Chapter 2451

In the ice and snow domain, the five saints launched the Immortal Killing Sword Formation to resist the attacks of hundreds of ice monsters.

Thousands of miles away, more than a dozen quasi-sage powers from the ancient immortal world and more than thirty Daluo Golden Immortals gathered together. These ancient powerful men all had dark faces and ugly expressions, and they all used their spiritual treasures to resist the attack of the ice monster.

The strong men from the prehistoric fairy world came to the Ice and Snow Territory. After they discovered that hundreds of quasi-holy ice monsters were surrounding and killing the five saints, these strong men had to leave one after another.

However, the Ice and Snow Territory could only enter but not leave.

The rules of heaven and earth blocked the Ice and Snow Territory. space, these strong men are unable to break through the space of ice and snow to escape.

"How come there are hundreds of powerful Ice Demon Saints in a small space? The space is blocked, we can't escape"

"We are going to be doomed this time. We cannot resist the attack of hundreds of quasi-holy ice monsters for long. Damn it, what is going on in this small space? Why were the saints suppressed to the quasi-saint realm after their arrival?"

"The small space is too weird. The Zhuxian Sword Formation presided over by the five great saints is already crumbling. We quasi-sages and Da Luo Jinxian may fall here soon."

"Fortunately, the ice monster has no consciousness, otherwise we would perish if we couldn't hold on for a day."

"Great Immortal Zhen Yuanzi, why don't we go and make peace with the five great saints? We strong men cannot withstand the attacks of hundreds of ice monsters."

"No, the five saints have activated the Immortal Killing Sword Formation. If you want to die, you can go there. Besides, there are more than two hundred ice monsters attacking the saints. Even in the past, the saints had no time to care about us."

"Don't say it anymore, everyone gathers mana to control the spirit treasures to resist. We live and die together now. If the ice monster breaks through our defenses, we strong men will perish here."

Zhen Yuanzi and Ancestor Minghe, these ancient powerful men, are all very regretful at this moment.

Curiosity killed the cat.

They came to the Ice Cave to check out out of curiosity.

Faced with the attack of hundreds of ice monsters, they responded There is no hope of leaving the Ice and Snow Territory alive.

The Ice and Snow Territory can only be entered but not exited. The five great saints of the prehistoric era are trapped in the Ice and Snow Territory and cannot get out. It is even more impossible for them, the quasi-sages and Da Luo Jinxian, to get out. The

Ice and Snow Territory goes deep, and the woman in white She looked at the coming primitive creatures with a cold expression. She did not expect that there would be continuous primitive primitive creatures coming. The ice and snow domain could no longer be hidden in the primitive fairy world. The woman in white showed an angry expression and whispered,

"Damn it, in more than a million years, the ice and snow lotus may be promoted to the Chaos Spiritual Treasure. The ice and snow domain is now discovered by many ancient creatures, and Hongjun will also notice it. —"

"With Hongjun's powerful Holy Realm cultivation level, the rules of heaven and earth in the Ice and Snow Realm cannot suppress Hongjun's Holy Realm, and Hongjun also has a half-step Chaos Spiritual Treasure in his hand."

The woman in white is very helpless at the moment.

In order to advance to their spiritual treasure, she and Xue Ji have been staying in the ice and snow domain since they recovered. They have never been out of the ice and snow domain for millions of years. The ice and snow lotus has also been promoted from the top innate spiritual treasure to Half-step Chaos Spiritual Treasure.

Powerful creatures from the prehistoric fairy world are arriving one after another. Sooner or later, the Ice and Snow Territory will be exposed.

That old bastard Hongjun will also discover the existence of the Ice and Snow Territory. She and Xue Ji's Spiritual Treasure Ice and Snow Lotus can no longer be used. Absorb the energy of the rules of the avenue and continue to advance

"Um? what happened? Xue Ji? Damn it, what happened to Xue Ji? Yeah! how so? desire? Xue Ji was violated? Well, well, well....., no, damn, this.....Yeah!"

The woman in white suddenly turned hot, and her eyes showed a watery look of desire. Her body was getting hotter and her face was getting rosier.

Desire?

Lust?

The woman in white didn't expect that desire and lust would arise.

She and Xue Ji and Ji are one body, and the woman in white can feel desire and lust. This must be something happened to the same body Xue Ji, or maybe Xue Ji is being violated and humiliated.

Whoosh!

The woman in white instantly entered the ice and snow lotus with her face flushed.

Her current Her ugliness will not be seen by anyone. The woman in white is very angry about Xue Ji's accident. She is unable to check on Xue Ji's situation now. (To read Baoshuang novels, go to Feilu Novel Network!) Desire and lust Excited, the woman in white could only wait for her desire and passion to subside before she could go check to see what happened to Xue Ji. At this moment, in the space prison, Su Chen understood after listening to the explanations of Nuwa and Yunxiao. , the powerful people in the ancient immortal world are really curious. First, the five great saints followed Nuwa and her daughters, and then the quasi-sages and Daluo Jinxian from the ancient immortal world also arrived one after another. Do they think there are treasures and spiritual treasures in the Ice Cave? The top experts in the ancient world will be wiped out in one fell swoop

"Su Chen, please quickly move Qin Yuan and Bai Ze into the spatial prison."

Shang Yang has been worried after discovering the arrival of Qin Yuan and Bai Ze, but Su Chen is resting and recovering, and

Shang Yang doesn't want to disturb Su Chen.

Now that Su Chen has woken up, Shang Yang wants Su Chen to take Qin Yuan and Bai Ze away. Ze moved into a safe space prison

"Qinyuan? White Pond?"

Su Chen was very speechless when he heard Shang Yang's words.

He didn't think that Qin Yuan and Bai Ze would also come into the ice and snow realm. Qin Yuan must be saved, but the space prison was full of his women. Su Chen didn't want to move Bai Ze. Entering the space prison.

Su Chen thought for a moment and shook his head,

"Shang Yang, how many days can those powerful people from the ancient world survive? If I move Qinyuan and Baize over now, we may be exposed. Think about it, if I only save Qinyuan and Baize, these people in the ancient world Strong people will have opinions about us, and may even hate us in the future."

"this....."

Shang Yang didn't know what to do when he heard Su Chen's words.

Su Chen was right.

If they only saved Qinyuan and Bai Ze, the powerful people here would definitely be dissatisfied when they found out, and maybe even Will hate them.

If these powerful people from the ancient world survive the catastrophe in a small space, Su Chen will face the hatred of the powerful people from the entire ancient world in the future.

Su Chen patted Shang Yang on the shoulder and said, "Shang Yang, don't worry, if Qin Yuan and Bai Ze are in danger, I will move them into a space prison instantly."

Empress Nuwa said with a cold face.

"Su Chen is right, we can't save anyone now"

"The space of the spatial prison is not big to begin with. There are as many as forty or fifty powerful people here. The more people come to the spatial prison, the more mana Su Chen will waste to maintain the spatial prison."

Shang Yang nodded and reminded Su Chen, "I understand, Su Chen, if Qinyuan and Bai Ze are in danger soon, you must move them over in time."

"Don't worry, Qin Yuan and Bai Ze will not die."

Chapter 2452

Su Chen would not fail to save Qinyuan and Bai Ze.

Qinyuan was his woman.

Even if he didn't save others,

Qinyuan must be saved.

Tianfeng of the Feng clan also had to be saved.

Although Tianfeng was not his Women, but the relationship between Su Chen and Tianfeng is also very ambiguous. Su Chen would not watch that mature sexy beauty fall into the ice and snow.

As for the great masters like Zhen Yuanzi and Ancestor Minghe,

Su Chen can only look at the situation.

He is not a powerful saint, and Su Chen cannot save everyone. He can only save his relatives first. ~ People close by.

Time in the ice and snow domain slowly passed.

I relied on the Zhuxian Sword Formation to withstand the attack of the Ice Demonic Beast. However, they could not hold on for long. The Zhuxian Sword Formation was already crumbling. In about ten days, the Zhuxian Sword Formation might be destroyed. Break through.

There have been casualties among the powerful people in the ancient immortal world.

Five or six people of Daluo Jinxian have died. If Zhen Yuanzi and Ancestor Minghe had not had strong spiritual treasure defense, the powerful people of Daluo Jinxian might have died in less than a day. Light

"Su Chen, I know you are nearby, do you want to watch us and the powerful people here fall?"

Suddenly,

Zhunti's voice spread throughout the area.

Zhunti had no choice but to ask Su Chen for help.

Hundreds of ice monsters attacked the Immortal Killing Sword Formation regardless of life and death. His mana was consumed very quickly, and The Zhuxian Sword Formation was already crumbling under the constant attacks of the ice monsters.

Zhunti didn't want to fall into the ice and snow, so he could only hope that Su Chen would use the law of space to save them once.

