

"Holy shit!"

Boom!

When the thirty-sixth thunder punishment came down, Haotian looked at the terrifying black thunder punishment indifferently.

With the Qiankun Cauldron here,

"Eighty-nine-seven." He didn't care about the Nine-Nine Thunder Punishment at all, but the Qiankun Cauldron above Haotian's head suddenly disappeared, and the thirty-sixth Thunder Punishment struck him instantly.

"Cough cough cough...."

Haotian's clothes were in tatters at the moment, and he was coughing and vomiting blood. He had not been alert to the Nine-Nine Thunder Punishment to strike him just now.

If he hadn't been a quasi-sage,

Haotian might have fallen into the thunderous punishment just now.

The sudden disappearance of the Qiankun Cauldron made Haotian confused.

Haotian shouted in embarrassment, "Where is the Qiankun Ding? Where is Daozu's Qiankun Ding? Why did it suddenly disappear?"

At this time,

Nuwa, the Queen Mother, and many powerful people around, and even Zhunti and Invite all the disciples of the two saints, Jie Jiao, Chan Jiao, and Ren Jiao.

Everyone around Jinji Ridge looked at Su Chen in confusion, especially when they saw the Qiankun Ding in Su Chen's hand.

Why did Daozu Hongjun's Qiankun Ding appear in Su Chen's hands? How could Su Chen accept the spiritual treasure of Taoist Hongjun?

"Su Chen, why would the Qiankun Ding obey your orders?"

"Shameless bastard, you can actually control the Qiankun Cauldron of Daozu Hongjun?"

"How is this possible, little bastard, how did you do it?"

"Su Chen, what on earth is going on? How can you still control Hongjun's Qiankun Cauldron?"

The four daughters Queen Mother and Nuwa asked in surprise.

They were confused by Su Chen now. The Qiankun Ding is the spiritual treasure of Taoist Hongjun. Su Chen is just a scumbag. How could he control Hongjun?" Jun Daozu's spiritual treasure?

Su Chen touched the trembling Qiankun Ding in his hand.

He felt the excitement of the Qiankun Ding. It is the top-grade innate spiritual treasure.

Su Chen promoted the Qiankun Ding to the level of the innate treasure in later generations. He was promoted to the Qiankun Ding. Not only was a lot of Su Chen's immortal materials, but he even wasted three crystals of the origin of heaven.

Su Chen handed the constantly vibrating Qiankun Cauldron to Nuwa Empress and said,

"The Qiankun Ding was originally my spiritual treasure. Nuwa, I give the Qiankun Ding to you. If you don't have a defensive spiritual treasure, you will suffer losses when fighting those saints in the future. I will count on you to protect me from now on."

Nuwa Empress took the Qiankun Ding and said with a smile,

"Little bastard, did you really give me the Qiankun Ding? This is an existence that is comparable to an innate spiritual treasure, and it can turn the spiritual treasure into an innate one. It even has amazing defensive capabilities."

Su Chen curled his lips when he heard what Nuwa said.

The Qiankun Ding was originally the spiritual treasure of Nuwa, and he already had the innate treasure Chaos Clock. The Qiankun Ding was a waste in his hands. Su Chen might as well take the Qiankun Ding. Give the tripod to Nuwa.

With the Qiankun Ding, it will be much easier for Nuwa to fight with other saints in the future.

"Of course, you are the most powerful here, and my future life depends on your protection."(To read Baoshuang novels, go to Feilu Novel Network!)

Empress Nuwa nodded and accepted the Qiankun.

The Qiankun Ding was very peaceful in her hands. Nuwa didn't know whether it was because of Su Chen or because of Su Chen. She was destined to have the Qiankun Ding, and she was very satisfied with this top-notch innate spiritual treasure.

"Haha, I accepted it. I have used the Qiankun Ding when patching the sky. I also have a special liking for the Qiankun Ding. It seems that the Qiankun Ding was originally my spiritual treasure."

Su Chen shook his head speechlessly.

The Qiankun Ding originally belonged to Nuwa. That old bastard Hongjun cut off Empress Nuwa's Qiankun Ding. In order to gain merit, that old bastard Hongjun plotted against all the saints..The Queen Mother, the Queen Mother of the West, and Hou Tu, they were not unhappy when they saw Su Chen giving the Qiankun Ding to Nuwa. The Qiankun Ding could indeed play a huge role in the hands of Nuwa. She will be more powerful than the innate treasure of the Qiankun Ding, which can also better protect this little bastard. Around Jinji Ridge, all the powerful people saw Su Chen handing the Qiankun Ding to Nuwa Empress. Maybe he was even more confused. He gave away an innate treasure as soon as he gave it away. Was the Human Emperor Su Chen a prodigal? Or was he just trying to pick up a beautiful woman?

"You said that Su Chen robbed Taoist Hongjun's spiritual treasure, would Taoist Hongjun take it back?"

"Maybe Taoist Hongjun will come and kill Su Chen"

"No, it's impossible that Human Emperor Su Chen didn't know what happened to him after he robbed Hongjun Taoist Ancestor Lingbao. I guess Human Emperor Su Chen had someone to deal with."

"Yes, Human Emperor Su Chen is not a reckless person, and how could Su Chen, a scumbag Taiyi Golden Immortal, control Hongjun Daozu's Qiankun Ding?"

"I don't understand, but Haotian, the Emperor of Heaven, is in trouble. Without the Qiankun Ding to help Haotian withstand the Nine-Nine Thunder Punishment, Haotian will perish if he can't endure a few thunder punishments."

"Yes, do you think Taoist Hongjun will still help Haotian?"

"Not sure!"

The powerful people around looked at Su Chen and shook their heads speechlessly.

They were all testing the possibility of Daozu Hongjun not reacting in 4.4. The Qiankun Ding was taken back by the Human Emperor Su Chen. If Daozu Hongjun could not take back the Qiankun Ding, then Taoist Hongjun will definitely come to the prehistoric immortal world.

Boom boom boom.....

The nine-nine thunder punishments above the nine heavens are constantly striking the Emperor Haotian.

At this moment, Haotian is vomiting blood.

He can't hold on any longer.

If Taoist Hongjun doesn't save him, there will be three more heavenly thunder punishments. Haotian He will fall and be punished by Jiujiurei.

Human Emperor Su Chen?

How could that bastard steal Daozu Hongjun's Universe Cauldron?

This is simply impossible to happen

"Haotian, you should ask your master Hongjun for help quickly, otherwise you will fall under the punishment of thunder."

Chapter 2404

Su Chen looked at the Heavenly Emperor Haotian who was constantly vomiting blood. He guessed that Haotian could not withstand a few thunder punishments.

However, why didn't Hongjun use Lingbao to save Emperor Haotian? Where's the God-killing Spear? Why doesn't Hongjun use the God-killing Spear to help Haotian resist the law of heaven? Su Chen also wanted to get the God-killing Spear.

After the Heavenly Emperor Haotian heard Su Chen's cry, he glared at Su Chen vomiting blood with an angry face and said,

"Suchen, you damn bastard, I will never.....Ahem, I will never let you go in the future."

Su Chen mocked disdainfully,

"Tsk, Haotian, if you don't ask that old bastard Hongjun for help, your life will be over."

Haotian looked at the thunder punishments above the nine heavens with despair.

