Chapter 2471

When Bing Ji heard Su Chen say that Xue Ji wanted to see her, she slowly raised her hand and lowered it again.

Bing Ji didn't know if Su Chen was cheating on her again, but she couldn't help but care about Xue Ji's life or death.

Bing Ji and Xue Ji have been sisters for millions of years, and they are concentric and different bodies. Even their feelings are synchronized. Even if Bing Ji leaves the ancient fairyland, she will also take Xue Ji away with her.

Bingji asked Su Chen coldly,

"Where is Xue Ji? Su

Chen coughed and replied hurriedly,"Ahem, Xue Ji will appear in a while!"

Bing Ji looked at Su Chen indifferently.

She felt that Su Chen seemed to be deceiving her again.

This little scumbag really deserves to die.

Xue Ji is now her Achilles' heel.

Although Bing Ji can kill Su Chen, she can't get rid of him anymore. Shenli got the whereabouts of Xue Ji, but she was also worried that she would not be able to check Xue Ji's whereabouts.

Bing Ji just wanted to check Su Chen's memory, but she could not check Su Chen's memory. This made Bing Ji very surprised.

Su Chen Chen Tai is so weird, a little scumbag of Taiyi Golden Immortal, a little scumbag who knows the laws of space and time, a little scumbag who even has innate treasures, and Bing Ji can't check the memory of this little scumbag.

She didn't dare to take Su Chen's weirdness lightly. Bing Ji would not be tricked and imprisoned by Su Chen like Xue Ji.

Bing Ji thought about it and threatened Su Chen coldly,

"Little scumbag, if Xue Ji doesn't show up in three breaths of time, your existence is unnecessary."

I agree!

What an unreasonable beauty, three breaths?

Can he convince Xue Ji in three breaths of time?

Damn it,

Xue Ji's sexy and attractive beauty is also hard and smelly, three breaths of time?

Bing Ji gives it to him In three years, Su Chen might not be able to convince the cold Xue Ji.

Su Chen hugged the archangel's fair neck and began to think deeply.

Bing Ji didn't take action now, and he felt a little relaxed.

Although the Chaos Clock can withstand the ice Ji's attack, but Bing Ji didn't want to kill herself quickly. If Bing Ji continued to attack herself, how many attacks could the Chaos Bell withstand?

Xue Ji?

How to convince Xue Ji?

Su Chen frowned and looked at Bing Ji, damn it,

Bing Ji's long legs are as attractive as Xue Ji's, and Su Chen can't help but want to touch her long white legs under the gauze.

Ahem!

Riou, now I want to At this time?

Su Chen patted his forehead and was very speechless.

He felt that he was overcome by lust. He was at the critical moment of life and death. He was still thinking about Bing Ji's long legs.

Damn it, could this be the flower under the peony flower? Death, is it romantic to be a ghost?

Su Chen hurriedly hugged the archangel's white neck and kissed it. He couldn't look at the sexy and attractive Bing Ji anymore, otherwise Bing Ji would get angry and kill him and the archangel when she found out.

The archangel was Su Chen kissed her neck.

She looked down at Su Chen on her shoulder in confusion. The archangel didn't understand how Su Chen could kiss her for no reason.

But this feeling made her feel very strange, numb and itchy. Yes, this was much weirder than when Bing Ji attacked her just now.

Bing Ji saw Su Chen kissing the humanoid spirit treasure, with a mocking expression on her face. She was a low-level creature, an inferior race full of desires,

Bing Ji I never thought that Su Chen would not let go of even one spiritual treasure. This little scumbag is really a disgusting bastard.

Su Chen sent a message to Xue Ji in the Demon Tower of Desire,

"Xue Ji, I will let you out now. Bing Ji is next to me. You will save me later.."(To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen rubbed his forehead and planned to let Xue Ji out.

An ice girl could kill him.

He thought that there was an extra Xue Ji in the Ice and Snow Domain. Su Chen will still be killed if he wants to die.

But what if?

If Xue Ji changes her mind,

Su Chen will be able to escape death once, and Nuwa and the others will not perish in the ice and snow.

Whoosh!

Xue Ji instantly appeared next to Su Chen, touch!

I'll do it!

Xue Ji just appeared next to Su Chen and Archangel.

When she saw Su Chen on Arch Angel's shoulder, Xue Ji ducked and kicked Su Chen away.

Su Chen didn't expect that Su Chen Xue Ji would appear and kicked him away.

It was so fast that he didn't even feel Xue Ji's attack.

A thousand miles away,

Su Chen fell to the snow after knocking over several icebergs. On the ground, he patted Luo Xue on his body with a smile on his face.

Although Xue Ji kicked him away,

Xue Ji had no intention of hurting him. Otherwise, Su Chen wouldn't have been kicked by Xue Ji this time. He will also be seriously injured, and his soul may even be severely damaged.

Whoosh!

The archangel instantly appeared next to Su Chen and asked, "Master, are you okay?"

Su Chen appeared on the archangel's shoulder, he hugged the archangel's beautiful face, kissed it and smiled.

"Ha ha....., I'm fine, Archangel, we may have a narrow escape this time."

What the hell, the archangel is too big.

Each of his heads is bigger than his own body.

If Gaia, the titan, doesn't recover her true form, she won't even be half as tall as the archangel. Gaia, who is more than three meters tall, will be taller than Gaia. An archangel no more than ten meters tall.

At this moment, Xue Ji was in a much better mood after kicking Su Chen away. Xue Ji could not help but want to kick that shameless bastard away. In the Demonic Tower of Desire, Xue Ji The realm of cultivation was sealed by the Demonic Tower of Desire. She was so ashamed and angry that she had no choice but to leave the Demonic Tower of Desire. Xueji could pinch this little bastard at will. When Bingji saw Xueji's appearance, she appeared instantly Asked next to Xue Ji,

"Xue Ji, how come you were caught and imprisoned by that little scumbag, and even insulted by that little scumbag?"(Nono's)

Xue Ji shook her head hastily with a blushing face and said,

"Bing Ji, this is a long story. What is the situation in the Ice and Snow Territory now? Have Primordial Tiandao and Hongjun discovered the Ice and Snow Territory?"

"Soon, I have killed all the saints in the prehistoric immortal world. It will take about three days for the prehistoric Tiandao to resurrect the saints, and at most one or two days. Both the prehistoric Tiandao and Hongjun will know the existence of the Ice and Snow Realm."

Bing Ji looked at Xue Ji Bian in confusion.

She found that something was wrong with Xue Ji.

Xue Ji just kicked Su Chen away and had no intention of hurting that little scumbag. Now Xue Ji is avoiding being caught and imprisoned by Su Chen. , Bing Ji was a little confused about Xue Ji's thoughts at this moment.

Xue Ji looked at Su Chen in the distance and asked Bing Ji,"Bing Ji, are we going to escape the prehistoric fairy world and go to chaos? Or continue to stay in the prehistoric fairyland?"

"Um? Xue Ji, apart from going to Chaos, there is no way we can stay in the Prehistoric Immortal Realm, and Prehistoric Tiandao and Hongjun will not let us stay in the Prehistoric Immortal Realm."

Chapter 2472

In the ice and snow realm, the great masters of the prehistoric fairy world were confused again at this moment.

What about the terrifying attack?

Why did they break up for no reason?

The vibrations in the ice and snow domain also stopped.

What on earth is going on?

"How did the horrific attack dissipate? What exactly is going on?"

"I don't know, the small space has also stopped shaking. Don't the creatures in the small space intend to kill us?"

"This doesn't make sense. A silent attack killed five powerful beings on our side. It's impossible for powerful creatures in a small space to let us go for no reason."

"Yes, why did the horrific attack dissipate? Do you think it is the Emperor Su Chen who is persuading the creatures in the small space?"

"Impossible. Emperor Su Chen is just a Taiyi Golden Immortal. How could the terrifying creature in the small space listen to the persuasion of Emperor Su Chen? You might as well say that the"193" Empress Nuwa is persuading the terrifying creature in the small space."

"You can't say for sure, Emperor Su Chen is very weird. This time it may be Emperor Su Chen who is persuading the creatures in the small space."

"Let's wait and see. Whether it is Emperor Su Chen or Empress Nuwa who is persuading the creatures in the small space, it is the greatest blessing that we can escape from this crisis."

After the prehistoric powers in Ice and Snow Princess discussed one after another, they felt a little relieved.

As long as the terrifying creatures in the small space no longer kill them, the remaining powers don't care whether Su Chen or Nuwa saved them. The small space It was too dangerous, and the remaining powerful people all wanted to escape from this small space immediately.

In the space prison,

Nuwa and her daughters breathed a sigh of relief after the terrifying attack dissipated. This means that nothing will happen to Su Chen, and it is also possible that Su Chen and Bing Ji have communicated.

"Madam Nuwa, it seems that Su Chen and Bing Ji have contacted each other."

"Well, Su Chen should have contacted Bing Ji. We don't know if Su Chen can convince Bing Ji. If Su Chen can't convince Bing Ji, Su Chen may still face a crisis."

