

Zongwu 2481

Chapter 2481

Bing Ji's cold face was a little blushing.

She didn't expect that Xue Ji would refine the Demonic Tower of Desire at this time. Su Chen's touching and touching her, and even holding her and kissing her, all of this made Xue Ji see clearly. Chu.

How was she going to explain to Xue Ji?

Were you forced?

Although this is true, will Xue Ji believe it?

Bing Ji said with an unnatural expression on her cold face,

"A shameless bastard, what will happen between me and that little scumbag?"

Xue Ji shook her head and said,

"Um? Bing Ji, you have changed!"

"I have changed?"

"You should understand in your heart."

Bing Ji glared at Xue Ji and mocked,

"Xue Ji, have I changed? Why didn't you say that you had changed? When I was about to blow that little scumbag away, you obviously wanted to stop me. You had feelings for that little scumbag like a lower race?"

Xue Ji was speechless when she heard Bing Ji's words.

She just wanted to save Su Chen. This was her instinctive reaction. Xue Ji did not expect to be discovered by Bing Ji.

Xue Ji hurriedly explained,

"No, I was worried that you accidentally killed that little scumbag. You should understand how important Su Chen is to us."

Bing Ji snorted coldly and said,

"Hum, of course I know, otherwise why didn't that little scumbag get hurt when I knocked him away?"

Xue Ji shook her head speechlessly.

More than a hundred miles? 927 is this Zhenfei?

Xue Ji felt that Bing Ji also had feelings for Su Chen.

Su Chen was really weird.

In a short period of time,

Su Chen How did that little bastard make Bing Ji undergo such a big change?

Xue Ji rubbed her forehead and said,

"Forget it, Bing Ji, I have completely refined the Demonic Tower of Desire. We can safely practice in the Demonic Tower of Desire in the future."

"Xue Ji, are you sure you have completely refined the Demonic Tower of Desire?"

"Of course, what? you do not believe me?"

Bingji thought about her previous bet loss to Su Chen. She felt that Su Chen was not simple at all.

That little scumbag was too weird.

Bingji was worried that Su Chen would leave some back-up in the Demon Tower of Desire.

She and Xue Ji enters the Demonic Tower of Desire, they will be controlled by (dad) Su Chen from now on, and even be humiliated by that shameless bastard.

"No, Su Chen is too weird. I'm worried that he will leave some tricks on the Demonic Tower of Desire. By then, when we enter the Demonic Tower of Desire, we will be completely controlled by that little scumbag."

Xue Ji nodded seriously when she heard Bing Ji's words,

"It is possible, Bingji, you and I can check the Demonic Tower of Desire together again, I hope that little scumbag didn't leave behind any back-up plans."

"good!"

At this moment,

Su Chen frowned and looked at Bing Ji and Xue Ji, two sexy and alluring beauties, and they looked exactly the same. If Su Chen hadn't been able to detect the auras of Bing Ji and Xue Ji, he wouldn't have been able to tell them apart. Who is Xue Ji and who is Bing Ji?

Su Chen touched his chin and guessed in a low voice, "What on earth are Bing Ji and Xue Ji talking about?" There was even a barrier set up?"

Su Chen did not go back to Bing Ji and Xue Ji.

He could not enter the barrier in the past.

Su Chen had to forcefully break the barrier and enter, but in this case, Bing Ji and Xue Ji would knock him away again.

At Sishui Pass,

Lu Ya and Kong Xuan looked at the rain of blood falling in the sky. They were very confused.

The heavens shook five times in a row. This meant that five saints had fallen in the prehistoric immortal world. Five great saints had fallen in one day. This They were all very surprised

"Kong Xuan, what do you think?" (To read exciting novels, go to Feilu Novel Network!)

"Needless to say, Nuwa and the Queen Mother went to the Northern Territory one after another. That idiot Su Chen must be in the Northern Territory. I guess the fall of the five saints has something to do with Su Chen."

"Well, I also think that the fall of the five saints has something to do with Su Chen, but I don't understand, what ability does that idiot Su Chen have to make the five saints fall one after another?"

"Su Chen must have tricked the five great saints. That stupid bird is too insidious, too despicable, and too bold. There is nothing in the ancient world that that stupid bird dare not do."

"Damn it, Kong Xuan, we may never get off Su Chen's pirate ship in our lifetime."

"Get off the pirate ship? I can't even imagine that if we leave Sishui Pass now, do you believe that the Queen Mother and those women will hunt us down, and even Nuwa will crush us to death with one hand?"

Lu Ya and Kong Xuan stood on the wall of Sishui Pass and talked for a while. They were very helpless.

This time the five saints fell.

They guessed that Su Chen had sinned against the five saints.

Su Chen had already offended the Sanqing. Saints, the five saints fell one after another this time, which means that Su Chen also offended Jieyin and Zhunti. Lu Ya and Kong Xuan felt chilled in their hearts when they thought about it.

A little scum actually caused the fall of the five saints. They They are not very optimistic about their future fate.

The Western Zhou Dynasty now has the support of the three sects of saints.

It may not be long before the saint sects in the prehistoric immortal world will support the Western Zhou Dynasty.

Among the armies of the Western Zhou Dynasty,

Zhao Gongming, Guangchengzi, and Xuandu are the three representatives They are leaders of the three major sects and are the leaders of the three major sects in helping the Western Zhou Dynasty.

But at this moment,

Zhao Gongming and the three of them all have serious faces. The five saints have fallen one after another.

They don't know what major event has happened.

The Western Zhou Dynasty was originally going to attack Sishui Pass.

But they did not dare to attack rashly at this moment. There were already powerful Lu Ya and Kong Xuan in Sishui Pass, and all the people in their three religions combined could not be their opponents. At this moment, their teachers fell one after another, and

Zhao Gongming The three of them did not dare to start a war easily until they understood what happened.

Guangchengzi asked with a frown,

"Xuandu, should we ask our respective teachers?"

Xuandu rolled his eyes at Guangchengzi and shouted,

"Guangchengzi, are you an idiot?"

"Our respective teachers have just died. One day later, the teachers will be resurrected by the prehistoric heaven. However, our respective teachersThe teacher will definitely be very angry after being resurrected. Are we going to be scolded?"

Zhao Gongming rubbed his forehead and said,"Let's wait. Our respective teachers will notify us if something happens. Guangchengzi asked doubtfully,

"Did the Emperor Su Chen trick our respective teachers this time?"

Zhao Gongming nodded and said seriously,

"It is possible that empress Nuwa and the queen mother and other powerful people went to the ancient northern region. This must be for the emperor Su Chen. Not long after our respective teachers went there, the saints fell one after another. This must be for the emperor su chen. our respective teachers."

Xuandu sighed and said,

"Alas, Emperor Su Chen is too weird. I have no hope of helping the Western Zhou Dynasty fight against the Great Shang."

Chapter 2482

In the ice and snow field,

Bing Ji's face was a little ugly at the moment.

When she and Xue Ji were checking the Magic Tower of Desire,

Bing Ji also discovered five naked female fairies. She did not expect that Su Chen also imprisoned five charming female fairies. , and was still imprisoned naked.

Bing Ji asked Xue Ji with a cold face, "Xue Ji, have you discovered the five creatures in the Demon Tower of Desire?"

Xue Ji rolled her eyes at Bing Ji and said,

"How could I not realize that the five women in the Tower of Desire are all scum, and I ignored them?"

"You have no intention of letting them out?"

Bing Ji looked at Xue Ji in confusion.

Xue Ji actually discovered the five girls in the Demon Tower of Desire.

Why didn't she let them go?

Even if Xue Ji didn't want to let go of the five girls in the Demon Tower of Desire, why didn't Xue Ji kill them? they?

""Ninety-seven" Xue Ji rubbed her forehead and said speechlessly,

"Bingji, are you stupid? Su Chen is a shameless pervert. There are these five fairies in the Demon Tower of Desire. If Su Chen has desires, that shameless man can also vent his anger on these women. Do you want Su Chen to do anything to us in the future? ?"

"Um? Xue Ji, what you said makes sense. When did you start thinking about that little scumbag?"

Bing Ji is even more confused about Xue Ji.

The Demonic Tower of Desire has been controlled by Xue Ji. Su Chen just has some lust. Does that little scum dare to force them?

Ugh!

That little scum really dares,

Bing Ji thought of Su Chen forcing her to hold her and kiss her, and she felt very helpless.

Bing Ji could stab that little scumbag to death with one finger. How could she not have murderous intentions towards Su Chen at that time? Bing Ji felt that she too The lust of inferior races aroused.

Xue Ji said in a panic,

"I'm too lazy to talk to you. Let's check whether the Demon Tower of Desire has been tampered with by Su Chen."

"All right!"

Bing Ji nodded and hurriedly checked the Demonic Tower of Desire.

She didn't see Xue Ji's panic.