He had resisted four thunder punishments.

The further back he went , the more powerful the nine nine thunder punishments were.

Haotian's mana was about to be exhausted. His body was not only He was seriously injured, and his soul was somewhat broken.

If Taoist Hongjun didn't save him, he wouldn't be able to survive the thirty-eighth ninety-nine thunder punishments.

"Master, please save Tong'er, please save me again."

Whoosh!

Just after Emperor Haotian asked for help from Hongjun, a long black spear appeared above Haotian's head. The ninety-nine thunder punishment that had just been dropped was blocked by the black spear.

"Thank you sir, thank you sir!"

Haotian saw the reappearance of Daozu Hongjun's spiritual treasure, the God-killing Spear, which was also a powerful spiritual treasure comparable to the innate treasure. A smile appeared on his face.

However,

Haotian suddenly thought that Su Chen could snatch it Taoist Hongjun's spiritual treasure, he looked at Su Chen with a wary face. Haotian was worried that Su Chen would snatch away Taoist Hongjun's God-killing Spear. The saints and powerful men around Jinji Ridge also looked at it at this time. To Su Chen,

Taoist Hongjun used another spiritual treasure to help Haotian resist heaven's punishment. They saints and innate powers all wanted to know if Su Chen could still control this spiritual treasure of Taoist Hongjun.

"Senior sister, can Su Chen still control this spiritual treasure of Daozu Hongjun~?"

"I don't know, but Su Chen previously controlled Daozu Hongjun's spiritual treasure Qiankun Ding. I can't guess this time."

"I can't guess it either. Yunxiao, you and Su Chen are familiar with each other. Can you guess it?"

"Senior sister, I can't guess that Su Chen is a lawless bastard. The things that bastard did today are extremely unnatural, but Su Chen is still alive and well. I can't see through that bastard Su Chen."

"hehe....., eldest sister, Su Chen is a lucky person who has his own destiny."

"Bixiao, Su Chen, good people don't live long, but harm will last for thousands of years."

"Okay, everyone, let's stop talking. Let's see if Su Chen can control Daozu Hongjun's spiritual treasure again."

"Yes, senior sister!"

After the Holy Mother Jin Ling talked with the Yunxiao girls for a while, they were all very speechless towards Su Chen.

Su Chen just said a word,

Hongjun's Lingbao Qiankun Ding returned to Su Chen's hand, and

Hongjun Taoist Patriarch returned to Su Chen. Using a spiritual treasure to help Haotian resist heaven's punishment, the senior sisters all wanted to know whether Su Chen could still control Taoist Hongjun's spiritual treasure this time.

Empress Nuwa stared at Su Chen with beautiful eyes and guessed, "Su Chen Chen, you're not going to steal Hongjun's spiritual treasure, are you?"

Su Chen nodded and replied,

"Well, the God-killing Spear is my spiritual treasure. Of course I will take back the God-killing Spear."

The Queen Mother of the West mocked after hearing Su Chen's words,

"Tsk, why didn't you say that all the powerful spiritual treasures in the prehistoric immortal world belong to you, bastard?"

Su Chen hugged Queen Mother Xi's plump waist again and said,

"Ahem, Queen Mother of the West, in addition to the innate treasures in the hands of saints and the jade butterfly in the hands of Hongjun, I can basically control all the powerful spiritual treasures in the prehistoric fairy world."

"You are talking nonsense!"

The Queen Mother of the West glanced at this bastard.

She did not expect that Su Chen would hug her again, and the bastard's hand was touching her waist. She was too lazy to pay attention to this shameless bastard. The Queen Mother of the West just told the bastard to stop, Su Chen couldn't possibly listen to her.

Moreover,

King Xi didn't believe what Su Chen said at all. Although Su Chen could control some powerful spiritual treasures, she didn't believe that Su Chen could control all the powerful spiritual treasures in the prehistoric fairy world.

Su Chen He touched Queen Mother Xi's smooth little face and said, "Beauty, do you think I can control Hongjun's God-killing Spear?"

"I have no idea!"

"Want to bet, beauty?"

"Do not hit!"

The Queen Mother of the West rolled her eyes at Su Chen. (To read Baoshuang novels, go to Feilu Novel Network!)

Is she a fool?

Su Chen just said clearly that the God-killing Spear belongs to him, would the Queen Mother of the West be stupid enough to make a bet with Su Chen?

Su Chen curled his lips and looked at Queen Mother Xi.

He didn't expect that Queen Mother Xi didn't believe him just now, and now she didn't dare to bet with him. Is Queen Mother Xi smart or cautious?

Su Chen looked at Nuwa and the three daughters again and asked, "Nuwa, after all Tu, Queen Mother, do you want to bet with me?"

Nuwa Empress glared at Su Chen and mocked,

"Little bastard, are you an idiot for blocking us? You just said that the God-killing Spear is also your spiritual treasure. Would we be foolish enough to make a bet with you?"

I guess!

Su Chen was confused for a moment.

Did he just say these words?

Su Chen patted his forehead and was very speechless.

He was also confused.

No wonder the Queen Mother of the West didn't make a bet with him.

Since Su Chen said that the God-killing Spear was Damn it, how could these women return his bet?

The Queen Mother and Hou Tu also had mocking expressions on their faces. They looked at Su Chen's speechless look and found it a little funny.

This little bastard would forget what he just said.

They all wanted to know Su Chen was thinking about something bad again that would make him forget what he just said.

"God-killing Spear, come here!"

Su Chen saw that Haotian had survived several more thunder punishments. He shouted to the God-killing Spear that was helping Haotian resist the Thunder Punishments.

Huh?

Why didn't the God-Killing Spear react at all?

Is this wrong?

The God-killing Spear is the same as the Qiankun Cauldron.

Su Chen uses immortal materials and the crystallization of the origin of heaven. He upgraded the God-killing Spear to an innate treasure.

Why doesn't the God-killing Spear react at all?

The Queen Mother asked Su Chen in confusion, "Su Chen, what's going on? Why didn't your God-killing Spear respond?"

Empress Nuwa, Queen Mother of the West, and Hou Tu, the three of them also looked at Su Chen in confusion. Su Chen called out the Qiankun Ding before, and the Qiankun Ding returned to Su Chen's hand. Why is there no God-killing Spear this time? Any reaction?

After Su Chen checked what happened to the God-killing Gun, he shouted angrily,

"Damn it, that old bastard Hongjun actually used the law of space to block the connection between the God-killing Spear and the outside world."

"Space laws? hehe...., you little bastard knows the laws of space, Hongjun is going to miscalculate again this time."

Chapter 2405

Empress Nuwa laughed when she heard Su Chen's words.

She knew that Su Chen knew the laws of space, and that Su Chen had mastered the laws of space to a great extent.

Hongjun used space laws to block the God-killing Spear, which was of no use to Su Chen. Su Chen could break Hongjun's space blockade on the God-killing Spear without any effort.

After the Queen Mother and the three daughters heard what Nuwa said, they looked at Su Chen and were very speechless.

They felt that Hongjun was going to miscalculate again this time. Hongjun should have never suffered a loss, but today one after another happened to Su Chen. If he suffers a loss, Hongjun may be very angry for a while.

