Chapter 2461

After Nuwa heard the words of Demon Saint Shang Yang, she frowned and looked outside the space prison.

Who is that creature in the small space?

He just attacked them once and then stopped, and now he attacks the saints again.

Empress Nuwa didn't know if she would attack them.

However,

Empress Nuwa couldn't find where Su Chen was in the Demonic Tower of Desire. She had to call Su Chen in the Demonic Tower of Desire, but she was worried that it would disturb them. Su Chen interrogated the Chaos Demon God.

Empress Nuwa thought for a moment and shook her head and replied,

"Wait a minute, Su Chen is interrogating that creature. Whether we can escape from this small space depends on Su Chen to interrogate that creature. Just now, the creature in the small space attacked the saint. I don't think that creature will attack us yet."

"Well, we'll just wait a little longer."

The Queen Mother nodded and agreed.

They have to rely on Su Chen to interrogate the Chaos Demon God to escape from the small space. If Su Chen can't interrogate how to escape from this small space, they will die here sooner or later.

Our Lady of the Golden Spirit He and the Guanyin Bodhisattva and the other girls nodded.

They also knew that the Chaos Demon God was a key figure. If Su Chen could not figure out how to leave the small space, they would also fall into this small space one after another. Qinyuan and Tianfeng, and There are three bewitching girls, and they are all very confused at the moment.

Saint Zhunti was killed by the silent attack, and the Nuwa Empress and the other girls also suffered the silent attack, and it was Su Chen who resisted the silent attack. The three girls were all shocked by the silent attack.

Su Chen knew the laws of space and time?

A scumbag could actually know the laws of space and time?

Saint Zhunti was killed by a silent attack, but Su Chen actually Can they withstand the silent attack?

The three women all feel as if they are in a dream, and there is a creature imprisoned?

What is that creature?

Why was that creature interrogated? How many of them can escape from this small space?

Qinyuan, Tianfeng, and Enchantress felt that Nuwa and the others were hiding something from them.

Especially that creature, why didn't Nuwa and the others tell what kind of creature it was?

Shang Yang saw Qinyuan's There was a puzzled expression on his face, and Qin Yuan looked at Nuwa Empress and the other girls with puzzled looks.

Shang Yang hurriedly sent a message to Qin Yuan,

"Qinyuan, don't think too much. Su Chen has caught a Chaos Demon God. He is interrogating the Chaos Demon God. There are two outsiders here, Tianfeng and Yaoji. Nuwa Empress and Yunxiao don't want to expose the Chaos Demon God's existence."

Qin Yuan was stunned when he heard Shang Yang's message.

Chaos Demon God?

Su Chen actually caught a Chaos Demon God?

Oh my god, a little scumbag actually caught a Chaos Demon God?

Is this a joke?

Qin Yuan patted her proud chest and took a breath.

She looked at Shang Yang and nodded.

Qin Yuan knew the importance of the Chaos Demon God.

If Su Chen really captured a Chaos Demon God, the origin of the Chaos Demon God was very important. It is precious, and the body of the Chaos Demon God is also the best weapon refining material. It is also for Su Chen's good that Nuwa and the other ladies do not expose the existence of the Chaos Demon God. If the saints and powerful men in the ancient world of immortality knew that Su Chen had one in his hand The Chaos Demon God, those saints and powerful men will definitely take action, and then Su Chen will face a life and death crisis. At this time, in the Demon Tower of Desire, Su Chen held Xue Ji's soft waist without letting go. Without any cultivation, Su Chen wanted to take advantage of Xue Ji. Besides, Su Chen couldn't put it down for Xue Ji's soft waist. Su Chen hugged Xue Ji and smelled her hair and said,

"Xue Ji, we are both husband and wife, isn't it natural for me to hold you?"

"Shameless!"(To read Baoshuang novels, go to Feilu Novel Network!)

Xue Ji stared at Su Chen with an indifferent expression.

She had no magic power at all.

Xue Ji couldn't break free from Su Chen's arms, especially with this little scumbag's constant touching. Looking at her, Xue Ji's body felt a little weak at the moment.

Su Chen kissed Xue Ji and said, "Shameless? Why is he so shameless when he hugs his wife?"

Xue Sheng angrily wiped the mouth kissed by Su Chen, and she threatened with a fierce look,

"Little scumbag, you will die very miserably in the future. I will imprison your soul and torture you day and night."

"Xue Ji, the more you hate me, it means you also love me very much."

"Go away, even if I die, there is no way I can like a low-level scum creature."

Su Chen touched his nose and was very speechless.

The Chaos Demon God is too arrogant, a low-level creature?

Damn, how come he is a low-level creature?

Could it be that in Xue Ji's eyes, he is just an ant?

Forget it, now Instead of thinking about low-level creatures, we should first get Xue Ji out of the Bing Ji Realm.

Su Chen looked at the cold and beautiful Xue Ji and said, "Xue Ji, I have a way to let you and Bing Ji stay in the ancient fairyland."

"Hey, do you want me and Bing Ji to stay in this spiritual treasure space? You little scumbag, stop dreaming."

Xue Jing looked disdainful when he heard Su Chen's words.

This bastard not only imprisoned her but also wanted to imprison Bing Ji. Does Su Chen think she is a fool?

Su Chen nodded and said, "Smart, you and Bing Ji stay here first. In my spiritual treasure, I will let you appear in the prehistoric fairy world openly and openly in the future."

"Shameless pervert, you insulted me, do you think I will let you insult Bing Ji again?"

"Dear Mrs. Xueji, I have obviously been insulted by you, please don't make excuses."

"Shameless person, you.....Go to hell!" When Xue Ji heard Su Chen's shameless words, she bit Su Chen's neck in shame and anger.

"I'll do it! Quickly let go."

Su Chen didn't expect Xue Ji to bite him, so he hurriedly let go of all defenses in his body.

Xue Ji is just an ordinary woman now. Su Chen was worried that Xue Ji wouldn't bite him (hao wang hao) and would bite her teeth instead. It collapsed.

After a while,

Xue Ji let out a cold snort at Su Chen,

"Hum, shameless person, if you dare to say those shameless words again, I will bite off a piece of your flesh next time."

Xue Ji didn't expect that Su Chen would let go of all the body's defenses.

She saw Su Chen's neck being bitten by her and bleeding. Xue Ji's heart suddenly beat. Su

Chen touched her neck and said helplessly, "Xue Ji, I asked you and Bing Ji to stay in the Lingbao Space because I wanted you to practice well in the Lingbao Space."

Xue Ji leaned in Su Chen's arms and mocked disdainfully,

"Hey, there is no energy of chaos in the Lingbao space, and there is no spiritual energy from the prehistoric fairyland. Are we cultivating in the Lingbao space? Still have to do your toy ban!"

Su Chen took out a copy of the Origin of Heavenly Dao and said, "Xue Ji, what do you think this is?"

"this.....This is the origin of heaven. How can you have the origin of heaven?"

Chapter 2462

Xue Ji looked at the golden origin of heaven in Su Chen's hand.

She was very surprised.

The origin of heaven?

This is really the origin of heaven.

Xue Ji can feel the huge energy in the golden liquid. If she absorbs this origin of heaven, she can quickly reach the holy realm, and she can also advance to the third level of the holy realm.

But, how could this little scumbag have the origin of heaven?

If the Heavenly Dao in a realm has not been destroyed, the origin of the Heavenly Dao cannot be plundered at all.

Where did this scumbag get the origin of heaven?

Seeing Xue Ji's surprised look, Su Chen asked,

"Xue Ji, do you want it?"

Xue Sheng asked with a heavy breath.

"Are you willing to give me the source of heaven?"

Su Chen stroked Xue Ji's soft waist and smiled,"As long as you call me husband, I will give you the origin of heaven."

"Shameless!"

Xue Ji glared at Su Chen angrily and cursed,"

This shameless little scumbag, husband?

Why doesn't this bastard die?

Damn shameless bastard,

"Call or not?"

"Go away, don't scream!"

"Forget it!"

"you....."

Xue Ji saw that Su Chen had accepted the origin of Heaven's Dao, and she felt a little regretful. The

Chaos

Demon God did not want to get the origin of Heaven's Dao. In order to become a holy realm, the Chaos Demon God destroyed countless small worlds, middle thousand worlds, and even great worlds.

But the way of heaven in those worlds has just grown, and even if the Chaos Demon God destroys these worlds, he still cannot get the origin of the way of heaven.

The origin of Heavenly Dao is only found in the Heavenly Dao in the realm, but to destroy the Heavenly Dao in a realm requires the realm of the Sixth Heaven of the Holy Realm, which is still the Heavenly Dao in some low-level realms.

