Chapter 2411

Su Chen nodded to the Queen Mother.

His guess was not wrong.

As long as the ancient Heavenly Dao was not an idiot, the Heavenly Dao would definitely be able to tell the difference between his and Haotian's abilities. Which one of them could lead the ancient world to prosperity.

Ever since the Lich War in the Prehistoric Immortal World,

Tianzhu Buzhou Mountain collapsed, the innate aura of the Prehistoric Immortal World has turned into acquired aura, and the prehistoric heaven will also be damaged. Otherwise, Hongjun, that old bastard, would not be able to use the authority of the heaven to punish him with thunder..

Bixiao looked at Su Chen and asked with a smile, "So, Haotian is doomed this time?"

Qiong Xiao said with a cold face,

"He should be finished."

After Madam Guiling looked at Madonna Jinling and the other girls, she hurriedly said,

"If Haotian is destroyed by the prehistoric heaven, he will be nothing in the future."

Nu Wa shook her head and said to the girls,

"This is for sure. If Haotian loses his status as Emperor of Heaven, he will definitely be abandoned by Hongjun. Moreover, Haotian has offended all the saints. Do you think Haotian will have a good life in the future? 30"

When the Jin Ling Virgin Mother and the other girls heard what Nuwa said, they thought that Haotian would go to Zixiao Palace to file a complaint in the Great Tribulation of the Gods. This was how the Great Tribulation of the Gods came about.

The saints must have hated Haotian deeply, and the Emperor of Heaven If Haotian is abandoned by Taoist Hongjun, Haotian will be very miserable in the future.

Su Chen looked at the few peerless fairies around him, and a smile appeared on his lips.

These will all be his women in the future.

Su Chen hoped that this incident will be over soon, and he still wants to chat and talk about love with Empress Nuwa and her daughters.

At this moment, the powerful people around Jinji Ridge looked at Su Chen and Haotian in confusion. The thunder clouds of Heaven had begun to dissipate, but the Heaven's Dao The eyes are still locked on Haotian, and this time Su Chen is also locked on

"Great Immortal Zhen Yuanzi, what happened this time? The Eye of Heaven is not only locked on Haotian, but why is it also locked on the Human Emperor Su Chen?"

"I don't know. I've never encountered anything as weird as today."

"Ancestor Styx, have you guessed it?"

"No, I guess it may be because of Human Emperor Su Chen. Human Emperor Su Chen is too weird. What happened today is also very weird. I can't understand Human Emperor Su Chen at all."

"Yes, this incident was caused by the Human Emperor Su Chen, but I still haven't figured out what happened. It's so weird."

"There are also the female disciples of Jie Jiao and Chan Jiao. It seems that they are also related to the Human Emperor Su Chen."

"Yes, when Human Emperor Su Chen hugged Fairy Yunxiao, Fairy Yunxiao didn't resist, and even the other female disciples didn't say anything. This was very strange."

After the powerful people around talked for a while, they all looked at Su Chen and several powerful fairies in the sky.

A scumbag of a human race.

The powerful people around did not expect this little scumbag.

He is actually related to these powerful fairies, and the relationship is not simple.

Boom boom boom.....

At this time, there was a roar above the nine heavens.

Suddenly, a golden light shot out from the Eye of Heaven and instantly enveloped Haotian.

"No, Heavenly Dao, don't dethrone my position as Heavenly Emperor. I am the Heavenly Emperor canonized by Hongjun Daozu. I am the Heavenly Emperor canonized by Hongjun Daozu."

At this moment,

Haotian, shrouded in golden light, shouted in panic.

Haotian did not expect that the Eye of Heaven would deprive him of his position as Emperor of Heaven. If he lost his position as Emperor of Heaven, Taoist Hongjun would definitely abandon him. None of the saints will let him go.

Boom boom boom.....

In just three breaths,

Heavenly Emperor Haotian's Heavenly Emperor status was abolished by the Eye of Heaven.

Haotian no longer had the Heavenly Emperor status, and the heavenly luck in his body also quickly dissipated.

Haotian watched the Emperor of Heaven being dethroned. (To read Baoshuang novels, go to Feilu Novel Network!)

He kept shouting with despair,

"how so? how so? I am the Emperor of Heaven, and I am the Emperor of Heaven in the prehistoric immortal world. Why does Heaven want to deprive me of my status as Emperor of Heaven? Why? why is that?"

Boom boom boom.....

At this time, the golden light of the Eye of Heaven instantly enveloped Su Chen.

Women such as Nuwa and the Golden Spirit Mother were all looking at Su Chen nervously.

Su Chen said that he would become the Emperor of Heaven, but until the last moment, the girls were still very worried about Su Chen's safety.

In the golden light,

Su Chen touched his chin and was speechless after thinking about it, the Great Emperor?

He did not expect that he would obtain the status of Heavenly Emperor for the second time.

Su Chen didn't know how long he could be the Heavenly Emperor this time, but as a Heavenly Emperor,

Su Chen would help Dashang continue his national destiny for fifty years in the Great Tribulation of the Gods. , which will be of great help to him in his ladder trial mission.

Boom boom boom.....

After a while, after Su Chen obtained the status of Emperor of Heaven, the Great Desolate Immortal Realm began to shake again.

In the entire Prehistoric Immortal Realm, and even in the entire prehistoric starry sky, wisps of white light mist condensed. After these white light mist gathered together, they appeared instantly. In the sky above Su Chen, after Su Chen saw these white light mist, he knew that these were the huge fortunes of the ancient immortal world. Su Chen hurriedly reopened his sea of destiny, and the fortunes of the ancient immortal world poured into his The sea of luck

"Let me go, there will be so much luck in heaven during the Conferred God Period?"

Su Chen felt the heavenly luck pouring into the sea of luck.

He was very surprised.

It is impossible for Haotian to have so much heavenly luck. Although the Four Emperors have not been canonized during the Conferred God Period, the great emperors in the prehistoric era have not yet been enthroned. Only Haotian and the Queen Mother have the luck of heaven.

I guess?

Hongjun?

Haotian is Hongjun's son.

Hongjun canonized Haotian as the emperor of the prehistoric world.

Hongjun must have gained a lot of the luck of the prehistoric heaven. Hongjun even has Maybe he got more luck than Haotian.

Now is the period of the Conferred Gods.

The prehistoric immortal world has not yet been broken into four major continents. The luck of the prehistoric heaven is several times more than that during the journey to the west in later generations.

Su Chen Seeing these, he couldn't help but nodded.

Haotian was deposed as the Heavenly Emperor, and the fate of the ancient heaven would also collapse. The fortune of the heaven that Hongjun received from Haotian would also collapse, and these fortunes would return to the new emperor.

After Su Chen looked at the women around him, he looked at the Eye of Heaven above the nine heavens and shouted,

"I am Su Chen, the new Heavenly Emperor of the Great Desolate Immortal Realm. Today, I want to enthrone the Four Imperial Emperors of the Great Desolate Immortal Realm. I hope that the Great Desolate Heaven will be kind to me."

Boom boom boom.....

"allow!"

After the Great Desolate Immortal World shook for nine times, a cold and emotionless voice sounded throughout the Great Desolate Immortal World,

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize the Queen Mother of West Kunlun as the Immortal Emperor of the Antarctic, the Ancient Immortal Realm, to rule over all the spirits of the Ancient World!".

Chapter 2412

Su Chen is planning to canonize all the important divine positions in Heaven when he becomes the Emperor of the Ancient Heaven. The fortune of Heaven in the period of becoming a god is very huge.

Su Chen will not take advantage of the fortune of Heaven to anyone.

Even after the great catastrophe of conferring gods,

Jiang Ziya would not be able to canonize important divine positions in heaven to those who died in Chanjiao and the Western Zhou Dynasty.

Boom boom boom.....

Just after Su Chen canonized the Queen Mother of the West, the Great Heavenly Dao responded to Su Chen's canonization.

After a golden light enveloped the Queen Mother of the West, Queen Mother of the West also obtained the status of the Antarctic Immortal Emperor. The

Queen Mother of the West did not expect that Su Chen would confer her, and also consecrated her as the Antarctic Immortal Emperor among the four emperors.

She looked at Su Chen and nodded with a smile.

"Su Chen, thank you!"

The Queen Mother of the West suddenly felt that huge fortunes were coming to her, and she hurriedly opened the sea of fortune to receive the huge fortunes of heaven.

Su Chen smiled at the Queen Mother of the West and nodded.

He looked at the Queen Mother and the Golden Spirit Virgin Mary. Su Chen wants to continue canonizing the other four imperial positions.

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize the Queen Mother of Heaven as the Great Emperor of Zhongtian 040 Ziwei Arctic, who rules over all kinds of things."

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize Empress Nuwa as the Great Emperor of Gouchen Shanggong. I am responsible for controlling all monsters."

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize the Six Paths of Reincarnation, Pingxin Empress, as the Empress of Heaven to follow the example of the Earth Emperor, and to control all spirits!"

Boom boom boom.....