At this moment,

Haotian laughed and mocked Su Chen,

"Ha ha....., Su Chen, you bastard must have miscalculated this time. How could Daozu's spiritual treasures be controlled by you one after another? No matter how you scream, it is impossible for Daozu's spiritual treasures to obey your orders."

Haotian was also very worried just now.

When Su Chen called for the God-killing Spear,

Haotian's palms were sweating. He was worried that the God-killing Spear would respond to Su Chen like the Qiankun Cauldron, but Su Chen called for it this time. After using the God-killing Spear, there was no reaction at all from the God-killing Spear that was helping him resist the thunder punishment. Haotian looked at the God-killing Spear and completely put down his worries.

"idiot!"

Su Chen heard Haotian's words and mocked with disdain, a villain, a fearful ghost who pretends to be powerful. If it weren't for Hongjun, Haotian would have been killed by those saints.

Haotian threatened with an angry look,

"Su Chen, you have offended the Dao Ancestor. After the Great Desolate Heavenly Dao retreats, you will definitely die without a burial place. Su

Chen also threatened Haotian with a cold face,"Haotian, do you believe that I can make you die under the punishment of thunder now?""

"I....."

"Say it, Haotian, keep talking, if you dare to say harsh words to me again, I will let the ancient heaven rain down the purple sky thunder to strike you."

What the hell, is Su Chen trying to scare himself?

Haotian doesn't dare to taunt Su Chen anymore.

This bastard Su Chen is too elusive. The abnormality of the Great Desolate Heavenly Dao today also scares Haotian. He is worried that the Great Desolate Heavenly Dao will hear it. Su Chen's words will really bring down the purple sky thunder

"coward!"

Su Chen curled his lips and looked down on Haotian very much. He didn't even dare to say harsh words to the Emperor of Heaven. Haotian is really a waste.

"break!"

Su Chen activated the space law and waved at the God-killing Spear.

Bang!

A blue barrier suddenly appeared around the God-killing Spear, and then the blue barrier suddenly shattered.

"God-killing spear, come back!"

Whoosh!

Su Chen just shouted at the God-killing Spear, and the God-killing Spear appeared in his hand instantly.

Su Chen pointed at Haotian with the God-killing Spear and laughed,

"Haotian, if you don't want to die, continue to ask for help from your master Hongjun, hahaha....."

When Haotian saw Su Chen recalling the God-killing Spear, he shouted in shock,

"How can it be? How can you, a bastard, still control Daozu's God-killing Spear?"

Haotian looked at Su Chen in confusion.

He didn't expect that Su Chen would also control Hongjun's God-killing Spear.

How could this be possible?

Su Chen controlled Daozu Hongjun's spiritual treasure once, why did he control it a second time?  
Can he still control the spiritual treasure of Taoist Hongjun?

How did that scumbag do it?

Su Chen was stunned when he saw Haotian.

After thinking about it, he reminded Haotian,

"Idiot, the forty-second thunder punishment is about to fall. If you don't call for help, you will be struck by the lightning punishment and your body and soul will be destroyed."

Su Chen wanted to know what other spiritual treasures Hongjun had besides the Chaos Spiritual Treasure Good Fortune Jade Butterfly. (To read Baoshuang novels, go to Feilu Novel Network!)  
The

Qiankun Cauldron and the God-killing Spear Hongjun were both Hiding it privately,

Su Chen wanted to know what other spiritual treasures Hongjun had hidden secretly. He also had some goals in order to blackmail Hongjun in the future.

After Haotian heard what Su Chen said, he saw the 4299th Thunder Punishment It was about to fall.

Haotian panicked. He couldn't resist the forty-second ninety-nine thunder punishments. Haotian's face was pale and he hurriedly asked for help,

"Master, help me. Master, your spiritual treasures have been taken away by the Human Emperor Su Chen. Please find a way to save the child's life."

The quasi-saints around looked at Su Chen and shook their heads. They just thought that Su Chen failed to control the God-killing Spear, but after a blue space barrier was broken by Su Chen, the God-killing Spear returned to Su Chen's hands..

The surrounding powerful people guessed that Hongjun had manipulated the God-killing Spear into a space barrier?

Daozu Hongjun actually used the laws of space to isolate the God-killing Spear from the outside world. Moreover, the surrounding powerful people did not expect that Su Chen He actually knew the laws of space, and even broke the space aura blockade imposed by Daozu Hongjun on the God-killing Spear.

"Senior Sister Jin Ling, that bastard Su Chen is so weird. That bastard can actually understand the laws of space."

"Yunxiao, Su Chen should have mastered the law of space to great perfection, otherwise Su Chen would not be able to break the barrier of space law of Daozu Hongjun."

"Yes, Suchen is so surprising. What else could I expect in Suchen? What else can stump that bastard?"

"These two items are comparable to innate treasures. The Qiankun Ding Su Chen gave to Empress Nuwa. Who will Su Chen give the God-killing Spear to?"

"Bixiao, stop drooling. Su Chen can't hand over the God-killing Spear to us. Su Chen wants to hand over the God-killing Spear to one of us. Do we dare to ask for it?"

"Senior Sister Wudang, I am just greedy, the God-killing Spear is comparable to an innate treasure."

The Holy Mother of Jin Ling and the girls in Yunxiao looked at Su Chen and were very speechless.

Su Chen got the second spiritual treasure that was comparable to the innate treasure. That bastard was still bewitching Haotian to ask for help from Taoist Hongjun. Su Chen was preparing Do you want to empty Taoist Hongjun's spiritual treasure?

Su Chen took the God-killing Spear and asked the Queen Mother of the West and her daughters, "Which of you needs the God-killing Spear?" Hou

Tu shook his head and replied,

"I do not need! Queen Mother Xi also shook her head and said, "I have the best innate spiritual treasure in the Kunlun realm, and I don't want to use it either.""

"I have the Western plain cloud border flag and I don't need it either."

The Queen Mother wanted to kill the God-killing Spear, but she thought that it was the spiritual treasure of Taoist Hongjun. She used to be Hongjun's virgin.

The Queen Mother felt that she wanted the God-killing Spear, which would make Taoist Hongjun dissatisfied and angry, and even He would also ask for the God-killing Spear from her.

Su Chen saw that the Queen Mother of the West did not need the God-killing Spear, and he did not need the God-killing Spear.

Su Chen knew the laws of space and time, as well as the innate treasure Chaos Bell. The divine spear was also dispensable to him.

Su Chen thought about it and handed the divine spear to Nuwa Empress and said,

"Forget it, Nuwa, you can use the God-killing Spear. I'll think about who to give it to in the future."

"good!"

Boom boom boom.....

At this time, the forty-second thunder punishment in the Nine Heavens was brewing and struck down. At this moment, Haotian did not have the spiritual treasure to help him resist the thunder punishment.

"No! Master, save me, Master, save me."

Chapter 2406

Haotian shouted in panic to the nine heavens. He couldn't resist the forty-second thunder strike. If Taoist Hongjun didn't come to save him, Haotian wouldn't be able to survive. Not even his soul could escape. Whoosh! Boom boom

.....

A jade butterfly suddenly appeared above Haotian and instantly resisted the forty-second ninety-nine lightning strikes.

"Thank you sir, thank you sir."

Haotian saw that Daozu Hongjun had rescued him again, and it was the jade butterfly created by Daozu Hongjun.