If it were an advanced realm, or even a super realm, it would be impossible for the Chaos Demon God to destroy it even in the tenth level of the Holy Realm.

Snow Saint Ji looked at Su Chen and opened her mouth without saying anything.

She couldn't possibly call this bastard her husband, even if this little scumbag used the source of heaven to seduce her.

Su Chen put away the Origin of Heaven's Way and smiled.

He only had three Origins of Heaven's Way left in his hand.

If it weren't for the trial mission of the Heavenly Ladder, Su Chen would have distributed the Origin of Heaven's Way to the girls in Xuantian Realm.

Su Chen was also worried about running into trouble during the Conferred God Period, and the source of Heavenly Dao was reserved for emergencies.

Su Chen waved his hand, and rich innate spiritual energy poured into the Lingbao space.

"Xue Ji, can these innate auras allow you to practice in the Lingbao space?"

"Innate aura? How on earth did you do that?"

Xue Ji couldn't understand this little scumbag.

Su Chen first took out the extremely precious source of heaven, and then released innate spiritual energy in the Lingbao space.

Innate spiritual energy?

This is definitely not the spiritual energy in the Lingbao space, the Demonic Tower of Desire. This spiritual treasure doesn't have such a big effect.

Since the collapse of the Tianzhu in the ancient immortal world, the innate spiritual energy in the ancient immortal world has changed into acquired spiritual energy.

How did this little scumbag do it?

Su Chen stared at Xue Ji's beautiful face Said,"Xue Ji, if you call me husband, I will tell you."

Xue Ji glared at Su Chen and refused angrily,

"You are dreaming!"

Su Chen touched Xue Ji's beautiful smooth little face and asked, (To read Baoshuang novels, go to Feilu Novel Network!)

"Xue Ji, there is rich innate spiritual energy in my Lingbao space, and I will prepare the best innate spiritual fruit for you, and even the source of heavenly law. Can you and Bingji stay in the Lingbao space to practice?"

Xue Ji patted Su Chen's dog paw that touched her face several times, but failed to swat it away.

She yelled angrily,

"Shameless man, let go!"

Su Chen smiled and let go of Xue Ji.

He was going to return in vain this time.

Xue Ji was too hard to convince.

The origin of the way of heaven, the best innate spiritual fruit, and the innate spiritual energy could not sway Xue Ji. , Su Chen had no other way to convince Xue Ji at this moment, and he planned to leave the Lingbao space first.

There was another Bing Ji in the ice and snow domain, and Su Chen planned to try to see if he could defeat Bing Ji.

Su Chen said to Snow Saint Ji with a serious face Said:

"Xue Ji, if you and Bing Ji return to Chaos, will you be able to escape the plunder of the Chaos Demon God?"

"The Chaos Demon God either plunders the source of heaven for cultivation, or kills other Chaos Demon Gods to plunder the source for cultivation."

"Xue Ji, you and Bing Ji are not in the Saint Realm yet. You just return to the chaos. Do you think it will be safe?"

Xue Sheng fell silent after hearing Su Chen's words.

She and Bing Ji had to carefully hide themselves when they returned to the chaos. If the Chaos Demon God discovered them, it would be very difficult for Xue Ji and Bing Ji to escape the pursuit of other Chaos Demon Gods..

0Please ask for flowers0

Su Chen pretended to be frustrated and sighed to Xue Ji,

"Alas, Xue Ji, think about it. If you insist on returning to the chaos with Bing Ji, I will let you go."

"I will leave first, and I will come back to you in three days. By then, I hope you can give me good news, news that makes me happy."

Su Chen said, waving his hand to Xue Ji and disappearing.

He also said the same thing.

It is impossible for Xue Ji to leave even if she wants to.

Su Chen will not let his woman go into the dangerous chaos.

"Damn little scumbag, what should I do?"

After Xueji Su Chen left, she had a complex expression and didn't know how to decide.

Leaving the ancient fairy world and going to the chaos was the only choice she and Bing Ji had before.

Now there is one more choice, but she has to be imprisoned in Lingbao by Su Chen. , Xue Ji was worried that Su Chen would treat her and Bing Ji as playthings.

Xue Ji also thought about deceiving and promising Su Chen first. As long as she got the magic treasure, she would kill people and seize the treasure.

But Su Chen's methods are endless, and this bastard Even the spiritual treasure of the Demon God of Desire has been robbed, and it is even possible to destroy a realm and rob the origin of heaven.

Xue Ji is worried that if she is caught by Su Chen again, she and Bing Ji will really be imprisoned as forbidden women..Xue

Ji rubbed her forehead and whispered helplessly,

"Three days? Three days passed in the blink of an eye. How should I choose? promise? Still don't agree?"

In the space prison, when Su appeared, he found that all the girls were nervous. Nuwa and the other girls were looking at the ice and snow field with serious expressions. They didn't even notice his appearance.

Su Chen was confused. I also looked over,

"Let me guess, why are there only three saints left among the five great saints? What about Zhunti Saint and Yuanshi Saint?"

"Su Chen, you are back!"

When Nuwa and her daughters discovered that Su Chen was back, they all gathered around Su Chen. They now regard Su Chen as their backbone.

In the ice and snow domain,

Saint Zhunti was first killed silently, and Saint Yuanshi just now They were also killed silently. Nuwa and the other girls were very panicked and worried.

"Nuwa, what happened? Did Zhunti and Yuanshi fall? Or did they escape?"

Chapter 2463

Su Chen was very shocked by what happened in the ice and snow realm.

He had only been away for a few quarters of an hour. How could such a change happen in the ice and snow realm?

Zhunti and Yuanshi disappeared, and the Zhuxian Sword Formation was also broken by the ice monster.

These are impossible things.

If Zhunti and Yuanshi escaped, why didn't you saints escape?

Besides, the Zhuxian Sword Formation is very powerful.

The five great saints are in the realm of quasi-sages. They should be able to hold on for several days in the face of hundreds of ice monsters. It is impossible for the Zhuxian Sword Formation to be broken through in a short time..

Empress Nuwa hurriedly said to Su Chenshu,

"Su Chen was in this situation. Not long after you left, the previous silent attack instantly killed Saint Zhunti. Just now, Saint Yuanshi was also killed silently."

Su Chen asked in surprise,

"Um? That silent attack launched again?"

"Yes!"

"I see!"

Su Chen rubbed his forehead and felt helpless.

The fall of Zhunti and Yuanshi must have been done by Bing Ji.

30 Bing Ji seemed to want to kill the saints first, and then kill the great masters of the Ice and Snow Territory one by one..The ice and snow realm has been exposed, and

Bing Ji should be preparing to escape from the ancient world.

Guanyin Bodhisattva asked Su Chen hurriedly,

"Su Chen, how was your interrogation? Did that creature tell me how to escape from this small space?"

Interrogation?

Well, he and Xue Ji have been making love to each other in the Demonic Tower of Desire for more than a month.

Xue Ji is already his woman, so how can Su Chen interrogate him?

Do you want to interrogate him on the bed?

Su Chen replied awkwardly , "There has been some progress, but we haven't figured out how to leave the ice and snow area yet!"

The Queen Mother asked doubtfully,

"A land of ice and snow? Is this small space called the Ice and Snow Domain?"

Su Chen nodded and replied,

"Queen Mother, this small space is called Ice and Snow Domain, which is formed from a fragment of chaos, and the rules of Ice and Snow Ji are not the rules of heaven and earth, but the rules of the avenue that are about to disappear."

When Nuwa and the Queen Mother heard what Su Chen said, they were all very surprised.

Ice and snow domain?

Dao rules?

They did not expect that the ice and snow domain was not about the rules of heaven and earth, but the more terrifying rules of the Dao.

No wonder one A small space can suppress the saint's holy realm, and the rules of the great road are about to disappear. This is also a terrifying existence that the saints in the ancient immortal world cannot resist.

Our Lady of the Golden Spirit asked Su Chen,

"Su Chen, do you know what the creatures in the ice and snow realm are?"

"The creature in the ice and snow realm is also a Chaos Demon God. She is the same existence as Xue Ji!"

Su Chen looked at Qin Yuan, Tianfeng and Yao Ji who had just arrived, and he said it without any concealment.

Qin Yuan and Tianfeng would not tell the secrets here. Yao Ji is just a Daluo Jinxian. Su Chen only wants to After threatening her, the enchantress did not dare to reveal the secret he said.