Bing Ji was also a little flustered at the moment.

She was worried that if Su Chen still forced her, Bing Ji didn't know how to deal with that little scumbag Su Chen. Scum.

A day later,

Bing Ji and Xue Ji sat on the Ice and Snow Lotus and looked at the Archangel. They checked for a day and found that there was no problem with the Demon Tower of Desire. Xue Ji and Bing Ji were also completely relieved.

Xue Ji checked the Archangel. After the angel changed, she asked Bing Ji doubtfully,

"Bingji, you said the archangel is called Angel Ruobing? Or is it the name you gave the archangel?"

Bing Ji replied with a smile on her lips,

"Yes, Su Chen gave the archangel the name Angel Ruoxue. I didn't think it sounded good, so I forced Su Chen to name the archangel Angel Ruobing."

"Angel Ruoxue? This name sounds very nice, Bing Ji, why don't you agree?"

After Xue Ji, Angel Bing Ji's words, her face turned cold,

Angel Ruoxue?

Snow?

Doesn't this represent her?

Su Chen named the archangel with the word "snow" in it. Xue Ji felt a little happy, but Bing Ji She even threatened Su Chen to change her name. She couldn't stand Bing Ji's actions.

"There is no word for ice, so of course I don't agree."

Bing Ji saw that Xue Ji's face turned cold, and she felt a little happy.

Bing Ji told Xue Ji this matter deliberately.

Xue Ji seemed to be more and more concerned about Su Chen, and she seemed to have feelings for Su Chen. Bing Ji wanted to let Xue Ji know that Su Chen was being manipulated by her and that Su Chen was obeying her words.

Xue Ji glared at Bing Ji and shouted, "You..., Bing Ji, the archangel must be called Angel Ruoxue"

"Xue Ji, it's too late. The name of the archangel has been decided."

"Hum, I will ask Su Chen to change the archangel's name to Angel Ruoxue. This will be the archangel's name from now on."

"Impossible. If Su Chen dares to change the name of the Archangel, I will crush that little scumbag to death." (To read exciting novels, go to Feilu Novel Network!)

"you....."

Xue Ji was stunned for a moment.

She didn't think that Bing Ji was having trouble with her over the same name. Are they still sisters who have been together for millions of years?

Crushing Su Chen to death?

Xue Ji will not let Bing Ji do this,

Angel Ruobing?

Xue Ji became very angry when she thought of this name. boom!

At this time, a powerful aura suddenly erupted from the archangel, and a golden light enveloped the archangel.

Bing Ji looked at the archangel and said in surprise,

"Will the archangel be promoted to the innate treasure so soon? Angel Ruobing's potential is really huge...0"

Xue Ji nodded and said,

"Well, Archangel is a spiritual treasure with life and flesh and blood, and she has greater potential than other spiritual treasures."

Xue Ji's eyes lit up when she looked at the archangel.

She didn't have a spiritual treasure in her hand.

The ice and snow lotus would be controlled by Bing Ji within a million years. Xue Ji wanted to get the archangel from Su Chen.

The archangel is not only a A powerful innate treasure of time and space, and it is also a spiritual treasure with flesh and blood and life.

Apart from Xue Ji being dissatisfied with the name of the archangel,

Xue Ji is very satisfied with other aspects.

Whoosh!

Su Chen suddenly appeared between Bing Ji and Xue Ji Around him, after he discovered the changes in the Archangel, Su Chen was worried that something would happen to the Archangel, so he broke through the barrier and came to check on the Archangel.

Bingji saw Su Chen coming to check on the Archangel, and she reminded Su Chen ,

"Don't worry, little scumbag, Angel Ruobing is advancing, she will be an innate treasure in the future, you are really lucky this time."

Su Chen said with a smile on his face,

"Yes, Archangel will be an innate treasure in the future, which is very good."

Su Chen didn't expect that the archangel would be promoted in a short period of time.

The archangel was previously a top-quality innate spiritual treasure, and after being promoted, it will become an innate treasure.

Su Chen originally used the precious origin of heaven and the stone of life, as well as the Refined from the best materials, Archangel is already very close to the level of innate treasure.

This time Archangel absorbed the origin of the rules of the avenue, and it is natural that she can quickly advance to the level of innate treasure.

Xue Ji's expression reminded seriously,

"Little Zhazha, after the Archangel is successfully promoted, the Ice and Snow Realm will be destroyed immediately. Bing Ji and I will also enter the Demon Tower of Desire. The Primeval Tiandao and Hongjun are about to arrive, and we have no time."

Su Chen nodded in agreement,

"One day has passed. The saints in the prehistoric fairy world should be resurrected soon, and the ice and snow realm should be destroyed. Nothing here should be discovered by that old treacherous Hongjun."

After Bing Ji glanced at Xue Ji, she touched the ice and snow lotus and said,

"Get ready, once the archangel is promoted successfully, I will use the ice and snow lotus to detonate the ice and snow field."

Chapter 2483

Su Chen, Xue Ji, and Bing Ji all know that time is running out.

After the saints are resurrected by the Great Desolate Heaven, the Ice and Snow Territory will be exposed, and the Great Desolate Heaven and Hongjun will quickly descend on the Ice and Snow Territory.

Bing Ji and Xue Ji cannot appear in the eyes of the Great Desolate Heaven and Hongjun.

The Chaos Demon God and the Great Desolate Heaven will not allow the Chaos Demon God to appear in the Great Desolate Immortal World.

If Hongjun discovers Bing Ji and Xue Ji, he will definitely kill them and seize Chaos. The origin of the devil

"Bing Ji, if you detonate the ice and snow domain, how long will it take?"

Su Chen suddenly thought that Bing Ji would detonate the Ice and Snow Realm.

After a while, after the Archangel promotion was successful,

Xue Ji and Bing Ji would enter the Demonic Tower of Desire.

If Bing Ji detonated the Ice and Snow Realm, would it be an instant? Or would there be a little interval? What time?

Bing Ji looked at Su Chen coldly and replied,

"A moment!"

Su Chen shouted after hearing Bing Ji's words,

"Holy shit, just a moment? So how do I escape? Bing Ji, you won't kill me too, right?"

Su Chen was a little confused at this moment.

For a moment?

How can he escape from the Ice and Snow Realm?

Well, although the Ice and Snow Realm is a small space, the power of destruction in the Ice and Snow Realm will definitely not be small.

Su Chen has the innate treasure Chaos Bell and Archangel, but a small space with the rules of the avenue is going to be destroyed. Even if Su Chen has two powerful innate treasures, he will be seriously injured even if he is not killed by the explosion.

Bing Ji saw Su Chen's surprised look, and she felt She was a little happy.

Bing Ji wanted to scare this shameless bastard and detonate the ice and snow area.

Bing Ji would definitely give Su Chen time to escape. She and Xue Ji still had to stay in Su Chen's Demonic Tower of Desire. How could Bing Ji do that? Kill this shameless person.

Bing Ji gave Su Chen a cold expression and said,

"What do you think?"

Su Chen suddenly hugged Bing Ji's soft waist and smiled,

"I don't think you can, Bing Ji, you are so sexy and charming, and so cold and beautiful, how could you let me die?."

Bingji's body trembled when Su Chen hugged her.

This shameless pervert, she didn't expect that Su Chen would become more and more bold.

However,

Bingji didn't even think of killing this bastard, and even shocked Su Chen's body. No idea.

Bing Ji was very flustered.

She felt that her resistance to Su Chen was getting weaker and weaker, and she even felt like being held in Su Chen's arms.

Bing Ji noticed that Xue Ji was watching her being held by Su Chen with wide eyes.

She hurriedly threatened Su Chen coldly,

"Little scumbag, do you want to die? Let me go quickly."

Su Chen hurriedly let go of Bing Ji and coughed, "Cough, cough, I can't help it, I can't help it."

"Shameless pervert!"

Bing Ji clenched her fists tightly and stared at Su Chen.

She found that Su Chen was too shameless and shameless.

For this shameless person,

Bing Ji would find a way to make Su Chen honest in the future.

Su Chen appeared in Xue again. Next to Ji, he held Xue Ji tightly in his arms and said,

"Mrs. Xue Ji, your water snake waist is still soft!"

"Shameless!"

Xue Ji rolled her eyes at Su Chen and leaned into his arms. She felt good.

She felt very at ease in Su Chen's arms. She didn't have to think about any troubles or worry about what she would face in the future. The emotions of inferior races It's really special.

Xue Ji was a little obsessed in the Demon Tower of Desire, especially when she was held by Su Chen, she felt very relaxed, and her cultivation level actually increased.

Xue Ji doesn't reject Su now. Chen hugged her, especially Su Chen who hugged Bing Ji just now. Xue Ji was very angry and even wanted to beat this shameless person to death.

Su Chen stroked Xue Ji's attractive waist and smiled. Ji no longer rejects him. (To read Baoshuang novels, go to Feilu Novel Network!)