Laozi, Yuanshi, Tongtian, and Jie Yin were also waiting for Su at this moment. According to Chen's response, they can still hold on for some time, but what about the future?

They can't break through this small space to escape.

If their mana is exhausted and the Zhuxian Sword Formation is broken, all five of their saints will fall into the small space.

Saints are immortal.

But every time a saint dies, after the prehistoric Heavenly Dao resurrects them, their souls will be controlled more deeply by Heavenly Dao, and even some of their origins will be consumed. The price of this resurrection is too expensive.

If they can avoid falling, none of the five great saints will want to fall.

"Emperor Su Chen is also in this small space?"

"It may be true that Nuwa Empress and the Queen Mother came to the Ice Cave, but we didn't find them at all in this small space. I guess Su Chen and Nuwa Empress were hiding around."

"Yes, Emperor Su Chen knows the laws of space, they must be hiding around"

"In this case, why doesn't Heavenly Emperor Su Chen help us?"

"You are stupid. Emperor Su Chen is just a Taiyi Golden Immortal. Even if he knows the laws of space, does he have the power to save so many of us?"

"That's right. The Heavenly Emperor Su Chen is here, and he can't save us. His level of cultivation is too low."

"Alas, Su Chen probably saved the Nuwa Empress and her daughters. If he had the ability, I don't think he would have refused to save them."

After hearing Zhunti's shouts, the powerful people of the prehistoric era were surprised that Su Chen was here.

However, they thought of the arrival of Nuwa Empress and the Queen Mother, and they also knew that Su Chen and Nuwa Empress were here. With all the women here, it was impossible for Su Chen to save these powerful men.

Low cultivation was Su Chen's weakness, and

Su Chen did not have the huge mana to use the laws of space to save them.

Qin Yuan and Bai Ze did not expect Su Chen Hidden here, they did not expect that Su Chen really did not die. If Su Chen did not die, then Shang Yang definitely did not die either.

However,

Shang Yang and Bai Ze might die in a small space.

In the prison of space,

Su Chen was speechless. He rubbed his forehead, but he was still discovered by the saints. This may be the previous silent attack, and the broken defensive barrier made the saints discover it.

The Queen Mother asked with a worried look,

"Su Chen, what should we do? The saints and powerful people in the small space have all guessed that we are here"

"I'll think of a way!"(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen doesn't know what to do now.

Save those saints and powerful people?

He doesn't have that ability.

There are too many saints and powerful people in the ice and snow realm. , if there were only a dozen or so people, Su Chen would save them.

But hell, there were forty or fifty strong men and women in the ice and snow realm, and

Su Chen was unable to save them.

Nuwa and his wife looked at Su Chen helplessly.

There was nothing they could do about it.

They were all burdens and were being protected by Su Chen. If they had the ability, would they let Su Chen protect them?

0 Asking for flowers.

After Su Chen thought about it, he asked about the space prison. The ancient saints and powerful people outside said,

"I am Su Chen, the Emperor of Heaven. I am hiding around, but I can't do anything to save you."

"Although I know the laws of space, I am just a little Taiyi Golden Immortal. I don't have that much magic power to save you. However, I can find a way to break through this small space. You can hold on for a few more days."

In the ice and snow domain, after hearing Su Chen's voice, all the saints and powerful men nodded helplessly. They had previously guessed that Su Chen couldn't save them here, but if Su Chen could break this In this weird small space, saints and powerful people like them can escape with their lives.

A quasi-sage powerful person shouted to the surroundings, "Emperor Su Chen, you have to break open this small space as soon as possible. We can't hold on for a few days.""

"I will definitely try my best to open up the small space"

"Thank you Emperor Su Chen!"

"Thank you Emperor Su Chen!"

"Thank you Emperor Su Chen!".....

After many experts heard Su Chen's promise, these experts thanked Su Chen one after another. It is better to have hope than no hope.

Without Su Chen's existence, they could only wait for the ice monster to be killed.

With Su Chen, existence, they powerful people still have a chance to escape from this small space.

After Su Chen looked at those powerful men, he shouted to the Qinyuan girls,

"Qinyuan Demon Saint, Tianfeng Clan Chief, and the Daluo Jinxian in the green dress, please don't resist me. I will move you to my prison in space."

Qinyuan, Tianfeng, and the dark-faced Flower Demon Girl. They heard Su Chen's words and did not resist Su Chen's move towards them. The three Qinyuan girls knew that Su Chen wanted to save them. Bai Ze saw Qin Yuan looked at him worriedly, he shook his head and said to Qin Yuan

"Qin Yuan, don't worry about me. You go to Su Chen's space prison first. These powerful people and I can hold on for a few more days. Qin

Yuan nodded and said, "Okay, Bai Ze, I will definitely let Su Chen save you."

Whoosh whoosh!

In an instant,

Qinyuan, Tianfeng, and the Flower Demon Fairy disappeared next to many powerful people.

"Damn it, why did Emperor Su Chen only save beautiful fairies?"

Chapter 2453

In the ice and snow domain, all the powerful people had dark faces at the moment. It was okay for Su Chen to save one or two powerful people.

But why did he only save beautiful fairies? Don't all the male immortals in the prehistoric immortal world have human rights?

Seeing lust and forgetting their righteousness, some powerful people felt very helpless.

At this moment, the two old ladies of Daluo Jinxian among these powerful ones are very regretful at this moment.

Why did they turn into the appearance of old ladies when they transformed?

If they turned into beautiful women, they would be rescued by Su Chen first.

In the space prison, after Qin Yuan, Tianfeng, and Enchantress appeared in the space prison, they looked at the Nuwa Empress in the space prison and saluted, and expressed their gratitude to Su Chen for saving them and coming to the space prison.

After Su Chen nodded to the three girls from Qinyuan, he was about to enter the Demonic Tower of Desire to meet the Ice and Snow Demon God.

One day was about to pass, and a year was almost passing in the Demonic Tower of Desire. Su Chen was also worried that the Demonic God of Ice and Snow would be killed by the 30 Demonic Demon of Desire. Crazy with anger and torture

"Nuwa, please pay attention to the situation outside. I'm going to interrogate the prisoner."

"good!"

Nuwa Empress and the other girls nodded to each other.

They knew that Su Chen did not want to expose the existence of the Chaos Demon God. After all, there are three powerful men here who have just arrived. Qinyuan may not talk nonsense, but the Tianfeng of the Feng Clan and the Flower Demon Clan's You can't tell the Enchantress.

Whoosh!

Su Chen instantly disappeared into the space prison, and a small black tower appeared in Su Chen's previous location.

Damn it! As soon as Su Chen appeared in the Demonic Tower of Desire, he was The Ice and Snow Queen hugged her. The

Ice and Snow Queen, whose face was red, was already unconscious.

For more than a year, the evil spirit of desire had corroded her. The Ice and Snow Queen's desire had long been unable to hold on. Her whole body was flushed, and she was confused and watery. The look in his eyes made him want to eat Su Chen

"Ice and Snow Queen, wait, I'll join in!"

"You bastard....., I want to kill....."

"Damn it, Holy Lady of Ice and Snow, please calm down, I have collected the demonic energy of desire, I.....I....."

"Woo woo....."

In the Demonic Tower of Desire, after Su Chen absorbed the demonic energy of desire, the Ice and Snow Queen still woke up without desire. Su Chen looked at the Ice and Snow Queen who kept kissing him. He didn't know what to do at the moment.

The Ice and Snow Queen was originally very sexy and alluring.

Now that she was completely aroused by desire, the Ice and Snow Queen was a thousand times more sexy and alluring than before.

Damn it, are you being pushed back?

Can't resist!

Can't resist!

Su Chen and the Ice and Snow Queen were completely lost.

He had the ability to resist the Ice and Snow Queen's pushback, but why did Su Chen resist?

A piece of watery cabbage was brought to his mouth.

Su Chen had no reason not to eat it.

Ahem,

Damn, this time it was Ice and Snow Saint who ate this little piece of meat.

In the space prison, the Nuwa Empress and the other girls looked at the small black tower in front of them. This small black tower made all the girls very confused.

The ultimate innate spiritual treasure?

An innate treasure?

They couldn't even tell what level of spiritual treasure the Little Black Tower was.

However,

Nuwa and her daughters thought that the Little Black Tower could imprison the Chaos Demon God.

They guessed that the Little Black Tower might be an innate treasure or a chaotic exotic treasure.

Empress Nuwa looked at the little black tower and her heart moved.

She thought that she seemed to be able to control Su Chen's spiritual treasures. Even the innate treasure Chaos Clock could obey her orders. Empress Nuwa wanted to see if this little black tower could do anything. Will obey her orders. (To read exciting novels, go to Feilu Novel Network!)

"come over!"

Whoosh!

After Empress Nuwa waved to the Demonic Tower of Desire and called out, the

Demonic Tower of Desire appeared in the hands of Empress Nuwa in an instant, which made Empress Nuwa smile on her face.