When Nuwa and the Queen Mother heard what Su Chen said, they did not expect that Su Chen said it directly.

They all looked at Tianfeng and Enchantress, these two women have heard the secrets Su Chen said, kill them?

Or imprison them?

Tianfeng saw the eyes of Nuwa and the others were not good, she knew she heard secrets that she shouldn't have heard, but

Tianfeng Without exposing the secrets she heard, she had long sensed that Su Chen had the blood of the Black Bird. The Black Bird was a royal family of ancient birds and one of the three royal families of the Phoenix clan.

Su Chen should have just recovered not long ago. The resurrection and return is an opportunity for the Phoenix Clan to rise, and for the Bird Clan to regain its prehistoric hegemony.

Any strong person here may betray Su Chen, but she will not, and the Phoenix Clan will not betray the remaining Bird Royal Clan.

Tianfeng Thinking of this, he hurriedly said,

"Empress Nuwa, you don't have to worry that I will reveal these secrets that Emperor Su Chen said. Emperor Su Chen and I can be said to be of the same clan. The Phoenix Clan will obey Emperor Su Chen's orders in the future."

Empress Nuwa asked in confusion, (To read Baoshuang novels, go to Feilu Novel Network!)

"Same race? Tianfeng, you are from the Phoenix tribe, and Su Chen is from the human tribe? How can you be of the same race?"

Su Chen didn't expect Tianfeng to notice his Black Bird bloodline, the same clan?

Is this him?

Su Chen couldn't tell whether he was from the human race or the bird race.

"Nuwa, Tianfeng is right. Tianfeng and I are of the same race."

Empress Nuwa asked in surprise,

"How can this be? Su Chen, are you not a human?"

Yunxiao and Shang Yang looked at Su Chen in surprise.

Su Chen and Tianfeng are from the same race?

How is this possible ?

Tianfeng is from the Phoenix tribe and

Su Chen is from the human race.

How can Tianfeng and Su Chen be from the same race?

At this moment ,

Enchantress is very uneasy in her heart.

The way Nuwa Empress and Yunxiao Empress looked at her just now, it is obvious that they want to kill someone.

Enchantress is just a Daluo Jinxian.

Except for Su Chen, who is a scumbag in the space prison, there is no one here. The woman is either Hunyuan Daluo Jinxian or a quasi-sage. She is just a bigger ant in front of these powerful women.

Ugh!

Even Su Chen, a scumbag, may not even be a match for the enchantress.

Su Chen saw several women wondering With an expression on his face, he rubbed his forehead and said speechlessly,

"No, I am a human race, and I also belong to the bird race."

Guanyin Bodhisattva asked with a confused look on his face.

"Su Chen, did you call me confused? Are you a human or a bird?"

Choo Choo Choo.....

Su Chen directly let the black bird come out of his blood.

He had different explanations for these fundamentals.

Su Chen didn't know how to explain it. He could only reveal the black bird, so that Nuwa and the others would understand.

After the golden black bird appeared in the space prison, Nuwa and her daughters looked at the black bird with shocked expressions.

Black bird?

One of the three royal families of birds in ancient times, how could Su Chen be a black bird?

Could it be that Xuanniao was reincarnated as a human race after resurrecting?

Choo Choo Choo.....

Tianfeng also transformed into its true form at this moment, a beautiful golden phoenix flying above the space prison together with the black bird.

Su Chen looked at the black bird and phoenix in the sky, and he said to Nuwa and his wife,

"Don't think too much about it. I am from the human race and also from the bird race. Forget it, I can't explain what race I am. You just need to know that I am Su Chen."

Nuwa Empress and the other girls all rolled their eyes at Su Chen.

This bastard couldn't even tell what race he was. They were also speechless towards Su Chen.

However,

Su Chen was right. No matter what race this little bastard was, he would

As long as it's Su Chen.

Enchantress hurriedly assured Su Chen at this moment,

"Emperor Su Chen, I will not expose any secrets I heard today. You can place a ban on me."

The Holy Mother of the Golden Spirit said with a cold face, "Enchantress, hand over a ray of soul to Su Chen, otherwise we won't believe you."

Chapter 2464

The Enchantress' face changed when she heard the words of the Holy Mother of the Golden Spirit.

She handed over a wisp of her soul?

If she hands over a ray of soul, the future life and death of the enchantress will be controlled by Su Chen, but if she does not hand over a ray of soul, powerful people like the Golden Spirit Mother will kill her without hesitation.

After Enchantress looked at the Nuwa Empress and the Golden Spirit Mother, she reluctantly gave a ray of soul to Su Chen.

Su Chen accepted the strand of soul from Enchantress and smiled.

He was going to threaten her. Enchantress, but she did not expect that the Holy Mother of the Golden Spirit would directly force Enchantress to hand over a ray of her soul.

That's fine.

The existence of Xue Ji and Bing Ji is of great importance. He can't let others reveal the identities of Xue Ji and Bing Ji.

Shang Yang saw that Enchantress handed Su Chen a ray of soul.

She looked at Su Chen and asked,

"Su Chen, what should we do about the Chaos Demon God in the ice and snow realm? This Chaos Demon God is much more powerful than the Snow Queen. It is impossible for us to sneak attack and imprison this Chaos Demon God."

Su Chen looked at the Ice and Snow Territory and was very helpless.

Bing Ji had already begun to cleanse the ancient creatures in the Ice and Snow Territory. He didn't dare to go to Bing Ji now.

Su Chen could only hope that Xue Ji would agree in 883 three days. Only in this way can the crisis be solved. If he can lift it, he can also keep Xue Ji, the sexy and alluring Chaos Demon God, by his side.

Well, where is Bing Ji?

Xue Ji and Bing Ji are both separated from the Ice and Snow Demon God. Xue Ji is both beautiful and sexy, and Bing

Ji is beautiful and sexy.

Ji should also be a sexy and attractive beauty, and it is possible that Bing Ji and Xue Ji have exactly the same appearance, just like twins. Damn it, if Bing Ji and Xue Ji look exactly the same, I Isn't it just that we got two beautiful, sexy and seductive beauties?

Also, is there telepathy between Xue Ji and Bing Ji?

If there is telepathy between Xue Ji and Bing Ji, even their physical reactions will be synchronized.

This That's interesting.

When Su Chen thought of this, he smiled and said, "Bing Ji is in some trouble. Let's wait for a few more quarters. I'll give Xue Ji three days to think about it. I'll ask Xue Ji later.""

The Queen Mother gave Su Chen a white look and said,

"How many quarters of an hour? I'm worried that within a few quarters of an hour, Lao Tzu, Tong Tian, and Jie Yin will also fall."

Su Chen hugged the Queen Mother's plump and mature waist and said with a smile,

"This is none of our business, the saints are immortal anyway, and I and the other five saints will not really fall."

Women like Empress Nuwa all rolled their eyes at Su Chen.

They all know that saints are immortal, but there are still many great masters here.

If all the saints are killed and fall, the great masters like Zhen Yuanzi will not be able to survive." People like them will become the next target of the Chaos Demon God.

Boom.

"No!"

A loud noise suddenly erupted in the ice and snow field, and then a horrified scream came from all over the sky.

Su Chen, Nuwa and the other girls looked over one after another.

At this moment, only I and Jie Yin were left among the five great saints. They were both still there. People were also in a very embarrassed state at the moment.

The Zhuxian Sword Formation was broken, and they not only had to face attacks from hundreds of ice monsters, but also had to be prepared for silent attacks at all times. Zhun and Yuanshi fell one after another, as well as those who had just fallen. Tongtian, they are the only two of the five great saints left. (To read Baoshuang novels, go to Feilu Novel Network!)

Tongtian and the three of them were all killed by silent attacks, and I and Jie Yin did not want to retaliate for getting out alive. Hope.

The silent attack is too powerful. Even the saints in the third level of the holy realm may not be able to resist it, not to mention that they are still suppressed in the realm of quasi-sage cultivation.

"Saint Tongtian also fell. Three saints, three saints from the prehistoric immortal world were all felled by silent attacks. What kind of existence is there in this small space?"

"I don't know. We can't even sense where the attack is coming from. It's so scary. I guess even the saints in the real holy realm can't withstand this terrifying attack."

"Yes, a silent attack is terrifying."

"The Old Saint Son and the Leading Saint may also fall one after another. The creatures in the small space want to kill all the saints."

"Alas, if all the saints fall, who do you think will be next? Is it us people? Or those people like Su Chen?"

"Yes, after all the saints have fallen, it may be our turn and those of Su Chen."

The faces of the great masters like Zhen Yuanzi are very ugly at this moment. Their faces became even more ugly after talking one after another.