This is a good sign.

He has obtained a beautiful and alluring Chaos Demon God.

However,

Su Chen thinks about facing Xue Ji and Bing in the future. Ji, these are two powerful Chaos Demon Gods.

His face is a little pale.

He can't bear the sexy and alluring Xue Ji. What about the beautiful and alluring Bing Ji?

Su Chen thinks that he might be able to do it in the future. It would be tragic.

Bing Ji stared coldly at Su Chen and Xue Ji, a pair of bastards.

She did not expect that Xue Ji would let Su Chen hold her, and even that bastard's hands would not be honest enough to touch her.

Bing Ji at this moment She was very angry and ashamed, and she felt the same as Xue Ji at this moment.

Boom!

Whoosh!

The archangel suddenly burst out with a powerful aura. She stood up from the ice lotus and appeared next to Su Chen in an instant. At this moment, The archangel is a real angel, a stunning beauty who is more than ten meters tall and is stunning in the country.

The archangel has a beautiful and cold face, seductive red lips, a huge and proudly standing mountain, a perfect figure with bulging front and back, four pieces The silver wings turned into two pairs of white wings at this moment.

This was a giant-like beauty, no, a stunningly beautiful and alluring angel.

The archangel bent down and saluted Su Chen,

"Master, I have advanced to the level of the innate treasure, and my life level has become even more perfect."

Come on!

Su Chen saw the white mountain exposed by the archangel when he bent down, no, it was a giant white mountain.

His heart beat violently.

Damn, this is really bigger than a blue ball.

Su Chen At this moment, he felt a little confused and confused. He felt that the archangel's mountain could really suffocate him to death.

After Su Chen nodded to the archangel, he said to the archangel,

"Archangel, I gave you a name, Angel Ruoxue or Angel Ruobing. Which of these two names do you like?"

The archangel replied without thinking,

"Angel Ruoxue, master, I like this name"

"Okay, from now on you will be called Angel Ruoxue!"

After Su Chen looked at Bing Ji, who had a cold face, he decided on the future name of the Archangel.

This is the Archangel's own choice. Even if Bing Ji wants to object, she has no reason to object.

Su Chen quickly said to Bing Ji and Xue Ji, "Bing Ji, prepare to detonate Bing Xue Ji. Xue Ji, you first enter the Demonic Tower of Desire.""

"Humph, be careful I'll blow you up"

"Well, I'll enter the Demonic Tower of Desire first. After Bing

Ji and Xue Ji nodded to Su Chen,

Bing Ji waved back the half-step Chaos Spiritual Treasure Ice and Snow Lotus, and Xue Ji instantly entered the Demonic Tower of Desire.

Su Chen saw Xue Ji entering the Demonic Desire Tower. After entering the tower, he recalled the Demonic Tower of Desire and reminded Bing Ji,

"Xue Ji, give me three breaths to escape."

Bing Ji replied coldly,

"One breath!"

"Damn it, one breath is enough, three breaths, I need three breaths to escape from the ice and snow area"

"Let me tell you.....woo woo woo woo!"

Chapter 2484

After Bingji was kissed by Su Chen this time, she didn't struggle anymore.

Xueji had already entered the Demonic Tower of Desire. The archangel was just a humanoid spiritual treasure. Bingxueji didn't care that the archangel was watching beside her. She was also tightly at this moment. He hugged Su Chen's waist.

Su Chen didn't expect Bing Ji to actually respond to him.

Although time was urgent at this moment, he couldn't eat Bing Ji here, but he could enjoy Bing Ji's sexy red lips, and Su Chen wouldn't let it go. this opportunity.

After a while,

Bingji felt Su Chen's claws stroking her body, and she hurriedly grabbed Su Chen's hand in shame.

This shameless person,

Bing Ji did not expect that not long ago she wanted to kill this bastard, but more than a day later, she would fall into Su Chen's hands.

Bing Ji felt helpless and very happy at the moment. She has never experienced such a feeling in millions of years. No wonder Xue Ji has feelings for Su Chen as a low-grade race. Bing Ji also has feelings for a low-grade race. She even cannot help but want to integrate her into Su Chen. in the body. Su Chen let go of Bing Ji who was kissing her and said,

"Bing Ji, let's do business first. I will go to the Demon Tower of Desire to find you later."

"Well, Sanxi, you have to escape from the ice and snow area as soon as possible!"

"Three breaths is enough." boom!

"Su Chen, leave quickly!"

Bing Ji took the ice lotus and tapped it gently. After the ice and snow lotus faced the core of the ice and snow domain, it emitted a terrifying blue light. After reminding Su Chen, she instantly entered the Demonic Tower of Desire.

"Angel Ruoxue, hurry up, let's leave the ice and snow area!"

"Yes, master!"

As soon as Su Chen appeared on Angel Ruoxue's shoulder, Angel Ruoxue activated the law of space and disappeared.

Boom boom boom.....

At the core of the ice and snow domain, terrifying loud noises continued to erupt, and the entire ice and snow domain shook even more violently.

The iceberg collapsed, the earth shattered, and the falling snowflakes were fixed in the sky. The white ice and snow field was now gray, and huge cracks continued to open in the sky.

Whoosh!

"Nuwa, Queen Mother, why are you still here? Leave quickly, the ice and snow realm will be destroyed."

Su Chen and the Archangel just appeared outside the Ice Cave. He found that Nuwa and the other girls were at the entrance of the cave. Su Chen hurriedly waved and took Nuwa and the girls to escape from here quickly.

Nuwa and the girls saw Su Chen They were so happy that they came out safely.

Before they could speak, Su Chen used the law of space to take them and disappear quickly.

Boom boom boom.....

Three breaths later, violent vibrations erupted in the Northern Territory, and the huge sounds shook the entire Immortal World.

In the Northern Territory of the Prehistoric Immortal Realm, countless icebergs have collapsed, countless rivers have been cut off, and forest trees have turned into nothing. The Northern Territory, which has been covered with snow all year round, is also melting rapidly at this moment. The land in the Northern Territory has changed from millions of years ago. It was exposed for the first time in the covering of snow.

In the prehistoric Northern Territory, millions of monsters are very frightened at this moment.

They are now more than 100,000 miles away from the Ice and Snow Territory, but the terrifying aura keeps knocking some little monsters to the ground, and some little monsters with low strength are shocked. Vomiting blood.

Fifty thousand miles away,

Su Chen appeared in the air with Nuwa and the other girls.

They looked at the catastrophic destruction of an area in the Northern Territory. They were all very shocked.

One-third of the prehistoric northern region was destroyed.

This is not considered destruction.

The mountains and ground in one-third of the prehistoric northern region reappeared. An area covered with snow all year round no longer has snow, and no longer has a thick layer of snow. of ice. swish swish.....(To read Baoshuang novels, go to Feilu Novel Network!)

Suddenly,

Hongjun appeared next to Su Chen with the five great saints. Above the nine heavens, the ancient heaven appeared in the sky, and the eyes of heaven were constantly inspecting the northern region of the ancient world.

Hongjun asked Su Chen with a serious face, "Emperor Su Chen, what happened?"

Su Chen sat on the archangel's shoulders, shook his head and replied,

"I don't know, the previous small space suddenly became unstable, and those of us hurriedly escaped when the space was broken. What exactly happened requires you saints to check it out."

Hongjun and the five great saints all glared at Su Chen with dark faces.

They didn't believe every word Su Chen said. Su Chen must know what happened. It's even possible that this violent shock was also caused by Su Chen. What he did.

The sage Laozi asked Su Chen,

"Emperor Su Chen, what exactly is there in a small space? Who are you talking to in the small space?"

Other saints also looked at Su Chen.

The great masters of Zhen Yuanzi were able to escape from the small space. This was because Su Chen had reached an agreement with the creatures in the small space. Only then did the creatures in the small space let go of the great masters of Zhen Yuanzi. Yes.

0 Request for flowers. The creatures in the small space must not be from the ancient fairy world. The small space may be fragments of chaos. Several of their saints guessed that the terrifying creature may be the Chaos Demon God.

Su Chen stroked the white neck of the archangel and said,

"A consciousness, I don't know exactly what it is."

Prepared to shout to Su Chen with an ugly face, "A consciousness? Emperor Su Chen, are you deceiving us saints?"

Boom!

Empress Nuwa burst out with a terrifying aura and threatened Zhunti,

"Zhunti, if you want to die again, I don't mind destroying you again."

"Nuwa, I just want to ask, I have no other meaning."

Zhunti twitched the corner of her mouth and hurriedly explained that

Nuwa is the fifth heaven of the holy realm, and he is only a saint of the second heaven.

It would be easy for Nuwa to kill him, but I am a powerful man and he is a saint. In the fourth level of the realm, unless Daozu Hongjun takes action, none of the five saints can be the opponent of Empress Nuwa.