Sure enough, all of Su Chen's souls She should be able to control all the treasures.

What is going on?

Empress Nuwa can't figure it out, but Su Chen can also control her spiritual treasure. Could it be that her and Su Chen's destiny is to be Taoist companions of the same body? They are just Taoist lovers. It was impossible for her to control each other's spiritual treasures.

She didn't care about this.

Empress Nuwa and Su Chen were already connected by fate. They were able to control each other's spiritual treasures. This showed that both she and Su Chen cared about each other very much. They didn't even care about each other. Beware of the other party at all.

Shang Yang looked at Nuwa Empress in surprise and asked,

"Empress Nuwa, you can even control Su Chen's spiritual treasure? Yun

Xiao smiled and explained to Shang Yang,

"Shang Yang and Nuwa Empress can even control Su Chen's innate treasure, the Chaos Clock. Of course, this little black tower can also be controlled."

The Queen Mother asked Nuwa Queen in confusion,

"Empress Nuwa, can you control all of Su Chen's spiritual treasures?"

The Queen Mother was very surprised.

This was the first time that the Black Tower appeared in front of them, but why could the Nuwa Empress control it?

The Chaos Clock was previously controlled by the Nuwa Empress.

They were all very shocked, and Su Chen wanted to start from Empress Nuwa recalled the Chaos Clock, but the Chaos Bell did not return.

What is the close relationship between Empress Nuwa and Su Chen? Such a situation is impossible even between Taoist lovers.

Empress Nuwa said with a smile,

"It should be possible. I don't know how many spiritual treasures Su Chen has, but as long as Su Chen's exposed spiritual treasures are exposed, I can control them."

After the Queen Mother and the Yunxiao girls heard what Nuwa said, they all showed envious expressions.

Nuwa could control all of Su Chen's spiritual treasures. This showed that Su Chen had no defense against Nuwa, not even that little bastard. I trust Nuwa Empress very much

"Damn little bastard!"

After Nuwa Queen Mother checked the situation of the Demon God of Desire, her face turned red and she was very angry.

Mother Nuwa did not expect that Su Chen imprisoned five female fairies, and there were still five naked female fairies imprisoned in the Demon God of Desire Tower. ,

Damn little bastard,

Nuwa Empress wants to strangle Su Chen now.

Where is Su Chen?

Didn't that little bastard enter the spiritual treasure?

She can't see Su Chen like this?

Where is the Ice and Snow Demon God?

Why can't the Ice and Snow Demon God also see it?

Female Empress Nuwa checked the spaces in the Demonic Tower of Desire layer by layer, but after checking again, Empress Nuwa did not find Su Chen, nor did she see the Demon God of Ice and Snow.

This made Empress Nuwa feel something was wrong, very wrong.

Jin Seeing the shameful and angry look on Nuwa's face, Holy Mother Spiritual Mother asked in confusion,

"Empress Nuwa, what happened?"

"It's nothing. I found that this small tower was banned by Su Chen. I couldn't see where Su Chen was in the small tower."

Chapter 2454

Empress Nuwa did not tell the truth about the Jin Ling Holy Mother and the girls.

Four of the five girls imprisoned in the Demonic Tower of Desire were disciples of the Jie Jiao, and they were still imprisoned naked.

The Jin Ling Holy Mother and Yunxiao were both Jie Jiao's disciples in the past. , she was worried that Holy Mother Jinling and Yunxiao would cause trouble for Su Chen.

Empress Nuwa didn't know why Su Chen imprisoned these five women, and why she wanted to humiliate the five women in the Demon Tower of Desire like this.

Before she figured this out,

Empress Nuwa would not tell the Golden Spirit Virgin Mary the truth.

After the Golden Spirit Mother and the other girls heard what Nuwa said, they didn't pay attention.

Su Chen went to Lingbaoli to interrogate the Ice and Snow Demon God. They guessed that Su Chen might not want others to see it.

The ladies of the Golden Spirit Madonna don't care how Su Chen interrogates the Ice and Snow Demon. As long as Su Chen can ask how to get out of the Ice and Snow Territory, they can escape from the Ice and Snow Territory, and there is no need to care about other details.

"Han Zhixian, how did you five girls get captured by Su Chen and put into the small tower?"

Nuwa didn't pay attention when she saw the Jin Ling Virgin Mary and the Jin Ling Virgin Mary and the girls started talking to each other again.

She checked the five girls in the Demon Tower of Desire again, and

Nu Wa wanted to know why Su Chen imprisoned them.

The Demon of Desire In the tower, the five daughters of the Holy Mother of Fire Spirit and Hanzhi Fairy suddenly heard the voice of Nuwa. They all stopped practicing and became panicked.

They were all naked now.

Although Nuwa was a woman, they Even if they were looked at by Nuwa, it would be okay, but they would be very embarrassed if they were looked at by Empress Nuwa.

After Empress Shiji and her five daughters protected their bodies in embarrassment,

Han Zhixian hurriedly asked Empress Nuwa,

"Empress Nuwa, how did you control Su Chen's spiritual treasure? Where is Su Chen? Did something happen to Su Chen?"

Mother Nuwa was a little surprised when she heard Han Zhixian's words.

Why did Han Zhixian say that she seemed to care about Su Chen?

Han Zhixian and the five daughters of the Fire Spirit Virgin were captured by Su Chen into the Demonic Tower of Desire, and they were also naked. Imprisoned, and maybe even abused by Su Chen, shouldn't they hate that little bastard Su Chen?

Empress Nuwa thought about it and decided to test it.

"Su Chen has been captured by me. I will kill him in a moment, and even the soul will be destroyed. I didn't expect that bastard to humiliate you like this."

After Shiji heard what Nuwa said, she turned pale and shouted hurriedly,

"No, Madam Nuwa, we entered Su Chen's spiritual treasure voluntarily. Su Chen did not imprison us or insult us."

Nu Wa asked in surprise,

"How can this be? You are naked, isn't this how that bastard insulted you?"

Han Zhixian:

"Madam Nuwa, the five of us are naked. This is because the Lingbao who entered Su Chen couldn't wear a shirt at all. We really weren't insulted by Su Chen."

Madonna of the Fire Spirit:"Yes, Madam Nuwa, just let that little bastard Su Chen go. He really didn't insult us."

Fairy Caiyun:

"Empress Nuwa, look at this Lingbao space. Not only does the Lingbao space contain innate spiritual energy, Su Chen also gave us many top-quality cultivation resources. Su Chen really did not insult us."

Empress Shiji:

"Empress Nuwa, if Su Chen has offended you, I hope you can spare his life. We have advanced to several great realms in just over three hundred years in the Lingbao space. Su Chen really did not insult us."

Princess Longji:

"Empress Nuwa, please spare Su Chen once. We really were not insulted by Su Chen. The five of us voluntarily entered the Lingbao space to practice."

Empress Shiji and the five daughters did not expect that Su Chen would be captured by Empress Nuwa. Come on, the five women's feelings for Su Chen are very complicated.

Su Chen imprisoned the five women, and they were imprisoned naked for more than three hundred years.

All five of them were naked by Su Chen, but Su Chen just looked at them all.

For more than three hundred years, (to read Baoshuang novels, go to Feilu Novel Network!)

Su Chen gave them the best cultivation resources that even saints would not give, and they were still in the Lingbao space. Injecting rich innate spiritual energy, Su Chen asked the five girls to practice well in the Lingbao space. For more than three hundred years, the five girls have only been talking about Su Chen besides practicing.

Su Chen has not appeared for more than three hundred years. The five girls even hoped that Su Chen would show up and talk to them. As for being looked at by Su Chen again, they really didn't care at all.

One year in the Lingbao space, one day in the prehistoric fairy world, no wonder Su Chen has more than three hundred The five girls of Shiji

Empress and Empress Shiji all guessed that Su Chen had been caught by Empress Nuwa, which was why Su Chen never appeared again. The five women were all worried that Su Chen would be killed by Empress Nuwa.

Empress Nuwa After hearing what Princess Longji and her daughters said, she asked in surprise,

"Su Chen really didn't insult me or you? You also voluntarily entered the Lingbao space to practice?"

There is innate spiritual energy in the Lingbao space, and Empress Nuwa discovered it. Empress Nuwa also saw the top-quality cultivation resources around the five girls Shi Ji and Han Zhixian , but these five girls appeared naked in the Lingbao space. He also said that he voluntarily entered the Lingbao space to practice. Is this possible? How could the female fairies in the ancient fairy world despise themselves like this? The five girls were practicing naked in the Lingbao space. Aren't they afraid of being seen by that little bastard? Or were they? The relationship between these five girls and Su Chen is also very close. Why don't the five Han Zhixian girls care about being looked at by Su Chen? Han Han Zhixian nodded hurriedly and replied,

"Madam Nuwa, what we said is true. Please spare Su Chen's life."

Empress Nuwa felt that these women seemed to be lying.