"Yes, the terrifying attack only stopped temporarily. If Su Chen could not convince Bing Ji, Bing Ji would definitely launch another attack on Su Chen."

"Bing Ji? Queen Mother, Bing Ji must be a female Chaos Demon God. Su Chen is very good at dealing with women. I guess that little bastard can definitely handle Bing Ji."

"Huh! Guanyin, what you said is really possible. That little bastard is the nemesis of women and female immortals. Aren't we, the quasi-sage powerful and the female immortals of Hunyuan Daluo Golden Immortal, all deceived by that little bastard's sweet words?"

"Haha, we are getting more and more outrageous as we talk, but as long as that little bastard faces women, there seems to be no woman he can't handle."

After the Nuwa Empress and the girls from Yunxiao talked for a while, they felt quite reassured about Su Chen's safety.

If the Chaos Demon God in the Ice and Snow Realm was a woman, they would be even more reassured.

Su Chen's shamelessness and shamelessness would make them even more at ease. Su Chen deceived the woman with his sweet words, and they guessed that Su Chen would definitely get the Chaos Demon God in the Ice and Snow Realm.

Deep in the Ice and Snow Realm,

Bing Ji was very confused when she heard Xue Ji's words.

She didn't expect what Xue Ji would ask, the way of heaven. He and Hongjun will find them soon. If they don't leave the Great Desolate Immortal World and go to Chaos, can they still stay in the Great Desolate Immortal World? Will Primeval Tiandao and Hongjun let them stay?

Bing Ji frowned and asked Xue Ji,

"Um? Xue Ji, apart from going to Chaos, there is no way we can stay in the Prehistoric Immortal Realm, and Prehistoric Tiandao and Hongjun will not let us stay in the Prehistoric Immortal Realm."

"Bingji, Su Chen has a spiritual treasure belonging to the Demon God of Desire, and Su Chen also has the origin of heaven and innateness....."

Xue Ji told Bing Ji about the conversation with Su Chen in the Demon Tower of Desire, as well as the precious treasure in Su Chen's hand.

During the two days that Xue Ji spent in the Demonic Tower of Desire, (to read Baoshuang novels, go to Feilu Novel Network!), she also thought about it a lot.

Chaos was too dangerous.

If Xue Ji and Bing Ji met in chaos, The other Chaos Demon Gods will either be killed and seize their origins, or they will be captured and imprisoned as playthings in the Forbidden Ancient

Fairyland. It is impossible for them to stay. The Primeval Tiandao and Hongjun will not let the Chaos Demon God stay in the Prehistoric Fairyland. Xue After thinking about it, Ji still felt that it was safe to stay in Su Chen's spiritual treasure.

There was rich innate spiritual energy in the Demon Tower of Desire, many top-quality innate spiritual fruits, and the origin of heaven that even the Chaos Demon God could only dream of, even in Su Chen's hands. There may be other top-quality cultivation resources.

If Xue Ji and Bing Ji stay in Su Chen's spiritual treasure, they will be able to advance to the Holy Realm in less than a hundred years, and they will also improve rapidly in the Holy Realm. This is safer and faster than them hiding in chaos and practicing. much...

After Bingxue heard Xue Ji's story, a look of shock appeared on her beautiful and cold face, and she hurriedly asked,

"Xue Ji, is everything you said true?"

Xue Ji smiled and nodded and replied, "Yes, I saw these with my own eyes."

Bing Ji was very surprised at the moment.

She didn't expect that Su Chen would have so many top-quality cultivation resources, and even the source of Heavenly Dao, which was a bit scary.

Bingxue thought of everything she saw about Su Chen, a Taiyi Golden Immortal Knowing the laws of space and time, innate treasures, top-quality innate spiritual treasures with life in human form.

Xue Ji mentioned several top-quality innate spiritual treasure fruits, rich innate spiritual energy, and the extremely precious origin of heaven.

This is a little scumbag Can she have it?

Bing Ji didn't dare to underestimate Su Chen.

Fortunately, she had been careful to guard against Su Chen, otherwise she might have been tricked by that insidious little scumbag.

Bing Ji thought of what Xue Ji said The Demonic Tower of Desire, she asked hurriedly,

"Xue Ji, how come the Demon God of Desire's Demonic Tower of Desire is in Su Chen's hands? Could it be that Su Chen had killed the Demon of Desire? Xue

Ji frowned and replied uncertainly,

"It should be, otherwise the Demon God of Desire's spiritual treasure would not appear in Su Chen's hands, and I found that Su Chen completely controlled the Demon Tower of Desire. I guess that the Demon God of Desire 2.0 may have been killed by Su Chen."

"Who is that Su Chen? Xue Ji, have you asked?"

"Bing Ji, Su Chen said that he is the Emperor of Heaven in the Ancient Immortal Realm. I don't believe this. How can a little scumbag from Taiyi Golden Immortal be the Emperor of Heaven in the Ancient Immortal Realm?"

"Well, it's a bit unbelievable."

While Bing Ji and Xue Ji were talking, Su Chen sat on the archangel's shoulders and wandered aimlessly in the ice and snow.

Su Chen hugged the archangel's white neck and asked,

"Archangel, you said there is an energy under the ice and snow lotus that can allow you to advance?"

"Yes, Master, there is a very pure energy under the Ice and Snow Lotus. This is different from the master's origin of heaven, and it is also different from the water of life. Master, I guess the reason why the Ice and Snow Lotus is a half-step Chaos Spiritual Treasure may be due to the Only with that kind of energy can you succeed in promotion"

Chapter 2473

When Su Chen heard what the Archangel said, he understood that underneath the Ice and Snow Lotus must be the core of the Ice and Snow Domain, as well as the core of the Dao Rules. The Ice and Snow Lotus might be absorbing the origin of the Dao Rules.

Although the rules of the avenue are about to disappear, as long as there is a little source of the rules of the avenue, it is enough for Lingbao to advance. Everything related to the avenue is more precious than the origin of the law of heaven.

Su Chen touched his chin, thought for a while and whispered,

"The origin of the rules of the avenue? Do you want to plunder some so that Archangel can advance? Damn it, Bing Ji and Xue Ji probably won't agree."

When the archangel heard Su Chen's words, he hurriedly reminded,

"Master, you must not take risks. We can't deal with even an Ice Princess. Now that there is another Snow Princess, we'd better not provoke them."

Su Chen touched the archangel's smooth and delicate neck and replied,

"I see."

Su Chen will not rashly plunder the origin of the rules of the avenue, nor does he have the ability to plunder the origin of the rules of the avenue.

Su Chen frowned and looked at Bing Ji and Xue Ji.

Bing Ji and Xue Ji were still talking, and they were exactly the same sexy The alluring beauties are together. It really makes people want to get together.

However, it is too dangerous.

Bing Ji and Xue Ji are both extremely vicious Chaos Demon Gods. Su Chen is also worried that he will be killed by them if he goes there again..What decision will Xue Ji make this time?

Agree?

Or continue to go to Chaos with Bing Ji?

If Xue Ji agrees to stay,

Su Chen's crisis will be completely resolved this time.

If Xue Ji and Bing Ji leave the prehistoric fairy world to go to Chaos , Su Chen may die this time, and Nuwa and his daughters will also die with him.

After Bing Ji and Xue Ji talked for a while,

Bing Xue said with a cold expression on her face,"Xue Ji, If we don't catch Su Chen and leave the ancient fairyland together, then we will get all of Su Chen's treasures."

Xue Ji frowned when she heard Bing Ji's words.

She didn't want Bing Ji to catch that bastard Su Chen.

Su Chen was their only support in staying in the ancient fairyland, and Xue Ji also had some feelings for that bastard in her heart.

One year Tortured by so much desire, and having sex with that bastard for more than a month,

Xue Ji wanted to kill Su Chen, but some of the conversations between her and Su Chen in the Demon Tower of Desire made Xue Ji's heart beat several times in a row, and she even She no longer resisted Su Chen's actions against her.

Xue Ji was so confused that she didn't know whether to kill Su Chen or let the shameless person live.

Xue Ji looked at Su Chen who was walking in the distance.

She said to Bing Ji with a complicated expression,

"Bing Ji, are you sure you can catch Su Chen? And even if we catch Su Chen and imprison him, are you sure we can interrogate everything about Su Chen?"

"this....."

"Bingji, Su Chen is very weird. If we can't catch that bastard in one blow, we will completely offend that little scumbag. We have no chance to negotiate with Su Chen again."

"Xue Ji, you don't want to go to Su Chen's spiritual treasure to practice, right?"

Bing Ji stared at Xue Ji with beautiful eyes.

She felt that Xue Ji didn't want her to kill Su Chen, and Xue Ji seemed to have decided to practice in Su Chen's spiritual treasure from the beginning.

Bing Ji was very worried about this. I can't understand.

Xue Ji was captured and imprisoned by Su Chen and was humiliated.