With Su Chen's continuous canonization, the Queen Mother, Nuwa Empress, and Houtu Empress all obtained the status of their respective great emperors, and the huge heavenly fortune was also included in the sea of fortune by these three women.

Empress Nuwa did not expect that Su Chen would also canonize her.

After knowing that she was a saint of heaven, what was the use of Empress Nuwa getting the status of Heavenly Emperor?

However,

Empress Nuwa felt that she could receive huge fortune from heaven, and she had no objection to this.

"I am the Heavenly Emperor of the Ancient Heaven, and I canonize the Holy Mother of the Golden Spirit as the main god of the Dou tribe, Doumu Yuanjun, who can control the eighty-four thousand stars. I canonize the Holy Mother of Wudang as the main god of the Lei tribe, and can control the twenty-four main gods of the Lei tribe. Canonize Cihang Taoist as the main god of the Fire Department, and rule over all fires in the wild....."

Su Chen then canonized the Jin Ling Holy Mother and the other girls one after another.

Su Chen all canonized the seven main gods who were important deities in the ancient heaven to the Jin Ling Holy Mother and the other girls.

Canonized as gods? Su Chen didn't care at all about the remaining insignificant positions. Boom boom boom.....

The prehistoric heaven responded to the gods consecrated by Su Chen one by one, and heavenly luck also poured into the Golden Spirit Virgin Mary and the girls.

Our Lady of Jinling and Taoist Cihang looked at Su Chen in bewilderment. They did not expect that Su Chen would also canonize them, and also canonize important divine positions in heaven to them.

They looked at the constant influx of heavenly energy. Luck, after the Golden Spirit Virgin Mary and the ladies looked at each other, they opened the sea of fortune one after another to receive the huge fortune in heaven.

At this point, the Golden Spirit Virgin Mary and the daughters have been given the heavenly throne by heaven, and they don't want to give up. The gods that Su Chen conferred on them.

At this time, the powerful people around Jinji Ridge were all stunned.

The Great Tribulation of the Gods was not over yet.

Su Chen actually began to canonize the gods in the heaven, and the ancient heaven actually responded to them one by one.

Is this him?

Do you still need to become a god?

Will the Great Tribulation of the Gods continue?

"Do you think the Great Tribulation of the Gods will continue?" (To read exciting novels, go to Feilu Novel Network!)

"Damn it, how can I continue? Su Chen was not only Lord Wu Xiang of Dashang, but now he was also the Emperor of Heaven. Did the Western Zhou Dynasty still dare to rebel? How can the Great Tribulation of the Gods be carried out?"

"No, the tribulation energy in the prehistoric immortal world has not dissipated, and the catastrophe of becoming gods cannot be interrupted."

"That's right, but how can this great catastrophe continue?"

"Forget it, as long as we don't fall into the Catastrophe of Conferring Gods, it's none of our business"

"Su Chen is so outrageous, the Great Emperor? Four Royals? The seven main gods in heaven? This person is either a saint or a quasi-sage. The Great Heaven will be the most powerful place in the Great Immortal World in the future."

"Yes, there will be a heavenly saint in the future in the prehistoric heaven, a Pingxin empress who is comparable to a saint, and nine powerful quasi-sages. The future of the prehistoric heaven will be too terrifying."

The faces of the quasi-saints and powerful people around them changed one after another as they talked. With these saints and quasi-saints in the Heavenly Court, the Prehistoric Heavenly Court will be the most powerful existence in the Prehistoric Immortal World.

Some powerful forces and powerful casual cultivators in the Prehistoric Immortal World They, their attitude towards Heaven will also change in the future.

The Great Heaven is no longer a Heaven that can be manipulated by others.

If they dare to offend the Great Heaven, Su Chen may let those strong men and women destroy them.

Su Chen looked at what was happening When receiving the fate of the girls in heaven, he suddenly thought that the little fox Su Daji had not been canonized yet.

He thought that the other gods in heaven were not very good. The one with a pretty good position was the Great Emperor of the Five Mountains, but the Great Emperor of the Five Mountains sounded like Very majestic, in fact, he is just a rubbish mountain god. The status of the Five Mountains Emperor cannot be compared with the seven main gods of heaven.

Su Chen thought about it and decided to canonize Su Daji. It sounds majestic, and it is not bad in the ancient heaven. of God,

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize the nine-tailed fox Su Daji as the Zhenwudang Demon Emperor, to rule over all gods!"

In the Song City and Royal Palace of the Great Shang Dynasty, Su Daji

, the Jade Piba Jing, and the Nine-Headed Chicken Jing. The three sisters were using spiritual treasures to check on Su Chen.

Su Chen became the new emperor of the prehistoric fairy world, and was canonizing them one by one. God's throne in the ancient heaven.

The three sisters looked at all this in confusion.

Boom boom boom.....

At this time, after the prehistoric fairy world roared and shook, a golden light instantly enveloped Su Daji.

After the huge fortune from heaven poured in, Su Daji smiled and opened the sea of fortune to receive the fortune from heaven.

Su Daji thought that Su Chen had not forgotten her, which made her very happy.

She didn't care about the position, as long as Su Chen had not forgotten her,

Su Daji had seen those strong women around Su Chen. Powerful female powers, they are not only very powerful, but also tall and charming. Su Daji is incomparable to any of those female powers.

The Jade Piba Spirit and the Nine-Headed Chicken Spirit looked at Su Daji in bewilderment. They did not expect that Su Chen would consecrate Su Daji to a god. This made them very happy.

Su Daji had a heavenly god, and they would also do so in the future. Will get the throne in heaven

"The second sister, the eldest sister actually got a divine position in heaven. My brother-in-law is really awesome."

"Yes, my sister is now the Zhenwu Dangmo Emperor. This position sounds very majestic."

Chapter 2413

The powerful people around Jinji Ridge were speechless.

The gods that Su Chen had previously consecrated left them speechless. After all, those powerful people were either saints or quasi-saints, but what about now?

Su Chen , a scumbag vixen, was also canonized?

He even conferred the title of a real martial arts demon-slayer emperor.

Is this him?

A vixen can still be a demon-slayer?

It's not that the vixen is a scumbag.

What does Su Chen want to do by letting a vixen seduce the devil?

Whoosh!

Suddenly, in the sky above Jinji Ridge, an old man appeared silently in the sky. He looked at Su Chen in the sky with an expressionless face.

"See Taozu!"

"I've met Daozu!"

"Haotian, come and see me!"

The Daluo Golden Immortals, quasi-sages, saints, and Haotian, the "980" unlucky guy around Jinji Ridge. When these strong men saw Hongjun appearing in the sky, they all bent down and saluted.

Su Chen saw When Hongjun arrived, he curled his lips and didn't care.

It would be strange if Hongjun, an old bastard, didn't show up. The primeval heaven has not retreated yet, and Su Chen was not worried about Hongjun taking action against him.

Su Chen ignored Hongjun's words. When he arrived, he did not salute Hongjun. He was a sinister old man.

They would also be hostile in the future. Su Chen was just showing kindness to Hongjun. Wouldn't Hongjun not deal with him?

"I am the Heavenly Emperor of the Ancient Heaven, and now I canonize Kong Xuan as the Grand Marshal of the Heavenly Heavenly Soldiers and Heavenly Generals, with the title, Peacock True Monarch, Lord, attack with troops!"

"I am the Heavenly Emperor of the Ancient Heavenly Court, and now I canonize Lu Ya as the Deputy Marshal of the Heavenly Court, Heavenly Soldiers, and Heavenly Generals, with the title: True Lord of the Golden Crow, Lord, attack with troops!"

Su Chen continued to canonize the gods in heaven.

However, the remaining women in Su Chen were too low in strength. The canonization of the nine-tailed fox Su Daji was already considered a special case. He would no longer canonize those with low strength or even lack of cultivation. Women.

Kong Xuan and Lu Ya, these two idiots,

Su Chen will tie them to his chariot.

Kong Xuan and Lu Ya are two powerful quasi-sages. Su Chen will not forget these two. Stupid bird.

Boom boom.....

Prehistoric Heaven also responded, and two golden lights instantly appeared on Kong Xuan and Lu Ya.

Kong Xuan and Lu Ya now wanted to squeeze Su Chen to death.

They and Su Chen only had a cooperative relationship.

Is this his fault?

Does Su Chen want to tie them together?

That bastard first offended the Three Pure Saints, and also indirectly offended Hongjun Daozu, the first saint in the world. Kong Xuan and Lu Ya were so embarrassed that they both wanted to kill that bastard Su Chen.

"Damn it, Lu Ya, what should we do?"

"Kong Xuan, what else can we do? The heavenly throne has been given to us and we have been tied to that bastard. Now you have given up the throne. Is this useful?"

"That idiot Su Chen wants to kill us too."

"Kong Xuan, we have made a mistake since we met Su Chen. This is our fate. We cannot escape it. But fortunately, Su Chen is a black bird. You are a peacock, and I am a golden crow. We are all a bird family."

"Lu Ya, you are overthinking. Xuanniao and I are the royal family of the bird family, and the three-legged Golden Crow is not the bird family."