She did not check the memories of the five women.

This was not necessary at all.

Since the five women of Han Zhixian all said that they were not imprisoned and humiliated by Su Chen, this should be true, but the five women Empress Nuwa was a little surprised that she didn't care about being looked at by Su Chen.

"I will interrogate Su Chen. If he really did not do anything evil, I will let Su Chen go."

"Thank you, Empress Nuwa!"

"Thank you, Empress Nuwa!"

"Thank you, Empress Nuwa!".....

After the five daughters of Han Zhixian heard what Nuwa said, they all breathed a sigh of relief.

They didn't want Nuwa to kill Su Chen. That little bastard belonged to their fifth daughter. They didn't want Su Chen to be killed by Nuwa. The empress wanted to kill him, but they would not let Su Chen off easily.

Empress Nuwa continued to ask,

"Han Zhixian, I can let you out. Do you want to come out of this spiritual treasure space?"

"Many thanks to Empress Nuwa, but no need. There is innate spiritual energy in the Lingbao space. Su Chen also gave us many top-quality cultivation resources. The five of us must cultivate to Daluo Jinxian before leaving the Lingbao space."

Chapter 2455

Princess Longji and her five daughters did not think of the Lingbao Space. They all remembered Su Chen's words. As long as they reached the cultivation level of Da Luo Jinxian, Su Chen would let them out.

Empress Nuwa will not kill Su Chen anymore, and they can continue to practice in the Lingbao space.

They don't want to covet the innate spiritual energy and cultivation resources in the Lingbao space. The five girls want Su Chen to fulfill his promise. What the bastard said at the beginning is still fresh in their minds.

The five daughters of Princess Longji were all looked after by Su Chen, and they might not be able to do without that shameless little bastard in the future.

Moreover, for more than three hundred years, their conversations have been inseparable from Su Chen.

Su Chen's shadow has been imprinted in their souls. Even if they leave the Lingbao space, the five girls will not kill Su Chen, but they It won't make it easy for that little bastard either.

At this moment,

Empress Nuwa's soul retreated from the Demonic Tower of Desire, "One to One" with a helpless expression on her face.

Empress Nuwa noticed that in the Lingbao space, the five Han Zhixian girls seemed to be like Su Chen. There is affection.

She was also very speechless towards Su Chen.

Su Chen captured the five Han Zhixian girls and imprisoned them naked for more than three hundred years. However, the five Han Zhixian girls actually developed feelings for Su Chen. This was really too much. Ridiculous.

In the space prison,

Shang Yang and Qin Yuan were talking.

After Qin Yuan learned that Su Chen would definitely save Demon Saint Bai Ze, she felt relieved.

There are only four demon saints left in the demon clan, and

Bai Ze is the leader of the four demon saints. If the demon clan loses Bai Ze, the wise man of the demon clan, it will be impossible for the demon clan to still exist in the prehistoric fairyland in the future. Right.

Shang Yang pulled Qin Yuan and said, "Qin Yuan, have you noticed that Su Chen is very familiar with you?"

"Um? Shang Yang, do you also think Su Chen is familiar?"

Qin Yuan was very surprised when she heard Shang Yang's words.

Ever since she saw Su Chen in the space prison, her soul was beating happily. Qin Yuan had been confused just now and couldn't understand. She didn't expect Shang Yang It's the same as her.

Shang Yang rubbed his forehead and replied,

"Yes, I felt very familiar with Su Chen from the first time I saw him. And the longer I stay in contact with Su Chen, the more familiar I feel with Su Chen. I thought I was the only one who felt this way, but I didn't expect you to be with her too. me too."

Shang Yang thought that during the more than a month she stayed with Su Chen, that little bastard not only touched her, but also kissed her several times, but she couldn't hate that bastard at all.

Shang Yang felt that Su Chen treated her like this She had done it countless times, and Su Chen had done even more extreme things to her.

Qin Yuan nodded and continued to ask,

"This is very strange. None of us know Su Chen, but how can we have the same feeling? Is Su Chen the reincarnation of a great power?"

Shang Yang shook his head and explained,

"No, this is impossible. Even if Su Chen is the reincarnation of the ancient great power, we are not closely related to other great powers. This kind of familiarity can only be experienced by very close people."

"makes sense."

Qin Yuan also thought it was impossible when he heard Shang Yang's words. They had never been close to any powerful people.

The ten demon saints also had a good relationship with each other. There was no special relationship between them.

The other powerful people in the prehistoric fairyland were even less so. It might have something to do with them, but how could she and Shang Yang feel that Su Chen was so familiar? They were even as familiar as if she and Su Chen were Taoist couples.

This made Qinyuan confused.

Deep in the ice and snow realm,

In a white lotus, (to read Baoshuang novels, go to Feilu Novel Network!)

The woman in white is so red that her face is dripping with blood. Her hands are tightly clasped together, and her white dress is a little messy. The fair skin is also exposed

"Damn it, why is it getting stronger and stronger? This time the Ice and Snow Lotus can't suppress it. Who is that bastard? How could Xue Ji be caught and humiliated?"

The woman in white suddenly felt a stronger desire, and this time it was different from before. Just now, the woman in white felt that Xue Ji was resisting the erosion of desire. Now she clearly felt that Xue Ji was being violated. Xue Ji was being violated by a disgusting man..

The woman in white hurriedly waved her hands with a rosy face, and a biting cold air enveloped her, but this did not have much effect on her. After a while, the woman in white fell down on the ice and snow futon with a face full of shame, and her hands also She couldn't help but caressed her own body.

In the ice and snow domain, the five saints were still resisting the attack of the ice monsters with difficulty. Sixty or seventy ice monsters had been killed in the Zhuxian Sword Formation, but from now on, the five saints would not Then use mana to control the Zhuxian Sword Formation to kill the ice monsters.

They must consume as little mana as possible. They cannot borrow the power of heaven in the ice and snow domain. If the mana is consumed too quickly, the five saints may not be able to wait until Su Chen breaks through the small beast. Space will fall...0 boom boom boom.....

Outside the Zhuxian Sword Formation and inside the Zhuxian Sword Formation, the quasi-holy ice monsters kept attacking the Zhuxian Sword Formation, and some ice monsters self-destructed to attack the Zhuxian Sword Formation. The Zhuxian Sword Formation was precariously resisting the attacks of the ice monster beasts.

Zhunti:"Brother, is it useful for us to do this?"

The introduction:"Let's treat a dead horse as a living horse doctor. We can only rely on Su Chen in this weird little space."

I:

"Yes, Zhunti, take the lead. Now we only need to resist the attack of the ice monsters and keep the Zhuxian Sword Formation from being breached. We can't waste mana without wasting mana. Hundreds of ice monsters in the quasi-sage realm are attacking, so we will use it. It's impossible to kill with all the mana.

Tongtian:"Zhunti, we can only rely on Su Chen to break through this weird little space and try to hold on for a few days."

Yuan Shi:"Well, Su Chen knows the laws of space, so he should be able to find a way to break through the small space.""

The five saints are unwilling to waste any extra mana at this moment.

They cannot kill all the quasi-sage ice monsters. If they want to leave this strange small space alive, they can only hold on for a few more days and wait for Su Chen to break through this small space..

The powerful experts on Zhen Yuanzi's side are a bit miserable at 3.8.

They do not have a powerful formation to resist the attack of the ice monster. All the powerful people are using spiritual treasures to resist the attack of the ice monster. Some Daluo Golden Immortals are attacking the ice monster one after another. The beast's attack was so shocking that they vomited blood.

One day, they might persist for a day before the ice monster breaks through their defenses. Su Chen said that within two or three days, they might not be able to wait until the day when Su Chen breaks through the small space and they will perish.

In the Demonic Tower of Desire, more than a month has passed.

At this moment,

Su Chen looked at the Ice and Snow Saint in front of him with an embarrassed look. He did not expect to be entangled with the Ice and Snow Saint for more than a month. The Chaos Demon God is indeed the Chaos Demon God. Su Chen Chen's face looked a lot pale at this moment, and his legs were so weak that he could not stand steadily.

"Ice and Snow Queen, you are pushing back on me. I am the victim. Your expression makes me a little scared."

Chapter 2456

In the Demonic Tower of Desire, the Snow Queen glared at Su Chen angrily. She no longer cared about being looked at by Su Chen.

This shameless little scumbag,

Ice and Snow Saint Princess did not expect that she, a Chaos Demon God, would be humiliated by a scumbag human race this time.

Now that the matter has come to this, no matter how angry the Ice and Snow Queen is, it will not help.

She thinks that Bing Ji and she are one.

This time the Ice and Snow Queen is insulted by Su Chen,

Bing Ji will also feel the same.

In the ice and snow realm, this shameless person cannot possibly As long as

Bing Ji feels the aura of this shameless person, she will kill him at all costs.