Three of the five saints have fallen in a short period of time. If all the saints have fallen, what will happen to them? Powerful people may become the next target of attack.

In the space prison,

Su Chen and the girls watched all this without saying anything.

The Chaos Demon God in the ice and snow domain was too powerful. They attacked silently again and again, and each saint came one after another. If they were killed and fell, and the silent attack killed all the saints, they or the powerful people like Zhen Yuanzi and Bai Ze would become the

targets of the Chaos Demon God's next attack. Time passes little by little. After that, there was no sound in the space prison except for the huge sound of battle in the ice and snow domain.

Nuwa and the other ladies all looked at me and Jie Yin with all their attention. They wanted to check the silent attack of the Chaos Demon God. It's attacking from that direction.

Who will be the target of the next attack?

I?

Or Jie Yin?

"Little bastard, stop it!"

At this moment, the Queen Mother stared at Su Chen with a face of shame and anger. What is happening with this shameless bastard ? This little bastard dared to touch her. The Queen Mother wished she could kick this shameless bastard away. Su Chen stroked the Queen Mother perfectly. The plump body smiled. He didn't pay attention to the warning sent by the Queen Mother to him. The women in the space prison were all checking me and Tongtian. He couldn't help but feel itchy in his heart while waiting.

"You are so shameless!"

Suddenly,

Su Chen heard the message from Qinyuan Demon Saint, and his face turned dark.

Su Chen didn't expect that Qinyuan would keep paying attention to him.

Damn it,

Qinyuan saw how he just bullied the Queen Mother. ,

Su Chen turned around and glared at Qin Yuan.

He didn't dare to let the Queen Mother know what had been discovered, otherwise, the Queen Mother would kick him away in shame and anger.

Just as Su Chen put his hand into the Queen Mother's dress, he suddenly felt The space fluctuated.

Su Chen hurriedly looked at Laozi and Yuanshi in the ice and snow field and said,

"coming!".

Chapter 2465

After Nuwa and the Yunxiao girls heard Su Chen's words, they knew that the Chaos Demon God's attack was coming.

The girls quickly checked on me and Jie Yin.

The silent attack was about to come. On the one hand, they wanted to see which saint would be killed this time. On the other hand, they wanted to see where the silent attack was coming from.

"What a shameless bastard!"

Qinyuan's face turned red when she looked at Su Chen.

After she was glared at by Su Chen,

Qinyuan was about to turn back to check on me and Jie Yin, but she didn't expect that

Su Chen's hand would actually reach into the Queen Mother's vagina. In the dress, Qin Yuan was stunned when he saw this.

Under the public gaze, how could Su Chen and the Queen Mother be like this?

Although Nuwa and the others were checking on me and Jingyin, Nuwa and the Empress were all "one and done" The "50" women are all very powerful. As long as Nuwa and the girls have a little sense of what happened in the space prison, they will know it clearly.

Isn't Su Chen worried about being beaten to death by Nuwa and the girls? ? Why didn't the Queen Mother kick this shameless bastard like Su Chen away?

After Su Chen heard Qin Yuan's message again, he had no time to talk to Qin Yuan.

Bing Ji's attack started again.

This time he wanted to check Bing Ji's end. How to attack, and why one blow is so powerful.

As for Qin Yuan, she was originally his woman.

Although Qin Yuan was not familiar with him during the Conferred God period, it would not take long for them to become familiar with her, and Qin Yuan's sexy figure Su Chen also liked it very much

"Little bastard, do you want to die?"

The Queen Mother was constantly harassed by Su Chen, and she wanted to kill this shameless bastard with one slap of shame and anger.

This shameless bastard became more and more unruly.

There were still Nuwa Empress and several girls in the space prison, and this little bastard kept harassing her. She, the Queen Mother, felt that her legs were a little weak at the moment. For a quasi-sage, no one would believe her.

Su Chen hugged the Queen Mother tightly and said,

"Look, the attack is coming."

Su Chen continued to caress the Queen Mother's perfect figure, but his brows were furrowed.

Bing Ji's attack had no trace?

Although Su Chen found a blue light, was this an attack on the saint Laozi? Or was it? The attack from the leading saint?

Su Chen didn't check it out

"Tai Chi diagram!" bump!

"No!"

Boom!

In the Ice and Snow Territory, when I felt a crisis, he hurriedly unfolded the innate treasure Tai Chi Diagram to block it in front, but a hole was broken in the Tai Chi Diagram in an instant, and then I was hit and exploded into slag.

In the Ice and Snow Territory, one after another , Yin's face turned black at this moment.

I was killed and fell without a sound. He was the only saint left here.

With the help of my innate treasure Tai Chi Tu, he could still barely resist the attack of the ice monster. I am now If he falls, hundreds of ice monsters will directly tear him into pieces.

Jie Yin feels that it is better to be killed by that silent attack. If he is killed and devoured by the ice monster in a while, he, the saint of the ancient immortal world, will fall. Shameful

"Let's die together!"

Boom!

Jie Yin's face was fierce and he rushed directly into the ice monster and blew himself up. He would rather blow himself up than be swallowed up by the ice monster and die. Jie Yin's death like this also preserved the face of his ancient saint.

For a moment, (see Bao Yin) For cool novels, go to Feilu Novel Network!)

With the self-destruction of the lead, more than a hundred ice monsters were instantly killed by the powerful self-destruction, and there were less than two hundred ice monsters left.

In the ice and snow domain,

All the powerful men stared at all this with their mouths open. I was attacked silently and fell. The saint who led him blew himself up and fell. The five great saints in the prehistoric immortal world were all killed in one pot.

"It's over, there's a half chance that the next attack will be from us!"

"The five great saints have fallen one after another. The next attack may be us."

"I didn't expect that the Holy Saint would self-destruct"

"There is nothing that Saint Jie Yin can do without self-destruction. The other saints have all fallen. Jie Yin has to face more than three hundred quasi-holy ice monsters. He has no innate treasure, and Jie Yin can't resist the attack of the ice monsters. He doesn't want to Being swallowed by the ice monster and falling, I can only save my face by self-destructing."

"Yes, Jie Yin knew that one person could not withstand the attack of the ice monster, so he blew himself up to save face."

"The next attack should be coming soon. Whether it is us or Su Chen's, it all depends on God's will."

The hearts of powerful people like Zhen Yuanzi and Bai Ze are very heavy.

The five great saints have fallen one after another, and the next attack will come soon.

For these powerful people, falling is the only choice.

Even the saints cannot withstand the horror. Attack, these powerful men do not have innate treasures, nor the best innate spiritual treasures, how can they resist it?...In the 0 space prison,

Nuwa, Empress, and the other girls all looked at each other.

The five great saints have all fallen.

What about the next attack?

Could it be their place?

"Don't worry, it's a blessing, not a curse, you can't avoid it, what should come will always come."

Su Chen let go of the Queen Mother at this moment, and the five great saints have fallen.

Nuwa and the others are not in the mood to check the space prison at the moment, but if they look back, they will find the ambiguity between him and the Queen Mother. Su Chen just doesn't want to let go of the Queen Mother at this time. No.

The Queen Mother lowered her head in shame.

She didn't dare to let others notice her blushing and shy look.

Shameless little bastard, the Queen Mother would never let go of this shameless pervert in the future.

Yun Xiao looked at Su Chen and asked,

"Su Chen, do you think the Chaos Demon God will attack us first? Or attack Zhen Yuanzi first?"

Su Chen shook his head and replied, "I don't know, it depends on Bing Ji's mood."

Guanyin Bodhisattva rubbed his forehead and said helplessly,

"Alas, such a helpless feeling is really uncomfortable. We are now like prisoners sentenced to death. The suffering before execution is really unbearable."

"I'll start by putting up a few defensive barriers."

Su Chen activated the laws of space and time. He quickly deployed several defensive barriers. He couldn't guess where Bing Ji would attack next. Su Chen could only save the women around him first.

He gave Xue Ji three The day has not yet come, so

Su Chen can only delay for a while.

At this time, deep in the ice and snow field,

Bing Ji looks at the self-destruction of the ice and snow with an indifferent face. She does not care about these at all. This time she comes to the ancient world of ice and snow. All living things must die

"Huh? That little scumbag set up several defensive barriers so quickly. Does a little scumbag have so much mana?".

Chapter 2466

Bing Ji was very surprised after checking on Su Chen.

A little scumbag from Taiyi Golden Immortal had already exhausted her mana when she resisted her attack.

How long had it been?