Shouldn't Xue Ji hate Su Chen more than she does? Should she even want to kill that little scumbag even more? Why is Xue

Ji acting abnormally?

Not only did Ji not want to kill Su Chen at this time, but she also wanted to stay and practice in Su Chen's spiritual treasure space.

What kind of situation was this?

Xue Ji nodded to Bing Ji and admitted,

"I have this plan. It is too dangerous for us to go to Chaos. If we were both in the Holy Realm, I would go to Chaos without hesitation."

"But for millions of years, we have been nestling in the ice and snow realm and advanced to the ice and snow lotus. Now we are all scum in the quasi-sage realm."

"With our quasi-sage cultivation and the Ice and Snow Lotus, we don't care about the Chaos Demon Gods in the fifth or sixth heaven of the Saint Realm, but what about the Chaos Demon Gods in the sixth or higher heavens of the Saint Realm?"

After Bing Ji heard Xue Ji's decision, she reminded her coldly,

"Xue Ji, you should understand the power of the Demonic Tower of Desire. If we stay in the Demonic Tower of Desire, our life and death, and our innocence are all under the control of that little scumbag. Do you want us to be imprisoned by Su Chen? Be his forbidden wife in the Demonic Tower of Desire?"

Xue Ji looked at Bing Ji and said apologetically,

"Alas, Bing Ji, you take the Ice and Snow Lotus to Chaos. I will stay in Su Chen's spiritual treasure. I have already been insulted by that bastard. What if that bastard continues to humiliate me again?"

Boom!

Bing Ji suddenly burst out with a powerful aura.

She glared at Xue Ji and shouted sternly,

"Damn it, Xue Ji, don't forget that our feelings are synchronized. I can feel you being insulted by that bastard. Can't I feel that emotional desire if I go to Chaos?"

Who am I? (To read Baoshuang novels, go to Feilu Novel Network!)

Why is Bing Ji angry again?

Damn, did

Bing Ji and Xue Ji have a falling out?

Why does Bing Ji seem to be angry at Xue Ji ? Ji lost her temper?

After Su Chen saw Bing Ji burst out with a powerful aura, he discovered that Bing Ji's aura was aimed at Xue Ji.

Su Chen couldn't understand for a moment.

Bing Ji and Xue Ji's feelings were synchronized.

If Bing Ji and Xue Ji In a fight, no matter who is injured between them, the other person will not be fine.

What happened between Bing Ji and Xue Ji?

Su Chen touched his chin and thought for a while and ordered the archangel,

"Archangel, let's go!"

"Yes, master!"

After the archangel heard Su Chen's words, she and Su Chen disappeared instantly.

Xue Ji rubbed her forehead in embarrassment and said,

"Bingji, why don't you 273 stay? I guarantee that Su Chen won't take action against you."

Bing Ji hit Xue Ji on the head hard and mocked,

"That little scumbag won't take action against me? Xue Ji, are you dizzy? Still stupid? In the Demonic Tower of Desire, do you have the ability to resist that little scumbag?"

"As long as we enter the Demonic Tower of Desire, we will be controlled by that little scumbag, become a plaything, and become a forbidden concubine, all in that little scumbag's thoughts."

Whoosh!

At this moment, the Archangel appeared next to Bing Ji and Xue Ji with Su Chen. Su Chen looked a little unnatural when he heard Bing Ji's words.

He was going to take Xue Ji and Bing Ji away.

Xue Ji had already She is his woman.

Su Chen cannot give up.

Bing Ji and Xue Ji feel in sync. Such two extremely sexy and alluring beauties, Su Chen is so likely to give up, and they are still two beautiful and cold beauties who feel in sync.

However,

Su Chen didn't want to turn Xue Ji and Bing Ji into playthings on the spot, nor did he think about imprisoning them as prisoners.

Bing Ji and Xue Ji are both powerful chaos demons. If they raise their realm to the holy realm in the future, Su Chen will have Two very powerful Chaos Demon Gods serve as helpers.

Isn't this delicious?

When Xue Ji saw Su Chen arriving, she stretched out her white hands and said to Su Chen,

"Little bastard, hand over your Demonic Tower of Desire. I will refine your Demonic Tower of Desire."

Chapter 2474

Su Chen was a little surprised when he heard Xue Ji's words, and he was also a little happy.

Xue Ji wanted to refine his spiritual treasure?

Su Chen somewhat understood Xue Ji's decision.

Xue Ji agreed to stay in the Demonic Tower of Desire, but Xue Ji probably didn't trust her, and was even worried that he would imprison her and Bing Ji without keeping his word.

Su Chen instantly appeared next to Xue Ji from the shoulders of the archangel. He looked at the sexy and attractive Xue Ji and asked,

"Xue Ji, do you want to stay?"

Xue Ji saw Su Chen appearing next to her.

She frowned and wanted to kick this bastard away again. Su Chen's lustful eyes made her feel very uncomfortable. Isn't this bastard worried that she will destroy him?

Xue Ji He glared at Su Chen fiercely and said,

"I decided to stay, but I have to refine your Demonic Tower of Desire. You should understand why."

"Got it, of course I understand"

"Get the Demonic Tower of Desire"

"Okay, Xue Ji, this is the Magic Tower of Desire."

Su Chen handed the Demonic Tower of Desire directly to Xue Ji.

He was not worried that Xue Ji would catch him or even kill him.

Xue Ji just kicked him away without hurting him at all. Su Chen guessed some of Xue Ji's thoughts.

Bing Ji first burst out a powerful aura and had a conflict with Xue Ji.

Su Chen guessed that there was a conflict between Xue Ji and Bing Ji. It was even possible that Xue Ji and Bing Ji were going to part ways. Xue Ji now wanted to refine the Demonic Tower of Desire. This might be It was because of Bing Ji. When

Xue Ji saw Su Chen giving her the Magic Tower of Desire without even thinking, her heart suddenly jumped again, and the look in her eyes at Su Chen was even more complicated.

This insulted her The bastard, eh!

She was the one who insulted this bastard.

Xue Ji's thoughts towards Su Chen became more and more complicated.

She wanted to kill this bastard more than once, but she never had the heart to take action several times.

She just kicked Su Chen away Chen,

Xue Ji also vented her anger at being imprisoned by Su Chen. She didn't use magic to kick Su Chen away just now, otherwise this bastard would have been seriously injured if he hadn't been kicked by her.

"You know what I mean!"

Xue Ji rolled her eyes at Su Chen and started to refine the Demonic Tower of Desire.

She wanted to refine the Demonic Tower of Desire in front of Bingji, so that Bingji would no longer have any dissatisfaction and worries. The

Demonic Tower of Desire was under her control.

Bingji didn't have to worry that Su Chen would imprison them in the Demonic Tower of Desire.

Bingji's beautiful eyes looked at all this coldly.

She didn't expect that Xueji would want to refine the Demonic Tower of Desire for Su Chen, but Su Chen didn't even consider it. She gave the Demonic Tower of Desire to Xue Ji.

This made her feel very bad.

Bing Ji felt that there was something wrong between Xue Ji and Su Chen, and maybe Xue Ji had fallen in love with this inferior human race.

Bing Ji looked at Su Chen Her eyes became even more cold and ruthless.

She was worried that Xue Ji would be deceived by this inferior little scumbag.

What would she do if Xueji got together with this little scumbag?

If Xueji and Su Chen had sex again, she would also I will feel it again, Bing Ji will not let such a thing happen

"Bing Ji, your eyes scare me, can you stop looking at me like that." Su Chen felt a little frightened when he saw Bing Ji's cold and heartless eyes. Su Chen slowly approached Xue Ji again. He was worried that Bing Ji would attack him again. At such a close distance, it was impossible for Su Chen to avoid and deal with Xue Ji. Resist Bing Ji's attack

"Shameless scum!"

Bing Ji saw Su Chen approaching Xue Ji again, and her cold face almost darkened.

Bing Ji didn't expect Su Chen to be so shameless, this damn little scumbag.

If she wanted to kill Su Chen, this little scumbag Do you think Xue Ji can keep him?

Xue Ji opened her eyes and looked at Su Chen who was approaching her. She was very wary of Su Chen approaching her.

Su Chen was a shameless person, a shameless little scumbag,

Xue Ji She was also worried that Su Chen would touch her in front of Bing Ji. (To read Baoshuang novels, go to Feilu Novel Network!)

After she saw Bing Ji's cold expression,

Xue Ji understood that Su Chen was afraid of Bing Ji. This shameless The bastard is probably afraid that Bing Ji will kill him.

Xue Ji stopped refining the Desire Demon Tower and said to Bing Ji,

"Bing Ji, please let this bastard go first. I will refine the Demonic Tower of Desire in a while. We don't have to leave the ancient fairyland to go into chaos. This little scum is still useful to us."

"snort!"

Bing Ji snorted coldly to Xue Ji, and she instantly appeared on the ice and snow lotus and sat down.

Bing Ji felt a little shaken.

She didn't want to enter the Desire Demon Tower at first, but if Xue Ji refined the Desire Demon Tower, this is a good choice for her and Bing Ji.