The Snow Queen said to Su Chen indifferently,

"Lift the restrictions placed on me by Lingbao Space."

Su Chen shook his head and coughed and said,

"Ahem, this won't work, Ice and Snow Saint, you are a quasi-saint strong person. If I lift your restrictions, my life will be over."

"Shameless, remove the restriction that I can't wear a shirt."

When Ice and Snow Saint heard Su Chen's shameless words, she became angry again.

Ice and Snow Saint didn't ask Su Chen to lift the restriction on her strength by Lingbao. This bastard couldn't lift the restriction on her strength.

Ice and Snow Saint Ji found that Su Chen peeked at her body from time to time. She was very disgusted with Su Chen's disgusting eyes. Ice and Snow Saint Ji wanted Su Chen to lift her restriction of not wearing tops and skirts.

This shameless person,

Ice and Snow Saint Ji If she regains her strength, she will definitely cut this shameless man into pieces, and her soul will suffer the pain of being cut by ice and snow day and night.

"This is acceptable!"

Su Chen nodded awkwardly and waved his hand. He lifted the restriction that Ice and Snow Saint Princess could not wear clothes.

Su Chen had a feast for his eyes for more than a month. He saw everything that should be seen and shouldn't be seen.

Su Chen even felt the ice and snow. The softness of Shengji's body.

Ice and Snow Shengji waved her hand and put on the sexy white dress.

She stared at Su Chen coldly and said,

"Little scumbag, you're dead.! "

Su Chen curled his lips and replied,"Ice and Snow Queen, you can't kill me!"

Ice and Snow Queen snorted and reminded,"Huh, little scumbag, you are in the ice and snow domain now, and Ice and Snow Queen will not let you go."

"Who is Bing Ji?"

Su Chen hurriedly asked after hearing the words of Ice and Snow Saint Ji, Ice and Snow

Domain?

Bing Ji?

Is it the creature that attacked his defensive barrier?

Bing Ji, this should be the name of a woman.

What is the relationship between Ice and Snow Saint Ji and Bing Ji? ?

Su Chen did not find any hatred from the expression of Ice and Snow Queen. Are Ice and Snow Queen and Bing Ji both Chaos Demon Gods?

And their relationship is not bad?

Ice and Snow Queen mockingly said to Su Chen,"You will meet her, and you will Met her soon."

Su Chen shook his head speechlessly and asked,

"Let me guess, you said it but you didn't say it, Ice and Snow Queen, I was attacked by an unknown terrorist attack in the ice and snow domain. It was not an attack by an ice monster, but a terrorist attack much more powerful than the ice monster. Is this the Ice Queen? Attacking me?"

"Um? You were attacked by Bing Ji and you didn't die? This is impossible. You are just a scumbag of Taiyi Golden Immortal. How could you possibly avoid the attack of Ice and Snow Lotus?"

The Ice and Snow Queen looked at Su Chen in surprise.

Su Chen was still alive after being attacked by the Ice Queen?

How is this possible?

A casual blow from the half-step Chaos Spiritual Treasure's Ice and Snow Lotus would not even be tolerated by the Saint Realm.

This little Why didn't Zhazha die?

Su Chen hurriedly asked after hearing the Ice and Snow Queen's words, "Ice and Snow Lotus? What is this? Lingbao?"

Bingxue Shengji's cold and beautiful face showed an incredible look at this moment.

She still couldn't figure out (for Baoshuan novels, go to Feilu Novel Network!)

How could this little scumbag avoid Bingji's attack.

Bingxue Shengji asked Su Chen coldly,

"Tell me first, how did you avoid Bing Ji's attack?"

Su Chen thought about it and decided to tell the truth to Ice and Snow Saint. She is his woman no matter what, and in the Demon Tower of Desire, even if Ice and Snow Saint knew some of his secrets, she would not be able to pass them on to that person. Bing Ji

"I know the laws of space and I know the laws of time, and I have practiced both of these laws to great perfection."

The Ice and Snow Queen showed disdain when she heard Su Chen's words.

A little scumbag who knows the laws of space and time?

Why didn't this bastard say that he still had the Chaos Spiritual Treasure?

The Ice and Snow Queen didn't believe what Su Chen said at all. , the law of space and the law of time, these are the top five laws of chaos.

A little scumbag from Taiyi Golden Immortal knows these two laws? Even the saints in the prehistoric fairy world cannot know these two powerful laws.

Ice and Snow Saint Ji looked at Su Chen and mocked disdainfully,

"You are just a little scumbag, how can you possibly understand the laws of space and time? Have you all reached great success in cultivation? Do you think I would believe it?"

"you do not believe?"

"Tsk, do you think I should believe it?"

I guess!

Is it incredible that I know the laws of space and time?

Damn it,

Ice and Snow Sage, is she looking down on herself?

Su Chen doesn't want to explain to Ice and Snow Sage at this moment.

Believe it or not, he told the truth anyway,

Bingxue If Shengji discovers that he knows the laws of space and time in the future, it will not mean that she has deceived him.

Su Chen sat down and took out some ginseng fruits to eat.

After more than a month of tossing, Su Chen was also a little tired.

Damn, the Chaos Demon God is really powerful.

He is much more powerful than the Saints like Nuwa and Gaia.

If Su Chen hadn't been blessed by the heavens of the Xuantian Realm, he might have been completely defeated this time, and he might not even have the face to see Bingxue again in the future. Sheng Ji, this sexy and seductive beauty

"Give me some!"

Bing (Li Zhao's) Snow Sage saw Su Chen eating the top-quality innate spiritual fruit, and her mouth was a little thirsty.

Even if Bingxue Sage didn't eat or drink for a thousand or ten thousand years, she wouldn't die. But she had been shouting hoarsely for more than a year, and she also wanted to eat some spiritual fruit to moisten her throat.

What's more, what Su Chen took out was the best innate spiritual fruit, which is also rare in the chaos.

"Eat, you must have never eaten these!"

Su Chen also took out some nine-thousand-year-old flat peaches, yellow pears, golden apples, and purple jade grapes. These are all top-quality innate spiritual fruits.

He is not stingy with the Ice and

Snow Saint. She is his own no matter what. A woman, and she was bullied by him for more than a month for the first time, cough!

Damn it,

Su Chen was bullied by the Ice and Snow Queen for more than a month, but he was pushed back by the Ice and Snow Queen.

"Little Zhazha, how come you have so many top-grade innate spiritual fruits?"

Chapter 2457

Ice and Snow Saint looked at dozens of different types of top-grade innate spiritual fruits.

She was very surprised.

These were all top-grade innate spiritual fruits.

This little scumbag was a Tianyi Golden Immortal. How could he have so many top-grade innate spiritual fruits? Innate spiritual fruit?

"Little scumbag?" Su Chen was very speechless when he heard the Ice and Snow Queen calling him little scumbag one after another. The Ice and Snow Queen is indeed the Chaos Demon God. Saints regard the common people as ants, and the Chaos Demon God may even regard them as saints. Ant, damn, so he's not even as good as an ant? Ice and Snow Saint Princess ate the spiritual fruit and rolled her eyes at Su Chen, saying, "Aren't you? Su Chen curled his lips and said mockingly, "Tsk, what's wrong with me even if I'm just a little scumbag?" You, a Chaos Demon God, were imprisoned by me and even became my woman!

"

"Shameless person, do you want to die?"

After the Ice and Snow Princess heard Su Chen's sarcastic words, she strangled Su Chen's neck with a face full of resentment.

This shameless person, if Su Chen hadn't sneak attacked her, how could the Ice and Snow Princess be imprisoned in this spiritual treasure? How could she be insulted by this bastard, eh!

It seemed that she was the one who insulted this bastard.

Su Chen looked at the fair skin exposed by the Ice and Snow Queen, and he even forgot about the Ice and Snow Queen pinching her neck.

The Ice and Snow Queen is not there now Mana, she is just an ordinary sexy beauty.

Su Chen didn't care that the Ice and Snow Queen was pinching his neck, but the alluring Ice and Snow Queen made him think wildly again.

Su Chen and the Ice and Snow Queen had just been fighting for more than a month.

He simply doesn't have the strength to fight the Ice and Snow Queen again.

"Come on, Holy Lady of Ice and Snow, your dress is exposed, but I saw the beautiful scenery that I shouldn't have seen, please let me go."

"Shameless, my body has been seen over and over by you a long time ago, little scumbag, if you dare to say those shameless words again, I will definitely....."

"Kill me, I got it."

Su Chen didn't wait for Ice and Snow Queen to finish threatening, he continued what Ice and Snow Queen said, kill him?

Ice and Snow Queen has said it countless times, can't this sexy beauty use another word?

"snort!"

After Ice and Snow Saint Ji coldly snorted at Su Chen, she sat and ate the spirit fruit. She was a shameless pervert.

She was too lazy to pay attention to this little scum who would die soon.