Su Chen was actually able to set up several defensive barriers. That little scumbag made her feel a little curious.

Bing Ji touched her white chin and thought about whether to kill Su Chen first. The remaining primitive creatures in the ice and snow domain were all dregs. It would be easy for her to kill these creatures.

"Little scumbag, let you live a little longer."

Bing Ji thought for a while and decided to kill the ancient creatures in the ice and snow domain first.

Su Chen was in a space prison, and he also knew the laws of space and time.

Bing Ji was a little curious about Su Chen, a scum of Taiyi Golden Immortal. Knowing the two powerful laws of chaos, Bing Ji thought about whether to capture Su Chen and leave the prehistoric fairy world together.

In the space prison,

Nuwa and the other girls were observing the attack for a while, and they were the only ones left in the ice and snow domain. He Zhen Yuanzi and those powerful people from ancient times, the next attack will be either them or those powerful people from ancient times.

Empress Nuwa looked at Su Chen and suddenly said,

"Su Chen, what happened to the five fairies Han Zhixian in the Demonic Tower of Desire?"

Let me go, how does Nuwa know the five girls in the Demonic Tower of Desire?

How is this possible? This is the first time Nuwa has seen the Demonic Tower of Desire. She also has no ability to control the Demonic Tower of Desire. How did she do it? Do you know the five women imprisoned in the Demonic Tower of Desire?

Damn it, the five women in the Demonic Tower of Desire are all imprisoned naked, does Nuwa Empress even know this?

Su Chen looked at the Demonic Tower of Desire and wondered if Understand, how did Nuwa know about the five girls in the Demonic Tower of Desire?

"Hey, Nuwa, how do you know that the five fairies Han Zhixian are in the Demonic Tower of Desire?"

When Empress Nuwa saw Su Chen's guilty look, her face turned cold and she said in a cold voice,

"Humph, you don't have to worry about this, you are just a shameless bastard. Han Zhixian and Princess Longji are imprisoned naked in the Demonic Tower of Desire. Do you want to imprison them as concubines?"

Su Chen heard what Nuwa Empress said. He understood that Nuwa Empress knew everything about the five girls in the Demonic Tower of Desire.

Guangyao?

Also called Han Zhixian and Princess Longji by their names?

Nuwa Empress knew everything about them. How did you know about the five women in the Demonic Tower of Desire?

Could it be that the Demonic Tower of Desire has rebelled?

The Demonic Tower of Desire, like the Chaos Bell, can be controlled by Nuwa Empress?

Thinking about this, Su Chen rubbed his forehead and replied,

"No, Nuwa, how could I do this? Do you still remember the time when Jie Jiao hunted me down?"

Nuwa Empress nodded and replied, "Of course I remember. All the great powers in the ancient world knew about Jie Jiao's pursuit of you a year ago."

Su Chen hurriedly explained to Nuwa Empress,

"When Jie Jiao was chasing me, I captured Han Zhixian, Fire Lady Shiji, and Fairy Caiyun and imprisoned them on the way to escape. These were all beautiful fairies of Jie Jiao, and I couldn't possibly destroy them with my bare hands. The destruction of flowers killed them."

Mother Nuwa didn't believe Su Chen's words at all.

She hunted her down and imprisoned her?

Why did this bastard only imprison the female immortals of Jie Jiao?

Why didn't any of the male disciples of Jie Jiao be imprisoned? Why were the female immortals of Jie Jiao stripped naked? Imprisoned in clothes?

And Princess Long Ji.

It's impossible for Princess Long Ji to hunt down this little bastard, right? Why did Su Chen imprison Princess Long Ji naked?

Thinking of this, Empress Nuwa snorted at Su Chen. ,

"Huh, imprisoned? Naked imprisonment? Are you going to use them as tools to vent your sexual desires? Where is Princess Longji? Don't say that Princess Longji is also chasing you."

I'm going to vent my lust? (To read Baoshuang novels, go to Feilu Novel Network!)

Why would Nuwa empress think so?

Is this still the most beautiful woman in the prehistoric fairy world? Is this still the first female saint in the prehistoric fairy world? Is this still the most beautiful woman in the prehistoric fairy world?

The Holy Mother of the ancient human race?

Su Chen looked at Nuwa in surprise. He didn't expect how the cold and beautiful Nuwa could say such lewd words?

Su Chen looked at Nuwa and explained speechlessly,

"Vengeance? Come on, Nuwa, I have a few of you top and most beautiful female fairies from the ancient times. Would I use Han Zhixian and the other five girls as tools to release my sexual desires? You alone are worthy of the five fairies Hanzhixian, how could I possibly use the five fairies Hanzhixian as a tool to vent my desires?"

"Shameless!"

Empress Nuwa's face turned red with anger when she heard Su Chen's shameless words.

Su Chen didn't use the five Han Zhixian girls as a tool to vent his sexual desires. Is this little bastard planning to kill her and the Queen Mother and the other girls in one go?

This little bastard is too Shameless.

Although she didn't believe that Su Chen would use Han Zhixian as a tool to vent his sexual desires, this little bastard was too shameless and shameless, especially just now,

Su Chen actually secretly had an affair with the Queen Mother. This little bastard was the woman here. Are they all idiots?

The ambiguity between Su Chen and the Queen Mother should have been discovered by Guanyin Bodhisattva and Yunxiao.

These women are all quasi-sages.

They would all be aware of the Queen Mother's strange breathing sound, if it weren't for the Ice and Snow Territory. There is the threat of the Chaos Demon God, and the Nuwa Empress and the Yunxiao girls will attack this little bastard. The Nuwa

Empress thought that Su Chen put his hand into the Queen Mother's dress, and her face became a little uncomfortable. She did not expect that Su Chen was there. Being so bold in public, damn it,

Nuwa Empress was also worried that Su Chen would do the same to her in the future.

Su Chen saw Nuwa Empress' face turned cold for a moment, showing a shy look, and he looked at Nuwa Empress in confusion. Asked, "Nuwa, how did you know about the situation of the five daughters of Han Zhixian?"

"come over!"

Whoosh!

"Nuwa Empress waved to the Desire Demon next to Su Chen, and the Desire Demon Tower instantly appeared in Nuwa Empress's hands. She looked at Su Chen's surprised look and a smile appeared on her face.

Am I him? Yes, (Nord's)

Demonic Tower of Desire has indeed rebelled.

Damn it, how come all of my spiritual treasures are controlled by Empress Nuwa?

Empress Nuwa can control her own spiritual treasures.

What about the Queen Mother and the Yunxiao girls? Will these girls also be able to control their own spiritual treasures?

Su Chen was very surprised and speechless at this moment.

First, the Chaos Bell could be controlled by the Nuwa Empress, and now the Demon Tower of Desire can also be controlled by the Nuwa Empress. Su Chen's hand The spiritual treasures in it may all be controlled by the Nuwa Empress.

No wonder the Nuwa Empress knew the situation of the five Han Zhixian girls, but why didn't the Nuwa Empress release the Han Zhixian girls?

Su Chen looked at the Nuwa Empress She asked in confusion, "Nuwa, why can you control my spiritual treasure?"

"Tsk, little bastard, do you think I will tell you? You'd better be more honest in the future, otherwise I will confiscate your spiritual treasures from you."

Chapter 2467

A smile appeared on Nuwa's cold and beautiful face.

She didn't expect that Su Chen didn't know that she could control his spiritual treasure. This little bastard would be under her control from now on.

Without a powerful spiritual treasure, even if Su Chen knew the laws of space and time, this little bastard couldn't escape her grasp.

In the space prison,

Guanyin Bodhisattva and the other girls saw that Nuwa had snatched Su Chen's spiritual treasure again.

Although they didn't know what happened, from what Nuwa said just now, they guessed that Su Chen might have done something to let her daughter. Something that Empress Wa is not happy about.

Guanyin Bodhisattva and the Yunxiao girls all looked at the Queen Mother.

They were all aware of what happened in the space prison earlier, especially Su Chen's hand that reached into the Queen Mother's dress. The girls couldn't even think about it. Some blush~.

The warning given by Empress Nuwa to Su Chen this time, could it be that Su Chen was extending his cruel hand to Empress Nuwa again?

"Nuwa, can you control this spiritual treasure?"

Su Chen waved his hand, and a huge angel wearing silver and exquisite armor appeared in an instant. Appearing in the space prison, an angel wearing silver armor held a giant sword and had two pairs of gleaming silver wings behind his back.

With a perfect body, a curved figure, a proudly erect mountain, a cool and beautiful face, smooth and delicate long legs, the angel with a huge figure is like a beautiful angel magnified several times.