Haotian's face was about to burst into laughter at this moment.

The jade butterfly created by the Chaos Spirit Treasure was the most precious thing in Daozu Hongjun's hands. Powerful spiritual treasure.

Haotian doesn't believe that Su Chen can still control the jade butterfly created by the chaotic spiritual treasure. With the jade butterfly created by the chaotic spiritual treasure to help him resist the thunder punishment, the nine-nine thunder punishment can no longer hurt him in the slightest.

"Create a jade butterfly? Unexpectedly, Hongjun used the jade butterfly of creation to help Haotian"

"The jade butterfly is a spiritual treasure of chaos. Haotian can safely survive the ninety-nine thunder punishments this time."

"Su Chen, is there nothing you can do to create the jade butterfly?"

"Haha, Queen Mother of the West, Su Chen just said, this bastard has no ability to control the jade butterfly and the 30 innate treasures in the hands of the saint. It is impossible for him to control the jade butterfly, the chaotic spiritual treasure."

Empress Nuwa and the four daughters of the Queen Mother of the West saw the Jade Butterfly of Creation appearing. They looked at Su Chen while talking.

Su Chen's idea of taking Hongjun Lingbao may be in vain this time. The Jade Butterfly of Chaos Lingbao, This is not something Su Chen can control, and it cannot be Su Chen's spiritual treasure.

Su Chen rubbed his forehead and said helplessly,

"You old bastard, I didn't expect Hongjun to use the Jade Butterfly. I also want to know what spiritual treasure Hongjun hides in his hand. Haotian, this idiot, can be saved this time."

Su Chen looked at the Creation Jade Butterfly that resisted thunder and punishment for Haotian.

He couldn't control it at all.

The Creation Jade Butterfly was a chaotic spiritual treasure.

Su Chen had nothing to do with the Creation Jade Butterfly. He wanted to control the Creation Jade Butterfly. It was just a dream..

Empress Nuwa frowned and said,

"Su Chen, what are you going to do next?"

Su Chen looked at the heaven above the nine heavens, he shook his head and replied,

"Just wait and see, after the thunder and punishment of Heaven, that old bastard Hongjun will definitely appear. I will see what happens then.

Queen Mother Xi asked with a worried look, "Aren't you worried that Taoist Hongjun will come and kill you?"

Su Chen smiled and replied,

"Queen Mother of the West, the ancient law of heaven will not retreat. Even if that old bastard Hongjun comes, he will not dare to take action against me."

The Queen Mother looked at Su Chen and asked, "You little bastard, what if the primeval heaven retreats?"

"Beautiful Queen Mother, as long as I am here, will I let the ancient law of heaven retreat? I have not eliminated the threat posed to me by that old bastard Hongjun, and I will not let the ancient law of heaven retreat."

"Su Chen, are you going to cause trouble soon?"

"What's going on? I am forced to protect myself."

Su Chen heard the Queen Mother's words, and he hugged the Queen Mother's soft waist. Su Chen couldn't put it down holding the Queen Mother's plump waist, especially the Queen Mother's delicate red lips. Su Chen still wanted the Queen Mother to love her. He served once. The Queen Mother was hugged by Su Chen, and she struggled in panic. Although the Queen Mother did not struggle with her magic power, nor did she escape from Su Chen's arms instantly, the Queen Mother hugged her waist to Su Chen. This bastard He kept touching her, which made her very embarrassed. The Queen Mother glared at Su Chen angrily and cursed, "You little bastard, let me go!" (To read exciting novels, go to Feilu Novel Network!)

"Beautiful Queen Mother, I have been coveting your delicate little mouth for a long time, and I can't help but want to taste it now"

"roll!"

When the Queen Mother heard Su Chen's shameless words, and this little bastard wanted to taste her delicate red lips, the Queen Mother was so angry that she wanted to strangle this shameless pervert to death.

"You are so shameless!"

The Queen Mother of the West looked at Su Chen holding the Queen Mother speechlessly.

She was very speechless towards this shameless man, a complete pervert.

The Queen Mother couldn't understand how she could be related to this little bastard, and even the relationship was unusual.

Nuwa and Houtu looked at Su Chen hugging the Queen Mother. They all shook their heads speechlessly.

They didn't want to talk nonsense to Su Chen, a shameless pervert. No matter what they said, this little bastard wouldn't listen. , and may even provoke Su Chen to do something to them.

Su Chen touched the Queen Mother's delicate little face and said,"Queen Mother, let's take a look at Haotian's Thunder Punishment first. I hope that old bastard Hongjun will hurry up. Appear."

The Queen Mother leaned in Su Chen's arms and did not struggle.

She saw the helplessness in Su Chen's eyes. The Queen Mother guessed that Su Chen did not want to face the terrifying Hongjun, but things had developed to this point, and Su Chen had no way out. From now on. At that time, the powerful people around Jinji Ridge saw Hongjun helping Haotian again, and also using the Good Fortune Jade Butterfly. The Good Fortune Jade Butterfly is a Chaos Spiritual Treasure. Although the Good Fortune Jade Butterfly, a Chaos Spirit Treasure, is somewhat damaged, the Good Fortune Jade Butterfly is still good after all. A Chaos Spiritual Treasure.

They all felt that it was impossible for Su Chen to control Hongjun's creation of the Jade Butterfly, and that Haotian could safely survive the Nine-Nine Thunder Punishment.

Jie Jiao's Golden Spirit Virgin Mary and the Yunxiao girls, they saw Hongjun The Good Fortune Jade Butterfly helped Haotian resist thunder and punishment, and the ladies of the Golden Spirit Mother Goddess all looked at Su Chen. With the appearance of the Good Fortune Jade Butterfly, they guessed that Su Chen could not control the Chaos Spiritual Treasure of Hongjun Daozu.

"Su Chen may not be able to do anything this time"

"Yes, it is impossible for Su Chen to control the Chaos Spiritual Treasure of Taoist Hongjun. Haotian can also safely survive the Nine-Nine Thunder Punishment with the help of the Creation Jade Butterfly."

"Damn you little bastard, that bastard hugged the Queen Mother again"

"Just hug her. Su Chen hugged the Queen Mother just now. This is not the first time."

"I just can't stand how perverted Su Chen is. That bastard even touched the Queen Mother's face. That shameless bastard. There are so many powerful people around him. Su Chen really has no shame."

"Senior sister Wudang, wouldn't you be envious?"

"Bixiao, do you want me to teach you a lesson?"

The faces of Madonna Jin Ling and the girls in Yunxiao changed as they talked.

They didn't expect that Su Chen hugged the Queen Mother again, and even Su Chen touched the Queen Mother's face. The girls looked very angry, but they also They were very helpless.

They couldn't help Su Chen, let alone those powerful veteran female quasi-sages in the sky.

"Huh? Are the girls in the Tower of Desire crazy? Damn it, they are constantly attacking the Demonic Tower of Desire. Do the Virgin Mary and the Fire Spirit girls still want to taste the taste of desire?".

Chapter 2407

Su Chen suddenly felt something strange in the Tower of Desire. He looked at it and was very speechless.

Not only were the women imprisoned in the Tower of Desire naked, but their faces were all red and green, and they even kept protecting their bodies. Attacking the Demonic Tower of Desire

"Hanzhixian, I can't stand it anymore. That bastard may have forgotten us."