The rich innate spiritual energy, many top-quality innate spiritual fruits, and the origin of heaven are crucial to her and Xue Ji's cultivation. No, they are very, very important. is important.

0Request flowers

"Bing Ji, release the primitive creatures from the ice and snow realm."

"roll!"

I guess!

What a arrogant woman.

Su Chen was speechless when she heard Bing Ji's words.

Bing Ji was obviously shaken.

What else does this sexy and seductive beauty want?

Does she still want to kill the prehistoric people in the ice and snow realm ? Powerful people?

Damn it, there are still Nuwa and the other girls in the Ice and Snow Realm.

It is impossible for Su Chen to let Bing Ji attack the powerful people and Nuwa and the other girls in the ancient fairyland.

"You are awesome, Bing Ji, I hope you can still be so cold when you beg me."

Whoosh!

After Su Chen started refining the Demonic Tower of Desire again, Xue Ji instantly appeared on the shoulders of the archangel. Bing

Ji was as difficult to deal with as Xue Ji.

Xue Ji had some changes after she had a relationship with him, but Bing Ji Ji still had an expression of not being near strangers.

Su Chen didn't want to say anything more to Bing Ji.

He planned to wait until this sexy Bing Ji entered the Demonic Tower of Desire, and Su Chen would teach Bingji how to behave.

The Demonic Tower of Desire is The system helped Su Chen refine.

Xue Ji completely refined the Demonic Tower of Desire. The first person to control the Demonic Tower of Desire was Su Chen. Su Chen could also instantly deprive Xue Ji of her control over the Demonic Tower of Desire.

Bingji listened. Su Chen's words raised her eyebrows.

She felt that there was something in Su Chen's words.

Could it be that this little scumbag wouldn't give her the origin of the way of heaven? Or did this little scumbag not have much origin of the way of heaven in his hands?

"Little scumbag, how much of your heavenly origin is there?"

Su Chen hugged the white neck of the archangel and rolled his eyes at Bing Ji. Bing Ji looked coldly hostile to him. He didn't expect that Bing Ji wanted the origin of heaven. Do you want to eat shit?

There is no benefit, so why would Su Chen give it to him ? Bing Ji's origin of heaven, damn,

Su Chen's origin of heaven was not even given to Nuwa. Bing Ji is so beautiful, sexy and attractive.

Ahem, damn,

Bing Ji and Xue Ji are the same in length, so they are very stunning. The beauty is sexy and alluring.

The thin white gauze dress exposes a large area of fair skin, a round waist, an attractive figure with a curved front and back, and an attractive and proudly erect mountain.

Especially the fair skin. With long legs,

Su Chen thinks he can play for 10,000 years

"Bing Ji, don't think too much. I prepared the source of heaven's way and the best innate spiritual fruit for Xue Ji. The innate spiritual energy in the Demonic Tower of Desire is enough for you to practice crafts."

Chapter 2475

Bing Ji didn't expect that Su Chen didn't plan to give her the origin of Heavenly Dao, and he didn't even plan to give her the best first fruit.

This made her even more angry.

Without the origin of heaven and the best first fruits,

Bing Ji would rely on innate spiritual energy to practice from now on. But can this be the same as Xue Ji using the origin of heaven and the best first fruits?

Bing Ji instantly appeared opposite the Archangel.

She stared at Su Chen coldly and threatened,

"Do you want to die?"

Su Chen looked at Bing Ji who was approaching and said mockingly, "Hey, do you dare to kill me?"

Boom!

Bing Ji burst out with a powerful aura that enveloped Su Chen and said coldly,

"Little scumbag, do you really think I don't dare to kill you?"

Dang Dang Dang.... buzz buzz.....

Su Chen's Chaos Clock instantly appeared above his head, and the archangel's silver wings quickly protected Su Chen.

Bing Ji's powerful aura shook the Chaos Bell several times, and the Silver Wings also made a buzzing vibration.

Su Chen looked at Bing Ji expressionlessly and said,

"Bing Ji, of course you dare to kill me, but what happens after you kill me? Escape into chaos? And then wait to be killed by other Chaos Demon Gods to seize the origin? Or was he imprisoned as a concubine by other Chaos Demon Gods?"

Bing Ji slowly raised her hand and said coldly,

"Hum, even if I return to Chaos, I may not be discovered by other Chaos Demon Gods."

Su Chen curled his lips when he looked at Bing Ji who wanted to take action again. He was not worried that Bing Ji would take action this time. Bing Ji just returned to the Ice and Snow Lotus and had agreed to stay in the Demonic Tower of Desire.

Bing Ji would threaten him this time. ,

Su Chen guessed that Bing Ji wanted the origin of heaven, but Bing Ji only threatened him, and Bing Ji did not dare to kill herself.

Otherwise,

Bing Ji and Xue Ji would still have to escape into chaos.

Su Chen crossed his arms. He reminded Bingji nonsense,

"Bing Ji, the space demon Yangmei has been paying attention to the ancient world, and Luo Hu, he has also been paying attention to the ancient world after his recovery. You should understand the hatred that Yangmei and Luohu have towards the ancient world and Hongjun."

"Bing Ji, do you think Yangmei and Luo Hu will find you if you escape from the ancient fairyland?"

"By the way, the Beast King Shen Ni has also revived. The three powerful Chaos Demon Gods are always paying attention to the Great Desolate Immortal World. Do you think you will be discovered by the three demon gods when you leave the Great Desolate Immortal World?"

Bing Ji stared at her beautiful eyes with a surprised expression.

She didn't expect Su Chen to say this, but what Su Chen said was what she was worried about.

When the Space Demon God escaped from the ancient fairy world, it was impossible for the Space Demon God to let Yin him go. Hongjun.

If Luo Hu and the Beast Emperor Shen Ni revived, they would not be able to let Hongjun go.

The three powerful chaos demons would have been monitoring the ancient world.

Bing Ji thought that if she and Xue Ji escaped from the ancient world, They will definitely be killed by these three powerful Chaos Demon Gods and seize their origin. When

Su Chen saw Bing Ji's surprised look, a smile appeared on his lips.

Su Chen just threatened Bing Ji nonsense.

Space Demon Yang Mei might be paying attention. In the prehistoric fairy world, as for Luo Hu and the Beast Emperor Shen Ni, Su Chen knows nothing now.

Luo Hu and the Beast Emperor Shen Ni have just recovered. They may be developing their realm.

Otherwise, during the Journey to the West,

Luo Hu would not have gone to the past. It took a million years to invade the ancient world of immortality. The Beast King Shen Ni invaded the ancient world of immortality even later than Luo Hu.

Thinking of this, Su Chen reminded Bing Ji with a smile,

"Bing Ji, you can't stay in the prehistoric fairyland now, and you can't leave in the chaos. Apart from staying in my Demonic Tower of Desire, where else do you think you can go?"

Bing Ji had a helpless expression on her face at this moment.

Su Chen was right.

In the prehistoric fairyland, after the prehistoric Tiandao and Hongjun discovered her, she would either be killed by the prehistoric Tiandao and Hongjun, or she would escape back to the chaos. But there are three major demons in Chaos that monitor the prehistoric fairy world.

Bing Ji may have just escaped to Chaos, and she will be killed by one of the three demons and seize her origin. (To read Baoshuang novels, go to Feilu Novel Network!)

This chance is still Very big.

Bingji looked ugly and compromised to Su Chen,

"Little scumbag, I stay in the Demonic Tower of Desire, but I want the same treatment as Xue Ji."

Su Chen rolled his eyes at Bing Ji and mocked,

"You want to eat shit, Xue Ji fucked me, phew, I fucked Xue Ji, Xue Ji will be my wife in the future, I gave Xue Ji the origin of heaven and the best first fruit, this is what I should do, and you What kind of?"

Bing Ji clenched her fists tightly and said weakly, "Shameless people, I can let go of the remaining primitive creatures in the ice and snow domain."

After Su Chen heard Bing Ji's words, he understood that Bing Ji had no choice.

No,

Bing Ji was desperate. She couldn't stay in the ancient fairy world, and Chaos couldn't go. Bing Ji could only stay in his desire like Xue Ji. In the magic tower,

Su Chen touched his chin, looked at the sexy Bing Ji, shook his head and replied,

"not enough!"

Bing Ji heard Su Chen's refusal, and Su Chen still had a wretched look in her eyes.

Bing Ji's face turned cold again.

She suspected that this little scumbag was trying to get her attention. He is an inferior race.

Bing Ji is a Chaos Demon God, it is impossible for her to let an inferior race be humiliated.

Even in the face of life and death,

Bing Ji will not have a relationship with an inferior race.

She angrily threatened Su Chen,

"Little scumbag, if you dare to catch my attention, I will kill you even to death."

Su Chen hurriedly waved his hands and coughed,

"Ahem, Bingji, you misunderstood, I won't pay attention to you, have you seen my archangel?"

"Um? This humanoid 353 spiritual treasure of yours has come to life. The Archangel is a unique spiritual treasure. Little scum, what do you want to say?"