This is Queen Kesha's Sufeng Silver Archangel and Silver Wings.

Su Chen has the Chaos Crystal and Gaia's three Life Stones, and even uses almost a portion of the source of heaven. Only then can the Archangel and Silver Wings be upgraded.

When it came to the top-grade innate spiritual treasure,

Su Chen wasted another third of his top-grade chaos materials, but it was all worth it.

Although the Archangel is a top-quality innate spiritual treasure, after the Archangel adds three stones of life, this spiritual treasure has become conscious, and the Archangel is a top-quality innate spiritual treasure that is alive.

Above the space prison, the archangel looked at Su Chen, knelt down on one knee and saluted,

"The archangel has met his master!"

"No gift!"

After Su Chen waved his hand to the archangel, he saw that the women in the space prison were all shocked. Su Chen crossed his arms and smiled.

"Nuwa, can you control my archangel?"

Nuwa and other ladies looked at the archangel with surprised expressions.

A beautiful woman with a top-quality innate spiritual treasure?

And she also has consciousness?

This top-quality innate spiritual treasure actually has signs of life? How did this little bastard do it?
Arrived?

Empress Nuwa looked at Su Chen and asked in surprise, "Little bastard, is this top-quality innate spiritual treasure alive?"

Su Chen nodded and replied,

"Yes, I used three stones of life to give life to the archangel"

"The stone of life?"

The Queen Mother and the ladies were very confused when they heard Su Chen's words, the Stone of Life?

What is this?

They, the ancient great masters, have never heard of the Life Stone. Could it be that the Life Stone comes from Chaos?

Su Chen looked at the Queen Mother and the daughters.

He curled his lips with a puzzled look.

These women like the Frog in the Well, the Queen Mother and Nuwa Empress, they may have never been to other realms.

The Stone of Life is Gaia's treasure, and Gaia's Water of Life is also It is condensed from the Stone of Life.

There are no powerful spiritual treasures in the Western Realm. The Stone of Life and Water of Life are the most precious treasures in the Western Realm.

"The Stone of Life is a special product from another realm. The Stone of Life can be said to be as precious as the origin of Heaven. In some aspects, it is even more precious than the origin of Heaven. After all, the Stone of Life can give life to some inanimate objects."

Nuwa Empress stared at Su Chen and asked, "Another realm? Have you been to another realm?"

"Been there before!"

After the Holy Mother of the Golden Spirit heard what Su Chen said, (for reading Baoshuang novels, go to Feilu Novel Network!) she thought that Su Chen knew the laws of space. It would be very easy for Su Chen to want to go to other realms. The Stone of Life has Maybe this little bastard stole it from another realm.

The Golden Spirit Mother rolled her eyes at Su Chen and asked, "Did you steal the Stone of Life in another realm?"

Su Chen was speechless when he heard the words of the Holy Mother of the Golden Spirit.

Steal?

Does he need to steal if he wants the Stone of Life?

Gaia is his woman. As long as Su Chen opens his mouth, there is no way Gaia will not give him the Stone of Life.

Su Chen hugs The soft waist of Our Lady of Jinling, please give me flowers.

He said proudly,

"steal? The Stone of Life is my woman's treasure, why should I steal it if I want it?"

The Queen Mother and Nuwa Empress stared at Su Chen in surprise. They did not expect that Su Chen also had women in other realms.

Is this little bastard a stallion?

The relationship between these women and Su Chen is unclear. Bai, and this little bastard has several mortal women in the mortal world, an immortal, or a Taiyi Golden Immortal.

Su Chen's lust created the perception of the prehistoric immortals. Which immortal in the prehistoric immortal world is a lustful person?

The Queen Mother stared at Su Chen and asked, "Your woman?" Little bastard, you actually have women in other realms?"

Damn it, you let it slip.

Aren't all these fairies jealous?

Su Chen replied awkwardly,

"Ahem, there is one"

"You are such a shameless pervert!"

Yunxiao glared at Su Chen and then looked towards the Ice and Snow Territory. She really didn't know what to say to Su Chen. Out of sight, out of mind. Yunxiao didn't want to see this shameless Su Chen anymore at this moment.

Nuwa and her daughters also Too lazy to talk to Su Chen, they all saw Su Chen's true nature. This little bastard was an out-and-out lustful person.

Yun Xiao suddenly shouted,

"Look, the powerful people on Zhen Yuanzi's side have been attacked, but we didn't even notice it."

Nuwa Empress looked over and shook her head and said, "Three Da Luo Jinxian were killed. They were too weak. The silent attack might have destroyed them to ashes in one blow."

The other women nodded one after another, but this time the silent attack actually killed three Daluo Jinxian without making a huge explosion. The strength of Daluo Jinxian was too much for the Chaos Demon God. Weakened.

Su Chen instantly appeared on the shoulders of the archangel.

The archangel was nearly ten meters tall.

Su Chen felt very comfortable sitting on the shoulders of the archangel. The archangel was not a hard and cold object. She was like a real Like human beings, there is body temperature in the body.

Su Chen hugged the archangel's white neck and said,

"Archangel, can you sense the Chaos Demon God in the ice and snow realm?".

Zongwu: Sign in an army of 100,000 at the beginning

Chapter 2468

The reason why Su Chen asked the Archangel was because the Archangel is a top-quality innate spiritual treasure of space and time.

Su Chen did not find out the specific location of Bing Ji. He wanted to see if the Arch Angel could find out the location of Bing Ji..

After the Archangel heard Su Chen's words, she closed her eyes and felt for a while and replied to Su Chen,

"Master, I feel traces of space fluctuations 300,000 miles away. I am not sure whether the Chaos Demon God is there."

After hearing what the archangel said, Su Chen touched his chin and whispered, "Three hundred thousand miles away? This is almost the deepest part of the Ice and Snow Domain, and Bing Ji may be there."

Su Chen decided to check.

If he could find Bing Ji,

Su Chen wanted to try to convince Bing Ji.

If not, Xue Ji didn't know if

Bing Ji would kill her. If Xue Ji

Without saving him, Su Chen could only wait for death in the ice and snow. Die early or die later. Su Chen had no choice but to give it a try for the sake of Nuwa and his daughters. Su Chen looked at Nuwa and his daughters and shouted, "30 Nuwa, Queen Mother, Yunxiao, Guanyin, Jinling, Shangyang, Qinyuan, Tianfeng, I want to go to the depths of the ice and snow to check

"

"Su Chen, the depths of the ice and snow realm are too dangerous. The Chaos Demon God may be hiding in the depths. If you go there, you are throwing yourself into a trap. The Chaos Demon God will not let you go."

"That's right, little bastard, don't go looking for the Chaos Demon God to seek death. You can interrogate Xue Ji later."

"Yes, even if we fall in the snow and ice, you can't venture into the depths of the ice and snow."

"Little bastard, don't go to the depths of the ice and snow. Whether we live or die depends on God's will. Even if we die, it's good that the few of us can die together with you."

"Haha, yes, isn't it true that humans don't want to be born in the same year, the same month and the same day, but they want to die in the same year and the same month? It is also a blessing for us that we can fall together"

"Little bastard, there's no need to take risks. If we can't escape, let's die together."

After Nuwa Empress and Yun Xiao heard Su Chen's words, they reminded Su Chen with serious faces that the Chaos Demon God had begun to kill.

After the saints were killed, the great powers of the prehistoric immortal world also began to be killed. , a quarter of an hour, two quarters of an hour, or three quarters of an hour, all of them will be killed by the Chaos Demon God. Nuwa and the others don't want Su Chen to leave at this time. Since they can't escape, then they can die together. Enough.

Su Chen appeared from the shoulders of the archangel in front of Nuwa Empress and the girls. He looked at these top fairies in the ancient fairy world.

He was very moved in his heart.

Su Chen would not let these girls fall into the ice and snow.

Today's situation was caused by him.

If he couldn't convince Bing Ji, Su Chen would capture Nuwa and the girls into the Chaos Clock. As long as the Chaos Bell is not destroyed, Nuwa and the girls would have a chance to escape in the future.

Su Chen Chen Fenbu hugged Nuwa and said after a few girls,

"I understand your intentions, but if there is a chance of survival, I will give it a try. I will not watch you fall in the ice and snow, and I will not watch you fall one by one in front of me."

The Queen Mother took Su Chen's hand and said seriously,

"Su Chen, we don't want you to take risks for us. We want you to go together."

Su Chen shook his head and explained,

"No, you don't know the laws of space. As soon as you get out of the space prison, Bing Ji will discover that Bing Ji will kill us first before we reach the depths of the ice and snow domain."