"Is there a difference now?"

"Well! No!"

Kong Xuan and Lu Ya Yuanshen opened the sea of luck while talking.

They have obtained the divine positions in the ancient heaven, and they cannot give up the luck in the heaven.

They have no choice,

Su Chen is sure to take them both. Kong

Xuan and Lu Ya were completely tied to the chariot by Su Chen.

Around Jinji Ridge, all the powerful people were stunned.

Daozu Hongjun arrived. (To read Baoshuang novels, go to Feilu Novel Network!)

Not only did Su Chen not pay homage to Taoist Hongjun, but he also continued to enthrone heavenly gods.

Kong Xuan and Lu Ya?

The chief and deputy marshals of the heavenly soldiers and generals in the ancient heaven?

Still in charge of military expeditions?

Is this him, two of them ? The powerful quasi-sage serves as the marshal of the heavenly soldiers and generals. Are there any immortals in the prehistoric immortal world who dare to disobey the heavenly decree?

At this moment,

Haotian knelt down to Hongjun in the sky and shouted,

"Haotian pays homage to the master"

"I also ask you to punish the human emperor Su Chen. The human emperor Su Chen wantonly undermined the stability of the ancient world and made unreasonable decisions to enthrone the ancient gods. Moreover, when the master arrived, the human emperor Su Chen was disrespectful to the master."

Hongjun didn't pay attention to Haotian.

He looked at the cold light flashing in Su Chen's eyes.

This human race, he didn't check Su Chen's thinking memory just now.

This made Hongjun a little surprised.

A scumbag human race,

Hongjun He is a saint in the seventh heaven of the Holy Realm. He can't check Su Chen's thoughts and memories?

The golden light in Hongjun's eyes continued to check. He didn't believe that he couldn't check the thoughts and memories of a little scumbag....0

"Su Chen, be careful!"

Empress Nuwa held Su Chen's hand.

After hearing Haotian's complaint,

Empress Nuwa was worried that Taoist Hongjun would take action against Su Chen.

Although the prehistoric Heavenly Dao had not retreated yet, Hongjun controlled some of the Heavenly Dao after all. Authority, Empress Nuwa was worried that Hongjun would again use the power of heaven to deal with Su Chen.

Queen Mother and Queen Mother of the West and other powerful women were also very worried about Su Chen at the moment.

Su Chen ignored the arrival of Hongjun Daozu, Even if this little bastard keeps canonizing gods, they are all worried that Taoist Hongjun will take action against Su Chen.

"I see!"

After Su Chen nodded to Nuwa Empress and the girls, he frowned.

Hongjun was actually secretly checking his memory?

Old bastard, checking his memory?

The Tiandai girl is an existence beyond the holy realm.

The memory that the girl on the ladder sealed at will, coupled with the protection of the girl from the system, meant that even if Hongjun was given a million years, that old bastard would not be able to find a trace of his memory.

Boom!

Poof!

Suddenly,

Hongjun was struck by a terrifying aura that backfired on his soul. He spat out a mouthful of blood and looked at Su Chen 4.8 in panic.

The aura of a saint from the twelfth level of the holy realm?

The aura that backfired on him just now, Hongjun felt that it was from the holy realm. The aura of a saint from the twelfth heaven.

A scumbag human race.

Hongjun never thought that

Su Chen would have his memory sealed by a saint from the twelfth heaven. What is the origin of this scumbag human race?

"Hongjun, my memory is not something you can check at will."

Su Chen saw Hongjun spewing blood and panicked, and a smile appeared on his face.

Su Chen didn't know whether it was the girl from the ladder or the girl from the system who took action just now, but Hongjun was vomited blood, which made Su Chen see He was very happy, old man, will Hongjun be frightened this time?

"Human Emperor Su Chen, you have let the old Taoist look down upon you. Who are you?".

Chapter 2414

Hongjun looked at Su Chen with a serious face at this moment.

He couldn't figure out who sealed Su Chen's thinking and memory.

The Chaos Demon God in Chaos could not exist in the twelfth level of the Holy Realm. If the Chaos Demon God was also so powerful existence, the prehistoric fairyland had long been destroyed by the Chaos Demon God, could it be?

Is it the prehistoric way of heaven?

Hongjun frowned and looked at the Heavenly Dao above the Nine Heavens. The Great Desolate Heavenly Dao did not have the strength of the Twelve Heavens in the Holy Realm.

However, if the ancient law of heaven had sealed Su Chen's thinking and memory, it would be okay for Hongjun to be backlashed and injured.

But, is this really what Heaven meant?

At this moment, the saints and powerful men around Jinji Ridge all looked surprised.

Daozu Hongjun vomited blood?

How is this going?

Check Su Chen's memory?

When these powerful men heard what Su Chen said just now, Taoist Hongjun vomited blood when he was checking Su Chen's memory.

But is this possible?

Taoist Hongjun is the most powerful saint in the prehistoric immortal world. Would a saint be bitten by a scum and vomit blood?

However,

Daozu Hongjun did vomit blood.

The powerful people around him looked at Su Chen in shock. The Human Emperor Su Chen gave them an increasingly mysterious feeling.

Women like Empress Nuwa looked at Su Chen in confusion. They did not expect that Su Chen could bite Hongjun and vomit blood.

This was incredible.

Hongjun, the first saint in the prehistoric fairyland, was actually bitten and vomited blood by a scumbag. They felt It's like a dream.

Su Chen curled his lips when he heard Hongjun's words.

Who is he?

Can Su Chen tell Hongjun?

A scheming old man,

Su Chen thought that while Hongjun was being bitten and vomited blood, he could pretend to be a person of unknown origin, and even make Hongjun mistakenly think that there was a powerful backer behind him.

"who I am? Hongjun, you will know in the future. You won't just want to know who I am when you come this time, right?"

"Su Chen, the old man is here this time....."

"Hongjun, I am now the Emperor of Heaven, the Emperor recognized by the Ancient Heaven. You should call me Emperor of Heaven."

Su Chen heard Hongjun calling his name. He hurriedly interrupted Hongjun and corrected him.

Su Chen didn't know why Hongjun didn't call him Emperor of Heaven. Maybe Hongjun didn't recognize his identity as Emperor of Heaven.

But is this useful? ?

The prehistoric heaven has given him the status of Heavenly Emperor. Can Hongjun still deprive him of the status of Heavenly Emperor?

"Emperor Su Chen, you have previously instigated discord among the three pure saints, disrupted the order of the ancient immortal world, and canonized the heavenly divine position without authorization, thus causing an uncontrollable situation in the Great Tribulation of Gods. Do you know your guilt?"

Damn it!

Hongjun, this old treacherous guy, is really able to mess around and provoke the Three Pure Ones?

Disrupt the order of the ancient world?

Grant the title of god without authorization? Something unexpected happened in the Great Tribulation of Gods?

Damn it, these are all related to Hongjun, and even It is crucial to Hongjun's conspiracy and calculation.

This old scumbag,

Su Chen felt a little happy when he thought about what he did today. He had unintentionally ruined many of Hongjun's plans. It is impossible for me to unite with Yuanshi to fight against Tongtian in the future. Tongtian's Jiejiao is still the only one in the ancient fairy world.

Su Chen also deposed Hongjun's spokesperson Haotian. Hongjun will never be able to obtain the huge fortune in the ancient heaven.

Su Chen's canonization of gods and the power of conferring gods The problem of calamity made Hongjun's conspiracy to become a god a hollow talk. Su Chen could become a god without a list of gods, so why would he use a list of gods?

Thinking of this, Su Chen mocked Hongjun with disdain,

"Convicted? Hongjun, in what capacity are you telling me this? My identity is the Emperor of Heaven in the prehistoric immortal world. In the prehistoric immortal world, except for the prehistoric heaven, my identity is the most noble."

"Although you are a saint, in the ancient immortal world, what qualifications do you have to question me? Even the prehistoric Heavenly Dao didn't think I did anything wrong. Are you bigger than the Prehistoric Heavenly Dao?"

Hongjun looked at Su Chen with cold eyes and said coldly,

"Su Chen, I am the spokesperson of Heavenly Dao, and I am qualified to question you."(To read exciting novels, go to Feilu Novel Network!)

Su Chen said with a mocking look on his face,

"Spokesperson of heaven? To put it nicely, you are the spokesperson of the ancient Heavenly Way. To put it badly, you are just a puppet, a little handyman running errands for the Way of Heaven."

Boom!

Hongjun was furious when he heard Su Chen's words. He is a little scumbag.

He didn't expect that Su Chen would dare to be disrespectful to him, or even dare to belittle him.

Hongjun burst out with some powerful momentum and shouted angrily,

"You are so presumptuous, Su Chen. If you dare to disrespect the saint, I can destroy you at any time."

Su Chen pointed at himself and said disdainfully,"Destroy me? Hongjun, I am standing here now, do you dare to destroy me?"

Hongjun threatened Su Chen with a gloomy face,

"Su Chen, don't rely on the prehistoric way of heaven to retreat. I will not be able to do anything to you."