"I can't stand it anymore, Princess Longji. My legs are weak."

"Caiyun, how are you?"

"I can't do it anymore. This is not our solution. That bastard should have really forgotten about us."

"Damn bastard, I can't take it anymore, ah, Fire Spirit, help me."

In the Demonic Tower of Desire,

Our Lady of Fire Spirit, Fairy Hanzhi, Fairy Caiyun, Princess Longji, and Empress Shiji were all hugging each other with red faces. The demonic energy of desire was constantly eroding them. The five daughters of Princess Longji are now Desire has been completely aroused.

They wanted to attack the Demonic Tower of Desire to remind Su Chen of them, but their method didn't seem to work. After

Su Chen admired the five women's perfect figures with bulging front and back for a while, he was attracted by the Demonic Tower of Desire. The fifth girl laughed and said,

"Little beauties, you are having a good time now, and now you don't even have to protect your naked bodies."

"Shameless guy, let go now.....ah!"

The Holy Mother of Fire Spirit was cursing at Su Chen 500, but the demonic energy of desire tortured her and she couldn't help but moan. She even hugged Han Zhixian tightly.

"Bastards, let us out!"

"Shameless man, watch us dig out your dog eyes again"

"Ahhhh, damn you bastard, I will definitely kill you if I go out."

"Jiejiao will not let you go.....Well, our teacher, Master Tongtian, will not let you go either."

In the Demon Tower of Desire,

Princess Long Ji and Han Zhixian yelled and cursed at Su Chen.

Not only were their bodies exposed by Su Chen, but their current ugly appearance was also seen by Su Chen. If the five of them hadn't been in the Demon Tower of Desire, Even if they couldn't commit suicide, they had already been so ashamed that they had self-destructed their souls and committed suicide.

Su Chen laughed at the girls in the Demon Tower of Desire,

"Let you go? Stop dreaming. The Magic Tower of Desire will be your home from now on. I am in a good mood today. I will open the Magic Tower of Desire so that you can practice and pass the time."

Princess Longji yelled angrily,"Shameless person, what on earth are you going to do to us?"

"Ha ha....., you have called me a shameless person, what do you think I will do to you?"

Han Zhixian shouted angrily,"You pervert, even if we die, we won't be insulted by you.""

Su Chen said with a smile,

"Is it? In the Demonic Tower of Desire, even if you want to destroy your soul and commit suicide, it is impossible. Fairy Caiyun shouted in shame and anger,"

Shameless guy, I want to kill him"....Yeah!"

Su Chen shook his head after looking at the scenery of the five girls.

He didn't care about the scoldings of the Fire Spirit Madonna and the other girls, but the strength of the five girls was too low. Among the five girls, only Han Zhixian's strength was decent. Su Chen After thinking about it, he took out some cultivation resources and threw them into the Demonic Tower of Desire.

The five daughters of the Fire Spirit Virgin Mary would be his people in the future, and Su Chen did not want the Fire Spirit Virgin Mary and the other daughters to waste their training time in the Demonic Tower of Desire.

"I will give you some cultivation resources. Jiejiao and Tianting will definitely not give you cultivation resources to cultivate well. If any of you cultivate to Daluo Jinxian, I will let you out."

In the Demonic Tower of Desire, the Virgin Mary of the Fire Spirit and Princess Longji were confused at the moment. (To read Baoshuang novels, go to Feilu Novel Network!)

They were all surprised when they saw the cultivation resources that appeared in the Demonic Tower of Desire. opened his mouth wide

"This is? Three thousand and six thousand years of flat peach?"

"There are also ginseng fruits from the Great Immortal Zhen Yuanzi, and Huang Zhongli from the Queen Mother of the West in Kunlun."

"What are golden apples? This is actually the best innate spiritual fruit"

"And grapes? This is also the best innate spiritual fruit"

"Huoling, Caiyun, look, there is enlightenment tea and the best fairy wine here."

After the ladies of the Fire Spirit Madonna looked at each other, they gathered together the cultivation resources in the Demonic Tower of Desire.

These are top-level cultivation resources.

If they use these cultivation resources to practice, the five of them will be able to advance to the highest level in less than a hundred years. Jinxian.

Su Chen's voice suddenly came in again,

"I forgot to tell you, I just accelerated time in the Demonic Tower of Desire. The Demonic Tower of Desire lasts for one year and one day outside. You can use this time to practice hard."

"Bastard, there is no spiritual energy in the Demonic Tower of Desire, how can we repair it?....Reiki? this.....Is this still innate aura?"

Princess Long Ji was scolding Su Chen for saying that there was no spiritual energy in the Demonic Tower of Desire.

Suddenly, the Demonic Tower of Desire emitted a strong spiritual energy, and it was also innate spiritual energy.

Our Lady of Fire Spirit, Han Zhixian, Caiyun Fairy, and Shiji Empress were all surprised. He looked at the innate spiritual energy pouring into the Demonic Tower of Desire.

Innate spiritual energy?

Since the collapse of Buzhou Mountain in the ancient immortal world, the innate spiritual energy in the ancient immortal world has become acquired spiritual energy. It is a hundred times more difficult for immortals to advance in cultivation than before.

"How is this going? How come there is innate spiritual energy in the Demonic Tower of Desire?"

"Yes, innate spiritual energy can only be found in top caves. How can it be found in Su Chen's magic tower?"

"Look at these cultivation resources, the Queen Mother's flat peaches, the Immortal Zhen Yuanzi's ginseng fruit, the Queen Mother of the West's Huangzhong pear, these golden apples and crystal grapes, Enlightenment tea, and the best fairy wine. How could that shameless Su Chen have these?"

"Su Chen's origin is definitely not simple!"

"This is for sure, and there is also this Demonic Tower of Desire. Even if the Demonic Tower of Desire is not an innate treasure, it is the best innate spiritual treasure. How could a little scumbag have such a powerful spiritual treasure?"

"No matter, with these top-quality cultivation resources and innate spiritual energy, let's practice first"

"Yes, that shameless pervert Su Chen has opened the Demonic Tower of Desire, so we can practice."

Our Lady of Fire Spirit and Fairy Hanzhi said one after another.

They began to allocate cultivation resources to prepare for cultivation. Top cultivation resources, rich innate spiritual energy, and the acceleration of the law of time. They must take advantage of this opportunity to practice well.

Jinjiling , after Su Chen admired the beautiful scenery of the five girls, he looked at Haotian who was still going through the thunder punishment. The ninety-nine thunder punishments had already struck more than sixty times. Haotian had the Chaos Spiritual Treasure to create a jade butterfly. He is not hurt at all now.

The Queen Mother leaned into Su Chen's arms and reminded,

"Su Chen, Haotian is about to survive the Nine-Nine Thunder Punishment. Be careful, Hongjun should be here soon."

"Don't worry, I know, I've always been on guard against Hongjun. That old bastard Hongjun is coming, and the way of heaven will not retreat, and there's nothing that that old bastard can do to me."

Chapter 2408

Su Chen hugged the Queen Mother and stroked her small waist.

Hongjun was about to appear.

However, the way of heaven would not retreat, so Hongjun did not dare to take action against him when he arrived. Moreover, Su Chen also thought about how to deal with that old Hongjun. A cunning way.