Nuwa Empress said with a worried look, "But it's too dangerous for you to go alone."

"Nuwa, if I can't convince Bing Ji, I will escape quickly. With the Archangel here, we can use the law of space to escape together. Bing Ji can't stop me."

"Okay, you want to be a junior."

Nuwa Empress is right when she thinks about it.

Su Chen knows the laws of space, and the Archangel, the best innate spiritual treasure, is also a space spiritual treasure.

Su Chen and the archangel use the laws of space to escape together, and the Chaos Demon God should not be able to stop them.

The Queen Mother and the other ladies also ordered Nodding, (to read Baoshuang novels, go to Feilu Novel Network!)

They no longer insist on stopping Su Chen and not letting him go. According to the law of space,

Su Chen and the Archangel use space to escape together. The Chaos Demon God cannot intercept him until he has fully recovered. Su Chen.

Enchantress was confused at the moment.

Su Chen hugged every woman.

What about her?

Even though Enchantress is a bigger ant, she is nothing in front of Nuwa Empress and others, but this bastard You can't ignore her existence, right?

"Don't worry, I won't perish before I have sex with you."

Su Chen nodded to the Nuwa Empress, and then he waved his hand to take back the Black Bird.

After Su Chen appeared on the Archangel's shoulder, the Archangel and Su Chen instantly disappeared into the space prison.

"Shameless!"

When Nuwa and other ladies heard Su Chen's words, their faces turned red. They were really speechless towards Su Chen. Now is the most critical moment, and that bastard Su Chen is still thinking about these dirty things. At this time,

Bing

Ji After launching another Ice and Snow Lotus attack, she suddenly found that Su Chen was missing from the space prison.

Bingji frowned and checked.

Su Chen knew the laws of space.

Bingji was worried that Su Chen would be afraid of her attack. That little scumbag The scum will be hidden in other places in the Ice and Snow Territory.

Bing Ji's beautiful eyes showed a cold light. She did not expect that Su Chen would come to her. If the Ice and Snow Territory was not under her control, Bing Ji would not have guessed Su Chen. He will come looking for death.

After a while,

Bing Ji looked at the space on the left and said coldly,

"Little Zhazha, now that you're here, why don't you come out? Do you want to secretly attack me?"

Whoosh! 057

"Bing Ji, I didn't expect that you and Xue Ji look exactly the same. You are both sexy, seductive and stunning beauties."

Su Chen sat on the shoulders of the archangel and appeared opposite Bing Ji. He was very surprised when he saw Bing Ji. They were exactly the same.

Bing Ji and Xue Ji actually looked exactly the same, with the same cold and beautiful face, the same sexy and attractive figure, the same proudly erect mountains, the same white revealing dress, and the exposed fair skin are very attractive.

Damn, these are more twins than twins

"Little Zhazha, have you seen Xue Ji?"

Bing Ji was about to kill Su Chen, but she lowered her hand after hearing Su Chen's words,

Bing Ji?

Xue Ji?

This little scum actually knows her and Xue Ji's names?

Could it be that Xue Ji and this little scum Zha said that? But why did Xue Ji tell this little Zhazha their names?

Su Chen nodded and replied with a smile,

"Of course, Xue Ji is my wife. Xue Ji told me everything about you."

"It turns out to be you. No wonder your breath is familiar. Damn you bastard. You insulted Xue Ji. I will definitely make your life worse than death."

"I'll wait.....What the fuck, Bing Ji.....Speak well if you have something to say.....Damn it, Xue Ji....It was Xue Ji who asked me to come to you"

Chapter 2469

After Bingji heard Su Chen's words, her face was so cold that it was scary.

Bingji felt that Su Chen's breath was a bit familiar just now, but she kept checking on Su Chen. Bingji thought she was interested in Su Chen~ The breath of a familiar relationship.

But after Su Chen said Xue Ji and her name, she suddenly realized that it was this little scumbag who insulted Xue Ji, and this little scumbag also indirectly insulted her.

Bing Ji glared at Su Chen coldly and clicked on the ice lotus. She wanted to kill this bastard, and she wanted to imprison the soul of this shameless man and torture him day and night. boom!

The ice and snow lotus burst out with a huge aura.

Bing Ji was completely angry this time. The terrifying power of the ice and snow lotus was several times more powerful than before.

Su Chen became angry when he saw Bing Ji.

The white lotus next to Bing Ji burst out with a terrifying aura. The archangel and Su Chen were constantly knocked back before they were attacked. The archangel and Su Chen quickly appeared thousands of miles away.

Su Chen shouted to Bing Ji with a terrifying aura,

"I'll wait.....What the fuck, Bing Ji....Speak well if you have something to say.....Damn it, Xue Ji....It was Xue Ji who asked me to come to you."

Who am I?

The one beside Bing Ji should be the Ice and Snow Lotus.

Xue Ji and Bing Ji have been advancing to this spiritual treasure for millions of years.

This must be a half-step chaos spiritual treasure, otherwise it would be impossible to have such a terrifying aura.

Su Chen was very surprised at this moment.

A half-step Chaos Spiritual Treasure was more powerful than the jade disc of creation in Hongjun's hand.

Although Hongjun's jade disc of creation was also a half-step chaos spirit treasure, the jade disc of creation was broken. The back is not complete at all, and the jade disk of creation is not an attack spirit treasure. This is an ice and snow lotus that is not as good as the half-step chaos spirit treasure.

Bing Ji's cold voice came and said,"Little Zhazha, can you dodge this attack?" Tell me more about Xue Ji"

"Damn it, Bing Ji, this is a half-step Chaos Spiritual Treasure. Do you think I can avoid it?"

"Little scumbag, you can't hide, I will imprison your soul and torture you, making you tell everything."

"Let me go, you are such a vicious woman, why didn't I peek at you taking a shower? Or did he fall in love with you?"

"court death!"

Bingji's face suddenly blushed when she heard Su Chen's words.

This shameless person,

Bingji thought of the things between men and women she had experienced before with shame and anger. Although she had not experienced it personally, she felt all Xueji's feelings, and she felt them better than before. Yuanshen felt it even more strongly, after all, she and Xue Ji felt the same way

"Archangel, let's use the laws of space to escape together!"

"Yes, master!"

Su Chen and the Archangel used the Space Law to evade the attack.

The half-step Chaos Spirit Treasure's attack was several times more terrifying than the previous attack. It was impossible for Su Chen to resist. He could only avoid Bing Ji's attack with the Archangel..Boom boom boom.....

At this moment, the entire Ice and Snow Territory was shaking, and the terrifying aura spread throughout the Ice and Snow Princess. All the great masters in the Ice and Snow Territory were very panicked.

"How can it be? The attack just came, why is another attack coming, and this attack is so terrifying?"

"this.....Even saints will be wiped out in an instant by this attack. All of us great powers will fall in this attack."

"It's too scary. The power of this attack is at least ten times more than the previous ones. All of us powerful people will fall in this attack."

"We are finished. We can detect the incoming attack. This is because it is the last attack on us. The creatures in this small space must not care whether they are exposed or not."

"Damn it, I didn't expect that we would end up here. Curiosity killed the cat. We shouldn't be curious enough to be here." (To read exciting novels, go to Feilu Novel Network!)

"It's useless to say anything now, let's prepare for the attack of this fall."

The great masters like Zhen Yuanzi have given up at this moment. They can't escape this terrorist attack at all.

Even the great masters like them can't evade the silent attack. The terrorist attack they sensed this time, the rest of them More than thirty powerful men were all killed in one blow.

In the space prison,

Nuwa and her daughters also looked pale. This attack was so terrifying that the entire ice and snow region was shaken. They felt that this attack should It is the most powerful attack of the Chaos Demon God.

"Madam Nuwa, could this be caused by Su Chen?"

"possible!"

"Damn it, do you think this attack was aimed at Su Chen?"

"Ah, what should I do? If it was an attack on Su Chen, Su Chen wouldn't be able to dodge it at all."

0request flowers 0

"Yes, not even a saint can dodge such an attack. Even if Su Chen knows the laws of space and time, he can't resist it."

"Yes, Su Chen could have resisted the previous silent attack. This attack was too terrifying. Su Chen.....well!"

"Just wait and see, hope this attack isn't directed at that little bastard."

Empress Nuwa and the girls in Yunxiao are very worried at this moment.

Just after Su Chen left for a while, the ice and snow field started to shake.

Moreover, this terrifying attack made them very powerless. It is impossible for the real holy realm to resist this attack. A terrifying attack, and they were all worried that this terrorist attack was aimed at Su Chen.