"The prehistoric way of heaven will not always appear in the prehistoric immortal world. If I destroy you, the old way will only lose some of the merits of the way of heaven."

Su Chen smiled and sneered,

"laugh! Make harsh threats? Hongjun, do you believe that I allowed the Great Desolate Heaven to deprive you of your identity as the spokesperson of Heaven?"

Hongjun had a look of disdain on his face when he heard Su Chen's words.

He abandoned his identity as the spokesperson of Heaven's Dao?

Does this little scumbag think he is that idiot from Haotian?

He is a Saint of Heaven's Dao.

As long as Hongjun is not discovered by Heaven's Dao , After doing something against heaven, how could the ancient Heavenly Dao abolish him?

Hongjun said to Su Chen with a mocking look on his face,"Abandoning the identity of the spokesperson of the Old Heavenly Dao? Humph, can you, a little scumbag, do it?"

"Hahaha....."

Su Chen laughed when he heard Hongjun's words.

Is it difficult to dethrone Hongjun's identity as the spokesperson of Tiandao?

It's not like Su Chen didn't let the Great Heavenly Dao dethrone Hongjun (with Li Hao).

If all the conspiracies and schemes Hongjun had done were revealed, the Great Desolate Heavenly Dao would definitely abolish Hongjun's identity as the spokesperson of the Heavenly Dao, and even the other six major powers. The saint will not let Hongjun go.

Su Chen crossed his chest with his hands and said with a smile,

"Hongjun, you are now at the seventh level of the Holy Realm. Do you think that if the Primordial Heavenly Dao abolishes your identity as the spokesperson of the Heavenly Dao, how much will your Holy Realm fall? The fourth level of the Holy Realm! Or the third level of the holy realm?"

"I know all about your plot against the saints. If the other six saints know your plot against them, how do you think the six saints will deal with you?"

"And those Chaos Demon Gods who fell under your scheme. If those Chaos Demon Gods revive one after another, do you think those Chaos Demon Gods will let you go?"

"I know that the Space Demon God Yangmei has been paying attention to you, and is even looking for an opportunity to kill you. If Yangmei knew that your holy realm had fallen, do you think Yangmei would kill you first?"

Chapter 2415

Hongjun was very surprised when he heard Su Chen's words.

He didn't expect that Su Chen would say this.

Is this human scumbag talking nonsense? Or do you really know some of his calculations and secrets?

On Jinji Ridge, after hearing Su Chen's words, Zhunti and Jieyin

's expressions changed.

Is Hongjun plotting against the six great saints?

If the six great saints knew about it, would they kill Hongjun? What did Hongjun plot against the six great saints?

"Senior brother, Hongjun's plan for us is certainly not simple."

"Yes, junior brother, we will go to the Heavenly Emperor Su Chen later. Even if we have to pay some price, we still need to know what Hongjun has planned for our six great saints."

"Yes, senior brother!"

After Zhunti talked with Jieying Yuanshen, they looked at Hongjun in the air with an indifferent look in his eyes,

Hongjun Daozu?

He is the old bastard who plots against all the Chaos Demon Gods.

Their six great saints are all Hongjun. Jun's disciple, this old scumbag even plotted against his disciples.

The powerful people around him all showed surprised expressions. They did not expect Su Chen to say this.

Is this true?

Or is Su Chen playing tricks ? Making things up?

However, judging from the secrets Su Chen mentioned just now, it seems that Su Chen is not talking nonsense. Otherwise, the Sanqing Saints would not have been in internal strife, and Zhunti and Jieyin Saints would not have asked about the secrets once or twice. The surrounding people The experts all looked at each other, and they guessed that what Su Chen said must be true.

If so, what exactly is Daozu Hongjun planning?

Why are even the six great saints plotting?

And those Chaos Demon Gods, the fallen Chaos The Demon God can still resuscitate?

Is this true?

Or is it false?

The Space Demon God Yangmei?

The Space Demon God Yangmei has been looking for and almost avenged Hongjun? Didn't Yangmei and Hongjun kill the Demon Ancestor Luo Hu? Doesn't Hongjun also count? The Space Demon God raised his eyebrows?

The women, Nuwa Empress and Golden Spirit Mother, looked at Su Chen in surprise one by one.

They all believed what Su Chen said, including the Yijiu Turtle Spirit Mother and

Hongjun Taoist?

This is still the prehistoric era. Is Hongjun the Taoist ancestor of the first saint?

Hongjun has calculated all the saints, and from Su Chen's words, they all heard that Hongjun's calculation was definitely not simple. As for the matter of the Chaos Demon God, it didn't matter to them. They almost All the women wanted to know what other plans Hongjun had.

At this moment, after Hongjun thought about it with a gloomy face, he looked at Su Chen and said coldly,

"Little scum, what you said is all nonsense. The six great saints are all my disciples. Why should I plot against them?"

"The Chaos Demon Gods are all enemies of the Great Desolate Immortal World. Every Chaos Demon God is eyeing the Great Desolate Immortal World. This is a life-or-death situation. I calculated that the Chaos Demon God is also for the Prehistoric Immortal World."

Su Chen heard Hongjun's words and mocked with disdain,

"Chi, Hongjun, don't sound so noble. Although the Chaos Demon God is eyeing the Great Desolate Immortal World and even wishes to destroy it, you are not much better. Aren't you also going to destroy the Great Desolate Immortal World?"

Hongjun stared at Su Chen with cold eyes and said,

"Nonsense. As the spokesperson of the ancient Tao of Heaven, I will completely perish if the ancient immortal world is destroyed. The old Tao is not the Chaos Demon God. Do you think I will seek death?"

Su Chen sneered and said, "Hongjun, aren't you the Demon God of Chaos? are you sure? Chaos cricket!"

Boom boom boom.....

When Hongjun heard Su Chen calling him his true form, he burst out with a powerful aura.

He wanted to destroy Su Chen.

This little scumbag couldn't live, a chaotic cricket?

Even the Chaos Demon God doesn't know much about Hongjun's true identity. How does this ant know?

After Jinji Ling erupted with a powerful aura from Hongjun, (to read Baoshuang novels, go to Feilu Novel Network!)

Thousands of miles around Jinji Ling was reduced to ruins, mountains collapsed, rivers poured back, trees and forests were reduced to ashes, and thousands of miles around were reduced to rubble. The beasts, monsters, and vegetation elves within a thousand miles also turned into ashes.

"Map of mountains and rivers and the country!"

"Kunlun realm!"

"Hongmeng measuring ruler!"

"Western Suyun Realm Flag!"

"Hunyuan Jindou!".....

The women around Su Chen saw Hongjun's powerful aura erupting, and they all summoned Lingbao to resist Hongjun's powerful aura.

Su Chen quickly waved his hands around the girls, and a blue space barrier protected him and the girls.

0 Request for Flowers

At this moment, the faces of the Daluo Jinxian and Quasi-Sages around the Golden Rooster were pale at this moment.

These powerful people quickly took out their spiritual treasures to resist Hongjun's powerful aura. Although some Daluo Golden Immortals had spiritual treasures to resist, their mouths still flowed out. of blood.

Boom boom.....

At this time, the prehistoric starry sky shook.

The Eye of Heaven above the nine heavens locked on Hongjun indifferently, and purple thunderclouds appeared in the sky of the prehistoric fairyland.

"Purple Sky Divine Thunder!"

After Hongjun was locked by the Eye of Heaven, he immediately reacted.

The Great Heaven has not retreated yet.

If he attacks Su Chen now, he will be punished by thunder. The appearance of Zixiao Thunder Cloud is a warning to him.

If Hongjun If he continues to attack Su Chen, the Purple Sky Divine Thunder will come down, and even the chaotic world-destroying thunder will come down later.

Hongjun hurriedly put away his powerful aura.

In just a few breaths, he was not destroyed. Su Chen and

Hongjun were arrogant.

Hongjun's powerful aura had blocked Su Chen. Even an ordinary quasi-sage could be destroyed instantly by his powerful aura. However, he did not expect that Nuwa and Houtu would protect Su Chen..In the prehistoric fairy world, after Hongjun took back his powerful aura, the Eye of Heaven released its lock on Hongjun, and the purple thunderclouds in the sky began to dissipate.

"You old cunt, you actually want to kill me?"

Su Chen looked at Hongjun and shouted coldly.

He had been guarding against Hongjun.

Su Chen knew that after he revealed Hongjun's identity,

Hongjun would definitely take action.

The Chaos Bell and other spiritual treasures on Su Chen's body were all While preparing, he thought that if Hongjun dared to take action, the Great Desolate Heavenly Dao would destroy Hongjun.

However,

Hongjun, this old sinister man, just burst out with a powerful aura, and the Great Desolate Heavenly Dao could only warn this old sinister man this time.

Hongjun was indifferent. He looked at Su Chen and warned,

"Su Chen, you'd better keep some secrets in your belly. Just because I can't kill you this time doesn't mean I won't be able to kill you in the future."

"Hongjun, do you still dare to threaten me? Do you still remember how Mount Buzhou collapsed, the Primordial Pillar of Heaven? If the ancient world knew about this, what do you think would happen?"