Bing Ji was confused when she heard Su Chen's words. This little scum didn't catch her attention?

Archangel?

A living humanoid spirit treasure?

What does this little scum mean?

Su Chen looked at the confused Bing Ji. Make it clear,

"I hope you can let my archangel absorb some of the origin of the rules of the avenue in the ice and snow realm."

"Bingji, please don't object yet. In a day or two at most, the Great Heavenly Dao and Hongjun will come to the Ice and Snow Territory. There are not many rules left in the Ice and Snow Territory. Instead of being destroyed by you, it's better to let my Archangel absorb it. one time."

Bing Ji understood what Su Chen wanted to say. Su Chen wanted the archangel to absorb the origin of the rules of the avenue and advance. The origin of the rules of the avenue?

Xue Ji must have told Su Chen, but she doesn't care now.

The origin of the rules of the avenue. There are not many left, and before Prehistoric Tiandao and Hongjun discovered this place, Bing Ji wanted to destroy the Ice and Snow Territory, and the origin of the rules of the avenue would also completely dissipate after the Ice and Snow Territory was destroyed.

Bing Ji looked at the Archangel and nodded. ,

"Yes, the archangel can absorb the origin of the rules of the avenue in these two days, but, little scum, I want all the treasures and resources that Xue Ji has, and you have to treat me and Xue Ji equally."

Chapter 2476

Su Chen was very speechless when he heard Bing Ji's words.

Do you treat everyone equally?

Why treat everyone equally?

Xue Ji had sex with him, did Bing Ji also want to have sex with him?

Damn it,

Su Chen thought, but is Bing Ji willing?

Su Chen guessed that if he dared to bring it up, Bing Ji would be immortal and she would teach him a lesson. A powerful woman was really untouchable, and Su Chen was even more unsatisfied with the powerful Chaos Demon Goddess. Dare to provoke easily.

Su Chen patted the archangel's white neck and said,

"Archangel, go and absorb the origin of the rules of the avenue"

"Yes, master!"

After the Archangel Su Chen got off her body, she flashed and appeared next to the Ice and Snow Lotus. The

Archangel sat down cross-legged and began to absorb the origin of the rules of the avenue. She clearly knew how precious the origin of the rules of the avenue was, and she would not waste it. It takes one or two days to absorb the origin of the rules of the avenue.

The archangel is now the ultimate innate spiritual treasure.

As long as she absorbs enough of the origin of the rules of the avenue, the archangel can be promoted to the innate treasure.

"Bing Ji, lift the space blockade in the ice and snow domain. Bing

Ji gave Su Chen a cold look and warned, "Hmph, little scumbag, if you dare to go back on your word in the future, I will let you know the consequences of going back on your word.""

"Don't worry, I will never go back on my promise to my girl!"

"snort!"

Let me join in, huh? 457 Humph!

Damn it,

I must make Bing Ji regret the consequences of threatening her today.

Su Chen and Xue Ji have been entangled for more than a month, and Su Chen decided to entangle with Bing Ji for more than two months. ,

Japan and Europe!

Can your own body handle it?

Damn it, the Chaos Demon God really can't be offended.

Su Chen rubbed his forehead and was very speechless.

If a woman is too strong, a man really can't subdue it.

Su Chen thought about it from now on. The first was the giantess Gaia, then the Nuwa Empress, Yin Ji and other female saints, and then there was the even more powerful Xue Ji, and in the future the Bing Ji who was as powerful as Xue Ji.

Su Chen felt that his face was a little pale, a Xue Ji. They were all a little overwhelmed, and what about Bing Ji?

Su Chen felt that his future happiness was a bit gloomy.

In the ice and snow realm, the great masters of the ancient times and the Nuwa Empress and several women, they suddenly felt the terrifying aura, a terrifying The breath disappeared again, and they didn't know what happened.

"How is this going? Why does the terrifying aura appear for a while and then disappear again?"

"I don't know, maybe the Emperor Su Chen and that creature are negotiating (daej), and the Emperor Su Chen wants to convince that powerful creature"

"I think it was Empress Nuwa who had to convince that powerful creature. The strength of Emperor Su Chen was too low. It was impossible for that powerful creature to negotiate with a scumbag."

"No, it should be Emperor Su Chen. Didn't you hear the sound of the Chaos Bell just now? The Chaos Bell is the spiritual treasure of Emperor Su Chen"

"Yes, the bell just sounded was indeed the Chaos Bell. Emperor Su Chen was probably negotiating with that terrifying creature."

"I hope Emperor Su Chen can convince that terrifying creature, otherwise we will really perish in this small space."

The great masters like Zhen Yuanzi are terrified at this moment. After discussing one after another, they put all their hopes on Su Chen. In this strange little space, the five great saints have all fallen, but the five great saints can still be defeated by the prehistoric heaven. Resurrection, what about them?

If they die, if the lucky soul is not destroyed, they, the powerful ones, can practice again or be reincarnated, but all their cultivation will be reduced to nothing. (To read Baoshuang novels, go to Feilu Novel Network!)

In the space prison,

Nuwa and the other girls were very nervous at the moment. When the Chaos Bell rang, they were all worried that the Chaos Demon God would take action against Su Chen, but the terrifying aura came and went away just as quickly. Come on, they don't even understand what's going on.

"Will something happen to Su Chen?"

"Probably not. The terrifying aura just now didn't look like an attack, and it only appeared for a moment."

"Empress Nuwa is right. If the Chaos Demon God attacks Su Chen, Su Chen's Chaos Clock cannot last for such a short time. The Chaos Clock is an innate treasure."

"Well, that makes sense. It seems like Su Chen is about to convince the Chaos Demon God."

"For a quarter of an hour, the Chaos Demon God did not attack those innate powers again. Su Chen should have stopped him."

"Just wait and see, there should be results soon."

After Nuwa and the girls from Yunxiao talked, they all checked the situation in the ice and snow area. As long as Su Chen didn't return safely, they wouldn't be relieved.

Boom boom boom.....

At this time, the ice and snow field suddenly shook, bang!

After the bell rang,

Su Chen's voice spread throughout the ice and snowy area,

"Zhen Yuanzi, bring the great power of the prehistoric immortal world towards the golden light. There is the only passage out of the small space. You have to hurry, the passage will be closed in only three breaths of time."

"Zhen Yuanzi thanked the Emperor for saving his life"

"Ancestor Styx thanks the Emperor of Heaven for his life-saving grace."

"Bai Ze thanks the Emperor for saving his life!"

"Ancestor Jin Yuan thanks the Emperor of Heaven for his life-saving grace!"

After the powerful people in the ancient world thanked Su Chen one after another, they hurried towards the golden light.

These powerful people did not expect that Su Chen really did it.

The passage in the small space opened, and they could all leave this weird and terrifying small space..

Escape from death!

These remaining powerful beings had a narrow escape from death.

Nuwa and the other girls all smiled when they heard Su Chen's words.

Su Chen did it.

They didn't expect that Su Chen actually convinced a Chaos Demon God.

That little bastard was getting more and more outrageous.

Su Chen first caught a Chaos Demon God. Demon God, this time he persuaded another Chaos Demon God. This is not something that ordinary people can do. Even saints do not have this ability.

The Queen Mother suddenly said to the other girls,

"Huh? Why didn't Su Chen let us leave? And that little bastard didn't come back?"

Nuwa Empress waved her hands and replied, "Queen Mother, you don't have to worry, Su Chen must have a purpose for doing this, we will wait here for that little bastard to come back."

Guanyin Bodhisattva nodded and said,

"Yes, that little bastard is very cunning. I guess he should get some benefit."

"Maybe! Yunxiao smoothed her hair and smiled.

She guessed that Su Chen must have received some benefits, and Su Chen wanted to share the benefits with them, otherwise the little bastard would definitely let them leave the ice and snow area. At this moment,

Deep in the ice and snow field,

Bing Ji yelled at Su Chen angrily,

"Little scumbag, do you want to die? The ice lotus next to the ice lotus is a precious treasure. You damn little bastard, I want to crush you idiot bastard to death right now..

Chapter 2477

Bing Ji now wants to kill Su Chen, this ignorant idiot.

Bing Ji did not expect that Su Chen would pick the ice lotus. Ice lotus is a treasure derived from the ice and snow lotus.

Twelve ice lotuses are extremely precious. Although the ice lotus is not a spiritual treasure or a cultivation resource, every ice lotus has the laws of ice and snow.

As long as an immortal takes an ice lotus, it is possible to obtain a trace of the Ice and Snow Law. Although this trace of the Ice and Snow Law is not enough for other immortals to successfully practice the Ice and Snow Law, it can be regarded as opening the door to practice the Ice and Snow Law. As long as you practice diligently in the future, the Ice and Snow Law means that there is a certain chance of successful cultivation.

This bastard picked the ice lotuses without any worries.

If Bing Ji hadn't found and stopped her in time, all twelve ice lotuses would have been picked by this bastard.