In the ice and snow domain,

Su Chen and the archangel kept teleporting in the ice and snow domain, and they also left space nodes in various places in the ice and snow domain. , in order to escape the terrifying attack of Ice and Snow Lotus, Su Chen and Archangel used all their methods.

Boom!

"Archangel, go to space node three!"

Su Chen felt that the space node was touched. He sat on the shoulders of the archangel and gave hurried instructions.

The archangel disappeared instantly after hearing Su Chen's words.

The space node was triggered, and she also sensed that a terrifying attack was coming..Boom boom boom.....

In the ice and snow domain, there is now a terrifying doomsday scene. The ice and snow domain is constantly shaking. Countless icebergs have collapsed and broken. The earth has cracked. Huge cracks have divided the ice and snow domain into continents.

"Damn it, the Ice and Snow Lotus's attack will also be an automatic navigation attack?" Su Chen's face turned dark when he sensed the attack while sitting on the Archangel's shoulder. Su Chen did not expect that after the Ice and Snow Lotus's attack failed, the Ice and Snow Lotus's attack would actually turn around and attack them again.

"Master, what about us?"

Su Chen looked at the ice and snow domain.

In the ice and snow domain, no matter where Su Chen and the Archangel fled, the Ice and Snow Lotus' attacks would follow them.

Su Chen thought about it and said to the Arch Angel with a sinister look on his face,

"Archangel, let's go to Bing Ji's place. Even if we die, we will drag Bing Ji with us. I don't believe that Bing Ji would want to die."

Chapter 2470

Su Chen couldn't dodge the tracking attack of the Ice and Snow Lotus.

Since he couldn't avoid it,

Su Chen planned to let Bing Ji relieve the terrifying attack of the Ice and Snow Lotus. Bing Ji was only a quasi-sage, and

Bing Ji couldn't resist the attack of the Ice and Snow Lotus.

Su Chen and Archangel As long as Bing Ji is entangled, Bing Ji does not want to be killed by the Ice and Snow Lotus with them. He guesses that Bing Ji will definitely dispel the attack of the Ice and Snow Lotus.

"Yes, master!"

The archangel disappeared instantly with Su Chen.

She understood what Su Chen meant.

As long as they were entangled with Bing Ji, if Bing Ji didn't want to die with them, she would definitely lift the attack of the Ice and Snow Lotus.

"Humph, did you escape? Space laws? The laws of space cannot escape the attack of the Ice and Snow Lotus.....Um? Damn little scumbag."

Bing Ji was watching Su Chen avoid the attack of Bingxue"Nine Six Three" Lotus, and she also showed a disdainful and mocking expression.

However,

Bing Ji suddenly found that Su Chen was coming towards her again, and her face was ugly. Get up, damn little scumbag, are you forcing yourself to give up the Ice and Snow Lotus attack?

Humph, you little scumbag, even if Bing Ji gives up the Ice and Snow Lotus attack, she can crush that shameless bastard to death with one hand.

Whoosh!

The archangel and Su Chen suddenly appeared next to Bing Ji. When

Su Chen saw the indifferent Bing Ji standing up slowly, the corners of his mouth twitched.

Bing Ji and Xue Ji not only had the same cold and indifferent expressions, but also Even their sexy and seductive movements are exactly the same.

These two beauties are both cruel and ruthless people, and the Chaos Demon God is indeed the Chaos Demon God.

"Little scumbag, it seems you want me to crush you to death"

"Crush me to death? Ahem, Bing Ji, I have squeezed Xue Ji's mountains. You and Xue Ji look exactly the same. Do you and Xue Ji feel the same way? Can you feel me pinching Xue Ji?" boom!

"Die!"

Bingji's face immediately turned red when she heard Su Chen's words. She quickly waved her hand and slapped Su Chen.

This shameless bastard,

Bingji looked down at her mountain and became very ashamed and angry. How could she not sense that Su Chen Chen pinched Xue Ji.

Bing Ji was also very helpless.

Her and Xue Ji's perceptions were synchronized. She understood every detail of Xue Ji's humiliation by Su Chen. Bang Bang! Ahem! Su Chen The Archangel and the Archangel were instantly knocked away by Bingji's blow. It was too fast. He and the Archangel did not sense the space fluctuation at all. They were killed by Bingji's blow. If the Archangel hadn't blocked the attack, Su Chen If he hits, Bing Ji will kill him. Su Chen saw that the luster of the archangel's silver armor had dimmed a lot. He guessed that as an archangel with the best innate spiritual treasure, the archangel should have been seriously injured when he resisted Bing Ji's attack this time.

"Archangel, are you okay?"

The archangel's beautiful face showed a trace of pain.

She looked at Su Chen and replied,

"Master, if I can withstand Bing Ji's attack for at least one more time, it will break. Master, you must be careful in the future. Although Bing Ji is a quasi-sage, her strength should be equivalent to the third level of the holy realm."

"I see!"

Su Chen patted the archangel's white neck. He would not let the archangel resist Bing Ji's attack again.

Although the archangel is a top-quality innate spiritual treasure, the archangel already has life. Su Chen would rather the chaos clock explodes. He would not let the living archangel explode.

Whoosh!

Su Chen waved his hand and led the archangel to appear not far from Bing Ji.

The Ice and Snow Lotus attack was about to come, and he could not stay away from Bing Ji. (See For exciting novels, go to Feilu Novel Network!)

Damn woman,

Su Chen decided that if he caught the sexy and seductive Bing Ji, he would make Bing Ji unable to get out of bed for a year.

Bing Ji saw Su Chen and The archangel came back again.

She looked at the archangel and said in surprise, "Little Zhazha, your humanoid spirit treasure is not bad, but she can block several of my attacks!"

Su Chen sat on the Archangel's shoulders and threatened Bing Ji,

"Damn it, Bing Ji, if you fall into my hands in the future, I will let you try everything that Xue Ji encounters a hundred times"

"Shameless guy, die!"

"Chaos clock!"

Boom! Bang!

Su Chen and Archangel were knocked away by Bing Ji again.

This time the Chaos Bell blocked Bing Ji's attack. The luster of the innate treasure Chaos Bell was also dim at the moment.

"An innate treasure? Every scumbag actually has an innate treasure. No wonder Xue Ji would be caught and humiliated by this little scumbag. This little scumbag must have tricked Xue Ji. Even when Xueji was unprepared, this little scumbag used the innate treasure. Imprisoned Xue Ji...0"

Bing Ji saw that the Chaos Bell blocked her attack, and she was a little surprised.

A little scum actually had an innate treasure? Even the saints in the prehistoric fairyland did not have the innate treasure. How could this little scum have an innate treasure?

Whoosh!

Su Chen and Archangel returned to Bing Ji again.

He was very depressed at the moment.

Su Chen and Arch Angel were beaten like sandbags by Bing Ji.

However,

Bing Ji, this little beauty, was also very strange.

This sexy and seductive beauty only attacks once at a time. Is Bing Ji preparing to let herself come and be tortured automatically? Bing Ji looked at Su Chen and Archangel who came again indifferently. She waved her hand and dismissed the Ice and Snow Lotus. The attack of the Ice and Snow Lotus is about to come.

If the Ice and Snow Lotus's attack comes, Bing Ji may also be affected by the Ice and Snow Lotus's attack.

This little scumbag is still a little smart, but if this little scumbag doesn't know the laws of space, Bingxue The attack of the lotus had already wiped out Su Chen and the Archangel.

After Bing Ji lifted the attack of the ice and snow lotus, she looked at Su Chen with her beautiful eyes and asked coldly,

"Little scumbag, you really have a lot of spiritual treasures. You, a little scumbag, actually have an innate treasure. What is your status in the ancient fairy world?"

Su Chen curled his lips and said,

"You are 5.4 years old!"

"your husband? What is this identity?"

"Ahem, Bingji, I said your husband, you should call me, [my husband!] "

"my husband?"

"Um! good!"

Su Chen nodded and laughed shamelessly.

As a novice, if Bing Ji wasn't powerful,

Su Chen would have made Bing Ji dizzy.

"Bastard, how dare you tease me?"

Bing Ji frowned and felt something was wrong more and more, and Su Chen's wretched smile seemed to be deceiving her. She instantly turned cold and glared at Su Chen. When

Su Chen saw Bing Ji, she wanted to raise her hand again. Attack, he shouted hastily,

"Bing Ji, wait a minute, Xue Ji wants to see you, damn, beauty, don't make a move first"

"Where is Xue Ji?".