Chapter 2416

When Su Chen saw that Hongjun dared to threaten him, he felt a little funny.

Su Chen guessed that Hongjun was afraid. Hongjun was afraid that if he revealed any more secrets, the creatures in the ancient world would no longer trust him, and even be more cautious about Hongjun

"Su Chen, what are your conditions?"

At this time,

Hongjun said to Su Chen's Yuanshen.

Hongjun was very panicked and uneasy at the moment. During the Lich War,

Hongjun used Gonggong, the ancestral witch of the Wu clan, to destroy Tianzhu Buzhou Mountain.

He didn't understand how did Su Chen know about this matter, but this matter is of great importance.

If this matter is exposed,

Hongjun will quickly escape from the prehistoric fairyland. He will be dead in the chaos. Hongjun has offended too many chaos. The Demon God, even the Chaos Demon God in Chaos, would not let him go. Su Chen smiled when he heard Hongjun's soul transmission. Hongjun was really scared. This old scheming guy was really insidious. Hongjun turned out to be Yuan Shen. Shen Chuanyin

compromised with him, but this was exactly what he wanted. Su Chen's first priority now is the trial of the ladder.

service

"Hongjun, you made a heavenly oath to the ancient heavenly law that you are not allowed to take action against me within 100 to 30 years. I will not leak this matter."

After Hongjun heard the message from Su Chen's soul, he continued to say to Su Chen,

"The old Taoist doesn't believe you, so you must also take the oath of heaven, and you can't reveal anything about me."

Su Chen shook his head and said,

"Impossible, Hongjun, I never make any oaths. If you don't agree, forget it."

Just kidding,

Su Chen holds many secrets of Hongjun.

If he swears an oath of heaven to the ancient heaven, how will Su Chen deal with other heavenly saints in the future? How can he get benefits from those heavenly saints?

Hongjun heard Su Chen disagreed.

He understood that this little scumbag should still have some of his secrets.

Su Chen did not agree to swear the oath of heaven. The primeval heaven has not retreated yet. Hongjun can't kill him now. If Su Chen waits for a while, If he reveals any more secrets, he will really be doomed.

Hongjun shouted angrily with a gloomy face,

"Damn it, Su Chen, I promised not to take action against you within a hundred years, but if you dare to reveal this matter to anyone, a hundred years later, I will imprison your soul and make you suffer thousands of blows day and night. The punishment of beheading, the pain of burning fire"

"make a deal!"

Su Chen smiled and agreed.

The biggest threat in the prehistoric fairy world has been dealt with for the time being.

However,

Su Chen will not be careless. Although Hongjun will not take action against him, this old scumbag may make other people take action. , he couldn't take Hongjun lightly.

At this time,

Nuwa and his wife saw Su Chen smiling, while Hongjun looked angry and helpless.

They all guessed that Su Chen and Hongjun were talking in Yuanshen.

However, the news revealed by Su Chen just now is so shocking.

The collapse of the prehistoric Tianzhu Buzhou Mountain was actually because of Hongjun. Why did Hongjun plot the collapse of Tianzhu Buzhou Mountain? What benefits can he gain by doing this?

Hou Tu At this moment, he looked at Hongjun with a look of resentment.

Zuwu Gonggong knocked down Buzhoushan because of Hongjun. In this way, Gonggong should have been controlled by Hongjun at the time, and even Gonggong's collision with Buzhoushan was just a show.

Transformed from the backbone of Pangu of Mount Buzhou, it is impossible for a quasi-sage Gonggong to knock Mount Buzhou down.

Around Jinji Ling, (to read Baoshuang novels, go to Feilu Novel Network!) all the powerful people also discovered After Hongjun and Su Chen talked in Yuanshen, they guessed that Hongjun must have compromised with Su Chen.

The secrets Su Chen just said were too scary.

The collapse of the Primordial Pillar Buzhou Mountain was actually Hongjun's plan.

The collapse of Buzhou Mountain , the innate spiritual energy in the prehistoric immortal world becomes the acquired spiritual energy. Hongjun did this to ruin the cultivation prospects of the immortals in the prehistoric immortal world.

Without innate spiritual energy in the prehistoric immortal world, the cultivation and advancement of the immortals would be ten times, or even dozens of times, more difficult. The great power of the prehistoric world None of them could understand Hongjun's purpose of doing this, and what benefits Hongjun would get from doing this.

"Senior brother, Hongjun compromised with Su Chen"

"Well, I hope Su Chen will not agree to Hongjun keeping those secrets"

"Senior brother, Su Chen is very cunning. He can't possibly agree to Hongjun keeping all those secrets."

"That's right, junior brother, after so many years, none of us thought that Mount Buzhou was also plotted to collapse by Hongjun. But why did Hongjun plot to collapse Tianzhu Mount Buzhou?"

"Senior brother, only Su Chen may know about this matter. However, Hongjun will definitely benefit from the collapse of Mount Buzhou, and it may also be a huge benefit. Otherwise, Hongjun would not have planned the collapse of Mount Buzhou."

"Yes, alas, we can't guess the reason for any of this."

Zhunti and Jieying Yuanshen were talking through the sound transmission. They are now even more vigilant towards Hongjun.

Hongjun's calculation is too deep and insidious.

Not only are they the saints being plotted, but even the prehistoric Tianzhu Buzhou Mountain has been plotted. The plan collapsed, and the ancient heaven was not aware of it at all, which showed that Hongjun's plan was simply impossible to guard against.

At this moment,

Hongjun looked at the nine heavens with a serious face and shouted,

"I am the saint of the ancient heaven, Hongjun. I swear to the ancient heaven today that I will not take action against the Emperor Su Chen within a hundred years. If I violate the oath of the heaven, I will be obliterated by the heaven, my body will be destroyed, my soul will be shattered, and my true spirit will be destroyed. Collapse."

Boom boom boom.....

The heaven above the nine heavens responded, and Hongjun's heavenly oath was recognized by the prehistoric heaven. If Hongjun takes action against Su Chen within a hundred years, the heavenly oath will come to Hongjun.

Su Chen laughed after hearing Hongjun's oath of heaven.

This incident was successfully overcome.

Su Chen was also worried for the past two days.

It was just a small thing at first.

Su Chen only had to endure Tong Tian's arrogance. , but the matter was made bigger and bigger by Su Chen, and all the saints in the ancient world were implicated, and even the Emperor Haotian was

deposed. Su Chen became the emperor of the ancient world again, one by one. Things, thinking about it now, Su Chen feels that he is lucky, eh!

Regardless of luck,

Su Chen's women in the prehistoric fairy world are about to gather together, and the remaining women are very easy for Su Chen to deal with.

Hongjun shouted to Su Chen with a livid face,

"Su Chen, return my spiritual treasure to me."

Su Chen shook his head and replied,

"Hongjun, those are my spiritual treasures. The Qiankun Ding and the God-killing Spear are both destined to me and should be mine."

"snort!"

Hongjun snorted and disappeared. He didn't expect Su Chen to be so shameless. Su Chen's tone was exactly the same as Zhunti, a shameless and shameless person. When

Nuwa saw Hongjun leaving, she looked at Su Chen sarcastically said,

"Su Chen, you look exactly like Zhunti, so shameless and shameless"

Chapter 2417

The Queen Mother and the Golden Spirit Mother all rolled their eyes at Su Chen speechlessly. They did not expect that Su Chen would be so shameless.

Are the Qiankun Ding and the God-killing Spear destined to him?

Should it still be his?

What is the difference between this and Zhunti fighting the autumn wind in the ancient fairy world?

However, women like the Queen Mother also relaxed.

Hongjun took an oath of heaven and left, and Su Chen's crisis was finally resolved. But what did Su Chen say to Hongjun? Why did Hongjun take the oath of heaven? They couldn't understand any of this.

Queen Mother Xi suddenly discovered that Haotian was missing.

It was impossible for Haotian to disappear silently. She guessed that Haotian should have been taken away by Hongjun.

"Su Chen and Haotian may have been taken away by Hongjun."

Su Chen looked around and said nonchalantly, "You're a piece of trash, Hongjun can take him away."

Empress Nuwa asked Su Chen,

"Su Chen, what are you going to do in the future?"

Su Chen touched his chin and thought for a while and said,

"The Great Tribulation of the Gods will continue. Queen Mother, you will manage the Heavenly Court first. The Queen Mother of the West and the Golden Spirit Virgin Mother will go to the Heavenly Court to take charge."

"And you? Are you still going to Dashang?"

The Empress Nuwa frowned when she heard Su Chen's words.

She couldn't understand.

Su Chen was already the Emperor of Heaven in Prehistoric 440. Why would this little bastard still participate in the Great Tribulation of the Gods?

Dashang?

Dashang only had a short time left. In the short period of more than ten years of national destiny, is Su Chen going to help Dashang change his destiny?

Su Chen hugged Nuwa and replied with a smile,

"Um? I will stay in the mortal world for sixty or seventy years, and I still have some important things to do in the mortal world."