I and several saints in Tongtian are also very helpless.

Empress Nuwa's holy realm is stronger than them. Empress Nuwa is against Su Chen They were very concerned and even obeyed. The five saints now did not even dare to question Su Chen.

I clasped my fists at Su Chen and asked,

"Emperor Su Chen, the five of us all died once in a small space. We just want to know who are the creatures in the small space?"

Su Chen rubbed his forehead and said nonsense,

"Lao Tzu, I have said before that there is only one consciousness in a small space. Don't you, the five great saints, think about it?"

"If there are creatures, even Chaos Demon Saints, in a small space, will your holy realm be suppressed in the small space? Do powerful creatures, even powerful Chaos Demon Gods, have this ability?"

When the five of them heard Su Chen's words, they all started to think. When they entered the small space, they were suppressed in the quasi-sage realm.

Rules of heaven?

Is there a conscious rule of heaven in the small space?

Hongjun looked at the archangel and asked Su Chen road,

"Emperor Su Chen, I didn't expect that you also have a living humanoid spiritual treasure, and it is also an innate treasure."

"Lao Yin.....Ahem, Hongjun, you are already old, please stop paying attention to my archangel. The archangel is my guardian angel and"

Chapter 2485

Su Chen held the archangel's white neck and was wary of Hongjun. He felt that Hongjun's eyes were impure.

The archangel is an innate treasure, or a living innate treasure.

Su Chen is worried that Hongjun will attract the attention of the archangel.

Hongjun's face turned dark when he heard Su Chen's words.

He didn't expect that Su Chen would say this.

This shameless bastard, wants to attract the Archangel's attention?

Although the archangel is very beautiful, he has no lust at all.

Hongjun is a Taoist and a Chaos Demon God. How could he be lustful?

Hongjun found that several saints from Tongtian next to him were looking at him, even looking at him with strange eyes. At this moment, he wanted to kill Su Chen.

Hongjun said to Su Chen with a dark face, "Emperor Su Chen, I'm just curious about how your archangel can be alive?"

After Tongtian and the five great saints of Yuanshi heard Hongjun's words, they all looked at the archangel.

Is an innate treasure alive?

This is indeed unbelievable.

It is said that innate spiritual treasures can think. It is also true that some innate spiritual treasures can even transform. However, an innate treasure actually has life, and it still looks like an innate Taoist body. , which surprised them all.

Empress Nuwa and the Queen Mother knew about the existence of the Archangel, but now the Archangel was more like a living being, a beautiful and beautiful creature. They were looking at Su Chen with unkind eyes.

The Archangel is an innate treasure and a beautiful woman in the form of a beautiful woman.

The girls thought of Su Chen's shameless lust. Is the archangel Su Chen's spiritual treasure or a woman?

Nuwa, Empress and others all had speculations in their minds.

Su Chen sat on the archangel's shoulder and waved his hands, "Don't ask, you just don't know."

Su Chen noticed the looks on the faces of the five great saints of Tongtian and the Queen Mother.

He didn't pay attention to them.

The incident in the Ice Cave was over. Ji and Xue Ji were taken into the Demonic Tower of Desire by him. Su Chen did not want to stay here anymore. If Tiandao was not still checking the Ice Cave, Su Chen would have left the Northern Territory long ago.

I asked with a serious face, "Emperor Su Chen, has the consciousness in the small space died? Or has it left?"

Seeing that Su Chen was unwilling to talk about the archangel,

I didn't want to continue asking. Although angels are alive, it has nothing to do with them saints. I want to know where the consciousness of the five saints who destroyed them is.

The four saints, Tongtian and Jieyin, all looked at Su Chen. Whether it was a creature or a consciousness in the small space, they all wanted to know where that creature or consciousness was now.

Hongjun looked at the destroyed Ice Cave and frowned.

He did not sense the aura of any living beings.

There was no space fluctuation within a thousand miles around the Ice Cave.

The Great God of Heaven was still checking the dilapidated Ice Cave. If there was any The prehistoric Heavenly Dao will definitely discover the breath of life and even some consciousness.

Hongjun regretted not coming over earlier to check. He felt that there was something secret in the Ice Cave. consciousness?

Rules of heaven?

This is possible, but since Su Chen appeared here,

Hongjun felt that Su Chen could not appear in the Ice Cave for no reason.

Hongjun thought that Su Chen knew many secrets of the ancient times, and he guessed that Su Chen must be in the Ice Cave. Whatever he obtained, it is possible that the innate treasure Archangel was obtained by Su Chen in the Ice Cave.

Su Chen curled his lips and shook his head, "I don't know. This needs to be checked by you saints and Heavenly Dao." "

"How could you not know?"

Yuan Shi looked at Su Chen with a face of disbelief. (To read Baoshuang novels, go to Feilu Novel Network!)

Su Chen is too weird.

The Northern Territory of the Ancient Times is a barren land.

Since Su Chen appeared in the Northern Territory of the Ancient Times, Yuan Shi guessed Su Chen must know the secrets in the small space.

Su Chen pointed at himself and shouted, "I guess, I am just a little scumbag. Even you saints can't find it out. Do you think I, a Taiyi Golden Immortal, can find it out?" ?"

Tongtian said expressionlessly,

"Emperor Su Chen, if you can leave the small space alive, you must know where that creature or consciousness is."

Tongtian thought that the five saints were killed once this time, but Su Chen, Nuwa and the others were unscathed.

He felt that Su Chen must know the situation in the small space, and it was even possible that Su Chen deliberately trapped and killed the five saints. After all, The five great saints will fight against Su Chen's big merchant in the future.

Su Chen stared at Tongtian and yelled,

"Damn, Tongtian, I can live in a small space because I know the laws of space. Otherwise, I would have been discovered and killed. How do I know where the consciousness in the small space has gone?"

"I don't believe it, Emperor Su Chen, you must know the secrets in the small space, otherwise you wouldn't appear in this inhospitable area of the Northern Territory."

"Shit, I just came to find Bai Ze from the demon clan. I have never even heard of the Ice Cave House before. Hongjun reminded Su Chen indifferently, "Emperor Su Chen, the Great Desolate Heaven is still checking here. If you deceive the Great Desolate Heaven, you should know what will happen.""

After Su Chen looked at the Eye of Heaven above the nine heavens, he said to Hongjun and the five great saints of Tongtian,

"I'm too lazy to pay attention to you. If I say I don't know, I just don't know. The Great Desolate Heaven is selfless. I didn't deceive the Great Desolate Heaven. Do you think the Great Desolate Heaven will attack me?"

Su Chen waved to Nuwa Empress and the girls, and he left here with Nuwa Empress and the girls. As for Hongjun and the five great saints of Tongtian, they will all be enemies in the future anyway, and Su Chen is not willing to talk nonsense with them.

"what to do?"

"Su Chen must know the secrets in the small space, but if Su Chen doesn't tell us, there's nothing we can do about it"

"Yes, Su Chen is too weird. Either we, the five great saints, cannot take action against Su Chen within a hundred years, or we have to protect Su Chen for a hundred years. There is nothing we can do against Su Chen."

"Su Chen knows too many secrets about the prehistoric times. We should not fall out with Su Chen unless we have to.

"Forget it this time, we have to be careful about that bastard next time. I don't want to be tricked by that bastard again."

After Yuanshi talked with the five great saints, they disappeared one after another in the Northern Territory.

As for Hongjun, they didn't pay attention at all.

Yuanshi and the five great saints learned from the secrets Su Chen told them. He was very wary of Hongjun.

Hongjun didn't care when he saw the five saints leaving. As long as the five puppets,

Tongtian and the five saints of Yuanshi did not extract the Hongmeng purple energy, they would always be under his control. Hongjun did not believe that the five saints would He had the courage to draw out the Hongmeng Purple Qi.

Hongjun looked at the ancient Heavenly Dao and continued to inspect the ruins. He frowned and continued to inspect. To be able to kill the five great saints, there must be something special here, consciousness

?

The rules of Heavenly Dao?

Hongjun Jun also wanted to find some clues.

In the sky above the demon army, the Queen Mother saw Su Chen hugging the archangel's neck and kissing the archangel at every turn.

The Queen Mother yelled and cursed with a black face,

"Su Chen, you shameless person, you actually did something to your spiritual treasure."

Chapter 2486

When Empress Nuwa and the girls in Yunxiao heard the Queen Mother's shouts and curses, they also hated Su Chen.

They looked at Su Chen sitting on the archangel's shoulders.

This bastard not only hugged the archangel's white neck, but also kissed the archangel's pink face. The Nuwa Empress could not wait to pull Su Chen down and beat him hard. pause

"Well!"

Su Chen saw Nuwa and the other girls staring at him.

He touched his nose awkwardly.

Su Chen couldn't help but kiss the archangel.