After a while,

Su Chen looked at The Ice and Snow Queen's white and long legs are all in my imagination.

Damn it, the Ice and Snow Queen is so tempting.

When the Ice and Snow Queen found out that Su Chen was peeping at her long legs, she coldly threatened Su Chen,

"Little scumbag, if you dare to look around again, I'll poke your eyes out."

Su Chen looked at the Ice and Snow Queen speechlessly.

He had already seen the Ice and Snow Queen all over her body. This time he just looked at the Ice and Snow Queen's long legs. The Ice and Snow Queen is so fierce. This beauty is really cold and heartless..

Su Chen rubbed his forehead and said to Ice and Snow Saintasked,

"Holy Princess of Ice and Snow, what is going on in the Ice and Snow Region? What happened to Bing Ji? You also said that I might be killed by Bing Ji soon, so you just let me know."

The Snow Queen ate the peach and sneered,"Hey, I just want to see you die in agony."

"Damn it, you really have the most vicious heart of a woman. We are still a couple after all. Are you so heartless?"

"I was forcibly humiliated by you bastard"

"Let me go, Princess Ice and Snow, please touch your conscience and speak, who of us insulted whom?"

"Shameless, if you don't cast your demonic energy of desire, I will.....Shameless pervert."

The Ice and Snow Saint's face turned red for a moment. (To read Baoshuang novels, go to Feilu Novel Network!) She was so shameless when she thought of pushing Su Chen forward.

The Ice and Snow Saint was eroded by the demonic energy of desire at that time. She lost her mind. She remembered what she had done before and her crazy actions, but now it was this shameless person who caused the trouble. If this little scumbag hadn't cast the demonic energy of desire, how could she have pushed back on this bastard. Su Chen shook his head and asked with a serious face, "Forget it, Snow Queen, you are not a complete person, are you? Bing Ji is your clone? Or are you a clone of Bing Ji?" The Ice and Snow Saint asked with a surprised look on her face, "How do you know that I am not a complete body?" Su Chen saw the Ice and Snow Queen's surprised look. He felt that his guess was wrong. Su Chen had previously guessed that the Ice and Snow Queen might be the clone of the Ice and Snow Demon God, but the Ice and Snow Queen said that there were creatures in the ice and snow realm.

Called Bing Ji, he thought of when he first met the Ice and Snow Queen.

Ice and Snow Queen said her name was Xue Ji, and she could also be called Ice and Snow Queen.

Su Chen guessed that Ice and Snow Queen and Bing Ji were the same body,

Snow Queen?

Bing Ji?

Doesn't this add up to the Ice and Snow Saint?

0 Request for Flowers

Su Chen thought of this, he smiled and explained to the Ice and Snow Queen,

"Guess, the Chaos Demon God will enter a holy realm after his resurrection, and you are a quasi-saint. You told me that your name is Xue Ji, also called Ice and Snow Saint Ji. You are called Xue Ji, and the creatures in the ice and snow realm are called Bing Ji. , don't your names add up to the Snow Queen?"

The Snow Queen nodded and promised,

"You guessed it right. Since you will fall soon, I will tell you some secrets."

"I'm all ears!"

After the Ice and Snow Saint rolled her eyes at Su Chen, she slowly said with a somewhat lonely look,

"It can be said that Bing Ji and I are both Ice and Snow Saints. The Ice and Snow Demon God went away when he resuscitated. The Ice and Snow Laws rioted when the Ice and Snow Demon God revived. The Ice and Snow Demon God failed to revive."

"The Ice Demon God thus separated Bing Ji and me. I am the Law of Snow, and Bing Ji is the Law of Ice. We can say that we are all Ice and Snow Saint Princess, or we can be said to be separate individuals. Su

Chen heard the Ice and Snow Queen hurriedly asked, "Ice and Snow Queen, will you and Bing Ji become one again?"

The Ice and Snow Queen shook her head and replied,

"No, the Law of Snow and the Law of Ice have completely become separate entities. It is impossible for us to reunite and become the Ice Demon God, just like the Three Pure Ones in your ancient fairyland. Do you think the Three Pure Ones will merge into one?"

Su Chen breathed a sigh of relief when he heard Bingxue Shengji's words.

He didn't want to lose this sexy and seductive beauty.

Bingxue Shengji was the sexiest and most beautiful woman he had ever encountered. There was no one else, compared to Nuwa Empress. The Ice and Snow Queen was also a little inferior. The Chaos Demon God was not a primitive creature.

Su Chen looked at the sexy and seductive Ice and Snow Queen and said thankfully,

"That's fine. I'm worried that you will disappear in the future and I will lose a sexy and beautiful lady."

"Shameless!"

The Ice and Snow Saint gave Su Chen a fierce look.

However, the little scumbag's expression of worry that she would disappear just now was not fake, and she felt a little frightened by this.

"Xue Ji, how is your relationship with Bing Ji in the Ice and Snow Realm?"

"Sisters of millions of years, what do you think of our relationship?"

Su Chen asked in confusion after hearing the Ice and Snow Queen's words.

"That's not right. Since you are sisters of hundreds of thousands, why do you appear 20,000 miles deep in the Ice Cave? Why is Bing Ji in the deepest part of the Ice Cave?"

Chapter 2458

Su Chen couldn't understand.

Since Xue Ji and Bing Ji were sisters who had a good relationship, why wasn't Xue Ji with Bing Ji?

Xue Ji appears at the depth of 20,000 miles in the Ice Cave, while Bing Ji appears in the deepest part of the Ice Cave.

There are also ice monsters, white-eyed ice monsters and golden-eyed ice monsters. How can they kill each other? These are simply unreasonable. No matter how Su Chen looked at them, he felt that Xue Ji and Bing Ji were enemies.

Xue Ji looked at Su Chen and thought for a while before continuing,

"I appeared at the depth of 20,000 miles in the Ice Cave. It was because I failed in the battle with Bing Ji, and the loser was responsible for monitoring what happened in the prehistoric fairyland."

Su Chen asked doubtfully,

"fighting? Why are you fighting?"

Xue Sheng glanced at Su Chen and said disdainfully,

"Little Zhazha, I have told you some secrets, and you should stop wondering about the rest."

Xue Ji will not say any more.

She has already told Su Chen some secrets.

There are some secrets in the Ice Cave that are important to her and Bing Ji. Xue Ji will not reveal them. 30 Su Chen hurriedly shouted to Snow Saint ,

"Stop it, Xue Ji, if you don't say anything even halfway, aren't you making me feel itchy?"

"None of my business!"

Xue Ji rolled her eyes at Su Chen and continued to eat the spiritual fruit.

Su Chen's heart is itchy, so it's best for this little scumbag to die of itching, so that she can be happy.

I guess, this sexy beauty also said dirty words ?

It is too offensive for a beautiful and sexy beauty to say dirty words.

Su Chen has to find a way to get Xue Ji to continue talking.

Why do Xue Ji and Bing Ji fight?

Why do losers monitor the prehistoric fairyland?

Xue Ji What on earth were Bing Ji and Bing Ji doing in the Ice Cave?

Su Chen wanted to know.

Su Chen sat next to Xue Ji.

He looked at Xue Ji's long white legs and reminded,

"Xue Ji, don't you know that not only I have arrived in the Ice and Snow Domain, but also the five great saints from the ancient immortal world, as well as forty or fifty quasi-sages and Daluo Golden Immortals have also arrived. The secrets of the Ice and Snow Domain can no longer be hidden."

"What? The saint from the ancient immortal world has arrived?"

Xue Ji was very surprised when she heard what Su Chen said.

The saint from the prehistoric immortal world has come to the Ice and Snow Territory?

How is this possible?

The northern region of the prehistoric immortal world has very thin spiritual energy. There are no exotic flowers and plants, and there are no spiritual roots. How can it be possible for the saint from the prehistoric world to come? This area where birds don't shit?

Isn't this little scumbag cheating on her?

Su Chen nodded and replied,

"Yes, all the saints from the ancient immortal world have arrived except Hongjun. Xue Ji, you should understand"

"Although the saint was suppressed in the ice and snow realm, the saint is immortal. If the saint fell in the ice and snow realm, do you think Primeval Tiandao and Hongjun would check the ice and snow realm?"

Xue Ji stared at Su Chen and said angrily in disbelief,

"Damn, are you lying to me? How could the saint come to the Ice Cave for no reason?"

Su Chen saw that Xue Ji didn't believe it, so he wanted to tell the identity of the Emperor of Heaven.

However,

Su Chen thought that he was just a Taiyi Golden Immortal.

If he revealed that he was the Emperor of Heaven in the ancient immortal world, Xue Ji might be even more angry. He didn't believe it.

But he had no choice.

If Su Chen hadn't convinced Xue Ji, he wouldn't have known what secrets there were in the Ice and Snow Territory, and it would be impossible for Su Chen and Nuwa Empress to escape from the Ice and Snow Territory.