The Queen Mother's face turned crimson and she said to Su Chen, "You little bastard, please be gentle with your hands. If you dare to touch me again, I will kick you away."

Su Chen said with a smile,

"Queen Mother, your flaming red lips are not only delicate, but your waist is also so soft and plump that I couldn't help but move my hands."

"shameless bastard!"

The Queen Mother stared at Su Chen very helplessly. She could not beat or scold Su Chen for this shameless person. He was a shameless little bastard. The Queen Mother felt that she would fall into Su Chen's "880" in the future. In his hand. Su Chen looked at the helpless Queen Mother in his arms, and curled his lips and smiled. She was a beautiful woman with a proud and plump figure. Su Chen decided to capture her after this incident, as well as Empress Nuwa and Queen Mother of the West. He can't let go either. Hou Tu is in some trouble. This is just an incarnation. He still has to go to the six realms of reincarnation to see Hou Tu. Su Chen suddenly saw the spiritual treasures around him. He patted his forehead and forgot about these spiritual treasures. There is no need to pass the Nine-Nine Thunder Punishment. Su Chen should return these spiritual treasures.

"Zhen Yuanzi, Ancestor Mingzi, Zhunti, Jie Yin, your spiritual treasures will be returned to you."

Swish, swish, swish!

Su Chen waved his hand, and he used the law of space to move these spiritual treasures.

After Zhunti and Jieyin took back the spiritual treasures,

Zhunti looked at Su Chen and asked, "Human Emperor Su Chen, Can I ask you a question now?"

"Can!"

Su Chen nodded and replied.

Zhunti might be worried that he would be killed by Hongjun, this shameless saint.

Zhunti said to Su Chen Yuanshen with a serious face,

"Who holds the Meteorite Pill?"

"Hongjun!"

"really?"

"really!"

Zhunti

's face darkened when he heard Su Chen's affirmative answer.

Zhunti hurriedly told his senior brother about Su Chen's answer.

Su Chen's news was too important. Hongjun actually had the Meteorite Pill in his hand. , who are they going to deal with? There are only six of them in the prehistoric immortal world. What else does Hongjun have planned?

Later,

Zhen Yuanzi and Ancestor Minghe also asked Su Chen a question. They all asked the same question. They Everyone wanted to know the secret that could completely kill the saint.

Su Chen did not hide the news about the Meteor Saint Pill.

He also told Zhen Yuanzi and Ancestor Styx.

Boom boom boom.....

One day has passed, and at this moment,

Emperor Haotian has also survived the ninety-nine thunder punishments unharmed.

Haotian saw that the Good Fortune Jade Butterfly disappeared and that he had passed the Nine-Nine Thunder Punishment safely.

He looked at Su Chen and laughed and said,

"Haha, Human Emperor Su Chen, I have survived the ninety-nine thunder punishments of heaven, but you miscalculated this time."

Su Chen heard Haotian's laughter, he curled his lips and laughed, "Really? Haotian, you are too happy too early!"

Haotian was a little flustered when he heard Su Chen's words.

He was worried that Su Chen would let the ancient law of heaven attack him again. Su Chen was really weird. Haotian was very confused about Su Chen.

"Su Chen, what else do you want to do? I advise you not to mess around."

Su Chen looked at the timid Haotian and mocked,

"Hey, Haotian, you said you won't mess around if you don't mess around? However, if you give me Haotian Tower, I can consider it"

"You are dreaming!" (To read exciting novels, go to Feilu Novel Network!)

"Haotian, I hope you won't regret it for a while."

Haotian glared at Su Chen with a gloomy face.

He didn't expect that Su Chen would want his spiritual treasure.

Damn scum.

He only has three spiritual treasures.

Haotian Tower is still a top-grade innate spiritual treasure. How could he take it? A high-grade spiritual treasure was given to Su Chen.

Su Chen looked at the Eye of Heaven above the nine heavens and saw that the old bastard Hongjun hadn't arrived yet. He didn't want to mess with Haotian yet, but it would be good to scare Haotian, the Emperor of Heaven.

Su Chen looked at the distracted Haotian and smiled. He looked at Our Lady of Golden Spirit and Guanyin Bodhisattva and asked,

"Holy Mother Jinling, where is your senior brother Duobao Taoist priest? Taoist Cihang, where is Taoist Randeng who you explain? Could it be that they fled out of fear of crime?"

"Our senior brother Duobao left because of something."

Mother Jin Ling was very speechless when she heard Su Chen's words. Why did this bastard start causing trouble again?

Does Su Chen still want to tear Jiejiao into pieces?

"Our deputy leader, Ran Deng Taoist, also left because of something....0"

Taoist Cihang frowned and looked around. She didn't think that Taoist Randen would leave. Su Chen said that there were traitors in Chan Cult. Could it be that Taoist Randen fled out of fear of crime?

Su Chen asked the women around Jinjiling beckoned and shouted

"Holy Mother of the Golden Spirit, Holy Mother of Wudang, Yunxiao, Qiongxiao, Bixiao, Taoist Cihang, come here, I have something to say to you." All the great masters around Jinji Ridge were confused.

What is Su Chen going to do?

There are several female disciples of Jie Jiao and the only female disciple of Chan Jiao. Is Su Chen going to accept these female disciples as well? ?

Holy Mother Jin Ling and the girls in Yunxiao were also confused at this moment.

Jie Jiao and Su Chen were now in a hostile relationship.

What did this bastard ask them to do at this time? Did Su Chen want their fellow disciples to break away from Jie Jiao?

No one could see it. He asked Our Lady of Jinling, "Sister, shall we go there?"

"past!"

Our Lady of Jinling looked at Our Lady of Wudang and Yunxiao in silence.

She could see that several junior sisters wanted to go, and she wanted to go too.

The connection between their junior sisters and Su Chen was getting deeper and deeper. Our Lady of Jinling also wanted to go." I know what the relationship between Su Chen and them is.

At this moment,

Our Lady of Turtle Spirit stood there with a confused look on her face.

Su Chen just called 1.3 of her senior sisters to come over, but what about her?

Why didn't Su Chen just call her over? Could it be that Is she really out of sync with some of her fellow apprentices?

When Madam Guiling saw several fellow apprentices about to pass by, she hurriedly asked Madonna Jinling,

"And me? Senior sister, Su Chen didn't call me, what should I do?"

Our Lady of Jinling and Yunxiao were stunned for a moment when they heard what Our Lady of Turtle Spirit said.

Yes, why didn't Su Chen call Our Lady of Turtle Spirit over? Why did she leave alone Our Lady of Turtle Spirit?

Our Lady of Jinling rubbed her forehead. said,

"Guiling, why don't you stay here first, and we'll go meet that little bastard."

Mother Turtle Spirit shook her head hurriedly and said,"No, senior sister, we senior sisters always advance and retreat together. How can we make an exception this time? I want to go there with you."

Chapter 2409

The Holy Mother Turtle Spirit will not stay alone.

If she stays alone, what will she do in the future?

The sisters of Our Lady of Jinling will become farther and farther away from her, and her sisters will also drift away from her because of Su Chen. Our Lady of Guiling will not leave the small group of sisters.

After Yunxiao heard what Madam Guiling said, she didn't want Madam Guiling to stay alone.