The archangel was now very attractive, with a delicate and beautiful face, and fair skin. Skin, delicate red lips, proudly erect mountains, Su Chen can see the beauty of white flowers just by lowering his head.

"Shameless bastard, get off the archangel's shoulders quickly."

When the Queen Mother saw Su Chen looking down at the huge mountain of Archangel, her face turned black and she wanted to crush this shameless person to death.

"Ahem, Queen Mother, Angel Ruoxue is mine...-...I'll do it!"

Su Chen was about to explain to the Queen Mother, but before he could finish his words, he was kissed by the Archangel's delicate red lips.

Oh my god!

Was the Archangel kissing himself?

Or was he going to eat him?

However,

Su Chen felt very The flaming red lips of the Archangel were very soft and delicate, and a fragrance constantly stimulated Su Chen.

The Queen Mother and Nuwa Empress looked surprised and even unbelievable at this moment.

The Archangel was over ten meters tall. , the archangel's mouth can swallow Su Chen in one bite, but what is happening now?

The archangel is actually kissing Su Chen?

Yun Xiao asked the girls with a dark face,

"What's happening here?"

"shameless."

Nuwa Empress was angry and hurriedly waved her hands to set up a barrier.

She was helpless towards Su Chen.

The archangel kissed Su Chen.

Nuwa Empress guessed that it must be Su Chen's order to the archangel.

There was life and flesh and blood. Archangel, archangel is just a blank piece of paper.

Without Su Chen's order, how could the archangel do such an outrageous thing in public?

The Virgin Mary of Jinling and the Queen Mother of the West all stared at Su Chen in shame and anger. They were facing Su Chen at this moment. Su Chen had a new understanding of his shamelessness, and this shameless pervert also made them very helpless.

Whoosh!

Suddenly, the white wings of the archangel vibrated, and the archangel and Su Chen disappeared in front of the girls.

Empress Nuwa He and Yunxiao and the other girls looked at each other with dark faces. They all sensed the fluctuations in the space next to them.

Space prison!

Archangel and Su Chen were in the space prison next to them. The girls had nothing to do at this time. They Although they sensed the spatial prison, they could not find the specific location.

Nuwa and other women could attack the surroundings to break the spatial prison, but this was meaningless.

Guanyin Bodhisattva rubbed his forehead and asked the other women, "What should we do? ?"

Nuwa Empress waved her hands and said helplessly,

"Forget it, don't worry about that bastard, Queen Mother, Guanyin, you, Shang Yang, Qinyuan, discuss the matter of the demon clan. Su Chen came this time in the hope that the demon clan can help him."

Guanyin Bodhisattva nodded and asked,

"Well, Shang Yang, Qin Yuan, can you demon clan be loyal to Su Chen?"

After Shang Yang and Qin Yuan heard the words of Nuwa Empress and Guanyin Bodhisattva, they looked at each other and nodded.

For Su Chen, they would help, no matter what happened in the ice and snow field, or their feelings for Su Chen. As they became more and more familiar with each other, even when Su Chen touched them, Shang Yang and Qin Yuan felt the close relationship between Su Chen and them. (To read Baoshuang novels, go to Feilu Novel Network!) The

Queen Mother watched Shang Yang and Qin Yuan said,

"Shang Yang, Qinyuan, and Heaven currently lack a powerful army of gods. I hope that the demon army can go to Heaven to obey Su Chen and absolutely obey Su Chen's orders."

Shang Yang smoothed his hair and said to the Queen Mother,

"Queen Mother, Qin Yuan and I have no problem. We have more than three million demon soldiers in our hands, but we are not sure yet whether Bai Ze and Ji Meng will agree."

Qin Yuan nodded and said,

"Yes, Shang Yang and I can help Su Chen, Baize and Ji Meng unconditionally, but we cannot make decisions for them."

Nuwa Empress thought for a while and said,

"Shang Yang, Qin Yuan, you go and discuss this with Baize and Ji Meng."

Although Empress Nuwa can order Bai Ze and Ji Meng to be loyal to Su Chen, she does not want to do so.

There are not many demon soldiers left in the Demon Clan Heavenly Court. These demon soldiers are the only demon soldiers left in the Demon Clan Heavenly Court. Empress Nuwa does not want to use them." Order the remaining demon soldiers to be loyal to Su Chen.

0Flowers requested0

"Yes, Empress Nuwa!"

After Shang Yang and Qin Yuan saluted Empress Nuwa, they flew towards the demon army.

As for Bai Ze and Ji Meng,

Shang Yang and Qin Yuan believed that they would agree to be loyal to Su Chen, who is now the Emperor of Heaven. , and the Nuwa Empress and the Queen Mother are all helping Su Chen. This is an opportunity for the Monster Clan to come out of the Northern Territory. As for being loyal to Su Chen, there is no problem. If the Monster Clan leaves the Northern Territory, it must be We need Su Chen's protection, otherwise as soon as the demon tribe leaves the Northern Territory of the Ancient World, all the great powers in the ancient immortal world will destroy the demon tribe. After Nuwa looked at the enchantress next to her, she said to the Queen Mother and the other girls,

"Let's wait for Suchen here!"

The Queen Mother, Yunxiao, Our Lady of Golden Spirit, and Guanyin Bodhisattva all nodded. They were worried that Su Chen would stay alone in the Northern Territory. Su Chen's ability to cause trouble was too strong. If they left now, Su Chen would probably cause trouble again. What's the trouble?

The flower demon enchantress is speechless at the moment.

Her life and death are controlled by Su Chen, and there are powerful women like Nuwa and the Queen Mother. It's impossible for her to escape secretly. The enchantress thinks of Su Chen. Chen is shameless and lustful, and she is very anxious in her heart.

The enchantress does not want to be forced to be humiliated by Su Chen, but she has no choice now.

Over the prehistoric northern region, after the prehistoric Tiandao inspected the destroyed ice cave, Tiandao The eye also disappeared in the nine heavens.

Hongjun also left the prehistoric fairy world with a puzzled face. He found nothing in the ruins of the Ice Cave.

Consciousness?

The rules of heaven?

He didn't find any of these. Hongjun didn't find anything about this. He could only leave with regret.

He couldn't fall out with Su Chen now. A hundred years later, Hongjun would personally crush to death that little scumbag who dared to threaten him.

In the space prison,

Su Chen lay on the archangel's bed with a constipated look on his face. On the mountain.

The archangel had taken off his armor at this moment. The naked archangel was very attractive.

The archangel looked at Su Chen lying on her chest and asked,

"Master, don't you like me like this?".

Chapter 2487

Su Chen was very speechless when he heard the words of the archangel while lying on the mountain of meat.

Do you like it? dislike?

Of course Su Chen likes it, but it can only be seen but not eaten.

Su Chen feels very itchy in his heart. Although he can become bigger and enjoy the archangel, Su Chen doesn't want to do that, alas!

This really sucks.

Su Chen stroked the white and delicate mountain and said,

"Angel Ruoxue, the master likes you very much"

"Master, Ruoxue can do anything for the master."

The archangel's face turned red when Su Chen touched her.

She is now a living creature of flesh and blood, and her seven emotions and six desires are exactly the same as those of humans. She can feel desire and lust. The archangel feels very comfortable when being touched by Su Chen.

"I know!"

Su Chen nodded helplessly to the Archangel.

He could feel the Archangel's thoughts, but the Archangel was just over ten meters tall. Su Chen had no intention of getting bigger at this moment?

Do you want to get bigger to enjoy the Archangel?

Su Chen's eyes lit up when he looked at the archangel's delicate red lips.

He had some thoughts in his mind, but wouldn't this be too dirty?

Three days later,

Empress Nuwa and Yun Sanxiao were impatient to wait. , it has been three days.

Su Chen and the archangel have been sleeping together in the space prison for three days.

Three days is very short for the immortals, but they think of Su Chen sleeping with a spiritual treasure, which makes them feel very sad. Angry and helpless.

Yunxiao asked helplessly, "Empress Nuwa, do we still have to wait?"

Nuwa Empress said with a cold face,

"Wait, after that little bastard comes out, I must teach that shameless pervert a lesson."

"We should teach Su Chen a lesson."

The Queen Mother nodded and said angrily.

She was very resentful towards Su Chen.

In the ice and snow field,

Su Chen touched her and even put his hand into her dress. But she didn't expect Su Chen. She would have sex with a spiritual treasure, but she was still protecting that shameless little bastard outside.

Empress Nuwa looked at the Queen Mother and ordered,

"Let's do this, Queen Mother, you take the demon army back to Heaven first. Shang Yang, Qin Yuan, and Enchantress will also leave together. Queen Mother Xi and her daughters are still in seclusion. Heaven is Su Chen's foundation, and we must protect Heaven."

The demon tribe has decided to take refuge with Su Chen.

Bai Ze and Ji Meng will be Su Chen's subordinates in the future.