Su Chen After thinking for a while, he coughed awkwardly and said,

"Hey, Xue Ji, I forgot to tell you, I am the Emperor of the Great Ancient Heaven. If I fall in the Ice and Snow Territory, the Primeval Heaven will also check the situation in the Ice and Snow Territory."

Xue Ji looked at Su Chen and mocked disdainfully,

"laugh! Little scumbag, you are just a little scumbag from the Taiyi Golden Immortal Realm, the Emperor of Heaven from the Ancient Immortal Realm? Why don't you just say that you are Pangu among the Chaos Demon Gods?"

Xue Ji is now very sure that Su Chen is deceiving her. (To read Baoshuang novels, go to Feilu Novel Network!) Emperor of Heaven

?

A scumbag Taiyi Jinxian still wants to deceive her into being the Emperor of Heaven?

This little scumbag is too shameless , saints, quasi-sages, and even Daluo Jinxian in the Great Desolate Immortal Realm, would these strong men let a scumbag become the Great Desolate Heavenly Emperor? Even if this little scumbag became the Great Desolate Heavenly Emperor, what could he do?

All races in the Prehistoric Fairyland and All the various forces, even those sects of saints, may not pay attention to this useless little scum.

Su Chen patted Xue Ji's smooth shoulder and smiled,

"Bet?"

"What to bet on?"

Xue Ji coldly patted Su Chen's dog paws away and asked.

She didn't expect that Su Chen would dare to touch her.

This disgusting bastard, if Xue Ji didn't have the realm of cultivation in Lingbao, she would have wanted to slap her. Slap this little scumbag to death.

Su Chen looked at Snow Saint Ji's fair and dewy skin, her cold and beautiful face, her proud figure, her alluring figure that curved forward and backward, her smooth and delicate long legs, and even the faint traces of light under her silk skirt. Yueyue's tempting body made his mind active again. Xue Ji's movements were too tempting.

Su Chen patted his forehead to dispel the desire.

Now was not the time to think about these things.

Xue Ji was already his woman. Su Chen will find a way to kiss Fangze again in the future.

Su Chen said after his eyes regained clarity,

"I said earlier that the five great saints have arrived in the Ice and Snow Territory, and that I am the Emperor of Heaven in the Ancient Immortal Realm. If these are true, then even if I win, you must tell me all the secrets of the Ice and Snow Territory." Xue Ji breathed a sigh of relief after seeing Su Chen's eyes clear again. 337 Xue Ji just saw Su Chen's eyes full of lust. She was very worried that this little scum would do something beastly to her.

"Little scumbag, what if everything you said is false?"

Su Chen assured Xue Ji,

"If what I say is false, even if you win, I will release you from the spiritual treasure. Xue Ji, do you dare to bet?"

After Xue Ji heard Su Chen's words, a look of hesitation appeared on her beautiful and cold face.

Xue Ji felt that Su Chen seemed confident. Could it be that everything this little scum said was true?

Xue Ji felt a little dissatisfied. Feeling confident, she was worried that what Su Chen said might be true.

Xue Ji didn't care about winning or losing, but if the saints from the prehistoric fairy world appeared in the ice and snow realm, the secrets in the ice and snow realm would be exposed.

At that time,

Xue Ji and Bing Ji's Half-step Chaos Spiritual Treasure, Ice and Snow Lotus cannot continue to advance, the Ice and

Snow Realm will also be destroyed, she and Bing Ji must leave the ancient fairy world quickly, otherwise the ancient heaven will find out that they are the chaos demon god, and the ancient heaven will definitely descend the chaos god Thunder destroyed her and Bing Ji.

When Su Chen saw Xue Ji's hesitant look, he asked provocatively,

"Xue Ji, are you not afraid anymore?"

"Humph, it's a bet, little scumbag, what if you lose and your words don't count?".

Chapter 2459

Xue Ji nodded and agreed to the bet.

She wanted to know if what Su Chen said was true. Xue Ji was also worried that the saints from the prehistoric fairy world would appear in the ice and snow realm.

She didn't care whether she won or lost the bet, and Xue Ji felt that Su Chen would never let her go.

This little scumbag was a shameless pervert. The way Su Chen looked at her just now was full of lust.

Xue Ji is an extremely beautiful and sexy Chaos Demon God. Even the Chaos Demon God couldn't help but want to have an idea of Ice and Snow Saint Princess, let alone this little scumbag of the human race who is full of emotions and desires.

Su Chen touched his chin and replied,

"Xue Ji, I always stick to my word. If I lose, I will let you leave the Demonic Tower of Desire."

Let Xue Ji go?

How is this possible?

Not to mention that Xue Ji is already his woman, even if the sexy and seductive Xue Ji is not his woman, it is impossible for Su Chen to let go of an extremely sexy Chaos Demon God.

A person who can't seduce people to death. How could Su Chen let go of Xue Ji, the Chaos Demon God who paid for his life?

The Snow Saint glared at Su Chen coldly and snorted,

"Humph, little scumbag, how do you want me to know the outcome of the bet?"

"This is very simple. I can let you see the situation in the ice and snow domain through the Desire 243 Magic Tower."

"let's start!"

"Can!"

Su Chen nodded and waved his hand, and the space barrier of the Demonic Tower of Desire suddenly became transparent.

Su Chen and Snow Saint first saw the Nuwa Empress and the girls.

In the ice and snow domain, the five saints were resisting the ice monster in the Killing Immortal Sword Formation. The attack, the defensive barrier formed by powerful people like Zhen Yuanzi, all this appeared in front of Su Chen and Xue Ji.

Xue Ji did not expect that what Su Chen said was true. The five great saints, forty or fifty people in the prehistoric fairy world A strong man, these top strong men in the prehistoric fairyland actually came to the ice and snow domain.

However, when Snow Saint saw the Nuwa Empress in the space prison, she was very surprised.

A Hunyuan Daluo Jinxian?

How could this happen in the prehistoric fairyland ? Is there Hunyuan Daluo Jinxian?

There is also a space prison.

The aura of the space prison is exactly the same as this little scumbag. Does this little scumbag really know the laws of space?

Xue Ji's cold and beautiful eyes looked at Su Chen.

She felt that Su Chen I didn't lie just now.

This little scumbag should really know the laws of space and time.

However, when

Xue Ji saw the Nuwa Empress hidden in the space prison, she looked at Su Chen with even more contempt.

Ice and Snow Land There are forty or fifty powerful people from the ancient world of immortality, but this little scumbag only saves beautiful fairies from the ancient world of immortality. Su Chen is really an extremely shameless pervert.

"Xue Ji, what do you look like?"

Su Chen saw Xue Ji's contemptuous eyes on him, which made him speechless.

Xue Ji just checked the situation in the ice and snow area. How could this sexy and seductive beauty look at him like this?

"Can't you see the contempt in his eyes?"

After Xue Ji rolled her eyes at Su Chen, she thought about how she and Bing Ji could escape from the Great Desolate Fairyland.

Xue Ji and Bing Ji had half-step Chaos Spiritual Treasure Ice and Snow Lotus. It was very easy for them to escape from the Great Desolate Fairyland, but they escaped Where should they go after entering the Great Desolate Immortal Realm?

Xue Ji and Bing Ji are not yet in the Holy Realm.

They have been advancing to the Ice and Snow Lotus for millions of years. There is no Chaos Qi that they have cultivated in the Ice and Snow Realm, and the spiritual energy in the Prehistoric Northern Realm is very thin. None of them can practice.

The most important thing is that there should be many Chaos Demon Gods in Chaos who have also revived.

If the traces of Xue Ji and Bing Ji are discovered by the Chaos Demon God, they will either be killed by the Chaos Demon God and extract their origins, or they may be killed by other Chaos Demon Gods. The devil caught him and made him a prisoner.

Su Chen shook his head when he heard Xue Ji's words. (To read Baoshuang novels, go to Feilu Novel Network!)

Despise yourself?

Why does Xue Ji despise herself?

Su Chen couldn't understand this.

Forget it, a woman's thoughts are hard to guess, the thoughts of a female fairy are even harder to guess, and the thoughts of the Chaos Demon Goddess are even more elusive.

Su Chen saw Snow Saint's thoughtful look and said,

"Xue Ji, if you lose, tell me the situation in the Ice and Snow Territory."

After Xue Ji looked at Su Chen coldly, she thought that the Ice and Snow Territory could no longer be hidden.

Bing Ji might destroy the Ice and Snow Territory soon, and sooner or later Su Chen would know the secrets of the Ice and Snow Territory.

She rubbed her forehead and said to Su Chen said,

"The ice and snow domain is a fragment of chaos. There is also a great law in the ice and snow domain, a powerful rule that is about to dissipate."

"For millions of years, Bing Ji and I have used the little energy of the Great Dao Rules to advance to our spiritual treasures. This is why we have stayed in the ancient fairyland and not practiced in the chaos."