Su Chen looked at the three ice lotuses in his hand and smiled.

Of course he knew that these ice lotuses had functions.

When Su Chen saw these very beautiful ice lotuses, he asked the system about the functions of these ice lotuses.

Su Chen He didn't care that ice lotus could give people the law of ice and snow.

He just saw that these ice lotuses were very beautiful. It would be great if the Nuwa Empress and the others wore these beautiful ice lotuses.

They will definitely be more beautiful and charming.

Su Chen smiled and reminded Bing Ji, "Bing Ji, these Bing Ji will be picked sooner or later, why shouldn't I advance a day or two in advance?"

Bing Ji glared at Su Chen and cursed angrily,

"Little Zhazha, this is my ice lotus, and only Xue Ji and I can preserve these ice lotuses. If you pick the ice lotus, it will wither in a quarter of an hour. You idiot bastard, give me the ice lotus quickly."

Su Chen looked at the ice lotus in his hand and asked Bing Ji,

"Bing Ji, do you want to bet?"

"What to bet on?"

Bing Ji heard Su Chen's doubts.

Why does this little scumbag want to gamble?

And he is still looking at Binglian.

Does this little scumbag want to use Ice Lotus to bet with her?

What bet?

Bingji knows Binglian well. , she couldn't figure out how Su Chen would bet her on the ice lotus.

Su Chen shook the ice lotus in his hand and said,

"Didn't you say that the ice lotus will wither in a quarter of an hour? If within a quarter of an hour, these three ice lotuses all wither, you win and I can give you one more source of heaven."

"Little scumbag, are you telling the truth?"

"certainly!"

"I agreed."

Bing Ji looked at Su Chen as if she were an idiot. These ice lotuses were cultivated by her and Xue Ji using ice lotus flowers. After millions of years of cultivation,

Bing Ji and Xue Ji were very familiar with the ice lotus and couldn't be more familiar with it. , without the laws of ice and snow, the ice lotus will wither and dissipate after being picked.

Su Chen made a bet with her with the source of heaven. This is to give her the precious source of heaven.

Bing Ji has no reason to disagree with this.

"Bing Ji, I haven't told you about the bet you lost yet," Su Chen showed a speechless expression when he heard Bing Ji's quick agreement. Bing Ji and Xue Ji were exactly the same. He didn't even finish talking about the bet. Bing Ji He agreed impatiently. Aren't Bingji worried about losing? Bingji said with an expression of looking at an idiot,

"I won't lose!"

I guess,

Bing Ji and Xue Ji are indeed beauties separated from the Ice and Snow Demon God. Why are they not cold and ruthless? Or are they arrogant and confident? They will not lose?

This is because they have not met themselves.

Damn it, if Su Chen was as powerful as Bing Ji and Xue Ji, he could easily defeat Bing Ji and Xue Ji to death. (To read Baoshuang novels, go to Feilu Novel Network!)

"Bing Ji, if the three ice lotuses do not wither in a quarter of an hour, I will kiss you once, do you want to bet?"

"shameless bastard!"

"Bet?"

"Bet!"

Bing Ji clenched her fist and glared at Su Chen fiercely.

This shameless bastard,

Bing Ji didn't want to bet with Su Chen.

She couldn't be innocent to make the bet, but this time Su Chen used the precious and incomparable source of heaven. She couldn't refuse the bet. Besides, this was a bet that was sure to win. Bing Ji had no reason to refuse Su Chen.

"It's a deal!"

"It's a deal!"

"Bingji, I will see you in a quarter of an hour. I have been looking forward to your delicate red lips for a long time."

Su Chen looked at Bing Ji and smiled.

In addition to the sexy and attractive Bing Ji's perfect figure, she also had fair and attractive long hair, and Bing Ji's delicate and sexy red lips. Su Chen was satisfied with this. Very coveted.

As for losing?

Is this possible?

The system girl reminded Su Chen when he was picking ice lotus, and the system girl also repaired the withering defect of the ice lotus for him....0

Even if the ice lotus is in his hands for a million years, it will not wither and dissipate.

"Huh, little scumbag, you should prepare the source of heaven for me in advance, you will definitely lose this time."

Bing Ji gave Su Chen a cold look. Su Chen didn't know the rules of ice and snow at all. There is no way this idiot can save the ice lotus. Bing Ji is a sure bet this time.

"Bing Ji, I hope you are still so confident after a quarter of an hour."

Su Chen smiled at Bing Ji and looked at the Archangel. The

Archangel had undergone some changes at this moment.

Although the Archangel used to look like a human, her appearance and body were still different from humans.

Although the Archangel's body It is very soft, the skin is very white and delicate, and the face is very beautiful and cool.

But the archangel looks too fake, the archangel is like an intelligent program without flesh and blood.

The archangel's face is now softer A lot, and the white and attractive skin on the body is becoming more and more real. The archangel now looks like an angel with flesh and blood.

After Bing Ji saw the changes in the archangel, she said in surprise,

"Your humanoid life spirit treasure is not bad. After the archangel has been purified from the origin of the rules of the avenue, she is no different from an ordinary life form. Although the archangel's body has become flesh and blood in 5.2, her physical strength is comparable to the best innate spirit treasure."

Su Chen nodded and said,

"The archangel will be a real angel in the future, and it's time to give the archangel a name."

The archangel will be a truly living, thinking, and flesh-and-blood angel in the future.

Su Chen thinks that the archangel should also have a name, a nice angel name.

What is it called?

Bing Ji saw Su Chen looking at the archangel's face. Body, she sneered with a disdainful expression,

"Tsk, dirty lower race"

"Bing Ji, you, a Chaos Demon God, don't know the seven emotions and six desires of the human race at all. Whether it is the human race, other races, or even the Chaos Demon God, if you don't have the seven emotions and six desires, you are just like a puppet. What's the point of living like this?".

Chapter 2478

Su Chen didn't bother to say anything more to Bing Ji.

Bing Ji was just a self-righteous Chaos Demon God. It seemed that except for the Chaos Demon, she looked down on other races, even treating other races like ants.

The Chaos Demon God is the noblest, most powerful and terrifying existence in the great world of Chaos, but the Chaos Demon God is also the most cruel and intolerant of the existence of other Chaos Demon Gods.

Killing each other and plundering the origin is a common occurrence for the Chaos Demon God.

Bing Ji heard Su Chen's words and snorted sarcastically,

"Seven emotions and six desires? Huh, this is something that only the most inferior races can have. In the prehistoric fairyland, have you ever seen the powerful people in the prehistoric fairyland have seven emotions and six desires?"

Su Chen smiled and nodded and replied,

"have!"

Bing Ji stared at Su Chen with a cold face and said disdainfully,

"Lie, do you think I don't know the situation in the prehistoric fairyland? There are only a handful of powerful people in the prehistoric immortal world who have emotions and desires. For millions of years, that is, the demon emperor Jun has a Taoist companion. Little scumbag, have you seen other great powers in the prehistoric world have Taoist companions?"

"have!"

"who?"

Su Chen looked at the sexy and attractive Bing Ji and said with a smile,

"The only female saint in the prehistoric immortal world, no, now she is the only female Hunyuan Daluo Jin Fairy Nuwa Empress in the prehistoric immortal world. She has a Taoist companion, and the Six Paths of Reincarnation Pingxin Empress also has a Taoist companion."

"The Queen Mother of Heaven has Taoist companions, Chang Xi of Taiyin Star has Taoist companions, the Queen Mother of the West in West Kunlun also has Taoist companions, there are also the Three Holy Mothers and Three Xiao Empresses of Jiejiao, Taoist Cihang who expounds Taoism, and the current Guanyin Bodhisattva. Great minds all have Taoist companions."

These are the women Su Chen said were his future women, and he was not lying.

Nuwa and the girls in Yunxiao may not have had all the emotions and six desires before, but after they met him, these beautiful fairies, they thought they would not have all the seven emotions and six desires. Difficult.

Bing Ji shouted angrily when she heard Su Chen's words,

"You are talking nonsense, how can these quasi-sage strong men and holy realms have Taoist companions?"

"Believe it or not!"

"You are full of nonsense."

Bing Ji felt that Su Chen was making fun of her.

When she checked the Great Desolate Immortal World hundreds of thousands of years ago, none of the powerful experts in the Great Desolate Immortal World had heard of Taoist companions. Could this bastard be deceiving her about the Great Desolate Immortal World? Don't you know anything?

After Su Chen looked at the changing archangel, he reminded Bing Ji, who looked angry,

"Bingji, check out the strong women left in the ice and snow realm. They are all my women, including the Nuwa Empress of Hunyuan Daluo Jinxian."

"How can it be?"

Bing Ji looked at Su Chen in disbelief.

She had already discovered the few women left in the Ice and Snow Domain. Su Chen was also with those strong women before.

One Hunyuan Da Luo Jinxian, six Quasi-Saints , there is also a Daluo Jinxian, these powerful female figures in the ancient fairy world, are they really Su Chen's Taoist companions?