More than seven million demon soldiers and demon generals need to be arranged in the heaven as soon as possible. Empress Nuwa does not want everyone to be here Wait for that little bastard here

"good!"

When the Queen Mother heard what Nuwa said, she also felt that she could not waste time here. There is no powerful person in heaven, and the Queen Mother was also worried that something would happen in heaven.

"We immediately went to assemble the demon army."

Shang Yang and Qin Yuan nodded to Nuwa Empress, and they quickly disappeared into the air.

The demon army of more than six million people, they wanted to assemble with Bai Ze and Ji Meng as soon as possible. As for that little bastard Su Chen, they only Can wait for Su Chen's return in the heaven.

Empress Nuwa, Yunxiao, and the three daughters of the Holy Mother of the Golden Spirit, they saw the Queen Mother and the other daughters leaving, and they continued to wait for Su Chen to come out next to the space prison.

Although the Northern Territory of the Wilderness is not as powerful as the However, when they thought of Su Chen's ability to cause trouble, Nuwa, Empress, and the other three women were worried that Su Chen would stay in the Northern Territory. In the

Immortal World, the great masters who escaped from the Northern Territory were confused at this moment. Ice Cave Mansion It has been destroyed, but why are Su Chen and Nuwa Empress still in the Northern Territory?

"Great Immortal Zhen Yuanzi, what's going on? Why haven't Emperor Su Chen and Empress Nuwa left the Northern Territory yet?"

"I don't know. With Nuwa Empress present, we don't dare to investigate the situation of Emperor Su Chen. Let's wait and see."

"Yes, Empress Nuwa is the most powerful saint besides Hongjun Daozu. We should not offend Empress Nuwa."

"Well, we just need to pay attention to the return of Emperor Su Chen to the Eastern Continent. The Northern Territory is too dangerous. The five great saints have all fallen. The rain of blood is still falling. We should not go to the Northern Territory again in the future."

"Do you think the Heavenly Emperor Su Chen will discover anything in the Northern Territory? Otherwise, why would the Heavenly Emperor Su Chen still stay in the Northern Territory?"

"It's hard to say, Emperor Su Chen is too weird"

"Yes, Emperor Su Chen is not only weird, but he also knows many secrets of the ancient world. Maybe there are some treasures in the Northern Territory that are worthy of Emperor Su Chen's attention."

After many great masters from the Great Desolate Immortal World talked with each other, they were all paying attention to the situation in the Prehistoric Northern Territory.

As long as Su Chen did not come out of the Prehistoric Northern Territory, these great masters would have no intention of practicing. (Read Baoshuang novels, Just go to Feilu Novel Network!)

The five great saints Tongtian and Laozi also looked puzzled at this moment.

They discovered that the three daughters of Nuwa and Empress had been in the sky over the ancient Northern Territory for three days, but the Emperor Su Chen never appeared. The five great saints Tongtian and Laozi were all confused. I just can't figure it out.

Are there any secrets in the Northern Territory?

Or is there something unexpected in the Northern Territory?

Saints like Tongtian and Laozi are paying attention to the Nuwa Empress. They want to know that Su Chen has not returned to the Eastern Continent. What did Su Chen do when he stayed in the Northern Territory?

In the chaos,

Hongjun had been paying attention to the Nuwa Empress and the girls.

He sensed that Su Chen was in a space, but what Su Chen did in the space, Hongjun didn't know. After checking, he was worried that Su Chen was doing something secretly.

Hongjun looked at the Northern Territory with a serious face.

No matter what Su Chen was going to do in the Northern Territory, Hongjun would check it out immediately.

Five days have passed.

410 Su Chen and Archangel were still in the space prison.

At this time,

Su Chen listened to the system prompts with a surprised look on his face. There was unexpected movement in the National Luck Mission.

Oh no, now there was movement in the Planet Luck Mission.

Su Chen rubbed his chin and thought about Selena and Alice.

He met them in the last super god world, but the locator of the small world could not find their small world.

After Su Chen later asked the system, he Knowing that the small worlds involved in the planetary destiny war were all obscured by the mission of Heaven, he was also very helpless. After the

archangel put on the red dress and armor neatly, she saw Su Chen frowning and asked in confusion road,

"Master, are you worried about anything?"

Su Chen touched the Archangel's delicate red lips and said with a smile,

"No, I'm just thinking about something. Ruoxue, the owner of your flaming red lips is very satisfied."

"Master, I will help you detoxify from now on."

"Ha ha....."

Su Chen was very happy when he thought about what he had done in the past few days.

Su Chen enjoyed the archangel's soft and sexy red lips. Although he did not have sex with the archangel, the things he had done in the past few days were more beautiful. Enjoy it even more during the first month and the next

"Ding, host, have you thought about it?"

"System, is it okay not to seal the realm of cultivation?"

Chapter 2488

Su Chen was a little helpless at the moment.

To participate in the Planet Luck Mission War, one had to seal the realm of cultivation, which Su Chen couldn't accept.

During the ladder mission, his cultivation realm was sealed several times.

The feeling was very bad and aggrieved. Su Chen did not want his cultivation realm to be sealed again.

"System, is it okay not to seal the realm of cultivation?"

"Ding, what do you think?"

"Ahem, I said yes"

"Ding, host, your shamelessness makes me speechless!"

I guess!

Is the system girl mocking me?

Damn it, why are I so shameless?

Su Chen's face was so dark that he wanted to teach the system girl a lesson. He just didn't want his cultivation realm to be sealed, but the system girl actually mocked him. He was shameless and shameless. Is there such a system for mocking the master?

Su Chen suddenly thought of the Chinese team, Bai Yuekui, Qilin, Xiao Longnu, and Li Maozhen. Bai Yuekui and Qilin had not seen them for several years, and Xiao Longnu and Li Maozhen had become immortals. , will they still participate in the Planet Luck Mission War?

Su Chen touched his chin and hurriedly asked the system,

"System girl, are Bai Yuekui, Xiao Longnu and the others also participating this time?"

"Ding, the Chinese team will participate. However, Xiao Longnv and Li Maozhen have been removed from the list. They are very powerful. Luck and Heaven will not allow them to continue to participate in the Luck Mission War."

"Let me go, Xiao Longnu and Li Maozhen were removed? System, the Chinese team has a new member?"

Su Chen didn't expect that Xiao Longnv and Li Maozhen would be removed from the five-member Huaxia team. Without Xiao Longnv and Li Maozhen, would the Huaxia team have new teammates?

Who will be the two new teammates?

They are two beautiful people. Beautiful woman?

Or two dirty men?

"Ding, that's for sure."

Su Chen continued to ask doubtfully,

"System girl, I am also very powerful. Why didn't Qi Lun and Tian Dao remove me?"

"Ding, with this system here, do you think Qi Yun Tian Dao will remove you?"

"Ha ha....., System girl, you are awesome!"

"Ding, shameless bastard!"

I'm sorry, the system girl actually said dirty words?

Oh my god, the system girl is becoming more and more feminine, awesome?

Su Chen is complimenting the system girl. Doesn't the system girl think that he is teasing her? Right?

Su Chen shook his head and didn't think about this for the time being. He would be able to see System Girl's identity sooner or later. Do you want to participate in the Planet Luck Mission this time?

Origin of Heaven,

System Girl is very needed, but to participate in the Luck Mission War, it must be sealed

Su Chen can understand the realm of cultivation.

After all, his cultivation is very powerful.

But if the mission war is a world where strong people gather, and Su Chen is sealed in the realm of cultivation, how can he complete the mission? Is it possible? Want to escape as frustrated as the super god world?

"Ding,Lord, the system will not completely seal your cultivation realm."

Su Chen heard what the system girl said and asked hurriedly,"System, how much strength can I retain? A realm of cultivation below immortality? Are there any realms of cultivation below those of an immortal cultivator?"

"Ding, it depends."

Damn it,

I'm so happy for nothing!

Su Chen thinks that the system girl is deliberately playing tricks on him, it depends on the situation?

Does this depend on whether the mission world is strong?

"Girl, when will the Planet Luck Mission War start?"

"Ding, it will start in ten days, does the host want to participate?"

Su Chen lay on the mountain of Archangel and touched his chin and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"System girl, if I participate in this Luck Mission War, your body must be shown to me once. I only participate in the Luck Mission War because of you."

"Ding, dreaming"

"Let me tell you, little girl, we have lived and died together for so many years, and you are not willing to even see your true form even once?"

"Ding, host, you are so shameless. You have seen the true form of the Heavenly Ladder Holy Soul, but you shamelessly did dirty things to the Heavenly Ladder Holy Soul. Do you think the system will let you see the true form?"

"I guess, it was an accident. I was accidentally touched by the Holy Soul of the Tianglai."

"Ding, Dabe, your character is too bad and the system cannot trust you."

I guess!

Su Chen has a dark face at the moment and wants to ravage the girl in the system.

Is he too scumbag?