The six sisters had always advanced and retreated together, so it was not good to leave Madam Guiling alone.

Yunxiao didn't know why Su Chen didn't ask Our Lady of Turtle Spirit to come over, but they could bring Our Lady of Turtle Spirit there with them.

"Then let's go together, Senior Sister Guiling, let's go see that bastard together. Qiong

Xiao nodded and said, "Yes, Senior Sister Jin Ling, let Senior Sister Gui Ling go with us.""

Wudang also said,

"It's not good for Gui Ling to stay here alone. Let's take Junior Sister Gui Ling to see Su Chen."

"All right!"

Our Lady of Jinling looked at Our Lady of Guiling and nodded. She was wondering why Su Chen didn't call for Our Lady of Guiling, but it was not good to leave Our Lady of Guiling alone. The six sisters have always advanced and retreated together.

If they stay this time, This will also make Our Lady Guiling feel like she is excluded from the small group.

"Senior sister, sister, are you going to see the Human Emperor Su Chen?"

At this time,

Zhao Gongming instantly appeared next to the Jinling Virgin Mother. He looked at the Jinling Virgin Mary and the daughters who were going to see Su Chen. Zhao Gongming hurriedly called to the Jinling Virgin Mary and

Jinling Virgin Mother's face. Said seriously,

"Zhao Gongming, please restrain the Jie Jiao disciples and don't let those disciples cause trouble. Taoist Duobao betrayed Jie Jiao. We cannot let other Jie Jiao disciples turn away from Jie Jiao. Yun

Xiao looked at Zhao Gongming and said,"Brother, we are just going to see Su Chen, you don't have to worry.""

After Zhao Gongming heard the words of the Holy Mother Jinling and Yunxiao, he nodded hurriedly.

Taoist Duobao left secretly.

Zhao Gongming also guessed the reason.

It was just a few junior sisters who went to see Su Chen.

He was very worried. ,

Human Emperor Su Chen is so weird.

Empress Nuwa, Queen Mother, Queen Mother of the West, Empress Pingxin, these top female powers in the ancient world of immortality are all related to Su Chen, and they even have a very close relationship.

Zhao Gongming does not want to intercept the teaching. The top female power in the world is also related to Su Chen.

Human Emperor Su Chen has a grudge against Jie Jiao, and also has a grudge against their teacher Tongtian Cult Master. Jie Jiao was almost destroyed by Human Emperor Su Chen, and Jie Jiao and Human Emperor Su It is impossible for us to coexist peacefully in the future.

At this moment,

Taoist Cihang looked confused.

She did not expect that Su Chen would ask her to come over at this time. Although Taoist Cihang wanted to go over there very much, could she get over?

Taoist Cihang thought that if she When she met Su Chen in the past, what would the disciples of the Chan Cult think?

If she went to meet Su Chen, she would be considered a traitor by the disciples of the Chan Cult. Taoist Cihang would be expelled from the Chan Cult by her teacher Yuanshi Tianzun in the future, or even be killed directly..At this moment,

Master Yuding appeared next to Taoist Cihang and said,

"Junior Sister Cihang, go meet the Human Emperor Su Chen and see what the Human Emperor Su Chen will say.."

Guangchengzi also came and said to Taoist Cihang,

"Junior Sister Cihang, please go over there, our senior brothers will explain to the teacher!"

"Yes, two senior brothers!"

Taoist Cihang heard what Master Yuding and Guangchengzi said, and she nodded and agreed.

This time, Master Yuding and Guangchengzi agreed, and Taoist Cihang didn't have to worry about being punished by Yuanshi.

At this time, the human teaching Xuandu and Buddhist disciples Zhunti and Jieyin frowned.

Su Chen called over the female disciples of Jie Jiao and Chan Jiao. They all wanted to know the reason and what Su Chen would do to Jie Jiao and Chan Jiao. The female disciples said something, but neither Human Cult nor Buddhism had female disciples.

They felt very miserable at the moment.

In the air,

Nuwa and Queen Mother of the West looked at Su Chen.

They couldn't understand. Just go to Feilu Novel Network!)

Why did Su Chen call Jie Jiao disciples and Chan Jiao disciples over? What's more, this bastard called them all female disciples. They all stared at Su Chen and wanted to know the reason.

Su Chen looked at When Nuwa and the other girls stared at him, he touched his nose awkwardly and explained,

"You don't have to stare at me like this. I'm going to dig into Jie Jiao and Chan Jiao. Our Lady Jinling and Taoist Cihang also have a special relationship between us."

Nuwa Empress asked with her eyebrows raised.

"Are you telling the truth?"

Su Chen nodded and replied, "Really, I won't lie to you."

"You are such a shameless person!"

After Queen Mother Xi gave Su Chen a beautiful look, she shook her head speechlessly.

Queen Mother Xi did not expect that Su Chen was related to Chanjiao and the female disciples of Jiejiao.

These female disciples of Jiejiao and Chanjiao,

Not only are they the direct disciples of Jie Jiao and Chan Jiao, but they are all in the quasi-sage realm. Although the Jin Ling Holy Mother and the girls are not as powerful as these veteran quasi-

sages, in this ancient fairy world, the Jin Ling Holy Mother and Cihang Taoist girls are They are also top-notch powerhouses.

Empress Nuwa, Queen Mother, and Hou Tu are too lazy to talk to Su Chen. They want to see how this little bastard can instigate rebellion against the Holy Mother of Jinling and Taoist Cihang.

Swish swish Whoosh.....

At this time, the ladies of Jin Ling Holy Mother and Taoist Cihang appeared in the air at the same time.

None of them appeared beside Su Chen. The relationship between Chan Jiao, Jie Jiao and Su Chen was hostile. They did not want to be surrounded by other powerful men. They saw their relationship with Su Chen.

Su Chen waved to the girls and said,"Cihang, Jin Ling, Wudang, Yunxiao, Qiongxiao, Bixiao, eh? And Madam Guiling, you all come over to me!"

Su Chen saw Madam Turtle Ling. He was very speechless when he arrived.

He didn't ask the Holy Mother Turtle to come.

Why did this little turtle also arrive?

Su Chen was very helpless towards the one-bone Turtle Spirit Mother.

In later generations,

Turtle Spirit Mother didn't see clearly how dirty the saints were until Luohu attacked the Starry Sky Fortress.

Su Chen felt that among the girls, the Turtle Spirit Mother was the hardest to deal with. He didn't want to deal with the Turtle Spirit Mother at first. Su Chen was planning to imprison the Turtle Spirit Mother in the Demonic Tower of Desire.

After the Golden Spirit Virgin Mary and the ladies looked at each other, they came to Su Chen's side. When Su Chen saw the Golden Spirit Virgin Mary and the daughters arriving, he waved his hand and arranged a space barrier.

"I set up a space barrier so that no one outside the space barrier could hear our conversation, and neither could the saints."

The Holy Mother of the Golden Spirit asked Su Chen coldly,

"Su Chen, why did you ask us to come?"

Su Chen appeared next to Yun Xiao in an instant.

He hugged Yun Xiao's soft waist and said with a smile, "Little beauties, I miss you, so I called you all here.""

"Shameless, let go of my junior sister!".