A scumbag Taiyi Jinxian, what ability does this little scumbag have to make these powerful women Admire?

Su Chen ignored the surprised Bing Ji. He looked at the beautiful archangel and wanted to give the archangel a name.

What is the name of the archangel?

Ice and Snow Domain?

Ice and Snow?

Angel Ruoxue?

Su Chen He touched his chin and asked Bing Ji,

"Bing Ji, what do you think of the archangel being called Angel Ruoxue from now on? Archangels evolved into flesh-and-blood angels in the ice and snow realm. Angel Ruoxue is not only a nice name, but it also commemorates the evolution of the archangel in the ice and snow realm."

Bing Ji frowned and said coldly,

"Angel Ruoxue? Why not call her Angel Ruobing? I think Angel Ruobing sounds great!"

"Angel Ruobing?"

Let me guess, is Bing Ji competing with Xue Ji?

In the Ice and Snow Domain, there is ice and snow.

Ice represents Bing Ji, and snow represents Snow Ji.

Su Chen named the archangel Angel Ruoxue, and Bing Ji I think the archangel is called Angel Ruobing.

Damn it, doesn't the Chaos Demon God have no emotions and six desires?

Doesn't Bing Ji have no emotions and six desires?

"Bingji, I think the name Angel Ruoxue sounds nice, so the archangel is called Angel Ruoxue."(To read cool novels, go to Feilu Novel Network!)

Bing Ji objected coldly,

"No, the archangel will be called Angel Ruobing from now on. Little Zhazha, don't forget that I agreed to the archangel absorbing the origin of the rules of the avenue. I have the final say on the archangel's name."

Bing Ji was very dissatisfied with Su Chen naming the archangel Angel Ruoxue,

Angel Ruoxue?

Why not call it Angel Ruobing?

Archangel evolved into an angel of flesh and blood because she agreed to absorb the origin of the rules of the avenue. It is equivalent to giving the archangel a flesh and blood body.

Why did this little scumbag take a piece of snow?

Snow represents Xue Ji, and

Xue Ji is an outsider here.

Bing Ji will not agree to the archangel being called Angel Ruoxue.

Su Chen rubbed He rubbed his forehead and said speechlessly, "Bing Ji, the archangel is my spiritual treasure!"

Bing Jimei glared at Su Chen and sneered disdainfully,

"Hey, the archangel is now a life of flesh and blood, and it is equivalent to the flesh and blood body that I gave to the archangel. From now on, the archangel will be called Angel Ruobing, little scumbag, if you dare to object, I will beat you up."

Let me go, is Bing Ji threatening herself?

Damn, does he still dare to persist?

Su Chen looked at Bing Ji's cold expression of imperativeness.

He shook his head and did not dare to object.

Su Chen He was worried that Bing Ji would take action against him.

Although Bing Ji would not kill him, but a grown man was beaten by a sexy and seductive beauty, Su Chen thought about it and temporarily gave in to Bing Ji's power.

"Okay, the archangel is called Angel Ruobing for now. If the archangel likes this name, then the archangel will be called Angel Ruobing from now on."

"Hum, the archangel will definitely like the name Angel Ruobing"

"Hope so!"

Su Chen curled his lips and glanced at Bing Ji,

(Okay) He was a little helpless towards Bing Ji.

Powerful women are really difficult to deal with.

Su Chen couldn't even decide what name he wanted to give his spirit treasure.

Damn it, he felt a little aggrieved just thinking about it.

Damn it. , he decided to make Bing Ji pay back a hundredfold in the future.

Su Chen shook the ice lotus in his hand and reminded Bing Ji,

"Bing Ji, it's been almost a quarter of an hour, and the ice lotus is still intact. Prepare to show off your delicate red lips."

"Huh? How can this be? Why didn't the ice lotus wither at all?"

After Bing Ji heard Su Chen's words, she almost forgot about her bet with Su Chen, but again,

Bing Ji saw that the Three Saints Ice Lotus in Su Chen's hand was still intact, which surprised her very much. The clock is coming.

Logically speaking, the ice lotus should begin to wither and dissipate. How can the ice lotus still be intact now?

"Little scumbag, did you cheat?".

Chapter 2479

Bing Ji looked at Su Chen in disbelief.

She guessed that the ice lotus must have been manipulated by Su Chen.

However,

Su Chen didn't know the rules of ice and snow.

How did this little scum prevent the ice lotus from withering and dissipating?

Bingji couldn't understand for a moment.

Su Chen smiled and looked at Bing Ji's sexy and attractive figure.

"Bing Ji, you have to admit defeat. I don't know the laws of ice and snow at all. Do you think I can do anything?"

Bing Ji pointed her white finger at Su Chen and cursed,

"Shameless, you must have used some kind of ability to prevent the ice lotus from withering and dissipating. This bet does not count."

Su Chen curled his lips and mocked,

"Hey, Bing Ji, I didn't expect that you are a Chaos Demon God who can't afford to lose. I just have the ability to prevent the Ice Lotus from withering and dissipating. This is also my ability. During the bet, you did not allow me to use my ability to prevent the Ice Lotus from fading away. Will not wither and dissipate"

"you.....I....."

Bing Ji was stunned for a moment.

She never mentioned that Su Chen would not be allowed to use other abilities.

Bing Ji originally thought that Su Chen didn't know the rules of ice and snow, and it was impossible for this little scumbag to have the ability to prevent the ice lotus from withering and dissipating, but Su Chen It can actually prevent the ice lotus from withering and dissipating.

This is beyond Bing Ji's expectation.

She is now in a difficult position and admits that she lost the bet?

Will she be humiliated by this bastard and refuse to admit that she lost the bet?

Bing Ji couldn't afford to lose face like this.

Su Chen saw the tangled Bing Ji.

He did not urge Bing Ji to fulfill the bet.

It was less than a quarter of an hour.

Su Chen had to wait until the quarter of an hour came before he would taste Bing Ji's sexy and attractive red lips.

At this time,

Xue Ji had an ugly expression on her face.

She had only refined more than thirty restrictions in the Demon Tower of Desire.

Xue Ji did not expect that Su Chen actually imprisoned five naked fairies in the Demon Tower of Desire..

The strength of these fairies is scum.

But five naked fairies were imprisoned in the Demonic Tower of Desire. Needless to say, this was all Su Chen's fault, and it was possible that these five fairies were the concubines imprisoned by Su Chen to vent his desires.

Shameless little bastard,

Xue Ji wanted to strangle Su Chen to death.

She looked at the five naked girls in the Demon Tower of Desire.

Xue Ji did not talk to them, and had no intention of letting the five girls out of the Demon Tower of Desire.

These are all existences like ants. Xue Ji doesn't care about their life or death at all. If it weren't for that shameless bastard Su Chen, she wouldn't even look at these women.

Xue Ji rubbed her forehead and thought,

Su Chen is a shameless pervert, and the five women in the Demon Tower of Desire will be kept. If this little bastard gets lusty in the future, the five women in the Demon Tower of Desire can let Su Chen vent his anger. , that shameless person will never touch her again.

Suddenly,

Xue Ji's face turned red.

She opened her eyes with surprise on her face.

Bing Ji was being violated.

How could this be possible?

Su Chen is the only scumbag here. Bingji's violation must have been caused by Su Chen, but why didn't Bingji resist?

Didn't Bing Ji want to kill Su Chen?

In this short period of time, why did Bing Ji let Su Chen violate her?

Xue Ji felt like she was breathing heavily at this moment.

She had been violated by Su Chen before.

Although it was Bing Ji who was being violated by Su Chen this time, it felt exactly the same as the violation of her.

In the ice and snow barrier not far from the Ice and Snow Lotus,

Bing Ji glared at Su Chen angrily.

This shameless bastard, (to read Baoshuang novels, go to Feilu Novel Network!)

Didn't he want a kiss?

Is this bastard not going to let go after kissing her? Moreover, the hand of this shameless bastard kept touching her. Bing Ji wanted to kill this shameless person.

Bingji couldn't help but push Su Chen away and cursed angrily,

"That's enough for you, you bastard. Damn it, little scumbag, do you want to die?"

"Enough, enough!"

Su Chen hurriedly took a few steps back and nodded.

He was almost lost just now.

Bing Ji's delicate red lips kissed Leng Bing Bing, but this feeling was very wonderful, and holding Bing Bing's soft, sexy and attractive figure, Su Chen Chen is even more reluctant to let go

"Little Zhazha, I will remember you this time."

Bing Ji wiped her mouth and glared at Su Chen angrily.

This shameless person, she is willing to admit defeat this time.

Bing Ji is a Chaos Demon God, and the pride of the Chaos Demon God will not let her go back on her word.

0 Please give me flowers , but this The bastard is so shameless and shameless. Bing Ji really underestimated Su Chen's shamelessness.

After Su Chen picked all the remaining ice lotus, he used space to move to Nuwa Empress.

"Nuwa, keep these ice lotuses first. When you return to heaven, you can distribute them to the Queen Mother and her daughters. You go out to the ice and snow area first. The ice and snow area will be destroyed in a while. Nothing will happen to me."