Why is he such a scumbag?

Su Chen is sincere to the women he likes.

Ahem, hey, he seems to have too many women..

Su Chen rubbed his forehead and decided to participate in the Luck Mission War.

Selena and Alice, he also wanted to make it clear to them. Bai Yuekui, the beautiful lady, had not seen him for a long time. Su Chen was very fond of Bai Yuekui's long legs. coveted

"System girl, for you, I decided to participate in the Luck Mission War. Don't forget the victory gift pack."

"Ding, host, your shamelessness is truly invincible. The system will hide you and send you to the mission world in ten days."

Su Chen curled his lips and didn't care about the system girl's ridicule. He would capture the system girl sooner or later, as well as the stunning beauty of the Holy Soul of the Ladder. Su Chen would not let her go.

Su Chen appeared in the Archangel's room instantly. Said on the shoulder,

"Angel Ruoxue, let's go out"

"Yes, master!"

The Great Angel rubbed Su Chen's fair and delicate face, and she waved her white wings and disappeared into the prison of space. In the sky above the ancient Northern Territory,

Empress Nuwa and Yunxiao, Guanyin Bodhisattva saw Su Chen and the Archangel appear. , they all stared at Su Chen with unkind expressions.

Guanyin Bodhisattva stared at Su Chen expressionlessly and threatened, "You little bastard, do you want to die?"

Su Chen instantly appeared next to Guanyin Bodhisattva.

He hugged Guanyin Bodhisattva's soft waist and said hurriedly,

"Ahem, Guanyin, Nuwa, Yunxiao, you have misunderstood. Angel Ruoxue and I didn't do anything. You can look at Angel Ruoxue, she is still perfect."

Nuwa Empress and Guanyin Bodhisattva, after Yunxiao heard Su Chen's words, they discovered that the archangel was really a piece of jewelry. Nuwa

Empress and the other three girls were very confused.

Su Chen and the archangel were almost ten years old in the space prison. God, didn't they do anything dirty?

Empress Nuwa asked Su Chen doubtfully, "Little bastard, what did you and the Archangel do in the space prison these days?"

Su Chen immediately pretended to be a gentleman and said,

"Nuwa, I just checked on the condition of Angel Ruoxue. Angel Ruoxue has been promoted to the Innate Treasure and has become flesh and blood. I am worried that the archangel will have adverse reactions."

The beautiful face of Empress Nuwa showed a look of disdain.

She would not believe what Su Chen said.

Su Chen was a shameless pervert.

In the past ten days,

Su Chen and the Archangel must have done something nasty and unsightly.

Empress Nuwa stared at Su Chen coldly and snorted,

"Huh, do you think I would believe it?"

"Nuwa, you are not only beautiful, but also very noble and beautiful. You are a kind-hearted Nuwa empress. You will definitely believe me."

"Suchen, you are such a shameless bastard!".

Chapter 2489

Empress Nuwa was very helpless when she heard Su Chen's shameless words.

She had no way to deal with Su Chen.

He was a shameless bastard.

Empress Nuwa just said that she should be shameless if the shameless Su Chen was shameless.

Guanyin Bodhisattva and Yun Xiao looked at Su Chen and shook their heads.

They felt that Nuwa was right when she said that she was shameless and shameless.

Su Chen did it to the best of her ability.

Guanyin Bodhisattva and Yun Xiao didn't understand why they would do anything to such a shameless person. Have a good impression

"Let's go back to heaven!"

Nuwa Empress waved her hand coldly, and she took Su Chen, Yunxiao, and Guanyin Bodhisattva and disappeared over the northern region of the ancient world. In the ancient fairyland, many innate powers and saints discovered that Su Chen and Nuwa Empress were so close. After the girl disappeared, these powerful men and saints all looked away.

The departure of Su Chen and Nuwa Niang "Nine Sixty" Niang and the other girls showed that the affairs of the Prehistoric Northern Territory ended here, and the Prehistoric Northern Territory also It was impossible for other major events to happen.

Three days later, in the prehistoric heaven and the peach garden of Yaochi Wonderland,

Su Chen was sitting on a peach tree and resting

"Emperor of Heaven, aren't you going to handle the government affairs of Heaven?"

Under the flat peach tree, the seven fairies in purple clothes asked Su Chen doubtfully.

The other seven fairies also looked at Su Chen.

For the past three days,

Su Chen has been staying in the flat peach garden.

Su Chen has not managed things in the heaven. , didn't even ask, which made the seven fairies very speechless.

As Su Chen was the emperor of the ancient heaven, the seven fairies guessed that Su Chen might not even know the immortal officials in the heaven. This was the worst thing the seven sisters had ever seen. Lazy Emperor of Heaven.

Su Chen took a bite of flat peach and waved his hand and said,

"No need, the Queen Mother and Guanyin Bodhisattva are there to handle it in heaven, so I won't go make trouble."

Manage the Heavenly Court?

Su Chen has never even managed the Xuantian Realm. Su Chen doesn't care about a small ancient Heavenly Court. Besides, the Queen Mother and the Queen Mother manage the Heavenly Court very well. Even if he wants to manage the Heavenly Court, he can't manage it.. Chengyi asked Su Chen speechlessly, "Emperor of Heaven, are you just staying in the Peach Garden like this?" Whoosh! Su Chen instantly appeared between Cheng Yi and Huang Yi. He hugged Cheng Yi and Huang Yi's waist and asked with a smile,

"Little Chengyi, don't you seven sisters want to serve this Emperor?"

"Emperor of Heaven....."

Cheng Yi and Huang Yi's faces turned rosy when Su Chen hugged them.

In the past three days,

Su Chen hugged and hugged the seven sisters frequently.

However, the seven sisters not only did not feel disgusted, but also felt that Su Chen hugged them. Hug, this is a very normal thing.

The seven fairies were very confused at first, but in the past three days, the seven fairies have become accustomed to Su Chen touching them.

Su Chen took out a pot of water of life and handed it to Cheng Yi and said,

"Cheng Yi, you seven sisters are all in the realm of immortal cultivation. Your cultivation realm is a bit low. There is some water of life here, and there are three thousand years of flat peaches in the flat peach garden. You and the fairies from the Yaochi Wonderland are all in the flat peach garden. Practice. After Huang

Yi reached out to take the water of life for Cheng Yi, she smiled and reminded Su Chen, "Emperor of Heaven, the Peach Garden is the Queen Mother's Peach Garden. Can you make the decision?"

Pah!

Su Chen spanked the little one in yellow and said, (To read Baoshuang novels, go to Feilu Novel Network!)

"Huang Yi, the Queen Mother will be my woman from now on. Do you think I can make the decision in Pantao Yuan?"

Huang Yi's face turned red instantly after being spanked by Su Chen. She did not expect that Su Chen would spank her in front of the other sisters. Huang Yi lowered her head shyly and did not dare to look at the other sisters.

Cheng Yi The girls couldn't help Su Chen's shamelessness.

They had all been spanked by Su Chen.

A heavenly emperor turned out to be a lecher. The seven fairies felt that they might not be able to escape from Su Chen's clutches in the future.

Su Chen kissed Cheng Yi and said with a smile ,

"Okay, you all go arrange the training of the fairies in Yaochi Wonderland, and I will go and take a rest."

"Yes, Emperor of Heaven!"

The seven fairies hurriedly disappeared into the Peach Garden.

They didn't want to stay with Su Chen for a moment. Su Chen was shameless and lustful and kissed and hugged them. The seven fairies were afraid that the Queen Mother would find out and punish them.

Su Chen was lying on the peach tree. He was very helpless.

Empress Nuwa and the Queen Mother had warned him that if he secretly left the heaven, Nuwa and the others would capture him and even seal his cultivation realm.

Su Chen just wanted to leave. Heavenly Court didn't dare, he could see that Nuwa Empress and the girls were serious this time.

Capture them?

Seal the cultivation realm?

Su Chen would not let Nuwa Empress and the girls do this. Su Chen thought about it for three days.

I didn't think of a way to appease the Nuwa Empress and her daughters.

One day in the sky and one year in the earth. In the past three years, the war between Dashang and the Western Zhou Dynasty has been on and off. Sishui Pass has never been breached by the Western Zhou Dynasty....0Although the five great saints in the prehistoric immortal world have all sent out quasi-sage powerhouses, Lu Ya and Kong Xuan are in charge of Sishui Pass. As long as there are no veteran quasi-sage powerhouses to take action, Sishui Pass cannot be breached.

"well! How to convince Nuwa Empress to marry her?"

Su Chen rubbed his forehead and said to himself.

It has been more than three years since he left Dashang.

Although Su Chen notified the little fox Su Daji, he was still worried about the war between Dashang and the Western Zhou Dynasty.

The five great saints may not have done their best. , but what about Hongjun?

If Hongjun saw no progress in the Battle of the Gods, he would definitely force the five great saints to take action against Dashang.