The Empress Nuwa rolled her eyes at Su Chen and felt helpless. She found that Su Chen was becoming more and more natural in hugging her, and he was getting more and more aggressive.

The Empress Nuwa looked at the Jinling Virgins and shook her head.

Su Chen is a shameless person. Se embryo, the direct female disciples of Jiejiao were wiped out in one sweep, and the only female disciple of Chanjiao was also taken care of by this little bastard.

Not only did the Golden Spirit Holy Mother and the other girls have powerful cultivation realms, but they were also the most stunning beauties in the prehistoric fairy world. The

Queen Mother of the West listened. Su Chen nodded and said,

"Okay, I'll go to heaven and sit there"

"us....."

Su Chen saw the embarrassment of Our Lady of Jin Ling, and that Our Lady of Jin Ling also wanted to refuse to go to heaven.

Su Chen interrupted Our Lady of Jin Ling and said,

"You also go, I will use a secret in exchange for you to break away from the Jiejiao and Chanjiao. You should have seen what happened today. The water in the ancient immortal world is very deep, and your teacher will not be able to protect himself in the future."

"Jin Ling, your teachers have discovered the relationship between you girls and me. There is no need for you to continue to stay in Jiejiao and Chanjiao."

After Jinling Holy Mother and Taoist Cihang heard Su Chen's words, they also understood that it was impossible to stay in Jiejiao and Chanjiao, but if they were separated from Jiejiao and Chanjiao, they would be the same. The expressions were unacceptable.

Su Chen saw that the women all had embarrassed expressions.

After he took out two jade slips and entered some information respectively, Su Chen handed the jade slips to Our Lady of Jinling and Taoist Cihang.

"Jin Ling, Cihang, each of these two jade slips contains a secret. You will each hand it over to your teachers when the time comes. After reading it, they will agree to let you leave your respective sects."

"good!"

"I see!"

Mother Jin Ling and Taoist Cihang nodded at the same time. They took the jade slips and put them away respectively.

Although they were unwilling to leave their respective sects, things have developed to this point. This is not something they are willing to do.

Even if these girls continue to stay in their respective sects, they will be marginalized by their respective teachers, and may even be used by their teachers to deal with Su Chen.

Su Chen suddenly thought of the name of Taoist Cihang, which sounded very special. Although it is impossible for Taoist Cihang to join Buddhism, the name of Guanyin Bodhisattva can still be called.

After Su Chen let go of Nuwa, he appeared next to Taoist Cihang.

Su Chen hugged Cihang's small waist and said, "Cihang, your name needs to be changed. You will be called Guanyin Bodhisattva from now on." (To read Baoshuang novels, go to Feilu Novel Network!)

Taoist Cihang was hugged by Su Chen and wanted to struggle, but she was stunned when she heard Su Chen's words, change the name?

How could this little bastard let her say that Name?

"Why? Why should I change my name?"

Su Chen touched Taoist Cihang's little face and explained,

"Cihang, don't you think Guanyin Bodhisattva sounds better than Taoist Cihang? Look at the sisters Jinling Holy Mother and Yunxiao Empress. They are either called the Holy Mother or the empress. It is too ugly for you to call Taoist Cihang."

Taoist Cihang's face turned dark when he heard Su Chen's words.

Does this bastard think her name is not good-sounding?

Damn you little bastard,

Taoist Cihang, is it not good-sounding?

It's just that

Taoist Cihang thought of Master Jinling. The Taoist names of the sisters are the Holy Mother Jinling and their six sisters, three are the Holy Mother and the three are the Sanxiao.

Taoist Cihang feels that the Taoist names of the Jinling Holy Mother and Sisters seem to sound better than hers. , Holy Mother? Empress? These titles are indeed very high-end.

Taoist Cihang rubbed his forehead and said,"Okay, from now on I will be called Guanyin Bodhisattva!""

Su Chen heard that Taoist Cihang agreed to the name. He hugged Taoist Cihang and thought, oh no, it's Guanyin Bodhisattva's soft waist now.

Guanyin Bodhisattva's spiritual treasure willow jade bottle is in his hand, but the Pure World White Lotus is in his hand. In Buddhism, Avalokitesvara Bodhisattva without white lotus is not like Avalokitesvara Bodhisattva.

Su Chen looked around and saw that

Zhunti and Jie Yin had not left yet.

Neither did the surrounding quasi-sage powerful men and Daluo Jinxian.

Damn, these two days What happened has been resolved, do these strong men still want to watch the fun?

Su Chen thought for a while and shouted to Jie Yin who had not yet left,

"Jie Yin, I know you have a ninth-grade Pure World White Lotus, I will exchange it with you for a secret"

"Can!"

Jie Yin nodded hurriedly after hearing Su Chen's words.

He had many secrets to ask Su Chen.

Although a high-grade innate spiritual treasure is precious, it is nothing compared to the secrets he wants to know.

Whoosh!

Jie Yin sent the ninth-grade pure world white lotus over without any hesitation. Su Chen caught the ninth-grade pure world white lotus and handed it to Guanyin Bodhisattva.

"Guanyin, I give you this spiritual treasure. You can also change your Taoist robes into white palace robes from now on."

"Got it, little egg!"

Guanyin Bodhisattva took the Nine-Pin Pure White Lotus with a blushing face. She didn't know why Su Chen asked her to wear a white palace dress, but she felt that this little bastard must have no good intentions.

Su Chen took the Nine-Pin Pure White Lotus from Guanyin Bodhisattva. After Shi Bailian, his mind was thinking randomly,

"Guanyin? Bai Lian? Guanyin sitting on lotus? Japan and Europe, can't think about it anymore"

Chapter 2418

Su Chen looked at Guanyin Bodhisattva and shook his head hastily. It was too dirty, but how could he be so anxious in his heart? Do he want to win Guanyin Bodhisattva in the ninth-grade Pure World White Lotus?

At this time,

Jie Yin sent a message to Su Chen Yuanshen,

"Emperor Su Chen, I want to know Hongjun's plan for our saint."

After Su Chen heard the voice transmission, he looked at the powerful people around who had not left.

Hongjun's plan for the saints was based on the Hongmeng Purple Qi. The Hongmeng Purple Qi of the six saints was all done by Hongjun. The hands and feet, it can also be said that the life and death of the six saints are all in Hongjun's hands.

Su Chen thought about it and said,

"Take the lead, I promised Hongjun not to reveal this, but when you look at Nuwa, what Nuwa will do will make you understand Hongjun's plan for you saints."

"good!"Jie

Yin nodded when he heard"Zero Six Three" Su Chen's words.

Since Su Chen promised Hongjun not to reveal it, but Nuwa and Su Chen have a close relationship, it is impossible for Su Chen to watch Nuwa being plotted by Hongjun. , Jieyin and Zhunti can also see Hongjun's plan through Nuwa's actions.

Su Chen looked at Nuwa's empress Yuanshen and said,

"Nuwa, you gave up your holy position, stripped out the Hongmeng Purple Qi and gave it back to Hongjun"

"What?"

The Empress Nuwa was confused when she heard Su Chen's words.

Abandoning the holy throne?

Do you want to strip off the Hongmeng Purple Qi?

Is this little bastard crazy?

If the Empress Nuwa abandons the Holy Title of Heavenly Dao now, how can she protect this little bastard in the future? Bastard?

Su Chen said to Nuwa Empress again with a serious face,

"Abandon the holy position and peel off the Hongmeng Purple Qi. There is something wrong with the Hongmeng Purple Qi."

"good!"

Ms. Nuwa's face suddenly turned ugly.

Is there something wrong with the Hongmeng Purple Qi?

No wonder Su Chen asked her to give up her holy position. Hongjun actually did something with the Hongmeng Purple Qi. Hongjun may have used the Hongmeng Purple Qi to control their six saints. ?

The Queen Mother and the Golden Spirit Mother, they looked at Su Chen and Nuwa Empress looking at each other, they guessed what Su Chen and Nuwa Empress were talking about in Yuanshen, why did Su Chen carry them and Nuwa Empress behind their backs? They talked.

But they found that Su Chen's face was very serious, and

Nuwa's face was also ugly, and she also showed an angry expression.

They felt that the matter might be very serious, otherwise Nuwa would not show anger. Expression.

Boom boom boom.....

Nuwa appeared above the nine heavens and burst out with a powerful aura.

She looked towards the prehistoric fairy world and declared,

"I, Empress Nuwa, a saint of heaven and a holy mother of the human race, now I give up my identity as a saint of heaven, give up my holy position, and the Hongmeng Purple Qi comes out!"

Boom boom boom....

After Empress Nuwa made her announcement, the Hongmeng Purple Qi in her body was stripped out, and the Great Desolate Immortal World was shaken at this moment.

All creatures in the Prehistoric Immortal World were shocked.

Did Empress Nuwa abandon her holy position?

How can this be?

A heavenly saint, this is the most powerful existence in the prehistoric immortal world.

How could Nuwa give up her holy position?

Empress Nuwa looked at the Hongmeng Purple Qi peeled off from her hand, with a complicated expression on her face.