In the space prison,

Nuwa and her daughters saw twelve beautiful ice lotuses suddenly appearing. They heard Su Chen's voice again. Nuwa and her daughters knew that these ice lotuses were sent to them by Su Chen.

"These ice lotuses are so beautiful this time"

"Yes, and there is a trace of ice and snow law in the ice lotus. These are rare treasures."

"Su Chen asked us to go out first. Madam Nuwa, shall we leave?"

"Leave, Su Chen and the Chaos Demon God may have other things to do, and Su Chen said that the Ice and Snow Territory will be destroyed soon, and we can't help much if we stay here. We need to leave the Ice and Snow Territory first."

"Okay, let's wait outside the ice and snow territory for Su Chen to come back"

"Everyone left, and the space prison was opened by Su Chen. Let's leave the ice and snow area first."

After Nuwa and her daughters talked for a while, they all came out of the space prison and prepared to leave the ice and snow domain. The space passage of the ice and snow domain was not far from them.

Nuwa and her ladies looked at the depths of the ice and snow domain. They disappeared into the space passage one after another.

Deep in the ice and snow field,

Bing Ji clenched her fists tightly and stared fiercely at Su Chen.

This shameless person, this bastard, did not leave any of the twelve ice lotuses for her.

Bing Ji scolded Su Chen coldly, "Little Zhazha, you actually gave all my ice lotus to other women. Is the ice lotus your treasure? Do I agree with you giving it away?"

"Here, this is my gift to you."

Su Chen took out a jade bottle and handed it to Bing Ji.

He had already guessed that Bing Ji would be furious about Bing Lian. Su Chen also prepared a treasure to calm Bing Ji's anger.

A bottle of water of life,

Bing Ji must be I have never encountered such a treasure

"This is.....Such a strong breath of life, little Zhazha, what kind of treasure corpse is this?".

Chapter 2480

In the Northern Territory of the Wilderness, Nuwa and her daughters appeared outside the Ice Cave.

They shook their heads when they looked at the rain of blood falling from the sky in the Wilderness. The five great saints fell in the ice and snow field. The rain of blood in the Wilderness Immortal Realm may last for a month. Left and right, boom!

At this moment,

Empress Nuwa's cultivation level has also returned to the fifth level of the Holy Realm. Empress Nuwa feels very good after returning to the Holy Realm.

In the Ice and Snow Realm, she is a liability without the strength of the Holy Realm.

If it weren't for Su Chen,

Empress Nuwa and Yunxiao would have perished in the Ice and Snow Realm.

"I've seen Empress Nuwa!"

At this time, the surrounding great powers saw the appearance of Nuwa Empress and her daughters. They came one after another to salute Nuwa Empress.

Nuwa Empress waved to these powerful people and said,

"Zhen Yuanzi, the powerful people here should leave the Northern Territory as soon as possible. This small space will be destroyed soon."

"Yes, Empress Nuwa!"³⁰

After Zhen Yuanzi heard what Nuwa Empress said, he originally wanted to ask Su Chen why he didn't come out, but if the small space was to be destroyed, it would definitely explode with great power. If they stay here, they might be destroyed. It was affected.

Zhen Yuanzi and other powerful people quickly disappeared and left the Northern Territory. Nuwa, a powerful holy realm, was here, and they were not worried that something would happen to Emperor Su Chen.

Shang Yang hurriedly asked Bai Ze and Ji Meng next to him. He shouted, "Bai Ze, Ji Meng, let us demon clan stay far away from the Ice Cave.""

"Okay, we'll make arrangements right away."

Bai Ze nodded to Shang Yang.

He also knew that if the small space was destroyed, a terrifying atmosphere would definitely erupt here. The monsters staying nearby would definitely harm Chiyu. Bai Ze and Ji Meng disappeared quickly and wanted to evacuate all nearby monsters. clan.

Guanyin Bodhisattva asked Nuwa Empress in confusion,

"Will Empress Nuwa, Primordial Heavenly Dao and Hongjun Daozu discover this place?"

Empress Nuwa looked at the rain of blood falling in the air, she nodded and replied,

"Yes, Hongjun should appear soon. Maybe Hongjun has been observing here."

The Holy Mother of Jinling asked with her eyebrows raised.

"Watching here? Why didn't Taoist Hongjun come directly and enter the ice and snow realm?"

Nuwa Empress smiled and explained,

"The saints have not been resurrected by the way of heaven. After Hongjun saw the five great saints falling one after another, and he did not understand the situation of the ice and snow domain, he did not dare to enter the ice and snow domain rashly. After the saints were resurrected by the way of heaven, the prehistoric Tiandao and Hongjun Jun will come together."

The Queen Mother looked around and said,

"Well, it makes sense. It only takes a day or two to resurrect the saint. I hope Su Chen can come out of the ice and snow soon."

Yunxiao and Shang Yang all nodded.

They hope that Su Chen can come out before Tiandao and Hongjun arrive. The matter of the Chaos Demon God is of vital importance, and they don't want Su Chen to have too much interaction with the Chaos Demon God.

Ice and Snow Territory Here,

Bingji was very surprised when she took the jade bottle that Su Chen handed her.

The rich breath of life in the jade bottle is also very useful to the Chaos Demon God. Although the water of life is not as precious as the original source of heaven, she has this. With a bottle of water of life, Bing Ji's recovery will be faster.

Su Chen smiled and said to Bing Ji,

"Water of life, a top-quality cultivation resource, Bing Ji, this is worthy of your Ice Lotus."

Bing Ji looked at Su Chen and said coldly and proudly,

"Little Zhazha, one bottle is not enough. For my twelve ice lotuses, you must give me at least six bottles of water of life."

"You want to eat farts!"

Whoosh!"

"Little scumbag, can you tell me again?"

Bing Ji instantly appeared next to Su Chen. She pinched Su Chen's neck with one hand and threatened her coldly.

This damn bastard, eat farts?

Disgusting bastard.

Bing Ji now wants to squeeze this little scumbag to death.

"Woo woo...."

Su Chen quickly hugged Bing Ji's soft body and kissed her.

Bing Ji came to her door automatically. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen would not miss this opportunity, and neither did Bing Ji anyway. Maybe after killing him, Su Chen wanted to taste Bing Ji's delicate and tempting red lips again.

Bingji was stunned when Su Chen kissed her again.

When she reacted, she wanted to strangle this bastard to death, but she didn't dare to exert force on Su Chen's hand.

Her body is getting softer and softer, and the desire of inferior races makes her a little obsessed.

She has experienced this feeling many times recently, from the feeling that Xue Ji passed on to her more than a day ago, from being kissed by Su Chen before, and this time again Being forcibly kissed by Su Chen, Bing Ji's eyes were a little blurry at the moment.

"What are you doing?"

Xue Ji looked at Su Chen and Bing Ji in disbelief.

In just a quarter of an hour,

Su Chen and Bing Ji hugged each other and kissed twice in a row. Xue Ji didn't know what was going on with Bing Ji.

But Su Chen Hugging Bing Ji made her feel very bad, an indescribable disgusting feeling.

Su Chen hurriedly let go of Bing Ji and said to Xue Ji in embarrassment,

"Ahem, Xue Ji, has the refining of the Demonic Tower of Desire been completed?"

Xue Ji replied coldly,

"The refining is completed. With your permission, my refining of the Demonic Tower of Desire went very smoothly."

Bing Ji glared at Su Chen with anger on her face.

Xue Ji discovered the scene where she was kissed by Su Chen, which made Bing Ji hate Su Chen very much.

"That's fine. Xue

Ji glared at Su Chen and asked, "Little Zhazha, why don't you explain to me what happened just now?"

280 Su Chen touched his nose and said nonsense,

"Xue Ji, Bing Ji and I just couldn't help ourselves. The main reason is that Bing Ji and you look so similar. You are both sexy and attractive beauties. I have no self-control at all when facing you."

Boom!

Bingji's face was filled with embarrassment and she immediately knocked Su Chen away.

This shameless person couldn't help herself and him?

It was clearly Su Chen who had kissed her just now. Su Chen was a shameless and shameless bastard.

Xue Ji saw Su Chen Chen was knocked away by Bingji, and the corner of her mouth twitched.

Bingji was sending Su Chen flying?

More than a hundred miles away?

Was Bingji tickling Su Chen?

A hundred miles away,

Su Chen got out of an iceberg. When he came out, he patted Bingxue on his body and smiled.

Bing Ji, that sexy and seductive beauty, was going to be taken care of by him. There was no woman who couldn't be taken care of by one kiss. If it didn't work once, then two, three, or even countless times.

Bing Ji For a woman like Ji who is millions of years old, it is impossible for her to feel the feeling of being kissed in these millions of years.

Xue Ji looked at Bing Ji with a blushing face and asked doubtfully,

"Bing Ji, what happened to you and Su Chen in this short period of time?"

"A shameless bastard, what will happen between me and that little scumbag?".