Su Chen took out the Demonic Tower of Desire and checked it and was even more speechless.

He originally wanted to Bingji and Xueji had a sweet kiss as soon as they kissed, but Bingji and Xueji started practicing after entering the Magic Tower of Desire. Su Chen could only look at the two seductive beauties and couldn't eat them.

"I'll do it! How many of the Han Zhixian girls have reached the peak of Taiyi Jinxian?"

After Su Chen checked the five imprisoned Han Zhixian girls, he was very surprised.

Only a few hundred years had passed in the Demon Tower of Desire, and the cultivation level of the five Han Zhixian girls had improved so quickly. It was too fast. At the peak of Yijinxian, this cultivation level of 1.7 is on the same level as him.

"Beauties, you blew my mind."

Su Chen instantly appeared in the Demonic Tower of Desire.

He looked at the five naked fairies. Su Chen hugged the soft and delicate waists of Shi Ji and Han Zhi Xian.

"O shameless man!"

"Bastard, close your eyes"

"Damn it, let me go"

"Shameless pervert, get out now"

"Ah, little scumbag, I'm going to kill you."

In the Demonic Tower of Desire,

Han Zhixian and Caiyun Fairy Five saw Su Chen suddenly appear, and even looked at their bodies lustfully. The five women were ashamed and angry, and they protected their bodies and yelled at Su Chen.

"You guys are calling me shit, I will be your Taoist companion in the future. Besides, I have seen your body several times. Do you think you can leave me in the future?"

Chapter 2490

When Su Chen heard the shouts and curses from the five girls of Han Zhixian, he was very speechless while holding Han Zhixian and Shi Ji.

Su Chen found that although the fifth daughter of Han Zhixian yelled and cursed at him and protected her body from him, she did not have any hostility at all, nor did she show any murderous intent.

You must know that the cultivation level of the five Han Zhixian girls has not been sealed.

Apart from being unable to wear clothes, the five Han Zhixian girls can attack him.

Han Zhixian protected her chest and stared at Su Chen and asked, "Shameless bastard, you were not killed by Nuwa Empress?"

Su Chen hugged Han Zhixian, kissed her and smiled, "Yeah, I will be killed easily. ? Besides, I haven't enjoyed you five beautiful fairies, how could I die so easily?"

"You are so shameless!"

Shi Ji was very helpless being held by Su Chen. The hands of this shameless man continued to touch her body. Shi Ji blushed and lowered his head, not daring to let the other girls find out.

Princess Longji, Fairy Caiyun, Huo Holy Mother, the three girls were protecting their bodies and staring at Su Chen with beautiful eyes.

They were happy with Su Chen's appearance, but this shameless man was openly admiring their bodies, which made them want to strangle this shameless bastard..

Su Chen stroked Shi Ji's soft waist and smiled, "Shi Ji, you will go to bed later.""

"No, let me go."

Shi Ji became nervous when he heard Su Chen's words.

Although she no longer rejected Su Chen, she didn't want to give her body to Su Chen like this. Shi Ji escaped from Su Chen's arms in a flash.

"Let me go, Shiji, how dare you run away."

Su Chen saw Shi Ji instantly appearing not far away.

He looked at Shi Ji's tall figure, proudly standing mountains, fair and delicate skin, and slender fair legs. Su Chen touched his chin and wondered if he should do it first. Shiji.

Princess Longji glared at Su Chen in shame and shouted, "Su Chen, you are really a shameless pervert.""

"Princess Longji, you can't escape either"

"asshole!"

Su Chen shook his head and said,

"Okay, come here, I have lifted the ban on you not being able to wear clothes. Longji, Caiyun, Shiji, Hanzhixian, Huo Ling, please all wear clothes.."

Princess Shi Ji and Princess Long Ji put on their dresses one after another. They did not expect that Su Chen would lift this restriction, which made them feel better and better for Su Chen.

Han Zhixian leaned in Su Chen's arms and asked doubtfully,

"Su Chen, have you offended Empress Nuwa before?"

Su Chen kissed Han Zhixian's delicate little face and said,

"No, Empress Nuwa is my Taoist companion. The Demonic Tower of Desire was previously controlled by Empress Nuwa."

Our Lady of Fire Spirit glared at Su Chen and reminded,

"Do you want to die? Empress Nuwa is a saint, Su Chen, you must not talk nonsense about saints."

Fairy Caiyun and the other girls also stared at Su Chen. They didn't expect Su Chen to be so bold.

Empress Nuwa is his Taoist companion?

Why doesn't this bastard go to heaven?

Su Chen looked at the five fairies Han Zhi and didn't believe it, and he didn't believe it either. Explain, if Su Chen were the fifth daughter of Han Zhixian, he would not believe that Nuwa Empress had a Taoist companion.

Su Chen looked at the five daughters and shook his head and said,

"Okay, let's not talk about this. Have you come up with the Magic Tower of Desire? I can let you out"

"Su Chen, we are not going out. You said you would let us out only if we advance to the Daluo Golden Immortal. We are now at the peak of Taiyi Golden Immortal. In a few hundred years, we will definitely be able to advance to the Daluo Golden Immortal."

"Yes, this is thanks to the top cultivation resources you gave us, as well as the rich innate spiritual energy in the Demonic Tower of Desire. Otherwise, we would not have been able to advance so quickly even for hundreds of thousands of years."

"Su Chen, we have to cultivate in the Demonic Tower of Desire for several hundred more years, and leave some of your top-quality innate spiritual fruits for us."

"Well, we don't have much of the best innate spiritual fruit left, little bastard, you have to leave some more for us."

The Virgin Mary and the Fire Spirit girls shook their heads and refused after hearing Su Chen's words.

They have the best innate spiritual fruits and rich innate spiritual energy in the Demonic Tower of Desire.

One day of cultivation in the Demonic Tower of Desire is equivalent to one year of cultivation in the prehistoric fairyland. They I won't miss this rare opportunity.

Besides, (to read Baoshuang novels, go to Feilu Novel Network!)

The five girls were all spotted by Su Chen, and more than once.

They and Su Chen were considered Taoist couples. As for Su Chen, Han Zhixian and Shi Ji didn't regard him as an outsider at all.

Su Chen nodded and said, "Okay, I will leave you some more top-quality innate spiritual fruits."

It's okay for the five girls of Han Zhixian to stay in the Demonic Tower of Desire. They are only at the level of Taiyi Jinxian. Even if they go out, they won't be of much help to him. If the five girls of Hanzhixian can advance to Daluo Jinxian, this will also be helpful to him in the future.

Whoosh!

After Su Chen left many of the best innate spiritual fruits, he hugged Han Zhixian and disappeared in front of the Shiji girls. Su Chen just looked at the naked five girls. The anger was a bit fierce, and now he wanted to take Han Zhixian to vent his anger.

When Our Lady of Fire Spirit saw Su Chen disappearing with Han Zhixian, she cursed with a red face,

"Shameless pervert."

The faces of Princess Longji and the girls were very red at the moment. They all knew what Su Chen was taking Han Zhixian to do.

Fairy Caiyun smiled and said to the girls,

"Forget it, sooner or later we will be the bastard Su Chen's people. This time it is Han Zhixian, next time it will be us."

Shi Ji rubbed his forehead and said speechlessly,

"Alas, we are all devoted to the Tao, and we never thought that we would be harmed by that little bastard Su Chen."

"This is fate and the destiny of heaven."

Princess Long Ji shook her head speechlessly.

Ever since she was captured by Su Chen into the Demonic Tower of Desire, she hated Su Chen very much from the beginning, and now she cares about Su Chen.

For hundreds of years,

Princess Long Ji, and The other girls all had their hearts set on Su Chen. Previously, the Nuwa Empress wanted to kill Su Chen, and the five of them had been very worried about Su Chen's stability for decades.

Three years after the Demon Tower of Desire, the Three Kingdoms of Heaven The disaster has passed, and

Su Chen reappeared in the Peach Garden.

He is in a very good mood now.

During the three years that Su Chen was in the Demon Tower of Desire, he served the five daughters of the Han Zhi Fairy in one pot. Su Chen has enjoyed the five charming fairies and their passionate tenderness in the past three years.

Su Chen checked the situation at Sishui Pass and said to himself,

"There are still three days left for the Luck Mission War to begin. Three more years have passed in the prehistoric fairy world. The war between Dashang and the Western Zhou Dynasty is still raging. I hope there will be no accidents in these days."

Whoosh!

Empress Nuwa suddenly appeared next to Su Chen.

She stared at Su Chen with her beautiful eyes and asked,

"Su Chen, where have you been these days?"

Su Chen hugged Nuwa and said with a guilty conscience, "Nuwa, I went to the Demonic Tower of Desire to check on Bing Ji and Xue Ji."

"Huh, little bastard, you smell like other women. Are you fooling around with Han Zhixian?".