Chapter 2410

When Mother Turtle Spirit saw Su Chen hugging Yun Xiao instantly, she looked so angry that she wanted to take action against Su Chen.

This shameless pervert,

Holy Mother Turtle Spirit did not expect that this bastard would touch her junior sister as soon as they arrived. She wished she could burn Su Chen to ashes right away.

When Su Chen saw that the Holy Mother Gui Ling was about to take action, his face instantly darkened.

A stubborn woman, didn't the Holy Mother Gui Ling see Yun Xiao's blushing face and not resist? Didn't the Golden Spirit Holy Mother and the other girls scold him angrily?

Su Chen shouted to the Holy Mother Guiling with a dark face, "I'm leaning in. You see clearly, Yunxiao and I know each other. Didn't you see that I hugged Yunxiao and she didn't object?"

Holy Mother Guiling heard that Su Chen Huanhua hurriedly looked at Yun Xiao, and she found that Yun Xiao was blushing and leaning in Su Chen's arms without resisting, while the surrounding Golden Spirit Virgin Mother and other girls were looking at her in confusion.

Holy Mother Turtle Spirit was confused for a moment.

Did she do something wrong again?

The Virgin of the Golden Spirit did not take action against Su Chen.

The Virgin of the Turtle Spirit guessed that they might know that Su Chen and Yun Xiao knew each other, or perhaps the Virgin of the Golden Spirit thought that Su Chen should hug Yun Xiao.

Mother Turtle Spirit instantly lowered her head.

She couldn't understand how she could no longer have a tacit understanding with several of her fellow apprentices.

At this moment,

Yun Xiao's face was red and she buried her head in Su Chen's arms.

She was helpless towards Su Chen. Yun Xiao didn't expect that she would be hugged by Su Chen as soon as she arrived. Moreover, this bastard's hands kept moving around. Yun Xiao pinched Su Chen's arms. I want to strangle this bastard to death

"shameless bastard!"

After seeing Madam Guiling being honest, the Madonnas and Madonnas of Jinling glared angrily at Su Chen, this shameless person.

The Madonnas and Madonnas of Jinling did not expect that Su Chen would hug Yunxiao, and do so in full view of everyone. Looking at Yunxiao.

Yunxiao was about to be finished now.

They thought that the teacher Tongtian Sect knew about this, and Yunxiao would definitely be expelled from Jiejiao.

Taoist Cihang stared at Su Chen and asked with a cold face, "Su Chen, your name is What's the reason for our arrival?"

When Su Chen heard Cihang's words, he nodded and said seriously,

"Cihang, you want to break away from the Chan Cult, Jinling Holy Mother, Wudang Holy Mother, Yunxiao, Qiongxiao, Bixiao, you want to break away from the Jiejiao, don't object yet, since I say this, I have my reasons."

After Taoist Cihang and Jinling Shengsheng heard what Su Chen said, they all looked at Su Chen in shock. They thought that Su Chen would let them leave their respective sects, but they did not expect that Su Chen would Being so direct, they frowned for a moment and didn't know how to answer Su Chen.

Madam Guiling looked angry and was about to scold Su Chen.

Suddenly thinking of what just happened,

Madonna Guiling hurriedly looked at the few sisters around her. The other girls who saw Jin Ling Madonna were all lowering their heads in thought. She hurriedly lowered her head and pretended to think.

Madonna Turtle Spirit clenched her fists tightly.

This time it was so dangerous that she almost became unsocial again.

But why didn't this bastard? Let her get away from Jiejiao?

The Holy Mother of the Turtle Spirit thought of her standing here as a living person, how could this bastard keep doing nothing for her? The

Holy Mother of the Golden Spirit frowned and asked Su Chen,

"What's your reason?"

Su Chen hugged Yunxiao and said to the Jin Ling Virgin Mary and the other girls,

"Don't worry, I've thought about everything. I'll exchange some secrets for you to leave your respective sects. Tongtian and Yuanshi will know about it, and they won't think you are traitors."

Taoist Cihang asked hurriedly,

"Su Chen, are you telling the truth? Su

Chen nodded and replied, "Of course, I won't let you become a traitor who betrays our master. After all, you have a close relationship with me, and I can't possibly harm you."

Wudang asked with a serious face, "Su Chen, why do you insist that we break away from the young master's sect?"

Su Chen took out a bottle of wine and took a sip. (To read Baoshuang novels, go to Feilu Novel Network!)

He looked at the women and explained,

"The Saint Sect is not suitable for you, and you should not think too highly of your teacher."

"As long as saints are immortal, thieves will continue. Saints regard the common people as ants. Although you are disciples of saints, when necessary, you may not be as important as a secret."

After Jin Ling Holy Mother and Taoist Cihang heard what Su Chen said, they looked at each other and didn't believe what Su Chen said.

However, Su Chen could deceive them if necessary. They also knew that the saint was aloof and regarded the common people as nothing. Ants don't even care about the life and death of all creatures in the wild.

0 Asking for flowers

Su Chen saw the women thinking about it, but he did not continue.

Boom boom boom....

At this time, the thunderclouds above the nine heavens also began to dissipate.

However, the prehistoric fairy world shook violently at this moment.

The Eye of Heaven suddenly locked on Su Chen again, and Emperor Haotian was also locked on by the Eye of Heaven.

"I'll do it! Damn it, why did the Eye of Heaven lock onto him again?"

Su Chen was confused after being locked by the Eye of Heaven again.

What's wrong with him?

The thunder clouds have dissipated.

Why did the Eye of Heaven lock on him again?

The Holy Mother of the Golden Spirit frowned and asked Su Chen, "Su Chen, How is this going?"

"I have no idea."

Nuwa Empress asked in confusion, "You little bastard, the thunder clouds have dissipated, and the Eye of Heaven has locked on you again. What is the prehistoric Heaven going to do?"

"Let me go, no way!"

Su Chen frowned and thought for a moment, then he suddenly looked at Haotian who was locked by the Eye of Heaven. The Eye of Heaven was locked on him and Haotian at the same time.

Su Chen guessed that Heaven was going to dethrone Haotian's position as Emperor of Heaven.

He Previously, Tiandao announced that he would be the Emperor of Heaven, and after Tiandao appeared, he attacked the Emperor Haotian. Su Chen felt that Tiandao should compare him to be more suitable to be Emperor of Heaven than Haotian.

The Queen Mother asked doubtfully,

"Su Chen, what did you think of?"

Su Chen hugged the Queen Mother's waist and said with a smile,

"Queen Mother, we will be together openly and honestly in the future, and I will be the Emperor of the Ancient Immortal Realm in the future."

The Queen Mother and the Queen Mother of the West, as well as the daughters of the Holy Mother of Jinling and Taoist Cihang, these women looked at Su Chen in surprise. The Great

Desolate Heaven is going to dethrone Haotian's position as Emperor of Heaven?

Is this true?

It's just possible. Is it?

Su Chen just announced to the Great Desolate Heaven that the Great Desolate Heaven will dethrone Haotian's position as Heavenly Emperor?

Is Su Chen the son of Heaven?

How could the Prehistoric Heaven listen to Su Chen's words?

These women didn't believe it.

The Queen Mother was surprised. Su Chen asked,

"Su Chen, you said that the prehistoric way of heaven was going to dethrone Haotian's position as emperor of heaven?"

"Not bad!".