The Hongmeng Purple Qi made her a high-ranking saint, the only female saint in the ancient fairy world, but she was just a puppet saint, a being. Hongjun is the puppet saint who controls life and death at any time

"go!"

Nuwa Empress thought of this, and she threw the Hongmeng Purple Qi out casually.

Hongmeng Purple Qi is highly poisonous, and Nuwa

Empress would not let Hongjun continue to control her. Even if the deposed Holy Throne fell to the Holy Realm, she would not be controlled by Hongjun. That insidious man Jun was in control.

At this moment,

Nuwa's cultivation level continued to decline, starting from the third level of the Holy Realm, the peak of the Second Level of the Holy Realm, the late stage of the Second Level of the Holy Realm, and the middle stage of the Second Level of the Holy Realm.....In the early stage of the first level of the Holy Realm, boom, the quasi-holy peak!

Boom boom boom.....

After the Empress Nuwa fell into the holy realm, the prehistoric fairy world was violently shaken and rained with blood.

The saint fell. (To read Baoshuang novels, go to Feilu Novel Network!)

The sky cried and rained with blood.

The creatures in the prehistoric fairy world looked at the rain of blood falling in the sky.

All the creatures looked at the sky in confusion. Empress Nuwa had really given up the holy position of heaven. She was the only female saint in the prehistoric fairy world. From now on, she was no longer a saint of heaven..

Around Jinji Ridge, all the powerful people here were stunned. Did

Nuwa Empress really give up her holy position? why is that?

Is it because of Su Chen?

Could it be that Hongjun took advantage of Nuwa?

After the powerful people here looked at each other, they looked at the Nuwa Empress who was above the nine heavens. She was at the pinnacle of the quasi-sage.

The Nuwa Empress had really fallen into the holy realm....0

At this moment, the preparations and receptions all had angry expressions on their faces.

Empress Nuwa deposed her holy throne and returned the Hongmeng Purple Qi.

What does this mean?

This really means that there is something wrong with Hongmeng Ziqi.

Damn Hongjun.

Zhunti and Jieyin all want to kill Hongjun at this moment. They did not expect that Hongjun would do something in Hongmeng Ziqi.

The Queen Mother and the Empress were also confused.

Empress Nuwa actually gave up her holy throne?

A heavenly saint gives up when he says to give up.

What is this for?

All the powerful men in the prehistoric immortal world racked their brains to become saints and fought for the Hongmeng Purple Qi, but Empress Nuwa actually deposed her holy position and abandoned the Hongmeng Purple Qi.

The Queen Mother asked Su Chen doubtfully,

"Su Chen, is there something wrong with Hongmeng Ziqi?"

After the other girls heard what the Queen Mother said, they all looked at Su Chen to know the true image.

Su Chen nodded to the girls.

He looked at the Nuwa Queen above the nine heavens and frowned.

Su Chen wanted to help. Nuwa was promoted to the Hunyuan Daluo Golden Immortal, but this required the use of his innate treasure, the Chaos Bell. The

Chaos Bell suppressed all of Su Chen's luck.

If Su Chen wanted to help Nuwa, he had to use the Chaos Bell.

Damn, do you want to use the Chaos Bell again? Making a big fuss?

Is this him 1.8?

Su Chen rubbed his forehead and was very speechless. He didn't want to cause trouble anymore, and he didn't want to be noticed by the saints and powerful people in the ancient immortal world, but Su Chen had to help Nuwa Empress..

Queen Mother Xi looked at Su Chen and asked hurriedly

"Su Chen, after Empress Nuwa dethrones the throne, can she still become a saint in the future?"

Su Chen shook his head and replied,

"Queen Mother of the West, if Nuwa does not use the Hongmeng Purple Qi to become a saint, she will only be the Hunyuan Daluo Golden Immortal in the future, and will no longer be a saint."

The Queen Mother of the West and the girls in Yunxiao were very confused when they heard Su Chen's words,

Hunyuan Daluo Jinxian?

They have never heard of this realm.

Aren't quasi-sage queens saints? How could there be a Hunyuan Daluo Jinxian?

The Queen Mother was confused. asked,

"Hunyuan Daluo Jinxian? What is the difference between this and a saint?".

Chapter 2419

In the chaos,

Tongtian and Yuanshi are still attacking each other with Laozi, and the space in the chaos has been shattered by the attacks of various Taoist arts and spiritual treasures. The violent chaotic evil spirit and chaotic storm are constantly eroding the surroundings.

I have the black and yellow exquisite tower of heaven and earth above my head, holding the Tai Chi diagram to resist the attacks from Tongtian and Yuanshi.

Yuanshi's Pangu flag was waved, and a powerful chaos blade attacked me. The Tai Chi chart I unfolded roared, and the white light blocked the chaos blade attack.

He held the Qingping Sword in his hand, and the Four Zhuxian Swords floated around him. The terrifying chaotic sword energy attacked me one after another. The black and yellow exquisite tower of heaven and earth kept shining with golden light to resist the terrifying chaotic sword energy.

I suddenly sensed that a saint had fallen in the prehistoric immortal world, which surprised him very much. In just over a day, how could a saint fall in the prehistoric immortal world? who is it? Zhunti saint? To lead the saint? Or Empress Nuwa?

"Tongtian, Yuanshi, something big must have happened in the prehistoric times. The saint has fallen. You should also have sensed it."

"There is no need for us to kill each other. I have acquired merits, the most precious treasure, the Xuanhuang Exquisite Tower of Heaven and Earth, and the innate treasure, the Tai Chi Diagram. There is no way you can break through my defenses."

Tongtian and Yuanshi also sensed the death of saints, but they couldn't control that much.

I took away their origins, which cut off their advancement to higher realms.

Moreover, I's plan against them also instigated their rebellion in their respective sects. Disciple.

Taken together, it is impossible for them to forgive me, not to mention the secrets that Su Chen wants to tell them. If Tongtian and Yuanshi had not killed me once, that bastard Su Chen would not have been able to tell them those secrets.

"We will not stop until we kill you, you must die!"

"Lao Tzu, today is the destruction of the prehistoric immortal world, and we have to kill you first."

"Damn it, you can't kill me.! "

I cursed with a gloomy face.

The old Taoist One Qi Transformation into Three Pure Ones was defeated by Tongtian and Yuanshi. Fortunately, he had two top defensive treasures in the ancient world, otherwise he would definitely be injured by Tongtian and Yuanshi now.

Yuanshi looked at Lao Tzu's Xuanhuang Exquisite Tower and Taichi Diagram.

He felt very helpless. It would take at least several years for Yuanshi and Tongtian to break down the two great defense treasures. They didn't have that much time to waste here.

"Tongtian, arrange the Zhuxian Sword Formation, I will explain the luck of teaching and stabilize your luck of interception and teaching."

"good!"

Tongtian nodded when he heard Yuanshi's words.

Tongtian has the luck of Chanjiao to help him stabilize the luck of Jiejiao. He can also set up the Zhuxian Sword Formation to kill me.

"punish! Absolutely! trap! kill!"

Tongtian took out the Zhuxian array diagram and threw it away, and the four Zhuxian swords instantly appeared around me.

Boom boom boom.....

At this moment, the chaotic evil spirit and chaotic storm in the chaos are even more violent. The violent vibrations of the terrifying roar in this space make the surrounding space make a clicking sound. The squeeze of the space makes this chaotic space more dangerous..

In this terrifying space, any quasi-sage who arrives will be instantly annihilated.

In the Zhuxian Sword Formation, there are wonderful changes, unlimited murderous intent, and great dangers. The murderous intent in the sword formation is changing all the time. The chaotic sword energy is violent and raging. Every time the invisible chaotic sword energy passes through, the space in the sword array will be divided. A black hole emerged.

I looked around with a serious face.

The Chaos Sword Qi was just a terrifying attack and killing formation. I was also careful about the terrifying attacks of the other three killing formations. If he was not careful, he would be instantly killed by the Zhuxian Sword Formation.

In the ancient immortal world, after Su Chen heard the words of the Queen Mother, he explained to the girls the difference between the saint and the Hunyuan Daluo Golden Immortal.

After Queen Mother Xi heard Su Chen's explanation, she still didn't understand. They were both in the holy realm, so what was the difference between the Hunyuan Daluo Golden Immortal and the saint?

"Is Hunyuan Daluo Jinxian a saint? But the saint is not Hunyuan Daluo Jinxian? Su Chen, Hunyuan Daluo Jinxian and Saint are both holy realms. Why is there a difference between the two?"

Su Chen continued to explain after hearing Queen Mother Xi's words,

"Queen Mother of the West, saint is just the name of the prehistoric immortal world. Saints are controlled by heaven. If the prehistoric immortal world is destroyed, the saint will completely fall. However, Hunyuan Daluo Jinxian is unrestrained and has no restrictions. The destruction of any realm has nothing to do with Hunyuan Daluo Jinxian."

After the girls heard Su Chen's explanation, they had a certain understanding of the saint and Hunyuan Da Luo Jinxian.