"Bing Ji and I compete once in a million years. The winner can control the Lingbao Ice and Snow Lotus, and the loser will be responsible for monitoring the development of the ancient world."

"The reason why the ice monsters kill each other is because the ice monsters that Bingji and I created using the special characteristics of the ice and snow domain cannot coexist. Bingji and I lost

in the last competition, and the ice and snow domain returned to ice after millions of years. Ji Zhizhi, the ice monster I created will naturally be destroyed."

When Su Chen heard what Xue Ji said, he completely understood.

The ice and snow domain is really a fragment of chaos.

The rules of the road?

This is his fault.

Su Chen thought that the ice and snow domain was governed by the rules of heaven and earth. He did not expect that the ice and snow domain was filled with rules. It turned out to be the Dao Rule. Although it is the Dao Rule that needs to be dissipated, the energy at the core of the Dao Rule is more precious than the origin of Heaven.

Su Chen looked at Xue Ji and asked, "Xue Ji, if I let you out, you and Bing Ji will have to go to Chaos?"

Xue Ji nodded and replied indifferently,

"Of course, the Heavenly Dao of the Ancient Realm and Hongjun will not let the Chaos Demon God stay in the Ancient Realm, even if we are not the Chaos Demon God in the Holy Realm."

Su Chen suddenly hugged Xue Ji's sexy waist and asked,

"Xue Ji, neither you nor Bing Ji are in the Holy Realm. Do you think you and Bing Ji can survive if you and Bing Ji go to Chaos? There may be many Chaos Demon Gods resurrected. Aren't you worried about being killed by other Chaos Demon Gods and seizing their origins?"

Well, it's so soft.

The Chaos Demon God is worthy of the Chaos Demon God.

Su Chen can play with this small waist for ten thousand years.

Su Chen hugged Xue Ji's small waist and didn't want to let go. Xue Ji's soft and delicate waist Su Chen couldn't put it down.

However,

Su Chen looked forward to Xue Ji's long legs even more.

He could play with Xue Ji's small waist for ten thousand years, and Su Chen could play with her long legs for a lifetime.

Xue Ji was attracted by Su Su Chen suddenly hugged her and was stunned.

This shameless person,

Xue Ji was still thinking about what Su Chen meant by those words. This little scum dared to touch her, and even hugged her and kept touching her. The waist.

Snow Saint scolded Su Chen with a cold face,

"Shameless pervert, let me go, damn little scumbag, do you really want to die?".

Chapter 2460

In the ice and snow field, in the ice lotus,

Bing Ji's face was cold and cold, and she was clenching her fists tightly.

The lust just now made her tortured.

Bing Ji did not expect that one day she would be tortured by the desires of low-level creatures.

One day, a whole day One day,

Bing Ji was tortured by desire and became weak and weak.

Especially in the last period of time, Bing Ji tasted the lust of low-level creatures. Damn it

, what kind of creature was Xue Ji insulted by? Bing Ji wished she could tear that creature into pieces.

Whoosh!

"All the creatures in the prehistoric fairy world, please die in the ice and snow field!"

After Bing Ji came out of the ice and snow lotus, she looked at the saints and powerful people in the ancient world of ice and snow with a cold face.

Bing Ji wanted to vent her anger on these ancient creatures, and

Xue Ji was humiliated.

""Zero four-three" This must be done by the creatures from the ancient world.

The Ice and Snow Domain has also been exposed.

Bing Ji doesn't care about killing all the creatures from the ancient world in the ice and snow domain.

"go!"

Bing Ji gently tapped the ice lotus, and a blue light disappeared in a flash.

Bing Ji looked at the saints in the ancient fairy world. She wanted to kill the saints in the ancient fairy world first, and the remaining scum would run away soon. No.

In the ice and snow field, boom boom boom.....

The five holy realms of Laozi are still resisting the attack of the ice monster, which is tirelessly attacking the Immortal Killing Sword Formation.

Although the Zhuxian Sword Formation has been crumbling, they have managed to stabilize the situation.

For seven or eight days, they can still insist on not being broken by the ice monster.

But if Su Chen cannot break through the ice and snow domain within seven or eight days, Zhuxian will The sword array will be broken, and the five great saints will also run out of mana and be devoured by the ice monster.

"Do you think Su Chen can break through this space?"

"I don't know. It's been a day. Su Chen said that it will take three or four days to break open this small space. It's only been one day now. We can wait for another day or two to see."

"Su Chen knows the laws of space. If Su Chen can break through the ice to open this small space, we and Zhen Yuanzi, the great powers of the past, will not be able to break through this small space. We can only hope that Su Chen can break through this space."

"Yes, the law of space. This is the top five law of chaos. Su Chen, a scumbag Taiyi Golden Immortal, actually knows the law of space. This is incredible."

"Su Chen is so weird. That scumbag not only knows the secrets of the ancient world, but also has endless methods. We can't treat Su Chen as a little scumbag."

Zhunti and the five great saints of Laozi are very worried at this moment. They are all worried that Su Chen cannot break through the ice and snow domain.

One day has passed, and if Su Chen has not broken through the ice and snow domain in another day or two, they saints Everyone will fall once.

Whoosh!

"No!"

Boom!

A blue light attacked Zhunti instantly.

After sensing the crisis, Zhunti hurriedly tried to dodge the attack, but before he could dodge, Zhunti was hit by the blue light. Zhunti's body instantly exploded and turned into a Scumbag.

I and Yuanshi looked at all this with panic on their faces.

It was so fast that they didn't even sense the attack coming from there. Zhunti was killed and fell in an instant. (To read Baoshuang novels, go to Feilu Novel Network!)

When Jieyin saw Zhunti being killed and fell, he shouted with an ugly face,

"Junior brother....., damn, who is it? Who is it? Tongtian asked with a surprised look on his face.

"Who attacked Zhunti? Where did the attack come from? Why didn't I feel it at all?"

I reminded him with a serious face,

"Everyone is on guard, there should be a powerful creature in this small space. We are all in the quasi-sage realm now, so that creature must be stronger than us. Yuan

Shi said with a panicked look on his face,

"It was too fast. It only took a split second before Zhunti was attacked and fell. We didn't notice the attack at all. The silent attack was too terrifying."

I and the Four Saints of Tongtian are all frightened at this moment. If the silent attack just now attacks them, they will be killed instantly like Zhunti.

"Saint Zhunti fell?"

"How can this be? The Immortal Killing Sword Formation arranged by the five saints was not broken, and the five saints were still together. How could Saint Zhunti be killed silently?"

"He must have died. The mournful cry just now and the terrifying explosion sound all indicate that Saint Zhunti has died."

"Well, when Saint Zhunti falls, there will be strange phenomena in the world, but we can't detect it in this weird little space. There must be a rain of blood in the prehistoric fairyland. When the saint falls, the prehistoric world will mourn together....0"

"Everyone, be careful. Although Saint Zhunti is a quasi-sage in a small space, a being at the peak of quasi-sage will kill him if he is killed. We cannot take his death lightly."

"Yes, there must be powerful creatures in this small space, and we must be careful to guard against them."

The great masters such as Zhen Yuanzi and Ancestor Ming He are all shocked at this moment. The sudden death of Saint Zhunti makes them even more worried.

The five great saints are together, and there is also the terrifying Zhuxian Sword Formation defense. But Saint Zhunti was killed and fell silently. They were all worried that the next silent attack would attack them.

In the space prison, women like Nuwa and Yunxiao looked at each other in shock at this moment. Take a look.

Saint Zhunti has fallen?

They guessed that the creatures that attacked them previously killed Zhunti. If Su Chen had not sensed the silent attack in time, these women would have died in a small space like Zhunti..The

Queen Mother said with a worried look,

"The silent attack started again. Unexpectedly, Zhunti couldn't resist it."

Guanyin Bodhisattva said with lingering fear,

"Zhunti is only a quasi-sage now. That silent attack was too terrifying. The several defensive barriers set up by Su Chen were all broken. If Su Chen hadn't risked his life to hold on to the last defensive barrier, we might have fallen in 3.0.. Yun

Xiao nodded and said,

"Yes, Zhunti is not Su Chen. Su Chen knows the laws of space and time. He can sense the coming crisis and can also set up defensive barriers to stop the silent attack."

Empress Nuwa said with a funny expression,

"Haha, it's interesting. Su Chen is a scumbag of Taiyi Golden Immortal no matter what. We Hunyuan Daluo Golden Immortal, quasi-sage, actually have to rely on a scumbag to protect us."

After hearing what Nuwa said, the Jinling Virgin Mother and the other ladies were very speechless.

The Jinling Virgin Mary and the Nuwa Empress came to save Su Chen, but now?

They actually have to rely on a scumbag to do it. Protect.

Shang Yang looked at Nuwa and reminded,

"Madam Nuwa, will that terrifying creature in the small space still attack us? Should we notify Su Chen?".