The most basic thing is that the saint is bound by the way of heaven. The way of heaven is immortal, and the saint will not die. If the way of heaven is destroyed, the saint will completely fall. However, Hunyuan Daluo Jinxian is unrestrained and has no restraints from the way of heaven. Even if the way of heaven is destroyed, Hunyuan Daluo Jinxian will not fall. (To read Baoshuang novels, go to Feilu Novel Network!) At this moment, the state of Nuwa has also stabilized. , the quasi-sage peak,

Nuwa's state stopped after falling to the quasi-sage peak.

Nuwa felt a little melancholy at the moment. The aloof saint became a quasi-sage, and her heart also had mixed feelings.

However,

Nuwa Empress Nuwa has no regrets, she would rather be a quasi-sage, and Empress Nuwa does not want to be controlled by that old bastard Hongjun.

Dangdangdangdang.....

Suddenly, long-lasting bells rang out from the Primordial Immortal Realm. After nine crisp bells resounded throughout the Primordial Immortal

Realm, many strong men in the Primordial Immortal Realm listened to the ringing of the Chaos Bell. I was confused. The Demon Emperor Donghuang Taiyi's Donghuang Bell was born, which surprised the powerful people in the prehistoric fairy world.

"Donghuang Bell? This is the Donghuang Bell of the Demon Clan Donghuang Taiyi"(Hao Nohao)

"The innate treasure Donghuang Bell was born?"

"Damn it, haven't you seen Emperor Su Chen holding the East Emperor Bell in his hand? Damn it, the innate treasure Donghuang Bell is actually in the hands of a scumbag Emperor."

"Who am I, the scumbag Emperor? You really want to die and stay away from us. Emperor Su Chen even dares to fight Hongjun and the Saint. How dare you, a Daluo Jinxian, do you?"

"Emperor Su Chen actually has an innate treasure, the Donghuang Bell. Why wasn't it revealed before?"

"Emperor Su Chen has more than ten quasi-sages to protect him. Does he need to take out the innate treasure, the East Emperor Bell?"

At this time,

Su Chen's voice spread throughout this ancient fairyland.

"I am the Heavenly Emperor of the Great Desolate Immortal Realm and Su Chen, the Human Emperor of the Human Race. As the Great Desolate Heavenly Emperor and as the Human Emperor of the Human Race, I gather the fortune of the Heaven and gather the fortune of the human race to help Empress Nuwa achieve the Golden Immortal of the Hunyuan Daluo. Bell, go!"

Chapter 2420

When Su Chen took out the Chaos Clock, he also mobilized the luck of Xuantian Realm.

The huge luck of Xuantian Realm would raise the realm of Nuwa Empress again.

Empress Nuwa just fell to the quasi-sage level. She was a heavenly saint before. If she were an ordinary quasi-sage, Su Chen would not be able to ascend to the saint level even if he had great luck.

At this moment,

Empress Nuwa looked at Su Chen. She did not expect that Su Chen would do this for her, but the fate of the ancient heaven and the fate of the human race made it impossible for her to return to the holy realm.

Empress Nuwa smiled at Su Chen.

She was very happy that Su Chen could do this for her, but it was impossible to restore her to the holy realm.

"this.....How can this be?"

Empress Nuwa was about to return the Chaos Clock to Su Chen, but before she had time to take action, the Chaos Bell suddenly erupted with a milky white light and enveloped Empress Nuwa.

Empress Nuwa felt a huge amount of essence of luck, which was more powerful than the Qi of Heaven. Luck is a thousand times more refined than human luck.

Empress Nuwa looked at Su Chen with a shocked face. After she saw Su Chen nodded to her, Empress Nuwa immediately closed her eyes and absorbed the huge energy of Xuantian Realm. Luck.

Yunxiao and the Queen Mother looked at Su Chen with surprised faces. They did not expect that Su Chen would have the innate treasure, the East Emperor Bell.

No,

Su Chen was talking about the Chaos Bell, but the Nuwa Empress had fallen into the Holy Realm, the Heavenly Court. Can luck and luck of the human race help Empress Nuwa return to the holy realm?

Yunxiao hurriedly grabbed Su Chen and asked doubtfully,

"Su Chen, can heaven's luck and human luck help Empress Nuwa return to the holy realm?"

Su Chen hugged Yunxiao, kissed her and said with a smile,

"certainly!"

Yun Xiao's face turned red immediately after being kissed by Su Chen. She hurriedly broke away from Su Chen's arms and hid behind the Wudang Virgin.

Yun Xiao did not expect that Su Chen would kiss her in public.

This shameless pervert would hug her in public. The hug was too much, and this bastard even kissed her.

Yun Xiao was so embarrassed that she wanted to strangle Su Chen to death.

The other girls didn't care that Su Chen kissed Yun Xiao. They all knew Su Chen's shameless nature, a shameless person. Se embryo, they all didn't believe what Su Chen said. If heaven's luck and human luck are so powerful and can elevate quasi-sages to the holy realm, do they, quasi-sages, still have to practice so hard?

"This is impossible, Su Chen, if you do this, it is impossible for Empress Nuwa to advance to the Taoist realm again."

"It's impossible, Su Chen, I know you want to help Nuwa, but this won't work at all."

"Yes, Su Chen, don't waste your efforts. What you are doing is in vain."

"Little bastard, stop your chaos clock. You will not succeed. You are wasting the luck of heaven and the luck of the human race."

"Su Chen, stop. Empress Nuwa will be very happy if you do this, but it is impossible to succeed."

"Shameless pervert, haven't you thought about it? If the fate of heaven and the fate of human beings can elevate quasi-sages to the holy realm, do we quasi-sages still have to practice hard to become saints?"

Su Chen shook his head when he heard the words of the women.

These women, don't they know that the fate of heaven and the fate of human beings can't raise Nuwa to the holy realm again?

This is not the period of Journey to the West.

Su Chen wants to take his daughter Empress Wa was promoted to the holy realm again, and he could only use the huge luck in the Xuantian realm. The luck in heaven and the luck in the human race were just a cover.

Su Chen touched his chin and asked the girls,

"Ladies, do you want to bet?"

When Guanyin Bodhisattva heard that Su Chen wanted to bet with the girls, she asked doubtfully,

"What to bet on?"

Su Chen said to the girls with a wicked smile,

"If I can help Nuwa return to the Holy Realm, I will win. Those of you who bet with me must unconditionally promise me a promise. If I fail to help Nuwa return to the Holy Realm, then I will lose. I can do it unconditionally. I promise you a promise"

"I won't bet with you!"

After hearing Su Chen's words, Hou Tu hurriedly shook his head and refused. (To read Baoshuang novels, go to Feilu Novel Network!)

She felt that Su Chen could raise the Nuwa Empress to the holy realm again.

This was her intuition, and Su Chen Never do anything that you are not sure about. Su Chen has plotted all the saints about what happened in the past two days.

Hou Tu will not bet with Su Chen. She will know the result in a moment. Bet with this little bastard for sure. Will it be a good thing?

0 Please give me flowers.

The Queen Mother also shook her head hurriedly and said,

"I won't bet with you either!"

The Queen Mother feels the same as Hou Tu.

Although she doesn't believe that Su Chen can raise Nuwa to the holy realm again, but what if?

This little bastard always does something unexpected. The Queen Mother feels that Su Chen is cheating on her by betting with them. Set.

Our Lady of Golden Spirit also refused and said,

"I don't bet either!"

"Haha, we three sisters don't gamble either!"

Yun Xiao smiled and refused.

The three Xiao sisters were often dragged into gambling by Su Chen in Sanxian Island. The three sisters had never won once.

Every time they lost the bet, the three sisters would be taken over by Su Chen. After taking advantage of it, the Yunxiaoshang sisters will not bet with Su Chen again, even if it is a sure-win bet, the three sisters will not bet with Su Chen.

I'll join in!

Why don't you bet?

Don't they all believe it?

This must be Why don't you bet on the winning bet?

Su Chen saw that every woman didn't bet with him, which made him very speechless.

The women just said that it was impossible for him to raise Nuwa to the holy realm again, but these women still refused to bet with him one by one. She didn't even dare to bet with him. Are Yunxiao and the Queen Mother all monkey spirits?

Su Chen looked at the girls and deliberately mocked,

"This is a sure-win bet. Don't you all have the guts to bet with me?"

Women like the Queen Mother and Yun Xiao, after they heard Su Chen's taunting words, some of them shook their heads and were speechless, while others stared at Su Chen as if they were about to make a move.

"Su Chen, I bet with you!"

"I'll bet with you too!"

Guanyin Bodhisattva and Turtle Spirit Mother stared at Su Chen and spoke one after another.

They did not believe that Su Chen would help Nuwa Empress return to the holy realm. This time is an opportunity to retaliate against Su Chen. As long as they win the bet, Su Chen will let them be slaughtered.

Su Chen saw that only Guanyin Bodhisattva and Turtle Spirit Holy Mother were willing to bet.

He was speechless.

Only two of the ten women around Su Chen were willing to bet. The remaining women were too shrewd.

"Have you thought about it?"

"Think about it!"

"The bet is established, we can't regret it"

"we will not regret"
